In last week's issue we forgot to call the attention of our readers to the splendid opportunities offered by the Holland Business College for your son or daughter's education. Parties from out of town, will also find a better opportunity for their children in our city than in larger cities, where board and other expenses are very much higher. Give Holland Business College a trial. You'll never regret it.

GRAND HAVEN PEPS UP BECAUSE HOLLAND DOES

SENDS OUT AN S. O. S. CALL ASKING CITIZENS TO BOOST

Every Holland Citizen Too, Must Put His or Her Shoulder to Wheel If Home City It to Progress

Holland's industrial activities has spurred the county seat to action and Grand Haven has sent out an S. O. S. call asking its citizens for the active support along new factory lines.

Holland is not resting on its oars, of that you may be sure. There are still several matters under cover that are not ready for publication and it seems that Holland's real development has just begun.

The fact that the growth and activities are created not by artificial means, such as war contracts, speaks volumes.

Holland begins to "pep" up when other cities have just awakened from their war contract pipe dreams and find their spindles empty of orders and that industrial activities have ceased, with a dull sickening thud, while in its place a slow process of unprofitable readjustment is going on.

In Holland optimism exists everywhere. The only thing for us to do is to believe in our town, talk for it. Don't stand on the side lines and nag those who are trying to make it succeed, for then you are throwing a monkey wrench in the machinery of progress and taking the heart out of the man or woman who is trying in his or her way to do their best. Don't bring up dead industrial horses. Holland business successes far outnumber its failures and many of the failures of the past have been supplanted by successes on the very spot where failure once reigned.

The appeal from Grand Haven is as follows, pick the good there is in it and apply it to Holland.

Grand Haven Tribune—Every Grand Haven citizen who wants to help his city in an organized way now has the opportunity. At the Unitarian church this evening at 8 o'clock the first election of the newly organized chamber of commerce will be held. Every person who has taken out a membership in the organization during the last week is expected to be among those present. The fact that a person may not have paid down his \$2.50 and received his receipt need not serve as a bar to attendance tonight. Memberships can be secured at the meeting if they are desired.

At the present time Grand Haven has arrived at a place in its line of progress, which is rather critical in nature. Action one way or the other is necessary to secure future growth. Holland has lined up a total of \$225,500.00 new buildings among its industries, and employment for at least 475 new employees has been assured. This shows Holland has been busy in an industrial way. Muskegon's chamber of commerce is doing some big work in the line of industrial advancement. Manistee's chamber of commerce has been busy to secure a new steamboat line for that port for the coming summer.

The prospects were never brighter than now for the prosperity and growth of western Michigan cities but it is pretty safe to predict that the good things are not likely to come to the places which do not go out after them. Tonight's meeting of the newly organized chamber of commerce will be Grand Haven's opening gun in the campaign which is likely to lead this city into a mighty important industrial place in western Michigan. To carry out such a campaign, however it will be necessary for every Grand Haven booster to put his shoulder to the wheel and do his part for Grand Haven. Tonight's meeting will give every citizen a chance to try out his or her enthusiasm.

The important feature of the chamber of commerce organization at the present time is the selection of the men who will lead in the campaign for civic betterment. Tonight's business of importance will be the election of officers. It is essential that every member of the organization should have a voice in this. A great deal depends upon the selection of the officers and the board of directors. This board will name the important industrial committee, subject to the approval of the membership. It is therefore highly important that the membership be well represented tonight.

HOLLAND MAN RECEIVES HONOR IN RUSSIA

One Holland man has received a reward for bravery while fighting at the jumping off place on this earth, namely Archangel, Russia. Sergeant L. Bartels, we are proud to say, has been honored with a military medal which he will wear on his breast when he returns home again. Going to Archangel is worth a medal alone but when a soldier must also fight and excel in his fighting, the honor is well merited. A. V. Tibbels of Beaverdam, Ottawa County, also received a medal for distinguished conduct.

The funeral of Lewis Westra will be held at 2 o'clock Friday afternoon from the home, 284 East 11th St. Rev. E. J. Tunk officiating.

"ART" KIEFT AGAIN IN THE TOILS OF THE LAW

CAME HOME ALL "DOLLED UP" WITH SAILOR SUIT AND CHEVRONS

Judge O. E. Cross Is Making a Thorough Investigation of the Case

"Art" Kieft, who easily takes the "bun" for waywardness, and has the town title of being the city's worst boy is again in the hands of the law.

Repeatedly this young man has served time and as often his friends have come to his aid and have pleaded leniency and have either secured a pardon, parole, or a lighter sentence for him at different times, when the law got hold of him.

The long list of crimes committed by this young man was added to recently, when he entered a dwelling house in this city by breaking through a cellar door.

Again the judge, because of the pleadings of his mother extended a charitable hand, and showed leniency in his sentence.

On the pretext of going to Baltimore and joining the navy the judge told him to go his way and "sin no more," but it was expressly understood that he should make himself scarce around Ottawa and Allegan counties.

Great preparations were made by his friends for his departure. He left the city supposedly to do ship duty, but lo, and behold! Holland's Arthur comes back within three weeks on a furlough.

Although Arthur had scarcely landed and furloughs are mighty hard to get, Holland's Arthur came back with one when scarcely started. Yes, comes back fully uniformed, with double chevrons on his sleeve showing faithful service for one year.

Where Arthur overreached was the fact that he overstayed his furlough.

Not that anyone in particular was looking for him on a desertion charge, but because Judge Cross felt that his furlough was prolonged altogether too long in Ottawa county.

For several weeks, he has been hanging around Holland, Grand Haven and Muskegon fully uniformed.

The police are at a loss to understand the situation. Chief VanRy states that the man is either a deserter or he never went to Baltimore in the first place.

Soldiers about town cannot figure out how Kieft could wear the honor stripes as a heavy penalty exists when these are worn and not merited.

Kieft claims that his service at Camp Custer entitles him to recognition.

Judge O. E. Cross is making a thorough investigation of the case and the federal authorities may be called in on it.

CONTRACT FOR PIEPER BUILDING IS LET

MUST BE FINISHED BY JULY 1ST; TO COST \$10,000

The contract for the C. Pieper & Son jewelry store on West 8th street has been let to Contractor William Hessel of Holland, and is to be completed by July 1st.

The cost of the building will be in the neighborhood of \$10,000.

This is the site formerly occupied Kieft's restaurant. The building will be 95 feet long and 20 feet wide, two stories high. The structure will be built of brick and the front will be of pressed brick with Bedford stone trimmings.

The floors and entrance to this beautiful jewelry emporium will be of tile and the plate glass front will be of the latest design with prism light effect.

The electric system will be of the very best obtainable, and so arranged that goods can be properly displayed at night.

Mr. Pieper also has under consideration the placing of a beautiful large clock with chimes, and one where the time is visible both by day and night.

LADY GIVES SALARY TOWARDS MISSION CAUSE

COLLECTS \$302.75 IN HOLLAND ALONE

Miss Johanna Veenstra of Patterson, New Jersey, was in the city yesterday, interesting the Christian Reformed churches in the mission fields of Western Africa and in a hospital product in the Sudan district.

She is faithfully given her own salary towards this cause and besides she is spending her time in collecting funds towards this cause, and besides she is spending her time in collecting funds to make this hospital a possibility.

The Christian Reformed churches especially have done well by the young lady, \$152.75 being collected from the women's societies yesterday afternoon and \$150 was donated by the young ladies' societies making a total of \$302.75.

John Sagers submitted to an operation at Holland Hospital yesterday for hernia. The operation, which was successful, was performed by Dr. Winter.

ASK MEMBER TO HAND IN HIS RESIGNATION

COUNCIL BY A UNANIMOUS VOTE REQUESTS DICK BOTER TO LEAVE S. P. W.

Declare In Resolution That It Is For "The Best Interests of the City."

The ill-feeling between the Common Council and the Board of Public Works took a new turn last evening at the Council meeting when the aldermen, by a unanimous vote, requested Dick Boter, member of the board to resign "for the best interests of the city." There was no open expression of feeling on the resolution that was passed to this effect and no comments were made, but below the surface an intense feeling was discernable.

No explanation of the action was made at the council meeting, but unofficially the aldermen are understood to have taken this action as a result of a talk given by Mr. Boter at a recent meeting of the Victory Club in which he is said to have made the statements referred to in the resolution passed last evening.

The resolution was offered by Alderman Wiersema and several others seconded it. A ye and nay vote showed that every alderman was in favor of the resolution. All the aldermen were present except Ald. Congleton. The resolution reads as follows:

"Whereas, Mr. Dick Boter has recently publicly offered to tender his resignation as a member of the Board of Public Works of the City of Holland, if such was desired and expressed himself as out of sympathy with the Common Council; therefore

"Resolved, That it is the sense of the Common Council that the best interests of the city and of the board will be served if Mr. Boter will resign, and that his resignation is hereby requested for the best interests of the city, and for harmony between the Board and Common Council."

APPOINTMENTS MADE TO FILL TWO VACANCIES

ARTHUR VAN DUREN AND SIMON KLEYN NAMED S. P. W. MEMBERS

Only Three Ballots Were Necessary To Fill These Places Last Night

The Common Council last night appointed two new members on the board of public works, naming for that office Att. Arthur Van Duren and Simon Kleyn. Two elections were necessary to fill two vacancies. On the first ballot Mr. Van Duren received five votes, Mr. Kleyn four and Jacob Lokker two. On the second ballot, Mr. Van Duren received nine votes and Mr. Kleyn two, thus electing Mr. Van Duren for one of the vacancies. The other vacancy was filled on the first ballot, Mr. Kleyn receiving nine votes, Mr. Lokker one and Anthony Van By one.

The two vacancies were caused some time ago by the resignation of E. P. Stephan and J. B. Mulder. Stephan's resignation occurred some months ago and more than one attempt has been made to fill it. Mr. Mulder resigned some weeks ago. The places were left open so that nominations might be made and so that the people might elect new members at the polls. The friends of two men filed petitions for them in the usual way, but without the knowledge or consent of these men, and both of them withdrew their names from the ballot, so that no election took place, and it once more fell to the duty of the council to fill the positions by appointment, which they proceeded to last evening.

There was not the usual struggle about the election by the council, the aldermen seeming to be pretty well agreed on the men slated for the office. The first ballot was obviously only a test vote.

WOULD AMEND THE TEN COMMANDMENTS

Allegan Gazette—Our venerable Christian friend, equally good democrats but not of so long standing as in the church, is one of the most earnest supporters in Allegan of the league of nations, world peace, Woodrow Wilson, and perhaps other misty, ill-defined, and ill-conceived ideas. Consequently his zeal sometimes confounds his piety. Hence it was that the other morning some newspaper headlines exasperated him into this emphatic but unguarded if not ungodly expression: "Well, I'll be damned. If somebody should introduce the ten commandments into the U. S. senate, some of those senators would try to amend them."

POLICE ARE ROUNDING UP EGG THROWERS

CHEMICAL-GRAND RAPIDS GAME BRINGS HEN FRUIT BOMB BARDMENT

Grand Rapids Umpire's Decision Gets Fans Rolled Up

Umpire Houten of Grand Rapids does not have a very warm spot in the hearts of the Holland fans.

His decision in the ninth inning in the Chemical-Grand Rapids game allowing a score on a foul, and at the same time calling the ball a foul which should have been a fair ball, or something to that effect got the Holland fans to a boiling point Tuesday night.

The enthusiastic Chemical girls surrounded the Grand Rapids umpire and stuck to him closer than a brother, and it was some time before the man with the indicator could extricate himself from the coroll of women, and could get out of ear-shot of the lashing tongues which the ladies it is said, knew so well how to use.

Thus far the argument was well and good, but what happened down town afterwards is something that should not be tolerated and are not tactics that are used by thorough sportsmen.

When the aggregation left on the interurban car, some rowdy fans, and we are glad to say they were not of the Chemical team, quickly purchased a few dozen eggs at a local restaurant from the night man.

