HOLLAND BUSINESS COLLEGE MAKES AMERICAN CITIZENS

TEACHES HOLLANDERS TO READ THE ENGLISH LANGUAGE

The Holland business college has been doing some excellent work in getting foreigners ready for naturalization and one of the important features is to teach them the English language.

Mr. Hoeksema has a class of 18 who take regular night study and in order to have them keep up with current events and to become better acquainted with the American language he secures 18 copies of the Holland City News and the foreigners go over the current copies of the week as these relate to Holland.

Each student has a News before him and either reads alone or the class reads in unison as the teacher may direct.

Anyway Mr. Hoeksema has found this method not only helpful, but the News features keeps the students unusually interested.

MR. MILLER WILL OPEN HOTEL MACATAWA EARLY THIS YEAR

HE WRITES FROM SAN DIEGO, CALIFORNIA

Swan Miller, manager of Macatawa Resort Co. and who has charge of Hotel Macatawa states that he will open the hotel early in the season.

His letter which is self-explanatory follows below:

Dear Sir—I want to thank you for the write up you gave our improvements to be made, and I wish you would see to that the local press makes an announcement that Hotel Macatawa will open at once, so as to accommodate all persons, especially the tourists, the banqueters and dancing parties.

Our former chef, Mr. Wm. Gilmore will as usual, prepare edibles, such as he is noted for.

I hope to recover my health, so as to call on you, at an early date.

Yours very truly,
S. A. Miller,

RETURNING FROM A WEDDING TRIP, GETS BELATED SHOWER

Mr. and Mrs. William Hop have just returned from their honeymoon trip, they having been married some ten days ago.

Friends of Mrs. Hop, who was formerly Miss Kathryn Nuismier, felt that a shower always comes in handy and Tuesday night they quietly gathered at the home of Mrs. William Smeenge on West 17th street and gave the honeymooners the surprise of their lives.

The shower was a miscellaneous affair, but it goes without saying that many useful gifts were left by the participants.

Those who gathered were the Misses Frances Romeyn, Edith Nuismier, Mabel Overweg, Deane Kamphuis, Winnie Kamphuis, Jean Meyer, Nellie Smeenge, Kathryn Smeenge, Jane Batema, Cornie Rozeboom, and the Mesdames William Hop, J. Nuismier and Mrs. W. Smeenge.

Prizes were won by the Misses Jane Batema and Winnie Kamphuis. Mr. and Mrs. John Van Aarony motored to Holland from Grand Haven to visit Jacob Lokker, who has been very ill for the past few weeks.

ARE HOLLAND BUSINESS PHONES TO BE \$5 EACH

On page five of this issue the Bell Telephone Co. that is contemplating a merger with the Citizens Telephone Co., apparently, if we understand the ad right, is going to charge \$5 for a business phone, instead of \$3 as has been the custom with the Citizens Phone Co. At least this seems to be the rate they are advertising for Holland, as being applied for from the Michigan Public Utilities Co. We understand that Mayor Stephan and City Attorney Mc Bride are watching this matter with intense interest so that Holland will get a square deal in this re-establishment of rates.

WRECK VICTIM BRINGS SUIT IN CIRCUIT COURT

Judge Cross' attention in circuit court was occupied by the case of A. Autman vs. the G. R. G. H. & M. R. Y. Co. This is a damage suit brought by the plaintiff for injuries received at Villa Crossing last summer when Autman's automobile was struck by an interurban car and demolished. Autman was badly hurt and was brought to Elizabeth Hatton Memorial hospital in Grand Haven for treatment. Lillie & Lillie are representing the plaintiff in the case and Carroll, Kerwin & Hollway, attorneys for the interurban company are appearing for the defendant company.

MERCHANTS ARE PUTTING ON A BIG SALE

SOME EXCEPTIONAL BARGAINS ARE TO BE HAD NEXT WEEK WEDNESDAY, THURSDAY AND FRIDAY

The Sale is to Be For the Spring What the Harvest Sale Is in the Fall

The Semi-Annual three days sale put on by the merchants of Holland will soon be here.

Last fall the great Harvest Sale proved an exceptional success, and the merchants of this city are looking forward to the Spring Sale of three days which takes place April 5, 6 and 7.

Besides advertising in the local papers the merchants have put out an eight page circular devoted entirely to advertising matter that pertains to the great reduction of prices during the three days of the sale.

These semi-annual trading events as has been said before are not fostered for the purpose of money making but rather to make Holland the trading center for 25 miles around.

If there is any doubt of this fact the prices given in the circular that will enter every home in Holland and many miles around Holland, will be rather convincing.

For instance one merchant sells five pounds of sugar for 25c. Another merchant sells \$2 shirts for 95 cents. Then again an electrical man is disposing of three fuse plugs for ten cents, and is giving \$5 bills away.

Furniture men are vying with one another to see whether they can get the price of rug down to the floor. Another merchant is cutting wall paper half in two in place while a beautiful wrist watch of \$30 can be had for \$21, and just think of it, a \$5 "Uke" going for \$2.50 while a \$50 phonograph can be brought to your home for \$35.

