ALD. THOMSON RESIGNS COUNCIL NAMES STEFFENS

STATE CANNOT AID 5TH ST.
NEW PAVING PROJECT

Chief Blom Sends in Fire Report;
Losses Are Low

Chief Blom presented his report to the Common Council Wednesday night and it was rather a surprise to find that Holland's fire losses were extremely low, showing that Holland's Fire Department is a wonder. The total fire loss is \$12,587, property in danger was \$1,452,000, insurance \$854,700, the outside calls received were twenty-five alarms, two; alarms within the city limits during the year were 71. Alderman Thomson of the Fourth Ward sent in his resignation, since he moved out of the ward. Mr. Benjamin Steffens, a local merchant, was unanimously selected in Mr. Thomson's place. Mr. Thomson has ably served the city of Holland for one year.

According to 1927 Law, Holland will have to bear half of the expense of putting in railroad lights at the crossings of 13th and 14th Streets, the same as are on the 8th Street, at the Pere Marquette crossing. Total cost of the two crossings will be \$1600 and Holland will have to dig up \$800.

Mayor Earnest Brooks was very much in favor of paving 8th Street and endeavor to have the State of Michigan help in the construction work if this paving program is to go on. A letter was, however, received that the State Department does not participate in the reconstruction of existing brick pavements, and that let the city out. According to the Maintenance office, the state has been taking care of the maintenance of the central twenty feet of all streets covered by U.S.-31 from the west city limits to 13th Street. Hence, the state also turns down the request for \$2,000 per mile allowed in the 1927 Legislation Act, claiming that the city already has their through maintenance.

Chief Van Ry also sent in his annual report that shows that there were 491 arrests during the year, and that besides, there were 228 other calls and an endless lot of miscellaneous work. 579 night lodgers had to be taken care of, there were 44 lost children to be looked after, 29 stores were left open at night, 14 autos were stolen and all were recovered, 25 trucks were taken in, besides 121 speeders and 86 violated the traffic light. 13 were arrested for over-crowding automobile front seats and 17 for running-board riding. There were also many arrests for minor offenses, such as blowing auto horns, etc. Window peeping and loitering in an automobile are tabulated in the report as 2 for each. If any one thinks that the police department is not a busy organization with its few men, a glance at the report will disabuse their minds. The wonder is how they got all the work in.

Request Made to Repeat Senior Class Play

WILL BE PUT ON AGAIN TO-
NIGHT, FRIDAY, FOR LAST
TIME

A large crowd witnessed the first performance of "The Fool" by the Hope College Senior Class, last night, at Carnegie Hall. All actors in the large cast took their parts splendidly.

The entire audience was moved by the miracle performed when Mary Margaret, the character whom Margaret Boter portrays, is cured of her lameness. The entire production is stirring and very dramatic. Oscar Holkeboer played the very difficult part of Daniel Glichter, The Fool, in a remarkable manner. Clara Popen and Garry De Koning also starred in their usual brilliant form in playing the parts of Clara and Jerry Goodland. "Grubby" by John Mulder, always produced a good laugh.

The hearty reception and large attendance of the first night has prompted the Senior Class to present "The Fool" a third time on Friday night (tonight). Everyone agreed that this was one of the most noble and inspiring plays ever presented in Carnegie Hall by a Senior Class Cast.

SORRELL AND SON AT COLONIAL THEATRE

"Sorrell and Son" has been acclaimed everywhere it has been shown as one of the finest, if not the very finest, pictures produced during the past five years.

Don't miss "Sorrell and Son."

The long-awaited screen version of that novel of father-and-son devotion which has been read by hundreds of thousands of readers throughout the world, will be at the Colonial Theatre May 3-10, and it is easily ranked among the year's five best pictures. In many ways it is the most absorbing achievement in cinema realism ever made.

H. B. Warner, playing his first part since "The King of Kings," Anna Q. Nilsson, Alice Joyce, Nils Asther, Carmel Myers, Mary Nolan, Norman Trevor, Betsy Ann Hile are some of the artists who share honors in the picturization of Warwick Deering's novel.

"Sorrell and Son" is a story of father love and son devotion, a story of England during the post-war period.

INVESTIGATION TO BE MADE IN DEATH OF HOLLAND WOMAN

Rather a strange communication was filed with the city clerk asking an investigation be made relative to the circumstances surrounding the death of Martha Riemersma. The petition was signed by Henry Vander Warf, Rev. L. Van Laar, Chas. Dykstra, John Bartels and John Hulst.

Merchants To Have Usual Half-Holiday

EVERY THURSDAY AFTER-
NOON, JULY AND AUGUST,
SELECTED

Will Have But One Half Holiday
During Fair

The last meeting of the Holland Merchants' Association until October was held Tuesday night at the city hall. The annual question of half-holiday or no half-holiday which usually brings about a display of fireworks in the way of oratory was settled without much argument by an unanimous vote. Jake Lokker, Fred Beuwkes, Bill Deur, Alex Van Zanten and others gave the pros and cons on the subject in which the chain stores not closing came in for discussion. Mr. Beuwkes pointed out that many of the chain stores are willing to close if a certain other store will close.

However, it seemed to be impossible to line up this individual. He stated, however, that the Penny Store lined up with the other merchants last year and closed and will no doubt do so again this year.

It was decided that on Fourth of July week there will be no half-holiday since Independence day falls due on Wednesday and stores will be closed and to follow with another half day the next day seemed impractical. The merchants took the same stand for Fair Week. Heretofore there was a half day holiday on Holland day on Wednesday followed by the regular half holiday on Thursday. It was decided that there would be only one half holiday for the fair, namely on Thursday.

Mr. Dick Boter ably handled the meeting as president and suggested that the publicity committee composed of secretary, Joe Kardus, Mr. French of the Sentinel, and Mr. Mulder of the News, give full publicity to the fact that a half holiday would be inaugurated during the summer months and inform the public when they were half-holidays would be.

Mr. Ted Warner made a plea for the Merchants' Service Bureau, saying that thus far there were only 81 merchants availing themselves of the Bureau and that this is not enough to keep the organization self-extinct. He stated that many cities much smaller than Holland, could boast of a real live organization and merchants must not be short sighted who could not see the value of financial protection against the "dead-beat" when other cities have proven evidence of its real worth to the merchant and the community as well. The Merchants' Service Bureau, Mr. Warner contends, is the stopper to the worst leak in any business—valueless book accounts. Mrs. Coffey, manager of the Bureau in Holland, who is especially able along these lines has been delegated to call on those merchants who have not already joined.

COUNCIL NOTES

Rev. L. Van Laar, of Prospect Park Church, opened the council meeting with prayer.

Petition to lay sewers on East 16th St. east of Lincoln was presented.

The West Michigan Laundry officials invited the alderman and city officers to visit their new plant on May 10. The Tariff boys will hold open house for the city fathers. The invitation was unanimously accepted.

The mayor received a message from Gov. Fred Green announcing Clean-Up Week from May 14-19. Fire Chief Blom will augment this message and get busy in Holland so there may be a perfect house cleaning. The city needs very little urging along that line as every week is clean-up week here.

The Common Council stopped the Ottawa Furniture Co. from building a large sign board adjacent to their building on First Street and River Avenue, claiming that on this spot it would obstruct the vision of motorists on this busy street and claiming that property holders are also object.

The storm sewer is to be built on Sixth Street near the Lambert Furniture Co., costing \$300, one-fourth of which is to be paid by the company.

The claim of Henry Schoell, living outside of the city, was turned down by the council. Claimed there was no liability there. Schoell claimed that his automobile had struck a rut left by city diggers and consequently lost control of his car which ran into a telephone pole, broke that off, then dodged across the street into a ditch. The council felt that a car that would do such damage and go so far must have been going at a high rate of speed.

The Holland Furniture Co. is not to get a new sidewalk from the city, as requested by Manager Vander Veen. The claim is that the building of a new sewer made the sidewalk sag in different places. The committee, upon investigation, found that the curbing gutter had not sagged and that the sidewalk was in bad condition before digging began.

Chairman Westing, of the Welfare Committee, stated that it cost the city \$154 to take care of the poor.

The next place in Constantinople where about four hundred Mosques are found. This city, with a population of 1,125,000, is called "the eye of the world, the wonder of the nations, the fairest sight on earth." It sits at the meeting of two seas and two continents as a diamond between sapphires and emeralds. Its location is almost without a peer for commercial opportunities, beauty and political importance. The various Mosques are studded with minarets (small towers). Five times a day a call is given from these minarets calling the people to prayer.

PALESTINE

Someone has said, "Palestine is like a stringed instrument, every touch upon which brings forth some sweet and musical sound." We disembarked at Haifa near Mt. Carmel, wandered through the valley where Elijah made a heroic contest for the supremacy of Jehovah. The place where the slaughter of the false prophets is believed to have taken place, where Saul is supposed to have died.

JERUSALEM

I have a Bible that was printed in 1684. In it I find a map of this city. We read in Genesis 14, verse 18, that this city was first named Salem. Often have I looked at this

old map and I could not appreciate such a funny old picture, but since I saw Jerusalem of today, with my own eyes, I am so proud of this 264-year-old map that I am going to have it framed and give it a place on the wall in our home. So much of this city today is as it was then. Its walls, gardens, hills, portals and streets. A mighty wall surrounds the whole city except Mount Zion; streets are narrow, dark and irregular. The liquor dealers in the village of Zeeland seem to have gotten themselves into trouble again, by selling liquor to minors. On Wednesday last it was "market day" there and there were many fist fights on the street in which some Holland "sprouts" also took a hand. It is understood that suit will be started against saloon men charging them with selling liquor to boys under age.

Peter Pfantstiel of Holland has formed a partnership with Z. L. Griswold of Allegan, who will engage in the manufacture of lumber and shingles on a large scale.

The greenback sentiment at Stoughton, Wis., is so strong that when a grain dealer attempted to pay gold for wheat Saturday, most farmers refused to touch it, demanding greenbacks.

The amount of saloon license money per saloon in Holland was placed at \$25 a year. The ones of M. P. Visser, general store, and E. F. Sutton the brewer on West Tenth street were also accepted.

Note—Before the Volstead law out-lawed liquor some 10 years ago the license fee had gradually raised to \$1,000 for each saloon in the city.

The old saying that "lightning will not strike twice in the same place" was exploded Wednesday night at Zeeland. The chimney on the residence of G. Vyn was struck and demolished, the bolt also tearing up carpets and destroying furniture and left by a window. Ten days ago lightning struck the same house doing much damage.

Rev. Wm. Volvius of Boyden, Iowa, has accepted the call extended by the Fourth Reformed church of Holland.

Ditchers digging gas main trenches walked out this morning. They were getting \$1.50 per day and demanded \$1.75. The matter was settled after a conference.

Miss Lida Fant of Grand Haven won the gold medal awarded in the oratorical contest staged at Fountain Street Baptist church by the W. C. T. U.

