HOLLAND SCHOOLS BUILT TO BURN

"It sometimes seems as though an-
other Collingwood disaster is needed
to arouse American municipalities to
the peril of fires in school buildings.
The lives of 176 children were lost
in this fire, and for a time most cities
of the country made haste to "investi-
gate" its school buildings. It is five
years ago, however, since the nation
was shocked by this catastrophe, and
in five years the American public
can forget almost anything.

"Sharp reminders not to forget
comes in an article published in In-
surance Engineering. It is entitled
"Schools and Colleges Built to
Burn" and in the list of cities that
maintain firetraps Grand Rapids has
a place. The list for Michigan is as
follows:

"Adrian, Albion, Alpena, Ann Ar-
bor, Battle Creek, Bay City, Benton
Harbor, Boyne City, Cadillac, Cheboy-
gan, Coldwater, Detroit, Dowagiac,
Escanaba, Flint, Grand Haven, Grand
Rapids, Hancock, Hillsdale, Holland,
Houghton, Ionia, Iron Mountain, Ithaca,
Ishteping, Jackson, Kalamazoo,
Lansing, Laurium, Ludington, Manistee,
Marquette, Menominee, Monroe, Mount
Clemens, Muskegon, Negaunee, Niles,
Sault Ste. Marie, Three Rivers, Traverse
City, Wyandotte and Ypsilanti."

Says the Zeeland Record—It is a
cause for just gratitude that Zeeland
is not found in the above list. Our
monthly fire-drills have demonstrated
that all pupils can be out of the build-
ing within 70 seconds after the signal
for fire drill. As an additional
safeguard each building is equipped
with a fire escape. Our schools are
reasonably absolutely safe."

RICH JENISON PARK COUPLE ASK DIVORCE

The rich and the poor jostled each
other in court corridors in
Chicago all wanting the same thing,
divorce. There were 193 cases, a
number unusual even in Chicago.

Mrs. Mayme E. Phillips, unhappy in
spite of the fact that her husband
owns a private Pullman car and a
number of other things, went to
court for the same purpose that in-
spired Mrs. Pearl Furnell, who com-
plained that her husband cannot
hold his job when he drinks—and
that he drinks whenever he has a
job.

Mrs. Phillips' husband is Clarence
A. Phillips owner of a Summer hotel
at Jenison Park, Holland Mich. several
pieces of valuable Chicago real
estate, land in Texas, and the Pull-
man car "Alamo". But the wife's com-
plaint names "one Nellie Lemon"
and says that her husband has made
certain pleasure trips to Texas with
Mrs. F. A. Brown. The wife charges
also that Phillips knocked her down
with a chair.—Chicago American.

HOLLAND TO CELEBRATE PRIN- CESS' BIRTHDAY

Juliana, Heir to Dutch Throne, Four
Years Old Wednesday

The Hague, May 1.—An elaborate
celebration was held yesterday
the fourth birthday anniversary of Prin-
cess Juliana, descendant of the
Prince of Orange and heir to the
throne of Holland.

The Dutch feel that the birth of
little Princess Juliana saved them
from falling into the net of the Ger-
man Emperor. Queen Wilhelmina's
marriage to a German Prince was
not received kindly by her subjects.
When eight years passed and no heir
to the throne was born the Dutch peo-
ple became all but panic stricken. If
an heir to the throne were born the
German Kaiser would have no ex-
cuse to seat his princeling upon the
throne of Holland.

The Dutch went into paroxysms of
joy when Princess Juliana was born.
Both Queen Wilhelmina and the
Princess are the idols of every Dutch
man's heart.

"WHERE LIFE IS WORTH LIVING"

Word has been received in this city
by relatives of the some 25 young
men from Holland who went to De-
troit to take positions in the United
Tire Co., that they are all doing well.
Ben Batema of this city has been
elected captain of the company ball
team.

The boys all say that the slogan
of Detroit is all it implies namely
"where life is worth living."

LOOKING FOR AN HEIR

WANTED—Present or last known
address of Purly White or her heirs.
She was the widow of an Ex-union
Soldier and lived from 1870 to 1875
on Sec. 5, Tp. 5N, Rg. 15W, Ottawa
County. Anyone who ever knew her
will confer a favor by writing the

SIZE AND WEIGHT OF EGGS

Hen's eggs average from 15 to 24
ounces in weight. A dozen of good
sized eggs should weigh about 22
ounces. Altogether the size and
weight of eggs is to a large extent
a matter of breed or strain, the care
and feed too has a bearing on it.
Well-fed hens lay heavier eggs than
hens forced to subsist on a small ra-
tion. Again, closely confined hens,
having only nominal exercise, lay
larger eggs than free-run hens.

Dr. P. Ver Meulen who has been
spending a few days here has return-
ed to Grand Rapids.

Mr. Atlas—"I tell you Alderman
Van Drezer, the drug stores are no
better than the wholesale houses;
and the wholesale houses are 'know'
better than the Osterhouses and they
should all be treated alike—'legally'
and 'morally'—without fear or favor."

Van Drezer—"OUT IT!"

Fire Caused By Chicken Incubator.
It is thought that the fire this
morning at the home of Mrs. Munson,
corner of Fifth street and Fairbanks
avenue was caused by the overheating
of the chicken incubator placed
against a wall. Before anything more
than the kitchen had been burned,
the neighbors extinguished the blaze
with the aid of a convenient garden
hose.

JANITOR GETS A LOOK AT DEATH

Anna De Haan day janitor at the
Colonial Manufacturing company's
plant of Zeeland barely escaped with
his life while on duty at the factory
yesterday.

Mr. De Haan was working directly
under the elevator and had neglected
to secure it from operation, when two
of his fellow workmen started the ma-
chinery to descend to the first floor.
Mr. DeHaan noticed the elevator
coming down just in time to dodge
partly from under and a warning cry
caused the occupants to stop it from
further descent, and to save Mr. De
Haan's limbs from being terribly
crushed. One knee was badly injured
and his legs are badly bruised.

MUSKEGON HOLLAND, GRAND HAVEN AND SPARTA IN BALL LEAGUE

Muskegon fans are urging the or-
ganization of a four club league of
independent base ball clubs, with
Sparta, Grand Haven, Holland, and
Muskegon, the organization in no
way to interfere with the state
league and games to played in Mus-
kegon when the state league team is
away.

Boone May Run Livery in Grand Haven.

Mannus Boone of Holland, one of
Ottawa county's veteran liverymen
was here yesterday attending the
Smith auction sale. It was reported
here today that Mr. Boone was con-
templating establishing a livery barn
in this city to take the place of the
one being sold out today by Mr.
Smith.—G. H. Tribune.

HOEKJE OF HOLLAND RE-ENGAG- ED

The board of education of Zeeland
has reengaged John C. Hoekje as
superintendent of the Zeeland
schools for the fourth school year
commencing next September. Upon
this fact the members of the board
as well as every patron of the district
have reasons to compliment them-
selves. Supt. Hoekje has been with
them the past 3 years and during
that time has made his presence
felt.

The board has seen fit to re-engage
him speaks well enough of the suc-
cess he has made at his job. Another
year here will also give the super-
intendent a chance to put one class
through the entire course of four
years high school work in the schools
which was one of his aims and was
a strong factor in inducing him to
remain here for at least another
year.

AN UNUSUAL RACE

Not long ago there was an unusual
race witnessed in Westphalia, the
contestants, being pigeons and a num-
ber of bees, whose respective own-
ers bet upon the powers of their
favorites to win. The course lay
over three miles, and a dove, which
happened to be near a hive, was
the winning post.

There was great difficulty in mark-
ing the bees so as to identify them;
but this point was at last overcome
by rolling the insects in flour just
before liberating them for the jour-
ney. This, while making the bees re-
cognizable, probably retarded their
flight to some degree; but neverthe-
less, while the pigeons were looked
upon by interested spectators as
most likely to win the race, the vic-
tory was won by the bees, the first
bee arriving at the winning post
twenty five seconds before the first
pigeon alighted; and three other bees
arrived before the second feathered
contestant put in an appearance.

ROBINSON-HANCHETT

Word has been received in this city
of the marriage in Chicago of Miss
Edna J. Robinson to Mr. Roy Han-
chett. Miss Robinson was for several
years employed at the office of C.
L. King & Co. They will reside in
Chicago.

KAMMERAD-KNOPF

The wedding of Miss Nellie Kam-
meraad to Fred Knopf is to take
place at 8 o'clock this evening at the
home of Mrs. Charles Hacker, the
Rev. Luske officiating. The bride's
gown is a beautiful creation of cream
messaline and she will carry white
roses. Miss Lillian Hacker, the
bridesmaid will wear a dainty gown
of blue. The best man will be Jack
Kammeraad, brother of the groom.

The young couple are both well
known in this city, Miss Kamme-
raad having been employed in Wool-
worth's while Mr. Knopf is with Lim-
bert's. They will make their home
with Mr. Schluge, brother-in-law of
the groom.

A song now popular with the mas-
ses—"How Dry I Am."

The Ottawa County Road Commis-
sion will organize today. The
Board will go into office to-day
and they will start work immediately.

The Parents' Teachers club of the
Eighth grade will meet this after-
noon at 2:30 p. m. in room six of
the High school building. All are
invited to attend.

Like Holland Zeeland is also ask-
ing its banks to bid on city money.

More than 30 million fish are plant-
ed in Michigan waters by the hatch-
eries of the state.

Wm. J. Kole of Forest Grove has
made several horseback rides from
Holland to Grand Rapids during the
past fortnight, delivering horses
from Fred Boone's to Harry Snyder
in Grand Rapids.

The tugs from Cheboygan now en-
gaged in fishing on "Big Lake" are
meeting with splendid success. It is
said they are taking in one thousand
pounds of fish a day. They do not
use nets but have set lines with
hooks attached.

Edward C. Smith of Grand Haven
has received a post card from Cornel-
ius Nyland showing a flood scene at
one of the principal business corners
in Hamilton, Ohio. Standing on the
steps of a store is an old blind horse
which was marooned there but was
later saved and towed to high ground.

By a vote of 86 to 26 it was decid-
ed to rebuild the Second Reformed
church of Grand Haven, burned to
the ground several weeks ago, on the
site of the destroyed building. Work
on the new church, will be modeled
to some extent after one in Grand
Rapids, will be started soon.

