## HOLLAND LADY'S BIBLE IS TWO CENTURIES OLD

Book Has Been in Possession of One Family Since It Was Printed

Mrs. A. Ter Louw of Holland, has a Bible that is almost 200 years old. It is a beautiful old book, with two big silver clasps on it, which hold the book together so tightly that no book worms or bugs have destroyed the print. This is very legible, considering that the pages of the book have turned slightly yellow. The book is bound in leather and is of a beautiful dark brown color. The leaves are covered on the outside edge with gold.

Besides both testaments there are many features that are not in the more modern types, such as the Psalms, church calendar, rules of church government, and the different forms used for worship.

The Bible is printed on very good style, but is difficult to read. This book has been in the possession of one family from the time it was printed and has been used until recently.

The same family has a letter that was written 96 years ago by Mrs. Ter Louw's father to his grandfather. The letter is a New Year's greeting and was sent in January, 1833. The phrases used in the letter are of a religious nature and express the best wishes of the season.

The sides and bottom of the letter form the base for a beautiful hand painted scene finished in natural colors. It is a very beautiful piece of work and shows some very clever handiwork.

Mrs. Ter Louw also has a baby bonnet that was in use for five generations, an old Dutch purse that is almost one hundred years old and a watch chain sixty inches long with a key attached, with which to wind the watch.

Most of these articles have been in use until very recently.

COOPERSVILLE MAN FATALITY IN A CRASH WITH TRAIN

Henry J. Lake, 64, a farmer living outside of Coopersville was injured yesterday when he ran into a Grand Trunk freight train, which resulted in his death.

Lake, who was bringing a load of milk to a creamery about 9:30, is said to have driven his truck into the freight at the High school crossing. Lake was thrown to the ground and the truck partially demolished.

Trainmen picked him up and first aid was administered. A call was sent to Grand Rapids for an ambulance and the injured man was taken to St. Mary's hospital where he died at about noon.

## TENA HOLKEBOER BUYS A CHINESE SLAVE

LOCAL ORGANIZATION HELPS TO KEEP GIRL IN MISSION SCHOOL

A very interesting event took place at the annual meeting of the 9th St. Christian Reformed church, when a letter from Tena Holkeboer, missionary in China, was read, in which she stated that she had purchased a young Chinese girl, who would otherwise have gone into slavery, redeeming her for the sum of \$120. The name of the girl is Kimkoe, which literally translated would be Golden Pumpkin. She is a sweet little thing of 13 years and is now going to the missionary school.

The reason why the young Chinese girl was redeemed was because her mother is a Christian as well as the young lady.

It seems that the mother had two sons and a husband. She had borrowed \$50 so that her husband could go to the United States with the supposition that after he was settled there he would send for her and her family. The husband was never heard from again and the two sons died, while the Chinese lady was saddled with the debt which grew to be \$120.

In order to liquidate this debt it had to be paid, and the young lady would have to be sold on the auction block to satisfy the creditors.

Here's where Miss Holkeboer stepped in, paying the debt, and becoming sponsor for the young almond-eyed waif.

The girls from the Daughters of the King S. S. class who were formerly taught by Miss Holkeboer also took a hand in supporting the young lady.

It takes \$20.00 a year to keep the young Chinese girl at a missionary school and the young Holland ladies are going to take it upon themselves to support her.

At the annual meeting the Daughters of the King went still further. They gave \$10 to China Missions, \$10 to Tena Holkeboer, \$10 to Helping Hand Mission in Chicago, \$10 to Miss Johanna Veenstra in Africa, and \$10 to the Indian Mission.

The officers elected for the coming year are as follows: Miss Anne Holkeboer, president; Miss Florence Branderhorst, vice-president; Miss Deane Beltman, secretary; Miss Bertha Vos, treasurer; Miss Hattie Slenk, assistant secretary and treasurer; Miss Cora Kola, chairman of Sunshine Committee; Miss Marjorie Wittveen, chairman of membership committee.

After the business meeting had been adjourned, dainty refreshments were served by the hostess, Miss Anne Holkeboer at whose home the meeting was held, and a social hour was enjoyed by all present.

## HOLLAND MAN FOR FIFTY YEARS ON P. M. R'Y

CASSIUS MARKHAM IS THE OLDEST MAN ON THE RAILROAD PAY ROLL

On Sunday, April 1, Cassius Markham will celebrate his 78th birthday, and apparently Father Time or the grim reaper has not fooled the old gentleman, who is still on the job as flagman on the Pere Marquette.

He has been with the railroad in all its ups and downs and changes of system for fifty years and is the oldest man on the pay roll today.

In an interview Mr. Markham stated, "I'm not quite as limber as I used to be, and no doubt will die some day in the service."

Mr. Markham is now flagman at the eleventh street crossing and began his railroad career with the old C. & W. M. R'y Company in April, 1873.

He served the company as section hand, and was road master for twenty years. He has been flagman now for thirteen years.

Mr. Markham knows practically every employee of the road passing through Holland and remembers all the veterans of former days.

Mr. Markham lives at 317 West 8th street and besides his family has a pet cat that often perches on his shoulder and of which he is particularly fond.

Mr. Markham is of a cheerful disposition and has many friends in this city.

In all his railroad experience accidents were few.

The only accident he remembers was the falling from a bridge near Holland when he was laid up for about three weeks.

## BIG RUMMAGE SALE GIVEN BY WOMAN'S LIT.

The Woman's Literary Club will again put on its annual rummage sale on Saturday, March 31, all day, and everything a butcher, baker and the candlestick maker has, so to speak, will be found on sale at this rummage affair.

The Old Curiosity Shop of Dickens won't be in it.

However we want to say that there are going to be some very useful and substantial bargains at this sale on Saturday.

Those in charge are Mrs. A. H. Landwehr, Mrs. Fred Boone, Mrs. Oscar Nyström, Mrs. D. B. K. Van Raalte and Mrs. J. P. Ogge.

Remember the date, Saturday of this week—all day.

## TWO WELL KNOWN SPEAKERS ADDRESS WOMAN'S CLUB

DR. J. E. KUIZENGA AND DR. S. M. ZWEMER ON PROGRAM TUESDAY AFTERNOON

On Tuesday afternoon the Woman's Literary club had the double pleasure of having Dr. J. E. Kuizenga and Dr. S. M. Zwemer address them.

Dr. Kuizenga gave a review of the life and work of May Slessor of Calabar, that wonderful missionary of western central Africa. Coming from an impoverished home in Scotland, she fitted herself, while working in a factory at the age of 25, to become a most efficient worker among the degraded people of western Africa. She rescued children from death, training them for Christian work; also started churches, schools, homes and brought out workers to this slave territory. She was a mother to the colored race and a queen among women.

Dr. Zwemer spoke on world conditions, touching on Turkey, Mohammedanism, Nationalism and the Ruhr. He advised reading many newspapers to learn the real facts of present conditions of Germany and other nations and he recommended three books to read for real information, "Rising Tide of Color," "The New World of Islam," and "The Revolt Against Civilization," written by Lathrop Stoddard but not to come to the author's conclusion, who loses sight of the transforming power of the Gospel.

Mrs. Page rendered two piano solos, "Revery," by Debussy, and "The Flatterer," by Chaminade. Mr. Cochran spoke a few words, introducing "The American Legion Weekly," their educational organ.

## KOOPMAN MURDER CASE IS NOW UNDER WAY

ACCUSED MAN IS RATHER NERVOUS AS HE ENTERS THE COURT ROOM

The trial of Peter Koopman of Grand Haven, charged with murder of his wife which occurred on Thanksgiving day, 1922, began yesterday in circuit court before a courtroom filled with interested people from all parts of the county.

Before nine o'clock nearly all the seats in the court room were taken and at 10 minutes after 9 the actual trial began. County Clerk, O. J. Sluiter drew the jury and those named filed into the jury box where the oath was administered. Following this, F. T. Miles, prosecuting attorney of Ottawa county conducting the people's case, conducted his examination of the jury.

Peter Koopman, defendant, was seated in front of the bench and appeared very nervous while Prosecutor Miles was questioning the jurymen. Koopman was constantly moving and changing about but kept his eye searchingly on the jury box. Following the questioning of the jury by the prosecutor, which occupied about half an hour's time, Attorney C. E. Misner for the defense conducted his examination. Koopman appeared more at ease during this time and toward the last appeared to have become completely at ease.

Clyde Koopman of Grand Haven Mrs. R. Linden, Chicago, and Peter Jr., Peter Koopman's children were all present as well as others connected with the Koopman family. They occupied front seats in the body of the court room.

