Editors Note: We are devoting this issue of your Alumni Magazine to those Hope College men and women who have chosen Higher Education as their profession. Those women who were included in the October, 1950, issue have preferred not to appear in this issue. Those in that issue under the caption "Higher Education" supplement those in this issue. We are very sorry that pictures were not available for all of those whose names are in this number. We are sorry too that we could not get the information we desired in time to include some who should be a part of this feature. It is our thought that you will be amazed by the number of Hope People who are in this manner contributing to the thought of thousands of men and women of America's future.

Family: Virginia French, wife; Patricia Lee, daughter.
Comments: "The executive program last summer provided me with my most thrilling educational experience as a teacher. The experience of a month-long course, and course in the exchange of ideas among top-flight business men, outstanding business firms on the major managerial, economic and social issues facing top managers today was both a great challenge to me as a teacher and a rare opportunity to me as a student of business administration. If, as many suggest, the development of men for top executive positions is the number one problem in our business economy, I am very happy to be able to participate and to hope assist in some small way in that problem as an educator."

**THE SPORT SCENE**
By Randall Vande Water '52.

Hope's football team, co-champions in the MIAA, placed eight men on the all-conference squad which was made up of 22 players.

Those selected from Hope on the offensive team were Ken Bauman, Fred Yonkman, Jim Van Hoenen, linemen, and John Hamilton, fullback.

Named to the defensive team were Jack van der Velde, Gene Nyenhuis, Lloyd Beckman, linemen and Don Piersma, safety.

**BASKETBALL DOPE**

John Visser '42, has taken over the head coaching duties of the Hope College basketball team, replacing Russ De Vette, who has been called back into the service.

Visser, well-known to cage followers, was an All-MIAA center while attending Hope College under M. L. Hinga. Assisting Visser with the coaching duties is Nick Yonker '50, while Hinga is serving in an advisory capacity.

Included on the varsity squad this season are Junior Bremer and Jerry Jacobson, both all-MIAA last season. Other letter winners playing on the squad this season are Ronald Bos, David Kemper, Don Piersma and Ken Van Regenmorter, all from Holland. Bob Visser, Grand Rapids sophomore, is another letterman.

Leading the group of freshmen is Bob Hendrickson from Grand Rapids. He has been playing the center post. Others on the roster include: Jim Wilyard, Jerry Veldman, Al Nelson, Bob Boilema, Bob Schriemer, Norm Schuiling, and Willard Rink, all are freshmen, except Boilema, who is a transfer from Muskegon J.C. and Norm Schuiling, a sophomore and leading scorer on the freshman team last year.

*1951. Thomas Malewitz is working toward his Master's Degree in Zoology at the University of Kansas. His Address: Oread Hall — Room 215, Kansas University, Lawrence, Kansas.*

*1916. Donald Baker, son of the late Rev. Albert Bakker, is a second generation Hopeite this year. His name did not appear with the group in the October issue of the Alumni Magazine, the oversight occurring because of the change in spelling of the name.*

*John Mulder, reported in the October Alumni Magazine as a second generation freshman, is really a third generation Hopeite. His father is Johan Mulder '29 and his grandfather is John H. Ter Avest, 1899, of Coopersville.*
Professor Harold A. Larrabee was done a great injustice when his poem appeared in our magazine with the notation that it was by an "unknown" author. Prof. Larrabee is very well known, being the Professor of Philosophy at Union College, Schenectady, New York. The fact that he is well known is attested to by the fact that several people rose to his defense after this publication. The one who spotted the unintentional "oversight" was Rev. W. N. P. Dailey, a graduate of Union College with the class of 1884, the class which gave us our first President, Dr. Philip Phelps. This Union College Class produced three college presidents.

Rev. Mr. Dailey reports that Dr. Phelps is considered a noted Union Alumnus because of his work at Hope.

Mrs. G. E. Webster, Administrative Assistant at Union College, vocalized her protest for our not knowing Prof. Larrabee in a letter which was printed in the October issue of the Alumni Magazine on page 20. She also helped us to make amends by sending us this nice picture of the Union College with the class of 1884, the class which gave us our first President, Dr. Philip Phelps. This Union College Class produced three college presidents.

