Holland Man on Way to Scotland Pastor in South

Rev. Frederick Oert, Graduate of Hope, Kentucky Divine, Sails for Edinburgh

The following interesting item was sent in by Murray K. Rogers of Paducah, Ky., former editor of Hope Anchor, now of the Press of Paducah:

By Murray K. Rogers

PADUCAH, Ky., April 8.—The Rev. Frederick H. Oert, pastor of the First Presbyterian Church of this city, sailed Saturday noon from New York City on the S. S. Transylvania for Edinburgh, Scotland, where he will study and travel for the next few months.

Mr. Oert was recently given a leave of absence from his church to take a special course of study at the University of Edinburgh. In addition to his regular salary the church has given him a check to cover his expenses while in Europe. The pulpit will be filled by visiting ministers from the Louisville Theological Seminary while he is away.

The Rev. William M. Elliott, pastor of Druid Hills Presbyterian Church at Atlanta, Ga., and close friend of Mr. Oert sailed with him, meeting him in New York Saturday. The two will be together during the next two and a half months.

Rev. Oert is a native of Holland, Mich., having received most of his formal education there. He is a graduate of Holland High School, Hope College, and Western Theological Seminary of that city. He has also taken post graduate work at the University of Chicago and came to Paducah after having spent one year of post graduate study at Louisville Theological Seminary.

He is one of the youngest and most popular ministers in Paducah, having come here in 1930 to take charge of his first church. During this time much progress, both spiritual and material, has taken place. Aside from building up the membership of the church he has built one of the finest churches in the southland. Early in 1932 the church was totally destroyed by fire. This ruin was replaced by a beautiful Gothic edifice valued at \$100,000, and completely free from debt, for the first time in 40 years. The church has been founded 95 years.

Mrs. Oert and two small daughters, Mary Bond and Grace Davine will remain in Paducah. Miss Rose Kloster, sister of Mrs. Oert, and formerly of Holland, Mich., is visiting here.

Rev. Oert expects to return sometime in June and resume his ministry here. Regular services will be held.

The News might add that Mr. Oert is a brother of John Oert, River Avenue grocer, and was one of the most popular students while going through Hope College.

He was the head of one of the most successful pageants ever staged by Hope College, given on the Hope College campus some 15 years ago.

AMERICAN LEGION NOTES

There seems to be a number of the members that cannot remember the meeting nights of the Post. Until further notice we meet on the SECOND and FOURTH Wednesdays in each month.

This brings our next meeting on April 22nd, and three of the best cooks in the outfit are preparing the lunch. It may be barbecue or roast chicken, it's a little early to say just yet.

Two of our Holland Comrades will be laid to rest this week:—Chas. Redder who has spent most of the last few years in the West will be buried in Big Rapids on Thursday April 9th; and Homer Ten Cate who will likewise be buried on Friday the 10th, also in Big Rapids.

Nick Hoffman, Justice of the Peace, passed the cigars last night on his re-election. We hope Nick is not so generous when it comes to sentences. Thirty days is quite a while to be out of circulation.

We can expect to receive an invitation from the Auxiliary to attend a joint meeting some time now. We do not want to rush things any and would just as soon wait until they have a good refreshment committee working.

Word has come from Ann Arbor that Fay Fortney is showing quite an improvement. His address there is University Hospital, Ward 2 West, Second Floor. Drop him a card, it will be appreciated.

Mrs. Marius Mulder, 100 East 13th St. left Monday night for San Antonio, Texas where she will visit her brother, Mr. Gerrit H. Albers, who is seriously ill.

HAS READ THE HOLLAND CITY NEWS FOR FIFTY YEARS

Franklin P. Howe, a former Holland citizen, now living in Los Angeles, California, encloses one dollar for another year's subscription to the Holland City News.

He says, "If it is not asking too much, will you let me know when my name was first entered on your books as a subscriber?" In reply we would tell Mr. Howe that the dollar sent pays up his fiftieth year and that he began subscribing in 1886.

The editor of the News wishes to thank Mr. Howe for his half century of loyalty.

GOOD FRIDAY IN ALL CHURCHES

The churches, generally in the city, will celebrate Good Friday this evening. These services are very impressive and all churches, not only welcome the citizenry, but those from the countryside and the strangers within our gates.

"LET THE LOWER LIGHTS BE BURNING"

Holland harbor is now electrically lighted which is a reminder of Sankey's beautiful hymn, "Let the Lower Lights Be Burning. Send a gleam across the wave."

Anyway, the mariners who enter this harbor will now be guided along the steamer lane to the town docks. The lighthouse tender, "Hyacinth," yesterday installed three strong electric lights in floating buoys. They are the very latest in harbor equipment.

One is located off Waukazo where the antiquated light once stood and two others are southeast of Gold's Point and are so arranged that the steamer can safely and easily negotiate this narrowest and deepest part of Lake Macatawa.

Captain Austin Harrington who is well acquainted with Captain Hamilton of the government engineering department at Milwaukee, was able to secure these lights. Mr. Harrington has been on the harbor committee for a number of years and by virtue of his position and knowledge of the waters of the inner bay, has been harbor master for a long time.

Holland harbor has been without regular lights for a long period outside of those found on the pier. However, when steamers or freighters were sighted, Harry Harrington and Captain Harrington, the sons, loaded their yacht with large lanterns and stuck them on poles where buoys ought to be. Thus kerosene furnished the only gleam of light to direct the mariners.

With the sons it has only been a labor of love in order that ships might be safely guided to the docks. Tonight if you look down the bay, you will see the lighted buoys brightly sending their gleam over the waves of Black Lake. These light automatically before darkness comes and are turned off with the dawn of a new day.

HOLLAND LADY FATALITY INJURED ON LOCAL STREET

Mrs. Henry Farma died as the result of a terrible accident which occurred on W. 13th St. at about 6 o'clock yesterday. She was rushed to Holland Hospital where she died at midnight.

Mrs. Farma, aged 32, lived at 433 Columbia Ave. She was traveling east on 13th St. and the car of Mrs. H. Vanden Bos of Kalamazoo struck the Farma car in a rear end collision at the intersection of Maple Ave. and 13th St. The car turned completely around, facing the west, and turned on its left side, pinning Mrs. Eloise Farma under the car. Officer Kalkman was on hand quickly and took the statements of several witnesses in the vicinity.

Mrs. Farma suffered a fractured rib, a double fracture of the left arm and a broken pelvis. With all these injuries, she remained conscious until the last.

Mrs. Vanden Bos received only minor bruises and police say there were no other passengers in either car.

Mrs. Farma was taken to Holland Hospital in the Dykstra ambulance, accompanied by Mrs. Vanden Bos of Kalamazoo.

Coroner Gilbert Vande Water, assisted by Chief Van Ry and his men, has been investigating the accident, and whether an inquest will be held will be declared shortly.

Funeral services will be held for Mrs. Farma Saturday at 2:30 p.m. at the Langeland Funeral home, private and at 3 p.m. in the Wesleyan Methodist church. The Rev. C. W. Meredith will officiate. Burial will be in Saugatuck cemetery.

She is survived by the husband, Henry; one daughter, Marilyn Mae 6; her parents, Mr. and Mrs. Anson Paris, Rural Route No. 6, Holland; seven brothers and sisters, Prescott, Curtis, Anson, Jr., Lyle and Mrs. John Strassman of Holland and Foster and Glenn of Los Angeles, Calif.

Joe Brown and Sons, truckers and dealers in scrap iron and waste paper, will build a new garage building within the next few weeks on Lettler St. between Olive and Chubb avenues in Grand Rapids. Joe, with his brother, Max, at one time conducted a junk yard on the east end of this city on Eighth St.

At Saugatuck, Ralph A. Clapp and all other Republican candidates were elected; James N. Brown was selected clerk; Roscoe Funk, treasurer; Frank Wade, highway commissioner; Victor Eggelkraut and Jacob W. Prentice, justices of the peace; Henry W. Jager, board of review; J. Schrekenst and Ben Wiegert, constables. Democrats won two constable posts electing Robert Annesly and Floyd Jennings.

The faculty of Zeeland High has selected the 1936 candidates for the local chapter of the National Honor society. They are: Gerald Bosch, Allyce Shoemaker, Robert VanDrant, Ellen VanZoren, Thelma Van Dyke and Jean Vander Wre.

City Election Proves Rather Tame Affair

ONLY ONE THIRD OF THE REGISTERED VOTE IN CITY IS CAST

Smith wins for Alderman, Tappan for Health Officer, Nies for Supervisor, Hoffman for Justice of the Peace

It was scarcely apparent that there was an election in Holland last Monday, since only a few offices had to be voted for, a vast majority of them being elected at the primaries, and the few who did qualify were the only ones who were in the contest. The total vote last was 2,235, less than one third of Holland's registered vote.

As will be seen from the tabulated statement of the entire city, Nicholas J. Hoffman, Jr. was re-elected Justice of the Peace, winning over Attorney Vernon Ten Cate and Attorney Gerrit W. Kooyers.

Ray Nies won for supervisor over John J. De Koeper by 35 votes. Dr. William Tappan had a plurality of 182 votes over Dr. Wm. Westra, physician, Health Officer and Dr. E. Vander Berg.

Frank L. Smith won handily over his two opponents, James H. Klomparsen and Simon Holkeboer, as Alderman of the 6th ward. In this ward alone, there was no election at the primaries. The three candidates qualified, however, and had to run the race over again.

At the primaries these three candidates ran neck and neck and at the election, too, there was not a great deal of margin to spare, Smith receiving 175, Klomparsen 149, and Holkeboer 113.

See the tabulated statement on the entire vote in the city elsewhere.

The election in Park Township was a one sided affair, since there was no opposition to any of the candidates, all being elected at the primaries. There was, however, a special ballot allowing the voters to vote on whether to give the Consumer's Power Company an electric franchise covering a period of 30 years.

The vote in the 2 precincts stood as follows, Yes, 178, No, 31, and the franchise carried.

In Holland Township a similar proposition was put up to the voters and the franchise was voted down. For the franchise, 124; against the franchise, 359.

All candidates in Holland Township were elected at the primaries and there was no opposition except in the case of Manus Laarman who was elected in the primaries for the office of highway commissioner. Albert J. Kapenga decided to run on slips and it was a mighty close margin after the battle was over, Kapenga receiving 231 votes and Laarman 242, a difference of 11 votes.