Prosecutor Miles opened proceedings when he started the examination of the jurymen. Oscar Brightall of Holland was the first jurymen to be questioned. In his examination, the prosecuting attorney particularly stressed the points of previous familiarity with the case and repeatedly referred to newspaper articles covering the case in the Grand Haven Daily Tribune, the Daily Sentinel, Holland City News and the Grand Rapids Press.

Aside from stating a few particulars in the case, the prosecutor contented himself with seeing how much of a pre-formed opinion in regard to the case had been worked up by the jurymen.

Attorney Misner made his first objection while the prosecutor was examining Gerrit De Kleine of Zeeland township. Mr. De Kleine had informed the court that he had a pre-arranged opinion and in an attempt to get more information from the juror, a question concerning the trend of this opinion was objected to.

After his questioning, Prosecutor Miles recommended that no one who had been in any way influenced by the circumstances of having lived in this locality or having seen various newspaper accounts of the affair, be allowed to sit on the jury.

Prosecutor Miles started his questioning at 9:15 and finished at 9:50. Immediately, the attorney for the defense, Charles E. Misner, began questioning the jurymen as to their knowledge of the affair.

In opening, Attorney Misner stated that the accused had been charged with murder and then proceeded to define the term murder in its legal sense. He also stated that there were four verdicts which the jury could deliver, guilty of murder in the first degree, guilty of murder in the second degree, guilty of manslaughter or not guilty.

Questioning centered upon the prospective juror's knowledge of the law in the various cases, of his acquaintance with Peter Koopman and of his previous knowledge concerning him. Close questioning in connection with the juror's prejudices which might be formed on account of Mr. Koopman's being connected with the

## KOOPMAN CASE COMES TO AN ABRUPT END

GRAND HAVEN MAN PLEADS GUILTY TO MANSLAUGHTER THIS FORENOON

The Koopman murder trial came to an abrupt ending in the circuit court in Grand Haven this forenoon when Mr. Koopman, through his attorney, Charles E. Misner, suddenly decided to plead guilty to the charge of manslaughter. Koopman was being tried on the charge of murder in the first degree and by deciding to plead guilty to the lesser charge he is escaping the danger of being convicted on a charge that might send him to prison for life.

The change of front on the part of the defense came even before the complete jury had been selected. The work of filling the jury was to have been completed this forenoon but this was abandoned when the plea of guilty of manslaughter was announced.

Mr. Misner came into court this morning and announced that if the prosecuting attorney and the judge would consent he would like to enter the plea of guilty for his client on the lesser charge. Mr. Miles, the prosecutor, declared that owing to the fact the people must prove their case largely by the children of Mr. Koopman and that the evidence on which he would have to be convicted would have to come almost entirely from the family itself, he would be satisfied with the plea of guilty of manslaughter.

Judge Cross announced that he would accept the plea in view of the fact that Mr. Koopman had admitted to him that he had been crazed with drink on the day of the killing of his wife.

The penalty for manslaughter may be fifteen years in state's prison and \$1,000 fine. Mr. Koopman has not yet been sentenced, Judge Cross having taken the matter under advisement and reserved his decision until a later date.

The case was halted as a result of this unlooked for decision on the part of Mr. Koopman.

## WHY HENS CACKLE; NOT FOR ANY REASON YOU MAY IMAGINE

EGG LAYING AND CACKLING HAVE NOTHING IN COMMON

The accepted explanation of the cackling in which a hen indulges after laying an egg is that she is so pleased that she wants everyone to know it. The rooster answers the cackle with a crow, and this is taken as further indication that both are immensely proud of the achievement. This explanation is not held tenable by scientists.

If the question is considered fairly, it is easy to see that instinct would teach the hen that to cackle is to call attention of the enemy to both herself and her embryo offspring, which she would naturally avoid doing.

The cackle is explained as a relic of bygone days when fowls were not domesticated and ran about wild. When the hen wished to lay she retired from the rest of the fowl community and performed the task.

By the time she was ready to rejoin the commonwealth the other members had wandered some distance, and she did not know where they were. She waited till she had gone some distance from the egg in order not to endanger it, and then cackled, after also having taken a good look around to assure herself that no enemies were near.

The rooster, hearing the cackle answered it with a crow, and thus informed the hen of the whereabouts of the tribe. This sort of thing may be seen now among the ancestors of the domestic fowl in the Malay countries and India.

## WILL GO BACK TO NORMAL SCHOOL AND GRADUATE WITH HER HUSBAND

The Rev. and Mrs. John Vander Meulen announced Wednesday the marriage of their daughter Elizabeth, to George E. Howard, of Kalamazoo, Michigan. The ceremony was performed by Dr. J. W. Dunning.

Mrs. Howard was a teacher in the Van Raalte school and Mr. Howard is a student in the Western State Normal School in the department of Physical Education. Mrs. Howard will resume her studies at the Normal and graduate with her husband in June.

liquor traffic or because of his alleged addiction to the booze habit, was conducted by Misner. One juror was dismissed because of the statement by him concerning the suspicion cast on the accused because of his arrest for the crime.

Attorney Misner put the question "Does the fact that the accused has been placed under arrest, affect you by causing suspicion to be cast in his direction?" The juror being questioned admitted that it did and was immediately excused from jury duty.

By noon nearly all of the original jury panel had been excused on various counts in connection with their opinions or knowledge of the case. One or two of the original panel were left but it was expected that an entirely new bunch of jurymen would have to be taken.

## RECALLS STEAMER CRUSHED NEAR THE HOLLAND HARBOR

Thirty-eight years ago, Monday the fine steamer Michigan went to her doom in Lake Michigan about twenty miles off the Grand Haven shore. Crushed like an egg-shell in the tremendous pressure of the floes the Michigan's fine iron hull became a twisted, punctured mass of metal, and she rapidly settled to her doom. Several miles away the tug Arctic that was steaming up to the rescue of the Michigan with provisions for the crew of the imprisoned ship, was lying helpless, rolled up by the closing up of the ice floes. Far to the northward the Michigan's sister ship, the Wisconsin, was struggling to port, battered and crushed by the same tremendous pressure of ice which had spelled doom to the Michigan.

In the Wisconsin's hold the crew had fought the terrible ice pressure by reinforcing the ribs by the heavy tenders. Though her sides were bent the hull resisted the crushing force and the fine craft reached port in safety in command of Capt. McGregor. After many precarious hours, the tug Arctic released herself and returned to port, bringing some of the members of the crew of the Michigan, who had walked over the ice to the tug.

The winter of 1885 was a hard one and there was a great deal of heavy ice in Lake Michigan. Varying gales shifted it about, but much of the time it was crowded up along the east shore. The Detroit, Grand Haven & Milwaukee R'y was operating two twin steamers, the Michigan and the Wisconsin, both fine iron boats, and these ships fought their way back and forth across the lake. In March the ice conditions became particularly bad and for days the boats were stalled in the heavy ice floes, the Michigan to the southward of the Grand Haven Harbor and the Wisconsin to the Northward. Then the ice began running. Channels were opened up and the boat attempted to follow them. Stiff winds from the west suddenly put a terrible pressure on the ice and the Michigan was caught in the squeeze.

Somewhere nearly off of Holland harbor and nearly 20 miles off shore, her iron hull was crushed like an egg-shell and she was doomed. It was necessary for her crew to leave her and make their way over the windrowed ice to safety. The shore was not visible from the ship, and it was found expedient to leave the ship's flag flying to serve as a guide until the shore line could be picked up. A portion of the crew went to the tug Arctic which had been thrown up on the ice floes in the squeeze and the remainder started for the shore. Many tales of heroism, suffering and endurance are told in connection with the loss of the Michigan. George Sheldon of Grand Haven was an officer on the ill-fated craft. He started for shore in company with Wm. Kinney, the purser. The trip over the rough ice was too much for Kinney, and the injured man could go no farther. Mr. Sheldon used heroic methods to keep his shipmate going and finally carried him bodily to safety ashore.

All that happened 38 years ago. A number of Holland and Grand Haven sailors are familiar with the details of that terrible event which would make a good story could they be gathered together. This mere outline will start a flood of memories going. Many of the men who participated in the strenuous event are long since gathered to their fathers, but many are still in the land of the living.

The Michigan was in command of Capt. John Prindiville one of the best lake skippers of his time. The tug Arctic was commanded by Capt. Chas. Lyman, who afterwards commanded big lake boats including the carryer Milwaukee. Many of the men in the crews of ships involved have since risen to positions as masters and engineers of their own ships. The Michigan, new, staunch and able, has been 38 years at the bottom Lake Michigan.

## HOPE COLLEGE HAS ENROLLMENT OF 558

The annual catalogue of Hope college was issued Friday, this issue being volume 60, No. 4. The book contains 119 pages and is filled with information about Hope College and the Western Theological Seminary.