These eggs, these few rowdies let drive at the departing Grand Rapids bunch and the result is apparent.

The side and vestibule of the car were littered with the running, sticky hen fruit and the conductor received two of the flying missiles in the back and neck.

The Grand Rapids players on the other hand quickly got into the car, and were practically free from the bombardment.

The egg throwers however will hear from their night's work. Two have already been rounded up by Chief Van Ry and his men, and more arrests will be made.

Holland has an enviable record for fair play in the sporting world. It stands high because it has so often excelled in things that pertain to sports.

This week Holland High school has brought home signal honors, and we are much pleased.

These honors are not gained thru egg throwing contests, and this city is not going to have its reputation blasted by a few rowdies who resort to these tactics.

This method of disapproving a decision, right or wrong does not come from sportsmen.

GRAND HAVEN LADIES ALSO TAKE INTEREST IN BUSINESS

ARE APPOINTED TO HUSTLE FOR CHAMBER OF COMMERCE MEMBERSHIPS

Not alone are women taking an active part in political life, but civic affairs are also occupying their attention.

Grand Haven is making a campaign for memberships in order to re-establish a chamber of commerce. Among a score of men chosen to hustle, a few women have also been added to the committee.

Especially active among the women are Mrs. James W. Oakes and Miss Williamena Young.

These ladies are making a house to house canvass together with the men and are not only taking in male members but are interesting the females as well. It is understood that already one thousand members have joined at \$2.50 each, and it is the intention to bring this number up to 1500 and over.

It is considered that the more members joining the more individuals will be boosting instead of knocking for the city of Grand Haven.

123 MICHIGAN ALUMNI LISTED IN THE WAR

According to the latest figures announced at the U. of M. Alumni office, 123 university men lost their lives in the war, fighting in eight different countries. Not all fell in the service of the United States, some having fought with France, England, Canada, Italy and Belgium. Seventy of the deaths are reported due to disease; 23 were killed on the firing line; three were victims of the undersea warfare; five were lost at sea. The list, it is believed, is by no means complete and the office is endeavoring to bring it up to date.

A birthday party was given in honor of Reka Bos. The following girls were present: Gertrude Boersma, Dena Bos, Louise Bos, Gertrude Bos, Jacoba Dykstra, Catherine Bos, Lillian Dobbers, Cornelia Bos and Emma VanDen Berg. Dainty refreshments were served and games were played. The council reported last night that the city treasurer's books had been audited and found in perfect shape. The council gave the job of auditing the city books to Mr. Parkes of Grand Rapids who has done the work for several years and has done it very satisfactorily. (The contract price for the work was \$200.)

DR. L. E. HEASLEY GETS PROMOTION

Dr. L. E. Heasley of Holland, who is an instructor in propagation of poultry at M. A. C. at Lansing has been promoted and added to his work is a duty that will mean much in the breeding of animals in this state.

The office is placed under government control and Dr. Heasley gets full instructions from the national capitol.

Washington has appointed Mr. Heasley as Michigan's agent in animal husbandry, and his duties will take him to all parts of the state. Mr. Heasley is considered one of the best authorities on poultry in the country and his birds were known well and exhibited at all big shows in the United States.

COMMANDER OF FAMOUS BATTALION TO SPEAK HERE

COL. DON MORGAN SMITH TO ADDRESS PEOPLE HERE THURSDAY NIGHT

The last gun to be fired in the anti-saloon campaign in Holland before election next Monday will be touched off this evening in the First Reformed church when Col. Dan Morgan Smith will give an address there on "The World War and the Fields of France." While the subject does not seem to refer to the beer and light wine amendment, Col. Smith comes here under the auspices of the Anti-Saloon League of America and the Anti-Saloon League of Michigan and he is expected to mix a narrative of experiences at the battle front with a plea to the voters to vote no on the amendment.

Col. Smith was at one time attorney for the Model License League, but by honestly investigating the question from all sides he became convinced that he was wrong and that his cause was wrong, and so he came over to the opposite camp and is a very ardent worker for prohibition.

He was commander of the famous "battalion of death" in France, which, in the records, was the first battalion, 338 Infantry, 90th Division, A. E. F. As commander of this battalion he went into battle at St. Mihiel with 1220 men and came out with only 325.

The meeting will begin at 8 o'clock and the public is cordially invited.

Card of Thanks

I wish to thank the friends and neighbors who so kindly sympathized and assisted me during my recent bereavement.

RESIDENT HERE MANY YEARS; DIES AT 91

After a legal battle that lasted a day and a half, Att. G. J. Diekema and Att. D. Ten Cate won a double victory for the Macatawa Resort company Friday when a jury brought in a verdict for the full amount of insurance on the Macatawa bath house in the Michigan Commercial Insurance company of Lansing. The night before a jury brought in a verdict for the full amount of insurance on the bath house in the Security Insurance Company of New Haven, Conn.

Att. F. J. Ward of Detroit, a specialist in insurance litigation, handled the case for both insurance companies, but the counsel for the resort company proved to the satisfaction of both juries that it was the wind that destroyed the bath house on November 22, 1917, and that the waves had nothing to do with it. The insurance was for protection against cyclone, tornado and windstorm, and could the insurance company have proved that the water had contributed toward the destruction of the building, the companies would not have been liable.

The defense further tried to prove that the bath house was of little value, attempting to show that it was worth little more than as salvage. But the resort company attorneys proved to the satisfaction of the jury that the building was worth considerably more than the amount of the insurance in the two companies.

The defense submitted to the jury a special set of five questions all intended to show that something else than the wind had caused the destruction of the bath house. The questions were: 1. Did the wind contribute to the destruction of the building—which the jury answered with "Yes." 2. Did the high waves contribute to the destruction of the building—answer "No." 3. Did the wind and the waves together destroy this building—answer, "No." 4. Was the high water a direct or indirect cause of the destruction of the building—"No." 5. Was the wind the direct cause of the destruction of the building—answer by jury, "Yes."

There were two separate cases for the two policies in the two companies, but in each case the jury gave the park association the full amount of \$2,000 each, plus five per cent interest on the amount since the time when it should have been paid.

The defense tried to prove by the others forms of destruction at Macatawa, such as the collapsed sea-wall that the action of the waves had undermined the building, but the local attorneys proved that the waves had no effect on the spiles on which the bath house was built and that whenever a spile was showing signs of decay it had been replaced by the resort company. The defense further tried to prove that notice of destruction had not been given in time, but the resort counsel proved that the local agent of the companies, D. J. Te Roller, who wrote the insurance, had repeatedly communicated with the company on the matter within the time limit specified in the policy.

The witnesses for the plaintiff were: Swan A. Miller, president of the Macatawa Resort Company, Hyo Bos, of the Holland Lumber and Supply Company who was the original contractor and who later reconstructed the bath house, Silas A. Leath, caretaker at the Macatawa Park, D. J. Te Roller, who wrote the insurance, Herbert Van Oort, member of the coast guard crew, Capt. Jacob Van Weelden, of Coast Guard and George Haas, lighthouse keeper at Macatawa. The witnesses for the defense were Fred M. Utley of Grand Rapids, a Macatawa summer resident for many years, and James Rowson, builder of the Ottawa Beach hotel, and at one time an owner of resort property at Macatawa.

CON DE PREE'S BROTHER PRAISES SOLDIERS

Capt. Peter De Pree, brother of Con De Pree, who a short time ago, was a Holland physician and also practiced at West Olive, and has just received an honorable discharge from Uncle Sam's army has the following to say in the Sunday Herald of Grand Rapids:

"No higher tribute has ever been paid to the returning American doughboy than the spoken words of Capt. Peter J. De Pree 515 Fuller avenue, S. E., who has just returned to his home after obtaining his discharge from the service at Camp Grant.

"Capt. DePree, whose chief duties in the service consisted of examining for mental and nervous diseases of returning troops, stated that no gamier bunch of shell-shocked and wounded fighters had ever been returned to their native shores than the Yanks sent back to America reconstruction hospitals after being through the hell of fighting in Europe.

"The bravery and modesty of these boys, who generally showed the awful results of their terrible experiences by livid scars, was a thing to marvel at, said the captain. Almost without exception these boys who had fought and won and made things safe for a world-wide peace and reconstruction, were reluctant to speak of their individual parts in the battles which made such things possible."

Dr. De Pree left Monday for Ann Arbor where he will take a short post graduate course at the University of Michigan before resuming his practice here."

Mr. and Mrs. E. P. Stephan, Mr. and Mrs. Charles McBride and J. A. Vander Veen were in Grand Rapids Wednesday.

MAKING READY FOR ELECTION IN ZEELAND

The city of Zeeland surely expects a hot election on April 7. The common council of that city is afraid that so many will come to the polls that the election officials will be swamped and the election equipment found inadequate to accommodate all who wish to vote. To avoid this contingency, the Zeeland Council has caused to be printed, by official order, in the Zeeland Record a sample ballot, accompanied by the announcement that all voters, especially new voters, by whom are presumably meant new woman voters should study the ballot carefully and make up their minds beforehand whom they wish to vote for, so that the time consumed in voting may be as short as possible. In this way the council hopes to give all a chance to get into the booths during the time allotted for the voting.

Further with the same thing in view, all who can possibly do so are advised by the council to avoid the hours between 11 o'clock and 1 and the closing hour. That is the time when the workmen vote and all others who can do so are asked to steer clear of the rush time, so as to avoid congestion.

There are two tickets in the field, a Republican ticket and a Citizens' ticket. The candidates are the following, the first named for each office running on the Republican ticket, and the second on the Citizens' Tickets: Mayor, Isaac Van Dyke and D. F. Boonstra; aldermen, full term, John A. Hartgerink, David De Bruyn; Alderman, full term, John Staal, John H. Haan; Alderman, full term, Jacob A. Elenbaas, Wm. Hieftje; Supervisor, Henry Rook, no opposition; city treasurer, Benj. H. Goozen, Adolph De Koster; constable, Martin Bareman, John Van Duine and Gerrit Van Dyke on the republican ticket and John C. Bowens, C. J. DeKoster, John Tinkholt and Edward DePree on the Citizens' Ticket.

ROADS AT A BARGAIN

Hitherto it has been expected that if the Michigan road bond issue carries we should get about five million dollars out of the federal aid fund. The department of Agriculture, however, announces that Michigan's share is about eight million instead of five, which makes the state road plan all the more attractive.

This means that Michigan can build sixteen million dollars worth of highways for eight million dollars. In other words a bargain counter has been opened, upon which Michigan can buy good roads at half price. Certainly no such "marked down" sale of good roads was ever before presented to the people of this state.

But there is another point to consider, besides the bargain feature. Michigan is going to pay for about eight million dollars worth of road work in other States, willy-nilly. We are not going to get eight million federal aid as a free gift. It is only our own money coming back. Michigan must contribute her share to the federal aid fund anyhow. This fund is 275 million—75 million under the law of 1916 and 200 million under the later law. We can get eight million of it back if we want to. Or we can let the whole 200 millions be spent in other states. The only way we can get it back is by

matching Uncle Sam dollar for dollar in road work. The only question then, is whether we shall pay our share to Washington and get it back again, or whether we shall pay it and see it spent on the roads of other states and not get it back.

It seems hardly thinkable that the Michigan voters would choose the latter plan, especially after the assurance from Lansing that no excessively big program is to be undertaken. Some people had the idea that the whole \$50,000,000 of road bonds were to be spent at once, but the highway commissioner has recommended a program of only five millions a year, and the state senate has gone on record to the same effect. There is nothing about the state bond amendment that need scare anybody. It simply enables the state to pay enough road rewards each year to get the full benefit of the federal aid.

Five million dollars a year will be enough for that purpose. If we spent that much we can get a dollar from Washington to match each dollar of our own. The right to issue bonds will enable us to do this. Otherwise we shall have to raise the money by taxation, or else not spend so much for road work and thereby lose part of our share of federal aid. The whole proposition is as plain as A B C. To vote down the bond issue will cost Michigan a great deal of money.

