Alderman's Son Breaks Leg

Little Herbert Dyke, son of Contractor and Mrs. Frank Dyke, residing at 78 West Fifteenth street, fell from the front porch steps Sunday afternoon and fractured his leg above the knee. Dr. C. J. Fisher is attending him.

CLAIM HOLLAND TO BE WET ANYWAY.

No doubt this evening at a meeting of the Common Council this body will order that a recount take place on the liquor ballot. There is said to be discrepancies in three wards, namely; the first, fourth and fifth. In the first ward it is said that two ballots contained the word "Yes" instead of a cross and that one ballot contained a "v" instead of an "x" in the square in front of "For Saloons". This shows clearly the intent of the voter and will without doubt be counted. It is alleged that there are two or three ballots missing in the fifth ward, but what truth there is in these statements will no doubt be brought out when the recount takes place.

The "wets" are summing up where they could have strengthened themselves and won out. They contend as well as a good many "drys" do today that Holland after all, is wet instead of dry. It goes without saying that had there been no constitutional amendments, instead of five the "wets" strength would have gained a great many votes. The facts came out after election, and the results on the constitutional amendments show plainly that most of the small ballots were voted "no" simply because the voter had no time to go into the details of the ballot, and rather than vote for a change on which he was uncertain, or taking a chance of voting on some expenditure of money, he voted "no" on every one of them and in a great many instances the Liquor and the cemetery ballots were included in these, and naturally received a negative vote.

The "wets" also claim that they lost at least half a hundred votes through the fact that one of the local factories was taking inventory, and that most of the men were gone out of the city on a vacation. They say that this factory has always been the wettest in Holland and that at least fifty men can be picked who were not able to vote owing to their absence from town.

Be that as it may, the votes have been cast and unless there is a material change in the recount, this city will be dry, as heretofore. The citizens on the "wet" side of the question should abide gracefully by the result.

BELL TAKEN OUT OF RUINS

The big bell of the First Reformed church of Grand Haven was taken from the ruins yesterday and placed in the yard of Rev. J. Harmeling. It was blackened by the fire and a trifle out of shape, but may be used again when the church is rebuilt.

Van Ark Furniture store will keep open house Tuesday, April 15 and their entire force will devote all their time from 3:30 p. m. until closing time to show callers through the mammoth stocks. No goods will be sold during that time.

SUPREME COURT RENDERS DECISION IN FAMOUS CASE

In the \$10,000 libel suit of Judge Edward P. Kirby against former Judge Charles E. Soule the Supreme Court has granted mandamus by which Judge Cross of the circuit court is directed to quash the capias under which Judge Soule was arrested and to discharge him from bail. It is understood that the Supreme Court's action while favorable to Judge Soule, does not terminate the case but simply means that the affidavit made by Judge Kirby was not sufficient to justify the action of Judge Cross in issuing the capias under which Judge Soule was arrested and required to give bond. C. C. Coburn appeared in the Supreme Court for Judge Soule and Judge Kirby was represented by Walter I. Little of Grand Haven and Messrs. Diekema, Kollen & Ten Cate of Holland.

BUILD \$60,000 ASYLUM

Institution at Cutlerville To Be Enlarged This Year

The board of the Christian Insane asylum has decided to build a new \$60,000 building at Cutlerville, which will probably be put up this summer.

The new building will accommodate 80 patients. In the main body of the building there will be a lecture room, a dining room and various halls. One of the wings will be occupied exclusively by women. At present the asylum will accommodate only 22 patients.

B. Stevensma was elected a member of the board as a substitute for D. Lan.

Plans are being completed for a parsonage for the Second Reformed church at Zeeland by Architects Benjamin & Son of Grand Rapids. The chairman of the building committee is H. DeKruit of Zeeland, and the plans as drawn call for a model parsonage. The building is 37x37 and besides a very large living room and dining room with nicely arranged center hall, there is also a first story. The second story has five bed rooms and bath. The first story will be finished entirely in plain oak and the upper story in white enamel and birch mahogany doors. The heating will be by vapor steam and plumbing will be a direct pressure job with septic tank.

FLOOD MADE HIM A WRECK

Joseph Zwemer of Saugatuck has just received word from his brother Lane of Dayton, Ohio. He writes that the Newspaper reports of the troubles are not exaggerated. He was imprisoned on a housetop four days and nights without food, and although he was a strong man he is now almost a nervous wreck. The militia is in charge of things and plenty of food is coming in, and as the work of rescue proceeds the news of horrors increases.

HOLLANDERS REFUSE TO NAME CHURCH "SHAMROCK," AFTER STREET; IT'S IRISH

The new English speaking Christian Reformed church on Grandville avenue Grand Rapids has purchased grounds for a church building on Shamrock street. Operations will soon begin.

The new congregation is waiting for funds that have been pledged by the Franklin Street and Grandville Avenue congregations. The decision of the members of that congregation to call the "Bethel Christian Reformed church" does not meet with general approval.

According to usage, the name of the edifice would have been Shamrock Street. Christian Reformed church, but objections have been raised because this was an Irish name. Many Hollanders are indignant that this distinguishing between nationalities and similar tricks is too small for upright Americans. It is probable usage will over throw the decision of the new church as the local people are wont to call the churches according to the streets on which they are built. The Shamrock Street Christian Reformed church has decided to have but two services every Sunday, and not three, as is the case in most Dutch churches.

A Christian Endeavor convention of the Fourth District, including Kent, Ottawa, and Montcalm Counties, will be held in the Presbyterian church of Grand Haven, April 16 and 17. The following speakers will appear on the program. Rev. Edgar T. Farrill of Milwaukee, Wis., Rev. C. H. Hubbard, D. D. of Adrain; Miss May Phinney of Detroit. State Junior Superintendent, Rev. George Rea of Grand Rapids and Walter D. Howell the State Secretary of Christian Endeavor.

Miss Maybelle Mulder, daughter of Mr. and Mrs. J. B. Mulder has been taken to the U. B. A. hospital in Grand Rapids and she will be operated on for appendicitis tomorrow morning.

REMEMBERS TIME WHEN HOLLAND WAS PART OF A FOREST City's Oldest Resident Can Recall Hardships of the Early Pioneers

Detroit Free Press.—John Grootenhuus claims the distinction of being Holland's oldest resident. He was little more than an infant when he crossed the Atlantic ocean with his father, mother an elder brother, and he has lived here for 66 years. His parents came to America with Dr. A. C. Van Raalte's family and none can boast of such intimate knowledge with the grand old man who was the founder of the Dutch colonies of Michigan as Mr. Grootenhuus. His mother has been Mrs. Van Raalte's maid prior to her marriage in the Netherlands, and when the Van Raaltes sought freedom of thought and worship in the wilds of the young United States, Mrs. Van Raalte refused to attempt the pilgrimage unless her former maid might accompany her.

Mr. Grootenhuus has shared the hardships and freedom of the wild new country and has witnessed some marvelous changes. In pioneer days there were no horses nor cows, only an occasional yoke of oxen.

Now he can sit upon the porch of his home and watch the interurban cars roar along Eighth Street. In the early days the families often ate the last scrap of corn at the evening meal and the men were often forced to go out into the darkness and bitter cold of blizzard nights and tramp miles to borrow a pound of cereal or shoot game for the morning meal of the little ones. Wheat was unheard of and the corn striped of its hull by the use of lye, would have been unpalatable to any but starving people.

When the family arrived here Holland was a forest. Stumps were so numerous that there was no chance for shallow plowing and the planting of the first few years had to be done with an ax.

Mr. Grootenhuus's father divided his time between farming and surveying. He laid out a great portion of what is now the city of Holland. Although a painter by trade, there was no demand for that kind of work and he became a builder of log houses.

When the corner stone for Holland's new City Hall was laid two years ago John Grootenhuus was selected to the principal role of wielding the official trowel. And in this case his name was appropriate for the ceremony he performed, as Grootenhuus in the Netherlands means "big house," and this lent special significance for the big municipal building.

Henry Wichers, a son of Mr. William Wichers died Friday evening at his home in Zeeland at the age of 31 years. His death came very unexpectedly, although he had been in poor health for some time. He was a member of the Wm. Wichers & Sons Co., lumber dealers in Zeeland. Mr. Wichers had had charge of the blacksmithing and repair shop of the company until a few months ago when he met with an accident by which he lost the sight of one of his eyes. Weakened by this, he was taken sick. Two weeks ago he arrived home from Texas, where he had spent the winter in an effort to regain his health. But as his condition grew worse he was obliged to return home. He was one of the most prominent citizens of Zeeland. The deceased is survived by his wife and one son, his father and mother, four brothers and one sister. Funeral announcements will be announced later.