The death of L. T. Kanfers one of Holland's prominent citizens, took place just a week after the death of his wife, Mrs. Haverkate mother of Mrs. Kanfers died three weeks before the daughter.

MRS. HENRY COOK DIES AT HER HOME IN ALLEGAN

Mrs. Henry Cook died at her home in Allegan Wednesday at the age of 85 years. She is survived by the following children: Mrs. H. W. Hardie and Dr. Milton J. Cook of Holland. Herman H. Cook of Allegan, and Mrs. Fred S. Lamb of Cadillac. The funeral services will be held Friday afternoon at 5 o'clock, fast time, at her home, 508 Clocak St. and the burial will take place at Oakwood Cemetery in Allegan.

The mother of Mr. Hardie, of Holland, also died at her home in Fennville this week.

LOCAL GIRL BECOMES BRIDE OF

Miss Jennie Klinge, daughter of Mr. Albertus Klinge, 19 W. 18th St., was united in marriage with Mr. John Myard of Zeeland, on Thursday evening, April 26th. The ceremony was performed by the Rev. Veldkamp in the presence of about fifty-five guests.

The bride wore a dress of pink georgette crepe over a deep pink silk slip, and she carried a bouquet of carnations and sweet peas. Miss Anna Klinge of Chicago was bridesmaid. She wore a gown of blue crepe de chine and carried a bouquet of red and white carnations. The wedding march was played by Miss Julia Klinge.

The newlyweds were the recipients of many useful and beautiful gifts. They will make their home in Holland. Mr. Myard is the son of Mr. and Mrs. D. Myard of East Washington-st., Zeeland.

HOLLAND MAN GOES TO ELKHART, IND.

Mrs. George Yore, formerly living on West 8th St., Holland, has moved with her nephew, Kenneth Parish, to Elkhart, Indiana, where Mr. Parish has accepted a position as assistant manager of the Bush Auto Co., said to be one of the largest Chevrolet sales and service establishments in the state of Indiana. WICHERS MAKES SURPRISE SPEECH TO MERCHANTS

THROWS NEW LIGHT ON BUSINESS SITUATION HERE AND ELSEWHERE

Wynand Wichers of the First State Bank, was introduced by Chairman Boter as speaker of the evening at the last meeting of the season of the Holland Merchants' Association and his discourse was so instructive that the merchants present gave the cashier a rising vote of thanks when he had finished. Mr. Wichers said in part as follows:

"I noticed you have just passed on half-holiday for the season which I believe is a good thing. It is not always wise to be on the job all the time. For the good of the business and for the good of the management, it is well to be divorced from hard work for a spell, to get away from the continual grind. Judicious recreation and a lay-off is good for the man and consequently good for the business as well. Keep the romance in business, as it were. Although this may make you smile as many of you may think there is very little romance in present day business, with vexing questions constantly coming up, but business to those who like business is a romantic game after all."

"There have been three great revolutionary periods of business changes in this country. The first was during Revolutionary Days, the second during the Slavery Traffic in '61 and the third is the Economic Revolution of business existing today. The real aftermath of these revolutions was not felt perceptibly until a generation after. The Economic Revolutionary struggle started when railroads were built, when pioneering in industrial life had its inception. We are just beginning to feel what this early revolution in business means. We are just now in the sloth of despond. Labor as well as capital is facing trying situations, labor feels that they are hard hit, although manufacturing statistics show that during the last few years, 41% of all manufacturing made no profit and many of them went 'in the red.'"

"There are also twenty thousand business failures in the country, and the average life of the manufacturing institution is seven years and the merchants establishment one-tenth longer."

"Big business today is not frowned upon by the general public, as it was 25 years ago. Today thousands of persons in all walks of life are a part of big business."

"The three great problems in manufacturing is production, distribution and consumption. In the olden days it was not uncommon to ship from the supply when trade was brisk. But today are rapid changes going on constantly in what the public wants and it is well for any manufacturer to feel the public pulse in order to see just what they crave. An example we find right in Holland. Time was when a piano was a standard article and a piano institution not alone here but elsewhere was a valuable asset to a city and along comes the phonographs, the radio and other musical devices and the result is apparent."

"Another great revolution in business is standardization. Not so long ago there were 60 kinds of paving brick. Today there are only nine. Seven kinds of milk bottles do the work that a score or more kinds did before. In the automobile line standardization is especially marked, which not only saves time but a great deal of confusion. Some believe that this standardization will throttle inventive genius. There is no doubt that it will make changes in the social field, just how this will be is too early to say at this time."

"Instalment buying is also looked upon with alarm by great economic students. Instalment buying began with the farmer when he had to take up new land and buy implements and cattle on the instalment plan, but remember this sort of instalment buying paid for itself. The implements and cattle were producers and paid up the mortgage, but instalment buying has gone into nearly everything today. Many there are who mortgage their future buying goods that are dead stock and produce nothing. A piano or radio on the instalment plan gives pleasure, but unlike the cattle and the implements, do not pay for a farm or put food on the table. In other words, it produces nothing. I believe that economic problems in cities will become so tense eventually that agriculture will become more and more attractive. The farmer has gone through terrible days but I believe he stands at the dawn of a new day, and the farm in the future, I believe, will be able to take care of our over production of labor in the cities and when the 'back to the farm' movement is again under way, capital and labor, together with our agriculturist will prosper as they have never prospered before."

"Another question I would like to take up is the mad frenzy in stock buying. Banks are counselling with prospective investors constantly. It behooves every business man to help the banks in advising folks to avoid 'wild-cat' and get-rich-quick schemes, and help investors scrutinize thoroughly all securities, a large number of which are not secure. Millions upon millions of dollars are lost annually in this way, and not only do widows and orphans suffer, but you and I and everybody eventually pays. Education along these lines would

Holland Light Plant Makes Wonderful Showing

Holland's public utilities, consisting of the water, electric, fire alarm, sanitary sewers and the sewage disposal plant now represent an investment of \$1,728,598.53, according to figures tabulated in the thirty-fourth annual report of the board of public works, which has just been issued.

The net income from the electric light department was \$129,217.14 and from the water department \$25,685.11, or a total of \$154,902.25. The gross profits from the electric light department since 1894 were \$1,233,589.17.

The water system represents 40.75 miles of mains and 399 fire hydrants. Total number of meters in service is 3,623. Amount of water pumped during 1927 was 480,976,710 gallons. Gross earnings of the water department since 1882 totaled \$932,379.74.

The new sewage disposal plant, built at a cost of \$220,784.79, was placed in operation about 14 months ago. The plant is designed to handle the sewage from a population of 22,000. The average daily flow of sewage for 10 months was 1,300,000 gallons. The cost of 275.01, which indicates an annual cost of approximately \$6,325, with \$7,750 as the maximum.

Board of public works financed the construction of a new 50-bed hospital at a cost of \$183,882.96. A total amount of \$34,828.75 also has been paid out of the electric plant's surplus to cover the city's general bond and interest obligations. The last \$1,000 bonded indebtedness on the light plant will be paid next year.

The Board of Public Works consists of the following able men: Walter Lane, James DeYoung, Attorney Arthur VanDuren, Simon Kleyn and M. VanderWater. R. B. Champion is superintendent.

HOLLAND GIRLS TO GRADUATE FROM GRAND RAPIDS HOSPITAL

From three hospital training schools at Grand Rapids, 72 nurses are to graduate, several coming from Ottawa and Allegan counties and not a few from Holland.

From Blodgett hospital, the names of the following appear: Beatrice Trice Van Pippel, Grand Haven; Dorothy Slagh, Janet Van Geldren, Frances M. Sachar, Coopersville.

From Butterworth hospital Dena Klooster, Florence Rybrandt, Jamestown; Harriett Vos Burr and Susan Jeanette Volkirs of Zeeland.

Millions upon millions of dollars are lost annually in this way, and not only do widows and orphans suffer, but you and I and everybody eventually pays. Education along these lines would

be a great economic saving. "Then I would advise you to stop fighting amongst yourselves. There has been a remarkable change in Holland in this way. One example is the Quality Service Stores, who had a business condition to face in competing with chain stores. There is cooperation there, there is helpful spirit, there is friendly business rivalry, petty jealousy has been dispensed. It is a hard fight, but the boys are holding their heads high and I believe they are succeeding. I believe even in the so-called chain stores there are changes going on in this economic battle. I believe there will be consolidation and centralizations, and then the day will come when the old fashioned merchant will come into his own again."

"A man to be successful must be successful. A community to be successful must also think success collectively. I believe Holland is thinking success, but it means hard work with courage screwed up to the sticking point."

DECORATION DAY MEETING

Mayor Earnest Brooks has called a meeting of all interested citizens, and they all should be interested, to meet in the City Hall in the G. A. R. rooms at 7:30 o'clock for the purpose of making arrangements to put on a suitable Memorial Day Program, as has been the custom in Holland for many years.

Resort Men Visit Holland Wednesday

MORE THAN 50 NEWSPAPER
MEN WILL BE AT WARM
FRIEND TAVERN, ALSO TAK-
ING IN LAKEWOOD FARM

Hugh Gray and Mr. Blakely of Western Michigan Tourist Association were in the city meeting with the Resort Committee composed of Mr. Leland of Warm Friend Tavern, Andrew Klomprens, Isaac Kouw, J. A. Johnson of the Goodrich Company, and B. A. Mulder of the News. Plans were mapped out at Warm Friend Tavern relative to Holland's quota of subscription together with other cities on the Great Lakes. Mr. Gray stated that representatives of the large newspapers of Chicago, Minneapolis, Cleveland, Buffalo and other cities were to be in Holland the afternoon and evening of May 21, dinner at Warm Friend Tavern, visit Lakewood Farm, then proceed on the Motorcade up the pike. The newspaper men will be given a day of trout fishing in the Pere Marquette River, near Baldwin, and will visit other northern cities.

The trip will take up at least four days, with the newspaper men spending a half day in Holland, taking one meal here. No doubt their visit here will put Holland in line for some publicity along that source.

Earnest Hornsby, Hope Junior, Held On \$1,000 Bond

WAS ARRESTED FOR STEAL-
ING CAR; BOUND OVER TO
AUGUST TERM OF CIRCUIT
COURT

The young chap by the name of Earnest Hornsby, Junior Class student at Hope, who has been sowing his wild oats around Holland in which automobiles figured largely, was arrested by the Holland police and was arraigned before Justice Chas. H. Van Duren, charged with stealing and stripping an automobile belonging to Tom Sherwood.

The arrest was made by Officer Dornbos while he was cranking a Ford that he had bought in Allegan for ten dollars. The fact of the matter is the car had been stolen and the good parts were used to equip Hornsby's old car.

