County Board Approves Report On Equalization

Assessed and Equalized
Valuations Are Boosted
By About \$2,000,000

GRAND HAVEN (Special)—The Board of Supervisors approved the report of the equalization committee at its Wednesday session and granted a millage of 4 1/4 mills including county schools for 1953. The latter figure is a quarter of a mill less than last year's figure of 4 3/4 mills.

Total valuation of Ottawa county as assessed is \$95,054,555 and total valuation as equalized is \$110,384,973. In all cases, the equalized figure is more than the assessed figure with the exception of Grand Haven city and Georgetown township. Last year's figures called for a county total as assessed of \$92,974,749 and total as equalized of \$108,669,966.

Holland city has 1,818 acres assessed with a real estate valuation of \$16,384,500 and personal property valuation of \$7,077,400 for a total valuation as assessed of \$23,461,900. The equalized valuation is \$30,788,414 or 27.89 per cent of the county total.

Zeeland city has 1,026 assessable acres with a real estate valuation of \$3,700,050 and personal property of \$1,096,200 for a total valuation as assessed of \$4,796,250. The total equalized valuation is \$5,924,019.

Grand Haven city has 2,591 acres, a real estate valuation of \$15,548,335, personal property of \$6,622,300 and a total valuation as assessed of \$22,170,635. The total valuation as equalized is \$19,728,071.

Holland township with 21,070 acres has a total valuation as assessed of \$7,700,930 and equalized valuation of \$9,735,627. Park township with 10,218 acres has a total assessed valuation of \$5,395,375 and equalized valuation of \$6,363,959.

The board voted to employ the services of the Personnel department of the Municipal League to classify various officers and salaries of employees of the county at an estimated cost of \$1,000. This information for 66 employees is sought in advance of adopting the new budget in October, but it was pointed out that the board is not bound by the recommendation of the survey company.

Aug. 12 was set as date for the annual county employees' picnic. Sheriff Jerry Vanderbeek is general chairman.

The board approved a resolution requesting the state to increase subsidies to pay half the daily patient cost in tuberculosis sanitariums. Another resolution opposed Senate Bill 1307 in which taxes would be levied on state equalization instead of county equalization.

The board adjourned subject to call by the chair.

Driver Is Given Year's Probation For Negligence

GRAND HAVEN (Special)—John Robert Scholten, 21, Grand Rapids, who pleaded guilty April 16 to a negligent homicide charge, was placed on probation for one year when he appeared in Circuit Court today for disposition.

Scholten, a Hope College student, was charged as the result of an accident last Feb. 2 near Holland in which Clarence Rozeboom, 21, Coopersville, was fatally injured. Conditions of the probation are that Scholten pay \$5 a month fees and is deprived of driving privileges for a year.

In pronouncing the probation, Judge Raymond L. Smith said, "These negligent homicide cases are most difficult to dispose of. This case is a case of simple negligence that had drastic and fatal results."

Fred C. Bell, Jr., 40, of 936 14th Ave., Holland, formerly of West Allis, Wis., who pleaded guilty last Sept. 18 to a charge of issuing a check with insufficient funds was placed on probation for two years and ordered to pay \$5 a month oversight fees. On Saturday Bell arranged with the complainant, John Riemersma, to make restitution for the \$120 check which was dated March 1, 1952. Other conditions of the probation are that he refrain from drinking or frequenting taverns, and that he not leave the state without permission of the court.

Elvin A. Peterson, 22, Fruitport, pleaded guilty to a charge of forgery and will return May 7 for disposition. He is charged with passing two checks, both for \$24.90, one of which was cashed by S. J. Piasecki of Zig's Bar-B-Q in Spring Lake township.

Kenneth Givens, 18, of 49 West Ninth St., who has been in court several times on a negligent homicide charge growing out of an accident Sept. 23, 1951, on M-21 near Zeeland, told the court today he would plead guilty "to get this case over with" but the court refused to accept his plea under those circumstances. A jury trial was set for May 7 at 9 a.m. Besie Frances Barrett, 19, of Holland, was fatally injured in the accident.

State Protests Award for Local Rendering Works

Highway Department
Seeks Another Hearing
Before New Commission

GRAND HAVEN (Special)—A motion to set aside the \$80,220.10 settlement which three commissioners awarded the Holland Rendering Works after a four-day condemnation hearing in Circuit Court last month, was filed Wednesday with the Ottawa county clerk by the State Highway Department.

Assistant Attorney General Victor H. Meier, representing the highway commissioner, filed the motion contesting the action of three commissioners who had been appointed by Circuit Judge Raymond L. Smith to determine compensation for the rendering works. The plan must be moved to make way for the relocated US-31 which will by-pass Holland on the east.

Meier's brief listed 31 points opposing the decision, and requested the court to set aside the award and appoint a new commission to determine compensation, with instructions to make a finding "no lower than \$25,000 or higher than \$35,000." Judge Smith has not as yet set a date for hearing on the motion.

The 31-point brief charged that the award was excessive, was not supported by the record, was based on incompetent and prejudicial testimony, was contrary to the facts in the case and to the law, that the award was based on prejudicial appraisal testimony of witnesses who did not examine the property, and that the commission committed prejudicial error by compelling a buyer to testify he would settle for \$80,000.

The report further said the "capitalization of income" method used by owners' appraisers was based on hypothetical facts and ignored the condition of buildings and machinery. It said the method ignored the fact that failure to keep buildings in good repair the last five years gave a false net income on which to compute value, and also ignored the fact that part of the gross income was derived from two properties not taken by the state plus the fact that gross income was derived from operating several trucks and other like equipment not being taken by the state.

It also stated that it was prejudicial to allow testimony on new road costs, the cost of four new wells, the cost of new piping, or to allow testimony on removing old electrical equipment and establishing it elsewhere.

Commissioners who made the award were George Swart of Grand Haven, George Branstetter and Frank Beaubien of Spring Lake township.

W. B. MacWhirter of Grand Rapids, architect, and Harvey Scholten of Spring Lake, attorney, explained details at the meeting, which was well attended.

The meeting was called by the school board and members of a building committee including Louis R. Van Dyke, Don Essenburg, John Derks, Leonard Fought and John Bronkema. Members of the school board are Herman De Visser, Adrian Casauwe, Floyd Prins, Abel Nienhuis and Raymond Rouwhorst.

Allegan Council Has Organization Meeting Monday

ALLEGAN (Special)—Allegan's City Council reorganized Monday night amid a full quota of feedin' and fussin' over one old and one new topic.

The controversy over the proposed relocation of M-118 within the city died a sudden death when Mayor Francis Hanson concluded a rehearsal of the situation by reporting that council had agreed not to push its plan for rerouting the highway.

Both Mayor Hanson and Mayor Pro-tem Stewart Miller were re-elected by acclamation after the "old council" adjourned and the "new" convened by seating newly-elected councilman, L. C. Curlin and Walter Kyes, starting his eight year as a member.

More than 20 local flying enthusiasts were on hand for discussion of the renewal of Michael J. Uramkin's lease as airport manager.

A group with Robert Swope as spokesman presented a plan under which the field would be operated by a committee of five under direct control of city council. Swope said Bert Person had agreed to serve as manager under such a program. The plan was presented in the form of a petition, signed by 20 persons interested in flying.

Uramkin commented on some of the problems involved in keeping a small town airport in good condition, but contended that he had lived up to the terms of the lease. He pointed out that the field was not an "open field" but was listed as an auxiliary or emergency field by the state. He said that under present regulations the field cannot be approved by the state because the runways are too short.

Prosecutor Dwight Cheever, a pilot himself, said present state regulations work a hardship on small town air fields and urged that city council go on record as favoring changes in the regulations. He pointed out that the Wayland field is the county's only licensed airport.

Major Robert Hammel, commander of the Civil Air Patrol's Group Nine, which includes the Allegan unit, said he was on hand to dispute a statement made recently before the council that the Allegan field was unsafe. He said the CAP would not have used the field for its March 26 search mission if the field was not safe. The Kalamazoo man spoke briefly on the value of the local CAP unit which now includes 40 senior and 32 cadet members.

