Common Council Wants To Protect Young Skaters

Beer Licenses Held Over to Special Meeting. Council Believes Beekman Has Moral Equity Coming From City.

The common council last evening was of little longer duration than ordinary since there were so many smaller matters that had to be gone over. The house matter of Eghert Beekman at the sewer disposal plant has not yet been taken care of. While the city attorney contends that the matter is legally outlived, the mayor and common council hold that there is a moral obligation and the committee in charge has asked to confer with the attorneys of Mr. Beekman, Lokker and Den Herder, in order to find out what sort of a settlement can be made.

Miss Deborah Veneklasen, welfare administrator, states that the services of Ben Wiersema, while they will not be retained in the department to which he was assigned, will still play a part in the welfare work of the city.

Both the newly-elected aldermen John Vogelzang of the Sixth ward and Jacob Vande Lune of the First ward, were present though they do not assume office until April 17.

VandeLune will succeed Albert P. Kleis in the First and Vogelzang will take the place of William A. Thomsen in the Sixth ward. Mayor Nicodemus Bosch will enter upon his tenth year, not consecutive, as the city's chief executive.

Assignment of committees will be announced by Mayor Bosch. The annual election of city officers by the council will be held.

The interesting council meeting, as officially compiled by City Clerk Oscar Peterson, follows below:

Holland, Mich., April 3, 1935

The common council met in regular session and was called to order by the mayor.

Present: Mayor Bosch, Aldermen Kleis, Prins, Drinkwater, Kalkman, Van Zoeren, De Cock, Steffens, Damsen, Huyser, Bultman, Thomson and the clerk.

Devotions by George Damsen, who led in the Lord's Prayer. Minutes read and approved.

Petitions and Accounts. The clerk presented several building permits.

Approved. Petitions and Accounts. The clerk presented application signed by Nelson Ryzenka, 747 State street, for a permit to erect a gasoline filling station, this being the triangular corner at the intersection of State, Lincoln and Thirty-second streets.

Referred to city engineer and building inspector with power to act, provided the engineer has the approval of the appeal board.

The clerk presented operating report of the gas company for January.

Referred to board of public works. The clerk presented application and bond of George Verborg as constable of the First ward.

Referred to license committee. The clerk presented application and bond of Henry Borr as constable of the Sixth ward.

Approved. The clerk reported for information of the council that the Chamber of Commerce has sanctioned the following tag days: May 4, Carnation Day for the Spanish war veterans auxiliary; May 24-25, as Poppy Days for the American Legion, and the Veterans of Foreign Wars.

Accepted and filed. The clerk presented communication from Miss Deborah Veneklasen, E.R.A., administrator, calling attention to the fact that the office of deputy administrator, both in the City of Holland and Grand Haven, are being discontinued. This is done as a matter of efficiency and economy in the operation of the welfare department. With this change, Ben Wiersema, who has been director in the City of Holland, will no longer act in that capacity. However, his services are being retained in another department.

Accepted and filed. The clerk presented communication from L. M. Nims, state works division director, acknowledging receipt of the recent message from the mayor relative to the rate of pay that is being paid common labor throughout Ottawa county for work relief. Mr. Nims states that this matter is handled by rate-finding commissions in each county and he would refer the matter to the Ottawa county commission for their attention.

Accepted and filed. The clerk presented the following applications for approval to secure licenses to sell beer: Eagle lodge, 76 East Eighth street; Andrew Leenhouts, 179 River avenue; S. W. Miller, hotel; William Vande Water, 126 East Eighth street.

Referred to license committee. The clerk presented financial statement from the Chamber of Commerce covering their receipts and disbursements for March.

Referred to claims and accounts committee. Reports of Standing Committees. The street committee reported that they are having some difficulty with roller skating through the city and recommended that at least one street in the west end and one in the east end be set aside for this purpose. After a brief discussion, West Fifteenth street from Van Raalte to Harrison avenues, and Thirteenth street from Lincoln to Fairbanks avenues were designated as special streets on which skating would be permitted under police supervision. The clerk was instructed to notify the police department so that they may have special police at these locations.

The claims and accounts committee reported having examined claims in the sum of \$4,725.71 and recommended payment thereof.

Allowed. The license committee recommended that they defer action on approving any applications for

MAYOR BOSCH GETS LOVING CUP

A sidelight at the good roads banquet was one of Bill Connelly's "get-ups." While introducing the mayor who gave the guests a real gracious and hearty welcome, Connelly flowered the thing up by presenting the mayor with a loving cup as part of the introduction. The cup itself was one of yesterday found at all school pumps. Soldered to the bottom was a funnel, which acted as a foot. While the funnel in the cup separately would answer a serviceable purpose, soldered together the opposite was true. The cup was embellished with yards of ribbon, and Connelly made his presentation with a gusto of courtesies.

Anyway, the mayor saw the point and wasn't slow in getting back at Connelly in which the tightness of a Scotchman was laughingly portrayed. Let us say the cup was tin and undoubtedly Mr. Connelly now has a way to fill the cup. He says "punch a hole in the bottom to the funnel, then put a cork on the top of the funnel, then fill the funnel, cork the bottom of it when the cup is filled, turn right side up, uncork and drink." It would take a Scotchman to think out such a plan, wouldn't it now?

CAPPOON SECURED AS SPEAKER AT B. B. BANQUET

The committee in charge of the basket ball banquet to be given on Friday, April 12, is pleased to announce that Franklyn Cappon, at one time star football player of Holland High, and present assistant athletic director at the University of Michigan, has accepted the invitation to be the principal speaker at the dinner, honoring the state championship Christian High school basketball team.

It is expected that more than 400 will sit down to banquet next Friday evening when Mayor Nicodemus Bosch and other leading citizens will be present.

Mayor Bosch is also listed on the speaking program. Tickets for the banquet are on sale at De Vries & Dornbos, Cozy Inn and Sells Jewelry until Monday evening. No tickets will be sold after that date.

ALL SACRED CONF AT NINTH ST. CHURCH TUESDAY EVE.

The North Street orchestra of Zeeland, under the direction of C. Lamar will render a sacred program in Ninth Street Christian Reformed church on Tuesday evening, April 9. The program, sponsored by the Ladies' auxiliary, will begin at 7:45 o'clock.

Included in the program will be selections by the orchestra, readings by Miss Elizabeth Heyboer and also vocal numbers.

The program as it is to be rendered, follows:

Invocation, Rev. N. J. Monsma; orchestra, "If Your Heart Keeps Right," "No Night There," "Blessed Assurance," "The End of the Road."

Cornet quartet, "Beautiful Garden of Prayer," orchestra, "Win Them One by One," "God's Promise," "Oh, What a Change," Baritone solo, "Calvary," orchestra, "Carry Your Cross with a Smile," "Jesus, Lover of My Soul," "Seeking the Lost," reading; accordion ensemble, melody of hymns; tuba and slide whistle, "Have Thine Own Way Lord," orchestra, "Count Your Blessings," "Good Night and Good Morning."

STAINERS "CRUCIFIXION" TO BE RENDERED BY JOINT CHOIRS

The choirs of First Reformed and Third Reformed churches are planning to present the sacred cantata "Stainers' Crucifixion" on Friday, April 19, which occurs on April 19 this year. The two choirs are under the direction of Mr. Wilma Vande Bunte of First Reformed church. The cantata will be presented at First church, solo parts being taken by soloists from both churches.

DUTCH VILLAGE ONE OF TULIP FETE FEATURES

Three new events will be featured on the 1935 Tulip Time program, which will be held at the home of the Chamber of Commerce, announced today.

There will be an authentic Dutch village at the armory under the direction of H. S. Houtman. This exhibit will include houses, stores facing a street paved with red bricks, miniature tulip beds and a canal on which a boat will sail. Over the canal will be a toll bridge and the boatman will be required to pay a toll to go through.

The other features include folk dancing in Centennial park by local people dressed in Dutch costumes, and the Ford Kite band of Detroit, which will parade with school children, and whose services will be donated by Henry Ford.

The Fifth district of the American Legion auxiliaries will meet in Holland on April 12. Noon luncheon will be served in the Methodist church at 1 o'clock, prior to be 50 cents per plate. Holland auxiliary members who intend to be present at the dinner should call Mrs. Jappinga, phone 2076, not later than April 8. The speaker at the luncheon will be Mrs. Elizabeth Lyons, state president of the Michigan auxiliary.

Miss Esther Beukema, contralto, a graduate of Grand Rapids Junior college, has been chosen as Allegan's representative at the Blossom Festival at Benton Harbor April 18 from a total of ten contestants.

Lester Bost, 26 of Watson, Allegan county, changed his plea to guilty when he appeared before Judge Fred T. Miles in circuit court Wednesday on a statutory charge. He was sentenced to five to ten years in Michigan state prison.

