WELL—HOLLAND IS THROUGH WITH — CARP FISHING

MORE THAN 35 TON TAKEN FROM BLACK LAKE

Former Sheriff Cornell Dornbos who has been supervising carp fishing in Black Lake states that carp fishing is over at least for the season and Dave Blom and Harry Nies have pulled their nets for the last time and will store them away maybe never to use them again in the waters surrounding Holland.

There is considerable agitation stirred up over carp fishing. Dr. Vail and Mr. Gold have pointed out where carp are vegetarians and are scavenger fish who clean out the lake of rank vegetation and greenish slime that collects in the summer.

These men have beautiful homes on Black lake have watched the lake become full of scum and sea weed every season since carp fishing began while formerly the lake was clear, sweet smelling instead of ill-smelling, and suitable for bathing.

These men have pointed out that if this state of affairs continues, the resorters will be driven away because of the stagnation that exists in the bayou and Holland in the end will lose thousands upon thousands of dollars from those resorters, who every season patronize its local business institutions.

Anyway Mr. Dornbos has compiled a table of the number of tons of fish caught and has classified them. The total upto April 10 which was the last day of fishing was 35 ton and 367 pounds.

Mr. Dornbos gives the following in tons and pounds:

Carp	28,317
Dogfish	2,341
Sheephead	3,756
Suckers	283
Garfish	650
	35,367

HIGH SCHOOL HAS A GIRLS BASKETBALL TEAM

SO HAS THE HOLLAND FURN. ACE CO. A BUNCH OF PEACHES

It must have been a very secret game with not many men folks near when the bloomed girls from the Holland Furnace Co. and a team from the High school tried conclusions for basketball fame. The Warm Friends ladies we understand, were 22 points short of winning their game, the score being 23 to 2 in favor of the High school blooms.

The game was played at the Holland Furnace Co. Gym.

The game was well refereed by Mrs. Tancey. Following are the names of the girls who played:

High School—Ethel Whitcomb, Gladys Fairbanks, La Verne Essenberg, Harriet Heneveld, Coral Bremer, Jean Baker, Neil Wassenaar.

Furnace Office—Geneva Van Lente, Minnie Van der Elst, Angie Dogger, Ella VanPutten Betty Brummel, Henrietta Tien, Bertha Jacobs, Gertrude Jonker Jeanette Poost.

HOLLAND FIRM LANDS A BIG CONTRACT IN SOUTHERN MICHIGAN

OOSTING & HOFSTEEN WILL BUILD CONCRETE ROAD NEAR DOWAGIAC

Oosting & Hofsteen, road contractors of this city, have landed a big job in the southern part of the state that will keep them pretty busy during a large part of the season. The contract is for seven and three-fourths miles of concrete highway between Decatur and Dowagiac, and the price of the job is \$139,000.

The local firm today began shipping its road equipment to the scene of operations and work on the job will be begun almost immediately. Oosting & Hofsteen have traded in their concrete mixer for a big caterpillar mixer with which they will be able to do the work much faster than with the old equipment.

Along side of the job already let is another mile the bid for which is to be let soon and the Holland contractors seem to have a good chance at this job also.

A Holland man, Richard Stokette, is the state road engineer on the job in southern Michigan. Oosting & Hofsteen will begin pouring cement on the Alpena road job next week.

HOLLAND PEOPLE WIN PRIZES IN REBUS CONTEST

The following Holland people won one dollar each in the Grand Rapids Herald rebus contest. Their names appeared in the list printed in Thursday's Herald: Ray Nykamp, J. E. Benjamin, Frank Rhoda, Deane Belman, Ray Knooihuizen, Jacob Geerlings, Wm. Sakkers, Anna Nyenhuis, Mrs. Bert D. Roelofs Helen Zerau, Clyde Coster.

YNTEMA RE-ELECTED AS CHAIRMAN OF THE BOARD OF SUPERVISORS

Gerrit Yntema of Jamestown was elected chairman of the board of supervisors for his third consecutive term, at the opening session Tuesday. It took two ballots to settle the question and the vote was as follows: First ballot, Gerrit Yntema, 11; J. Y. Huizenga of Holland twp. 8; D. M. Cline of Spring Lake 3; James Chittick of Chester 2; second ballot, Yntema 15, Huizenga 6; Cline 4; Chittick 1. Supervisors Cline, Chittick and Nibbelink were re-elected as the auditing committee. The board will close its three day session today.

POLICE SWOOP DOWN ON PARTY IN CLEAN UP

Chief Pippel and Officer Lawrence De Witt of Grand Haven participated in a cleanup raid on a Washington street flat Tuesday, resulting in the arrest of five Muskegon men, one woman and four girls on a disorderly charge. Officer De Witt located the place during the evening and reported it to the chief. Both officers then suddenly swooped down on the rooms and found conditions which are unfit to print.

Wednesday all ten were arraigned before Justice Wachs. The men were fined \$10 and costs each. The woman was fined \$25 and costs in addition to a sentence of ten days in jail. Two girls paid \$10 and costs another was assessed \$5 and costs and one girl a mere child was released after a lecture.

It is said that some of the girls caught in the raid are little more than kids and no doubt try to be flappers.

WILLITE CONSTRUCTION CO. GETS RIVER AVE. AND 17TH ST. PAVING

AUSTIN HARRINGTON IS CHAIR- MAN AND SUPERVISED BIDS AT COURT HOUSE

No doubt work will soon begin on the River avenue and 17th street paving job to complete the new routing of the West Michigan Pike thru the City of Holland.

Austin Harrington called the meeting of the road commissioners to order and when noses were counted it was found that there were just 23 contractors present who wanted to get in on these big state jobs.

The court room was crowded with interested spectators who wanted to find out who was to be awarded the plums according to respective bids. There were six bidders for the Holland job. Oosting & Hofsteen being one of the local bidders.

The Willite Construction company however was the low bidder on the job of 1 1/4 miles on River Avenue and Seventeenth street, agreeing to cover a 20-foot roadway with sheet asphalt on a crushed stone base. The price was \$36,250.84. This bid was also submitted to the state highway department and was recommended as the best bid for the Holland job.

There were at least 17 bidders for the Dixie Highway job, comprising 5 1/2 miles of concrete surfaced highway 18 feet wide, 8 inches thick with a five foot shoulder on either side. Some of the bidders submitted proposals only on sections of the job. This piece of work was advertised in two sections A and C. Section B was not included in the bidding. This covers Crockery flats and bridge which will be let as a separate job.

The bids submitted by Cook, Clark & Lang were the lowest on both sections and the total job. On section A this firm bid \$48,136.12. On section C their figures were \$55,586.56. They were also lowest on the total job with a figure of \$100,319.15. The state furnishes the concrete for this job at a cost of \$52,000 which is added to the contract price.

Cline & Boelens were low bidders on section A with a price of \$52,212.87. They also entered a bid on the total job of \$110,633.27. C. M. Blakeslee of Spring Lake was low bidder on section C with a price of \$55,834.16. Holland contractors Oosting & Hofsteen also had bids in for all the jobs to be recommended at this meeting of the Ottawa County Road Commissioners. Austin Harrington of Holland supervised the opening of the bids and questioned the bidders closely on many points connected with their respective bids.

SENIOR CLASS MADE \$1100 ON THEIR PLAY

PEG O' MY HEART IS A REGU- LAR GOLD MINE FOR THE STUDENTS

The Senior Class Play "Peg o' My Heart" proved to be a veritable gold mine. More than 1000 tickets were sold and at least \$1,100 was taken in altogether during the four nights at the high school auditorium.

The classes were divided into groups and these groups disposed of many tickets. The group headed by Miss Jeanette Mulder, namely the 10-2's won the head prize of \$5 while a three dollar prize was won by the group headed by Miss Anna Whelan namely the 9-2 group.

The results are as follows:
Miss Mulder—10-2 class sold 493 tickets, total \$271.55.
Miss Whelan—9-2 class sold 379 tickets total \$132.65.
Miss Ross—11-2 class sold 162 tickets, total \$56.70.
Miss Mulder's group sold 114 more tickets than her nearest opponent.

