MAYOR'S TRIBUTE

Holland is proud of Hope college. Last Saturday evening the Provincial tournament of the Pi Kappa Delta was held at Otterbein college in Westerville, Ohio. Twelve colleges were represented in oratory from Michigan, Ohio, Pennsylvania, Maine, and West Virginia. Hope college was represented by a Holland boy, Henry Kuizenga, coached by our esteemed and beloved Dr. John B. Nykerk. Upholding the excellent reputation that Hope college has earned in forenoon, his representative, Henry Kuizenga, won first place, a signal honor to an excellent color, a famous coach and a wonderful college.

Hope college, Henry Kuizenga, Dr. John B. Nykerk, the citizens of Holland rejoice with you and congratulate you.

Complete reorganization of the Ottawa county emergency relief administration in conformity with efficiency standards set by the state commission, was announced today by Miss Deborah Veneklasen, administratrix.

A 15 per cent reduction in the relief case load from the peak in January to a total which now falls slightly below 1,600 is the primary reason for the reorganization, Miss Veneklasen said. The change necessitated the release of seven employees from the Holland office and five from the Grand Haven office.

In connection with the change, all services of the county FERA in Grand Haven are to be combined in one building in the future, the former Kooiman feed store on Fulton street, the city. Heretofore, the office has been on Franklin street, while surplus commodities have been stored at the army and in other places about the city.

The entire administrative staff has been organized into functional divisions in order to increase efficiency, Miss Veneklasen stated. The divisions are case work, accounting, works and surplus commodities. All divisions will be administered directly from the Holland office, but case investigators for the northern part of the county will operate out of the Grand Haven office, surplus commodities will be distributed from there and an intake clerk will be in charge of the office at all times.

The system of writing relief clients' orders is also being completely changed. Heretofore, the orders have been written in offices in Grand Haven, Holland and Zeeland, but in the future all orders are to be written by case workers in the homes of clients, on the regular semimonthly visits. Experience in other sections of the state, Miss Veneklasen has been advised by the state office, has proved this the most efficient method of granting relief because the exact needs and the miscellaneous income of the family when each order is written.

Mrs. Esther Wolfe, colored, of Chicago, pleaded guilty to carrying concealed weapons.

Planning to rear baby chicks now occupies the minds of most poultrymen.

Where shall I buy baby chicks? Where shall I brood them? When they are a little older is it best to let them range or should they be confined?

What diseases are likely to infect the flock and what are the symptoms and how best to control them?

These and many other questions will be discussed with poultrymen by Mr. Otis Shear, poultry specialist from Hamilton State college.

CLUBS CHARTER HOLLAND SHIP FOR SUMMER CRUISE; SOUTH AMERICAN CHOSEN

Michigan Affiliated Exchange clubs have chartered the South American, one of the sister ships of the Chicago, Duluth and Georgian Bay Transit company, for a winter at Holland, for the annual state convention, according to Dr. William Westrate, state president. Detroit, Lake Huron, Mackinac Island, Georgian Bay, Parry sound and the Thousand Islands are included in the tentative itinerary. The dates are June 7 to 10.

There is a great deal of enthusiasm about the proposed trip. In Holland there are at least 15 exchange clubs who have signified their intentions of signing up for the cruise in case it was definitely planned to put it on. The Detroit clubs are especially enthusiastic because they have ambitions to entertain the 1936 national convention, thus celebrating the twenty-fifth anniversary of Exchange.

Dr. William Westrate, city health officer, is elated because the "South American" has been chosen in preference to a ship from the Great Lakes Line or the D. & C. The South American is a miniature ocean liner and has recently been redecorated. The Michigan Exchange club will be the first to use it since redecoration. This boat lays up in our local harbor at Montello Park docks and business in the city for it helps the city of Holland.

It was decided by the committee that assignments of state-rooms and parlors would be made on the basis of "first come, first served." The state-rooms are all outside state-rooms on the South American, but some are more desirable than others.

This committee, chosen by Dr. Westrate, is headed by Mr. O. Montgomery of Detroit club No. 1, as chairman. He is assisted by Gale Wessinger, also of Detroit; Al. Bruder of Highland Park; Jack Crandall of Jackson and Carl Cooper of Kalamazoo.

An offer to sell zoo equipment to Grand Rapids has been made by George F. Gets of Park Township, who has written Mayor William Timmers. Such equipment as cages and fencing, which is at Lakewood farm, may be sold to Grand Rapids to improve the zoo in John Ball park. The Chicago zoological gardens have received Mr. Gets' entire zoo almost two years ago, and thus passes the largest attraction Holland and vicinity has ever had and is not likely to have again.

The News still believes if an admission of only a nickel a person had been charged, instead of all free, the zoo would have been self-sustaining. One million nickels would have entitled to that yearly over the period of 20 years in which he has shown his good will.

More than 400 people saw the motion pictures shown by Mr. Ferriera of Grand Rapids at Jamestown Y.M.C.A. hall last Friday evening. The Jamestown business men sponsored this entertainment and free lunch of coffee, buns and doughnuts was served.

The Drenthe sick folks are Arthur Bredeweg, also Bert Ter Haar who has been at Holland hospital. Marne Brandt who injured his leg. Miss Mable Lanning and Peter Rooks, the former at Muskegon hospital and the latter at a Grand Rapids hospital. All are practically recovered.

Dr. Henry V. E. Stegeman of Holland, missionary to Japan, spoke at the missionary meeting at Crisp on the world's day of prayer. The Rev. and his wife will soon sail for the Orient.

The consistory and building committee of the Drenthe church met Wednesday evening. A small building project possibly — who knows.

Mr. and Mrs. Albert S. Kampen of Crisp will begin spring by remodeling their home, showing all hope for the future not gone.

A group of neighbors gathered at the home of Mr. and Mrs. Peter Stool, rural route 2, Holland, recently, the occasion being a surprise party in honor of Mr. Stool's birthday. OUTSTANDING FACTS RELATIVE TO THE YEARS I HAVE ACTED AS HEALTH OFFICER

OVERSEAS NEWS

Rev. and Mrs. Klaas Poppen left last Friday for the East. They had planned to leave about the middle of April, but they received a wire stating that Mrs. Poppen's sister is ill. Therefore, they changed their former plans and have departed earlier. Rev. Poppen is an emeritus minister of the Christian Reformed denomination. They are now living in a suburb of Paterson, New Jersey.

