Home Owners League Becomes Assured Fact

DICK BOTER, PRESIDENT,
CARROLL F. SWEET
SPEAKS

Mr. Dick Boter was elected president of the Holland Home Owners' club at an organization meeting in the armory Tuesday night, which featured a program of speakers and entertainment. Other officers of the organization, first of its kind in the county, are vice president, Frank Essenburg; secretary and treasurer, John H. Post; board members, William Deur, John Kooker, John Rutgers and Andrew Klomprens. Carroll F. Sweet, scheduled for the principal address, arrived from Chicago after most of the 300 home owners gathered Tuesday night had left the meeting. Attorney Joseph Deeb, Grand Rapids, substituted for Mr. Sweet. He explained the purpose of the corporation was to refinance homes which do not exceed \$14,000 in value. Mr. Deeb also pointed out how the corporation's routine

OTHER NETHERLANDISH PAPERS PRINT STORIES OF TULIP TIME HERE

Miss Winifred Buma of Grand Rapids mailed to the News a copy of the "Leeuwarder Courant" of Feb. 15 picturing the funeral of King Albert of Belgium, who was killed in mountain climbing. Another picture is noticeable in this Dutch paper, namely Tulip Time in Holland, showing girls with yokes and baskets on parade in tulips. The picture was snapped in front of the Peoples State Bank and DeVries & Dornbos Furniture store. The inscription says: "Bloemenfeest in Holland (Michigan). Hollandsche meisjes in 'national' costume bij het bloemenfeest in de Amerikaanse stad Holland." Connelly, please translate.

PARISH HOUSE ROBBED

About \$100 and several articles of merchandise were taken from the parish house at Conklin, this county, while Fr. Bernard Kettman, pastor of St. Joseph's parish at Wright, Ottawa county, was conducting mass. Miss Anna Minkel, the housekeeper, also was at mass and the parish house was unoccupied at the time.

ARTHUR W. WRIEDEN ADDRESSES EXCHANGEITES

A regular noon luncheon of the Holland Exchange club was held Wednesday at Warm Friend Tavern.

Randall C. Bosch, a director in the Western Michigan Tool Works, gave a resume of the work carried on by this local factory.

Arthur W. Wrieden then addressed the group and described some of the activities in Washington during the recent ten days of supposedly constructive criticism of the national recovery act.

Mr. Wrieden first pointed out that much of the criticism was of a constructive nature and then described some of the speakers who participated at the open meeting.

In closing, Mr. Wrieden stated: "The NRA exemplifies the policy of live and let live, and instead of a kingdom of greed, we are trying to evolve a Kingdom of God."

COME SHOW YOURSELVES AT THE HOLLAND PLAYERS' OFFERING, OR PROOF A "PERFECT ALIBI."

The Players, Holland civic drama group, which has shown remarkable ability in its line in the performance of "The Stoops to Conquer" given last spring, and "The Show-Off" presented this year, will again appear before the public next week, Thursday and Friday, when it presents "The Perfect Alibi" by A. A. Milne at the Womans' Literary club rooms.

The play is a detective comedy packed with thrills and surprises and is believed by The Players to have a good popular appeal. Rehearsals under the direction of Miss Myra Ten Cate began five weeks ago. Those who have seen rehearsals report that there are several promising new actors who will be introduced with this play and also say that the play has plenty of comic sequences beside the thrills.

The cast includes Miss Betty Smith as Susan Cunningham; Jerry Bulthuis as Jimmy Ladd; George Theodore as Adams; the butler; Theodore Carter as Edward Laverick; George Essenburg as Edward Carter; Leon Moody as Major Fothergill; Mrs. E. F. Heeter as Mrs. Fulverson; Miss Helena Vischer as Jane West; Dr. James K. Ward as Arthur Ludgrove; E. H. Ormiston as Police Constable Mallet; and Herbert Marsijle as Sergeant Mallet.

Miss Joan Vander Werf is general chairman of the stage committee. Mrs. Robert Greenwood will have charge of stage properties; Miss Athalie Roest and Miss Marion Te Roller of hand properties. Miss Vera Hazel De Meyer and Miss Vera Hestel will also assist with staging. Ralph Martinus is stage manager.

Miss Gertrude Stokette will be prompter and Miss Marion Te Roller, assistant prompter.

The make-up committee will include Vernon Ten Cate, Miss Metta Ross, Miss Marion Katte and Miss Sadie Grace Masselink.

POPULAR OLD-TIME NOVEL GOES OVER BIG

Tonight is the last night that the old familiar story of "Ten Nights in a Bar Room" will be shown at club and under saw the old play. Sizeable audiences saw the old play Wednesday and Thursday, vividly picturing the little village, the town mill conducted by the town "bum," and the familiar tavern of yesteryear called the "Sickle in the Sheaves," conducted by the town boss, Slade.

The story is well known, the baneful results of "hard liquors," the pathetic death of a little daughter and finally the destruction of the wealthy Slade and his family who prospered until strong drink even destroyed the Slades, who were so strongly entrenched.

The "old timers" in Holland can remember two plays in the old Lyceum Opera House days. These were occasions in this city's recreational program aside from the church and the lodge rooms. Once a year at least we saw the always welcome "Uncle Tom's Cabin" with its proverbial parade of donkeys and bloodhounds preceding the play.

Second in popularity was "Ten Nights in a Bar Room." Both plays gave occasion for tears, both pathetic scenes involved little girls of "Little Eva" type and "Hearts and Flowers" was ground out by a wheezing violin and a large, lay-down piano with three legs.

But they surely liked those two plays. Now, you "old timers," if you want to spend one of the "Ten Nights in a Bar Room," go to the Virginia Park Community hall this Friday evening and it will bring you back to the plays and days of yesterday.

THIRD TIME, ANNOUNCES
HIS DIFFERENT
COMMITTEES

George Heneveld, Park township, entering upon the third year as chairman of the Ottawa county board of supervisors, announced the committees for the ensuing year. Mr. Heneveld was unanimously elected chairman after the first ballot in which he received 14 votes over John DePree, Zeeland city, who received 5 votes, the remainder scattering. The unanimous vote was suggested by Mr. DePree.

A most important matter is being considered by the board of supervisors yesterday was that of property description corrections and the execution of supervisors' plats where the county supervisors authorized the work to be started in this county under CWA. Due to the short time that the CWA functioned after the work got under way only one township started on this work, and that was Park.

A report was made by the special committee, appointed at the last meeting, to get the work started, to the board this morning, recommending the work be continued by checking descriptions in each taxable unit, correction made where necessary and maps made of each section showing all descriptions.

They recommended that the county pay 50 per cent of the cost and the township or city the other 50 per cent. That the money be advanced by the county from the general fund to pay for the work and that the township reimburse the county for its share.

Recommendations. They further recommended that the cost for each taxable unit be kept separate so that each unit be paying only for work done in that unit; that if conditions are found in any township or city where assessors' plats are necessary, such plats shall be authorized by the proper officials in such plats be borne by the units authorizing the same.

The committee also recommends that the special committee be continued and be authorized to act to carry out the above recommendations. The committee includes Peter J. Ryenga, Grand Haven; Peter Van Ark, Holland, and Albert Hyma, Holland township.

A report of the work done in Park township shows that 88 out of 109 descriptions were corrected at a cost of \$334.93, all of which was paid for by CWA. Material cost for abstract expenses totaled \$15, which was paid for by the township. The total tax on the 88 descriptions was \$5,543.16, of which the county would receive \$3,919.71 and the township \$2,623.45. In other words, the total cost of the 88 descriptions was 6.5 per cent of the amount of rejected tax. Work was stopped when the CWA program was ended.

Charles E. Misner pointed out that \$42,000 was lost to this coun-

Fifty Years Ago Today

This week alderman Reynard Werkmann bought the interest of his partners, H. and G. Van Ark in the Phoenix Planing Mill. Note: The large red mill stood on the post office site until 20 years ago. It was then known as the Scott Lagers Lumber Co. When the post office was built, the above named firm built and acquired its present quarters. Mr. Werkmann was the founder of the old Ottawa Furniture Co., recently wrecked. It was the first furniture plant in this city.

A "mucky" weighing 44 pounds was caught in Black Lake by Cass Van Dort last Sunday. It was a beauty.

Our sailors are "packing their bags" and will depart from this port with their sailing vessels for the summer trade. There are at least a dozen boats from this harbor doing coast trade.

A meeting of those interested in the organization of the Macatawa Fishermen's Assn. will be held in the "sample room" of the City Hotel. The purpose being to stop all slaughter of fish in this lake with dynamite and thru netting in local waters. Holland people are beginning to realize that these methods not only destroy fishing for resorters but for themselves as well.

Ald. David L. Boyd is very seriously ill at his 10th street home with "bilious fever."

Twenty-five Years Ago Today

Vander Linde and Visser's is the name of the latest firm to enter Holland business circles. They have opened a store at 4 west 8th street with a very fine line of clothing. Note:—Mr. Vander Linde retired from the firm some half dozen years ago and the firm is now known as Visser's and Baarman, 50 East Eighth street. Mr. Visser's was an alderman at one time.

Joe W. Vischers and Albert C. Keppel have been chosen by the board of education to fill the vacancies caused by the death of Jacob G. Van Putten and the removal to Allegan of Dr. A. J. Mabbis.

Mr. Isaac Marsijle has sold his home on Lincoln ave. and 16th street to A. L. Landwehr of the Holland Furnace Co.

A bond issue to erect a City Hall on Eleventh and River street carried by 417. Every ward gave the \$50,000 proposal a majority. Note:—Holland a few weeks ago paid its last bond on that building. The building and furnishings complete cost this city \$55,000. The figure was so low that the contractor went broke on the job and has since passed away. A duplication of that structure would cost not less than \$150,000 today furnished. The aldermen built well and wisely at that time and all these years this building has been the most serviceable civic center we have. The location across from our beautiful park—centrally located—could not possibly be more ideal.

