New Church Assured.
About thirty families on the west side have organized themselves into a new Christian Reformed church organization. They feel that it is imperative to have a new church of their own denomination in that part of the city. A site has been selected on Fourteenth street and First avenue, about a block from the Fourth Reformed church. A meeting of the new congregation was held Monday evening in the Central avenue Christian Reformed church, at which the following officers were chosen: Elders, Johannes De Boe, G. Sagers and J. H. Tuls; deacons, J. Mol, Albert Eising and Wm. Deur. Until the new building shall be built, meetings will be held in the afternoon in the Fourteenth street church and in the evening in some other church, not yet decided upon. The church is composed of members from both the Ninth street and Central avenue church, and the new organization expects financial aid from both these churches to build their new church. Next Sunday they will hold their first meeting, when Rev. J. Manni of East Saugatuck will preach and the new officers will be installed.

Fourth of July.
Holland will this year do its share in making the Fourth of July America's great day. Six years ago the day was celebrated here with any degree of impressiveness, and since that time, Holland was for the most part deserted on the Fourth. But last Monday night the Merchant's association of which E. B. Standart is the president, decided to give the people of this city and vicinity a real holiday. A band tournament, in which most of the bands of the surrounding villages will take part, will be only one of the sources of noise. There will also be an industrial street parade, composed of a line of floats, representing the factories and stores. In the evening there will be fire works, the most brilliant ever seen in Holland. The arrangement of the details of the celebration will be left in the hands of a committee to be appointed by the president of the Merchant's association.
Invitations will be extended to all the near by towns to participate in the celebration. Zeeland, Jamestown, Forest Grove, Vriesland, Overisel, Graafschap, Fillmore and all the hamlets in northern Allegan and southern Ottawa counties will be asked here to help celebrate the anniversary of the nation's independence.

Few were aware that Frank Gillery, aged thirty-eight years, doing a sixty-five days sentence in the county jail for vagrancy, was once the stalwart, vigorous, influential Frank Gillery of Lockport, N. Y. The love of a girl, her promise to marry, her jilting him and then the taking to the glass, started Gillery on the downward path. While in Holland Gillery pawned a gold medal he had received for bravery in saving lives in a burning building, for \$3. Gillery never mentioned his past. A hobo told Gillery's relatives in Lockport of his condition, dying of dropsy in a Michigan jail, and money came for a ticket home. The sheriff put the broken down prisoner aboard a car before his sentence had been served.

Solo, Miss Gall Teachout. Defeated Candidates, N. R. Stanton. Instrumental duet, the Misses Lahuis and De Pree. Closing song, "America."

J. C. Jorgensen has just completed a very important real estate deal in selling to Prof. F. R. Moulton of the University of Chicago 64 acres of land on the high banks of Grand River at Ottawa Center in Polkton township. This deal leaves but one good tract for sale at Ottawa Center. In the early history of this county Ottawa Center was laid out as a city and was a rival with Grand Haven for the county seat, but its dream of greatness was of short duration, and instead of the great city on the banks of the Grand materializing it soon dropped out of sight except for agricultural purposes and now is being converted into beautiful summer homes by wealthy Chicago citizens.

One of the songs that took the audience by storm at the oratorical contest Friday evening was the following given by the Holland High School:
"You can turn the damper up,
You can turn the damper down;
But Diekema goes to Congress
Just the same—Just the same
Just the same—But Diekema
Goes to Congress just the same.
"You can turn the damper up,
You can turn the damper down;
But Kremers wins the district
Just the same—Just the same
Just the same—But Kremers
Wins the district just the same.

Olive township people do not think that the Lyons-Bazaan stabbing affray which occurred near Port Sheldon recently will amount to much. A score or more of flower beds will be laid out, and the board is considering the question of installing a fountain in the center. Gravel walks have already been constructed and seats will be provided.
A telegram has been received announcing that Senator Barrows has secured the continuance of the Beacon light on the Bluff at St. Joe, which had been ordered by the light-house board at Washington to be removed to the north pier. Strong protests were made by St. Joseph people to the change in the location of the light, which is said to be one of the oldest on Lake Michigan.
The Eagle Tanning Co. of Grand Haven will continue the building of immense additions to its already large Fourth ward institution the coming summer. Plans have been prepared for the erection of a huge finishing building, four stories in height and 190 by 80 feet in size. It is to be constructed of brick and concrete, and will give the tanning company one of the best equipped plants of its kind in the country when completed. This is only one of the many other additions which will follow in the course of the next few years. Three or four years from now will see on the sign of the Eagle Tanning Co. a plant valued at a half million or more and employing several hundred men.

CORRESPONDENCE

Saugatuck.

Robert Moore of Holland was in Allegan one day this week visiting relatives. He recently came to Michigan from the west on account of the serious illness of his brother Charles at Saugatuck.

An ice cream social will be given tomorrow evening at the Ward school. A fine program will be rendered and a large attendance is expected.

Prof. P. Latta formerly of Holland has again been engaged by the Saugatuck schools for a term of three years. Mr. Latta is an able instructor and long and faithful servitude has won for him a warm place in the hearts of the Saugatuck people. All the old staff of the teachers have also been re-engaged.

The Rebekahs will hold their convention in Saugatuck on May 8. A large attendance is anticipated.

At a meeting of the Grand Rapids association of Congregational ministers held in Howard City last Monday and Tuesday, it was decided to hold their next meeting, which will be in October, in Saugatuck. Rev. Francis D. White attended the meeting and although ministers from other places solicited the honor for different localities this place was chosen. Saugatuck is becoming quite a convention town.

We were pleased to see a large number of the Douglas boys and girls at the Saugatuck institute. The following were present at one of the sessions: Misses Winona Gill, Marian and Helen Kerr, Margaret Walker, Minnie and Bertha Wicks, Sadie Coxford, Winnie Lighthart, Maizie Hampton. Also Messrs. Frank Phelps, Lester Miller, Harold Durham, Charles Melton, Cecil Powers, Melbourne Powers.

The National Protective Legion installed the following officers in the I. O. O. F. hall: Homer Adams, Past Pres.; John H. Pear, President; W. G. Phelps, Vice Pres.; J. F. Metzger, Secretary; L. E. Viets, Treas.; Nellie Pear Chaplain; Jennie Boskill, Conductor; Harry Morris, Door Keeper.

James S. Davis has purchased a team of black Shetland ponies which make a very stylish appearance hitched to a small buggy suited to their size. They are well matched and weigh about 400 pounds apiece.

Plans are being made for extensive alterations on the Lake Kalamazoo House. A long porch will be built on the side toward the lake which will add a good deal to the beauty of the structure.

Edward Stauffer of New Richmond expects to move his family to Douglas soon, where they will work for E. E. Weed & Co.