On Wednesday, April 10, there will be an auction sale of the Poppen furniture and household goods. This auction will take place at Rev. Poppen's former home in this village, commencing at 1 o'clock in the afternoon. This is a large home, and it contains all kinds of the very best second-hand furniture that ever was sold at auction. Among the articles that will be placed on sale are furniture, dishes, rugs, stoves, an electric washing machine, and many other kinds of electric appliances. There is also a large list of every kind of small tool too numerous to mention, and many other articles. The house will be open for inspection from 2 to 4 on the afternoon of April 8. The terms of sale will be cash for purchases amounting to \$10 and under; for purchases above \$10, six months' time will be given without interest if paid when due; if not paid when due, 7 per cent interest will be charged from the day of sale.

An auction sale of this kind is a very rare thing in this vicinity, and a large crowd is expected to turn out on that day. Mr. Emmet Weaver of Allegan will be the auctioneer, and Mr. Cyrus Poppen will serve as clerk.

In addition to the sale of these household goods, two sheds will also be auctioned off. They are the property of the Village Grocery, which is owned by Mr. James Kleinheksel. This formerly was the store of Mrs. Herman Hulsmann. One of the sheds is 7 feet wide and 66 feet long, and the other is 15 feet wide and 22 feet long.

Mamie Plasman visited at the home of Mr. Louis Dykstra and daughter, Ada, last Friday. The Dykstras live on West Fifteenth street in Holland.

Mae Lampen spent last Thursday and Friday at the home of her uncle, Mr. John Lampen, on West Seventeenth street.

Last Monday Mr. and Mrs. Gerit Rabbers and daughter, Henrietta, and the Messrs. John and Herman Wiersma and John Eskes, attended a shower given in Allendale at the home of Mr. and Mrs. Dick Wiersma. It was in honor of Miss Eva Wiersma, who is to be married some time in the near future to Mr. John Vander Meulen. Many lovely and serviceable gifts were given to Miss Wiersma, and an enjoyable time was had by all.

Ed Jansen, who has been working on the farm of Mr. Blikken in Pine creek this past winter, has returned to this vicinity, and he is now employed on the farm of his father, located two miles north of the village.

Mr. A. J. Ter Keurst is very seriously ill at his home. He is the father of the Rev. Henry Ter Keurst, pastor of the Trinity Reformed church at Holland.

The other children are Mrs. Charles Veldhuis, wife of the high school superintendent at Coopersville, and Arthur, a graduate student at the University of Illinois and an instructor in the Evanston, Illinois, high school.

Mrs. J. H. Tucker and Mrs. Klaas Redder have undergone operations, and are at present in the Holland hospital. Jerome Schaap, son of Mr. and Mrs. Otto Schaap, is also a patient in that place, having had his tonsils removed last Tuesday.

The services in the Reformed church last Sunday evening were conducted by Seminarian Harve Hoffman, a local boy who will graduate from Western seminary in the spring of this year. Every fourth Sunday preaching services are held in the evening in place of the regular prayer meeting services.

Mr. and Mrs. Harry Maatman

and family of Virginia Park were visitors at the home of Miss Julia Maatman last Sunday afternoon. The family of Francis Nykerk has moved into the place formerly occupied by Mr. and Mrs. Gordon Nykerk, while the Gordon Nykerk family are now living in Francis Nykerk's recent home.

Tuesday evening the Men's Brotherhood society of the Reformed church held their last meeting of the year. An invitation was extended to all the men of the congregation to attend this last meeting of the society. Dr. Wynand Wichers, president of Hope college, gave an illustrated lecture on his last summer's tour through Europe.

The Young People's Christian Endeavor society met on Wednesday evening this week instead of the usual Tuesday evening. The Student Volunteer group of Hope college was in charge of the meeting. This group consists of Mr. Adrian (B) De Young, a stirring young inspirational speaker, and a girls' gospel quartet, composed of the Misses Marianne Bocks, Agatha Kooyers, Inez Von Ins, and Elizabeth Wagenfeld. Mr. De Young's topic was "Why Join the Church?", and it was based on Ephesians 1:22, 23; 2:19-22.

Miss Sena Beltman, a nurse in the Holland hospital, is spending a short vacation in Florida, along with a few of her nurse friends.

This week, Friday, marks the twenty-fifth wedding anniversary of Mr. and Mrs. Albert Hazekamp. A group of immediate relatives and friends are celebrating this occasion with them this evening. They have two daughters, Ruth and Geneva.

Rev. H. W. Pyle of the Reformed church attended the Western Social conference held last Monday in the Bethany Reformed church at Grand Rapids. The meeting began at 10 o'clock in the morning. A committee which had been appointed at the previous session, presented the following subject for discussion: "Rethinking—Ministers for the Breachline or the Battlefield." The Rev. John Bovenkerk

read a paper on the topic, "Biblical Reflections on World Peace."

Our cantata is progressing nicely. The choral society has decided to render the program in the local Reformed church on the evening of Easter Sunday. Miss Anna Barveld has been asked to give a reading.

Rev. and Mrs. G. J. Vande Riet attended the Parent-Teacher meeting of the Holland Christian High school last Friday evening. Dr. H. J. Danhof, pastor of the Fourteenth Street Christian Reformed church at Holland, was the speaker of the evening.

Next Sunday evening, March 31, the Young People's society of the Christian Reformed church will hold its monthly special meeting. Miss Jennie Stielstra, missionary to South Africa on the field formerly occupied by the Sudan missionary pioneer, Miss Johanna Veenendaal, will speak about her experiences in that land. Soloists will also give numbers on the program, constituting the special music for the evening.

Local students attending schools in Holland are eagerly looking forward to next week, when they will be permitted to lay aside their books and relax during the spring holidays. And no doubt they will be equally as eager to resume their studies when the week of vacation has come to an end.

NORTH HOLLAND

Carpenters have torn down the old residence belonging to Ed Schilleman at North Holland.

"Spring Song" and the "Age of Innocence" are subjects of two beautiful pictures now adorning the primary room of the North Holland school and the pupils feel justly proud. In the first grade students are consulting a "riddle book" to help them in language study. Well, grammar does have its perplexities, to say the least.

Pupils who had A in spelling during February were Berdette Riemersma, Hilda Jean Vander Zwaag, Hilda Veenhoven, Pauline Elbels, Cylinda Raak, Arlene Slaght, Gladys Baerman, Elizabeth Hent, Harold Kapenga, Pierce Maassen, Roger Raak, Julian and Thelma Slaght, Eugene Van Dorp, and Bernard Zwiers. The following pupils from the primary room had a perfect attendance record for the past three months: Donald Westrate, Pauline Elbels, Cylinda Raak, Roger Maat, Bernard Elbels, Thelma Slaght, Julian Slaght and Pierce Maassen. Mr. Paul Harmer and Mrs. E. C. Sackrider, soil specialists from Michigan State college, held a meeting last week, Wednesday, at the Hamilton Farm Bureau garage. The growing of much crops was discussed. A large number of samples were tested for fertilizer content and lime.

