Fire Damages Frame Cottage

A two-story frame cottage, one of the old landmarks at Central park, was considerably damaged by water and smoke this morning when fire broke out near the ceiling of the first floor. Cause of the fire was believed due to overheated pipes of the stove.

The house, in which Gerrit Doll lived alone, was named "Noitege-dacht," or "Never Thought It." It is located on Spruce Ave.

Two trucks of the Holland fire department responded. A 24-inch line was laid to the lake under considerable difficulties since the Central park dock had not been cleared of snow. Firemen used a 1 1/2 inch line on the fire.

Neighbors carried out some furniture and set other furniture in parts of the house not threatened. Loss was estimated at a few hundred dollars and is partly covered by insurance.

Banquet Speaker Tells of Travels

The featured speaker at the annual Holland Fish and Game club banquet at the Holland Armory Thursday April 3, will be Henry M. (Hank) Hedges, an engineer by profession, but a fisherman at heart. A serious accident on one of his many engineering projects, in which he almost lost his life, made him cognizant of the fact how close he came to never realizing any of the dreams he had always hoped to fulfill.

From the time of this serious accident Hedges resolved to think less of future security, and to concentrate on deriving everything possible out of what the present had to offer.

During his travels, Hedges with his wife, traveled to Bora Bora, a "fisherman's paradise" in Tahiti, where they lived with a native family and became a part of that community. He happened to be on the island in the winter of 1941 when war broke out, and our forces arrived on the island to build a naval base. He was given a civil service appointment, because he was an engineer and spoke the Polynesian language.

His accounts of the natives are both interesting and amusing. His wife's moving pictures in kodachrome are both beautiful and educational. Because of the great general interest in the Southwest Pacific War zone, the Henry Hedges' movie talks on Tahiti and Bora Bora are most timely.

Holland Man Turns Golfer 'Statesman'

Four Holland golfers had a taste of what it is like to be famous. Here's how it happened:

George Slikkers, Leon Kleis, Henry Ter Haar and Dr. Walter Hoeksma were teeing off at an Indianapolis course last Friday when a Negro attendant told Slikkers he resembled a distinguished colonel he had once known. One of the party said, "Don't kid yourself. He's Senator Vandenberg."

When they finished their round a crowd gathered around them and Indianapolis news photographers snapped in while reporters started firing questions.

Slikkers couldn't go along with the gag and explained. The crowd melted, leaving three disappointed photographers and an embarrassed Negro.

Mental Illness Can Be Cured, Doctor Believes

Mental illness is not incurable. Dr. Leonard Rosenzweig, director of the Grand Valley Children's Center told more than 200 delegates to the Grand Rapids Regional Conference for Social Welfare and Mental Health recently. His subject was "Some Common Misconceptions Regarding Mental Illness." Representatives from the county health departments and from the bureau of social aid attended the meeting.

The speaker emphasized that the problem of mental illness is of great interest to everyone. Each case in Michigan at present costs an average of \$12,000 once admitted to the hospital. With 27,000 cases of mental illness in the hospital and 1,166 on waiting lists, as of today, the financial stake in this program by non-relatives is tremendous according to Dr. Rosenzweig.

Despite the tremendous cost of maintaining our mental hospitals, surprisingly little is done to determine why patients have to go to mental hospitals or how they can be treated so that their stay will be short. For every \$154 spent on maintaining patients in hospitals only one dollar is spent to operate clinics that will prevent mental illness. Even here Michigan leads the other states as the only state with partially state subsidized children's centers.

The speaker also declared that research in the causes and treatment of illness will pay. Yet last year only \$5,000 was spent in the state for such research. This represents one cent for research as compared with \$5.32 spent for maintenance of patients in mental hospitals.

The speaker also pointed out that patients are not railroaded into hospitals. They are really over protected. Anyone may go to a general hospital but a mental patient must have a court order and the examination of two physicians before he can be admitted to a mental hospital.

Surviving are the husband; two daughters, Mrs. Melvin Vande Water and Mrs. John Dreyer, and a son, Henry A., all of Holland; five grandchildren; her mother, Mrs. Alice De Haan of Kalamazoo; a brother, Harry C. Bontekoe of Holland; a half-brother, Gerrit De Haan of Grand Rapids; a half-sister, Mrs. L. W. Terry of Kalamazoo; a stepbrother, George De Haan of Holland; a step-sister, Mrs. L. H. Bohn Aluminum Employees Walk Out on Strike

Wage Dispute Is One
Reason for Differences;
500 to 600 Affected

Employees of the Bohn Aluminum and Brass Corp. No. 11 failed to report for work Wednesday following a strike call Tuesday afternoon.

The strike was called after conferences of union and management officials failed to solve current problems.

Cause of the strike, according to union leaders, is attributed to three reasons: wages, working agreement and unsettled grievances.

No statement was forthcoming from management today. It was understood that Simon Den Uyl of Detroit and Macatawa, one of the top executives of the Bohn Corp., and Chester Moffat, local manager, were present at the final conference along with Harry M. Caton, commissioner of conciliation of the U. S. Department of Labor.

Ben Schrottenboer, chairman of the Bohn unit of local 284 UAW-CIO, which takes in the Bohn company and the Holland Hitch Co., and Ora M. Fox of Muskegon, international CIO representatives, said negotiations have been under way since Dec. 7 and the strike action was authorized by the international union Feb. 24. Union officials said they had complied with all requirements of state and federal strike laws.

"We have exhausted all means of settling our differences by peaceful negotiation. The company has given a flat 'no' to all our requests," the two men said. They added the union is willing to meet with management at any time or with company officials and conciliators.

The union arranged to establish strike headquarters near the

83 Veterans Taking Flight Training Here

Hope Is One of Few Colleges to Include Flight in Curriculum

Eighty-three veterans, of whom 54 are affiliated with Hope college, are taking flight training at Park Township airport under W. B. Blain, a survey of flight-minded persons revealed today.

Hope college is the only college in lower Michigan to incorporate a permanent flight program into its curriculum, Blain said. Houghton College of Mining and Technology in the upper peninsula is the only other college in the state in which college credits are given for flight training.

Since the flight program for GI's was put in force about a year ago, 10 or 12 private licenses have been issued and most of pilots now are continuing training for commercial licenses.

Most GI's have been getting their ground training through aeronautics courses at Hope college, taught by Clyde Geerlings. However, it is not necessary to enroll for flight training through the college, since other arrangements can be made at the airport.

Some farm youths are taking flight training during their spare time so that they will be able to do crop and vegetable dusting by plane and possibly transport their own produce later to other markets.

The flight training program went forward at the local airport this winter with pilots attaching skis to their planes. The general opinion among pilots was that skis are just as safe as wheels and some believe the element of risk on skis is even less.

Local veterans taking flight training at the airport are Clarence Boss, Justin Buscher, Cornelius J. Caauwe, Gordon S. Chambers, Eugene Coney, Albertus De Boe, Lloyd George De Boer, William A. Gilcrest, Eugene Groen, Louis J. Irving, J. K. K. La Barge, Clarence H. Looman, Lloyd H. Nivison, John K. O'Donnell, Adam E. Rackes, Ted P. Rhudy, Ernest S. Ryenga, Arnold F. Streur, Alan F. Teall, J. R. Van Alsburg, Donald Van Gelderen, Marvin J. Van Heekken, Louis J. Van Slooten, Donald E. Vander Hill, Edward M. Wedder, Jarvis B. Zoet and Donald Strowenjan.

Out-of-town GI's enrolled are Melvin T. Brown, Robert E. Brown, Lawrence C. Hosley, West Olive; Edward J. DeMeter, Saugatuck; Hugh D. De Pree, Nicholas De Vries, Jr., David B. Plasman, Vernon C. Poest, Stanley W. Roelofs, Zeeland; Chester D. Koning, Earl L. Schipper, Hamilton; W. H. Smith, Ravenna.

Local Hope college students include William Appledorn, Jr., Miles Baskett, Hollis M. Brower, Dale Klomprens, Vernon D. Nienhuis, Clifford A. Onthand, Elmer J. Van De Wege, Meredith Williams, Roy D. Zwemer, Jack O. Boerigter, Max O. De Pree, Marvin Gebben, Robert M. Japinga, Don L. Ladewig, Ernest H. Post, Norman Ter Beek, Robert J. Van Zanten, Willard Volink, Theodore B. Vanden Berg.

