Zeeland Girl Succumbs At Hospital

Four Others Injured;
Deputies Hold Driver

An 18-year-old Zeeland girl was fatally injured and four others were injured in a car crash at 1:47 a.m. Saturday at the junction of Lakewood Blvd. and Lakeshore Rd.

Barbara Chase Guilford, of route 3, Zeeland, was dead on arrival at Holland Hospital of a broken neck.

She was a passenger in a car driven by Johnnie Dean Hunt, 21, of 244 Maple Ave., Holland, which crashed into a cement pillar at the entrance to the former Getz Farm. Hunt's 1956 car was a total loss.

Hunt was treated in Holland Hospital for abrasions on the right hip and then was taken to the county jail in Grand Haven where he was being held for felonious driving.

Others in the car were Clinton Creekmore, 21, of 216 Washington St., Zeeland; Pat Evink, 17, of 24 East 13th St., Holland, and Ruth Rothe 19, of 216 North Sixth St., Grand Haven.

Creekmore was admitted with severe scalp lacerations and Miss Evink with a fractured right heel. Miss Rothe refused treatment for a fractured right ankle, was released to her parents and then admitted to Municipal Hospital in Grand Haven.

Victims were taken to Holland Hospital by Dykstra and Nibbelink-Notier ambulances.

The car, sliding sideways, hit the cement pillar on the right side where Mrs. Guilford was sitting in the rear seat of the car.

Hunt told deputies he couldn't stop his car in time after he had just come over a hill and saw a stop sign. Hunt applied his brakes, deputies said, and the car slid about a 100 feet before hitting the pillar.

The deceased is survived by her husband, Allen Guilford; a daughter, Kathleen Jo at home; her mother, Mrs. Mary Chase of Zeeland; her father, Herschel Chase of Rockford; a sister, Mrs. Ronald Werner of Holland, and her grandparents, Mr. and Mrs. Henry J. Kruidhof of Zeeland and Mrs. Leon Shay of Coopersville.

Tulip Time Mails 45,000 Programs

The Tulip Time office staff has mailed out some 45,000 Tulip Time programs the last two weeks, Director Harold J. Karsten said today.

Karsten said several bulk mailings were made to travel agencies which had requested the material, but beyond that there were many, many individual inquiries from almost every state in the union and Canada.

Heaviest inquiries, as usual, came from Ohio, Indiana and Illinois plus a good many from Canadian provinces.

Karsten also said reserved seats for the band review, parade of quartets and the Saturday variety show are now available at the Tulip Time office in Civic Center. Many mail orders have been received and tickets for the variety show are about half sold.

There also has been some demand for tickets to the travelogue, "Beyond the Mighty Mac," to be presented in Civic Center Thursday evening of Tulip Time, and considerable demand for the square dance in West Ottawa gymnasium.

The housing bureau has been busy processing requests for accommodations and the reservations to date are far ahead of last year. Local persons who can entertain Tulip Time guests may still register their rooms by calling the Tulip Time housing bureau in Civic Center.

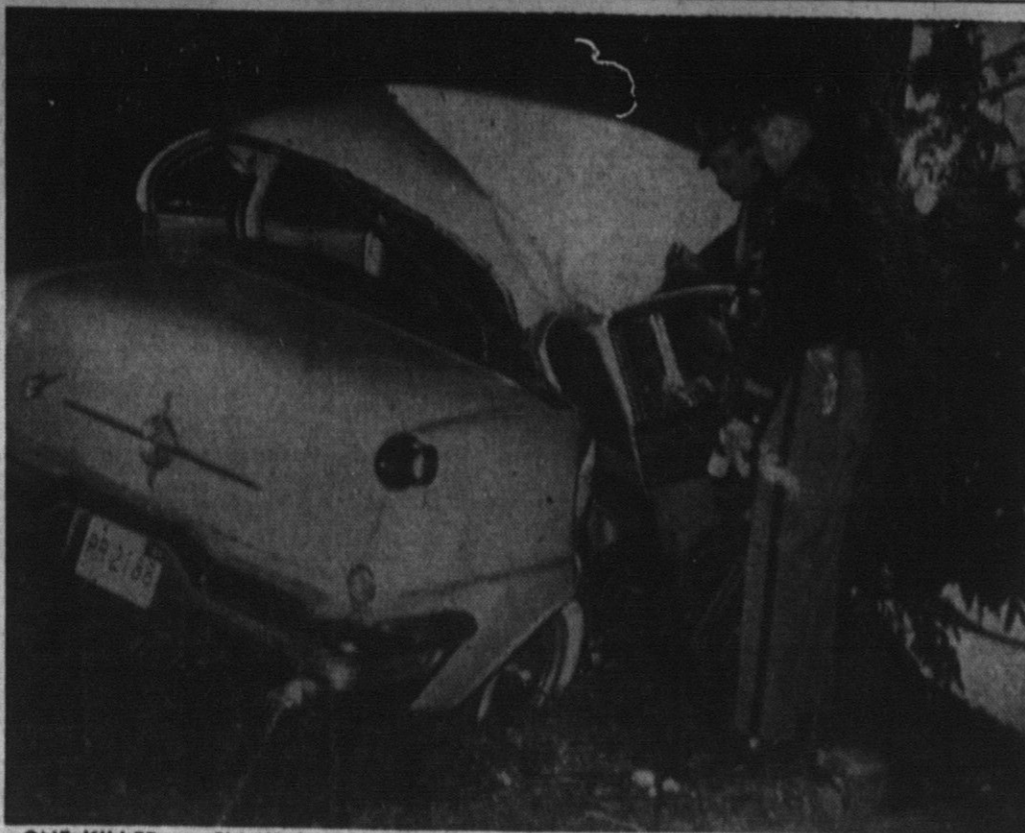

Set Hearing On Van Meer

GRAND HAVEN — A pre-trial hearing will be held April 17 in Ottawa Circuit Court in connection with petitions for incorporation of the City of Van Meer in Holland Township, Deputy County Clerk Vivian Nuismer informed the Ottawa County Board of Supervisors Wednesday.

The particular suit relates to a petition on behalf of some residents in Federal district alleging certain defects in the original petitions for incorporation.

The board was informed that the annexation petition from the "west end" area in Holland Township bordering Zeeland has been tabled until the Van Meer case is settled.

A suit has been filed in the Robbins Rd. annexation request in Grand Haven Township, and the incorporation election results in Ferrysburg which voted to incorporate as a city April 1 has eliminated the possibility of Holland Hills annexation to Grand Haven city, the board was informed.

Legion Hosts State Golf Meet June 29

Holland's American Legion Post 6 will host a state Legion golf tournament Saturday, June 29 at the Memorial Park golf course.

The one day 18-hole handicap tournament, to be played in flights, will be open to Michigan Legionnaires only.

A June 1 deadline has been set for all entries including members of the local American Legion post. Commander Cecil Helmink said if there is sufficient interest around the state it is planned to make the golf tournament an annual event.

Holland was picked for this year's event after a golf tournament held at Flint last year.

A dinner-dance is scheduled following the tournament.

Members of the tournament committee are: Al Bransdorfer, chairman; Perk Riemersma, Bob Sherwood, Jim McKnight, Dick Grossnickle, Bernie Julian and Tony Renner.

Three Directors Named To Development Corp.

Mayor Nelson Bosman, Roger McLeod and Russell Klaasen have been elected directors of the new Holland Economic Development Corporation which is sponsoring formation of a new industrial park for Holland.

Options for more than 200 acres of land in the southeastern part of the city in the vicinity of US-31 bypass have been obtained.

The new directors were named at the first annual shareholders meeting of the corporation earlier this week. Other board members are Henry S. Maentz, Ab Martin, J. H. Petter, Stuart B. Padnos, George J. Heeringa, Clarence Jalving.

Officers also were reelected. They are Jalving, president; Petter, first vice president; Heeringa, second vice president; William H. Vande Water, secretary, and Henry Steffens, treasurer.

Arraignments Held in Court

GRAND HAVEN — Four Holland youths were arraigned before Justice Lawrence De Witt in Grand Haven Township Monday on charges of minors in possession of beer in a motor vehicle. They were arrested by sheriff's officers at 1:30 a.m. Saturday in Holland township.

Lee Roy Vedder, 18, of 304 Hayes St., Holland, and Richard Donn Faber, 17, of 344 Arthur St., were sentenced to pay \$35 fine, \$4.90 costs and serve seven days in the county jail. James Trethewey, 19, of 406 Elm St., and Maynard Gene Paris, 18, of 297 Hayes St., also of Holland, were sentenced to pay \$25 fine, \$4.90 costs and three days in jail.

Justice De Witt said the differences in sentences was because sheriff's officers had picked up Vedder and Faber several weeks ago on a similar charge, at which time they had been released to their parents.

In another case, Gerald Wayne Overweg, 20, of 2000 St., Zeeland, paid \$25 fine and \$5.10 costs on a drunk and disorderly charge. He was arrested by Grand Haven city police Saturday night.

Howard J. Bing, 42, of 11501 Polk St., Holland, paid \$100 fine and \$5.50 costs on a drunk driving charge. He was arrested by sheriff's officers in Blendon township Friday.

William Martin Stob, 19, of 10000 St., Zeeland, was charged with drunk driving on M-21 in Georgetown township Sunday, was committed to jail for 30 days, unable to pay \$100 fine and \$6.10 costs.

A daughter, Cynthia Jo, was born in Holland Hospital this morning to Mr. and Mrs. Doug Tjapkes, 24 East 33th St.

Mrs. Robert Swart Speaks at Breakfast

Mrs. Robert Swart, missionary returned from Africa, was guest speaker last Thursday morning at an Easter Breakfast for all women of the North Holland Reformed Church sponsored by the Women's Guild for Christian Service.

