Sand Mountain Endeavoring To Wander Away

BALDHEAD AT SAUGATUCK
MUST BE SAVED—IT'S A
SHOW PLACE

Old Baldhead, the sand mountain just across the Kalamazoo River at Saugatuck, is on a rampage again and is endeavoring to wander away.

The sand dunes on Lake Michigan have a habit of doing this. There are many examples near Saugatuck and further north where small clumps of woods have been literally covered.

Everyone knows the old story of how the town of Saugatuck near Saugatuck with its churches, stores, saw mills and homes was literally buried by the sand dunes many years ago.

Mr. Baldys has been endeavoring to disintegrate for a number of years and the citizens of Saugatuck together with the resorters are endeavoring to prevent this by spreading cuttings of brush, sowing rye, planting willows and locust saplings and using other means to prevent any more sand blowing away. They have even taken it up with the conservation Department of the State of Michigan and M. S. C. and there have been some gratifying results.

Since this conservation project was started about a year ago, it has received widespread attention. Detailed reports have been requested and sent to the conservation department and a number of people interested in this work have been here to inspect it. Mr. Kroodman, extension forester, of Michigan State College at East Lansing, has cooperated with Saugatuck conservation chairman, Mr. August Pfaff, in getting this work started.

Tuesday of this week three young men, natives of Brazil and students of Michigan University Forestry Department, were here to get information about the work. They were greatly interested.

Old Baldhead, being Saugatuck's greatest natural attraction, brings people from far and near to Saugatuck village and is deserving of all the attention it is receiving. To realize this all one needs to do is climb to the top and be rewarded with the wonderful view from there. No effort should be spared in preserving this priceless scenery.

NEEDLE GOES IN DEEP

Mrs. Charles Haak, while pressing a coat at her home on North State street road, Zeeland, had the misfortune yesterday of running a needle into her hand, the end lodging into a bone. It required a special operation to remove the needle and unless blood poison sets in the lady will suffer no ill effects.

"SO FATHER SO SON"

A father and son were sentenced from one to five years each in prison last Saturday by Judge Fred T. Miles. They were Charles Hatfield, 60, and Gus Hatfield, 25, both of Clyde township. The father will be imprisoned at Jackson while the son will be in Ionia. They were arrested on a charge of breaking and entering a Clyde township garage last summer and stealing tires and rims.

COMFORTING DISCOVERY FOR SPARROW, STARLING

Apparently there are some arguments in favor of the English sparrow and the starling. Both birds eat the destructive Japanese beetle, according to Dr. Thomas E. Winecoff, who is in charge of research for the Pennsylvania Game Commission. The ring-necked pheasant, the purple grackle and the robin are also valuable destroyers of these dreaded insect pests, Dr. Winecoff says.

FISHING TIPS

During the spring sucker run, you may see devotees of sucker fishing netting these fish on their way to their spawning grounds. On the Muskegon River, however, the boys use a unique method. They cast their lines out into the river with the aid of a horsehoe.

The shoe is attached to a line a short distance from the hook. By swinging it back and forth a few times, the fisherman is able to heave it well out into the water deep enough to be frequented by feeding suckers.

The shoe is attached to the line in such a way that when it is retrieved, it will be drawn forward toward the top of the water, and if pulled in fast enough, it will literally skip along the surface. Any other sort of weight, such as a chunk of iron, will not work this way, and the "sinker" quickly becomes caught on snags or between boulders, causing loss of both hook and fish.

Sucker fishermen on the Muskegon River use the horsehoes to bring them good luck in fishing, but they aren't a bit superstitious about it. With them, performance counts. While the horsehoe has its merits, we have seen other sucker fishermen make use of a lead pipe to good advantage. It is pounded flat on one end, a hole punched through it where the line is fastened. The lead pipe acts as a drag, similar to the horsehoe.

Stanley Hiltz, Fred Frazee and Ed LaMonion of Watervliet, and Carl Hensley of Pullman, Allegan county, were arrested by Conservation Officer Harry G. Plotts Thursday on charges of spearing fish in Swan creek, a trout stream, and also with having a net in their possession. Arraigned before Justice Fidos E. Fish of Allegan Thursday afternoon they pleaded guilty and each was fined \$25 and costs of \$7.25.

The Ventura school Parent-Teacher association will meet tonight, Friday, at 7:30 o'clock. Several plays will be given. Musical numbers will also be rendered.

WOULD BE SURPRISES AT A MARRIAGE HAD THE TABLES TURNED

There was a turning of tables in a surprise wedding at Zeeland a few days ago when a newly married couple were themselves surprised when they expected to surprise other relatives and friends.

The newlyweds were Miss Gladys Ensing and Mr. Lester Volkera, both well known in Zeeland and vicinity. Accompanied by Mr. Claude Tenchink and Miss Frances Van Nul as witnesses, they went to the parsonage of Second Reformed Church where Rev. Richard J. Vanden Berg proceeded to pronounce the ceremony that made them husband and wife, but their intentions had leaked out in some way. For this reason their respective parents, Mr. and Mrs. Frank Volkera and Mr. and Mrs. Sophia Ensing had preceded them to the parsonage and witnessed the ceremony from an adjoining room and unbeknown to the contracting parties. When the rite was completed the elders came forward to offer them blessings and congratulations much to the amazement of the crest-fallen and happy couple.

Mr. and Mrs. Volkera will make their home at Zeeland.

Zeeland Pupils Are Vaccinated Against Pox

BOTH PUBLIC AND CHRISTIAN
SCHOOL STUDENTS TREATED
ON MAY 2

Vaccination against smallpox will be given at the schools of Zeeland May 2nd, says Dr. Ralph Ten Have, Ottawa County Health Commissioner. All those who have never been successfully vaccinated previously or those who have not been vaccinated within the last five years should be re-vaccinated. A successful vaccination within the last five to seven years assures one of protection against smallpox. Smallpox is entirely preventable by vaccination. An unsuccessful vaccination does not assure one of immunity to smallpox. A successful reaction is the only assurance of protection. It is urged that the parents avail themselves of this opportunity to have their children vaccinated. The reaction from smallpox comes on about a week after vaccination. The sore which develops if left entirely alone, special care being taken not to disturb it in any way, will cause little discomfort. Reactions in children as a rule are less severe than those experienced by adults. This should not influence anyone against vaccination. The assertion that smallpox appears in light form as has been witnessed in recent epidemics should not be relied upon. It should still be considered the deadly disease which it has always been reported to be.

The following schedule of time has been arranged:

Mr. Lokers started his car with the crank when it started forward, probably having been left in gear when used before. The result was that the finger was smashed beyond recognition.

OTTAWA COUNTY GETS ONE DELEGATE TO NATIONAL CONVENTION

Ottawa county was at least recognized at the state convention by the appointment of William Hatton, chairman of the Ottawa county Republican committee, to represent the Fifth district at the national convention at Chicago.

The Ottawa delegation voted "no" on the resolution to repeal the eighteenth amendment brought in by a minority by the resolution committee. They did, however, stand by the majority report asking that the liquor question be voted upon by the people in an election that is nation-wide.

The matter of soldiers' bonus failed to come up at the convention. It being considered that this was a matter for congress to take care of and that the matter of soldiers' bonus bill would be passed or defeated before congress adjourned. Ottawa county had a full delegation present, alternates taking the places of a few who were unavoidably absent.

These Girls are Tie at Holland High

MISS JEAN ROTTSCHAEFER

Jean Rottschaefer, born of missionary parents on July 12, 1915, at Inadnapolle, India, has led an unusually eventful life crowning it by tying with Olive Wismeier for the first place in the class of 1932, receiving an index number of 3.95.

Except for a year in America when she was three, Miss Rottschaefer spent her life in India attending the Kodaikanal boarding school until she came to America in 1928. That fall she entered the ninth grade of Holland Junior High school. She was elected treasurer of the freshman class and joined the Junior High Glee club and mixed chorus.

In her sophomore year she joined Kappa Delta and Blue Triangle. During her junior and sophomore years she belonged to the glee club and took part in "Trial by Jury," "Tulip Time" and "Sonia." In the glee club she held the offices of librarian and president, was one of the representatives sent to the state chorus, and was a member of the sextet.

She started her second high school year off as alderman of the seventh ward. That same term she became an athletic sister and joined the Girls' Athletic association. At the end of this year she was elected clerk of Holland High, and at a meeting of the Inter-High council in Grand Rapids was elected vice president of that organization for 1932.