I'm sure you'll all appreciate the Professor's own lament which follows:

"A friend has been kind enough to send me a copy of your July, 1951, Magazine, containing a part of the verses entitled "The Modern College President," by an "unknown author."

"Which leads a professor of philosophy to reflect that fame is indeed fleeting. I wrote the verses (there is a second one) originally for a Christmas dinner of a club on our campus. They were printed first in Franklin P. Adams' column "The Conning Tower," and reached bookform in Rhymes About College. They were included by David McCord in his anthology Whoo Cheer and in the Pocket Books edition of the Book of Hilarious Verse.

"But they have also been reprinted in dozens of college papers, and sung by college choruses and soloists across the country. My name has been misspelled 'in a dozen ways, but this is one of the first times it has disappeared altogether!"

"Union College and Hope College have in common a certain debt to Dutch founders and sustainers. Our football team is known as the Dutchmen, and our veterans live (or used to) in Dutchmen's Village. It is too bad that we can't meet on the gridiron occasionally."

Prof. Larrabee's most recent publication, not yet in Who's Who are Selections from Bergson, which he edited for Appleton-Century-Crofts in 1950, and Dr. Charles Mayer's Man: Mind or Matter? which he translated from the French in 1951 (Beacon Press).

Because you enjoyed the first verse of THE VERY MODEL OF A MODERN COLLEGE PRESIDENT (with the customary genuflections to the shade of Sir W. S. Gilbert) we are printing the second verse here with a real and special salute to Prof. Harold A. Larrabee of Union College:

I mix with all the business kings — the Lions and the Rotary,
Of heiresses and oil-tycans I am a hopeful votary.
I'm fond of giving dinners in a lay-out that is equi-fyal
And talking on the radio in accents quite pontifical,
I use the phrase "distinguished guest" at every opportunity.
I welcome all alumni to my parlour every June at tea.
And though I like to see the neutrals' lonely hearts that burn at ease,
I always have a kindly word to say about fraternities,
I've shaken every human hand that's manicured and squeezable,
I pass the hat among the rich, the buck wherever feasible!
So though I pile up mileage being generally non-resident,
I am the very model of a modern college president!
Roger Voskuyl '32 with the Rev. James Z. Nettinga '34 and Francis Min- turn Sedgwick, President of the Santa Barbara Harvard Club, on the occasion of Dr. Voskuyl's inauguration as president of Westmont College, September 14, James Nettinga represented Hope College at this event and Mr. Sedgwick represented Harvard University which conferred upon Roger the Ph.D. degree in 1938.

James A. Verburg '10, October 12, Inauguration of Dr. Arthur B. Knapp as the fourteenth president of Denison University.

Comment: “I appreciate your invitation to represent Hope College at the inauguration of the new President of Denison University. The service was a pleasure.”

Raymond L. Zwemer '23, October 27, Installation of Daniel Zachary Gibson as twentieth president of Washington College.

Charlotte Morehouse Duesing '31N, October 22, '23, Inauguration of Dr. Alston as president of Agnes Scott College.

Rev. Harvey B. Hoffman '32, October 12, Inauguration of Jess Harrison Davis as fourth president of Stevens Institute of Technology.

Rev. Peter H. Pleune, D.D. '99, October 30, Inauguration of Dr. Philip Grant Davidson as president of the University of Louisville.

Rev. Joseph R. Sizoo '07, Chairman, Board of Trustees of Finch Junior College, New York City, inducting into office Dr. Roland R. De Marco as second president of the college.

REV. ANTHONY VAN HARN '31

Rev. Anthony Van Harn '31 died unexpectedly from coronary occlusion while visiting in Chicago on October 30, 1951. He was a native of Holland, attended Hope Preparatory School and Hope College. After graduation from Hope in 1931 he entered Western Seminary from which he was graduated in 1934. He had two years of post graduate work at Calvin Seminary, Grand Rapids, and at Western Seminary. He started work on a thesis for his Master's degree.

On May 9, 1940 Anthony married Miss Anjean Hasper of Chicago. He served two churches: One in Michigan Benthem (East Overisel) Reformed Church from 1933-45 and First Re-formed Church of Waupun, Wisconsin, from February, 1945 until he passed away.

Surviving are his wife of Waupun, his father, Cornelius Van Harn, of Holland, a sister, Miss Nellie Van Harn of Grand Rapids and a brother, Abraham of Holland.

