COOK BROS.' STORE HAS BEEN AN ATTRACTION THIS WEEK

Music lovers going down East 8th
street have stopped and listened in
order to find out, where the sweet
music which emanated apparently from
nowhere came to their ears as they
meandered down the street, upon
investigation they found the source
to be Cook Bros.' Music store, which
had just put in the finest line of
new Edisons. This machine is with-

out doubt one of the finest of its kind
in the phonographic world. The flat,
sharp shrieking, scratching sounds
so prevalent in phonographs is elim-
inated in this instrument and as
the inventor, Mr. Thomas Edison
says: "It is real music at last." But
talk is cheap, to be convinced you
must hear it. Step into Cooks and he
will entertain you free. The new
Edison is certainly a great ma-
chine.

"THE DOMINIE OF HARLEM" AND SCENES IN REAL LIFE

Incident Even Worse Than The
Author Depicts

Time have changed in Holland
during the past three decades, as
everyone knows. Few people of to-
day will realize however that thirty
years ago there was a considerable
element in this city who could not
be convinced that the earth travels
around the sun. The following lit-
tle item appears in the column of the
News this week headed, "Thirty
Years Ago."

"Prof. Bailey this week en-
deavored to demonstrate the
fact the earth travels around
the sun. Some of our Holland
people would not have it that
way however, and insist the sun
travels around the earth."

And still there are many who de-
clare that the scenes in "The Dom-
inie of Harlem" are overdrawn. If
the writer of that much discussed
book had seen fit to insert a scene
in which characters had insisted that
"the sun travels around the earth" it
is safe to say there would have been
many who would say that the author
was exaggerating and that no such
scene would have taken place in real
life. Doubtless every other scene
in "The Dominie of Harlem" could
be matched with a scene from real
life. At least since the publication
of the novel many local people have
recalled scenes from actual expe-
rience corresponding quite closely to
the scenes described in the book.

But even if times have changed
there is still much in the lives of
some of the more conservative Hol-
landers that will seem queer to the
average man. What is more natu-
ral than to applaud when a person
hears something he enthusiastically
admires. It is so innocent and so
whole heartedly human that it
seems impossible that anyone could
object to it at a public entertainment.

And yet that is exactly what hap-
pened not a week ago in Holland.
When the Calvin College Glee Club
gave their concert in the Woman's
Literary Club Hall the chairman of
the evening requested that there be
no applause and there were many
of the Holland people who believe
that it is wrong to applaud.

What an interesting scene that
would make in some future "Dom-
inie of Harlem!" Almost as inter-
esting as an article that appeared in
"De Wachter" about a year ago in
which a Christian Reformed minis-
ter gravely set forth the argument
that humming is a sin!

No, the day of peculiar ideas has
not passed by any means, and there
is no lack of material for the novel-
ist who takes this locality as the
background of his plots.

KUIZENGA AND MULDER WILL SPEAK AT KNICKERBOCK- ER BANQUET IN GRAND RAPIDS TONIGHT

Prof. John E. Kuizenga of Hope
College will be the toastmaster at
the annual banquet of the Knicker-
bocker Society of Grand Rapids this
evening. The banquet is to be held
in the building of the Grand Rapids
Association of Commerce. Other
speakers will be Governor Ferris,
Attorney J. Landman of Grand Rap-
ids, and Arnold Mulder of this city.

GYPSY GIRL PAYS UP AFTER STEALING \$20 FROM WEST OLIVE MAN

Olive Twp. Farmer By The Name
Of Peck was easy "Pecken"
For Wiley Maiden

May George, one of the Gypsy
maidens of the large band encamped
near Ferrysburg, was arrested in
Grand Haven, charged with stealing
\$20 from John Peck of West Olive.
In Justice Wachs' court at Grand Ha-
ven, plead guilty and a fine of \$14
was paid by members of the band
after restitution of the money stolen.
The young woman's arrest followed
a general attack of the Gypsy women
upon the business district of Grand
Haven to ply their craft of fortune
telling. Very few stores and offices
along Washington street failed to
receive a visit from the fortune tell-
ers. The same old line of trick was
attempted and in most cases there
were no exciting circumstances. If
the maidens of the tribe relieved any
other of Grand Haven's citizens
there was no report of the affair.

Miss George, she of the winning
way, is said to have approached John
Peck on the street with an offer to
tell his future, and that she could
change his luck for the best. Dur-
ing the preliminary maneuvers the
maiden in some manner, that the
victim cannot explain, got hold of
Peck's pocket book. She counted
his money over for him, made a few
mystic signs and chanted words of
magic to the tune of twenty dollars
that she had slipped out of sight.
Peck thought it was a fine exhibition
but he violated one of the rules of
the game by counting over his
money after the maiden bade him
adieu. The twenty was gone and
the dusky damsel's arrest soon fol-
lowed the big loud complaint of
Peck from West Olive. Standing
room in Justice Wachs' court room
was at a premium during the trial
of the woman who entered a plea of
not guilty. Peck insured the costs
of the court to the amount of ten
dollars and the case proceeded. In
the meantime a conference had been
going on between the arrested wo-
man and her brethren and she chang-
ed her plea to guilty. Justice Wachs
ordered restitution of the stolen
money and assessed a fine of \$14.25
in addition, which was paid after
her vain efforts to get the judge to
lower his price.

COUNCIL WILL ORDER ELECTION ON THE LIQUOR QUESTION AT MEETING MONDAY NIGHT

Fight Last Night On Druggist's
Bonds, But Were Approved
By Council

All members of the council were
present for roll call at last night's
meeting except Ald. Harrington, who
was out of the city on good roads
business.

Mayor Bosch opened the meeting
by stating a request from the local
order of Eagles, asking that they be
given permission to use the court
room during their encampment here
this spring. Ald. Drinkwater moved
that the request be granted. This
motion was supported and passed.

The clerk then read a petition,
signed by about eight hundred
voters of this city, presenting for
passage, an ordinance regarding the
sale of liquor in this city. Two or-
dinances were attached to the peti-
tion one relative to the saloons and
saloonkeepers, the other to prohibit
the sale of intoxicating liquors within
the City of Holland.

A movement was immediately
made that these be referred to the
ordinance committee to be reported
back to the meeting of the
council next Monday night. This
motion was immediately passed.

After the ordinance committee
has inspected these ordinances and
makes its report next Monday night
it will merely remain for the council
to set a date for election, as nearly
double the necessary number of sig-
natures have been secured, necessary
to procure a special election on this
question. Election will probably be
held in about three or four weeks,
as some time must be taken to ad-
vertise the election according to the
provisions of the charter. The only
change that may occur is in form in
which each ordinance will be submit-
ted on the ballot.

The big question at issue will be,
"Saloons or local option," according
to the ordinance attached to the
petition. This means in other words
will Holland be wet during the next
two years or will Holland be dry?
If Holland should vote dry the drus-
tories would also be included,
in so far that a doctor's prescription
showing that the liquor is for med-
ical purposes must be secured be-
fore any liquor can thus be obtained,
instead of along the wholesale lines
in which it has been conducted in
the past at least that is the opinion
of some of the legal lights of Hol-
land.

