## Ottawa Board Considering New Jail for County

**Supervisors Are Faced  
With Extensive Repairs  
Ordered for Old Jail**

Grand Haven, April 14 (Special)—The Board of Supervisors is considering a new jail for Ottawa county.

This was suggested by W. H. Nestle, state inspector of jails, who recommended 14 changes in the present jail setup. The question was referred to the buildings and grounds committee and county supervisors' committee.

Supervisor John Gallen of Holland suggested consideration of a new jail rather than invest funds in improvements, since Nestle had intimated the structure might have to be replaced a few years hence.

Recommended changes involve extensive plumbing installations, replacement of certain doors, repainting jail interior with white enamel, and additional personnel. Nestle commended changes in the sheriff's living quarters and said he would return in 90 days to check progress on other improvements.

Four new members were seated. Holland's new mayor, Harry Harrington, replaces Bernard De Pee; John H. Gemmen replaces Justin Zylstra of Allendale township; Roy Lowing replaces Charles H. Lowing of Georgetown and Albert J. Walcott replaces Lester Martin of Wright. None sought re-election.

Gerritt Bottema was re-appointed chairman for another year.

An expenditure of \$250 for desk and adding machine to be used in the office of Jack Spangler, probation officer and friend of the court, was approved. He is allowed \$1,000 for clerk hire, the employee to work half days.

The board adopted a resolution submitted by Gallen requiring officials and department heads to submit in writing on the first day of sessions any reports to be considered at the session. The resolution also required that any requests for appropriations be submitted not later than the second day.

## Scooter Rider Struck by Car

Gary Visscher, 15, of 667 Central Ave., was treated at Holland hospital Monday night for cuts and bruises and released.

The youth was injured when the motor scooter he was driving collided with a car driven by Herman W. Ritterby of 205 Pine Ave., at the intersection of 17th St. and Washington Ave. at 11:15 p.m.

According to police the mishap occurred when the car turned south on Washington Ave., off 17th St. The youth was coming east on 17th St.

Bud Van Lente, 16, of 801 Michigan Ave., who was riding on the rear of the scooter, was uninjured.

Frank Cobb of 39 Gordon St., who witnessed the mishap, told police that the scooter didn't have a light. However, the youths said later they had a flashlight attached to the front.

## Final Plans Made For Scout Circus

Discussion centered around final plans for a Boy Scout "circus" at the monthly round-table meeting Tuesday night of the Central district leaders of the Ottawa-Allegan council. A total of 64 leaders attended the dinner-meeting at Washington school.

According to the schedule, the circus will be held May 6. Scouts are trying to work out a suggestion to switch the event from the Army to Riverview park. Henry Filkins, district leader of the camping and activities committee, is chairman of the event.

Minor Meindersma presented awards to troop and pack leaders for window displays in conjunction with scout week.

Pack 6, under the leadership of Mrs. Kenneth Allen, was hostess to the leaders at the dinner preceding the meeting.

C. C. Crawford presided.

## Holland High School Lists Senior Honor Students

Randall Bayles Bosch, with a scholastic average of 3.97 out of a possible 4.00, heads the list of honor students in the Holland high school senior class. It was announced today. Principal J. J. Riemersma cited Bosch as top honor student at an assembly in the high school this morning.

Three girls complete the quartet of seniors who were recognized for their high scholastic ratings. They are Janice Claire Van Dyke, with a 3.99 average, Charlene Streur with 3.881 and Antoinette Van Bragt, 3.880.

Principal Riemersma announced that of the class of 253 seniors, 43 are on the honor roll, having achieved records of 3.00 (all B's) or better. Seventeen have averages of 3.5 or more.

The class of 125 boys and 128 girls will be graduated in commencement exercises June 9 in Hope Memorial chapel. Baccalaureate services are scheduled for June 5.

Bosch, son of Mr. and Mrs. Randall C. Bosch, 196 West 10th St., also heads the senior class as president of the high school band, secretary-treasurer of Hi-Y, a member of the literary board, and president of the YMCA State Old-Boys conference. In his junior year he was chaplain of Hi-Y, alderman on the student council and president of the Pan-American club. He has been on the sophomore, junior and senior honor rolls.

In sports activities, Bosch played reserve basketball in his sophomore year and varsity basketball as a junior and senior. He was on the varsity tennis team for two years and as a senior received a cross country "H" award.

Miss Van Dyke has been on the junior and senior honor rolls and has taken part in several school activities. As a sophomore and junior she was a member of the capella choir, the Pan-American club, Dutch Dance and Girls' Athletic association. She has been a member of the Horizon club for three years, and a member of the personnel board for the last two years. As a sophomore, she was first place winner in the American Legion essay contest. Her parents are Mr. and Mrs. William J. Van Dyke, 270 West 20th St.

Third place honor student, Miss Streur, is the daughter of Mr. and Mrs. Henry Streur, 525 College Ave. Under the high school co-operative training program she has worked at The Sentinel half days throughout her senior year. In her final year she has served as newspaper publicity chairman of the senior play business staff, and circulation manager of the Holland High Herald, student publication. Last year she was a member of the Pan-American club and received a Junior English award. She has been on the sophomore, junior and senior honor rolls.

Miss Van Bragt, daughter of Mr. and Mrs. Chris Van Bragt, Lakewood Blvd., is president of the Girls' League. She is a member of the capella choir which she served as secretary in her junior year. As a sophomore she was local forensics winner and participated in the Dutch Dance. She has belonged to the Pan-American club for two years and was vice president last year. As a member of the Girls' Athletic association, she has won a letter, numeral and chevron and is now secretary-treasurer of the organization. Senior activities include: Chairman of senior play make-up committee, row chairman in the magazine campaign, and a member of

the police board and show case committee. She has been on the junior and senior honor rolls.

Ruby Calvert and Erwin D. Hanson of the high school faculty are sponsors of the senior class. Officers are Bosch, president; Davic Kempker, vice president; Barbara Westrate and Dawn Diepenhorst, co-secretaries, and Tom Vander Kuy and Tom Hildebrand, co-treasurers.

Other honor roll seniors and their scholastic ratings are:

Virginia Sagef 3.794, William Filkins 3.774, Shirley Van Dyke 3.716, Marilyn Van Heekken 3.698, Harriet Hettinga 3.689, Dorothy Dykman 3.676, William Brink 3.666, Barbara Westrate 3.666, David Eash 3.664, Mary Jo Geerlings 3.647, Mildred Rooks 3.635, Elaine Garvelink 3.533, Aleatha Serne 3.515, Jacquelyn Boersma 3.470, Marcia Knoll 3.448, Maxine Mulder 3.448, Dorothy Moerdyk 3.389, Mary Sand 3.371, Jacquelyn Bear 3.368, Don Lubers 3.357, Lorraine Fraam 3.285, Paul Vanden Brink 3.218, Forest Shuck 3.222, Carol Reimink 3.212, Barbara Oudemolen 3.172, Marilyn Kleinheide 3.137, Joanne Geerts 3.109, Lois Klinge 3.103, Raymond Metzger 3.068, Arlene De Jonge 3.058, Jacquelyn Carter 3.056, Edith Bos 3.053, Betty Van Lente 3.049, Betty L. ## Four Jars Full Of Money Found After Suicide

**Nunica Farm Bachelor  
Uses Shotgun; Ill Health  
Believed Responsible**

Grand Haven, April 14 (Special)—Four fruit jars stuffed full of paper money, believed to involve several thousands of dollars, were turned over to probate court today after the apparent suicide of Max Green, 51-year-old bachelor-farmer of near Nunica.

Green's body was found lying on top a double barreled shotgun. The shot had entered the head over the left eye, blowing off the top of his head.

It is believed Green dug up his money Tuesday since sand clung to the outsides of the jars found in the cupboard. Three of the jars were one-quart size and the fourth was two-quart size. All were jammed full of bills of various denominations.

Officers found \$248.61 on Green's person.

Green was born in Polkton township Nov. 5, 1897. Surviving are seven sisters, Mrs. Calla Wilbur, Coopersville, Mrs. Myrtle Taylor, Muskegon; Mrs. George Fisher and Mrs. Inez Hoban, Ravenna; Mrs. Fred Cooper, Fruitport; Mrs. Fay Link, Alto, and Mrs. Herbert Peterson of North Muskegon.

The body was taken to the Posthumus funeral home in Coopersville.

## City Hall Plans Friday Closing

The city hall will be closed from 12 to 3 p.m. Friday afternoon, according to Mayor Harry Harrington.

According to Tony Last, chairman of the Chamber of Commerce retail merchants division, most local retailers and places of business will be closed for the three hours.

However, the Chamber office reports that garages, oil stations and other business places will remain open.

Len Steffens, head of retail grocers division of the chamber and a member of the grocers association, said most stores in and around Holland will close Friday between 12 and 3 p.m. Some will remain open, Steffens said.

Both local banks and the post office will stay open.

## Mrs. Wilma Hutchinson Dies in Fennville Home

Fennville, April 14 (Special)—Mrs. Wilma Leland Hutchinson, 55, wife of Marc C. Hutchinson, died at her home here this morning. Mrs. Hutchinson was born in Fennville, July 13, 1893, to the late Sen. and Mrs. George Leland. She was active in civic and musical affairs in the community. Mrs. Hutchinson was past president of the Rubenstein Music club, and a past president of the Woman's club. Her husband, Marc, is past president of the Michigan Fruit Cannery, Inc.

Surviving besides the husband are three children, Edward, state representative of Allegan county, Robert L. and Mrs. John K. Andrews, both of Fennville; five grandchildren, and one sister Mrs. Marc Reid of St. Joseph.

The body is at the home where funeral services will be held Saturday at 2 p.m. Burial will be in Fennville cemetery.

## Mrs. Tillie Wesseldyke Succumbs at Borculo

Zeeland, April 14 (Special)—Mrs. Tillie Wesseldyke, 69, of Borculo, died unexpectedly Wednesday at the home of her son-in-law and daughter, Mr. and Mrs. Henry Ponstein of Borculo. Mrs. Wesseldyke, widow of Albert Wesseldyke, had been ill a short time.

Surviving are three sons, Joe of Borculo, John of Grand Rapids and Henry of Zeeland; two daughters, Mrs. Richard Bouman of Allendale and Mrs. Henry Ponstein of Borculo; 13 grandchildren and two great grandchildren; one sister, Mrs. Eli Boes of Grand Rapids, and a brother, Ben De Roo of Borculo.

Funeral services will be held Saturday at 1:30 p.m. in the home of Joe Wesseldyke, and 2 p.m. in Borculo Christian Reformed church. The Rev. C. Vanden Heuvel will officiate and burial will be in Borculo cemetery.

The body was taken from Yntema funeral home to the Joe Wesseldyke residence this afternoon.