Mrs. Swart gave a talk on the Murle women, their home life and costumes, displaying belts and large bead earrings made by the African women.

The president, Mrs. Lambert Olgers, opened the meeting with a welcome and Mrs. Willis Jonker had charge of devotions. Soloist Mrs. Carl Kaniff, of Maplewood Reformed Church sang two selections accompanied by Mrs. Harold Slag.

The service committee consisting of the Mesdames Vernon Rouwhorst, Harvey Hoeve, James Bosch, James Bower, John Jager, Marvin Nienhuis and George Veldheer served the breakfast on tables decorated with spring flowers. The meeting closed with a prayer by Mrs. Olgers.

Several Traffic Cases Processed

Several traffic cases were processed in Municipal Court last few days.

Appearing were Allen J. Overway, of 97 Columbia Ave., assured clear distance, \$17 suspended after traffic school; Miles Darwin Christensen, of 75 East Ninth St., stop sign, \$7 suspended; John Dean Hunt, route 4, excessive noise, \$3; Arvin J. Sneller, route 3, Zeeland, speeding, \$10; Andrew Cammenega, of 94 East 22nd St., speeding, \$5; Clarence P. Becker, of 121 East 30th St., speeding, \$10; Carlton John Volkema, of 7076 46th Ave., speeding, \$10; Nancy L. Reimink, of 2099 Ottawa Beach, speeding, \$15; David Arnold Fox, of 78 East Eighth St., defective equipment causing accident, \$17; Harold Streur, of 5 160th Ave., speeding, red flasher and one headlight, \$15 suspended after traffic school.

Overload Fine Paid

GRAND HAVEN — Michael Joseph Duly, 21, Muskegon, arrested on an overload charge while driving a truck of soft drinks of Rocky's Distributors of Muskegon, paid \$635 fine and \$4.30 costs. Justice Nelson Baldwin's court in Nunica Tuesday. Duly was arrested by Sam Hartwell Sr., weighmaster for the Ottawa County Road Commission, at 3:30 p.m. Tuesday on Seher St. in Chester Township. The two-axle truck had an overload on the rear axle of 6,350 pounds.

Home Furnace Co. Wins Regional Product Award

Home Furnace Co. has won the regional award for Michigan's Product of the Year, it was announced Friday by officials of Michigan Week.

The company's gun-type oil-fired heating unit for mobile homes took top honors Thursday in the regional judging at Inport Motors in Grand Rapids.

This win means the local product will compete in May against winners from 15 other Michigan regions for selection as Michigan Product of the Year.

Last week the heating unit won the Ottawa county award. On Thursday it faced competition from winners in Kent, Montcalm, Allegan and Barry counties. Included were a new aerosol shampoo cleaner for upholstery manufactured by Bissel in Grand Rapids, and the Reliant camp trailer made in Stanton.

Product merit and the effectiveness of the company's presentation won the award for the Home Furnace Co., according to Robert Hooker, regional information director.

In submitting their entry, A. J. Dalman and Clarence Becker presented data showing the sharp increase in sales and employment experienced by Home Furnace since the mobile home heater was introduced to the market a year ago.

Stoner Awaits Trial During June Term

GRAND HAVEN — Alden J. Stoner, former city treasurer of Holland charged with embezzlement of certain city tax funds, is awaiting trial in the June term of Ottawa Circuit Court, following his arraignment in Circuit Court last week.

At the arraignment, made public Monday by Prosecutor James W. Bussard, Stoner stood mute and a plea of not guilty was entered. Bond of \$1,000 was continued.

Bussard explained the arraignment, originally scheduled Monday, resulted from a mixup in opening dates. Stoner had been bound over to appear "opening day, April 8" whereas opening day of the court was April 2. When Stoner appeared last Tuesday, the proper documents had not been forwarded to the higher court, but the prosecutor in an agreement with George Lievens of Holland, attorney for the defense, then arranged for the earlier arraignment.

In a revised complaint on which an examination was held in Holland Municipal Court March 13, Stoner was charged with unlawfully appropriating a sum of money totaling \$1,246.89, representing five separate tax bills. The alleged offenses were listed for a period of time occurring between Oct. 2 and 18, 1962.

W. H. Padgett Dies at 76

William H. Padgett, 76, of 155 Central Ave. died early Monday at Holland Hospital following an extended illness.

Mr. Padgett was born in Charlotte, N. C. in 1886. He has lived in Holland for the past 32 years. He was a former railroad conductor for many years and later was custodian at First Methodist Church for 6 years. He was a member of First Methodist Church and a Veteran of World War I.

Surviving are his wife, Eula; one daughter, Mrs. Seth (Myrtle) Kalkman of Holland; three sons, William H. Padgett of West Port, Conn., James A. Padgett with the U. S. Navy in Jacksonville, Fla., and John F. Padgett of Holland; 4 grandchildren; one brother, Andrew H. Padgett and a sister, Mrs. John Owensby, both of Charlotte, N. C.

Board Okays Maplewood Annexation

Vote in Annexing
Area Is Next Step
In District Merger

The Holland Board of Education Monday night adopted a resolution approving the proposed annexation of the Maplewood district to the Holland district, subject to certain provisions.

Dale Mossburg, president of the Maplewood board, outlined the situation at Maplewood where the district voted an additional 6 mills for one year at the April 1 election to eliminate outstanding debt. On April 2 the board met and voted unanimously to request annexation to Holland.

The annexation approval is subject to an okay by the state superintendent of public instruction, a majority vote of Maplewood electors, and a majority vote of the tax electors of the district to assume the proportionate share of the city high school bond issue currently listed at \$3,069,000.

Supt. Walter W. Scott explained that only such millage is levied to meet the financial needs of maturing bonds and pay the interest. The amount last year amounted to \$5 on assessed valuation. If Maplewood annexes to Holland school district, the total property assessment would be larger, and the tax millage less.

Several members of the Maplewood board were present. They expressed the hope of effecting annexation before September. Should certain time requirements be met and the election is successful, there is a possibility that the school taxes could be on the summer tax bill instead of the December bill.

Harrington school board has requested a meeting with Holland board to explore the status of the tuition students. Member Wendell Miles suggested a preliminary committee meeting before such a meeting of the two boards in the hope that more could be accomplished at such a meeting.

The schools committee, reporting on a request last month of the Junior Welfare League requesting the use of the high school auditorium for a children's concert in March of 1964, pointed to a policy that no charges are made to local PTA's for use of buildings and recommended that the league work through a local PTA or the Holland Area PTA Council.

On recommendation of the committee, four new textbooks were approved. They are "Algebra Two" by Vannetta, "20th Century Typewriting Textbook and Laboratory Materials" by Lessenberry; "20th Century Bookkeeping and Accounting" and "Working Papers and Study Guides for the Same" by Carlson.

Because of the need for frequent review of the high school's program in business education and economics, the superintendent was requested to arrange a meeting between those who teach in those areas and members of the board to discuss the nature and scope of the courses taught, to evaluate the results and to discuss informally the needs of high school youth in this area. Scott announced this meeting has been scheduled April 16 at 8 p.m. in the commons of the east unit.

The personnel committee announced that salaries of teachers in the recently annexed Van Raalte district have been reviewed and recommended placement according to training and experience on the appropriate salary schedule, geared to the same figures that appeared in last year's contracts for city teachers. This amounts to an increase of approximately \$2,700, offset by the same amount on transportation of last year. The arrangement is such that while there are increases for most teachers, the salaries are no higher than paid to teachers in the present district.

The buildings and grounds committee and the finance committee reviewed several changes in progress in junior high school. The reports involved approval of some recommendations, one of \$9,267 for a fire alarm system for the west building, \$30,200 renovation of the gymnasium, \$15,924 for electrical work in the E. E. Fell building and \$4,590 for roof exhausters for two first floor toilet rooms in the west building. All were low bids in each case.

It was pointed out that all these improvements are financed by funds voted in the 1960 high school bond issue which specified funds for various improvements. To date some \$149,000 has been spent in improving the two junior high schools and another \$65,000 is anticipated.

The building and grounds committee also reported on work completed at Montello school, most of the changes recommended by the fire marshal. The portable stage has been delivered to Lakeview school and adjustable basketball baskets and backstops have been installed. Final gravel has been placed on the playgrounds on the west side.

In answer to an inquiry of Harvey Buter, Junior High Principal, Earl Borlace outlined the policy for admitting students to the junior high schools before 8:15 a.m. on rainy or stormy days. Borlace said the auditorium on the west building is open each day at 7:30 a.m. and Assistant Principal Ted Boeve is present at that time.

He said children who arrive early may go into the auditorium, but he said children living within three blocks of the school arriving an hour early have been discouraged. He added there never is any problem about rain or storms when classes dismiss in the afternoon or when classes pass between the two buildings between classes.

President Bernard Arendshorst presided at the three-hour meeting. All board members were present and Supt. Scott gave the invocation.

Milton Stevens Faces Huge Suit By Furnace Co.

Miles, Cook Won't Seek Another Term

Wendell A. Miles and Alvin J. Cook, both of whom served as members of the Board of Education for 11 years, announced Monday night at the monthly meeting of the board that they will not be candidates for reelection at the June election this year.

Secretary Harry Frissel said he has petition blanks for new candidates. Petitions require at least 50 signatures and must be filed 30 days before the annual election scheduled the second Monday in June. Terms of board members are four years.

A candidate this year will be Mrs. Bruce G. Van Leuwen, of 13 East 13th St., who is active in local civic affairs. She received an A.B. degree from Hope College and an M. A. degree from Cornell University. She taught at Holland High School for four years and is a past president of the Woman's Literary Club. She was a member of the citizens committee for the 1960 high school bond issue.