Good Things To Eat

After a strenuous day's work it is with delight we sit down to a bountiful meal.

And we start right in to satisfy the inner man.

The good wife has not overlooked anything in her endeavor to appease the appetite.

She has learned long since that the most direct route to her husband's heart is through his stomach. The men are all alike in this respect.

And why shouldn't we have good things to eat? We only live in this old world once and the best way to get the most out of life is to enjoy it every day as we go along.

Don't wait until tomorrow to begin using

Lily White

"The flour the best cooks use"

For every day you are without it you are missing something.

Your bread will be more delicious, lighter and whiter if baked from LILY WHITE.

Your bakings will be more uniformly excellent.

LILY WHITE is more than just flour. It is the best part of the choicest wheat carefully and scientifically milled into the very best flour it is possible to produce.

The way to have better bread, biscuits and pastry is to use better flour, and the way to have better flour is to buy LILY WHITE "The flour the best cooks use."

Your money will be cheerfully refunded if you do not like LILY WHITE FLOUR as well or BETTER than any flour you have ever used.

CANNERY TO BUY FRUIT AT SAUGATUCK

William Vander Ven, manager of the Holland Canning Co., was in Saugatuck recently, making arrangements to open up a receiving station there, which will be operated during the entire summer and fall and which will give a home market for all fruits and vegetables grown.

The plan is to have a ware house, with a representative of the company in charge, who will buy all fruits that are offered for sale. This fruit will be taken in and paid for at that station, and will be brought to the factory at Holland by trucks. This plan will give the farmers in that community just as good service as if a factory were located there.

This company has done considerable business in that community in the last few years, and their method of doing business is well known to many of the farmers. They are building a large addition to their factory this spring and will be in a position to take care of a large amount of fruit. In addition to handling a full line of fruits they also handle wax beans and tomatoes.

ASK THAT CHANGES BE LISTED NOW

The Citizens' Telephone Co. of Holland and Zeeland began preliminary work Monday on a new telephone directory that is to be published some months hence. Work on such a directory has to be started many months in advance of publication date because of the fact that thousands of subscribers have to be listed, and many changes have to be made.

The first thing to do will be securing all the changes in numbers, home addresses, and so on. Any patron of the company that wishes a change made in the new directory in regard to his telephone is asked to get into communication with the company at once. In the past people have sometimes neglected this with the result that after the book had been printed they found that a change they wanted made had not been made. To avoid this, people who have changes are asked to communicate with the bookkeeping department No. 1831, at once.

AWAITING HIS SENTENCE MAN IS TAKEN AGAIN

Last week in circuit court Marinus Van Houten of Polkton was convicted of assault upon appeal from the justice court jury and is awaiting call for sentence by the court. Monday Sheriff Dornbos arrested Van Houten again on a warrant which alleges cruelty to animals.

OFFICER TAKES OLD JOB ON HIS RETURN TO GRAND HAVEN

Lawrence De Witt, who has recently returned from service with the United States artillery overseas Tuesday resumed his work as deputy sheriff and court officer at the county jail as a member of Sheriff Dornbos' staff. Jack West, who has been filling the post temporarily, has returned to his home in Holland.

Lawrence De Witt is also a Holland boy, formerly being driver at Engine House No. 1.

INTOXICATION CAUSES A BIG AUTO SMASH-UP

While the automobile of Frank Harmen was standing at the curb on Twelfth street in front of Holland hospital Sunday evening, the occupants of the car being in the hospital at the time visiting somebody there, another car driven by John Lokker came along on Twelfth street headed east, struck the waiting automobile a sideswipe with such force that it spun around, scooted across the street and came to a stop on the other side headed west.

Both cars were badly damaged, but the machine driven by Lokker had the worst of it in the encounter. The damage to the two machines is estimated at between \$300 and \$400. The accident took place at about eight o'clock on Sunday night.

But the aftermath of the mix-up of automobiles came when Officer Steketes appeared on the scene and placed Mr. Lokker, driver of the car, under arrest. The charge was operating an automobile while being intoxicated. Lokker spent the night in the city jail where he was given an opportunity to sober up. Monday morning he was arraigned before Justice Van Schelven who promptly assessed a fine and costs against him amounting to \$54 when a plea of guilty was entered in the dock.

The fine added to the repair bill that the driver will be called upon to pay, makes the joy ride while under the influence of liquor an expensive one. Moreover there are expected to be other consequences for him and the party with him in the machine for which the police department is making arrangements. Driving a car while intoxicated is considered one of the worst crimes in automobilism, and local justices are pursuing a policy of relentlessness toward offenders in view of the fact that all who are guilty of it are potentially a danger to all other drivers on the road.

As a result of the smashup of Sunday night Herman Van Tongeren, a brakeman on the Pere Marquette railroad, was arrested Monday afternoon on the charge of furnishing liquor to Lokker. Mr. Van Tongeren denied the charge and demanded an examination which was set for Friday of this week. He was placed under bonds amounting to \$300.

Getting Ready for Erection of Many New Houses Here

The big boom in building additions to factories is to be followed in Holland by another big boom in the building of homes. At least that is the opinion of several people in Holland who have made it a business for years to watch the development of the city along this line. Real estate dealers are getting ready to meet this new situation and they believe that this city will experience such a home building boom as it has seldom seen before.

One real estate man is encouraging the public to help this movement along by loaning money to prospective builders. He is asking people who have a little spare money to invest it in securities of this nature in preference to placing it in other things. In this way they will be helping along the growth of the city, he points out, and at the same time they will be helping the city industrially, because the additional army of workmen that will be employed here when all the new concerns have added new working forces will necessarily have to be housed. That kind of investment will be in the nature of an investment in community advance, he declares.

Contractors believe that the erection of houses will be very brisk and are getting ready for it. Holland at present has few vacant houses.

EMPLOYEES GIVEN A FINE BANQUET

The employees of the De Pree Chemical company were banquetted Saturday evening with a big chicken dinner. Plates were laid for 150 in the large labeling room of the factory which was decorated with American flags, and a most delicious feast was enjoyed.

The entertainment proceeded with the Star Spangled Banner, by all. Then a big spectacular march in which every participant wore a colored headgear with an American emblem attached. The balloon run was a big number on the program. Almost everyone was lucky and there were several explosions—nobody hurt. The entertainment ended at 11:30 with a remembrance they will long cherish, the goodwill of their manager, Con De Pree. Mrs. Jacob DePree and Mrs. Robert De Pree were responsible for the surprise banquet.

Among the highway improvement projects for the coming season is the building of approximately two miles of state road—probably of concrete—east of the village limits on the old Allegan trail known as the "bayou road." This will include the grading and improving of the hills on either side of Silver lake bayou which has always been a dangerous point for traffic becoming in the winter entirely impassable. Surveyors are working on the project this week.

Born to Mr. and Mrs. Thomas Ollinger, 60 East 14th Street, an eight pound boy.

DUTIES OF DRAFT BOARD ARE OVER

The Ottawa County Draft Board will soon be an organization of the past. The war is over, the work is done, the books are closed, the clerk has been released, and all vouchers for moneys due, have been paid.

Chairman Chief Van Ry has received orders to pack up all the books, all the blanks, all the cards, all the correspondence, and every scrap of paper that entered into carrying on the business incident to a draft board.

These have all been packed by Chairman Van Ry of Holland and Sec'y D. F. Boonstra of Zeeland, and these men find that 22 large boxes were necessary to take care of the accumulation since the war began.

The war started in April, 1917. The board started its work in May, 1917, and the first draft was taken on June 5, 1917. In all the drafts taken during the war, 670 men were enlisted from lower Ottawa county. Of that number seven deserted, and if caught will have to face a court-martial. Three of these men come from Holland. They are Koert Eving, Theodore Palfener, and Zeeland also has three, George Pedels, A. D. Hutchinson, and Fred Lampen. Henry Carr of Waverly is also in the list. These names have been sent to Adjutant General Bersey at Lansing, Mich.

Although the draft board is finally discharged and their work is completed their official discharge will no doubt come shortly afterward. The personnel of the draft board is as follows: Frank Van Ry of Holland, chairman; D. F. Boonstra, of Zeeland, secretary; and Dr. R. H. Nichols, of Holland, examining physician; other physicians who aided in examinations were Dr. J. J. Mersen, who was first appointed, but resigned on account of ill health, Dr. H. Bos, J. A. Mabbs, A. Leenhouts of Holland, G. J. Huizinga of Zeeland, and Brower of Drenthe, were also assistants.

The young ladies who served as clerks during the life of the draft board were the Misses Marcelene Deto, of Holland, Dora Veneklaassen of Zeeland, and Miss Henrietta Plasman, formerly of Holland, now Mrs. Marion Gosselink of West Branch, N. J. And thus endeth the duties of the Holland Draft Board on the 31st day of March, A. D. 1919.

COMMUNICATION

Last Wednesday night I attended a Socialist meeting and in the course of his remarks, the speaker stated that Bolshevism in Russia was only "Socialism with its working clothes on,"—in other words "Socialism in practical operation." And that Bolshevism was spreading all over the world and that before long it would be supreme in America and that was what would be a desirable thing. These remarks were largely applauded by many present. I thought as I went home what a pity that the speaker and those who applauded him do not immediately travel to Russia and leave those of us who believe in a Democracy to try and worry along without them.

Just think how they would enjoy life there in advanced Russia where free speech has been done away with and where the people have traded off Czar Nicholas for Czar Levine and have the wonderful pleasure of having nothing to eat, wear or keep warm by. The population of Petrograd has shrunk from 3,500,000 people to less than 200,000 and that would surely mean plenty of room there for our American Bolsheviks.

I learned something new at this meeting. I had a birthday last week and while I am quite a little past the school age, I am always glad to learn. The speaker said that up to within the last ten years the majority of homes in Holland had a horse whip hanging on the wall which was used by the husband of the family to make his wife submit.

I have lived in Holland for the last 26 years and I must say that this is the first time I ever heard of this; but as I said before, one is never too old to learn. Now I understand in Russia they have an improvement on this. The woman asks the man to marry her: all right, he agrees. They try it awhile. (There are no horse whips used) if they don't pull together, they separate and try it with another partner, there being no limit to the number of trials of marriage one can have, so by the time a man has tried ten or twelve different wives if he hasn't found one to suit him, he is in hard luck and hard to please. By this time he is liable to have an assorted family. Never mind, the government will bring 'em up. Let's all go to the next Bolshevik lecture.

Yours truly,

Ray Nies.

Rev. Henry J. Veldman, pastor of First church, has been elected president of the classical board of benevolence which has for its purpose to aid needy students in securing an education. It is anticipated the beneficiaries will enter the ministry or mission field. During the last year aid was extended to 14 students and two applicants have just been accepted. The receipts for six months totalled \$935.19. The other officers elected are: Vice president, Rev. John Van Peursem of Kalamazoo; secretary, Rev. G. De Jonge of Zeeland; treasurer Arend Visscher of Holland.

City Clerk, Holland, Michigan.

LOCALS

E. L. Lawrence, aged 59 years, died Tuesday evening at 11 o'clock at his home at 25 East Tenth street. Mr. Lawrence has for the past three years served as agent for the Singer Sewing Machine in Holland. He is survived by a widow and one daughter, Mrs. Hazel Lewis of this city. The funeral will take place Friday afternoon.

Jack Bennett, vagrant, was arrested Saturday by Police Chief Pippel, after he had lifted a bottle of milk from a porch. He went to jail for ten days.—G. H. Tribune.

Mrs. Henry Van Ark celebrated her birthday Tuesday and a pleasing telegram of congratulations was received by her from her son Carroll stationed at Fort Bliss, Texas.

