Public Invited

To hear

JUDGE THOS. E. O'DONNELL

At

Eagle Hall

SATURDAY EVE., APRIL 14

His subject will be of vital interest. Mr. O'Donnell comes under the auspices of the Holland Eagles.

## MAGGIE ARENDSMA CASE NOW TRIED IN SUPREME COURT

TWO LOCAL ATTORNEYS ARE NOW AT STATE CAPITOL ON LIQUOR CASE

The prosecuting attorney has gone to Lansing, where he represents the state in four cases that have been appealed from this county, all cases involving the Prohibition law; two of them arose at Holland and two of them at Spring Lake.

All the cases were tried in the circuit court before a jury and resulted in verdicts of guilty and all the cases have been appealed by the respondent to the Supreme Court where they will be argued before that court on Thursday or Friday of this week. The prosecuting attorney, of course, appears and presents the People's side of these cases. They are as follows:

People vs. Edward Fons, charged with keeping a place, viz: the bar-room in his hotel at Spring Lake where intoxicating liquors, viz: moonshine whiskey was being unlawfully sold and stored.

People vs. George Woodhouse, also of Spring Lake, was tried and convicted of keeping a place, viz: a little blue cottage on Summit Street in Spring Lake where moonshine whiskey was being dispensed at night and stored.

People vs. Maggie Arensma, of Holland, charged with keeping a place where intoxicating liquors were being sold and stored. Mrs. Arensma was tried three different times, and the third trial resulted in a conviction before a jury.

People vs. George Hertz of Holland, also, convicted of keeping a place where liquor was manufactured and stored.

After the argument of these cases the Supreme court will no doubt reach a decision within the next 3 months. Attorney Thomas N. Robinson will appear today in Lansing for two of the above named defendants, namely George Hertz and Maggie Arensma, both of Holland.

## PERE MARQUETTE DOPE SHEET BOOSTS HOLLAND

SAYS THIS CITY MAY OUTSTRIP OTHER MANUFACTURING CENTERS

President Alfred's weekly dope sheet has reached this paper and the first item gives this city a fine boost.

We are trying to read a new depot between the lines for with such wonderful development the freight revenues must be great.

However it does not mention depot, but notwithstanding we thank the president just the same for the boost.

Here it is: "General transportation conditions on the Pere Marquette R'y are such as to reflect healthy business conditions. Prospects tend toward a continuance of the existing conditions, the factories running to capacity and extensions and additions are being talked of for many of these particularly in the Detroit District, which includes Flint and Lansing. This talk is not alone peculiar to this district. For instance, at Ionia the Ypsilanti Reed Furniture Co. is now building an addition to its plant 300x112 feet at a total cost of \$136,000. Holland capital is responsible for the construction of a new plant that will manufacture ironing and washing machines. This plant will be located near the Pere Marquette tracks. Holland has been forging to the front as a manufacturing center for a considerable time now and threatens the status of one or two other manufacturing centers of Michigan. Local enterprise is a marked characteristic of this city."

## Bad smashes will occur

even the most careful drivers are liable to suffer the bad smashes that damage property and play havoc with the other man's car. A slippery road, a child stepping in front of the machine, someone else's carelessness, these and other unexpected dangers are to blame for many a serious accident.

Make a memo now to Telephone 1016

VISSCHER-BROOKS AGENCY,  
42 East 8th St., Holland, Mich.

## INSURANCE

## ATTEMPT AT DELIVERY IS MADE AT COUNTY JAIL

WINDOW JIMMIED, AND CONCRETE AROUND BARS IS CHIPPED OFF

Sheriff Fortney Uncovers and Frustrates Attempt of Alleged Burglar to Escape Jail

Due to the precautions used by Sheriff Fortney in spite of a long continued period of tranquility at the Ottawa county jail, a jail delivery on the part of Frank L. Bower was narrowly averted yesterday and the prisoner is again under lock and key.

While making the rounds of the jail Sheriff Fortney made the discovery that Bower had an iron bar, 18 inches long, one and a half inches thick, in his possession. The sheriff managed to secure the bar from the prisoner and Bower was then transferred to an inner cell.

A window in the cell wall had been partially jimmied, the bars having been forced and quite a bit of cement being knocked away from the wall surrounding. Bower had used his weapon and tool to advantage and was in a good position to make an escape but for Sheriff Fortney's discovery.

Two rivets were left in the bar which was used by Bower and it is presumed that he tore it away from some part of the jail. Bower is apparently rather desperate in his efforts to get out of jail in view of the fact that his case will not come before the circuit court until the August term as he waived examination when arraigned in justice court and was bound over by Justice Lillie.

Bower is quoted as saying that he "wouldn't stay in jail until August," thus indicating that he would attempt some other means of escape. Sheriff Fortney is taking every precaution now with the man who is showing some ferocity.

Bower was brot to Grand Haven with three other men, having been arrested in Grand Rapids for burglary in Zeeland some time ago.

## MANY NEW MEMBERS JOIN AUXILIARY

PROGRAM HELD WEDNESDAY NIGHT IN CITY HALL WAS FULL OF INTEREST

A very interesting meeting of the Woman's Auxiliary was held Wednesday night at the city hall. The aim of this meeting was to make more women of Holland interested in the work of the Auxiliary. Many new members responded to this appeal. The following program was given: vocal solo, Helen Shaw, accompanied by Mrs. Shaw and Basil Mitchell, Holland's famous whistler; Current Events, Anna Luidens; piano solo, Reka Maas; vocal solo, Helen Vander Linde accompanied by Mildred Temple; reading, Helen Shaw. Mr. C. Vander Meulen the speaker of the evening, gave a very inspiring talk on "Ideals." Mrs. Baldwin, chairman of the Fifth District, then gave a report of the executive committee meeting which was held in Detroit. After the program a short business meeting was held.

## HOLLAND PARTY RETURNS FROM FLORIDA BY AUTO

Mr. and Mrs. J. J. Cappon and Mr. and Mrs. E. Schmalfield returned on Tuesday afternoon from Florida where they spent the winter. They made the trip from Florida in nine days' actual traveling, making the stretch from Cleveland to Albion in one day. Mr. Cappon declared that the very worst stretch of road the party encountered on the entire trip from Florida to Holland was in Allegan county on the Morterey road. He called this the worst stretch of road he had seen in many years traveling.

## NOTED SPEAKER TO BE HERE ON SATURDAY

Judge Thomas E. O'Donnell will speak at Eagle Hall before the Fraternal Order of Eagles and will speak on Old Age Pension which the local Eagles as well as the Aeries are fostering.

His subject is of vital importance and the public is cordially invited to Eagles' Hall Saturday evening, April 14.

He will also bring up the question of the helpfulness of the organization, not alone as a fraternal order but also the benefit features enjoyed by its members.

## WILL SET CLOCK AHEAD ONE HOUR SATURDAY NIGHT

Holland will go on the new "day-light saving" schedule next Sunday and the people of this city, to prevent confusion, are asked to set their timepieces one hour ahead on Saturday night. The common council some weeks ago decided to leave the question to the voters, the aldermen merely fixing the dates. The new time schedule will be from April 15 to September 2nd. The voters, by a verdict of nearly two to one, decided on the new time, and it will automatically go into effect on Sunday morning. In Grand Rapids and Muskegon the clocks will also be set one hour ahead on Saturday night and on Sunday the new time schedule will be in effect. Grand Haven has not yet taken action on the matter but it is planned in that city to take steps to get in line with the other cities in this section.

## NEW BOARD OF SUPERVISORS IN AT THE FIRST MEET

HOLLAND MAN PUT ON VERY IMPORTANT COMMITTEE THIS TERM

The Question of Making Two Townships Out of Olive Is Also Being Taken Up

The newly elected members of the Ottawa County Board of Supervisors and those who retained office, met in the court room at Grand Haven and organized for the coming term. Eleven out of the 27 members of the board are new, having been elected in the recent elections.

In the election for chairman of the board of supervisors, Gerrit Yntema, Jamestown supervisor, re-elected to the board in the recent election, was named. Business was at once taken up including the voting upon an auditing committee and other township business.

A list of the new members is as follows: A. Peterson of Crookery, Roy Lowing of Georgetown, G. Mairhauser of Grand Haven township, George Heneveld of Park, Fred Graham of Robinson, R. Bronkema, Tallmadge; E. A. Hambleton, Wright, Charles W. Cotton, mayor of Grand Haven; Peter Damstra and Simon Kleyn of Holland city and John Moeke of Zeeland city. In the voting on the auditing committee, D. M. Cline, supervisor from Spring Lake was elected as chairman and James Chittick of Chester and C. W. Nibbelink of Holland city as other members.

Various other business was transacted including the naming of a committee to look into the matter of the changing the name of part to Port Sheldon township. On petition of Gus Chelean, et al, this matter was taken up and a committee appointed by the chairman to report on the affair.

If changed, the name Port Sheldon, one of the great historic significance in Ottawa county, would take the place of the present name of the township of Olive.

The Board of Supervisors of Ottawa County late yesterday knocked out the petition of Olive township where the west part of the township wanted to secede from the last part and call itself Port Sheldon Township. The Board of Supervisors claim that certain legal requirements had not been followed, consequently those interested will have to try again at the next session of the Board of Supervisors in June.

## WHEN DOES A NEW CAR BECOME A USED CAR?

THREE DAYS' SALE WILL DEMONSTRATE SOME FACTS

It is rather a big undertaking to explain just why or when an automobile becomes a used car," remarked Al Deweerdt of Holleman-Deweerd Auto Co. who with Peter Lieveense of the Peoples Garage will conduct a 3-day sale of used cars at the Peoples garage.

"For instance, suppose a man owns a new car, drives it a few thousand miles and then decides that he wants a larger car or a smaller car, and trades it in.

"This fellow's car is comparatively new up to the last day he owns it, but the next day the same car with the same engine, tires and roadability becomes a used car when it is offered for sale by the dealer.

"There is undoubtedly a greater demand for used automobiles than for any other 'used' property, excepting houses. Several thousand used cars will change ownership in Holland and vicinity this year."

The sale will be conducted at the Peoples Garage on Central Avenue and the two men are having a veritable auto show of used cars. The date of the sale will be Thursday, Friday and Saturday, April 19, 20, 21.

## CUT OUT DEAD WOOD IN COURSES OF STUDY

The Exchange Club celebrated the twelfth anniversary of the founding of the organization at the meeting Wednesday noon.

Just twelve years ago today the Exchange club was organized in the city of Detroit by Charles A. Berkey. The growth of the idea was very rapid from the start and at the present time there are Exchange clubs in practically all of the leading cities in the United States.

Mr. L. L. Tyler, superintendent of Schools of Muskegon Heights gave this club a very interesting and inspiring talk on Education. Mr. Tyler addressed the club about a year ago and made such a favorable impression that he was asked to return at his first opportunity.

Mr. Tyler made an eloquent appeal for a stronger interest in our schools on the part of the public and a closer interest in the curriculum. He stated that the proper supervision of the young pupils in the most formative period of their lives had a most important effect upon their character, ambitions and habits in after life.

He also made an eloquent plea for the cutting out of all deadwood in the courses of study and the inclusion of the study of modern sciences and studies of similar nature which would benefit the students in later life.

Mr. Tyler is a very able and graphic speaker and his address was one of the best addresses which the club has heard this year.

## GRAND HAVEN IS TO HAVE A FINE LARGE HOTEL

CHAMBER OF COMMERCE HAS AT LAST MADE ARRANGEMENTS FOR SAME

A Large Hotel Project For Holland Is Also Under Way by Local Parties

Following a solid week of careful investigation and after six months of diligent preliminary work, the Grand Haven Chamber of Commerce, by special action of the Board of Directors have launched a project to put over a new modern hotel at Grand Haven. Tentative arrangements have been made with the manager and lessee of one of the largest and most modern hotels in the middle west to take over the hotel on completion and operate it on a guarantee income to the investors. The plan is to put the entire project over as a Grand Haven enterprise, built with Grand Haven money.

Says the Grand Haven Tribune:—"The Kyger-Allison Service of Chicago one of the best of the modern organizations of community hotel financiers has been engaged to handle the campaign at the countyseat. By good fortune, it has been possible to engage this organization just at the opportune time which will make it possible for both. Mr. Kyger and Mr. Allison are to superintend the campaign personally. It is expected the entire deal will be put over in one month."

"At Holland a modern hotel to cost \$450,000 is being planned. Two half million dollar projects have been successfully launched at Benton Harbor and Traverse City has its plans for a new hotel well advanced. Muskegon already has a new million dollar hotel and another of first class, while Grand Rapids is too well known as a hotel center to require mention."

Relative to the new Holland hotel spoken of by the Tribune, this matter has been in abeyance for a long time and work is being done on the project, which will mean an up-to-the minute hotel in the city of Holland.

Details are not far enough along however to give any definite statement of the plans.

## HARRIS MEYER IS TO MOVE TO KALAMAZOO

WILL OPEN AN ELEGANT MUSIC HOUSE THERE SOON

Mr. and Mrs. Harris Meyer will soon leave this city for their new home in Kalamazoo, where Mr. Meyer is to open up a new music store in a brand new building located on West Main street, one of the most up-to-date business sections of this beautiful city.

Not alone will Mr. Meyer carry a full line of instruments, but will also have on sale the popular local piano, namely the Bush & Lane.

The Victor people too have interested Mr. Meyer in the Kalamazoo store and he will represent that company with their popular instruments.

Mr. Meyer will have installed in his new music emporium seven listening rooms with double glass and absolutely sound proof.

In these rooms pianos and phonographs can be listened to without disturbing purchasers who have other business in the store, and without conflicting with similar purchases made at the same time.

The new store is absolutely fireproof and by June 1st will house an unusual stock of musical instruments.

Mr. Meyer will still retain his interest in the Meyer Music House of Holland founded by his father, A. H. Meyer.

However Mr. Meyer says that there was a great opportunity open in the "Celery City" and took advantage of it.

It is with regrets however that Holland folks hear of the going of Mr. and Mrs. Meyer. Mr. Meyer is a local boy, is a graduate from both school and college, has been the organist at Hope church for the past ten years, and has also directed the choir there for some time.

His estimable wife was formerly Miss Gertrude Dosker, daughter of Rev. H. E. Dosker of Louisville, Ky. She is a graduate from the Kentucky Home School of Louisville, and is a gifted vocalist.

In order to keep her husband company, Mrs. Meyer will conduct a "Tot Shop" where children's things are to be purchased in the mezzanine section of the store.

