## BOARD OF REVIEW MEETS NEXT WEEK ON TUESDAY

### THEN IS TIME TO TALK OVER TAX GRIEVANCES

The annual board of review and equalization meets at the council rooms in the city hall on Tuesday, May 2, and will remain in session for at least four days.

The sessions will begin at 9 in the morning and will last six hours a day until the session is completed.

Any person who has taxes to pay in the city of Holland for the coming year can find out what these are not alone, but if he has any grievance he can present these to the board for consideration. The members of the board comprise the following officials: Mayor E. P. Stephan, City Attorney Charles H. Mc Bride, City Clerk Richard Overweg, City Assessors Henry Vander Warf, John De Koeper, John J. Rutgers, and Ed Vanden Berg.

## LOCAL HIGH SCHOOL PUPILS ENTER THE SHORTHAND CONTEST

The State High School Shorthand and Typewriting contest will be held May 19, 1922. The District contest will occur April 29 at Muskegon.

Those from Holland High school who enter for typewriting are: Hazel King, Dorothy Slagh. Those entering for shorthand are: Charles Unton, Mildred Sears, Cora Knoll. In the 1921 contest Lillian Scott received fourth place. In the two previous contests Muskegon won first place.

## MUSKEGON MOTHERS SAY DAYLIGHT SAVING IS HARMFUL TO BABES

Strong opposition has developed among mothers of nursing children in Muskegon to the proposed daylight change which will be voted on May 1.

At a forum meeting a large delegation of women was present and the sentiment was almost solidly against the plan. The mothers declare that when the regular feeding schedule is changed the health of the babies is affected. Teachers also stated that the change in time seriously upsets the fixed habits of the child and that each spring after the change a slowing down of school work is seen.

This bids fair to be a good season for spring mushrooms (morels). At least they have been plentiful in the market and from peddlers. One man brought in a bushel of them last Tuesday. They are found plentiful in the pine woods west of the city and frequently in old orchards and fields where there is shelter of bushes or trees. People who would like to eat mushrooms but are afraid of poisoning need have no scruples about the morels. They are utterly unlike any other mushroom or any toadstool.—Allegan Gazette.

## HIGH SCHOOL HAS REGULAR PROGRAM OF EVENTS

### ELECTION OF A MAYOR AND OTHER SCHOOL OFFICIALS TO TAKE PLACE IN MAY

Below will be found a program of events to take place in the high school during April and May. Some of these are already past while others must still materialize. On May 12 there will be a caucus for the nomination of school officials such as mayor, common council, and a duplication of practically the same positions that exist in our city government with the exceptions that there are no salaries attached.

The program of what has and what will take place follows below:

April 4—Spring term opened.

April 8—Senior term opened.

April 10—Boomerang went to press.

April 14—Good Friday.

April 17—Teachers' Banquet.

April 18—Spring football began.

April 19—Faculty defeated 1st team in base ball.

April 19—Dnalloh High Program went off with a bang.

April 22—Hope College vs. H. H. S. base ball.

April 26—Father and Son Banquet.

May 1—Inter-Class Field Meet.

May 5—Blue Triangle Get-Together.

May 12—Caucus.

May 13—Kazoo vs. H. H. S. at Kazoo base ball.

May 17-18—Junior Play.

May 19—Election.

### ZEELAND BRICK COMPANY OBJECT OF BANKRUPT PROCEEDINGS

Petition to have the Zeeland Brick company of Zeeland adjudged an involuntary bankrupt was filed in U. S. district court Monday by Benj. J. Veneklaassen, John N. Veneklaassen, Bert J. Veneklaassen, Benjamin Reimink, Joseph Scharf and William Rool, who claim to be creditors of the company.

The Zeeland concern has been doing business for a half century or more.

## CHIEF BLOM AND FIRE MARSHAL INSPECT SCHOOLS

### WASHINGTON SCHOOL PUPILS MADE THE BEST SHOWING

Chief Blom accompanied by Fire Marshal O. C. Runnler of the department of safety at Lansing, Mich. quietly made an inspection of the schools yesterday morning but before making such an inspection the chief turned in the fire alarm unexpectedly in each and every school he visited.

Washington school with its 330 pupils were out of the building into the street in 48 seconds.

Van Raalte school pupils 315 in number, made it two seconds longer, or 50 seconds.

Longfellow school, 300 pupils, also 50 seconds.

Lincoln school, 315 pupils, 51 seconds.

Freobel school with 350 little tots took exactly one minute.

Junior High with 400 pupils also went sixty seconds.

The high school pupils took more time. It took 570 pupils eighty seconds to get out of the building.

The Christian schools were also inspected. 200 high school pupils were outside in one minute, while 300 in the primary department made the grade in fifty seconds.

The giving of the alarm in these schools by the chief was done without the knowledge of even the teachers, and the orderly way in which each and every pupil was marshaled out was a surprise to even the state fire marshal who states that he has never seen anything quite like it.

After the schools had been inspected, the two men inspected all the Hope College buildings, including the dormitories, winding up with the inspection of electric shoe repair shops. It is stated that these contain certain machinery that need inspection at intervals as a matter of public safety.

Before leaving this city Mr. Runnler stated that he was pleased to give an absolute O. K. to Holland as being the best all around protected city by virtue of its fire department and because of the cautious way in which not only the chief and his men guard property, but all the interest taken by the individual citizen in using precautionary measures to prevent fire and the spread of disease through accumulated rubbish.

Next week is "paint up and clean up week" but the fire marshal stated that Holland had made a good beginning long before such a week was inaugurated.

## BUSINESS MEN BACK PAINT UP WEEK

On pages 4 and 5 of this issue business men that fall in line with "clean up and paint up" week have gotten out a little publicity of their own. This paper furnishes the cuts, symbolizing the event and the merchants through publicity are telling something about how they can aid the week along. See pages 4 and 5 of this issue.

## LIKE OTHER CITIES HOLLAND IS TO HAVE HIKING CLUB

Holland is to have two hiking clubs. One consists of the senior camp of the high school, who like the Arab, will fold their tents and "silently steal away" to some convenient camping grounds where they will camp for the greater part of a month during the summer.

Another hiking club has also been organized to go foot power to different points of interest near the city.

Everything and everybody is set for the opening base ball game of the season Saturday afternoon.

The Grand Rapids Central League team will be the attraction. The local team will have to go some to put cross a victory. However, the strongest lineup that ever represented Holland will be in the field for Saturday's game. Steggerda is making a special trip home from his studies in Chicago to pitch the game. Having already pitched a few games near Chicago he is now in good condition. All the fans will also be glad to see Coxy Smith, a product of the local sand lots, but recently playing in the Central League. The midge will cover short stop position along with Shaw on second, B. Batema on third, and G. Batema on first, making the strongest infield in semipro ranks. The outfield will be taken care of by three feet-footed fielders, namely Jappinga, Woldring and Hick Hoover. It will take a mighty good ball team to win from this lineup.

The American Legion Band under old "John's" leadership will head a parade leaving the Tower clock at about 2:15. The ball teams will follow he band. Then at the park Mayor or Stephan, if in the city, will open the season of play by pitching the first ball. His battery partner has not yet been decided upon, but no doubt will be one of his political friends that he wants to get even with.

A banner crowd is anticipated to give the local boys a good send-off for the season. The game starts at 3:15.

## MORE THAN 600 ATTEND LEGION SPORT MEET

### "GRAPPLER CY" OF ZEELAND SURPRISES THE VAST AUDIENCE

By far the most interesting sporting event that has taken place in Holland for many years was pulled off last evening under the auspices of the American Legion and National Guards. More than six hundred fans gathered at the ringside to witness the program of boxing and wrestling events.

By far the most interesting event and one that proved to be a surprise to all present was the wrestling between George Ver Hoef of Holland and Cy VandeLuyster of Zeeland, better known as "Grappler Cy" among his friends.

When these two men entered the ring, Cy weighing 145 and Ver Hoef at 160, the crowd looked upon the Zeeland boy who by the way is only 18 years, rather dubiously, as the difference in build and weight was very noticeable, in fact Ver Hoef's stock went up in the minds of those present. A few minutes of wrestling however made the fans prick up their ears and chairs were hitched closer to the ringside, for the Zeeland lad was showing some real science at the wrestling game. Ver Hoef at the start had the advantage of "Grappler Cy" taking him with head locks from which it was difficult for Cy to extricate himself. By clever maneuvering Cy broke the hold and the light weight Zeeland man started some real scientific fighting which even the toe hold attempts of Ver Hoef could not overcome. After a battle of 17½ minutes the Zeeland boy won the first fall with a body scissors and a half Nelson.

After an intermission of ten minutes the two strong men again entered the arena, and Ver Hoef succeeded in getting a severe toe hold on "Grappler Cy" but Cy in breaking the hold caused the Holland boy to sprain his thumb and naturally Ver Hoef was out of the running and the decision for the second fall in six minutes was given to the Zeeland man by Reveree Gus Botsis.

The crowd was simply elated over the match and gave the Zeeland boy his just due of praise. Ver Hoef also showed exceptional wrestling ability and demonstrated that he was a clean fighter.

There is no doubt but that the two men will meet again under the auspices of the American Legion for this event cannot help but be a great drawing card.

