City Official Is Taken Away By Death Suddenly

LEARNED THE LEATHER MAK-
ING TRADE WITH THE OLD
CAPPON-BERTSCH LEATHER
COMPANY

The many friends and relatives of Gerhard Melchior Laepple were shocked Monday morning to hear of his sudden passing at Holland hospital. Mr. Laepple had been ill at home for two weeks, when his condition took a serious turn, and he was taken to Holland hospital, where death followed. Few in Holland knew of the seriousness of his condition until they heard of his passing.

Mr. Laepple, who was 59 years old, received his fundamental education in our public schools. At an early age he had the desire to become a tanner as was his father, Gudlieb Laepple, who was one of the pioneer leather-makers in this city, becoming associated with the Cappon-Bertsch Leather Co., an institution that grew from a very humble beginning when the only power was a bark grinder propelled by a white horse. This first industry later developed into one of the largest tanneries in Michigan.

Mr. G. M. Laepple learned the leather business here, and later, when the plant was purchased by

G. M. Laepple.

the Armour Leather Co., he remained with the institution for a considerable length of time. For a short time he acted as representative of the International Shoe Co. with headquarters in the East. For a time he moved his family to Pennsylvania, since his new vocation took him through many of the Eastern states. For some time he was identified with the Home Furnace Co., and at one time, in the earlier days, he was a fireman on the Pere Marquette Railroad.

In recent years, and up to the time of his death, he held the position of Secretary of the Model Laundry, Inc., this enterprise being on East 8th Street. He had held this position ever since 1931. Joseph Borgman, for many years associated with the Model Laundry, and now head of the concern, is a brother-in-law.

Mr. Laepple has always taken deep interest in civic affairs, and has held several responsible positions, which he always filled with credit to his home city. Mr. Laepple was elected alderman of the third ward in 1920 and continued to serve until 1928. On July 1st, 1935 he was appointed by the common council to fill the unexpired term of former mayor, Nick Kammeraad, who had died June 6 of that year and was then a member of the board of public works.

Mr. Laepple was a devout member of Hope Church, and took a deep interest in the Men's Class, with which he was also associated. Mr. Laepple was born on November 4, 1878, and Holland was the place of his birth.

Funeral services were held Wednesday at 2:30 p. m. at the home, 70 West 12th St., Rev. Paul E. Hinkamp of Hope College officiating. Interment took place in the family plot in Pilgrim Home Cemetery. The body lay in state at the Nibbelink-Notter Funeral Home Tuesday morning, when friends were privileged to pay their respects. The floral tributes from home and abroad were many and beautiful. The bearers were Cecil Hunley, City Clerk Oscar Peterson, Dr. E. D. Dimmet of Hope College, Gertrude Spretman, "Hub" Boone, and George Huntley. The board of public works and others of the executive staff, together with many other city officials, attended in a body.

The deceased is survived by the widow; one daughter, Mrs. Albert Schaeffgen; and one brother, William Laepple of Muskegon.

A luncheon was presented last Monday afternoon at the home of Mrs. O. W. Lowry on the North Shore for the Civic Health unit of the Woman's Literary Club, which is sponsoring the fifth annual Charity Ball April 22 in the Holland armory. Mrs. O. W. Lowry and Mrs. A. W. Tahaney, music chairmen for the event, and Mrs. Louise Diekmans and Mrs. R. W. Everett, ticket committee chairmen, were in charge of the affair. Reports on plans were given concerning the ball. Mrs. John Eaton, Mrs. James De Pree, Mrs. S. W. Merriam, and Mrs. C. Bergen comprise the special features committee. Groups from Grand Haven, Grand Rapids, Allegan, Zeeland, and Saugatuck, as well as a great number of local people will attend the ball.

Included in grants by the WPA last Wednesday was a grant of \$6,000 for the improvement of Holland State Park.

HOLLAND FURNACE CO. OF- FICERS RE-ELECTED

All past officers and directors of the Holland Furnace Co. were re-elected Tuesday morning when the annual directors and stockholders of the company held their annual meeting at the offices of the company, 489 Columbia Ave. Officers of the concern are president, Edward H. Meulenbroek; vice president and general manager, P. T. Cheff; secretary and assistant treasurer, A. W. Tahaney; treasurer, T. T. H. Boer; Mr. Cheff, Mrs. Catherine Nystrom Cheff, Mrs. Louise Landwehr, L. H. Kolb, C. J. McLean, Mr. Meulenbroek, and C. Tiesinga, all Holland residents, are members of the board of directors.

PROMINENT EDUCATOR POINTS WHERE APPLIED EDUCATION SOMETIMES FALLS SHORT

Dr. Eugene B. Elliott, state superintendent of public instruction, was the main speaker Tuesday evening at a union P.T.A. meeting held in Holland high school auditorium. A capacity audience greeted the speaker, who was introduced to the local group by Dr. Wynand Wichers, president of Hope College, and member of the state board of education. Dr. Wichers characterized the speaker as "a man of high standards, and an experienced educator and parent."

Mr. Elliott spoke on "The Place of the Home in Public Education." Dr. Elliott commended Holland on its retaining school officials for long periods, thus creating efficiency in the local school system, and also characterized the people of the city as having a reputation for enterprise in school and public affairs. He added that a number of the problems he planned to discuss in his talk did not pertain to the particular system in Holland.

Dr. Elliott mentioned the fact that "many have almost forgotten the place and duty of the home in moulding character and developing and choosing a vocation." A study of juvenile delinquency, and even delinquency in later years, Dr. Elliott pointed out, is due to poor home conditions, and lack of care of children in the home.

The speaker emphasized the study of psychology on the part of the teacher so that the many direct his students' efficiency and will. He also asked for a sincere study of our present-day educational set-up on the part of parents, so that they will know what the schools are attempting to inculcate in their students.

Belief that the home should place foundations for school life, and supplement the work of the school was stressed by Dr. Elliott. "Above all, the home should realize the need for the preservation of our democratic institutions," the speaker concluded. "Young people should be taught to appreciate values, and the home should assume as its part of the responsibility to see that the children are conscious of the advantages of freedom of the press, speech, and religion."

The Holland 60-piece elementary school band, under the direction of Stuart A. Ludlow, and the Holland elementary school chorus, under the direction of Miss Gertrude Plaitz, presented a musical program preceding Dr. Elliott's address. Dr. Elliott commended both organizations on their splendid performance. Devotions were led by Prof. Garrett Vander Borgh of the Hope College education department. Miss Lida Rogers made an appeal for membership on behalf of The Netherlands Pioneer and Historical Foundation. Mayor Henry Geerlings, secretary of the board of education, presided at the meeting.

Funeral services for Mrs. Anna Brouwer, 55, wife of Arend K. Brouwer of Harlem, who died about noon yesterday at Holland hospital, will be held Monday privately at 1:30 from the home, and formally at 2 p. m. from the North Holland Reformed church, the Rev. H. Maassen officiating. Burial will take place in Pilgrim Home cemetery. Mrs. Brouwer was a member of North Holland church. She was born July 9, 1882, to Mr. and Mrs. D. Tenckinck at Grand Rapids. The body will lie in state at Nibbelink-Notter funeral parlors Saturday afternoon and evening. The husband; four sons, Dick and Clarence of the Northside; James at home, and William of Grand Rapids; a daughter, Mrs. Dan Dekker of this city; sister, Mrs. Dick Bazzan of Portland, Michigan; and two brothers, Louis Tenckinck who resides east of Holland, and Henry of North Holland, survive.

Stockholders and directors of the Holland Hotel Co., which operates Warm Friend Tavern here, met at the tavern yesterday morning. Directors and officers were all re-elected. Mr. W. H. Lillard will continue as manager of the hotel. Officers are P. T. Cheff, president; L. H. Kolb, vice president, and A. W. Tahaney, secretary-treasurer. Directors re-elected are Mr. Tahaney, Mr. Lillard, C. J. McLean, Mrs. Louise Landwehr, Edgar P. Landwehr, Mr. Kolb, H. Boone, Mr. Cheff, and Mrs. Katherine Nystrom Cheff.

The Wolverine Four, a Grand Rapids male quartet, has been engaged to provide special musical selections for the three-hour Good Friday service to be presented in Hope Memorial Chapel Sunday. The Messrs. Larink, Reither, Yoder, and Morse comprise the group, which is regarded as one of the best male quartets in the state. Prof. Kenneth Osborne of the Hope College music department will assist at the organ.

Mrs. Eugene F. Heeter and Mrs. Clyde Geerlings entertained members of the Faculty Vowues club at the Geerlings residence on East 24th St. Monday afternoon. Prizes at games went to Mrs. Russell Welch and Mrs. Rex Chapman.

What Trailer Trip Through Mexico is Like

OTTAWA COUNTY FOLKS
ENTHUSED; TELL OF PRIMI-
TIVE WAY OF LIVING;
MAKE FINE FURNI-
TURE WITH HAMMER,
CHISEL SAW &
PLANE

Travel in a car and trailer is the ideal way to see the country, says George Walt of Spring Lake, Ottawa county, who has had ample opportunity to test this mode as he has just returned from a 7,000-mile trip into Mexico, along the Gulf coast and through Florida.

Mr. Walt was accompanied by an old friend, L. F. Lobdell, who "batched" it along the way in perfect comfort as the trailer camps, or courts as they are called in some places, offer every convenience, entertainment and comfort at comparatively little cost.

"When your car stops at night it's home, no matter where one may be," says Walt.

Trailer camps in Mexico are being developed rapidly as the Mexicans are making a great play for tourists. The present rate of exchange makes travel there very cheap in comparison to many foreign countries, American money bringing so much more when used in Mexico.

Mr. Walt and his friend went as far south as Saltillo, a city of about 50,000 and one of two places in Mexico where the serape, Mexican shawl, is still woven by hand, beautiful works of art as to color and design and fine weaving. They also visited Monterrey, a city of 100,000. Civic buildings and church edifices are magnificent but the people still live in a primitive way.

He visited a furniture factory where exquisite pieces were being turned out. He observed that the only tools were a hammer, six chisels, a saw and a plane. It is unbelievable what can be done without a motor, or a piece of machinery of any kind, Walt observed.

He purchased a beautiful serape and saw it made from the raw wool, dyed and woven on a loom of the type used thousands of years ago. The natives have no conception of modern fabrication but they are artists at heart, demonstrated in their silver work, pottery, weaving, lace, drawn work, and wood carving.

In the rural sections the native life is at a low ebb. They live in huts where an American would hesitate to house his dog. The mountains are bare and there appears to be but little wood, the only fuel the natives seem to have. How they keep warm in the high places and cook their food on a few sticks is beyond him, Walt said.

Farming is still done with a forked stick. The burrows are the best of burden. They carry loads to the village which often conceal the little animal. "I saw a few oxen but never a horse as long as I was in Mexico," he said.

The great highway constructed by the government from the Texas border to Mexico City is remarkable with the steepest grade about 6.5 per cent. This compared with some of the older roads in the Rockies which Mr. Walt has traveled, at a 22 per cent grade, makes travel with a car and trailer very easy. The roads are not guarded as they are in this country, which produces many a thrill as one looks down into canyons 1,000 feet deep.

In Florida they visited all of the important places. They saw trailers from the home made affairs up to one, a \$11,000 beauty and noted that young Vander Bilt, who took his trailer to the Coronation last spring, was parked near the "Breakers," said to be the finest hotel in Florida, preferring it to the luxuries of hotel life.

Mr. Walt did not get as far south as Mexico City. He says he hopes to do that another time as Mexico offers a most interesting contrast to the United States, a country where one feels far removed from the activities of the modern world.

Among the interesting places he visited in Texas were the citrus fruit ranches. One factory he visited has 800 tons of grapefruit per day. The Rio Grande valley is wonderfully fertile and produces quantities of fruits and vegetables shipped to many parts of the country. The orchards are a marvelous sight, he said.

The news might add that the Rio Grande citrus fruit belt is where several Holland men have grapefruit orchards including Charles Van Zyl, Henry Zwemer, John Dykens, Bernard Keefe, Bert Gebben, Tom Marsilie, and others.

The U.S.W.V. Auxiliary will meet next Friday night, instead of tonight as has been previously planned. Postponement was made because of Good Friday.

Marvin Stukel, formerly manager of Peck's drug store here, has been added to the staff of the Model Drug store at Eighth St., and River Ave. Henry W. Wilson, manager of the store announced today.

Mr. and Mrs. Nicholas De Vries of East Ninth St., spent Wednesday in Muskegon with friends and relatives.

Their 61st wedding anniversary was quietly observed Sunday at their home in Jamestown by Mr. and Mrs. Henry Van Noord, Sr.

Jacob Lokker of 220 West 12th St., is in a critical condition with heart trouble.

SIXTY YEARS AGO TODAY

Our young folk were treated this week to the screaming music of a grind organ, accompanied by a dressed-up monkey, and an ugly-looking Italian or Mexican. The monkey deftly picked up the pennies that the excited children threw to it—a sure sign that spring has come to stay. We are looking for the bear man next. Note:—The monkey and the grind organ have been common for years—harbingers of spring they were. The bear man has disappeared altogether. In the early days the man with a large bear made his appearance as regularly as the monkey, only a little later. The man as a rule was heavily bearded, rather Russian-looking. The man made the bear do tricks, and a fight with the bear called for a second collection of pennies. The bear, attached to a long pole, would stand on its hind legs, and thus circle around the man, who supported by monotonous incantations, supposedly for the bear's education or instruction, and to mystify the audience.