Highway Chief Give Promise Of New Road Plan

BETTER ROADS TO SAUGATUCK AND CONSTRUCTION OF M-40 TO HAMILTON AND ALLEGAN SURE

Speaker Adams Speaks of Cycles of Prosperity; Biggest Just in the Offing.

The large dining hall of Warm Friend Tavern was filled to capacity Friday, the evening designated when Holland and vicinity were to hear what plans had been formulated by the head of the state road department, Mr. M. D. Van Lams, Saugatuck, Hamilton, Allegan and all of Allegan county, the neighbors with which we are so closely allied.

There were many present from Holland and not a few from the neighboring Allegan county town. William Connelly, director of the Chamber of Commerce, was toastmaster, and it goes without saying that he keeps things hot every minute—sometimes too hot. He first sprung his usual bag of tricks on the mayor and the introduction followed. Mayor Bosch graciously welcomed the speakers, outside guests and then our own citizens and stated that he was extremely thankful that after several years this vexing situation would be the state's plans, be at last ironed out. Most of those present knew from the "go-in" what these proposed plans were since the "big chief" from Lansing had a map of Allegan and Ottawa plainly marked where new roads will be built and where improvement will be made.

Arthur W. Wrieden, president of the Chamber of Commerce, gave a short but interesting discourse on the importance of good roads and stated that Holland especially had suffered when with more concerted effort and better agreement on plans we might have gotten further than where we are today. He hoped this meeting would be the beginning of a brighter road future and he incidentally welcomed the speakers and the guests present, making them feel at home.

Turning to Mayor Bosch, he said: "My dear mayor, I wish to take this opportunity to thank you for the deep interest you have taken in the Chamber of Commerce. We have called on you for advice, you have given it to us freely, you have sat in meetings and deliberated with us, you have done a great deal as head of this city to foster a worthwhile organization and help the men in charge. You have given us your moral and financial support for which we thank you."

Mr. Connelly first introduced the good roads "Santa Claus" of the evening, who said in part as follows:

"Friends, I am glad to be in Holland tonight as your guest at this annual meeting of the Chamber of Commerce. I trust, however, that it will not cost me as much to get away from your city as it did on another occasion a few months ago. Perhaps you will recall that I drew a fine for speeding then, and I can assure you that I am being very careful on this trip."

"It is natural that I should feel at home in Holland, because a large part of your population is made up of the sturdy Dutch stock, and I am proud that I can trace my forefathers back to good old Holland."

"Another bond that brings me close to the citizens of Holland is the pair of wooden shoes that I presented to me on the occasion of your last Tulip Festival. I prize the gift highly. You may see those wooden shoes any day that you drop in my office at Lansing."

"I welcome this opportunity to discuss with you the activities of the state highway department. The

SONGS COMPILED BY "CONCRETE" CONNELLY

At the good roads banquet held last Friday at the Warm Friend Tavern, naturally we had a few songs sung, and the committee first thought of an addition, but "Bill" Connelly spoke up and said "never mind, I'll write all of them and save the trouble."

Because of "Bill" Brouwer's ability as a "voorzinger" the songs proved a great success.

Here they are:

SMILES
At Flat

There are roads that make us happy.

There are roads that make us blue.

There are roads that steal away our troubles.

As the sunbeams steal away the dew.

There are roads that have a smoother feeling.

They're the kind that never make us us.

But the roads that fill our lives with sunshine.

Are the kind you will build for us.

To Tune of "MOONLIGHT BAY" B-Flat

We were bumping along on em-four-day.

We could hear the voices cussing.

They seemed to say: You have broken our heart and wrecked our car.

As we bumped our way along on em-four-day.

All night and day for you I pine.

In all my dreams Your fair top beams.

You're the idol of my heart Sweet concrete mine.

FIFTY YEARS AGO TODAY

James Huntley, the contractor, is running his planing mill on River street at full blast, making sash, blinds and doors for the buildings he is erecting in Holland and the outskirts. The hammer and the saw is heard everywhere in this city, indicating that spring is here. Mr. Huntley states that he will keep his shop running all summer and fall. Note:—The factory building was later turned into what is now the Colonial theater. Mr. Huntley is the father of George Huntley, Cecil Huntley, Harry Huntley, Mrs. Van Boone and Mrs. Benjamin Van Raalte, all of Holland. He has built some of the early-day finest buildings in Holland, including Wynant's chapel and the Holland City State bank. He was one of the heaviest stockholders in the Ottawa Furniture company.

Rumor says that Henry D. Post will build a good, substantial brick block on "his corner." We hope the rumor is true. Note:—It did come true and the Model Drug store now occupies the site. There is very little resemblance between the old Post building and the present one. The Post block was completely remodeled some ten years ago. The first tenants of the Post block were Dr. O. E. Yates and Peter Kane, druggists, later Miss Martin and George Huizenga, then "Gill" Haan, and lastly Henry Wilson and recently it has gone under the Walgreen banners with Henry Wilson in charge, assisted by James Jonkman. In the last store the late Bastian store for more than 40 years it is still the Model Drug store. In the old Post building, H. D. Post, Holland's first postmaster, had his justice offices, and his son, John C. Post, had his law offices.

General U. S. Grant's condition is growing more and more critical hourly and it is only a question of time when he will have passed away. When this occurs the nation as a whole will deeply mourn the death of this greatest of all American generals and recent president of the United States. General Grant's mind is clear and he is resting easily and is without pain this week.

The firm of Notier and Boven of Graafschap has been dissolved. Thomas Boven sold his interest to Christian Lokker and the firm name is to be Notier and Lokker. Note:—Thomas Boven, now well in the 80's, is the only one still living, the rest having passed away. "Mat" Notier, the well known G.A.R., as well as "Chris" Lokker, one-time head of the Crystal Creamery of Holland, have died during the last five years.

TWENTY-FIVE YEARS AGO TODAY

The Holland City News of March 17, 1910, chronicled one of the saddest events in years—the death of Mrs. G. J. Diekema, who died in Washington, D. C., where her husband was sent as a congressman from the Fifth district of Michigan. The news devoted more than two columns to this event and also printed a portrait of this beautiful and kindly woman—taken at the national capital shortly before her death. Short funeral services were held at Hotel Dewey, the home of the Diekemas at Washington, and was attended by the entire Michigan official staff, including Michigan Governor Kalamazoo and Senator William Alden Smith of Grand Rapids. Representative Washington Gardner of Michigan conducted the funeral services and offered prayer. The remains were brought to Holland over the Pennsylvania system and Charles A. Floyd of the Holland interurban had a special car in waiting to receive the funeral party—taking them to Holland. At the funeral services held in Holland Reformed church, the family, a life-long friend of the family, delivered the funeral sermon. He was assisted by Rev. John E. Kuizenga. The services were held at Hope church. Prof. J. B. Nykerk, Mrs. Robert De Pree, Mrs. G. W. Garrod, and Frank Kleinhessel sang "One Sweet and Solemn Thought," with Mrs. Anna Schuelke impressively rendering Andante in D minor by Schubert, and Beethoven's funeral march. Washington's official body was deluged with flowers and wreaths and included a large wreath from Governor Fred Warner of Michigan. These

FIFTEEN YEARS AGO TODAY

E. P. Stephan was elected mayor of the city of Holland. He said on the night of election: "I feel deeply grateful to my friends in Holland for their loyal support, but whether or not, I ask for your kind co-operation now during my term in office. We need the good word and loyalty of all citizens and I ask your advice and guidance. I wish especially to thank my fellow employees of the Holland Furniture company who stood by me so staunchly during this campaign. Jointly we are working under one roof and jointly we are creating with thought, brains and tools this beautiful line of artistic furniture. I often wonder at the skill of our workmen. You take a great part in manufacturing fine goods. I now ask you as good citizens to help me in sustaining good government. For many years on the whole—Holland has had an excellent government and we must keep it so and improve it when the opportunity presents itself."

Gerrit Appeldoorn, city treasurer, has "thrown his hat in the ring" as a candidate for register of deeds against Reinsenga of Grand Haven. Gerrit failed to land but has since made an able official at the Holland board of public works. His defeat in reality brought him success—not political but of more substantial nature.

Abbe Stephan packed his grip and went to Grand Rapids to serve on the federal jury where he was drawn as a juror. Judge Sessions would not excuse him even though he has duties to shoulder as Holland's new mayor and sales manager of the Holland Furniture Co.

Mr. and Mrs. G. W. Kooyers of 548 College avenue, announce the marriage of their daughter, Evelyn to Harvey Kalmink, son of Mr. and Mrs. George Kalmink of this city. The ceremony was performed by the Rev. H. D. Ter Keurst at the home of the bride's parents at 10 o'clock Thursday morning in the presence of the immediate families. The young couple will make their home in this city after a short wedding trip.