Outside Hope students are Theodore J. Molenaar, De Mott, Ind.; George H. Schneider, Jr., and George Shenk, Flushing, N.Y.; Jerry W. Spoon, Denver, Colo.; Elmer W. Whitcomb, Bay Side, N.Y.; Howard L. Volleys From Ambush - -

THE AMBUSER was in no shape to do this weekly chore last Saturday. Along with half of the people in this area, he was nursing a "flu-like" virus. For the benefit of those who may not yet have fallen victim to this ailment these symptoms may be of interest.

In the first place a flu victim feels as though his back had been used as first base in a rookie baseball camp. His joints bend with greatest difficulty and considerable discomfort. The nose—ah yes—drips, itches and clogs. All at the same time, that is. Dryness of the throat produces a hacky, half hearted cough that gets no better for practice.

After a spell of these symptoms general weakness sets in, characterized by general disinterest in all activity—or are we confusing this symptom with those of spring fever.

Lawrence Sackett, 22 of Fennville, was very prompt when he met the bus due in Holland from Chicago at 7:20 a.m. not long ago. Driver Edward Allred alighted from the bus and handed Sackett the latter's wallet which contained several uncashed Northern Wood pay checks, other personal valuables and \$28 in cash.

It seems Sackett lost the wallet in Saugatuck. Allred spotted the wallet lying in the road "by the cold gray light of Sunday's dawn, brought his bus to a grinding halt and retrieved the pocketbook."

Examination of the wallet's contents in Holland revealed the checks and Sackett was contacted through the company personnel department. John Deckelman, local bus agent, says Allred is gaining quite a reputation for doing favors "above and beyond the call of duty."

Sackett, a Navy veteran, has been employed at the local mill since November.

During the Sunday morning communion services at the First Reformed church, Grand Haven, after Mrs. Ray Fisher, organist played Dutch Psalm No. 68, as the offertory, Dr. John R. Mulder of Western Theological Seminary, Holland, who was conducting the worship service, asked all those who were familiar with the psalm and were able to sing it, to join in.

The voices of the older people swelled in the singing of the old

familiar psalm and thoughts of the younger people turned to the older times when their parents sang the old psalms, at a time when the services were in the Dutch language.

Police Officer Ralph "Moose" Woldring has a chicken dinner coming from his painter pal, Juke Prins.

Prins, with his partner, Gabe Kuite, was giving the Sentinel office a spring "face lifting" with the paint brush Friday when he toppled from a ladder and splattered the office vestibule with artistic smears of cream-colored paint.

The three have a standing agreement. Dropping a brush calls for treats all around and dropping the paint bucket calls for a chicken dinner with all the trimmings.

Their nickname for a brush-dropper is "chipmunk." Now they'll have to coin a new title for Prins.

Trinity Sunday School Teachers Have Dinner

Eighty teachers, officers and substitute teachers of the Trinity Reformed church Sunday school gathered in the church basement for a banquet and quarterly meeting Friday night.

The meeting was opened with the group singing of "America" and James Klomprens offered prayer. Edward Van Eck, Sunday School superintendent, presided.

Following the meal, Dr. H. D. Terkeurst, pastor of the church, expressed appreciation on behalf of the consistory for the services of Sunday School workers. Arthur Van Eck, accompanied by Miss Burgess, sang "Fris of the Orders Gray" and "The Palms."

Mrs. John Van Oas introduced Miss Betty Scheepers who gave the reading "Uncle Jimmy's Birthday Party" and Miss Sammy Pas who read "My Boss."

Dick Winter, representative of the American Sunday School union, showed pictures illustrating his work in outlying districts of Michigan and Indiana. He told of organizing Sunday schools in abandoned churches and schools and also of the summer daily vacation Bible school program. The Union also works with Negroes in establishing Sunday schools. A discussion, with questions asked by the audience, followed his talk. Dr. Terkeurst offered the concluding prayer.

COURT ENTHUSIAST

Shown above is "Peeanie" Rowan, local Armory custodian, in a characteristic pose as he goes about his work repairing baskets and nets for local cage contests.

Henry "Peeanie" Rowan Relates Holland Armory Basketball Items

There is perhaps no individual in Holland who is better qualified to give an authentic report on the history of local basketball than the Armory custodian, Henry J. Rowan, better known to the townspeople as "Peeanie." Besides holding his job at the Armory "Peeanie" has also been active in the National Guard where he was a first sergeant for 15 years.

When the local National Guard left for service in October of 1940, Rowan organized the State troops. He was captain for a short time and then was promoted to the rank of major which he held until he was separated from service in August of 1945. Rowan who is now 62 years old was also a veteran of World War I, having served for three years. He spent a great part of his service tours in the Hawaiian Islands.

He began working at the local Armory as soon as it was built, in fact, he hung all of the light fixtures. Rowan said that the first basketball played in the Armory was in 1926 when Holland High began to play their contests there. At the present time all three local institutions play their games there.

"Peeanie" recalls all of the great teams which Holland has had at one time or another and remembers the stars on each quintet just as if they were performing today. He recalled some of the greatest games on the local floor and also some of the best performers during the last 20 years. He remembers some of the old time players such as Rudy Miller, Bob Black, Fred Spurgeon, Bud Hinga, Dick Japinga and "Dutch" Kerenski. Black, Miller and Spurgeon who are now almost middle age have returned to Holland on many occasions as officials at the games. They played on one of the earlier Holland Furnace quintets. He recalls that this outfit used to play such outstanding fives as the Beloit Ferries, Globe Trotters, New York Celtics and the House of David.

A game that remains most vivid in his mind, says Rowan was the time that the Chicago Boosters were scheduled to play the Holland Furnace five. The Chicago team was delayed by a blizzard and did not arrive in Holland until 11. During the time Rowan said they engaged a group of performers from the theater to entertain the crowd. He remembers that the tilt got under way at 11:30 and that he left for home about 3. Holland under Coach Jack Schouten won that contest.

Other Warm Friend and Holland Furnace five. The Chicago Boosters included such players as Barney Niefert, Ray Bratt, "Whip" Johnson, Russ Visscher and the late Arnie Van Faassen. They also played tough competition. "Peeanie" says that the lowest scoring contest was the game that Holland High won from Ottawa Hills, many years ago. Milton (Bud) Hinga was coaching the high school at that time and his team won 6-4. This, the local custodian says was one of the tightest defensive battles he has ever seen. Another game which he recalled was the contest in which Holland High defeated Battle Creek 30-28 with one Battle Creek player making 26 points in the tilt.

Asked about some of the best Holland teams in the last 20 years

There are few people in Holland who can boast of having witnessed more basketball tilts in Holland than he. He has been affiliated with the Armory for nearly 25 years and a National Guardsman for some 19 years.

Rowan mentioned these: He thinks the best team Holland High has ever had was their last year's state championship five. He also says that this year's Hope quintet rates as the best which Hope has had, while Christian had their top five in 1933-35 with Zvier and Visscher, when they won the state championship two years in a row. Rowan says that the best high school player which he thinks has ever played in the Armory is Jack Van Vessem, a former Calvin college ace. He also says that about one of the first to use the one-handed shot in the Armory was Spalsbury of Kalamazoo. Some of the ablest guards which he has seen are Paul Boyink, Ade Slikkers and Els Kleinjans.

In mentioning these outstanding teams and players, he points out that it is not quite fair to judge because the style of the game has changed so much in the last years, and a good comparison cannot be reached. In commenting on the game today the expert says that "Teams don't compare with former outfits. Present day basketball is too strenuous and harmful for growing boys." He also dislikes fan shaped back boards and does not believe that they are here to stay.

To put an end to all the controversy on how many the Armory will seat for a game, Peeanie mentions that it can hold 1,400, but not comfortably. He also says that during the long time which the floor has absorbed a beating by players, he has never replaced a board.

He estimated that over a period of the last 20 years some 1,100 games have been played on the Armory floor. He says, however, that he has never seen an entire ball game at one time, as "it gets too sickening when you see so many."

Perhaps some one has seen more ball games than Peeanie has, but it is doubtful whether any one is as well known by both home teams and opponents or is as well liked as the cheerful custodian is.

He lives at 627 Butternut Drive, Holland.

Holland Baseball Squad Will Play 12-Game Schedule

Dutch Lose Four Stars From '46 Aggregation; Needs Slugging Power

Less than three weeks remain for the Holland High school baseball squad to round into shape for the season opener against Zeeland April 18. To date the Dutchmen have not been able to get outside for practice but Coach Carroll Norlin's charges are waiting only for a break from the weatherman.