The college has an enrollment this year of 558. Of this number 350 are in the college department, 133 in the preparatory department, and 95 in the school of music. The faculty of the college department contains 25 members, of the preparatory department 20 members, and the school of music seven members. The seminary enrollment is 31, with a faculty of five members.

The college calendar for the rest of the present school year is: Mar. 30 to April 9, Spring vacation; April 25, a meeting of the council; May 8, Voorhees day; June 17, Baccalaureate Service; June 18, graduation exercises of the preparatory department; June 19, business meeting of the alumni association, and dinner of the association in the evening; June 20, commencement.

The Ladies Mission Circle of the First Reformed church of Zeeland will repeat the missionary pageant in the auditorium of the church on Thursday evening of this week. The pageant will depict Chinese life and customs. The entertainment is free to the public, people from Holland and Zeeland being cordially invited. A silver collection will be given.

Hope college will have no track meet this year. This is the information given out by Coach Schouten who states that he is unable to arrange contests with outside teams. For years past the cross country and relay events proved of great interest to the local community and Grand Rapids as well, but apparently nothing doing in the race from Grand Rapids to Holland.

Dr. and Mrs. M. J. Cook have left for Detroit, where Dr. Cook will attend the convention of the Michigan State Dental Society. Dr. Cook's office is closed all this week.

## ENGINEERS COME TO HOLLAND ON HAR- BOR BUSINESS

Because of certain rumors that are floating about the town, mostly unfounded members of the harbor board, the Mayor and a representative of this paper got busy with Congressman Mapes and harbor Engineer Goddard at Grand Rapids.

The wires were kept busy on Wednesday and on Thursday Congressman Mapes took the Grand Rapids engineer to this city asking him to take all his data and his plans and specifications for Holland harbor with him, and also such other information as to what the government was really going to do with Holland harbor, and when this is going to be done.

After the luncheon attended by G. J. Diekema, Carl E. Mapes, J. A. Johnson, G. Van Schelven, Mayor Stephan, Engineer Goddard, and B. A. Mulder, Mr. Diekema invited the party to the First State Bank directors room where there is plenty of space to display maps and specifications and to receive such information as the Holland committee desired.

It appears that there is \$43,260.92 available for Holland harbor at the present time. The plans are to fix up both breakwaters, each 700 feet long, with a cement top.

The two top wooden layers which are rotten will be taken off, and a solid concrete top, although not so high will take the place of the defective planking and the concrete will preserve the breakwaters for many years to come.

When this work is completed the breakwaters will still be six feet above the water line which is the present height of breakwater construction at this time.

According to the engineer, this much needed repair will cost \$23,250 and is to be made this summer.

The committee then brought out the fact that the planking on both piers where people fish is absolutely dangerous to the public, that the planking has become rotten and very large holes are everywhere in evidence.

The engineer started to explain that the superstructure of the piers was rotten in places did not mean that the structure underneath was in the same condition. The engineer stated that Holland piers except where the break had taken place was in sound condition and Mr. Goddard stated that the government did not build piers as a promenade, and that it was not a public thoroughfare.

Mr. Diekema, chairman of the harbor board, stated that the fact remained that the people were using it for recreation purposes and thousands avail themselves of the piers in the summertime, owing to the fact that this is a resort harbor and those folks should be given proper consideration.

The engineer promised that new planking would be put down in the place of the rotten ones, and that the piers would be made safe for pedestrians.

Mr. Goddard also stated that the plan was to start the General Meade to work at Grand Haven for two days beginning April 3 and to send the sand-sucker to Holland on April 5 to do a week's dredging.

Not alone would a depth of 18 feet be maintained inside of the harbor, but the outer harbor too would be dredged and a fan-shaped cut would be made at the mouth which would materially aid in maintaining the required depth should some unforeseen heavy storms occur.

The steamer Grand Rapids has been having a terrible time in getting in at the outer harbor. A few days ago she struck so hard in a sea, that men were thrown from their bunks. The government engineer made plain that a depth will be maintained, that there will be no recurrence of any of our Holland boats striking bottom the coming summer either at the mouth or between the piers.

Mr. Goddard then explained that the break in the pier near the life-saving station, according to the recommendation by the Milwaukee Engineering office, headed by Major Skinner, was to be repaired with a stone construction instead of revetment.

The stone was to be put in pyramid fashion which the engineer stated has worked very well in some other harbors. The improvement made in this fashion however did not look good to the committee, who wanted the same construction between the piers as that which has always been placed there before.

Mr. Goddard however would make no recommendation at this time, stating that if a change was desired, it would have to be taken up with the Milwaukee office.

The committee was so positive that this sort of structure was undesirable that it was decided to ask Mr. Stephan to appoint a committee to go to Milwaukee within the next few days and place Holland's claim before Major Skinner and see what can be done about this part of the work. The committee felt that Holland is looking for a permanent construction and not a temporary makeshift.

It was also decided to attempt to get a larger appropriation for the necessary work if this is possible, and to attempt to get the needed repairs soon and without any unnecessary delay.

## LARGE AUDIENCE LISTENS TO CANTATA THURSDAY NIGHT

A large audience gathered in the Central Avenue Christian Reformed church Thursday evening to listen to the sacred cantata, "The Life of Christ," given by the Central Avenue Chorus under the direction of William Brouwer. The chorus did excellent work and provided a beautiful cantata that pleased the large audience. The solo work by Henry Haveman and Miss Christine Schreur was also excellent and special commendation is due the accompanists, Harris Meyer on the organ and Miss Dora Wentzel on the piano. Mrs. Klaus Prins gave a pleasing variety to the program by rendering two readings.

## ATTORNEY WINS TWO VICTORIES IN SUPREME COURT

The supreme court of the state of Michigan handed down two decisions Thursday in which Holland parties were interested and in which Diekema, Kollen & TenCate won victories for their clients.

In the case of B. P. Donnelly vs. the Aetna Insurance Co. for \$4,000, the supreme court sustained the judgment given in the Ottawa County circuit court some time ago, granting Mr. Donnelly the full amount. This case was appealed to the supreme court by the insurance company and the retained as attorneys, Travis Merriek, Warner & Johnson, of Grand Rapids, and with them was associated Louis H. Osterhaus, of Grand Haven. B. P. Donnelly was represented by G. J. Diekema who handled the case in circuit court and fought it through the supreme court also.

The other supreme court decision made Thursday involving Holland parties was that of the White, Wagner Co., against the Holland Co-Operative association, in which suit was brought against the Holland firm for \$1,500. Judge Cross in circuit court decided in favor of the Holland Co-Operative association, whereupon the White, Wagner Co., carried the matter to the supreme court. The attorneys for the White, Wagner Co. were Mason & Sharp, of Kalamazoo, while the Holland Co-Operative association was represented by Mr. Diekema. The supreme court sustained the decision of the Ottawa County circuit court.

## HOPE COACH GIVES TEAM OYSTER STEW

As a prize for the championship of the league basketball tournament at Hope College, Coach Jack Schouten, gave the winning team an oyster stew Thursday night. The tournament was conducted on the plan of the Big Ten Conference, each league team representing one of the Big Ten. The Gophers were victorious and thereby became Coach Schouten's guests to an oyster supper. The men on the team were: Henry Dekker, captain; Clarence Eggink, Julius Van Benaam, Peter Wesseling, William Hillmert, Cornelius Dykhuisen, Joshua Hogenboom, and Stanley Beckman.

The idea Coach Schouten had in mind in inaugurating league basketball was to give every student in the college who doesn't play in the first or second team a chance to play basketball and get the necessary exercise a student should have. It was that that it would also create a better school spirit and more enthusiasm for the support of the team. A similar plan is being worked out for baseball in the spring. There are generally more men out for baseball than basketball and the success of the league is therefore already assured.

## WILL DEDICATE NEW SCHOOL EAST OF CITY

The dedication exercises for the beautiful new district school erected during the past year on East 8th-st., just outside of the city limits was held Friday night and a representative of the state department of education of Lansing was here to give the principal address.

The new school building was erected when the school district in that section of Holland township split in two. Before the change was made many of the pupils living in that part of the township were compelled to walk two and a half miles to the school located on East 24th street. The property owners therefore determined to erect a new school that would be within convenient distance of the homes of the pupils.

The school is a handsome brick building erected by DeWeerd Bros., contractors. It was completed some time ago and school has been conducted in it for the past month, but for various reasons it was not possible to hold the dedication exercises until now. When the school opened about a month ago, there were 24 pupils enrolled, but since then more have come so that the enrollment at present is 46, showing that there was much need of the new building.

The building has two large rooms and the equipment is of the latest type in every way. The building is furnace heated and it has a modern system of ventilation. The plans for the school were approved by the state department of education and it is likely that this will mean another standard school added to Ottawa's already large list.

