## ONE BUILDING PERMIT TURNED DOWN BY COUNCIL

TWELFTH STREET RESIDENTS  
OBJECT TO REMODELING  
BURNED BUILDING

The Common Council objected to the granting of a permit to C. Breen, 72 West 12th street, who had started to remodel a building that had recently been damaged by fire.

Property owners on both sides of the street objected to the reconstruction and used the city ordinance to stop it.

There seemed to be some misunderstanding relative to the reconstruction of the damaged building, Chief Blom stating that Breen had told him that he would take down the burned building and build a new one after being so advised by the chief.

Mr. Breen, it seems, however contemplated to rebuild the damaged building which is proving an eye sore to immediate neighborhood, ten of whom sent in a remonstrance against the going ahead of the project.

## SILVER MEDAL CONTEST IS TO BE HELD THEN

AUDIENCE TO BE JUDGES IN THE  
CONTEST NEXT FRIDAY  
NIGHT

A silver medal contest for the Jubilee Fund of the National W. C. T. U. the proceeds to be used for Child's Welfare, Americanization, and World Prohibition—is to be held in the high school Friday at 7:30 o'clock.

The medal will be awarded by the audience, each person with a ticket, that costs 15 cents, is entitled to a vote. Bring your lead pencil. The contestants represent different organizations in the city and there is much good-natured rivalry among friends of the speakers.

The following program will be given:  
Piano solo.....Miss Wamshuis  
"Our Responsibility as a Nation"  
Raymond Zwemer, Hope

"The Silver Cup".....Cornelia Nettinga,  
Third Church

Vocal Solo.....Miss Bloemendaal  
"The National Flag".....Jacob Pilon  
High School

"Pro Patria".....Ruth Hyma  
Trinity Church

"Democracy".....Russell Haight  
M. E. Church

Violin Solo.....Miss Ruth Keppel

"The Convicts Violin".....Wilma VandeBunte, 1st Church

"The Man Without a Country".....John Alberts, At-Large

The ladies quartet will entertain while the votes are being counted, after which medal will be presented.

## DECIDING ON AMOUNT IS VERY EASY

There should not be the slightest difficulty next Monday, which is Volunteer Day in Holland and southern Ottawa, for any citizen to arrive at the figure that he should subscribe in the Victory Loan. The problem has never been easier than it will be this time. In previous loans there was sometimes considerable figuring to be done by persons who wished to be absolutely conscientious about subscribing their just percentage of the money to be raised for the government locally. But this time the problem is so simple that any child can figure it out.

Roughly speaking the average person's income today is about what it was last fall when the last loan before this one was floated. At that time every one was asked to figure out his share on a four per cent basis, and the result of the loan showed that in the main people had done just that, and had interpreted "four per cent" quite liberally so that there was a considerable oversubscription. So all the head work has been done. All that is necessary for anyone is to look up his receipt of last time, deduct one fourth from that amount, and subscribe that sum bright and early Monday morning, and there is nothing further to be done.

There will be exceptions to this simple rule. Some may have a larger income than they had at that time; some may be drawing less pay. But these cases are so comparatively rare that they will not affect the general rule.

If every citizen will be conscientious about it, Holland and southern Ottawa will have no trouble in raising the full quota the first day. Now that everybody knows the exact amount he will be asked to subscribe, all can give their attention to making sure that they subscribe the first day of the campaign.

Ann Vander Bie entertained some of her friends Tuesday afternoon at her home 265 West 12th street. Those present were: Henrietta Vander Bie, Louise De Kraker, Peter De Kraker, Ella Thomson, Mildred Marble, Hazel Schuurman, Jeanette Karsten, Lillian Stekete, Robert Notier, George Lage, Margaret Verwey, Herman Black, Laritta Marble, Ethel Brekel, Ruth Dykstra, Dorothy Van Anrooy, Ruth Ver Schure, Julia De Kraker, Helen Zaidewind.

CHOICE SEED POTATOES—Early Ohio and Rural New Yorkers. W. Wassenaar, 180 River Ave. 35-24

## BROWNWALL CO. TO BUILD A FOUNDRY

COMMON COUNCIL GRANTS A  
BUILDING PERMIT IN FACE OF  
REMONSTRANCE

Company Secured New Site (After First One Was Turned Down)

Holland is to have a \$12000 foundry. This was made sure after the Common Council last evening granted the Brownwall Engine Company a permit to build. Two weeks ago the company asked for a permit to build on another site but the signature of a majority of the adjoining property holders could not be secured and for that reason the common council turned down the first permit, thus complying with the building ordinance.

Wm. Arendshorst, manager, and the other stockholders of the concern got busy and purchased another site, less objectionable and the company brot in a request for a permit, signed by five of the nearest neighbors, among them being Gerard Cook who objected before when the other site was proposed.

No sooner did a man by the name of Bredeweg hear that a permit was being asked for when he got up a petition remonstrating against the building of the foundry, and last evening there were two sets of petitions each containing five names, one for allowing the building of the foundry and the other objecting.

The common council believing that the foundry will not alone add another industry to the city but will put on its feet a struggling concern, granted the permit, considering that by so doing they were following a policy of "the greatest good to the greatest number."

The Brownwall Engine Co. has been put to considerable additional expense in acquiring the new location, but by putting in the new foundry the company is assured a large contract from one concern alone that will keep the plant busy for some time to come.

A large number of employees will be added to the pay role in both the factory proper and the foundry when the latter is completed, and the common council by their action have shown a progressive spirit which means progress for Holland. The city fathers were unanimous in their decision, all voting yes.

## HOSPITAL TO BE REGULATED BY AN ORDINANCE

TEMPORARY HOSPITAL BOARD IS  
APPOINTED BY COMMON  
COUNCIL

Made Necessary (When Institution Was Turned Over to the City)

In a resolution passed by the Common Council it was decided to draft an ordinance regulating the running of the Holland hospital recently acquired by the city. The resolution is self-explanatory and follows below:

Whereas the Holland Hospital Association has in accordance with previous resolutions adopted by the Council transferred to the City of Holland its Hospital property and has made, executed and delivered a deed thereof to the city of Holland, and

Whereas no ordinance providing for the government and management of the hospital has as yet been passed and approved,

Therefore Resolved that the Council hereby appoint the following named persons as a temporary Hospital Board for the purpose of managing the affairs of said Hospital, until a permanent Board is appointed under the provisions of an ordinance, as follows:

The Mayor of the City, the City Attorney, Charles M. McLean, Isaac Mar-silje, Mrs. Frances E. Browning, Mrs. Louise M. Thuber, and Gerrit J. Diekema, and

Be It Further Resolved that all moneys received from the operation of said hospital be deposited by said board in the Treasury of the City of Holland and that the President and secretary of said Board be authorized to o. k. all bills against said hospital and that the Mayor and City Clerk be authorized and directed to draw warrants upon the Treasury for the payments of bills so approved.

Ann Vander Bie entertained some of her friends Tuesday afternoon at her home 265 West 12th street. Those present were: Henrietta Vander Bie, Louise De Kraker, Peter De Kraker, Ella Thomson, Mildred Marble, Hazel Schuurman, Jeanette Karsten, Lillian Stekete, Robert Notier, George Lage, Margaret Verwey, Herman Black, Laritta Marble, Ethel Brekel, Ruth Dykstra, Dorothy Van Anrooy, Ruth Ver Schure, Julia De Kraker, Helen Zaidewind.

## A \$3,000 BAKERY FOR HOLLAND

ALD. FRANK BRIEVE IS GRANTED  
A PERMIT TO BUILD NEW  
PLANT

Here is some more Holland developments. Alderman Frank Brieve asked for a permit to build a new \$3,000 bakery at 60 West 1st street.

This winter the present bakery was considerably damaged by fire and the "Cooky King," of the Second Ward has been baking his sweets as best he could with what was left of the bakery.

Now however the alderman together with others also got the reconstruction fever and has applied and did receive a permit to build a \$3,000 building that will bring to Holland one of the most up-to-date bakeries in Ottawa county.

New ovens have already been purchased and building on the bake shop will begin within a few days. The aldermen were unanimous in granting their fellow-alderman a permit.

## PERMIT SYSTEM SHOWS HOLLAND'S DEVELOPMENT

A Brick Bush Started in February And Is Still Continuing

This paper has from time to time printed a list of new developments in the building line in Holland. Some were started, some were contemplated.

Permits for a great many building projects that are certain have not yet been taken out. However, the new ordinance compels a builder to get out a permit and have it passed on by the common council, no matter what the building or alteration may be.

Whether you build a \$100,000 factory building or a fair sized hen-coop makes no difference. A permit must first be secured before the project can go ahead.

The permit book at the city clerk's office reveals that not alone are there a great many large buildings under construction, but scores of small improvements, such as the building of garages, and alterations of homes are going on. This means a great deal of work for carpenters, masons, and common laborers, besides being a boon to the manufacturer who sells lumber.

These tradesmen have been having slender picking during the war, as the permit book also shows, but they are having their inning now, and if Holland's newly found prosperity is any indication the innings will go over the usual nine, as in baseball, and the game will be prolonged for some time to come which we all hope.

The book also shows that from January 4, 1919 up to the present day the following building projects are underway, are contemplated or are completed. At least applications have been made and permits have been granted to go ahead.

George De Witt, East 17th street, dwelling, cost \$3,100.

Seventh Day Adventists, church on East 13th street—cost \$6,000.

R. Van Dyke, dwelling, No. 1 River Avenue—cost, \$225.00.

Brownwall Engine & Pulley Works, foundry on W. 4th street, cost \$12,000.

August Karsen, dwelling at 169 E. 18th street, cost \$80.00.

Bush & Lane Piano Co., manufacturing building, on East 24th St., cost, \$90,000.

Bernard Kammeraad, dwelling, on W. 22nd street, cost \$1,350.

Cornelius Breen, dwelling, at 74 W. 12th street, cost \$1,300.

Holland Canning Co., canning factory, on 4th street, cost \$10,000.

Chas. P. Limbert Co., dry room, on Sixth street, cost \$350.

Western Machine Tool Works, garage, between 8th and 9th streets, cost \$250.

Grant Williams, porch at 256 West 9th street, cost \$200.

P. S. Boter & Co., store at 14 West 8th street, cost \$15,000.

Mrs. Louise Thuber, garage, 311 River Avenue, cost \$200.

Dr. H. J. Poppen, dwelling, 40 West 16th street, cost \$2,500.

A. C. Keppel, garage at 85 East 10th street, cost \$300.

De Free Chemical Co., addition to building, on Sixth street, cost \$50,000.

Charles Dykstra, garage at 564 College Avenue, cost \$175.

P. J. Bontekoe, dwelling on W. 18th street, cost \$2,000.

H. P. Zwemer, garage at 279-281 E. 8th street, cost \$5,000.

George DeWeerd, dwelling at 176 E. 14th street, cost \$250.00.

David De Hoop, dwelling, cost \$2,000.

C. Pieper & Son, Jewelry store on West 8th street, cost \$10,000.

F. Brieve, bakery, at 60 West 1st street, cost \$3000.

Peter Brieve, dwelling, at 52 W. 1st street, cost \$400.00.

The total of these building projects which do not comprise one half of the building that is contemplated and in sight, amounts to \$216,690.00.

## MAYOR MAKES NEW ALDERMANIC APPOINTMENTS

TWO NEW ALDERMEN TOOK  
THEIR SEATS LAST  
EVENING

Very Little Interest Taken By the  
Public In First Meeting of  
the Year

Last evening was a sort of a New Year's Night at the Common Council Chambers namely the going out of the old and the coming in of the new. It is doubtful however, if at any time in the city's history so little stir was created as in the change of city fathers this year. This can largely be attributed to the fact that there was no change in mayors and only two changes taking place in the aldermanic body and in neither of these two was there any contest on. For that reason the personnel of the council remained practically the same.