Dr. and Mrs. Wm. Zoethout of Val-
pariso, Ind., formerly of this city
leave New York today for an extend-
ed trip abroad. They expect to visit
London, England, Germany, France,
Switzerland, Italy, Friesland,
Groningen and other places of inter-
est. They expect to be abroad
about three months. Dr. Zoethout is
a Professor in the Valpariso Univer-
sity and a graduate of Hope College.

Holland is to be dry this year—
good and dry, too. The council, fol-
lowing the vote of the people to
have no saloons, has determined to
issue no licenses of any sort—neither
to brewer, wholesale dealers, nor
even druggists. The vote was unani-
mous. The mayor excitedly objected,
claiming that the vote for "no
saloons" by no means meant a vote
for the wholly dry town; but the al-
dermen thought they knew as well as
the mayor what the vote meant and
"dry" it will be—just as it ought to
be.—Allegan Gazette.

John Veneklassen was in the city visiting friends Friday.

Harry Vredeveid has purchased a new Ford runabout.

The M. U. M. Glee club rendered a musical program at Zeeland Friday night in the old second Reformed church building. They rendered a very pleasing program consisting of music, both vocal and instrumental and readings by Miss Elsie Johnston. This program was given under the direction of Miss Mina Coggeshall and under the Auspices of the Ladies Good Will society. There was a big attendance.

Mrs. H. Lubbers and daughter Lizette, of this city, visited relatives in East Saugatuck Friday.

Jake Manting was in Zeeland Thursday.

Miss Anna Powers of Grand Rapids was in the city visiting friends yesterday.

Born to Mr. and Mrs. L. Kootstra—a son, to Mr. and Mrs. B. Westbroek—a son.

The Ladies Aid society of the Second Reformed church met at the home of Mrs. Edw. Van Zoeren Thursday afternoon.

Dr. H. Nienhuis has received his new Ford runabout and is making good use of the machine in his practice.

Dr. and Mrs. J. A. Van Kley returned home from their honeymoon trip to the East on Wednesday and have settled down to housekeeping in their new home on church street.

Mr. and Mrs. Wm. De Hoop left the first of the week for Canada after spending the winter in this vicinity with relatives.

Sunday morning found the class colors, blue and gold, of the Senior class of the local high school flying proudly on the highest pinnacle of the Zeeland school building. The Juniors spent the day in wondering and planning how to get them down. Results later.

J. Schipper of Filmore was in the city on business Monday.

J. Van Hoven has purchased a new Ford touring car from H. H. Karsten & Bro.

The Young Peoples' Society of the Drenthe Christian Reformed church celebrated their annual festival at the church on Wednesday, April 30. The program consisted of music, readings and speaking.

B. Ter Haar Sr., has moved with family from Drenthe to Hamilton where he will manage the Hamilton Canning company.

Miss Anna Miller spent Sunday in Grand Rapids visiting friends.

G. Hietje shipped a car load of cattle to Chicago Monday.

J. J. DePree left for Chicago Tuesday on business.

Benjamin Koppenga of Flint is visiting in this city.

J. Mulder Jr. left Tuesday for Detroit.

P. E. Takken of Jamestown has purchased a Ford touring car from H. H. Karsten & Bro.

Fred Lampen has traded his Ford touring car for a Kirt touring car.

Vernon, the seven-year-old son of Mr. and Mrs. J. Hundering of Vriesland died Tuesday at the home of his parents. Funeral services will be held on Friday afternoon at 1:30 from the home.

The Cigar makers employed at the H. Van Eenenaam & Bro. Cigar factory are taking a few days vacation.

The Misses Carrie and Nellie Moerdyke of Grandville were in the city Tuesday visiting with friends.

Zeeland High school is planning to hold a Class Field day which is to be held this week Saturday afternoon, May 3 at the school grounds. The contests will be between the members of the Senior and junior classes both boys and girls participating.

The contests will consist of relays, sprints, tugs of war and other sports. This meet was suggested on account of the intense rivalry between the Junior and Senior classes.

GAAFSCHAP

Mr. and Mrs. John Rutgers will today commemorate the 54th anniversary of their marriage at their home in Graafschap. They have the unique distinction of being the third in the Rutgers family which passed the golden wedding goal.

Mr. and Mrs. Rutgers came to Graafschap in 1847 and in 1859 were married in the village church. Mr. Rutgers was the first treasurer of Laketown, holding down that office for 18 consecutive years and in the pioneer days made the journey to Allegan on foot to make his returns to the county treasurer.

NEW HOLLAND.

Dr. and Mrs. Henry Vandenberg of Grand Rapids who have been visiting Dr. and Mrs. J. W. Vandenberg at North Holland have returned to their home.

The church barn at the New Holland Reformed church which was destroyed in a recent storm has been replaced with a fine new barn.

Laborers are busily at work at the North Holland school house planting shade trees on the school premises, and otherwise beautifying the grounds.

SAUGATUCK

Dredging of the Kalamazoo and other Michigan rivers so as to increase their flow into Lake Michigan was proposed by R. I. Anglemire of Saugatuck Monday as an offset to the increased flow which trustees of the Chicago drainage canal are asking of the federal government.

"Michigan can give the lake an amount of water more than equal to that desired by Chicago and Illinois" he said. "We are going to have a convention at Allegan next week to interest Michigan congressmen in the proposition and also the Illinois congressmen if possible."

The School Board of Saugatuck has engaged Miss Ruby Monahan and Miss Elizabeth Burgess of Allegan to teach the Intermediate and Primary departments in our school. Both of these teachers come highly recommended, having had several years of experience.

On account of the few scholars to attend the Ward school the board felt that it is unwise to open it another year. Some of the parents have asked to have their children transferred to the town school as there they have a better chance as each teacher has fewer classes and more time for each class and scholar. It would also mean a saving to the district of several hundred dollars each year, and the scholars have a better chance.

OVERISEL

A party of friends pleasantly surprised Jennie Poelakker, Thursday evening. She had just returned from her school in Overisel and was not expecting company. The visitors managed to get in unnoticed and gave her a good scare. The evening was spent in games, and refreshments were served.

FENNIVILLE

If an electric railway is to be built from Allegan to any point west, Fennville is determined to be on the line. Every argument seems to favor the road coming this way, for the traffic, in both freight and passengers, would certainly make patronage enough to guarantee a good revenue for the road. A line of this kind would open the western part of Allegan county to an eastern outlet, and it's what this section needs.

The high schools of Saugatuck, Douglas, and Fennville will hold a field day or athletic meet here Saturday, May 17. This is the second event of the kind. Last year Douglas entertained the meet and Saugatuck high school won first honors. A large crowd will probably accompany each visiting athletic team, and Fennville is planning on doing the entertaining in a courteous manner. A band from out of town will be employed and a big day is expected.

The business men's association held their second meeting at hotel Stevens last Friday evening and adopted a constitution and officially named the organization the Fennville Board of Trade. The membership committee expects to have fifty names at the end of this week.

WEST OLIVE

Gerrit Kamphuis formerly of this place died at Grand Haven and the funeral took place there Saturday. Mrs. Orrie Dykhouse of Ventura is a daughter. Gerrit Kamphuis was born in the Netherlands, November 12, 1845 and came to America in 1886 coming directly to Grand Haven. He settled on a farm near West Olive, where he remained eight years, before coming to Grand Haven to live, where he has made his home ever since.

The grading on the new county roads is about completed.

Frank Binnes, Olive township justice of the peace, has been on the sick list the past week but is now improving.

Mr. Fuller and family spent Friday in Holland visiting friends and shopping.

Mr. Mast our local merchant, is having fine success here in the cream business.

John Derkse, clerk in Mast's store takes a lattern now when he goes home after dark. No more head on collisions for John.

John Leland was in the city Tuesday with pork.

Harry Estelle is loading mar today with buzz wood.

HAMILTON

Mr. and Mrs. B. Ter Haar, Sr., will soon occupy their home in Hamilton where Mr. Ter Haar has been employed as manager for the Hamilton Canning Company. He has been a successful worker for the Drenthe Canning Company the past eight years and has shown great interest in his work. We regret to know that they will soon leave us, but hope they may be able to visit Drenthe occasionally this summer.

Automobiles are not very reliable, is the opinion of Henry and Gerrit Spaman. They started to take their sisters to Holland, Sunday afternoon. According to the latest reports they got stuck in the sand and had to wire ahead for a relief train to pull them into Hamilton. Henry says next time he goes he will take the mules.

Some bunches of trailing arbutus have come to the cities this week. From the vicinity of Hamilton, as usual, the finest blossoms have been brought.

CRISP

The marriage of Mr. Jacob P. Brandsen and Miss Henrietta Bartels took place last Thursday afternoon, April 24, at the home of the brides parents, Mr. and Mrs. G. Bartels. In the presence of a large number of relatives and friends, Rev. Tyse, officiating. In the evening a reception was given for the young people. They will make their home at Grand Haven.

Herman Wynngaarden, of Grand Rapids spent Sunday with his parents.

Harm Arnoldink moved to Holland last week.

Mr. Gerrit Tenchinck, and Miss Jennie Brouwer were married last Thursday evening, Rev. Tyse, officiating.

EAST SAUGATUCK

Mrs. Fanny Harvey from Grand Rapids visited her sister, Mrs. S. G. Schrottenboer and Mrs. J. Vork, last week.

Mr. and Mrs. A. Brink and daughter, Minnie from Holland, visited at the home of Mr. W. Postma, Sunday. Mr. and Mrs. J. Boerma have adopted a little five year old girl from the Institution at Coldwater.

The Mc Clair School will close for this season, Friday. The teacher and pupils intend having a picnic near the school.

Mrs. J. Keen and son Bert, visited Mrs. Keen's sister Mrs. De Weert, in Boreculo, last week.

Miss Grace Vork visited relatives in Holland, last week.

Mr. Henry Markfluer is working for A. Bosman near Fennville.

Mr. J. Harmsen and family from Holland visited Mr. J. Slenk and family Sunday. They came in their new automobile.

Hattie and Arthur Cole visited their aunt Sarah in Holland over Sunday.

The Misses Kate and Josie Donia and friends of Holland visited at the home of J. Drestinga, Sunday.

Mr. and Mrs. C. Belt of Holland visited Mr. E. Vandenberg and family

Miss Clara Zwemer attended the Bartel Bronsen wedding in North Holland, Thursday.

