Fifty Years Ago Church Was Founded

JAMESTOWN REFORMED
CHURCH HAS QUITE A HIS-
TORICAL BACKGROUND

Next week will be a very important period for the Jamestown Reformed church, when it will celebrate its fiftieth anniversary with an appropriate program in the present church edifice. All the members of the church, their families, many ministers from the vicinity and from abroad are expected to be present.

The anniversary falls due on April 16, but the celebration will be held on April 19 and 20. The meeting Wednesday afternoon will be conducted in the Holland language and in the evening in the English language.

The church was organized in the spring of 1889, when the classis of Holland appointed a committee consisting of the following pastors: Rev. John Vander Meulen, of the Reformed church of Forest Grove; Rev. H. Vander Ploeg of the Reformed church of Vriesland; also Elder Henry Kamer of Forest Grove. They, with a committee of others, met at the Jamestown school on April 16, 1889, and proceeded to organize, after discussion was given by Rev. Vander Ploeg. At that time the committee enrolled 26 members in full communion. Of these, there were six who came on confession of faith.

The first services were held in the schoolhouse and continued for a year, when in March 1890 it was

THERE MAY BE SOME CHANCE THAT TUNNEL PARK MAY BE ENLARGED

At the board of supervisors' meeting the matter of enlarging Tunnel Park was again brought up. This movement was started about two years ago by a local committee, but then fell through. Since Lakewood Farm has gone into other hands and portions are to be sold, there may be a chance to purchase approximately the same amount of land on each side constituting in all about 1000 feet, 800 feet to the south and 200 feet to the north.

Isaac Kow, local realtor, has been taking up this matter, and the Holland members of the board of supervisors and others who know that this park is a boon to picnickers of all of Ottawa County will give it serious consideration. Tunnel Park has had as many as 15 picnics in one day coming from every corner in the county.

George Heneveld, supervisor of Park township, Henry Geerlings, mayor of Holland, are sponsoring this movement to add to Tunnel Park which is an imperative need. A committee has been appointed to give the matter thorough investigation. Mayor Geerlings is chairman of that committee, and other members are Mayor Richard Cook of Grand Haven, Mayor Gerrit Yntema of Zeeland, Henry Slaughter, and Charles Lowing. Mr. Lowing is chairman of the board.

BLAZE IN BROODER DESTROYS 430 CHICKS ON G.D. HAVEN FARM

The brooder house in which 430 month-old chicks were kept on the Arthur Green poultry farm near Grand Haven limits on Beech Tree st., caught fire suffocating the chicks before the place could be opened. Mr. Green said none of the chicks were touched by the flames. He estimated his loss at about \$150. Grand Haven firemen responded to the alarm.

Miss Minnie Shulman, a Jewish mission attendant at Grand Rapids, was the principal speaker at a meeting of the Missionary society of Fourteenth Street Christian Reformed church. Mrs. C. W. Dornbos presided and about 50 were present. Miss Marjorie Brouwer sang an appropriate Easter song, and refreshments were served by Mrs. J. Langeland, Mrs. L. Lambers and Mrs. J. Plaggenmeyer. Mrs. M. Vander Vliet closed the meeting with prayer.

On arraignment before Justice of Peace Nicholas Hoffman, Jr., Gordon Ver Hult, age 17, Rural Route 6, Holland, pleaded guilty to a reckless driving charge and was fined \$25 and paid costs of \$3.35. He was arrested by State Troopers Paul Strahowiak and William Grace on M-21 between Holland and Zeeland, and was said to be weaving in and out of traffic.

Mr. and Mrs. Andrew Hyma are in St. Louis, Mo., where they are visiting their son John, who is attending school there.

The Zeeland high school Band has set aside today, Friday, April 14, as paper day, when the members of the band will make a house-to-house canvass collecting old paper waste and magazines which they intend to sell to raise funds to pay for band expenses, such as music, instruments, etc. All citizens are urged to assist the boys in this effort.

Mrs. John Wichers, Mrs. J. Masselink, and Mrs. Bert De Pree of Zeeland and Mrs. Henry Moes of Hudsonville spent Tuesday afternoon in Holland where they were the guests of Mrs. John Winter, formerly Sadie Grace Masselink.

The Classis of Holland met in the Dutch Ref. Church at Holland Tuesday. Kootman and C. Post were the delegates from the Zeeland First and Second Reformed Churches.

Three of a Kind in One for Tulip Time

The Tulip Festival has no more eager participants than the youngsters who happily look forward to the day when they may lay aside their everyday clothes and "dress up." Here is three-year-old Nina Streur, daughter of Mr. and Mrs. Richard Streur, R. R. 6, who transforms herself from 20th Century America to 17th Century Netherlands.

Nina has been chosen by the Tulip Time Committee as one of the six Little Dutch Delegates who have been chosen to receive the honors at Tulip Time that go to the queens of other festivals. Because of their respect for Queen Wilhelmina, Hollanders in charge of the festival have decided that they will not institute the custom of having a festival queen. Others

SIXTY YEARS AGO TODAY

The news reached Holland Thursday that Captain Case Dok of the sailing vessel Plugger, was dangerously ill on board his vessel living in Racine harbor, Wisconsin. Captain Baas Van Rij of the R. Kanter was telegraphed for, left for Racine to take the ship to Holland with the sick man. Note: Captain Van Rij was the father of former chief, Frank Van Ry. Case Dok, after his sailing days were over, went into the butcher business, and with him the late Mr. De Kraker conducted a shop on River ave. on the same site of the present De Kraker and De Koster market.

Dr. Gee's residence on 9th st. is progressing nicely. It will be quite an imposing building when finished. Note: This is the castle-like red brick just west of the Ninth Street Christian Reformed church. Today it is the residence of Walter C. Walsh, and is still an imposing building and is good for another sixty years.

Hermanus Boone, local livery stable man, was the lowest bidder to carry the mails thirty-six times per week from the depot to the Holland post office and return it. So now if you wait for the mail, look out for "the hack." Note: Today it takes several truck loads to carry the large amount of mail coming and going each day. "The hack" was nothing more than a black enclosed carriage, large enough to carry four people. There were four or five hacks in Holland at the different livery barns drawn by horses, and these were the mail vehicles for the mourners at funerals. For every funeral, the hacks were thoroughly polished up, and the horses drawing them had plumes over their ears.

Abraham Elferink, a farmer living near Holland, Saturday killed a steer weighing 1100 pounds, meat and hide. Note: The farmer surely wanted to include everything—hoofs, horns and all, but anyway, that's some steer.

FIFTY YEARS AGO TODAY

Eagle Post No. 1 gave another popular concert at Lyceum Opera House and the entertainment to a crowded house lasted till midnight. Among the numbers were "Silver Bells," by piano and orchestra, Miss Katie Brower pianist. The Goodrich orchestra was composed of A. D. Goodrich, Frank Karr, Will Breyman, Will Thomas, Will Hopkins and Charles Warring. Reading, "The Little House on the Telegraph Pole," by Master John W. Cardes, was well received, and the lad was given hearty applause. A quintet, composed of the Misses Maggie Pfansicht, Minnie Cappon and Messrs. Ben DeVries, Mulenberg and D. Guilmore, sang "See the Mountain Slope Surrounding." A soprano solo by Miss Minnie Cappon, "By the Abbey Door," was sweetly rendered. The Aphion quartet, composed of J. B. Nykerk, Mr. Mulenberg, Ben De Vries and Phil Soulen, rendered "The North Wind" and "Breezes of Night," for an encore. T. W. Mulenberg sang a Dutch ditty, "Verboden Te Roken," which "took down the house." The ladies quartet, Mrs. Gerrit J. Diekema, Miss Minnie Cappon, Miss Martha Zeeb, Miss Maggie Pfansicht, Miss Reka Mulder, Miss Leahy R. Harwood, Miss Agnes Steffens and Miss Reka Boone, beautifully sang "The Lost Chord." Miss Tillie Van Schelven closed the first part of the program with a soprano solo, "The Song That Reached My Heart," which was heartily applauded, and Miss Van Schelven was given rousing applause. Part II was replete with orchestra numbers, piano solos, quartet selections by members of the group already mentioned.