The only changes are Nicholas Kammeraad who takes the place of Alderman Congleton, who has served the city faithfully for several years, and who refused to take the office again. Mr. Kammeraad is not a new face in the city council, he having served his ward and city repeatedly in the same capacity.

Herman VandenBrink who takes the seat of Alderman Drinkwater, will be the only new face in the council chambers. Altho Herman has dwelled in the city hall for several years as custodian of the strong box, last evening was his first appearance as an alderman of the city of Holland.

One unique feature of the meeting last evening was the fact that Mayor Bosch did not have a message. The mayor does not believe in these stereotyped documents, a greater part of which never comes to pass, and the balance pertaining to those things that have been accomplished and which everybody knows about.

The mayor intends to give messages during the year as vital questions present themselves, making them more timely and especially when they are needed.

Possibly one of the reasons why the usually large audience was lacking was the fact that all the aldermanic elections were made in the first part of March, and for the first time in the history of this city there was no April election, and the whole matter has gotten to be quite an old story by this time.

The mayor last evening among other things appointed his standing committees for the fiscal year and they are as follows:

Committee on Ways and Means—Prins, Vander List, Wiersema.

Committee on Streets and Crosswalks—Blue, Dykstra, and Dobben.

Committee on Claims and Accounts—Lawrence, Vander List, and Blue.

Committee on Poon—Brieve, Brink, De Vries.

Committee on Public Buildings and Property—Dobben, Vanden Brink and DeVries.

Committee on Public Lighting—Brink, Dobben and De Vries.

Committee on Sewers, Drains and Water Course—De Vries, Blue, Vanden Brink.

Committee on Sidewalks—Dykstra, Kammeraad, Blue.

Committee on Licenses—VanderList, Brieve and Dykstra.

Committee on Bridges and Culverts—Kammeraad, Vanden Brink, Brink.

Committee on Ordinances—Wiersema, Lawrence, Kammeraad.

**HOLLAND TOWN ASKS  
FOR LIGHT FROM CITY**

WANTS ONE NORTH OF BRIDGE  
AND ACROSS FROM THE  
TOWNHOUSE

Holland township at the March election voted in favor of having the city place two lights in the township one to be stationed just north of the Grand Haven bridge which is positively a dangerous corner and is as important to the city as it is to the township. It was also decided at the recent election in the township to have a light placed near the townhouse as this building is frequently used nights and the immediate vicinity should be lighted.

There seems to be a little misunderstanding as to the putting in and maintenance of the light.

These minor difficulties can however be straightened out by the council committee and no doubt the lights will soon be placed.

Holland township is unanimous relative to the putting in of these lights as the vote stood 72 for and none against.

**Are You Going to Travel?**

Fine quality traveling bags and suit cases from \$1.90 to \$3.75. These prices are 20 to 30% below today's market values. You'll save from 40 to 90 cents on a bag, or suit case. Come in and see them. A. Pieters 5 and 10 cent store and bazaar, East 8th St., Corner Central avenue.

## DRENTHE

A miscellaneous shower was given by the Misses Hattie and Ruth Lanning last Friday afternoon in honor of Mary Nagelkerk who became the bride of Benjamin Lanning this week Thursday. Many useful gifts were received consisting mostly of china, aluminum ware, and fancy work. Those present were the Misses Minnie Nyenhuis, Gertrude De Kleine, Lizzie Van Hattuma, Lizzie De Kleine, Helen Kamps, Mrs. W. Pidding, Mrs. G. De Vries, Mrs. A. H. Lanning, Mary and Mandy Ver Hulst, Margaret DeVries, Myrtle Brouwer, Jennie and Ella A. Lanning and Bertha Ter Haar. The afternoon was spent in playing games and musical pieces by three pianists after which a delicious lunch was served.

Mrs. H. Van Spyker from Graafschap is spending a short time at the home of Mrs. Minnie Hunderman, waiting for her husband's return home who recently arrived in New York from overseas.

Simon Wierda from Zeeland visited at the home of C. Ver Hulst one day the past week.

Corp Joe Mast has returned home from France and spent the first Sunday with his parents here.

John Ter Haar was taken ill with influenza the past week.

Miss Ada Ter Haar from Hamilton is spending a few days with relatives here.

Rennie Brandt is employed by the Colonial Mfg. Co. in Zeeland.

Mr. and Mrs. Art Gangugue from Grand Rapids spent Sunday evening at the home of E. K. Lanning.

John J. Brouwer from Oakland has returned to Ann Arbor to resume his studies after one week's spring vacation with his parents.

Last Monday E. Van Spyker was called to Grand Rapids on account of the sudden death of his son-in-law, Harry DeVries, who was ill but a very short time.

The Young Men's Bible Class of the Drenthe Chr. Ref. church held their second annual social gathering at the chapel last Wednesday evening conducted by George W. De Vries, their instructor. Members, parents, and friends participated in the interesting program given by the young men. Refreshments were served and all departed with a pleasant countenance.

Missionary De Kornekar from Grand Rapids conducted the services here last Sunday afternoon in regard to the Mission field in foreign countries where he expects to preach the gospel.

The Red Cross members held their last meeting at the chapel last Tuesday afternoon.

Services will be held here in our church this evening in honor of the commemoration of Good Friday.

A meeting was held in church last Monday evening at 8 o'clock. The object referring to the Victory Loan being conducted by Rev. W. Vander Werp and Rev. Harmeling from Zeeland. Also two soldiers from overseas presided and related some of the experiences of warfare.

### SYNOD TO MEET IN THIS CITY

The following delegates have been elected by the classis of Holland to the particular synod of Chicago, to meet here May 7: Rev. A. H. Strabbing of East Holland; Rev. G. DeJonge and Rev. B. Hoffman of Zeeland; Rev. W. J. Van Kersen of Holland; Elders J. Van Dyke of New Holland, D. Meengs of Holland, John Peters of Hamilton and John Hoffman of Overisel. Delegates to the general synod at Asbury Park, N. J.: Rev. M. A. Stegeman of Cleveland, Rev. B. Rottschaefer of India, Rev. H. J. Veldman of Holland, and Elders Arend Von Zoonen of Vriesland, G. Oonk of Ebenezer, and Peter Stegeman of Blenden.

Agents: Domestic Missions, Rev. G. Tyse, New Holland; foreign missions, Rev. B. Hoffman, Zeeland; education, Rev. G. Hankam, Jamestown; publication and bible study, Rev. A. H. Strabbing, East Holland; disabled ministers, and widows, Rev. H. Harmeling, Zeeland; temperance, Rev. M. Flipse, Holland.

### FINDS ASPHIS EGGS ON LAKETOWN TREES

Don Whelan, extension specialist from the department of entomology at M. A. C. made a visit to the Belvedere Farm in Laketown township, a few days since and reports that he found a considerable number of asphis eggs. In fact he stated that they seemed to be so plentiful there that he thought it advisable to warn the fruit growers to be on the lookout. These eggs may be readily seen with the naked eye and will be found on the young twigs of last year's growth, generally near the tips and often close to the leaf buds. They are small and round, or nearly so, shiny brownish black eggs. They are also often to be found on the long sucker growths that often grow up in the middle of apple trees.

### GRAND HAVEN BOY IS GOING TO RUSSIA

The U. S. S. Phetoris of which Harold Westerhof of Grand Haven is a member of the crew, will sail shortly for Russia to reinforce the American fleet of the allied troops at Archangel. The Grand Haven sailor is a member of the band on board of the ship and has already made several trips to

### BANK PROPERTY IS SMASHED BY HOODLUMS

Two brainless rowdies Sunday night tried to be human flies and began the ascent of the First State Bank.

They landed over the door and apparently either lost their hold or thru downright meanness pulled down a 500 pound stone that capped the arch over the main entrance.

The stone was doing duty as a marker containing the street number, and was about five feet long and a foot and a half high.

When the stone and the would-be steeple jacks came down on the cement sidewalk the noise could be heard for several blocks, and naturally the heavy stone was broken in fragments and the cement walk near the entrance shows the results of the impact.

Many stories are afloat as to where the marauders went, but one to which the police give the most credence comes from a lady who was sitting in an automobile near the bank.

She claims to have seen the manoeuvres of the young men, but paid very little attention to them until the crash came. She saw the men coming from the bank run south on Central avenue stopping a few minutes to talk to two girls who hurriedly faced about and followed the two men down the avenue until they were lost from sight.

Patrolman Stekotee was just punching in on booth 5 on River avenue and Tenth street when he heard a crash. Thinking that it had been a cave-in on some building on the main street, he rushed for downtown where a big crowd had already gathered at the bank.

The police have some excellent clues to work on that may develop in the swatting of these human flies.

### ZEELAND BOYS FORM A PROGRESS CLUB

Eighty-three young men of Zeeland met in the basement of the Second Reformed church of that city and were organized into the Young Men's Progress club. After a short song service of patriotic hymns and war songs Raymond Drukker was elected chairman for the evening. The chairman then stated the object of the meeting and the lines along which the organization will be conducted. A brief discussion was followed by the adoption of resolutions to organize a Young Men's Progress Club.

The meeting then proceeded to elect the following officers: President, Raymond Drukker; vice president, Robert Barnett; secretary, Theo Moerdijk; treasurer, Henry Baron. A committee on constitution and a program committee were appointed by the chairman.

### CLASSIS SESSION AT JAMESTOWN COMES TO CLOSE

A busy session of the classis of Holland of the Reformed church came to a close Thursday at Jamestown. Several ministers as well as laymen of the local churches attended the meetings. The sessions were held in the Reformed church of Jamestown of which Rev. G. Hankam is pastor.

Rev. Benjamin Hoffman of Second church, Zeeland, submitted an interesting statistical report of the 25 churches connected with the classis: Families, 2,191; received on confession, 285; dismissed, 207; received on certificate, 229; deaths, 101; communicants, 5,259; adherents, 485; baptized noncommunicants, 3,491; catechumens, 2,244; Sunday schools, 26; enrollment, 5,228; collections—denominational objects, \$27,024; other objects, \$4,014; congregational, \$57,364; total, \$88,402. Practically all the churches were reported in a prosperous condition. Eight churches are without pastors. Fifteen churches reported collections for the one day's income for missions, totalling \$2,918. Total amount collected for foreign missions was \$16,595, an income of about \$4,000 over the previous year and the receipts for home missions were about \$10,200. During the year a new church was organized at Allegan. The receipts for the classical board of benevolences were about \$2,000. Rev. A. Van Arendonk of Grand Haven reported on his work as classical missionary.

The ladies of the church served free meals to the delegates. Rev. M. V. Stegeman officiated as toastmaster and talks were given by Rev. H. Harmeling of Zeeland, Rev. T. G. Vandembosch of Cleveland and Luke Lugers of Holland.

### CENTURY CLUB TO SUP- PORT WAR ORPHAN

The Century Club has again made itself responsible for the support of a French orphan for the coming year. At the last meeting of the club it was decided to levy an assessment of 25 cents per person for this purpose. The club supported a French war orphan last year. At the close of the present year it was found that there was enough money in the treasury so that if each paid 25 cents extra the orphan could be supported for another year.

### HOLLAND PEOPLE RETURN FROM FLORIDA

A party of Holland people, composed of Mr. and Mrs. Nick Hofsteen and family, Frank Oosting and son, and Mr. and Mrs. Harry Plaggemans and family, returned to Holland Sunday night at 7 o'clock, after travelling for eleven days from St. Petersburg, Fla., where they spent the winter. The party left Holland in automobiles November 21.

On the return trip they had a great deal of trouble in the far South in the shape of fire trouble and broken spring, the roads there being in a terrible shape. But after reaching Kentucky they had no more trouble and were able to make good time.