Mr. Dornbos discovered the car several hundred yards from the road at the Joe Visser home on State Street. The tires, headlights, tools, battery, front seat, gas line and gasoline had been removed from the car. There were no clues as to who had done the job but finally a boy was found who said he saw two men working on the car. A lady was later located who said a man answering Hornsby's description had asked her for gasoline. Her husband was seen and was able to add to the description and where the suspect worked.

Mr. Dornbos found four of the tires and the front seat under the front porch where Hornsby rooms, and some small articles in his room. The new battery from the Sherwood car was in the one he bought at Allegan.

The city of Holland is to have its first airport soon—within the next two weeks, if the arrangements made by the common council Wednesday night can be carried out in that time. The field will be the infield of the Holland fair grounds, that is, the space enclosed by the race track.

Twenty-three men received training certificates at the fifth session of the scoutleaders training course at Camp McCarthy Saturday. They were: R. A. Howlett, Sr., Percy J. Kinkema, George T. Kots, E. O. Holmgren, J. E. Kardus, Joseph Rhea, S. B. De Pree, R. A. Howlett, Jr., E. B. De Pree, Raymond C. Van Zoeren and Chas. De Boer of Holland; Jay Dykhouse, John J. McCracken, Wm. J. Vaxter, Edward C. INDUSTRY RECOGNIZES OBLIGATION TO PUBLIC

On March 12, the United Gas Improvement Company of Philadelphia, with expenditures planned for improvements totaling \$20,000,000 in Pennsylvania, Delaware and other eastern states, adopted a policy of starting work at the earliest possible date in order to furnish employment during a period when it is most needed.

W. W. Bodine, vice president in charge of finances of the company, urges that not only private companies like his own, but public authorities as well, arrange to make contemplated expenditures so as to prevent any unnecessary unemployment.

In regard to his own state he says: "I believe that an immediate start on the numerous contemplated construction jobs in and around Philadelphia would contribute materially in bringing about a normal condition of employment."

This advice is good for every city and every state. Constructive policies inspires confidence which in turn destroys fear, with resulting steady employment of labor and normal investment of capital.

SALVAGE THE OLD ROADS

With an automobile owned by practically every family in the land, the problem of good roads is an intensely local issue in every community. State highways cannot be built around every farm, but every farmer must get to through roads.

Old roads upon which money has been spent for grading and graveling, cannot be recklessly "scrapped" without tremendous loss to the taxpayers. How to protect the old worn-out rock surface and save the well-packed foundation for further use, has been a considerable problem.

Today, however, methods have been developed for widening and resurfacing these old roads or broken-down narrow pavements with two inches or more of asphaltic concrete, thereby saving the old road investment and giving rural communities hundreds of miles of smooth hard-surfaced highways at a price they can afford to pay.

"Salvage the old roads," should become a slogan of every rural section.

WELL KNOWN NEWS-PAPER MAN FALLS HEIR TO THOUSANDS

Mrs. Laura Boake, who was killed by a motor car a week ago near Detroit, left an estate of \$17,200. Russell H. Gore, a Detroit newspaper writer, receives all of the estate except \$100 bequeathed to Mary Warner, a friend of the deceased in Toronto. Mrs. Boake lived alone.

Mr. Gore is well known in Holland and has visited this city often, giving Holland and Hope college special write-ups in the Detroit papers that he represents.

Home Volunteers Hear Rev. Cook

The Home Volunteers enjoyed a real treat last Thursday afternoon when Rev. Cook of California spoke to them on "The Ideals of the Minister." The minister is criticized to a great degree. The only way to ward off this criticism is to be square with God. Rev. Cook emphasized the three great phases of the ministry: Sermonizing, Leadership, and Personal Guidance.

The Home Volunteers will lose some very faithful members by graduation in all "intermediate" theological students are presently requested to come to the meetings.

SPORT NOTES

Coach John Demoth of Allegan High school announced Monday that there would be no baseball games or other athletic events scheduled until his athletes have fully recovered from an attack of influenza.

Playing with determined zeal and displaying a good brand of ball, the Home College nine defeated the Hillsdale outfit in a double-header by scores of 5-3 and 12-0. Home played bayson ball in both games and secured to win.

Cole pitched the first game for Home with Natt onside for Hills. Ale. Cole allowed but two hits but the Banties hunched them in the third inning and with the help of a brace of errors and a well-garnered three runs for their scores of the day.

In the opening M. I. A. and incidentally the first home game, Sonny van der Hoff, went on to western Kalamazoo College nine, leading by the score of 10-1. The loss was not ideal for Holland, and this, no doubt, affected the playing of the Home team.

Watson pitched a good game for Kalamazoo, giving out only five scattered hits; but he was a bit loose at times missing seven men. In addition, Watson struck out ten men. Cole found going a little harder and was freely touched. Errors at critical times also helped to boost the "Hornet" score.

When a woman makes a pet of her husband he generally leads a dog's life.

"You seem fond of the druggist's little boy."

"Yes, he kin git all the pills he wants for our air gun."

Little Mary: "Nurse, will I ever have a mustache on my lip like daddy, when I grow up?"

Nurse: "Pretty often, dear, I expect!"

A Calendar of Romance

Our hero was a common sort, when all is said and done.

He worked his head off daily and was out to get the MON.

The reason for his diligence was common-place, it is true.

He tried to swell his salary so it would suffice for TUE.

And maybe that's the reason why one day he lost his head.

And falling on his knees, he cried, "Oh maiden, wilt thou WED?"

He may have thought this sudden, but it seemed not so to her.

She slipped a quick acceptance and said forcibly, "yeeth, THUR."

But when they went to keeping house, he feared that he would die.

For, oh that modern maiden could neither bake nor FRI.

She could not run a bungalow, or even run a flat.

So on many sad occasions in a restaurant they SAT.

But he forgave her willingly, as man has always done.

When she presented him one day a bouncing baby SUN.

HAMILTON HOLLANDER LOOKS LIKE VANDENBERG

Allegan Gazette.—Should Supervisor Schutmaat of Hamilton appear in Washington his chances of being mistaken for Senator Vandenberg would be first-class. He is a nearly perfect "double" of that gentleman. They are of about the same bodily size, of the same complexion and color of eyes and hair, and their features in general are the same—a round, full face with prominent sharp nose; and altogether they are a handsome pair of men. Furthermore they are both Hollanders in blood, but so far as this is concerned, there's a great difference in Hollanders.

WOMAN, 86, QUILTS BEAUTIFUL BEDSPREAD

A spread quilted by Mrs. Sarah Holton, 86 years old, is on display at Allegan and is of unusual beauty. The material used is ecru sateen with pots of lilies applied on the border in a combination of yellow, tan, blue and green percale. The entire spread is beautifully quilted and shows several thousands of stitches taken by this elderly woman who made her own design for quilting. The garment belongs to Mrs. Hazel Reynolds of Kalamazoo. Upon careful examination one is unable to find a single knot on the surface of the quilt but all are carefully hidden inside. Mrs. Holton lives with her nephew, Frank Austin, on the Hooker road near Allegan, and is very active at her advanced age.

Y. W. C. A. MEETING DEFINES JOY

"Joy" was the theme of the Y. W. meeting last Thursday. A joyous song service was led by Helen Zander. This was followed by the scripture reading and sentence prayers. Ann Boter then sang "Like as the Heart." Theresa Mooi as leader spoke on "The Joy of Christian Living." Theresa said that everyone wants happiness. Some people try to find happiness by gratification, others by contentment, others by satisfaction, and by pleasure. These do not give true happiness. Happiness comes from Christ and to be happy we must love Christ since He radiates joy. We get joy from nature, friendships, social life, and by doing the will of God. Theresa emphasized the fact that we must be joyful Christians. The "royal road" to happiness is found through consecration, concentration, conquest of evil, and obedience to conscience. Theresa closed her remarks by reminding the girls that no one can be happy unless he is a Christian.

FACTORY ACCIDENTS IN MICHIGAN LAST YEAR COST FORTY MILLIONS

Forty million dollars were spent by factories in Michigan last year as a result of injuries to workmen which could have been prevented, reports Edwin A. Goodwin, state director of industrial safety. About \$10,000,000 of this amount was applied as compensation and medical and hospital bills; the remaining \$30,000,000 was the cost from interruption of production, materials, and equipment damage, and from other troubles that accidents entail.

ALLEGAN CHILDREN GREAT ON FIRE DRILL

Children are learning many valuable lessons in the Allegan schools besides the traditional reading and writing and arithmetic as was illustrated last week during an unexpected fire drill in the Dawson school. The kindergarten teacher, Mrs. Pearl Shepard, was absent from the room when the alarm sounded and by the time she arrived the youngsters were marching out in regular order, showing they had learned self-control and the ability to act in an emergency.

The two-story house owned by T. S. Updyke at the corner of Cedar and Outler streets, occupied by Anthony Cook and A. Graham, was damaged by fire Friday afternoon to the extent of \$500.

in it and nearly filled same. We were told that in this small room Jesus passed the night of his arrest and was subjected to abuses of the mob. We were told that the altar table of this chapel is a part of the stone which had been rolled against the entrance of the Lord's tomb. The Angel was sitting on this stone on the day of Resurrection. It is entirely possible; stone does not deteriorate and we saw ruins much older than this one, centuries before Christ. The guides continually tell us that according to tradition this is this and that is that, and of course we must make our own conclusions. Many times we doubt. We were shown Pilate's Court; the way of the Cross, the actual site of street through which Jesus walked from Pilate to the Cross, the way to Golgotha.

Golgotha is just a rock, not a mountain, a short distance outside Jerusalem. I had my hand in the split of the rock which occurred at the death of Christ during the earthquake. I do not know whether to believe this or not, but this is a minor affair anyway, nevertheless interesting.

We were shown the rock into which the grave of Jesus was hewn. This Holy Sepulchre was opened in 1555 A. D. and contained a piece of the genuine cross together with some writings. The relics were replaced in the Sepulchre which has not since been opened.

Bethany, small village on eastern side of Mouth of Olives, 20-minute walk from Jerusalem, was the house of Lazarus and his sisters, Martha and Mary. Also here was the house of Simon the leper. The tomb of Lazarus we saw here.

Wall of Wailing. This wall is part of the basement of Solomon's Temple, so some believe. If not true, this wall is at least very old and on the site of old wall at least.

In Constantinople we saw what were told was the only original stone of the Old Solomon's Temple that was in existence that the world is sure of beyond a doubt. This stone has an inscription cut into its face and that tells the story. It is kept in a museum in above city in Turkey. This stone was accidentally found by two boys crawling through a tunnel and one boy, as he crawled through, felt the tracings or writings on this stone. This was reported, hence this discovery.

Coming back to this Wailing Wall, will say that every Friday afternoon Jews in great crowds come here to read the Lamentations of Jeremiah and loudly wail and beat the old stone wall with their heads, for they honor this wall as the last witness of their past greatness. It is a rare treat to stand right there among them and see the strange costumes, fur caps and various cloaks they wear.

