## TEACHERS TO RECEIVE ON THE AVERAGE OF \$100 MORE EACH

SUPERINTENDENT AND PRINCIPAL ARE ALSO GIVEN A BOOST

At least 90 teachers in the Holland Public schools receive a boost in salary of approximately \$100 each, making a raise of nearly \$9,000 on the staff.

Superintendent E. E. Fell has been retained for another year at a salary of \$5,500, while principal Riemersma will get \$3,500 instead of \$3,000 as has been reported. The salary of Mr. Fell last year was \$4,500.

Both of these men have been valuable to the city of Holland. Either one of them receive offers nearly every week, tendering them even more lucrative positions.

With the building of the new \$350,000 junior high school an added burden has been put upon the superintendent, and the principal too has his hands full taking care of the overcrowded high school of today.

The board of education has gone over the salary list very carefully and find that Holland does not have the highest paid teachers nor superintendents.

In Grand Rapids, Grand Haven, and even Zeeland, next door to us, teachers get better pay.

Superintendent Vanden Berg of Grand Haven last year was given a signed up for another year but they did not receive \$4,000.

Many of the Holland teachers have are still quite a number who have not are still quite a number who have not fully decided.

## WRITES HISTORY OF SETTLEMENT IN THIS PLACE

MILWAUKEE WOMAN AUTHOR OF  
"A DUTCH SETTLEMENT IN  
MICHIGAN"

A systematic history of the founding of the Dutch settlement in Western Michigan has at last been written. It came from the press of the Eerdema-Sevensma Co. of Grand Rapids this week and is from the pen of Miss Aletta J. Pieters, dean of the Milwaukee-Downer College of Milwaukee, Wis. Miss Pieters has been at work on the volume for a long time, spending many of her vacations in Holland and surrounding communities to go through the official records and to gather from them and from survivors of the original colonists the information that she needed for her history.

The new volume is called "A Dutch Settlement in Michigan," and it makes a volume of 207 pages bound in cloth. It is illustrated with four full-page cuts, the frontispiece being a very good portrait of Dr. A. C. Van Raalte. The other cuts are: a map of Michigan showing the early routes to Holland; a map of the Dutch settlement in Western Michigan made in 1849, and the log cabin reconstructed under the direction of settlers for use at the semi-centennial celebration.

The dedication of the book reads as follows: "To the memory of the men and women who came to Michigan from a foreign land and struggled through the hardships of pioneer life that their children might enjoy the blessings of a free country, this book is reverently dedicated."

The book contains ten chapters, and the captions will give a clear idea of the contents: 1. Reasons for the Emigration; 2. The Great Adventure; 3. The First Year; 4. "The Settlement Established"; 5. "Daily Life"; 6. Religious Life of the Settlers; 7. Education; 8. Government; 9. Van Raalte; 10. Today.

Four pages are required for the bibliography, showing how carefully the writer has collected her materials and what pains she took to investigate all possible sources. Some of these sources were newspapers printed in Holland and publications from this city. Several pages are devoted to notes in which the author indicates the sources for her statements in the text.

## HOLLAND HIGH PLANS BUSY CLOSING SEASON

Numerous precommencement events are on the Holland high school calendar. Events and dates are: April 27, public speaking contest; May 3, Kappa Delta program; May 4, Arbor day celebration and girls' get-together; May 9, Blue Triangle meeting; May 11, annual caucus; May 18, H-Y program; May 18, annual election of students' council; May 18, Kappa Delta "bust"; May 24, Athenaeum program; June 1, sophomore class program.

## LETTER CARRIERS THANK PEOPLE FOR THEIR GOOD WILL

Although the Holland mail carriers did not get their Saturday half-holiday, they are grateful for the goodwill shown by the people of Holland who signed the cards in the affirmative. The carriers Wednesday sent in the following note of appreciation to the public:

"Editor:—We are extremely disappointed to learn that we were not to have time off on Saturday afternoons such as many of our fellow-carriers in Muskegon, Kalamazoo, Detroit, Cleveland and other cities are enjoying. Nevertheless, we greatly appreciate the splendid expression of good will our patrons have given us and we will try to make our services hereafter better than ever.  
Respectfully,  
"City Letter Carriers"

## POOL ROOM MEN ASK FOR AN EXTRA HOUR

THEY PETITION COUNCIL TO  
CHANGE THE EVENING CLOSING HOUR

Aldermen Refer It to Committee and Will Wait With Decision Until Next Meeting

Shall the pool rooms in the city be given another hour at night to do business? Instead of being compelled to close at ten o'clock as they are now required to do by the ordinance, shall they be given until eleven o'clock?

The common council very evidently wants to get the reaction of the people of Holland on this question before finally deciding it. The petition of the pool room owners to the aldermen Wednesday night was referred to the committee on licenses for investigation. In view of the fact that there is little or no investigating to be done since it is a plain and simple question on which all might be presumed to be able to decide without further inquiry, the method of referring it to a committee seemed to indicate that the aldermen want to talk it over with the people in their wards and make up their minds in accordance with the wishes of the constituents.

The pool room owners pointed out to the aldermen that the daylight saving system works a real hardship on them, that it does not get dark until about 9 o'clock and that the closing hour of ten gives them little chance to do business at night. They declared that during the summer months they have to do business at a loss, and they further stated that they ought to be allowed the later hour all the year round. They pointed out they were doing a legitimate business in an orderly manner, that they were taxpayers and were conducting themselves as good citizens in every respect; that they were not ashamed of their business which provided a good clean amusement for young men. More than one alderman testified that the pool rooms in Holland were the most orderly in the state.

Mayor Stephan declared that he was for the eleven o'clock closing and he made no bones about it. He declared pool was a good healthy sport, and that there had never been any charge that the present pool room owners were not running their places as decent as self-respecting citizens should. They should be allowed to do business at a time when business will come to them, which is in the evening. Ald. Kammeraad, on the other hand, pointed out that with the eleven o'clock closing hour the young fellows would not get home until nearly 12 and that was too late for them. Mayor Stephan replied that they did not get home earlier anyway, that in the pool rooms they were under more observation but that when the pool rooms closed they scattered and were completely out of control.

There the matter rested and it will be decided at the next meeting of the council.

## CITY OF HOLLAND NOT TO BE A MUNICIPAL RAIN BARREL

The city of Holland is not yet ready to take care of the city's surplus roof water. Time was when roof water was eagerly caught by people in rain barrels and used on Mondays to do the family wash because of its softness. But the city water supply is so good that the rain barrel has gone out of fashion decades ago, and so the roof water is often a nuisance.

A petition was addressed to the council Wednesday night asking for permission to connect the roof drain of a house with the storm sewer. But the committee pointed out that the storm sewers had not been built for that purpose and are not large enough to take care of the city's roof water. If the petition was granted to one it would have to be granted to all, and that would mean trouble. "Hope the council grants the petition," said the mayor, "because I want to connect my own roof-drain with the sewer." But the council denied the petition, and the mayor and all others will have to find some other means to get rid of the roof water.

## Marriage Licenses

Carey M. Courson 21, Jenison and Rose Hayes 19, Grandville.  
Walter Laarhuis, 23, Grand Rapids and Mina Hinze, 28, Holland.

Hope college orchestra goes to Grand Rapids this evening where they will give a program at the Central High school. The program will be the same as the one given at Muskegon and Holland.

Prof. Robert G. Evans has resigned as instructor in physics at Hope College. He has been connected with the local institution for the past four years.

The Holland Rod and Gun club will hold an important annual meeting tonight at the city hall, beginning at 7:30 o'clock.

The annual election is to take place and the committee consisting of Thos. N. Robinson, Peter Lieveense, Arena Sierma and Andrew Klomparsen will report on fish legislation at Lansing.

Last summer prizes were also given for the largest fish caught of each of the several species in Black lake. These prizes will be given away tonight at the annual meeting. The members are urged to be present to take part in the deliberations.

## A REAL PLAY IS "DOWN TO THE SEA IN SHIPS"

INHIBITION OF WONDERFUL  
FILM

The local papers seldom comment on the merits of films produced at the local theaters, for there would be no end to the work involved in playing, critic on from eight to ten films a week.

However, here is one upon which we wish to make special comment, namely, "Down to the Sea in Ships," to be presented at the Colonial Theater, Monday, Tuesday, Wednesday and Thursday of next week.

Recently Manager Raven of the Colonial invited a few citizens, some of our local divines and representatives of the press to review the above named film and pass judgment upon it.

At a private screening after the night performance a representative of the company producing this film showed this picture, which took two hours to screen and not withstanding the late hour, the entertainment was a real treat.

"Down to the Sea in Ships" is a picture altogether different from the usual type of pictures. The atmosphere is not of the stereotype order, but depicts characters and surroundings and color seldom seen in the films of today.

Everyone loves a sea story. But this one is the most thrilling that has ever come to our notice.

The story has its beginning in the old seaport and Quaker town of New Bedford, known in history and in story as a city founded by our Pilgrim fathers.

It will be remembered that New Bedford was headquarters for the great whaling fleet in the earlier days when full-rigged ships with sails left port for a year's voyage on whaling expeditions.

This fleet and the quaint town of New Bedford are vividly depicted in the film.

It smacks of yesteryear and even the meeting house in which the old Quakers formerly congregated and which has been preserved for hundreds of years, is used in one of the most thrilling scenes which affords an unusual climax in the picture.

Possibly the most thrilling portion of the picture comes during the whaling trip where a large school of whale are sighted by the whaler.

These monsters of the deep are very plainly seen blowing up streams of water when they come to the surface for air.

The picture shows the small boats being lowered, the harpooners in the prow and even the actual harpooning of a large whale. The commotion after the animal has been struck is clearly filmed and not faked.

The small boat takes an immediate lunge forward as the whale also makes a lunge and with difficulty the occupants of the boat keep the craft on an even keel playing out the slack to retard the speed of the whale. The second small whaling boat also succeeds in harpooning a whale but the occupants of the boat are less fortunate.

The big tail of the sea monster churns the surface of the ocean and also demolishes the harpooner's boat, precipitating the whaling crew into the sea.

Naturally all through these thrilling scenes the hero and heroine play important parts and we are ready to say that not alone is the picture valuable and interesting because of the fine clean-romantic story that it portrays, but especially so because of the interesting side lights that are made possible because of the whaling expedition.

Marguerite Corbett and Raymond Mc Kee are the stars of "Down to the Sea in Ships." Here is a brief synopsis of the film's smashing climax. A frail boat and its six occupants are towed at express train speed into the ocean by a 90-ton whale. A sudden turn, the shout, "Look out, he's heading for us!" The oars are splintered along one side of the boat before the crew can back water, and the monster of the deep is upon them. A flip of its death-dealing bukes and both craft and its occupants are tossed high in the air. The boat is wrecked and the crew is left floundering in the shark infested waters. It required 13 months to make "Down to the Sea in Ships." Incidents of unparalleled daring, enacted with the utmost fidelity and realism, abound in this picture.

Back of the vivid sea scenes runs one of the sweetest love stories the screen has ever known, a romance breathing all the quaint customs of the Quakers who were prominent in the New Bedford whaling industry. The scenes are varied. There is elopement, a ship wreck, several fights, shanghai, a sailors' hornpipe, a murder, a rescue, a Quaker meeting, a storm and some tender love passages in a moonlit garden.

Were there no story or plot connected with the film, and whale catching was the only feature shown, even then the picture would be worth while.

## RURAL SCHOOL EXAMINATION IS TO BE HELD SOON

The Seventh Grade Examinations in rural schools will be held Wednesday, May 16th, the Eighth Grade examination, Thursday and Friday, May 17th and 18th, at Allendale, Borculo, Conklin, Coopersville, Holland, Hudsonville, Jamestown, Nunica, Marne, and Spring Lake, beginning at 8 A. M. Standard time.

## ALDERMEN AGAINST PAYING BILL FOR THE BROKEN WINDOWS

THEY THINK CITY IS NOT LIABLE  
FOR ACCIDENTS ON WEST  
SEVENTH STREET

Loose Stone on That Street Cost the Holleman-Deveerd Auto Company \$260 and Loss of Trade

The common council is not ready to pay the bill of \$260 that the Holleman-Deveerd Auto company brought in for two plate glass windows broken by stones shot from under the wheels of automobiles passing their garage on West Seventh street. The company claims that the accident happened because the street was left unfinished last fall, and they ask that the city collect the bill for them from the Willite Company or else pay the bill. The company sets forth that it lost much trade by reason of reduced gasoline sales during the winter because the street was not finished and that the broken windows cost \$260. They do not ask for reimbursement for the loss of trade but they do for the broken windows.

The council, after a thorough discussion, referred the matter to the city attorney and the street committee for investigation.

Informally however, it appeared that there is not much chance that the city will either pay the money or consent to become a collection agency for the Holleman-Deveerd company. It was pointed out that the Willite company went as far as they could last fall in building the street and were forced to quit work because of the weather. There were at that time two things that could be done, either close the street to traffic or let traffic take its chance. The Holleman-Deveerd company did not petition to have the street closed, according to the aldermen, and hence they took their chances the same as anyone else living there or doing business there. Windows along Eighth street have been broken in the same way, it was pointed out by the aldermen, and in those cases the city was not drawn into the matter but the owners settled with their insurance companies. The incident is regrettable, according to the aldermen, but it is an accident that no one could help. It is likely that the committee will report in accordance with the trend of this discussion.

## BILL IS PAID AND "THANK YOU" GOES WITH THE MONEY

COUNCIL THANKS LOCAL ATTORNEY FOR LETTING THEM  
SEND HIM A CHECK

It isn't everybody who gets a hearty "Thank you!" when he presents a bill; more often it is a case of a grumble when the bill is being paid. But the firm of Diekema, Kollen & Ten Cate had their bill to the city honored in such a way that they can feel they were doing a favor by presenting it.

Their bill was for services in the Kamferbeek case and it was for \$578. "I want to point out," said the mayor, "that this bill is extremely reasonable. It isn't every attorney of Mr. Diekema's calibre who would see a case through the supreme court and not charge more than \$50 a day for actual time put in. I feel that Mr. Diekema has given much time to the city for which he has made the bill more reasonable than anyone could expect, and I hope the council will recognize this fact." The council did with a handsome vote of thanks as they ordered the bill paid.

## DUNTILE COMPANY ASKS FOR CHANGE IN ORDINANCE

WANT THEIR PRODUCT ADMITTED ON SAME BASIS AS BRICK AND STONE

Although the Duntile Company is a Holland concern with branches in hundreds of cities where this product is manufactured by machines manufactured in Holland, the curious condition, prevails here that Duntile may not be used in Holland in the fire district while it may be used in almost every other city in the land. New York and Chicago and Cleveland, and in fact most of the cities, large or small, treat Duntile the same as brick or stone, but in Holland the ordinance calls for the latter two materials and Duntile is excluded because it is not specified.

The company, through Benjamin Van Raalte, petitioned the council on Wednesday night to correct this situation, pointing out that Duntile is made by a special process that makes it as safe as building material, so far as fire goes, as any other material.

City Attorney McBride said this would be a good time to reconsider the whole building ordinance and adopt the state building code. The question was therefore referred to the ordinance committee.

## TWO ARRESTED FOR AUTO VIOLATIONS

The local police arrested Wallace Leenhouts for reckless driving on River avenue and Justice Vanscheveln fined the man \$18.70.

Judge Don Herder fined Cecil Beck \$18.70 for going thirty miles on 7th street.

Fire Chief Blom and son Neil Blom were in Grand Rapids today.

# GRAND HAVEN WILL SOON HAVE NO HILLS LEFT

Grand Haven has a lot of sand, that is, a lot of the earth variety. For the past four years Henry Ford has been digging away what is called Five Mile Hill and is using the Lake Michigan product for his plate glass company at Toledo, Ohio, five cars leaving Grand Haven daily.

