Roses and Romance

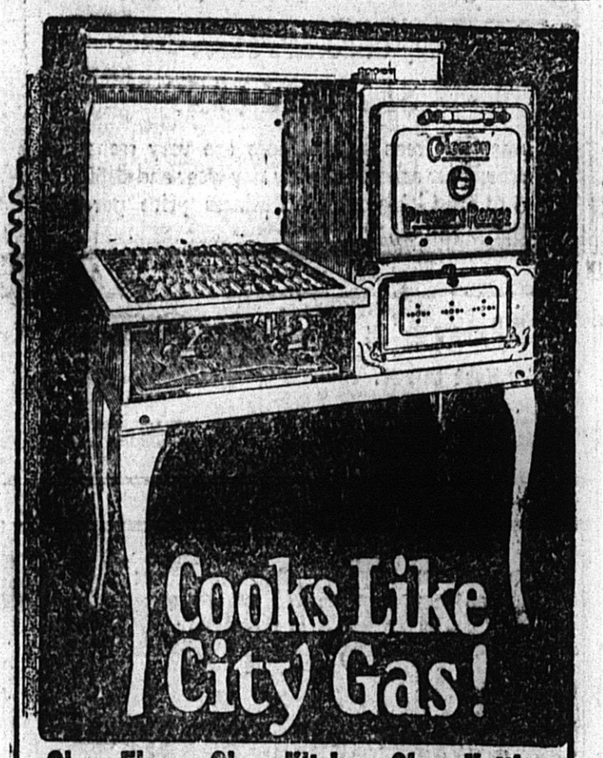
Spring brings sunshine but with June comes roses and romance.

When young folks who have learned the riches of frugality start out life together they are sure to find the direct path to happiness, peace and plenty.

Holland City State Bank

The Bank With The Clock On The Corner

Friendly, Helpful Service—Always



Clean Flame—Clean Kitchen—Clean Kettles

First time you have a chance, step in and let us show you our line of Coleman Cookers. We want you to see this modern gas range and gas making plant all in one! Gives you regular gas service wherever you live.

The Coleman Hot-Blast starter provides full cooking heat in 60 seconds! Boils 2 quarts of water in 4 minutes, bakes biscuits—the light, fluffy, golden-brown kind—in 6 minutes. It bakes, boils, toasts; fries, broils or roasts—just like a city gas range.

Coleman Cookers

Make their own Gas

You are through with coal and wood forever when you get a Coleman—through with ashes, soot and a hot kitchen in the summertime. The Coleman is easy and safe to operate. Fuel is gas from common motor gasoline under pressure. Tank can't spill fuel; can't be filled while lighted. Has positive valve control—no "crawling" flame.

These wonderful stoves are made in a variety of sizes and styles, from a small bungalow cooker to a modern, enameled range with oven. All reasonably priced, too. Be sure and see them.

Al Finley of Ann Arbor was arrested Tuesday by officer Cramer for driving a car with the wrong license number. Cramer noticed but one number plate on the car and headquarters found in their state reference book that the license belonged to another man's car. Finley pleaded guilty in justice Van Schelven's court and paid $8.70.

LEGION ASKS FUNDS FOR ITS TREE CAMPAIGN

The Willard G. Leenhouts Post, American Legion, is making a bid for additional funds for their tree planting campaign. The following letter has been sent out:

Dear Fellow Citizen and Friend of Holland:

For the past three years the Willard G. Leenhouts Post, American Legion, has sponsored the planting of trees along the highways leading into the city. The boys are again planning to follow up this work, and have selected Arbor Day, May 7, for the planting.

The treasury of the Post is not in condition to meet the expense of buying the necessary trees, and are making this appeal to you for a contribution to the "Tree Planting Fund."

This letter is being sent to one hundred of Holland's citizens. We need $500. This may serve you as a guide in your contribution.

Freely you have received and enjoyed the cooling shades and beautiful verdure of the trees planted by your fathers, freely give a like opportunity and joy to your children and your children's children, who will rise up to call you blessed for every tree you planted..

Yours truly,
AL VAN LENTE,
Post Commander
American Legion

RIVER AVE. WILL BE ADORNED WITH NEW BUILDING

DOUBLE BLOCK BUILT DIRECTLY NORTH OF TOWER CLOCK

A new double store is to be built directly north of the Holland City State bank by E. J. White, father of Joe and Tom White of this city.

The building will occupy the site of the old wooden structure owned for many years by the Vissers family. This building is now being torn down by Louis Padnos who purchased it from the present owners of the lot.

The new building will be 85 feet long by 35 feet wide, two stories. On the second floor there will be five suites of rooms for office purposes with two stores on the first floors.

The structure will be built of brick and stone with copper fronts and the latest in heating plant and lighting fixtures are to be installed.

Stellema, fruit man, proprietor of the Holland Fruit and Product Market has moved further north in the Blom building, and it is expected that the old Vissers building will be wrecked within a week and shortly afterwards the construction on the new building will begin.

The old building that is being razed formerly belonged to Manley D. Howard one of the early pioneers who lived on the northside.

The late John Duursma conducted a grocery store in the place and in this building B. Steketee who recently retired from the drygoods business started his career as a merchant in that building, and delivered his wares about the city in a push cart.

Some forty years ago the building was purchased by the late L. D. Vissers who first conducted a grocery store in De Grondwet building and two years later moved to the old building next to the bank.

William Vissers the present alderman and his brother Leonard conducted the grocery business after the father's death until the former went into the clothing business later.

ORRIE SLUITER SELLS HIS HOME TO PRESBYTERIAN CHURCH

Wednesday afternoon the Presbyterian church organization in Grand Haven announced the purchase of the former Orrie Sluiter residence and property at 521 Lafayette street, in that city, this to be used as a parsonage for the church.

The old parsonage will be sold, several bids having been received for it already, and it will be moved to a new location. The new church house which will be completed this year is to be erected on the old parsonage site on Franklin street. This church house will eventually be joined with a new church which the Presbyterians eventually hope to build.

HOLLAND IS TO HAVE ANOTHER DRY CLEANER

C. H. Flickinger of South Haven who with a brother conducts a dry cleaning establishment in South Haven will also open up a shop here in the old location of the Ideal Dry Cleaners on East 6th St., west of the city's standpipe.

The proprietor is waiting for his machinery, however, he expects to be ready for business May 1st. He will call his place of business the Paris Dry Cleaners, cleaning ala-French style.

Lester C. Kibby of Nunica, Ottawa county and E. F. Newcomb, of Grand Rapids lost automobiles to joyriders over Sunday. Kibby's car was found half a mile west of Kelloggsville, Mich.

WHAT YOU SAW IN THIS PAPER FIFTY YEARS AGO TODAY

The new fire engine and hose cart arrived and are temporarily stored in the Kanters building on E. 8th street. Holland now has two hand engines, a hook and ladder cart and 1300 feet of hose. The waters of Black lake and 20 street fire wells will protect the city nicely. The suction hose on the hand engines will be ample provided the wells do not run dry.

Derk De Vries and Hermanus Duezburg were drawn as Ottawa county jurors in circuit court.

The Grondwet of the 15th inst. has a communication from Mr. G. W. Mokma, supervisor of Fillmore township where it is stated for the information of the public that the renowned Bergman of "murder" notoriety, is not quite as dead as some of our local detectives had intimated. It appears that on or about July 1st, 1875, he must have been at Beaver Dam, Wis., from which place he wrote to his father in the old country, telling all about the Fillmore scrape.

TWENTY-FIVE YEARS AGO TODAY

Chester Van Tongeren, son of Mr. and Mrs. H. Van Tongeren, is making a remarkable success of the poultry business. Young Van Tongeren is in it only on a small scale but as far as he has gone his success has been rather remarkable. He has a total of 12 S. C. Leghorn hens and during the past three months he has gathered 650 eggs.

STAR OF BETHLEHEM TO PUT ON UNIQUE PROGRAM

EACH PAST WORTHY MATRON COVERING SEVERAL YEARS CONTRIBUTES ARTIST

Rather a unique program will be given at the Masonic Temple tonight by the Star of Bethlehem No. 40 O. E. S., before the installation of officers takes place, which in itself is an impressive affair.

All the past Worthy Matrons have been pressed into service, and it is their duty to contribute a number to the musical and reading program. Each lady is to find an artist somewhere who will contribute a number or two to the evening's entertainment.

The program is now complete and one Worthy Matron is wondering what the other Worthy Matron will dig up for the entertainment.

Before the program and installation the ladies are to have a potluck supper, however, the musical and installation of officers is free to the public and is surely worthy of seeing.

The program starts promptly at 8 o'clock at the Temple.

CENTRAL PARK CHURCH TO HEAR SERIES OF SERMONS ON CHARACTER OF JESUS

Beginning next Sunday evening, May 2, at 8 o'clock, the Rev. F. J. Van Dyk of Central Park will begin a series of sermons on the general theme, "The Character of Jesus." The different aspects of His Character and the Sundays on which they will be discussed follow:

May 2—"His Great Knowledge."
May 9—"His Remarkable Love."
May 16—"His Sinless Life."
May 23—"His Wonderful Miracles."
May 30—"The One Altogether Lovely."

On Sunday morning Mr. Van Dyk will preach a sermon on the subject, "The Eyes of the Lord," which will be appropriate to the observance of Vocation Sunday. The Junior sermon will be on the subject, "Habit." The C. E. Society will meet at 7 p. m. and Miss Ruth Harkema will lead on the topic, "Ten Kinds of Work."

CONCERT OF HOPE SONGSTERS WILL DRAW MANY

TAKES PLACE NEXT WEEK WEDNESDAY AT CARNEGIE HALL

A delightful and charming treat is promised the music lovers of Holland on next Wednesday. That has been the date chosen for the annual concert of the Hope Girls Glee club.

The girls have been giving concerts in the vicinity of Holland, and everywhere their work has been highly commended. Now they are prepared to give an excellent concert, and to say it will be well worth attending is putting its conservatively, indeed. Last week in Grand Rapids they were greeted with an audience of six hundred, and they are deserving just as good an audience Wednesday night. As the girls are leaving for Detroit one week from today, to enter the state contest, a large and appreciative audience will make them feel that their work at the different meetings in Holland is appreciated.

Besides the large group of ensemble numbers, the girls will have a varied program. Readings by Miss Edith Weaver, and solos by Miss Cornelia Nettinga will be features. The accompanist will give piano solos. All in all the club promises to présent a charming program, and one that is worthy of a state championship club, which position they now occupy.

Tickets can be secured from any member of either of the men or ladies clubs. A full house already seems an assured fact and the girls certainly deserve the hearty response of their friends. A complete program will be published later.

DEUR THE SHOE MAN SELLING OUT

Mr. Deur the shoe man located in the Harrington block on East Eighth street is selling out his shoe business. He is telling all about it in some very special on page 2 of this issue.

MUSICIANS TO ENTER CONTEST AT KALAMAZOO

THEY WILL GIVE CONCERT TUESDAY TO DEFRAY THE EXPENSES

The high school glee club and orchestra, made up of boys and girls, is ambitious to take part in the state contest that is to be held in Kalamazoo on May 13. But that means that 55 boys and girls will have to be transported to Kalamazoo by autos and that costs quite a large sum of money. The organization has no funds for the trip and so it has set about to earn the money.

The musicians will give the public their money's worth and at the same time earn the cash to finance the trip. They will give a concert in the high school auditorium next Tuesday evening for the general public, and in the afternoon a matinee for children. They are working hard to make this concert a success and they are hoping for a large enough audience so that the musicians can pay their way to Kalamazoo.

ANOTHER DRUG STORE TO BE REMODELED IN CITY

VAUPELL'S WILL SPEND AT LEAST $5,000 FOR REBUILDING

John Vaupell, proprietor of Vaupell's drug store, has let the contract for remodeling his place of business on 8th St. and Central Ave., in fact the contractor is already busy tearing out the front and remodeling the lower floor as well as part of the upper floor.

The remodeling contract carries with it the putting in of a new stone front with copper trimmings and besides large front show windows another one will be built on the Eighth street side and another dows on the Central avenue side, thus giving a great deal of room for extensive display.

The second floor occupied by Prosecuting Attorney F. T. Miles will also be remodeled and the interior of the drug store below will be redecorated and the entrance to the building will be in tile.

The cornice work at the top of the building will also be changed and from every standpoint the Vaupell block when rebuilt will be an ornament to the heart of the city.

The improvement will cost at least $5,000. A new soda fountain of the iceless variety is also being installed.

It is expected that the work will be completed by the latter part of May or the first of June.