The van Leuwens have two children, both graduates of Holland High School.

Holland Hitch Builds Plant In Canada

Holland Hitch Co. announced today it will build a manufacturing plant in Woodstock, Ontario, to serve the Canadian trucking industry. The subsidiary will be known as Holland Hitch, Ltd.

William F. Beebe, general manager, said negotiations for the building site had been under way for some time with the Woodstock Industrial Commissions. The company has bought a 12-acre site at Woodstock, located 70 miles from Toronto.

Construction of a 12,000 sq. ft. building will begin in May, Beebe said, with production scheduled for early August. The Woodstock facility will manufacture a complete line of fifth wheels, landing gears, pintle hooks, couplers, king pins, and other equipment used by truck-trailer combinations in highway and yard service.

Beebe said Holland Hitch, Ltd., will be managed by Arnold Gillott of Woodstock who has many years of experience in the truck trailer transportation industry. One technical man from Holland will be moved to Woodstock to aid in developing production. It is expected the work force will eventually total 50.

The establishment of Holland Hitch, Ltd., gives the local concern widespread distribution of its manufacturing facilities to better serve the thousands of highway trucking companies and industrial truck fleets in U. S. and Canada. Approximately five years ago the company set up Holland Pacific Hitch Co. in Milpitas, California, near San Jose, to supply Far West customers. The Milpitas plant employs 25 persons and is headed by Charles Neff, formerly of Holland.

Holland Hitch Co. is the nation's largest independent manufacturer of truck and trailer coupling equipment. Approximately 250 are employed in the Holland plant.

Cigarettes, Change Taken From Market

BORCULO—About \$23 in change and 12 cartons of cigarettes were taken in a break-in at the Crestview Ranch Market sometime over the weekend, Ottawa deputies said Monday.

The break-in was discovered this morning by the owner, Lester Ohlman. Deputies said entrance was gained by someone prying a back door open. The cigarettes taken were all of one brand, deputies said.

For high schools before 8:15 a.m. on rainy or stormy days, Borlace said the auditorium on the west building is open each day at 7:30 a.m. and Assistant Principal Ted Boeve is present at that time.

He said children who arrive early may go into the auditorium, but he said children living within three blocks of the school arriving an hour early have been discouraged. He added there never is any problem about rain or storms when classes dismiss in the afternoon or when classes pass between the two buildings between classes.

President Bernard Arendshorst presided at the three-hour meeting. All board members were present and Supt. Scott gave the invocation.

Milton J. Stevens, chairman of Republic-Transcon, has been charged with conspiracy to cause Holland Furnace Company to sustain severe losses as part of a plan to force a merger between Holland and Republic-Transcon on terms dictated by and favorable to himself, in a \$6,000,000 suit filed in Supreme Court of the State of New York by Holland Furnace Co.

The suit also names several executives of Republic-Transcon, an air conditioning firm, and Glen Alden Corporation, which owns 750,000 shares of Republic-Transcon and nearly \$4 million of its debentures.

The complaint states that Stevens called a special meeting of Holland's board of directors in May, 1962, after falsely stating that he had purchased control of the company, and caused the resignation of four board members — replacing them with eight of his own nominees.

Additionally, Stevens became chairman of Holland's board and his nominee, William P. Lennon, replaced the president, who resigned. Stevens, the complaint continues, resisted any further efforts to call a subsequent board meeting until July, 1962.

Under the terms of an agreement, the Stevens' group agreed to transfer real estate deeds having an alleged appraised equity of more than \$2 million to an escrow agent in exchange for 200,000 Holland shares.

On July 16 the complaint states, Jerome Jennings and Edward Gropper (non-Stevens Holland directors) were informed by Stevens that he had never consummated this agreement and "did not have a dime invested therein."

Jennings and Gropper thereupon insisted upon inspecting the books and were told by Mr. Stevens they could do so on July 26, 1962. On July 25, the Stevens' interests were notified that the purchase agreement had been terminated because of their failure to deposit the specified deeds with the escrow agent. Mr. Stevens and his associates resigned their board positions on July 26, 1962 at a meeting in Chicago called by Mr. Stevens.

After the remaining directors Gropper and Jennings had reconstituted the board at the same meeting, the complaint states, they found that the Stevens' group had: 1. Suspended manufacturing operations in the Holland factories at the height of the 1962 heating season.

2. Closed or merged approximately 70 Holland branches, demoralized the sales force, and made no provision for the protection of inventories or records.

3. Disposed of air conditioning units owned by Republic-Transcon by selling them to Holland for cash, although Holland had no means of disposing of them.

4. Caused their personal expenses to be charged to Holland, including travel, lodging, telephone, insurance, legal and public relations charges.

5. Dismantled and shipped to Republic-Transcon and its subsidiaries equipment, trucks and other property owned by Holland.

6. Having brought about a decline in sales at reduced prices for Holland products, the Stevens' group failed or refused to take appropriate steps to reduce Holland's rising overhead and thereby caused the depletion of Holland assets and working capital by more than \$1,000,000.

7. Failed to make provision for debt maturing on July 31, 1962, burdening the present management with liens and other restrictions on its assets to satisfy the lending institutions.

Spring Lake Bridge Hit; Driver Dies

James William Lambert
Dead at Hospital; Had
Worked Aboard Dredge

GRAND HAVEN — James William Lambert, 51, of 455 Maple St., Marine City, a former Grand Haven resident, was fatally injured at 8:50 p.m. Friday when his car crashed into the west side of Bowen bridge on State Rd. just north of the Spring Lake Country Club.

After hitting the bridge rail, the car continued another 80 feet and hit the east side of the bridge knocking out a section of the concrete rail and then bounced 60 feet more along the traveled lane.

Lambert, a marine fireman on the U. S. Dredge Tompkins attached to the U. S. Army Corps of Engineers at Grand Haven, and his family had made their home on Mercury Dr. for a time about two years ago.

Lambert was riding alone at the time of the crash. He was dead on arrival at Municipal Hospital. State police investigated.

He was born in Alabama May 2, 1911. He was a veteran of World War II.

Surviving are the wife, Irene of Marine City; two daughters, Mrs. Dale Moran and Mrs. A. D. Lindsey of Pontiac; two sons, James E. of Pontiac and Larry Hugh at home, and six grandchildren.

Rep. Ford Will Visit Holland

WASHINGTON — More requests for speeches inside and outside his congressional district are the by-product of the election of Congressman Gerald Ford (R-Mich.) to an official leadership role.

His Easter speaking schedule is a good example of the demands he has as chairman of the House Republican conference.

He starts off with an address to the Minnesota bankers in Minneapolis on April 17 followed by a talk at the Detroit Press club the next noon.

On the evening of the 18th, he will introduce Admiral H. G. Rickover at the annual meeting of the Grand Rapids Chamber of Commerce. (The admiral insisted that "Gerry" be there).

The next day, Friday the 19th, he'll get up plenty early to make a 7:30 "Breakfast with Your Congressman" arranged by the Holland Chamber of Commerce. At noon he'll be in Lansing and participate with Congressman-at-large Neil Staebler (D-Mich.) at the Lansing Council on World Affairs. The same night, he'll dedicate a new facility at the Wurt Smith air base at Oscoda.

He'll wind up this talkathon in Chicago with an address before the American Medical Association. By that time, he may need a throat doctor.

Even before the Easter recess starts, he'll be on a program in historical Williamsburg, Virginia where he will be in a discussion on world problems. Mrs. Ford and two of his sons, Mike and Jack, are going along on this speaking jaunt.

Foundry Opens Furnace Co.

The Holland Furnace Co. has resumed operations in all manufacturing departments of the factory.

Workers have been called back to work at the foundry where cast iron castings are being poured for the Miracle line of furnaces.

The oil or gas fired furnaces are presently being produced at a rate exceeding 500 per month. The furnaces are assembled, wired, painted, packaged and shipped to more than 300 dealers coast to coast.

Progress also is continuing on a new line of modern steel furnaces with the first unit scheduled off the lines around April 22.

The new High Boy unit is a compact model which is designed to fit in areas where the Low Boy is too large. The smallest of the steel furnaces line is only 16 inches wide.

Fabrication of the steel furnaces has been started.

They Swept Glass From M-21 — Four Miles of It!

ZEELAND — It doesn't pay to smash beer bottles on highways. Just ask four Grand Rapids boys who were hitchhiking rides to Holland Monday. They were 14 and 15 years old.

They were on M-21 near Vriesland Rd. in Zeeland Township when Deputy Henry Harding came upon them at 1 p.m. Near them was evidence of smashed beer bottles on the highway. The evidence extended for about four miles.

The boys swept all broken glass from the highway for the entire four miles before they were turned over to their parents.

Couple Marks 40th Anniversary

Mr. and Mrs. Jake Meeusen

Mr. and Mrs. Jake Meeusen, of 325 West Washington St., Zeeland, celebrated their 40th wedding anniversary last Friday and a family dinner was held in their honor at Bosch's Restaurant in Zeeland.

Mr. and Mrs. Meeusen have a daughter, Mrs. Ivan (Shirley) Barense and four grandchildren.

Tuesday the couple was honored at a luncheon at the home of Mr. and Mrs. Barense and on Thursday they will be guests of honor at a get-together of relatives.

Set New Hearing On Closing Law

GRAND HAVEN — The Ottawa County Board of Supervisors Wednesday voted 18 to 13 to reconsider its stand on the controversial weekend store closing and scheduled a public hearing as the first order of business when the board reconvenes at 1:30 p.m. Tuesday, April 16.

Prosecutor James W. Bussard had ruled that the board may reconsider the question at any time providing the public is informed a hearing will be held.

