AMERICAN LEGION BAND CONCERT IS LOOK- ED FORWARD TO

BOYS ARE WORKING DILIGENT-
LY TO MAKE IT A BIG
SUCCESS

The American Legion Band concert that is to come off next week Thursday night, April 21, is creating considerable interest in Holland and vicinity.

The Legionites with their new uniforms will be right on deck, and believe us they have several new selections stored away under their new caps, the result of six months' diligent practice.

Besides a long repertoire of peppy band selections, several extra numbers will be found on the program. Here are some of the specials: Cady's Violin, Harp and Marimbophone Trio; Thomas Carey, Banjo soloist; Willis Diekema, vocalist; Wm. Vander Hart, reader.

The concert will begin promptly at 8 o'clock and tickets can be secured at either the Rutgers' Clothing Co. or the P. S. Boter Co.

BORCULO MAN GETS DAMAGES ON CATTLE

CLAIMED THAT ANIMALS WERE
SOLD FREE FROM TUBER-
CULAR TROUBLE

Almond Brandt of Borculo was given a verdict of \$595.00 in Circuit court yesterday in a very interesting case.

Brandt had purchased from H. Ward Mills, living near Graafschap a farm and everything belonging thereto, including the cattle.

The cattle were supposed to be sound, but the state health department found that six of the cows were tubercular and ordered them killed.

The farm deal involved some \$13,000 and the deal was all right in every particular with the exception of the cattle, and for these six cows Brandt brought suit and secured the damages named.

Attorney Fred T. Miles appeared for Mr. Brandt, and Attorneys Robinson and Den Herder handled the case for Mr. Mills.

MRS. KOLLEN NOT THE ONLY PERSON TO GIVE PARK TO CITY

HER GIVING BRINGS OUT REM-
INISCENT STORIES OF
OF YEARS AGO

Dr. Van Raalte Donated Nearly Ev-
ery Park Holland Now
Has

A most liberal gift contributed by Mrs. George E. Kollen recently in memory of her husband, brings several reminiscent stories of what the founders of Holland gave to start Holland off with the splendid park system that it has today.

Dr. A. C. Van Raalte gave to Holland Lincoln Park on Columbia avenue, and also the park directly west of the present gas plant. He also set aside what is now the baseball park, as a fish market.

Dr. Van Raalte coming from the old country where fishing was a great industry, considered that the waters in the vicinity of the Holland colony would also furnish its herring and sea bass, and this being the case, a market place must be selected, where the fish could be publicly sold to the citizens of the town.

Holland too must have a general market place. For that reason what is now Centennial park, was donated by the founder and called Market Square. The streets running by these places were also named after these parks.

For instance Central avenue was called Market street, and retained that name until about 25 years ago. Fish street was known by that name years after the fish market had become obsolete. The fact really is that the market never was.

Market Square or Public Square, as it was called by many, was changed to Centennial Park in 1876, when the great national centennial was celebrated in this country with a world's fair in the city of Philadelphia. The change in name was made with due ceremonies in the park.

Dr. Van Raalte also donated the ground for our first public school. The site is where the Junior High now stands.

He also donated 1/4 acre to each of the following churches: First Reformed church (now 9th street Christian Reformed church), Hope church, and Third Reformed church.

A part of Hope College campus was also donated for educational purposes by the great founder of Holland. No doubt that in money value all the donations made at that time would not total \$10,000, based on real estate value of that time. However if this property was to be converted into cash today the legacy left by the late Dr. Van Raalte would run well up into six figures.

CLUB TO SEND DELEGATES TO STATE CONVENTION

At the regular meeting of the Lincoln School P.T. club Wednesday evening, seven delegates were chosen to attend the state convention to be held in Grand Rapids the latter part of May. The seven are: Prof. Egbert Winter, Henry Vande Water, George Woldring, Miss Brown, Principal, Mrs. Frank Harris Mrs. A. Bosman, and Miss Evelyn Keppel. The club also decided that the May meeting shall be in the form of an auction sale of baked goods and fancy articles.

The program Wednesday night consisted of community singing; vocal solo by Miss Martha Barkema; a talk on nutrition by Miss Francis of Battle Creek Sanitarium the talk being accompanied by an exhibit of milk fed rats; solo by T. Parker; an address by Rev. G. B. Fleming.

TURN YOUR CLOCK AHEAD ONE HOUR SATURDAY NIGHT

ALL CHURCHES TO START
SERVICES SUNDAY WITH THE
NEW TIME

Holland together with the majority of the cities of Western Michigan changes time Sunday, April 17, in order to get the extra hour of daylight after working hours in the evening.

It is advisable to turn the clock an hour ahead just before you go to bed on Saturday night, then follow the clock and you won't know the difference the next morning.

All the churches in the city have decided to hold services according to the new time, and if every one in the city conforms to the new resolution recently passed by the common council there'll be no confusion on this matter.

Remember, set your clock an hour ahead on Saturday night.

HOLLAND HAS ADDED MANY NEW CITIZENS THRU NATURALIZATION

SEVENTEEN FROM THIS CITY
GET THEIR CITIZENSHIP
PAPERS

Most of Those Applying Came From
the Netherlands to
Holland

Holland has added sixteen new American citizens to its population. Most of them were born in the Netherlands, but came to Holland and Michigan to make their homes. These men all appeared at the court house at Grand Haven, were questioned before Judge Cross, kissed the flag and promised to be true Americans ever afterward.

It was naturalization day in the Ottawa county circuit court. A class of thirty-five was summoned to appear for examination and of this number 26 were put through the ordeal safely. To this number was added one soldier Peter Hardenberg of Zeeland, who served in the U. S. army during the world war, in spite of the fact that he was a citizen of the Netherlands.

The usual questions testing the knowledge of the applicants as to the United States government and their understanding of the responsibilities of citizenship were put to the applicants. Much stress was also laid up on the belief of the applicants in organized government.

In contrast to the soldier, who served the Stars and Stripes despite a fact that he was a subject of a foreign monarch, were two applicants who applied for naturalization. These two men like the soldier were citizens of the Netherlands when the war broke out. They claimed exemption from military duty on the grounds of their citizenship of a foreign country. When they asked for "admittance to citizenship" Judge Cross had something for them.

"Any man who seeks to avoid serving the United States in time of dire stress and need," said the judge in substance, "should not be permitted to be a citizen." The petitions are dismissed.