TRINITY REFORMED CHURCH IS 15 YEARS OLD SATURDAY

Trinity Reformed church will be 15 years old next Saturday. The church was organized May 1, 1911, with a membership of 87 communicant members, or 45 families. Today the church has a membership of 707 communicant members and 255 families. Rev. John Van Peursem now of Zeeland was the first pastor of the church, serving the church from 1912 to 1918 when the present pastor Rev. C. P. Dame assumed the pastorate. In commemoration of this 15th anniversary the congregation will hold a Prayer and Praise service Thursday evening. There will be no speaking, all the time will be occupied by singing and praying. The pastor has prepared a program for the evening. Miss Helene Vander Linde who has just returned from Los Angeles, where she took lessons for 3 years from a well known vocal teacher will singe two selections.

The church has enjoyed a healthy and steady growth during the past fifteen years. Each Sunday two large audiences worship in the church.

COLORED FIGHTER TO CHANGE HIS NAME

"Call me Wildcat from now on," is the request made recently to the sports department of the Herald by Dan Coleman, the Grand Rapids colored lightweight boxer. He said he intends to fight like a wild cat in all of his fights this year, and he made good last week in Holland by scoring a knockout in one round of a huskily built opponent named Bennet, also a colored man. "Wildcat" is ambitious to win national renown as a boxer and is working hard with that end in view.—Grand Rapids Herald.

Shoes Building Up Strong Team

John Steffens is manager of the Holland Shoes base ball team. Louis Elenbaas and Bill Bekuis have been secured from the Montello Park team, Jim Overway, Len Overbeek, Marvin Karsten, Sim Wierda and Sonny Kraai have been secured from the Fords.

Steffens was leading batter on the Hudson-Essex team in 1925, Louis Elenbaas was the leading batter for Montello and Jim Overway for the Fords in 1925. Len Overbeek was captain and centerfield for the Fords. Wierda was the ace of the Ford pitching staff. Karsten hit 326 for third place on the Ford team.

CHRISTIAN HIGH WILL DEBATE ON FRIDAY

WILL MEET GRAND RAPIDS, OLD RIVAL, IN DOUBLE-HEADER

On Friday evening, April 30, the debating teams of the local Christian high school will meet the teams representing the Grand Rapids institution. The debate is scheduled for 7:45 at the gymnasium of the Christian high school.

The affirmative team of Grand Rapids is to meet the negative team of Holland on the local floor, while the other two teams debate in Grand Rapids the same evening. The Holland team to debate here consists of Gladys Nienhuis, Wynne Brink and Harris Steggerda. The team traveling to Grand Rapids consists of the following speakers: Andrew Bakker, Cornelius De Boe and John Pot.

The subject is the same as that debated in the Michigan Debating League this year, i. e. "Should the States Ratify the Child Labor Amendment?"

The judges for the local contest are: Mr. Rex Chapman of the local high school, Mr. Stanley Albers, veteran debater of Hope college, and Mr. Parsons, local attorney, of the Robinson and Parons law office.

Last year these two schools broke even on their debate, each school winning one victory. This year Holland hopes to gain both victories on the same evening.

On Thursday evening of next week, May 6th, the affirmative team will debate here against a team from the Chicago Christian school on the same question. This gives the local patrons an opportunity to hear both teams on the home floor.

The judges selected for the 6th of May are: Mr. Wichers, of the First State bank, Mr. Velthuis of Hope college, and Mr. Maybee, debating coach of Holland high school.

There will be no admission charged to these contests and the public is cordially invited to attend.

ZEELAND MAN HELD IN GRANDVILLE ACCIDENT

PETER MEEUWSEN, A CONTRACTOR, TAKEN INTO CUSTODY

Two women were injured last night in an automobile collision on Grandville road, which resulted in one of the drivers being put in the county jail to await probable filing of charges today of driving a car while intoxicated.

The man held is Peter Meeuwsen, 38, Zeeland contractor, who was taken into custody by Deputy Sheriff Conrad Quint, following the crash.

Meeuwsen's car collided with a machine driven by Harley W. Vander Bosch, 517 Garfield ave., NW. Both cars were wrecked. The injured were Mrs. Harley Vander Boegh, 28, and her sister-in-law, Mrs. Ralph Vander Boegh, 34, of 661 Plett st., S. W. They were slightly cut on the arms and head and were taken to St. Mary's hospital but were able to leave latter.

PEOPLE OF HOLLAND DECIDE BY 8 TO 1 VOTE TO ERECT NEW $130,000 SCHOOL

The people of Holland Thursday afternoon decided by a vote of 614 to 87 to erect the new $130,000 Washington school that the board of education has had under consideration for some time. The election held Thursday was an advisory vote and the overwhelming majority for the new school is taken as a fair indication of how the people of Holland feel about it.

The board of education about a week ago called for an advisory election to find out whether the sentiment of the people was in favor of the expenditure or not.

The election was advertised for Thursday, April 22, from 2 to 8 o'clock. In the early part of the afternoon voting was slow, but after school and at night the election inspectors had all they could do to handle the voters who came to the city hall to cast their votes on this school proposal.

When the polls were closed at 8 o'clock it was found that 702 voters had availed themselves of the opportunity to cast their ballots for or against the building of a new $130,000 school in the fourth ward. Of this number 614 voted yes and 87 no, with one blank vote. In other words, according to the vote polled, the new school project wins by an 8 to 1 vote.

It was not necessary under the law to hold this election, for the board of education could have gone ahead and built the school without a vote, should they deem a new school in the fourth ward absolutely necessary.

They felt, however, that the approval of the people on the expenditure of so large a sum of money was desirable, and it is very gratifying to know, through the expression given at the ballot box, that the voters approved almost unanimously the contemplated building project.

The board of education, in a recent appeal to the voters, stated that Washington school building should be replaced by a new one, up-to-date and fireproof. The old building is in bad shape, the walls are crumbling, the heating plant is worn out, the floors are poor and the ventilation system is entirely inadequate.

The remodeling of the building would have cost considerable, and then the city would only have had a patched up affair, and for that reason the board planned a modern building with fireproof construction throughout, and with many rooms added.

The new building is to be located on the Washington school site on the corner of Maple Ave. and 11th street.

Plans have already been drafted and now the work will proceed in earnest. The pupils now occupying the school will be temporarily housed in the Horace Mann school and in another building rented to take care of the overflow.

Just what building this will be has not yet be decided. The tearing down of the old school will begin as soon as school closes in June and there is ample time to make provisions for the pupils of the school before school opens again in September.

Mrs Heintje De Weerd, wife of the late Mr. Ryer De Weerd, nesday at her home at Waukazoo at the age of 79 years. Mrs. De Weerd is the last of the Gilbert Witteveen family of Waukazoo, a family that was among the first settlers at Waukazoo. She has lived in that community nearly all her life.

She is survived by the following children: George De Weerd and Albert De Weerd of Holland, Jennie, Bert, Mrs Arthur Witteveen and Henry of Waukazoo; also by 17 grandchildren and two great-grandchildren.

The funeral will be held Saturday afternoon at 1:30 at the home and at two o'cock at the Hardewijk Christian Reformed church, fast time. Interment will be at the Alpena cemetery.

TRAILING ARBUTUS IS NOW IN BLOSSOM AT THE HOLLAND RESORTS

Arbutus is now in blossom in the woods around Waukazoo and the other wooded resorts in the vicinity of Holland. This delicate wild flower is becoming scarce, and unless care is taken by those who go into the woods it soon will be completely exterminated. The chief difficulty seems to be hoggishness. Gatherers of arbutus pull up the whole plant, leaving no roots for next year's blooming. There also are always a few foolish folks who think they can transplant the arbutus in their own gardens. But it doesn't work.

A woman's building is to be added to the Christian Psychopathic hospital at Cutlerville, the structure to cost from $80,000 to $100,000. The building will contain two stories and basement, will be of fireproof construction, 80x100 feet in size. Plans are being prepared by J. & G. Daverman, architects of Grand Rapids.

The Tromp Manufacturing company of Holland, manufacturers of novelities for fourteen years, have moved to Hamilton and united their business with J. Hagelskamp Lumber company of Hamilton, furnishers of building supplies for 22 years.

They are now incorporated under the name of Tromp Manufacturing company for forty thousand dollars. The intentions are to carry on both businesses, but on a larger scale, especially the novelty business. Manufacturing can be done at a much cheaper rate due to the fact that the large dam is one quarter owned by the company, which gives them free power. The new company is working ten hours a day to fill their orders and will continue doing so for some time.

The officers of the new company are: Joe Hagelskamp, president; George Kolean, vice president; Henry Hoffman, secretary; Paul Jordan, treasurer; directors, Fred Mason, John Haringsma, Gerald Hagelskamp, and John Groenheide.

John Vander Ploeg and Donald Vander Ploeg motored to Kansas City with a large truck and will return with 800 trees for the Shady Lawn Florists nursery.

Bus Anchored To Rails Causes Spread

A Greyhound bus left the pavement and mired itself into the muck Wednesday night near Grandville. In trying to back onto the pavement it anchored a cable onto the rails across the highway. This cansed an out-of-alignment of the rails which delayed traffic over the P. M. road. The section crew was called out of its slumber to adjust the alignment. No material damage was done to either bus or railroad. The accident occurred on M-51, 3 miles west of Grandville.

HIGHWAY MEN CONFER AT G. H.

About fifty township highway commissioners and supervisors gathered in the court house at Grand Haven Thursday to hold a conference regarding township highway improvement and expansion programs. Louis H. Osterhous presided and gave o short introductory address. The township road expansion program was explained by L. J. Rothgery of the Michigan State college and along with this Mr. Rothgery told of the construction of township roads.

Lantern slides of road construction, motion pictures of grading work and a discussion of construction work were on the program, all those present being invited to take part in the discussion. Road commissioners, highway commissioners, supervisors and others interested, all were participants.

In the afternoon following dinner, more talks on road work and maintenance, lantern slides and government motion pictures of road building were given.

The next regular meeting of Castle Lodge, Knights of Pythias, will take on the aspect of an extraordinary meeting rather than a regular meeting. When one reviews the record of the Pythian activities during the past winter it would seem that every known device and every conceivable idea has been used up to make the Pythian meetings unusually interesting and helpful. But now the steering committee comes forward with the biggest plan of the year. Next Thursday all members of the Knights of Pythias order will meet at the Guild Hall of Grace church instead of at the lodge rooms and enjoy a banquet.

Very elaborate plans have been made for this banquet which may properly be called a friendship banquet. Since Pythianism holds friendship as its first and foremost principle and since this banquet will be the climax of a very successful season, the atmosphere will be full of joviality and good feeling. It will close the attendance contest which started last fall. The record of the two opposing teams was so nearly identical that they will both be considered victorious and neither will be required to serve the other.

Promptly at six-thirty the men will sit down and be served by the ladies of Grace church. The menu that has been prepared sounds most appetizing and since the food will be cooked by the church ladies there is no question that everything will be very delicious. A program of music will follow the banquet and an eminent Pythian leader from Grand Rapids has been secured to make an address.

After Dr. A. Leenhouts had addressed the W. C. T. U. on "The New Health Program" the members passed a resolution to ask the Michigan senators to favor the passage of a bill which has passed the House and is now in committee of Senate, a new maternity bill, which is to extend for two years the Shepard-Towner Act of five years ago.

The doctor explained fully the working of this measure, the clinics established in all but five of the states, its educational value in teaching laws of health and so saving many lives.

The law has awakened interest in preventive measures of health in which the speaker takes special interest. He was, however, not sure that long continued help from our national government was best but thought it might be left for state or local effort. He paid a high compliment to our local clinic which is held every Wednesday morning at the hospital.

Mrs Nelle Vander Meulen spoke shortly on her duties as police matron, as she saw it, asking the Union's co-operation and support, which that organization was glad to extend.

Mrs Leddick spoke on a measure providing for the deportation of aliens as a desirable law to be enacted. Miss Henrietta Beyer gave the reading, "Wheels of Time," and as an encore, "Washing Dishes", which added much to the program of the afternoon.

The new year books were distributed and arrangements made for delegates to the district convention at Sand Lake on May 5 and 6.

Prosecutor Fred T. Miles left on Friday for Detroit where he will attend a three days' session of the Michigan prohibition convention Saturday, Sunday and Monday.

Before leaving Mr. Miles stated, "I have never been more interested in nor convinced of the necessity for prohibition than I am now after observing the situation before prohibition and the conditions that we have had after the law was passed."

Miss Cornelia Steketee entertained at a theater party in honor of Miss Marie Waalwayne of West Palm Beach, Florida, who is visiting here while enroute to New York where she will join her parents for a three months' tour of Europe.

Mr. and Mrs Chas Hess opened their home to the young ladies and progressive bunco was played, after the theater. High honors were won by Sylvia Schurman, while the consolation was awarded to Helen Hamm.

After a delightful three course luncheon each girl contributed some stunt or story for the amusement of the party.