The motion for another hearing was made by Supervisor Lawrence Wade of Holland. The board's 20-11 vote March 27 fell two votes short of exempting the county from the law. Such a vote required a two-thirds majority for passage. On the basis of Wednesday's vote, "yes" forces will have to line up several more votes.

A letter from the Rev. Hollis Morel of the Seventh Day Adventist Church of Holland requesting reconsideration was read.

A group of 27 Holland area residents presented petitions requesting something be done about the "dog problem" in the county with a view to a full time dog warden. Supervisor Henry Slaughter of Lamont wanted the matter tabled but Herman Windemuller of Park township insisted something be done. It was referred to the sheriff's committee for report back in June.

The board granted two requests of the drain commissioner's office, one for \$1,500 for additional help and \$300 for additional printing and binding, the amounts to come from the contingent fund. The board also okayed a request turning over the control of the former inter-county Wildwood drain to the city of Holland.

A petition for a hearing on establishing a "man made lake" to be known as Crystal Springs Lake near Jenison was referred to the prosecutor for study. It was the first time such a request had been presented through Drain Commissioner Roscoe De Vries's office.

Thomas Koning of Marne was elected as member of the County Welfare Commission succeeding Charles Lautenbach of Marne who died recently.

Henry Slaughter, chairman of the ways and means committee,

submitted a proposed budget for 1964 totaling \$1,431,554.63 or about \$100,000 more than could be raised by the 4.16 mills spread for such operations.

Engineer-manager H. E. Stafseth of the road commission submitted the annual report for 1962 listing total expenditures of \$483,897 of which more than \$131,000 was for snow removal. As of Jan. 1, 1963, the parks budget listed \$9,600 and he was given permission to use this amount to improve a park on Crookery Lake in the north end of the county. Tables, stoves, toilets and a half-open shelter will be installed.

A request from Holland Fish and Game Club that the road commission take over part of its property between Holland and Zeeland for a roadside park on Chicago Dr. was referred to the good roads and parks committee. Stafseth said there is need for a park but that the county has never maintained a park on property it does not own.

111 Register For Art Show

A total of 111 exhibitors have signed up for the first annual Fine and Applied Art show scheduled in Civic Center April 20, sponsored by the Holland Recreation Department.

Civic Center will be open to the public without charge that day from 10 a.m. to 10 p.m. Children under 12 must be accompanied by an adult. Members of the local branch of the American Association of University Women will supervise activities.

Several working exhibits are being planned including demonstrations in ceramics by Mr. and Mrs. Andrews Stoketee and by Bob Evans. There also will be demonstrations in pastels and oils as well as some commercial exhibits.

Holland Color Camera Club members are requested to send in their open category entries to the secretary-treasurer, Milton Van Patten, 356 Wildwood Dr., by April 16.

Junior Welfare League Closes Season at Dinner

At a dinner meeting which closed the season for the Junior Welfare League Tuesday evening, Mrs. Ronald Dalman was named the new president of the League. The dinner was held in the Hotel Warm Friend with Mrs. Henry Mass and Mrs. Peter Yff, chairmen.

Retiring president, Mrs. Jack Miller, presided at the business meeting following the dinner. Project chairmen and standing committee chairmen gave their annual reports which showed the civic projects they had completed during the year and others they had worked on.

League members donated 784 hours of service on projects such as hospitality shop, Holland Hospital, Herrick Public Library, school children's art exhibit; five puppet shows, five parties for special education rooms; Ottawa County hearing clinic.

Giving reports were Mrs. Henry Maentz and Mrs. George Moeke, fruit cake and candy; Mrs. Myron Van Ark, Mrs. Lester Klaasen, Mrs. William Gargano, new girls' dinner; Mrs. William Lalley, cook book; Mrs. Howard Poll and Mrs. Tom De Pree, Candy Cane Ball; Mrs. J. lebrands, Mrs. Kenneth Cox, Literary Club party; Mrs. Chandler Oakes and Mrs. John Workman, activity fair; Mrs. Frank Conley and Mrs. George Lievens, train excursion; Mrs. Mass and Mrs. Yff, final dinner.

Mrs. Richard Forwood gave the treasurer's report; Mrs. Jack Lamb, secretary's report; Mrs. George Slikkers, membership; Mrs. Lalley, hospital; Mrs. Ralph Stolp, glasses; Mrs. Roger Prins, investigating; Mrs. Jack Hobeck, vitamins.

Mrs. Vern Schipper as service chairman reported on all the service projects during the year. Elected to serve with Mrs. Dalman for the coming year are Mrs. Roger Prins, first vice president; Mrs. Tom De Pree, second vice president; Mrs. Chandler Oakes, recording secretary; Mrs. Dale Grissen, corresponding secretary; Mrs. Del Van Tongeren presented the slate of officers as chairman of the nominating committee.

Mrs. Tom Carey is chairman of the membership committee which includes Mrs. Garg, o, Mrs. Don Klaasen, Mrs. Max Doolittle and Mrs. Frank Conley.

155 Teachers Sign Their Contracts

Only 10 Positions Vacant; Turnover Smaller Than Usual

A total of 155 teachers contracts were returned to School Supt. Walter W. Scott by 5 p.m. Monday. Scott told the Board of Education at its regular meeting Monday night.

Only 10 contracts were not returned, representing a turnover less than normal for the local public school system. Some of the 10 are retiring, it was stated.

Speaking for the board, President Bernard Arendshorst said, "We would like to repeat our feelings which we have indicated individually from time to time during the past few weeks. We are appreciative of the approval of our local teachers organization, of their willingness to forego salary increases for the 1963-64 school year."

"Contrary to various radio and newspaper accounts, this action was accomplished through mutual understanding between committees of the teachers and school board members. This action was taken without demands or concessions by either side which reflects only faith and confidence in each other's responsibility."

"We are pleased to note, too, that points of concern between teachers and the boards have been resolved. We shall always strive for close relationship with teacher committees so that potential problems may find solution prior to the development of misunderstandings. The board shall always welcome teachers group communications requesting a discussion of some mutual problem or on any constructive suggestions for the betterment of our school system."

In keeping with a suggestion of the teachers for a study group for closer liaison with the board, President Arendshorst appointed Harry Frissel, Albert Schaafsma and Supt. Walter W. Scott as the board committee.

With the defeat of the second election last Feb. 18 for additional operational millage, the board decided at its March meeting that no pay increases or increments would be possible for the 1963-64 year, and that all contracts would be based on figures listed in the 1962-63 contracts. The finance committee would continue a careful study into those cases of teachers who received masters degrees and others not on schedule because of the 400 maximum ceiling imposed in 1962.

Teachers in general accepted the no-increase, no-increment aspects of a second year of austerity for Holland public schools, but objected to some other points, resulting in a series of meetings.

Teachers' contracts were held by the Holland MEA for some time and were released to teachers following a 7 a.m. meeting Monday well in advance of the 5 p.m. deadline adopted by the board at a special meeting March 28. At that time, the board said those positions for which no contracts have been filed by 5 p.m. April 8 would be deemed vacant for the coming year and the board would proceed to locate other eligible teachers.

Eagles Auxiliary Plans Social, Nomination Meet

A social will be held by the Ladies Auxiliary of the Eagles on Thursday at the home of Esther Vander Wiede, 229 North State St., Zeeland. Members are invited to bring guests.

At the April 19 meeting nomination of officers will be held. Miss Vander Wiede, the president, reported that six members of the Auxiliary attended the memorial service held at the Grand Rapids Auxiliary.

Mrs. Janet Raffenaud read a "thank you" letter from Fort Custer.

Deputies Investigate Holes Shot in Window

Ottawa County sheriff deputies are investigating the destruction of a picture window in a summer cottage on Eagle Creek Dr., owned by Robert DeBruyn of Sycamore Lane, Zeeland. Eight holes were shot through the window, deputies said, by a .22 rifle or pellet gun.

The shooting occurred sometime since March 30, and was discovered Thursday by some men from Bell Telephone who had gone to the cottage to install a telephone.

Overload Fine Paid

GRAND HAVEN—E. E. Paige, Comstock Park, paid an overload fine of \$222.40 plus a \$4.30 costs in Justice Hilbert De Kleine's court in Hudsonville Wednesday after Thomas Richard Edge, 30, also of Comstock Park, driving a truck owned by Paige, was arrested by Sam Hartwell Sr., Ottawa County Weighmaster, on Fillmore St. in Georgetown Township. The truck loaded with sand was found to have an overload of 1,530 pounds on one axle and 3,330 on the other.

Marriage Licenses

Ottawa County Alfred Timmerman, 21, and Joan Meentens, 18, both of Hudsonville; Wayne Allan Postma, 19, and Marie Elena Howard, 20, both of Holland,

Wants Trial For Breaking Door Charge

Albert C. Vanden Bosch, 17, of route 1, Zeeland, demanded examination Friday in municipal court on a malicious destruction charge and was sentenced to 30 days in jail on two driving charges in Ottawa County. Examination for the malicious destruction charge was set for April 16.

Vanden Bosch was charged with kicking and breaking the front glass door of city hall Thursday night, after he had appeared in traffic court.

In traffic court Thursday night, a 30-day jail sentence was suspended after Vanden Bosch surrendered his driver's license for four months on charges of speeding and excessive noise in Holland.

Vanden Bosch was sentenced today to serve 30 days each for reckless driving and for no operator's license. The sentence will be spent concurrently, or as one 30-day sentence. A third charge for improper registration of his car was suspended.

Ottawa County sheriff deputies arrested Vanden Bosch about 11 p.m. Thursday on the three charges after he was stopped for driving 100 miles an hour on M-21. The malicious destruction charge was added by Holland police.

The city hall glass door, which was estimated at a \$125 damage loss, was replaced Friday. Police kept watch of the door all night to see that a night deposit box adjacent to the door was not bothered.