The total amount of money collected during the contest was \$361.90.

The senior class collected more than \$600 and \$130 was taken in at the door making a grand total of over \$1100.

HARRY DE GRAAF ALWAYS WALKS NEVER RIDES

HE SAYS GET THE WALKING HABIT AND LIVE LONG

About the most popular resorter known to Holland folks is Harry De Graaf, who has been spending at least six months of each year at Macatawa Park for the past thirty years and has many relatives and friends living in this city. In fact, years ago he called Holland his home.

Harry lives in Grand Rapids and for several years he was a great politician in the Furniture City and held many offices. He is now out of the political game and spend most of his time at the Holland resorts, weather permitting.

Harry says he is never worried over traffic cops and little stickers on his auto nor does delayed street cars make him sore.

Harry who is 70 years old is a confirmed addict to the walking habit. If you stop your flivver and ask him to ride, don't feel offended if he refuses. Mr. De Graaf is planning on an 80th birthday, and he is not trusting gasoline to get him there.

In the old days Mr. De Graaf was an alderman and he canvassed his territory on foot. Walking is about the best thing there is if one years for long life, he says and he should know, for in his ten years in office he never used a street car in the city of Grand Rapids.

WILLIAM JENNINGS BRYAN IN GRAND HAVEN SATURDAY

THE GREAT "COMMONER" WAY AHEAD OF HIS DATES

The Exchange Club of Grand Haven has been putting on a Lecture course this winter with William Jennings Bryan as the star attraction.

In some way Bryan, or his bureau got mixed on dates and Grand Haven had to take Saturday at short notice or lose the big speaker altogether.

Bryan was to have appeared early in May and the committee in charge were shocked to get a notice Wednesday that the lecture was to be given Saturday of this week.

But those in charge have made the best of it, feeling that those who have purchased tickets must be given the privilege to hear the "orator of the Platte" for it was because of this headline that many had purchased tickets.

The entire club is now out hustling in order to fill the Armory with Byron Lecture patrons.

No doubt many Holland folks will take a spin up the pike Saturday to hear William Jennings Bryan who is not a stranger in this city, having been here at least three times, either as a lecturer or as a political exponent.

Dr. P. Moerdyke of Holland expects to go abroad with the family of his daughter, Mrs. Duncan of Toronto, Canada in June. They will visit the great countries of Europe and attend the Passion Play in Oberammergau.

Good Friday will be observed at Trinity church and the sermon of the pastor Mr. Clarence Dame will be "Love's Sacrifice".

Louis De Kraker the veteran meat market man took the Interurban for Grand Rapids.

The basketball team of Troop 3 B. S. A. won their second game in the tournament by defeating the South Congregational team by the score of 15 to 8. The playing of Le-man Smith has made him the individual star through this tournament. He scored 5 field goals and 3 fouls. Tonight the team will meet the Trinity Lutherans.

On account of building operations in the auditorium, Good Friday services will not be held in the 14th St. Chr. Ref. church tomorrow evening but the congregation will unite with the Maple Ave. Congregation in a Union service.

Dr. Peter Moerdyke will leave Pasadena for Holland on April 22. Mr. and Mrs. Moerdyke have been spending the winter in California.

Margaret Donnelly, Agnes Blocker, Mary Pieters and Jeannette Albers were among the nine freshmen at Hope receiving 95 for the first semester.

TEACHERS' EXAMINATIONS

The teachers' examinations will be held at Grand Haven, April 27-28 and 29 and Aug. 10-11-12. The reading for the first examination will be based on Lowell's "Vision of Sir Launfal" and Bulletin No. 4; reading for the August examination will be based on Lowell's "Vision Princess" and bulletin No. 4.

The eight grade examination will be held May 11-12 at Allendale, Borculo Conklin, Coopersville, Holland, Hudsonville, Marne, Nunica, and Spring Lake.

JURY DISAGREES IN HOLLAND LIQUOR CASE

Henry Van Tubbergen, who was tried on the charge of selling moonshine liquor will have to come before the bars of justice again at the August term of court. The jury after being out six hours agreed to disagree eight voting for conviction and four stood for acquittal.

It will be remembered that Henry Van Tubbergen and Jake Ver Hey were arrested on the charge of peddling moonshine and on the affidavit of a man by the name of Hill, the two men were arrested.

All the parties involved live in Holland.

Daniel Ten Cate of Diekema, Kollen & TenCate was attorney for Van Tubbergen, while Prosecutor Miles represented the people.

Prof. J. Paul Visscher, at present on the faculty of Washington University at St. Louis, has been awarded the Bruce Fellowship in Zoology at Johns Hopkins University for the years 1922-1923.

The Bruce Fellowship has always been considered the prize award at the Eastern Universities for work in zoology and it carries with it an award of approximately \$1000.

Mr. Visscher, who is a graduate of Hope College, has distinguished himself in this line of work.

Albert Kamferbeek, a local printer, has a collection of old books and prints that will be hard to beat in the matter of age. For many years Mr. Kamferbeek has been quietly collecting, and he has among his collection some items that would probably interest a professional in that line.

Mr. Kamferbeek a few days ago placed on exhibit in the window of De Vries and Dornbos three of the old prints from his collection. One of these is a scene on the shore of the Zuyder Zee, a Dutch print the date of which shows that it is 143 years old. Another is a picture of Napoleon which Mr. Kamferbeek estimates to be more than a hundred years old. On the print Napoleon is called "Emperor of France" which seems to indicate that the picture was made before the fall of Napoleon, and that would make it over a hundred years old. There is no date on the picture and hence the exact date cannot be given. Another picture shown is a likeness of Lafayette presumably made about the time when the Frenchman made his last visit to America, which would also make it about a hundred years old.

In the line of old books Mr. Kamferbeek has quite a collection. One of the oldest of these bears the printer's date of 1694. This is a volume in the Dutch language and treats the comprehensive subject of the beginning and the end of the world.

Another volume has the date of 1795 and describes a trip to the northwest coast of America. Such a trip was a great adventure in those days, and the Hollander who is the author of the book made the most of his subject.

A third old volume in the possession of Mr. Kamferbeek is a book on phrenology and anatomy, the date of the printing of which was 1753. This last volume would probably be one of unusual interest to physicians these days because of the contrast of the information it contains with modern scientific fact.

Another Fathers and Sons banquet is to be pulled off in Holland, the date of which has just been fixed upon. The banquet will be held on Wednesday evening, April 19, and the place will be the high school gymnasium. Last year's banquet was also held in that place and it was found to be ideally suited to such a banquet.

Dr. A. Leenhouts has been named general chairman of the arrangements, and the whole affair is in his charge. The chairmen of the various committees that have been appointed are: Dinner committee, Jacob Fris; Invitation committee, Wm. Vanden Berg; Program Committee, Prof. W. Wichers; Publicity Committee, Alex Van Zanten. These committees have been hard at work and many of the arrangements for the feast have already been completed.

The principal speaker of the evening will be Rev. J. A. Dykstra, pastor of the Central Reformed church of Grand Rapids. Rev. Dykstra, who is a Hope College graduate, is well known here and has spoken in Holland a number of times. He is an eloquent speaker and he will be a distinct drawing card for the banquet. Other speakers will consist of a response by a father and one by one of the sons. These speakers have not yet been chosen. There will also be several musical numbers.

The number of persons who can attend the banquet will this year be limited to 450. That many tickets will be printed and when they have been sold there will be no further opportunity to attend the banquet. Last year there was some difficulty through last minute attendance for which no provision had been made, and this year the committee hopes to avoid such a contingency. Tickets will therefore have to be purchased some time before the banquet, the time limit to be announced later.

All fathers of boys of twelve years or over are cordially invited to attend the banquet. Other fathers who have no boys or whose boys are too young or too old are also invited and are asked to "adopt" some one else's boy for the occasion.

HEAD OF HOLLAND BURGLARS RECEIVES HEAVY SENTENCE

William Keen, of Muskegon aged 37, who confessed to be an "instructor" of a gang of boys arrested on larceny charges, was sentenced to serve five years in Jackson prison. Keene said he taught the lads the art of stealing.