Mr. K. Oetman is ill.

FOREST GROVE

In the arrest of three Forest Grove men for chicken-stealing Sheriff Dykhuys believes he has broken up a gang of thieves that for two years has been operating in Ottawa and Kent counties.

The arrest were brought about through a report made to the sheriff by A. C. Vanderboegh and Titus Beuwald, who live near Hudsonville, last Friday. A raid was made on Vanderboegh's farm and Beuwald, a neighbor, heard the men and with others gave chase. On this occasion the men were in an auto.

The pursuing posse caught them, however, and established the identity of six men. The men arrested last yesterday afternoon were Nick, Albert and Henry Lanning. Deputies Fortney and Guy Northouse making the captures. Nick waived an examination, Albert demanded one, and Henry will not appear in Justice Wach's court in Grand Haven until tonight, by which time the sheriff expects to have the other three men under arrest.

MISSING MAN IS FOUND

Hudsonville, April 30—George Hildebrand's brother-in-law has received a message from the superintendent of a hospital in Cleveland, O. stating that Hildebrand was in that institution and was very sick. He disappeared from his home April 19, having in his possession \$1,600.

The authorities saw the account in state newspapers of April 24 and from the papers found on Hildebrand's person determined that he was the man who was missing from his Michigan home. His sister will leave for Cleveland tonight.

INTERESTING PROGRAM IS RENDERED BY THE MEMBERS

The beautiful spring day Tuesday was devoted by the Womens' Club to an afternoon with nature.

The grand "Forest Hymn" written by William Cullen Bryant, was read with much sympathy by Mrs. J. W. Beardslee.

Mrs. A. G. Gowdy presented a paper on Henry Thoreau, the man of plain living and high thinking, who gave up the comforts of civilization for two years, to bury himself in a hut of his own making in the woods, and subsisted on rice and the produce of his garden.

Mrs. Author Cotton gave interesting readings from Thoreau's Life in the Woods as told in his best known book "Walden."

A book, she said, in which homely scenes and heavenly insights jostle each other on a page.

Miss Keppel sang two delightful spring songs well suited to the day and the program.

Mrs. D. B. K. Van Raalte gave a paper on "Audobon" and on "Saving the Birds," which she made a strong appeal to women not to allow the sacrifice of feathered life for their own personal adornment.

Miss Irene Bahan who received the second prize in the Daughters of the American Revolution contest last week, for her essay on "Birds," by special request repeated the oration for the benefit of the club, who appreciated her efforts by hearty applause.

Mrs. C. C. Wheeler read Audobon's poem "Where the Mocking Bird Dwells," and Mrs. J. Van Putten Jr. concluded the interesting program with short papers on the Botanist Asa Gray and the naturalist Louis Agassiz. A tea party and social hour was then enjoyed by the club. Tea was served by Mrs. J. Dryden, assisted by a committee of ladies.

G. & M. HAS COMPETITION IN BENTON HARBOR

A new boat line to compete with the Graham & Morton company between Chicago and St. Joseph has been formed. George T. Arnold of Mackinac City is president. It will be called the St. Joseph Steamship company. The new company has obtained the old company's former wharf, the latter moving from St. Joseph to a point midway between that city and Benton Harbor.

BEAN MEN FEAR TARIFF

Michigan bean jobbers are actively opposed to the reduction of the tariff from forty-five to twenty-five cents per bushel, and fear a great flood of Japanese beans if it is lowered. Michigan and California have joined forces in an effort to head off the proposed reduction. Michigan raises about two thirds of the country's bean supply, and farmers of this state received about \$10,000,000 last year for the crop. The Michigan bean is the best raised. The jobbers do not wish the industry injured.

WM. DAMSON FINDS SPOT OF GREAT INTEREST IN FLORIDA.

William Damson, who has traveled more and seen more of the world than any man in Holland, having worked his way around the world, and having seen most of the lands of the globe, has found a new place of interest and has found things to wonder at in this country. Mr. Damson has penetrated into the world famous Everglades of Southern Florida.

"This is indeed a wild, uninviting region," writes Mr. Damson, "with nothing to break the profound stillness of the vast, almost inaccessible jungles and swamps, but the occasional song of a bird or the croaking of an alligator. Some day however this will be changed. Lake Ocheechee, the second largest lake in the United States, is being tapped by canals from all sides, and the glades by drainage and the woodman's axe will some day become one of the world's great garden spots."

MOVING PICTURE MEN COMING.

The moving picture camera man is coming to Holland to reproduce the scenes on the streets and in the public places of this city in motion picture—that if the necessary arrangements can be made. Many a city is spending thousands of dollars each year in advertising its advantages; the motion picture method of doing this is comparatively new but it is proving exceedingly effective. The films shown in hundreds of theatres advertise a town perhaps better than anything else could, and if the plans materialize Holland is to have some of this advertising.

Here are some of the scenes that the Advance Motion Picture Co., of Chicago proposed to show on their films; street scenes, with the people hurrying back and forth bent on their daily business; the factories letting out their streams of employees; the schools discharging streams of children; Hope College with its students on the campus; the fire departments drilling on the streets; resident sections; parks in the city; Black Lake and the boats on it; the resorts in the immediate vicinity of Holland; clubs and organizations of various kinds in the city; the industrial plants and stores, etc., etc.

In fact the motion picture firm proposes to represent on the films all the interesting sights and scenes in Holland. One of the reasons why he became interested in this city is the fact that he saw the book recently issued by the Board of Trade and called "Holland, the City Beautiful, the Gateway of Western Michigan and of the Great West." This title alone attracted attention, and when the trained experts of the firm saw the cuts of sights and scenes here they decided that this city is particularly well adapted to reproduction in motion picture. In fact, they concluded that there are more interesting things to be seen here than in most cities, and for that reason negotiations were opened.

Like all advertising, this piece of publicity work will cost money.

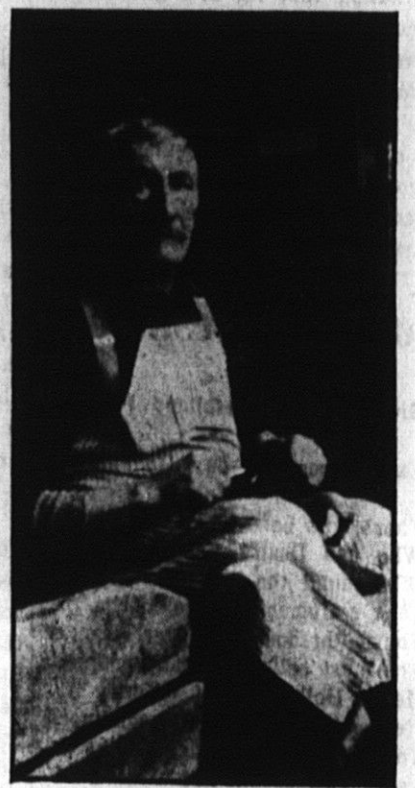

The motion picture firm has asked the manager of the Knickerbocker theater to co-operate with him and to interest the Board of Trade, the Business Men's association, the various other organizations and interests in Holland in the scheme, with a view of raising the money necessary to carry out the venture.

If the plan goes through and the films are made they will be shown in Holland first. Then they will be given in charge of Mr. Simon, who will have charge of sending them broadcast throughout the United States. They will be shown in hundreds, perhaps thousands of theaters, the plan being to show them almost free of charge, asking only the payment of the necessary expenses.

Now is the time to get rid of your rheumatism. You can do it by applying Chamberlain's Liniment and massaging the parts freely at each application. For sale by All Dealers.—Advertisement.

WILLIAM BAKKER HAS NEARLY REACHED HALF CENTURY MARK ON COBBLER'S BENCH.

Nearly half a century in the shoe making trade is the record of William Bakker of this city, a record that few people in this country can equal. Next year Mr. Bakker will have reached the half century mark in this trade, and he can still be found each day on his cobbler's bench at Spruietma's shoe store. Bakker has not kept track of how many thousands of pairs of shoes he has made and repaired, but if he had it would total up to a very considerable number.

A curious fact about Bakker is that he is at present employed by the grandson of the man for whom he worked when he first came to America. That was 49 years ago. He had been making shoes in the Netherlands and he hired out to L. Spruietma in 1864. In those days most of the shoes were manufactured by individual cobblers, and the people who wanted to buy footwear had their feet measured for shoes and in the course of time the shoes would be delivered to them. The shoe manufacturing industry, as it is known today was unknown then, and the cobbler was an important personage in the community. He did a great deal more than patch up old shoes.

Mr. Bakker was born in 1843 in the Netherlands. As a boy he came to America in 1854 but later he returned to the Netherlands, and finally in 1861 he once more returned to the United States. He lived in Brooklyn, New York, Paterson, N. J., and other places. In 1863 he came to Grand Rapids and the next year he landed in Holland. After working here a while he worked in Grand Rapids, Grand Haven and other places. Finally he returned to Holland and he has plied his trade here ever since. For twelve years he conducted a shoe store under the firm name Bakker & Van Raalte. Later he was the cobbler in the Van Duren store for 25 years. When this store changed hands he became the cobbler in the Boter store. This position he held for one year and the first of this year he began work in the Spruietma store.

Miss Gertrude Sellas and Jacob Compré Wedded at the Bride's Home

Miss Gertrude Sellas was united in marriage to Jake Compré, of this city at the home of the bride, 171 East 14th str. Thursday night. The Rev. R. L. Haan performed the ceremony. The rooms were very beautifully decorated with flowers and plants and the ceremony was very impressive. The wedding march was played by Miss Ella Brink. After the wedding a reception was held for the friends and relatives of the couple and a very enjoyable evening was spent. The groom is an employee at the Buss Machine Works and the couple will make their home in East 14th street. Miss Sellas is the daughter of Mr. and Mrs. A. H. Sellas.

Law is Changed; All the Pupils in The State Affected.

The pupils of Holland as well as of the schools throughout Michigan will have to continue going to school till they are sixteen years old. Hitherto the law has been that the pupils would have to attend school till they are sixteen or till they have passed the Eighth grade. This law has now been changed and all will have to go till they are sixteen, whether they have passed the Eighth grade or not. The only way out of it is to secure a permit from the board of education, allowing the holder to work.

This law will not be felt much in the cities, but in the rural communities, where the boys help on the farm in the spring and fall, it will take some time before the age limit will be accepted as a matter of course.