Solomon's Temple stood on Mount Moriah; on this exact site now stands a (Mohammed) Mosque of Omar.

Within this mosque is a huge rock called Mount Moriah Rock, upon which Abraham was about to sacrifice Isaac, his son. Jerusalem is composed of three hills, Mount Moriah, Mount of Olives and Mount Zion, all near together; one can easily walk from one to all three in a short while; none of them are high.

The stables of Solomon are beneath this mosque and Mosque El Akra nearby, a wonderful underground place.

There are different gates to this city, Golden Gate, David's Gate, Damascus, Jaffa and some more. Saw the wall between Jerusalem and Bethlehem where the wise men of the East saw the star overhead as they looked in the water while giving water to their camels. Saw Mary's well at Nazareth. They tell us that Jesus and Mary must surely have used the water of this well as it is today the only source of water supply in this city and has always been.

Much of what one is told is doubtful, but it always is according to tradition, they tell us. Still one Roman Priest told us just remember you are in the Holy Land. When we stood on Mount Olives, he said it does not make much difference whether Jesus ascended just here on this exact spot or two feet away from here, but the fact remains you are on the point of Mount Olives and he ascended from this Mount you are standing on, or very near the spot. That is all you need to know, and so it was everywhere. We surely were in Jerusalem, also on the Sea of Galilee and the Dead Sea, The Jordan, The Shepherds' Field, Mount Moriah. You cannot believe everything you are told. It depends much on who says it, and again the guides are often misunderstood, so one must always use his own judgment to a great extent, to really appreciate conditions. We were all amazed at how well versed our apparently young Palestinian guides were on Bible history. There were many Doctors of Divinity in our party.

So much could be written about this country, that I dare not make an attempt. Here are some of the high spots. The Sea of Galilee, no mistake about this. I fell in it and got wet. Abounds with fish, beautifully enclosed by mountains and rich in Bible history. River Jordan, nothing wonderful, just a stream of dirty water between the Sea of Galilee and the Dead Sea, was shown the site according to tradition where Jesus was baptized. Elisha Pool, Mount of Temptation, Judean Hills, all terraced with stones piled up so very narrow strips of land can be used for cultivation, but for miles and miles as one goes through them by train or automobile sees mountains and mountains covered with rock and rocks, and everywhere scattered are shepherds with black goats and sheep. The Dead Sea is there, water is terribly hot and salty. I walked in as far as I could to find out some things and to fill my bottles with water a huge wave knocked me over and I was not in my bathing suit. My clothing was ruined, shoes I had discarded altogether; a rare experience and I did not sink, water heavy with all kinds of salts and minerals.

A cat with a family of four baby rabbits is the unusual event which has stirred a Robinson township neighborhood. The cat is about two years old and was to have her first litter. When her nest was found in the barn by Erhard Mueller who planned to drown the kittens he noticed their odd color.

Picking one up by the neck the long ears and hind legs revealed them as rabbits. The cat has since changed her nest and hidden her strange family, due no doubt to the many visitors. Neighbors, the mailman and children from the Clark school visited the Mueller farm to see the strange family.

Princess Julian, herself an enthusiastic sportswoman, will probably be among the best of the world's athletes at the Olympic games here July 28.

It is expected that the 19-year-old heiress to the throne of the Netherlands will assist Queen Wilhelmina and her consort in the opening ceremony of the games. Skating, tennis, golf, cycling and horse riding are among the many sports at which the princess has proved herself a clever exponent.

The specially designed stadium, where many epic struggles are expected to take place, is rapidly nearing completion. Twelve months ago the ground on which the arena now stands was so swampy that cattle could not graze on it. The transformation has been accomplished by the driving of thousands of piles, and the liberal use of concrete.

Foreign sport enthusiasts visiting Amsterdam for the games need have no fears about the language difficulty. Special classes for the teaching of foreign languages to policemen are being conducted, and 200 of these guardians of the law are already attending.

PROFESSOR LUBBERS GIVES ADDRESS ON TREES

The annual "combined celebration of Arbor Day, Allegiance Day and Senior Day" was held Friday morning, April 27.

The impressive procession of Seniors in caps and gowns was accompanied by two Senior trumpeters, Margaret Hondelink and Henrietta Kats. The audience sang "Mins Eyes Have Seen the Glory" and Rev. Hager, college pastor, read the beautiful story of the bumble bush. Paul Netting sang an appropriate solo.

Mr. Lubbers, or Mor. Rubbers—as his Indian acquaintances are wont to call him—though not of the science department, proved himself "elastic" indeed in his fine address on "Trees." He pointed out the beauty, usefulness, and the friendliness of trees and closed with a beautiful ode to the pine.

After his talk a violin solo was rendered by Bernadine Siebers, the Pledge of Allegiance was taken by the student body, and all filed out onto the campus where the Seniors planted their memorial tree, Eugene Damstra, president of the Senior Class, presented the tree, and Mr. Heemstra, fittingly comparing our hope in the tree to our hope in those who gave it, accepted it.

Then the group moved to another spot where the A Class of the preparatory school planted their tree. Upon its presentation Prof. Van der Borgh accepted it expressing the sentiment, that as the success and usefulness of that tree would depend upon its adaptation to new surroundings, so would the success of those leaving school depend upon that quality.

Prep to Be Hope High School At the close of the ceremony, Dr. Dinnant announced that in accordance with the decision of the council the Preparatory Department is hereafter to be the "College High School" and will be bigger and better than ever before.

Report of the Board of Education.

The Board of Education met April 9, 1928 and was called to order by the President.

Members all present except Trustee Wichers.

Trustee Miles opened with prayer.

The minutes of the previous meeting were read and approved.

The following petition was presented—

We, the students and teachers of Holland Senior High School, do hereby petition the Honorable Mr. E. E. Fell, Superintendent of Schools, and the Board of Education, to set the time of the annual Spring vacation, which now occurs the last week in March, forward to some later date.

The weather in April is usually more suitable for outdoor sports. More employment can be obtained by students who seek

house-cleaning and gardening jobs.

Respectfully submitted, Adelia Beeuwkes, Mayor Janet Karsten (Clerk)

More Chicks Will Be Chickens when fed

Ryde's "Startrite" Chick Food With Buttermilk

The test of life or death occurs for every chick during the first few weeks of its life. If you can raise every normal chick you will be well repaid for your trouble, and make a handsome profit, as losses by death are really double losses, loss of the egg-hatching expense and chick, and loss of the future profit from it if it grew to maturity.

Baby chicks eat very little. A pound of "Startrite" Chick Food will raise a baby chick past the dangerous period. Why take chances? Use Ryde's "Startrite" Chick Food with Buttermilk and raise every normal chick, ordinary proper care being given. It is the one complete food on which you take no chances.

Locals

Mr. Henry Ogge of Kalamazoo spent the week-end in Holland visiting relatives and friends.

Charles Jackson and family motored to Muskegon Sunday.

Mr. and Mrs. B. A. Mulder and daughters Ruth and Lucile, were week-end guests at the home of Mr. and Mrs. John Van Landegend of Muskegon.

Mrs. Arie Burman and little daughter Phyllis, of Holland, Mich., are visiting at the home of Mrs. Burman's uncle and aunt, Mr. and Mrs. A. Nagelkirk, of Sweet Street.—Creston News.

Rev. and Mrs. J. J. Hiemenga of Lafayette, Indiana, announce the approaching marriage in June of their daughter, Hermine, to Claire J. Venema, son of Mr. and Mrs. J. N. Venema of this city. Miss Hiemenga resides in Grand Rapids. Rev. Hiemenga was formerly pastor at the Coldbrook Christian Reformed Church, Grand Rapids. All parties are well known in Holland.

Mrs. Benjamin DenUyl of 1562 Plainfield Ave., Grand Rapids, is in Butterworth hospital, where she underwent an operation Tuesday morning. Mr. Den Uyl formerly lived in Holland.

Sons of the Veterans announce Congressman John C. Ketcham will be the Memorial Day speaker at Allegan in the afternoon of that day. Donald C. Clearwater of Kalamazoo, soloist, will entertain. There will be a meeting in the morning at the post building and decorating the graves at the cemetery will follow. The Auxiliary of the Sons of Veterans will serve dinner at noon to the old soldiers. Mr. Ketcham was the speaker last year at Holland.

Fennville schools, closed for a week because of scarlet fever, were opened again Monday by order of the State Board of Health.

Complimentary to Mrs. James Cronin of Allegan, Mrs. P. J. Boylan, Mrs. Fred Terry and Mrs. Anthony Martin entertained at a farewell party Saturday evening in Mrs. Martin's home. Cards were played during the evening. Mrs. Cronin was given a beautiful gift by members of the Catholic Altar society of which she was president. The Cronins moved to Holland, Monday, where Mr. Cronin is employed.—Allegan Gazette.

Allegan can't build its Griswold Memorial Hall until bidders come down. The lowest bid out of 33 was \$139,827. Since there is only \$100,000 available some other arrangements will have to be made. The committee is awaiting Judge O. S. Cross, president of the board of trustees, who is out of the city holding court in Detroit.

Beginning May 1, Allegan banks will close Thursday afternoons during the summer months.

The Hope baseball team won two games on Saturday from Hillsdale College. The score of the first set-to was 12-1 and the second count was 5-2. Cole hurled both games for Schouten and performed creditably. These two victories improved Hope's standing in the M. I. A. A. in which Albion is leading.

Every one of the seventeen men in the senior class at Western Seminary are settled as to their calls. Mr. Roos will go on with his work at Hartford Seminary. Mr. Kulken has declined his call to Marion, S. D., and received a call from Twin Lakes.

Mrs. Sarah Slaghuys, who recently celebrated her ninety-second birthday, is seriously ill at her home at Grand Haven. Her daughter, Mrs. Jacob Baar of Muskegon, has been called here. Mrs. George Slaghuys of Holland, a daughter-in-law who attended her birthday celebration died suddenly at her home and was buried Saturday.

Joe Dade, colored, who was held at Grand Haven on a reckless driving charge, was taken to Muskegon charged with stealing a car belonging to Tarrent Dyer, 635 Isabel street, Muskegon. He was bound over to Circuit Court and placed on a bond of \$500. As he could not secure the \$10 fine here it is doubtful if he will raise the larger sum.

Mr. and Mrs. George DeYoung, Mr. and Mrs. John Den Herder, Mrs. Peter Brill, Mrs. Sprick and her son, Martin Sprick, were in Holland Thursday to attend the funeral of Mrs. Bert Shoemaker.—Grand Haven Tribune.

Arthur White, the first manager of the Grand Theater, Grand Haven, of the Butterfields, has resigned to take charge of the Ramona Theater, Ramona Park, Grand Rapids, the coming summer. In addition to the theater management Mr. White will assume park departments under the direction of L. J. DeLamar, vice president and general manager of the Grand Rapids Railroad Co.