Although Norlin is fairly sure of his starting nine, he is dubious of their offensive power. Most of the men on the outfit are small and capable of punching one into the outfield, but whether the sluggers will present their hits at the right time or not remains a big questionmark and headache for Coach Norlin.

Thirty-five boys tried out for the squad in the gymnasium and the entire bunch will be retained but only 15 men will make the trips. Last year the Hollanders didn't fair too well and lost four good men through graduation last June. Some of the strong batters on the '46 squad who graduated were Wentzel, a hard-hitting first sacker; Busscher a crack outfielder; Ron Fortney, who held the highest batting average on the squad; and Humbert, an unerring second baseman and one of the leading tossers on the team as well.

This caused Norlin to start from scratch. Here's what he has found for diamond prospects this year. On the mound will be Kerwecker and Victor as the big guns with Kamphuis filling in either as a starter or a relief hurler. Kerwecker was one of the leading tossers in the American Legion League last season as was Victor. Victor is the brother of Ernie Victor who has recently assumed himself a position on one of the state's top baseball squads, Western Michigan college.

At the receiving end of the moundmen will be either Jappinga, Van Eck or Nordhuis. Jappinga may not catch at all this year due to an injury received in football last fall. Van Eck has seen some action behind the plate and can also fill at most any other position. Nordhuis caught for the "B" league champs last season.

The rest of Norlin's lineup seems to be pretty well set with Bauman at first base, Piersma as second, Hulst at short and Wlodarczyk at third. Pigeon is also a promising infielder and may force one of the others out of a job.

The entire infield is made up from men who have proved themselves outstanding in American Legion ball last summer. Bauman was a member of the Doughnut Corp. team and played shortstop, but Norlin has switched him to first. Piersma also played in the Legion League and was one of the best single hitters in the loop. Hulst held down the shortstop position on the Ford team and had practically an errorless season. Wlodarczyk will undoubtedly be hot contender for the batting crown this season, for he also was one of the leading hitters in the Legion League and is a "natural" on the third sack.

In the outfield Norlin has thus far elected Czerkies, Setter and DeVree as the leading candidates for these positions. Czerkies is known by all Legion pitchers as the man with an eye. Czerkies was issued more walks than any other player in the league. He is one of the heaviest hitters on the squad and Norlin said, "We're looking to Czerkies for our long-ball hitting. We'll need his extra base hits." The other two fielders, Setter and DeVree should have little trouble for both have had some valuable experience which the rest of the team lacks.

Norlin has announced a 12-game schedule which will open April 18 against Zeeland at Riverview park and close May 29, against Benton Harbor at Riverview park. Nine of the 12 contests will be played in May when the team will be playing twice a week if the weather permits.

Here is the schedule for 1947 season: April 18, Zeeland (here); April 22, Fennville (there); April 29, Fennville (here); May 2, Grand Haven (there); May 6, Zeeland (there); May 9, Muskegon (there); May 13, Muskegon Heights (there); May 16, Kalamazoo (there); May 20, Muskegon (here); May 23, Muskegon Heights (here); May 27, Grand Haven (here); May 29, Benton Harbor (here).

If two southwestern conference schools are played, the first game will be the only one that counts toward the league standings.

The program of the Woman's Literary club yesterday was founded on the fact that "the interests of childhood and youth are the interests of mankind." Mrs. McBride's paper on "Child Welfare," described the methods of child training used in the Montessori school.

The proposed cuts in the salaries of the postmasters will not affect the postmaster of Holland. According to the report of Congressman Beakes of the congressional committee the salary of the local postmaster will remain \$3,000.

Enrollment in the local school has increased considerably the last year or two necessitating in all probability the return to a four room school, as it was several years ago. It now is an eight grade school, where before it offered 10 grades. Anthony Mulder, principal and Miss Julia Grotenhuis, primary teacher, are to be retained for the next school year as instructors, leaving two vacancies to be filled for the other rooms.

Mr. and Mrs. Nicholas Wierda and Donald Johnson of Holland attended services at the local church last Sunday.

Hamilton and the surrounding community were without electric service for 42 hours last week during the worst storm of the season. Rural mail delivery was impossible for two days for the first time in many years.

The Hamilton Celery Growers Co-operative Inc. was recently organized by about 15 local growers for the purpose of harvesting and marketing their own celery on a graded basis.

G. J. Bolks, one of the oldest residents of the community observed his 90th birthday anniversary last Sunday. Mr. Bolks is one of the few charter members left of the local Reformed church, and has served the church for many years as a member of the consistory, and as a Sunday school teacher, having witnessed the growth of the church from a few families to its present size of nearly 250 families. He lives on the same farm where he settled many years ago following his marriage, and has seen the local community grow and flourish, both in agricultural and business activities.

The Young People's Christian Endeavor service last Sunday was in charge of Dr. H. W. Tempas, who discussed the topic "What does Good Friday mean to me?" Mrs. Lorraine Meiste, student at Moody Bible Institute in Chicago, who spent the week-end with the Henry Johnson family, sang a solo accompanied at the piano by Vera Hulman. The Junior High C. E. considered the same topic with Arthur Hoffman discussing it, and Robert Nykamp in charge of the opening numbers and devotions. Mrs. Harry J. Lampen and Mrs. H. D. Strabbing sang "The Story of the Cross," accompanied by Lois Lugten.

Ivan Borton, student at Michigan State college, spent last week end in the home of his parents, Mr. and Mrs. Jesse Borton.

The sacrament of Holy Communion was observed at the local church Sunday morning and at a vesper service in the afternoon. Loring Holt, who was received into membership on confession of faith, also was administered the rite of baptism.

Mrs. George Lampen and her brother, D. Van Der Kamp, spent last week-end with Mr. and Mrs. Jack Arens of Kalamazoo. Mr. Lampen also visited there on Sunday, when they all returned home.

The Farm Bureau recently entertained all employees and their families at the local auditorium. Showing of films and refreshments were the main features of the evening. Nearly 100 were present.

The local Red Cross drive is in charge of Marvin Smallegan. Assisting in soliciting funds are Lois Lugten, Joyce Nyenhuis, Elaine Van Doornik, Gertrude Dykstra, Vera Hulman and Ardith Phillips. Due to unfavorable weather conditions last week, the county has extended the drive to April 10.

Local Company Adds Pest Control Division

Martin and Arthur Witteveen, 467 Lakewood Blvd., today started a termite service in Allegan and Ottawa counties according to Fred Peden, vice-president of Exterminal Chemicals, Inc., which is licensing the local concern to engage in termite control in this area.

"Through surveys conducted in this part of Michigan it has been found that approximately one out of five buildings is infested with termites. This service is calculated to give scientific control of these house-destroying pests," Peden said.

This pest control is an added service to the general contracting activities of the Witteveen Brothers, in the building business in this locality for 20 years.

Christian Nine Could Be a Near Veteran Outfit

About 25 baseball candidates responded to Coach Ets Kleinjans' first call for an outdoor workout, at Christian High yesterday. Some of the hurlers and outfield men had been practicing for the last week in the Christian gymnasium. The locals face a tough nine game schedule, and have less than a week before their first encounter with Grand Rapids Christian on April 8.

The prospects for the Dutch nine look good as the squad will be minus only two regulars from its 1946 team. They are Bobby Alena, a good hurler and Earl Dykstra, a part time catcher and outfielder. Otherwise the Maroons will have most of their infield intact, and also a near veteran outfield.

Coach Kleinjans has some likely pitchers in Rosendahl, a lanky boy with plenty speed. He was a good hurler in the American Legion League last season. Also among the flingers are Earl Marlink, from Hudsonville, a husky right hander, and Johnson another right hander. Little Kearney Zoerhof, the regular shortstop, will also see limited mound duty.

In the infield, the veteran candidates are Louis Alena at second base. Louis is a shifty fielder and was the team's leading hitter last season. Kearney Zoerhof is expected to return to his 1946 post at shortstop. Another little speedster will be at the "hot corner," Jim Lampen. Lampen is a good fielder and has an excellent throwing arm. The Dutch will have one of the best receivers in the city in the person of Gene Schrottenboer. He was an outstanding catcher in the American Legion League with the Northern Wood champs, last season. So far Schrottenboer is the sole candidate for the key spot on the diamond.