Mr. and Mrs. Dathan Calahan of Decatur visited the L. Calahan family during the past week-end. Mrs. William Ten Brink helped to celebrate the birthday of her father, M. Van Tatenhove, Sr., of Holland last week, Wednesday.

Mr. and Mrs. A. L. Beckford, Mr. and Mrs. Ben Weller of Holland were guests of Mr. and Mrs. Harold Dangremont Sunday.

Communion services will be held in the local churches next Sunday. Dr. S. Vander Weert is conducting the services at the American Reformed church.

The Kings Daughters' society of the First Reformed church met at the home of Gladys Lubbers last week, Thursday evening.

The mayor of Hamilton escorted the bridge crane out of town last week, Friday morning to the delight of a large crowd. He very successfully cleared the traffic and pulled the wires. However, he was unaffected by the wise cracks of his friends.

Rev. and Mrs. G. Tyse were the guests of Rev. and Mrs. J. A. Rogge Sunday.

Mr. and Mrs. Gerrit Timmer of Zeeland were week-end guests of Mr. and Mrs. Henry Schutmaat.

Eunice Hagelskamp of Lansing spent the week-end with her parents, Mr. and Mrs. Joe Hagelskamp. Mr. and Mrs. Herman Kuite returned home last week, Friday, from Boonton, New Jersey, where they visited their children, Rev. and Mrs. Nicholas Burgraaf, for several days.

The river was a busy place last week. Besides the large bridge crew in full force pouring cement, both sides of the river were lined with dip nets. Fishing was good and a large crowd gathered each day to look on. Suckers were running and the dip nets were in use day and night. Hamilton also has a wonder island just east of the bridge where the youngsters have set up dip nets of their own—all shapes and sizes. At times the boys have the laugh on the men and there is no doubt of the fact that the "crowd is with the kids."

A comedy in three acts entitled "Here Comes Charlie," will be presented by the Hamilton High school students of Thursday and Friday evening, April 11 and 12, in the Hamilton auditorium. Larry Elliott, a young braker playboy, Thomas Zeepri, thinks he is to become a guardian of a small boy, but finds that he has taken a country girl to raise. Charlotte is then called Charlie, played by Muriel Vander Poppen. When she arrives Uncle Aleck Twigg, impersonated by Justin Tucker, accompanies her. Charlie and Uncle Aleck make many blunders and ridiculous situations result. Aunt Fanny Farnham, Miss Lohman, having ambitions for her nephew, tries to cause Larry to dislike them. Vivian Smythe Kersey, Janet Brink, and her mother, Mrs. Smythe Kersey, Genevieve Klomparsen, visit the home of Larry, causing further complications. Ted, played by Donald Lohman, saves the day for Larry. The Irish maid, Ruth Reimink, and her police friend, Benjamin Schreimboer, carry the Irish roles, while Gordon Dangremont plays the part of a brother to Vivian Smythe Kersey. The program will be begun at 8 o'clock. The proceeds of the play are to be used for equipment in school. Tickets may be obtained at the post office. These school plays have always been popular in Hamilton and without a doubt the presentation will be enjoyed by a large crowd.

Josephine Kuite of Western State and Helen Kuite of Muskegon High school were home for the week-end. Gertrude Hofmeyer of Grand Rapids was a guest at the Garret Vos home last week.

Some Employees Dropped From Welfare Staff

Complete reorganization of the Ottawa county emergency relief administration in conformity with efficiency standards set by the state commission, was announced today by Miss Deborah Veneklaasen, administratrix.

A 15 per cent reduction in the relief case load from the peak in January to a total which now falls slightly below 1,600 is the primary reason for the reorganization, Miss Veneklaasen said. The change necessitated the release of seven employees from the Holland office and five from the Grand Haven office.

In connection with the change, all services of the county FERA in Grand Haven are to be combined in one building in the future, the former Koimman feed store on Fulton street, that city. Heretofore, the office has been on Franklin street, while surplus commodities have been stored at the army and in other places about the city.

The entire administrative staff has been organized into functional divisions in order to increase efficiency, Miss Veneklaasen stated. The divisions are case work, accounting, works and surplus commodities. All divisions will be administered directly from the Holland office, but case investigators for the northern part of the county will operate out of the Grand Haven office, surplus commodities will be distributed from there and an intake clerk will be in charge of the office at all times.

The system of writing relief clients' orders is also being completely changed. Heretofore, the orders have been written in offices in Grand Haven, Holland and Zeeland, but in the future all orders are to be written by case workers in the homes of clients, on the regular semimonthly visits. Experience in other sections of the state, Miss Veneklaasen has been advised by the state office, has proved this the most efficient method of granting relief because the case investigator knows the exact needs and the miscellaneous income of the family when each order is written.

PAGEANT TO BE PRESENTED THURSDAY EVENING OF NEXT WEEK

A unique pageant is to be presented at the local Christian High school next week, Thursday evening at 7:45 o'clock under the auspices of Circle No. 3 of the Ninth Street Christian Reformed church. The pageant is entitled "The Patchwork Quilt" and gives a history of the life of pioneers. The participants will appear in costume of yesterday, and quilts of various designs will be shown, as the story is gradually unfolded.

Aside from the pageant a large number of quilts will be shown in the auditorium, including the crazy quilt and patchwork quilt of grandmother's day, the patchwork quilt and many others of old as well as newer design which require much clever handwork. Antiques of all kinds will also be on display and last but not least will be a booth where a great many African curios will be on exhibition. The latter are all articles made by hand by natives of the Sudan, British West Africa, as sent by Mrs. Edgar Smith, formerly Miss Nelle Breen of this city, now missionary to Africa. From all appearances the program and displays will be much worth while. Tickets can be secured from the committee, and on sale at the door, for the small price of 15 cents.

Participating in the pageant are the following: Miss Deane Knoll, Lorraine Knoll, Sylvia Elaine Nykamp, Miss Albertha Brat, Miss Ida Stirling, Miss Grace Holkeboer, Fred Japinga, Miss Suzanne Jacobson, and Miss Agnes Dogger. The cast is being coached by Dr. Garrett Heyns.

The Chamber of Commerce today appealed to the state conservation department for assistance in the removing of ice shanties from Black lake upon the receipt of numerous protests from sportsmen and property owners along the lake front. Shanties deserted by owners when the spring thaw melted the ice out of the lake have caused a menace to navigation. In case of a mishap, the owner of the shanty is liable and will be prosecuted, it was pointed out.

AMERICAN LEGION NEWS

Our next post meeting will be held on Wednesday, April 10, with Chuck Van Lente and Dub Vaupeul taking care of the program.

Charlie Miller and Everett Spaulding provided a very pleasing entertainment at our meeting on March 27. They arranged for the Zeeland Melody Men from Zeeland to come up and sing for us. This is a group of 16 voices directed by Mr. Carmine Braille. Charlie knows where to go for an evening's fun.