Thieves have been stealing trolley cable at Fruitport, Spring Lake, Ottawa county, and Grand Rapids. Reports could not be confirmed here that a thief had been caught at Grand Rapids.

Grand Haven is putting on its annual Salvation Army Drive for \$4000. Peter De Boe, Everett Prime, and Sheriff Van Kamferbeek, formerly Holland men, are among the captains of the different committees.

It is stated that little hope is entertained for the recovery of Mrs. McVeagh, Muskegon police woman, who was operated upon recently in a Chicago hospital. It was reported that she was out of danger, but two days ago pneumonia developed.

William Kitzmiller of Abonia, Allegan county, reported to the sheriff the loss of 85 chickens from his place Tuesday night.

Mrs. Sarah Slaghuys, who celebrated her 92nd birthday recently, and believed to be the second oldest woman resident of Grand Haven, having lived there more than 75 years, died Tuesday morning from the infirmities of old age. She was born in The Netherlands. Surviving are the following sons and daughters: George of Holland, Abraham of Muskegon, John of Chicago and Henry of Grand Haven and Mrs. Anna VanUithoven of Holland and Mrs. Jacob Baar of Chicago. Funeral services were held at the home of John J. Boer at 2:30 Thursday. Burial was in Lake Forest cemetery.

"The Father in the Home" is the subject of the sermon Rev. C. P. Dame of Trinity Church will preach next Sunday evening. This is the fourth sermon of the series, "A Study of the Home" which the pastor is preaching Sunday evenings. In this sermon the pastor will consider the place of the father in the home, how he ought to be treated by the other members of the family and the attitude he should take toward the other members of the household. A special invitation is given fathers to attend.

The seminary commencement will be held in Trinity Church next Wednesday evening, May 9. The seminary chorus will sing several selections. Mr. Leonard De Moor will speak on behalf of the graduating class and Rev. J. P. Winter of Clymer Hill, New York will speak for the Board of Superintendents.

A new concrete floor is being laid in the basement of the Allegan county court-house. This was ordered by the board of supervisors last year but, due to financial loss, the county delayed the work. A leaking pipe made the work necessary now as the cost would be less to have the new floor laid while the old board flooring had to be torn up to find the leak.

Bids for the Griswold Memorial building were opened here today, but none were accepted, as all ran much higher than the \$100,000 which it is expected to spend. The fund of \$100,000 left by Marilla Griswold for a community house has been increased by interest until it is now in the neighborhood of \$150,000, but the committee desires to keep the interest money as a maintenance fund.

Ben Mulder of the Holland City News, discovered sneak thieves draining the gasoline from his car last night and has offered a reward of ten dollars for their arrest and conviction. He had returned from the Merchants' meeting at the city hall and when he went to use his car again he saw someone run, leaving a five gallon can and hose behind. He found the tank empty and the car overflowing on the ground with his gas. The running man was picked up by others in a rickety Ford which Mr. Mulder has described to the police.

Rev. Henry Beets, of Grand Rapids, secretary of missions of the Christian Reformed Church, took part in the program of the Allegan County Sunday School Association at the Congregational Church, Allegan, Thursday night.

The body of Mrs. C. W. Powers, killed in an automobile wreck Monday, was taken to Shelby Thursday morning by her daughter, Mrs. C. D. J. Chritchert of Standard, La., who arrived at Grand Haven Wednesday. The infant son of Charles Dolk has been removed to the home of an aunt, Mrs. A. Alstrum, in Muskegon. The six others remain in Hatton hospital with conditions much the same. Hopes are now entertained for all, even the most seriously injured.

The Allegan county Federation of Women's Clubs will be guests of the Hopkins Ladies' Literary club at the annual meeting in Hopkins, Wednesday, May 16. E. B. Killian, superintendent of Allegan public schools, will be the speaker and other music will be furnished by the Saugatuck Women's Club.

J. Allen Lampman, public speaking teacher here, has been appointed superintendent of the Marion schools for next year. He is a graduate of Albion college and studied law at Michigan one year.

A forum meeting of all memberships of the Grand Haven chamber of commerce will be held next Tuesday night to bring before the membership a number of new policies for the ensuing year. A change in the organization of the directors will be made whereby Paul Johnson, first vice president, will have executive charge of the following committees: Industrial survey, aviation, fire prevention; W. D. Blatz, the second vice president, will have charge of the retail trade, rural affairs and good roads; J. W. Oakes, third vice president, resort and convention, civic health and sanitation and publicity.

Directors of the Grand Haven Chamber of Commerce have decided to call a general meeting of the entire membership to be held the evening of May 8. Many important matters are to be considered among them being a revamping of the general organization, whereby each class of activity will come under the supervision of various officers of the organization.

The high school senior class play scheduled for Friday night of this week will be given Friday evening, May 11. This postponement is due to the school's being closed for the scarlet fever epidemic.

A troop of hiking Boy Scouts were scared stiff at Douglas last night. They were allowed to camp overnight in an old factory building. It so happened that the fire whistle is also connected with the factory and the turning of a switch starts the blast. The boys did not know this but turned the button thinking it to be a light switch. What happened when the siren began to blow can be imagined. Anyway, half the town turned out, including the firemen. Explanations were made and the "kids" turned in to pound their ears for the rest of the night.

Rev. Henry Schipper of Grand Haven was elected president of the particular synod of Chicago in its session at the First Reformed church here Wednesday.

He succeeds Rev. John A. Dykstra of Grand Rapids. Rev. James M. Martin was elected vice president, and Rev. R. D. Meengs of Detroit and Rev. Benjamin Laman of Kalamazoo were elected clerks pro tem. Thomas E. Welmers was retained as stated clerk.

Four persons, two of them residents of Grand Rapids, were injured Wednesday noon in a head-on automobile crash near Beaverdam on M-21.

The accident occurred when a third car, driven by H. J. Omlor of R. F. D. No. 4, Coopersville, started across the trunkline from a side road. Kennedy was driving toward Zeeland and swerved to avoid striking Omlor's automobile. Wierda, coming toward Grand Rapids, was caught in a pocket and crashed head-on into Kennedy's truck, which overturned.

The injured were taken to Zeeland hospital. Kennedy was bruised on the body and his arms were cut. Wessling was cut on the body and his back was injured. Mrs. Hill was cut on the face and received bruises on the arms and body. Wierda, who was cut on the face and arms, left the hospital after treatment, but the others remained.

Omlor and a passenger in his car escaped injury, his automobile avoiding the crash. Those injured were Gerald J. Kennedy, 24, of 742 Bridge St., N. W., Grand Rapids, driver of a Grand Rapids Barber & Beauty Supply Co. truck; H. J. Wessling of Chicago, who was riding with Kennedy; Louis Wierda of Holland and Mrs. Fred Hill of 22 Congress St. S. E., Grand Rapids, riding with Wierda.

ZEELAND

Mrs. Lee Huxtable entertained a number of her friends at her home on North Centennial-st. on Friday evening. Those present were the Misses Jessie Groenhof, Betty Boonstra, Mildred Dalman, Janet De Weerd, Amy Huyser, Lena Poll, Alice Zylstra, and Mrs. T. Dalman. The Misses Lena Poll and Mildred Dalman carried off the prizes in the contests played.

The Young Men's Bible Class of the Second Reformed Church is to stage the play, "The Haunted House." Mr. Malcolm Rogers, principal of Zeeland High School, is the director of the play. The following will take part: Isla Pruim, George Meengs, Case De Koster, Ross Vander Wall, Corey Hirdes, Roy Keppel, Daisy Corwin, Gerrit Rooks, Albert Gebben and Chester Van Loo. The advertising program has aroused considerable interest, especially because of the hand painted posters and paintings that are the handwork of LaVerne Van Dyke. The business managers were Adrian Van Den Bosch and Corey Hirdes.

John Nagelkerk's truck met its "waterloo" about two miles south of Jenison Park Saturday evening when it went into the ditch and was destroyed by fire after one of the brakes locked. Herman Tyink

Does Your Husband Boast of Your Cooking to His Friends?

The man whose wife is a good cook is the luckiest and happiest man in town. Every woman can be a good cook if her range is right and if she will simply follow the directions of any one of a number of approved recipe books. But so few ranges are right because they heat the oven on only four sides instead of six.

The reason why the Federal Gas Range does heat the oven on six sides, and the others do not, is because this improvement is patented and exclusive with Federal Gas Ranges.

You will be money ahead to replace your range with the Federal. The satisfactory results you will secure as well as the saving in time and fuel will make you happy over the change. And this satisfaction will continue every day.

Let us show you these beautiful ranges and tell you how easy it is to own one.

TO STAGE FIRST BABY CHICK SHOW IN STATE

MORE THAN 200 HATCHERY MEN ARE TO EXHIBIT AT LANSING

The first baby chick show ever held in the state, and the second one to be held in the United States, will be staged at M. S. C., Lansing, May 9 and 10 under the supervision of the college poultry department. More than 200 entries are expected, and no doubt many from the vicinity of Holland and Zeeland.

Reese V. Hicks, managing director of the International Baby Chick Association, of Kansas City, Missouri, will be the judge. Judging will be done on the basis of uniformity of size and color. Freedom from deformities and weight will be important factors. There will be no standard disqualifications.

There will be prizes for the first 10 places and a sweepstakes prize for each breed, in addition to the sweepstakes cup for the best entry in the show. This trophy is to be donated by the Michigan State Poultry Improvement Association. The chicks will be sold at auction on the last day of the show, offering an opportunity for local buyers to obtain excellent breeding stock.

A very pleasant evening was spent at the home of Mr. and Mrs. H. J. Poppen, 176 East Eighteenth street, Friday. The party was in honor of Mrs. John Kuite, the mother of Mrs. Poppen, the occasion being her birthday. Those present were Mr. and Mrs. John Kuite, Mr. and Mrs. William Gorman, Mr. and Mrs. John Gorman, Mr. and Mrs. Gerrit Gorman, Mr. and Mrs. Nick Beys, Mr. and Mrs. Chris Vandens Hannel and Mrs. Chris Vandens Hannel all from Holland, and Mr. and Mrs. H. J. Poppen from Holland.

PERCH FISHING AT HOLLAND HARBOR O. K.

Perch fishing at Holland is not to be stopped. The conservation department rules that the catching of perch during May and early June from the piers at Holland, Grand Haven, Muskegon, Ludington, Manistee, Frankfort and other towns along Lake Michigan is not under ban of the department. An early misinterpretation of the new law intended only for regulation of commercial fishing caused the report that pier perch fishing this year is illegal. Executive Chairman Louttit of Grand Haven and acting Director of Conservation Hogarth have corrected the order. Conservation officers are instructed not to make arrests of persons fishing with hook and line from the piers in Lake Michigan.