FORTY YEARS AGO TODAY

Albert Hyma of Zeeland has left composed of the flags of the five

Navigation is open and as regards wages seamen on sailing vessels, sailors will receive \$1.50 a day and on barges \$1.25 a day and "grub."

The winter term of the Brinkman district school at Laketown closed Monday and there were four graduates, Anna and Katie Neerken, Reka Cook and Nettie Brinkman. Miss Anna Brinkman will succeed Benjamin Neerken as teacher, who will build a new house on his farm near Jensen Park, where he will reside. Note: Mr. Neerken later became identified with the First State Bank of Holland and when the Commercial State Bank of Zeeland was organized, some thirty years ago, he became the cashier. He died at Zeeland.

Thirty Years Ago Today

Sheriff Corneal Andre of Ottawa county narrowly escaped death when the Muskegon interurban struck his rig at Spring Lake, killing his horse, but the sheriff was uninjured.

Harm Looman, treasurer of Olive township, has turned in a remarkable report on the collection of state, county and township tax. Mr. Looman returned only a few descriptions as delinquents, amounting to \$13.98 uncollected. A dog tax of \$283 was also turned in, which represented most of the dogs in the township.

Mrs. Griswold presented the Allegan Y. M. C. A. with a fine new \$400 piano. Note: At her death she presented her city with a large community hall costing several thousand dollars. It is called the Griswold hall, and was built by the late Frank Dyke of Holland.

F. Lampen disposed of his muck farm at Hudsonville to Jacob Hop of Holland. Consideration \$3,900.

Mr. and Mrs. George A. Stegman entertained friends at their home of Maple st. Sandbags and progressive pedro made up the evening's entertainment. Head prizes were won by Mrs. Charles Floyd and attorney Daniel Ten Cate. Consolidations went to Miss Avis Yates and Merrick Hanchett. A flash picture was taken by James Van Volkenburg.

Twenty Years Ago Today

General Pershing, who was with the boys in France, cabled for 75 tons of chewing tobacco.

Word has been received by relatives and friends in Holland of the safe arrival to America of Henry Woudstra, whose home is on Michigan ave. Woudstra, who is widely known throughout the city as "Dutch Hank," was reported killed in action some time in September, shortly before the armistice was signed. His relatives and friends spent many anxious days endeavoring to verify the report. In some way the cables mixed up the names of Mr. Walters, who was killed, and Mr. Woudstra, who was in France. Note: Henry Walters was killed, and his name is perpetuated through the Henry Walters Post, V. F. W. "Dutch Hank" is still living twenty years later, and is conspicuous in every Tulip Time parade.

Official announcement has been made that on July 1, 1919, postage on first class mail matter will be the same as October 2, 1917. This will mean that the red two-cent stamp will come back into force on letters, and postal cards will be one penny. The government has issued a victory postage stamp of three-cent denomination, the design presenting a standing figure of "liberty victorious," with a background

Supervisors Hold A Three Day Session

ONE NEW MEMBER IN PLACE
OF HAVEDINK FOUND ON
THE BOARD

Several Holland supervisors, including Mayor Henry Geerlings, City Attorney Clarence Lokker, Assessor Peter Van Ark, supervisors Abel Postma and Neil De Cook, George Heneveld of Park, and John Ellander of Holland township, are in Grand Haven attending the board of supervisors during the three, and possibly four-day session in April. Charles Lowing of Georgetown was again made chairman of the Ottawa County board, this being his third year as chairman, following the chairmanship of George Heneveld, who had served several years. He was elected on the first ballot during the first day of the session.

During the sessions, a representative from Kalamazoo hospital was present and asked for the cooperation of the board, stating that there were several old patients being cared for there for a long time. It was for the purpose of finding out who were able to pay, and who were not able to pay. It is understood that the board will be asked to help the hospital authorities in giving information on certain patients.

There was also a representative, who gave some discourse on grasshoppers and how to exterminate them. This was especially interesting to the farmer representatives on the board.

Very little was done at the second afternoon session, waiting committee reports.

At the organization, Dick E. Smallegan of Jamestown was elected vice chairman to succeed Mayor Gerrit Yntema of Zeeland. Mr. Yntema through being mayor of Zeeland is still a member of the board.

It is stated that there is only one new member on the board—namely, Mr. Volink who takes the place of Havedink, who ten days ago was sent up for life on a grave charge.

The chairman, Mr. Lowing, appointed the following committees on which several men from Holland and vicinity appear. The committees follow:

The auditing committee, elective and composed of Philip T. Rosbach of Grand Haven, Maynard Hoor of Zeeland township and Hunter Hering of Crocker, was re-elected. Only one ballot was cast for each member of the committee.

Tells of Strange Old Church Centuries Old

ANGELS AND DEVILS MADE
UP THE ARTISTIC BACK-
GROUND OF THE INTER-
IOR—DANZIG

By Dr. A. J. Brower

While passing through the harbor channel of Danzig we got a good glimpse of the Polish Museum Depot where much of the war materials are stored as this is their only outlet to the sea.

At one point we went into the old bed of the Vistula river calling the dead Vistula because it has been currentless since 1840. The current now goes by way of the new Vistula, later constructed. We saw some medieval fortresses on the banks, the famous Schichau shipyards, the birthplace of many an ocean liner, among them the Homeric, Columbus and the Emden. Leaving the dead Vistula, we came to an old corner tower of the city wall, called the Swan Tower, picturesquely situated, overlooking the fish and vegetable market. There we saw the medieval granaries, visible evidence of the commerce, life of the city of former ages.

They still retain the strange sounding names, such as Collet, Grey-Gow, Milkmaid, Old Testament, and New Testament. Opposite the granaries, old city gates gave us charming views of streets, shaded by old trees in terrace-like fashion. The finest of the old city gates is the Krantor crane gate, erected in 1449, and this is Danzig's most characteristic landmark. Inside the arch we can see in the past, still see the treadmills in which prisoners walked to hoist and lower loads. In spite of its age the crane can still be used. This tower is a most striking reminder of the old days, as it overhangs the quay. We saw along the banks huge gabled warehouses and other mercantile structures and an old observatory. Now we will leave its attractions along the banks of the river and enter the city proper.

To mention the name Danzig is to evoke a variety of impressions that are made up of many different pictures. One picture will show the massive brick pile of the church of St. Mary called the Marienkirche. This was built between the 13th and 15th centuries. It is the Protestant Cathedral of Danzig and is one of the largest Protestant churches in the world. It contains many treasures of art, the most famous is a painting of "The Last Judgment," picturing the judgment seat, the judge, the golden gates and all that is heaven with all the righteous people of all colors and races, with the emaciated angels as white as snow on the one side and Satan with his horde of devilish imps and the wicked people, together with horrible abodes on the other.

To stand there and gaze upon such a scene which seemed so realistic certainly dispersed thoughts of any other nature from one's mind those few moments. I have never seen anything so pictured like that before anywhere.