James Van Valkenburg and Dick Boonstra of Zeeland were paid \$115.06 for auditing Holland's books according to the council proceedings.

on rejected 1933 taxes as the state will not accept taxes on incorrect property descriptions. In every section of the county it is being determined where many inaccuracies which, if corrected, would net the county a sum far exceeding the cost.

Edward Soule, who is now employed on abstract work for the Home Loan Owners' association, appeared before the board yesterday afternoon as an applicant to make these corrections. He brought out several interesting examples as he had come across in his work which showed how inaccurate the descriptions were.

He offered to work for \$25 per week. It was shown today that most of the work could be done in an office, but, where the problem was too deep, it would require a survey. Mr. Soule said he was not capable of that but offered to locate every property unit in the county and with guaranteed proper descriptions. He pointed out that it would assist the supervisors immeasurably in their work of preparing rolls.

One supervisor pointed to a man in his township who several years ago gave a mortgage on his property. When the mortgage was foreclosed he found he had given the mortgage on property across the road which he did not own. Happily for him the mistake worked to his advantage.

The collection of delinquent tax cannot be made on incorrect descriptions and many who hold faulty descriptions will soon be waked up to the fact and may refuse to pay taxes, it was brought out by Mr. Van Ark.

Ferdinand Groth, 22, and his sister, Catherine, 20, were taken to Hatton hospital Wednesday after their car collided with an Ottawa county road commission truck, driven by William Gavin of Spring Lake. The two were thrown out of their car; Groth suffered a fractured arm and severe bruises and Miss Groth severe cuts and bruises. The car was wrecked.

Thru the efforts of Dr. James F. Zwemer of the Western Theological Seminary, \$6,000 has been secured to build a men's dormitory which we understand will be built directly east of Semelink Hall on the campus.

Jelle Martineus Wagenaar, a pioneer blacksmith of Zeeland, died. He was within a few months of being 90 years old. Note:—Today he would be 115 years of age.

Overseer voted "dry" by 72 votes. Now more wet farmers will come to Holland Saturday to "wet their whistles." Note:—This vote was for Allegan County, that county going dry. Ottawa County also voted at that time and voted just "3000 wet." Holland going "wet" by 394 majority, every ward going against "local option."

Fifteen Years Ago Today

Attorney Arthur Van Duren and Simon Kleyn were chosen by the Common Council as members of the Board of Public Works. The vacancies were caused by the resignations of Mr. John B. Mulder and Mrs. E. P. Stephan.

Mayo Nicodemus Bosch and City Attorney Charles McBride have returned from Lansing where they succeeded in putting another "nail in the coffin" of the new "public utility bill" which McBride claims is a vicious bill, opposed by most of the cities in the state.

Note:—We can imagine how accurately "Nick" used the hammer while Charlie held the nail. No smashed fingers are reported.

The wrecking of the old Keefers restaurant to make room for the new Pieper Jewelry Store brought to light some old newspapers from the attic. One was a receipt dated Dec. 14, 1876 for subscription to DeGrondwet. The receipt was made out to Duursma and Co. store on River street. An extra of a small Dutch newspaper called De Hollander, printed by Wm. Benjamins, telling of the second "big fire" in Chicago on July 16, 1874, also came to light. It was printed in 1873, by Prof. J. H. Van Horn.

The poems were bitter arrangements of "Demon Rum"—one was entitled "Wrecked on the Hidden Rock" and the second "Chips Picked from the Front Yard of Life." The contributions were used in liquor campaigns.

Henry P. Zwemer has let the contract for a \$5,000 garage on East Eighth street. The lumber to be used comes from Zwemer's woods at White Cloud, where he has saved 20,000 feet this season, besides 15,000 railroad ties for Uncle Sam's railroads.

The anti-movie candidates won in Zeeland by a narrow squeak. It was anybody's "horse race" until the last vote was counted. Isaac Van Dyke won over Dick Boonstra by 43 votes out of 703 cast for Mayor.

The baggage man at the P. M. depot picked up a wallet containing \$1,800. It belonged to a Muskegon party, who had taken the train for home a few minutes before.

The station agent here wired to West Olive to the conductor of the Muskegon train just passing, to find a passenger losing such a pocketbook. It was found to be an old man who next day sent his granddaughter for it, who claimed the wallet at the Holland ticket office but failed to look up the humble but honest baggage man who had found it. There was no reward. Note:—Let us hope it is impounded in some bank by this time.

City Treasurer Nicholas Spritsma stated that he had accepted license payment for 478 dogs, the largest number during his four years of office. Mr. Spritsma also turned over head tax payments for 51 persons in Holland and vicinity.

A meeting of the Junior club of the Women's Relief corps will be held this Friday afternoon at 4 o'clock in the G.A.R. room of the city hall. Election of officers will be held. The matter will remain open for new members for another two weeks.

Dutch Exhibit Bring Many Zeeland Folks

FOURTEEN CASES ARE FILLED
WITH RARE ANTIQUES
FROM THIS HOLLAND-
ISH SETTLED
DISTRICT

(Grand Rapids Herald)
The merriest, busiest and most entertaining spot in Grand Rapids last night was Kent Scientific museum, as one may judge by the crowds that poured through the door of the annex on State street, southeast, the gay voices and the interested comments on the exhibition.

Two features were drawing cards last night, the second of the general programs and the opening of the Zeeland exhibit, which had been assembled by Mrs. William H. Hoffje, Mrs. William DeHoop, Miss Martha Karsten and A. Van Koevoering of Zeeland. Though the Zeeland room which is being arranged was not ready last night, 14 cases of rare antiques had been arranged and were surrounded until closing hour at 10 o'clock by eager sightseers.

One of the most interesting things in the exhibit was a sword used in the Eighty Years war, the long struggle in which Protestant Holland won her freedom from Spain. The Bible used in the first log church in Zeeland is also in the exhibit, with a choice collection of other Bibles and books. There is a child's story book dating from 1850 and a Bible dating from 1707.

A case which proved of great attraction was the one filled with silverware. This contained old snuff boxes and necklaces, besides a number of birthspoons. The custom of giving birthspoons, John A. Schaafsma later explained in a talk on the exhibit, dates from prehistoric days.

There are collections of clothing, china, fancy work, an old oak bed, corded, old saws, ox yokes used in clearing the land of Ottawa county, and countless other treasures. The Zeeland room, when completed, will be a replica of a Zeeland living room. Already it contains the old spinning wheel and reel, a round table covered with a vivid red cloth, a red upholstered divan, an oil stove surmounted by a copper tea kettle, and a Doof Pot, or peat extinguisher, which has been in the Dekker family for 300 years.

Hollanders in costumes moved about in the crowd, members of the exhibition. Among them were Mrs. G. J. Stuart, Mrs. John Hazen, Mrs. Cornelius Bylenga, Sr., and G. H. Lanckamp, who was born in Overysel, The Netherlands, and appeared in an authentic fisherman's costume. Little Lorraine Krus Voorberge, a daughter of Mr. and Mrs. Adrian Voorberge of 1620 Francis street, southeast, sat on the stage during the program wearing a South Zuydam Beveland costume.

Emerson Bliss, chairman of the city art and museum commission, spoke briefly to an audience which packed the small hall and Mr. Schaafsma outlined the highlights of the exhibition, which will remain in the museum during the month. Entertaining readings were given by Miss Henrietta Mandemaker, and musical numbers by Mrs. Jacob Buiten, and A. Hazen-Merg accompanied by William Van Gemen, Mrs. Elizabeth Vander Kloek and Mrs. Hendrika Casemier gave an entertaining Groninger dialog.

The committee is anxious to secure authentic provincial Dutch costumes for use in the big pageant which will be given in Central High school auditorium the night of April 24. Bylenga said last night. It is expected that 300 will take part in the pageant and anyone who can furnish a costume is asked to communicate with the museum.

Nearly 1,000 visited the museum last evening.

DANIEL TEN CATE SPEAKS TO P. M. EMPLOYEES

The Pere Marquette railroad employees of the western section of the state held one of their periodic "safety first" meetings at the Socialist hall Monday evening. The business meeting was largely devoted to a discussion of safety measures. Employees discussed problems and gave suggestions for the betterment of traffic.

Attorney Daniel Ten Cate gave an address on "Emergency Legislation." The program was concluded with entertainment by William Schumacher and a brief talk by Mr. Halstead of Detroit.

Seventy-two railroad men were present. The western section includes those stations between New Buffalo and Muskegon. Periodic meetings for the discussion of safety are held at Muskegon or Holland.

Refreshments are served at the close of the meeting.

MISS MARIE GEZON WILL SPEAK HERE TUES, APRIL 17

Miss Marie Gezon of the Girls' Guidance Bureau of Grand Rapids will speak at Ninth Street Christian Reformed church next Tuesday evening, April 17, under the auspices of the Maple Avenue Ladies' Aid society and the Ladies' auxiliary of Ninth Street Christian Reformed church.

Miss Gezon, who is a most able speaker, has spoken to Holland audiences before, relating many interesting incidents as these come to her attention in her daily work among the girls who need a guiding hand.

The program at Ninth Street church next Tuesday evening began at 7:45 o'clock, and is for ladies only. Those interested are cordially invited.

Tripping Thru The Tulips

The different Tulip Time committees are loaded down with committee meetings at the Chamber of Commerce rooms.

The tulip lanes this year will be 12 1/2 miles long. There will be 3,000,000 tulips and this must be true for Van der Grinten and the counting.

The replica of the Dutch windmill, which the committee of four, Connelly, Vandenberg, Vander Schel and Mulder, saw at Gull lake, is beginning to shape itself at Lakeview park at the Black River bridge. There will be a riot of color with tulips all around it. Those long swirling arms in the wheel will make a picturesque background over the tulip beds.

Former Mayor of Earnest C. Brooks and Chief of Police Peter Lievens are drawing up routes from the main entrances into the city to make it more convenient to the guests who enter our gates from and including May 12 to May 20.

Little spikes from tulip beds are piercing the ground all over the city. It is well that the cool weather retards the growth of tulips for at the rate they were going the blooms would have been here before the celebration.

