## The Detroit Weekly

## TRIBUNE

FOR 1873.

## ENLARGED AND IMPROVED.

THE DETROIT WEEKLY TRIBUNE, one of the oldest and most firmly established Republican newspapers of the country, has been enlarged by the addition of one column to each of its pages, and is now a Fifty-six Column newspaper, and one of the Largest Weekly publications in the North West.

This marked increase in its size, and therefore, in the amount and variety of its contents, is not accompanied with any increase in its subscription price; which remains at the old figures of \$2.00 for single subscriptions, or \$1.50 for subscriptions in clubs of twenty or more, or five papers for \$9.00, or ten for \$16.00.

Will M. Carleton,

the famous "farm ballad" poet is a regular contributor to its columns, and during 1873 will furnish a New series of "Farm Ballads," written especially for *The Tribune*. This fact will be learned with pleasure by the thousands who have read with such rare delight his "Betsey and I are Out," "Out of the Old House Nancy," etc.

The Detroit weekly Tribune is also a carefully edited Journal, which publishes in compact form all the news of the day, Foreign and Domestic; which is especially attentive to all matters possessing a Michigan interest; which gives full and accurate Commercial Reports; and which presents to its readers a large range of choice literary and miscellaneous selections.

Its Agricultural department is under the charge of an experienced and practical editor, and furnishes an increasingly popular medium for the interchange of opinions and facts among its subscribers.

The present circulation of *The Weekly Tribune* exceeds that of the combined weekly editions of all the other Detroit political journals, and will undoubtedly be greatly increased during the coming year.

It is published on the new four-cylinder rotary press of the Tribune establishment, which is the only one of the kind in Michigan.

## OUR MICHIGAN SENATOR.

The following sketch of the debate in the Senate on the increase of salaries, will give our readers a pretty fair idea of Senator Chandler's opinion of the Congressional steal; we are pleased to chronicle such action of our own Senator, and only regret that there was not like honesty enough to defeat the scheme.

Mr. CHANDLER. "The Senator from Wisconsin says that this is a practical question, and it is, sir, a very practical question. It means business. It is not for me, Mr. President, to criticize the action of brother Senators or of members of the other House. It is not for me to say what the services of individuals here are worth. I have no doubt that in the estimation of most of the members of this body the pay they receive is entirely inadequate; but I have never known a vacancy in this body that had not at least one man willing to fill it for the pay. In my own State I think there must be at least fifty men to-day who would be willing to sacrifice themselves to take my place; and I presume there is not another State in the Union that could not furnish a large number of men ready and willing and anxious to take the place of every member of this body upon the compensation that we now receive."

Mr. President, when you come to the cost of living, it is a mere matter of taste. There was a Quaker living in Philadelphia a few years ago, a hatter, and one day a rather rough man came in to purchase a hat, and inquired of the Quaker if he could not take a dollar less than he asked. Said the Quaker, "As I live, friend, I cannot." With a larged adjective the man turned around and said, "Then live cheaper." That was his response. Said the friend, "Thee can take a hat; thee art the first man who has understood my secret." If a man will live within his means, he can in all probability, whatever he wets, and whether you pay \$5,000, or \$7,500, or \$17,500, does not interfere at all with the expenses of living. A man who will not live upon \$5,000 will not live upon \$7,500. He will not live within his means if he does not live on \$5,000. And what is to-day the compensation that we receive? Why, Mr. President, our duties here occupy about four and a half months in the year, certainly not more than five months at the outside. For that we receive \$5,000 a year, or a little over a \$1,000 a month. It would be very hard to satisfy my constituents that \$1,000 a month was not as I could earn. I think I could earn more, for I do not believe there is a man in this body or in the other House who has made one half toe pecuniary sacrifice that I have made in occupying a seat in this body; and yet I was perfectly willing to occupy the seat for the pay."

Mr. LOGAN. "Will the Senator allow me to ask him a question?"

Mr. CHANDLER. "Certainly."

Mr. LOGAN. "Please state to the Senate what your annual expenses are for living here in Washington city?"

Mr. CHANDLER. "I do not think it any of the Senator's business. [Laughter.]

Mr. LOGAN. I do not think it is either; but will you not give them approximately?"

Mr. CHANDLER. I live within my means, and it is nobody's business how much I spend."