Along comes the Baker Sand Co. and buys Rose Mound Hill, the Pere Marquette is to run a short spur to it about a half a mile long and will switch the cars to the sand pile and the product will go to Benton Harbor.

Work has already been started on the grading of the right-of-way to the hill.

Sand is playing an important part in the manufacturing of some goods and the sand dunes along Lake Michigan comprise the kind of sand that seems to be particularly adapted for the making of glass, cores, and many other things that have to do with automobiles.

Holland still has a lot of sand left after the hills of Grand Haven are leveled, but for a time at least this vicinity will "hang on" to its product in order to give the kiddies enough to wallow around in.

# UNDERTAKER TO ENLARGE HIS ESTABLISHMENT

The undertakers establishment conducted by Mr. and Mrs. John S. Dykstra for several years will be enlarged.

Two large show rooms will be added and the chapel too, will be made more spacious.

Considerable money is to be spent on the contemplated improvement and when completed the Dykstra Undertaking establishment will be in a position to take care of all the needs required in a rapid-growing business.

# STOVE THIEVES GIVEN ONE TO FIVE YEARS

Jay Eaton, 26, and George Wellington, 25, two Kalamazoo junk dealers who were arrested on a charge of larceny from a building, were sentenced by Judge Cross to serve from one to five years at Ionia. Recommendation of one year's imprisonment was made.

As already reported the men broke into cottages in Lee township, stole kitchen stoves, scrapped them and sold them in Kalamazoo. They were arrested in Kalamazoo by Sheriff Leo Hare.

A new bus line, called the Holland-Grand Rapids Bus line, has been established and will begin making trips on May first. The starting places in Holland are Dykstra's Drug store, Franzburg's Fruit store, Hotel Holland, Hotel Asselton. The stopping places will be Wentzel's Lunch room, Island, the Vriesland Grocery, Ingham's Drug store, Jenison Grocery, the Grand Rapids Waiting room, Bond street.

The bus will leave Holland daily except Sunday at 7:30 a. m., 12:30 p. m. and 5:15 p. m., arriving in Grand Rapids about an hour and a half later. The bus will leave Grand Rapids at 3:45 a. m., 4 p. m. and 10:30 p. m.

Allegan may have a new postoffice building this year. Postoffice Inspector S. A. MacSwain of Grand Rapids, was in Allegan and instructed Postmaster C. E. Firestone to advertise for bids for the erection of a new postoffice building. The specifications call for a building 30x80 or 24x100. If the new building is not erected it is proposed to lease a suitable building advantageously located in the business section.

The present De Wright block has been used as a postoffice since Nov. 1, 1903 and has been too small for the department's use for some time. The working force is composed of five clerks, four city carriers and eight rural carriers. When this force is all at work the room is overcrowded.

Bids for the contemplated new building are to be submitted on or before May 12.

# GRANDVILLE HIGH WINS FAST GAME AT ZEELAND

A tripple by Humphries scored the runs which enabled the Grandville high school team in an exciting contest to win Friday over the Zeeland high school team in an exciting contest of 10 innings. Huth and Emmons formed the winning battery and Nelson the losing battery. Huth scored 18 strikeouts.

Delta Colorado Independent—"On Sunday morning early the soul of Miss Alice Royce took its flight to the God who gave. Miss Royce submitted to an emergency operation on Thursday but, owing to the advanced stage of the malady and her years, she was unable to withstand the shock. Death was due to an which terminated in appendicitis.

Miss Alice Royce was a daughter of Tyler H. and Mary Royce. She was born at Racine, Wis., on the 14th day of November, 1855. During early childhood she moved with her parents to Holland, Michigan, where she grew to womanhood. She attended Normal school at Valparaiso, Indiana, and for a number of years taught school both in Michigan and Wisconsin.

Word was received in Holland Friday announcing the death of Dr. Hessel Yntema, house physician for many years in the Soldiers' Home in Grand Rapids. Dr. Yntema was born in Forest Grove and he was a nephew of the late Prof. D. B. Yntema of this city. He attended Hope College and graduated from that institution about 20 years ago. Later he attended a medical school, taking his degree in medicine about four years later. He has been in private practice and has for the past few years been stationed at the Soldiers' Home as the physician of that institution. Dr. Yntema is a brother of Gerrit Yntema, president of the Ottawa County board of supervisors.

Dr. Yntema is survived by one daughter. No particulars have been received as to the cause of his death and the announcement of the funeral has not yet been made.

# HORSE MINDS TRAFFIC SIGNALS WHEN MEN DON'T

Two score of offenders have been arrested in Gr. Haven for not minding "stop" sign on one of the principal streets but judging from the Grand Haven Tribune an equine has more sense than some men. Says the Tribune:

Experts on animal intelligence have declared that altho there is a strongly developed instinct present, the horse has no thinking power, ability to reason out its actions. This theory was completely shaken. During most of Friday city police at the intersection of Franklin and Second streets notified about two score of the drivers of motor cars to report at headquarters for failing to heed the stop sign at that corner. Human memory failed at that corner. However a horse hitched to a milk wagon trotted along Franklin street toward Second street, a through-traffic street. Suddenly he stopped short and fell to the pavement almost directly across the great white letters "Stop" which extend all the way across the street. He didn't spot a traffic officer because there were none there, but he stopped, and so suddenly that the driver was all but thrown from the seat. The animal refused to get up and proceed into the forbidden zone, until it was unharnessed. Was the sign plain enough for even a horse to read?

# TO SELL FORDS ON THE CHRISTMAS SAVINGS PLAN

Holleman-Deweerd Auto Co. is announcing a new stunt in the Ford buying line. From now on the Ford cars will be sold on what might be called the "Christmas Savings Plan", only instead of saving up the cash the buyer will be paying for a Ford. Similar announcements are being made all over the county by Ford dealers.

The details of the plan are not given except that not more than \$5 is needed to get a Ford. It is announced that to date 7,500,000 have been sold.

# SOLVES QUESTIONS OF BACK SEAT DRIVING

A Muskegon man has solved the question of allowing his wife to drive from the rear seat. The wife would always keep saying, "Blow your horn! Blow your horn!" Said husband blew his horn and blew his horn, until finally he tired. Now he has his machine fixed so the horn wires are extended to the rear seat, and there his wife sits blowing her horn to her heart's content.

Now if somebody will patent an extension to the steering wheel so the women can drive from the rear seat there probably will be fewer accidents. It might do all right to have a phonograph placed in the rear seat and wind it up and let it run.

# SOON TO START WORK ON NEW SCHOOL BUILDING

Work on the new building of the School for Christian Instruction will begin in the very near future according to members of the building committee. Architects' plans came back Friday from the Michigan department of public instruction at Lansing to which they had been submitted in accordance with the state law on school buildings. The state department must approve the plans of school houses before the work can go ahead, and this necessary state o. k. has been obtained. They were ready for the contractors on Monday and it was expected the contract will be let very soon. The plans are by Davenport & Son, architects, of Grand Rapids.

The new building will be of Bedford stone first floor with a brick superstructure. It will contain two stories and basement and will be of the most approved school building construction in every way. The largest room in the building will be a combination auditorium and gymnasium, the auditorium seating approximately one thousand people. This room is expected to become the center of activities in the Christian high school circles, a place where lectures and concerts will be given. The gymnasium will be well equipped and will be of ample capacity to take care of the pupils of the Christian school. The entire building and equipment will cost about \$75,000.

That the interest of those who made subscriptions to the building fund during the drive the past winter is great is shown by the fact that many of them have already paid the first installment of their subscriptions altho it will not be due until May 1. It is expected that all others who have made pledges will meet the firm payment on or before that date. For the information of all such people it is announced that payments can be made in any one of the three banks.

# SAUGATUCK FARMERS DISCUSS SMALL FRUIT

A meeting of particular interest to the farmers will be held at Saugatuck village hall this afternoon at one-thirty o'clock. It has been arranged by the Graham & Morton Co. and the Farm Bureau. It's object is to show the profit in growing melons and small fruits now that Saugatuck has adequate shipping facilities. Berrien county farmers are said to have made fortunes from these crops, and Emerson Hogue, one of the most successful of these growers came to Saugatuck to explain their methods and answer any questions that may arise. The G. & M. Co., has taken an active interest in this movement and General Agent Johnson has mailed circular letters concerning the meeting to every farmer whose address he has on file.

Henry H. Stubbs and Bertha Stubbs of Laketown have filed a bill with the county clerk to vacate a plat comprising several lots on the lake shore. The lots have been washed away to quite an extent and now are unsalable. The case will be heard by Judge Cross at the May term of circuit court.

Mrs. J. Dogger, formerly Miss Della Wayning is seriously ill at Blodgett hospital at Grand Rapids.

# MAYOR HEADS NEW CHAMBER OF COMMERCE

No sooner were the nine directors chosen for the new chamber of commerce at a recent election when Mayor E. P. Stephan started the ball rolling immediately in order to perfect the organization without delay.

Mr. Stephan felt that if the organization was necessary at any time, now was the time to get busy. He therefore called a meeting at the city hall Thursday night, when the first business was brought before the gathering. Wm. C. Vandenberg arose and stated that he felt that since Mayor Stephan was the first man to call the first meeting that finally led to the organization of this chamber of commerce, it would be only fitting to name him president of the organization at this time, and thus giving him a signal honor which was very deserving.

G. J. Diekema put the matter to a vote and the choice was unanimous.

The mayor pleaded lack of time to function in this position, but that made no difference, the eight members would not take no for an answer.

The mayor then asked for a complete list of the membership from which he will appoint his various committees and will select such men who are peculiarly fitted for certain positions on these committees.

The following men were the unanimous choice for the other positions in the organization:

Wm. C. Vandenberg, vice-president; Fred Beuwkes, treasurer, John Arendshorst, temporary secretary.

Mr. Arendshorst's position was made temporary for the reason that the board has not fully decided what they will do, have a full-time or a part-time and a paid secretary, and until that is definitely decided, Mr. Arendshorst will act in the above named position.

It was decided to hold meetings every third Tuesday in each month, and the beginning of a new year starts on April 1st.

# COAST GUARD ACTIVITIES ARE LARGELY IN RESCUING POWER CRAFTS

St. Joseph coast guards opened the season for disabled motor boats on Sunday when they towed in the disabled power fishing boat, Gladis J. The boat contained a \$500 cargo of fish and nets and was valued at \$300. This is merely a start of a long continued phase of coast guard activity which will extend all through the summer. Rescuing disabled power craft is one of the big pieces of work that coast guards have in the summer in fact outside of this there is but little other activity.

This is especially true at Holland Harbor where there are hundreds of boats and thousands of resorters.

# AUTOMOBILE RUN DOWN BY INTERURBAN CAR

As Fred Neils of R. F. D. No. 5 came from St. Francis church at 9:30 Sunday morning his Ford truck containing several ladies was run down by a Holland Interurban car at the corner of 12th street and River ave. The collision was a head on and the heavy passenger car whirled the light truck completely around and jammed it into a telephone pole.

A fender and windshield were broken, however none of the five passengers aboard were hurt. The truck was a new one just purchased.

# NEW DOMINIES ARE TO GO ALL OVER THE UNITED STATES

The ministers that are to be of the Western Theological Seminary have been assigned the following summer fields in the Reformed churches: Thomas Baker, Tyndall, S. D.; Carl J. Schroeder, Indianapolis, Ind.; A. J. Wesmaas, Ramoth, Ill.; T. F. Zwemer, Hudsonville; Dave Bogard, Strasburg, N. D.; Henry Eklund, Aurora, S. D.; Francis P. Ithman, Owasco, N. Y.; Harry J. Hager, Los Angeles, Calif.; Ira J. Hesselink, Big Timber, Mont.; Emos E. Hearen, Claremont, S. D.; Bernard D. Heedbrink, Sibley and Higelow, Ia.; Cornelius Lepeltak, Alderson, Mont.; H. W. Pyle, Hollandale, Minn.; Richard J. Blocker, Carr's School, Muskegon; Winfield Burgeff, Maize, Mich.; Dr. M. E. DeKaan, Ottawa, Mich.; G. E. Edmond, Olivet, Ia.; Henry J. Harnsvort, Forestville, Wis.; J. H. Hoffman, Votaw, S. D.; B. H. Pennings, Modessville, Mich.; R. Romboom, Marston, N. D.; Abraham Rynbrandt, Coninth, Mich. J. Scheepel Fairview, S. D.; Stanley D. Schipper, Moorland, Mich.; Edward H. Tanis, Monarch, Cam.; Paul F. Trompen, Jackson and East Lawa, Mich.

# LOCAL GIRL WINS BIG HONOR AT AN EASTERN SCHOOL

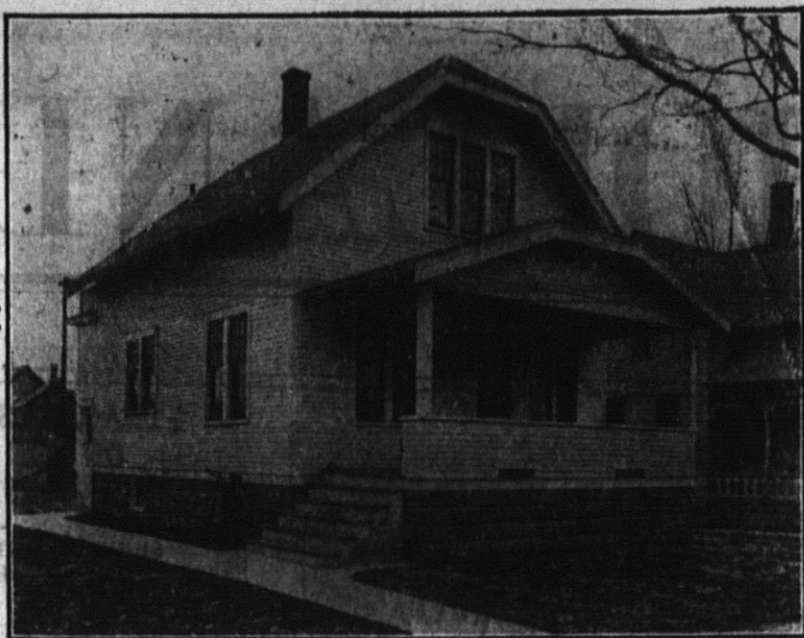

Miss Maxine Mc Bride has been elected editor-in-chief of the student annual of Mt. Holyoke College, South Hadley, Mass. Election to this office is one of the big honors at that institution and the fact that Miss McBride was named is all the more remarkable because she has been there only one year, having entered the institution in the Junior year. She thus won over students who had been at the college for three years, an indication that her unusual ability in that line of work is recognized by the other students.

The editor of the publication is named by the student body and there is naturally much rivalry for the highest position on the staff. Miss McBride will have general charge of the annual for next year and on her will rest the responsibility for making it a credit to the college.

Miss McBride is specializing in short-story work at Mt. Holyoke and she has won recognition for ability in this department. While at Hope College she showed great aptitude for this class of work and she was a frequent contributor to college publications.

L. S. Sprietsma of Galva, Ill., is visiting in the city with relatives and friends.

Jas Boer, proprietor of the Home of Holland Shoes, left Friday morning for a business trip to Lansing.

# When You Build a Home You Have The One Opportunity to Express Your Best Thoughts Fully and Permanently

The average man does not build many homes. And when he builds he has ideals that he longs to express, though some of them are often so general that he just puts them aside and tries to forget.

It's just a crime to do that. What's the use of having good thoughts if they are to be snuffed out before they have any chance?

It used to be almost impossible to build economically, and yet build just the way one chose. But under our plan all of the difficulty has been eliminated.