Council concluded the discussion by accepting Uramkin's notice of intent to renew his lease of the field for another year. The present lease expires May 18.

Mayor Hanson reported on a recent conference with Deputy Highway Commissioner Harr Coons in Lansing regarding the new North Side bridge and the council's proposal for an alternate route. Hanson said the city's original idea is suggesting a relocation to eliminate the long, Eastern Ave. detour during construction of the new bridge. He said the highway department is definitely planning to build a \$25,000 temporary bridge alongside the present structure.

Although no designs have been completed either for the bridge or its approaches, City Manager P. H. Beauvais said it would be reasonable to hope that the Grand St. grade and the Grand-Main intersection would be improved. Beauvais said the only dark side to the state's present plan is the probable loss of shade trees on Grand St. between River and North Main due to widening of the street.

Week-End Snowstorm No Threat to Tulips

Holland's tulips, scheduled to bloom in three to four weeks, were bravely keeping their foliage above the snow this week-end as spring took a holiday and winter returned, complete with light to heavy snowfalls.

Although the foliage looked pathetic peeping through the snow, Park Supt. Dick Smallenburg was far from worried. "They are hardy plants—those tulips," he said. "The snow will do them some good and get more moisture into the ground."

Smallenburg said he would welcome nice spring weather any time, though, and since most tulips already have shown buds they would be blooming in two weeks if the weather warms up. "But I don't worry," he added. "I gave that up 20 years ago. It doesn't do any good."

Winter weather enveloped practically the entire northern half of the country. A swiftly-moving snowstorm dumped about three inches of snow in the Pittsburgh area, but the stuff melted during brief sunny periods. At least nine persons were killed and 15 injured in auto accidents in Pennsylvania Sunday. Most of the accidents were due to road conditions.

The Midwest also got its share of snow as flurries hit Illinois and the Great Lakes region.

Even Sunny California suffered at the hands of the fickle elements. Light rain fell in central and southern California.

Farmers Union Hears Speaker From Detroit

A large group of Farmers Union members and guests met for a chicken dinner last Thursday evening at Zeeland Community Hall. Speaker was C. C. Gilliland of Detroit, who spoke on the dealings of a bankrupt Lapeer mutual insurance association.

He showed pictures of the eviction of a farm woman from her home for dues the association claimed she owed, although the fact was, he said, that she never had a policy with the association. He told of other similar cases in which dues charged were not owed by members, according to the record. He said some of these cases will be tried in court.

An open meeting has been arranged for Monday night, April 27, at 7:30 in Zeeland Community Hall when Mr. Gilliland again will explain proceedings of this bankrupt mutual company and will illustrate with pictures. All members and friends are invited to attend.

County Board Considers Hiring Psychiatric Aide

Health Committee
Will Study Request,
Report in October

GRAND HAVEN (Special)—After a lengthy discussion, the Board of Supervisors Tuesday afternoon turned over the matter of employing a psychiatric social worker for Ottawa county over to the Health committee for study and report at the October session.

Appearing on behalf of the request for a full-time psychiatric social worker were Stephen J. Mead, Grand Haven Junior High principal; Jennie Kaufman, county school superintendent; Mrs. Wilver Drost, Muskegon Child Guidance clinic; Florence Vander Woude, supervising nurse of the Ottawa County Health department; Mrs. Tom Newman, League of Women Voters; Mrs. Henry Rottschaefer and Mrs. Robert Horner of Holland; Charles Veldhuis, Hudsonville school superintendent; Mrs. Mayo A. Hadden, Department of Social Aid, and Ralph Van Volkenburg, Grand Haven school superintendent.

Mead said there is a great need for such a worker in Ottawa county to work on a local level with mothers and fathers in the home. Mrs. Drost gave a detailed report on Muskegon clinic activities, showing that 62 children in Ottawa county were given last year. She said 34 Ottawa children were given service during the first three months this year and there is a waiting list of 17 from the county. She said the psychiatrist employed in Muskegon works 4 1/2 days a week, 75 per cent of the cases coming from Muskegon area and 25 per cent from Ottawa county.

It was brought out that cost to the county would be about \$4,800 for salary and about \$500 for travel expenses. Office space would be available in both Holland and Grand Haven.

In other business, the buildings and grounds committee was given authority to blacktop the parking area at the court house at an anticipated cost of \$4,600.

To be further discussed at today's meeting was a report of Mayor Claude Ver Duin of Grand Haven on classification of county officers and employees. Ver Duin said two services are available costing \$732 to \$952 for reclassifying 61 employees in the court house and the sheriff's department. He recommended that the board have classifications completed before the October session when salaries are determined.

Two more members were added to the committee on drains by Chairman Clarence Reenders. The new members are Robert S. De Bruyn of Zeeland and Chris Fendt of Port Sheldon. Other members are C. Szopinski, Dick E. Smallenburg and Nicholas Frankens.

A request from Paul Bakale of the Bakale & Kossuth Construction Co. for \$300 for work done for a Robinson township resident on what was later found to be a county road was referred to the Good Roads committee.

The board approved a resolution from the committee on drains asking for an independent commission be appointed by governors of states bordering on the Great Lakes and by the President of the United States to determine the cause or causes of high waters on the Great Lakes with a view toward the regulation.

Hospital Drive Spurred By \$100 Gift From Burtts

The drive for associate memberships in the Holland City Hospital Auxiliary was boosted today by a \$100 gift from Mr. and Mrs. Horatio H. Burt of Stanford, Conn., one of several gifts the couple has already given to Holland Hospital.

The check was accompanied by a warm note from Mrs. Burt who mentioned she expects to come to Michigan next summer and expects to stop at the hospital "standing on my own feet" to greet the staff. It was several years ago that Mrs. Burt was a patient at the hospital and was so impressed by the good service and warm hospitality that she and her husband made several gifts.

Aim of the drive is 1,000 associate memberships at \$1 apiece, the sum to apply toward the purchase of a badly needed second x-ray machine. Demands on the x-ray department have been so heavy lately that routine chest x-rays have had to be temporarily discontinued.

There are no children and Mrs. Jero was awarded her maiden name of Mac Sheppard. Celia Veldheer was awarded a decree from Kenneth Lloyd Veldheer, both of Zeeland. Custody of the two minor children was awarded to the mother.

State High Tops Holland Netters In Tennis Match

A strong Western State High School tennis squad edged the Holland High School netters, 4-3 on the 22nd St. courts Friday afternoon. It was Holland's first engagement of the season, following two earlier postponements this week.

Coach Joe Moran's club copped the first two singles matches but lost three others, while winning one of two doubles matches. Compiling with the request of the State high mentor to play the unorthodox five singles and two doubles matches, Moran was forced to switch one of his regular doubles combinations into singles. Most matches in the area among the larger schools, are played as four singles and three doubles.

The visitors have an exceptionally young squad with all nine men returning next season. A perennial powerhouse in tennis, the Kalamazoo squad had plenty of depth, particularly in singles, to cop the match. As it was, the outcome was close with three of the matches going three sets. The No. 1 doubles match was the crucial point, with the Kazoo due taking the third and deciding set of the hot event. Moran had little to comment following the match, other than that he feels his squad will improve as the year rolls on.

Young Henry Visscher, playing No. 1 for the locals, won a close decision from Larry Littig, 9-7, 3-6, 6-3. Paul Mack of Holland kept pace in the No. 2 singles match by stopping Don Flowers in three sets, 6-4, 5-7, 6-4. Pat Ryan of Kazoo, who played No. 1 last year, had little difficulty in the No. 3 slot as he downed Holland's Carl Visscher, 6-0, 6-0. In the No. 4 singles, Peter Platt of Western whipped Dave Bosch, 6-3, 6-1. Norm Scheerhorn of the locals, dropped the final singles event, bowing to John Sebaly, 6-0, 6-2.