## No Bail, He's in Jail

Grand Haven, April 14 (Special)—Arthur Magrui, 41, Grand Haven, pleaded not guilty before Justice T. A. Husted this morning when arraigned on a charge of driving with a suspended operator's license. He was arrested Tuesday night by city police. Unable to furnish \$200 bond, he was taken to the county jail to await trial.

## Hundreds See Shadow Blot Out Full Moon

Tuesday's eclipse of the moon went off according to schedule and forecasts that the display would be the best in years proved correct. Hundreds of Holland area folks saw the display in a cloudless sky. Balmey weather also added to the pleasure of watching the earth's shadow blot out the moon. At the height of the eclipse, northern lights were visible. Not a brilliant display, it probably wouldn't have been noticed except for the eclipse.

## 3 Good Friday Services Planned For Youth Groups

Three Good Friday services for young people and children of school age will be held in Holland Friday at 1:30 p.m.

Children in grade three through six will gather in Fourteenth Street Christian Reformed church. The Rev. Harold De Roo, associate pastor of Third Reformed church, will speak. Devotions will be in charge of children of the Christian schools under the direction of Evelyn Den Uyl. The Boys' choir directed by Mrs. Gerrit Keunen will sing "Were You There?" Margaret Van Vyven, music supervisor of public elementary school, will direct the singing.

Junior high students will gather in Ninth Street Christian Reformed church where the Rev. Oliver Breen of Bethany church will speak. The Girls' glee club of Holland junior high will sing "Victory by the Cross," Jones, and "Were You There," Negro spiritual. C. J. De Koster will direct singing.

The Christian Junior high set will sing "The City Lies in Shadow," Holton, and "The Old Rugged Cross," Bernard Sammie Jane Pas will read scripture.

High school students will gather in Third Reformed church with the Rev. T. Van Eerden of Broadway Street Reformed church of Grand Rapids as guest speaker. Music will be provided by a trio consisting of Barbara Oudemolen, Phyllis De Weerd and Shirley Plaggemars. Selections will be "Were You There" and "He Stayed on the Cross for Me." Howard Slenk will read scripture.

The services are arranged by Holland Christian Endeavor union and the Christian Reformed young people's societies, working in cooperation with representatives of the two school systems.

## Special School Election Will Be Called Next Fall

**Board of Education  
Points Out Urgent Need  
For New Improvements**

A special election will be called next fall to raise funds to improve elementary schools, the Board of Education decided Monday night at its monthly meeting.

In view of the urgent need for more room at Longfellow and Van Raalte schools and the poor condition of Lincoln and Froebel buildings, the election was recommended by the buildings and grounds committee.

Since plans for additions to Longfellow and Van Raalte schools will not be available for at least a month, it was felt it would be better to stage the election in the fall instead of including it on the present term. Such action would have to pass before May 25 in order to be included in summer taxes.

The general program includes additions for Longfellow and Van Raalte schools and a new building to replace Lincoln and Froebel schools.

Passage of proposal No. 5 in last November's election allows such issues to be passed by a simple majority instead of the former two-thirds majority, and also allows bonding period to extend to 20 years instead of being limited to five years.

It was pointed out that the census of children in the city under five years of age has been steadily increasing, and enrollment in elementary schools will be at high peaks for several years.

Co-operation of the Citizens' school committee will be sought in promoting the fall campaign. Plans also are under way for explaining the issue at PTA meetings.

In other business, the board approved a recommendation hiring George Lumsden of Holland to teach English and speech in the high school next year. A graduate of a high school in Niagara Falls, N.Y., he received an A.B. degree from Hope college and attended midshipman school at Columbia university for a period during his two years in the Navy.

Mrs. Dorothy Unger will replace Mary Quatt in taking charge of the elementary library and also will teach seventh grade English. Mrs. Robert Veeder was hired in a clerical capacity in Washington school.

On recommendation of the buildings and grounds committee, no action was taken on selling property at Michigan and 29th St. A recommendation to hire Clemens engineers to survey school properties was referred to the buildings and grounds committee with power to act.

An offer of Ruth Keppel to provide three \$5 prizes to students giving outstanding service to the school forest was accepted with gratitude. Presentation will be made at commencement.

Claims and accounts for March totaled \$46,484.15 of which \$31,065.31 went for teachers' salaries. All trustees were present with the exception of Jay L. De Koning and Vernon D. Ten Cate. President C. J. De Koster presided and Trustee A. E. Lampen gave the invocation.

Afterwards, the board toured the new south side building of the Christian schools which opened a month or more ago.

## Kiwanians Hear Talk on Mexico

Highlights of his recent trip to Mexico were related to the Kiwanis club Monday night by W. A. Butler, Sentinel publisher.

Butler, who was introduced by Jack Plewes, told about some of the inconveniences in Mexico, particularly the inadequate water supply which is an acute problem because larger cities have outgrown their public utilities.

Although Butler was impressed with the large number of churches in the country, he emphasized the need of education for the Mexican, especially as to health conditions.

Induction of new members, Edwin Plaggemars and Rhine Vander Meulen, was in charge of Albert Hildebrand. Daniel Vander Werf, club president, was in charge of the meeting. Singing was led by Robert Weener, accompanied by Franklin Van Ry. Sam Miller was a guest.

## Two Disorderly Counts Heard in Local Court

John L. Butler, 18, of Muskegon, and Edward Penny, 40, of route 5, Muskegon, each were assessed \$25 fines and \$3.90 costs in municipal court this morning after pleading guilty to disorderly charges.

The arrests were by local police Tuesday.

In other court action Tuesday and today, Roger Lankheet, 18, of route 4, paid a \$10 fine for improper passing. Elsie M. Cook of 597 Crestwood Dr., paid a \$1 parking fine.

## It's a Cat's Life . . . Will Remember Billy

Billy, a handsome big black tomcat which roams Ottawa beach, will have plenty of liver and sardines the rest of his natural life.

Billy was remembered in the will of his mistress read in Probate Court in Grand Haven Tuesday afternoon.

Mrs. Phyllis Cora Audrain who died March 8, 1949, provided that her executor and residuary beneficiary, Ray M. Dewar, "shall comfortably care for and maintain my black male cat Billy for so long as he shall live."

The remainder of the estate valued at approximately \$5,000 was left to Dewar "in appreciation and as partial compensation for his many years of faithful friendly service" to both the deceased and her late husband, Mrs. Audrain had been blind for some time before her death.

The will was dated July 23, 1947.

## Wooden Shoes Are Presented to GM High Officials

Holland's famed wooden shoes came in for attention at preliminary inspections of General Motors' huge "Transportation Unlimited" show which awaits public inspection at Convention Hall in Detroit Sunday. Preliminary employe showings were held Friday evening and all day Saturday.

W. A. Butler, Sentinel publisher, presented appropriately inscribed wooden shoes to C. E. Wilson, president of General Motors Corp., and Paul Garrett, vice-president in charge of public relations, at a reception for the press and radio Friday afternoon at Detroit club on Cass Ave.

The wooden shoes were compliments of the Holland Chamber of Commerce of which Butler is a director.

The Detroit show, far more extensive than even GM's widely famed display at New York's World Fair, is expected to attract several hundred thousand visitors during the coming week. A more compact version drew upwards of 300,000 in eight days at New York's Waldorf-Astoria hotel earlier this year.

Fifty-five of the latest GM passenger car models including a number of special "show jobs" of unusual design and styling, will be on display along with a full line of General Motors trucks and commercial cars.

## \$1,100 Needed in Red Cross Quota

Ottawa county needs a little more than \$1,100 to reach the \$28,666 quota for 1949.

The south half is about \$719 short of its quota of \$17,199.60. Collections to date are \$16,480.23. Holland city contributions total \$8,874.75 which is about \$1,100 short of its assigned quota of \$9,975.77, but several townships have gone over the top making up the difference.

The north half is \$400 behind, having collected about \$11,000 out of its quota of \$11,466.40.

The board of directors will meet Monday at 6 p.m. in the Centennial room of the Warm Friend tavern. The Rev. William C. Warner, chapter chairman, and W. A. Butler, fund campaign chairman, will present banners to townships first to reach quotas. Plans for next year's campaign also will be discussed.

Ray Schaubel, water safety chairman, will present his plans for the summer swimming program.

## New Zoning Ordinance Considered in Allegan

Allegan, April 14 (Special)—Allegan city council has taken under advisement a new zoning ordinance following a public hearing Monday night.

Two objections were raised. The C and O railroad requested that an area lying west of River St. near the north city limits be changed from residential to industrial.

The Peoples Rapid Transit Co. asked that block 7 of Park addition which lies between Marshall St. and Bridge road be changed to commercial. The bus company uses this area for storage.

## Allegan City Manager Fires Two Patrolmen

Allegan, April 14 (Special)—City Manager Philip Beauvais Monday notified two night patrolmen their services would not be needed after April 16. Gross dereliction of duty was Beauvais' charge.

The two patrolmen, Dan Beaux and George Nordquist, resigned immediately.

Then manager Beauvais appointed Joe Merrill who had been serving as relief man to full time temporarily, and appointed his son, Edward Merrill, on probation.

In another case, Circuit Judge Raymond L. Smith put Richard Cox of Fennville on probation two years in connection with a charge of larceny from a building.

## License Bureau Request Faces Ottawa Board

**Hot Session Expected  
On Footing Operating  
Expenses in Holland**

Grand Haven, April 14 (Special)—A hot issue was slated for the board of Supervisors today.

At Wednesday's session, a communication from John Daniels, manager of the Holland auto license bureau requested an appropriation of \$2,480.84 to operate the bureau here.

On motion of William Koop of Holland, the communication was referred to the Ways and Means committee to report back at the present session. Since the April session usually closes in three days, the report was slated for this afternoon.

Daniels' request came after the board at a previous session allowed the Grand Haven bureau to remain in the court house and be operated through the county clerk's office because it was regarded as a public service to the people in the north part of the county.

Based on your previous decision and feeling assured that you wish to extend to all citizens of the county the same privileges, I take the liberty to make the following request: That the county pay operating costs of the license bureau in Holland which services approximately two-thirds of the automobile owners within the county.

Daniels based his costs as follows: Rent, \$300; telephone, \$64.80; light, \$36; salary of clerk (not including manager), \$2,080; total, \$2,480.84.

This request is an out

## Zeeland School Paper Wins Prize In TB Contest

### Pepper One of Seven State Publications to Get National Seal Award

Lansing, April 14 (Special) — Zeeland High school has some budding student journalists. Perhaps a second Horace Greeley is in the making. The southwestern Michigan brain factory stands in national limelight this week with six other Michigan schools for publishing a winning school newspaper in the 1948 country-wide TB press project. The school will receive a national certificate of honor.

The Columbia Scholastic Press Association and National Tuberculosis Association sponsor the project nationally. The Michigan Association supervises entries in this state.