Another merchant sells a dozen pairs of men's socks for \$1.10, while window shades of \$75c go for 50c and so the story goes.

This is only skimming over the top and hitting some of the high spots in price giving. The circular gives thousands more just the same and better and it would pay prospective spring purchasers to list their bargains before they come to town and thus expedite matters when it comes to purchasing.

A glance at the circular cannot help but show that the merchants of Holland really mean business when it comes to price giving at this three days sale.

Remember the dates, Wednesday Thursday and Friday, April 5, 6 and 7.

Holland welcomes you all to its Spring sale of three days.

Supt. E. E. Fell and Principal J. J. Riemersma, and Miss Lida Rogers are in Ann Arbor this week where they are attending various educational conferences that are being held there.

KARDUX GROCERY TO HAVE UNIQUE DEMONSTRATION

WILL BE REAL LIVE ONES DURING THE THREE SPRING DAY SALES

Kardux grocery, managed by Joe Kardux, is taking a special interest in the spring opening sale that the merchants are to have next week Wednesday, Thursday and Friday.

In the first place he is to sell five pounds of sugar for 25c on the days. It sounds like pre-war times, and like "Ye Good Olden Days" when the housewife didn't have to put a lump on the string, dip it in the coffee and hang it away for a future cup. He has a large list of just such bargains.

But that is not all that Joe is going to do. During the three days sale, April 5, 6, and 7 there will be six demonstrations going on at his store at the corner of River Avenue and Seventh street.

A good looking young lady will show folks how to use Good Luck Olo, while the Fleischman Yeast man is to demonstrate, and give away yeast besides books explaining how it is used.

Nestles Everyday Milk will also be demonstrated. This milk can be whipped like cream with the same desired results. Burnetts Flavoring Co. will have a large display of flavoring extracts, spices and cake colorings on exhibition.

The National Biscuit Co. intends to make some kind of a demonstration, while the Wiedler Coffee Co. is to pass out samples and also make a demonstration.

The Kardux Grocery Co. is certainly doing things up brown for the three days spring sale.

The treasurer of Ottawa county Mr. Den Herder states that he will be at the Wolverine Garage, Holland on Wednesday April 5 in order that motorists can secure licenses.

NEW MEMBER OF G. AND M. FLEET IS GIVEN WELCOME

Twenty months ago, the first time in many, many years, a vessel steamed into the harbor here that bore the name of this city. There was a time when Holland's name was very much in evidence on the lakes, but that old vessel has been off the local run for many years, and it finally found its grave in Muskegon harbor in the dramatic storm of a year or two ago.

But now Holland again has a namesake in the Graham & Morton fleet, and Tuesday morning at eight o'clock the vessel steamed in the view. It was due at six, but the fog on the lake was so heavy that there was considerable delay. Also there was a much larger load of freight at Benton Harbor than had been anticipated. All this took more time than was figured on, and hence the two hours delay. But the boat made its initial trip without mishap and it tied up at the local dock a little after eight.

"The City of Holland" is a beautiful vessel and one that will mean a substantial addition to the G. & M. fleet. It has sleeping accommodations for about twice as many passengers as the "City of Benton Harbor" and its freight carrying capacity is also much greater than the "City of Benton Harbor". As compared with the "City of Grand Rapids," is not as large in either passenger or freight capacity. It looks like a very seaworthy vessel and one that can stand rough weather.

When the "City of Holland" steamed into view Tuesday morning the factory whistles were sounded as a salute of welcome. The local dock was lined with people who were on hand to see the new member of the fleet come in. Mayor Stephan was present to welcome the boat's crew on behalf of the city, and all in all the company's officials were made to feel that Holland is glad to have navigation opened again. Captain Mike Morgan, of the "City of Grand Rapids," was in command, and he will have charge of the boat until the "Grand Rapids" goes into commission again.

Much freight had accumulated on the dock and this was loaded on the vessel Tuesday. The vessel will leave the local dock every Tuesday, Thursday and Sunday evening at 8:10.

Five new members were added to the Hope College chapter of the Pi Kappa Delta organization at the installation which took place on Thursday evening. The Pi Kappa Delta is a national organization of men and women who have earned distinction in literary lines, debating or oratory. It is no Greek letter or secret society. The local chapter has approximately 25 members at the present time, and received their charter last year.

Winfield Burggraf conducted the ceremonies which were very impressive. The five members who were added to Hope's honor roll are Peter H. De Vries, Harvey De Weerd, Jack Prins, Jerry De Vries and Abraham Rynbrandt.

MAYOR STEPHAN REMEMBERED BY NA- TIONAL FLOWER SHOW

Mayor E. P. Stephan on Saturday received a large crock of hyacinths presented to him by the Ebelink Flower Shop through the courtesy of Mayor S. L. Shank, of Indianapolis, Indiana, in connection with the fifth national flower show that opened in Indianapolis on Saturday and that is being held there all this week. The plan of the convention is to have some florist who is a member of the national organization send flowers to the mayor of each city in the United States to call attention to the national flower show. The Ebelink Flower Shop is a member of the National organization and so that firm was requested to extend the courtesy to Holland's Mayor on behalf of the national association, which request was graciously complied with. So the flowers were the direct gift of the Ebelink Flower shop, but they carried the card of Mayor Shanks of Indianapolis and his compliments.