Volleyball League Ends Season's Play

Jack LaMar's team won the Holland Volleyball League championship Monday night to conclude action in the annual league which played each Monday night since October in the Holland Armory.

Members of captain LaMar's team were Dale Van Lente, Walter De Vries, Richard Smith, Bernie Waterway and Marlin Baker. The championship was decided Monday night and then the 36-member six-team league held its annual banquet in Cumerford's Restaurant and trophies were presented.

Morrie Wierda was elected president of the organization and the new secretary-treasurer is Larry Van Meeteren. Vern Tiniholt and Tony Kempker were elected board members.

Wierda succeeds Smith, who served during the past year and Van Meeteren succeeds Dale Moes. Plans were made at the banquet for next season's play with action slated in October. Teams are picked prior to the season by the president and secretary-treasurer and these teams remain together for the season.

The officers attempt to get the teams evenly matched and the close games again this year are indicative of the comparative strength of each team.

Three games are played with the first game starting at 6 p.m. The league membership remains at 36 each year and presently the league has a waiting list.

Prior to each season, the members of the previous season are contacted to play again. Any dropouts are replaced from the waiting list. Or if a waiting list doesn't exist, persons are contacted to play.

Persons interested in playing next season are asked to contact Wierda or Van Meeteren.

Establish Fund For Scholarship

ALLEGAN — A memorial scholarship fund has been established here in the name of the late Robert J. King, one of the founders of Electro-Heat Inc., an Allegan firm manufacturing electrical heating elements and devices.

The amount of the check, presented here Tuesday, is being held by request of the board of directors and stockholders of Electro-Heat, donors of the fund. However, Mrs. Francis Clare, president of the Allegan Citizens' Scholarship Foundation, described the gift as "most generous indeed."

King was vice-president and chief engineer of his firm when he died at the age of 45 in October, 1959. He has been a resident of Allegan nine years, coming here from Pittsburgh, Pa. His family still resides here and a son, Richard, is employed by Electro-Heat.

The scholarship was presented to Mrs. Clair by William Nahkian, president, and William Billings, treasurer, the two remaining founders of the firm. They expressed a preference that the scholarship be used to help an electrical engineering student; but also added that assistance should not be denied if no such person applied.

Ticketed For Speeding

Bette Anne Fortney, 31, of 240 West 13th St., was issued a ticket by Holland police Monday for imprudent speed and an expired driver's license, after her car collided on Pine Ave., between North River Ave., and Madison Pl., with a car driven by Nelson J. Hoffman, 44, of 447 West Lakewood Blvd.

City Hall will be closed from noon to 3:15 p.m. Friday to allow employees to attend Good Friday services.

SPANNING ARCH — Steel beams were placed on the arches of the US-31 and US-31 bypass on Tuesday. The remaining three beams were scheduled to be placed Wednesday. The

concrete should be poured later this week after plywood forms are added. The freeway itself will not be laid until August. (Sentinel photo)

Jack Damson
... MSU captain

MSU Elects Jack Damson

EAST LANSING—Jack Damson, Michigan State senior from Holland, has been elected captain of the Spartans' varsity tennis team for this spring.

Damson has lettered the past two seasons and currently holds down the No. 3 singles position at Michigan State. He has run up seven wins in his first nine starts this year.

As a sophomore, Damson won the Big Ten No. 4 singles title. A 1959 Holland High School graduate, Damson studies in the Honors College at Michigan State and majors in psychology.

Damson is the son of Mr. and Mrs. George Damson of 145 West 23rd St. and has been director of the Holland recreation department summer tennis program for the past two years.

Operating for the sixth season under Coach Stan Drobac, MSU will be out to improve on last year's third place Big Ten finish. The 1962 team compiled an 11-5 dual meet record and finished behind Michigan and Northwestern in the conference meet.

The Spartans won seven of nine dual meets on its southern trip during the spring holiday and took first place in the Cherry Blossom Tournament at George Washington University in Washington, D.C.

Michigan State starts its regular season slate against Wisconsin and Illinois April 19-20 at Champaign. Next, MSU will play at Northwestern, and then hit Purdue, Minnesota and Indiana at Bloomington before making the home debut April 29 against Wayne State.

Notre Dame and Michigan are scheduled at Michigan State May 3 and 7 and Iowa, Minnesota and Ohio State will be here for a dual season finale May 10-11.

Claims Petitions Are Not Correct

GRAND HAVEN — The Ottawa County board of supervisors Thursday, through Prosecutor James W. Bussard, started a suit in circuit court, asking for a declaratory judgment on petitions filed for annexation of nine acres of land it owns from Grand Haven Township to Grand Haven city.

The property is located on Robbins Rd. and US-31 just south of the city limit and part of the area is occupied by the Dog-n-Suds drive in restaurant.

The county board claims petitions filed for annexation are not in accordance with the statute. A petition was filed with the county clerk Aug. 6, 1962, and the board thus far has refused to call a vote on the question.

The county board claims that the petition asks to have two isolated parcels annexed in open petition, the property is not properly described and the petition was not verified by oath.

The city-wide breakfast scheduled at Third Reformed Church Sunday morning following the Sunrise service in Dimment Memorial Chapel has been cancelled.

Everything is going according to schedule on the new I-96 freeway being built south of Holland, Bill Kasip, road project engineer of the Michigan Highway department, said Wednesday.

The freeway should be completed by November, he said, except for a five-mile stretch north of Saugatuck delayed by a muck hole by the Kalamazoo river.

Work will also begin next week on a \$250,000 project to widen the two-lane South Washington Ave. from 32nd St. to the US-31 and US-31 bypass. When completed June 30, the eight-tenths of a mile stretch will be five lanes wide.

Nolan & Jarvick Construction crewmen from Detroit planned adding plywood forms to the beams Thursday so concrete could be poured later this week.

The paving of the freeway itself should begin in August, according to Kasip.

A muck hole near the Kalamazoo River in Saugatuck will prevent that portion of the freeway from opening this fall with the rest of the freeway, Kasip said. That five-mile stretch north of Saugatuck is scheduled to open in June, 1964, 1-96, meanwhile, will junction back onto US-31 five miles south of Holland.

Men are presently filling the 1,000 foot wide muck hole, Kasip said. When completed, a bridge will span the Kalamazoo River from the area of the muck to the other side. Work is also presently being done at 140th St.

Trees have already been removed for the widening of South Washington Ave., Kasip said. Construction of the eight-tenths of a mile five-lane stretch will be done by the Neil & Al Kalkman Construction Co., located on US-31. They are also in charge of widening the streets between the north city limits and Butterut Dr.

FOREIGN AID

The presidential commission headed by General Lucius Clay submitted a report "sharply critical of some U.S. foreign aid policies." It comes none too soon. A re-examination of the motivation behind foreign aid and an overhaul of some practices is long overdue. Basically, there is nothing so seriously wrong with foreign aid that a proper administration of it could not cure.

We've come a long way in the traditionally isolationist midwest since Henry Wallace's campaign when his "milk for Hottentots" was ridiculed into oblivion. Perhaps this sentiment is still dormant just below the surface. Isolated examples of gross mismanagement always carry more weight than the many examples of solid achievement.

The admitted success of the Peace Corps provides a lesson from which the advocates of foreign aid could well profit. For in this effort of the Peace Corps the basic motivation is a sincere humanitarian desire to help people rather than the ulterior motive of improving our own military posture and seeking to enlist the beneficiary nations as allies in the cold war.

A particularly hopeful sign in the report is the statement attributed to the newly appointed Budget Director David Bell that future plans should be laid to "phase out" foreign aid to some countries and bring it to a foreseeable end in the next three to five years. In this lies some hope that this drain on the American taxpayer may not be a continuing one.

Pleads Guilty To Burglary

GRAND HAVEN — Several persons appeared in Circuit Court Monday for arraignment and disposition.

James Shanks, 45, Detroit, pleaded guilty to charges of daytime breaking and entering, and uttering and publishing. He will be sentenced May 9. The offenses are in connection with breakins at the Ottawa Observer office and Joel's Studio north of Holland.

David Blakely, 16, Holland, charged with unlawfully driving away a car Jan. 3, was sentenced to serve 90 days in jail and was placed on probation for two years. He must pay \$50 costs.

Donald O'Meara, 37, Grand Haven, paid fine and costs of \$150 on a charge of permitting dancing at Oval Inn without permission from the State Liquor Control Commission. He was found guilty March 19.

John C. Wilkins Jr., 22, Grand Haven, who pleaded guilty March 14 to car theft at Grand Haven Dec. 5, was sentenced to serve five years at Southern Michigan Prison at Jackson. No recommendation was given.

June Futrell, 35, Constantine, charged with issuing checks without funds, was placed on probation for a year. She must pay \$25 costs and make restitution of \$76.38.

Charles Patterson, Grand Haven, charged with non-support, was placed on probation for three years. He must pay \$50 costs and \$25 a week for the support of his family.

Michael M. Schmidt, 18, Coopersville, was sentenced to serve 30 days in jail and ordered to pay \$100 costs in connection with larceny of \$42 from a laundromat at Coopersville March 20. He also was placed on probation for two years.

Clarence Jalving welcomed Arthur Wich as a new member. Ed Lingren, president, was in charge of the meeting.

Sunday School Lesson

Sunday, April 14
Christ is Risen
Mark 15:42-16:7

By C. P. Dame

Easter speaks of victory, of joy and of hope. Many people will go to church on Easter day and then will absent themselves for another year. On Easter we remember that Christ rose from the dead. Mark tells this story interestingly.

1. Sometimes hidden disciples come to the fore in a critical time. That is what Joseph of Arimathea did. All four gospels tell of his brave and beautiful deed. After the death of Jesus Joseph boldly went to Pilate and asked for the body of Jesus.

