Now State Jumps Into Sugar Beet Wagon

FARMERS ARE CLAMORING
FOR A CROP THAT WILL
PAY THEM CASH

Holland Is Naturally Interested
with an Idle Factory on
Its Hands

Those were busy times in Holland when the sugar mill at the end of Fourteenth street was belching smoke from its stacks and beets were piled up mountain high to go to the slicer and to be converted into sugar. Farmers' teams filled every street in the vicinity of the factory, waiting to be unloaded and the railroad side tracks were not near long enough to accommodate the beet cars.

It meant busy farming during an entire summer and fall and a busy factory from November to March, always giving plenty work for local labor in the winter. Car loads and ship loads of beets filled with sugar left this city for destinations throughout the country.

It was a diversified industry that meant a great deal to many. Even during the dull season there was a large office force and men working in the factory the year around and many field men educating the farmers. Yes, even the printer got his share and the McLeans saw to it that the printing was left in Holland.

The Holland Chamber of Commerce is bending its energies to have the Holland factory reopen. They are being aided by C. P. Millham, Ottawa county farm agent, who sees in sugar beets a great help for a cash product that will enable to help the farmer pay his taxes and raise the mortgage.

The work to open the sugar factory this year must be hastened due for it will not be long before seeding time is here. But the civic organizations of Holland have not been idle. At least 5,000 acres should be contracted for and 2,000 acres have been subscribed and the names are on file in the Chamber of Commerce office with Chairman Frank Lieveense and Secretary Charles Gross.

But now the state also jumps in according to the Grand Rapids Press bureau, which in today's issue says:

Governor Brucker was considering Thursday the proposal by a group of state senators that the administration lend its support to a movement that will assure the operation of every sugar beet factory in the state next fall. The governor was urged to summon the owners of the factories and bondholders to a conference in Lansing in which the entire matter could be discussed.

Brucker said he would make his decision in a few days. The governor conferred Wednesday with Leo Stuh, representing the federal farm board, and Senator A. H. Orr of Caro, Calvin J. Campbell of Indian River, Alex Cowan of Port Huron, Chester M. Howell of Saginaw, and Representative James N. McBride of Burton.

Stuh said the government stood ready to loan sugar beet growers up to \$12 an acre to finance planting, cultivating and harvesting of their crops.

According to Senator Campbell, farmers are clamoring for the opportunity to raise beets because it is a cash crop and the price is fixed. Only seven of the fourteen factories in the state are scheduled to operate this year.

In every locality where factories are located Campbell claims their operation can be financed if the owners and bondholders will agree to a reasonable lease.

The sugar beet idea for Holland really originated at the Farmers' Institute in December, when more than 500 acres were subscribed.

Sensors at Washington are taking deep interest in the matter for it is evident that the sugar beet is a crop that will help the farmer materially while ready cash the same as has the pickle, the tomato and the corn. Holland means "real money" for the farmers in this vicinity. What the farmer with a small farm needs is a diversified crop with some dairy and poultry milked, and surely they cannot all fail in one year. Farmers must think of other means of production aside from wheat and corn.

Senator Vandenberg at the request of the Holland, Mich., Chamber of Commerce and the Ottawa county agricultural agent, is attempting to obtain a federal loan of \$54,000 for the sugar beet raisers of that region.

The loan may be obtained under a law providing for loans to farmers for seed, feed, and fertilizer. If the loan is obtained, it may result in the planting of sufficient acreage so that the beet sugar factories in western Michigan will resume operations next fall.

The newly-formed Grand Haven sea scout ship, under the sponsorship of the American Legion, is to make its headquarters in a cement block building at 221 Water street. The building, opened by Capt. William Ver Duin, mayor, and an enthusiastic booster for the sea scout movement, has been turned over for the ship. The first meeting will be held Thursday evening.

Western Seminary expects to graduate a senior class of twelve commencement exercises to be held May 11. The seniors are Elmer Bort, Holland, Mich.; Garrett H. Docter, Holland, Nebraska; Leonard Greenwood, Grand Rapids; Lester J. Kuyper, Valley Spring, S. D.; Johan Mulder, Zeeland; Henry R. Nyhof, Irtokor, Ia.; Richard O. MONDAY IS YOUR DAY— IT'S ELECTION DAY!

Monday is election day when a mayor and those city officials who were not elected in the primaries will be voted for again. The official notice containing the names of the candidates to be voted for, the polling places and the time these polls will be open next Monday are clearly defined in this notice found in section two, page 2. It is your God-given right and duty to your city to cast your ballot for the officials you wish to have serve you.

Don't stay at home and kick after-ward. On primary day less than half of the registered vote was cast. This should not be. Remember, Monday is your day—it's election day!

FORMER HOLLAND MAN MAY GO TO IOWA

Rev. Anthony Karreman of Lansing, Ill., has under consideration a call to Trinity Reformed church at Orange City, Ia. Mr. Karreman has been in the ministry since his graduation from Western seminary in 1906. Michigan pastorates served by him are Ninth Reformed church, Grand Rapids, and Second Reformed church, Muskegon. The Reformed church at Cleveland and also at Paterson, N. J. Mrs. Karreman was Miss Margarette Mulder, daughter of Mrs. L. Mulder of Holland.