The boxing events were also interesting, the first being three two-minute bouts between Nelis and Sullivan, Nelis getting the best of the argument.

The next was between Kole and Wyskedy in which Wyskedy excelled. Siegers and Kole went on for a third event, Siegers being superior to Kole. In the second round Kole went to the mat and when he got up he was winded and the event was called off.

Verhy and Wyskedy were then put on for four two-minute rounds, but shortly after the bout was on Wyskedy noticed that his glove was bad and these had to be changed. In the second round Wyskedy got mixed up in the rope arena and fell to the mat but was up as quick as a cat. Honors were pretty even in this event.

The final bout was between Wendell and Ten Brink in which Wendell succeeded in getting the better of the bout.

Referee Oscar Johnson made no decision in these bouts however the decision of those present was largely as stated above.

## NO BLAME IN AUTO TRAGEDY SAYS JURY

### VERDICT IS GIVEN WEDNESDAY IN DEATH OF W. D. MALCOLM

The coroner's jury that investigated the death of William Malcolm, of St. Mary's in the Woods, Indiana, on the Grand Haven road last Friday evening, returned a verdict Wednesday afternoon to the effect that the death of Malcolm was due to an accident and no blame was attached to anybody in the matter. The first theory that the Malcolm car turned turtle because Malcolm was forced off the road by the glare of headlights of the car meeting him was disproven by the witnesses called, and it was established that the accident was as much as anything the result of defective wiring in Mr. Malcolm's own car which shut off his light and caused him to run off the concrete and into the washout that made the car turn over.

The coroner's jury drawn by Coroner Weststrate held several sessions on different days and went into the evidence exhaustively. Eight witnesses were called and their stories were carefully gone into. Prosecutor Miles was present at the hearing Wednesday afternoon when a verdict was arrived at. The jury was composed of the following: Bert Vander Poel, Jacob Fris, W. Deur, Arend Siersma, Benj. Lievensen and Bernard Kiefer.

The body of Mr. Malcolm has been taken to Indiana for burial and it appears that the incident is closed so far as the local authorities go. The work of the coroner's jury was more painstaking than has been the case for some time in accidents occurring here.

## HENRY SCHAAP GETS A SEVERE SENTENCE

### LICENSE IS TAKEN AWAY FROM HIM; FINED \$50.00

Henry Schaap, living southeast of the city who was arrested for driving an automobile while under the influence of liquor or dope and who pleaded guilty to the charge was fined \$50 by Justice Brusse, his state driver's license was taken away and he was sentenced to jail for ninety days.

However to give the young man another chance, Mr. Brusse remitted the jail sentence for the sake of his family and placed him on probation for six months with the understanding that he report to the chief of police every two weeks.

The Rebekah lodge will hold a dance in the lodge rooms Friday evening. Lacey's orchestra will furnish the music. All are welcome.

## STRAND THEATRE

Today—Zane Greys famous story "The Lost Trail". A story that is equal in power of suspense, mystery and heart gripping interest of anything that ever came from the pen of the gifted Zane Grey. Special comedy "Oh! Brother." Also Fox News Reel of International Events.

Friday, April 28—Miss Dupont in "Shattered Dreams"—the engrossing drama of an American society girl who was caught in the mad whirl of life in the Latin quarter and the underworld of Paris—and who here found love. Star comedy "Almost a Rancher." Also "Winners of the West", that thrilling red-blooded story of American history.

Saturday, April 29—Ray Stewart in "The Devil to Pay"—she had loved a man who was a devil in sheep's clothing. But woman's love is strange and men risk not the sacrifice. A hair-trigger drama, varied and actionful. Snub Pollard comedy "Lose No Time"; also International News Reel of Current Events.

Monday, May 1—Marguerite Clayton and Creighton Hale in "Women Who Wait"—a drama of simple sea folks, down Cape Code way, so direct and humane it will wring your face in smiles, and streak your cheeks with tears. Two comedies, Harold Lloyd in "Hey, There!" two reel Centenary "An Idle Roomer"; also the Goldwyn Sport Review.

Tuesday, Wednesday and Thursday, May 2-3-4, Wm. Fox presents "A Connecticut Yankee" in King Arthur's Court from the pen of the noted Mark Twain. A super-special of gigantic magnitude. One of the greatest screen productions of the year—delicious, side-splitting comedy, unrivaled satire. Marvelous massing spectacle and lighting action. Four shows daily. Advanced prices.

Coming next week—Pola Negri in "One Arabian Night."

# MAN WHO ACCOSTED GIRL GETS HIS SENTENCE

Cornelius Bush who was arrested on the charge of criminal assault upon a young lady from the North Side, was given a sentence by Judge Cross of from six months to sixteen years.

It will be remembered that Bush accosted a young lady who was going home from church stating that he would give her a lift to the North Side where she resided.

Instead the driver took a different road, one which led to Waverly and in a lonely lane made such advances as stated above.

The young lady struggled, kicked the glass out of the sedan and fled over fields reaching her home exhausted, but uninjured.

The arrest of Bush followed, and he pleaded guilty to the charge. He is now on his way to Ionia prison for at least six months.

## CHIEF ARRESTS

### HENRY SCHAAP ON A DOPE CHARGE

Henry Schaap, living southeast of Holland was arrested by the local police on the charge of driving his car while under the influence of some liquor or dope.

What brought about the arrest was the fact that he was running his car without a light, and did not observe the rules of the road but drove on the wrong side of the street.

The result was that at 8:30 Friday evening Schaap drove his car directly into the car of Albert Tibbe on the corner of 8th street and Lincoln avenue.

The Tibbe car was badly damaged with bent axle, broken fenders, and radiator. The loss will be in the neighborhood of \$100.

The Schaap car was also badly damaged and was left parked at the curb after Officer Steketee locked Schaap up.

Schaap was arraigned Saturday morning before Justice Brusse where he pleaded guilty to the above charge.

Schaap might have been taken on three different charges: driving his car without a light, driving on the wrong side of the street and driving while under the influence of liquor or dope.

## HOLLAND MEN GET SEVERE SENTENCES FROM JUDGE CROSS

In circuit court Friday, Judge O. S. Cross gave ten sentences for various cases that appeared on this month's court calendar. Of these seven were for violation of the liquor law, one for petit larceny coming under the head of taking a joy ride. Judge Cross held a long consultation with the guilty parties before passing sentence.

Alfred Stilson of Ferrysburg, up for violation of the prohibition law was placed on two years probation and was sentenced to pay a fine of \$50 with costs of \$4.85 and \$1 a month during probation.

James Berghorn of Spring Lake appeared on a charge of liquor law violation and was given 30 days in the county jail and a fine of \$50 with \$18.40 costs.

Norman Ickes of Spring Lake also was found guilty of liquor law violation and drew a fine of \$50 with costs of \$4.85 and 60 days in the county jail.

In the case of the people versus Simantz for violation of the liquor law the defendant was given 60 days in the county jail with a fine of \$50 and costs of \$4.85.

Steve Sluka of Robinson was given six months in the state penitentiary at Jackson and a fine of \$100 with costs of \$5.75 for violating the liquor law. Alex Duda also of Robinson received a sentence of from six months to 1 year in Jackson prison with a fine of \$100 and costs of \$22.50.

John VanderHeide of Holland paid costs of \$74.11 and a fine of \$200 for liquor law violation. He also drew a sentence of from six months to one year in Jackson prison with a recommendation of nine months.

Richard Vander Meulen of Holland was placed on two years probation and was fined \$25 and costs of \$5 for joy riding in an automobile that was not his property.

Henry Smith 16 years old of Holland was sentenced to the county jail for 30 days on a charge of petit larceny connected with the robbing of a feed store. Young Smith also paid a fine of \$4.50 and after serving his jail sentence will be placed on two years probation with the condition attached that he attend church every Sunday and also be off the streets by 8 o'clock every night.

On a charge of bastardy, Charles Rowhorst of West Olive was required to pay expenses of \$27.10, court costs of \$21.95 and \$2 a week until his child shall have attained the age of 16 years. Rowhorst was given the alternative of furnishing \$500 bond or of spending a period of not to

# SPECKLED BASS ARE NOT SPECKLED BASS, BUT CROPPIES

A committee consisting of Thos. N. Robinson, Peter Lievense and Andrew Klomprens, who were delegated to go to Lansing to confer with Chief Baird of the fish and game department, made their report at a meeting of the club that was organized Thursday night.

The Holland Fish and Game Fraternity have been in bad odor with the department at Lansing for some years, partly because of the carp fishing which brought about so many conflicting ideas, and partly because of the misinterpretation of many of the fish laws that do not seem to apply justly to this locality.

On many of these points there is not only a conflicting attitude among the Holland people but judging from some of the correspondence it seems that this condition also exists in a measure in this department. Consequently sportsmen hardly know where they are at. One day they would be fishing legally according to their idea, the next day a violation would have been committed.

Anyway the committee were cordially received by Mr. Baird and a great many points that had been indefinite were cleared up.