### GETS STIFF DOSE FROM JUDGE CROSS

Marine Van Houten of Coopersville was convicted of assault on the person of Chas. Cook some time ago in Justice court in that village, and the local justice fined him ten dollars and costs. Not satisfied with the verdict Van Houten appealed the case to circuit court, where he was once more convicted. Yesterday Judge Cross changed the justice court sentence to one hundred dollars and costs and twenty-five days in jail.

This severe sentence is interpreted as meaning that Judge Cross is not disposed to encourage the carrying up of small justice court cases to the circuit court, on the ground that in the average justice court the accused can and does get a square deal and an appeal to circuit court is not necessary.

### OPENS WELDING AND CUTTING SHOP

Benjamin J. Baldus, who during the war was in charge of a gang of men doing welding and cutting in the shipyards at Hog Island, will open a welding and cutting shop together with radiator repair work in Holland the latter part of this week. Mr. Baldus will be located in the Superior Ice Co. building at the foot of West Eighth street. He is now engaged in putting in new equipment and he will have a thoroughly up-to-date shop, that can do a large variety of work which hitherto could not be done in Holland but had to be sent to larger cities. Mr. Baldus before joining the shipyard service worked in several automobile factories in the east.

### RURAL CARRIER IS NOW WANTED AT FENNVILLE

The United States Civil Service Commission has announced an examination for Allegan county to be held at Holland and Allegan May 10 to fill the position of rural carrier at Fennville and vacancies that may later occur on rural routes from other postoffices in Allegan county. The examination will be open only to male citizens who are actually domiciled in the territory of a postoffice in the county and who meet the other requirements set forth in Form No. 1977. This form and application blanks may be obtained from the offices mentioned above or from the United States Civil Service Commission at Washington, D. C. Applications should be forwarded to the Commission at Washington at the earliest practicable date.

### AGED PIONEER PASSES AWAY

Mrs. Dena Sooter, widow of the late Peter Sooter, died at her son's home in Holland Friday at 1 a. m. at the age of 78 years. She was ill but a few hours, her death coming as a shock to her many friends. She had been a resident of this city for nearly 60 years, coming to America with the Rev. Van der Meulen party from the Netherlands in 1848.

She had a family of six children of whom three survive, Mrs. T. Kimink of Toledo, O., Mr. Edward Sooter of this city and Mr. I. C. Sooter of Benton Harbor; also six grandchildren.

The funeral will be held at her son's home 132 W. 11th St., this city Monday at 2 p. m.

### OLD AGE PENSIONS FAVORED BY CLUB

The Forward Movement club met Friday night at the home of J. Wiersma, 30 East 20th street and went on record as in favor of old age pensions. A paper on that subject was read by Mr. Wiersma, who is an insurance agent and who strongly favored old age pensions, and until that becomes a law, adequate insurance for all.

The club's discussion showed that although the poor of America are better cared for than the poor of any other country, yet it is a matter of charity, which feature should be eliminated. They declare that we are behind Switzerland, Germany and the Netherlands in the matter of old age pensions. The government, the club declared, should enact a law establishing adequate old age pensions, raising the money by general taxation, and the age limit fixed at 65 or 70, or when a person becomes disabled. The next meeting will be held on May 2.

## The Joyous Welcome Home

The day had been a tough one. Everything seemed to go wrong.

Under such conditions a man does not lay aside his work with any degree of satisfaction.

On his way home his mind is going over the difficulties encountered and he finds himself dissatisfied with pretty nearly everything and everybody.

He's got the Blues.

Not so with the family. The youngsters, looking for father, spy him a block or more away and there's a mighty footrace to see who can reach him first.

He sees them coming. The springtime of youth is in their faces, the sunshine of joy in their eyes; there is music in their voices. Daddy's home again!

The good wife's welcome is no less cordial and, better yet, the evening meal is ready, and what bread, such as only

## Lily White

"The flour the best cooks use"

will make!

It is tender, and deliciously flavored. The kind that fairly melts in the mouth.

Everything else is proportionately good, and what a change!

The Sunshine and Warmth of Home Ties have scattered the doubts and misgivings of every day life.

The Blues have vanished! Father is now in the right mood to enjoy to the fullest the usual after-dinner romp with his little "pals," and regrets that mother tucked them away in their beds so early.

Of course it might have been different!

Supposing the children had been unwell because of having eaten heavy biscuits or soggy pastry for lunch, and the wife out of sorts on account of poor success with baking and a late dinner?

That combination, with father having the blues, would have made a fine setting for a family "rumpus."

Don't take any chances. Always buy LILY WHITE, "The flour the best cooks use," and be assured of thorough baking success and complete harmony.

## LOCALS

Twenty-two churches were represented and 50 delegates were present. Rev. J. Steunenberg of Overisel was elected temporary clerk and Rev. M. V. Stegeman of Cleveland was elected president. Rev. G. De Jonge of Zeeland is stated clerk. Rev. J. Steunenberg preached the classical sermon Wednesday evening. Rev. O. G. Droppers will succeed the late Rev. Meengs as classical missionary. Rev. Henry Harmeling of Zeeland, Rev. Albert Vandenberg of Vriesland, Rev. Samuel M. Zwemer of Cairo, Egypt, and Rev. P. E. Schroeder of East Overisel were enrolled as members.

Peter Pluim and Henry Huizenga of the Twelfth St. Floral Shop made a business trip to Grand Rapids Tuesday. Born to Mr. and Mrs. R. B. Lacey in Grand Rapids, Thursday morning, a nine-pound boy.

Miss Knox of Eleventh street has won the honor of turning in to Red Cross headquarters the first finished shawl of the last quota.

Mr. and Mrs. N. B. Bowman of East Saugatuck received word Sunday that their son Bert had arrived safe in Boston from France.

Born to Mr. and Mrs. John H. Garvelink, 418 College Avenue, twin boys. Mr. Garvelink, who is a traveling salesman, told his friends Friday that he was planning to train them to follow in his father's footsteps.

Corp. Harry Mulder, son of Mr. and Mrs. J. B. Mulder, living east of Holland, arrived on the battleship Rhode Island at Newport News, Va., Thursday. He was a member of old Co. F of Grand Haven, and spent more than a year in France. He was twice gassed and once wounded. He is a brother of Lieut. Bernie Mulder of Hope College.

A kitchen shower was held Thursday evening at the home of Henrietta Tripp, E. 16th street, in honor of Miss Josie Vanden Berg. Those present were: Josie Vanden Berg, Jennie Zoet, Henrietta Tripp, Frances Tripp, Minnie Kalmink, Anna Bowsma, Alice Vos, Bertha Vos, Gertrude Vanden Berg, Mary Landman, Maggie Tynes, Minnie Tynes, Elizabeth Rotman, Christine Moenwen.

Allagan city like so many other cities is iceless. A large number of citizens have come together however, and will put in an artificial ice plant.

The contract for marble and tile for the C. Pieper & Co. building has been awarded to the Grand Rapids Marble & Fireproof Co.

Born to Mr. and Mrs. John Brower, West 14th street, a 12 pound baby girl.

Dr. H. Boss has returned from Chicago with his Dodge car. The car had been shipped from California and the doctor drove it in from Chicago.

The Grand Rapids Salvage Co., managed by Joe Brown formerly of Holland has the contract of furnishing structural steel for the new Pieper jewelry store to be erected on West 6th street.

Sam Miller, the depot restaurant man, says it would be interesting to know how most lady voters voted last Monday as one lady he knows voted "Yes, I want it 'dry'." "Twould have been a much larger majority," says Samuel.

Dr. M. J. Cook returned Saturday from Detroit where he attended a convention of state dentists most of the week. Monday morning he received word from Allegan that his father was critically ill. He left immediately for Allegan and expects that his office will remain closed for a few days.

Mrs. J. Battema Saturday received word that her son Benny Battema, the former baseball player, has arrived in New York from overseas. This will be good news for Benny's many fan friends in Holland, as he will arrive in Holland at just about the time the baseball season opens.

An explosion wrecked a machine for grinding grain in the plant of Beach Milling Co., causing a damage approximating \$1,500. New plates had just been installed in the machine and it is believed that one of the plates had worked itself loose. The broken pieces of iron flew in all directions, breaking pulleys, shafts, spouts and windows.

Unity lodge No. 191 F. & A. M. will join De Moka commandry of Grand Rapids in an Easter service here next Sunday afternoon. The services will be held in the Methodist church, and Rev. J. F. Bowerman has a special sermon prepared for the occasion. Grand Rapids expects to send a large delegation.

Frank Winfield Woolworth, manager of the 5 and 10 cent stores, and who has become a multi-millionaire through the jitney route, enabling him to pile up a fortune of unusual proportions, is dead. When he started in business he was earning \$8.50 a week and got married. Today his estate comprises a fortune running into ten figures, and besides he owns the tallest building in the world. A chain of thousands of stores are conducted by the Woolworth system, Holland having one of them.

A surprise party was given Saturday afternoon in honor of Cathleen Mersen's 14th birthday. A very pleasant afternoon was spent in playing Book, after which dainty refreshments were served. Those present were the Misses Maxine Boone, Wilma Nibbelink, Mable Lange, Kathryn Keppel, Lucile Osborne, Julia Huntley, Cathleen Mersen, Kathryn Vander Veen, Gertrude Galentine, Ruth Hyma, all of Holland and Miss Lucinda Sherwood of Grand Haven.

Marvin Earl, the 4-year-old son of Mr. and Mrs. M. VanLeeuwen who was very ill with pneumonia, is improving.

Bert Holstega of Spring Lake, convicted in circuit court of bastardy, was Tuesday sentenced by Judge Cross to pay \$1 a week till now and from now on \$2 a week. In default of paying this he is to go to jail for six months.

The schools in Olive Center were closed Tuesday to safeguard the district against a possible epidemic of diphtheria as many of the children were exposed. A 4-year-old child of Joe Veldheer is dead from the disease but no other cases have been reported.

The Hayden Auto Co. delivered an Oakland car to Jacob Boeve, near Graafschap, Tuesday. The Hayden Co. have already sold over half of their contracted number of cars this early in the season and expect to reach their limit within a couple of weeks. Prospective buyers of this car are urged to get their orders in early. Mr. Hayden expects to deliver two more cars the last of this week or the first of next to Holland buyers, who may go with him to the factory, driving the cars back home.

While working at the Phoenix Cheese factory at Zeeland, John Timmer, a mason, fell from a scaffold to the ground, a distance of 25 feet, fracturing five ribs.

Van Raalte Parent Teachers club will hold a meeting Thursday evening, April 17. A fine program has been planned by the men for the evening. Everyone is urged to come.

Fire originating from a defective chimney destroyed the farm house of Mrs. J. Vrieling, near Overisel. The furniture was saved. The loss is covered by insurance.

In the announcement of the death of Mrs. Henry Boven Tuesday the names of the sons Harry, Peter, Anthony and Henry were omitted from the notice which was handed in. The sons also survive the mother.

One-half mile of concrete road is being built on the Dixie highway near Coopersville.

Mrs. R. W. Herrick, and daughter Catherine of Detroit, who have been spending the past week with Mr. Herrick's parents on West 12th St. left last night for Charles City, Iowa, where Mr. R. W. Herrick has accepted a position as Production Engineer with the Hart-Parr Tractor Co.

One of the biggest pictures Holland ever witnessed. "Woman" at the Strand Friday matinee and evening. Regular prices.

Our Government is spending \$5,000,000 a day on the Army and Navy. This means One Billion and a Half every month for the maintenance of the American strength: for the Honor of the American Flag. The Victory Liberty Loan is necessary to supply this money. Volunteer Monday, April 21.

Charles Walters, 5-year-old son of Mr. and Mrs. George Walters, of Benton Harbor, is dead from burns received when he fell into a tub of scalding water. The child was literally cooked to death. A member of the family had heated the water and for a moment had left it unguarded. The child was playing and fell into the tub.—G. R. Press.

