RED TAPE ON SOLDIERS' MEDALS HAS BEEN OUT

AT LAST THE GOVERNMENT IS SENSIBLE ABOUT SOLDIERS' WAR EMBLEMS

Not One Third of Holland and Ottawa County Soldiers Applied For Medals

The United States government has a way of stringing things along with red tape, and in one particular at least this has been unusually noticeable, namely in the distribution of soldiers' medals.

For nearly a year now, the government has been trying to give, to the proper owners, these badges of honor so well deserved. But the landing of the medals was surrounded with so many safeguards that soldiers were slow in availing themselves of the opportunity of getting them.

The Chicago Tribune states that less than a third of the Chicago soldiers have not applied for their medals in their city, and Ernest Brooks, adjutant of the American Legion, Willard G. Leenhouts Post, states that this proportion will hold good in Holland and Ottawa county.

The reason is plain. The war department requested that all service men send up their honorable discharge paper to Washington and if these were found correct, they would be returned and the medal would be sent.

Local soldiers shied at this, not wishing to let their honorable discharge papers get out their hands, not knowing, with all the government red tape to contend with, when they would get them back.

It seems that soldiers everywhere throughout the country were mindful of this fact, as the average for the nation shows that less than half of the service men, have availed themselves of getting medals.

With the new order of things at Washington all red tape in this particular instance at least, has been chopped away and Ernest Brooks adjutant, of the local legion, tells us that the Ottawa and Allegan county soldiers can secure their medals by going to the government building in Grand Rapids, showing their honorable discharge papers, when the medals will be handed over to them.

In order to make it still more convenient and less expensive, Mr. Brooks offers to personally take to Grand Rapids the discharge papers of any number of soldiers and bring back with him both the discharge papers and the medals upon his return.

The medals which are as large as a silver dollar are made of hammered copper with a heavy red, white and blue ribbons attached and are artistically beautiful.

Those men who have not been in battle will receive the medal and ribbons only. Those who have seen hard fighting will have attached to their ribbon, battle clasps, indicating that they have been through the thick of it.

MOTHERS AND SONS BANQUET ATTENDED BY 200

WAS HELD UNDER THE AUSPICES OF YOUNG MEN'S BIBLE CLASS OF THE FIRST REFORMED CHURCH

Alfred Joldersma, Toastmaster; Hon. G. J. Diekema, Principle Speaker

The benevolent, beaming faces of nearly 75 mothers and more than a hundred obedient sons gathered around them, was the picture portrayed in the banquet hall at the 1st Reformed church last evening and if anyone is in doubt as to the truthfulness of the old adage, "The hand that rocks the cradle rules the world," he would soon have had that doubt dispelled, were he to be a guest at this festive board. The gathering was a most unique and pleasant one.

It is the first time in the history of the city that the guiding hand of the mother over a son has been pictured in public places.

In the quiet and unobtrusiveness of the home away from prying eyes, this ruler who reigns with kindness and love, holds sway.

Last evening however, was an exception to the rule, and this gathering was a wholesome sight to behold, and more occasions of this kind should be encouraged.

The following was the program of the evening and menu: Hymn; Prayer, Rev. James Wayer; Introduction of the toastmaster President William Vining; toastmaster, Alfred C. Joldersma; Selection, quartet; Our Sons, Mrs. Anthony Walvoord; Our Mothers, Henry Vining; Solo, Miss Evelyn Keppel; address, Hon. G. J. Diekema; music furnished by Van Dyke's orchestra. The menu consisted of pickles, Olives, Chicken Fricassee, Mashed Potato Brown Gravy; Peas; Hot Biscuit and Bread, Fruit Salad and Wafers; Ice Cream and Cakes, Coffee.

The following are the officers of the Young Men's Bible Class: teacher, Dick Boter; president, Wm. Vining; vice-president, Shud Althuis; secretary, Henry Vining; treasurer, Alfred C. Joldersma; Ass't sec'y and treas., Bernard Rosendahl; librarian, T. Dogger; ass't librarian, Dick Schaftenaar.

The committee who had charge of the entertainment are: Martin Kammeraad, chairman; Duke Oosterbaan, Leonard Steketee, Frank Harrison, Fred Zeerip, John Althuis.

Robbers Break Into White's Meat Market

Robbers who had a taste for canned goods broke into White's Meat market during the night and got away with a carefully selected supply of things to eat. Entrance was gained through a back window. No money was taken but a supply of canned goods was carried off by the robbers. There are no clues as to who is responsible for the job, but it is not looked upon as the work of a professional.

SERIOUS AUTO ACCIDENT ON THE ZEELAND ROAD

NON-DIMMING OF LIGHTS CAUSES AUTO TO GO OVER EMBANKMENT

While the three Bell brothers, living the second ward, with others were driving a Maxwell east of the city on the Zeeland road, they met up with a car with lights going full blast. The driver of the Bell car became so blinded that he drove his machine over the embankment, and the guy wire of a telephone post was the only thing that saved the occupants from serious injury and possibly death.

The Maxwell car is considerably damaged but the occupants, although shaken up were uninjured.

The Bell boys after the accident had occurred, jumped into a Ford car that was passing and chased the man who did not dim his lights.

The man did not stop to see if any one was injured but got away with all possible speed, turning off from the main highway into highways and byways. Zigzagging back and forth in order to throw the pursuers off the trail.

The Bell boys however succeeded in finally landing their man who refused to give his name.

They took his license number however and this has been turned in to Chief Van Ry, who immediately started investigation.

Miss Jane Romeyn spent the week-end with friends in Grand Rapids.

CITIZENS AND BUSINESS MEN; DON'T FAIL TO READ THIS

BOULEVARD LIGHT MEETING TOMORROW NIGHT AT THE CITY HALL

The committee appointed at a recent meeting of those interested in Boulevard lights along River avenue and Eighth street have a report to make.

The committee in conferring with the aldermen and the board of public works have assurances that these civic bodies will co-operate with the committee, therefore a meeting is called for tomorrow night.

Do not let anything else stand in the way of attending this meeting.

This city has waited so long for this much needed improvement, therefore let us not get lukewarm on the job. Remember the meeting is Friday night, at the City Hall.

The committee in charge are: Dick Boter, J. Lokker, H. Meengs, Jas. De Young, R. B. Champion and Mayor Sephan.

EVERYTHING IS SET FOR THE BAND CONCERT TONIGHT

HIGH SCHOOL AUDITORIUM TO BE CROWDED TO THE DOORS NO DOUBT

Nothing has been left undone to make the American Legion Concert the biggest musical success this season. Two thousand programs have been issued, and all those taking part in the special features are here to go on tonight.

Remember the concert starts at 8 o'clock because of the long program that will be given.

Below will be found the official program which does not include the numbers of the Marimbophone trio.

This program which was already published is nearly as long as the official program therefore it can be readily seen that patrons to the band concert tonight are going to get their money's worth:

(a) Victory Bell—March, Paul O. Schaeffer, (b) Mignonne—Overture, Joseph Baumann, American Legion Band; Trio—Marimbophone Harp and Violin, Cady, Knight and Cady. Vocal solo—Selected, Gerrit Ter Beek; Alpine Sunset—Valse Romantique, K. L. King, American Legion Band. Clarinet Solo—Selected, Wm. E. Vander Hart; Banjo Solo—Selected, Thomas Carey; The Golden Dragon—Overture, K. L. King, the American Legion Band. Saxophone Quartet—Selected, Henry Wilson, Clarence Lokker, R. H. Gilbert, J. VanVyen. Trio—Marimbophone Harp and Violin Cady, Knight and Cady. (a) The Billboard March, John N. Klohr, (b) Star Spangled Banner, American Legion band.

COUNCIL AGREES REGARDING THE BOULEVARD LIGHTS

THEY ENGAGE IN INFORMAL DISCUSSION ON THIS SUBJECT

After an informal discussing in regard to boulevard lights, the common council last night practically agreed on the terms under which the lights will be installed although no formal vote was taken. The whole discussion was informal, but it was necessary to get at the general sentiment of the council as on that would depend the further progress of the movement.

The agreement was important because it will set a precedent for all future installation of boulevard lights in Holland. Mayor Stephan impressed this fact on the aldermen several times. Hence the council members gave the matter careful consideration. The board of public works and the property owners had come to agreement under which the property owners would pay for the poles, the lamps and the globes, the board to pay for the installation and furnish the current. There were some aldermen who at first were in favor of having the property owners also pay for the installation, but after a full and free discussion it was practically agreed that the plan of the board of public works should be concurred in. Formal action on the matter will not be taken until the next meeting.

The "nifty" band suits and the whole outfit of the drum major of the American Legion band were secured for the boys by the John Rutgers Clothing Co. The uniforms certainly make the members of the organization look spick and span, and are a credit to the American Legion band.