Besides having performed in various assembly programs throughout her high school career she had a lead in the council play, "Two Crooks and a Lady," and in the senior play, "Martha-by-the-Sea." She took the role of Mrs. Sherman. She is one of the few high school students who has traveled in most of the European countries and in many nations of Asia. Although she likes America and the students in this school she is planning to return to India some day.

MISS OLIVE WISMEIER

Olive Louise Wismeier, who has tied with Jean Rottschaefer for the position of valedictorian of the class of 1932, was born in Chicago, Ill., on June 19, 1915. When five years of age she moved to Holland where she has always attended the public schools.

In Junior High school she held various offices in her home room until in the ninth grade she was elected treasurer of the Junior High Republic. She was also in the glee club and took part in the opera, "The Crimson Star."

Upon entering Holland High school she joined Kappa Delta and has been both vice president and president of that society. She was an active member of the glee club in her sophomore and junior years, taking part in "Trial by Jury," "Tulip Time," and "Sonia." She became a member of Athletic Sisters when a sophomore and of Blue Triangle when a junior.

She was elected president of the Girls' Athletic association when it was organized, and she was treasurer of the junior class.

In her second year in high school she was also on the Boomerang board. Although Jean Rottschaefer defeated her in the race for clerk she tied with Jean at the end of the year on the Junior Honor Roll.

She has taken part in many assembly programs and this last year took part in one of the council plays. She has also been chairman of the welfare board this past year. The position of treasurer of the local chapter of the National Honor society has recently been conferred upon her besides the highest honor the school can offer, that of being co-valedictorian with an index number of 3.95.

Limit Set for Campers in State Park

Congestion in Several Southern
Michigan State Parks Brings
Rule of Seven Days

Congestion in several southern Michigan state parks has forced the parks division of the Department of Conservation to limit the campers to seven-day visits and to establish a rule which does not permit renewal of camping privileges in the same parks.

Only seven-day camping permits will be permitted in the state parks in Oakland, Livingston, Macomb, St. Clair, Ottawa and Bay counties. In parks in these counties campers are now so numerous and space so limited that the time limit must be shortened to give every one a chance, it was stated.

The camping time limit in all other parks will be 15 days. In former years campers were permitted to renew their permits at the end of this time so long as their camps were moved to another part of the park. This was done to prevent campers from occupying choice sites for extended periods.

Ottawa Beach, Holland and Highland Park, Grand Haven have found campers coming more frequently each year. They seem to enjoy the quiet in the morning and early afternoon, contrasting with the crowds in the late afternoon and evening. All conveniences for camping are available including plenty of water.

TOWN CLERK FOR A LIFE TIME

He is a good bookkeeper by this time. He sure knows his Allendale.

Moerdyk Tells of Arabians' Money and Tax

Visiting Plains of Chaldees Where
Arabians Grazed His Flocks.
People Don't Know Value
of Money

A recent letter received by relatives in Holland and Zeeland from Rev. James E. Moerdyk, of the Arabian Mission of the Reformed Church, who is stationed at Amara, Mesopotamia, a country known as Iraq, tells of the change in government and government policy that is taking place right now. Iraq has applied and expects to be admitted to the League of Nations.

Rev. Moerdyk who left Holland about a year ago after a furlough states as follows: The government is on the eve of obtaining independence and thinks it knows everything better even than statesmen anywhere in the world or than ever lived before and it insists on several things that no progressive of our age, anyone who has lived in well regulated countries and has lived here long enough to have experienced conditions and the people, realizes how little good there is in men and regulations. Tomorrow they expect to enforce the law of exchange of legal currency for all the country. This new currency has a few silver pieces, two nickel pieces and two copper, but the number of coins is far from sufficient to meet the demand among so many people, who are too poor to use currency of higher denomination, which is all paper.

In April they also inaugurate a new tax law which affects the poorest person. All sign boards, all windows and doors, all fixtures are to be taxed. The poor man or woman who sits by the wayside to sell some eggs or bread or firewood, which she has gathered upon the desert, must hereafter pay a tax and how can anyone explain and have the poor who cannot read and have not yet learned to count to fifty?

Mr. Moerdyk is at present visiting Ur of the Chaldees where Abraham of Bible times first lived and herded his flocks on the plains and where Isaac, his son, was born. He is visiting and overseeing the work of a colporteur stationed there. He speaks of new buildings being erected and says that this place is now known to tourists for the number of maimed and half foolish people who roam the streets. He states that the reason for this undoubtedly is the immoral life led by their forebears. Disease of this kind and tuberculosis is on the increase in that country.

Mr. Greenway is an accomplished organist, having played for several years on radio programs at a Grand Rapids station. The double male quartet of the First Reformed church will sing several numbers. Proceeds of the recital will go to the support of the missionaries supported by the local church.

All boys fifteen years old and over, who are interested in the Sea Scout movement should be at our next regular meeting to be held May 9. POLICE BOARD CHIEF AT HOLLAND TAKES SAFETY PLAY LEAD

Henry Vander Schel, president of the Holland police board, who served as acting chief three months, again performed the role of chief Tuesday night in the staging of a national safety campaign play, of which he is the writer. Justice John Galien was the Judge.

Vander Schel's castably depicted diversified problems in traffic laws, covering drunken driving, the astute politician, speeder, running through red lights, improper parking, recovering a lost child, resuscitating monoxide victims and accidents frequently handled by the police force.

Requests already have been made by various organizations in this city and vicinity for repeating the playlet in the interest of safety and education.

Man And Wife Figure In Two Liquor Raids

Force of Half Dozen Officers Had
to Batter Down Doors
of Home

It appears that Zeeland has had another liquor raid when late Tuesday evening a force of Ottawa county officers, including Deputies Sheriff Rufus Cramer and Marinus Brandt of Holland were among the officers who aided in the raid of a house on the outskirts of the city near the west limits of Zeeland.

The place was occupied by Ed Dykstra and his wife, Helen Dykstra. This couple has been in the limelight before and it is now pending in circuit court charging them with former liquor violations and they are now under bond on the first charge.

The Zeeland Record of yesterday states that on Tuesday the "officers" guarded all the doors to the bottom preventing any escape. Trooper White demanded entrance at the front door, which was barred with three sliding bolts, but his demand was met with an emphatic refusal, and at the same time a din arose in the kitchen smashed in the sink in order to destroy concrete evidence for a liquor charge.

"Their work of destruction was instantly supplemented from the outside, for the raiders, who were prepared for this eventuality, applied battering rams, demolishing the doors to gain access.

"A search of the premises revealed that they had succeeded in destroying most of the evidence, only a half dozen bottles of beer and a half pint of alcohol being seized as evidence against the operation of the place.

"Ed Dykstra and his brother, Arde Dykstra, who had shown considerable fight, were placed under arrest and with Mrs. Helen Dykstra and the liquor taken, were loaded into cars and taken to the county jail at Grand Haven by the state police."

It is stated that resistance was shown on the part of the Dykstras and a small fight ensued. The story goes that Deputy Marinus Brandt of Holland was badly hurt by a flying beer bottle. This Mr. Brandt told the News, was not true and that the scrap was of short duration and that he was not noticeably hurt.

Officers state that among the patrons were three young men from Zeeland and three men from Holland, one not over 18 years of age. Also a woman from the east part of the county who, school authorities say, held a good reputation, according to their knowledge.

Both Justice Clark of Zeeland, before whom the hearing of the Dykstras will be held next Tuesday, and Prosecutor Dethmers state that as far as they can see now no legal charges can be placed against the patrons unless something should develop at the hearing which is not apparent to the officers at the present time.

The hearing of the Dykstras Tuesday is for the purpose of finding out whether there is sufficient evidence to hold them to circuit court. The bondsmen who went bonds for the Dykstras on the first charge surrendered them, according to Justice Clark, and now they have no bonds on either charge and are being held in the county jail.

The raid was conducted by State Troopers Baril and White of the Grand Haven post, assisted by Chief of Police Ed Ryenga, Deputies Fred Bosma and Mart Barman of Zeeland, and Deputies Rufus Cramer and M. Brandt of Holland city.