Kleinjans has plenty of outfield prospects with two veterans returning plus a host of new recruits. The veterans are Junior Bremer, a husky lad who gives the ball a ride, and Boeve both of whom played with the Northern Wood outfit last season. There has been only one first base candidate so far. He is Glen Petroelje, although Kleinjans may switch Bremer from the outfield to occupy the initial sac, if he lacks reserve material.

The Christian mentor has intimated that no positions are cinched, especially since a likely crop of rookies have appeared. Some of the new faces are Bob Bull, Harvey Mulder, Bill Mulder, Harvey Sall, Paul Bluekamp, Jack Dykema and Cal Van Wieren. All of these boys are promising candidates. In addition are Jack Vanette and Roger Plasman who also have given signs of experience. The locals as well as all other schools in this area have been hampered as far as favorable weather goes, so Coach Kleinjans has held no infield or batting practice. This is his first year of coaching baseball at Holland Christian, so he says, "I haven't seen all of the boys play, so I don't quite know what to expect as yet."

The Christian team will play nine games with five on the road and four at home. The schedule follows: April 8, Grand Rapids Christian, (there); April 11, Zeeland, (there); April 18, Muskegon, (there); April 22, Grand Haven, (there); April 24, Grand Rapids Christian, (there); April 29, Muskegon, (there); May 9, Fennville, (there); May 1, Fennville, (there); May 20, Grand Haven, (there). Athletic Director Raymond Holwerda also announced today that the dates for the limited tennis and golf schedules will be released later.

College Penny Carnival Nets \$270 for Hungary

A total of \$270 was netted for Hungarian students at Sarospatok college at the Hope college Penny Carnival sponsored by the Women's Activity league Friday night. More than 500 attended. The drive for relief for the college in Hungary is being conducted throughout this week. Cash and clothing contributions are being received.

Highlight of the carnival was an auction sale in which faculty members and students were sold for sundry tasks. Men of the faculty were sold as dorm waiters and some as Koffee Kletz dates. Students were purchased for dates, car washing and baby sitting. Surprise packages were also auctioned.

Other features were boxes of candy for door prizes and a Hungarian dance performed by a group of freshmen girls. A telephone service with delivery by roller skates was a popular feature. Others were a fun house, shooting gallery, fish pond and other games of skill and chance.

Burrell De Young

Hamilton Officer Assigned in Co. D

Lt. Burrell De Young, a former member of the 30th Army division in Europe, was recently assigned weapons instructor in the Holland National Guard unit by Capt. William Sikkell.

De Young spent three and a half years in the service, serving 19 months overseas. Commissioned at Fort Benning, Ga., he was assigned to overseas duty with the 30th division. He holds two bronze stars, the combat infantry badge and five battle stars for Normandy, Northern France, Rhineland, the bulge and Central Germany.

De Young is now teaching school at Fennville. His home is in Hamilton.

Capt. Sikkell also announced that uniforms and other equipment for Co. D have arrived and are now in use. Although the organization is shaping into a well-drilled and well-instructed outfit, there is room for expansion within the organization, he said. It is the desire of Co. D, he said, to attend the summer encampment with a well-polished unit.

Co. D meets in the Armory for drill every Monday and Wednesday night. Holland citizens are invited to observe the drills.

Eagles Banquet Attracts Large Crowd in Armory

American flags decorated Holland armory Friday night as 530 members and guests attended the 40th anniversary banquet of the Holland Eagles lodge. A large eagle centered the patriotic flag display.

Holland High Has Forensic Events

Winners in four types of speech activity at Holland High school this week qualified for participation in the state district contests to be held on or before April 18, according to Miss Ruby Calvert, high school speech instructor and coach.

SHE LAUGHS

Perhaps the photographers have
done her an injustice. It is just
possible that she is not quite so
brainless as she looks. Possible,
hardly probable. Beulah Louise
Overell, the 17 year old Santa
Ana, Calif., co-ed whose father
and mother were killed in a boat
explosion, has not been making a
good impression in the newspaper
pictures of her.

In all of them during the whole
of the week after the fatality she
is shown laughing. There was not
a single exception to that so far
as a fairly wide search could re-
veal. In all of them she appeared
hell-bent to prove to one and all
that she did not have a care in the
world. But her father and
mother had been killed in an ex-
plosion, and she and her boy friend
were under examination for murder.

One picture shows her in jail,
one hand grasping the bars of her
cell. Does she look even reason-
ably serious? Not a bit of it. She
poses for the photographers with
a wide grin on face that seems to
say she is having the time of her
life. You would never guess that
her father and mother were lying
dead in the morgue. She looks for
all the world as if she had just
been elected a "Queen" or had
been dealt a perfect hand in
bridge or had been voted the most
popular girl in her town or had
been given a contract to star in a
movie.

Or there was that other widely
distributed picture in which she
is represented as leaving the place
of detention to attend the funeral
of her parents. Again there is the
strong suggestion that she is pos-
ing and is enjoying it to the very
limit. And on her somewhat vacan-
t countenance there is the charac-
teristic mark of all the pictures.

It is just possible that she had
no part in the killing of her par-
ents. But the fact is that they
have been killed, suffering a sud-
den violent death. No matter who
killed them or how they were
killed, a daughter who was not
completely vacant above her ears
would hardly regard it as a laugh-
ing matter.

Photographs sometimes tell far
more than their subjects realize.
At least the series of pictures of
this unnatural daughter tell a
story that is not pleasant to think
of.

Sunday School
Lesson

April 6, 1947
The Risen Lord and His
Disciples
John 20:19-23, 26-29; 21:16-17
By Henry Geerlings

Jesus never expected to remain
in the tomb. Such an impression
could never be gathered from
anything He said over the three
years of His ministry. Still He had
much to say of His death. He did
not conceal the sad fact from His
disciples. It is hard to see how He
could do so, for it was so vital a
part of what He came to experi-
ence. The thing Jesus empha-
sized almost more than anything
else in His teaching was life. He
kept saying that He had life in
Himself, and that it was His power
to give His disciples life. Death
invaded His endless years for only
a few days, and then without any
real power of conquest. It was life,
eternal life, abundant life, that
lived within Him. He never in-
tended to remain in the grave un-
til the general resurrection. He
tasted death and that was all.

Jesus said He would rise. If he
had said so only once we might
think it was a slip of the tongue,
or an error. But He gave that im-
pression often, sometimes in the
clearest possible language, and
sometimes in language obscure
at the time, but made very plain
by later developments. Once He
said, "Destroy this temple and in
three days I will raise it up." He
called His body the temple. Again
He said, that He must go to Jeru-
salem, and suffer many things
of the elders and chief priests
and scribes, and be killed, and be
raised again the third day." On
another occasion He commanded
His disciples to keep the announ-
cement of His death a secret,"
until the Son of Man is risen
from the dead." Whenever He
spoke of His death He added the
promise of His resurrection. It is
highly important that we keep
these facts definitely in mind.

Jesus arose. The facts are all on
that side of the question. Great-
er care could not have been taken
than was taken to make sure that
He actually died, and greater pre-
caution could not have been taken
than was taken to prevent His
friends from coming to the tomb
and stealing His body. He was
pronounced dead by a Roman
soldier, who was accustomed to
that kind of thing. The stone that
was laid against the tomb was
sealed, and a Roman guard was
stationed there to keep strict
watch over the tomb. Unbelievers
in the habit of saying that
Jesus, when His body was removed
from the cross was unconscious
but still living, but that He re-
gained consciousness in the tomb.
All the facts are against such an
argument, and no rational person
can study the case and continue
to hold it. Jesus arose, and few
facts are established in history on
better evidence than this one.

The disciples did not expect
Jesus to rise from the dead. That
was furthest from their thoughts.
They had buried all their hopes
with Him. They scattered as though
they never expected to see Him again.
The apostles did not think it worth
while to go to the tomb; and the
women went, not to look into an
empty grave, but to anoint His
body and to say farewell to it.
There is not so much as a hint
that any man or woman who fol-
lowed Him entertained the least
hope of seeing Him alive again.
They had buried Him as they had
buried other friends, looking to-
ward reunion at the last day.
That means they did not believe
He had come to life until they
were forced to do so. The rumors
that He was alive were nothing
more than nonsensical gossip, idle
talk, the sheerest absurdity. Now
something of a very startling
character has to happen to change
people from that attitude to one
of strong faith.

