Another Dog Catcher Takes Place Of Kole

ALLEY TO BE VACATED FAVORING NEW INDUSTRY. SPECIAL COUNCIL MEETING ALSO TAKES UP SKATING AND USED CAR ORDINANCE

Mayor Geerlings called a special council meeting Monday to take up that vexing dog warden question and to find a suitable "slaughter house" for unclaimed dogs. Not only did they find such a place but they also found a new "dog catcher" who would comply with all the requirements and one living beyond the city limits.

The matter of closing an alley for the convenience of a new manufacturing plant in Holland was, too, one of the business projects taken up and passed. Assignment of certain streets for roller skating under police regulation was a matter considered and a used car ordinance will be in the hands of the Ordinance Committee and City Attorney, Elbert Parsons, soon.

The official council giving these transactions in full as compiled by City Clerk Oscar Peterson, is found below:

COMMON COUNCIL

(Official)

Holland, Mich., April 12, 1937. The Common Council met in special session pursuant to call by the Mayor. The meeting was held in the Council Chambers at 8 P. M. Present: Mayor Geerlings, Aldermen Van de Lunde, Drinkwater, Kalkman, Oudemool, De Cock, Stevens, Damson, Bultman, Vorelsang, Smith, and the Clerk.

Mayor Geerlings stated that the meeting had been called at the request of Ald. DeCock who is chairman of the special committee appointed to look into the matter of securing a new dog pound, and called upon Mr. DeCock to make a report. Alderman DeCock stated that their committee felt it quite necessary for a poundmaster to live outside the city where impounded dogs would not annoy people in the neighborhood. He further stated that they had contacted the present poundmaster, Mr. Jacob Kole, and since he is living in the city and has no place outside the city to keep dogs, he was no longer interested in acting as poundmaster.

Alderman DeCock further reported that their committee had contacted Mr. Chas. Van Dyke who lives about a block outside the city limits near Fairbanks Ave. and 13th St., where there are no other residences in the immediate vicinity. Mr. DeCock further stated that Mr. Van Dyke is agreeable to acting as poundmaster on the basis of being paid according to the number of dogs impounded. The rate agreed upon is \$2.00 per dog. This \$2.00 would be the complete fee for picking up the dog and either destroying it or turning it back to the owner, as the case might be. Fees collected by the poundmaster from the owners when dogs are redeemed, or in case dogs are sold by the poundmaster, are to be turned in to the City Treasurer, as provided for by Ordinance.

After a few questions and a brief discussion.

It was moved by Alderman DeCock, seconded by Kalkman, that the job be given to Mr. Van Dyke in accordance with the above agreement.

Adopted unanimously.

Mr. DeCock further reported recommending that Jacob Kole, who worked for three weeks as poundmaster, be paid his usual salary for the time he put in.

Adopted.

Chief Oscar Peterson presented a communication from the Cramp-ton Mfg. Co. relative to their recent request to have the alley in the rear of their premises vacated, being the owners of Lots 8, 9, 17, and 18, Bay View Add. The communication states that they have purchased a strip of ground just east of their present building on 12th St. and will deed a strip of this land to the City that can be used for an outlet to the alley in place of the alley that they are requesting to be vacated.

It was the recommendation of the Street Committee that this alley be vacated and the usual vacating notice be given.

Adopted unanimously, and date of hearing set for May 19, 1937.

Alderman George Damson reported that the Playground Commission has received requests to set aside certain streets for roller skating.

Referred to the Police Department to follow the usual procedure in setting aside certain streets and furnish them the necessary police protection during skating hours.

City Attorney Elbert Parsons on behalf of the Ordinance Committee reported that they will introduce at a later meeting an ordinance relative to the business of dealing in used cars.

Adjourned.

Oscar Peterson, City Clerk.

WILDCAT OIL WELL
FLOWS NEAR HOLLAND

The second producer in the wildcat oil well area 12 miles south-east of Holland was drilled in Wednesday with an estimated flow of 150 barrels a day. The well, the Holthrop-Sawyer No. 1, was drilled by the Muskegon Development Co.

Maj. Hugh Adair of the United States army, who reviewed Company D. Holland's National Guard unit, Monday evening, stated that the entire company, equipment, drill and building was very satisfactory.

AT LEAST ONE RESPITE IN CAR MARKING

Yesterday a vast majority of the merchants of all types of business in Holland closed their places of business at noon to get some respite from daily toil and which will be in vogue every Wednesday afternoon until further notice.

It was rather a dull day down town yesterday and those who came with their automobiles did not have to fear the old veteran, Dave O'Connor. Dave didn't have his blue pencil out, for he says, "What's the use, there is plenty of room and most of the stores are closed anyway." Undoubtedly the Police Department will not have a marking program for over-parked cars on Wednesday afternoons.

Relative to the closing the News gave full particulars in last week's issue.

THREE HISTORIC STORIES

On this page there appears three historic stories that are of interest. This appears to be enough history for one week and we therefore hold over until next week the very interesting "Fifty, Twenty-five and Fifteen Years Ago" feature. Look for it as usual in the next issue.

ZEELAND HOSPITAL LOSES FIVE EMPLOYEES

Rather a collective bunch of resignations were sent in to Zeeland hospital authorities when five of the seven employees and nurses quit at one time. Three of the five were from the Hendricks family, including a nurse, a laundress and a janitor.

With the opening of the new year Miss Sena Beltman was made Superintendent of the hospital. She is a nurse from Holland and held a Supervisory position at Holland hospital. Hospital authorities state she has filled the Zeeland position very satisfactorily and it is understood that enough nurses have been hired to fill the rank, including Miss Agnes Zoverink from Holland and a janitor by the name of Mr. Klinder, Martin C. Ver Hagen, when called by telephone, made no comment further than to say that the situation at the hospital was well in hand.

Ottawa County Wants To Pay Its Dental Bill

SUPERVISORS INDICATE WILLINGNESS TO BEAUTIFY COURT HOUSE SQUARE

Funds were requested from the board of supervisors this week with which to improve the section of the court house grounds recently occupied by the old Grand Haven city hall, by Philip Rosbach, chairman of the buildings and grounds committee.

Mr. Rosbach stated that a part of the section would be used to enlarge the parking space near the building, to leave about two thirds of the plot for landscaping. He said there was need for black dirt, sod and planting to make the section at Washington and Fifth streets of the city to conform to the balance of the grounds.

Investigation of WPA funds allocated to the project of the old city hall will be made by the board indicated they would allow sufficient funds to beautify the section this spring.

Due to an oversight in preparing the budget last year the sum of \$500, for payment of a nurse at the Ottawa county dental clinic was omitted and the board took action to take the amount from the contingent fund. The City of Holland, where the clinic is located, a good share of the year, was pointed out by the board.

Peter Damstra of Holland, former member of the board, on the progress of reforestation and conservation in this county. He outlined the need for an educational program and stated that a series of quarterly meetings would be held in various cities where pictures would be shown and those attending could become acquainted with the great need for combat against sandblows and reforestation in this county.

Leo R. Arnold, county agent, explained the bill before the state legislature, which was outlined largely through the efforts of the Ottawa county conservation committee whereby a sufficient number of land operators could be commanded that cover crops be planted where there was need to hold sandblows. He stated the bill would cover especially counties in Western Michigan.

He pointed to farms in this locality that were being ruined because of sand blows on surrounding properties over which the operator had no control.

Mr. Damstra pointed to the seed beds, one in Georgetown township, where 1,500,000 seedlings were being propagated for distribution over the county at little or no cost.

Both speakers linked up the work that has been done to the program in an effort to protect the farm lands against erosion, and ruin from sandblows, and the necessity of reforestation. Representatives from the cities indicated that public buildings would be provided for meetings. Henry Geerlings, Holland, spoke briefly endorsing the work of the committee and future legislation.

The Farmers' Union of Holland township will meet at Union Hall on John R. Bonwa farm north-west of Zeeland, on next Monday, April 19, at 7:30 o'clock. All members are urged to attend and participate in the full program. A good lunch is provided for those who attend. Members and friends are invited. If you have not yet joined the Union you are invited to do so; but come anyway and see what the Union is like.

Tannery Site Vote Causes Historic Flash

VOTE WAS REALLY SURPRISE
—HOLLAND SHOULD OWN
THAT PROPERTY

The defeat, by a small margin, of acquiring those two pieces of Tannery property for civic purposes was really a surprise. It is the general impression that taxpayers only being allowed to vote meant that the proposal would be overwhelmingly lost. In fact, that was a foregone conclusion. The vote was rather a surprise to those who favored or disfavored the proposal.

The writer voted to acquire the property. Of course, there was a little sentiment back of that since the Mulder house was not more than a stone's throw from an enterprise that was the hub of this community's industrial well-being, \$16,000 for nearly a block and a half of property is a pittance compared to the benefits that this tremendous enterprise, worth more than a million dollars, meant to the City of Holland during the many years that the Cappon-Bertsch Leather Company was the barometer of our prosperity and growth.

To those who remember this vast tanning interest when at its best, these pictures will cause a tinge of regret. The pen drawing portrays the large tannery that occupied the spot, which was proposed to be used for the purpose of civic advancement—bandshell and park, athletic track, possibly a civic auditorium—not immediately but in time as these needs presented themselves. To many it meant that Holland would have this centralized spot as its own until such a time when it would be very desirable to own such a place so near the heart of the city and the business district.

Of course, that's "water over the dam," at least for the present. However, it undoubtedly will be interesting to our readers to know just how this tannery was developed by two hardy pioneers, namely Isaac Cappon and John Bertsch. It wasn't a tannery at that time, covering an entire block as it became later, with an auxiliary leather plant on the north side. It then was started in a crude one-story, barn-like building on the shores of Black Lake a few hundred feet from the larger plant that came later.

It is unimportant just now how Isaac Cappon came from The Netherlands and joined John Bertsch in building the first tannery, but the fact is, they erected the small building where the Anderson Shipyard was formerly located, now the site of the Western Machine Tool Works.

The payroll was small, namely Isaac Cappon, John Bertsch and William Den Dekker. The motive power was only a white horse attached to the long shaft of the bark mill, and this engine, driven by the young boy, Den Dekker, went on an endless journey day after day, week after week, around the bark mill.

As an aside, we might say that William Den Dekker remained with the Cappon-Bertsch Leather Company for 57 years and saw the development of the enterprise from its very beginning, when he drove the white horse in circles, until the plant was purchased by Armour and Co. Den Dekker was 14 years old, the only extra man besides the two intrepid founders. He died 8 years ago at the home of his daughter, Mrs. John L. Van Slooten.