Chairman Vander Ven of the
license committee then made his re-
port. In his report he recommended
that the council approve of the drus-
gist's bonds for the sale of fermented
liquors. Ald. Drinkwater quickly mov-
ed that these also be held over until
Monday night, so that the report
of the ordinance committee might be
learned before approving these
bonds. This motion was supported.

Thereupon ensued the liveliest de-
bate of the evening. Someone asked
a question regarding the druggist's
license. Mayor Bosch emphatically
stated that "this body cannot legis-
late on the drug store question." He
declared that the drug stores come
under state law, and under present
conditions prohibition cannot exist
in the city of Holland, as the only
license a drug store needs is national
license. They cannot get their
license from the state. He declared
that, "It borders on the ridiculous
for any local body to attempt to legis-
late on this subject."

Some further debate was held
over this point when Mayor Bosch
said, "There is absolutely no final-
ity about the council's action on this
subject. We have nothing to do
with drug store liquor dealing. We
cannot prohibit them and by trying
to do so would only make ourselves
ridiculous in the eyes of the people."
Drinkwater was getting anxious,
thinking that the council was drift-
ing away from the matter in hand
so he demanded that the Mayor put
his motion to a vote. The aldermen
were not yet ready for this however,
as they wished to argue some more.
Alderman Prins declared that it
would be wrong to hold up the bonds
and the people would only think the
aldermen were trying to force some-
thing onto them. A few opinions
were voiced before Drinkwater could
again demand a vote on his original
motion. This time a vote was taken
with the result that the motion was
voted down by the vote of seven to
two.

Alderman King then wished to
know if the wholesale liquor dealers
came under the city law. The city
attorney declared that they did.
"The council must approve of their
license first, then their bond," he
declared "while in the case of the
druggists the bonds were approved
of first, then the license."

A vote was then taken on the mo-
tion to accept the bonds. King and
Drinkwater voted "no," all others
voting "yes" so the bonds were ap-
proved.

Mr. Vander Ven resumed the read-
ing of his report. He said that the
committee recommended the accept-
ance of the bonds of A. Self Jr. to
operate a brewery within the city.
Drinkwater moved that this be ac-
cepted, and the motion was support-
ed and passed without further de-
bate.

Nothing was said with regard to
the wholesalers' bonds. This can
only mean that the wholesalers do
not wish to continue in business un-
der the existing conditions, and as a
result all the wholesale houses will
be closed after Thursday night.

Just before a motion of adjourn-
ment was made Alderman Prins ask-
ed that an assistant to the city as-
sessor be appointed. It was then
moved and passed that this be refer-
red to the committee on Ways and
Means with power to act.

Some complications arose regarding
the motion to adjourn as a couple
of the aldermen seemed to be in the
mood for work but Alderman Cong-
ton finally succeeded in getting his
motion before the house and the
meeting was adjourned.

ATTORNEY'S VERSION ON THE LIQUOR QUESTION

There seems to be a difference of
opinion as to whether if Holland goes
Prohibition everything even the drug
stores and brewery will be prohibited
from selling liquor.

The News asked the opinion of two
of Holland's prominent attorneys re-
lative to their version of the law.

They say that Holland can pass
a liquor ordinance as strict as it
pleases—in fact it can prohibit the
sale of liquor altogether. But it
cannot draft an ordinance which
gives liquor dealers or druggists
more liberties than that which is giv-
en by the state, in other words, the
people can by their vote, pass an or-
dinance as strict or as lenient as it
pleases as long as they do not pass
one which is more liberal than the
state law.

In the case of Holland they can
may their vote abolish the liquor busi-
ness altogether whether it be sold by
drug stores, wholesale houses or
breweries. Holland has the power
because under the new charter, it
it governed under the "Home Rule"
act.

IMPORTANT CHANGES IN STATE FISHING LAWS

The fishing season opens May 1
and fishing this year must be done in
accordance with the new statute
which took effect January 1, 1914.
State Game Warden Oates warns all
fishermen to get posted on the new
law and not to undertake to go on
the provisions of the old one. A per-
son must not have more than 35
brook trout in his possession as any
one day's catch, nor must he have
more than 50 trout in his possession
at any one time. It is also necessary
now for a fisherman to have an an-
gler's license which may be obtained
from a county clerk, or deputy, or
from a state, game or fish warden or
any of his deputies. The fee is \$3.

At the meeting of the consistory
last evening of the Fourth Reformed
church, held in the church parlors,
extended a call to Rev. Broekstra of
Forest Grove.

DRENTHE

Dick Hunderman of Drenthe was arrested by Deputy Sheriff Dornbos Tuesday charged with bastardy, and was bound over to circuit court when arraigned before Justice Miles this afternoon. Bonds for \$300 were furnished and Hunderman was released pending trial. Complaint was made by Miss Lena Demming who charges Hunderman with a crime committed in 1911. It is thought Hunderman will fight the charge.

SAUGATUCK

Plans for the Saugatuck High school graduation exercises have been made. The graduates will give class exercises on Thursday, May 28 when orations and musical numbers will make up the program. Friday evening the 29th is set aside for the commencement exercises with Prof. C. O. Davis of the U. of M. as speaker. That evening the President of the board will award the diplomas.

While in Saugatuck Prof. Davis will inspect the laboratories and facilities of the school with an eye toward placing the Saugatuck High school on the accredited list of such schools as the Holland High school and the Central and Union High of Grand Rapids.

ALPENA BEACH

In a contested suit tried Thursday before Judge Cross in Grand Haven, Hattie De Feyter, complainant was granted a decree of divorce from Albert De Feyter, defendant. The court also compels Mr. De Feyter to pay \$500 alimony. Diekema, Kollen & Ten Cate represented the complainant and Att. F. T. Miles represented the defendant. Several witnesses were called from the neighborhood of the De Feyter home on the Alpena Beach road north of Holland.

In the bill of complaint Mrs. De Feyter charged Mr. De Feyter with extreme cruelty which in some instances was close to persecution. She claimed that her husband often had threatened to kill her and in spite of the fact that her right arm was paralyzed and her right leg nearly so, he compelled her to do all housework alone and also work on the farm.

OLIVE TOWN

Jacob Welling, a resident of Ottawa county for over thirty years, passed away at the home of his son, Wm. Welling, in Olive township Friday aged 81 years and 10 months. Deceased is survived by the sons, William of Olive, Conrad of Kalamazoo, Jacob Jr., of Grand Rapids, John T. and Leonard of Grand Haven and the daughters, Mrs. C. Steehower of Wayland, Mrs. Steenport of Grand Rapids, and Miss Sena Welling of Grand Rapids and Mrs. Comstock of Grand Rapids.

The funeral was held from the home of William Welling of Olive township, Monday afternoon at 1 o'clock, the Rev. G. Tyse of the North Holland church officiating. Jacob Welling, Sr., was born in the Netherlands and there reared a part of his family before coming to the United States, where he settled in Ottawa county, Michigan. The family of Welling is one of the best known families in the county.

