## Council Grants Beer Permits In Holland

### ALL PERMITS MUST RECEIVE FINAL SANCTION OF LIQUOR CONTROL COMMISSION

Several beer permits were granted by the common council last evening, the first being given to Warm Friend Tavern, the next to the Elk's club, then follow the A. and P. Food Stores, Fred Zalsman Star Grocery on East Eighth street, Kuite's Market, conducted by "Sunny" Kuite, on River avenue, Frank Underwood Bottling Works, retail and wholesale, on West Eighth street, Bos Tobacco and Candy company on East Eighth street, the Green Mill cafe, Chris Korose and the Model Drug store on River avenue and Eighth street.

Under the state law drug stores are not permitted to handle beer unless a restaurant is a main part of their business. It is understood that Mr. Henry Wilson is to remodel the building in a separate apartment for a restaurant which will make beer selling possible.

All these permits were granted by a unanimous vote of the common council and must be finally approved by the Michigan state liquor control commission.

Character, responsibility, qualification and citizenship of the applicant are all taken into consideration. The applicant or a majority of a firm's personnel must be American citizens. It takes the majority of the legislative body of a city to grant a license. It takes a two-thirds vote of this body to revoke a license.

The Holland permits were all granted subject to the law and with the understanding that if the law was not complied with the revocation of the license would be automatic. Mayor Bosch made this plan last evening and this was fully concurred in by all the aldermen.

### SCHOOL BUDGET MEETING THIS THURSDAY NIGHT

Nothing definite has been done up to this time relative to the salaries of teachers. As the Holland City News goes to press, however, the board of education is meeting at the high school to make a final decision as to teachers' salaries.

The teachers received a cut last year and are on contract at this salary rate up to June. An endeavor will be made tonight, however to make a cut of 35 per cent, including the salaries on the last semester for which the teachers have a contract and also covering next year. This in reality would mean a cut computed over next year of approximately 45 per cent if the teachers accept a cut of 35 per cent during the balance of this school year.

### CLARENCE JALVING TO TALK AT PUBLIC MEETING

Clarence Jalving, receiver for the Peoples State bank, will speak at a public meeting in the city hall this Friday evening under the auspices of the Holland Civic club. He will discuss "Some Aspects of the Present Banking Situation."

The session will be one of a series of public meetings which the club will sponsor to bring subjects of value and interest to the citizens of Holland.

### TRADE DOLLAR DRIVE BY GRAND HAVEN MERCHANTS OPENS SATURDAY

Grand Haven will open a trade dollar campaign Saturday morning with an issue of \$2,000 which has been subscribed to by more than 75 merchants and professional men. The trade dollar is a similar form of scrip to that which has been issued in other cities. A dollar in scrip is given out with each \$5 purchase or \$5 on account and the possessor must affix a special 2-cent stamp whenever he uses it. The dollar must be stamped every three days whether it is exchanged or not. The plan is creating much interest both by business men and the public, and is receiving enthusiastic support.

### ALL-AROUND SENIOR GIRL— SOME LADY

The best all-around senior girl in Holland High school is an alderman, was vice president of Kappa Delta, is a great little singer in the glee club and sextette, and was a delegate from Holland to the North Central chorus which met in Grand Rapids April 26. She has wonderful originality, and is asked to appear in practically every performance in demand to make campaign or advertising speeches because she is very good at getting an idea across to her audience. She was a delegate from the school to the district extemporaneous speech contest. Her name has been on every honor roll and she is one of the ten receiving the highest scholastic average in the senior class. By this time you have guessed that the girl is Emily Evans. Not only is Emily an outstanding person in school, but she is the main attraction on the dance floor, the best dancer, and is a cheerful disposition and is a friend of every one. She is the best all-around senior girl. — Augusta Heneveld in the High School Herald.

Mrs. J. E. Telling of Macatawa boulevard and Mrs. Hazel Guild of this city motored to Lansing today.

## CHARGE ALLEGAN LAWYER WITH TAKING OWN CAR

The coupe belonging to Attorney Leo W. Hoffman of Allegan was stolen last Thursday night. It was recovered shortly afterwards, deserted near the state highway garage in Allegan, but not before word had been sent surrounding cities to be on the lookout for the car. The next morning Hoffman drove to Kalamazoo where he was apprehended by Kalamazoo authorities for driving his own car. As far as they knew it was still stolen property. After some delay he convinced them it was his car. He is the son and partner of Attorney Clare Hoffman.

### COUNCIL NOTES

There was a double set of council members last evening. The high school mayor and aldermen and officials were given seats with our regular city fathers so they could receive some conception as to how a city is governed. It will be remembered that during Boys' Week tomorrow the high school officials of the city will have the keys of the city and will govern Holland for one day with headquarters in the city hall.

Veterans of Foreign Wars requested a permit to sell "Buddy" poppies on Saturday, May 20. The permit was referred to the Chamber of Commerce Tulip Time committee to prevent any conflicting sales that might occur.

Joe St. John also asked to be permitted to sell flowers during Tulip Week. His request was also referred to the Tulip Time committee.

Alderman Huyser announced that the ordinance committee was making progress on a dry cleaners' ordinance to be presented in the near future. This ordinance will govern certain types of dry cleaning.

Alderman Huyser, backed by Alderman Jonkman, suggested that censorship be made of some of the pictures at our local theaters. They personally state that they seldom attend but claim that some of the pictures were not up to standard. Your editor does attend and often as a matter of recreation, and the vast majority of the productions shown are well up to standard.

We remember the censorship fight of 1914. It was a terrible battle between movie fans and censors and finally between censors and censors whose opinions as to merit of pictures differed. Any way the members of the common council intend to take up this censorship matter in a sane way and in not too great a hurry. In the near future The News will print some of the stories from the files as this relates to censorship for it sure brought a great deal of bitter feeling because of the conflicting opinions between censors and censors and the large number of patrons of the movie show. It proved to be a three-cornered battle until no more censors would censor.

Welfare costs for the past two weeks approximated \$8,000.

The student council of Holland High school was extended the courtesy to sit with the council during its transactions, Marion Te Roller, the high school mayor, occupying a chair to the left of Mayor Nicodemus Bosch.

### KALAMAZOO ALSO HAS ITS FLOWER SHOW

The local Tulip Festival is especially unique and appropriate as this relates to Holland, but some of our neighbors also think in terms of flowers. We are reminded now of this week a large pansy show is to open up and there is to be the crowning of a queen. Harry Wetter brings home this news since he was called upon to speak at the Kalamazoo pansy banquet and tell them something about Holland's Tulip Time. The spread was called the Pansy Queen banquet, sponsored by the South Side Business Men's association, last Tuesday, and Mr. and Mrs. Wetter were guests of honor.

The hosts called our Holland friend the "Tulip King," who was told that many from Kalamazoo were planning to come during Tulip Week.

Mr. Wetter stressed the point on coming during the week because we have no festivities on Sunday, but if they do come on Sunday they can worship with us in our churches and then enjoy the beauties of a real clean and beautiful city.

Mr. Wetter states that at the Pansy Queen contest there were 17 contestants; that Miss Grace Marshall, age 17, was selected queen, and that Miss Virginia Carstens, next choice, is to accompany her on a plane trip to the World's Fair in Chicago.