The court room was filled with applicants and their witnesses during the entire forenoon and part of the afternoon, but the entire class was disposed of. Several applicants were found unprepared and their hearings were adjourned until a later term and the applicants told to post themselves better upon the things necessary for them to know. Absence of witnesses and various minor difficulties kept others from getting their final papers.

The new citizens made are: Albert Bushman, Coopersville, Germany; Fred B. Fink, Grand Haven, Germany; Robert Brown, Nunica, Germany; Albert Van Dyke, Holland, Netherlands; Thomas Roberts, Grand Haven, England; Peter Jacobusse, Holland, Netherlands; Peter Michelsen, Holland, Netherlands; John De Voy, Holland, Ireland; Peter Rosendahl, Holland, Netherlands; Adrian Van Iwaarden, Holland, Netherlands; Egge Kamphuis, Holland, Netherlands; Klaas Cook, Holland, Netherlands; Peter F. Pfandstiel, Holland, Netherlands; Edward Hofmeyer, Holland, Netherlands; Isbrand Vos, Holland, Netherlands; John M. Seelman, Conklin, Germany; Ernest Bolton, Spring Lake, England; Nicholas Mergener, Spring Lake, Germany; Simon DeVries, of Ferrysburg, Netherlands; John B. H. Van Lierop, Holland, Netherlands; Adrian De Groot Holland, Netherlands; Govert Van Arkel Grand Haven, Netherlands; Peter DeHammer, Holland, Netherlands; Jacob Hovinga, Holland, Netherlands; Henry Meurer, Holland, Netherlands; Jan Van Dyke, Holland, Netherlands.

Mrs. G. Diekema and Mrs. Frances Browning were Grand Rapids visitors yesterday.

NEXT YEAR IS THE YEAR WE CELE- BRATE IN HOLLAND

IN 1922 THIS CITY WILL BE
SEVENTY-FIVE YEARS
OLD

Local Citizens Should Begin to Pre-
pare For This Big
Event

Citizens generally are not aware that Holland will be seventy-five years old in August 1922, and that nothing but the biggest celebration possible will do if we intend to keep abreast with past achievements.

Holland's Semi-Centennial was celebrated on August 25 and 26, 1897, and the writer well remembers that it took the greater part of a year to make preliminary and final preparations for this biggest event of all days in Holland.

When Holland was only 25 years old a celebration of some magnitude was staged but the semi-centennial that took place nearly 25 years ago was by all odds the most magnificent event of this kind that was ever launched in this city.

The Holland City News of that date devoted four pages of solid matter and cuts to the event.

The story was written by Gerrit Van Schelven, at that time connected with the News. Mr. Van Schelven had the subject well in hand for the reason that most of the arrangements were centered around him, he being well acquainted with historical events, and consequently knew how to do just the appropriate thing to make the event a success.

Staging a celebration of this kind cannot be compared with the putting on of a 4th of July celebration or kindred jubilee events.

Things of historical nature must be presented, men and women who helped make Holland's history must be secured, and the portrayal of events in the way of floats and a parade appropriate for just this occasion must be studied out.

Mr. G. Van Schelven will tell you that the staging of such a celebration is a tremendous job, which involves a great deal of time, labor and patience, and we are simply bringing this matter up at this time, for the reason that some concerted effort must be started in order to make this event even greater than the Semi-Centennial of 1897.

In a future article we will give some of the details of what happened at that celebration.

We will mention the names of the committee, what the parade consisted of, who the prominent speakers were, and what the different events that transpired during those two days were.

A year rolls around quickly and Holland cannot afford to let this epoch in its life's history pass by unnoticed.

HOLLEMAN-DEWEERD CO. BANQUET THEIR MEN

At least 25 employees in the different departments of the Holleman-DeWeerd Auto company of Holland, Zeeland and Byron Center sat down to sumptuous six course dinner at Hoffman's Cafeteria.

The proprietors of the company were all present and were the hosts on this occasion. A prominent speaker in the person of Joseph F. Lyon of Detroit came especially to Holland to lecture on Ford efficiency.

It is said the Detroit man had his subject well in hand, and is a whirlwind speaker.

MUSKEGON CITY ENGINEER

Everybody in Holland knows John B. Fik. In earlier days he did considerable contract work for Holland, in the way of sewer building and other public construction.

Fik came to Holland a few days ago all lit up, with a grey hat, grey suit and everything to match.

It is said that John has been appointed city engineer of Muskegon by the administration, and that is some job. Muskegon contemplates doing considerable public construction work during the coming year.

CHORAL SOCIETY TO RENDER CANTATA

The Choral Society of the Central Avenue Christian Reformed church will render a sacred cantata, "Zion," by J. S. Fearn, this evening in that church. The meeting will begin at 7:45. The public is cordially invited.

This Choral Society has a membership of 67. The singers were trained by Wm. Brouwer, and the preparations for this evening's cantata have been in progress most of the winter. Miss Dora Wentzel will be the accompanist, while the chorus will be under the direction of Mr. Brouwer.

Miss Gertrude Kramer was a Grand Rapids visitor yesterday.

HOLLAND IS TO HAVE ANOTHER DRIVE SOON

Holland and Ottawa county are to have another drive for funds. The purpose of this drive generally is to raise money in every county in Michigan in order that the work of the Salvation Army in this state may be sustained.

This organization has filled a unique position in uplift work in this country as well as in other countries.

The noble band has brought the gospel in places reached by no other religious organization. Thousands of these kindly-faced, patient, hooded Salvation Army lassies, reach out daily and give a helping hand to a fallen sister or brother who has strayed from the straight and narrow path.

It might be said that the Salvation Army fills a most trying position of sifting the scum of humanity and gleaming therefrom a fair proportion of good from a great deal of bad.

Anyway this organization is to start a drive in Ottawa county beginning May 7 and lasting to and including May 15.

Ottawa county's quota is \$4,000 and no doubt Holland will come in for its proportion of this quota.

At a meeting held in the city hall Tuesday night a large number of Holland folks interested were present. Benj. Du Mez who attended the convention of County Advisory Boards of the Salvation Army gave a very detailed report of the fine work that the army is doing in this state, relating many examples that were very appealing to those present at the meeting.

Judge of Probate James J. Danhof spoke on how the Salvation Army aided him greatly in his juvenile court work and especially were they of great help in the care of delinquent girls. Many very vexing situations present themselves in these cases and the Salvation Army knows just how to handle matters of this kind with results that show wonderful executive ability and tact. In most cases these unfortunates have later become good, well-behaved, religious young women.