The funeral of Henry Wichers was held at Zeeland Tuesday. Services were held at 1:30 from the home on Lincoln street and at 2 o'clock from the First Reformed church. The employees of the Wichers & Sons Co. acted as pall bearers. The Rev. P. P. Cheff officiated at the home and church. Interment was at the Zeeland cemetery.

John De Groot is spending a few weeks in Milwaukee, demonstrating his automatic Spot and Stain Remover. He is doing his demonstrating work in the show windows of the stores.

Dick Roelofs of Drenthe is making an extended visit with his brother Bert Roelofs at Kalamazoo.

Corie Coburn of Grand Haven spent Sunday in the city with relatives.

Miss Jeanette Van Dyke is making an extended visit in Cleveland with friends.

The Ladies Aid society of the Second Reformed church will meet this afternoon April 10, at the home of Mrs. A. G. Van Hees in Central ave.

The last number of this season's entertainment course of the Ladies' Good Will society was given Wednesday evening at the Old Second Reformed church building when the Fraternity Glee club appeared.

Mr. and Mrs. J. Kult of Beaverdam have issued invitations to the marriage of their daughter, Marie, to Henry Van Dyke. The wedding will take place at their home on Wednesday morning, April 13.

A. K. Brown of Grand Rapids was in the city on business Tuesday.

Martin Eding is making an extended visit with relatives in Hamilton.

A meeting of the Ladies Good Will Society will be held at the home of Mrs. W. F. Laepple on Lincoln St. Tomorrow afternoon, April 11.

For upholstering, cushion work, general repairing and paperhanging, call G. Buis, 139 E. 14th St. Phone 2267.

DU MEZ BROS. BEGAN BUSINESS FIFTEEN YEARS AGO.

Started On a Small Scale But Since Then Have Developed Large Trade.

The Du Mez Bros. celebrated on Monday, Tuesday and Wednesday, April 14, 15 and 16, the fifteenth anniversary of starting in business in Holland. They bought the business which was then conducted by M. Nottier in what is now the east half of The Lokker-Rutgers Co. Store—a wall dividing the two stores having since been removed. On the 14th of April 1898, during the Spanish-American war, the new firm first opened their doors for business.

From the first day their efforts were crowned with success, to such an extent that the following year being crowded for room, they bought the building they occupied and built an addition to the rear, in order to handle their rapidly growing business.

Being still pressed for more room galleries were constructed in the rear of the store, all of which proved to be only temporary accommodations, for the steady and continual growth of business demanded more room and with the main floor and basement overcrowded with merchandise it soon became evident that larger quarters were absolutely necessary.

The work on the new Ted & Ed building is progressing rapidly. The walls of the side are going up rapidly. They expect to complete the building about July 1.

The Citizens party carried Zeeland in the election Monday. All of the candidates for city offices on the Citizens ticket were elected except one. Johannes Mulder, on the Progressive ticket was elected by a majority of 21 over Milan Huyser on the Citizens ticket. Mr. Mulder was the only Progressive elected. The republicans had no ticket. The following is the result of the election.

Mayor—James Cook; Alderman—Gerrit Veneklasen; Alderman—D. F. Boonstra; Alderman—Henry Bouwens. Supervisor—Cornelius Roosenraad; Treasurer—Johannes Mulder; Attorney J. N. Clark was elected as Justice of the Peace to fill vacancy; constables—Wm. Hieftje, John L. Huyser and Johannes Elenbaas. The vote on Woman Suffrage resulted as follows—Yes, 60; No, 296.

Gelmer Van Noord died last evening at his home in Zeeland at the age of 75 years. The deceased was a retired farmer coming to Zeeland from Vriesland about 6 years ago. He was a pioneer of this section, having lived in Ottawa county over 44 years. He was well known and highly respected in Zeeland. He is survived by his wife, who is 60 years of age, ten children, one brother and two sisters. Funeral services will be held this afternoon at one o'clock from the home on Central avenue and at 1:30 from the First Christian Reformed church of Zeeland.

The South Ottawa Teachers' association will hold their next regular meeting in the Zeeland High school assembly room on Saturday, April 12 commencing at 1:30 o'clock. The program to be rendered is as follows:—Music.....Grade Children Announcements.....Commissioner The Kindergarten.....Adeline Beelby Teaching Reading.....Elsie Johnson Declaration.....Dora Van Loo Teacher in School.....Christ Van Liere Teacher out of School—J. E. Roman Music.....Grade Children

A pretty wedding took place Thursday afternoon at the home of Bernia A. D. De Pree near Zeeland, when his sister was married to Benjamin J. Poest. The ceremony was performed in the presence of many relatives and friends by the Rev. P. P. Cheff. The young couple will make their home on a farm at East Holland.

DRENTHÉ

A large number of the teachers from the southern part of Ottawa county gathered in the auditorium in Drenthe Tuesday to listen to an address by Henry R. Pattengil of Lansing. Many people from Drenthe and vicinity were also present and Mr. Pattengil spoke to a large audience. The auditorium is in the building formerly occupied by the Drenthe Canning Company, and there is plenty of room for a good sized crowd.

Mr. Pattengil spoke on the subject "The New Era." He talked about new methods in education, and the new viewpoint that many have.

Last week a similar meeting was held for the teachers of the northern part of the county in Nunica when Dr. Henderson and Prof. French made the addresses. These meetings were arranged for by County School Commissioner Stanton of this city.

GRAND HAVEN WORKERS MAKE GREWSOME DISCOVERY

While digging the trenches for the new water mains in Central Park Thursday, the diggers unearthed several grewsome mementos of the past.

During the winter of 1902, ground was secured and plans were immediately made to begin building in the early spring. In the fall of the same year the spacious building was completed and the stock transferred, ready for business on the morning of Oct. 13th.

The big store is located at 31-33 E 8th street is a substantial three story

brick structure with ornamental stone front and equipped with the latest type of electrical passenger elevator, connecting all three floors and basement. The first floor is reserved for underwear, hosiery, notions, patterns, dress goods, domestics and all piece goods and a grocery department in the rear; second floor, cloaks, suits, skirts, etc. display-

Under one of the walks running thru the parks, the workmen came across a portion of a casket which had long been resting there. The casket was not disturbed any more than possible and the workmen tried not to disturb the resting place of one who had passed into the long rest many years ago.

In another portion of the park an other casket was found. A portion of the handles were also intact, and appeared not to have suffered greatly from the years underground. The bottom of the long box was also in fairly good shape but there was no trace of human bones to be found in this casket. It is believed that the remains were moved many years ago after being transferred to another casket.

Portions of human skeletons have been found under the surface of Central Park, however and there has always been a desire to disturb them as little as possible in order not to desecrate the last resting place. Not so many years ago Central Park was Grand Haven's only cemetery and many of Grand Haven's pioneers were buried there. When the plat was abandoned and designated as a park, as many of the bodies as could be found were moved to Lake Forest. But recent discoveries indicate that a number are still resting there.

HUNTERS' LICENSES BILL NOW GOES TO SENATE

Lansing, Mich.—The house Thursday passed the hunters' license bill and it is now up to the senate for concurrence in the amendments. The bill is not changed in its material features, but amendments attached by the house which exempt from license those who hunt in their home counties, will materially cut down the revenues of the game warden's department. Another amendment was the elimination of rabbits from the list of game and protected animals. The taking of black wolf and gray squirrels was prohibited until 1915, adding a year to the period. On grouse, quail and wild turkey the prohibition period was extended from 1915 to 1917.

SPRING SEMESTER TO BE FILLED WITH MANY ORATORICAL CONTESTS.

Hope college will face a busy period of work during the spring semester which opened last Monday. Tomorrow the annual triangular debate contest with Alma and Olivet colleges will be held. Hope's affirmative team meets Olivet here, Hope's negative team goes to Alma and Alma's negative team goes to Olivet.

The first oratorical contest for the year is scheduled for May 2, when the third triennial contest for the Dr. J. Ackerman Cole's oratory prize will be held in Winants chapel. The prize is a \$150 bust of George Washington. Among the students who will compete are Clarence Dame of Chicago, Gerrit De Motts of Brandon Wis. and Lambertus. Hekhuis of Overisel all members of the senior class. The contest will be in charge of a student committee of which Richard Vandenberg of Grand Rapids is president.