Helen Dustman was third and Orma Domonech was fourth and they received a Bulova watch and diamond necklace. Miss Lucille Fowler was selected as "Miss Kalamazoo" to go to the Blossom Festival at Benton Harbor.

Mr. and Mrs. Wetter both predict that the little human-faced pansies, millions of them, will be a sight worthwhile.

Mr. and Mrs. Louis Van Bragt of Holland route 6 announce the marriage of their daughter, Miss Margaret Van Bragt, to L. Broughton Wells, son of Mr. and Mrs. Harry R. Wells of Grand Rapids. The marriage was performed last Saturday in South Bend, Indiana. Following a short trip the newlyweds will make their home at 139 Diamond avenue, Grand Rapids.

## Difficulty In Selecting Our Blossom Queen

### TWO TIES AT THE FINAL BRINGS IN ADDITIONAL JUDGE

Manager Carley of the Holland theater gave the patrons a special treat with the regular show Saturday night and the Holland

was crowded to watch the choosing of the Blossom Queen, who is to go to Benton Harbor to either be queen or to associated with the queen that is to be.

Holland had sixteen sweet participants, and as Frank Lievens, master of ceremonies, said, it was deplorable that all of them could not be given a crown but in the final analysis only one could be chosen. This little beauty was Miss Frances Hoover, junior in

MISS FRANCES HOOVER

Holland High school. However, Miss Hoover did not have an easy time of it for Miss Mildred Essenberg, junior at Hope college, was a very close second, in fact the judging remained a tie on those two in two ballots at the final and an extra judge in the person of Cornelius Vander Meulen was then added to the other four and on the third vote Miss Hoover was selected.

Miss Hoover is 17 years old, 5 feet 4 inches tall, blonde and blue-eyed. It was a very interesting contest in which the audience took great delight in boosting for their respective candidates. The stage was beautifully decorated with flowers and potted plants arranged by John Vanderploeg of Shady Lawn.

A program of music was given during the intervals of judging by the Dutch Masters orchestra directed by Jack Vander Meulen. The judging took the greater part of an hour and Miss Margaret Boter and Miss Ruth Bolhuis tabulated the votes as these were turned in in every elimination. Miss Lillian Kuite collected the ballots from the judges, who were stationed in different parts of the theater.

The list of young ladies who participated in the contest were the following: Pearl Chalmers, Mildred Essenberg, alternate; Marjorie Nevenzel, Helen Shaw, Ruth Halboom, Evelyn Roossien, Frances Hoover, chosen queen; Irene Overbeek, Janet Oudman, Augusta Fogerty, Jean Beukema, Helen Kraker, Marie Dalman, Lois Spiker, Marian Mulder and Vivian Moon.

The judges of the contest were the following: Clarence Klaasen, Ben Brower, C. C. Wood, Vernon Ten Cate and Cornelius Vander Meulen.

### "MISS HOLLAND" IS ENTERTAINED

"Miss Holland," Frances Hoover, will be entertained by the Rainbow Girls at a Dance given Saturday night, May 6, at the Masonic temple. The public is cordially invited.

### "DRINK TO ME ONLY"

High School Herald—No one would ever guess by looking at Kenneth Coster that he is either musically or poetically inclined. Yet, Miss Mulder's second-hour class has been led to believe he is. When he translated what the music of "The Drinking Song" meant, after hearing John Mulenberg play it on the trombone, Kenneth claimed that he could actually hear the beer bottle corks coming off and the beer "gurgling" out.

### ANOTHER TO GO TO THE "DARK" CONTINENT

Angus Brower of Beaverdam is training as a missionary and plans to leave for "Darkest Africa" soon. A large number of mission workers are now selecting the most dangerous and most difficult spot on earth in which to spread the gospel. This has been shown in the case of Miss Johanna Veestra who was isolated from the rest of the civilized world both in life and in death and was buried the same day of her death in the very heart of "jungle land." She never swerved from her sacrificial duties.

## News Items Taken From the Files of Holland City News Fifty, Twenty-five and Fifteen Years Ago Today

### FIFTY YEARS AGO TODAY

Our "city dads" observed Arbor Day last Thursday, by replacing the dead and lifeless trees in "Public Square" and other city parks with various kinds of hardy and thrifty trees. These spots with proper care can be made fine places for recreation for the future. Note: How beautiful these have become is now evident. "Public Square" Centennial Park is now the most striking city park in Western Michigan. Tulip Time will find our parks robed in all their glory. This reminds your editor that when the Holland City News advocated that the sum of \$2,000 be appropriated to beautify Centennial Park more than 40 years ago and the council finally passed the proposal, there was a boycott on the paper for daring to advocate such reckless expenditure of money on a city pasture. And that is just what Centennial Park was—for cows and horses roamed at will and the place was filled in spots with yellow sand with plenty of sand burrs. It had never been mowed until the money became available. It was an unsightly spot to say the least.

The Rutgers College catalogue of 1882 gives a total of 129 students. Of the graduates there are two former graduates from Hope College, Mr. Fagg and Mr. Huijenga. Considering that Rutgers College was established in 1770 her showing reports of numbers is not so good as that of Hope College.

The new steamer built by Moore and Hopkins at Saugatuck slid from her ways into the Kalamazoo River. The steamer is 100 feet long with 17 feet beam. The boat was named Macatawa and will be captained by Wm. Hopkins. She is under charter to run between Holland Macatawa. She can carry 500 passengers. A bandstand has been built on the pilot house. Note: The pleasure boat remained in this port for years. It docked at the foot of Fifth street and large excursion trains unloaded picnickers there almost daily, and these were taken to the Holland resorts. When the interurban came it put out of business all public pleasure boats. The automobile killed off the interurban lines and it would seem that Big Lake steamer traffic is also being "hard hit" because of pleasure cars and public truck lines. And by the way, Capt. Austin Harrington was the first pursuer on the Macatawa. The Macatawa was traded for the steamer Music and was taken to Chicago where it burned.

Henry Ten Cate of Saugatuck, has plowed 120 "war gardens" in that village this spring.

A shower was given Friday evening at the home of Miss Reka Hoek by Miss Hoek and Miss Margaret Muller, honoring Miss Henrietta Plasman, who is soon to become a bride. Miss Plasman was presented with many useful household articles, including a fine rocking chair.

The voice of Wilhelm singing the "Watch on Rhine" will be heard no more in the Cross school at Lamont, Ottawa county. The teacher expressed a wish that the children not play the German record again. Shortly afterward one of the pupils dropped the phonograph record on the floor where it was broken in many pieces. Now Kaiser Wilhelm's voice is cracked, the watch stopped and the Rhine run dry. Note: At that time there was an intense feeling against Germany and even Berlin folks demanded that the name of the village be changed to Marne. Only the Berlin Fair is a reminder of pre-war days.

### TWENTY-FIVE YEARS AGO TODAY

Mrs. Harry P. Boot, formerly Miss Nettie Kleinhessel of Overle, who went with her husband as a missionary to China, died at Chicago where she was taken for treatment for a strange oriental sickness contracted while laboring in the mission field. Mr. Boot is a graduate from Hope college and

### MISS ALICE BOTER IS THIRD WINNER AT IOWA CITY

Miss Alice Boter of Holland, who has attained national fame as a woman orator, won third place at Iowa City.