Olive Township elected the following ticket:—Supervisor, A. P. Stegenga; Clerk, Henry D. Jones; Treasurer, M. E. Nienhuis; Commissioner of Highways, Joel M. Fellows; Commissioner of Drains, John D. Wood; Supt. of Schools, F. M. Harvey; School Inspector, C. Nivison; Overseer of Poor, Joel M. Fellows; Justice of the Peace, Charles Crother and W. A. Willis; Constables, Wm. Erik, M. P. Stegenga, Charles Owen, John F. Bush.

FIFTY YEARS AGO TODAY

The hearts of Mr. and Mrs. Rudolph Haberman were made glad last Tuesday morning by the arrival of a baby girl. Note:—Mr. Haberman was an alderman of the fourth ward for years, and was a member of the Board of Public Works. The couple had several daughters. Several taught in our public schools. Their only son, Rudolph, is manager of the Battle Creek Chamber of Commerce.

Hope College catalogue has just been issued showing 106 students in the Grammar School and 37 in the Academic Department; 5 in the Theological Department, or a total of 148. Note:—Today there is no Grammar School, later called Preparatory School. The Theological Department, then having one instructor—namely, the late Dr. N. M. Steffens, is now the Western Theological Seminary, with their own campus and buildings and a sizeable faculty, with Dr. S. C. Nettinga, the head. The student body of the Western Theological Seminary now numbers approximately 40, and the student body in all departments at Hope College, about 550.

"A blizzard" caused another "boom" in the wood market here. "When the robins nest again" is about this time. O. My! Note: Wood is mentioned—not coal. Wood was plentiful in those days. Every farmer, when he came to town, loaded up with a few cords of wood, sold it and bought his groceries. The first coal to come to Holland was sold by Teunis Key, a L. Mulder of De Grandwet. It was tried out in a steam boiler to drive the engine.

FORTY YEARS AGO TODAY

Born to Mr. and Mrs. P. Holkeboer, a son; to Mr. and Mrs. Henry Van Ark, Sunday, a son.

Prof. J. Talmadge Bergen of Hope College, and once pastor of Hope Church, caught a 15-pound muskellunge in Black River near the Water Works on Thursday. Note:—Dr. Bergen was much thought of by Holland folk. He was a real sportsman and his spare time was spent in fishing. He was not only a fisher of fish, but a fisher of the characters of the town, often "bar flies." Many of these men reformed, stopped drinking, and became men among men again. Mr. Bergen held a tremendous influence over these men, and they held him in the highest esteem. Holland will always love Dr. Bergen, who comes here often to visit his son, Cornelius Bergen, East 13th St.

Judge J. B. Humphrey of Ironwood, Michigan, has come to Holland to live. He is the father of Charles M. Humphrey, president of the new Electric Road. Note:—Charles Humphrey was the man who promoted the Holland-Lake Michigan and Saugatuck electric road—later the Holland-Grand Rapids Interurban. Judge Humphrey, the father, was at one time Judge of Probate of Allegan county and was appointed as Deputy State Treasurer many years ago. Mr. Humphrey built the first large home on Lake Shore Drive near Central Park.

The Holland letter carriers have organized a branch of the association, which affiliated with Muskegon, Grand Rapids, and other carriers in this vicinity. The officers elected are Paul R. Coster, president; Jacob Geerlings, vice president; Frank "Buttons" Doensburg, secretary; Wm. E. Vander Hart, treasurer; John K. Van Lente, sergeant-at-arms. Installation will take place in the Rink Block on 8th St. Saturday, with Grand Rapids and Muskegon members participating.

THIRTY YEARS AGO TODAY

The two-year-old son of Mr. and Mrs. John Japiga, who fractured his right leg two months ago, had the misfortune to break this same leg Sunday while playing in the house.

Jacob C. Pelgrim, son of Henry Pelgrim, Sr. of the Bay View Furniture Co., who is studying for the ministry at New Brunswick, N. J., has received a call from New Albany, N. Y. He has also been offered a scholarship at New Brunswick. Note:—Dr. J. Carelton Pelgrim has since become a minister well known in this country. For some years he has lived in Florida and spends his summers at Macatawa. After he was ordained, he was married to Miss Estelle Kollen, only child of Dr. G. J. Kollen, the president of Hope College at that time.

John Kerkhof, prominent businessman and supervisor, first of Holland Township, and later of the City of Holland, died at the age of 52 years. Martin Kerkhof, a son. He conducted a plumbing business in Holland.

Mrs. Bert Slagh, wife of a Holland merchant, made a lucky discovery, which enriched her pocketbook with a \$2000 bill. While "gathering discarded clothing for the rag man," she accidentally put her hand into the pocket of her husband's trousers and pulled out what she thought to be a piece of paper, which proved to be a \$2000 bank note.

TWENTY YEARS AGO TODAY

Deputy Sheriff Lawrence De Witt is the last man in Holland to enlist in Uncle Sam's Army this week for World War duty. Mr. De Witt is one of the most valued men on the staff of Sheriff Dornbos, and was driver at Fire Station No. 1 at Holland. Note:—Today Mr. De Witt is Chief of Police at Grand Haven—and is a good one.

The fire horses of No. 1 Engine House will not be hitched to the sprinkling wagon as was first contemplated. John Schouten, member of the police board, sold the team to a farmer for \$400. All winter the horses went begging at \$250.00, with no buyers. Note:—The horses in question were replaced with Holland's first motorized equipment.

The Holland City News printed letters from Holland soldiers, either from France or training camps throughout this country. Among them were the following: Henry Rink, Bernard Brink, Wilard G. Leenhouts, Jacob Spruit, and Louis W. Schoon.

Mayor Isaac Van Dyke defeated his opponent, John Moeke, by a narrow margin of but 10 votes. Van Dyke received 160 and Moeke 150 as Mayor of Zeeland.

"Babe" Wolting, the star first baseman on the Holland team, froze his face while loading lumber at Waverly. Note:—It's some time since "Babe" froze onto the ball on the first sack. Well, he was good with the "stick" and the "sack" too.

Mrs. Frances St. John of Central Park was one of the first in this vicinity to mourn the loss of a relative in the war. She heard last week that a cousin of hers had been killed in the trenches in France by the Germans during a "barrage."

TEN YEARS AGO TODAY

At North Holland a kite-flying contest was held at the school. Thomas Kappinga was the winner, his kite going the furthest and flying the nicest. As a prize he had the choice of either a book or 50c.

Paul Van Verst, son of Dr. and Mrs. G. W. Van Verst of Holland, who graduated from Rush Medical College on March 29, is now serving his internship in Washington Boulevard Hospital, Chicago.

Jacob Essenburg of Borculo and Miss Josephine Jekel of New Groningen were married by Rev. John Van Peursem of Zeeland. The couple are coming to Holland to live.

Miss Lois Mae Marsilie, Friday was chosen Valedictorian of the class of 1928 in Holland high school. Her standing was 97. Miss Thelma Peterson was named Salutatorian, her percentage being 96.28. Miss Grace Kruijsma, Miss Evelyn Beach, Miss Isabel Zuber, and Roy Mooi all attained marks above 95. 33 other members of the class received marks of over 90. Holland high school will graduate a class of 132 in June.

Small boys today, as a lark, started the big sedan of Walter Lane of the Bush and Lane Piano Co. down the incline near 25th St. and Central Ave. The pushed car kept going until it landed in a ravine resulting in considerable damage.

G. J. Diekmans left for Washington, D. C., where he is attending a bear sugar tariff meeting.

Atty. Arthur Van Duren of Holland was named chairman of the Republican county convention, held at Grand Haven. One of the pathetic incidents in the convention was when reference was made to the Hon. C. Van Loo of Zeeland, who had died since the last convention, and who had been attending conventions regularly for fifty years. Delegates from Holland named to the State Convention at Detroit were: Mr. G. J. Diekmans, delegate-at-large; John B. Mulder, Charles K. Van Duren, Walter Groth, Ben Mulder and S. A. Hendrie. Angus DeKruif was named

Hosiery Mill Is To Build In Zeeland

NEW INDUSTRY EXPECTS TO
EMPLOY MANY VERY SOON

Zeeland folk are happy over the fact that their industrial committee has landed a new enterprise—namely, the Laureine Hosiery Co., the firm being composed of Chicago and Belding men who believe in Zeeland, and are ready to build a plant there. It is understood that machinery for the new factory has already been ordered.

The contemplated factory will be 60x150 feet, and is to be one story high. It is understood that the industrial committee has reserved verbal options on four different sites. One embraces ten vacant lots between McKinley and Colonial Streets. Enough ground will be purchased to allow for considerable expansion. It is intended that the contemplated building will be well-lighted with daylight, and this is made especially possible in planning the one-story building, allowing for sky-lights with northern exposure.

If the plans in prospect "pan out" it is expected that 160 persons will be employed in production. It is hoped that the new factory building can be completed by the end of next month, and the machinery will be moved in as rapidly as space is available.

When the plant is finally established, it will manufacture only hosiery for women. It is planned to install twenty knitting machines as the first unit of the local plant, each machine being capable of knitting twenty-four stockings at one time. It is proposed to operate the plant five days each week, Monday through Friday, with three 8-hour shifts daily.

The employment will be about equally divided between men and women. The industrial committee of Zeeland has done some excellent work and naturally the citizens feel especially thankful. Zeeland recently sustained an industrial set-back when the Dutch Woodcraft Co. after the death of J. A. Vander Veen last October, closed down and the production and orders were transferred to the Holland Furniture Co., also one of the Vander Veen plants. This caused the laying-off of some 75 men. However, this new industrial set-up, according to contemplation, will more than offset the loss of the Dutch Woodcraft Co.

Another plant has recently moved in the Moeke factory building, and it is said that these two plants will be augmented by still another, which is now in prospect. Anyway, Zeeland has every reason to feel elated over the favorable turn, as this relates to its industry.

FORMER GOVERNOR FITZ- GERALD TO BE HERE

Former Governor Frank D. Fitzgerald, candidate for nomination and re-election on the Republican ticket, will be in Ottawa County, Monday, April 18th on a "speechless" informal visit to both Holland and Grand Haven. His trip to Ottawa County is part of pre-campaign tours which will take

FRANK D. FITZGERALD

RESTLAWN WILL HAVE SACRED CONCERTS EVERY SUNDAY

The officials of Restlawn Memorial Park, East of the city, have decided to conduct sacred concerts at 3:00 p. m., every Sunday, weather permitting. Equipment is now being installed to make possible these outdoor concerts. It is planned to have sacred music, softly played, but which can be distinctly heard anywhere in the park. In the future, this music emanating from the tower, will also be part of burial services from time to time.

Charles Van Zyl, president of the Restlawn Memorial Park, stated, "We feel justly proud of the beautiful, new chimes tower that will be available at all times for any special religious or memorial service. You may enjoy the music from your parked car or while strolling through the grounds that are now being beautified. Many sacred compositions, old hymns, and religious offerings in the way of church music, are to be featured on these occasions."

There will also be religious music on Eastern Morn, with Sunrise services at 6:00 a. m.

Dr. Roland Shackson of the Hope College speech department and four college students left this morning for Topeka, Kan., where they will spend a week participating in the 12th biennial convention of Pi Kappa Delta. Students making the trip are Wendell Miles, son of Judge Miles of this city, Wilbur Jacobs of Fremont, Miss Eunice Sluyter of Paterson, N. J., and Miss Alma Nyland of Martin. All will compete in debates. In addition, Miles and Miss Nyland will enter the extemporaneous speech division, and Jacobs and Miss Sluyter the oratorical division. The group's first stop will be at Pella, Ia., where a series of debates with Central College teams will be held.

The Rev. Martin Gritters, pastor of the Protestant Reformed church of this city, announces that he has accepted the call extended him by the Protestant Reformed church at Sioux Center, Ia., and will leave Holland about May 1.

A meeting of the Ottawa County Medical association was held Tuesday at the Second Reformed church, Zeeland. About 30 attended the meeting, at which Dr. G. J. Kemme of Drenthe, society president, presided. The May meeting is to be held at Grand Haven.

Mr. and Mrs. John Heideema, 220 West 14th St., announce the birth of a son at Holland hospital Wednesday morning.

Holland Man Prominent on WLS Program

Paul Nettinga, son of Dr. and Mrs. S. C. Nettinga, of this city, will head the appearance here of the WLS quartet which, together with several other WLS stars, will present a program at the Holland armory Wednesday, April 27. The Holland division of the Veterans of Foreign Wars will sponsor the appearance of the radio troupe here.

A matinee performance will be presented at 4 p. m., and two evening performances will be presented at 7:00 and 9:00, respectively. Among other stars to appear here are the Arkansas Woodchopper, the Prairie Ramblers, Tom Corwin, and others.

Tickets are available at the John Homfeld Electric Shoe Shop, 317 Central Ave.; the Shell Gasoline Station, 15th and River; the Gulf Station, 9th and Central; Lee's Place, 180 River Ave.; Ollie's Sport Shop, 8th St.; Superior Cigar Store, River Ave.; and Crow Restaurant, Saugatuck.