Miss Eva Oost is the teacher, Wair Ryzeiga, director; J. P. Kleis, moderator; and Dick Flaggemars, treasurer. At the meeting Friday night, Mr. Ryhart, of Lansing, and County School Commissioner N. R. Stanton gave addresses.

## INVALID DAUGHTER OF FOR- MER HOLLAND COUPLE DIES

News was received in Holland Friday noon announcing the death of the invalid daughter of Mr. and Mrs. G. C. Bowman at Columbus, Ohio. Mr. Bowman was formerly with the Holland Furnace Co. and he is now manager of the Columbus Furnace & Heating Company. The Bowmans have many friends here. The funeral of Miss Bowman was held Saturday.

## CLASS GIVES FAREWELL FOR DEPARTING MEMBER

A farewell party was given by the Woman's Adult Bible Class of the M. E. church Wednesday evening at the home of Mrs. P. H. Doan, 41 E. 10th street. Twenty-four members met to wish Mrs. C. R. Willis farewell, as she leaves Saturday for her new home in Wisconsin. Mrs. Maria, president of the class, presented the honored guest with a beautiful silver-plated knife as a gift from the class. A pot luck supper was served and many exciting games were enjoyed by all present.

The Camp Fire Girls of Holland are hard workers. Since the organization of the first Waukazoo camp in February that camp has raised its membership to the full quota. A second camp, the Macatawa, has been formed. The first regular meeting of the Macatawa camp was held Friday evening at the home of Miss Ethel Dykstra. Saturday afternoon the girls held another homemade candy sale at the Petite Lunch shop.

The Grand Haven basketball season will end Friday night when Co. F quint battles the Muskegon All Stars in a benefit game. The proceeds will be used to defray the expenses of the two teams incurred on their trip to Chicago where they will compete in the A. A. U. tourney.

## Business Men Know

That the bolt of cloth on a merchant's shelf is nothing more than a bolt of cloth as long as its value is not included in a fire insurance policy, but with adequate insurance, merchandise becomes an asset and is recognized as satisfactory security by any banker.

The service that you will receive from this agency plus a policy in the West-land Fire Insurance Company are certain guarantees of protection.

## Absolute Comfort and the Joy of Living

Just as warm-hearted person is said to have "a winning way," so is a home made cheery and healthful - it has a winning way - when it, too, is warm and cozy.

No matter how handsomely furnished a house may be, or how desirably located, it is a house, and nothing else, until it is comfortably heated and ventilated.

The vast number of good families who own Holland Heating Systems are all willing to tell you what Holland advantages are doing for each of their individual homes.

To give positive comfort and cleanliness in every room in the house, with properly circulated air, is quite enough to make the Holland the most popular furnace on earth. But to have it proved as the most economical in the use of fuel, of all heating systems, has made it not only the choice of Architects and Building Contractors, but of Bankers, Lawyers, School Teachers, Mechanics, and, in fact, people in every line who would rather not spend money for unnecessary fuel bills.

## Buy Your Own Home-Heating System

It will pay you every day for many years, if you will buy your own heating system, no matter who builds your house.

## When You Build A House Build Your Own Character Into It.

That is what we are helping people to do every day. It is the business of our expert Draftsmen to bring out the ideas of the person who is to build a house, put these ideas into practical form and so make an individual home that is most livable and interesting to the owner, his family and his friends.

Express your own self in your home and you will have a pleasure in home-building that cannot be measured by dollars.

A house does not necessarily have to be big or expensive to have in it a lot of your own thought - a lot that will interest your children and even THEIR children.

If a man DOES build without expressing himself, can such a house really be his individual home - a lasting part of him? Not except in the dollar way - just in private ownership.

Let us help you make your home something more. We are helping people to bring out their best ideas every day. And besides, we save them money at every turn.

Before you decide, let us go over the whole matter with you. No obligation.

## SCHOOL STUDENTS CLIMB SCHOOL HOUSE AND RING THE BELL

So elated were Holland high school students over the excellent showing made by the Holland Basketball team at the tournament at Kalamazoo, which augmented the many other victories that our Holland boys have won, that a bunch of the most daring ones climbed the fire escapes of the Froebel school, mounted the roof, and climbed into the belfry and set the great big bell going at such a pace that it stood on end and would not ring any more.

Seeing that the curfew had gone on a strike, until the janitor had oiled some of the hinges, the students four-yeared to Third Reformed church and soon a merry ding dong was again heard all over the city.

High school students generally congregated on the street corners and some paraded the street in march formation and Friday night turned out to be a jubilee after the results were sent to Holland.

## FORMER LOCAL GIRL TELLS POLICE SHE WAS ATTACKED

Wilhelmina Bontekoe, daughter of Mr. and Mrs. Peter Bontekoe, 196 W. 14th street, appeared at police headquarters in Grand Rapids Sunday morning and amid sobs told the police a story of having been attacked. Miss Bontekoe, according to the Grand Rapids Herald reporter, Sunday gave her name as Ada Bontekoe, but this is either an error or else the wrong name was given. Her right name is Wilhelmina and she was married four years ago to John Hop, but the pair are separated.

Miss Bontekoe was rooming at the Oakes Hotel and she told the police that a man had invited her into his automobile as she stepped out of a Quaker lunch room. He then drove her to the Crathmore hotel, according to her story, and attacked her.

The man, she said, had so frightened her that she couldn't summon sufficient courage to slip away from him when he told her to take a seat beside him at the Union station "to wait until the night clerk goes so he won't see us."

Accompanying Joseph Keller and Harlan Inwood of the headquarters detail to the hotel, the girl identified a roomer who gave his name as Henry Zulauf, 23 Zulauf is held. Miss Bontekoe who said she came to Grand Rapids Friday from Holland to seek work, said she would prefer charges on Monday.

## SHORT SKIRTS, BOBBED HAIR FOR- EVER, RAY SAYS

"Now I know what it means to wear long dresses," exclaimed Chas. Ray. "I am an advocate for the short skirts and bobbed hair for every girl or woman who desires 'em."

The remarks were called forth during the filming of scenes in "Allas Julius Caesar" when Charles Ray, in the role of Billy Barnes, was left in the club shower rooms without his clothes, these having been stolen by a companion.

Billy pulls down one of the shower sheets and drapes himself with it, gets out of a window and makes his painful way down a gravel path. The long, winding sheet hung to his legs, tripped him and flapped with the wind and was an impediment generally.

"Those long trains worn by the unfortunate women in the middle ages and during our grandmother's time must have been awful things to drag around. Fancy our athletic college girls of today being hampered with long dresses—well, they are not, that's certain."

## MISS MINNIE TYMES BECOMES BRIDE OF MILO SCHROTENBOER

Thursday evening a pretty wedding took place at the home of Mr. and Mrs. Ralph Tymes when their daughter Minnie was united in marriage to Mr. Milo Schrottenboer. The bride wore a gown of Crepe de Chine, trimmed with beads, and carried a bouquet of carnations and ferns. The bride and groom marched unattended under an arch trimmed with white and green. The Bridal Chorus from Lovengrin's Wedding March was played by Miss Maggie Jipping, a cousin of the bride. About 40 guests were present. The ceremony was performed by Rev. James Ghyssels. The happy couple will make their home in East Saugatuck.

## PASTOR'S SALARY IS IN- CREASED BY CONGREGATION

A congregational meeting of the people of the First Reformed church was held Thursday evening for the purpose of electing a deacon to fill the vacancy caused by the elevation of George Mool to the office of elder. Mr. Jas. Nykerk was elected. The congregation also decided to raise the salary of Rev. James Wayer from \$2,000 to \$2,500.

## REV. FREDERICK PATTERSON HAS MARRIAGE ANNULED

Rev. Frederick Patterson obtained an annulment of his marriage in circuit court at Allegan. The court's action was taken in Mrs. Patterson's suit for divorce. The minister brought evidence, however, which convinced the court that her first husband was living at the time of the marriage to Rev. Patterson and that she committed fraud in assuring him that he was dead. While a resident of Kalamazoo, Patterson was a member of St. Luke's choir. During the war he enlisted in the officers' training camp at Fort Sheridan, but, on being honorably discharged for disability, went to Canada and enlisted as a private. He returned from overseas a first lieutenant.

A. H. Landwehr has installed an up-to-the-minute radio in the Warm Friends hall to be used not only by the employees but for the benefit of any one who may use the hall for the various purposes to which it has been put. Mr. Landwehr also installed one in his beautiful home on Maple avenue and Eleventh street.

## GIRL SWALLOWS SAFETY PIN; LIFE IS SAVED

In a sunlit ward of Butterworth hospital, Golden Rule cottage, Grand Rapids, little Effie Franks snuggled close to her favorite doll Saturday and bravely attempted a smile. Effie was too weak to sit up as yet, but she was making the best of it, and the nurses said she was as happy as one could be—considering the circumstances.