Circuit Judge Vander Werp, in sentencing him, said he was sorry that the law would not allow him to give Keene a longer sentence.

The members of the bandit gang who are charged with committing about two dozen robberies in Holland, Muskegon, Grand Rapids and other near cities were also sentenced as follows: Cecil Keene, aged 23, 3 to 15 years in the reformatory at Jonia; Robert Omness, aged 17, 2 1/2 to 15 years at the same institution.

It will be remembered that at least two of these scholars of Keene burglarized the Boter store and Meyer Music House recently.

Scores of people were turned away at the First Reformed church Sunday evening when the choir presented one of the most artistic programs ever heard in the city churches of Holland. One of the largest audiences that ever gathered in that church listened to the program.

A varied selection of solos, quartets and choir numbers was given under the able leadership of Miss Evelyn Keppel, to whom was due much credit for the success of the program. Two numbers were especially fine, one a solo by Mr. Gerrit TerBeek, "The Lord is My Light," and the other a solo by Miss Evelyn Keppel, "Hosanna." Miss Ruth Keppel also played a beautiful violin solo, and the work of George Dok at the organ was excellent. Rev. Wayer preached an appropriate Palm Sunday sermon. John Ter Vree sang "The Palms" as an appropriate setting for the sermon. Miss Martha Barkema took a prominent part as soloist in the choir numbers.

HOLLAND POLICE ARREST A BLIND MAN

Richard Dykstra, who, by the way was a former Holland man, was arrested at Hotel Holland where he was stopping on the charge of embezzlement. The amount taken is said to be in the neighborhood of \$75.

The sheriff and prosecuting attorney of Van Buren county came to Holland and took their man back to South Haven, where he will have to stand trial.

The story goes that Dykstra put on a musical at South Haven with the understanding that he was to divide 50-50 with some organization.

The charges are that he failed to "come across" and left the city with the entire amount.

The South Haven authorities sometime ago advised Chief Van Ry to watch out for Dykstra as he was wanted on the above named charges.

The police saw the man on the street and the arrest followed.

Dykstra's contention to Chief Van Ry was that he intended to settle with the South Haven people as soon as he got the money, but claimed that two Jews had swindled him out of the proceeds and consequently he did not dare to stay to face the music.

STORM DOES MUCH DAMAGE IN AND ABOUT HOLLAND

The terrific wind that blew from the west between Saturday night and Sunday morning did considerable damage in this vicinity.

One of the large frame buildings at the Veneklaasen brick yards was blown down, and a great many of the splinters were scattered over the city of Zeeland.

The smokestack of the Wolverine Furniture Co. at Zeeland was blown down and workmen were all ready Monday to commence its re-erection. The heavy electric sign of the John Haan Drug store was blown down. No one was injured at any one of these places.

A beautiful tree shading the residence of A. H. Meyer at 12th and central avenue, was twisted off and will have to be dug out. A large tree near George Heidema's store on Central avenue was also blown down while many limbs were torn from the shade trees in the parks and in the shaded residence district.

A large plate glass was blown out in the Holland City State Bank block and the cornice around Hotel Holland were so weakened by the wind that several men had to get on the roof with ropes and wires Sunday morning in order to keep them fastened to the building.

Hub Boone had a rope stretched along the walk directing pedestrians to take the middle of the street in order to avoid possible accidents that might occur should the heavy cornice work come down.

Carpenters got busy in repairing the damage and making the cornice work safe before another storm comes.

While the sea on Lake Michigan was not considered bad by mariners, the captain of the City of Holland stated that the velocity of the wind was doubly as strong on Black lake as it was on Lake Michigan. It took the heaviest cables to hold the steamer "City of Holland" to her dock on the foot of 8th street, and extra lines were used as a safeguard preventing the ship from breaking away.

Strange to relate the telephone companies have had little or no trouble during this storm.

A VERY VALUABLE MONEY COLLECTION FOUND IN HOLLAND

A very valuable collection of old money and currency is owned by a business man living on E. 8th St., who prefers not to have his name mentioned in connection with the possessions.

The collection comprises 12 pieces of paper money, printed on heavy brown paper, bearing the dates of 1774 to 1780. The certificates include a \$5 note, dated Feb. 26th, 1777; two-thirds of a dollar, dated Annapolis, April 10, 1774; a shilling, bearing the proclamation by a law of the colony of New Jersey passed in the 14th year of the reign of his majesty, King George the 3rd, dated March 25, 1776; a \$1-note, state of Massachusetts Bay, with a hole punched in it, showing the interest to have been paid, dated May 5, 1780; a \$4-note, dated Nov. 29, 1775; a four-pence note issued by the general assembly commonwealth of Pennsylvania, passed March 20, 1777, and dated April 10, 1777; a \$2-note issued by the United Colonies, dated May 9, 1776; a \$7-note passed by congress at Philadelphia, dated May 9, 1776; a \$30-note, issued by Philadelphia congress dated Sept. 26, 1778; a \$20-note, issued by the state of North Carolina, dated Aug. 8, 1778; a 4-shilling note which bears the inscription "pay on demand by the mayor, aldermen and commonalty of the city of New York at the office of the chamberlain of said city, pursuant to a vote of said mayor, aldermen and commonalty of this date, Jan. 6, 1776." This note contains the words "New York Water Works;" an \$8-note issued by the congress at Baltimore, dated, Feb. 26, 1777.

The collection is yellow with age and wonderfully well preserved. The \$20-note contains the threat, "Death to Counterfeit." The notes entitle the bearer to receive an equal number of Spanish milled dollars or the value in gold or silver equivalent to the amount specified.

FORMER HOLLAND MINISTER TAKEN FOR SPEEDING AUTO

Speeding uphill in a small car to make the grade has the approval of Municipal Judge Carl Blankenburg of Kalamazoo. The court's stand is made known in a ruling in the case of the Rev. J. P. Battema, pastor of the Third Christian Reformed church after the minister pleaded guilty to driving his machine thirty miles an hour. He was released on suspended sentence after he told the judge he exceeded the speed limit in order to get over the hill without shifting into low gear.

Rev. Battema was former pastor of Maple Avenue Christian Reformed church in Holland.

CHAPTER SHOWS APPRECIATION FOR MATRON'S WORK

The Star of Bethlehem held the annual election of officers Thursday evening, and the following officers were chosen: Matron, Mrs. Abbie Ming; Patron, Arthur Van Duren; Associate Matron, Mrs. Claudie Thompson; Conductress, Mrs. Lucile Tyner; Associate Conductress, Mrs. Stanaway; Treasurer, Mrs. Edna Bertsch; Secretary, Mrs. Grace Barnum.

At the conclusion of the election, Mrs. Tyner, on behalf of the chapter, arose and in a well-worded talk of appreciation, presented Mrs. Galentine with a basket of "Kisses" in which was concealed a beautiful Eastern Star Signet ring. Mrs. Galentine has served the chapter during the past year as Matron and it has been one of the most successful in the history of the chapter. Mrs. Tyner called attention to this fact and with the presentation of the ring went the best wishes of the chapter. After the speech, the members did an unusual thing by arising and giving nine raps for the retiring matron so as to express vocally their appreciation of her work. During the past year approximately \$600 has been raised by the chapter for the Masonic Temple Fund, and in other ways the activities of the chapter have borne fruit. All in all it was one of the most successful years of the organization.

The newly elected officers will be installed on the evening of the last Thursday in April. At that time it is expected that the Grand Lodge officers will come to Holland to put on the installation work. In the afternoon of that day there will be initiation exercises.

The Ottawa County Association of Eastern Stars will hold its convention in Marne on April 19 and the members of the local chapter expect to attend that gathering in a body. The chapter initiated 27 members last year and now has a roster of 200.

HOLLAND RURAL CARRIER

TAKES A BRIDE
Mr. Leonard Van Liere, a Holland rural mail carrier, and Miss Ella Leeuw were united in marriage at the parsonage of the First Reformed church on Wednesday evening. The young couple will make their home north of Holland. Mr. Van Liere has been connected with the Holland postal service for a number of years. 12th- and all over the Central

AT LEAST 39 OFFENDERS ASKED TO VISIT CHIEF

Holland High school was practically surrounded by parked automobiles while the Calvin College concert was in progress, and it can be easily stated that more than half of those who came in machines felt economically inclined, turned out their lights before going in to enjoy the music.