The disciples believed that He
was alive. Would you believe it
possible for them to go into the
midst of their enemies and face
death in order to preach a risen
Christ if they had not been con-
vinced that He was living? That
does not sound reasonable. Had
He remained in the grave they
would have had everything to
lose and nothing to gain by preach-
ing as they did. We can under-
stand how men are willing to die
for a great truth and a deep con-
viction, but to endure no end of
suffering and ridicule for a false-
hood, well, that is not the way
some people act. We would be held
in contempt by our fellows were
we to lend our encouragement to
the propagation of something we
did not believe. It is impossible to
trace the course of the early dis-
ciples and see what they endured
without believing that they were
possessed by a tremendous faith in
the living Christ.

He Found 'Taking Dare'
Was Quite Expensive

Grand Haven, April 3 (Special)
—Robert Heinz, 18, found out
today that it doesn't pay to take
a dare, especially when it con-
cerns the sheriff's department.
On March 24 when Heinz went
into the sheriff's office for an
operator's license, some friends
outside in a car "dared" him to
"swipe" something out of the jail.
For the "swipe," he took a cigar-
ette lighter belonging to Lloyd Boeve.

After failing to respond to a
letter from the department, Heinz
was taken into custody this morn-
ing.

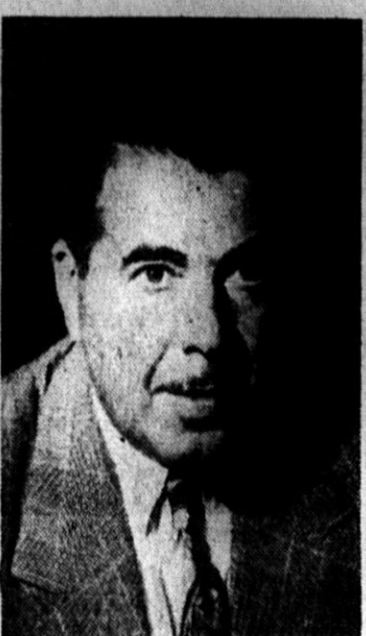

Arraigned before Justice George
Hoffer, he was assessed fine of
\$25 and costs of \$4.45.

P. E. Hinkamp called special at-
tention to its relation to the Cen-
tennial year of our city.

She spoke of the founding of
this federation through the work
of Mrs. Christine Van Raalte Gil-
more, daughter of Dr. A. C. Van
Raalte, founder of Holland and
expressed her gratitude that Mrs.
Gilmore had urged the adoption
of the work among lepers in In-
hambane, as the special project
which the women's federation was
to support.

As leader of the devotional pe-
riod, the president introduced a
woman who had been intimately
connected with work among lepers
in Amarah, Mesopotamia, as a
nurse helping her husband, Dr.
W. J. Moordyk. Mrs. Moordyk
spoke of the happiness that floods
the souls of these outcasts of so-
ciety in foreign countries, when
they compare their lots with the
life of Jesus, who was "despised
and rejected of men." She paid a
tribute to the Rev. James Moer-
dyke, for many years a mission-
ary in Arabia, who was extreme-
ly interested in the physical and
spiritual needs of the lepers in
Amarah. The devotional period
was closed with a solo, "The Lord
is My Shepherd," Liddle, sung by
Mrs. Ruth Nonhof, accompanied
by Miss Rose Scholten.

Miss Lulu D. Ervin, mid-west
secretary of the American Mis-
sion to Lepers told of progress in
the government leprosyarium at
Carville, La. The project is now,
she said, under the control of the
leprosy advisory council, recently
appointed by the government,
which had its first meeting in De-
cember, 1946. New treatments for
the 400 patients in the leprosy-
arium and the rewriting of sanita-
tion laws concerning leprosy have
already been accomplished.

The speaker warned especially
the young men and women who
had been in service in leprosy-in-
fected parts of the world, to be
examined and treated by medical
men so that no open sores could
take in the infection of the lepro-
sy disease. This precaution
should be taken in spite of the
fact that there is no danger to

be expected in healthy bodies.
The secretary stated that it was
infinitely worthwhile to separate
non-tainted children from their
leprosy parents immediately after
birth and praised the women in
the federation who are interested
in that project. Relating incidents
about lepers in different colonies
around the world, she also spent
a short time in showing the gen-
erosity of the lepers in the colony
which the federation supports.

In addition to the address by
Miss Ervin, word was also receiv-
ed from Dr. and Mrs. Stauffach-
er, now back in Inhambane and
ministering to the physical and
spiritual needs of the lepers of
that colony. They wrote of the joy
of their friends in welcoming
them back after their stay in Amer-
ica.

Accompanying Miss Ervin on
her trip, C. J. Ulrich, midwest
promotional director of the Amer-
ican Missions to Lepers, came to
the platform to speak about liter-
ature recently published about the
leper work.

Because of stormy weather, the
church was not filled and the of-
fering is not complete for the
year. About \$920 was taken in
Wednesday afternoon.

The business session of the di-
rectors of the federation will be
held in the Salvation Army Cit-
adel Monday, April 7, when the full
treasurer's report will be given.
The president announced three
new societies which have become
members of the federation within
the year.

Officers for the year 1947-48
are Mrs. P. E. Hinkamp, presi-
dent; Mrs. Edith Walvoord, first
vice-president; Mrs. P. Slenk, sec-
ond vice-president; Mrs. D. Van-
der Meer, secretary; Mrs. J. O.
Knutson, assistant secretary; Mrs.
G. Streur, treasurer; Mrs. M.
Low, assistant treasurer; Mrs. A.
Blink, auditor.

A. E. Antisdell of
Macatawa Dies
In Grand Rapids

A. Edwin Antisdell, 82, of Maca-
taw park and Grand Rapids, died
Saturday afternoon in Mertens
hotel in Grand Rapids after being
in ill health for several years. Cor-
oner Simeon LeRoy indicated
death was due to a heart condi-
tion.

Associated with hotel publicity
and advertising for more than 40
years, Antisdell followed a colorful
career which included manage-
ment and ownership of hotels be-
fore taking to the road as a top
publicity man in hotel promotion.

Before the Civil War, his father,
Arthur Rufus Antisdell, and the
latter's two brothers, William and
John, purchased the old Railroad
hotel in Detroit and renamed it
Antisdell House. The Book-Cadillac
hotel now occupies this site. Later
Arthur Rufus Antisdell sold his in-
terests to his brothers and moved
to Grand Rapids. There he pur-
chased the old Rathbun House and
operated it for many years.

A. Edwin Antisdell was born in
Grand Rapids Dec. 5, 1864, on the
present site of the Mel Trotter
Mission. He grew up in Grand
Rapids and received his schooling
there.

His first ventures in advertising
were started in Grand Rapids, de-
signing theater programs, bill-
boards and promoting the Michi-
gan State fair. In 1888 he opened
the Plank Grand Hotel on Mack-
inac island and operated it for
several summers.

In 1907 he opened Savoy hotel
in Cincinnati, Ohio, and operated
it successfully until he was forced
to leave Cincinnati in 1910 because
of the smoky conditions in the
city.

Then he launched into hotel
publicity and promotion, operat-
ing as a traveling agent out of
Chicago, being associated with the
Leahy Company and the Charles
G. Daily Co. He continued this
work until he retired more than
15 years ago. Since then, he was
in failing health.

Since retiring, he spent his win-
ters in Grand Rapids and his sum-
mers at Macatawa park. He dis-
posed of three cottages next to the
hotel last Oct. 15, selling them to
Macatawa interests headed by
Simon Den Uyl. Antisdell under-
went an operation in Grand Rapids
last January.

In 1897, he married Eunice
Quinn of Allegan, who died Aug.
12, 1942. He was a member of
First Methodist church, Grand
Rapids.

Surviving are a son, A. Edwin,
Jr., of Grand Rapids and a daugh-
ter, Jerre of Chicago.

Veterans Prepare To Join Parades During Army Week

Military Demonstration Draws Attention to Need Of U.S. Preparations

Thousands of war veterans will don their old uniforms and march in Army week parades this year in cities and towns throughout the nation.

Just how many veterans will participate in parades as part of Army week observance in honor of America's soldiers—past and present—is not definitely known.

However, most veteran organizations, with total memberships running into millions, and including the American Legion and Veterans of Foreign Wars which jointly have about 5,500,000 members, are participating fully in Army week—April 6-12—activities.

