Retiring Mayor Says He Will Give His Aid

MAYOR-ELECT GEERLINGS
GIVES PRAISE TO WORK OF
MAYOR BOSCH AND TWO
RETIRED ALDERMEN

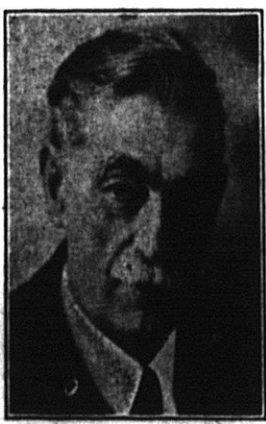

There were two Mayor's messages presented at the common council last evening. The first was from retiring Mayor Bosch, read by City Attorney Elbert Parsons who followed the message with comments as to his personal and pleasing relationships with Mr. Bosch.

The retiring Mayor gave a few highlights of a trying four years in office, during one of the most stressful periods of all time. He also stated that he wished the new administration well and asked the aldermen who remained to give Mr. Geerlings the same loyal support he received. He said that if any advice or help was needed, he could be called upon at any time.

Mr. Geerlings gave a glowing review of Holland's past achievements, and its industrial prosperity. He also devoted some time to youth's problems and suggested ways by which these problems could be met through character building avenues including church and school. He did not believe in censorship but rather in making youth see the difference between the high and the low and seeing they would cling to the high ideals and discard the less elevating.

Mr. Geerlings also gave praise to the three retiring officials, namely, Mayor Bosch, Alderman Al Van Zoeren and Alderman Al Van Lente.

The two messages are found complete below.

MAYOR'S MESSAGE

Fellow Aldermen and co-workers: This is the close of another year as this relates to the Common Council of the City of Holland. Many of you are staying on, but this is my last council meeting as Mayor of your city.

These last four years have been trying ones for every community and Holland has been no exception. You and I took office when the days were the darkest and because of this stressful period, questions came up that were new to any Aldermanic body.

Methods were devised by this body to meet trying situations and imperative needs—matters that never came up before in a common council. Augmenting this work was the interrelation between government and state which added tremendously to the duties of a city official.

How trying these relationships sometimes were because of uncertainties and vague knowledge as to how welfare and works relief would be handled, is well known by you. It was made more difficult because of the meager knowledge this body had of what the government program really was. This is not said in a sense of criticism but to bring out the fact that to the regular duties of the Mayor and Common Council were added these imperative duties that simply could not be shirked.

Through it all you have given this city your best. I can assure you of that, and you have given me splendid support for which I wish to give you my most sincere thanks. There may have been times that I might have been too stressful, too earnest and highstrung, but at all times I was endeavoring to do something for the good of the community.

I do not claim for you or myself that Holland's high financial standing of today is due entirely to economical management. There are many sources that brought Holland's credit in the highest bracket, but I do believe that the policy of economy practiced by this body and often advocated by me, radiated economy throughout our entire municipal system. All departments co-ordinated to make good.

This evening the reins of the city will be passed over to our newly elected Mayor, Mr. Geerlings. I wish for him the utmost success and I ask for him the same loyal support you have given me. I wish to say further that as a citizen in the ranks, I wish to offer my successor and your honorable body any help or advice you might seek to ask. I feel that the many years spent in municipal work as Mayor have given me some knowledge relative to city affairs. If I can help at any time, you will find me most willing to do so.

In closing I wish to take this opportunity to thank the citizens of Holland who have repeatedly elected me to this office. Your continued support, I have always felt, carried with it confidence in our management of city affairs. I wish to assure you that in all undertakings I have earnestly endeavored to do my best.

I have spent a great deal of time in this work but our much beloved city is worth it all and more.

Again I thank you, and remain,
Sincerely,
Nico de Bosch, Mayor

MAYOR GEERLINGS

COUNCIL NOTES

All the aldermen were present, including the retiring members, namely Al Van Zoeren and Al Van Lente and the new aldermen Martin Oudemool and Frank Smith.

After saluting the flag Rev. Thomas W. Davidson, pastor of the retiring mayor, led in devotions followed by the reading of the Lord's Prayer in unison by the large audience, councilmen and news writers present.

Mayor Bosch stated, "Four years ago when I took office, I asked my pastor to open the devotions. Now on my retirement I am happy that he is here again in the same capacity at the close of my administration."

Before offering supplication in which he asked of God's blessing on the deliberation of the new council as well as a guiding hand, Dr. Davidson stated that Mayor Bosch was one of his most faithful members, was seldom absent from his pew, and that he found him a devout Bible student.

He also spoke of Mr. Geerlings, the incoming Mayor, as a man who for many years had taught and preached religion and he said that a city guided by a religious man could not help but retain God's blessing. It was a fervent and impressive prayer that Dr. Davidson gave.

Attorney Elbert Parsons was called upon by Mr. Bosch to read where in this issue. Supplementing the message, Mr. Parsons said, "I would like to say a few words as this relates to the retiring Mayor. I have been working with him for the past two years. His administration was not an easy one. Never in the history of Holland have there been such perplexing questions, questions that would try any man, and through it all the mayor and common council have been very successful. I can speak of but two years that I have been with this council, but I know the two preceding years must have been even more trying since those embraced the very depth of the depression. I feel that Holland can congratulate itself on having had the service of this able man and therefore I wish to give public expression to what I know to be true. I think this administration has set a high standard to its successor and I will say further that his enthusiasm for this city is so ardent that he will not retire from civic life as long as God let him live."

On a motion of alderman Prins supported by Alderman Drinkwater, the matter was brought up that the fine windmill at the north gateway of the city had lost one of the four wings and other minor repairs had to be made. Both aldermen Prins and Mr. Drinkwater felt that the officers on the park board should watch this mill more closely to prevent it from being damaged. It was unanimously decided to have the mill fixed before Tulip time. The new Alder, "We hope she turns."

Present in the council chamber to see dad retire and lay down his mayorly duties was Mrs. Gunnar Heimburger of Stockholm Sweden. Her maiden name was Miss Colman. She and her husband are high up in governmental and educational affairs. She is visiting here and her husband expects to sail for America and stay for the summer at the Bosch residence. Mrs. Bosch and the two sons, Randall and Manitou were also present and after the Mayor had surrendered the gavel to Mr. Geerlings he took his seat in the family group and remained until the council adjourned. The family was surrounded by a group of friends and between the old and the new mayor and their families a veritable reception was held.

A petition asking that a roller skating rink be provided for the youngsters of this city was read in the council. The petition was signed by children ranging in age from 12 to 15 years. They asked that 15th St. between Harrison and Prins and Mr. Drinkwater felt that the officers on the park board should watch this mill more closely to prevent it from being damaged. It was unanimously decided to have the mill fixed before Tulip time. The new Alder, "We hope she turns."

Through it all you have given this city your best. I can assure you of that, and you have given me splendid support for which I wish to give you my most sincere thanks. There may have been times that I might have been too stressful, too earnest and highstrung, but at all times I was endeavoring to do something for the good of the community.

Bloom Giving At City Hall Impressive

COUNCIL ROOM A BOWER OF
FLOWERS—BOUQUETS FOR
THE NEW MAYOR

The common council meeting, when Mayors exchange the reins of municipal government, always means plenty of bouquets for the incoming Chief Executive.

All mayors in recent years have been inducted into office with a pious accompaniment. The same was true last evening when Mayor Henry Geerlings was handed the gavel by Mayor Bosch, retiring.

Mayor Geerlings remained in the city hall until Mayor Bosch personally escorted him to the rostrum after he had opened the session for the evening. In a short introduction, Mayor Bosch said, "I wish for you the utmost success and I ask the council members to give you their loyal support as they did me. I am very pleased to see the estimable Mr. Geerlings in the audience. I hold her in the highest regard. I hereby surrender the gavel and may God bless you, Henry."

Then the flood of flowers began. One bouquet was already upon the mayor's desk and came from the Holland Furniture Company.

Wm. Arendshorst presented a large basket of beautiful roses as coming from the Board of Education where Mayor Geerlings has been secretary for almost two score years.

Vance Mape, president of the Rotary Club, also brought his offering of beautiful flowers in a basket. He wished the new mayor, who is a member, the success he deserved.

Postmaster Louis Vanderburg, secretary of the B. P. O. Elks, presented an armful of beautiful cut flowers as an offering from this patriotic organization.

The new common council presented to the new mayor a tremendous basket of flowers and alderman Huyser, the bard of the council, in behalf of his colleagues said as follows:

"My dear Mr. Geerlings, Mayor of the city of Holland, you see this beautiful basket of flowers. I see in this bouquet, beauty, emblematic of fine relations between Mayor and council. I also see purity which means that our relationship will be of high order with no sordid motive and our deliberations and actions will mean only the purest of motives."

"I also see harmony in color. I feel that this will emphasize harmony amongst us all for the best interests of the city."

Mr. Geerlings was visibly affected.

The last tribute was a large chair donated, as the spokesman Frank Lieveuse put it, out of real friendliness. Frank stated, "This chair, embellished with flowers, is the contribution of some of your real friends. This I feel is a high type of friendship and when the roses are faded I sincerely hope you may find a refreshing resting place after an arduous day. Then when you think of your friends, remember that we have the success of your administration at heart and that carries with it the success of our beloved city."

The news will say that this was a beautiful contribution, in fact the flowers were so well placed that the chair underneath was hardly visible.

GRAND HAVEN FIRM TO ENLARGE PLANT

An addition, more than doubling the present floor space of the Grand Haven Stamped Products Co., is to be built at a cost of \$8,000. No increased employment is anticipated for the present.

DEAN A. J. ROOKS TO SPEAK IN ZEELAND

Dean Albert J. Rooks of Calvin college will give an illustrated lecture on "Italy, Mussolini and Ethiopia" in Borelio church Thursday evening. The talk will be under the auspices of the Young Peoples society of Zeeland and classic.

MAKING A TRIP TO OLD MEXICO

Mr. Frank J. LeRoy, Jr., of Holland, was a visitor in Laredo, Texas, while making arrangements for an automobile trip to the interior of Mexico.