Chief Van Ry directed Officer Cramer to make an inspection of the machines and to tag every one of those found without a light lit. Surely Mr. Cramer had to do some licking of stickers for he found 39 offenders who kept their machines dark.

Windshields were pretty well plastered up and many a driver went home rather sheepishly reading the instructions on the sticker as he drove.

The instructions were to call at police headquarters and make explanation why the lights were not burning.

Friday morning all the owners of the plastered cars gathered at police headquarters and Chief Van Ry gave them a heart to heart talk pointing out the provisions in the state law and the danger of having automobiles parked on narrow streets unlighted.

Mr. Van Ry let the matter go with this talk, but will keep one eye open for these same offenders and no doubt on the next occasion there will be a fine.

TWO HOPE STUDENTS WIN SCHOLARSHIPS

Harvey Kleinheksel of Holland and Herman Beuker of Grand Rapids, members of the Senior Class of Hope College, received word Saturday through Dr. A. T. Godfrey, head of the department of chemistry, that they have been awarded scholarships by the university of Illinois. The scholarships are in the department of chemistry and are based on work done by these students in chemistry at Hope college.

The scholarships entitle each of the students to a stipend of \$300 a year, free tuition and laboratory fees.

A large number of Hope students have been placed in past years on scholarships in the universities.

A WOMAN TO OP- POSE CAR MAPES FOR CONGRESS

"Some day a woman will be president of the United States," said Miss Alita Wheeler, former government attaché at Washington, who has definitely announced her candidacy for the nomination as Republican representative for the Fifth Congressional district.

"Oh no, no, not for a long time. It will take time for that but I believe it will come to pass," she said. Miss Wheeler is running in opposition to Carl E. Mapes and Alvar W. Brown. She is a staunch republican, prominent in the ranks of suffrage, but does not believe in allowing party politics to interfere with legislation which is of benefit to the people, according to a statement made by her.

"As one member of congress has stated I do not believe conditions of the country today are due to lack of legislation in the senate, but I believe it is due to lack of legislation in the House of Representatives."

Miss Wheeler's platform consists of reduced taxation, as the country and state of Michigan is too heavily taxed according to her idea. She also stands for the amendment to the transportation act, as rates at the present time are too high, she added.

"Rates are exorbitant to shippers in the state; also I believe in the rights of labor. Moreover, I am inclined to believe that capital is endeavoring to down labor. Congress to a great extent is farcical, and I am of the opinion that there should be a radical change. I am also of the opinion that the prohibition measure is in the same category."

"When the White House was picketed I was among those who took part. But I didn't try to climb the capitol dome, or anything like that. I merely played my part in the affair. Nothing radical, you know. But inasmuch as I belong to the suffrage party I deemed it my duty to do what I could."

"I aspired to the position of factory inspector," she said, "but for some reason the governor failed to appoint me. Women are coming more and more to the fore in political matters, and it is right that they should. I intend to put as strong a political fight as I can, but there are so many twists in politics that it sometimes seems a difficult matter to conduct a campaign along straight lines. But I shall make no promises and rely on my friends for my success. Too often nowadays politicians embody planks in their platform which they never intend to keep."

APPRECIATION WEEK OF HOLLAND FURNACE CO. IN FULL SWING

The tremendous good-will that has been established by the Holland Furnace Co. for its product is being powerfully voiced just at this time. Probably not a reader of this paper has failed to see the placards on the houses in this city where Holland young couple will make their home furnaces have been installed. This is Holland Furnace Co.'s "Appreciation Week" (April 5th to April 12th) and all over the Central

LOSES \$10,000 SLANDER SUIT

The suit for slander closed in circuit court Friday with a verdict of no cause for action. The suit was brought by Max Rubenstein against Henry Geerlings on the claim that the plaintiff had been injured by the stories which were attributed to Geerlings. Dekema, Kollen & Ten Cate represented the plaintiff and Fred T. Miles and Raymond Visscher appeared for the defendant. Many witnesses from the vicinity of Zeeland were called in the case and the court room was pretty well filled during the trial which lasted two days. The suit was brot about by Rubenstein in this way. The plaintiff is a fur buyer and it seems that the son of Mr. Geerlings had some fur stored up for sale which Rubenstein attempted to buy, but for some reason the bargain was not made.

Shortly afterwards the furs were stolen and the talk was noised about that the fur buyer had taken them, which proved untrue for the real thieves were apprehended later.

Rubenstein claimed that Henry Geerlings had started the story (not our Henry) and consequently sued the Zeeland man for \$10,000 for slander.

The jury however felt that there was no cause for action and thus Rubenstein will get no damages.

NEW ZEELAND POSTMASTER GETS HIS COMMISSION

During the past week Wm. Claver of Zeeland received his commission as postmaster of Zeeland city, which became effective Saturday April 1. Mr. B. Kamps, former postmaster has retired; Adolph DeKoster has been appointed clerk while Leslie Kamperman has temporarily been appointed assistant clerk pending a civil service examination to be held Saturday. Miss Lena Brummel retains her position as assistant postmistress.

GRAAFSCHAP PIONEER PASS- ES AWAY ON WEDNESDAY

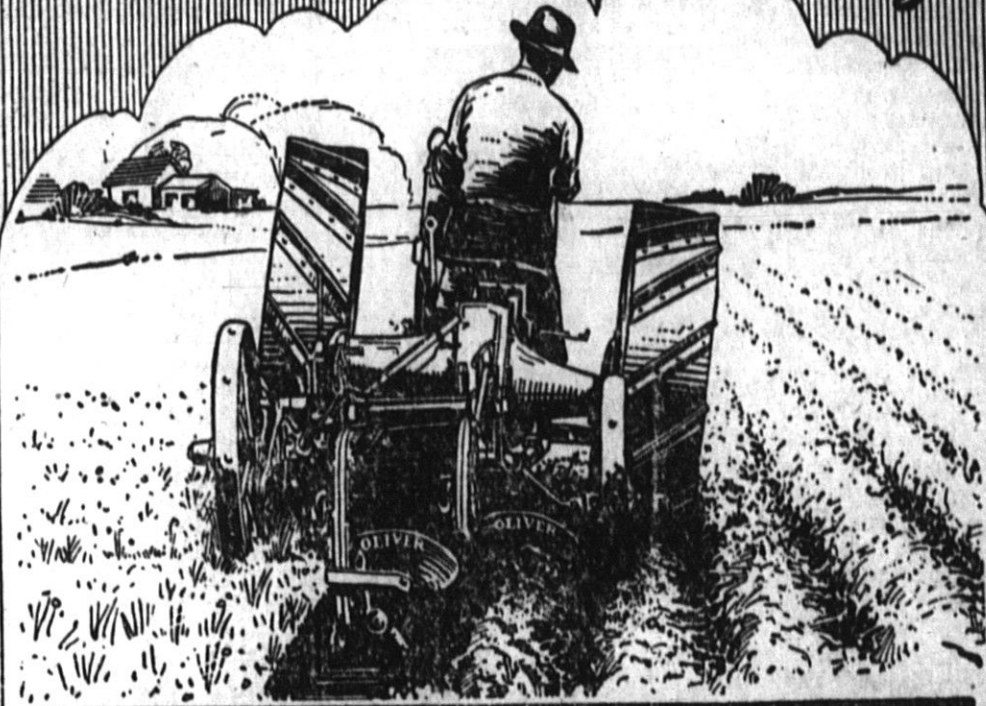

Dirk Nyland, a very old Graafschap resident, died yesterday. Mr. Nyland was born in the Netherlands and came to America as a boy. He has lived on the farm about a mile east of Graafschap practically all his life while in America. He is survived by the following children: Edward, Gerrit, Henry, Bert, Mrs. John H. Beeve, Mrs. R. Hunderman, Mrs. R. Vos and Mrs. Albert Schrottenboer. The funeral will be held Saturday at 12:30 at the home and at 1:30 at the Graafschap Christian Reformed church.