MAYOR ASKS FOR YEAR OF CONSTRUCTIVE WORK

ANNUAL MESSAGE CALLS ATTENTION TO WORK THAT SHOULD BE DONE

Mayor Says Accomplishment of Past Year Is Spur To Further Action

A plea for the initiation of as much public work during the coming year for the double purpose of getting necessary work done and of providing labor for the unemployed, a recommendation that the sewage disposal problem be attacked in earnest, and a request that the question of a new hospital be taken up seriously—these were the outstanding features in the annual message of Mayor Stephan to the common Council Wednesday night. He reviewed the work of the past year and predicted another year of constructive work on the part of the council and the city boards. The full text of the message follows:

(Official)

Gentlemen of the Common Council of the City of Holland:—With the beginning of a new administrative year, it will not be amiss to reflect briefly upon the work which we have accomplished during the past year, and to impress upon ourselves the problems which are confronting us in the year to come.

When I assumed the office of Mayor one year ago, I told you that yours would be the legislative body, and that as Mayor, I would be the executive. That these two branches of our form of government should, and would be kept separate and distinct during my term of office. This has been done, and I want to say right here and now that all of you have discharged your duties faithfully and well.

It has been a real pleasure to preside over the meetings of the Common Council the past year. It has truly been a deliberative and legislative body. You have tried earnestly and sincerely to solve the various problems which came before you, to the best of your ability, and have given the people of Holland honest and conscientious service. (You have not always agreed, and many times your ideas varied, but you have always been courteous and considerate with each other, and have shown true respect for each others' opinions.

There have been no secret sessions, but you reached conclusions by open, public discussions, and have done it in a way that has been a credit to you all. Whatever success the first year of my administration may have been, is due entirely to your hearty co-operation and good will. I want to assure you that I fully appreciate this fact, and wish to thank you for your earnest and enthusiastic support.

I also wish to acknowledge the good work done by the various boards of our city. Peace, harmony and co-operation have been established and maintained between the various departments of the city's government, which means much for the welfare and happiness of the people of Holland. Our city owes the members of the Board of Public Works, the members of the Board of Police and Fire Commissioners, the Park Board, the Library Board, the Health Board and the Hospital Board, a debt of gratitude for their services which have been given freely and without remuneration.

A year ago this country was enjoying the greatest era of prosperity in its history. Every factory and industry was working full time, and was unable to get enough help to take care of the business in hand. There was a shortage in labor throughout the whole country, and prices of both labor and material were so high, that it was deemed wise by the Common Council and the various Boards of this city, not to start any great public improvement at that time.

Conditions have taken a sudden and radical change. Materials of all kinds have taken a tremendous drop in prices. Many men are either entirely out of work, or are employed only part of the time. This is, therefore, the opportune time for public improvements to be made. From an economical standpoint, and in order to give work to the unemployed, we should go as far as possible in making necessary public improvements. The Common Council has done well in ordering street paving to begin this year. With the increased purchasing power of the dollar, the city can well afford to run in debt for public improvements and pay later when work and business resumes again. It is better to create work than soup houses. We

HOW IS THIS FOR CLASS LEGISLATION

Holland has been stirred up for some time over the proposed \$1.00 rod tax for citizens who desire to catch a mess of fish. The bill has been passed by the state senate at Lansing and is now in the house committee of which G. W. Kooyers of Holland is a member. This obnoxious bill contains a clause that smacks of preferential legislation. This appears to be evident in Sections 1 and 2 of the bill which reads as follows:

Sec. 1.—The term, "public fishing waters," as used in this act, shall be construed to mean all lakes, streams and connecting waters under the jurisdiction of the State of Michigan that are open to lawful fishing by the general public, irrespective of ownership of underlying or bordering lands, except those waters lying outside of the low water line of the Great Lakes, so-called, the Saginaw river, the Detroit river and Lake St. Clair.

Sec. 2.—From and after the first day of July, 1921, it shall be unlawful for any resident of the state of Michigan above the age of 18 years to take or catch, or attempt to take or catch fish by hook and line in any other lawful manner, from any of the public fishing waters under the jurisdiction of the state, except the Great Lakes outside of the low water line thereof, the waters of the Saginaw and Detroit rivers, and Lake St. Clair, without having in possession an unexpired angler's license issued in accordance with the provisions of this act: Provided, that in the case of a resident of this State and the immediate members of his or her family who are regularly domiciled on shore frontage land or lands owned or leased by him or her and constituting any part or all of the shore line of a lake or stream coming under the provisions of this act, there shall be issued to such person or persons, without charge to them, a license to fish in such lake or stream: Provided, That they shall first furnish proof to the satisfaction of the person or persons authorized by this act to issue such license that they are the legal owners or lessees of such land or lands or that they are members of the immediate family, of such owner or lessee.

It is doubtful if the bill will ever be taken out of the pigeon hole of the house committee where it, we hope, will die a natural death, but what the Holland fishermen would like to know is, why should Detroit and Saginaw be exempt? We understand that Detroit and Wayne county legislators are hot for the bill. No wonder Detroit river and Lake St. Clair are exempt and they "should worry." It seems rank injustice on the part of Saginaw and Detroit lawmakers to foist a measure upon the rest of the state when they themselves will not tolerate the same law for their respective localities.

No doubt these same localities will get the lion's share of the fish propagated by reason of the fund collected by the state game department, because of the \$1 road law and to which fund they will not be asked to pay one penny.

SPORT WRITER PAYS RESPECTS TO OTTAWA COUNTY SHERIFF

E. W. Dickerson of the Grand Rapids Herald in his column of sport comments, told a little story about a boxing bout, relating to Ottawa Co's sheriff, Delbert Fortney, which he saw in Muskegon some years ago. The little yarn will interest the people of Ottawa county. This is the way he tells it:

One of the hardest if not the very hardest fight that the writer recalls seeing in the ring was battled at Muskegon some eight or nine years ago. The contestants were Claude (Sandow) Goldner, now a Grand Rapids automobile dealer, and Del Fortney, now sheriff of Ottawa county. Goldner is a big good humored fellow without anything mean or vicious in his makeup. He was a very nifty boxer at that time and for three rounds knocked Fortney down at least 15 times. Each time Fortney was up and back at his work with a dogged determination that aroused the admiration of the crowd altho many afterwards said that they thought his judgment was bad in sticking to such a hopeless task. Finally the tables were turned and Fortney began doing some knocking down himself. First one and then the other would go down. Finally all the knocking down was being done by Fortney. The bout went the limit and perhaps made a new record Michigan in the number of clean knockdowns. If there are any gamier fellows anywhere than the Ottawa county sheriff trot them out and let us have a good look at them.

Apparently the "March Lion" must have jumped over into April.

Jacob Fris returned Friday night from a business trip to Chicago.

NEW PASTOR THROWS DOWN ANTI-SMOKING GAUNTLET TO FLOCK

Expressing himself as unalterably opposed to the use of tobacco and especially cigarettes among supposedly Christian church people, Rev. E. O. Schwitters, pastor of Bethel Reformed church, of Grand Rapids, threw down the gauntlet to his congregation and opened up his campaign Sunday to put the cigarette in the same place that liquor has gone.

Rev. Schwitters has been in Grand Hope College of a few years ago and is well known here.

Rev. Schwitters has been in Grand Rapids just five weeks, during which time, he said: "I have never attended a church meeting of any kind without being forced to breathe smoke-filled air. As your pastor, I insist on my original right to breathe pure air in the house of God, and not the atmosphere which has been contaminated with a thousand cigarettes."

"I confess," he continued, "that I have never before found so large a number of smokers within one church. Dozens of the young men are so enslaved to the habit that they must go out on the street between church service and Sunday school to take a few drags on a cigarette."

"The example set by you men who have a pipe or cigarette in your mouth three-fourths of the time will undo more work in six months than I can do in ten years. If you men continue to smoke about the church in the future as you have during the past five weeks, I might as well quit trying to do any work with the young boys."

"The cigarette in the mouth of a young man breeds a low moral intellectual and physical life and if a boy insists on continuing to smoke all the school teachers and preachers might just as well give up trying to do him any good."

"If you care to continue to force your wives and families to inhale the second-hand fumes of tobacco, you must settle that point with your conscience, but to come into the established house of God and compel those of us who do not smoke to breathe such an atmosphere, I say is going about ten miles too far."

"I am demanding of you only the same kind of clean Christianity that you want me to live, nothing more. God has never made a separate set of requirements for the preacher and the folks of the church. If this cloud of smoke continues about this church in the future at the meetings of church organizations, I will be the most unhappy preacher in Grand Rapids."