HOLLAND TOWN

Thursday Mr. and Mrs. Henry J. Kooyers of R. R. No. 7, celebrated the fortieth anniversary of their marriage. On the preceding evening the members of the K. V. P. club, without previous announcement, called at their home and after they had recovered from their surprise and made the guests welcome to their home, Mr. Wm. Venhuizen presented the happy couple with a beautiful coffee percolator, in the name of the guests accompanying the presentation with a few appropriate remarks.

The balance of the evening was spent in reminiscences of the past, games and refreshments, and Miss Retta Pas entertained with a presentation of her menagerie of highly trained animals. Samuel Pas also contributed to the merriment.

The families of the following were present: William Venhuizen, Samuel E. Pas, Jacob E. Pas, G. W. Kooyers, Frank Kooyers, Simon Dykstra, J. A. Kooyers, being brothers and sisters and children and grandchildren of the couple in whose honor the celebration was held.

CRISP

Dan Meeuwse who has been employed at Ben Van Raalte's during the past year has been engaged as farm manager on the farm of Maurice Luidens.

Road Commissioners Harrington and Cook were in this vicinity Friday looking up the road north of Olive Center.

Highway Commissioner Looman

started up a gang of teams Monday morning grading for the county road north of New Holland. They were laid off for a few days to give the farmers a chance to do their spring seeding.

Supervisor Luidens is laid up with a hoarseness in his throat and can not speak above a whisper. Complete rest is the advice of the doctor. This at a time when the annual assessment is to be taken is certainly a bad proposition.

Hermannes Smeyers has been visiting in Holland for a few days.

Dr. and Mrs. C. E. Boone spent a day fishing at Port Sheldon this week.

OVERISEL

Fire from an unknown origin Sunday morning destroyed the large flour mill in Overisel at the east of the village. The mill was owned by John Hoffman, father of Prof. M. Hoffman of Hope College. The fire that destroyed the large building was discovered about 7 o'clock yesterday morning. There is no fire protection in the village of Overisel and the efforts on the part of volunteer fire men proved fruitless. The building was burned to the ground in a very short time.

It is considered fortunate that the wind was northwesterly, away from the other houses in the village. Had the wind been from the east the chances are that the whole of the village would have been swept away, since practically the whole of the village is built in a row.

The loss, it is estimated, will amount to about \$4,500 including a great deal of grain amounting to about \$1800 worth. The place was insured for about \$2500.

The origin of the fire is unknown. It was discovered first under the porch but all efforts to check it were of no avail.

CENTRAL PARK

With the practical completion of the stone road from Holland to a point beyond Central Park, that well known summer resort is coming into its own, and during the coming summer it is expected that there will be more activities at the pretty place, that derives its name from being half way between Holland and Macatawa than ever before. The stone road is attracting the automobilists and especially on Sunday afternoons the road is lined with machines. The work on the new road has been pushed rapidly this spring and it is now in shape for traffic.

Central Park now has three new cottages located on the site formerly occupied by the Central Park hotel. It has practically all the conveniences is served by an excellent grocery store, and has a chapel for religious services and green houses and other attractions.

Central Park this year claims the distinction of being the home of the supervisor of Holland township, namely J. J. Rutgers, whose beautiful home is always a point of interest to visitors to the pretty little resort.

The cottages at this resort are principally owned by Grand Rapids people, while those cottages that are rented during the summer are favorite resting places for ministers who spend their vacations there. Two pastors have permanent homes there, namely, the Rev. H. Dosker, of Louisville, Ky., and the Rev. M. Flipse of this city.

Activities have already begun to put the park into proper shape for the summer season. Lawns are being touched up and various repairs are being made preparatory to the coming of the summer colony of resorters.

HUDSONVILLE

Hudsonville, April 30.—A. B. Flaming owns a fine, yet Jersey cow, which is noted for the quantity and quality of its milk. Of late, however, bossy has been giving barely enough to supply the family's needs at the table and they all wondered what the cause could be.

Last Friday, as Mr. Frugink was strolling around the farm, he chanced to look over into the pasture where his cow feeds and in which he kept a sow with four fine pigs to run. There was bossy giving the four small pigs their share of the milk. Mr. Frugink had wondered why it was that the four pigs were doing so well but had never till then suspected that they were growing fat at the expense of the family's supply of milk. The pigs were changed to another pasture and bossy again gives the family her usual supply of good, rich milk.

Hudsonville, Mich., April 30.—Despite the discouraging prices and conditions that ruled the celery business last year, there will be an immense crop planted this season, and the Celery Growers' association is planning to handle more than was ever shipped from this point before. They express themselves confident that they can handle the crop without the intervention of the middleman and thus save the amount paid those fellows who linger in our midst three or four months out of each year.

Hudsonville, April 30.—Because of a worn covering of a bridge northwest of this place, A. B. Vinkink and wife, who live across the river, narrowly escaped a serious accident to themselves and were obliged to kill a broken-legged horse. The animal was taking a slow trot when his foot broke through a plank and in his struggles to free himself a stringer was broken and the carriage with its occupants were precipitated into the ditch beneath the bridge. Mr. Vinkink was thrown clear of the carriage but Mrs. Vinkink was not so lucky and was caught beneath the top. After Mr. Vinkink had succeeded in extricating the wife from the debris, he turned his attention to the horse and found that its leg was broken just above the hock joint and it had to be killed.

DAN CUPID HAS NO REGARD FOR AGREEMENTS IS RELEASED FROM HER CONTRACT WITH HOLLAND BOARD

Miss Mabel Gowthrop, teacher in Columbia Avenue school, has resigned her position, and Saturday she returned to her home at Montgomery, Mich. This action comes as complete surprise to pupils and friends alike. However, the story is romantic and cupid as usual is the cause.

Sometime ago Miss Gowthrop became the promised bride of Howard N. Fisher, a Senior at Albion college, preparing for the ministry, the wedding to take place later in the summer. In addition to his college duties, Mr. Fisher has also occupied the pulpit of the Methodist church at Cambria, and he has just accepted a call extended by the officials of the M. E. church at Lafayette, N. Y., where a vacancy has occurred. This position is exceptionally fortunate, as it will give Mr. Fisher the opportunity of continuing his studies at the Drew Theological Seminary at Madison, one of the strongest Methodist institutions, and situated near Lafayette. As the work on the new charge was to begin May 24, the faculty of Albion held a meeting and granted an immediate diploma. Miss Gowthrop has also been released from her contract as teacher here.

The wedding will take place in the immediate future. Miss Gowthrop, by her cheerful amiability and quiet cordiality, has made many friends in Holland among teachers and associates, who all join in extending the heartiest congratulations.

The local W. C. T. U. decided at the meeting yesterday to distribute charts among the foreign people of Holland in a campaign of instruction in the work of the organization. At the meeting papers were read by Mrs. Oltmans and Mrs. Blekkink. Refreshments were served.

MORE DIVORCES IN OTTAWA

BILL OF COMPLAINT IS FILED WITH COUNTY CLERK SATURDAY.