Prof. J. B. Nykerk was in Grand Rapids on business Friday.

Mr. and Mrs. S. L. Henkle are in Chicago for a few days.

Mr. and Mrs. Martin D. Bos and daughter of Spring Lake are spending vacation week in Holland.

Hours instead of Days

On Fordson farms, hours instead of days are required for the plowing. Late Spring with the usual rush of field work does not make the Fordson farmer wonder whether he can get all the crops in, and still do the work in the way that will insure a fair chance for the crop to mature.

And on the Fordson farm, the Oliver No. 7—the special plow for the Fordson—is as dependable a part of the equipment, as the red Oliver horse drawn plow has been for over sixty-five years.

Built to meet the exact requirements of the Fordson, the No. 7 operates at greatest efficiency with the tractor. On thousands of Fordson farms since the first tractors went into the service of agriculture, the Oliver No. 7 has proved its value.

For conditions making desirable a sulky, the No. 3 sulky with either turning or brush base is supplied.

The price at which complete Fordson farming equipment can be purchased is surprisingly low.

For practical demonstration and full information, see the nearest Fordson dealer.

Oliver No. 7, two bottom gang, chilled, combined rolling coulters and jointers,	\$72.00
Oliver No. 7, two bottom gang, steel or combination, combined rolling coulters and jointers,	\$75.00

For plain jointers taken instead of the combined rolling coulters and jointers, a reduction in price is made.

Your Piano —an intimate associate

Style 4, Modified Chippendale

THE early joy of possession of a fine piano like the Bush & Lane, becomes, by daily use, something deeper in feeling. And, as the years go by, an instrument of merit like this becomes "your piano," a possession of great personal intimacy.

So it is, indeed, wise when selecting the piano which grows into your life in that manner to be sure it has not alone outward grace and beauty in appearance. Only that piano will be a joy unbounded which has built into it superior tonal beauty too.

Even that is not enough; your piano must also have the inherent quality of long life built into its every fibre and timbre.

A fundamental of tone-quality is the soundboard which is the heart and soul of a worthy instrument. The Bush & Lane piano is possessed of a soundboard most scientifically made. Crowned like a violin top and constructed in so sturdy a manner that years of service mean nothing but improved mellowness and continued volume of tone.

In twenty or thirty years you'll be grateful that you selected a Bush & Lane piano, which is worthy for accomplished musician and amateur alike. This, because all the fine feeling of true art is expressed in design and enduring finish, and its superb, sweet tone continues through all the years.

MEYER'S MUSIC HOUSE HOLLAND, MICHIGAN

States the Holland house cards are to be seen just as they are here. Countless thousands of houses will thus be labeled as cosy, worth-while homes. Incidentally, it is another great big lot of advertising for our city without one penny's cost to us.

In connection with their "Appreciation Week" campaign, the Holland Furnace Company is going to clean and inspect every furnace they have installed, free of charge. It has been announced in full pages of great metropolitan papers that go in to nearly three million homes. This is a Special 1922 Service, and is given by the Company in appreciation of the wonderful boosting that "Holland" users have done during the passing period of business depression. The Holland Furnace Co. frankly state that their increase in business right while many others tire country, is better understood in the heating field suffered hard right here at home, now that we

see whole blocks of houses—all Holland heated—and hundreds of Holland furnace customers right here at the factory door.

This Holland Free Service and Good Will Campaign is certain to be considered, in the Great Central West, as one of the outstanding business features of the year. It is very interesting and fortunate that such a campaign could be centered around the city of Holland.

It seems that this is an animal story which is appearing in the state press about Saugatuck. That cat sure has nine lives. Anyway, here it is: "Soaring lazily over the farmyard of Ted Richards east of here, a huge chicken hawk late Thursday afternoon spotted what looked like a good meal. Pouncing down upon the Richard's family cat it carried the unwilling aerial traveler up toward the clouds. Feathers flew in a thousand directions, over and over the combatants turned, fighting and gradually falling until they landed with a terrific thud. When Mr. Richards arrived to where the battlers had fallen he found a dead and badly mutilated hawk and upon returning to the house there was his Tabby as unruffled as if she had just awakened from a peaceful nap."

Some very fine color work in photography is being shown in the window of the Erie book store. While John Nagelkerk of Zeeland was driving home a few nights ago the steering gear broke when they approached the corner of Main and Church streets at Zeeland. Before he could manage to stop his machine it collided with three others, first striking Corey Hirdes' truck which was parked in front of Van Harten's market, damaging a tire; next it struck the Ford coupe of A. Vanden Bosch parked nearby, also injuring a tire; and last banging J. Haan's machine, smashing the tail-light and bending a fender. The Nagelkerk machine was also considerably damaged; in fact it took the count after the third round.

Mrs. E. Fairbanks probably enjoyed the concert broadcasted by the Radio Transmitting Station W. W. J. of the Detroit News, more than any one else in Holland. The reason was that her daughter Miss Doris sang a solo via radio and her voice was so clear that her mother recognized it immediately. It is the third time that Miss Fairbanks has been on W. W. J.'s program. Mrs. Fairbanks, listened in at the home of A. T. Sirrine.

A complete organization of every district in Ottawa county is being planned by the new officers of the Ottawa County Sunday School association within the next two months. Sunday school rallies will be staged in Holland, Zeeland, Grand Haven and Hudsonville along the lines held at Conklin last week. Although Ottawa county has maintained its place among the strong organizations in the state the leaders are of the opinion that more effective work and better results can be realized through real live organization methods.

The W. C. T. U. will meet Friday afternoon at the home of Mrs. A. Smeenge, College avenue and Ninth street. Papers will be read by Mrs. H. W. Smith and Mrs. George Albers. Devotions will be by Mrs. A. H. Meyer, Current Events by Mrs. C. Van Duren. Miss Elizabeth Zwemer will sing a solo. Tea will be in charge of Mrs. Cobb. Parliamentary Law class begins at 2:30.

That new peace dollar sure looks like a full measure. However it goes to show that the prophesy published in this space some three years ago was only too true, namely that the saver who did put away a snug savings account when the purchasing power of the dollar was small, but dollars were easy to get, are now reaping a rich reward, not counting on the compound interest this bank pays to all its savings depositors.

We have hundreds of those kind of happy savers in our long list.

Miss K. Vinkemulder of Holland visited her sister at The Moody Bible Institute of Chicago.

The Misses Pagel and Parker, teachers at the Lakeview high school spent the week end with Mr. and Mrs. W. Zietlow, 210 West 11th street.

Rev. James Wayer attended the ministerial conference at Grand Rapids Monday. Florence Klouw and Arthur Mulder both of Hope College are spending their spring vacation with their parents at Spring Lake.

Rev. J. P. Battema of Kalamazoo occupied the pulpit of the Maple avenue Christian Reformed church Sunday. This was Rev. Battema's former charge.

Mrs. Gertrude Burt of Detroit, a former resident of the North Side, is the guest of old friends and neighbors for ten days.

Thomas Halley left for Chicago for a week's visit with friends and relatives.

Mr. and Mrs. William Orr, Mrs. Minnie Robinson and Fred Coleman motored to Benton Harbor over the week end and were the guests of Mr. and Mrs. Byron Beerman. Mr. Beerman is one of the officials of the Graham & Morton line.

Attorney Jay Den Herder has just returned from the Northern Peninsula where he went to Rudyard on legal business.

Miss Reka Ensing of Grand Rapids was the guest of Mrs. H. Ensing 12 W. 16th St. over the week end.

Mr. and Mrs. James Schoon of Grand Rapids were the guests of their parents, Mr and Mrs. Peter Schoon, West 16th street.

The program of the Woman's Literary Club Tuesday afternoon consisted largely of reports of the district convention of women's clubs held at Owosso last week. Mrs. C. J. Dregman told of the morning session. She said that 78 delegates were present and that they represented 1700 members. Most of the delegates reported that their clubs were engaged in community service.

So good was the report of the Holland club that Mrs. Dregman was allowed four minutes instead of the allotted two minutes.

Mrs. G. J. Diekema summarized the speeches given at the afternoon

session by Dean Sweeney of M. A. C., Mrs. Alvoord, president of the State Federation, and Mrs. Dorian Russell.