A presidential possibility in the person of Norman Thomas will open the conservation show during the Tulip Festival at the Masonic temple. Mr. Thomas is a Socialist and was on the national ticket for the office of chief executive. He will speak to an audience on May 12, the day of the opening, and the committee felt that a man so prominent would be an outstanding figure to preside at this function. The fact that he comes on a lecture tour here on that night made him available to serve in both capacities.

The flower show is to be held as usual in the Holland armory. It will be finer than ever and who knows but that it may contain babbling brooks and little water falls in the labyrinth of blooms, rock gardens and underbrush. A limpid pool and a gurgling stream would surely make it realistic.

Both sides of Tenth street between Columbia and Central avenues are sprouting tulips this year. Mass planting in vacant lots on West Seventeenth street near Ottawa and Cleveland avenues will offer new beauties. Beds are also growing on M-21, the east entrance to the city.

Besides the tulip lanes, the beautiful parks, the new windmill, the visitors will have four exhibitions to see, namely the flower show at the armory, the Dutch gardens at the Woman's Literary club, "wild life" at the Masonic temple, and the manufacturers' exhibition in the Ottawa exhibit building. All this is the background for a dozen or more colorful parades, plays, organ recitals, band concerts and other features in an eight-day program.

A new innovation and an excellent idea is the new public exhibition during Tulip Time, comprising our own manufactured goods—"Made in Holland" if you please. The Holland Chamber of Commerce has been offered the use of the Ottawa furniture exhibition building for a manufacturers' exhibit as an added feature for the tulip festival, which opens May 12. The building is two stories, 90x115 feet, and has a floor space of 20,000 feet. The manufacturers are readily responding to the idea of displaying their products to visitors and home folk without charge during that week. Industrial Director Connelly says. Space will be provided for about 30 local firms. Goods to be shown will include bedding, furniture, furnaces, foodstuffs, fertilizer, machinery, novelties, candies, leather, dyes, caskets and nursery exhibits. Already 20 manufacturers have been approached and are willing to take booth space in this "Made in Holland" exhibition.

SPEAKER FROM HOPE COLLEGE WINS ORATORICAL HONORS

Hope High school of Holland won first place and two second places in the subdistrict oratorical contest of the Michigan Forensic league here last night.

Irvine Harrington of Hope High school won the extempore speaking contest, and Martin Heerspink and Donald Vander Schoor were second in declamation and oratory, respectively.

Dorothy Cook of Zeeland was winner of the declamation contest and Isabelle Crapple of Saugatuck was winner of the oratorical contest.

Schools which competed here tonight were Saugatuck, Fennville, Zeeland and Hope High schools. There were three contestants in extempore and four in each of the other two events.

Winners in the three events will enter the district contest in Battle Creek April 25. Principal Garrett Vander Borgh of the college high school presided at the contest last night. The Hope high school club, under the direction of Miss Mildred DePree, provided music. The contest was held in Wynant's chapel in Holland.

PHOTOGRAPHS REGISTER THE SPEED OF LIGHTNING

It is now possible to determine the speed of lightning by use of special photographic apparatus. Experiments of this kind recently described by Science Service revealed that the speed of lightning is about 28,500 miles per second. This is about 15 per cent of the speed of light.

This Bad Wolf Eats — Does Not Blow House Down

HOLLAND HAS HAD EXPERIENCE WITH TERMITE, WHITE ANTS OR "WHAT HAVE YOU?"

Since no one is afraid of the big, bad wolf any more and since it is necessary for human beings to have something to worry about, the entomology department at Michigan State College offers the house-eating termite as a worthy subject for mental disturbance.

The termites differ from the wolf because they do not brag about what they are going to do. Sometimes, the first notice given of the termite's presence is a clout on the head when the house falls down around your ears.

Well, Holland has an edge on just that situation. White ants or termites have been holding the attention of our aldermanic body who treated these disagreeable pests at first as a joke and later in all seriousness for some of our city dwellings are already in the clutches of the voracious wood eaters, who actually eat up houses or wooden structures. These white ants are said to have had a beginning or breeding place in some old shacks on the west end. Here is what M.S.C. has sent the News on this pest:

The termites spend most of their time busily building tunnels to reach new food supplies which are some form of wood, either lumber in buildings, posts, stumps, or dead trees and vines. However, a winged form leaves the nest in the spring to establish new colonies. The termites feed by tunneling through the wood. The entire inner portion of the timber may be destroyed without any break showing in the surface. Buildings have collapsed before the owners knew that these insects were working in the structures.

The best control for this insect is to prevent them from getting into the building by precautions in the original construction work. All timbers should be raised 18 inches above the ground on concrete walls. The concrete should be topped with a metal plate extending two inches out from the wall and bent down at a 45 degree angle at the outer edge.

The termites travel only in covered tunnels except when swarming. The metal plate with the bent edge is a barrier that cannot be bridged by the insect. Drain pipes should be protected by a metal flange bent like the foundation plate. Timbers to be used on or near the ground should be creosoted under pressure.

After the termites gain access to timbers, holes should be opened to reach the tunnels and kerosene oil to which pyrethrum powder has been added should be forced in. Eight ounces of powder are added to one gallon of kerosene. The holes made into the tunnels should be small so that the fumes of the kerosene is confined.

A diligent search should be made for the home of the colony of termites. Rotting timbers or stumps near buildings are likely places for the establishment of colonies. As long as the colony is left, swarms of the winged forms will depart several times a year and will start new colonies.

The termites look like ants except they do not have the slender waist that true ants have. They are ivory colored and, as they avoid light, are not often seen. The colony contains a queen, kings, workers, soldiers, and young in all stages of development. The winged forms usually leave the colonies in the spring and only travel 75 to 150 feet.

Now you see what Holland will be up against if we allow these termites to gain the upper hand.

A New Seal

The present official seal of Michigan was adopted by the State Legislature in 1911, and is a direct descendant of the one suggested by Gen. Lewis Cass at the Constitutional Convention of 1835. It bears the same words: "Tuebor," meaning "I will defend;" "E pluribus unum," "From many, one;" and "Si quaeris peninsulam amoenam circumspice," "If you seek a beautiful peninsula, look about you."

The seal has known dozens of variants in the past, and at least three are in use today. The moose, elk and eagle on it have from time to time had the company of sawmills, plowmen, miners, steamboats, railroads, schools and light-

houses. Artists say the elk has too thick a neck, while the moose looks like a calf with horns. Literary folk point out Michigan is a two peninsula, not one as in Gen. Cass' time.

There are other objections. Why have a moose and elk at all in place of the wolverine, the deer or the pheasant? Why not symbolize in some fashion Michigan's automobile industry, its woodlands and resort areas, its fine farms and orchards, the Great Lakes? And why not write its mottoes in Eng-

lish, for all to read and be proud of?

Michigan will celebrate a century of growth in a few years, a century during which its name and fame have spread around the world, a century during which it has changed transportation methods for all civilized Nations. Its university today is one of the foremost, if not the foremost, of such state-owned institutions. Designing a seal to portray more accurately the resources of the Commonwealth and the spirit of its people would be a fitting way to mark the completion of Michigan's first hundred years.

KICKS \$2,000 INTO GUTTER; BOY FINDS IT, GIVEN REWARD

Kicking a used salt sack into a gutter and later discovering it contained \$2,000 was the experience of James Verecke, 25, of Zeeland.

An elderly man of this city was carrying \$2,000 to his home. He dropped it unknowingly. Then Verecke kicked the bag into the gutter. Marvin Wiersma, 7-year-old son of Bert Wiersma, found the bag and took it home. After holding the bag and cash all night he found to whom the money belonged. The money was returned to the owner by the lad. The owner gave him a reward Thursday.

FORTY PER CENT AT GRAND HAVEN DON'T PAY TAXES

The collection of the winter taxes in Grand Haven was 60 per cent of the whole, according to figures given out by William Byl, city treasurer, when he reported to the county treasurer on the delinquencies.

This amount is slightly less than last year when about 65 per cent was collected.

The total amount collected was \$94,303.21 out of the entire amount of \$156,908.69. This amount includes the county and state taxes plus the delinquencies of the summer tax paid last summer.

The sessions of the board of review of this city will open one week later than usual, it was announced by City Clerk Oscar Peterson. The opening session will be held May 8.

Prosecutor Welborne, S. S. Luna and Attorney Clare E. Hoffman of Allegan county will appear before the supreme court tomorrow to argue the case of Fred C. Ring of Kalamazoo, leader of the Allegan nudist colony. Ring, who was convicted here of indecent exposure, was sentenced to 60 days in jail, \$300 fine and \$53 costs by Judge Fred T. Miles. Hoffman appeared.

The regular meeting of the Lincoln School Parent-Teacher association was held Tuesday evening in the school gymnasium. Louis B. Dalman was in charge of devotions. Clarence Tirrell was named treasurer to succeed D. Oosterbaan, who resigned as he is moving from that district. Several selections were rendered by the kindergarten band under the direction of Miss Louise Henrekson, teacher. The Junior High School Glee club sang. Miss Carolyn Hawes, elementary supervisor of music, gave a talk about music, after which two solos were sung by Miss Lulu Dargitz, accompanied by Miss Hazel Haupt. Mrs. Louise Krum, teacher in Junior High school, then discussed art education and M. Dykema played a piano solo. Refreshments were served by mothers of the children of Miss Dargitz's room.

Women's Club Members Guests In City Tuesday

MANY FROM ABROAD AT WEST CENTRAL DISTRICT STATE FEDERATION

Despite the rainy weather Tuesday a large number of women from abroad, members of the Michigan State Federation of Women's clubs of the west central district came to Holland to attend the annual session held at the Woman's Literary club on Central avenue.

The local committee in charge of arrangements included Mrs. C. M. McLean, Mrs. John J. Good, Mrs. Charles K. VanDuren, Mrs. Jay DenHerd, Mrs. William Easton, Mrs. J. Don French, Mrs. Arthur W. Wrieden and Miss Betty Smith.