County Clerk Orrie Sluiter has issued a marriage license to James E. Bareman of Holland, aged 24, farmer, and Lucy Steketee of Holland, aged 22.

Mr. and Mrs. I. Altman and daughter Lois left Tuesday for Cleveland, Ohio where they will make their future home. Mr. Altman was proprietor of the French Cloak store for the past ten years and recently sold out to John Van Tatenhove.

Heavy snows prevailed at Macatawa Park Tuesday morning, but strange to say the "beautiful" never reached Holland, only by interurban car. Some of the cars caught in the snow squall passed through this city for Grand Rapids heavily laden with the snow.

At a meeting of the Home Missionary Society of the M. E. church, held Monday evening at the home of Mrs. J. H. Wise, plans were made to entertain the Grand Rapids District Convention in May. Plans were also made for sending clothing to an Indian Mission. The Lenten and Mite Box offerings were very satisfactory. Mrs. Adam Clarke conducted the devotions. "Where our Money Goes" was explained by Mrs. A. E. McClellan; a reading was given by Mrs. Rich, "Kept For the Master's Service;" and "Over the Top," by Mrs. Markham. In place of the usual enigmas, Miss Etta Mae Atwood gave a reading, "Decision Day." The hostess was assisted in serving by Mrs. Moomey and Mrs. Elferdink.

Hudsonville is becoming a port of call for liquor smugglers. So is Jenison near Holland. During the last two weeks a number of persons have stopped off the Chicago train at Hudsonville with from one to five heavily laden suitcases and taken autos to Grand Rapids and other western Michigan towns. Two men are known to have stopped with four suitcases full of liquor because the man in whose barn they left it investigated the contents. Last Sunday one man alighted with five suitcases. He was met by another man with a Ford and taken to Grand Rapids. Saturday night five men alighted, each with two suit cases and were taken in two touring cars to Grand Rapids. During the intervening time there have been many suitcases which looked suspiciously heavy. As yet there has been no move by authorities to stop this liquor flow. Reliable parties at Jenison report conditions are almost as bad there.—G. R. Press. Anton Self was in Grand Rapids on business Monday.

A large drain letting will be held by Barend Kammeraad, county drain commissioner on April 24 at the home of Aalt Biksen in Holland township. The work involves the cleaning and deepening of what is called the "Osborn and Railroad Drain."

The Holland Shoe and DePree Chemical Co. base ball teams which have been boosting the Y. M. C. A. building fund this winter banqueted Friday night at the Episcopal church parlor. A fine feast was enjoyed and an after-course at the Strand. The boys are all strong for a big Gym that insures ample playing room and a good seat for every spectator.

Sergeant John B. Klaver, who has been serving in aerial photographic work at Longely Field, Va., has arrived home in Grand Haven, having received an honorable discharge from the service.

Miss Belle Koning, who for the past six years has been employed at the office of the Charles P. Limbert Co., severed her connection with them two weeks ago and is now employed at the Marshall Field Co., Chicago.

April seems to be a-Maying.—Detroit Free Press. We would say a-Marching. Mrs. Leonard Ederlee from Pontiac is visiting friends in this city.

Miss Agnes Kramer returned to her studies at U. of M. Monday.

Myron Broekema motored to Grand Rapids Monday.

Allegan county paid out in sparrow bounties last year \$388.36 and for rat bounties \$30.50. The county paid out in mothers' pensions \$693.25.

A marriage license has been issued in Allegan county for Henry Schipper of Salem and Kathryn Huls of Overisel.

The Ladies Aid society of the M. E. church will hold a sale of baked goods and fancy work Saturday in the vacant building next to the Vander Veen store. Mrs. Jas. Sisson of Ganges is suffering from a broken arm and two broken ribs owing to an accident which occurred last Sunday evening when a car from Holland ran into the buggy in which Mrs. Sisson was riding.

It is reported that few women in Saugatuck township voted in favor of the beer and wine amendment who sincerely intended to vote no. It is said that one woman walked quite a distance with the single purpose of voting no, but by mistake voted yes.

Tuesday morning a large touring car loaded with baggage and tourists was seen going south on River avenue with about an inch of snow covering the top, indicating that it must have been snowing somewhere to the north Tuesday morning.

The Star of Bethlehem, O. E. S. will hold an Easter sale in the Paul Coster store this coming Saturday.

### FINE HEAVIER IN CIRCUIT THAN IN JUSTICE COURT

It was a case of from the frying pan into the fire for Mrs. Elizabeth Gilmore, East Seventh Street, when she carried her so-called chicken slander case up from justice court in Holland to the circuit court in Grand Haven. Evidently Judge Cross is even more dead set against slander, when a conviction has been reached on it by a jury, than was Justice Robinson who presided over the case in the local court. Whereas Justice Robinson who assessed a fine of \$50 against Mrs. Gilmore, Judge Cross Tuesday in circuit court made the fine \$75. The fine is in the discretion of the court up to a limit of \$100. In addition to that the costs of the case, amounting to \$48 were assessed against Mrs. Gilmore.

The case aroused unusual interest in both justice court and circuit court because of the fact that it was the first woman jury case heard in Holland. The woman jury made comparatively short work of the matter and found Mrs. Gilmore guilty after about an hour and a half of deliberations. Not satisfied with that verdict, Mrs. Gilmore decided to try her fortunes in circuit court where she would be in the hands of a man jury.

And the twelve men had a somewhat harder time to come to a decision than the six women had had. They deliberated on the case from about five o'clock in the afternoon till after one o'clock at night, returning several times for instructions and announcing that they were having difficulty to agree.

But they finally agreed on guilty and the passing of sentence Tuesday by Judge Cross ends the case.

"Woman" is one of the most sensational pictures ever presented in Holland. Friday at the Strand. Matinees 2 and 3:30; evening, 7 and 8:30. Regular prices.

Queen Incubators and Colony Brooders. We have an overstock of Incubators, 60 to 275 egg sizes which we are selling at a big discount. Colony Brooders, 600 and 1,200 sizes. Buy now and save money. J. A. Vander Veen, hardware.

## The HOOVER demands the Unconditional Surrender of Dirt

When The Hoover goes over the top in its drive against entrenched Dirt, Dirt comes up out of even its deepest dug-outs in the carpets and does a quick Kammerad.

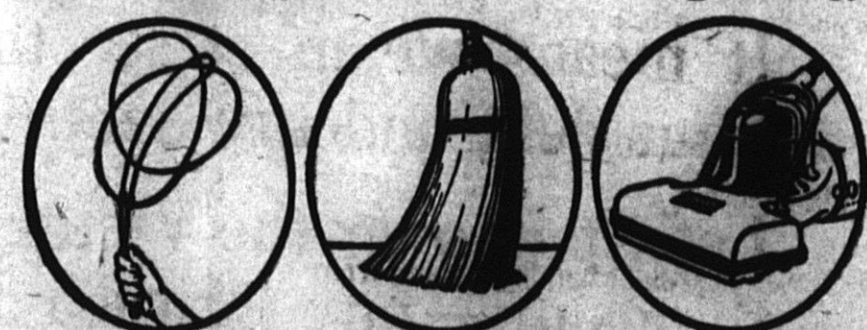

The Hoover fights clean but grants no armistice. Immediate evacuation of all occupied carpetings and the full restoration of their cleanliness and colorings are the only peace terms for Dirt.

Dirt quickly recognizes a Hoover attack. Camouflage is useless. First the carpeting quivers as though stricken with ague. That's the Hoover's creeping barrage loosening up the deep-down minions of Dirt. Then comes a wave-like motion; the carpeting is lifted from the floor and on the crest of the wave receives a rapid-fire drumming that no hidden Dirt can escape. And the crest is swept resistlessly—Dirt cannot cling in any spot. Simultaneously comes the Hoover air attack—and Dirt is "bagged."

Now you know why Dirt surrenders unconditionally when a Hoover advances. And yet The Hoover reconstructs as it passes—straightens up and rearranges the crushed, tangled nap, beautifies the colorings anew and leaves the rug or carpet in condition to wear much longer than when its enemy, Dirt, lurked therein.

Only The Hoover can win so complete and happy a victory. For when you—

# JUST RUN YOUR HOOVER

[ IT BEATS... AS IT SWEEPS AS IT CLEANS ]

The only "easy terms" about a Hoover are the small payments at infrequent periods that we ask those who prefer not to pay cash.

Call 1243 and ask to have it demonstrated in your home

**BOARD OF PUBLIC WORKS**

City Hall

## VAN LANDEGEND IS CHAIRMAN OF SUPERVISORS

A surprise was sprung at a session of the Board of Supervisors Tuesday afternoon when George Van Landegend of this city was elected chairman of that board on the first ballot. The vote stood five for Cleine of Spring Lake; seven for Chiddick, the present chairman of Chester, and fifteen for Van Landegend, newly-elected chairman from Holland.

The selection of the Holland man was a complete surprise to the members from Grand Haven and the "up-river" townships. Friends of Mr. Van Landegend had been quietly working to line up the south half of the county in favor of the supervisor from this city, and when they had counted noses found that they had enough votes and some to spare.

It seems that the supervisors from the south end worked in a quietly gum shoe fashion, for not until the votes were counted did the other half have any inkling that there was to be a change in the chairmanship or that one was even being thought of. The north half of the county has had the chairmanship for so long that a return of Mr. Chiddick to that position seemed a foregone conclusion.

The election of George Van Landegend naturally set the reminiscence fountain of the venerable G. Van Schelven going. "Van" had been a member of the Ottawa County Board for years and knows whereof he speaks.

"Van" says that George Van Landegend holds the distinction of being the first Holland chairman elected by an Ottawa Co. Board of Supervisors. Not in 71 years has this city held this important office. By a special act of the legislature, Holland township was created in 1848 and Holland City was only a colony of settlers and a part of the township. In 1867 Holland was incorporated into a city and both Holland township and city had its representatives on the board.

"Van" says, that the nearest Holland ever got to getting a chairmanship was in 1879 when his friends tried to name him, while the supervisors from the north end tried to name Edwin Thayer of Polkton, a big lumbering man operating on Grand River at that time.

This scrap took 32 ballots and still a dead-lock existed. Finally the two factions agreed to support the Hon. C. Van Loo of Zeeland and thus ending the chairmanship fight, neither candidate being willing to give way for the other.

Holland can take off its hat to Supervisor George Van Landegend as being the first chairman of the Ottawa County Board ever elected from this city. Neither has Holland nor Park townships ever had this distinction.

### Rose Bushes and Shrubbery

Sale of Rosebushes and shrubbery—your choice of 25 varieties at 15 cents each. A Pieters 5 and 10 cent store and bazaar, East 8th, Corner of Central avenue.

## C. E. DREW TO END CAREER AS PRINCIPAL

The fact became public Wednesday that Principal C. E. Drew has tendered his resignation to the board of education, the resignation to take effect at the close of the present school year. Mr. Drew sent in the resignation Tuesday morning and it came as an aftermath of a meeting of the board of education on Monday night. But the fact that he had taken this step was not made public immediately. When asked about it, however, Principal Drew admitted that he had requested the board to relieve him of his duties at the close of the year.

Although this action on the part of Principal Drew comes as a surprise to very many, it was but the climax, it is understood, of a number of circumstances, chief of which was that the board and the principal had failed to reach an agreement as to salary. Believing that he could do better for himself in a financial way Mr. Drew decided to leave the local high school. He was not ready today to say what his plans for the future are, but he will probably leave school work altogether to go into some other line of endeavor.

When pressed for a statement Mr. Drew said: "I would rather not say anything. The resignation speaks for itself. Only I would like to say this, not using it as a threat or anything else of the kind. It is a perfectly plain business transaction between the board and myself. We have failed to come to an agreement and so of course there is nothing else to do but withdraw. People who don't agree in a bargain need have no hard feeling toward one another. I don't want any squabble or fuss, or anyone trying to bring pressure to bear. I would like to have it understood that this resignation is a resignation pure and simple, with no camouflage in it. I feel perfectly good humored about it and hope the board will feel the same way and accept the resignation without any ado."