Mrs. G. E. Kollen, president of the Central District Federation, reported that it was the largest convention held so far. She said that Mrs. Alvoord had reported to the National Federation that the Holland club has the most activities of any woman's club in Michigan.

The second week in October it is planned to hold at Holland a meeting of representatives of all women's clubs in Ottawa county with a view of forming a county federation.

The musical numbers on the program consisted of the singing by Mrs. Arthur Vischer of a song cycle "Songs of the Madonna," words by Alfred Noyes air by Chas. Willeby, and the playing by Miss Blakesley of a pastorate by Mozart.

Mrs. H. Teipel joined the club as associate member. Each member was urged to be present at the next meeting when a collection will be taken for the Michigan Children's Home Society. It will be Michigan Day and the program will be in charge of Mrs. J. C. Post. Each member is expected to pay her dues before next week, as everything is ready for the printing of the year book.

Prin. J. J. Aemeroma Tuesday announced to the High school the names of the pupils who had the highest standings during the four years of their work in the school and who consequently will have the honor of representing the class at commencement time as valedictorian and salutatorian.

Miss Gladys Fairbanks, daughter of Mr. and Mrs. A. J. Fairbanks, 274 West Tenth street, won the highest honors with a standing for the four years of 96.83. This is the highest standing any high school pupil has attained for as far back as the records show. Miss Fairbanks will be valedictorian of the class.

John Henry Albers won second honors with an average of 95.76. Mr. Albers moreover finished his high school course in three and a half years. His sister, Miss Jeanette Albers was salutatorian of her class last year, with a standing of 95.75. Mr. Albers will be salutatorian.

Miss Dorothy Dick won honorable mention because her standing closely crowded that of Mr. Albers. Her average for the four years was 95.70. Anna Meengs won fourth honors with an average of 95.03.

Thirty-five of the members of the graduating class have an average for the four years of 90 or above, while the average for the whole class is 88.012. The class has 90 members, which is three less than the number that graduated from the high school a year ago.

The commencement exercises this year will be held on the evening of June 20.

MISS EVELYN KEPPEL DIRECTOR'S ASTER MUSIO

Miss Evelyn Keppel, director of the choir of First Reformed church, has arranged for a special program of Easter music. Miss Keppel will be assisted by her sister Miss Ruth Keppel, violinist and Mr. George Dok, organist. The artists in charge are remarkable in their respective arts and the choir under their direction will render a very acceptable program Sunday evening. The numbers that are to be given follow below:

Opening Voluntary — Adoration (Holy City) Gaul; Processional—Christ is Risen; Anthem—The Resurrection, (Armstrong); Incidental Solos, Miss Martha Barkema, Mr. G. Ter Beek; Scripture Reading and Prayer; Solo—The Palms, (Faure) Mr. John Ter Vree; Sermon—"Hosanna to the King"; Offertory Anthem—Sanctus, Gounod; Violin solo—The Old Refrain, (Kreisler) Miss Ruth Keppel; Solo—Hosanna, (Granier) Miss Evelyn Keppel; Quartet—"Adore and be still," (Gounod) Violin Obligato; Solo—"The Lord is My Light" (Allison) Mr. Gerrit Ter Beek; Anthem—"As it began to dawn" (Lansing); Benediction; Organ Postlude—Triumphal March, (Verdi).

WOULD BE FLAPPERS ANNOY AUDIENCE

Some would be flappers who occupied seats in the front row of the gallery at the high school auditorium Friday evening were the source of a great deal of annoyance to the patrons of the band concert. Some five in number persisted in throwing spit laden paper wads at the audience below.

A representative of this paper occupied a position in the midst of the fire and noticed how annoyed the ladies were who received these missiles on their faces and on their clothing. On three separate occasions, representatives of the band went up to stop this dirty procedure, but apparently the so-called ladies persisted in having their way in the matter.

A constant giggling and laughing was also kept up to the annoyance of everyone and the beautiful numbers given by Cady, Knight and Cady, were really spoiled because of the silly laughter that these would-be flappers persisted in keeping up.

There has been more complaint coming in because of similar procedure during other concerts. The dirty paper wad habit from the gallery it is said has been quiet common.

This paper is willing to publish the names of either boys or girls upon good authority if this procedure is continued. It is filthy to say the least.

COUNCIL DECIDES TO ABIDE BY THE PEOPLES' VOTE

The common council at their charter meeting Thursday evening decided that the decision of the people of Holland was good enough for them so far as the daylight saving question goes. The council had the legal right to fix the limits of the new time in any way they saw fit, the decision on it on election day having been merely a "straw vote." But the aldermen decided that the "straw vote" was a bona fide expression of the will of the majority of the voters and hence they decided to abide by it. By this action the council automatically turned down the petition of the Holland Merchants' Association to have the time made shorter than the ballot called for.

The new time therefore will go into effect on Sunday morning April 16. The people of Holland will be asked to change their clocks on Saturday night, April 15, and arise the next morning by the new schedule. It is expected that all the churches in the city will hold their services in accordance with the new time Sunday the 16th.

There was some discussion at the meeting of the aldermen in favor of changing the time limit, but the majority of the council members believed that the vote was a clear instruction from the people of the city. Another fact that governed the decision was that the other cities in this locality will change their clocks on Saturday night, April 15.

City Clerk Overweg called up Grand Haven a few days ago and was told by the officials there that Grand Haven would be governed by Grand Rapids. A call to Grand Rapids brought the information from City Manager Locke that that city would go on the new time schedule on Saturday night, April 15. Thursday Zeeland called up City Clerk Overweg to find out when Holland will make the change. Presumably Zeeland, which voted for daylight saving by a margin of thirteen, will change at the same time Holland goes on the new schedule.

Merchants from Holland and other towns in this general section, including Zeeland, Saugatuck and Douglas, will visit Grand Rapids on May 7 as the guests of the wholesalers division of the Association of Commerce. The merchants will arrive about 10:30 a. m. and will be entertained at a luncheon meeting at the Association of Commerce cafe. Entertainment and visits to the wholesale houses will be arranged.

SEVERAL NEW FACES ARE ON THE BOARD OF SUPERVISORS

There will be several new faces on the board of supervisors, when that body meets for its organization session next week.

Tuesday April 11 has been figured as the date for opening the session and supervisors will come together for the first time on the afternoon of that day. The organization of the board will be completed at the first day's session and the attention of the board will be occupied by considerable business which has accumulated since the last session.

Andy Peterson who has previously held the position will come as supervisor from Crocker township. Roy Lowing will represent Georgetown on the board this year in place of Frank L. Chamberlin. George Maierhauser Sr., will be the supervisor from Grand Haven in place of M. F. Donahue. E. A. Hambleton who served as a member of the board for many years from Wright township is coming in place of Glen Luther, who served last year. The board of supervisors will be composed of the following members: John Ossewaarde, Allendale; Robt. L. Johnson, Blendon; James Chittick, Chester; Andy Peterson, of Crocker; Roy Lowing, Georgetown; George Maierhauser, sr., Grand Haven Township; John Y. Huizenga of Holland township; Gerrit Yntema, of Jamestown; Philip Vinkemulder, Olive; Luke Lugers, Park; Chester W. Richards, Polton; Henry A. Tripp, Robinson; David M. Cline, Spring Lake; E. A. Hambleton, Wright; Gradus Lubers, Zeeland; Barton W. Elliott, John F. Van Anrooy, Louis R. Osterbos, P. W. Verhoek, Grand Haven city; Casper W. Nibbelink, J. J. Rutgers, Henry Vander Warf, of Holland city; M. C. Ver Hage, Henry Roek, Zeeland.

ANOTHER RESORTER COMES OUT AGAINST CARP FISHING

E. H. Gold of Marigold Lodge has added his protest to others against seining Black Lake for carp. Mr. Gold has sent the following correspondence to the Sentinel for publication: Dear Editor—

As owner of considerable improved resort property on Black Lake, I want to add my protest to that of others quoted in your columns recently in reference to the seining for fish in Black Lake during the winter months.