Discuss your thoughts with our Plan-Service Department, for say half an hour, and no matter how general your ideas may be, you'll begin to see a definite form of just how you want a home.

It's our complete building service that makes it possible, at no extra cost. In fact, if you compare the prices of our "Expressive Houses" with the stock houses found in catalogues, you'll find that EVEN PRICE is in favor of a house to be built to suit your own individual self.

# WHO WAS SHE?

Who was the woman of great renown, who said: "Instead of being chosen, I will do the choosing; I will have the husband who has the best record?"

Whether she meant to choose one who had a record as a husband or as a man is also a question, but in any case she meant to avoid disappointment.

If this woman had been buying a furnace she would naturally have used the same logic. She would have chosen the Furnace with the Best Record. Knowing that

## BIG CHICAGO ENGINEER COMES TO HOLLAND

Holland was visited Thursday by representative men of the city of Chicago who came to set the minds of the people right on the question of water stealing by the city of Chicago, via the drainage canal.

One of the noted engineers was L. K. Sherman, chairman of the waterway committee of the Western Society of Engineers, who was also a member of the governor's board of engineers having to do with Lake to Gulf Waterway project. Mr. Sherman was also the engineer in charge of the construction of the controlling works of the Chicago Drainage canal, and was engineer of great projects in the Illinois river and the Mississippi river as well.

Mr. Sherman came to Holland with Mr. E. O. Phillips, special writer for the Chicago Tribune, and they called together representative men of the city, a few members of the harbor board and representatives of the local press.

The engineer had all sorts of data relative to lake levels, covering a period of years somewhat similar to those published in this paper, taken from the chart of one of the government engineers, who came here to discuss Holland harbor matters.

Mr. Sherman's findings coincide with the statistics brought out in the government chart published before, which shows that the flow of the drainage canal had skimmed off of the top of Lake Michigan about 4 1/2 inches in the past fifteen years, or covering the time since the drainage canal was completed.

It is admitted that the rise and fall of the water at different periods is due to natural causes as this rise and fall existed before the drainage canal was built.

The visitors were very magnanimous in their treatment of the question and stated that where harbors have a maintenance depth of from 19 to 20 feet, as is the case with Grand Haven and Muskegon, the citizens were not very much stirred up over the question; that these harbors had plenty of water and that the slight recession of the water caused by the drainage canal over a period of so many years, made no material difference to them. But they could see when it was pointed out to them that in Holland harbor where the maintenance depth had not been raised by the government, and where Uncle Sam only gave a scant 18 feet, a matter of inches made a very material difference to the boats that entered this port.

The men who saw the engineer and the newspaper man of Chicago pointed out to them that a good word from the Chicago end of the line to the government engineers in behalf of Holland harbor would not be amiss.

This intercession in behalf of this port from these prominent Chicagoans will no doubt be forthcoming at the proper time.

However, the main object of the visit of these men was to stop litigation started by the states of Wisconsin, Indiana, and held in abeyance by the state of Michigan and to propose to these states that the city of Chicago will pay back to Lake Michigan the water taken from it and will do this by constructing water controls both in the St. Clair river and also near the Niagara. These levies or controls will cost in the neighborhood of \$6,000,000. It has been decided by the city of Chicago that they will pay the government what these controls cost, rather than go into endless litigation with several states which will mean injunctions and counter-injunctions and what is worse, create a barrier between friendly neighbors.

These so-called water controls or compensation works mean the partial damming at the St. Clair river controlling the outgo of the water to Lake Erie and curtailing it at the rate of 10,000,000 cubic feet per minute, the amount taken by the drainage canal.

In other words the 10,000,000 feet according to the engineers which has been taken by the drainage canal will be saved at the St. Clair river near Detroit by virtue of the partial damming of this stream and through this process the regular lake level will be maintained.

Chicago is in serious plight. It needs this drainage canal to dispose of its sewage and since the advent of the drainage canal the Chicago Board of Health has records to show that the death rate by contagion has fallen off more than 50 per cent.

Should the drainage canal be closed in order to conserve Lake Michigan water it would not only prove a calamity to the third city in the world, but Lake Michigan would be the dumping ground for the sewage of the city of Chicago, and the lower lake would soon become a stagnant pool, much like Black river and the upper bay is in Holland.

It would seem that the proposition made by the city of Chicago to pay back the water and also "pay the freight" in constructing these controls is eminently a fair proposition. There are nearly 1,000,000 souls huddled together in Chicago who are benefited through public health because the lake has been topped four inches in fifteen years, and that is a proposition that cannot be ignored if we are human living together in a common cause in one great country.

If our neighbor is as magnanimous as the proposition would indicate, this state and our neighboring states should help them out in their dilemma.

The funeral of James Kennedy who died in Detroit was held in Grand Haven, and took place under the auspices of the Masonic Order, from the Masonic Temple. Mr. Kennedy who was 81 years old was not only an old lumber man and shipbuilder in the early days at Grand Haven, but was one of its early pioneers and did much to build up the county seat.

Mrs. Lanthia De Merrell, Mrs. E. J. Blekkink, Mrs. J. C. Post and Miss Katherine Post were among those who returned from the W. T. C. U. convention at Sparta Friday.

## LOCAL BUS LINE BUILDS OWN CAR IN HOLLAND

Holland has no automobile factory but the Service Bus Line came rather near to establishing one here at least temporarily. When the Service Bus Line needed a new bus it was decided to build one right here in Holland so that the work could be done under the supervision of George Kronmeyer, who conducts the line. In this way it was possible to build a bus such as experience has shown is best adapted to the needs of the local line.

The locomotive part of the bus was of course obtained from a regular automobile company. The chassis on which the bus is built is a special, Winson Six and it has plenty of power for the needs of the company.

The bus body was constructed in a shop on North River avenue and it is of steel construction and ivory colored. The front compartment of the bus contains three seats crosswise, leather upholstered, and has a seating capacity of ten. The upholstering of the seats was also done in Holland. Back of that compartment is a "smoker" that has two seats, also leather upholstered, and with a capacity of eight persons. The trimmings are of nickel. There is a roomy trunk compartment in the rear of the bus. The windows are of plate glass.

## SAUGATUCK FOX COMPANY IS INCORPORATED

The Saugatuck Silver Fox Co. which has been operating as a co-partnership decided at a recent meeting to incorporate under the laws of the State of Michigan with an authorized capital of \$1000,000. Only a portion of this amount of capital stock will be issued this year. At a meeting the following officers were elected: W. R. Takken, President; L. A. Seymour, vice-president; L. R. Brady, secretary; D. A. Heath, treasurer. These members together with J. B. Zwemer, Clarence Lynds and W. R. Gardner will form the directorate. The farm recently purchased is rapidly being made ready for the thirty pairs of fox which will be brought there this summer.

## HOLLAND WOMEN TAKE PART IN THE DISTRICT MEET

Holland W. C. T. U. was represented by three delegates to the 49th annual district convention held at Sparta on Thursday and Friday of this week. The unions of Ottawa and Kent counties comprise the district.

The reports by the different superintendents and officers were gratifying. The state president, Mrs. E. L. Calkins, and corresponding secretary, Mrs. Norma F. Mudge gave interesting and helpful addresses, while Rev. G. Jackson, now of Grand Rapids, formerly chaplain in our State prison, gave a forceful talk on "Types of Criminal Life." The Holland delegates appeared on the program in a demonstration and Mrs. J. C. Post had charge of a memorial service.

Mrs. Julia A. Lillie of Coopersville has served as treasurer for a number of years while the new officers are Mrs. L. Holcomb of Grand Rapids, as president, Mrs. E. J. Blekkink, vice-president at large and Miss Katherine Post, corresponding secretary.

## TO HOLD WOOL POOL AT COOPERSVILLE MAY 16

The 1923 Ottawa County wool pool bids fair to be larger than the 1922 pool. The Coopersville Co-operative Elevator Co. will again be the assembling station and the date is May 16. Wool growers who have stuck by the pool the three years suffered some loss the first two years due to conditions of the market and unwise management but the third year more than made up the losses of the former years. Under better management and a more favorable market, the pool should be very satisfactory this year.

## FOUR PROMINENT MEN IN HOLLAND ARE DAN- GEROUSLY ILL

Adam Mc Nabb for forty years a construction man on the Pere Marquette, and living on East 8th St., is dangerously ill.

William Orr, manager of the Citizens Telephone Co. and John Oggeel, a salesman for the De Pree Co., living on East 12th street and John Murray, insurance man, living on West 11th street, have all been reported as dangerously ill.

## OTTAWA MEN HOLD FER- TILIZER TESTS ON FRUITS

Following are some of the fruit-growers in Ottawa county who are conducting fertilizer tests on fruits:

Grand Haven—Baldwin, Henry, Chas. Gerth, Jas. Payne.

Spring Lake—Ira Cross, D. H. S. Rymer, Emil Hildebrand, John Sten-

hauser, Mrs. Peter DeWitt, Edward Boer, Alfred Teunis, John Van der Wall.

Nunica—G. J. Suma, Fred Gordon, J. Clifton Dennis, W. Fitzpatrick.

Marne—Chas. Clayton, Chas. Ballard, Isaac Sider.

Conklin—H. L. Dinkle, Karl Kober, John and Edwin Schaeffer.

Jenison—W. B. Easton.

Byron Center—Bas Bros.

Hudsonville—A. Van Farrowe.

Zeeland—J. G. J. Van Zoeren.

Holland—Wm. Helmink, G. J. Deur, Lakewood farm.

These demonstrations will be on apples, plums, grapes, raspberries, and strawberries and also gooseberries. The materials used are ammonium sulphate and acid phosphate.

E. J. Pruim, who operated the Edison Phonograph shop, has opened offices and salesroom at 8 1/2 Monroe av. on the second floor of the Monument building—G. R. Herald. Mr. Pruim also conducts a music store in Holland, Zeeland and Grand Haven.

Wm. Van Eyck, Gerrit J. Kooyers, were in Grand Rapids Friday.

Mr. and Mrs. John H. Toren have returned from Lake Worth, Fla., where they have a winter home.

## BUYS BLOM STORE ON EAST 8TH STREET

An important real estate deal was closed in Holland Saturday when Chris Korose became the owner of the Dave Blom building next door to the First State bank on Eighth street. This store has been occupied for some time by the Army store and is looked upon as a valuable business property.

Mr. Korose has not yet decided what he will do with the building but he has announced that he expects to occupy it himself with some type of business in the near future.

Mr. Korose spent the winter in California, returning to Holland a few weeks ago. He is interested financially in other institutions in Holland.

## KOOYERS IS IN LAN- SING 'S 'WHOS' WHO'

The Detroit News runs a column of "Who's Who in the Legislature" and have now reached the letter "K". Mr. Kooyers comes under that heading, and here is what the Detroit paper has to say of our local representative:

"Netherlands local, as his name indicates, is Rep. G. W. Kooyers, of the Second District of Ottawa county. His grandparents were among the first colonists who came from The Netherlands about 1848 and established a settlement where is now the thriving city of Holland. Present leaders in all activities of this generation in Ottawa county are largely descendants of the first colonists.

"The grandfather of Rep. Kooyers was one of the founders of the historic old colonial Dutch Reformed church at Holland. The grandson was born and grew up on a farm in the suburbs of the city. He was educated in a district school, the Holland high and Hope college, and then took a course in law at the University of Michigan, where he was graduated in 1899.

"Since then he has practised his profession at Holland in addition to engaging in some other lines. He held several local public offices prior to his first election to the House in 1914 and he has been four times re-elected."

## JUSTICE DEN HERDER FINES TWO SPEEDERS

Officer Bontekoe arrested Mrs. Grace Brown for speeding on River avenue at the rate of 27 miles, \$13.70. Henry Kasten was gathered in by Speed Cop Bontekoe for going 23 miles on 8th street Saturday. Judge Den Herder imposed the usual fine of \$13.70.

## MAKING PROGRESS IN FARM BUREAU DRIVE

Maurice Luidens and his assistant, James Egan who are directing the drive for membership in the Ottawa county farm bureau for another three years report a very good feeling toward the organization. The preliminary work which was done shows many boosters who will sign up again. The drive will start early in May between oat and corn planting time.

## LOCAL TEACHERS ATTEND CONVENTION AT KALAMAZOO

Miss Higgins, Miss Van t'Roor, Mrs. Rogers, Miss Parkyn and Mr. Benne of the high school faculty are attending the annual meeting of the Science and Mathematics association at Kalamazoo. Miss Rogers is president of the association.

The Kalamazoo Gazette of Thursday contained a cut of Miss Rogers. Other officers are: Percy Hammond, of Marshall, vice president; Ruth Cooley, of Kalamazoo, secretary and treasurer. Friday evening a banquet was served and a program given, with Miss Rogers as the toastmistress.

## RETURNS FROM IOWA AFTER THREE MONTHS' STAY

Mr. Henry Koolker, who spent the past three months with his son, the Rev. Gerrit Koolker, at Perry Iowa, and with his son-in-law, Rev. Henry Kolenbrander, in Rock Valley, Iowa, has returned home. He said the winter in Iowa was a mild one, with practically no snow and with roads in good condition all the time. The farmers in Sioux County, who a year or two ago were in hard circumstances are straightening out nicely and are getting back to "normalcy." While the spring was late in Iowa as here, it is earlier than in Michigan and the leaves were coming out when Mr. Koolker left that state.

## OTTAWA COUNTY MUCK MEN TO HOLD A MUCK SHOW

Ottawa county muck men are very greatly interested in the proposed muck crop show to be held this fall. At a committee meeting held recently in Hudsonville the prize list was arranged and officers elected. If arrangements can be satisfactorily arranged the show will be held in Zeeland at the time of the annual homecoming. The committee arranging for the show consists of Henry Gerrets, chairman, Seth Coburn, secretary, Ottawa Bajema, Harm Wolters, Hery Kiel, Jacob Bloenberg, Thomas Vander Welde, John VanderWoude, Gerrit Wissenk, Fred Nelis and Henry Ver Berkmoes.

This show should be the greatest advertising medium the muck men can enjoy. By starting early the committee feel great interest can be stirred up and a real show can be staged for the first one. Ottawa may well be proud of the progressive spirit manifested by the muck men in undertaking the putting on of the first muck crop show in Michigan.

## JUNIOR HIGH PUTS ON A FINE PROGRAM

Thursday and Friday evenings the Junior High put on programs at the high school auditorium. It was a strictly Junior High affair. The orchestra opened the program and also rendered two selections during the evening.

The butterfly drill by eight of Junior High's smallest girls was very artistically costumed and delightfully carried out. A duet by Elizabeth Ardenhorst and Roy Mooi was well received. A Spanish tamborine drill by 20 girls in costume was exceedingly well presented. The color scheme and lighting was very effective. This was followed by a Boy Scout play en-

## Your Savings Can Earn You Profits Making Fiber Furniture

### Invest in a Thriving Furniture Factory

Grand Rapids has dozens of prosperous furniture factories. The stock in most of them is owned by just a few persons and the public generally does not participate in the profits. The Thwaites Furniture Co. offers you an opportunity to share in its profits through the sale of a limited amount of \$10 par value common stock.

BILLIONS are being spent building homes. There is an extraordinary demand for furniture to furnish them. Factories are busy and earnings are big. Would you like to share in the profits of the only fiber furniture manufacturer in Grand Rapids, the world's greatest furniture center?

The Thwaites Furniture Co. sales were over \$300,000 last year. Orders now booked run it to capacity throughout the season. Much more business is in sight, if production facilities can be enlarged to handle it. To secure capital for expansion, a limited amount of \$10 par value common stock is being sold, owners of which will participate fully in the profits of the business. There is no preferred stock.