This painting was seized by a Danzig captain while on his way to Italy in 1473. This church dominates the city like a fortress. The high altar was constructed in the 16th century. This church is a work of colossal effect without and within. It is a Gothic tabernacle and built under Teutonic Order of bricks and of medieval characteristics. The interior corresponds to the exterior. Many artistic pillars and a number of chapels filled with works of art treasures, paintings and monuments. It has an astronomical clock centuries old. This clock was about six feet in diameter and patterned after a globe, with all the heavenly bodies arranged so it could act as a "horoscope" or forecast one's future. If born under Jupiter, Mercury, or any of the other planets, or some lucky stars, prosperity, forebodings, advantages or disadvantages all were scientifically calculated. Nearly all the ancient nations, like the Egyptians, Chinese and the Romans, except the Greeks, had much faith in the teaching of this strange science at this period.

The ancient peoples of Babylon, Chadea and Arabia made attempts to mark time by means of the movements of heavenly bodies and today astronomy has a very prominent place among all the different sciences. Next summer the planetary building at the World's Fair in New York will be a real attraction along this line and I hope to visit it.

This church is still ornamented with an old style massive blunt tower about 76 meters or 223 feet high and has been looking down on going and coming generations of Danzig citizens for over seven centuries. More Danzig next week.

JOHN SOLEM HIT WHILE WORKING ON US-31 SATURDAY
A door handle and lock, identified as from a Model A Ford and believed torn from the car as it struck John Solem, 64 years old of Spring Lake R. R. 1, is the only clue state police have to the hit and run driver that struck Mr. Solem just inside the Ottawa county line on US-31 Saturday about 9:30 p. m.
Mr. Solem, in Hatton hospital with a serious fracture of the right leg and wrist, fractured nose and head lacerations, is improved and the attending physician said he would recover. He is married and has a large family. Mr. Solem was admitted to the hospital about 10 p. m. Saturday, removed there in a Van Zantwick ambulance.
According to Sgt. Seicrist, Mr. Solem was walking north toward his home against the traffic and was hit by the south bound vehicle. A passing motorist saw the injured man and called the officers. Sgt. Seicrist said that a full check on door handles for the model car which struck Mr. Solem would be made by the state police.

The Enemy?
Pictured above are Trudy Young and Gordon Pleune, co-stars of Hope senior play, "The Enemy." The scene is one typical of the precarious situation in which youth finds itself today: they are looking out into the future, trying to see peace, in the face of a war-torn world. A Channing Pollock play, this drama finds popular acceptance in its moralization about war at a time when all America eyes the European situation with mounting anxiety.
Other members of the cast include Margaret Allen, Jean Hoek, Corie Marcus, Robert Wismeier, Cornie Pape, Bill Jacobs and John Oiert. They form a cast exceptionally well-suited to perform the swift dramatic action of the play which well illustrates the emotions and crises which arise in a family when war is in the air.
"The Enemy" will be presented by the senior class in the Woman's Literary Club building on the nights of April 26, 27, and 28. Mr. Stanley Albers of Grand Rapids is director. Among those assisting on the production staff are Mildred Kirkwood, prompter, and Henry Morgan, stage manager.
Rehearsals for the play have been regular since before vacation, and all arrangements are being made to make the production of this play as superior as possible. Tentative plans have been made to have a set brought down from Grand Rapids to make the stage as realistic as possible. Final arrangements and announcements will be made very shortly by Bob Wismeier, senior class president and publicity manager.

RABBI FOLKMAN SPEAKS AT BANQUET OF CENTURY CLUB
Ninety were present at the spring banquet of the Century Club held at Warm Friend Tavern.
The Hope College Trio, composed of Misses Gertrude Young, Mary Jane Vappell, and Thelma Kooker, pleasingly rendered three groups of songs. The first group, "Go Long Chile, to Sleepy Town," by Sparks, "Singin'" by Vogel, and "Mighty Lak a Rose," by Nevin, was sung in colorful costume. Their second group was Russian, "Dark Eyes," by Trehanne, and "On the Steppes," by Gretcheninoff, and the young women wore complete Russian costumes. Their last group, composed of "Serenade," by Schubert, and "The Piper from Over the Way," by Brahe, was rendered in conventional evening dress. The group was accompanied by their director, Mrs. W. Curtis Snow.
The speaker, Rabbi Jerome D. Folkman, chose as his subject, "As a Realist sees Parenthood." He told of some of his experiences as a parent, and said that he agreed that there is "something the matter with the average modern parent." Children of today receive too much attention and are spoiled. The only child of a family should receive the same amount of attention as if he were one of ten children.
The youth today do not have the aspirations, energy, ambition needed to succeed. They should be trained to recognize law and order, and the speaker emphasized home training in this first. He also said fairy tales were not written for children. Why give them witches when the realities of life are rich enough. Give them beauty, teach them nature, let them know life as it is before they see the distortions of the fairy tale.
The Rabbi told of the family court methods he used in teaching his children, and success had marked these realistic methods.
Mayor Geerlings, president of the club, presented Rabbi Folkman with a pair of wooden shoes. Others at the speaker's table were Mr. and Mrs. George A. Pelgrim. Mr. Pelgrim will head the club next year.
Mr. and Mrs. Milton Hinga and Mrs. J. D. French were in charge of arrangements for the banquet.

Practical Advice
Young men and women trying to get a start in life will lose nothing, and may gain considerably, if they use a few minutes in reading over advice on "how to get a job," given recently to a group of Ann Arbor engineering students by Lee D. Coart, assistant salesmanager of the Plymouth division of the Chrysler Corp., and Robert Waldron, industrial relations director for the Hudson Motor Car Co.
These two men advised students seeking employment to submit businesslike data sheets setting forth their training and qualifications for the particular sort of job desired.
They advised the inclusion only of letters from people who really have intimate knowledge of the qualifications of the applicant.
They suggested the curbing of youthful over-enthusiasm, likely to be interpreted as "cockiness."
Both speakers emphasized the need to cultivate social contacts in order to acquire an ability to work well with others. Emphasis was placed on the demand in industry for men of broad cultural background, who are acquainted with English literature, history, economics and the social sciences.
"And no matter what career may be pursued, an ability to speak and write clearly and forcefully is an essential," Mr. Waldron said emphatically in the summing up.
There is nothing theoretical about this counsel. It is the advice of practical men of experience; and the young man who takes it to heart and acts on it is going to be glad later on that he did so.

MANY SCOUTS HONORED HERE

GLORY DAY IS HELD FOR PI KAP VICTORS
Impromptu speeches, band numbers, yells, snake-dances and a theater party featured Hope's first Glory Day in two years, as the student body celebrated the triple-victory of its men's speech squad at the April 7-8 Pi Kappa Delta Province of the Lakes Convention.
Signs on the chapel doors and Glory Day edition of the Anchor informed students of the week-end victories as they arrived at school Monday morning for chapel; so they assembled in Carnegie gym for the start of the festivities. The uniformed band greeted the excited students at the gym and cheer leaders led off the celebration with yells for the school and team.
Wichers Announces Survey
Dr. Wichers gave a short congratulatory speech. He also made the first public announcement of the fact that Hope has been chosen one of a group of colleges to be studied in an educational survey; this privilege has been given to only 22 colleges in the U. S.
After the girls' debate coach De Graaf had made a few remarks, he introduced the women's team, remarking that their record of five wins and five losses would put them on even terms with all other teams if all the other teams had done as well.
Winners Introduced
Dr. Shackson was then called upon to introduce the men's debate squad and the tourney winners. Stressing the high ratings of all men's teams in this year's tournaments, Dr. Shackson pointed to debate as excellent training for later life as proved by this year's squad. Obviously elated over the Kent, Ohio victories, the coach then introduced the winners of the contest, Wilbur Jacobs, third in extempore speaking, Donald Van Lier, first in debate, and Robert Bonthuis, first in debate and second in oratory. Both debaters made a short speech in which they thanked their coach for his help.
Students Snake Dance
At nine o'clock the band headed out with the students following for a Glory Day snake-dance downtown. From 8th Street the parade wove down River Avenue to the Holland high school building. In the high school auditorium Principal Riemersma and "Prof." Hanson congratulated the student body and the debaters, welcoming them in the name of the high school student body.
Informal Program, Theater Party
An impromptu program of student talent followed with Bob Bonthuis singing "Small Fry," John Palmer singing "Deep Purple" and the girls' trio doing the "Umbrella Man." From there, the parade reformed and marched to the Colonial theater for a special morning show.
The victory of the Hope men is the first honor of its kind ever to be brought to the college. Two years ago Lucille Buter gave the school a glory day by winning the State Oratorical Contest. Five years ago Henry Kuisinga did the same. But the triple-win recently recorded stands alone as the highest triumph of Hope in an interstate convention.