In speaking of the sole leather factory on the opposite side of Black Lake, that formerly was owned by the Metz family, and the older residents will remember the very tall, brick smoke stack towering high above the bay, and it stood as a sentinel for many years. The stack and tannery were plainly visible from Pine Ave. This tannery later acquired by the Cappon-Bertsch Leather Co., was called the North Side Tannery and is now the Armour Leather Co., the only tanning industry remaining in this vicinity, and like the south side plant has grown to large proportions.

Mr. Cappon came to "de kolonie" in 1848, a year after Dr. Van Raalte. He went out to seek a job and became a farm hand. He came back to Holland and with the late C. Hoffmann, built a tannery for Pfansthil. When the tannery, such as it was, was completed, none of the parties identified with it knew much of the trade, so it was deemed best that Mr. Isaac Cappon go abroad to learn tanning and currying. Mr. Cappon became a practical tanner and it was at the Taylor Tannery at Grand Rapids that Mr. Cappon met John Bertsch, a young man who had come there from his native state, Ohio, also to learn the trade. They worked together for over two years and an intimate friendship resulted and they started a tannery of their own in the building built for others, which then was a "one horse" concern, as you will notice.

The tannery's business grew tremendously during the Civil War, when Uncle Sam needed, besides many men and mules, much harness leather. That began the building of the plant on the proposed tannery site, and year by year the size increased. The great fire of '71 leveled all the buildings but did not destroy the contents of the vats, and a larger, more substantial tannery arose from the ashes, caused by Holland's most appalling fire catastrophe.

In 1873 the firm was incorporated as "The Cappon-Bertsch Leather Company." It, at that time, was the largest tanning firm in Michigan. The pen drawing shown in this article was a bird's-eye view of the south side tannery at that time. In those days the two tanneries covered approximately two city blocks.

Some 14 years ago, for economic reasons and to centralize the works, much of the machinery and different departments were moved to the north side and it meant the dismantling of the old plant and enlarging of the new.

As we have said before it always leaves a pang of regret when older citizens think of that wonderful enterprise and the fine folk who conducted it. Mr. Isaac Cappon was Holland's first mayor and was our leading citizen in "the good old days." Between three and four hundred men were employed here at that time and the tannery was the hub of all industry then. When the "C & B" was running full time it was reflected in the prosperity of the community. By the same token, during a dull period things

LOCAL 70-YEAR SALE HAS HISTORIC SIGNIFICANCE

The Nies Hardware Store, according to announcement elsewhere, is celebrating the 70th anniversary of the enterprise, and this calls for an historic story. The Nies Hardware business was not really started in Holland, but in Sauzetuck, "three score years and ten ago."

John Nies, father of Ray Nies, arrived in Holland in 1867, after conducting the large emporium on East 8th St., went into the hardware business in Sauzetuck shortly after he was honorably discharged as a soldier in the Civil War. This was in 1867. Mr. Ray Nies states that in those days stove pipe was purchased by the pound and not by the length. Invoices also show ox bows, runner iron to fix over bob sleds, cast-iron kettles, all-copper kettles, ox yokes and forks.

In those days nothing but wood stoves were sold, since wood fuel was in abundance everywhere. Some years later the great discovery, the cylinder coal stove fed from the top, became a fact when hard coal entered Michigan for the first time. Today these are a curiosity and rather antiquated, but the older folk will never forget sitting around the glowing coal stove without a lamp on winter evenings.

In those days pails and tinware were not sent in by the gross but were made in their own tin shop from large sheets of tin.

It was in 1893 when John Nies came to Holland. He then purchased from Notter and Verschure the building the firm now occupies. Mat Notter, the late Civil War veteran, was then conducting a shoe store with Mr. John Verschure, a former railroad man.

Mrs. Nies, mother of Ray Nies, lived in Singapore, the buried city, which always had a mysterious background. The story of how the wandering sand dunes covered mills, churches, stores and dwellings has often been told and retold in the Holland City News and has made good copy for the national press.

John Nies, while in Sauzetuck, filled very important position that the village affords—treasurer, school board, supervisor, village alderman, and so on. When he came to Holland he also became civic-minded and took a deep interest in community affairs. He served as alderman, as member of the school board, and was deeply interested in church work. His son at present is Supervisor of this city.

Mr. Nies retired in 1911 and the enterprise has been conducted by Ray Nies ever since. The parent passed away at the age of 84.

HOLLAND FURNACE RE-ELECTS OFFICERS

Stockholders of the Holland Furnace company holding their annual meeting Tuesday morning at the local offices re-elected to the board of directors, P. T. Cheff, Katherine Lyndstrom Cheff, L. H. Kolb, Louise Landwehr, C. J. McLean, Edward H. Muehlenbrock and C. Tiesenga.

Following the meeting the directors re-elected Mr. Muehlenbrock president; Mr. Cheff, vice president and general manager; George B. Tinnott, treasurer and assistant secretary; A. W. Tahany, secretary and assistant treasurer; and William H. Boer, assistant secretary.

Bids are being asked from painters and decorators to redecorate the interior of the library rooms in the City Hall as will be noticed among the want ads.

Baumgartel Still Taken Up With Wild Life

FORMER HOLLAND SPORTSMAN INTRODUCED FIRST GAME CLUB AND PLANTED FIRST PHEASANTS

"Buy a stamp for conservation," is the slogan heard in Kent county these days as nearly 100 dealers display small green stickers at 10 cents each for a fund to increase wild life and combat pollution.

The sale is sponsored by the Dwight Lydell chapter, Izaak Walton league, to raise funds for an expanded conservation program. Sporting goods dealers, state license agents and others who sell the stamps, are permitted to retain 25 per cent of the proceeds to pay for the time and effort expended in the work; the Chapter gets 75 per cent for its activities.

Arthur G. Baumgartel, formerly of Holland, secretary-treasurer of the organization, stated that his chapter desires to extend its fish-rearing pond area, to establish a wildfowl refuge within or near Grand Rapids, complete the planting of a 40-acre demonstration forestry plot and to continue its gamebird stocking and anti-pollution work, but needs funds to sponsor these activities. "We hope the stamp idea will help us conduct this program," he says.

Baumgartel suggests the stamp idea for use by other clubs. He believes there would be a potential sale of a million stamps in Michigan by which money could be raised for conservation work to supplement regular state conservation revenues.

Mr. Baumgartel is a former Holland business man and established the first fish and game club many years ago. He was the first man to introduce and plant ringneck Chinese pheasants in this vicinity. He was a great hunter and fisher and an expert taxidermist. Many of his stuffed birds and animals he gave to Hope College museum and these are now on exhibition there. Art Baumgartel was the first man to start building bicycle paths from Holland to Zeeland and to the rest. The paths of clay took rounding corners along impassable sandy roads. Those were the old "safety" days with a few "big-wheel" highboys thrown in.

Art Baumgartel never failed to attend the Holland Fish and Game Club banquet and this year again the former Holland man was given a splendid tribute by toastmaster Thomas N. Robinson.

STATE POLICE IN UNIFORM ON LOOK-OUT

Motorists who went over US31 to Grand Haven might have seen motorists parked along the highway waiting for something. They were State Police ready to intercept the three robbers who held up and robbed one of the Grand Rapids banks of \$35,000 and made their getaway.

It was the cleverest robbery pulled off in some time. Not a shot was fired, the robbers were over-polite, and their getaway from the bank was unnoticed by anyone in the neighborhood. It occurred in a branch bank on the West side where money was deposited for factory payrolls on that day. The bank is fully insured.

FORMER MAYOR, JAMES DE YOUNG, LIVES SON-IN-LAW BY DEATH

Mr. and Mrs. James De Young have returned from Cleveland, Ohio where they were called because of the death of their son-in-law, Dr. John S. Schulze. Dr. Schulze was wed to Miss Alma De Young fifteen years ago, and she passed away some eighteen months ago.

Dr. Schulze was a prominent physician in Cleveland and was on the staff of the DuPont Chemical Research Laboratories and was a scientist. He also had a brother, Dr. Henry Schulze of Columbia University, New York. Dr. Schulze was 49 years old at death and left a son, John Jr., aged 15.

The funeral was held on Tuesday at Cleveland and interment at a local place there in the Schulze family plot.

Mr. and Mrs. James De Young of Holland and Mr. and Mrs. Melborne De Young of Detroit moved to Cleveland to attend the rites.

Dr. Schulze had been transferred from Cleveland to Wilmington, Del., recently and made trips to Cleveland by airplane every few days to keep in touch with his duties there.

At a meeting of the Board of Education of Zeeland all teachers were given new contracts except those who had declared their intention of leaving for matrimonial or other reasons. Among the list of teachers is Miss Sena Weststrate of Holland, who has been offered a contract to teach Home Economics in place of Mrs. M. Davis now on the staff.

An application was filed Wednesday with City Clerk Oscar Peterson by Bernard Vander Heide for a permit to build a new residence on West 23rd St. at an estimated cost of \$2,800. The home will be a one-story residence, 24 by 28 feet, of frame construction and asphalt roofing. Fourteenth Street Christian Reformed church, 14th St. and Central Ave., filed application Thursday for permission to remodel an interior class room at a cost of \$650.

E. Van Harn, 296 West 17th St., has accepted a position as Holland representative of the Silvercote Insulation Co. of Kalamazoo.

Miss Ruth Ensing attended the wedding of Miss Bertha Visser and Bernard Mast of Forest Grove Thursday evening.

The Ladies Aid Society will meet Thursday afternoon.

EVEN TULIPS BECOME AIR-MINDED

The Ninth Annual Tulip Festival at Holland, Michigan, May 15th to 23rd, will feature May 20th as Air Day. A cachet, bearing a design of a winged tulip, will be attached to request mail matter sent out through the Chamber of Commerce on that day. Governor Frank Murphy and men prominent in aviation will attend the Governor's Aero-Banquet on the evening preceding Air Day. It will be given an international tone as guests will include Consuls of many foreign nations, headed by the Dean of the Detroit Consular Corps, L. C. Hughes-Hallet, British Consul, and Vice-Dean William G. Bryant, of the Netherlands Consulate.

lialion will attend the Governor's Aero-Banquet on the evening preceding Air Day. It will be given an international tone as guests will include Consuls of many foreign nations, headed by the Dean of the Detroit Consular Corps, L. C. Hughes-Hallet, British Consul, and Vice-Dean William G. Bryant, of the Netherlands Consulate.

HISTORIC BADGE MADE OF SILVER DOLLARS

Among exhibits that will go on display at the Holland museum when the Tulip festival opens is a badge worn by the village marshals of Holland for many years before the present police system was instituted.