HELENE VAN Kersen '25

Helene M. Van Kersen '25, Medical Record Librarian at Holland Hospital for some years, died at Holland Hospital on October 31, 1951, following an illness of several months. Miss Van Kersen was born on February 14, 1902 in Raritan, Illinois, to the Reverend and Mrs. William J. Van Kersen. She attended Hope Preparatory School and graduated from Hope College in 1925. After a year of further study at Holland Business College, she became secretary to Dr. W. J. Van Kersen and Dr. S. Van Der Werf in the Western offices of the Foreign and Domestic Mission Boards of the Reformed Church, which had been located in Holland. She remained in this position until the offices were closed. In 1944 she assumed her duties as Medical Record Librarian at the Holland Hospital, in which profession she won, a few years later, the degree of R.R.L.-Registered Record Librarian.

Helene was a member of Third Reformed Church, where she was very active in the choir and in the other organizations of the church. Until ill health prevented, she was a member of the Womans Literary Club of Holland and of the A. A. U. W. A devoted Christian, she gave cheerfully and generously of herself and of her talents — both in her professional and in her private life — in service to her Lord and to her fellowmen.

Miss Van Kersen is survived by her mother, Mrs. W. J. Van Kersen, of Holland, and a sister, Mrs. Dale Hoffmyer (Ruth Van Kersen '27) of Grand Rapids.

ALBANY HOPE COLLEGE CLUB
By Virginia Froligh '38.

The Rev. James Van Vessum, pastor of the Altamont Reformed Church, was recently elected President of the Assoc. of Evangelical churches in the Helderberg area. Reformed, Presbyterian, Methodist, and Lutheran churches are working together in the association.

With the coming of the Rev. Wm. Coons '41, to the Niskayuna Reformed Church, a real challenge is offered him due to the many new homes in the community. The old Sunday School building has been remodeled and enlarged and a new heating system installed. Also, a new oil burner has been authorized for the Parsonage.

The congregation of the Mt. Pleasant Church honored their pastor, the Rev. Nelson Van Raalte '28, and his wife on June 21 with a reception in honor of their 20th wedding anniversary. A beautiful silver service set was presented to the manse family.

Miss Elaine Swartout, a possible Hope College candidate, daughter of the Rev. Ed. Swartout '29, pastor of the Woodlawn Reformed Church, has been elected editor of the Naat Terrace High School paper for the next year.

Miss Edna Mae Pierce '51, daughter of Mr. and Mrs. R. F. Pierce of Redlands, Calif., and Donald L. Fairchild '51, son of Mr. and Mrs. Raymond L. Fairchild of Putnam Road, Schenectady, were married at a candlelight wedding service held Sept. 1 at the University Methodist Church, Redlands. Both bride and groom are Hope graduates of the class of '51. Following a wedding trip to San Bernardino mountain resorts, Mr. and Mrs. Fairchild will reside at Nashville, Tenn., where the bridegroom will do graduate study in history at Vanderbilt University.

Classis Schenectady, met in the Lisha's Kill Reformed Church on Oct. 2 with the Rev. Ed. Swartout '29, retiring Pres. conducting the devotions. The Rev. James Van Vessum '33, was elected Vice-Pres. and the Rev. Marion Pennings '26 was elected to a three-year term as Stated Clerk and Treasurer.

At the First Reformed Church of Hudson, N. Y., the Rev. Al Van Dyke '41, pastor, 41 teams of two members each, inspired by the evangelistic services and preaching mission held by Dr. Jacob Prins '24 in Sept., went out to call on every member and friend of the church. The visitation was focused on Worldwide Communion Sunday. This communion service this year had the largest attendance in the recorded history of the church, and 23 persons made confession of faith in Christ.

Ted Hidding '27, has satisfactorily recuperated from a major operation and once again is back "on the job" at the Hidding Heating Co.

Miss Marion Kuyper, '38, N. Y. C., was a recent visitor in this area. She spent several weeks at her brother's home, as well as visiting with old acquaintances and former Hopeites here. (Her brother is the William '31 who is employed by General Electric at the Knolls Atomic Power Lab.)