NEARLY 100 ATTEND HOPE CHURCH SUPPER

The men of Hope church are becoming very active in religious work. The men's class was given a modest supper in the church parlors last evening and the program was presided over by Mr. Arthur Wrieden, president of the Men's club of the church.

Sears McLean, chairman of the program committee, stated that at the next meeting a month hence, Dr. Wichers, president of Hope college, would be the guest speaker. William J. Olive, chairman of the aims committee, stated that the Men's club will have charge of the program for the first annual Men's Sunday in Hope church next Sunday morning, and on that occasion the pastor, Rev. Thomas W. Davidson, will speak on "The Challenge of the Church to Men," a very fitting discourse on an occasion of this kind.

Professor Albertus Pieters of the Western Theological seminary, was introduced as the guest speaker for a history of Japan as few men know it. He has lived in the "cherry-blossom" country as a missionary for more than 30 years and can speak authoritatively. A few weeks ago the Holland City News printed an article on this subject, written by Dr. Pieters. The contribution went to some length in explaining the Japanese-Chinese situation, the Japs feelings toward America and Soviet Russia, especially. Dr. Pieters feared no war between Japan and the United States.

Mr. Pieters dwelt largely on the subject printed before in The News.

COUNTY WILL DISTRIBUTE FLOUR WITHOUT COST TO NEEDY

Holland will soon receive a carload of flour which is to be distributed without cost to the needy in the southern portion of Ottawa county.

Mrs. Mabel Vander Berg, executive secretary of the Ottawa county chapter of the American Red Cross, announced that application to the office of the mid-west division of the Red Cross in St. Louis, Mo., for flour has been approved.

South Ottawa county will receive 120,000 pounds of flour. It has not yet been determined as to how the supply will be distributed but it is believed that it will be under the direction of Henry S. Bosch, city welfare inspector, and Red Cross officials of the county.

Grand Haven will receive 42,000 pounds for distribution in northern Ottawa county.

MAN IS FINED \$32.50 FOR TRAPPING OUT OF SEASON

William Hammond, Jr., of this city was fined \$32.50 for trapping out of season. He was given 24 hours in which to raise the fine, in lieu of which he must spend 30 days in the county jail.

Complaint was made by Maurice Knite, Holland, conservation officer.

The Japs won. They killed off 10,000 of the customers they wanted.

Prohibition has corrupted many officials who, under the old system, would have been bribed by honest brewers.

HIGH SCHOOL ARTISTS

Old Zeeland School Head Will Not Return

FOR HOLLAND MAN BECOMES
INSTRUCTOR IN NORTH-
WESTERN COLLEGE

Mr. and Mrs. Chris A. De Jonge, formerly residents of Holland and Zeeland, will not return here this summer to make their home, as had been anticipated by their many friends.

Mr. De Jonge, who had so efficiently filled the position as superintendent of the Zeeland public schools for several years, two years ago received a leave of absence to complete his studies for a master's degree at Northwestern University, and it was expected he would return to Zeeland upon completion of his studies next June.

Recently Mr. De Jonge informed the Zeeland board of education that he desired to be released from his contract to take a full time position as instructor at Northwestern University during the next college year. This request was granted him by the board, and he will for that reason remain a resident of Chicago during that time. Mr. M. B. Rogers will retain the position of superintendent at Zeeland.

Mr. and Mrs. De Jonge are well known in Holland. Mr. De Jonge spent six years at college here and graduated with honors. Mrs. De Jonge not only graduated from the Holland public school, but from Hope as well. She has also been an instructor. Her maiden name was Marian Van Drezer, daughter of Mrs. Ed. Van Drezer, East 10th St.

MARRIED IN GRAND HAVEN THEATRE TONIGHT

A public wedding was held at the Crescent Theatre at Grand Haven Thursday, when Fannie Mistretta and Donald Lyndon of this city were united in marriage at 9 p. m. on the stage of that theater. The stage was charmingly decorated for the occasion and everything done for the couple that was possible to make the wedding a beautiful and dignified event.

Both young people are well known in Holland and Grand Haven and have hosts of friends who are interested in the wedding. The engagement has only been announced recently and the wedding date was hastened to allow the couple to be married before the Gen. Meade, government dredge upon which Mr. Lyndon will be employed, leaves this harbor for the spring work.

Park Township Will Take Care Of It's Needy

WANT RESORT ROAD INSTEAD
OF FILLMORE ROAD
IMPROVED

There was a real get-together meeting of the tax payers of Park Township, held in Community hall at Virginia Park early in the week. Supervisor George Heneveld presided and he made an excellent chairman.

There were more than 250 present and the best of spirit prevailed. The meeting opened with the singing of "America." Rev. F. Van Dyk of Central Park led in prayer and then a short musical program followed in which Miss Jean and Miss Georgianna Heneveld gave vocal selections that were well received with Edna Berkompas presiding at the piano.

After this little treat the gathering got down to business. Mr. Heneveld stating that he was pleased with the number that was participating and there should be more gatherings of that sort where views could be exchanged and matters of vital importance to the township could be discussed.

One matter that came up was to take care of the unemployed in the township and a new fund was created through the one mill tax which will make available \$3,200 for welfare work. This was unanimously voted on, showing that Park Township is ready to take care of its needy.

