Mayor Stops Argument Over Alderman's Bill

WELFARE REQUIREMENTS
ARE DOWN A LITTLE

Boulevard Light System May Be
Continued to and on North
River Avenue and
Bridge

Common council met in regular
session last evening with Father
Fred Ryan of St. Frances church
in charge of devotions.

A letter of appreciation was re-
ceived from retiring City Attorney
Charles McBride, who had been in
charge for 17 years and 4 years
previous to his last regime, mak-
ing 21 years of faithful service.
Mr. McBride thanked the aldermen
for the privilege of enjoying so
much of the city service and wished
for his successor, Mr. Clarence
Lokker, the same loyal support
that he enjoyed.

Etta Kaiser asked for a license
to sell soft drinks at 448 Wash-
ington and a request was made to
be allowed a license to sell refresh-
ments on the Emersonian House
property, corner Central avenue
and Tenth street, during Tulip
Week, was left to the license com-
mittee.

Alderman Fritz Jonkman of the
Fifth ward reported that he had
presented a bill for services ren-
dered in the amount of \$99 for su-
perintending the moving and erect-
ing of the new grandstand at Riv-
erview park, namely the stand
moved from the Holland fair
grounds. He stated that the bill
had been held up by the committee
and asked for an explanation as to
the reasons why.

Mr. Albert Kleis, chairman of the
claims committee, stated that he
did not understand that the alder-
man from the Fifth ward was to
be paid for these services and for
that reason did not feel called
upon to allow the bill.

Mr. Jonkman, on the other hand,
contended that he had been em-
ployed by the common council to
superintend this job and had given
his time faithfully to look after
this construction at Riverview park.
He stated that the common coun-
cil had allowed two previous bills
for similar services and that this
unallowed claim was just as prop-
er as the former claims and should
be allowed. This started a little
"fireworks," and not a little dis-
cussion in which it was claimed
that this was part of an alder-
man's duty. After the matter had
been gone over for some time a
vote was taken on the allowance
of the claim and on a motion of
Alderman Kleis the vote stood as
follows: to not allow Jonkman's
bill, Kleis, Prins, Brieve, Wolman,
Hyma, Van Zoeren, Steffens, Har-
rington, Veltman and Van Lente. Al-
derman Hynzer, Jonkman's col-
league in the Fifth ward, was the
only city father favoring Jonk-
man's claim.

When Alderman Kleis was
asked why he allowed the first
bills of Jonkman, which it was
contended should not have been
authorized, he said it must have
been goodheartedness. Mayor
Bosch stated that this method
must not be repeated and bills in
the future must be allowed only
if these are correct and just.

It appears that the previous
bills, amounting to \$296, had been
allowed by the ways and means
committee after much hesitation.
Mr. Jonkman contended that this
council at a meeting when the fair-
grounds property was purchased,
named him as superintendent of
construction as this relates to the
placing of the large grandstand,
and in spite of the fact that man-
said it was not workable the stand
is in excellent position and shape
today. Mr. Kleis, however, con-
tends that Jonkman was simply
made an added member of this
committee and thus performed his
official task.

Mr. Jonkman stated that the lat-
ter Frank Brieve also authorized
work and payment therefor. He
stated he worked for five months,
including labor in the evenings on
numerous occasions and trips to
Grand Rapids and Lansing.

Mayor Bosch used tact in stop-
ping further arguments by sug-
gesting that the council meet with
Jonkman and thus endeavor to ar-
rive at a satisfactory settlement.
This proposal was unanimously
adopted.

The welfare requirements are a
little lower than before. Instead
of nearly \$4,000 for two weeks the
amount now is: regular aid, \$824-
50; temporary aid, \$2,474-01; total,
\$3,298-51.

The common council, through
the public building committee, is
providing for extra rest room fa-
cilities during Tulip Time Week.
Besides the services at the city
hall and Centennial park, Masonic
Temple and Armory, the public
school facilities will also be avail-
able.

The civic improvement commit-
tee recommended that the drink-
ing fountains be turned on in time
for Tulip Week, and that the
wooden shoe signs at the limits
of the city be "lit up" for the
summer.

A change in the request relat-
ing to the Ottawa Furniture Co.'s
recent proposal which would put
75 men to work, making \$48,000
worth of juvenile furniture, was
made. Attorney Jay Den Herder
appeared before the council and
asked to have the terms modified
for labor temporarily, \$2,000 of
it was to go for lumber and ma-
terials and the balance for labor.
This new request was referred to
a committee consisting of Mayor
Bosch, City Attorney Clarence
Lokker, Arthur W. Wrieden and
if they deemed it wise to change
this arrangement that a special
meeting of the common council
could then be called to pass fi-
nally on the matter.

Possibly the boulevard light-
ing system may be continued on North
River avenue to and on the new
bridge. A new estimate of cost

DECORATION DAY PREP- ARATIONS ARE STARTED BY MAYOR BOSCH

Mayor Nicodemus Bosch calls
Memorial Day meeting Monday
night in the following announce-
ment:

"Memorial Day has always been
an occasion of great import to Hol-
land and vicinity. Our people are
a patriotic people and have al-
ways shown a spirit of loyalty not
only to the soldiers living but to
the soldiers dead.

"Memorial Day is not a day of
rejoicing nor a holiday of sport
but rather a day of thoughtful,
sober commemoration when we can
through proper exercises and the
placing of garlands, show our de-
voted loyalty to the fallen heroes
of all American wars. It was
through these brave men that the
nation has remained united and
prosperous.

"Memorial Day, 1932, should be
one of deep reflection when our
statesmen living might emulate
through wise judgment and legis-
lation, bringing back a condition
that will perpetuate what these
brave soldiers fought and died for."
I, therefore, ask you to attend
the Memorial Day preparation
meeting to be held in the G. A. R.
rooms at the city hall next Monday
night at 7:30 o'clock, when ar-
rangements will be made to prop-
erly celebrate Memorial Day.

GARDEN PLOTS WILL BE PARCELED TONIGHT, FRIDAY

Needy families in Holland who
desire the use of a garden plot are
requested to meet tonight, Friday,
at 7:30 o'clock in the office of
Henry S. Bosch, welfare director,
in the city hall, at which time the
parceling of lots on the city prop-
erty on East Sixteenth street will
be made. Mr. Bosch stated that
no lots will be reserved for per-
sons who fail to attend the meet-
ing.

REMOVING BLOCKED OVAL OF LAKE MICHI- GAN SAND

The oval of Grand Haven is par-
tially open and already many mo-
torists are taking advantage of the
opportunity of reaching the wa-
ter's edge and enjoying the delights
of the long smooth beach and the
beauty of the lake. A big steam
shovel, removing sand, has dug out
the area on the inside turn near
the caretaker's house which admits
cars to the west side.

The area from the north end
down to the caretaker's house is
also cleared, which provides plenty
of parking space. The remainder
of the oval is buried under many
feet of sand, which will take at
least ten days to be removed, said
Edward Morse, superintendent, who
is in charge of the operations for
the state.

The sand is being dumped on the
west side of the oval to build up
one end which was dug out pretty
badly this winter. It is estimated
about 6,000 yards of sand has
blown in on the driveway this year,
the heaviest blow that has occurred
since the oval was built and which
is due to the lack of snow and mo-
isture last winter.

The park will be officially opened
May 15, when much of the play
equipment, the benches and tables
will be placed at Ottawa Beach
oval. There is also some digging
and sand removing to do before the
park opens, but this is not serious.