DETOIT HOPE CLUB NEWS

The Alumni Chapter is formulating plans for a great banquet to be held about the middle of February. A good meal plus a good program plus a lot of reunions will equal a very good time for all the Hope Alumni in the Detroit and Ann Arbor area.

Lawrence '32 and Marian '32 (Den Herder) DeCook will be leaving the Detroit area about January 1. Larry has been promoted to serve as sales manager in the tire branch of H. J. Heinz office in Chicago.

The Rev. Dr. Frederick Olert '26 has moved from Detroit and is now the pastor of the Second Presbyterian Church of Richmond, Virginia.

The Rev. George VanderHill '42 has recently moved to Dearborn where he is the pastor of the Christian Reformed Church.

The Rev. Arthur Van Eck '48 and family have moved into their new parsonage and are happy with the many opportunities in the new Calvary Community Church in Wyandotte.

George Hyms '39 is now at the Ford Motor Company in the Salaried Personnel Department where he works under another Hopeite, Tom Beaver '32.

Bill Barcentz '49, recently graduated from law school and is now with a law firm in Ypsilanti.

Detroit will lose another good Hopeite when Mrs. Bruce Stewart (Gertrude Young '39) leaves with her family to join her husband in England. Lt. Col. Bruce Stewart will go about December 1 and Trudy and two children plan to follow about January 1. Bruce was home recently to witness the baptism of their youngest child at Faith Community Church where Rev. Wm. Van't Hof '24, is the pastor.

Peggy Prentice of Detroit is attending Hope on a Scholarship of the Ford Foundation.

ALUMNI NEWS FROM THE KALAMAZOO AREA
By Marion Lordahl Bokken '31.

Approximately fifty members, and six guests, of the Hope College Club of the Kalamazoo area, gathered in Trinity Ref. Church, Kalamazoo, Monday evening, Nov. 5, for a fall dinner meeting.

Rev. Adolphos Dykstra '36, pastor of the host church, offered the invocation. Following a delicious baked ham dinner prepared and served by the women of Trinity Church, Pres. Bert Scholten '39 conducted the business meeting. Roll was called by classes.

For the program, Clyde Geerlings '27, Public Relations Director from the college, presented two students, the Misses Evie Leese and Marjery Pickins, in a group of novel and entertaining dramatizations, excellently performed. Dr. Bruce Raymond, Exec. Secretary of the Michigan College Foundation, spoke on the aims and accomplishments of the new organization.

The Pres. expressed the appreciation of the group to Lois Ketel Kinkema '34, for her work in making arrangements for the dinner; and to Lloyd Chapman '35 for serving as program chairman for the event. The next get-together will be a coffee-klutz following the Hope-Kazoo College basketball game.

Mr. and Mrs. Aardle Ferguson (Hazel Lokker, '27) who have been active members of the Kazoo Alumni Club for several years, have left Kalamazoo to take up residence in Benton Harbor. The best wishes of the group go with them.

Mr. William ('37) and Lois Devries ('37) Witches are new members of the group, having come to Kazoo from Arlington, Va. Bill is teaching in the industrial arts department of Western Michigan College.

Other newcomers to the area are Mr. Sidney ('37) and Laura Guigelaar ('33) Havinga who are residing at Vicksburg.

Mr. Havinga is serving as office manager of Richmond, Va. Bill is teaching in the industrial arts department of Western Michigan College.

MILWAUKEE HOPE CLUB
By Mildred Ramaker '26.

On October 4, 1951, at a six-thirty o'clock dinner meeting the Wisconsin Hope College Club gathered 56 strong in Fellowship Hall at The First Reformed Church in Milwaukee. From Cedar Grove they came, from Waupun, Racine, Madison, Oostburg—all roads led to Milwaukee for the friends and alumni of Hope College. Reverend Mr. Maurice Marcus '30 and Mrs. Marcus, were genial hosts, and the ladies of the church served a delicious turkey dinner. John Ver Meulen '24, Racine, reviewed Hope's financial program and plans for the future. Miss Florence Walvoord '18, Shimonoseki, Japan, analyzed provocatively the reforms undertaken during the occupation under General MacArthur, Senator Clyde Geerlings and his wife brought back campus days with motion pictures and informal talk. During a brief business meeting the club elected Harold Wierks '24, Milwaukee, to be president for the ensuing year. Marietta De Groot Poppe '29, Cedar Grove, was elected treasurer; and Mildred E. Ramaker '26, Milwaukee, was re-elected secretary. With the adoption of plans for an annual dinner meeting, the Wisconsin Hope College Club now stands shoulder to shoulder with all the other Hope College alumni clubs ready to serve their Alma Mater.