The following message was written on the card: "On the opening of the Fifth National Flower Show today, it gives me great pleasure to send a message of Flowers by wire to you."

HOLLAND EXCHANGE CLUB HOST TO COUN- TY SEAT MEN

The men of Holland and the men of Grand Haven know each other better today because of a splendid get-together meeting held Friday evening in the W. L. C. hall and their respect for each other has increased and the interest in each other has deepened because of that gathering in which the members of the Exchange club of Grand Haven were the guests of the Exchange club of Holland. The members of the Grand Haven club were there almost to the last man and every Holland Exchangeite was also in his seat, making a company of some hundred and fifty who partook of a delightful feast served faultlessly by the wives of Holland Exchangeites in a hall artistically decorated with the Exchange emblems and in Exchange colors.

After the banquet to which each Holland member took a visiting member, Willis Diekema opened the program with a solo, playing his own accompaniment. He made such a hit that he was recalled several times and he was allowed to sit down only when his supply of songs gave out.

Prof. Wynand Wichers served as toastmaster and introduced the various speakers with witty stories and apt remarks. Mayor E. P. Stephan was called upon by him to give the address of welcome and he made every visiting member feel at home and as if the town belonged to him.

Supt. L. Vanden Berg of Grand Haven made the response, for the visitors and his brief but eloquent talk made it very clear to the hosts that the Grand Haven men were present with bells on and that the community of spirit of the two towns is very vital and very real.

Dugan and Smith made their usual hit with some comedy songs and they also were unable to leave the stage until their supply was exhausted.

Attorney C. Vander Meulen gave an address on "Poor Relations," in which he cleverly impersonated a disgruntled character who has failed in everything and who blames everybody else for his failure but himself. Mr. Vander Meulen showed remarkable art in his analysis of the mind of the failure, and his talk was a fine example of driving home ideas by indirection.

Rev. J. J. De Kraker, pastor of the Presbyterian church of Grand Haven gave a short, witty talk in which he called attention to the value of the work the Exchange clubs are doing and how they help men to know each other and to work together.

Dr. R. E. Kuizenga was the last speaker and his subject was, "Two and One to Carry." Dr. Kuizenga was at his very best. He called attention to the egotism, the curiosity, the love of beauty and the altruism of man—man who always interprets the universe in terms of himself, whose curiosity about himself and the universe is insatiable, who is incurably an altruist fighting his way to danger and to death even for the sake of his fellows, who loves beauty in its myriad forms, and who finally transcends the material and searches the spiritual to satisfy his soul. It was a fine display of eloquence that left a deep impression on both visitors and hosts.

Throughout the meeting the Holland and Grand Haven men vied with each other in singing song hits and take-offs on each other, and the meeting was full of pep and enthusiasm. It was all in all one of the most delightful gatherings of its kind held here for a long time.

The beautiful decorations were the work of George Bosman, and the banquet was in charge of the following committee: W. J. Olive, A. L. Cappon, Arthur Visscher, Earnest Brooks, J. A. Johnson, Clarence Lokker, and Jay Den Herder.

The following acts will be put on at the circus: Rolfe & Kennedy, Ariel Bar and Rman Rings; Cal and Ruby, Comedy Boxing; Lessik, Anita & Co., Gun Juggling and Novelty Balancing; Handji-Lessik, new and up-to-date Punch & Judy; No-Ko-Mis, the Man Monkey who does everything a man can or will do.

RADIO CLUB OF 20 MEMBERS ORGANIZED IN HOLLAND

Many of our readers may not be aware that Holland has a radio club of 20 members who are boosting for the best radio in Holland.

The Holland Radio Ass'n was organized Nov. 24, '21 with A. T. Sirrine 8JZ as president, M. Terrell 8CIU as vice-president, and C. Geerlings 8APS as secretary-treasurer.

At the recent Michigan Radio convention held at Lansing last month, A. T. Sirrine, Clyde Geerlings and I. Bosman were sent by the club, as representatives from Holland. A. T. Sirrine and Clyde Geerlings are sporting blue Amateur First Grade Operator licenses as a result of an examination taken while there.

The Radio Art is becoming popular in Holland. During the past two months more than a dozen outfits have been installed, with prospects of many more. This winter the club members as well as many interested citizens, have been listening to the Chicago Opera, Lectures, Concerts, sermons, news and stock reports which are being broadcasted by stations all over the country.

Feb. 24 the club gave a short radio concert at the Masonic Banquet which was received with a hearty applause.

All those who are interested in Radio are cordially invited to attend our next meeting, which will be held in room 305 at the High school on Thursday March 23.

GRAND HAVEN MAN NEARLY CAUGHT IN THE FLAMES

One of the historic buildings in the heart of the business district at Grand Haven is a complete wreck as a result of the fire which swept thru it during the early hours Friday morning. The building was occupied by the Rivoli theater, and by Mr. Gale's China Shop, one of the best known china stores in western Michigan.