Near Effie's bed was a small bottle which contained something which she will treasure as long as she lives. It's a safety pin that nearly cost her life.

The pin, open and its point imbedded in the wall of Effie's stomach, was the cause of Effie's present plight.

Friday night Effie, 5-year-old daughter of Mr. and Mrs. Bert Franks of Holland was being prepared for bed by Ruth Fletcher, a hired girl employed by Mrs. Franks who is ill. As Effie was slipping into her nightgown she picked up the pin and then began picking a tooth with it. Suddenly it slipped down into her throat. Effie coughed and gasped for breath and tried to dislodge the pin but it had passed into the stomach.

Dr. W. M. Tappan was called and an X-ray photograph revealed the location of the pin. Effie was rushed to the Butterworth hospital for a rush operation.

By midnight physicians had extracted the pin by making an incision into the stomach and Saturday the child was reported well on the road to recovery.

Effie wouldn't lose the pin for the world. "See what I swallowed?" she remarks as visitors pause at her bedside, where her doll shares the counterpane with a teddy bear and a Jack-in-the-box and other trinkets less harmful than an open safety pin.

The father hurried to Grand Rapids from Benton Harbor, where he is employed by the Pere Marquette R'y. The mother is unable to leave her home and is believed seriously ill.

## HOLLANDERS ARE SPREADING OVER ALLEGAN COUNTY

Rev. K. Poppen of Patterson, N. J., has accepted a call to the Christian Reformed church at Bradley, Allegan county. This denomination is one of the two favored by the Hollanders. Establishment of this Bradley organization calls to mind the spread of the Hollanders about Allegan county. Originally "the Dutch towns" were Overisel, Fillmore, and Laketown. Thence the Hollanders presently possessed northern Manlius and Heath; then spread into Salem. Now they are numerous in Allegan, Leighton, Wayland, and Martin in each of which they have recently established their churches.

## MAYOR URGES ALL THE VOTERS TO GO THE POLLS

Because of the fact that a large number of the offices were decided in the primaries this year, Mayor Stephan believes that unless the voters make a special effort to be at the polls in the election next week Monday, a minority of the voters will fill two of the most important offices put up to the people for decision, namely the offices of assessors and of members of the board of supervisors. "Both of these offices are extremely important to every person in Holland," said Mayor Stephan. "When there is some fight on over filling the mayor's chair or some stiff aldermanic fight, the people come to the polls of their own initiative; but many voters seem to have jumped to the conclusion that in the case of the assessor and members of the board of supervisors, they are not so directly concerned. This is a great mistake. Holland's interests are most vitally concerned in these two cases. It makes a great deal of difference whether a competent man is in the assessor's office or not. I am not going to tell anybody how to vote, but I am going to urge most strongly on everybody to go to the polls and prevent the appointment of an assessor by a small minority of the voters."

"And the same thing is true of the board of supervisors. Holland has much more at stake here than most people realize. We need men on that board to represent Holland who can represent us vigorously and aggressively on all occasions. It is up to the voters to decide for themselves who can best do this. I have my own strong convictions, but in this connection I am merely trying to urge voters not to allow an election to go by default and so I shall not advance my personal preference. All I ask is that each citizen do his mere duty and go to the polls on election day. These two offices are most important in my opinion, but the voters should register their wishes on the other offices as well."

More than 75 members of the W. C. T. U. responded to the invitation of the principal and teachers of Junior High on Thursday afternoon to listen to the following program which was given by pupils under the direction of the principal, Miss Smith: selection Junior High orchestra: reading, Isabelle Zahart; piano solo, Elizabeth Arendshorst; reading, Eula Champion; "Life of Frances Willard"; Janette Nienhuis, which was read by Louise De Klein; song by a group, reading, Loretta Schulling; An Appeal to Boys, Karl Sies; playlette, Prohibition Quiz by boys; reading, Lester Ellerbrook; reading, Dorothy Hoosten; violin, Lou's Mulder; playlette, "The Eighteenth Amendment," reading, Adella Beeuwkes; song by the chorus. Mr. Martin Bos, one of the teachers, also gave a talk on the amendments to the constitution, explaining the 18th amendment. After the program the teachers of Junior High entertained the ladies with tea and cakes in the lower hall which was decorated for the occasion. Many expressions of appreciation were voiced for pleasant entertainment.

Born to Mr. and Mrs. John Harrison, a son and Geisbert Blom, is again a grand-daddy. Mr. and Mrs. Klaas Buurma are quietly celebrating their 80th wedding anniversary Saturday.

## Colds are More Deadly Than Autos.

Health Talk No. 9

By

JOHN DE JONGE,  
D. C. Ph. C.

The newspapers give us annual statistics on deaths by automobiles and the total is appalling, but it is

nothing beside the number of deaths from la-grippe, influenza, pneumonia and tuberculosis—all of them diseases that develop from neglected or badly treated colds.

Chiropractic spinal adjustments will eliminate colds in from one to four days. During the influenza epidemic of four years ago, chiropractors piled up the astounding record of but one patient lost of every 886 spinally adjusted. Pneumonia cases under chiropractic handling simply do not develop. Tuberculosis in the early stages is usually no more difficult of eradication under chiropractic spinal adjustments than is any other chronic trouble.

Out in 3 Days

"I was taken with a cold Sunday night. My nose was stopped up, my throat was sore, my head ached and I had some fever. I started chiropractic spinal adjustments on Monday. The fever and headache disappeared, and my breathing was easier. On Tuesday I got up. On Wednesday the soreness in my throat was gone. I never got rid of a cold so quickly before." ### OTTAWA COUNTY

#### WEATHER MAN DIES

H. Tullsen, U. S. Weather Man of Ottawa county stationed at Grand Haven from July 1, 1918 to August 28, 1922, died at his home in Peach Plains Monday at 7:20 a. m. Mr. Tullsen's death did not come unexpectedly as he had been in weakened condition for some time due to a persistent attack of pneumonia and it was this that he finally succumbed to. He was 46 years of age at the time of his death.

Mr. Tullsen was born in 1877 and entered the weather bureau service on July 9, 1904. Although not associated with the weather bureau at all times, he continued in various branches of the government service until 1908 when he entered the weather bureau again. Prior to going to Grand Haven, he had been stationed at Salt Lake City, Knoxville, Taylor, Tex., and St. Louis.

The White Shrine of Douglas will hold their annual ball on Thursday evening, March 29, in the Douglas Village hall. Cards and dancing from 9 until 1. Wild's orchestra will furnish the music. Quite a number of Holland people are planning on taking in this annual ball, which is the big event of the White Shrine year. Tickets \$2, including refreshments.

### HARRY WARD GUILTY IN LIQUOR CASE

Harry Ward, of Grand Haven and well known in Holland, was tried in circuit court in Grand Haven Monday on the charge of transporting and having in his possession intoxicating liquor. The case took up the time of the court all afternoon and when it was given to the jury they brought in a verdict of guilty. Ward will be sentenced later.

The Koopman murder case started Tuesday and most of the day was spent with preliminaries and the selection of the jury. At three o'clock Tuesday afternoon the jury had not yet been filled, but it was expected that the jurors would be secured before evening. The case is expected to take up most of this week and will probably be given to the jury on Friday night.

### HAD DEMOCRATIC COMMISSIONER ONCE

In connection with the run that R. P. Leestma is making for the office of Ottawa County School Commissioner on the Democratic ticket, a Holland voter recalled the fact that Ottawa county at one time had a Democratic school commissioner. This was a good many years ago however and it had been forgotten by most people. The voter called attention to the fact that Miss Cora Goodenow, who served as school commissioner for some years as about a quarter of a century ago, was a Democrat, and was elected on the Democratic ticket.

But since then the Democrats have not had much of a chance at the office. This year however they are making a spirited campaign on behalf of Mr. Leestma.

### NINTH STREET CHORAL UNION TO GIVE THE "WORD OF GOD"

The Choral Union of the Ninth-st. Christian Reformed church, consisting of forty-eight voices, will give the cantata "The Word of God" on Thursday evening at 7:45 at that church.

William J. Brouwer is to direct this large chorus, and the accompanist will be Mrs. J. Vander Hill.