Accompanying the announcement that "The Pepper," Zeeland High School newspaper, was one of seven newspapers in Michigan meriting national award in the 1948 project, the state Christmas Seal organization sounded approval for the "outstanding" effort.

"Students and faculty of Zeeland high school who contributed to this achievement deserve praise for sound thinking on tuberculosis and its implications in community life," said Theodore J. Werle, TB association, executive secretary. "Spreading information about tuberculosis is one of the important phases of the fight against this disease."

Schools enter the project by writing articles on tuberculosis in November and December issues of their newspapers. Nearly 100 Michigan schools entered the event in 1948. Twenty-three were awarded state certificates of honor and 9 of these were sent to New York for national judging.

The December award-winning issue of "The Pepper" carried articles on tuberculosis by Ward Ver Hage and Anna Marie Winterhalder.

Prof. A. A. Applegate, head of the Michigan State College department of journalism, acted as a state judge of the project. Reviewing "The Pepper," he commented that "this paper is lively and good. I admire it."

In the paper, Ver Hage gives a one-column treatment to the 1947 chest X-ray survey held in Ottawa county. He points up the job of finding tuberculosis before it spreads as a distinct savings of taxpayers' money, since each new case must be hospitalized at the taxpayers' expense.

"Today it costs the taxpayer about \$7 a day to keep a patient hospitalized," wrote Ver Hage. "This amounts to \$2,355 per patient per year, and the 22 Ottawa County patients cost \$56,210 per year. About half of this is paid by the county and the other half by state aid."

Miss Winterhalder, the other student journalist who by-lined a TB story in the edition, used an imaginative discussion between a TB germ and a human to point out the "catching" aspect of tuberculosis.

She brought out that observance of general health rules and a periodic chest X-ray are two best means to guard against TB. Other Michigan schools publishing national award-winning papers include, Channing, New Baltimore, Roseville, Kaleva, Marquette and Cooke high schools.

## AAUW to Sponsor Comic Opera Here

Holland branch, American Association of University Women, has announced that they will sponsor a comic opera in Holland on April 26 in the Woman's Literary club.

Gian-Carlo Menotti's "The Old Maid and the Thief" will be presented here by the Detroit Opera Society, Inc. The modern, hilarious musical is the story of a villainous man who boards at the home of two old maids.

In the leading role will be Mrs. Ted Evans, contralto. She is the former Cleone Topp, formerly of Holland, who was prominent in local music activities.

Mrs. Preston Shaffer of the AAUW is general chairman for arrangements. She is assisted by Mrs. Morette Rider and Miss Jantina Holleman on the general committee; Mrs. Leon Hopkins, tickets; Mrs. Stuart Padnos, posters, and Mrs. J. D. French and Mrs. Harry Harter, publicity.

### Personal Shower Given For Miss Arlene Poll

Miss Arlene Poll was guest of honor at a personal shower Tuesday evening. The event was given by the Misses Esther and Laverne Huyser at their home, 269 East 24th St. Miss Poll will be married May 6 to Charles Knothuijzen.

Prizes for games were awarded to Mrs. Donald Vander Baan and Miss Betty Gilcrest. Gifts were presented and a two-course luncheon was served by the hostesses. Guests were the Messdames Ray Sten, Dale Voorhorst, Donald Vander Baan, Fred Van Voort and Cliff Onthank and the Misses Dorothy Poll, Betty Gilcrest and Elaine Brower.

## Couple Wed in Zeeland City Hall

Mr. and Mrs. Edwin De Kleine (de Vries photo)

Mr. and Mrs. Edwin De Kleine are living on route 3, Hudsonville, following their marriage March 29 in Zeeland City hall. The bride is the former Frances Van Dyke, daughter of Mr. and Mrs. William Van Dyke of Hudsonville and the groom is the son of Mr. and Mrs. Lucas De Kleine of Zutphen.

Vows were spoken before a setting of palms, ferns, candelabra and bouquets of gladioli and lilies. The Rev. Hessel Kooistra read the double ring ceremony.

Wedding music was played by Mrs. Bernice Schutter, who also accompanied Dale Bussis as he sang "I Love You Truly" and "Together Life's Pathway We Tread."

The bride wore a white satin gown fashioned with a net yoke edged with a lace flounce, long sleeves and full skirt caught up in front to reveal lace ruffles. The skirt extended into a full length train. Her fingertip veil was edged with lace and was held in place with a tiara of orange blossoms. She carried a white Bible topped with orchids and roses, with streamers of rose buds.

Miss Angeline Van Dyke at-

tended her sister as maid of honor. She wore a yellow taffeta gown and carried a colonial bouquet of white roses and carnations. Misses Harriet and Dorothy De Kleine, sisters of the groom, were bridesmaids. They wore aqua and pink taffeta gowns, respectively, and carried colonial bouquets of roses and carnations.

The flower girl, Betty Jo Hop, cousin of the groom, wore a white taffeta gown and carried a basket of rose petals. Wayne Allen Van Dyke, the bride's nephew, was ring bearer and carried the rings on a satin pillow.

Gerald Boerman assisted the groom as best man and John Van Dyke and Nelson Victory were ushers.

A reception followed the exchange of vows. Mr. and Mrs. Bert Brower were master and mistress of ceremonies and Misses Nora De Kleine and Elizabeth Nykamp were in charge of the gift room.

Guests were served by the Misses Gertrude Holstege, Dorothy Coeling, Florine Vrugink, Irene Vrugink, Norma Vrugink, Adele Geers and Geneva Hassevoort.

## Child Killed When Hit by Truck on Allegan Highway

Allegan, April 14 (Special) — Audrey Jean Young, five-year-old daughter of Mr. and Mrs. Carl Young, was fatally injured Thursday afternoon when struck by a trailer driven by Coburn Garlock of Allegan in front of her parents' home on M-89.

The driver told Deputy Sheriff Roy Priest he saw the child dart into the road and swerved to avoid her but the trailer of his truck hit her. Garlock was not held.

The child was born Jan. 1, 1944. Surviving are the parents; a brother, Roger; a grandfather, Charles Kimber of Holland, and a grandmother, Mrs. Marie Younginger of Germany.

Funeral services will be held Saturday at 2 p.m. from Gorden funeral home. Burial will be in Oakwood cemetery.

## WCTU Conclave Highlights Given

Startling statistics on liquor expenditures were revealed by Mrs. Paul E. Hinkamp at the regular meeting of the Woman's Christian Temperance union Friday afternoon in Trinity Reformed church.

Reporting on highlights of the Coopersville convention on April 6, Mrs. Hinkamp urged alcohol education in the schools. She said money spent on liquor sales amount to \$9,640,000,000 in one year, more than three times the expenditures of the entire education program the same year. This enormous sum would be sufficient to build 20 complete average size cities, she said.

Mrs. M. De Boer used for her devotional theme the Palm Sunday story according to Matthew. She concluded with singing a Dutch version of "Rejoice, O Daughter of Zion," Handel, accompanied by Mrs. D. Vander Meer.

Mrs. C. Dressel and Mrs. F. Kooyers were social hostesses.

## Hudsonville Band To Give Concert

Hudsonville high school's 60-piece band will present a concert in the school auditorium Thursday, celebrating the 20th anniversary of the founding of the school band.

Bert Brandt of Holland, who organized the band in 1929, has directed the band the entire period.

Hudsonville band has been one of the outstanding class C bands in Michigan for several years. Last year it was one of two out of 22 class C bands to receive a first division rating at the state festival in East Lansing.

This year the band again qualified for state competition by being the only band out of 11 to receive top rating in its classification.

## Sum Reimbursed to Welfare Department

Allegan, April 14 (Special) — A total of \$184.50 has been reimbursed to the department of social welfare, and an estimated \$300 is still outstanding, according to Ted Hicks, secretary.

The money represents hours worked for the county road commission by men receiving welfare orders.

The system was begun last Feb. 24, and 38 men have been assigned jobs on road work. They work out welfare orders at the rate of 75 cents an hour, and the department is reimbursed 50 cents per hour by the road commission.

The Allegan office, which originated the idea, has had many inquiries from other counties about the system, several of which have adopted similar plans.

## Rotarians Hear Jap Theologian

Conditions in Japan were described at a meeting of the Rotary club Thursday noon by the Rev. Senji Tsuru, principal of Ferris seminary in Yokohama, who at present is visiting Dr. Albertus Pieters, who taught Tsuru 50 years ago in a Reformed mission school in Japan.

Rev. Tsuru told Rotarians that Japanese high schools are adopting the English alphabet and system of writing to replace the Japanese system which is largely Chinese characters. Through the new system, it is believed illiteracy will be greatly reduced. At present out of a thousand people, only 10 can read and one can write.

The visitor said living costs have advanced from 150 to 250 per cent, but members of the educated class such as teachers and civil service workers have received increases of only 50 to 75 per cent.

He explained communism was making extensive inroads into the laboring class and students, and was active in certain trades such as printing, teaching and utilities, but not among railroads which are government controlled.

He defined the three pillars of the Japanese constitution as, the faith and will of the people, acceptance that the emperor is a symbol of authority and power granted by the people, and the fact that there is no restriction from fundamental privileges of a free people.

Guests were Dr. Pieters, Dr. J. J. Sessler, Jim Frans and Sam Everhart of Holland, John Meerman of Coopersville, V. M. Coburn of Romulus, Dick Boonstra and Maynard Mohr of Zeeland.

The speaker was introduced by Dr. Irwin J. Lubbers.

## Kalamazoo Edges Hope College Nine By Single Tally

Each Team Credited With Three Singles, And Three Miscues

Kalamazoo college's Hornet baseball team stung Hope college with a 1-0 defeat Tuesday afternoon at Kalamazoo. The loss was Hope's first of the season against two wins.

Kazoo, playing baseball for the first time since the game was abandoned by the MIAA in 1929, now has a record of two wins and one loss.

The lone run came in the fifth inning. Kazoo pitcher Gordon Ferris hit a grounder to second. Hope's Ron Schipper muffed the pick up and Ferris was safe at first. Ferris went to second on a balk by Paul Buckhout.

Left Fielder Bill Sayers came to bat for the Hornets and doubled to right to send Ferris across the plate with the only run of the game.

The game was every bit as close as the score indicates. Each team had just three hits and each team was charged with three errors.

Buckhout, who started for Hope, was forced to retire in the sixth inning when a sharp line drive struck his hand. Coach Jack Schouten sent out reliable Bill Ver Hey into the fray to finish the game. After the game it was found that Buckhout's injury was not serious and he will be able to pitch in a couple of days, Schouten said.

Third Baseman Ernie Meusen, Right Fielder Con Boeve and Left Fielder Tom Van Wingen were Hope's three hitters in the contest.