Our comrades, the Veterans of Foreign Wars, have invited our post and band to their annual rally which will be held in Holland this year on May 25. The headquarters will be the Masonic temple and besides the parade there will be a dinner and ball. The governor and senators and representatives of the state have promised to attend and it portends to be a great event. Grab your cap and turn out with the rest of the gang and have a good time. Your frau is also invited.

Our drill team is making progress in stepping off squads east. The next regular drill night will be next Wednesday, April 3, at 7:30 p. m. When this crowd gets dressed up in their new costumes and steps out to a convention it will be sumpin'.

It begins to look as though Holland will have a Junior Baseball league this year. A group of the post members are getting the information and lining up some of the youths and, in fact, are really starting things.

Our Boy Scout troop came home with the silver merit cup this month. That boy from Althuis seems to know how to handle the scouts and get results.

The Legion bowling team beat Zeeland at Holland two weeks ago and then went to Zeeland last week and got beat. That makes it an even break, but next time we will send the first team to do the rolling away from home.

Seventeen members signed up to scrub the street on Tulip Saturday. We are looking for twenty-five men and you can call Marine De Fouw and state your willingness to help or he will call you.

Marine says he had a swell time in the South, and who couldn't. It was indeed a disappointment, however, to see him return with a mustache; he was such a good looking fellow, too.

HOLLAND ARTISTS IN CHARGE OF ZEELAND LITERARY PROGRAM

Miss Ruth Keppel, Holland's violinist, was in charge of a Dutch musical presented for the Zeeland Literary club on Tuesday. The stage was decorated to represent a Dutch living room and the performers wore Dutch costumes.

Miss Keppel opened the program with one of her instructive papers on "Music in The Netherlands." The paper was a most comprehensive and illuminating one on what the Netherlands has accomplished in the past and present. Miss Keppel concluded the article with the statement:

"Little Holland can well be proud—not only of her pre-eminent artists such as Rembrandt, her great national statesmen such as William of Orange, but also of her less lauded musicians who have given Holland and the world a treasury of melody."

Miss Ruth Van Appeldorn rendered a piano solo "Andante" by Beethoven. Miss Keppel stated that although Germany is given credit for Beethoven he had almost as much Dutch blood as German. A quartet sang in Dutch two popular quartets, "Wien Neerlandisch Bloot" and "De Zilvervloot." The members of the quartet were Mrs. H. Weller, Mrs. C. Miller, Mrs. P. Prins and Mrs. E. Saunders. Miss Jennie Karsten acted as accompanist.

Miss Ruth Keppel played a group of violin compositions by unknown Dutch composers of the early eighteenth century entitled "Andante," "Moderato" and "Minuet," and also a "Dutch Lullaby" arranged by Miss Keppel. The enjoyable program concluded with the singing of the forty-second psalm by the quartet and audience.

HOLLAND GIRL GIVES RECITAL AT ROCHESTER, N.Y.

Miss Martha Barkema, daughter of Mrs. J. Barkema of 331 Columbia avenue, Holland, appeared in a recital in Kilbourn hall of the Eastman school of Music of the University of Rochester, March 28. Miss Barkema is a voice student from the classes of Adelin Fernin and sang "Brinni," Santoliguido; "Cuor mio, cuor mio, non vedi," Donaudy; "Nachtgang" and "Freudliche Vision," by Richard Strauss.

"L'heure Silencieuse," Staub; "L'Oasis" Foudrain; "Les Papillons," Chausson; "Strophes" from "Lakme," Delibes; "The Crystal Gazer," A. Walter Kramer; "The Three Riders," Sachs; "A Memory," Gans; "Tell Me, O Blue, Blue Sky," Giannini.

Through the school year public recitals are given in Kilbourn hall three or more times each week, in which the Eastman School of Music presents its advanced students and at times faculty members. These events are open to the general public as well as to students and only students of special capacity appear in them. The recital of Miss Barkema was well attended and well received.

COOPERSVILLE WOMAN IS HELD FOR KEEPING DAUGHTER FROM SCHOOL

Mrs. Clayton Nichols, 50, Coopersville, was arrested by the sheriff's officers this morning on complaint of Adolph Sickman, trustee officer of that village, for failing to send her 10-year-old child, Barbara, to school.

Mrs. Nichols gave as her reason that the child was not well and, although the child did not complain, she was certain that she was not well enough. Barbara had recently secured a pair of new shoes, but the mother insisted they were too small and kept the child at home, finally sending her to school with a pair of shoes belonging to the mother.

Mrs. Nichols was brought to the county jail and will be arraigned for failing to comply with the law regarding children attending school.

Their announcement with full particulars will be found elsewhere in this issue.

Society Raises \$700 This Year For Leper Work

(Continued from Page 1)

hearts and lives are touched by Christ, and our lives transformed by His touch, we remain spiritual lepers. I could tell you of many cases of men and women whose lives were transformed by this healing touch of Jesus.

"I am thinking of one man in particular who had an outward form of Christianity. He was brought up in our mission schools, but his aim and that of his family was to make money and more money. He went abroad with his heart set on making money and came back with the idea of making more money. He was a keen man and he was very successful financially, but dead spiritually. Then one day the communists came and in one day all that he had was gone. It was then that he fell upon his knees and confessed that his life had been all wrong, his aim in life had been all wrong, and he confessed his sins and asked for God's forgiveness. Jesus touched him and he now is a wonderful Christian, zealous for Christ. He is principal of one of our boys' schools and never tires of telling of what Jesus has done for him. Jesus touched him—he was transformed."

Miss Holkeboer went on to give several more outstanding instances which stirred the hearts of her listeners, but space forbids the chronicling of them at this time. She ended her address with a plea for continuance of the work, stating that it is up to us to send others if we cannot go ourselves, so that

through them these spiritual lepers may be touched by Jesus and their lives, too, be transformed.

The business session, which followed the offering and consecration prayer by Miss Jean Walvoord, missionary to China, included the election of officers with the following results:

President, Mrs. Cornelius J. Dregman; first vice president, Mrs. Clarence De Graaf; second vice president, Mrs. D. Boter; secretary, Mrs. F. N. Jonkman; assistant secretary, Mrs. Paul E. Hinkamp; treasurer, Mrs. O. P. Kramer; assistant treasurer, Mrs. W. C. Vandenberg; auditor, Mrs. H. Venhuizen.

Miss Mildred Schuppert presided at the organ during the singing of the hymns and Dutch psalms and also played the organ prelude. Letters from Dr. C. J. Stauffer, of Inhambane, Portuguese East Africa, were read by Mrs. Dregman, and a memorial to the late Dr. Terrill, missionary in Africa for 37 years, was also read by Mrs. Dregman. Dr. Terrill was speaker at the annual meet two years ago, prior to his return to work among the lepers in Africa.