Miss Maxine Boone entertained at the home of her parents, Mr. and Mrs. P. F. Boone on East Ninth street, in honor of Miss Frances Huntley of Muskegon, who is the guest of relatives in the city this week. About fifteen young ladies were present. Games were played and light refreshments served, all present reporting a very enjoyable afternoon.

Lewis Westra, aged 14, died at the home of his parents, Mr. and Mrs. S. Westra, 234 East 11th street. The deceased is survived by his parents, three sisters and one brother. The funeral will be held Friday afternoon at 1:30 from the home, Rev. E. J. Turk officiating.

Peter Tilroe who has resided with Wm. Blum, 254 E. 14th street, died Tuesday night, aged 73 years. He is survived by one brother Abraham Tilroe of this city. Funeral services were held Thursday afternoon at two p. m. from the home. Rev. Elmsk officiated.

The annual party of the Holland High School Student Council took place Tuesday, April 1, at Maentawa Park in the Te Roller Cottage. The day was spent hiking through the hills and dancing to the music of a Victrola. A good dinner and supper were provided and a lively time was enjoyed by all. The party was chaperoned by Mr. Sirrine and Miss Jeanette Mulder. The members of the Council who were present were: Buena Speers, Kathryn Van Duren, Maxine McBride, Wilma Meyer, Mary Hunt, Ellinbeth Read, Etta Van Domsela, Harold Hunn, Harold White, Earl Knutson, Russel Huntley and Chester Sulkers.

Leonard Visser who has been confined to the Holland Hospital for the past three weeks was taken home Wednesday and is improving.

Arthur Kieft was taken to the county jail Monday by Deputy DeWitt for breaking his parole which Judge Cross gave him last winter. Kieft has already served three terms in prison.

Third Reformed church of this city will join in a state-wide memorial service next Sunday evening for E. K. Warren, for years chairman of the executive committee of the State Sunday School association and a leader in national and international Sunday school work. Addresses will be delivered by President Henry Geerlings of the State Sunday School association and by Prof. W. Wichea.

Mr. and Mrs. H. Wolbert celebrated their 31st wedding anniversary at the home of Mr. and Mrs. C. Spykhoven, 249 West 13th street. Those present were Mr. and Mrs. H. Wolbert, Gerrit Wolbert, Mr. and Mrs. John Rotman and son Marvin, Mr. and Mrs. Harry Aalderink and sons John and James Henry and Mr. and Mrs. C. Spykhoven and Marie. Dainty refreshments were served.

Contractor Frank Dyke of Jackson and Holland has closed a contract to build the Bush & Lane Piano Co. new building. Excavation is already well under way, and the laying of the foundation will start within a few days. This new structure will be finer than at first contemplated, as pressed brick instead of the ordinary brick will be used. "Fritz" Jonkman has been retained to supervise the construction.

Rev. James T. Veneklaassen, pastor of the Presbyterian church of Grand Haven, preached his farewell sermon Sunday and has left for Baltimore, Ohio, Wednesday, where he has accepted a charge in Faith Presbyterian church. A farewell reception was given by Rev. and Mrs. Veneklaassen which was largely attended by members from all congregations at the county seat. Mr. Veneklaassen is a graduate of Hope College and comes from Zeeland. Mrs. Veneklaassen was formerly Miss Anna Schuelke, of Holland, who is also a graduate from Hope College.

Friday afternoon at 2 o'clock occurred the funeral of Mrs. E. C. Oggel. The funeral was private, only relatives and friends being present. The services were in charge of Rev. C. P. Dame of Trinity. A duet, "Forever with the Lord," by Gounod, was effectively rendered by Mrs. Reuben Maurits and J. B. Nykerk. Among those attending from out of town were Mrs. George Lynden, Chicago; Mrs. G. P. Hummer, Mr. and Mrs. Fred Pantlind and Mr. George P. Hummer of Grand Rapids and Mr. and Mrs. Rokus Kanters of Kalamazoo. Mrs. Oggel was buried in Pilgrim Home cemetery.

Henry Cook, son of Mr. and Mrs. Gerard Cook has returned to the city after being in the government service for ten months. He was stationed at Newport News, Va.

Fire was discovered at 7:30 Saturday morning in the harness shop of Mr. Hoekstra on Lincoln avenue. Both departments responded quickly and the damages were less than \$5.

Ben Diekema with the West Michigan Laundry, sustained a fracture of the wrist while chanking a Ford.

Diek Stokete received a telegram announcing that his son John has arrived safely from overseas. On March 21 at 11:13 a. m. it was official spring and the wind was northeast. March 31, ten days later the wind is still northeast. We wonder if it is true.

In a write-up on the death of Mrs. E. C. Oggel, nee Pluggler, at Holland, the Grand Haven Tribune mentions among other things that the late Rev. E. C. Oggel was at one time a pastor at the county seat and that he had also served congregations at New Paltz, N. Y., and Honolulu on the Sandwich Island.

Excavation for the P. S. Boter building has already started and the laying of the foundation will be begun either Monday or Tuesday.

Mr. and Mrs. William Poppe have received a telegram stating that their son Elmer has arrived safely from overseas and is now in this country, and is expected home most any time.

George P. Tilma, former mayor of Gr. Rapids, and a former Holland resident, was elected vice-president of the Wyoming Community club at the meeting in Wyoming township last Friday.

The roster on this date at the Michigan Soldiers' home, Grand Rapids, follows: duty, 488; hospital, 117; passes, 215; admitted this month, 8; discharged, 14; deaths, 1. Woman's Annex: duty, 95; hospital, 106; out on pass, 54; total: men, 820; women, 255.

A number of local members of the Methodist Women's Foreign Mission society are expected to attend a meeting in Holland April 28. Lena Leonard Fisher will be the principal speaker.—G. H. Herald.

Dr. H. Boss returned to Holland last Friday from Los Angeles, Calif., arriving here with the body of his wife, who died in the West. The funeral was held Saturday afternoon at the home of J. D. Boss, on 19th and Central avenue, Rev. H. Hoeksema, and Rev. Paul P. Cheff officiating.

Dr. J. A. Mahbs is putting a new roof on his buildings on East Eighth street. The Dr. says that the quicker all get rid of the old fashioned shingles on their roofs the freer Holland will be from roof fires. We o. k. the doctor's statement.

The Fraternal Society of Hope College held their term business meeting Thursday evening and elected the following officers for the spring session. President, Teunis Prins, Holland; vice-president, P. Baker, Passaic, N. J.; secretary, Theodore Yntema, Holland; treasurer, Nauko Bos, Chicago; K. of A., Francis Ihrman of Holland; Janitor, Robert Granert, Chicago.

John Timmer, a soldier who received his discharge at Camp Ouster recently, was the guest of honor at a party held at the home of Mr. and Mrs. John Staal in Zeeland. His many cousins of that city, fourteen in number, gathered to spend the evening with him. Mr. Timmer expects to leave soon for his home in Ellsworth.

A new ironclad dry law, passed unanimously by the state senate, was Saturday awaiting the signature of Gov. Sleeper. This law, replacing one recently invalidated by the state supreme court, hermetically seals the lid in Michigan, making it a felony for any person except druggists or others specifically exempted to "import, sell, ship, transport, deliver, receive or have in his possession" any intoxicating liquor. Search of private homes, however, cannot be made without a warrant.—G. H. Press.

Mayor Nicodemus Bosci and City Attorney McBride have returned from Lansing where they helped "put a nail in the coffin" of the new public utility bill, which the city attorney states is a vicious bill and is being opposed by most of the cities in the state.

Mr. John F. Vanden Belt of Fillmore and Miss Mable Posma of Holland township were married at Zeeland by Rev. Gebhard De Jonge.

Fred Boone was given the contract to do the excavation for the new Bush & Lane factory building. He has 12 teams busy and about twenty men are on the job.

Mr. and Mrs. R. Vander Ploeg, Mrs. H. Scholtens, and Mrs. L. Wierenga of Chicago, Rev. H. Vander Ploeg of Sheboygan Falls, Wis., and Henry Vander Ploeg of Detroit were in Holland Monday to attend the funeral of their mother, Mrs. T. Vander Ploeg, at Zeeland.

Daniel M. Vos, son of Mr. and Mrs. Fred J. Vos of 502 N. Seventh St., of this city, recently returned from France where he served for over a year as wagoner in the 41st Field Artillery. The young man is now visiting friends and relatives in Holland.—G. H. Tribune.

Retail clothing dealers of the state in convention at Detroit promise to reduce the price of men's suits ten per cent next autumn. In fact, the more old-fashioned ones may even resume the one-time practice of throwing in a pair of suspenders.—Detroit Free Press.

"Dick" Allen of Allegan took an involuntary bath in the river below the dam much to the amusement of the spectators and discomfiture of the bather. He was attempting to place a fishing stand in the middle of the stream and was in the act of planking the structure when his boat tipped over. Though the water was very swift the stream was not deep and Allen was taken out by two boys in a boat. His fishing stand, boat and all went down the river and were soon lost sight of.

The funeral of Mrs. T. VanderPloeg who died Thursday at the age of 91, was held from the home of Mrs. James Cook in Zeeland Monday afternoon, Rev. H. J. Veldman of this city and Rev. Benj. Hoffman of Zeeland officiating. The children and several grandchildren from Chicago, Detroit and other places were present. The deceased is survived by 108 descendants, namely, seven children, 35 grandchildren, 64 great grandchildren, and two great-great grandchildren.

Sergeant Harold E. Veldman, son of the Rev. and Mrs. H. J. Veldman received his discharge from the army last Wednesday at Camp Ouster, this occurring by a strange coincidence on his birthday. He immediately accepted an appointment, however, as army Field Clerk, which carries with it a good salary. For the present he will remain at Camp Ouster.

To Mrs. Anthony Stokete, East 13th street, belongs the honor of having returned to the Red Cross the first pair of stockings knitted for the last quota. Mrs. George Dalman came in a close second.

The Klomprens Auto Painting shop on West Tenth street are turning out a repainted car now every other day. This firm is very busy and the work they do and have done makes the old cars hard to tell from the new.

Attorneys G. J. Diekema and Daniel Ten Oate were in Grand Haven for a few days telling the jury that the wind and not the waves blew down Swan Miller's bath house on Lake Michigan front two years ago. Apparently the jury believed their version, considering the verdict.

The Misses Ella Van Patten, Gertrude Tiesenga, Gladys Kronmeyer, Anna Van Putten, Geneva Van Lente, Minnie Vander Elst, Laura Lemmen, Lena DeHaan, and the Messrs. John Kempers, Harry Boersma, Fred Dekker, Bertal Slagh, John Meengs, Tony Meengs, Gerrit Meengs, Henry Warnhuis, spent Saturday afternoon and evening at Te Roller's cottage at Maentawa. In spite of the rain, which none were prepared for and four of the party missing the car and being obliged to walk, all returned home in safety altho at a late hour.

Star of Bethlehem Chapter No. 40 O. E. S. will hold their regular monthly business meeting and annual election of officers Thursday evening, April 3. It is the desire of the Worthy Matron that every member who can possibly do so will be present and that the same splendid spirit evidenced that has prevailed throughout the entire year.

The members of the Star of Bethlehem O. E. S. Chapter No. 40 are preparing to hold an Easter Bazaar and Baked goods sale to be held at Paul Ooster's Photo Shop Saturday, April 19. Members are urged to attend the sewing circle on Thursday afternoon of each week that all articles may be finished in good time. The proceeds of this sale will be used as the nucleus for a fund for new dishes.

The Jamestown State Bank, the youngest of Ottawa county's banks, already shows resources of \$206,237.98 which was not equalled by any other Ottawa county bank in the same period of existence, and is evidence of prosperity of a rural district which has only recently come out of the woods. The township of Jamestown has excellent soil and consequently a prosperous farming community.