It is rather interesting, however, to note that 13 stickers with Kapenga's name were thrown out since the voter had not followed the law in placing a cross in the square before which the sticker was placed. This is absolutely necessary. There is no doubt as to the intent of the voters otherwise they would not have gone to the trouble of placing Kapenga's stickers on the ballot in the first place. Winning on slips is a difficult matter for of

PLAY TO BE STAGED AT WOMAN'S LITERARY CLUB

The play, "Mother's Moment," will be presented in the Woman's Literary Club auditorium on April 14 and 15.

The cast of characters includes Mrs. H. Colton as Ma Burt, John Roseboom, the weak Pa Burt who resorts to drinking; Johnny, son of Ma Burt and Polly his wife, Mr. and Mrs. Ray Lemmen; H. Colton, Miss Helene Westenberg, Mr. and Mrs. Peter Dyer and Miss Wilma Vande Bunte.

The play centers around Ma Burt who has a selfish and inconsiderate family, except for her son Johnny and his wife Polly who are the only members who appreciate her sacrifices and are her only comforts. Pa gets into difficulty and Johnny steps in and goes to prison for his father's crime. Pa finally dies before he can exonerate Johnny.

The climax arrives when Ma is ready to go to the courthouse and all action takes place in the Burt home in the East. The first two acts are a day apart and the third act takes place six months later. Business managers are Ralph Zoet and Julius Kleinhekel and stage managers are Matt Bort, Peter Nienhuis and Harold Vande Bunte. Martin Kammeraad will be in charge of the lighting.

All who figure in the production are members of First Reformed church.

"The Path Across the Hill" is the title of the play to be presented Monday at 6:30 p.m. in the Montello Park school auditorium as a special performance for children. The play which is given by the Montello Park Players will be presented publicly April 14, 15 and 16. The cast includes, Miss Martha Slowinski, who plays the lead supported by Miss Cornelia Steketee, Mrs. William Barnes, Mrs. Richard Smeene, Miss Mary Jane Mastman, James Welcott, Harold Steketee, Claude Rank, Edward John, Chester Gramer, Richard Smeene is coach and Mrs. James Welcott is business manager.

Mrs. Jennie Edling, 50 of 34 E. 21st St. died Wednesday in University hospital at Ann Arbor. Surviving are: five children, Albert Edling of Pontiac, Mrs. Madeline Zyke, Mrs. Marie Botis and Vivian and Bonnie, all of Holland; two sisters, Mrs. R. B. Ephraim of Pontiac and Mrs. Nellie Chalmers of Reed City, and a brother, Joe Baker of Forsythe, Mo. Funeral services will be Saturday at 1:30 p.m. at the Langeland Funeral home, private and at 2 p.m. at Trinity Reformed church of which the deceased was a member. Rev. H. D. Ter Keurst will officiate and burial will be in Pilgrim Home cemetery.

The school burned early in the morning and during vacation time and no one was endangered because of the fire. The children got out of the school with a prolonged vacation.

Park Township Clerk A. Krone-meyer is publishing notices that the annual township meeting of Park Township will be held in the Community Hall at Virginia Park next Tuesday at 7:30 o'clock.

Supervisor George Heneveld who had always been an able executive, covering a long period of years, will give a review of what has been done in the past and plans for the balance of the year 1936. Citizens are urged to be present Tuesday evening.

News Items Taken From the Files of Holland City News Fifty, Twenty-five and Fifteen Years Ago Today

FIFTY YEARS AGO TODAY

Grand Haven is up with the times — had a labor strike on the railroads. The freight house workers demanded 20c an hour when they were getting 15c. The company gave in to the demands of the men and they all went back to work with a will.

Little Blanche Minderhout of this city, only a child of 6 and daughter of the Landlord of the city hotel, is a child wonder. She is only 6 years old and is said to have a remarkable soprano voice. She has sung before large audiences in both Powers and Redmond's Opera houses in Grand Rapids. Professor Welenstein played her accompaniment.

Note: Miss Minderhout was the daughter of one of Holland's first landlords and was the sister of the late Jake Minderhout for years a furniture designer at the West Michigan Furniture Co. Your editor remembers hearing this young lady sing, when she was well in her teens, at Reed's Lake in a summer concert. She received an ovation but whether she climbed to greater heights in her musical career, we have not heard. She must be 56 years old by this time.

Last Monday Hermanus Boone shipped 25 fine horses to Boston, Mass., in an Arms Palace Horse Car. On the next Tuesday Van Raalte and Kellogg shipped a carload to the same market. Holland is rapidly gaining a reputation for its splendid horses. Note: Strange to say that with the coming of the motor car the horse seems to have lost favor, around Holland at least, as did the livery barn. Years ago horse shipping was nearly an everyday occurrence. From Nibbelink's stables on 9th St. to the Boone horse car on Market St., extending to 7th St., now Central Ave. to Ed. Harrington's stables, it was a veritable horse trading, horse jockeying center. Those were good old days in the parlance of horse trading. It brought a lot of money to Holland and not a few "hang-overs" the next day for every trade meant "een slokje," and there were only 6 nearby "slokje" joints in the heart of the horse trading center. Anyway, with hay and grain, feed stables for horses, hundreds of horse traders and their friends, Central Ave., then Market St. was the busiest spot in town and that was especially true on Saturday. Together with the horse trading, Holland was a race horse town. It had the best race horses in Michigan. There was "Turk" owned by Ollie Van Raalte, "Montague Boy" owned by Dr. "Bill" Van Putten, "Roy," with a head like a chestnut, owned by Tony De Kruij, "Maggie B" and "Kinley," the king of all our horses, of the Boone stables. Then there were horses owned by "Gil" Van Hoven, and there was also a horse driven by Johnny Boone called "Camille". This horse I believe, could go the first half mile faster than any horse on a track, but always failed in the second half. But that first half, how that horse could go! Your editor could go on indefinitely when it comes to horses and jockeys but these at least are the highlights.

E. P. Stephan says he will be a candidate for mayor but he will have to be the people's choice. He won't do any work for it, but the votes at the polls will tell whether they want him. Well, apparently they wanted him for he won by a plurality of 527, in which the late City Clerk Wm. O. Van Eyck, as Democrat, and Olaf J. Hanson, a Socialist were also candidates. City Clerk Richard Overway ran away with the election as he always did by a majority of 1,426. The aldermen elected were Jake Lokker, Gerrit Van Zanten, Dr. Mersen, Austin Harrington and Ben Brower.

Clarence Darrow, the noted criminal attorney who spoke on the liquor question in Holland during the wet and dry fight at Price's Rink, is now swaying Chicago in favor of the Mayor Candidate Charles E. Marion who is running on the Republican ticket for mayor against Carter Harrison. Note: Darrow lost in both instances. It will be remembered that the notable trial in which William Jennings Bryan and Clarence Darrow opposed one another on the subject "Evolution" in one of the hot

The Holland City News has been battling the Pere Marquette hard for a new depot in place of the one moved to Holland on flatcars from Oakdale Park near Grand Rapids. The News has fought hard for that depot, together with other sources but have never kept still. The final outcome was that ten years later, after constant "hammering" and the work of citizens and civic bodies, we finally did get a fine depot. Then it was appreciated. We are wondering today, if we are supporting the depot project with the same zest used to attain it, and that means me too.

Judge Philip Padgham who presided over the Ottawa and Allegan County circuit, died at Allegan after a serious illness. Thus Judge Orion S. Cross, present presiding judge was notified. Judge Padgham served on the bench of the 20th judicial circuit for a period of 19 years and in 1911 was succeeded by Orion S. Cross, also of Allegan. Mr. Padgham began his legal career in the little town of Plainwell and at his death was 88 years old. After his defeat he retired to his beautiful farm where he lived for ten years when death came. Note: His wife recently donated part of the estate for an airport.

Carl Mapes becomes the Mayor of the District of Columbia. The newspapers are making much of the fact that Carl Mapes, as chairman of the committee on the District of Columbia for several years, is virtually the Mayor of Washington. The District of Columbia, which means Washington, has no Aldermen or Mayor. That little block of ground is governed by "Capitol Hill". Anyway, 15 years ago our friend Carl had that distinction.

Herman Lemmen of Zeeland, paid a fine of \$12.50 for speeding 40 miles an hour on the new concrete road between Zeeland and Holland. Deputy Sheriff Johnson gathered him in. Today there would be no fine since the state has no speed limits on the country highway, but look out that the results of your driving don't bring disaster and heavy punishment.

Farewell to Arthur W. Wrieden, a Leading Citizen in Holland for Years

The Holland Rotary Club last ideal spot to live in. Situated as it is on an inner bay and practically on beautiful Lake Michigan, flanked by fine farming country, wonderful resorts and a fruit belt augmented by diversified enterprises in city and rural districts, how could it be more ideal?

"Holland has a high class, cultured citizenry which emphatically reflects our educational advantages in schools and college.

"I wish to thank you from the bottom of my heart for your kind words and this thoughtful reception. I wish to say further that Mrs. Wrieden and the rest of the family feel as I do. I have never enjoyed anything better than my association with the Holland people.

"I have made many contacts with men and women in all walks of life, through the Rotary Club and the Chamber of Commerce and during my industrial connections here, it has been my great privilege to make many staunch friendships that I wish to endure.

"I feel that Holland will always be a fine place to live in. It is built on a solid foundation and whatever we have here in the way of building, whether that be streets or structures, industrial or civic, there is nothing cheap or tawdry but all carries with it a substantial aspect. A city clean, a city of homes and beautiful surroundings and a city of churches and of higher education, is a city really worthwhile.

"Having come to this city as a stranger, I wish to say that the stranger, if he half tries, finds this a welcome haven, for every citizen is active in making the newcomer at home and does his or her best to induct this newcomer into civic and religious life and the activities that these bring out."

He stated that he and his family have enjoyed every minute of their stay in Holland but circumstances over which he had no control compelled him to go to other fields.

In concluding, he said, "I ask one and all to still consider me and mine as a part of this wonderful community."

Mr. Wrieden has been active in civic affairs here since he came to Holland from St. Louis 11 years ago. For the past two and a half years he has been president of the Chamber of Commerce, and served as president of the rotary club in 1932.