HOUSE BURNED—\$1,000 LOSS

A morning fire called out out
both fire departments to a home
located southeast of the city, be-
longing to Mrs. Vande Bunte, but
occupied by John Eding and family.
The fire started in a defective
chimney and before the fire de-
partment could lay hose from the
Holland Furnace company mains to
the house, a distance of 600 feet,
the old dwelling was pretty well
gutted and Chief Blom's estimation
is \$1,000 damage.

NO SUGAR BEETS THIS YEAR, BUT NEXT, MAYBE

Lack of ready finance is the
main factor in not being able to
open Holland's sugar beet factory
this year. A committee of citi-
zens consisting of John Vander-
veen, Charles McBride, Otto Kra-
mer, B. P. Donnelly, William
Arendshorst, Charles A. Gross
journeyed to Detroit Saturday to
make a final effort to interest the
Great Lakes Sugar company of-
ficials to consider the Holland
plant for operation this year. Not-
withstanding the fact that the out-
look for a successful sugar beet
crop in this section is assured, to-
gether with other overtures the
committee made to the heads of the
Great Lakes Sugar company, the
officials could not see their way
clear to accept the committee's pro-
posals. The committee was, how-
ever, tentatively assured that the
Holland plant would receive favor-
able consideration for possible
opening of same for 1933.

Peter Stam of Paterson, N. J.,
who was scheduled to speak in the
Immanuel church, has called off
all engagements in western Michi-
gan on account of illness. He has
returned to Paterson, N. J., after
attending the graduating exercises
at the Moody Bible Institute of
Chicago from which his son gradu-
ated.

George Reams was the oldest
resident of Allegan county until his
death recently at one hundred
years, he had lived in Wayland 31
years, coming to Michigan from
Ohio when a child.

shows that the city can save some
money at this time. The old es-
timate is \$4,182 and the new esti-
mate is \$3,262.78. The amount of
labor involved is \$867.79; materi-
als, \$2,494.97.

Gerrit Kragt was again ap-
pointed city scavenger and the
Holland City News received the
city printing contract.

Many Bands To Be Featured On Decoration Day

PLANS ARE TO AMALGAMATE
A HALF DOZEN NEIGHBOR-
HOOD BANDS IN ONE
BAND FOR THE DAY

Decoration Day falls due on Mon-
day, May 30, giving a two-day vaca-
tion, namely Sunday and Mon-
day. Memorial Sunday will be held
on May 29. Thus far no arrange-
ments have been made but a meet-
ing will be called for next Monday
evening at G.A.R. rooms at 7:30
with Mayor Nicodemus Bosch
presiding.

No doubt the American Legion
Band, the Holland Martial Band
and the Holland High Band will be
in the line of march and exercises
will be held in Centennial park as
usual, followed later by another
program at Pilgrim Home ceme-
tery.

However, there is a mammoth
band proposed by Band Leader
Bert Brandt of Holland, who di-
rects all neighborhood bands such
as Borculo, Jamestown, Hudson-
ville, North Side School, Montello
Park and kindred bands. He says
if given the chance he will bring
to Holland a large band of 75
pieces, an amalgamation into one
of all the neighborhood bands and
he will bring them here without
it costing the committee one
penny.

This surely would be an outstand-
ing feature and Mr. Brandt has
been invited to the meeting Monday
night to make known what he has
to offer.

Preparations for Memorial Day
are starting out late this year and
with "Tulip Time" intervening to
take up a great deal of time there
is little time left to make prepa-
rations for a day that has always
been made much of in Holland and
vicinity.

Elsewhere will be found a call
by Holland's new mayor.

HOLLAND MUSICIANS' CLUB TO PRESENT MUSICALS

The Kleynberg string quartet
will appear before the Holland Mu-
sicians' club on Tuesday, May 10.
The musicals will be held at the
home of Mrs. W. Buss, Park road,
at 3 o'clock. The committee in
charge is Miss Ruth Keppel, Mrs.
W. Buss, Mrs. G. VanVerst and
Mrs. A. Visscher.

The string quartet is the highest
form of chamber music. Discrimin-
ating critics consider this the
most aristocratic and refined type
of music. Some of the world's
greatest musical literature is writ-
ten for string quartets. The mu-
sicians' club is fortunate to be able
to secure a musical treat for their
final concert of the year.

The program will be presented
as follows:
Quartet 12, allegro vivace assai,
muetto, andante cantabile, molto
allegro, Mozart; quartet 7, menu-
etto-allegretto, adagio cantabile,
finale-vivace, Haydn; Canonette,
Mendelssohn; Berceuse, Reber; The
Mill, Raff-Ponchou.

The club is not sponsoring an
artist recital for Tulip Week this
year. Instead the club voted to
present the Holland Civic orches-
tra with \$50. The annual meeting
will be held May 11 at the home of
the president, Miss Ruth Keppel,
at 3 p. m.

NINE OUT OF TEN MADE NEW CITIZENS

With the exception of one, mem-
bers of the class of 10 applying
for citizenship passed the examina-
tion at the city hall yesterday.
Haven and were admitted as citi-
zens of this county. Nick Dykstra,
Zeeland, will have to appear later
as the deposition had not arrived
in time. There were seven pre-
liminary examinations being held,
the list of which was not available.
Those admitted as new citizens
were: Arie DeVisser, Holland;
Marchena A. De Vries, Holland;
Henry Hardenberg, Zeeland; Jacob
Gutknecht, Holland; Henry Bar-
nett, Spring Lake; William Henry
Boer, Holland; Boer, Holland, and
Sybe Lykeke De Vries, Holland.
An examining officer from the
Detroit office was in charge.

ROTARY CLUB PAYS TRIBUTE TO ROY B. CHAMPION

The Holland Rotary club has
placed in its records the following
tribute in memory of Roy B. Cham-
pion, superintendent of public
works, who passed away on April
21.

To those intimately associated
with Roy B. Champion there lingers
an inspiring memory of ear-
nestness of purpose, devotion to
duty and an intense desire to serve
in the building up of an important
department of civic life.

"His friends knew him as a mod-
est, gallant Christian knight; as
one whose purity of soul and spiri-
tually enlightened life had caused
them to stop and think of the high-
er values among the humdrum
tasks of life; whose lucidity of
thought and finely tempered qual-
ity of mind were a never failing
delight, and whose character was
so rich in goodness, whose daily
life so filled with kindness as to
inspire in all with whom he came
in contact a more kindly feeling to-
ward their fellow men and a firmer
resolve to live a richer and fuller
life."

A statistician has found that con-
gress spends \$840 per week for
printing speeches that are never
delivered. But think how much
worse it would be if they were de-
livered.

Rev. J. Lanting, pastor of the
Immanuel church of this city, is
holding gospel services in McBain,
Mich., this week.

Jack Rezelman of this city was
arrested Wednesday on a charge of
speeding on a motorcycle on State
street.

FIFTY YEARS AGO TODAY

Under the liquor law, Holland
saloons will have to pay the fol-
lowing: Selling spirituous or intox-
icating liquors at retail, \$300; at
wholesale, \$500; selling malt brew-
ed or fermented liquors at retail,
\$200; at wholesale, \$200. The full
amount of the bond is given as
\$3,000. Holland druggists selling li-
quor must give a \$1,000 bond. Note:
And there were never any delin-
quents in license paying annually.
Besides all druggists also sold li-
quor, in fact, their selling when the
saloons were temporarily closed here
in a "wet and dry" battle, was one
of the bones of contention. The
wets threatened to start drug stores
and, in fact, two were started.

rier drifted ashore a little north of
Grand Haven pier. The loss of the
Otis has never been fully explained
and like that of the foundering of
the Chicora and the Alpena, re-
mains one of the mysteries of "Big
Lake."