Who was this man? Mark says that he was "an honorable counselor, which also waited for the kingdom of God." He was a member of the Sanhedrin which sentenced Jesus to death but he did not give his consent. He lived in Arimathea which was located about twenty miles northwest of Jerusalem. It was not uncommon for the bodies of the crucified criminals to be left a prey of vultures but the friends of Jesus would not let this happen. Joseph took the body of Jesus from the cross and placed Him in his own grave, which was hewn out of rock, and then placed a great circular stone before the opening.

Fulfilled was the prophecy of Isaiah, "and with a rich man in his death" (53:9). Joseph disregarded the opinion of his fellow-counselors, of the public and made himself ceremonially unclean by touching a dead body by this kind deed. His devotion to Jesus prompted him.

2. Love acts. On Saturday after sundown, several women brought sweet spices with which they planned to anoint the body of Jesus. Early on the next day the women came to the tomb. On the way they worried about moving the stone but when they got there it was rolled away and they saw a young man in the tomb, which was empty.

The angel had removed the stone—not to let Jesus out but to proclaim that He was out. The angel, in the form of a young man told the women what had happened—"He is risen."

These women were told a truth and the responsibility of telling it. "But go your way, tell His disciples and Peter." They were commanded to make the good news known. Why was Peter singled out? Not because he had a higher rank but rather because of his denial of Jesus.

In Luke 24:34, it is stated that one of the first appearances of Jesus was to Peter and Paul places him at the head of the list of those by whom Jesus was seen (1 Cor. 15:5). Jesus wanted His disciples to be very sure of His resurrection.

All the later preaching of the apostles their central theme was the resurrection of Jesus. The changed apostles, the existence of the Church, the New Testament, the observance of Sunday as a day of worship and rest, and of Easter, all are proofs of the physical resurrection from the dead. He lives!

Van Wynen Visits Son In Bolivia

An Indian Chief of the Chacabos tribe in Beni, Bolivia, and a native from Holland, Mich., met in Bolivia in February when Gil Van Wynen spent several weeks there while visiting his son, Don, and family.

The Chacabos are one of 13 tribes in the country of Bolivia which the Institute of Linguistics of the Wycliffe Translators are serving at the present time. Headquarters of the Wycliffe Translators is in Santa Ana, Calif.

Don Van Wynen is the director of all these activities which include reducing the unwritten languages of the tribes to writing and providing a limited dictionary and a primer so they can begin reading their own language.

Some tribes have a population of only a few hundred while others number many thousands. Missionaries among each tribe have two-way radios and keep in touch with the base or compound every morning.

If supplies or medical treatment is needed the missionaries can be reached through the use of three planes maintained at the base. Two are "helios" designed to land on short landing strips. These planes are not susceptible to tail spins, a definite advantage, for most of the flying is over wooded areas throughout the Bolivian jungles.

The third plane takes off and lands on water. Some tribes can only be reached in this way.

The Van Wynens lived in the Tacana tribe in the Ixiamas area for four years and he was able to bring their language to a written stage before he became the director of all Bolivian work last fall.

The Indian Chief of the tribe, shown above, wears the traditional bark dress made by the natives, from the second layer of bark of one of the native trees. This dress is worn by all men when they reach the age of responsibility, about 14 years. Also a wooden pin with small feathers on both ends is pierced through the nose. The headgear is only for the leaders. Wild hog tusks are worn in the ear lobes, but are removed at night as they sleep in their hammocks.

Woman and children wear a minimum of clothing, yet have some jewelry. They are a happy talkative tribe and cooperate readily with information on words so missionaries can reduce their language to writing.

Gil Van Wynen who has taken many colored slides of the work in the Indian tribes said he will be willing to show them to various groups. He added that other tribes in Bolivia can be reached as soon as more missionaries are available.

Temporary Classrooms Are Sought

GRAND HAVEN—The Board of Education is considering a plan to provide 10 temporary classrooms in a factory building of Gardner-Denver Co. on Park St. near the senior high building. These classrooms would be used by junior high students currently crowded into the building on South Seventh St.

Some 200 junior high school students were left without quarters when the old Central school burned down Jan. 28. They had occupied the third floor and grade school students the first two floors. Grade school students currently are being taught in nearby churches but junior high classes are on a split schedule with half the student body attending in the morning and half in the afternoon.

An additional 10 classrooms would return the junior high schedule to full time. The building of Gardner-Denver is at present being rented by the Board of Education for office space, maintenance and storage purposes. It is part of a "package" bond issue for \$3,400,000 which comes up for vote May 7. If the bond issue passes, this building eventually will be used for the high school vocational and trades department.

Cost of renovating the building for 10 classrooms is estimated at \$20,000 plus another \$12,000 worth of furniture.

If the bond issue passes May 7, a new junior high school building will be erected, but Supt. R. M. Van Volkinburg points out that it would be two years before the building including an auditorium and large swimming pool is completed.

The board also has adopted a calendar for the school year, 1963-64 listing a pre-school teachers conference Sept. 3, student enrollment Sept. 4, Thanksgiving recess Nov. 21 and 22, Christmas recess Dec. 20 to Jan. 2, baccalaureate May 31, commencement June 4 and closing of schools June 5.

Mrs. Jerry Jack Wolffis

Miss Baumann Becomes Bride of Jerry Wolffis

Fourth Reformed Church was the scene of an evening wedding ceremony Friday when Miss Mary Jane Baumann became the bride of Jerry Jack Wolffis.

White gladioli flanked by candelabra and ferns decorated the altar and white bows marked the pews for the double ring rites performed by the Rev. Stuart Blauw. The bride is the daughter of Mrs. Arie Baumann of 567 Maple Ave., and the groom's parents are Mr. and Mrs. Jack Wolffis of 500 Apple Ave., Muskegon.

Attending the couple were Miss Janice Achterhof as maid of honor, Mrs. Robert Bell, sister of the groom, and Mrs. Bill Hoezee, cousin of the bride, as bridesmaids, Robert Bell as best man, Edward Wiesses and Harvey Buter, as groomsmen and Bruce Ames and Gordon Wolffis as ushers.

Given in marriage by her brother, Jerry Baumann, the bride approached the altar wearing a white satin princess style gown with chiffon overskirt. White satin bows adorned the back of the floor-length dress. She wore a cabbage rose headpiece with double bouffant veil and carried a bouquet of white orchids and feathered carnations.

The bridal attendants wore pastel gowns of white lace over satin featuring scoop necklines and bell-shaped skirts accented with vertical bows. Miss Achterhof was dressed in pink while Mrs. Bell and Mrs. Hoezee wore lavender and green, respectively. They carried feathered carnations tinted to match their dresses.

Appropriate organ music was played by Mrs. Norman Artz who

also accompanied the soloist, Mrs. Paul Wiersma. Both are cousins of the bride.

For the occasion the bride's mother chose a blue linen suit with beige accessories and a white orchid corsage and the groom's mother wore brown linen with beige accessories complemented by a white orchid corsage.

Assisting at the reception held for 225 guests in the church fellowship hall were Mr. and Mrs. Marvin Vogel, uncle and aunt of the bride, as master and mistress of ceremonies; Misses Linda and Marlene Ames who were at the punch bowl; Misses Betty Ann and Barbara Bink, Mrs. Harvey Buter and Mrs. Ed Wiesses who were in the gift room and Peggy Baumann who passed the guest book. The Misses Ida Mae and Arvella Baumann poured.

The newlyweds left on a honeymoon to the southern states and for traveling the bride chose a bluish gray wool suit with black patent leather accessories and a white orchid.

After April 16 the couple will be at home at 1168 Apple Ave., Muskegon. The bride attended the Muskegon School of Business and is now employed as educational secretary at the school. The groom is a mechanic at the Pine Street Gulf Service Station.

The bride was honored at showers given at the home of Mr. and Mrs. Marvin Vogel in Zeeland, Mr. and Mrs. Henry Baumann in Holland and Mr. and Mrs. Jack Wolffis in Muskegon. The bride also was honored at a shower given at the Muskegon School of Business and at a dinner at Bill Stearns in Muskegon.

Couple Wed in Evening Ceremony

Mr. and Mrs. Howard W. Boeve

A double ring ceremony united in marriage Miss Mary Ann Raterink, daughter of Mr. and Mrs. Ben Raterink, 59 Lee St., Zeeland, and Howard Wayne Boeve, son of Wallace Boeve, route 5, Holland in First Christian Reformed Church of Zeeland on March 14.

The Rev. Harry G. Arnold performed the 8 o'clock ceremony before a setting of ferns, arch candelabra flanked on either side by seven branch candelabra and bouquets of white gladioli and pom-pom mums. White satin bows decorated the pews.

Wayne Boeve sang "Because" and "The Lord's Prayer" and was accompanied by the organist, Mary Waldyke.

Escorted to the altar by her father, the bride wore a floor length gown of tissue taffeta featuring a fitted bodice with semi-scoop neckline edged in Alencon lace. Her bell-shaped skirt fell to a triangular train topped by a tiny tailored bow. A petal cap of Alencon lace held her elbow length veil of imported illusion. She carried a cascade arrangement of white feathered carnations.

Maid of honor, Joan Van Hoven, and bridesmaid, Joyce Weener, were identically attired in street length dresses of aqua silk organza over taffeta with matching headpieces. They carried cascades of white and yellow feathered carnations.

The groom selected Wayne Boeve as best man and Floyd Raterink as groomsman. Gerald Raterink and Ken Lugten seated the guests.

Mr. and Mrs. Gordon Raterink were master and mistress of ceremonies at a reception for 90 guests in the church basement. Pouring punch were Mr. and Mrs. Alvin Sterken, while Mrs. Bernard Raterink, Mrs. Gerald Raterink and Harriet Raterink presided in the gift room. Jeanne Boeve passed the guest book. Mrs. Owen Baas and Wayne Boeve sang a duet, "Hold Thou My Hand."