Light Rates Now Effective In City

EFFECT OF NEW GRAND HAVEN RATES BEING FELT BY ALL USERS

The citizens of this city are now using electric light and power at the new rates, although they will see no visible evidence of it until the next light bills are mailed out on May 10. The new schedules have been mounted, for those who keep track of this department at the city hall, and the work of making out the bills with the lower rates will begin in a few days.

The cut will be a material one, especially for those who are heavy users which is seven cents a kilowatt hour for the first 100 hours, six cents for the next 100 hours and five for all above that. The more you use the cheaper the cost. The former rate was eight cents.

The new rate makes a 12½ per cent cut for all to 35 per cent for the factories, stores and hotels or any other large user. A 10 per cent cut has been made for all power users and 20 per cent cut on electric range rate.

PROPERTY SETTLEMENT MADE IN TISDALE COURT CASE

A property settlement by which each is to have one-half the property was affected by the divorce decree awarded Allegan County Clerk William G. Tisdale from his wife of more than 20 years, Mrs. Bess M. Tisdale. The decree was granted by Judge Blaine W. Hatch, Battle Creek. The couple lived in Douglas prior to Tisdale's election as county clerk.

ROXY'S GORGEOUS RUG BESPRINKLED WITH GUM

Chewing gum dropped by careless patrons of the Roxy Theater, New York, has caused more damage to the beautiful rug in the immense foyer than the \$500,000 persons who have walked on it during the year since it was laid.

So says Charles W. Griswold, house manager of the Roxy, in a letter he sent to the makers of the carpet.

The rug is the largest of its kind in the world and weighs two and one-half tons. It is one inch thick.

BLOSSOM TIME PLANNED IN GRAND RAPIDS AREA

The week of May 14 may be celebrated as Blossom Week in the Grand Rapids section this year, if the city commission acts favorably on a recommendation from the Grand Rapids Association of Commerce. The commission has been urged to appoint a committee to map out routes to be traveled through blossomland while the region is looking its prettiest.

G. R. MAN'S COTTAGE BURNS AT SPRING LAKE

A cottage at Villa Park, Spring Lake, owned by Edward Glazinski of Grand Rapids, was struck by lightning Sunday night and burned to the ground, with all its contents. The Spring Lake fire department was called and confined the flames to the one building. No estimate of the loss could be obtained.

The Ottawa county bar association held a dinner and meeting at the Warm Friend Tavern last night at 6:30 o'clock. A committee composed of Daniel Pagelson of Grand Haven and Daniel Ten Cate and Charles McBride brought in the report which was considered point by point and finally passed.

Leo Lillie of Grand Haven, secretary of the organization was unable to come because of illness following the Republican convention at Detroit, and his brother, Hugh E. Lillie, read the minutes of the previous meeting and served in his place.

The board of Ottawa county road commissioners met for the regular monthly meeting Thursday. Abstracts were received on some property which had previously petitioned a concrete highway from the George Getz farm, three and one-half miles north to Sheldon township. The board also authorized negotiations whereby offers will be made for some right of way owned by the G. R. G. & M. railroad. One of the stretches is from Lake avenue to Welsh crossing at Spring Lake. An offer was made for 7,000 feet of snow fence also.

Carroll Van Ark, son of Mr. and Mrs. Henry Van Ark of this city, was sent by his firm in New York for Quebec in connection with the arrival of the German flyers there. Mr. Van Ark is employed by a radio concern. He sent home the news that he met the German fliers and became so well acquainted with Baron von Huenfeld that the latter sent his regards to Mr. Van Ark's family in Holland. Mr. Van Ark took part in the hop-off from Lake St. Agnes Friday morning when the Ford relief plane, began its journey to Washington.

LIONS CLUB ELECTS NEW OFFICERS FOR COMING YEAR

Election of officers was the principal business of the Lions club at its regular meeting at the Warm Friend Tavern yesterday noon.

Dr. Otto Vande Velde was elected president of the body for the coming year. Leon Moody was elected first vice president and Dr. Carl Van Raalte, second vice president. B. H. Brinks was elected secretary and George Danson treasurer. Jack Bos will be official lion tamer and C. Flickinger the tail twister for the coming year.

Two members were elected to the board of directors, John Vander Brook and H. Maatman.

The club has accepted an invitation to go to Kalamazoo on the evening of May 8 for a joint meeting at the Maple Hill country club there of the Kalamazoo, Holland and Grand Rapids clubs.

MUSKEGON HEIGHTS MAN TAKES ALMA COLLEGE JOB

L. L. Tyler, superintendent of schools at Muskegon Heights for the last eight years, accepted the position of professor of education at Alma College. He also becomes chairman of the placement bureau at the institution. This is a new department in the college, created through the necessity of a revision of the state law regarding the qualifications of teachers who do not graduate from state teachers' colleges.

Mr. Tyler will be succeeded by W. R. Booker, superintendent of schools at Greenville.

MISSION BODY NOW MEETING IN HOLLAND

The Women's Missionary society of the Methodist Episcopal churches of the Grand Rapids district is holding a three-day conference in the local church, starting today and continuing Friday and Saturday.

The district comprises Kent, Ottawa, Muskegon, Barry and Allegan counties and at least 100 delegates are expected to attend. Mrs. J. C. Willits of Holland, conference president, opened the first assembly with devotions Thursday at 10:30.

Speakers will include Mrs. John S. McDonald of Grand Rapids, district president; Mrs. Arthur Seymour of Glenn, Mrs. C. C. Moody of Holland, Rev. John Silas of Mt. Pleasant, Mrs. Mary E. Quigley of Grand Rapids, Mrs. Stanley Thayer of Sparta and Mrs. E. E. Luce of Des Moines, Ia., national field secretary.

The program provides for a pageant by the Holland auxiliary, a memorial and communion service, a banquet and a play.

CHERRY TOUR SCHEDULED

The Fennville Fruit Exchange will stage a horticultural tour of its own this year, visiting the Grand Traverse region at cherry harvest. Fifty or more automobile loads of orchardists will make the motor junket through Grand Traverse and Leelanau counties.

Mr. and Mrs. Jacob Van Dyke, Sr., were surprised at their home in North Holland by their children Friday evening, the occasion being their thirty-ninth wedding anniversary. Those present were Mr. and Mrs. Ed. Van Dyke and family, Mr. and Mrs. Walter Vander Haar and family, Mr. and Mrs. Fred Van Dyke, and Harold Van Dyke.

More than 150 members of the Kniekerbocker Society of Grand Rapids gathered at the Warm Friend Tavern here Thursday night for their annual banquet. Former United States Senator William Alden Smith was introduced as toastmaster by Dr. W. B. Klinefelter, president. The program included vocal solos by Willis Diekmann, an address by A. H. Landwehr, violin solos by Miss Ruth Keppel, an address on "William the Silent" by Prof. C. E. Dregman and a duet by Mr. Diekmann and Miss Keppel. Rev. T. W. Davidson, pastor of Hope church, led devotionals.

FORMER LOCAL MAN STARTS FISH POND

GRAND RAPIDS SPORTSMEN INSTALL BASS AND BLUEGILL NURSERY

Dwight Lydell Chapter of the Izaak Walton League of Grand Rapids, in line with the work being done by Holland and other organizations of sportsmen, is actively making its plans for the operation of bass and bluegill ponds. A committee with Otto S. Hess, engineer on the County Road Commission, as chairman, has been appointed. Arthur G. Baumgartel, formerly of this city, organizer of the first game and fish protective association in Ottawa County and now with the Pennsylvania Railroad, and Henry A. Schull, Supervisor of Rearing Ponds of the State Conservation Department and well known to Holland anglers, are directly in charge of construction and operation; Jack VanCovering, of the Grand Rapids Herald office, is publicity man; and Fred K. George, Vice-President of the United Light & Power Co., is in charge of finances.

A pond large enough to accommodate 25,000 bluegills was constructed last year by Mr. Schull, on whose property it is located, but the water supply of the immediate vicinity is insufficient for bass rearing or for further extension, and, although springs adjacent to the pond are being developed, it will probably be necessary to install a pipe line from Strawberry Creek, a distance of approximately 1,500 feet.

Conservationists generally are beginning to realize that, until adequate state finances are provided by means of a fishing license, the proceeds to be devoted exclusively to fish propagation and protection, it is up to local organizations to raise funds and undertake the rearing of fry to the fingerling stage.

It will also be remembered that Arthur Baumgartel also was the first person to introduce ring neck pheasants in Michigan and planted them near Holland many years ago.

Betty Smith entertained a number of friends at a party given in honor of four guests from Bay City at the home of Mr. and Mrs. C. M. McLean, 191 West Twelfth street Friday night. Her Bay City guests are Dorothy White, Elizabeth Nelson, Kenneth Chaney and Raymond Varne Meisel.

The engagement of Miss Frances Ritter to George Maentz of Allegan was announced by the former's mother, Mrs. Emma Ritter, in Grand Rapids. The wedding is to take place in June.

Holland police recovered a stolen car for a Grand Rapids man today through the co-operation of Alfred Brinkman of the M-11 Service Station. After the boy could not pay for his gas bill and offered his grip and spare tire, suspicion was aroused and Mr. Brinkman notified Chief Van Ry who found the car. A Buick had been stolen from Abraham Reynhart of route three, Grand Rapids, who came here and drove it back to Grand Rapids.

Mrs. A. Van Dyke celebrated her eighty-second birthday at her home 196 West Nineteenth street, Saturday, April 28th. The following were present: Mr. and Mrs. C. Lamberts and family, Mr. and Mrs. A. J. Van Dyke, Mr. and Mrs. A. G. Van Dyke, Will Van Dyke, Mr. and Mrs. Henry Hardenberg and family, John and Will Ten Brink, Mr. and Mrs. Al Lamberts, Mr. and Mrs. De Jongh. The out-of-town guests were Mr. and Mrs. A. T. Van Dyke of Muskegon, Mrs. Gerit Van Dyke and family and Mr. and Mrs. Ted Hoekstra and son of Beverly, Mr. and Mrs. John Ramaker of Coloma, Sadie Wustma of Byron Center, Mr. Dan Van Dyke of Fillmore, Mr. and Mrs. Dick Lamberts and family of Grand Rapids.

ALLEGAN HAS FOUR FIRES IN FIVE DAYS

Fires did property damage amounting to \$2000 in Allegan county. John Parks Homestead was damaged to the extent of \$50, caused by an overheated furnace. The Blackman School house was damaged to the amount of \$600, the roof being practically burned off. The farm home of Wallace Long near Allegan burned to the ground, the damage amounting to \$1000. The home of Mrs. Constantine Orsini was damaged to the amount of \$600. Sparks from the chimney on the roof was responsible for the blaze.

A birthday party was given in honor of Doris Mersman's eleventh birthday at her home, 206 East Twelfth street, Saturday afternoon. Those present were Frances Emerick, Edna Plagenhoef, Jane Ruth Elhart, Dorothy Slocum, Doris Mersman, Dorothy Hawley, Bernice Zuverink, Beatrice Kline, Margaret Schipper, Sylvia Shaffer, Gertrude Van Langevelde, Fannie Styf, Lois Oosterbaan, Lois Brandt, and Ethel Brandt.