The A. A. Raven oratorical contest is scheduled for May 29. This contest will determine Hope's candidate in the state oratorical contest next March. Besides this the contest carries a prize of \$50, divided \$30 and \$20 to the winners. Among the students already entered in this contest are Harry Hoffa, John Tillemann, Ed. Koeppe and John J. De Boer.

ed in the latest type of glass covered revolving display cases and all ready to wear goods an up to date carpet department with fitting rooms and in the rear of this is located one of the best appointed millinery departments in this section of the country. Third floor—carpets, rugs, linoleums, lace curtains, beds, mattresses, springs, etc., Trunks, Suit Cases, Travelling Bags are also found on this floor besides a section reserved for duplicate stock. The basement is used for receiving freight, duplicate stock and storing purposes.

The business from a small and insignificant beginning employing only five clerks has grown to one of the largest of its kind in this city and vicinity; where thirty-five find employment.

The firm for years past has had for its slogan "What we say we do, we do do," and their constant aim in conducting their business has been along lines of fairness, strict business integrity and straightforwardness of purpose. A reputation such as this, is not made in a day—nor in a month—nor in a year—but in a succession of years—and after it is once attained it must be maintained by constant untiring effort. Such an enviable reputation has this store gained by strict adherence to this fundamental principle of business, first laid down at the beginning of their business fifteen years ago.

HATTIE SOVA IS RELEASED BUT LOUIS HAYDEN IS BOUND OVER TO CIRCUIT COURT

The examination of Miss Hattie Sovia charged with adultery was brought up Thursday afternoon before Miles in the city hall. Prosecuting Attorney Louis Osterhaus appeared for the people and the defendant was represented by Att. D. Ten Cate of the firm of Diekema, Kollen & Ten Cate. On motion of Mr. Ten Cate the case was dismissed, the people being unable to hold the respondent under the complaint made. Mrs. L. Hayden made the complaint. The case of Louis Hayden charged with adultery on complaint of Mrs. Hayden was immediately brought up but he did not far as well as the other respondent and the court proceeded with the examination. On testimony of Officers Wagner and O'Connor he was bound over to circuit court for trial. He was defended by Att. C. Vander Meulen.

NEW HOLLAND COMPANY FILES TRUST MORTGAGE

The Dearborn Engraving company has filed a trust mortgage with City Clerk Overweg for \$35,000. Arend Visser and George E. Kollen are named as trustees.

The plant was recently secured through the efforts of the bonus committee. The building and machinery are valued at \$45,000.

HOLLAND POSTOFFICE DOUBLES ITS RECEIPTS

According to the official report of Postmaster G. Van Schelven the total receipts at the Holland postoffice for the last year aggregate \$37,210, showing an increase of \$2,223 over the receipts of a year ago.

Compared with ten years ago the receipts have more than doubled, the figures for 1903 being \$16,100. The receipts from parcel post during the first three months this year were \$958.31.

Ten Children Were Christened By The Rev. Mr. Whitman

The families of Mr. and Mrs. A. Vanden Berg, Mr. and Mrs. J. Ten Brink and Mr. and Mrs. C. Van Duren held a reunion Sunday at the home of Mr. and Mrs. Van Duren, 198 W. Thirteenth street. At the reunion ten children of the three families were christened by the Rev. Mr. Whitman. There were four Van Duren children, three Vanden Berg children and four Ten Brink children.

Refreshments were served and a very good time was enjoyed by all talking over old times.

PLAN MEANS OPENING UP OF A NEW SUMMER RESORT TERRITORY.

Holland Interurban to Give a Through Service With Ninety-Minute Schedule

What will result in the opening up of a new summer resort territory and the popularizing of the beautiful Saugatuck watering point is the undertaking started this week by the Holland Interurban, which will rebuild its Saugatuck line along the Lake Michigan front.

Heretofore there has been a Saugatuck junction point some distance out of Macatawa where persons destined for the former resort were forced to change cars. The service has never been especially satisfactory, the shortest schedule being two hours from Grand Rapids, when connections were prompt.

The project will mean the building of a new road, the old line being

RELIEF ORGANIZATION OF TRINITY CHURCH TO MAKE MEMBERSHIP CAMPAIGN

The Relief society of Trinity church has hit upon a very good plan to bring the present membership of forty up to one hundred. The present members have been divided into two armies, a blue and a red. A. Van Ry has been appointed general of the Reds and P. Koopman is commander of the Blues; and both sides are now actively engaged in a struggle for supremacy. On the 15th of April the turn will be called on the warring factions and whichever side turns in the smallest number of new members will be required to give a banquet to the winning side. A great deal of interest is manifested by all in the outcome.

This road will be ten miles long. General Manager Charles A. Floyd of the Interurban road states that it will be ready for operation June 15. The change will necessitate rearrangement of the schedule. It is estimated that limited cars from the city can reach Saugatuck with 90 minutes. The road will be single track, over a private right of way.

The Maple Grove Parents-Teachers club met Wednesday afternoon April 9, at the school. The club secured Probate Judge Edward P. Kirby of Grand Haven who spoke on the subject of juvenile courts. Judge Kirby is much in demand as a speaker through this and neighboring counties, and his experience as a juvenile judge has given him valuable information on this subject that will be well worth hearing.

At a meeting of the Board of Directors of the First State Bank of Holland held Friday afternoon Dr. Henry Kremers was elected as vice president. Dr. Kremers has been a member of the board of directors of the bank ever since its organization in 1889. The doctor succeeds Dr. J. W. Beardslee, who on account of his advanced age felt that he should drop all outside duties and devote his time and strength to his duties in connection with the Seminary.

CHARLES HOWARD MILLS WILL SPEAK HERE TO NIGHT

This evening at 7:30 in the High school assembly room an illustrated lecture will be given by Chas. Howard Mills, Supervisor of Municipal Recreation of the City of Grand Rapids. Mr. Mills is known as an authority in this line, and his talk will be very interesting to the people of Holland in view of the interest there is at present in the playground movement here. He comes to Holland under the auspices of the Federation of Parents-Teachers' clubs, but everyone who is interested is cordially invited to attend this meeting. It is free and a large audience is desired.

Comparatively few persons are able to actually see all the wonderful work being accomplished by the Department of Recreation. It is possible, however, to hear about it and see pictures of it. Mr. Mills has a splendid set of new lantern slides showing all phases of the Grand Rapids plan, which he has kindly offered to exhibit and explain outside of business hours, to any club or organization interested.

ONLY ONE OF CANDIDATES ON CITIZENS' TICKET WINS AND THAT BY TWO VOTES.

In Holland township Monday the entire Republican ticket was elected with the exception of the office of supervisor which was landed by John S. Brouwer, the candidate on the Citizens' ticket. Mr. Brouwer succeeds John Y. Huijenga who has held the office for many years. Brouwer won over J. Van Dyke, the Citizens' nominee by the small margin of two votes.

A. Vander Haar is township clerk; Jacob M. Witteveen, treasurer; G. J. Nykerk, highway commissioner; G. J. Duer, justice of the peace and John G. Witteveen, member of the board of review.

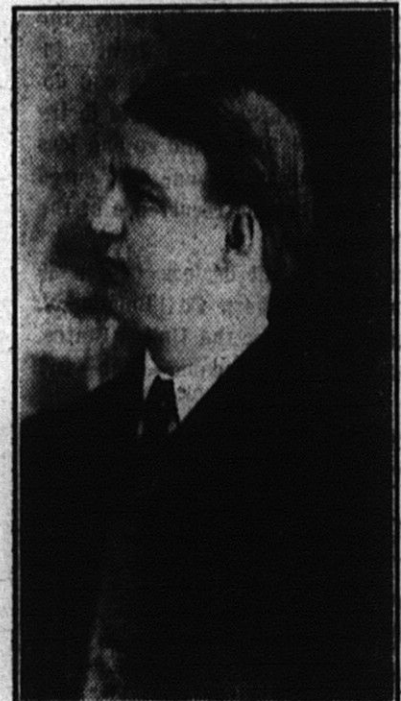

Holland township gave 72 votes for women suffrage and 385 against.

Mr. Brouwer, one of the strongest republicans in the township, landed his office on the Citizens' ticket. Although the majority was small it was a big victory in view of the fact that the Republican ticket has been in the lead in the township for years.