The badge, designed as a star, was made in Holland by two pioneer local jewelers, Joslyn and Breyman, then located in Kenyon's Hall building, River and Main sts. It was made of two silver dollars coined shortly after the close of the Civil war.

Exhibiting of the relic recalls to pioneer residents here many incidents connected with police activity when one-man rule of law and order was in vogue.

Police Chief, Frank Van Ry, one of the marshals who wore the honored badge, recalls that Teunis Keppel, a Holland pioneer of Van Raalte's day, was the first marshal to wear the silver star. At that time, Mr. Van Ry says, the marshal never carried a gun and when such a weapon was needed the marshal usually would call Van Ry's father, Capt. Bas Van Ry, one of the few residents of the village possessing a revolver.

Besides Frank Van Ry, one other incumbent city official has served as marshal. He is Fred Kamferbeek, now a member of the board of police and fire commissioners. He was the last of the marshals, retiring in 1907 to become Holland's first police chief.

WILL EXEMPT SOME WAR VETERANS

Soldier and sailor veterans of the Civil war and the Spanish-American war and their widows, hereafter, will be exempted from the payment of county taxes, the Ottawa county board of supervisors decided Wednesday.

Board Acts To Settle Dispute On Road Money

CITY OF HOLLAND STARTED SUIT IN THIS MATTER

Action to bring about a settlement between the Ottawa County Road commission, the cities and townships and the county treasurer for distribution of gas and weight tax monies, instead of continuing a suit in circuit court brought by the City of Holland and other cities as interveners was taken early this week by the board of supervisors.

A committee was appointed by the chairman to contact committees from the cities, which it was indicated would be formed to include Hunter Hering, Henry Slaughter and Dick Smalleman, men from the rural sections.

The motion was made by Hunter Hering that efforts be made to drop the suit as he believed the board was but fighting itself in pursuing the case. He explained that the temporary injunction, issued by the court on behalf of the cities, had tied up \$125,000 held by the Ottawa County Road commission as a sinking fund for payment of bonds and interest issued for the construction of roads in the county.

He further explained that the road commission has \$76,000 due in interest in bonds by May 1 and continuing the case in the courts would oblige the county to default on the payments, a situation which has never occurred in the road commission.

He urged a committee be appointed to meet with others from the cities and the road commission in an effort to come to a settlement which would allow the county to meet its obligations and to provide the cities and townships with a share in the gas and weight tax monies, per capita, according to the state law.

Will Co-operate
Mayor Richard Cook of Grand Haven, Henry Geerlings, mayor of Holland, and Gerrit Yntema, mayor of Zeeland, all indicated that their cities would be glad to co-operate in attempting to settle the matter out of court.

The suit, filed last winter by Holland, was a friendly one to determine whether the Road commission had a right to earmark gas and weight tax monies for a sinking fund with which to pay the obligations of the county for the construction of roads, instead of allocating these funds to the cities and townships on a per capita basis.

A balance of \$125,029.59 is due cities and townships of which Grand Haven's share is \$36,838. Holland's share is \$63,329.40, Zeeland City, \$12,580.64; Spring Lake, \$5,611.03; Coopersville, \$4,432.18; Hudsonville, \$2,838.22. The total amount is about the sum tied up by the temporary injunction.

Heneveld Steps Down As Head Of Supervisors

HOLLAND, ZEELAND MEN ON
AUDITING COMMITTEE

Several Holland Men Were Placed on Important Committees By The New Chairman

The Board of Supervisors has been in session for the past two days and George Heneveld of Park Township, who has been president of the Board for the past five years, a record term, stepped down and Charles Lowing of Georgetown was named as president of the Board. George Heneveld was later elected Vice Chairman, an office created last year and which was filled for the first time this session.

Mr. Lowing was elected on the third ballot. On the first ballot Mr. Heneveld received 10 votes, Mr. Lowing five and Hunter Hering four with the rest scattering. On the second ballot Lowing gained six votes to tie him with Heneveld. Hering had three votes. On the third ballot Lowing received 14 votes, Heneveld nine and Hering two. Mr. Lowing was declared elected.

The auditing committee was elected by ballot as follows: Philip Rosbach of Grand Haven, chairman; Albert Hyma, Holland township; and Maynard Mohr, Zeeland township. The first two members have served previously on the committee. Mr. Mohr is the new member.

Yesterday Mr. Lowing announced his committees, At. Elbert Parsons of Holland being on the financial budget, Budget, Henry Slaughter, Tomsdake; Elbert Parsons, Holland, Cornelia Homan, Zeeland City, Charles E. Mieser, Grand Haven and Dick Smalleman, Forest Grove.

Taxes and apportionment: Peter Van Ark, Holland; Mayor Richard L. Cook of Grand Haven; George Heneveld, Park township; John H. Ter Avest, Coopersville and Gerrit Bottema, Spring Lake.

Printing and stationery: William Rosbach, Holland; Henry Geerlings, Holland; and Ray Nies, Holland. Conservation committee: Frank Hendrych, Grand Haven township; Frank Garbrecht, Port Sheldon; Hunter Hering, Crocker. Peter Damstra, former member of the board from Holland, was made advisory member as under his chairmanship a large amount of work has been done on conservation and reforestation.

Schools and education: Albert Hyma, Cornelia Rosendorn and John H. Ter Avest.

Infantry and coast: Dick Smalleman, Jamestown; Philip Rosbach, Grand Haven, and Albert Stegenka, Olive.

Buildings and grounds: Philip Rosbach, Frank Hendrych and Justin Zylstra, Allendale. Roads, drains and ferries: William Havedink, Casimir Szopinski of Robinson township, Lester W. Martin of Wright; Maynard Mohr and Gerrit Yntema, Zeeland city.

Good roads: Gerrit Yntema, Zeeland city; Pete Ryecena, Grand Haven; Peter Van Ark, and Henry Geerlings, both from Holland and George Heneveld, Park.

Agriculture: John Hassold, Casimir Szopinski, William Havedink, Henry Slaughter and Ray Nies.

Public health: Hunter Hering, Charles E. Mieser and Lester W. Martin.

County officers: Justin Zylstra, Richard L. Cook and Gerrit Yntema.

Auditing committee: Philip Rosbach, Albert Hyma and Maynard Mohr.

Hospitalization: Maynard Mohr, Gerrit Bottema and Albert Stegenka.

The Rev. C. P. Dame, pastor of the Bethany Reformed church of Grand Rapids and former pastor of the Trinity church here, will speak at a meeting in the city Mission Friday evening at 7:30 o'clock.

Chester Boltwood, Grand Rapids, has returned to his home after spending part of his spring vacation in Holland as guest of his grandparents, Mr. and Mrs. Charles H. McBride, 280 College Ave.

Principal J. A. Swets of Christian high school returned to his work at school, Wednesday after an absence of two days due to illness.

Approximately 20 workmen are busy engaged in preparing the two liners of the Chicago, Duluth and Georgian Bay Transit Co., docked at the Montello Park docks. Company officials visited Holland Tuesday to learn what progress is being made. Those who were here were William B. Mayo, Detroit, president; Emory B. Hatch, Detroit, secretary-treasurer; and George E. Root, Chicago, purchasing agent of the company. Capt. A. C. Anderson who is in command of the South American has been connected with the company for 25 years. He is a veteran of 35 years service on the Great Lakes. He said the sailing date will likely be near the middle of June. Capt. William Bright of Chicago will have charge of the North American. To help relieve the shortage of room facilities during the Tulip Time festival, the two ships will be converted into floating hotels. Already reservations are being received. The ships not only will offer lodgings but also will feature meals aboard the ships. Capt. Anderson said. Both ships will be open to visitors during the festival.

The second well in the Holland-Burnips oil field located southeast of Holland was drilled Wednesday morning, on the Holthrop-Sawyer oil farm by the Muskegon Development Co. Early reports indicate that it is a larger producer than the Raab well which was

drilled on the Roy Raab farm several weeks ago. The daily production is now estimated at 100 barrels per day. The second well may go 150 barrels per day. A number of Holland men are financially interested in acreage in the vicinity of the new well. Three new wells will be "spudded" in immediately in the vicinity of the Holthrop-Sawyer well.

Scout Executive M. P. Russell announced Wednesday that boy scouts of the various troops in Holland will conduct a massed hike Saturday. They will meet halfway between Macatawa and Castile Park on Harkema's creek at 9:30 a. m. and from there will follow a trail to camping site. A treasure hunt, string burning and other games will be played. Harvey Hoy, assistant scoutmaster of troop No. 9, is in charge of the program with other local scoutmasters and assistants aiding.

Joe Klinge, 119 East 24th St., filed an application Tuesday with City Clerk Oscar Peterson at the city hall for permission to move his garage from near Prospect Ave., to the west side of his lot. Mr. Klinge reported that no cost would be involved as he planned to carry out the work himself.

Members of the Dutch Men's society of the Central Avenue Christian Reformed church and their wives gathered in the church Tuesday evening for the annual social meeting of the club. Delegates from the English Men's society were the Rev. and Mrs. L. Veltkamp and Mr. and Mrs. William Nyboer. The program opened with community singing followed by a few harmonica selections by the Beelen brothers. Readings were given by various members of the society. Refreshments were served.

Joseph Calhoun of Brooklyn, N. Y., father of Dewey Calhoun of Holland, furnace representative of Brooklyn, and a brother-in-law of Miss Lalla E. McKay, 231 West Ninth St. of this city, died Monday morning. Mr. Calhoun was a

resident of this city about 20 years ago. He was a furniture photographer while here. Those surviving relatives are: Joseph Calhoun of Brooklyn; a daughter, Mrs. Louise Raymond of Brooklyn and two stepsons, Lavern Petrie of Elizabeth, N. Y., and Louis Petrie of Brooklyn, N. Y. Burial was in Brooklyn.

The Montello school Parent-Teacher association has planned an attractive program for a meeting in the school Friday at 7:45 p. m. Community singing will be followed by music by the Montello school band. A reading will be given by Roy Heath, cornet solo by Harold Elmhans, duet by Madeline Hofmeyer and Rotman, and a duet by the Misses Anna and Gertrude Jensen. The public is invited. The closing feature of the evening will be a pie and coffee social.

Miss Rena Boven, superintendent of Holland hospital, and Miss Ruth Westervelt, dietitian at the hospital, are attending the annual meeting of the Michigan Hospital association and the Michigan Dietetic association at the University hospital at Ann Arbor. The meetings were scheduled for Thursday and Friday.

Born Tuesday afternoon at Holland hospital to Mr. and Mrs. Jerry Hulst, rural route No. 8, Holland, a son.