A bill of complaint for divorce was filed with the county clerk Saturday morning by Joseph Timmer of Zeeland against his wife, Louise Timmer whom he married on the 9th day of April, 1914.

Timmer claims to have been under the belief that his wife before their marriage was the lawfully divorced wife of one Frank Cook of Grand Rapids and that her son of 3 years was the offspring of the Cook marriage. On the 17th day of April, '14, Timmer further claims to have learned that Cook and the woman were never married and that the child is an illegitimate offspring. He asks divorce on the grounds that the woman led him to believe that she was a divorced wife of Cook.

SOCIAL PROGRESS CLUB DISCUSSES THE CITY WATER SUBJECT

The final meeting of the year of the Social Progress Club was held Monday night at the home of Mr. and Mrs. R. Champion. In a very instructive paper, City Engineer Henry Naberhuis discussed the subject, "The Value of Pure Water." Mr. Naberhuis put in terms of dollars and cents what pure water costs and what it is worth. For instance, the hardness of water causes the consumption of a great deal of soap, which amounts up to quite a figure each year. This expense is largely eliminated in water supplies where the quality of hardness has been removed from the water. In the same way people must pay in actual dollars and cents for odorlessness of water and for its freedom from dangerous disease properties.

The reader of the paper paid considerable attention to the necessity of having water that is safe. He declared that in this respect the value of pure water cannot be estimated in dollars and cents, since it is a matter of human life, which is beyond a mere money measure.

The subject was exceptionally interesting and timely because of the fact that Holland is facing a serious water problem. A number of the members of the club gave interesting talks in connection with the situation here and made suggestions in connection with the solving of Holland's difficulties. Consulting Engineer Fuller, of New York, who has been studying the situation here, will make his report in the near future, it is expected.

The annual election of officers was held and the following were chosen: president, Arnold Mulder; first vice president, Supt. E. E. Fell; second vice president, Dr. A. Leenhouts; secretary and treasurer, Prof. Wynand Wichers; members of the executive committee, R. B. Champion and Henry Naberhuis.

CON DE PREE MAKES STATEMENT ON BOY SCOUTS

By way of explaining the present status of the boy scout movement in Holland, Con De Pree, president of the local council, made the following statement:

"The Boy Scout movement in Holland is well under way. Our Scout Commissioner, Mr. Van Putten, has been making very strenuous efforts during the last few weeks to perfect an organization with the result that he has several patrols organized into troops, and everything is moving finely. Patrol leaders and Scout leaders have been chosen for these patrols and troops, and already several hikes have been taken thus far by these boys. The boys too are energetically endeavoring to earn money to buy their suits with, we having laid down the proviso for them that each boy must furnish the evidence that he has himself earned money to buy the suit he wishes to wear, but in all this we need help. We do not need direct financial help now, but we need your moral support. Permanent headquarters have been opened up in room 101 of the High school building and every evening from 5 to 6 o'clock this room is open. The boys gather there the Scout leaders, and the patrol leaders and the scout commissioner, and we want as many of you members of the council and patrons of the boy scout movement as there are in Holland to drop in there occasionally with a word of encouragement and good cheer to speed this movement onward to its ultimate goal.

"Another thing: If at any time you have any work or any suggestions that boys can do, or any suggestions to offer in this line, be kind enough to phone me or scout commissioner, Mr. Van Putten, and a boy scout or as many as are necessary, will be dispatched to do it for you. This will help the boys in many ways."

PATRONS OF LIQUOR HOUSES

PROVIDE AGAINST DRY SPELL.

Many of those who patronize the local liquor houses have been stocking up to provide for the famine that is to begin with the first of May. When the liquor dealers announced day before Tuesday that they would close up tomorrow night because of the passing of the new state law ordinance the orders began streaming in. And ever since that time the local dealers have been put to it to keep up with supplying the demand.

Some there were who ordered as many as between thirty and forty cases of beer at one time. Others ordered in relatively smaller quantities, but most of the orders the past day or two have been very large.

The liquor houses will be closed from to-night on until such time as the proposed special election will take place. And if in that election the people vote for the "City Prohibition" ordinance the city will be "dry" for two years to come. All this is having its effect on the orders now coming in for "wet" goods and the dealers are disposing of a great deal of their stock.

LOCAL SCHOOL TO RECEIVE ADDITION TO ITS MUSEUM.

The Hope College museum is to be presented with a \$75 quilt as soon as the necessary price has been secured in subscriptions, according to an announcement in "The Leader."

This quilt is known as the "Holland colors. The center is very large and represents the original symbol of the Reformed Dutch church: "The Lily Among Thorns." Each block represents the presidents of General Synod from 1794 to 1912. This was on exhibition at last General Synod.

First place was won by Miss Julia Lockwood who represented Sturgis. Miss Gowdy was accompanied to Hastings by Miss Anthony instructor in English in the local high school, who trained her. At the conclusion of the contest the speakers enjoyed a banquet.

The pupils of Mrs. A. G. Gowdy, were entertained at her home, 423 Central avenue Monday night and Saturday night. The Second Division met there Saturday evening and studied the life and works of Beethoven. After a well prepared program the guests indulged in a number of musical games. The first division met last evening for the study of the life of Mozart. A feature of the evening was an amusing and instructive game known as "The Musical Romance." Mr. George Dok and his friend, Mr. Buzzza, manager of the Illinois Glee Club, added much to the entertainment with vocal and piano selections. Cake and cream were served by the committees.

A large audience gathered Thursday night at the 9th St. Christian Reformed church to hear the cantata, "The Resurrection Hope", given by the 9th St. Chorus. All the numbers were pleasingly rendered and showed

hard work on the part of both the chorus and Mr. Charles Van Hemert, director. Mr. John Van Appledorn accompanied the chorus. Following is the program: Singing, Psalm 98: 3, audience; opening, Rev. E. J. Tuuk; cantata, "The Resurrection Hope," introduction, piano, John Van Appledorn; "Sing With All the Sons of Glory," chorus; "All Around the Clouds are Breaking," baritone solo and chorus, John Ter Beek and chorus; "A Vision of Angels," duet, Miss Hattie Vander Water and Henry Topp; "Angels Roll the Rock Away," Women's chorus, baritone solo and chorus, John Ter Beek and chorus; "The Day of Resurrection," quartet and chorus, Minnie Rinck, Sadie Lanting, Henry Topp, John Ter Beek and Chorus; "Awake, Glad Soul, Awake," baritone solo, John Ter Beek; "But I Know," soprano solo, Sadie Lanting; singing, audience; silver collection; "Christ the Lord is Risen," chorus; "The Shade and Gloom of Life are Fled," tenor solo, Henry Topp; "My Flesh Shall Rest in Hope," (chorale), chorus; "The Name of Jesus," contralto solo, Jennie Lanting; "I Am the Resurrection and the Life," Chorus; Singing Psalm, audience; closing, Rev. E. J. Tuuk; Prelude and Fuge, organ, J. Van Appledorn.