Hope started a rally in the fifth with two men out. Both Meusen and Boeve singled, but Ferris nipped the rally short as he struck out Van Wingen.

Kalamazoo's three safeties were by Shortstop Paul Rafferty, Sayers and Center Fielder Everett Bierema.

Ferris went the route for the Hornets and allowed just three hits in the nine frames.

Buckhout allowed two hits in the five and a half innings that he worked while Ver Hey limited the Hornets to one hit.

The Dutch travel to Grand Rapids Thursday for their fourth game of the season against Calvin college's Knights.

## Old Rags, Clothing Drive Continued

Although Boy Scouts of the Holland area collected 10,112 pounds of rags and used clothing last week, the committee in charge has decided to extend the drive through this Saturday.

Eight troops reported to the central collection point Saturday. Henry Filkins, who is directing collections, said this does not represent all pick ups. He said many city and outlying troops did not have vacations last week and couldn't devote time to collections.

Filkins said persons having any rags or used clothing to donate should leave bundles at curbs Saturday morning where they will be picked up by Boy Scouts.

Franklin Kloparsens of troop 12 made the highest individual collection with 883 pounds. Hamilton and Pine Creek were the only outlying troops that reported Saturday, Filkins said.

Pick ups will be assembled at the rear of the oil station at 109 River Ave., again this Saturday. Funds from sale of the rags and used clothing go to the individual scout's summer camping expenses. The drive is being sponsored jointly by the Boy Scouts and the Willard G. Leenhouts American Legion post.

## Waste Paper Sought

Boy scouts of troop 6, First Reformed church, will hold a waste paper pickup Saturday morning. Patrons are asked to have their bundles at the curb by 8 a.m.

## Zeeland School Band Proud of New Uniforms

Zeeland, April 14 — If Zeeland high school's band marches with extra zip next time you see it in action, it will be because of those snappy new uniforms.

The new uniforms have brown coats with gold lapels and cuffs and bright gold buttons. Double button holes allow coats to be buttoned either on the left or the right, a handy convenience when uniforms are changed around at the beginning of a new school year.

Trousers are gold with a double brown stripe. Brown hats with gold trim are topped by perky gold leather clusters. These features can be removed to make way for tiny lights in case the band performs at night. Gold citation cords on the left shoulder enclose the band emblem which features a baby chick, symbol of this chick raising town.

Considerable drama figured in the arrival of the uniforms. They had been shipped by an Ohio firm on a Wednesday and had not arrived by Friday. Since the band was to play in a district contest on Saturday, leaders were particularly anxious to have the uniforms.

Supt. Melvin B. Lubbers and Director John Kinnison "burned up" the wires and finally located the uniforms in Grand Rapids, scheduled to arrive "any time" in Holland. Kinnison called all band members at midnight telling them to report at 6:30 a.m., then met the train in Holland at 2 a.m. He carted the shipment to Zeeland and had uniforms unpacked and "hung" by 3 a.m.

When band members arrived at 6:30 a.m. with white shirts, brown ties and brown shoes, they found all uniforms in order. They went on the stage in Grand Rapids at 8:30 a.m. and rated second division.

If persons don't want to wait until Tulip Time to see the new uniforms, they may attend a concert in Zeeland May 6.

The Rev. William Van Peursem, pastor of Fourteenth Street Christian Reformed church, Holland, read the ceremony at 8 p.m. before a setting of palms, ferns and gladioli. Dr. E. H. Boldrey offered a prayer.

Prelude music was presented by Ray Harris who also played the bridal marches. Wayne Poel, soloist, sang "O Perfect Love" and "Bless This Home."

The bride wore a gown of white slipper satin, princess style, with a lace yoke, full skirt which extended into a long train and long sleeves. Her fingertip veil was held in place with a tiara of seed pearls. She carried a bridal bouquet of white calla lilies centered with yellow carnations.

Mrs. Schenck of Peerysburg, matron of honor, wore a dark blue-green moire gown fashioned

with a roll collar, fitted bodice and tie belt. She carried pink carnations and calla lilies and wore a tiara of pink carnations. The bridesmaids, Misses Joyce Poel and Isabelle Holmes, wore rose moire gowns and carried yellow carnations and calla lilies.

Harold Steketee of Holland assisted the groom as best man and ushers were John Haveman of Holland and William Collison, brother of the bride. Mr. and Mrs. Jack Sooter of Holland were master and mistress of ceremonies.

A reception followed the exchange of vows in the church parlors. The serving table was decorated with yellow floral bouquets and was centered with the wedding cake.

Mr. and Mrs. Dalman left on a wedding trip. For traveling the bride wore a rust velvet ensemble with bolero jacket and full skirt. Her accessories were cocoa brown and she wore a corsage of yellow carnations.

The bride was graduated from Grand Haven High school and had been employed at Addison-Baltz. The groom is a Holland High school graduate and is employed at Monroe Furries, Grand Rapids.

## W. E. Slater Is President Of Social Progress Club

William E. Slater was elected president of the Social Progress club at the Tuesday night meeting. Other officers include: Charles E. Drew, vice president; Dr. A. Leenhouts, second vice president; and Randall C. Bosch, secretary-treasurer.

It was reported that ladies night would be held April 26, at 8 p.m. at the home of Dr. and Mrs. Irwin J. Lubbers on the Hope college campus. Dr. Arnold Mulder of Kalamazoo college, a charter member of the club, will be the speaker. A special effort will be made to get all associate members of the club to attend the meeting.

After the annual business meeting, the club heard Harold Haverkamp, Hope college psychology professor, read a paper entitled "What About the Kinsey Report?"

Haverkamp divided his paper into four parts in which a series of questions were raised and answered. After describing the background and education of Dr. Alfred C. Kinsey and how the report came into being, Haverkamp told what was in the report, detailed principal criticism of the report and then gave some principal views as to the possible value of the report.

Haverkamp said that the Kinsey report had received a wide circulation among non-scientific readers, but that it was a serious work much better adapted for use by scientifically trained people. Haverkamp said it was generally agreed the report would stimulate research that would ultimately be of value in solving marriage problems.

Hosts to the club were Mr. and Mrs. O. S. Cross, 587 Crescent Dr. Harvey Poll, William Roelofs, Justin Roelofs, Floyd Redder, George Rigtierink, Gordon Rigtierink, Andrew Haverdink, Howard Langeland, Edd Schaap, Emerson Schaap, Dale Lampen, Melvin Dannenberg, Otto Schaap, Jerome Schaap, Ira Vander Kolk, Roy Kolk, J. H. Poll, Harry Poll, Ray Knoolhuizen, Bert Poll and

## Allegan Seniors Choose Camping Instead of Trip

### Decision Reveals New Academic Viewpoint on Camping for Schools

Allegan, April 14 (Special) — A week's camping experience instead of a class trip, has been chosen by Allegan high school seniors as a wind-up to their final high school year.

The class, numbering about 90, will spend the week of May 30 to June 5 at the Lakeview park camp on Lake Allegan a few miles out of the city. The site is owned by the state conservation department and is at present not used.

The seniors' decision reveals the new academic viewpoint on camping as part of school curricula, according to Hartge, Winter, teacher, who will direct the camp. The program will follow closely the demonstration schools camp for high school students held at Chief Noonday camp, Yankee Springs last winter. Ten Allegan students participated in that program.

Plans for the week await developments, but the essential purpose will be conservation education, citizenship training, and social group living in a camp environment. Members of the state conservation program will work closely with the staff of Allegan counselors.

Since the chief noonday demon-

W. A. Butler, Sentinel publisher, at left, presents wooden shoes to C. E. Wilson, center, president of General Motors Corp., and Paul Garrett, right, vice president in charge of public relations, at a reception for the press and radio Friday afternoon in Detroit. The event was a preliminary employ-

ment, Michigan's leadership in using camping as part of secondary education is being watched with interest all over the nation. Results of the Allegan program will be used to further evaluate the idea.

### Little Netherlands Will Be Improved

Tulip Time visitors this year will find an improved Little Netherlands in the enclosure at 13th and Central.

Common Council Wednesday night approved plans for a building within the enclosure to house Little Netherlands exhibits permanently. It involves a 10-year lease to be drawn up by City Attorney Peter S. Boter.

Ald. John H. Van Dyke, chairman of the Holland Tulip Time Festival commission, explained the purpose is two-fold. He said a building would provide a better setting, and would eliminate the seasonal work of dismantling and storing the exhibits. Such handling and storage has resulted in considerable breakage and damage.

Van Dyke said the investment will be about \$2,800 and revenue is expected to pay costs the first year.

Inspection of General Motors' huge "Transportation Unlimited" show at Convention hall Friday night and Saturday. The week-long show opened for the public Sunday. The wooden shoes were compliments of the Holland Chamber of Commerce of which Butler is a director.

### Erutha Rebekah Lodge Plans District Meeting

At the Erutha Rebekah meeting Friday night final plans were made for the district meeting to be held in Holland on April 18 at the Woman's Literary club house.

It was also announced that the lodge is chartering a bus to attend the Saugatuck Chest meeting Wednesday night. Members going are asked to meet on the corner of Eighth St. and Central Ave. at 7:30 p.m.

The next hobo breakfast will be held Thursday at 9 a.m. in the home of Mrs. Rex Webber. Following the business meeting, lunch was served by Mrs. Cora Nicol and her committee.

### Harrington School Rallies to Victory

Lakeview school's baseball team in its recent season opener was coasting along with a comfortable 5-2 lead over Harrington school when the opponents erupted with an eight-run rally in the ninth inning.

Harrington came back to win the game 10-5. A walk, followed by a home run, started the uprising.

Harrington's reserves dumped the Lakeview seconds 8-2 in the prelin.

Park township schools are in the midst of a warm up schedule before starting a series to determine which school will represent the township at the Zeeland field meet next month.

One of the attractions at the General Motors show in Detroit this week is Buick's special chassis pictured above. The chassis is animated by electric motors with working parts—engine, Dynaflo transmission and driveshaft—in cutaway sections so that visitors may see a dramatic demonstration of how power is transmitted from the engine to the rear axle through the unique torque converter. Engineering representatives will be on hand to explain operations to visitors, while an electronic control device, left, visually pictures what happens to the transmission and the drive-shaft as engine speed increases. Arie Ter Haar is local Buick dealer. His service garage and showrooms are located at 150 East Eighth St.

### Newspaper Advertising Underlies Sales Boost

Newspaper advertising was given major credit today for the recently reported 39 per cent boost in sales of Phillip Morris cigarettes, according to Jay Dieleman, field supervisor for Phillip Morris. The sales hike has prompted the cigarette company to undertake a new advertising campaign in the Holland Evening Sentinel and other newspapers throughout the country.

"Phillip Morris believes newspaper advertising has been responsible for large gains in our sales," Dieleman said. For that reason our new campaign is more intensive than any in our history.