Mr. Baird promised to come personally to Holland as soon as it was possible for him to do so. He also praised the work of Deputy Oscar Johnson commenting on his efficiency as a game warden. This fact the committee made clear in their report Thursday night. Other points in which the club will back up its membership under the constitution and by-laws and sanctioned by the game department will be the spearing of suckers in certain creeks (not rivers) in the vicinity of Holland, such creeks to be designated by the board of directors of the club who are in touch with the department. The fishermen may use lanterns in this case not for the purpose of attracting the fish but in order that the fishermen may have a light to see by while traversing the banks of the creek.

The committee stated that the game department hold that the fish we call speckled bass are not that sort of a fish, but are croppies, and it was understood that while speckled bass could not be caught fishermen could go and catch croppies at any time to the number of 25.

While the game department did not go definitely into the white bass fishing, the committee finds that it was the intent of the law to restrict commercial fishing of white bass, and as far as the Holland Rod & Gun club is concerned the executive committee feel justified in saying that the club will protect any and every member who fish for white bass with hook and line for their personal need, but will not tolerate the catching of white bass for commercial purposes to be sold for gain.

As far as the blue gills are concerned the game department finds that these are becoming very scarce in the waters of the state and consequently they must be protected or the species will become extinct, therefore the club will back up the game department forbidding its members from catching blue gills before the opening of the season which is June 1st.

As far as the perch law is concerned, the club is also taking a positive stand upon this question, and in this case will also protect its members. The executive board takes the position that the same law applies to Black Lake that is applicable to Lake Michigan, which puts no limit on the number taken. The Lake Michigan law puts the size at five inches, but no doubt a compromise can be reached for Black Lake on a six inch fish. This matter however, will be taken up by the executive committee and the game department in due time.

While the club is ready to defend its members for a violation on unreasonable technicalities in the law the club members according to the rules and by laws have another duty to perform.

Each and every member will be a sort of detective who will report any violations of the game laws that should not be violated.

With several hundred detectives around based on the membership of the club it will be difficult for offenders to get by with any illegal fishing, for the club is going to aid the game department at Lansing, and the deputy game wardens of Ottawa and Allegan counties in every possible way thus aiding in prosecuting all laws that are sane and apply to his locality.

A very representative lot of Isaac Waltons gathered at the city hall to organize the newly contemplated Holland Rod and Gun club. It was stated that approximately seven hundred members had signed in the city and vicinity and the membership committee is endeavoring to make it an even thousand.

After the meeting had been called to order by Chairman Robinson, the votes by ballots were taken as to who would be the officials of the club and who were to act in executive capacities.

The result of the balloting is as follows:

Thomas N. Robinson—President, Andrew Klomprens, Vice-Pres, Arend Siersma, Secretary, Neil Van Dyke, Treasurer. Executive Board—Fred Kamferbeek, Neil Dewaard, Peter Lievense Peter Smith, Frank Nash and David Ver Beek.

The barn of Henry Geerman at Crisp was partly unroofed during a terrific gale. A freak of the wind tore a section of 42 feet from its fastenings and threw it up on the pig pen. The pen was demolished but the pigs were unhurt.

# GEORGE KARDUX FALLS VICTIM TO PNEUMONIA

George D. Kardux, a member of the firm of the Hayden-Kardux Auto Co., died Friday morning at 8:55 at his home on West Ninth street, after a brief illness with bronchial pneumonia. Mr. Kardux was taken ill with pneumonia a week ago Tuesday. Although he had been seriously ill, it was believed that he would recover, and as late as Thursday evening it was thought that he had a good chance to get well.

Mr. Kardux has been member of the firm of the Hayden-Kardux Auto Company since 1919. Before that time he was associated with the Belding Basket Co., at Belding, Mich. He was 34 years old, and is survived by his wife and four children; also by his parents, Mr. and Mrs. Joseph Kardux of the north side, and two brothers, Earl and William, and two sisters, Norma and Mrs. Tony Wierda, all of this city. The funeral was held Monday at 2:30 from the home, on West 9th street.

## JUDGE WACHS TELLS ATTORNEYS TO BEHAVE

The case of Peter Macola, charged with being intoxicated on the public streets was tried before Justice Wachs Friday at Grand Haven. A verdict of not guilty was given by the jury after a short deliberation. The case was dismissed. Counsel for the defense, C. E. Misner presented a clever case for the defendant. Fred T. Miles prosecuting attorney for Ottawa county conducted his case with the usual vigor.

Attorney Misner spoke nearly three quarters of an hour in proving the innocence of the accused. The argument between the attorneys became very spirited at times which drew the admonition of the court.—Grand Haven Tribune.

Mr. and Mrs. Henry Woodruff of Chicago, were in Holland on account of the funeral of Mr. Woodruff's grandmother, Mrs. H. S. Woodruff. John Vander Meiden has taken over the management of the Grand Haven Cement Co., formerly run by his father the late Orrie Vander Meiden.

# ANNOUNCES CANDIDACY FOR NOMINATION TO STATE LEGISLATURE

G. W. Kooyers, who has served this district in the Michigan Legislature for four terms Tuesday announced his candidacy for renomination at the August primaries. Mr. Kooyers has been in doubt for some time as to whether he would go into the race again, but Tuesday he announced that he would again be a candidate.

Mr. Kooyers was elected for the first time in 1914. He was re-elected in 1916, 1918 and 1920. If re-elected this year, he will have the distinction of having served the district in the Michigan legislature for ten years without interruption.

In announcing his decision Mr. Kooyers said that he was not making any impossible promises of doing things that could not be done. He declared that his record was well known and that he hoped, if nominated and elected, to represent the whole district with reasonable conservatism and would not indulge in chimeras but will endeavor to do practical things for his district.

# INDIANA MAN INSTANTLY KILLED NORTH OF HOLLAND

William David Malcolm, aged 42, of St. Mary's of the Woods, Indiana, was instantly killed Friday evening at about 8:30 on the Grand Haven road about three and a half miles north of Holland when his Ford car in which he was coming towards Holland turned turtle and pinned him under the steering wheel in a pool of water. Malcolm and his wife were approaching Holland and they met a car going north. It seems that Malcolm became blinded by the light of the approaching car and he turned out too far so that his right wheels went off the cement. He drove along slowly for a little and would probably have got back into the road but for a washout that he did not see. His car sagged into this, turned over completely, pinning him under it in the water. His wife was in some way able to crawl out, although she

for a moment had been under water too and was drenched when she came out. When Malcolm was rescued from under the car by neighbors hastily called, he was dead, and it is supposed that he was smothered to death.

The car that met the Malcolm car was driven by Daniel Cook of Zeeland, and there were three other people in that car. The Cook car immediately stopped and helped in the rescue. A physician was called and when he pronounced the man dead, the body was taken to Dykstra's Undertaking parlors.

Mr. and Mrs. Malcolm left Indiana a week ago Wednesday being bound for Manistee where they were to look up a fruit farm and they were on their way back home. Mr. Malcolm had been employed as a landscape gardener for a sisterhood at St. Mary's of the Woods. He is survived by a wife and four children. He was a graduate of Purdue University and held the degree of B. S. Officer Steketee was detailed on the case and took charge.

## TWO MORE CARS TURN OVER ON ROAD NORTH OF HOLLAND

The Grand Haven road north of Holland will soon win the reputation

of being the most dangerous highway in the environs of the city. Friday night an Indiana man was killed there when his auto tipped over, and Sunday night two cars capsized on that road near the spot where the tragedy occurred Friday night. And both were the result of glaring headlights on cars that came from the opposite direction.

The first car came to grief was driven by John Brouwer, living on Rural Route 2. He was driving with his wife when the glare of a headlight from another car sent him off the pavement. He was only slightly hurt, and the car was righted by the aid of a team of horses.

The second accident occurred on the same road at a spot not a half mile from the place where the Indiana man was killed, was more serious. In this case a Buick car occupied by four persons ran off the pavement and turned completely over. Mr. and Mrs. John Rasmus, 157 East 14th street, who were passengers in the car, were the only ones injured. Mrs. Rasmus received a cut on the arm, and Mr. Rasmus was cut on the forehead. While both cuts

were rather deep, they were not considered serious. Mr. and Mrs. Rasmus were taken to their home in Holland by C. F. Stringer, local agent for the express company, who happened to come along shortly after the accident. The car was so hopelessly out of commission that it was left in the ditch overnight.

The recent rains have caused many little washouts along the concrete road which makes it dangerous for an automobile to run off the pavement in the dark.

Overcoming a big lead, the Grand Haven high school baseball team defeated the Holland Furnace Co. team 14 to 5, at Grand Haven Saturday.

The Holland boys led 5 to 0 in the second frame, but Grand Haven came back with seven runs in the 3rd and was never headed. Only one hit was scored off Verwoer after the 2nd. Feiley with 4 hits and Kammeraad with three featured Grand Haven's hitting. Moore played a neat game in the left field. Terhaag was the visitor's star. Score by innings: Holland.....140 000 000— 5 5 6 Grand Haven.....007 005 020—14 16 2

## MAN WHO SET FIRE TO BUILDINGS SENTENCED

Martin Van Horssen of Grand Haven pleaded guilty to the charge of arson, and Judge Cross in circuit court gave him a prison sentence of 18 months at Ionia.

Van Horssen was taken some six months ago for attempting to set fire to small store building.