Mrs. Willis Diekema and Mrs. Mayo Hadden, co-chairmen of the fourth annual charity ball, scheduled for Friday, April 23, in the local armory, heard reports given by committee chairmen at a meeting in the Literary Club rooms Tuesday. Mrs. J. Van Herder and Mrs. Ransom Everett are in charge of the distribution and sale of tickets. Mrs. Peter Van Domelen, Jr., and Mrs. S. W. Merriman have secured the popular King's orchestra of Kalamazoo to play for the dance. Mrs. O. W. Lowry will have charge of decorations and Mrs. C. J. McLean will have charge of the coat rooms. The refreshment committee consists of Mrs. R. L. Schlecht and Mrs. J. W. Hobeck. Proceeds of the ball will be used for the operation and maintenance of the baby clinic, which has been sponsored by the Woman's Literary Club for a number of years.

Forty-nine clinics were held during the past year by the civic health committee of the club. Mrs. C. Berzen is in charge of this work, with Mrs. J. J. Good as chairman of the club committee. The clinic is strictly a health and feeding clinic. No sick babies are treated, but are referred back to their family doctors. A total of 953 babies were weighed, measured and examined thoroughly during the past year. Of these 155 babies were sent to their own doctors for medical attention, suffering from such ailments as colds, bronchitis, infected eyes, ears, glands, rashes, and other conditions. The clinic building on Central Ave. has recently been completely renovated and redecorated. Funds raised from the ball, heralded as one of the foremost social affairs of the year, is the only appeal made to the general public and the women hope to raise enough money to carry on this charitable work.

Mrs. Ben De Vries, missionary to India who is spending her furlough in this vicinity, will be the principal speaker at the annual banquet of the Girls' League for Service union of the Holland classis of the Reformed church which will be held Friday evening at 6:30 o'clock in Second Reformed church in Zeeland. More than 200 are expected. The miscellaneous program will include a stunt or song by each league. Miss Dorthea Van Saun of Holland will be toastmaster.

Twenty young people gathered at the parsonage of Sixth Reformed church Monday evening, to organize a church orchestra, with Paul Scholten as director. Practices will be held in the church every Monday evening.

A son was born to Mr. and Mrs. Carl Viischer, 674 Washington Ave., and a daughter to Mr. and Mrs. Henry Eding, Hamilton, route 2, at Holland hospital, Tuesday morning.

Principal J. J. Riemersma made three awards during chapel exercises Tuesday morning for proficiency in typewriting. The awards went to Pauline Nyland for 51 words per minute, Henrietta De Koster, 52 words per minute, and Clarine Varano, 50 words per minute.

Applications for building permits have been filed with City Clerk Oscar Peterson by the following persons: Cornelius De Keyser, 57 West 10th St., interior remodeling and repairing upstairs bathroom, \$150; and Mrs. J. Anna Kanten, 162 East Eighth St., re-roofing dwelling with asphalt roofing, \$200.

Richard Boeve of West 21st St. has returned to his home after being confined to Sturgis hospital for one week for serious injuries to his right hand. He is employed by the Hoebeck-Plaggenmeyer Construction Co.

REFORMED CLASSIS MEETING IN HOLLAND, AGAINST RACE SUICIDE, GAMBLING AND LIQUOR

The classis of Holland of the Reformed Church in America Tuesday went on record condemning the so-called "race suicide" and birth control.

The resolution, adopted at a meeting of the classis, contended that conditions in which the wife must aid in the support of the home have been a great factor in the race suicide problem.

Other resolutions submitted were in the form of a petition to Attorney General Starr requesting him to oppose the legalizing of gambling as has been proposed in the legislature.

The classis also passed a resolution commending the action of State Representative Nelson Miles for his bill to curb liquor advertising.

The delegates to the Particular Synod of Chicago were selected. The ministerial delegates are Dr. Gerrit J. Hekhuis of Holland, Rev. Enos Herren of Vriesland, Rev. Paul Van Eerden of Holland and Rev. H. W. Pyle of Overisel. The second delegates are Prof. Thomas Wilmers of Holland, Rev. Herman Maasman of North Holland, Rev. James Waver of Holland and Rev. John Vanderbeek of Holland. The elder delegates are John K. Klooster of Forest Grove, John Westenbroek of Zeeland and John Naber of Ebenezer; second delegates, Dick Smallenack of Forest Grove, John Shoemaker of Zeeland and H. H. Boeve of Ebenezer.

The delegates were also selected for the General Synod meeting which will be held at Asbury Park, N. J., June 3. The ministerial delegates are Dr. William J. VanKersen of Holland, Rev. F. J. VanDyke of Central Park, Dr. Thomas Davidson of Holland and Rev. John F. Schortinghuis of Ebenezer. The second delegates are Prof. Paul Hinkamp of Holland, Rev. John Wolterink of Forest Grove, Rev. Henry Fiske of South Blendon and Dr. John Van Peursem of Zeeland; elder delegates, John J. Slagh of North Holland, Albert Hoeksma of Holland, Theodore Kuipers of Holland and Evert Veldman of Beaverdam; second delegates are Edward Schilleman of North Holland, John Oenik of Holland, Prof. Albert Lampen of Holland and Thomas Berens of Beaverdam.

The classis approved of the call of the First Reformed church of Hamilton to Rev. Harry VanKerkhof of Byron Center.

13 MILES OF FARM POWER LINE GET OK, SOME NEAR HOLLAND

Consumers Power Co. has approved construction of an additional 13 miles of farm power line to serve 65 counties in Kent, Ontario.

In Crookery township, Ottawa county, S. E. Bartholomew, R. R. No. 2, Nunica, is sponsoring a two-mile project located two miles east of Nunica.

Ryke Dykema, R. R. No. 4, Holland, is representing his community in a two-mile project in Holland and Olive townships, Ottawa county, five miles northwest of Zeeland.

A six-mile project in Chester township, Ottawa county, and Sparta township, Kent county, is sponsored by Henry Anderson and Karl Kober of Conklin. This extension is four miles northwest of Sparta.

ZEELAND INSTRUCTOR TO GO TO FERDALE

Ralph Muller, instructor in chemistry in the Zeeland high school now on a leave of absence while studying at the University of Michigan, has notified the board of education that he would not return to the local schools next year. Muller has accepted a position as assistant superintendent of schools at Ferndale.

HAMILTON MANUFACTURING COMPANY WINS AT LAW

Judge Fred M. Raymond decided in the federal district court of Grand Rapids that the Hamilton Manufacturing company of Hamilton was not infringing on the patent rights of Mr. Poll of Hamilton. Poll, who holds patents on mechanical transplanters used in planting celery, had brought suit against the company, but the judge ruled that the company was within its rights in manufacturing machines under its patents. The case had been previously litigated in the state courts, but the state Supreme court ruled that matters involved pertaining to infringement could be tried only in federal courts.—Allegan News.

The Woman's Study Club met in the home of Mrs. Jesse Kool last Thursday evening. Twelve members responded to roll call by telling some conversational error. Miss Evelyn Den Uyl gave two book reports. "Spring Came on Forever" by Jess Streeter Aldrich and "Why Keep Them Alive" by Paul De Kruif. Special music was furnished by Mrs. Vander Riet and her daughter Florence, from Overisel. They played two piano duets, "Qui Vivi," and "Comrades March."

The Hamilton Manufacturing Co. of Hamilton is a harbinger of spring in this vicinity. They are announcing their 1937 improved celery planter and another long list of other farm implements, motors, pumps and watering systems, imperative needs on farms. They specialize in irrigation equipment.

The Ladies Missionary Society of the American Reformed church met Thursday afternoon in the home of Mrs. Ben Kooiker. The program was in charge of the vice president, Mrs. I. Scherpenisse. Mrs. Martin Brink led the devotion. After the business meeting the ladies spent their time sewing for the spring fancy-goods sale. Twenty-five were present. Lunch was served by the hostess.

Mr. and Mrs. Basil Kibby spent the week end with friends in Chicago.

Mr. and Mrs. Ben Kooiker and Mr. and Mrs. H. W. Schutmaat motored to Grand Rapids last Friday evening where they were guests of Mr. and Mrs. Peter Bylsma. Mr. Bylsma has been confined to his bed for the past fifteen weeks due to a broken hip which was the result of a fall from a ladder while decorating in one of the Grand Rapids churches.

Mr. and Mrs. Geo. Slichter and Paul, Mr. and Mrs. David Slichter and Mr. and Mrs. Wallace Kempers were entertained in the home of Mr. and Mrs. Johnny Kaper last Friday evening.

When it comes to jolly good sportsman, the men of Hamilton surely take the cake. Last Wednesday evening the men of town were seen dressed in their very best hurrying to Holland to attend the annual Fish and Game banquet. The club reported an attendance of 800. Among those from Hamilton who attended were: Messrs. Bernard Voorhorst, Bill Mooney, Gordon Timmerman, Herman Nyhoff, Gerrit Lugten, Harvey Lugten, Fred Wentzel, Floyd Kaper, Thomas Zeirin, Leonard Dangremond, Fred Mason, Jacob Eding, Edd Miscooten, Ben Lohman, Marvin Van Doornik, Raymond Johnson, Martin Johnson, Howard Lugten, Melvin Lugten, Wallace Kempers, H. W. Schutmaat, Joe Hagelskamp, Edd Lampen, Harry Lampen, Harold Dangremond, Donald Slichter, Marvin Kooiker, Jesse Kool, Clarence Billings, Basil Kibby, Alvin Strabbing, Henry Strabbing, Gerrit Lugten. In all 58 tickets were sold. Can any town of our size boast of a larger attendance?

Many of our local fishermen spent last week fishing at the new Allegan Dam, many good catches being reported.

Miss Aileen Dangremond, Mrs. Kromberg and Mr. Ernest Kromberg motored to Grand Rapids last Tuesday.

There will be a special inspirational song service immediately following the evening service in the American Reformed Church from 8:00 to 9:00. This song service will be sponsored by the Senior Christian Endeavor and it is their desire to have a large attendance. There will be a brief intermission at 8:30 to allow persons from other churches to come and meet with us. Let's be out and receive an inspirational message in song.

Born to Mr. and Mrs. Henry Eding on Tuesday, a baby girl. The Misses Gladys Lubbers and Aileen Dangremond and Messrs. Joe Mosier and Ernest Kromberg spent Saturday evening in Kalamazoo.

Mr. and Mrs. Charles Ash and family were visitors in the Fred Mason home last Saturday. Sunday visitors in the Joe Lugten residence were: Mr. and Mrs. Nick Brower and daughter Lila, Mr. and Mrs. Edd Wolters and Mr. Carl Wolters.