William Eaton of Waukegon praised the officers who were in office at the present time in the township, stating that we should stand behind them one hundred per cent always. Fred Van Wieren highway commissioner, also gave a fine talk.

The old road matter came up again and there was representation from Saugatuck, Laketown and from the resort districts, protesting against the Fillmore road into Holland, and the sentiment seemed to be largely to have the present Saugatuck road kept as the main highway, in other words US 31. In order to bring that about a committee was appointed to go to Lansing and take this matter up with the Road Commission.

The committee is composed of Ray Tardiff, chairman, William Winstrom, Fred Van Wieren, Chauncey Davenport, Jacob Hoback, C. A. Onthank and Albert Brinkman, representing Park Township. Other delegates were named from the two Allegan townships.

BITE BY SPIDER PROVES FATAL

Sergt. Patrick Gallagher, head of detectives at the Wabash ave. station, Chicago, was the victim of a spider bite. The spider bit him on the leg three weeks ago while he was sitting at his desk in the station. The next day he was taken to the Auburn Park Hospital where it was found infection had set in which resulted in his death there yesterday.

Mr. H. W. Elliott, Michigan district manager of the Montgomery Ward stores, is in Holland for a few days conferring with Manager Eilner of the Holland store. Mr. Elliott lives in Traverse City and has been with the Ward organization for some time.

The Two Mayoralty Candidates who are the center of attraction for next Monday

Alderman Al Kleis

Alderman Albert Kleis will contest for the mayor's chair at the election next Monday. Mr. Kleis has been alderman of the First ward for nine years and has made an able official. He comes from the pioneer family of Kleis, and has been in business here for a quarter of a century. His father before him also served the same ward as alderman.

"WOODMAN, SPARE THAT TREE"—BUT DIDN'T CONSIDER POET'S REASON

A number of wood cutters on the city's flower property near the new dam at Allegan, have been avoiding a large elm tree, fearing that it would be hard to work up. Recently Jay Van Order, brother of Ira of Holland, tackled it and in four hours had cut twenty-seven cords of wood and still had between four and five cords to cut out of the same tree. The tree was 125 feet high and nearly 5 feet across at the butt.

Miss Ada Boeve and Miss Catherine Westerhof are visiting relatives in Lansing for several days.

Capt. Bas Van Rij of the schooner Woodstock, is quite ill with lung fever. Note—He was the father of former chief Frank Van Ry. Lung fever today is pneumonia.

J. R. Kleyn has sold his hardware business to Messrs. Rokus Kanters & Sons who will continue the business at the old stand. Note—That stand was where the De Free Hardware is now located. The store was later moved across the street in a newly built block called the Kanters building where the Western Union is located.

Rev. N. M. Steffens, pastor of the Reformed Church at Zeeland, was surprised by the Ladies' Sewing Society of his church, who presented him with a purse of gold as a token of esteem. It was his birthday. Note—Dr. Steffens was a great theologian and was prominent when the session in the old Van Raalte church took place. For months he ministered to those who withdrew from what is now the Ninth Street Christian Reformed church, services being held in the old wooden chapel on Hope College campus. He helped later in organizing the First Reformed church and soon after the edifice on the corner of Central Ave. and Ninth Street was built. Today Rev. James Wayer is the pastor. Up to the time of his sudden death, Dr. Steffens was the head of the Western Theological Seminary. He was the father of Mrs. Belle Van Hoes and Mrs. Chris De Vries, now living in Holland.

Wm. Danson of this city is teaching school in Nagasaki, Japan.

Watch for the fire works tonight. Do not make a mistake in the date, as it is not the Fourth of July, but the Arle of Eagles, the newly organized lodge with a membership of 75 will parade. This lodge promises to be very popular. Note—It has grown popular with a membership of 400. Has purchased a lot across from the Holland Theatre where a temple will be built some time in the future.

Illegal fishing is being carried on to a large extent in the drain ditches and the ponds on the Robinson marsh and in Olive, Robinson and Holland townships. The fish are plentiful and hundreds of pounds of pickled are daily secured through spearing. A rural fisherman secured 39 large pickerel in one day this week.

The old Republican City Committee were re-appointed at the Ward caucus Thursday. They are the following: First Ward—Jake Lecker, John B. Mulder; Second Ward—Jacob Wolfert, John Schoon; Third Ward—Chris. Nibbelink, Ben

Mulder; Fourth Ward: Joe Hadden, John F. Van Anrooy; Fifth Ward: Austin Harrington and Henry G. Bosch. The caucus was presided over by Austin Harrington and Ben Mulder was secretary. The meeting was held in De Grondwet Hall on River Street. Note—De Grondwet Hall was later converted into a printing office. The item does not give Sixth Ward delegates because Holland had no Sixth Ward at that time. Since that time J. B. Mulder, Jacob Wolfert, John Schoon and Chris Nibbelink have passed on and John F. Van Anrooy has gone to Grand Haven to live.

Sears McLean is home from Olivet College to spend his vacation with his parents, Mr. and Mrs. Charles M. McLean.

Mrs. Clyde Welton was killed by lightning when she was standing in the doorway of her home at Ottawa Station, during a storm.

FIFTEEN YEARS AGO TODAY

Mrs. Andries Du Mez, nee Berendina Schuurman, died at the home of her son, Ben, 81 East 13th St., at the age of 78.