The blaze originated in the rear of the Gale building, the exact spot at which the fire started could not be determined but the general direction of the flames were from the front to the rear of the structure.

William Gay who for many years has occupied a suite of rooms on the east side of the upper floor was aroused from his bed at shortly after 1 o'clock Friday morning, by the smell of smoke and crackling fire. He ran out to the hall in the rear of his apartments and was there confronted by a solid wall of flame advancing toward him. He hurriedly dressed, and leaving all his earthly possessions in his living room, he rushed down the front stairs to the street. Running out into the street, he met some person who was unknown to him who telephoned in the first alarm from the iGldner hotel. Mr. Gay was unable to get up stairs to his rooms. He estimated his personal loss at fully \$1000. This tenant of the building had no insurance and he said the fire left him without a dollar or a home.

Many rumors spread as to the cause of the blaze. Mr. Gay who saw the flames stated that he believed the blaze to be of incendiary origin. He heard voices sometime previous but of course had no idea that anything unusual was going on. Various clues are being followed, it is said. At any rate the fire began at the rear of the building and swept thru it, leaving a mere charred shell.

The Rivoli theater was completely wiped out by the fire. It is believed that nothing could be salvaged. The house was recently remodeled at a great expense and was opened but a short time ago. It was reported that the loss to the American Amusement Co. would total about \$6000, practically covered by insurance.

Daniel Gale's loss is a heavy one. He has not estimated accurately and the building was worth from \$12,000 to \$14,000. The building was formerly the City Hotel, and for many years was one of the best known hostleries in Ottawa county. The building was built by the late Luman Van Drezer, father of the late Ed Van Drezer, who several years ago conducted a restaurant in Holland. Luman Van Drezer was one of Grand Haven's pioneer hotelmen. He operated the hotel for many years and hundreds of travelers were accommodated under its roof. Many years ago the building was badly damaged by fire and Mr. Van Drezer moved his hotel to the Radeke building further down the street, until the old building was put in order.

Walter Sitten made a business trip to Grand Rapids Friday.

LOOKING FOUR WAYS AT ONCE DON'T STEER A LIZZIE STRAIGHT

Ex-drayman Blom can steer a pair of dray horses to a T but apparently he is not so well acquainted with the steering gear of a Lizzie. Not so long ago Gisbert invested in one of Henry's machines and has been practicing diligently ever since and was keeping the old girl in the "straight and narrow" in fairly good shape.

His driving was par-excellence until he began to "look four ways at once" that, and changing his mind too quickly, put the steering gear on the bum and Miss Lizzie skidded to the side of the pavement near Fishers' drug store on the East End and began climbing one of our new boulevard light poles. The impact jiggled down the globe and like "Humpty Dumpty" it had a great fall to the pavement below. The finale of this story is that our friend Blom quickly paid Champion for the globe and rode back home with his Lizzie bound to steer straight after this and besides never to change his mind while managing his Ford.

Mr. Elliott was here a number of years ago and at that time he made a great impression. Preparations will be made for big meetings when he comes here again.

Mr. and Mrs. Henry Lagers who have been living with their children in Grand Rapids for the past four months returned home Monday.

ERECTION OF A NEW GARAGE ON 9TH STREET BEGUN

A handsome building is to be erected on West Ninth street directly north of the Arctic Ice Cream Co's place of business. The structure will be a garage to be built by Brink & Leeuw, the firm handling the Essex and Hudson cars, at the present time located in the Nibbelink building nearby. The building will be a two story 36x126 and will have all the modern conveniences found in an up-to-date garage.

The building is to be built of pressed brick with Bedford stone trimmings much the same as the material used in the Standard Oil station located on the same street. Excavating is now being done and the building will be ready for occupancy in about eight weeks.

The contract has been let to Art Van Dyke and the cost of the building will be approximately \$9000. The lot recently purchased from Seth Nibbelink will add practically \$4000 more to the cost of the property including the lot.

The blowing of the factory whistles Tuesday morning as a salute of welcome to the new steamer "City of Holland" reminded a local resident of the fact that it was just 11 years ago Tuesday morning that the Graham & Morton docks and warehouse were burned almost to the water's edge. It was about the same time in the morning that the whistles blew and at that time, too, as Tuesday, whistles of the factories gave the alarm. When the whistles sounded Tuesday it jogged the memory of this resident and a comparison of dates showed that this was the anniversary of that fire. At that time the warehouse was burned and the dock was so seriously damaged that it had to be almost completely rebuilt.

LAYING OF GAS MAINS IN 11TH AND 12TH WARDS BEGUN

The Holland City Gas Works is keeping pace with the city relative to the installation in making extensions in the 11th and 12th wards, enabling citizens who for years have been unable to enjoy this privilege to now make connections with the newly laid mains.

Last year Manager Davis states that two miles of mains were laid and a little over 100 consumers were served by virtue of the next extension.

This year, and that within 30 days two more miles will be added serving at least 115 new customers who petitioned for gas.

The pipe has already been ordered and will be on the ground within ten days.

Mr. Davis has hired 15 men to do the digging and work will start as soon as the streets are in better condition and the sloppy and rainy weather subsides.