The afternoon was divided into three periods, the first was the reading of a paper on "The Repentance of God," the second a Question Box hour, and finally a sermon by A. D. Wright of Hillsdale. The Drinking License Bill
(Detroit Free Press)
The measure will stand examination and debate, but there is considerable to be said for the portion of the liquor bill introduced in Lansing by Rep. Nelson A. Miles and seven other House members, which provides that all who wish to drink intoxicants must secure annual licenses to do so, must meet certain qualifications of age and character, and must live up to fixed standards of decency and sobriety in order to keep them.
The bill calls for payment of a small license fee, but it is not a revenue measure; it is a protective measure.
Rep. Miles in emphasizing its importance from this standpoint, insists that the bill embodies the only workable plan for preventing the sale of intoxicants to minors and others who ought not to drink.
He bases his belief in its workability on reports of results of similar legislation in Oregon, Utah, Iowa and Virginia where, he says, prevention of drinking by minors has ceased to be a problem.
Reasons why a drinking license plan ought to be effective in this respect, if given ordinarily decent enforcement, are not difficult to understand. Nor is it hard to believe that really conscientious liquor retailers with intelligence might welcome such a regulation as a relief from a difficult responsibility.
Certainly if protection of minors in Michigan can be brought about by enactment of the Miles licensing provision, the measure calls for the most serious sort of unprejudiced consideration.
For drinking and drunken boys and girls have become one of the most serious and distressing problems existing in Michigan.
Simon Pauwe, age 23, Holland, in a trial in Justice Matthew Cooke's court Grand Haven, was found not guilty of a charge of assault and battery made by his wife following a quarrel. A jury of six men deliberated for a half hour before they agreed the defendant was not guilty as charged. Mr. and Mrs. Pauwe were married in February. Mrs. Pauwe alleged her husband had hit her with his shoe during the quarrel and she complained to Holland city officers. Grand Haven Tribune.

PASTOR IN HOLLAND TO SEEK NEW PULPIT
Rev. Clyde W. Meredith, pastor of Wesleyan Methodist church of this city, announced Tuesday he would not consider being recalled to the Holland church for the coming year. The annual recall meeting of the district is held in June.
Since Mr. Meredith became pastor of the local church in 1929 the membership has increased 50 per cent, the church debt has been cleared, a new basement built under the church and repairs made on the church. Rev. Meredith has made many friends in Holland and out of his particular church and has been a public spirited citizen.
Mrs. Anna Boeve, age 74, 205 East 14th St., died late Friday of pneumonia in Holland hospital where she had been taken Wednesday. She was born Oct. 11, 1864, in The Netherlands and lived in Holland for 40 years. She was a charter member of Sixth Reformed church, the Ladies Aid society and the Mission band. Surviving are the husband, Dirk Boeve, a sister, Mrs. Hermanus Bosch of Holland. Her son, Herman Van Tongeren, died in November, 1937. Mr. and Mrs. Boeve were married in March 1906. Funeral services were held Monday at 1:30 p.m. from the home and at 2 p.m. from the Sixth Reformed church, the Rev. John Vanderbeek of Holland and the Rev. J. H. Bruggers of Coopersville, a former pastor, officiating. The remains were in charge of Dykstra funeral home and friends were privileged to pay their respects at the Boeve home.
Deputies William Van Etta and John Boes recovered nearly \$300 worth of articles taken from the Fred A. Strissem-Kenter cottage at Macatawa Park. The Chicago man's cottage was burglarized last week. Other cottages belonging to E. B. Wildson of Brook, Ind., and F. C. Martindale of Lansing also were entered. The culprits were found to be three lads of 13, 14, and 15 and the loot, with the exception of a radio the lads sold for \$2, was found buried under the floor of a garage at Jenison Park.

Betty Young AT YOUR SERVICE

When you use certain ingredients haven't you wished you often knew more about them? Just what they are and why? At intervals along with everything else that we discuss in our column, I shall tell you about some of these supposedly mysterious ingredients.

Baking soda is one of the household simplest ingredients to use and has a hundred and one uses if not more. To the grocer and home-maker it is known as baking soda, but to the pharmacist and doctor it is bicarbonate of soda.

In reality baking soda is a mildly alkaline, highly refined powder, quickly and easily soluble in water. It contains large quantities of carbon dioxide, the same gas found in ginger ale and soda pop. In combination with acid cooking ingredients, it is among the oldest chemical leavening agents.

In order to obtain the delicious, tender, and moist baked products made with baking soda and sour milk the carbon dioxide gas must be released. The baking soda naturally reacts with acids, and therefore, reacts with many ingredients other than sour milk. These commonly found in the home are molasses, buttermilk, cottage cheese, sour cream, chocolate cocoa, lemon juice, orange juice, vinegar, brown sugar, honey, and apple sauce. One or more of these may be used in the same recipe with baking soda.

Developing recipes is not as simple as one, two, three. Without generous reservations, no hard and fast rules for leavening can be followed successfully under all conditions. So I say once more, select a recipe from a reliable source—one you know has been thoroughly tested. Then measure, don't GUESS! Bake a masterpiece each time.

Many fine recipes call for sour milk or buttermilk and upon inspection you find none available. Don't worry, simply place 4 teaspoons lemon juice or vinegar in a standard measuring cup, fill to the one cup mark with sweet milk or diluted evaporated milk. The resulting liquid is equal to natural sour milk or buttermilk when it is best for baking. Sour cream may also be made by using sweet cream with lemon juice or vinegar.

DEVIL'S FOOD CAKE

3/4 teaspoon salt
1/2 cup fat
1 1/2 cups sugar
2 eggs
4 oz. unsweetened chocolate
1 cup milk
1 teaspoon baking soda
1 teaspoon vanilla
Sift, then measure the flour and sift 3 times with the soda and salt. Cream the fat until light and fluffy. Add the sugar, beating after each addition. Add the unbeaten eggs, one at a time, beating until the mixture resembles thick whipped cream. Melt the chocolate, and when cooled add to shortening and sugar mixture. Add the dry and liquid ingredients alternately, mixing well after each addition. Pour into a 9-inch square greased pan. Bake. When cool cover with boiled icing, then pour a thin coating of unsweetened, melted chocolate over the top.

Reports of Standing Committees

When the City Clerk presented the several applications for building permits, Ald. Huyser requested information in regard to the City's authority to restrict the building of certain types of residences. Mr. Huyser stated that he had received several complaints from residents in the south part of the city where a small Spanish type of house is being constructed.