THE UNITED NATIONS AS I SEE IT

By Ketemo Yifru.

(Editors note: Mr. Yifru received his AB from Hope College on September 26, 1951, upon notice from the Universal Nations that he had successfully completed his Interme program (see Alumni Magazine, July, 1951). He is now working on his Master’s in Foreign Service at Boston University.)

First and foremost I would like to thank Dr. Lubbers, Dr. Hollenbach, Dr. Hawkinson and the Administrative Committee for making it possible for me to have such an interesting and useful summer at the United Nations.

From outside, the United Nations building in New York City looks like a block of glass and it looks odd for an office building. Inside the observer will see well furnished offices occupied by all kinds of people. It is a great paradox that the old United Nations Office at Lake Success is already taken over by a firm manufacturing war materials. As a matter of fact when one room was evacuated by the United Nations, it was taken over by the firm which couldn’t even wait till the whole building was evacuated.

At the Manhattan office over 3500 international Civil Servants, who come from the four corners of our not too stable world, work busily. To see people of so many nationalities with so varied backgrounds work together very smoothly if not efficiently, is very gratifying considering what is happening in the world at large.

The Secretariat with the Secretary General at its head is truly an international Civil Service. When a person is admitted to the Staff of the Secretariat he or she has to sign an oath of allegiance to the United Nations, above all national interests.

According to the Charter the United Nations has six principal organs which are: (a) the General Assembly, (b) the Security Council, (c) the Economic and Social Council, (d) the Trusteeship Council, (e) the International Court of Justice and (f) the Secretariat.

While at the United Nations I asked to be assigned to the Trusteeship Division because I was very much interested in the work it was doing in the Trust areas which are mainly in my own continent—Africa. Moreover so you will see later on in my reports, I was very much interested in the former Italian Colony of Somaliland, primarily as one who is interested in international justice and secondly as an Ethiopian who rightly thinks that Somaliland was, is and will be part of Ethiopia. Somaliland, contrary to the wishes of the Somali people, was put by the United Nations under Italian Trusteeship. While preparing my paper, the Trusteeship Division put all kinds of documents at my disposal.

It is now almost six years since the Allied Powers met in the City of San Francisco and created the United Nations by signing the Charter. The growth of this International Organization was very stormy. There were times when it almost met the same fate the League of Nations that failed Ethiopia met. There were downfalls and Triumphs such as averting many great incidents such as in Iran in 1946, in Palestine, in the Balkans and in Kashmir to name only a few.

Many people had put too much hope in the United Nations. They were more or less idealists. We must not forget that it is extremely difficult for an organization of sixty independent and foreign nations to act together smoothly. I am sure we don’t expect harmony from the U.S. Congress or the British Parliament or the Supreme Soviet of the USSR. The United Nations is a world platform as Congress is a National platform where politicians do talking most of the time and do little. At the United Nations sixty different delegates might get up and speak for his national interest. Each nation has a solution for a problem and he thinks his way is the only right way. The only way to avoid deadlocks on issues is compromise, but lately the creation of an East and West block has all but killed the spirit of compromise which is very badly needed in big organizations such as the United Nations. Each side is unwilling to give up his point of view. To me both sides are wrong and not only one side as many people think.

The United Nations, partly due to the fault of the Charter, is dominated by the Big Powers. The small nations have no more their free will, they just drift along with the political tide. The pressure from The Great Powers is so great that these small nations find it difficult to stand by their own.

Though the future does not look bright, let us remember that the United Nations is the only international organization we have and as such let us try our best to make it work. If only the delegates to the Annual General Assembly session work sincerely as the Secretariat people do, we would have a better world to live in. But remember, these delegates reflect the views points of their country’s men. In other words it is the people’s fault, it is our fault. This is a hard thing to take. The difficulty is that we the people are too nationalistic. We have got to get out of the notion that if we forget the world, we live in peace. We must get rid of our Provincial attitudes and be more world-minded. This is a hard thing to do, but if we have the determination, and I am sure we can have it if we want to, we can do it. Remember people are the same everywhere, be they in the United States, India, China, Ethiopia, Nigeria or Russia. They are all human beings who want to live in peace — a word one is afraid to use lately. Let us not be too pessimistic, let us cheer up, after all the world is what we make it and I am sure we can make it much better than it is.