A sad accident occurred Tuesday
in Centennial Park when the little
son of Mr. and Mrs. Wm. Nykamp,
52 W. 17th St., was drowned in the
fish pond in the center of the park.
The water is not deep, however, the
little fellow of four years was un-
able to save himself. A little son of
Mr. and Mrs. Frank Kamaraard, 3
years old, was playing with the
Nykamp child, and when found he
pointed to the pond and the dis-
covery was made.

OLD HOLLAND PIONEER PASSES AWAY AT 89

Millard Harrington, uncle of Au-
stin Harrington of Holland and
closely related to all the Harring-
tons here, died at Odd Fellows
Home at Jackson, Mich., at the age
of 89.

Mr. Harrington was one of the
old pioneers of Holland, son of the
late George Harrington, who set-
tled in Fillmore township at the
time when Isaac Fairbanks con-
ducted an Indian trading post there
and helped Dr. Van Raalte with the
Indians when he came here with his
little band at the head of Black
lake.

Millard Harrington was one of
the founders of the Odd Fellows
lodge in Holland more than a half
century ago, and nearly a decade
ago it was his desire to spend his
remaining days in the home for
Odd Fellows at Jackson.

Besides farming Mr. Harrington
also dealt in real estate. Mr. Har-
rington's father had the distinction
of being the man who drove Dr.
Van Raalte from Allegan to Black
lake in 1847, when the founder first
set foot on the shores of this bay.
It took twelve hours to make the
drive over these 20 miles by ox
team, when the road was little
more than an Indian trail through
dense woods and underbrush.

The Harrington family has
played an important part in the
founding and building up of this
vicinity, covering a period of "four
score and ten years."

Quite a story could be written of
the Harrington and Fairbanks
families, but space forbids to in-
sert it in this article.

Mr. Harrington is survived by
one daughter, Mrs. Winnie Lindsay
of Chicago. Interment took place
Tuesday at Jackson and many of
the Harringtons from here at-
tended.

MR. COVINGTON DIES AT HOLLAND HOSPITAL

Robert Covington, 38, Holland
route 4, died early Thursday morn-
ing at Holland hospital following an
operation Sunday.

Mr. Covington is survived by his
wife and six children, Clara, Lu-
cille, Frances, Theresa, Robert, Jr.,
and Joan; one brother, Harry Cov-
ington of Holland; one sister, Mrs.
H. J. Evans of Lafayette, and his
mother, Mrs. E. Soans, of Chicago.
Mr. Covington was born June 20,
1894, in Lafayette, Ind. He later
came to Michigan and has been a
resident of this community for sev-
eral years. He was formerly em-
ployed at Geerds Electric Shop.
Funeral services will be held
Saturday morning at 9:30 o'clock
at St. Francis de Sales church, Pa-
ther St. Wm. Ryan will officiate.
Burial will take place in Holland
cemetery.

The Walsh De Roo Milling and
Cereal plant of this city was sold
at public auction in Grand Haven
Saturday for \$16,932.34. The prop-
erty was bid in by John J. Cappon
as trustee. Note: One building now
houses the Standard Grocery Co.
and the other the De Pree Co. lab-
oratories.

The Holland Christian Reformed
Church at Overland commemorated
the semi-centennial anniversary of
the birth of that denomination
there. The pastor, Rev. J. Hiemen-
ger, delivered an address on the
history of the church and a large
chorus rendered a cantata prepared
by Rev. H. Vander Werp of Har-
rison, South Dakota. The church was
packed to the doors.

Lean, Arend Visscher, E. E. Fell,

These men had three sites to select
from: the James A. Brouwer home
on East 9th St.; the Kleinhekel
home on 12th St., across from Hope
campus and the Dr. Kremer's home.
They selected the last named. More
than \$16,000 has already been do-
nated in Holland.

At a meeting of the Holland W.

half of the organization, presented
Mrs. Sam Habing with a beautiful

tor of Hope church will again

Word has been received here that
Rev. R. L. Haan, former Holland
pastor, now of Orange City, Iowa,
has been very successful and is the
highest paid divine in that denom-
ination. They have raised his sal-
ary from \$1,400 to \$1,800.

ceiving considerable favorable pub-
licity in all the Holland newspapers

600 BOYS TO HIKE TO WAUKAZOO

This is National Boys' Week and
the Holland boys are doing their
part. Six hundred of them are to
hike to Waukazoos Saturday morn-
ing. Saturday evening members
of both the Rotary and Exchange
clubs, who are sponsoring this out-
ing as a Big Brothers' committee,
will go with their automobiles to
Waukazoos to bring the youngsters
back to Holland. Joe Geerds is
chairman of the Exchange club and
Chester Beach of the Rotary club
committee.

It is the duty of the members of
these clubs to drive to Waukazoos
late in the afternoon to bring the
boys back.

GRANDVILLE WHITE MEN INSTEAD OF HARTFORD BLACK MEN

Holland's opening baseball game
will be played on Saturday after-
noon, owing to a cancellation by
the Hartford Colored Giants of Chi-
cago. The colored boys were un-
able to play at Holland Friday be-
cause of the postponement of their
Saturday and Sunday games at
Grand Rapids.

As a substitute the Grandville
Merchants, one of the finest teams
in western Michigan, will be here
Saturday afternoon at Riverview
park to oppose the Holland Boost-
ers. The Grandville-Holland
game is scheduled to start at 3
o'clock.

Grandville will present a snappy
outfield by Eddie and Duke
McCoys, who have made names in
semi-pro baseball in Grand Rapids.
Eddie and Duke are known as the
best shortstop and third baseman,
respectively, in this part of the
state.

The supporting cast will include
several former college stars and
others who have had considerable
experience. Grandville is an old
rival of Holland, and the team will
be accompanied by a delegation of
fans.

Benny Batema has his Boosters
in trim for the opening tilt. Scrim-
mage games with the Dutch Boy
Broad outfit has done a great deal
to get the boys in condition. Bat-
ema has Ed Wolters, Lefty Sakers
and Russ Wolters, for the opening
pitching assignment.

The Boosters will be dressed in
their new uniforms of white and
red. Bud Westerhof will catch,
with Spoelstra, Slighter, McCarthy
and Uenema in the infield, and
Mark McCarthy, Japinga and Nor-
lin in the outfield. The price of
admission for the game is 25 cents.

Marian Stone of Zeeland, and
friends from Holland were guests
over the week-end of Mrs. E. R.
Hall of Newaygo, Mrs. Stone's
grandmother.

Holland Man Tells of State Sunday Schools

TAKES 70,000 TEACHERS TO
TEACH 3600 SCHOOLS, SAYS
GEO. SCHUILLING

Our fellow townsman, Geo. Schu-
illing, president of the Ottawa
county Sunday School Association,
and also honored in the state as
one of twelve trustees of the state
organization, in an interview a few
days ago gave those not aware of
the facts rather a surprise when he
told of the development of Sunday
School work in Michigan which
speaks well for the youth and those
who give liberal of their time and
means every Sunday to teach the
young folks, together with not a
few adults. A report of the Michi-
gan Council of Religious Educa-
tion, according to Mr. Schuilling,
states that in Michigan there are
approximately 3,600 Sunday
Schools, enrolling 700,000 pupils
and staffed by 70,000 volunteer
teachers. These are the Council's
concern. To reach them with help
through co-operative institutes,
training schools, conventions, and
other inspirational and training op-
portunities is its program. Eight
hundred officers of county and dis-
trict councils share in this effort.
Six hundred of these appeared for
special executive training during
the year.