## TELLS STORIES OF FAMOUS PAINTINGS

The meeting of the Woman's Literary club Tuesday afternoon was of special interest to the lovers of art. Mrs. Frances S. Ott, an artist herself, gave a talk on this theme and placed on exhibition several reproductions of famous paintings, of which she gave the history and also the life stories of the artists who painted them. The pictures will remain on exhibition Wednesday and Thursday and the club rooms will be open to the public in the afternoon.

Mrs. Arthur Vissche accompanied by Mrs. R. M. Page, sang two solos, "An Open Secret," and "The Year's at the Spring."

At the close of the program, tea was served by the May divan, and a social time was enjoyed. Was an open meeting of the club and any visitors were present.

Queen Incubators and Colony Brooders. We have an overstock of Incubators, 60 to 275 egg sizes which we are selling at a big discount. Colony Brooders, 600 and 1,200 sizes. Buy now and save money. J. A. Vander Veen, hardware.

## GIRL STUDENT WINS FINE SCHOLARSHIP

MISS ANNA RUTH WINTER TO GO TO WOMAN'S MEDICAL COLLEGE OF PENNSYLVANIA

A scholarship has been awarded to Miss Anna Ruth Winter, member of the Senior class of Hope College, and the distinguishing feature about the award is that it is the first scholarship awarded to a girl student at Hope College while in residence there. During the past few years a large number of boy students have won scholarship and now the co-eds seem to be going in for competition in that field.

The scholarship is one amounting to \$175 covering tuition to the Woman's Medical College of Pennsylvania, at Philadelphia, the only school of its kind in the country. It is known as a medical school of high scholarship. Miss Winter's home is in Fairview, Ill. The scholarship was secured thru Dr. A. T. Godfrey of the Chemistry Department of Hope College.

### Are You Going to Travel?

Fine quality traveling bags and suit cases from \$1.90 to \$3.75. These prices are 20 to 30% below today's market values. You'll save from 40 to 90 cents on a bag, or suit case. Come in and see them. A. Pieters 5 and 10 cent store and bazaar, East 8th St., Corner Central avenue.

### BASSWOOD WANTED

We wish to buy basswood logs. If you have any for sale, write how many, and give thickness (cannot use any below 8 inches thick); also quote the price. Address, Basswood, care of City News Holland, Michigan.

Queen Incubators and Colony Brooders. We have an overstock of Incubators, 60 to 275 egg sizes which we are selling at a big discount. Colony Brooders, 600 and 1,200 sizes. Buy now and save money. J. A. Vander Veen, hardware.

### Card of Thanks

We wish to express our thanks to our friends and neighbors who sympathize with us in the loss of our son and brother, also for the beautiful floral offering and to the business men that donated their automobiles.

# The Fruit Tree and the Human Body

Mark carefully the parallel illustration of a fruit-bearing tree and the spinal cord of a Human Being.

It will be noticed that in the latter where the life force flows unmolested from the brain down the spinal cord and thru the nerves to the various organs, Health is the result. Where the nerve is pinched, as in the illustration the nerve leading to the stomach, an abnormal condition exists known as Disease.

In the case of the tree there is no pinching of the branch leading to 2, consequently the result is a normal or 100% fruit. Below, however, the branch leading from the trunk is pinched and the result is a puny, attenuated fruit in all probability diseased.

The fruit is diseased beyond reparation; not so with the Human Body. Directly the pressure on pressure on the nerve is removed, the vital force will flow freely without interruption thru all the nerves to the various organs and Health is the result. This pressure is caused by a misplacement of the small bones of the spine, and can only be removed by a

## HOLLAND SHOE COMPANY

### THREE HOLLAND SOLDIERS RETURN

George Van Dyke, James Cook, and Gerrit Nyboer, are home after bravely fighting for Uncle Sam since war began.

George Van Dyke, who was wounded and James Cook who has been gassed, and Gerrit Nyboer who spent several months in a German prison camp are glad to get home, and all had some exciting experiences to relate.

Gerrit Nyboer who spent twelve months over sea enlisted with Co. A, 110th Infantry. His company has seen a great deal of service and strange to say Nyboer came through the experience alive. While on duty as scout in No-Mans Land one of his companions was shot thru the lung and while Nyboer carried him back a German bullet wounded him in the leg and right lung and one his ribs was broken. Nyboer then was taken prisoner, sent behind the German lines and later taken to Bolstet prison camp where he was held for two months. His wounds were not even treated in German barracks. The wires around the barracks were all electrified, 16 feet high and four ply wide, so there was not the remotest chance for escape.

"The Germans fed the prisoners one thin slice of black bread and one bowl of soup with coffee made from acorns and roasted barley. 'But we couldn't eat the stuff,' said Nyboer, 'and if it hadn't been for the Red Cross which sent us packages of good food, there wouldn't be anything of us left to tell the tale. The Red Cross saved our lives.'

"After the armistice was signed," continued Nyboer, "the German soldiers were so happy that they ripped from their clothes the buttons and everything else which bore the emblem of the Kaiser, and throw away their spiked helmets. In the barracks we slept mostly on the floor as it was by far the best."

Nyboer's wounds have practically healed, even tho he was not operated on until after the armistice was signed. Most of the men in his division were either killed or wounded. Only a small number of the old men survived.

### VICTORY CLUB TALKS OF THE VICTORY LOAN

One hundred sat down to the Monday noon Victory club dinner and the important thing discussed was the putting over of the Victory loan and Volunteers day which falls due next week Monday.

Mr. Landwehr discussed the technical phases of the new bond or so-called gold note, which runs for five years at an interest rate of 4% per cent. Mr. Landwehr made it plain that the volunteering should be done by as many as possible. For instance instead of having one member of the family buying the whole lot, the allotment to the family should be split, each member of the family getting a proportion, thus creating a live interest in the bond issue in that family, and making the list of volunteers larger.

Mr. Landwehr also asked the teachers of the rural schools to keep their school houses open afternoon and evening on volunteer day, next Monday. "Citizens are wanted to remember," said Mr. Landwehr, "that there is a chance to be enrolled upon the honor roll. A record is going to be kept of all those citizens who bought bonds, and the amount that they subscribe. These will be public records and open to inspection. Keep your record clean by helping to finish the job."

Jokingly, he said, "Any man or woman running for public office or intending to in the future better see to it that his or her name appears on the honor roll, for these records will be open to inspection years afterward."

"Always keep in mind this fact: What it would have meant to you six months ago, and how many bonds would you have bought at that time had you received a guarantee that the war would have ended when it did. I'll warrant that you would have purchased double and triple the amount of bonds had you been assured of peace then."

"Well, peace is here, but the debt is to be paid. Uncle Sam pays his debts. The obligation is yours to help pay. Volunteer to do this Monday, and get a gold note bearing 4% interest because you volunteered."

"If we clean this thing up it will mean better and more staple business immediately."

Mr. Perkins of Grand Rapids who has charge and general supervision of the Victory Loan drive in three counties including Ottawa, stated that he had never come to Holland before because it had such a live "bunch" that it did not need any punching up, in order to point out its duty to the nation.

Five overseas boys were present and gave short talks stating that while they helped finish up the job on the other side, they were willing to aid in helping to pay the debt owed by this country incurred because of their going.

With such patriotism how can anyone refuse to volunteer next Monday.

The young men who pledged their support, many of them wounded, or gassed or both were Harold Golds, Marshall Irving, Chris Korosa, Peter Marcuse, Ben Robertie and Simon Den Uyl.

### TWENTY-SIX CATTLE DESTROYED IN ALLEGAN COUNTY

Allegan county is going thru another siege of cattle tuberculosis and while the disease is not epidemic, 26 head from one farm were ordered killed by federal order at Hopkins, Allegan county.

One of the 26 head of cattle of the M. E. Parmelee herd of Hopkins that were condemned by the federal tuberculosis test and that were slaughtered in Detroit, only four were condemned as unfit for human consumption. All showed signs of the disease with one exception, and specimens from this one will be sent to the animal bureau of Washington, D. C. It must be remembered that a large percentage of all cattle going to any market are afflicted with this dreadful disease, and quite a percentage of them are condemned for human consumption.

There was only one animal in this herd that looked in any way suspicious, and this one did not react to the tuberculosis test. Animals that are too far gone with the disease will not react and have to be judged by outward appearances and so we were urged or told, to ship her with the rest. When slaughtered not one sign of the disease could be found and our state pays nothing when no tuberculosis is found. This animal was given to science. Had she been kept it would have always been there that she was the spreader of the disease, so the owner is glad she is gone.

On the other hand a beautiful four-year-old, fat and sleek, was found unfit for human consumption. No animal in the herd was affected as badly as this one, and she was the only one to have the lesions in the udder. There is little doubt as to the accuracy of the tuberculosis test when carefully made. How long these animals in this condition would have appeared healthy is hard to say.

As a rule few dairy cows are kept to be very old as one thing or another gets them, and they are no longer profitable. How long this disease has had a foothold in the Parmelee herd is not now known, but it is not thought it has been long and further light may be thrown on the matter later.

### MILK DEALERS MUST COMPLY WITH REGULATIONS

At a meeting of the board of health Monday it was decided by a unanimous vote to instruct the city clerk not to issue a license plate to any milk dealer unless said dealer could show to him personally a certificate from a veterinary to the effect that the cows from which the milk was secured had been tested properly in accordance with the regulations and were found to be free from disease.

It was further decided that the milk dealers must not deliver milk at a temperature that is higher than that required by the state law. These regulations were formally passed in order to safeguard the public during the coming warm months.

### DIES TEN DAYS AFTER RETURN FROM FRANCE

Word has been received here of the death of Marine Bishop at Camp Mills, N. J. Bishop had been in France for eight months. Ten days ago he returned to this country, but while in Camp Mills he developed pneumonia which resulted in his death.

Mr. Bishop for a number of years was engaged in repair business, being a member of the firm of Bishop & Raffeland. He was still a member of the firm but answered the country's call to go to France.

The deceased is survived by his mother whose home is in North Holland, and by two brothers and three sisters. He was 28 years old.

### SPEED COP GETS HONOR STRIPES

Peter Bontekoe, the all around athlete of the police force of this city, received his honor stripes Tuesday.

Peter has been on the force now for five years, and has made a very efficient wide-awake officer.

Mr. Bontekoe entered the service a few weeks after Chief Frank VanRy, who received his honor stripes two weeks ago.

Mr. Bontekoe's chief duty has been that of Speed Cop, and that he excelled in this particular vocation. The speed "demons" of Holland and vicinity are well aware of.

During these five years Peter has in many instances done clever detective work, and has solved and brought to justice several offenders who were hard to land.

Peter Bontekoe, Holland's speed cop was being congratulated Tuesday by Holland police force and by his many friends.

### DIES MONDAY NIGHT AT AGE OF SIXTY-NINE

Mrs. Thomas Boven died Monday night at her home, 161 W. 14th St. after a lingering illness at the age of 69 years. She is survived by her husband and the following children: Mrs. H. Borchert, Mrs. Fred Kieft, and Mrs. Fred Stoltz; also by two sisters and one brother. The funeral will be held Thursday at 1 o'clock from the 14th St. Christian Reformed church, Rev. Hoekema officiating.

### COUNTY TO HAVE TWO HOME SERVICE SECRETARIES

At a meeting of the executive committee of the Ottawa County Red Cross called Saturday by G. J. Diekema, chairman of the county, an adequate program of work of the Home Service department was adopted for Ottawa for the coming year.