Mrs. Gertrude Boer and Mrs. Geo. Albers also gave some interesting sidelights on the fine work done for young girls who needed a strong guiding hand.

Henry Geerlings presided over the meeting and Roy B. Champion acted as secretary.

The several committees appointed in different parts of the county who are asked to take charge of the drive in May, are the following:

County Organization

County Chairman, Henry Geerlings, Holland; County Secretary, Rob B. Champion, Holland; Treasurer, Alex Van Zanten, Holland; Treasurer, Martin Box, Grand Haven; Treasurer, Wm. Van Loo, of Zeeland.

Campaign Committee

Orie Sluiter, Grand Haven; Dick De Pree, Zeeland; D. E. Hagerman, Grand Haven; Carl A. Bigge, Holland; Frank Schouten, Spring Lake; Mrs. Fred McEachern, Hudsonville; Gerrit Yntema, Hudsonville R. 4; Adrian Knight, Grand Haven R. 1; John Ter Avest, Coopersville; Mrs. R. M. De Pree, Holland; Mrs. H. Van Ark, Holland; Mrs. Peter Thirman, Holland; Bert Slag, Holland; Wm. Connelly, Grand Haven; Chas. L. Bean, Conklin.

Advanced Gifts Committee

Henry Geerlings, Holland; Nat Robbins, Grand Haven; B. P. Sherwood, Grand Haven; A. La Huis, Zeeland; Mr. Vos Jr., Coopersville; Mrs. Geo. Albers, Holland; John Hoffman, of Grand Haven; Gertrude Boer, Holland.

Organization and Quota Committee

Henry Geerlings, Holland; Alex Van Zanten, Holland; Judge Danhof, Grand Haven; Rev. DeKraker, Grand Haven; B. P. Sherwood, Grand Haven.

Publicity Committee

B. A. Mulder, Holland; H. S. Nichols, Grand Haven; C. De Vos, Coopersville; Wm. Van Koeving, Zeeland; Jacob Geerlings, Holland.

Speakers Committee

Rev. Vruwink, Grand Haven; Rev. Hoffa, Coopersville; Rev. G. B. Flemming, Holland; Rev. C. P. Dame, Holland; Rev. J. W. Ghysels, Holland; Rev. Vander Werp, Drenthe; Rev. D. R. Drukker, Zeeland; H. Mollema, Spring Lake; G. Vander Linde, Forest Grove; W. A. Sheppard, Hudsonville; P. Benpamin, Grand Haven.

WINS SCHOLARSHIP AT U. OF ILLINOIS

Not content with being named valedictorian of his class, Theodore O. Yntema, of the Senior class of Hope College, has also annexed a scholarship. Dr. A. T. Godfrey, head of the department of chemistry, received notice that Mr. Yntema has been awarded a scholarship in the department of chemistry of the University of Illinois. This is a scholarship based purely on scholarship, that is, it is awarded because of Mr. Yntema's standing in chemistry during his four years at Hope College. He headed his class at Hope College. The scholarship is a particularly desirable one in that no work is required. Mr. Yntema is to receive \$800 a year and tuition.

Dr. Godfrey, of the chemistry de-

partment of the local college, has been unusually successful in the past few years in securing scholarships for Hope students. Local men have been placed at some of the largest universities in America, and they have invariably given such a good account of themselves, that Hope's reputation for scholarship has grown rapidly. Two other scholarships were secured through the efforts of Dr. Godfrey earlier in the year, and it is expected that there will be other awards later on.

Muskegon is making plans to establish certain boulevards in the city where motorists can drive as fast as they wish without interference by the motor cops. Then, after a few days, when there aren't any more motorists living who want to drive fast, the city can save all that money it usually spends for motor cop salaries.

RE-ELECTED HEAD OF THE BOARD OF SUPERVISORS

Gerrit Yntema of Forest Grove was re-elected chairman of the Ottawa County Board of Supervisors at the opening meeting of that board Tuesday afternoon in Grand Haven. Yntema, who ably served his first term last year, had no opposition for the position, and he won the place hands down.

The session did not get started until some time after two o'clock Tuesday afternoon. The Holland delegation had gone to the county seat in autos, and that means of locomotion is also being used by most of the other members of the board throughout the county. The hour of meeting was fixed years ago to fit in with the train schedule, but the time is fast approaching when the board of supervisors will be able to ignore the train schedules almost entirely. With auto bus service being established all over the county and with almost everybody who is likely to be on the board owning an auto, the board is almost independent so far as trains go; and it is not impossible that some day the time-honored custom of beginning the sessions at 2 o'clock in the afternoon may be changed.

John Van Anrooy of Grand Haven, formerly of Holland, presided over the meeting Tuesday afternoon as temporary chairman. The members of the important auditing committee for this year will be David Cline, James Chittick and C. W. Nibbelink.

No business was done Tuesday afternoon, all the sessions being taken up with the work of organizing for the year. The actual work of the session began Wednesday morning. While considerable business is in prospect, it is expected that the session will be brief this time. The prospects are that the board will adjourn on Thursday evening of this week.

On the Wrong Side of the Ledger

If the investments of many were recorded, under the heading Speculation would appear a long list of entries over many years, with red ink totals showing nothing but losses.

Too often, across the page under Family's Safeguards, few entries would appear. Sometimes, when the sudden summons comes, there is not a single line to indicate provision for the family's support, now without a provider.

No matter how well a man cares for his loved ones during life, failure to provide for their continued comfort is unpardonable neglect. As the first step in safeguarding your family's future, send for our booklet containing many helpful suggestions. It is free.

GRAND RAPIDS, MICH.

SCHOOL BOARD BUYS THE VANDER VEEN PROPERTY

By a deal just closed between J. A. Vander Veen, the E. Vander Veen estate and the board of education of the city of Holland, the latter becomes the owner of a fine piece of property, the purchase of which for school purposes has been a plan of the board of many years standing. By the terms of the deal just closed the board of education acquired all the Vander Veen property in the block, the west end of which is now occupied by the Holland High school.

The property extends along the full length of River avenue, between Fifteenth and Sixteenth streets. It extends 250 feet on Sixteenth street and 132 on Fifteenth. The whole block between River and Pine on Sixteenth street now belongs to the schools, with the exception of 80 feet owned by Mrs. Schaftenaar.

The Vander Veen property has for many years been used as a playground by the high school students. It is one of the most desirable pieces of property in that part of the city, and by far the most desirable for school purposes because of its proximity to the high school. The purchase price was \$13,340.