ZEELAND IS LABORING FAITH- FULLY ON ITS COMING CHICK AND EGG SHOW

Zeeland is to have a Chick and Egg Show on April 26, 27, 28 and 29. This has become an institution and is becoming more popular each year. With lower Ottawa County, the egg and chick center of Michigan, the possibilities of a show of that kind are eminent.

There is also going to be a Chick Queen. This is especially appropriate since Daniel Webster defines that a chicken is a young maiden. There are several "sweet" girls in the lot; among them Lois Vyngarden, Ruth Lanning, Cora Bouwens, Gladys Schrottenboer, and Marian Lampen; so you can be assured that from these fine girls there is a chance to select a real Queen over the Egg Show.

The merchants are also taking hold and have decided to put on display windows featuring eggs as well as chicks. These windows will be shown all during the Show, and those with a chandelier complex will do some window shopping during this exhibition. Prizes for the best store window will also be given, the capital prize being \$10 and \$5.

There is also going to be a demonstration at one of the stores showing the different uses eggs can be put to, also demonstrating the different values in an egg diet. The show will wind up with a chick auction sale on Friday.

Merchants are vying with one another, offering prizes, cash and merchandise, for the best white eggs, and the best brown eggs in different classifications. Special prizes will also be given by hatcherymen. Their prizes are 50 chicks for the first prize and 25 chicks for the second prize, according to the scoring.

It would be well for Holland folk to visit Zeeland's Chick and Egg Show during the latter part of April, since it will be an interesting exhibition; and furthermore, it is the neighborly thing to do—to take an interest in what our neighbors do, which we surely know will deserve merit. Zeeland citizens and its band participate in our Tulip Festival annually. It is well for Holland to take an interest in a diversified industry that means a great deal financially and otherwise—not to Zeeland alone, but to Holland as well—an industry that is developing to greater proportions year by year.

ATTORNEY GIVES REVIEW OF HOLLAND'S DEVELOPMENT

Members of the Holland Lions Club were addressed at their regular meeting at Warm Friend Tavern Tuesday noon by C. Vander Meulen, member of the board of directors of The Netherlands Pioneer and Historical Foundation, which opened its membership drive on that day. Mr. Vander Meulen stated the quaint history of Holland from its founding by Van Raalte up to the present day, and urged the continuation and preservation of the culture left in this city by our ancestors.

"We have always had a generous sprinkling of men with imagination and courage in developing our city," the speaker stated. He called to mind the fact that this spirit is still prevalent in Holland, pointing to the founding of Hope College and the suggestion of Tulip Time by Miss Lida Rogers a few years ago as examples of these forces at work among our people.

Mr. Vander Meulen gave due credit to the Holland Fish and game club in making ours a resort town. In the course of his address, he proposed the building of a Netherlands Museum to replace the present temporary museum, and to house our library. Government aid could be used for support of the project, he stated, but "we can't do it unless the people of Holland show an interest in it."

SPECIAL MUSIC WILL
FEATURE IMMANUEL
CHURCH EASTER SERVICE

Special Easter music will be featured by Immanuel Church, which meets in the Armory, at both the morning and evening services this coming Sunday. A mixed double quartet will sing two numbers at the morning service. This quartet is composed of: Misses Betty Van Klink, Dorothy and Jean Nienhuis, Mrs. C. Beerthuis, Messrs. Gordon Vanden Brink, Jack Essenburg, Henry Weyenberg, and George Goselaar. At the evening service, the orchestra will play for the song service, and several Easter numbers will be rendered by the chorus of 40 voices under the direction of Miss Thelma Vanden Brink.

Edgar Holkeboer placed second in the declamation contest and Cornelius Plantinga placed second in the extemporaneous speaking contest held at Holland high school Tuesday night. Contests were held in connection with the sub-district forensic contest. Both winners are from Holland Christian.

The Michigan State college poultry department has informed P. J. Osborne, local hatcheryman, that his record of 346 eggs from one pen of Red hens is at present leading a contest which is almost nationwide. Entries have come from 16 states, and Canada.

Their 35th wedding anniversary will be celebrated tomorrow, Saturday, by Mr. and Mrs. N. Stokhuis of Lakewood Blvd. A family gathering will take place in the evening.

Easter

What does Easter mean to you? To some it means the bright glitter of happiness in a child's eyes as they search the grass with twinkling expectancy, eyes that laugh with glee when they catch the gaudy color of a well-hidden Easter egg.

To some it means the fresh newness of a Spring morning, the whispered gaiety of a boy and girl on the church steps, the scent of flowers in the still cathedral air, the beauty of dresses, bonnets, and the smiles that go with them.

To some it means the stirring of an inner fire, a flame tossed in the flux and flow of life, yet a flame that burns on in endless clarity, giving a faith in the future and hope for the eternal re-birth of all that lives.

Through the long march of the centuries, the race of man has found the will to go on in this vision of a new and better world, here and beyond. Four thousand years ago, the scoffer in a Pharaoh's court laughed at the weakness and transient frailty of man. In 1938 A. D., there are still those who read the scroll of time with the single word "Now", who drown the human hope of something better in the wine of today.

But the average man, through the centuries, has not lived by bread alone. That flame deep within has reached upward towards a clearer air and a bluer sky. Even while that early scoffer's voice still cracked with the mockery of his laughter, man was already using his hands and brain to fashion the steps in the ladder of time.

And now once again, on this Easter Sunday, that flame is born anew in the hope and faith of the day of Resurrection, a hope and faith that gives deeper meaning to the Spring newness in the air. Once again, on this Easter Sunday, we find in nature's re-birth the meaning of our own struggle and proof that all that lives shall not perish.

In this Holland community this abiding faith in Eastertide is stressed especially through the earnest preparation for Easter on Good Friday and on Eastern Morn. Christmas, the day of the birth of the Christ Child, and Easter, the Resurrection of Christ, are closely linked up with the lives of all Christian people here and everywhere. These are the days when the best in man will exert itself.

With the spirit of the "Star of Bethlehem" and "Easter Morn" in their hearts—with such a background in a community, in a state, in a nation, there is little chance that the fallacies, which seem so rampant abroad, will take root here. The great bulwark of protection against these "isms" is the Christian Church. Let us be happy in the thought that a vast majority still believe in the Birth, the Death, and the Resurrection of Christ, and the promises to mankind held out to us.

MRS. VAN KERSEN PRESIDES OVER MUSIC CLUB

The Holland Music Club met last Wednesday afternoon at the home of Mrs. Peter Prins, 82 W. 12th St. The program was in charge of Miss Helene Van Kersen, and consisted of the lives and works of Henselt, A. and Victor Herbert. Miss Van Kersen gave a short sketch of the lives of the above composers, and the numbers were as follows:

Piano solo, "Song of Love," A. Henselt, by Mrs. H. J. Masselink. Vocal duet, "Gypsy Love Song," Victor Herbert, by Mrs. Delbert Fogarty and Miss Helene Van Kersen. Piano duet, "Al Fresco," Victor Herbert, by Mrs. H. J. Masselink and Miss Helene Van Kersen. Vocal solo, "A Kiss in the Dark," Victor Herbert, and also "Kiss Me Again," by Mrs. Fogarty. Vocal solo, "I'm Falling in Love," Victor Herbert, by A. Shiphorst. Vocal solo, "Oh, Sweet Mystery of Life," Victor Herbert, by Miss Van Kersen.

The Order of the Eastern Star Chapter 429 will stage a Rummage Sale in the Vander Veem building on the corner of River Ave. and 8th St. on Saturday, April 16.

MOTHER OF LOCAL GROCER DIES

Private funeral services were held Thursday at 1:30 p. m. from the home of her daughter, Mrs. Evert Westing, 219 East 14th St., for Mrs. Mary Warner, 79 wife of Denis Warner, 525 Lincoln Ave., who died about 5:30 a. m. at her daughter's home Tuesday. At 2 p. m. public services were held from Central Ave. Christian Reformed church, the Rev. D. Walters officiating. Burial took place in Pilgrim Home cemetery, last January 9 Mr. and Mrs. Warner observed their 57th wedding anniversary. The husband, Mrs. Westing, her daughter, a son, Tyde Warner of Holland; a brother, Bert Van Dommelen of Grand Rapids; and five grandchildren, survive.

HOLLAND MAN PENIONED BY RAILROAD; DIES AFTER AUTO WRECK

Charles S. Sirrine, 80, retired railroad worker, died Tuesday about 7 a. m. at Holland hospital after injuries incurred Friday when a car driven by a relative, overturned on M-40 near Hamilton because of the icy pavement. It is believed that the shock together with other complications not connected with the accident contributed to the passing. He resided at 152 East Ninth St. On March 1936, he had ended a 57-year railroad career and was pensioned by the Pere Marquette road for the rest of his life. He worked at the Waverly yards for 36 years. On March 12, 1930, Sirrine came to Holland as night switchman at Waverly. He missed only one month in company service in his 36-year career. That was when his wife was ill.

Funeral services were held Thursday at 2 p. m. from the Nibbelink-Notter Chapter, The Rev. William G. Flowerday, pastor of the M. E. Church, and the Masonic order of this city, had charge of the services. Interment took place in Restlawn cemetery on the Zeeland road.

Survivors are the widow; a daughter, Mrs. Norman Simpson of Holland; two sons, Alfred of Grand Rapids, and Rex of St. John; a sister, Mrs. James Gunn of Allegan; and a brother, Perry Sirrine of Allegan, as well as seven grandchildren.

The bearers were railroad associates who also were Masons.

FOUNDATION MEMBERSHIP LOGICAL STEP IN FOUNDATION MUSEUM PROGRAM

(This is the first of a series of articles dealing with the progress of The Netherlands Pioneer and Historical Foundation.)

The Trustees of the Netherlands Pioneer and Historical Foundation believe that the securing of a large membership is the next logical step in the permanent establishment of the Foundation's program of expansion.

In this connection it is of special interest to note the various degrees of progress that have taken place since the idea of a local shrine for housing valuable Dutch records was first conceived.

Certain data has been kept in the files of the College Museum. Other important papers have been kept in private homes. County records of much interest were hidden in old files. Much information of historic value in private homes has already been lost. This was the situation in Western Michigan generally when the Survey of Historical Records started its work.

There had been a feeling in the minds of a number of local citizens that there was a distinct need for some sort of concerted action to preserve important historic records. In the work of the local Survey of Historical Records Willard C. Wichers and his associates were constantly discovering sources of new material in the form of records, many of which were valuable, frequently kept in insecure files in private homes and often subject to loss from fire and other causes. It was this hazard of loss of important and valuable records that caused local citizens to make a united appeal through Mr. Wichers to the National Supervisor of Historical Research at Washington for advice and assistance. National officers were quick to see the value of this service and after giving this appeal careful consideration, Mr. F. S. Tilton, Administrative assistant to the National director of the Survey of Historical Records came from Washington, and together with William Jabine, assistant Superintendent of this department in Michigan came to Holland to confer personally with local leaders.

On September 30, 1936 these men called on Dr. Wynand Wichers, President of Hope College, to discuss with him certain plans for an inventory and possible future preservation of valuable Dutch records pertaining to this locality. The results of this conference were far-reaching. The Washington officials were quick to see the possibilities of this plan, and urged Dr. Wichers to take steps toward calling a meeting of interested citizens who might lend their co-operation to this movement.

As a result of this conference a meeting was called on January 7, 1937, of local representative citizens, and the press, to give consideration to a two-fold program: first, of the consideration to an appropriate memorial observance of the 90th anniversary of the founding of Western Michigan by the Dutch, and secondly, the future establishment of a suitable shrine in which might be gathered valuable records, documents of human interest, historic lore, and such relics as were used by the early founders in the process of settlement on the shores of Black Lake and the surrounding territory. Present at this meeting were: Judge Fred T. Miles, Ben A. Mulder, Wm. Arends, Dr. Wm. C. Connelly, Mrs. Chas. K. Van Duren, Dr. S. C. Nettings, Abraham Peters, Dr. A. C. V. R. Gilmore, and Willard C. Wichers. Dr. Wynand Wichers presided at the meeting.

LOCAL HIGH SCHOOL GIRL ON WAY TO NATIONAL CAPITAL

Yesterday Miss Beth Eileen Marcus, senior at the local high school, left for Washington, D. C., where she will be Michigan's representative on the good citizenship pilgrimage under the sponsorship of the Daughters of the American Revolution. Next week the D.A.R. will hold its continental congress in Washington.

Miss Marcus, it will be recalled, won first place in a field of more than 112 candidates at the state convention at Lansing recently. Students and faculty at Holland high named Miss Marcus to the honor. She was recommended by the local Elizabeth Schuyler Hamilton chapter, D.A.R. Miss Katherine Post, now in Washington, member of the local D.A.R. Chapter, will represent the Holland division at social and official affairs. It is uncertain whether other club members will make the trip.

Applications for marriage licenses have been filed at the county clerk's office by Dan George Wiersma, 24, Holland; and Nellie Kalkman, 21, Holland; Bernard H. Ter Haar, 28, Zeeland; and Tena Van Dam, 25, Zeeland.