He plans to live in Syracuse, where the main branch of the Lenox Furnace company is located. Another branch is at Marshalltown, Ia. Both branches manufacture steel furnaces and air-condition apparatus. The Wrieden family will spend a part of their summers in Holland in their beautiful home on Lake Macatawa.

He said the Rotary Club was honoring itself by honoring Mr. Wrieden. He also stressed the fact that Mr. Wrieden was an outstanding man in Holland's industrial life and that his civic and religious activities were also pronounced.

Dr. R. H. Nichols, also a past president, stated that there was no other member of the organization to whom appreciation could be more rightfully extended. He said that during his term of office as president in 1932, Mr. Wrieden extended his services far beyond realms of the club which was reflected in the many worthwhile undertakings sponsored by this organization.

His colleague, Wm. M. Connelly, director of the Chamber of Commerce, spoke in glowing terms of his chief and it was with deep feeling that he presented to Mr. Wrieden a beautiful plaque as a token of appreciation for his services in the several Tulip Time festivals which have received wide publicity.

A conception of this plaque with wooden shoe embellishments as receptacles for tulips, is better shown in the picture published with this article.

Mr. Vance Mape, President of the Rotary Club, after extending hearty well wishes and godspeed from the members of the Rotary Club and himself to the Wrieden family, asked Mr. Wrieden to say a few words. For once in his life "Art" was "stumped". With quivering lips and a tear in his eye, it was difficult for him to begin.

Mr. Wrieden said, "My stay in Holland I consider the happiest time of my life. I feel that Holland is an

OLD SUPERVISOR WINS ON SLIPS

In Fillmore township, Guy T. Hekhuis was victorious over Herman Brummel in the race for the supervisor's post. Guy lost in the primaries but won on slips on election day. He has been an able Supervisor on the Allegan Board. Other offices were contested. Justin Kleinhekel was renamed clerk, J. H. Wolters, treasurer, and Henry W. Mulder, highway commissioner.

ART SCHOOL IS HAVING EXHIBITION

The David Wolcott Kendall Memorial School of Art, located in Grand Rapids, is showing the work so far completed in the 1936 term of the school, in the Ryerson Public Library in that city. The work was placed there on April 6 and may be viewed by those interested, until April 20.

WOMAN'S CLUB CONCLUDES MEETINGS FOR CURRENT YEAR

The scheduled meetings of the Woman's Literary club for the current year were brought to a close following a spring luncheon in the club house followed by a business meeting, Tuesday.

Reports were given and plans for next year were outlined by Mrs. Charles K. Van Duren, new club president.

Mrs. J. D. French, retiring president outlined plans for July Time activities of the club, including a flower show and antique exhibit, and the serving of Dutch lunches.

Mrs. C. M. McLean announced that her group had raised enough money for the purchase of a new davenport in the auditorium. It was announced that the third annual charity ball will be held Friday, April 17 in the Armory.

Mrs. N. D. Chard is chairman of the Old Rummage sale to be held April 25.

At the conclusion of the business meeting, Mrs. French thanked members and committee chairmen for their cooperation during her two years of office, and turned the meeting over to her successor, Mrs. Van Duren. The club was adjourned until October.

BABY INCUBATOR AT HOLLAND HOSPITAL

As a result of action of the Junior Welfare League meeting Tuesday night, Holland hospital will be equipped with an incubator for the saving of lives of pre-mature infants.

Miss Rena Boven, hospital superintendent, stated that the new equipment will be secured immediately and be put into use.

The Junior Welfare League has done much for the Community including the making of obstetrical kits for welfare cases, and the supplying of glasses to needy children.

SPRING LAKE TOWNSHIP ADOPTS PRIMARY SYSTEM

The primary system of selecting candidates for the elections in Spring Lake township was adopted at the spring election yesterday by a vote of 409 "yes" to 138 "no."

The old caucus system will be done away with, which it is believed will give all candidates a fair chance. It also gives the voters a chance to vote privately.

LOCAL STUDENTS TO STAGE REVUE

Miss Athalie Roest's dancing classes are preparing to stage a student revue, April 24th, at the Masonic Temple auditorium. The revue is entitled, "Plantation Frolics" and embraces music, songs, "blackface" and many dance routines.

The cast numbers about seventy, who range in age from 2 1/2 years to the "deb" class—promising emulators of Shirley Temple, Rogers, Keeler, Astaire and Robinson.

7-UP FLEET STAGES BIG PARADE

Phil Brooks, the best 7-Up player in Ottawa County, staged a parade in Holland early in the week, with horns blowing and color waving. In the parade were six imposing looking, green painted 7-Up trucks advertising the popular soft drink that has become nationwide in its use.

Holland is headquarters for 7-Up and the distributing points in western Michigan are Holland, Lansing, Benton Harbor, Grand Rapids and Muskegon.

Mr. Brooks states that during the summer he has four extra men working and sometimes this number goes as high as seven. Mr. Brooks became distributor in Holland for this infant industry in little over two years ago and has met with gratifying success.

Anyways, seven men to work is seven men. Many of these small enterprises in the city in the aggregate, bring many benefits directly and indirectly.

The News has always advocated small enterprises to start with for these are bound to bring internal growth, becoming larger and larger as they succeed.

City Election Proves Rather Tame Affair

(Continued from Page 1)

ten voters are inclined to vote for the sticker candidate but it requires extra work, is a mussy job and fear of mutilating the ballot also enters in. Many votes are lost in that way. Stickers are not always handy either, since they can only be peeled out within one hundred feet of the polls. According to all these handicaps, Kapenga made an unusual run despite the defeat.

The voting in Park township was as follows:
Supervisor: George Heneveld, Precinct No. 1, 43; Precinct No. 2, 120.

Clerk: Albert Kronemyer, Precinct No. 1, 43; Precinct No. 2, 119.

Treasurer: Dick Nieuwma, Precinct No. 1, 43; Precinct No. 2, 117.

Highway commissioner: Albert Timmer, Sr., Precinct No. 1, 41; Precinct No. 2, 117.

Justice of the Peace: Albert Brinkman, Precinct No. 1, 43; Precinct No. 2, 116.

Board of Review: B. H. Bowman, Precinct No. 1, 43; Precinct No. 2, 116.

Constables: Henry Vanden Berg, Precinct No. 1, 42; Precinct No. 2, 112; Richard Vanden Brink, Precinct No. 1, 39; Precinct No. 2, 112; Peter Van Houw, Precinct No. 1, 41; Precinct No. 2, 113.

In the first precinct Henry Thalen received 40 votes for the office of Overseer for district No. 2.

Edward Kammeraad received three votes for the same office in Precinct No. 1. Henry Lugers tallied 114 votes in Precinct No. 2 for the post as overseer of district No. 2.

Besides balloting for highway commissioner and the power issue the Holland township vote was as follows:

Supervisor: Albert Hyma, 356; John Eensburg, 7; Nicholas Hoff, Sr., 1, blanks, 132.

Clerk: John Eilander, 412, blanks 88.

Treasurer: John Helder, 397, blanks, 98.

Justice of the Peace: Walter Vanden Haar, 378, blanks 117.

Board of Review: Gerrit Ter Beck, 375, blanks 120.

Overseer: Henry Hovings 356, blanks, 139.

Constables: Henry Geerts, Arthur Tors, John Ter Horst and Adrian Veale were unopposed.

Olive township: Supervisor—Albert H. Stegenga 87, Bert Vander Zwaag 10; clerk—Charles Bartels 99; treasurer—Adrian Casuwe, highway commissioner—Albert Knoll; board of review—Morris Luidens; justice of the peace—Jacob Kraai. All successful candidates were on the No. 1 ticket.

Port Sheldon township: Supervisor—Frank Garbrecht 98, Mrs. Sally Nash 51; clerk—Theodore Chelean 79, Martin Berkompas 63; treasurer—Haud Schofield, 95, no opposition; highway commissioner—Cornelius Gersen, 92, no opposition; justice of the peace, full term—Henry Ebel 77, John Brummeler 53; justice of the peace, to fill vacancy—Abraham Anya 63, Joe Werner 49; board of review—John Schrieber, 80, Adolph Hoeker, 58; three constables—Fred Hulbert, 70, Alfred Goodlin 64, and George Polaski 64.

Mr. and Mrs. John Elzinga and daughter, Muriel Jean were entertained at the home of Mr. and Mrs. Martin Van Wieren of Hardewyk Sunday afternoon and evening.

Student Den Ouden of the Western Seminary had charge of the services at the American Reformed church last Sunday.

Myrtle and Earl Mosier of Lansing were week end guests of Mr. and Mrs. E. J. Mosier.

Tommy and Elaine Zeerip of Wayland spent their spring vacation with their grand-parents, Mr. and Mrs. Jacob Eding.

The Double Square Club met at the home of Evelyn Schutmaat last week Friday evening. The young ladies will discontinue their meetings during the summer months.

The Democrats were again victorious in the election Monday, only one Republican being able to nose out his opponent. To the surprise of all, the election revealed the Democratic party stronger than before.

This town, which is supposed to be and has always been a Republican stronghold, went Democratic by more than a two to one vote. However, the result may not be a test of the real strength of the two parties, in as much as the vote was small and the winners had made work to bring out their friends, while the Republicans sat still believing that "prosperity had returned."

The results were as follows: Supervisor: R. J. Maatman, 200; L. Vander Meet, 62; Clerk Herman Nyhoff, 160; B. Voorhorst, 94; Treasurer, Chas. Boyenga, 124; D. Slikkers, 128; Highway Commissioner, Wm. Root, 130; George Bolks, 121; Justice (Long term), E. A. Dangremont, 125; W. B. Monroe, 123; Board of Review, Wm. Drenten, 129; Jacob Slotman, 123; Constable, Jacob Eding, 160; Gerrit Sale, 89; Harold Dangremont, 162; H. Kempker, 22; Ben

Boyenga, 136; Bert Scott, 108; Gerald Slotman, 135; Lloyd Butler. The Democrats received 86 straight ballots and 47 straight Republican ballots were cast. D. Slikkers is the only Republican re-elected and his margin was four votes. However, in several other contests it was very close and this is about the only comfort which the proud old party can find in the defeat.

Born to Mr. and Mrs. Joe Dubink, a daughter.

Mrs. H. D. Strabbing left last week Wednesday for St. Louis, Mo. to visit Mr. and Mrs. Wm. Clough for several days.