The staff of the Michigan Coun-
cil, three in number, were on the
field for actual service, a total of
547 days. This involved 45,366
miles of travel into 74 counties,
reaching 32,845 Sunday School
workers in 35 denominations. Sev-
enty-five district institutes, 57
county conventions, 18 one-day
training schools, 25 institutes for
children's workers, 22 for young
people, adults or Sunday School
superintendents, took up a large
part of the time. One hundred and
ten cigarette demonstrations and
banquet results were given before
15,000 high school students and
their teachers.

There were 364 Vacation Church
Schools held in 58 counties, enroll-
ing 29,499—an increase over 1930
of 10,000. 167 non-Protestant and
603 unaffiliated children were in-
cluded. New schools were held in
16 counties. 51 new co-operative
community schools were opened.
Of the 364 reported in 1931, 215
were co-operative. Much of the in-
crease was due to the united ap-
proach to the field by the denom-
inations through the council. Six
regional institutes were held for
the training of Vacation School
workers.

That is a better story than the
dead load of first page stuff relat-

A Job For Solomon

Over in Ontario a university professor claims that a nervous breakdown resulted because he was kept awake by the crying of babies in an infants' home near his residence. Now a judge must decide whether or not the noise made by a crying baby is objectionable and a nuisance before the law.

Unquestionably a baby's cries can be disturbing. Many a father has distractedly asked his wife if something couldn't be done to stop the torrent of sound pouring from the mouth of his offspring. Many a mother has wondered frantically whether the book might not be wrong when it counseled a certain amount of screaming and yelling to develop infant lungs. But a parent soon learns to detect the meaning in the vocal outbursts. There is one kind of cry for temper, another for hunger, another for minor discomfort such as an open safety-pin, and yet another to tell the nursery world that baby is really sick.

In any case, so long as there are babies, there will be babies crying. The Ontario professor, being a dean of science at his university, ought to know that. The judge ought to tell him that if his nerves can't stand the sound of infant wailing, he should live somewhere else and consider it his hard luck that a home for babies should have settled down as his neighbor.

The advisory board of the Rainbow Girls will hold a meeting tonight, Friday, at 7 o'clock in the Masonic Temple.

GEESE ACCUSED
FALSELY AGAIN

They Do Not Destroy Considerable Wheat as Thumb Farmers Claim

One of the reasons given by the farmers throughout the Thumb district of Michigan for their willingness in allowing hunters to hunt for wild geese in their grain is likely to be that the birds destroy considerable winter wheat by pulling up the plants. This is a food they relish. However, W. L. McTea, Federal biologist, says: "The damage caused by these birds often is not as serious as supposed. When the soil is moderately firm, wildfowl merely nip the grain plants and leave the roots in place. This results in stunting and the growth of a larger number of stalks, and their grain is likely to be a benefit to the crop rather than an injury. In many localities our bureau representatives have found that actual production of crops in fields fed over by wildfowl was no less than it would have been if the fowl had not fed there."

Communication

Dear Editor:
Although I know I shall be looked upon as a crank by many persons, I would like to repeat the appeal I made through these columns last spring in behalf of the wild flowers. Please let us not pick them! Confidently, I was assured by some persons last spring that "there are millions of them," but just as positively there were many who told me of not many years in the past when the mosses and the lady's slipper were very common. Now they are rarely seen. The selling of the out-of-doors of nature, to the people of the central states is the second largest industry of Michigan. Why not protect our wild flowers, fill the woods with them and let the facts be known through the city papers and there is no reason why the season for summer guests should not begin in a small way at least a month before the time that we have always reckoned as the opening of the season. Many city folks, especially children, have never seen wild flowers blooming in profusion. Let our city fathers cast official protection over them in the woods nearby, then let our publicity agent make known that we have them here to be enjoyed and the results may be surprising.

Morel Mushrooms
Presently

In some seasons there are marketed in Allegan considerable quantities of mushroom which is found mostly in the old pine regions although it is found in old meadows and orchards. Most people find them exceedingly good to eat — as good as any other sort of mushroom. In appearance these mushrooms are entirely different from other kinds, so once seen they can not be mistaken for poisonous or any other sort.

They have large, hollow stems; tops are either conical or round, fast to stem or loose from it; in color they vary from light brown to black; roughly ridged surfaces; and there are six varieties, all edible, and varying but little in form. They grow singly or in groups and appear after warm, early spring rains. In cooking they are usually fried but they are "creamed" or cooked with meats, particularly beefsteak.

This sort appears after warm early spring rains. In dry springs scarcely any appear but under opposite conditions they are plentiful. Evidently the spores exist long times in the ground and develop under favorable conditions. Many people like to hunt for them while others make the gathering entirely a matter of profit for they sell readily and at fairly high prices. They are known as morels and are of the fungus family morels. The so-called beefsteak mushroom is only one kind of morel. — Allegan Gazette.

COLORED GIANTS
CANCEL FRIDAY'S GAME

A cancellation on the part of the Hartford Colored Giants of Chicago will deprive Holland of its opening baseball game this week. The game between the colored boys and the Holland Boosters, which was scheduled for Friday, has been indefinitely postponed.

The Hartford Giants were to have played at Grand Rapids on Saturday and Sunday, and when the furniture city arrangements were changed, the Chicago team was forced to call off its trip through Michigan this week.

Arrangements will be made to have the colored stars, who used to play here several times a season, make an appearance here some time this month.

William H. Padgett, who has been in the national veterans' home at Dayton, O., since April 15, underwent an operation Monday for double hernia.

EX-SLAVE, 103 IS BURIED
AT GRAND HAVEN

Funeral services for Mrs. Isabella Graves, colored, who recently observed her 103rd birthday, were held at Grand Haven Tuesday from the Methodist church.

Mrs. Graves died Saturday at the home of a daughter-in-law, Mrs. Nellie Thompson, Muskegon. The body was brought to Grand Haven Saturday.

Mrs. Graves was born in slavery, the property of a wealthy plantation owner named Thomas Aler, March 22, 1829, in Fredericksburg, Madison county, Virginia. She said her father was named Lawson Washington, and from the custom of the day in taking the name of the owner of the plantation, he was believed to have been a slave on the original Washington estate at Mt. Vernon.

Mrs. Graves' husband, who had escaped from his master, was with the Union forces under Sheridan during the Civil war. After the war was over Mr. and Mrs. Graves settled in Grand Haven and later Spring Lake, where they worked for the Cutlers and Savidges. Mr. Graves in the saw mill and Mrs. Graves in the household.

Mrs. Graves was a member of the Methodist church and was well known in church circles.

Star of My
Life

Even ere I breathed the breath of life
Your prayers, like rays of heavenly light,
Illumed safe paths for me to tread,
To point my ways in places bright.
Through childhood days of helplessness
And mystery, strange pain and tears,
You led me ever from the depths
Of joyless hours from needs or fears.