A farewell surprise was given in honor of Miss Clara Belle Eckert Monday afternoon. Miss Eckert is to leave Holland in a short time. The afternoon was spent with music and games. Those present were: Hazel Albers, Evelyn Albers, Bernice Beery, Bessie De Fouw, Catherine Eckert, Dorothy Haan, Arleen Haan, Della Overweg, Ruth Marcott, Anna Smeenge, Anna Slagh, Margaret Spencer, Josephine Van Dyke and Mae Johnson.

Members of Methodist Episcopal foreign missionary societies of the Grand Rapids district will meet in the First Methodist Episcopal church in the morning and afternoon, April 28, to hear Lena Leonard Fisher. The public is invited to attend. Mrs. Fisher is an interdenominational speaker.—G. H. Press.

Bell phone officials were working for a right of way for their lines between Grand Haven, Holland, St. Joseph and Chicago.—File copy 20 years.

PERSONALS

Harry Griffen of Holland, who has fought bravely with the 32nd Division in France, going thru the worst battles of the war, is home.

Nick Hofsteen and family and Frank Oosting and family, who spent the winter at St. Petersburg, Fla., began their return trip to Holland Tuesday, according to cards received here by friends. They will motor back to Michigan.

E. F. Miner, the onion king of Allegan county, sold three hundred sacks of onions weighing 100 pounds each, for \$300, making the sale in January. If he had that amount of onions today he could get \$5 per sack or \$1500 for the three hundred sacks.

It is said that the damage to the two cars that were smashed in the Sunday evening's fracas, near the Holland hospital will be nearer \$1,000 than \$400, since the garage man has had a chance to look at them more closely. John Lokker's car received the worst of it.

A bad accident was narrowly averted when an automobile driven by George J. Deur collided with a machine operated by J. Hartgerink of Overisel. Both cars were badly damaged.

Miss Maxine Boone spent the weekend with relatives in Muskegon. Mrs. George E. Kollen and children left Friday night for Frankfort, Ky., for a week's visit with Rev. and Mrs. J. C. Pelgrim.

Contractor "Fritz" Jonkman was in Grand Rapids on business Saturday. City Clerk Richard Overweg was in Grand Rapids on city business Saturday.

Mrs. Frank L. Kuite was a Grand Rapids visitor Saturday.

The earlier the spring, the earlier the first homegrown radish. Word has been received stating that Priv. James Cook has arrived in this state and is expected to be home in a very short time.

PLAN NEW BILL TO ADMINISTER ROAD BOND FUND

HIGHWAY COMMISSIONER ROGERS MEETS WITH LEGISLATIVE COMMITTEES TO ARRANGE FOR DISTRIBUTION OF MONEY.

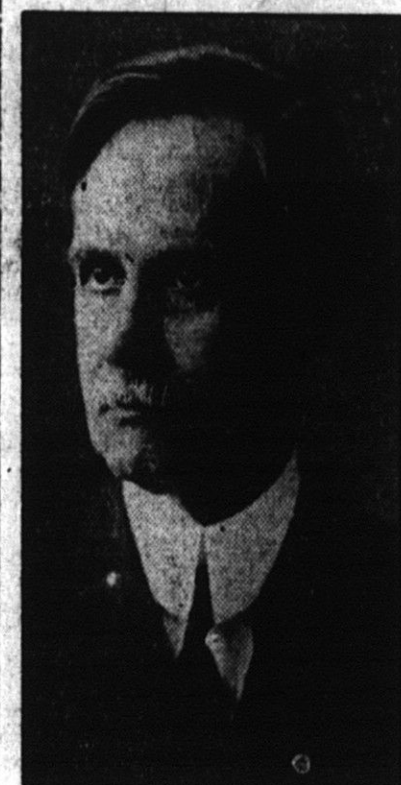

TO MEET FEDERAL AID FIRST

Government to Furnish Equipment As Well As Cash to Help Pull The Wolverine State Out of the Mud.

Lansing, April 2.—Highway committees of the House and Senate, together with State Highway Commissioner Frank F. Rogers, are busy working out a new bill for introduction immediately following the ratification of the Good Roads amendment at the election April 7, which will serve to arrange for the distribution of the money to be raised from time to time on the Highway bonds.

Rep. Frank B. Aldrich's bill establishing a sliding scale of state reward for road building, which most people supposed was designed as the machinery for the administration of the Highway bond proceeds, will serve only as a part of the legislative machinery. Commissioner Rogers has gauged public sentiment and is convinced the people now so understand the proposed Highway amendment and so thoroughly approve of a system of permanent roads built under a deferred payment plan and with Uncle Sam matching the state's investment on a dollar-for-dollar basis, that he is proceeding under the assumption that the proposal will get an overwhelmingly favorable vote at the spring election.

New legislation must be provided to assure the use of a portion of the funds raised from time to time from the sale of bonds, to guarantee Michigan it's more than \$7,000,000 share of Federal aid during the next two years. Some special provision must be made

State Highway Commissioner, Frank F. Rogers.

for caring for bridge construction in such a way that it will not be a burden on the local community and there must be machinery to assure the local communities their full quota of state reward. All these points will be incorporated in a new bill which probably will be one of the last pieces of legislation, pushed through the house and senate.

Mr. Rogers also announced that Michigan will receive some 4 per cent of the vast quantities of war equipment and supplies that could be converted to highway building. This will be distributed in the same ratio as the Federal aid and he already has as surance of a large number of trucks, automobiles, stone-crushers, road rollers, surveyors' instruments, tractors, locomotives, cars, narrow-gauge track, steam shovels, concrete mixers, etc. And this is but a small portion of what Uncle Sam will send into Michigan to help the state spend its own and the government money in the most economical, efficient manner in the construction of a comprehensive system of main market roads leading into every community.

SUPERVISORS INDORESE GOOD ROAD AMENDMENT.

Nearly all of the County Boards of Supervisors have passed resolutions indorsing the proposal to amend the constitution to provide the machinery for issuing bonds from time to time for the construction of a system of main market roads leading to every community. In addition to the indorsement of individual boards, the State Association of County Supervisors, in annual session at Lansing, adopted a resolution pledging themselves individually and collectively to help the movement and help educate the people to the true character of the proposal.

FACTS AND FIGURES OF "FLU"

Are Physicians Hopeless With Acute Diseases? Who Failed To Cure The Acute And Let Them Become Chronic? Do Chronic Cases Live On In Spite Of, Not Because Of Physicians

PUNGENT AND POSITIVE PROOF

The "Flu" flurry began about October 1st. Its end was definitely in sight December 25th, 1918. Since the last named date we have been compiling Medical; Osteopathic, and Chiropractic statistics, covering between those dates. They are as follows:—

DAVENPORT, IOWA STATISTICS

No. of "Regular" Physicians	No. of cases under Medical Care	Medical Deaths
50	4,953	274
No. Davenport Chiropractors (including students and faculty)	No. of cases under Chiropractic [Adjustments]	Chiropractic Deaths
150	1,633	1

UNITED STATES OSTEOPATHIC STATISTICS

No. of Osteopaths	No. of Cases under Osteopathic Treatment	Number of Deaths
344	10,141	80

NATIONAL CHIROPRACTIC STATISTICS

Number of Chiropractors	Total Cases	Total Chiropractic Deaths
865	35,314	41

The Davenport Medical Death Ratio is 1 to 18 cases.
The American Osteopathic Association Death Ratio is 1 to 127 cases
The Palmer School of Chiropractic Death Ratio is 1 to 1,633 cases
The Grand National Chiropractic Death Ratio is 1 to 886 cases.

CONVINCING CONCLUSIONS

When you read the above, you wonder about this boasted education of physicians; how much they know; how much power they want to control people with. Not being satisfied with being useless in the face of the "Flu" they try to drive Chiropractic into the same useless educational channels, claiming that we can't do anything until we know everything they were taught; that we can't be competent Chiropractors until we have been taught the Theory and Practice of Medicine. That man is BEST educated who is MOST useful.

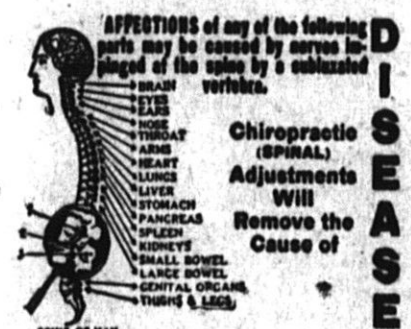

Over 400,000 people in the U. S. have died of "Flu" under medical care; this in spite of the fact that they have practically had military control of cities with their bans on business; people compelled to wear masks, quarantines on homes, vaccines, etc.

If 7,200,000 people in the U. S. had "Flu" and, Chiropractors could have adjusted these 7,200,000 people; and the Chiropractic death rate is 1 886; then only 8352 would have died, not 400,000.

Our reports further show 35,314 cases with a death rate of 41 cases as compared with the physicians' death list of 274 with 4,953 cases.

In the light of these positive, provable figures, take adjustments for the "Flu" or any of the aftereffects. It is apt to save your life and may prevent unnecessary suffering.

CLUB WOULD MAKE VOTING COMPULSORY

The Forward Movement club has initiated a movement for compulsory voting and the compulsory taking out of citizenship papers by aliens. This subject was discussed at a recent meeting of the club at which time a roll call was on the subject of why people do not come out to vote. It was the opinion of the members at that time that the lack of interest in elections on the part of American citizens was a blot upon the nation.

Translating this opinion into action, the club has drawn up a petition addressed to Congressman Carl E. Mapes. The petition was distributed Wednesday for the first time. About fifteen copies were placed in drug stores, cigar stores and other public and semi-public places with a view of securing a large number of signatures. Should the copies now in circulation be insufficient to hold all the names, others will be forthcoming.

The petition asks that Congressman Mapes introduce in congress a bill that shall make voting at elections compulsory. The petition does not state how this is to be done, what penalty is to be provided for non-compliance. All that is left to the discretion of the congressman from this district.

The petition further asks that Congressman Mapes introduce a bill in congress which shall make it incumbent upon foreigners to take out citizenship papers after they have lived in this country the required length of time. In this matter also the method of attaining the desired result is left to the congressman, the local club merely wishing to convey to him the sentiment on these two matters in this community.

The petition will probably also be circulated in the factories and a large number of signatures are looked for by those furthering the movement.

WILL PRICE OF SODAS GO UP IN HOLLAND?

Will sodas and sundaes be higher in Holland the coming summer than they are now? That is a question agitating the minds of the consumer and soda dispensers both. The soda men have come to no conclusion in the matter, and all they know is that they will have to pay a tax of one cent on every five and ten cent sale of ice cream, beginning the first of May—not beginning the first of April, as the Grand Rapids papers stated recently.

A few years ago the retail dealers paid forty cents per gallon for ice cream; now they are paying one dollar per gallon. It is a fact that sundaes and sodas are lower in price in Holland than in most cities. In Grand Rapids for instance they are fifteen cents, and dealers there are wondering whether they shall charge seventeen after May first. In that city also, they have come to no decision as yet.

Following is the act which the local dealers in ice cream will have to comply with beginning May first:

"Sec. 630—That on and after May 1, 1919, there shall be levied, assessed, collected and paid 1 cent for each 10 cents or fraction thereof, of the amount paid to any person conducting a soda fountain, ice cream parlor, or other similar place of business, for drinks commonly known as soft drinks, compounded or mixed at such place of business, or for ice cream, ice cream sodas, sundaes, or other similar articles of food or drink, when any of the above are sold on and after such date for consumption in or in proximity to such place of business.

"Such tax shall be paid by the purchaser to the vendor at the time of the sale and shall be collected, returned, and paid to the United States by such vendor in same manner as provided Section 502."

CHILDREN GIVEN FINE BANQUET BY THEIR ELDERS

An annual event of more than ordinary importance to a large number of children was pulled off Thursday evening when the members of the Star of Bethlehem, Chapter O. E. S., No. 40, entertained for their children with a party and a supper in Masonic Hall. Some forty-five children of the members took part in the event and were given a supper at six o'clock. The middle of the table was graced by a large birthday cake containing one large candle. The annual event was inaugurated a year ago and the party of last night marked the first anniversary of the function. Hence the single candle. At each child's plate was a small cake with a small candle for the same reason. Potted plants and other novelties formed the rest of the decorations.