Good Friday services will be held at the First Reformed church Friday evening at 7:30 o'clock.

Mr. and Mrs. John Ten Brink of Kalamazoo visited at the Wm. Ten Brink home Monday.

Mrs. Gerald Veen has resumed her work at the North side grocery store after a week's vacation.

A fellowship meeting was held by the Ladies Missionary society of the First Reformed church at the parsonage last week Wednesday evening. The husbands were the honored guests. The pastor spoke on, "The Missionary Problem of the Day." A social hour was enjoyed at the conclusion of the program and business session.

Mrs. Wallace Kempker and Evelyn Schutmaat were joint hostesses at a shower in honor of Eleanor Drenten at the Kempker home last week Tuesday evening. Those present were: Mrs. Ivan Lezma, Mrs. John Kaper, Mrs. Allan Calahan, Mrs. John Haakma, Mrs. H. Bush, Mrs. Julius Kempker, Mrs. Jacob Drenten, Geneva Timmerman, Harriet Van Doornink, Pearl Drenten, Esther Slotman, Aileen and Edna Dangremont, Albertha Tuelink, Josephine Kempker, Grace Ilig, Sarah Drenten, Mrs. Charles Brudi and the hostesses. Games were played and prizes were awarded. A three course luncheon was served. Miss Drenten received many useful gifts.

The high school play will be presented at the local community hall this week Thursday and Friday evenings at 8 o'clock. Let's help the young folks!

Mr. and Mrs. Garret Van Dyke and children, Marie Van Tatenhove, Mrs. Ed Van Tatenhove and children, Mrs. Frank Moomey, Mrs. John Bowman and baby, Mrs. Don Schaap and children were entertained at the home of Mrs. Wm. Ten Brink last week Wednesday afternoon.

Mr. and Mrs. Chas. Smith of Allegan were guests of Mr. and Mrs.

Fred Mason last week Wednesday evening.

Mrs. George Jacobus was surprised on her birthday last week Wednesday evening by a group of her friends at her home. Those present were, Mr. and Mrs. Geo. Japink, Mr. and Mrs. Fred Mason, Mrs. Margaret Wentzel, Peter Van Seveden, Warren Davis and Mr. and Mrs. Chas. Smith of Allegan.

Glady Lubbers of Lansing spent the past week end at the parental home.

Special Easter services will be held at the local churches next Sunday.

Dick Snijders and Emory Mosier, after attending a hearing on the irrigation ditch controversy at the Allegan court house last week Tuesday afternoon landed in the ditch on M 40 about four miles south of the village. The car landed upside down but both men escaped without any injury. Slippery roads and goat's milk didn't agree, it seems.

Mr. and Mrs. Jacob Eding visited E. C. Nolan at Battle Creek last Sunday. They were accompanied by Mr. and Mrs. George Japink who visited at the home of Mr. and Mrs. J. Crandall.

Mr. and Mrs. Arthur Greengood, of Holland were guests of Mr. and Mrs. Gerald Veen Sunday.

The CARE and FEEDING of Unexpected Guests

When Uncle George arrives with the kiddies at mealtime, don't be bogged down. Just whisk open a tin of Heinz Cooked Macaroni. Heat—then serve! Everybody will cheer. We make our own macaroni, and it's tender and meaty. The sauce is rich and creamy, with just enough of a zippy cheese flavor! And our Cooked Spaghetti has an Italian tomato sauce that all applaud! Stock up with both.

THREE OTHER VARIETIES

With pork and tomato sauce; *With tomato sauce but no pork; vegetarian; Red Kidney Beans in a savory sauce.

*FOR LENT:

Heinz oven-baked Beans, vegetarian style, are the same good beans baked the same good way, but without meat. A grand Lenten meal.

"Way down east they'll tell you that Heinz Boston-Style Baked Beans are the 'real thing'. Personally, we like the three other kinds, too, but we must admit that our Boston-Style is something to talk about.

A Bostonian gave us the recipe. First we buy choice, hand-picked navy beans and these we patiently reinspect. We wash them and soak them many hours in clear, cold water. We bake them in hot, dry ovens; bake them thoroughly, through every particle of every bean. Then they are drenched with a sauce of sweet molasses and savored with juicy chunks of special bacon pork.

Here's a dandy idea: Invite your

friends to a real New England Saturday-night supper this week. Serve Heinz Boston-Style Baked Beans in little individual bean pots. Heat these in a slow oven until they're glazed on top. Serve piping hot, with lots of Boston brown bread and butter. A fine side dish is crunchy Heinz Fresh Cucumber Pickle!

Get started right away, by telling your grocer to send plenty of Heinz Boston-Style Beans!

An Easter Feast

By JOSEPHINE GIBSON
 Director, Heinz Food Institute

EASTER IS A DAY of glad rejoicing the world over. Spring is pushing the first pale crocuses and warm yellow daffodils from the earth—winter is over and new life lies all about us. This is a fine day to gather in the family and renew old friendships with an Easter dinner. A pleasant meal it must be, too, with a background as mellow as our memories. So set a decorative table that will complement your favorite festive menu. First cover the table with a white or pale yellow linen cloth. Then arrange a graceful centerpiece of tall slim cut Easter lilies in a flower holder centered in a low white bowl. Around this place a ring of white egg cups turned upside down, each cup holding a low white candle. Then light this glimmering circle and serve a late Easter dinner by candlelight. Your family and guests will be as delighted with the table as they are with this traditional Easter dinner menu:

Chilled Tomato Juice
 Fresh Cucumber Pickle
 Roast Leg of Lamb Garnished with Baked Peaches with Currant Jelly
 New Potatoes in Parsley Butter
 Biscuit Straws
 Ice Cream
 Coffee

Horse-Radish Canapés—Cream 1 pkg. soft cream cheese thoroughly, add 1 1/2 teaspoons Evaporated Horse-Radish (which has soaked for 10 minutes in 3 teaspoons cold water) and 1/4 teaspoon salt. Toast rounds of bread on one side and spread a generous layer of filling on untoasted side. Sprinkle generously with paprika and top with tiny squares of bacon, if desired. Broil in a 375° broiler for about 8 minutes.

Baked Peaches with Currant Jelly—Place peaches in shallow baking dish, sprinkle with sugar and fill cavities with Currant Jelly. Top each with a marshmallow that has been flattened with fingers. Bake in moderate oven (375° F.) about 10 minutes or until marshmallows are delicately brown. Do not over-bake or marshmallows will melt and run off.

Biscuit Straws—Roll biscuit dough 1/4 inch thick and cut into strips 1/4 inch wide and 4 inches long. Bake in a hot oven (475° F.) for 5 or 6 minutes. Serve hot.

Easter Cakes—Prepare your favorite cup cake recipe. Immediately

after the cakes are taken from the oven, place a marshmallow on top of each one. Allow to cool, then frost with pastel tinted frostings. The following recipe frosts 4 or 5 cakes. Half of it may be used white, and the remainder tinted. For additional colors repeat the recipe using pale pink, green and yellow cake coloring in separate portions.

Frosting (White)—Beat 1 egg white until stiff. Add 1 teaspoon water and 1 teaspoon Cider Vinegar and beat thoroughly. Continue beating while adding, 2 tablespoons at a time, 1 cup sifted confectioner's sugar. Add 1 tablespoon melted butter, 1-1/2 teaspoon salt, 1/4 teaspoon vanilla and enough additional sugar to make a firm, easily spread frosting.

Chocolate Frosting—Melt 1 square bitter chocolate over hot water. Add to foundation recipe. Pink, green, yellow and other Easter tints may be made by using very small amounts of any good food coloring material. Various flavors as mint, almond, or lemon may be used.

CITY ATTORNEY INSTRUCTED
TO DRAFT ORDINANCE TO
CURB CANINE CAPERS

Grand Haven Tribune
A dog ordinance to control dogs
in this city will be prepared by
Charles E. Minner, city attorney
together with Alderman James
Van Wessem and John Roossien,
which will be submitted to the
council at the next meeting.

The annual spring question was
brought before the council and af-
ter a discussion led by William
Kieft, Alderman James Van Wes-
sem moved that the present coun-
cil take action and adopt an or-
dinance which would prevent dogs
running at large and annoying cit-

izens. Mr. Minner pointed to the
state law which is supposed to
take care of the matter. He stated
the council could take whatever
action they wished providing it
was not contrary to the state law.
Grand Haven is very much worried
about the surplus dogs in that city.

Salary increases ranging from 5
to 10 per cent for teachers in the
Grand Haven public schools have
been announced by the board of
education. The board has adopted
a new scale for setting wages, based
upon the education of a teacher,
rather than the place held in the
local school system. In the past,
teachers employed in the high
school were paid slightly more than
those employed to teach the young-
er pupils. In spite of the increased
wages, the school tax rate will be
reduced from \$7.90 to \$7.75 per
\$1,000, due to increased aid from

Local Judge Reviews Case of Hauptmann

FRED T. MILES GIVES RAMIFICATION OF CASE AGAINST KIDNAPPER OF THE LINDBERGH CHILD

This article by Judge Miles, reviewing the Hauptmann case, was to have been published in last week's issue, but the introduction to the article did not fit in for the reason that it was written as if Mr. Hauptmann had already been electrocuted. The fact of the matter was that a last minute stay prolonged the life of Mr. Hauptmann and the paragraph did not fit into the story since the announcement of his death was premature. Other delays caused by the so-called repudiated confession of Wendel, delayed the execution still longer until last Friday, too late for the Holland City News.

Anyway, with the final execution of Bruno Richard Hauptmann last Friday, the review of Mr. Miles is still more fitting since it is the culmination of what the local judge expected even before Hauptmann was executed.

The Bruno Richard Hauptmann case was reviewed recently by Judge Fred T. Miles before members of the Ottawa County Bar association held in Holland at Warm Friend Tavern.

Judge Miles said in conclusion that Hauptmann had every advantage to which any American citizen has a right. The people of the state have rights also; a right to know that when violence of this kind is used, some punishment will certainly follow.

He opened the subject by saying: "I am often asked whether I believe the defendant guilty. Of course I am in no better position than others who have read of the case to pass judgment. But I am willing to review the course taken to determine the fact."