Star of my life—
My mother,
New interests with added years
Have come, but none that does imbue
With greater faith than your sure love;
Nor orb that gleams more brightly through
The clouds that float across my view
To peace and happiness and God,
To guide, to comfort, to sustain,
As life's uneven course I plod.

Star of my life—
My mother,
I know 'tis not without distress
You've kept your light before my feet,
Oft times I've followed errant bent
And brought you grief and sore defeat.
But your true life and patient love
Have ever kept plain the surer way.
Though I fall short, you have not failed;
For this I honor you today.

Star of my life—
My mother.

WINNERS IN ORATORICAL
CONTEST SELECTED

Miss Myrtle Beuwkes and William Smit won the oratorical contest at Holland Christian High school Tuesday evening. They will represent the local Christian school in the triangular oratorical contest to be held in Holland on May 20.

The other schools competing will be Grand Rapids Christian High and Chicago Christian High. This is the sixth in a series of contests between the three schools. Both Grand Rapids and Chicago have won twice while Holland won once. The school which receives the plaque upon which is engraved the names of the winners for each year, the greatest number of times in the ten years, will become its permanent possessor.

Miss Beuwkes, who was the only entry for the girls, spoke on "The Future of Democracy." Mr. Smit, the other contestant, spoke on "What Shall We Do With Prohibition?" The judges were members of the senior high faculty.

Preceding the oratorical contest a declamation contest was staged by the four grades of the junior high school. Ella Monsma was awarded first place and Beatrice Wabeke was winner of second place. Others competing were Ruth Warner and Betty Groeneveld.

William Wilds

PRESENT COUNTY CLERK OF
OTTAWA COUNTY

Announces his candidacy for nomination at the September primaries on the Republican ticket. Mr. Wilds has no platform and makes no campaign promises other than a continuation of the present efficient service rendered by his office.

Mr. Wilds followed Orrie Sluiter, now clerk of the federal court in Grand Rapids, as county clerk. Mr. Sluiter held office for 10 years and resigned to take the federal position. At his resignation, Mr. Wilds, who had been in the United States Army during the World war, was appointed to the position which he has held for three terms.

A native of Grand Haven, Mr. Wilds has lived there all his life with the exception of the absence during army service. During the World War he held a first lieutenant's commission in the United States army and was mustered out of service in November 1919. At the present time Mr. Wilds is commissioned a major of the reserve. He is a member of the American Legion and served for some time as adjutant of the post at Grand Haven.

In addition to duties as county clerk, Mr. Wilds serves as Clerk of the county board of supervisors, the road commission and various special county commissions. He is also purchasing agent. Mr. Wilds has been a lifelong Republican and at present is secretary of the Ottawa county Republican committee.

Mr. Wilds occupies his present position through coming up from the ranks. As a young man he worked in the old "glass factory" and later with the Grand Haven Gas Company. Before the war he was City Clerk of Grand Haven which position he resigned in 1917 to enter the U. S. Army. After the war he was employed by the Chicago File and Rasp Company at Grand Haven until May, 1926, when he became County Clerk.

NEW C. E. UNION BOARD
HOLDS FIRST MEETING

The new officers and board members of the Holland Christian Endeavor Union held their first meeting Monday evening at the home of the president, Marvin Schaap, 743 State street.

It was announced that 60 registrations were received for the state Christian Endeavor convention to be held in Grand Rapids June 23 to 26. This is one-third over the quota of 45 allotted the local group.

The union having its quota in the main office first will lead the procession at the convention banquet. On May 17 the local union board will entertain the members of the Golden Chain union, of which Justin Vander Kolk is president. Ernest S. Marks, field secretary of the state, will speak. At this meeting problems relative to Christian Endeavor work will be brought up.

An invitation was extended to board members to attend the junior rally at 2:30 o'clock Sunday afternoon May 22, in Third Reformed church.

Plans were discussed for the coming year. It was decided to hold three union meetings besides the annual meeting in April. The first will be a program of conference type to be held in October. A banquet is planned for the first part of December and a devotional meeting will be conducted during Christian Endeavor week.

Following the business session refreshments were served. Those present were Jack Juist, Gerald Kleinhessel, Miss Helen Gierhink, Miss Muriel De Witten, Henrietta Huizenda, Miss Marian Luideis, Miss Rose Van Voort, Louis Cotts, Miss Irene Plak, Henry Kleinhessel and Mr. Schaap.

Frog Voices Fill Marshes

They Are First To Come Out of Hibernation in the Spring

The shallow waters of our ponds and marshes are now resounding with the voices of the leopard frogs, among the first of our frogs to come from their hibernation in the spring. Their music is low-pitched and has a soft guttural quality.

The green frogs, too, are making their presence known—in fact, this species is more or less active all winter when the temperature is not too low, which probably accounts for much of the frog music that has been reported from time to time during our recent mild winter. The croaking of this frog, often repeated five or six times in succession, is said to resemble somewhat the drumming of the woodpecker, but to be sharper and more explosive in quality.

Not until some time in May are we likely to hear the low croaking of the pickerel frogs, whose prolonged notes have been described as resembling the sound produced in the tearing of cloth, and it may not be before late May or early June that the bullfrog's "jug-rum," delivered in a deep bass voice will be added to spring's chorus.

Pres. W. Wichers
Will Release Six
Scholarships

TWO AMENDMENTS TO THE CONSTITUTION WERE PASSED

The board of trustees of Hope college held a meeting Wednesday afternoon after they had had dinner at Voorhes Hall. At this meeting President Wynand Wichers was given authority to release six scholarships for Hope college to neighboring high schools. The selection of the schools which may apply for the scholarships is left to the discretion of President Wichers. The scholarships are financed by a fund set aside for that purpose.

Affairs of the Leader and De Hope, Reformed church publications, were referred to the executive committee and definite action will be taken at the meeting of the board in June.

Two amendments to the constitution were passed to clarify paragraphs in the by-laws, and routine reports were presented by the president of the board and by the treasurer.

The afternoon session, which was to have adjourned at 4 o'clock, lasted until almost 6 o'clock. Board members attending the meeting were Rev. John A. Dijkstra, of Grand Rapids; Herman M. Liesveld, of Grand Rapids; Henry Winter, of Holland; Dr. Peter J. Den Herder, of Zeeland; Rev. F. T. Zandstra, of Chicago; Rev. Jacob Bronwer, of Chicago; Rev. Nicholas Boer, of Grand Rapids; Rev. Cornelius H. Swan, of Grand Rapids; Rev. H. D. Ter Keurst, of Holland; Rev. H. W. Pyle, of Overisel; George Calenberg, of Chicago; Prof. James Sterenberg, of Galesburg, Ill.; Peter H. LARGE GROCERY AND BAKING
FIRM CELEBRATES HALF
CENTURY OF PROGRESS

The golden jubilee observance of the founding of the Kroger Grocery and Baking company is now under way throughout the nation, including Holland, where four stores of the company are located. The jubilee spirit prevails in 1000 other communities in which 4,844 stores can be found.

An unusual feature is the fact that the founder himself, B. H. Kroger, is taking a part in the celebration. It isn't often that the founder of a fifty-year-old business enterprise survives to enjoy its golden jubilee.