WARM FRIEND TAVERN WILL CELEBRATE FIRST BIRTHDAY ON NEXT FRIDAY EVENING

The Warm Friend Tavern will celebrate its first anniversary Friday, April 30th| At the opening of the Tavern one year ago three hundred participated, and it was acknowledged to be one of the most successful affairs ever had in Holland. There is every reason to believe that th anniversary celebration will be just as successful. Every one who is interested in the Tavern is invited. Nearly 200 have already asked for reservation, and by Thursday it is believed the maximum number will be reached, which is three hundred.

The program for the evening will be as follows: Dinner will be served a 7 P. M. During the evening Miss Muriel Kyle, Detroit's most famous soprano singer, Mr. Harry McDonald who needs no introduction in Holland and the Stiller Sisters, will entertain the crowd. Music will be furnished by Herb Van Duren's orchestra during the dinner and the dancing which will follow the entertainers.

"It will greatly please the management to hace a capacity reservation," said manager Tyson today, "and we will do our best to help you enjoy the evening, and thus start us out knowing that the people of Holland are with us, and with their support the Warm Friend Tavern will be a continued success."

The first anniversary celebration of the opening of Holland's hotel will be something more than the mere calling attention to the first birthday of a business institution. In view of the fact that the Warm Friend Tavern is to a larger extent a community institution than most business places, there is a greater amount of community interst in the celebration of the first birthday. And this is all the more a fact because the hotel has scored a success during the very first year. Even its most enthusiastic backers were not very confident on the opening day that the hotel would pay its way during the first season, though they were confident that it would score a success later. But the Warm Friend Tavern is looked upon by hotel men as having won an enviable place in the confidence and affections of the traveling public during its very first season.

The serious accident on the M-51 and interurban crossing at the east city limits of Zeeland has caused some action on the part of the state authorities, with a view toward eliminating all danger possible. Accordingly an inspection will be made at the crossing.

At the Exchange club meeting in Zeeland, Mr. C. J. Den Herder read a letter from the Grand Rapids Automobile club informing him that the inspection is to be made, and the date has been set for Friday of this week. Rail Road Inspector Hughes of the Michigan Public Utilities Commission and members of the automobile club arrived at Zeeland on the interurban at the station at 1:44 p. m. Standard time, when a delegation of Zeeland met them and proceeded to the scene of the crossing. Committees have been appointed by the club to form the delegation.

An Ottawa county man will be one of the standard bearers of the Democratic party in Michigan in the coming fall campaign. At their preprimary convention in Detroit, the Michigan Democrats voted their choice of state officers to be recommended to the party voters at the September primaries.

Led by the Ottawa county delegation the name of Gerrit Masselink of Big Rapids, for years associated with Senator Ferris in the conduct of the famous Ferris Institute, was suggested. The nomination was made by Charles E. Misner of Grand Haven, and Masselink was chosen unanimously as a running mate for Comstock.

Gerrit Masselink, twice endorsed by Ottawa county Democrats as gubernatorial timber, was born in Ottawa county and spent most of his boyhood there. He is one of the best known educators in the state.

Harry Hain was released from the Ottawa county jail upon furnishing $1,500 appearance bond for his presence at the August term of circuit court to answer a charge of selling liquor. Hain was given a hearing before Justice Hugh E. Lillie of Grand Haven and he was bound over to circuit court following testimony of two witnesses.

According to testimony given at the hearing, Hain was arrested nearly a month ago for furnishing liquor to Charles Snyder of Grand Haven. Snyder, in company with W. Burkhardt of Grand Haven, was on the way to a dance when it was alleged that Snyder stopped and purchased a quantity of moonshine whisky from Hain for the sum of a dollar. Snyder was arrested for possession of liquor and told officers he purchased it from Hain according to their own statement. Hain was arrested and arraigned before Justice Lillie but Burkhardt was the only witness that showed up to testify. The hearing was adjourned until Snyder could be located.

Snyder returned however and was arrested for possession of liquor. The arraignment was resumed and Justice Lillie bound Hain over after hearing the evidence. Snyder was also released on $300 bail for his appearance in circuit court, in August.

Testimony taken at the hearing showing that Snyder testified that Hain had come to him just before the arraignment and had given him ten dollars, telling him to leave and that no harm would come to him. Snyder said he went to Chicago but returned several days ago. He also testified regarding the purchase of the liquor which was substantially what he is said to have told officers when he was first arrested.

CHAPMAN HANGING COST CONNECTICUT $23,799.66

Gerald Chapman, executed April 6 for the murder of a New Britain policeman, cost the state of Connecticut a grand total of $23,799.66.

The original cost of the Chapman case, which included his arrest, trial and conviction was $16,766.28. The additional cost of $7,026.38 represents the progress of the case through the federal courts in Chapman's writs of habeas corpus and the appeals to the circuit and supreme courts, the motion for a new trial and the appeal to the state board of pardons.

The state paid $784.04 to nine investigating agencies in checking up alibi witnesses. These witnesses were to have been used in a new trial if the courts had granted Chapman's motion for a rehearing of the case.

Mr. Edward Holkeboer and Miss Reka Hoek were united in marriage Thursday by Dr. Wm. Masselink, both being members of the 14th street Christian Reformed church. The bride wore a gown of green hand-painted silk crepe de chine and carried a bouquet of sweet peas and carnations. She is the daughter of Mr. and Mrs. Fred C. Hoek of East Saugatuck.

The marriage was performed in the presence of Henry Holkeboer, student at Calvin college, and Miss Helen Hoek, the double ring ceremony being used. The groom is a member of the firm of E. S. Holkeboer & Sons, general contractors. Both bride and groom have many friends in Holland and they will make their home at 51 East 14th street. They have left on a wedding trip to the west.

At the convention of the Ottawa county association, Order of the Eastern Star, in Holland the following officers were elected for the coming year:

These officers were: Mrs. Lucille Tyner, Star of Bethlehem, Holland, president; M. F. Dick, Holland chapter, Holland, first vice president; Mrs. Wilder, Berlin, second vice president;; Grace Barnum, Star of Bethlehem, Holland, secretary; Mrs. Abbie Runyan, Coopersville, treasurer, Grace Taylor, Spring Lake, marshal; Mrs. Elsie Davis, Grand Haven, organist.

Mr. John Kollen, 45 East 12th street, Monday received the congratulations of his friends on the occasion of his 87th birthday anniversary. Mr. Kollen, who for years has been one of the most familiar figures on the streets of Holland, only recently recovered from an injury to his hip caused by a fall on the ice which kept him indoors for six weeks, several weeks of which he was confined to his bed. In spite of his advanced age he made a perfect recovery.

Several thousands of lives were saved Tuesday afternoon, by reason of the fine weather. It so happened that they were only baby chick lives, but lives nevertheless.

At the Superior Farm were several thousand baby chicks in brooder houses, when the weather man turned out some balmy hours and the doors were opened to give the chicks the benefit of a bit of sunshine.

There also happened to be a stiff breeze, just enough to brush up the fire in the brooder stoves, and whether the stoves became spirited because of the open door has not been answered, but the fire became more active and small live coals fell to the floor, setting the straw and floor afire. Mrs. C. C. Van Liere, a neighbor, discovered the smoke and telephoned the alarm to Mr. C. J. De Koster, who with his men, on a double jump made for the farm and soon had the fire out by carrying water from the pump. A hole six feet across had been burned through the floor and the stove had fallen through. The chicks were all saved because they were out of danger.

After a brisk bit of work, with the sweat dripping from their faces and water dripping from their lower extremities, the boys thought they had come to a breathing spell, when they saw smoke was issuing from a second house and a quick run put that fire out before any great damage was done. But they were not yet due to rest, for when they looked around they found a third house afire and they were then forced to apply their waning energy to save that.

The George E. Kollen public speaking contest which was held in high school on the mornings of April 20th, 21st and 22nd was most successful. There were twenty-nine speeches of five minutes each given in a most interesting and forceful manner. The subjects discussed were all live topics of the day.

The evils of the tobacco habit, drug habit, capital punishment, ingratitude and bill-boards were explained. Pleas were made to preserve the forests, for the old-age pension bill, for the Near East, the Negro, honesty, camp-fire girls, the immigrant, the Jews, for better homes, life insurance, the birds, etc.

The first prize of $15.00 for the speech, "Be A Good Loser," was awarded to Helen Eberhardt. The second prize of $10.00 was awarded to Gladys Huizenga, for her speech making a plea for "Better Home Life"

The rest of the contestants were given honorable mention. They were: Geneva Dogger, Russell Smith, Charles VerBurg, Henry Steffens, Edith Damson, Gerald Breen, Jean Walvoord, Edward Wendell, Julia Van Oss, Raymond Steketee, Donald De Vinney, Margaret Westveer, Arthur Oudemool, Wilhelmina Walvoord, Vernon Van Lente, Genevieve Dykhuis, Chester Kramer, Lois Keppel, Cornelius Koopman, Alice Brunson, Harold Boone, Lottie Tuesink, Chester Oosting, Marvin Meengs, Gordon Van Ark, Marine Boshke, and Marion Lordahl.

The judges were Miss Geiger, Miss H. Hoekje, Miss J. Mulder, Mr. Maybee, and Mr. Hinga.

The prizes are given by Mrs George E. Kollen.

CONTRACT LET FOR FINE NEW 8TH ST. BLOCK

Another substantial business block is to be erected on West 8th street. Monday Contractor Abel Postma was given the contract to build a two story building for A. H. Meyer, proprietor of the Meyer Music House.

The building will be 27x96 feet. It will be directly east of the music store with a stone front uniform with the building in which the music store is located, making it practically one building. The first floor is to be occupied by a new dry goods store and the second floor is to be converted into office rooms in the front and a flat in the rear.

The building program will cost the builder between twenty-five thirty thousand dollars and excavation will start within two weeks.

A new front will be built in both the music store and the new dry goods store and will be what is called the Kowneer solid copper front. Both stores will have tile entrances and other convenient arrangements in the show windows in order to display goods. The lightning arrangements will also be changed and figures are now being received for the heating plant.

The contract states that the building must be ready for occupancy not later than September 1. This leaves but one vacant lot between the Strand theater and the new Meyer building when erected. It is understood, however, that in the very near future this space will also be filled with a new two story building, 80 feet long, the second floor to be utilized for office purposes.

Seymour Baar, a former residentof of Grand Haven and a son of the well known acob Baar, who years ago was prominent in politics in Ottawa county and Mayor of Grand Haven, died suddenly Friday morning. The Grand Haven Tribune prints the followlowing: "News came as a great shock to relatives and friends in this city, as no word of Mr. Baar's illness had been received until Friday morning. Mr. Baar's mother, Mrs. Jacob Baar had been in Grand Haven for the last three weeks visiting relatives. She went to Holland to visit relatives before returning to her home in Chicago. Later in the forenoon a message came announcing that Seymour Baar was seriously ill in a hospital in Chicago. Judge and Mrs. J. Danhof and Mrs. William Stickney, Mr. Baar's sister, drove to Holland at once and informea Mrs. Baar of her son's serious illness. Mrs. Baar and Mrs. Stickney took the train for Chicago. They were unable to reach home before Seymour passed away.

"Seymour Baar, who was about 40 years of age was born in Grand Haven. He graduated from Grand Haven high school in the class of 1901, and was one of the most popular students in his high school days. He moved to Chicago with his parents more than twenty years ago, and for many years has been conected with the municipal departmens of the city of Chicago. He was long connected with the weights and measures department and more recently was in the department of factory inspection. He was a member of a well known Grand Haven family, his father Jacob Baar having served as mayor and postmaster during his long residence in Grand Haven previous to removal to Chicago.

"Deceased is survived by his wife, his parents, Mr. and Mrs. Jacob Baar, his sisters, Mrs. Winfield Evans, Miss Katherine Baar of Chicago, and Mrs. Willard Stickney of Grand Haven, and his nephew Edmund Garlick of Chicago of whom he was very fond.

"The funeral of Mr. Baar was held in Grand Haven Tuesday atternoon in the Second Reformed church and burial was in Lake Forest cemetery."

Navigation of the Great Lakes from Chicago was opened for the 1926 season Sunday when the steamer Harvester sailed for Superior, Wis. She sailed unladen and will bring back a cargo of iron ore.

The Harvester probably will have easy going up Lake Michigan, there not being enough ice to impede her passage, according to the South Chicago Coast Guard station. When she gets into the northern lakes there may be some difficulty .

MICHIGAN RAILWAY CAR COLLIDES WITH AUTO

Failure to observe the swift approach of a Michigan Railway interurban train and a futile effort of an automobile driver to swerve and cut ahead of the oncoming car when he noticed the danger cost the life of Mrs. Caroline J. Kelly of Grand Rapids and dangerously injured her son, Thomas Kelly, aged 9, and George H. Sweeney the driver late Saturday afternoon.

Mrs Kelly died two hours after the accident at St. Marys hospital, Grand Rapids.

The tragedy, the first of its kind this year in the vicinity of Grand Rapids, occurred at the Michigan Railroad crossing of Picric acid rd., about four miles southwest of Grand Rapids.