In the program will also be found some violin solos by Mr. Henry Jongma, while the vocal soloists are the Misses Gertrude Beltman, and Cora Slenk, Mrs. L. Strong, and Messrs. Gerrit Ter Beek, L. Strong and Clarence Jalving. The program follows: Prayer and opening remarks; "In the Beginning was the Word," Chorus; "Where Wast Thou," Tenor Solo, Mr. Gerrit Ter Beek; "Thou Art Worthy, O Lord," Chorus; "And God Said, 'Let us Make Man,'" Bass solo, Mr. L. Strong; "In the Beginning," Chorus; "The Light Shined in Darkness," Soprano solo, Miss Gertrude Beltman; "Hear My Prayer, O Lord," Chorus and Sop. solo, Miss Cora Slenk; "In the Beginning—And the Word was Made of Flesh," Chorus; "Jesus Lifting Up His Eyes," Bass solo, Mr. Clarence Jalving; "And this is Life Eternal," Chorus; "Crown Him With Many Crowns," Chorus Collection; Violin solo, Mr. Henry Jongma; "Arise, shine for the Light is Come," Chorus; "The Sun Shall Be No More," Contralto solo, Mrs. L. Strong; "Oh, how blest," Chorus; "We Give Thee Thanks," Chorus; Prayer.

The Hope College, Forensic department has made a splendid record so far and prospects for more good results are very favorable. Simon Heethstra, the Michigan State orator, will go to the Interstate contest at Otterbein College, Westerville, Ohio, on April 13. These are also under way.

## LOCAL

Following are all the nominations made for the various offices in Olive township: Supervisor—P. H. Vinke, Mulder; Bert Vander Zwaag; clerk, Manley Looman; treasurer, Jacob F. Kraai; Abel Greving; highway commissioner, Gerrit Van Gelderen; Geo. Plaggenmarm; Justice, Gerrit Lievense; Fred E. Stone; Board of Review, John Schreiber, Frank Garbrecht.

Mr. Hendrikus Van Lente, one of the early pioneers, passed away Sunday morning at the home of his daughter, Mrs. A. Meppelink, 21 East 16th street, aged 82 years and eleven months. He was born April 19, 1840, in Zwalle, Overijssel, Netherlands. He came to America with the VanRaalte expedition in 1847, and has been a resident of Holland and vicinity for 75 years.

He was married to Jane Stokete, of Holland, March 30, 1863, and nine children were born of this union. Two years later Mr. Van Lente rallied to the call of Lincoln for volunteers, and on February 21, 1865 enlisted in Co. I, 25th Michigan Infantry. He also saw service in the old 23rd Michigan and remained with that organization until the end of the conflict.

He also was a charter member of the first Reformed church of Holland and helped build the structure which the Ninth Street Christian Reformed church now occupies. Incidentally Mr. Van Lente was the sole survivor in the city of those who built this church. He also worshipped in the old Log church.

Mrs. Van Lente died 2 years prior to her husband, and he is survived by eight children, twenty-three grandchildren, and 12 great-grandchildren. The children surviving him are: Mrs. Wm. Lugers, North Holland; Mrs. A. Meppelink, Holland; John K., and J. Henry of Holland; Dick of Lincoln Nebr.; Bert of Green Bay, Wis.; Mrs. R. DeZeeuw of East Lansing, and Gerrit of Crawfordville, Ind.

Private funeral services were held at the home of Mrs. A. Meppelink, 21 East 16th street at 1 o'clock Wednesday afternoon, and at 2 o'clock at the Trinity Reformed church, the Rev. C. P. Dame officiating. Interment was held in Pilgrim Home cemetery.

Impressive exercises were held on Friday night for the dedication of the new school building on East 8th street. The program was given by Miss Eva Oonk, the teacher, and the pupils of the school. County School Commissioner Stanton took part in the exercises and Mr. Reinhart, of Lansing, acting for the state department of education, inspected the building and pronounced it O. K. in every respect. The contractors are DeWeerd Brothers.

The district wishes to thank J. S. Dykstra for donating chairs for the meeting Friday night. The electric light for the meeting was furnished by George Sulkers, the connection being made from his home to the school by the Looman Electric company. Van Dyke's orchestra furnished the music, and Gertrude De Fouw presided at the piano. A Parent-Teachers club will be organized at this school.

The Christian Intelligencer, published in New York, has the following about the recent victory of Hope College in oratory:

"Where eastern colleges go wild over football victories Hope College students expend their energies in rejoicing because of oratorical success. In the recent Michigan college oratorical contest, held at Hillsdale, Michigan, Hope won first honors in the men's contest, and came in second in the women's. Simon C. Heemstra, of Monroeville, Mich., was the victor. On Monday, March 25th, the college took a day off to properly celebrate the great event. Early in the morning the college colors began to appear on costumes, and before long the campus was a mass of orange and blue. As this is the seventh time in the past nine years that Hope has won the contest the rejoicing was universal, and much praise was given to Prof. J. B. Nykerk, who has been the coach for so successful a series."

Ernest VandenBosch, better known as "Red," of Grand Haven, was elected president for the last term of the school year of the Fraternal society. "Red" is a world-war veteran, who while in service paid the price of sacrificing a limb. But this does not stop him from doing great things. During the current year he was the able president of the Hope College Y. M. C. A., the largest organization of its kind in the state. Mr. VandenBosch has a personality which has won the admiration and respect of all those that know him.

Other elections in the Fraternal society were: William Zoerner of Grand Rapids, vice-president; Gerrit Boone of Holland, Secretary; and Fritz Tonkman of Holland, treasurer.

In the elections of the Emersonian society, James Neckers of Clymer, N. Y., was elected president; Marvin Achterhof of Zeeland, vice president; Alfred Stevenson of Holland, secretary; and Ray Van Zoeren of Zeeland, treasurer.

A file copy of the Saugatuck Commercial of 1877 gives the following interesting item: "We feel like apologizing to Capt. Upham for our neglect in not making mention of his splendid little boat he is running from this place to Holland in connection with Capt. Brittain's steamers. We have not had the pleasure of riding on the Fanny Shriver, but all who have speak in the highest terms of both the boat and its captain." Note—At that time Saugatuck had a boat line to Chicago and the "Fanny" would take passengers from Holland for the Chicago steamer.

Rev. Henry Beets of Grand Rapids has been chosen to represent Holland-Americans of the United States on occasion of the 25th anniversary of the coronation of Queen Wilhelmina of Holland. Mr. Beets will present the queen with a memorial album on behalf of Holland-Americans. Mr. Beets, who is mission secretary of the Christian Reformed church denomination will sail for the Netherlands on July 4.

The Michigan Investor, a financial magazine published in Detroit, devotes about a column of the current issue to the banquet recently tendered G. J. Diekmann. The article, which is illustrated by a cut of Mr. Diekmann, is headed, "Diek is Served Right." It tells the story of the presentation of the loving cup and gives a description of the banquet, listing the speakers who gave addresses on that occasion.

That the interest in the basketball tournament at Kalamazoo Saturday was great was shown by the fact that for about six hours, three hours at night, the H. VanTongeren cigar store answered three telephone calls a minute about the results, by actual count. So thick were the calls that they were answered the phone. This work was done in relays a fresh man taking up the job when exhaustion came to the man at the end of the wire.

A campaign for subscribers for aid to evacuated France, fostered by the American Committee for Devastated France of which M. T. Herrick, Ambassador to France, is president and Miss Anne Morgan is Vice President, is being inaugurated by 68 of New York's largest business concerns, some of them with nation-wide organizations. The campaign will be carried on throughout the United States and it is hoped that a greater fund will be raised for the rebuilding of France's war-ravaged regions than has been secured in any previous campaign.

The Western Union Telegraph Co. has entered Miss Edit Burwell, recreation director at New York as their national candidate. Two delegates will be selected from each territorial division to accompany Miss Burwell to France. The candidates for delegate in the local Western Union office are Miss Mary Beukers, Detroit and Miss Lulu Aiger of Grand Rapids.

The local Western Union office is carrying on the work in this city and anyone wishing to do so may turn in their donation to the fund at the local office.

A very pleasant surprise party was given in honor of John Koopman by the Teachers Training Class of the Fourth Reformed church of which Mr. Koopman is president. Mr. Koopman was presented with a fountain pen. Mr. F. Meyer making the presentation speech. Readings were given by Misses Bertha and Helen Olgers, John Rofes, Richard Elhart, Sarah Dees, and the teacher, Albert Rask. Games were played and dainty refreshments were served by Mrs. Koopman, Mrs. Rufus Cramer and Miss Dees. Mrs. John Minema sang two solos, accompanied by Mrs. Fred Z'nerman.

Term of postmaster C. E. Firestone expires July 28 and applications for this office will be received by the civil service commission until April 17. Allegan is a second class post-office and postmaster's salary there is \$2900.

Under the postoffice rules a person taking the examination must be a person over 25 and under 65 years of age and must have been a resident of the community not less than two years. Education, training, business experience and fitness are the subjects examined upon.