Mrs. Sears R. McLean of Holland, president of the Michigan Federation of Women's Clubs, and President Wynand Wichers of Hope college were the principal speakers during this gathering. Approximately 250 representatives from more than fifty clubs were present. The representatives were guests of the Woman's Literary club of Holland.

Mrs. McLean, principal speaker at the morning session, outlined a program which will sponsor those forms of education which have as their aim building up habits and ideals that will mould public opinion and which will be directed towards world planning and world peace. Her subject was "Abandoning Tradition."

"No country can be smothered with traditions," Mrs. McLean stated as she pointed out the necessity of abandoning old ideas in order to make the most of present situations. It is necessary to eliminate the obsolete from modern methods and to readjust and reconstruct accordingly," she declared.

The convention was called to order Tuesday morning at 10 o'clock. Mrs. J. D. French, president of the local club, extended greetings to the guests after preliminary exercises, including prayer, led by Mrs. James Weyer, and group singing of "My Country's Flag," led by Mrs. J. E. Telling and accompanied by Mrs. A. A. Visscher. Mrs. Thomas W. Musson, former president of the west-central district, responded to the greetings.

Mrs. Charles M. McLean, retiring president of the Holland club, also extended greetings and gave a resume of the local club's activities during the year.

Mrs. McLean's address immediately preceded the financial report by Mrs. Frederick Keller of Grand Haven which concluded the morning session.

The morning's program also included an announcement of the adult education institute to be held at Ann Arbor made by W. D. Henderson, head of the extension division of the University of Michigan, who was one of the main speakers on the afternoon's program. Mrs. C. A. Teifer of Muskegon gave a report of the work of the junior club, which is affiliated with the Muskegon organization. The junior members are active in welfare work and cultural activities, she said.

The delegates adjourned for luncheon served in the club tea room, at 12:30 o'clock. Those in charge were Mrs. Arthur W. Wrieden and Mrs. W. L. Wisheimer. Before the luncheon the invocation was said by Mrs. George Hunter of St. Johns.

The meeting was called to order in the afternoon at 1:30 o'clock. Mrs. Anthony Vander Veld of Grand Rapids read the minutes of the morning meeting. Mrs. Sears R. McLean then spoke to the delegates, Mrs. D. B. K. Van Raalte, soprano, sang a group of four numbers for the musical part of the program. She was accompanied by Mrs. Martha Robbins. The meeting concluded with reports of the committees. Mrs. George Van De Riet, newly elected treasurer of the district, was introduced by Mrs. L. W. Stewart of Grand Rapids.

During the afternoon session there were several speakers, including Dr. Wynand Wichers, president of Hope college.

President Wichers, speaking on "Hitler and Germany," described Adolf Hitler as a man of outstanding emotional power and a leading orator in Europe, but indicated Hitlerism as a system fundamentally akin to communism, fascism and other philosophies which seek to subordinate every phase of human life to the state.

"I doubt that Jews and liberals are feared by Hitler," he stated, "but they are the necessary scape-goats for Hitler's propaganda."

leaders in the youth movements of other countries. She believed them significant warnings of danger and indicative of positive contribution to social reconstruction. She stated that the youth were already awakening to recognize its function in the great social crisis. Mrs. Hopkins also considered the equally probable destruction of youth itself. She proposed a reversal of the ordinary procedure in time of war, that of sending the older men first and the younger last. She believed that might be the surest way to stop war. She pleaded that the club women do not fail youth and assured them that "youth will not fail civilization."

Another speaker of the afternoon was Prof. Henderson, head of the extension division of the University of Michigan, who was introduced by Mrs. Dorian M. Russell of Grand Rapids, former state president of the federation.

Professor Henderson presented a European friend's belief that "America may demonstrate to the world that you can have a new order without bloodshed" and then proceeded to analyze the personality of this country with a view to showing how such a bloodless revolution might be possible. In conclusion the speaker stated that he looked to club women to do great things if they take advantage of their leisure by using it for serious study.

Officers for the ensuing year are: President, Mrs. Evora Wilson of Owosso, who will be assisted by Mrs. L. W. Stewart of Ionia as vice president; secretary, Mrs. I. E. Colvin of Belding, and treasurer, Mrs. George Vande Riet of Holland.

New Meat Loaves Afford Variety

VARIETY is one of the pleasant things of life, and a juicy meat loaf is another. The meat loaf is an economical dish that always meets with the hearty approval of a whole family. Then, too, it is possible to cook almost the entire dinner in the oven, thereby reducing the amount of time and fuel required. But everyone grows tired of her favorite recipe at some time or other, and begins to cast about for other suggestions. To the woman on the lookout for new and delightful changes, these different and unusual meat loaves will be a find.

Individual Stuffed Meat Loaves—Have ground together 2 pounds of beef and 1 pound fresh pork. Add 1½ teaspoons salt, a generous dash of pepper, 2 eggs, slightly beaten, 1 small onion, chopped fine, and ¼ cup milk. Add 2 cups Rice Flakes. Mix well, then add ¼ cup Tomato Ketchup and 1 teaspoon Worcestershire sauce. To form the individual meat loaves, wrap some of the meat mixture around half a hard cooked egg. Be sure the egg is well covered with the meat mixture. Place the little loaves in a baking pan, cover each with a hot strip of bacon, if you wish, and bake, uncovered, in a moderately hot oven (400° F.) for ¾ hour, basting as needed, with a few tablespoons water. (Peeled potatoes may be baked around them in the pan, if you wish.) This recipe makes enough for two meals.

Vegetable Meat Loaf—To 2 pounds ground beef — or 1 pound ground beef and 1 pound ground pork—add 1 egg, ¼ cup chopped onion, 1½ teaspoons salt, a dash of pepper, 2 cups Rice Flakes and 1 medium can Vegetable Soup. Mix all these ingredients thoroughly, form into one large loaf or two smaller ones, and place in a well greased roaster. Sprinkle lightly with flour and sear in a hot oven (425° F.) until slightly brown. Pour ½ cup water around the roll, cover and continue baking in a moderate hot oven (about 400° F.) for 1 hour. Uncover and broil slightly. If liquid evaporates, add ¼ to ½ cup more water, as needed.

Ham Loaf—Have ground together twice, 1 pound raw cured ham and 1 pound fresh pork. Add 2 cups Rice Flakes, 1 teaspoon Worcestershire sauce, 1 egg, ¼ cup milk and a dash of pepper, and mix thoroughly. Pat into a loaf, place in a greased roaster and sprinkle with flour. Sear in a hot oven (500° F.) until brown. Pour ½ cup water around loaf, cover and continue cooking in a moderate oven (375° F.) for 1 hour. After first half hour, place white or sweet potatoes around loaf, if desired, or place slices of pineapple over top of loaf and allow to brown delicately.

Refrigerator Meat Loaf—Grind 2½ cups cold cooked veal or pork and ½ cup Sweet Mustard Pickle together finely. Add ¾ teaspoon salt, ¼ teaspoon pepper and 4

tablespoons melted butter. Blend thoroughly and pack firmly into a pan lined with waxed paper. Place overnight in refrigerator. Slice thinly and make into sandwiches, using whole wheat bread, and placing a lettuce leaf in each sandwich. Slices of tomato may also be added, if desired.

Somerville Meat Loaf—Have 2 pounds of beef ground with ¼ cup suet. Add 1 small onion, minced, 2 cups soft bread crumbs, 2 eggs, 1 teaspoon salt, 1 teaspoon Evaporated Horseradish which has been soaked in 1 tablespoon cold water for 10 minutes, 1 teaspoon Prepared Mustard, 4 tablespoons minced green pepper and 2 teaspoons Worcestershire Sauce. Mix all these ingredients thoroughly and pack into a greased baking pan. Pour over top ¼ cup Tomato Ketchup and bake in a hot oven (about 400° F.) for 1½ hours. (Either fresh beef or left-over beef may be used. If left-over meat is used it need not be baked quite so long.)

Newspaper Advertising Pays, Say Wards

The faith of great retail organizations in newspaper advertising has plenty of evidence, but none more convincing, perhaps, than the promotion of Ward Week. Nationally, Montgomery Ward and Company is devoting over 85 per cent of its Ward Week publicity to the purchase of newspaper "space."

As to Holland, the use of liberal advertising in the Holland City News has proved its value in the most convincing manner, it was stated today by Mr. L. A. Taylor, local manager of the Holland store.

During last Ward Week, the two Saturdays in the event were the biggest trade days in the history of the local Ward store. A survey of the checks made out showed that shoppers came from distances as great as 125 miles from Holland.

Ward Week is a semi-annual event of the Ward stores, and the sale this spring will attract a greater number of buyers than ever, according to Mr. L. A. Taylor. For weeks the local store has been preparing for the sale, and when the doors open Thursday morning, the regular selling force will have been enlarged by many persons, all from this town.

UPWARD SWING NOTICEABLE IN RETAIL FOOD EMPORIUMS

Cincinnati, Ohio, April 13—Sales in Kroger grocery stores and meat markets continued their strong upward swing during March, the reports just released by the Kroger Grocery & Baking Company showing a 14 per cent increase in business for the third period of 1934, compared with the same period of 1933.

It was revealed in the reports that the increases ranged as high as 50 per cent in some of the company's 22 branches located in the principal cities of the Mid-West and Central states.

"During 1934 our business has shown consistent gains at all points," Mr. A. H. Morrill, president of the company, asserted in commenting upon the steady and substantial upward trend in Kroger stores. He pointed out that the large business increase is all the more remarkable because of the fact that there were 329 fewer Kroger stores being operated in March than during the same month a year ago. The total in operation in March, 1934, was 4,691, compared to 4,362 in March, 1933, a decrease of 7 per cent.

"We hope the uncertainties of the past are over," he continued, "but in any event we are entering the spring and summer season with determined confidence to make the best of every opportunity." Total sales for the period just closed are \$17,375,396, compared to \$15,231,342, for the same period last year, an increase of \$2,144,054, or 14 per cent. The report shows further the cumulative sales of the Kroger Company for the first three periods of 1934 were \$49,468,734, compared to \$44,704,154 for the same first three periods of 1933, representing an increase of \$4,764,580, or 11 per cent.