ZEELAND YOUNG LADY HOLLAND MAN'S BRIDE

Another Zeeland young lady became a bride last Friday evening, when Mr. Herbert Harrington, of Holland and Miss Bertha Van Eden were united in marriage at seven-thirty o'clock in the presence of witnesses only.

The marriage was solemnized at the manse of the Tenth Street Methodist Church where the Rev. W. G. Flowerday pronounced the marriage rites. Immediately following the ceremony a reception was given at the home of the bride's brother and sister, Mr. and Mrs. John Van Eden, on South Maple street, where a number of relatives and intimate friends gathered for the happy occasion.

Mr. Harrington is the son of Mr. and Mrs. Herbert Harrington, Sr., and Mrs. Harrington is the daughter of the late Mr. and Mrs. Evert Van Eden of Zeeland. They will make their home in Holland—Zeeland Record.

Referred to Ways and Means Committee.

Reports of Standing Committees

Street Committee reported having received bids from the local dealers on a 3-ton truck and recommended that the order be given to the Ottawa Auto Sales on a 3-ton Dodge truck at a net price of \$2250.00 plus the old Dodge truck that is to be turned in. Committee further recommended that an additional \$50.00 be paid for an attachment to the hydraulic lift. On motion of Ald. Huyser, seconded by Vogelzang,

Resolved that the report be adopted.

Ald. Prins, however, requested information as to the difference in price of this Dodge truck and other bids that had been submitted. Mr. Prins stated that he understood that there was only a difference of \$25.00 between the price on the Dodge truck and the International. It was his opinion that it would be better to purchase an International truck since there was such a little difference in price. Ald. Kleis voiced the same sentiment, stating that in his opinion an International truck was superior to the Dodge.

A substitute motion was offered by Ald. Prins, seconded by Kleis, that the purchase of this truck be deferred until the next Council meeting.

This motion did not receive the 7 votes, and was declared by the Mayor to be LOST.

A motion to adopt the report of the Street Committee was carried by a vote of 7 to 4.

Claims and Accounts Committee reported having examined claims in the amount of \$8,907.67.

Allowed.

Civic Improvement Committee reported that they had a matter relative to the fill and improvement of the east end of the lake to bring before the Council and recommended that this be placed on the General Order of the Day and taken up in the Committee of the Whole.

Adopted.

Reports of Special Committees

Ald. Steffens, Chairman of the special committee appointed by the Mayor relative to looking into the proposition of an appraisal of industrial and commercial properties in the City, reported having met with Mr. Cheff of the Holland Furnace Co. in regard to their participating in this expense, as had been suggested. Mr. Steffens called upon the City Attorney, who is also a member of this committee, to explain the proposition to the Council.

Mr. Elbern Parsons stated that for some time the matter of an appraisal by an outside concern had been considered and that this matter had also been recommended by the Holland Furnace Co.

It was further reported that a proposal from the J. M. Clemmshaw Co. of Cleveland, Ohio, had been received, calling for a total price of \$5,700.00.

It was further reported that the Holland Furnace Co. had signed an agreement to pay one-half of this expense or \$2,850.00.

It was moved by Ald. Steffens, seconded by Vogelzang,

That the report be adopted and the proposition of the Holland Furnace Co. accepted.

Adopted.

Communications from Boards and City Officers

The claims approved by the Hospital Board in the sum of \$3,422.33; Library Board, \$296.89; Park and Cemetery Board, \$1,591.91; Police and Fire Board, \$3,740.43; Board of Public Works, \$25,188.75, were ordered certified to the Council for payment.

(Said claims on file in Clerk's office for public inspection.)

Allowed.

Board of Public Works reported the collection of \$23,462.98; City Treasurer, \$5,049.16.

Accepted.

Clerk reported Interest Coupons due in the amount of \$45.00.

Ordered paid.

Clerk presented report from City Inspector Wiersma giving resume of his activities during March.

Accepted and filed.

Clerk presented communication and resolution from the Holland Hospital Board, together with letters of complaint from former Hospital patients regarding truck traffic past the Hospital. The resolution from the Hospital Board requests the Council to take the necessary action to re-route this truck traffic away from Hospital.

Ald. Huyser, Chairman of the Street Committee, reported that this matter had been considered for some time. However, there were obstacles in the way of re-routing these trucks. It was brought out in the discussion that Washington Ave. south of 20th St. is very narrow and of a light black top surface which will not stand up under heavy trucks. It was also stated that there is no curb along the side and if heavy traffic is routed along this street, the pavement will be broken up in a short time. Alds. Vogelzang and Smith also took the position that trucks should not be routed over Washington Ave., due to the poor condition of this street. After considerable discussion, however, a resolution was adopted to try out re-routing as follows:

W. 17th St., from River Ave. to Washington Ave., and south on Washington Ave. from 17th St. to U.S.-81 at the City limits.

In commenting upon the passing of this resolution, the City Attorney stated that they did not know of a better routing. Other Aldermen suggested different routing; however, no definite action was taken, as stated above, was allowed to stand.

Clerk presented communication from the Board of Public Works requesting the Council's approval on the purchase of 4-24 KW transformers from the Maloney Elec. Co., at a cost of \$797.38.

Approved.

Clerk presented communication from the Park and Cemetery Board recommending that the Mayor and

Clerk be authorized to sign a contract for a sprinkling system in the New Cemetery Development that has been awarded to the Dayton Irrigation Systems for sprinkling 4 blocks along 16th St., as per their bid price of \$3,540.00, they being the low bidder.

Action approved.

Clerk presented communication from the Park and Cemetery Board requesting permission to dispose of the house on the New Cemetery Development property in order to go ahead with the improvement.

Granted.

Clerk presented communication from the Park and Cemetery Board requesting the Council to establish a one-way drive through Kollen Park with the entrance at the foot of 10th St. and exit at the top of the hill on 12th St.

Adopted.

Clerk presented communication from the Park and Cemetery board, together with a letter from the Commonwealth Pipe Line Co., requesting a lease from the City on 8 acres of City-owned property on S. 16th St., a short distance from the present cemetery property. The Park and Cemetery Board recommends that a committee from the Council meet with the Board to consider this proposition.

Mr. Dick Boter, who was present, spoke in opposition to granting such request. He stated that there was considerable valuable property in this vicinity, and if such request were granted, this property would immediately depreciate in value to a considerable extent. It was Mr. Boter's contention that this request should be denied forthwith.

Matter referred to Ways and Means Committee to confer with the Board.

Clerk presented communication from the Police Board recommending the establishment of angle parking on the south side of 10th St., from River Ave. to the property of Hope Church.

Adopted.

Motions and Resolutions

Mr. Ben Brower, Chairman of the Park and Cemetery Board, was present and reported having received a request from Mr. Connelly, Director of the Chamber of Commerce, to have the driveway into Kollen Park repaired before the Tulip Festival.

Referred to the Street Committee.

Ald. Kalkman reported having received complaints from business men on College Ave., between 8th and 9th Sts., relative to cars being permitted to park in front of their business places without restriction, and it was recommended by Ald. Kalkman that the Council establish 1-hour parking on both sides of College Ave., between 8th and 9th Sts., the same as now prevails on 8th St., west of College Ave.

Referred to the Street Committee.

Ald. Vogelzang reported having received a complaint from the Dunn Mfg. Co. relative to the nuisance caused by the asphalt plant located just west of their property between 23rd and 24th Sts.

Referred to City Attorney.

Ben Brower, Chairman of the Park and Cemetery Board, reported having received a request from Henry Vander Schel, representing the Lyons Construction Co., relative to dredging out the basin in the lay just east of the property of Kollen Park. Mr. Brower stated that they proposed to build a crib for their intake pipe in order to be assured of ample water supply.

However, it was represented to the Board by Mr. Vander Schel that if they would have this basin dredged out, it would not be necessary to build a crib for their intake pipe since there would be ample water if this dredging were done. It was recommended by Mr. Brower that a committee from the Council meet with their Board to consider this proposition.

Referred to the Civic Improvement Committee.

Mayor Geerlings reported that he had received a request to have the City again purchase space in the Tulip Time Edition that is to be put out by both the Holland Evening Sentinel and the Holland City News.

Referred to Ways and Means Committee.

Clerk reported that if there were no objections, the canvass of the vote which by Charter is required to be done on the Thursday following an election, could be taken up at this time.

There being no objections, it was moved by Ald. Prins, seconded by Kleis,

That the Mayor appoint a committee for this purpose.

Mayor appointed as such committee: Alds. Prins, Steffens and Brouwer. After a short recess, the committee reported that it had made such canvass and submitted a tabular statement of such vote, and

On motion of Ald. Prins, seconded by Drinkwater,

RESOLVED, that the report of

STATE OF MICHIGAN

The Probate Court for the County of Ottawa.

At a session of said Court, held at the Probate Office in the City of Grand Haven, in said County, on the 9th day of April, A. D., 1938.

Present, Hon. Cora Vande Water, Judge of Probate.

In the Matter of the Estate of Charles L. Mulder, Deceased.

It appearing to the court that the time for presentation of claims against said estate should be limited, and that a time and place be appointed to receive, examine and adjust all claims and demands against said deceased by and before said court:

It is Ordered, That creditors of said deceased are required to present their claims to said court at said Probate Office on or before the 10th day of August, A. D., 1938, at ten o'clock in the forenoon, said time and place being hereby appointed for the examination and adjustment of all claims and demands against said deceased.

It is Further Ordered, That public notice thereof be given by publication of a copy of this order, for three successive weeks previous to said day of hearing, in the Holland City News, a newspaper printed and circulated in said County.

CORA VANDE WATER, Judge of Probate.

the votes cast for the several City and Ward offices be and the same is hereby adopted, and that the several persons who have received a majority of the votes cast for the respective offices for which they were candidates, be and hereby are declared ELECTED to such office as follows:

Supervisor — Neil De Cook — 1 year.

Alderman — 4th Ward, Henry Kotel, 2 years.

Alderman — 5th Ward, John Menken, 2 years.

Alderman — 6th Ward, Frank Smith, 2 years.

Said resolution prevailed, all voting Aye.

The special committee appointed to canvass the vote cast at the Special Election held on April 4, 1938, on the proposition relative to the Sale of Spirits by the Glass, viz., "Shall the Sale of Spirits in Addition to Beer and Wine be permitted for Consumption on the Premises within the City of Holland, Mich., under the Provisions of the Law Governing the Same?"

Respectfully reported that they have made such canvass and that the result of said canvass is embodied in the following vote: Yes—545. No—3,183.

On motion of Ald. Prins, seconded by Brouwer,

RESOLVED, that the foregoing Proposition NOT having received a majority of all the votes cast therefor, be and the same is hereby declared LOST. Said Resolution prevailed, all voting Aye.

The Mayor here excused Alds. Bultman and Huyser, who had another engagement.

General Order of the Day

It was moved by Ald. Brouwer, seconded by Prins,

That the Council go into the Committee of the Whole to consider the proposition to be presented by the Civic Improvement Committee relative to the cutting of a new channel and the filling in of the east end of Lake Macatawa.

Mayor called Ald. Brouwer to the chair. After some time spent going over this proposition, it was moved by Ald. Prins, seconded by Kleis,

That the committee arise and report to the Council.

Ald. Brouwer reported that the Committee had considered various angles of this proposition, which, briefly stated, is as follows:

That the City of Holland purchase from Mr. Jack Lyons of the Lyons Construction Co. that section of the island which lies north of First St., if extended, west, and up to the Bridge, at a price of \$1000.00.

It was further reported that in order to go on with the dredging of the turning basin, it would be necessary to cut a temporary channel along the route of the main channel that formerly existed. This temporary channel to be 20 feet wide and 6 feet deep. It was reported that this cost would be approximately \$10,000.00, and of this amount the Lyons Construction Co. would assume \$6,000.00, and the City of Holland would pay the \$4,000.00.

It was further stated that this improvement would require no further expenditure above the \$4,000.00 requested.

It was moved by Ald. Brouwer, seconded by Prins, That the report of the committee be adopted.

Carried by Ayes and Nays as follows:—

Ayes: Alds. Prins, Kleis, Drinkwater, Kalkman, Brouwer, Oudemool, Steffens, Vogelzang, and Smith—9.

Nays: None—0.

Prairie Ramblers Coming to Town Wednesday, April 27

The above picture shows the celebrated W.L.S. Prairie Ramblers one of the many other attractions to be at the Holland Armory, Wednesday, April 27, at matinee and night performances. The W.L.S. aggregation is here under the auspices of the Veterans of Foreign Wars of Holland, and some of the best talent of W.L.S. will be here in person.

The Prairie Ramblers are leading stars in the National Barn Dance programs over the radio, and

are known from coast to coast. If you'd meet the Ramblers face to face, you'd first shake hands with Jack Taylor, whose guitar and bass fiddle playing are exceptional. Perhaps Chick Hurt would smile at you next. He really can make a mandolin talk. Then Tex Atchinson would step up—a handsome boy whose claim to fame is the expert playing of a fiddle left-handed. Lastly, Salty Holmes would greet you. He's a tall, lanky boy who keeps the house in laughter with his comedy. He plays guitar, harmonica, a tin can and a jug; and yodels, too.

Other attractions will be the W.L.S. Quartet, Arkansas Wood-chopper, and other well-known features on the radio.