While in "The Gateway to Mexico" he called at the tourist bureau of the chamber of commerce for the latest highway information and to arrange immigration and customs papers and chart the itinerary of the trip. The party with which Mr. LeRoy is touring plan to spend 60 days, in Mexico visiting Monterrey, Saltillo, Victoria, Tuxco, Cuernavaca, Puebla, Acapulco, Mexico City, and other interesting points before returning to Holland.

A miscellaneous program will be presented this evening at 8 o'clock in the Lincoln school gymnasium sponsored by the Parent-Teachers association. Mr. and Mrs. C. E. Turrell are in charge of arrangements.

There were 13 permits, largely for house remodeling.

City Attorney Parsons administered the oath of office to Mayor Geerlings and Aldermen Frank Smith and Martin Oudemool, new members of the council and to Aldermen Jacob Bultman, George Damsen, Cornelius Kalkman and Henry Prins who were re-elected.

Beer license applications of Chris Korose, Lee DeFeyer and Elks lodge were approved. The application of the Elks lodge included request for a permit for dancing. This latter request was referred to the license committee. Mr. DeFeyer's permit had previously been approved but inability to secure the building stated in the first application required the transfer.

News Items Taken From the Files of Holland City News Fifty, Twenty-five and Fifteen Years Ago Today

FIFTY YEARS AGO TODAY

Fillmore township election resulted as follows: Supervisor, Germ W. Mokma; treasurer, Gerrit Wilkink; justice, A. S. Fairbanks; commissioner of highways, Dick Lenter; school inspector, Jan W. Garvelink; drain commissioner, Arie W. De Neff. Note: Jan W. Garvelink later became state representative at Lansing and 47 years ago helped found the First State bank. Germ W. Mokma, being a merchant at Graafschap, later became cashier of the same bank and remained in that position until his death many years ago. In Laketown township we note Luke Lugers was elected supervisor. He too was a representative in Ottawa county where he moved from Laketown and later became state senator. Miss Georgiana Lugers, with the Lokker-Rutgers Clothing Co., is a daughter.

Black Lake is "black" with wild ducks and the hunters have the itch in their trigger fingers.

The members of the board of supervisors of Ottawa county from this vicinity are Mayor Patrick H. McBride and George Van Duren of Holland township; Jan Den Herder of Zeeland; Olive township, J. L. Merriam. Note: Mayor Patrick H. McBride, father of Attorney Chas. McBride, by virtue of being mayor, was also represented on the board of supervisors. A change in the charter eliminated the mayor which we always believed was a mistake. A mayor in any city, as a rule, is a high class man who is a leader and by virtue of his office and personality would carry much weight at sessions of the county board.

Grand Haven retained its mayors as board members. Wiebke Diekema was the father of Mrs. Martha Kollen, one of Holland's fine and leading women; also of the late Gerrit J. Diekema, once speaker of the house at Lansing, Spanish war claims arbitrator, congressman and last minister to the Netherlands, where he died five years ago. Holland township 50 years ago was the largest in Ottawa county. At the time it extended from the Zeeland limits to Lake Michigan and included what is now Park township. Jan Den Herder was Zeeland's pioneer banker and was also a representative at Lansing.

Zeeland township, since our neighbor to the east was then still a village. Today Zeeland city and the township are separate, governed by two distinct sets of officials. He was the grandfather of Attorney Jay Den Herder of Holland. George Van Duren was the husband of one of the sweetest ladies in Holland today, namely Mrs. Kathryn Van Duren, for many years head of the Red Cross here and at her advanced age still working and doing good. Attorney Arthur, Cornelius and Alfred Van Duren are sons.

The steamer Macatuna made its first season's trip to the Park. Some 15 folks went, including the editor of the News. Overcoats were brought but were not needed. It was a warm, balmy day filled with sunshine.

TWENTY-FIVE YEARS AGO TODAY

Sheriff Andre appointed Cornelius Dornbos a deputy sheriff. Note: Dornbos not only became game warden but sheriff of the county.

Be good to the robin. A single bird of this family has been known to devour 175 caterpillars a day, while the crop of another was found to have a collection of 100 potato bugs. Note: That is a better record than a cat has—further, the appearance of spring instills new hope into all the winter-bound folks. The first twitter and cry of the robin is received with happiness and brings a more kindly spirit between people. The robins announce that spring is here and that "mother earth" is getting ready for work creating things that beautify and sustain. Humanity's existence depends on what God through nature creates through the earth.

Dick J. To Roller was gathered in for wheeling on the sidewalk. Jake Wagner spied the "bike rider."

ALL FRIESIAN PROGRAM TO BE PRESENTED HERE

Some months ago citizens of Holland who still speak the Friesian tongue gathered in large numbers to hear a program in their mother tongue, and from all reports at that time the program was a great success and much enjoyed. So much so, in fact, that since that time there has been a great demand for another all Friesian program.

A program of that type is to be presented here on Thursday evening, April 23 in the Ninth street Christian Reformed church, at which time Rev. B. D. Dykstra of Orange City, Iowa, a very able speaker will give an all Friesian address, his subject being "Buth."

Music for the occasion will be in charge of Rev. T. Vander Ark, until recently pastor of Hardewijk Christian Reformed church, and now of Zeeland, Michigan. Rev. Vander Ark will also render several solos in the Friesian tongue. Mr. George Wierstra is in general charge of the program.

The public is cordially invited to attend. There will be no admission charge. However a silver offering will be taken up. The program will be taken up. The program will be taken up.

For the first time in this community a worship service will be conducted in the Friesian language. Dr. B. D. Dykstra of Orange City, Iowa will preach a sermon in this language and Friesian

and Judge Cornelius Vander Meulen said, "Three silver dollars, please." Note: There are no sidewalk riders today since Holland is 100 per cent paved. The condition of our streets 25 years ago warranted a "sidewalk ride" in bad weather. Many of us received those \$3.00 fines in those days.

Ed Van Tak's dog was poisoned and it is said the dog was a beauty. This makes the seventh dog poisoned within a fortnight.

Births recorded at Zeeland: A daughter to Mr. and Mrs. Roy Pritchey was born. The child was named Mabel Wilhelm, teacher in Zeeland high. Mr. Pritchey is chief engineer at the Zeeland light and water plant. A daughter was born to Mr. and Mrs. Bert G. Kamps of South Bend. She was Miss Gail Theachout, music and drawing teacher of Zeeland schools. He is a son of Mayor B. Kamps of Zeeland.

The new livery barn opened in Zeeland makes the third one. Note: All were short lived when the auto came. Holland at one time had five large ones.

"Java" Verschure has sold his "gas lighter" business to Ernest Cummings and the latter now has the exclusive agency. Note: The contrivance through friction would light a gas stove without using matches. We still have one—it is 25 years old. It will still light a gas stove but we are still using matches or a pilot light. The main objection was that when needed it was always mislaid and the match box through caution remains in one place.

Dulyea and Vander Bie have purchased the building next to their bottling works on North River avenue near 8th street. Consideration \$5,000.

FIFTEEN YEARS AGO TODAY

John Brunner of Holland was given \$14 a week for 100 weeks by the "state board of allowance," the man having lost one eye in an accident in a local plant.

Dr. George W. Van Verst was elected president of the Century club to take the place of Attorney Charles McBride. Prof. Wynand Wichers was named vice president. Together with these officers the executive board are Rev. Paul P. Cheff and Mrs. Wm. J. Garro. Mrs. Sears R. McLean, Mrs. Geo. W. Browning and Mrs. John E. Telling were in charge of the splendid banquet that followed in Hope church parlors. The decorations were beautiful, palms, potted plants and cut flowers entering in the display.

Rev. James M. Martin, pastor of the Reformed church at Hudson, N. Y., where he has served several years, has accepted the call to Third Reformed church, Holland. Note: Mr. Martin returned east about a year and a half ago.

Set your clock ahead one hour Saturday at midnight for we are going into "daylight savings time" Sunday and we won't note the difference Monday morning. Note: A few years ago Holland remained on Eastern standard time in the year around and no change over in spring or fall is necessary.

Captain William, much beloved of Holland Graham & Morton skipper, died in Cleveland. He was captain at different times on the "City of Benton Harbor," "Puritan" and "City of Traverse." He was 63 years old.

Born to Mr. and Mrs. Victor W. Cherven, 336 Maple avenue, a daughter. She is 15 now.

Henry Greenwood and Hiletje Welling were united in marriage at the parsonage of the First Reformed church, Rev. James Weyer officiating.

Teng Chang Wu, student at Hope college, spoke at the Borelio Reformed church pleading in behalf of the Chinese Famine Relief fund. One of the greatest shortages in crops and scarcity in foodstuffs exists in China because of famine.

translations of the Scripture and musical versions of the Psalms will be used. The services will be held Sunday afternoon, April 19, at 2 o'clock at the Central Park church, of which Rev. P. J. Van Dyk is the pastor. A number of people of Friesian descent from Holland, Hamilton, Zeeland, Vriesland, and Grand Rapids are planning to attend this unique service. When a service of this nature was held in Grand Rapids last year, the church was crowded to the doors and a large number of people had to be turned away.

The Friesian tongue is not just another Dutch dialect but a historic language of a people who have a history dating back to the times of Julius Caesar and Tacitus, the Roman historian both of whom mention these people in their writings. The Friesian tradition has been preserved in a remarkable manner and there are a large number of Friesian societies both in Europe and in America, which have for their object the preservation and promotion of this language which in many respects is more like the English than the Dutch.

The Zeeland high school band is asking Zeeland residents to help them raise money by donating old papers and magazines which will be collected and sold.

Miss Tena Bontekoe, 54 W. 15th St. spent Thursday visiting in Grand Rapids.

Republicans Of Ottawa Co. Have Convened

MANY HOLLAND MEN CHOSEN
AS DELEGATES TO DETROIT
CONVENTION

Dr. Wynand Wichers of Hope College and Judge Miles were "Key-noters."

More than 200 delegates gathered at the court house at Grand Haven Tuesday, to select 23 delegates and 25 alternates to the State Convention to be held at Detroit, April 24, next week Friday.