Attorney Carl Hoffman in explaining his presence at the raid, states that this was because he was attorney for Dykstra in the previous case charging liquor violation, due to come up soon and that he had made an appointment in order to take up the matter with the defendant Dykstra further. Hoffman stated he had asked two friends from Holland and Zeeland to accompany him on the trip, stopping at Zeeland before going to Grand Rapids, where they had planned to go to the Republican convention.

Rev. Marvin J. Vanderwerf of Peoria, Ill., has received a call to the pastorate of the Christian Reformed church at Zutphen.

Voters Must Re-Register In Holland

VOTERS NOT VOTING WILL BE
TAKEN OFF THE
LIST

New Michigan Election Law Makes
This Necessary

Under the new election law of the State of Michigan all voters must re-register and that includes those of Holland and Ottawa County as well. However, you have plenty of time in which to register.

All re-registrations are made at the city clerk's office and that in Holland would be Oscar J. Eversen. Registration begins Monday, May 2, and registration continues for four months until August 24, twenty days before the Primary election in September.

This is to be a permanent registration and voters who fail to vote for two years after having registered will receive a letter sent by the City Clerk, telling the voter that his or her name will be taken off the registration list if no reply is received. He or she can only be reinstated by making the proper application.

All eligible voters must appear in person, must sign two cards, one "master record" card and the other "precinct record" card. Native born must give place of birth and if under 21 years of age during registration but will gain his or her majority before the September primaries, they are privileged to swear in their registration.

All foreign born citizens will be compelled to supply their naturalization data.

All registrations must be made at the hours of 8 a.m. and 5 p.m. This law does away with constant re-registration for this makes perpetual registration and no doubt will do away with a lot of stay-at-home who neglect to vote.

Provision will also be made in townships to take care of re-registration and here, too, voters will be barred if they fail to show enough interest within two years to come and vote.

SPRING FOUND IN THE OCEAN

Two and a half miles off shore and nine miles south of the old City of St. Augustine, Fla., a swirling at the surface of the water and a strong odor similar to that of the sulphur springs of Florida marks the presence of a spring of fresh mineral water rising from the sea bottom at a depth of 55 feet. It is said that if the outlet of this spring were on land it would probably resemble a geyser more than a spring.

New County Road System Is Explained

AUSTIN HARRINGTON, BOWEN
AND CONNELLY GIVE
INFORMATION

An explanation of a new system whereby the Ottawa county road commission absorbs the township roads on a basis of 20 per cent a year for five years, was made before a joint meeting of the Ottawa county Farm bureau, the supervisors, highway commissioners and officials of the Ottawa County Road Commission.

Austin Harrington, chairman of the county commission, explained the system in detail, according to the provision of the McNitt bill which went into effect April 1.

Carl Bowen, stating there were 228 miles of township roads being taken over by the county system this year. He has been endeavoring to keep up maintenance plans, whereby he can keep up the added mileage together with the county system, with the same force of men. The first few months, he stated, would be more or less of an experiment, and plans may be altered later.

The object of the McNitt bill is more unified road building. William Connelly stated. The old system of township roads is a good road under a capable township highway overseer, and there a way with the townships also will benefit from the weight tax which now goes back to the counties and the townships, he stated.

He also explained the intent of the Horton bill which, if passed as drafted now, will mean curtailment of trunk line road building. The \$10,000,000 which is proposed to be divided among the counties is to be used to relieve indebtedness and no new road building can be done until all the County and other bond issues are paid, he stated.

In Ottawa county there is a bonded indebtedness of \$495,000. Over ten years \$919,950, has been issued for the construction of nine Covert projects. The road through Ferryburg, now a part of US-31 was the first Covert project in the county.

In counties where there is little or no indebtedness, new road projects can be pushed. As the bill stands now there would be practically no new road building in Ottawa county.

As the more populous counties of the state are protesting for a larger proportion of the sum, it is the county's duty, said the speaker, to see that Ottawa fares equitably with the balance of the state in any new draft which may be made to the bill.

Maurice Luidens, Olive township, president of the bureau, presided, and explained the meeting was held that the supervisors, and those in touch could be thoroughly familiar with the road situation and take the message back to their constituents.

Clarence Uiberg of Hudsonville was elected secretary and treasurer of the bureau by the committee board, to fill the vacancy caused by the death of A. J. Knight of Robinson, who was an officer for many years. The board met in the office of C. P. Milham in the morning.

ROY CHAMPION

The passing of Roy B. Champion, superintendent of Public Works, is a distinct loss to the entire community. Bundled up in that seemingly frail body was the heart and soul of a real man.

Mr. Champion was not camouflaged with what some call outstanding personality or "whose presence is immediately apparent in a crowd." We have known many such personalities and not infrequently have found them largely mixed with dross. The Champion personality grew on one and wore well. The more one came in contact with this man, small of stature, the greater he loomed as a giant.

His executive capacity largely brought about the unprecedented success of our municipal public units which stand as a monument to the ability, efficiency and sagacity of Mr. Champion. These successes are too well known to need any detailed repetition here.

A less modest man than Roy would find reason to feel "puffed up" over such achievements, but the self-effacing Champion did never parade his accomplishments, and the fact that they are known to the public is because these are public institutions and the shortcomings or accomplishments of the people's public servants naturally become a part of public knowledge. Citizens, therefore, felt that their interests were safe in the hands of Mr. Champion because they were aware of the outstanding executive ability of their superintendent, and they felt that their municipal plants were safely, honestly and economically conducted under his supervision.

Mr. Champion was a power beyond the realms of business. This busy man found time to do much for his city, having become identified with nearly every civic interest promoting Holland's welfare.

He showed a deep appreciation of the needs of our young folks and strove always for their well-being. This was evidenced in Christian Endeavor, Boy Scout, Salvation Army and kindred movements, where he did either directly or indirectly foster these projects.

Mr. Champion was a great "home body." His family was constantly given a large part of his consideration and those near and dear to him deeply loved and respected him, which was reciprocal.

Although hedged in with business affairs, Mr. Champion did not forget his church, and there, too, he showed his modesty. His religion was not "pinned upon his coat sleeve"—however, underneath this modest reserve, it was soon apparent, as he mingled with fellow members and daily associates, that there was a force of character, an underlying power for good and an eager willingness for service dominant in this man. He was early called upon to aid not only in the work of the church, but in the Sunday school as well. Here again he displayed tact and revealed his high regard for the youth as a Bible student, as a teacher and as a Sunday school superintendent.

One might go on indefinitely reflecting the many-sided Champion. He was aggressive without being obnoxious. He was the essence of honesty without boasting about it. He was a man of keen perception and unerring judgment. He was

an outstanding business head, attaining success by honest dealing, despising "sharp practices."

There are not a few who would believe that religion and business make a poor mixture. Mr. Champion has shown that religion dominated his business activities for he would not have it otherwise.

The frailties of humanity are many—however, if your editor were to select one in whom the paramount attributes of perfection constituting manhood were most nearly amalgamated in the make-up of one person—we believe that these qualities were bound up in this most worthy citizen, Roy B. Champion.

WILL AID ROAD SETTLING
NEAR SPRING LAKE

State Crew Will Set Off Explosives Near Fills at Relocation of US-16

A state dynamiting crew is expected here this week to make borings and explode about a ton of the high explosive along the new fills on the relocation of US-16 east of Spring Lake to assist the settling of the new fills which have just been completed.

A large amount of muck was excavated to seek a solid bottom upon which to dump in the 70,000 cubic yards of sand. Daily tests are being made and a slight settlement is noticed. At present there is a five-foot overload of sand on the fill to aid the settling by reason of the additional weight.

The project may not be paved for another year. It is four-fifths of a mile long, with the fill about half this distance. A culvert was built during the winter. The entire contract for fills, drainage, structures and culverts was \$16,500.

William Bronsma and Henry Neitring, Grand Haven men, received the contracts for the fills and have been employing a force of from 20 to 30 men all winter.

PLAN TO PLANT
A BIG GARDEN

A small investment in plenty of good garden seeds planted now will yield big dividends later on in the form of ample vegetables for home canning. Esther Lott, home demonstration agent, is reminding everyone these days. Gauging one's planting by the family's summer needs is like putting up a picnic lunch just after eating a big breakfast; you can't realize how hungry you are going to be later on.