Mr. and Mrs. George H. Nash, 248 West Ninth street, were entertained by the local order of the G. A. R. and the Woman's Relief Corps in honor of their golden wedding anniversary, at the city hall Friday afternoon. Mrs. Nash is a charter member of the Woman's Relief Corps and Mr. Nash is a member of the G. A. R. The entertainment was a great success from the point of enjoyment, each person being real good friends with whomsoever of the some seventy people present they encountered.

The feature of the afternoon was a mock wedding by the old couple, still hale and hearty and in the best of health and spirits. With Mrs. Wise and Mrs. Orr as color bearers and Mr. and Mrs. William Nash, Mr. and Mrs. Frank Nash, Mrs. Boone and grandchildren Clara and Will Nash as attendants, the happy couple, their faces radiant with smiles, marched in and took their places at the head of the company. Congratulations were then in order and those present filed past the newly married pair offering congratulations.

Mr. and Mrs. Nash were presented with upwards of \$48 in gold by the G. A. R., the Woman's Relief Corps and their friends. A plain gold band wedding ring was also presented to Mrs. Nash by one of her friends as a reminder of that day 56 years ago. Mrs. Boot made the presentation speech, congratulating Mr. and Mrs. Nash on the celebration of their 50th wedding anniversary. The couple responded with thanks to their friends for the gifts and for the consideration shown them.

C. M. McLean, when called on for a talk by Mrs. Boot, told of his remembrance of war days that brought tears to the eyes of many of the old soldiers, wives and daughters. He told of the night his father left home to go to war and how three weeks later he was laid to rest. From that moment the speaker said he hated war and it took a long fight with himself before he would say that he would be willing to go to war or send his sons to the war. But now he said he can do this. "But, something I haven't yet made myself do is to consent to give my boy up for a Mexican," declared the speaker.

Postmaster G. Van Schelven, in a short talk, said that the golden wedding anniversary celebrated Friday was the fourth celebrated by the members of the local orders. He also touched upon the present war preparations against Mexico, and altho he said that an American life is worth more than a hundred Mexicans we must stand by our country's officials and our country.

Mr. and Mrs. Nash are both from New York State, having come to Michigan while still in their childhood. They were married at Ventura in 1864 and later settled in Kalamazoo. They moved to Holland 30 years ago

and have lived here ever since among a host of friends. The first year after their marriage, Mr. Nash enlisted in the 18th Illinois Infantry and went to the war. During the last year of the war he served in the 9th Michigan Infantry which was organized in Grand Rapids.

The couple have four children living, as follows: George Nash, Jr., of Holland; Mrs. Fred Nichols of Idaho; Frank Nash, Holland; and Mr. and Mrs. William Nash of Racine, Wis.

Mr. and Mrs. Wm. Nash of Racine, were present at the celebration.

A double celebration was held in the family of Mr. and Mrs. A. Moes with a family reunion in commemoration of Mr. Moes' 85th birthday anniversary and the sixtieth wedding anniversary of himself and wife. The wedding anniversary occurs May 7, but was observed yesterday with the birthday anniversary.

Mr. and Mrs. Moes are numbered among the pioneer couples of western Michigan. They came to America with a colonization party in 1849 and were married in 1854 in Grand Rapids by the Rev. C. Vander Meulen.

Mr. and Mrs. Moes resided in Grand Rapids until 1867 when they came here. Mrs. Moes' maiden name was Elizabeth Hoffman.

Mr. Moes was a farm hand for Dr. Van Raalte for five years. For years he drove an ox team which carted lumber, logs and shingles along the Grand river. He also drove a milk wagon and for 38 years was employed at the Cappo-Bertsch tannery.

Mr. and Mrs. Moes have been the parents of seven children, four of whom are living. These are Nicholas and Benjamin of Grand Rapids and Peter A. Moes and Mrs. Joseph Barney of this city. The reunion was held at the home of Mrs. Barney, 232 East 13th street.

Mr. and Mrs. Moes are respectively 85 and 78 years of age and are in fairly good health.

A human ear, bottled in alcohol is Exhibit "A" in the trial of George Rogers, which opened in the circuit court this morning. Rogers is charged with mayhem. In a fight with E. Jones, while the two were aboard a Pere Marquette train, Rogers bit off Jones' ear.

HOPE COLLEGE
Paul Hinkamp of Milwaukee, a graduate of Hope College, of the class of 1907, will sail for Edinburgh, Scotland, the coming summer, where he will pursue a course of study as a result of having been granted a scholarship by McCormick Seminary of Chicago some few months ago. Mr. Hinkamp will graduate from McCormick seminary this week. The former Hope student is considered one of the most brilliant scholars the Chicago seminary has graduated within recent years. After graduating from Hope College he served as principal of the Cedar Grove, (Wis.) academy for a number of years.

Grand Rapids Central High defeated Hope College in an overtime game

here last Saturday by a 5-to-1 score. For a while it looked as if the collegians had the youngsters coming. Hope registered 2 in the third and 2 in the fifth, while G. R. had only one to its credit in the same length of time. But in the seventh the visitors seemed to find Poppen's curves and scored 2, following it with another in the 8th and tying the score. Neither side was able to connect in the ninth but in the tenth the visitors again slammed a couple into the grassy regions and aided by an error or two brought in another score.

Batteries, Grand Rapids—Richard and Christain; Hope—Poppen, Dalman and Lubbers.

The annual relay race from Grand Rapids to Holland will be held Saturday May 9, this year. The trophy will be presented by Nick Dykema and is a handsome bronze cup with aluminum trimmings. The Cup will be on exhibition at the Dykema store some time next week. Prospects are good for a close race this year. Hope has practically all the same men who were in the race last year and several of the new additions to the team are showing up in excellent style. The men are running every day and two preliminary tryouts for the team have been held. In these tryouts the men have shown up exceptionally well and it promises well for a fast team. Latest news from Mr. Pierce of the Grand Rapids "Y" states their men are rounding into shape and will give the locals all they want in the line of speed. The race will start from Grand Rapids this year and finish at Holland.

A most interesting meeting of the Cosmopolitan society of Hope college was held Saturday evening. The meeting took the form of a mock trial. The defendants were Henry Van Houte and John Riemersma who were accused of stuffing the ballot box and using undue influence in swinging an election on the 3th of December last. The culprits were defended by Att. Edwin Koeppe and Att. Henry Lockhorst. The people in the case were represented by Prosecutor John Tillemma and his assistant Herman Massen.

At the appointed hour, His Honor Judge Henry Poppen, of the Supreme Cosmopolitan Court, entered the court room. Sheriff Veenker announced the opening of the court. The jurors were summoned and examined by the attorneys. The following jury was impaneled, M. Stegenga, J. De Boer, C. Holeman, H. Bilkert, S. Winter, N. Sichterma, H. Van Vranken, D. Vanden Berg, J. Flight, and G. De Jonge.

The following witnesses were summoned: C. Stoppels, F. De Jong, G. Veenker, H. Ramaker, H. Van Houte, J. Riemersma and C. Wierenga and E. Cathcart. After the examination of the witnesses the jurors began their pleas to the jury. The pleas were very forceful and often mounted on the wings of oratory to realms far above the heads of the jurors. When they finally returned to earth again the Judge solemnly charged the jury. After about fifteen minutes deliberation the jury returned and announced that they had found the men guilty of the charge. Judge Poppen read the law in the case and announced the men would be given the limit of the law.