Resolutions were passed, Wm. Hatton, chairman of the Ottawa County Republican committee giving his closing speech as head of that organization when he said, "With this valedictory speech as chairman of this Ottawa County body, I am willing to relinquish the office and place it on the shoulders of younger men. I am going to keep fighting on, however, until after election, when I will have served 16 years."

Lawrence Dornbos of Grand Haven was made chairman of the convention and William Wilds, secretary. Mr. Dornbos pleaded for the active interest of young men in the party and regretted that he saw so few young men in the convention.

"It is of vital interest to the Republican party that young men be interested. We need the old standbys for experience in organization but we need youth for inspiration and some one to take the places of those who must necessarily pass on."

"If this campaign is a failure, you older men should look in the mirror, if you have not encouraged youth to take part in the campaign, and you will see there the face of the person who is responsible."

"We are at the cross roads in government affairs and if the Republican party fails, blame can be attached to all of us for failure to enlist the young men to fulfill our dream of placing Arthur H. Vandenberg in the White House and Carl E. Mapes as speaker of the House," he declared.

Mr. Hatton, before the opening of the convention, said, "I have every reason to believe that we will continue to save our form of government and our constitution on which this nation was founded, and down all these fantastic ideas that our Tammanyized government in Washington is trying to force upon the country."

"We don't want a dictator in America, such as they have in various countries in Europe. The great trouble with America today is our declining respect for law and morality. J. Edgar Hoover, director of the federal bureau of investigation, has stated that this nation annually pays 15 billion dollars for crime, sufficient to pay off our national debt in two years."

He decried the payments made under AAA and other vast expenditures of the present administration. He pointed out that the tanning business was not assisted when the price of hides dropped from 15 cents in 1929 to six cents in 1933.

"I commend the Golden Rule, for when the one greater score comes to write against your name, He writes not that you won or lost, but how you played the game," Mr. Hatton said.

Wynand Wichers, president of Hope college and member of the state board of education, spoke briefly, saying it was now time for good men to rally to the Republican party to restore the government to the people. He decried the concentration of government at Washington.

He stated, "The basic problem in government is to reconcile the power of government with the liberties of the individual. Should we have an ideal condition, there would be no need of government for the people would be no wrong doing. But the world has not gotten to that stage of perfection."

"It is because we live in a world of sin and sorrow that we need government. We don't want a government."

Miss Leona Britton, for the past five years superintendent of the Thomas A. Huizenga Memorial hospital of Zeeland has resigned to accept a scholarship in the public health service course at the University of Michigan, it was learned here Tuesday.

MISSIONARY TO SPEAK HERE

The Rev. Harry Dykstra, Missionary on furlough from China, will speak in the 14th St. Christian Reformed church on Friday evening, April 24.

Rev. Dykstra has done Mission work in China for the Christian Reformed church for 14 years and he will speak about his work there.

HOTEL PUTS ON SPECIAL DINNER

W. Howard Lillard, manager of Warm Friend Tavern, is putting on a special dinner, tonight, Friday, for the patrons of the Charity Ball that is being given at the Armory. Reservations should be made soon. Not alone will this be for patrons of the ball but for anyone who wishes to partake of this special dinner.

W. Howard Lillard, manager of the Warm Friend tavern, and Mrs. Lillard plan to attend the eighth annual hotel administration conference to be held at Michigan State college April 23, 24 and 25.

Holland's Police station is receiving not only the annual spring house cleaning, but the interior is also being made spick and span with a new coat of paint.

OLIVE TOWNSHIP MAN IS A PUNSTER

One of the laughable little side-lights at the Republican county convention at Grand Haven Tuesday, was when Maurice Luidens, Olive Township official, gave a short talk when he was called upon by the chairman.

Among other things he said, "I have been an official of Olive Township for 30 years without interruption. I never asked a soul to vote for me in all that time but always was elected."

"Not so many years ago I ran for a county office and I saw everyone in the county and I was defeated. I am sometimes wondering whether plugging anxiously always helps or whether my face wasn't my fortune."

Judge Miles, who made an excellent speech also twitted on the Luidens' running ability. Said Judge, "More than 35 years ago I was a teacher in the rural schools of Olive. Maurice Luidens was one of my pupils. He was rather a slow, bashful boy and I often helped him in his studies. I provided him to get more energy and to assert himself and the first thing he did was to run for an office on the Township Board. For 30 years he has gained so much momentum that he is running yet and with great success."

The more than 200 delegates at the convention, broke in a roar of laughter when the chairman of the Republican County Committee, Bill Hatton, was "lamming" down the gavel, "lamming" the Democrats. As he waved the gavel over his head like a sledge hammer, the hammer part loose of the handle and enthusiastically sailed to the ceiling and across the courtroom. A good ball player made a fine catch. Bill never knew what happened and was still waving the empty handle while the crowd roared in glee. Hatton, who was talking in earnest, couldn't see the joke until the last part of the gavel was passed back to him. Then he too grinned from ear to ear.

The chairman of the Republican County Convention, Mr. Dornbos, surprised his many friends by making an excellent man with a gavel. He belongs to the Young Republicans but he works like a veteran. He told some interesting incidents in his life as this relates to party affiliations. He said, "My father was a republican, my mother was a Democrat, my two brothers were Democrats and I was nearly a Democrat."

"When I was a lad of 14, my father took me to hear a campaign speech by William Jennings Bryan, the great commoner. Incidentally, Bryan spied me, put his arms around my young shoulders and gave me words of encouragement. I love Mr. Bryan as a man."

"While my brothers kept pumping Democratic doctrine into me, father never said a word. I believe he bided his time until I had grown and could understand the ramifications of the two great parties. He talked to me in a dispassionate way, but convincing nevertheless. Starting from the beginning of the party under Abraham Lincoln he told me of the successes of the Republicans down through the years."

"I listened attentively to father's voice and ever since I have been able to vote, it has been for the party that shows the figure of Lincoln above its columns."

FIND GRAND HAVEN HAS DOG "WARDEN"

Grand Haven Tribune—Investigation of the committee from the council, appointed by Mayor Richard L. Cook to look into the dog situation in Grand Haven, revealed that there is a city dog warden, Charles Haack, 214 Wallace St. He was appointed by Sheriff Ben Rosema and is operating under the state law.

He has picked up and disposed of 38 dogs this year on the complaint of individuals and during January and February filed a report with the sheriff showing that he had disposed of 10 dogs each month. He is paid a dollar a piece for each dog killed; the funds are supplied by the county.

Mr. Haack operates a pound where he keeps stray dogs for 48 hours, charging the owner a small fee if the dogs are recovered. Mr. Haack says he is willing to cooperate in every way to reduce the dog nuisance and, under the law he picks up the dogs on complaint.

According to law, dogs must be licensed and confined to the home premises or taken out on a leash. Enforcement of this ruling is well nigh impossible, it is said, although there is no reason why people should be annoyed if they will report to the dog warden.

Alderman Martin Boon suggested that a new ordinance be drafted to curb the running of dogs especially at this time of year. Alderman James Van Wessem, following his investigation, believes that Mr. Haack is carrying out the state's orders and that there is little if any additions needed to protect people here from ravages of running dogs.

given me many opportunities to render service. You have honored me repeatedly and I can assure you that it has been a real pleasure to do my bit towards the upbuilding of our city. Your friendly attitude towards me at all times has made it possible for me to accomplish what little I have been able to accomplish.

I have long since learned that to have friends will be to be friendly. We make the world we live in. Providence only supplies us with the raw material which we call environment. If we want to live in a world of sunshine we must carry sunshine in our own hearts, let it shine through our own eyes and every face we meet will reflect it back to us. If others live in a happier world than we live in, nothing is gained by envying. We are to find out how they make their world happy.

Our city has made wonderful strides in the years that have gone. If our fathers could see our progress they would be amazed. They knew nothing of conveniences. They had a good foundation and we have built upon it. They had thrift and they passed it on to us. As a result we have been able to carry a splendid superstructure. They made many and great sacrifices. They built institutions that build citizens. Community investments in churches, schools and a library are the best the people make. These things create a civic morale that has a dollar-and-cents value far above any money they ever cost.

Tonight we owe a debt of gratitude to the previous administrations. They have rendered splendid service. They have always had the interests of the city at heart. They labored patiently and effectively. They have succeeded in bringing the city to its present status. Our miles of paved streets, our lighting system, our beautiful parks, and everything that makes a city beautiful are the result of wise planning by those who fathered these projects backed by a loyal citizenry.

The credit of the city is high. It has always been so. We have lived within our means. Every obligation has been met and both the city and Board of Education have balances.

The men and women who have been members of our several boards have given unstintingly of their time. They are deserving of the highest praise. There has been a willingness on their part to faithfully perform their duty. They are entitled to more consideration than they sometimes receive. We have reason to congratulate ourselves that this city has such a splendid working force who without remuneration are giving of their very best. I doubt if there is a community anywhere where there are so many loyal men and women who can be called upon on any occasion to contribute to the well-being of our city.

Industrially we have advanced. There are evidences of an upward industrial swing. We have gone through a period of depression like every other community but we are looking forward to a better day. We need to be optimistic. It requires faith. This is very important. We are held together by faith. It is by faith that we live. Destroy it and life has lost its glory and motive. We are hopeful that in the near future unemployment will be a thing of the past. Many households have gone through a trying period. They have tried a trying ends meet. But as far as I have been able to observe no family has suffered for lack of food, raiment and shelter. There has been a wonderful spirit of helpfulness all along the line. This is as it should be. Those of us who are gainfully employed ought not to forget to stand by those who are not so well favored.

An efficient and wide-awake Chamber of Commerce has been very active. It is composed of a group of men who are leaving no stone unturned to advertise the city. Our manufactured goods have found ready markets throughout the country. The tulip festival, the third largest in the land, annually brings to city thousands upon thousands of people who are delighted and express their appreciation by returning year after year. New homes have been erected, a Chicago concern is about to occupy one of our vacant buildings, another plant has moved into larger quarters, extensive remodeling is taking place in two other plants, operations are under way on the new airport, and the parking space on the oval is being doubled.