Miss Kate Schuler and James G. Wark of Saugatuck were quietly married at six o'clock Wednesday morning at the home of Mr. and Mrs. Albert Brand in the presence of the family, Rev. Brashear officiating. They left on the morning train for Chicago. The bride's numerous friends here will extend hearty congratulations.

Filmore.

Albert Brand of Allegan bought this week for his market eleven fat steers from the estate of Henry Timmerman of Filmore. They were two to three years old and weighed from 1100 to 1400 pounds each.

Mr. A. J. Rose of Hamilton has sold his farm and stock and has hired to work on the farm of John Koopel, Filmore, for the season.

Saugatuck and Its Breath

The Ganges correspondent to the Saugatuck Commercial-Record has the following on the outcome of wet Allegan Co. election: Well, we must resign ourselves to the prospect of two years more of saloon domination, but we do so with about the same grace, that we resigned ourselves to the October freeze. What hurts the worst is to know that it was accomplished by the help and votes of merchants and moral men, who would be ashamed to be seen in a saloon themselves, but think it attracts trade to their town. If their boys become drunkards, who will be responsible? We are proud of Ganges and Casco, nearly three to one against the saloon. Saugatuck whiskey was very much in evidence at our Ganges polling booth and several trips had to be made to where the jug was kept not far from Ganges Hall to fill the bottles. We hope the breath of all Saugatuck people doesn't correspond with that of those who drank their whiskey on election day.

It Takes Nerve

Everything depends upon your nerves. It is nerve force that causes the brain to direct the motion of your body; it is nerve force that causes your heart to pulsate, and send the blood through your veins; it is nerve force that causes your stomach to digest food, your kidneys to filter the blood, and the liver to secrete bile.

In fact, nerve force is the power that runs your body, so if you feel worn-out, irritable, nervous, cannot sleep, or eat well, have pain or misery anywhere, your nerves are weak, and your system run-down. To restore this vitality take Dr. Miles' Nervine which will strengthen and build up the nerves. You cannot be healthy without strong nerves.

"For eighteen years Dr. Miles' Nervine and Anti-Pain Pills have been my close companions. Early in married life, while raising children, my nerves became all worn-out—could not sleep; had no appetite; indigestion very bad, and had such awful dizzy spells. Then I began using Dr. Miles' Nervine, and at once I began to improve, and soon found myself in perfect health."

It's Your Kidneys

Don't Mistake the Cause of Your Troubles. H Holland Citizen Shows How to Cure Them.

Many people never suspect their kidneys. If suffering from a lame back they think that it is only a muscular weakness; when urinary trouble set in they think it will soon correct itself. And so it is with all the other symptoms of kidney disorders. That is just where the danger lies. You must cure these troubles or they may lead to diabetes or Bright's disease. The best remedy to use is Doan's Kidney Pills. It cures all ills which are caused by weak or diseased kidneys. Holland people testify to permanent cures.

Arie Schaap, farmer living on Rural Free Delivery No. 10, four miles east of Holland, Mich., says: "I can positively state that Doan's Kidney's Pills will act just as represented. My wife suffered a great deal from kidney trouble and backache. She had sharp twinges across the region of the kidney and small of the back. She finally procured a box of Doan's Kidney Pills at Doesburg's drug store and after using them only a short time, felt great relief. We have had Doan's Kidney's Pills in the house for many years and as a kidney remedy it is unrivaled. I heartily endorse Doan's Kidney Pills and recommend them at every opportunity."

MOTHER OF EVELYN DEFENDS HERSELF

MRS. HOLMAN ANSWERS ACCUSATIONS MADE DURING THAW TRIAL.

TOLD BY DAUGHTER TO REMAIN SILENT

Says She Had Implicit Confidence in Stanford White and Knew Nothing of Girl's Experience—Love for Her Child Unbroken.

Pittsburg, Pa., April 17.—The Pittsburg Leader Tuesday afternoon printed a six-column copyrighted statement from Mrs. Charles J. Holman, mother of Evelyn Nesbit Thaw, in which she defends herself against the accusations expressed and implied against her during the Thaw trial.

The statement opens by saying that two nights after the night upon which Harry Thaw shot Stanford White she received this telegram from her daughter:

"It is most important for you to say absolutely nothing."

Until now she has remained silent and has been forced to take the defensive because of the attack made upon her by Mr. Delmas in his closing address to the Thaw Jury.

She denies that she aided the district attorney in any way and that she had been seen by Mr. Jerome, Mr. Garvin or Mr. Hartridge.

Mrs. Holman then details her struggle following the death of her first husband, in her efforts to properly raise her two children and says her daughter first posed for an artist named Storm of Philadelphia, Pa., who met Evelyn at Cresson, Pa., a summer resort, when a little girl.

"Florence," she says, "was in love with the stage." She did everything to discourage her, but it was useless.

Says Evelyn Praised White.

The story of Florence's first meeting with Stanford White, she says, is substantially as told by her on the witness stand. When Florence returned, she told her mother she had met the grandest man, and later when Mr. White sent for her she went to his office.

Mr. White, she says, warned her specifically against several young men, with whom Florence had become acquainted, but did not refer to Thaw.

His manner, words and actions were the personification of whole-hearted disinterested generosity, Mrs. Holman says, and if ever a woman reposed implicit confidence in a man, she says she did.

Mrs. Holman then asserts that if Florence underwent the experience that is said to have befallen her, she did not take her into her confidence.

Continuing, she says:

"Had she told me what she told the Thaw Jury, it would not have been necessary for Harry Thaw to kill Stanford White. I would have done it myself."

Cause of Dispute in Europe.

Speaking of the European trip, Mrs. Holman says: "Every detail of the trip was and is a nightmare to me. Mr. Thaw joined us in Paris. Florence and I shared the same apartments. Mr. Thaw had apartments by himself. There was no pleasure in the tour for me. The things which appealed to Florence and Mr. Thaw in Paris did not appeal to me. Florence testified that we quarreled frequently while in Paris, in fact, continually. The disagreements were caused by my protests at visits to various restaurants."

In closing Mrs. Holman says:

"I solemnly affirm that my love for my daughter is as deep and intense as it was when I first held her in my arms a helpless babe. Regardless of all that has transpired, my affection is unaltered. The door of my home is open to her and will swing wide at her slightest tap, to-day, to-morrow, and always while I live."

THAWS ARE TO LEAVE NEW YORK

Only Evelyn Plans Remaining—Question of Bail Discussed.

New York, April 17.—There is much speculation as to who will be Harry K. Thaw's counsel in his next trial, and almost as much as to whether tentative plans to have him released on bail will be successful. It is stated that after District Attorney Jerome returns Wednesday and the question of bail is discussed with him, the entire Thaw family, with the exception of Mrs. Evelyn Nesbit Thaw, will leave New York.