This charge it is said was not pushed and the burning of the Gale curio store and the Trovola theater next door in which one man had a narrow escape with his life were also charged against him.

He pleaded guilty however to the former charge of some six months ago and drew a sentence of 18 months at Ionia from Judge Cross.

After disposing of ten cases in circuit court Saturday Judge Cross completed his task. Frank Kotarski of Tallmadge got a term of from six months to one year in Jackson for violating the liquor law.

## EIGHTY-EIGHT TO ANSWER LIQUOR CHARGES IN MUSKEGON COURT

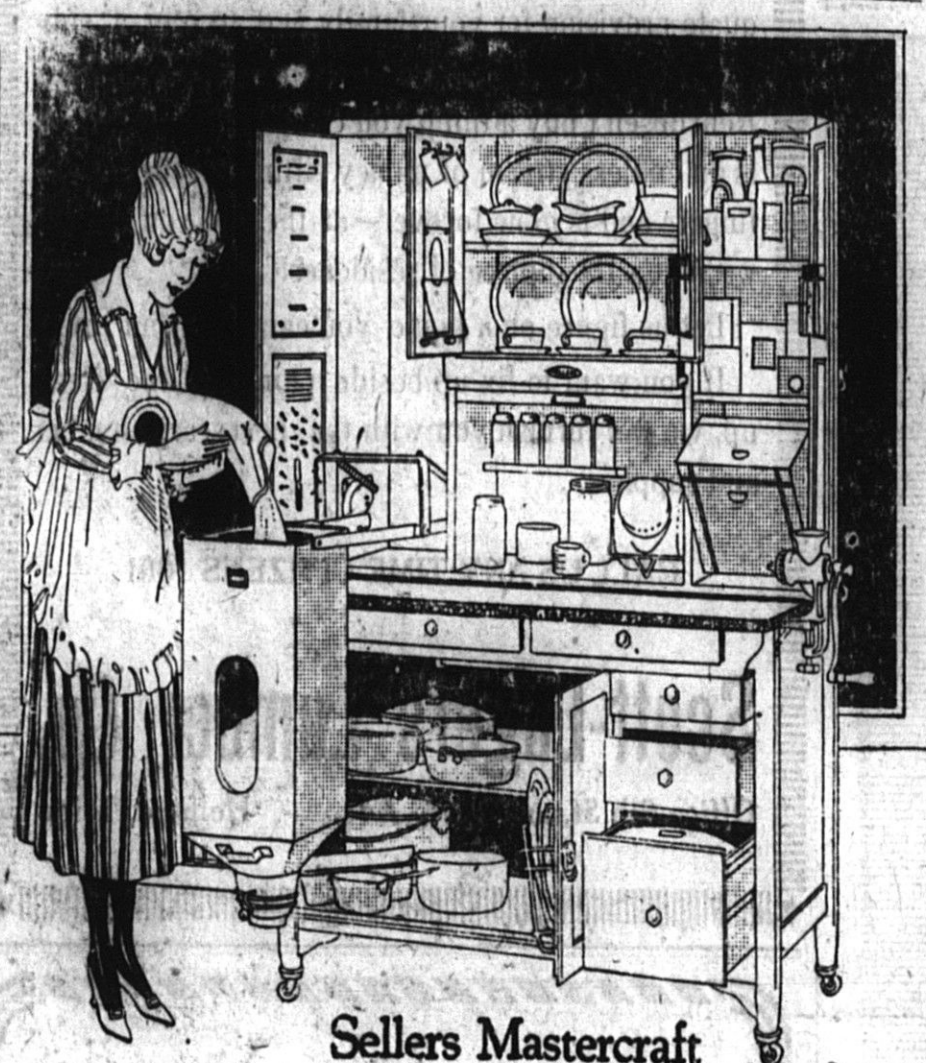

There are 93 criminal cases on the

circuit court calendar of the Muskegon circuit court for the term which opened Monday and there will probably be more before the balliff formally opens the term. All except five of these are liquor cases and it is anticipated that pleas of guilty will be entered in most of the cases.

Neal Ball, former player with the old-time Holland Independents, has been engaged as manager of the Augusta, Georgia, team in the South Atlantic League. Augusta is the native city of Ty Cobb, and Cobb owns much of the stock of the club. It was Cobb who engaged the former Holland man for the job. Ball will be a player-manager. Last year he made a very good record with the New Haven team in the Eastern League.

John Levan, also formerly of Holland, has returned to the game after a period of illness. Levan is again playing with the St. Louis Cardinals. In the first game that he played this season he made four hits out of five times up.

Willis Diekema of the DePree Co. spent the week end in Chicago.

### BASE BALL SCORES NOW COME BY RADIO

Holland now gets its base ball scores by radio, and local fans can feel sure that they are getting the correct dope on the games played each day because the scores come by radio to three different persons. Three members of the Holland Radio association get the news independently and they compare notes to be certain that their information is correct before they pass the scores on to the public.

A. Sirtine gets the scores and passes them on to the VanTongerren Cigar store; Clyde Geerlings passes his scores on to the Superior Cigar store; and Q. Bosman reports his scores to the Geo. Lage Drug store. These reports are made each night at about 10 o'clock.

### IS OWNER OF BIBLE OVER 200 YEARS OLD

John Tinholt is the owner of an old Bible that is quite a curiosity. The title page shows that the Bible was printed in 1718 in the city of Amsterdam, the Netherlands. It is in the old black type and a few today are able to read it. The bible is richly illustrated, and some of the pictures look extremely funny to modern eyes. The book is heavily bound in leather and the clasps are of heavy brass. It is as thick as Webster's unabridged dictionary and fully as heavy. Mr. Tinholt has placed the book on exhibit at the Sentinel office.

## Clean Up and Paint Up are Partners

Painting your house after a thorough cleaning up is like putting on clean clothes after an invigorating bath. Cleanliness makes you feel so good you just naturally want to "doll up."

A new dress of paint on your house makes you feel proud to own the place. To clean up and then neglect to paint up makes you feel like any decent man feels with a clean shave and a dirty collar.

Now is the time to paint, and the prices are right. No "war prices" in our Paint Department.

if you haven't a House to  
paint or a yard  
to clean up.

Man's best investment is in a home. It brings contentment and happiness. A renter is never sure of a place to lay his head.

To pay rent is, to carry a useless burden all through life—to stifle your future, to neglect adequate provision for your family and to put a substantial sum each month into the pockets of others. Rent doesn't buy a thing you can call your own. It is an endless stream of money sifting through your fingers and is gone forever—at the end you are left without a fixed place of residence.

Let us figure on a home you can call your own.

If you want to fix up beside paint up and clean up, we can furnish you with the necessary lumber and supplies.

### PROCLAMATION

**CLEANUP AND PAINTUP! HEAR THIS YE PEOPLE—THINK! ACT!!**

Come on, let's put things in order. Our whole city can and should be made it; clean an orderly as its cleanest home. Then we will have a safer, happier, healthier city.

Ambition in its highest conception is to dream big dreams and make them come true. The splendid ambition to have a city clean and beautiful is soon to be come a reality by the co-operation of all the people.

Therefore, by virtue of the authority vested in me as Mayor, and with the hearty approval of many far-seeing and zealous citizens, we hereby proclaim the week of May 1st as the opening week of a continuous clean-up and paint-up campaign.

Away with the rubbish piles! Banish the plague spots! Clean up the streets and alleys! Cut the weeds, mow the lawns and trim the hedges! Repair and paint every building that needs it. We need this thorough cleaning and renovation. It is the sensible thing to do—for the health, safety, thrift, pride and happiness of all our people.

It is everybody's job. Every man woman and child will be expected to help. Let there be no slackers.

E. P. Stephan, Mayor.

### CHIEF BLOM MAKES A CALL FOR "CLEAN UP WEEK

**FOLKS MAY BEGIN TO MAKE THINGS TIDY BEGINNING MONDAY**

With the opening of Spring we are reminded of so many sayings that relate to spring-time, but "paint up and clean-up" is a very healthy and wise saying. The young man's fancy may turn to thoughts of love and so on, but some day he will emerge from the mist and his mind may turn to the clean up broom and the scrubbing brush.

Beginning Monday, all over the nation clean up and paint up starts. What could be more appropriate than to make a good beginning on May 1 and tidy things up a bit. The best asset to a home is a good coat of paint, a well kept lawn and neat surroundings.

Heaps upon heaps of dead leaves ashes and other rubbish soon detract from an otherwise pretentious home.

A well kept small home with proper surroundings "looks like a million dollars" compared to a even larger home, where the surroundings are not kept up, and the house is badly in need of repairs and paint.

Anyway with this introduction we wish to state that Chief Blom of the local fire department backed up by Colonel Vandecook head of the department of safety at Lansing, is issued orders that beginning Monday, May 1 and continuing throughout the week will be what is called "cleanup week." The clearing up of yards and burning of rubbish will be then permitted provided of course the weather is favorable and the wind is not strong.

Both fire departments will be on the alert all week in order to take care of calls quickly and the entire city administration including our park associations will co-operate in boosting this thing along.

Holland has a great name as a clean city and a city of homes, and no doubt every citizen will do his or her little part in enabling Holland to retain that name.