MRS. OSCAR DYKSTRA SUCCEUMBS IN A DETROIT HOSPITAL.

Mrs. Oscar Dykstra, formerly of this city, died in a Detroit hospital as a result of an operation. She was 21 years old and she leaves a husband and two children. Mrs. Dykstra died after she had submitted to a second operation. The first one was successful but later blood poisoning set in which necessitated a second operation. Her husband, Oscar Dykstra is well known in Holland and was at one time in the employ of his brother Charles Dykstra, in the south side drug store.

The deceased was buried at Hamilton and the funeral was held Wednesday at 12:30 from the home of Mr. Dykstra's parents, and at 1:30 from the Reformed church at Hamilton.

IS TO GO TO UNIVERSITY OF NORTH DAKOTA NEXT SEPTEMBER.

William Leenhouts, member of the Senior class of Hope College, received a letter today announcing that he had been granted a scholarship in the department of Chemistry of the University of North Dakota. Leenhouts will be given a stipend of \$300 a year, exemption from the paying of tuition, and there are other privileges connected with the position that make the scholarship worth fully \$400 a year. The young man can thus continue his work, while at the same time working his way.

Leenhouts is the fourth senior to receive a scholarship this year. Two were granted scholarships in the University of Illinois, one in the University of Ohio.

COUNTY EXAMINATION HELD AT GRAND HAVEN IS OVER. There Were Sixty-Three Applicants for Certificates at the County Seat.

The regular April county teachers' examination closed Saturday at the court house in Grand Haven and 63 applicants wrote for teachers' certificates. The spring examination was formerly held in June but the time for holding the important test was changed to April, with the result that the number of applicants has increased. The examination included questions for first, second and third grade certificates, and the examiners were empowered to continue the session for three days.

The examination is in charge of County Commissioner of Schools, R. R. Stanton, assisted by County School Examiners, Egbert Winter and H. K. Boer. The applicants who wrote for certificates came from all parts of Ottawa county. The examination was held in the supervisors' rooms at the court house.

The following are the applicants who wrote for certificates entitling them to teach in the schools of Ottawa county:

Studebaker

"Yes, our new wagon's a Studebaker—the only kind we KNOW"

"The Studebaker idea has been in our family for sixty years. We have never thought of buying any other kind of a wagon."

"It's true, we're continually being offered other wagons costing a little less, with lots of promises as to what they will do. But we know in our family what a Studebaker will do. A few dollars difference in price doesn't mean much. It's the service a wagon gives that we consider most."

"Long service for a fair price means more every time than short service for a few dollars less."

"That's why we stick to Studebaker—and 'Stick to Studebaker' is a pretty good motto for a man who uses wagons."

"Studebaker wagons are built of good stuff. They're made right by people who've had years and years of experience in making them right—people who are trusted the world over."

"Studebaker wagons last, because they're made to last."

"Look out for the dealer who tells you his wagon is just as good as a Studebaker. That's my advice after a good deal of experience—and the experience of all of my people. You get a Studebaker and you've got a safe investment."

WILL COMPETE FOR WASHINGTON BUST TO-MORROW EVEN NG

To-morrow evening at Winants Chapel will be held the third triennial oratorical contest for the Washington Bust. Those who will enter the contest are Clarence Dame, and Gerrit De Motts of the Senior class, John W. Flight of the Junior Class and B. W. Miller of the Freshman class. The subjects of the orations are "The Panama Canal Issue," "The Problem of the City," "Our Nation's Opportunity," and "The Alchemy of Industrialism." The judges are Supt. Vanden Berg of Grand Haven, the Rev. B. Hoffman of Zeeland, the Rev. J. Groen of Grand Rapids and Prof. Faton and Mrs. Anderson of the Grand Rapids High school.

The prize, a bronze bust of Washington after Houden, was established in 1906 by Dr. J. Ackerman Coles, of New York. The first contest held in 1907 was won by Peter Pleune. The second contest in 1910 was won by Jacob Heemstra.

WILL DISCUSS PROPOSITION OF LOCATING NEW INDUSTRY; OTHER IMPORTANT BUSINESS.

An important meeting of the Board of Trade is to be held in the Board of Trade room in the city Hall this evening. It will be the first meeting of the board since the annual election of officers a few weeks ago. One of the reasons why the meeting is exceptionally important is because a proposition of locating a new manufacturing concern in Holland will be discussed and all the members will doubtless be deeply interested in this.

President Austin Harrington will also announce his committee appointment for the coming year. There will be a number of other things of interest to be discussed and the meeting bids fair to be the most important held for a long time. ATTORNEY GENERAL GRANT FELLOWS WILL SPEAK ON DEcoration DAY

Memorial Sermon to Be Delivered By the Rev. H. J. Veldman in 1st Reformed Church

A month from today will be Memorial Day and many of the arrangements for the proper celebration of that day have been made. The A. C. Van Raalte G. A. R. Post is naturally deeply interested in this annual celebration and that organization has made preliminary plans for it.

For the first time since the observance of Memorial Day was begun in Holland the Memorial sermon will be held in the First Reformed church. The post has been limited to the English speaking churches and that was one of the reasons why the services were usually held in Hope church. The First Reformed church during the past year began to hold some of its services in the English language and the plan is to hold the Memorial services in the different English speaking churches. The sermon this year will be delivered by the Rev. H. J. Veldman.

Attorney General Grant Fellows has been secured to deliver the Memorial address on Memorial Day.

TRINITY CHURCH HAS BEEN REMARKABLY SUCCESSFUL. Membership Has Grown Fast and the Work of Church Organization Has Been Effective.

To-day it is two years ago that the Trinity Reformed church was organized in Holland. The church was organized with a membership of 45 families, 87 members in full communion and a Sunday school enrollment of 77. The services at first were held in Winants Chapel and last September the beautiful new church in the southern part of the city was dedicated. The Rev. John Van Peursem, the first pastor of the church, has been at work here for a little over a year, having begun his labors here, April 18, 1912, and he has been very successful.

The attendance at the new church lately has been between 425 and 500 twice every Sunday and the week day meetings of the church have also been well attended.

The Leader yesterday presented the following statistics about the church.

Families 100; Received on Confession 34; on certificate 43. Total now in communion 195; Total enrollment in Sunday School 425. Contributions, denominational and congregational, \$5840.00.

The number of catechumens is 160. The Ladies' Aid society has about 70 members and is doing excellent work. A Relief society has been organized, which at present has 76 members; this society, under supervision of the deacons, is for the support of its members in case of sickness.

OFFICE CALLS NOW 75 CENTS; HOME CALLS DOLLAR AND A HALF.

At a meeting of the physicians of Holland it was decided that on and after May first the regular fee for calls would be \$1.50 instead of \$1.00 and the office consultations 75 cents instead of 50 cents. The raise of price in drugs, the increased cost of living, but especially the necessity on the part of the doctor of providing himself with instruments, tools and equipment, which are required so that he can keep up with the constant progress in the practice of medicine—these are some of the reasons given by the physicians for the change in prices.

The physicians say that in order that they may do good and satisfactory work they must be provided with the necessary equipment and this requires money. And it has been this that has compelled the physicians of the city to raise their fees.

LOCAL FURNITURE MAN ON THE WAY TO ATTEND A WEDDING.

Word has been received in this city of the sudden illness of Charles P. Limbert, prominent furniture manufacturer, who was stricken while on a train near Richmond, Va. Mr. Limbert was on his way to the southern city to attend the wedding of a friend Bert Weary, son of a prominent Chicago interior decorator. A few miles out of the Virginia capital, Mr. Limbert, while conversing with fellow passengers, suddenly lost the power of speech, as well as the use of his limbs.

When the train reached Richmond, Mr. Limbert was hurried to a hospital. It was stated his condition was not serious and that he would be able to would be able to return to his home in Grand Rapids the latter part of the week.

Barney Tierman of this city who went to Detroit lately in search of work has received a position as draftsman for the Van Tile & Hines contractors of Detroit. Mr. Tierman took a correspondence school course

HOLLAND WINS THIRD VICTORY OVER GAS CO.

The city has won its third victory in the Holland Gas Company case.

Through a decision just handed down by Judge Sessions, the common council has been empowered to enforce its resolution by advising the patrons of the gas company to deduct from their gas bills for gas which is below the 650 British thermal unit test while the case is pending in the state supreme court to which the gas company took an appeal.

The company was also required to put up a \$500 bond to cover the expenses and costs of the city in defending the appeal, in case the gas company fails to win its case.

MRS. GEORGE WILLIAMS 13 MOURNED BY MANY

After about a year of illness, the last few weeks of which was a constant struggle for life, Mrs. George Williams died Tuesday a. m. at her home 66 West Tenth Street. She is survived by a husband and four children, who are: Mrs. Porter of Howell, Miss Maude Williams of this city and James and George of Seattle, Washington.

Mr. and Mrs. Williams have made their home in this city for a long time and at one time they conducted the Hotel Holland. She has a host of friends and will long be remembered by them as a loyal friend and one who was always trying to help others. She devoted a great part of her life doing good where it was most needed and was always considerate of her friends. She was 62 years of age.

The funeral will be held this afternoon at 1:30 from the home 66 West Tenth street. The Rev. P. E. Whitman, the Rev. F. O. Graniss and Dr. G. J. Kollen will officiate.

HOLLAND'S DRYNESS LOST TOWN A HOTEL

As a result of the recent saloon election Holland has lost an opportunity of securing a large modern hotel. H. Boone, owner of Hotel Holland, had practically closed negotiations with eastern men for the transfer of the title, but when they learned that the city went dry they dropped the proposition like a hot brick, claiming that a hotel without a bar was a poor investment.

The eastern men had planned to remodel and enlarge the hostelry, doubling its capacity by adding seventy-five rooms and equipping the place with tile floors at an outlay of more than \$50,000.

BOYS STUNG

Two local young men learned a thing or two about the ways of Zeeland girls the other night. They were taking the young ladies out driving having secured a team of horses and a two-seated livery rig at a local livery barn. The young men insisted in stopping at one of Holland's wholesale houses to secure some "wet" goods. The young ladies protested, but the young men insisted.

While they were out in the wholesale house giving their order the girls showed the whip to the horses and delivered the rig at the livery barn. Then they proceeded homeward via the interurban.