The countess of Yarmouth will sail for England, Mrs. William Thaw will go to Crescent, Pa.; Josiah and his wife will go to Watchkill, R. I., and Mr. and Mrs. George Carnegie will make a tour of the south. Evelyn Nesbit Thaw will continue to live at the Hotel Lorraine.

Black May Be Chief Counsel.

In the unsettled condition of Thaw's counsel it is considered significant that Attorney Daniel O'Reilly, in having the clerk of the criminal branch of the supreme court lock up in the court safe all the exhibits produced at the trial, took a step which would naturally be the part of the attorney of record. This followed a consultation between O'Reilly and the prisoner, and is said to have been done with the prisoner's written authorization.

It is also deemed significant that of all Thaw's counsel only O'Reilly

and A. Russell Peabody have visited him in the Tombs lately.

It is reported, however, that Mrs. William Thaw, the prisoner's mother, is directing the choice of counsel and that she has asked ex-Gov. Black to assume full charge of the defense at his second trial. Then again it is reported that Lionel Adams, a prominent Louisiana lawyer, or William Rand, Jr., ex-assistant district attorney, will take that place.

Jerome to Oppose Allowing Bail.

The matter of bail for Thaw is being held in abeyance by Mr. O'Reilly. He is waiting until District Attorney Jerome returns from Lakeville, Conn.,

Ex-Gov. Frank S. Black.

his country home. They are to talk the subject over, but the district attorney has already said publicly that he will vigorously oppose any effort looking to bail for Thaw. It is probable that, failing of Justice Fitzgerald's consent to release Thaw on bail, the defense will apply to some other supreme court justice in this state.

ALTON FINE HELD VALID.

Rebate Decision Affecting Packers Affirmed—Gourdain Verdict Stands.

Chicago, April 17.—The United States court of appeals, consisting of Judges Grosscup, Baker and Seamon, sustained Tuesday the decision of the lower court against the Chicago & Alton railroad, in which the corporation and its officers were fined \$60,000 for giving rebates to the Schwarzschild & Sulzberger company.

The court of appeals also sustained the verdict against Louis A. Gourdain, by which he was sentenced to four and one-half years in the penitentiary for fraudulent use of the mails. The verdict against John H. Dalton, partner of Gourdain, who had been sentenced the same length of time to the penitentiary, was reversed and Dalton was remanded for a new trial.

The Chicago & Alton railroad was fined \$40,000 and Frederick A. Wana, general freight agent of the road, was fined \$10,000 on the charge of giving rebates. John N. Falthorn, another official of the railroad, was fined \$10,000 on the same charge. The fines must be paid unless the cases are carried to the United States supreme court and decisions reversed.

Gourdain will be forced to go back to Joliet and serve his term. He served four days of the sentence, but was released on a writ of habeas corpus. He made strenuous efforts to get back into the penitentiary, and at one time threatened to build a prison of his own. He is now traveling in the south.

SELL ROOFS FOR FOOD IN CHINA.

Relief Only Afforded to Those Who Have Absolutely Nothing.

Shanghai, China, April 17.—Investigation shows that the plans of the famine-relief committee are working well. There has been no leakage of the funds administered by foreigners. A house-to-house inspection has resulted in 90,000 families, totaling 600,000 famine sufferers, being enrolled by the committee, which is attempting to provide food for them until the harvest. Additions to the list of families will be made only when the funds available justify it. Often the thatch roofs and timbers of houses are sold and families, because they had a table left, have been refused relief and, utterly discouraged, they have committed suicide.

John D. Aids Baptist Missions.

Boston, Mass., April 17.—Announcement was made Tuesday that the American Baptist Missionary union has been assured by John D. Rockefeller that he stands ready to contribute \$200,000 to its needs this year. The first installment of \$125,000 already has been paid. Of the entire sum promised \$125,000 is for general missionary work and \$75,000 is to be used for buildings.

FOR CONGRESS: GERRIT J. DIEKEMA. Republican.

Ask Yourselves This Question

Who is a machine candidate, Mr. Diekema who was nominated by a majority vote of 25,000 people, at the poles in this district

OR

Mr. Hummer who was nominated by a vote of 85 out of 125 ballots cast at a convention? Who is the people's choice?

Should Be a Republican

George P. Hummer, the democratic candidate for congress in the fifth district, will next year be doing his best to assist in the election of a democratic president. Just now he is eulogizing the accomplishments of a republican administration and a republican president. Through such acceptance of what has been done and what is being done through republican effort and republican policy Mr. Hummer hopes to attract favor to himself as the opponent of a republican candidate. The expectation is not logical or sensible. Mr. Hummer could be of on possible value to Michigan or to the fifth congressional district as a democratic congressman at Washington. His presence there would appear as a protest against the very purposes he pretends to favor. For Michigan's sake it is greatly to be desired that a democrat shall not be elected from this district at this time.

That Chief of Police.

Much has been heard and said about the new chief of police to be, as is provided by our new charter. Aye, even wire pulling and petitions in the interests of different candidates are being started, while as yet no police board has been appointed.

The News thinks that the man appointed to this high and responsible office, should not be of the wire pulling petition getting kind. No politics or petitions, long service in different capacities as an officer or his having more pull than others should enter into it what so ever.

Other attributes are required than these. The man appointed to this office should be a man of integrity, of will power, of moral courage, and one that commands the respect of this community. If he has these sterling qualities it goes a great way in making him a good chief. The other requirements very essential, but secondary, are of experience, of stature, of strength, and of presence.

Let your mind travel and see if in our city you can find a man of that caliber. See if you can spy he who has all or most of these qualifications, and if you locate him you will have found an ideal chief of police for Holland.

What Saranac People Think of Diekema.

The nomination of Gerrit J. Diekema by the republicans as the successor to Willam Alden Smith should meet with the hearty approval of every republican in the Fifth district. He is not a stranger to the people of the district as he was born in, and has always been a resident of, the district. During the past twenty years there has not been a campaign in which he has not had part. He is a man whose character is above reproach and a man whose public career is an open book; a man whom to know is to respect. He is one of the best public speakers in the state and is in every way qualified to take up the work where Mr. Smith left it, without any break. He is the man of the hour, the man who will sustain the administration in its great work. He has been successful in every position in which he has been placed. He is a man who believes in the American nation, who has faith and confidence in the people. The present time calls for men in the halls of congress of the highest order of integrity and ability, men who are able to grapple with the many new problems that confront us, and solve them in the interest of all the people. Our personal acquaintances with Mr. Diekema makes it possible for us to assure our readers that he fills the bill in every particular.—Saranac Advance.

Muskegon Wins High School Oratorical Contest.