All who knew Mr. Brouwer are sure, however, that the taxpayers have a man to deal with who wishes to give a square deal to everybody. As secretary and treasurer of the Farmers' Mutual Insurance company he has made a host of friends by his frank and open way of dealing with everyone.

RICHARD OVERWEG POLLS MORE VOTES THAN ANY OF THE OTHER CANDIDATES

The biggest vote cast yesterday for any city official here was that for city clerk Overweg. The total vote cast for Overweg was 1229, more than twice as many as were cast for his two opponents combined. VanKolken the Progressive candidate polled a

vote of 304; and De Witt the socialist polled a vote of 245.

This is how the wards voted on city clerk:

	1st	2nd	3rd	4th	5th
Van Kolken	81	18	57	52	36
Overweg	245	90	254	260	380

The People of Holland Turned Down the Bonding Issue By a Vote of 1439 to 646.

By a vote of 1439 to 646 the people of Holland Monday turned down the proposition of the fair association, asking that Holland pay \$10,000.00 for the old fair grounds. The margin against the proposition was 793. There was not a single ward in the city that voted in favor of the proposition.

This result was not a surprise. Those who had kept in touch with the situation were reasonably sure that this issue would be voted down and that it would be voted down so decisively that there would be no question about it.

The big argument that was constantly being urged against the proposition was that it was paying too much money for a 33 acre piece of ground. On the other hand it was urged by those who defended it, that the city would in this way acquire an athletic park on the new fair grounds.

Now that the proposition has been voted down the question is, will there be a fair next September? The buildings are in bad shape and it is possible that Holland may lose its fair. Another question is, will Zealand get the fair away from this city? That town is anxious to welcome the institution, and it is said that they offer great inducements.

Following is how the wards voted on this proposition:

	1st	2nd	3rd	4th	5th

RELATIVE OF A. VAN PUTTEN WRITES INTERESTING LETTER.

Says Conditions in Hamilton Were As Bad As in Dayton Ohio.

Mr. and Mrs. A. Van Putten have received a letter from their sister Mary in Hamilton, Ohio, telling them of the flood conditions there. The letter follows:

Hamilton, Ohio,

April 3, 1913

Dear Sister and Brother:—

Your Easter letter came at hand the 2nd after a week's delay the first mail we have received since the flood.

I have seen now what I have often read of. I presume you must have read about the terrible times here, although Columbus and Dayton were talked of more in the papers, and received more attention. But the conditions here are terrible—so many homeless and orphans, and all swept away in such a short time.

The morning after the Tuesday, we saw the river was rising. When Carrol left home in the morning little did he think he would not see any of us again until Thursday afternoon, and he looked as if he had been thru a fit of sickness. The street he was on was one of the worst, and the block below their place of business have two houses left—the tannery's front is all torn off and the office fixtures and safe they found two blocks away. He was in that building with 30 or more people, children who ran in on their way home. He saw houses torn loose with three and four families in, and what they could not see they heard at night, when it was an inky darkness, crying for help. People were drowned not ten feet away from the houses. They have found three hundred horses they are burning their carcasses, but most of them were swept away, some caught in trees and some were found in the houses that did not drift away, in fact most of them.

I really believe it's a judgment on Hamilton, because they had no respect for anything; I mean the most people, and the just suffer with the unjust. It takes a whole lot sometimes to make people understand that God rules this world. The saloons and lots of other hell holes never cared for laws. There was always a rotten set of officials, and they did not care, but they are humbled. The saloons are closed where other times they were open Sundays and all.

Have the Holland people made any contributions, in the churches? If they have not, agitate that question, and don't forget to send it to Hamilton; hundreds of people that have lost their homes and the poor people are being fed; they are in the churches and school houses and will soon have to find a place. Mamie was in Lindenwald where she teaches and it did not get near her. We live on a hill and the street below us was one big river. The sights we saw. We are just getting so we have our senses a little bit. Well, dear brother and sister, we have reason for thankfulness; for three days I did not know if Mamie and Corlie were dead or alive so you may know I worried. I must close now, and you speak to some of the ministers and I will find out where to send relief; there has been so much suffering and maybe they have done their share, but just think of having your city torn up from one end to the other, pavements ripped right out and they had such pretty streets. It is terrible. It is surprising how the people go to work and clean up—shoveled mud out of the houses two feet deep.

Good Bye,

Sister Mary.

HIGH SCHOOL COMMENCES PRACTICE TODAY; HERBERT INGHAM CAPTAIN.

At a meeting of the baseball players of the High school Tuesday noon Coach R. L. Robinson, who made such a good showing with the basketball team, signified his intention of coaching the baseball team, and the first practice will be held Tuesday on the 19th street grounds. Herbert Ingham was elected captain for the coming season to take the place of Cornie Dronkers who has left school. About fifty are expected to try out for the team and a good deal of competition is expected for each position. All but two of the last year's team will be back in the game. Although the fence has been torn down around the 19th St. grounds, these grounds will no doubt be used for all the High school games played in the city. Saturday a practice game will be played with Hope College on these grounds. The first scheduled game is with Grand Haven the 19th of this month.

PROFESSOR TAFT AT YALE

William Howard Taft is "back home" at Yale, whose sheltering arms he left in 1878 to follow a distinguished and honorable career in the great world, with its climax in the greatest office in the gift of his fellow citizens.

He has returned to his alma mater to contribute to the intellectual equipment of the young men who are going out into that great world to practice the noble profession of which he has been a conspicuous ornament.

Naturally, his return was the occasion of a great demonstration by the undergraduates. Replying to this demonstration, Mr. Taft delivered a short happy speech, of which the following was the keynote:

Men of Yale, as I hear your cheers and songs I feel young again—as if I have shed some of my years. I come here wanting to help what little I can the young men who are going out into the nation. I want to help preserve that part of the nation that is worth preserving, and without which the nation cannot exist. If I can do this I shall thank God for the opportunity.

It was well said. The highest function of any man is to "help the young men who are going out into the nation," and it is a magnificent work, well address himself, his ability and his experience.

There can be no progression where the channel you are sailing in is filled with the eddies and whirlpools of envy and resentment. There is no investment that pays a bigger dividend than to display a liberal spirit toward your competitor in business.

BYRAN INFLATED WITH SUCCESS.

George P. Hummer of Holland, one time candidate for congress on the Democratic ticket, and always a Bryan enthusiast, went to Washington to intercede with the new secretary of state concerning the proposed change in the sugar tariff. Monday he met Mr. Bryan and the result was a flat turn down for the Ottawa county man by the Peerless leader. Since Mr. Bryan's star first arose on the horizon George P. Hummer has been one of his champions and staunchest supporters and Monday's turn down came hard on the Holland man. We think no less of Geo. Hummer for it and as for Bryan he is just as we thought he would be—inflated with success.

The Progressive party now looks like the Retrogressive party.

If the Republican party was dead, as the Progressives declare, what has happened to the Bull Moosers?

The women have now been in politics long enough to learn that all men don't vote as they cheer.

The party that does things resumed the habit in Michigan this week.

Fifty years ago Charles Summer declared that schoolmasters and good roads were the greatest known forces for the advancement of civilization. It is a satisfaction to know that the schoolmaster has arrived and that the good roads are coming.

Two hundred Montegrin bomb throwers deliberately sacrificed their lives to make an opening for a successful assault on a Turkish fort at Soutari. The great powers should be cautious about trying to take a victory away from such a nation, no matter how small.

SOME PEACHES

Peaches as large as big apples are promised by fruit men as a result of a horticultural discovery that surpasses in importance, it is said, that of the Elberta peach, which swept into first importance a few years ago, on account of size and "keeping" quality. A new variety of peach which has the peachy flavor of the best small kind and durability in shipping even greater than the favorite of recent years, has been found by government experts averaging in weight a little over eight ounces with many specimens weighing 18 to 19 ounces—which is more than the weight of big apples like Rhode Island Greenings and half again as large as Elberta peaches. The experts in pomology have been experimenting in a thousand different ways to substitute for the Elberta a rich and juicy peachy peach that would be equally good commercially, but the new variety was not the result of wizardry or of accident. One tree, among hun-

dreeds planted by J. H. Hale, the "peach king" of Connecticut, proved to be a phenomenon, its fruit being freestone instead of clingstone as were those all around it. Several thousand trees of Mr. Hale's discovery have been in bearing for nine years, and he finally gave the variety his name. The reason given for the disappointment taste of the big peach of recent years and for its lack of flavor, is the fact that the fruit has been picked when it is still green. Only experts can tell when the peach is neither too green nor too ripe for picking, but it is said that the new variety can be picked at any time for a week or ten days before it is mellow enough for eating, yet has the rich yellow and carmine tints of ripe ness when hard enough to ship in barrels.