The "Old Rugged Cross" sung by the audience and prayer and benediction by Rev. Paul E. Hinkamp, Hope college pastor, brought the meeting to a close.

Following the meeting Mrs. Dregman entertained those who participated in the program, of which a tea at her home at 65 West Fourth street.

Assisting Mrs. Dregman were Mrs. Dick Boter, Mrs. Paul E. Hinkamp, Mrs. J. Breen, Mrs. E. J. Leddick, Mrs. Allan B. Ayers, Mrs. W. E. Van Dyk, Mrs. George A. Polgrin, Mrs. Otto P. Kramer, and Mrs. F. Jonkman. Mrs. Clarence De Graaf, and Mrs. Thomas Welmars poured.

A LITTLE DAUGHTER ASKED her father: "Aren't you afraid of a big cow, a big worm, a bum-bee, thunder and lightning?" To all of which Daddy answered: "Of course, not." Then she said: "You was afraid of mamma when you talked about the washing." How true! MODEL LAUNDRY. Dial 3625.

LICENSE SALES

The State reports that \$863,236 was received during the 1934 fiscal year from the sale of various kinds of hunting, fishing and trapping licenses and special permits. All of this money is used in game and fish protection and propagation. Very few states equal this amount.

Harry Steffens has resumed his duties as mail superintendent at Holland post office. Mr. Steffens recently submitted to an operation at Holland hospital.

Application for a permit to remodel a porch into a sun room has been made by Mrs. A. J. Huijenga, 197 East Eighth street. Cost is estimated at \$300.

FUN CRAMS ROGERS' NEW FILM COMEDY

Picture lovers who find Will Rogers' brand of humor irresistible — and this includes the entire screen public — are delighted with the news that his latest picture, "Life Begins at 40," coming to the Holland theater four days beginning Monday, April 1, is crammed with fun.

Advance reports label this Fox film, suggested by the Walter B. Pitkin book hit, a bang-up laugh riot. Critics say it easily eclipses previous Rogers' favorites, "Judge Priest," "David Harum," and "The County Chairman."

Rogers portrays a double-fisted tender hearted country editor who proves that the years after forty are the best and goes in quest of the fun-tain of youth. He launches a series of situations that smash the funny bone to smithereens.

"Life Begins at 40," relates the romance of a young school teacher and a youth "railroaded" to prison. The shrewd editor brings to light facts that clear the boy, and stirs up a hornet's nest of fun in the process.

Among the high spots in the picture are Will's efforts at hog calling, and his pistol duel which he wins through wisecracking.

America's ace humorist uncorks a brand new vintage of laughs, from reliable accounts.

CONFESSIONS ARE OBTAINED BY OFFICERS

Many Youths, Some 12 Years, Implicated in Epidemic of Cottage Depredations and Thefts

An epidemic of youthful crime has apparently swept over Grand Haven as during the past two days Sheriff Ben Rosema has had between 12 and fifteen boys and one girl at the county jail for questioning concerning thefts of money and breaking and entering cottages on Spring Lake. Confessions were gained from several in this city and Spring Lake and petitions are being filed in probate court for action.

One lad, 13 years old, confessed to taking \$75 from Tom Ruiter's home over a period of time. As there was over \$100 reported missing, \$29 remains unaccounted for. The lad stated that he had been urged by friends to take the money and nagged into it many times as he gave the largest share of it away. Others confessed to receiving the money and as accomplices will be dealt with in the probate court. Among this group was one girl, 12 years old.

The boy told the officers he was a relative of the Ruiter's and had access to the home. He knew of the money in the house as Mr. Ruiter frequently was forced to bring it home on Saturday nights. He confessed to taking \$12 at one time, keeping two dollars for his own use and scattering the balance among his companions. Seven or eight children were questioned and some of them will be turned over to the probate court.

Four out of five boys held in the county jail who confessed to breaking into cottages on Spring Lake and the Spring Lake Yacht club will also be turned over to the probate court. The boys confessed to breaking into a number of cottages by smashing windows and prying others open. They confessed to many small thefts of fishing tackle, etc. A .22 rifle was stolen from one cottage and was hidden in a partially sunken barge on the lake. This was recovered by the officers.

The following letter to Justice Gallen speaks for itself and his act is commendable: Mr. John Gallen, City.

Dear Mr. Gallen: At an informal meeting of the Common Council held Monday, March 11th, 1935, at which time the Annual Appropriation Bill was under consideration, you were given a vote of thanks for your action during the past year in voluntarily reducing your salary from \$25.00 to \$10.00 per month for services rendered the Police Dept. The Council was very appreciative of your action in making this reduction.

WICHERS IS QUALIFIED FOR HONORED POSITION ON BOARD OF EDUCATION

(Zeeland Record)
To Dr. Wynand Wichers, Republican candidate for the State Board of Education, all phases of education are equally important. As President of Hope College in Holland he directs one of the leading denominational colleges in the state. He keeps in touch with elementary education, as a member of the Holland School Board. He spends his summers as an instructor in the Kalamazoo State Normal College, a state supported institution. He is in close touch with all phases of Michigan's educational system.

It is possible to sum up his basic idea on education in a terse manner in the following words: "We cannot lower our educational standards nor can we lower the efficiency of our school system. Michigan teachers must be paid living wages but unnecessary educational frills and whims must be eliminated."

Dr. Wichers, who has been President of Hope College in Holland for five years, was born near Zeeland in 1886, and attended the public schools in Zeeland. He received his degree of Bachelor of Arts from Hope College in 1909 and upon graduation, became a member of the faculty. For fourteen years he taught in the institution he now heads with the exception of 1917 and 1918 when he served as English Instructor at the University of Michigan, which granted him his Master's degree in 1918. For five years, from 1925 to 1930, Dr. Wichers was engaged in business in Holland but returned to his Alma Mater in 1930, as president.

Dr. William Westrate, city health officer, reports Holland free from contagious diseases, although several other localities report cases of measles and scarlet fever.

Firemen were called out Sunday evening when a car owned by Everett Van Engelenhoven, student at Western Theological seminary, caught fire. The car was badly damaged before the flames could be extinguished with chemicals.

Little Boy Was Kicked by Horse and Badly Hurt

Knocked Unconscious and Was Thrown Several Feet; Is Found by Father

Little Paul Riemersma, three-year-old son of Mr. and Mrs. Cornelius Riemersma, residing two miles southwest of Zeeland, was kicked by a horse while playing in the barn at his home Tuesday, and has been in a serious condition for some time but it now appears he will pull through the unusual accident.