Holland's No. 1 doubles combination nearly turned the trick, but finally lost out in the grueling three set match, 10-8, 2-6, 6-1 to Don Neal and Al Wise. Mark De Velder and Phil Boersma came through in fine fashion for the Dutch as they won the other doubles event by wallowing Joe Gills and John Sincox, 6-4, 6-0.

The locals will have a busy week coming up, meeting South Haven on Monday, Benton Harbor Tuesday, Muskegon Heights, Thursday and Kalamazoo on Friday.

Hope Net Squad Defeats Calvin

A strong showing in the singles department was the only thing that saved Hope college's tennis squad Thursday afternoon as they squeaked past Calvin college 5-4 at the 13th St. courts.

With the singles games played first Hope commanded a 4-2 lead as attention turned to doubles competition. But then defeats in both number two and number three doubles tied the match, and put the pressure on Warren Exo and Ron Bos who were still playing Calvin's Jim Doezema and Al Peelen in the top doubles game.

The pair took the first game quite handily, but then dropped the second. A solid finish was enough to pull them through giving them the match and Hope college a win.

Coach Ken Weller was "quite pleased" with the performance. Cold weather and injuries had hampered the team and the potential of the squad were unknown. He also had a chance to use everyone who had made practice regularly.

Singles—Warren Exo (H) def. Jim Doezema, 6-2, 6-4; Ron Bos (H) def. Al Peelen, 6-3, 3-6, 6-1; Bill Boeskoel (H) def. Dave Heisterder, 4-6, 6-4, 6-1; John Shrier (H) def. Roger Boersma, 6-3, 2-6, 6-4; Roger Postmus (C) def. Monte Dyer, 4-6, 6-4, 6-2; Bruce Bouman (C) def. Bob Langwig, 6-2, 6-4.

Doubles—Bos-Exo (H) def. Doezema-Peelen, 6-2, 1-6, 6-2; Bolesma-Heisterder (C) def. Dave De Vries-John Warren, 6-4, 6-2; Postmus-Bouman (C) def. Glenn De Pree-Vern Gebben, 6-0, 6-2.

Mrs. Dick Van Bruggen Honored on Birthday

Mrs. Dick Van Bruggen of 220 West 11th St. was guest of honor at a birthday party Thursday at her home.

Arrangements of daffodils decorated the table. Refreshments were served by the guests.

Attending were Mr. and Mrs. Darrt Hoobler, Mr. and Mrs. Neal Van Bruggen and children, Jerry, Gayle, Bill, Jimmy, Kathy and Sharon, Mr. and Mrs. Lester Hints and children of Grandville and Mr. and Mrs. Dick Van Bruggen.

Holland's Paul Wiegink and Muskegon's Bud Alore are practically even as they clear the second hurdle in the 120 yard high hurdle event at Friday's meet in Holland. Wiegink managed to pull into the lead and broke the tape first at 17.9 seconds giving the locals their only first place. Muskegon came back in every other event to take an 86-23 victory. Coming up at left is Holland's John Klaasen who copped third place and an unidentified Muskegon runner.

Three Standouts Pace Muskegon High Reds to One-Sided Track Victory

A trio of top flight trackmen paced Muskegon High School as they swamped Holland High Friday afternoon at the 22nd St. track. Final score was 86-23.

The three-Scutter, Starks and Alore—accounted for six firsts and two seconds to give coach Tom McShanock's Big Reds an easy victory. Scutter copped first in the 440, high jump and broad jump, Starks won the 100 and 220 yard dashes, while Alore placed first in the 180 low hurdles and second in both the 120 high hurdles and broad jump.

For Holland it was again Paul Wiegink who salvaged the locals only first as he led the field in the 120 yard high hurdles. He also managed a second in the high jump and the 220.

Results in order of finish: 120 high hurdles—Wiegink (H), Alore (M), Klaasen (H), 17.9. 100-yard dash—Starks (M), Thompson (M), George Cook (H), 16.6.

AAUW Panel Describes Experiences in Europe

"Europe Through the Eyes of Our Members" provided an interesting and highly entertaining program for Holland Branch, American Association of University Women, meeting Thursday evening in Durfee Hall.

In an informal panel discussion, seven branch members who recently visited Europe told a variety of experiences and observations during their travels. Miss Eleanor Smith acted as chairman and Miss Beth Marcus, as interlocutor, for the discussion.

Panel members opened their discussion by stating reasons for their European trips—Miss Smith, who studied in England; Mrs. Peter Prins and Mrs. John De Haan, Jr., who studied at the Sorbonne in Paris; Mrs. Vincent Martineau, who made a family Holy Year trip to Rome; Miss Barbara Lampen, who went strictly as a tourist; Mrs. Donald Brown, whose entire family including her husband, Dr. Brown, and their five children, toured Europe by station wagon; and Mrs. Marcus, whose "tourist" trip had the added purpose of visits with foreign "pen pals."

Description of sea and air travel accommodations, of various entertainments on the continent, sightseeing and modes of travel, availability and variety of food, Paris fashions, the "speedy" European drivers who travel with "no

lights at night", problems of lodging and many other topics provided an especially informative discussion, highlighted with many humorous anecdotes and advice to the would-be Europe visitor.

Another special feature was an extensive display of souvenirs brought from Europe by the seven travelers.

Highlight of the business meeting was election of officers in which Mrs. Orle Bishop was named president; Mrs. John De Haan, Jr., secretary, and Mrs. George Pelgrim, scholarship committee. They will assume office in July.

Mrs. Henry Steffens, president, conducted the meeting and made announcement of the state AAUW convention to be held in Muskegon May 1 and 2. Mrs. H. C. McClellan announced that a UNESCO conference will be held in Detroit Saturday.

Final report on the March children's symphony concert was presented by Mrs. Morrette Rider, chairman. She announced that 1,500 tickets had been sold for the event and revealed that the branch has received national recognition as the first AAUW branch to pioneer that type of project.

Dessert was served preceding the program. A lovely arrangement of spring flowers and white tapers decorated the refreshment table.

Two Cars Damaged In Intersection Mishap

Two cars sustained minor damages when they collided at the intersection of M-21 and US-31 east of Holland early Friday morning.

Catalino D. Vazquez, 19, East Chicago, driving a '48 model car, was heading east on M-21 when he turned in front of a '46 model car driven by Harold J. Oetman, 368 North State St., Zeeland, according to officers.

Damages to both cars was estimated at \$50. Vazquez was ticketed for failing to yield the right of way. Ottawa County Deputy Nelson Lucas investigated.

Win Is Measure Of Revenge For Only Loss in '52

Holland Christian netters braved the wintry weather Thursday afternoon to edge the Grand Rapids Christian tennis squad, 4-3 on the Grand Rapids courts. It was the second win against no defeats so far this season for the Maroons, having stopped Muskegon Heights earlier this week.

The victory proved to be sweet revenge for the locals, since their only defeat last season was dishied out by the Eagle netters. Neither squad played up to par, as the windy blasts all but halted play on several occasions.

Christian showed power in sweeping the singles events, but definitely demonstrated the need for more depth and playing experience in the doubles, as they won only one out of four duo matches. Meanwhile the Grand Rapids Christian mentor shuffled his lineup in such a manner to strengthen his doubles, hoping to salvage all of the four matches to counteract the Maroon strength in singles.

Feature match of the afternoon was that played by Christian's Paul Dykema and Ken Zandee of the Eagles. Both are 10th graders and they staged a good performance in their three set match which was eventually won by Dykema.

In the No. 1 singles, Holland's Dave Schreier won with ease over John Kalsbeek, 6-3, 7-5. The set scores do not indicate the domination of Schreier over the Grand Rapids boy, who was never in the running. In the No. 2 slot, Dykema stopped Zandee, 6-3, 4-6, 6-2. Playing No. 3, the Maroons Jim Teerman came through under heavy pressure to whip Duane Kuizema, 4-6, 6-4, 7-5. After dropping the first set, Teerman was down 4-1 in the second before staging his winning rally.