When the young men emerged out of the wholesale house, loaded with wet goods, they found to their consternation that rig and girls were gone. The livery stable employees were in on the joke, and they pretended not having seen anything of the team. The young men had an hour or more of anxiety and they did a good deal of wandering about town in search of the fugitives, before they learned the real facts.

Covincing Testimony

Given By Many Holland People.

Experiences told by Holland people.

Those who have had weak kidneys who use Doan's Kidney Pills—Who found the remedy effective—Such statements prove merit. You might doubt an utter stranger. Here's Holland proof. Verify it. Read, investigate. Be convinced. You'll find why Holland folks believe in Doans.

Mrs. W. Lawrence, 288 Van Raalte avenue, Holland, Mich. says: "I am glad to again testify in praise of Doan's Kidney Pills. I still use them occasionally when I have slight recurrences of my trouble. I was bothered greatly by dull pains through my kidneys and an almost constant backache. Doan's kidney pills removed these troubles strengthening my kidneys and toning up my entire system."

Holland, Mich.

The permanent organization of the Second Christian Reformed church of Holland will be made May 8 in the building of the old Fourth Reformed church. The council of Hope college met Wednesday morning at ten

o'clock. Practically all of the classes of the Reformed church were represented. Many important matters will come up for discussion. The Social Progress club took a trip thru Palestine Monday evening, via stereopticon views, when it met

at the home of Principal and Mrs. Roy Gilbert. The regular paper was omitted due to a misunderstanding in regard to the program and Supt. E. E. Fell entertained the members with a series of beautiful pictures of the Holy Land.

WHAT YOU SAW IN THIS PAPER

THIRTY-FIVE YEARS AGO

Market Day—Next Wednesday

In Nelson County, Virginia, a hawk was seen at a considerable height with a large snake writhing in its claws, when suddenly the bird closed its wings and fell heavily to the earth. The snake a moccasin had bitten it in the neck—a moccasin talons of the hawk were so buried in the vitals of the serpent that it died.

There are twenty-eight sawmills within a radius of six miles in Muskegon, Michigan, which during 1877 cut about 375,000,000 feet of lumber. The cut this year will be about 105,000,000 feet less.

At a session of the Common Council on Wednesday evening the saloon license was put at \$25 and the bonds of all of them were accepted, except the one of M. P. Visser and Mr. E. P. Sutton, the brewer. The chief officers were not appointed.

Captain B. Van Ry is making preparations for a new residence on Cedar Street.

City Clerk Slipp is ready to receive proposals for the laying of some more water mains.

Mr. Van Regenmortel last several dollars worth of nets in Lake Michigan by the recent storm.

FIFTEEN YEARS AGO

The number of saloons in the city during the coming license year will be the same as last year. The only change will be that the place carried on by Harry Van Zee will be kept by Tonneller Bros.

Harry Van Zee, at the close of the month will discontinue the saloon business here and move to Texas where he intends to engage in the grocery trade.

The walls for the additions to the late West Michigan seating factory are going up. One is a two story building of 51x150 and the other a warehouse of 20x150.

TEN YEARS AGO

Miss Madeline Van Putten has resigned her position as operator at the Bell Telephone Exchange and will take a course in the Grand Rapids Business College. She will leave next month.

John Meerman met an accident this week while working in the Wolverine Boat Works. He injured his right hand on a rip saw and will be laid up for some time. Dr. Innis dressed the wound.

Death of L. T. Kanters

Flags at half mast on the fire engine houses were the first to announce the death in Detroit of L. T. Kanters, Chief of the Fire Department. Heart failure caused his death. The remains, in the care of Undertaker Nibbelink, were brought to this city by Gerard Kanters accompanied by G. J. Diekema.

A number of prominent citizens met them at Grand Rapids.

Mr. Kanters was fifty years of age and excepting a few years, has been a resident of this city since 1862 when Rokus Kanters and family of which L. T. was one came to this country. He was published of De Hope, secretary of the South Ottawa and West Allegan Fair Assn., member of the board of trustees of the Pilgrim Home Cemetery and Chief of the Fire Department. He has been city treasurer, county treasurer and alderman for the third ward.

The following near relatives mourn the deceased: Mrs. U. De Vries; A. M. Kanters of Alaska, Rokus A. Gerard A. John and Miss Jennie Kanters of this city. The funeral will be held at 3:30 Saturday afternoon at Hope church. Prof. Bergen and Dr. Karsten will officiate. The city officials and the fire department will attend the funeral in a body.

Interurban Employees Return to the Sack Coat.

The swallow tail coat that the Interurban employees have been wearing for the past year and more has gone into the discard and from now on the conductors will wear the sack coats again. Lokker-Rutgers Co., has supplied the employees of the road with the sack coats and black silk caps. The swallow-tails have never been popular with the employees and they have put them away, determined to keep them as souvenirs.

SUPERINTENDENT OF SCHOOL FOR CHRISTIAN INSTRUCTION RESIGNS POSITION

Paul Gezon, who has for a number of years ably filled the position of superintendent of the Holland School for Christian Instruction, has resigned his position in order to be able to manage his father's farm at Wyoming Park near Grand Rapids. Mr. Gezon may also accept a position in one of the Schools for Christian Instruction in Grand Rapids. He will however try country life for a while. His father has been in ill health for some time, and yielding to his wishes and to a desire to try country life for a while Mr. Gezon has decided to make the change. He has bought a bungalow at Wyoming park and he will go there with his family some time after the local school closes for the summer.

John Vander Ark has been appointed by the school board to take Mr. Gezon's place, but he has not yet accepted the appointment. Mr. Vander Ark is said to be a fine progressive young man, thoroughly capable of education and training to fill the position.

All the other teachers of the local school have been reappointed and all have accepted with the exception of Henry Ryskamp who will leave Holland to accept a position as Assistant principal of the Pine Street Christian school of Grand Rapids, his home city. His work in Holland has been very satisfactory and the board made strong efforts to retain him, but he preferred to work in his home city.

"The school is in a flourishing condition," said Mr. Gezon. "We have an efficient corps of teachers and everything is running smoothly. Myself and Mrs. Gezon have become deeply attached to the people of Holland and to the city itself, and we are very loathe to leave it. I consider Holland a clean and progressive city. The parents of the children take such an interest in the schools that one is kept both encouraged and on the alert to make constant improvements."

HOPE COLLEGE RUNNERS HAVE THEIR FIRST TRY-OUTS MONDAY.

The Hope College track men Monday afternoon held their try-outs for the Cross-Country team. The ten men who ran were Van Strien, Holleman, Heneveld, Peet, Mulder, Bilkert, Pelgrim, Muijskens, Vos and Miller. From this number eight will be chosen to do steady training until the race, May 10th when six men will be selected to represent Hope. Prospects for a fast team are very bright this year, more so than for the past four or five years. The time made in the tryouts Monday was better than had been looked for by the most hopeful.

This will be the fourth annual race to be held here on May 10th. The other teams to compete will be Muskegon High school, Grand Rapids Y and possibly a team from one of the colleges of the state. There is a great deal of enthusiasm for track work this year at Hope and the signs are good for a successful year. Next Saturday the Inter Class field meet for the Wykhuizen-Karremans trophy will be staged at the campus.

On May 19th comes the Cross Country Invitation meet and on May 24th the annual Grand Rapids-Hope Relay. The race this year will be run from Holland to Grand Rapids. At the present time the management has not heard officially from Kalamazoo in regard to a dual meet but if such notice is received Hope will doubtless try to make arrangements to meet the local city team.

DR. L. CONKEY TO MANUFACTURE OPERATING TABLES IN WIRE FENCE FACTORY.

Will Also Conduct a Class in Surgery There; Secured Through Board of Trade.

Although the Wire Fence Co. whose factory was near 22nd street and Columbia avenue went out of business a short time ago, the building will not be vacant long, for thru the efforts of the Board of Trade of this city and the board of directors secured Mr. Conkey, a veterinarian of Grand Rapids.

Mr. Conkey will manufacture operating tables for horses, swine, canids and practically all animals. During the summer he will, in connection with the business, conduct a school in major surgery and give post-graduate courses.

Dr. Conkey is a well known veterinary surgeon of Grand Rapids and has practiced in that city for some time besides conducting a school there. He has had his operating tables on the market for a number of years now and they have been distributed all over the country. At the present time they are used by the U. S. War department and firms in other countries. It is reported that many good offers were made to him by Grand Rapids firms and the Holland Board of Trade was very fortunate in having him settle here. He has moved his family here and will make his home here in the future.

DRENTHE LOSES INDUSTRY LOCATED THERE FOR MANY YEARS.

The Drenthe Canning company which has been operating at Drenthe for the past ten years has moved its plant and machinery to Hamilton. The company has reorganized and will be known as the Hamilton Canning Co. They have secured two large buildings suitable for the work. The company moved from Drenthe to that village on account of better shipping facilities and better acreage. The plant will be managed by B. Te Haar Sr., who has had charge of the factory at Drenthe for the past eight years.

Members of Legislature Remember the Speaker Pro Tem

Thursday afternoon the members of the House of Representatives presented Rep. Charles H. Mc Bride of this city with a beautiful clock. Mr. McBride has served during the present term of the legislature as Speaker Pro Tem and he has occupied the chair and wielded the gavel many a time during the absence of Speaker Currie. The members of the House also presented Mr. Currie with a beautiful watch, and the pages of the House gave him a diamond stick pin.

Hold a Family Reunion.

Mr. and Mrs. Barend Bosman of North Holland, had a big family reunion when a large number of relatives gathered at their home to help celebrate Mr. Bosman's 80th birthday and Mrs. Bosman's 79th birthday which occurred April 19th. The couple are still enjoying the best of health.

JOSEPH WARNER TO SHOW CANVASSES NEXT FEW WEEKS.

Joseph Warner, the Holland painter, will give an exhibit of his paintings in the store formerly occupied by the French Cloak Co. The exhibit will be on for the next few weeks and some of the best paintings of Mr. Warner will be shown here. The people of Holland are invited by the artist to come and see the paintings.

Mr. Warner's paintings are found on the walls of many Holland homes. He has sought out many a spot of natural beauty in and about Holland and has translated its delicate spiritual meaning in colors on his canvases. The canvases that are to be shown in the exhibit are among the veteran's best, and doubtless many of the people of Holland will take the opportunity to see them.