Remember the place is the Armory, Holland. There will be three shows:—matinee at 4:00; evening performance at 7:00; and a second show at 9:00. See the large announcement on section two, page one for more information.

Miss Dorothy Steketee during the past week made a trip by airplane to Miami, Fla., and returned a patient to the city. Miss Steketee is a daughter of Mr. and Mrs. Dick Steketee.

LOCAL NEWS

There will be an auction on the farm of L. D. Slotman, one mile south of the Overisel Town Hall, on Tuesday, April 19, at one o'clock. There will be a sale of many farm implements and accessories.

Andrew Gelder, living East of Vriesland, is accepting bids to build a chapel for the Beaverdam Christian Reformed Church. He has the blueprints, and the bids must be in by April 27.

A cellar is being dug on the farm of Mr. and Mrs. James Reofofs at Drenthe. It is expected the house will be ready for occupancy early in the summer. Jake Mass is the contractor.

Mrs. T. Ten Hoer of West 21st st., is visiting in Chicago with her son and daughter-in-law, Mr. and Mrs. George Ten Hoer. Mr. Ten Hoer is a professor at the University of Chicago.

The First Christian Reformed church of Zeeland will hold Good Friday services on Friday afternoon in the Holland language at two o'clock and in the English language at 7:30 o'clock.

Herman Kortering of Fillmore submitted to an operation for the removal of his tonsils at the Huizinga Memorial hospital, Zeeland, Monday morning.

Mrs. Grace Van Eenennaam of Holland was a week end visitor with relatives in Zeeland.

William M. Connelly, manager of the Holland Chamber of Commerce, stated last week that the local building program during this year should at least equal, if not surpass, the extensive program of last year. Building permits during the first quarter of this year have almost doubled the amount represented by those of the first quarter last year. Twenty homes are under construction, Mr. Connelly stated, with 15 more estimates being figured. With a slight improvement in business being indicated, the record should at least equal last year's, when 190 homes were built. Most of the work thus far has been done without the aid of the Federal Housing administration, literature of which is available at the office of the Chamber of Commerce.

LOWING NAMED SUPERVISORS HEAD AGAIN

Charles Lowing, supervisor from Georgetown, was unanimously re-elected chairman of the Ottawa county board of supervisors at the organization meeting held at the courthouse at Grand Haven. The request of Sheriff Frank Van Etta to employ an extra man in conducting drivers' license examinations was granted by the board. \$100 per month is to be paid for this aid. S. P. Nelson showed the group motion picture on Syphilis. A. U.A.W.A. delegation presented complaints on the present welfare administration, and D. L. Minnis of the state welfare department of Lansing spoke to the board on the welfare question.

Wednesday morning's session of the Ottawa county board of supervisors spent the morning discussing old age assistance possibilities in the county. Subjects for assistance were also brought up for discussion. Upon motion by Supervisor Hunter Hering, the Holland old age assistance bureau was contacted, and the board was notified that Mrs. Miller was to appear before the board at 1:30 p. m. yesterday.

Mr. Lowing made his committee appointments as follows: Finance and budget—Henry Slaughter, Tallmadge; Dick Smallegan, Jamestown; Elbert Parsons, Holland; Richard L. Cook, Grand Haven; and Peter Van Ark, Holland.

Equalization—John H. TerAvest, Polkton; Gerrit Yntema, Zeeland; Charles E. Misner, Grand Haven; C. Szopinski, Robinson; Frank Garbrecht, Port Sheldon; and Nicholas Cook, Zeeland City, and John Eilander, Holland township.

Taxes and apportionment—Peter H. Van Ark, Holland; Gerrit Bottema, Spring Lake; Dick E. Smallegan, Jamestown; Edward Soule,

LEGION NOTES

The next Post meeting will be held on April 27th with Gerrit Lokker's committee preparing the program.

The committee under Ernie Hartman that was to function on the 18th, changed with the group under Heinie Geerds.

The latter committee had something entirely new for the Post: Mr. Fred Oudemolen, a German

soldier during the war, gave us some of his experiences, which, together with the German Band section of the American Legion Band and a lunch of weiners made quite a German evening.

The Auxiliary held their Fifth District meeting at Grand Haven on Wednesday the 13th.

There will be a joint Fifth District meeting held at Rockford in June. This is a little early for a notice, but you can at least keep it in mind.

Comrades G. Bos, Jake Bultman, and Lefty Vande Bunte have several weeks to prepare their nominations for Post officers. The election will probably be held on June 8th.

Three Youths Admit Hold-up In Haven Park

SHERIFF VAN ETTA OF HOLLAND BRINGS ABOUT CONFESSION FROM YOUNG STICK-UPS ARRAIGNED BEFORE JUDGE SMITH OF HOLLAND

The mystery of a bold hold-up on March 29 at the entrance to Duncan Park, Grand Haven, where Miss Angeline Mulder was forced to stop her car and J. P. O'Connor, ship's carpenter on the coast guard cutter Escanaba was robbed of a watch, chain and knife, has been solved through the confession of three Muskegon youths, who were brought to the county jail at Grand Haven Saturday night.

Written confessions have been gained by officers in the department from Donald Bramer, 19, Robert Dick, 19, and Donald Haselmann, 17, alleging that they, with Morris Bush, 21, held up the Grand Haven couple, smashed the headlights of the car and the door window and stole the watch from O'Connor.

Bush is living in Albion, Ind., and is held there by the officers for Sheriff Frank Van Etta, who, in company with deputy Charles Salisbury, went to Indiana and brought the youth back to Ottawa county.

The four were arraigned Tuesday before Justice Raymond Smith, of Holland, charged with robbery armed, and were bound over to circuit court for trial, Judge Miles of Holland presiding.

Arrested in Muskegon The arrests were made in Muskegon by Sheriff Louis Ecklund, following an investigation made by Sheriffs Van Etta and Ecklund. Sheriff Van Etta and police chief Lawrence De Witt, formerly of Holland and now of Grand Haven, went to Muskegon and returned Saturday night with Dick and Haselmann and later Bramer was escorted to the county jail by Muskegon officers.

According to the written confessions, given the sheriff's department, the four boys started out from Muskegon on March 29 in Bramer's car to try to get some easy money and try out the thrill of a hold-up. The boys confessed that they had no car in mind, but driving along Sheldon Road about 9:30 p. m., they noticed the Grand Haven car turn into Duncan park and decided to try out their plans. They said they also wanted to find out what the reaction on them would be after holding up a car.

They stated that they were all scared after it was over and drove directly back to Muskegon. Bush later left for Albion, where he has a wife and where his parents live. He had been employed on a WPA project at Muskegon.

The boys admitted taking the watch which they declare they have hidden and Dick has promised to locate it for Sheriff Frank Van Etta.

Dick has served 11 months at the southern Michigan prison for arson, in connection with a serious fire at Muskegon. He was sentenced in 1935 to three and one half years to 10 but after serving 11 months was paroled and is still under probation. Haselmann, who was a minor at that time, was sent to the Ford Republic school at Detroit for the same arson job and was released later.

Bramer declares this is the first time he has ever been in trouble and vouches the same for his friend Bush.

Both Dick and Haselmann are students at Muskegon high school and work after school. Dick works for an uncle carrying mail from the Muskegon postoffice to the airport, and Haselmann works for his father, who operates a store in Muskegon. Bramer is an apprentice tool and dye maker at Shaw Walker Co., Muskegon.

Sheriff Van Etta stated that according to reports of the Muskegon officers the boys all come from very good homes and the parents are all known as estimable citizens.

The three held there admitted that they had concealed the lower part of their faces with handkerchiefs. They stated that Dick drove the car and remained in it while

JAKE, THE CROW, CAN'T DUCK THIS ONE; HE'S JUST AN EGG THIEF

Farmers call crows black robbers, but when Jacob, the talking crow, arrived at Lincoln Park zoo, Chicago, and settled down, his tameness and affability allayed the suspicions of everyone. Even when the workmen began missing fountain pens, pencils, and trinkets they didn't accuse Jacob, because these articles are not edible except for giraffes and goats.

Then Jacob was caught secreting a pair of gold-rimmed spectacles. "This," said Director Floyd Young, "is a remarkable bird. He is ambitious, but his energies are misdirected. Turned into the right channel, his efforts may make him great; may give us something to well, brag about."

But it was all off yesterday. Jacob was no longer great. He was peering lugubriously through the bars of the disgrace cage. He had been caught stealing an egg from a duck.

"Youth" was Discussed — at Rotary Club

"Juvenile Delinquency" was the topic discussed last Thursday noon before members of the Holland Rotary club at their regular meeting in Warm Friend Tavern by R. T. Guyer, principal of Central junior high school at Muskegon.

Mr. Guyer is president of the Muskegon Community Council.

The community was blamed by Mr. Guyer for creating a wrong environment so that delinquency may flourish. Boys and girls must be taught to think for themselves, to work at some productive occupation, and to distinguish the difference between right and wrong, the speaker asserted. He stressed that too much emphasis has been placed on instilling of knowledge and skills in the schools, and not enough emphasis on proper social contacts and reactions of the pupils. Crime and mental disorders were classed in one group by the speaker, since both involve the same factors.

"Environment may be directed by radio, papers and magazines, picture shows, and in the home," Mr. Guyer stated. Mr. Guyer led an open forum discussion following his regular address at the meeting that no public drive for funds for the state-wide Easter campaign for the support of cripples in Michigan will be sponsored by the local Rotarians this year, since the local Community Chest has asked the club to refrain from canvassing. A private drive will be sponsored by the club and by children in the orphaned room at Washington school, however, Dr. Rudolph Nichols, chairman of the drive announced. President "Bill" Berg presided at the meeting.

FORMER HOLLAND FOLKS ENTERTAIN AT G.D. HAVEN

Mr. and Mrs. Hans Dykhuys, formerly of Holland, now at Grand Haven, were hosts to their home club last night at their bungalow and Elliott streets. The party was based on the April Fool theme and guests were dressed accordingly. Mrs. Jerry Dykhuys and Mrs. Thomas Kraai, low honors. Lunch was served the following: Mr. and Mrs. Jacob Kraai, Mr. and Mrs. Thomas Kraai, Mr. and Mrs. Gerrit Dykhuys, Mr. and Mrs. Henry Systeema, Mr. and Mrs. Dick Holleboom, Mrs. Margaret Steinfort and Neil Bosch, all of Holland and Mr. and Mrs. Jerry Dykhuys and Mr. and Mrs. Hans Dykhuys of Grand Haven.

DOG OWNERS ASKED TO KEEP ANIMALS ON OWN PROPERTY

William A. Kieft, dog warden at Grand Haven, asks dog owners to restrain their pets from wandering from their own premises unless muzzled or accompanied by the owner. Strict enforcement of a city ordinance would impound all dogs found off their owner's premises except on leash. Owners whose dogs are missing are advised to call the warden who keeps dogs impounded several days before doing away with them.

THE OTHER THREE GOT OUT, THREATENED MISS MULDER AND O'CONNOR WITH A GUN, AND DEMANDS THEY HAND OVER THEIR VALUABLES. BE CAUSE O'CONNOR CONVINCED THEM THAT HE HAD NOTHING BUT THE WATCH AND CHAIN THEY DID NOT MAKE THE TWO GRAND HAVEN PEOPLE GET OUT OF THE CAR, NOR DID THEY WASTE MUCH TIME ATTEMPTING FURTHER SEARCH.

The Grand Haven hold-up was planned merely as a "tune-up" by the youths said. It was to get their reaction and those of the victims before starting a crime career as a gang. If the job had not been successful, the young men might have abandoned their plans, officers believe.

The hold-up was reported by Miss Mulder and O'Connor that night after they had returned to the home of Miss Mulder, where she told her parents what had happened. Officers that night searched cars around the city and investigated every clear at hand at the time.

Miss Mulder and O'Connor were questioned the next day for any further details and for a time it appeared the mystery would go unsolved. Sheriff Van Etta worked quietly on the case, contacted other officers nearby, furnishing descriptions of the hold-up men as near as he could from those given by Miss Mulder and O'Connor with the result of the arrest of the quartet.

Robert Dick, 19 years old, and Donald Haselmann, 17 years old confessed in the fall of 1935 to being members of a gang of boys who set eight spectacular fires which caused damage upwards of \$100,000 in Muskegon, mostly on the waterfront.

VICTOR NOTIER, HOLLAND AWARDED SCHOLARSHIP

Victor Notier, son of Mr. and Mrs. Peter Notier of 76 West 16th street, Holland, Michigan, was awarded a Graduate Service Scholarship in the Department of Anatomy at the University of Chicago. A total of eighty-five such awards in the various departments of the University was announced by the Committee on Fellowships and Scholarships. These scholarships, while providing for tuition, involve eighty hours per quarter of departmental work on the part of the student.

HOLLAND HAS SIX JURORS ON CIRCUIT COURT JURY

The jury for the May term of Ottawa county circuit court was drawn in the office of County Clerk Wm. Wilds in the court house in Grand Haven. Court opens May 2 and the jury will be called one week later by Judge F. T. Miles.

Benjamin Rosema, former sheriff of Ottawa county, has been drawn a member of the jury from Spring Lake township. He will serve in the court room for the first time since he gave up the office as sheriff and will assume a very different role than he did while heading the law enforcement department of the county for four years.