The Grand Haven Tribune of Saturday gives the following write-up on the high school oratorical contest held in that city:

The most successful oratorical contest ever held in Michigan was that of last Friday evening in the Congregational church in this city, participated in by five high schools of this district. It was successful in every way; successful in enthusiasm successful in the merits of the contest and in the enjoyment and entertainment furnished the hundreds of people present. The high school boys of Grand Haven, Muskegon and Holland vied with each other in their high school yells and made the edifice ring with their cheers and school shouts. The rousing yell of Grand Haven: "Rah! Rah! Rah! Rah! Rah! Rah! Grand Haven High School, Rah! Rah! Rah!" fairly made the building rock and under the leadership of that capable yell master Jay Vyn, it was given with as much vim as at a football contest.

There was one nice feature about the contest and that was the friendliness of the high schools, Grand Haven and Muskegon outnumbered the other schools represented, but during every intermission they gave the Holland, St. Joe and Benton Harbor yells and it must have cheered the hearts of the Benton Harbor and St. Joe contestants for they were here practically alone, right in the enemy's country.

The rah rah boys were ably assisted by the high school girls in enthusiasm making and their cheering was just as vigorous.

High school colors were worn by all the high school students and the picture as one looked over the cheering, enthusiastic mass of young humanity was a pretty one. Grand Haven high school colors prevailed in the decorations of the church and the purple and gold of G. H. H. S. was everywhere.

The young men and women who constitute the student body of the Grand Haven high school at present are surcharged with enthusiasm and school patriotism. They are excellent winners and they are splendid losers and they showed the visitors from four other cities how to entertain properly and to treat all fairly in Friday night's night's contest. The spirit of fair play prevailed at all times.

The contest was presided over by Supt. Bishop of Holland who is chairman of the district oratorical association. He introduced the participants in the contest.

The Rev. Robert Brown of the Presbyterian church opened the program with prayer. Then followed in the order named the following addresses by the by the representatives of the contesting high schools: "The Muckraker," H. Beukema, Muskegon; "Capital Punishment," Kittie McAntee, St. Joe; "Doom of Russian Autocracy," Lew Saretzky, Benton Harbor; "Hope of Our Nation," Grover VerPlanke, Grand Haven; "William of Orange"—Hero of religious Liberty, Ernest Kremers, Holland.

Splendid music was furnished during the intermissions by the Muskegon High School Mandolin Club and the selections were all well received.

Immediately after the program the judges on delivery, Judge Alfred Wolcott, Myron H. Walker and the Rev. John Gordon of Grand Rapids convened and passed notes as to their opinions of the different contestants. The judges on thought and composition had already sent in their report of standings. After about ten minutes intermission taken up by the judges in passing upon the contest, during which time the different high schools passed their yells and rahs, Judge Wolcott arose and announced the result. He stated that in the opinion of the referees Herman Beukema of Muskegon had won the first honors and that Grover Ver Planke, representing Grand Haven, was second best. The announcement was received with deafening cheers and the resounding cheer of Muskegon high school proclaimed the well and fairly earned victory. The judges announced that in their opinion Benton Harbor was third, Holland fourth and St. Joe fifth. Mr. Beukema, the winner, was presented with \$10 and his victory entitles him to represent this district at the state oratorical contest.

All interest of course centered in the result of the main contest. The judges announced that in thought and composition the contestants stood as follows, Holland, Grand Haven, Muskegon, Benton Harbor and St. Joe. In delivery the schools stood as follows: Muskegon, Benton Harbor, Grand Haven, St. Joe and Holland.

The best of feeling prevailed. Victors cheered losers and vice versa and enthusiasm was at high pitch. Muskegon high school, confident of victory, was here nearly 300 and their cheering con-

tinued all the way from church to the three special cars awaiting them at the Pere Marquette depot.

Grover VerPlanke, who represented Grand Haven high school, did himself proud. His subject, "The Hope of Our Nation" he handled cleverly and he was among the very best speakers of the evening. Grand Haven had every reason to feel proud of its representative. "Home" he argued, "is the hope of our nation." Not religion or the church, but home and the home influence. He told of the great Florence Nightingale singing in Madison Square Garden and of how she took her audience by storm when she sang the old melody "Home Sweet Home."

Many in the audience thought the honors should have gone to Lew Saretzky, the Benton Harbor football star, who delivered the oration, "Doom of the Russian Autocracy." He was particularly easy and self possessed and his address was replete with feeling for the down trodden people of Russia. He predicted in a strong closing effort that we are bound to witness the last set of his tragedy in our lives.

Miss McAntee of St. Joe in her oration "Capital Punishment" expressed the belief that humane treatment will lessen crime and spoke for more humane usages.

Mr. Beukema's paper on "The Muckrakers" was strong in delivery and was along the lines advanced by President Roosevelt.

Ernest Kremers of Holland was not strong in delivery but his written paper on "William of Orange" was one of the best prepared of any and the young man showed great intimacy with his subject.

Common Council.

At last night's meeting of the council, the newly elected alderman and the retiring ones were present. Also a large concourse of citizens interested were on hand.

The first thing on the program was the reading of the mayor's message which will be published in detail next week.

The next matter to come up was the saloon bonds and licenses. It was moved by alderman Stephan and seconded by alderman Prakken that the bonds be raised from \$4,000 to \$6,000. This was carried unanimously.

Next it was moved by alderman Prakken and seconded by alderman Stephan that the licenses be raised from \$300 to \$500 a year. First it was thought to compromise on this and make it \$400 on which a vote was taken, for the compromise were aldermen Van Oort, Vander Berg, Cook and Koning; against alderman Stephan, Prakken, Nies, Vissers and Damstra. Then a vote was taken on the original motion to raise it to \$500, all voting yes but Vander Berg.

It was also decided to change the meeting time of both council and the board of public works.

The council will meet in the future on the second and fourth Monday of each month; and the Board of Public Works on the first and third Monday of each month.

The following standing committees were appointed for the fiscal year 1907.

Ways and Means—Prakken, Vissers and Dyke.

Streets and Crosswalks—Dyke, Prakken and Stephan.

Claims and Accounts—Vissers, Nies and Van Oort.

Dan Doyle Insane.

Dan Doyle, one of the highway men sentenced from this city at the last term of the circuit court to ten years in Jackson prison for holding up a traveling man in Holland, is reported insane. He claims he was injured while being taken to Jackson. While in the lavatory in some way he got his head caught in the window and from the injury insanity has resulted. The officers who took Doyle to prison were seen this morning and claim there is no truth what ever in this statement. What form or how serious the trouble is has not been learned.

Notes of Sport.

John Van der Veen and J. B. Mulder won the Gallery trophy at the State Whist contest, played at Hotel Pantlind Friday, and carried home with them an elegant silver cup. This cup will have to be contested for again next year, but the Knights Whist club at least hold it down for one year. Besides capturing the cup, they were each awarded with a beautiful scarf pin.