"After Hauptmann passed one of the kidnap bills at an oil station Sept. 15, 1934, he was arrested in New York on a indictment for extortion; that is the grand jury of not less than 16 men were satisfied that he was probably guilty of collecting the ransom money paid by Lindbergh on April 2, 1932."

"A grand jury in New Jersey found an indictment against him for the murder of the Lindbergh baby. Thus not less than 15 men announced that they were satisfied from the evidence presented that they believed him guilty of such murder. This was Oct. 8, 1934."

"He was brought to trial on January 3, 1935 on the charge of murder of the baby. The jury was composed of 4 women and 8 men. The trial lasted until February 13, 1935 when the jury after being out eleven hours, brought in a verdict of guilty, and without any recommendation of mercy. The verdict was unanimous. The jury in that state has a right to recommend mercy if they believe a prisoner should not die for the crime; if they think he should, then they make no recommendation. These twelve jurors found that there was no reasonable doubt of his guilt."

"On this trial he was defended by four brilliant criminal lawyers. It is claimed that Riehl had defended a vast number of murder cases and always before secured an acquittal. His other lawyers were among the first in brilliant."

"The case was appealed to the highest court of New Jersey. Every bit of evidence was gone over carefully, and on Oct. 9, 1935, the thirteen judges of that supreme court rendered their opinion; they were unanimous in declaring that his trial had been fair and that the evidence led inescapably to his guilt."

"He then had the entire matter reviewed by the board of mercy and pardons of which Governor Hoffman is a member. The board decided he was not entitled to mercy; the newspaper reports were that the decision was unanimous."

"The case was then taken to the United States Supreme Court; this court had interfered in the cases of the Alabama negroes because they did not think a fair trial had been had. But they refused to interfere for Hauptmann because he had been fairly tried under the laws of New Jersey."

"In an exhaustive opinion on the subject, the highest courts of New Jersey said: 'Our conclusion is that the verdict is not contrary to the weight of the evidence, but one to which the evidence inescapably led. From three different, and in the main unrelated, sources, the proofs point unerringly to guilt, viz: (a) Possession and use of the ransom money. (b) The handwriting of the ransom note and (c) the wood used in the construction of the ladder.'"

DR. R. DRUKKER TO ADDRESS YOUTH FELLOWSHIP MEET ON APRIL 14 AT ZEELAND

The annual spring fellowship of the Holland classis of Youth Fellowship of the Reformed Churches will be held in the form of a banquet Tuesday April 14 at 6:30 p. m. in the First Reformed church at Zeeland.

Dr. Raymond Drukker of New York will speak on the topic "Whose Youth?" Peter Bal of Holland will act as toastmaster and introduce the program.

Those on ticket sales committee are, Matilda Lippings of Vriesland, Kenneth Nyhuis of Hudsonville, Winifred De Jong of Beaverdam, Harvey Brink of South Blenden, Doris Vander Molen of North Blenden, Harvey Vande Bunte of Forest Grove and Garrietta Tigelaar of Jamestown.

Peter Bol, Leonard Dekker, Muriel De Witt, Luella Nykerk, Lucille Boeve and Marvin Schaap, all of Holland, Bernard Heuvelhorst and Marvin Shoemaker of Zeeland.

Chick Queen to be Crowned at Zeeland

Michigan agriculture, famed for its various commodity queens, is going to add a queen of poultrydom this year of its beautiful array of feminine rulers.

Sponsors of the third annual Zeeland Chick and Egg show, May 5 to 8, have decided to select a queen from among the high school girls of Ottawa and Allegan counties to reign over the 1936 exposition. This will be the first time, so far as known, that the poultry industry has entered the queen picking business to promote the trade in baby chicks and eggs.

George Caball, widely-known local poultryman, has been appointed chairman of the committee on queen election and will preside as master of ceremonies at the selection of the 1936 queen in the high school auditorium about a week in advance of the show. It is planned to invite Gov. Frank Fitzgerald to officiate at the coronation.

High school girls between the ages of 16 to 18 years are eligible to enter the contest. Each high school in the two counties will be invited to nominate a queen. The queen's court will participate in the ceremonies at the show.

The advantages of selecting a chick queen to rule over Michigan poultryry were outlined to Zeeland business men and hatcherymen by James H. Cook of Grand Rapids, publicity writer for the Western Michigan Tourist and Resort association. He explained the procedure followed by the blossom and cherry festival committees at Benton Harbor and Traverse City.

The show sponsors plan to send the 1936 queen to the state baby chick show at Michigan State college late in May and she may be given opportunities for radio appearances.

G. J. VanHoven, manager of the show, estimates more than 6,000 baby chicks and 2,000 eggs will be exhibited this year. While the bulk of the chicks will come from hatcheries in this section, entries are being received from producers in other middlewestern states. Zeeland is one of the leading chick and poultry producing centers in the United States, shipping baby chicks in car lots at the peak of the season. Hatcheries now are filling their incubators to full capacity.

ZEELAND HEIGHTS WILL CANCEL INCORPORATION MOVE FOR THE PRESENT (Zeeland Record)

Unforeseen complications that have arisen in the proposed incorporation of the Zeeland "West End" as the village of Zeeland Heights has caused the proposition to be abandoned for the present. What the complications are has not been divulged, but it was thought best by the proponents to defer the move at this time.

However, it is reported that the proposal has not been completely abandoned, but will probably be taken up again in the near future. Meanwhile, the West End is exactly where it started.

Miss Lois Marillie, student nurse in the Presbyterian hospital in Chicago, spent a short vacation at her home here.

Holland Speakers at Chicago Fete

The Chicago chapter of the Hope College Alumni Association is staging its annual dinner at the South Shore View Hotel, 71st and South Shore on Friday, April 24th. Both President Wichers and Mr. Milton Hings will address the Chicago group. All former students of Hope College, whether graduated from the institution or not, are invited to this annual dinner meeting. Any readers of this paper who have attended Hope and would like to attend the Chicago dinner may do so by writing Mildred Vloedman, 12152 South Ana St., Blue Island, Ill.

Dr. Leon A. Bosch and Dr. Egbert Bell, formerly of this city, are serving respectively as president and vice-president of the Chicago Association. Mr. Bosch is a member of the faculty at Northwestern University, and Mr. Bell is a resident physician at the Presbyterian Hospital in Chicago.

SEMINARY STUDENTS VIE FOR NINE PRIZES

Students in the Western Theological seminary will be awarded several prizes donated by Rev. George N. Makely. The awards will be presented at the May commencement. Mr. Makely has made available \$5,000, the income of which will be used for the prizes. Five awards to seniors will be presented for the best sermons, both in content and delivery, and one for the best essay in systematic theology. First and second prizes in Hebrew are limited to the junior class and first and second prizes in Greek are limited to the students in the middle class. The commencement will be held May 13.

ZEELAND YOUTH TAKES BRIDE THURSDAY

Mr. Joe Boes of Zeeland and Miss Florence Zuidema of Spring Lake were united in marriage at the residence of Third Chr. Ref. Church at Zeeland, where Rev. Albert Jabaay pronounced the nuptial service. Mr. Boes is the youngest son of Mr. and Mrs. Jacob Timmer of this city, and Mrs. Boes is the daughter of Mr. and Mrs. Albert Zuidema of Spring Lake. The young couple will make their home at Plainwell where the groom is employed.

500,000 FISH DEAD IN KALAMAZOO LAKE

Suffocation of an estimated half million fish in Austin lake, south of Kalamazoo, will result in a request that the state conservation commission close the lake to fishing for several years in an effort to repopulate it. The fish apparently died under the heavy ice despite efforts to provide an oxygen supply for them by cutting channels in the frozen lake.

WORK STARTED ON SAUGATUCK ROAD JOB

Right-of-way difficulties in the re-routing of US81 have been cleared and work started. A large filling is being made over Moore's creek. A bridge also will be constructed.

POP CORN SPARES TREE FROM GIRDLING

While mice girdled thousands of fruit trees in Michigan orchards during the winter, they did virtually no damage on the farm of Walter Umor near Sparta, Mich. Popcorn was the reason.

After the popcorn in a nearby field was harvested last fall, Umor disced the stalks into the ground and the mice built their winter nests in the cornfield where they feasted on ears missed at husking time. The rodents had no reason to invade the orchard and gnaw the bark.

ZEELAND MAN GETS NEW JERSEY PULPIT

Justin Vander Kolk, prospective graduate of New Brunswick Theological seminary, has accepted a call to become pastor of the First Reformed church of Irvington, N. J. Vander Kolk was educated in New Brunswick seminary.

Big Snow Cost Ottawa \$30,000

Snow removal in Ottawa county cost approximately \$30,000, treble the previous highest figure, Carl T. Bowen, county engineer, announces. About one third is paid by the state for removal of snow on trunk lines, but the balance must be paid from county gas and weight tax receipts. Mr. Bowen said this might make it necessary to pare new construction and perform required maintenance on many highways this summer.

The average cost of snow removal is about \$3,000, Mr. Bowen said. The previous high of \$10,000 about five years ago, was thought excessive. Figures for this year do not include depreciation of equipment, and in many cases do not include rentals.

Mr. Bowen complimented the road commission personnel for its work against the drifts. No equipment will have to be junked, he said.

Purchase of additional equipment is not contemplated as the past winter's snowfall is a record of at least 80 years here. During some previous winters, snow removal cost has been negligible. Mr. Bowen said, pointing out that expensive equipment for combating conditions encountered this year, might depreciate through rust before use.

WPA APPROVES GD. HAVEN POWER PLANT PROJECT

The Grand Haven board of public works has been notified by Congressman Carl E. Mapes that WPA authorities at Washington, D. C., have approved a \$25,000 project for an addition to the local light and power plant. Final approval of the project now lies with H. L. Pierson, state WPA administrator.

The proposed addition would link the new Diesel plant and the old steam plant, and make room for an additional Diesel engine and another large generator.

OVERBEL REPORTS 5% ON DELINQUENT TAX LIST

Although tax payments throughout the County for 1935 were considerably less than those of 1934 the townships of Overisel and Otsego reported a decrease in delinquency.

Overisel reported the least delinquency in payments with 5 per cent for 1935 in comparison to an 8 and one-half per cent delinquent list for 1934. Otsego was rated second in the township reports, returning only 10 per cent delinquent. Henry Lampen is the treasurer of Overisel township and the Otsego township treasurer is Mrs. Grace Lovett. Overisel tax payers were always good pay to the treasurer officers. Two facts stand out — good land and good farmers.