Those from Grand Haven are Henry Roossien, Gerald Arkema, Edward Moll, Jay L. Brook and Neal Verhoek.

Jurors from the remaining cities and townships are Lewis Bredhoeft, Grand Haven township; Gerrit H. Kragt, Holland township; Alfred Ter Haar, Jamestown; John Geben, Jr., Olive; Arthur Witteveen, Park; Melvin Stamp, Polkton; Matt Krovacevic, Port Sheldon; Ignatz Kintsch, Robinson; Rudolph Cross, Tallmadge; James Hughes, Wright; Corey Shoemaker, Zealand; John H. Schouten, Lena Curtis, Oma Champion, Mel Haller, Andrew Postma, Marjol Houting, Holland City, and Jack Boonstra, Zealand City.

RECEIVE \$62,463.42 FOR DISTRIBUTION IN OTTAWA C. SCHOOL DISTRICTS

A check for \$62,463.42 was received today by Nicholas Spruiema, of Holland, county treasurer, from the state treasury for supplementary school money to be divided among the school districts of Ottawa county based on the number of school children in the districts.

Grand Haven will receive \$15,954.84; Spring Lake, \$3,133.05; Holland City, \$24,321.82 and Zealand City, \$5,038.55.

MRS. MILES TAKES BEFORE W.C.T.U.

Mrs. Fred T. Miles presented a talk on "The Origin and Work of the Juror System" before a regular meeting of the Woman's Christian Temperance Union at the State St. Free Library after a question period followed the address. A talk on Mary Lathrop, president of the group, presided. Devotions were led by Mrs. William Jacobs. Mrs. F. Jonkman summarized contents of the Union Signal. The Mesdames F. Kooyers, J. Vander Poel, and George Schuman comprised the tea committee.

ANACONDA OR WATER BOA

By Jack Peterson, Recreation Leader WPA

This monstrous water boa of South America is often judged to be 40 feet or better in length because of its thickness (which is sometimes 33 inches). This is an exaggeration. The largest to reach the zoos, were about half that size. Its disposition is very bad. I have never seen or heard of one that was friendly. These snakes weigh from 250 to 360 lbs. when full grown. This is the largest of American snakes. The true Boa Constrictor of South America is just the opposite. As a rule very gentle, it is greatly favored by supporters to be snake-charmers in our circus side-shows. It is much smaller, 14 feet being a very large specimen.

These snakes differ from the Pythons by giving birth to living young while the Pythons lay eggs around which they coil until, with the assistance of the sun's rays they hatch after a period of 8 to 9 weeks.

Anacondas, even when babies, resent handling, and will twist and bite when picked up. The Anaconda has about 35 young. Boa Constrictors give about 40 to 50 young. The Python lays about 60 to 90 eggs.

PLAN HOLDING REFERENDUM FOR CONSERVATION AREAS THROUGH SEVEN TOWNSHIPS

At a recent meeting of the state soils conservation committee polling officials for carrying on the April 25 election on the proposal to establish a soils conservation district were appointed. Hunter Hering is superintendent in charge of the referendum and will distribute ballots to officials selected to carry on local elections in the seven townships involved. The referendum will be held Monday, April 25, from 12:00 noon until 8:00 p. m. in the several township halls, with officials named, as follows:

Port Sheldon Township, at the township hall; Frank Garbrecht, Theodore Chelan, and Mr. Herman Baker, all of West Olive, R. R. No. 1.

Grand Haven Township at the township hall; Frank Hendrych and Clarence Reenders, Grand Haven, R. R. No. 2, and Robert Schell, West Olive, R. R. No. 1.

Olive Township, at the township hall; Albert H. Stegenga, Gerrit Lieveense and Albert Siermas, all of Holland R. R. No. 2.

Spring Lake Township, at the township hall; D. H. S. Rymer, Spring Lake, R. R. No. 2, and John Honholt, and Bernard De Witt, of Spring Lake, R. R. No. 1.

Crook Township, at the township hall; Marinus Sorenson, of Fruitport, and Solon Pull and Scott Holmes, Nunica.

Robinson Township, at the township hall; C. Szopinski, of Grand Haven, R. R. No. 2, and Albert Heyn and Richard Berg, Grand Haven, R. R. No. 2.

Park Township, at the township hall; Bert Van Lente, Bram Witteveen, and George Wendt, Holland, R. R. No. 1.

Form Agent L. R. Arnold has recently received definite ruling in regard to eligibility of voters in the Soil Conservation District referendum to be held April 25. The state committee, through interpretation of the Attorney General of the state, rules that only persons who can show or will make affidavit that they are land owners are eligible to vote.

This limits the voters to those persons whose names are on deeds or contracts. A wife's dower rights do not give her the privilege of voting. The Attorney General's office has also ruled that a landowner need not be a citizen to vote in this referendum.

Mr. Arnold states that absolute landowners have the privilege of voting. Such voters should apply to Hunter Hering, R. R. No. 1, at Coopersville, for such ballots. These ballots are to be returned to Mr. Hering as he has been appointed by the state as polling superintendent and has full charge of the election in the seven townships.

Residents of the seven townships will receive notice of this referendum by means of a circular letter sent out from the farm agent's office.

TULIP PROGRAM IN EVERY HOME HERE

William M. Connelly, manager of the Holland Chamber of Commerce and secretary of the Tulip Festival, has received an unusual request from Florence Lee White of New York, who is writing a story on American festivals, for authentic information in regard to the annual festival in Holland.

In his reply, Connelly stated the festival was ranked third in "American Floral Festivals" by New York newspapers because of the floral display and that one of the big features was the fact it had not become commercialized.

The publication will feature 180 outstanding festivals of the United States.

For the first time in the festival's history, 4,000 programs have been mailed to local residents in order that they may be able to answer queries of visitors and tourists, Connelly said.

Residents are being urged to wear old-time Dutch costumes as much as possible during the fête and especially in the two Saturday parades. Their aid in financing the Little Netherlands museum, band review and other events also is sought.

BANQUET TO CELEBRATE BUILDING OF NEW DEPOT

The Pennville Merchants Association executive committee met Wednesday night and designated Tuesday evening, April 28, as the date for the banquet celebrating the building of the new Pere Marquette station in Pennville. Officers of the road will be guests.

MAMMOTH SNOW OWL SHOT BY GRAND HAVEN BOY

A mammoth northern snow owl, with a wing spread of 5 1/2 feet, is on display in the window of the Sport Shop on Washington street, Grand Haven, and is drawing much attention.

The large bird was shot by Bob D'Oyly, 18, a son of Mr. and Mrs. Edwin D'Oyly, of Grand Haven, near the Eagle-Ottawa Leather Co. property on Grand river.

A few days ago D'Oyly received the bird, realistically mounted, from a taxidermist and plans to mount it in a sealed glass case.

He had quite a time bagging the bird with his .22 rifle. D'Oyly first spotted the owl near the "Boom" on Grand river in the northwest part of the city and trailed it for over two miles to the east end of town.

It took several hours to snare the bird as it flew east and forth across the river five times before D'Oyly finally "winged" it on the Grand Haven side of Grand river. After he grounded the bird Bob hit it in the head with a ball at 50 yards, and it died.

The white owl is very seldom seen in this section. Its habitat is in the Arctic circle and many of them come as far south as the upper peninsula in the winter. This one flew out of its course and undoubtedly the mama bird is still waiting for her belated husband up where the Eskimos are.

"Good Friday" Program Arranged for the Day

Today, Good Friday, from noon until 3 p. m., a series of sermons will be delivered at Hope Memorial chapel under the auspices of the Holland ministerial association, with the Rev. L. Van Laar serving as acting chaplain. There will be seven divisions in the services. Meditations will deal with the words of the cross. Last year's meeting was held at Trinity church, but limitations in seating capacity there have caused the shifting of the meeting to the chapel.

The public is extended a cordial invitation to attend the services. Speakers and topics follow: Meditation, "The Lesson of Calvary"; "Father, Forgive Them," the Rev. S. Blocker, D. D., Western Theological seminary; Meditation, "The Promise of Calvary," the Rev. C. W. Meredith, Wesleyan Methodist church; Meditation, "The Love of Calvary," the Rev. William G. Flowerday, First Methodist Episcopal church; Meditation, "The Loneliness of Calvary," "My God! Mr. God! Why Hast Thou Forsaken Me?" the Rev. Henry Beets, D. D., secretary of board of mission, Christian Reformed church, Grand Rapids.

Meditation, "The Trial of Calvary," "I Thirst," the Rev. Ralph J. Danhof, 14th Street Christian Reformed church; Meditation, "The Triumph of Calvary," "It Is Finished," the Rev. S. Nettinga, Western Theological seminary; Meditation, "The Trust of Calvary," "Father, Into Thy Hands," the Rev. John R. Mulder, Western Theological seminary.

THIRTY FIFTH WEDDING ANNIVERSARY CELEBRATED AT LITERARY CLUB ROOMS

Mr. and Mrs. Fred Visser, of 24 West 18th st., entertained a group of guests at the Women's Literary club Friday night, the occasion being their 35th wedding anniversary. Devotions were led by the Rev. Peter Jonker. Selections were presented by the Hosanna chorus, directed by Herman Van Oss of Castle Park. A string trio, composed of Herman Zwiers, Herman Van Oss, and Egbert Vander Hoop, accompanied by Mrs. H. Van Oss, provided special music.

H. Van Oss, Irene Groen, and Edward Visser presented vocal solos. Misses Gertrude, Winnie Ann, and Edith Visser gave a dialogue. A second dialogue was given by Mrs. L. De Waard, Mrs. H. Vander Veen, and Mrs. Jack De Boe; and another by Mrs. G. Groen and Mrs. E. Visser. Mrs. H. Kraai, J. Lemmen, H. Meurer and H. Vander Veen presented readings. Remarks were made by J. Prins, A. Lyzenga, the Rev. Ed Visser, the Rev. S. Douma, and A. Plantinga.

Among those who attended the affair were the Rev. and Mrs. Ed Visser and daughter, Alice Ann, of Doon, Ia., Mr. and Mrs. G. P. Groen and children, Irene and Paul of Chicago; John Visser, Irene Plakke, Russel Visser, Marion Scheerhorn, Mr. and Mrs. Ralph Visser, Gertrude Visser, John Derks, Edith Visser, Jud Homkes, Winnie Ann Visser, Edward Visser, Mr. and Mrs. William Kruthoff and children, Marjorie and Robert, A. Lyzenga and daughter, Edith, Mr. and Mrs. C. Shuttenga, Mr. and Mrs. Dick Versendaal, the Rev. and Mrs. P. Jonker and the consistory members of Sixteenth Street Christian Reformed church and their wives and the members of the Hosanna male chorus and their wives.

April Awakens Birds, Flowers, Groundhogs, Etc.

SNAKES AND BATS, SQUIRRELS AND MUSKRATS TAKE ADVANTAGE OF PLEASANT WEATHER

Everyone who likes to go for a hike afield was attracted by those warm days of March, but was disappointed to find so little evidence of spring. April is different. April not only holds out promises of birds and flowers, but actually fulfills them. Here are a few things to look for this month:

Hepaticas, anemones, spring beauties, dainty rifts of color in the woodland. Marsh marigolds, open to the morning sunshine. Trillium and bloodroot in the hardwood forests where the leaves have not yet broken forth. Beauty and fragrance of arbutus in sun-lit patches of brown leaves beneath green drooping tamaracs in the woods and swamps. Adder's tongue, the trout lily of the fisherman, profuse on stream banks.

Blackbirds come in March. Red-winged blackbirds, bronzed grackles, robins, bluebirds, meadow larks and horned larks, all come in March. Watch now for more decorative members of the bird family. You may see the flashing black-orange Baltimore oriole singing from the top of an elm as he inspects suitable nesting sites.

Out in the open fields, where you already have seen the yellow breast of the meadowlark, you may soon hear the solloping song of the bobolink. Early in April you may hear the dreamy field sparrows, and the sweet-voiced vesper sparrow. Swallows will come in number toward the latter part of April.

Purple martin scouts will investigate new apartments, for which they often have to battle the English sparrows. Graceful barn swallows and beautiful cliff swallows and beautiful cliff swallows both, will soon be back.

Snakes become active on April's warm days. Don't kill them. All our snakes, excepting only the massasauga rattler, are harmless. Many of them are highly beneficial. The ground hog will be moving about. Squirrels and gophers take advantage of pleasant days. Young cottontail rabbits born last month are now running about. Bats may be seen on warm evenings and muskrats have deserted their mud houses in swamps.

In your garden you may see yellow jackets and queen bumblebees, gathering the season's first nectar. Red admiral butterflies are out. Every bush and tree is vocal with the song of a new season.

April is the real month for the awakening of spring despite a few frigid days and snowstorms of short duration.

FOUNDATION MEMBERSHIP ORGANIZES AND DRIVE GAINS HEADWAY

At a meeting in the Council rooms on Monday night the membership committee of The Netherlands Pioneer and Historical Foundation made plans toward securing 1,500 members in the city.