In reply, City Attorney Clarence Lokker stated that he had gone into this matter very carefully and that the city could not specify the amount of money that had to be spent in the construction of a residence. Mr. Lokker further stated that the city could exercise its police power by requiring certain set-backs, lot areas, types of roofing that might be used, etc., but that was as far as they could go. Mr. Lokker further stated that every citizen had certain constitutional rights which the city can not go beyond the power to police. Mr. Lokker stated that if the original owners of property wanted to prescribe certain restrictions, that was a matter between one individual and another and the city did not enter into this requirement.

Committee on Ways and Means to whom had been referred the matter of making settlement with former police officer Benj. Kalkman, reported that they have made such settlement and Mr. Kalkman has now released the city from all further claims. The amount paid Mr. Kalkman in this final settlement was \$185.15.

Adopted.

Claims and Accounts Committee reported having examined claims in the amount of \$6,417.37, and recommended payment thereof.

Allowed.

Committee on Public Buildings brought up the matter relative to a new floor in Engine House No. 1. The committee, however, did not have an estimate of the cost of this work.

Referred back to Public Buildings Committee requesting them to find out what the cost would be and report back to the Council.

Committee on Licenses reported having received several applications for renewal of licenses to sell beer, as follows: Lee De Feyter, Wm. Tahaney and W. H. Lillard (Holland Hotel Co.), G. R. Gillespie, Dave Blom, Francis Palmer, Harold Stull, Holland Elks Lodge, Henry Vandt, Water, Catherine Hermans, M. Koop, Francis Velling, Holland Aerie No. 1594.

Approved.

Reports of Special Committees

Clerk reported that if there were no objections, the canvass of the vote which under the Charter is required to be made on the Thursday following an election, could be made at this time.

There being no objections, it was moved by Ald. Smith

That the Mayor appoint a committee to canvass this vote. Adopted. Mayor appointed as such committee: Ald. Ketel, Oudemool and Prins. After a short recess, the committee reported that it had made such canvass and submitted a tabular statement of such vote, and on motion of Ald. Ketel, 2nd by Oudemool.

RESOLVED, that the report of the votes cast for the several City and Ward offices be and the same is hereby adopted, and that the several persons who have received a majority of the votes cast for the respective offices for which they were candidates, be and hereby are declared ELECTED to such office as follows:

Mayor: Henry Geerlings.

Alderman 1st Ward, A. P. Kleis.

Alderman 5th Ward, Bruce M.

Raymond, 2 years.

Alderman 6th Ward, Herman Mol, 2 years.

Consul 6th Ward, Edward Prins, 3 years.

Said resolution prevailed, all voting Aye.

Communications From Boards and City Officers

The claims approved by the Hospital Board in the sum of \$4,348.52; Library Board, \$293.31; Park and Cemetery Board, \$2,090.24; Police and Fire Board, \$2,898.00; Board of Public Works, \$56,800.68, were ordered certified to the Council for payment. (Said claims on file in Clerk's office for public inspection.)

Clerk reported interest coupons due and presented for payment in the amount of \$50.00.

Ordered paid.

Clerk reported that pursuant to instructions, he had given notice of the proposed construction of a sanitary sewer in 26th st. between College and State st. and of the time and place for hearing objections, if any, to the construction of said sewer. Clerk further presented affidavit of publication of such notice, and reported that no objections have been filed.

Confirmed and sewer ordered constructed.

Clerk presented communication from Park and Cemetery Board requesting approval of the awarding of contracts for the construction of new buildings and entrance at the new cemetery as follows:

John Bomers, general contract, \$17,303.

Modders Plumbing & Heating Co., plumbing and heating, \$1,130.

White Bros. Electric Co., wiring, etc., \$238.

The above contractors being the low bidders.

Approved and Mayor and Clerk instructed to execute contracts on behalf of the city.

Clerk presented communication from Park and Cemetery Board recommending the purchase of a building and land from Holland Fuel Co. at the foot of 12th st. for warehouse purposes. The building is approximately 30 x 70 feet and the land has a frontage on 12th st. of approximately 110 feet. Park Board is of the opinion it would be less expensive and a better proposition to purchase this property than to construct a new warehouse.

Referred to Ways and Means Committee.

Accepted and filed.

Clerk reported that the 5-year contract with the City Sign Co. on three of the wooden shoe signs has expired and these signs are now the property of the city. It was further reported that the sign company has offered to enter into a new contract for the maintenance of these signs at a cost of \$10 per month per sign.

Referred to Ways and Means Committee.

Clerk presented communication from Board of Public Works recommending that the Lake States Engineering Co. be authorized to proceed with the work of driving piles for the extension of the 3rd st. outfall sewer at a cost of \$7,283.80. It was further reported that the total estimated cost for completing this project was approximately \$30,000 and the balance of this work in addition to the \$7,283.80 included in the present contract, would be included in plans for contract No. 4 to be advertised in the near future.

Approved.

Clerk presented Annual Report of the operations of the Board of Public Works for the year ending Dec. 31, 1938. The report shows a total net income of \$181,924.95; of this amount the Water Department earned \$29,747.81, and the Electric Department \$152,177.14. It was further reported that printed copies of this report would be available a little later for distribution to those who desire them.

Accepted and filed.

Clerk presented report from City Inspector Wiersma giving a resume of his activities during March.

Accepted and filed.

Clerk presented communication from Board of Public Works accepting the bid of the Westinghouse Electric Mfg. Co. for four closed feed water heaters as per their bid of \$6,380. The Board requests the Council to pass the necessary resolution awarding the contract.

Adopted, all voting Aye.

Clerk presented communication from the Police and Fire Board recommending the purchase of the Seagrave 65-foot Service Aerial Ladder truck. Ald. Kleis also presented a petition signed by most of the volunteer firemen requesting the Council to purchase the Seagrave truck.

It was moved by Ald. Kleis, 2nd by Prins.

That the recommendation of the Police Board be approved.

Mayor Geerlings called upon Mr. Watson, who was present representing the American LaFrance Co. Mr. Watson prefaced his remarks with the statement that the Police and Fire Board was not correct when they state that the truck which they propose to furnish the City would be the first one of this type that his company had

made. Mr. Watson stated that instead of building trucks and letting cities experiment with them, they have been building them for several years and doing all of the experimenting themselves. He further stated that all he would expect would be to have a delegation from the Council and the Police and Fire Board and firemen visit their plant and look at their product. They could then go home and decide which truck they wanted to buy and he would have nothing further to say. He then went on to show why, in his opinion, the American LaFrance machine is superior to other makes. He mentioned the fact that their aerial ladder and turn table is entirely operated by power, while many of the other companies build trucks that operate the turn table by hand power. Mr. Watson further stated that his company had sold fire trucks to the City of Holland on different occasions and he was sure that their product had always given the very best of service and for this reason he felt that the city owed it to their company to at least look at their product before deciding on any truck.

Ald. Ketel, chairman of the committee appointed by the Council to purchase a fire truck, stated that he had nothing against the Seagrave truck. However, he did criticize the method of procedure of the members of the Police and Fire Board in refusing to look at the products of the other bidders. Mr. Ketel further stated that his committee was ready and willing to go to other manufacturers and look at their products but he did want representatives of the Police and Fire Board to accompany them.

Mr. Ketel stated that he felt it was hopeless for their committee to go alone since very little could be accomplished if they could not receive co-operation of the Police and Fire Board in arriving at a decision

for the Southwestern conference title, but faltered in the tournament; and Christian high went to the finals of the state class C meet, but finished runner-up.