Tonight a new administration takes over the reins of our city government. The retiring mayor and two aldermen are being replaced by three other men. The three who have given real service. They have been faithful to duty. They have done their part. They shirked no responsibility and they are deserving of our gratitude. I sincerely trust that the same spirit that pervaded the previous administration will characterize the new administration. In all our deliberations we ought to have the best interests of the city at heart. We have been elected to serve. Our citizens have given us a vote of confidence and we ought to be willing to give the best that is in us to everything that pertains to the welfare of our city. On the Coast of Wales are two words. They are bestowed upon him for his valor in battle and ever since the motto of Wales has been "I serve."

We can live our lives profitably or they can be lived that neither the individuals who live them nor those who come in touch with those lives will get any benefit out of it. In order to give the best kind of service there must be cooperation. A bundle of twigs taken individually have no strength but when taken as a bundle the strength of the least is so multiplied that it is almost impossible to break them. The people of a community are exactly the same. If every man stands alone and for himself, he has no strength, but let him unite with his fellowmen and he becomes a part of the body politic and a power in the community. So it is with us as representatives of this city. Without teamwork little or nothing will be accomplished. When we look beyond ourselves and unitedly interest ourselves in all that per-

tains to the well-being of every one, there is no limit to what can be worked out. No doubt during the year we will be called upon to face problems that will demand careful consideration. It may not be easy to find a solution when first presented. It may take time and thought but after every phase of the problem has been studied it ought not to be difficult to arrive at a solution. It is true that you aldermen are elected to represent your several wards but in the last analysis each one of us represents the entire city. We are to be interested in the welfare of all the people all the time. By working hand in hand we can give our people a wholesome administration. Each one's task is of fundamental importance, but he can only do it if he cooperates with others in their tasks. It does no harm to believe your own committee appointment is very important if you will work with others. In the watch, the hairspring and mainspring must work together and no one can say which is greater and it does not make a particle of difference.

In closing this brief message may I at this time offer a single suggestion. A few weeks ago a group of men and women met to discuss the Youth Movement. It was the consensus of opinion that something ought to be done in their behalf. Every citizen ought to be vitally interested in our young people. We have asked them to go on without much guidance. That they sometimes go wrong is not at all surprising. That they go straight so often is the miracle. No generation of exuberant, virile, healthy young people was ever before exposed to such bewildering temptations.

The parents of this generation did not go to the excesses that their children do because they never had the opportunity. They were upright, because lacking the temptations, they were not deceived. The present generation of youth is as capable of high and holy thinking as any that has preceded it, but it must make a great fight for terrible odds are against them.

Censorship is not the solution of the problem. There is only one. Youth must be trained to hold the line in high contempt. This task calls for all the genius and loving discipline that the home and the school and the church and every good agency can provide. We must unite all the great character building forces as allies in defense of our children. It seems to me that the city government might well lend its moral support to this movement.

Signed,
Mayor Henry Geerlings

Republicans Of Ottawa Co. Have Convened

ment of oppression, an autocracy, but as much freedom as is judiciously possible.

"America has prospered from the beginning because of its free institutions and because the individuals can assert themselves without being hampered by government regulations. We in America have been proceeding along three lines.

First, dualism in government. A Federal government imposed upon sovereign states. Federal government must not usurp powers. Government must be kept essentially democratic, that is, State and local government.

I would restore Local Government to the people.

B. Separation of powers into three Departments, Executive, Legislative and Judicial Power.

The Executive must not encroach upon the other two.

Put the right people into Congress and then let them make the laws free from Presidential dictation. We have the right men in the Courts. Keep them free from Executive dictation or legislative.

I would restore the Law Making Power to the People.

C. Keep business free from the encroachment of a governmental bureaucracy.

Must have governmental regulation.

But must give men the opportunity to think freely, act freely, and achieve greatly. Free the Banks, free the Press, free the Farmer, free Business.

In conclusion Mr. Wichers said, "The average citizen wants to assume the responsibility of citizenship. Give him this responsibility to which he is entitled as an intelligent, free and patriotic citizen."

Mrs. J. E. Holmes, president of the Ottawa County Women's Republican club, told of the growing interest of women in politics and the work they were doing. "You will be hearing from us all through the coming campaign," she said.

Maurice Luidens, introduced as a farmer from the county, spoke on the need for farmers to get together in their requests from government and recommended more thorough organization.

Judge Fred T. Miles called attention to the radical tendencies at Washington and an attempt at the breaking down of the courts which he declared were the foundation and strongholds of our government.

Rep. Edward Brouwer defended Gov. Frank D. Fitzgerald on his stand relative to the coming delinquent tax sales in May. "It is the land sharks and some corporations that the governor believes should pay up the taxes owed and which they are capable of paying. But five per cent of the delinquent tax is held by individuals," he stated. The recommendation of a tax commission which will investigate the circumstances of individual conditions is what the Governor hopes will come from the next legislature, he stated.

Lawrence Dornbos of Grand Haven was elected a delegate at large with Arthur Van Duren of Holland, Mrs. J. E. Holmes of Spring Lake and Wynand Wichers of Holland as alternates. The recommendation of the committee on organization relative to instruction of the delegates as to the selection of a national delegate, was that this was a matter for the delegates to decide or for the convention. There was no action taken.

The delegates and alternates chosen are as follows:

Delegate, Ray Marvin, Marne; alternate, Francis J. Wolbrink, Hollandville; alternate, Henry Slaught, Coopersville; delegate, Fred McEachron, Hollandville; alternate, Charles Y. Nixon, Spring Lake; delegate, Albert H. Stegenga, Holland, alternate, Hunter Hering, Coopersville; delegate, William F. Winstrom, Holland, alternate, Frank Hendrych, Grand Haven; delegate, Edward Soule, Grand Haven, alternate, George Straight, Holland; delegate, Adrian Van Koevering, Zeeland; alternate, Nick Cook, Zeeland; delegate, A. J. DeKruif, Zeeland, alternate, John Dethmers, Zeeland; delegate, Cora Vande Water, alternate, Herman Coster, Grand Haven; delegate, Williamena Young, alternate, Corabelle Verhoeke, Grand Haven; delegate, William Hatten, alternate, Edward Ryenga, Grand Haven; delegate, Fred Den Herder, alternate, Leo C. Lillie, Grand Haven; delegate, Vande VandenBerg, alternate, Andrew Klomprens, Holland; delegate, Archie Vander Wall, alternate, Russell Burton, Holland; delegate, Nelson A. Miles, alternate, Raymond L. Smith, Holland; delegate, Ben Mulder, alternate, Charles H. McBride, Holland; delegate, Henry Winter, alternate, Thomas Mahon, Holland; delegate, Gilbert Vande Water, alternate, Leonard Vogelzang, Holland.

The following committees were chosen: organization and order of business, Fred McEachron, chairman, Henry Prins, William Vander Berg, Adrian Van Koevering, Mrs. Corabelle Verhoeke, Albert Hyma, Andrew Klomprens, Mrs. Mc Lane, C. K. Van Duren, Ben Van Lee and Jack Sweeney.

Credentials—D. J. Pagelsen, chairman, John Vanden Berg, Ben Mulder, D. M. Cline, John Pull,

Hope college coeds who have been nominated for "Miss Democracy," personality and beauty queen who will rule at the annual all-college banquet. Rear row: Marjorie Moody, Hart, Mich.; Jean Rottschaef, Katpadi, India; Betty Goehner, Fushing, N. Y.; Kathleen Donahue, Detroit. Front row: Mary Jane Vaupell, Holland; Thelma Kooker, Holland; Jane Eldridge, Chicago.

James Scott, Dave Ten Have, Charles Lowing, William Brusse, Earl Picard. Resolutions: Arthur Van Duren, chairman, Orrie Sluiter, Ellis Nixon, Hunter Hering, Charles McBrice, J. N. Clark, Mrs. J. E. Holmes, Fred Graham, Peter Ryenga and John Ter Avest.

Holland township Republicans chosen are John Eilander, Paul Schillman, Albert Hyma, Walter Vander Haar, Charles Eilander, John Y. Huisenga, G. J. Deur, Egbert Boone, Henry Siersma, John P. Kleis and Charles K. Van Duren.

RESOLUTIONS

We, the Republicans of Ottawa County, in convention assembled, at all times jealous of the rights, liberties and powers conferred upon each individual citizen by the Constitution of these United States, and mindful of the danger to the institutions of our republic as evidenced by the wholesale passage of unconstitutional legislation, and the tyranny incident to the dictatorial and arbitrary enforcement of those laws upon an already harassed public, hereby commend the Supreme Court of the United States in its courageous and fearless decisions wherein and whereby it has again affirmed and guaranteed to the people those rights.

We heartily commend the efforts of our Senator, Arthur H. Vandenberg, for the maintenance of our constitutional government, an equal administration of law, and the enactment of rational legislation, insuring economic prosperity, and his earnest opposition to further experimentation and exploitation of the nation's resources, human as well as financial.

We commend the able manner in which our Representative, the Hon. Carl E. Maples, has represented this district in the Congress for a great many years, and the able manner in which he has met the many difficult problems confronting him during a democratic administration with the highest type of personal honesty and integrity, withstood coercion from without and within, and maintained his high standard of statesmanship.

We heartily endorse the honest and efficient conduct of our State Government under the able leadership of the Hon. Frank D. Fitzgerald, as Governor of the Great State of Michigan, and congratulate the State on his leadership, whereby he has placed the State in a healthy and sound financial condition, regardless of the unprecedented unfavorable times for such accomplishment.

We commend to the voters of Ottawa County, a safe, sane and efficient county administration, under the direction of republican officials, and call to the attention of the voters the propriety of continuing this county under republican leadership, and administration.

We are opposed to the continual agitation of Federal Constitutional amendments, which have for their purpose the sole object of disintegrating the well established three departments of government, and for the granting of greater powers to one department to the emasculation of the power of another department. Congress should at all times be the lawmaking body, and we deplore the efforts of this body three years in turning this authority over to the Executive. We are opposed to any form of a dictatorial power, and demand that each department of our government shall be responsible for the duties it is required to perform under our Constitution.

We believe that government should be exercised in a business like manner, but we are unalterably opposed to the entry of government in business. Private capital,

honestly employed, has always operated for the best of all the people. Government in business has never been for the advantage of the masses, but creates a class whose only object, at least in the past, has been the creation of new "jobs" or political plums for a few of the so-called faithful, without regard for the common good.