Mr. LOGAN. "That is true; but you spoke about men living within their means."

Mr. CHANDLER. "I cannot tell how much I spend."

Mr. LOGAN. "Do you not think it costs you \$20,000 a year to live here?"

Mr. CHANDLER. "I am not here to be questioned. I spend what I please at home or in Washington, and it is nobody's business."

Mr. LOGAN. I know that; but if you had no income but the \$5,000 salary how would you get along?"

Mr. CHANDLER. Then I should live within the \$5,000 most certainly and would in all probability lay by a little. [Laughter.]

Mr. LOGAN. "The point I want to make is that inasmuch as you are not dependent on that, you want to require

poor men to live within their means, within the \$5,000, you have an opportunity of living on \$20,000 or \$25,000 if you desire. That is about the difference, is it not?"

Mr. CHANDLER. "I have always lived within my means, and I always expect to do so."

Mr. KOGAN. "Rich men always do."

Mr. CHANDLER. "I was very willing to come here and occupy a seat on this floor at the salary which was then prescribed by law, and am willing to do so yet."

Mr. LOGAN. "Would you not have been willing to come if the salary had not been anything at all?" [Laughter.]

Mr. CHANDLER. "I might and I might not." [Laughter.] "But I consider that the average Congressman is well paid. There may be here and there a man who could earn more money than he receives as a member of Congress. I have no doubt that my distinguished friend from Illinois could earn \$20,000 or \$25,000 at his profession; but the average Congressman and the average Senator is paid all that he is worth for the services that he renders, and if a moiety of both bodies should conclude that they could not possibly afford to remain with the salary, and should therefore resign, I do not think the country would suffer." [Laughter.]—*Republic*.

## The Tammany Ring of our County.

From the Spring Lake Independent.

At the January session of the Board of Supervisors the financial committee as is their usual duty at that time, looked over the books and accounts of the then outgoing Treasurer in order to make a final settlement with him and turn over to his successor in office the funds of the county. The committee made a report which showed the Treasurer about \$4,000 short. The Board were not satisfied with the showing, ordered the report tabled, added two to the committee, with instructions to procure a competent accountant, go back to 1867, the time when C. N. Dickinson took charge of the office, examine his books, papers and vouchers, open a new set of books and find the true balance due the county from Mr. Dickinson and then adjourned to the 18th inst. for a report. The committee employed D. G. Garnsey, Esq., one of the very best and most competent accountants in the State, with whom all seemed satisfied. The Board met on the 18th inst. as per adjournment. The finance committee have examined the final balance as found by Mr. Garnsey, were somewhat astonished to find the amount in which Mr. Dickinson was in default to be instead of \$4,000 in January, \$6,383.00 beside certain interest moneys which the county had paid for money loaned to supply certain deficiencies from time to time reported by the Treasurer, more particularly the interest on \$3,500.00 which the Board authorized the Treasurer to borrow in October last, to supply a deficiency he then claimed, existed. To the credit of the Mayor of Holland, Mr. E. J. Harrington, moved that the Prosecuting Attorney be instructed to commence suit immediately against the sureties for the recovery of the deficit. Mr. Dickinson being present with his attorney, H. C. Akeley, Esq., was asked to state what he proposed to do. Mr. Dickinson said he acknowledged that the final balance of \$6,383.00 was due from him, but he could not tell what had become of the money—unlike Mr. Colfax, he had come into possession of \$6,000.00, but could not tell what had become of it. It was a great surprise, apparently, that such should have been the case. His attorney then offered by way of compromise, that Mr. Dickinson should be let off by giving the county three equal endorsed notes for the amount payable annually, to be approved by certain county officers. A special committee was appointed to consider the proposition and report immediately what action should be taken. The committee appointed were Tate, Adsit and Harrington. Said committee were not long in arriving at the conclusion to refuse to make any compromise with what they had by this time become