Christian's No. 1 doubles squad tasted their first defeat as Norm Lokker and Rich Sharda bowed to the veteran Eagle duo, Bob Vander Wall and John De Hoo, 6-2, 6-3. In the No. 2 event, Carl Edwards and Bob Balfout lost to Ken Betten and Bill Kooistra, 6-4, 6-0. Ken Volkema and Lewis Stegink, playing No. 3 nearly pulled one out of the fire before losing to Bob Brummel and Ray Ritzema, 6-3, 7-5. The playoff doubles win was registered by Ron Bultuis and Warren Boer when they edged Gil Meyers and Bruce Newenhus in the No. 4 event, 10-8, 2-6, 6-2.

Boys Club Has Weekly Workout

Thirty boys attended the one-hour Kiwanis Boys Club session at Holland High School gym Thursday night.

Weight lifters worked out and made plans for a series of home workouts during the coming summer vacation. Larry Smith, after several warmup lifts, demonstrated his ability to put up 105 pounds in a two-arm fast press.

Several boys worked on the punching bags. Fred Lubben and Bob Mulder sparred five rounds.

Wrestlers worked on basic collegiate wrestling holds with Bob Allmendinger giving instruction. Ten boys are planning to attend the Ottawa Hills Quarterback's wrestling show in Grand Rapids Monday night. Allmendinger and Rene Willis, Kiwanians, will drive.

Those taking part in the wrestling training were R. Passmore, K. Bush, J. Moes, B. Meurers, D. Garvelink, J. Ramaker and G. Piers.

Grand Haven Youth Pays Reckless Driving Fine

GRAND HAVEN (Special)—Duncan Dean Tucker, 17, 1142 Fulton St., paid \$75 fine and \$3.90 costs in Justice Frederick J. Workman's court Friday on a charge of reckless driving.

The charge, made by State Police, resulted from an accident which occurred on US-31 in Ferysburg Monday night when the car Tucker was driving, which he had borrowed from a used car lot in Muskegon and was to return in an hour, collided head-on with another car driven by Kenneth L. Leady, 19, of Muskegon.

Tucker told the officers he got tired of following a truck and paid no attention to traffic when he decided to make a turn. Several persons were injured, including Tucker, who received a fracture of the left wrist.

Let's Plant Beauty--There Are Roses For Every Purpose in Gardening

Everyone wants to grow roses. No other flower has been able to surpass it in universal and enduring popularity. Growers have worked to make it stronger, more beautiful, to give it a longer blooming season, and to make it more versatile, so that we now have almost a confusing number of types and varieties to choose from.

From three main types the average gardener can find what best suits his needs. Hybrid tea roses are grown for beautiful large blossoms. They are at the height of their beauty in June, have few blossoms during the heat of summer, but blossom again in the fall. Hardy, vigorous roses of this type with fine blooms are Crimson Glory, New Yorker, and Charlotte Armstrong (red); Eclipsé (yellow); Forty-niner (gold and red); Good News (pink) and Pink Radiance.

But Peace is the fabulous one of the Hybrid teas. It has been called "the rose of the century," so healthy and vigorous is its growth, so large and full are its flowers. Its blooms, light yellow with flushes of pink, are long lasting and are produced through the whole summer. Its foliage is glossy and luxuriant. If you have room for only one rose Peace would probably give you most pleasure.

The newer everblooming climbers, which have much larger, fuller blossoms than the old fashioned ramblers, give a fine display in June and numerous blossoms later in the season after the plants become well established. If one has a good spot to grow them he will get increasing satisfaction from them through the years, as they are strong and long-lived and require less care than other types. If they are placed where there is a good circulation of air around them they will need to be sprayed only against leaf chewing insects.

Basic needs for growing all roses are that they be set where they receive six hours of sun a day and need not compete with roots or other shrubs or trees for food. Drainage should be good, the soil rich and loamy with plenty of humus. Regular preventive spraying or dusting every week or two with a good all-purpose spray starts in May and ends with frost. Climbers are the only exception to this spraying program. It pays to buy good stock from a reliable nursery. Be sure that roots are kept moist until planted.

Dutchmen Score Winning Counter On Wild Pitch

Hope college squeezed past Alma 3-2 in a marathon 13 inning baseball game at Riverview Park Saturday afternoon. The winning run came in when Alma pitcher Bramble uncorked a wild pitch that allowed Pitcher Willie Rink to score from third.

The MIAA game was played under cold, sodden conditions that made it necessary to call off the second game of the scheduled doubleheader. Don Piersma started off the 13th for the Dutchmen by grounding out pitcher to first. Al Dykema then went out third to first. But Rink gave hope to Hope rooters with a rebounding triple to right-center. The suspense mounted as John Busman and catcher Don Vork walked, filling the bases. Bramble then let go with the wild fast one that decided the issue.

Hope scored first in the fourth inning. Piersma and Dykema walked and Rink was safe when his sacrifice bunt was muffed, loading the bases. Bramble then struck out Lubbers, one of 12 Dutchmen he fanned. Vork grounded to second, scoring Piersma. Second baseman Jim Van Hoven then singled, scoring Dykema with the second run. After Riemersma walked, the bases were loaded again. But Bramble whiffed Aiden Klompars for the third out.

Hope continued to lead 2-0 until the top of the ninth. Lambert started off the inning for Alma with a walk. He went to second after Stolz grounded out and to third after Bramble was retired third to first. Garrett also grounded to third, but the third baseman threw wild to first, permitting Lambert to score and Garrett to go to second. Gadzinski got in the second run with a long single to left, but made the third out when he tried to stretch it to a double. Rink pitched all the way for Hope, giving up 8 hits and striking out five and walking two. Bramble also went the distance for Alma, giving up only six hits and striking out 12 and walking five. Vork caught for Hope and Maru for Alma.

SOCIALITY IN POLITICS

The announcement that Gov-
ernor Williams has again accepted
Holland's invitation to attend the
Tulip Time Festival will be grati-
fying to the community. The gov-
ernor's presence is a big drawing
card, both because he is person-
ally popular and easy to take, and
because his office adds dignity to
the occasion.

Governor Williams is a good
example of the influence of so-
ciability in politics. It was fortu-
nate for him that he was born not
only with a silver spoon in his
mouth but also with the glad hand.
Without the latter the former
would not have done him much
good in his political career.

From the start the governor has
built his political structure on per-
sonal relations. He obviously likes
people—such things cannot easily
be faked—and that spirit begets an
answering friendliness in the peo-
ple. If it had not been for the
young governor's intimate touch
on a personal basis with all sorts
of people all over the state he
would almost certainly not be
governor today. Quite surely he
would not have won the election
last November if he had not done
such things on a wide scale
throughout Michigan as scrubbing
Holland's streets, appearing at the
Queen Juliana visit here last
spring, attending festivals and
picnics all over the state. The
personal friends he made by such
a campaign of sociability provided
him with the slender margin of
votes that returned him to office.

It may be assumed that he will
be coming to the Tulip Time Festi-
val because he likes to come. He
so obviously enjoys himself when
here that it seems reasonable to
assume he would like to come
even if no votes were involved.
He is like that, and because of it
he is politically lucky.

But votes are of course involved.
For the governor does not consider
himself at the top of the political
ladder. He will probably not run
for governor again, but there is
the United States senatorship. And
he was mentioned for the presi-
dential nomination in Chicago. The
same qualities of political know-
how and sociability that made for
success in Lansing are valuable
qualities in national politics as well.

Paul Faces Opposition
Acts 18:1, 4-16
By Henry Geerlings

It is likely that the apostle
Paul never spent more discourag-
ing days than those he was obli-
ged to pass in Athens. There is
every reason to believe that he
was thoroughly disheartened. If
he ever looked upon his life as a
failure it was taken. When he
preached on Mars' Hill he made
some friends, and they said that
they would be glad to hear him
again, but they never got the
chance.