A roof fire did but little damage to the Harold Dangremond residence last Sunday afternoon. With the aid of the Hamilton Fire Department the blaze was quickly put out. A similar fire occurred Tuesday when the Kalmink residence on the town line caught fire. The local Fire Department also quickly responded and soon had the blaze under control.

Mr. and Mrs. Geo. Jacobus called on Mr. and Mrs. Ringler in Grand Rapids last Saturday. Sunday they were guests of Mr. and Mrs. Parkhurst at Sand Lake.

Mr. and Mrs. Varney Bennett of Wayland visited Mr. and Mrs. Jesse Kool, Sunday.

A special congregational meeting was held in the First Reformed church on Monday evening for the purpose of calling a pastor. The Rev. Wm. Pyle of Overisel presided. A call was extended to Rev. Van't Kerkhof of Byron Center, Michigan.

The Sunday services of the First Reformed church were conducted by Rev. Massen of North Holland.

ALLEDALE

Approximately 175 schoolmates and friends were guests at a welcome party in the Alleendale township hall, given for the honor of Mr. and Mrs. Thomas Rozema and family, who recently moved to Michigan from Wyoming. A program was presented consisting of addresses by the Rev. Garret Hofmeyer of Grand Rapids, a schoolmate of Mr. Rozema and the Rev. H. Keegstra of the local Christian Reformed church. Rev. Keegstra was a teacher of Mr. Rozema in Catechism many years ago. A song by a group of schoolmates, a reading by Mrs. Henry Dyke and one by Herman Lottermann concluded the program. Closing remarks and prayer were said by the Rev. Gearhart of the Wesleyan Methodist church and pastor of Mr. Rozema's family. The party was also in the form of a reunion and a most enjoyable evening was spent, one which will not soon be forgotten. A generous gift of money was presented the Rozema family. Refreshments were served by Mrs. John Thayer, Mrs. John Hollings, Mrs. John Potgieter, Mrs. John Kraker, Mrs. Frank Sheridan, Mrs. John Gemmen, Mrs. Henry Dyk and Mrs. Bert Kraker. Guests were present from Grand Rapids, Grandville, Holland, Moline, Coopersville, Blenden and from the Alleendale and Pearlville vicinity. The Rozema's lived on a homestead in Wyoming for about 22 years. Not so many months ago they suffered the loss of a daughter, who met with an automobile accident. The family is residing on the Stevens farmstead.

Membership papers of Mr. and Mrs. Henry Berens were transferred from the Christian Reformed church at Eastmanville to the local Christian Reformed church. Herman Potgieter, who has been seriously ill of pneumonia at the home of his parents, is improving nicely. LOCAL NEWS

Mr. Bert Ensing and Miss Ella Ensing were visitors at the home of Mr. and Mrs. Leonard Van Ess on Friday afternoon.

Mrs. John Pohler and Henrietta spent a day last week with Mrs. Henry Boerman and daughter of Zeeland.

Mr. and Mrs. George Ensing visited with Mr. and Mrs. Wm. Albrecht of Hudsonville Thursday evening.

Rev. E. J. Khron of Hudsonville conducted the services here Sunday while Rev. S. Vron occupied the pulpit at Hudsonville.

Arnold Fox of Holland, now visiting in San Diego, Calif., was one of three persons who reported seeing a meteor so bright it was almost blinding to look at on the evening of April 4. The Holland man, son of Mr. and Mrs. Palmer J. Fox, of 193 East Eighth St., who with Carl Hammon and Harold Dodds witnessed the strange happening, said they saw the meteor from Balboa park, near the California tower. The meteor, which they described as holding together all the way down until it apparently fell into the sea, was at first a red color, then it burned brighter and brighter. It became yellow then blue and finally a bright green. Toward the last it was so brilliant it was hard to look at, Fox said.

Members of the board of education approved the purchase of \$10,000 of their own refund bonds at the regular monthly meeting held last night at the Holland high school. Mayor Henry Geerlings, secretary of the board and chairman of the ways and means committee recommended that these bonds due in 1947, and drawing 5 per cent interest be purchased now, which he pointed out, would save a considerable amount of money. Supt. E. E. Fell reported that the local schools will receive about \$23,000 as state aid. He further reported that the schools should receive between \$24,000 and \$25,000 more for next year if proposed legislation is passed by the legislature. He also reported that the teachers' retirement bill now pending before the state legislature is likely to pass. The board members voted to make an annual appropriation of \$200 for the carrying on of the school's forestry project. Trustee A. E. Lampen reported the plans being formulated to carry on the project which includes the erection of a new entrance to the forestry project. Mayor Geerlings read a communication from the capella choir, the directors and chorones in which they expressed their appreciation for the opportunity to attend the North Central Choral festival at Minneapolis.

The Dutch Kraft Paint and Wallpaper store, 214 College Avenue between 8th and 9th Streets, Holland, are giving a grand opening today, Friday and Saturday. John Dobben and Anthony Klingenberg have remodeled their building into a commodious shop with plenty of show window display.

They are carrying all the standard brands of paints and wallpapers and all those commodities that enter into an emporium of this kind. They are extending a cordial welcome to the citizens of Holland and vicinity and want them to give their new store a "look" today and Saturday.

apolla." Bills and claims against the board were read and approved and minutes of the previous meeting were also read and approved. Members present included Fred Beeuwkes, president; Henry Geerlings, secretary; C. J. DeKoster; A. E. Lampen, George Mooi, John Oler and Albert E. Van Lente. Mr. Beeuwkes presided over the meeting.

Miss Cornelia J. Mulder, 34, former teacher of gymnastics in Holland high school, died, Wednesday night, in her home at 80 East 14th St., after a short illness of pneumonia. Miss Mulder was born in South Africa, where her father, the late Johannes Mulder was an engineer. She came to this city with her parents 24 years ago. Miss Mulder is a graduate of Holland high school and Western State Teachers' College. She taught gymnastics in the school here in 1934 and 1935 and last fall returned to Kalamazoo, where she was taken ill about three weeks ago. She was a teacher in the Washington junior high school in Kalamazoo for ten years. Surviving are the mother, Mrs. Gelsienna Mulder; a sister, Mrs. Emmet Murphy of Menlo Park, Calif., and two brothers, John C. Mulder of Chicago and William Mulder of New Orleans, La. Funeral arrangements have not been made pending arrival of her brothers.

Application blanks have been received from 19 scouts and three leaders of the Ottawa-Allegan council Boy Scouts to attend the national scout jamboree in Washington, D. C., in June, according to Scout Executive M. P. Russel. The three leaders are Edward Roberts, scoutmaster of Troop No. 23, Grand Haven; and district commissioner, Jack Spangler, scoutmaster of Troop No. 1, Grand Haven; and Elmore Van Lente, scoutmaster of Troop No. 6, Holland. Parents were honored guests at the annual charter banquet of Troop No. 1, Grand Haven Wednesday night at the First Presbyterian church in Osego. A banquet was served at 6:30 p. m. by members of the Scout Mothers' guild. The annual banquet for Troop No. 6, Holland, will be held Tuesday night, April 20, at the First Reformed church. Parents also will be honored guests.

Two Holland residents suffered slight injuries Sunday afternoon, when the car in which they were riding turned completely over and came to rest on its side on an embankment. The accident took place about five and one-half miles north of Lakewood Farm. The injured were James Kotros, 58, 1 West 10th St., driver of the car, and A. A. Boone, of the same address, an occupant. The Kotros car crashed with a car driven by Gerrit Maatman, 37, West 32nd St., travelling in the opposite direction. His car suffered only the loss of a hub cap while the Kotros car was badly damaged.

City Engineer Jacob Zuidema requested Holland citizens this week not to rake leaves and brush into the city streets as the city has halted the practice of hauling away the debris. He pointed out that the spring rains would wash the debris into the sewers and stop them up. Mr. Zuidema said that the city hauls away the leaves in the fall as burning them would damage the streets.

Miss Marie Beckman, a student at the Holland business institute was awarded a Pearl typing pin last week for typing a ten minute test at the rate of 72 words a minute with two errors. Miss Evelyn Avery rated 65 words with two errors. Those rating 58 words were Corlyn Steffens, Thelma Meeuwse, Marian Bolks and Marian Voss.

Persons interested in securing employment are requested to register at the NRS office in the local post office, Jacob Barendse, in charge of the Holland office of the National Re-employment service, said that he had several openings for men but no applicants to fill the jobs.

Mr. and Mrs. J. D. Mokma and Mrs. J. De Ridder have returned to Holland after spending the week end in Detroit. Evangelist Walter R. McDonald who has been conducting evangelistic services in Holland during the past two weeks, returned to Detroit with them.

Miss Nelle Zwemer, former missionary to China, talked on missionary work in China before members of the League for Service of Bethel Church, Wednesday evening. Miss Rachel Boerma conducted devotions and Miss Inez Von Ins led a song service.

Special music was furnished by Mrs. H. Rotman and Mrs. N. Hafkeneyer. Miss Rhoda Johnson was appointed chairman of the program and publicity committee following the resignation of Miss Maggie Vander Heuvel. Hostesses for the evening were Misses Florence Kraay and Alyda Schuitema. Cars will leave Bethel church at 6 o'clock Friday for Zeeland, where the union banquet will be held in the Second Reformed church.

RESTLAWN Perpetual Care

"CHIMES TOWER" IN RESTLAWN PARK

Ground was broken today for the erection of "Chimes Tower" in Restlawn Memorial Park, located east of Holland on the old Zeeland road. The tower being erected is to be one of the most beautiful structures of its kind in the State of Michigan. Mr. Charles Van Zyl states. The finest chimes equipment obtainable will be installed.

same is now being made by the National Sound System. Other work on Restlawn Park grounds is being rushed at this time, in order to have it completed before the dedication of the "Chimes Tower". Mr. Van Zyl says.

Of the Restlawn Memorial Park Association Charles Van Zyl is president. Willis De Cook, Secretary and Treasurer and Attorney Nelson Miles, legal advisor.

To Round Up
Illegal DriversTHERE ARE SAID TO BE HALF
MILLION WHO HAVE NO
LICENSE MAY 1ST
DEAD LINE

Half a million Michigan motorists who have ignored the law requiring operators licenses are to be rounded up in a campaign launched Saturday by the Michigan State Police and Secretary of State Leon D. Case.

The drive precedes the triennial renewal of licenses due to start May 1.

"We are convinced that from 500,000 to 750,000 motorists are without operators licenses, either because they fear inability to pass the police tests or are indifferent to this traffic control," Bernard J. Youngblood, deputy secretary of state, said.

"Records disclose the issuance of approximately 1,800,000 operators' permits in the last three years, a number far below the ratio experience has proved applicable to the 1,500,000 motor vehicles licensed in Michigan.