Mr. Davis says that the new extension will cost the company a little over \$6000 and petitioners will be able to make connections within 30 days.

Along these four miles of newly laid mains still more customers can be served, and the company is now ready at any time to make the connections.

Mains will be laid on the following streets: College avenue from 20th to 24th streets; East 22nd street, from Columbia to College avenue; State street, from 24th to 26th street to 26th street; East 18th street from Columbia avenue to College avenue; West 18th street from 1st avenue to Van Raalte avenue; West 20th street from Van Raalte Avenue to Ottawa street; Harrison avenue from West 19th to 20th St.; West 16th street from Harrison avenue to Ottawa street; Cleveland avenue from West 15th street to West 16th street.

There may be other extensions later on but this at least is a good beginning, and the work done in that direction last year will be augmented by these and other activities the coming year in those two wards.

The Kalamazoo College basketball team went through the 1922 season without defeat. It made the ninth consecutive year that Kalamazoo College has finished at the top of the Michigan Inter-collegiate in basketball. This is a world's record and has never been equaled in the history of sport.

The high spots of the season, besides winning the Michigan Inter-collegiate title, were two defeats handed Notre Dame, the elimination of Michigan Agricultural College as a State contender, and the taking of second place at the National tournament at Indianapolis, where Kalamazoo defeated the crack team that represented both the East and the West. This year's team came very close to being the best that has ever represented the Kazoo institution. Only two of the eight letter will be lost by graduation.

There is one team however a close second to the Kalamazoo team and these are our own Hope boys. Kalamazoo came near getting a beating at the hands of the local college team, the score being 27 to 28. Had it not been for a little bad luck our boys would have put it over the Kazooites.

The Volley ball tournament of the 5 o'clock Busy Men got into full swing Monday evening. Four teams of six men each were organized with Joe Kooiker, M. J. Maatman, Wm. The weather in Holland Saturday was rather freakish. On the heels of the snow storm early in the week, a warm weather wave sneaked in and cleaned up the snow in short order. The highest temperatures in Holland was 62.2° Saturday and while this broke no records it is above the average for March. The oddity about Saturday's weather was the great difference in temperature here and in Grand Rapids. At times on Saturday the mercury at the Furniture City hovered about the mark of 72 degrees which was ten degrees higher than in Holland. Quite a difference over a distance of thirty miles.

Southwestern Michigan long has been deriving benefit from its peach crop, but from now on each tree is to be made to double duty each year, it having been decided to advertise the beauties of the orchards when they are in bloom. Residents of the district long accustomed to seeing hundreds of acres of peach blossoms every spring, have grown calloused to the sight. It has required the statement of a visitor from another part of the state to arouse interest in a project that ranks as an innovation of the middle west. During blossom time last season the visitor, when first introduced to the orchards, exclaimed: "This is worth coming miles to see." Growers who heard the remark talked the matter over with other peach producers with the result that this year, just as the peach trees begin to burst into bloom, placards describing the beauties of the landscape are to be posted throughout Michigan and northern Ohio, Indiana and Illinois. It is proposed to tempt week-end visitors to this part of the state thus advertising southwestern Michigan and increasing the aggregate tourist travel for the year.

He had previously warned them not to obstruct the sidewalk when at an unexpected moment, later on, one of them dealt "Bas" an upper-cut in the neck, giving the town marshal the count. TWENTY YEARS AGO
Either the water in Lake Michigan and Black Lake has raised the last couple of weeks otherwise the heavy sea has washed out the bar at the harbor for there are 2 1/2 feet more water than since Fred Zalsman took the soundings last week. Capt Harrington left with the steamer Andy yesterday and found there was at least 12 feet of water. This is good news as it allows the steamer Soo City to enter earlier in the season than usual and it is expected that the Graham & Morton will begin the season at least a week earlier than last season. Note—The steamer Soo City was one of the finest modeled small ships on the Great Lakes. Later the little vessel was taken to the Atlantic seaboard to be used in coast wise service. Shortly afterward she was lost in a storm and all on board perished. Fred Zalsman mentioned was agent for the G. & M. Co. but now runs a grocery store on East 8th street.

FIFTEEN YEARS AGO
Robert M. De Pree and G. T. Haan have purchased the interest in the De Pree drug store and the new proprietors will do business under the name of R. M. De Pree & Co. Mr. DePree's connection with the De Pree Chemical Co. requires all of his attention. Note—the store is located where Vaupell's drug store is now located. The De Pree Chemical Co. was located at that time on the second floor of that building. Its development in fifteen years is apparent when a comparison is made by taking a look at the present De Pree Co. plant on Central avenue.

CONTRACTOR WAS HELD UP BY TWO BOLD BANDITS

A regular high handed robbery was staged in Holland at 6:45 Tuesday evening at Harrison Avenue and 16th street. It had just become dark and the city lights had not been switched on, consequently it was an ideal moment for the "stick-up" man.

The man who was held up was Albert T. VanDyke, the contractor, who had gone to the Holland City State bank during the afternoon and had drawn out a little over \$700 with which he intended to pay some bills in the afternoon and some of his men at night.