THE MARVELOUS AUTOMOBILE

Twenty years ago, at the great World's Fair in Chicago, the greatest exposition of human progress ever given, there were all kinds of vehicles of transportation in use at the time. And there wasn't a single automobile there. What is more, there wasn't a single practicable automobile in the world.

Today, according to estimates made by the official organ of the Automobile Club of America, there are over a million automobiles in actual service in the United States alone, and, according to other reliable estimates, there will be 300,000 automobiles manufactured in the United States during the year 1913.

That is, there is, roughly speaking one automobile to every hundred people in the country, and there will be manufactured in this country this year one automobile to about every 300 people.

There are, approximately, 300 concerns manufacturing automobiles and as many more making parts and accessories. The automobile is a familiar sight wherever a vehicle can travel, while in the cities motor cars are so common that horse drawn pleasure vehicles have almost been driven from the streets. Automobile trucks seem rapidly to be displacing horses for hauling.

The "horseless age" may be deemed to be fairly upon the threshold of its reign.

LINE OF MISHAPS CAUSE FIRE LOSS

Incidents in connection with the loss of the residence occupied by August Johannus 311 Second street, Grand Haven furnished what would have been a comedy of errors, had the results not been so disastrous. The blaze originated in the kitchen and was discovered by a neighbor who turned in the alarm.

The structure might have been saved had it not been for a whole string of mishaps, though no one was really to be blamed for them. When the fire bell rang the team was about four blocks away, and had to be hurried to the barn, and the hose cart attached before getting on its way to the scene.

At the corner of Third and Washington, Assistant Chief Smith miscalculated the speed of the team and in making the turn one of the big grays fell. Several minutes were lost in getting the animal onto its feet again.

When the firemen arrived the rear of the house was a mass of flames, and when the water was turned on the firemen lost control of the nozzle and more valuable time was lost.

The house was damaged to the extent of about \$500, fully covered by insurance.

ZEELAND MAY TAKE FAIR FROM HOLLAND

Bonding issue to Buy Grounds is Swamped and Directors Consider Moving

This city may not have a baseball park after all and Zeeland may secure the fair grounds owing to the defeat of the \$10,000 bonding issue to purchase the present fair grounds at Monday's election. The proposition to buy the grounds for cemetery purposes was lost by 793.

Because of the dilapidated conditions of the fair buildings it is very doubtful whether the annual fair will be held next September unless some methods for raising funds are devised. The directors of the association assert that the grounds must be moved to some more convenient location and say they will not rebuild the present structures, claiming it to be a waste of money.

Unless the citizens come to the rescue with the necessary funds for new grounds and buildings the possibility of moving the grounds to some distant location is not remote.

Zeeland's civic club is anxious to welcome the institution and it is said that inducements are being held out to bring it near its limits.

FREE DELIVERY EXPERIMENTS

As a result of an experiment by the postal officials with the free delivery service in places having second and third class postoffices, Fremont will have free delivery service. If the experiment warrants the extension to all towns in Michigan having second and third class offices, Cooperville will be one of the 300 other places affected.

REPUBLICANS UNOPPOSED FOR ROAD COMMISSIONER

The fact that no candidates opposed the Republican on the county ballot for the office of county road commissioner, took the interest out of that portion of the campaign somewhat at Monday's election and the choice of the Republican nominees was therefore assured weeks in advance. Very few members of other parties took the trouble to write in the names of candidates on the ballot and here was no attempt whatever made in the city to oppose the candidates.

Richard Dykema of Grand Haven, for two years; Austin Harrington of Holland for four years and Rokus Cook of Holland township for six years, is therefore the personal of the new county road commission, the first to be elected by the people, the old commissioners having been appointed by the board of supervisors.

The new road commission taken office May 1 and until then the present board will be in charge of the work which is now being done in work which is now in donepro aw 3 different points throughout the county. The county is bonded for \$600,000 for the immediate construction of the good roads and considerable work will be done during the present summer.

Richard Dykema the short term member of the board, is a member of the present commission as is Rokus Cook of Holland township who has been chosen for six years. Both have therefore had some experience in the duties of the commission work. Austin Harrington of this city who will serve four years is the new man on the board. He is one of the best known of Holland's business men and is at present president of the Holland board of trade. Mr. Harrington is a very able man and will make a valuable member on the commission.

He has been re-elected by his ward as alderman for two more years.

MORE THAN HE COULD GIVE HER

A young wife recently went into a butcher shop and addressed the butcher thus:

"I bought three or four hams here a month or so ago, and they were fine. Have you any more of them?"

"Yes, ma'am" replied the butcher. There are ten of those hams hanging up there now."

"Well, if you're sure they're off the same pig I'll take three of them," replied the young wife, meekly.

HAS APPEALED

The Holland City Gas company has appealed its case against the city of Holland to the United States supreme court, and it is expected that at least two years of litigation will ensue before a final decision is reached. When the case was before Judge Sessions of the district court the judge sent it back to the Ottawa circuit court. The gas company maintained that the suit should be heard in the highest court, and have consequently appealed.

BOARD OF SUPERVISORS IN OT TAWA HAS NOT CHANGED MUCH.

Twelve Are Republicans; Six Democrats and Three National Progressive.

With three precincts still to hear from there are but five new faces to be seen on the board of supervisors of Ottawa county this year, and the board will not change greatly in political complexion, there being 12 Republican, six Democratic and three National Progressive members according to the list now at hand and with Blendon, Jamestown and Zeeland townships still to hear from.

The five new members of the board are Louis W. Moore of Crocker, who succeeds Fred Gordon; John S. Brouwer of Holland township succeeding John Y. Hultzen; Elroy M. Reed of Polkton succeeding H. H. Averill; James Cook, mayor of Zeeland succeeding Isaac Van Dyke and Herman Van Tongeren of the first district of Holland succeeding Gerrit Kooyers.

The following is a list of the board as far as can be learned with three townships missing. The stars indicate the new members.

Get To The Cause

Holland People are Learning the Way.

There is but little peace or comfort for the man or woman with a bad back. The distress begins in early morning—keeps up throughout the day. It's hard to get out of bed, it's torture to stoop or straighten. Plasters and liniments may relieve, but cannot cure if the cause is inside—the kidneys. When suffering so, use Doan's Kidney Pills, the tested and proven kidney remedy, used in kidney troubles for over 50 years. Doan's Kidney Pills are recommended by thousands for just such cases. Proof of their effectiveness in the testimony of this Holland resident: Mrs. M. Van Oort, 28 W. Third St., Holland, Mich., says: Doan's Kidney Pills cured me of disorder kidneys and I do not hesitate to tell other kidney sufferers about them. Last summer I had severe pains across the small of my back which greatly inconvenienced me in stooping and doing my housework. Being told to try Doan's Kidney Pills. I did so and less than the contents of one box cured me. I have had no recurrence of the trouble.

For sale by all dealers. Price 50 cents, Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—doan—and take no other.

The animal was shipped today.

The joint classical committee of the classes of the Reformed church in Michigan met at the Y. M. C. A. in Grand Rapids to consider the interests of their missions in Michigan and hear the report of the classical missionary. This work is growing rapidly and opportunity for opening new fields is offering itself continually. The work is too much for one man and the committee recommended the appointment of Rev. J. Van Westenberg of Jamestown as a second missionary. Rev. A. Van Arendonk has served in this capacity nine years and was heartily recommended by the committee for continuance. Students from the seminary at Holland will help the missionaries during the summer months.

The Daughters of the American Revolution will meet this afternoon at 3 o'clock at the home of Mrs. A. G. Gowdy, 427 Central avenue

Owing to the press of work it was necessary for Mr. Holleman to resign as captain of the Hope College track team. Mr. John Van Strien was elected yesterday to succeed him.

Herman G. Vanden Brink who was elected Tuesday to succeed him, to thank all his friends and all who voted for him. Being unable to thank all personally he takes this method of extending his thanks and appreciation.

A STROKE OF LUCK.