H. H. FRIS, FORMERLY OF THIS CITY, HAS THRILLING EXPERIENCES

In Company with Postmaster of Naco He Crosses Line During the Fighting.

As you know, passed my own '41 trip to Mexico. I was with H. H. Fris, formerly of this city, who was in this city on business Thursday afternoon. With the possible exception of the siege in Mexico city, no braver fight was made since the trouble began than the stand on Ojeda at Naco, he believes.

Mr. Fris said the fighting was desperate from 4 o'clock in the morning until noon Sunday and then General

Ojeda would not have been forced to surrender if his ammunition had not been exhausted. An express car containing fifty thousand rounds of ammunition was attached to a train which arrived at Naco Sunday morning but it was too late to get across the border. The car was supposed to have arrived a day earlier and if it had the federal forces would not have fallen is the belief of the Miami visitor.

While the fatality list was over a hundred and the number of wounded nearly three hundred, Mr. Fris said the figures cannot tell the story of the battle. The reason that no Americans were killed or wounded is that the fusillade of bullets fired in the direction of the American side for hours was due to the fact a line of steel coal cars were run on the tracks which marks the border and left standing until after the battle.

Accompanied by Postmaster Folsom of Naco, Mr. Fris was the first American to cross the line. He accepted the hazard in the thick of the fight to save the lives of some Mexican women. A number of Federal officers who had surrendered to the United States troops were anxious over the safety of their wives who were in an adobe house at a spot where the fighting was the thickest. The postmaster and the newspaper man plunged into the battle when Ojeda was making his last stand and rushed to the house where the women were threatened. They feared the Federals would fire in the neighborhood as a last desperate effort. They were challenged by the rebels but allowed to continue when it was discovered they were Americans. The pair reached the adobe house in time to save seven women, wives of the federal officers.

The firing in that neighborhood, however, was thick and the lives of the two men were constantly in danger. Mr. Fris was standing with a federal soldier at the door of a house when suddenly the soldier dropped dead from a bullet wound.

Rushing into the building Postmaster Folsom and Mr. Fris found four Federals lying on the floor in fear and covered with blankets. When they recognized the Americans they asked what was best to do. Mr. Fris who was familiar with Mexican revolution tactics advised them to throw off their arms and ammunition and give themselves up to the American forces since Ojeda had surrendered. While assisting one soldier to remove his cartridge belt, a bullet sped past Mr. Fris' hand and lodged in the shoulder of the Federal.

While looking on from the American side, Mr. Fris and Postmaster Folsom saw a federal wave a pole to which was tied his white handkerchief as a sign that so far as he was concerned the battle was at an end. The Americans called to him to cross the line and save his life, but he was afraid of the American soldiers. Rushing across the street, Folsom took the soldier by the arm and was leading him by through to the American side when he was shot and killed. The postmaster narrowly escaped with his life.

Many federals were killed crossing the line. The Yaqui Indians were stationed in all sections to prevent the federals from surrendering to the American troops and as soon as they started across the sharpshooters would pick them off.

One Federal was wounded in three places in his race across the border, but he was on his feet when he surrendered. American soldiers started to lead him to the hospital, but seeing a moving picture machine in operation near by the soldiers refused to go until after he had had his picture taken. He posed for the camera man with a smile, realizing that every minute might be his last.

After the battle the rebels looted the saloons and many could be seen staggering around the streets with a box of sardines in one hand and a bottle of champagne in the other.

A pair of Yaqui Indians on the American side found two suit cases belonging to federal officers and they immediately retired to a vacant house to change clothes. Mr. Fris and Postmaster Folsom were interested spectators when the Indians clad themselves in B. V. D. underwear and starched shirts. Seeing a round box in each bag they became superstitious but were informed by Mr. Fris that they contained nothing but collars. So the Indians put on white collars for the first time in their lives. Mr. Fris says the redskins looked like a pair of college men after a summer on the beach when they trudged about the streets of Naco in their newly acquired finery.

Mr. Fris has been through four engagements during the past year and has been fortunate enough to escape uninjured each time. On one occasion he was put in prison in Mexico City and feared for some time that he would be shot as a spy. He predicts that there will be unrest in Mexico for several months.

IRENE BAHAN AND HARRIS BERTSCH IN CLOSE STRUGGLE FOR SECOND PLACE

Are Tied On Rank, But Percentages Such That Miss Bahan Wins Silver Medal

Miss Anna Lundberg was awarded the gold medal in the D. A. R. oratorical contest held in the High school assembly room Friday, for being given first place by the judges. The silver medal was awarded to Miss Irene Bahan. The medals were presented by the Elizabeth Schuyler Hamilton chapter of the D. A. R., and the presentation was made by Principal Gilbert of the High school. The winning oration was entitled, "Child Labor in the United States," the oration that won second place was "Our Debt to Birds." The third speaker in the contest was Harris Bertsch whose subject was "International Conciliation." The contest was so close that Mr. Bertsch and Miss Bahan were tied for second place on rank; when the percentages were added up, however, Miss Bahan was found to be the winner.

Miss Bahan was the first speaker. She made an earnest plea for the conservation of bird life in this country. She told of what the birds meant to the farmers and how foolish it is to allow thoughtless men and boys to kill them. She told of many of the causes why birds are killed, such as the demand for feathers for the hats of the women, etc., and made a plea to the women to do their part in preserving the lives of the birds by refusing to wear feathers.

Harold Bertsch the second speaker eloquently declared that the United States should become a leader, in helping along the movement for international peace. Mr. Bertsch briefly told of the horrors of war and how the methods of the peace congress are much better in settling international disputes than an appeal to arms.

The winning oration was delivered last. Miss Lundberg pictured the horrors of child labor in the United States. She told of how the lives of little children are constantly being sacrificed so that corporations may amass wealth and she made an earnest protest against this.

The Girls Glee club and the Boys' Glee club rendered selections before and after the speakers took the floor. Before the program began Prof. J. Wood Miller of Urbana, Ill., gave a reading to the high school pupils.

KNICKERBOCKERS' HOLD FOURTH ANNUAL BANQUET FRIDAY NIGHT

Carnegie Gymnasium Beautifully Decorated for the Event; Boys Respond to Toasts.

Carnegie Gym Friday was the scene of one of the most delightful social functions of the year at Hope college, the occasion being the 4th annual banquet of the Knickerbocker society. Festoons of maroon and black, the society's colors draped from the balcony to the floor, made a neat enclosure for the festal board. Around the balcony pennants were hung while at the front of the hall hung a beautiful painted skin bearing the society's monogram.

A most elaborate five course dinner was served after which Gebhard Stegeman, president of the society, introduced the toastmaster, Mr. Wm. Leenhouts. The first speaker, Theodore Zwemer was fittingly introduced and spoke on the subject "Ginger." The speaker pointed out that life was hardly worth while without ginger. "Twilight Memories" was the subject taken by John De Boer. Mr. De Boer showed the necessity of an atmosphere for all activities of life and humorously alluded to the high price of 'atmosphere' on the campus. He then went on and artistically painted two pictures of twilight memories. Mr. Clarence Lokker next responded to a toast "Vision" and fittingly toasted the ladies. The last speaker, Clarence Dame, spoke on "Knickerbockers" and traced the growth and development of the society through its four years of life. As a final number Mr. Frank Kleinhessel sang "A Banjo Song." Before leaving the entire company sang a song written especially for this banquet by Harry Hoff.

After the banquet itself, the tables were removed and a social hour enjoyed. After the grand march led by Helene De Maagd and A. Van Brönkhorst the party broke up.

BEGIN IMPROVEMENTS ON MACATAWA WATER FRONT

Van Anrooy Bros. have started to remove the interurban pier at Macatawa Park. Much of the material will be used for the new pier to be built into Macatawa bay at Jensen park and it is expected to have the structure completed before the opening of the resort season.

The new pier will be inclosed and be wide enough to permit four car tracks, two for passengers and two for freight traffic.

ALL PASSENGER LINES OUT OF CHICAGO INCREASE FARES

This is Explanation Given by Traffic Managers—G. & M. Company Included in List.

From all reports it is going to cost more for lake trips the coming season than it has in the past. Every steamship company has raised its rates, and the Graham & Morton Transportation company have given out the information from the Chicago office that there would be an increased fare, the schedule for the round trip to be \$2.00.

Application for permission to raise the rates has been made by the Graham & Morton company to the interstate commerce commission, but no change has been announced of the increase of fare, and will not be according to the Chicago office, until permission to make the raise has been granted by the commission.

The season for the proposed advance in rates is given that the operating expenses have increased, and that the shortness of the season make it necessary to charge more for the trips.

Similar increases have been made by most of the other steamboat lines. The Goodrich line has advanced its round trip rate between Chicago and Milwaukee from \$1 to \$1.25.

The Michigan City line has published an advance from 75c to \$1 a round trip.

The Northern Michigan Transportation company operating a line of boats to Pentwater, Ludington, Manistee and Frankfort has decided to charge 50 cents more for one way tickets and \$1 more for round trips.

Berth rates will remain unchanged on most lines.

Said one prominent lake boat official:

"The steamboat lines have always carried passengers more cheaply than the railroads and the tendency now is to enforce rates on a more even basis. We have a short season and a large amount of capital invested and so long as no disposition is shown to make unfair advances, I think the tendency will be for an upward revision of passenger tariffs to keep pace with the increased cost of operation."

SUPT. FELL APPOINTS MEN AND WOMEN TO FORMULATE PLANS FOR MOVEMENT

Supt. E. E. Fell Saturday made the appointment of the play ground committee. This committee was provided for at a public meeting in the High school assembly room about two weeks ago after a lecture had been delivered by the director of the playgrounds of Grand Rapids. Many of the people of Holland attended the lecture and during the discussion at the close of it a motion was made that Supt. Fell appoint a committee of five to formulate plans for municipal play grounds in Holland.

The committee appointed by Mr. Fell this morning is composed of Dr. A. Leenhouts, the Rev. F. O. Graniss, Mrs. Charles McBride, Miss Anna Dehn and Arnold Mulder.

This committee will set to work at most immediately since the plan is to provide playgrounds for the Holland youngsters this summer. With the assistance of Superintendent Fell, who is deeply interested in this work plans will be formulated and all the necessary estimates of cost will be made. The general plan is to interest the council of the city and a number of other organizations, so that all may help the work along. It is possible that an appropriation for the work may be asked for. The expense will however not be great since Holland has plenty of available space for the playgrounds and no sites need be purchased.