HOTLY CONTESTED CASE RESULTS IN VICTORY FOR ELECTRICAL SUPPLY COMPANY.

A hotly contested case was fought in the court room in the city hall Tuesday afternoon when P. Wilms attempted to have the Holland Electrical Supply company evicted from his building on River avenue. Wilms served notice on the company to vacate the place within a day. They fought the eviction by appealing to the courts. The suit before Justice Miles Tuesday was the result. Mr. Miles yesterday rendered the verdict to the effect that the Electrical Supply Company has a right to 30 days' notice.

The company based their claim on the fact that they had had a lease to the building and that they had conducted themselves properly in every respect. The lease had expired March 19, but the company claimed that Mr. Wilms by accepting rent for another month had given them the right to stay another month. And Judge Miles by his decision sustained them in their contention.

The case was an exciting one as far as the taking of testimony was concerned. There was no jury. The suit lasted till late Tuesday.

WILLIAM VERDUIN IS RELEASED ON CHARGE OF ILL LEGAL FISHING PARTNER WAS FOUND GUILTY

Interesting Grand Haven Fish Case Fought Out Friday In The City Hall

A case which has stirred both the people of Grand Haven and Holland and game officials throughout the state, was decided by a local jury Friday, when William Verduin, commercial fisherman of Grand Haven, was found not guilty of marketing immature trout without the supervision of a Deputy State Game and Fish Warden. The case was tried before Justice Robinson in the city hall. Att. George E. Kollen of Holland and Att. C. C. Coburn of Grand Haven represented the defendant and Prosecuting Attorney L. Osterhaus of Grand Haven, handled the case for the people.

Ver Duin was tried on this charge in a local court a few weeks ago, and at that time the jury disagreed. Peter Fase, Verduin's partner, was found

guilty of this same charge a short time ago and was sentenced to pay a fine of \$20. Special care was exercised in picking the jury which was as follows: William Arendshort, H. Pelgrim, Jr., A. L. Cappon, Hein Brinkman, Sears R. McLean and C. D. Smith. The witnesses called to the stand for the people were Frank B. Salisbury, Deputy State Game and Fish Warden, Chas. K. Hoyt of Lansing, State Game Warden Oates's clerk Jacob Vermurien, Arrie De Graaf, F. Fisher, Tony Ver Hoeks, Caleb Verduin and Peter Verduin all of Grand Haven. William Verduin was the only witness for the defense.

The case was a hotly argued legal battle throughout, the defense claiming innocence on the charge brought against Verduin and the Prosecutor doing all in his power to prove the case against Verduin.

While the prosecutor was making his final arguments, Att. Coburn interrupted several times and engaged Mr. Osterhaus in a personal argument on law questions.

FORMER HOLLAND MAN WANTS TO BE STATE REPRESENTATIVE IN FLORIDA.

Is Brother To Register Of Deeds

Frederick Van Roy, formerly of Holland, now a resident of Crystal River, Fla., has announced himself as a candidate for the state legislature from his district in that state. Mr. Van Roy is in the business of manufacturing fruit crates in Crystal River and has made a success of that venture.

Van Roy is the son of a Holland pioneer family and he is a graduate of Hope College. He is a brother of the register of deeds of Ottawa county.

In spite of the fact that all the rest of the members of the family in Michigan are strong republicans, Mr. Van Roy is to seek the nomination on the democratic ticket. This fact however, will give him all the better chance in a southern state. Van Roy has many friends here who wish him success in the coming primaries and election.

He is a brother to John F. Van Anrooy but has changed his name to Van Roy.

APPLIES FOR PATENT AND WILL ORGANIZE STOCK COMPANY.

John Beattie, general repair man at the Gildner Hotel, in Grand Haven has just finished and applied for a patent upon an invention that supercedes anything of its kind ever seen in this locality. The invention is an ice shaving machine which will shave 75 pounds of ice per minute and can be operated by a child. A few days ago Beattie finished the first machine in the Challenge Machine Co. factory of Grand Haven and found a waiting purchaser in Landlord Gildner who had witnessed the extraordinary work of the ice shaver.

The inventor will make an effort to organize a small stock company for the purpose of manufacturing the machine in Grand Haven. No great amount of capital will be needed and Beattie is confident of meeting success. When finished in every way he expects to sell the ice shave at \$35.

The knives of the shave are a series of four cast steel plates which rotate upon a disc of about three feet in diameter. The knives alternate at guaged swatches of one inch in width. When shaved the ice is like so much crystal glass.

COMMON COUNCIL

Holland, Mich., April 23, 1914.
(Official)

The Common Council met in special session and was called to order by the Mayor.

Present: Mayor Bosch, Alds. Prins, Slagh, King, Drinkwater, Congleton, Kammeraad, Harrington, Vander Ven, Vander Hill, Steketee, and the Clerk.

The reading of minutes and regular order of business was suspended. The Clerk reported that the meeting was called for the purpose of considering certain regulations in regard to the selling of intoxicating liquors in the City of Holland.

The Committee on Ordinances reported as follows:

Your Committee on Ordinances begs leave to submit herewith an ordinance entitled, "An Ordinance to amend Ordinance No. 288 of the Ordinances of the City of Holland, entitled "An Ordinance to regulate and license all places where any spirituous, malt, brewed fermented or intoxicating liquors are sold in the City of Holland," by amending section 7 and 12 and by adding thereto a section to be known and designated as section 15 A," a copy whereof is hereto attached.

Your Committee would recommend that the rules of the Common Council be suspended, and that the said ordinance be read a first and second time by its title, and placed on the General Order of the Day, and taken up for immediate consideration.

The reason for this recommendation is that the Committee on Licenses may be guided in its action in the matter of applications and bonds for liquor licenses.

Respectfully submitted,
Nick Kammeraad,
Derk Steketee,
Wm. Vanden Ven.

On motion of Ald. Kammeraad, The report of the Committee was adopted, all voting aye.

On motion of Ald. Congleton, The Council went into the Committee of the Whole on the General Order with the Mayor as chairman.

After sometime spent therein, the committee arose and reported that they had under consideration an ordinance entitled, "An Ordinance to amend Ordinance No. 288 of the Ordinances of the City of Holland, entitled, "An Ordinance to regulate and license all places where any spirituous, malt, brewed, fermented or intoxicating liquors are sold in the City of Holland," by amending sections 7 and 12 and by adding thereto a section to be known and designated as section 15 A," and recommended that the same be not concurred in.

"I said last year that I don't believe in the present ordinance and I have not changed my mind on that point. I don't think the ordinance is right and I don't think it is right to do patch work with it. This kind of business is in direct violation of what the people have decided against by their vote. I therefore cast my vote in favor of rejecting the proposed ordinance.

Somebody made the motion to adjourn, and that settled the business of the evening.

Quite a large audience was in the council room, including a number of ladies. But all those who expected an exciting meeting were very much disappointed. There was no oratory and practically nothing was said except the formal reading of the proposed ordinance and the vote of the council members on each section.