Mr. Kroger started as a coffee and tea merchant in a little store in Cincinnati. Two weeks after the store had opened Mr. Kroger's partner drove the new horse and wagon across a railroad right-of-way. The result was a dead horse, a wrecked wagon and \$68 worth of groceries destroyed, but the partner escaped with his life. The loss amounted to \$518.

time later when one of Kroger's annual sales volume of \$244,871-

147. The company made new history recently by establishing the Kroger Food Foundation, with an endowment of \$1,000,000. The Food Foundation is the first institution of its kind affiliated with any food dispensing enterprise. It is a scientific attempt on the part of a big business organization to present its customers with the best goods obtainable through a series of continuous investigations. It is notable also in that it is an entirely new idea for big business to concern itself with serving the public without direct compensation. Its studies are placed at the disposal of the public through educational literature, demonstrations and giving out information in response to inquiries, which pour in upon it in a steady stream.

Recently the Foundation established Fellowships in three famous Universities. These Fellowships will supplement the work of the Kroger Food Foundation and bring to bear wider range of viewpoint and experiences on its research in foods and food values for the benefit of the American housewife and her family.

Approaching its fiftieth anniversary, the Kroger Company recently began an expansion program in which an expenditure of approximately \$1,000,000 will be involved in the immediate future.

Commenting on this, Albert H. Morrill, President of the Company, said: "We have complete confidence in the immediate future of business

in the Middle West, where the majority of our stores are located, and we are sure that this expansion of facilities at the present time is fully justified."

It has been a policy of the Kroger organization to take a vital interest in the affairs of the communities in which its stores are located. It holds membership in the local Chambers of Commerce; it contributes to the local Community Chest or other welfare funds; it helps support local endeavor and governmental upkeep by paying rents and taxes; it deals with the local banks and, above all, it employs local people, whose wages are spent, in turn, in their home communities.

CAN LIVE YEAR WITHOUT
FOOD - DON'T WORRY
ABOUT THE DEPRESSION

There are probably no other animals in the world that exercise such economy of energy in the securing of food as the reptiles. A large snake in the wilds in search of a meal usually travels to a nearby water hole and waits for its prey to come along. As soon as a prospective victim puts in its appearance the snake attacks. By the end of a 15 or 20-minute struggle the snake may not only have killed but completely swallowed an animal of sufficient size to furnish it nourishment for several months. It is said to be possible for a large python to exist for a year or more without food.

TULIPS By Albert Van Andel Bright, scarlet flowers, growing mid bowers, Lend beauty to early spring days; They nod drooping heads as they stand in their beds, Which border the grass-covered ways. So small, so gay; so proud in their way Of the colors they flaunt for a cause; All who would pass, alone or in mass, Are forced to marvel, to pause. They find it their duty to lend added beauty, To make people's hearts bright and gay; For spring is tuliptime In Holland—in May.

GD. HAVEN MANAGER: CITY SALARIES CUT

Peter Kammeraad, county surveyor, became city manager of Grand Haven at a salary reduced from \$3,600 a year to \$2,500. He succeeds Ed Boongaard, who was appointed temporary city manager last August following the resignation of Walter Baumgartner in a controversy with members of the council.

The council last night named Kammeraad to the post, decided to borrow \$5,000 for unemployment relief, and reduced salaries of city officers generally. It cut \$200 from the salaries of the city attorney, city clerk and deputy city clerk. The treasurer was reduced \$100 per annum. The harbor board, instituted here five years ago by former Mayor H. H. Hillman as an advisory body, was abolished by the council and the following appointments were made: N. P. Oei, city clerk; K. T. Vandenberg, deputy city clerk; Charles E. Misner, city attorney.

HOLLAND SEA SCOUT AND PETER NORG TO HELP IN ZEELAND PROGRAM

A real program will be staged in the American Legion rooms in the city hall of Zeeland Monday night, when the American Legion will entertain all the boys of the city who are 15 years and over and wish to become members of the local unit of the American Legion is the sponsoring organization in the East Central district and although its charter was presented some time ago, members are needed and all Zeeland boys are invited to the big event, no matter if you have had previous scouting experience or not.

In scouting, the older lad is regarded as a fellow who has passed the "kid stage," now he is classified as the youth of this country. The scout organization realizes that and the lad is given an opportunity to become a member of one of the largest youth groups in the country.

In scouting, the older boys are given the essentials of naval work in connection with life. A program which presents enough spice to make it worthwhile as a good time organization and a program that develops character and leadership to the nth degree is the aim of scouting. A boy from any walk of life may become a member. The work is as interesting to the rural lad as to the city fellow.

Motion pictures showing the work of scouting will be shown and two scouts from the Holland unit will be present to demonstrate various scout degrees of work. Scout Executive P. H. Norg will also be present to tell of various activities of the work.

The last meeting of the year for the Saugatuck Woman's club will be held this Friday afternoon when there will be gathered into the melting pot the sums of money earned by the ten committees for the new building for club and library. VANDENBERG OIL CO. MAKES SPLENDID CONNECTIONS WITH GULF REFINING CO.

The Vandenberg Bros. Oil Co., where the moving spirits are William C. Vandenberg and Vaudie Vandenberg, state that they have made long-time connections with the Gulf Refining Co. (Delaware), for the distribution of all Gulf petroleum products. Their distribution under the head of Vandenberg Oil Co., will not be confined to their store of stations in Holland and immediate neighborhood alone, but will embrace Ottawa, Allegan and Berry counties. However, headquarters will be in this city.

The Vandenberg brothers are of Holland stock. This is the place of their birth and they have grown up with the city. There has been a tremendous development in their oil enterprises and though busy men have found time to give a large share of it to civic welfare and public relation work. In fact they have been unstinting in helping in all Holland projects benefitting the community.

In an interview with William C. Vandenberg, he states:

"The Gulf Refining Co. has its own production and refineries and has complete marketing facilities in 27 states. The Gulf gasoline coming into this territory brings its products within 48 hours from its base refinery at Toledo. Holland is always assured not only of prompt delivery but ever fresh merchandise. It is not generally known that gasoline gets stale as well as other things when kept too long in storage and naturally deteriorates and becomes lacking in 'pep.' The older it gets the more power it loses. A chemical change takes place and valuable 'light ends' are lost while fresh gasoline puts a surplus power in your motor.

"We can now assure our customers buying Gulf goods that they are getting fresh, new-made gasoline that will make the motor run smoothly without a knock and has packed away in it surplus power so essential in automotive performance."

Former Local Man Is Active In Politics

PRESIDES OVER DEMOCRATIC ROLLY, WHERE FORMER HOLLAND MAYOR SPEAKS AS DEMOCRATIC CANDIDATE FOR CONGRESS

Attorney Theodore H. Elferink a graduate of Hope but now prominent in Democratic politics at Grand Rapids, presided over a rally held in that city where the candidacy of former Mayor Ernest Brooks for congress was advanced.

Mr. Elferink is the son of Henry Elferink River ave. and Mrs. Elferink was formerly Miss Anna Kolyn of Holland, who gained oratorical fame at Hope College. Anyway Mr. Elferink wants the democrats to stand together according to his talk at the Grand Rapids rally.

The Grand Rapids Herald relative to the meeting says that following an attack by one speaker on the previous record of former Mayor Ernest C. Brooks of Holland, a guest speaker at the meeting held in Macabess hall, Mr. Elferink said: "If the Democratic party is to win it must draw from the ranks of those who have previously been in other parties. If you are going to make the Democratic party a closed corporation in 10 years it won't have as many members as the G. A. R. Such tactics will make it as dead as the dodo bird."

Mr. Elferink added that he was not a member of the club, but felt constrained as a supporter of the party to "speak at this time."