The Hope College School of Music will give two musical recitals at W. J. W. chapel the 25th of April and May. The School of Music has an enrollment of 68 students and it may be safely said that the two recitals of this spring will in no way fall short of any ever rendered before. Lovers of music should not hesitate to take advantage of an early announcement, and reserve these two nights for this occasion. Both the faculty and students will take part in the program.

FORMER ALDERMAN DIES IN FLINT

One of Holland's former aldermen passed away Sunday when death came to William Westhoek Sr., at the home of his daughter in Flint. Mr. Westhoek at one time was a prominent figure in the city council and he helped to make city history during the time that he served the Fifth ward as alderman.

Mr. Westhoek was born in the Netherlands 77 years ago. He came to this country as a small boy in 1847, being one of the Van Raalte company. The family settled in Zeeland where they lived for nearly half a century. Twenty-six years ago Mr. Westhoek and his family moved to Holland, and he has been a citizen here since. He and his wife were staying for a while at the home of their daughter in Flint when death came to Mr. Westhoek.

The deceased is survived by his wife and the following children: Mrs. Nell Albert, Chicago; Mrs. Nettie Scheppers, Flint; John of Muskegon, and William of Holland. The funeral was held Wednesday at two o'clock from the home of D. De Pree in Zeeland, Rev. Henry Harmelink officiating.

Russel Huyser who has been in Decatur, Mich., the past year has moved back to Holland.

The City of Grand Rapids will make its first trip out of Holland on next Tuesday night.

HIGH SCHOOL NOTES

Mr. Sirrine gave a demonstration of the Amplifier to the assembly on Thursday morning. Records played, and a speech given in the Physics laboratory were distinctly heard in the assembly room.

The regular meeting of the Kappa Delta Literary Society was held on Thursday evening. An original story "Spring Fever," was read by Katherine Keppel. A game of Anagrams "Floral Love Story," was played. The society gave a handkerchief shower for Miss Kolyn. All musical numbers were omitted on account of the play "Deacon Dubbs."

The Girls and Boys' Glee clubs gave several musical selections for the assembly Friday morning. The selections given by the girls club were: "Welcome Primrose Flower," "Schubert's Serenade," "Wanderer's Night Song," and "Beauteous Night." The boys glee club sang: "On the Road to Mandalay," and "Touring Round." John L. Kollen rendered two piano solos.

The assembly enjoyed a very pleasant program Thursday morning. Harvey Fairbanks rendered a violin solo, accompanied by Gerard Hanchett. He responded to an encore. Ruth Hyma gave a reading "A Chapter of Revolutions." "Peggy" Bergen sang several songs and received a loud, hearty applause from the entire student body.

The Sigma Chi Literary Society met Thursday evening. The country for discussion was Scotland and the American Poet was Edgar Allan Poe. Margaret De Weerd gave a report on Edgar Allan Poe, Ruth Hoekstra read a paper "A Day in Scotland." A report on Robert Burns was given by Dorothy Decker, Adelia Heneveld sang the Scottish Ballad, "Loch Lamond," and the "Highland Piper" rendered some Scottish music.

CHIEF VAN RY OFFERS FIFTY DOLARS REWARD

Some three years ago a man was caught and severely punished for turning in a false fire alarm, and then standing around the corner to watch the fire team run.

A week ago Saturday an alarm was turned in from box 121 corner Columbia avenue and 11th street. The glass was found broken and the box pulled, but no fire materialized.

Late Sunday night alarm was turned in from box 112 on the corner of Pine avenue and 17th street. Here again the glass was broken and the box pulled but when the firemen hustled to the scene they found nothing to cause an alarm to be sent in.

Periodically, miscreants get the bee in their bonnets to send in false alarms.

Most of these alarms are turned in late at night when no one is on the street, and there is little chance of catching the offender. Such a trick is contemptible to say the least, and no one but a "low-lived" individual would execute it.

Our firemen, some twenty in numbers, are right on their toes when an emergency call comes, and it is hard to ascertain what is going on in the mind of a person who will call these men from their warm beds on a cold night only to find out that a hoax has been played on them.

Chief Van Ry is offering \$50 reward to any person or persons who will give information that will lead to the arrest of the guilty party or parties, and you may be sure that if any are caught, the judge before whom such person appears will not be lenient in handing out his sentence.

SEES TWO BOYS RUN AWAY FROM ALARM BOX

Chief Van Ry and his men are diligently working on some meager clues incident to two false alarms that were turned in by some miscreants during the last week.

The chief has been informed by a lady living in the vicinity of 17th street, that Sunday night shortly after the alarm was turned in at 11 o'clock she saw two young men standing near the fire alarm box and when the whistle began to blow they ran away with all possible speed.

Although this information does not give the police a very big lead, Chief Van Ry is following it up as best he can.

We restate that the chief of police offers \$50 reward for anyone who will give information that will lead to the arrest of the guilty parties.

PILGRIM MEMORIAL ERECTED BY HE DUTCH

The Dutch in this country are endeavoring to erect a memorial church in co-operation with the descendants of the Pilgrim Fathers, on the historic spot in Delfschaven from which they sailed 300 years ago. On the facade of the church will be written "Erected by the descendants of the Pilgrim Fathers and through the gratitude of the churches in America."

A resolution introduced in the house by Rep. A. T. Robinson, the chairman of the house liquor committee, would authorize the state administrative board to sell the state's confiscated liquor. The stock, that is held by Fred Woodworth, of the state food and drug department has become cumbersome and, according to the intent of the resolution, if it could be disposed of legally, a considerable sum could be realized for the state's general fund.

Making the Turn from Lumbago to Health

Health Talk No. 18

By JOHN DE JONGE, D. C.

Lumbago is a form of muscular rheumatism. Muscular rheumatism contracts the muscles either at the nerve ends or at their point of attachment. When muscular rheumatism is located in the lumbar region, or small of the back, it is called lumbago.

Lumbago is accompanied by fever and the pain is intense. Movement is impossible. The victim can seldom turn over in bed. The trouble is caused by pressure on lumbar spinal nerves and spinal nerves to the kidneys. Chiropractic spinal adjustments restoring a full degree of nerve power to the affected kidneys and muscles brings back the normal condition of health.

Chronic Lumbago for 37 Years. Now well.

"I suffered with my back for thirty-seven years and neither M. D.'s nor medicine could cure it. I decided to try chiropractic and to my great surprise, my back got well. I don't understand it, but it brought a wonderful result." — W. H. Flack, Chiropractic Research Bureau, Statement No. 1256L.

NEEDS OF SEMINARY ARE PRESENTED

The Western Theological Seminary Life Service team journeyed to Forest Grove Sunday afternoon, for the purpose of presenting to the congregation of the church located there the various needs of the church.

John R. Mulder of the senior class had charge of the meeting. Mr. P. Baker of the Junior Class addressed them on "The Call to Church Work." Benjamin Laman of the Junior class rendered "The Call to the Ministry," and Adam Westmaas of the Junior Class presented "The Call to Missions."

The Seminary quartet assisted by Tennis Baker of Hope, rendered several selections and Messrs. Elmer and Morris Schepers sang two vocal duets accompanied by Miss Sussanah Hamelink.

The team addressed a large and inspiring audience in the church of which Rev. G. Vander Linden of the class of 1919, is pastor.

Sunday night the team had charge of the evening services of the 4th Reformed church of Holland. Rev. J. F. Heemstra opened with prayer after which C. Wierenga of the Junior Class took charge. Adam Westmaas talked on "The Call to the church." Ben Laman, "The Call to the Ministry," and C. Wierenga, "The Call to the Missions." The quartet also rendered several musical selections. The collection taken was for the benefit of the C. E. society, to make up their quota for the State convention dues.

A MOST PECULIAR DEATH IN ALLEGAN COUNTY

Mr. and Mrs. Hottors living in Allegan county, near Allegan City, were greatly shocked when they discovered that their baby died in a most peculiar manner, the cause being apparently unknown.

Hottors was driving his wife and baby in a motorcycle with a side car to Mill Grove, to the home of their parents.

When arriving there they found that the baby was lying dead in the lap of the mother.

The party stopped off at a little town by the name of Babylon when the baby was found well and happy. But when the destination was reached they found that the little one had expired.

What caused the death nobody seems to know, altho it is not beyond a possibility that a swiftly moving open car might have hampered the child's breathing, and if the infant was not in a healthy condition might have brought on serious results.

MASON COUNTY TO COLLECT FROM THE SUPERVISORS

Mason county supervisors and the former supervisors must pay to the county treasurer several hundred dollars which they are said to have collected illegally under a per diem charge of \$5 a day.

The news was broken to the board Wednesday by Prosecutor R. J. Quail. He claimed the law allows but \$4 a day. Further, he stated the board remained in session four days in April last year, whereas he declared length of spring term is fixed at three days by statute.