HAMILTON

Harry Lampen, our local hardware and implement man, believes that spring has arrived. He received a load of machinery last week. Farmers have started their spring work and are rushing things so that they may make up for the late spring. Very likely the weatherman will give them a lift and in a few weeks will be caught up again. There is plenty of moisture in the ground and the early crops and grass have already given signs that rapid progress will be made when it warms up a bit.

Eunice Hagelskamp attended a meeting of the executive committee of the Allegan county Christian Endeavor societies.

The Hamilton Community Players will sponsor a play "How Beth Won Her Honors." The play will be given at the auditorium on April 17 by the Saugatuck Camp Fire Girls. Half of the proceeds will go to community hall. Admission has been reduced to 20 and 10 cents. Remember the date, April 17, at 8 o'clock. Officers of the Hamilton Community players are president, Gladys Lubbers; vice president, Ella Roggen; secretary, Aileen Dangremond and treasurer, John Brink, Sr.

Eventually there is a back-to-the-country movement and it is expected that during the coming months something will be done to meet this need in town and community. The large number of dip nets were kept busy night and day last week. Catches were large, especially at night. The river front was bright with lights and bonfires. Several pickerel and bass were also caught in the nets, but unfortunately the lucky men were compelled to let these go. Not a few of the men had the still more unpleasant experience of having someone sneak their fish. This has been the case in a few instances every year, but this year it has become so frequent that it has become a real racket.

PARK TOWNSHIP NOTICE

The annual meeting of Park Township will be held Monday, April 16, at 7:30 p. m. at the Community hall at Virginia Park. Annual report will be given. There will also be two speakers on emergency relief and bond issues.

A. KRONMEYER,
Township Clerk.

Next post meeting will be Wednesday April 25, with H. Geerds, Al Van Lente and H. Vining on the entertainment detail.

We nearly had that long looked for and long planned party this week. Al Joldersma was to get the hall and the rest of the committee met and arranged the games, lunch and other details for the twelfth. Everything was going fine until on the eleventh hour word came that no hall was available, so the whole thing was postponed until the eighteenth. We apologize to those who reserved the night of the twelfth, but someone slipped, and as Mrs. Van Tongeren so aptly put it: "We went for a buggy ride but forgot the horse."

Anyway everything is set for Wednesday, the 18th, and we hope you will be there.

Our "specialists" have completed their work at the scout camp. If you are out that way look it over.

Work will be started in a day or so on the float that the post will build to enter the Benton Harbor

rescue L. D. Wessel of that city, whose gasoline skiff was shipping water badly about three and one-half miles off this port. Wessel was bailing as hard as he could when the guards arrived. The motor on the skiff had quit and the waves washed almost at will over the little boat.

The south wing of the Douglas house which was wrecked by fire a few weeks ago has been torn down and the main portion, the roof of which was burned off, will be reduced to a modern bungalow to be occupied by Mr. and Mrs. Fred Schultz, owners of the hotel. The passing of this building as a hotel marks a distinct loss to the village.

Husbands of members of the Ladies' Aid society of Fourteenth Street Christian Reformed church will be guests at a fellowship supper this Friday evening at 6:30 o'clock in the church parlors. Those wishing to attend are requested to call Mrs. Gerrit Lampen. A program will follow the supper.

DANA "BABE" EVANS SUCCEEDS IN HER 100-HOUR ENDURANCE TEST AS 6,000 WATCH

At least 6,000 people gathered on East Eighth street at 8:30 o'clock Saturday night when, as announced in the Holland City News the endurance test came to a close and Dana "Babe" Evans of Minneapolis finished successfully in driving a Ford car through the streets of Holland for 100 hours and 12 minutes without stopping and without sleep.

Officers Peter Bontekoe and David O'Connor handcuffed the pretty young lady to the wheel Tuesday afternoon and were on hand to release her Saturday night.

At the appointed hour the cuffs were taken off and she was carried to a bed in the show windows of the Ford sales rooms, was given an alcohol rub, gave a few cheery remarks, laid her little head in downy pillows and went to sleep.

DANA (BABE) EVANS

almost instantly, never even knowing when she awoke 12 hours later on Sunday morning that more than 4,000 persons had paraded by her bed Saturday night during the two hours before closing time. The crowds remained congregated until after midnight and a large number came again Sunday.

When she awoke Sunday morning she was given a little nourishment and fell asleep again for a second nap until 3:30 when she was given walking exercises.

Monday morning she visited the Holland City News office and was perfectly normal. In an interview Miss Evans, who appears like a vivacious young miss, said that she was born on the birthday of General Grant and is 22 years old. She stated that she had been in 9 endurance tests within three years and states that she also has done a great deal of airplane parachute jumping during that time. She began to drive cars at the age of 13 and also went into the racing game but did not follow it up.

She stated that the most difficult part of the endurance test this time was between Friday night and Saturday morning. She said: "I did not feel like giving up but I did want those cuffs removed. That night I felt dazed and the trees in the residential districts seemed to be like large hands fingering towards me, as if they would grab me. Then the road before me seemed to roll up like a scroll. This day, condition remained only at night when the lights were burning and left me by daylight."

"I drank nine malted milks at intervals and ate one chocolate Hershey bar. I will eat no solid food until a week after the test."

"I wish to thank the citizens of Holland for their kind co-operation in this endeavor. I have never seen more hospitable people. Automobile drivers seeing me coming gave me the right-of-way and whenever I met gave me a cheerful smile or a wave of the hand."

Benny Mercer, also an endurance driver, aided the young lady wherever he could and a nurse was constantly by her side. Paul Albert and M. D. Langerveld jointly checked up incidents in the trip. The mileage was 1,301.7 miles; 66½ gallons of gasoline was consumed and 1 pint of oil was all that was necessary on the trip.

The gifts went to Janet Klinkenberg, route 8, and John Walters, route 4.

Besides going into every nook and corner, highway and byway in the city of Holland, the test took the car to Zealand, West Olive, Macatawa, Getz Farm and Ottawa Beach.

Miss Evans was busy all day Monday autographing her photographs for callers and many of these are still on sale at Du Saar's Photo Shop.

Admirers showered her with gifts including wooden shoes, Dutch windmills, little spinning wheels and other tokens with a Dutch complex.

The whole endurance contest staff has fallen in love with Holland. Miss Evans had never heard of this city before but is so taken up with it that she has made arrangements to visit here during Tulip Festival Week.

Manager Carley of the Holland theater allowed a short intermission for Manager Paul Albert to introduce Miss Evans to the audience and she gave a short but vivid description of how it feels to participate in an endurance test of this nature. Her appearance brought a round of applause.

Both Mr. Albert and Miss Evans were loud in their praises for Louis Overkamp, a Holland boy who stuck to the car for 58 hours without sleep. That is the longest period that any individual has stuck on the first time out, Mr. Albert stated.

The aggregation hopes to stage another endurance test here sometime in the near future.

Anyway it is quite an experience and conducted in an orderly manner and herewith Mr. Langerveld of the local Ford agency wishes to thank "everyone for everything."

**Coach Muyskens
And Champion
Team Honored**

**MORE THAN 300 SIT DOWN TO
BANQUET IN CHRISTIAN
HIGH SCHOOL GYM**

Last Friday was a "red letter day" for Coach A. H. Muyskens and his champion basketball team when at least 330 sat down to banquet in their honor in the gymnasium of the local Christian High school.

The banquet hall was decorated in maroon and white, which made "Old Glory" stand out strongly against this contrasting background, while the festive board was also tastefully decorated in the school colors and seasonal flowers.

As the guests arrived and selected their respective places, they remained standing, sang the official school song, accompanied by the high school band, after which the invocation was pronounced by Rev. D. Zwier. It was an impressive opening on an occasion of this kind.

Mr. Corneli Dornbos after the repeat, arose and introduced the toastmaster, Mr. J. D. Swets, principal of the school. Mr. Dornbos, it will be remembered, was chairman of the committee which made this testimonial banquet possible.

Mr. Swets has the reputation of being a very versatile toastmaster and this was sustained as he introduced the speakers with witty takeoffs and trite sayings that often brought gales of laughter from his listeners. The majority of the speakers, however, were up to the occasion and came back with equally pointed remarks.

The first speaker called on was Coach E. Green from Holland High school, who brought greetings and congratulations from Holland's public schools and personally extended his felicitations to the honored coach and team, and expressed well wishes for future successes.

Dr. Garret Heys, superintendent of the school, stated that it was gratifying to him that the school team had made such an outstanding success and that tonight they were significantly honored not alone by their own associates and school, but by the other institutions of learning as well. He stated that the honor did not remain as a school possession but because of their success the City of Holland was honored and this feeling was evidently shown when he saw so many citizens in all walks of life not affiliated with the school, contributing to this festive occasion by their presence. He also mentioned the thoughtful consideration given the team by members of the Holland Exchange club in tendering them a dinner at the Tavern. Mr. Heys concluded his talk with an interpretation of basket ball and what it stands for. His dissecting of the popular game was backed up by Webster's and the encyclopedia.

This recreation, surely became "chop suey" after Mr. Heys had used all these authorities.

The guest speaker of the evening was "Bud" Hinga, coach of Hope college. "Bud" has always been a willing helper and a kindly advisor to every team and every coach in the city of Holland, and this was brought out later in remarks made by Coach Muyskens when he stated that he could always rely on timely advice from "Bud" and his team was encouraged individually and collectively through his pep talks at crucial moments. Mr. Hinga, in giving his discourse, stated as follows:

"I am unusually pleased to be here with the others and to extend well-deserved congratulations. Your basketball team has aimed high and has attained those heights and we as contemporary teammates, rejoice in your success. Remember, boys, any sport if played honorably elevates and strengthens youth. It is also a democratic leveler where all men are equal and each man represents a cog in the machine that brings success. An individual may excel in points made, but remember, it is the co-ordination of the rest of the team, even those in positions not so outstanding and spectacular, that made those 'most points' possible. Remember, boys, your team was not a one-man team, but a five-man team."

