This Poster Session is brought to you for free and open access by Digital Commons @ Hope College. It has been accepted for inclusion in Faculty Presentations by an authorized administrator of Digital Commons @ Hope College. For more information, please contact digitalcommons@hope.edu.

- ✓ Stay current with the latest research from journals in your field
- ✓ Easily read complete scholarly journals in a format that is optimized for the iPad (Android coming soon)
- ✓ Create a personal bookshelf to follow favorite journals
- ✓ Easily save to Dropbox, Zotero, iAnnotate and other services

Simple Steps to Get Started

1. Download and install BrowZine free from the App Store
2. Find “Hope College” in the list of BrowZine –enabled schools
3. Enter your 1Hope credentials
4. Start reading today!

The Hope College Library is sponsoring a trial subscription to BrowZine – the new iPad application that lets you browse, read and monitor scholarly journals on your iPad.