The horse in question was always known to be gentle, but for some unknown reason must have become annoyed and struck out. It is possible that the child unexpectedly touched the horse, frightening it with this serious result. The child was struck in the face and upper part of the body, and was thrown several feet to the rear of the animal, where he was found by his father a few moments later. He was rendered unconscious, and remained in that state for several hours, but regained consciousness and is now apparently recovering.

The child had gone to the barn with his father and was playing about while his father was feeding the stock and doing other chores about the barn, and had wandered into the stable without the knowledge of the father.

TWO GRAND HAVEN MEN AND ONE SAUGATUCK MAN IN CUSTODY

Three men charged with entering a garage in Saugatuck and stealing fishing nets, were taken into custody by the Allegan County sheriff's department and have been bound over to circuit court on charges of entering.

Stanley Urbanak, 28, Grand Haven, Joe Mihalick, 24, Grand Haven and Fred Davis, 27, Saugatuck, are charged with entering and each of the three waived examination when brought before Justice court.

All have been bound over to circuit court under \$500 bond and it is expected that their case will come before the court early in the coming April term.

The Saugatuck building was entered last Friday night and arrests were made a few hours after the garage had been looted.

Only a few criminal cases are scheduled for the April term of Allegan County court with Judge Fred T. Miles on the bench, and it is probable that practically all of them will have been heard by the end of the first week.

The Young Men's society and the girl's society of Central Avenue Christian Reformed church held a joint meeting Monday evening. Following devotions by Miss Marjorie DeVries, George DeVries, president of the Young Men's society led the Bible discussion. A short program and refreshments followed.

Born to Mr. and Mrs. Raymond G. Beekman of West Twenty-third street, Saturday, March 23, a son Roger Ray.

GET \$2,500 FOR TRIP AND EQUIPMENT TO ABYSSINIA

Marriage of Miss Madeline Vander Akker and Dr. John Alfred Cremer, both well known in Holland, was solemnized Thursday, March 14, at Christian Reformed church of Whitinsville, Mass., in the presence of a large congregation. Dr. Seth Vander Werf of Holland, uncle of the bridegroom, performed the marriage ceremony. He was assisted by the Rev. R. Bolt. Dr. and Mrs. Cremer have been appointed as medical missionaries to Addisababa, Abyssinia, by the United Presbyterian church. For their trip and equipment the church has asked \$2,500 from its constituency. This sum was exceeded in voluntary gifts by about \$500 at the time of their wedding. Dr. and Mrs. Cremer expect to spend part of April in western Michigan and Chicago before sailing for Abyssinia.

Her maiden name was Miss Laura De Lamarter of Grand Rapids, the daughter of Mr. and Mrs. Louis J. De Lamarter of Grand Rapids. Mr. De Lamarter, it will be remembered in the earlier days, was at the head of the theatrical business where he started as a ticket clerk and is now at the head of the Grand Rapids Railway company and is a very prominent man in the furniture city.

CHARITY BALL AT HOLLAND ARMORY

The civic health committee of the Woman's Literary club is planning the second annual charity ball to be held at the Holland armory, April 26, the first Friday after Easter. Mrs. Arthur Wrieden is general chairman. The committee has secured Frank Winegar and his orchestra from Grand Rapids for the party. This will be the first appearance in Holland of this fine orchestra, which is so well known and heartily welcomed in the larger cities. Their music is heard regularly over station WOOD and the Michigan network. The proceeds from the ball will be used to carry on the work of the baby clinic, a charity project most worthy of everyone's support.

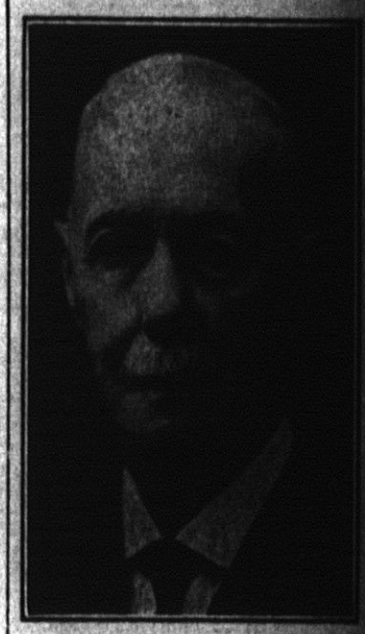

Word has been received here of the birth of a son on Saturday to the Rev. and Mrs. A. J. Nevel at Albany hospital, Westerlo, N. Y. The child has been named James Alvin. Mrs. Nevel was formerly Miss Cornelia Nettinga, daughter of Dr. and Mrs. S. C. Nettinga of this city.

LESSONS FROM THE LIFE AND LETTERS OF PETER
Henry Geertlings

There can be no doubt that Peter and Paul and John were in a class by themselves in the early church. The Acts, the epistles and the Revelation give us that impression without any question. This is not to minimize the work of scores and hundreds of others who wrought mightily in those days. The place accorded Peter while he was a disciple of Jesus during those three years and during the establishment of the church and the advancement is a most remarkable one. If we were to take out of the New Testament those sections which build for us the story of the life and work of Peter, we would then see how large a place he filled.

Peter's Turning.
Jesus and Peter were growing up in Palestine at the same time, but they never met until they were about 30 years old. Peter was a Jew and he was reared in that faith. He was one of those who looked for the coming of the Messiah. He was therefore not greatly surprised when he was told that the Messiah had come. Peter was not an educated man in the sense of being a product of the schools of his day. He had no doubt what we would call a common school education. We may rest assured that he was taught the Scriptures for he makes free use of them in his epistles and certainly the same can be said with respect to his sermon. But Peter did have an unusual amount of native ability. These things must be taken into account when we think of the part he played in the spread of Christianity.

Peter's Call.
The record of this call is brief if we think of the day when his brother, Andrew, went and got him and brought him to Jesus. For once he did not say anything but Jesus said something of great significance. He was to be called Cephas. Thus did Jesus forecast both the character of Peter, and by implication, the important work he was to accomplish in the future. It must have been apparent to those who knew him best that he had in him the qualities that would make themselves known. It was because our Lord saw these quali-

ties in him that he got a chance to link himself with the strongest and most virile movement of all time.

Peter's Growth.
Immediately upon the call of the twelve Peter assumed leadership. He was alert to what Jesus said. He was off with a flash. His faith matured rapidly. When the time came for them to make their confession it was Peter who formulated it. If he at times seemed to doubt, it was the doubt of immaturity and incompleteness. When he fell he fell hard, but he came back with new strength and loyalty. When he told his readers to grow in grace he was no doubt speaking of his own experience. When we think how headstrong and ignorant he was when he attached himself to Jesus, and then recall that three years later he was head of all the Christian forces and had placed in his hands humbly speaking, the destiny of the Christian church, we can see what progress he must have made in the things of the spiritual life.