The Iowa City Press Citizen has the following to say: "Arthur B. Magidson of the University of Wisconsin won the forty-third annual Northern Oratorical league championship and the Frank O. Lowden prize of \$100 in the contest held Thursday evening at the natural science auditorium. Second place went to Paul K. Howells of Northwestern university, with Alice Boter of the University of Michigan winning third. Other speakers were Russell Lemble of the University of Iowa and Lenore Wolfe of the University of Minnesota."

"Each speaker presented an original 2,000-word oration, with Magidson's winning piece entitled "Mediocrity Triumphant," a story of the late Calvin Coolidge's rise from an unknown Northampton lawyer to the presidency of the United States. Howell's subject was "Simple Fools," in which he denounced political graft and waste of tax money. He received the second prize of \$50.

"Miss Alice Boter of Holland received most favorable mention in presenting her subject 'The New Woman.'"

Judges of the contest were: Prof. H. C. Harshbarger of the University of Iowa speech department, Prof. F. M. Rarig of the University of Minnesota, Prof. L. M. Eich of the University of Michigan, Prof. J. L. Lardner of Northwestern university, and Prof. A. T. Weaver of the University of Wisconsin."

## Aldermen Make Appointments For Coming Year

### DR. WESTRAE IS BACK AS HEALTH OFFICER— LOKKER REAPPOINTED CITY ATTORNEY

Monday night was a very important night at the common council rooms. At this time the aldermen made the annual appointments of city officials and board members. Although there was not much stir in behalf of any candidates it was evident that there was an understanding among a large number of the aldermen as to "who would be who" in board appointments and as city officials.

The biggest surprise of the evening came when Dr. William Westrae was voted in over Dr. William Tappan, who was appointed last fall. Mr. Westrae received 7 votes, Dr. Tappan 4, and Dr. G. B. Bos 1 vote.

Attorney Clarence Lokker was named on the first ballot for city attorney. Attorneys Elbert Parsons and Arthur Van Duren received 2 and 1 votes, respectively; Mr. Lokker received 9.

Mr. Lokker, when called upon to say a few words, stated that he felt grateful for the confidence placed in him and he promised to give his best during the coming year and made a plea for co-ordination on the part of all city officials for there never was a time when Holland needed more pulling together than now, he said.

Albert Hoeksema was appointed a member of the library board to succeed Dr. Wynand Wiebers of Hope college. Mr. Henry S. Bosch was reappointed full time city inspector by a vote of 7. A. C. Vander Wilk and John Masselink, other applicants, also received some votes.

Joe Geerds was reappointed on the board of appeals and Henry Oosting was named to succeed George Schurman on that board. John Kookier also received some votes.

Cecil Huntley received 10 votes, reappointing him as member of the board of park and cemetery. Will Visser received 2 votes.

Alderman Al Van Zoeren was named chairman of the playground committee, being elected a member in place of "Spriggs" Te Roller, resigned.

Relative to the appointees on the harbor board we quote the following from the Holland Evening Sentinel: "Considerable controversy arose in the selection of members of the harbor board. Two-year terms for Andrew Hyma, Austin Harrington and Ben Mulder expired. A problem which centered about the retention of Mr. Harrington was solved by increasing the number of harbor board members to seven. Five were appointed last evening. On the first ballot over Mr. Hyma's term, Mr. Hyma was appointed over Ernest C. Brooks, 10 to 2. However, Mr. Brooks was named as a new member, 9 to 3, over Mr. Harrington on the first ballot over Mr. Harrington's term. Alderman Albert P. Kleis next moved that a unanimous ballot be cast for the third member, Mr. Mulder. Alderman William A. Thomson registered an emphatic protest. He declared he had no objection to Mr. Mulder, but considered it deplorable that Mr. Harrington should be removed. Mr. Mulder advised council to appoint Mr. Harrington instead of himself. He spoke strongly in defense of Mr. Harrington, pointing to his ability and information about harbors, his collection of data and his acquaintance with national engineers. Mayor Nicodemus Bosch also pointed out Mr. Harrington's qualifications. On Alderman Thomson's suggestion, five members were named one to serve for one year. Mr. Mulder was appointed by acclamation and Mr. Harrington was named by ballot, 7 to 5, over Alderman Henry Prins, who was nominated by Alderman Kleis. Alderman Prins was named by acclamation as the seventh member for a term of a year."

### WHAT IS IT COMING TO?

The welfare of the city of Holland cost the city \$8,087.06 during past two weeks, which includes a few hangers on from previous weeks. It is a well-known fact that no where in the United States is welfare being so generously taken care of as in Holland. Add to this amount the wonderful work done by the churches, the tremendous distributions in the way of flour, clothing and other necessities of life by the Red Cross, the continued aid from the Community Chest and the endless private contributions to individuals are making a tremendous grand total covering an entire year.

How long the sources of supply can continue is a matter of the gravest importance.

### HOLLAND GAS RATES FOUND TO BE LOW

Council Member F. N. Jonkman, chairman of a special committee to investigate gas rates in Holland, informed the council Wednesday the price is \$1.35 per 1,000 cubic feet, one of the lowest in the entire state.

Sometime ago Mayor Bosch appointed Fritz Jonkman to investigate Holland's gas rates as these compared with rates in other cities. Mr. Jonkman has done some very hard work on this matter, got in touch with Lansing and listed the services of a competent engineer and in the final analysis it was found that Holland's gas rate of \$1.35 was the lowest in Michigan if not in the United States.

The same engineer had just made a survey of a neighboring city where a reduction of ten cents a thousand feet was received from \$1.80 to \$1.70.

After receiving this information and also getting some advice from the state public utilities commission, commenting on the low rate, Mr. Jonkman as well as the mayor and aldermen felt that Holland had nothing to complain about when it comes to gas prices given by Michigan Gas and Electric Company, ably managed in Holland by Mr. Burg.

### "WHERE THERE IS SMOKE THERE IS FIRE"

Some times that heading does not hold true. In Zealand the other day Mrs. A. Vander Ploeg, who had gone shopping, upon her return found her home filled with smoke. She gave the alarm and investigated afterwards, which is perfectly correct. The firemen and the lady of the house found no fire. So like the "ground hog" adage and many others of like nature — smoke and fire sometimes miss-fire.

## OFFICIAL TULIP TIME PROGRAM

On the first page of section two will be found the official Tulip Time program covering the entire period of the festival together with two columns of Tulip Time notes, showing some of the activities of the festival period. It will be well to retain a copy of the Holland City News to follow the events that will be taking place hourly each day.

### OFFICIAL BUDGET OF CITY FOUND ELSEWHERE

The common council finally passed its annual budget, making a cut of \$30,804.45, the total being \$172,558.55. All city officials received cuts including the librarians, city officials and city nurse.

The complete appropriation bill with all details as passed by the common council showing what expenditures can be made is found on page four, section two of this issue.

The salary ordinance is also printed there.