### Eight Recruits Added To Gray Lady Corps

Eight recruits for the Gray Lady corps met at the Red Cross office Thursday to complete necessary applications for membership in the corps. Mrs. Kenneth Allen, chairman, said there are openings and anyone interested may contact the Red Cross office.

All new members of the corps will meet Thursday, April 21, at 2 p.m. in the Red Cross office. Miss Edna Loomis, American Red Cross field director at the Veterans hospital, Fort Custer, will present the first lecture in the orientation course for all volunteers who work in the hospital.

On Friday, April 29, the new members will go to the hospital for the day where they will be introduced to the personnel, program and procedure of the hospital. Following this they will give regular time each month in service in the wards or in the recreation hall at the hospital.

## Hope Baseballers Trounce Jaycees For Second Win

**Dutch Score Six Runs  
In Big Second Frame;  
Use Three Pitchers**

Hope college's baseball team exploded with six runs in the second inning, added five more in later innings, to chalk up a decisive 11-0 win over Muskegon Junior college at Riverview Park.

Saturday's victory was Hope's second of the season. Earlier last week the Dutch edged Aquinas college of Grand Rapids 2-1 in their season opener.

Coch Jack Schouten took note of the chilly wind and decided to use three pitchers for three frames each. Hardy Ensing of Hudsonville started. He allowed four hits, Don Hoffman relieved him in the third and limited the Jaycees to one hit a double in the sixth.

Fireball Mike Skaalen set the Muskegon lads down with a lone hit in the final three innings.

Moose Van Wieren and Jack Marema paced Hope's hitting with two safeties apiece. Hope collected seven hits to five for the Jaycees.

The local collegians lumped two hits, two walks and three errors in that second inning for those six big runs. Con Boeve, the first man up, was safe on an error and was walked home after getting to third base. After nine of his mates had batted, Boeve went out, third to first, to retire the side.

Hope added two more runs on three hits in the bottom half of the fourth, two in the fifth and one in the seventh.

Muskegon loaded the bases in their third inning but Ensing forced Bob Taylor to pop up to Jack Marema for the third out.

Hope had eight men left on base while the Jaycees left 10 men stranded.

## Ford Will Cite Harbor Needs

Rep. Jerry Ford will cite the need for funds to improve Holland harbor when he meets with the House Harbors and Rivers Appropriations committee after the Easter recess. Ford is a member of the committee.

W. H. Vande Water, secretary-manager of the Holland Chamber of Commerce, was in Washington, D. C. last week with a delegation of Michigan members of the Lakes and Harbors committees.

Vande Water met with Capt. A. J. Evans of the U. S. Coast Guard maintenance and projects department and B. J. Tofani, assistant superintendent of the Engineers corps civil works department.

The Engineers corps headquarters at Milwaukee is forwarding results of a survey of the local harbor to Washington.

Rep. Ford promised Vande Water that he would carry the ball from that end on behalf of Holland. He said the matter would get his immediate attention when the results arrive in Washington.

The Michigan delegation appeared before Sen. Kenneth McKellar's Senate Appropriations committee to request flood control funds for the state—especially the Grand River and Saginaw valleys.

## Fruit Gatherer Patent Offered by Local Man

Washington, April 14 (Special)—A fruit gatherer invented by John Knapp, of 16 West 22nd St., Holland, appeared today in the register of patents available for licensing or sale.

The register, a publication of the U. S. Patent Office, described Knapp's invention as being a circular pan-shaped fruit collector to be placed on the ground beneath a tree and large enough to extend outwardly beyond the tip of all branches of tree.

It consists of two hinged semi-circular half sections that are closed about trunk of tree and latched together. Each half has a piece of canvas secured to its top in spaced relation to the bottom.

An opening in the side of each half is provided for emptying collected fruit from the pan.

First successful steam fire engine was used in Cincinnati in 1805.

## Draper-Scamehorn Vows Exchanged

Mr. and Mrs. William Holden Draper

The wedding ceremony of Miss Iris Mary Scamehorn and William Holden Draper was performed Saturday at 3:30 p.m. at Hope Reformed church. The double ring ceremony was read by the Rev. Marion de Velder before a background of palms, bouquets of white flowers and candelabra.

The bride's parents are Mr. and Mrs. E. C. Scamehorn of Taylorville, Ill. The groom is the son of Mr. and Mrs. Harold Draper, 42 East 13th St.

Wedding music was played by Miss Alma Vander Hill, organist. She also accompanied Bill Vander Yacht who sang "Ich Liebe Dich" and "The Lord's Prayer."

The bride wore a gown of white satin with net yoke, long pointed sleeves and a full, bustled skirt which extended into a long train. She wore a fingertip veil and carried a white prayer book topped with a white orchid. Her only jewelry was a rhinestone choker, gift of the groom.

Attending the bride were Miss Jean Van Arsdell, maid of honor, and Miss Lois Rameau, bridesmaid. They wore ballerina length gowns of lavender blue with matching slippers and headresses. Their colonial bouquets were made up of yellow roses and sweet peas.

The groom's attendants were his brothers, Robert J. Draper, who served as best man, and Richard Draper, groomsmen. Ushers were Ransom Everett, Donald Van Duren and John Bazuin.

A reception for 225 guests was held in the church parlors following the ceremony. A later reception was held at the home of the groom's parents. Guests were present from Bloomingdale, Eureka, Ill., Kalamazoo, Chicago, Florida, Detroit, Yale, Midland and Grand Rapids. Bob Barry and Miss Arlene Puget were master and mistress of ceremonies.

Mr. and Mrs. Draper are now at home at 279 Central Ave., following their honeymoon in Chicago. For traveling the bride wore a red suit with gray suede accessories.

Mr. Draper, a graduate of Holland high school and Hope college, is owner of the Netherlands Record and Gift Shop. Mrs. Draper is a student at Hope college.

## High School Musicians Get High State Ratings

Holland high school and Christian high students received high ratings Saturday at Ann Arbor in the annual State Music Festival. Only students who received first division ratings in the regional festivals were eligible to enter state competition.

Those who received top rating or first division are Mary Ellen Carter, violin; Ruby Nyenhuis, clarinet; Jim Harrington, trombone; and Bruce Van Voorst, baritone.

In ensemble competition, a first division rating was given to a trombone quartet composed of Berdean Young, Dale De Witt, Jim Harrington and Lyle Vander Meulen.

Four soloists received second division ratings. They are Delores Vandenberg, piano; Lyle Vander Meulen, trombone; Bob Greenwood, French horn; and Sonja Bouwman, flute.

A cornet trio, Brian Ward, Bill Meengs and Carrow Kleinhekel, rated in the second division. Bob Greenwood and Kaye Don Hooghyde, French horn duet, also won a second division.

Faith Bos and Charlotte De Pree were the only Christian high students entering state competition. Miss Bos, marimbist, received a first division rating and Miss De Pree, pianist, received a fourth.

With spring vacation over, the local Camp Fire and Blue Bird groups remember many good times during the holidays.

Under the leadership of Miss Lillian Vanden Tak, the Gypsy Blue Birds of Federal school recently went on a hike and saw many interesting things. On April 9, the group went skating at the North Shore Community hall.

Mary Lou Buis reports that for the past several weeks the Waditaka Camp Fire group have been busy working on their scrap books. A very interesting tour was made by the girls of the Western Union Telegraph office on March 29. They were shown how messages were received and sent with the new machinery which the office received. A hike has been planned for April 23. Miss Mary Quatt, the group's leader was in charge.

On Monday, April 4, the Waditaka Camp Fire group met at the home of Mrs. Otto Dressel to prepare for a hike. The girls went to the woods and ate lunch. Afterwards the group blazed trails. Recently, new officers were elected by the group. Those elected were president, Mary Lou Vander Pool; secretary and scribe, Peggy Warner. Mrs. Dressel is acting as guardian in the absence of Mrs. James Fluhr.

New officers were elected at the April 4 meeting of the Tunda Camp Fire group. Elected were president, Patty Kole; vice president, Joyce Wedeven; secretary, Joan Hill; treasurer, Joan Tyler; and scribe, Arlene Reus. The group practiced the play which will they give at a mother's tea on April 22. The play was written by Norma Nynas and Yvonne Pas. Mrs. Andrew Kammeraad is guardian of this group.

On April 6, the Tekawitha Camp Fire group held their meeting at St. Francis de Sales school. Plans were made for a party after Easter for Camp Fire girls only. It was decided that the girls would work on their required honors at the party. Dolores Oink repeated the Fire Maker's Desire and Pat Rohen repeated the Trail Seeker's Desire. Committees were formed for the dinner which the girls planned. The guardian of the group is Mrs. J. W. Lang.

The combined groups of Luta and Tawanka under the guardianship of Mrs. A. Van Putten and Mrs. James Knoll went on a bicycle hike on April 5. The group left about 11 a.m. and cycled out to the American Legion club where they had lunch which had been prepared by each girl. The girls took pictures and climbed hills until one of the girls fell in a little creek, and then they decided it was time to head for home.

The Cantewasteya Camp Fire group, under the guardianship of Mrs. Ray Fehring, enjoyed a roller skating party at Zeeland last week Tuesday. On Thursday, they packed their equipment and spent the night and next day at the Fire Tower lodge at Allegan State Forest. Hiking and exploring were the highlights of the trip. Lorraine Rowell, assistant guardian accompanied the group. Transportation was furnished by Clarence Kleis and Mrs. Clarence Nies.

During this coming week Mrs. Fehring will hold individual conferences with girls in the various ranks including: 12 girls who are taking their Torch Bearer's rank in sports and games, two in dramatics, one in aquatics; one in handicraft; one in music; two in homemaking; two in citizenship; and also, one Woodgatherer and two Fire Maker.

The Aowakiya Camp Fire group under the guardianship of Mrs. T. Dobbertin, and Mrs. P. Winchester hiked to Macatawa Park on Thursday, April 7. They left at 9:30 a.m. and returned at 4:00 p.m. Each girl packed her own lunch.

As reported by Jane Klaassen, the Kaku Wasti Camp Fire group boarded the streamliner for Chicago on Monday, April 4. While at the Museum of Science and Industry, they enjoyed the trip through the full size working coal mine with helmet and safety lamp. After leaving the underground, the girls came upon the Transportation Exhibit where there is a collection of old automobiles. The girls strolled down a Main Street of 1910 with watering trough and gas lights and visited the Nickelodeon. Other interesting exhibits were "The Miracle of Growth," the telephone demonstration and the modern farm. Mrs. Joe Moran is the guardian of this group.

Marilyn Poest reports that the Snahnah Camp Fire group held their meeting of March 29 at the home of Delphine Sheaffer who also called the meeting to order in the absence of the president Jill Crawford. Miss Petrea Anderson their guardian, reported that the group was to visit the local radio station sometime in the near future. A new member, Carolyn Alexander, was admitted to the group. The girls discussed the entering of a display in the Flower Show during Tulip Time. Mrs. Sheaffer explained the different things they could enter. The Birthday Project was also discussed. Refreshments were served by the hostess who was, also celebrating her birthday.