Peter's Broadening Vision.
At first Peter was a narrow and bigoted Jew. He thought that Jesus was to be the Messiah alone. He let it be understood that Christianity was the religion of the Jews. He was a violent nationalist. But one day something happened in his life. The time came that he abandoned his narrowness long enough to go down to Samaria to admit some of the city's converts into the church. The Samaritans were a mixed race, half Jew and half Gentile, and hatred existed between the two nations. Then Peter was sent down to Caesarea to preach to Gentiles, and thought he went reluctantly, he went and afterwards stoutly defended his course.

Peter's Influence in the Church.
Peter was the most important figure in the church and his word was final. In the best sense of the word he dominated the situation. It was no easy matter to guide this movement after Jesus was taken from the head. But Peter was an obedient and able instrument of the Holy Spirit, and the work of the early church was fundamentally sound. Not a few critical questions arose, but he appeared to be able to handle them all. His enemies called him ignorant and unlearned, but he stood forth like a great spiritual engineer. He must be given no small credit for starting the church aright.

The Message Must Go Through

Crews of men, along a gale-blasted road in Michigan, toiled in drifted snow, battling against a lashing wind. All about them broken poles—casualties of the storm—lay sprawled on the ground amid tangled copper wires. And every wire was heavily burdened with the telephone's arch-enemy—sleet.

At the first warning of this enemy, mobilization begins. Word is flashed through every department. All hold themselves in readiness. Repair trucks, fully manned, rush to the damaged area and the telephone storm troops go into action.

During such emergencies there can be no waiting for good weather; there can be no thought of cost or comfort in the work of restoring service promptly. The messages of Michigan subscribers must go through!

But it is not only in emergencies that the work of safeguarding the service is carried on. It is a year-round job. Millions of

dollars are spent annually for new and improved equipment. Day by day rigid inspection and maintenance go forward.

Outdoors, patrolmen examine every foot of Michigan's aerial cable once a year. All long distance cable is tested regularly with the galvanometer, an instrument which can instantly detect a flaw and, even on a cable miles in length, locate that flaw almost to the foot.

Indoors, constant tests are made of all the intricate machinery of the modern central office. And the search for improvement moves steadily on, an endless search for equipment that shall be still more sturdy, still more efficient.

Neither trouble nor expense can be considered in the task of keeping open Michigan's copper lanes of speech; for today, as in the past, the guiding principle is the tradition which demands—fair or stormy, day or night—that the message must go through.

No Wonder She Likes Her KITCHENKOOK

Oh! Isn't your new stove a beauty? I didn't know you had city gas out here.

We haven't. That's a KITCHENKOOK. It makes its own gas right in the stove.

Here is the fuel tank in this compartment. I've never seen any stove that's easier to operate.

I light it just like city gas—put the teakettle on and there it is.

Why, look! This kettle is already boiling. I wish my kitchen stove could give such quick heat.

Did you ever see an oven turn out finer baking? Another thing—it costs only about a dollar a month for fuel for all our cooking.

That is the finest stove I've ever seen. I'm certainly going to get a KITCHENKOOK for our home too.

There is a lot more to KITCHENKOOK than meets the eye.

CLEAR UP THE TITLE TO THE PROPERTY

Acting in accordance with the above request, City Engineer had prepared a resolution on behalf of the Street Committee recommending that this alley, together with other alleys in Prospect Park Addition, be officially vacated.

On motion of Ald. Van Lente, recommendation approved and date for hearing set for April 16, 1935. City Engineer presented a further resolution recommending that alleys in Bay View Addition be officially closed. These alleys have been actually closed for several years but no official record has been made of the closings.

Recommendation approved and hearing on the closing of the alleys set for Wednesday, April 16, 1935. Clerk presented several oaths of office.

Accepted and filed. Clerk presented oath of office and bond of Chas. Dulycia for constable in the 4th ward.

Bond approved and oath accepted. Clerk presented request from Dave Blom for Council's approval for permission to make application for a license to sell beer at 72 E. 8th street.

Referred to License Committee. Clerk presented financial statement covering receipts and disbursements for January and February, 1935. Statement shows balance on hand at end of February in the sum of \$2,118.75.

Accepted and filed. Clerk presented several building permits, approved by City Engineer and Fire Chief.

Reports of Standing Committees. Claims and Accounts Committee reported having examined claims in sum of \$4,199.25, and recommended payment thereof.

Allowed. Committee on Public Buildings recommended that a railing be built going upstairs in engine house No. 1. Mr. Drinkwater, in bringing in this recommendation, stated that this stairway is used during elections and that many people find it difficult to climb the stairs without a railing for support.

Granted. Committee on Ways and Means in accordance with provisions of Sec. 10, Title 28, of the City Charter, presented estimates of expenditures which will be required to be made from the several General and Special funds of the city during the fiscal year, and submitted for introduction an ordinance entitled "An Ordinance Termined the Annual Appropriation Bill of the City of Holland for the fiscal year commencing on the Third Monday in March, A. D. 1935," and recommended its passage. The ordinance was read a first and second time by its title, and on motion of Ald. Van Lente, seconded by Kleis, the ordinance was referred to the Committee of the Whole and placed on the General Order of the Day.

Reports of Special Committees. Ald. Damson, chairman of the special committee appointed to investigate the claim of Egbert Beekman for damages on account of his home being located adjacent to the sewage disposal plant, stated that the committee had visited the property and had also talked with Mr. Beekman and Mr. Lokker, his attorney, in regard to this matter. Mr. Damson stated that the committee had not come to any decision in regard to a settlement. He stated that if Mr. Beekman's home was the only one affected, it would not be so difficult to bring about a recommendation. However, he felt that there would be six or seven other property owners living on Second and Third streets whose homes are practically as near as Mr. Beekman's, and these people would also be entitled to damages if Mr. Beekman's claim is to be considered.

Mayor Bosch stated that in his opinion the claimant should receive some consideration, and asked the City Attorney for his opinion. Mr. Parsons stated that the legal question would be "how much less Mr. Beekman's house is worth now than it would be if no disposal plant had been built." Mr. Damson further stated that in discussing the matter with Mr. Beekman he suggested painting the house. However, this was not satisfactory to Mr. Beekman who stated that he wanted cash consideration.

Mr. Beekman, who was in the audience, spoke to the Council and stated that he and his wife have suffered considerably during the past years due to the odor and stench from the disposal plant and felt that on this account he is entitled to some cash consideration.

Ald. Bultman remarked that in his opinion about 90 per cent of these odors would be eliminated after the improvements are completed and which are now being made at the plant.