Gladly we call your attention to the Holland Business College. Under the able supervision of Mr. O. H. Kenna you can be assured that your son or daughter receives a thorough business training. Why don't you talk the matter over with him?

After the children had been given a bounteous spread, their elders sat down to a banquet, some seventy-five taking part. Following this a children's program was given, games were played, prizes won and a general good time indulged in.

The following program was rendered by the children:—

Piano Solo.....Bessie Kraker
Song.....Helen Deagen
(Acc. by Mrs. Deagen)
Reading.....Edna Helmbolt
Piano Solo.....Kenneth Parish
Dance.....Sara Lacey
(Acc. by Miss Elba Clark)
Song.....Mabel Vanden Berg
Piano Solo.....Bessie Schouten
Reading.....Wallace Oobb
Duet.....The Tiner Sisters
Reading.....Alice White
Song.....Master Babe Marsh
(Acc. by Miss Laura Marsh)
Violin Solo.....Martha Rich
(Accompanied by Kenneth Parish)
Song.....Virginia White

Most of the children responded to entreaties with an extra number and the evening's entertainment proved to be one of utmost interest to the assembled guests as well as of the members of the order.

The committee in charge of the evening were the Mesdames G. Yore, McVea, Thompson, Marsh, Hamlin, Schouten and Gardie.

John I. Gibson, secretary of the West Michigan Development bureau and all other western Michigan good roads boosters are working out details for an auto route up the West Michigan pike during July. At Mackinaw City they will meet a contingent of east Michigan boosters who will travel over the east Michigan pike and together they will go by boat to St. Ignace and then travel by auto to Sault Ste. Marie where a big celebration will be held. On the return trip the west Michigan men will travel towards Grand Rapids over the Mackinaw trail. It is expected that nearly 300 west Michigan men will make the trip.

MRS. H. VANDER PLOEG DIES AT HOME OF DAUGHTER THURSDAY

Zeeland's oldest resident and one of the oldest residents in this section of the state died Thursday afternoon. Mrs. T. Vander Ploeg, until about a year and a half ago, a citizen of Holland, passed away at 4 o'clock on Thursday at the home of her daughter, Mrs. James Cook. Mrs. Vander Ploeg was 91 years and exactly one month old. Just a month ago Thursday she had gathered about her all her children and grandchildren at the Cook home in Zeeland to celebrate her 91st birthday. Death came as a result of old age.

Mrs. Vander Ploeg was born in the Netherlands and came to this country 36 years ago. She and her husband lived in Chicago for a short time after their arrival in America, but Mr. Vander Ploeg died two years after coming to this country. About thirty years ago Mrs. Vander Ploeg came to this city with her family of seven children, and for many years she conducted a boarding house for students of Hope college and the Western Theological seminary. In that way she formed an unusually wide acquaintance with many men who since have become very prominent in church work all over the globe.

The funeral was held Monday afternoon at 2 o'clock from the home of Mrs. James Cook in Zeeland, Rev. H. J. Veldman of this city and Rev. Benj. Hoffman of Zeeland officiating.

The deceased is survived by seven children: R. Vander Ploeg, Mt. Greenwood, Ill.; Mrs. J. Barkema, Holland, Rev. H. Vander Ploeg, Cheboygan Falls, Wis.; Mrs. H. Scholtens, Chicago; Mrs. James Cook, Zeeland; Mr. E. Vander Ploeg, Chicago and Henry Vander Ploeg, Detroit.

She is also survived by 41 grandchildren, 45 great grandchildren, and two great-great-grandchildren.

HURRAH! DREW'S MEN OF HOLLAND HIGH WIN

Holland won the first annual Michigan interscholastic basket ball tourney trophy at M.A.C. at Lansing Saturday afternoon by defeating Detroit Northwestern, 14 to 13. The work of Earl Knutson won the game from the team picked after the preliminaries to take State honors, although every member of the team was on his toes and contributed to the winning of this glorious contest.

The Holland star shot five baskets from the court and was successful in four out of five free throws. He was the only man to score for Holland. Bill Springstein starred for the Colts.

The game stood 6 to 6 early in the second quarter, but the quarter ended 11 to 7, Detroit leading. At the end of the third period the score stood 13 and 12, Holland making five scores

to one foul captured by the Colts. The Wiley, center for Northwestern, was the only man failing to score from the court, he played a stellar game and his handling of the ball was most feared by the Holland quintet. He took points on five of seven free throws.

A large silver loving cup is the property of Holland for the ensuing year. It is returned for competition yearly until one school has held it for three times.

Holland won a right to the championship battle by the defeat of Saginaw, Eastern, 20 to 17. Northwestern qualified for the finals by winning from Lansing 18 to 9. The semi-final in Class B left Cadillac and Greenville matched for the second cup. Cadillac won from Chelsea by a score of 41 to 9. Nordstrum High school of Detroit was eliminated when Charlotte took a game Saturday morning, 32 to 4. Charlotte lost to Greenville.

Line up and summary of Northwestern-Holland game follows:

Northwestern (13) Holland (14)
A. Springstein.....R. F. C. Knutson
Marion.....L. F. Steggerda
Wiley.....C. E. Knutson
Tanner.....R. G. Irving
B. Springstein.....L. G. DeLoof

Score at end of first half—Northwestern 11, Holland 7. Final score—Holland 14, Northwestern 13. Baskets from courts—Northwestern, Marion 1, A. Springstein 1, B. Springstein 1, Tanner 1, Holland, E. Knutson 5. Free throws—Northwestern Wiles 5 out of 7, Holland, E. Knutson, 4 out of five. Substitutions—Northwestern, Steenrod for Marion, Holland, Boyd for DeLoof. Referee—George Gauthier, M.A. C.

JENISON PARK

Mr. and Mrs. Taylor entertained 38 friends Saturday evening in honor of Mrs. Taylor's birthday.

Mr. Easter has been confined to his bed for the past five weeks.

John Tinkholt lately sold his milk route to Luke Tinkholt, his nephew.

Mr. Hurley's family of Chicago have rented the place formerly owned by Capt. Van Weelden.

Mrs. Meegens has arrived. She has two pretty resort homes near the park.

Dr. Heasley of Lansing spent Saturday at his home here.

Another surprise birthday part was held at Conleys. This time Mr. Conley and daughter Marjorie each received presents and enjoyed the refreshments and all had a gay time. Mr. Conley is care taker for Mr. Whittier's lovely summer home. Mr. Whittier and Leonard have built another new residence lately which Mr. Conley now occupies. It is a modern up to date home and a great improvement to the place.

Mrs. Pavey's daughter spent a few days visiting at her home here.

A party of young people surprised Miss Florence Welen last Saturday on her 11th birthday. Refreshments were served and all wished her many more happy birthdays.

This community was shocked to hear of the sudden death of Mr. Vanter Heide and sorry to lose one so popular. He was a good husband, father, friend and neighbor. The family have our sympathy.

Mr. and Mrs. Husted prepared a pleasant surprise for their son, Delbert in honor of his 5th birthday by inviting a few of his friends Tuesday evening.

A jolly crowd gathered at Mr. Burt's home in honor of their son Emmel who arrived from Camp Custer recently.

All are pleased to see Marshall Irving home. From all reports he had some narrow escapes and he is a brave hero.

WHAT YOU SAW IN THIS PAPER THIRTY-FIVE YEARS AGO

The first part of next week, March Walker will commence work on our well for water works.

Last Sunday morning at six o'clock Grand Haven was visited by fire. The principal hardware store, owned by G. E. Hubbard, was almost totally destroyed. It was a brick building, valued at \$10,000 and insured for \$5,000, in the Underwriters and St. Paul equally. The cause of the fire is unknown. By hard work it was kept from taking the entire block.

THIRTY YEARS AGO

Born to Mr. and Mrs. Frank Hadden, last Tuesday, a baby daughter.

Mr. and Mrs. Fred Wade of the Saugatuck Commercial, has been appointed postmaster at Saugatuck. His many friends here congratulated him on his appointment.

I. B. Bailer, one of the first settlers of Allegan, died last night.

Mr. and Mrs. Hein Lankheet of Allegan are rejoicing over another son, born last Tuesday.

"Onions for nothing, apples for ten cents and potatoes for nine cents a bushel." People ought to live cheaply in Muskegon, remarked a gentleman this morning in looking up the condition of the local market.

TWENTY-FIVE YEARS AGO

Married in this city, at the residence of the bride's parents of 13th street, by Rev. J. W. Beardslee, on Thursday afternoon, Henry J. Luidens and Sina Smith.

H. D. Post was 70 years old Monday and G. J. Diekema just one half that number, the next day.

TWENTY YEARS AGO

Born to Mr. and Mrs. John Mulder at Graafschap—a son.

John Mast of Drenthe, died last week at the age of 84 years.

The season opens well as regards wages. Seamen on Schooners will get \$1.50 a day and \$1.25 on barges.

FIFTEEN YEARS AGO

John E. Kuizenga of the senior class of the Western Theological seminary has accepted the call to the Graafschap Reformed church.

Born to Mr. and Mrs. Jacob Kraai, 25 West 19th street, Tuesday—a son.

J. F. Van Ry left Tuesday for Charlevoix to enter the Charlevoix Life saving crew. Mr. Van Ry is a sailor of much experience, having sailed on nearly every schooner that has hailed from Holland the last ten years. His standing in the physical and mental examination was 97 1/2%.

TEN YEARS AGO

Born to Mr. and Mrs. F. Churchill—a daughter.

Henry P. Zwemer has begun the construction of a fine modern residence for himself on East 9th St. The building will be of frame construction, costing about \$3,000.

The German Gelatin company's plant on the north shore of Macatawa was wrecked through the sudden and unexpected collapse of a mammoth water tank, which crashed through the roof to the basement. All the machinery was smashed, 1,000 pounds of gelatin was ruined and the damage is estimated at \$3,000 with no insurance. The crash was heard for half a mile and attracted hundreds to the scene. No one was injured.

KINGS DAUGHTERS WILL REIGN FOR ANOTHER YEAR

King's Daughters of the Ninth St. Christian Reformed church met at the home of Miss Tena Holkeboer, 132 E. 16th street, the occasion being the annual meeting. Besides being a social affair, garnished with refreshments, the officers for the ensuing year were also chosen.

The officers elected at Monday evening's meeting are as follows: President, Miss Anna Holkeboer; vice-president, Florence Bronkhorst; secretary, Martha Bos; treasurer, Marjory Witteveen; assistant secretary and treasurer, Jeanette De Ridder; chairman of Sunshine Committee, Jeanette Holkeboer; chairman of Membership Committee, Cornelia Dogger; Sargeant, Deane Beltman.

FINE AUDIENCE GREET'S WOMAN MIS- SIONARY AT G. H.

Grand Haven Tribune—Despite the weather a large audience of women, greeted Mrs. Samuel M. Zwemer at the Second Reformed church, Wednesday afternoon. Mrs. Vruwink, the pastor's wife had charge of the meeting and in a few well-chosen words introduced Mrs. Zwemer who addressed the ladies in a manner not soon to be forgotten by those privileged to hear her. At the request of Mrs. Zwemer the offering of the afternoon, which amounted to \$53 will be sent to the Women's Board of Foreign Missions to be used in the work of Mrs. James Cantine in Arabia. Mrs. Cantine was formerly Miss Elizabeth De Pree of Holland. A new school building is desired which would cost about \$500. As this money undoubtedly will be used for that purpose, anyone desiring to contribute to this fund may do so through Mrs. James Dankhof. The Arabian Mission is undenominational.