In the 65 major cities where chapters of the Order of the World Wars—original sponsors of Army day—are organizing programs, veteran groups will join that organization in making Army day observance the most impressive since its inception shortly after World War I.

Elsewhere the veterans will either sponsor parades and other activities or give wholehearted support to local Chambers of Commerce and mayors with planned programs for their communities.

An impressive percentage of the approximately 14,000,000 men and women who served in the Army in the world wars are expected to join the ranks of marchers as representatives of survivors of those who served in earlier wars.

Wherever feasible, active army units will join their veteran buddies in the line of march.

Stress Color in Home Decoration

It's a well known fact that the various colors have a definite effect on the person coming in contact with them. Some colors are bright and cheerful, some are dull and depressing, while others are restful and relaxing.

The modern family is conscious of this and chooses the color schemes for the different rooms in their home accordingly. The kitchen, where most of the work is done, is painted in bright, cheerful colors while the living rooms, comfortable furniture with the walls decorated in soft, restful colors to form a pleasing background. But above all, their home must be different and it is to meet this demand for personalized color schemes that the Rezelman Paint Manufacturing Co. offers a unique free tinting service by which each paint order is tinted to the exact shade needed to enhance the beauty of the home.

The firm is located at 473 West 17th St. where their factory store offers a complete line of interior finishes as well as their Dutch Mill House paint which is especially formulated to eliminate flaking, cracking and peeling. They will be pleased to help you plan a color scheme or assist you in securing the services of an interior decorator.

Safety Urged by Ben L. Van Lente

Ben L. Van Lente, of Van Lente Insurance Agency, 177 College Ave., recently attended the annual convention of the State Farm Insurance companies which was held in the Olds hotel, Lansing. He was awarded a prize for being one of the 10 high producers in the state.

He has been a member of the "App-A-Week" club for the last 10 years. Mr. Van Lente also received an award and a diamond 20-year service pin.

Company officials reported that State Farm Insurance now has 100,000 auto policies in force in Michigan and over 1,300,000 policies in force in the United States. The Life Insurance Co. increased more than \$70 million of insurance in force last year and have adopted a slogan "A Billion or More by '54."

There were over 1,300 auto insurance claims paid out of the Holland office last year.

Mr. Van Lente urges all motorists to drive carefully as insurance costs are contingent on losses. If losses decrease, insurance rates also will decrease.

"We still recommend 80-20 per cent collision insurance which will pay you \$20 on every \$25 loss sustained to your car. A stitch in time saves nine. See us before your accident occurs," Mr. Van Lente says.

Holland and Zeeland Pass Red Cross Quotas

Both Holland and Zeeland cities have surpassed their assigned quotas in the Red Cross drive, and southern Ottawa has reached the three-quarter mark, leaders said today.

In Holland, collections to date total \$7,641.64, compared with a quota of \$5,458.25. Zeeland's collections total more than \$1,100, compared with a quota of \$1,015.49.

Collections to date in the south half of the county total \$8,977.68, out of its quota of \$12,693.60.

Only two townships have filed incomplete reports. In Holland several industries and residential districts have yet to be heard from.

John Adams was the only U. S. president whose son attained the same high honor.

Special Scouting Award Given to Peter Kromann

Jay Vander Sluis Gets Eagle Badge at First Church Scout Banquet

Peter Kromann, president of the Ottawa-Allegan Council of Boy Scouts, was presented with a leather pillow made by scouts of troop 6, a special award of recognition presented for the first time this year, at the fifth annual "Mom, Dad and Me" dinner of troop 6 Monday night in First Reformed church.

The new award, to be given annually to a man in Holland contributing greatly to the scout movement, was presented by the troop's mascot, Joan Javling, following formal presentation by Scoutmaster Elmore Van Lente.

Another important presentation was an Eagle Scout badge for Jay Vander Sluis. His parents participated in the ceremony with Mrs. Vander Sluis pinning the badge on her son's uniform and Jay in turn presenting her with a mother's Eagle pin. The ceremony was in charge of Scout Executive Donald E. Kyger and Field Executive L. D. McMillin.

Scout Executive M. P. Russell of St. Joseph, formerly of the local council, told of the senior scout camping trip to the Scout Philmont ranch near Comarron, N. M. He displayed photographs taken there last summer and explained features of this rugged camping experience. Donald Northuis and Elmore Van Lente of troop 6 plan to take the trip.

The banquet was financed by funds raised in two waste paper drives in which 27 tons of paper were collected. Seymour Padnos presented a check of \$384 to Fred Zeerip, troop treasurer. Part of the money also will be used for the camping fund.

Table decorations were arranged by the patrols, the Golden Eagle patrol using the theme of an Indian village, Wolverine patrol an archery range, and Panther patrol, camping. These themes also will be used at the forthcoming Merit Badge show.

Stanley Curtis, member of the troop committee, was toastmaster. The Golden Eagle patrol under leadership of Don Northuis and the Panther patrol under John Rietma gave stunts. The Wolverine patrol, Jay Vander Sluis leader, presented a playlet, "These Fathers," emphasizing enjoyment dads can have from working in scouting.

Kenneth Vining gave an accordion solo, Bob Boss a trumpet solo, accompanied by his sister, Dorothy, and the troop quartet consisting of Ken, Rodg and Don Northuis and Bill Vander Yacht sang selections. The latter also sang a solo.

The toastmaster read a troop history compiled by F. H. (Pop) Benjamin. The troop is now in its 25th year. Scoutmaster Van Lente introduced members of the troop committee and staff.

Special guests were Kromann, Mr. and Mrs. Russell and three others of St. Joseph, the Rev. and Mrs. Bastian Kruthoff, Mrs. Edith Walwood, Mr. and Mrs. Kyger.

Legion Orders Band Uniforms

New uniforms for the Holland American Legion band have been ordered and band members agree that the uniforms will present a very pleasing appearance.

The color will be much the same as the present uniforms as the committee found no other colors which would stand up as well over a period of years and still not show wear. The coats will be navy blue with gold piping and gold buttons, shoulder straps of French blue and all trim will be bright red.

The Legion lyre patch will be on the shoulder with a bright red citation cord over the left arm. The trousers will be of French blue with gold piping and an inch red stripe down the side.

The cap, a modified Pershing style of navy blue will be trimmed in red with a red strap across the front of the hat band. The regular army eagle will adorn the front of the cap.

The Sam Browne belt has been eliminated and in its stead the band members will wear a white belt around the waist with a gold buckle attached.

The new uniforms will not be ready until Tulip Time, so the band members will appear in their present uniforms at the spring concert next Wednesday evening, April 2, in Holland High school auditorium. The public concert will be at 8 p.m.

Comedy Performed by Christian High Juniors

A well chosen cast comprised of Holland Christian High school juniors, presented the three-act comedy, "New Fires" by Charles Quimby Burdette Thursday night in the filled Holland High school auditorium. The play, under the direction of Miss Anne Westveer, was repeated Friday.

The entire action takes place in the combination living-dining room of the old Santry homestead located in the southern part of Missouri. The Santry family arrives from Chicago to spend some time at the farm. Mr. Santry has a rebellious family on his hands when he tells them the family is to stay and each is to earn his own living by working on the farm.

Dewey Bakker is capably cast in the role of Mr. Santry, an author. He is supported by Joan Berens who plays the part of Anne, Mr. Santry's wife. Alverne Mast portrays Olive, the Santry's pretty daughter who is rebellious at Mr. Santry's decision that she must stay on the farm instead of returning to Chicago.

Comedy in the play is furnished by Howard Schippers who portrays Billy Santry, a typical "pest" and mischievous son and Muriel Hulst who plays the part of Phyllis Santry, the young daughter who is usually the victim of Jerry's wise-cracks.

Dick, the Santry's handsome, good-natured son is played by Louis Altena. The part of his recently-acquired wife, Eve, is taken by Carol Karsten.

Vernon Boerman is cast in the part of Jerry Sperry, son of the farmhand. Genuine boyish reenes between him and Billy Santry were well received by the audience. Howard Johnson takes the part of Sid Sperry, the bashful typical farmhand, and Jeanetta Van't Slot portrays Angie, his wife.

Ruth Blauwkamp as Lucinda Andrews, a widow and a very irritable woman at times, and Helen Hoekstra, as Suzanne Toler, a spinster, add comedy to the play as the Santry's maids. The part of Dr. Lynn Gray, a country physician, who is very willing to visit the Santry household as long as Olive is around, is played by Lee Pool.