STOLEN DIAMONDS ARE RECOVERED BY OFFICERS

About five weeks ago four diamond rings and a gold watch were stolen from the residence of Louis Kamhou of Grand Haven and police and sheriff's officers went on the trail with no apparent success indicated at that time. The officers were not idle however during the quiet time that followed and presently Monday, Sheriff Fred H. Kamferbeek came forward with an announcement.

Callers at the sheriff's office and the police station Monday morning found most of the officers out but Monday noon Jacob Brouwer of Grand Haven and Katherine Kutts of Muskegon were logded behind the bars of the county jail and four diamond rings and a gold watch belonging to Louis Kamhout, were in charge of Sheriff Kamferbeek.

The officers were baffled for some time on the mystery but not long ago a member of the "underworld" produced a tip that gave a certain lead. Following this up the officers got track of Kamhout robbery and Monday morning recovered the diamond which tally with the watch about a thousand dollars worth of booty.

Brouwer who is forty and Mrs. Kutts who is 42 were arraigned by officers Tuesday. Brouwer is alleged to have stolen the goods and Mrs. Kutts to have received them from him. Mrs. Kutts claimed she thought Brouwer bought the diamonds and watch and Brouwer claims he did but is unable to give a satisfactory yarn about the purchase.

Sheriff Kamferbeek was in Holland Tuesday morning and showed several the diamond rings and watch that had been stolen.

At least one Holland girl has entered the June bride contest that is being conducted by Young & Chaffee of Grand Rapids through their advertisements in the Grand Rapids Press. The Holland entrant in the contest is Marie Kalkman and she is the only one from here. There are about 40 others in the contest in Grand Rapids and other places.

The contest will close by the end of May and Miss Kalkman's friends are working hard for her to secure a large number of votes in this city. They point out that if Holland people will stand back of the local girl she will have a good chance to win. Coupon stations will be announced Wednesday where people may leave their votes.

A warning that motorbus operators in the state of Michigan will lose their permits if drivers exceed the speed limit of thirty miles fixed by the state public utilities commission, was issued Saturday. Complaints have reached the commission that in rare instances drivers are inclined to speed, endangering the lives of passengers.

KAMFERBEEK TO BE OPPOSED FOR SHERIFF

For a time it appeared that there would be no candidate for sheriff on Republican ticket but at least one has bobbed up at Ferrysburg and the Grand Haven Tribune writes the following relative to the first man in the field:

"The Republicans had not up to today put any candidates forward but Tuesday morning Ben Rosema of Ferrysburg, former undersheriff and now with Elman & DeWitt of this city, announced that he had put out his petitions and would stand for the Republican nomination in the primaries.

"Mr. Rosema was undersheriff under Delbert Fortney and had also served for several years as a member of the sheriff's force before the Fortney administration. He was known as a conscientious officer and had many friends working for him.

"Other candidates for office and possibly added Republican candidates for sheriff will appear in the near future and in fact a great number are being talked at the present time. It has been stated by some of the friends of Patrolman C. Steketee of Holland that he will not be a candidate for office this year. Steketee was defeated by Sheriff Kamferbeek last year."

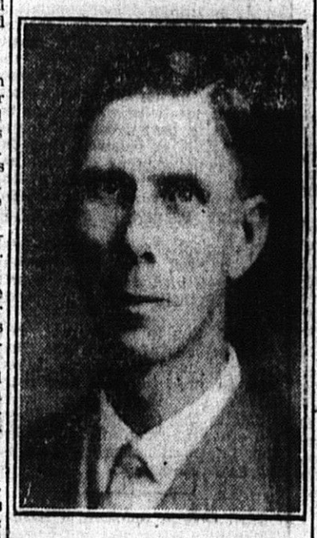
OSCAR PETERSON JOINS STAFF OF HOLLAND MAID

Mr. Oscar Peterson, 248 West Tenth street, has been appointed manager by the Holland Maid Co. of its local factory branch store at 80 E. 8th street, to succeed former branch manager, Al Van Huis. Mr. Peterson is 45 years old, married and has one child. He is a lifelong resident of Holland and has been for 15 years past connected with the Holland Shoe company as purchasing agent. During the 10 years previous, he was with the Michigan allway company.

Well known and popular, Oscar Peterson has always been actively interested in public affairs tending to the advancement of Holland and the welfare of her people. He has long taken a keen interest in athletics and has been for three years alderman of the 4th ward. Forseeing great possibilities in the future of the Holland Maid company, Mr.



Peterson has decided to throw in his lot with the sales organization of this company and is to begin at once his mnagership of the Holland branch.

The territory which he is taking over comprises Holland, Zeeland, Fennville, Hamilton, Allegan, South Haven, Douglas, Saugatuck, Jamestown and Hudsonville.

During the past few weeks, Mr. Peterson has been working with the Grand Rapids sales force of the company and has completed the branch manager's training course in practical shop manufacturing and servicing.

Miss Beulah Bussell, field representative of the Red Cross, was in Holland Monday to inspect the local branch of the Red Cross. From here she went to Grand Haven to inspect the branch there and from that city she will go north to work in northern Michigan during the coming months. Miss Bussell's territory is the whole state of Michigan and it is her duty to see to it that the various chapters are kept running smoothly. When there are difficulties she must find ways and means of staightening them out.

She remarked while in Holland that her coming to Ottawa county was merely a matter of form. Red Cross work is so well taken care of in Holland and Grand Haven, Miss Bussell declared, that there is nothing for her to do here. So she makes it a friendly visit to win inspiration from the local branches and to be able to hold them up as examples in other communities where the work does not run so smoothly.

The city authorities and the police department will once more make an attempt to solve the skating problem. Complaints are raining down upon city authorities from people who say that roller skaters are spoiling their lawns.

So the mayor and chief of police have set aside the street that runs along the east side of Prospect Park between 22nd and 24th Sts. as a place for skaters. This street will be roped off between seven and nine each evening, beginning tonight. A patrolman will be on guard.

There are no lawns along this street and no harm can be done. The piano factory runs along one side of the street and Prospect Park along the other.

PROMINENT OTTAWA W. C. T. U. MEMBER RETURNS FROM CALIFORNIA

Miss Margaret Bilz, of Spring Lake, of the Ottawa County Woman's Christian Temperance Union, nationally known as an unusually able lecturer and speaker, has just returned from a most interesting trip to the Pacific coast. She spoke Sunday evening at the Grand Haven Methodist church on "The Second Mile." In this address she discussed the effects of Prohibition as seen by her in the West. She also suggested what more may be done to help to make its enforcement more perfect. While in the west, she gave many addresses to the delight of hundreds of hearers. She also spoke for a short time at the church school on the "Evil of the Cigarette Habit."

HOLLAND POLICE CATCH MUSKEGON AUTO THIEF

James Bottom, a colored man, is locked up at Muskegon Heights where he was taken from Holland Sunday. Officer Cramer saw the man loafing on the street Saturday and locked him up. Shotly afterwards a call came from Muskegon asking the police to look out for a negro by the name of Bottom, commonly known there as "snowball."

The young chap was charged with stealing a car from the Piston Ring factory at the Heights and after the Holland police received the call they questioned the young man and he admitted the theft. He stated that he drove the car into a ditch near Spring Lake and walked to Grand Haven, and later hiked most of the way to Holland.

Officers from Muskegon Heights called for the young man Sunday and the car was also recovered.

Mr. and Mrs. Gerrit Moeke, of Zeeland, celebrated their golden wedding anniversary with a family reunion at their home in Zeeland last Tuesday. They were married in Germany and came to America in 1880, locating among the pioneer settlers in Borculo, where Mr. Moeke followed his occupation as farmer. Later they moved to Zeeland where Mr. Moeke became associated with his son in the lumber business.

The Moeke family numbers three children, seven grandchildren and one great grandchild. No death has occurred in the family during their wedded career.

At Elizabeth Hatton Memorial hospital, Grand Haven, surgeons performed a serious and rather unusual operation, removing an open safety pin from the stomach of a child.

Joan, the little daughter of Mr. and Mrs. James H. Hawkins of Spring Lake, swallowed an unclasped safety pin about two weeks ago. As soon as the child's parents learned what happened they consulted a physician. The X-ray examination made quite frequently kept attendants informed at to the location of the dangerous pin.

When it was found the safety pin had lodged in the child's stomach, it was decided to operate without delay. The operation was successfully performed and the pin removed. The little girl is now reported to be progressing satisfactorily.

L. N. Tyner, one of the best known mechanics in Holland, has been appointed service manager of the Hayden-Koopman Auto company. Mr. Tyner began his work at the local garage today, taking the place formerly occupied by Clifford Nash.

Mr. Tyner has lived in Holland for seven or eight years and during that time has made a wide acquaintance. He has taken a prominent part in masonry in Holland and has had much to do with the success of that order here.

Mr. Tyner was at one time connected with the Western Machine Tool Works, later he was in business for himself. Before coming to Holland he was master mechanic for the Big Four railroad and he is one of the most experienced mechanics in Holland. He will have complete charge of the service department of the Hayden-Koopman garage.

Put Your Valuables out of the Yeggman's Reach

Q Hoarding money is not safe or saving. Money in a sock or teapot brings no returns.

Q A dollar buried with King Tut would not have gained a cent. At compound interest its earnings would exceed the war debts of the world.

Q That being the case why hoard your money where the burglars or fire can reach it, when it is safe with us not alone, but brings you 4 percent. interest compounded semi-annually besides.

Here is Another Matter

Q We can be of further service to you. Where are you keeping your private papers? Your Insurance policies? Your bonds? Your certificates of deposit? Are you keeping them in a bureau drawer or in a tin box at home, where fire or thieves can destroy or take them at any time?

We Hold the Key to the Situation

Q A safe deposit box in our fire proof and burglar proof steel vault may be rented for less than one cent per day. Absolute protection for your valuable papers and jewels.

Q You hold the only key to your box and we hold the master key, both being necessary to open it. The safety of your valuables is at stake without one of these boxes.

John Postman, a recent arrival in Holland, was arrested for running into a car parked in front of the Green Mill cafe. Postman was arraigned before Justice Den Herder and paid $8.70 fine and costs. The collision occurred early Monday morning and Postman said his carburetor wasn't working and he bent down to adjust it, instead of paying attention to his steering wheel.

The school census of the city of Holland is 4,100, according to figures released today by Mrs. Nelle Vander Meulen, attendance officer of the schools and in charge of the taking of the census. Mrs. Vander Meulen and her aides completed the taking of the census recently and since then they have been at work checking up the figures and calling on such persons as were not at home when the census taker called the first time.

The school population in Holland has increased more the past twelve months than has been the case in any year for as long back as accurate figures were available. Normally the increase of any one year over the previous year is not more than fifty. Often it is considerably below that figure. This year the increase is 198, or nearly four times the normal increase.

One reason for this is that the census was taken earlier this year than is usually the case. A little later families move out of the city to farms, but this exodus had not yet been begun when the census was taken because it was too early. As a result Holland gets credit for its maximum school population, which it would not have received otherwise. And this credit means that this city will receive in the neighborhood of $12 or $13 apiece in primary money for every person of school age listed. While the increase is in part accounted for in this way, it is believed that the actual population of Holland has grown considerably during the year, which accounts in part for the large increase in persons of school age.

The school census by wards is as follows: First ward 775; second ward 344; third ward 414; fourth ward 720; fifth ward 1050; sixth ward 797.

In addition to finding out how many persons of school age there are in Holland the census takers were required to learn how many persons own their homes, what countries the parents came from and other information of that kind. This information has however not yet been tabulated.

Rev. George Bennard, a nationally known evangelist and a world famous song writer and singer, whose home is in Hermosa Beach, Calif., will open a series of evangelistic services in the Wesleyan Methodist church, corner of Pine and 17th St., beginning Wednesday evening, April 28th. Rev. Mr. Bennard is a man of sterling character and beautiful Christian spirit. He preaches plain, simple gospel messages thatare filled with the power of God. The all consuming desire of his heart is to get the sinner saved, the believer purified and the Lord's people established in grace. He is one of the sanest evangelists in the field.

The people of Holland will be given an opportunity to hear the author of the world famous song, "The Old Rugged Cross", for Rev. Bennard wrote that song. The British Museum has asked for a copy of that song to be deposited in that great institution that all the ages might read and sing it. It is an opportunity of a life time to hear this noted man. Services will be held each evening, song service beginning at 7:45. The public is cordially invited to all of these services.