The principal speaker of the evening was Edward Cochran, national professional football official, and directing sports editor for Hearst newspapers in the United States. He was introduced by the toastmaster Earnest C. Brooks, and stated that this was the first time he had spoken in Michigan.

He was born in the Irish hills south of Detroit, and spent part of his boyhood in Hartford, Mich. He served as a newsboy in Grand Rapids, and was later graduated from Kalamazoo college. Since he played on the Hornet squad, he visited all parts of the world. His position with the Kansas City Journal was his first newspaper job.

Mr. Cochran said he had officiated at more than 800 football games, but never had seen a game from the sidelines until last fall in Los Angeles; and although he had been a sports editor for 30 years, he never saw a game from the press box. He also told incidents in the lives of the late Knute Rockne, whom he esteemed as the greatest coach of all time, and Bo McMillan of Indiana. It will be remembered that Rockne was the victim in a plane crash some years ago on his way to California.

In speaking of the Hartford high school and his football playing there, he said they had no uniforms and very little padding. In former years, if they had a coach, he taught what was called "dirty football," but today there is not a coach that will allow dirty football, and coaches and equipment are of the finest. He also added that athletes are sponsored by community and civic clubs in the United States to a much greater extent than in any other country.

The speaker said that players are building character while they are taking part in the games. In connection with this he cited an incident at a Nebraska university game. One of the players had kicked a Syracuse opponent in the face, and after the game he apologized to every member of both teams. "Several months later he told me that by the way he was treated after the incident he was taught how to treat his fellow men." The speaker gave coaches of today credit for the development of sportsmanship and clean playing. After this interesting discourse,

Mr. Cochran offered to answer any question that the audience might wish to put forth, except on wrestling. He stated that "wrestling comes under theatricals, not sports."

He gave several answers as to Dizzy Dean, his sore or better arm, the chances of the Cubs winning the pennant, and many other answers about football, golf, baseball, and other sports in which the nation is interested.

It was a real fine and informative meeting and banquet, and the Lions club is to be congratulated upon its part in sponsoring an event of that kind in behalf of local sports and players.

"ABIE'S IRISH ROSE" ATTRACTS LARGE CROWD FIRST NIGHT

The comedy, "Abie's Irish Rose," which has been looked forward to by so many people of this vicinity, drew a full house Wednesday night, at the initial performance. Under the able direction of Mrs. Ernest Penna, the cast presented the play in such an interesting manner that the audience was held spellbound during the entire presentation.

Abie and Rosie, the leading roles, being played by Mr. and Mrs. Gordon Van Patten, respectively, caused much fascination, with Rosie's quick smiles and Irish brogue, and Abie's effort to protect her from their irritated fathers.

Solomon Levy, the Jewish father, and Patrick Murphy, the Irish father, were played by Jud Krone-meyer and Lloyd Van Lente, respectively. The audience "roared" at Levy's "Oh Oi's" and the way Murphy took the news of his daughter's marriage, but at the end, the fathers each hold one of the babies in their arms, and agree to be friends.

Mr. and Mrs. Isaac Cohen, friends of the Levy family, were played by Lester Cook and Mrs. H. Helmink, respectively. Cohen's "Yes, Mamma's" and "No Mamma's" brought much laughter amongst the audience. Mrs. Helmink was constantly chattering of "Her operation—a little pain, was it here—or was it here?"

Rabbi Jacob Samuels, played by Mr. Dirks, was the perfect Rabbi, as was Father Whalen, the Irish priest, played by Vernon Van Lente.

The bridesmaids Jean Harthorn, Barbara Heneveld, Ruth Nieuwsma, Jean Brinkman, Leona Teusink, and Sirena Beckaert were dressed beautifully in long gowns of pastel colors, and Norma Jean Dirks, flower girl, added her sweet personality to the cast.

It is expected that the play, presented Wednesday and Thursday evenings to full houses, will draw as large a crowd tonight, Friday.

Mr. and Mrs. S. Havinga have returned to their home in Lucas after spending their Easter vacation with Mr. Havinga's parents at 234 West 16th Street.

HEALTH OFFICER TEN HAVE ISSUES SMALLPOX WARNING

Residents of Holland and Ottawa county were again reminded by Health Officer Dr. Ralph Ten Have of Ottawa county that smallpox is on the increase in the state and that the supply of smallpox vaccine is available at all times to those desiring vaccination. Dr. Ten Have urges that adults as well as children avail themselves of this protection. A Chicago man, ill with the disease, stopped at one of the local restaurants recently and thus those with whom he may have come in contact were exposed to the disease. The man's condition at the time had not been diagnosed as smallpox.

Mr. and Mrs. John E. Telling have returned to their home on the Park road following a sojourn of several weeks in Florida. Their daughter is home for a vacation from the University of Michigan.

New Mission Building To Be Dedicated

MISSION DEDICATION SERVICES SUNDAY, APRIL 16, 1:30, 2:45, 6:30 and 7:30 HOLLAND CITY MISSION

In the year 1900, 39 years ago, Nellie Churchford started Tent Meetings in this city on West 8th st., and that was the beginning of the Holland City Mission. Different store buildings were used after that until 1927 when a lot was purchased on Central ave. opposite the Warm Friend Tavern, and a building built which was given and dedicated by the citizens of Holland and the many friends of Miss Churchford to her to continue the great work she had started and carried on for these many years.

December 6, 1931, Nellie Churchford died and for several years the work was kept up by the workers and from 1932 to 1933 the Rev. John Looman was in charge of the work. On September 14, Mel Trotter, superintendent of the City Mission of Grand Rapids, was chosen superintendent, and his brother, George Trotter, was put in charge. The Mission was incorporated and the following men

MEL TROTTER

were elected as directors and officers: President, Isaac Kouw; vice president, Dick Meeks; secretary and treasurer, Nelson Mites; James A. Hoover, William Arendshorst. In January, 1937, Mr. Kouw resigned and George Schuiling was elected as president; Rendert H. Muller was added to the board of directors and recently Walter Kruthof was elected treasurer. George Trotter has remained superintendent since 1935. On November 13, 1935, the Mission moved into the building at 51-53 East 8th st., where it remained two years through the kindness of its owner, the Walsh estate. The Mission stands as a memorial to Nellie Churchford, and eternity alone will reveal the great work that has been accomplished—soul winning, social service, and character building which has been the Mission's aim all these years.

On March 5, 1939, the Mission moved into its new building and home, 74 East 8th st., which was purchased in December, 1938, and is to be dedicated at special services on Sunday, April 16.

The Mission is not a church, has no membership, nor denominational nor undenominational, but interdenominational, working hand in hand with the churches, the object: the salvation of souls, and when converted, turning them over to the church of their choice; and to help those in need in every possible way. Services are held nightly and Sunday afternoons so as not to conflict with Sunday morning church services.