Possibly my sentiments can best be expressed by referring to a letter I wrote March 14 to the State Game and Fish Warden, copy of which is herewith enclosed.

As a payer of taxes amounting to something over \$1200 per year on my property located on Black Lake, and as an employer of at least ten men required to maintain my place the year round and a considerable larger number during the six months of summer, I feel that I am entitled along with the other owners of Black Lake property to have our interests protected against the issuing of permits for this special concession to a few.

Yours very truly,
Egbert H. Gold.
State Game and Fish Warden,
Lansing, Michigan.

Dear Sir:— I have read in the Holland Sentinel of March 4, the letter written by Dr. D. T. Vail, of Cincinnati, in which he condemns the issuing of permits for the netting of carp in Black Lake.

As owner of considerable resort property on Black Lake, I want to endorse most emphatically everything Dr. Vail has so well said in his letter to you, and I want to add my protest to his against issuing of permits for carp fishing through the ice.

It seems to me out of all reason that these permits should be issued for the financial profit of very few people when the damage done to others and to investment of very considerable sums of money in resort property amounts to so much, far outbalancing any possible pecuniary advantage to the few people interested in taking the carp.

With the elimination of the sewage at Holland now emptying into Black Lake, which, as you probably know, is a matter that will soon be taken up and acted on by the City of Holland, and the elimination of

Allegan will have a free chautauqua this summer. Rev. F. A. Patterson, D. A. Killian, F. C. Barbee, and Burrell Tripp compose the committee. Holland will also have a chautauqua since a representative was here soliciting pledges and secured the required amount. No doubt another location will have to be found for the new junior high school will be in the course of construction about that time.

The three days' spring sale, taken all in all, proved very successful according to many of the merchants. In fact it is stated that the last two days were the best and larger crowds began to arrive in the city as the days of the sale advanced. On the whole the merchants are well satisfied.

this entirely unnecessary carp fishing there is no reason why the waters of Black Lake should not again assume the desirable condition that we all know existed some years ago, at which time Black Lake was a body of clear water and free of weeds and objectionable features.

Yours very truly,
Egbert H. Gold.

WORK IS BEGUN ON SENIOR CLASS PLAY

Miss Metz, who is to coach Booth Tarkington's well known play "Clarence," which is being staged by the Senior class of Hope College, is getting the cast for the play ready to begin practice during the course of this week. The famous author has woven into his latest comedy four principle parts, with a strong supporting cast. "Clarence" the hero, a mysterious personage, is set about the most menial tasks. He mends the bathroom plumbing, he tunes the piano, he types, plays the saxophone—in fact does everything from a specialty to driving mules. Around him revolves such a group of characters as only Booth Tarkington can offer. It is a real American comedy, and the audience ripples with appreciation and delighted laughter.

The cast of characters that have been selected by the class are: Tennis Baker, Helen Smith, Peter D. Vries, Henrietta Van Putten, Marnie Scholten, Dick Blocker, Susan Hamelink, Matthew VanOostenburg, Anna De Cook, and Henry Haarsevoort. The play is to be given perhaps May 11-12.

interested in fishing and hunting are asked to attend this meeting and to become members of this new organization.

The new club is frankly for the purpose of protecting the interest of local people in the matter of fishing especially. It seems to many people in Holland that during the past few years the state legislature has put over some deals in regard to fishing that are highly obnoxious and that do not serve any good purpose. And in regard to the laws once on the statute books, there have been rulings that, it seems to some, have not been in the best interests of the people. It is for the purpose of combatting such tendencies that the club is being formed.

At least that is one of the reasons for the organization. There has been a great deal of friction in regard to fishing regulations the past year or so, and this agitation is taking concrete form in an organization now

that will be able to crystalize public opinion on the subject and bring pressure to bear with the proper authorities. Last winter when wholesale arrests were made on Black Lake by an out-of-town deputy game and fish warden for catching perch a quarter of an inch under the required seven inches, it was freely predicted that there would be a repercussion from those arrests in the legislature at Lansing, and the formation of the new club in Holland is only a straw in the wind showing how things are shaping themselves.

The purpose of the club are given in the following statement: "We, the undersigned hunters and fishermen of the city of Holland, desiring to organize ourselves into a club for the promotion of the sports of fishing and hunting with due regard to the law and for the purpose of obtaining rulings as to the validity, force and effect of existing laws, as well as influencing sane and salutary legislation in the future, do hereby agree to become members of the Holland Rod and Gun club, organization of said club to be perfected at a meeting to be held on or before the 15th day of April 1922."

HOLLAND'S COZIEST HOMES DEFINITELY LOCATED.

Holland Furnace owners have spoken as a unit. They have shown that "Holland Furnaces Make Warm Friends" is much more than an advertising slogan. The cards on Holland heated homes during the past week have spoken the thought that our customers have spoken, one to another, for a long time.

Several of our good Warm Friends have requested that the cards be left up longer than one week. They not only enjoy the expression of appreciation of good heating service, but they realize the value of telling people, other than their acquaintances, that their homes are cozy and healthful to live in.

Once more we want to thank our many Warm Friends for their great co-operation. Never have we received more enthusiastic letters than during Appreciation Week. Now that so many folks have written their thanks for the privilege of putting up the cards, our own faith in The Holland Furnace has been doubly renewed.

Chiropractic (SPINAL) Adjustments Will Remove the Cause of DISEASE

WHY?

Q.: Why do students from Japan, New Zealand, Australia, Canada, Great Britain and other foreign countries come to this country to study the Science of Chiropractic?

A.: Because the citizens of these countries have been convinced that in this Drugless Health Science a satisfactory solution of the Health Problem has been found.

Q.: Why does Chiropractic succeed where all other methods fail?

A.: Because Chiropractic does not bother with the effect of so-called Disease, but deals solely with the cause.

Q.: In what manner does Chiropractic deal with the cause?

A.: The Chiropractor recognizes the proven fact that the majority of diseases are caused by a subluxation (displacement) of the vertebrae (small bones of the spine) which produces nerve pressure, preventing the vital force flowing freely from the brain through the nerves to the various organs. By palpation he locates the subluxation and adjusts same. The nerve pressure is relieved and Nature does the rest.

Q.: Is it not a fact that Chiropractic and Osteopathy are one and the same thing?

A.: Emphatically NO! The Chiropractor uses nothing but his bare hands. He knows just what vertebra is subluxated and adjusts it. His adjustment is specific; the Osteopath is not specific. He manipulates and uses massage. Call at our office and see letters from the leading Osteopathy schools in the country, which state Osteopathy has nothing in common with Chiropractic.

If you are sick, consult your Chiropractor; he will give you a spinal analysis, and if necessary Chiropractic Vertebral Adjustments.

It matters not what ails you. The probability is that the cause of your trouble is nerve pressure, and Chiropractic will give you the desired result—HEALTH.

WANTS STATUE OF
VAN RAALTE IN
CENTENNIAL PARK

Dear Editor—

I have read with interest from time to time the different articles written for the Sentinel by men and women on the subject on what to do about a memorial for the 75th anniversary of the founding of Holland. I for one would like to see that the people in general would be more free to write in the public pulse of the Sentinel on the topics of public interest; it seems to be left to a few. There is no doubt that nearly all the readers of this paper have an opinion also on this subject and many, including myself, do not give it in print.

The last writer on this subject, Mr. Van Donselaar, states he would like to hear from the sons and daughters of the first settlers. This is what prompted me to write. Well, my parents were of the early settlers; they came to Holland in 1850, and lived for thirty years on the corner of Central avenue and 9th St., where now the brick lot Reformed church stands, and I can just remember that Dr. Van Raalte came to our home very often, took a meal, offered prayer, and conversed on the subjects of the day. Those days dressed differently in those days than they do now. Anyway Dr. Van Raalte used to wear a plug hat, a great deal, and a shawl instead of an overcoat; he is not the only one who dressed in that way. There was Manley D. Howard who came to this office with a high hat and a shawl over his shoulders, and others.

As to how to commemorate the event of 75 years, I would like to see them have a blow-out, have the name of Centennial Park changed to "Van Raalte Park," and have a statue in the park, but in my opinion we can have the two latter ones. We go to towns like Muskegon, Grand Rapids, and we find the statues there in the parks of some of their foremost citizens, and they not Holland?