"By all means provide ample supplies of vegetables for canning when you are working out your spring planting," urges Miss Lott. "Get good seed to start with, seed that is adapted to Michigan climate and plant enough for year-round vegetables on the home table. Keep the garden planted right through the summer, planting succession crops. Plan your garden so as to have an abundance of vegetables the family likes best and also with a view to putting well balanced meals on the table throughout the year. Include plenty of leafy greens. Raising and canning one's own food will be one of the solutions to the depression problems in the majority of rural homes in Ottawa county this year."

Bullfrogs on the home garden and the city garden can be secured from the extension office in the courthouse at Grand Haven.

Miss Lott will give special series of demonstrations on various phases of canning this season in order to help local women with their canning problems.

Vandenberg, Chr. of the so-called "Fair Committee" reported that pursuant to instructions from the Common Council the committee had met, and gone over the various claims against the Fair Assn. that claims assumed by the City of Holland and were presenting for payment accounts payable and premiums due, together with the total amount of \$81,265.24. not completed.
Ald. Vandenberg on behalf of the members of the Common Council presented to Mayor Brooks a beautiful basket of flowers.

The address of Mr. Vandenberg follows:

It is my honor and my pleasure to thus address you for probably the last time while you and I hold our respective positions—you as the head of our city government and I as a member of your council. I am speaking for myself and for these councilmen for I am very sure that without exception every member of this council and I believe the same may be said of all your councilmen, considers it a privilege to have worked with you and to have been a part of your administration.

You have been a hard-working mayor; you have given freely of your time, of your talents and of your means in administering the affairs of our city during the past four years.

You have been a fair mayor; politics, in the ordinary accepted understanding of that word have never been allowed to creep into the affairs of our city during your term of office.

You have been, indeed a representative mayor; you and your city have been signally honored through your selection last year to the presidency of the League of Michigan Municipalities. We believe you are entirely worthy of that recognition and we are very proud of the distinction achieved.

You have been a friendly mayor and it is this feature of your administration that I wish to emphasize.

Probably never in the history of our fair city have there been two more trying years than 1930 and 1931.

Industry began to lag in 1929, conditions became worse in 1930 and reached what we hope was a climax about the close of 1931. Unemployment in Holland, as almost everywhere the world over, became a serious problem, and with idle industry and idle men you were faced with conditions most trying to say the least.

But as I say you were a friendly mayor and Holland's unemployed have had food and clothing and shelter. While always concerned about the cost in dollars and cents your real anxiety was to make sure that there was no hunger and no suffering among our people. The cost and whatever mistakes we may have made in carrying out a well-defined plan and policy of giving relief and being helpful will soon be forgotten, but the reputation you have gained for being a friendly mayor will live on and ever remain as a splendid monument to your administration.

While you have had ambitions to do other things as the leader of our city the fact that you have been able to keep your mind away from material accomplishments and center your efforts upon human relief over a period of two and a half years, is to your everlasting credit and we honor you for it.

During your administration all departments of our city government have functioned smoothly and efficiently; there have been no surface or undercover indications of lack of harmony on the part of the various city boards and council committees, and all of this leads me to say again—you have been a friendly mayor—and because you were able to evidence a spirit of friendliness during the four strenuous and trying years as the head of our people you have proven yourself to be an able mayor. I feel no higher tribute could be paid to anyone.

In behalf of every member of this council—and I am very sure that our late friends and fellow-councilman, Mr. Brieve, would want to be included in this sentiment—I want to express hearty thanks and appreciation for a very fine official and personal relationship during this period of effort to be of service. We must now say goodbye to this relationship but our wish for you is good luck and God-speed in whatever direction your future may take you.

Mayor Brooks responded very briefly and again thanked the members of the Council for their loyalty and assistance and assured them that he had found it a real pleasure to work with them and to do his bit for the City he loved.

Mayor Brooks then turned the meeting over to the new Mayor, Nicodemus Bosch.

Clerk presented several Oaths of Office for several city offices.

Accepted & filed.

City Attorney then administered the Oath of Office to the several Aldermen-elect, and also to the Mayor-elect, Mr. Bosch.

Mayor Bosch then welcomed the new Council and called upon Dr. F. E. Davidson, Pastor of Hope Church, to open the affair of the new administration with prayer.

Ald. Kleis, on behalf of Council members and friends, then presented Mayor Bosch with a lovely basket of roses. In a few brief remarks, Mr. Kleis welcomed the new Mayor and assured him that he would receive the loyal support and co-operation of the entire Council.

Mayor Bosch then presented his Message and requested the Council to read it. In his message, the Mayor stated that he was mindful of his responsibility and would endeavor to make himself worthy of the confidence placed in him.

Accepted and spread on the minutes and copy ordered published in the local paper.

In announcing his Committee appointments, Mayor Bosch addressed briefly the Chairman of several of the more important Committees outlining their duties.

In addressing Ald. Prins, Chairman of the Ways & Means Committee, the Mayor stated that he wished at this time to pay a tribute to his father, Peter Prins, a former Alderman and Chairman of the Ways & Means Committee when he (Mr. Bosch) was Mayor several years ago.

Mayor Bosch announced the following Committee appointments for the year 1932-1933:—

North Allegan County News

The meeting of Hannah McIntosh-Cady chapter, D. A. R., of Allegan will be held May 4 at the home of Mrs. L. H. Bourne of Fennville. There will be election of officers.

Pearl school defeated 19 other rural schools in the rural achievement day contests held here. The victory gave the school permanent possession of a cup it had won twice before. Ivan Jorgenson, a pupil, was high individual. He was given a cup and a pen and pencil set.

The Red Cross allotment of flour for Allegan and Allegan county has been received and is stored in the warehouse in the rear of the D. Stern & Co. store. The allotment for the city is 4,800 pounds. The remainder of the county will receive 467 barrels. Distribution will be made Friday and on next Tuesday.

The chamber of commerce Friday evening, May 6, will give its annual benefit play, "The Path Across the Hill." Rev. R. L. Kort-

kamp, director, is taking a part; others in the cast are Marjorie Williams, Winifred Braithwaite, Lila Woodall, Suzanne Leland, Mabel Zietseh, Otto Taylor, Everett Thomas, James Sheridan and George Kelly. The play will be given in the school auditorium.

Mrs. Edith Munger of Hart, president of the Michigan Audubon society, will give a talk on "The Feathered Songsters of America" at the Woman's club, Saugatuck, Friday afternoon.

George Rayle of Ganges, accompanied Rev. Meredith of Holland, to a conference meeting at West Berlin last Wednesday and Thursday afternoon.

Miss Frances Orr of Holland spent Sunday with her parents, Mr. and Mrs. H. Orr, Dunningville.

For some time Harry Wilson has given evidences of mental trouble and his condition became much worse last week, so that friends thought it best to take him to Allegan for observation. At the county jail he became quite violent and he is being treated there. Mr. Wilson has many friends who hope for his early recovery as he has been a

good worker at the fruit exchange and has a wife and son who have the sympathy of all. The probate court is making arrangements for him to receive treatment at Kalamazoo asylum.

Sessions: L.G.A. store at Saugatuck, has been greatly improved both in appearance and efficiency by the addition of a "Zero-O-Viz" meat case for quick-frozen meats.

John A. Scarlett of Douglas, supervisor from Saugatuck township, has secured the position of inspector for the Allegan unit of the Kellogg Health foundation. Over 100 men signed their desire to obtain this job. The appointment of Mr. Scarlett was made last Saturday by the public health committee of the board of supervisors. Dr. A. B. Mitchell is in charge of this health unit and told how work is to be conducted at a session of the board Monday of this week.

The political situation in Allegan county seems to be centering about the office of probate judge at this time. J. Ford Stratton of Allegan, who was probate judge eight years, is a candidate again as also is Judge Augustus S. Butler, the incumbent. J. Irving Tucker has declared himself and A. Brink Tucker of Otsego, who was second in the race in 1924, also is a candidate. With four candidates in the field, it is almost any one's race. Sheriff Guy Teed of Fennville, is completing his second term but no announcement has come from him as yet and no other petitions have come to light for this office. William G. Tisdale is completing his fourth term as county clerk and is understood to be eager for reelection. Harry Pell, prosecuting attorney, has made no announcement. J. Roy Tanner, county treasurer, has just completed his first term in that office and probably will have no opposition this year.

Federation Garden Clubs of Michigan have two new members, Saugatuck Garden Club and Flint Garden Club, both having joined this week.