TO QUESTION BENTZ ON GRAND HAVEN BANK JOB

Chief of Police Lawrence DeWitt of G. Haven and Sgt. Philip Hudson of the Mich. State police are in Atlanta, Ga., where they plan to question Edward Bentz concerning the Peoples Saving Bank robbery at Grand Haven in August, 1935.

Bentz, convicted in Vermont on a charge of holding up a federal bank, was sent to the federal prison. He was arrested in Brooklyn by federal agents. At that time, Ottawa County officials hoped to have him extradited to face the charge of being a member of the gang that robbed the Peoples bank.

Edward Bentz, who is reported similar in appearance to a brother, Theodore, now in Marquette following conviction a year ago, may be able to clear his brother of the charge. Theodore Bentz pleaded not guilty to the robbery and said he obtained express checks taken from the bank and found on him, from his brother, Harris at the time of the Grand Haven bank robbery and who was shot and sent up for life by Judge Miles.

RUBBER BOOTS AND SHOVELS NOW UNNECESSARY

Drain projects over Ottawa county will be discontinued April 21, according to orders received today by Fred Van Wieren, county drain commissioner, from R. J. Mason, regional director of WPA at Muskegon.

There are about 140 men employed on 100 projects over the county. The farmers were depending on the WPA workers to clear out the drains this spring. A petition has been sent to the director protesting the discontinuance of the drain projects.

Mr. Van Wieren said that while he had had no notification from headquarters, he believed the men would be employed on other jobs in the county.

George Graham, chief of drains in the state, has sent a communication to the county commissioners asking that all county drains be listed and classified for submission to the board of supervisors for their approval. This will be done at the next meeting April 14. The list must then be sent to the state planning commission, according to the instructions, for its approval.

The board of supervisors in the county gave its approval to the work now being done, last fall and voted \$1,000 to purchase the necessary equipment, which included rubber boots and shovels.

Miss Gertrude Sprietama and Miss Clara McClellan spent their spring vacation in Chicago and Whiting where they were guests of Miss Mildred McGill and Mrs. John Fuller nee Dorothy Bonds, who were former teachers in Holland Public schools.

Miss Martha Allen, member of the staff of the Ottawa County Health Unit, left for Ann Arbor where she is taking a four months' course in public health work. During her absence Miss Donald Fipke, formerly Miss Marion Dade, and Ottawa county nurse, will be in charge of this position.

Stations For Aid Planned On Highways

RED CROSS PLANS FIRST AID STATIONS ON ROADS OF OTTAWA COUNTY

Establishment of road side first aid stations in Ottawa county is being considered by the county Red Cross chapter. Preliminary plans were discussed at a meeting of the board of directors Monday at the Holland City State Bank, board rooms.

According to the plan, which was first introduced by a Pennsylvania Red Cross chapter, attendants at service stations located on highways of the county would be given a course in first aid and furnished with a first aid kit. They would then be prepared to render emergency first aid to motorists injured in accidents, it was said.

M. F. Russell, Ottawa county Boy Scout executive, was named chairman of a committee to formulate plans. Assisting him are Homer Fisher of Grand Haven, Fred Boma of Zeeland and Dr. A. E. Stickle of Cooperville.

Otto Kramer, treasurer of Ottawa County Red Cross chapter, reported that the flood relief donations have mounted to \$477.44 with Zeeland and two banks of Holland yet to report.

Although the county quota of \$316 was over-subscribed, chapters are urged to further over-subscribe as the need is far greater than was first anticipated, Mr. Kramer said.

Clothing collected by the Holland Junior Red Cross under the direction of Mrs. Harry White is being shipped directly to relief headquarters in Pittsburgh. A large contribution of clothes was also gathered by the Camp Fire Girls of Saugatuck. The consignment, which is largely wash dresses and children's clothes, is to be shipped via Pere Marquette railway without charge.

The committee also appointed Mrs. White and Mrs. Holmes of Spring Lake as county delegates to the national Red Cross convention in Chicago next month.

DR. TEN HAVE ADDED TO COMMITTEE TO PREPARE FOR ROADSIDE FIRST AID

Dr. Ralph Ten Have, head of the Ottawa County Health unit, has been added to a committee from the Ottawa County Red Cross organization to make plans to establish roadside first aid stations. It is a project being considered for emergency aid to motorists injured in accidents.

The entire committee investigating the plan includes Dr. Ten Have, M. F. Russell, Holland; Dr. A. E. Stickle, Cooperville; Fred Boma, Zeeland and Homer Fisher of this city.

"BEHOLD HE LIVETH" TO BE SUNG AT CHURCHES SUNDAY

The Easter Cantata, "Behold He Liveth" by Herman vonBerge, will be sung by a combined chorus of the Western Methodist Church and the Gibson Union Church, next Sunday afternoon and evening, under the direction of Mrs. C. W. Meredith. The Cantata portrays the events of Jesus' triumphant entry into the city of Jerusalem until the wondrous tidings of His Resurrection. Biblical scenes are envisioned such as the bitter agony of Peter after the betrayal, and the gleeful assurance of the two to whom Jesus appeared on the road to Emmaus. Special numbers will be sung by members of the choruses and all the readings of the gospels which interpret the meaning of the numbers will be given by Miss May Beulah. A cordial welcome is extended to all who can attend. The Cantata will be sung at the Gibson church at 2:30, Sunday afternoon, and at 7:30 at the Wesleyan Methodist Church.

55 Winter Birds Found in State

Fifty-five different species of birds were recorded by persons who conducted feeding stations in 47 counties in Michigan during the winter, the Michigan Audubon Society reports. In spite of blizzard and prolonged sub-zero weather, robins were recorded in nine counties, song sparrows in eight, meadow larks in three, mourning doves in four. All of these records were in the southern counties of the State.

The cardinal, which 20 years ago was considered an unusual bird in the State, now seems quite at home in Michigan. It was reported by 170 persons residing in 34 counties. A pair of hairy eagles was seen regularly by one feeding station operator in Monroe County. They were not molesting other birds, red-winged blackbird remained near one station for a short time while reports of woodcock and ruffed grouse were also received from competent bird students. Miss Hester Fuller, of Greenville, holds the long-time record for continuous winter feeding—exactly 50 years.

Most common in the reports of the bird feeders were such birds as the chickadee, white-breasted nuthatch, cedar waxwing and bluejay. Among the more rare birds were the evening grosbeak, pine grosbeak, horned lark, red-breasted nuthatch, purple finch, pine siskin, Arctic three-toed woodpecker, Bohemian waxwing, white-throated sparrow and great northern diver.

Improvements to the extent of \$10,000 are being made to the Drenthe church. A full basement has been planned to give more room for Sunday school.

POULTRY PROFIT HINGES ON CARE, SAYS OTTAWA FARM AGENT

Poultry flocks in the state maintained either for commercial production of eggs or to supply the household pay profits or require "board bills" according to feeding methods and ability to lay. Proof of the importance of feed and breeding is found in 1935 cost of production records of 76 flocks by K. T. Wright and A. L. Leonard, farm management department, Michigan State College.

Costs ranged from \$2.05 to \$3.02 per hen for a year. Those poultrymen who fed a better balanced ration and had better breeding in their flocks, obtained greater production at a cost per dozen eggs of 17 cents as compared to low production for other poultrymen which forced costs up to 22 cents per dozen.

In Ottawa county, according to County Agricultural Agent L. R. Arnold, poultry adds much to cash income (or) and to the food supply for farm homes. Use of lights to stimulate feed consumption and get greater production per hen has value, according to Wright and Leonard. Fifty of the 76 farms in the survey used lights and made an average of 12 cents more profit per hen than those not using lights. Hens laid 11 more eggs each yet light costs were but 1.4 cents per hen. Flocks averaging 112 eggs per hen showed a net profit of 41 cents per hen, compared to flocks producing 214 eggs per hen with a net profit of \$1.40 per hen for a year. The most efficient producers used 4.6 pounds of mash and scratch feed per dozen eggs, while the least efficient used 7.7 pounds, making the feed cost five cents a dozen higher. In addition to having more efficient layers, the more successful poultrymen seemed to prefer light breeds, kept fowl yarded, fed liquid milk, wet mash, green feeds and followed better practices.

Copies of "1935 Poultry Costs" can be obtained by writing to the Farm Management Department, Michigan State College, East Lansing.

What is Left of the Grand Haven Ferry School

These are pictures of the ruins of the Ferry School of Grand Haven, which recently burned. The fire damage which was \$80,000, is fully covered, \$117,000 on the entire building and \$10,000 on the equipment according to Superintendent Babcock.

The origin of the fire is unknown. The fire started in the lower hall opposite the boiler room and made rapid progress and within a short time the fire was already in the roof. Despite the valient work of the Grand Haven fire department, the building was practically destroyed. Smoke and water also did damage. The gymnasium of the building is the only part which seems to have been left untouched by the flames.

ZUTPHEN

Mr. and Mrs. Tom Ver Hage were most pleasantly surprised when their relatives helped them celebrate their twenty-fifth wedding anniversary on Wednesday evening. The following program was given: Psalm 121 was read by Miss Loeke Myra and sister Mr. and Mrs. James De Jonge of Minnesota. Mr. Frank Waldo offered a word of prayer. Hymns were sung by the entire group, Miss Dorothy Waldo sang a solo. A budget was given by Lambert Myaard and Marvin Zwiers. A letter was read sent by their brother and sister, Mr. and Mrs. Andrew Popovich of Chicago. Charles Waldo read a story. Instrumental music was furnished by Mr. and Mrs. Simon Huijenga. Miss Gertrine Loeks and Mr. Martin Ver Hage. Those present were Mr. and Mrs. Frank Waldo, Charles, Clara and Dorothy and Mr. and Mrs. Simon Huijenga of Zeeland. Mr. and Mrs. Lambert Myaard, Grada, Vernon and Harvey of Hudsonville. Mr. and Mrs. Joe Zwiers, Hilda, Beatrice, Merritt, Marvin and Harrie. Mr. and Mrs. Tom Ver Hage, Mildred, Theodore, Donald, Laverne, Martin and Harvey and Misses Tena Van Ess and Gerrietta Loeks. A delicious lunch was served. Mr. and Mrs. Ver Hage were the recipient of a beautiful gift. Nick Meyer is confined to his home with pneumonia.