## AMERICAN LEGION AUXILIARY TO TAKE THE COLONIAL FOR TWO DAYS

The American Legion Auxiliary has taken over the Colonial theater for two days, next week Wednesday and Thursday, April 18-19, and will give a benefit for the soldiers memorial fund. The attraction presented will be Chas. Ray in his latest comedy drama, "Alas Julius Caesar," one of Ray's very best—a long line of new stunts and laughs amusing and entertaining from start to finish; there will also be shown a special "Ham" Lloyd Hamilton two reel comedy and Fun From the Press. A program of fun that every one will enjoy besides helping the American Legion Auxiliary in a most worthy cause.

Mrs. Frank Marsh, a former Holland resident, now living at Lansing, is visiting her children, Mr. and Mrs. Charles Marsh, W. 16th Street.

## HOLLAND MAN PROMOTED ON THE PERE MARQUETTE

The Pere Marquette bulletin issued from the president's office, Mr. Alfred, Friday carries the following interesting item:

"Arthur J. Roost, engineer on the Chicago division, forsakes the throttle to take the position of Chief Mechanical Inspector. Mr. Roost started with the company during the latter part of 1891 in the capacity of call boy at Holland. He has been successively boiler-maker's helper, fireman and locomotive engineer."

Art Roost will be remembered by older residents and school mates as an energetic individual and well liked by his many friends.

He is the oldest son of the late John Roost and his mother is still living in the West.

He has two aunts living in Holland on West Ninth street, near River, namely Miss Hannah and Miss Jennie Roost.

His grandfather was one of the early pioneers here and with a gang of men helped shovel out a harbor at what was then called "De Mont."

Mr. Roost's friends no doubt, will be pleased to learn of his deserved promotion.

## HOLLAND HAS BEST OF IT IN Y GAMES

Four teams of Junior Y boys came down from Grand Haven Saturday to play four teams of the Holland Junior Y boys, and the local boys managed to capture all the honors. It was a day of genuine fun for the players in the tournament and Grand Haven players gave a good account of themselves, playing better than the scores indicate.

The first teams from each city played good ball, the score being 14 to 5 in Holland's favor. The second teams were unevenly matched and Holland ran away with the score. The third teams were matched 4 to 4 until just before the end of the game when Holland captured the honors by making the score 6 to 4. In the game by the fourth teams Holland again ran away with the score.

Boys of Junior High refereed one game, Martin two games and Secretary Smith one game.

## USES ELECTRICITY TO TREAT PNEUMONIA

Physicians in Michigan are interested in an electrical process for treating pneumonia which has been used, it is reported, with success at St. Mary's Hospital, Hoboken, N. J.

The method consists of the application of 2 1/2 inch x 5 inch plates to the chest and back and the passing of an electrical current through the lungs. This increases the temperatures within the lungs, and its beneficial effect in pneumonia is said to be in breaking up congestion. Heat treatments previously in use did not raise the internal lung temperature sufficiently to clear these organs. The treatments which have been used only in extreme cases, last twenty minutes and are given twice a day, the current being gradually increased and then gradually decreased. There is no electric shock.

## DIES AFTER ILLNESS OF MANY MONTHS

Peter Phernambucq, aged 45 years, died early Sunday morning at his home at 237 First avenue, after an illness lasting many months. Mr. Phernambucq, who was a traveling salesman, had been confined to his home since last fall.

He is survived by his wife, his parents, Mr. and Mrs. C. M. Phernambucq, one sister, Mrs. Ray Hoek, and two brothers, Edward and William Phernambucq. The funeral was held on Wednesday afternoon at 2 o'clock at the home, Rev. James Martin, pastor of the 3rd Reformed church, officiating. Interment was in the Pilgrim Home cemetery.

## ALLEGAN AND VAN BUREN PUBLISHERS FORM UNION

Publishers of Van Buren and Allegan counties held a meeting at Allegan Friday and formed a press association with Fred C. Gallagher of the Allegan News as president.

Other officers elected were, G. B. Brown, vice-president, L. D. Goshorn, secretary and treasurer. The next meeting of the association will be held at Saugatuck next month.

Rev. and Mrs. A. Karreman of Muskegon were the guests of Mrs. L. Mulder, East 14th street, Saturday.

## SOUTH BEND COUPLE WEDDED IN HOLLAND

At six o'clock Friday evening a pretty wedding was solemnized at the home of Mr. and Mrs. Harry Kramer, 119 W. 10th street, when Miss Ruth Brooks of Pound, Wisconsin, became the bride of Mr. John D. Zwemer, Mr. Zwemer, a prominent contractor-builder of South Bend, Ind., was formerly a resident of this city.

The home was beautifully decorated with Jonquils, Snap-dragons, Sweet Peas and Ferns. The color scheme of green and yellow was very beautifully carried out.

The bride was attired in a fawn colored Krepe Knit suit with accessories to match and carried an arm bouquet of snap-dragons. The couple were unattended.

Covers were laid for eighteen guests. Those from out-of-town included Elder C. Sorenson, Mrs. Louis Thorpe and daughter Norma Mae of Berrien Springs, Michigan, Mrs. Martha Harrison of South Bend, Ind. and Miss Ruth Zwemer of Chicago.

Mr. and Mrs. Zwemer will be at home after June 1st in South Bend, Indiana.

## PROMOTERS SAY THERE IS NO FRAUD IN HUD SONVILLE COMPANY

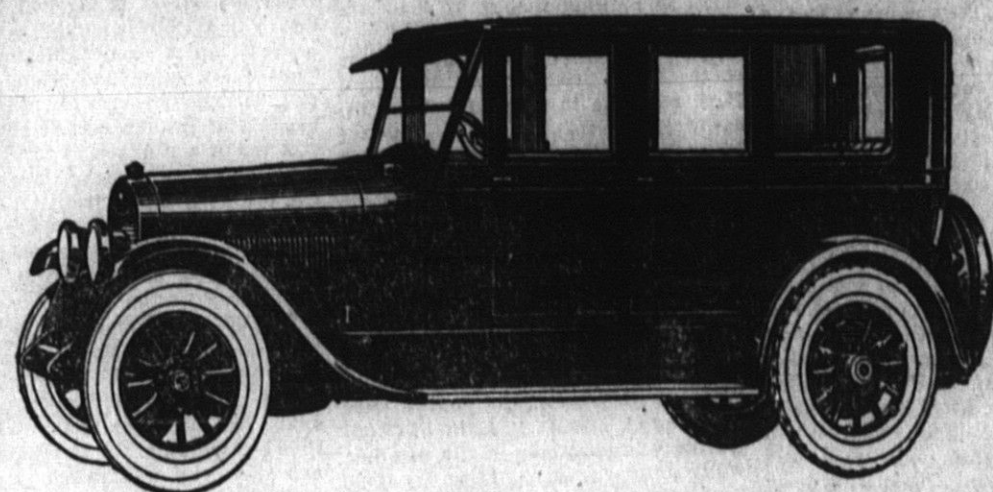

Mr. S. S. McCormick, promoter of the Michigan Food Products Co. of Grand Rapids in an interview says no fraud has been perpetrated.

He says in the Grand Rapids Press as follows:

"Many mis-statements have been made regarding our company. Where anyone could find authority for the report that \$40,000 worth of stock had been sold in this company is a mystery to me and everyone connected with the company."

"There has been \$12,500 subscribed in the preorganization work but only \$1,250 was actually paid in cash. Notes in the amount of \$780 were given and the balance was not to be paid in until the articles of association and incorporation have been approved by the state. These papers were being drawn up in Grand Rapids by an attorney when this trouble developed."

The hearing of the promoters of the company will be held before Justice Eruse in Holland the latter part of the week.

# LINCOLN

Get Behind the Wheel

The  
Seven-Passenger  
Sedan

**\$4900**

F. O. B. Detroit  
Ten Body Types

The ease of mind and sense of security in driving a Lincoln endures from the minute you open the throttle until you are back from the trip.

The 8-cylinder motor—cylinder blocks set at an included angle of 60°, the refinements of which show the greatest engineering skill in the motor car industry, gives to the Lincoln, without qualification, the finest automobile power plant ever developed.

## HOLLEMAN-DE WEERD AUTO CO.

ZEELAND

HOLLAND

BYRON CENTER

## NEAL BALL TO HELP MANAGE SPRINGFIELD, O.

Neal Ball of this city will assist Wild Bill Donovan in rounding the New Haven team of the Eastern League in shape this spring. Ball will go to Wilson, N. C., with that club.

This former big leaguer will serve as assistant to Donovan altho he had reached the decision that he no longer would take part in the national pastime. Ball is one of the most popular players that ever worked on the Western circuit and the New Haven fans are much pleased over the prospect of having him back in harness.

Neal Ball is well known to the fans of Holland. He was always rated as a brainy, hard-working player who realized the importance of taking good care of himself.

## HOLLAND HIGH HAS AN UNUSUALLY EFFICIENT HIGH SCHOOL COUNCIL

Holland high school has one of the most effective student councils in the state. The officers are: Mayor, Egbert Fell; clerk, Lillian Schmidt; treasurer, Bernice Vander Meulen; chief of police, John Mulder; aldermen, Hazel Albers, Elmer Lordahl, Ted Hidding, Leon Kleis, Margaret De Weerd, John Mulder, LeRoy Hill, Rutherford Hulzinga, Clarissa Poppen, Jake Van Zanten, Ruth Hyma and John Vapden Brink.

The class presidents are: Senior, John Vanden Brink; Junior, Cecil Hill; Sophomore, Sarah Lacey; freshman Paul Nettinga; president of clubs—Dnalloh Hgih, Rutherford Hulzinga; Kappa Delta, Lillian Schmidt, Sigma Chi, Hazel Lokker; Athenaeum, William Maat; Hi-Y, William Maat; Blue Triangle, Harriet Henevelt; French, Ivan Bosman; Excelsior, L. berta Van Doesburg; Shorthand, Cora Knoll; Athletic Sisters, Marcelle Galentine; Senior Camp, Margaret De Weerd; Girl Scouts, Clarissa Poppen; Orchestra, Adrian Klaasen.

The Busv Men's clubs of Ottawa county, fostered by the County Y. M. C. A. are preparing for the annual county volleyball tournament which is to be held in the High school gym here on the night of April 30. Sec'y Smith of Holland is already engaged in completing the preliminary arrangements for the big meet, and the several clubs which will be engaged are working up to the final show down.