HOPE MAN WINS PROMOTION

Mark N. Brouwer ’35 was recently named Assistant to the Publisher of the State Journal (unopposed daily newspaper in Lansing in the 60,000 circulation class) during dedication and open house events in the new $2,000,000 newspaper offices and plant.

Mark joined the State Journal staff in 1948 as a staff writer after operating The Reading Hustler, a weekly newspaper in Hillsdale County, for five years as editor and publisher. In a few months he was delegated to handle various public relations events that The Journal sponsors. This developed into the job of public relations director. Along the line he “caught the chore” of editing special editions that were published from time to time.

Mark’s wife, Cornelia Stryker ’34, is soprano soloist for the First Presbyterian Church of Lansing, until recently pastored by Dr. John M. Vander Meulen ’36. She was recently elected President of the Lansing Chapter, United Cerebral Palsy Association of Michigan. Cornelia and Mark have two daughters: Margaret, 11 and Connie, 9.
H. D. Fylstra '48, writing from Boro Wood Products Co., Inc., Ben­nettsville, S.C.:  

Dear Dr. Lubbers: As for my business experience since leaving Hope College, I came South upon graduation from Hope in February 1948 for the purpose of doing a little vacationing here in my wife's home town. A few days after my arrival I learned that this company was seeking additional administrative employees. The day of my appointment with the General Manager, there was a representative of the Phoenix Indemnity Insurance Company present who explained the qualifications for Hope College graduates. It was quite coincidental, and you might say providential, since the meeting in my obtaining the position as Assistant Sales Manager. January 1, 1950, our General Manager and Director of Sales returned to a New Jersey corporation and I was promoted to Sales Manager. Since then it has been my responsibility to manage and direct our fifteen salesmen representing us from Boston to Miami and Westward to Detroit, Chicago, St. Louis and New Orleans.  

We are manufacturers of a complete wood Kitchen Cabinet line, including linoleum and plastic sink and counter tops, with a production output of one hundred complete kitchens per day. During the past five years we have completed approximately 25,000 kitchens for Title VIII Military Housing Projects, The National Public Housing Authority and private building contractors. P.S. I could write lots more but the bosses are out of town today, and the secretary is getting a little difficult about taking some of this dictation. She keeps reminding me that you asked for a "brief statement. (She is not a Hope graduate). I searched the house in vain to find a recent picture of myself but trust the enclosed photo made in Holland in 1946 will do. I don't look much older you see: The 28 pictures we have around are of our little boy who is now 14 months old.

Helen Moser Nadhubry '23, writing from Glendale, California:  

The Anniversary Directory arrived in fine shape and was well worth waiting for, I am so happy to have it! Many thanks for a wonderful job!

Amanda Zuemmer '25, writing from Pasadena, Calif.:  

I have been enjoying so much the Alumni Directory since it came two weeks ago! A big job, well done. Congratulations! We're looking forward to meeting those of us scattered through Southern California closer together.

Thomas '48 and Lois Stanton '50N Van Dahn, writing from Pella, Iowa:  

We received our Anniversary Directory yesterday and want to express our gratitude for it and compliment you for preparing such a fine book.

We had a pleasant time last evening finding out where our former classmates are located and what they are doing. I'm sure we will have occasion to refer to the Directory many times.

Henry I. Shaw, 1941 2nd St. N.E., Washington 2, D.C. writing:  

"I have separated from the Marine Corps now and am at present working as an historian for the Historical Division of Headquarters, Marine Corps. Both my wife (Quanta, Hubbell '39) and I enjoy the magazine very much and the opportunity it presents to keep in touch with Hope."