The barn of Gerrit De Kleine of Drenthe was burned Monday while the owner was on the way to the creamery with his morning's milk. Thirteen head of cattle, blooded stock, and two horses, were victims of the flames. Grain and other produce, besides farm machinery and tools were also lost.

The late Dr. Henry Kremer's home on Twelfth Street and Central Ave. was purchased by the city to be converted into a hospital. The consideration was \$10,000. The Kremer estate gives \$5,000 toward the project. The property was considered worth \$15,000 and was on the tax roll at \$14,000. Note—This was Holland's Second hospital attempt. The first was located in the Boone residence on Ninth Street, near Central Ave. The promoter, a Hollander from the Netherlands, failed in the project. This old homestead was later burned. After Holland's fine municipal hospital was built, the Kremer's building was rented to the Knickerbocker Society of Hope College and it is now a fraternity house.

The home of Mr. and Mrs. Gerrit Klinkenberg, 1 1/2 miles east of Holland, was burned after the family had been preparing for the homecoming of a daughter, Anna, who had been confined to a Grand Rapids hospital because of an auto accident in which her companion, Miss Iva Ford, was killed. The kitchen stove was well filled with dry beach, preparatory to cooking and baking, incident to the happy occasion, but it seemed smokes from the chimney set fire to the dwelling and even the hard working bucket brigade composed of willing neighbors, could not stem the flames. Gerrit Klinkenberg, Jr., suffered a badly cut hand when he endeavored to save some furniture by shattering a window. Home, furniture and clothing were burned. It was a sad home coming.

Miss Jane Leenhouts, a former resident of Zeeland, who submitted to a serious operation at Holland hospital seven weeks ago, was brought to Zeeland to the home of her brother, Cornelius Leenhouts, on Lincoln street where she is now recovering her former health.

Tax Return In Ottawa County A Revelation

ZEELAND TOWNSHIP RETURN
IS LOWEST PERCENTAGE;
PORT SHELTON HIGH, 44%

Approximately twenty per cent of this winter's taxes remained unpaid at the close of the fiscal year according to County Treasurer John H. Den Herder, who issued his report this week—the figures following: \$341,771.09 unpaid in Ottawa county of the total of \$1,705,224.60 county and state taxes assessed.

Every political subdivision in the county is in arrears, Zeeland township owing the smallest sum, \$2,673.92, in taxes returned; and Holland city owes the greatest sum, \$96,897.63, in taxes returned. Holland returns would naturally be higher for it pays by far the greatest amount of taxes. Anyway, below will be found in full corrected computation of tax figures covering the entire county as given to the Holland City News by Treasurer Den Herder:

Zeeland Chest Drive Seems To Have Flopped

BUT ZEELAND WILL PULL IT
THROUGH; JUST WATCH
"HER SMOKE"

It appears from an account in the Zeeland Record that the Chest Drive has not turned out "so good." The headquarters was the local post office and according to figures the total receipts in the three days' drive was \$1,390.00, or a shortage of more than \$600 from the mark that had been set by the Welfare Board.

The Record says: "Those organizations which had donated freely in years past were again ready in giving at this year's drive but owing to an economic scarcity of funds the collections taken in by the committee were short of those in years previous. The committee had anticipated that there would be some difficulty in this regard and cut the expenses to the lowest possible minimum, cutting quite deeply into appropriations which really stood in need of the gifts. At the hospital expenses were reduced more than \$600 from the regular operating expenses two years ago through a rigid economy program, accomplished by eliminating a number of comparatively unnecessary expenditures and a reduction in all salaries. It was thought that these wholehearted reductions in the budget, the Welfare Drive would provide enough to cover all."

Zeeland boosters are hoping that friends and supporters of the Huizenda Memorial Hospital, a most worthy institution, will not be backward and give, and this applies to the countryside as well. The Zeeland and neighboring banks contributed liberally, as did other merchants and belated gifts have brought the total to \$1400. The two largest donations were two \$100 bills.

But don't worry, folks. The News believes that Zeeland and Zeeland township will come through with these \$600 "bucks." When a city and township can run in double harness as well as these communities have, as is shown in the paying of their annual taxes—when nearly all the rest of Ottawa has fallen short, as will be seen in a tax tabulation elsewhere—then a mere \$600, "pin money" in comparison, will not be left unpaid. Zeeland will not allow her welfare work to suffer for a few dollars.

BIBLE CONFERENCE BEING HELD IN ARMORY

Evangelist P. H. Kadey will be the speaker on Friday evening in the Immanuel church Bible conference. Mr. Kadey will also use his drawings and singing in the message.

A. H. Steward of Toronto, Canada, will return on Monday evening, speaking for three nights. Mr. Steward is a very interesting and forceful speaker. Special music and singing also features the conference meetings.

Miss Jane Leenhouts, a former resident of Zeeland, who submitted to a serious operation at Holland hospital seven weeks ago, was brought to Zeeland to the home of her brother, Cornelius Leenhouts, on Lincoln street where she is now recovering her former health.

Hub Harrington and daughter, Lula, have returned from Florida, where they spent the winter. They are again at their beautiful home at Virginia Park.