### An Unusual Record of Earnings 15% Dividend Last December

This company was started in November, 1918, with just \$100 capital. On August 1, 1922, its paid in capital was \$75,000, all from accumulated earnings put back into the business. It manufactures the famous FIBER-KRAFT line of durable, inexpensive fiber furniture, sold throughout the country and in big demand. Its president and general manager is John Thwaites, who has had 30 years' experience in making fiber furniture, and who founded and was for nearly 10 years head of the Ypsilanti Reed Furniture Co., which paid 15% dividends semi-annually during his connection.

Let us send you full details of this company, its record of earnings and prospects, and the investment desirability of its stock. Sign and mail coupon.

titled "Fair Play," and it would be hard to find professionals to make us feel the football game as they seemed to see it from an imaginary window.

## ALLEGAN MILKMEN GIVE CREAMERY EXTENSION OF TIME

At the request of the management of the Overton Creamery Co. of Allegan, members of the Allegan County Milk Producers Association Saturday granted an extension of time in which to meet their terms regarding the price of May milk. The dairymen had threatened to sell their milk elsewhere after May 1 unless the creamery raised the price from \$2.20 to \$2.50 a hundredweight.

The creamery now has until May 25 to meet the dairymen's terms. This concession was made after the secretary read a letter from the company explaining that President Glenn Overton would be home from a dairy tour around the world about the middle of the month.

## To Close an Estate

West half of East half of Southwest one fourth of Section 3, Town 7 North, Range 15 West.

## LOCAL

Five big oil concerns slash gas prices in New York City. Recently a gas war started in Kansas City and we hope that the cutting may continue east and west until Holland is reached and passed.

Allegan is to have a tourist camp at last. The fairgrounds has been thrown open to the tourist and signs have been placed on all the principal roads pointing the way to the camp site.

A yellow cab driven by Bill Hot and a Ford driven by Peter Braamse collided head on near the Weller Nursery on the Zealand road. The result was a general smash of radiators and fenders with a bruised arm to Hop.

Mrs. A. Van Dyke gave a miscellaneous shower Friday evening in honor of Miss Margaret Muller who is to be a bride. Mrs. Van Dyke was hostess to a number of friends at her home on the park road. A delightful evening was spent.

Mrs. E. Westveer, for many years a summer resident at Virginia Park, occupying "White Rock Cottage," died Friday in Gary, Ind. Mrs. Westveer has many friends in the summer colony and in Holland. She is survived by her husband.

On the afternoon of Friday, May 1, a May party is to be held by the Woman's Aid society of Hope church at the parlors of the church. The party will be given for the women of the church. There will be a bazaar and baked goods sale and an interesting program will also be arranged for.

The Daughters of the King Class on the Ninth street Christian Reformed church met Friday evening at the home of Mrs. Rhine Vander Meulen, 94 West 12th street. Their regular monthly business was transacted after which a social hour was spent, winding up with refreshments.

The fire department was called to the west limits Friday afternoon to a fire that destroyed the barn and garage of Ben Speet. The fire department could render no aid because the place was too far out to make connection with the fire hydrant system, and both buildings were destroyed. The damage was about \$200.

March term of circuit court in Allegan which was adjourned on account of the small number of jurors has been called by Judge O. S. Cross for May 14. The same panel of jurors drawn for the March term will report and a number of cases will be tried. The regular May term will be called May 21 and jurors for that term will be called May 28.

Mr. and Mrs. L. N. Tyner entertained a few friends Thursday evening at a well appointed four course six o'clock dinner at their home on E. 14th street, complimenting Mrs. Gertrude Parkhurst. Mrs. Parkhurst is a Past Worthy Grand Matron, O. E. S. of Michigan and came from Grand Rapids to install the officers of Star of Bethlehem Chapter No. 40. She returned to her home on a late car Thursday evening.

Miss Della Helder has been elected chairman of the Girl Scouts in Junior high school. Other officers are Henrietta Bouwman, patrol leader, Florence Klomparsen, secretary; Theresa Mool, treasurer; Bessie Kraai, scribe. The girls have expressed themselves as being merely tenderfoot scouts and now are working on second class tests and merit badges. Miss Alma Koertge, city nurse, has given them a talk on first aid and the scouts will soon take advantage of an opportunity to visit the clinic.

The Graham and Morton boats are running on daylight saving schedule now. Chicago has changed the clock Saturday night and the local boat line was compelled to run their schedule according to Chicago time. The steamers will leave Holland evenings from now on at eight o'clock instead of 9, since Chicago time conforms with Holland time. Here is the running time: City of Grand Rapids leaves Holland, Sunday, Tuesday and Thursday evening at 8 P. M. and leaves Chicago Monday, Wednesday, and Friday at 7 o'clock evenings.

Mr. and Mrs. Henry Barkema and son Robert of Grand Rapids motored home Monday after spending Saturday and Sunday with relatives and friends here.

Rev. Paul E. Hinkamp has purchased the home formerly occupied by the late Dr. James F. Zwemer at 64 W. 14th street, and after Thursday of this week he will be located at the new place.

Harold McCan, Willis Cross and Edward Martin were arrested by the Ottawa county sheriff department for the Muskegon county sheriff. The men are wanted on a charge of malicious destruction of property.

The particular synod of Chicago of the Reformed church will meet in Holland this week. The classes of Michigan, Illinois and Wisconsin are included in the synod and representatives from those three states will be here to attend the gathering. An evening session will be held Wednesday night in Winants chapel to which the public is invited.

George Schuiling, president of the Ottawa county Sunday School Association has announced Oct. 4 and 5 as the dates for the next annual convention to be held in Trinity Reformed church, Holland. The program will include a pageant and addresses of speakers of state and national reputation. Louis Van Appledorn has been appointed superintendent of the Holland district.

The funeral services of Dr. Hesse, S. Yntema, assistant surgeon at the Michigan Soldiers home at Grand Rapids took place in Forest Grove Monday afternoon. His body lay in state all morning in the main building of the Soldiers Home from 9 to 11. Mr. Yntema is well known in this city having many relatives living in Holland, and he was also a graduate of Hope College.

Railroads killed 5,852 of us last year, Uncle Sam announces. And 431 of these were snuffed out while trespassing. At least three-quarters of the railroad fatalities are due to carelessness.—G. R. Press.

Mr. and Mrs. Albert Buter, 79 E. 14th street, entertained on Thursday evening for Mr. and Mr. John Erickson who are to leave for Europe in the near future. The party was in the nature of a farewell surprise and a delightful evening was spent. Those present were Mr. and Mrs. Jack Markus, Mr. and Mrs. Steven Karsten, Mr. and Mrs. Tony Dogger, Mr. and Mrs. John Erickson, and Mr. and Mrs. Albert Buter.

Mr. and Mrs. Seth Nibbelink have returned to Holland from the South where they traveled extensively thru Florida and Cuba. Mrs. Nibbelink was formerly Miss Elva Gates of Anthony, Fla. It was while visiting in Florida two years ago that Mr. Nibbelink met the accomplished and estimable southern lady and when he returned this winter to the Everglades state a marriage was the result. Mr. and Mrs. Nibbelink are at home at 13 West 9th street.

Crossing through Grand Haven's streets is a violation of the law. On Thursday afternoon more than 35 violators were arrested by an officer stationed at Franklin and Second Sts. The police are determined to stop violation of the stop rule and also will wage war on those who pass interurban cars which are not in motion.

The young lads living near Scholten's bridge east of the city will not feel very kindly toward the road commissioners. In order to straighten out the dangerous curve just over the bridge the swimming hole had to be filled in and boys will have to find another place for their usual dip.

Mrs. Edward Streur, Mrs. D. Klein and Mrs. Henry Huizenga gave a miscellaneous shower at the home of Mrs. Streur, 124 East 9th street, on Thursday evening in honor of their sister, Miss Helen Huizenga, who is to be a May bride. Many beautiful gifts were received. Games were played and refreshments were served.

Gerrit Vos who paid a fine in Justice Van Scheiven's court for illegally using a garage number for his car is a man from Zealand. There are a number of men with the name of Gerrit Vos in and about Holland, and all of them were anxious that a should be specifically stated that the one who was fined was the one from Zealand.

Saugatuck has opened its baseball season with a bang. Wednesday they defeated Fennville 5 to 4. Martin featured in hitting and Duffett in fielding for Saugatuck. A return game will be played at Fennville May 12.

A roof fire called out the fire department to a blaze on 7th street when the home of Mrs. Reidsma located directly back of the New hardware store was seen to be ablaze. Sparks from the chimney had started the blaze in the wooden shingles. The damage was small.

Henry Harmen and Miss Tina Vonker were united in marriage on Thursday afternoon by Rev. C. P. Dame at the home of the bride's parents, Mr. and Mrs. Gerrit Vonker, 93 East 18th street. The young couple will make their home in Holland.

John Van Westenberg, pastor of the Reformed church at Byron Center, has been named vice-president of the Hope College Council to take the place of the late Rev. John Lamar. Rev. Van Westenberg and Rev. Lamar were classmates at Hope College. Dr. J. B. Nykerk will go to Ashbury Park, New Jersey, when the general senate of the Reformed church is in session in June. Rev. C. P. Dame, Rev. P. E. Hinkamp and Rev. P. Moerdyke of Holland, were chosen to sit in this gathering and take part in the deliberations.

The Grand Rapids Herald of Sunday contains a large cut of the Past Matrons of Star of Bethlehem, O. E. S. who conferred the first initiatory work in the new Masonic Temple. The past worthy matrons represented in the picture are: Edna Bertsch, Sophia Van Tak, Minnie Oosting, Jennie Lacey, Marjorie Schouten, Jessie G. Galentine, Abbie Ming, Mrs. Alice Purdy, a worthy matron of 32 years ago, Lucille Tyner, present matron; Arthur Van Duren, worthy patron who has held the office for 15 years; Mrs. Cora Marsh; Daisy Van Duren. These matrons were assisted by Cora Hoffman, Margaret White, Mary Huling, Goldie Fox, Helen Doan, Blanch Hamlin, Eva Clark, Cassius Markham. Mrs. Purdy is the only surviving charter member.

Miss Agnes Tyse of this city has been awarded first place in the Hope preparatory oratorical contest for girls. Miss Helen Olgers of this city finished second. Lambert Olgers of this city won first place in the boys' contest. Thomas Ten Hooven of Paterson, N. J., was second.

Adam McNabb, veteran railroad man for 50 years, and well known in this city, living on East 8th St. is critically ill and is not expected to live throughout the day. Last fall Mr. McNabb underwent two operations for gangrene and has been slowly failing ever since.

Do not give yourself worry about when the two telephone companies will be merged. Seven plans are under consideration for consolidation of the Citizens and Bell companies and these are being considered to discover which one will be most advantageous to the companies rather than to the public. It may be two years before the merger will be concluded.

Grand Haven city license fees for milk dealers, poolrooms, taxi lines, busses, soft drink dealers, bowling alleys, baggage carriers, meat peddlers, fruit peddlers and theaters are now due and payable at the city clerk's office. The police department has been instructed to see that all the above named places comply with the law.

Will Barnum of Allegan and Ed Hansen of Dunningville were internally injured when traveling on the P. M. R'y. A railroad motorcar on its way from Allegan to Holland jumped the track north of Hamilton and hurled its five passengers more than 30 feet. A new wheel with too small a flange caused the car to leave the track at a point where the rails were a little too wide.

Miss Gertrude Holkeboer left on Tuesday for Chicago to resume her studies at the Moody Bible Institute where she has been studying for a year. This institution has about 1,000 day students and also a large number of night students. Miss Holkeboer is preparing herself for the mission field and as former president of the Young Ladies' Mission Circle of the 9th St. Chr. Ref church she gave the young ladies an interesting discourse relative to her work at Chicago. Rev. Ghysels opened the meeting.

Gerrit Yntema of Forest Grove has been appointed special administrator for the estate of Dr. Hessel Yntema of the Michigan Soldiers' Home. Dr. Yntema died Friday leaving personal property estimated at the value of \$7000. A daughter, Lenora, aged 13, at Topeka, Ind., is said to be the only heir.

The annual catalogue of the Western Theological Seminary has been issued and sent to friends of the institution. It is a little booklet of 32 pages bound in gray paper. The frontispiece is a cut of the late Dr. James F. Zwemer, and there are other cuts of faculty members and seminary buildings in the book.

Rev. and Mrs. B. Hoffman of Zealand left by automobile Tuesday for Morrison, Ill., where Mr. Hoffman has accepted a call. They will be accompanied by Mrs. Marius Mulder and daughter of Holland who will stay at Morrison for a few weeks, and then continue on to Iowa where they will visit relatives.

Miss Florence Branderhorst of the Peoples State Bank left Tuesday for a month's visit through the Western states. Her main destination will be New Mexico, where she will be the guest of Rev. and Mrs. L. P. Brink, who are doing missionary work among the Indians. She will also continue her trip through California and other western states.

Mrs. Theodore Bennett, aged 49 years, died Monday evening at Holland hospital. She is survived by her husband and five children: Mrs. W. E. Hyde, of Battle Creek, Mrs. Glena Boutell, Dewey Bennett, Mrs. N. J. Hoffman and Donald Bennett, all of Holland. The funeral will be held on Thursday afternoon at 2 o'clock at the home, 379 Central avenue, Rev. G. B. Fleming officiating.

The weekday Bible school inaugurated by Rev. J. M. Martin, pastor of Third church, closed its first year's work this week. The school will become a permanent auxiliary in the church activities with teachers selected from the membership. Weekly sessions were held on Wednesday afternoon and the maximum attendance was 200. The honor roll for perfect attendance numbered 26.

John Vande Woude and Frank Schroeder of Chicago spent the week end with relatives in this city. The young men who left for Chicago some months ago both have secured responsible positions and are doing fine.

Jacob Lokker and daughter Mildred motored to Hart, Michigan and are the guests of Mr. and Mrs. Menarie. Mrs. Menarie is the oldest daughter of Mr. Lokker.

A carelessly tossed cigarette stub is believed to have caused a fire in the tea room at Grand Haven. A still alarm was sent in, the rafters under the building having caught fire when ignited from beneath. The blaze was put out with the chemicals, little damage having been done.

The Hope College baseball team will meet the Holland Independents Saturday afternoon at Water Works Park. The last game between the two teams, proved to be a comedy, but Hope is considerably strengthened this year.

Andrew Klomparsen, Attorney J. Robinson, Peter Lievens and Arena Sierma are in Lansing in the interests of the Holland Rod and Gun Club and are watching the fish legislation now pending. Representative G. W. Kooyers accompanied the men from Holland.

When a jury has been drawn to represent Grand Haven on the United States grand jury at the next session of the federal court in Grand Rapids, Gerrit Dornbos and Fred Jonker of Grand Haven and Jacob Eijnde of Ferrysburg have been drawn on to traverse jury at this term of court. Senator Woodbridge N. Ferris was drawn for grand jury service but he asked to be excused because of his many duties.

Tuesday afternoon Mrs. J. A. Hoover of West 16th street entertained a group of friends at a theater party at the Colonial theater in honor of Mrs. Abbie Ming, past worthy matron of the Star of Bethlehem, O. E. S. No. 40. After witnessing the Colonial offering they repaired to a cafe and refreshments were served. There were about 15 in the party and all had a very delightful afternoon.

Social activities will figure prominently in Hope college's calendar during the last month preceding commencement week in June. Nine banquets are scheduled and class parties will be numerous. The banquets include: May 18, Adelphia; May 29, Sibylline; May 30, Cosmopolitan; June 1, Emersonian; June 2, Sorosis; June 6, Knickerbocker; June 7, Dorian; June 14, Fraternals; June 15, Melphoe. Other events will include the senior and senior-junior receptions which are an annual occurrence.