A committee of the board of education is now making a preliminary survey of conditions in the schools of Holland with regard to the room needed to accommodate the pupils. If this committee finds that the present school buildings cannot take care of the attendance, it is likely that plans for a new school building will be advanced. In that case the new property will be used. If that should be the case, the plan most likely to be followed will be to erect a Junior high school on the Vander Veen property. That would relieve the congestion all around and would bring the high school and the Junior high school close together. Nothing definite in this regard has however yet been determined upon.

NEED A HOBBY TO KEEP FIT

That a hobby is needed to keep a person physically, mentally and spiritually young was the contention made Tuesday by former Mayor N. Bosch, before the Social Progress Club when that organization met at the home of Rev. and Mrs. P. P. Chaff. Mr. Bosch's subject was "Hobbies and How to Ride Them." Mr. Bosch gave a number of interesting examples of well known hobbies, some of them having made the men who rode them nationally and internationally famous. A hobby, to be a real hobby, should be kept clear of economic considerations, the speaker declared. Many a hobby degenerates by being commercialized. A hobby should be something that will give the person who rides it an interest in life outside of the profession or business by which he makes a living.

WORKMEN FIND BITS OF PORT SHELTON HOTEL

A bit of romance and a glimpse of another age were mixed up with a perfectly prosaic business deal in which local men entered a few days ago. Jesiek Brothers, of the Jesiek Brothers Boat Livery of Jenison Park, entered a deal whereby they became the owners of 1700 feet of lake frontage on Pigeon Lake at Port Sheldon.

This is part of the site on which the famous \$60,000 hotel was built way back in the thirties of the last century when Eastern capitalist decided to make Port Sheldon a big city. It all happened about ten years before the Van Raalte colony came to Michigan to found the city of Holland. Port Sheldon for a brief period looked as if it were going to be the metropolis of the virgin state of Michigan, but recently admitted to the Union as a state. The ornate hotel built on the site was said to have cost the promoters as much as \$60,000, and it was built in the bare wilderness.

The project came to grief and the hotel disappeared, but Wednesday while the Jesiek workmen who are clearing up the place were digging down into the soil they came upon some relics of that ancient hotel. And those relics give a vivid impression of the splendor of the building that once graced the site. The relics appear to be parts of the base of pillars that stood in front of the hotel. The beautiful carving of the wood is still plainly discernable, altho the wood has lain buried in the soil of Port Sheldon for the greater part of a century. The wood is still in a remarkable state of preservation, considering the number of years that have passed.

Mr. and Mrs. John De Vries and daughter Lois of Muskegon Heights, motored to Holland and are the guests of their parents, Mr. and Mrs. Henry De Vries, West Fifteenth-st.

HOLLAND MAN SPEAKS AT FATHERS AND SONS BANQUET

Prof. Paul E. Hinkamp of Hope College and Rev. James J. De Kraker of Grand Haven, also a graduate of both local colleges were the principal speakers at a Father and Son's banquet held at Trinity Lutheran church at Grand Rapids.

Rufus Boer, well known in Holland, who has many relatives living here was toastmaster on this occasion.

The church parlors were filled to capacity with Fathers and Sons.

The following is the program:—Supt. Rufus Boer, toastmaster; Invocation, Dr. R. Huber; "My Country 'Tis of Thee." Dinner; address of Welcome to the Sons, Mr. J. B. Kie; Address of Welcome to Fathers, Stuart Johnson; solo, A. Mitchell; address, John Saur; address, Chas. Larson; song; Paternal Maxims, Prof. P. E. Hinkamp; orchestra selections; "A Worth-While Life" Rev. James J. De Kraker; closing song.

Miss Betty Nibbelink was a Grand Rapids visitor Tuesday.

J. P. O. de Mauriac was in Grand Rapids on business Tuesday.

The Hayden-Kardux Auto Co. sold a Chevrolet car to John Yntema of Forest Grove.

COMMON COUNCIL

Holland, Michigan, April 6, 1921. The Common Council met in regular session and was called to order by the Mayor. Present—Mayor Stephen A. Prins, Blue, Brieve, Vander Brink, Kammerdine, Laappe, Lawrence, Brinkman, Dykstra, Damstra, Vander List, and the clerk. The minutes of the last meeting were read and approved. The clerk presented petitions signed by several hundred citizens requesting the council to favorably consider the proposition of putting the City of Holland under the daylight saving plan. Said plan to go into effect April 17, 1921. The clerk also presented communication from the Holland Exchange Club stating that the club practically unanimously went on record as favoring the daylight saving proposition. On Motion of Ald. Lawrence, Resolved, that it be the sense of the Common Council that the clocks of the city of Holland be moved ahead one hour on Sunday, April 17, 1921. Carried. Wm. Arendshorst of the Holland Engine Co. Inc., has just returned from a Western trip in the interests of the company. He states that at Pella, Iowa, where there is a large settlement of Hollanders, he noticed a most peculiar signboard as one enters the city. It was in the form of a large book made of wood and on the pages of that wooden book was inscribed plainly in a few lines, the name of the founder of the city and other detail of interest to tourists, besides giving direction to the wayfarer. All the main avenues entering into Pella have a two-page wooden book stuck up at the entrances of the Iowa city.

Gerrit Oudemolen and Nick Dykstra were arrested by the local police on the charge of furnishing liquor to a minor. The lad who is under 16 was found by Officer Steketee, drunk on the street early Sunday morning. He was placed in the juvenile detention room in the city hall until Monday morning and was brought before Justice Jay Den Herder. He swore to an affidavit there charging these men with furnishing him the liquor. Under the new Weyles act an offender, who divulges the names of the person or persons furnishing the liquor, is discharged by the judge but it is understood that he must appear as a witness against the alleged persons who furnished the liquor. The two men demanded an examination.

Many patrons who enter the Holland postoffice these days wonder at the peeping noises that they hear. They can imagine themselves in a henry rather than in a government postoffice. The facts are that poultry men are making extensive use of parcel post as a medium for the shipment of chicks. Tuesday was one of the biggest days at the Holland postoffice and approximately 25,000 chicks were received for shipment to points as far east as New York and west to Montana. The chicks from incubators are packed in heavy paper boxes and go 72 hours without food or drink, from the time they leave the incubator. In a large shipment to Montana only three chicks were found dead. An average of 15,000 to 20,000 chicks is shipped daily through the Holland office.