For a wedding trip to Mammoth Cave the new Mrs. Boeve changed to a light blue two piece sheath with black accessories. Both the bride and groom are Holland Christian High School graduates. The couple reside at 123½ East Main St., Zeeland.

Spring Luncheon, Fashion Show Set By All Saints'

SAUGATUCK — A highlight of the spring social season in Saugatuck is the annual spring luncheon and fashion show to be presented by All Saints' Guild of All Saints' Episcopal Church in the parish hall on May 9.

Because of the size of the parish hall, only 100 reservations are accepted. Even before the tickets were printed, reservations were made with 89 places spoken for to date.

At a meeting of the Guild on Wednesday, Mrs. Margaret Schumacher, president, announced the appointment of committees. Mrs. Ross Phelps and Mrs. E. H. Zinke will be in charge of tickets; Mrs. E. Jean Simonson and Mrs. Lynn McCray, tables; Mrs. Sidney Johnson and Mrs. Gorrell Cook, decorations; Mrs. Leslie Stokes and Mrs. A. C. Frank, luncheon arrangements; Mrs. Verne Hohl, publicity and narration.

Mrs. Marian Bale of the London Shop and Mrs. William Gorz of the Village Fair will be in charge of the models and fashions; accessories, bags and jewelry will be from Americana. Mrs. John Kettiewell will act as hostess.

Individual table favors are being made by the Guild. At the next meeting of the Guild on April 17 final details will be completed. Corporate communion will be held at 11:30 a.m. followed by lunch and the meeting.

Park Township Buys Property

Purchase of some 32,000 square feet of property adjacent to the Park Township No. 1 fire station on Ottawa Beach Rd. was given final approval by the township board at its regular meeting Thursday night.

The purchase had been approved by township electors at the annual meeting March 30. The property which cost \$2,250 will be used for future expansion and parking area.

The board decided again to request Holland city to install fire hydrants at all intersections along the pipeline in Park township. Township leaders said these hydrants had been promised by city representatives when they negotiated with the township some years ago for easements across the airport. Locations where hydrants are specifically instructed are at Lake Shore Dr., 168th Ave., 160th Ave., 132nd Ave. and 144th Ave. Firemen of both departments appeared to request adjustments in their pay schedule. Supervisor Herman Windemuller appointed a committee of three board members to study requests and make recommendations.

The board approved blacktopping Quincy St. from Butternut Dr. to 14th Ave. and Oakwood Ave. from Post to Forest Hills subdivision at an estimated cost of \$17,000.

Township Clerk Drew Miles reported receipt of \$2,800 from Holland township for its annual subsidy of \$1,200 for airport operations plus the full three-year payment toward the cost of drain work on the airport. Holland city had informed the township board the matter of its assessment will be considered in the annual budget.

Oaths of office were administered to all incoming officers including the new trustee, Robert G. Hall.

Driver Issued Ticket

Timothy S. DeRidder, 17, of 11357 Greenly St., was issued a ticket by Holland police Thursday for not driving an assured cleared distance, after colliding with a car driven by Robert L. Mrs. Jane Lampen entertained 24 members of the American Legion Auxiliary at her home on South State St. on Monday evening, April 1, as the usual meeting place of the unit in the City Hall was used for the spring election. President, Mrs. Robert Verplank, presided.

Mrs. Edwin Schuitema gave a report on her attendance at the Department of Michigan board meeting held in the Caberfae Lodge in Cadillac on March 22 and 23. Mrs. Schuitema is a member of the administrative advisory committee. She stated that nurses scholarships offered by the department will include Practical Nursing as well as Registered Nursing courses.

Schuitema also attended the board meeting. He is secretary of the Hospital Board of the American Legion Hospital at Battle Creek.

Mrs. Justin Elhart reported that the two winners in the recent unit-sponsored Essay Contest will give their essays at the next meeting of the unit.

Mrs. G. J. Van Hoven of the program committee read "Reminiscence on Spring" and tips on "Flower Arrangements."

The meetings also included a surprise shower for president Mrs. Verplank.

Mrs. John Beyer and Mrs. J. N. Clark assisted Mrs. Lampen as hostesses at the lunch served at the close of the meeting.

The next meeting of the unit will be held April 15 in the City Hall.

Road Widened North of City

The \$100,000 project of widening the streets and adding curb and gutter began last week north of Holland. When completed July 1, North River Ave will be five lanes from the city limits to Lakewood Blvd., and four lanes from Lakewood Blvd. to Butternut Dr.

Power lines were moved Thursday and Friday to make way for the widened road, Ronald Bakker, project engineer of the Ottawa County Road Commission, said. Friday, in addition, the trunks of trees which had been cut last fall, were pulled up and moved.

The widened concrete street will include curb and gutter on both sides of the road.

One lane of the road under construction will be open at all times, Bakker said. All present lanes will be open during Memorial Day and Tulip Time Festival.

The road is being built by the Neil & Al Kalkman Construction Co. located on US-31.

Star Chapter Holds Meeting

Star of Bethlehem Chapter's regular meeting was held Thursday evening with the Worthy Matron, Mrs. Robert Turschman presiding.

Ottawa County Deputy Dies in Grand Haven

GRAND HAVEN—Marvin Nelson, 65, of 702 Franklin St., deputy sheriff for Ottawa County for the past six years, died about 8 a.m. Sunday at the home of his son, George, 345 Leggett St., following a year's illness.

He was a former captain on the Racine, Wis., and Muskegon tug, and a mate on the tug Haines sailing out of Grand Haven. From 1950-57 he was a government inspector in Milwaukee with the engineering department, and for the last six years he was a member of the water patrol for the sheriff's department, covering Spring Lake, Grand Haven and Pottawatomie Bayou.

Besides his wife, Esther, he is survived by two sons, George and Richard of Grand Haven; two brothers, George and Dewey, both of Algoma, Wis., and five grandchildren.

Fashions for fun time were modeled by Horizon and Horizonette girls and several adult advisers Thursday afternoon in the Civic Center as they "Followed the Yellow Brick Road" into the land of style-conscious girls and their mothers.

Theme for the show was delightfully carried out in the colorful stage decorations of the Tin Woodman, the Cowardly Lion and the Scarecrow. Vicky Lewis, who played the organ for the fashion show, also played the well-remembered music from "The Wizard of Oz."

Mary Emma Young, who was general chairman for the event, did the narration for the gay, fun time clothes. A variety of informal clothes from the opening swim suits and beach clothes to party clothes was paraded down "the yellow brick road" of the ramp.

All the outfits, or most of them, were washable. Cottons, cotton-dacron and arnels were materials used. Solid colors ranging from pastels to the bright/bright colors and dashing prints were used. Casual knits and dressy knits were also among the clothes shown. Accessories of jewelry, bags and gloves added to the complete picture.

As all fashions shows eventually end up with sleepy time wear, the girls selected comfortable and easy-care ensembles. Pajamas and robes of cottons ranged from pink and blue checked shorties to the Chinese influenced ensembles.

Most appealing to the many mothers and girls watching the parade was the reasonable price tag on clothes and accessories. Many of the mothers, who were guests of their daughters at the affair, wore corsages for the occasion.

Following the fashion show punch and cookies were served by Camp Fire Board members from attractively decorated tables.

The attractive stage setting used by the girls will be used again today in the Civic Center for the 4-H style revue to be held tonight at

Barbara Faber Becomes Bride of R.J. Essenburg

Miss Barbara Jo Faber, daughter of Mr. and Mrs. Leon Faber of 1947 104th Ave., Zeeland, became the bride of Robert J. Essenburg, son of Mr. and Mrs. Jack Essenburg, 637 West 20th St. Friday evening with the Rev. John Van Harn officiating.

Scene of the double ring rites was Bethel Reformed Church which for the occasion was decorated with Oregon ferns and spiral and kissing candelabra enhanced by yellow and white altar bouquets.

Ken Louis, organist, played appropriate wedding music and also accompanied Don Lucas when he sang "I Love You Truly," "Because" and "The Lord's Prayer."

For her maid of honor the bride chose Miss Pat Jones and as bridesmaids Mrs. Tom Hamlin, sister of the groom, and Miss Connie Dunnevin, cousin of the bride. Attending as bestman was the groom's brother, Roger Essenburg, and as groomsmen, Dale Faber, brother of the bride, and Dave Rhoda, brother-in-law of the groom.

Seating the guests were Ron Andringa of Blanchard, cousin of the groom, and Dan Dunnevin of Muskegon, cousin of the bride.

The bride, escorted to the altar by her father, was attired in a formal gown of chantilly lace and nylon tulle over satin. The fitted bodice of lace featured a sheer yoke with V lace effect and mandarin collar and long sleeves which tapered to points over the wrists. Lace applique on tulle fashioned the full overskirt forming a deep V back drifting into a formal circular train. The bouffant veil of silk illusion was elbow-length and fell from a crown trimmed in sequins and seed pearls. She carried a cascade arrangement of feathered carnations centered by a phalaenopsis orchid.

Former Holland Man Dies in New Buffalo

Two Grand Haven Men Injured in Collision

GRAND HAVEN — Duane Cornish, 20, and the Rev. Fred W. Prinzing, 30, both of Grand Haven, received minor injuries Saturday when their cars collided at 6:45 p.m. at the intersection of 104th Ave. and Osborn St. in Robinson Township, Ottawa County Sheriff's deputies reported.

Cornish sought his own treatment for head lacerations and bruises, while the Rev. Prinzing was treated at Municipal Hospital for bruises on the right arm, and released.