The officers of the Star of Bethlehem, O. E. S. No. 40 gave a little surprise for their worthy matron, Mrs. Abbie Ming, when they took charge of her home on West 16th street Tuesday night and spent a very pleasant social evening. Before leaving they presented Mrs. Ming with a beautiful silver cheese and cracker tray. All the officers who assisted Mrs. Ming in her successful management of the Star of Bethlehem's ship during the year 1922-23 were present and all reported having spent a delightful evening.

Two local boys, sons of Martin Wiersma, who were fishing off Scott's Lagers dock caught an unusually long string of fish, some thirty in number and were about to go home to surprise their parents, when along came an automobile containing two men. One jumped out, asked if he could look at the string of fish the boys had caught. The lads proud of the catch showed them. The man threw the fish into his automobile, made a "bee" line for River avenue and neither fish nor men were seen again.

## Why Should Michigan Farmers Pay Extra Freight?

They do—all of them who are north of the main line of the Michigan Central from Detroit through Jackson, Kalamazoo, and Niles. They pay extra freight on everything they ship in and everything they ship out. This is because of Michigan's railroad freight rate zoning system.

For instance, Ottawa and many other counties lie in Zone B and pay rates that are inflated when compared to rates paid by farmers in competing, nearby states. Our neighbors further north in Zone C are hit harder.

### COSTS STATE \$2,000,000 ANNUALLY

Competent authorities estimate that Michigan's zoning system costs the shippers affected a total of \$2,000,000 extra freight bills each year.

The rate on grain from South Bend, Ind., to Big Rapids, Mich., [in Zone C] is 13 cents, while the grain rate from Owosso, Mich., [in Zone B] to Big Rapids, Mich., is 18 cents. The haul from South Bend to Big Rapids is 167 miles; from Owosso to Big Rapids it is 93 miles—difference of 74 miles. This shows how the Michigan farmer is penalized when he sells his grain in his own state in competition with Indiana farmers, who have no zoning system.

## The Michigan State Farm Bureau

### Zone Case Results

1. Railroad defendants Mar. 20, 1923, cut many inflated mileages and added many rate basing points. This will save hundreds of shippers at many points (50 stations in the Thumb alone) one to four cents per hundred on freight bills.

2. Railroads have reduced inter-peninsula class rates.

#### The Zone Case

has given the I. C. C. real information on farmers freight rate troubles in Michigan. These facts will help us for years to come. The public knows and is interested.

#### In the Rate Case

Mich. Traffic League  
State Farm Bureau  
Potato Growers Exchange  
Mich. Elevator Exchange  
Mich. Livestock Exchange  
Mich. State Grange  
Milk Producers Ass'n.

is fighting to abolish the zoning system and give Michigan farmers the same rights that our competitors in neighboring states have. In many cases, even though they are further from the market than we are, they can underbid us, because we are burdened with a zoning system of step-ladder rates and they are not.

#### Because Michigan Farmers

were organized as a Farm Bureau they were able to organize their case, carry it through a six weeks' hearing before the Michigan Public Utilities Commission [April-May 1922] and finally to the Interstate Commerce Commission Feb. 28, 1923.

#### We Have Won Relief

Our cause is just and we should win the entire case. Only by sticking together can we win; only by organization can we stick.

Stand by your Farm Bureau! Renew your membership—or Join.

Tighten your grip—we're getting there!

## The Ottawa Co. Farm Bureau

The Michigan State Farm Bureau

The American Farm Bureau Federation

Fourteen chauffeurs from the Hayden-Koopman Auto Co. left for Flint Wednesday and will return with as many Chevrolets.

Mrs. E. J. Hanes and little son, Robert left Tuesday for an extended visit among friends in New York state.

Grand Haven is to have two new garages according to the permits given out. One is to be built by Meuverson & De Witt. Both men formerly lived in Holland. Ray Musselman will build a brick and steel garage.

Friday afternoon at 2:30 o'clock there will be a May party in the Hope church parlors for all the women of the church and their friends. There will be bazaar and baked goods on sale. Refreshments and entertainment will be provided.

John Vandersluis and Jake Lievens are on a trip to Indian creek near Manistee and are fishing for trout.

### CHARGE AUTO DRIVERS HELD UP ON THE ROADS

An investigation of road contractors who are said to have charged automobile owners for helping them over bad stretches of road under construction for state will be made by C. E. Foster, state district engineer of Grand Rapids, and R. H. Stokette, a district engineer of Kalamazoo, at the direction of Frank F. Rogers, state highway commissioner.

The investigation will be made because of charges made to the state highway department last week by automobile drivers, who said they had been held up by contractors to give assistance to traffic in traveling roads which are under construction, which assistance shall be given without any charge.

The Grand Rapids league team had a real league team opponent with the locals here at Water Works park on Saturday and won a hard game by a 4 to 2 margin.

Marvin Stegerda, last year's pitching star, journeyed home from Kalamazoo to pitch. He held the Bill-Bobs to 5 hits and tallied up 9 strikeouts, but due to six free passes and several costly errors, one of which was made by himself, lost the game.

The following is the score by innings: Grand Rapids Ab. R. H. P. A. E. Carey, cf. 4 0 1 4 0 0 Pennington, lf. 4 0 0 0 0 0 Allen, 2ndb. 5 0 1 1 6 0 Walker, 1b. 4 0 0 13 0 White rf. 4 1 0 1 1 0 Dunn, 3b. 2 0 1 1 0 0 Wells c. 3 1 0 7 0 0 Roper ss. 4 1 1 0 3 0 Horan, p. 2 1 1 0 3 0

33 4 5 27 13 4  
Holland AB. R. H. P. A. E. Shaw 2b. 4 0 0 1 4 1 Spriggs, c. 4 1 1 9 2 0 Hoover, cf. 3 0 1 0 0 0 Woldring, rf. 4 0 1 1 0 0 Japina, 1b. 4 0 1 9 0 0 G. Batema, lf. 4 0 1 1 0 0 B. Batema, 3b. 3 0 1 2 0 0 Ingham, 2b. 3 0 0 4 2 0 Stegerda, p. 3 1 1 0 4 1

32 2 7 27 12 4  
SUMMARIES—Runs, White, Wells, Roper, Horan, Spriggs, Stegerda. Two base hit, Woldring, Horan; three-base hit, Dunn. Sacrifice hit—Dunn. Struckout—Stegerda 9; Horan 6. Bases on Balls—Stegerda 6; Horan 1. Umpire—Toney.

With Poppen going in mid-season form Hope College had little trouble in disposing of the Ferris Institute Michigan.

Saturday afternoon, Ferris nipped Jim for eight safe bingles but when it came to a question of scoring Poppen caused the hitters to fan or knock infield flies. Shetterley pitched good ball for Big Rapids but his teammates made errors just when he allowed hits and Hope scored 3 runs in this manner. Both teams seemed to have a weak spot in the infield as each shortstop was credited with two errors. Hope scored in the fourth when Riemersma made the rounds, singling, stealing second, and coming home on Albers hit. The fifth inning saw another run added for Hope. Eggink got a single, stole second, was sacrificed to the hot corner and came home on Ottipoby's neat bunt. Hope's last score came in the ninth when Riemersma's single went for two sacks, wher Bruner, rightfielder, fumbled the ball. Van Lente knocked a Texas leaguer and Riemersma tallied Ferris had numerous opportunities to score but they were only successful in the final inning. In their last turn at bat they jumped on Poppen for two clean hits, after an error had given the first batter life. With two men on the paths and one away, Jim tightened up and struck out the next man facing him. The last hitter made a feeble attempt to send his teammates around but his best effort was an infield fly. Hope plays the Holland Independents next Saturday and Poppen is slated to work against his old team-mates.

Hope 0 0 0 1 1 0 0 1 x—6 3 3  
Ferris—0 0 0 0 0 0 0 1—3 1 3  
Batteries—Shetterley, Vech, and Ruch; Poppen and Eggink. Umpire Martin. Time of game two hours.

WANTED—Married man with small family for fruit farm; must know how to spray fruit; long job; good wages. Geo. B. Mechem, Fennville, Michigan.

# The Doctor Was Right

When the good old family doctor was asked about baking powders, he said:

"Use Royal. It is made from Cream of Tartar and is absolutely pure. You could dissolve a couple of teaspoons of Royal in water and drink it with benefit. That's a health test mighty few baking powders can meet."

The doctor was right.

## ROYAL Baking Powder

Made from Cream of Tartar derived from grapes

Contains No Alum—Leaves No Bitter Taste

### MERCHANTS' ASSOCIATION ADVERTISING HOLLAND

The highways and byways within 30 miles of Holland will be plastered with direction signs. John Van Tatenhove and Bert Slach, representing the sign committee were instructed by the merchants association to get fifty signs painted, directing motorists to Holland.

At the meeting Tuesday night Mr. Van Tatenhove had a sample of the sign, and it was one that could be plainly read several yards away.

The sign read "Holland" with a large arrow pointing out the direction giving the distance from the sign to the city proper.

Chairman Harrington will meet the committee and take with him his big state road maps and a list of roads will be tabulated together with the distance from the city to any particular sign.

Signs will be placed at different corners showing where tourists must make the turn in order to go to Holland, and the road map will be used in order to get the suitable location for these signs.

### YEAR'S WORK IS REVIEWED AT MEETING OF W. L. C.

Annual reports of officers and committee chairmen were read at the final meeting of the year of the W. L. C. on Tuesday. These reports revealed a splendid record of achievements accomplished by the membership during the past year under the leadership of Mrs. C. J. Dregman.

The activities of the club, besides the literary programs which are held every week, are many and include committee work under the very able chairmen in community service, public health, recreation, education and philanthropy.

The recording secretary reported on the outstanding features of the year's activities, calling attention to the Ottawa County conference in October when a county federation was formed; the decorating and repairing of the club house; the installation of a new furnace; the gift of A. H. Landwehr; the payment of \$575 on the club house debt; the gift of \$100 to the city mission; assistance in furnishing the city rest rooms; increase in the club fund of \$132; and the addition of two amendments to the constitution.

The civic health committee has maintained during the year a free medical and dental clinic. More than 100 children have attended and received aid from the medical clinic. Eleven have had tonsil and adenoid operations and 12 have been provided with glasses. During the month of January 140 school children were examined by the state board of health clinic which was brought here by the committee. The funds for carrying on this work are secured by the annual Christmas Seal sale.

The hospital committee has charge of all the sewing to be done for the city hospital. During the year this committee assisted by the aid societies of some of our city churches, has made the following articles: 5 dozen towels, 2 dozen napkins, 5 dozen sheets, 66 pairs of pillow cases, 6 dozen dress covers, 18 pairs window curtains, 16 mattress covers, 7 body binders, 50 hospital gowns and recovered 9 pairs of pillows.

In co-operation with the churches, the committee presented the hospital with 412 quarts of fruit and 81 glasses of jelly. The committee has very recently through individual donations from the members furnished the nurses' sitting room in the hospital annex with rug and draperies at a cost of \$85.

The educational committee, through the Kate Garrod Post Educational Fund, has assisted 16 worthy girls in receiving an education since its establishment in 1915. \$236.60 was raised by the committee to be added to the fund this year making a total amount of \$1158.

During the year a Tuesday night recreation club for young girls was organized under the auspices of the club and has proven to be most successful and helpful.

The philanthropy committee reported that \$66.24 had been raised by the committee during the year which was used to provide the Thanksgiving and Christmas boxes for the members of the county infirmary, and a gift of \$20.40 was sent to the Michigan Children's Aid society at Lansing.

The legislative committee which has reported once each month during the year has brought to the attention of the members such matters of local, state and national interests as would impress upon women their responsibilities as citizens due to their entrance into the realm of world activities in a degree unknown heretofore. They have dealt particularly with those measures that stand for protection of home and childhood and with measures relating to public welfare and morals.

The committee on citizenship reported a house to house visitation, among the foreign women of the city and meetings were held to discuss the fall election. A booklet "American Citizenship," in the Polish language, was distributed.

Through the efforts of the art committee the Beneker Art Exhibit was brought to our city library last fall.

This committee also presented to the club during the year a bas relief of the "Children's Choir" and a silk flag and standard.

Two instrumental solos by Miss Helen Moser added much to the enjoyment of the afternoon. After the meeting adjourned refreshments were served by Mrs. Joseph Rhae and committee.

### DROPS DEAD WHILE VISITING A FRIEND

While paying a visit Tuesday afternoon to the home of a friend Mrs. Grace Walters, aged 48, died suddenly as a result of a stroke of apoplexy. Mrs. Walters was found lying on the floor and when a physician was called it was found that she was dead.

She is survived by one son, John P. Witt, her mother, Mrs. W. Essenberg, two brothers, John and Roy Essenberg, one sister, Mrs. Peter Van Nieuwen, and a daughter, Mrs. J. F. Hoenstra officiating. Interment will be in the Holland cemetery.

That the church should not be an exclusively Sunday affair but that it should minister to the people all the time and should aim to fill the lives of the people in all their relationships instead of merely touching them at one or two points was the theme of an address given Tuesday evening on the subject "The Work of the Church," by Rev. J. Van Peursem, pastor of the First Reformed church of Zeeland, at a banquet held at the Trinity Reformed church in celebration of the twelfth anniversary of the founding of that church. Rev. Van Peursem declared that Christianity ministers to the whole man and that the church should aim to do likewise. He said that the church should make special efforts to fill the lives of the young people in their recreational activities and should help boys and girls young men and young women to make the best possible use of their leisure time.

Rev. Van Peursem's address was the main feature of the program. The banquet to observe the twelfth anniversary of the founding of the church, was under the auspices of the Young Women's League for Service of which Miss Helene Vander Linde is president. It was given in the basement of the church and about 170 took part.

After prayer by John Oonk a delicious dinner was served, and then the following program was given: piano solo, Mildred Temple; toast, "What gains come from hard work," by Peter Huyzer; violin duet, by the Fieldhouse brothers; toast, "The Younger Generation," Miss Laverne Essenberg; vocal trio, Miss Helene Vander Linde, Miss Gertrude Mulder, and Miss Margaret Essenberg; "The Future of Trinity," by Prof. A. Raap, reading by Miss Margaret Essenberg; address by Rev. Van Peursem.

Rev. C. P. Dame, pastor of the church, served as toastmaster and a delightful evening was spent. The proceeds from the banquet will be devoted to missions.

### SAYS BULLETIN DID NOT MEAN HALF HOLIDAY

The Holland city mail carriers are not to have a Saturday half-holiday, in spite of the fact that the people of Holland voted almost unanimously that they were willing to let the carriers have Saturday afternoons off. When the vote had been taken resulting in 2545 "yes" votes and only 15 "no" votes, Postmaster W. O. Van Eyck wrote a letter to the department at Washington in which he explained the whole situation carefully, giving the result of the ballot and explaining that the mailmen had made the canvass in an above-board manner, putting the patrons in possession of all the facts and giving them to understand just what a Saturday half-holiday would mean. After giving all the facts Mr. Van Eyck asked for the department's interpretation of its bulletins of July 14 and December 3, 1922, on this subject, in which bulletins are such expressions as "The Department does not contemplate any curtailment of the service," and "in no wise directly or indirectly entailing extra expense to the Government." As to indirect expense, Mr. Van Eyck's letter read, "The indirect expense involved in the increase of overtime on Mondays caused by non-delivery of mail on Saturday afternoons would probably be so negligible as to warrant entire disregard of that factor in considering the matter."

In reply to Mr. Van Eyck's letter John H. Bartlett, First Assistant, wrote: "You are informed that the order permitting carriers to arrange their schedules so as to permit their being excused on Saturday afternoons providing there is no curtailment of service or increased expense to the Department in the use of overtime or additional auxiliary assistance on the

succeeding Sundays or Mondays in order to maintain collection and delivery schedules, is in no way to be construed in the sense that Saturday afternoons are to be regularly observed as half-holidays. The excusing of carriers at an earlier hour is not obligatory but merely to give them the benefit of not being compelled to observe the regular schedules when the mail is so light owing to transit schedules or local conditions that by a slight readjustment of the schedules the patrons will be given just as satisfactory service as under the schedules ordinarily observed."