# COST 25 CENTS PER CAPITA FOR CITY'S POOR

It cost the people of Holland a total of \$3,301.90 to keep its poor from serving during the city's fiscal year that has just come to a close. This figure was given by the department on poor as representing the outlay of actual money needed to administer to the poor.

This is the sum that Holland as a city spent on the poor and that was paid for by city taxes. It does not of course represent the amount spent by citizens and organizations in a private way. Many churches in the city take care of their own poor, and for that reason fewer cases of actual want are brought to the attention of the city poor department than is the case in some towns where the churches are not as active as they are here. A number of fraternal organizations also do much toward taking care of those among their number who may have fallen upon evil days, and there is of course much help being extended more or less privately by individuals all the time to their less fortunate fellow citizens.

All of which helps to reduce the sums that need to be expended by the city out of city funds. The council maintains a committee on poor, of which Ald. Brieve of the second ward has been chairman for some time and this committee keeps close watch on the needs of the poor who are in actual want. Usually the amount that is reported at each council meeting is in the neighborhood of a hundred dollars, sometimes a little more, sometimes a little less.

At 7:30 Friday evening some 24 young ladies gathered at the home of Miss Rena Bouwman, 63 W. 18th st., to honor Miss Rena TenBroeke who is soon to become a bride, with a miscellaneous shower.

The home was beautifully decorated with hearts and flowers, a red and white color scheme being used throughout. One especially unique feature of the decorations was the presence of the hearts suspended from ribbons, on which were written the names of the guests. Each young lady present was told to find the heart bearing her respective name and after having found same, follow up the ribbon and, as when following the rainbow, find the "Pot of Gold" at the end, which in this case proved to be favors which were hidden in every imaginable place about the room.

Miss TenBroeke, however found a bigger "Pot of Gold" than she could handle alone, and so with the assistance of a few young ladies, her treasure was taken into the room. Surely what she found at the end of the rainbow, was worth looking for, for she found no end of beautiful and useful presents which had been brought by the young ladies gathered to be used by her in her future home.

A program of games and music was also one of the features of the evening winding up with a dainty two course luncheon.

The prize winners in the various games were the Misses Reka Brandama and Jennie Bosman, with the Misses Ella Klaasen and Marion Bosch receiving the consolation prizes.

Those present were the Misses Jennie TenBroeke, Anna Stegenga, Ella Klaasen, Jessie Brandama, Dena Bouwman, Elizabeth Nykamp, Maggie TenBroeke, Jeanette Scheerborn, Sena Vanden Berg, Mary Bosch, Rena Bouwman, Hermina Bouwman, Marian TenBroeke, Rena TenBroeke, Deane Beltman, Jennie Bosman, Cora Morren, Jennie Kaalmink, Marie Schippers, Maggie Wierda, and Lorena Vugteveen and the Mesdames Grace Miedema, R. Bouwman, H. TenBroeke, George Arch.

The Epworth League of the M. E. church of Holland held the annual banquet at the church parlors Friday evening. Covers were laid for 125 guests and every chair was filled with an expectant member of the organization.

A regular program and menu had been printed and these were placed at each cover and besides the tables were appropriately decorated for an occasion of this kind and the annual event this year will long be remembered.

A former pastor, Rev. J. F. Bowerman who did so much good work in Holland during the World War was one of the principal speakers. The program was replete with interesting features and the menu was a tasty affair.

Both program and menu follow below:

## SLIDES DOWN BANNISTER; SPLITS BONE IN ARM

Peter Kievit, a 3rd grade pupil in the Lincoln school, met with an accident Friday afternoon when he slid down the bannister in the school building and fell to the floor. A bone in the boy's arm was split. Miss Koertge, the city nurse, was immediately called and a physician was also called. An X-ray was immediately taken and the extent of the injury determined. The injury was found to be less serious than it might have been judging from the distance of the fall.

When William Jennings Bryan addressed his audience in Grand Haven last Saturday night the former secretary of state was forced to speak minus his gizzard because that important organ had been eaten by a local poodle of the window mop variety.

Col. Bryan took dinner with William Connelly at the latter's home at Spring Lake and the catastrophe was precipitated in this way. It seems that the Commoner is inordinantly fond of gizzard so that when Mrs. Connelly offered him a second helping of chicken he requested the privilege of eating the aforementioned organ.

The Ottawa County Road Commissioner's wife was forced to tell this distinguished visitor that she would have to deny himself the anticipated pleasure as the Bryan gizzard had already been done away with by Fido, the pet poodle of the house. Thus it was the Silver Toned Orator's gizzard was eaten by a member of the canine tribe.

Covers were laid for at least 250 guests at the Eagles' Hall for Friday night's banquet, which is an annual affair. The tables were elaborately decorated with Eagle emblems and American flags were everywhere in evidence.

Attorney Thomas N. Robinson acted as toastmaster and called upon many local and outside Eagles for short speeches.

A program of music and readings was a feature and the elaborate spread it is said was the best yet given by this organization.

Besides the speaking the following program was given:

Music.....Eagles Orchestra  
Led by B. Brant

Quartet.....J. J. Smith, Arthur Smith, O. Green and R. De Maat

Banjo Solo.....Arthur Smith

Harmonica-Occarina Duet.....Peddemore Bros.

Vocal Solo.....R. De Maat

Humorous Monologue.....Roy Heath

The following speakers were called upon by Toastmaster Robinson:

Mayor E. P. Stephan, Henry Winter, B. P. Donnelly, Worthy President, W. P. Wilson, John Kelley, Prof. Tgbert Winter, and Arthur Van Dur-

**COMMON COUNCIL**  
Holland, Mich., April 19, 1922

The Common Council met in regular session and was called to order by the Mayor.

Present—Mayor Stephan, Alds. Blue, Prins, Brieve, Laepple, Kammeraad, Brinkman, Lawrence, Damstra, Wiersma, and Vander Hill and the clerk.

The minutes of the last meeting were read and approved.

**Petitions and Accounts**  
The Masonic Temple Association petitioned for the construction of a storm sewer on Tenth street between River and Central avenues.

Referred to the committee on sewers, drains, and water courses.

The Younger Plumbing Co. petitioned for a permit to construct a temporary store building 8x50, brick, one story, on the property described as the West 8 feet of lot 11, Block 31 which they agree to take down and remove and construct permanent structure at least two stories in height to conform with any new structure which may later be erected on the adjoining property to the west.

Ald. Brieve moved that the permit be granted.

Said resolution did not prevail by ayes and nays as follows:

Nays—Alds. Laepple, Kammeraad, Damstra, Wiersma, Vander Hill 5.

Ayes—Alds. Blue, Prins, Brieve, Brinkman, Lawrence 5.

On motion of Ald. Wiersma

Resolved that the petition be referred to the Committee on streets and crosswalks.

Carried.

A. B. Bosman petitioned for permission to move a kitchen from No. 51 E. 18th st. to 19th street near Columbia avenue.

Referred to the committee on streets and crosswalks with power to act.

**Reports of Standing Committees**  
The committee on Ways and Means to whom was referred the matter of engaging an auditor for the audit of the city's books reported having received a bid from Parks & Eyston to make such audit at the rate of \$20 per day, total cost not to exceed \$200, and recommended that the contract be awarded to said Parks & Eyston as per their bid dated April 13, 1922.

Adopted.

The committee on Ways and Means directed by the rules of the Common Council to audit and settle the accounts of the treasurer and other officers of the city, respectfully submit that they have examined said accounts and have found the same correct as near as they can determine, leaving a balance of \$86,192.07, for which amount the Treasurer has submitted certificates of the several local banks.

The committee further reported that provisions have been made for the auditing of the city's books in the near future and when the same has been completed, will submit the auditor's report to the council.

Adopted.

The committee on Streets and Crosswalks to whom was authorized to receive bids for manhole covers and rings and gutter grates reported having received several bids for same and that the bid of the Little Iron Works, Grand Rapids, Michigan, of \$594.22 was the best bid and most advantageous to the City and recommended that the contract for same be awarded to the Little Iron Works as per their bid.

Adopted.

The committee on Streets and Crosswalks to whom were given authority to receive bids on the city's portion of the paving of River avenue and West 17th street reported having received several bids for same, which said bids were taken to Grand Haven by said committee and opened in the presence of a representative of the State Highway Dept. and the Ottawa County Road Commissioners at a meeting where said State Representative and said Commissioners received bids for the State's portion of said improvement.

That the state highway department has

awarded the contract for the state's portion to the White Road Construction Co.

Michigan, on condition that the city of Holland award the contract to the same party for the city's portion of the work, and recommended that the council award the contract for the city's portion to the White Road Construction Co. at a price of \$1.98 per sq. yd. for sheet asphalt on a macadam base and 56c per cu. yd. for excavation.

Adopted and the contract was awarded as per recommendation all voting aye.

On motion of Ald. Kammeraad

The city clerk was instructed to return to the unsuccessful bidders for the paving of River Avenue and West Seventeenth Street the certified checks which accompanied their respective bids.

The committee on streets and crosswalks to whom was referred the petition for the installation of a gasoline pump adjacent to the premises of the Home Fuel Co. at No. 317 Central Avenue, and also the recommendation against same, reported recommending that the petition for the installation of a pump at said location be denied.

Adopted.