It appears that at the meeting F. H. Welch took the floor and started an attack on Mr. Brooks for his support of Brucker in the last campaign, but was stopped by the chairman, who ruled that the club took no issues as between candidates for Democratic nominations.

This brought forth Mr. Elferink's brief address, and was followed by several other admonishing harmony.

Mr. Brooks took some time to defend his record as a Democrat, but made no reference to his support of Brucker. He advocated payment of the balance on veterans' compensation certificates. He said that he was a strong supporter of Christian temperance, and at one time was an ardent supporter of prohibition, but had become convinced that the 18th amendment has not place in our Constitution. He advocated its repeal and the leaving of liquor control to the states. He advocated steps to relieve unemployment, and said that funds should be made available by the federal government to aid the states in meeting these problems. Louis J. Vandenberg of Holland, who was called to the platform by the chairman, defended Mr. Brooks. Although Mr. Brooks supported Brucker during the campaign two years ago because of personal friendship, the speaker said he had demonstrated by his work with the Democratic organization in Ottawa county that he is a strong party man.

The Holland Fish and Game club is devoting its efforts toward beautification of its grounds at New Gromingen. About 800 trees have been planted, shrubbery has been set and the place has been raked and cleaned. The shiner pond has been stocked and new refuse placed in the ponds. The bass ponds will be restocked at a later date. The club now has approximately 700 members. Twenty cents of each member's dues is being devoted to welfare work on the grounds. Several members have purchased extra memberships, which are being given to former members unable to renew. To keep them interested in the work of the club, Attorney Clarence Lokker is the president.

Mr. and Mrs. Roy Beardslee of South Bend, Ind., motored to Holland and were the week-end guests of Mr. and Mrs. Ren Mulder and daughter Lucile, 79 West 15th St.

Mr. and Mrs. Ben Kamferbeek were the guests of their children, Rev. and Mrs. Isaac Van Westenberg, Chicago. They have been sight seeing, visiting the World's Fair to be in 1933.

Marriage license applications have been received at the county clerk's office from the following:

The fact that a Chicago woman broke her neck when she fell from a chair while setting the clock an hour ahead is no argument against daylight saving time.

David DePree, son of Rev. and Mrs. Henry P. DePree, Reformed missionaries in China since 1907, recently underwent an operation for double mastoid, according to advices received here by relatives who are apprehensive of his condition. Mr. DePree is president of the South Fukien Theological seminary.

Announcements are out telling of the opening of a new cleaning, pressing and dyeing firm named Carleton Cleaners, located at Sixteenth street and U.S. 31. Herbert F. Dyke and Carl Nelson are the proprietors.

Welfare Director Henry S. Bosch has listed approximately 60 applications for free garden plots for raising produce during the season. Allotments of one-eighth to one-half an acre will be parcelled out to heads of needy families after the field has been placed in condition for planting. Lots will be staked out next week.

Fred Van Wieren, Park township highway commissioner who sustained a broken ankle received while working on a bridge in the township, visited Holland but on crutches. You can't keep Fred indoors if he can hobble about.

Martin Whittemore of Park township, is moving to Zeeland to live.

RIVERSIDES

Prove their quality again

"I should be licked for driving these roads"

Montgomery Ward & Co., Chicago, Illinois. Sayville, Long Island

Gentlemen: As a salesman I drove my Buick Master Six this year a little over 16,000 miles. Every kind of driving from the New York City traffic with sudden stops and quick starting to three months of long hot runs in midsummer to the Pocono Mountains in Pennsylvania. I should be licked for driving some of those sharp stone mountain roads, but the best trout fishing is where roads are so rough the other fellow is afraid to drive there. This fall I've been up scrub-oak roads rabbit shooting and that driving is hard on tires too, but thanks to Riversides, they stay with me. During the entire year, and 16,000 miles, not one of the Riversides has been off the car. I know of nowhere in the U.S.A. that a man can get more mileage per dollar expended than he can in buying Riversides tires.

Very truly yours,

STATE POULTRY TRUCK IN OTTAWA AND ALLEGAN COUNTIES NEXT WEEK

The poultry truck prepared by the college to show methods of growing chicks and building home-made equipment will be shown in Ottawa county two days next week. A member of the college poultry staff will explain the models and methods of producing healthy pullets without losses. Meetings will be held as follows:

May 10—Forest Grove, Smallegan's store, at 10 a. m. North Holland school grounds at 2 p. m.

May 12—Conklin Grange hall at 10 a. m. Blenden Town hall at 2 p. m.

Prospects are bright for better times in the poultry business because few eggs are in storage, less hens on farms and less baby chicks sold this year. Profits will depend upon healthy birds properly grown, fed and housed. Losses are caused by diseases, parasites and poor methods and equipment.

Models of poultry houses, brooders, shelters, watering troughs, feeders, copies of rationals will be shown. Agricultural Agent Milham will be present to answer questions on farm problems.

Mr. J. E. Hancock, poultry specialist for the Michigan State college, will hold an afternoon and evening meeting at the Hamilton Co-operative garage on Wednesday, May 11, beginning at 2 p. m. fast time. The evening meeting is scheduled to begin at 7:30 p. m. fast time. Included in the truck exhibits are complete models of a poultry plant, laying house, brooder house, summer shelter, wire screen out-door porches, mash hoppers, out-door drinking dishes, charts showing proper feeding rations, and methods of controlling coccidiosis. Pictures on quality egg production will be shown in the evening. If you are having any trouble with laying hens or baby chicks, come in the afternoon and discuss your troubles with Mr. Hancock.

Hope College News

Although the Girls' Glee Club has returned from New York, they still continue to be very busy presenting concerts in Holland and nearby communities.

Last Friday evening a delightful concert was given by them at the fourth Reformed Church in Grand Rapids, where Rev. Ellerbroek is pastor.

The Spring Retreat of the Michigan State Student Volunteer Union was held April 23 and 24 in Battle Creek. A representative, though not very large, group was present from Albion, Hillsdale, University of Michigan, Calvin, Battle Creek, and Hope. Hope had a fine delegation of nine students.

New tactics have been adopted by the State Union as decided at this retreat. State membership will include not only those definitely planning on missionary service, but also all who are sincerely interested in the cause of missions.

As another progressive measure all volunteers are to seek new and more extended contacts during the summer, seeking to aid in arousing increased missionary interest and missionary giving.

With these new principles as a background, the program and fellowship of the retreat had added meaning. A Chinese student at the University of Michigan, Benjamin King, gave his views on the present Chinese situation in the light of China's past. Then more personally he sketched the desirable and undesirable characteristics of foreign missionaries as he saw them on the field.

Dr. E. M. Dodd of the Presbyterian Board of Foreign Missions, in two addresses pictured the transformation and confusion in the changing Orient of today, and a corresponding need of missions to build up where other forces have been tearing down.

Then in a series of devotional studies showing the various interpretations of Christ, Dr. J. M. Wells created the atmosphere of worship. These addresses, with the periods of fellowship and social activity and sleep (?) filled the week-end to capacity.

Women representatives of the three lower classes will compete in an oratorical contest which will probably be held on Voorhees Day with the men's oratorical contest occurring a week later. Some of the women who will contend in the preliminaries are Misses M. Rottschafer, G. Van Peursem, R. Verhey, D. White, B. Visscher and Van Bree. The men to enter the preliminaries are Kuizenga, Toonian, Christian Walvoord, D. De Witt, De Young, Rumery, Stewart, Joe Esther, Gerald Heersma and Harri Zegarius and Sherwood Price. Preliminary eliminations will be made about two weeks before the final event in which about six or seven women and the same number of men will compete. The judges will be faculty members and the two final victors will be our representatives at the M. O. L. in 1933.