### YOUNG MEN TO SING THEIR WAY THROUGH CALIFORNIA

The Young Men's Alliance of Holland, comprising the societies of the young men of the Christian Reformed churches of this city, have made it possible to give a program under their auspices at the 9th Street Christian Reformed church last night.

It was really the last number of a lecture course given during the winter, and the program to be given tomorrow night is by a quartette from Calvin college.

These men are making preparations to go on a Western tour and have programs scheduled thus far this summer.

They will visit all the Western states including California.

The program follows:

"Open the Gates of the Temple".....Mrs. J. S. Knapp

"The Voice Crying in the Wilderness".....J. P. Scott

Reading.....Selected

Violin Solos—

a "Rondino".....Beethoven-Kreisler

b "Berceuse".....From Jocelyn

c "Minuet L'Antique".....Paderewski

Wm. H. Rutgers

### WINS PERFECT SCORE IN FIRST TRAP SHOOT

Dick De Waard won a perfect score in the first regular trap shoot held by the Holland Trap Shooting club on Tuesday afternoon at the new range at the end of East 5th street. Mr. De Waard's score was 100, which is considered remarkable so early in the season. Other scores made were: Henry Koop 92, Neal De Waard 82, Shud Althuis 92, Sam Althuis 88, Wm. Woldring 76, Vance Mape 72, Dick Van Tatenhove 68, M. B. Terrel 64.

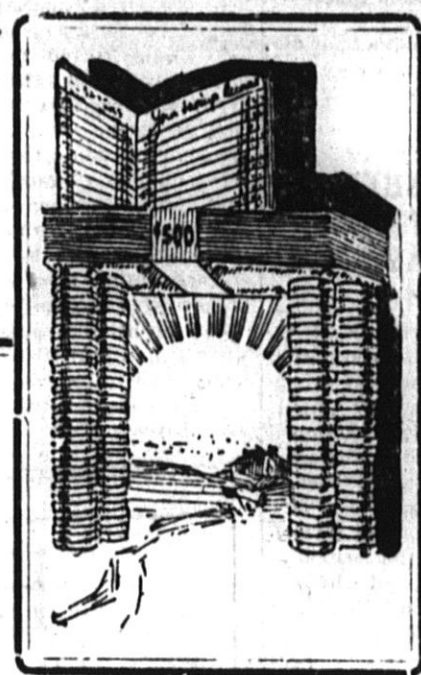

The club now has an ideal range and that fact helped to make the shoot a success. The range is over the swamp north of Holland, a fine stretch of level ground.

### STAR STUDENT WINS PUBLIC SPEAK- CONTEST

Harriet Heneveldt was the winner in the George E. Kollen public speaking contest held in the high school auditorium Thursday and Friday forenoons. Miss Heneveldt, who also recently was chosen by the faculty as valedictorian of her class at commencement next June because she had maintained the highest scholarship record during her four years course and who took a leading part in the senior class play a few weeks ago, will receive a prize of \$15 for winning this contest.

The second prize of \$10 will go to William Maat, also a member of the senior class. Third place was won by Hazel Albers of the Junior class, and fourth place by John Mulder, also of the Junior class. Honorable mention was given to Earl Van Lente, Robert Fleming and Dorothy Slaght all of the senior class.

There were eighteen speakers and the variety of subjects discussed was great. The orators were not allowed to commit their addresses to memory but were required to speak extemporaneously from an outline. All of them showed themselves effective public speakers who will give a good account of themselves later on. Such subjects as "Faith," "Honesty," "The Primary School Fund," "Loyalty," "Playgrounds," and others like it, were discussed, each speaker being given five minutes to handle the theme assigned.

The speakers were: Thelma Haas, Kathryn Vandervere, Eugene Danstra, Carl Damson, Esther Kooeyer, Alida Vander Werf, Ethel Whitcomb, Hazel Albers, Harriet Heneveldt, John Lloyd Kollen, Eugene Kammeraad, Edna Cook, William Maat, Robert Fleming, Florence Klomparsen, Dorothy Slaght, Earl Van Lente and John Mulder.

The judges were: Marian Van Dreeer, Gertrude Wickes, Malbelle Geiger, Jeanette Mulder, and Metta Ross.

The contest was very successful from every point of view. Both speakers and audience showed a great deal of interest and there was genuine though good-natured rivalry to win honors.

### TWO FIRES OCCUR WITHIN TWENTY-FOUR HOURS

The Holland fire department was called out at 10 o'clock Sunday morning which proved to be a disastrous roof blaze on the old homestead formerly belonging to the late C. B. Hopkins on the corner of 9th St. and Columbia avenue. Several fires had started by falling coals and one side of the roof was pretty well burned.

The Kleis garage at 144 E. 14th street also caught fire at 8 o'clock on Saturday night. The department was on the job early and there was practically no damage.

### ANOTHER MACATAWA COTTAGE OWNER OFFERS A REWARD

Henry Kleis, following the example of another Macatawa cottage owner, announced today that he would give \$10 for information leading to the conviction of the person or persons who broke into his cottage, the "Utiek", twice and stole valuable articles. The first time the cottage was entered was about two months ago, and the place was entered for a second time about two weeks ago. Some silverware and other valuable articles were stolen.

### LOCAL FIRM ESTABLISHES BRANCH IN GRAND RAPIDS

The Holland Maid Co. has established a branch office in Grand Rapids under the management of Frank F. Vancoven, who is well known to most Holland people, having been assistant manager of the Home Furnace Co. for some time.

Mr. Vancoven will move his family to Grand Rapids and expects to do a nice business in the electrical washing machine and ironing machine line. The new branch will be located at 319 Division avenue S., two doors north of the Herkimer hotel, where Mr. Vancoven will be ready to welcome the public.

### EAST SAUGATUCK BREEDER SELECTS TRADE MARK NAME

"Schroten" is the trade-mark name that has been reserved exclusively for the use of Ed Schrotenboer of E. Saugatuck, as a prefix to the regular registration name of all pure-bred Holsteins raised, according to an announcement by the Holstein Friesian association of America. All registered animals have a name and number. The name usually indicates the ancestral blood lines. The prefix trade-mark is used as a further means of identifying the farm that bred the animal. Since establishing the system, over 15,000 breeders have reserved trade-mark for use a prefix to the name of registered Holsteins. The trade-mark prefix is a good advertisement for the breeder and serves to identify the breeder of the animal.

### GETS TWO INVITATIONS TO ADDRESS GRADUATES

Rev. Paul E. Hinkamp, head of the department of Biblical literature and philosophy at Hope College, has been invited to preach the baccalaureate sermon for the graduating class of Ferris Institute. The baccalaureate exercises for the graduates of the Big Rapids school will be held on June 24. Rev. Hinkamp has accepted the invitation.

He has also been invited to preach the baccalaureate sermon for the graduating class of the Wisconsin Memorial Academy at Cedar Grove, Wis., which invitation he has declined because of the fact that at the time of the exercises he is required to be in Asbury Park, N. J., to attend the annual meeting of the general synod of the Reformed church.

### AUTO JUMPS THRU FENCE AND TURNS OVER TWICE

A spectacular automobile accident occurred on the Zeeland road Thursday morning that however did little damage either to the car or to its occupants. Altho the car turned over twice in going down an embankment, only the windshield was smashed and the radiator was somewhat damaged.

Thomas Traveler and Bert Van Lente, employed by Bert Slaght & Son, were on their way from Zeeland to Holland at about 6:45 Thursday morning when at the bridge near the old Boone place the car shot thru the fence at the curve to the bridge, turned over twice and finally landing right side up in the dead river below. The men were almost unhurt, and when the car had been pulled out by a team of horses it was only slightly damaged. To those who saw the accident it looked like sure death to the occupants of the car and the men themselves were surprised that they were not hurt more badly.

### HOLLAND WINS THREE PLACES IN STATE CONTEST

The commercial department of the Holland high school won three entries in the state short-hand and type-writing contest that is to be held in Kalamazoo, May 18. These places were won for Holland high school Saturday in the third annual contest of the 14th district in which Holland is included. Other towns included in the district are Fremont, Muskegon, Hart, Grand Haven, Montague, Muskegon Heights, Newaygo, Pontwater, Shelby, Whitehall, and Zeeland. While all these places can send representatives to the district contest, the only places represented at the contest Saturday, held at Muskegon high school, were Holland, Coopersville, Fremont, Muskegon and Muskegon Heights.

Grace Duhrkopf won first place for Holland high in the first year type-writing event. Miss Duhrkopf made a record of 41% net words per minute for a period of fifteen minutes.

Hazel King won first place in advanced typewriting, in which contest students who have taken more than one year's work competed. She wrote 56 net words per minute for 15 minutes. The word "net" in this connection means that all deductions for errors have been made; "net" words means words written correctly.

Miss Cora Knoll won second place in shorthand dictation. She wrote 100 net words per minute.

These three winners will enter the state contest at Kalamazoo and will compete with contestants in their various classes from all over the state.

Holland thus won two firsts and one second; Muskegon two firsts and one second; Coopersville two seconds; Muskegon Heights 1 first and 1 second; Fremont was eliminated.

The teachers in the commercial department in Holland high school are Miss Iva Davidson and Miss Myrtle Hammond.

### STAR OF BETHLEHEM INSTALLS OFFICERS THURSDAY NIGHT

The Star of Bethlehem, O. E. S., Chapter No. 40, held their installation of officers for the ensuing year at the Masonic Temple Thursday night, when the old officers bade farewell in a most beautiful and impressive manner through the retiring worthy matron Mrs. Abbie Ming. By very pretty floral work the officers formed the letters O. E. S., after which a banner conspicuously draped with the American flags containing the word "Farewell" was unveiled.

Mrs. Gertrude Parkhurst, a past Grand Worthy Matron of the state of Mich., residing at Grand Rapids, in a very impressive manner then installed the new officers for the year.

After prayer by installing chaplain Mrs. Amelia Markham, the following were installed: W. M., Mrs. Lucile Tyner; W. P., Arthur Van Duren; A. M., Miss Jennie Karsten; Sec'y, Mrs. Goldie Fox; treasurer, Mrs. Edna Bertsch; Cond., Mrs. Nellie Stanaway; A. C., Mrs. Iva Johnson; chaplain, Mrs. Kathryn Van Duren; organist, Miss Eva Clark; Marshal, Mrs. Blanch Hamlin; the five points of the star will be: Adah, Margaret White, Ruth, Ruby Nibbelink, Esther, Evelyn Irvin, Martha, Ruth Cleaver, Martha, Ruth; xlivföanden; at Electa, Harriet Woodall, Warder, May Bozile; Sentinel, Bert Welton.

The installation ceremony was interspersed with a short program. Mr. Gerrit Ter Beek gave two very pleasing numbers, "A Barefoot Trail" and "Lassie O'Mine;" and Basil Mitchell, accompanied by Mrs. Mitchell, rendered two difficult whistling solos. Miss Dorothy Hoffsteen gave two short readings which were thoroughly enjoyed; Mrs. Gretchen Dailey assisted by Master James Hoover as Uncle Sam and Frances Hoover as Columbia, presented the five points of the Star with baskets of flowers. A basket of flowers was presented to the newly installed worthy matron; a box of cigars to the newly elected patron; a beautiful night set to the installing officer, Mrs. Gertrude Parkhurst; and the presentation of a past matron's jewel by W. P. Arthur Van Duren.

After the newly elected officers had been installed into their various stations, and talks were given by various officers, Rev. Harry Idle enlivened the occasion by telling a few humorous stories in regard to the different states in the East. Mr. Thomas Van Wirt, who has been a Mason since the Civil war also told of some of his experiences. At a late hour the chapter adjourned to meet in a regular chapter meeting, Thursday evening, May 3.

Mrs. Minnie Oosting acted as the Grand Installing Marshal for the officers of 1923-24.

The Misses Martha and Jennie Pralcken, W. 13th street are erecting a garage on their premises. Bolhuis Lumber Co. are the contractors.

### HEEMSTRA WINS THIRD PLACE IN NA- TIONAL CONTEST

Third honors went to Hope College and to Michigan in the fifty-first annual national oratorical contest held Friday evening at Northwestern University. Simon Heemstra, the orator who represented Hope College and the State of Michigan, won third in the final totaling of the figures, altho he was awarded second on percentages, according to Dr. John B. Nykerk, his coach, who accompanied him to Northwestern.

Because of the fact that the Hope College man ranked among the first three in the contest he is entitled to the Delta Sigma Rho, which is the highest oratorical distinction in America.

First honors in the contest Friday evening went to Raymond Gallagher, Notre Dame University, representing the state of Indiana. His subject was "A Century of Isolation." Second place was won by Harold Johnrud, of Carleton College, Minnesota, whose subject was "The Liberal College in America." Mr. Johnrud represented the college from which Pres. Burton of the University of Michigan, graduated and where Prof. Bruno Meinecke, formerly of Hope, is teaching now. Mr. Heemstra's subject was "The Challenge of the Ideal."

Although Mr. Heemstra did not win first place, the fact that he won one of the three honor places is considered a great distinction because Hope College was the smallest school represented in the contest and because this was the final test after a series of eliminations in which 94 colleges and universities had contended during 1923. There were six speakers in the finals. The contest Friday night is said to have been one of the strongest national contests held in many years.

### BOY IS TAKEN IN CONNECTION WITH ROBBERY AT GRAND HAVEN

A thirteen year old boy was taken here by the police Saturday in connection with the robbery which occurred at the home of an aged Grand Haven woman last week. The woman taken in washings, eking out a spare existence with the aid of the city. Recently she reported the loss of four dollars a loss which left her with but ten cents. Police investigated and finally took the boy into custody, examining him in the case. A petition will be filed against him in juvenile court. The money was kept in a trunk, the boy learning of its hiding place on a previous occasion when he sold a paper to the woman.—G. H. Tribune.

### RADIO MEN TO ORGANIZE TO FIGHT FOR RIGHT TO SEND COPYRIGHT MUSIC

Chicago, April 27.—Sixty radio broadcasters from 12 states meeting here organized the National Association of Broadcasters and prepared to fight in an effort to prove their right to broadcast copyright music.

A few weeks ago the American Society of Composers, Authors and Publishers, controlling the copyright to a great number of musical hits of the past decade, demanded the broadcast stations pay royalty for using the music. Then the Producing Managers association protested against the broadcasting of the songs.

The result, according to the broadcasters, has been that radio concerns have been "dry" for the past few weeks because all the popular songs were barred.

### ALL TELEPHONE MAT- TERS ARE BEING TAKEN CARE OF AS USUAL

Because of the illness of Manager W. H. Orr of the Citizens Telephone Co. some people have assumed that there was no one to whom to apply with questions of maintenance or installation of telephones, etc. Mr. Orr has been so closely identified with the company in the mind of the public that he is widely regarded as the company here. So as a matter of convenience to the public the announcement is made that Mr. Charles Ash has been named to take care of all the routine matters that would otherwise be handled by Mr. Orr and thus Mr. Orr is relieved of many business worries and left free to take care of the things of vital importance.

Mr. Ash has been placed in charge of all things that come under the head of equipment, plant and traffic. Under this arrangement, all employees in the switch-board room and long distance room will work under his direction. All employees having anything to do with maintenance or installation of telephones, poles, cable, wire, etc., will also be under his direction.

The business of the company is being handled in the usual way at the local office as it has always been done and Mr. Ash will attend to all matters promptly and efficiently as if Manager Orr were on the job every day.