In the first place it was decided to appoint two paid executive secretaries for Ottawa county. Mrs. L. M. Thurbur was appointed for south Ottawa, with headquarters in Holland; and Mrs. D. P. McNett for north Ottawa with headquarters in Grand Haven.

These two secretaries will be sent to Omaha to attend an institute lasting six weeks and beginning April 21. This institute will be conducted by the National organization and it will provide a course in intensive work to give all those attending it training in detail of Home Service work. The secretaries when they return will open offices and will be in full charge of the practical end of this welfare service in their respective territories.

When the secretaries return chapter courses will be conducted in Holland and Grand Haven, the Central Division of the Red Cross sending an instructor to conduct a four weeks' course for the purpose of training volunteers who will support the secretaries in their work.

Moreover Dr. Gilhin, Divisional chief of the Central Division of the Red Cross, will come to Ottawa county in the near future to conduct a two days' regional conference for the purpose of further organizing the work here. The dates of this conference have not yet been decided upon.

The National organization has decided to enlarge the scope of the Home Service work so that it will include not only the families of the soldiers but all civilian families that need assistance. This work is not to conflict with existing social relief agencies but it will complement that work and pay special attention to relief work in small towns, villages and rural districts. This policy will help also to take relief work out of politics. This policy was decided upon as a result of an insistent demand from Red Cross chapters throughout the country.

### ALLEGAN AGAIN STRIKES OIL

A vein of petroleum was struck at Allegan at a depth of about 170 feet last Wednesday afternoon by workmen who were sinking a test well for the Overton Creamery Co. on the property formerly occupied by the Cruise elevator. The product appeared to be of as rich quality as any found in the oil wells which have been put down in this vicinity, tho the quantity is not sufficient to be worth considering. This is the second well sunk on the property. At a depth of 21 feet a fair supply of good water was found. Beneath this was found a stratum of blue clay 140 feet thick, then about five feet of gravel, and then more clay. It was in the second stratum of clay that the oil was found.

This is the sixteenth time oil has been found in Allegan county and considerable money has been sunk in the past by the would-be Rockefeller. Holland has not a few of those who have beautifully printed stock certificates in their safes.

### WOMEN KEPT FROM POLLS BY THREATS OF DEATH, IS CLAIM

It has been discovered that the cave man still exists and in Allegan county. Election day last week the polls at Hopkinsburg, near Allegan were filled almost entirely by men, very few women turning out to cast their votes. The fair sex of Hopkinsburg was at once classed as having very little enthusiasm over its new privileges and the matter was dropped—until today.

Then a correspondent at Hopkinsburg sent in a story to the Allegan paper, stating that election day a big number of women were absolutely forbidden to go to the polls. "Their husbands," say the correspondent, "threatened to desert them and punish them in many ways if they left the house. Some it is alleged, even went so far as to threaten their wives with death if they disobeyed."

### PROPOSALS FOR CITY SCAVENGERS

Proposals will be received by the Board of Health, of the City of Holland, Michigan, at the office of the clerk of said city, until 4 o'clock p. m. of Saturday, May 2nd 1919.

thereof be given by publication of a copy of this order, for three successive weeks previous to said day of hearing in the Holland City News a newspaper printed and circulated in said county.

JAMES J. DANHOF, Judge of Probate.

A true copy. Cora Vande Water, Register of Probate.

### MORTGAGE SALE

Whereas, default has been made in the payment of the money secured by a mortgage dated the 9th day of May, 1918, executed by William Dieters and Anna Dieters, his wife, of the City of Holland, Ottawa County, Michigan to Jennie Mulder of the City of Holland, Ottawa County, Michigan, which said mortgage was recorded in the office of the Register of Deeds in the County of Ottawa, in Liber 102 of mortgages, on page 53, on the 12th day of May 1918, at 8:40 o'clock A. M.

And whereas, the amount claimed to be due on said mortgage at the date of this notice is the sum of Two Thousand Sixty-one and 30/100 Dollars of principal and interest and the further sum of Thirty-five dollars as an attorney fee stipulated for in said mortgage, and which is the whole amount claimed to be unpaid on said mortgage and no suit or proceeding having been instituted at law to recover the debt now remaining secured by said mortgage, or any part thereof, whereby the power of sale contained in said mortgage has become operative.

Now, therefore, notice is hereby given, that by virtue of the said power of sale, and in pursuance of the statute in such case made and provided, the said mortgage will be foreclosed by a sale of the premises therein described, at public auction to the highest bidder, at the North front door of the court house in the city of Grand Haven in said county of Ottawa, on the 7th day of July A. D. 1919, at 2 o'clock in the afternoon of that day; which said premises are described in said mortgage as follows, to-wit:

Lots numbered Thirty-one (31) and Thirty-two of Weersing's First Addition to the City of Holland, Michigan, situated in the City of Holland, County of Ottawa, State of Michigan.

JENNIE MULDER, Mortgagee.

Dated this 5th day of April A. D. 1919.

Fred T. Miles Attorney For Mortgagee, Holland, Michigan.

## LOCALS

"Woman"—a wonder picture—at the Strand, majinees and evening, Friday—usual prices.

The Community Teachers' Training Class has just begun a series of ten lessons on the aim, Curriculum, Organization and Administration of the Modern Sunday School. These lessons are of great importance and value to teachers, superintendents and other officers of the Sunday School. All those who are interested in this course will be given an opportunity to enroll next Monday evening at the Third Reformed Church parlors, corner Pine and 13th street, entrance on Pine avenue. All Sunday School workers are urged to enroll. Dr. J. E. Kuizenga is in charge of the class.

From a file copy of 1871—N. Stratton of Laketown has lately shown us a patent dirt scraper which appears well calculated to give satisfaction to all who have earth to move in large quantities. By the use of this simple machine all heavy lifting is avoided. One man can drive the team and hold the scraper.

Miss Elizabeth Pieters of the class of 1919 is now recuperating in Holland after having been seriously ill for five weeks in the Augustana Hospital at Chicago.—Hope College Anchor.

Mr. and Mrs. Charlie Jackson of Lakewood Farm motored in from Chicago Tuesday in seven hours. The only bad road they struck all the way was between Saginaw and South Haven and at Gibson.

Mr. and Mrs. P. W. Bacon were called to Grand Rapids last week Wednesday on account of the death of Mr. Bacon's daughter, Mrs. St. Charles who died from Ptomain poisoning from eating liver sausage.

The choice for pastor of the Broadway Christian Reformed church at Grand Rapids lies between Rev. Herman Hoeksema of Holland, Rev. H. J. Kuiper of Chicago and Dr. Henry Meeter of the Grand Rapids Neland avenue church. Rev. E. J. Tanis, present pastor, will preach his farewell sermon there Sunday, April 20, after which he will take up work in his new pastorate, the Bates street church.

Jacob Arends of New Holland and Albert Arens living on E. Eighteenth street have both returned from France. These young men have seen much fighting, in fact as one put it, "We were fighting so much and so hard that we didn't have time to change our socks, but once in two months."

A. H. Landwehr of the Holland Furnace Co. and Otto Kramer cashier of the Holland City State bank are in Grand Rapids today.

B. J. Bennink, superintendent of the Christian School was in Grand Rapids on business today.

The flag on the city hall is at half mast in honor of Marine Bishop who died in the service of his country.

John Weersing was in Grand Rapids on business.

The Grand Haven Tribune in its 20 years ago column has the following Almon T. Godfrey of Holland, had a collection of 92 kinds of wood grown in Ottawa county.

Four weeks ago ex alderman Drinkwater became alderman again, but last evening he again went in the ex-class, having served just two meetings and a half. As a compliment to the veteran city father from the second ward, Mayor Bosch called Drinkwater to the chair as presiding officer, and the first meeting of the new fiscal year was in the hands of the ex-alderman from the second ward.

City Attorney C. H. McBride is in Grand Rapids on business today.

The Board of Review of the City of Holland will meet on Tuesday, May 6, and for four days thereafter, at the city hall in the Common Council rooms. Taxpayers can find out from this board whether their taxes have been changed and can also make objections if found too high.

The Royal Neighbors will give a card party and dance at the Woodman's Hall tonight, Thursday, April 17. All members and their friends are invited.

Mrs. W. A. Worthington who spent a few days with her parents, Rev. and Mrs. J. F. Zwemer, and Mrs. Wm. P. Bruce of Yagers, N. Y., who has also been visiting at the Zwemer home left yesterday for Kentucky.

Mrs. C. Spykhoven and daughter Marie who have spent a week visiting relatives in Zeeland left Wednesday to spend a few days visiting in Kalamazoo.

A regular meeting of the Sons of the Revolution, Holland Chapter, will be held this evening at the home of Percy Hollister Reed. The members of the Michigan Society will be guests of the local club and Mr. Irving Andrew Dean, president of the Michigan society, will give an address.

There is a serious shortage in Easter bulbs this year at the local flower firms. These bulbs come from Japan and it is difficult this year to get them.

Born to Mr. and Mrs. Henry Brat, East 15th street—a boy.

You want to see "Woman" at the Strand Friday—you'll be sorry if you miss it. Usual prices.

## GOES BACK TO OLD POSITION

LIEUT WILLIAM LEENHOUTS RETURNS TO LAWRENCEVILLE, ILLINOIS

Mr. and Mrs. W. Leenhouts are visiting friends in Holland for a few days. Mr. Leenhouts yesterday addressed the class in Chemistry at Hope College. Mr. Leenhouts has just come from the aviation field at West Point, Miss., where he served during the war as a lieutenant in the chemical department, holding the position as lubrication engineer at that field.

After his visit in Holland he will go to Lawrenceville, Ill., to resume the position he held before the war as head chemist in a large petroleum refining plant.

## ENGAGEMENT IS ANNOUNCED OF LOCAL GIRL

Mrs. George Cathcart announces the engagement of her youngest daughter,

Georgie Hare Cathcart, to Mr. William Wallace Clark of Flint. Miss Cathcart, and Mr. Clark were in the city to spend the week end with Miss Cathcart's family at 182 West 13th St.

Mr. Clark occupies a responsible position with the Buick Automobile Co. at Flint, and that city will be the future home of the young couple.

# WRITES LETTER TO LOCATE HOLLAND BOY

A romantic episode of the war in which a Holland boy figured has come to light through a letter from a soldier at Camp Grant, to the Sentinel. This Camp Grant boy wants to find the Holland soldier who helped him and is asking this paper to print the following letter in an effort to trace Gerrit Nyboer:

Camp Grant, April 3, 1919

Dear Sir:—  
I am a complete stranger to you but as I have no other way of getting some information which I would like to have I ask you to help me; it is as follows:

While I was over in France in the battle of the Argonne there were two of us sent out as scouts and we were surrounded by the Hun, so to let the outfit know what happened one of us had to get back, so we started to sneak around but got their rifle fire down on us. Well one shot me thru the right shoulder just above the lung and I dropped out; another one hit my partner in the leg, but he brought me back to safety and tried to get help, so he left me in an old trench while he was out for a stretcher and he never showed up for the company came and found me and some fellows said that two men were captured right in front of me, so I believe he was captured.

Well to make a long story short that chum's name was Gerrit Nyboer and lived in Holland, Mich., but I wrote him and have received no answer; so I wish you would please publish this where his folks will see it and send them a copy:

Will Gerrit Nyboer please correspond and write to Geoffrey Chaney Cronton, Ohio, who will consider it a favor. Hoping to hear from him soon I thank you in advance.

George Chaney-frege

Geoffrey Chaney,  
Camp Grant, Ill.