Computations hastily made indicate that the county treasurer will be reimbursed to the extent of \$800 to \$1,000.00 when the supervisors settle.

Prosecutions will follow, Mr. Quail stated in cases where supervisors fail to act.

VAUDEVILLE PLAYERS LOSE LIVES ON OLD STEAMER HOLLAND

Identification of two more victims of the Crosby steamer Holland that went down in October, 1919 at the entrance of Muskegon harbor, was practically made by a letter from Pulver & Bush, attorneys of Owosso, who are seeking information regarding Mr. and Mrs. Schooley. The attorneys are seeking the information for Earl Schooley of Coruna, a brother of the missing Schooley.

The letter brings to an end, it is believed, the long investigation as to the identity of the woman passenger whose body was picked up a short time after the boat went down and which was held at the Balbrinny morgue at Muskegon for several weeks awaiting identification. The body was finally buried in Lakeside cemetery at Muskegon without being identified.

Mr. and Mrs. Schooley were vaudeville actors and were known on the stage as Harry and Kitty Guy.

Mr. and Mrs. Schooley were on their way to Marshall to visit friends and since they boarded the City of Muskegon, that night no word has been received from them.

The steamer City of Muskegon was formerly the old steamer Holland of the Graham & Morton Line plying between Holland and Chicago.

INJURIES ARE FATAL TO OTTAWA COUNTY MAN

Trokov Lacina the Robinson township man, who was badly hurt in a runaway accident on Washington-st. Grand Haven, last week Tuesday, died at Elizabeth Hatton Memorial Hospital Thursday morning at ten o'clock. Since the accident, he has been constantly at the point of death and never recovered consciousness.

Lacina, who came from Chicago this spring had a farm in Robinson township. Tuesday he drove to Grand Haven and his horse becoming frightened at a passing motor car, started to run away. Lacina was thrown out striking his head on the curb. He was rushed to the hospital where his injuries were pronounced very serious and little encouragement for his recovery could be given.

Deceased was 58 years old. He is survived by his wife and two sons. Several years ago he lived on a farm near Grand Haven, but returned to Chicago, coming back this spring to start farming again.

LOOK FORWARD TO COUNTY TOURNAMENT

The men of the Holland V are looking forward to April 26, when the delegations from the other "Busy Men's" Groups come here for the County Volley Ball Tournament. The twenty-five or more who journeyed last Tuesday evening to engage the county-seat men in friendly contest are leading the boosting for the coming event when Holland is the host.

Holland's end of the arrangements will be in charge jointly of the physical and social department of which Mr. J. Fris and Wm. Vanden Berg are chairmen respectively.

At the regular meeting of the Gym. class Monday night, when a full attendance is expected plans will be completed to entertain the visitors in true Holland style.

PASSED SHOTS 60 YEARS AGO; NOW CIGARS

An incident occurring at Saugatuck shows the cordial fraternity existing today between those who wore the blue and those who wore the gray sixty years ago. William Goggin, of Douglas, an ex-Confederate soldier, presented through Comrade White a box of Lincoln Highway cigars to the members of J. M. Post No. 460, G. A. R. This act was to show his appreciation for courtesies and services by Douglas members of the post during the illness and at the funeral of his wife, whose death occurred recently.

The Will That Was Never Written

After his sudden passing they found in the top drawer of his desk a blank will. There it had lain for months, staring at him accusingly, awaiting attention.

Then the summons came, as unexpected as always, and instead of the careful provisions he intended to make for his family's future, the estate was thrown into court. His widow was burdened with financial responsibilities for which she had no experience, and a son with immature judgment received a lump inheritance, soon dissipated.

Have you too been putting off this important matter? Send now for our helpful booklet, "Safeguarding Your Family's Future". It is free.

They Got Caught!

You are sorry, of course, for the thousands of poor birds that have been caught, right in their nesting season, by the unwelcome snowstorm. You are hoping that the snow is melting today for the last time this season.

While stormy weather is still on your mind, however, wouldn't it be wise to consider that, at the very most, it will only be a few months before you will be wanting the healthful, economical home-comfort that the Holland Furnace provides?

Why not "take time by the forelock," and avoid getting caught by sudden storms in the Fall. If you prefer, you can arrange to pay for your Holland next winter, and in the meantime you have the comforting assurance that it will cost no more to buy now. Should the price come down, you will get full benefit, as stipulated in the contract.

In fact, you will find ALL the terms of the Holland contract written, just as WE should want them written were WE doing the buying instead of you.

Of course, you appreciate, too, that the fairness of a contract is no more vital than the signature attached to it. You will readily see the importance of placing entire responsibility for your home heating system, directly on the largest installers of Furnaces in the world.

One thing we KNOW you won't forget, and that is that

Throwing Bouquets at the Local Press

Holland, Michigan,
April 20, 1921
Benjamin A. Mulder,
Holland, Michigan.

Dear Sir:

At a recent meeting of the American Legion Willard G. G. Leenhouts Post, No. 6, it was the unanimous sense of the meeting to extend a rising vote of thanks to both the Holland City News and to the Holland Daily Sentinel for their untiring efforts in fostering the cause of the Ottawa soldiers, in backing up the proposal for "soldiers' bonus."

The efforts of the local press in presenting the proposition plainly and honestly is reflected in the vote in Holland and in Ottawa and Allegan counties. The local papers, we have noticed backed this project as wholeheartedly as they have every other meritorious proposition incident to this community, that presents itself.

Therefore, we thus publicly wish to acknowledge our appreciation for your services rendered in this particular instance especially, ever being mindful of the many other occasions when the local press has not been backward in lending its aid.

Sincerely,
Willard G. Leenhouts Post,

Special sessions of the Legislature cost the state from \$17,000 to \$25,000; it depends on how long the special session runs. The constitution fixes the compensation of legislators at special sessions at \$5 for each of 20 days with no compensation thereafter. The special session which Gov. Groesbeck will call about May 20 to enact the soldier bonus legislation may not last more than a week. The constitutional provision that no bill can be passed until it has been in possession of each house five days does not apply to bills at special sessions.

Jack Hinman, a deputy sheriff of Kent county, was arrested on complaint of ex-Sheriff Cornell Dornbos on the charge of speeding. The former sheriff was on his way to Grand Rapids and was attempting to pass a gravel team near Georgetown, when the deputy sheriff who was going at a high rate of speed tried to wedge his way through between the team and the Dornbos car. Dornbos was forced to drive his machine so close to the side of the road that it nearly went over an embankment. The deputy sheriff pleaded guilty before Justice Brusse and paid \$9.60.

CENSUS MACHINE WORKS SMOOTHLY TUESDAY NIGHT

By a careful division of labor and further by a careful assignment of territory, the religious census of Holland was taken Tuesday evening in about an hour and a half. An almost complete canvass of Holland was made during that short period by the three hundred or more persons engaged in the census under the auspices of the Men's Adult Bible Classes of the city.

In nearly all homes the men who made the canvass were courteously received and the information was given gladly. There were a few cases of persons who refused information, but such cases were relatively rare. It was announced by the executive committee that all such cases will be visited again by a special committee in an attempt to make the census complete in every respect.

FRANK KNIGHT WAS ON FLAG SHIP DURING WAR

The officers of the American Legion band will have on their program a man of some note, in the person of Frank Knight, one of the members of the Marimbophone quartet.

Knight was one of the musicians on the flag ship Pennsylvania of the Atlantic fleet, during the war. Mr. Knight knows a great many of the phases of naval maneuvering as these pertain to the American fleet, when our ships were largely instrumental in holding down the heavy toll taken by Germany thru its submarine warfare during the World war.

It is therefore especially interesting and appropriate that Mr. Knight should be one of the artists in a concert that will benefit the American Legion of which he himself is a member.

The Woman's Literary Club, Tuesday afternoon listened to an instructive and interesting program, the main part of which was in charge of Mrs. J. C. Post. Under the head, "Current Events—Literature," brief synopses of six recent books were given in the following order: W. J. Locke's, "The Mountebank," was given by Mrs. C. H. McBride. Mrs. McBride said that one of the distinguishing marks of the book was the loyal friendships it portrayed. Frederick O'Brien's "White Shadows in the South Seas," was presented by Mrs. C. J. Dregman;

Arnold Mulder's "The Sand Doctor," by Mrs. V. L. Dibble; Sinclair Lewis' "Main Street," by Mrs. L. M. Thurber; Arthur Stringer's "The Prairie Mother," by Mrs. S. R. Mc Legn; and Knut Hamson's "Hunger," by Mrs. J. S. Ossewaarde. "Hunger," was written 25 years ago but was not translated from the Norwegian into English until recently after Hamson had won the Nobel prize for literature.