convinced was an embezzlement of the funds of the county, and deserved no whitewashing; they therefore reported and recommended that the sureties be notified of the amount of the embezzlement, and be requested to make good the amount to the county forthwith, in default thereof, the Prosecuting Attorney to be ordered to collect the same by due process of law. The question is now asked what has become of the money so mysteriously missing from the custody of the Treasurer. The Treasurer said he could not tell. We do not believe he spoke truly any more than we do that the Congressmen who denied having received Credit Mobilier stock or dividends therein spoke truly. Schuyler Colfax said he could not have come into possession of \$1,250.00 even, with knowing it, and Senator Clubb writes to the *Herald* that he does not think Schuyler has cleared himself, and refuses the columns of the *Herald* to whitewash him, and yet Mr. Dickinson, Clubb's right bower, has come into possession of \$6,383, besides divers sums of interest on the money of the county, and can't tell where it is or how it came about. Where is the sanctimonious honor of Clubb and the Publishing Company, who cover up their own rascality, refusing to whitewash Schuyler Colfax. In the heat of the political contest last fall we charged the *Herald* Publishing Company as being composed of a ring, who made and controlled nearly all the nominations on the Republican ticket—headed by Clubb, a notorious man, in whom there could be no trust of honesty committed without sacrificing decency, and the rights of the people. Our voice was not heeded because this ring had succeeded in placing themselves on the latter end of a popular ticket, and under the circumstances, dragged through, and by the raise of money, robbed or embezzled from the County Treasury, were elected, with about as much opposition as the Tammany ring used to experience in their palmy days, in New York. We charge that a large portion of this missing money went into the hands of this ring, of which Clubb was the head. We do not say that all who ran on the ticket were aware of the fact that the machine was run largely by stolen money belonging to the county. There were a few honest men sandwiched between the rogues, in order to better cover up the rascality of the latter. "Time at last makes all things even," the mask is now being removed, the people can see how this ring have robbed their Treasury, while professing honesty, virtue, nay piety. Let those who have become tainted with the company of these embezzlers, at once withdraw from them or be deemed as bad as they. Let the people at once demand of this man Clubb to resign the honorable position to which they chose him, by reason of his hypocritical plea of honesty, when he was aiding in relieving the county of Ottawa, through her Treasurer, of several thousand dollars. The county should be no longer disgraced by such a Senator at the Capital. Dickinson, Clubb & Co. should at once emigrate to Kansas, where they could find employment at the hands of Caldwell, Pomeroy & Co., better suited to their tastes. We make this plea in behalf of the people, and not in the interest of any political party.

## The Latest Dog Story.

The dog seems to grow more, intelligent every day. The latest story is told by the *Ellenville* (N. Y.) Press.

A few days since, while Mr. U. C. Enderly, of Napanoch, was engaged in transacting some business in this village his horse was left tied under John Edmond's shed. Remaining with the horse was Mr. Enderly's well-known coach dog, which, during his master's absence, laid in the sleigh. After a time the horse became untied, and started from the shed. The dog immediately commenced pawing the blanket and robe which covered the lines on the front of the sleigh, but before he could remove them, the horse had got as far as the Center street iron bridge, when the lines fell to the ground. On seeing this the dog jumped after them, caught them in his mouth, reined the horse to a stand still, and held the horse until aid came, when he resigned them with a friendly wag of the tail to a stranger, whom he would not have allowed under any other circumstances to have approached his master's property.

There is now living in Plymouth township a man who has spent the entire winter in the woods, cutting cord wood for Ebbon Blackman, whose only shelter from the inclemency of the weather has been a pile of wood, so arranged as to break off the bleak wind. Here, by the side of a fire, which he keeps constantly burning, he lodges in a bed of leaves, with only a solitary blanket for a covering; and here he cooks his simple and homely fare. His sole living companion is a small dog, which seems to be entirely devoted to his master, and his sole mute companion is his Bible, to which he is most devoutly attached, and which he continually reads during his leisure hours. He cuts his two cords of wood daily, seems to be contented with his lot, and declares he has not suffered any inconvenience from the severity of the winter. He is a man of good education, and has evidently seen better days.

An eminent clergyman of Grand Rapids, who has investigated the subject, says that there are as many applications for divorce in that city each year as there are marriages, and that two-thirds of the applications are granted.

## MATERIAL PROSPECTS.

We are sorry to learn that our enterprising manufacturing firm H. W. Verbeek & Co. are at present discussing the practicability of moving their entire establishment to Luddington, in this State. Some members of the firm have visited that place, and have returned well satisfied that to remain here under the present situation of affairs, is to their disadvantage. We hope that after a careful review of the matter, they will conclude to remain with us, and the effort to remodel and rebuild our city be seconded by every good citizen of this city.