JOHANNA VEENSTRA WANTS LETTERS

Miss Johanna Veenstra, missionary from the heart of Africa who was in the United States on a furlough, sails back to Africa on the steamer Adriatic on April 9. It is very enjoyable to receive letters from friends as the boat pulls out and it is hoped she may receive a liberal share. All letters should be mailed not later than April 6 to this address: Johanna Veenstra, (Steamer Letter), S. S. Adriatic, White Star Line, Broadway, New York City.

MUCH WATER IN THE KALAMAZOO RIVER

With steady rain here Wednesday afternoon and melting snow from the storms of the last few days the Kalamazoo river near New Richmond has reached a new high mark for late years on this stream. The water is even with the top of the banks and in some cases fields have been overflowed.

A goat owned by William Broe, Ganges township farmer, has given birth to quadruplets. Farmers say this is a rare occurrence. Broe has raised stocks of all kinds for many years.

Ottawa Road Board Makes Cut In Budget

BIG REDUCTION OF THIRTEEN
PER CENT OF THE \$75,000
IS MADE

Chairman Harrington, Road Commissioner, John Banks for Lower Taxes

A reduction of 13 per cent of the \$75,000 road budget passed by the board of supervisors at the last October session, will be made effective April 4 by the Ottawa county road commission by means of general wage reduction and some shifts in the organization.

Realizing the need of relief for the taxpayers of the county, the commission has been studying similar organization methods and costs of operation of other counties for several months. The investigation disclosed that among counties of similar size and traffic conditions, Ottawa is among the lowest in percentage of overhead costs.

Despite this showing, the board determined on a general cut in wages. The commission is confronted with a large increase in its activities and responsibilities through the taking over of 222 miles of township roads on April 1, under the terms of the McMillan act. The commission plans to carry on this additional work without additions to the organization.

Chairman Harrington of Holland states that the board had been deliberating for some time to follow an economical policy that will be of material benefit to taxpayers. It means a little harder work by all and a distribution of the burdens over the entire Ottawa county road system and those employed in that work. If such economy is practiced in every county in Michigan and the nation, and I believe a real endeavor is being made, it will save a tremendous amount. Anyway Ottawa county will do her share as this relates to road work, Mr. Harrington says.

ALLEGAN TAX DELINQUENCY WAY ABOVE 1931 TOTAL

County Treasurer J. Roy Tanner reports that the returned delinquent taxes this year in Allegan county total \$274,132.35. Last year the total returned delinquent was \$168,579.12. The total delinquent taxes in the 24 townships was \$213,903.08. In Allegan and Otsego cities the total is \$60,229.27.

The Eyes Have It

Oculists and optometrists should not have left it to us to point out the contention of a Psychologist in a Calif. University that human beings assimilate 65 per cent of their knowledge through their eyes. He adds that 25 per cent comes to us through the ears, and only 10 per cent from the remaining three senses of touch, taste and smell.

One does not discount the importance of good eyesight, nor the value of the testimony given by the eyes. For the average person the professor's percentages are probably correct, though in the case of a blind person the sense of touch grows more acute in compensation. The deaf person utilizes the sense of touch, with a difference, in that the delicate nerve centers become trained to record vibrations which pass unnoticed by the normal individual.

Back of this allotment of value to the senses remains the function of spirit and brain which must turn the reported images of eye, ear, hand, tongue and nose to good account. Sixty-five per cent of one's knowledge may be assimilated through the eyes, yet the truth stands that there is "none so blind as those who will not see."

WHAT A MOTORIST CAN DO WHEN THEIR FILES OFF MOTOR NUMBER

What is the proper procedure to follow when the motor number of an automobile has been filed off or changed by thieves?

This is one of the questions that was answered at the "school" held recently in Lansing for all investigators of the department.

Michigan laws provide that where the motor has no number or where it has been defaced, the owner may apply to the department for a special Michigan motor number. When thieves changed or altered a number, the owner, after recovering his car, may have the original numbers of the motor and chassis restored after furnishing proof that the changes were made by thieves in an effort to conceal the real identity of the vehicle.

The "school" also brought out the fact that many automobile dealers do not know that they must transfer titles in the regular way and secure junking certificates before automobiles can be scrapped.

H. H. SENIORS DO GOOD WORK AT DRESS REHEARSAL

"MARTHA-BY-THE-DAY" TO BE
STAGED APRIL 6, 7, 8 AND 9

Holland High seniors are all set and everything is in readiness for the staging of the annual play, "Martha-by-the-Day." Dress rehearsals were held Wednesday and Thursday and if one can judge from the work done at rehearsals then surely the play will be a great success.

The play has pathos and comedy, love and villainy, each nicely balanced throughout.

Miss Margaret Van Raalte as "Martha" is the main support of her family of three children, invalid husband and street waif, who she has taken in. She endeavors to get the position as governess of Mr. Ronald's nephew for the street waif, Claire Lang, played by Barbara Evans, who is ably supported by John Leland as Frank Ronald.

Both Miss Evans and Mr. Leland do exceptional stage work. "Flicker," the family dog, also is prominent in the cast and shows keen intelligence.

The play is to be staged at Holland High school.

The stage settings are most unique, three entirely different sets being necessary. The sets were decorated by the art department under the direction of Louise Krum and Cleo Hartwig. Music will be furnished by the high school orchestra under the direction of Eugene Heeter.