"In the early days of my sport

A UNIQUE GIFT

As a climax to the evening's festivities, Coach Muyskens was presented with a regulation basketball. This ball, however, portrayed a financial complex, for neatly arranged on the outside 35 crisp new dollar bills were evident, the gift of Christian High fandom.

The presentation of this unusual ball was made by Gerald Klaseen, an alumnus of the school, who stressed the fact that not only the school but Holland citizens as well appreciated the work of the coach and felt that the honors received by the winning of the championship reflected on the school and the city as well.

In accepting this token of appreciation, Mr. Muyskens was visibly affected. But after his surprise he stated that his success was due to the willingness and the fighting spirit of his team, augmented by the encouragement and unselfish support of the fans during the season just past. He stated that a title winning dream covered a period of time had at last been realized, and he was happy that all could rejoice and be a part of this victory. He also paid a tribute to Coach Hinga who, as has been stated before, was always ready to aid the coach and the team with his knowledge, his encouragement and his advice.

The game was not so elevating. It was not a pretty picture and only too often filled with unsportsmanlike tactics. Sports in educational institutions are on the upgrade and I have been placed in a position to know that the Holland team without an exception stand at the top of the list for honorable sportsmanship. There are some very intimate friendships made on the basketball floor, the gridiron and the baseball diamond. These friendships last long after the diplomas have been handed out. To me these friendships have been unusually binding. Just why this is so I cannot exactly say unless it is the intense intimacy and unswerving loyalty that becomes engendered in teammates who work in such close relationships as the field of sport makes possible. The good in collegiate sports continues on in life, but by the same token traits of dirty sportsmanship will leave scars in the man as he is older grown."

In congratulating Mr. Muyskens, Mr. Hinga did not forget the boys and in conclusion said:

"Boys, you should not forget your coach. He, after all, is the pivotal factor that has brought your success. His planning, his directing, was the cause of a championship here. Be sure to have remain green in your memory the name of Mr. Muyskens, the teammates, and the many other fan friends who collectively made this testimonial recognition possible."

An expression of the members of the team was voiced by Capt. Louis Robbert.

At the conclusion of the program, Mr. Dick Zwier, an ardent Christian High school basketball fan, kept the audience in a hilarious mood with his railleries and takeoffs in the form of a budget. These paragraphs on coach, players, and school officials went from the sublime to the ridiculous, but without brought a short period of fun at the expense of the principal participants on this occasion.

Interspersing the speaking program there was a score of musical numbers generously contributed by the Christian High school band, augmented by vocal music by a male quartet composed of Harris Steggerda, Adrian Jacobusse, Donald Schipper and Cy Huizenga, accordion selections by Andrew Van Liere and several selections by a German band.

The evening's program was closed by community singing and prayer by Mr. Donald Drost.

The committee in charge of the well-planned dinner were assisted by at least thirty women who volunteered their services, while girl graduates of the school prettily dressed in Dutch costume, acted as waitresses.

Songs cleverly arranged by the committee were sung by the audience with Mr. Corneli Dornbos directing.

**HOPE TO IDENTIFY WOMAN
BY TEETH; FUNERAL
IS HELD**

Mystery still surrounds the identity of a nude woman, found on the shores of Lake Michigan in Ganges township a few days ago and although her description has been broadcast throughout the state, officials are at a loss to determine who she was. The body had evidently been frozen in the ice for the past three months and may have been carried for miles by the ice before warm weather loosened it and allowed it to float free.

The woman was approximately 45 or 50 years of age and identification marks, if there were any, were obliterated by the ice which had crushed and torn the flesh, the head was badly battered by ice cakes it is thought. Death occurred, officials believe, from drowning and there is no suspicion that she was the victim of anything but an accident.

The body was discovered by sixteen-year-old William Woodin of Ganges township, who lives about a mile from the lake beach. He found the corpse as he was hunting near the shores of the lake and immediately notified authorities.

The only marks of identification left after the effects of the ice were two gold teeth in the lower front jaw and the fact that the molars in her jaws were missing.

Although the body was found in a nude condition officials expressed the opinion that the clothing was torn off by the ice as it caught the woman in jams.

Funeral services for the unknown woman were conducted immediately and burial took place at once.

**CHEVROLET GARAGE WILL
MOVE TO NEW HEAD-
QUARTERS MAY 1**

W. R. Pemberton, manager of the Holland Chevrolet Sales Service, has announced that the Chevrolet garage will be located in Wolvenburg Garage building beginning May 1. A deal has been closed by which the Chevrolet company has leased the building for three years with option to purchase. The business of the local service has gone beyond bounds of the present location, making it necessary to move to larger quarters.

The new location includes facilities for complete gasoline and tire service, bumping and body refinishing and other services not available at the present shop. The company is also ready to accept the agency of the United States Tire company.

F. E. Dulyea and Martin Vander Bie have been operating the Wolvenburg Garage, located at the corner of River avenue and Ninth street.

The following have applied for building permits at the city clerk's office: John H. Raven, 109 West 12th St., to alter the kitchen at 125; John Post of 20 West 13th St., to build a new porch at 125; and William Brink of 32 West 18th St., to convert a barn now on his premises to a garage at an estimated cost of \$75.

Caught Big Sturgeon

In Saugatuck the other day they caught a 200-pound sturgeon in the net with which they were taking carp. They got a great number of the latter as well as game fish but had to free the latter and the sturgeon. Time was when in the early spring sturgeon ran up all the lake Michigan streams. Numbers of them were netted at the Allegan dam, but they were taken in such numbers that the species was likely to be exterminated. So the catching of them was entirely forbidden. They were taken largely for sake of their spawn which was used for making genuine Russian caviar—the salted eggs, which some people esteem a delicacy but others regard it with horror. Sturgeon flesh was all but boneless, yellow in color, and extremely oily. People used to like to eat it but parboiling, to get out the oil, was necessary before it could be made acceptable as food—at least to most people.

**URGENT P. M. DEADLINE FOR
DUCK HUNTERS**

Western Michigan sportsmen are advocating the setting of a 2 p. m. daily deadline for hunting ducks. This ruling has been in effect on Muskegon Lake and River for the past few years and the sportsmen claim that it has materially improved duck shooting. They want to put the same ruling on the books for all of the state.

GUN PERMITS AVAILABLE

Any person possessing a small game hunting license for Michigan can get a special permit to carry sporting arms during the closed hunting season for the purpose of target practice or hunting predatory birds or animals by applying to the State Department of Conservation. These permits will expire Sept. 30.

Wall-eyed pike, great northern pike, yellow perch, rock, calico and strawberry bass, crappies, bluegills, sunfish, white bass, warmouth bass, muskellunge and non-game species. This includes Macatawa Bay.

**Directs Verdict of No
Cause for Action in
Buwalda Suit at
Grand Haven**

No cause for action was a directed verdict rendered by Judge Fred T. Miles in circuit court in the case of Cecelia Buwalda, Grand Rapids, against Ottawa county for \$25,000 damages in the death of her husband, Peter Buwalda, who was killed in an accident in Tallmadge township on Dec. 26, 1932.

The case was tried in circuit court, the jury, after long deliberation, failing to bring in a verdict. A motion asking for a directed verdict was made at the time of the trial but there were several angles of the case which Judge Miles believed should be settled by a jury.

On a verdict of the jury to arrive at a verdict, Judge Miles acted on the reserved right to direct the jury and brought in a decision.

The case was a long fought one the widow claiming the county was responsible for the accident in that there were not sufficient warning signs at the bridge where the accident in which her husband was killed occurred. Testimony was taken from Henry Lisch, who was stone deaf and crippled, the only eye witness of the accident. Judge Miles did not consider his testimony sufficient to render a verdict in favor of the plaintiff, he states in the opinion.

**ZEELAND MEETING PRE-
PARATORY TO BIG CON-
VENTION IN HOLLAND**

The meeting Monday evening of the League of Reformed Young Men's societies of Holland and Zeeland. This was held in the new city hall at Zeeland where an exceptional program was arranged.

Rev. Kok, pastor of the First Christian Reformed church at Zeeland, led the song service.

Mr. Bert Brouwer, president of the first church society, led the devotions.

Prof. Clarence De Graaf, president of the league, took charge of the remainder of the program.

The program for entertainment consisted of the following numbers: Peter Jonker, vocal soloist, assisted by a stringed trio composed of Dick Lamar, Bob Tanis and Arnold Van Hoven, gave several selections. A vocal solo was rendered by Harold Becksvort. Henry Holkeboer delivered an essay entitled "Prophecies Fulfilled." A stringed trio composed of Marvin Vanderploeg, Evert Vanden Brink and Lambertus Scholten rendered two sacred numbers. A reading was given by Robert Evenhuis and a piano solo by William Kok. After refreshments were served by the entertaining society (First Christian Reformed church, Zeeland) business matters were discussed. Plans for the coming summer activities were reported on and approved. These include an indoor baseball league and also tennis tournament. Approximately 200 attended this meeting.

The league is working enthusiastically for the convention which is to be held in Holland next September. Committees are working on plans to make this one of the largest and most successful convention the Federation of Reformed Young Men's societies has ever held. Delegates from all sections of the United States are expected to be here.

**Aldermen Vote
For a Holland
Liquor Store**

**STATE ESTABLISHMENT; NO

**Council Fosters Preservation of
Historic Belle from Holland
Pioneer Days**

Common council, by a vote of 9 to 3, decided to co-operate with the state liquor control commission in its desire to locate a state liquor store for Ottawa county in Holland.

A communication from Frank A. Picard, chairman of the state liquor commission, requesting an expression of the council's attitude on the location of the liquor store here was the signal for a heated discussion at last night's session. On request of Mayor Nicodemus Bosch, each of the 12 aldermen presented his views on the question.

Alderman A. P. Kleis, first to be called on, stated the question was not the wet and dry issue, but how best to control the sale and consumption of hard liquors.