### ZEELAND GRANTS BEER LICENSES

Petition from C. Buikema for a permit to retail beer in the city of Zeeland was read and upon motion of Alderman Hall was accepted and filed. Verbal petition of John Welling for permit to retail beer in Zeeland was submitted and upon motion of Alderman Verreke, was also accepted and filed.

### A BUSY MAN

Major Norman Allen Imire, who was in Holland Wednesday noon to speak before the Exchange club and to fill other speaking engagements in Holland, is apparently a man who never sleeps. Vaude Vandenberg, who was to get the major here for the boys' conference, was called upon to drive to Michigan City, Indiana, to make connections with Holland.

When the major landed here, going at 70 miles an hour in Vaude's "shimmying chevy" he had already been 48 hours without sleep, and still he made a speech that was real wide awake. He made a rattling good speech during the afternoon to the Holland boys at Carnegie gymnasium. After that speech Wednesday afternoon he had to hurry back to LaPorte, Indiana, on Wednesday night. This Thursday noon he addressed the New York Ad Club at Rochester. Friday he is to fill another speaking engagement in New York City.

Major Imire has spoken in all parts of the globe. No man can go from "jest to earnest" quicker than he in his discourses. His coming to Holland was in connection with the observance of national boys' week and this city was fortunate in having secured this nationally known talented orator.

The major is the head of the Culver Military academy, where Vaude and Bob, sons of Mr. and Mrs. Vaude Vandenberg, Sr., attended. William C. Jr., son of Mr. and Mrs. William C. Vandenberg, also graduated from the Culver, Indiana, school.

### SPEAKER SEES SIGN IN THE SKY

Major Imire, head of Culver Military school, was the guest speaker at a joint meeting of the Exchange and Rotary clubs at Warm Friend Tavern Wednesday noon.

Mr. Vaude Vandenberg was put in charge of the meeting by Chairman "Bud" Hinga since Mr. Vandenberg had two sons graduate from that college and was well acquainted with the major.

Mr. Imire gave many historic facts and compared human apathy with diseases of the head, heart and spine. He says:

"Lack of intelligence, an apathetic heart and lack of moral backbone and fear were the cause largely of our condition today."

He stated that when he was in New York the other day he saw a large sign on the Edison building "Light, Heat and Power." He said that the interpretation of these three words would bring us back to prosperity—the Light of learning, the Heat of enthusiasm and the Power of purposeful organized effort.

He stated that the brains of the nation had been pooled successfully and had solved so many problems and he had no doubt that if the brains of the nation would pool again without prejudice and without greed and with a little sacrifice, they could easily solve the problem of today.

After the Exchange club meeting Mr. Imire was conducted to Carnegie hall where at least 1,500 young boys participated in the National Boys' Week program.

Our boys formed a line of march and with the high school band, directed by Eugene Heeter, marched to the college campus and in a very inspiring discourse Mr. Imire gave a real heart-to-heart talk to the boys.

Backing his slogan to the boys with the story of David and Goliath, Imire repeated "Do the best that you can—with what you've got—where you are."

"Two of the shabbiest words," the speaker said, are "Get By." "Something maybe about the easy, soft living today," he added, "fills the boys with self-satisfaction—a willingness to get by instead of getting high."

Among the committee that accompanied Major Imire about the city yesterday were Vaude Vandenberg and Arthur Wrieden, whose sons attended Culver Military academy, and Rev. Paul E. Hinkamp, an acquaintance of former years.

## Welfare Even Enters Into Auto Licenses

### DRUNKEN DRIVERS' LICENSES NOW STICKS—BUT BRINGS HARDSHIP TO THE WELFARES

Department of State records indicate that the present law regarding revocation of licenses to operate motor vehicles, is working undue hardships on Michigan citizens. The law provides that the license must be revoked when the driver pleads guilty or is found guilty of violation of various traffic laws and several instances have come to the attention of the department where men have been forced to seek aid from welfare agencies after their means of livelihood had been lost through the mandatory revocation of the operator's license. At the present time there is pending in the legislature an amendment which would make restoration of the licenses discretionary with circuit judges.

Records for January, February and March of this year show that 407 licenses were revoked while 12 persons were caught driving after their licenses had been taken away. Of this number 290 were held guilty of driving while intoxicated; 70 negligent driving; 10 failure to record change of address; 6 incompetent to drive; 6 failure to answer summons; 6 negligent homicide; 3 leaving the scene of an accident; 2 epilepsy; 1 habitual drunkard; 1 involuntary manslaughter; 1 illiteracy; 1 theft of automobile; 1 insanity; and 1 habitually reckless driver.

The present law became effective in May, 1931, and during the balance of that year 3,211 licenses were revoked. Last year 5,136 operators had their licenses revoked for one of the reasons listed above. All revocations for driving while intoxicated, under the law, are for one year and neither the judge nor the secretary of state is granted the power to reinstate the license before the expiration of the one-year period.

### AUSTIN HARRINGTON IS CHAIRMAN OF THE HARBOR BOARD

At a reorganization meeting of the new harbor board appointed by the common council, Captain Austin Harrington, harbor master and harbor historian, was named chairman of the board, committee on motion of former Mayor Earnest Brooks, and seconded by the newly elected member, Alderman Henry Prins.

Superintendent E. E. Fell at the last meeting of the Hudsonville P. T. A. spoke on the subject "Our Teachers." His discourse was well received by the large audience. Supt. D. Vander Bunte was in charge of the meeting.

### Tulip Festival Notes

In section two readers will find a page filled with Tulip Time features. Here are a few more:

April 29, 1933.

Earnest C. Brooks,

Holland, Michigan.

My Dear Mr. Brooks:

Governor Comstock has asked me to acknowledge receipt of your letter on the 28th, and to say that he and Mrs. Comstock will make every effort to attend the Tulip Time program on May 15th.

If he finds it impossible to leave Lansing on that date, he will let you know and make arrangements to be there later in the week.

Very sincerely yours,

AGNES M. LITTLE,

Personal Secretary.

According to Harry F. Wetter, secretary of the Chamber of Commerce, hundreds of residents of Kalamazoo are planning to attend the Tulip Festival here May 13 to 21. Mr. Wetter was in Kalamazoo Tuesday where he took part in the Pansy Festival.

Governor William A. Comstock has accepted an invitation to visit Holland during Tulip Week. According to

**School Journalism**

Delegates to the ninth annual Columbia Scholastic Press Association convention recently concluded their sessions in New York. The young men and women were told by a prominent New York newspaper man that work on school papers and periodicals such as they represented was the "best in the world" for those who wished newspaper careers. The speaker also said that some motion pictures and magazine articles had done "a great calamity" to the reporter, since "the work is too intense and there is too much need for accuracy for him to be as he is sometimes depicted."

The outside world, which takes its knowledge of newspaper work from the "florid films" and similar portrayals, always thinks the life of a reporter or editor must be "so interesting." It is interesting, of course. Closer than almost any other occupation to the pulse of the world, newspaper life also sets its exactions of accuracy, truth-seeking and impersonal presentation of news.

So it is good advice to tell the youngsters to learn what they can of newspaper mechanics by working on the often excellent school papers fostered by the Columbia Association. Then let them regard life from all possible angles, objectively dispassionately. For those who go on into newspaper work will be called upon to interpret many phases of life.