Mrs. Anna Crookery of Gladwin, formerly Miss Anna Tietsema of Holland, recently entertained the Gladwin Literary club, and the program presented carried out the Tulip Time in The Netherlands' theme. The program was centered around Holland.

Born to Mr. and Mrs. Ray Bos of 38 West Twenty-first street, on Saturday, March 30, a daughter, Judith.

Born to Mr. and Mrs. George H. Christopher of rural route 4 on March 25, a daughter, Georgia Mae.

Holland Has New Face On Board Of Supervisor

Fred Graham, Robinson, Wins with Slips. De Pree of Zeeland, Heep of Grand Haven Not There This Year.

The liveliest contest for member of the board of supervisors was waged in Robinson township when Fred Graham, running on slips, defeated two opponents, Bernard Berghorst and Bert Trip, by the narrow margin of 5 votes. He received 102 votes to Berghorst's 95 and Trip's 22. Five votes were thrown out as the slips failed to have the blue cross opposite the name.

Mr. Graham was defeated at the caucus and friends became so aroused over his defeat that they insisted he run on slips. His victory attests to his strength in the township that he has served for some 12 years as a member of the board. His strongest opponent Mr. Berghorst, has been the township clerk for many years. His successor is Casimir Szopinski, who was elected yesterday.

In the remaining townships thus far reported there appears to be but few changes.

John Hassold, Chester township defeated his opponent, J. McNitt Hunter Hering. Crookery township was successful over Ned Spencer Frank Hendrych, Grand Haven township, won over Richard Bernahl; Lester W. Martin, Wright township, defeated Fred Arnock and Cornelis Roenraad, Zeeland city, Maynard Mohr, Zeeland township, and Gerrit Bottenma of Spring Lake township, were successful.

Zeeland Elects New Mayor. In Holland Peter Damstra and Peter Van Ark were re-elected the primary; Abel Postma defeated Dick Steketee, and William Brusse and Ray Nies held over. The election of David Vereeke as mayor of Zeeland, who replaces John DePree, who did not run for re-election, places him on the board.

In Grand Haven Richard L. Cook mayor-elect, will also be a new face on the board, the other representatives of this city, Charles E. Misner, Philip Rosbach and Peter J. Ryenga, depending on appointments, which come later, for their places.

William Havendik, Blonden Charles Lowing, Georgetown; Albert Hyman, Holland township; Dick Smallgren, Jamestown; Albert H. Stegenga, Olive; George E. Heneveld, Park; Henry Marshall, Polkton; Henry Slaughter Tallmadge, were all reported today as having had no opposition.

Justin Zylstra, Allendale, and Frank Garbrecht, Port Sheldon were reported to have been opposed but no returns had been received at noon today.

DR. AND MRS. WYNAND WICHERS ENTERTAIN SOCIAL PROGRESS CLUB

The annual ladies' night of the Social Progress club occurred Monday evening when club members and their wives were guests of Dr. and Mrs. Wynand Wichers at their home on East Tenth street. The program for the evening was unusual and interesting as well as entertaining. The program included a humorous dissertation on eccentric Testators tracing the history of the making of wills back through the years, reading among many others a will written in 2548 B. C., and also the will of the son of the apostle Paul, composed in 90 A. D. The last will read was one made by a rugged individualist under the New Deal, showing that from the beginning to the present time, the form of wills has remained the same, though their content be widely varied.

Music consisted of two violin solos by Jack Vander Meulen, son of Mr. and Mrs. C. Vander Meulen. He was accompanied by William Welmers. The committee in charge of refreshments was S. J. Jenckes, Nicodemus Bosch, Henry Winter, A. A. Visscher and J. J. Riemersma.

Jack De Vries, manager of the downtown I.G.A. store for some time, has taken over the I.G.A. grocery and market at Maple avenue and Thirteenth street, having purchased the business from E. H.

Honors for the oldest citizen to vote Monday went to John Vander Schel, aged 86, living at 251 West Eleventh street, who voted in the Fourth ward.

Stickers of city attorneys were also pasted in the blank space for health officer. Might come in handy to cure a crime epidemic.

For school commissioner there were two Holland men pitted against each other, Gerrit G. Groenewoud, present incumbent, who received against his opponent, R. P. Leestma, 719 votes.

The balance of the results on the state ticket will not only be found in the compilation of Holland which is complete on page 2, but in the Ottawa county tabulation which is also complete, giving the grand totals on all candidates.

In Allegan county Mr. Wichers ran at least 2 1/2 to 1 ahead of his opponent, and Judge Fred Miles of Holland naturally got the entire Kleis and her committee in charge of the tea.

Honors for the oldest citizen to vote Monday went to John Vander Schel, aged 86, living at 251 West Eleventh street, who voted in the Fourth ward.

HAMILTON

Julius Kemper, son of Mr. and Mrs. Henry Kemper, and Mae Rankens, daughter of Mr. and Mrs. George Rankens, were united in marriage last week, Thursday evening, Rev. J. A. Roggen performing the ceremony.

Mr. Kemper has very successfully operated a celery farm south-east of town for several years and is a member of Hamilton's base ball team.

The bride is one of Hamilton's capable and popular "hello" girls. Both are well known in the community and popular in the social life of the young people. They will reside in the H. Tanis home on North Main street and their many friends are glad that they will remain here and wish them the best in every way.

Derrick Brink, salesman at Constantine, Michigan, spent the weekend with his family.

The high school play "Here Comes the Bride" will be presented at the Hamilton auditorium next week, Thursday and Friday evening, April 11 and 12, at 8 o'clock. The play is an annual affair and always draws a full house.

Julius Lubbers left Tuesday for a week's visit with friends in Chicago.

M-40, due to favorable weather and the tender care of a crew of workmen, passed through the spring convulsions in surprisingly favorable manner. If weather conditions continue favorable for a few more days, all danger will be passed and local folks will be able to send an interesting item to Mr. Ripley.

Mr. and Mrs. Ben Boeve and family visited Rev. and Mrs. J. A. Roggen Sunday.

Mrs. E. Brunson was a Hamilton visitor Monday.

Gladys Lubbers was in Chicago during the past week-end.

The effects of the Democratic landslide last Monday are already very evident to the Republicans. The very next day fishing was far below normal, the bridge crew was laid off due to non-arrival of materials, the sun did not shine, the streets and business places were unusually quiet, and a lot of folks complained of headaches. Too many people are only sorry when it is too late.

In the most spirited spring election in the history of Hamilton the Republicans went down to a decisive defeat last Monday. Here and there one of the old guard succeeded by the narrowest of margins to hold his own. The vote was the largest in the history of

the village and voting was almost 100 per cent. The first surprise, as the ballots were being counted, came almost immediately when it was announced that on straight ballots the Democrats were leading 2 to 1. This was a complete reversal of usual elections and several at first considered it an April fool joke. When the final count was announced, although some of the Republican candidates were defeated by larger margins than this and although a few were re-elected by a small majority, it was evident that the Republicans were out of the saddle and the Democrats were riding high and happy in their places. The result was as follows:

Supervisor, Roy Maatman 278, George Scott 91, clerk, Herman Nyhof 191, Levins Slotman 162; treasurer, Dick Slikkers 174, Charles Boyinga 170; highway commissioner, John Ter Avest 142, W. Root 209; justice of the peace, L. Vander Meer 181, E. A. Dangremond 169, Butler 168, Smith 169; board of review, George Cave 186, George Kaper 166; constables, Jacob Eding 178, Bert Vos 168, Harold Dangremond 195, Henry Kemper 151, Bert Scott 172, Boyinga 166, George Bolks 175, Slotman 167, Jacob Eding, Harry Lampen, John Brink, Sr., Edward Miskotten, and Ray Maatman were chosen at a citizens' meeting as a committee on improvement of M-40.

Josephine Tucker and Alfred Wiggers were Sunday evening guests at the home of Julia Alderink.

Dr. S. Vander Werf of Holland had charge of the services at the American Reformed church last Sunday.

Henrietta Johnson of Holland is spending a few days with her parents, Mr. and Mrs. Henry R. Johnson.

Richard Elenbaas, Howard Lugten and Gordon Timmerman were in Chicago last week.

Mrs. Gerrit Van Dyke was taken to the Holland hospital Monday morning to submit to an operation for appendicitis.

Otis Shears, poultry specialist of the Michigan State college, will hold a poultry meeting at the farm bureau garage this week, Friday, April 5, at 1:30 o'clock. He will give instructions regarding the raising of baby chicks.