### M. A. C. PROFESSOR DECLARES THEY PROMISE BIG YIELDS

East Lansing, April 30.—Sugar beets in Michigan promise exceptionally good profits as compared with other crops, according to Prof. J. F. Cox of the farm crops department of M. A. C.

Because fixed cost for labor constitutes a large proportion of the expenses of beet production, any improved methods which increase the yield per acre will boost profits, Prof. Cox explains.

Heavy fertilization is advised by Prof. Cox.

Instead of the usual 75 or 100 lbs. he says, "it will pay to use from 250 to 400 lbs. of a 2-12-4 or a 2-10-6 fertilizer."

"Sugar beets should grow on a good quality loam, silt loam or well drained clay loam, fall plowed where possible. If fall plowed land is not available, plowing should be done early in the spring as possible, to a depth of at least six inches. The seed bed should be given a thorough fitting with disc and harrow and should be well compacted with roller or cultipacker."

"Beets start best on a firm, well surfaced seed bed, and the cost of controlling weeds after the crop comes up is much less when the seed bed has been well fitted. Beets should be planted as early in May as the ground is thoroughly fitted and the season suitable."

### NOTICE

Just got in a large consignment of mens and boys' suits upon which I can give you exceptional bargains. I have not the largest store in Holland, but compare our prices. Drop in and take a look anyway.

Padnos Bargain Store,  
156 East 8th Street,  
Next to Holland Rusk Co.

FOR SALE—Waterpower washer. I just bought a Holland Maid Washer. Mrs. P. A. Lievense, 64 W. 17th St. It E 4-14

## HAVE YOU SEEN

### B. Steketee's Infant-Wear Department?

It never was so complete and at very moderate prices. Mothers will see from the following list - which is only a partial list - of what we have on hand.

- Infants Dresses, Gowns and Under-Garments.
- Silk and Cashmere Caps.
- Coats, Wool Caps, Sacques.
- Sweaters, Knit Goods, Booties.
- Silk and Muslin Bonnets.
- Infants Flannel Shawls.
- Blankets, Carriage Robes.
- Pillows and Covers.

All kinds of Articles suitable for Gifts for the Baby.

Come and See for Yourselves. We have accomodating help to show the Goods.

## B. STEKETEE,

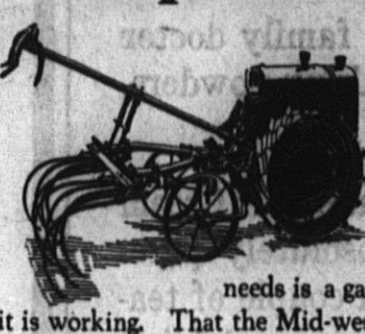

NEXT TO MODEL DRUG STORE.

## FRAME BARN FOR SALE!

30x40 with stable attached 14x40  
Good heavy pine frame. Also  
barn floor. See

ISAAC KOUW,  
36 West 8th St. Citz. Phone 1166  
Holland, Mich.

## Dependable Power

WHAT does it cost you now to work a horse ten hours, and what does it cost you to feed that horse after you unhitch and get him back in the stall? When the Mid-west Utilitor work is done your expense on it stop. All the feed needs is a gallon of gasoline every five hours it is working. That the Mid-west Utilitor is an absolute success from a practical standpoint we have established beyond a doubt by all sorts of grueling tests. Behind every Mid-west Utilitor stands one of the oldest, strongest and fairest factories in existence. You can see this little wonder doing all kind of Farm and Truck Garden work by calling any day at Promise Land Farm, DeGulas, Mich. Time payments arranged if desired.

W. W. FELKER, Distributor,  
Douglas, Mich.

## ELECTRIC RAILROAD FREIGHT

The Service is Superior and the Delivery Much Quicker Via Electric

## DEPENDABILITY AND SERVICE

When you purchase a Monument or Marker, you want *dependable* work, so that you can rest assured that it is going to stand the weather -- *for all time*.

You also want the work that you order, delivered in a reasonable length of time -- *thats service*.

When we sell you a Monument or Marker, we guarantee you the best of material -- *the best of workmanship and guarantee service*.

Now is the time to place your order for Spring delivery.

## HOLLAND MONUMENT WORKS

18 West 7th Street HOLLAND, MICH.

# BOARD OF REVIEW

Notice is hereby given that the Board of Review and Equalization of the City of Holland will meet at the Common Council Rooms of said City at 9:00 o'clock in the forenoon of

## Tuesday, May 8, '23

and that it will continue in session at least four days successively and as much longer as may be necessary, and at least six hours in each day during said four days or more, and that any person desiring to do so, may then and there examine his or her assessment.

Richard Overweg, City Clerk  
Dated Holland, Mich., April 20, '23.

## LOCAL

The trailing arbutus is out. Nestling snugly among the fallen leaves of last autumn on the uncultured lands around Holland, the rare fragrant little blossom may be found.

On the north side and through the dense forests of Waukazoo, there are still spots where the harbinger of spring flower may still be found quite abundantly.

However, the rare blossoms are growing more scarce every spring and where it once abounded today there is little to be found.

Like the pioneers of old it has gradually disappeared with the encroachment of civilization.

Sunday many Holland folks might have been seen gathering the arbutus, in fact nearly every clump of woods between this city and Grand Haven, had its spring flower pickers.

The worst enemies of trailing arbutus are the gatherers themselves, who in their eagerness to gather what there is, think not of the future but of the present only and in their anxiety tear up the plants by the roots, and when once the roots are injured, arbutus will not grow again, and its beauty and fragrance will be lost for ever.

Those who seek to transplant them are also doomed to disappointment, for the trailing arbutus will not transplant. It cannot be cultivated, for it is a real wild flower in fact, and one that cannot be domesticated, so florists declare.

It is suggested that those who pick arbutus carry a shears or a sharp knife and clip the stems. In this way the plant can be preserved for a long time and posterity may still benefit by the beauty and fragrance of this pioneer flower.

A model of the Sacred Cow that millions in oriental lands have worshipped, and models of many oriental gods, such as the god Vishnu and others, may be seen by the people of Holland during the month of May if they will visit the Hope College museum on the fourth floor of Van Raalte Hall. Dr. F. N. Patterson, in charge of the museum, announced Tuesday that the museum will be open for public inspection during the month of May from 3 to 5 o'clock on Wednesday and Friday afternoons. Dr. Patterson has made arrangements so that there will always be some competent person present who can show the things on display there and who can explain what they mean and give something of their history.

It is probably not known by the general public that the Hope College museum has many collections which any museum in a larger city would be proud to possess. Its collections of curios from China, Japan and India are especially valuable. Hope College has many missionaries in those lands and the missionaries have always kept the needs of the local institution in mind. Hence the museum has a collection of oriental articles that would bring a large price if sold. All these articles have been donated. They consist of utensils, articles of clothing, ornaments, models of images and a large variety of other things.

The collections made by the late Dr. P. F. Schueleke are also valuable and extremely interesting. Dr. P. F. Schueleke was deeply interested in the museum and he devoted much time and attention to building it up. He made a great many collections from surrounding localities and from other parts of Michigan. For instance, he gathered some 500 kinds of moss.

The anatomical collection are all worth while. There are some specimens that are worth making a trip to the museum for. The public is cordially invited to take advantage of this opportunity to visit a museum which while small has articles of interest that are not always found even in large institutions.

The members of the Longfellow School P-T club have established a reputation for the plays that are put on from time to time. The parents and teachers who form the membership of that club have given some fine productions in the past and they are now getting ready to give another. There is much talent of more than ordinarily high calibre in that club and this has been freely drawn upon for the cast.

The play this time will be a royalty production and it is the most ambitious project yet attempted by the club. It is called "A Pair of Sixes," by Edward Peple, and it ran at the Longacre Theater in New York for a year. It will be given in the Holland high school auditorium on the evenings of May 17 and 18. The coaching is being done by Mrs. Dougherty and work on the production is progressing satisfactorily. There are 13 members in the cast. This will be the third play put on by the Longfellow school club.

Over a hundred took part in the big volleyball tournament for Ottawa County that took place in the high school gymnasium Monday evening. There were teams from Holland, Zeeland, Grand Haven, Coopersville, and Spring Lake. Holland's first group under the direction of Ben Nysson won first place, Zeeland second place, Holland's second team under the direction of Arend Sierma third place and the other teams as follows: Grand Haven, Coopersville, and Spring Lake. The last named team had had only one practice game before entering the tournament and so gave a good account of themselves. Mr. Nysson and Mr. Sierma did fine work in handling the Holland group, and special credit is also due to Edw. Stephan, Bert Van Vulpel and John Hoffman of Grand Haven who refereed.

In contrast to previous tournaments of this kind, the one of Monday night developed some real volleyball. There were sharp contests for honors and the playing in some of the contests was spectacular.

After the contest eats were served and a social time was provided. In the after-meeting Joe Koolker presided, and David Damstra made an address of welcome. Representatives from visiting clubs were called upon for talks. C. De Koster responded for

Zeeland, Wessel Sheers for Coopersville, A. W. Elliott for Grand Haven, and "Mayor" Frank Scholten was called upon for Spring Lake but he managed to get away before his turn came.

The question of holding an outdoor county tournament at the close of the summer activities was discussed and it was unanimously decided to hold such a meeting.

Following are the percentages in the tournament of Monday night:

	Won	Lost	Pct.
Holland I	11	2	.845
Zeeland	9	3	.750
Holland II	8	5	.615
Grand Haven	5	4	.553
Coopersville	4	10	.286
Spring Lake	1	14	.069

The annual statistical report for the Grand River classes in the Reformed denomination, tabulated by Rev. John Van Westenburg, stated clerk, shows 34 churches, 3,472 families, 8,908 communicant members, 623 adherents, 6,269 baptized noncommunicant members and a Sunday school enrollment of 7,615 students. Total receipts for congregational benevolence and other objects were \$227,986, of which \$157,112 was for congregational purposes.

First Reformed church, Grand Haven, Rev. H. Schipper, pastor, heads the list of churches with 255 families. The others in order of size with respect to number of families are: 1st, Muskegon, 240; 3rd, Grand Rapids, 237; 5th, Grand Rapids, 224; 7th, Grand Rapids, 203; 8th, Grand Rapids, 193; 4th, Grand Rapids, 180; 3rd, Kalamazoo, 179; 1st, Kalamazoo, 175; Coopersville, 157; 4th, Kalamazoo, 144; Grandville, 147; Oakdale Park, Grand Rapids, 110; 1st, Detroit, 100; South Haven, 98; Fremont, 94; 9th, Grand Rapids, 93; New Era, 79; Byron enter, 75; 5th, Muskegon, 74; Portage, 73; 3rd Muskegon, 50; Beverly, 45; Atwood, 44; Rehoboth, 43; Decatur, 42; Twin Lakes, 35; South, 33; 2nd, Grand Rapids, 32; Ada, 21; Grant, 18; Spring Lake, 17; Moddersville, 13.

Chief Van Ry has his force thoroughly organized to watch the motor traffic and has taken special care to regulate the parking of machines.

River avenue and 8th street have again been marked and the painted zones just large enough for an automobile are plainly visible done in white paint.

Forbidden zones are also painted around each fire hydrant and each hydrant contains an iron sign, informing the motorist that he is forbidden to park within 15 feet of this water plug.

The chief also has 30 new turtles ordered and as fast as streets are paved the large white turtles will go down on the street intersections, another safety first for both pedestrians and motorists.

The local police will have the white-wash brush ever ready, for as soon as the painted zones become less visible these, will be repainted in order that there may be no excuse for violating the parking ordinance.

The backs of the turtles will be kept pure white all the time, in order that they may be constantly visible both day and night.

The meeting of the W. C. T. U. at the home of Mrs. George Huizenga on Monday afternoon was largely attended.

Dr. A. Leenhouts was the speaker, having for his subject, "Public Health". He spoke in appreciation of the union for its past work and broad vision. He further stated that modern stress is laid on preventive medicine and method, avoidance of contagion, right habits of eating and living.

Women's societies should encourage all legislation to establish healthier living conditions.

Mrs. Post, Miss Katherine Post and Mrs. Blekkink gave their reports of the district convention at Sparta. Mrs. A. Steketee and Miss Gladys Huizenga rendered vocal solos while tea and cakes were served by Mrs. B. Rikse, and committee.

The Choral society of the 14th St. church will render the sacred cantata "David, the Shepherd Boy," by Geo. F. Root, on Thursday, May 3, at 7:45 p. m., in the church auditorium, under the direction of John VanderArk, accompanied by Dora Wentzel on the piano, and Mrs. John Pieper on the organ. A children's chorus will sing several numbers.

The parts taken by the soloists are: Abigail, Antoinette DeVries, soprano; Michael, Gertrude Wanrooy, contralto; David, Willard Bloemendaal, tenor; Jesse, Clarence Jalving, baritone; Samuel, Henry Zoet, bass; Saul, Dr. M. R. De Haan, bass; Jonathan, Henry Haveman, tenor; Elder, Peter Verstra, soprano; Pauline Kalkman, contralto; Abner and Messenger, Henry Haveman; Shepherds and Men of War, John Scholten, Bert Stegink, Ben Veltman, Fred Stegink.

This choral society has appeared before in public and has given some fine concerts. The program of Thursday night is expected to be up to its usual high standard.

Plans are on foot for a Saugatuck Home-Coming week the coming summer. The time suggested is the week following the 4th of July, when the visitors could see the old town at its busiest and prettiest, in its modern robes of host to thousands of summer guests. These occasions are always most popular and enjoyable to all concerned, and many of the old Saugatuck and girls would come home for the week from the far corners of the earth—Saugatuck Commercial-Record.

The following is from Lake Worth (Fla.) Herald:

"Mr. and Mrs. J. H. Toren, who live in the Holland cottage, on North Dixie Highway, left Tuesday morning for their home in Holland, Mich. They will stop a few days in Cincinnati and Chicago on their way home.

"Mr. Toren has been coming to the

east coast of Florida for the past 11 winters, spending the last nine winters in Lake Worth. He has considerable real estate holdings here, having figured in various real estate deals from time to time. As to the climate, Mr. Toren states that he firmly believes that there is no place in the United States that can equal it. He expects to continue to make this his winter home and will advise his friends to do the same.

"Both Mr. and Mrs. Toren are members of the Board of Trade and are enthusiastic boosters for Lake Worth. They would prefer remaining longer but are forced to leave here to look after some summer cottages they have at Macatawa and Jensen's Park on Lake Michigan. Their many friends will miss them and will look forward with pleasure to their return."

**NOTICE TO CONTRACTORS**  
For Construction of Part of the Alpena Beach Road, Ottawa County, Michigan.

Saled proposals will be received by the Board of County Road Commissioners, Ottawa County, Michigan, at their office in the Court House in the city of Grand Haven until 9:00 A. M. Central Standard time, May 7, 1923 for the following described road.

Commencing at the quarter post common to sections 21 and 22, Park Township, running thence West 950 feet.

The work will consist of shaping the road and surfacing with cement concrete or sheet asphalt with cement concrete base from station 0 to station 9-50.

Bids at unit prices will be received for the road complete. Plans, specifications and proposal blanks may be examined at the office of the Board of County Road Commissioners at Grand Haven, Michigan, at the office of Commissioner Austin Harrington, Holland, Michigan, or by writing the undersigned, enclosing a deposit of \$2 which will be returned upon safe return of the plans.

A certified check in the sum of \$200 will be required with each bid. The right is hereby reserved to reject any or all bids.

AUSTIN HARRINGTON,  
WILLIAM M. CONNELLY,  
BEREND KAMPS,  
Board of Ottawa County Road Commissioners.

No. 9761—Exp. May 19  
STATE OF MICHIGAN—The Probate Court for the County of Ottawa.

At a session of said court, held at the Probate Office in the City of Grand Haven in said county on the 25th day of April A. D. 1923.