**Minnow Dealers**  
**Getting Ready for the Spring Trade**

Michigan's minnow dealers are getting ready for their spring trade. Several hundred of them have already started their 1933 activities and applications for licenses to take minnows are still pouring in to the Department of Conservation.

The Michigan Minnow law defines minnows as including chubs, shiners, suckers, dace, stonerollers, muddlers and mud-minnows. These may be taken for commercial purposes only in the Great Lakes, in certain specified non-trout streams listed on the license and in inland lakes. In the latter case they must be sold at the lake taken.

The minnows may be taken only when the waters are open to hook and line fishing. Persons operating under minnow licenses may use a seine not larger than 30 feet long and eight feet wide in designated inland lakes. Minnows may not be shipped out of the state nor taken in any trout stream.

There are no restrictions as to where minnows may be seized if they are to be used for hook and line fishing by persons taking them except that they may not be taken from a trout stream or from certain portions of the Flat River in Kent County and Bear Creek in Allegan County.

**Worth Knowing**

Warmed buttermilk or vinegar will clean copper, brass, or bronze. After cleaning, rinse with water and polish with dry whitening.

The following furniture polish may be used on paint or varnish finishes: one tablespoon turpentine, three tablespoons raw linseed oil, one quart hot water. Wipe the furniture with a cloth dampened with this solution. The turpentine cleans and the oil gives a polish.

Dents may be removed from furniture by placing a moist blotting paper over the dent and then pressing with a warm iron. The heat and the moisture will swell the fibre of the wood and remove the dent.

**Thought Them Grand Haven Robbers—But No**

John McCrea, advertising collector for the Muskegon Chronicle, was robbed of approximately \$90 in cash and his automobile by two strangers who, at the point of a gun, forced him to drive from Muskegon to Grand Haven.

McCrea, according to the story he told state police, had stopped for a red traffic light at Forest and Peck Sts., Muskegon. The strangers stepped off the curb and leaped into the car, one of them poking a gun into McCrea's ribs. They ordered him to drive out US-31.

When the car reached Memorial bridge at the north limits of Grand Haven, the two frisked him of his money and ordered him out of the car. He walked to the state police barracks at Ferrysburg. The car later was found in front of the Grand Haven post office.

McCrea could give but a meager description of the two men. He thought they were about 30 years old and wore light top coats. The sheriff's department at Grand Haven was notified and officers circled around Fruitport and watched other roads. Two suspects from Grand Rapids were picked up later, but they proved their identity and were released. One man had \$90 on him and the other \$52. In the car was a rifle and a bullet hole was found in the body of the car. A few moments the police were certain they had the bandits. It was proved the men had come to Grand Haven with the intention of purchasing a boat.

**BREAKING AND ENTER-**  
**ING; CALENDAR IS**  
**ARRANGED**

Henry Kramer, Allegan county was arraigned before Judge Fred T. Miles at Grand Haven with the opening of circuit court charged with negligent homicide. He pleaded not guilty. Arthur Van Duren of Holland was appointed by the court to defend him and it is expected the trial will be heard next week.

The defendant stated he had no funds with which to hire an attorney to defend himself and was sworn in while the judge questioned him about his financial position.

He is charged with being the cause of the death of Mrs. Alice Poppe, who was walking on the highway March 29, near Holland, when the car belonging to Kramer struck her and she later died from her injuries. In the information read by the prosecutor, it was stated that the car had insufficient headlights, that there were more than two in the front seat.

Kramer stated he was married, is a farmer and lives in Fillmore township, Allegan county.

Arie Van Andel, 29, Holland, pleaded guilty in circuit court to breaking and entering the Harry Doesburg drug store in Holland and committing a larceny of about \$300 worth of merchandise on October 22. He pleaded to this as a second offense, admitting that he had been sentenced for forgery to Ionia prison in 1929 and had served time.

Louis Overkamp, 23, pleaded guilty to breaking and entering on the same job as Van Andel. This is his first offense. He admitted breaking into two schools, two churches and an oil station before he was finally caught by the officers.

Arthur Stang of Robinson township was brought before Judge Miles for the non-payment of alimony. He stated on account of a serious accident he had been unable to meet the payments, but hoped to continue them now that he had resumed work. The judge reminded him that he had been brought before the court several times with excuses. Stang is to appear again next week, when the judge will decide what action, if any, he will take.

The calendar was arranged for the coming term with many Holland attorneys present. The term promises but a small number of cases, most of which are non-jury cases. The case of John A. Van Dyke vs. Herman Karsten, injunction and the Brunswick-Balke-Clender Co. vs. Benjamin Lieveense, were both dismissed from the non-progess calendar. Judge Miles has continually made efforts to keep this section of the calendar as free as possible from old cases. The jury will be called Monday, May 8.

Those selected to serve from this vicinity are William F. Jekel, Holland, first ward; Lucy Bertsch, Holland, second ward; John H. Alberts, Holland, third ward; Joe B. Hadden, Holland, fourth ward; John Oonk, Sr., Holland, fifth ward; Herman Van Faassen, Holland, sixth ward; Thomas Kraai, Zeeland city; Fred Geerlings, Holland township; Henry Brummel, Jamestown township; Albert Geertman, Olive township; George Ogden, Park township.

**Glee Clubs Will**  
**Present Home**  
**Concerts Soon**

In spite of circumstances which prevent the Hope Glee Clubs from taking trips this spring, both organizations have been working on programs. The clubs have done splendid work when one considers that there has not been the enthusiasm which is naturally present when a trip is promised.

Last Sunday evening the Men's Club sang at the First Presbyterian Church in Allegan. They will give their home concert, Wednesday, May 31, in the Hope Memorial Chapel.

The Girls' Club made their first appearance before the Literary Club of Holland several weeks ago. The three numbers which they sang received many compliments. On Friday, May 5, they will give their entire program at Cedar Springs. The following Monday, May 8, they will repeat this concert for the Holland audience in the Hope Memorial Chapel.

They will also sing at Bethel Reformed Church in Grand Rapids and at several other churches in the near future.

**SNOWFLAKE DREAMS**

By Harriet H. Smith.  
The air is full of sport today,  
As snowflakes wildly dance and play.  
My thoughts join in the festive whirl,  
And once again, a gay young girl  
I sit and dream, as long ago  
I watched the falling flakes of snow.

They ever held in their bright gleam  
A fascinating sort of dream  
Of joy and happiness so rare,  
And in each one I've found my share.

With soft white flakes of falling snow  
I still dream on—as long ago.  
With calm content, and gentle sigh  
I watch the snowflakes whirling by,  
I take a backward look and see  
That life held much of good for me.  
And still I find, as long ago,  
A tender dream 'mid falling snow.

Oh, starry flakes of gleaming white,  
When at the close of day comes night,  
May all I've missed along life's way  
All so tender, sweet and gay,  
Come to me there on yonder shore,  
When snowflake dreams of mine are o'er.