Monday evening Mr. Thomas Boven celebrated his 77th birthday at the home of his children, Mr. and Mrs. Fred Stoltz, West 14th street. Dr. Wm. Masselink, pastor of the 14th street Chr. Ref. church with a few fitting remarks presented Mr. Boven, in the name of all those present, with a beautiful umbrella, which was thankfully received by the recipient. Guy Schaftner and Fred Stoltz furnished the music. Miss Margery Stoltz gave a few very delightful readings. Rev. D. R. Drukker of Zeeland closed the evening with an appropriate prayer. Those present were: Rev. and Mrs. D. R. Drukker, Zeeland; Dr. Wm. Masselink, Mr. and Mrs. M. Notier, Mr. and Mrs. G. Schaftne,, Mr. and Mrs. F. Schermer, Mr. and Mrs. E. Plaggemars, Mrs. H. Schoftner, Mrs. H Borchert and children, Mrs. F. Kleft and Mr. A. Boven all of this city; and Mr. and Mrs. Fred Kamferbeek of Grand Haven. A very delightful time was enjoyed by all.

The Zeeland Poultry association is continuing its winter's work, giving practical lectures of free discussions of poultry problems. A meeting was held at Allendale this week and Judge Hale of Chicago and Judge Laab of Wisconsin are assisting the local association in these schools of instruction that are of utmost benefit to flock-owner, farmer and hatchery man alike. The meetings have been somewhat delayed because of bad roads.

The East End Giants defeated the Harbins All Star indoor team 38-13. The game was featured by home runs. Nearly every one of the Giants made two or more. J. Kopman, B. Bos, M. Prins, E. Kamphuis, R. City Clerk Overweg was in Grand Rapids on business Friday.

The local police and sheriff departments are busy following up clues to a burglary that tock place inthe Peters building between Saturday and Sunday. The office of Dr. Nichols was burglarized and $15 in money was taken. The burglars entered through a door with a skeleton key, and ransacked different little drawers for valuables. The burglars apparently thought it was a dentist's office as a search for gold seemed to be the main object for entering the place, judging from the appearance of the rooms.

Sheriff Kamferbeek, who was in Holland Tuesday morning, stated that there seemed to be an epidemic of denist office robberies in the state. The main reason for entering was to get the gold with which teeth are filled.

Chief Van Ry states that besides the money taken at the office of Dr. Nichols, the doctor also missed some rare coins that he had been collecting.

When Dr. G. W. Van Verst opened his offices Monday morning he found that the door had been jimmied and that $25 worth of dentists' gold had been stolen. The two burglaries apparently took place between Saturday and Sunday when there is very little chance of detection.

Miss Dorothy Hofsteen, daughter of Mr. and Mrs. N. Hofsteen, has been invited by the president of the Grand Rapids association of commerce to give a series of readings at the annual banquet of that organization this week. Miss Hofsteen has also been invited to give readings for a benefit program for welfare work that is to be held this week in the armory in Grand Rapids.

Dr. L. E. Heasley, Service Representative,
Blatchford Calf Meal Co,,
Grand Rapids. Mich.

Dear Dr Heasley:

As I am one of the hatcherymen that according to agreement is working under the Blatchford plan, I am pleased to report that the Blatchford fed flocks are giving unusual results. I am receiving eggs from 2,200 hens, and the most of them at the present time. I, myself, also have 470 hens that I have been feeding Blatchford's "Fill-the-Basket" Egg Mash since Oct. 15, 1925. When the weather was extremely changeable and egg production was hard to get, some of the feeders kept changing around, but I kept right on feeding them the Blatchford's Mash just the same, and for the last eight weeks I have been averaging 307 eggs per day from 470 hens. I have been having wonderful results in hatchability from the Blatchford fed flocks. The hatches on Mar. 30th and April 6th averaged 71 pct. of all eggs set, and good strong chicks. On April 12th a little better than 71pct. and the present hatch just off, April 19th, averaged 73 percent. My own flock which has probably been fed Blatchford's Mash the longest, averaged 82 pct. Surely this season when there is complaint about poor hatches and low egg production, this record speaks well for the continual use of Blatchford's Egg Mash.

Three years ago I drove to Grand Rapids, 32 miles, to get Blatchford's Chick Mash. It has always given me very good results. This season I started one brood of 800 chicks with Blatchford's Chick Mash, and a smaller bunch with another brand which was highly recommended. However, now, after three weeks time, the Blatchford fed chicks are so far ahead of the others that there is no comparison whatever. You surely manufacture a superior product, and I am glad you have made it possible for us in this community to get it conveniently.

Yours truly. [Signed] ARTHUR BOWMAN.

A paper prepared by George R. Horning, of the Utah Gas and Coke company, Salt Lake City, Utah, will be read by Emery P. Davis of the Holland Gas Co., before the Grand Rapids Engineering society at its meeting the Association of Commerce cafe Wednesday evening. It will deal with use of manufactured gas as a fuel for residental heating. Discussion will be led by George H. Warring, consulting engineer; T. J. Webber of the United Light and Power company, and J. E. Spindle of the Grand Rapids Gas Light company. Election of officers will also be held at that meeting.

The state public utilities commission today authorized the Ravenna Power company to incorporate and issue 1,600 shares of no par value stock, to be sold for not less than $25 a share. The new company will use the proceeds to take over the plant of the Ravenna-Conklin-Berlin company and rebuild the dam at that company's plant.

The dam was destroyed a little over a year ago. The dam furnished light and power to Coopersville, Marne, Ravenna, Conklin and other villages in the neighborhood.

So well was the parish supper of Grace Episcopal church attended Monday night that there were not seats enough for all. It was the most successful parish supper in the history of the local church. Father Vercoe of Grand Rapids gave the address. He complimented the congregation on the spirit of determination that exists to grow and go forward. He complimented the parish on the fact that there has been a 20 per cent increase in membership during the year from April, 1925, to April, 1926. He also praised the people for the Easter offering, which exceeded any former Easter offering by one-third. He also called attention to the children's offering, which was taken to Grand Rapids by the children Sunday afternoon. It was larger than that of any other parish of the same size in the diocese.

A delicious supper was served by the ladies. Father Douglas presided and thanked the ladies for providing so fine a repast and helping to make the meeting so successful. He thanked the archdeacon for his part in the gathering. The rest of the evening was spent in playing games.

The past week has held many progressive events in sea scout activities. Andrew Hyma, city alderman and a veteran scoutmaster, has been appointed skipper of the Holland sea scout ship. Mr. Hyma is well qualified, having had broad experience both in scouting and in seamanship. For over seven years he has served boys as a scoutmaster and deputy scout commissioner. His seamanship experience was acquired during four years in the U. S. navy.

Several mates to assist Mr Hyma will soon be appointed. The first crew of nine sea scouts will be organized in a few weeks. The young men will be carefully trained in leadership, after which they will be assigned as leaders of other crews to be organized.

The Holland ship will be known officially as Ship No. 18, but a name has not yet been chosen for it. It will be sponsored by the Rotary club. The ship committee met with the skipper and organized. The committee consists of C. L. Beach, chairman; James De Pree, B. P. Donnelly, Dr. R. H. Nichols and Henry Winter.

The proposed Holland sea scout ship was yesterday presented with a twenty-six foot steel boat by the Chicago, Duluth & Georgian Bay Transit Co., owners of the steamers "North American" and "South American." The gift was announced Tuesday afternoon by Mr. Charles J. Bour, president and general manager of the company.

The boat is twenty-six fest long, eight feet beam and of steel construction, with wooden planking and seats inside. It is of the non-sinkable and non-capsizable type, equipped with watertight compartments. It has a capacity of forty persons. The boat is equipped with a rudder and oars. The sea scout officials are planning to further equip it with two sliding gunter masts and sails, and perhaps later a cabin will be constructed over one end, making it a sailing cruiser.

The boat cost the steamship company $1,100.00 and it is today in the same condition as when it was purchased. The gift has, therefore, provided the sea scouts with a boat which otherwise would have been impossible under the present budget appropriation for scout work.

The last regular meeting of the local Aerie of Eagles held Monday evening was largely attended, the occasion being the nomination of officers who will stand for election at the annual election to be held on Monday evening next in Eagle hall. The nominations this year are exceptionally many and a spirited election is anticipated. On Thursday evening, April 29th, the ladies auxiliary will hold a progressive pedro party and dance in the Woman's Literary club rooms, which will be a benefit for a member's family, who have met with some recent misfortunes. The public is cordially invited. Cards will start at 8 P. M., dancing at 9 p. m.

The kite flying contest that was to have been held at the Riverview base ball park last Saturday afternoon had to be postponed on account of the bad weather. It rained most of the afternoon and that made it impossible to hold the contest. It will be held next Saturday afternoon from two to four if the weather is favorable.

Seventy pupils of the junior high school have entered the contest in addition to about 400 children to whom kites have been passed out by the Woodall drug store. It is likely that the teachers of junior high will act as judges.

Mr. and Mrs. Tim Slagh of North Holland are the parents of twin girls. Two years ago they were presented with twin boys. There are no other children in the family.

"Realities" was the theme of a witty as well as a scholarly paper read Tuesday evening by C. Vander Meulen at the meeting of the Social Progress club. The club held its meeting at the home of Rev. and Mrs. John Van Peursem in Zeeland and a delightful evening was spent.

The fifth district meeting of the American Legion Auxiliary was held in Grand Haven Wednesday. Ten auxiliary chapter units were represented at the conference which brought many delegates from Ottawa and Kent counties, including Grand Rapids and Holland.

The Baptist congregation, of which Rev. G. T. Huizenga is the pastor, will hold services every Sunday in the Woman's Literary club building, starting the coming Sunday, May 2. Morning service at 10 o'clock, Sunday school following, and evangelistic services at 7:30 in the evening. Everyone is welcome, and a cordial invitation is extended to both young and old, who are not connected with other churches to make this their church home.

The marriage took place Tuesday afternoon of John Van Doort, of the John Y Huizenga & Co., and Mrs Fred Bouwer of this city. The ceremony was performed in Grand Rapids at the home of Rev. Mr. Van Wyke, brother-in-law of the bride.

The neighbors of Mr Van Doort, who lives southeast of the city, heard of the wedding and soon after the couple returned home Tuesday evening the people from the neighborhood staged a charivari.

The meeting of the Woman's Literary club Tuesday wasin charge of the civic health committee. Miss Koertge, city nurse, told what the baby clinic is doing and how much it is appreciated by the mothers. Mrs. C. Bergen and Dr. Frances Howell showd the clinic at work. They weighed, measured, and examined a few babies to give an idea of how the clinic is conducted.

Mrs. James McLean introduced Mrs Helen De Spelder Moore, assistant head of the state department of health. She gave an outline of her work, telling how clinics are conducted in all parts of the state. In three years 17,000 babies have been examined.

Judging from the calendar printed in the Hope College Anchor, those interested in Hope college will be well fed for the next few weeks. Last Friday the Sorosis society held its banquet at Warm Friend Tavern and there will be a dozen more banquets before school closes.

Besides the alumni banquet at the close of the college year and a spread no doubt for general synod of the Reformed Church of America during their stay here, banquets days set are as follows: April 30, Banquet, Knickerbocker; May 1, Banquet, Delphi; May 8, Banquet, Cosmopolitan; May 14, Banquet, Emersonian; May 15, Banquet, Sibylline; May 22, Banquet, Dickensian; May 26, Banquet, Dorian; May 28, Banquet, Addison; May 29, Banquet, Alethea, Society, Banquet, Fraternal.

Lost and walking in the opposite drection from home in his confusion, Perry Arthur, 51, of 564 Grandville ave., SW., Grand Rapids, was run down Tuesday night by an automobile as he was passing along the Grandville road through the rain. His skull fractured, Arthur is near death in St. Mary's hospital.

The man was the second person to be seriously hurt by automobiles within a few hours Tuesday. During the afternoon, 6-year-old Anthony Mihalik, son of Mr and Mrs Charles Mihalik of Allen rd., near Grand Rapids, parents of seven children, was hit by an automobile while a group of children were walking along the Division rd. at Godwin school. He is in Butterworth hospital.

Jacob Brouwer of Grand Haven and Mrs. Katherine Kutts of Muskegon who were taken by county and city police officers at Grand Haven in connection with the theft of four diamond rings and a watch from the Louis Kamhout residence in that city about five weeks ago, were araigned Tuesday morning before Justice Hugh E. Lilile.

Brouwer was arraigned first Tuesday morning and waived examination. He was bound over to the August term of circuit court on a charge of larceny and bail bond was fixed at $1,000. This amount was not furnished and Brouwer is still confined in the county jail. Brouwer tells officers that he purchased the rings from an unknown man whom he paid $15 for them. He saw the man but twice, once when he paid him eight dollars and two weeks later when he gave him seven dollars. According to the officers, Brouwer cannot tell the man's name or describe him.

Later Tuesday morning Mrs Kutts who at one time was employed in a Grand Haven eating place, was arraigned. She demanded examination which was set for Thursday, May 6, in justice Lillie's office and bond was fixed at $500. This amount has not been furnished and Mrs. Kuts is still in custody. She claims to have received the rings and watch from Brouwer as a gift, according to the officers' story.