The Holland classis in the Reformed church has appointed as delegates to the general synod to be held in June: Rev. G. Tysse, Holland; Rev. C. Dolf, Hudsonville; Rev. G. Van der Linden, Hudsonville; Rev. G. Van Lugers, Holland; J. Elenbaas, Zeeland; G. Brouwer, Overisel. Delegates to particular synod at Grand Haven: Rev. J. H. Bruggers, Rev. J. Weyer, Rev. J. W. Te Paske, Elders J. Feenstra J. B. Slaght, J. Schipper, B. De Hoos. The classis adopted resolutions on the death of Rev. B. F. Brinkman.

John Ellman, driving truck No. 1 of the Ottawa County Road Commission, was the first man to drive a vehicle across the new Ferrysburg bridge. He made the trip Tuesday. The new bridge and approaches will be ready within a short time it is expected.—G. H. Tribune. It is a beautiful bridge, this Ferrysburg bridge, much finer than the one Holland asked for and could not have. Anyway, we are paying our share toward the Ferrysburg bridge and that's worth a lot to Grand Haven, Spring Lake and Ferrysburg. It took at least two years to erect this beautiful bridge. Wm. Van Anrooy & Son Jack of Holland have been doing the pile driving for the bridge.

Mrs. S. M. Zwemer, Mrs. H. W. Smith, Mrs. George Albers, Mrs. J. Vischer, Mrs. E. Markham and Mrs. J. C. Post were among those who attended the W. C. T. U. convention held in Grand Rapids Thursday.

Frank Bolhuis of the Bolhuis Lumber and Manufacturing Co., was in Muskegon on business Thursday.

Mr. and Mrs. Nathaniel Robbins, jr., and daughter, Joan-Marie, of Holland and Donald Wurzburg of Grand Rapids were guests for over the week-end of Nathaniel Robbins and Mr. and Mrs. Hunter S. Robbins at Grand Haven.

Leonard Steketee of the Steketee Tire Shop was in Grand Rapids on business Monday.

Miss Ruth Dykstra, daughter of Mr. and Mrs. Charles S. Dykstra, has been visiting the family of Representative G. W. Kooyers at Lansing for a week.

Mrs. J. W. Himebaugh and her niece Miss Dorothy Hoffman of Buffalo, who is visiting her spent Friday in Grand Rapids.

HOLLAND CHICKEN MEN PREPARE FOR A BIG YEAR

The Holland Poultry Association has started its big campaign in this vicinity to get more people interested in the raising and keeping of good poultry. This campaign is in charge of Mr. Zimmerman the poultry manager at Lakewood Farm.

The campaign works as follows: Mr. Zimmerman has started demonstration farms, throughout this part of the county and lectures on the care, feeding and breeding of poultry. He is an expert at culling birds, as he holds an M. A. C. degree of Poultry Husbandry, and is a very able lecturer.

A meeting held Monday night was

attendance was present. Refreshments were served and a general good time was had besides a great deal of business was transacted.

The Association is making preparations now for their annual show to be held Dec. 22-26. This year they have selected as judge in the Standard class Mr. J. E. Weaver of Davisville, Pa., a man with wide experience. Although not very well known in this state he stands ace high among the Eastern judges. As utility judge Mr. E. C. Foreman of Lansing, who is now taking a post graduate course in poultry husbandry at the Ontario Agricultural College has been chosen.

HAMILTON

The cantata "Easter Joy" was rendered in an excellent manner last Friday night. Much credit is due to the members of the singing school and their leader Mr. Lampen of Overisel for their diligent and faithful

work. Mrs. Ende who has been ill for a couple of weeks must submit to a serious operation.

The Rev. Van Dyke and Rev. Ter Louw exchanged pulpits Sunday.

Mr. and Mrs. Harry Lampen will move to Zeeland. Mr. Lampen has conducted a hardware business here for many years and is known throughout the country as an efficient business man. Mrs. Lampen has been a very

faithful and hard worker in both the church and Sunday School. We regret that they are to leave but our good wishes accompany them wherever they go.

Mr. and Mrs. Veldhuis are the proud parents of a baby boy. Mr. Veldhuis is principal of the Hamilton school.

Gerrit Brower and family and G. J. Nevenzel visited at Mr. and Mrs. Bulthuis last week.

Health for Aching Victims of Neuritis

Health Talk No. 17

By JOHN DE JONGE, D. C.

When you get a feverish, aching soreness of the arm which seems to have deprived the muscles of power, the trouble is neuritis.

Neuritis is an inflammation of the nerve. Its blood vessels, expand, there is excessive heat, and there is a discharge of serum into the cells which softens the muscles and degenerates the nerve. The cause is pressure at the spinal nerve opening, and the correction is chiropractic spinal adjustments. If attention is given in time, no serious results follow. The tendency of neuritis, unless the cause is removed, is to paralyze the part affected.

Complete Recovery

"I suffered for years with what was diagnosed as neuritis. It seemed as though my extremities were gradually becoming paralyzed. Headaches helped to make life miserable. Chiropractic was advised by a friend and after a series of adjustments I was completely cured".

HOLLAND TO HAVE A BOULEVARD LIGHTING SYSTEM AT LAST

One of the most enthusiastic and constructive meetings held in years was the boulevard light meeting held in the city hall Friday evening.

It is evident that the citizens want something done to illuminate Holland's principal streets.

There were at least 75 at the meeting and besides scores of other business men sent word that they would give their hearty support both morally and financially to any plans that might be decided upon by those present at the gathering.

Mayor E. P. Stephan was selected as the chairman of the evening, and B. A. Mulder was chosen as secretary. In opening the meeting Mr. Stephan said: "Holland is contemplating many improvements, in the way of paving streets and other necessities that will be imperative shortly. The Common Council and myself have fostered these improvements, first because they are a necessity and second for the reason that while there are a great many idle men, the new public improvements will give employment to many who now need that employment and in a measure tide them over until the industrial situation is again improved."

"Now is the time to also think of installing a boulevard lighting system. The installing of the system at this time will give added employment not alone, but it will fill a long felt want, in fact a necessity, in which Holland has been way behind for years."

"When guests come to the city, I always enjoy to take them out during day time. No city has anything on us, when it comes to show places. We can point to our beautiful parks, our handsome resident district, our colleges, and schools, our city hall and our postoffice, and any number of other beautiful attractions with which Holland is filled."

"But showing outside folks things at night is another question, for the reason that the lighting system is very deficient and for that reason we come here tonight to go over these plans very thoroughly in order that our main thoroughfares may be a pleasing sight to our home folks, and a wonderful advertisement to those people who pass through our city."