He left as promptly as possible
for an important city fifty miles
to the west—Corinth. We cannot
help wondering if he did not have
the Athenians in mind, when in
writing to the Corinthians he
said "Not many wise men after
the flesh, not many mighty, not
many noble, are called."

After he had labored in Cor-
inth a year and a half, Paul
hurried to Jerusalem to observe
in connection with the feast of the
Passover, a vow he had taken up-
on himself. A little later he went
to Ephesus in western Asia Min-
or where he labored for almost
three years. While there word
came to him of factions in the
church at Corinth, as well as
gross sins. He was distressed over
the situation. He wrote a letter to
the troubled and distraught be-
lievers, hoping to show them a
more excellent way.

An interesting sideline of study
would be to call a list of Paul's
friends and co-workers, acknowl-
edged in his writings through the
storm-tossed years of his minis-
try. Aquila and Priscilla have a
prominent place among these,
when he wrote his epistle to the
Romans some five years or more
after the event of this lesson. No
doubt they were outstanding
Christian workers. The account
in the Acts implies that they be-
longed in Rome, but for the time,
because of a prejudice against the
Jews fostered by Claudius, they
had decided to move to Corinth.
Evidently they made it back to
Rome a little later.

This same couple have a very
prominent mention in connection
with some spiritual assistance
they gave the eloquent Apollos
when he came to Ephesus. They
expounded unto him the way of
God more perfectly. Judging from
the fact that the writer of the
Acts wrote only a few more lines,
until he mentioned a dozen dis-
ciples who were led to receive the
baptism of the Holy Spirit, we
may assume that this was the
promise to which the busy Roman
couple introduced Apollos. It is of
special interest to note that he
entertained Paul when he came
to Corinth, and apparently having
learned the trade of tentmaker,
he helped them some with their
work. Paul was practical in life
and democratic in spirit.

The renewed opposition to Paul
and the gospel came when Gallio
was deputy of Achaia. This means
that he was proconsul. That title
was given to men who were at the
head of senatorial provinces. It
seems as if Sosthenes had suc-
ceeded Crispus as chief ruler of
the synagogue and led the Jews in
bringing suit against Paul. Cris-
pus may have lost his office be-
cause he became a Christian. The
charge brought against Paul was
one of which the Jews themselves
should have been ashamed, for
they claimed Paul taught men to
worship God contrary to the Ro-
man law. Of course they could not
invoke the law of Moses, because
that would not have affected the
proconsul in any way. So they
based their suit on 'he claims of
what they knew to be a false re-
ligious system.

Gallio was the brother of Sen-
eca. He was quite a different
man from those who ruled in
Philippi and also different from
those who ruled in Thessalonica.
For this reason his name finds a
place in the sacred record and
their names do not.

Paul was about to make a form-
al reply to the charge brought
against him, but the proconsul
himself addressed the Jews. If
it were a question of morals, he
said, he would as a matter of
sound reason listen to their
charge and institute a trial of the
accused. But, since, in his esti-
mation, it was a mere matter of
names, whether the name of Jesus
was identical with the name of
Christ, he would have nothing to
do with it.

This gives the cue to the
Greeks, who in their inveterate
hatred of the Jews, now fall upon
and beat the ruler of the syna-
gogue, evidently the leaders in the
suit against Paul. But Gallio
does not interfere. He may have
thought that Sosthenes deserved
what he got.

Many of the Corinthians heard
the message and believed. This is
the fruit of long, hard, patient toil
for God. These believers were bap-
tized as a testimony that they had
died to heathenism. It was a pub-
lic announcement of separation
from the old life, and of their
glorious union with Christ. This
cluster of saints constituted the
nucleus around which the Corin-
thian church was built. The founda-
tion of Christ was laid in their
hearts by the faithful ministry of
the apostle, and numbered among
this group of believers was Cris-
pus, the chief ruler of the syna-
gogue.

The passion of Paul's life was to
bring men to Christ through the
preaching of the gospel. The
knowledge of Christ, for which
he had counted all things but loss,
he desired to impart to all people
everywhere. His intellect, his phys-
ical strength, his time, his pos-
sessions and all that he had and

Accountants Hear About
State's Financial Muddle

Attorney General John B. Mar-
tin, Jr., of Michigan attempted to
explain "Michigan's Financial
Muddle" to a large crowd of
women accountants in the Warm
Friend Tavern Tuesday evening,
and while he failed to come up
with a nice solution to state tax
problem, he did succeed in ex-
plaining the confusing financial
situation which should be of para-
mount interest to every citizen.

The occasion was the fourth an-
nual Public Relations dinner of
Holland Chapter of the American
Society of Women Accountants.
About 175 persons were present in-
cluding members of the local
chapter, their employers and
wives, speakers of the past year,
21 members of the Grand Rapids
chapter and 22 members of the
Muskegon chapter.

A special guest was Marguerite
Gibb of Seattle, Wash., national
president of the American Society
of Women Accountants. Miss Gibb,
a certified public accountant who
operates her own office in Seattle,
brought greetings from the na-
tional society and pointed out that
the local chapter is in the smallest
city that has an ASWA chapter in
the United States.

Attorney General Martin's sub-
ject was of particular interest to
Tuesday night's audience. He said
his office runs through some 200-
000 bills each month and pays out
\$650,000,000 through the course of
a year.

"Unfortunately, money doesn't
come in on an even flow, or go out
in an even flow, and lately we've
been paying out more than we get
in," he said.

He traced the problem back to
the days of the depression when
the bulk of the tax load in Michi-
gan was on the people owning real
property. Adoption of the 15-mill
limitation in 1932-33 forced the
spreading of taxes in other direc-
tions, and in many cases wrought
severe hardships on cities and
schools.

The "illusory" surplus in 1946-
47, which Martin said existed only
because Michigan could not buy the
things it needed during the war,
was the signal for all types of de-
mands. Martin said \$50,000,000 was
turned over to a veterans' fund
and the sales tax diversion amend-
ment turned over a full third of
all sales tax monies to schools and
cities. "A surplus can be as dan-
gerous as a deficit," he added.

Those developments, coupled
with inflation, caught the state
short and that's why deficits have
been creeping up, he explained.
Martin said state legislators are
economy minded and have genu-
inely tried to solve the problem,
but they just can't make enough
cuts to cover the gap, and current-
ly are considering new taxes.
"What they're really looking for is
a tax with a broad base and a low
rate, but that's hard to find,"
Martin said. He said legislators
are aware the situation has run too
far and must be corrected, and
corrected this session.

With consideration now in pro-
gress on personal income taxes,
corporate profits tax and over-all
income and business profits taxes,
Martin predicted a reasonably ade-
quate solution by the end of the
term.

Miss Irma K. Hoeland, chapter
president, presided and the Rev.
John O. Hagans of First Methodist
Church gave the invocation. Miss
Ida Sturing introduced the speak-
er. Organ music was provided by
John Swieringa.

eral John B. Martin, left, chats

Douglas Brunette
Is Pancake Queen

GLENN (Special) — A brown-
haired, brown-eyed Douglas girl
was selected queen of the 1933
Glenn Pancake festival at a con-
test Tuesday night in South Haven
High School.

Seventeen-year-old Bonnie Mc-
Voy was the final choice of three
judges at competition for wearing
the crown at the annual Pancake
Festival which will be observed in
Glenn June 26, 27 and 28. Runners-
up of the 14-contenders were
Luann Bryand and Helen Kluck,
Fennville brunettes.

Pancake festivals commemorate
an experience back in December,
1937, when heavy snowfalls blocked
highways and stranded a large
number of trucks in the small
village of Glenn which lies on US-
31 midway between Saugatuck and
South Haven. Food supplies ran
low and the menu was reduced to
pancakes.

The first festival was observed
in 1938 and from then on were held
each year until World War II can-
celled all such activities. The festi-
val was resumed in 1952.

One of the main attractions at
the coming festival will be the
public wedding of last year's pan-
cake queen, Marjorie Graham, to
Ray Knorr of Chicago. There also
will be an amateur program, and
of course, plenty of pancakes served
in a big tent on the grounds of
the Glenn Recreation Club.