The greater part of the afternoon was devoted to the subject "Michigan Institutions." Mrs. Raymond Viascher gave an account of the University of Michigan, of which institution she is a graduate. She told of its financial needs and asked that the club back a bill now before the legislature appropriating more money for the university. The recording secretary was instructed to convey the club's sentiments on this score to the proper committee in the legislature. In a talk on the Michigan Agricultural College Mrs. Mayo Hadden gave special attention to the Home Economics Department in which she was enrolled for several years.

The Normal College of the state were thoroughly covered by Miss Lyda Rogers, who brot out many interesting facts about them. Mrs. John Vander Veen told of the School for the Deaf at Flint. While visiting this institution she was presented with a very pretty gavel which she in turn has presented to the club. The School of Mines at Houghton was discussed by Mrs. L. M. Thurber; the Industrial School for Girls at Lapeer by Mrs. G. J. Diekema; the State Hospital at Traverse City by Mrs. G. J. Van Duren; the State School for Children at Detroit by Mrs. J. F. Dryden.

The music for the afternoon consisted of two clever cantillations by Mrs. George Pelgrim, and a solo, "The Gypsy Song," by Miss Wickes, accompanied by Mrs. Robbins.

The club voted to combine all working divisions next year and hold two rummage sales during the year. Mrs. Dregman, chairman of the finance committee, asked all the members who have not yet returned their pledge cards but wish to contribute, to do so this week so that the committee can make a report.

Prof. Albert Raap returned from a trip to Chicago and Wisconsin, which he made in the interests of Hope College. Prof. Raap addressed the Classis of Illinois at the Bethany church Monday evening, and the Classis of Wisconsin at Sheboygan Falls, Wisconsin Tuesday, and also took part in a public meeting held there Tuesday evening. On Wednesday he visited and addressed the student body of the Wisconsin Memorial Academy, and was a guest at a banquet of the Men's Society of the First Reformed church at Chicago in the evening, on which occasion he spoke in behalf of Hope College.

OLD GENTLEMAN OVERCOME BY GAS

Jake Mollengraaf of 68 W. 8th street, who is 81 years old, narrowly escaped death early Wednesday morning, when a gas stopcock in his bedroom accidentally was opened, filling the rooms with the fumes.

His granddaughter, Mrs. Henry Mollengraaf noticed that the gas meter was registering in basement and since she was not using gas at the time she investigated and found the old man unconscious in bed.

Dr. Westrate was called and it was some time before the old gentleman was revived. He is said to be out of danger.

THE LATEST DRIVE IS A HOLSTEIN BULL DRIVE

Nearly every kind of drive imaginable has been launched in this country for the benefit of Europe.

The latest drive is one for 1,000 bulls of the Holstein variety.

Michigan's quota is 100 bulls and these have already been gotten together.

One of the promises that this country made to France was that it would help to rebuild that country. The war destroyed a greater part of the French Dairy industry and the promise to re-establish this industry in France has been fulfilled.

Western Michigan especially came in to do its share, in sending the Holstein breed of cattle to France, for the reason that this vicinity has taken hold of breeding that strain of cattle extensively.

Several wealthy Grand Rapids men have taken up fancy cattle raising as a hobby, but their propagation of high grade stock, altho only a side line has done a great deal to put higher grade cattle on the farms of Michigan.

It is upon these men that the committee having the bull drive in charge, called for assistance, and among those whose names appear as contributing to this drive are Joseph Brewer of the Holland Gas Co., Benjamin S. Hanchett, formerly of the Holland Interurban, and Dudley Waters well known in Holland, who spends his summers at Ottawa Beach.

A train load left the middle west for the seaboard a few days ago and painted on the outside of the long chain of cars was the following: "1,000 Holstein bulls for France."

GULBRANSEN (Pronounced Gul-BRAN-sen) PLAYER-PIANO

Harry (the Guest)—"Golly, a fellow can certainly get some real music out of this Gulbransen."
Billy (the Host)—"Yes, it's actually got me interested in playing well. No other player-piano like it."

The Gulbransen Teaches You To Play Well

If you enjoy music as a listener you will doubly enjoy it as a performer—and you will play the Gulbransen well, learning quickly.

It is the piano which makes unnecessary the years of practice hand performers must put in. Yet it gives you all their range of expression—and full command of it—in a week or two.

NATIONALLY PRICED.—Gulbransen Player Pianos, three models all playable by hand or by roll, are sold at the same prices to everybody, everywhere in the United States. Price, branded in the back of each instrument at the factory, includes six Gulbransen instruction rolls and our authoritative book on home entertaining and music study with the Gulbransen. Liberal allowance for your old Piano. 1921 reduced prices:

WHAT DOES A MARIMBOPHONE LOOK LIKE?

Music lovers no doubt know the names in uses of most musical instruments, but the layman can only pick the bass and snare drums and the biggest horns in the band.

Many readers want to know what a marimbophone is, one of the instruments played in the special numbers.

The best way to find out is to attend the concert on Thursday evening, which will be given by the American Legion Band of this city.

The members of the organization will come forth spick and span in their new uniforms and their first appearance is looked for with interest by Holland citizens who generally speaking, have the welfare of the band at heart.

It takes money to keep a band going. No one ever made a penny by belonging to a band organization such as Holland has. Home pride and the love of music are the incentives that keep the American Legion band together.

These young men have put in six months of hard work educating themselves in the art of band music.

Night after night has been spent in the most difficult work, until the local musicians have mastered a program that will be a rare treat.

One of the greatest trios in Michigan will be on the special program. The instruments used are violin, harp, and marimbophone. This innovation alone is worth the price of admission, altho it constitutes only a small part of the entire concert.

Thomas Carey, the well known banjo vaudevillian, who has traveled the country from coast to coast, will also be a special card on Thursday night.

Our own Gerrit Ter Beek and William Vander Hart, the former a soloist and the latter a reader, both have some real surprises in store. These men have done a great deal of volunteer work on other occasions, and have never failed to please. For the band concert they have been working on some numbers that are absolutely new.

The program to be given by the band has not yet been completed, but below will be found that section of the program which is to be rendered by the Marimbophone trio:

- Group One**
"Orpheus in Der Unterwelt" (Overture)..... Offenbach
Marimbo Solo

FIRST STEAMER OUT OF PORT TO HAVE A LOAD

The first Graham & Morton steamer of the season is expected to steam into the harbor Tuesday morning at about seven o'clock. The "City of Grand Rapids" left winter quarters at Benton Harbor Sunday night for Chicago and will leave Chicago Monday evening for Holland. The steamer will make its first trip out of Holland Tuesday night soon after the 8:10 interurban, local time, arrives with its load of passengers from Grand Rapids.

Local Agent Johnson, who began his work in Holland this season, on Monday began to receive freight for the first load and the indications are that there will be a full load on the big vessel when it steams out of the harbor for the first time. Reports from the interurban office at Grand Rapids also indicate that a great deal of freight is being collected there for the first trip across the lake.

Captain Michiel Morgan will again be in command of the "City of Grand Rapids" this season, and the same purser, Harry Arnold, will be with the vessel again. The boat has a new first officer this year in the person of Andrew Volt who takes the place of Bud Fisher.

Captain Williams, well known here, who sailed the "City of Benton Harbor," and who death occurred in Cleveland a week or two ago, will be succeeded by Captain Con McCauley. Captain McCauley has been in command of some of the best vessels in the Goodrich Co. fleet, and last season he sailed one of the Grand Trunk carferries out of Grand Haven.

The ne superintendent of the Graham & Morton Line, Captain E. E. Taylor, who takes the place of Wm. Morton who died a few weeks ago in Chicago, sailed the steamer "South America" the past two seasons. Before that he was captain of the "Alabama" of the Goodrich line.

"The City of Benton Harbor" will not go into commission until the daily schedule begins.

GET REPORTS FROM DISTRICT CONVENTION

Friday afternoon the W. C. T. U., met at the home of Mrs. E. J. Blekkink, a large number of members being present. After the devotions in charge of Mrs. Nettinga, assisted by Mrs. Van Ark, Mrs. Welmers and Mrs. Van Dyke, the reports of the Fifth District Convention held recently at Grand Rapids, were given by Mrs. Post, Mrs. Blekkink, Mrs. Visscher and Mrs. Smith.

Mr. Henry Geerlings was present and spoke to the Union in regard to the Salvation Army drive to be held soon in Holland. He asked the Union to assist the committee in soliciting for this drive. A number of the members have signified their willingness to help in this work.

Miss Harriet Stekete sang very sweetly "Four Leaf Clover," by Brownell, and "The Prayer Perfect," by Stenson. Miss Jeannette Albers gave two piano solos, "Evening Star" and "The Butterfly," while Mr. De Weerd accompanied by his sister, gave a violin solo, "Viennese Popular Song," by Kriesler.