Several of the Aldermen and the Mayor entered into the discussion but without coming to any decision. However, on motion of Ald. Kleis, seconded by Drinkwater, it was moved that another committee of three be appointed to act with the City Attorney and meet with Mr. Beekman and bring in a report to the Council as to their recommendations. The motion further provided that this committee be composed of Alds. Bultman, Huyser and Damson.

Adopted. Mr. Charles Ash, commander of the local V. F. W., invited the Council members to participate with them in their Rally Day on May 25th. Mr. Ash stated they expected to have Gov. Fitzgerald here and also representatives from their national organization. He also stated that he would like to secure permission to have a Poppy Day sale for themselves and the American Legion on Friday and Saturday, May 24 and 25, 1935.

Mayor Bosch stated that this matter should be referred to the Chamber of Commerce. It was so ordered.

Communications from Boards and City Officers. The claims approved by the Library Board in the sum of \$258.20; Park and Cemetery Bdg., \$349.57; Police and Fire Board, \$349.54; B. P. W., \$7,242.61 were ordered certified to the Council for payment. (Said claims on file in Clerk's office for public inspection.)

Allowed. B. P. W. reported collection of \$24,296.07; City Treasurer, \$3,705.16.

Accepted. Clerk reported interest coupons due in amount of \$670.00.

Allowed. Clerk recommended that checks in the amount of \$108.65 issued on the Peoples State Bank, and \$5.50 on the Holland City State Bank be cancelled. Said checks having been

ISSUED IN ERROR DURING THE PAST YEAR.

Adopted and Treasurer ordered charged back with these amounts. Clerk presented communication from B. P. W. recommending purchase of transformers from Moloney Electric Co. at price of \$1,138.86.

Approved. Clerk presented copy of Annual Report of the B. P. W. for 1934. Accepted and filed.

Motions and Resolutions. On motion of Ald. Van Zoeren the following election inspectors were appointed for the Annual Charter Election on April 1, 1935: 1st ward, Dick Brandt; 2nd ward, John Woltman; 3rd ward, Harry Jones; 4th ward, Wm. Lawrence; 5th, 1st precinct, Jack Vander Ploeg; 5th, 2nd precinct, G. W. Kooyers; 6th, Herman Steggerda. Polling places were ordered open from 7 a. m. to 6 p. m.

General Order of the Day. On motion of Ald. Kleis, seconded by Van Lente, the Common Council went into the Committee of the Whole on the General Order of

THE DAY. THE MAYOR CALLED ALD.

Kleis to the chair. After some time spent therein, the committee arose and through its chairman, reported having had under consideration an ordinance entitled "An Ordinance Termined the Annual Appropriation Bill of the City of Holland for the fiscal year commencing on the third Monday in March, A. D. 1935," and asked concurrence therein and recommended its passage. On motion of Ald. Van Lente, seconded by Van Zoeren, report was adopted and the ordinance placed on the third reading of bills.

Third Reading of Bills. An ordinance entitled "An Ordinance Termined the Annual Appropriation Bill of the City of Holland for the fiscal year commencing on the third Monday in March, A. D. 1935," was read a third time and on motion of Ald. Van Lente, seconded by Van Zoeren, it was resolved, that said Ordinance do now pass.

SUNDAY DINNER SUGGESTIONS

By ANN PAGE

Canned vegetables are suggested in preference to fresh this week since most fresh vegetables are scarce and quite high. Most fruits too are a little higher, but apples, oranges and grapefruit still offer good values. Bananas are cheaper.

Seafood is again plentiful and moderate in price. Lamb and chunks of beef continue to be the best meat buys. Eggs and butter maintain their lows of last week. Get out some of your favorite recipes that call for eggs and enjoy them while eggs are at their cheapest and best.

This week finds spinach, celery and radishes the best values in succulent vegetables. Potatoes and yellow turnips are still cheap and bulk carrots and parsnips inexpensive.

Here are three menus made up of reasonable foods adapted to different budget levels.

Low Cost Dinner

Chuck Steak Mashed Potatoes
Canned Corn
Bread and Butter
Bananas in Lemon Gelatin

Medium Cost Dinner

DAVID AND GOLIATH

Chicago, March 28.—"Saul and Jonathan," the thrilling story of the father and son who led the Israelites to victory over the Philistines, will be presented by Montgomery Ward as the twelfth of the series of immortal dramas over

a WEAF-NBC network Sunday, March 31, at 2 p. m., eastern standard time.

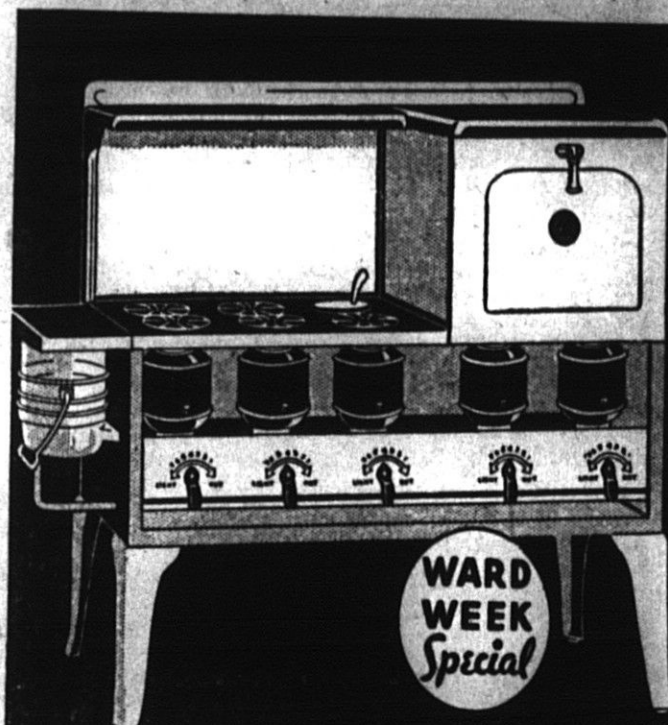

The program is another of the dramatizations from the Old Testament, which are fortified with symphonic music and the voices of an a cappella choir.

As the story opens the people of Israel are being overrun by the Philistines and in the city of Gibeon, the chief town of the Philistine conquerors, Saul and Jonathan, his son, are secretly recruiting their trusted men in an attempt to overthrow their captors and gain freedom. Three outstanding scenes which

follow, offering highly dramatic situations, promise to make this story one of the most exciting since the productions of David and Goliath, and Samson. In the first Jonathan, competing in an archery contest sponsored by the Philistines, aims his bow at Helab, captain of the Philistine guards, and kills him. In the next scene Jonathan and Orion scale the heights of the rock of Senah, where they lead a successful attack on their enemy. In the closing scene Jonathan is spared from being sacrificed because of violating the law of the fast.