## HOSPITAL WAS EVEN WITH THE BOARD

The fact was stated at the time when the Holland Hospital Association asked the city of Holland to take over that institution, that the hospital would be

to the city with a clean slate, all bills having been paid and the hospital having been developed into a self-supporting institution. So nearly was this a literal statement that the report of the treasurer, Mrs. L. M. Thumber which she made to the association on relinquishing her office shows that there was cash on hand at that time amounting to \$9.65. Mrs. Thumber's report covers the financial history of the hospital over the entire period from the day the hospital was organized to March 15 of this year. The report follows:

### Receipts

Subscriptions and Donations \$17,975.07  
Patients, Nov. '17 to Mar. '19 5,965.08

\$23,940.15

### Disbursements

Kremer Property \$10,000.00  
Remodeling Building and heating plant 5,245.27  
Sterilizer 900.00  
Furnishings 1,543.05  
Printing, Stationery and Incorporating 72.37  
Salaries, Nurses, Kitchen help, Janitor, 3,685.69  
Food 1,228.04  
Drugs and Supplies 513.10  
Insurance 181.72  
Laundry 148.61  
Sundries 395.15  
Cash on hand 9.65

## Y. M. C. A. HAS A SUCCESSFUL WINTER

The Holland Y. M. C. A. ended a successful winter Wednesday evening. A membership of 79 as compared with thirty-two of a year ago showed that the Y. M. C. A. is beginning to a reality in Holland. The membership would have been still larger if another night could have been had. The business men wished an evening but the "Y" was unable to get another night. The meetings were held on Mondays and Wednesday evenings, at the High school Gym. Setting up exercises. Indoor baseball, Basketball, boxing, etc., were indulged in. The Sunday afternoon meetings the past winter were big successes. The Literary Club rooms were crowded each Sunday with the boys and men. The Y. M. C. A. wishes to thank those who gave their time in making these Sunday afternoon meetings such a success.

The "Y" also had charge of the canteen in the Hotel block the past winter and had a full house each Sunday.

The Holland Shoes and Chemicals played a series of games for the City

Indoor Baseball Championship, under the auspices of the "Y". The games were well attended.

The "Y" basketball team had a good year and has proved to the local fans that they have as good a team as found in the state. The association is willing and ready to co-operate with citizens of Holland in regard to a building whenever the drive is to start, and will do all in their power to boost for a "Y" building in Holland.

John H. Schouten, general secretary and Physical Director of the "Y" has prospered as never before under his direction. Following were the officers the past winter: President, Jake Fris; secretary, Dan Poppe; treasurer, Raymond Knooihuizen; general secretary and physical director, John H. Schouten.

## OVERSEAS MEN

### FROM HOLLAND

### TO HELP LOAN

The speakers' committee for the Victory loan drive which is soon to start in both districts of Ottawa county are now assured of the co-operation and assistance of the men who saw service in the army and navy of the United States. The returned soldiers and sailors are willing to appear on the platform at the campaign meetings, for the purpose of telling bits of their experience to the people. Their sole object is to bring home to the people the conditions which the Yanks faced in the war, and to inspire the folks at home with the determination to keep up support with the Victory Loan. The people may be sure to see soldiers like Marshall Irving, Harold Golds, Arthur Smith, Martin Kammeraad of Holland and Raymond Drukker and Gerrit De Haan of Zeeland, and possibly many others who will volunteer to face their home people as bravely with victory loan arguments as they did the Huns overseas. Surely no true-blooded American will be able to resist an appeal coming from these young men who did not slacken when duty called them to almost certain death.

At a meeting held by the speakers' committee at the Grand Haven State Bank, many returned soldiers and sailors responded to the call to be present. There were enough veterans present willing to help to permit the speakers' committee to go on with the preparation of their meeting schedule and to assure a soldier or sailor speaker on every program.

The loan campaign meetings to be

held in the school houses and town halls of the entire two Ottawa county districts during the next week or ten days, will all be opened by a veteran of the war, who will tell briefly some of his experiences on the battle fields or on the high seas. Soldiers and sailors alike, who faced the Hun are very willing to help in every way possible to put the finishing touches upon the enemy they fought.

The appearance of the soldier and sailor speaker will not only add interest to the meetings, but it will bring home pretty strongly the fact that there has been a war, and that the people of America should be grateful enough to the men who won it for them to support the bonds.

Programs will be opened by soldier and sailor speakers, who will be followed by the Victory loan campaign speakers who are assigned to the job. The complete schedule and program is now in course of completion and within a day or two the educational campaign for the Victory loan will be in full swing.

The Victory club of Holland has taken up this work for the lower district of Ottawa county and Holland and vicinity.

## LETTER FROM GERMANY

Wirges, Germany, Mar. 14, '19

Dear Sister Anna—  
Received your most hearty and welcome letter dated Feb. 16 and was glad to hear from you as you know letters are certainly appreciated out here in far away Germany. We have a mild winter and weather is now like spring. You asked me if I ever received your Xmas box—I sure did—sometime ago and it was very nice. You wanted to know if I drilled. Well we drill and work both. I tried to have my pictures taken at least a half dozen times and the place was always full or else no material and as he is the only photographer in the place I guess I will have to wait until I return home. When will that be?

So you weigh 139 pounds that is a good weight. I weighed 180 the last of this month. It will be one year since I left home, the time surely flies fast. Two days more and it will be my birthday; wish I was home to celebrate it, but that is out of the case but I am hoping that I may be home on the next one, that is if God will keep us in good health as a lot can happen in a year. There isn't a Holland boy in my company or at least I haven't met one since I left St. Nazaire. Hope Hop and Tony Meijmans were with me up to St. Nazaire. There a case of illness broke out in their billet and so they were all quarantined and so that is how we were separated as we left Camp

Humphreys for Camp Merit, N. J. and stayed there about four days being fitted out with new clothes and on the fourth night at 12 o'clock we started out on the hike and hiked about an hour. The next morning we were in Hoboken, N. J. where we got on a car ferry which took us to New York where we got on a boat again that took us to France. We left New York on June 15 and arrived in St. Nazaire on June 27, but didn't get off the boat until the next day. It certainly was some trip. One good thing was we had good weather except two days which were quite stormy. We sure was glad when we sighted land. We had to stay down mostly all the time; it certainly was hot down there as the port holes had to be closed all the time. Every morning at 3:30 or 4 o'clock we would have to get out of our bunks and go up on deck as then was when the sub-marines would do their dirty work, so you see it would be easy to get off if we were not all down below sleeping. There were about 15 to 18 men to a life boat or raft. We all had life belts on all the time. We even slept with them on. I can tell you better when I get home as I am not very good at writing. Well I have certainly hiked some since I have been across the pond. We hiked all the way from France to Germany and then all the hiking was done when going to the front. We only rode on trucks a few times; we hiked along Mosel river to Germany. We started on our hike on Nov. 17 and got to where we now are on Dec. 15. I sent a map home of the Mosel and the Rhine river so you can see what it looks like. In your next letter write me if you received them or not, will you? I also sent you two shells. I was in three battles the St. Mihiel, Sept. 12 to 13, Meuse-Argonne Sept. 29 to Oct. 12, Meuse-Argonne forest Nov. 1-11; marched to the Rhine Nov. 17-Dec. 13. On security duty in oblongs Bridgehead since Dec. 14 and sure have a lot to be thankful for to get out alive as I had many narrow escapes. I sure have seen some terrible sights—it would almost make one cold at first to see the many dead laying around here, some with their heads blown off and with legs and arms off, some all blown to pieces. Hiking at night you would sometimes fall over the dead as it was so dark you couldn't see where you were going. There were thousands and thousands of boys who have made the supreme sacrifice for democracy and so we have special and moving cause to be grateful and rejoice that God has in his good will and pleasure spared our lives and that he has also given us Peace. It has not come as a mere cessation of arms, a mere relief from the strains and trag-

edy of war. It has come as a great triumph of right; complete victory has brought us not peace alone but the confident promise of a new day as well in which justice shall replace force and zealous intrigue among the nations. God has indeed been gracious. We have cause for much rejoicing as it revives and strengthens in us all the best traditions of national history a new day shines about us in which our hearts take a new courage and look forward with new hope to new and greater duties while we render thanks for these things we should not forget to seek the Divine guidance in the performance of these duties and Divine mercy and forgiveness for all errors of act or purpose and pray that in all we do we shall strengthen the ties of friendship and national respect upon which we must assist to build the new structure of peace and good will among the nations.

Well, this is about all the news hoping that these few lines may find you in the best of health the same as it leaves me. Give my best regards to all and hoping to hear from you soon. Good bye from your brother,

Priv. Nicholas W. Prince,  
o. D First U. S. Engineers, Amer. Ex. Forces, Wirges, Germany.

## Uncle Eben.

"Some men is so tremendous polite, no matter what happens," said Uncle Eben, "dat dey kinder gives you de notion dat mebbe dey's jes' a little bit deceitful."

## Hawking in Persia.

Hawking is a favorite pastime in Persia. Every great personage has his falconer and falconry—every "squireen" his partridge-hawks and hounds.

## A Real Feat.

Said the facetious fellow: "One of the greatest mysteries of my childhood is how Little Jack Horner succeeded with that plum pulling out affair with only one thumb."

## Two Things He Remembered.

The proprietor and editor of a certain local paper had been indulging in a little plain talk and prophesying disaster to the little town if certain improvements and sanitary reforms were not forthwith adopted. A local parson sided with the rural council which neglected these things and, after a sermon evidently pointed at the newspaper man, said: "You should remember the fate of Balaam." "I do," was the prompt reply from the pew, "and I also remember who it was that warned the prophet."

# I'm a Bond-holder

Time was when I saved a few dollars, drew the money and spent it on some needless affair. It's quite different now—I own six Liberty Bonds. I collect the interest with the feeling of a youngster at a Christmas tree. I walk about among my fellow men with a well-founded pride. I'm a substantial citizen—I'm a bond-holder.

I'm going to subscribe to the Victory Liberty Loan—it's the best savings proposition I have ever heard of.

ROBERTS, HAROLD W. (1013943) Corporal,  
Co. A., 344th Battalion, Tank Corps. (Deceased).

FOR conspicuous gallantry and intrepidity above  
and beyond the call of duty in action with the enemy  
in the Montrebeau Woods, France, Oct. 4, 1918.

Corporal Roberts, a tank driver, was moving his  
tank into a clump of bushes to afford protection to  
another tank which had been disabled. The tank  
slid into a shell hole, ten feet deep, filled with water,  
and was immediately submerged. Knowing that  
only one of the two men in the tank could escape,  
Corporal Roberts said to the gunner, "Well, only one  
us can get out, and out you go," whereupon he  
pushed his companion thru the back door of the  
tank and was himself drowned.

## ALLEGAN GAZETTE SAYS SENTINEL CRITICISM DESERVED

Below are two comments on the criticism made by the News recently relative to Allegan county's poor roads. This paper has been a consistent booster of good roads and has not been sparing in justifiable knocking when this was needed.

A week ago Allegan county came in for some pointed stories in this paper showing how Allegan county was way behind in road work.

We hope and have no doubt but that this honest criticism will bear fruit and judging from an editorial in Allegan county's leading newspaper, the Allegan Gazette and also comments in other Allegan county papers, something has been started along these lines in the county to the south of Holland.

Says the Allegan Gazette:

"Hara! But Deserved Criticism"

"It is not pleasant to have the Holland News taunted Allegan county with being 'about the slowest county in the state of Michigan on the question of good roads,' but it is still more unpleasant to most of us to have to feel that the criticism is in great degree justifiable. Allegan has been slow, and to not a slight degree inefficient, in road building. On the contrary, Ottawa and Kent have not hesitated to issue bonds in large sums and construct as a consequence many miles of the best of roads and there has been no 'kick' audible at this distance because some of these roads have been constructed across long reaches of sandy and low-price lands. They have served to connect the parts of the counties in ways that no other means of transit could possibly be made to do.