I remember that some months ago the mayor called a meeting to discuss this matter and it was not well attended, I am informed, and I believe the reason of it was that it was again a matter that money was heeded and the times probably were not favorable for that and it does not seem fair to burden the business men with it, as so much of this kind of a thing is done. I have a different plan of raising the funds for this statue or bust. The people of Holland as a whole, and it seems to me, it would be nothing out of the way to put the expense on the taxes. I am sure if the Dominion was living today and would offer this valuable piece of property which should now be worth \$100,000 to the city for park purposes, with the understanding that it should be named after him, and the city bear the expense of improvement and a statue, it is my opinion that the city dads would get up in the middle of the night, if necessary, to sanction the offer, and why should they not do it now, after the Dominion was big-hearted enough to give it voluntarily without any strings tied to it? I believe Dr. Van Raalte has this coming of the people of Holland.

D. J. Te Roller.

William Winstrom of the Winstrom Electric Company has added to the things electrical in his place of business radio receiving sets that will be placed on sale, in fact one has already been purchased by B. P. Donnelly of this city.

Thursday night at least fifty people gathered at the store in order to listen to what the outside world has to say.

Messages from ocean boats came saying "Hello, America" in order to make connections.

Concerts at Chicago were heard, messages were received from Newark, N. J., and Detroit.

The Winstrom store was open to the public every evening this week and the Holland people who wish to "listen in" of an evening have the privilege to do so.

Mrs. James Wayer entertained the Woman's Missionary Society of the First Reformed church Wednesday afternoon at the parsonage. A delightful program was given consisting of songs by Miss Martha Binkema and Mrs. Ellerbroek, and an address on mission work in Kentucky by Miss Huntley of Kentucky. Mrs. S. Vander Werf was elected a life member of the Woman's Board of Domestic Missions.

The real surprise of the meeting came at the end of the gathering when the members presented Mrs. Wayer with a beautiful wrist watch. It was a complete surprise to Mrs. Wayer. The present was in appreciation of the work done by Mrs. Wayer for the organization. Mrs. Wayer is president of the society.

JOHN ARENDSHORST
WINS IN CONTEST
FOR JUSTICE

One contest that developed out of the election of last Monday has been settled with the naming of John Arendshorst as justice of the peace. No name appeared on the ballot Monday for this office and it was up to the voters to write in a name. A large number of voters left this space blank not having paid any attention to the matter before election. A comparatively few wrote in the names of their choice.

On Monday night when the ballots were counted, the first ward failed to count the votes for justice. This was due to a misunderstanding on the part of the election board, the members of which misinterpreted a ruling that came to them in regard to the matter. As a consequence the ballots went into the boxes and were sealed without a decision.

In the other five wards the justice ballots were counted as usual and Ernest Brooks was found to have landed the office by a margin of 13 votes, Brooks having a total of 83 and Mr. Arendshorst 70. Thursday night at the special meeting of the council, Mayor Stephan appointed a committee to canvass the vote of last Monday in accordance with the charter provisions, and one of the tasks of this committee was to open the ballot box of the first ward and count the vote on justice.

The result was that Arendshorst received 51 votes in the first ward Brooks 16. This gave Arendshorst a total of 121 in the city and Brooks a total 99, Arendshorst winning the election by a margin of 22 votes. The office is for a term of four years.

The committee named by Mayor Stephan to canvass the vote was composed of Aldermen Wiersma, Damstra and Vanden Brink. All three of these aldermen will retire at the end of the present administration, and this was Mayor Stephan's last opportunity to give them a special committee appointment.

William Clock a member of the senior class of Allegan high school has received the appointment of first alternate to the Annapolis Naval academy. The selection was made through Representative J. C. Ketcham. Clock has been a leader in school work, taking an active part in the athletic, social and scholarship life of the institution.

COMMON COUNCIL

Holland, Mich., April 6, 1922

The Common Council met pursuant to charter provisions to determine the result of the election held April 3, 1922 and was called to order by the Mayor.

Present—Mayor Stephan, Ald. Blue, Prins, Vanden Brink, Brieve, Laepple, Kammeraad, Brinkman, Lawrence, Damstra, Dykstra, Wiersma and Vander Hill—12.

The readings of minutes were suspended. The mayor appointed Ald. Wiersma, Damstra and Vanden Brink special committee to canvass the vote cast at the election held April 3, 1922.

The Council here took a recess. After recess the Council having been called to order, the Mayor, all of the aldermen and the clerk being present, the special committee appointed to canvass the vote cast in the several wards of the city at the Charter Election held April 3, 1922, reported having made such canvass and submitted a tabular statement of same.

On motion of Ald. Wiersma, Resolved, that the report of the votes cast for the several offices be and the same hereby is adopted, and that the several persons who have received a majority of the votes cast for the respective offices for which they were candidates, be and are hereby declared elected to such offices as follows:

To the office of Mayor—Evert P. Stephan
To the office of City Treasurer—Merk Bowmanster
To the office of Member of Board of Police and Fire Commissioners—John S. Dykstra
To the office of Justice of Peace—John Arendshorst
To the office of Constable, 1st ward—Dave O'Connor

Carried.

The said Special Committee further reported that the unofficial ballot cast on the proposition "Shall the City of Holland adopt Daylight Saving (Sundial) by setting the hands of its clocks ahead one hour from April 16 to October 1st, 1922", resulted as follows:

	1st	2nd	3rd	4th	5th	6th	Total
Yes	265	103	293	400	362	263	1311
No	321	86	285	292	289	158	1431

On motion of Ald. Lawrence, The report of the committee was adopted by Ayes and Nays as follows:

Accepted and the Treasurer ordered charged with the amount.

The City Treasurer reported the collection of \$2976.50 from Holland Hospital, \$15.73 from the sale of manhole covers, and \$11.50 labor and use of roller.

Accepted and the Treasurer ordered charged with the amount.

The City Engineer reported relative to building lines as follows:

Recently I have been asked to give building lines for store buildings to be erected at the corners of Maple Ave. and 17th street and Van Raalte Ave. and 17th street.

In looking over these location, both of which are in good residence districts, it appears to me that the residences should be considered first, and that the stores should be placed on the lots in such locations that the value of the adjoining property will not be depreciated too much.

With this in view I believe that the stores should not be built nearer than 16 ft. from 17th street lot line, nor nearer than 5 feet from the lot line on the avenue on which it is to be built.

A request has also come in for a building permit for a garage on Ninth Street between River avenue and Central avenue.

It is planned to build the building 126 feet deep, having six feet at the rear for alley purposes if an alley should at any time be opened up in this block. This would make the front line of the building, 94.50 from the line of the lot, or the building line 94.50 the lot line will be the same.

I respectfully request that these building lines be approved by the Common Council 140 lines be approved by the Common Council 28.00 of the distances from the lot lines to the building lines meet with with your approval.

Adopted and approved.

The Clerk here reported that at a meeting of the Board of Police and Fire Commissioners, April 4, 1922, the Chief of the Fire Department submitted his annual report for the year ending April 1, 1922, and that the same was adopted and ordered submitted to the Common Council.

Accepted and filed.

A meeting of the Holland Radio Ass'n will be held Friday night at 8 p. m. in the high school building in room 305 instead of Thursday. A receiving outfit has been installed and those wanting to hear music by radio are cordially invited to attend.

Good Friday will be observed in practically every city church this week and special programs have been arranged for Easter Sunday in a large number of the churches.

Be sure and set your clock ahead Saturday night one hour and save an hour's daylight. Remember, that's the way you voted on election day by a majority of 359. No doubt most of the churches next Sunday will begin services according to the new time.

Con De Pree has returned from a two weeks' business trip to California.

The state high school shorthand and typewriting contest for this district will be held at Muskegon, April 29. Last year Holland high was represented by several members from the commercial department. Lillian Scott carried off the honors in the district contest and won fourth place in the state contest, held at Muskegon. It is hoped that some of the local students will do as well, or even better, this year. The contestants who will represent Holland high at Muskegon have not yet been chosen.