We favor a comprehensive law which will alleviate the disadvantages under which needy tenants and distressed small farm owners are suffering, without unjustly penalizing the lenders on farm mortgages. We are opposed to the payment of enormous bonuses, in any form, or under any name, to rich landowners, at the expense and to the disadvantage of the consumer, either on farm or in factory. The curtailment in the production of crops, and the raising of livestock, compelling a vastly increased importation of these commodities, is unwise, unsound, and is detrimental to the progress of farmer and consumer alike.

Conditions of living must return to a high level for all the people, if we hope to return this nation to its former prosperous state, and we are confident that this situation cannot be accomplished, by any economic plan which tends to reduce the farmer and the laborer to the conditions existing in foreign countries. To this end we reaffirm our faith in the republican protective tariff policy, to insure the farmer and the laborer of regular employment, a steady market, and prices which will permit all to enjoy all of the necessities and some of the luxuries of life.

We heartily commend the nomination and election of our distinguished Senator, the Hon. Arthur H. Vandenberg, to the Presidency of the United States. He has demonstrated his ability and fearlessness in the Senate, and is recognized as the outstanding leader of the party in State and Nation. He has a keen perception of government needs and policies, stands four square on the constitution, and his honesty, and integrity have never been questioned, even by his political opponents. We request our delegates to the National Convention to be held at Cleveland, to use every honorable effort to secure his nomination, and eventual election by the people.

Signed: Arthur H. Van Duren, Dorothy M. Holmes, J. N. Clark, Orrie J. Sluiter, Chas. H. McBride, Peter J. Ryenga, Hunter Hering, Ellis Nixon, John H. Ter Avest. Committee on Resolutions.

Last week we did an injustice to two of our good friends. In the report of the election it was stated that Henry Kemper received 22 votes, while his total was 89. We gave the Democrats more credit than we liked to do as it was and are, glad we can take part of it back. Also unintentionally we placed our good friend, Dick Snyder in an embarrassing position and are glad of course to his defence. Dick was not driving the car and the blame cannot be placed on him in any way.

DR. WILLIAM GARFIELD
SPEAKS TO CENTURY CLUB

Following the annual banquet of the Century club, held in the Warm Friend Tavern Monday night, Dr. William Garfield, president of Carroll College, Waukesha, Wis. spoke on the subject, "Making a World in 90 days."

Dr. Garfield spoke of the rise and fall of civilization, touching upon the glory that was Greece, the grandeur that was Rome, the splendor of Spain, showing that the present spade of civilization is at its height in America. He also said that problems can be thought out, rather than fought out. The speaker said, the civil war might have been prevented had there been clear thinking instead of weak compromising and biased judgment in

stead of noisy oratory. The task to think through the problems that confront the nation for forethought could have prevented the depression, he concluded.

The speaker was introduced by Dr. Wynand Wichers. Vocal solos were presented by Mrs. Bernard De Pree, accompanied by Miss Mildred De Pree.

Coroner Gilbert Vande Water and Deputy Sheriff Tony Groeneveld were investigating the automobile accident in which Marvin Lambers, 19, of Rural Route No. 1, Jensen, Wis. fatally injured. Lambers died in St. Mary's hospital in Grand Rapids Monday evening without regaining consciousness. The car in which he was riding struck a parked machine one mile west of Jensen Friday night.

Heneveld Is
Chairman Of
Board AgainPARK TOWNSHIP SUPERVISOR
RE-ELECTED ON FOURTH
BALLOT AT ORGANIZATION MEETING

George Heneveld, Park township, as re-elected chairman of the Ottawa county board of supervisors at the organization meeting of the new board this morning. This is the fifth consecutive year that Mr. Heneveld has been accorded the honor of being the chairman of the board.

He was elected on the fourth ballot, with the following members in opposition: Albert Hyma, Holland township; Dick Smallegan, Jamestown; Hunter Hering, Crockery; Maynard Mohr, Zeeland township; and Charles Lowing, Georgetown. Mr. Heneveld led the first and succeeding ballots. His majority on the fourth was sufficient to declare an election.

The auditing committee was re-elected as follows: Fred Graham, Robinson township on the third ballot; Phillip Rosbach, Grand Haven and Albert Hyma, Holland township, on the first ballots. The board accepted the recommendation of the committee on drains, roads and ferries protesting the action of the WPA officials to close the drain project in this county the middle of this month. The recommendations pointed to the project as a worthy one for the improvement of farm lands, promotion of public health and general convenience and promotion of the general welfare.

Fred Van Wieren, county drain commissioner, reported to the board that according to R. J. Mason, regional director of WPA, all work on the drain project in this county would be discontinued by the middle of April.

A report from a special committee sent to Lansing recently pointed to the necessity of the board passing, by a two-thirds vote, exemption of ex-soldiers' property from taxation, if the law is to become effective this year. According to an amendment passed in 1933 to the 1929 law, exempting property tax of ex-soldiers, the board must annually pass on it. The report was placed on file.

HOPE DEBATE MAY 16

Hope college will meet John Marshall school of law in a debate on government ownership of public utilities here May 16. Hope debaters will uphold the affirmative, basing part of its arguments on the success of the local gas plant.

EDWARD BENTZ ADMITS CRIME
OF HOLDING UP GRAND
HAVEN BANK

Edward Bentz, now serving a 20-year sentence in the federal prison at Atlanta, Ga., for a bank robbery in Vermont, confessed to Grand Haven Chief of Police Lawrence DeWitt and Ray Hudson of the state police, as to his part in the robbery of the People's Savings bank at the county seat on Aug. 18, 1934.

The admission that he was in Grand Haven that day substantiates the identification of the bank employee, through photographs, that Bentz was one of the gang of five that robbed the Peoples bank of \$25,000. It also bears out the investigations made by the city and state officers that Bentz was a member of the gang.

Chief DeWitt and Mr. Hudson spent a day and a half with the prisoner before they secured the information. Bentz refused to give the names or whereabouts of any of the others in the robbery, two of whom are still at large. He would say nothing as to the participation of his half-brother, Theodore Bentz, now serving a life sentence at Marquette for the same job, who still maintains that he is innocent.

Chief DeWitt is a Holland man who for years was driver at Fire Station No. 2.

HOPE TRUSTEES WILL CON-
VENE ON APRIL 29

Hope college board of trustees will convene in regular spring session April 29. The board numbers 36 members, 9 representing the general synod and 27 the 14 classes connected with the Chicago and Iowa synods. Business will be largely routine.

The board will convene in annual session June 16 when officers will be elected, honorary degrees conferred and plans devised for the next school year. Rev. Nicholas Boer of Grand Rapids is president.

PLAY TO BE PRESENTED IN
CHRISTIAN SCHOOL

"Mother Mine" a three-act religious play by Gladys Ruth Bridgman will be presented April 23 and 24 in Christian High school, sponsored by a group of the Ladies Aid society of Maple Avenue Reformed church. The part of "Mother Mine" or Miranda Peasley who, after her niece marries, feels the desire to adopt a boy is played by Mrs. A. Slenk. Jerry McConnell is played by Godon Buter. Others taking part are Gerben Walters, Wilma Ver Hoef, T. Peerbolte, P. Veltman, Carolyn Ter Haar, Mrs. Gary Prins, Mrs. P. Veltman, Mrs. E. Beckstorf, Andrew Ver Schure and G. Van Appledorn.

The play is being coached by Miss Agnes Zwier.

The Junior Red Cross will hold an auction sale Saturday afternoon in the Red Cross room of the city hall. The public is invited. Two Junior Red Cross boys will be auctioneers. Council representatives will collect discarded fountain pens, roller skates, etc. which will be sold.

Married 50 years Goes on
Second Honeymoon

Mr. and Mrs. Wm. D. Van Loo of Zeeland are on their second "honeymoon" and it is rather an auspicious occasion on their golden wedding anniversary, which event occurred Monday, April 6.

Mr. and Mrs. Van Loo left by train for Chicago, where they spent a day visiting their son, Maurice Van Loo, before continuing by train to California where they have arrived safely and are now the guests of their brother and sister, Mr. and Mrs. B. A. Van Duine, at Cabazon, Calif. Maurice Van Loo is superintendent of technical research with the Sherwin-Williams Company of Chicago, which position he has held for several years.

Besides visiting their brother and sister at Cabazon, they will call on several old acquaintances, now residents of California, among whom is their friend and former fellow-worker at the Zeeland State Bank, Mr. Walter Wilcox now of Pasadena, Calif. Among the towns they expect to visit are Los Angeles, Long Beach, San Bernardino, Glendale, Riverside, Pasadena, Glendale, Hollywood, Beverly Hills, Santa Monica, San Pedro, Santa Barbara, San Francisco, Oakland and Sacramento in California; Portland and Salem, Oregon; and Tacoma and Seattle, Washington, before returning home a month later. Their trip will be entirely by rail.

Mr. and Mrs. Van Loo are both of pioneer stock that arrived in this colony in the late '40s. Mr. Van Loo is the son of the late Mr. and Mrs. Dirk Van Loo of Zeeland and is the grandson of the original pioneers, Mr. and Mrs. William Van Loo. He was born on a farm one mile north of Zeeland.

Mrs. Van Loo was born in Zeeland and her maiden name was Dena Kroeke, the daughter of the late pioneers, Mr. and Mrs. Adrian Kroeke, and had always made her home there until her marriage.

Mr. and Mrs. Van Loo were united in marriage on April 6, 1886, by the late Rev. J. I. Fies, then pastor of North St. Chr. Ref. church, performing the ceremony.

Upon his marriage Mr. Van Loo accepted the position as teacher in No. 8 school, two miles north of Zeeland, where he taught for two years. He went to Boreculo and taught there for two years and was then offered a position with the Zeeland Furniture Mfg. Co., where he remained for more than nine years. His next position was with the Zeeland Milling Co., remaining there for three years. One year following this he was associated with his late uncle, Jacob M. Vanden Bosch, in the general merchandising business.