A sick old farmer who had moved into a Michigan village had a never-do-well son who would not work but insisted on loafing around the village, and living on his father, meantime waiting for the happy moment when the father might die.

One morning the news came from the rich old farmer's house that he had a stroke of apoplexy and was dying. The good women of the village rushed over to see if they could do anything. They found the son sitting in a rocking-chair on the porch, frocking slowly and rubbing his hands.

"John," one lady said, "is this terrible news true? How is your father?"

"Well," replied John, continuing the rocking, "all I can say is that I expect to be a rich man in a few minutes."

Mr. M. Dekker and Mr. G. Wabeke, wife and child, from Zeeland Michigan will start today (Saturday) on voyage to the Netherlands and Paris Exhibition.

A son of Mr. G. Van Tubbergen residing about three miles south of this city, while looking for eggs in the barn, fell off a beam 12 feet high, on Sunday last and struck his head on the floor below, crushing in part of his skull.

On Tuesday last, Captain De Boe of this city lectured on Temperance before a large audience in the city of Grand Rapids, in the English language. We are informed that the Holland portion of the audience did not behave as well as might have been expected, and that his lecture in the Holland language, on the following evening, did not come off owing to lack of attendance. Capt. De Boe surely deserves a better treatment at the hands of his fellow countrymen.

Mr. S. Van Dresher has purchased the saw mill of E. D. Fellows, and has rented it to his son and Mr. F. Spage, at Ottawa Station. They commenced operations last week.

Last Saturday night a serious fire occurred in Graafschap by which three buildings belonging to H. Brunick, Geo. Rutgers and J. Fleman were burned; entailing a loss of some \$2500 and with no insurance. The fire started in some unaccountable way in the blacksmith shop of Jacob Fleman, Jr., who with his wife was in this city. The fire rapidly spread to the adjoining buildings, among which was a dwelling house occupied by Mr. and Mrs. Fleman who saved only what clothes they were wearing. The loss falls heavily on them.

J. Nies of Saugatuck has become the owner of the Notter Verschure block, on Eighth Street.

A package was deposited at the American Express Office in this city, Friday, with a label containing the following address:

To—Geo. K. Huribut, Taxidermist, Grand Rapids, Michigan.

From—Ottawa County Times, Steam Printing House, M. G. Manning, Prop., Holland Michigan.

The package looked rather suspicious but upon inquiry it was found to contain the remains of "Shoner", the one year old pup of John Benjamins.

THE LAUNCHING OF THE CITY OF HOLLAND

Monday witnessed the launching of the "City of Holland" at the Rogers and Bird Shipyard, Saugatuck. While the last wedges were being driven home, Rev. W. R. Sheaver of the Saugatuck Congregational Church, made an eloquent speech closing with fervent prayer in which he invoked the Divine blessing upon the enterprise. At four o'clock the "all ready" was sounded, the last blocking was knocked from in under her keel and the ship gracefully left her cradle moorings. As she gathered momentum, one grand cheer went up from the assembled thousands, the Holland Martial Band of forty pieces sounded its liveliest notes and Miss Myrtle, daughter of Ex-Mayor Beach of this city, broke the baptismal bottle over the bow.

CONSISTORY OF THIRD REFORMED CHURCH SHOWS APPRECIATION

Friday night in the parlors of the 3rd Reformed church a reception was given to the choir and all who helped during the past year, by the consistory members and their wives. About 75 were present and the evening was a most enjoyable one.

One of the features of the program was a poem read by Benj. Du Mez. This poem was entitled "John Vander Sluis," and it was exceedingly humorous, while at the same time there ran through it a note of appreciation of Mr. Vandersluis as choir leader. Mr. Vandersluis has been leader of the choir of this church for the past eighteen years.

The rooms were prettily decorated for the reception. All the speakers on the program alluded to the faithfulness of the choir, and the statement was made that former members of the Third Reformed church choir can now be found in all parts of the United States and in foreign countries, many of them conducting other choirs.

Following was the program: Prayer; opening remarks by Mr. Huyser; Song, All Hail the Power of Jesus' Name; Remarks by Mr. Vandersluis; Duet, Misses Kamferbeek and Reidsma; Reading, Miss Freeriks; Remarks by Dr. Blekkink. Piano Solo, Miss Vandersluis; Poem by Mr. B. Du Mez, "John Vandersluis;" Reading, Miss Staplecamp; remarks, Henry Geerlings; Solo, Miss De Feyter; Remarks Mr. Vandersluis.

The present choir is composed of the following members: Soprano, Henrietta Bloemdal, Cathryn De Vries, Mrs. C. Becker, Mrs. M. Kerckhoff, and Fanny Koning; Alto Gertrude Sprletsma, Irene Van Ark, Kate Ver Meulen, Jennie Steketee, Marguerite Meyer; Tenor C. De Koster Cor. Karsten; R. Van Lente, P. Notter J. Dykema; Bass, J. Prakken, Wm. Vander Hart P. Oosting F. De Vries J. Vandersluis.

HE RECEIVES \$2,939.00 FOR THE LOSS OF HIS EYE.

The jury in the case of George P. Hummer against the Midland Casualty Co., of Chicago, Ill. rendered a verdict Friday in favor of Mr. G. P. Hummer for \$2,939, being the total amount claimed by him under his accident policy for the loss of his right eye.

The case was tried before Judge Perkins of Grand Rapids and was a hard fought one. Judge McKinsey Cleland of Chicago and Cleland & Heald of Grand Rapids appeared for the defendant and Diekema, Kollen & Ten Cate represented Mr. Hummer. The trial lasted four days and many intricate questions of law were involved. The attorneys for the defendant claimed the company was not responsible for the results of medicines prescribed by Mr. Hummer's physician, which caused the loss of the eye and that notice was not given to the company within the time provided by the policy. Attorneys for the plaintiff claimed that the use of medicine prescribed by a physician, which produced the injury, was an accident within the meaning of the policy and that plaintiff was not required to give notice until he had become convinced of the total loss of sight in the eye. The judge held with the attorneys for plaintiff upon the questions of law and the jury found in his favor upon the facts.

H. Kramer Passes Away in His 73rd Year.

H. Kramer aged 73 died at his home 417 College Avenue. He is survived by a widow and five children who are as follows: Herman of Grand Rapids Elizabeth Mrs. Gowelink of this city and the Misses Rieka, Grace and Martha of this city. Mr. Kramer has made his home in this city with his family for the past six years having moved here from East Holland where he lived for 25 years. The funeral was held Monday from the home, the Rev. Mr. Tuuk officiating.

MR. AND MRS. G. T. HUIZINGA TO COMMEMORATE EVENT TODAY

Mr. and Mrs. G. T. Huizinga will today commemorate the 54th anniversary of their marriage, which was solemnized in 1859 in the first log church erected in the forests in Zeeland, by the Rev. Cornelius Vander Meulen, leader of the only colonization party which sailed from Europe as an organized congregation. Mr. and Mrs. Huizinga came to the Holland settlement in 1847 and located in this city thirty years ago.

Mr. Huizinga has been an officer of the Reformed church for 40 years and is today an elder in the First Reformed church of this city. He has served upon the different boards of Hope college and has represented his church at various meetings of the classis and synods in the Reformed denomination. Mr. and Mrs. Huizinga are respectively 75 and 74 years of age.

GRAHAM & MORTON STEAMER WILL LEAVE HOLLAND AT 8 O'CLOCK TONIGHT

The daily boat service between Holland and Chicago will begin today. From that time on a boat will leave Holland for Chicago every evening and another boat will leave Chicago for Holland every evening. The boat will leave Holland at 8 o'clock and Chicago at 7 o'clock.

The putting on of the daily service marks the beginning of the full navigation season. For several weeks now a tri-weekly service has been given by the Graham & Morton company. The passenger traffic has however not been very heavy so far. But now that milder weather is coming more people are taking advantage of the boat service and the daily trips will doubtless increase the traffic greatly.

ALDERMEN WILL CANVASS THE VOTE TO-NIGHT

This evening the present council will hold its last meeting before the change is made to the new council. At the meeting after the one of to-night the aldermen who go out of office will yield up their seats to the newly elected men. The old members will wind up their work and listen to the exaugural address of the mayor after which they will introduce their successors to their respective colleagues and show them which chairs they are to occupy.

The meeting this evening is for that purpose of canvassing the vote of last Monday. In the case of most of the vote this will be merely a formality; but the canvass this evening will probably be important because of the petition for a recount of the saloon vote that is expected.