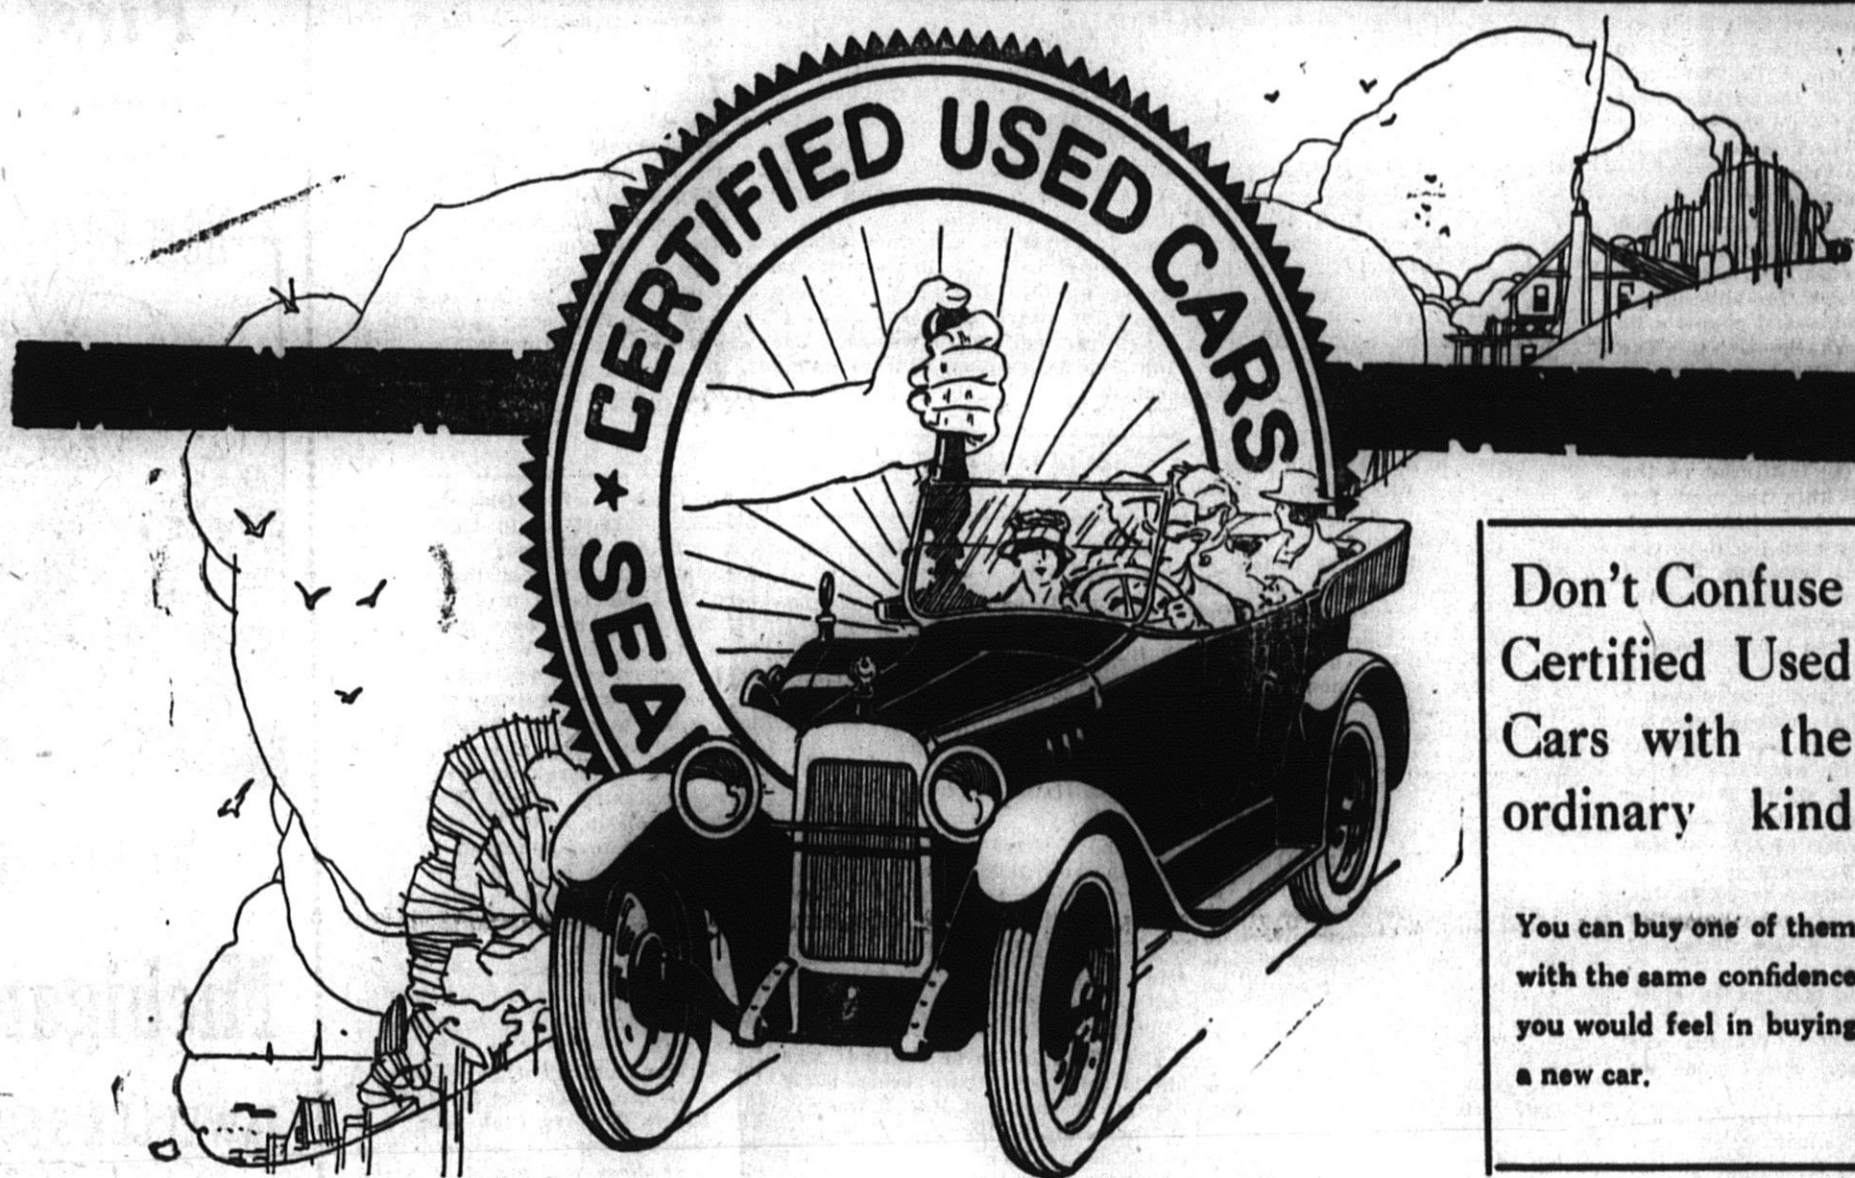

Busv Men's clubs from Grand Haven, Holland, Zeeland, Coopersville and Spring Lake will participate in the meet and it is expected that there will be at least 150 participants, when the games start. It is planned to keep three courts going the entire evening on the floor of the Holland Gym. and at least 45 games of volleyball will be played to decide the winners of the tournament. The tournament will open at 7 o'clock.

Last year's tournament was held in the armory at Grand Haven and the big event was very successful. Long after everyone had forgotten who had won the tournament the pleasant association and mingling of the men from the different towns in the country were remembered.

The Holland Busv Men's club is now in its third year. It meets every Monday night in the high school gymnasium, when members indulge in some spirited games of volleyball and other gym sports under the direction of Secretary Smith. Grand Haven too has some snappy players and will enter several teams in the tourney at Holland.

The idea of Busv Men's clubs is to bring men of the community together occasionally in the gymnasium. The members get as much fun out of the chance to mingle with one another as they do out of the games they play.

The county tournament is the big event of the club year and organizations of similar character in Grand Haven, Zeeland, Spring Lake and Coopersville look forward to the meeting with no small amount of pleasure.

Don't Confuse  
Certified Used  
Cars with the  
ordinary kind

You can buy one of them  
with the same confidence  
you would feel in buying  
a new car.

## A Revolutionary Method of Selling Used Cars

### AN EPOCHAL THREE-DAY SALE--APRIL 19, 20, 21

#### Buy With Safety

Under our plan you can now buy a used car with absolute safety. We give each purchaser a certificate stating the actual condition of the car. This certificate is made out in your name, carries our signature as responsible business house, and is imprinted with our "Seal of Satisfaction."

Three-day sale of Certified Used Cars. Thursday, Friday and Saturday, April 19, 20 and 21.

Now, at last, *your* family too can enjoy the delights and advantages of motoring—the satisfaction that comes with the ownership of a *Certified* used car — a car which will give you as good service as a new car at a fraction of the new car price.

Many of these cars are newly painted. Drive home in one of them and your neighbors won't know it from a brand new car. And you and your family can look forward to many care-free holidays of delightful motoring during the balmy Spring days when Nature is at her best.

Everybody is invited to this epoch-making sale. Don't miss this opportunity to see what truly remarkable values you can get in our wide selection of Certified Used Cars. And come early while the selection is large, as these cars are bound to go quickly. Bring the family and be prepared to make a deposit to hold the car you pick out for your own.

#### Small Down Payment

and easy terms on the balance. If you now have a car, you can turn it in on one of these Certified Used Cars.

#### We Teach You to Drive

Don't hesitate on account of inexperience in driving. We teach you or any member of your family to drive and care for the car.

Your Choice of These Makes — BUICK, CHANDLER, OLDSMOBILE, REO Passenger Cars and Speedwagon, OAKLAND, NASH, STUDEBAKER, CHEVROLET, DORT, FORD.

SALE LASTS THREE DAYS, THUR., FRI., SAT., APRIL 19, 20, 21

OPEN EVENINGS DURING SALE UNTIL 9:30 O'CLOCK

25-27 W. 7th St., Holland, Michigan

## LOCAL

Frank L. Bower waived examination in Justice Lillie's court at Grand Haven Saturday and was bound over to circuit court. He was charged with theft of a watch from the residence of Dick Marlink of Zeeland County School Superintendent.

Miss Mary Cavanaugh of Grand Haven was graduated with the class of 1922 and achieved success in playing the part of "Cora" in the senior play "Clarence," Ionia high school seniors present "Clarence" this year. When the "Cora" in the Ionia play was suddenly taken sick Ionia called on Grand Haven's "Cora" of last season to take the part.

The South Haven Coast Guards were called to the rescue of the fishing tug "Gorilla" last Friday when the tug lost her propeller while leaving South Haven harbor. Ice in the harbor made it impossible to launch the surf boat so that the Coast Guards were forced to heave a line which was grappled finally by the tug's crew. The tug was then pulled in to safety and later returned to her dock in tow of the tug Robbins. Captain Arthur Pauld is master of the Gorilla.

The Holland classes in the Reformed denomination have named its delegates to the particular synod of Chicago, to be held at Hope college in May, and to the general synod, that convenes at Asbury Park, N. J., in June. Delegates to the Chicago synod are: Rev. W. J. VanKersen, Rev. F. Wiersema and Rev. G. De Jonge and Elders J. Nyboer, Simon Verburg and C. J. Tensink; Asbury synod, Rev. S. M. Zwemer, Rev. O. G. Droppers, Rev. J. Van Pearsen and Elders G. J. Scholten, H. Troost and D. Poortenga.

Rev. Albert Pieters was called home from Japan because of the serious illness of two of his daughters, and arrived home from the Orient Wednesday. Mr. Pieters has been doing missionary work in Japan for thirty years.

Rev. Jacob Van Dyke, well known in this city, died at the German hospital in Philadelphia. He was a graduate from Hope College 40 years ago, and his is the fourth death in a class of eight at the local college, six of whom entered the ministry. He graduated from New Brunswick in 1886.

Rev. A. De Vries, pastor of the Christian Reformed church, southeast of Holland, has declined the call to the church at Bemis, S. D. The birthday anniversary of the establishment of the church came on the same day and date. The church is 46 years old and so is Mr. De Vries.

Although organized only twelve years ago, Trinity Reformed church has developed into one of the most prosperous churches connected with the Michigan classis. The church records list 200 families and supports its own missionary in the Orient. The pastor Rev. C. P. Dame, recently was given an increase of \$500 in salary.

Rev. E. J. Blekkink, president of Western seminary, announced the gift of \$1000 to the institution on the annuity plan. Within the past few years many gifts have been received on the annuity plan for Hope college and Western Seminary. Interest is paid on the investments during the lifetime of the donors.

Arthur Bosch, aged 7, of Ferrysburg suffered a badly skinned face and a black eye when knocked down on the pavement in that village Saturday morning after having been struck by an automobile. He was taken to the Hutton hospital, at Grand Haven for treatment, but was not seriously injured. He is the son of Mr. and Mrs. Dick Bosch of Ferrysburg.

A marriage license was issued in Grand Haven Friday to Jacob Vander Laan of Jenison and Sena Balder of Borculo, this county.

"Autonil" is the prize name given to a new gasoline station at Grand Haven for which C. C. Whistler was given a \$25 prize. Some name we will say.

A fire alarm was turned in from box 54 Friday afternoon which proved to be the first grass fire of the season. The little blaze was at 25th and State street. No damage.

Martin Huizenga of New Groningen sustained a fracture of his leg when he fell from a motortruck. The truck had been loaded with trunks at the station and Huizenga slipped as the driver started the machine.

Bowling on Union Alleys, John Bronkhorst bowled a perfect score of 320 points. Bronkhorst is the second one to accomplish this feat. Jake Japenga having four perfect scores to his credit this season.

The first prize for the best bird houses made by the members of Troop 8 was awarded to Henry Perkowi, second prize to Carl Self, third to Edward Everett, and fourth to W. McCarthy. The prize was a duffle bag.

Near East Funds with the exception of five per cent for administration, go directly to the cause where it is needed most. This was stated by Peter Prins who delivered an address before the Third church Sunday school last Sunday morning. Mr. Prins saw the cruelties of the Turks while in that country first-hand. Said Mr. Prins: "It's a choice between saving the men and women or the children, and the heart naturally pleads for the helpless children. We can't save them all for lack of funds and so the children receive first consideration. The appeal for help cannot be made too strong as the half has not been told. It takes \$5 a month to support a child, but even thousands of children are forced to starve because funds are not available to supply food and clothing."

The car of John Van Tatenhove was taken from in front of the First Reformed church Sunday night while Mr. Van Tatenhove and his family were attending services. After the congregation was dismissed, John discovered that his car was missing and immediately notified the police. On Monday morning a car was found parked in front of the home of Walter Morris, 60 E. 16th street, which proved to be the car of Mr. Van Tatenhove. No clue to any joy riders has been secured.

Practically a car load of Holland folks went to Zeeland Thursday evening to listen to a discourse given by Rev. Haan of Kalamazoo on the subject, "The Signs of the Times." Mr. Haan is making a tour of the state lecturing on this subject.

With the resort season approaching, contractors are putting Macatawa Park cottages in shape for their respective owners. Many new ones are being built along the shore of Black lake and most of the cottages that were destroyed in the fire of 1922 are being rebuilt.

Women's sewing clubs of Ottawa county met Wednesday in Grand Haven and staged an exhibition of sewing craft. Plans for the coming year were made and great enthusiasm for the work was shown. Fifteen clubs from all sections of the county were represented. Mrs. C. C. Lillie of Coopersville was chairman of the meeting.

Big fruit farm owners around Fennville say the fruit crop for the coming year looks very fine and that the cold weather has really been beneficial, preventing the early budding of trees. John Crane, vice-president of the Fennville Fruit Exchange says that the present indication are that the peach crop will be much heavier than last year, while plums and pears may not be so plentiful. The cherry and apple crop look very promising.

Pans are under way to dissolve the Michigan classis of the Reformed church. At a meeting held in this city, Rev. Paul P. Cheff of Hono church, was named president of the Michigan classis and a committee was appointed to make arrangements for it, contingent upon the ratification by the particular synod of Chicago, a program to redistrict the Michigan churches in the denomination, approved by the various classes. The proposed plan is to create four classes, one in each district. These would be named Muskegon, Grand River or Grand Rapids, Holland and Kalamazoo. Each classis would include in its membership churches in its respective districts, so that all the churches in one city and vicinity would become affiliated with the same classis. The 24 churches connected with the classis will be transferred to one of the four classes.

All the Boy Scouts in Grand Haven and Spring Lake will aid county farm agent C. P. Milham to stop the sand blow on what is called Dewey Hill just across the harbor at Grand Haven. Each Scout will be provided with an iron rod with which to make a hole in the sand and to insert a plant slip in the incision and in that way the entire sand slope up the hill will be filled with planted slips that will grow on this sand and in this way prevent the sand from shifting.

Margaret, the two year old daughter of Mr. and Mrs. Henry Moomey, died Thursday. The funeral will be held Saturday at 1:30 at the home, 195 East 16th street, Miss Nellie Churchford officiating.

Mrs. E. A. Bear, aged 43, died Thursday in this city. She is survived by her husband, two sons and two daughters. The funeral was held Monday afternoon at 2 o'clock at the Dykstra Chapel, Rev. G. B. Fleming officiating.

The funeral car belonging to John Dykstra, Holland undertaker, turned over on the Bushon hill Sunday noon while enroute to Allegan with mourners. The driver was shifting gears while beginning to descend the hill but got the shift into reverse instead of low. The brakes were unable to hold the heavy limousine, and the driver seeing the danger of letting the car tear down the hill, drove it onto the bank, where it turned over easily. Clyde B. Frost was summoned and he brought the occupants of the car to Allegan. None was seriously hurt. Allegan News.

Albert Van Klompenberg, aged 37, died Friday at his home in Holland township. He is survived by his wife and parents. The funeral was held Tuesday afternoon at 1:30 at the home and at 2 o'clock at the North Street Christian Reformed church in Zeeland, Rev. Mr. Oostendorp officiating. Interment will take place in the Zeeland cemetery.

The Allegan county board of supervisors have unanimously voted for the two cent gas tax bill and in a telegram to Gov. Groesbeck have urged him to sign the bill.

Grand Haven is having a building boom. No less than a dozen projects are under way and the money involved will be over \$100,000.

Ottawa, Allegan and Barry county Gleaners will hold a convention here about April 20. A public meeting will be held in the afternoon and in the evening degree work will be exemplified.

Nick Hoffman's car and a meat market delivery truck, driven by A. Peters J., collided on River avenue near 9th street Saturday night with the result that the wheels on the meat market car were torn off, and the fenders of Mr. Hoffman's car were bent. The Ford is now in the Holleman-Deweerd hospital for repairs.

Mayor Stephan left Monday noon for Chicago where he will attend the semi-annual convention of the National Bed-room and Dining-room Furniture association at the Auditorium Wednesday and Thursday. On Tuesday evening he will attend a meeting of the executive committee of the association of which he is a member.

Bert Slagh in an interview states that the Holland Painters and Decorators' association is making elaborate plans for the next annual state convention here July 10 to 12. The business sessions will be held in the city hall and the 150 or more delegates will register at Hotel Ottawa, where the banquet will be held July 11. A picnic will be staged at Jenison park on one of the days of the convention.