"Our suspicion is further emphasized by the frequency with which unlicensed operators appear in traffic cases.

"State agencies will co-operate to remove this traffic hazard at once."

A plan of operation has been reached whereby motorists on well traveled highways will be stopped and required to show their operators' permits. It will mean only a brief delay for those who have licenses, but arrest and fines for those who have not.

The scene of operations will be shifted frequently and will include city traffic as well as movement on state highways. Co-operation of City police will be sought.

Ignorance Blamed in Part

Part of the Michigan laxity, Youngblood believes, is due to ignorance of the law. Originally operators' licenses were permanent. Six years ago, however, re-registration was required, with the new permit good for only three years.

As the second three-year cycle is near completion, it becomes apparent that many persons have not understood the necessity of renewals.

To facilitate the drive, Secretary Case is having prepared 50 departmental automobiles in an educational campaign. They are about ready.

The cars have been lettered conspicuously on their sides, "Leon D. Case, Secretary of State License Survey."

Elsewhere the legends will appear:

"Have you your driver's license."

"Are your plates clean."

"Watch the kiddies."

Architect Presents Drawing Of Hope's New Science Building

Architect's drawing of Hope's proposed science building, for which a financial drive was started last week. The \$250,000 structure is

to be built on the Tenth Street side of the campus.

Each floor of the new building is to be devoted to a different department—physics and museum on the first, chemistry on the second, and the biology department on the third floor.

An attempt is being made to have the new science building ready in time for the seventy-fifth anniversary celebration of Hope College in 1941.

SCOUT LEADERS HEAR
TALK BY PROF. WINTER

Prof. E. E. Winter of Hope college addressed a meeting of scout leaders Wednesday night in the Methodist church at Allegan. He discussed boy psychology in relation to ethical principles. This was one of a series of district training courses for the scouts. Professor Winter addressed a similar meeting last Wednesday night at the Methodist church in Fennville. Irving J. Tucker, probate judge, is in charge of the course.

NEW BUILDING AT
CANNERY AT
FENNVILLE

Work has been started grading the site of the new building to be erected for the Michigan Fruit Canners, Inc., at Fennville. The addition will be 100 by 116 feet and will provide for new processing room and warehouse, practically doubling present capacity.

The grading is being done by the Lawrence Lamb contracting firm of Ganges.

The building will be one story of brick, tile and steel, and will be located south of the present work-rooms and west of the warehouse constructed last year.

PURCHASES THE
DUVALL FARM

Mr. J. Curson of Grand Junction has purchased the Duvall farm on M89, west of Fennville, and plans to move his family here in June, after the close of school. Mr. Curson is a graduate of the University of Oklahoma.

GET HOLLAND MUSEUM
QUARTERS IN CONDITION

The spring vacation was utilized by some of the NYA Hope college students working for the historical records survey in cleaning and renovating the old Peoples State bank building, making it ready to house the Dutch museum during the Tulip Time. Willard Wichers, district supervisor of the historical records survey and in charge of the local museum, will remove the present collection from Hope Memorial chapel to the new site a few weeks before the Tulip festival opens.

Although there are several hundred articles now on display, loaned to The Netherlands association, a campaign is to be started within a few weeks to enlarge the exhibit.

NOXIOUS FISH REMOVED

Michigan inland lakes and streams were rid of 40,895 carp, 551 dogfish, 260 gar pike and 3,527 miscellaneous rough fish by State conservation officers last year. The operations were conducted with nets and spears.

BUSINESS MEN FIX THE SUM-
MER CLOSING HOURS IN
COOPERSVILLE

Coopersville Observer

The Business Men's Club held its regular meeting at the Tiny & Tink restaurant Tuesday evening with an attendance of about thirty-five. It was the usual dinner meeting, followed by the business session that lasted for an hour or more.

The most important matter that came before the club was the summer program for the business houses of the city. It was voted to open the stores at seven o'clock a. m. and close at six o'clock p. m., beginning Monday, April 5th. Also that beginning May 1st, and continuing to October 1st, the stores would be open Wednesday evenings and close Thursday afternoons.

Ben Van Eyck, 84 West 7th st., has resigned from the Survey of Historical Records in order to become associated in private business. The resignation became effective Saturday. Mr. Van Eyck has been connected with this survey in the capacity of senior clerk and he took an active part in the promotion of the 90th anniversary of the Dutch immigration into Western Michigan, observed here Feb. 9, and the subsequent formation of the Netherlands Pioneer and Historical foundation and the Dutch museum. The survey's office is located in the city hall. Willard Wichers is district supervisor.

SEE WHITE ROBIN
IN COOPERSVILLE

Although robins are quite common once more, reports of anyone seeing an albino robin are not so numerous. However, a number of Coopersville residents saw an albino robin Tuesday in the yard at the rear of the Observer office and the Odd Fellows hall at Coopersville.

These are exceedingly rare and why they are white is one of nature's mysteries.

OTTAWA OLD AGE
OFFICE IN NEW HANDS

Mrs. Carolyn Van Putten of Holland, and Mrs. Evelyn Irvine of Zeeland, have been appointed to replace Jack Spangler of Grand Haven, who was appointed to day by Mrs. Ruth E. Miller, district supervisor. The old age assistance bureau offices will be in the city hall at Holland in the future.

ZEELAND WILL HAVE PUBLIC
WORKS BODY, OTHER IM-
PORTANT BUSINESS

A board of public works has been created by the city council of Zeeland. The new ordinance provides for a board of five members to control the municipal utilities, each member being appointed for a period of five years. The first board will be appointed by the council in a few weeks.

Financial authority power of the new board is limited by the ordinance to the spending of \$1,000 without the authority of the common council.

Formal awarding of the contract for the purchase of a Diesel generating power plant at the cost of \$59,544 was presented to the Fairbanks-Morse Co.

City Treasurer Ben Goosen reported delinquent taxes have been reduced in the past year to \$28,000. The council formally approved of the appointment of James Verecke and William Berghorst as volunteer members of the fire department to fill vacancies.

Purchase of a new police cruiser with a bulletproof windshield was also approved.

FAREWELL SERVICE HELD

A farewell service was held Sunday at the Macks Landing Sunday school for Mr. and Mrs. De Voes, of the Holland Christian Reformed church, who have conducted Sunday school at Macks Landing for the past year and who will leave soon for New Mexico to take up work with the Navajo Indians. As a token of appreciation they were presented with a three volume set of Child Student Bible Stories and a purse of ten dollars. This is the fifth year of the Sunday school at Macks Landing.

Three Holland high school contestants, Alice Mae Houtman, Edward Hindert, and Wallace Folkert, each placed second in the sub-district contests sponsored in the Muskegon high school, last Thursday night, by the Michigan Forensic association. Four other schools were in competition, Muskegon, Muskegon Heights, Grand Haven, and Grand Rapids Christian. Judges in the contest were Dr. Roland Shackson of Hope college, Arthur Secord of Western State Teachers' college, and Karl Robinson of Albion college. Miss Myra Ten Cate accompanied the young people to the contest. The rating of the winners was as follows: declamation—first, Robert Damm of Muskegon Heights; second, Alice Mae Houtman, Holland; third, Robert Schrock of Muskegon. Extempore—first, Sherman Lloyd of Muskegon Heights; second, Edward Hindert, Holland; third, James Jackson, Muskegon. Oratory—first, Aletta Boonstra, Muskegon; second, Wallace Folkert, Holland; third, Marie Ottenstra, Grand Haven.

Myron Van Leeuwen, dental student at the University of Michigan, is spending his spring vacation at the home of his parents, Mr. and Mrs. J. C. Van Leeuwen, rural route No. 5, in Grand Rapids.

JUMPS IN FRONT OF PERE
MARQUETTE ENGINE;
DIES

A tragedy occurred at Grand Haven when Edward Lowman, 63 years old, apparently jumped in front of the Pere Marquette passenger train. Coroner Dr. W. B. Bloemendal gave a verdict of suicide and announced that there would be no inquest.

According to the statements of R. Muschalt, engineer, and Elmer Dillard, fireman on the train, they saw Lowman walking toward the tracks over vacant property in that section. He appeared to halt just as he neared the train, apparently bracing himself for the fatal plunge under the wheels of the engine.

The body was mangled beyond recognition as the wheels of the several cars of the train passed over the body before the train could be brought to a stop. T. Richardson was the conductor of the train which regularly comes in each morning from Chicago via Holland.

Lowman, according to his wife, left home about 6:30 a. m., telling her that he was going out to find employment. He said that if he didn't find work he would be back about 8:30 a. m. Lowman was known to have been despondent over his failing eyesight which necessitated giving up employment at the Eagle-Ottawa Leather company plant about two months ago. He had been employed there for 23 years.

MUSKEGON LUMBERMAN
WANTED TO BE HUNDRED,
DIES AT 97

Julius W. Fredrick, 97 years old, one of Muskegon's oldest residents, looking forward eagerly to the Muskegon Centennial celebration, was cheated from a part in it by death at the home of his daughter, Mrs. D. M. Mathieson, 1649 McGraft st.

Mr. Fredrick had been suffering from a heart ailment since last November and had been seriously ill for several days. He had hoped, however, to enjoy the Centennial and took keen interest in reading of preparations and the historical accounts which revived his memories of 70 years spent in this vicinity.

Born in Germany, Jan. 18, 1840, and reared there, Mr. Fredrick finished four years' service in the German army and came to Muskegon in 1867 to work in the booming lumber industry. For 11 years, he was employed at the Ryerson, Hills company back in the days when long hours were the accepted standard. In recent reminiscences, Mr. Fredrick said that in 11 years he was able to dress up in his best clothes only three times for special occasions.

Saugatuck Also Goes
Flower Minded

Early in June, 1936, Saugatuck is hoping to stage an Iris festival. Through the efforts of the Columbine Garden club and village officials more than 20,000 rhizomes have been planted during 1935 and 1936. Property owners also have co-operated.

Mrs. Frank Comstock is president of the garden club.

Shirley Shaw, daughter of Mr. and Mrs. Carl Shaw, 215 West 15th St., and pupil of Miss Sarah Lacey of the Hope College School of Music, won first place in piano class D, (ages 14-15) in the State Junior contest in connection with the Michigan Federation of Music Clubs' annual convention in Detroit Saturday. Winning in a district elimination contest held in East Lansing March 20, in Detroit Saturday, she competed with district contest winners from the entire state. Her appearance was sponsored by the Holland Music club.