Herbert Hudson of Chicago, called on old-time friends here Monday. About thirty years ago Mr. Hudson left Fennville to enter the business world for himself and he developed one of the largest farm supply houses in this country. Located at first in Minneapolis, the business grew so that it was necessary to move to Chicago on account of better shipping facilities.

Four candidates are in the field for the office of probate judge in Allegan county. The four men are Augustus S. Butler, present incumbent; J. Ford Stratton of Allegan, who has held the office for eight years; J. Irving Tucker and A. Brink Tucker of Otsego. Guy Teed is completing his second term as sheriff. William G. Tisdale, who is completing his fourth term as county clerk, will run again and Harry Pell, prosecuting attorney, has made no announcement.

ZEELAND

Mr. and Mrs. David Wyngarden of this city will celebrate their golden wedding anniversary at their home in Zeeland May 2. The couple will hold open house and on May 3 will have a family reunion. The wedding anniversary date also marks the seventieth birthday anniversary of Mr. Wyngarden. Mrs. Wyngarden was born on a farm near Zeeland, the daughter of Mr. and Mrs. Johannes Vander Bosch. Mr. Wyngarden is the son of Mr. and Mrs. Gerrit Wyngarden, pioneers of the Zeeland settlement. The son was born on a farm near Vriesland. Upon marriage the Wyngardens took up their residence on the Wyngarden farm, where they lived 45 years. About five years ago they removed to the city and their son, Nelson, took up residence on the grandfather's farm. The Wyngardens are parents of nine children and have twenty grandchildren and one great-grandchild. The children who will help in the celebration are Mr. and Mrs. Jack Holwerda and Mr. and Mrs. Gerrit Wyngarden of Grand Rapids, Mr. and Mrs. Henry Gerrits of Hudsonville, Mr. and Mrs. Tom Wyngarden and Mr. and Mrs. Nelson Wyngarden of Vriesland, Mr. and Mrs. Edward Wyngarden and Mr. and Mrs. Lester Wyngarden of Zeeland and John and Marie Wyngarden at home. Death has not yet claimed a member of the family. Mr. and Mrs. David Wyngarden are members of First Christian Reformed church here.

Last week, Thursday evening, the freshman class enjoyed a skating party. Permission was obtained to use one of the Central avenue blocks. Mr. Rooks kindly roped off the block from Maple street to Wall street. The party started at 8 o'clock. Unfortunately Mr. Kleis was unable to be present so Mr. Dewey was there in his place. Most of the freshmen were at the party and it is reported that there were a few delegates from the other classes, too. The freshmen surely had one good time, if you will take their word for it.

On next Sunday morning Rev. R. J. Vanden Berg will deliver a sermon from his own pulpit at the Second Reformed church on the topic, "What Is a Christian?" and his talk to the children will be on the subject of "Why Sit Still?" In the evening he will preach on the theme, "The Ascended Lord." All are invited.

Born to Mr. and Mrs. Eden L. Moore, Wall street, Zeeland, a son, Tuesday, April 26; to Mr. and Mrs. Jack Nieboer, Olive Center, Tuesday, April 26, a son.

Zeeland city's water pressure and supply tank was receiving an overhauling Wednesday and Thursday of this week. Supt. Gerrit P. Rooks and his crew have drained the tank and meanwhile are supplying city pressure by means of the booster pump. The tank will receive a thorough scrubbing on the inside and outside. It is expected the work will be completed this week.

John Volkers of the Zeeland Chevrolet Sales was awarded the trophy offered by the Chevrolet Motor Co. for maintaining the most adequate supply of repairs and parts, and giving the best service in the entire Grand Rapids sales zone, which includes Kalamazoo and Battle Creek garages as well. Naturally, John is quite elated taking into consideration that even the best and largest city garages have nothing on him, and so is Mr. Matter, because he has been stressing this particular branch ever since he purchased the Chevrolet franchise here. And it is quite evident that car owners are appreciating his efforts to give the best type of service because the number of patrons is steadily on the increase. John is out to win the award again in order to keep it permanently.

Troops 35 and 21 of the Zeeland Boy Scouts enjoyed an over-night hike to Poppen's woods, two miles southeast of the city last week. Knoll and Marcia, all of Holland, and Mrs. Willis Hulsman of Overisel. The time was very pleasantly spent and a delicious lunch was served by the hostess.

The guests present were Freddie Bosma, Glenn Wolters, Bruce De Pree, Philip Barron, Gerald Heuvelhorst, Raymond Kleis, Cornelius Blankenstein, Merle Taylor, Henry Johnson, Justin Dale Elhart, Junior Kuipers, Ethel Wildschut, Lila De Pree, Elma Prins and Bernice Wolters. The time was enjoyably spent in playing games and Mrs. Elhart served a delicious lunch. Baxter Jay received many beautiful gifts.

Miss Julia De Koster was the guest of honor at a party given for her on the occasion of her birthday anniversary by Mrs. Fred Veldhuis at her home, 532 East Main street, Zeeland, last Wednesday, the 30th of April. HAMILTON

Ben Kooiker, Hamilton's jovial milkman, has informed his customers that he will reduce the price of milk to 8 cents per quart beginning with the first of next month. This past winter Ben has found it necessary to install several costly improvements in order to give his patrons the best kind of service and the reduction is no doubt a sacrifice on his part.

While the local farm bureau is busy with the building of an egg exchange, they are already being swamped with eggs to such an extent they do not know how to take care of them. Last Saturday they received more than 200 cases. It seems that the new building will prove to be one of the biggest things accomplished by the organization. The building is being rushed to completion. The excavation and cement work will be finished this week and it is expected that a large force will begin the building next Monday. Iola Butler of Dunningville has joined the office force and several men have been added to the egg department.

The new Ford has arrived in Hamilton. This is at least the claim of Eding & Co. We have seen the car, but frankly we are not sure, inasmuch as it does not look at all like what the Ford formerly looked. We have looked the

car over quite closely, both inside and out, and found everything as much bigger, better and more beautiful. He will have to give us a free ride before we will believe him.

Rev. Edward Tanis and family of Grand Rapids visited their parents here last week, Friday.

Mabel Joostbein submitted to an operation for appendicitis at Holland hospital last week, Monday. The young lady is recovering rapidly and expects to return to her home soon.

Fire Destroys Woods

Along High Sand Dune

A threatened serious fire on the wooded sides of Five Mile hill south of Grand Haven on Lake Michigan was stopped after the southeast side of the hill had been burned over. The flames, sweeping up the hillside ahead of a brisk easterly wind, destroyed the underbrush and damaged many fine trees.

Heavy smoke was rising from the burning brush when the alarm was sent in. The Grand Haven fire department responded and the firemen carried hose up the sandy paths to get at the flames. There were 1,200 feet of hose laid within a short time and the south side of the hill, the dryest, was wet down while volunteers and firemen with shovels formed a fire line on the summit.

The south side of the hill was the danger spot with cottages in the resort district in the line the fire would have to traverse. Had the blaze passed the hilltop, it would have endangered cottages quite a distance away as it could not have been fought successfully in the valleys, firemen said.

In addition to the firemen, 50 or 60 volunteers fought the flames. A watch was kept the greater part of the night. The place has been the scene of several threatening fires in the past. Cause of the fire Saturday was unknown. "Five Mile Hill" is one of the big sand mountains near Grand Haven.

THE SNAKE AT DINNER

HAS A ONE-TRACK MIND
Once a snake has started to eat something it is physically impossible for it to stop because of the manner in which its teeth bend in. For this reason if two snakes get hold of the same piece of food that is not easily torn apart one of the snakes is quite likely to be swallowed by the other.

Tulip Time in
Holland Just
Around Corner

Program for Week's Doings Quite Well Arranged—Many Features to Be Added

It is evident that "Tulip Time in Holland" has almost arrived, although blossoms are still tightly tucked away in the buds and will not appear for ten days yet, with favorable weather.

Frank M. Lieve, president of the Holland Chamber of Commerce, was the advance guard of the celebration, and Monday formally extended a nationwide invitation over Station WLS, Chicago, to attend Holland's third annual tulip festival—May 13-20.

During the week various Holland and out-of-town musical organizations will render diversified programs. Holland merchants will decorate their windows. Members of the National Guards will assist in directing traffic. Open house will be held at various public schools. School authorities and citizens will cooperate in the festival activities by putting Dutch costumes on their children so that Holland will be transformed into a typical Netherlands atmosphere.