Mr. Champion was then called upon to give an estimated cost of such a system, and while he could not do that minutely until he found out exactly what the business men wanted in the way of style of lamp, etc., he did give some figures as basis to work on. It is expected that 100 lights will be installed, and that the purchasing of this outfit would be approximately \$20,000. It was decided that as a beginning, the lights would be installed from Lincoln avenue on East Eighth street to River avenue west and on River Avenue to 12th street south. It is expected that after these lights have been installed business men in other business districts, not yet lighted will get together and raise money to have their block illuminated, and in this way, the system would be extended from time to time.

There is no doubt but that nothing but the best will do in the way of illuminating River Avenue and 8th street.

Fastening standards to the iron posts of the street car line was proposed by one as a matter of economy, but this makeshift was quickly tabooed and it was the consensus of opinion that the city had waited so long to make this public improvement that now when the time was ripe, nothing but the latest and the best would suffice.

It was unanimously decided that the one light system be installed. Electrical men claimed that the cluster lights is a "has been," expensive to maintain and the diffusion of the light is not nearly as great as that radiating from a single light with a higher efficiency.

Mr. James De Young, member of the Board of Public Works gave some valuable information relating to street lighting, which will stand the committee in good stead.

A motion was finally made that a committee be appointed to secure an estimate of cost of such a system, select the lights and standards, and to bring in a report at a similar meeting to be held this Friday evening when the finishing touches will be put to the project.

All those present pledged themselves as being ready to finance this public improvement and no doubt the final meeting at the city hall will be a rousing one.

Some of the manufacturers have also signified their intentions of aiding the business men financially in order to be sure that a boulevard lighting system will be installed.

The committee appointed by the mayor consists of the following:

Dick Boter, Jacob Lokker, Henry Meengs, James De Young, and Superintendent of the Board of Public Works, R. B. Champion. The mayor was made an ex-officio member of the committee by those present at the meeting.

ADDS ANOTHER LINE TO BUS SERVICE

The Red Star Bus line has added another route to its service. The routes consists of service between Holland, Zeeland, North Holland, Crisp, Olive Center and Grand Haven. The Red Star is now running a bus between Holland and Saugatuck. The new line opened on Tuesday morning. Headquarters will be at Vaupell's drug store in Holland and at Weiss' restaurant in Grand Haven. The schedule was announced next week.

A bus line running from Hamilton to Allegan and Holland will be operated from Hamilton this summer.

CLEAR CHANNEL FOR PASSAGE OF LAKE BOATS

When navigation opens at this port in about a week, the big Graham & Morton steamers will have no difficult getting into the harbor because of obstructions in the channel at Macatawa. The government dredge "General Meade" has been in the harbor for about a week sucking the sand out of the channel that had been washed in when the breakwater gave way last fall. Altho a stretch of breakwater of some three hundred feet was washed out, the amount of sand that slipped into the channel is comparatively small. Even without the operations of the government dredge, it is believed that it would have been quite possible for the lake steamers to pass through the channel unhampered, but with the sand removed there is not expected to be the slightest difficulty.

It is expected that sand will continue to seep into the channel and that the services of the "General Meade" will be needed more or less systematically during the summer. But no difficulties about navigation are expected.

It is not expected that the breakwater will be repaired the present season, although this fact has not yet been definitely settled. But the probabilities are that the breakwater will remain in its present state for the coming season, the government confining its efforts to keeping the sand cleared out of the channel. All the necessary surveys have been made by the engineer's department, but actual work on repairs is not looked for for some months.

The coast guard station is at present operating with a full crew, altho some of the members are temporary men. Two members of the regular crew are in South Brooklyn, sent there by the government to take lessons in handling motor boats. The men are Charles Bontekoe and Niel Landman, and they are expected to return to Macatawa in two or three weeks.

PROMINENT CHICAGO MEN "HIKE" THE FULL LENGTH OF "PIKE"

Holland was visited Sunday by two noted attorneys, Albert M. Kalls and Preston Kommer, both of Chicago, with offices in the Corn Exchange National Bank building. They are traveling incognito, and hiking from the Straits of Mackinaw to the Windy City, on the installment plan. Each week they cover a lap of about fifty miles, Sunday hiking from Muskegon to Macatawa.

The former is no other than the famous Al Kalls, Harvard '96, Harvard Law '99, who stroked the Harvard Varsity eight to victory over Yale in 1899 in the annual boat race on the Thames. He was professor of jurisprudence at Harvard Law school, and served as captain overseas in the 343rd Infantry.

Kommer is a Yale man, class of 1900, and Law 1903. He is an ex-professor of Law in the Yale Law School. Both of them recommend hiking as the finest thing in the world for reducing the politician type of abdomen. They were guests of Ralph Meima at Port Sheldon and Holland.

The bootleggers of Muskegon and of Muskegon county had an awful time figuring up their income taxes this year, but all say that they will not pay Uncle Sam a cent next year unless the city fathers of Muskegon halt pumping station authorities from putting chlorine in the city water.

It is stated that when a decent moonshiner wants to carry on his trade inside of the city he is forced to send his Cadillac sedan out into the country to get some "clear" water to mix his mash with. The chlorine just naturally takes all the kick out of his corn whiskey and unless a good bootlegger can get repeat orders on his list of customers he is all out of luck. The best and most selected bootleggers now have a regular customer list and only serve those at whose homes they can deliver the stuff in job lots and at nights.

Bootlegging is no longer a clumsy violation of the law, but the work of master minds.

The water there however has put many of the city moonshiners out of business entirely, and those who are operating find expenses increased greatly, because of the cost of operating their automobiles both day and night.

"We only Bought Rat Poison Twice," writes Jesse Smith, N. J. "I threw the first kind away; couldn't be bothered mixing it with meat, cheese. Then I tried Rat-Snap. SAY, that's the stuff! It comes in cakes, all ready to use. And it sure does kill rats." 35c. 65c. \$1.25.

HOLLAND MAN CONSIDERED FOR REVENUE COLLECTOR

Att. Arthur Van Duren is one of the men being considered for the position of collector of internal revenue for the Western district of Michigan to succeed E. J. Doyle of Grand Rapids. Alvah W. Brown of Grand Rapids, Joseph W. O'Brien of Grand Haven and Ernest A. Rose of Grand Rapids are other candidates.