He did use some \$200 in paying his downtown bills and was on his way to meet some of his men to pay them off when at 16th street and Harrison Avenue, two masked men approached him, one tall one and one short, and simply said "Get them up!" Naturally VanDyke quickly put his hands in the air, one of the robbers went through the man's pockets and took \$511 the amount remaining of the more than \$700 he had drawn from the bank.

It was Mr. Van Dyke's custom to pay his accounts with checks but for some reason or other he drew out the money to pay with cash.

The thing happened so quickly, and the money was so easily found by the robbers that less than a minute had elapsed to stage the whole affair.

It was already so dark that it was difficult to get a description of the two men any further than as to their size. The men simply pulled their guns, "frisked" Van Dyke of his money, and disappeared in the gathering darkness.

The police have been endeavoring to get some clew from the contractor who was robbed, but his description was so vague that the officers have little or nothing to start investigation on.

GRAND RAPIDS FOLKS WANTED "DIEK" TO MAKE DUTCH SPEECH

G. J. Diekema of Holland was one of the guests at the Grand Rapids Rotary club luncheon Thursday. In fact he was the speaker of the day and to say that he received an ovation would be putting it mildly.

The banquet hall was crowded to capacity and after Mr. Diekema had finished with his speech his listeners applauded for at least two minutes before order was restored.

A vote was taken to have "Diek" give part of his speech in the Dutch language. Our townsman was hardly prepared for this sudden request but he did very cleverly giving his introductory remarks as follows: "Mijn heer den voorzitter en mede burgers" much to the amusement of the American members of the club. He followed these remarks as follows:

"We've grown so accustomed to presidential wielding of the big stick that many of us feel that that day is lost which doesn't see the executive knocking together the heads of a couple of congressmen or senators." Mr. Diekema praised President Harding for refraining from coercive measures and contenting himself with executive, rather than legislative, duties.

"Harding's nomination was received like a vast wet blanket in many places and I well remember a lack of enthusiasm in a Grand Rapids Republican meeting which I attended after the nomination," said the speaker. "But today he stands firmly rooted in the respect and admiration not only of America, but of all the world."

"By refraining from the big stick policy of forcing legislation down the throat of congress, he has changed the people's representatives from rubber stamps to legislators."

Mr. Diekema praised the president's selection of a cabinet, "one of the greatest" said the Holland orator, "that ever sat in Washington." He also commended the president's appointment of William Howard Taft as chief justice and declared that the conference on limitation of armaments was a Harding achievement which ranks the president with the greatest statesmen in the world's history.

BOARD MEMBERS MAKE STATEMENT ABOUT VANDER VEEN PROPERTY

Referring to the articles that have appeared in the Sentinel recently, in regard to the purchase of the Vander Veen property by the Board of Education, the board desires to correct any impression or misunderstanding that may have been created in the minds of the public, and hereby makes the statement that our present mayor has had nothing whatever to do with the transaction; that the deal was made directly with Mr. John Vander Veen, and that at no time was Mr. Stephan consulted or conferred with in the matter.

A special committee of the Board consisting of George Mooi, C. M. McLean, J. A. Brouwer, Henry Winter and Dr. A. Leenhouts recommended the purchase of the Vander Veen plot, which recommendation was unanimously adopted by the board.

The board feels that not only it did not pay too much for the property, but that it got it at a bargain, and that the city is to be congratulated in being able to secure a site so well adapted to our needs and so ideally located for a new school building.

Respect,
Dr. A. Leenhouts, Pres.
H. Geerlings, Sec'y.

FISH TUG NOW IN HOLLAND HARBOR

Holland will soon have fresh fish again. Captain August Larsen with his tug Anna P. from Cheboygan is tied up at Harrington's dock after setting the hooks for Lake Michigan trout.

Within three days the captain and his crew will raise the thousands of hooks in order to see what his luck may be.

Trout fishing in Holland harbor has been unusually fine. For some time it was thought that the fish had come down a notch from Grand Haven to this port, as two years ago fishing a little north was practically played out.

We understand however that Grand Haven fishermen are again getting their share.

Anyway Holland will soon be able to have fresh trout, at least for a time.

Captain Larsen is well known around Holland, he having sailed the Harvey Watson a local ferry boat for a number of years.

GRAND RAPIDS BANK ROBBERIES REPORTED TAKEN

According to the Grand Rapids Press of yesterday the Grand Rapids bank robbers have been arrested. The men are Leo Bolger Detroit taxi driver who was arrested Jan. 22 in a richly appointed Detroit apartment, Frank McFarland alleged ring leader of the bandit gang, taken into custody in Whitehall, N. Y. Tuesday night. Bolger in a confession implicated five other men and gives all the details of the robbing of the Grand Rapids Savings Bank branch on Dec. 7 when Detectives Slater and Brandsma were shot down as they entered the door of the house in which the robbers had hidden.

"FADS AND FANCIES" TAKES WELL WITH THE AUDIENCE

Fads and Fancies of 1922, a musical causerie in two acts was greeted last evening by an appreciative audience, who were more than pleased with the finished way that our Holland talent did stage such a difficult production.