The death of the Ottawa treasurer offered him the opportunity to fill the vacancy in that office, which he held to the end of the term. He did not announce his candidacy to serve as county treasurer but rather accepted a position as cashier of First National Bank of Grand Haven, serving in that capacity for a period of five years. He then returned to Zeeland to accept the position as cashier of the Zeeland State Bank and has held a position there for the past twenty-six years, since February 10, 1910.

Mr. Van Loo has also enjoyed a varied political career. At the age of twenty-four, during his second year of teaching at Boreculo, he was elected clerk of Blenden township but resigned that office before completing his first year, when he came to Zeeland. After moving to Zeeland he was elected supervisor of Zeeland township, which office he held for nine years, resigning to accept the office of county treasurer. During this period he also was chosen clerk of Zeeland village, holding that office five years; was elected village director for three terms and village president for two terms. Next July he will complete his twenty-eighth year as member of the Zeeland board of education, though not consecutive, having also served as a member of that board before going to Grand Haven.

Mr. and Mrs. Van Loo are the parents of six children: Bert Z. Van Loo of Zeeland; Mrs. F. S. Van Tol of Grand Haven; Mrs. Jack Boonstra of Zeeland; Mrs. Nelson M. Boonstra of Benton Harbor; Maurice Van Loo of Chicago; and Chester Van Loo of Zeeland.

ZEELAND HOSPITAL HEAD
QUITS POST

Miss Leona Britton, superintendent of the Thomas A. Huizenga Memorial hospital of Zeeland, resigned Saturday to accept a scholarship in the public health service course at the University of Michigan. The scholarship will cover a period of four months' study and field work.

PASSES AT COUNTY
INFIRMARY

Frank Bennett, 83, a former resident of Grand Haven, died at the County Infirmary. He had no known relatives and was a city charge at the infirmary for the past two years. He was crippled, having but one leg, and many will remember him as selling pencils here to support himself. He is believed to have been born in England. Funeral services will be announced later.

MISSIONARIES WILL RETURN
TO POSTS THIS YEAR

Dr. William J. Van Kersen, district secretary of the board of foreign missions, named the missionaries now on furlough in this country who will return to their posts this year.

Those returning to their post are Miss Esther De Weerd, now on furlough in Holland; to India; Mr. and Mrs. Hubert Kuyper, who this year will mark the 25th anniversary of their entrance into the foreign field, to Japan, and the Rev. and Mrs. Dirk Dykstra, who enlisted in foreign service 30 years ago and now are occupying the mission home in Holland while on furlough, to Arabia.

Missionaries who have returned to this country during 1935 are: Miss Elizabeth C. Bruce, Miss Jeanette Veldman and Dr. and Mrs. Theodore V. Oltman from China; Mr. and Mrs. Benjamin De Vries, Miss Doris Wells and the Rev. and Mrs. Henry J. Scudder from India.

ZEELAND FIRE TRUCK
THROWS 500 GALLONS
A MINUTE

Zeeland has received its new fire truck-pumper and the firemen are giving it a good try out.

The pumper is a 500-gallon per minute capacity, which rating was proved in a twelve-hour test made by the engineers before it was delivered to Zeeland.

The flow of water thru nozzles is 500 gallons per minute at 120 pound pressure, 250 gallons per minute at 200 pounds pressure, and 167 gallons at 250 pounds pressure. The pressure is caused by reducing the opening in the nozzle. This builds up pressure and thus carries the smaller stream a greater distance.

The old truck will be retained for supplementary service if such may be required. The cost of the equipment delivered was \$3,041.00.

Fire department officials in testing out the new apparatus are reminding motorists that it is the duty of all drivers to pull up at the side of the street and stop whenever they hear the siren, so as not to interfere with the progress of the apparatus to the scene of any blaze.

The new pumper is a trim looking outfit and will add considerably to safe guard Zeeland from fire.

At a meeting of the League of Young Men's societies of the Christian Reformed church held in the Maple Avenue church parish house, George H. De Boer spoke on "The Townsend Plan." A miscellaneous program was presented.

Henry Zwiers of R. R. No. 5, Holland reported to local police that Junior Looman, 4, son of Mr. and Mrs. C. Looman ran into the side of his car Monday afternoon. The youngster was taken to Holland hospital, where examination showed his only injuries were minor bruises.

Pupils of the Longfellow school performed in a physical education demonstration Monday night, under the supervision of Joseph Moran, athletic teacher. Each grade was represented and several different kinds of exercises and games were demonstrated.

BROUWER POINTS OUT ACTIV-
ITIES AND ACCOMPLISH-
MENTS OF THE BOARD

At a meeting of the board of police and fire commissioners held Monday evening, Edward Brouwer acted as chairman for the last time at the conclusion of five years of continuous service.

Mr. Andrew Hyma took office following his appointment by council two weeks ago to fill the vacancy caused by the death of John P. Luideens. Mr. Hyma will fill the unexpired term of the late Mr. Luideens, who last year was re-elected to a position on the board.

Fred Kamferbeek, former Ottawa county sheriff and chief of police defeated Mr. Brouwer in the primary election last month and will take his seat on the board after May 1.

According to custom, activities and accomplishments as a member of the board were given by Mr. Brouwer.

"Many improvements have been made. The people's money has been spent sparingly and conscientiously. With the help of the board of public works a police call system has been installed which is saving the city at least \$300 per year. We now have our own call boxes, available 24 hours per day. The addition of police call lights has also been accomplished with very little expense." It was said.

"Especially should we recognize the new police building which is one of the most up-to-date in the state. We owe the common council and the city engineer's department as well as the board of public works a great vote of appreciation for their help and assistance with this building."

EXCHANGE CLUB TO OPEN
CAMPAIGN TO SEEK KEL-
LOGG FOUNDATION HERE

The Holland Exchange Club held a meeting Monday in the Warm Friend Tavern and a new health drive which will foster cooperation among Holland organizations in an effort to induce the W. K. Kellogg foundation to enter Zeeland.

Vernon Ten Cate local attorney explained that the W. K. Kellogg foundation is interested in health and that it was established in 1930 to assist counties in consolidated school work, and now has branched out into health work.

It was pointed out that Allegan county had received \$18,000 in health benefits last year from the foundation.

Mr. Ten Cate outlined the work of the Kellogg organization as: First, Community education in the form of post graduation courses for doctors, dentists, nurses, teachers, janitors and other health officials.

Second, General adult health education featuring talks, literature and motion pictures.

Third, Acquiring statistics to show what is going on in the county.

Fourth, Covering communicable diseases.

Fifth, Safeguarding the water supply through inspection, supervision and regulation.

Sixth, Sewage disposal and general health conditions on the farm.

Seventh, Inspection of school buildings.

Exchangeite Paul E. Hinkamp presented a special gift of recognition to Alma Koertge, city nurse; and Rena Boven, head nurse at the Holland hospital, for their cooperation during the recent Good Fellow health drive.

The Rev. Dirk Dykstra, missionary from Arabia was the guest speaker and spoke on an imaginary airplane trip to Arabia.

William Arthur Garfield, president of Carroll college, Waukesha, Wis., honored guest, gave a brief address.

GATHERING TO ATTRACT 2,000
VISITORS FROM 150 POSTS

Saturday has been set as the date for the second annual convocation of Veterans of Foreign Wars, which it is anticipated will attract 2,000 visitors from 150 posts. The committee in charge of arrangements is headed by Comdr. John F. Sundin of the local Henry Walters post and Leonard Merchant of St. Joseph, deputy chief of staff of the Eighth district. Ten drum and bugle corps and several bands will compete for prizes.

The Veterans enjoyed Holland so much last year that it called for a return date in 1936.

NATION'S CAPITAL WILL BE
ADVISED OF TULIP
FESTIVAL

Holland's eighth annual tulip festival, May 16 to 24, will be advertised in the nation's capital upon request of Rep. Carl E. Mapes.

Mapes wrote Secretary William M. Connolly of the Holland Chamber of Commerce to supply him with six sets of bumper signs, specifying dates of the festival. They were sent by return mail.

More requests for the festival program are being received than in any previous year. Orders have been placed with the printer for 100,000 folders.

Principals J. J. Riemersma of Holland High school has been named chairman of the parade of bands for: Saturday afternoon, May 23, the closing day of the festival, for the third consecutive year.

TAX ORDERS COMPLIED WITH
IN THIS COUNTY; VALIDITY
OF STATE LAW IN DOUBT

In preparation for the delinquent tax sales to be held over the state on May 5, according to present orders, 2,100 letters have been sent out through the county treasurer's office to property owners by registered mail, in accordance with the present state law.

A force of two men and three women have been employed for the past month to get out the notifications, which according to the present law must be sent by registered mail to reach the owner 30 days before the sale. As there was not sufficient time to get all of the letters out, the balance is being sent through ordinary mail channels.

It has cost the county \$800, some \$500 of which was spent for registered mail, each letter costing 21 cents. The board of supervisors at a recent session approved the work in the treasurer's office, to comply with the state law and insure the legality of the sale in this county.

Some counties in the state have not mailed the property descriptions as there is doubt in many minds as to the constitutionality of the state law. A decision from the state supreme court within a short time is expected to have considerable bearing as to whether the sales will be enforced.

According to Fred Den Herder, deputy county treasurer, Muskegon county has not complied with the law and a case is now pending before Judge Sanford relative to the sale, which is being eagerly watched by many in Muskegon and over the state, he said.

Andrew Rutgers of Holland was one of the enumerators and Ted Moordyk of Zeeland was another.

RECOUNT MADE ON ZEELAND
CLERKSHIP

Zeeland city council, with the assistance of City Attorney J. N. Clark Prosecuting Attorney John Dethmers, shortly after midnight completed a recount of the votes cast for city clerk at last Monday's election. Gilbert J. Van Hoven was declared elected with 353 votes to 351 for Donald J. Stall.

The original count, on which Stall demanded a recount, was 357 for Van Hoven and 352 for Stall.

For several hours Thursday night, the count stood at a tie, until two doubtful ballots were thrown out.

ZEELAND CHURCH ORCHE-
STRA PLANNING PROGRAM

The North Street Christian Reformed church orchestra will repeat its "prayer day" program at the church April 16. The program will be given as a benefit for the local school of Christian instruction and is being sponsored by the Golden Hour society. The orchestra is under the direction of Corey LaMaar.