The Sunday School is a big part of the Mission (attendance Sunday, April 9, 213; Junior Prayer Band meeting, Sunday, April 2, at 6:30, attendance 69) the only time many of them hear the gospel. The pres-

REV. HARRY J. HAGER

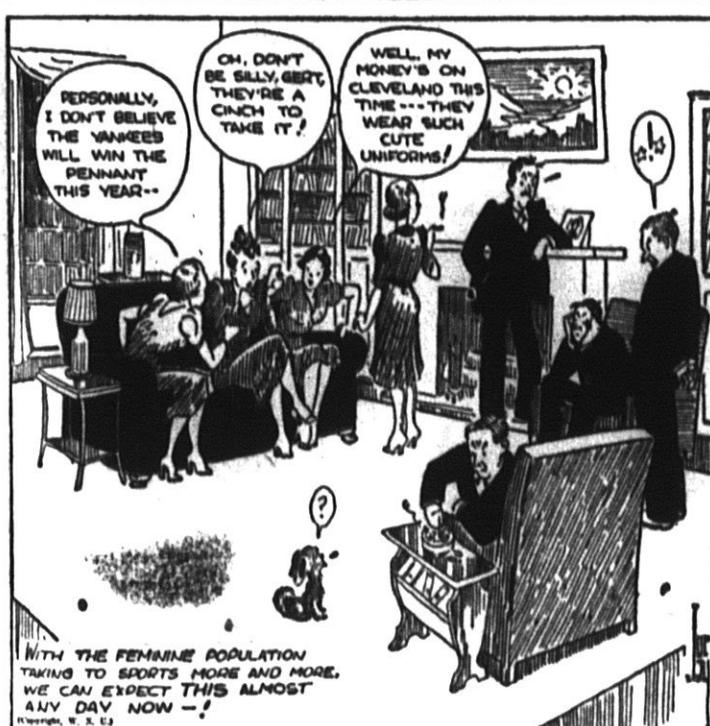

ent officers are: George W. Trotter, superintendent; John DeBoer, assistant superintendent; Nick Verhey, secretary; Walter Kruthof, treasurer; and Gerrit Barendse, recording secretary.

Thanksgiving Day dinners and baskets, the Sunday School picnic, and the Christmas treat are yearly features made possible by the many friends and supporters of the Mission.

The work of the Mission is expanding, greater interest, increased attendance—results are far greater—and every day, more and more, is proving the necessity for this Mission in our city and the continuance of this helpful and special type of work.

DR. GORIS ADDRESSED THE EXCHANGE CLUB

At a regular meeting of the Exchange club at Warm Friend Tavern Monday noon, Dr. George Goris, pastor of Fuller Street Christian Reformed church of Grand Rapids, stated that the youth of today is disillusioned and muddled. He said that youth of other generations were muddled to a certain extent, but in a different manner. He quoted Roger Babson in stating that "the youth today sees 1000 per cent more and hears 500 per cent more than his father did at the same age." Immorality and irreverence is increasing, and the home is losing its influence on youth. Religion does not have the control it should have, and educational philosophy has not advanced along proper lines.

Dr. Goris advised as a solution to this muddle, a greater study of metaphysics, of philosophy, and of good theology. The youth must have convictions founded in his own mind, sound teaching of authority, and a sound conception of human nature.

Trombone selections were rendered by Vern Houting accompanied by Gerard Hanchett. Out-of-town guests included C. A. Bartlett of Bowling Green, Ohio, Q. C. Miller of Grand Rapids, and Jelle Hekman of Grand Rapids.

Local Police Arrest Young Burglars Here

THIS WILL BE A MATTER FOR PROBATE JUDGE CORA VANDE WATER

For some time the local police have been hearing of several complaints of burglaries, and have been working diligently in ferreting out the different robbers, and have succeeded at last in bringing two youths into headquarters.

In the middle of March the office of Teerman-Van Dyk Coal Co., East Eighth St., was burglarized, and very little was taken. Brink's Book Store cash register was relieved of \$9. Burglars entered through the rear door.

Other attempted burglaries to have taken place was J. & H. De Jongh store on East 10th St. The panels were removed from the rear door, but something had scared the burglars away, and nothing else was done. The Holland Auto Electric Co., Central Ave. was also entered, but nothing appears to have been taken.

Chief Antles was right in his belief that youngsters were responsible for the work, and suspects were rounded up, and Officer Bear, Sunday, when he found them in an alley, gave chase. The youngsters were brought to police headquarters and made a confession to police that they had committed several robberies, the one at Brink's Book Store, attempted one at the junior high office, where they endeavored to enter the safe of the principal, and the one at Teerman-Van Dyk. One of the clues that led to the detection was an empty tin can, which had contained pineapple, and compared with the goods stolen. The fingerprints also bore this out. Mr. Bear took the fingerprints at the time. Chief Antles states the youths were carrying hacksaws, screw drivers, wire cutters, flashlights, glass cutters, and plenty of suspicious articles that lead to the implication in the case on which the police had been working.

The case was finally disposed of by Justice John Gallen, who turned the matter over to Ottawa County Probate Judge Miss Cora Vandewater. The boys were under age, and the matter will therefore have to be taken to that court. In the meantime they were left in the custody of their parents.

Another case for the probate court is that of three other lads who entered the cottage of two Chicago property owners. The youths were charged with ransacking the cottages, and what they took they folded in blankets and hid under an abandoned garage at Jensen Park. The lot was found by Deputy Sheriff William Van Etta and John Boes. Other cottages were reported ransacked, but the loot from these have been confined to Frederick A. Stresen-Reuger of Chicago.

Mrs. D. J. Du Saar has moved from 105 East 14th st. to her new residence at 130 West 10th st.

Parents Should Be Careful With Infected Child

THERE ARE SOME SCARLET FEVER CASES; CHILDREN WITH BAD THROATS AND NOSES SHOULD BE CAREFUL FOR

Although there are but eleven cases of reported scarlet fever in Ottawa County, it is certain that there are many light cases which have not been reported. Many children and also adults have been seen who present all the evidence of just having recovered from scarlet fever. The difficulty which is being experienced is that unless there is a very prominent rash typical of scarlet fever, the case is not called to the attention of the physician or the Health Department. Cultures taken from throats of large numbers of people who have been ill with sore throat, reveal the type of germ present in scarlet fever, tonsillitis, and septic sore throat. The germ is called "hemolytic streptococcus."

The presence of the germ in the throat is significant because in many cases there is also evidence of sores about the nose and mouth, and, in others, definite peeling of the skin or enlarged glands. Such children are not allowed in school because of the danger of infecting other children. Although the disease may be considered mild, there have been several deaths in the county since the first of the year in which the "hemolytic streptococcus" following infections of the nose and throat, was the cause of death. It is necessary that all cases with infection of the nose and throat be kept apart from the rest of the family for a sufficiently long period until the infection is cleared up, which may be from one to three or four weeks. These infections are difficult to deal with because they appear to be quite general, especially at this time of the year. Undoubtedly, isolation and medical supervision of all cases is necessary to satisfactorily control the spread of this organism which is the cause of such a large number of serious illnesses.

WOMEN'S MISSIONARY UNION TO BE HELD APRIL 27 IN LOCAL CHURCH

Paul Establishes Churches—Acts 14:1-7, 19-23.

Henry Geertings

We commonly say that in the days of Jesus Palestine was the land of the Jews, and that was true in a very real sense. At the same time there were Jews scattered throughout the greater part of the known world, and in some parts very densely. That is a picture we must have in mind in the study of these lessons. It was as a matter of fact to these Jews that Paul and Barnabas went on this long journey to preach the gospel. They did not withhold it from the Gentiles, but it was to the Jews these missionaries intended to proclaim the Messiah who was of their race.

UNIFIED FOR Economy

One of the many advantages of our membership in the Bell System is the substantial saving to every customer of this Company... a saving that grows directly out of the centralization made possible by the Bell System.

For example, we get our equipment from the Western Electric Company, manufacturing unit for all Bell Telephone Companies. This assures us of the finest standardized equipment at a lower cost than we could buy it elsewhere.

Instead of conducting our own research department, we pay a fraction of the cost of maintaining the centralized Bell Telephone Laboratories, "Home of Telephone Progress." In this way we have the use of the improvements developed by a complete research program which no one associated Bell Telephone Company could afford to maintain.

This efficiency... avoiding wasteful duplication... is one reason why your telephone service is better and costs less than any other telephone service in the world.