Not only is the above mentioned firm seeking a more congenial clime, but there are others who are not satisfied with the prospects in store for them here. Now what is the matter? There is a wrong somewhere; and a united effort is required to encourage the material prospects of our city, and for that purpose we make a proposition that the business men of the place organize themselves under the form of a Citizens' Association, for the purpose of securing a united effort in behalf of the material prosperity of the city, and for the purpose organize with a full corps of officers and directors to take charge of the various interests requiring special care; such as on Education, on manufacturing, on Harbor work, on Fire and Water works, on Mercantile affairs, on Advertising and Statistics, on Railroad interests, and on Public Improvements.

Such a course is being pursued in various parts of the West with remarkable success. Why not here? It is becoming evident that something must be done or we lose all we have gained. One of the first moves which we think should be made, would be to organize an Association of this kind or something similar, and then go to work with a free, full understanding that the material interests of our city shall not be swallowed up with the short-sighted policy, based upon the "penny wise and pound foolish" system. Shall we do anything for our city, or rather let it go to the shades? Our wish is to keep all we have and get all we can. It remains with the business men of this city to say which shall be our fate, "survive or perish."

## POSTAGE.

By the terms of recent Legislation, the franking privilege is abolished, and it is provided that "All laws and parts of laws, permitting the transmission by mail of any free matter whatever, be, and the same are hereby, repealed, from and after June 30th, 1878." This cuts off the free exchange of newspapers between publishers, and the free circulation of papers within the counties of publication.

No changes in the rates of postage have been made, and, consequently, postage charges will be as follows:

## LETTERS.

Full prepayment by stamps required on all transient printed matter, foreign or domestic.

Letters once delivered from a post-office cannot be remailed without prepayment of postage.

Departmental postage after June 30, 1878, will be prepaid by special stamps prepared and furnished by the Post Office Department.

It will, nevertheless, become important for correspondents of the several departments and bureaus to fully prepay their postage after the 30th of June next. Of course the local officers and agents of the departments will be instructed to this effect.

## A TERRIBLE DISASTER.

### Steamship Atlantic.

HALIFAX, April 1st.—The following is the Chronicle's report of the disaster:

"It is our painful duty this morning to record the most terrible marine disaster that has ever occurred on our coast—the loss of a great ocean steamship with about 730 lives. Yesterday afternoon the report became current that a steamer had been wrecked somewhere on the coast, and two lives lost. The report was regarded as one of the canards put afloat on All Fools Day, and little regard was paid to it. Soon the report became more definite, and we knew that the steamer Atlantic, of the White Star line, was ashore near Prospect Point, and that several lives had been lost. Even yet the public were inclined to regard the story as a malicious hoax. A little later, however, it became known that the report was founded, and that but a small part of the story has been told. The fact being that the Atlantic had been wrecked on Meagher's Rock, near Prospect, twenty-two miles west of Halifax, and out of about 1,000 souls on board 750 were lost, need we say that the terrible announcement created a profound feeling of horror throughout the community? Having ascertained that one man from the wrecked ship had arrived in town, a reporter went in search of him. He proved to be Mr. Brady, third officer of the Atlantic, bruised, worn out and almost speechless after the terrible events of the morning. Nevertheless he cheerfully gave such information as he could. The Atlantic, Brady said, left Liverpool Thursday, March 20, for New York, touched at Queenstown next day to receive mails and passengers, after which she started on her voyage across the ocean. She had a full cargo of general merchandise and a very large number of passengers. Brady could not give the number, but thought there were more than 800 in the steerage and about fifty in the cabin. These, with her crew, would probably make a total of not less than 1,000 souls. She was commanded by Captain James Agnew Williams. Rough weather was experienced, but nothing worthy of note occurred until noon of Monday 31st, when, coal being short Captain Williams resolved to put into Halifax for a supply of coal. The captain and Mr. Brady had the night watch up to midnight, when they were relieved by the chief and fourth officers. At that time they judged that the Sumbor light then bore N.W. thirty-nine miles. The sea was rough and the night dark. The chief and fourth officers having taken charge, Brady went below and