LOCAL POLICE WILL HAVE
UNIFORM WEAPONS

Following action taken by the board of police and fire commissioners Monday night, all officers will have the same type of gun and badges.

Upon recommendation of Commissioner John F. Donnelly, chairman of the personnel committee, the board authorized purchase of eight .38 caliber revolvers and two .22 caliber practice guns mounted on .41 caliber frames and of official five-inch length.

An added motorcycle for traffic duty will also be purchased by commissioner Ketel, chairman of the motor vehicles committee, along with Chief of Police Frank Van Ryn.

Officer Bontekoe, who has been with the local department for 22 years was given the title of "Detective" by the board. Officer Bontekoe, who henceforth will be known as Detective Bontekoe, is the plain clothes man and finger print expert of the local department.

Coroner Gilbert Vande Water announced Tuesday that the time of the inquest into the death of Mrs. Henry Farms has been changed from 9 a.m. to 1 p.m. The session will be held Friday in the justice court room of the police building. The coroner's jury will be composed of George D. Albers, Rufus Cramer, Henry S. Bosch, Lee De Feyter, Bert Gebben and Henry Lansing. Twelve witnesses have been subpoenaed.

Old Landmark
Razed, Use Site
For New PlantsSTANDARD GROCER COMPANY
TO REPLACE MILL WITH
TWO ONE-STORY BRICK
STRUCTURES

The tall mill on north River Ave., on the Pere Marquette sidetrack, at one time the milling house of the Standard Rolling Mill, better known as the Walsh-De Roo Milling Company, is to be torn down. This building has not been used for mill purposes for a great many years, but it has been occupied by the Standard Grocer Company for more than a score of years.

This enterprise has been well conducted. The offices of the old milling company which were built of brick, are used for general offices, but now after careful planning, the present company is to do some extensive remodeling.

The large office building will remain and on the foundation of the old mill which is to be razed, a new brick structure is to be erected. This structure is to be 42x120 feet. Another addition, extending east, will be 120 x 70 feet. The extensive improvements will facilitate the handling of merchandise through a larger area and will make it much more convenient than an elevator system going several floors up.

The remodeled building will cost in the neighborhood of \$7,000 and a permit was given at a recent meeting of the common council.

The Standard Grocer Company has 26 employees in the main establishment at Holland, two at the Muskegon and four at the Grand Rapids branches.

The Standard Grocer Company does a wholesale grocery business and supplies merchandise for the local and western Michigan I.G.A. Stores. Mr. Ben Muller, one of the firm, stated that more convenience and a steady growth made the remodeling of their premises imperative. It is expected that the building will be completed within two months.

North River Avenue might easily have been called Mill Street since the first mill, run by Mr. Geerlings and his brother, was located at the turn on River Avenue towards the Grand Haven bridge. An attempt was made to get the power by wind, through a dutch windmill. Because this worked slowly, the windmill was discarded for steam power later on.

Mr. Geerlings was the father of Mayor Henry Geerlings and Jake Geerlings, who was a postman at the Holland Postoffice for years.

Some 52 years ago the necessity for a large mill was considered and local capital built the Standard Roller Mill. The prominent figures in that enterprise were Heber Walsh, pioneer druggist and father of Walter Walsh; Isaac Cappon, the founder of the Cappon Bertha Leather Company, and considered the wealthiest man in Holland in those days and C. J. De Roo, a miller of experience and a well known business man first at Zeeland and later at Holland. He is now living in Flint.

There were many other Holland men interested but these were the most prominent. Isaac Cappon was Holland's first mayor and was a public spirited citizen. C. J. De Roo was mayor in Holland in the '80's and for a long time was a member of the board of public works. He did a great deal toward the upbuilding of our own fine public service company while it was still in its infancy.

The opening of the Standard Roller Mill was a gala day in Holland. It was a day for public inspection and folk from this city and the countryside had the run of the mill for an entire Saturday.

The mill had one bad fire, the loss not being so much from flames but from smoke and water that soaked the wheat bins. The popular flour were Daisy and Sunlight and there was an extensive market for these brands throughout the country.

Recently, in an item appearing in the News fifty years ago column, it told that four hundred barrels of this flour were sent to England, and similar items appear from time to time.

Some 25 years ago, the late Mr. I. Muller bought the plant and continued the business, but the milling end was discontinued a few years later and the buildings were used as a wholesale grocery enterprise.

After the death of the father several years ago, the children carried on and that very successfully. Ren Muller is President, Cornelius Muller, Vice President, Miss Dena Muller, Secretary and Manager, and J. E. Muller Treasurer.

Dr. E. D. Dimmet, former president of Hope College, is a director besides those whose names were already mentioned.

DUTCH PAINTINGS TO BE
EXHIBITED DURING
FESTIVAL

Mrs. Cora Bliss Taylor, nationally known artist will exhibit Dutch paintings during the Tulip Time festival.

Details for the exhibit, which will include some famous Dutch paintings as well as copies of other Dutch art, are being arranged by Mrs. Taylor at the studio which she recently established here.

Mrs. Taylor has three children, Jay 19, Florence 18 and June 7.

"An artist, by popular opinion, doesn't have children," she said, "yet Rachel Ruysch, famous Dutch painter, had ten youngsters."

John E. Schroeder of 209 W. 14th St. left Holland Friday night with Mr. and Mrs. Clinton Aylva for Marquette where he has been employed as assistant light house keeper. He spent two months in Detroit studying for the position. Mr. and Mrs. Clinton Aylva returned to Holland Sunday night.

Mr. and Mrs. F. Visser, 240 W. 18th St. had as their guests Sunday, Mr. and Mrs. G. Green of Chicago.

PLANNING YOUR PLANTING—A SMALL SUBURBAN PLACE

by Mrs. Francis King—courtesy Montgomery Ward

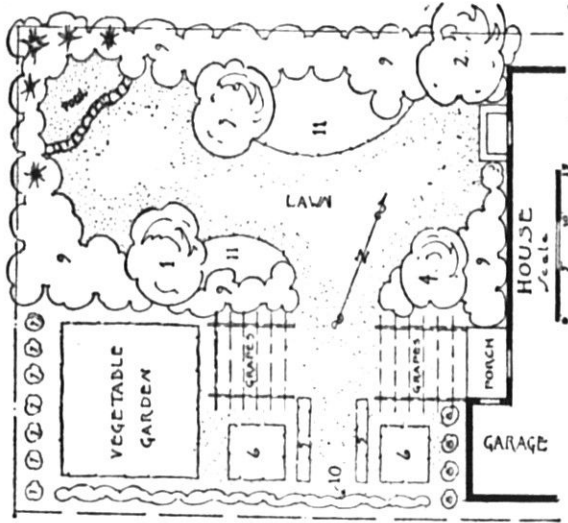

This is the second of a series of articles written for the newspaper by Mrs. Francis King, noted horticultural authority and editor of Montgomery Ward on the subject of gardening.

This is a particularly well balanced plan for the rear of a house in a suburb. The whole area is roughly 50 by 60 feet, but so well allotted are the various spaces, so cleverly is the lawn enclosed by trees, shrubs and flowers, that there is a degree of privacy and interest very unusual where square feet are so few.

The evergreens shown by the starlike forms around the back of the pool might be pyramidal arbutus or a Scotch pine in the corner. Nos. 1 and 3 are apple trees for blossom, fruit and shade, while No. 2 is a pear and No. 4 a plum.

For the various groups of shrubs (No. 9) these are suggestions. In the further corner next the vegetable space lilacs seven or eight feet apart could well be planted, perhaps the good varieties Marie Le Graye and President Grey. For No. 9 next the grapes Spiraea Van Houttei might be used, with scarlet oriental poppies for No. 11, followed by annual poppies, the seed to be dropped among the perennial ones.

- 1 Apple tree
- 2 Pear tree
- 3 Apple tree
- 4 Plum tree
- 5 Bush fruits
- 6 Roses
- 7 Small fruits
- 8 Blackberries
- 9 Shrubs
- 10 Raspberries
- 11 Flower groups

No. 11 across the lawn space might be planting of delphiniums, peonies and dahlias. For the shrubs No. 9 along the boundary line either Tartarian Honeysuckle or Mock-orange would make a background and screen. The two beds, No. 6, might have roses; Nos. 7, 8 and 10 show where bush fruits could stand. Grapes would be trained over the

two lightly built arbors, Concord, Niagara and Catawba to be the three kinds used.

The pool in the far right-hand corner adds a light given only by water, while the narrowing and broadening of the small lawn gives remarkable variety of vista in a small space.

SALES TAX EXPLAINED

ERNEST T. CONLON

Ernest T. Conlon, assistant attorney general in charge of the state sales tax was the guest speaker at a meeting of the Holland Rotary club, Thursday noon. "It costs \$500 each year for every murderer kept in Marquette prison and the total cost for segregating our criminal reaches \$2,800,000 and our sales tax must pay 60 per cent of this total."

Mr. Conlon, who favors capital punishment stated that, "if we did not continue to house the murderer, our sales tax would be much lower."

If it were not for that sales tax, 1,000,000 school children in 6,823 districts could not have returned to school last year. There is not one city in the state that could maintain its welfare or run its government if it were not for the help gained from the general fund of Michigan.

Mr. Conlon, former city manager of Grand Rapids explained the welfare needs in that city and also stated that if it wasn't for sales tax, welfare work could not be carried on.

The tax from the sale of foods alone amounts to \$12,000,000 it was pointed out.

"There is a petition up now which would exempt foods from taxation, but if it is passed, you must take the consequences. Either another tax must be devised or the schools will have to be closed."

The speaker was introduced by William M. Connelly, Chamber of Commerce secretary. Vance Mape, president of the club, appointed John Good chairman of the committee responsible for Rotary activities during Tulp Time.

Victor Cherven, senior in Holland high school, was introduced by Mape as the Junior Rotarian delegate to the district conference at Muskegon, May 24 to 27. The Junior member is chosen by a committee from the high school and being the outstanding boy in the senior class.