The next meeting, which is to be an open meeting is to be held at the home of Mrs. W. Winstrom. Tea and wafers were served by Mesdames

"ENGAGED COUPLES" PARTY IS HELD

Something new was initiated by the students of the Western Theological Seminary in the line of social activities, when an "engaged couples" party was held at 264 E. 11th street Friday evening. Ella Atwood and James Stegeman acted as hostess and host. Other guests were: Miss Janet Schoon and J. R. Mulder, Amelia SyWassing and John Ter Borg, Louise Ella Weaver and Bernie Mulder, Cara De Witt and Gerrit Timmer; Dena Weersing and John Klaaren.

The party was favored with a short musical program and enjoyed a pleasant social evening afterwards.

PERSONALS

Ex-Mayor Henry Brusse has returned from an extended trip and will be home for a week.

Stewart Boyd and Jud Huntley have returned to Ann Arbor after spending the vacation in this city.

Miss Jean Strove left Wednesday morning for Lansing where she will be employed by the government.

Mrs. C. Blom, Jr., and Miss Mabel Lewis were Grand Rapids visitors on Tuesday.

Mrs. Simon De Groot is improving after her recent illness.

HOLLAND FRUIT GROWERS SAY "MUCH DAMAGE IS DONE"

"The real damage to fruit," said G. J. Deur of Holland township, "was not so much by the snow and sleet, but by the heavy frost between Sunday and Monday night. The thermometer registered 22° above zero Sunday night, which is ten degrees below freezing.

"Wheat and oats may have suffered here and there where it was uncovered but no great amount of damage was done, because of the heavy fall of snow. Strawberries, too, are well covered, and did not suffer greatly. Peaches and cherries were dealt a severe blow not so much from the snow and ice of the last few days, but the thaw of Sunday followed by a heavy frost, got in its deadly work on the advanced buds and some of the orchards which were already in blossom.

"Everything is about three weeks ahead because of the mild summery March, and naturally this wintery weather played havoc with all crops that were exposed.

"Small berries and late fruit crops will not suffer in the same proportion that peaches and cherries did."

From other parts of Ottawa Co. it was reported that serious damage was done and especially in North Ottawa.

Delbert Parkhurst, prominent fruit man, who owns a 40 acre vineyard at Spring Lake township, states that it looks to him as tho his entire vineyard is killed, and what is so of his grapes, must in a measure be the condition of the many other vineyards.

Although it is too early to state positively, it is believed the plum, cherry and pear trees are badly damaged. All fruits that have started to bud are damaged. Raspberry plants are believed to have been harmed some, but the strawberry plants, being on the ground are protected by the snow, altho in some instances snow and sleet have protected fruits they have failed to do so this time.

Fruits farms along the Grand River valley did not suffer so much damage. There are few peach orchards around here and they are believed to be safe. Apples, except where beginning to bud, are safe. The extent of damage around Spring Lake is estimated to be between \$100,000 and \$150,000 according to Mr. Parkhurst.

The state press has the following storm dispatch relating to Ottawa and Allegan counties: "A driving northeaster swept over Ottawa and Allegan counties, leaving a path of frozen and desolate orchards in its wake. The cherry crop is damaged farmers say. Small fruits and berries suffered great loss, while pears and apples were not damaged to any great extent.

"Trees and bushes were covered with a quarter-inch coat of ice. Slippery rails slowed up electric trains."

BOYS AND GIRLS WIN HONORS IN ORATORY

Gladys Kleinhessel and Amy Zwemer were the winners of first and second honors in the girls oratorical contest by students of the Preparatory Department of Hope College, and Charles Loomans and Nicholas Bruinix were winners of the first and second prizes in the boys' contest. Following were the speakers: "America, Our Sacred Trust," Gladys Kleinhessel; "America, Our Sacred Trust," Amy Zwemer; "The Patriotism of Peace," Charles Loomans; "The Life of Service," Nicholas Bruinix.

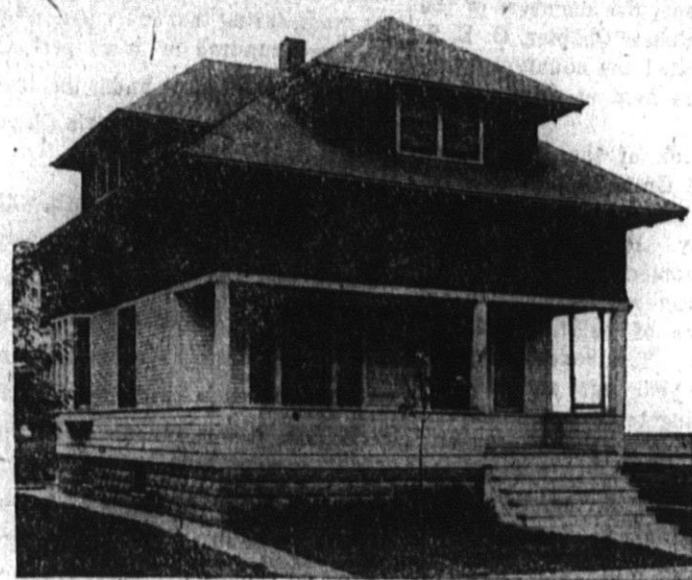

STOLE SIX CASES OF MUSKOGON LIQUOR

After taking orders for \$1,000 worth of "fine old stuff" which it is said he had transported to Muskegon by automobile and left parked in the tonneau of the car in a garage, an alleged Detroit "bootlegger" was unable to deliver the goods according to a report made to local police. While the merchant was negotiating with thirsty customers some one stole the 6 cases of stock. Steketee, Kooiker, Miles, McNaughton and Bigge.

SUPERVISORS CLOSE SPRING SESSION THURSDAY

The spring session of the Ottawa county board of supervisors closed at noon Thursday and the board took its final adjournment until the regular June session. The statutes permit only three days for the spring session, and it is necessary to crowd a great amount of business into a very short space of time.

During the present session the board has been organized for the year with Gerrit Yntema as chairman, and the selection of an auditing committee. A great many bills were audited and presented to the board for allowance. Before the adjournment Thursday the accounts were allowed.

The present session of the board was a very smooth one. From the opening day, utmost harmony prevailed, and while no greatly important measures comes up as a test there never was a hitch all through.

Chairman Yntema has announced his standing committees as follows: Finance—VerHage, Osterhaus, Richards, Vander Werf, Ossewaarde. Qualification—Nibbelink, Chamberlain, Smith, Van Anrooy, Roek. Taxes and Apportionments—Luther, Turner, Donahue, Luers, Vanden Berg. Printing and Stationery—De Koeys, Johnson, and Brown. Forestry—Ossewaarde, Richards, Vanden Warf. Schools and Education—Turner, Lubbers, Smith. Infirmary and Poor—Smith, Huizinga and Lubbers. Buildings and Grounds—Van Anrooy, Cline, Vinkemulder. Insane—Vinkemulder, VerHage, Ossewaarde. Roads, Drains and Ferries—Tripp, Brown, Chamberlain, Johnson, De Koeys. Good Roads—Chittick, Luers, Elliot, Rutgers, Roek. Agriculture—Donahue, Luther, Tripp. Public Health—Vanden Berg, Turner, Huizinga. County Officers—Rutgers, Elliot, Chittick.

LANSING MAN JOINS ZEELAND FIRM

During the past week a change was made in the organization of the VanHoven-Vereeke Co., of Zeeland, whereby Leonard Van Hoven of Lansing, acquires an interest in the company.

The new partner is a son of Jacob Van Hoven and has spent the last 12 years in Lansing serving the state in the capacity of accountant for State Tax commission for nine years and for the last three years held the position of office manager for the United Engine Co. of that city.

WOULD ERECT MEMORIAL IN CENTENNIAL TENNIAL PARK

The Woman's Auxiliary of the Willard G. Leenhouts Post, American Legion, at its meeting in the city hall Wednesday evening took the initial step looking toward the erection of a memorial to Holland's soldier dead in the World War. The plans are still somewhat nebulous, but at least a beginning has been made, and the Auxiliary members are open to suggestions from any source as to what form the memorial shall take and as to other details in connection with it.

The tentative plan is to erect a memorial somewhere in Centennial Park, perhaps in the form of a column with the names of the Holland boys who died in the war inscribed on it, or otherwise in the form of an arch at one of the entrances of the park. These are merely the first suggestions made at the meeting on Wednesday evening. It is possible that other plans might be suggested that would meet with still greater approval. The Auxiliary would like to take the public into partnership in the venture and is ready to meet the wishes of the public as far as possible.