The Grand Rapids Press of Wednesday contains a cut of Miss Harriet Henneveld who been chosen valedictorian of the class of 1923 at the local high school.

Seventh street is blocked to traffic and the Willite company is finishing up this much needed thoroughfare. The coarse stone had been laid last fall but the street was not finished because of the lateness of the season.

A lad of seven, son of Mr. and Mrs. Leo Bailey of Allegan, was shot in the eye with a ball from an air gun in the hands of a playmate. Although the eye ball was not seriously injured, the doctor had to extract the bullet by way of the nose.

Because of the resorts, South Haven has been accumulating quite a colony of Jews who live there the year round. Because of this fact a synagogue has been completed where the Hebrews worship. A Hebrew school has also been established.

On Friday night the Froebel school is to give a benefit via the carnival route when everything worth seeing will be seen, for what else is worth while, after seeing the "seven wonders of the world" with a trip to Mars afterward?

Harris W. Kruger was picked up by the police when he was found acting queerly on the street. He came to Holland from Chicago on the boat having just been discharged from a hospital in that city. The man appeared to be demented and was sent back to the hospital from which he came via the Graham & Morton line.

Monday night the newly formed Grand Haven city council met and again approved and passed the ordinance placing that city on Daylight Saving time for the summer. Clocks will be turned ahead at midnight or thereabout on this coming Saturday night and the next day, April 15th will see that city on the new time the same as the neighboring cities of Muskegon, Grand Rapids and Holland.

The first Jersey calf club has been organized in Allegan county. Martin township has this honor. The club was sponsored by the Allegan County Jersey club, aided by County Agent O. I. Grogg. Officers are: President, Paul Brower; vice-president, Edgar Collick; secretary, Wendell Stephenson; treasurer, De Vere Irvin. David Anderson, Jersey stockman of Shelbyville, was elected club leader. Members of the advisory board are Edward Brower, Oscar Herrington and V. Stephenson.

There will be a meeting of the Holland Trap Shooting club Thursday evening at 7:30 at Corner Hardware store. There will be election of officers.

The funeral of Miss Gertrude Habing took place on Thursday afternoon at 2 o'clock at the home of her parents, Mr. and Mrs. S. Habing, 244 West 12th street. Rev. James M. Martion officiated at the funeral. Interment was in Pilgrim Home cemetery.

J. J. Firestone, a former Allegan newspaper man who has served as trustee on the Oakwood cemetery board for nearly 20 years tendered his resignation, and Clay Benson was appointed in his place by the common council.

## PERSONAL

Born to Mr. and Mrs. Harry Sullivan, April 15th—a boy.

Born to Mr. and Mrs. S. Hillebrands of Detroit, a girl, at the home of A. C. Hillebrands, 238 Van Raalte Ave.

Born to Mr. and Mrs. Ira E. Haight, at 317 W. 14th street, on April 2nd a baby girl, Amy Belle.

Mrs. Hans Dykhuis and mother of Grand Haven were Holland visitors Friday.

We have heard the robin and the song-sparrow this spring, now the mourning dove and blue bird have been added.

Mrs. Herman Vaupell and daughters of Allegan spent the spring vacation on the guests of Mr. and Mrs. Ed Vaupell of Holland.

Mrs. John Boone of Holland was one of the guests at the bridge party given at the home of Mrs. Herman Z. Nyland of Grand Haven. There were twenty ladies present.

After spending two months visiting relatives and friends in Detroit, Battle Creek and other cities, Mrs. Stella Clark has returned to her home at 17 W. 9th street.

Ralph Van Raalte returned Friday from a trip to Washington, D. C. and New York City in the interests of the Holland-St. Louis Sugar Co.

Rev. and Mrs. Henry Utterwick and daughter Katherine of Ruthford, N. J., are spending a week with Rev. Utterwick's sister, Mrs. Wm. Elferdink, 228 River avenue.

Mrs. Robert De Pree and children are in Louisville, Ky., where Mrs. De Pree will remain with her father, Dr. H. E. Dosker. During the summer they will reside at Central Park as usual.

Chris De Pote, formerly of Holland, now of Plymouth, Mich., is visiting friends in this city. Mr. De Pote is an engineer on the Pere Marquette.

Miss Flossie Mc Clure of Newman, Ill., returned home Wednesday after attending the funeral of her aunt, Mrs. Bear at West Olive.

Mr. and Mrs. Henry Vander Warf who have been visiting in southwest Michigan, Indiana, and Illinois, expect to return home this week.

Mrs. S. A. Haight and sons W. A. and Russell returned home from Sunfield Sunday evening where they attended the funeral of Mr. Haight's brother.

Dr. and Mrs. A. Leenhouts have vacated their home in this city and have taken up their residence at Macatawa Park for the summer.

Mr. and Mrs. Simon De Groot motored to Muskegon Saturday to attend the funeral of their uncle, Derk Bolken.

The Misses Elizabeth and Tanetta Bulthuis of Grand Haven spent the week end at the home of Mr. and Mrs. K. Bulthuis, 134 E. 18th St.

Mrs. W. A. Haight was taken home Sunday after being cared for for a week at the home of her mother, after having her tonsils removed at the Holland hospital, March 31.

Holland followed Grand Rapids in raising ice cream prices almost directly after the papers announced the contemplated raise in the Furniture City. The Grand Haven ice cream eaters are more fortunate and no raise is contemplated.

There seems some hope for at least a few gardens in the Fifth congressional district, although hope was a nebulous thing when congress, after much oratory, eliminated the appropriation for free seeds, during the session recently closed. Men who for years had obtained a yearly quota of seeds gratis, as a little courtesy from their congressman, the most of them turning them over to their wives as a hint to get busy and raise a family garden, were given the idea that it was all off for this year, at least.

Complete dearth of funds would have placed republican and democratic gardens on the same basis. With the usual distribution of free seeds, democratic gardens would have been under a handicap.

But it seems that there was some money left in the free seed fund, when congress decided to eliminate the appropriation for the year. Seeds are not to be as plentiful as in former years, even for loyal and faithful republican gardens, but there are to be some free seeds.

Although no announcement is made it is generally conceded a republican can obtain the best results from the seeds.

Because of the limited number of seeds, or for some other reason, it is asked that those who obtain the free seeds maintain a record as to the results. You see there has been a suspicion in some quarters that seeds have made votes for the opposition party. The republicans want to know just what effect a packet of seeds has on a faithful party member.

On Friday evening, April 13th, a very interesting missionary program is to be given at the 4th Reformed church under the auspices of the Christian Endeavor Society. This society has been fortunate in securing Rev. James Cantline, pioneer missionary to Arabia, to give an address. Rev. Cantline's experiences have been many and varied, and his address promises to be of unusual interest. In addition to this, a program of readings and music has also been arranged for, and a very profitable and entertaining evening is anticipated. An offering will be taken to raise \$50 for a bed in the Arabian hospital, which the society supports. The program will begin at 7:30 o'clock.

The regular meeting of the W. C. T. U. will be held Friday afternoon at 3 o'clock at the home of Mrs. J. H. Oosting, 111 East 22nd street. Attention is called to the change of address of Mrs. Oosting. The family having moved recently. Dr. A. Leenhouts will give an address on "Public and Personal Health, Educational and Preventive." Devotions will be in charge of Mrs. C. P. Dame. Violin music will be furnished by Lawrence Oosting. The refreshment committee is composed of Mrs. George Mool, Mrs. N. Wassenaar, Mrs. S. Paa, and Mrs. C. Van Duren. The parliamentary law class, in charge of Mrs. DeMerell, will begin at 2:30.

The Central College Glee club, 17 in number, stopped off in Holland between trains Wednesday when on their way from a tour through the East to their home in Pella, Iowa. The Glee club has been giving concerts in New York, Washington, and other eastern cities and the members took the opportunity to see what Holland is like by stopping here for a few hours. They were received at the Western Theological Seminary and gave a delightful concert there Wednesday forenoon. At 11 o'clock they were treated to a luncheon by John Bosman. They boarded the 12:58 train for Chicago and they expect to be home soon, after having been on tour for a month.

All music lovers of Holland will be given the opportunity to enjoy a real treat on the evening of April 20, when the Calvin College Glee Club will render its annual concert in Holland. The Ladies Literary Club room has been secured for the purpose. The musicians come to Holland with the recommendation of the various places where they have appeared this season.

The 49th annual convention of the Fifth District of the W. C. T. U. is to be held at Sparta, Michigan, on Thursday and Friday, April 26-27, at the Methodist church.

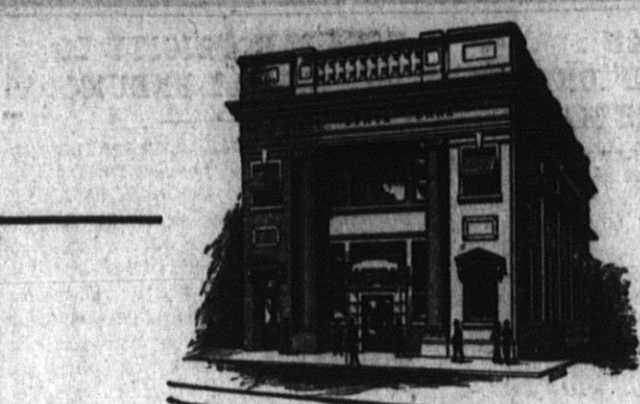

The season will cover two days including morning, afternoon and evening sessions, and an elaborate program is being arranged by Mrs. Iantha DeMerell, corresponding secretary, of Holland.

A. S. Benjamin of Grand Rapids, honorary president, and Mrs. Elva Pfeiffer, of Byron Center, president, are to preside over the different meetings.

The meeting at Sparta will be well attended by delegates from Holland, Zeeland, Spring Lake, Grand Haven, Coopersville, and other localities in Ottawa county.

Miss Mills, who has recently returned from the Philippines, discussed some of the Islands presents-day conditions before the W. L. C. Tuesday afternoon. She particularly emphasized the marked progress of the people under the constructive stupendous program which the United States has established in the country. A striking indication of this is the improved health and sanitary conditions, and the educational progress that has been made since the United States acquired the tropic islands. English is used in all the public schools and more Filipinos can now speak it than any other language or dialect. Miss Mills was dressed in Filipino costume. Two vocal selections were very artistically rendered by Mrs. Arthur Vlascher, a Japanese love song, "Sakura Blossom," by Gertrude Ross, and "The Whippoorwill," by Carolyn Wells Bassett.

The programme was concluded by Miss Ethel Dykstra, guardian of the local Camp Fire Girls, who explained the ritual and symbolism of the National Camp Fire organization which is found in nearly every coun-

Made from Cream of Tartar derived from grapes

Contains No Alum—Leaves No Bitter Taste

### AUTO ACCIDENT PROVES FATAL TO LOCAL MAN

Cornelius Wabeke, who figured in a serious automobile accident last December from which he never recovered, died at 6 o'clock Tuesday morning at his home at 83 West 19th St. Two weeks ago Mr. Wabeke developed tetanus but he made a game fight against the disease and at the time of his death he had thrown it off. But his body had become so weakened that he was unable to rally and his heart giving out death put an end to his suffering that was almost unintermittent since the accident in December.

It was on December 4th that Mr. Wabeke, driving a Ford sedan, was struck by a Pere Marquette locomotive while he was crossing the track at 17th street. The tender struck the auto squarely, dragging it along the right of way for more than a hundred feet before the engine came to a stop. The train crew found Wabeke twisted up in the wreckage and it was at the time looked upon as almost a miracle that he came out of it alive, as the Ford had been completely demolished and there was hardly a part of the car left intact.

Since the accident Mr. Wabeke was up most of the time. Once or twice he tried to go back to work, but he was so weak he had to give up. But even when lockjaw complicated the case hope was held out for his recovery when it appeared that he was getting the best of this disease.

Mr. Wabeke was nearly 42 years old. He is survived by his wife and four children, Frances, Beatrice, Paul and Gordon; his parents, Mr. and Mrs. Jacob Wabeke; four brothers, John, Bert, Martin and Charles; and two sisters, Mrs. John Van Tatenhove and Miss Gertrude Wabeke.

The funeral of Cornelius Wabeke will be held Friday afternoon at 2 o'clock at the home, 81 West 19th street. Opportunity will be given to view the remains from 11 to 12 Friday forenoon. Rev. James M. Martin will officiate at the funeral.

### DECLINES THREE CALLS AND ACCEPTS A FOURTH

D. Ellerbrook, a student at the Western Theological Seminary, seems to be popular with Reformed churches and is much in demand. According to the list of calls printed in the church papers, Mr. Ellerbrook has been considering four calls at the same time. Three of these he has now declined and the fourth has been accepted. The calls declined were from Marion, N. Y., Monroe, S. D., and Indianapolis, Ind. Mr. Ellerbrook has accepted a call from the Reformed church at South Bend, Mich. B. Laman, another member of the senior class of the local seminary, has accepted a call from the Bethany Reformed church of Kalamazoo.

### OTTAWA COUNTY MAN IS FOUND DEAD IN INTER-URBAN WAY STATION

Robert Slater of Nunica, a son of William Slater, Ottawa county banker, living at Nunica, was found dead Friday morning on the floor of the Inter-urban sub-station at Muskegon Heights. The young man was employed by the G. R. & H. M. Ry., and went to the station in line of duty. His body was later found lying on the floor. It was believed at first that he was electrocuted but later examination proved that death was due to some other cause. It is believed he may have fallen striking his head.

### KOOPMAN CELEBRATES HIS FIFTIETH ANNIVERSARY

Peter Koopman is observing his fiftieth anniversary this week. He is awaiting disposal of his case in circuit court, following his plea of guilty to the charge of manslaughter. Mr. Koopman's friends recalled the occasion and a number of them called upon him at his quarters in the county jail during Tuesday. He received them smilingly and in apparently fine spirits notwithstanding the unfortunate circumstances surrounding the observation of his half century mark. The officers made it as pleasant as possible for him.

### BANGOR MAN TO ERECT A FINE FLAT HERE

Neal De Cook, formerly of Holland but for the past 21 years a prominent contractor and builder in Bangor, Michigan, will erect a modern four-family flat on the corner of Central avenue and 15th street. Excavating for the job has already begun and before long a fine new dwelling place will arise on that corner which until now has been vacant property.

The flat will be 50x62 feet, two stories high, built of Grand Ledge brick, both basement and superstructure, and will cost in the neighborhood of \$20,000. Mr. De Cook said that he has been looking about in several cities to make this investment but that Holland looked most favorable to him and that therefore he decided to put up the building here. He expects eventually to remove the little house between the proposed new building and the 14th street church and erect a modern home on that site also, thus taking up all the space between the corner and the church.