The cast of characters who have shown exceptional talent through the rehearsals, follow:

Martha, Margaret Van Raalte; Claire Lang, Barbara Evans; Frank Ronald, John Leland; Mrs. Slawson, Helena Visccher; Sam Slawson, Baxter McLean; Cora Slawson, Vera Damstra; Fannie Slawson, Clara Wittveit; Mrs. Sherman, Jean Rottschaefer; Mr. Sherman, Austin Kronmeyer; Amy Pelam, Harriet De Neff; Shaw, Ray Souter; Mr. Lundy, George Good; Flicker, the family dog, Ladi.

Anyway don't fail to see "Martha-by-the-Day" and enjoy an evening of real entertainment. Remember the dates, Wednesday, Thursday, Friday and Saturday, April 6, 7, 8 and 9.

MAD TAX RIDDEN FARMERS OF HUDSONVILLE MEET

Several hundred tax-mad farmers and residents of Ottawa county met in the Georgetown town hall Saturday afternoon and drafted a set of recommendations for State Representative Fred F. McEachron of Hudsonville to follow when he attends the special session of the legislature next week.

Abolition of the state constabulary and transfer of a "substantial amount" of the state highway department's receipts to the general fund to reduce property taxes were advocated. Grandville business men were highly commended for dispensing with the state police post in their village two years ago.

The taxpayers referred to the constabulary as "excess state baggage," and urged their representative to advise Governor Brucker to favor discontinuance of the state department of public safety.

The meeting was called at the request of Representative McEachron, who expressed a desire to know the will of his constituents before going to Lansing. Seth Coburn of Hudsonville presided. The meeting was attended by both Democrats and Republicans.

MAN SUDDENLY SUCCUMBS IN ELKS LODGE ROOMS

Paul Thomas, aged 49, died suddenly Tuesday evening in the Elks lodge rooms in the Holland City State Bank building. Mr. Thomas was sitting in a chair when he succumbed. Death resulted from a heart attack.

The only information known concerning him is his name and place of birth. Efforts are being made to locate relatives before deciding on the disposition of the body.

Mr. Thomas was born in Chicago on August 10, 1882. At the time of his death he was rooming at 18 West Ninth street. He was employed for many years as a finisher at the Bush & Lane Piano Company. CALL IS ISSUED FOR TENNIS TEAM CANDIDATES

(Grand Haven Tribune)

Jack Thomas, high school tennis coach, has issued his first call for candidates for this year's tennis team and the first workout was held this afternoon in the high school gym.

The first match for the local team is scheduled for April 27 when Muskegon Heights comes here. That meet and a meet the following week at Holland are preliminary meets to the regular Southwestern conference schedule.

The first conference meet for the local team will be with Kalamazoo here on May 7. On May 14 the local tennis players will go down to Benton Harbor. Holland comes here May 18 and Muskegon Heights will be opposed on May 25. The annual conference tournament will be held here June 11. Dates with the Muskegon Heights team are tentative as the Tigers may not enter a team this year.

The local coach has a wealth of material for his tennis team this year. Only one man, Harold Dornbos, has been lost from last year's conference champions. Those returning are George Nordhouse, Jack Sluiter, Charles Donker, Paul Boyink, Miller Sherwood, Melvin Waldschmidt, Dick Babcock and Howard Keuken.

Regional and state meets will be held in June.

Three Holland residents were injured this morning when their car turned over into a ditch near Grandville, where Braamse, driver of the car, suffered back in- juries. Other occupants of the car were Miss Harriet Braamse, who suffered minor bruises, and Gilbert Zigterman, who received a sprained arm and minor injuries.

The state law requiring restaurants and other eating places to serve milk in bottles will be enforced rigidly in Holland, Henry S. Bosch, city health inspector, stated early in the week. A communication received here from T. H. Broughton, director of the bureau of dairying of the state department of agriculture, has disclosed the ruling is being violated in the city.

Mr. Bosch stated as follows: "There is much violation with respect to the sale of milk in restaurants and other eating places," the letter pointed out. "The state law, and we presume also the city ordinance, provides that such milk shall be served in bottles and the milk, therefore, cannot be dipped and sold by the glass. Such practice, you undoubtedly realize, results in the serving of adulterated milk in many cases. The milk supply generally, we believe, is in good condition, due to the efforts of your milk inspectors and we have no complaint to make about the sanitary condition of the milk supplied to the city."

Born in Zeeland, The Netherlands, Mr. and Mrs. Speyer came to this country in 1881. In 1882 they were married by Rev. Vos. They later moved to a farm in Paris township some years after their marriage, where they are now residing. Before that they lived in Grand Rapids. Many relatives and friends gathered today to participate in the silver wedding doings.

Juvenile Curiosity

Little Margaret had been present with a splendid toy with which she was never tired of playing. In fact, she played with it all day long.

"Margaret," remarked her mother, "how is it that you never play with any of your other toys?"

"Oh, let her play with it," protested the child's father. "As soon as the novelty wears off she'll stop."

A few minutes later mother noticed the little daughter examining the toy very closely, and asked what she was doing.

"Looking for the novelty that wears off," the little one replied. —Person's.