## LOCALS

Mrs. H. S. Woodruff, aged 83, died Wednesday morning at the home of her son in Lake Odessa. The body will be brought to Holland for burial. The funeral will be held at 148 West 19th street Friday. The deceased is survived by the following children: Mrs. Robert Hall, Pearl, Marian, Frank, and Fred.

A double marriage ceremony that united two Grand Haven couples was performed by the Rev. Anthony M. Karreman, pastor of the Second Reformed church in Muskegon Saturday. Miss Martha Tietz and Mr. C. Brockway, Miss Gertrude Hall and Mr. Ellis Lamb were the principals in the ceremony. Both couples are planning to reside in Grand Haven it is said.—G. H. Tribune.

The match game of pocket billiards played Friday night at Will Blom's billiard room between Will Blom and Clifford Avery, resulted in a score of 150 to 141 in favor of Blom.

Rev. J. W. Ghysels, pastor of the 9th street Christian Reformed church announces that he has declined the call to the Dennis Avenue church, at Grand Rapids, Michigan.

Sylvia Nostrand of Conklin, has been declared the best all around county champion for both boys and girls in school clubs organized under the department of home demonstration in Ottawa. Miss Nostrand is therefore entitled to a short course scholarship at the Michigan Agricultural college, to be used this summer.

In a suit for breach of contract between the Larue Milling company and the Verhage Milling Co. for \$2,000, Judge Orien Cross entered a verdict of no cause for action in the circuit court Thursday. The jury had already awarded the damages but counsel for the defendant petitioned that a no cause for action verdict be considered.

Dr. and Mrs. W. H. Tappan have returned from a trip to White Plains, Ga., the home of Mr. Tappan. They also visited Atlanta, Ga., and other southern cities.

During the storm Wednesday the wind reached a velocity of 63 miles an hour. This surpassed all previous records for Ottawa county the previous maximum being 49 miles from the southwest on April 2, 1920. The record velocity, Mr. Tullson of the Ottawa County Weather bureau finds for all months and years since 1871 when this station was established, is 63 miles from the west on January 16, 1921.

A radio club composed of "fans" of Grand Haven and vicinity will soon be organized. Mr. A. E. MacGregor, chief engineer of the Rupright Motor Co., will be the principal speaker.

The Zeeland postmaster, Willard Claver, announces that the postoffice hours will be based on the Eastern Standard time or "fast time" during the period adopted by the Zeeland city council. It is thought this will better accommodate the patrons. The mails will come and go by Central Standard time, however, since railroads, carrying the mails have not changed their time schedules.

What might have blown up an Allegan furniture plant was prevented by the fireman John Unger who probably escaped serious injury at the Oliver furniture factory. While placing a large piece of coal in the arch, he noticed a hole in the chunk. Turning it over he found an eight-inch stick of dynamite which had been placed there for blasting but never exploded in the mine. The discovery of the stick of dynamite probably saved destruction of the boiler room and several persons from injury or possibly death.

A shower was given in honor of Gertrude Van der Wege by her sister Betty at her home Friday evening in Zeeland. She received many beautiful gifts. Games were played and prizes won. Those present were: the Misses Gertrude and Betty Van der Wege, Geneva Oosting, Grace Post, Kate Ottema, Betty Galien, Eva Westenbroek, Mrs. Young, Betty Verschure, Brownie Woodruff, May Van Slooten, Mildred Slagh, Clara Wagenvelt, Minnie Otting, Gertrude Brandt, Kathryn Te Reller and Mrs. Vander Wage.

Capt. M. P. Morgan, Master of the steamer "City of Holland", celebrated his birthday last Saturday. His friends were unable to learn whether the age is 78 or 87.

Hundreds of letters were last week mailed to people all over the country to come to Allegan on National Hospital day, May 13 and assist in boosting John Robinson hospital of that city.

William P. Hartmann, deputy commissioner of the department of agriculture ordered the seizure of several carload shipments of vinegar, sent out from the plant of Wemy & Hills of Allegan, following the arrest of Charles Wemy and Frank Hills on a warrant charging them with adulterating and falsely labeling their product.

The Allegan high school trio will debate Cheboygan this week in the semi-finals of the state contest. The winner of the debate will enter the final debate at Ann Arbor, May 5. In the next contest the team will uphold the negative.

A son was born to Mr. and Mrs. John Klinkenberg, living on West 15th street.

Mrs. William David Malcolm left Holland Monday night at midnight with the body of her husband who met death in the automobile accident north of Holland Friday evening. Mrs. Malcolm was required to remain in Holland until Monday night on account of the session of the coroner's jury before which body she had to tell her story of the accident.

Thomas Boyen, 151 W. 14th street, Tuesday celebrated his 73rd birthday anniversary. He was one of the first persons baptized in the first log church at Pilgrim Home cemetery where his parents were united in marriage by Dr. A. C. Van Raalte in 1848.

The Pere Marquette railway has started laying new 90-lb. rails between Riverside and Grand Junction on the Chicago line. Of the 5900 tons of steel being delivered, 25 miles will be laid in the section mentioned and ten miles elsewhere. The freight business shows a great advance over that of last spring.

The cars of H. Huntley and Mr. De Ridder came together Monday night on the corner of Central Ave. an 18th street with disastrous results. The De Ridder car was still parked at the curb and out of commission Tuesday morning.

A car driven by Len Kamhout of Grand Haven and containing six occupants narrowly escaped injury when the car went down a steep embankment on the Dixie highway just outside of Spring Lake after the driver had been blinded by the glare of headlights. There was a similar accident on the west Michigan pike when the John Dubinski's car went into a ditch. A young woman with him received a broken arm.

On the West Michigan P'ke near Harlem Sunday night John Dubinski of Holland riding with a young lady whose name the officers did not learn encountered a machine with a blinding glare of headlight. Dubinski's car was crowded into the ditch where it overturned. The young woman's arm was broken and Dubinski received some bruises. The offending driver did not stop, but approaching motorists caught the number of the car. The case has been turned over to Sheriff Fortney.

The Good Road Committee of the Board of Supervisors are making a trip with the members of the Ottawa County Road Commission to determine the necessity of a new bridge on the Beaverdam Road. The new structure is said to be needed because of the rise in the drain which supplies several celery patches in Zeeland township. The committee is composed of James Chittick, chairman, Barton Elliott, John Rutgers, Roy Lowing and Gradias Lubbers.

John Van Vliet the second-hand store man on East Eighth street went and got married a few days ago to Mrs. Jennie Bos, the Rev. Heemstra performing the ceremony. Because of the wedding John was compelled to close his place of business for a few hours and in order to have his patrons know the reason for the key being turned in the door, the versatile John tacked up a sign reading "gone to get married, store closed". His customers took it good-naturedly for "all the world loves a lover", you know.

The newly elected Allegan County road commission met for the purpose of organizing and taking into consideration a program for the coming year. The present commission consists of Martin Reed of Watson, F. I. McOmber of Allegan, and W. R. Takken of Saugatuck. Miss Eva Dostie was retained as clerk and bookkeeper and Wayne Bechtel draftsman. Mr. E. E. Sours, the county road engineer was discharged by the old commission last week, will continue his services with the new organization.

Inter-society debates were held upon the college campus Wednesday evening in order to select men to represent Hope in the Alma-Hope debate that is to be held the first week in May. The Cosmopolitans debated with the Emersonians, and the Knickerbockers with the Fraternal society. The four men that have been honored with a place are Borgman, Rynbrandt, Staplekamp, and Vischer. The Hope Alma debate will center about the open and closed shop question.

Peter F. Douma and Mrs. Cornelia Cronkright were married at the parsonage of the First Reformed church Rev. James Wayer performing the ceremony. They will make their home at 15 E. 15th street.

Rev. M. L. Tate rector of Grace church, made a trip to Pentwater on Tuesday. Holy Communion was celebrated, and the rector held a service and delivered a sermon in the evening for the Masons and Stars.

Some people think "cigaret" must end in "te" and some think it must end in T. B.

## HOPE CLASS GETS

## BANNER BACK

It is stated that the Hope Juniors who lost their banner three years ago are again in possession of it.

Some of the members were "tipped" off that Richard Blocker had the banner at his home and a few of the class made a raid on the place Sunday evening while making a friendly call.

Some of the students entertained a few of the members of the family who were home while others invaded Blocker's den for the much wanted emblem.

It was at last found in the attic of the building and safely passed thru a window to other students who were on the outside, after which the visiting students bade the Blocker family good-bye, happy in the thought that they carried the banner with them.

The class has been without a banner during its college career and the members were overjoyed in securing possession of the lost treasure. The juniors are planning to entertain the seniors at a class party and the banner will play an important part in the event.

Jennie Kolk of New Groningen and Fred Oudemolen of Holland were united in marriage at the parsonage of Rev. and Mrs. M. Van Vessum of Zeeland last Wednesday evening. The young couple will make their home in Holland.—Zeeland Record.

Boy's Week, which is to be observed from April 30 to May 6th throughout the state of Michigan, will be observed with appropriate exercises in Holland. Mr. Wm. Slater, physical director for boys in the local schools, is behind the movement to have the week observed here and he is preparing a schedule of events that will give the people of Holland a better idea of what their boys are doing in the line of physical training and that, it is hoped, will arouse a greater interest in the boy life of Holland.