Mr. and Mrs. John Velthuis and daughter, who have been making their home with Mr. and Mrs. Henry Velthuis during the winter months, have moved to the second floor rooms of the Schaap residence on the old Holland road, where Mr. Velthuis is employed.

Mr. and Mrs. Ed Nederveld attended the funeral services of their grandfather, son of Mr. and Mrs. Marin Nederveld on Saturday afternoon at Grandville.

THE SUNDAY SCHOOL
April 12, 1936
Jesus Triumphs Over Death—Luke 24:1-12
HENRY GEERLINGS

They crucified Jesus on a cruel cross. Ignorance and hatred and misguided zeal nailed him to the instrument of torture. He knew it was going to happen. He foretold his death. He knew the price he must pay for the course of life he pursued. Suffering and salvation go together. One must die that others may live. The cross was not an accident. It was a necessity. It is true in this world that truth and life triumph through suffering and death. So it was true that Jesus saved others, but he could not save himself. It is not true that the cross was his fate, but it is true

that it was an inevitable part of his great plan of larger life. The cross signifies not fatalistic view of philosophy of life, but it does justify the fact that the innocent must suffer if the guilty must not, that the greatest blessings that earth has are tear-stained and blood-sprinkled.

Now it is to be observed that Jesus was really dead when his friends took him down from the cross and placed his body in a new tomb. His friends were sure of that. His enemies did everything they could to make sure the reality of his death. We therefore face his resurrection on the third day as a reality, just as real as was his death. Then and often since the effort has been made to discredit the fact of his resurrection. The Jewish leaders paid the soldiers to circulate the story that his disciples came and stole the body while the guards were sleeping. That such a theft happened is about as likely as that a tourist could steal the Rock of Gibraltar.

Since the resurrection day men have accounted by ingenious theories for the empty tomb, but they have never carried compelling evidence that Jesus did not arise from the dead and that many people do not believe that Jesus came forth from the tomb, but they arrive at their conclusion, it does seem, without giving the serious consideration that the testimony to this fact requires. It must be admitted that the evidence for the resurrection dare not be thrown lightly aside. The account itself is told in a simple way as any other true happening would be described. There is no assumption that the reader will be sceptical and therefore special persuasion must be resorted to in the telling of the story. The facts in connection with the empty tomb are told as we ourselves might describe the surroundings of an event in which we are very much interested. The testimony to the fact of the resurrection were reliable people. They were accustomed to tell the truth. There can be no conceivable reason for their invention of the resurrection story. They themselves believed in the stern and devastating fact of his death and they had no thought of his resurrection. Therefore it came to them as a joyful and thrilling surprise. They themselves had to be persuaded when they saw and talked with their Lord. They did not dream that they saw him. They actually saw him. Nothing could be more certain in all the world than this. Therefore they bore witness to this joyful and triumphant fact. And if we have no prejudices blocking the doorway of our minds they are open for the entrance of this testimony of the reliable witnesses.

The fact of the resurrection had a wonderful effect upon these witnesses. It lifted them out of their depression and utter disappointment to the heights of joy and a new outlook upon life and to a new appraisal of Jesus. They now believed that he was all he claimed to be and that he could make good in the world, as we have a fashion of saying. And these witnesses of this remarkable happening were willing to stake all in the fact of the resurrection. In the face of danger, persecution and death they made known the truth that Jesus had come back from the tomb. This they did because they believed it in their deepest hearts and they were determined that so joyful and so great a truth the world must know. The telling of the resurrection story was an altogether unselfish act. There were no ulterior motives in the preaching of it. From the worldly point of view there was everything to lose by proclaiming the fact of the resurrection. Thus silence would have been golden and would have spelled safety. But what a tragedy for the world would that silence have been. All generations of men since the days of the witnessing of these witnesses owe them an everlasting debt of gratitude, not for golden silence but for golden speech. They told the story of the empty tomb and a new hope began to be in the heart of the world. Life began to have a new significance and purpose. It stretched out beyond the shadow of our earth days into the shining light of the eternal world.

COMMON COUNCIL
Holland, Mich., April 1, 1936.
The Common Council met in regular session and was called to order by the Mayor.

Present: Mayor Bosch, Aldermen Prins, Vande Lune, Drinkwater, Kalkman, Van Zoeren, De Boek, Steffens, Damson, Huyser, Berman, Van Lente, and the Clerk.

Devotions by Alderman De Cook. Minutes read and approved. Petitions and Accounts Clerk presented several applications for building permits. Granted, subject to approval of City Engineer and Fire Chief.

Clerk presented report of boiler inspection at Holland Hospital. Inspector recommends that the trap on drain line from oil separator on pump be checked. Report suggests that a different style trap might be necessary for this type of installation.

Referred to Public Buildings Committee.

Clerk presented several Oaths of Office.

Clerk presented Oaths of Office and Bonds of Wm. Woldring, Fred Galien, and Chas. Dylstra, constables.

Bonds approved and Oaths accepted and filed.

Clerk presented bond of Herman Prins as Deputy City Treasurer to collect Delinquent taxes.

Approved.

Clerk presented the following applications for approval to sell Beer: Ray, J. Nykamp, Harold Stull, Bernard Kiefer, Wm. Koop, Catherine Serrano, Lee DeFeyer.

Approved with the exception of the application of Lee DeFeyer which was referred to License Committee, this being a new application.

Clerk presented petitions signed by approximately 220 citizens protesting against the recently enacted Dog Ordinance. Mayor Bosch stated that he also had received protests from citizens in regard to the Ordinance as it was drawn up. Mayor stated that he felt that certain provisions which are covered by the State Law should be omitted in the Ordinance since it was these particular provisions that antagonize dog owners. City Attorney, however, explained that it is quite a common practice for cities to have ordinances with provisions identical with the State law so that arrests can be made under the City Ordinance rather than through the slower process

of the County. The Mayor further stated that due to these provisions, he did not see it to sign the Ordinance, nor would he veto it, but suggested that the Council reconsider its action and draw up a new Ordinance leaving out these objectionable features.

There was considerable discussion among the Aldermen, and, Seconded by Damson, It was moved to reconsider their previous action.

This motion prevailed.

It was then moved by Alderman Steffens, Seconded by Damson, That the matter be referred back to the Ordinance Committee for a revision of the Ordinance.

Adopted.

Reports of Standing Committees.

Street Committee reported recommending the purchase of a new truck as provided for in the Appropriation Bill. Committee reported that there is a considerable amount of work that can be done with the truck during the summer months and felt that it would be advisable to purchase a truck now rather than wait until later on.

Committee further reported having received bids on various trucks and recommended the purchase of a Studebaker similar to the one purchased a year ago which has proven very satisfactory, the price being the same as last year, viz. \$2500.00.

Adopted unanimously.

Claims and Accounts Committee reported having examined claims in the amount of \$2563.84, and recommended payment thereof.

Allowed.

Alderman Bultman reported on behalf of the Sewer Committee relative to complaints that have come to him in regard to certain homes on 7th St. between River and Pine Avenues which are not connected with the sanitary sewer, but instead their sewers empty into the surface or storm sewer.

Upon recommendation of City Engineer, it was moved by Alderman Bultman, That the matter be referred to the Board of Public Works for investigation and recommendation.

Sewer Committee further reported that there are homes on E. 7th St. just west of Fairbanks Avenue where sewers are not available. Matter referred to Board of Public Works for recommendation.

Alderman Kalkman reported that the fence along the Tannery property on Maple Avenue between 8th and 9th Sts. is in bad condition and should be fixed.

Referred to City Engineer.

Alderman Bultman reported having received several complaints about residents dumping their ashes along the streets and vacant lots instead of taking them to the dump.

Referred to the City Inspector with the recommendation that publicity be given through the papers to warn residents about this practice or prosecution will follow.

Reports of Special Committees.

The special committee to whom was referred the complaint of Egbert Beekman for damages to his home on North River Avenue, reported having made an investigation and recommended that the City pay Mr. Beekman \$250.00 damages. There was quite some discussion by the Aldermen in regard to this matter. It was the feeling of some that it would be a dangerous practice to pay Mr. Beekman damages since the other property owners in this locality would also expect damages if a payment were made to Mr. Beekman. After quite a discussion, however, and

On motion of Alderman Steffens, Seconded by Drinkwater, Recommendation was adopted by a vote of 6 to 5.

Clerk reported that there was a vacancy in the Board of Police and Fire Commission due to the recent death of Mr. John P. Luideins, and On motion of Alderman Van Lente,

Resolved, that the Council proceed to fill this vacancy by ballot. Adopted.

On the first ballot, Andrew Hyma having a majority of all votes cast, was declared ELECTED.

Mr. Ray Johnson, from Grand Haven, Pres. of the Ottawa County Workers Association, addressed the Council on behalf of their organization.

Mr. Johnson stated that the Ottawa County W.P.A. are making an effort to secure a higher wage rate in Ottawa County. Mr. Johnson reported that the rate in Ottawa County is \$48.00 per month, in Muskegon—\$57.00 per month, and in Kent County—\$60.00 per month, and it was the contention of the Ottawa County workers that living conditions are just as high in Ottawa County as in the adjoining counties mentioned and that they should receive a higher rate of pay to compare with the adjoining counties.

Mr. Johnson also read forms of resolutions that had been passed by the Council in Grand Haven, and also by the Board of Supervisors, and requested the Common Council to pass a similar resolution.

In this connection, Mr. Johnson stated that some contended that living costs in Ottawa County were as high if not higher than in adjoining counties. Mr. Johnson therefore, contended that that being the case, they should receive a higher rate of pay to compare with adjoining counties.

Mr. Johnson was specific in his comparative statement of costs.

Mayor Bosch in defense of Ottawa County and W.P.A., stated that he doubted that living costs in this vicinity were boosted. He said he had never seen any indication of that and for that reason advised the council to take no definite action relative to the statement made by the speaker.

Mr. Johnson also contended that it was the desire of the men in the head offices at Detroit to have statements from the governing bodies to justify an investigation. Mayor Bosch stated that if it were true that these men desire such a thing, he felt that the Council should give it to them and suggested that the Clerk address a communication to Mr. Pierson, an office in Detroit to ascertain their wishes in the matter.