Mr. and Mrs. Ray Dangremond and son, Roger, and Mrs. S. Vander Schraff of Grand Rapids visited at the E. A. Dangremond home Sunday.

Mrs. William Lemmen of Holland visited her children, Mr. and Mrs. Lewis Johnson, Monday.

Mrs. John Brink, Jr., led the Christian Endeavor meeting of the Second Reformed church Sunday evening, giving a very inspiring talk on "What Join the Church."

Josephine Kemper, Julia and Pannie Bultman furnished special music. Sixty-three young people were present.

Hilda and Mildred Rankens spent their spring vacation at the home of Mr. and Mrs. Martin Groenheide of Kalamazoo.

Ken Dolan, who has been prominent in the management of the local farm bureau for several years, has accepted the position as manager of the Produce company of Huntington, Indiana, one of the largest concerns in the state and middle west in the egg and cream business. It is a big job, but his friends and especially the farm bureau are confident that Ken is able to fill the bill.

Mrs. Emery Mosier went to Lansing Tuesday to visit Senator and Mrs. Frank Mosier and family this week. Emery, better known among his friends as Tim, and respected for his "comeback," is meekly taking the jibes of his friends.

Mr. and Mrs. Albert Komprens visited relatives in Muskegon last week, Tuesday.

The Ladies' Missionary society of the American Reformed church met at the home of Mrs. Henry Van Doornink last week, Thursday afternoon.

Mr. and Mrs. Frank Moomey and Eugene Dale Schnap visited at the home of Mr. and Mrs. William Ten Brink Monday and Tuesday.

The Bridge club met with Mrs. M. H. Hamelink last week, Thursday evening.

Rev. J. A. Roggen attended the meeting of the joint committee on church extension of western Michigan at Holland Monday afternoon.

Mr. and Mrs. Tom Venhuizen

and family visited Mr. and Mrs. Ever Boerger Sunday evening. The Hamilton youngsters enjoyed a brief vacation last week. Hope college and Holland High students are free this week.

The Women's Study club met last week, Thursday evening, at the home of Mrs. Henry Schutmaat.

Howard Kronmeyer of Holland spent Sunday with his parents, Mr. and Mrs. John Kronmeyer.

Miss Tena Holkeboer, missionary to China, will speak at the First Reformed church next Sunday evening at a public service, beginning at 7:30 o'clock.

Rev. and Mrs. J. A. Roggen were in Grand Rapids last week, Wednesday, to visit Adrian Hoelands, who is seriously ill.

Mr. and Mrs. Dick Van Tatenhove of Holland were the guests of Mr. and Mrs. William Ten Brink Sunday.

Lydia De Vries of Hope college is spending spring vacation at the home of Rev. and Mrs. J. A. Roggen.

The quarterly meeting of the teachers and officers of the First Reformed church was held last Friday evening at the parsonage. John Brink, Sr., presided at the business session. H. D. Strabbing spoke on "The Requirements of a True Sunday School Teacher."

A social hour followed the program. Earl Monroe, Walter Munroe, Jr., and son Donald from Chicago, were week-end guests of Justice Walter Munroe, Sr.

ZEELAND

Vernon Tjepkema of Zeeland paid \$5 in Grand Rapids traffic court for speeding.

The chick hatchery business is approaching a new record for the last three years. Plants are operating at capacity and an extended season is in prospect. Orders on hand indicate hatcheries will be busy until the latter part of June. Shipments increased in the last week to one full car.

Mrs. Harry Harling, missionary to South Africa, addressed the Mission guild meeting of First Reformed church Tuesday evening.

Miss Cora Van Koeveing, nurse at Presbyterian hospital, Chicago, is spending a few weeks at the home of her parents, Mr. and Mrs. John Van Koeveing on Lincoln street, Zeeland.

The Holland classis of the Reformed Church in America will meet in Second Reformed church of Zeeland, April 8 and 9 for the regular spring session. Twenty-seven churches are in the classis. The classis will open the evening of April 8 with an illustrated lecture by the retiring president, Rev. Seth VanderWerf of Holland. The lecture will pertain to missions.

On April 9 the classis will conduct the examination and ordination of the ministers of Dr. Edward D. Dimment, former president of Hope college and now an instructor in that institution. Anthony VanHarn of Holland, recent graduate of Western Theological seminary, also will be examined. VanHarn has accepted a call to the East Overlook church.

Damage estimated at \$3,000 partially covered by insurance, was caused by a fire on the farm of Peter Van Hage, about 3 miles east of Zeeland, when a brooder stove located in a large chicken coop exploded Friday night. The coop, which is about 200 feet long, was completely destroyed and 1,000 baby chicks and 1,000 large chicks burned to death. The farm is tenanted by J. Schreuer. Zeeland firemen answered the call about 6 p.m.

Work is proceeding rapidly in clearing the site for the new chapel which is to be erected by First Christian Reformed church of Zeeland. The new chapel will face East Cherry street and will be located just east of the parsonage.

About fifteen men of the congregation who are not employed, volunteered their services to wreck the old frame chapel, move the garage and clear the grounds for the new building. A small portion of the old chapel has been moved somewhat and will be kept intact until the new structure is ready for occupancy. Work of erecting the new building will proceed as rapidly as possible, probably within a week.

Future Farmers' club of Zeeland High school will hold their annual father-son banquet at the high school Friday evening. Green Hand members will be promoted to the Future Farmer degree. Martin Junior Hietje, the incoming president, will discuss the program of the year's work.

Announcement has been made of the subdistrict declamation, extemporaneous speaking and oratorical contests to be held in Zeeland High school April 12. The only school to compete in the extemporaneous contest are Hope High of Holland and Zeeland. Schools to compete in the declamation contest are Hudsonville, Coopersville, Grandville, Saugatuck, Hope High and Zeeland. These schools will also participate in the oratorical contest excepting Grandville. The contest is under the sponsorship of the Michigan High School Forensic society.

At least 150 members of the Second Reformed church attended the church social held in the church parlors on Friday evening. The program was given by a group singing in charge of P. T. Moerdijk with Miss Evelyn De Pree accompanist. George Meengs, organization committee chairman, was in charge of the program which featured a number from each organization. A Elenbaas gave the opening prayer after which the Rev. R. J. Vanden Berg spoke briefly a welcome to all. Music was rendered by a double male quartet composed of J. C. De Pree, John Moeke, George Moeke, J. R. Rogers, J. Meindertma, J. R. Dethmers, C. J. Van Hoven and A. Janssen. They sang "Battle Hymn," with soprano obligato by Miss Kathryn Janssen. The Service League was represented by Miss Eleanor Bouwens who presented an interesting reading entitled "So Did I." Miss Kathryn Janssen accompanied by her sister, Miss Geneva Janssen, sang "Dry Those Tears" and "Cradle Song." She represented the Ladies Aid society. Mrs. Edward Den Herder represented the Mubersherat society and interested the audience with a group of readings including "The Way of a Wife" by Edgar Guest, "Ask a Man" and "A Modern Clothesline." The male quartet with Miss Janssen as soprano obligato sang "Work, Watch and Pray" and "My Jesus I Love Thee." The Christian Endeavor society contributed a play entitled "Jancy" by Gurnsey Walker. The play shows a wonderful transformation in the life of a Kentucky girl who is influenced by Christian friends. The play was given in two acts with scenes in Ashland,

Kentucky, and in Washington, D. C. Characters taking part included Jancy Raves, a girl of 14 years by Zelma Hendricks; Mrs. Raves, her mother, who cannot manage and does not love her daughter, Mrs. P. Brilly; Mrs. Hammond, who is deeply interested in home missionary work; Mrs. Henry Borst; Ethel Hammond, her daughter, Lillian Borst; Mrs. Denning, a friend, Mrs. H. Baron; Rosa, a maid, Ruth Wierenga. The program concluded with the singing of a song, followed by the serving of lunch by the Sunday school class of J. H. DePree. The Young Men's Bible class with Harold DePree in charge directed the playing of games.

Holland public schools this week received the second installment of supplement primary school monies in the amount of \$12,000, according to Trustee Henry Geerlings, secretary-treasurer of the board of education. A third installment of \$5,000 in state aid is expected before June. The first payment, also \$12,000, was received several weeks ago.

Rev. Paul E. Hinkamp, Hope college representative, spoke at the afternoon session of the classis of Grand Rapids yesterday in Beverly Reformed church. He spoke in connection with the report of the committee on education of which the Rev. Bernie Mulder was chairman. M. Den Herder also spoke, urging the classis to send a large delegation to Hope college for the annual tour of the campus by Grand Rapids High school seniors April 26. The classis instructed the Rev. Mr. Hinkamp to convey to Dr. W. Wichers, president of Hope college, congratulations of the classis upon his election to the state board of education.