The recovery of the diamond rings and the watch have been returned to Mrs. Kamhout upon identification

At 8:30 Tuesday night a Dodge sedan driven by Nick Van Hietsma of Zeeland took a header into the ditch on the Zeeland-Holland road near the Federal Stamping Works.

There were two occupants in the car but neither of them was hurt, although the machine was badly wrecked, with some of the windows broken. The car had made a leap and struck a telephone pole on the opposite side of the ditch, then rolled over against it.

Born to Mr. and Mrs Jack Zwemer, West 22nd street, at Holland hospital Tuesday, a son. Mrs Zwemer was formerly Miss Helen Nykamp.

The audience which filled the Central Park church Tuesday night on the occasion of the annual social of the Willing Workers Aid society were treated to a remarkably fine program. The Central Park orchestra, composed of Mr. and Mrs H. Von Ins, Messrs. Herman C. Lester, and Harold Cook, played a group of selections which delighted the audience. Mrs. R. Van Lente, the past-president, gave a resume of the society's work in the past year. A mixed quartet consisting of Mrs F. J. Van Dyk, Mr and Mrs R. Van Lente and Mr P. J. Oosting rendered two selections which proved very acceptable, "Where Hast Thou Gleaned?" and "When They Ring The Golden Bells for You and Me."

Dr. Thos. W. Davidson of Hope church delivered a remarkable address on the subject, "The Religion for the Present Day." He stressed the fact the religion for today must first of all be thoroughly evangelical. He also proved very conclusively that religion which rests on mere emotionalism is not genuine but that true religion must have ethical content. Proper emphasis was also placed on the democratic side of present day religion. The speaker showed that it was perfectly proper to accord science its rightful place in presentday thinking and he differentiated very clearly between the Bible as the inspired word of God on all questions of religious truth and the fact that it was never intended to be a text-book on science. The closing part of the address was an eloquent plea that present day religion should be Christi-centric, and the audience was left with the impression that no kind of religion without the Lord Jesus Christ as the Son of God was worth having.

Mrs. B. Cook, the president of the society, expressed its appreciation to Dr. Davidson and the others on the program and the audience was then invited to adjourn to the church parlors where all were very aceptably entertained by the refreshment committee in charge of Mrs. Henry Teusink.

Tuesday was a great day at Hope college for those who are interested in musical progress at that institution. Two concerts were given by the Hope College orchestra, under the direction of John Lloyd Kollen. One was an educational concert in the afternoon by the orchestra, assisted by Miss Stein, supervisor of Holland public school music, and this was so successful that it has been decided to hold a series of four such educational concerts next year. Miss Stein gave a talk to the children who attended, explaining the use of the instruments and giving much other interesting information, all for the purpose of stimulating the interest of the children in music. A good sized audience was present and this first educational concert was a distinct success.

The program was: march, "Liberty Forever," (Caruso-Bellezza); demonstration of instruments; suite, "Soldiers' March," "Curious Story," "The Merry Farmer," "Traumerel," "Little Romance," and "Hunting Song," (Schumann); 'Moment Musical, Op. 94, No. 3, "Military March," (Schubert); "Hungarian Dance," and a guess number by Brahms; "Second Movement" (Andante), from the "Fifth Symphony," (Tschaikowsky); "On the Beautiful Blue Danube," (Strauss).

Tuesday evening another good sized audience gathered in Winants chapel to listen to the concert given by the orchestra. Many of Holland's best musicians were there and their praise of the musicians shows that the orchestra has advanced rapidly under the direction of its youthful director and is a musical organization to be reckoned with in Holland. The repeated applause of the audience also showed that he general public felt the program was high grade and the work of a company of musical artists. Among the listeners was Miss Helen Baker Rowe, one of the best known musicians of Grand Rapids, and she praised the orchestra most highly, declaring it is a credit not only to Holland but to any city.

The program in the evening was: "French Military March," from "Algerian Suite," "Evening Reverie" "Valse Lente," from "Ballet Sylvia," (Delibes); "Quintet" from "The Mastersingers," (Wagner) by Raymond Fieldhouse, Norman Van der Hart, ohn Lloyd Kollen; suite by Schumann, and "Hungarian Dance," (Brahms); "Second Movement" (Andante) from the "Fifth Symphony," (Tschaikowsky); "Carmina Waltz Song," (Wilson) by Cornelia Nettinga; "Moment Musical, Op. 94, No. 3, "Military March," (Schubert); "On the Beautiful Danube," (Strauss).

The solosists were Cornelia Nettinga, soprano; Raymond Fieldhouse, violinist; Norman Vander Hart, 'Cellist; John Lloyd Kollen, pianist; and Mrs. De Pree, accompanist.

The personal of the orchestra: First violins: Raymond Fieldhouse, Concert Master, Catherine Learned, Adrian Kuyper, Ruth Marcotte, Jacob Pelon; second violins: Edward Fieldhouse, Cathlene Mersen, Harry Brower, Nelson Clark, William Janssen; 'Cellos: Norman Van der Hart, Cornelius Hospers; Bass: Anne Eikenhout; Flute: Chester Yntema; Clarinets: Ray Klaasen, Dwight Yntema; Alto (for French horn) Ralph Muller: Trumpets: Marion De Young, Margaret Hondelink; Trombone: Robert Hemkes; Timpani: Vernon Ten Cate: Bass drum. William Hughes: Triangle and Cymbals: Glen Severence; Piano: Marion Ingham.

The Calvin college quartet will render a program Friday evening, April 30th, in the 14th St. Christian Reformed church at 8 o'clock. During the past few months they have given several programs in and around Grand Rapids. Again and again they were greeted by large audiences. During spring vacation they have toured the east and have given programs in Passaic, N. J., Paterson, and other places. Next summer they intend to make a tour thru the far west. Already they have signed up 25 programs for this summer. The quartet's aim is to bring the gospel message in song. They sing nothing but high class sacred music. They also have a sketch portraying "Memories of Home." This is illustrated by numerous gospels songs. This week's program will be given free of charge; only a silver collection will be taken to defray expenses. The program, besides containing many gospel songs, will also consist of a few Dutch selections, well known among many Holland people. No doubt many will avail themselves of this opportunity to hear the gospel told in song. The program is as follows:

Invocation; Quartet, "Let Us Rejoice", P. P. Bilhorn; "Come, Spirit, Come," D. B. Towner; "I Love Him," J. B. Herbert; Solo, William H. Rutgers; Quartet, "Going Down the Valley," J. H. Fillmore; "Just Abide", B. D. Ackley; "Safe on the Golden Shore," S. C. Foster; reading, Nicholas DeVries; quartet, "Speed Away," I. B. Woodbury; "Am I A Soldier of the Cross", J. H. Urne; "Speed It On," J. H. Rosecrans; Duet, John H. De Haan and William H. Rutgers; Quartet, "Glorious Things of Thee," D. B. Towner; "My Happy Home," F. A. Fillmore; Reading, William H. Rutgers; Quartet, "Altogether Lovely," D. B. Towner; "When Jesus Comes into Your Heart," H. Lillenas; "Wonderful Peace," Rev. W. G. Cooper.

The members of the quartet are John H. De Haan, First Tenor, William H. Rutgers, Second Tenor, Nicholas De Vries, Baritone, Henry Rikkers, Bass.

The W. C. T. U. has just closed an essay contest in the schools, the work of the department of scientific temperance instruction. Four $5.00 prizes were given, two of them in the high school one in the art classes of Juior high, and one in the 5th and 6th grades.

The winner of the Senior-Junior classes in the high school was Miss Marian Blake, 11-2 grade, subject, "Alcohol and Tobacco"; and of the sophomore class Miss Cora Van Liere, subject, "What I Have Heard of the Harm Done by Alcoholic Drinks Before Prohibition." The judges were: Miss Emma Hoekje, Miss Lida Rogers, and Mr. Maybee.

The prize in the art classes was for the best poster depicting the harm done by alcohol or tobacco; judges, Mrs Geo. Pelgrim, Mrs Wm Olive, and Mrs Sears McLean. Here the prize was divided—Miss Helen Eberhardt, 1st, two dollars, and the following one dollar each: Harold Klaasen, Evelyn Harris, and Thelma De Feyter; honorable mention: Benj. Mersmen. The contest in the grades was in charge of Miss Higgins. Each pupil was required to make a book called "My Total Abstinence Book", and many of them were so well done that the judges found it hard to decide. Here the prize was divided: 1st, three dollars, Christine Ver Hulst, 5th grade, Froebel, and second, two dollars, to Gordon Grinwis, 6th grade, Longfellow; judges: Mrs Albertus Pieters, Miss Anne Visscher, and Miss Maude Van Drezer.

The prizes of the high school winners will be awarded at the commencement exercises in June.

The Holland W. C. T. U. wish to thank the judges and the teachers who helped to make this contest a success.

Base ball and Goal ball are furnishing some lively competition in the grade schools. Each school has a base ball team entered in a 30 game schedule. All six schools play Thursday after school.

A silver cup is offered and must be won three times to become a permanent school posession. Longfellow, Froebel, and Lincoln have won it in the order named.

Standing of teams:

Van Raalte	1000
Lincoln	500
Horace Mann	500
Froebel	500
Washington	500
Longfellow	000

Goal ball for the girls is a new game introduced this year and is proving very popular. The girls teams are playing a schedule on Tuesday nights. The game is played with a 30" inflated ball which is to be played by pushing or striking it over the heads of the opposing teams to the goal line for a 1 point score. As many as 30 girls are on some of the teams.

Coach Schouten's men of Hope college returned from Kalamazoo Tuesday night where they were defeated Tuesday afternoon by a score of 3 to 2 by the Kalamazoo college nine.

Albers pitched for Hope college and his work was very effective, while Block, who was in the box for the Baptists, was hit rather freely. The game Tuesday was five innings.

The Hope preps were also defeated at Hudsonville, the high school pulling down 12 scores and the locals 2.

The Hope team also plays Kalamazoo in Holland again Friday afternoon.

Owing to the closeness of the score of the first game, the return game will be watched with interest.

MERIT BADGE PAMPHLETS IN LIBRARIES

Merit badge pamphlets are now available in the public libraries of Coopersville and Holland, and soon will be in Grand Haven. Several other books, including the Handbook for Boys, Handbook for Scoutmasters and Games and Recreational Methods are also available. Scouts may at any time have the books or pamphlets upon asking their librarian. It is understood that the librarian will require them being read in the building and will not permit them being taken out. This requirement is made so that they will always be available at the libraries.

A rule which will be enforced from now on is that a scout applying for a merit badge must have read the pamphlet on the subject.

Scoutleaders to Hold Second Outdoor Session

The biggest session of the Ottawa county scoutleaders training classes will be held next Saturday afternoon and evening at Camp McCarthy, the Grand Haven scout camp where the Ottawa County summer camp will be held.

The north and south county classes will unite for this session and it is expected that at least 60 will attend.

The afternoon will be spent in practicing the methods of teaching tracking, nature lore, swimming and life saving, cooking and fire building. In the evening the subjects will be campfire programs, and camp and hike methods. Many will stay in camp over night.

Last week's sessions the following subjects were taken up: Instilling the oath and laws and developing the good turn habit; Discipline, how to develop and maintain it; How to teach map work, judging, knife and hatchet, handicraft and scout's pace.

Eight First Class Scouts on Camp Staff

A permanent staff of eight first class scouts of proven leadership ability will direct activities at Camp McCarthy this summer. One of these scouts will serve as senior patrol leader, another as quartermaster, and the other six as patrol leaders.

The camp will be really a federation of six smaller patrol camps. Each patrol camp will be inhabited by six to eight scouts in charge of a patrol leader who will be a permanent member of the camp staff. These camps will be scattered about in an informal arrangement. A large part o the activities will be by small groups, while some will be participated in by the united groups.

Application from qualified scouts who are interested in serving on the staff will be received and considered from now until one month before opening of camp when final selections will be made.

Culver Scoutmasters Training Course

The Culver Woodcraft School's summer training course in Scoutmastership will be held this year the first two weeks in August. This course has a reputation of being one of the most efficient of all short training courses. J. P. Freeman, National Director of Training, will again this year direct the course. The training troop will be limited to fifty men.

This and That

The camp saving cards will be placed in the hands of scoutmasters before the end of this week.

Troop 9, Hope Church, Holland, will hold its annual birthday banquet and charter presentation ceremony on Wednesday evening, May 5th. It will be a father and son affair.

Schedule of the Week

Wed., April 28th the executive will visit Coopersville, Spring Lake, and Grand Haven. In Grand Haven office from 5 to 6 P. M.

Saturday, May 1st, 2:30 P. M., outdoor joint training session at Camp McCarthy.

TROOP NEWS

Troop 2, Masonic Lodge, Holland

Troop 2 had signalling practice last Thursday night. Attempts to pass first class signaling were made but were unsuccessful.