Boy's Week will start with a "Boy's-Go-to-Church Sunday." This will be observed on Sunday, April 30.

April 30 many of the pastors will preach sermons especially appropriate for boys. This special Sunday will inaugurate the "Boys' Week" and will help to call the attention of the people to the significance of the event.

The Holland Teachers club held its spring banquet in the W. L. C. hall Monday night. After the banquet had been served by the Grace church ladies, Miss Lida Rogers, president of the club, welcomed the teachers and the guests of the evening. The musical numbers of the program were solos by Mabelle Mulder and Evelyn Keppel, whose accompaniments were played by Mrs. Robbins. Supt. E. E. Fell gave a delightful talk on the philosophy of the teaching profession and received applause when he spoke as vice-president of the Rotary club of the city. Prof. W. Wichers appeared as the vice president of the Exchange Club, and emphasized the contribution of the teachers to our community life. Mr. D. Boter, who responded for the P-T clubs spoke of the four R's, Reading 'Riting and 'Rithmetic, and Righteousness, which he said, the teachers of the city were instilling into the minds of the children.

Dr. Leenhouts, president of the Board of Education emphasized the loyalty and co-operation of the teaching force, especially in the securing of the new Junior High school building. Mayor Stephan "made a speech". These all wishing the club success. These all made the teachers realize their responsibilities as part of the community.

The honored guest of the evening was the Hon. G. J. Diekema. His message was full of cheer and good will. He gave several political maxims which are applicable to all walks of life. These were conclusions drawn from his personal experiences as a servant of the public. The anecdotes related covered a period of time from the day when he "cut his political eye-teeth" in his race for the office of school inspector in the township up to the time when in Washington he was privileged to live in intimacy with President Roosevelt. Mr. Diekema proved that statesmanship is a possible companion to political advancement; that men can be friends, though enemies, that one's consciousness of right can outweigh a desire to please a constituency or a political boss; and that royalty is human and kindly above all.

The club members are to be congratulated on being privileged to be taken into the confidence of a man who has shown such remarkable strength and loyalty to right as has Mr. Diekema.

Abel Postma and Sam Habing motored to Grand Rapids Tuesday.

It is just as dangerous to neglect to provide for the future as to be "Deaf, Dumb and Blind" to other direct dangers. Although some dangers may bring disaster quickly, the man or woman who fails to think of the future and squanders his or her substance early in life is bound to bring upon their heads want and misery later on. To learn to "Stop, Look and Listen" from a financial standpoint will prevent a collision with grim poverty.

Due to the many requests from those who attended the concert of the varsity Quartet from Calvin College on Jan. 19, they have again consented to sing at the Woman's Lit. Club Rooms on May 11. These boys have seen wonderful service during the winter months since they have been out singing as much as one night every week. They still have several other dates to fill, and no doubt will be in first class trim on May 11. The program that they will give, will be entirely composed of new numbers written by high class composers. There will also be enough humor that evening as it was when they were here last. Tickets will be for sale within a few days at DeVries & Dornbos. The public is invited to buy tickets early if they want good seats since room is limited at the club rooms.

The students of the Junior High school are preparing to give an interesting program in the High school auditorium on Thursday and Friday evenings, May 4 and 5.

Some of the leading features of the program will be a chorus of about two hundred boys and girls, a boys' Indian drill, a girls' drill, special music by the Junior High orchestra and Glee Club, a historical play and about two hundred boys and girls representing a living flag.

The proceeds of this entertainment are to be used for the new Junior High school.

## MEETING OF SYNOD HERE TO COMMEMORATE FOUNDING OF HOLLAND

The meeting of the Particular Synod of the Reformed church of America at Hope College May 3rd and 4th will be in the nature of a celebration of the 75th anniversary of the founding of Holland. To mark this anniversary it was decided that this year one of the five main governing bodies of the Reformed church should meet in the city the foundations for which were laid by Dr. A. C. Van Raalte and his associates three quarters of a century ago.

While most of the meetings of the synod will be devoted to discussing affairs of the Reformed church, a public gathering will be held on the evening of May third to which the general public will be invited. This meeting is to be held in Winants chapel and it will be of general interest.

## LOCALS

There will be a meeting of the directors of the Holland fair on Friday evening in John Arendshorst's office on east 8th street.

The Grand Haven Tribune column of 20 years ago has the following items from Holland: "Maude Squier was to participate in a program at Holland. Marriage licenses had been issued to Ed Boerema and Jennie Katt of Perryburg and Dick Derkse of Holland and Gertrude Bolhuis of this city."

The April birthday tea of the Woman's Relief Corps will be held in their hall on Friday, April 28. Members are requested to attend and bring a friend.

Miss Jennie Steketee has left for McKee, Ky., where she will assist in the mission of Rev. De Jonge.

The Star of Bethlehem, O. E. S. No. 40, will hold installation of officers tonight in their Chapter rooms in the Tower Block.

While driving a load of hay on the the F. Haight farm in Allegan Co., Lafayette Taylor was severely injured when the strong wind blew with such force that the load was tipped over and he was caught under the rack.

Castle Lodge K. of P. will entertain tonight at cards and dancing. A good program has been arranged for.

Since Allegan county has had its little fracas with its road commissioners the county has put the new commissioners under bond of \$10,000 each.

People whose Liberty bonds have been going up are not worrying because somebody may accuse them of being bloated bondholders.

Company F of Grand Haven is looking for new recruits in its National Guards. There are ten additional places open for guardsmen and Lieut. Koopman is endeavoring to get them filled.

Fred Steketee of the local high school was chosen as the new manager for the basketball team during the season of 1922-23.

Work will soon be started on the new tennis courts at the high school, which will be a standard size and built of concrete. The cost will be between \$400 and \$500.

A very clever play was given by the boys of the Sophomore class recently. The scene was staged in a boarding room in New York, where the boys were attending college. One of the boys experienced financial difficulty because of spending too much money on sweets and other enjoyments. This led his father to visit him; and the boys had to make a girl the excuse for what he had done with the money. So Herbert Van Dyke, dressed as a girl, served the purpose. The father arrived and the boys told him that most of his son's money had been spent for the girl. At the same time his father was there, his real girl appeared on the scene and thus their difficulty still remained. His father being too wise for the boys, soon caught on what the money was spent for.—Maroon and Orange.

We hear from undoubted authority that the crew on board the dredge machine at the mouth of Black Lake witnessed a scene of uncommon splendor—a mirage, a clear outline of the West shore of Lake Michigan against the sky—on Monday last. Saturday afternoon River street was the scene of a peculiar accident. Fred Kuite, son of Jacob Kuite, the butcher, who is only 14 years old, mounted one of those wild mustangs that have recently been imported from the West and riding at the usual high speed for which the Kuites are noted, the young chap drove into the hind wheel of the buggy of H. Hellenenthal of Zeeland. The result was that the horse fell on top of the driver and the axle of the buggy was bent so that the hub of the wheel nearly touch the ground. To the surprise of everybody neither Fred Kuite nor the mustang were hurt, and willing hands at once restored the axle to its former level. Note.—Not an auto in sight.

The big ocean steamer Titanic went down after striking an iceberg. More than 1000 souls were lost. This created such a stir over the country that Lake traffic was much effected. Mr. Morton of the G. & M. Trans. Co. at that time said that it was ridiculous to take the case of the Titanic and apply it to lake traffic. "This line has been in operation since 1874 and aside from the loss of the Chicora we have never sacrificed a life through accident to our steamers." Note—The Chicora went down in mid winter with all on board. Not a person was ever heard of—not a body was washed ashore and the place where the ship went down is not known to this day.

Good roads may use Waverly stone—at least that has been proposed to the Ottawa County Road Commission consisting of Charles E. ## ROTARY CLUBS BACK OF BOYS' WEEK

## IN MICHIGAN

The Rotary clubs of Michigan are back of the Boys' Week movement that is to be held throughout the state next week, beginning with a Boys-Go-to-Church Sunday on April 30. The Rotarians have always taken a great interest in boys and the putting on of Boys' Week is one of their methods to show this.

Boys' Week in some of the larger cities of the state will be an elaborate affair. Programs have been made out which call for some feature on every day of the week. Where the Rotary club organizations are large and where the boys are well organized, different groups will perform on different days, and in this way the public will be kept in mind of the boys' problems and the boys' interests all the time.

But in the smaller cities like Holland it will not be possible to carry out the whole program. However, Holland will take on a fair share of the Boys' Week activities, and under the direction of William Slater the boys will show the public what they are doing.

Although there will be a number of special events during the week, three days will be particularly emphasized. The first will be Boys-Go-to-Church Sunday. This day is designed to give tone to the whole week. The next important day in the week for the boys will be Wednesday when the boys will give an exhibit at the high school gym. This will be largely in the nature of Boy Scout demonstrations.

The third day of the week that will have special importance will be on Saturday, when a general field day will be held, with games and sports, and a parade that is expected to be the biggest ever pulled off in this city.