Next week is vacation time in the schools and at Hope college, and the local Red Cross has it figured out that many of the girl students will be anxious to find something to do to fill in the spare time. Hence the Red Cross is making special arrangements to give the girls an opportunity to work. The city hall will be open from one to five o'clock Saturday afternoon when yarn will be passed out to any girl who is willing during vacation to knit a child's sweater. These sweaters are much smaller than the usual adult size and they can easily be finished in a week. The yarn for shawls has all been passed out by the Red Cross.

ALIENS MUST WAIT TO FILE DECLARATION

Clerks of all courts have been informed that the federal law declares it illegal to make a declaration of intention before the clerk of any court on election day or during the period of 30 days preceding the day of holding any election in the jurisdiction of the court.

It is an entirely new phase of the law and one which had not been observed here or in any other Michigan court as far as can be learned.

"It is intended by the department of labor to recommend to congress the passing of legislation validating such declarations as have heretofore been made or may be made hereafter," says R. K. Campbell, commissioner of naturalization, in a communication received here. It is hoped that favorable action will be taken by congress before any of these declarations are two years old, in which case those who have declared their intention, during the thirty day period, without being advised of the provisions of the law, will be able to proceed without being required to declare their intention anew.

County Clerk Orrie J. Sluiter has been compelled to refuse applications from aliens since receiving the order and as the law stands, those declarations which were received on February 5 or since are made invalid. However, these persons are being notified as to when they may apply in order that the declarations may be received and the steps taken to complete citizenship.

April 8 is now the first day upon which applications for citizenship may be legally received. There are several cases of the kind waiting in the local courts.

TOO MODEST TO MEET EYES OF THE CROWD

Coach Drew of the Holland high school team which covered itself with glory Saturday at the meet at East Lansing tells a good one on his team which shows that there is something more to the Holland warriors than physical skill. After the team had won the championship at a meet at which forty school were presented they might have been expected to feel pretty good. Doubtless they did feel pretty good when they had defeated the best material in the state. But they did not lose their heads.

Soon after the meet Coach Drew, having been attending to some formalities connected with the meet, looked around for his husky players, but they were nowhere to be found. He looked high and low for them. Remembering that boys in the hour of victory need much more attention than those same boys do in the hour of defeat, he was becoming worried, wondering what the youngsters might be up to.

And finally, after a prolonged search he found them. And where do you think they were? No they were not cutting up capers, posing for East Lansing photographers and moving picture men. You couldn't have blamed them very much if the victory had turned their heads. It would hardly have been more than natural if they had pranced a little and showed off before the natives. It is pretty certain that older men, after a victory of similar size, would have felt like showing off.

But the Holland High school warriors were not discovered trying to place themselves on exhibit. Instead, Coach Drew found them among the sheep and cattle of M. A. C., apparently much interested, but in reality with nothing more in mind than to hide themselves from public gaze. They felt shy about hero worship and so showed themselves only to prize Holsteins and blooded sheep.

The Lansing Journal, before the final battle predicted that Detroit Northwestern would win hands down. So sure was the Journal that it advised the Detroit people at home to dust off the spot on the shelf where the trophy was to stand. They admitted that Holland had a "pretty fair team" but added that it was not in a class with Detroit. But the Holland boys did not let that bother them much. They said little but decided to lick Detroit—which they did.

ARRESTED FOR ASSAULT

Deputy Sheriff Bomgaard Monday arrested Joe Rose of Grand Haven, who was charged with assault and battery, it being alleged that he had threatened to shoot his sister. He was taken before Justice Wachs where he pleaded guilty and was sentenced to thirty days in jail.

TWO FIRES OCCUR WITHIN 24 HOURS

Fire was discovered in the roof of the home of J. D. McVea, 158 West 14th street at 5 o'clock Thursday evening. Two children were sick in the house at the time. This fact brought some excitement in the home, altho no great inconvenience was suffered. The loss sustained was about \$50.

Both departments were called out to a fire discovered in the roof of the home of Prof. Patterson on West 13th Street at 8 o'clock Friday morning. Very little damage was done.

CLEAR AT LEAST \$500.00 WITH PLAY IN HIGH SCHOOL

The attendance Thursday evening at "Contrary Mary" broke all previous records for second night performances. Approximately three hundred more people attended the play Thursday evening than Wednesday. The amount of money taken in both nights is not yet determined but at least \$500 was cleared, if not more.

Some enterprising Freshmen occasioned a great deal of amusement by stationing themselves at corners just before the high school and selling their tickets to the play goers. Prizes have been offered to the class that sold the most tickets, so all have resorted to various means to dispose of theirs. One boy sold eighty tickets alone.

The acting of the students in "Contrary Mary," was excellent. "Contrary Mary" alias Wilma Meyer, made the daintiest bride ever presented on the high school stage. In spite of her equestrian she proved she was not a "clinging vine." The "sturdy oak" Mr. Edwin, otherwise Harold White, made a most excellent masterful young husband. From the way Mr. Warner the lawyer friend carried on his rather difficult love making and divorce case, one would think he had done it all his life. Ruth Gardel as Barbara Drew showed a new and not very attractive side of studio life. The dressmaker, Virginia Van Verst was indeed and truth the "autocrat of the breakfast table." Willard Bloemendahl the "man with the two story name" showed the masculine members of the audience how to gracefully take a rebuff without injuring one's self-esteem. Gerard Hanchett as Mr. Trowbridge, the man with a dominating wife, fairly outdid himself. Colombo Boech, as Teresa O'Murphy brought down the house by her sage remarks. Yuno Yergerson the Swedish maid inspired people with a desire to steer clear of all such people in their homes. Johanna Timmer portrayed this party very capably. James Boyce, the drayman, took his part so realistically part of the audience wondered if a real drayman had been transported to assist the play.

"Contrary Mary" under Miss Anthony's tutelage, certainly attained a higher brand of perfection than is ordinarily seen in amateur plays.

GOOD JOB OPEN IN MACATAWA COAST GUARD

There is a good job waiting for a returned soldier, or for some one else who can qualify. Captain Jacob Van Weelden, of the U. S. Coast Guards at Macatawa, appealed to the News today to help him find a man to fill a vacancy on the crew. All the old men who served last year are back on the job with the exception of Harold L. Dilly who resigned recently to take a position in Holland, and for some weeks past Captain Van Weelden has been trying to fill the place but without success. Believing that there may be some one in Holland who would like the job he is making this public announcement.

The applicant for the place must be physically sound. Whether or not he is that will be established by a physical examination which all applicants must submit to at Grand Haven before he is engaged. It is on this point that all applicants who have hitherto presented themselves have failed.

The applicant moreover must be a citizen of the United States. Also, he must be a competent swimmer. Any one who would like a job on the water and can fill the bill is asked to get into touch with Captain Van Weelden.

The crew is getting into summertime form now through daily drill in anticipation of the coming busy season. A larger summer population is being looked for at Macatawa than has visited that place for several years, and the larger the population the more work is provided as a rule for the coast guard crew.

The lake front at Macatawa is still in a very ragged condition as a result of the depredations of the water, but in spite of that many regular summer resorters are expected to be at the park early, and inquiries are coming from a considerable number of people who expect to visit the local resorts for the first time, so that all in all the summer population is expected to be large.

CHEMICAL-GRAND RAPIDS INDOOR ENDS IN A BIG ROW

The following report of Tuesday night's indoor baseball game is reported by "Spriggs."

The championship Indoor Baseball game played at the high school gymnasium Tuesday evening ended in a dispute in the last half of the ninth inning.

A record crowd of between 400 and 500 fans attended and the game started with a great deal of pep and rooting. Neither side scored in the first inning. Grand Rapids having the edge by two hits. In the second inning Grand Rapids scored, twice by three hits and the Chemicals failed to score.

In the third inning, Grand Rapids repeated by getting three hits and a base on balls. Sam Tox came across with one run from three hits and would have scored more had there been perfect base running.

Grand Rapids again repeated in the fourth, the inning ending six to one in favor of the Furniture City men. Reitberg was at his best and Grand Rapids had the home team going until the 7th when the locals took a brace and showed their metal.

To Roller first up took a base on balls. Nordoff, Rosendahl and the two Vander Hills each following with a hit, netting three runs. To Roller being put out at third base.

The 8th inning brought the Sam Tox two runs by two hits and a base on balls. The score at this period was 7 to 6 in favor of the visitors.

In the ninth inning the Equipments failed to score. Nash, first man up for the Chemicals hit to left short and was put out at first. Whitvliet struck out. Batema hit safe and Holland fans went wild. Batema circled the bases on the Reitberg's windup and scored (!) on a bunt by Shaw, which landed almost directly in front of the home plate but was called a foul ball by the umpire. The Chemicals refused to accept the decision of the umpire (!) Houton. Mr. Thomas catcher for the Equipments stated after the game that he honestly did not see the ball land and was of the opinion the umpire could not see it and was therefore guessing. Mr. Houton failed to consider the other umpire Mr. Woldring. It is also considered that had Mr. Houten a strong conviction of his decision he would have declared Batema safe at home on a foul ball. It was learned Wednesday morning that there was some egg throwing after the game, Tuesday night, much to the disapproval of the Chemical team and supporters.

Score by innings—
G. Rapids.....0 2 2 0 1 0 0 0
Holland.....0 0 1 0 0 0 3 2 1
Game was not finished. Batteries—Reitberg and Thomas; Nash and Spriggs. Umpires—Houten and Woldring. Scorer—Van Scheiven.

WRITES OUSTER DIVISION IS ON ITS WAY HOME

A. S. Gabe of Pelham Lodge has received a letter from his nephew, Major John N. Gabe of LeMans (Sarthe), France, which was mailed on March 12 and received here on March 28. Mr. Gabe declares that all his letters from his nephew have made the trip in equally short time.

Major Gabe is in one of the largest embarkation ports and he declares that most of the "kicking" against such places as Brest and other embarkation ports is without much foundation, so far as he can judge. He writes that at the time of posting the letter he was helping to ship the 85th division (Camp Ouster Division) and that he expected there would be many happy people in this part of the state soon, with the return of their soldiers.

SHOWER GIVEN FOR

MISS RAS, APRIL BRIDE

A kitchen shower was given in honor of Miss Kate Ras at her home 161 E. 16th street. Miss Ras is to be an April bride. Dainty refreshments were served and the evening was spent with music and games. Those present were the Misses Jennie Brandt, Jennie Batema, Kate Nuismer, Reka Streuer, Agnes Vander List, Bessie Risselada, Alyda Kromendyk, Mildred Pittman, Bertha Woldering, Clara Borgman, Minnie Bosma, Jennie Brewer, Katie Derks, Hattie Kroll, Elizabeth Kaper, and Mr. and Mrs. Brouwer and son Russell. The groom to be, Mr. Dick Koper, was also present.

FAST DRIVER TAKEN

ON TWO CHARGES

A warrant is out for George Harrison of this city who is alleged to have driven 35 miles an hour on 18th Street between River and Pine avenues.

Judge Robinson will take the man on two counts. The first for fast driving covered by an ordinance with a 15 mile limit, with a gentleman's agreement that the driver will not go faster than twenty at the most. This law everybody knows about.

But the second count comes under the state law, and this mandate is not known by many motorists, and observed by few.

The state law demands that the motorist slack up his car at the street intersections at a speed just one half as fast as what the law provides. For instance: on the business streets the speed is ten miles per hour. At the intersections the speed is five miles per hour. On the residence district the speed is 20 miles per hour, at the intersections, 10 miles per hour.

On the county highway the speed is 25 miles per hour, at the road intersections, 12½ miles per hour.

This is not a new law, but if we are any judge of speed, it is being violated by nearly every motorist in the city several times each day.

HOLLAND GAS COMPANY IS UP FOR SALE

The Holland City Gas Company is to go under the hammer, at least if a purchaser for the property can be found. The Grand Rapids Trust Co. which was given charge of the affairs of the company when the local concern went in bankruptcy Saturday is advertising the sale and is offering the property to the highest bidder.