turned into the berth. The captain, at the same time, went to his room to lie down. What occurred between midnight and 2 o'clock, the time of the disaster Brady cannot tell, as he was sleeping. He was awakened and thrown out of his bunk by the shock. When the steamer struck she struck heavily three or four times. Brady ran up to the deck and found it full of passengers. He found an ax, and with it commenced to clear away the starboard life-boat. He observed that the captain and other officers were engaged in clearing other boats. Brady succeeded in getting his life-boat out. This was the only boat launched and it had no sooner touched water than a crowd made a rush to get into it, and Brady had to use force to prevent them crowding in. He put two women and about a dozen men into it, and also got himself in. Just then the steamer fell over and sank. The boat with its living freight was carried down with the steamer, and all in it were drowned, except Brady. The hull of the steamer became almost wholly submerged, and only the bow and masts remained above water. The greater part of the passengers here were in their rooms below at the time, and were immediately drowned. Indeed, so soon after striking did the steamer sink that many of the passengers were no doubt sleeping peacefully in blissful ignorance of all that was going on around them, and passed into eternity without a struggle. Of those on deck, numbering several hundred, many were washed overboard when the ship fell over, and their cries for help as they struggled in vain for life were most heartrending. Many had taken refuge in the rigging and on the bow, and were still living, but with a prospect of almost certain death before them, for they knew not where they were, and were in momentary expectation of the ship sinking further and engulfing them all, even as they were clinging in desperation to the rigging and while the sea washing them continually. Their situation was most trying, and every few minutes some of them, benumbed by cold and exhausted from their struggles, loosened their hold and perished.

"Two steamers left here at 1 a. m. to-day for the scene of the disaster. There will be nothing further until they return."

## REPUBLICAN CITY CAUCUS.

On Thursday evening last, previous notice having been given, the Republicans met in Caucus in Bakker & Van Raalte's Hall, to nominate a city ticket, to be composed of Straight Republicans. The meeting was organized by electing J. O. Bakker Chairman, with three Secretaries, G. W. McBride, W. Wakker and J. Ailing. Three tellers were appointed, J. W. Minderhout, M. Hoogesteger and Hon. J. Roost. A motion was made that persons voting be required to come to the Chairman's stand and deposit their ballot and have their name registered, which was lost. A motion was then made that no candidate be nominated on an informal ballot, nor with less than a majority of all the votes cast. On motion, proceeded to an informal ballot for Mayor, resulting as follows: E. J. Harrington 80; Hon. J. Roost 49; Ex-Mayor Cappon 58. Second informal ballot, Mr. Cappon declining the use of his name, resulted as follows: Roost 116; Harrington 98. On the formal ballot Roost received 116, and Harrington 78. On motion, Hon. John Roost was declared the unanimous nominee for Mayor of the Republicans of Holland. Chas. F. Post was renominated by acclamation for City Clerk. D. T. Roller was renominated by acclamation for Supervisor. J. Verplancken for City Marshal. Andrew Flietstra was nominated for Treasurer and Collector. For Justice of the Peace (full term), H. D. Post; to fill vacancy, John Roost. For School Inspectors, H. Uiterwijk, R. Pieters, P. Moerdijk. For Street Commissioner, H. Weisma.

Although this was a straight Republican caucus, we notice the name of one Democrat on the ticket. The two tickets are in the field, both led by Republicans, and it only remains for the decisive vote on Monday to declare the result.

SCIENCE.—Early Friday morning, the 21st ult., Mrs. Nancy Goodrich, wife of Philip Goodrich, committed suicide by hanging. The deceased lived on a farm with her family about two miles south-east of Comstock. She was first discovered by her son, Philip Goodrich, about 5 o'clock in the morning, hanging by the neck, suspended by a clothes line, attached to the stair bannister—life being extinct. She was 68 years of age.—*Allegan Dem.*

## OUR JUDICIAL NOMINEE.

Perhaps a brief biographical sketch of the Republican nominee for Circuit Judge in our new judicial circuit, may be of interest to those not personally acquainted with him. Hon. John W. Stone was presented by the convention which met at Grand Haven, April 1st, as the judicial nominee of the Republicans of Allegan and Ottawa counties.

John W. Stone was born in Medina county, Ohio, and is now 35 years of age. He received an academic education, and came to Michigan in the spring of 1856. He commenced his public career in this State by teaching school in the fractional school district of the towns of Chester and Wright, in Ottawa county, the winter after his removal here.