Alma Brower plays the part of Mary Marshall, a neighbor to whom Billy Santry is particularly sweet. Sylvia Holkeboer is cast as Mrs. Marshall, Mary's mother.

Kenneth Kuiper and Kenneth Vander Zwaag are chairmen of the stage committee and Allene Huizenga and Suzanne Dykstra are in charge of publicity. Calvin Van Wieren is chairman of the ticket committee and chairman of the program and usher committee is Louise Van de Riet. Faculty sponsors are Hero Bratt, John De Vries and James Hietbrink.

Council Refers BPW Adjustments To Committee

Seek Salary Increases For Superintendent and Clerk of Works Board

Common Council referred a communications for the Board of Public Works concerning salary adjustments for the superintendent and clerk to the Ways and Means committee Wednesday night following a talk by BPW Chairman Joe Geerds, who quoted comparative figures of the department in 1926, 1936 and 1946.

A previous motion to refer the communication to the Ways and Means committee with power to act drew a 5-5 vote, due mainly to opposition from Ald. Fred Galien, who contended action should remain in council instead of in the committee. Galien was the only dissenter on the other motion.

Tracing the history of the Board of Public Works for 20 years, Geerds said the total investment of the board, not including sewers or sewage disposal system is \$3,389,000, compared with \$1,189,000 in 1926 and \$2,000,593 in 1936.

Kilowatt hours used in 1946 totaled 32,274,700 compared with 11,841,045 in 1936 and 6,570,250 in 1926.

In 1926 the peak load demand was 2,480 kilowatts. In 1936 the peak load increased to 3,500 and in 1946 to 8,800. Geerds said the peak so far in 1947 was 9,400. The average load in 1926 was 750, in 1936 it was 1,348 and in 1936 it was 3,907.

The increase in the number of electrical consumers has kept pace with the years, Geerds said. In 1926 there were 4,080, compared with 5,454 in 1936 and 7,116 in 1946. Water consumers totaled 3,349 in 1926, 3,836 in 1936 and 4,324 in 1946.

Efficiency also has kept pace, Geerds said. In 1926 it took 2.97 pounds of coal to produce one kilowatt hour. In 1936 it took 2.09 and in 1946 it was 1.34 pounds.

Domestic rates in the light department were \$0.5318 a kilowatt hour in 1926, \$0.3165 in 1936, and \$0.2156 in 1946. Power rates decreased from \$0.29 in 1926 to \$0.2223 in 1936 and \$0.1602 in 1946.

Geerds pointed out that in the 24 years before 1938 the board contributed \$517,075.10 to the general fund of the city and since then the total sum amounted to approximately \$1,300,000.

"By these figures you will realize what a golden goose" the Board of Public Works really is to the city of Holland," Geerds said. "It has been efficient and its growth has been remarkable. It has been a pleasure for me to work with the efficient personnel the nine years I have been on the board," Geerds said.

"But to maintain this efficiency and meet future objectives we must keep efficient personnel in the department working under supervision of the board. In 1926 we paid the superintendent \$6,000. Now his salary is \$6,400. History proves that our personnel has been efficient, and the board asks your co-operation in adjusting salaries so that in case changes are made we will be in a position to attract the most efficient engineers."

Galien in objecting to referring the issue to committee pointed to an informal discussion on the subject recently while council was drawing up the annual budget.

Bubonic Plague Threatens Nation

Dr. J. C. Geiger, veteran San Francisco health officer and international authority on plagues warned newspapermen assembled recently for the American Press Institute at Columbia University, New York, that "vermin carrying bubonic plague are slowly crossing the nation and 'God help the people' when they hit rat-infested cities like Detroit, Chicago and Omaha."

Vermin carrying the plague came to San Francisco via Bombay and Hong Kong in 1900 according to Dr. Geiger. They caused several hundred deaths after 1906 and since have migrated slowly across the nation in the fur of field rodents.

Dr. Geiger said the reason plagues didn't result is that ground squirrels, prairie dogs, wood and field rats and field mice keep away from humans. However, he said, the lice can be transferred to city rats, which are closer to humans than dogs and cats.

After the epidemic in San Francisco, the city passed a sanitary code which contains the fundamentals of a preventative program according to Dr. Geiger. He said through ratproofing in every building is required, the city has a good garbage collection and disposal system and third, the health department is required to trap rat specimens in all parts of the city and inspect them for the vermin that carry the plague.

Beef consumption from 1935 to 1939 was 55.1 pounds per person, while in 1940-41 it rose to 60.6 pounds per person, according to the U. S. department of agriculture.

Insulin was discovered by Toronto scientists in 1921.

Junior League Closes Activities With Potluck

More than 40 members of Junior Welfare League Tuesday night concluded the year's activities with a festive potluck and bridge in the tea room of Woman's Literary club.

Guests were seated at small tables about the room and the supper was served buffet style from long tables centered with an arrangement of pastel rabbits, pussy willows and yellow candles.

Following the meal, Mrs. Geon Bonnette, retiring president, conducted the final business meeting, handing out literal "bouquets" to various chairmen who contributed outstanding service during the year. She presented tiny jellybean nosegays tied with gay ribbon to Mrs. Harold Klaassen and Mrs. George Heeringa, chairmen for the invitation dinner; Miss Adelaide Dykhuizen, chairman of the Clare Tree Major play; Mrs. Stanley Boven, constitution committee; Mrs. Clarence Becker, school improvement committee; Mrs. Irvin Vrieling, Haljowen dance; Mrs. Arthur Kronmeyer, Christmas bazaar; Mrs. Adrian Van Putten, Christmas baskets; Mrs. Andrew Vullink, dancing parties; Mrs. Donald Thomas, Valentine bridge; Mrs. Bruce Mikula, greeting cards; Mrs. Donald Williams, style show and Mrs. Robert Barkema, Easter potluck.

Mrs. Vernon Poest was named new president of the league for next year. Other officers elected were Mrs. Vullink, first vice-president; Mrs. James White, second vice-president; Mrs. Mikula, secretary; Miss Althea Raffenaud, treasurer; Miss Jean Pellegrom, materials chairman, assisted by Miss Florence Oler and Mrs. Robert Cavanaugh; Mrs. Boven, purchasing program; Mrs. John Hietbrink, distribution chairman; Miss Barbara Lampen, investigation and Mrs. Barkema, glasses chairman, assisted by Mrs. Richard Dievendoff. The membership committee which includes Mrs. Alvin Klomprens, Mrs. Becker and Miss Beth Marcus has Mrs. Vrieling and Miss Crystal Van Anrooy as new members.

The state of officers was presented by Miss Elizabeth Arends-horst, chairman of the nominating committee.

Final reports were given by committee chairmen and announcement was made of a special meeting to be held at the home of Mrs. Bonnette April 29 for distribution of cards. Mrs. Becker explained telephone duties of members assisting the Citizens committee in reminding Holland voters to register and vote in the school election April 21.

Committee reports revealed the league approved and supplied six pairs of glasses during the year, spent \$70 for layette supplies, made and distributed four complete baby layettes, has on hand five complete layettes as well as numerous other articles and donated \$1,500 to Holland hospital for purchase of new type bassinets. It was also voted at Tuesday's meeting to donate one layette to a needy family in the Netherlands.

Arrangements for the bridge which followed the business meeting were made by Mrs. Van Putten. Prizes were won by Mrs. Becker, first, and Miss Arends-horst, second.

Mulder, De Vette Pace Hope Cagers With High Totals

In 20 games the Hope college basketball squad emerged champions of the MIAA and held a season record of 16 wins and four losses. The Hope squad built up an average of nearly 65 points a game against 49 for their opponents. The Hollanders held a conference record of nine wins and one loss while they won seven and lost three in non-conference tilts. The total record for 1946-47 gives Hope a percentage of 800.

The scoring was led by Hope's star forward Rusty De Vette, former Marine, who built still higher his wide spread reputation as an outstanding cager. The Hope total was 1,293 points with De Vette claiming over a fourth, 328. De Vette hit on 145 field goals and 38 charity tosses for his total. Mulder took second scoring honors by connecting on 98 field goals and 49 foul shots for a total of 245 points. Herk Butler, playing his first year at Hope as a regular, copped third place by scoring 216 points on 74 field goals and 68 free tosses. Van Dis followed with a total of 184 times.