Harold J. Hoffman '32 writing from 51st Signal Battalion, APO 358, c/o PM, San Francisco, Calif.:  

"Winter is coming and multitudes of Koreans still be left in the cold. Many children have no clothing and with fall and winter approaching, their little bodies are turning into a purplish blue. Many people have no homes but live under pieces of tin or canvas and try to eke out an existence. Unless help is given they will die by the hundreds this winter. I am urging all the men to whom I minister to write home for articles of clothing and then give it to some family in need. I am very anxious to have as many families as possible send me boxes of clothes 10 pounds or less to help relieve the suffer­ing here. We can use shoes, underwear, dungarees, shirts, dresses, snow-suits, mittens, socks, etc. for all ages. The Lord said, "Itasmuch as ye have done it unto the least of these my brethren, ye have done it unto me.

Let me personalise this Korean scene in the life of Schinbone our shoe-shine boy. To see him, he, indeed, looks like a Sad­Sack with one exception—he always wears a smile. His trousers are big enough for his father. In his shoes a stroke of 4. Everything he wears has been given to him by some soldier who has taken pity on him. He lives with us in the camp here, and tries to make some money for his mother who lives about 30 miles distant by shining shoes. I called on him the other evening at the place where he is sleeping. He had arranged a few pieces of galvanized roofing material in such a way that it gave him some protection from the weather. He was sleeping on a board and had found a few pieces of old clothes with which he covered himself at night with a thin blanket for this young lad. The candle which I had given him was perched along side of his wooden bed, and the Korean Bible which he received through the paper by the candle. He reads about three or four chapters in the Bible every evening. We saw to it that he was provided for in a better way, and today he is quite comfortable. But here is the thing, he is only one of thousands of boys who live a life of insecurity, and the world must seem like a cruel place. The Lord in his day must have viewed similar scenes when he said, "They are like sheep not having a shepherd."

Our soldiers give an offering every week to help take care of the needy. During the last month we were able to collect about $500.00, all of which goes to needy and orphaned children."

Will you note a change in our address?  

For 22 years we were stationed at Rehoboth, N.M. but last May we moved to Tohatcheli, N.M. This is just 24 miles north of Gallup, N.M. on U.S. 666 to Denver.

In the past we have called Ma having a good time with Jack, a junior at Rehoboth High and Philip who is just starting Junior High. Roland and Edwin are Calvin alumni, Gordon, a freshman there; Lloyd is a 1948 Pepsico scholarship winner, and is now a senior. Our boys attending Calvin has, however, in no way lessened our interest in Hope. We hope to be around for the '22 class reunion and some of the commencement week activities next June.

These special anniversaries seem to make all anniversaries more significant. We rejoiced in 1926 over our appointment as missionaries to China, but our term of service was cut short by the unsettled conditions prevailing in North China and Japan. In 1927 we were reappointed and began our work among the Navajo Indians in New Mexico where we are neighbors to the Reformed Mission fields at Dulce and Mes­calero. Mrs. Kamps, see Isabel Everse, has through the years carried the burdens of a busy mother and missionary's wife. We have SIX sons, three of whom have outgrown Dad physically and we hope all will in other respects. Our family basketball team can't get together for games as often as they'd like to but if their court performance is at all indicative of their hoped for team work in other lines, you may be hearing more about the "Kamps Kids" in time to come. So far they have a record of 5 wins and 2 losses in all games played.

Captain C. M. De Bee '37N, writing to his parents from Tokyo, Japan:  

Japan's acceptance of the Peace Treaty was very reserved and without fanfare. She seems mostly worried that we may depart and leave her exposed.

It won't be too long til she'll again be able to take care of herself. She's sure to be the leader of the Orient, her people are put together in groups, she has the know-how and the ability to maintain this position. She deserves her prominence.

I imagine, at times, we Americans are both tasty to stomach by the Japanese, since their cultural affiliations date back centuries (time tested) whereas we can only go back a few hundred years and we are so zealous in our efforts to change them. We have much to learn and also from them.

Jacob '22 and Isabel Everse '25 Kamps, writing from Tohatcheli, N.M.:  

This past summer has been a season of anniversar­ies for us. We celebrated our 25th wedding anniversary on May 30 and the 25th anniver­sary of our missionary service on August 11.

Mrs. J. A. Otte '82, writing from the Warm Friend Tavern:

I am sending you a picture. Why? Well, he is my first great grandchild! Yes, I am a great one. The young man, 6 months old you now, is very happy sitting at—well one of these modern gadgets but looks very proud and happy.