"It is my opinion," the alderman said, "that Holland as the largest municipality in the county, is the logical place from which to exercise such control."

Eight of the aldermen seconded Kleis' view that liquor has been voted back and could best be controlled in Ottawa county from the city of Holland.

The three aldermen opposed to the location of a state liquor store here were C. De Cook, F. Jonkman and P. Huyser.

A. C. Van Raalte Gilmore, grandson of Dr. A. C. Van Raalte, founder of Holland, reported to the council on plans by the Michigan society, Sons of the Revolution, to establish an historic home in Holland to house documents, bric-a-brac and other historical objects. Private records now held by the city will likely be turned over to the society, of which Mr. Gilmore is secretary.

The vote of Monday's election was canvassed by Alderman De Cook, Steffens and Huyser and candidates given a majority declared elected.

**Start Garden Plants Early
to Get Best Yields**

Starting plants in hot beds or in cold frames and transplanting them when the frost danger is past enables the home gardener to beat the short growing season in Michigan and to get better yields from more varieties of vegetables. Instructions for building either sash houses or cold frames will be sent to anyone requesting them from the bulletin clerk at Michigan State College. Many growers prefer not to bother with the early starting of plants but to buy them from commercial growers. Plants obtained by growing or by purchase should be transplanted carefully to insure that they will live and grow rapidly.

Only well grown, hardened plants should be used. Hardened plants are those which have been exposed to out-of-door temperatures long enough to acclimate them to outside conditions. Plants should be protected from the sun while they are out of the ground. Cloudy days are best for setting the plants. Holes made for setting the plants should be large enough to permit the roots to be spread out naturally. The earth then should be packed firmly around the roots, water will evaporate rapidly if this is not done. Cabbage, cauliflower, onions, eggplant, and peppers should be set a little deeper than they were originally. Tomatoes are planted a little more deeply. Transplant lettuce and celery so the crowns are just at the surface. Beets should be planted with the crowns one-half inch below the surface.

**SONG BIRDS SURVIVE LESS
THAN 10 YEARS; CAPTIVE
CROWS MAY ATTAIN 60**

Few song birds that live in the wild ever live as long as 10 years, says Prof. J. W. Stack, ornithologist for Michigan State College, East Lansing, who bases his conclusions on the banding of 11,831 birds over a period of 10 years.

According to his banding records, many birds come back year after year and an accurate record may be kept of them. Outstanding in all of the banding records is a bluejay first banded in January, 1922, which was taken again this year in the traps and is one of the oldest wild bluejays on record. The maximum age recorded by the banded birds is five and one-half years for bobwhite, seven and one-half for grackles and nine for the white breasted nuthatch. Of all the birds banded at the State College banding station 1,156 are slate-colored juncos, white-throated sparrows, grackles, bank swallows and song sparrows.

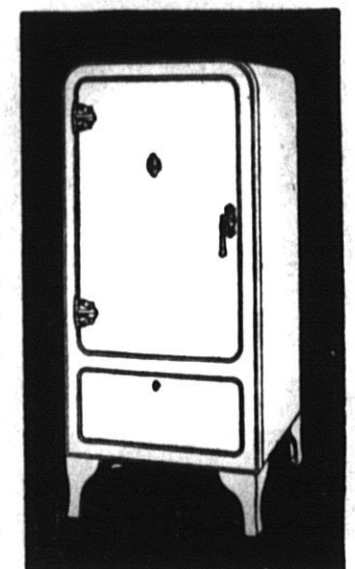

Birds that have been kept in captivity indicate more accurately the potential life span of song birds. The London Zoo once kept a cardinal for 13 years. Prof. Stack says captive crows have been kept as long as 60 years, cardinals 21 years and bluebirds 18 years.

After a pleasant winter in Florida Dr. and Mrs. George McIntyre have returned to their home at Willow Creek in Saugatuck. Doc is outside of driving all day in the snow and skidding down a mountain side, breaking off two posts, snapping a one-inch cable, tearing around four times, and being sworn at by a woman driver, the trip was just fine.

Three girls, born in Fennville within a few days of each other in October seventeen years ago, who began their school careers together at the Fennville school, and who continued as classmates until two of them moved away, are this year the valedictorians in the graduating classes of their respective high schools in three Michigan cities. Miss Rowena Sheffer, daughter of Mr. and Mrs. Maurice Sheffer of Saugatuck, and former residents of Fennville, is valedictorian of this year's graduating class at the Saugatuck high school. And Eleanor Hutchinson, daughter of Mr. and Mrs. Marc C. Hutchinson, is valedictorian of the class of 1934 of Fennville high school. This is a rather remarkable occurrence and would seem to indicate that Fennville has a pretty good school, doesn't it. Miss Hoxie's birthday is on Oct. 9. AL BRINKMAN GIVEN DECISION BY JUDGE
A decree was filed Wednesday last week by Judge Weimer of Kalamazoo who replaced Judge Miles in the suit of Fanny Spyker and Albert Brinkman. Claimants objected to having the Brinkmans build a roadway to their property on Lake Michigan in a certain location, claiming such would damage their own property. The case was heard in circuit court here some time ago. The resort property road under dispute lies in Laketon township.

WARDS CONDUCT BIG MONEY-SAVING DRIVE HERE
"Buy in Ward Week and Save" will be the keynote of what is certain to be the greatest trade drive in the history of Montgomery Ward & Co. The Holland store is joining 500 others for this nation-wide event. Bargains are offered in every department covering practically every need.

The opening of a nearly a page will be found elsewhere in this issue of the Holland City News. Unusually low prices are clearly evident even in the face of rapidly rising prices. It is expected that this will be the biggest sale of the year for the local store, which starts this morning.

"In spite of the low prices," states Mr. L. A. Taylor, local manager, "quality will be up to high Ward standards. This event is designed to bring new customers to Wards and to acquaint them with Ward values. We are determined to make this a record-breaking sale, and have priced items so that it will be worth while for customers to come in for many miles to take in the bargain offerings."

Aldermen Vote For a Holland Liquor Store

Common Council

(Continued from Page One)

by common consent of the Mayor and Aldermen.

The meeting being postponed one day to permit the Mayor and Aldermen to attend a centennial banquet given by the City of St. Joseph, Mich., on Wednesday evening.

Present: Mayor Bosch, Aids. Kleis, Prins, Wolman, Drinkwater, Van Zoeren, De Cook, Habing, Stefens, Jonkman, Van Lente, Thomson, and the Clerk.

Deviations led by Ald. Huyser. Minutes of last regular meeting read and approved.

Petitions and Accounts
Clerk presented operating report of Gas Co. for January. Referred to B. P. W.

Clerk presented communication from F. A. Picard, Chairman of the State Liquor Control Commission, stating that the City of Holland is entitled to a State Liquor Store if the Council so desires. The communication further requests an expression from the legislative body relative to their wishes in the matter. In this connection, the Clerk also presented a communication from the Women's Federation of Bible Classes protesting against the establishment of such a store in Holland. Clerk further read upon the W.C.T.U. the Pastors' Association and W.L.C. that had been presented to the Council last December protesting against the sale of hard liquor in Holland without a referendum. Mayor Bosch then called upon each individual Council member for an expression on his views in regard to this Liquor Store. The following Aldermen spoke in favor of having the State Liquor Control Commission establish the store in Holland: Aids. Kleis, Prins, Drinkwater, Wolman, Van Zoeren, Stefens, Habing, Thomson and Van Lente.

Those who spoke in opposition were Aids. De Cook, Jonkman and Huyser. Various reasons were given by the Aldermen for their position.

It was brought out in the discussion that the Council was a unit in being opposed to the sale of hard liquor by the place. However, they did not feel the same about a State-owned and controlled store.

The City Attorney was requested to give an opinion as to what the law specifies in regard to the location of such a store. Mr. Lokker stated that the law provides that the State Liquor Control Commission can place these stores wherever they see fit, providing there is not more than a certain number of stores located in accordance with the amount of population.

The City Attorney further stated that there is no further provision under the law whereby the citizens can legally decide the matter. This was brought out by the City Attorney in response to a query as to the legality of a referendum as was suggested by Ald. Jonkman.

After considerable discussion pro and con, and on motion of Ald. Kleis, seconded by Drinkwater, it was moved that the Liquor Control Commission be requested to establish such store in Holland.

The following Council members voted in favor of such action: Aids. Kleis, Prins, Wolman, Drinkwater, Van Zoeren, Stefens, Habing, Van Lente and Thomson—9.

Those voting against such action were Aids. De Cook, Jonkman and Huyser—3.

Mayor requested City Clerk to register him with the "nays." Clerk presented notice of order issued by the Public Utilities Commission for a hearing relative to the producing, transmitting and distributing of natural gas in the state. Said hearing being set for April 18, 1934.

Accepted and filed.

Clerk presented Oaths of Office and bonds of Harold Barkel, Constable of the First Ward, and Frank Roseboom, Constable in the Third Ward.

Clerk presented communication from Anna W. Pendleton requesting exemption from taxes.

Referred to Ways and Means Committee.

Clerk presented several building permits for the approval of the Council. Those approved by the City Engineer and Fire Chief were approved also by the Council. Those building permits which had not yet been approved by City Engineer and Fire Chief were approved subject to approval of the Engineer and Fire Chief.

Clerk presented communication from Henry Walters Post No. 2144, Veterans of Foreign Wars, requesting permission to hold their Annual Poppy sale.

Granted with provision that their sale be held on the same day as the Poppy sale put on by the American Legion.

Clerk presented the following applications for approval by Council for license to sell beer:

Fred Zalsman—Star Market and Grocery for consumption off premises.

A. I. Bickford—For consumption on premises.

John Koning and Clarence Zuidewind, The Owl—Consumption on premises.

Glen Gillespie, restaurant—Consumption on the premises.

John Koning and Clarence Zuidewind also presented application for license to open a restaurant.

Referred to License Committee.

Reports of Standing Committees
Claims and Accounts Committee reported having examined claims in the sum of \$372.71.

Allowed.