In the spring of 1859 Mr. Stone commenced the reading of law with Hon. Silas Stafford, then of the town of Martin, in Allegan Co., but now of Plainville, and remained with that gentleman two summers, teaching school winters.

In 1860 Mr. Stone was nominated by the Republicans of Allegan county for county clerk and elected in November, 1860, and in May 1861, he married the daughter of A. P. Grover, Esq., of Trowbridge, and he has resided ever since in the village of Allegan. He was re-elected clerk in 1862. In January, 1863, he was admitted to the bar, having continued his legal studies while holding the office of county clerk. In November, 1864, he was elected prosecuting attorney of Allegan county and held the office for six years. Mr. S. has attended to the business of his profession ever since his co-partnership with Hon. Dan J. Arnold, who has served so acceptably as Judge of Probate of Allegan county for three terms past, under the name and style of Arnold & Stone.

In the spring of 1873 Mr. Stone was elected President of the village of Allegan by a vote of 190 to 174 for Hon. F. J. Littlejohn.

He was one of the lay delegates to the General Conference at Brooklyn last year, and also one of the alternate delegates to the National Convention that renominated President Grant. During the late Presidential campaign Mr. Stone served as chairman of the Republican county committee of Allegan, and much is due to his labors for the signal majority of 1872 rolled up in Allegan county for General Grant.

Mr. Stone is one of the most eloquent and talented members of the bar of Western Michigan, he possesses a sound legal mind and has every qualification requisite for a judge—he is honest, impartial and fair-minded, and is withal a man of blameless life and an assiduous student of the law.—*Allegan Journal.*

## 20th District Republican Judicial Convention.

Pursuant to the call of the District Republican committee, this Convention assembled at the Court House in Grand Haven on Tuesday, April 1st, at two o'clock p. m., and was called to order by Hon. Henry F. Thomas, of Allegan county, who nominated Mr. A. Bilz, of Ottawa, for Chairman, and Capt. John E. Babbitt, of Allegan, was appointed Secretary. On motion, Allen Mosher, of Allegan, Edwin Baxter and George E. Hubbard, of Ottawa, were appointed a committee on credentials, who reported the following gentlemen in attendance as

## DELEGATES:

ALLEGAN.—Allen Mosher, Alexander Henderson, James B. Humphrey, John E. Babbitt, Joseph W. Hicks, Silas Stafford, H. L. Isham, Josiah Potter, Benjamin D. Pritchard, Dan J. Arnold, Hiram B. Hudson and Albert H. Fenn.

OTTAWA.—Edwin Baxter, Edward J. Harrington, A. Bilz, George E. Hubbard, J. den Herder, D. B. Conger and Warren Gee.

The report of the committee was accepted and adopted, and the committee discharged.

On motion, the Chair appointed two tellers, viz: Hiram B. Hudson, of Allegan, and Hon. Edwin Baxter, of Ottawa.

The Convention then took an informal ballot for Circuit Judge, with the following result: Hon. John W. Stone, of Allegan, 14; Hon. E. Baxter, of Ottawa, 2; Hon. J. M. Cross, and Hon. H. C. Akely, both of Ottawa, each one vote.

A formal vote was then taken, by which it appeared that Hon. John W. Stone received 19 votes—every vote that was cast.

The Chairman, Mr. A. Bilz, then declared Hon. John W. Stone to be the unanimous choice of the Convention for Circuit Judge.

On motion of Alexander Henderson, of Allegan, Hon. Benjamin D. Pritchard, of Allegan, and Hon. E. J. Harrington, of Ottawa, were appointed a committee to wait on Mr. Stone, and to notify him that he had received the unanimous nomination of this Convention for office of Circuit Judge, for the twentieth Judicial Circuit of Michigan.

The committee proceeded to the Cutler House and notified Mr. Stone of his nomination, who accompanied the committee to the Court House and thanked the Convention for the honor they had conferred upon him in a few happy remarks, which were received with applause.

The following gentlemen were appointed a District Judicial Committee, to serve for the ensuing two years: Albert H. Fenn, Hon. Francis B. Stockbridge, Joseph W. Hicks, of Allegan, Hon. E. J. Harrington, and Hon. Edwin Baxter, of Ottawa County.

On motion, adjourned sine die.