Mrs. John Speet was guest of honor at a shower given at the home of Mrs. William Brouwer, 41 East Fourteenth street, Mrs. Brouwer and Mrs. Dewey Vander Schaaf being hostesses. A program of games was followed by refreshments. Guests included Mrs. Peter Schieringa, Mrs. H. Troost, Mrs. J. Elenbaas, Mrs. N. Klunke, Mrs. W. Veltkamp, Miss Agatha Vanden Elst, Miss Janet Koeman, Miss Julia Speet, Mr. and Mrs. Milton Vandenberg, George Schieringa, Elmer Atman, Stanley Hendveld, C. Dornbos, R. Cumerford, H. Schaap and Miss Speet.

Henry Geerlings addressed officers and teachers of Bethel Reformed church Sunday school at their quarterly meeting held in the church parlors Tuesday evening. Mr. Geerlings spoke on the subject "The Problems of Life." Other numbers were two vocal selections by the Kleinhessel and instrumental music by the Weener family. A social hour followed the program, refreshments being served by Mrs. J. De Groot and Mrs. H. Swierenga.

A private garage at 36 West Eighteenth street, was struck early Saturday morning by John Cooper, 42, of 631 Michigan avenue, the driver reported to police in filling out a state accident form as required by law. In telling of the accident, Cooper said that a right front tire that blew out caused his machine to swerve from the road and across lawn and garden until stopped by the building.

Leslie De Neff won the Hickory Dickey Dock rhyme contest in the News last week. Call Bert Slag and Co. wall paper and paint store, for information.

Miss Susan Schrottenboer, who is to be an April bride, was guest of honor at a miscellaneous shower given by Mrs. George Jansen, Mrs. John H. Jansen, Mrs. Clarence Overbeek and Miss Henrietta Jansen. A program of competitive games was played, prizes being awarded to Mrs. Hazel Schierbeek and Miss Edith Boven. A two-course luncheon was served. Guests were Miss Helene Wieghink, Miss Henrietta Wieghink, Miss Jean Hosmer, Miss Gertrude Wolters, Miss Dorothy Martinus, Miss Jean Voltman, Miss Edith Boven, Mrs. Minnie Van Oosterhouse, Mrs. Henrietta Leenhouts, Mrs. Eva Kolenbrander, Miss Janet Derks, Mrs. Maad Horning, Mrs. Hazel Schierbeek, Miss Reva Bouwman, Miss Sue Scholten, Miss Florence Derks, Miss Alice Jansen and Miss Marie Bontekoe.

A group of relatives gathered at the home of Mrs. Sam Dykstra at 249 East Ninth street Tuesday evening in honor of Mrs. Dykstra's birthday. Guests brought not only plenty of refreshments, but also remembered Mrs. Dykstra with a handsome gift. Those present were Mr. and Mrs. Martin Dykstra, Marvin, Gertrude and John Dykstra, Mr. and Mrs. Ed De Jongh and son, Mr. and Mrs. Jack Dykstra, Mr. and

Mrs. Jack De Vries and children, Mrs. Alice Van Putten, Mr. and Mrs. George Eilander and children and Mr. and Mrs. Sam Dykstra and family.

LITERARY CLUB MEMBERS ENJOY LUNCHEON

The tea room of the Woman's Literary club was artistically decorated with seasonal decorations on Tuesday when members of the Woman's Literary club sat down to a 1 o'clock luncheon, winding up the year's activities of the club.

Divisions 3, 5 and 6, under the general chairmanship of Mrs. W. G. Winter, served the luncheon, which consisted of a Dutch menu, prepared by Mrs. Henry Carley, Mrs. John Mikula, Mrs. Ray Niles, Mrs. Nelson Miles, Mrs. E. P. McLean and Mrs. Sidney Tiesenga, division chairmen, and members of the club. The same menu will be served during Tulip Time as a club project, it was announced.

Mrs. J. D. French presided at the business meet, which included reports of various officers and committees.

Mrs. C. M. Selby and Mrs. R. L. Schlecht were appointed delegates to the West Central district of the state federation, to be held on April 10 in Carson City.

COMMON COUNCIL

(Continued from Page 1)

beer licenses until the next meeting.

Approved. Reports of Special Committees.

Alderman Huyser, chairman of the special committee appointed to secure further information in regard to the claim of Egbert Beekman for damages to his home on North River avenue, reported having had a conference, but were not in a position to bring in a definite report at this meeting, so just wished to report progress at this time.

Communications from Boards and City Officers.

The claim approved by the hospital board in the sum of \$3,154.15; library board, \$116.46; park and cemetery board, \$755.69; police and fire board, \$944.56; board of public works, \$11,858.85, were ordered certified to the council for payment. (Said claims on file in the clerk's office for public inspection.)

Allowed. The board of public works reported collection of \$909.83; city treasurer, \$1,289.97.

Accepted. The clerk reported interest coupons due in amount of \$32.01.

Allowed. The clerk presented communication from the board of public works recommending that a Rex Vertical Improved type traveling water screen be installed in the new water intake at the Fifth street station at a cost of \$2,503.

Approved. The clerk presented communication from the board of public works recommending that the salary of the superintendent be fixed at \$4,180.000 per year, and the clerk \$1,846 per year.

Approved. The clerk presented communication from the board of health recommending that all outside toilets in the city, where sewer connections are available, be discontinued and abolished.

In the discussion that followed, it was the sentiment of the council that the recommendation of the board should be approved. However, the mayor took the position that until the new council is installed at the next meeting, this matter should be held in abeyance, and definite action taken at that time. Approved.

Motions and Resolutions. Mr. Ray Hoek appeared before the council relative to the purchasing of materials for the decorating of Holland hospital. Mr. Hoek stated that a work relief project for the decorating of the hospital has been approved and that the hospital board authorized him to have charge of this work. How-

ever, at the suggestion of the mayor, he was appearing before the council to secure their approval for the purchase of materials. It was the opinion of the council that these materials should be purchased locally and wherever possible, to distribute the purchases among the different dealers.

Alderman Prins reported that the premises at the northeast corner of College avenue and Tenth street, where the old Godfrey house had been torn down, is in a very unsightly condition, and recommended that the owner of the property be ordered to have this cleaned up.

It was so ordered. Alderman De Cook stated that the former fairgrounds property is also in a rather unsightly condition, and recommended that this be cleaned up as well.

Referred to the park board for their attention.

Alderman Kalkman also recommended that the tannery property be cleaned up. Mr. Kalkman stated that in taking this matter up with the representatives of the tannery property, they had volunteered to turn the property over to the city at its present assessed valuation.

No action taken in regard to Mr. Kalkman's suggestion. Alderman Kalkman stated that he was interested in trying to persuade the employees of the Baker Furniture Co., who are still residing in Allegan, to take up permanent residence in Holland.

After a brief discussion, the matter was referred to Mayor Bosch, who suggested that he would talk the matter over with Mr. Baker and report to the council at their next meeting.

On motion of Alderman Prins, and seconded by Alderman Kleis, Resolved, that the common council appropriate a sum of \$200 for the purpose of providing the necessary funds to take care of the burial of Florence E. Revell, a resident of the city of Holland, in the event of her death.

Carried. Note—Florence E. Revell is to be admitted to the Masonic home at Alma, Michigan, and the above action was necessary in order to gain admittance.

The clerk reported that if there were no objections, the canvass of the vote in the city at the annual city election held on April 1, 1935, which in accordance with the charter, is required to be made on the Thursday following election, could be taken up at this time.

On motion of Alderman Van Zoeren, it was ordered by unanimous vote.

On motion of Alderman Van Zoeren, the mayor was requested to appoint a committee of three to canvass the vote. Carried.

The mayor appointed Alderman Kalkman, Van Zoeren and Damsen. After a short recess the committee reported that they had made such canvass and submitted tabular statement of such vote, and

On motion of Alderman Van Zoeren, seconded by Kalkman, RESOLVED, that the report of the votes cast for the several city offices be and the same is hereby adopted, and that the several persons who have received a majority of the votes cast for the respective offices for which they were candidates be and hereby are declared elected to such office as follows:

Supervisor—Abel Postma, two years. Member Police and Fire Board—John P. Luidens, five years. Health Officer—Dr. William Westra, one year. City Attorney—Elbern Parsons, one year.

Said resolution prevailed, all voting aye. OSCAR PETERSON, City Clerk. Adjourned.

STEREOPTICON LECTURE TO BE PRESENTED TUESDAY

Miss Elizabeth Smither of the Madison Square mission of Grand Rapids, will present an illustrated lecture in Prospect Park Christian Reformed church on Tuesday evening, April 9, at 7:45 o'clock. The lecture, entitled "Missions, Our Mission," is given under the auspices of the Ladies' Mission society of the church. The public is cordially invited.