According to the advertisement, the sale is to take place on Tuesday, April 22, in the office of Referee in Bankruptcy, Benn M. Corwin, in the Houseman building in Grand Rapids. The items offered for sale under the hammer to the highest bidder include:

lots on which the gas factory, the gas tanks and other equipment of the company stands, the buildings themselves, the machinery, appliances, physical properties, gas generating plant, mains, pipes, meters and other physical properties; also the rights of way owned by the company between Holland and Zeeland for laying and maintaining gas mains.

The property is offered for sale either as a whole or piecemeal. Whether the plan is to discontinue the plant is not stated in the official notice of the sale.

DISCUSSES AMENDMENTS AT W. C. T. U. MEETING

Rev. J. F. Bowerman gave a pre-election address on Friday afternoon, for the ladies of the W. C. T. U. at the home of Mrs. H. J. Veldman. The well-filled rooms gave testimony as to the interest taken. He explained three amendments dwelling especially upon the text of the wine and beer amendment and closed with a stirring appeal to the mothers, many of whom had sent sons to fight the Hun, to run no chance of having them defeated by the Hun at home.

Mrs. A. Diekmans and Mrs. J. Kooiker each delighted the audience with two solos. The serving committee were Mrs. Weersing, Mrs. Van Dyke, Mrs. Barkel and Mrs. Meyer.

The new yearly programs have been prepared and one of the innovations will be that hereafter at each meeting a few minutes will be given to the study of parliamentary law, so that in that line the ladies will be no whit behind the men voters. New members are being added at each meeting. The Union will hold their banquet, April 4th at Trinity church.

Mayor Bosch went to Saginaw Tuesday on business.

M. J. Westveld of the Overland Garage was in Grand Rapids Tuesday on Auto business.

Rev. J. P. Battens, pastor of the Maple Ave. church was a Grand Rapids visitor Tuesday.

Oh, you cold north wind!

NO REST GIVEN TO PAN FISH

With winter fishing but just ended, summer fishing has already begun, and local anglers are taking advantage of the early start to get their share of perch and speckled bass. Some fishermen have been having pretty good luck fishing from the docks while others have been out in boats.

It is only a week or two ago that local anglers were making good catches through the ice in Pine Creek. The fish still seem to be hungry, now that the covering of ice has been removed and some hardened anglers are taking advantage of the situation.

CONGREGATION TO USE NEW BUILDING

The Sixth Reformed church congregation worshipped in their new building Sunday for the first time. The building is not quite completed but the audiences at the services and especially the attendance at the Sunday School have become so large that the old building could no longer accommodate them. The interior of the auditorium has a seating capacity of about 250 and besides that there are four other rooms. The outside of the building will be finished later.

WANT MORE DADS FOR THE SCOUT MEET

How to get dad sufficiently interested in his son and in the other dad's son so that he will come out to a "father-and-son" meeting is the problem that confronts the Boy Scout Masters of Holland. For some little time the officials of the movement have been planning to hold a "father-and-son" banquet but the lack of interest on the part of the dads has been something of a stumbling block.

The banquet was to have been pulled off this week Friday evening, but Monday night it was decided to postpone it for at least a week more. This action was taken for several reasons. Meanwhile a more strenuous effort will be made to get the fathers interested. There is no trouble about getting a one-hundred per cent attendance of the boys; but the affair will not be a complete success unless a considerable number of fathers are also induced to attend the banquet.

This being vacation week, the Scout Commissioner, Carl T. Bowen, and the scout masters are bending their energies toward finding jobs for the local boy scouts. The boys are taught to earn the money themselves that they need for various things. For instance, they will be encouraged to earn the money to buy the ticket to the banquet, and they are also expected to earn the money to buy the ticket to the banquet and they are also expected to earn money toward paying for their uniforms.

Hence people who have work to do about their yards that a boy can do are requested to keep the Scouts in mind and to give them a chance at it. The scout commissioner and scout masters will see to it that the work is properly done and the money fairly earned. Anyone who has such a job will help the scout movement along by getting into touch with Commissioner Bowen or with any one of the following scout masters: Carl Shaw, Wm. Eby, Andrew Hyma, Dr. B. M. Waltz, William Winstrom.

ASK FRANCHISE BE PROTECTED IN THE SALE

The city of Holland is going to ask the U. S. District Court to modify the order of sale of the Holland City gas plant so that the city's interests will be more thoroughly protected than they seem to be at present. Altho due to the bankruptcy, the Holland gas plant is at present not operating under the franchise, the city of Holland is not willing to agree that their franchise shall be looked upon as not existing. If the plant is to be sold, the city wants the franchise recognized. Hence, the court will be asked, according to City Attorney McBride, to modify the order of sale so that whoever purchases the plant will do so subject to the terms of the franchise.

The Grand Rapids Trust company has offered the plant for sale, having fixed the date of sale as April 22 in the Houseman Building in Grand Rapids.

Whether or not Holland will be in the market for the purchase of the company's holdings depends on many considerations. Chief among these is of course the price. The city authorities declare that they are not willing to pay for anything they don't get. If the company should be willing to dispose of the property at the figure that the city believes it is worth, it is possible that some move might be made to buy it. The city is understood to be negotiating with the trustees to this effect or at least to the planning to make a move of his kind. But that the price the city will be willing to pay is not large is pretty well understood.

In any event, the people of Holland will have to pass on the matter, whether or not Holland will purchase the plant, and a great many steps will have to be taken before anything of the kind can be consummated.

DELEGATES TO BE GUESTS AT CONVENTION

Grand Haven will entertain a host of Christian Endeavor delegates from three counties on April 8 and no doubt Holland and vicinity will be well represented thru its C. E. organizations. On that day the annual convention of the Fourth Christian Endeavor district will be held and representatives will be present from Ottawa, Kent and Montcalm counties. It is estimated that fully one hundred will attend the meetings as accredited delegates, and they may be accompanied by many friends interested in the work if the weather permits.

Sessions will be held in the First Reformed church both afternoon and evening, and the convention committee is busily engaged in preparing the program for the day. This will include interesting talks by delegates and district officers, as well as a number of special musical numbers.

Among the speakers will be several men who are prominent in the Christian Endeavor movement, one of the greatest church auxiliaries in the United States. One of those speakers will be R. A. Walker of Indianapolis, prominent in the work not only in Indiana; but throughout the United States as well. A. Laverne Spafford of Grand Rapids, field secretary in Michigan for the Christian Endeavor will be another of the speakers.

The plans for the special music for the occasion are in the hands of the local committee. One of the features will be a great chorus choir, which is now being trained especially for service at the convention by Rev. H. W. Rogers, pastor of the Congregational church.

As the Christian Endeavor movement is interdenominational many of the churches will take part in the convention next month. The delegates from out of town will be entertained in the city during their stay and plans are being completed for making their visit to Grand Haven as pleasant as it can be made.

MISSIONARIES AND TRADE DEVELOPMENT

There was a splendid attendance at the Victory club luncheon Monday noon. It was the largest and best meeting of the season. When it was learned that Dr. Zwemer could be present to give an address the phones were kept busy inviting the members to be out. And they responded. There was some doubt in the minds of a few whether it would be worth while to spend two hours on a busy day, but after the address every one was mighty glad that he came.

Dr. Zwemer is a world figure and he speaks in world terms. He has gone out from us and has advertised our city more than any other living man. He has traveled extensively. It is safe to say that he has delivered more addresses and faced larger audiences than any other living man.

He is a forceful speaker and makes a profound impression upon any audience. He has a pleasing personality and knows how to present his subject. He held the men spell-bound for an hour Monday. Some expected simply a missionary address, but they were quite surprised when he launched into the field of trade and commercialism.

He spoke on the New Era emphasizing three phases. He believes that the school and colleges in the Orient have done a great deal toward civilizing the dark countries. In the years that are past America has stirred the foreigners and today they are looking toward this country to assist them in revolutionizing their old ideas. The missionaries have paved the way and as a result much has already been accomplished.

He also emphasized the New Era of humanity. The day has passed when money is the only thing that counts. The time has come when service plays a most important part. He cited statements from three leading financiers of this country who believed that the man who gives his money and not himself to others is not living a full life. He only can enjoy life who is willing to stand beside his fellowman and give him a lift.

And then he laid stress on the era of trade. Wonderful changes have taken place during the past two decades. The American business man and manufacturer has gone into the Orient with his wares and has found a market. He said when he was in Arabia the people of that land did not have any fresh drinking water. A church in Waupun had sent a windmill and the missionaries placed it in position and the Arabs were very much surprised to find that in this way water could be pumped out of the ground. The result was that windmills were soon imported. In many other ways the natives were eager to take what American ingenuity had to offer.

He paid a splendid tribute to the business men of Holland and believed that if they would come in touch with the missionaries sent out from this city in Arabia, Japan, China and India they might open up avenues of trade that would be very profitable.

James A. Brouwer, Austin Harrington and Martin Dykema were in Grand Rapids on business Tuesday.

HOLLAND FREE FROM CONTAGION SEVERAL WEEKS

The city of Holland has been without a single case of contagious disease for several weeks, according to health officer Godfrey. Or if there are cases of contagion in the city, they have not been reported to the health department. No report has come in for about three weeks, which is considered a very good record.

There was apprehension a week or two ago that Holland city might experience a return wave of the flu because of the fact that there were many cases of the disease in the immediate vicinity of the city, but so far not a case of this malady has been reported within the city limits. The health department at the time issued a warning asking people to be careful. Whether or not this warning bore fruit at any rate so far the city is free.

Realizing however that a wave of disease may strike a city at any time, the health department is not taking chances but is trying by every means at its command to safeguard the public.

While the cases of contagious diseases are few or none at all, cases of non-contagious diseases are not wanting. Holland Hospital is a kind of barometer of disease conditions of this kind and Holland Hospital has been patronized to its capacity, during the past few weeks. In fact there have been many more cases there since the flu epidemic than when the flu was on. The hospital is each day showing itself more and more as filling a definite need in the city, and there are times when it cannot accommodate all who would take advantage of it.

Y. M. S. A. TO HOLD FOURTH ANNUAL CONTEST

On Thursday evening, April 3, in the Ninth Street Church, the Y. M. S. A. will hold their fourth annual declamation contest. This appears as the 5th number of their lecture course and promises to be a lively contest. The Ninth Street society has won the pennant at each of the previous contests. The Central Ave. Orchestra will furnish the music for the evening.

RESORT HOTEL FILLING ITS ICE HOUSE

There will be no ice famine at Macatawa and Ottawa Beach and at the other Black Lake resorts the coming summer. For the first time in the history of the Ottawa Beach hotel, that institution is filling its ice house with artificial ice shipped in from Grand Rapids. Other years the ice house was always filled from the natural ice almost directly in front of the hotel.

The Macatawa Park association has filled its ice house with natural ice, but it was extremely thin. Some of the other resorts also took advantage of four inch ice and six inch ice to fill their bins, so that all will be provided after a fashion at least the coming summer.

NEW PHYSICIAN COMES TO HOLLAND

Holland is to have a new doctor, in the person of William M. Tappan, son-in-law of Mr. and Mrs. Chris Lokker of this city.

Mr. Tappan is a graduate from the medical department of the University of Michigan in 1916. He served one year as interne at the University Hospital, Augusta, Ga., and he also was house physician and surgeon in the same institution for another year.

Dr. Tappan has received his honorable discharge from the U. S. Army, after serving one year as a 1st lieutenant in the medical corps, stationed at Dodge, Iowa and being later transferred to Camp Custer.

Dr. Tappan will open his offices Monday, March 31st in this city in the Mc Bride Bldg., corner River and 8th, in the offices formerly occupied by Dr. Leenbouts.

Dr. and Mrs. Tappan will temporarily make their home with Mr. and Mrs. C. J. Lokker, 99 West 11th St.