**BETTER MAIL SERVICE**

(Grand Haven Tribune)  
Increased mail service to Chicago and points west may be instituted here in the future, due to a petition sent the postal authorities by the merchants and manufacturers protesting against the limited service which is given here due to the cut in Pere Marquette train schedules. A communication was received by Postmaster George L. Olsen for information with the indication that bids would probably be asked for on transportation of mail from here to Holland, where connections can be made for the west. If this service is put into effect a gain of 24 hours will be made on some mails, said Major Olsen today. Air mail and specials would be speeded up as well as regular mail. Mr. Olsen was confident that the additional service would be instituted.

## Society Notes

Six hundred seventh and eighth grade pupils of rural schools in south Ottawa county gathered at Beechwood school Saturday for a review in preparation for final examinations May 18 and 19. The day's program was opened with selections by the Montello Park school band directed by Bert Brandt. Rev. C. W. Meredith, pastor of the Wesleyan Methodist church, read Scripture and prayed. A welcoming address was given by Carl W. Damsen, president of the South Ottawa Teachers' club. M. Meindertama was chairman of the day. Morning reviews were given in grammar, history, civics, hygiene, word study and reading. Lunch was eaten under the trees at Beechwood school. The afternoon program was opened with music by the Beechwood band and orchestra, directed by Mr. Brandt. Songs were offered by the Beechwood Glee club under the direction of Miss Eunice Kramer. Raymond Bouwman gave a reading. Miss Ella Van Zoeren and Miss Isla Mae Wyngarden offered a musical duet. G. G. Groenewoud, county school commissioner, and Mr. Damsen spoke briefly. Reviews in arithmetic, agriculture, geography and orthography completed the institute.

Rev. Winfield Burggraaf, professor of systematic theology at Western Theological seminary, entertained the members of the 1933 seminary class at dinner Monday evening at his home, 103 East Tenth street. The entire class was present. The group will be entertained Friday evening, May 12, at the home of Rev. S. C. Nettinga, president of the seminary.

Mrs. Jenny Damsen entertained the Past Presidents' club of the Woman's Relief Corps at her home Monday. A short business session was held followed with a social hour. Plans were made to serve Dutch lunches at the W. R. C. hall during Tulip Time. Refreshments were served to the members present. The June meeting will be held at the home of Mrs. Clara Dekker.

Mrs. Fred Dorgelo of 103 West Twenty-eighth street entertained with a shower Monday evening in honor of her daughter, Miss Kathryn Dorgelo, a bride-to-be. Games were played and prizes were awarded. Dainty refreshments were served. About twenty guests were present.

Miss Kathryn Dorgelo, who will become the bride of Willard Ter Haar in the early summer, was honored at a shower last week. Thursday evening, given by Mrs. Bert Smith and Mrs. Frank Cook. Games were played after which refreshments were served. The bride-to-be was presented with a beautiful chair. Twenty-five guests were present.

The Wide Awake Sunday school class of Sixth Reformed church met Friday evening at the home of Doris Regnerus, rural route 3, Holland. Florence Nienhuis, president, was in charge of devotions and presided at the business session. Games were played and prizes were awarded. Dainty refreshments were served by Mrs. George Regnerus. Those present were: Lorraine Strout, Eunice Bennett, Martha Burch, Mildred Oosthuizen, Florence Nienhuis, Regnerus and Miss Christine Spyk-hoven, the teacher.

Mr. and Mrs. Derk Steinfert of 409 College avenue will observe their fiftieth wedding anniversary today, Friday. Open house will be held from 9 o'clock in the morning until 5 o'clock in the afternoon, during which time friends and relatives are invited to call. The evening has been reserved for the children and grandchildren. Mr. and Mrs. Steinfert were married in The Netherlands and came to this country 44 years ago, all of which time they have lived in and near Holland. Mrs. Steinfert was Miss Elizabeth Van Der Schel before her marriage. Eight of nine children born to the couple are living. They are Tony Steinfert of Orchard Hill; Harry Steinfert, Mrs. Henry Arens and Mrs. Henry Van Oort of Holland; Will Steinfert of Grand Rapids, and Mrs. John Fairbanks and Mrs. Henry Mulder of Fillmore township, Allegan county. A son, Peter, died five years ago. There also are 31 grandchildren and 7 great-grandchildren.

Rev. and Mrs. Henry Hoppers of 26 East Twelfth street last week, Wednesday evening, entertained the seniors of Western Theological seminary at dinner at their home. Ten students were present.

The annual congregational social of Seventh Reformed church was held last week, Thursday evening, in the church. The meeting opened with the singing of Psalm 68:10, after which the pastor, Rev. Paul Van Eerden, read the scripture and led in prayer. The pastor gave an address of welcome, after which a program of recitations and songs was presented. Those taking part were E. Roeda, Mrs. J. Vander Wege, E. Vening, Mrs. C. Van Harn, Miss Iva Minsma, J. Vander Wege, Mrs. J. Vellinga, Miss Susie Klunge, L. J. Elzinga and Dorothy Van Der Wal. The meeting was closed with the singing of Psalm 133:3 and prayer was offered by Mr. Roeda. Refreshments were served by women of the church.

Closing activities of the season, members of the Holland Musicians' club had an informal luncheon Wednesday noon of last week at the home of Mr. and Mrs. J. D. French. Mrs. French and Mrs. F. E. Grand installing officer was Mrs. Gertrude Parkhurst, past grand matron of the chapter. Mrs. Katherine Van Duren was grand chaplain; Mrs. Nelle Stanaway, grand marshal, and Miss Theima Vrieling, grand musician.

### ZEELAND

The missionary societies of Second Reformed church held open meetings Tuesday evening and Thursday afternoon for all the women of the church and vicinity. Tuesday evening Rev. S. Vander Werf, western district secretary of the board of domestic missions, presented an illustrated lecture on mission work among the American Indians. This afternoon's meeting was addressed by Mrs. George Laug, missionary to Japan.

Plans are being made for the second annual Ottawa county achievement day for home economics clubs May 9 in the Zeeland High school gymnasium. A larger exhibit than last year is expected. Miss Mary Seckell, Kent county home demonstration agent, is assisting in preparing the program. The committee in charge of arrangements includes Mrs. L. Van Hoven, chairman; Mrs. P. Brill, Mrs. George Caball, Mrs. John Walters and Mrs. Henry Van Hoven.

Two milk dealers who have been selling raw milk by special permission were given thirty days to make changes necessary for pasteurization by the Holland board of health at its meeting today, when it was specified that unpasteurized milk is to be excluded entirely from sale in Holland.

At a recent meeting of the Zeeland council Tuesday Mayor-elect John H. De Pree appointed standing committees. The only new member on the council is John A. Hartgerink. Committees follow: Finance, Fred P. Kieft and John A. Hartgerink; ordinances, Hartgerink and Kieft; streets and sidewalks, John Staal, David Vereeke and John Holleman; public property, Vereeke and Edward Hall; city relief, Hartgerink and Vereeke; buildings, Hall and Staal; sewer, Holleman, Vereeke and Staal. In addition to his parents, the youth is survived by three brothers, Henry and Gerrit of Vriesland and George of Grand Rapids, and one sister, Mrs. Abel Sybesma of Holland. Funeral services were held this Thursday afternoon at 1:30 o'clock at the home and at 2 o'clock at the Vriesland Reformed church. Rev. E. Heeren, pastor of the Vriesland church, and Rev. J. Minnema, pastor of Seventh Reformed church, Grand Rapids, and former pastor at Vriesland, officiated. Burial took place in Vriesland cemetery.