Each of the four flats will be equipped with an individual heating plant, so that the tenants will not have to share anything in common. The building is to be a handsome one, according to Mr. De Cook.

### HOLLAND HAS 88 TEACHERS IN ITS PUBLIC SCHOOLS

The Board of Education has retained Superintendent E. E. Foll, who has made a remarkable record as head of our public schools and who has served now for thirteen years as superintendent in this city.

Principal Rittersma has also been retained, having completed four years as one of the school heads taking the position after he had served overseas. The board has offered renewal of contracts to the entire teaching corps in the public schools for the coming school year. The salary budget total \$133,750.00 and the total number of teachers is 88. A small increase in salary has been offered all teachers.

### NOTED SPEAKER TO GIVE ADDRESS IN HOLLAND

Rev. G. B. Fleming, pastor of the Methodist church, has made arrangements for the appearance in Holland on April 19 of Dr. Russell H. Brady, pastor of Central Methodist church of Pontiac. Dr. Brady is one of the best known speakers in Michigan and he devotes a good deal of time to lecturing throughout the state. He was for many years one of the most popular pulpit orators in Grand Rapids, and now he is known as one of the most eloquent speakers in Eastern Michigan.

In addition to being a minister, Dr. Brady is in politics to the extent of having served as mayor protem of the council of Pontiac for a number of years. He has an agreement with his church that he is not to speak anywhere outside of Oakland county for less than \$50 and expenses, with the proviso that he may deliver twelve free lectures a year. This arrangement was entered into because Dr. Brady was so much in demand that the church decided he would be outside the county most of the time if a limit was not placed upon it, and they wanted him to do much of his speaking at home. Dr. Brady and Rev. G. B. Fleming were boyhood friends and it was because of that that he was secured to fill a date in Holland.

His lecture to be given here will be "The Square Deal." He has delivered this in many places and it is one of his most popular addresses. Rev. Fleming, who has heard it more than once, vouches for it that it is highly entertaining and instructive, an address that is admirably suited to a popular audience.

An admission fee will be charged for this lecture, the meeting having been arranged for to help pay off the debt on the local church. Tickets for the meeting may be obtained at Brink's Book store.

### NEW FACTORY TO BE ERECTED THIS SUMMER

A new factory is to be erected just outside of Holland this summer at a cost of approximately \$150,000. The plans for the project have just been completed and work will be started in the near future.

The new factory is not entirely a new institution but is an expansion of the Federal Stamping Company, although it will have the same effect as a new company for Holland because of the enlargement, recapitalization and expansion. The Federal Stamping Company has been recapitalized for \$250,000 and the name has been changed to the Federal Manufacturing Company.

Some months ago land was purchased between second and third streets to erect a new factory and plans were made for establishing the institution there. But it was soon discovered that the site was too small and that the topographical conditions were such that any further expansion would prove too expensive. And since the company was looking to the future and wished to provide for future growth it was decided to secure a place where there would be plenty of elbow room.

For that reason the company has acquired about fifteen acres of land back of the Holland township town hall, extending from the Allegan branch of the Pere Marquette railroad out to east Eighth street. A spur track will be run into this property to provide the necessary transportation facilities to the company.

The new factory will be erected on the property this summer and the building will cost in the neighborhood of \$150,000, it has been announced. Thomas Olinger stated Tuesday that it had been hoped to build the new factory within the city limits but that as no suitable location was available this plan had to be abandoned. "It is hoped however that the city limits will now soon be extended east to take in the new location," he said.

### VALEDICTORIAN AT HOPE COMMENCEMENT IS APPOINTED

The Senior class at Hope college has achieved a good record in scholastic work, as is indicated by the high standing of many of its students.

Fourteen of the sixty-five members have gained a rank over 90%. Two of the classmen tied for highest place with an average during their four years work of 94.91% each. They were Mr. Thomas De Vries of Holland and Miss Johanna Vander Spek of Lyndhurst, N. J. The valedictory honors were given to Mr. De Vries since he was a four-year student while Miss Vander Spek spent only three years in Hope and her first year in Elmira College, Elmira, N. Y.

Miss Helen De Jonge of Grand Rapids and Miss Everdine Kuiper of Cedar Grove, Wis., also ranked high, having an average standing of 94.74% and 94.31% respectively. Miss De Jonge spent two years at Junior College in Grand Rapids prior to coming to Hope.

The other members of the class who received honor mention are Albert Timmer with an average of 92.66%; Grace Spies, 92.47%; Arthur C. Ross, 92.39%; Ethel M. Leenhouts, 91.86%; Lucile Vander Werf, 91.82%; Helen Moser, 91.71%; James Neckers, 91.50%; Ruth Pellegrini, 91.47%; Swantantina De Young, 91.26%; Arthur Mulder 91.10%.

### ONE "DUTCH HANK" SUFFERS FOR SINS OF THE OTHER

It appears now that there are two "Dutch Hanks" in Holland and that one of them is suffering for the sins of the other. "Dutch Hank" Van Dessel was arrested for victimizing Jacob Kammeraad in Grand Rapids and has been sent to jail for 90 days for that little job, which term will be followed by other terms if the local police have their way.

In a story in this paper Van Dessel's full name and his various aliases were given, but unfortunately there is another person in Holland who is known to very many by no other name than "Dutch Hank." Many people don't know what his last name is and so have jumped to the conclusion that he has been sent to jail. This person's name is Hendrik Woudstra. He wishes it understood that he is not the "Dutch Hank" who is now in jail.

### GRAND HAVEN CAN GET TEACHERS GALORE AND TO SPARE

Has the shortage of teachers of a few years ago passed?

Indications here would point to that conclusion as the board of education has never received as many applications for places on the teaching staff as during the last few weeks. Already 75 applications have been received by the Grand Haven board of education in addition to the applications of the present teachers. The majority of the applicants seek places in the grade school, and the subjects range from manual training to sewing.

The office of L. H. Vanderberg, the G. H. superintendent looks like an art gallery with all photographs of applicants attached to their applications. County school commissioners in Ottawa, Allegan and Muskegon counties also report that they have no difficulty in obtaining teachers for the rural schools. Three years ago the demand could not be supplied and some of the schools were forced to close.

The general increase in wages is believed to be the cause for the boom of applications.—G. H. Tribune.

After a swift 100-mile ride on a perch just above the driving wheels of the locomotive which hauled the International Limited to Brockville from Brantford the other evening, a pigeon was found safe and content to remain for another wild trip. But Frank Serviss, a section foreman who detected the hobo bird, removed it from his niche and adopted him into the Serviss family.

### A NEW \$36,000.00 CHEMICAL COMPANY IS ORGANIZED

At a meeting of the stockholders held Monday evening a corporation was organized to be known as "De Free Laboratories, Incorporated." This organization has been perfected for the purpose of manufacturing Arphenamine and Neo-Arphenamine, chemical products which are specific in the treatment of certain diseases.

These products have been perfected in the laboratories of The DeFree Co., by Edw. J. De Free and John Van Zoeren, chemists. Mr. De Free was formerly in charge of the Brooklyn plant of the National Aniline & Chemical Co., and Mr. Van Zoeren was formerly connected with the Holland Aniline Co., located on the North Side. The manufacture of these products has been worked out, based on the German patents which came into possession of the government during the World war, and are products for which there is considerable demand and for which the local men see great possibilities.

The product was submitted for examination to the Hygienic Laboratories under the direction of the government at Washington, D. C. and received the O. K. of the laboratory; in fact the product was pronounced very high grade. This product can only be marketed under license granted by the United States government.

The corporation was organized with a paid in capital stock of \$36,000.00. The entire stock issue has been sold in fact, the issue was oversubscribed. All of the stock was taken by employees and stockholders of The DeFree Co.

It is the purpose of this corporation immediately to equip for the manufacture of these products, using space in the DeFree buildings, and an arrangement has been made by this company, whereby The DeFree Co. will act as selling agents for the new company.

P. Henry DeFree was elected president of the corporation; Edward J. DeFree, vice-president; Con DeFree, secretary and treasurer. These men, together with G. J. Diekema and C. M. McLean, constitute the board of directors.

### TWELVE ARE ADMITTED TO U. S. CITIZENSHIP

Tuesday morning twelve former aliens were admitted to American citizenship after having successfully passed the various requirements before the examiners at the court house Tuesday morning. Seven of those admitted to citizenship claimed the Netherlands as their mother country.

Of the others, four came from Germany and the only other nationality represented was the Swiss. Albert J. Theller, residing on Lafayette St., and John DeVries, 921 Fulton St., were the only two from Grand Haven to be admitted to American citizenship. Thieler is a former Swiss and DeVries came from the Netherlands.

Six of those admitted to citizenship came from Holland and vicinity and Marinus ReJong, Jacob Vandenberg, Henry Vandenberg, and Oscar Vandenberg from the Netherlands and John M. H. Smit and Carl Herman former Germans.

One Spring Laker, John Vos, hailing from the Netherlands, was admitted. The others came from Zealand, John Veldhuis from the Netherlands and Anna Kuite and Herman Klanderman from Germany being admitted. Anna Kuite tried to become a citizen before but failed to qualify at the last session of court.

Three were dismissed because they had claimed exemption from service in the army during the world war on the ground that they were aliens, one was absent, one was adjourned to determine classification, one was adjourned because of witness and another because testimony was insufficient.

### GIRL INSISTS SHE SHE LIVES 2 YEARS ON WEAK TEA

Grand Rapids physicians are puzzled by the case of a girl who is reputed to have eaten virtually nothing for more than two years.

The girl, Miss Etta Blanchard, 26 years old, of 409 Carrier st., N.E., of Grand Rapids, subsists only on weak tea and mild beverages, her mother insists, according to several doctors. The case promises to be one of the strangest ever recorded there. Miss Blanchard apparently has survived her unusual malady, specialists say.

The girl who has continually been unable to leave her room in which she is confined to bed, is under the constant care of the mother, Mrs. Alma Blanchard, a widow and an experienced nurse. Mrs. Blanchard declined to add to the statements of the doctors regarding the peculiar case. She admitted that the daughter had been unable to partake of any solid foods but said she did not wish to divulge particulars.

Chicago specialists who by operations in that city sought to discover the cause of pains in the abdomen of which the girl complained, and skilled physicians at the Mayo Bros. hospital who examined Miss Blanchard a few years ago, failed utterly to cure her malady.

Much speculation about the girl's case has stirred Grand Rapids doctors some of whom, while no longer attending the girl, are inclined to wonder how she still maintains her strength despite the long confinement in bed.

They point to the case of Terence McSweeney, lord mayor of Cork, who lived little more than 75 days of hunger strike, during which he drank only water. They marvel at the girl's ability to sustain herself even by occasionally partaking of fluids containing little nourishment.

Miss Blanchard shows signs of only slight emaciation, and although she talks quite feebly, she is alert mentally and interested in activities about her.

### ICE FIELDS NO LONGER TROUBLE G. & M. BOATS

Although this is the most backward spring in many years, real spring has come so far as navigation out of this port is concerned. For several weeks after navigation opened this season the Graham & Morton vessel had a good deal of trouble with the immense fields of ice that frequently blocked the path of the boat and that made approach to the mouth of the harbor difficult. But the milder weather, thaws and the winds have put an end to the difficulty. There is a bit of ice drifting in Lake Michigan but it is scattered, not packed into large fields, and so it does not interfere with navigation.

The Graham & Morton company is beginning to make plans for the daily boat service. As yet the "City of Grand Rapids" comes to this port only three times a week and this schedule may continue during April and May. Usually the daily boat service does not begin much before June but this year the company hopes that it will be possible to start earlier. Whether or not his hope will be realized will depend on the amount of freight that comes to the docks here and in St. Joseph and Chicago. The volume of freight so far has been very satisfactory, but it is not yet large enough to warrant putting on the daily boat service. Another member of the G. & M. Fleet is however being put into shape and when the volume of freight becomes large enough the company will be ready to take care of it by daily boats.

The dredge General Meade will soon make the harbor more serviceable by making both the inner and outer harbor deeper by at least four feet. A fan-shaped cut will be made at the harbor's mouth in order that depth may be maintained for a longer period should some unforeseen storms wash up the sand.

The Graham & Morton company is looking forward to an unprecedented year's business and are well prepared to take care of it.

At Saugatuck the company has put on a unique advertising campaign advising the farmers to grow certain vegetables and garden truck that have a ready sale on the Chicago markets. Melons particularly are one of the products that the company has advised the farmers to raise. The company points out that because of unexcelled freight facilities, the Saugatuck farmers have the advantage of the biggest facilities in the world, and their farm product can be taken fresh from the soil and within a few hours can be placed upon the big Chicago markets.

These shipping facilities are available to farmers in the vicinity of Holland taking advantage of these unexcelled freight connections.

A very happy time was spent by the members of the Home Missionary Society and friends of the Methodist church Monday evening when an elaborate Bohemian supper was served at 6:45. Mrs. John Rank and Mrs. E. B. Rich serving as hostesses. The annual mite box meeting followed the supper. Mrs. E. Markham, superintendent of this department, was unable to be present and her place was ably filled by Mrs. N. C. Hurling. The entire meeting was along the line of systematic beneficence.

Mrs. A. E. McClellan conducted the devotions, assisted by the pastor, Rev. G. B. Fleming. Mrs. Maris led the community singing. The Home Guard entertained with a fine program consisting of singing and recitations, after which the meeting adjourned to the Eyras Parlors where a short business session was held. The program consisted of an exercise by Mrs. McClellan and Mrs. Rank, solo by Ada Whitman, and special entertainment in charge of Mrs. H. Te Roller in which many took part.

A party of friends and relatives surprised Mrs. John Overway, 176 W. 21st street, Monday evening, the occasion being her birthday anniversary. The evening was spent in games with a short program of dialogues and readings. John Overway sang a solo, after which refreshments were served. Those present were Mr. and Mrs. J. Ver Lier, Mr. and Mrs. J. Dronkers, Mr. and Mrs. J. Nyland, Mr. and Mrs. A. Bouwman, Mr. and Mrs. Dick Overway, Mr. and Mrs. J. Slighter and Miss Maggie Dronkers. Mrs. Overway was presented with a sewing rocker.

### BOYS GUARDED BODY OF TEACHER

The Toledo Blade contained the following story about the death of Miss Gertrude Habing of this city who was a teacher in Toledo for several years:

"Boys of her classroom, forming a guard of honor are keeping vigil over the body of their teacher, Miss Gertrude Habing in the Boyer-Kruse mortuary.

"Miss Habing died early Sunday morning in her home at 1018 Grand avenue. She had been a teacher in Toledo public schools for several years and at the time of her death was teacher of the eighth grade, Navarre school.