"Under such conditions it is disheartening to have certain prominent and influential citizens take a stand against adoption of means which would insure better results in road building for not only Allegan county but the whole state. While Kent and Ottawa have been making many miles of good highways, and in continuous lines of many miles, Allegan county has been content to make short stretches in many places. The traveler going over one of these has his hope raised only to be dashed into despair and abjuration when presently he plunges again into deep sand or upon rough and even dangerous places. There has finally come a disposition to do this work differently

in some degree, but the patchwork system still obtains generally and very much to the detriment of both local and foreign travelers."

Says a Saugatuck correspondent in one of the Allegan county papers:

"The News has been scolding Allegan county for the bad condition of the unfinished stretch of the pike across Laketown. We acknowledge the bad condition of that strip of road and are even willing to acknowledge the justness of the scolding, but when the editor of the Sentinel grows sarcastic and says that 'we are all aware that Allegan county is about the slowest county in the state of Michigan on the question of good roads,' we can but remind our critic that, while we concede his county's progressiveness in matters of highway improvement, extremely few of us on this side of the Ottawa-Allegan line are still plodding along in wooden shoes."

### To Keep Young.

The great enemy of youthfulness is the drying-up process, and this is why we should not only keep as much as possible with the young but should enter into their joys, their plays, with zest and enthusiasm. We should romp and play with them, interest ourselves in the things that delight them, instead of pushing children away from us and restraining them all the time, regarding them as a nuisance and a bore. Children were given us to keep us youthful, to keep our sympathies fresh.—Exchange.

### Timely Warning.

A sturdy tramp went into a suburban garden where the lady of the house was occupied in attending to her flowers. He took no notice of her refusal to give him some coppers, but continued to annoy her until a large dog appeared, barking loudly. The lady seized his collar and held it, calling out: "You had better go; it may bite." "You ain't got no right to keep a savage dog," replied the tramp. "Perhaps I have not," she answered coolly. "If you think so, I won't keep him. I'll let him go!"

### TELLS OF THE

### GROWTH OF

### LOCAL INDUSTRY

Commenting on the phenomenal growth that the De Pree Chemical Co. has enjoyed during the past five years.

On De Pree in the March issue of "San-Talks" the company's magazine writes a letter to the San-Tox Family under the caption "Your Progress and Ours" in which he recounts how the business has grown to national proportions in the short space of five years. Mr. De Pree's letter gives much interesting information about one of Holland's most prosperous industries. It is reprinted herewith:

To you members of the San-Tox family who have linked your business destiny with ours, we present at the opening of a new business era, a brief statement of the progress made in the era that has passed.

Not in a spirit of bragadoocio, but yet with a deep sense of satisfaction and pride, do we submit the record of our mutual achievement; for in five years San-Tox has grown from a mere vision to the reality of a great national success.

In a field not new, but in which the failures had far outnumbered the successes, your efforts united with ours, made this exclusive agency proposition one of which you and we alike have the right to be proud.

This, we believe, is not because of accident or fortuitous circumstances, but because in the vision which was ours—there was the conception of true and constructive merchandising. And because to your recognition of the worth of this conception, you accorded the prestige of your name and the impelling force of your well directed energies.

### The Vision

The vision of San-Tox was conceived of the ambition of a group of young men to found a great business.

A limited measure of success had already rewarded their efforts along another line—the manufacturing and marketing of a Formaldehyde Fumigator.

In a period of five years they had so exploited this product that it had become recognized as the standard method of fumigation throughout the United States. During this period an efficient executive and selling organization had developed.

The Fumigator business, although healthy and prosperous, did not provide sufficient outlet for our energies. Inasmuch as the experience of a number of us, prior to our manufacturing venture, had been in the retail drug business, it was logical that we should seek the further expansion of our business through the medium of drug merchandising.

Gradually but surely our vision took definite shape. It embraced the manufacture and marketing of a complete line of Remedial and Toilet Preparations, which, through sheer merit and the soundness of the merchandising principles, applied, should command

the universal favor of the American public.

### Business Principles Formulated

The general principles which were to govern this new venture were formulated during the period commencing in 1911 and terminating on St. Patrick's Day, 1913, when the first sales of San-Tox were actually made.

These principles were based on good faith toward the consumer, for whom the preparations were ultimately intended; and good faith toward all who should form a part of the chain leading from the manufacturer to the consumer. While much of detail was developed after that time, these general principles have never been changed.

They necessitated pharmaceutical excellence in the preparations themselves—high quality and full measure; a package that in design and color would be in keeping with this quality; a name appropriate and significant; a trade-mark which would become in the minds of the public the symbol of honesty, purity, helpfulness and service. From hundreds of names suggested, we selected a name—San-Tox (derived from the French words Sans, without—Toxin, poison. The idea of the Trained Nurse as a trade-mark came as a positive inspiration.

Furthermore, in our merchandising plan there must be no weak links in the chain leading from the manufacturer to the consumer. We had the nucleus of an able executive staff and selling force.

In the growth it must lose nothing of its intelligence or integrity, and the dealer in each community who had the highest standing from the point of character and reputation and progressive business ability, must be the medium through which we would reach the public.

In good faith to those dealers we must make them an integral part of our selling plan, giving them an exclusive agency in the trade zone logically theirs, and making our proposition to them attractive both from a trade building and profit producing standpoint. And giving them further, to the best of our ability, a real service in the way of selling cooperation and prompt shipments.

Finally re-enforcing all other features of our merchandising plan, we must through a well directed campaign of publicity, standardize our name and our trade-mark, proclaim to the public the merits of the line and the reliability of the dealers handling it.

### Commencing Selling Operations

We commenced actual selling operations in the spring of 1913, having completed and ready for the market fifty-seven preparations.

From that time on the progress of the vision into reality has been continuous. Each year has seen at least double the volume of business of the preceding year.

The dealers, who at our solicitation linked their stores with this project, have given us a degree of cooperation even exceeding our anticipation; and

because they were the leading merchandising druggists of their communities, San-Tox has gained favor with the public more rapidly than has any other similar line in the history of the drug business.

There have, of course, been difficulties and handicaps. I give a passing mention to a few of them. It was but natural that here should be in the mind of the druggist some skepticism of a new proposition. Until our line had been tested and our merchandising plan fully revealed, he had no reason to believe that our proposition was any better than that of the many failures which had preceded it.

The first eighteen months of actual operation saw only about 500 agency contracts taken, but with the commencement of our advertising campaign (with a full page in The Saturday Evening Post on December 5, 1914) this difficulty began to disappear.

The following year brought 2,500 new agency contracts, and ever since that time the number of new agencies has been determined only by our own capacity to take care of them.

### Unforeseen Conditions

The outbreak of the world war also presented an unforeseen condition. We realized that prices would soar. To advance our own prices in proportion to the general advance of the drug market would have been fatal at that time to an infant business.

We were able, however, by investing every dollar we had, and every dollar we would borrow, in raw materials, to accumulate a sufficient quantity of supplies to carry us over until the time when we were well enough established to base our selling prices upon current market conditions.

For the past two years our development has been limited by the fact that we could not consistently with patriotism, increase either our working force or our laboratory capacity in proportion to the possibilities of growth. We made no definite campaign during that time to obtain new agencies nor have we added materially to the preparation which we were marketing.

In fact, we were obliged to discontinue a number of sundries which we had introduced because of the impossibility of obtaining these goods. We devoted our energies to systematizing and solidifying our business with the customers we already had. Even then we were unable to keep the pace you set. During the latter part of 1918 your orders came so thick and fast, that the rule we put in force to filling orders the day they reached the Laboratory, had to be abandoned, and we were at times many days in arrears.

This limitation is now likewise a thing of the past and we are ready to go on in a bigger way than ever before. Since the signing of the armistice a small addition to our laboratories has already been completed.

The foundation has been built for a large addition to our laboratories, and the ground broken for a large warehouse. When these are completed, nine buildings covering practically a

city block will comprise our plant, giving us the capacity for a greatly increased volume of business.

Market conditions are rapidly adjusting themselves and within a very short time we expect to be able to not only again list the sundries which we were carrying, but greatly to increase the sundry line. Likewise, to furnish many desirable additions to the line of pharmaceuticals and toilet preparations.

### 5,000 San-Tox Dealers

Those of our employees who have been wearing the khaki and blue find a ready welcome as they return. The man power which we together with other industrial companies have so sadly lacked is being restored, making possible once more the service in which we took so much pride.

"From Atlantic to Pacific, from the Palm tree to the pine" five thousand good drug stores display upon their windows the name San-Tox and the likeness of the San-Tox Nurse. They carry on counters and shelves a liberal supply of San-Tox merchandise.

They utilize through the connection of window and interior displays, and other local advertising mediums, the power of our national advertising campaign, and convert this publicity into generous profits for their proprietors through intelligent and enthusiastic salesmanship.

Between you, the proprietors, managers and clerks of these stores, who form the hub of it, there has developed a relationship that for cordiality and spirit of mutual cooperation cannot be excelled.

Hundreds of you have expressed to us your appreciation of our vision. We on our part feel and acknowledge to you the obligation imposed by the results of your efforts. You have gained our confidence as we have gained yours. We have become at least a factor in your success. You are absolutely essential to our success.

Upon the basis of this mutuality and interdependence we base our expectation of future development. For the vision is not yet complete. Its realization has scarcely begun. There are many communities throughout the United States which, because of the limitations mentioned, we have not been able to enter.

There are many preparations, sundry lines, which both you and we feel should be added to our merchandise before the proposition is entirely rounded out. All this will receive attention in due time and that time is not long distant.

But after all these are not the great factors in our future mutual development.

The great factor has been presented to you under the name of our Big Idea. We have gained your favor and you have gained for San-Tox the favor of some proportion of your patrons. Working together along the lines which have proven to be right, we can make that favor universal. Nothing less than universal favor will satisfy us or satisfy you.

## VICTORY

# ONCE MORE AMERICA!

**THE Ottawa County Victory Liberty Loan Committee announces to the people of Holland and Ottawa County that the campaign for the sale of United States Government Victory Liberty Bonds will begin on Monday, April 21st.**

**In Holland and Ottawa County the subscription for these bonds will be conducted on the Volunteer Plan. In every square block in the city, and at convenient places in the townships, Volunteer Subscription Stations will be opened on the morning of April 21st.**

**This is the last public appeal which the Government will make for the sale of war bonds, but until Ottawa County subscribes its full quota in this loan our job will not be finished.**

**The details of the loan itself, and the subscription plan, will later be clearly laid before our people. The one vital thing that must be impressed upon the consciences of all Americans at this time is that our patriotism shall last as long as our country needs it, and that as high a type of patriotism is needed in this effect as was exhibited in subscriptions to the former loans. We are lending to our own Government the money with which to pay its war bills.**

**From the moment you read this until Ottawa County's quota is fully subscribed, think Victory Loan, talk Victory Loan, read Victory Loan, go to Victory Loan meetings, get ready for your part of this job.**

**Be a volunteer patriot to the finish.**

## VICTORY

## "This Loan Means Prosperity, Men"

What will putting over the Victory Liberty Loan mean in dollars and cents?

It means the signal to "go ahead" in every workshop in the country.

It means the respect of the nations of the earth—the trade door of every nation on the earth will be open to us.

So let's settle up the war bill—finish the job—and then spread that news to every corner of the earth.

Buy to your full limit of cash, men, and then pledge all you can possibly save.

## Another Service Chevron

**F**OR every thread in the chevrons of gold that adorn the sleeves of our fighting men, there are miles of weary marching through mud and dust and snow—for every glint that catches the sunlight, there are thousands of lonesome, wistful, homesick, tortured hours—for every atom of woven metal, there are tons of labor that you and I would scorn—back-breaking labor, tedious, perilous, soul-wearying labor.

Here's another service chevron—a chevron that says: "I'm one of the many who served America by lending her my dollars to wind up our war account. I volunteered for my part in making a permanent and just peace."

Subscribing to the Victory Liberty Loan is like carrying a wounded man to a dressing station—his fight is over, but your responsibility has not ended.