### VIRGINIA PARK

Mrs. George E. Heneveld and daughters, Geneva, Jean and Barbara, left early Tuesday morning for an extended visit with Dr. and Mrs. Bert Kempers in South Dakota.

Born to Mr. and Mrs. Harold Driscoll at their home in Laketown last Saturday afternoon, a son named Harold, Jr.

Mr. and Mrs. Clifford Onthank and son, Clifford, were recent visitors here from Chicago where Mr. Onthank is now employed.

Albert Schurman and Neil Rosenberg returned Saturday from Bedford, Indiana.

Mr. and Mrs. George Ziel and family were Grand Rapids visitors recently.

Mr. Dick Zwiep, the new member of the troop committee of the local Boy Scouts, was not able to be at the big banquet Tuesday evening on account of being in the northern part of the state on a trout fishing expedition. The Harrington school P. T. A. meeting will be held Friday evening. The following program is offered by a committee composed of Mrs. B. J. Rosendahl, Mrs. D. Zwiep and Mrs. H. Maatman. Invocation by Rev. F. J. Van Dyk; piano solo, "Song of the Alps," by Elaine Ashley; reading by Jean Spaulding; music by the Kitchen band of the Central Park church. Boosters' class; address by Rev. C. Stoppels; guitar duets, "Song of the Island," and "Moonlight on the Colorado," by Elaine Ashley and Marvin Kaper; vocal solo by Augusta Heneveld. Mrs. J. Kuipers, Mrs. S. Harkema, Mrs. O. Jezek and Mrs. G. Stem are on the refreshment committee.

### CENTRAL PARK

The honor of having the first tulips in bloom around here seems to belong to George St. John, who has some beautiful blooms in his flower garden. Mr. Ed Kiemel's border of tulips along the spacious drives are also blossoming forth in great shape.

Mr. Ed Kiemel was in Chicago the first part of the week. His brother and nephew, who have been visiting here, returned with him.

Miss Mabel Du Rue arrived here last week from New York City to be with her mother who has not been well for some time. Mrs. M. J. Yates and son, Rodrick of Charlotte were recent visitors at the home of Rev. and Mrs. F. J. Van Dyk.

Dyk. Mrs. F. S. Bertsch was the assistant hostess.

The Friendly Circle of the aid society met Thursday afternoon at the home of Mrs. B. J. Rosendahl with Mrs. Thomas Rosendahl of Agnew assisting the hostess.

Mr. Fred S. Bertsch was home over the week-end from Chicago. He stayed over to attend the Boy Scout banquet Tuesday evening.

Work is progressing nicely on the new home that is being built by Ben Williams. The grading of the lot around the beautiful new brick structure is nearing completion and no doubt it will soon be ready for occupancy.

Mr. and Mrs. Dick Van Der Meer and Mrs. R. Van Lente were in Grand Rapids last Friday.

Burial will take place in Overisel cemetery.

### HAMILTON

Happy days are here again! They came back early Monday morning with the opening of the fishing season. This is at least the conviction of Harry Brower, Harvey Zeerip, H. D. Strabbing and the other trout fans who returned home with full strings. But most of us are smiling as the result of the splendid rains and favorable weather which have made everything in field and woods so happy. Spring time is always an inspiration to most people, but it has been many years since conditions were as favorable as this year. Even Lansing and Washington are doing something—right and wrong, but the real reason for our happiness is that we are discovering the surprising fact that we all have been up and doing and that here lies the true pleasure of life.

Josephine Bolks visited with relatives in Holland during the week-end. A large number of folks attended the golden wedding anniversary of Mr. and Mrs. G. J. Brower Saturday. Mary Lubbers and Gladys Lubbers visited Mrs. Clara Hoffman who is a patient at the Blodgett hospital in Grand Rapids Tuesday. G. Branderhorst returned home last week after an extended visit with his children, Mr. and Mrs. John Wiegert, of Grand Haven. A white elephant social was held at the Second church last week on Thursday afternoon by the Ladies' Missionary society. The proceeds were given to missionary work.

Janet Kaper of Kalamazoo was home for the week-end.

Rev. Richard Vanden Berg will preach at the Second Reformed church Sunday evening. Mr. and Mrs. Marvin Kooiker were in Detroit last week, Thursday and Friday. Mr. and Mrs. N. A regular meeting of the P. T. A. was held last week, Wednesday evening, in the high school room. The program was opened with community singing, led by Prof. T. T. Gordon.

Election of officers was held. Mrs. George Schutmaat was elected president; Mrs. Ed Miscotten

and Miss Fannie Bultman, vice presidents; Mrs. Harley Schutmaat was chosen as secretary and treasurer. Mrs. Mac Short of Wayland gave an address on "Wild Flowers." Miss Kathleen Ash rendered several violin solos.

Gladys Lubbers spent Sunday with friends at Benton Harbor.

The Ladies' Adult Bible class of the Second church gave a tea at the home of Mrs. Herman Brower.

A miscellaneous shower was given Monday evening at the home of Mrs. E. Archambault in honor of Mrs. Allen Callahan by the Hamilton "hello" girls: Margaret Wentzel, Hazel Fisher, Arleen Danglemond and Mrs. Archambault. A large number of young ladies were present. The young bride received many beautiful gifts.

Mr. and Mrs. Harry Jacobs and family were week-end guests at the home of Mrs. J. J. Van Dyke.

Elinor Voorhorst returned to Allegan after a long siege of illness. Lorraine Johnson was surprised by a group of friends at her home in Hamilton Saturday afternoon, the occasion being her ninth birthday anniversary. Games were played and refreshments were served. Twenty guests were present.

### ZUTPHEN

**Marvin Den Herder, former deputy sheriff, was in the city today.**

Chairman of the Ottawa county board of supervisors George Heneveld is now grandpa and is giving an Indian "war whoop" of pleasure. The news was flashed clear from Rosebud on the Indian reservation in South Dakota. The little white papoose is named Lucile Ann. The mother was formerly Miss Harriet Heneveld, who was wed to Dr. Bert Kemper, also well known in Holland.

Charles Wissink of Orange City, Iowa, member of the class of 1933 in Western Theological seminary, has received the promise of a call from the Community church at Hopkins. Henry East of Fennville declined a previous call to the Hopkins church.

Once more the traffic lights have been set in motion at our main street crossing. They are supposed to slow down traffic and so avoid accidents, but it is our observation that when a driver approaches such a light and it shows green, he speeds up to get through before it changes to red and so defeats the very purpose for which it was intended; but, so long as pedestrians pay no attention to the lights, what is really gained?—Fennville Record.

State Representative Edward Brouwer of this district will discuss the sales tax question at a public meeting to be held at the city hall at Zeeland this Friday evening at 7 o'clock, sharp. All

citizens of Zeeland and the surrounding communities are invited to attend.—Zeeland Record.