"She leaves her parents, Mr. and Mrs. Samuel Habing, and a brother, Burt Habing, all of Holland, Mich.

"Services will be held in the mortuary Monday at 7:30 P. M. The body will be sent to Holland, Michigan on Tuesday."

The Pine Creek P-T club was entertained splendidly Friday evening by the assorted program prepared by the committee. The greatest attraction of the evening was the radio concert given by Mr. Van Nyl and Mr. Streur. The musical numbers furnished by Van's orchestra from Castle Park, the piano solos by Jeanette Van Slooten, the duets by Mr. Hansen and Mr. Hen sen and the violin music by Mrs. Carrier and Miss Miles were enjoyed immensely. A very clever dialogue by the Marcus Brothers and another short play given by the members of the district added largely to the various numbers. The humorous readings, given by Esther Ten Brink, Jeanette Hoffman and William Brown were other features of the evening.

The largest crowd of the year was present to witness this program.

### MYSTERY BALLOON FALLS INTO THE LAKE

A mystery balloon, to which no identification marks were attached, suddenly sailed into the quiet of the White Lake Coast Guard station vicinity Thursday, according to a report from Capt. John Barnard, officer in charge of the station. A report of the incident came in over the telephone to the district superintendent's office but details accompanying it were very meager.

The balloon was coming from the northeast when sighted by watchers at the station. It dropped into Lake Michigan and was pulled out by the fishing tugs.

No balloon basket or carrying car was attached at the time and no idea of what had happened to the pilot is entertained. There are two possibilities providing the balloon had a passenger, one being that the pilot might have escaped by a parachute and the basket been torn away subsequently or that the basket had suddenly loosened from its fastenings and had then plunged earthward.

The balloon was blown in from a northeasterly direction and sailed about three miles out into Lake Michigan where it dropped. Fishing tugs operating out of White Lake rescued it and towed it into the coast guard station.

The balloon measures from fifty to sixty feet in height according to the report of Capt. Barnard who stated that it somewhat resembled an army balloon although no identification marks were present.

Grand Haven people had quite a share in the affair as several of the fish tugs at White Lake are Grand Haven craft and Wm. Fisher, No. 1 at the station, is well known in Holland having lived here for some time. The station is one of those that had its crew removed on July 1, 1921, only an officer in charge and one man being present.

The balloon bag may be the one reported lost from the army field near Waukegan.

### BIG GAS BALLOON WAS A RUN-AWAY FROM ARMY OFFICERS

The big gas bag which dropped into Lake Michigan Wednesday, 3 miles west of the White Lake Coast Guard station has quite a past but this was unearched very easily following its capture. The big sixty foot balloon was a runaway from the Army officers at Plano, Illinois, and during the greater part of Tuesday led those who were trying to capture it a merry chase around the south part of Lake Michigan. Its final feat consisted in breaking away from fishermen who had captured it and leaving for Muskegon. It got a bit past and then dropped into the lake, being pulled out by fishing tugs and Coast Guards at White Lake.

### IN MEMORIAM

In loving memory of our dear wife and mother, who passed away one year ago today April 6, 1922.

We miss you from our home dear mother.

We miss you from your place. A shadow o'er our life in cast. We miss your smiling face.

We miss your kind and willing ways.

You were so bright and fair Our home is dark without you. We miss you everywhere.

H. Vande Water and family. Her Mother and Sisters and brothers.

Arthur Ten Brink, East 8th Street, broke his right arm while trying to crank a diver.

AT A BARGAIN—Handpower washer and wringer. I have no use for same as we now have a Holland Maid Washer. A. C. Rinck, 15 W. 16th St.

As we have just purchased a Holland Maid Washer, we have a dandy handpower wash machine and wringer for sale. A. Bremer, 441 Central Avenue. 4124-14

FOR SALE—15 Heavy Michigan Bred farm horses, all guaranteed sound and good haulers; also Milk cows for sale. Jay Nichols, Fair Grounds, Holland, Michigan. Telephone 1580.

## CARNIVAL

### FRIDAY NIGHT

AT FROEBEL SCHOOL

FOR A BENEFIT

Something special in each room. Fortune telling. Big Movie at the Dental office. Pictures taken. Grind Organ and Monkey. Several Vaudeville Stunts. Fish Pond. A Trip to Mars, Seven Wonders of the World. Three or four clowns will be in evidence. There will be balloons for sale.

For the cats there will be hot dogs, coffee, home made candy, pop corn, ice cream in all forms and chocolate bars.

General Admission 15c

Other Admissions, 1c and Up

Even in the attic will be found some exciting performances.

### MANY FAMILIAR FACES ON BOARD OF SUPERVISORS

The townships of Ottawa county chose the following men members of the board of supervisors, the official canvass of the vote just completed by the board of county canvassers show:

Allendale, John Ossewaarde; Blenden, Robert L. Johnston; Chester, Jas. Chittik; Crockery, Andy Peterson; Georgetown, Roy M. Lowing; Grand Haven, George Malrauser; Holland John Y. Hulzena; Jamestown, Gerrit Yntema; Olive, P. H. Vinkemulder; Park, G. F. Henneveld; Polkton, C. W. Richards; Ronison, Fred Graham; Spring Lake, David M. Cline; Talmadge, R. Bromken; Wright E. A. Hamilton; Zeeland, Gradus Lubbers.

On the state ticket for justices of the supreme court, Grant Fellows polled 4,203 and Howard West received 4,046 in the county. Their Democratic opponents, Burk and Cavanaugh polled 846 and 923 respectively.

For regents of the University, Junius Beal polled 4,078 and Ralph Stone 4,100 on the Republican ticket. Eaman and Shields, Democrats polled 915 and 914 respectively.

Thomas E. Johnston, Republican, polled 4189 votes for superintendent of public instruction and Theodore A. Norris, Democrat, received 968.

Clark L. Brody and Herbert L. Bowdy, Republicans, running for members of the state board of agriculture polled 4,121 and 4,056 votes respectively while Rust and Welsh, Democrats polled 914 and 949 votes each.

### HOLLAND WILL HELP ENTERTAIN THE POOR

G. Van Schelven, secretary of the county superintendent of the poor has made out a schedule when the different towns in the county shall entertain the poor people at the county infirmary at Eastmanville during the season of 1923.

These meetings cover 28 Sundays commencing Apr. 15 and closing October 21.

The different church organizations from the various cities and towns have willingly taken hold of this schedule and have arranged meetings accordingly.

The dates and such other information as is needed is given by Mr. Van Schelven below:

Allendale, May 13.  
Conklin, May 6, Sept. 16.  
Coopersville, April 15, October 21.  
Grand Haven, April 22, June 10, July 22, Aug. 26, September 9, September 30.

Holland, April 29, May 20, June 17 and 24, July 1, 8, and 15, August 5 and 12, September 23.

Jamestown, August 19.  
Spring Lake May 27 and Oct. 7.  
Zeeland, June 3, July 29, September 2, October 14.

These services open at 3 o'clock P. M. They are voluntarily rendered and are conducted under the auspices of one of the several auxiliary church organizations in the localities named. The further assignment of dates among the several organizations in each locality.

If by reason of the weather or other cause, parties are prevented from filling any of the dates assigned, they are expected to give timely notice thereof to the infirmary by telephone.

### THIRTEEN COMMUNITIES REPRESENTED IN MEETING AT COUNTY SEAT

A county clothing roundup was held at Grand Haven on April 3 at 10:30 a. m. in the supervisor's room in the court house. Thirteen communities were represented and reported on the work done as the result of home demonstration agent meetings. All plan to continue with various other projects. Some are taking clothing work, some interior decoration, some household efficiency and some nutrition lessons. All courses are given in a series of four lessons, each coming once every four weeks. Women present numbered 65. They elected a county home economics executive committee to act with Miss Schurr, H. D. A., as advisory to her work. Members elected were: Mrs. C. C. Little, Coopersville, chairman; Mrs. Wm. Glasco, Nantua; Mrs. Henry Lubbers, Coopersville; Mrs. Earl Lowing, Jenison and Mrs. John Kieft, Grand Haven.

A cafeteria lunch was served at the noon hour at the M. L. church by the Peach Plains and Neighborhood club. A general session was held in the afternoon and an exhibit of clothing work done as result of clothing lessons just finished. Miss Adele Koch of M. L. C. and Miss Muriel Dundas, home demonstration agent of Allegan County were speakers. Several of the women demonstrated sewing processes.

### OTTAWA COUNTY CANDIDATES DRAW LOTS ON TIE VOTE

Two candidates drew lots on election day in Chester township, according to the records scanned by the board of county canvassers Thursday. The inspectors' statement indicated that Edgar Kelly and Michael Umer each had 121 votes for the office of township highway commissioner. A notation on the statement informs the canvassers that the tie was settled by lot and Kelly won.

40 held a regular meeting Thursday night in the Masonic Temple and after regular business, elected the following officers for the ensuing year:

W. M.—Mrs. Lucile Tyner.  
W. P.—Arthur Van Duren.  
A. M.—Miss Jennie Karsten.  
Sec'y—Mrs. Goldie Fox.  
Treasurer—Mrs. Edna Bertsch.  
Conductress—Mrs. Stanaway.  
A. C.—Mrs. J. A. Johnson.

These officers will be installed some time during the present month.

On April 12 the Star of Bethlehem will initiate a class of eighteen, the initiatory work being performed by the past matrons of the Chapter.

Florence Bothyl, of Grand Haven, who has been connected with the Grand Haven Dairy Co., has resigned his position and is preparing to open a model dairy at his place on Slayton street. The new place will be known as "The Square Deal Dairy."

### HOPE GRADUATE OUT WITH A BOOK ON THE BIBLE

James Mullenburg, a graduate of the class of 1920, of Hope College, is the author of a new volume, "Specimens of Biblical Literature" just off the press of the Thomas Y. Crowell Co. of New York. Mr. Mullenburg is at present a member of the English Department of the University of Nebraska, but he spends his summers in Western Michigan, usually at Central Park.

According to the preface, the book attempts to indicate the main literary types that are found in the Bible, to place before students a portion of a literature that is only just beginning to receive proper recognition in the schools and colleges and to endeavor to emphasize the value and importance of the study of comparative literature.

In his preface Professor Mullenburg expresses his indebtedness to "my wife, Mayme Kloote Mullenburg, for her constant encouragement and her generous assistance in the preparation of the manuscript." Mrs. Mullenburg is also a graduate of Hope College, of the same class in which her husband graduated.

The publishers in their advance notice of the new book say that it is "designed to meet the needs of the students in their study of the Scriptures. It contains an introduction that gives the student a refreshing and interesting approach to the great literary product of the Hebrew civilization. There is nothing dry and dull in it. It attempts to remove all the antagonism with which the student may face the course. The point of view is human, and the Bible is studied as a library of world literature."

"Specimens of Biblical Literature" is a collection of the best literary creations in the Bible. It arranges and classifies the literature according to its type. One may find story, poem, essay, oration, letter, and other types. The units are literary units, and this makes them easier for the student to read. The paragraphing and the elimination of verse numbers and chapter headings are designed to render the literature as attractive as possible.

### COOPERSVILLE HIGH SCHOOL SELECTS CLASS OFFICERS

Keineth Maeolus of Nunica, with an average of 95 has been selected valedictorian of the class of 1923, of Coopersville high school. Miss Jewel Lieffers is the salutatorian, her average being 94. The average for the entire class, which this year numbers 23, was 88.

### NEW BROWNING GUN DOES RECORD STUNTS

Ogden, Utah, April 7—John M. Browning, noted Ogden fire arms inventor, has completed a new weapon capable of shooting 120 rounds a minute, with a range of six miles and is large enough to penetrate airplane armor, it was announced today.

Mr. Browning went to work on the gun, it was stated, at the request of the chief of ordnance of the U. S. army.

### HOUSE PASSES BILL TO RAISE FISHERMAN LICENSE 100 PER CENT

Four bills were passed and one was killed on third reading in the house Friday.

The bill raising 100 per cent the fees commercial fishermen and non-resident fishermen shall pay for fishing in waters bordering on this state, was one of those finally passed. The bill was passed in the senate with the fees increased 200 per cent, but the house reduced it one-half.

The auditor general is authorized to cancel taxes of the year 1885 and 1886 on all descriptions of land on which taxes remain unpaid as shown in the records of the auditor general. The state, county, township, city or village affected would equally stand the loss on such unpaid taxes.

Two other fish bills, one by Senator Karher and one by Rep. Richards were finally passed.

The bill which the house killed was the Wood senate measure to increase to \$5 the fee charged for granting of notary public authority.

Lieut. Gov. Thomas Read, at the end of the session of the senate requested the members of the senate to have all bills that it was desirable to pass at this session filed in the senate next Monday evening. In that connection he stated that the shortest time in which a bill has been forwarded from introduction to governors' signature was 19 days.

The lieutenant governor believes the senate is far ahead of the house in the matter of explanation and that about the only measure in the senate that will take much time is the bill making bus and trunk lines common carriers.

Sixteen measures were sent back to the floor of the house Friday for passage in answer to the governor's insistence that the measures be expedited. Eight of these come from the committee on finance and appropriation, several have been in the keeping of that committee since the second or third week of the session.

One of the measures sent back was the Connelly measure for purchase of a public park and the others were appropriation measures for the department of agriculture and hospitals.

The co-operative dairies at Muskegon are not only meeting with success but they have twice within the last year forced a reduction in the price of milk.

A few days ago a meeting was held and the larger dairies decided that they could not reduce the price of milk from 12c to 10c a quart this spring. The two co-operative dairies, however, decided they would do it and the others followed.

The Fourth Reformed church, Allegan, has eliminated all Dutch from its Sunday services, according to an announcement made by the Rev. Robert Kroodma, pastor. One Dutch service each Sunday was the tradition until last summer when this service was decreased to two services in the Dutch language a month. From now on all services will be conducted in English.—Allegan News.

### LOCAL Y MEN LOOK FORWARD TO CONVENTION

Y. M. C. A. members of Holland and Ottawa county are looking forward to a big state convention of the Y that is to be held in Grand Rapids April 17 and 18. Because of the fact that the convention will be held so near home, many people from here are expected to attend. Anyone interested in Y work is welcome to attend all the sessions and to share in all the privileges of members and delegates with the exception of casting a vote for officers or for other purposes. There will be two delegates at large from the Ottawa County Y and four regularly appointed delegates from Holland. But many others besides these delegates are expected to attend the meetings.

Holland will be represented on the program by Ernest Vanden Bosch, president of the Hope College Y, who will give a five minute address. Mr. Vanden Bosch will officially represent Hope College.

Secretary Henry W. Smith of the Ottawa County Y, is represented on one of the state committees. This is the commission on promotion of state work which will meet at 9:30 on the last day of the convention.