The program virtually has been completed. Special days are: May 16, governor's day; May 17, Grand Rapids; May 18, Holland; May 19, farmers; May 20, merchants.

The week's activities will be ushered in Thursday, May 12, at 3 p. m., with the annual street scrubbing event. Men and women in the Dutch costume will spread the cleaner and push their brushes.

Friday, May 13, will feature the dedication of the annual flower show in Holland Armory and the home garden flower show in the Woman's Literary clubhouse. Earl D. Burket, president of the Michigan Historical society, will speak at the flower show on "The Business Man's Garden." Prof. L. Krone of East Lansing will give the home garden show and talk on floral arrangement. The first annual parade of school children in Dutch costume will be held Friday afternoon.

Band music will feature the activities Saturday. Between 15 and 20 bands from various cities in the state will participate in a contest for a prize. Each band will pass the judges' stand at intervals between 3 and 6 o'clock in the afternoon. The annual orchestral and choral concert by Holland's civic choruses and orchestra and the Hope College chorus and orchestra, making a combination of 50 musicians and 200 voices, will be staged at 8:15 at Carnegie Hall.

Monday, May 16, at 7 p. m., a governor's dinner and dance will be held in Warm Friend Tavern. It is expected Gov. Brucker will attend. The Ufflas club of Hope College will stage the Dutch play, "Heerenknechts," in Carnegie Hall. The play covers two hours of comedy in colonial Dutch.

The high school opera, "Tulip Time," will be presented at the school auditorium May 19 and 20. A baseball game will be staged at Riverview park between the Finies Oil Colored Giants and the Holland Boosters May 19.

The Hope College orchestra and the Holland Civic orchestra will render a symphony concert under leadership of Mrs. Lucile VanAntwerp, on Saturday, May 21.

The B. H. Williams trophy, to be awarded for the best window display among the merchants during the Tulip Time festival, has been placed on display in the Warm Friend Tavern. Enthusiastic plans are being made by merchants and stiff competition in the contest will result, according to the Holland Chamber of Commerce. The cup is 24 inches in height and rests upon a good base. John Eaton, chairman of the finance committee, is custodian of the trophy.

It is understood that the hub of the tulip festival will be around Centennial Park where 300,000 tulips will burst out in full bloom. All main highways into the city will be fringed with blooms. There will be the two flower shows right near the park. It is expected that at least 2,500,000 tulips will wag their pretty heads in the breezes during tulip week. Holland extends an invitation to all from this vicinity and abroad, asking them to help participate in this festival—May 13-20.

Arnold Mulder Protests
Ban on Sex Novels

Declares Some of Greatest Art Literature to Be Found in Books Barred from Libraries

Declaring that some of the greatest art in literature is to be found in sex novels, Dr. Arnold Mulder of the faculty of Kalamazoo College in his address at the closing session of the state PTA convention held at Kalamazoo, declared himself averse to barring sex novels from public libraries. He took issue with the attitude of those who would confine the contents of public libraries to books which might be read by a girl of 16. He maintained that there should be books on the library shelves for mature minds, but admitted that there were some books which should perhaps be withheld from immature minds. He declared it the duty of the public library to provide books for all the people, including both the minority and majority.

"I should refuse to respect a library which barred sex novels," he declared.

He made special reference to Thomas Hardy's plays, some of Shakespeare's plays, and Galileo's "The Dark Cloud." Sex is fundamental, he said, and some of the greatest art is to be found in sex novels. The librarian, he said, must be a person of broad caliber and broad moral and intellectual sympathies.

HOLLAND TRACK LEADER

IS "MAN WITHOUT TEAM"

Mickey De Ridder, Holland high school athlete, has sympathy for the "man without a country." Mickey is in the position of a captain without a team.

Last spring DeRidder was named track captain for 1932. Several weeks ago, however, the athletic board of the high school decided to drop track activities this spring, and Mickey was left without a team. Mickey is a pole vaulter of ability and also runs the hurdles. He was a member of the varsity football team last fall, and has made a name in amateur boxing circles because of pugilistic talent.

FRUIT BELT HAS THE BEST
TASTING FRUIT—BUT...

Allegan Gazette:—Here in the land of the big red apple, where our best fruit has been selling for about \$1.25 per bushel, it seems strange to have our local merchants pay as high as \$2.50 per box for 100-lb. Washington apples. Winesaps which have to retail at four cents each. We hear a great deal about these western apples not having the fine quality of our Michigan apples, but they certainly do have color, size, perfection, and other particulars which are entirely lacking in our eastern fruit. This section has a lot to learn before it can make much of a claim to perfection in fruitgrowing, packing, and marketing.

The amount paid scrip labor in Grand Haven in March was \$416.62 less than in February. Anthony Pippel, city welfare director, stated. The dole and permanent relief in March totaled \$1,683.39 compared with \$1,316.13 in February. In the dole or temporary relief \$726.33 was for food, \$258.63 for fuel, and \$337.90 for rent. The permanent city charges received among the larger items included \$225.22 for food and \$39.37 for fuel.

Orrie J. Sluiter of Grand Rapids, former county clerk of Ottawa county, was in the city calling on old friends at the court house.—Grand Haven Tribune.

SPRING LAKE IS SHORT
OF CASH

Spring Lake township is about \$1,500 in the red in its township funds and a tax delinquency this year of \$33,000 has made it necessary to borrow \$5,500 in anticipation of 1933 tax collections. The loan is to be made on notes, two for \$2,000 each and one for \$1,500 with interest at six per cent as provided by law. The loans are to be payable March 1, 1933. Spring Lake township has spent about \$5,000 in welfare work this year and this has contributed to the need for borrowing money.

SIX SIMULTANEOUSLY CHALK
UP FIFTEENTH BRIDAL
ANNIVERSARY

Three members of the family of William Kooyers of Crisp simultaneously celebrated their fifteenth marriage anniversaries last week. The three couples were: Mr. and Mrs. George Nienhuis, Mr. and Mrs. William Kooyers, Jr., of Crisp and Mr. and Mrs. Manley Looman of Zeeland. Kooyers, Mrs. Nienhuis and Mrs. Looman are brother and sisters. The triple matrimonial alliance was formed in 1917 in one ceremony at the home of Mr. and Mrs. Kooyers by Rev. Gerrit Tyse of Holland, then pastor of the Reformed Church in North Holland. Mrs. Kooyers, Sr., has since died.

ZEELAND-HOLLAND
TOWNSHIP STAGE
ACHIEVEMENT PROGRAM

The sixteenth annual county achievement program for home demonstration groups in Ottawa county is to be held this year in the Zeeland High school gymnasium on May 11. This event will mark the close of the four extension projects which have been carried on throughout the year by rural homemakers, nutrition II, home furnishings II, and child care and training I and III.

Chairman of the various committees arranging for the day are: General arrangements, Mrs. Walter Wierenga, Zeeland; publicity, Mrs. Fred Twiest, Jenison; program, Mrs. William Bos, Jamestown township; exhibits, Mrs. Thomas Kraai, Zeeland township; hospitality, Mrs. S. P. Wiersema, Holland township.

Mrs. Mahel Boss, Miss Lillian Boss and Mrs. Simon De Boer are visiting at Kentucky for two weeks.—Martin Ten Brink and Oscar Van Anroy spent the week-end in Detroit.—Richard Plaggenmeyer was a business visitor in Detroit Monday and Wednesday.—Mrs. M. J. Van Kolken and daughter, Joan Elene, spent a few days in Grand Rapids.

Among Allegan young students attending Parsons business school in Kalamazoo this year, Miss Lillian Straub has received a real honor, winning second place by her high averages during a recent term. This entitled Miss Straub to a month's tuition free. Miss Jean Vaupell, who was graduated from the Allegan high school last year, has also received very creditable grades in her school studies there. Out of 140 other students, Miss Vaupell won third place in the school during the winter term. Her average was 96.7-20 per cent. This entitles her to a week of free tuition. These are exceptionally high grades and the young ladies winning them are deserving of much credit.—Allegan Gazette.

Many Wanting
Pheasant Eggs
This Season

Applications to Conservation Department Will Exhaust Supply, Is Belief

Applications for ringneck pheasant eggs already received by the Game Division of the Department of Conservation will take all of this spring's available supply, it was announced today.

Requests for eggs are considered in the order in which the formal applications are received at the Lansing office of the Department, so that it is unlikely that any new applications can be filled. It is stated that there were not a few applications from Ottawa county for hatching.