The playlet was a raillery of fun in which Hollywood's camera man, an ambitious mother who wishes to see the daughter marry well take an important part. It seems that everyone is in love with someone, an someone meets up with old love affairs which they wished wasn't.

Burning love letters of former days better left unwritten, play an important part; a stolen necklace which an adventuress attaches to herself while a guest at the home of

NOTICE OF APPLICATION

to the Michigan Public Utilities Commission

A tentative contract for the sale of the properties of the Citizens Telephone Company to the Michigan State Telephone Company has been entered into between the two Companies.

Over and above the amount to be paid for the Citizens Company's property, it will be necessary for the Michigan Company to spend approximately one million dollars to consolidate the two properties so as to furnish unified service.

The present rates of the two Companies do not produce sufficient revenue to permit of furnishing satisfactory service and meet all necessary costs in connection therewith. To justify the purchase of this property and the consolidation costs, it is necessary that the rates be increased as shown below.

Therefore, in accordance with the provisions of Act 206 of the Public Acts of 1913 and Act 419 of the Public Acts of 1919, notice is hereby given that an Application will be presented to the Michigan Public Utilities Commission, at the office of the Commission in the City of Lansing on the 4th day of April 1922, at 10:00 A. M. of that day for approval of the contract for purchase and sale as agreed to between the Companies and for authority to put into effect the schedule of rates, rentals and charges shown hereafter.

WHY?

Q: Why do students from Japan, New Zealand, Australia, Canada, Great Britain and other foreign countries come to this country to study the Science of Chiropractic?

A: Because the citizens of these countries have been convinced that in this Dr. D. J. De Jonge's Health Science a satisfactory solution of the Health Problem has been found.

Q: Why does Chiropractic succeed where all other methods fail?

A: Because Chiropractic does not bother with the effect of so-called Disease, but deals solely with the cause.

Q: In what manner does Chiropractic deal with the cause?

A: The Chiropractor recognizes the proven fact that the majority of diseases are caused by a subluxation (displacement) of the vertebrae (small bones of the spine) which produces nerve pressure, preventing the vital force flowing freely from the brain through the nerves to the various organs. By palpation he locates the subluxation and adjusts same. The nerve pressure is relieved and Nature does the rest.

Q: Is it not a fact that Chiropractic and Osteopathy are one and the same thing?

A: Emphatically NO! The Chiropractor uses nothing but his bare hands. He knows just what vertebra is subluxated and adjusts it. His adjustment is specific; the Osteopath is not specific. He manipulates and uses massage. Call at our office and see letters from the leading Osteopathy schools in the country, which state Osteopathy has nothing in common with Chiropractic.

If you are sick, consult your Chiropractor; he will give you a spinal analysis, and if necessary Chiropractic Vertebral Adjustments.

It matters not what ails you. The probability is that the cause of your trouble is nerve pressure, and Chiropractic will give you the desired result—HEALTH.

MOCK TRIAL BRINGS

BIG AUDIENCE TO LEGION MEETING

At a meeting of the American Legion attended by more than 300, including the mayor, several aldermen and a number of citizens, a mock trial was pulled off that was extraordinarily successful and furnished much amusement. Jack Knoll was accused of stealing a suitcase full of moonshine and whiskey from Henry Geerds' office on March 17, and there was also a charge of disorderly conduct against him. Att. Clarence Lokker served as prosecutor and Att. J. DenHerder appeared for the defense. The jury consisted of N. Robbins, Dr. A. Leenhouts, Coxy Smith, Willis Diekema, Peter Castlas, Alfred Van Lente, Preston Manting, Francis Deto, Edw. Oonk, Martin Kammer-

aad, Benj. Baatema and John Kole.

A chemist, Mike Schoon, testing the liquor, pronounced it from 8 per cent to 90 per cent alcohol. The defense claimed that Knoll was brainless and insane and hence was not responsible. A girl witness "Inez Snod." was produced by the defense to prove that Henry Geerds and Prosecutor Lokker had spent thousands of dollars on jewelry for her, thus discrediting these officials. A pair of white woolen socks also figured in the evidence. They belonged to Geerds and the jury was asked to smell the socks and then Geerds' feet to make sure that they belonged to Geerds. The jury also was required to taste the liquor.

After mature deliberations the jury brought in a verdict of "not guilty" and the defense served notice that a large slander suit will result from the case.

The trial provided a great deal of fun for the legion members and their guests and the meeting was one of the most successful of the year.

HOLLAND POLICE

ARREST SEVERAL ON LIQUOR CHARGE

The local police have been making several raids within the last few days upon liquor stills and arresting those who it is alleged have sold liquor and conducted these moonshine factories.

The home of John Rasmus, 157 E. 4th street was raided and a large copper still was taken together with 2½ barrels of mash. Mrs. Rasmus was also arrested for selling moonshine.

H. Sereer it appears has left the city but a warrant is out for his arrest on the charge of selling whiskey. Sereer was arrested a few weeks ago and has just finished a jail sentence at Grand Haven.

W. Blom was also charged with having liquor in his possession.

Maggie Arendsma living on 13th street was arrested for furnishing liquor to customers and also making moonshine. Mrs. Arendsma was arrested on a similar charge some time ago and was acquitted. All parties involved were bound over to circuit court for trial.