The troop discussed plans for troop library in which there will be books of interest to the scouts.

Ronald Hamlin,

Troop 9, Hope Church, Holland

Last meeting troop 9 took in 3 new members. They were asked questions by the scoutmaster and patrol leaders. The boys repeated the scout laws. Then the assistant scoutmaster pinned their badges on them. The patrol leaders, scoutmaster and his assistant had a meeting last week and appointed a new scribe and janitor.

PROPOSALS FOR CITY PRINTING

Bids for the city printing, both as to official proceedings, legal advertising and job work. All the job work shall be bid for in accordance with the schedule prepared by the city clerk, bids to be sumitted to the City Clerk on or before 4 P. M. on Tuesday, May 18th A. D. 1926.

It shall be understood that the city reserves the right to reject any and all bids.

It shall also be understood that the contract for city printing shall not include any work not included in the bids and schedules, but as to such work the city shall have the right to request separate bids wherever it shall so desire, and let the same to the lowest bidder on such separate work;

Provided, that if the person or firm who has the contract for city printing shall be as low as the lowest on such separate bid, the person or firm having the contract with the city for the other city printing shall have the preference in awarding the contract for such work.

PROPOSED VACATING OF ALLEYS IN BRUSSE ADDITION

Holland, Mich., April 26, 1926

WHEREAS, The owner of the plat known as "Brusse's Addition to the city of Holland" has petitioned the common council to vacate, discontinue and abolish the alleys in said plat dedicated for the reversion of the said alleys to the lots and parcels abutting thereon and

WHEREAS, the alleys as platted in said "Brusse's Addition to the City of Holland" are not and have not been opened for use to the general public for upwards of ten years last past and it does not appear to the Common Council of the city of Holland that there is any present public need or future public demand for alleys in said plat because said addition is so located that all lots therein are easily accessible to streets, therefore

RESOLVED, That the Common Council of the City of Holland deems it advisable to vacate, discontinue and abolish the alleys as platted in Brusse's Addition to the city of Holland, which alleys are more particularly described as follows: The alleye between 28th and 29th streets, and described as "That part of Brusse's Addition to the City of Holland, which is described as follows: Beginning at a point 158 feet south and 33 feet east of the northwest corner of the southwest quarter of the southwest quarter of Section 32, Town 5 North Range 15, West; Running thence East 366 feet; thence south 85 feet; thence West 51 feet; thence north 12 feet; thence West 315 feet; thence North 14 feet to the place of beginning."

The alley between 29th and 30th streets and described as, "That part of Brusse's Addition to the City of Holland, which is described as follows: Beginning at a point 363 feet south and 165 feet east of the northwest corner of the southwest quarter of the southwest quarter of Section 32, Town 5 North, Range 15 West; Running thence south 251.6 feet; thence east 14 feet; thence north 251.6 feet; thence west 14 feet to the place of beginning."

And the Common Council of the City of Holland hereby appoints Wednesday the second day of June A. D. 1926 at 7:30 o'clock P. M. as the time when they will meet in the Common Council rooms in the city hall in the city of Holland, to hear objections thereto.

ONE THOUSAND FIGHT FANS FILL ARMORY

At last 1,000 fight fans crowded the armory Friday night to see the boxing card that was hung up by the Willard G. Leenhouts Post, American Legion, and the National Guards of Holland. The crowd from abroad was large; Holland, however, came unusually strong and extra bleachers had to be arranged to accommodate the overflow. More than 75 college boys snakedanced into the building and were given a block of seats in one of the bleachers.

The first event was between fireman Neal of Holland and Van Epps of Iowa, for a four ground go. Neal is a big strapper but loggy in the ring. Van Epps, a college boy, was more scientific and in his foot work he excelled. Thru the entire four rounds he battered the Holland man badly and knocked Plaggenhoef down in the fourth and last round and Neal stayed for the count of ten and got up when the bell sounded.

The Holland boy attempted to put over one of his terrific slow hay-makers but Van Epps never gave him the chance. It was easily Van Epp's fight.

The second event was an extra, not on the program, between Buster Purchase and young Fritzgerald of Grand Rapids. Purchase started out like a race horse and landed heavily on the Grand Rapids man. In fact, both boys were going at such a pace that when the bell sounded they were completely exhausted.

In the second round the race started again but it was only spasmodic and both fighters were completely fagged. After the third round referee Dickerson would not allow the young men to proceed and the event was not finished. He sent each man to his corner and called the bout a draw.

The shortest event was between two colored men, Dan Coleman of Grand Rapids and Earnest Barnett of Holland. The Holland negro was th biggest man but it was a case of, "the bigger they are the harder they fall."

Barnett stood up to Coleman just about one minute, and then "bingo", right on the chin, and Barnett went to sleep on the mat until led from the ring by his second.

The next event was between Tommy Parker of Holland and Martin Siegers, also of Holland. This go of four rounds was considered the cleanest and best of the evening. Parker is a handsome boy well put up. Young Siegers also made a fine appearance in the ring and thru the entire four rounds the young men showed an exhibition of real boxing with Parker getting a shade the best of it.

Siegers had the misfortune of slipping in the first round but was up again immediately. When the event was over, both men were given a prolonged round of applause and the go could easily be called a draw.

The most terrific battle of the evening was between Fremont Surdam of Grand Rapids and Henry Perlick of Kalamazoo. It was immediately apparent that there was bad blood between these two and Referee Dickerson repeatedly had to warn them against dirty fighting.

Perlick began this work and it was followed up by his Grand Rapids opponent. It was at this stage of the game that Dickerson stopped the go for a minute and told his home boy that he would be ordered from the ring if this sort of fighting did not cease.

For the benefit of the audience Dickerson explained that rubbing hands over the opponent's face during a clench was absolutely against state boxing rules, was unsortsmanlike and it was must cease. However, Perlick started this method and was then followed up by Surdam.

Through the entire eight rounds there was fast milling and the Kalamazoo man lost his head and got the worst of the beating. When the gong rang at the end of the eighth round, Perlick refused to shake hands with Surdam, Surdam pulled a wry face and then Perlick changed his mind and shook the out-stretched hand of the man who got the best of this go.

Much was expected from the last go between Massey of Muskegon and Eddie Connors of Grand Rapids. It was the head liner of the evening and referee Dickerson statde that secretary McAuley had given consent to a decision in this fight if there was no doubt as to who scored the most points in this event.

The men had fought in three cities and each battle was a draw and both men wanted to get a decision if they earned it.

The men were quite evenly matched all thru the ten rounds, altho there were a reat many present, especially from Holland, who felt that Massey showed superior fighting ability.

In the second round Eddie Connors struck Massey low and it was immediately apparent that the Muskegon boy was in pain and referee Dickerson called time until Massy recuperated, and up to the seventh round Massey was the most aggressive and landed often.

The eighth round was a poor and uneventful round. In the ninth and tenth Eddie Connors started whirlwind tactics rushed his man hard but did very little damage.

When the gong sounded at the end of the tenth round Dickerson called the bout a draw and the last boxing program put on this year by the Legion-Guards was over. The fans seemed much pleased with the offerings that these local organizations gave.

Lieut.-Governor George Welsh was one of the ringside spectators of the Legion-Guard boxing show Friday evening, and when it was known he was in the audience Referee Dckerson called upon the man from Grand Rapids for a short talk. When Mr. Welsh stepped into the ring he was greeted enthusiastically but he stated immeditely that he was not going to bore the boys with a speech, for that was not part of the evening's program.

He stated however that he was glad to be there and considered clean boxing under state regulations next to baseball and football, the finest of all sports. Uncle Sam during the war, he said, made strong, healthy men by means of boxing and the war department enlisted the services of every boxer of note available, to teach the soldiers the manly art.

He said he was one of the men in the Michigan legislature who voted for a bill legalizing boxing under state supervision, and he said that he was pleased to note that the Legion and Guards had found so many red-blooded Americans in Holland that they could make this sort of sport one of the features in the long list of sports in which Holland excels.

A. A. McAuley, secretary of the Michigan boxing commission, and others of the boxing commission at Lansing were also present at the armory.

At 5:30 Friday night the highway just west of New Groningen was blocked with traffic and a crowd gathered around a little bridge to see what happened to the occupants of a Ford coupe that had rolled down a ten foot enbankment into a creek at the bottom.

The driver of the car was Stephen Buter of Zeeland. He was going home from Holland and met Mrs M. Klinder walking on the highway with a basket of eggs. The lady was also going to Zeeland and Buter took Mrs Kinder in his car in order to give her a lift.

The lady set the basket of eggs near the accelerator in the way of the driver's foot and when the car went coasting on the hill towards the little bridge things began to happen. Buter attempted to lift the basket away from his foot but then lost all control of the car and struck the enbankment within a few feet from the guard rails of the concrete bridge, turning a complete somersault. Practically every window of the car was broken, the top was ripped, the fenders were bent, an axle was sprung and the head-lights were broken, but the occupants of the car were unhurt.

To make this story more unusual, it would be exciting to report that not an egg was broken, but the condition of the clothing of the lady and man would explode that part of the narrative. A wrecking crew from Zeeland had considerable trouble in pulling the battered car out of the gully.

The Holland high school orchestra, under the direction of Miss Ruth Keppel, will compete in the state contest for high school orchestra. The first contest will be held in Kalamazoo May 13. In order to defray expenses a concert will be given by the orchestra and glee clubs, in the high school auditorium Tuesday evening, May 4th. It is hoped the music loving public will be present to show their appreciation of the excellent work being accomplished by the school music department. Many of Holland's leading orchestra players have received their early training in the school orchestras.

Capt. Delatrie of the Peninsula and Northern Navigation company who was in charge of the steamer United States last season was to leave within a day or two for the east for the purpose of bringing back his former command, but was forced to wait for a few days as skipper of the "Arizona" because of illness to Capt. Crawford the regular captain of that ship. The United States is coming up from Florida where she has been all winter and as soon as Capt. Crawford can resume command of the Arizona, Capt. Delatrie will leave to bring the "States" back for the Grand Haven-Miiwaukee run this summer.

Before being put in service, however the United States will be drydocked and gone over in order that she may be in first class condition for the heavy summer trade expected this season. It is predicted that Western Michigan will enjoy greater popularity among summer tourists and resorters than ever before and all steamer lines are preparing for the traffic.

Booth, of the Grand Rapids Press.

TO OPEN A MUSIC STORE IN HOLLAND

John Van Vyven, the popular musician and vaudevillian, better known as "Dugan", who appears at many public gatherings as an entertainer, will go into business for himself. He has purchased the stock of the Goodyke Music House in the Kanters block and will open up for business next week Wednesday.

Mr. Van Vyven is not fully decided upon a name for his new store, but "Van Vyven's Music Box" or "Dugan's Music Box" have been suggested as very fitting.

Mr. Van Vyven will stock the store with a complete line of musical instruments of all kinds as well as sheet music and all things that make up a complete stock in a music store. Mr. Van Vyven will continue to tune pianos as before and will surround himself with sufficient help to take care of his business while he is doing this work.

Mr. Goodyke retires from the Holland store but will continue to conduct his music house at Zeeland.

Mr. Isaac Scherpenisse of the senior class of the local seminary has accepted the promise of a call extended him by the Tyre, New York, Reformed church. Mr. Henry Rozendaal who also will graduate this year left Friday to look over the fieds of Platte and Valley Springs, South Dakota. Both of these churches have extended promises of calls to the propective graduate. Mr George Menninga has accepted the promise from the Peoria, Ill., Reformed church.

Referee Dickerson of the Grand Rapids Herald, who refereed the boxing match at the armory Friday night, was rather surprised to receive a package after the fight, and when he gave it the once over he found it to be a pair of wooden shoes well decorated with ribbons. An attempt was made to take Dick's leathers away from him and compel him to walk home in the noisy footwear, but the referee showed as much tact there as in the ring and this part of the surprise did not materialize.

PROPOSED IMPROVEMENT OF MICHIGAN AVENUE

Baby Chicks Grow Best On
Ryde's "Startrite" Chick Food
With Buttermilk

Nothing is too good for baby chicks at the start. The life of one chick saved pays the difference in cost per cwt. between an ordinary feed and "Startrite" Chick Food. Why take chances? Ryde's "Startrite" Chick Food is an absolutely safe and complete food on which to start baby chicks. Composed of sound, sweet grains with hulls removed, ground granular, Millet and Rape Seeds which are full of natural vitamins and oil, special Meat Scraps and a liberal quantity of Buttermilk, the lactic acid of which is so beneficial to baby chicks. With ordinary proper care it will raise every normal chick.

Ford

Highest in Quality
Lowest in Price

Ford cars are built throughout of the finest materials that can be produced. The very best steels available are used in Ford manufacture. The plate glass for windshields and windows is as perfect as can be made. Upholstery material contains a larger percentage of wool than is ordinarily specified—even for much higher priced cars. The basic features of Ford design have never been improved upon by any manufacturer.