The Public Buildings Committee reported having received a communication from the Police and Fire Board Council, recommending that a hot air heating plant be installed in the new Police Station at a cost of \$750.00 complete with thermostat control. They reported further that such heating plant would take care of the new building only, and not the present Fire station. The Committee further reported that they had also received an estimate of the cost of putting in a vapor and steam heating system, and found that this would cost approximately \$1200.00 for heating both Depts., viz. the present Fire Station and the new Police Station. If a straight steam system were installed, it would cost approximately \$900.00. They further reported that

if either steam or vapor system were put in, it would be possible to use considerable pipe and other materials from the Ottawa Furn. factory, and in this way save from \$100 to \$150.00 on the cost. Due to this difference in cost between the hot air heating plants and the other plants, it was the recommendation of the Committee that the matter be referred back to the Police Board for further consideration.

Adopted.
Reports of Special Committees
On motion of Ald. Steffens, 2nd by Huyser.

RESOLVED, that the Mayor appoint special committee to canvass the vote cast at the Annual Charter Election held April 2, 1934.

Carried.

Mayor Bosch appointed as such Committee: Aids. Huyser, De Cook and Stefens. The Council then recessed for a short time. The Committee then reported that they had made such canvass, and submitted a tabular statement of same, and on motion of Ald. Huyser, 2nd by Stefens.

RESOLVED, that the report of the votes cast for the several City and Ward officers be and the same is hereby adopted, and that the several persons who have received a majority of the votes cast for the respective offices for which they were candidates be and hereby are declared elected to such office as follows:

Mayor—Nicomedes Bosch, 2 yrs.

City Treasurer—John Steggeda, 1 yr.

Supervisors—Wm. Brusse and Ray E. Nies, 2 yrs.

Police and Fire Comm.—John F. Donnelly, 5 yrs.

Alderman—5th Ward, Jacob R. Bultman, 2 yrs.

Constable—4th Ward, Chas. I. Duley, 1 yr.

Constable—5th Ward, Wm. Steketeer, 1 yr.

Constable—6th Ward, Henry Borri, 1 yr.

Said resolution prevailed, all voting Aye.

Said Committee appointed to canvass the vote cast in the several Wards of the City at the Annual Charter Election held in and for said City on Monday, April 2, 1934, on the following proposition:

"Shall the City of Holland so amend its Charter as to permit the appointment of one policeman for every one thousand inhabitants instead of one policeman for every fifteen hundred inhabitants as now provided?"

Further respectfully report that they have made such canvass and that the result of said canvass is embodied in the following vote:

Yes—1692.

No—2726.

On motion of Ald. Steffens, 2nd by De Cook.

RESOLVED, that the above not having received a majority of the votes cast therefor, be and the same is hereby declared lost. Said resolution prevailed, all voting Aye.

Communications from Boards and City Officers
The claims approved by the Library Board in the sum of \$143.78; Hospital Board, \$2453.90; Park and Cemetery Board, \$352.64; Police and Fire Board, \$819.92; B. P. W., \$9313.38, were ordered certified to the Council for payment.

B. P. W. reported the collection of \$4414.51; City Treasurer, \$26,089.81.

Accepted.

Clerk reported Bonds and Int. coupons due in the amount of \$33,132.12.

Allowed.

Clerk presented comm. from B. P. W. stating they are in need of additional room for office space. The comm. further states that they are short of vault space, also garage and storage space, and request the Council to give them consideration at such time as there will be available room in the City Hall.

Ald. Habing, Chm. of the Bldg. Committee, reported in this connection that he had also been besieged by various organizations and parties for the use of rooms in the City Hall at various times, and it has become a very serious problem, and requested the opinion from the Council as to what he should do about it.

Mayor Bosch stated that it would be his advice to the Bldg. Committee that City business should come first, and that the City requirements should be taken care of before outside organizations or others could be considered.

The Council deferred action until the matter can be given further consideration.

Clerk recommended cancellation of checks in the total amount of \$76.44.

Adopted.

Motions and Resolutions
A. C. Van Raalte Gilmore appeared before the Council and gave a resume of what their committee, of which he is Chairman, is doing in getting historical data on the early history of Holland together with the history of the Van Raalte family. Mr. Gilmore stated that it was the goal of their committee to establish a historical home where all of this data of the early history of Holland can be kept. In this connection, Mr. Gilmore stated that he is getting considerable information from various sources and is interested in obtaining permission from the Van Schoelven family and the City of Holland to go through and sort out from among those records now stored in the vault at the City Hall, those documents that are of value from a historical standpoint.

It was the consensus of opinion of the Aldermen that the City of Holland should co-operate with Mr. Gilmore and his committee from the Sons of the Revolution to do all in their power to assist in collecting this historical data. It was the suggestion of the Council that Mr. Gilmore obtain permission from the Van Schoelven estate to go through this collection of papers and other documents, and when this permission is procured, the City would make available and turnover to Mr. Gilmore and his committee the various documents, newspaper clippings and other material now stored at the City Hall.

Appointment of a conservation officer for the Ottawa county district will be made within two weeks from the 125 applicants who took the examinations Tuesday at Grand Haven. "Jesus Teaches Forgiveness"

—Matthew 18:15-35

HENRY GEERLINGS

It is natural to ask what it was that led Peter to inquire of Jesus how often a person should forgive an offender. The answer is that it could very logically grow out of what has preceded in the chapter. In the first place the disciples had been quarreling among themselves as to who should be greatest. Bad blood was shown as that fact in itself could easily have brought the question of forgiveness to the lips of Peter. Where there is quarreling there is need of forgiveness. In the second place Jesus had just spoken of the patient handling and the earnest yearning after the spiritual recovery of the brother who had committed sin. Peter's heart seems to have warmed to the tenderness Jesus had put into those words and he thought he was especially liberal when he asked his Master if forgiveness granted seven times was sufficient. Peter had been taught by his Jewish leaders that thrice-repeated forgiveness was adequate.

If the apostle expected to be commended for his seven times he was to be disappointed. He was promptly informed that forgiveness is not a matter of calculation and arithmetic, but of the spirit. In this sphere counting is out of order. Some manuscripts say Jesus said seventy-seven times over. But the thought he had in mind, whether he said four hundred and ninety or seventy-seven is the same. Forgiveness is to be without number, and just as soon as we set a number to it we declare it is not of live. We are to keep our hearts

Vigorous complaints are being registered on the poor condition of M-40, the main road from Holland to Hamilton. The highway stretches at times is almost impassable necessitating detours via East Saugatuck or Zeeland. Motorists do not hesitate to call the highway a disgrace to the state. Although considerable work has been done on the road, the general opinion is that unless some modern improvement is made it is merely time, labor and money wasted.—Grand Haven Tribune.

Zeeland Grange Becomes a Fact; Opened with Prayer

Zeeland now has a local grange. This was perfected at a meeting held at the Zeeland city hall. John Teusink asked a blessing on the deliberating and after Mr. Brower outlined the form and purpose of the movement again, he solicited questions from those assembled. Except for the officers' titles and the conduct of the business meeting, the aims and methods of the grange are very similar to any active farm organization, the educational, economic and legislative program being almost identical, in fact, all clear through the same central bureau at Washington for information and for expression of their demands.

The membership now numbers 50 with that many more signed up but not paid in, and it was decided to elect grange officers, with results as follows: As master, John Kemme was chosen; overseer, Albert Eyle; lecturer, Mrs. William Van Zoeren; steward, Angus De Kruif; assistant stewards, Mr. and Mrs. Harry Vredevelde; chaplain, John Teusink; treasurer, Henry Pas; secretary, George Caball, and membership committee, composed of Lester Mulder, John R. Bouws, and Harold Keppel.

The next meeting will be held this Friday, April 13, at the Grange hall, over De Kruif's drug store. The program committee has arranged the proceedings after the short business meeting with which sessions begin regularly. The public is always welcome to the educational and social parts of the program.

SEVEN HUNDRED ALLEGAN FARMERS SIGN

Nearly 700 farmers of Allegan county have signed corn or hog reduction contracts to the tune of about \$100 per contract. These contracts represent approximately \$70,000 to be paid to Allegan county farmers within the next year. The money to pay these contracts with is obtained through the processing tax as explained above and not from a real estate or property tax. The tax must be paid and the signing of contracts will bring this money back into this community. The officers of the Allegan County Corn Hog Reduction Association elected at the first meeting of the board of directors are as follows:

Leonard Swanty, Watson Township, president and chairman of the Allotment Committee.

George Shea, Hopkins Township, vice-president.

William Klunder, Dor Township, Allotment Committee.

W. J. Van Den Belt, Fillmore Township, director.

Gertrude Stratton, Allegan, treasurer.

"THE PERFECT ALIBI" TO BE PRESENTED BY THE PLAYERS

DRENTHÉ

Mrs. Henry Walcott, 32, who resided one mile west and one-half mile south of Drenthe, died Sunday morning at Zeeland hospital following an illness of two weeks. Mrs. Walcott was born in Allendale and before her marriage taught school in West Drenthe. Surviving are the husband; four daughters, Magdalene, Cora, Geraldine and

Walter Ainsley, pastor of the Open Bible church of Grand Rapids, officiated. Burial took place in Allendale cemetery.

ONE FAMILY NEARLY TAKES HONOR ROLL

In the Ventura rural school northwest of Holland they also have a monthly honor roll, and for March it seems that one family has practically monopolized the whole roll. Here they are: Betty Van lente, Don Van Lente, Bud Van Lente, Paul Van Lente. The others are: Donald Hardy, James Hardy

and James Vanden Berg. Those Van Lente "kiddies" are surely well behaved and punctual pupils. They also carried home with them a merit card of not having been absent or tardy for three months. The others were also so honored.

GET YOUR FISH SHANTY ASHORE

Fishermen who allow their ice-fishing shanties to sink in navigable waters after a thaw are liable to Federal prosecution and for this reason State conservation authorities are urging all fishermen to get their shanties to shore before the break-up sets in. A sunken shanty may create a navigation hazard and Uncle Sam won't stand for that.