Proceeds of last year's festival
went toward the purchase of a 12-
acre plot for recreational pur-
poses. Profits this year will go toward
erecting buildings on the property.

W. Clare Walker of Holland was
one of the judges at Tuesday
night's festivities.
Dr. Fred Grabo is Pancake festi-
val chairman this year and Mrs.
Grabo is chairman of the queen's
committee. Mrs. Eddie Kuban is
chairman of the entertainment
committee.

Bagby Speaks
At Van Raalte

Scott Bagby, city planning con-
sultant, spoke to a capacity crowd
at the Van Raalte School PTA
meeting Tuesday evening. While
major interest centered on the
school situation and the proposed
addition to the present Van Raalte
School, a comprehensive pic-
ture of work being done by the
city planning commission was given
by Mr. Bagby.

The things that will make
Holland a good place to live in
depends on the people who are
aware of the problems, aware of
the solution and who will work
for it," Mr. Bagby said. "The
crucial problem of the schools in
Holland, not just elementary but
also junior high and high school,
must be solved by all worth-
while organizations, including the
PTAs. Holland cannot afford to
abandon any existing facility for
education, all must be used."

In leading up to the school
problem, the speaker explained
that practical economics suggest
that a lot of outlying areas will
need to come into the city as their
need for city services grows.
Thus, these areas must be includ-
ed in any projected enrollment.

In explaining overall picture of
the work done by the city plan-
ning commission, Mr. Bagby
showed charts which suggested
urban service areas, proposed
school locations, parks and recrea-
tion areas and recommended zon-
ing patterns. "Careful planning
now means Holland can meet its
need at the right time and at the
lowest cost," he said.

Jay De Koning, school board
president, introduced the speaker.
Also present were members of the
city planning commission, Marvin
Lindeman, Mrs. William Winter,
Willard Wichers, Jacob Zuidema,
Harry Harrington and Robert
Vischer, and City Manager H. C.
McClintock. The board of educa-
tion was represented by Mrs. Ken-
neth De Pree, Vernon Ten Cate,
Dr. Lester Kuypers, Ernest Hart-
man, James Hallan and Alvin
Cook. Administrative assistant
Edward Donivan was also intro-
duced. Superintendent W. W.
Scott was unable to attend be-
cause of illness in his family.

Music included selections by the
Van Raalte orchestra, under di-
rection of Carleton Kelch, with
Gail Van Raalte as accompanist.
Karen Kraai and Linda Lucas
played a flute duet accompanied by
Paul Lucas. John Crozier and
Roger Mulder played a saxophone
duet, accompanied by Mrs. James
Crozier. The two boys received
a first rating in Junior High com-
petition in Grand Rapids and Ann
Arbor.

During the business session, an-
nual election of officers resulted
in the naming of Hans Suzen-
aar as president; Mrs. Leon Kleis,
vice president; Mrs. Fred Kobes,
secretary, and Ray Souter, treas-
urer.

Refreshments were served by
Mr. and Mrs. Bud Baker, Mr.
and Mrs. Dennis Ende, Mr. and
Mrs. Ray Souter and Mr. and
Mrs. M. Bouwman.

Trustees Running For Re-Election

Mrs. Kenneth De Pree and Dr. Lester J. Kuypers, whose terms as members of the Board of Education expire this year, said today they would be candidates for re-election in the annual school election which will be held June 8 this year.

Under the new third class school district plan, which local voters favored at the last election, elections are held in June instead of July and call for a seven-member board with four-year terms instead of a nine-member board with three-year terms.

Consequently, Holland voters will elect two trustees this year instead of three. Jay L. De Koning, third member whose term expires this year, announced last week he would not seek re-election. The transition from three-year terms to four-year terms has been figured out by Attorney Peter S. Boter whom the board consulted on the matter.

Candidates for the two positions must file petitions containing 50 to 75 signatures of qualified school electors with Mrs. De Pree, secretary of the board, not later than 4 p.m. on May 9. This deadline is 30 days before the election.

School elections in Holland are open to all qualified voters. There is no need for separate registrations.

Mrs. De Pree and De Koning have been trustees for three terms or nine years. Dr. Kuypers has served for one three-year term.

Motorists Prepare For Future Travel

There is a new feeling in the air these days. Gone are the days of gray winter months, frosty mornings and bitterly cold nights. The warming days remind us of new life. The budding of the trees, the chirp of the robin, the whistle of the meadowlark, and the flow of the brook reminds us of springtime and nature in all its beauty.

The coming of spring makes us want to do things and go places. We depend on our cars to do this.

At S. A. Dagen, Inc., old cars are budding into new life by the skilled hands of experienced mechanics. Engines are being rebuilt and tuned up; the whistle of exhaust leaks are no longer heard; the cooling systems no longer steam, but are being drained, flushed and refilled. Oils are being changed to summer; brakes are inspected and repaired; and front end alignments are being made to help you steer in safety and stop at the old places you have longed for.

The look of new life again appears when dented fenders and rust spots are touched up and the colors of spring time are repainted in the beauty of your car.

Dagen says, "You owe it to yourself to have your car inspected and conditioned for the long months of driving ahead."

At S. A. Dagen, Inc., your local Dodge and Plymouth dealer, you will find the all-new American car with the famous Red-Ram V-8 Engine; and modern equipment and facilities to bring new life to the old.

ZEELAND — Two summonses were issued by Zeeland officers during the week-end as the result of two property damage accidents.

John M. Burgess was charged for permitting an unlicensed person to drive his car after an accident Saturday at 7:45 p.m. He was teaching his wife, Dorothy, to drive and when she attempted to make a left turn at the State and Washington traffic light, she didn't turn sharply enough. She went through a gas station lot and into a guy wire. Burgess received cuts on the forehead and head bruises when he crashed into the windshield. His wife has a bump on the head and bruised knees. The car was damaged to the extent of \$300. Burgess avoided a more serious accident by managing to steer the car away from the gas station.

The other accident Sunday at 4:45 p.m. involved cars driven by Dick Yskes, 88 East 21st St., Holland, and Erma Van Dyke, 29 South Wall St., Zeeland. Yskes tried to pass the Van Dyke car at the intersection of Fairview Rd. and 16th St. Miss Van Dyke had stopped and was attempting to turn left. Yskes was charged with passing at an intersection, causing a property damage accident.

Zeeland officers Lawrence Veldheer and Sid Schaap investigated the first crash and Ken De Jonge, deputy, and Veldheer investigated the accident on Sunday.

Guards Doubled At Jackson Prison For Anniversary

Costly Mutiny Began Just One Year Ago At Walled Structure

JACKSON, Mich. (UP)—Southern Michigan Prison guard forces were doubled today as grim officials tensely awaited the first anniversary of the nation's biggest prison riot of 1937.

Maximum security precautions were ordered and double shifts of guards were scheduled to be on duty around-the-clock for the next few days.

Monday will mark the riot "birthday" and prison authorities said they would not risk premature "celebration" of the four-day mutiny which left scores of inmates bloodied and the nation's largest walled prison in shambles.

Officials admitted the vast walled penitentiary where nearly 6,000 inmates are confined in tiered cells has become tense.

"We aren't looking for any trouble but at the same time we're taking no chances," declared Earnest C. Brooks, Michigan's corrections commissioner.

Unlike a year ago when more than 2,000 inmates broke loose and roved the prison yard with impunity, Warden William H. Bannan and his staff now have more gun turrets and a "flying squad" of heavily-armed guards ready to quell any disturbance.

Twice, the "flying squad" has been used to end disturbances that could have burst into a second major riot.

Although the anniversary of the start of the riot is Monday, prison officials believe any "celebration" may come Sunday because it was on a Sunday evening at 6:10 p.m. that guard Thomas Elliott, a rookie, walked into a prisoner's cell to get a package and was overpowered.