The Crescent Nine, one of the juvenile ball teams of the city, played the west end juniors last Saturday morning and defeated them by a score of 7 to 4. They also piled up a score of 30 to 15 against the east end juniors. They met defeat only once this year, at the hands of an eighth grade team with a score of 6 to 4. The team challenges any team of boys under 14 years to play one of Saturday morning. The lineup of the Crescent Nine is as follows: Catcher, Harry Van den Berg; pitcher, Ed. Halligan; 1b, Will Bremmer; short stop and manager, George Smith; captain and 2b, Will Kerkhof; 3b, Richard Westrate; 1 f, John Bremmer; c f, Carl Smith; r f, Jacob Zone.

The eighth grade base ball team played the Crescent Juniors early Tuesday evening, the latter being defeated by a score of 18 to 7. The lineup for the eighth grade was as follows: Albert De Haan, catcher and manager; Wm. Gilmore, pitcher; Mayo Hadden, 1 b; Egbert Wilterdink, 2 b; Edward Gierum, 3 b; Harry McFall, ss and captain; Henry Van der Ploeg, 1 b; Beryl Reed, c f; Francis Karr, r f. The eighth grade will challenge any team in the city which has no players over 15 years of age.

The base ball game between the High school and Hope college nines, played at the college campus yesterday, resulted in a victory for the latter, by the score of 8 to 6. Many errors were made on both sides, but considering the odds against them, the High school played a star game. Batteries, Hanson and Te Roller, High school; Rigau, Roggen and Vurink, Hope college.

Saugatuck Busy at her Harbor.

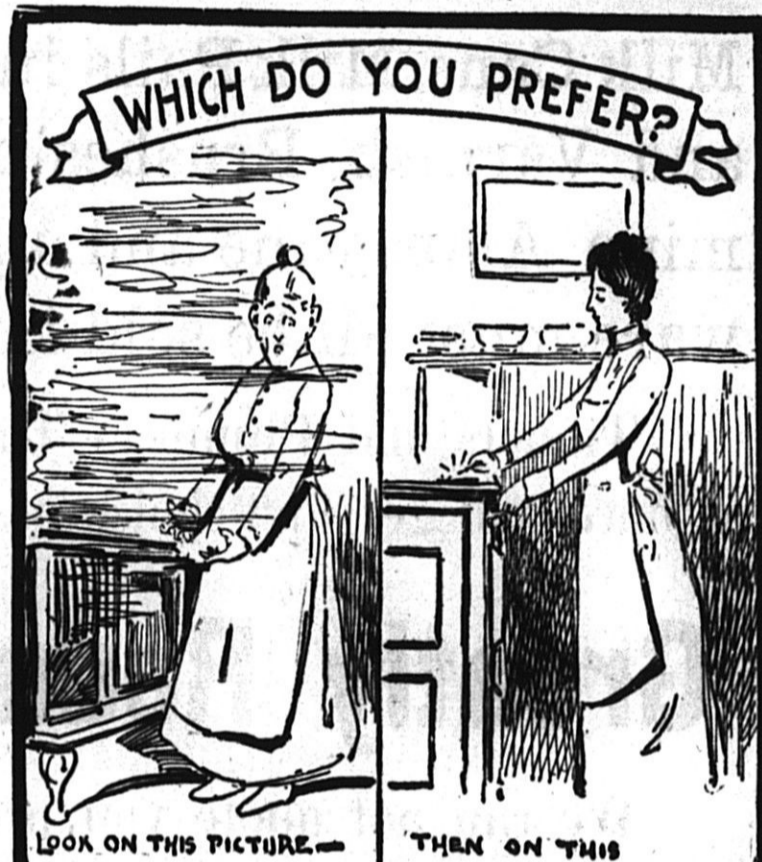

Men have been busy the past number of days surveying preparatory to dredging the harbor and Greiling Bros. of Green Bay has a dredge here to take out about 60,000 yards of sand which is necessary to make the channel 14 feet deep so the dredge Gen. Gillispie can work to good advantage as she cannot do good work in much less water than that but when this government dredge gets ty work the job will be a short one to deepen the channel to 16 feet and Col. Adams, who was in Saugatuck Friday, says she will come up the river and turn around in Lake Kalamazoo and not leave till the channel is 16 feet deep and 90 feet wide all the way.

The \$75,000 appropriated will probably be enough to finish the work in good shape, but if not, more money can be secured easily now.

P. P. Schnorbach has taken the contract for putting in the rest of the rivetments and that work will also be begun soon and not stopped till it is completed. Rivetments will be built, the entire length of the cut and for a short distance up and down the old channel. Probably enough of this work will be finished in plenty of time to let the largest of boats in by the time the resort season is opened.

Hope College News.

An informal reception was tendered Thursday night by the members of the Second Reformed church to John Van Zomerem who recently accepted a call to the pastorate of the church. About 300 persons were present at the church parlors. Mr. Van Zomerem came over for the evening from the Western Theological seminary at Holland, where he is a student in the senior class, and returned again this morning.—Muskegon Chronicle.

Statistics compiled from the Hope college catalogue, just issued, shows that the present enrollment of students is 279. Of this number there are 103 in the college and 147 in the preparatory school. The senior class numbers 19, junior 16, sophomores 23, freshmen 40, 26, B 26, C 44, D 45, specials 11, school of music 57. The students represent the following states: Michigan, Illinois, Iowa, Wisconsin, South Dakota, New Jersey, Ohio, Maryland, Indiana, Minnesota, West Indies and Japan.

The senior class consists of the following: Miss Mae L. Brusse, Holland; Martha C. De Jynge, Zeeland; Benjamin De Young, Chicago; Geo. An event in the history of the Senior class that will long continue to act to its members as a nucleus of happy recollections and fond memories of their college days now almost past, was the banquet last Thursday evening at the President's home on the college campus. Dr. Kollen and daughter Estelle as host and hostess, entertained the Seniors in such a way as only the honored president, with a feeling of kindness and yet with a sense of royalty, can. The banquet lasted for more than three hours, during which time all were seated around the table which was decorated to blend with the occasion. While dinner was served many a happy recollection of college days that have been, were alluded to. Stories and jokes invited the laughter of all present. The banquet over, the host acted as toastmaster, and by way of introduction he said that it appeared to him that as each graduating class of the college left the institution, the best was going away, but this was not the case, as each year was filling up the ranks that were being vacated. The president spoke feelingly of the goodwill of the class and its influence for good upon the

student body. Then he introduced the following in order who responded to toast: George Hankamp, "The Call to College Graduates"; Henry Mollema, "College Graduates, Select Men and Women"; J. A. Roggen, "In College We Know no East or West"; J. M. Slagh, "The Preparatory Department, the Foundation"; Gerrit Van Peursem, "Our Academics, the Feeders of Hope"; C. Muller, "Advertising our College"; J. Van Dyk, "College Development"; Ph. Jonker, "The Future of the Class of 1907." The closing number was the singing of college songs and others suitable to the occasion, without which the program would be incomplete.