The Y Association Union of Hope College is completing plans for the coming of Rev. A. J. Elliott, of Chicago, better known to the students of the Middle States as "Dad" Elliott, who is to pay the college a visit during the next week. Mr. Elliott was at one time the star of the Northwestern football team. While at the University he was very active in the Y. M. C. A. work, which he has pursued since his college days, and is today a Y. M. C. A. secretary of worldwide note.

The Junior High program to be presented May 4-5, has many interesting features and one not to be overlooked is the Indian drill in which seventeen boys give a realistic presentation of the war dance with its accompanying war whoops, feathers, paint and rattlers, concluding with smoking the pipe of peace.

At the meeting of the Woman's Literary Club Tuesday afternoon, the vice-president, Mrs. C. J. Dregman, presided. It was decided that the club house shall be decorated during the summer months. Mrs. Dregman and Mrs. G. J. Diekema were elected delegates to the meeting of the State Federation at Flint in October, Mrs. Ossewaarde and Mrs. R. M. DePree being named alternates.

Mrs. E. C. Brooks opened the program by telling of many of the interesting discoveries that have been made in the scientific world. Mrs. A. A. Visscher read a paper on "The Little Theater Movement." The Little theater was established from a love of the drama, not from box office gains. The first experiment was made in Paris in 1887, and the first ones established in the United States were founded in 1911-12 in Chicago, Boston and New York. There are now over 150 of them in the United States. There are many varieties but nearly all specialize in the one act play.

A one act play, "Overtones," was given under the direction of Mrs. Jay Den Herder, with a very competent cast consisting of Mrs. C. J. Dregman, Mrs. Edw. Moore, Mrs. W. C. Kools and Mrs. Clarence Lokker.

The program closed with a piano solo by John Lloyd Kollen, Chopin's Polonaise C Sharp Minor.

Though Holland is not to be visited by the Flying Squadron which is to tour the state next week in a campaign of "Selling Michigan to Wpiv. erines," radio fans of this city will receive an indication of the character of the program when Governor A. J. Groesbeck, speaking from the broadcasting station of the Detroit News formally launches the campaign at 7:30 next Monday evening.

## FATHERS AND SONS

## BANQUET CALLED OFF BY COMMITTEES

The Fathers and Sons banquet, scheduled for Wednesday evening of this week has been cancelled. This announcement was made today by Dr. A. Leenhouts, general chairman on behalf of the various committee in charge of the affair.

It was definitely decided Tuesday afternoon that on account of various conflicting events the banquet would not likely be a success, and so it was deemed best to cancel it for the present at least.

## WOMAN DOCTOR EX-

## ONERATED FOR KILLING GRAND HAVEN WOMAN

The coroner's inquest in the case of the tragic death of Mrs. Max Gaiser at Grand Haven who was run down by a woman doctor on Easter morning was held Monday in the supervisors' room at the court house. Henry J. Boer, county coroner presided and witnesses were examined by Prosecutor Miles of Holland, representing the people and Louis H. Osterhaus who appeared in behalf of Dr. Keilin of Muskegon who was driving the car at the time of the accident.

George L. Olsen, Fred Erhman, Will Bosman, Mr. and Mrs. Roger Butler, Dr. C. E. Long, Guy Slater, Dr. Keilin and Miss Katherine Mann of Muskegon and Deputy Sheriff N. De Witt were called as witnesses, and the complete story of the fatal accident was given to the jury in their testimony. The attorneys and members of the jury questioned the witnesses and every fair means was employed to bring out the facts in the case. Dr. Keilin and Miss Mann who was with her, both testified very frankly as to their version of the accident.

The text of the verdict submitted to the coroner was as follows: We, the coroner's jury with due deliberation have come to the conclusion that Dr. Keilin was not criminally responsible for the death of Mrs. May Gaiser, but the cause of accident was due to inexperienced driving.

Although the Grand Haven Building and Finance Co. is only about two years old results show that the organization has been doing a good business and turning its capital over at a profit.

The association was formed by the subscription of local capital entirely, shares were taken not with the idea of making money on them, but rather with the hope of helping to supply homes enough for the people coming into the city with the expansion of local industries. Several new houses were built and more than \$40,000 was turned over without calling on the subscribers for more than their original partial payment of stock.

At the last meeting of the association, it was shown that the profit would at least reach 8 per cent. Of this two per cent was held in surplus and the remaining 6 per cent was set aside as the dividend to be paid stockholders. Two per cent surplus held over from last year's business, added to the amount set aside this year, leaves a surplus of four per cent.

The total number of miles traveled by the member of the Allegan county board of supervisors attending the spring session was 796 for which they received \$47.88. The five days the board was in session cost that county \$520, making the total expenses \$567.88. The committee on equalization was authorized to meet the week previous to the June session, and each supervisor was instructed to have his roll in the hands of the clerk not later than June 10. The judiciary committee was authorized to pass upon the bonds of the newly elected county road commission.

Dr. Bruno Meinecke and his group of 25 musicians Tuesday night rendered before a large audience a delightful orchestra concert which, it is conceded, has never been surpassed by any of its size in the state.

Lovers of music have had a treat which has eclipsed all expectations when the college orchestra rendered with mastery interpretation the technique and the spirit of the celebrated composers of the 19th century.

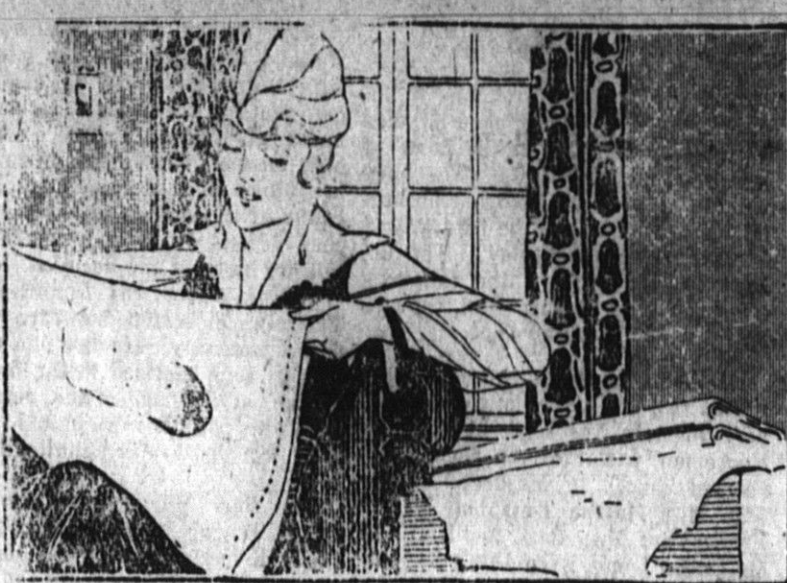

Dr. Meinecke is richly repaid in his second attempt in forming an orchestra which has won the cordial approbation of all those who were present. The musical director is hopeful of forming an orchestra for the future which will be more in the nature of a symphony and he believes that the musical talent in Hope and Holland has still been untapped in its possibilities.

The pleasure that the entertainment gave was greatly enhanced by the assistance of Grace Holverscheid and Helen Wing, Chicago artists, a charming pair of entertainers.

Nothing could have been selected to make the concert more inspirational than this happy addition. Mrs. Holverscheid's voice is luscious; her interpretations are vivid; and her varied selections are chosen with unusual discrimination. Helen Wing, pianologist, presents her original compositions in a way decidedly gay, and leaves a happy impression upon her hearers. Appearing in a costume of quaint design, her collection of Mother Goose parodies with musical settings in "Nursery Nonsense of Now-a-days" was a great hit.

The success of the concert proves once more the work of the college school of music.

The work is being encouraged in every way. All the proceeds of this concert will be devoted to assisting Dr. Meinecke in his efforts.

## Our "SOFT WATER WAY" is the only way to WHOLE-SOME Laundry Work.

You can't get perfect laundry work where hard water is used. The lime and magnesium in our hard local water form with the soap a sticky stuff that can't be washed out or rinsed out—stays in the fibres to discolor and destroy.

We use only "rain soft" water, delivered by our "Permutit" Water Softener. This water—of absolute "zero hardness"—dissolves the soap perfectly, leaves no sticky stuff to lodge in your linens.

Your laundry work, done here the "soft water way," will be cleaner, whiter, sweeter, fresher, softer, than you've ever known before. And your linens will last longer, too, because less rubbing is needed in soft water washing.

Let us prove it, with a trial bundle. Phone us to call, today. You'll get a new idea of good laundry work. You'll see the superiority of soft water washing.

## HOLLAND WINS IN COUNTY TOURNAMENT

The Ottawa County Busy Men's meet was held at the armory at Grand Haven Tuesday evening, with 130 men present in the various contests. There were about 40 from Holland, and these had to be divided into two groups, one captained by Nysson and Fred Vos, and the other by O. Peterson and W. Visscher. There were teams from Holland, Spring Lake, Coopersville, Grand Haven, and Zeeland, and as usual Holland carried off the bacon in the bacon in the volley ball contests. The Grand Haven men put up a good feed after the contests.

The two Holland groups won 25 games and lost five; Zeeland won 8 and lost 7; Grand Haven won 6 and lost 9; Coopersville won 5 and lost 10; Spring Lake won one and lost 14.

A meeting of the County Y committee was held at the Gildner hotel; Mr. Walter Gospiil, state Y secretary for county work, was present at this meeting.