De Vette's 145 field goals was by far the highest on the squad but the next three totals are much closer with Mulder counting 98 baskets, Butler and Van Dis 74 each. Herk Butler made more points via the free throw route than any other cager but the best foul average went to Mulder who racked up an average of 70 per cent as he hit 49 out of 70. Yonker, a substitute guard, had a 73 per cent average when he hit 11 out of 14. The team's free throw total was 249 hits out of 404 attempts which gives the squad a 60 per cent average.

An understandable fact is that Gabby Van Dis took the dubious honor of having the most fouls called with 52 personals. Van Dis was probably the most aggressive player on the squad which explains his numerous personals. Scholten trailed by only one foul as he totaled 51 but was ejected from the game only once. Butler and De Vette had 50 fouls apiece. Van Dis and De Vette took leave from the game twice at request of the officials by virtue of five fouls while Butler and Ploegsma were removed from games once each.

Individual scoring:

	FG	FTA	FT	TP
De Vette	145	55	38	328
Mulder	98	70	49	245

Holland Cagers Have Good Year With 14 Wins

Van Dyke Paces All Scorers With 326; High Foul Percentage

Holland High failed to win the state championship again this year, but a feather in their cap, is that they do hold a season win over the 1947 state champs, Flint Northern. The Dutch, still at full strength, defeated the Northern outfit 51-48 in the Christmas tournament at Flint which Holland captured in the three days' play.

The Dutch were defeated in the finals of Regional play in the state tournament by Muskegon, the only team to defeat the Hollanders twice this season. The locals, playing under the competent direction of Coach Malcolm Mackay, won 14 contests this year while losing five. The Dutch, however, did not bow in defeat before a local crowd, all losses being administered on the road. The Macmen won seven and lost three in the tough Southwestern conference this season.

During their rigorous schedule, the locals piled up a total of 939 points in 19 contests for an average of 49.4 pts. per contest. Their opponents compiled 850 tallies for an average of 44.7 pts. per game.

The Dutchmen completed successfully 197 out of a possible 394 foul attempts for a team average of an even 50 per cent. Of the regulars, Holland's All-State center, Bob Van Dyke, compiled the best average, sinking 72 out of 111 tries for a .650. Vande Wege followed with 15 out of 27 for a percentage of .560. Van Hekken completed 11 out of 21 for .520.

Big Bob Van Dyke also led his team in scoring with 326 points for an average of 17.2 pts. per contest. He was followed by Bauman with 105 and Vande Wege with 81.

The locals committed 331 personal fouls while their opponents were guilty of 333. Their single high score for the season was 75 against the Big Reds of Muskegon while their low score was 31 against Benton Harbor.

With the appearance of the second number of the "Jr. Hilites," school newspaper edited and published by students of Holland Junior High school, success of the innovation is assured. The mimeographed newspaper boasts a complete staff of editors and reporters. Carl Van Lente of the school citizenship department is advisor for the "junior journalism" group which meets three days a week.

Mary Rusticus is business manager. Others in charge are: sports, Byron Aldrich; features, Joanne Schmit; people, Judy Kronmeyer; and Donna Tanis; art, Iris Bowman, Doris Eshenaur, Joanne Schmit and Beth Kramer; humor, Bonnie Boeve and Virginia Taylor; classroom news, Marilyn Cook and Virginia Koning; assemblies, Ariene Holtgeerts and Betty Hoving; senate meetings, Marilyn Cook and Virginia Koning; inquiring reporter, Berdine Young; news briefs, Jackie Smit and Betty Hoving; make-up, Ruth Bosch; mimeograph operators, Yvonne Lemmen and Marilyn Bredeweg.

Name for the publication was chosen after a contest in which many offered suggestions. Karel Kleinhekel and Patricia Van Lente submitted the winning name.

Besides the various features which make up the newspaper, the issue which appeared Thursday included a full page cartoon urging attendance at the gala Junior High fair, the first of its kind which took place that night.

Purpose of the fair was twofold, to furnish a good time for junior high students, and to raise money for use at school assemblies next year. Each home room was in charge of a booth and concession, which included side shows, fish ponds, motion pictures, variety and horror shows, bean bags, darts and refreshments.

More than 500 students and teachers attended the event which was sponsored by the Junior High Senate. Monte Dyer, chief of police, and his police board were delegated to keep order. Carl Kleis and his committee formed a clean-up squad.

Prizes for raising the most money went to Room 31 which operated a hamburger stand, Miss Emily Shoup, teacher; Room 1 with a side show, Miss Clara McClellan, teacher; and Room 39, with a refreshment booth, Mrs. Donna Wagner, teacher.

Holland Quint Eliminated in Tourney Play

Dykema Tailors, the only Holland delegation in the Benton Harbor Basketball tournament dropped from competition Saturday when they were handed a heartbreaking 42-41 defeat by the Knights of Columbus of Benton Harbor. The locals played two games Saturday, the first a thrilling 39-38 victory over the Halis Dairy five of Richland at 6 p.m. and the second tilt at 11 p.m. against the Knights.

In the first game the locals were scheduled for defeat but after trailing the entire game, big Leo Vander Kuy counted on two free throws to give the Dykema's a one-point victory. The Holland aggregation played listless ball throughout the first half and were trailing 23-10 at the intermission. The Dairy five also held a 11-6 lead at the end of the first quarter.

The Tailors gained little ground during the third period and when the third stanza was completed the locals still were trailing, this time by seven points with the score 28-21.

Then slowly, but steadily the Dutchmen began hitting their stride although still playing a weak defensive game, and began to creep up on the Dairy quintet. With one minute remaining in the game Leo Vander Kuy toed the foul line and tossed in a one-point. Then with 19 seconds left Vander Kuy was fouled and again split the meshes with deadly accuracy to put the locals out in front and give them a one-point victory.

In the 11 p.m. contest the locals reversed the situation and started hot with Vander Kuy again pacing the attack by netting 13 points in the first half. The tall Dutch pivot man garnered a total of 17 points before the second tilt was completed.

At the end of the first frame the Hollanders were behind 12-11, but before the half ended piled in 11 points to give them a 22-16 lead. Walley Bradley diminutive guard was playing heads up ball.

In the second half it was evident that the Dykema's were due for a fall for the red-clad cagers began tiring. Vander Kuy became winded and couldn't get off his feet and the entire team began slowing down from their usual "hurry-up" game.

The Hollanders managed to hold on to their lead until the third quarter ended when they still led the Knights 32-30. But in the final quarter the downfall came and as the Dykema's neared their second complete hour of playing in an evening, the Knights took advantage of every opportunity and finished the contest with a 42-41 victory.

Leo Vander Kuy led the scoring parade in both contests as he racked up 14 in the first contest and 17 in the last. Vande Wege took second scoring honors in each game with eight points in the first and nine in the second.

The Dykema crew dealt the Knights of Columbus a telling defeat earlier in the season but failed to give a repeat performance Saturday. The defeat was the first of the season for the locals and ended their season with a record of 10 wins and a single loss.

During the season the Tailors outscored their opponents 621-470 and proved to be one of the most feared quintets in Western Michigan Bud Vande Wege was high scorer of the season with 175 points while Ken Zuverink followed with 108.

Here are the rest of the season's individual scoring records

for the Dykemas: Leo Vander Kuy, 84; Mike Vana Oort, 65; Wally Bradley, 61; Paul Fortney, 51; Lou Borgman, 45; Jason Krikke, 13; Ron Fortney, 15. Krikke and Ron Fortney played in only two contests with the locals.

Student Vets Meet At Michigan State

Hope college was represented by James R. Frisema, of Detroit, at the Michigan Student Veteran Planning conference, held at Michigan State college, Saturday. The meeting was called so that details of "Operations Subsistence" could be passed on to the representatives of other Michigan colleges. "Operations Subsistence" was the name given by the University of Michigan, Michigan State, Wayne University and the University of Detroit, as their representatives appeared before the House Veterans Affairs subcommittee at Washington, D. C.

A petition is being circulated through all the colleges in Michigan stating that the removal or raising of rent ceilings would gravely imperil continuation of the veterans education. This petition to the 80th Congress of the United States is for the purpose of leaving rent ceilings at their present level throughout the course of the congressional session.

The next meeting of the Michigan Student Veterans, will be held at Alma college, April 26. The meetings are being placed on a rotation system and Hope college is expected to hold a conference on its campus in May.