Within minutes, hardened convicts in cell block 15 were in control and 12 other guards were held hostage. At first, Warden Julian N. Frisbie believed his guards could handle the disturbance but at breakfast the next morning an inmate yelled "there's salt in the coffee" to touch off the orgy that cost Michigan taxpayers \$2,500,000.

The riot ended on the afternoon of the fourth day but only after Deputy warden Vernon Fox "congratulated" the prisoners in a broadcast over a prison radio network. Fox, who told inmates that riot leader "Earl Ward is a natural leader" and "this (riot) may presage a new era..." later was fired for his actions.

As soon as the riot ended, prisoners sat down to a steak and ice cream dinner that had been promised them by Fox.

Dutch Sports Show Is Newest Fete Attraction

'Holland Spelvermaak' To Be Staged Full Week At North Shore Grounds

An exciting new feature was added today to the program of Holland's 1953 Tulip Time festival May 13 through 16.

The new attraction is known as the "Holland Spelvermaak," loosely translated as Holland sports show, and will be staged at the North Shore Community Club opposite the local airport under the direction of Ray Metzger, who has supervised home shows here for the last five years.

Sports cars, both domestic and foreign, luxury boats, trailers, and sports equipment will be exhibited all week from May 11 through 16, not just during the four days of Tulip Time, Metzger said. The show will open at 10 a.m. and close at 11 p.m. There is adequate parking facilities, it was pointed out.

Most exhibits will be displayed on the main floor of the club house, but arrangements are being made to put up a 210 by 60 foot circus tent to house the sports cars, boats and trailers.

As an added attraction, the Holland Horsemen's Association will arrange some practice trotting at the track which adjoins the club house.

The Michigan State Highway department will arrange a display of a roadside picnic table. Manufacturers of leather goods and sports equipment also are arranging booths.

Plans are under way to have some of the foreign cars appear in Saturday's big Parade of Bands.

Meanwhile, printers were turning out a good share of the 190,000 official Tulip Time programs which will be available in limited numbers at Chamber of Commerce headquarters Wednesday. The colorful programs this year picture an attractive tulip spray design on the cover, and a new format of sketches inside, emphasizing tulip farms, parades, klompen dancers, street scrubbers, tulip lanes, flower show, Dutch costume show, Dutch Fantasies, Hope Chapel Choir, School musicals, wooden shoe carver, Netherlands Museum, Little Netherlands, and Parade of Quartets.

Larry Wade, Tulip Time manager, said the Junior Chamber of Commerce is taking charge of the street scrubbing and folk parade on Wednesday, Russell Welch is chairman for the children's costume parade on Thursday and J. J. Riemersma and the American Legion are arranging for the parade of bands on Saturday.

Harold Karsten will be largely responsible for the big band review Saturday afternoon and the Tulip Time Varieties Saturday night. The Holland Tulip Garden Club is taking charge of the Flower Show and the Woman's Literary Club of the Dutch Costume show.

Robert Cavanaugh is arranging the Hope Chapel Choir program and Willard Fast and George Lumsden are arranging the "Moods in Melody" program in Holland High School. Margaret Van Vyven is taking charge of the children's program, "Mr. Netherlands Visits Holland."

Mrs. William Nies, Mrs. Joseph Borgman and Wilhelmine Haberland are lining up scrubbers for the opening ceremonies on May 13. The Holland chapter of SPEBSQSA is planning the Parade of Quartets featuring nationally known quartets and the Windmill Chorus of Holland. Joyce Keller is training the klompen dancers and Lavina Cappon is supervising the dancers' costumes.

Slippery Roads Cause Crashes

GRAND HAVEN (Special) — State police report two accidents Monday. At 5 a.m. on US-31 in Spring Lake township, near North Shore cabins, a car driven by Robert L. Dixon, 34, Muskegon, and a truck driven by Albert W. Bisard, 54, route 2, Muskegon, were involved in an accident. Dixon, traveling north, skidded on a curve and as his car spun almost completely around, it was struck in the rear by the truck with semi-trailer and four-wheel trailer loaded with cement. The truck driver took to the shoulder of the road in an attempt to avoid the crash.

Ernest Billingsley, 34, Muskegon, a passenger in the Dixon car, received face lacerations and possible chest injuries and was taken to Hackley Hospital by ambulance. Dixon was charged with excessive speed—failure to have his car under control.

At 6:25 a.m., an accident occurred on the swing bridge on US-31 involving cars driven by George Elmer Coon, 24, Pentwater, a student at Western Michigan College, and Kenneth Raskiewicz, 32, Grand Haven. Because of icy conditions on the bridge, Raskiewicz, going north, went into a spin and skidded broadside down the pavement into the path of the Coon car. Both cars were considerably damaged. Raskiewicz, who was taken to Municipal Hospital with scalp lacerations and neck bruises, was charged with excessive speed—failure to have his car under control.

Mr. and Mrs. Ralph Kerkstra, Byron Center, happily look at a picture of their 23-year-old son Louis, and wonder how many days will pass before he will be safely home again. Louis was released from a Red prisoner of war camp late Monday after spending nearly two years behind barbed

wire. Sixteen-year-old Geraldine looks on and agrees it will be wonderful to have her brother home again. Louis is one of 10 Kerkstra children. One son, 19-year-old Benjamin, was killed in Germany just before the war ended in Europe. (Sentinel photo)

News of Son's Release Brings Joy to Family

A Byron Center home was a bedlam of happiness and wild activity Monday and Tuesday after the parents were informed their son had been released from a Communist prisoner of war camp in Korea.

And when a farm family didn't have time to get around to breakfast until 9:30 a.m. Tuesday—that's something.

The uproar started Monday night when Mr. and Mrs. Ralph Kerkstra, received word their 23-year-old son, Louis, passed through "Freedom Gate" with the second batch of allied POWs released by the Reds in Korea.

Mrs. Kerkstra said she was surprised to learn that Louis had been released because she hadn't received any word that her son had been sick or wounded. She was hopeful and had been home alone listening to the radio most of the evening as the names of released prisoners were read.

Along about 8 p.m. Mrs. Kerkstra turned off the radio and started to read a book. A few minutes later the phone rang. It was Mrs. Lawrence Shields, a Byron Center post office clerk, saying she had just heard Louis' name announced among the released prisoners.

From then on, Mrs. Kerkstra said, she was unable to move from the phone until nearly midnight. Calls poured in from relatives, and radio and newspapermen throughout the Midwest.

Meanwhile, her husband was attending a meeting at Byron Center Christian Reformed Church. Midway through the services a man came in with the news of Louis' release.

After the joyful cheers and congratulations to Ralph had quieted down the group stilled, the minister, Dr. William Hendriksen, led the congregation in prayer for Louis' safe return.

A daughter, 16-year-old Geraldine, had gone to Grand Rapids during the evening and she heard the news on the car radio on the return trip to Byron Center.

As Mr. and Mrs. Kerkstra sat with Geraldine Tuesday they tried to sort out their happy thoughts for the future as they answered still more questions from visiting newsmen and telephone calls.

Returning from still another phone call in between answering questions by two newsmen, Mrs. Kerkstra totaled up the number of calls received since Monday night. By 9:30 a.m. Tuesday 47 different persons had called.

This number did not include the countless persons who had called in person on reporters and photographers. Mrs. Kerkstra had kept a neat list of the names of each caller.

Thinking back over the past two years that Louis had been a prisoner, the parents both agreed they always had faith their son would some day return safe and sound.

The quiet spoken grey-haired Mrs. Kerkstra told of two other sons who had served their country in World War II. One, Benjamin, 19, was killed in Germany just a few days before peace was declared. His picture sits atop the piano between Louis' photograph and one of Fred, 30, who served two years with the Army Air Force.

Mrs. Kerkstra read through the nine letters received from Louis from three North Korean prisoners of war camps. The well-thumbed single page letters described in general terms conditions in camps.

In the last letter received—Sept. 21, 1952, Louis said: "It's rather cool here at night now. In the mornings we get up before the sun and it sure is chilly. Tomorrow we start on wood details to get in wood to heat the houses this winter. It'll take about a month to get in enough wood to heat the houses this winter."