YOUNG WOMEN ESTABLISH DRESSMAKING SHOP

Miss Enid Fuller and Miss Jeanette Tubergan, who have recently completed courses of training in dress making through the Grand Rapids Rehabilitation league, which is part of the vocational rehabilitation department of public instruction which operates in Kent and Ottawa counties, have established a dress making shop at 216 West Fourteenth street, which they call the "Just So" Sew shop.

Miss Fuller has unusual talent in dressmaking, it is stated, and took special training at Union High school in Grand Rapids, later getting practical experience in a well-known dress making shop. Miss Tubergan has just finished a course in dress making in a local shop through aid furnished by the league.

These young women can do alteration work, relining and dressmaking, and specialize in children's clothes, Miss Vesta Sturgis, assistant state supervisor, who placed the girls in Holland, has explained. Many other young people have been helped by the league in this community during the past two years, it was made known.

Highway Chief Gives Promise Of New Road Plan

(Continued from Page One)

definitely encouraging to the department.

"It is my desire to administer the highway department so that it will serve the best interests of the people. This end can be best achieved when we have a close understanding with the local communities.

"First, I should like to review briefly the financial situation of the highway department and what we have accomplished in your county during the last two years.

"There was a time only a few years back when the huge sums of \$25,000,000 annually of state funds were available for new construction. During my administration we have had virtually no state money for new construction. This is true principally because there is an increasingly large amount of highway monies being returned to the counties, and because the weight tax reduction, recommended by the highway department, has reduced revenues more than \$5,000,000 annually.

"Weight and gas tax collections last year amounted to nearly \$35,000,000. Three-fifths of this money was returned to the counties for use on county roads and to retire

PROPOSED ROAD PROGRAM VITAL TO HOLLAND AND VICINITY

Condensed outline of program of road improvements for the vicinity of Holland as proposed by the state highway commissioner and approved by the United States Bureau of public roads:

1—Pave new route between Holland and Saugatuck, connecting with the end of the present concrete at East Shore garage, north of Saugatuck, and Michigan avenue at the south city limits of Holland. This route to be known as M-21 and US-31A.

2—Extend M-21 south on Fairbanks avenue to intersect M-40; thence west with a grade separation over Pere Marquette tracks to connect with US-31A, south of the city limits.

3—Pave M-40 via Hamilton to Allegan and route it over Fairbanks avenue.

4—Reconstruct the present US-31 from East Shore Garage at Saugatuck north to Brinkman's Corner at Virginia Park.

5—Ultimately relocate US-31 nearer Lake Michigan as a shoreline scenic road, which will call for a bridge over Holland's harbor channel. The latter plan seems some distance away.

local road indebtedness. More than \$4,000,000 went for the sinking fund and interest charges of the \$50,000,000 highway bond issue. An additional \$3,500,000 was required to meet contractual obligations of several years' standing in Detroit and Wayne county.

"By the time maintenance costs of the trunk line system were paid, less than \$2,000,000 remained for direct construction use. This sum was required for purchase of right-of-way and to defray engineering costs in carrying on the federal grant programs.

"Fortunately federal grant funds have made possible extensive construction work during the past two years. In the summer of 1933, under the national recovery highway program, the department received a federal grant of \$12,736,000. This money was allocated to all 83 counties on a basis of population, area and trunk line mileage. Ottawa's allocation was \$139,000, while actual expenditures exceeded this figure by nearly \$10,000. We built the five miles of new concrete pavement on M-26 from Nunica northwest to the county line, and a half mile of 40-foot concrete pavement on M-21 from Jenison east to the county line.

"An additional federal grant of \$6,452,000 was made available last summer under the Hayden-Cartwright act. This work was started last fall and is being resumed now with the opening of spring construction in 59 counties. Under this program we propose to spend an additional \$190,000 in Ottawa county. This will build a new concrete avenue on US-16 for 1 1/2 miles through the village of Spring Lake and for nearly a mile east of the village limits, as well as four miles of bituminous concrete surface on US-31 from the south county line northeast.

"In this new public works program, we will allocate a fair share of the money to Ottawa county and The Big Ward Week Sale ends this Saturday night. Thus far it was a great success. See several Ward Week bargains on the last page.

MONTGOMERY WARD

this section of the state. I wish to refer to this map to point out what we have in mind in the way of highway improvements for this area. This work, of course, cannot be completed in a single year, but we hope to make a good start under the proposed public works program and complete the projects as fast as funds are available.

"We propose a major operation on the trunk line system in the vicinity of Holland. This plan has the approval of the United States bureau of public roads, the final authority on all matters pertaining to federal highways, and I understand it is favorably received in Holland. Mr. J. T. Voshell, district engineer of the United States bureau of public roads, at Chicago, recently wrote the department as follows:

"The master plan involves, in the first instance, a relocation of US-31 or US-31A, as it will eventually be known, between Saugatuck and Holland. From the present turn northeast of Saugatuck the road will continue northwesterly for approximately 3 1/2 miles and thence due north 4 miles to the Ottawa county line where the entrance proper to Holland will begin. The construction of this piece of new road will be started as soon as additional funds are available.

"Plans for the section in Allegan county are practically completed and work can be started within 60 days after funds are available. Some additional surveys and plans in the city of Holland remain to be completed, but there should be no delay on this account.

"The new Holland-Saugatuck route, approximately 8 1/2 miles long, will be paved with concrete at an estimated cost of \$460,000. At the south end of the project it will be necessary to build 3 miles of new road at Douglas and Saugatuck and also a new bridge across the Kalamazoo river, at a total cost of approximately \$375,000. This work will eliminate the present unsatisfactory alignment through the villages of Douglas and Saugatuck and give Holland a direct paved route to the Indiana state line.

"Between the village of Ganges and the city of South Haven there is some 16 and 18 foot concrete which needs to be reconstructed and widened to 30 feet.

"Between the village of Saugatuck and Holland, is neither a scenic nor a direct route and does not fit into the ultimate plan. It would be most expensive to reconstruct and widen the present road through the developments along the south side of Black lake.

"Another step in the master plan involves the laying out and construction of an extension of M-21 along the east and south sides of Holland to form a belt line. This extension will leave M-21 at the east limits, continue south for about two miles, thence westerly across the P. M. railroad where a grade separation will be constructed, and thence westerly to connect with US-31A about one mile south of the Holland city limits.

"Thus you see that the new US-31A will provide access to traffic that wishes to go to the business district of Holland, while the belt line can be used for through traffic to and from Grand Rapids that now passes through the city and increases the congestion in the downtown section.

"The belt line will also be a part of M-40 entering Holland and likewise afford a by-pass for through traffic using that trunk line.

"The whole plan is based upon the idea of providing the shortest routes possible, speeding up traffic and, at the same time, affording alternate routes through the city.

"Our ultimate plan is to construct a scenic shore road by following Lake Michigan as closely as possible between Saugatuck and Grand Haven, which will be marked as US-31. The cost of this project including a bridge across the Black lake channel, will approximate \$3,000,000.

"M-40 is in very bad condition between Holland and Allegan and should be paved. This project would cost \$800,000. Plans are practically completed for the first section extending as far as Hamilton. We are now building a new bridge crossing Rabbit river in Hamilton, costing \$50,000, as the first step in the improvement of M-40 between Holland and Allegan.

"The proposed work which I have just outlined for this area, totals an estimated cost of \$4,885,000. Part of these improvements, as I have mentioned, will be quick starting projects under the new public works program. Completion of all work, of course, will require considerable time and depend upon the availability of funds."

The next speaker on the program was James R. Adams, vice president of the MacManus, John and Adams, Inc., of Detroit.

Mr. Adams was an orator of unusual ability, and did not exactly speak on good roads although good roads entered into the cycle of this nation's upbuilding.

Mr. Adams' discourse was a gem and the News promises to print it in full in a future issue, for it tells the story running through our whole national life from the Pilgrim fathers to the present day, telling why there are cycles of depression and why there are cycles of unprecedented prosperity. In these cycles there is the age of breaking the soil by pioneers; the building of stage coach roads; the building of railroads; the building of cities and towns; waterways and bridges; steamships and docks; automobiles and roads; postal service and rural service; airplanes and the auxiliaries that go with it; phonographs and records; and now the radio and the accessories which this new industry brings about. Whether commerce and the more stupendous projects in our life's work, or projects more refined in the way of music and all that embrace the subject of art—all these things have been started and completed. It created a tremendous force of labor. All available men were put on the job. The creation of one thing meant the creation of fifty others closely allied. For instance, the automobile meant at least 100 accessories; it meant the building of gas stations all over the nation and the development of the oil product. It also meant concrete roads, but this, too, is largely completed.