The council may also take up such other business this evening as may come before them.

GAS COMPANY WANTS CITY RESTRAINED FROM PUTTING IT INTO EFFECT.

City Attorney Van Duren has received the formal notice that the Holland City Gas company has appealed the decision of Judge Sessions to the United States Supreme court. The important part of the notice is that the company has also asked Judge Sessions that the restraining order, restraining the city of Holland from enforcing the resolution made by the council last October, be kept in force until the supreme court shall have rendered its decision. When it is remembered that before this decision is handed down a long time may pass, it will be seen that it is very important whether this restraining order is made out or not.

Judge Sessions has set April 14 as the day when the hearing will be held in his court as to whether the restraining order will be granted or not. If it is the council will be unable to do anything in regard to the gas question for a long time to come.

The Gas company has filed the proposed bond to be given, and it has filed all the other necessary documents.

JOHN H. SCHOUTEN HAD A VERY CLOSE CALL SATURDAY NIGHT.

John H. Schouten can be very thankful that a man who struck at him Saturday night with a knife for defending two girls was not better skilled in the art of carving. Mr. Schouten might have been cut up very badly instead of having a ruined coat.

Saturday night four men followed two girls and insulted them. The girls took refuge in Schouten's drug store. The men remained outside and seemed content to wait until the girls should come out. Mr. Schouten went out and told the fellows to move along and quit bothering the girls and immediately one of them began slashing at him with a knife. Schouten ward off the blows as best he could and escaped with but a few cuts in his coat. His assailant got away with his friends, but today a warrant was issued for his arrest, charging him with assault and battery with intent to do serious harm.

The last number of the Ladies' Good Will society entertainment course, was given yesterday evening April 8, in the old Second Reformed church building on Centennial street. The Fraternity Glee club was booked for this number.

A lecture will be given to the public and particularly for the benefit of the school children in this city next Tuesday night, by H. R. Patengill, ex-superintendent of public instruction. Nelson R. Stanton, county commissioner, will also speak. The lecture will be given at the Drenthe canning factory.

PROF. JOHN E. KUIZENGA IS CHOSEN TO FILL THIS OFFICE.

Prof. John E. Kuizenga has been elected president of the Century club for next year. The club held its last meeting of the year at the home of Dr. and Mrs. M. Koly. Most of the program was devoted to the reading of an interesting letter from Mrs. George Browning entitled "Impressions of Italy." A program of music was also rendered.

The other officers elected are: vice president, Supt. E. E. Fell; Secretary and treasurer, Mrs. L. M. Thuber; members of the executive committee, Mrs. G. W. Van Verst and Dr. A. Leenhouts. The club will not hold a regular meeting again until next fall.

MASKED MAN KILLS ONE OF HIS PARTY IN IDAHO CAMP.

William E. Slater, formerly of Nunica, but now among the fortune hunters in the mining districts of Idaho, has written to friends telling of a thrilling experience which occurred in the camp. Mr. Slater is located at Felcon, Idaho. It is stated that while the party were in the camp on the night of March 18, a masked man entered armed with a rifle.

Before any of the members had time to appreciate the situation the outlaw picked out Charles Ward and sent a bullet in his body, killing him instantly. The members of the party were covered with the weapon as the masked man retraced his steps to the door and escaped. Mr. Slater says that one suspect has been taken into custody, but nothing definite has been learned of the identity of the bandit.

FRED SHAW, VICTIM OF INTERURBAN WRECK, SOON TO LEAVE HOSPITAL

Fred Shaw, the Holland interurban motorman who was injured in the Holland-Jenison car crash at Wyoming park on the night of January 10, is about ready to leave Butterworth hospital, where he has been a patient for three months. He is still quite weak and may be an invalid for life.

He lost his right foot in the wreck and his spine was severely injured, besides the left foot being badly mangled. He is able now to walk for a short distance on crutches. At the time of the accident he was not expected to live.

Shaw will be removed to his home in Holland, where he has a wife.

One man was killed and nine others injured in the wreck. Shaw was exonerated by a coroner's jury of any blame.

SENTIMENT FOR PUBLIC PLAYGROUNDS IS GROWING FAST

Charles Howard Mills Will Give a Lecture On It To-Night

The playgrounds movement is gaining ground fast and it is likely that some definite steps will be taken in this direction before very many more years pass. The public school authorities have had this movement in mind for a long time, but the people as a whole did not pay very much attention to it until this winter. The Parent's Teachers' club meetings have however been the means of centering the attention of the people of Holland on the necessity of adequate playgrounds throughout the city for the children.

The mothers particularly have become interested and through them the fathers have also become interested. The subject is often discussed at the meetings of the various clubs in the schools.

This evening all the parents in the city as well as all those who are interested in the youngsters will have an opportunity to hear an expert give some of his ideas on the playground movement. The very fact that the Federation of Parents' Teachers clubs is back of the meeting of this night practical assures C. H. Mills a good audience when he lectures on this subject in the High school assembly room. But everybody is invited to be present at this meeting and to become thoroughly informed on this subject. Mr. Mills as Supervisor of Municipal Recreation in the city of Grand Rapids has had much experience along this line and the fact that his lecture will be illustrated is an added drawing card.

As the city of Holland grows larger it will have to begin thinking of making plans for the future. The larger cities are all confronted with the problem of public playgrounds and this city will have to face the same problem soon.

INSPECTOR ELHART ADVISES HOUSEHOLDERS TO BEGIN NOW.

City Inspector Elhart is advising people to begin to think of cleanup day. It is still a little early for the real cleanup day, and it will be postponed until the time when the ashes can be carted away.

But there is much that the household can do even at this time. We can gradually be getting ready for the beautiful spring weather that is soon to be here.

The board of health is also getting ready for the spring season. Last night at a session of this body it was decided to increase the charge for cleaning the vaults in the city from fifty cents to seventy-five cents. It costs the board four dollars a day for men and team to do this work, and hence they were compelled to raise the price.

The board of health has decided to do the work systematically. The work will be begun at number one First street and so on throughout the entire city.

It Will Stick to you always, of course it will, because it's a **Rasol-Menthol Plaster** made to stick on until it drives out the pain of Neuralgia, Lumbago, Rheumatism, etc. Yard rolls \$1.00; regular size 25c. HOW ITALIANS CURE THEIR CORNS WITH LEMONS

Humanity has suffered with corns ever since shoes that pinch the feet have been worn, but there is no need of even those who will persist in wearing tight shoes having any more suffering due to this difficulty.

The Italian people have less corns than any other. The reason for this fact is simply because they resort to the most certain corn cure known in the world. When an Italian finds his corn is appearing he goes to the lemon for relief. A piece of the juicy lemon skin is tied on the toe completely covering the affected part, and allowed to remain there all night, when it is removed. The new corn will simply disappear, and the old offender will stop hurting, and in most instances dry up and disappear. In a few cases where the corn has been a bad one of long standing, it will require more than one application. The acid in the lemon reduces the inflammation and the tissues soon become normal.

The remedy is safe, cheap and effectual and should be tried by every one who knows what it is to suffer with a corn.

You will look a good while before you find a better medicine for coughs and colds than Chamberlain's Cough Remedy. It not only gives relief—it cures. Try it when you have a cough or cold, and you are certain to be pleased with the prompt cure which it will effect. For sale by all dealers.—Adv.

COMMON COUNCIL

(Official)

Holland, Mich., April 2, 1913.

The Common Council met in regular session and was called to order by the Mayor.

Present: Mayor Bosch, Alds. Lokker, Van Duzer, King, Drinkwater, Dyke, Harrington, Hansen, Brower, and Sterenberg and the Clerk.

The minutes of the last three meetings were read and approved.

Petitions and Accounts.

Mrs. Johanna Baas applied for permission to move a house from East 6th to the corner of River Avenue and Madison Place.

Referred to the Aldermen of the 2nd Ward, with power to act.

Gerrit Bronkhorst and others protested against the nuisance committed by the Donnelly-Kelley Glass Co., allowing dense black smoke to be emitted from their smokestack, and petition the Council to take the necessary steps to have the same abated.

Ald. King, moved that the petition be granted, and that the Donnelly-Kelley Co., be instructed to add at least ten (10) feet to their smokestack.

Ald. Harrington, moved as a substitute motion that the matter be referred to a Committee of three, to be appointed by the Mayor.