The ordinance submitted by the committee and rejected by the mayor and council reads as follows: THE CITY OF HOLLAND ORDAINS

Sec. 1. An ordinance entitled "An Ordinance to regulate and license all places where any spirituous, malt, brewed, fermented, or intoxicating liquors are sold, in the city of Holland," passed May 7, A. D. 1913, be and the same is hereby amended in sections 7 and 12, thereof, and by addition thereto a section to be known and designated as Sec. 15-A.

Sec. 7. All places licensed hereunder shall be closed between the hours of nine o'clock in the afternoon and seven o'clock of the forenoon of each week day, during the months of June, July, August and September of each year, and between the hours of seven o'clock in the afternoon and seven o'clock in the forenoon of each week day for the remaining months of each year, and on Sundays, and on such legal holidays as are designated by the liquor laws of the State of Michigan.

Sec. 12. No person, firm, or corporation, licensed hereunder, by himself, his clerk, servant, agent or employee, shall sell any of the liquors mentioned or referred to in this ordinance, except in original sealed trade packages, and none of such liquors shall be sold to be used or drunk upon the premises, nor shall any person be permitted to use, drink or in any way partake of any such liquors, in any place licensed hereunder, or on the grounds appurtenant thereto, or premises connected therewith. Any person so using, drinking or partaking of any such liquors in any place herein prohibited shall be deemed guilty of a violation of this ordinance, and the licensee, his clerk, servant, agent, or employee, shall be held guilty hereunder for permitting the same to be done, both parties being hereby declared to be principals. Nor shall any of the liquors herein mentioned or referred to, to be sold in original trade packages, be sold or furnished to any person or persons, except as follows, to-wit:

No beer to be sold or furnished in quantities of less than six quarts or one dozen pint bottles, and the sale to be entirely consummated by a purchase and complete delivery and removal from the place of sale of the said beer, in one quantity and one delivery.

No whiskey, or other intoxicating liquor, other than beer, to be sold or furnished in quantities of less than one pint at one time to a person or persons, and the sale to be entirely consummated, by a purchase and complete delivery and removal from the place of sale of the said liquors, in one quantity and one delivery.

Sec. 15-A. No person, firm or corporation, licenses hereunder, shall by himself, his clerk, servant, agent, or employee, permit the use of any rear or side doors in the said premises by their patrons, but such doors may be used by the licensee or licensees, their servants and employees, in the handling of beer and other liquors and materials, used in the business so licensed.

Provided, That any such rear or side door shall not be used by anyone for any purpose after the hour of 6 o'clock in the afternoon.

On motion of Ald. Harrington, adopted, by yeas and nays as follows: The report of the Committee was YEAS:—Alds. Prins, Slagh, King, Drinkwater, Harrington.

NAYS:—Alds. Congleton, Kammeraad, Vander Ven, Vander Hill, Steketee.

The voting being a tie, the Mayor voted aye.

Adjourned.

Richard Overweg, City Clerk.

DEDICATION OF THE NEW HIGH SCHOOL TOOK PLACE LAST NIGHT.

A Number of Local Speakers Made Addresses; Told of Progress of the Schools.

Last evening at 7:30 the new high school building was formally dedicated with appropriate exercises in the assembly room. The Woman's Relief Corps and the A. C. Van Raalte Post G. A. R. attended the exercises in a body. The attendance was small not over 400 being present. The following program was rendered:

Music by the orchestra; music, "Holy Lord," Twelfth Mass (Mozart) "Oh Lord Most Merciful," Mass in F (Concone), High school Glee club; Invocation, the Rev. P. A. Hoekstra; "Historical sketch of the Public schools of the city of Holland," Hon. I. Marsilje, president of the Board of education; address, Hon. G. J. Diekema; violin solo, Ninth Concerto (De Beriot), Miss Ruth Keppel; addresses by Mayor Bosch, Dr. A. Vennema, C. M. McLean, and G. Van Schelven; music, "America," audience; address by Henry Geerlings, Wm. Brusse, J. L. Chubb, architect, Frank Dyke, Supt. E. E. Fell; presentation of flag by Miss Martha Bell, Patriotic Instructor of Woman's Relief Corps of Michigan; Remarks by Mrs. T. A. Boot, department president of Woman's Relief Corps of Michigan; Music, "Star Spangled Banner," audience; Closing Prayer, the Rev. John Van Peursem.

The speech of Mr. Diekema was a classic and should have been heard by every citizen in Holland and it is deplorable that only so small an audience was present at the dedication of an educational building that involved an expenditure to be exact of \$119,790.82 as was shown on the program last evening. All the other speakers gave instructive talks worth listening to and the evening for those present was a treat.

FIRST SESSION OF BIG COLLEGE CONVENTION HELD LAST NIGHT.

Both the students of Hope College and the citizens of Holland are getting aroused and stirred up anew about the big national prohibition program as well as the local. Mr. Walsman, the district superintendent of the Michigan Anti-Saloon League and Mr. Colvin, the National President of the Intercollegiate Prohibition association delivered addresses at the rally at the First Reformed church. Now the interest is centered on the oratorical contest to be held in Winants chapel tonight. Hope's strongest orator will meet the strongest and best orators from Albion, Adrian and Alma.

HIGH SCHOOL MEETS DEFEAT

Grand Haven Tribune.—In a rather loose game at Holland Saturday the local high school baseball team was defeated by the high school nine of that city by a 9 to 6 score. There was a great plenty of errors on both sides but those committed by the Havenites proved most costly.

Grand Haven was first to bat and started off in their half of the inning with a vengeance. Beaubien was out on an infield hit but Emery next man up met the ball for a pretty single. Miller followed suit and Gordon who followed with a third single of the inning sent Emery and Gordon across the platter for two counters. Conklin was given his base when the pellet smashed him rather unceremoniously in the ribs and Cook took first sack for the same reason. With two men on Morton came across with a hit which pushed over two more runs. Gordon had been caught in attempting to steal second and Nyland whiffed Holland came strong in their half and on hits by Ingham, Nykamp, Sirrine, Zweering and Steketee and a costly error by Gordon scored 4 and evened the count.

This ended the scoring for both teams until the 5th inning. During the 2nd, 3rd and 4th both aggregations played pretty ball. In the fifth however Holland came a cross with two more runs on a base on balls and two hits coupled with a couple bad plays by the blue and gold. In the local's half of the sixth however they evened the tally again by sending two runners around the circuit on hits by Gordon, Cook and an especially pretty one by Nyland which sent the first two home.

Holland was not to be denied however and in the next inning squared off and sailed into port with three more scores.

It was the last scoring for the day as Sirrine of Holland held the locals safe for the rest of the game. Only eight innings were played so that the locals could catch the 4 o'clock train for home.