Two members of the Canteuta group, Carol Harrington and Laurie Hohl represented the group at the Camp Fire office Monday night for instructions on the Grand Council. Fire. There are to be two girls from each group participating in a choral reading. During the vacation, six girls and Mrs. M. K. Disbrow camped at Eagle Crest overnight.

Screw propellers were first used on ocean vessels in 1899.

A cement block machine is demonstrated for the benefit of three visitors who closed a deal in Holland Thursday whereby two complete plants will be shipped to Tel Aviv to provide brick for part of the construction of 75,000 housing units to cost \$165,000,000. Left to right are Jacob Zichlinsky of Brooklyn, Ben Cohen of New York City and Ellahu Gutwurel of Tel Aviv. The equipment, involving two carloads weighing 90 ton, will be shipped to Israel.

## March a Trifle Chilly, Weather Survey Reveals

The month of March was a mite chilly, even though spring arrived according to schedule, a review of weather data as compiled by Chief Weather Observer Jay E. Folkert at Hope college revealed today.

The temperature ranged mostly from 28 degrees to 43 degrees, but jumped to a high of 64 degrees on the first day of spring.

Average temperature for March was 35.8 degrees compared with 35 in 1948, 31.2 in 1947, 46.8 in 1946 and 46.3 in 1945.

Maximum temperature was 64 in 1949, 69 in 1948, 52 in 1947, 77 in 1946 and 80 in 1945. Minimum was 16 in 1949, -3 in 1948, 15 in 1947, 17 in 1946 and 15 in 1945.

Average maximum temperature was 43.6 compared with 44.7 in 1948, 38.5 in 1947, 59.7 in 1946 and 58.6 in 1945. Average minimum temperature was 28, compared with 25.2 in 1948, 24 in 1947, 33.9 in 1946 and 34 in 1945.

There was one thunderstorm in March compared with four in 1948 and none the preceding three years. Precipitation measured 2.89 inches, compared with 6.06 inches in 1948, 2.06 in 1947, 2.41 in 1946 and 1.55 in 1945.

Snowfall measured 7.4 inches, compared with 13.3 in 1948, 12.3 in 1947, 1 in 1946 and none in 1945.

Allegan, April 14 (Special)—Allegan is one of three larger Michigan communities to be selected for a special program organized by the state department of health, in which opportunity for growth in several fields may be accomplished, Stanley Moffet, president of the community council, the local co-operating agency, said today.

If the program is accepted, it may mean intensive surveys of different phases of community life, any one of which might develop into new outlets for better living in Allegan. Fields which might be examined, Moffet said, are health, education, religion, vocational opportunities, farm life, cultural activities and home and family living.

He cited as an example that an inquiry into recreational needs might end up as an all-year program instead of the present summer playground project. Other surveys could turn up other possibilities.

Five small communities have already undertaken the idea in Michigan. This will be the first experiment in a larger city. Bronson and Newberry are other selected cities.

Reckless Driver Fined  
In Grand Haven Court

Grand Haven, April 14 (Special)—John W. Bosch, 24, of Muskegon, was sentenced by Justice George V. Hoffer to pay \$60 fine, \$4.60 costs and serve five days in county jail upon his guilty plea to a reckless driving charge placed against him by state police Wednesday morning, after his car struck a culvert and rolled over.

Officers were informed and Bosch admitted that he was arrested on a speeding charge just out of the Muskegon city limits after which he continued on to Grand Haven, driving at an excessive rate of speed.

Robert Smith, a passenger in the Bosch car, was injured and taken to Municipal hospital, suffering severe lacerations on the head.

## And Now Local Products Are Headed for Israel

Holland products are figuring in the re-building a modern state in the Holy Land.

Two complete plants for manufacturing cement blocks and brick will be shipped to the other side of the world within eight weeks from the Lith-I-Bar Co. here, it was learned today.

The business deal involving two carloads of equipment weighing 90 tons was consummated here Thursday by three visitors, Ellahu Gutwurel of Tel Aviv, Jacob Zichlinsky of Brooklyn and Ben Cohen of New York City.

Equipment will be shipped to Tel Aviv on the new National Jewish Shipping line which has just been purchased by the Israeli government.

With the equipment installed in Tel Aviv brick is expected to be turned out 30,000 a day with the aid of about 12 employees whereas such production by hand methods is now done with 500 men.

Gutwurel said construction is desperately needed in Israel where 25,000 to 30,000 persons are pouring into the country every month. In the last 10 months a quarter million persons have arrived.

The government building project in which Gutwurel is associated involves 75,000 units at a cost of \$165,000,000. At present, government edict calls for one room for every two persons and the new building program is expected to alleviate the cramped

## Don't Start Fires; Six Pay Fines In Grand Haven

Permits Needed to Burn  
Land Whenever Ground  
Not Covered by Snow

Grand Haven, April 14 (Special)—Law enforcement officials today cracked down on carelessness in starting fires and backed up their point by referring to six persons who paid fines of \$25 and costs of \$4 each for violating such laws.

Appearing before Justice George Hoffer on such charges were La Vern Schoolcraft of Spring Lake; Mary Chapel, route 3, Allendale; John Groen, route 1, Hudsonville; Betty Du Bois, Grand Haven; Emil W. Teska, Spring Lake, and Henry M. Soule, route 2, Grand Haven.

Specific charge was setting fires without sufficient firebreak and without a permit.

Conservation officials reminded would-be burners that fire permits are required when the ground is not covered with snow or a fire break sufficient to check the spread of such fire.

M. M. Bergman, forest fire chief, said such fires destroyed as high as 280,000 acres annually in the early '30s. With critical fire years running in cycles of eight and nine years, Bergman emphasized that the department particularly needs the help of campers, smokers, brush burners and railroads to minimize the toll this year. Years of heavy losses in the past were 1925, 1933 and 1941.

All law enforcement agencies in Ottawa county were concerned over the increased rate of careless burning during the last two weeks. This is of great concern to directors of the West Ottawa Soil Conservation district. Reports from Muskegon county also show a great increase.

The district says the best way to prevent fires is to avoid starting them. A small fire can soon get out of hand. Discontinuance of burning off grass and leaves will help keep soil fertile and prevent monetary loss through fires getting out of control, they point out.

## Borculo

Good Friday services will be held Friday evening at 7:30 p.m.

An Easter Sunrise service will be held Sunday at 6:30 a.m. The Rev. C. Vanden Heuvel will be the speaker with several musical numbers planned. This meeting is sponsored by the Girls society.

Mrs. Derk Ten Broeke died last week Tuesday night. The funeral was held Saturday afternoon. Everyone is invited to an Easter cantata in the Allendale Christian Reformed church on Wednesday at 8 p.m.

Mr. and Mrs. Lawrence Redder and children recently moved to their new home east of Borculo. A neighborhood party was held Friday afternoon at the home of Mrs. John Luitsema.

Mr. and Mrs. Albert Wold, and Lillian have been welcomed into communion from the South Olive Christian Reformed church.

The first regular meeting of the Sunday school will be held on May 1. Gerrit Koop has been appointed superintendent and Harry Petroelje as assistant superintendent.

Herman Jay Assink and Hazel Geurink were united in marriage last Friday evening at Zeeland. The annual spring mass meeting of the Zeeland League of Men's societies will be held tonight in the North Street Christian Reformed church. The Rev. Arnold Brink of Calvin college will give the address.

The Golden Hour society will meet Wednesday evening.

Mr. and Mrs. John Mast and Mr. and Mrs. Ben Kuylers called on their parents Mr. and Mrs. Albert Kuylers during the past week.

Mr. and Mrs. Willis De Wits and son of Zeeland spent Sunday with relatives. They also attended the services.

## Peter J. Palm Dies At Home in Douglas

Saugatuck, April 14 (Special)—Peter J. Palm, 79, died of a lingering illness at his home in Douglas Sunday at 9 a.m. He had lived on a fruit farm in Saugatuck for 33 years and moved to Douglas four years ago.

He was born Oct. 22, 1869, son of the late Mr. and Mrs. John Palm. He was a member of the Apostolic Lutheran church at Ypsilanti.

Surviving are the wife, Lena; a daughter, Mabel Palm of Richmond, Ind.; four sons, Edwin of New York City, Russell of Wayne, Ind., and Milton and Glen of Chicago; seven grandchildren, and a brother, Walfred of Howard City, Minn.

Services will be held Tuesday at 2 p.m. in Congregational church, Douglas, the Rev. N. E. Maycroft officiating. Burial will be in Douglas cemetery. Friends are asked to omit flowers.

## DIES IN ALLEGAN

Allegan, April 14 (Special)—Mrs. Susie Thompson, 75, who had been living with her son, Charles W. Starr, 574 West 22nd St., Allegan, died Sunday in Allegan township. The son is the sole survivor.

About a third of Denmark's population earns its living by farming or fishing.

A morning's catch of 24 pike, largest of which weighed four pounds, was taken from Fort Peck reservoir in Montana one day last summer. Left to right are Jerry Van Faassen of Fort Peck formerly of Holland, his father, Albert Van Faassen of Holland, and Edward H. Klose, Jr., of Fort Peck. Mr. and Mrs. Jerry Van Faassen and their two children are at present spending a month in Holland. Van Faassen, who attended Holland high school and Michigan College of Mining and Technology, went to Fort Peck in 1935 and has lived there all the time except for three years in the service, during which time his family was in Holland.

## Gala Supper Concludes Junior League Season

At a gala buffet supper in South Shore Supper club Tuesday night Mrs. James White, newly-elected president of Junior Welfare League, received the gavel from retiring president Mrs. Andrew Vollink. A total of 60 members and associate members attended the affair which climaxed a year of service. Miss Beth Marcus gave the invocation.

Other officers named in the group's annual election were Mrs. Gerard Cook, first vice-president; Mrs. Stuart Padnos, second vice-president; Mrs. Irving Vrieling, secretary and Miss Fritz Jonkmann, treasurer. Standing committee chairmen for next year include Mrs. L. W. Lamb, Jr., glasses; Miss Margaret Waltz, Mrs. Charles Bertach, materials; Mrs. Joseph Borgman, purchasing; Miss Esther Van Dyke, distribution; Mrs. Ted Rycenga, investigation and Mrs. Don Thomas and Mrs. William Hakken, membership. The slate was presented by Mrs. Harold Klaassen, chairman of the nominating committee.

A feature of the final meeting was the presentation of a gift to Mrs. A. Smeenge, guest of honor and retiring custodian of the Woman's Literary club rooms. In her appreciation speech, Mrs. Vollink paid tribute to the loyalty and co-operation of Mrs. Smeenge who, she said, "has been a member of league since its organization."