As the tenure of office of collectors of internal revenue is dependent on the pleasure of the president of the United States, Collector Doyle may be politely requested to step down and out at any time. His commission specifies that he is appointed until such time as "his successor is nominated and confirmed by the senate." For this reason this job which incidentally has to do with the enforcement of the federal prohibition law, may change hands at any time. In some sections of the country the fight for this place is largely for and against appointees who will give a liberal or strict enforcement of the prohibition statute. In western Michigan so far as known this feature does not enter into the fight, altho it does very much in the eastern or Detroit district.

RURAL SCHOOLS MAY HAVE FINEST OF PICTURES FREE

Traveling pictures collections for use in decorating rural schools, are one of the features of the state library service. The idea of loaning pictures is an outgrowth of the traveling library system, by which books are sent from the state library at Lansing to schools and clubs for use during specified time-limits.

The pictures loaned are reproductions of the best in ancient and modern art, and contain examples of sculpture and architecture as well as paintings. While the pictures are primarily intended for the benefit of rural schools, women's clubs, art circles or any association organized for self-improvement may borrow them.

VERDICT RENDERED IN FARM CASE AT AT SPRING LAKE

A jury in circuit court rendered a verdict in a much disputed land deal allowing the plaintiff \$1,000, the amount of the first payment on a farm contract and interest of \$56 in the case of James Hall et al, vs. H. B. Procter, et al. The farm in Spring Lake township reverts to the original owner J. Vaneka. The plaintiff's claim was that the place was not as represented, and the defendants claimed that the contract had been violated by Hall. The jury received the case at about 5 o'clock Saturday night and returned the verdict at about 9:30. Fred T. Miles and Charles E. Misner represented the plaintiff and Louis H. Osterhaus and G. J. Diekema appeared for the defendants.

Michigan To Be In Na- tional Oratorical Contest

Although Hope college was not the winner of the Michigan State Oratorical contest this year, Michigan is once more one of the three winners of the sectional oratorical contest, which gives this state the right to representation in the national contest. Guernsey Gorton, of Albion college, who won the state contest in March, has been picked as one of the winners in the sectional contest held at Lawrence College.

Hope College Debate Has Been Postponed

The debate between Olivet and Hope College, which was scheduled to be held here Friday night, has been postponed until May 6, upon the request of Olivet.

The Hope team will debate Alma the same night, taking the affirmative side on the issue of immigration, at Alma. The dual debate with the Detroit School of Law will be the 1st one to be held here on April 29. DeGraaf, Burggraaf and Visscher will support the affirmative side of the question here, while Fintema, Engelman, and Blocker will uphold the negative at Detroit.

GIVES TALK ON "BIRDS" AT BEECHWOOD

The Beechwood P-T club met Friday evening and listened to a fine address on "Birds" by Miss Lydia M. Rogers. She illustrated this talk with a large number of slides, showing the coloring of the birds and their haunts. Dr. Gilmore directed the community singing and also sang a solo accompanied by Mrs. Burt. Mrs. Charles Barnard, the president and Mrs. Rooks were appointed delegates to the P-T convention to be held in Grand Rapids in May. Cake, coffee and cookies were served during the social hour.

HOLLAND CHRISTIAN SCHOOL PASSES YEARLY BUDGET

The new budget for the Christian Primary School for 1921-22 has been compiled and the amount to be raised is twenty thousand dollars. Of this \$15,250 goes to the teaching staff, while the rest is expended for school equipment and other necessities.

A new plan of raising this money has just been decided on by the committee. Heretofore the money was raised by tuition and church collections, but in the future if a final decision is made by the Christian Reformed church congregations of this city, shares will be sold to members of the church who have children studying in the Christian Primary School.

Here is the plan sent out by the Board of Education of the Christian School:

A share consists of 25 cents per week for 52 weeks a year. In order to raise the required amount of the budget at least 1600 shares could be taken.

One share calls for 25c per week. Two shares calls for 50c a week. Three shares calls for 75c a week. Four shares calls for \$1 a week. Take as many shares as you like. Those who have one child at school, if in the Kindergarten, ought to take at least two shares, or if in the grades, 3 shares, those who have two or more children at school and pay 90 cents per week tuition ought to take at least four shares.

The average cost of the education of each child at our school is approximately 65 cents per week on the basis of 52 weeks a year, for 600 children.

Whereas, school supplies must be purchased before school opens in September, this system will take effect the first week in July, 1921.

Collections will be made at the home weekly, unless otherwise arranged for and all payments to be made in advance.

The duplicate card system will be used, one of which is kept by the subscriber or share holder and the other by the collector. Both cards are punched when payments are made and will serve as receipt when punched.

All other methods of raising of funds will be discontinued as soon as the new system is put in effect, excepting that donations will always be gratefully received.

This system is now being used at several other schools and has proven to be a great success.

It is naturally understood that all those who have the welfare of the school at heart, but have no children, are nevertheless eligible to take a certain number of shares.

CARPENTERS ARE NOW BUSY AT THE FAIRGROUNDS

It looks as if a cyclone had struck part of the fairgrounds.

The old art hall, and the old grand stand that did duty years ago when the fair was still on the lake front on the C. L. King and adjacent property, and later moved to the present location are land marks of the past.

Martin Oudemolen with gang of men has torn them down and is now erecting a new grandstand, 40x214 ft. with a seating capacity of 1600.

A new midway will also be built running east and west and to the south of the new grandstand.

The many improvements to be made by the directors of the fair will be an added source where some idle labor will find work to do. Now is the time to make all similar improvements, and if this is done generally there would be no idle men.

Expires April 16

Prof. Wynand Wichers of Hope College will be the principal speaker at the annual banquet of the Men's Brotherhood of Central Reformed church, Grand Rapids, to be held this evening at the church. His subject will be "The Lure of the Unconquered."

"DEACON DUBBS" PLEASES LARGE AUDIENCE

A large audience greeted "Deacon Dubbs" in the first performance of the comedy presented by the Longfellow P.T. club at the High school auditorium Wednesday evening. (The cast, composed of local talent was very successful in the execution of the play. Deacon Dubbs, an old-timer who is setting the pace for the amateur romanticists, finds a good friend and trouble-finder in Trixie, a sweet young maid. His clever chips of philosophy cause many outbursts of laughter. The play has many and rapid transitions, and is well seasoned with bits of humor and pathos that are an object of interest from beginning to end.