The Knickerbocker Literary society of Hope College held their annual stag party at the Hotel Rowe in Grand Rapids Friday night. Covers were laid for fifty members and alumni and a six course dinner was served. This is an annual event with the Knickerbockers and the following program was rendered: Music by the Freshman quartet, composed of A. Nevel, F. Hinkamp, J. Vermulen and E. Fieldhouse. Wm. Joldersma delivered a toast entitled "A Stag" and briefly remarked on the achievement of the organization, and also toasted the Freshmen members. Russell Van Dyke representing the yearlings, responded with a toast, "Springtime." The president, Arthur Mulder, delivered his inaugural address with a plea in his remarks for stronger representation in forensics and to maintain a high standard of loyalty to Hope College.

Arthur Smith delighted the members with several selections. Mr. Smith played his own accompaniments on the banjo and is a coming tenor soloist.

Harvey De Weerd entertained the fellows with "Character Sketches at Hope." Walter Roughgarden delivered a toast, "Way Down East," and Theodore Zwemer toasted the alumni on "Conquered Troughs." Mr. Zwemer was eloquent in his address on the laurels won for the college by men and made a plea for them to maintain the standard.

The officers of the organization are: Pres., A. G. Mulder, Spring Lake; vice president, H. Decker, Rock Rapids, Ia.; secretary, John VerMeulen, Waupun, Wis.; treasurer, H. Wierks, Hoppers, Ia.

Miss Marguerite De Fouw was very pleasantly surprised by the packing room girls of the Holland Shoe Co. on Friday evening. She was presented with a Hot Point Flat Iron. The evening was spent in music and games and first prizes were received by the Misses Betty and Marguerite DeFouw, while the booby prizes were awarded to the Misses Anna Kramer and Kathryn Cramer. A two course luncheon was served. Those present were: Aida Vos, Laura Barendse, Kathryn Cramer, Kathryn Vos, Kathryn Wendel, Gertrude Exo, Anna Kramer, Gertrude Gebben, Marguerite De Fouw, Betty De Fouw.

The Senior class of Hope College this year has decided to stage a comedy, "Come Out of the Kitchen."

Several members traveled to Grand Haven one evening last week to see the play presented by the graduating class of the high school there. A date for the event here has not yet been set. "Come Out of the Kitchen," is a very good comedy. A few years ago Ruth Chatterton took the leading part in it while given in New York where it was very popular. The play is filled from beginning to end with humorous situations.

Ruth Gardel of Holland and Irwin Borgan of Kalamazoo have been chosen to play the leading roles.

When Coach Schouten of Hope College issued the call for baseball last week some quarter of a hundred immediately responded. Three men of last year's team again reported. They are Doeksen, C. Lubbers, and Riemersma. Doeksen and Lubbers are both out for their third year on the team. Riemersma, who has played for several independent teams during the past few years, is out to play his second season on Hope's team.

The prospects for a strong battery are good. The candidates for pitcher are Foppen, John Albers, Bykema, Irving, Hillmert and Jack Ver Meulen. Of these men Foppen probably stands out most prominently. He played with the Hope men one year while still a "pre-jet," and last year he was often found in the box for the strong Holland Independents. He also pitched several games for other independent teams in this section of the state. John Albers was a good hurler for the high school last year and he too has the marks of a good man for the job. Not much is known of the other candidates altho they promise to be excellent material for some place on the team.

There is not much to worry over the catcher's place, for the candidates are strong. Ben Riemersma played an excellent game at the plate last year and is beyond doubt the best man out for it this year. Doeksen also is a strong candidate, as is "Chief" Ottipoly, who is one of very few that play either right or left-handed. Clarence Eggink and Cramer are also looked upon as good infield material. Clarence Lubbers who played short last year and second base this year before will very likely short-stop this year. Ray Doeksen has held third for two years and will occupy a responsible position in the infield this year.

Several candidates have signed up for the outfield positions and indications are for a strong outfield. The prospects for a winning aggregation are very good.

Raymond Lubbers, who has played with the team for three years and is manager this year, has arranged a good schedule. The following dates have been booked:

April 14—Kazoo Normal, there; May 11—Mt. Pleasant Normal, there; May 12—Ferris Institute, there; May 18—St. Mary's College, there; May 19—M. A. C., there.

Negotiations are under way for three or four games at home. The probabilities are games with Western State Normal, Ferris Institute, and Junior College of Grand Rapids.

## ENGINEER CELEBRATES 37TH YEAR ON ROAD

Marine Hektor, a veteran engineer on the Pere Marquette R'y will round out 37 years of service April 1. Mr. Hektor has figured in only one wreck and has injured only one man with his engine. In both cases he was held blameless.

Hektor began his railroad career in 1885 as a fireman on the old Chicago & West Michigan railroad. He was a fireman for four years, eight months and 12 days when he was promoted to the position of engineer, and he has served on the Grand Rapids & New Buffalo, Grand Rapids & Traverse City, Big Rapids & White Cloud, Allegan, Pentwater, Muskegon & Traverse City divisions.

During the war when Hektor that potatoes were too high in Holland he sent in several carloads from the potato county through which his engine ran daily and sold them in this city at a special sale at greatly reduced prices. This was at the time when potatoes were four dollars a bushel.

## HOLLAND WINS WAY INTO THE TOURNEY FINALS

After going great guns and winning their first two games in the Western State Tournament, Holland High's classy team was defeated by Muskegon in the finals by a score of 27-10. However Holland won the right to compete in the state tournament where the championship of the entire state will be decided. This will be held at Lansing, Friday and Saturday of this week and will bring together the winners of the other class A tournaments.

Martin's men, called upon to play their third game in two days, cracked under the strain and showed only flashes of their real form. Holland's defeat at the hands of Muskegon was no disgrace, as the locals fought hard, even though the morale of the team was broken when Lordahl was banished from the game at the start of the third quarter. Muskegon has a team of huskies and they won mainly because of their ability to cage baskets from mid-court. Coach Jacks instructed his men to shoot from the center of the floor as he realized that his team would have little success in getting by Lordahl and Hill, Holland's nifty guards. These two lads were picked by every critic and coach as being the best pair of guards in the state, and they deserve all the credit that is being bestowed upon them.

Although Holland was considered to have a strong team they were hardly looked upon as possible contenders in the finals, due to the fact that they drew two of the hardest teams to eliminate. But Holland stepped out Friday night and gave the Normal High a real drubbing right on their own floor. Hymne's men did not count until the last quarter and then they hung up but four points. The final score of this game was Holland 22—Normal 4.

Kazoo Central, considered to be the strongest team entered in the tournament drew a bye in the first round and they were thoroughly fresh when they met Holland on last Saturday morning. So confident were the followers of the Flugel men that a headline was printed in the Kazoo Gazette to the effect that Kazoo Central would appear in the finals on Saturday night. But Holland's team had other plans. Kazoo led at the end of the first quarter 6-3.

In the 2nd period VanZanten and Kleis each scored a field goal and Kleis also added two points from the foul line. Westgate caged Kazoo's lone point in this quarter which ended Holland's leading 9-7. Kleis scored three times from the field in the third quarter and Dundore dropped in a two pointer for Central. The quarter ended Holland 15—Central 9.

After Van Zanten had brought Holland's total to 19—Kazoo started on a rampage and Gilbert scored three times in rapid succession, but he was finally stopped and the game ended Holland 19—Kazoo 16.

Although every means was resorted to by Coach Martin to put his men in good shape for the Muskegon contest, injuries and complete exhaustion told and Holland was in poor condition when they took the floor, Saturday night.

The first quarter saw Muskegon take a net lead when Begerding scored six points, 2 fouls and two field goals. Oosterbaan sank three baskets in the second period while Kleis scored 3 points on fouls. The half ended 13-3.

In the second half Muskegon's total went to 27 points. Lordahl was removed from the game and Oosterbaan and Cotte were successful in making baskets. Kleis managed to slip in two field goals and two fouls and brought Holland's count to ten. The final score was 27-10.

Every member of the Holland team displayed splendid form and Holland can be counted upon to make a strong bid for the State championship honors.

The Holland Reserve team was completely off-form in the first game in the tournament at Grand Rapids and they were sent down in defeat by the Muskegon Reserves, 16-11. Jap-pinga was the star for Holland having three baskets to his credit.

Miss Mabel Anthony is spending her vacation in Chicago.

Miss Mabelle Geiger and Miss Lida Rogers are attending the annual meeting of the Michigan Schoolmasters' Club in Ann Arbor this week. Miss Rogers will give a paper before the Biology Conference.

Miss Della Onsewaarde of the High school faculty is spending the week in Chicago.

Miss Ruth Stratton of Kalamazoo, is spending the spring vacation with relatives and friends in Holland.

Miss Hannah Parkyn has gone to her home in Hillsdale after attending the basketball tournament in Kalamazoo.