A. BILZ, Chairman.

JOHN E. BABBITT, Secretary.

## Local News.

A new postoffice has been established at Fillmore Center, Allegan County, with Mr. Gerrit Wagenaar as Postmaster.

We hear that a change of the employees on the Chicago & Mich. Lake Shore R. R. has taken place within the past week.

**THE LAST CALL.**—Every voter in this city whose name is not registered, who desires to vote on Monday next, must have his name registered to-day.

**ACCIDENT.**—Last Sunday, as Mr. Van Os and wife, of Fillmore, was driving to church, the wagon upset, throwing Mrs. Van Os out in such a manner as to break her arm.

Marshal Blom is mending the ways of the city; a new cross-walk has been put down at the corner of Eighth and River streets, and work commenced on one at Market street crossing; such work is needed.

It is with pleasure that we chronicle the fact that the new City Hotel has been leased to Mr. E. Kellogg, of Grand Rapids. Mr. Kellogg intends to have the house neatly furnished and in running order by the first of May next. Success attend him.

Amid the local excitements of our Charter Election, we hope that no one will neglect to vote for Judge of the Supreme Court, Regents of the University, County Superintendent of Schools, and Circuit Judge for the 20th Judicial District.

**DR. BARTH,** Office and Institute No. 43 Monroe street, Grand Rapids, will again be in Holland, at the Etina House, during Thursday, April 10th, also on the second Thursday of each month, where he can be consulted for the successful treatment of all curable chronic diseases.

At the Second Ward Republican Caucus, Tuesday evening last, Mr. H. D. Post was made chairman, and Geo. Lauder Secretary. The following ward nominations were then made: For Alderman, H. D. Post; for Constable, G. H. Bender. A Ward Committee was also nominated, consisting of J. Ailing and H. D. Post.

**REPRESENTATIVE GARFIELD.**—A Cleveland dispatch says: "The Trumbull County (Ohio) Republican Convention, held at Warren, adopted a resolution asking James A. Garfield to resign his seat in the House of Representatives at Washington, declaring that by voting for the retroactive salary bill he has forfeited the confidence of his constituents."

**RUNAWAY.**—On Monday last, Mr. A. Wagner of North Holland, drove into town and halted in front of the store of L. T. Kanters & Co., but while in the act of alighting, his horses took fright and ran down Main street; they soon tired of the wagon and began leaving portions of it at convenient places along the street. On reaching the corner of Main and Market streets, they deposited the remnant, and pushed ahead; their career of liberty, however, was of short duration, for upon reaching the corner of River street, one of the horses mired in the clay, which resulted in the capture of the team.

**THE NEW GAME LAW.**—The game law as it finally passed both Houses, provides that no one shall hunt or kill any wild elk, wild duck, doe, or fawns save only during the months of October, November and December in each year; or kill or destroy by any means what ever any wild turkey at any time during the year, except in the months of September, October, November or December; or any woodcock until after the fifth day of July; or any prairie chicken, or ruffed grouse, commonly called partridge or pheasant, or any wood duck, teal duck, or mallard duck, only from the first day of September to the first of January next following.

## Election.

On Monday next, the voters of this city are called upon to exercise the right of suffrage for various State and City officers. For Judge of the Supreme Court, Hon. Isaac P. Christianity is renominated. He has held the office for many years, to the entire satisfaction of all parties. There is no opposition against him. For Regents of the State University, Edward C. Walker and Andrew J. Climie are the Republican nominees. For County Superintendent of Schools, Chas. S. Fassett has been renominated. These men are all tried and true, and we hope that no voter will neglect to perform his whole duty, but vote the whole State and County ticket.

### Citizens' Caucus.

Monday evening last, pursuant to call, a citizens' meeting was held at J. Binnekant's Hall, for the purpose of nominating a city ticket, to be composed of men, irrespective of party. Quite a goodly number were present, and good feeling seemed to prevail. The meeting was organized by electing H. D. Post chairman, G. Van Schelven Secretary, Geo. Lauder and Wm. J. Scott Tellers.

On motion, it was resolved, That no candidate be declared nominated on an informal ballot, nor on a vote less than a majority of all the votes cast.