Eskimo Igloo

Snow, despite its frigidity, makes a good blanket; that is to say, it is a bad conductor of heat. Travelers have buried themselves in the snow to gain warmth, and it is well known that a snowfall protects plants from frost. An Eskimo never is cold in his igloo, despite his building material, and if he lines it with skins he can raise the temperature of his room to as much as 100 degrees Fahrenheit. In point of fact, he raises it almost as much in the ordinary course of construction; this partly melts the snow, which later congeals into ice. Thus the walls of the igloo are reinforced.

Senior History Classes Vie With Each Other in Boosting Sales

Have you secured your play ticket yet? "Wan'na buy a ticket?" "Buy your senior play ticket from me." Such exclamations as these are heard practically everywhere if there is a member of the senior class about.

The ticket-selling campaign has begun in a really earnest way. The seniors are all eager to beat the record of attendance at previous senior plays. Various interesting and new methods of advertising are being planned and every person in the nearby vicinity will know that "Martha-by-the-Day" will be given April 6-7-8-9 in the high school auditorium for the small sum of 35 cents.

There was a break in the rehearsals for "Martha-by-the-Day" Friday evening while the play cast, Miss Linsley, Mr. Hanson, Mr. Donovan and Stuart Gross motored to Grand Rapids to see the seniors of Ottawa Hills High school present their annual play entitled "The Swan."

The theme of "The Swan" is in direct opposition to the local senior play "Martha-by-the-Day." It is a romantic production with a French palace as a setting, while Holland's play is a philosophical comedy of a New York tenement house. The members of the cast received many new ideas and profited by their mistakes.

Larry Foster Foundation Calls for Competition of Boys from Many States

Stuart Gross, a member of this year's graduating class, was nominated as a candidate for a \$500 scholarship at Lafayette college. This scholarship, recently established by the Larry Foster Foundation of Ridgewood, New Jersey, will be awarded on the basis of a nation-wide competition to be conducted between March 15 and April 15.

The purpose is to select from the senior classes of the public high schools a young man who will best represent during his college career the character and ideals of Larry Foster, who was a member of the class of 1927 at Lafayette, and who was killed in a tragic accident in Arizona during the summer vacation following his sophomore year. His letters, diary and philosophy, never intended for publication, have been collected in a book entitled "Larry: Thoughts of Youth," which was the third best selling general book throughout the United States last year. The book has been described as an epic of youth.

All of the candidates nominated by public high schools throughout the country will be asked to write brief essays on a topic to be announced on March 15. The essays will be judged in New York by a board consisting of Dr. William Board Lewis, president of Lafayette college; Mr. Thomas J. Foster, president of the Larry Foster Foundation; and a third well-known man whose name will be announced later. They will make their selection on the combined basis of the essays and the information received from the school principal.

In addition to the winner of the scholarship a state winner will also be selected in this state. The state winner will receive a certificate and a de luxe leather bound copy of the book "Larry: Thoughts of Youth."

The sudden warm weather has raised havoc with several sections of roads near Zeeland. The thaw has caused much high water and in many places the roads have been covered. The creeks are several feet higher than they have been at any previous time since last spring. County Road Commissioner Bernard Kamp reports conditions serious in sections where the roads pass through the lowlands. In the last two days the water is beginning to settle some what.

Prospects in this section are for average crops of cherries, pears, grapes, plums and small fruits. Gerrit J. Deur, leading fruit grower in Holland township, states no damage has occurred from frosts. Deur estimates the peach crop will be lighter than last year's heavy production. It is too early, he said, to make any prediction on the apple crop. Grand Rapids Press.

THE NEW FORD IS NOW ON EXHIBITION IN HOLLAND AND ZEELAND

The two new Fords that motorists have been anxious to see for some time are now on exhibition in Holland and will be shown at Zeeland, possibly Saturday.

Al De Weerd of the Holleman-De Weerd Auto Company on River avenue, states that the new eight-cylinder car and also an improved "4" can now be inspected by the public.

The new Ford De Luxe Tudor Sedan, one of 14 body types, surely is a beauty. It looks like a real car, far removed from the "Fordy" stereotype car of yesterday.

The new consignment of Fords have real class and for that reason they will not be out of place even among the elite where pride often governs. Anyway the new Fords are here and "seeing is believing" so go over to Holleman-De Weerd or any other agency in this vicinity and see what "Henry" has cooked up in the way of real serviceable and at the same time beautiful "flivvers."

ZEELAND REPUBLICANS SELECT COUNTY DELEGATES

At the Republican Caucus, held at the city hall Monday evening, the following were elected delegates to the Republican County Convention to be held at Grand Haven on Wednesday, April 13, 1932, at 2:00 o'clock p. m.

Prosecutor John Deethmers, chairman, Isaac Van Dyke, attorney, J. H. N. Clark, A. De Kruit, John H. Holleman, Benj. C. Van Loon, William Gierum, Ed Ryenga, Fred Klumper, Adrian Van Koeveing, George Lokers, M. K. Bareman and Johannes De Weerd.

Students from the advanced journalism class sent in their written entries for the contest sponsored by the Scholastic magazine last Friday. Some students wrote new articles and sent them in, but a number of students sent in articles which they had already written, and which had appeared in the Holland High Herald. The Quill and Scroll contest, which closed March 15, offered an unusual range of subjects for the contestants to write upon.

Perhaps the most outstanding rule of the contest is that the manuscripts be original and written by the contestant only. The departments in which the students could enter their manuscripts are as follows: News Story contest, Feature Story contest, Interview contest, Sports Story contest and Cartoon contest.