Deputy Game Warden Oscar Johnson made application to the state game department to clear up the fishing regulation as applied to the fish caught in Black lake, and he learned that after the first of April and until June 15 it will be unlawful to catch black bass, blue gills, crappies, white bass, etc. The catching of perch and sunfish will be permitted. Mr. Baird's letter to Mr. Johnson is as follows:

March 22, 1922.

Mr. Oscar Johnson,
Holland, Michigan,
Dear Sir:—

Referring to query in your letter of March 17, relative to the closed season on blue gills and bass would advise that this law also applies to Black Lake in your county, as well as all of the other inland waters, as there is no exemption in this provision of the law relative to waters connected with the Great Lakes. I have no authority to change this law to meeting the situation in your locality as you present it. From April 1 to June 16 the taking of black bass, blue gills, crappies, white bass, etc., would be a violation of the law.

Yours very truly,

JOHN BAIRD,

Mc-B

The Social Progress club held its annual ladies' night meeting Wednesday evening at the home of Rev. and Mrs. P. B. Cheff, the members and their wives and a few visitors gathered there to enjoy a social evening. The usual paper and discussion were dispensed with and a program of a lighter nature was substituted.

Mr. Slater, director of physical education, gave an interesting demonstration of various holds and grips used by the Japanese. In the art of self defense. Mrs. Nina Daugherty gave two readings, one of them a scene from Sheridan's "School for Scandal," and the other a scene at a theater ticket window.

The rest of the program consisted of a trial, with Rev. Mr. Cheff serving as judge, Mr. N. Bosch as court clerk, C. H. Mc Bride and C. Vander Meulen as the attorneys. Supt. E. E. Fell as sheriff and Arthur Visscher as prisoner. Mr. Visscher was accused of "bootlegging," and a bottle of "White Mule" was introduced in evidence. While the attorneys were arguing the judge drank the "white mule," (sugared cold tea), and when the jury brought in the verdict, the prisoner was declared innocent and the judge was named as the guilty party.

Officer C. Stetekoe was in Grand Haven on legal business.

HOLLAND MAN

MAKES HIS OWN CASE IN CIRCUIT COURT

While half a dozen attorneys sat on the sidelines watching the proceedings of court, Bert Hadden of this city, who was on trial for having liquor in his possession, went to trial, and acting as his own attorney won an acquittal.

Mr. Hadden, who was arrested in this city about a month ago in an alleged drunken condition, and possessing a bottle of moon shine, informed Judge Cross that he could not afford to hire an attorney, but that he was not guilty and demanded a jury trial and would defend his own case.

Another case had been set for the day, but the attorney for the respondent was late, and while waiting for him to appear the court arranged to try Mr. Hadden for his alleged offenses.

Mr. Miles, the prosecuting attorney, consented, altho the tell-tale bottle of booze was not in court it having been left with the chief of police of Holland for safekeeping: as it was not expected that the case would come up before the end of the week and exhibit A was therefore not available and could not be produced.

The jury evidently wanted to see what a bottle of real moonshine looked like and were from Missouri in that they had to be shown, for after a short deliberation they came in with a verdict of "Not Guilty."

Mr. Hadden today is receiving the congratulations of his friends on his ability as a lawyer and it is said that possibly a new legal light will soon see the dawn in Ottawa county.

WANT JUDGE CROSS FOR JUSTICE OF SUPREME COURT

Judge O. S. Cross of the Ottawa-Allegan circuit for Justice of the Supreme Court of Michigan—that is the idea advanced by the members of the Ottawa County Bar association. At the opening of court Monday at Grand Haven, the attorneys drew up a resolution to Governor Groesbeck asking that Judge O. S. Cross be appointed in the place of the late Justice Stone. There would be a certain appropriateness in this in view of the fact that Justice Stone also at one time was circuit judge of the Ottawa-Allegan circuit.

The resolution drawn up Monday and which will be taken to Lansing by G. J. Diekema, representing the Ottawa County Bar Association reads as follows:

Hon. Alex Groesbeck, Governor of the State of Michigan,
Lansing, Michigan.

We, the undersigned, members of the Ottawa Bar Association, recognizing the ability and learning of the Hon. Orie S. Cross, Circuit Judge of this district, and believing him to be a man of absolute integrity fully qualified for a high judicial position, hereby respectfully petition you for his appointment as a Justice of the Supreme Court of the State of Michigan to succeed the Hon. John W. Stone, deceased.

Grand Haven, Mich., March 27, 1922.
Signed—Gerrit J. Diekema, Louis H. Osterhaus, Hugh E. Lillie, Leo C. Lillie, Thos. N. Robinson, J. H. Ren Herder, Clarence A. Lokker, Dan F. Bagelson, Fred T. Miles, James J. Danhof, Dean S. Fase, Daniel Ten Cate, Raymond Visscher, Arthur Van Duren, Charles H. Mc Bride.

Justice John W. Stone of the Michigan Supreme court and formerly a congressman from the Fifth District, who died in Lansing at the age of 84 years, was at one time a judge of Ottawa and Allegan counties.