The Federation of Parents-Teachers' clubs is represented on the committee by Mrs. McBride and Miss Dehn. The clubs have done a great deal to develop sentiment in favor of the playground movement. It was at the meetings of these clubs that many parents for the first time learned what the movement meant and how important it is.

HENRY JAMES CRONKRIGHT HELPED ORGANIZE HOLLAND CAMP OF MODERN WOODMEN.

When the Modern Woodmen held their banquet last week in commemoration of the 19th anniversary of the formation of the Holland Camp, it was thought that Frank Palmer of the North Side was the only charter member of the camp living. Mr. Palmer spoke at that celebration, and he was hailed as the only one left of the original number. Later however the camp discovered that they had overlooked Henry James Cronkright of this city.

Mr. Cronkright was one of the men whose names appear on the roll as the originators of the camp. He knows intimately the early history of the organization and helped to put the club on its feet. He and Mr. Palmer are so far as known, the only charter members now living.

SEVENTH ANNUAL BANQUET OF THE KNICKERBOCKER SOCIETY

The eleventh annual banquet of the Knickerbocker society of Grand Rapids was held Thursday at the Painted hotel. The Rev. E. J. Tanis spoke the invocation and the Rev. J. M. Vander Meulen of Louisville, Ky., was toastmaster. The guests of honor were the five Grand Rapids boys who have won different prizes at the colleges of Michigan: J. E. Luidens, who won the peace oratorical contest at the State Normal at Ypsilanti; Bartel J. Jonkman, who took part in the debating contest which the University of Michigan won over Chicago; Cornelius J. Muste, who won the oratorical contest at Hope college; Willis B. Perkins, Jr., who won the oratorical contest at Olivet and Burt Bouwman, who won a similar contest at the Kalamazoo college. Music was furnished by a male chorus, a male quartet and a duet by Mrs. Reuben Mauritz and B. A. Beneker was also well received.

The two principal addresses were given by Judge A. C. Denison, who spoke on "Make Haste Slowly," and Prof. J. E. Kuizenga of Hope college who spoke on "Point of View." Mr. Denison preached conservatism and showed how in many instances haste makes waste. "If anything is slower than a Dutchman it is a court," was one of his pithy expressions.

"Prof. Kuizenga said in part: "God made man and woman to have one point of view, and in keeping that point of view, he or she receives strength, but still they should be so wide-minded, that they can take the other person's point of view. There is but one true point of view. That is of the Almighty God, and we should all be steady until we shall attain that and see no longer in part."

Short addresses were also made by all the guests of honor.

J. Leenhouts is the president of the organization, Isaac Wagemaker vice president, W. H. Van Leeuwen, secretary and A. Dooge, treasurer. The aim of the society, given by the president last night in his address of welcome, is to perpetuate the history and traditions of the Netherlands.

Holland, Mich., April 23, 1913. The Common Council met pursuant to adjournment and was called to order by the Mayor.

Present: Mayor Bosch, Alds. Van Drezzer, Prins, Drinkwater, Congleton Hansen Harrington, and Vander Hill, and the Clerk.

The reading of minutes was suspended. Messrs. Rice and Neuman petitioned for a license to engage in the business of moving picture theatre at No. 37 East 8th Street.

Referred to the committee on Licenses.

The Clerk presented the following druggists bonds: Charles D. Smith, principal, with W. A. Van Syckle and A. B. Bosman sureties; Geo. L. Lage, principal, with Otto P. Kramer and H. W. Hardie, sureties; G. T. Haan, principal, with Otto P. Kramer and W. J. Garrod, sureties; F. J. Schouten, principal, with Henry Kremers and Hermannus Boone, sureties; Jacob Haan, principal, with Henry Kremers and Henry Bosman sureties.

Referred to the committee on Licenses.

The Clerk presented the following from the Holland City, First State and People State Banks:

In accordance with the resolution passed by the Common Council at its last meeting relating to the deposit of City funds, we the undersigned beg leave to report that we have considered your proposition both both individually and collectively, and that while we find that no authority in the charter for the action taken by your honorable body, still we desire to meet your proposition in the spirit of equity.

The highest amount which either of us would feel justified to pay on daily balances of City funds is 2 1/2 per cent and we therefore offer this amount, the details to be worked out between us and a committee which your honorable body may appoint, and the City Treasurer.

Under this proposition it is contemplated to divide the funds amongst the Banks and to furnish the bonds requested to you.

Referred to the Committee on Ways and Means, with power to act.

The Clerk presented the following bids for paving brick for East 8th Street:

Bessimer Limestone Co., 1—Bess. Repressed Block, \$22.25 per thousand

1—Bess. Dum-Lug-Wire Cut Block 22.25 per thousand

1—Bess Pavers 20.75 per thousand

The Metropolitan Paving Brick Co., 1—Metropolitan Repressed or Wire cut-lug Shale Paving block at \$22.00 per thousand.

Marion Brick Works: 1—Marion Pavers at \$20.75 per thousand.

Hocking Valley Brick Co., 1—Hocking Block at \$21.00 per thousand.

Referred to the Committee on Streets and Crosswalks, and the City Engineer.

Reports from Standing Committees.

tween the several Boards as follows: Board of Public Works \$450.00 Library Board, \$450.00 Bd. of Police and Fire Com. 175.00 Board of Education 100.00

The Committee further recommended that the Clerk be instructed to render a bill to the several Boards, for above mentioned amounts.

On motion of Ald. Harrington, The Committee on Streets and Crosswalks were authorized to purchase a tank of road oil of about six thousand gallons at an approximate price of 4 1/2 cents per gallon, and the necessary hose for the street sprinkling wagons.

Alderman reported that the City Librarian requested the use of the Court Room on Thursday afternoon, for a Children's Story Hour, and recommended that the matter be referred to the Committee On Public Buildings and Property.

The Committee on Sidewalks to whom was referred the petition of Wm. Wright and others for the construction of a sidewalk on the South side of 4th Street, from Columbia Avenue east to the swamp, and on the East side of Columbia Avenue from 4th to 5th Streets, reported recommending that sidewalks be constructed ordered on said parts of said streets.

Adopted.

The Committee on Licenses reported as follows:

Your committee on Licenses to whom was referred the application of Anton Self, Jr., for a Brewer's License, and the bonds of Harry R. Doesburg, Walsh Drug Company, John W. Kramer, Charles Dykstra, H. J. Fisher, Walton Sutton and Gerber Drug Co., as druggists, beg leave to report that we have had the same under consideration, and recommend as follows:

1. That the application of Anton Self, Jr., for a Brewer's license be refused.

2. That while we are satisfied with the sufficiency of the sureties of the several druggists' bonds, we would recommend that no druggists' bonds be approved.

3. That the Committee on Ordinances be instructed to prepare and present to the Common Council an ordinance to prohibit and prevent the selling or giving of any spirituous, fermented or intoxicating liquors, and to punish any person so selling or giving, as provided in sub-division eighth, of Title VII of the City Charter.

On motion of Ald. Congleton, The report was adopted by yeas and nays, all members present voting aye.

On motion of Ald. Harrington, Resolved, that when the Council adjourns they adjourn until Monday, April 28th, at 7:30 o'clock P. M.

Carried.

The Council took a recess of ten minutes.

After recess, the Council having been called to order, the Mayor above mentioned Aldermen and the Clerk being present.

The Committee on Streets and Crosswalks and the City Engineer to whom were referred the several bids for paving block, reported recommending the bid of the Bessimer Limestone Co., for No. 1. Bessimer Repressed Block at \$22.25 per thousand be accepted, said bid being the most advantageous to the City.

Adopted, and bid awarded to Bessimer Limestone Co., as per their bid dated April 23, at \$22.25 per thousand.

The Committee on Streets and GALLY TWO—Holland City News—Crosswalks reported recommending that a wooden bridge 16 or 18 feet wide be constructed over Tannery creek where the same crosses 7th Street, and that the Committee on Bridges and Culverts be charged with having same constructed.

Adopted.

Adjourned.

Richard Overweg, City Clerk.

STUDENTS MUST PAY FINE

"Because you skipped classes against the rules of the institution and have placed yourselves against the authorities of the college, I shall fine you \$1 apiece," said Dr. Venema to students of Hope college, who took advantage of a half-holiday Monday to visit Macatawa park and failed to return for afternoon classes.

Some of the students have already paid the fine, but others say they will refuse to pay it. It is thought they may be expelled if they persist in their refusal.

The students concerned are members of the freshmen, senior B and special classes which meet in the afternoon. The half-holiday Monday was granted for the celebration of the college victory in the prohibition oratorical contest. When the students failed to return for afternoon classes, their names were secured and the list read at chapel.

At a special meeting after the chapel exercises, Dr. Venema imposed the fine. He set May 6 as the final day for payment.

President Venema chose this method as the best medium for obtaining good behavior. He allowed the students a half holiday to celebrate the recent Hope victories in oratory and debates, but the students thought they were entitled to a whole day off.

BOARD RAISED SHERIFF'S PAY

At the extra session of the board of supervisors recently, the supervisors voted to increase the compensation of the sheriff and his deputies in compliance with a petition to that effect made to the board at the opening session Monday afternoon. Under the new scale of pay the sheriff will hereafter receive three dollars per day for his services, instead of \$2.50, while the deputies will be raised to \$2.50 instead of two dollars. The petitions for a change in the rate allowed for boarding prisoners from 35 cents to 50 cents a day; the provisions for blood hounds to be kept by the county and the employment of a turnkey at the jail was denied.

Sheriff Han Dykhuys appeared before the board personally and spoke in defense of his requests. As in his petition the sheriff pointed out the fact that men employed in the ordinary lines of work received as much per diem as the sheriff of the county, besides working from nine to ten hours a day with Sundays and holidays off, while the sheriff was on duty continually, besides carrying the responsibility of his office, not to mention the personal danger into which his official position sometimes brought him.

After a discussion of considerable length, the board voted to raise the pay per day of the sheriff and his deputies in compliance with the petition.

IN DEMAND AS JUDGE

Grand Haven Pedagogue Is Well Up in Oratory

Superintendent L. H. Vanden Berg of the Central school of Grand Haven is becoming popular as a judge in Michigan oratorical contests. Invitations are coming in frequently for his services in this capacity, and whenever possible the superintendent accommodates them.