Henry Hilbrink, 56, 168 West Ninth St., paid a fine and costs of \$6.15 after he had pleaded guilty in the court of justice of peace John Gallen to a charge of failing to stop for a stop street. Hilbrink is alleged to have failed to stop his automobile at 17th St. and Maple Ave., causing an accident between his vehicle and one driven by Martin Vander Bie, 55, 103 East 17th St., on last April 1.

PERCH CARNIVAL

From April 30 through May 2 East Tawas will act as host to an army of fishermen interested in catching perch during their annual spring run. At that time Tawas Bay presents the best perch fishing found in any of the waters of the Great Lakes and fishermen never return home disappointed in the catch.

VETERAN STATION AGENT
OF PERE MARQUETTE RE-
TIRES AT FENNVILLE

William S. DuVall, the veteran Pere Marquette station agent at Fennville, was retired April 5th, after being with the railroad company 40 years. In a letter from the superintendent Mr. DuVall received the high compliment of not having a single demerit during all these years. Mr. DuVall has enjoyed the confidence and friendship of the traveling public and freight shippers through his unfailing courtesy, cheerfulness and efficiency. Joe Kiessel, who acted as relief agent during Mr. DuVall's illness a year or so ago, took charge Monday to serve temporarily until a permanent appointment is made.

HOME EXTENSION
PROGRAM FOR
HOLLAND MAY 25

Mrs. Ray Whitenack, Grand Haven, a leader in home extension work in Ottawa county, was elected president of Home Extension executive committee. Mrs. William Bos of Byron Center was re-elected vice-chairman and Miss Addie Clark of Robinson, secretary and treasurer.

Achievement day is set for May 25 at Beechwood school on Holland's north side with Mrs. Minnie Van Bemmelen of Beechwood heading the arrangements committee; Mrs. Walter Wierenga of Zeeland, program; Mrs. Boss, exhibits; Mrs. Arthur White of Holland, dinner and the entire executive committee in charge of hospitality. Besides the officers, members of the executive committee are: Mrs. Wierengam, Mrs. Frances Wolbrink of Allendale, Mrs. White, Mrs. Raymond Hubbel of Coopersville and Mrs. Gene Hubbard of Hudsonville.

Mrs. Grace Vander Kolk, county demonstration agent, will outline plans for second year home furnishing and second year clothing classes, as major projects for next year, and child development and flower culture, as minor projects.

SCRIBES LOCALITIES

"If you plan to enter the fur business do not turn to the Upper Peninsula of Michigan, but establish your trap line in the Lower Peninsula," says Walter E. Hastings, official photographer for the State Conservation Department. Mr. Hastings says that many people have an idea that the Upper Peninsula is the trappers' paradise, but that it is not true. The great bulk of the fur bearing animals trapped in Michigan is found below the Straits.

"It I was going into the trapping business I would establish my line on some good swamp in the Lower Peninsula," continued Hastings.

He spoke especially of the skunk and muskrat, two animals widely trapped for their fur in Michigan. The skunk is not found in the Upper Peninsula, while it is increasing rapidly in the Lower Peninsula since it was placed on the protected list. The racoon is another much-sought fur-bearing animal found in the Lower Peninsula and especially in the southern part of the state.

Mr. Hastings says that one fur buying firm in his own county of Livingston has purchased \$250,000 in skunk hides during the last year, showing something of the extent of the trapping of this animal. Not all the skunks have been caught in Michigan, as some have been purchased from outside the State. However, the great bulk of the fur has been trapped in the Lower Peninsula.

Mr. Hastings made his statements in pointing out the importance of the fur trade in Michigan today. While there was a time when the fur business was the major industry in the state, it did not represent as great a volume as today.

PETER VOGEL DIES
SUDDENLY IN CITY HALL

Peter Vogel who has operated a grocery store at 745 Park street, Grand Haven for several years, dropped dead at the Grand Haven city hall. Death was attributed to heart disease. He had been under a physician's care for some time and it was not necessary to call a coroner.

Mr. Vogel was in Justice Peter Verduin's office transacting business when he was taken with a dizzy spell. He sank to a nearby chair and expired before a physician could be called. Mr. Verduin was in the office at the time and William Mieras, custodian at the city hall was in the building and gave assistance.

Sugar Beet Raising is
Bound to be
Profitable to Growers

Saginaw, Mich., April 14—Anticipating a government benefit payment of \$2.00 per ton on sugar beets in addition to the payments to be made for beets by the Sugar Company, the Board of Directors of the Blissfield Beet Growers association have launched a campaign to get to obtain a maximum acreage of sugar beets for the Blissfield factory.

Calling attention to the importance of giving the local factory a full run, the directors of the local association said, "With confidence that the government will pay sugar beet growers approximately \$2.00 per ton, in addition to the payments to be made by the Sugar company, we feel that every farmer with proper soil in the beet growing area should plant the maximum acreage to sugar beets this year, that is consistent with good farm practice.

"All growers qualifying under the Soil Conservation program will receive approximately 38 cents per ton in addition to the above-mentioned payments.

"All indications point to good sugar prices for the 1937-38 sugar marketing period, thus it is reasonable to assume that we should receive a good return from the 1937 beet crop.

"A great demand has been created for Blissfield sugar and we believe that every pound of sugar produced this year, even our beet crop will be sold in advantageous territory, thus increasing the net cash return per bag of sugar.

"In addition to the cash received from our beets, we must remember that beet tops provide us with a high grade and valuable livestock feed and we all know that it pays to have sugar beets in our rotation.

"The return from beets carries the load of a good fertilizer program and this, in addition to the fact that beet growing improves the mechanical condition of the soil, adds humus, and leaves a fertilizer residue, all of which helps to increase the yields of other crops following beets, are indirect benefits which we must consider.

While it is true that high prices are being paid for other crops grown in this district, we should remember that these prices are the direct result of crop shortages brought about by drought and other adverse weather conditions and we have no assurance that high prices will continue when this year's crops come on the market.

To the contrary, all authorities are predicting lower price levels, if normal production is resumed this year. Further, reports indicate that due to the stimulus of high prices, many farmers are planning to increase their 1937 plantings of the present high-price crops. This may result in an over-production and subsequently low prices.

"All things considered, it appears that the best crop prospect for 1937 is—SUGAR BEETS."

Police Chief, Frank Van Ry, in a signed statement, appealed to Holland merchants and store employees from parking their automobiles in the same neighborhoods as their stores. His suggestion was that cars be parked elsewhere. A careful check-up has disclosed the fact, he said, that many of our store keepers park their cars in front of their places of business and allow their employees to do the same, which is a decided disadvantage to our shoppers and out of town people making their weekly purchases. It also interferes with traffic. Chief Van Ry advises all merchants and store keepers to park their personal cars in some parking space and to insist that their employees do likewise.

The editorial and business staffs for the senior booklet of Holland Christian high school were appointed at a meeting held recently. Those appointed to the editorial staff are Ruth Vander Veen, Leon Schadelde and Marjorie Mast, and to the business staff, Bill Stelstra, Genevieve De Jongh and Eunice Roberts. About 40 were present at the meeting. Principal J. A. Sivets, sponsor of the class, presided. Reports of the secretary and treasurer were given.

The newly-elected officers of the Holland Lodge, No. 513, B. P. O. Elks were installed Tuesday night, at the club rooms on Central ave. A dinner preceded the meeting. Spirit of Service

A SERVICE that is vital to public welfare puts a special responsibility on those who supply it. Many workers recognize such an obligation. And they include the 8500 men and women behind your telephone in Michigan.

Time and again telephone employees have shown self-sacrifice in the public interest, have faced danger with courage and perseverance. The operator choosing to stay at her switchboard during fire or flood; the plant man maintaining circuits in a heavy storm—their devotion to duty has become a tradition.

Emergencies bring them to your attention, but their spirit of service is in effect day and night, week in and week out. They know the public importance of their work. And they do it well—with skill, promptness and courtesy.

Without that spirit, Michigan would not have the kind of service it is getting today—as fine telephone service as there is available anywhere in the world.

Plans and application for construction of a new Pine Creek school under PWA have been forwarded to Washington for approval. State Director I. D. Brant of Detroit said state approval had been given. Estimates are that the cost would be \$15,700, of which the federal government would contribute 45 per cent as a direct grant. John Vandervliet, veteran music director of this city, is visiting the various choirs of Holland in order to organize a chorus of 125 of the leading singers of Holland to furnish music at the Ottawa County Sunday school convention here next October. A two-day session will be held. The convention will celebrate the 50th anniversary of the founding of the county Sunday school organization. The Melody Men of Zeeland will furnish music at one of the evening meetings. They will also be directed by Mr. Vandervliet.

Announcement was made Thursday that during the season of 1937 the club house at the Holland Country club has been leased by the Warm Friend tavern and will be under the personal supervision of W. Howard Lillard, manager of the tavern. Although the club has been taken over by the Tavern association for use during the season, members of the Country club are entitled to use it as they did in seasons before, according to Lee Kleis, golf pro and manager of the club. The club house has been cleaned and redecorated and new furniture has been purchased for the living and lounge rooms. The golf course is still under the direction of Leon Kleis, the Tavern leasing only the club house. The course will be in shape for playing by the last of April. Both the golf course and the club house will have official openings on May 1. The management of the club house includes management of the living quarters, the lunch room and lockers.

Four members of the Holland board of education, including Fred Beuwkes, president; Mayor Henry Geerlings, secretary; A. E. Lampen and Albert E. Van Lente, also Supt. E. E. Fell went to Lansing, Thursday to attend the meeting of the department of Superintendents and members of school boards. Mayor Geerlings as president of the department, presided over the meeting. The meeting was held as a prelude to the annual two-day convocation of the Michigan Education association. Miss Lida Rogers, chairman of Region 4 of the Michigan Education association, is spending Friday and Saturday in Lansing as one of the delegates to the representative of the MEA. Sessions are being held in Hotel Olds.

George Fox, an Indian from Allegan, pleaded guilty to a modified charge of assault and battery on Mrs. Clara Pison, North River Ave., when arraigned before Justice of Peace Raymond L. Smith, Tuesday. Fox was sentenced to serve 30 days in the Ottawa county jail. He was not given a fine. Justice Smith ruled that since he had served 14 days in jail while attempting to raise bond, this could be deducted from his sentence, leaving only 16 days left to serve.

Henry Hilbrink, 56, of 168 West Ninth st., appeared before Justice of Peace John Galien recently, on a charge of failing to stop for a stop street. The charge was filed against him by Police Chief Frank Van Ry, although no formal arrest was made. The charge results from an automobile accident which occurred last Thursday afternoon between automobiles driven by Hilbrink and Martin H. Vander Bie, 55, 103 East 17th st., at 17th st. and Maple ave.