JUST LIKE MOTHER USED TO BAKE!

Heinz Beans, Drenched With Delicious Sauces, Are Really OVEN-BAKED—Taste Just Like Homemade!

ENJOY again those grand old-time bean feasts you used to have back home! Heinz Oven-Baked Beans taste like homemade because they're made that way—really baked in hot, dry ovens.

To please bean-hungry folks everywhere, Heinz Oven-Baked Beans are sauced four ways: (1) Boston style in molasses sauce with pork; (2) In tomato sauce with pork; (3) Vegetarian-style in tomato sauce without meat; and (4) Red Kidney Beans in their own sweet sauce.

Why not surprise your family this Saturday night by giving them their favorite Heinz Beans? They'll pass their plates for more!

HEINZ OVEN-BAKED BEANS

QUESTS AT YOUR TABLE FOR 70 YEARS

BEAN SURPRISE

Here's a brand new bean dish we can certify as extra good—Boston style, oven-baked beans simmered in a sour cream sauce. Sounds like a strange combination, but you'd be surprised what a delicacy it is. This makes a light creamy rarebit studded with small tender meaty beans, with a tart touch of tang from the sour cream sauce. You'll like it served over toast for light supper snacks. Incidentally, in case you're short on sour cream, you can sour fresh cream by adding slowly:

2½ tablespoons distilled white vinegar to a cup of sweet cream, stirring constantly. To prepare:

BAKED BEANS IN RAREBIT SAUCE

Heat in saucepan—
¾ cup sour cream.

Add—
1 medium (18 oz.) can oven-baked beans, Boston style.
Cook 3 minutes and then serve on crisp toast.

GOOD MIXER

Did you know that consommé has been the French national dish ever since that long ago day when Henry IV decreed every subject in his kingdom should have a fowl in the pot on Sunday? The fowl has been replaced by beef, since beef is more plentiful now than it was in the days of good old Henry. Consommé still is the favorite Sunday dish of rural France and it's a popular soup on our American tables, too. As a light, sparkling first course for any meal, you can't wish for more than a cupful of crystal clear consommé. And it's a savory liquid in which to cook such mild flavored foods as rice. Gives them a rich meaty flavor such as you'll find in this Mexican Rice dish for instance:

MEXICAN RICE

Fry until crisp—
6 slices bacon.

Remove from frying pan and break into small pieces. Then brown slightly in the bacon fat, stirring constantly—
1 cup uncooked rice, washed and drained.

CHOICE CHERRY PIE

How would you like a distinctive new dessert for dinner tonight? Desserts get a bit lean this time of the year when the supply of fresh fruits in the market is scant, and you've all but exhausted the resources of your own fruit cellar. Here, then, is just the dish to tide you over—a Cherry Mince Pie: Start with a can of red pie cherries. You know, those small red cherries with the sharp, "bitter" flavor that give piquant tartness to a pie. Combine the cherries with a rich mince meat, for extra fine flavor, and a bit of tapioca to thicken the filling and keep the juices confined to the crust. Follow the directions given below for preparing this new version cherry pie and you'll have a dessert you'll be proud to serve:

CHERRY MINCE PIE

Combine and then let stand 15 minutes—
1 No. 2 can red pie cherries
¾ cup sugar
1 cup mince meat
1 tablespoon granulated tapioca.

Line a 9-inch pie pan with—
Pastry.

Pour fruit mixture into pie shell, then arrange strips of pastry across top. Bake in a hot oven (450° F.) 25 minutes.

The annual spring luncheon, at which 215 women were present, brought to a close the fortieth year of the Woman's Literary club of Holland. Hostesses were past presidents of the club.

The final mortgage on the clubhouse was burned by Mrs. J. C. Rhea, who was president of the club when the debt was incurred. She was introduced by the retiring president, Mrs. Kenneth De Pree, and stated that after the original mortgage on the clubhouse had been paid, an amount of \$3,000 was borrowed to remodel and decorate the tea room. Therefore, with the burning of this final mortgage, the clubhouse is free from all incumbrances, and is considered one of the finest in the state.

The women were entertained by James P. Welch, known as the "Old AAA Traveler," who commented on the fine work the club was doing, and said the women were the best of travelers, their interest stimulating the advance in accommodations and facilities of world travel. He also stated that he was very interested in Holland and vicinity, and cited one of the interesting legends told him while he had been here.

Mrs. Nelson Bosman and Mrs. J. J. Mikula, assisted by Mesdames Francis Drake, F. H. Ault, Arthur Kronmeyer, Earl Price, Clarence Klaasen, Herbert Marsilje, and members of divisions 4, 5, and 6, were in charge of the luncheon. Mrs. Harry Harrington pronounced the invocation.

Following the luncheon, the group retired to the clubhouse auditorium where Mrs. De Pree took charge of the meeting. Mrs. George Pelgrim presented a change in the by-laws, and Mrs. John R. Mulder announced that a rummage sale would be held Saturday, April 22, with Mrs. Clarence Becker, assisted by Mrs. Mikula and chairman and members of divisions 1, 2, and 3 in charge.

Mrs. George Pelgrim and Mrs. J. J. Brouwer, who were delegates to the state convention of the Michigan Federation of Women's clubs at Grand Rapids, reported the proceedings of the convention to the members of the club. Mrs. Pelgrim reviewed parts of the address of Mrs. Jose Picon, formerly of Lima, Peru, who stressed Pan-Americanism throughout her lecture. She, however, was an unofficial delegate, but will address the club next season.

Several committee and department chairmen reported on the year's work in their particular field of work. The speakers were as follows: Miss Ruth Nibbelink, recording secretary; Mrs. Henry Steffens, corresponding secretary; Mrs. C. M. Selby, acting treasurer; Mrs. Abel Smeenge, custodian; Mrs. Clarence J. Becker, divisions; Mrs. E. P. Dodge, membership; Mrs. J. D. French, publicity; Mrs. Nelson Miles, public affairs; Mrs. John Arendshorst, decorating; Mrs. Randall Bosch, Tulip Time Dutch lunch; Mrs. F. E. De Weese, Tulip Time parade; Mrs. Roy Heasley, treasurer; Kate Garrod Post scholarship fund; Mrs. William Van't Hof, philanthropy; Mrs. C. J. Lekker, hospital; for Civic Health, Mrs. J. J. Good, chairman; Mrs. C. Thomas Marsilje, treasurer; Mrs. C. Bergen, baby clinic chairman; Mrs. John Eiston, secretary pro-tem; Mrs. Peter Van Dornen, Jr., Camp Fire.

Mrs. De Pree thanked all the members for their kind cooperation extended her during her two terms as president. She presented the gavel to Mrs. Brouwer, former vice president and secretary, who will become the head of the club next year. Mrs. Brouwer, in turn, thanked Mrs. De Pree for her earnest efforts, and complimented her on the results of her conscientious leadership.

SUNDAY DINNER Suggestions

By CORA ANTHONY
Director of A&P Kitchen

AFTER feasting on poultry and ham, the appetite responds to beef and fresh pork with relish and gusto. Fortunately both are lower in price. Lamb is higher and real prices are steady. Poultry prices are low.

Eggs and butter are both low in price which is as incentive to turn to baking cakes and making custard type desserts and Hollandaise sauce for artichokes and asparagus.

Louisiana strawberries are fairly plentiful and reasonable. Better than apples, peaches, plums, and cherries, bananas unusually cheap and plentiful. Supplies of oranges and grapefruit still available.

Asparagus is getting down to reasonable prices. Green beans, broccoli, peas and spinach are all moderate in price.