Corsages of spring flowers were presented by Mrs. Vollink to chairmen of major projects during the year. Members recognized were the Mesdames Bruce Mikula, Don Thomas, Irving Vrieling, Clarence Becker, Lester Lampen, Adrian Van Putten, Robert Wolbrink, Robert Kow, Lester De Ridder, Harold Klaassen, Joseph Borgman, Bill Josiek, Gerard Cook, Robert Wilson, William Beebe, Vernon Poest, Paul Vander Hill, Fred Coleman and James White and the Mesdames Elaine Ackerson, Margaret Waltz, Jean Pellegron, Bar. Marcus, Althea Raffenaud, Fritz Jonkmann, Virginia Koolker and Crystal Van Anrooy.

Mrs. Vollink was presented a corsage by Mrs. Vrieling who served as chairman of the dinner.

Junior Welfare League, a service organization of young women who meet weekly during the winter, has as its main objective the serving of needy children in Holland. As regular projects the group furnishes vision examination, glasses and layettes to needy families. Major project now under way is the complete equipping of Holland hospital's expanded nursery with new type bassinets.

Funds for these community services are raised by benefit parties, plays, baked goods sales and the like. An outstanding project of this season was the baking of 618 holiday plum puddings by league members under the general chairmanship of Mrs. Clarence Becker.

Miss Eleanor Smith, retiring treasurer, gave her final report and Mrs. Raymond Helder, materials chairman, reported seven layettes on hand. Three layettes were distributed by Mrs. Robert Carley. Miss Doris Marcus reported a total of 15 vision examinations and four pairs of glasses furnished as well as some unfinished cases.

Announcements were made concerning the presentation of the children's play, "The Steadfast Tin Soldier" in Holland High school April 28. Cast members will be honored at a beach party later in the season.

Bridge was played following the business meeting and prizes were won by Mrs. Clarence Becker, first, and Mrs. James Hallan, second.

## Holland Crushes Zeeland Chix In Opening Game

Forrest Shuck Turns In  
Masterful Hurling Job;  
Allows Only Six Hits

Holland high school's baseball team crushed the Zeeland Chix Tuesday afternoon with a 16-hit avalanche that netted a 15-3 victory.

Forrest Shuck, on the mound for the Dutch, turned in a superb six-hit masterpiece as he went the full seven innings. Coach Bob Stupka decided to keep Shuck in the game after noting the mid-summer like baseball weather at Riverview park.

It was Zeeland's third defeat over a two-year stretch and marked the second time the Dutchmen have turned the trick in as many seasons. Holland and Allegan were the only teams that defeated the Chix last season.

Zeeland came out of Tuesday's fray with a record of 15 wins in its last 18 starts.

The game marked Holland's debut for the 1949 season and labeled the Dutch a power-packed batting aggregation.

Holland's 16-hit attack was made up of two triples, five doubles, and nine singles. Zeeland had six one base hits.

Coach Howard Elzinga used four pitchers in an effort to silence the Dutch bats but the locals kept up their murderous onslaught throughout the six innings. Tuke Kroll started for the Chix and was relieved by Warren Ver Hage in the second inning. Later that same inning, Dick Carlson was called from the sidelines and veteran Nels Gebben worked the final two frames for the Chix.

Kroll allowed four runs and as many hits as he faced nine Dutch batters in the first inning. Holland added another three runs in the second inning and three more in the third.

Zeeland scored its three runs on three hits and a walk in the fourth.

Holland renewed its hitting fury in the sixth frame and banged out four safeties that were good for five runs. A total of 11 men came to bat in that inning.

Dave Kempker topped Holland's hitting column with a double and three singles in four official times at bat. Frank Wlodarczyk smashed out three doubles and a single in five times at bat while Ron Appledorn and Ken Koning each counted a triple.

Zeeland's hitting was split up with six men each hitting one single. They were Sal Raab, Bern Raterink, Mick Zuverink, John Boeve, Jim Boonstra and Carlson.

The Chix were charged with three miscues while Holland was guilty of two bobbles. Shuck struck out 10 Chix batters and issued six passes.

## Program Beckons Local Officer

Millard C. Westrate, assistant superintendent of the Board of Public Works, will present a paper titled "Electric Water Heating" April 28 at the spring meeting of the Michigan Municipal Utilities association.

The two-day affair will be held at Niles.

Westrate's presentation is expected to headline a discussion on controlled hot water heating at the Friday morning session. It was pointed out in a recent utility association bulletin that this is an important subject in many Michigan communities.

The delegates from cities throughout Michigan are scheduled to tour the Twin Branch steam plant of the Indiana and Michigan Power Co. Friday afternoon.

The itinerary also includes visits to Niles utility buildings for inspection of new pieces of equipment.

Westrate is the only local man planning to attend the two-day meeting.

## Dutch Forester Plans U.S. Tour

From Our Washington Bureau  
Washington, April 14—Michigan will play host to a Netherlands forestry expert here on a three-month tour to study American techniques with wood.

Dr. W. W. Varossieau, of the Netherlands central institute of research on materials, will go to Grand Rapids May 5 for the annual meeting of the forest production research society.

Varossieau also expects to make flying trips to East Lansing and Ann Arbor. He is here under the ECA technical aid program.

The Hollander will interest himself in wood waste problems, gluing processes, painting, fireproofing, and termite control. ECA headquarters in Washington said American methods in these fields were far superior to those now being used in Holland.

## Indian Dances Scheduled For Allegan Schools

Allegan, April 14 (Special)—A program of authentic Indian dances and ceremonies will be shown Allegan county school children in a special series starting today, according to G. Ray Sturgis, county school commissioner.

Members of the Chippewa tribe of Mt. Pleasant, led by Eli Thomas, were to appear today at 10 a.m. in Moline and at Dorra at 1 p.m. The remainder of the week will be: Tuesday, Bridgestreet school, Plainwell, 9 a.m.; Doster school, 10:45; and Wayland, 2 p.m.; Wednesday, Pullman, 10 a.m.; and Fennville, 2 p.m.; Thursday, Martin, 10 a.m.; Allegan athletic field, 2:30 p.m.; Friday, Otsego school, 9 a.m.; Meadowbrook school in Laketon township, 10:45 a.m.

The program will include Indian songs, tom-tom dance, corn grinding demonstration, wrestling, story of the Indian medicine man, war dance, initiation of a boy into the tribe, and other features.

## Holland Christian Switches Opener; Final Drills Today

A last minute change in its 1949 schedule found Holland Christian's baseball club going through its final tuneup drills today on their 22nd street practice diamond. Although the Maroons were previously scheduled to entertain Grand Rapids Christian's Eagles at Riverview Park Friday afternoon, Coach John Ham said the opening tilt had been moved up to Wednesday. Observance of Good Friday caused the change, Ham announced today.

Some last minute hitting drills were scheduled today in an effort to bolster the Dutch power at the plate. Four workouts last week proved that the Hollanders were still weak at the plate, so Ham is squeezing in all the hitting practice he can. The Christian mentor said, however, that his infield seems to be shaping up quite well even though he hasn't decided on an opening combination. "It has been a tough job picking nine men this year," was his comment Monday. Intra-squad games last week revealed that the Dutch are fair defensively, but offensive punch is still lacking.

Ham said he would in all likelihood rotate his pitchers for the opening clash Wednesday, with either Ken Mast or Floyd Brouwer getting the starting nod. Pete Holstege may also see action on the mound, he said. The catching position is still a toss-up between Chet Warner and Ralph Bouwman. First and third sack positions seem pretty well cinched by Glenn Petroelje and Gene Gort respectively. Elmer Lokers or Hugh Koops is expected to handle the second base job with either Pete Holstege or Vern Robbert holding down the shortstop post.

Only one outfield job is cinched, that going to Preston (Butts) Kool, last year's leading hitter. Kool is a converted catcher, but has shown well in the outfield this year. Other candidates for the wide-open spots are: Calvin Bolt, Charles Aardema, Ed Altema, Sherwood Kok and Alverne Hop.

Ham issued 20 uniforms to squad members last week. Game time is set for 4 p.m.

## Dutchmen Plan First Practice

Manager Benny Batema of the Holland Flying Dutchmen said today that his first practice will be held after supper on Monday, April 18.

Chilly weather has forced the late starting date, Batema said. As in previous years, the opener will be played about the middle of May.

"All positions are wide open," Batema said.

His veteran list will include Pitchers Mike Skaalen and Lefty Van Wieren. Other veterans are Harry De Neff, Lou Borgman, Frank Wlodarczyk, George Czernies and Con Boeve.

"That still leaves a lot of gaps that will have to be plugged," Batema said.

Several North Shore league players of last season have indicated they will try out for the Dutchmen.

The Dutch will have new uniforms this season. The suits will be all white, trimmed with blue. The word "Holland" will be written across the front and a Flying Dutchmen monogram will be sewed on the sleeves.

Caps and socks will be blue.

## Insurance Appraisal

Representatives of the M. M. Clemenishaw Co. of Cleveland are in Holland appraising city-owned buildings for insurance purposes. The appraisal also includes equipment so that insurance can be paid accurately. There is a possibility that the city can take advantage of co-insurance rates on its property, authorities said.

## Break-in Investigated At Grand Haven Tavern

Grand Haven, April 14 (Special)—Sheriff's officers are investigating a break-in at Murphy's tavern on US-31 just south of the city limits which occurred between 3 a.m. and noon Saturday. A window was broken for entrance.

Money in drawers was untouched, but a cigarette machine was moved from the wall, a coin box removed from a juke machine and two peanut machines missing. Also missing are a girl's wallet containing \$2 which was held for the owner to pick up, and a small box containing several ear rings.

Three bottles of whisky also are missing.

## HHS Students Place In Forensic Contests

Bill Filkins, Holland high school senior, placed first in extempore speaking in the forensic contests in Muskegon on Wednesday. Three other Holland students received third place awards. Dick De Pree placed third in extempore speaking; Billie Houtman in oratorical declamation, and Ronald Smeengs in original oratory.

Other Holland High students participating were Glenn Essenburg in oratorical declamation; Joao Houtman and Pauline Mosher in dramatic declamation, and Mary Berkel in original oratory.

First place winner in original oratory was from Muskegon and winners in oratorical and dramatic declamation were from Muskegon Heights.

# News of Interest to Western Michigan Farm Operators

## Farm Records Show Squeeze Is On Profits

### Better Management Important, Survey In State Indicates

Any farmer who kept farm accounts in 1947 and 1948 will tell you that the profit squeeze is now on. According to John Doneth, Michigan State college farm management extension specialist, the squeeze comes when farming costs keep going up and farm income drops or remains steady.