"This will be the first really big constructive state convention that the state association has held since before the war," Mr. Smith declared today. "The convention will consider big scale state problems and will be of unusual interest to all."

Two of the top-notch speakers at the convention will be Dr. John Timothy Stone, of the fourth Presbyterian church of Chicago, whose address will be on "Leadership in Modern Problems" and "Our Resources," and President Marion L. Burton, of the University of Michigan, who will give an address on "Facing the Future."

Muskegon fans are prepared to give the Muskegon high school basketball team, champions of Michigan a rousing reception when they arrive home. Although defeated by the Kansas City team the Jackmen were a credit to their school, city and state.

The Muskies played 30 games this season and lost but two. The Holland high team was one of the teams defeated by the Sawdust City aggregation. Eight of them were played in state and national tournaments. Muskegon fans accepted the news of the defeat graciously and had nothing but words of praise for the players and Coach Jacks.

### HOLLAND MAN TIES THE KNOT FOR AGED SAUGATUCK COUPLE

On Wednesday evening, April 4 Mr. and Mrs. W. R. Takken gave a little informal reception, the occasion being the fifteenth anniversary of the marriage of Archie T. McDonald and Miss Winifred Azling. The company assembled soon after 7 o'clock and then the fun began. Jokes and parlor games enlivened the time after which the hostess served a delicate luncheon. The good things having been duly disposed of, the next thing in order was a mock remarriage of the principals of 15 years ago, that high priest of fun maker, Wilson E. Diekema, officiating. He tied and untied the knot so many times that "Winnie" and "Arch" believed in the end that they really had been divorced. That having been settled, they were presented on behalf of the company with a beautiful casserole. Those present besides Mr. and Mrs. Takken and the principals, were Mr. and Mrs. Thos. Hedglin, sister and brother-in-law of Mrs. McDonald and the latter's daughter, Margorie and mother, Mrs. G. L. Azling; also Mr. and Mrs. Wilson Diekema of Holland, cousins of Mr. Takken; Mr. and Mrs. F. Fursman, Mr. and Mrs. F. H. Wicks and Mr. and Mrs. T. H. Dates all of Saugatuck.—Saugatuck Commercial-Record.

### LAKETOWN PIONEER DIES AFTER LINGERING ILLNESS

Roelof Bramer, aged 73 years, passed away at his home in Laketown Saturday after a lingering illness. He is survived by his wife and six children, Mrs. Roy Cobb, Mrs. Peter Rosein, Mrs. Frank Eby, Mrs. Cornell Zeedyk, Mrs. George Zonebelt, and Mr. Albert Bramer.

The funeral was held on Tuesday afternoon at one o'clock at the home and at two o'clock at the Graafschap church.

## Dependable Power

WHAT does it cost you now to work a horse ten hours, and what does it cost you to feed that horse after you unhitch and get him back in the stall? When the Mid-west Utilitor work is done your expense on it stop. All the feed it needs is a gallon of gasoline every five hours it is working. That the Mid-west Utilitor is an absolute success from a practical standpoint we have established beyond a doubt by all sorts of grueling tests. Behind every Mid-west Utilitor stands one of the oldest, strongest and fairest factories in existence. You can see this little wonder doing all kind of Farm and Truck Garden work by calling any day at Prairie Land Farm, Douglas, Mich. Time payments arranged if desired.

W. W. FELKER, Distributor,  
Douglas, Mich.

## DEPENDABILITY AND SERVICE

When you purchase a Monument or Marker, you want *dependable* work, so that you can rest assured that it is going to stand the weather --- *for all time.*

You also want the work that you order, delivered in a reasonable length of time---*thats service.*

When we sell you a Monument or Marker, we guarantee you the best of material --- *the best of workmanship and guarantee service.*

Now is the time to place your order for Spring delivery.

## Build Your Home at a Wholesale Price

### BUT GET YOUR OWN IDEAS INTO IT.

If you consider building a house, you will be interested in our methods of cutting costs.

And when you see your own ideas put into the plan, with the help of our expert Draftsmen, you will experience that wonderful satisfaction that you can only have when you make something real and lasting out of your own thoughts.

A house does not have to be big and costly to express the fine things that are in one's character. But how can a man build a house at all without its telling whether or not he is practical, whether he is sensible, whether he is considerate of others, what he is most interested in, whether he believes in getting good, lasting values, and a lot of other things.

We simply cannot build without expressing our characters. And the more of our characters we put into building, the more interesting it is.

And what a keen pleasure the children have all their lives when they can go over the features of the old house and say, "Those ideas were Father's! And those Mother's!"

Build a home, and put more of yourself into it!

With our help it is easier than you may imagine. All of our many customers will gladly tell you how perfectly satisfied they are, and how much money they have saved.

Let us give you complete information today. It will not obligate you in any way.

## "DUTCH HANK" IS BROUGHT BACK TO FACE CHARGE

Henry Van Dessel, alias "Dutch Hank", was arrested in Saginaw by Detective John Stegenga of Grand Rapids on the charge of obtaining \$10 from Jacob Kammeraad of Grand Rapids through fraud. Van Dessel was brought to Grand Rapids where he was arraigned in court on the charge. Chief of Police Van Ry has kept in close touch with the case because of the fact there was a Holland end to the affair. Moreover Mr. Van Ry wants Van Dessel for several other misdemeanors, so that after he gets through serving sentence for the Kammeraad affair, if he is convicted, the Holland officers will go after him to make him face other charge.

According to the story of Jacob Kammeraad, who conducts a meat market in Grand Rapids, Van Dessel called at the market in great agitation and said that Kammeraad's brother, living on the lake shore, a few miles north of Holland, had been killed by a horse and was dying. Incidentally Van Dessel borrowed a ten dollar bill of Kammeraad, but when Kammeraad reached his brother's place the latter was as hale and hearty as ever.

Van Dessel's method of getting a ten spot out of Kammeraad was all the more aggravating because of the fact that the worst storm of the winter was blowing and not only Jacob Kammeraad but several other relatives from Grand Rapids drove thru the storm all the way from Grand Rapids in the dark only to learn when they came here that they had been victimized.

In view of the circumstances, it is likely that Van Dessel, if convicted will get the limit of the law. And the local police claim that they have enough against him to keep him serving time for quite a while afterwards, so that the chances are he will not play his skin game over again for quite awhile.

## MOTION PICTURES ABOUT POULTRY TO BE SHOWN

The poultry business, the biggest industry in Ottawa county, will be shown in motion pictures Monday evening in the city hall, when Dr. O. B. Kent, in charge of the Poultry Service Department of the Quaker Oats Co. will give two lectures on poultry raising and then three reels of motion pictures showing forth the poultry business will be exhibited. The program has been arranged by the Holland Poultry Association and will begin at 7:45. No admission price will be charged and ladies are especially invited to attend. Assurance is given that there will be no smoking and the ladies can attend the meeting in comfort.

The lectures of Dr. Kent will be on "Judging Birds for Egg Production" and "The Full-O-Pop Way of Feeding." The titles of the motion pictures are: "Judging for Egg Production," in two reels, and "A Tour of Three Leading Poultry Farms in North America," a one reel picture.

Dr. Kent was formerly president of the American Association of instructors and investigators and professor in poultry husbandry at Cornell University.

## HAS THE HIGHEST AVERAGE IN THE SCHOOL'S HISTORY

Miss Harriet Heneveld, member of the graduating class of Holland High school, has maintained the highest average of scholarship during her four years' course ever attained by any student graduated from Holland High school. Her average for the four years was 97.2, and as a result she has been appointed valedictorian for her class at the annual commencement in June. Miss Heneveld has been on the Honor Roll during the entire four years of her course and she has taken an active part in other school activities besides class room work. She was the leading lady in the recent very successful Senior class play, "Daddy Long Legs."

Bernie Vander Meulen won second honors with a scholarship average for the four years of 96.89. Mr. Vander Meulen has been appointed salutatorian at the class exercises in June. Honorable mention was given to Miss Ruth Marcotte, whose average for the four years was 95.53.

There were six students in the class who had an average for the four years of 94 or over. These six included the three mentioned above and also the following: Mae Hadden 94.69, Alice Piasman 94.64, and Wilma Van Doesburg 94.1. There were nineteen students in the class who had an average for the four years above ninety, showing that the scholarship of the class is exceptionally high. The lowest average for the whole course was eighty.

This year's graduating class numbers 75, which is a trifle lower than the number graduated last year. The scholarship record of the class is exceptionally high and is a credit to the school.

The valedictorian and salutatorian are the only speakers that have as yet been chosen for the commencement exercises in June. Besides these two there will be an out-of-town speaker who will deliver the main address of the evening.

## RAISE IN SUGAR PRICE CAUSES ICE CREAM TO GO UP

The Arctic Ice Cream Co. announced Monday that the price of ice cream will be raised from \$1.10 a gallon to \$1.25 a gallon, and as a result the price of sodas and sundaes will also go up. The raise in price is due to the raise in the price of sugar. Ice cream dealers in other cities have been raising the price per gallon and as result sodas and sundaes have been going up, and Monday the local dealers followed suit. What the increase in price of sodas and sundaes will be has not been announced.

## FABIANO PUTS IN A FINE NEW FRONT

Charlie Fabiano who conducts a fruit and ice cream store on River avenue near 8th St. is making extensive improvement.

Contractor Abel Postma has the contract to put in a new plate glass front with prism glass at the top, a tile floor where the goods are displayed and a tile entrance inclined, besides many other improvements.

A marble base and stone cornice work are also part of the new fixtures.

It is stated that the front will be one of the most beautiful in the city and will cost in the neighborhood of \$2,000.

Mr. Fabiano who has been in business in Holland for at least 15 years has also fitted out his basement for an ice cream factory and the state inspector who has been here to look over the plant says that Mr. Fabiano's ice cream outfit is as clean as a whistle.

Ice cream men are now making frost bites, Eskimo pies, etc., but Charlie has named his the Holland lines of many that are on the market today.

It is expected that the store front will be ready by May 1st.

## TEACHER'S JOB AS IMPORTANT AS ANY PROFESSION

"The teacher ought to stand up and be counted. He ought to tell the world that his profession is as important as that of the lawyer, the doctor and the minister. Instead of being apologetic and being known anywhere on the street by the shine on his coat and lower down, he ought to speak up for his profession and make people respect him and it."

Such in part was the vigorous defense of the teaching profession that Dr. Wm. McCracken, acting president of the Western State Normal, made in an address at the annual spring banquet of the Holland Teachers' club in W. L. C. hall Thursday evening. The banquet was a delightful one, presided over by Miss Lida Rogers, president of the club, and attended by teachers, members of the board of education and other invited guests.

"There has been a tremendous increase in school and college attendance the past few years," said Dr. McCracken, "and the teaching profession is becoming more vital every day. The compensation of the teacher has been increased, and the teacher on his or her part should also give better service than ever and become worthy of still better pay. One of the important elements in a teacher's success is physical fitness and it is a teacher's duty to keep fit. Another important element is loyalty to the school and to those in charge of the school. This ensures teamwork and makes for success in teaching as in any other profession. And what a teacher needs to develop above all things is a sense of humor with which to meet the worries of the day and keep a hopeful outlook on life."

Dr. A. Leenhouts, president of the board of education, spoke in behalf of fellow members of the board, declaring that although the board members did not visit the schools every day they were always thinking of the teachers and working for them and that they had a good manager in the person of Supt. E. E. Felk. Mr. C. E. Drew spoke on behalf of other friends of the schools and he advised the teachers to be themselves at all times and to be loyal to their superiors, working for the good of the system.

Mrs. R. M. Walts sang "Doris" by Nevins, "My Heart at Thy Sweet Voice" by Saint-Saens, and several encores. She was accompanied by Miss Ruth Keppel on the violin and Mrs. Martha Robbins at the piano.

## SOCIETY DISCUSSES NEEDS OF FOREIGN MISSIONS

The Woman's Methodist church gathered for their regular meeting at the home of Mrs. Fanslar, 165 East 8th street, on Thursday afternoon. Mrs. D. E. Thompson conducted the devotions, assisted by several of the ladies. Mrs. Ruth Fairbanks gave a short talk on tithing. Mrs. B. Welton, who has charge of hospital work, presented the needs of Isabelle Fisher hospital at Tientsin, China. Mrs. A. E. McClellan very interestingly reviewed a chapter from the study book, "Building with India," by Daniel Johnson Fleming.

Dainty refreshments were served by Madames Johnson, Harris and A. Fairbanks. This society through its members maintains one Bible Woman and several scholarships on the foreign field besides its regular activities.

## PANTLIND ASSOCIATES TO SPEND \$150,000 ON OT- TAWA BEACH HOTEL

With work already started towards painting the exterior and completely redecorating the interior of the large resort hotel at Ottawa Beach, recently purchased by Fred Z. Pantlind of Grand Rapids, L. J. Montgomery of the Post Tavern, Battle Creek, and E. S. Richardson of the Kerns hotel, Lansing, plans are being made for extensive remodeling and enlargement to cost between \$150,000 and \$200,000.

Among the improvements planned are a large outside playground, a covered playground for rainy weather, a dancing pavilion, a much larger garage, a cement road from the hotel to the beach and an improved road from the hotel to connect with main roads on the outside. Additional trees and shrubbery are also being planned.

Extensive remodeling and redecoration will put the place which has more than 200 rooms, on a par with the best tourist hotels in the north. A large capacity garage will displace the present small one so that cars of all guests small and four-wheeled will be housed. Detailed plans as to the size of the new buildings have not been worked out.

Mr. Pantlind and Mr. Richardson were at Ottawa Beach Wednesday, working on plans.

## MASHER AGAIN BUSY WITH AUTOMOBILES

It seems that with the spring breezes, some sort of young men turn their thoughts to mashing, and the automobile has proven a very convenient vehicle to carry on this practice.

Officers Bontekoe and O'Connor gathered in Al Bouwman, Clarence Brouwer, and Richard Jacobs, who kept plying up to groups of young ladies who were walking on the street, inviting them to take a joy ride, wherever that might be.

The officers cut the mashing short, however, and the young men were arraigned before Justice Brusse, who not only fined the men \$5.70 each, but reprimanded them severely, giving them a lesson in common decency.

The police had considerable trouble last year with mashers, arresting a bunch of them early in the season. One instance will be remembered a young chap took a young lady from church, stating that he would take her to her home on the North Side, but instead he turned his car to some untraveled road in Waverly, and after a desperate fight the young lady kicked herself free from the automobile by breaking a glass in the car, and escaping cross country to her home, where she fell exhausted.

Chief of Police Van Ry is going to see to it that ladies are going to be free from the mashers, and this case is only a beginning of what is to happen to those who persist in forcing their attentions upon young girls with whom they are not acquainted.