No other car offers greater dependability. The Ford car has won the favor of millions of users under every conceivable motoring condition. Its convenience is known and appreciated the world over; its performance is taken for granted.

Such quality is possible at Ford prices because every operation, from mining of ore to final assembly, is under direct control of the Ford Motor Company.

Iron is taken from Ford mines in Michigan; coal from the Company's mines in Kentucky and West Virginia. Glass comes from Ford glass plants; wood from the Ford timber tracts in the North. Raw materials and finished products are carried over the Company's own transportation routes; coke ovens, blast furnaces, a steel mill, foundries and saw mills—all are part of this complete organization. There are even salvage plants, paper mill, cement plant, etc., to transform waste materials into useful by-products.

In this way every possible economy is effected. Under no other circumstances could Ford quality be had at Ford prices.

TWENTY-TWO YEARS OF LEADERSHIP

NEW PRESIDENT OF C. OF C. NAMES HIS COMMITTEES FOR THE COMING YEAR

Con De Pree, recently elected chairman of the Holland chamber of commerce for 1926-27, has completed the selection of the members of the different committees who will have charge of a large part of the activities that come under the head of chamber of commerce work.

Mr. De Pree has taken some time to select these men, naming those whom he considered the most able to bring results on the committee for which they were selected. The president and board of directors are to meet with these committees shortly when a constructive program will be mapped out. After this meeting the chairman of the chamber of commerce will be able to give more definite plans for publication.

The list of committees will show that harbor, tourists, resort and manufacturing are prominent in the activities of the chamber of commerce and, as far as Holland is concerned, these will be outstanding committees. The retail merchants also have an excellent working committee, in fact the entire list of committees consists of able men who have shown their worth thru community service covering many years. The list of committees follows:

Publicity—Chas. Karr, chairman; W. Diekema, Vaudie Vandenberg, M. Lindemann.

Harbor committee—G. J. Diekema, chairman, Austin Harrington, J. A. Johnson, E. E. Taylor.

Tourist and Resort—E C Brooks, chairman, John Arendshorst, Wm. Vandenberg, M. L. Tyson, E. G. Landwehr, Nat. Robbins, Jr.

Industrial committee—Otto Kramer, chairman, W. Wichers, H. Winter, A. W. Wrieden, V. Dibble, M. De Vries, H. Wilson, Thos. Marsilje.

Traffic committee—B. Rosendahl, chairman, M. H. Pellegrom.

The Men's Class of Trinity Reformed church is issuing a special church bulletin for next Sunday in commemoration of the 15th anniversary of the church. It will contain some special features, giving some information about the history of the church and of the Men's class. Mr. N. J. Yonker has been the president of the class for the last 12 years.

Claus Dykhouse has purchased a tract of land containing about five acres, near the southern extremity of the city of Grand Haven from Henry Behm. This property is between Ferry and Wallace street and is located in the heart of the rich celery section. Mr. Dykhouse intends to sell the rich earth for garden and lawn purposes to which it is well adapted.

Besides the robin, the bluebird, and meadowlark, the mourning dove has also put in her appearance and is withstanding the cold spell remarkably well. Many of these beautiful birds have been seen and heard in Holland during the past week. The mourning dove is a very beneficial bird feeding mostly on insects, grasshoppers and weed seeds.

There have been several detectives in the county for some weeks engaged in investigating the illicit sales of liquor. The publication in daily papers of the setting aside of an expense fund for this purpose by the board of supervisors brought the work to a stop. Three raids were made Thursday evening and a number of warrants have been issued. The "tipping off" of the presence of the officers prevented a successful campaign.—Allegan Gazette.

Alderman Clay Benson is as active as a fireman as he is diligent as an alderman. In fact, he is a little too impetuous. At the early morning call to the Heasley Cole fire he missed the regular order of dressing and donned his rubber boots too early. Only the lucky intervention of his wife saved him from going forth with a display of plump, bare knees that would have excited the envy of the flappers.—Allegan Gazette.

The fishing tug Grayling of Frankfort, Capt. Anderson commanding, made a trip to Fox Island, Lake Michigan, early last week and took off a logging crew that had been employed there during the winter. Among the group was a man who was injured by a falling tree early in the winter and had been without medical attention. A shoulder and leg were injured and the man was forced to use crutches. The men are employed by a Traverse City lumber concern and after they are landed on the island in early fall they are without communication with mainland until spring.

Mrs. Adriana Pippel, Grand Haven received a message Sunday, informing er of the death of her brother, John Vette of Kalamazoo, Saturday night. Mr. Vette was about 70 years of age. Mrs. Pippel of Grand Haven and Mrs. L. Meeuwsen of Zeeland, are surviving sisters. Besides there are many relatives in Grand Haven. The funeral was held Tuesday afternoon at two o'clock in Kalamazoo. Mr. Vette 35 years ago was a resident of Holland.

SEE BUMPER GRAPE CROP

A grape crop of 8,000 cars is looked for in the Michigan grape district, according to reports from Berrien and Van Buren county growers. Last year only 317 cars were shipped because of the havoc wrought the crop by the frost. Canning factories are busy preparing for what they believe will be one of the biggest packs in their history.

HAMILTON

Mrs Mary Burchart from the state boys and girls club department has been assisting Miss Amanda Hill, home demonstration agent, in judging clothing exhibits made by some of the girls clothing clubs of Allegan county. This exhibit completes the junior clothing project for this year. Champions chosen in each club bring their garments and work to the county achievement day and compete for honors there. The county champion is given an opportunity to attend boys and girls club week at Michigan State college and to exhibit her work there. The county achievement day will be June 1 in Allegan. Hamilton girls have been especially interested in this work as a letter from a young girl of 14 years living in Hamilton would indicate. Miss Beatrice F. Lugten says:

"One day last fall our county demonstration agent came to our school and suggested that we organize a sewing club. As there were so many girls in favor of it we had to organize two clubs. Our club got Mrs G. H. Rigterink as our leader. We met one evening after school and elected our officers. We were told, first of all, to bring some material for a bag. After having those finished we made a night-gown and bloomers. Then we learned to darn and next to patch. The darning was lots of fun because it was so much like weaving. After the darning was finished we began the patching. We made a hemmed patch and an overhand patch.

"We had a sleighride party, a St. Valentine party, and on St. Patrick's day had a six o'clock dinner at our leader's home. We had our articles on exhibit at one of the Parents-Teachers meetings. Our work was also judged in our leader's home one afternoon. Many of the girls got first, second, and third prizes.

"This sewing club has gotten me interested in sewing. Before we organized this club I cared nothing about sewing. After we organized I got interested and now I just love to make my clothes and my little sister some cute little garments. It has also gotten our parents interested in our school and club work.

"In our next year's work I think we will be able to use our thimbles more, make straighter seams, hide our knots better, etc. I specially enjoyed making my night-gown."

The following girls from this vicinity were elected champions of their respective clubs: LaVina Borgman and Gertrude Veen of the "Thread and Needle club" of Hamilton; Juella Brower and Arleen Dangremond of the "A Stitch in Time club" of Hamilton; Jean Brink and Mildred Albers of the "Jolly Stitcers club" of Overisel.

NOORDELOOS

Last Friday evening several people gathered in the Noordeloos school house to hear the miscellaneous program given by Van's orchestra and members of the B. O. P. club of Grand Rapids. Several selections were given by the orchestra. Piano solos, dialogues, vocal solos and readings were given. Everyone was delightfully entertained.

Mrs. T. D. Bos died at her home here in Noordeloos last Friday, morning, April 23. She is survived by her husband and four children. The funeral services were held on Monday at 1 o'clock at the home and at 2 o'clock at the first Reformed church in Zeeland.

Mr. Ben Poest moved his family to his new residence last week Saturday. Brainerd is at present staying with Jim Hulsman and expects to help him with the farm work next summer.

Mr. H. Van der Hulst and Mr. K. Vanden Bosch are canvassing the Noordeloos school district for money for a new piano in the school. Up to this time a goodly amount of money has been received and we expect to see a new piano in school in the near future.

Most of the school children were given their first treatment of toxin antitoxin for the prevention of diphtheria last Thursday morning. The next treatment will be given next Thursday morning, April 29.

Little Esther Brandt is a new beginner in our school.

Rev. John Zeeuw and family from Kalamazoo, visited with relatives and friends in this vicinity last week. Rev. Zeeuw was formerly pastor in the Noordeloos Christian Reformed church.

Miss Frances Vander Mel is at present employed at the home of Mr. and Mrs. Henry A. Van Dyk of this vicinity.

NORTH HOLLAND

The Loyal Workers missionary society met at the chapel on last Thursday afternoon at 2 o'clock. On account of the absence of the president and vice-president, the meeting was led by the secretary, Miss Anna Looman. The meeting was opened by the singing of hymns followed by scripture reading. Mrs. Arthur Maatman offered a prayer. A letter was read of interest to the society. Different things were discussed concerning the program which the society is preparing, which will be rendered sometime in May, providing unforseen circumstances do not prevent. The meeting adjourned at 4 o'clock

The three pupils having the highest average from this school who were chosen to take part in the spelling contest, which will be held at the Beechwood school on Wednesday, April 28, from 3 to 3:30 P. M. are Martha Roek and Lewis Prins from the 8th grade and Raymond Houghting from the 7th grade. The different prizes for the first five highest marks are $5, $4, $3, $2 and $1.

Mrs. Bert Knooihuizen died at her home three-fourths miles north from here at the age of 62 years and seven months, after an illness of only a week with pleur-pneumonia on Saturday at 6 a. m. Funeral services were held onTuesday, April 27 at 1 o'clock at the home, and at 1:30 at the North Holland Reformed church, Rev. Arthur Maatman officiating. She is survived by her husband, and three children, Johanna, who is staying at home, Mrs. John W. Nienhuis, and Mr. Ray Knooihuizen, besides eight grandchildren.

The Ladies Aid society banquet which was set for Wednesday evening, has been postponed on account of the death of one of the members.

Several of the pupils of this school were given a "shot" for the prevention of diphtheria on last week Thursday.

Mr. G. Veurink from Holland and Mr. Ben Ter Haar from this place spent Tuesday at Lansing; they also drove through two new Star cars.

FILLMORE

Fire supposed to have been caused by a spark from the chimney seriously damaged the home of H. H. Boeve in Fillmore township between six and seven Tuesday morning. The roof was badly damaged by the fire and much injury was done to some of the living rooms by water. Neighbors immediately came to the rescue and formed a bucket brigade. In this way the fire was put out before the house was destroyed.

Meanwhile other neighbors helped to take the furniture out of the threatened house and most of it was removed by the time the fire was under control. The damage could not be estimated.

Fillmore township district No. 1, in Allegan county is contemplating the building of a new school house. The plans are still quite tentative but it is likely that steps will be taken to give the pupils of district No. 1 a school building that will be modern in construction and equipment.

Recently state inspectors visited the old building that has done service for many years and their comments on it were not very encouraging. They considered it as unfit for a school house and it is likely that the people of the district will take steps to build a new school.

A public meeting of the people of the district will be held on Thursday evening of this week at eight o'clock at the schoolhouse for the purpose of discussing the situation and to come to some conclusion as to what steps are to be taken. All the people of the district are invited to attend and take part in the discussion.

Relatives and friends gathered at the home of Mrs. George Nienhuis in honor of her birthday recently.

Gerrit Lievense spent a few days in Grand Haven, assisting Albert Stegenga in carpenter work.

FOREST GROVE

Mr.and Mrs. Ben Sybersma and little son, Raymond Harold, with the former's parents, Mr. and Mrs. R. Sybersma, all of Holland, were the guests of Mr. and Mrs. Henry Van Dam last Sunday. Mrs. Sybersma, Jr., is a daughter of Mr. and Mrs. Van Dam.—Zeeland Record.

On Friday evening, April 30th, the Forest Grove band boys, under the leadership of Mr. Cook of Grand Rapids, will give a band concert in the Community Hall. This will be a grand descriptive military concert, consisting of all the different bugle calls and all the different marches played by the bugler and the military bands in one day in any military camp from the sunrise call to taps at night. Keep this date open and attend this concert here on Friday evening, April 20th.

Residents of Forest Grove were greatly shocked last week to learn of the sudden death on Thursday, April 15, of Mrs. E. H. Bok, wife of our local implement dealer. She had retired for the night after a hard day's work of spring house cleaning, when she was seized with a coughing and choking spell and expired within a few minutes of terrible agony without regaining consciousness.

Raynold Van Bronkhorst of Forest Grove was injured while at his work in the P. M. shops at Wyoming Yards. A steel drill broke while he was operating it and a piece hit his cheek bone just below his right eye. The blood flowed profusely from the wound and he was taken to the doctor's office who patched him up. At present he has a discolored cheek and optic to explain about when he meets and talks with his acquaintances.

SAUGATUCK