That's why Doneth thinks profits are going to be harder to get in 1949 and that better management is going to spell the difference between profits and just wages for labor spent.

As a basis for this belief, Doneth points to a survey of more than 100 farms, averaging 200 acres in size, located in good farming areas in three southern Michigan counties.

On these farms, better crop yields produced about the same total income in 1948 as did lower yields in 1947. The price drops caused that. Dairy beef and poultry operations paid slightly more income, but swine and sheep projects returned less gross profit.

The average income in 1948 on these farms was only \$165 higher than in 1947. But farm expenses averaged \$807 higher in 1948 than the year before. Feed purchased, machinery costs and crop raising expenses were up considerably. So was the cost of hired labor.

Earnings declined 14 per cent or \$642 on these better-than-average farms. This is the first time since 1943 that records on farming in this area showed a drop in earnings.

### Michigan State Tops in Landscape 'Architecture'

East Lansing — The Michigan State college department of landscape architecture and urban planning ranks first in the nation in enrollment, according to survey findings released by the American Society of Landscape Architects. The department, organized in 1922, now has 130 students enrolled in landscape courses, said Harold Lautner, campus landscape architect.

The survey rated enrollment of between 25 and 30 leading landscape architecture schools in the nation. Five others which ranked highest in the survey were University of Illinois, 94 enrollment; Iowa State College, 81; University of California, 70; University of Georgia, 58; and the University of Wisconsin, 53.

## Foresters Form Research Center

Twenty-eight forestry specialists in Lower Michigan, met last week in Lower Michigan, met this week in East Lansing to discuss and formulate the first year's work program of the newly-established Lower Peninsula Forest Research center.

The council was organized to co-ordinate the forest research activities of all conservation agencies in Lower Michigan. The council is composed of forestry specialists representing county, state and federal agencies as well as private industry.

Some of the major forest problems in Lower Michigan that need study are improved management practices for the oak, lowland hardwoods, coniferous swamps, aspen, northern hardwoods and pines; reforestation and plantation management; proper handling of farm woodlands; markets and utilization.

Similar forest research centers are established in the Upper Peninsula, northern Wisconsin and Minnesota. All the research centers are under the administration of the Lake States Forest Experiment station in St. Paul, Minn.

### Sod Waterways Help Improve Farm Land

A list of spring jobs should include sod waterways on many Al-legan county farms. Sod waterways help to hold land in place. They save topsoil and plant food that the rain would otherwise carry away. Other advantages include greater feed output from the increased grass area.

A legume-grass mixture adapted to your growing conditions for sowing in the waterway is suggested. The county agent can help suggest good mixtures for your area. By liming according to the soil's needs and adding necessary plant food carrying nitrogen, phosphate and potash, you'll get sturdy roots and good topgrowth.

Establishing the sod waterways not only helps soil conservation on the farm but also pay big dividends.

## TODAY'S GARDEN-GRAPH

Reg. U. S. Patent Office

### Beans Important in Home Garden

By DEAN HALLIDAY  
Distributed by Central Press Association

BEANS are among the most important crop in the home vegetable garden. Snap beans, sometimes known as bush beans, give something approaching the maximum yield from the soil available in the average small garden.

They are also good sources of vitamins A, B and C, especially the green-podded beans. They are almost universally liked, and are one of the best vegetables for home canning and freezing.

French's Horticultural bean, illustrated in the accompanying Garden-Graph, is a handsome and prolific shell variety. The pods, averaging 7 to 8 inches long, are green splashed with vivid crimson. They are excellent for freezing.

Beans, however, are subject to certain diseases and insects and need to be protected against them. Cleaning up all trash in the vegetable garden is an important "first aid" measure as

many insects pass the winter in a dormant stage on old refuse and when spring arrives they hasten to produce another generation.

The most destructive insect pest of beans is the Mexican Bean Beetle. The adult beetles and their spiny larvae feed on the underside of the leaves giving the plants a lace-like appearance and causing considerable damage.

This pest can be controlled by spraying or dusting the underside of the leaves with rotenone, as illustrated. The climbing or pole beans can be sprayed or dusted more easily and therefore wherever these beetles are prevalent should be grown in preference to the bush varieties.

Never cultivate, weed, pick or even walk through the bean rows when the plants are wet as the spores of bean canker or anthracnose are spread from one plant to another very easily at such a time.

## 4-H Club Clothing Program Shows Annual Increase

Nearly one-third of the 1,800,000 4-H club members throughout the nation are expected to participate in the 1949 National 4-H clothing Achievement program, according to the national committee on Boys and Girls Club work. This prediction is based on the annual increase in enrollment during the last nine years. Michigan reported 16,214 enrolled in the 1948 clothing program, and hopes to top that figure.

The economy of home sewing plus a plentiful supply of intriguing designs and fabrics will attract many more 4-H'ers to complete the 1949 clothing project. Not only are members taught to make new garments for a carefully planned wardrobe, but they also learn to mend, alter and remake old ones. Many of the girls sew for the family as well as for themselves. They become adept at making hats, bags and other accessories. Demonstrations of sewing skills is encouraged by their 4-H club leaders.

Examples of outstanding achievements are the 1,440 garments made by last year's 12 national clothing winners. In addition, these girls re-styled hundreds of worn dresses, suits and coats.

The 12 national 4-H scholarships have been increased from \$200 to \$300. State winners will receive an all-expense trip to the 1949 National 4-H club Congress, while a gold filled medal of honor goes to county winners. The Co-operative Extension service supervises the program.

Michigan named 60 county winners last year. Mary Salton won both Barry county and State awards.

### Vriesland Man Has 90th Birthday Anniversary

Zeeland, April 11 (Special) — J. G. J. Van Zoeren of Vriesland celebrated his 90th birthday anniversary last week Monday at his farm home. A potluck supper in the home of Mr. and Mrs. Van Zoeren on Monday night was attended by their children. They are John of Holland; Mrs. John Elzinga and Mrs. John Oosterhaven of Grand Rapids; George of Zeeland; Leon of Chicago and Mrs. Henry Meengs of Morenci.

Also attending the supper were Mrs. M. C. Ver Hage of Zeeland, the honored guest's only surviving sister, and her daughter. There also are 10 grandchildren and 13 great grandchildren.

Van Zoeren was born in Vriesland and has lived in his present farm home since his marriage to the former Lizzie Lettsma. He is in good health and 'keeps the buildings and grounds on his farm in good condition. He attends church regularly. He is a staunch Republican and cast his ballot on his birthday.

## 'Brucella M' Vaccine Tests Show Results

More than 50,000 dairy animals in Michigan have been vaccinated with Dr. L. Forest Huddleson's new "Brucella M" vaccine for control of Bang's disease.

The new vaccine has been available for nearly 18 months now through 262 veterinarians in Michigan who have been licensed by Dr. C. F. Clark, state veterinarian, to use the product. Vaccine is produced in the Brucella laboratory at Michigan State college which has facilities for making 1,000 doses each day.

Since 1943, trials have been made to test the effectiveness of the vaccine developed by Dr. Huddleson during his life-long research. Brucellosis is the most costly of all animal diseases and in man it is known as undulant fever.

Dr. Huddleson reports that he is quite satisfied with the results of trials he made on 2,200 adult female cattle and 216 calves in 25 herds prior to the time it was approved for use in Michigan. He is seeking further results in these herds as well as the many herds in Michigan now using the vaccine.

Veterinarians in Michigan report that more cattle—both dairy and beef animals—are now being inoculated with "Brucella M" than any other vaccine.

Shipment of the vaccine outside Michigan, except by special permit, has not been allowed. Until approved by the Bureau of Animal Industry of the USDA, this will not be possible. Several states, however, have set up trials and obtained special permission to use the vaccine in herds which are being treated with "Brucella M" and other vaccines and exposed to the disease. It will take several years before results of such tests can be obtained.

## Feed Not Always Cause of Trouble

Don't jump to conclusions and blame the chicken feed when ailments come to the flock. Often the fault does not lie there. These conclusions are drawn from recent research reports received at Michigan State College.

Howard Zindel, MSC extension poultryman, said today that tests by the U. S. Department of Agriculture have shown that when feeds are at fault, it is almost always a deficiency in the ration used, rather than harmful ingredients, that causes death of disease symptoms.

The report states that the first impulse of many poultrymen seems to be to take a sample of feed and have an analysis made when disease of unknown origin occurs. Much better diagnosis usually comes from examination of the chickens by a poultry pathologist than by feed analysis.

Certain undesirable conditions in the flock are sometimes caused by diet, it is pointed out. Feather picking and cannibalism are related to diet and management, especially to overcrowding and diets low in fiber and salt.

## Preamble Adopted By Revision Unit For New Charter

Holland's charter revision commission Thursday night approved a preamble to the proposed new charter.

Six persons attended the weekly meeting in the council chamber of the city hall.

The preface thanks "Almighty God for the blessing of freedom, peace, health, safety and justice" and establishes the charter for the city.

Text of the preamble was a compromise of two proposals worked out by a committee composed of Raymond Holwerda, Mrs. Edward Donovan and John Fennell Donnelly.

In other action, the commission gave its tentative okay to a "boiled down" general municipal powers section. This section was worked over two weeks ago and cumbersome wording eliminated.

The approved section lists 13 powers and a catch all "grandfather" power. Holland's present charter tabulates 55 general powers.

Included on the list is a power "for regulating and forbidding conduct of business on the Sabbath day."

The group aired possibilities of inserting a power to regulate smoke nuisances. However, this matter was referred to a later meeting for further study after George Sidwell, charter consultant, explained that "a city can regulate smoke only when it becomes a health menace."

Before concluding its sixth meeting, the commission pried the lid off a chapter on general provisions affecting officers of the city.

After studying Sidwell's draft, the nine-member group favored a requirement that all local elective officers be electors and residents of the city for two years. Aldermen would be required to be residents of the city for two years and electors of the wards they represent.

The revision group favored sticking a requirement on appointive officers that would require them to become residents of the city within 90 days after appointment.

Mayor Harry Harrington attended the session and spoke briefly.

## Grass Fires Put Out By Township Firemen

Holland township fire department put out three grass fires Thursday. All three started from burning rubbish.

The first, at about 1 p.m., started at the home of Carl Frens spread over three-fourths of an acre of land. At 5 p.m. firemen responded to a call from Heidema Brothers, 66 Gordon St., where a rubbish fire was out of control. The fire started along a railroad track and spread toward a stack of 10,000 crates near the building. Several of the crates were burned. Firemen were on the scene for half an hour.

After working for an hour and a half, firemen extinguished a grass fire which started on property owned by John Luderan a mile north of the fire barn. The blaze spread for more than quarter of a mile and covered three acres, including a dump. The alarm was sent at 6:15 p.m. Fire Chief John Vande Burg cautioned residents to keep water and sand handy when burning rubbish and to take special care in windy weather.