Many appeals have come to this paper from time to time, asking that the columns aid in putting a stop to this promiscuous mashing. We promise to give the police every co-operation in our power and to give the full light of publicity to every case, it matters not whom it hits.

## COUPLE UNITED IN A PRETTY CHURCH WEDDING

A pretty wedding took place at the Wesleyan Methodist Church Tuesday evening when Miss Marguerite De Fouw was united in marriage with Mr. Martin Japenga. The ceremony was performed by Rev. M. H. Kingsbury, pastor of the church, in the presence of about a hundred relatives and friends.

Shortly after 7 o'clock Miss Estelle Mohl took her place at the piano, Miss Mae Johnson sang "O Promise Me" and while Lohengrin's Wedding March was being played the bride company took their place before a white arch and bank of palms, ferns and beautiful easter lilies. The single ring service was used after which congratulations were in order.

The bride was dressed in beautiful white canton crepe, and was attended by her sister Miss Bessie De Fouw and Miss Marguerite Van Maurick. The groom was attended by his brother, Mr. Dick Japenga. Little Florence Mae Damstra strewn the way with flowers while Herman Gerard DeFouw was ring bearer.

After congratulations had been given the bride company led the way from the church to the bride's home where a reception was held. Many beautiful and useful presents were received by the young couple which bore evidence of their wide circle of friends. They are active in the work of the church and Sunday school.

**FIRST FINE NEW 1923 STORE IS COMPLETED IN GRAND HAVEN**  
The first new modern building of the 1923 crop at Grand Haven has been entirely completed and is now ready for occupancy. This is the Fortino building, construction on which was started last fall. Some time ago one store section was completed and occupied and now beside this, three of the four upstairs living apartments have been rented to parties who are moving in rapidly.

One of the best buildings in Grand Haven and the newest the Fortino Block stands as the first of a new string of modern structures which will extend from the Jorgensen building on West Washington St. to the Dornbos and V. I. Witt buildings at the very end of the East End Business sections.—G. H. Tribune.

## TEACHER DIES IN TOLEDO, O., AFTER A MONTH'S ILLNESS

The many friends of Miss Gertrude Habing were shocked Sunday by the news of her death in Toledo, O., Sunday morning. Miss Habing was taken ill about a month ago and while her illness at first did not seem serious, many complications set in and at the time of her death her condition had been very serious for some time and her parents had been called to her bedside quite a while before the end came.

Miss Habing, who was 37 years old, was born in Holland and received her education in the local schools. She graduated from Holland High school and later from the State Normal at Ypsilanti. She has taught in various places, among them Everett, Adrian and Holland, in this state, and Toledo, Ohio. She was a teacher in the local schools for four years, and for several years she has been teaching in Toledo, Ohio, winning an excellent record in that city and having almost as many friends there as in her home town.

She is survived by her parents, Mr. and Mrs. Samuel Habing, and one brother, Bert Habing of this city.

## GRONEWOLD WINS OUT BIG IN THE COUNTY

The Board of County Canvassers of which John Arendshorst of this city is one, have completed their work at Grand Haven and they find that Mr. Gronewold of Zeeland was elected by a large majority for school commissioner of Ottawa county against his opponent Mr. Leestma of Holland. Mr. Gronewold received 3,895 votes and Mr. Leestma 1,599 votes giving Mr. Gronewold a majority of 2,296. Nelson R. Stanton received one scattering vote in the county.

Judge Cross who had no opposition received 4,422 votes, which the vote on the amendment was 2646 yes and 2461 no.

**MORTGAGE SALE**

WHEREAS, default has been made in the payment of the money secured by mortgage dated the 1st day of December, A. D. 1919, executed by Ruth L. Hayward, of the Township of Park, County of Ottawa, and State of Michigan, to Katherine L. Loesch, of Chicago, Illinois, which said mortgage was made in the office of the Register of Deeds of Ottawa County, Michigan, on the 24th day of December, A. D. 1919 at nine (9) o'clock a. m. in Liber 125 of Mortgages on page 408, and

WHEREAS, the amount claimed to be due on this mortgage at the time due on this notice is Two Thousand Four Hundred and Ninety Seven Dollars and Twenty Cents (\$2497.20) principal and interest and a further sum of Thirty Five Dollars (\$35.00) as an attorney fee provided for by statute, which is the whole amount claimed to be due on said mortgage and no suit or proceedings having been instituted at law or in equity to recover the debt now remaining secured by said mortgage nor any part thereof whereby the power of sale contained in said mortgage has become operative.

NOW THEREFORE, notice is hereby given that in pursuance of the statute in such case made and provided, said mortgage will be foreclosed by a sale of the premises therein described at public auction to the highest bidder at the north front door of the Court House in the city of Grand Haven in said County of Ottawa and State of Michigan on Monday the 14th day of May, A. D. 1923 at two (2) o'clock in the afternoon and that day, which said premises are described in said mortgage as follows:

The southeast quarter (S. E. 1/4) of the northwest quarter (N. W. 1/4) and also the northwest quarter (N. W. 1/4) of the northwest quarter (N. W. 1/4) of Section Fourteen (14) in Township five (5) north of range sixteen (16) west containing in all eighty (80) acres of land more or less according to the government survey and located in the Township of Park, County of Ottawa, and State of Michigan.

Dated Holland, Michigan, February 13, A. D. 1923.

LOCAL

The Strand Theater on Saturday is to put on some extra reels showing the workings of a dependable power tractor, advertised on page six of this issue. W. W. Felker of Douglas, Mich. is the distributor.

Wm. C. Vandenberg of the Vandenberg Oil Co., and Al Van Duren of the Komforter Kotton Company have just returned from a business trip to Chicago.

Ernest Eaton of Nunica, Ottawa county was arrested yesterday by the sheriff's department on a statutory charge. Eaton is 17 years of age and is held on one thousand dollars bail.

Wynand Wichers, A. B., professor of history of Hope college has declined a second offer from Western State Normal. Prof. Wichers has served his Alma Mater since his graduation in 1909. He is also registrar of the local institution.

For the first time in many years, at so late a date in the spring, the ferry Grand Haven was stuck in the ice at Grand Haven yesterday. The ice fields were whipped toward the harbor by a strong southwest wind and it jammed so that the huge ferry was held for a time. The Goodrich liner Alabama also had difficulty in making port and was forced to go astern several times in order to break thru the ice jam. The ice in the lakes and river near has stayed longer than has been recorded for quite a number of years.

Dr. I. Wisse of the Presbyterian church of Grand Rapids will preach in the 4th Reformed church of Holland at 2:30 Sunday afternoon. The public is invited.

John De Vries, of Muskegon has been spending part of the week with his parents, Mr. and Mrs. Henry De Vries, West 15th Street.

Hope college affirmative debating team defeated Western State Normal here last night. The question was "Resolved, that United States cancel the debts due her by the Allies in the World War." Hope was represented by A. Stevens, Jack Vander Meulen and Gerrit Wessellink, and they were opposed by Benjamin Beukma, Carl Hoffman and Wendal Gates of Western State Normal. The following judges presided: President G. Masse, link, of Ferris Institute, Prof. Fuller of Muskegon high and Rev. Fleming of Holland. The question was argued in a very creditable manner by both teams. Hope negative team argued the same question at Kalamazoo.

FRENCH WOMAN TO OPEN DRESSMAKING ESTABLISHMENT

Mrs. C. J. Strong, well known to Washington society as "Madame Jeanne," will soon open a dress making parlor in Holland. She has just returned from France with all the latest models. Mr. and Mrs. Strong left Holland some years ago for Washington but were called to France to close the estate of Mrs. Strong's mother, who passed away shortly after the daughter was married. Mrs. Strong has been in this country eight years and she made her second trip to France three years ago. Mr. Strong is a former Holland man who served in the World War.

APRIL 16 WILL BE PAY DAY FOR UNCLE SAM

April 16th is a big "pay day" for the world's greatest banker. On that day Uncle Sam will turn over \$125,000,000 to holders of Fourth Liberty Loan Bonds, Michigan's slice of this "million" amounts to about \$3,000,000.00.

The holders of these bonds are urged to clip their coupons promptly and to re-invest their interest in the new U. S. "Baby Bonds" which are now selling at all postoffices at \$20.50 and which will be worth \$25 each in 5 years (an increase of about 22%). Under the government's Monthly Investment Plan, if a person buys one of these baby bonds every month he will own sixty at the end of five years, maturity value of which, is \$1500.

FIFTY YEARS AGO TO DATE

**Fifty Years Ago.**  
Marshal Blom is mending the ways of the city; a crosswalk is being placed between Eighth and River Street, and a side walk is also being laid on one side of Market street. Note—The Marshal in question was C. Blom Sr. father of the present chief of the fire department, Market Street now Central Ave. was apparently without a walk at that time. The only way the pedestrian could travel on that street was over a hard earth path on one side. Think of this now beautiful thoroughfare as it is today. It is the Avenue that taps the heart of the city and is the dividing line between the East and West part of Holland.

**Forty Five Years Ago.**  
The news reached this city on Thursday that Capt. Case Dok of the Steamer Pligger was dangerously ill on board his ship lying in the harbor at Racine, Wis. Capt. Bas Van Ry was telegraphed for to take the vessel into Holland harbor with the sick captain aboard.

**Forty Years Ago.**  
At mid-night fire was discovered in the Butter Tub Factory of J. Van Putten and Co. on North River St. Apparently some enemy set the fire, for an empty Kerosene can and other things evidenced that the fire was of incendiary nature. The fire was put out promptly and no great amount of damage was done. E. J. Harrington, who owns the property, offers a liberal reward for any evidence that will bring the "fire flies" to justice.

**Thirty Five Years Ago.**  
A stranger coming into the city last Monday could not discover that an election was being held, owing to the lack of excitement over the event, and we do not know of one ever being held before in Holland where so little interest was manifested in the result. As evidence of this we may mention that of the 793 registered electors only 575 polled their votes. Note—Our brother would throw his hands up in holy horror if he knew how this interest dwindled ever since then. At the March 24th out of 5000 registered voters and then folks kick about poor government everywhere. The remedy is not wait but to vote. The public can have just as good a government as it demands and deserves nothing better.

**Thirty Years Ago.**  
The sportsmen of this vicinity are making efforts to introduce the Mongolian Pheasant in this locality, as the quail are nearly exterminated. They must do something or there will be no shooting in the future. The pheasant is a very hardy bird and will stand considerable cold and snow. Arthur Banningartel South River Street is taking a live interest in this question. Note—Mr. Banningartel did thru the Holland Rod and Gun Club that time "plant" several pairs of pheasants in the woods around Holland. Unsportsmanlike hunters would not leave them alone however. Occasionally one is seen even now. The State of Michigan now has a pheasant farm and within the past two years nearly one hundred birds were turned loose by the game wardens of the locality and a representative of this paper. Quail are not extinct today but have been on the "closed season" list for a number of years and many a covey is seen from time to time even along the road-side by motorists.

**Twenty Five Years Ago.**  
The grading for the new electric road between Holland and Macatawa park is nearly completed. The iron is on the way to Holland and the electric poles are also being put up.

**Twenty Years Ago.**  
The Holland Sugar Co. are constructing a new Sugar Plant at St. Louis and have elected C. M. McLean of this city as Secretary and Manager.

**Superintendent of Schools F. D. Haddock** has handed in his resignation and will leave the city. The reason the superintendent gave is that his leaving would be beneficial for himself as well as for the school. Note—Mr. Haddock is to day superintendent of a large cheese and dairy product factory in the state of Wisconsin and has become well-to-do.

**A "green tea" party** was given by the Ladies Aid Society of Hope Church in charge of Mrs. G. Van Schelven. The church parlors were beautified with St. Patrick's colors and rare plants. A menu containing delicious dainties was a feature.

**Fifteen Years Ago.**  
Mrs. A. C. Ruik aged 52 years died Saturday at her home.

**Mrs. Helen De Jong** daughter of Rev. De Jong of Crisp was surprised Friday evening by a party of her lady and gentlemen friends from Holland. Those present were the Misses Lucy Brower, Carrie Huizenga, Mary Wonderham, Lena Groeneweld, and Messrs. Adrian J. Van Putten, John Huizenga, Will Brower, Ben Veldman, Guy Linghard and Peter Pluime.

**A marriage licence** was issued for John Wabeke 34 Holland and Dena Westrate 25 Holland.

**Ten Years Ago.**  
Wilson Diekema captures first place in the local declamation contest held in the High School Friday. Mr. Diekema's subject was "The Vision of War". The judges were the Rev. A. J. Bruske, Mrs. J. P. Ogge and Mrs. L. M. Thurber.

**Common Council**—No more pantaloons will be caught on barbed wire fences as they will have to be removed; the city is taking this precaution for when any damage is caused the city is held liable. Note—Liable for what—indecent exposure?

TWO ALDERMEN TO RETIRE AT THE NEXT REGULAR MEETING

PETER PRINS AND WILL LAWRENCE WILL LAY DOWN THEIR OFFICES THEN

The aldermen who will leave office this year, retiring from the city's service after long periods of work are now on their last lap before saying farewell to their associates in the council. The change will take place at the next regular meeting of the council on the evening of April 18. The retiring aldermen will still have one important piece of work to dispose of before they lay down their work. That will be letting the bid for the biggest paving job Holland has ever put through in a single season. For the purposes of letting this bid a special meeting of the council will be held on Monday evening, April 16, when the various bids will be opened and the award made. This is a piece of work not well adapted to a regular meeting, especially not a meeting when newly elected aldermen take their seats, as that is usually a more or less festive occasion when important detail business is not popular. So the council will transact this business at a special meeting, and the retiring aldermen who have helped to shape the paving legislation through all its processes will help to finish it by passing on the bids.

The retiring aldermen this year are only two in number, but these are the veteran members of the council, having served longer than the members from the other wards. They are Peter Prins and Will Lawrence, both of whom have been in the council for many years. Prins will be succeeded by H. P. Kleis and Lawrence by Oscar Peterson.

HAMILTON

Mr. and Mrs. Henry Eding spent Friday evening at the home of Will Klein.

Rena Dalenberg of Hamilton is working in Holland.

Miss Sena Klein who is working in Zeeland spent Easter with her parents.

Miss Gertrude Wolters spent a few days with her sister and family.

Monarch Paint

100% Pure House Paint FOR EXTERIOR AND INTERIOR USE

It is a well known fact that White Lead, Oxide of Zinc, Linseed Oil and Dryer are the materials that combined in the correct proportions form the most durable and satisfactory protective paint coating. This combination when applied forms into a leathery and elastic paint film that stretches in summer and contracts in winter without breaking. CHEAP PAINT IS EXPENSIVE.

Buy Monarch 100% Pure House Paint and get the desired results.