I was fascinated by the HOPE sweater he is wearing. Elaine Scholten is his mother. She graduated in '43, married a young man—Paul Stephan II, who is now completing his thesis for a Ph.D. and is teaching history at New York University. Elaine was quite honored at Hope—in Elcor, Who's Who, and received the gold medal award.

Her father, Rev. George Scholten, graduated from Hope in 1911. We hope 'Steve' will keep up the tradition. (His name is Paul Brooke Stephan III.)

My! It's great to be a great grandmother, great fun and great everything and I am very grateful.

Don Lee '50 writing from Camp Gordon, Ga.:

I met Ed Leverette here at Camp Gordon this past August. He was here to attend one of the courses at the M.P. School. While he was here we managed to spend some time together and hash over old times at Hope. While he was here we managed to spend some lime together and hash over old times at Hope. He has returned to the 503d M.P. Bn, Ft. Bragg, N.C. since then.

Congratulations to Coach Vanderbush and The football team for a first place tic.

Max V. Frego '50 writing from Fort Riley, Kansas:

As you know by now I am in the army and am now stationed at Fort Riley for basic training. It's not such a bad place, although it's too far from home to suit me. Roy Zwemer '50N and Rod Boersma '53N are both here too. I've seen Rodney, but as yet I have not been able to find Zwemer home when I try to see him on weekends. I guess he always has a pass on Saturday and Sunday. I have met several very nice fellows in my company, and it is very surprising how many of them are college and university students and graduates. The draft certainly took quite a few this summer.

Bob Van Dyke and Jim Van Keulen, both '51, writing from 101st Airborne Division, Camp Breckinridge, Ky.:

I will say, however, that Jim Van Keulen and I are still together. We left G.R. together, were at Custer, and now here in the same barracks and same floor.

Don't let that fancy address fool you. We are in the good old infantry. Even so the camp. We have top notch non-coms and the chow is nearly as good as home. So you see we have no complaints.

Already we have friends that we can ride home with. But going home requires passes — so we can get passes. Therefore don't be too surprised if we drop in some weekend. Friday afternoon we went to the football field to see the Breckinridge Eagles lose 14-19 to the Leonard Wood Hilltoppers. It cost us 50c to sit on the hard Kentucky clay behind the goal posts in the second row. The festivities reminded us very much of the homecoming this week-end. We saw the results of the game in today's paper. It must have been a dandy. There is a possibility of our being transferred after a couple of months. If this happens we'll keep you posted.

Jean Brunstetter '49, writing from Farnams, Mass.:

Dear Mrs. S. and Mr. G.: As you will note above, the Brunstetter stencil has to be changed again, but we trust it will be the last time for a while. We moved here the middle of July and Don is working for the U.S. Gypsum Co. as a Chemist. He loves the work — it is just what he wanted and is very enthusiastic about it. Farnams is a tiny village consisting of the plant, about 30 houses, all company owned, and a general store and post office. We are nestled in among some beautiful mountains with a lake practically at our doorstep. It is really beautiful. We have a 6 room house which the company rents us for a small amount a month! It required quite a bit of fixing up but with Don wielding the paint brush it has become quite presentable. We have met some very nice young people and hope to meet more as we get into a church in Pittsfield (8 miles away). At present we are inclined toward the Methodists.

I also started working 4 weeks ago at G.E. in Pittsfield. I have a really wonderful job as an "Engineering Assistant." I design transformers, go on and laugh, I did at first, but it's true. I didn't even know what a transformer looked like before I started, but I'm learning. What I do mostly is the calculations involving the sizes of the various parts, the heat losses, the amount of insulation, etc. It's fascinating work.

So you can see that things are looking up for the Brunstetters. Do keep us on the mailing list and I'd love to hear about the latest from Hope and Holland. P.S. Are there any other alumni near Pittsfield?

Maxine Gregg Wight '49N, writing from 1021 Douglas St., N.W., Grand Rapids, Mich.:

I am writing in regard to our change of address. We have just moved to Grand Rapids from Flint. Fred '49 has at last completed his two years academic course for a Master's Degree at the University of Michigan's school of Social Work. However, he must still write a thesis. He is now employed as a caseworker at the D. A. Blodgett Home for Children here in Grand Rapids.

We are interested in knowing if there is an active Alumni Chapter here in Grand Rapids and if so, how do we get in touch with the group.