One might go on indefinitely to link these projects together and the labor forces so developed would be endless it would seem. However, according to Mr. Adams, a job becomes completed; a particular line becomes saturated and something new must take its place to take up the slack in enterprise and by the same token unemployment.

In his discourse Mr. Adams

pointed to many new developments just now in the offing that would bring prosperity such as the nation has never seen. A bad cycle has just been gone through. We are about to enter a new cycle of new endeavors that will mean a stimulant in all enterprise and re-employment of the millions who are today idle.

At a future date the News hopes to print the entire discourse of Mr. Adams, for it is worth reading. That it was based on good common sense is evident from the enthusiastic applause Mr. Adams received as he concluded his talk.

William Connelly, toastmaster, who generally speaks in a jocular vein, gave Mr. Adams a very serious "Thank you," in which wit and humor played n o part. It was indeed evident that the toastmaster was duly impressed with the retrospect given and especially with the bright and hopeful prospects for the future.

Arrests for Feb. Game Law Breaking Few

Deer Heads in a Doorway —
"Give Away" — Leads to
Arrest

Arrests for violations of the fish and game laws took a drop of nearly 50 per cent during February, according to the monthly report of the Department of Conservation. A total of 107 arrests was made. Charges were dismissed or sentences suspended in three cases, but only two cases were lost in justice court.

Violations of fishing laws continued to lead. Seventy-one arrests were made for illegal fishing, 27 for lack of the 1935 fishing license. Twenty-five violators were charged with breaking the hunting laws and 11 with illegal trapping.

Fines totaling \$538 and costs, amounting to \$540.70, were levied on violators in justice court. A total of 360 days in jail sentences was imposed. Fines were suspended in 30 cases, the report shows.

Among those taken for a violation of the fishing laws was Toivo Ketola, 28, of Stambaugh, who allegedly attempted to open the trout season on February 21. Max Jaeger, conservation officer of Iron county, found Ketola fishing brook trout in Wagner creek on that date, he charged. Ketola was accused in justice court of illegal fishing, pleaded guilty, and in default of a fine of \$25 and costs of \$3.75, took a 30-day jail term.

One of the alleged hunting violations concerned Raymond Havermahl, age 21, of Hillman, a CCC truck driver at Camp Lunden. Havermahl was taken into custody by conservation officers of Montmorency county, who charged him with selling a buck deer to residents of Ohio for \$10.

After pleading guilty to the charge Havermahl paid a fine of \$40 and costs of \$17.60. Under the law he becomes disqualified from purchasing a deer hunting license for the next three years.

Discovery of two deer heads in a deer yard by conservation officers of Mackinac county led to the arrest of Roy Gugin, 43, of Hessel.

The officers said the deer had been snared. On the following day the officers searched the home of Roy Gugin and reported finding parts of two deer in a wash tub.

Gugin was arraigned in justice court on a charge of illegal possession of venison, pleaded guilty, and in default of a fine of \$50 and costs of \$6.85, took 20 days in jail.

Aside from the 27 violators taken for fishing without a license, conservation officers apprehended nine for possession of black bass, nine for possession of illegal bluegills, six for selling illegal perch and five commercial fishing without a license and two each for exceeding the legal catch limit of game fish, possession of undersize fish, illegal use of ice lines and exceeding legal number of ice lines, and one each for spearing black bass, possession of an illegal fish trap, taking fish by seine, possession of short porch, selling minnows without a license, swearing bluegills and fishing brook trout.

Hunting law violations follow: Illegal possession of venison, 8; carrying firearms without a permit, 7; illegal possession of pheasant and offering rabbits for sale, 2 each; buying prairie chicken, possession of buckshot in deer area, selling buck deer, making false statement to obtain small-game license, to obtain deer license and hunting ducks, 1 each.

Trapping law violations listed are as follows: Failure to make fur reports, 6; illegal trapping, 3; making false fur report and buying fur without a license, 1 each.

Conservation officers confiscated 7 guns, the number consisting of 5 single-barrel shotguns, a double barrel shotgun and a deer rifle; 3 spears, 9 traps, a fish trap, 50 pounds of venison, a pheasant, a rabbit and about 200 pounds of illegal fish.

BAD INFECTION CAN RUIN ENTIRE FIELD

Although 1934 was not a bad year for spread of anthrax in raspberries some fields showed this disease last year, so states L. R. Arnold, county agricultural agent. A bad infestation can ruin the entire field. This disease can be controlled by a dormant spray put on when the buds show green. Use 10 pounds of lime sulphur with water. Dashing rains spread the disease from affected canes to unaffected ones; therefore, one should take control measures before this spread occurs.

Cultivation should be done early in order to preserve as much moisture in case 1935 should prove to be a dry year. Fertilizer should also be applied early. Applications may be made as soon as plants start growth at the rate of 200-400 pounds of 4-16-4 or its equivalent.

Bulletins on raspberry culture and spray bulletins are available at the farm agent's office.

The annual Pine Lodge banquet will be held in Third Reformed church in Kalamazoo on Friday evening, it was announced today. All girls who at any time attended Pine Lodge conferences are invited. The banquet begins at 6:30 p.m.

A large number attended the mass meeting of the men's societies of Christian Reformed churches Friday evening in 9th Street church. Harry C. HOLLAND FURNACE HAS SALES MEET

J. A. McDaniel Says Business of Company Has Exceeded Estimate.

(Grand Rapids Press)

With annual sales meeting of the Holland Furnace company, held on Monday in the Rowe hotel, Grand Rapids, was one of the cities participating in this series of meetings from coast to coast this week.

J. A. McDaniel, national sales promotion manager, who is attending these meetings, said the Holland Furnace company had gone into a comprehensive expansion program, had increased its sales force and business and had made the largest showing in the history of the company, the company having gone far beyond its quota in the last three months.

Increased Salaries.

Mr. McDaniel added contracts will show the company will be the largest advertiser in the heating field and salaries and wages have been increased.

He called attention to a new air conditioning unit of the company as a special feature of interest in connection with the spring sales meetings.

E. A. Gogolin, Michigan division manager for the company, as well as Mr. McDaniel, spoke at the local meeting. H. J. Poppen represented the home office.

About 50 representatives of the company attended the meeting. They were from branches at Ben-Harbor, Cadillac, Holland, Ionia, Kalamazoo, Muskegon, South Haven, Sturgis, Traverse City, Battle Creek, Hastings and Grand Rapids.

GRAND RAPIDS MAN, WHO VISITED RUSSIA, WILL ADDRESS OPEN FORUM SAT.

Joseph Gerbert of Grand Rapids, who recently visited Soviet Russia, will tell of his observations in that country before the Open Forum at Labor hall Saturday, April 6, at 8 p. m.

Mr. Gerbert, a resident of Grand Rapids for 25 years, and a student of economics, had heard many conflicting stories of conditions in this much-discussed country, and so decided he would go there and investigate for himself.

to that country he has appeared before several groups and organizations to report his own findings. Mr. Gerbert visited the large collective farm "Sechenke," near Khar'kov in the Ukraine, where 800 families live and work with modern agricultural machinery, and have movies, schools, nurseries, etc.

He also visited the Gorki auto factory in Moscow, which employs 25,000 people, and have their own co-operative store, which sells at reduced prices. They get theater tickets at half price and free medical care, and insurance benefits for sickness, etc.

He also saw the Moscow packing plant, where he observed everything to be sanitary and the workers must change their clothes before going to work.

The meeting is free to the public, and Mr. Gerbert informed the local committee to have it made known that he will be pleased to answer questions after his talk.

BETSY NEEDHAM AND JAMES GETZ SET WEDDING DATE

Boat schedules and trousseaux have been playing a great part in the life of Betsy Needham and James Rankin Getz. They have decided on May 4 as their wedding day. It will be a quiet affair at four-thirty o'clock with only the members of the two families witnessing it at the Lake Shore Drive apartment of her parents, Mr. and Mrs. Maurice Needham.

The blond Betty will have no bridesmaids, while George Getz, Jr., will serve as best man for his brother.

They sail four or five days after their marriage for England to land in plenty of time for the major excitement revolving about the jubilee—celebrating King George V's twenty-fifth anniversary of ascending to the throne of the British empire.

Plenty of Deer in Allegan County

G. W. Morris on the Richmond road reports that last Sunday morning he discovered the fresh tracks of five deer leading from his woods into his rye field where they had grazed for a time and then jumped the fence into his corn field and topped off their meal with "corn on the cob" from some standing stalks left in the field, and from there they returned to the rye field and back into the woods.