WORK IS NOW BEING STARTED ON MACATAWA ROAD

Arthur Hill of Sandusky, Ohio, N. E. Glassbrook, Arthur Schuel and C. L. Stebbins of Lansing, directors of Macatawa park, were here Saturday inspecting the park and making plans for the coming season.

The new concrete road connecting Jenison and Macatawa parks is now being graded under the direction of Fred Van Wieren of Holland and will be 18 feet wide.

It is understood that the season has grown too late for the erection of the proposed dance pavilion this year, but several other improvements are being contemplated, according to company officials.

The county is paying for the work as far as the Copper Kettle Inn, and the Macatawa park association will complete the same road through their property to the hotel. The present road will also be retained.

The annual spring banquet of the Philathea class of the Methodist church was held in the church parlors Friday evening. During the meal, music was furnished by Jerry Houting and his orchestra, Georgia Atwood, president of the class, introduced the toastmistress, Miss Mame Ewald, who presented the program. The song, "The Four Leaf Clover," gave the theme for the evening. Each toast represented a leaf of the clover. Toasts were given on these subjects: "Hope," by Dorothy Bonds; "Faith," by Gertrude Spreitsem; "Love," by Florence Lefter; and "Luck," by Martha Weingarth. Miss Boyd of Hope college, very charmingly responded to these by a speech on "Search and Find." Mildred Mollighan and Frances Corbett played a piano duet, and vocal music was furnished by the Philathea quartette, consisting of Clara McClellan, Glenice Dauenbeck, Zelma Fox and Dorothy Banda.

AUTO CRASH ON G. H. ROAD KILLS WOMAN

NINE ARE INJURED ON U. S. 31, NEAR GRAND HAVEN

Ottawa County Coroner Drafts Jury for Inquest

One of the most serious accidents that has taken place this year in Ottawa county occurred Monday noon on U. S. 31, directly south of the Grand Haven city limits.

Carl Dolk, driving a Ford sedan, was returning to Chicago with his family from a visit with his sister, Mrs. Altrun, at Muskegon. He encountered a large car driven by C. W. Powers, age 74, containing besides the driver, Miss Ida Critchett of Standish, La., and Mrs. Powers, the lady who was killed. The Dolk car contained Carl Dolk the driver, Mrs. Dolk, daughters Marian, age 8, and Jeanette, age 5 and Charles Dolk, year-old son. Also Mrs. M. Soderstrum, Dolk's sister and James, her 16-year-old son.

There were no witnesses to the accident and Mr. Powers, one of the drivers, could throw very little light upon the matter since he was seriously injured, as were others in the party. His wife was struck on the head and killed instantly.

Two Holland men, namely B. P. Donnelly, of the Donnelly-Kelley Glass Co. and Albert Parsons, of the firm of Robinson and Parsons, local attorneys, were the first to arrive upon the scene of the accident. They were returning home from Grand Haven shortly before noon when they noticed the two cars hopelessly wrecked by the collision. A little girl, dazed and bewildered, was the only one near the scene of the wreck who was in condition to talk. Mr. Donnelly and Mr. Parsons immediately turned their car about and took the injured woman and four children to the hospital at Grand Haven. In a comparatively short time they received medical aid.

When they returned to the scene of the wreck a state policeman was in charge of the operations. The woman who was killed by the impact of the two cars was taken to an undertaking establishment in Grand Haven.

At Hutton hospital it was found that Mr. Powers suffered several broken ribs, a punctured lung, a broken knee and scalp wounds, and his recovery is doubtful. Both of Mrs. Dolk's legs were broken and she was severely cut and shocked. Marion Dolk and Charles were badly cut and shocked and their recovery is doubtful. Miss Critchett was badly shocked and was still unconscious at a late hour. The other four were less seriously injured and have been discharged from the hospital. Dolk, aged 35, was cut about the head. Mrs. Soderstrum suffered cuts and bruises as did James Soderstrum and Jeanette Dolk.

Dolk claims he was on the right side of the road and Powers, who has one eye, drove him off. Powers, who is just able to talk, says he was on his own side of the highway.

There were no witnesses to the accident but occupants of the two cars, and the impact will await the recovery of those in the hospital. John H. Vogwill of Grand Haven saw the cars crash, but was at least three city blocks away.

CHIEF VAN RY WARNS CITIZENS TO KEEP DOORS LOCKED

Sneak thieves are at work in Holland and the police department issued a warning today that people should be careful to lock up their houses when leaving in the evening if no one is at home.

A thief entered a house here Saturday night and stole four dollars from a pocket book. The police were trying to get a line on him when another attempt was made about midnight last night to enter the same house.

The lady of the house tried to call neighbors on the telephone instead of calling the police. Chief Van Ry said today that people should remember that there is someone on duty all hours of the night and if they see or hear anything suspicious to not hesitate to call headquarters.

He pointed out that calling neighbors who are asleep wastes time when an officer might speed to the scene in one of the police cars. Chief Van Ry believes this is the work of an outsider, saying that they drop in from time to time from outside cities.

Police discovered the car of Tom Sherwood that was taken from near the corner of College avenue and 8th street Saturday night in the orchard at the Joe Vischer home on State street, this morning.

The car was found to be back about 200 yards from the road and completely stripped. The tires had all been removed, the headlights, the gasoline tank drained and even the copper gas line removed, and the license plates. It was evidently the work of vandals after some accessories.

Dr. T. W. Davidson of Hope church will be in charge this summer of a short European tour of six countries. He was invited by the Michigan Travel Office of Grand Rapids to take charge of the tour. The party will leave New York July 7th, the tour terminating in London, August 5th. Dr. Davidson will be accompanied by his wife and daughter, Miss Kathleen, of the Brooklyn Museum Library. The party will have about 30 persons. The countries to be visited are France, Switzerland, Germany, Belgium, Holland and England. Dr. Davidson has traveled extensively in Europe and is familiar with the route.

STEKETEE HEADS
1929 MILESTONE

The Sophomore party, held last Friday night in the Ladies Literary Club rooms, was a distinct success in all its phases. The highest credit should accrue to the executive committee, through whose efforts the evening was as it was. The main theme of the evening, as expressed on charming little programs, was the R. N. W. M. P. slogan, "get your man." In view of this fact, the first few minutes of the evening were spent in the girls filling out the blank spaces with names of the chosen few of the male sex, for each of the five items.

Soon the meeting was opened by a very fitting speech by the president of the class, Donald Wade. The meeting was then turned over to "Dr. Earl Slagh, alias Dean Nykerk, and "Dr. M. Marcus, alias President Dimmet. This duo, by their clever caricatures introduced the five items on the program. The first of these was a piano solo by Miss Mildred De Pree, rendered in the finest "Chapel" style. A humorous couple consisting of Henry Van Wessel and Arthur Michmerhuizen filled the second portion. At the completion of this a saxophone solo was very delightfully introduced by "Dr. Meerk," the Phyllis De Jonge officiating at the Doctor's much-beloved instrument. "Dr. Dimmet" presented prizes to John Overweg and Ruth Melpolder, for perfect chapel attendance. The culmination of the program was a one act sketch written and directed by Miss Myra Ten Cate, very cleverly presented.

The group then proceeded to the main business of the evening, the election of the two members of the Milestone Staff. As a preliminary to the proceedings the proposition of Mr. Marvin Meengs name to the ballot for Business Manager, was made. The results of the voting gave Mr. Raymond Steketee the position of Editor-in-chief of the annual, and as his co-worker, Marvin Meengs. The two officers-elect then spoke a few words.

After light refreshments the party broke up.

PAGEANT PLANS
ALMOST COMPLETE

Plans are rapidly materializing for the production of the "Pageant of the Word" under the direction of Fred Olet and Prof. Simon Heemstra.

At recent meetings of committees in surrounding cities, the dates were definitely set for the staging of the panorama of three hundred years of Reformed Church history. Grand Rapids people will be the first Michiganders to observe the drama on June 5 and 7. On June 12, the same action will be depicted at Kalamazoo. Muskegon follows on June 13. To climax the whole celebration Holland will be the scene of the production for three days on June 15, 16 and 19. Dates were arranged at Holland so that the final performance would fall on the night of the Alumni Banquet. This will enable many former Hopetites to attend both the banquet, which will just precede the evening performance, and the pageant.

Grand Rapids and Muskegon have arranged to produce the pageant in open air amphitheatres similar to the natural one on the Hope Campus. Kalamazoo is the only city to utilize a closed auditorium. The large Central High School auditorium has been engaged there.

SOROSIS-COSMOS
ENJOY EVENINGMRS. DUFFEE ENTERTAINS
TWO SOCIETIES

Mrs. Duffee entertained the Sorosis and Cosmopolitan societies last Thursday night in the reception room in Voorhees Hall. The program, presided over by both presidents, Agnes Tyse and Lester Kuiper, had for its central theme the "Modern Dance." After the invocation by Sorosis Janet Yonker, a paper on "The Evolution of the Modern Dance" was given by Sorosis Dora McCowan. Adrian Kuyper played a violin solo. The main feature of the evening was the debate on "Resolved, That the ban on dancing at Hope College should be lifted." Sorosis Eva Tyse and Eugene Damstra assumed the negative, while Lily May Hawkins and Jim McCarroll pleaded affirmatively. A vote of the audience was taken, and the votes for dancing on the campus overwhelmed those against it. The concluding number was a vocal solo by Sorosis Hui-zinga accompanied on the piano by Sorosis Mildred De Pree. The critics, Sorosis "Billy" Walvoord and Stanley Ver Hey decided the program was finely rendered and very good. A few words by Mrs. Duffee put a fine finishing touch to the program. Light refreshments were served and everybody departed satisfied. "A good time was had by all."

Church Orchestra
Entertains Society

The Dickensian Society at their last regular meeting enjoyed a very splendid and rather unique program. Instead of the customary type of program the society was favored with several numbers by the Prospect Park Christian Reformed Church Orchestra of this city. Between the musical numbers there were extemporaneous talks by Bert Van Malsen, Garrett Roozboom, Floyd Kleinjan, Harvey Kollens, and Gelmer Boven. All these savoured both of humor and practical advice. William Ooms, the new President, conducted the meeting and after a few yells the society adjourned for its regular business.

GOODRICH LINE ADDS 4TH
BOAT TO ITS SCHEDULE

Increased passenger and freight business on the Goodrich Transit line between Muskegon and Chicago will result in the addition of a fourth boat on Sunday, it was announced. Under the new schedule boats will leave Muskegon Sunday, Tuesday, Thursday and Saturday. Weekly service will probably be instituted before Decoration day.