In the literary division the following: Poetry Essay, Short Story, Literary Article, Historical Article, "My Job," Current History Events, Book Review, Humor, One-Act Play, Rules and regulations concerning each of these divisions were met.

NEW RAPID EXPRESS ESTABLISHED BY ZEELAND FIRM

Zeeland Record—Since lake transportation from Grand Haven and other points to Chicago makes Muskegon the shipping point, much freight now goes to Chicago by truck from this city, as well as from Grand Rapids.

This has caused to come into existence the firm here known as Hall's Express, a truck line that makes rapid connection between this city and Chicago and intervening points. The line is run on daily schedule and makes either warehouse or door delivery to accommodate the shipper, saving considerable delays to which shipments were formerly subject.

Mr. Edgar H. Hall of Zeeland, an old freight handler and well qualified to handle the detail work, is manager with offices at his place of business on North Elm St., Zeeland, at the Pere Marquette railway.

LADY'S ACCOMPLISHED

Holland High Herald—For weeks members of the senior play cast and Miss Lindsey have been looking for a suitable dog to portray in the much coveted role of Flicker in "Martha-by-the-Day." It was necessary to have a dog to practice with, so Barbara Evans appeared with her small toy terrier. Although Lady is just a mite of a dog, she has a great deal of stage poise, makes friends easily, and is really a good actress. The result? Why, Lady has been given the part permanently and she needs no caretaker.

TEACHERS WANT SPORTS CURTAILED

A resolution adopted by the interscholastic athletic program in Michigan is over-emphasized and demanding curtailment in the competitive tournament system was approved by delegates to the annual meeting of the department of superintendents and school board members of the Michigan Educational association held at Lansing. The resolution claimed that over emphasis had diverted funds from "worthy educational activities."

WELFARE WORKERS CLEAR SAND PILES

A crew of 25 welfare workers were engaged yesterday and today in leveling and clearing the waterworks at the beach at Grand Haven. It was expected the city would remove most of the sand from the northern extremity of the concrete on the oval at the same time as piles of timber and building materials for the new water works are blamed for some of the sand piles. Sand sure is high on the oval at Highland Park.

Mrs. William Penna, who has been staying at the home of her parents, Mr. and Mrs. George St. John, recuperating from a recent illness, has recovered sufficiently to be able to return to her own home east of Holland.

The church was crowded to capacity Sunday morning at the Easter Communion service. Twenty-seven communicants were welcomed into the fellowship of the

church and presented with certificates of membership in the form of a beautiful booklet. Both the organ music by Miss Sarah E. Lacey and the anthems sung by the choir, under the direction of Ralph Van Lente, were rendered most acceptably.

The Young Men's Bible class recently presented the church with two new silver Communion bread plates, which were put into use for the first time Sunday.

The very beautiful Easter decorations, which assisted appreciably in the worship, were presented by Mrs. Ed St. John in memory of her husband, and Mr. and Mrs. George St. John in memory of their son's wife who was killed in an automobile accident some years ago in Kalispel, Mont.

There was a record attendance at the Lakewiew School P. T. A.

MORE PROOF of RIVERSIDE QUALITY

"I Have Never Seen Anything Like It"

Montgomery Ward & Co.

Chicago, Illinois

1319 W. Nickerson St.
Seattle, Wash.

Gentlemen:

Three years ago in July I purchased a Riverside 33x6.00 for my Studebaker Commander. This tire was in service on the rear wheel for two and one-half years before changed to the front. It gave 49,126 miles of continuous service without ever having been off the rim, and my car has had hard wear, traveling over many miles of rough country roads. Such service as rendered by that tire is certainly worthy of publicity. I have never seen anything like it in automobile tires.

Sincerely yours,

W. C. Bailey

This interesting letter from Mr. Bailey is one of many thousands in our files. It was entirely voluntary—sent to us without solicitation. Nothing was paid for it. It is a genuine expression of gratitude for meritorious service.

COLLECT EVIDENCE IN FENVILLE ACCIDENT

A Pere Marquette attorney has been in Fennville collecting evidence to defend a claim made by Clayton Smith of Holland, running the "Our" theatre. Smith claims the destruction of his car when it was struck by the nine-o'clock night train recently. The disputed point is whether the engine gave the usual warning whistle on approaching this station. The engineer reports that he did not see the car which was on the opposite side of the track. The car driver said he did not hear the whistle, which the engineer said he gave. Here is food for agitation to have a crossing signal installed. Fennville folks have been asking for one for a long time. They want one the same as Holland has at railroad crossings.

The 21 herds tested made a profit above feed cost. Butter fat averaged 31 cents (including value of milk) this making an income of \$9.00 per cow for the 29 days. When BABIES are Upset

BABY ills and ailments seem twice as serious at night. A sudden cry may mean colic. Or a sudden attack of diarrhea. How would you meet this emergency—tonight? Have you a bottle of Castoria ready?

For the protection of your own one—for your own peace of mind—keep this old, reliable preparation always on hand. But don't keep it just for emergencies; let it be an everyday aid. It's gentle influence will ease and soothe the infant who cannot sleep. Its mild regulation will help an older child whose tongue is coated because of sluggish bowels. All druggists have Castoria.