Jacob Fris, chairman of the drive was in charge of the meeting. A challenge was issued by John Eaton, representing the Lions Club, to John De Wilde of the Exchange Club. Each club is to furnish a team of 10 men to see which side can secure the most members during a specified time to be arranged at a meeting of the two teams. The losing team is to furnish and serve a dinner to the winners. It is anticipated that considerable rivalry will result in this contest, and both teams expect to have a lot of fun as well as secure a lot of members.

Dr. A. Leenhouts and Wm. Aarendshorst representing the Foundation spoke of the work done thus far, and emphasized the fact that practically the entire cost of the Museum project had been financed by the U. S. Government. Inasmuch as the other cities in Western Michigan represented on the general Board believe that Holland is the logical place for this Museum, it is, therefore, up to Holland to get behind this program. The membership drive is the answer. If the community will get behind this program there will be no question about retaining the Museum in our city.

The personnel of the membership committee which is composed of service clubs and other organizations of the city will arrange for meetings of their respective groups to be addressed by speakers who will explain the purposes of the drive.

A number of organizations will be contacted this week. Any organization in the city willing to co-operate is asked to call Martin Verburg at 3227 and a speaker will be provided who will speak not to exceed four minutes. Subcommittees to solicit membership will also be formed in as many organizations as possible. The membership committee is composed of the following men and women with the organizations they represent:

Jacob Fris, Chairman; John De Wilde, Exchange Club; John Eaton, Lion's Club; Prof. Clarence Kleis, College; Lida Rogers, Public Schools; John Swets, Christian Schools; Mrs. C. Bergen, Woman's Literary Club; John Henry Tunkin, Federation Men's Bible Class; Mrs. Margaret Markham, Federation Women's Bible Classes; Chester Van Tongeren, American Legion; John Iesenga, Veterans of Foreign Wars; Mrs. Nelson Bosman and Miss Aleida Dykhuysen, Junior Welfare League; Wilard C. Wichers, Netherlands Foundation; George Schilling, Sunday School; W. A. Butler, Sentinel Office; Ben Myers, City News; Martin Verburg, Director.

Following a stay of ten weeks in the South and East, Mr. and Mrs. C. A. French of West 11th st., have returned to this city.

WHY LAWS DON'T WORK TALK GIVEN ON THE FORD SUNDAY EVENING HOUR TO AN AUDIENCE OF 5,000

By W. J. Cameron

If our laws could be made as our motor cars are made—tried out first to see if they will work, the nation would be in much better mind today. Since every law affects the daily life of all our people, no matter how small it may be, it deserves at least as much care to fit it for its purpose as is given an automobile starter. On a recent morning, entering the office through the laboratory, one heard the sharp click of electric contact, followed by the hum and whirr of a starting motor—then silence; the same sounds instantly repeated—and silence; over and over again, until one was out of hearing. Going home at night, the same ceaseless repetition, and again the second morning and night, and again the third morning and night. A starter, attached to a testing machine, was being operated 10 times every minute, 600 times an hour, 24 hours a day until a test equivalent to 150,000 miles of driving was complete, to discover how that kind of starter would stand up in daily use.

Why are so many of our laws found to be unworkable when for forty centuries humanity, like a testing machine, has tried out various types of laws and methods of lawmaking, and the records of these tests are in the laboratory of history? The first reason is, they are based on a perverted theory of government. Civilization progressed by gradually restricting the field of government. It discovered the natural limits within which government can function beneficially; it discovered that beyond those limits government ceases to be helpful and becomes harmful; but, most important, it discovered you can juggle your theory of government as much as you please—it does not affect in the least what government can and cannot do. Adopt, if you like, the theory that a chicken is a swan—that won't make the chicken swim. Government has its specific functions, as Church and Home and School and Medicine and Industry have theirs, and when it oversteps these, the power that enables it to function normally cannot be applied to abnormal uses. The attempt to reverse natural law and human experience, runs us into failure at every turn.

It follows naturally, when a government scorns experience, it will tend more and more to fall into inexperienced hands. Then we see men who themselves are under no

business restrictions; orders issued to men who must make both ends meet, by men who do not have to make both ends meet; we see men whose chief interest is finance supervising the farmers, and industrial production controlled by those who believe in scarcity.

When we discard the tested wisdom of history, even elementary daily common sense seems to desert us. In mechanics, when you add weight to one part, you strengthen the part that bears the added weight. When you increase the load, you take care to provide adequate pulling power. What would you think of a man who not only built a car that took every ounce of its power to move it, but who also, out of scorn for motors in general, actually made the motor weaker? You wouldn't buy his car—nothing could induce you to take on the trouble and loss that you know such a contraption would cause. But when laws are built that way, you have no choice—laws are orders; you must pay for them and take them and live with them until you or the law breaks down.

For example: one national activity has been singled out to bear the heavier burden of extra and improper governmental functions, but the part thus heavily laden has not strengthened for its work. It is inaccurate, of course, to say that "government" assumes these new burdens; "governments" cannot assume them—new burdens must always be loaded on some activity of the people, which in this case happens to be industry. All the so-called social panaceas that a generous government has adopted have been laid on industry to support. There isn't a single exception. And up to now industry has supported them; if the new schemes failed it has not been for lack of support.

Now, government cannot function properly in matters beyond its natural field. That is basic. But—dubious experiments must be made, industry will be found perfectly willing to pull its weight, and a little more, to give even a probably wrong law a fair trial. When, however, concurrently with the new burdens there goes a legislative weakening of the very industries compelled to bear them—a systematic hammering down of initiative, a stoppage of means, an undermining of confidence and a powerful encouragement of harassing and obstructive forces—that, from start to finish, is simply bad engineering.

Industry is going on—that's its business; it has no choice but to go on, and wants no choice. It only hopes political engineers will learn their business too, and build legislative machinery that, in operation amongst the people, will strengthen and not hamper the forces that maintain the nation.

But It's True

THE BODY OF HARRY SPENCER, OF GRAND RAPIDS, MICHIGAN, WAS DISINTERRED SO THAT A GOLF BALL MIGHT BE PLACED IN HIS CASKET.

HERE ARE COYOTES WITHIN SIGHT OF THE NEW YORK CITY SKYLINE.

Coyotes have been moving into eastern states in increasing numbers for many years. There are said to be many hundred in New Jersey today, some of them within seven miles of Manhattan. Spencer asked in his will that he be buried in golf clothing, and with all necessary golf equipment. He was buried with clubs and even tees, but two days later the executors remembered that they had not put a ball in the casket. On January 4, 1923, the body was disinterred, the ball was put in his hand. Records found in Glenmoral castle, Glasgow, show that someone—almost 300 years ago—accurately predicted, in order, the names of successors to the British throne right up to George V. The person did not list dates.

Traveling Around America

PUREST RACE ON EARTH

DWELLING on hundreds of emerald islets scattered in the Caribbean Sea along the Isthmus of Panama dwells a race which is believed to be the purest in existence—the San Blas Indians. The islands are reached in forty-five minutes by sea plane from Cristobal and the trip is one of the favored shore excursions taken by travelers stopping off in Panama on the weekly cruises to South America.

The San Blas Indians have been bred for probably more than a thousand years without intermarriage with foreigners or even with members of other Indian tribes—it is only recently that foreigners were admitted on the islands or that the women of the tribe were permitted

The Victorious Servant Acts 2:22-36

Henry Geerlings

Peter soon had a chance to prove his changed attitude. He had a severe test made of his courage and his skill was put to its best to speak a good word for his Lord. This happened fifty days after the resurrection, on Pentecost. It was a feast time and great crowds were in Jerusalem. It was an opportune time for the gospel to be given to many people, who had come from many parts of the country. The Holy Spirit was strangely given to the disciples, so that they could tell the gospel to all the people in their own language. There was so much about it all that was strange and hard to understand that everybody began to wonder and ask questions and suggest explanations as to how it had all come about.

So perplexed were the people about what had taken place that they turned away from the apostles and talked to one another, asking questions and making comments. The questions were all right and were to be expected, but Peter caught one of the comments and it aroused his indignation. He resented the suggestion that they had been drunk, and so were just babbling words that they themselves did not understand. Perhaps the comment was made in jest and with a slurring intent.

This was Peter's challenge and opportunity. He accepted the challenge and made good use of the opportunity. He arose to the defense of his brethren, who, under the power and direction of the Holy Spirit, had talked to the people. Peter addressed the crowd courteously and looked upon them as men of Judea and Jerusalem. As such they would be able to understand what that day's strange occurrences were all about, for Peter proposed to link them up with the truth of the Scriptures which these men had believed from childhood. Peter spurned the idea that his associates were drunk, appealing to custom of the times, indicating that so early in the day men would not have taken enough strong drink to make them weak fools.

Peter did not waste much time on the defense. He had greater things to do than that, for no defense was needed. A simple denial was sufficient. By this time Peter had the attention of the crowd and he launched forth into a great sermon.

mon, in which he declared to them the gospel. He laid the background of it in the history of their nation and led them up to the life and works of Christ. He emphasized not so much the crucifixion as he did the resurrection. He claimed that as eye witnesses they were declaring that Jesus was living again. More than that, God had received Him back to Himself. Jesus had ascended. He had promised the coming of the Holy Spirit. That promise had been fulfilled in their midst that day and what they had heard, which seemed to them so hard to explain, was the result of the work of the Holy Spirit. If they doubted, they could refer to statements in the scriptures which foretold these events. Peter made a closing appeal to the people to accept as truth the words he had been saying about the Christ. God had made Him both Lord and Christ. Who was this Jesus? He was the Son of God whom they had crucified.

The effect of Peter's words can hardly be appreciated. We find it difficult to picture before us the changed attitude of the crowd. At once they began to show that they were convicted by the stirring message and they began to ask eagerly what they must do. They sincerely felt that if they were under condemnation for crucifying Jesus, and Jesus was in truth the Christ of God, they must do something to remove the penalty.

Peter had won out. His sermon had done its work. The people were changed from accusers to inquirers. They were waiting for Peter to instruct them. Peter knew what steps these repentant Jews must take to get into right relation with their God. They must repent. They must have their sins remitted. They must be baptized. Ordinarily this would have seemed an insult—to tell Jews to do these things. But they were ready for such directions.

God's promise was added to the obedient. When they would carry

"MOTHER IS ALL BETTER, THANK YOU"

It is generally conceded that America leads the world in the quality and extent of telephone service.

Important factors in this supremacy are the efforts of the Bell Telephone Laboratories "to find a better thing or a better way," and the experience and skill of the Western Electric Company, the manufacturing department of the Bell System.

Because of our association in the Bell System, every improvement so produced is made available promptly for us in Michigan ... a continuing assurance of high-quality telephone service at reasonable cost. That is why Michigan's telephone service is as fine as any telephone service in the world.

And that is why your telephone ... although it can connect you with any of 35,000,000 other telephones all over the civilized globe ... retains such simplicity that even a child finds it easy to use.

A Rummage Sale will be held Saturday, April 23, in the Woman's Literary Club. The sale begins at 9:00 a. m.

Funeral services for Adrian Gerrit Bax, 77, who resided with his son, Gerrit, at 248 West 18th St., and who died last Saturday night at Holland hospital, were held at 1:30 p. m. Tuesday from Nibbelink-Notter Funeral home, the Rev. C. A. Stoppels, pastor of Bethel Reformed church, officiating. Burial took place in Pilgrim Home cemetery. A son, Gerrit, mail superintendent at the Holland post office; a daughter, Mrs. D. Strowenans of rural route No. 4, another son, Fred Kamper, of rural route No. 4, and eight grandchildren survive.

Mr. and Mrs. William Van Dusen have moved from the Overbeek brothers farm, west of Hamilton, where they were employed, to Grand Rapids.

Week-end guest at the home of Mr. and Mrs. S. Bremer of 403 College ave. was their daughter, Miss Coral Bremer, who is a nurse at Harper's hospital at Detroit.

A meeting of the executive committee of the Netherlands Pioneer and Historical foundation was held last Monday at 7:30 p. m. in the council room at the city hall for purposes of discussing a drive for membership for the organization. Jacob Fris is chairman of the committee. Those named by Mr. Fris to the committee are: Chester Van Tongeren, George Schilling, Willard C. Wichers, Prof. Clarence Kleis, Ben Mulder, John De Wilde, Adelaide Dykhuizen, Mrs. Margaret Markham, W. A. Butler, Martin Verburg, Mrs. Nelson Bosman, John Tiesenga, John Henry Teusink, John Swets, Mrs. C. Bergen, John Eaton, and Miss Lida Rogers.

Application for marriage licenses have been received at the county clerk's office from Herbert Zimmerman, 22 Spring Lake, and Mary Farrer, 20 Spring Lake; Nick R. Mast, 39 Zeeland, and Laura Brouwer, 66 Zeeland.

Notice has been sent to Louis J. Vanderburg, Holland postmaster, to the effect that the Holland entry in the annual St. Louis Postal Employees' Air Mail flower show, which is a nationwide event, has been awarded second place in its division by contest judges. Tulips were featured in the local entry, as were other spring flowers. A certificate of award and a red ribbon were also sent to Mr. Vanderburg as evidence of the awarding of the position to the Holland bouquet.