The Auxiliary will begin collecting money for the memorial by means of doing work that shall bring returns. The organization has various ways of earning money, and from now on this money will be placed in a soldiers' memorial fund. Any donations and gifts by individuals or by local organizations will also be gladly received and placed in the same fund. No campaign for money is contemplated, the idea being to make the whole thing a free-will offering on the part of the people of the city.

No committees have as yet been appointed and the movement is only in its infancy, but the Auxiliary has started upon a definite policy of working for a memorial that is expected to spell success.

Franklin Cappon of Holland, with twenty other Grand Rapids folks, was gathered in for speeding on the Furniture City streets. Each paid a fine of \$20 besides the costs. Well "Cappy" is a fast boy wherever you may put him and he should not mind a little thing like that.

BLOM WINS HIS CASE IN CIR- CUIT COURT

A very interesting case was fought out in circuit court Thursday with a verdict in favor of Geisbert Blom. The veteran drayman sued John Mulder, a next door neighbor, claiming that Mr. Mulder had two feet of Blom's property on East 14th street. Mulder claimed that he had occupied the property for 15 years or more, and endeavored to prove it by a line fence between the Mulder and the Blom homes.

Apparently Mulder could not make his contention stick, for the jury returned a verdict giving Mr. Blom the two feet.

Mr. Blom was a card on the witness stand, and although the court generally frowns upon laughter, which is against all court ethics, the Holland man in his quaint way kept the audience and the jury in constant good humor, in fact some occasions brought a roar of laughter from the jury and a smile from the judge.

Attorneys Robinson & Den Herder handled the case for Mr. Blom, while G. J. Diekmann and Clarence Lokker looked after the interests of Mr. Mulder.

GRAND RAPIDS WOMAN ADDRESSES D. A. R.

The Elizabeth Schuyler Hamilton Chapter of the D. A. R. met Thursday afternoon at the home of Mrs. Telling on West 11th St. The guest of honor and speaker for the afternoon was Mrs. Carolyn Brayton of Grand Rapids who was the organizer of the Holland Chapter 13 years ago. Mrs. Brayton gave a resume of the work that has been accomplished by the Michigan chapters, and also gave many interesting facts concerning Memorial Continental Hall in Washington, D. C.

The May meeting will close the year's work and at that meeting officers for the following year will be elected.

ASSISTANTSHIP AWARDED TO HOPE SENIOR

Two scholarships in a single week is the record of the Senior class of Hope College. A few days ago the announcement was made of the award of a scholarship to Theodore O. Yntema, and Friday word was received by the chemistry department that a graduate assistantship has been awarded to Mr. John Wierda, another member of the class. The assistantship is given by the chemistry department of the University of Illinois and provided a stipend of \$300, together with tuition and breakage.

FURNACE CO. OF HOLLAND REPORTS A GOOD YEAR

The Grand Rapids News has the following relating to a Holland concern and men from Holland who are handling the Home Furnace in Grand Rapids.

"The Home Furnace Co. of Holland, Mich., reports a big increase in sales in Grand Rapids and has opened two additional branch offices in the city. John J. Sweet is district manager in the south district of Grand Rapids, with offices at No. 15 Shelby street, S. W.

"One of the new branches has been opened at 341 Leonard street, N. W., with C. Van Koeveing as branch manager.

"The other new branch is at 1016 Fulton street, E., with Henry H. Barkema in charge of the sales.

"Mr. Van Koeveing, besides handling the work on the west side of Grand Rapids has Kent City, Sparta, and Rockford in his territory. He has been connected with the Home Furnace company for several years in Battle Creek and Muskegon before coming to Grand Rapids. A complete display of the furnace set up and knocked down is on display at his office.

"Mr. Barkema has been engaged in the furnace business for many years, spending most of his time as an installer. He has been with the Home Furnace company at the Grand Haven agency for the last two years. His territory in Grand Rapids included the second ward of the city and the northeast section of Kent county. He has already installed a number of the Home hot blast furnaces.

"More than 90 per cent of the new homes in Grand Rapids are being equipped with warm air furnaces, according to Mr. Sweet, who reports that his company has had an exceptionally good year. The plant at Holland is being enlarged, the business having increased beyond all expectations.

"Mr. Sweet has been with the company for five years. He says there is a Home hot blast furnace in every three blocks in Grand Rapids and that every owner is a booster."

ZEELAND COUNCIL IS NOW MINUS ONE MEMBER

As a result of a disputed election for one of the members of the board of aldermen in Zeeland, there is a vacancy in that board. John N. Haan and A. Van Koeveing were running for the place, but neither one has qualified. Mr. Van Koeveing makes the following announcement in this week's issue of the Zeeland Record:

"Since we went to press last week Thursday afternoon, before the Common Council was in session, we stated there was going to be a recount on the vote for aldermen on petition of John N. Haan. It appeared to us at the time of going to press this was the case, but later developments proved that the recount was not held as Mr. Haan reconsidered the move before the court was instituted. Since this leaves the issue of who was entitled to being declared elected. Haan or Van Koeveing, a debated question, we are pursuing a course in the only honorable way we have and do as we publicly said we would do at the meeting of the council: that we would fail to qualify for the office. We are only hoping this will meet with the approval of the general public because the office can readily be filled by very capable men."

NEW DIRECTORY TO BE OUT BEFORE JUNE

The new Holland city directory, being compiled by the R. L. Polk & Co., is progressing in good shape. The work of gathering the information will be completed a week from today. All the homes in the city have been visited with the exception of those in the territory bounded on the north by East 9th street, on the south by 18th street, on the west by Central avenue and on the East by Lincoln avenue. This does not include College avenue, which has been completed.

The book will be given to the printers very soon after next Saturday, and James G. Cypher, in charge of the work here, declared today that the book would be out before June first. It will be a volume about twice as large as the one now in use in Holland, and will contain between 550 and 700 pages.

Mr. Cypher declared that the merchants of Holland have supported the project well with their advertising and he is pleased with their cooperation. Mr. Cypher particularly thanked the people in the homes for the invariable courtesy shown the solicitors. In practically every home the solicitors were received in a friendly and courteous manner and were given the necessary information without waste of time.

The names in the book will be absolutely correct, provided the people who gave the information gave them correctly. The utmost care has been exercised to get the spelling exactly as given. Even such names as "Smith" or "Brown" were not taken for granted. In every case the householder is asked to spell the name and the spelling given is followed carefully.

Some queer kinks are found in spelling names however. For instance one man spelled his name with a "1" while his two sons spelled the same name with a "J".

HOPE SOCIETY GETS READY FOR ENTERTAINMENT

For many years the Meliphone has had the honor of introducing the commencement week at the end of school year with a program. The society this year has started early in selecting a play for the occasion and will present a comedy farce, written by Harold Hale, entitled "What they did for Jenkins." The comedy is in three acts, and the scenes take place in a hotel lobby. A controversy over the sale of some fake stock in a firm which Jenkins is attempting to establish, causes the complications to arise. Andrews, a bald-headed villain is a questionable figure in the affair. The cast of the play has already been selected and has begun practice under the direction of Mr. Winfield Burggraaf, the coach.

Following is the personnel of the play:

Jenkins—President of U. S. Plow Co. Raymond Kuiper
Andrews—Bald-headed villain Delbert Kinney
Saunders—Reporter Oscar Holkeboer
Taylor—Reporter Wells Thoms
Troy—Editor of Evening Mail.
..... Frank Huff
Bates—Manager Charles Looman
Williams—Manager of the Hotel.
..... Peter Vos
Richfield—N. Y. Banker.
..... Chester Yntema
Fairbanks—Manager Dept. Store
..... Gustav Schroeder
Farnsworth—Lawyer, Rensselaer
Wilson—Stockholder.
..... Nicholas Bruinix

Langdon—Servant at the Hotel, Theodore Luidens
Detective. Walter Bolks
Elwood Geegh is the president of the society. Besides the play, which will be given free to the public, several numbers will be given. About fifteen members of the society will leave this year, with the graduation of the "A" Class. June 10 is the date of the play, and will usher in one of the biggest commencement weeks in the history of the institution.

IN MEMORIAM

Hamilton, Mich., April 12, 1921
In sad, but loving memory of our dear father and husband, who left us thirteen years ago the 14th day of April.
Call not back the dead departed.
Anchored safe where storms are o'er.
On the border land we left him,
Soon to meet and part no more.
When we leave this world of care,
We shall find our Missing loved one,
In our Father's mansion fair.

LOCALS

John W. Post was granted a license by the common council Wednesday night to conduct a pool room at 74 East 8th street.

Mayor Vande Water of the High school and members of the high school council were visitors at the meeting of the council Wednesday night. Mayor Stephan invited Mayor Vande Water to sit on the platform during council session.