ALLEGAN COUNTY NEWS

Miss Alyda Grotenhuis of Friesland has accepted a position in Holland.

Earl Metager was a Douglas visitor Tuesday. He has purchased 20 acres on the highway between Hamilton and Allegan and intends putting up a gas station.

Clarence Webber, 36, a former resident living near New Salem, Allegan County, was fined \$50 and costs of \$25 when arraigned in superior court in Grand Rapids on a false pretense charge. Webber used the fictitious name of Carl H. Leonard of 304 State St. Holland to purchase a horn valued at \$125 from a Grand Rapids music store.

Reports from the Fennville region are that extensive damage has been done to orchard trees by mice which gnaw off bark. When mice are spoken of, one has the mice in mind. These generally flee into houses as winter comes, but there is another kind which stay out, running under snow, all winter and it is these that do the harm.

* Paul Weems, 6, was brought to Emergency hospital in Allegan Monday evening with broken legs and a gashed forehead suffered when he ran in front of the car driven by Walter Histed, Gobles school teacher. The accident occurred on M-40 half a mile south of the Allegan-Van Buren county line. Sheriff Dodge of Paw Paw, investigating officer, stated no blame is attached to Histed. Paul, whose mother, a widow, is in Atlantic City, makes his home with an aged couple near the scene of the accident.

Mrs. Elizabeth Schram of Fennville, with her sister, Mrs. Reynolds, had spent the winter in Florida, called on Mrs. Frank Huizenga of Zeeland.

TULIP-TIME COMMITTEE DECIDES ON FOOD POLICY

At a meeting of the Tulip-Time festival committee held in the Chamber of Commerce headquarters at Warm Friend Tavern Wednesday, a definite policy in regard to serving of food by groups other than restaurants was adopted. The policy of the committee adopted yesterday is to encourage serving meals on Saturdays, Sundays and Wednesdays, the "heaviest" days of the festival. The established eating places can care for the crowds the other days, it was pointed out.

Those persons having clean comfortable rooms for rent during the festival period are requested to get in touch with the local Chamber of Commerce and their place will be listed.

The Holland Music Club held a meeting Wednesday afternoon at the home of Mrs. Leslie Risto, 16 East 23rd St.

Mrs. Lester Exo was in charge of the program which consisted of American music. Mrs. Exo gave sketches of the following five composers, Edward A. McDowell, Ethelbert Nevin, Charles Wakefield Cadman, Carrie Jacobs Bond and George Gershwin.

Compositions written by each composer were played and announcement was made that at the district elimination piano contest for Juniors, held last Saturday at Kalamazoo, first place was awarded to Miss Shirley Shaw, pupil of Miss Lacey.

The closing meeting of the year will be held April 22, when a spring luncheon will be held.

PROCEEDINGS OF THE Board of Supervisors Of Ottawa County, State of Michigan

SPECIAL SESSION, MONDAY, MARCH 23, 1936

The Board of Supervisors met pursuant to the petition of ten members of the Board of Supervisors and was called to order by the chairman, Mr. Heneveld.

Present at roll call: Messrs. Zylstra, Havedink, Hassold, Hering, Lowing, Hendrych, Hyma, Smallegan, Stegenga, Heneveld, Garbrecht, Grahm, Bommers, Slaughter, Martin, Mohr, Rosbach, Misner, Brusse, Postma, Damstra and Verecke.

Absent: Messrs. Marshall, Cook, Ryeenga, Van Ark, Nies and Roosenrad.

The clerk read the following call:

Grand Haven, Mich., March 10, 1936. Mr. William Wilds, Chairman, Clerk, Ottawa County, Michigan.

Dear Sir: We, the undersigned members of the Board of Supervisors of the County of Ottawa, Michigan, hereby request that a special session of the Board of Supervisors be held on Monday, March 23rd, 1936 at 10 a. m. for the purpose of considering a resolution adopted by the Ottawa County Road Commission at their meeting held March 10th, 1936 for the refunding of \$233,500.00 Covert Road Refunding Bonds, and for such other business that may be properly brought before the Board.

HUNTER HERING LESTER W. MARTIN CHARLES HENNEVELD PETER J. RYENGA PHILIP ROEBACH GERRIT BOTTMA RICHARD L. COOK FRANK HENDRYCH PETER G. DAMSTRA WM. BRUSSE PETER H. VAN ARK

Mr. Ray Johnson, president of the North Ottawa W. P. A. Workers Association addressed the Board regarding the difference in rates paid in Ottawa County and Kent and Muskegon counties and requested the support of the Ottawa County Supervisors to enable the workers to receive the same rate of pay as received by the workers in Muskegon and Kent Counties.

Mr. Damstra moved that this matter be disposed of after we take up the proposition which this meeting was called for, which motion prevailed.

Mr. Damstra moved that we take a recess of 15 minutes to give the Finance Committee time to consider the resolution passed by the Ottawa County Road Commission which motion prevailed.

On motion of Supervisor Damstra, supported by Supervisor Slaughter, the following resolution was adopted: WHEREAS, the Board of County Road Commissioners of Ottawa County have submitted to this Board of Supervisors a survey and a report of the situation now existing with regard to certain outstanding and unpaid Covert Road Bonds of Ottawa County, which are callable prior to maturity, together with a proposed plan for paying a portion of such bonds with available cash and refunding the balance at a lower rate of interest without extending the time of maturity, and

WHEREAS, it appears to this board, after careful consideration of such proposed plan, that such plan represents sound municipal financing and beneficial to the best interests of the County of Ottawa and the Townships, Cities and Road Assessment districts situated therein and affected thereby.

NOW THEREFORE BE IT RESOLVED, by the Board of Supervisors of Ottawa County, Michigan, in Special Session assembled on the 23rd day of March, 1936, that the plan proposed by the Board of County Road Commissioners be and the same is hereby approved and adopted by this Board, and

BE IT FURTHER RESOLVED, that all of the \$233,500.00 Covert Road Refunding Bonds of Ottawa County, dated May 1, 1926, be called for payment, after proper notice to the holders thereof, and that the sum of \$183,500.00 which is now available be used for the payment of the bonds so called for payment, and

BE IT FURTHER RESOLVED, that proceeds be started to issue \$100,000.00 Covert Road Refunding Bonds of Ottawa County, Michigan, such bonds to be dated May 1, 1936, to be issued in denomination of \$1,000 each as far as possible, both principal and semi-annual interest (May and November 1st) to be payable at The Peoples Savings Bank, Grand Haven, Michigan, said bonds to be obligations of the same character, form and legal effect as the particular obligations refunded, and to mature as follows:

INVALID WHO RAN PRINTING BUSINESS FROM HIS BED, DIES

Philip Hecksel, 85, manager of a unique printing business at Nunica, Ottawa County, the Hecksel Printing shop, and formerly employed in well known printing establishments of Grand Rapids, died Monday at Nunica after a long illness.

Mr. Hecksel began business in Nunica about five years ago, after having been in the printing and advertising department of the Challenge Machine company at Grand Haven and with the Cargill, James Bayne and Torren's printing departments in Grand Rapids.

In failing health, he courageously organized a printing business in the small town of Nunica, distant from large centers and built up a large volume of business. He was well known to the printing fraternity of western Michigan.

SUNDAY DINNER Suggestions

By ANN PAGE

EGGS, together with beans, cabbage, carrots and spinach are the best values available in perishable foods. Meats with the exception of veal are higher and butter is also higher. Excellent values are available in canned foods and particularly peaches. A large surplus is available which the California farmers and packers hope to dispose of before the new crop ripens. Stocking up on this food now will save you money, help the balance of production and consumption and help you give your family attractive dishes they will enjoy.

Cantaloupes, honeydews and grapes are swelling the list of available fruits. Honeysuckle rhubarb is now coming to market though the standstills still are bananas, oranges, grapefruit and apples. Strawberries and pineapples are moderate in price.

Here are three menus planned for different budget levels.

Low Cost Dinner
Braised Chuck Steak Potatoes
Sliced Beets
Bread and Butter
Tea or Coffee Milk

Medium Cost Dinner
Roast Loin of Pork Potatoes
Creamed New Cabbage
Bread and Butter
Tea or Coffee Milk

Very Special Dinner

to the Schuitema farm in West Drenthe.

Mrs. Vos and children of Holland recently spent an evening with the family of Fred Oudemolen at New Groningen.

Mrs. Deters entertained a few friends at her home. The guests were Mrs. E. Karsten and baby of North Holland and Mrs. F. Middlehook, Mrs. N. De Boer and Mrs. J. Nagelkerk of this place.

Mr. and Mrs. Harry Deters have moved during last week from the Van Dyk farm to Fennville.

Mr. and Mrs. F. Oudemolen entertained a few of their classmates

at their home recently, namely, Mr. and Mrs. J. Meuwissen and Mr. and Mrs. L. De Zwaan. A very pleasant evening was spent.

Mrs. Nick De Boer entertained the following ladies at her home last Wednesday evening: Mrs. J. Kossen, Miss Mary Kossen, Miss Ella Boscher, Mrs. John Deters and Miss Joyce. A social evening was spent and refreshments were served by the hostess.

Mr. and Mrs. Martin Lampen, Miss Cornelia Lampen and friend, James Windemuller of Zeeland were guests of John Deters Sunday evening.

Licks "HIP-BOOT" CONDITIONS

On its Everyday Shoes!

The same track shoes that give the "Caterpillar" Tractor plank-like support to tread on top of a loose mellow seedbed—also keep it from miring in a muddy field. The same wide grousers that eliminate costly slip in sand or slippery cover crops—also find the traction to brace its pull when the going gets wet and boggy.

For extreme mucky conditions, we'll back the "Caterpillar" Tractor models with extra-wide shoes to pull loads wherever a duck-hunter dares to walk—and do such work with ease and safety!

Grain growers, orchardists and vegetable-men the country over know what it means to own this all-weather, all-soil traction. It's the same non-slip traction that saves fuel, time and upkeep on every job. Assurance of beating bad weather is a bonus you get with the "Caterpillar" Tracktype Tractor.

Ask us for complete information on "Caterpillar", Distillate or Gasoline Tractors—Usable Horsepower at the lowest price in "Caterpillar" History!