Said petition motion prevailed.

The Mayor appointed as such committee Aldermen Dyke, Drinkwater and Harrington.

Granted and sidewalks ordered constructed in said parts of said street, within 60 days from the date of service of notice of same.

The Business Mens Association requested the use of the Board Room in the City Hall, for the third Monday evening of each month, for their regular meetings.

Referred to the Committee on Public Buildings and Property.

Ald. King moved that the matter of permitting the Wod Workers, Carpenters, Bricklayers and Painters Union to use the Board Room in the City Hall be referred to the Committee on Public Buildings and Property.

Said motion did not prevail by yeas and nays as follows:

Yeas: Alds. Van Duzer, King, Drinkwater, Hansen, Dyke, Harrington, Brower, Sterenberg.

Nays: Alds. Lokker, Dyke, Harrington, Brower, Sterenberg.

EDWARD P

FIFTEENTH ANNIVERSARY SALE

Monday, Tues., and Wed., April 14, 15, 16

FIFTEEN years ago April 14th we first opened our doors at 41 East Eighth St., and began business in a small and insignificant way. Our efforts however, were crowned with success from the very beginning, and within a few years we were obliged by reason of our increasing business to seek larger quarters.

In 1902 we built, and moved our stock into the building we now occupy, and where we have had the privilege and pleasure of serving you since. We desire to thank our customers and friends on this occasion for the business they have given us, and for the many favors which they have extended to us, and it will be our endeavor in the future to merit a continuation of this confidence in us, which we realize is one of our most valuable assets.

Instead of the usual Souvenir, we are going to give every one (for three days only) a special

DISCOUNT OF 10 PER CENT

on everything in the store (except Groceries)

Our splendid stock of Dry Goods, Cloaks, Suits, Skirts, Waists, Millinery, Rugs, Lace Curtains, Bedding, Linoleums, etc. is now at its best, and we extend a cordial invitation to everyone to come and inspect our fine array of spring merchandise, and to receive the benefit of the

HE KNOWS ABOUT COUNTY HAS LIVED THERE 75 YEARS

Run First Saw Mill in Holland

SAUGATUCK, MICH. — Saugatuck has a real pioneer in Alvin H. Stillson, who has been a resident of Allegan county for 75 years. Mr. Stillson is 84 years old and he came to western Michigan when a mere lad of 9 years.

Mr. Stillson has a varied ancestry, his forefathers having emigrated to America from England, France, Holland and Wales. Two lines reach back to the Norman conquerors and others in direct line to the seventeenth century. One ancestor was killed in the French and Indian war, another was an officer in the colonial army and two others were in the war of the revolution. He is a veteran of the civil war and is one of the oldest sons of veterans in the United States.

Mr. Stillson is considered a walking encyclopedia of western Allegan county history. His earliest associates were Indian boys and he can converse in the Indian tongue as readily as any Ottawa or Potawatomi. In the early days he followed the changes common to a new country, engaging in lumber, bark, wood, milling, farming and shipbuilding. He operated the first sawmill in Holland and was a member of the first fire brigade in South Haven more than 60 years ago when that city consisted of a board shack about 10 feet square set in the woods.

DICTIONARY OF WORDS USED IN DRY GOODS BUSINESS

Falke—A soft, flat-ribbed silk.
Khaki—A Japanese silk of plain weave, not so fine a habutai.
Ladies' Cloth—A dress fabric of plain weave, similar to a flannel in construction, but with a high finished

surface, which gives the fabric a broad cloth effect.

Liberty—A light weight silk having a satin finish.

Louise—A silk fabric having an uneven surface, like that of an armor, but finer in effect.

Maline—A fine silk net of gauze like texture. Practically the same as tulle.

Marquise—A sheer, plain weave fabric of silk or cotton, having a mesh more open than that of voile.

Matelasse—Having a raised pattern as if quilted or wadded.

Melange—The French word for "mixture."

Melton—Stout, smooth, woolen cloth, similar to broadcloth, but heavier.

Mercerizing—A chemical process by which a silklike luster is imparted to cotton yarns and fabrics.

Messaline—A light weight satin of fine quality.

Mohair—The fine, silk hair of the Angora goat. A lustrous fabric, made of more open weave.

Moire—A watered design applied to silks by pressure between engraved rollers.

Mousseline de Soie—A sheer, soft fabric of silk, similar to chiffon, but of more open weave.

Ottoman—A silk of cotton weave having thick ribs at various intervals. Originally, the thick cord ran crosswise. When the cord runs lengthwise the fabric is known as an "Ottoman cord."

Ombre—Having graduated stripes in color which shade from light to dark, or vice versa.

Oxford—Originally a wool fabric in dark gray and white mixtures. Of late years, heavy cotton and linen fabrics have been known by this name.

Paillette—Round spot patterns on fabrics.

Panne—A light weight velvet with "laid" or flattened pile.

Pastel—Applied to tones of any

color when exceptionally pale.

Pastille—A round or oval spot.

Pean de Cygne—A closely woven silk having a lustrous, but uneven, surface.

Pekine, or Pekin Stripes—A color design in stripes of equal width and equal space between.

Percal—A plain weave cotton fabric of fine or medium count, used for shirts, dresses, linings, etc.

Pile Fabrics—Materials of silk or cotton wherein the surface is woven with raised loops, which are after wards cut, forming a raised "pile." They include plushes, velvets, velveteens and corduroys.

Pique—A cotton fabric having wide or fine welts. With wide welts it closely approximates a cotton Bedford cord. See "Welt."

Plisse—Pleated.

Plumetis—A sheer cotton fabric ornamented with turfts at intervals.

Pointille—Having a design in small dots.

Pompadour—Small floral designs.

Pongee—A light weight fabric made of the silk produced by wild silk worms that feed on oak leaves.

Poplin—A fabric having a silk warp and a wool weft, with a corded surface. Goods in which a similar effect is produced, but made in all silk, all wool or cotton are also called "poplins."

Ramie—A plant of Chinese and East Indian origin, from which a strong, lustrous fiber is obtained. Used to an increasing extent in the manufacture of dress goods, underwear, sail cloth, fishing line, etc.

Ratine—A wool material similar to a chinchilla but having smaller turfts with wider spacings between.

Raye—Striped.

Rep—A style of weaving in which the surface has a cross wise ribbed appearance, in distinction from "cords" which run lengthwise of the fabric.

Shantung—A heavy grade of pongee silk.

Siellienne—A mohair of heavy

weight.

Sponge Cloth—A fine cotton or wool fabric having a surface resembling that of a small sponge.

Surah—A light, soft, twilled silk.

Terry Cloth—A weave in looped effect. A velvet in which the loops have not been cut. Frequently applied to cotton fabrics on the order of agarie and sponge cloth.

Tulle—A plain, fine silk net. Practically the same as maline.

Tussah—The wild silk from which shantung and pongee are made. Applied to these fabrics when heavy and coarsely woven.

Venetian—A wool fabric, closely woven, in a fine twill.

Vigogue—The French form of the word "vicuna;" applied to a soft woolen dress material.

Vigoureaux—A worsted material printed in the warp so as to produce a melange, or mixture, effect in coloring.

Voile—A sheer, semi transparent, plain weave fabric of silk, wool or cotton—plain or ornamented with stripes or figures.

Warp Print—See "China."

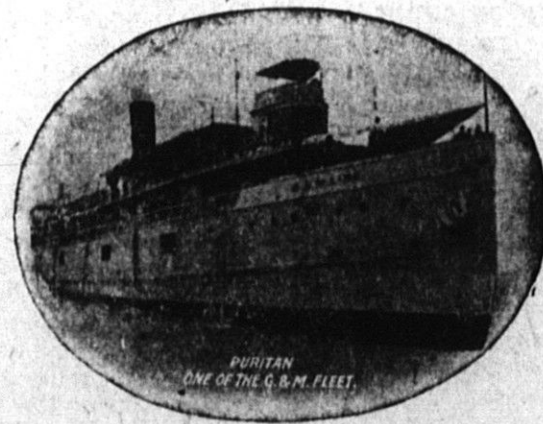

Welt—A fabric having thick, raised cords at close intervals, as in the case of Bedford cords and piques. In cotton goods, when the cords run lengthwise of the piece the fabric is known as a "warp welt." Sometimes called "wale."

Zibeline—A dress or cloaking material having a hairy surface—Dry Good Economist.