Women's League
Supply Comforts

The Women's League of Hope College originated in a Ladies Aid of this city. Three years ago they saw the need for a little beautifying in Voorhees. They are the kind agents in obtaining the comforts for the girls' dormitory in the form of living room furniture, curtains, dishes, and the like. The improvements in the girls' rest room in Van Raalte Hall and "Zeeland's" rest rooms are also their work.

The organization started its career in this city, but now all the Ladies Aid Societies in the Synod of Chicago have been invited to take part and are asked to contribute ten dollars yearly to its support.

It is just another good example of the little things that mean so much, which women think of.

ENTERTAIN FOR VISITORS

Mr. and Mrs. Adrian Nagelkirk of 22 Sweet St., N. W., Grand Rapids, entertained with a party last Saturday evening at their home in honor of Mrs. Nagelkirk's brother and sister-in-law, Mr. and Mrs. Simon DenUyl of Sacramento, California, who are visiting relatives and friends in this city and Holland. STAR OF BETHLEHEM
INSTALLS OFFICERS

The Star of Bethlehem chapter number 40, O. E. S., held an elaborate installation service at the Masonic temple last evening.

A unique feature was when Mrs. Cora Hoffma, outgoing matron, had her associate officers stand and a large miniature airplane flew down from the balcony and little Claude Harris, dressed as an aviator, stepped out and presented the officers presents from Mrs. Hoffma.

The installing was done by Mrs. Bess Gardener of Grand Rapids, P. W. G. M., assisted by Mrs. Nellie Stanaway.

Solos were sung by Mrs. Dunwoody, Mrs. Swenson and Mrs. Harris sang a song, "The Spirit of Spring."

Little Adele Swenson, dressed as a fairy, uncovered five, little children dressed as flowers who presented a basket of flowers to each point of the star. The violet was represented by Margaret Kraker, the daffodil by Florence Hanson, lily, Frances Hoover, green fern, Irene Huesing and the red rose by Joyce McCormick. The program was planned and directed by Mrs. Ira White.

The officers installed were: W. M., Mrs. Grace E. Barnum, W. P., Arthur Van Duren, A. M., Mrs. Iva H. White, secretary, Mrs. Mabel Vandenberg, treasurer, Mrs. Edna G. Bertsch, C. C., Mrs. Claudia Thompson, A. SMALL MICHIGAN TOWN
HAS AIRPLANE FACTORY

Pentwater, a town of less than 1,000 population, 50 miles north of Holland on the Pere Marquette, has one distinction. It has an airplane factory. The factory has been started here by William Lennert, who is manufacturing an all-metal plane to sell at less than \$3,000. This plane, powered by a Curtiss engine, was given a successful flight at the Continental airport in Muskegon the other day. Immediately after the flight the plane was placed on trucks to be taken to Detroit for the aircraft show.

Ben Wolbert died at his home Thursday afternoon after an illness of several weeks.

Henry Jacobs was taken to Ann Arbor where his arm, was amputated. His condition seems to be serious.

Born to Mr. and Mrs. Edward Scholten at the Holland hospital a baby girl.

SHORT CROP OF ALFALFA SEED FOR 1928 SEASON

There will likely be a severe shortage of alfalfa seed during 1928 because of the short seed crop last season. Utah, the largest alfalfa seed producing state, had a crop of 14 million pounds last year against 17 million in 1926 and 26 million in 1925, but Idaho, second in volume of seed production last season, is 7 million pounds ahead of its average crop of the previous year. The combined seed yield of South Dakota, Montana, and Kansas, will be only 5 million pounds. The previous season these three states produced about 15 million pounds.

Of the nine principal seed producing states, Idaho, Arizona, Texas and New Mexico alone are ahead in their yields over the season before.

CONCERT AT
HOPE COLLEGE
IS BIG SUCCESS

Without pretensions at expert criticism we agree with last night's crowd, that Mr. Ritter has made this year's orchestra the "best yet." The Grand March from "Aida" was a thrillingly impressive introduction to an excellently rendered program. There was variety—grandeur, pathos, brilliance, sweetness, and it ended with the rollicking "Ballet."

The sympathetic and patient leadership of Mr. Ritter, together with the hard work of the members, have produced something very worthy our support. Judge from the program:

1. Overture—Grand March from "Aida"—Verdi.
2. The Death of Ase—"Peer Gynt" Suite No. 1—Grieg.
3. Valse Lente—Ballet from "Coppelia"—Delibes.
4. Intermezzo—"Goyescas"—Granados.
5. Roadways—Densmore.
6. In a Sunny Little Town—Vander Pool.
7. Soloist: Stanley DePree, Baritone.
8. Adagio Pathetique—Godard.
9. Elegie—Massenet.
10. Air on G String—Bach.
11. Soloist: Kenneth Mook, Violinist.
12. Turkish March from "Ruins of Athens"—von Beethoven.
13. Ballet—from "Les Millions d'Arlequin"—Drigo.

FINDS EGG, SHELL AND
ALL INSIDE ANOTHER
EGG

An egg perfectly formed with complete shell was found within another egg by Richard O'Neal, Copper City, Mich. O'Neal cooked an unusually large egg laid by one of his hens and upon breaking it he found it was a double egg. The egg is in possession of the Calumet High school, undergoing a process of preservation.

GANGES

Mr. and Mrs. Jewett and Mrs. Hadden, of Holland, and Mrs. Baueches, of Grand Rapids, were Sunday guests of Mr. and Mrs. A. W. Seymour.

The community players gave the sacred drama "One of the Nine" at Holland, Thursday night, but were unable to give it at Saugatuck Sunday night because of illness of some of the cast.

FENVILLE

There will be a regular meeting of the Fenville Woman's Club on Wednesday, May 2nd. The musical has been postponed until a later date.

Mr. and Mrs. Bauhahn and family, of Holland, were visitors in the R. R. Shannon home the first of the week.

Mr. and Mrs. J. H. Crane came home from California this week, where they have passed the last four months. Both are feeling fine, have enjoyed themselves greatly and they covered over 10,000 miles in their travels.

Deputy Sheriff, Will Bryan, recently killed a dog east of Fenville and another one was killed near Otsego, both of which had rabies, and in consequence word has been received by Sheriff Lughton, from Lansing, that the quarantine on dogs shall be kept in force until July 25. All dogs running not bearing the vaccination tag will be shot.

Dr. Corkill and the stork have had a busy week and during the time they have left babies as follows—a girl to Mr. and Mrs. Earl Bushee and also to Mr. and Mrs. Clifford Dalley; a boy to Mr. and Mrs. Chas. Feller. The doctor and Mrs. Corkill saved out a choice little fellow for themselves and named him David Charles. He came to them Tuesday, April 24th.

NEW GRONINGEN

The average percentage of attendance for the month of April in the New Groningen school is 94.1 per cent. There have been many absences on account of sickness. Willard Riemersma, who was absent for most of April, is again able to attend school.

Last week being Animal Week at the local school, the second, third and fourth grades wrote stories about "How We Should Treat Animals."

Bernard Sterken of New Groningen created much excitement on Monday of this week when he brought a herring gull, which he had caught, to school. All of us were real anxious to see it and we took a picture of it. The sea-gull was a young one and unable to fly because of an injured wing.

Glenn Schaap, an eighth grader

at New Groningen school, has been neither absent nor tardy for the last four years of school. We believe this is a fine record and hope more pupils may attain this mark. With the county examinations only three weeks away the New Groningen school seventh and eighth graders are being given several tests and reviews with interesting results.

NOORDELOOS

Let us
clean your heating system
and take all the dirt away

NO FUSS... NO MUSS... NO DIRT... NO DUST

We will send the world's biggest vacuum cleaner to clean your heating system—no matter what make or type—and take all the dirt away.

An eighth of an inch of soot in your heating plant wastes 28% of your fuel. Soot corrodes castings and smoke pipe and is also a fire hazard. Fire chiefs everywhere endorse our cleaning method and urge its use. The work is done quietly, quickly and cleanly without muss or inconvenience by courteous, careful, trained men. It can be done while the painter or the laundress is working. The low cost of this service will amaze you. It pays for itself by saving fuel, labor and furnishings. Your

house stays clean because the biggest source of dirt—your heating plant—is thoroughly cleaned by a powerful suction force that reaches every nook and corner from chimney pot to ash pit.

Over 400,000 homes made safe and sanitary by this giant cleaner last year—not a single chimney fire reported. Orders are pouring in. Cleaners are already busy. Get your order in quickly because we cannot hope to fill the demand for this unusual service. Don't wait. Reserve your date. Special spring prices enable you to save by ordering now. Shell Motor Oil

Speed demands this better oil

Gone are the days when motorists were content to jog along at a moderate pace. Now, fine highways—white ribbons of concrete linking town to town—present an irresistible temptation to step on the gas and send the speedometer flying up.

Shell Motor Oil is competent to meet the strenuous demands of modern driving. Made from crude oils selected for their rich lubricating qualities—to specifications which provide an ample safety factor—by an improved process which avoids the destructive action of extreme heat—this oil has been scientifically refined to have just the right viscosity (body). It is thin enough to lubricate every whirling metal surface—thick enough to stand the gaff.

Shell Motor Oil—logical running mate for Shell Gasoline—is available at all Shell yellow-red service stations and Shell dealers in the correct grade for your car.

The annual Junior-Senior party of the high school was held last night in the local armory. A speech by the Senior class president, Wilard Meengs, was followed by one by the Junior class president, James Tyse. The remaining program was given as follows: piano solo, Ruby Smith; vocal solo, Jean Herman; reading, Miss Remink; marimba solo, Peter Boter; violin solo, Roy Mooi; and a play by a few Hope college students.

NORTH HOLLAND

Some of the Sunday school teachers of our local church attended the second annual Ottawa County Children's Division Workers Conference, at Holland on last week Tuesday afternoon, April 24th. The meeting was held at the Methodist church, commencing at 2 o'clock. Many inspiring talks were given by the speakers, and those who attended must admit that the time there spent was worth while.

Miss Mabel Brower from this place, a Holland high school student, was among the thirteen students from Holland who competed in the District Shortland and Typewriting contest held at Muskegon last week Saturday.

Mr. and Mrs. Jacob Van Dyke Sr., residing southwest from this place, were most pleasantly surprised at their home on last Friday evening by their children, when they helped them celebrate their thirty-ninth wedding anniversary. Dainty refreshments were served and an enjoyable evening was spent by all.

Mr. and Mrs. James Van der Ven, have vacated their house which they rented at this place, and have moved to a place on West 13th St. in Holland. We regret seeing them leave us, although we are happy to state that Mr. Van der Ven will continue his work as principal at our local high school the coming year.

Mr. John Van Harn, ninth grader at our local high school, is unable to attend school on account of bruises received from an automobile accident on last Saturday. Miss Josephine Buitema, led the Christian Endeavor society on last Sunday evening, her topic being "Right Attitudes towards the Religions of Others."