Ald. Brieve, chairman of the committee on poor, reported to the council last night that the sum of \$115 had been expended for temporarily relief the past two weeks.

Cor. De Keyser, real estate man, has put up a large double sign, eight feet high on the corner of the Post building, where he is located.

After the regular council meeting last evening Mayor Stephan took the members of the council to Keefe's restaurant where he set 'em up to a little spread and an hour was spent in pleasantries and incidentally and informally discussing matters of city interest.

MORE OWNERS

NOTIFIED TO

REPAIR WALKS

If present plans materialize, the city of Holland will have the greatest sidewalk building campaign in its history this spring and summer. The sidewalk committee reported to the council last night that 275 property owners in Holland had been notified that they must repair their walks. In some cases this means only a single section of walk, while in other cases it means from fifty to a hundred feet of walk. When the work has been done, practically every walk in the city that is now in bad condition will have been put into good shape.

And if the property owners do not heed the request of the committee, the city will do the work for them and charge it against the property.

NEW COMMITTEES

NAMED BY MAYOR

Mayor Stephan Wednesday night appointed the new committees that will serve during the coming year in the new council. The membership of most of the committees is the same as last year although a few changes have been made. The following were named:

Committee on Ways and Means—W. Lawrence, B. Wiersma, G. Laepple.

Streets and Crosswalks—Nick Kammeraad, F. Brieve, P. Damstra. Claims and Accounts—G. Laepple W. Lawrence, F. Brieve.

Committee on Poor—F. Brieve, A. H. Brinkman, A. Vander Hill.

Public Buildings and Property—H. Vanden Brink, C. Dykstra, B. Wiersma.

Public Lighting—P. Prins, A. H. Brinkman, Nick Kammeraad.

Sewers, Drains and Water Courses—P. Damstra, Nick Kammeraad, Jack Blue.

Sidewalks—C. Dykstra, P. Prins, H. Vanderbrink.

Licenses—A. Vanderhill, H. Vanden Brink, G. Laepple.

STRIP OF LAND

HOLDS UP ROAD

IMPROVEMENT

Several days ago the Board of County Road Commissioners petitioned the Probate Court to appoint three court commissioners to determine the necessity for a certain proposed highway, known as the Trunk line No. 51 of the State of Michigan, through certain lands in the township of Georgetown, Ottawa county and also that said commissioners appraise the value of said lands if it was determined a necessity. Attorney S. Wesselius appeared for John L. Raterink and Lucy Raterink his wife; and Attorney F. T. Mies appeared for the road commissioners.

The proposed road lies between the city of Zeeland and Hudsonville and is to be a concrete road. All of the right of way has been secured except this particular strip of land, about an acre and a half. The board offered to pay \$300. The defendants claimed that it was worth considerably more. After hearing said matter the court granted the request of said board and appointed, John W. Verhoeks of Grand Haven, W. S. Buck of Polkton and Jacob Poest of the city of Zeeland as three court commissioners to determine the necessity and the value of said land and appointed April 20, 1921, at 11 o'clock, at the Hudsonville State Bank to hear and determine said matter.

The contract for auditing the city books was awarded last night by the common council to the Parks Public Service Company for \$200, exclusive of binding the report.

Judging from the number of petitions that are in circulation for the installation of gas in the Fifth and Sixth wards, the people of those two wards are in dead earnest about securing the same privileges that the rest of the city enjoys. Something like half a dozen petitions are known to have been drawn up and placed in circulation, and there may be others that have not come to the attention of city officials.

SCHOOL OF MUSIC TO

GIVE TWO RECITALS

The Hope College School of Music will render its first musical recital at Winants Chapel, Monday evening, April 25 at 8:15 o'clock. The students in vocal and instrumental training will present to the public a program of only choice and classical music. The public is given a cordial invitation to attend the recital. There will be no admission charge.

A second recital will be given on Wednesday evening, May 25. Dr. J. B. Nykerk is in charge of the work.

MAYOR ASKS

FOR YEAR OF CONSTRUCTIVE WORK

(Continued from Page 1)

must either give people work to earn a living, or we must give them money to live. The first will give us a 100% return, and encourage good citizenship; the other is an entire loss and demoralizes manhood.

With the paving of 7th and 9th street, which has been ordered and the determination to install boulevard lights on 8th street and River avenue, we have made a good beginning. I sincerely hope that this is the commencement of a new era in the beautifying of our city, so that in a few years, Holland may take its place with other cities of its size, and with its many natural advantages, become the most beautiful and finest city in the state. It is your duty to see to it that in the carrying out of these improvements, the people's money will not be wasted, but that we will get full value for every dollar spent.

We have started to solve the problem of purifying our river and beautiful lake, by having competent engineers prepare plans and specifications for the proper disposal of our sewage. The present pollution of this splendid lake and river is a crime and burning shame. A natural bed and home of all kinds of fish we have almost destroyed it by dumping all kinds of sewage in this wonderful stream.

The city is not the only transgressor along these lines. There are various other sources that are poisoning our waters, but as long as we are the greatest transgressor, we are hardly in a position to try to stop others from defiling and corrupting them. To allow this condition to continue would result, in the course of time, in making these waters a breeding place of sickness and disease, and instead of being a great asset to our city, they would become a tremendous liability. We must not stop until we have accomplished the work begun. After we have cleaned our own house, we can get after the other transgressors and make this body of water a place where fish can live in, and humanity can live about.

While we are doing this to keep well and healthy, we must also do something for others to get well.

This is the body of musicians who will entertain Holland citizens tonight at a concert held at the High School auditorium.

The members of the band as shown in above picture are as follows:

We must take care of the sick and unfortunate ones in our midst. Some years ago, a group of earnest and thoughtful citizens bought the present property which is now used as a hospital. Later on this was given by them to the city, and we have assumed a pressing responsibility. I do not know of any one proposition that has endeared itself in such a short time to the people of Holland as our City Hospital. When the agitation for a city hospital was begun, there were many who thought we did not need it, and that it was unnecessary. Now we would not know how to get along without it. We have discovered in a few years the real value of a hospital. We have come to realize that the present place is entirely too small and inadequate for our city's needs. The Council has hearkened to the demand for a larger, better and improved hospital, and has ordered plans, specifications, and an estimate of cost to be made, which will be presented to them in the very near future, for their consideration.

If we can get these two important projects started this year, we will have done this city a service, which can never be estimated or appreciated.

In urging upon you the importance of these two propositions, I am not unmindful of the fact that there are other great problems confronting this city which must be solved. Although these do not come directly before this body for solution, we cannot ignore them.

The Board of Public Works is wrestling with the water problem, the Board of Education is trying to devise plans to build additional schools in order to take care of our continually growing population of school children. Both of these propositions are mighty problems, and will demand the best thought, energy and consideration of these two bodies.

While we are working to extend our public property, we should not neglect to take care of that which we have. The council has very wisely appropriated \$1500 for the purpose of painting, decorating and cleaning our city hall. This is not a sufficient sum to do the work as it should be done. This building has surely been neglected, but it is a good beginning, and in another year we can have our city Hall in proper condition, such as I believe the people of Holland demand. All city property should be carefully looked after and properly maintained, and not left go by default as is often done for political purposes, and in order to save immediate expense. This is false economy. We should give all city property the same consideration that we personally do our own property, and use the same judgment in this matter.

Our city has been very fortunate in being spared from any great fire losses during the past year. This is largely due to the fact that we have a very efficient, energetic and active fire department. There is no expenditure made by our city from which we get greater returns than we do from the money that we invest in the protection of our property and there is no city service that costs us less. Most of the men in our fire department are trained and skilled fire fighters, and cheerfully respond to any call, day or night, winter or summer, for which they are paid a pittance, when we take in consideration what we expect and demand of them. They are requesting of us additional apparatus to successfully perform the work they are called upon to do. This should be given their earnest consideration, and if it is at

We have now on Sale a number of our famous

Jersey Suits

FOR SPRING

A year ago we introduced these wonderful Jersey Suits for Women and Misses. We sold a number of them which have given the best of satisfaction.

This year we offer a still larger assortment of these splendid Suits. We cannot put too much emphasis on the worth of these practical garments, and when they are obtainable, backed by the "Printzess" label, they are absolutely the very best Jersey Suits that can be purchased anywhere.

Jersey Suits might be called—"all Suits"—for they are all-weather, for all women, for all purposes, for street, for travel, or for business wear; in other words—for general wear, especially at this time of the year, and even on through the summer, a Jersey Suit is a utility companion. The coats of these Suits make excellent Sport Coats to wear with extra skirts in the summer!

Being made with the same expert care, and of all wool material,—as are all "Printzess" Suits—makes such wearful service possible.

We also have a line of Jersey Suits at

\$17.50, \$18.50 and \$20.00