The entire arrangement is under the supervision of the Pi Kappa Delta of which Miss Marie Verduin is manager.

More definite announcement of this event will be given in next week's Anchor.

The wood sprites and water nymphs in the vicinity of Eagle Crest Park were treated or mistreated to a performance of the Senior Class play last Saturday. The scenes were given at the discretion of the actors and under the circumstances, which seemed most fitting at the moment. It is doubtful if the author would have recognized any of his work had he been a witness, but the cast and guests provided their own applause so the success of the performance was assured.

The afternoon was spent in almost unrestrained hilarity and when evening arrived all were waiting and ready for the meal prepared by Mother and her daughters at the Moir's cottage. George Painter and Waddy Spoelstra managed in some unexplainable fashion to consume at least half of the provisions with absolute disregard of Mrs. Durfee and Vera Van Duren.

The warmth of the pleasant hour elicited an interesting story hour which affected Andy much like a bed time story. The old folks, including Al Tarrant especially, enjoyed an interesting exchange of experiences and ideas until fatigue or perhaps the dormitory rules demanded that the party break up. Regardless of the opinions of those who attended the first two performances of the play, the cast feels that the enterprise was at the least a social success.

The Y. W. meeting last Tuesday opened with a peppy song service led by Adelaide Dethmers. After the devotions, which were conducted by Edith De Young, Julia Walvoord, the newly-elected Y. W. president took charge of the meeting. The subject of Miss Walvoord's talk was "Streams." She pointed out the fact that one's life could be like a dirty, sluggish stream, or like a clear, sparkling river. Bitter and sweet water cannot come from the same source, therefore, if our lives are to be consistent they must have only Christian qualities. Miss Walvoord also said that as rivers and oceans always flow towards the sea, we, as Christians, must always go to God. She then summed up the achievements and work of the Y. W. during the past year, closing with a brief sketch of the ambitions and purposes of the incoming cabinet.

The special music, a solo, "Oh, Jesus, Thou Art Standing," by True, was beautifully rendered by Annetta McGillivra.

The meeting of the Divinity Guild, which was held on Wednesday afternoon, April 27, was in charge of Vice-President Elkie Meyer, who, after the song service,

read Romans 12. A season of sentence prayers was then offered. The speaker of the afternoon was Mr. Henry Geerlings, whose topic was "The Three Factors—Happiness, Co-operation, and Service." Mr. Geerlings explained that the spiritual side of each factor is essential in order to produce the best work for God and man. Prof. Hinkamp closed the meeting with prayer.

The next meeting of the Guild will be held at the beach probably on May 11. A large attendance is desired. Watch for the date!

Negotiations with Mr. Mulder have resulted in the decision, concurred in by the Anchor staff, of publishing the annual edition of student creative writing as a supplement of the Anchor. In order to help finance the publication, one number of the Anchor, that of May 18, will be omitted, and the twenty-four page volume will appear on May 25, probably under the nameplate of former years, Pegasus Pony.

Since the publication is to be genuinely democratic, any one who so desires may contribute material for consideration. The committee in charge, consisting of Ivan Johnson, chairman, Joan Walvoord, Harry Zegerius, Gertrude Holleman, Edith De Young, Preston Van Kolken, and Sherwood Price, is anxious to receive contributions on or before Friday, May 6.

Professor Deckard Ritter, adviser, promises that the booklet this year will be of special value; the high quality of the material already under consideration, presages the success of the publication, he feels certain.

Gordon Van Ark, who was editor of the Hope "Anchor" and literary editor of the "Milestone," has attained the position of business manager of a booklet of education which has a far-reaching circulation. As the "Milestone" put it, some people just naturally fall for such a thing as newspaper work, but it's not the only time Gordon fell.

"May I make one suggestion before you take any action, Mrs. Thomson?" said the State President of a certain federation of women's clubs. "I realize this matter is entirely in the hands of your local committee, but I wish to be helpful in every possible way."

"Let me urge you to consider only a printer in your own community in placing the order for your annual program. We have found that it is almost never satisfactory to have such work done elsewhere. Report of the Soldiers Relief Commission

April 11, 1932.

To the Honorable Board of Supervisors of Ottawa County.

Gentlemen:

This Commission begs leave to report that during the past five and one half months, they have given aid to 192 families, totaling 200 adults and 241 children, or a total of 441 people.

We have secured the admission of two people to the Michigan Soldiers Home. One of these is a Civil War widow and the other a World War Veteran.

In a case of a World War Veteran, who has been squandering his money received as a pension, in other ways than the support of his family, we have secured the appointment of a guardian, in this case the money will be disbursed by the guardian, for the support of the family of the veteran.

We have secured the cooperation of the different Welfare Agencies in the County, and we feel that we have prevented the return of the immediate rights of electing Road Commissioners to the people at large.

PETER DYKMAN, and 48 Others.

Mr. Damstra moved that the petition be laid on the table until the committee are appointed, which motion prevailed.

possible to get two thirds of the people liable for assessment to sign such a petition as any one familiar with drainage conditions will agree.

The question of bonding districts, for periods of time ranging from five to ten years was also the subject of an address.

The discussion of this subject brought a difference of opinion about equally divided among the Commissioners, present whether it was a good and one.

An open drain was around ten years before cleanup was necessary, and on this account bonding would not be feasible for this type of drain.

Near the large cities, where large covered drains are necessary and such work being of longer life, than the open drain in the rural region. Under such conditions bonding was in more favor. This condition effects only a few counties in the State.

I am extremely grateful for having the opportunity to attend this meeting, and thank you for having made it possible.

Yours truly,

DR. J. C. BORK.

Report of the State Auditors

Ottawa County Audit.

July 1, 1932 to June 30, 1931.

Findings.

We wish to thank the county officials and clerks for their assistance in the making of this audit.

Cash on deposit in banks was verified by certificates obtained direct from the depository banks and reconciliation thereof with the amounts shown by the county treasurer's ledger. Cash on hand was counted on December 14, 1931. With the few corrections noted, we are satisfied that the cash receipts were properly accounted for and disbursements correctly recorded during the year of this audit. The bonds on hand represented by the bond account were verified by physical count and inspection.

On department receipt No. 196 a fine of \$1.00 was received in the General Fund. This was corrected by transfer No. 41 on January 6, 1932. By receipt No. 221, an estimated ball bond amounting to \$200.00 was placed in the Library Fund. This was corrected by transfer No. 42 on January 6, 1932.

Department receipt No. 194 calls for \$44,633.06, but was not entered in the cash book. This was charged to the Bond Fund and credited to the Revenue Account. This amount is the purchase of bonds and is to correct the difference between the amount shown in the Bond Fund and the amount of bonds actually on hand and owned by the county. This evidence was caused by the bank, sometime in the past, obtaining the bonds for the County Sinking Fund and charging the purchase of bonds to the county's account. The \$10,000.00 of matured bonds also shown in the Abstract of Funds were matured in June, 1930, but was not entered under 1931. See Treasurer's transfer No. 27.

The proceeds from the May tax sale of 1931 were received for July, 1931, and by which, in this County, Road Commissioners are now appointed by the Board of Supervisors instead of being elected by the direct vote of the people, be rescinded, and that suitable action be taken by you to return the immediate rights of electing Road Commissioners to the people at large.