Prof. J. M. Van der Meulen of the college and Dr. J. W. Beardslee of the seminary, are confined to their homes on account of illness.

Dr. N. M. Steffens will preach in Muskegon next Sunday.

Both the graduating classes will go to Grand Rapids tomorrow to consult with the photographer's camera.

The base ball spirit, in spite of the cold weather, is coming to life again. Practice is taken daily in order to select the best men for the regular team, which will be put in the best trim to give the best possible results.

Dr. Jonathan Ackerman Coles of New York has made numerous donations to the college museum, among which is a bronze bust of Houdon's Washington, which will be awarded as a prize to the winner in the coming contest. The bust is valued at \$300.

Thus far eight students have enlisted in the contest and this number will likely be increased to 12. The rules governing the contest specify that the subjects of the orations are to be patriotic. These contests will be given every three years.

A. J. Van Houten of the sophomore class is president of the association, and with the presidents of the four college classes comprise the executive board.

TOWNS IN MEXICO RUINED BY QUAKE

CHILPANCINGO AND CHILAPA
ARE DESTROYED BY FURIOUS
SEISMIC SHOCKS.

Death List May Be Large—Eleven
Known Victims at Former City—
Fears for Tixtla—Southern Half of
Republic Shaken.

Chilpancingo, Mexico, April 16.—This city has been completely destroyed by one of the most furious earthquakes that has ever visited this section. Up to this hour the known dead number 11 and the badly injured 27.

Among the dead is the wife of Postal Inspector Leopoldo Lopez Guerra and the child of Jose Aleman, the postmaster of the city. Jose Lopez Martinez, manager of the federal telegraph office, was struck on the head by a block of stone and badly injured.

The utmost panic prevails everywhere and people are fleeing to the open country. The earth continues to rock at half-hour intervals and many minor shocks are completing the work of destruction of the first earthquake.

Another Town Destroyed.
All telegraph communication with the outside world ceased shortly after 11:30 o'clock Sunday night when the first shock was felt. The telegraph operators have installed temporary quarters in an open square and are working with the sky as a roof.

Word has reached here that the town of Chilapa, 42 kilometers to the northeastward, has also been destroyed. As yet no details have been received as to the number of the dead and wounded, but it is feared that the number will be large.

Suffered Four Years Ago.
This city is the capital of the state of Guerrero and four years ago was visited by an earthquake which killed and wounded many of its inhabitants and destroyed a large part of the town. The population of the town is 7,498 and until the panic into which the citizens have been thrown abates it will be impossible to state accurately to just what extent the recent earthquake has decreased it.

The population of the City of Chilapa is 15,000 and that place is the home of the bishop of the Catholic church who administers to the ecclesiastical affairs of the entire region. No word has been received from the bishop's palace and it is not known at this time whether or not he was a victim of the shock.

Fears for Tixtla.
Midway between the cities of Chilpancingo and Chilapa is located the city of Tixtla. This is a prosperous and progressive community and as no word has been received from that place, it is feared that it also has been destroyed. According to the movements of the earthquake, Tixtla would be in its direct line, and if the city has escaped, it has been only by a miracle.

All communication with the west coast has been cut off since the moment of the first big shock and it is not known to what extent that region suffered. The nearest big town, Acapulco, which is 131 kilometers to the southwest of this place has not been heard from.

Death List May Be Large.
City of Mexico, April 16.—Word from the center of the great destruction of the earthquake Sunday night was first given to this capital after repeated trials made during Sunday night and Monday morning to establish communication with the stricken districts. As yet wires to the section are working badly and no exact estimate of the number of the dead has been received. It is believed, however, that the total death list will be large.

There were no deaths in Mexico City and beyond damaged plaster and cracked and fallen walls, the property loss will be insignificant. Owing to the long duration of the shock this is considered most remarkable and is only accounted for by the peculiar well-like motion of the earthquake, which was regular and from east to west.

From messages received at the telegraph office here it appears that the southern half of the republic, including the lower country and the "Mesas" belt felt the shock of Sunday night.

Report of 500 Dead.
The Banco Nacional (National Bank of Mexico) has received a telegram saying that 500 lives were lost in the destruction of Chilpancingo and Chilapa. The telegram adds that both cities were completely destroyed. In governmental circles the report is not credited. It is admitted that both cities were leveled to the ground, but it is not thought that the death list will even approximate 500 owing to the fact that the houses are massive affairs built of stone in order to resist earthquake shocks.

Andean Peaks Spout Fire.
Buenos Ayres, April 16.—Eruptions are in progress among the Andean volcanoes in the territory of Rio Negro. Ashes are being thrown for a great distance.

Gives \$20,000 to French Academy.
Paris, April 16.—Capt. Carnot, son of the former president, has given \$20,000 to the French academy to be added to the Carnot fund for widows of workmen who have been left with families.

TAFT LANDS AT SAN JUAN

SECRETARY OF WAR CORDIALLY RECEIVED BY PORTO RICANS.

Met by Gov. Beekman Winthrop and Secretary Post and Escorted to the Palace.

San Juan, Porto Rico, April 15.—Secretary of War Taft and his party arrived at noon Sunday on the government yacht Mayflower. Gov. Beekman Winthrop and the secretary of Porto Rico, Regis Post, went aboard to greet the secretary.

The yacht was taken to the naval station landing, where it was met by the naval officers here.

After formal exercises, Secretary Taft was escorted by a battalion of marines to the city entrance, where Lieut. Col. Bailey, of the Porto Rican regiment, and staff awaited him. Under escort of the regiment the secretary, who was in a carriage with Gov. Winthrop, was driven to the palace, where, from the balcony, he reviewed the troops. After the review an informal reception was held and prominent citizens called on the secretary.

Mr. Taft is the sixth cabinet officer to visit the island since it was occupied by the Americans, Messrs. Alger, Payne, Moody, Root and Metcalf preceding him.

The announcement that the Mayflower had been sighted was the signal for the gathering of thousands and soon the streets surrounding the naval station were filled with eager spectators. Secretary Taft's reception by the Porto Ricans was cordial.

JAMES H. ECKELS IS DEAD.

Chicago Bank President and Former Comptroller of Currency.

Chicago, April 15.—James H. Eckels, president of the Commercial National bank and one of Chicago's leading citizens, was found dead in bed at his residence Sunday morning. Death was due to heart disease. Mr. Eckels was comptroller of the currency during Grover Cleveland's second administration.