The usual routine of balloting resulted in the following nominations:

For Mayor, E. J. Harrington; for Clerk, Charles F. Post; for Treasurer, Hermanus Doesburg; for Marshal, J. Verplanken; for Supervisor, G. Van Schelven; for School Inspector, H. Uiterwijk; for Justice of the Peace, (full term) H. D. Post; to fill vacancy, T. Keppel.

A Committee of five was then appointed to call meetings and to perform such other business as might be deemed advisable to further the interests of the candidates nominated. H. D. Post, N. Kenyon, G. Van Schelven, J. O. Doesburg and G. W. McBride were appointed as such committee.

We learn that the amendments to our City Charter has passed both Houses, and has probably, ere this, been signed by the Governor, and become a law. We are not prepared to give any of its provisions, not having received a copy of it; rumor has it that it is the bill known as the "Howell Incorporation Act," with some few amendments. Whatever else it may contain, we hope School and Library questions are well guarded, and placed in such a position as will enable our citizens to establish a basis for future instruction that shall be a monument to prudence, zeal and integrity. We have argued for some enactment that would give us a starting point in securing a good Public Library, and hope we have secured it; if not, we shall keep banging away until we do.

**A JOKE TOO GOOD TO KEEP.**—A Republican Caucus was called to meet at the Allegan depot last Saturday evening, which was organized by electing E. J. Harrington Chairman and A. M. Kanters Secretary. After some spouting, explanatory of the object of the meeting, an informal ballot was taken for Alderman which resulted in a Democratic victory. The managers of the Caucus began to "smell amice," and a motion was immediately made to adjourn to a more congenial climate and for a GRAND RALLY. There was evidently a cat in that meal bag, and our political philosophers will do well to heed the lesson it has taught them—if too many irons are in the fire some of them are sure to burn.

**EXAMINATION OF TEACHERS.**—The series of examination of teachers of Ottawa County for the spring of 1873 will be held as follows: Allendale, April 24th, red school house; Blendon, April 9th, Ohi-Mills; Georgetown, April 20th, Hudson's School House; Holland, April 19th, Holland City; Jamestown, April 16th, Jamestown Center; Olive, April 18th, West Olive; Polkton, April 29th, Coopersville School House; Talmadge, April 30th, Lamont; Zeeland, April 11th, Zeeland village. The examination at each place will commence at 10 o'clock a. m.

CHAS. S. FASSETT,  
Co. Sup't. of Schools.

Wm. M. Tweed, the great New York thief, has concluded to resign his office as Senator of that State. Mr. Sam'l J. Tilden followed him up so closely that he was forced, like Caldwell, to get out of office. We think the acceptance of this resignation was wrong. He should have been ignominiously expelled.

Why? Because it is the oldest Ins. Co. in the United States.  
Because it was the first to pay its Holland losses in Ready Cash.  
Because it has paid over \$36,000,000 losses.  
Because it has a surplus (over and above its debts) of more than any two Ins. Co's. in the United States.  
Because it has a surplus of more than five times that of all the other Ins. Co's. in the city combined.  
For proof, read the (Jan. 1873) Report of the Superintendent of the Insurance Department of New York.  
Policies issued at the Holland agency, as low as by any other responsible Company.

County of Ottawa.  
At a session of the Probate Court for the County of Ottawa, holden at the Probate Office, in the City of Grand Haven, in said County, on Thursday, the thirteenth day of March, in the year one thousand, eight hundred and seventy three.  
Present, Samuel L. Tate, Judge of Probate.  
In the matter of the estate of Leonard L. Witbeck, deceased.  
On reading and filing the petition duly verified of Samuel L. Tate, Judge of Probate, and of Leonard L. Witbeck, deceased, representing that said Leonard L. Tate, said petitioner of said Ottawa County, as administrator thereof.  
Thereupon it is ordered, that Tuesday, the eighth day of April next, at one o'clock in the afternoon, be assigned for the hearing of said petition, and that the heirs at law of the said deceased, and all other persons interested in said estate, are required to appear at a session of said Court, then to be holden at the Probate Office, in Grand Haven, in said County, and show cause, if any they have, why the prayer of the petition should not be granted. And it is further ordered, that said petitioner give notice to the persons interested in said estate, of the pendency of said Petition and the hearing thereof, by causing a copy of this order to be published in the HOLLAND CITY NEWS, a newspaper printed and circulated in said County of Ottawa, for three successive weeks, previous to said day of hearing.