Present: Hon. James J. Danhof, Judge of Probate.

In the Matter of the Estate of CORNELIUS WABEKE, Deceased.

Catherine Wabeke having filed her petition, praying that an instrument filed in said court be admitted to probate as the last will and testament of said deceased and that administration of said estate be granted to herself or to some other suitable person.

It is Ordered, That the

28th day of May A. D. 1923

at ten o'clock in the forenoon, at said probate office, be and is hereby appointed for hearing said petition. It is further Ordered, That public notice thereof be given by publication of a copy of this order, for three successive weeks previous to said day of hearing in the Holland City News, a newspaper printed and circulated in said county.

Plaintiffs

vs.

ORDER FOR PUBLICATION

Otis Smith, Edward Hanchett, or their unknown heirs, devisees, legatees and assigns,

Defendants.

Present: The Honorable Orien S. Cross, Circuit Judge.

Upon filing the bill of Complaint in this cause, and it appearing that Plaintiffs, after diligent search and inquiry, have been unable to ascertain the whereabouts of Defendants, if living, and if dead the names and addresses of their unknown heirs, devisees, legatees and assigns, if any. It is ordered that the said defendants Otis Smith and Edward Hanchett, if living, and if dead the unknown heirs, devisees, legatees and assigns of every one of them, if any, shall enter their appearance in this case within three months from this date, and that within twenty days from this date a copy of this order shall be published once each week for six weeks in succession in the Holland City News, a newspaper published and circulated in said county.

Orien S. Cross, Circuit Judge.

This suit is brought to quiet the title to the following described property in the Township of Robinson, Ottawa County, Michigan.

The Southwest quarter of the southwest quarter in Section 36, Town 7, North, Range 15 West.

STATEMENT OF OWNERSHIP, MANAGEMENT, CIRCULATION, ETC., REQUIRED BY THE ACT OF CONGRESS OF AUGUST 24, 1912.

of the Holland City News published weekly at Holland, Mich., for April 3, 1923, State of Michigan.

Before me a notary public in and for the State and county aforesaid, personally appeared Benjamin A. Mulder who having been duly sworn according to law, deposes and says that he is the publisher of the Holland City News and that the following is to the best of his knowledge and belief a true statement of the ownership, management, etc. of the aforesaid publication for the date shown in the above caption, required by the Act of August 24, 1912, embodied in Section 443, Postal Laws and Regulations.

Printed on the reverse of this form, to-wit: 1. That the names and addresses of the Publisher, Editor, Managing Editor, and business managers are:

Publisher, Editor, Managing Editor and Business manager is Benjamin A. Mulder, Holland, Michigan.

2. That the owners are: Benjamin A. Mulder, Holland, Michigan; Nicholas J. Mulder, Oakland, California; Charles L. Mulder, Estate.

3. That the known bondholders, mort-

gages, and other security holders owning or holding 1 per cent or more of total amount of bonds, mortgages or other securities are:

None.

4. That the two paragraphs next above, giving the names of the owners, stockholders, and security holders, if any, contain not only the list of stockholders and security holders as they appear upon the books of the company but also in cases where the stockholders or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting, is given; also that the said two paragraphs contain statements embracing affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owners; and this affiant has no reason to believe that any other person, association, or corporation has any interest direct or indirect in the said stock bonds or other securities than as so stated by him.

B. A. MULDER, Manager.

Sworn to and subscribed before me this

1st day of May, 1923.

My commission expires July 23, 1925.

LOCAL

In the case of lost registered mail, the United States postoffice department has inaugurated a new schedule for re-embursing the loser, which new ruling greatly benefits those sending by registered mail. Where formerly a letter was registered for 10c the amount paid for the letter being lost was \$25; now this has been raised to \$50; and an item registered under a 20c fee will now be re-embursed as high as \$100.

An order has been issued from the U. S. Postoffice department pertaining to rural mail routes, requesting the patrons of the routes to have their mail boxes painted white this spring, and that the names of the patrons be stenciled on two sides of the box in black letters about one inch high. It seems there is some reward connected with the local post office to induce each to be first in completing the work, probably some special service the patrons will be able to obtain that will prove to their particular benefit.

Mr. and Mrs. Jacob Slick have returned from a three weeks visit to their brother at Fort Wayne, Ind.

Mrs. P. Weller and two children will sail for Europe on the New Amsterdam on June 2. It is possible that Mr. Weller, the nursery man may also accompany his wife.

The Star of Bethlehem, O. E. S. No. 40 will hold a regular meeting tonight in the Masonic Temple on Tenth St.

A robbery was reported from the U. S. steamer Gen. Meade Wednesday morning. A watch and a navy pin belonging to Lawrence Noantay were taken. County officers are conducting an investigation.

Bids were being taken Wednesday for the construction of a miniature parking place at the Ottawa Beach hotel. The affair is to be planned after the oval at the State Park at Grand Haven. Several Grand Haven contractors were present at the bidding.

The claims against the city for the past two weeks were \$7,208.34, according to the committee on claims and accounts, and the sum of \$132 was spent for temporary aid, the committee on poor reported.

Director of the poor, H. S. Bosch made his annual report to the common council Wednesday night. The total amount disbursed by this department for the year ending May 2 was \$3,802.59.

The common council, by a unanimous vote Wednesday night, decided to put in a sewer to safeguard the water supply at the 28th St. station. There are about 40 residents in that district who want to make the connection with the sewer.

WOULD ENLARGE HIS STORE BUT HIS NEIGHBOR OBJECTS

The common council was up against a tough nut to crack Wednesday night when John Homfield again petitioned for the right to enlarge his place of business on Central Av. near 13th street. Homfield is not asking to build any nearer to his next-door neighbor but merely wants to fill in the space between his store and the Franzburg store, add a story extend the store further to the back of the lot. He has the consent of all the property owners in the block or so except his next door neighbor. The aldermen were practically unanimous in believing that his petition was perfectly reasonable and that he ought to be given the right to go ahead with his building since as things are now he is cramped for room and not being able to make the business pay on so small a scale; and moreover he has to store many things in the open which makes it more unsightly for the neighbor than it would otherwise be.

But though the aldermen felt that way about it, the ordinance says very plainly that the consent of the next door neighbor was needed, and so the council was powerless to grant the petition. The problem was finally referred to a special committee composed of Aldermen Kaamaraad, Ala. Laepple, and Alf. Dykstra.

OPENS BRANCH OFFICES IN GARY AND KALAMAZOO

The Holland Mail Co. is expanding, not only in Michigan, but has also invaded Indiana, the latest branch to selling electrical washing and ironing machines having been opened in Gary the great steel town. Of more particular interest, however, to most people will be the news that Mr. Kluar Bulthuis, for some time past connected with the Home Furnace Co. as Traffic Manager, has been appointed representative of the Holland Mail Co. in the Kalamazoo territory and will sell his property here and locate in the Celery City. Mr. Bulthuis has leased quarters at 303 North Burdick St. and expects to develop a good business. His many years of selling experience will stand him in good stead.

OPENS WAFFLE SHOP IN THIS CITY

Gerard Van Kolken, son of Peter Van Kolken of this city, has opened a waffle shop at 23 East 8th street, next door to the Western Union office. Mr. and Mrs. Van Kolken are both experienced in this line of work and they expect to make it an up-to-date place in every respect. They have already started in business.

Mr. Van Kolken saw service in the war and later spent several years in Grand Rapids where he was connected with the Grand Rapids Railway Co.

ASKS JUDGES TO FINE ALL THE SPEEDERS MORE

The board of police and fire commissioners at a meeting held Monday night discussed many things that had to do with the regulating of automobiles.

Holland has an excellent traffic ordinance passed sometime ago by the common council, but notwithstanding this fact, new phases relative to auto traffic are constantly coming up.

At Monday night's meeting police board took a very decided stand against speeding.

The members are bound that pedestrians in Holland shall be safe from the speed demon, and the members especially have the children in mind.

A resolution has been unanimously passed asking that the justices double up on their fine for speeding in order

to discourage fast driving as much as possible.

The usual fine is \$13.70, so a speedster may know what is coming to him should he transgress.

It is speeding while crossing street intersections that causes the most damage and where lives are placed in the most danger. There seems to be a mania with many drivers, to speed up when a street intersection is almost reached.

No doubt this is largely due to the fact that a driver who does not see an automobile coming from another direction wants to scoot over the intersection before a prospective one may appear, forgetting that the other fellow coming from the other direction might be doing the same thing and drivers from both cars may be hidden from view either by a building, snug up to the corner or because of other obstacles. The result inevitably is a crash.

Ninty-five per cent of the auto accidents on the public streets of Holland, police say, are at street intersections. Here is where automobiles are liable to collide and here is where most pedestrians are placed in danger than anywhere else.

On the other hand, it seems that here is where a reckless driver is the most careless.

Anyway this article should be a warning to the fellow who likes to "scoot on it," for believe us, \$27.40 fine is not picked up every day, and remember too that the second offense will mean double this amount.

HONOR ROLL ANNOUNCED AT JUNIOR HIGH SCHOOL

The following are on the Honor Roll of the Junior High school just announced: 7-1—Alice Boter, Margaret Steketee, Nella Westrate, Clarence Miller.

7-2—Everett Welmers, Elizabeth Arendshorst, Roy Mooi, Lester Eller-

brook, Susan Gerritsen, Margare, Vardier Muelen, Winona Peterson, Dorothy Rief, Isabelle Zuber.

8-1—Pauline Miller, Donald Freeman, Romaine Howlett.

8-2—Edith Cheff, Isabella Zahart, Edward Everett.

Jennie E. Steketee has returned after a three months' visit to her sister, Mrs. Marriet E. Braam, at Accord, N. Y.

FOREST GROVE

On Friday evening Mr. and Mrs. B. H. Ter Haar and family were pleasantly surprised by a number of their friends and neighbors who gathered at their home for a farewell party before they leave for their future home in Holland, where they have purchased a house and lot on W. 18th street. Thirty were present on this occasion and in spite of the regret which will be caused by their departure from this community, an enjoyable evening was spent.

ZEELAND

Born to Mr. and Mrs. H. Wier, Colonial avenue, a daughter; to Mr. and Mrs. Harry Marlink, on North State street, last Friday a son.

Bert Habers, residing on the corner of State and Cherry streets, has purchased the residence owned and occupied by M. Rubenstein and will move into the same in the near future. Arie Diepenhorst of Borculo has purchased the residence occupied by Mr. Habers.

The building committee of the Zeeland council reported that the following permits had been issued: to A. De Jonge, to remodel his house on Cherry street; to C. Schilleman, to reshingle house; to VandenBerg Bros., to build a gas station on N. State street; to C. Slagh, to build a home on West Central avenue; to S. D. Meeuwse, to build on West Main street.

CHIROPRACTIC IS RIGHT

DISPLACED VERTEBRAE [small bones] of the Spine pinch the nerves. Chiropractic Spinal Adjustment put the vertebrae back in place and health is the result

REMEMBER! The Part of Your Spine Indicated by Arrow is the Cause of Your Disease.

1 Slight subluxations at this point will cause Aphasia, Deafness, Eye Troubles, Epilepsy, Facial Paralysis, Facial Neuralgia, Hay Fever, Headaches, Insomnia, Melancholia, Neurasthenia, Nasal Catarrh, Loss of Memory, Locomotor Ataxia, Head Noises, Tonsillitis, Wry Neck and Ear Ache.

2 A slight subluxation of a vertebra in this part of the spine is the cause of Catarrh of the Throat, Dizziness, Goitre, Hiccoughs, Hoarseness, Loss of Speech, La Grippe, Numbness of Arms and Hands, Nervous Prostration, Pain in Arms, Pain in Back of Neck and Shoulders, Bleeding from Nose.

3 A vertebral subluxation at this point causes Asthma, Bronchitis, Enlargement, Leakage and Palpitation of the Heart, Pain between Shoulder Blades, Rheumatism of Arms, Various Lung Troubles, Writer's Cramp.

4 The arrow marked No. 4 locates the part of the spine wherein subluxations will cause Asthma when very low. All diseases General in Nature. Difficult Breathing, Pleurisy, St. Vitus Dance, and some Forms of Heart Trouble.

5 Anemia, Dyspepsia, Enlargement of Spleen, Gas in Stomach, Gall Stones, Heartburn, Indigestion, Jaundice, Loss of Appetite, Neuralgia of Stomach, Sick Headaches, Vomiting Attacks, Ulcers of Stomach are caused by subluxations in this part of the spine.

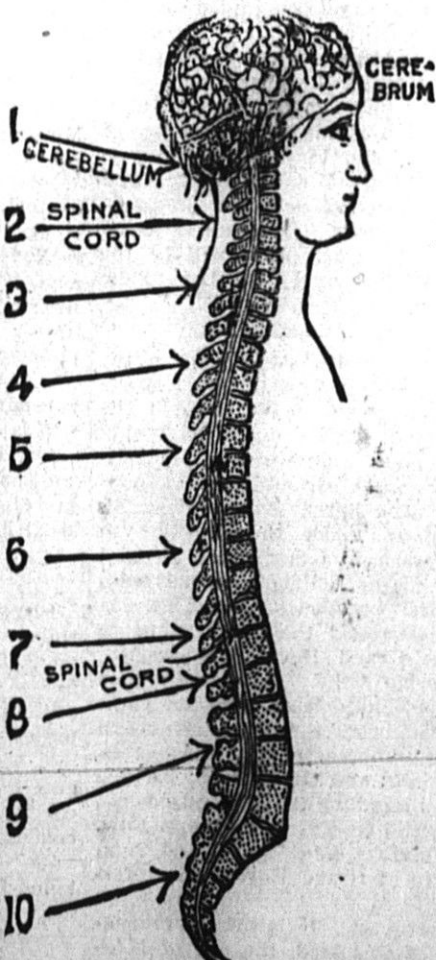

6 Here we find the cause of Dyspepsia of Upper Bowels, Dysentery, Diabetes, Mellitus, Fevers, Herpes Zoster (Shingles), Worms, Costiveness, side Ache.

7 Abscesses, Ache, Boils, Bright's Diseases, Diabetes, Insipidus, Eczema, Floating Kidney, Polyria, Swelling of Feet, Uremia, etc., are caused by nerves being pinched in the spinal openings at this point.

8 Regulations of such troubles as Appendicitis, Backache, Cramps in Calf Muscles, Ankles, and Toa Joints, Hernia, Lumbo-Abdominal Neuralgia, Pain in the Groin, Lumbago, Lassitude, Fallen Arches, follow Chiropractic at this point.

9 Why have Constipation, Cold Feet, Pain in the Heels, Pain in the Hips, Paralysis of the Legs, Rectal Trouble, Sciatica, Painful Menstruation, Falling of the Womb, Bed Wetting, etc., when Chiropractic adjustments at this part of the spine will remove the cause?

10 A slight slippage of one or both innominate bones will cause Diseases of the Pelvis, Pain in the Posterior Parts of the Thighs, with many, "disorders" of the lower extremities.

Do You Know that Chiropractic Succeeds on Its Merits? Nothing but the good it has accomplished would give the great favor it has found. We are not afraid to trust the future of our science to the judgement of the people. Our greatest concern is to educate the public to the facts of the science as contained in its success as a health agent. All we want is a chance to prove the claim that adjustments remove that cause. Visit our offices and let us show you how, through our "Scientific Palmer Method" adjustments, we can adjust away the cause of any bodily trouble that afflicts you, and we will abide by the results of our efforts to prove its merit.

CHIROPRACTIC IS NOT MEDICINE—NOT SURGERY—NOT OSTEOPATHY

We Use no Drugs or Instruments—Neither do we Rub or Massage any Part of Your Body

BACHELLER & BACHELLER, Chiropractors.