Princeton, N. J., April 15.—Former President Cleveland was deeply touched when he learned of the death of Mr. Eckels. He said: "I was closely related to Mr. Eckels and his death comes to me with a peculiar shock. In important public work I learned to know how intelligently and industriously he devoted himself to duty, and in the intimacy of close friendship I learned to know and appreciate his rare and attractive qualities of heart. Mr. Eckels illustrated the traits that make the best American citizenship. Deeply interested in every question connected with the public welfare, he studied them with soberness in the end that he might increase his usefulness. He was a public-spirited man who saw duty all about him, and whose influence was impressed on all his surroundings for good. Neither the immediate community in which he dwelt nor the country at large could well afford to lose a man like James H. Eckels."

Dr. L. Griffin: I know you t in all you assert in your pamphlet relative to the prevailing treatment of piles with ergot, lead, cocaine, mercury or any narcotic poison. Yours, etc., A. W. Wilson, M. D., 138 West Madison St. Chicago. Prof. Wilson is one of the faculty and a trustee of the leading medical college of Chicago.

SHOT TO DEATH BY BURGLAR.

Wealthy Real Estate Dealer of New York Murdered.

New York, April 15.—George Shambacher, a wealthy real estate dealer 56 years of age, was shot and mortally wounded while in the dining-room of his home in East Forty-fourth street early Sunday. His family believe that a burglar, surprised by Shambacher, shot him.

Mrs. Shambacher told the police that she and her son, Herman, were awakened by a pistol shot and they hurried to the dining-room in time to see Shambacher stagger across the floor and fall. The wounded man cried out: "I've been shot," and pointed to an open window. He then lapsed into unconsciousness and within a few hours died.

THAW'S DEFENSE UNCHANGED.

O'Reilly Says It Will Be Insanity at Second Trial.

New York, April 16.—"If another trial is held it has been agreed that the same line of defense as that used in the first trial will be followed. Evelyn Thaw will tell her story again, but her testimony will be greatly strengthened by documentary evidence that was not used before."

This is the statement credited to Lawyer Dan O'Reilly of Harry K. Thaw's counsel Monday night.

After a later consultation with Thaw, O'Reilly said the defense at the second trial of White's slayer will be insanity of the defendant at the time of the shooting of White.

OIL TRUST FOUND GUILTY

STANDARD COMPANY CONVICTED OF ACCEPTING REBATES.

Maximum Penalty for Offense is \$29,260,000—Defense Plans Legal Battle.

Chicago, April 16.—The Standard Oil company has been found guilty of accepting rebates from railroads on its shipments from Whiting, Ind., in 1903, by a jury which returned its verdict in Judge Landis' court. Lawyers for the defeated corporation are busy perfecting plans for a legal battle that is to be ended only by the verdict of the United States supreme court.

Minimum fines amounting to \$1,463,000 and a maximum of \$29,260,000 can be imposed by Judge Landis, and the struggle within a few days will be for a new trial, and in case of an adverse ruling on this point attempts will be made to reduce the fine.

The point made by attorneys John S. Miller, Moritz Rosenthal and Virgil P. Kline for the defense is that in accepting the secret rebate on its shipments of 1,463 cars the company committed only one violation, and that it can be fined only \$20,000, the maximum for single offenses against the Elkins law. The government will contend that each of the 1,463 shipments constitute a violation, and that the payment of a \$20,000 fine would not be commensurate with the offense, which netted the Standard a saving of \$223,000 on the shipments.

This is the first time the Standard Oil company has been convicted on the charge of accepting rebates and congratulations have been pouring in on District Attorney Edwin W. Sims for his victory, which came at the end of five months' hard work preceding the trial, which has lasted 36 days. Assistant District Attorneys Wilkerson and Parkin, who have worked in and out of court with Mr. Sims, are sharing the tribute to their leader.

The charges involving shipments from Whiting, Ind., to East St. Louis, Ill., on which the legal rate was 18 cents, the Standard rate being six cents, and shipments to St. Louis at 17½ cents, while the legal rate was 19½ cents. Even more indictments are pending against the corporation.

STEAMER PAHLOW IS WRECKED.

On Rocks Near Sturgeon Bay, and Consort in Danger.

Sturgeon Bay, Wis., April 16.—The steamer Louis Pahlow ran on the rocks at Clay Banks, six miles south of here, during a blinding snowstorm Monday afternoon, and is fast pounding to pieces. Her consort, the Delta, managed to anchor near the wrecked steamer and may be saved. The crews have been taken off by the life savers of this port and are safe.

The Pahlow and the Delta belong to the fleet of the Hines Lumber company of Chicago, and were north-bound light. They left Chicago Sunday, and Monday encountered a fierce snowstorm from the southeast. During the storm the steamer got off its course and ran hard on the rocks at Clay Banks.

St. Paul, Minn., April 16.—Running at a speed of 40 miles an hour on a straight track, the Great Northern west-bound Oriental Limited, which left here for Pacific coast points Sunday morning, was derailed at 1:15 Monday morning at Bartlett, N. D. Five persons were killed and a score or more injured, some of them seriously.

WORKERS FOR PEACE OPEN A CONFERENCE

DISTINGUISHED MEN ADDRESS THE FIRST SESSIONS IN NEW YORK.

Letter from President Read — He Urges Endeavor Along Practical Lines—Root Not Optimistic About The Hague—Kaiser Praised.

New York, April 16.—Warned by President Roosevelt and Secretary of State Elihu Root that if success is to crown the efforts of those who are working for peace among the nations of the world, their endeavor must be along practical lines, that they must not, by insisting upon the impossible, put off the day when the possible can be accomplished, the National Arbitration and Peace conference, which is meeting in this city under the presidency of Andrew Carnegie, began Monday its real activities with two crowded sessions in Carnegie hall.

Secretary Root also took occasion in his speech to point out the propositions which the United States government will have to make at the coming conference at The Hague. He warned his hearers not to expect too much at this second conference. The president, in a letter to the congress, expressed the hope that the coming conference might result in the adoption of an international arbitration treaty. Secretary Root, after seconding this hope, declared the United States thought it proper to urge again the discussion of the subject of the limitation of armament of the nations on land and sea, and the abolition of the practice of using force in the collection of debts owed by one nation to the citizens of another.

Carnegie on the Kaiser.

Mr. Carnegie, in an address to the congress, paid a tribute to President Roosevelt and expressed the wish that Mr. Roosevelt might be the peace-maker of the future. He declared, however, that Emperor William is the man, among all men, who holds the peace of the nations in his power. In this connection Mr. Carnegie said it was unjust to speak of the emperor as a menace to the peace of Europe, adding that in 20 years upon the throne the German ruler had split no blood, nor caused an international war.

At the afternoon session the speakers were Secretary Root, Gov. Charles E. Hughes of New York, Mayor George B. McClellan of New York city, and Mr. Carnegie.

It was at the afternoon session also that the letter from President Roosevelt was presented and read. Monday night the speakers included Baron d'Estournelles de Constant, member of the French senate and head of the International Conciliation committee, and Secretary Oscar S. Straus of the department of commerce and labor, who spoke upon "The Peace of Nations and Peace Within Nations." Mr. Straus also spoke of the Nobel peace prize which last year was conferred by the Norwegian storting upon President Roosevelt. The people throughout the world, the secretary declared, applauding approved the selection.