"I'm going to have to wash some clothes too again today. It's getting too cold to wash up at the creek so we wash them in a wash pan. There isn't any news around here. Just the same old

Holland Christian Tennis Team Wins Third Straight

Holland Christian's tennis squad stroked its way to its third straight win of the season Tuesday afternoon on the 22nd St. courts by stopping a highly rated Kalamazoo State High, 4-3. It was the second straight victory for the Maroons by a one match margin.

The Dutch, continuing to show improvement, played their best tennis of the season to take two singles and two doubles matches. Playing five singles matches and two doubles, the Hollanders captured the No. 1 and No. 3 singles and both doubles events. Most of the matches were of the close variety. Two of the matches went three sets.

Dave Schreier met his toughest foe of the season in the No. 1 singles slot, but managed to subdue young Larry Little in straight sets, 6-4, 7-5. In the No. 2 singles spot, Christian's Paul Dykema staged a great fight before going down to Pat Ryan, 6-1, 1-6, 6-3. Ryan, who played No. 1 last year, got off to a good start against a jittery Dykema, and managed to capture the final set, Jim Teerman took the second singles win for the Dutch in fairly easy fashion by stopping Don Flowers, 6-3, 6-4. Playing No. 4 for the Hollanders, Warren Boer, a ninth grader, put on a surprising battle before bowing to John Sebaly, 7-5, 6-4. Lewis Stegink bowed in the final singles event to State High's Peter Platt, 6-2, 6-1.

In the No. 1 doubles encounter, Christian's Rich Sharda and Norm Lokker outlasted Al Wise and Don Neal, 6-2, 11-9. Christian's second doubles combination of Ken Volke and Warren Nykamp rallied to play some fine tennis in a weird three set match. The locals lost the first set 6-3, and then went on to whip Joe Gillis and John Simcox, 6-0, 6-0.

Christian meets another tough foe this afternoon on the 22nd St. courts when the locals tackle the Muskegon Big Reds.

Maroons Defeated, But Coach Visions Bright Prospects

Holland Christian's track squad made its 1953 debut on the 22nd St. track Wednesday afternoon and bowed to an improved Grand Haven aggregation, 67-42. The meet was Christian's only home affair this season, all of the remaining meets are scheduled away.

One of the big factors in the Maroon defeat was that it was the locals first meet of the season, whereas Grand Haven has had several so far this season. Coach Bud Elve of the locals was far from disappointed with the form displayed by his squad. He feels that the times of several of the boys will improve a great deal in succeeding meets. He also pointed out that several of the events, particularly the relays, were exceptionally close, and could have gone either way, reducing the point difference.

The Maroon mentor singled out several of his freshmen for special praise following the meet. Mentioned were Marve Timmer in the 880, Ken Vander Veen in the hurdles, Dave Vander Hill in the 440 and Rich Hertel in the dash. He also was pleased with Earl Schipper's 5' 8" in the high jump, and said he has done better in some practice sessions.

Christian garnered only three firsts, but piled up the points with seven seconds. Winning the local firsts were Ron Reinkink in the mile, Schipper in the high jump and Howard Voss in the broad jump.

The meet's biggest point getter was Grand Haven's Zysk. He was a triple winner and also ran in the relay to pick up 18 1/2 points. The Buc's Bob Dirkse was second with 13 markers, getting two firsts. Christian's Voss was the biggest winner for the locals with 11 points, with a first and two seconds.

Insanity Petition Filed on Behalf Of Accused Killer

GRAND HAVEN (Special) — Attorney Howard W. Fant, who was appointed last week by Circuit Judge Raymond L. Smith as counsel for Harold Gregory, 25-year-old accused murderer of Andrew and Ethel Kuntz, Monday afternoon petitioned Circuit Court to have at least two reputable physicians appointed to determine the state of sanity of the respondent.

In his "petition for determination of insanity," Fant also filed a notice that he intends to have Gregory plead insanity, in view of the latter's commitments to the Traverse City State Hospital on two occasions.

It is expected Judge Smith will appoint or designate physicians for the examination in a week or 10 days.

Gregory was apprehended a few hours after he allegedly shot and killed Andrew Kuntz and stabbed to death the latter's wife, Ethel, in a double murder Friday, April 10, at the Kuntz home in Robinson township. He readily confessed the crimes, on questioning of Sheriff Jerry Vanderbeek, state police, Prosecutor Wendell A. Miles and others.

Gregory was arraigned in Holland Municipal Court April 13 and returned two days later for examination which was requested by Prosecutor Miles. When he appeared in Circuit Court April 16, the court appointed Fant as his counsel. Gregory has been held in Ottawa county jail all the while.

In his "petition for determination of insanity," Fant says the respondent was heretofore declared to be insane through proper proceedings in Muskegon Probate Court and was admitted to the Traverse City hospital Aug. 2, 1943. The writ also points out that Gregory was last admitted to the hospital Feb. 11, 1950, and escaped April 16, 1950, and was discharged Aug. 16, 1951, by reason of having been an escapee for a year.

The petition states the belief that Gregory had never been restored to mental competency by any court or proceedings. Because of Gregory's commitment to the state hospital, his history and background, and the manner of the latest crime, the petition states "it would appear that the said respondent is insane."

Local Couple Married In Double Ring Rites

Mrs. Blanche Harbin and Edward Harbin were married Saturday, April 18, in a double ring ceremony at the home of the bride, 665 Butternut Dr. The Rev. John Benes performed the rites in the presence of the immediate families.

Attending the couple were Mrs. Al Riemersma, daughter of the bride, and Edward Harbin, Jr., son of the groom.

The bride wore an aqua lace net dress with a pink carnation corsage. Her attendant wore a white suit and a pink corsage.

A family reception was held at the bride's home.

This once badly injured doe was probably a little confused last Saturday by the onlookers and her freedom. A few seconds later she bounded away from the Peter Dykman barn, on the corner of Lakewood Blvd. and Division Ave., which served as her hospital the past three months. She was brought there three months ago by Ken

Topp and Chuck DeFeyer when they noticed that her left hind leg was fractured. She was reluctant to be discharged from the hospital. Topp and DeFeyer had to eject her by force. They said it was for her own good, however, since a prolonged stay in the barn might tarnish her equipment for life in the wild. (Penna-Sas photo)

Doe Released From Barn; Stricken 3 Months Ago

At 9:30 a.m. last Saturday, a doe left the barn of Peter Dykman, Lakewood Blvd. Observers noticed only a slight limp as she hesitatingly walked toward the boulevard.

Three months before, they would have noticed two men carrying a doe from the trunk of a car to this same barn, a doe which was alive but not kicking—at least not with her hind legs.

The two men, Ken Topp and Chuck DeFeyer, observed a doe in a clump of trees while riding near P.O. Sheldon. They stopped and decided to have a look at her. What they saw wasn't very pretty—a left hind leg badly fractured, the Dykman barn and put a splint on the leg. Despite the fierce resistance she put up to being put in the trunk of the car, her benefactors did not give her much chance to live.

Topp and DeFeyer were so skillful in administering the splint that the veterinarian the Tulip City Rod and Gun club dispatched to the barn, Dr. James

Cook, could do nothing but compliment the men for a wonderful job. Conservation Officer Elmer Boerman also came to the barn. He told the men that the fracture was probably the result of being struck by a car.

Despite her hesitancy Saturday about leaving the barn for freedom and the company of other deer, the doe did not become especially domesticated during her three months' convalescence. Throughout the convalescence, she had a very healthy appetite, so local merchants contributed considerable quantity of greens to appease it.

The doe's recovery was by leaps and bounds, as were her strides Saturday once she got a full taste of freedom. Boerman and Bill Wenzel, president of the Rod and Gun club, followed her in cars for two miles. When she reached an area in which other deer have been seen recently, they turned back. The only souvenir of her stay with human beings is a tagged right ear.