He was one of the judges in the state college contest at Adrian, in which representatives of the various colleges participated. A week ago he acted in the same capacity in the College Prohibition contest. He will go to Hope to-morrow to judge the Washington bust contest held every three years the winner of which is presented with a \$150 bust of Washington. May 9 he will go to Muskegon to judge the Peninsular league contest, in which representatives from Ann Arbor, Kalamazoo, Muskegon, Bay City, Saginaw, Pontiac and Grand Rapids high schools will compete.

NEW VETERINARY IN HOLLAND

Dr. M. E. Elzing, a member of the faculty of the Grand Rapids Veterinary College and Dr. Nick Prince of this city performed a number of important operations on cattle and horses in East Saugatuck Saturday afternoon. The operations were serious ones and the results were very satisfactory.

Dr. Prince located in Holland about two weeks ago, immediately after he graduated from the Grand Rapids school. Since then he has made a good start at working up a practice. He has a wide acquaintance among the farmers of this community, having been born a few miles east of Holland. At present he has his office at 152 East Eighth street.

John Hoffman, proprietor of Van's Cafe, gave the employees of his restaurant a spread at his home on South college avenue, to which place he has recently moved. Refreshments were served and a very pleasant evening was spent. On the working staff of the restaurant are a number of college students. Last week Mr. Hoffman catered at the banquet given by the Knickerbocker society of Hope College, which affair was a great success.

Albert Jellema was arrested yesterday by Herman Beekman who charged him with riding a wheel on the sidewalk. He was arraigned in justice court and he pleaded guilty to the charge. He was fined \$2 and costs of \$3 or spend ten days in the jail. He paid and was released.

This is the first case of a bicycle rider being given a fine with the \$33 costs. The cause of this is said to be impudence on the part of the bicycle rider when he passed Mr. Beekman and was told to get out in the road.

GOOD FRUIT WEATHER

For all the saying about counting chickens, the fruitgrowers of this county are feeling happy over the prospect of the greatest crop of fruit ever gathered by them. The spring so far has been ideal for their purposes. It has come on slowly, kept cool, and the weather of the past two weeks was the best possible for spraying—cool, windy, and dry. This has enabled growers to give the trees a thorough covering with lime sulphur solution, which not only kills scale insects but many others, removes old dead bark and invigorates the trees in other ways. Fruit buds are numerous of every kind, from those of the apple to those of the strawberry.

So late is the season that fear of killing frosts is not felt. They are entirely unlikely to occur. No fruit tree nor plant has yet shown bloom, or at least very little bloom can be found, while in most cases the buds are far from opening of great abundance.

BOARD OF PUBLIC WORKS TAKES OUT INSURANCE IN AETNA COMPANY.

At a special meeting Monday night the Board of Public Works decided to come under the Employers' Liability and Workmen's Compensation Law. The board Monday took the steps to provide the necessary insurance. The insurance was awarded to the Aetna Insurance company. It will mean the expenditure of about \$800 a year. The Aetna company has no local representative in Holland and the negotiations were carried on directly with the representatives of the company who came here to make their bid.

The board of public works has insured all the employees who come directly under its jurisdiction, such as engineers, firemen, line men, sewer men, etc. The insurance is taken out in accordance with the pay roll and it is estimated that the annual pay roll of the board of public works is about \$20,000 a year. The board has had this matter under consideration for about a year and many firms have been consulted in the matter. However, it was found that the Aetna was by far the lowest and their bid was consequently accepted.

The board of public works is the first of the boards to come in under the new law. The other boards, at least some of them, will likely follow suit.

The board Monday night listened to the report of Superintendent Champion, which report is to be presented to the council. The report was approved by the board.

PRESIDENT VENNEMA MAKES INTERESTING STATEMENT

More Than Thousand Volumes Added to Library. Many Are Gifts of Friends

The Hope College Council was in session yesterday. Delegates from various classes of the Reformed church were present at the meeting which was held in the administration room in Graves Hall. The forenoon meeting began at 10 o'clock and another meeting was held this afternoon. The Rev. Albert Vanden Berg is president of the council and Hon. G. J. Diekema secretary.

Most of the forenoon meeting was devoted to reading communications and referring them to the various committees for action. This afternoon President Vennema gave an interesting report of the progress made during the past year. A point of special interest in the report was that part that referred to the growth of the college library during the year. Dr. Vennema showed that a total of 1040 volumes have been added during the year and that the total number of books now in the library is 18,790. Of the new books 444 were added by Prof. J. B. Nykerk, through the Lecture Course fund, 40 by Prof. Kuizenga, 26 by Prof. Godfrey, 103 by Dr. Patterson, 105 by Prof. Eldson. Prof. Beardslee also added a number of books. Books were presented to the college as follows: Mrs. O. E. Yates, 80 volumes; Pres. J. S. Nollen, of Lake Forest, 2 volumes; Dr. Wm. E. Griffiths, 10 volumes; Student's Volunteer Band, 17 vol.; Rutherford Boers, 150 vols. from his father's library to be placed in the class room formerly occupied by Prof. Boers; several volumes by the University of Michigan, Dr. T. De Vries and Mr. G. H. Albers; Wm. Brouwer of New York presented the college with 12 periodicals.

Through Mr. Steketee of Grand Rapids and Minister Loudon of Washington, D. C., the college received a portrait of the royal family of the Netherlands. H. R. Brink of this city donated a frame for this picture.

Through Dr. Patterson, the college received from Dr. Henry Hulsinkveld a number of histological, pathological and embryological slides valued at from \$50 to \$70. Dr. Hulsinkveld is a former Hope student who is now connected with St. Timothy's hospital, Chicago.

STRAWBERRY MARKET

Mississippi strawberries were in Michigan markets this week at \$5 per crate of twenty-four quarts. Cases of Louisiana pints sold at \$2.50 to \$2.75. Shipments from North Carolina and Tennessee will begin next week. The fruit comes in much better condition than formerly.

Spy and Baldwin apples sold in Grand Rapids this week at 60c to \$1.25 per bushel. Wagener's 50c to 75c, and Russets at 40c. All had been kept in pits.

Grand Rapids lettuce is selling at 12c per pound wholesale, by the growers and it is shipped to some extent in carload lots.

SPORTING GOSSIP

Bernard Rowan and George Vander Hill left today for Onasaboar, Ky., where they will play ball.

Jack West defeated P. Van Dyke of Zeeland 100 to 31 Friday night at the Cummings Pool room. West had seven scratches and Van Dyke had eleven.

A. C. Rinck Jr., and his brother Peter, have bought a new launch with which they expect to have a most pleasant summer. The boat is 22 feet long and will carry 15 passengers.

Babe Woldring has returned from Minneapolis where he was given a tryout to play with the team representing that city in the American association. Babe was reported not in condition and he received a temporary release.

The Olympics defeated the Junior Fifth Grade team Tuesday by a score of 3 to 2. The batteries for the Olympics were Dyke, Van Putten and Casle Swlers; for the Eighth Grade Johnny Vander Water and Herman Hamelink. The Olympics are out for the city championship and will play any team with an age limit of about fourteen.

In a close game Tuesday afternoon the B class of Hope college defeated the C class 3 to 2. At the end of the seventh the score stood 2 and 1 in favor of the 7's. In the last half of the ninth the B's bunched their hits and succeeded in bringing in two runs. Batteries—C's, DeVries and Prins; B's—Van Tongeren, Vande Bunte and Steketee.

The base ball team of the School for Christian Instruction defeated the team of the Central school by a score of 13 to 6. Both teams played a good game. The battery for the Central school was composed of Herman Van Duren and Ed Wolfert and for the winners, Jack Vander Hill and Dick Rotschaefers.

The Ninth Grade Ball team is anxious to schedule games with other city teams or teams near here and issue a challenge to any boys' team. The team is made up as follows: Henry Stroop, catcher; Clifford Brightal and John Koning, pitchers; Bert Vander Bie, 1b; Harris Bertsch, 2b; Wm. Vanden Berg, ss.; Raymond Knoohtulzen, 3b; Harry Bronkhorst, rf.; William Wierda, cf.; Ray Wise, lf.

The West End Ball team challenge any team in the city with players under 17 years of age; they would especially like to get a game with the "Boters" and this team or any other can arrange for a game by seeing George Rafinal. The players of this team are as follows: Frank Schrader, Albert De Mott, Walter Allen, Carrol Bacón, Richard Anderson, George Baxa, Sam Mings, George Rafinal, Henry Cramer and William Hansen; Joe Geerda is official mascot.

Through the kindness of H. Van Tongeren the Hope College Athletic association has been enabled to get out a schedule of the athletic activities for the spring term. The schedule is neatly printed on a white folder giving the names of the teams played, the date and also a space for the score. The schedule as it stands is as follows:

Hope vs. Holland High April 12; Hope vs. Holland High April 19; Hope vs. Kalamazoo College, April 24; Inter Class Field Day, May 3; Hope vs. McLaughlin University, May 10; Invitation Cross Country Race May 10; Hope vs. Ferris Institute at Hope, May 17; Hope vs. Western Normals May 24; Annual Relay Race Hope vs. Grand Rapids Y. M. C. A., May 24; Hope vs. Ferris Institute at Big Rapids, May 31; Hope Vs Holland High school June 7; Hope vs. Grand Rapids High June 14.

The first page of the folder also bears the names of the captains and managers of both track and baseball department. The back page bears Mr. Van Tongeren's ad, through whose courtesy and generosity the schedules were obtained.

Senator Hadden of Holland, who represents the Muskegon and Ottawa districts in the state legislature, voted against the new re-districting and congressional apportionment, which places Ottawa in the Fifth district along with Kent. This measure is a very unpopular one in Ottawa county.

The Holland chapter of the Sons of the American Revolution elected the following officers at the annual meeting: Regent, Prof. H. R. Brush; vice regent, Prof. John W. Beardslee; secretary, Dr. George W. Van Vleet; treasurer, Chester L. Beach; register, Everett W. Osgood, historian, Arthur B. Cotton. A picnic will be held early in July.

MAKING OF LAWN

Some valuable suggestions and practical information on the subject of "Making a Lawn" are contained in a new circular just issued by the Michigan Experiment station. This Circular No. 20 may be secured by writing to Director R. B. Shaw, East Lansing, Michigan.