Urges Practical Efforts.

President Roosevelt in his letter to the congress urged that its efforts be devoted to the practical side of the question it had undertaken to discuss.

"An impassioned oration about peace," he declared, "which includes an impassioned demand for something which the man who makes the demand either knows or ought to know cannot, as a matter of fact, be done, represents not gain, but loss, for the cause of peace; for even the noblest cause is marred by advocacy which is either insincere or foolish."

The president closed by stating that he hoped to see at the coming conference at The Hague a general arbitration treaty among the nations adopted and The Hague court greatly increased in power and permanency, the judges in particular being made permanent and given adequate salaries.

Warnings by Mr. Root.

Secretary Root, speaking partly in behalf of the president, dwelt upon the hope that The Hague conference would see another long step toward the attainment of international arbitration. He added a few words of warning concerning anticipations of what this second peace conference is to do, and told his hearers not to expect too much from it.

He declared that the government of the United States has been of the opinion that the possibility of an agreement as to the limitation of armed forces by land and sea and of war budgets ought to be further considered and discussed at the coming Hague conference.

"There are serious difficulties," added the secretary, "in formulating any definite proposal which would not be objectionable to some of the powers, and upon the question whether any specific proposal is unfair and injurious to its interests each power must be, and is, entitled to be, its own judge. Nevertheless the effort can be made; it may fail in this conference as it did in the first, but even if it fails one more step will have been taken toward ultimate success."

Mr. Carnegie, in his address, took a decidedly more optimistic view of the immediate outlook for universal peace.

John Meeuwse of New Holland and well known in Holland, had an experience on the first of the month which he will not soon forget. He hitched up his horse for the purpose of driving to the polls and depositing his vote for Mr. Ferris. Arriving, he hitched his nag. Full of politics, John and some of his friends started to talk politics. After a good deal of discussion he unhitched his horse, jumped into his runabout and drove home. When his wife asked him if he had safely put in his vote for Ferris, John replied, "Let me see—I think—well now, that beats everything—I forgot to vote, and it's too late now, the polls close at five."

In the near future games will be played with the MacLaughlin Business University, Olivet, Muskegon and several other prominent schools. Captain Dykstra is strenuously drilling his men for the opening struggle. The following lineup has been arranged: catcher, Henry Vruink; pitcher, Adolph Rigaud; first, John Dykstra; second, Manley Stegeman; third, J. M. Slaght; short, Henry Rotschafer; left field, A. Veenker; center, H. VanZoeren; right field, J. A. Roggen.

Rev. E. J. Blekkink, pastor of the Third Reformed church in this city, was nominated for the fourth professor to occupy the choir of practical theological in the Western Theological seminary at a session of the classis of Michigan, which convened in Kalamazoo recently. Mr. Blekkink was a member of that body until his transfer to the Holland classis two years ago. Nominations thus far made by different classis are: Holland, Grand River, Wisconsin and Pella, the Rev. Dr. James F. Zwemer of this city; classis of Illinois, the Rev. Matthew Kolyn, pastor of the Second Reformed church in Grand Rapids. The selection will be made at the next session of the general synod, which convenes at Albany, N. Y., next June.

Akerman J. Edgar Lee will probably give notice at the next meeting of the city council of the introduction of an ordinance increasing the city license of local liquor dealers to \$150. The city license at the present time is \$50. When this license went into effect some years ago there was a protest made by the saloon men but it soon subsided. Many cities about the state have a much higher city license. In Holland the liquor dealers are required to pay a city license of \$300. In Cadillac it is as high as \$1000. Many cities have a license of from \$100 to \$500. It is contended that city expenses are much greater now than in years past and that steps must be taken to bring in more revenue to the town's coffers.—Grand Haven Tribune.

The last meal has been served and the last guest entertained at the Cutler House. The hotel which for years was Grand Haven's only first class hotel, closed its doors Friday night and Grand Haven loses the Cutler House. The famous old hotel will be at once turned at once turned over to its owner and Dwight Cutler will within a few days commence the work of converting the hotel into a business block. The present lessee, Ed. Penoyer, filed a petition in voluntary bankruptcy in Grand Rapids before the U. S. court there. Mr. Penoyer's liabilities are said to be about \$10,000 and his assets are \$2,900.

Mrs. Archie Hyde, with her 3 children, 2 and 3 years old, have been penniless and without food since the mysterious disappearance of her husband about four weeks ago. Hyde had been employed at the Bush & Lane piano factory and nothing has been heard from him since March 23. Mrs. Hyde believes that her husband took the Graham & Morton steamer for Chicago and that he either committed suicide by jumping overboard in midlake or that he has since entered an insane asylum. The family recently came here from Oceana county.

Charles Lyons, charged with assault and battery, less than the crime of murder, appeared in Justice McBride's court in Holland Tuesday. Martin Bazon, Lyons' victim, declared that he was too weak to tell his story because of the knife wounds in his back giving him a great deal of pain and upon this showing the case was put over until next Tuesday. Lyons and Bazon wanted to effect a settlement of the case. They have buried their animosity and want the affair settled now. It is given out that one of Lyons' bondsmen has offered to pay \$150 if he would drop the proceedings. When the matter was laid before Prosecuting Attorney Coburn he promptly announced that there would be no squelching of the proceedings as it would simply mean compounding a felony.

All From Grand Rapids.

Every man who has been elected to represent the Fifth district in congress during the past twenty-five years has been a resident of Grand Rapids. They have had a sort of congressional trust down there in which they seemed to think that Ionia and Ottawa counties had no right to representation. But Ionia and Ottawa counties are in the Fifth district, according to the maps and the record. George W. Webster was the last congressman to represent the district who did not come from Kent county. That was in 1880-82—so long ago that it has almost gone from the memory of men still living. Kent has the United States district judge, the United States senator one justice of the state supreme court and a lot of other offices. This argument alone ought to influence every voter to cast a ballot for Mr. Diekema.—Gen. J. H. Kidd in the Ionia Sentinel.

State Law Provides for Trees

Michigan has a law which provides that the highway commissioner may require twenty-five of each person's highway tax to be paid in money to be used to plant and care for trees along the roadside. Also, that any person may require 25 cents for each tree planted along the highway, provided that sum be not more than 25 per cent of his highway tax. Also that each township commissioner may himself plant 50 trees this year, 50 next year and so on until all the roads in the township are planted. The law further provides that any person bringing to the roadside a living stream for the use of man and beast shall receive \$10 for the first year's work, and \$5 for each year that it is kept in order. If these commissioners had done their duty for the past 10 years, what a Michigan we might have today. And if we do our duty what a state we may have in the next ten years.