On the whole the showing of the blue and gold was not bad and the pleasing feature of the contest was the fact that they granted 9 hits off of Sirrine which is quite a few considering who the pitcher was. The fielding however was a little ragged and the throws not sure but these faults will soon be remedied. Locke of the locals whiffed 6 of the Holland batsmen while Sirrine of Holland teased 11 of the locals to cut wide swaths through the atmosphere. A pretty double steal by Gordon and Emery was a feature of the contest. The lineups:

MOST TERRIBLE FIRE IN HOLLAND'S HISTORY

False Story Of Incendy Nailed By Corner's Jury

A procession of one large coffin and four small white ones when taken solemnly up the steps of the First Reformed church Monday afternoon told more plainly than words can tell of the horror of the disastrous fire early Friday morning that took the lives of Mrs. John Ploegsma and her three children. Weibbe, aged 5 years, Harry aged 3 years and Johannes aged one and one half years and severely burning Mr. Ploegsma in his effort to save his wife and children. Monday at 1:15 short private services were held in the Nibelink Undertaking Parlor and at 1:30 services were held in the First Reformed church. The church was crowded to the doors and the crowd extended to the walk as the coffins were carried from three hearses into the church. There was scarcely a dry eye in the church as the many people looked upon the mute testimony of a family destroyed. The Rev. Mr. Veldman officiated delivering a very impressive funeral sermon. Interment took place at the Pilgrim's Home Cemetery where the bodies were laid to rest side by side.

Mrs. Ploegsma is survived by her husband who is at present at the Edgewater Hospital on the North Side receiving treatment for burns suffered in the fire and was unable to attend the funeral. A mother, Mrs. Age De Vries, 53 East Sixteenth Street, eight brother, John, Thomas, Clarence, Peter, Gerrit, Leonard, Harry and Jake and one sister Maggie also survives Mrs. Ploegsma.

Fire Traps Mother and Children

The fire which wrecked the home of Mr. and Mrs. John Ploegsma, 254 First Avenue at about five o'clock Friday morning is the most appalling fire tragedy Holland has ever experienced. In the fire of '71 an old lady was overcome by smoke and died afterward, also a child was seriously burned in a bonfire a few years ago resulting in death, but never has this City experienced such loss of lives as on last Friday morning when the Ploegsma home was burned. As near as can be learned Mrs. Ploegsma and her three children were trapped in their bed room by the fire, smoke and gas coming through from the kitchen when Mr. Ploegsma opened the door to the kitchen which he opened when informed that his house was on fire. Mr. Ploegsma was also in the house but was unable to aid his wife and children because of the dense gas and shooting flame. He reached safety himself in an exhausted condition only after a hard struggle. Mr. Ploegsma's son Arthur, by former marriage, aged 14, who was sleeping in a front room escaped without a scratch by breaking through the window. Mrs. Ploegsma was found in the sitting room by firemen, she was badly burned but still breathing. She was rushed to the North Side hospital but died at 6:30 Friday night. It is believed that she was suffocated with smoke in an effort to reach her babies. The oldest child was found in the sitting room near the door burned to death after evidently making his way through the fire from his bed in the adjoining room. A fireman stumbled over his body while groping through the smoke after the fire was under control. Fireman John Bentema was the first to make his way into the house after the firemen arrived and after being driven back by the smoke three times receiving burns about the face and hands, he succeeded however in dragging the lifeless body of Harry from the bed. The child had not left his bed at all. A moment later firemen Marinus Brandt and Bert Vander Water brought forth the body of the baby Johannes who was found burned to death in the cradle. The child was not recognizable it being burned so badly.

Details Of Tragedy

Dave Vander Schel, a night worker at the bakery near the scene of the tragedy was one of the first on the scene and perhaps gives the most connected story. Mr. Vander Schel discovered fire in the kitchen of the Ploegsma home about five o'clock and immediately rushed to the scene to warn the occupants. After pounding on the door seemingly to no avail he promptly kicked in the front door. Mrs. Ploegsma was then but a few feet from the door attired in a dressing gown and was coming to open the door evidently having just got out of bed upon hearing Vander Schel knock. Mr. Ploegsma was in the sitting room partly dressed. Mr. Vander Schel informed the people that their home was on fire and told them to save the children first. He also told them not to open the kitchen door and they would have plenty of time to get out. But Mr. Ploegsma evidently thinking it wholly preposterous that so hot a fire could be blazing in the room next to them without them knowing it, or out of natural curiosity to see how big a fire it was, opened the door. As he did so, long streaks of flames shot past burning his hair to his head and badly burning his face and hands. He was unable to close the door and in a few seconds the room was so filled with heavy smoke and gas that a person could not live in it for more than a minute. As soon as the door was opened Mr. Vander Schel rushed outside to the window but then the smoke was so thick he could not get through. An alarm was turned in and Mr. Vander Schel made three attempts to get through the flames and smoke to the children whose cries for 'mama' drove him nearly frantic as he thought of his own babe safe at home but he was unable to reach them and was so near exhausted himself that he was held back when about to make a fourth attempt with a wet blanket over his head.

Firemen Unaware Of Horror When the fire arrived Mr.

Ploegsma was walking slowly back and forth in front of the burning house suffering intense physical pain from the burns on his hand and face but seeming not to mind that because of the greater pain in his heart. He acted as if stunned by a blow. He did not seem to see anyone and talked unintelligible. The firemen had been at work for a few minutes before one asked Mr. Ploegsma if the rest were safe and he answered as if not hearing the question, "They are in the bedroom." He was later taken to the North Side Hospital. Mrs. Ploegsma never regained consciousness after being taken from the house.

Mr. Ploegsma Improving

Mr. Ploegsma is slowly recovering from his injuries at the Edgewater hospital and although it will be a matter of about a month before he is well on the way to complete recovery he will be able to be about in a few days. His face was swollen so badly from burns that for the first two days he was unable to see, but the swelling has disappeared. His hands are also burned badly and it was at first feared that he would lose the use of them forever. It will be some time before they regain their full strength and be in normal condition.

Coroner's Verdict Nails Ugly Rumors

On account of the many ugly rumors that were spread, broad cast directly following the fire to the effect that the blaze had been of incendiary origin and that Mr. Ploegsma had deliberately tried to destroy his family because of continuous quarrels over domestic affairs Coroner D. G. Cook impaneled a coroners jury Saturday afternoon to take evidence as to the method in which Mrs. John Ploegsma and her three children lost their lives in the disastrous fire of Friday morning. The jury was composed of H. Van Tongeren, chairman, J. B. Mulder, Adrian Van Putten, J. W. Kramer, Nick Hoffman and Simon Bos. The jury met Saturday morning and viewed the bodies at the Nibelink Undertaking Parlor.

Monday morning the jury met in City Hall and after hearing the testimony of Mrs. Ploegsma's step son Arthur Ploegsma who escaped from the fire, Dave Vander Schel, Jan Vander Schel and Peter Pherham-

buoy a verdict declaring the fire to be of unknown origin and the death of the residents of the house accidental was brought in.

All witnesses told a good straight story absolving Mr. Ploegsma of all blame. Arthur Ploegsma was closely examined in regards to the state of domestic affairs as well as of a description of the house and other details pertaining thereto, and he told a straight forward story answering all questions quickly and unhesitatingly showing that there was no ground for the malicious rumors so easily concocted in Holland.