Mr. E. E. Fell is attending a meeting of the Michigan Association of Superintendents and School Boards at Ann Arbor this week.

Steven Oudemolen, W. 9th street has traded horses again. This time Steve traded his four-year-old grey mare for a ten-year-old brown horse, and he says that he is getting too old for the younger and frisky animals. Steve is hauling ashes the same as he has done for the past seven springs and with this horse he is able to haul much larger loads. This makes ten horses that Steve has owned in the seven years but says he is going to keep this one. Mrs. Oudemolen says that she is afraid that Steven would waste himself off if he could find a better looking lady that would have him than the present Mrs. Oudemolen.

Mrs. Jacob Nibbelink and daughter Mary Elizabeth of Muskegon are the guests of Mr. and Mrs. Ed Leeuw at 12 West 9th street.

The official thermometer at the Water Works read 11 degrees above zero at 5 o'clock this morning.

Mrs. G. E. Kollen, Henry Geerlings of the Board of Education and Supt. E. E. Fell are attending a meeting of a convention of Board of Education members of Michigan, held at Ann Arbor. Educators from all over the state are in attendance.

An alarm of fire from box 131 at 7 o'clock this morning proved to be only a small roof fire in a home on East 26th street. The damage was only slight.

Holland farmers will hold a meeting April 3 at which M. L. Moon, a director in the Michigan Milk Producers association and the Michigan State Bureau at Jackson will speak.

Anyone wishing an extra copy of the annual appropriation bill can secure one at the Holland City News office or at the City Clerk's office in the City Hall.

The Holland City News came out one day earlier in order to legalize certain legal notices that required an earlier publication.

Return Jewelry, Watches Stolen from Grand Haven Residence are Returned to Owner

Under the caption "Identify Jewels" a Grand Rapids paper had an account of identification of stolen jewelry from Grand Haven people which had been returned to its rightful owners, after identification in Grand Rapids Tuesday. The jewelry was found, it was stated, in a hotel room in Grand Rapids on the West side.

Three men are also held in connection with the crime, they being taken by the Furniture city police recently. Credit for the arrests should go in a great part to Sheriff Fortney and Deputy William Hietje of Zeeland. These men had worked on the case ever since the robbery took place in other part of the county.

Sometime ago a grain elevator was entered at Jamestown and a quantity of money was taken from a safe. A day later a store in Zeeland was entered and robbed. The sheriff and his deputy took up the trail and eventually succeeded in placing the tip that caused the arrest of the men, Frank Zimmerman, Lowell Bower and Frank Obbey. All these men are listed in the Bertillon records, were held after the recovery of the jewelry which was identified by Tony VandenBosch of Grand Haven.

Mrs. Vanden Bosch's home was entered some time ago at the same time that one or two other houses were robbed and two watches were taken from the Vanden Bosch residence. It was these two watches which were returned.

Sheriff Fortney believes that a dangerous gang has been actually traced and broken up for while recent robberies in cities and towns of this section have not been actually traced, still the similarity of the circumstances and the nature of the crimes leads officers to believe the same gang was responsible.—G. H. Tribune.

116,080 FORDS FOR FEBRUARY

SHORTEST MONTH BRINGS NEWS SALES RECORD

Acute Situation Certain as 6,000 Cars a Day Production Falls to Meet Demand

Detroit, May 28—With 116,080 Ford cars sold at retail in February a new record for the shortest month in the year has been established. February sales exceeded those of January by more than 15,000 and marked the eleventh month in which Ford sales have topped the 100,000 line.

This sales record bears out predictions made at the opening of the year that an acute shortage of Ford cars is certain and this shortage is expected to be felt within the next two months with the increased volume of car buying which is always attendant upon the spring months.

Even the high production schedule set at the Ford Motor Co's factory here which will reach 6,000 cars and trucks a day about Apr. 1, will be unable to meet the apparent demand for Ford products.

Anticipating a great increase in the demand for Ford Cars during the present year the factory here had plans for increasing production to the 6,000 car a day schedule and since January first has been constantly speeding up manufacture to reach this figure. Demand so far has been of such great proportions as to absorb nearly all production, and stocks in hands of dealers are at present the lowest they have been in months.

February sales of 116,080 cars were made in the face of unfavorable weather conditions in many sections of the country which tied up freight traffic and prevented many deliveries. This was particularly true throughout

the Northwest, the North in tier of states and in New England. In California, too, cold weather during a part of the month had its effect upon car sales.

Yet with even these unfavorable conditions the February sales topped those of January by 15% and set a

new high record for mid-winter selling. With February the eleventh month which Ford car sales have gone over the 100,000 mark, the total for this period is close to 1,250,000 cars.

Peak car sales usually are reached during the summer months with drops in the fall and winter. This feature

of automobile absorption by the buying public has been completely changed during the last few months thru the activities of the Ford dealer organization which has raised the "peak" line to include every month in the year.—Educational Publicity.

Holland, Mich., March 15, 1923  
The Common Council met pursuant to adjournment and pursuant to the provision of the City Charter to canvass the vote cast at the Primary Election held Tuesday, March 11, 1923.

Present: Mayor Stephan, Alds. Prins, Blue, Brieve, Drinkwater, Kammeraad, Laappe, Lawrence, Brinkman, Dykstra, Wickerink, Vander Hill and Sprang, and the Clerk.

On motion of Ald. Brieve.  
The reading of minutes and the regular order of business was suspended. William Wedorp and others petitioned as follows:

"Inasmuch as the Common Council of the City of Holland is considering the paving of 14th St. between Lincoln and Fairbanks Aves., we the following undersigned, who own property along the above named street, do hereby petition the Common Council of the City of Holland NOT to pave the same for the following reasons:

1. It is not a main traffic street.  
2. It does not connect two paved streets.  
3. Along this street is much valueless swampy land, which would make the cost of the street far above the value of the land."

Referred to the Committee on Streets & Crosswalks.  
On motion of Ald. Lawrence.  
The Mayor was requested to appoint a Committee of three to canvass the Primary Election vote. Mayor Stephan appointed as such Committee:

Alds. Wickerink, Lawrence and Laappe.  
The special Committee appointed to canvass the vote cast at the Primary Election held Tuesday, March 13, 1923, for the several city and ward officers presented a tabular statement of same.

On motion of Ald. Wickerink.

To the Office of Constable (4th Ward)—H. Vander Hill.  
To the Office of Constable (5th Ward)—Morris Spuyker.  
To the Office of Alderman (6th Ward)—Arle Vander Hill.  
To the Office of Constable (6th Ward)—Thomas Smeenge.

and the persons having received a sufficient number of votes for the several offices named were nominated to such respective offices to be voted for at the Charter Election to be held the first Monday in April, A. D. 1923, as follows:

To the Office of Assessor—Casper W. Nibbelink, John H. Den Herder.  
To the Office of Supervisor—Henry Vander Warf, Edward Vander Berg, Simon Kleyn, Peter G. Damstra.  
To the Office of Member of Board of Police and Fire Comms.—Henry Brusse, Dirk Hensen.  
To the Office of Alderman (5th Ward)—Alex Van Zanten, Charles Dykstra.

The Special Committee to whom was referred the matter of making investigation relative to the condition of the premises on west side of Maple Ave. between 9th & 10th Sts. presented the following communication received from the owners of said premises:

"Your favor of the 10th received and in reply beg to advise that we are now wrecking the bark shed referred to as fast as we can. And intend to erect a new building in the near future, at which time plans will be submitted to your Council for approval.

If necessary for us to appear at your Council, please advise us and we will cooperate with you to comply with your City ordinances."

Filed.  
On motion of Ald. Lawrence.  
The Council adjourned until Friday, March 16, 1923, at 7:30 P. M.

Holland, Mich., March 16, 1923.  
The Common Council met pursuant to adjournment.

Present: Alds. Prins, Drinkwater and Vander Hill and the Clerk.  
In the absence of the Mayor, and there being no quorum, on motion of Ald. Drinkwater,

Resolved that when the Council adjourns, it adjourn until Wednesday, March 21, 1923, 7:30 P. M.

Clerk reported that pursuant to instructions he had given notice of the gridding, draining of, and the construction of curb and gutter and 6" water bound macadam base on 14th St. from a point 100 ft. west of line of Harrison Ave. to the east line of Lincoln Ave.

Also the proposed paving of Columbia Ave. from 4th to 24th St. with sheet asphalt.

Also the paving of College Ave. from 6th to 24th Sts. and 22nd Street from College to Columbia Aves. with sheet asphalt, and of the time and place for said proposed improvements, that no objections to same were filed in the Clerk's office.

On motion of Ald. Prins.  
The hearings were adjourned until Wednesday, March 21, 1923, 7:30 P. M.  
On motion of Ald. Vander Hill.  
The Common Council adjourned.