The first pheasant egg was obtained at the game farm April 9, but the bulk of the birds will not begin laying until the latter part of April. Most of the early supply of eggs—between 11,000 and 12,000, will be kept for hatching at the Mason game farm and branch rearing farms. A second hatch of 10,000 more eggs will be set soon after the first hatch comes off.

After sufficient eggs have been retained for the first game farm hatch, eggs will be sent out to those whose applications for them have been approved.

FIRST ZEELAND OPERETTA
TONIGHT

The first annual high school operetta to be staged by the Student council of Zeeland High School will be held this Friday. The leads will be taken by June VanPurse, Gladys Van Hattum, Deon Dekker, John Wynander, Gilbert Plasman and Burton Archer. A cast of 50 persons supports the leads. Miss G. Moeke and Ralph Miller, music directors in the schools, are directing the production.

GIVEN \$504 DAMAGES
FOR "SCRAMBLED EGGS"

Joseph A. Smith was awarded damages of \$504 by a circuit court jury of Allegan County Friday in his automobile damage suit against Otto Schweikert of Hopkins. In a collision with Schweikert's car several months ago, five miles north of Allegan, Smith's truck, loaded with eggs, was upset and the eggs scrambled all over the highway. Schweikert filed a cross bill for damages to his wrecked car and for injuries to the eyes of his son Max, who was driving.

The Beechwood Junior Boosters enjoyed a five-mile hike through Waverly last week, Tuesday evening. Following the hike the girls had lunch.

Poultry School

To Come Soon

Models of Buildings and Equipment Carried by Many Counties and Talks Given on Poultry Management

A truck equipped by the poultry department of Michigan State College to show some of the methods which should be used to grow healthy chickens will visit twenty-five counties in the state, including Ottawa and Allegan counties, between April 28 and June 9.

Michigan flock owners see some prospect for better prices due to a decrease in eggs held in storage, smaller numbers of laying hens kept on farms, and fewer numbers of baby chicks bought this spring to be grown for layers, according to the poultry department at the College.

The College department says, however, that profits from any flock, especially under present conditions, depend upon the quality of the birds in the laying flock and that good birds can not be placed in the laying house unless great care is exercised in raising the birds. The Better Chicks truck will carry models of all types of poultry houses and of poultry house equipment.

Some of these models show how home made equipment can be made. A watering device which is shown on the truck can be built by any poultry raiser and will save a great deal of time in watering the birds. Self feeders for mash or for grit and shell can also be built from plans shown on the truck.

A member of the College staff will attend each meeting where the truck stops and will talk about methods which will produce healthy birds. County agricultural agents arrange the time and place for the meetings in each county.

The truck will be at the College during the Egg and Chick Show to be held May 17, 18, 19 and 20.

THE DARK BOYS WILL
OPEN BASE BALL
SEASON HERE

Illinois Colored Giants at Riverview Park Next Week, Friday.

The Illinois Colored Giants baseball club, the team that used to jam Holland's baseball park when playing the Holland Independents, will be here next week, Friday afternoon, to officially usher in the 1932 baseball season. The colored Giants of Chicago, has been scheduled to face the Holland Boosters.

Fans who recall the golden baseball days of the old Independents will remember the rivalry between Manager Rogers of the colored team and Springs To-Roller of the home club. Rogers is bringing the world's colored traveling champions for another engagement here.

Although the Independents passed out of the picture several years ago, Benny Batema, well known member of the team, has a club of hustling young ball players who perform under the name of the Holland Boosters. The Boosters copied the city league championship in 1930 and finished second last year.

Benny hopes to carry on for the Independents against the Hartford Giants. He has added two new players, Carl Van Lente, former Hope college star pitcher, and Russ Woldring, son of "Babe" Woldring of diamond fame. Both boys are pitchers and will bolster the Booster mound staff of Ed Walters and Russ Sakkers.

The colored Giants will bring a team of stars that set a record last season with 138 victories and only 2 defeats. The Chicago boys are athletes who make it their business to play ball, yet they are entertainers known the country-wide.

The team is composed of some of the greatest ball players in the country today, including former college stars and world champion professional stars. In spring practice the Giants took a decision from the Dayton, Ohio, Central League team. Hubbard, the star southpaw, who won 19 games without defeat last season, let down the minor league club with 5 hits.

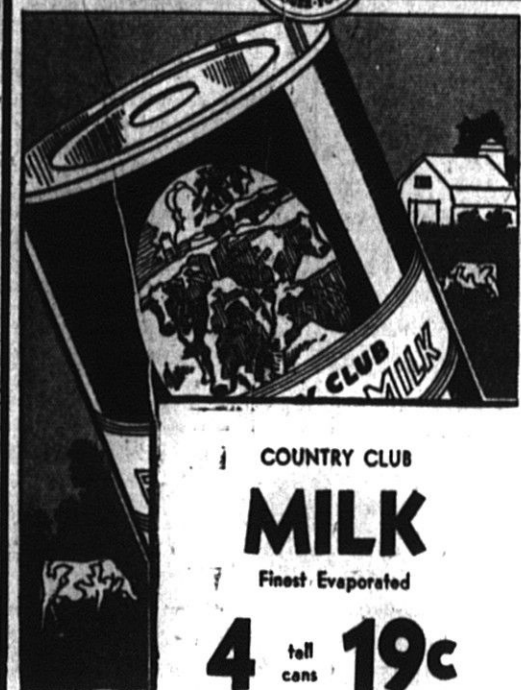

The Holland Boosters have been practicing daily for more than two weeks, and Manager Batema hopes to have his team in good shape for the game. Batema will probably start the same combination that has worked so effectively in the past three seasons.

The opening game will be played at 4 o'clock in the afternoon. The admission price has been set at 25c to allow everyone in Holland and vicinity the chance to see the great Hartford Giants in action.

Opening day ceremonies will also be staged, with some city officials throwing the first ball. The Boosters will be decked in brand new uniforms that have been purchased by local merchants.

One hundred one families have received aid this week when 40 barrels of flour, sent to Zeeland by the American Red Cross will be distributed by William Glerum, chairman of the city aid committee, and Gerrit P. Rooks, director of civic welfare.

Although Holland's church life is represented in 30 denominations, approximately 80 per cent of its entire population is affiliated with the Reformed and Christian Reformed denominations. The Reformed Church of America is represented by eight churches and the Christian Reformed Church in America by six. The significant fact, however, is that the two denominations represent virtually the same strength. Statistics compiled from the annual report of the Chicago synod show that the total number of communicants and baptized noncommunicants connected with the Reformed Church in America is 5,969. Figures taken from the annual yearbook of the Christian Reformed Church in America credit that denomination with 5,730.

KROGER'S FOOD NEWS

BOYS FALL ASLEEP BESIDE FIRE IN BOX CAR, HAVE NARROW ESCAPE

Grand Haven Tribune—A narrow escape from fire was reported today by the city police, when they discovered two boys, Horatio Fuller, 17, and Lyle Martin, 17, of Hartford, sound asleep in a burning box car on the Pere Marquette side tracks about 2:30 a.m. today.

The fire was discovered by Steven Dykema, who lives nearby, when he was coming home this morning. He saw considerable smoke and called the department. The firemen found two sleepy-eyed boys, when they were sufficiently awake, confessed that they had built a fire inside the car earlier in the night to keep warm.

They said they had made their way from Hartford, near Benton Harbor, there for looking for work. They were taken to the county jail but were later released and told to return to their section of the state.

The car was partially burned inside, but as there were no contents little damage was done.

HOLLAND BOY'S ARTICLE PUBLISHED IN MAGAZINE

Below is a reprint from an April magazine under a column entitled "Ho, For More Pocket Money."

"Most golfers," says Rudolph Nichols of Holland, Michigan, have plenty of golf balls that are perfectly good except for the cracked and discolored enamel that makes them hard to find. He buys—gold ball enamel at a sporting goods store—25 cents a can—and gives each ball two coats. The enamel will dry in less than three days, so that a ball can be painted twice and delivered within a week, at a charge of a dime. Nichols has worked up a steady business."

Rudolph Nichols, son of Dr. and Mrs. R. H. Nichols, Twelfth St. and Pine Ave., Holland, is at present a senior at Hope college. "Rudy" admits that the dollar he received for the contribution netted him more than the profits from the business enterprise. The article was written about 10 years ago, when Nichols was a caddy at the Holland Country Club.