Arrangements for the 13th annual meeting of Rebekah lodges of district 29, which is to be held in this city April 18, were planned at a meeting of Rutha Rebekah lodges Friday night. About 150 are expected to attend, representing lodges from Moline, Otsego, Pullman, Wayland, Glenn, Martin, Allegan, Saugatuck, Fennville, and Holland. The Odd Fellows hall will be the scene of the meeting. Afternoon and evening sessions will be held. First Methodist church ladies will serve dinner at 6 p. m.

TWO BOY STUDENTS WIN HIGHEST HONORS AT HOLLAND HIGH

William M. Tappan, 17, son of Dr. and Mrs. W. M. Tappan, and Morris Tardiff, 18, son of Mrs. Raymond Tardiff of Beechwood, have been chosen co-valedictorians of the graduating class of 1938 at Holland High school. For the first time in the history of the school, two pupils, both boys, have tied with perfect averages of 4 points in scholastic honors. Consequently, no salutatorian will be chosen. Principal J. J. Riemersma announced Friday.

Seventeen seniors had grades from 3.95 to 3.50 points and twenty-one had averages from 3.50 to 3 points. One hundred forty of the 212 members of the class have an average of "C" or better for the four years. The class is composed of 116 girls and 96 boys. Graduation exercises are to be held June 16 in Hope Memorial chapel. During the honor assembly Friday at the chapel service, all honor students were seated on the stage.

Tappan is an outstanding athlete, was mayor of the student council this year, a member of the Blue Flower, national honor society, captain of the 1937 football team, has played basketball on winning teams, was high school tennis champion in his sophomore year, and plays clarinet in the Holland High band.

Tardiff, as a junior, was member of the police board, and as a senior was president of a guidance group, played reserve football, was president of the Airplane Club, senior class treasurer, alderman, a member of the Blue Flower, member of the Camera Club, and played part in the senior play, given here recently.

FORMER PASTOR OF FOURTH REFORMED CHURCH DIES

The Rev. John F. Heemstra, 67, retired pastor of Reformed churches in this city, Hudsonville, and Grand Rapids, passed away last Thursday at the home of a nephew, Benjamin Heemstra, at Santa Ana, Cal., where he had been visiting for the past few months. Rev. Heemstra had planned to spend the winter in California. Rev. Heemstra resigned last Dec. 1 after approximately 40 years spent in the ministry. Had he lived, he would have been awarded a doctor of divinity degree by Hope College at its commencement this coming June.

About a week ago, Rev. Heemstra suffered an apoplectic stroke, which was the cause of death. Rev. Heemstra's latest charge was the Hudsonville Reformed church. He was formerly pastor of the Fourth Reformed church in Holland. His wife died about a year ago.

Born in Orange City, Iowa, Nov. 16, 1870, he attended Northwestern Academy and was graduated from Hope College in 1895 and from New Brunswick Theological Seminary in 1898. Before he became principal of Northwestern Academy in Orange City, he was pastor at Springfield, S. D., Sioux Center, Iowa, and Newkirk, Iowa. From 1910 to 1914, Rev. Heemstra served the Seventh Reformed church in Grand Rapids. Then he was pastor at First Reformed church, Roseland, Chicago. He was editor of the Christian Cynosure for many years.

Other positions the deceased has held are board member of Christian Psychopathic hospital at Cutlerville, member of the board of the Netherlands Reformed Church in America, member of the board of superintendents of Western Seminary here, and member of the board of New Brunswick Theological Seminary. Funeral arrangements were in charge of Wolbrink Funeral home, Hudsonville.

Survivors are a son, Clarence, superintendent of schools at Fenton; a daughter, Mrs. John Hager of East Grand Rapids; a brother, Albert, of Orange City; two sisters, Mrs. H. Spinden of Doon, Iowa, and Mrs. M. Ver Burg of Orange City; and five grandchildren, Raymond Walling, and David, John and Daniel Floyd Hager, and Claire Irene Heemstra.

Neil Wiersma of 371 College ave., submitted to an appendectomy at Holland hospital last Friday.

A letter has been received here by Mrs. Leroy Strong, of 166 East 14th St., from Miss Tena Holkeboer, missionary of the Reformed church in China, and daughter of Mrs. Anna Holkeboer, 24 East 15th St. Miss Holkeboer indicated that the outlook is dark, but "the Chinese do not yet have an attitude of despair."

Extracts from the letter follows: "Chiang Kai Shek is working against tremendous odds, but he certainly has gained the confidence and loyalty of the people. While the Japanese are creating havoc and destruction everywhere, they are indirectly helping China to accomplish within a few months or years what otherwise might take generations. Amoy was quiet for exactly one month when suddenly on Jan. 26, we heard the whirring of Japanese bombing planes once more. The Amoy raid did little damage, but in a raid on a place about 13 miles from here, about 40 persons were killed. No one knows what their object was, and since then, all has been quiet once more. It seems the Japanese plan to begin their southern campaign by an attack on Amoy. What the outcome will be, we dare not prophesy, although it is not likely that Amoy can hold out for any length of time. Kulgansu is still safe as an international settlement, but how long can it remain so is uncertain. We hope for the best."

Pere Marquette railway officials conferred last week with William M. Connelly, manager of the Chamber of Commerce, in regard to plans for two railroad excursions from Detroit to Toledo, O., to Holland's Tulip festival, to be made by the Pere Marquette railway. The excursion from Toledo is planned for May 14, and the second from Detroit on Sunday, May 15, the second day of the festival. It is the plan of railroad men to import busses from Grand Rapids to take visitors for tours of the tulip lanes and other points of interest. A tour was made by the officials over the tulip lanes so that they might learn what Tulip Time visitors could be able to see.

Her 14th birthday anniversary was celebrated Wednesday night by Mabel Plaggemars by a party presented by her parents, Mr. and Mrs. D. Plaggemars. Among those present at the affair were the following: Marjorie Charlotte Nyenbuis, Marjorie Ruth Scholten, Alma Jean Klingens, Lorraine City, Vivian De Weerd, Evelyn Van Slooten, Hester Van Dyke, Jean Ash, Dorothy Van Loo, Nell De Leeuw, Janet Piers, Ina June Mause and Frieda Menken.

ZEELAND

Mrs. S. D. Boonstra, 68, who lives about two miles south of Zeeland, died about 11 a. m. Saturday at her home. Survivors are the husband; four daughters, Mrs. Marvin De Jonge of West Lafayette, Ind., Mrs. E. Wagenvest of East Holland, and Mrs. John Walters and Mrs. William J. Bos of Zeeland; five sons, Earl at home, John of Zeeland, Frank F. of Traverse City, Richard of Chicago, and Dr. Edward of Detroit; a brother, John De Grass of Detroit; a sister, Mrs. Thomas De Long of Denver, Colo., and twelve grandchildren.

Saturday at 2 p. m. funeral services were held from the Langeland funeral home here for A. J. Rose, 75, who died here last Thursday. Interment took place in Burnips cemetery. Survivors are a brother, Olaf Smith of Holland; a sister, Mrs. Florence Stephenson of Oregon; a nephew, Harold Smith of Allegan; two nieces, Mrs. Zedie Shultz of Ohio and Mrs. Helen Hamelink of Holland; and four stepchildren.

OTTAWA COUNTY

Theo Wade, Fennville attorney, is reported to be improving nicely at Douglas hospital, and expects to remain there for another week. Mr. Wade was at one time a State Legislator.

Miss Cornelia Fredricks, 81, died Saturday morning at her home, 81 East 25th st., following a three months' illness. She was a native of Graafschap, and resided in East Saugatuck for several years before coming to this city. Funeral services were held at 1:30 p. m. Tuesday from the home and at 2 p. m. from Prospect Park Christian Reformed church, with the Rev. L. Van Laar officiating. Burial took place in East Saugatuck cemetery. Survivors are three sons, Ed Fred-

ricks, Herman Fredricks of East Saugatuck; and Marvin Lambers of this city; two daughters, Mrs. Frank Bouwman of this city and Mrs. G. J. Lubbers of East Saugatuck; a sister, Mrs. Henry Hamming of McBain; three brothers, Abe and Dick Lucas of Lucas, and Simon Lucas of Kalamazoo; 18 grandchildren; and two great-grandchildren.

The Rev. Peter Jonker of Holland and the Rev. W. Van Wyk of Grand Rapids officiated at the installation service held at Niekerk Christian Reformed church Sunday morning for the Rev. Ralph Heynen, new pastor of the church. Rev. Van Wyk is Rev. Heynen's father-in-law. Sunday afternoon Rev. Heynen preached his inaugural sermon. He comes from Rock Rapids, Ia., to replace the Rev. Martin Bolt, who accepted a charge in New Era recently. Last Thursday night the congregation held a reception for the new pastor and his family.

Miss Lydia May Beery of Douglas became the bride last Sunday at 3 p. m. of George Drought at a ceremony performed at the home of the bride's mother at Douglas by the Rev. Egbert Winter of Holland. About 40 relatives attended the rites. Attendants on the couple were Miss Alice Hisecock of Allegan and Charles Welch of Douglas. They will reside in Douglas, following their return from a wedding trip through the North.

Andrew G. Lohman, manager of the Hamilton Farm Bureau and head of the Michigan poultry industries committee, stated last week that a report from Washington indicated that importation of Chinese frozen and dried eggs during the current year will be curbed very greatly. The decline is due to the large number of fatalities in the chicken population of areas in the war zone. Mr. Lohman, in consequence, predicts a large increase in the use of domestic eggs.

OTTAWA COUNTY

The Crossroads gasoline filling station, located at the junction of Port Sheldon road and US-31, about seven miles north of the city, was totally destroyed last Thursday about 1:30 a. m., by a fire, origin of which was not determined. Total loss was estimated at \$2,000, part of which is covered by insurance. A house also was destroyed as the fire gained headway. Mrs. Peter Bauman owned the property, while Chester Foss operated the station. The Foss family was forced from its home in night attire, in an effort to escape the flames.

The floors have been sanded and varnished at the Wesleyan Methodist church at Pearlina and considerable repair work and painting has been done and also some shrubbery has been planted in the yard. Also the Christian Reformed church grounds have been beautified during the past week and much shrubbery furnished by Herman Lemmen has been planted.

Miss Hattie Jacobsen, daughter of Mr. and Mrs. Ben Jacobsen of West Olive, and William Assink, son of Mr. and Mrs. Henry Assink of West Olive, were united in marriage last week Wednesday night at the home of the Rev. and Mrs. Hibma on East 11th st. The Rev. Hibma officiated. Attendants were Miss Mildred Assink, sister of the groom, and Peter Jacobsen, brother of the bride. At a reception held at the home of the bride's parents the following were present: Ella Stegenga, Harry Blauwkamp, Mr. and Mrs. Assink, Mr. and Mrs. Jacobsen, Caroline Hop, Mr. and Mrs. Lawrence Vander Zwaag, Mr. and Mrs. Peter Jacobsen and son, Benjamin, Mr. and Mrs. B. Bartels, Harry and Lena Jacobsen, and Henrietta, Mildred, Gerrit, Frank, and Jennie Assink. The young couple is residing at West Olive. A surprise shower was held at the home of Mr. and Mrs. Ben Jacobsen for the bride last week Friday night. Those invited to attend were William Assink, Mr. and Mrs. Ralph Bartels, Mr. and Mrs. J. Branden, Mr. and Mrs. B. Bartels, Mr. and Mrs. Levi Bartels and family, Mr. and Mrs. Henry Zwiers and family, and the Rev. and Mrs. T. Hibma and family.

An ice cream social was held Friday night at Waukazoo, at the Park Township Community center there, by the North Shore Park

SUNDAY DINNER Suggestions

By ANN PAGE

THE last week of Lent will probably see ample supplies of fish available. Beef and lamb are higher, veal and fresh pork lower. There will be special values in smoked ham and poultry for the Easter dinner.

Even though egg prices may be no lower, current supplies are ample and prices very reasonable for this Easter season.

Plentiful supplies of apples, bananas, grapefruit, oranges and pineapples are available. Lettuce and peas are the scarce and expensive regular items in the vegetable market. Asparagus is still high due to poor growing conditions.

Here are three Easter dinner menus at different price levels.

Low Cost Dinner
Smoked Ham Shoulder
Mashed Potatoes
Buttered Spinach
Bread and Butter
Coconut Custard Pie
Tea or Coffee

Medium Cost Dinner
Chicken Fricassee with Dumplings
Parsley Potatoes
Green Beans
Quince Jelly
Bread and Butter
Lemon Meringue Pie
Tea or Coffee

Very Special Dinner
Fruit Cup
Baked Ham
Sweet Potatoes
Cauliflower au Gratin
Golden Glaze
Rolls and Butter
Frozen Orange Custard
Coffee

The regular issue of the Woman's Day, a monthly publication sponsored by the Atlantic & Pacific Tea Co., is now available and copies can be secured at 2c each at any A&P, Ottawa, or Allegan county A&P food stores. Ask for your copy. Copies of the weekly, eight-page, recipes and menus—in rotogravure—are also available each week.

Community club. The musical portion of the program was in charge of John Belder, and Nick Stielstra, president of the group, presided. Plans for air day during Tulip Time at Park township airport were discussed. Detailed reports were given of progress being made at the present time on the athletic field adjoining the community center. The group will run concessions at the airport and the community center during the local Tulip festival.