Clerk instructed to write to the Detroit Office for information in regard to the statements and requests made by Mr. Johnson on behalf of the W.P.A. workers. Communications from Boards and City Officers.

The claims approved by the Hospital Board in the sum of \$3464.81; Library Board—\$224.20; Park and Cemetery Board—\$687.09; Police and Fire Board—\$963.82; Board of Public Works—\$24,244.98, were ordered certified to the Council for payment.

(Said claims on file in Clerk's office for public inspection.)

Allowed.

Board of Public Works reported

collection of \$18,202.07; City Treasurer, \$38,772.29.

Clerk reported coupons due in amount of \$170.

City Inspector Tony Doseman presented communication to the Council stating that during the last few weeks he had inspected, together with the State Inspector, every market, grocery and restaurant in the City and found most of these places in very good condition. He also reported having made an inspection of the different slaughter houses and found their condition very satisfactory. It was further reported that the inspection of milk samples taken on March 19th showed a very good report.

Adopted.

Oscar Peterson, City Clerk.

Expires April 18

"To Promote the General Welfare"

The Constitution of the United States went into effect in March, 1789. We feel that the month of its anniversary is an appropriate time for this and other banks of America to reaffirm their public obligation: to provide the people of each community with the banking facilities by which they may promote the general financial welfare. We work in co-operation with thousands of other banks, in thousands of other communities, to give America as a whole this service in unified and readily available form.

THE RIGHT TIME TO BUY A HOME

Whenever the country emerges from a depression, we first see a rise in the price of listed stocks, such as has already taken place; bonds follow, and commodity prices in turn begin to reach higher levels. But real estate is never so quick to spurt.

There are still many opportunities for you to turn this well-known fact to your advantage. If you are in the market for a home, buy now before prices go up, as previous experience indicates they are sure to do before long. This is a timely suggestion. Wise "early birds" can profit by it.

We believe that the more people who own homes, the more prosperous this community will be. We wish to do our part in encouraging home buying.

PLANNING YOUR PLANTING—A RED CABBAGE BORDER

by Mrs. Francis King—courtesy Montgomery Ward

This is the first of a series of articles written for the (name of newspaper) by Mrs. Francis King, noted horticultural authority and advisor to Montgomery Ward on the subject of gardening.

Until you have grown them so, it is impossible to imagine how beautiful flowers and vegetables are together, and what a saving of space and of work such a companionship means. Why make a vegetable garden a thing apart, as though a rose were disgraced by the presence of a carrot, when flowers and vegetables may become the most fascinating of garden pictures.

With this in mind we present one of the simplest of such combinations, the plan of the Red Cabbage Border. What an absurdity, you say. But if you had seen this border itself as it grew and flourished in a certain northern garden in the summer of 1934, you would have exclaimed over its beauty, its unusual color and form, exclaimed too over the experience of turning into this short walk and coming upon a complete surprise in planting and effect.

simple border. Anyone can create it. The French cabbage seed, giving an enchanting blue-green head, is to be had from Montgomery Ward, which is the only firm supplying this in the United States, having purchased a quantity of it from Paris.

The cabbage plants must be raised early and transplanted as a slightly foreign touch, and its color lasts far beyond the first frost.

Out in California there is a 4,300-acre orchard which sometimes is in danger of frost at blossoming time. Tired of using smudges the owner erected a big machine with propeller like an airplane. With it he gets air into circulation, making quite a breeze; and wherever there is a breeze there is no frost. Smudging cost \$22 per acre for twelve hours but operation of the machine costs forty cents per hour and it will serve thirty acres.

ALLEGAN COUNTY NEWS

The Allegan county Republican rally scheduled for April 14 will be held in the Federated church instead of in Griswold building as previously announced. The change was made necessary because of repairs being made on the gymnasium floor. Because of the smaller capacity of the church, tickets to the banquet will be limited to 275. Several state officials, including Governor Fitzgerald, who will give the address of the evening, have indicated that they will be present. The change in buildings does not apply to the county convention which is called for 3 p. m. of that day in Griswold auditorium.

The local office of the Rural Re-Settlement administration under direction of A. J. Davidmeyer, announces a total of fifty-one loans totaling \$26,000 made to low-income farm families since the first of the year. This amount has been expended as follows: \$8,300 for horses, \$3,500 for feed, \$2,000 for fertilizer, \$800 for seed, \$3,700 for farm machinery, and the remainder for miscellaneous items such as building repair, fencing, etc. It is emphasized by Davidmeyer that once a family has been granted a loan members are no longer eligible for help through the ERA. Any food and subsistence which may be necessary for support of the family is estimated in advance and secured by mortgages on crops and livestock. In this manner assistance may be given a family until such time as their crops mature and enable them to repay such advances when money is available through sale of their crops.

Mrs. Hartger Winter was in Kalamazoo, Saturday, representing Mr. E. C. Reid at the meeting of the Republican Newspaper League of Michigan. In the evening she was present at the third congressional district Republican banquet when ex-Governor Brucker and Claris Adams, president of the League of Michigan Republican clubs, were speakers.—Allegan Gazette

The stork is ahead of the undertaker in Allegan so far in 1936. County Clerk Warner's reports show ninety-eight births in January and February to eighty-five deaths. Warner also reports that since 1936 license plates were put on sale in October, 1935, he had issued licenses for 491 new cars sold in Allegan county. Of this number 147 were issued in March.

The U. S. coast guard cutter Escanaba returned with the large gas buoy that had been reported adrift on the lake by one of the Grand Haven fishing tugs. The cutter left early in the day and was cruised in a circular course until the buoy was located about 12 miles off the Saugatuck piers. The gas signal was turned over to members of the Grand Haven light-house who will examine the buoy to determine whether it is the property of a construction company who reported the loss of a buoy off Chicago last fall, or the property of the U. S. light-house service. A similar light was lost by the government service a number of years ago and it is possible that this is the same one.

NEWS FROM THE FARMS OF OTTAWA COUNTY

By Mr. Arnold, Agricultural Agent

Meetings on the new conservation soils program were held in all sections of the county March 30, 31, and April 1. The temporary committee report attendance good in some sections while in others only a few farmers were present. Farmers were much interested in the new program and many felt that this program would prove much more satisfactory than the control programs recently declared invalid.

Community committees were elected in 15 districts consisting of three members. The chairman will become director of the organization. The following were elected in the various districts. Jamestown, Abe. DeKeleine. Zeeland, M. Van Zoeren; Holland-Park Frank Wagenveld; Olive and Port Sheldon, Abe. Anya; Robinson and Grand Haven, Richard Berg; Alledale, Eugene Ten Brink; Georgetown, Chas. Lowing; Tallmadge, Henry Harmsen; Polkton, Glen Taylor; Spring Lake-Crookery, D. H. S. Kymer; Chester, C. L. McNitt; Wright, Lyman Brown and Blendon, Peter Dye.

All committees will spend one or two days in conference in studying the program. The next step will be farm visits at which time the 1935 crop history will be obtained. Mr. Arnold, agricultural agent, states that farmers can assist greatly by writing down the names of crops and acreages taken up by each crop for 1935, the base year. Waste land, idle land, land occupied by buildings, lanes, etc. should be listed. Such will not be figured in the base only such land as can be cropped and such acres as have been plowed since 1930. The farm history must account for each acre.

Two types of payments are listed in the new program. The first is the soil conserving payment which is based upon the acreage changed from depleting acres in 1935 to conserving acres in 1936. Hayland falls in the conserving class. The base in the new program consists of depleting acres in 1935. For example if the farm shows 50 acres in depleting crops in 1935 a payment of \$10.00 per acre more or less will be paid for each acre less than the 50 acres down in depleting acres in 1936. A limit of 15% of the 1935 depleting acres is placed in this group. Thus if the crop history shows only 42% acres in depleting crops in 1935 the owner will receive payment on the 7% acres turned away from depleting crops to conserving crops. Payment cannot be made for more than 7% acres. The second payment is a soil building one which may reach \$2.00 per acre for those acres devoted to soil building crops.

Mr. Arnold states that new rulings in regard to orchards and beet acreages are expected soon. He feels that more information in regard to the program will be asked by farmers. A second series of meetings will be set to cover all parts of the county. The agent strongly urges farmers to determine at once the 1935 crop history of the farm to that a determination as to the amount of payment can be made with little or no change in farm practices. Every farmer should obtain information so that he can study his own case.

A warning was recently issued by the entomology department to the agr'l agent pertaining to new plants. Many new plants are seriously injured by insects and pests which are present at transplanting or which attack them as soon as they are set in the ground, such as tomato, cabbage and strawberry plants. Dipping them before they are set in a 4-16-100 Bordeaux with 3 lbs. of lead arsenate in each 100 gallon of solution is an easy way of preventing many troubles. Set out plants immediately after dipping. Bordeaux should not be put in a metal container. In many cases only a small amount of the solution will be necessary. Instructions for mixing 3 gallons of the 4-6-100 solution are as follows: Dissolve 2 ounces copper sulphate in one gallon of water; mix 3 ounces hydrated lime in 1 gallon water; mixing 1 1/2 ounces arsenate of lead with 1 gallon water. Pouring the copper sulphate solution and lime mixture together, adding the lead arsenate solution to the Bordeaux and stirring.

Three Gibson residents have enrolled in the Bible course at the Saugatuck M. E. church.

Miss Ruth Boyce of Gibson has returned from a 12 weeks' stay at the Kellogg Health camp.

Miss Beatrice Van Dine and family have returned from a visit with relatives in Flint.

Mrs. Otto Wilner has returned from a visit with relatives in Chicago.

The annual election of the Gibson Young People's society was held Sunday night at the church.

SUNDAY DINNER

Suggestions

By ANN PAGE

LOOKING forward to Easter we find some plentiful and cheap, that hams and turkeys are to be featured, that asparagus and artichokes, strawberries, pineapple and orange are available for the feast.

For the previous days of fasting there will be ample supplies of fresh fish. In general beef and pork are somewhat cheaper, lamb a little higher and veal definitely expensive. Best values in vegetables can be found in beets, cabbage, carrots, lettuce and spinach. Beans, broccoli, cucumbers, peas and tomatoes are fairly high. Grapefruit and bananas represent the best fruit values.

Here are three Easter dinner menus at different budget levels.