YOUTH "BORROWS" CAR AND GIVES SHERIFF EXCITING CHASE

Louis Painter, 17 years old, of Grand Rapids, gave Sheriff Cornelius Steketee and Deputy Jack Spangler an exciting time a few days ago.

Painter "borrowed" an automobile in Grand Rapids for a ride. He stopped in Coopersville to buy gas but left without paying for it. The gasoline man called the sheriff, who set out in his car with Deputy Spangler. They accosted Painter in Spring Lake but he refused to stop and stepped on the gas. The officers turned around and followed but near Christmas's lumber yard, south of the village, Painter lost control and the machine hit a tree. Painter took to his heels, pursued by Sheriff Steketee, who fired several shots in the air. The officers finally located him in the coal chute of the Hunter Robbins residence. Grand Rapids officers took him back, returning the car, slightly damaged, to its owner. Painter is on probation from Kent circuit court. Steketee stated in Holland a few days ago that it was the hardest run he has had in years, even worse than running for sheriff, "but he got his man."

THEDFORD DIRKSE OUT-STANDING VALEDICTORIAN; ZEELAND GIRL SECOND

Thedford Dirkse of Zeeland set a new record among high school graduates by attaining 124 points on straight A credits in his four-year course in Holland Christian High school. He was named valedictorian of the class at the June commencement, as announced Thursday by Principal John A. Swets.

Janet Staal of Zeeland was named salutatorian with credits of 115 points. Annetta Bouma placed third with 111 points. Miss Staal was awarded the all-school citizenship trophy for girls in 1930.

The class numbers 49. Commencement exercises will be held June 14 in Central Avenue Christian Reformed church.

THREE MEN, OFFICERS GET SOAKING IN TRIP FROM BOAT TO JAIL

"Three Men in a Boat" to say nothing of the police, with apologies to Jerome K. Jerome, had troubles that were as nothing compared to the efforts made to get William Fritz, Tom Clark and William Lievens of Grand Haven, who were in a fine state of inebriation, from the Smith Bros. tugboat, that lay at anchor in the south channel. The men were taken across a small plank into a leaky boat, all headed for jail.

Tom Clark, who tips the scales at about 200 pounds, was placed in the rear of the boat. His weight, combined with the condition of the boat, soon drew the stern down into the water and Clark realized he was getting pretty wet. The officers were good natured and got a good time out of it as did the "three musketeers," despite the loom of the police court.

They appeared before Justice John Easterly who sent the men to the county jail for 10 days for being drunk and disorderly and the officers went home to dry out their clothes.

ALLEGED INTRUDER TAKEN IN HOLLAND

Police Saturday were holding a man who gave his name as Arthur Krulwich of Chicago following his forcing entrance into a private home and a Hope college fraternity house and talking at length about being a big watch manufacturer and having been on the train with the Lindbergh baby.

The man forced his way into the home of Ralph Docter, prospective graduate of Western Theological seminary, took an easy chair and asked whether he wanted to sell a baby or a dog. Docter finally got the intruder out and followed him to the college fraternity house where the man blew the horn of an automobile standing in front, walked into the house, took a chair and began playing the radio. He talked to students at "a blue streak" about various subjects including the Lindbergh baby kidnapping.

Police took him into custody and reported finding a card in his pocket bearing the name of a specialist on mental and nervous disorders. Police immediately attempted to get in touch with Chicago authorities.

COMMON COUNCIL

Holland Mich., April 16, 1932

The Common Council met in special session pursuant to call by the Mayor. Present: Mayor Brooks, Alds. Kleis, Prins, Woltman, Vandenberg, Hyma, Steffens, Habing, Jonkman, Thomson, Veltman, and the Clerk. City Atty. McBride, Arthur W. Wrieden, Chairman, of the Industrial Committee of the Chamber of Commerce and Frank Lievens, Pres. of the Chamber of Commerce, were also present.

The Mayor stated that the meeting had been called principally for the purpose of considering a proposition from the Industrial Committee of the Chamber of Commerce which he would ask Mr. Wrieden to present since he had given the matter considerable study and was familiar with the proposition.

The Mayor, before calling upon Mr. Wrieden, however, stated, that he had been approached by Mr. Berg, Mgr. of the local Gas Co. relative to the 10th St. situation where several trees and curblaws had been destroyed by gas.

The Mayor stated that upon recommendation of the Park Board, it had been deemed advisable to wait until next fall before replacing the trees which were destroyed. The Mayor further stated that it was the wish of the Gas Co., however, to put the curb lawns in shape for the summer by filling in with black dirt where stumps had been removed and low grass seed so as to make a better looking street for this summer, and wished the approval of the Common Council to go ahead with this project.

Proposition of Gas Co. approved. Mayor Brooks then called upon Mr. Wrieden to explain the proposition as worked out and proposed by his committee. Mr. Wrieden then outlined the whole matter and went into considerable detail in some instances showing that the project had been gone into very carefully and thoroughly. He briefly stated that the proposition was as follows:

Mr. A. Visscher of the Ottawa Furniture Co. had secured an order for about \$48,000.00 in juvenile furniture, but was not in a position financially to go ahead without some assistance. It was explained that lumber and other materials could be secured from various firms without an immediate outlay of funds, but that it would be necessary to get about \$10,000.00 to pay for the labor in making up this furniture. Mr. Wrieden stated that a committee composed of Mr. Chas. Kirchen, John Vander Veen, B. P. Donnelly and D. B. K. Van Raalte, had gone into the matter with Mr. A. Visscher and found that these goods could be made up at the prices agreed upon without taking any loss also there would not be much profit for the manufacturer. It was further explained that it would require about three months to complete the order, and perhaps 75 to 90 men could be employed during this time. It was proposed to hire furniture workers from among the list of unemployed that are now being helped by the City. It was further explained that there was about \$3,500.00 in the Bonus Fund of which Mr. Otto P. Kramer is Treasurer, but the Bonus Fund Trustees did not feel at liberty to use this money for this purpose without the approval of the Common Council. It was further explained that if the Council would approve of using this \$3,500.00 and agreed to pay an additional \$6500.00 for labor as the same became due, that work on this order could be started immediately and give considerable relief to unemployed.

It was further explained that the terms of the contract covering this order specified that 75% of the money would be paid when the furniture was completed and stored in the warehouse. The firm planning the order was found to be very reliable and financially able to comply with these requirements. City Atty. McBride stated that it would be permissible to loan money to the Bonus Fund Trustees for such purpose.

After considerable discussion, and

On motion of Ald. Hyma, 2nd

RESOLVED, that the Bonus Fund Trustees be authorized to loan \$3500.00 for the above mentioned purpose.

Carried, all present voting Aye.

On motion of Ald. Vanderberg, 2nd by Prins,

RESOLVED, that the City of Holland loan to the Bonus Fund Trustees an amount of approximately \$6500.00 as the same may be needed for payroll purposes on the proposition as outlined by Mr. Wrieden, and

RESOLVED further, that the interests of the City of Holland in entering into such an agreement be looked after by the Mayor, City Atty. and Mr. Wrieden.

Carried, all present voting Aye. Adjourned.

OTTAWA COUNTY FARM NOTES

An examination of tip buds on apples reveals the fact that about fifty insects are now on every bud. Aphids will cause tremendous damage in producing misshapen leaves and knotty unmarketable apples. Apples should be sprayed immediately with lime sulphur two and a half gallons, nicotine sulphate one pint, lead arsenate three pounds in one hundred gallons of water.

Apple growers who do not spray certainly will have no good fruit to market, says Agricultural Agent Milham. This will be the worst insect year known from all indications, and farmers who do not combat insects with the right materials and at the right time will lose tremendously.

Sheep and beef breeders and feeders will meet in Ottawa county next week for demonstrations and instructions by Delmer H. LaVoit from the state college. On May 3 at 10 a. m. sheep breeders will meet at the William Rasch farm in Wright township for demonstrations in drenching for internal parasites, coking and castrating lambs and to discuss dipping and summer pastures. At 1:30 p. m. beef breeders will meet at Gerrit DeKleine's farm in Zeeland township to discuss feeding, management and marketing and to conduct a judging contest. The use of skim milk and pastures will also be discussed. Both meetings have been arranged in response to requests made to Agricultural Agent Milham.