Third Church Missionary Group Hears John Hood

The Missionary Group of the Guild for Christian Service of Third Reformed Church held its April meeting on Wednesday. Mrs. Marius Mulder presided. She paid tribute to Helene Pegrim, a faithful member, who died recently.

John Hood from the Western Theological Seminary spoke on his short term missionary work in Japan.

Hostesses were Mrs. G. Vander Borgh and Mrs. J. Wesselink.

The street-length gowns of the bridal attendants were fashioned of yellow silk organza with fitted bodices, scoop necklines and elbow length sleeves. The bell-shaped skirts were trimmed with tiny bows. They wore matching headpieces with circular nose veils and carried colonial bouquets of white carnations and light green bows.

Minutiae bride and groom were Lynn Essenburg, sister of the groom, and Randy Essenburg, nephew of the groom. Lynn was dressed similarly to the bride and carried a miniature bouquet fashioned like that of the bride.

For her daughter's wedding Mrs. Faber chose a light green dress with green and white accessories while the mother of the groom selected a green dress with white accessories. Each wore a corsage of white carnations and yellow sweetheart roses.

A reception for 125 guests was held in the church parlors and assisting in the gift room were Mr. and Mrs. John J. Huyser and Mr. and Mrs. John Bruuserna. Pouring punch were Miss Barbara Dyk and Bob Tubergen and presiding at the guest book was Miss Martha Hubbard. Serving as master and mistress of ceremonies were Mr. and Mrs. Henry Buter.

For a southern wedding trip the new Mrs. Essenburg changed to a mint green light wool suit with white accessories and the orchid corsage from her bridal bouquet. A graduate of Zeeland High School, the bride attended Western Michigan University at Kalamazoo and is now employed as secretary at Conrads. The groom, a Holland High School graduate, is employed by Automatic Poultry Feeders, Zeeland.

The couple will be at home after April 12 at 75 East Lakewood Blvd., Holland.

Members of the Christ Memorial Guild for Christian Service are making arrangements for the social hour. All church representatives are urged to attend.

Charge Driver In Fatal Crash

GRAND HAVEN — John D. Hunt, 21, of 214 Maple St., Zeeland, was arraigned Saturday afternoon before Justice Lawrence De Witt on a charge of negligent homicide arising from a fatal accident earlier in the day which claimed the life of Barbara Chase Guilford, 18, Zeeland.

No plea was taken and arrangements were made for Hunt to consult an attorney. It was expected a date for examination would be set soon. Hunt was remanded to the county jail unable to provide \$1,000 bond.

Hunt was charged by the Ottawa county sheriff's department which has been investigating the crash which claimed one life and sent four others to hospitals. It occurred at 1:47 a.m. Saturday at the junction of Lakewood Blvd. and Lake Shore Dr. Hunt's car failed to stop for a stop sign and crashed into the masonry entrance of the former Getz Farm.

He was initially held for investigation of felonious driving. Charcoal is wood heated to a high temperature in an airtight container.

Girls' League Stages Annual Spring Banquet

The menu and decorations carried out the theme, "World Missions" at the annual spring banquet of the Girls' League of the Holland Classis, Reformed Church in America, Monday evening in First Reformed Church.

New officers were installed by Mrs. Henry Ten Clay, Classis Youth Counselor. They are Miss Karen Swets of Maplewood, president; Miss Jane Kouw of First Reformed, vice president; Miss Karen Groen of Sixth church, secretary; Miss Darlene Kobes of Fourth church, treasurer; Miss Maria Matchinsky of Central Park, publicity.

Highlight of the program was an address by Mrs. J. Robert Swart, missionary to the Sudan in Africa, who told of the life of a young girl of the Murle tribe in Africa. She spoke of difficulties of missionaries and their experiences in working with the people there.

Special music was a solo, "On a Rugged Hill" sung by Miss Barbara Cauwe of Maplewood church. Miss Linda Cox of Sixth church read scripture and Miss Groen offered prayer.

Miss Gayle Harrington, president, was mistress of ceremonies. Miss Jeannie Bruins served as pianist and Miss Beverly Kiekintveld was song leader. The speaker was introduced by Mrs. Ed Tanis, a guest at the meeting. Mrs. Charles Vander Beek is Synodical Youth Counselor.

Retiring officers are Miss Harrington, president; Miss Joyce Meyerling, treasurer and Miss Groen, publicity chairman.

Foundation Seeks Ways to Attract Donors

Methods of publicizing the Greater Holland Community Foundation with a view to attract donors were discussed at a meeting of foundation trustees Monday night in the court room of City Hall. Municipal Judge Cornelius vander sided.

Meulen, foundation president, presented suggestions included joint luncheon with local bar association members, joint meeting with leading industrialists, and promotion in newspapers.

It was agreed that the group needs to do some constructive thinking on a project which fills a community need and for which appropriate personnel could be obtained to insure goals most helpful to this community. It was pointed out that most national industrialists or industrial foundations are interested in specific types of projects, providing the capital expenditures rather than operating expenses in the belief that operating expenses should be raised in each community.

The next meeting will be held May 8 in City Hall.

Attending Monday's meeting were Charles McCormick, Ab Martin, W. A. Butler, Marvin C. Lindeman, Judge vander Meulen, George Heeringa, Clarence Klaasen, Peter Kronmeyer, Mrs. Charles K. Van Duren, Russell Welch and Lawrence A. Wade.

Surviving are two sons, H. C. Stennett of Camarillo, Calif., and Lee Stennett of Casco township, six grandchildren and nine great grandchildren.

Two Accidents In North Ottawa

COOPERSVILLE — Two accidents occurred in northern Ottawa county Thursday, both of them investigated by state police.

At 1:30 p.m., a car traveling east on I-96 driven by Carroll Sexton, 66, Grand Rapids, collided with an Ottawa County Road Commission truck near 16th Ave. as the truck was in the process of making a U-turn.

The truck driver, William Bowman, 28, Coopersville, told officers he had been working on the road with the tractor and had raised dust which obscured his vision. Sexton told officers he was traveling about 50 miles an hour when the truck turned into his path. No tickets were issued.

At 8:45 p.m., a car driven by Douglas Lemmen, 15, Coopersville, went out of control on State Rd. as the driver attempted a left turn onto Walnut Rd., resulting in the car turning over. Lemmen who was not injured was cited for driving with no operator's license.

Holland Area Hairdressers, Unit 45, held their monthly business meeting Monday night at the Eten House. There were 18 members present.

Final plans were made for the luncheon hair style show to be held at the American Legion Clubhouse on May 6 at 1 p.m.

Election of officers will be held at the final dinner meeting at El Forno on May 27.

Citizen's Criticism of Schools Regarded as Indictment

The Board of Education appeared ready for adjournment at 9:25 p.m. Monday when President Bernard Arendshorst asked whether visitors (about a dozen in addition to the press) had any comment.

Arthur H. Seddon, an active member of the Committee on Educational Assistance, rose and distributed copies of a letter he had addressed to the school board and elaborated on his eight-point message.

The board listened, asked questions and engaged in a lively discussion which extended the meeting almost an hour.

Seddon, who agreed there is no easy solution to educational problems in Holland (most of them financial), felt the board must practice extreme patience and diligence in pursuing an expanded educational program, and there should be no hesitation in presenting and re-presenting special millage issues.

In his accompanying remarks, Seddon questioned the leadership of the board, its responsibility and its stability. He said a "wage freeze" is not stable and the board cannot solve a basic problem with such a superficial condition, adding that salary progression is an essential part of the incentive for superior performance and every effort must be made to encourage the development of teachers as the most effective way of increasing the educational value of the school program.

Seddon advocated reinstating gym, art, and music in the elementary program, the additional costs to be spread throughout the total educational system by increasing the pupil-teacher ratio. He also advocated another election for three mills for one year while another study is made into long-range needs, as well as pursuing legislative action to relieve the financial pinch.

Member Albert Schaafsma, board treasurer and head of the finance committee, asked how this was to be accomplished and Seddon reiterated increasing the teacher-pupil ratio, having larger classes and fewer teachers.

Schaafsma then asked what would be done with teachers who would be left out and Seddon "presumed it would be all right to fire them."

Wendell Miles asked if Seddon were present at the May 27 meeting when 700 gathered in protest to "firing a few teachers" and

Seddon said he was not present but was well aware of the meeting.

Schaafsma said Seddon's statements were an indictment of the board and objected to criticism of lack of communication with the teachers. Schaafsma said teachers and board members had met and talked on a very friendly basis and questions had been answered orally at least three times.

Miles pointed to all the citizen activity over the years, the big committees back in 1954-55 working with 28 school districts, all the sub-committee work from 1955 to 1957, the changes associated with Sputnik, the work on annexation, and defied any citizen to rival the many meetings mornings and evenings of school board members—a situation in which one's avocation becomes one's vocation. "This is not exercising leadership?"

Miles who earlier had announced he would not seek reelection this year after 11 years on the board, said he would look forward to "joining the chorus" of critics in riding the board. But he regarded increasing the pupil-teacher ratio as an abominable solution, stating some classes already were overloaded.

Schaafsma said about the only area the local board had not probed was state legislative measures and with 75 per cent of school boards in financial trouble in Michigan he figured it was only a matter of time changes would be made — possibly changes not fully appreciated by many people.

He added that voting down school millage is about the only area that citizens can say "no" and the public can say it with eloquence.

Reference also was made to long-range planning, a point well defended by several board members, and one always in mind although it tends to become obscure in the minds of the public when the board deals with full scale current affairs.

Schaafsma regretted this type of criticism (although always welcoming constructive suggestions) in that public indictments dramatized in the press and has a tendency to leave the board on trial.

Submarines did an estimated 75 per cent of all damage inflicted on ships during the Second World War.