Reports of Standing Committees

Claims & Accounts Committee reported having examined claims in the amount of \$5,788.53, and recommended payment thereof.

Allowed.

Committee on Public Buildings

requested authority to advertise for bids for decorating the Library Rooms in the City Hall.

Granted.

Ald. Kalkman on behalf of the Civic Improvement Committee, reported recommending that the City Attorney Parsons be instructed to serve notice on the J. K. Mosser Leather Corp. to clean up their property on W. 8th St.

Ald. Kalkman further recommended that if the owners do not make any effort to clean this up in 30 days that the City go ahead and clean it up and have it assessed against the property.

A substitute recommendation, however, was brought up by Ald. De Cook, and 2nd by Smith.

That the matter be referred to the City Atty. together with the Street Committee.

Adopted.

Ald. Damson reported on behalf of the Playground Commission that for some time they have been considering the proposition of lighting Riverside Park so that it would be possible to play night baseball and football games and also to have other activities at the Park during the summer months after it gets dark. Ald. Damson further reported that certain citizens have agreed to advance \$2,000.00 towards this project and that an additional amount of approximately 1,200 would be needed to complete the work of installing first class lighting system.

It was further reported that it was proposed to take 20% from all the receipts in order to pay back these loans and suggested that the City advance \$1,200.00 as a loan to be paid back from receipts of games at this specified rate of 20% from all receipts.

It was brought out in the discussion that followed that night baseball and football games are very popular in other localities and it was felt that the same would be true in Holland.

Mayor Geerlings called upon Prof. Paul McLean from Hope College to give his views on the matter. Mr. McLean also stated, as previously mentioned by Ald. Damson, that citizens have offered to advance \$2,000.00 toward this project which amount is to be repaid from 20% of the receipts of games. He further stated that the resolution which is now in effect by the Council that 5% of all the receipts are to go to the Council for the maintenance of the grounds still is in effect and additional revenue will be received by the City from this source. He further stated that these citizens who are advancing the \$2,000.00 have agreed that if the City of Holland will loan the Playground Commission \$1,200.00, they will wait for their repayment until such time as the City loan has been paid.

It was also stated that when the lighting equipment is all paid for, that it shall revert to the City.

Mr. Cecil White and Mr. Andrew Klompars also spoke on behalf of this project.

After some discussion by the Aldermen,

It was moved by Ald. Damson, 2nd by Bultman, that the Common Council advance \$1,200.00 as a loan to the Playground Commission to finance the balance of this lighting system, such loan to be repaid from 20% of the first receipts taken in at Riverview Park from night games and other night activities.

Adopted.

Clerk reported that if there were no objections, the canvass of the vote in the City at the Annual City and Special Elections held on April 5, 1937, which in accordance with the Charter is required to be made on the Thursday following election, could be taken up at this time.

On motion of Ald. Steffens, 2nd by Kalkman,

It was so ordered by unanimous vote.

On motion of Ald. Steffens, 2nd by Kalkman,

Mayor was requested to appoint a committee of three to canvass the vote.

Carried.

Mayor appointed as such committee: Ald. De Cook, Damson & Oudemool. After a short recess, the committee reported that they had made such canvass and submitted tabular statement of such vote, and on motion of Ald. Damson,

RESOLVED, that the report of the votes cast for the several City and Ward offices be and the same is hereby adopted, and that the several persons who have received a majority of the votes cast for the respective offices for which they were candidates be and hereby are declared elected to such offices as follows:

City Treasurer: Harry J. Beckfort—1 year.

Member—Police & Fire Board: Cornelis Stekete—5 years.

Justice of Peace: Gerrit W. Kooyers—4 years.

Alderman—6th Ward: John Vogelzang—2 years.

Said resolution prevailing all voting Aye.

The special committee appointed to canvass the vote cast at the Special Election held on April 5, 1937, on the Proposition of Amending the City Charter so as to provide:

First: That the office of Justices of the Peace be abolished, and

Second: That a Municipal Court be established, and a Municipal Judge be appointed by the Common Council to serve until the next regular City election at which time a Municipal Judge will be elected by the people at large (the term of office of such Judge to be six years)—

respectfully reported that they had made such canvass and that the result is embodied in the following vote:

Yes 1169

No 1798

And on the Proposition:

"Shall the City of Holland acquire the former Tanney Property on W. 8th St.?"

Respectfully reported that they had made such canvass and that the result is embodied in the following vote:

Yes 1011

No 1119

On motion of Ald. Damson, 2nd by Oudemool,

RESOLVED that the foregoing Propositions NOT having received majorities of all votes cast therefor, be and the same are hereby declared LOST.

Said Resolution prevailing all voting Aye.

Communications from Boards and City Officers

The claims approved by the Hospital Board in the sum of \$2,933.28; Library Board \$305.66; Park and Cemetery Board, \$1,299.80; Police and Fire Board, \$1,463.95; Board of Public Works, \$23,657.20, were ordered certified to the Council for payment. (Said claims on file in Clerk's office for public inspection.)

Allowed.

Board of Public Works reported the collection of \$23,145.56; City Treasurer: \$48,274.36.

Accepted.

Clerk presented communication from the Holland Chamber of Commerce advising that it would be necessary to drive 2 clusters of piles and provide a gangway in order to accommodate the Escanaba if she is to work at Kollen Park during Tulip Time as contemplated. The cost of such work would be approximately \$200.00.

Referred to Ways and Means Committee and Harbor Board.

Clerk presented communication from the B. P. W. advising that the contract for a 500,000 gallon elevated Water Tank was awarded to the Chicago Bridge and Iron Works, the low bidder, at a price of \$36,875.00. The Board further requests permission to erect this tank just west of their Pumping Station on 28th st. just west of Washington ave.

Clerk informed the Council that the Board of Public Works has secured options on approximately the West one-half of the block between 28th and 29th sts. adjacent to their Pumping Station, and further, that this property is now in a Residential District, and called upon City Atty. Parsons to give his views in the matter.

Mr. Parsons stated that in his opinion it would be advisable to zone the E. 1/2 of this block so that the erection of the Water Tank would not be in violation of the Zoning Ordinance.

Matter referred to Appeal Board with recommendation that the E. 1/2 of this block be rezoned in order to permit the erection of this Water Tank under the Zoning Ordinance.

Clerk Peterson presented communication from the Board of Public Works recommending purchase of 3-150 K.V.A. transformers to replace the present ones, in order to handle the load at the Hart & Cooley Plant. Cost of such new transformers being \$1,908.12.

Approved.

Motions and Resolutions

City Attorney Parsons, to whom had been referred at the previous meeting the matter of looking into the advisability of endorsing Senate Bills 111-118, which are Bills concerning the proposed Relief set-up, reported having discussed these matters with the Legislative Committee from the Michigan Municipal League on two different occasions.

Mr. Parsons stated that from this discussion, it developed that the City attorneys from the different cities were not in agreement as to the merits of these bills. He stated that some of the cities had voted to recommend it's passage while others had voted against it.

Mr. Parsons went into considerable length in pointing out to the Council certain requirements of these Bills and stated that in his opinion the Council should not endorse them.

He further stated that there was at the present time another Bill in the House known as House Bill #227 which had the support of the boards of supervisors, and it was his contention that this would be a more meritorious measure than Senate Bills 111-118 incl.

On motion of Ald. Smith,

The Council went on record in support of House Bill #227 instead of Senate Bills 111-118 incl.

City Attorney Parsons also called attention of the Council to Senate Bill #28 which is a bill providing for getting the approval of the Public Debt Commission before any special assessment bonds can be issued for any special district. Mr. Parsons pointed out that this takes away from the cities practically all of the control over the laying of sewers, sidewalks and paving without the consent of the Public Debt Commission. He further stated that there is another requirement in this bill which provides that any 10 property owners in a special assessment district may petition the Public Debt Commission for a hearing before any special assessment can be ordered.

Mr. Parsons then presented a resolution opposing the passage of such Bill, and further recommended that copies of the resolution be forwarded to Senator Brooks at Lansing.

In this connection, Mr. Parsons further stated that Senator Earnest C. Brooks is very much opposed to this measure and had succeeded in having it referred back to the Committee. However, the Bill would

be brought up later and no doubt Mr. Brooks would welcome the support of the Council in opposing it if it becomes necessary.

Resolution adopted unanimously.

Mr. Butler of the Holland Evening Sentinel reported that the Sentinel is getting out another "Tulip Time" Edition and wished to have the City of Holland purchase advertising in this edition similar to that which they had purchased last year.

Matter referred to Ways and Means Committee with power to act.

Clerk requested an expression from the Council relative to the status of Mr. Jacob Kole, poundmaster. It was brought out in the discussion that followed that Mr. Kole had been requested to go

back to work by a member of the committee, and further that he was again housing the dogs in his garage at 162 W. 19th St. which is contrary to a resolution passed by the Council a short time ago. There was some further discussion but the Council took no formal action in employing Mr. Kole since there was no definite understanding as to where he could house the dogs.

Adjourned.

The Holland Chamber of Commerce has revealed that building operations the first three months of the year show at least a 20 percent gain over last year. Many applications for permits to build have come from the suburban areas. Edward Muehlenbrock, president of the Holland Furnace Co., is building a year-around home in the resort area, north of the Tennessee Beach road. There are 10 rooms with 4 baths and the exterior is of brick. Those building permits which apply to construction within the city limits showed for the first three months this year a decrease as compared with the three months of 1936.

Superintendent E. E. Fell, of the public schools, presided at a meeting, Tuesday night, in the high school auditorium by the Union Parent-Teachers association of this city. The program featured special music by the elementary concert band under the direction of Stuart Ludlow, songs by the elementary all-city chorus, Miss Gertrude Flaitz, director, and the first appearance of the Mothers' chorus, organized and trained by Mrs. W. C. Snow. A play entitled "Let the Next Generation be My Child" was given under the direction of Mrs. Nina Daugherty by members of Holland City Parent-Teachers association.

Mr. and Mrs. Tom Elzinga announce the birth of a son Sunday at their home on rural route No. 2.

The following applications for building permits were filed, last week, in the office of City Clerk Oscar Peterson in the city hall: Peter VanderLeek, 31 West 19th st., repair front porch, \$25; Johann VanderWoude, 154 West 20th st., build 18 by 20 foot garage, frame and asphalt roof, \$90; C. Ver Plank, 174 West Eighth st., build single garage, 12 by 18 feet, frame and asphalt roof, \$125; Ben D. Mulder, 187 West 20th st., build double garage, 18 by 22 feet, frame and asphalt roof, \$150; Bud Fraam, 345 Columbia ave., remodel and make repairs, \$100.