Several serenades by the TerBeek quartet added remarkably to the effect of the play. The high school orchestra favored the audience with selections during the intermission. The play will be repeated tonight. Special credit is due to Frank Bolhuis for building the stage properties. One of the performers, Janet Bouma of the Hope College Dramatic Club substituted for Miss Anna Mulder, and took her part after only two rehearsals. Appropriate scenery for the stage setting was arranged with artistic simplicity. The play was directed by Mrs. Henry Van Ark. Mr. Dick Stekette, chairman of the club made the opening remarks.

The Home Missary society of the Methodist church met at the home of Mrs. A. E. McClellan. The devotionals were conducted by Mrs. O. D. Bottume, assisted by several ladies. The program was in charge of Mrs. Maris. "Making the Path Plain" was given by Mrs. Whitman. The linen and silver fund was explained by Mrs. Maris. In connection with the mite box opening, Mrs. E. Markham gave a reading, "Mrs. Cantaford's mite box."

Another life member was added to the Mother's Jewels. It was decided to hold a bazaar in the fall as a means of raising the necessary funds. Twelve quilts have been about completed, and are now ready to be sent to the Mission School and Home at Nome, Alaska.

Mrs. J. Rank conducted interesting enigmas, and plans were made for attending the thirtieth annual convention of the society to be held on May 3rd and 4th, in the Plainfield Avenue church, Grand Rapids.

The Consistorial Union, representing the consistories of all the Reformed churches in Grand Rapids, met in the Fourth Reformed church on Ionia avenue Grand Rapids, on Tuesday night. Sixty-three members attended.

Fred T. Miles, prosecuting attorney of Ottawa county, reviewed the Sunday laws of Michigan, covering the whole range from "doing unnecessary work" to "cursing the holy name of God." He declared that the laws were good and sufficient to insure a quiet Sabbath, but were not enforced because the penalty attached is so light that the offender was not deterred by it, and the cost to the person suing is greater than the amount paid by the offender.

He called the laws against Sabbath desecration sop to satisfy the religious people of the state. The best means to keep the laws is to increase public sentiment by moral and religious teaching, he said. The parent, teacher and preacher are more important than the lawyer in protecting the Sabbath.

LEGION NOTES

At a meeting last evening the members of the Willard Leenhouts Post subscribed their part towards decorating the graves of the soldiers who have fallen in France.

The Ladies Auxiliary was invited to the Post rooms to listen to a short band concert given by the Legion band.

The local press was given a rising vote of thanks by the members of the Legion and the Auxiliary for the way they stood back of the soldiers' bonus proposal that carried so heavily in Holland on Monday, April 4.

After successfully removing a large number of obstacles that had not been anticipated, the committee of the Exchange Club in charge of making the so-called "milk feeding experiment" in one of the Holland

schools, got down to the actual test today. Froebel School has been chosen for the experiment. This is the old Central school building, and the pupils of that building will have a chance to see what milk will do for them to eliminate undernourishment with its attendant dangers.

The Holland 17 basket ball team closed its season Tuesday night by doing justice to a chicken dinner at the home of its manager, Jacob Fris. The boys were entertained royally and the following were present at the dinner: George Irving, James Klomparsen, Franklin Cappon, Fred Sytesma, Sweeny, Kuite, Henry Warnshuis, Herbert Ingham, Herbert Van Duren, Coach C. E. Drew and

Jacob Fris.

The season was a wonderful success, the boys winning ten out of 18 games played. The season started badly for the locals with six defeats in the first eight games, but then the boys took a brace and ended with six straight wins.

PREP. STUDENTS STAGE AN ORATORICAL CONTEST

The annual men's and ladies' oratorical contests of the Preparatory School of Hope College will be held at Winants Chapel on Friday evening. All members of the "A" and "B" classes are eligible to these contests. The "A" class will be represented by Amy Zwemer, Anna Iben, and Gustav Schroeder, while Gladys Kleinhekel, Nicholas Bruinfix and Charles Loomans have been selected

by the "B" class. The identity of the authorship of the orations which have been submitted has been withheld in order to assist the judges in making their decisions. They are "America Our Sacred Trust," "The Patriotism of Peace," "America, the World's Ideal," "The Life of Service," "America, the Beautiful," "Democracy's King."

Miss Rose Pope, Prof. W. Wichers, and Prof. Albert Lampen, members of the college faculty, will be the judges. The public is invited to attend this meeting which will begin at 7:30 o'clock.

The orations will be of a patriotic nature and have two awards of \$8 and \$5.

LOCALS

Mrs. John Bosman and daughter were in Grand Rapids yesterday.

Mrs. Milo De Vries is visiting with friends in Grand Haven.

At the request of the Senior class of Hope College the baccalaureate sermon for the graduating class will be preached in the Third Reformed church on Sunday evening, June 12th. Six members of the class are members or attendants at this church.

The regular spring meeting of the council of Hope college will be held in the council rooms on April 27.

William Brink of Hope College accepted a position as superintendent of the Hudsonville schools for next year. Miss Vera Jane Keppel has accepted a position as Science teacher in Nowaygo High school. Mr. Francis Le Ray has accepted the principalship of the Grandville high school for next year.

Justice Wm. Brusse was in Grand Haven for the last two days appearing as witness in the Brandt-Mills case.

Nelson R. Stanton was about the county inspecting schools Tuesday. J. Vander Schel was in Grand Rapids on business Tuesday.

The Red Star Bus Line is now added to the multiplicity of bus lines that have started in this city. This one gives service to Zeeland, Holland, Grand Haven, Saugatuck, New Holland, Grand Haven, and the resorts. An elaborate time card is now being issued by the new company.

John Mulder, for the past year in charge of the Hoover department of the Winstrom Electric Co., has been appointed assistant district manager of Grand Rapids, and has moved to that city. Gerrit Veurink takes Mr. Mulder's place with the local company while Earl Hoek formerly of Grand Rapids is handling the Thor Washing Machine for the Winstrom company in place of Mr. Brink, who has gone to Ludington.

Bert Brink, formerly with the Winstrom Electric Co. has moved to Ludington where he has taken a Hoover Vacuum Cleaner Agency. Mr. Brink was formerly in the printing business in this city.

On Tuesday evening, April 19, when the religious census are to be taken, when the entire city will be canvassed in one evening, the start will be made by the ringing of the church bells. When the bells begin to toll, that is the time when the canvassers will start out.

Rev. Clarence P. Dame of Trinity church announces that he will begin a series of sermons Sunday evening on the subject "The Second Coming of Christ". He wishes to announce further that Trinity church will start its services with the new time.

A great many Holland attorneys are in Grand Haven these days. All have cases in circuit court.