Mr. Morris says there are numerous tracks showing considerable age, which point to the fact that the deer have been in the vicinity for some time, and have been grazing on his farm and others close by for perhaps all winter. We join Mr. Morris in saying that we hope that the people of the vicinity will protect these animals as much as possible, as well as others in Allegan county, which have steadily increased in the last five years to a herd of considerable size.

DROP 138 RELIEF CASES FROM ALLEGAN COUNTY ROLL

A reinvestigation of relief cases in Allegan county has resulted in one hundred and thirty-eight of them being taken from relief rolls, according to an announcement this week by ERA officials and it is probable that many other cases will be dropped as the reinvestigation continues.

To date a total of 376 cases have been reopened, and during the period of investigation, 36 new cases have been added and five applications have been denied.

At the present time approximately 400 cases are in the process of being reinvestigated and an additional 400 are to be reinvestigated. Work will be completed in all townships in the county by the end of the week with the exception of Saugatuck, Laketown, Fillmore, Martin, Hopkins, Wayland, Leighton and Dor.

COUZENS FUND GIVES OTTAWA DENTAL CLINIC

Dr. Morton Levin, county health unit doctor, announced today that the Couzens fund would establish a dental clinic in Ottawa county.

The announcement followed a meeting last night attended by Dr. J. R. Gibson, director of the dental division of the Michigan Children's Foundation. Gerrit C. Grounoud, county commissioner of schools, and the health committee of the board of supervisors consisting of Charles E. Misner, Lionel Heap, Grand Haven and Neil Neils of Holland were present.

The dental clinic to be established from June 24 to Sept. 14 is to be open to all rural children, and possibly to establish as a permanent unit if given cooperation by the board of supervisors. The county will be obliged to furnish a paid assistant, the Couzens fund furnishing a dentist and all materials and equipment.

ABOUT SEED AND CROP LOANS

L. R. Arnold, county agricultural agent, reports that finally word has been received that the seed loan has been made available for 1935. Many inquiries have come to his office in regard to possibilities of securing such a loan this year. Applications are expected to arrive by April 3. These will be filed out in the farm agent's office for those who wish to secure this type of loan.

The seed loan is primarily a crop loan. It is secured by the crop. All loans fall due October 31. The money borrowed may be used for several purposes, however, it is for the purpose of putting in a crop. Loans may be secured for seed, plowing, fertilizer, spray material, etc. The money may not be used for purchase of live stock, payment of taxes, debts, interest, etc.

Great Retiring Land Project in Allegan County

LAND WILL BE BOUGHT BUT NOT AT FANCY PRICES — APPRAISERS TO STEP IN

At Least 80,000 Acres Will Be Retired from the List of Tillable Soil

With approximately 80,000 acres of land involved, a sub-marginal land project has been started in Allegan county by the Federal department of agriculture. Appraisals are being made and preparations to buy land and retire it from production are going forward.

The area outlined by the government is located in the middle western portion of the county, beginning just west of Bravvo and Pullman, south to the county line, and north to approximately mile and one-half south of Hamilton. Practically all of Valley township, with the exception of the northeastern corner, the south two-thirds of Heath, the east half of Clyde and Lee, the southeastern two-thirds of Mantua, and the southwest quarter of Monterey township comprise the area being considered. The above described tract may be extended into the northern part of Chehiere township and northeastern through Salem township if such an extension is proved necessary.

The Allegan county program is one of three that are now going forward in the lower peninsula of the state and is made possible by the Federal sub-marginal land program calling for the removal of areas of non-producing lands now used for agricultural purposes. A similar project is under way near Chelsea in Washtenaw and Jackson counties and another near Grayling. Further investigation is being carried on and other similar areas in the southern part of the state are being considered.

Property owners within the area are given opportunity of disposing of their land to the government at a fair, appraised, and non-speculative price. A crew of land appraisers will appraise each parcel of land in the area and will contact each owner. The type of soil, improvements, and the timber is taken into consideration on each appraisal. The program is entirely voluntary upon the part of the owner and no effort will be made to urge the people to dispose of their holdings.

This work is being undertaken with the co-operation of the State Rural Rehabilitation corporation and an offer of assistance is made to people living within the area who dispose of their holdings to help them re-locate on more desirable productive lands and to provide them sufficient credit to start farming on a paying basis. A representative of the corporation will be available locally to advise people and offer assistance.

After being purchased and the acquisition project completed, the land will become the property of the public and will be held for such use. While there is no definite information on the development plans, the recreational features will probably be considered and recreational centers and camping grounds may be established in the more desirable spots. Reforestation will be undertaken in the more barren and wind-eroded areas and extensive fire protection provided by building fire lines and establishing other preventive measures. Control of the game, water-fowl, and fish life in the tract will probably be given attention and steps taken to enhance the attractiveness of the project by such proper management. Any development of the area will be sponsored by Michigan conservation department and they will probably be actively engaged in its maintenance after some of the development has taken place by the Federal government.

The project is sponsored by the board of supervisors, the Allegan County Sub-marginal Land committee and other influential Allegan citizens who are assisting in the program. An office has been established in the superior's room in the courthouse by Mr. L. Moore, project manager, with a staff of eight persons. The appraisal and optioning work is well under way and it is expected that the entire area will be covered during the spring months.

GEN. MEADE TO LEAVE SUNDAY NIGHT FOR TEN DAYS' WORK AT KENOSHA, WIS.

The federal construction crew will start work next year, the first of the season, on the south pier at this port, when a section of the old wooden pier will be replaced by concrete.

The Gen. Meade left Sunday night for the first trip of the season and will go to Kenosha for 10 days' work. She will return to this shore and work in and out of ports on the east shore. About \$15,000 has been expended during the winter in general repairs and overhauling which is the usual amount. The Meade has received a new coat of paint among other items.

She will leave port under command of Capt. William Rie. Improvements to the pier will eventually complete the concrete work leading from the Escanaba dock to the shore line.

The S. L. P.
Is Helping the F. H. A.

We can't turn all of our money into 20-year mortgages—but there is enough of it available under F.H.A. terms to build quite a few new homes in Holland. Nothing would please us more than to see a healthy building activity get under way in Holland—and prospective builders will find us in the mood to help them to the fullest extent permitted by good banking practice.

S. L. P.

SLP is the alphabetical way of referring to the First State Savings Loan Plan. Small loans are made at a charge of 6%—the lowest cost in Michigan. Repayment is made through monthly deposits in a savings account that pays the regular rate of savings interest.

F. H. A.

FHA is the alphabetical designation of the Federal Housing Administration—a branch of the government created to aid people in the building of new homes under most favorable terms. Full information will be gladly supplied, as well as wholehearted co-operation, by the First State Bank.

We specially recommend the S.L.P. (First State Savings Loan Plan), for financing home repairs and modernization. There is no better use to which this thrifty Savings Loan Plan can be put than to improve your home. Inquire into it at any of the bank windows.

SUNDAY DINNER SUGGESTIONS

By ANN PAGE

THE vegetable situation is somewhat improved this week. Green beans are again a good buy. Asparagus is moderately priced, carrots are cheap, and beets are cheaper than in many weeks. Boston type lettuce is good, plentiful and cheap. Iceberg is excellent quality but comparatively high in price. It is the season for many types of greens and they are cheap.

Lemons and eggs are cheap—which suggests lemon meringue pie, Hollandaise sauce, and lemon butter. Pineapples are coming into season. Bananas, oranges, grapefruit and apples are all plentiful and inexpensive.

Meats are all higher than they were a week ago. Fish and seafood are more plentiful and lower in price.

Here are three menus made up of seasonable foods adapted to different budget levels:

Low Cost Dinner

Pot Roast of Beef Potatoes
Buttered Carrots
Bread and Butter
Chocolate Pudding
Tea or Coffee Milk

Medium Cost Dinner

Chicken Fricassee Boiled Rice
Green Beans
Bread and Butter
Lemon Meringue Pie
Tea or Coffee Milk

Very Special Dinner

Tomato Bouillon
Celery Radishes
Brown Chicken Fricassee
Sweet Potatoes
Asparagus, Hollandaise
Rolls and Butter
Fresh Pineapple Sponge Cake
Coffee Milk

and the vice president, Miss Margaret Smith, will be conducted by Mrs. Russell Risselada, president of the union. The program will be followed by a social hour in A. Slikkers, student at Holland Christian High school, is spending part of his spring vacation at the home of friends in Illinois.

Miss Jean Nienhuis, missionary to China, was speaker at the weekly meeting of the Mission Circle of Maple Avenue Christian Reformed church Monday evening. Other numbers on the program were a reading by Miss Esther Bultman, a saxophone duet was played by Misses Gladys and Frances Dornbos sisters.

A group of friends were invited to the home of Miss Patricia Wright, 169 East Eighth street,