Mr. G. J. Poelakker of 53 Graves Place, who last Friday submitted to a serious operation at Holland hospital, is reported progressing satisfactorily.

The Young Ladies' Sodality of St. Francis church held their regular meeting in the school. A short business meeting was called by the president, Miss Mae Haron, at which plans were made for a Mothers' Day banquet to be held on Sunday, May 14, and for a card party to take place in the Parish hall Tuesday, May 23. Following the business meeting the girls enjoyed a few hours' recreation. The entertainment was in charge of the Misses Helen and Julia Seif and Miss Antonella Perkowski.

Born to Mr. and Mrs. William Klerekooper at Harper hospital, Detroit, on May 2, a son, Mrs. Klerekooper was formerly Miss Helen Post of this city.

Born to Mr. and Mrs. Henry John Robbert, 88 East Eighteenth street, on April 23, a son, Verne Henry; to Mr. and Mrs. Benjamin Dalman, 46 East Thirteenth street, on April 28, a daughter, Evon Joyce.

The home of Mr. and Mrs. Raymond Kemme, corner of Fairbanks avenue and Twelfth street, was also entered Tuesday night, when \$7 in a child's bank was stolen. The family had been gone for the night and discovered the robbery Wednesday when they returned home. Thieves also stole the automobile of Mr. and Mrs. Edward Hettinga, which was parked in front of their home at 323 East Thirteenth street.

Rev. Richard J. Vanden Berg, pastor of the Second Reformed church, has been elected president of particular synod of Chicago in place of Rev. Clarence P. Dame of Muskegon. Rev. Thomas Welmers of Hope college has been retained as stated clerk and Rev. J. Vandenberck, pastor of Sixth Reformed church, was elected temporary secretary. Synod is holding meetings at Muskegon and those attending are the following: Rev. Welmers, Rev. Vandenberck, Albert Raak, Rev. James Weyer, Rev. Van Vander Werf, Rev. W. J. Van Kersen and Rev. H. M. Veenschooten, missionary.

Word has been received here of the birth of a son to Dr. and Mrs. Ira Weersing of Lake City. The child has been named Clark. Mr. and Mrs. Weersing formerly resided in Holland.

Application for a marriage license for Thomas J. Sanger, 25, of Minneapolis, Minn., and Helen C. Leath, 30, of Holland is on file at the county clerk's office.

**NEW POST OFFICE RULING**  
Allegan Gazette—A new ruling was lately made by the post office department by which third-class postmasters must not employ any member of their families in their offices. This has necessitated the excusing of employees to some extent. People seem to have thought that this would excuse Dean Ferris from the Allegan office but such is not the case. He holds his position not through appointment by his father but through examination in the civil service. So he will stay the rest of his life if he chooses or so long as he shall keep on doing good service. All the men in the Allegan office are in the same position. There are several men in the office who were appointed by Postmaster Reid thirty years ago. They will presently be eligible to retirement with pensions.

**ZEELAND GIRL IS NAMED**  
W. S. T. C. GROUP LEADER

Student elections at Western State Teachers' college Wednesday resulted as follows:  
Student Association—President, Don Hirschberger, Fremont; vice president, Fred Weeks, Lansing; secretary, Alice Katte, Zeeland; student council representatives, Wilbur Hutchins of Bangor, Richard Pray of Kalamazoo, Rex. Orton of Allegan.

Women's League—President, Margaret Balfour, Kalamazoo; vice president, Rachel Hoekje, Kalamazoo; secretary, Elizabeth Veley, Kalamazoo; treasurer, Cecil Maybee, Adrian.

## Anti-Smallpox in Zeeland

Smallpox vaccination will be offered to the schools of Zeeland on Tuesday, May 9th. All those who have never been successfully vaccinated before, or who have not been vaccinated within the past five years should be vaccinated. A special effort should be made to have children under school age vaccinated. This age appears to be the most satisfactory time for vaccination.

The following schedule has been arranged:  
Zeeland Christian... 9:30 A. M.  
Zeeland Public... 10:30 A. M.

## ZEELAND WOMAN IS HONORED ON 94TH BIRTHDAY

Mrs. J. Goozen, doubtless Zeeland's oldest resident, Wednesday quietly and happily celebrated her ninety-fourth birthday anniversary at the home of her children, Mr. and Mrs. Gerrit Veneklasen, on South Church street.

Mrs. Goozen was born May 3, 1839, in The Netherlands, "nabij" Leens, Groningen. She was the daughter of Mr. and Mrs. Klaas Hofman, who emigrated to America in 1848 with a family of six children. Mrs. Goozen is the only survivor of this family.

Although she was only nine years of age when the ocean journey was made, Mrs. Goozen vividly recalls incidents of interest. The voyage lasted fifty-two days and threatening storms and an epidemic of measles are incidents she enjoys telling about when friends call.

The family settled in Holland where they lived for only a few weeks until their log house, erected on a farm three miles northeast of Zeeland on the Fairview road, was completed.

## ZEELAND LITERARY CLUB TO CLOSE FOR SEASON

The Zeeland Literary club will close their year's activities with a mother-daughter banquet to be held in Second Reformed church parlors next Tuesday evening at 6:30 o'clock. The social committee, headed by Mrs. P. Hardenberg, is in charge and banquet tickets can be obtained from a committee member.

## BRUCE CABOT IS STUDIO-THRILLED BY "KING-KONG"

The experience, Bruce Cabot declares, that will forever be his most vivid recollection happened within the confines of an RKO-Radio studio stage. After adventuring everywhere, cultured and civilized Hollywood gave him his greatest thrill.

Cabot is the human hero in "King Kong," the Merian C. Cooper-Ernest B. Schoedsack production completed after more than two years of work behind locked and guarded studio doors and now showing May 5 to 9 at the Holland theater.

## Bare Spots in the Lawn Should Be Seeded Now

A little attention given to the lawn at this time will lessen the task of keeping it beautiful and weed-free. In situations where weeds are already established, it is desirable to dig them out carefully. After this is done, a system of regular lawn care, including feeding, clipping and proper watering, will help keep weeds under control.

Bare spots should never be tolerated at any time, and if the lawn has not already been reseeded and all bare and thin spots cared for, it should be done now. Loosen the soil on these spots with a rake and reseed with a good grade of grass seed. Hollows in the lawn surface should first be filled with rich soil, rolled and then seeds sown. The reseeded areas should be kept moist until the seed has germinated.

The lawn should be fed this spring with a reliable fertilizer the rate of four pounds of the plant food to 100 square feet. Broadcast the fertilizer evenly over the entire lawn surface, brush it off of the grass blades with a broom or back of rake and then water it thoroughly.

After feeding, at least two or three days should elapse before seed is sown. Be sure to get a good grade of seed; it is much less expensive in the long run. Your local seed dealer is in a position to suggest the proper mixture for your particular soil conditions.

Clipping of the grass at regular intervals is of importance. The grass should never be allowed to attain a height of over three inches and should not be cut shorter than one and one-half inches. Regular clipping helps keep the lawn weed-free.

Whenever the lawn is watered it should be thoroughly soaked to a depth of four to five inches. This will insure a much stronger root system. When this is done watering once or twice weekly is sufficient.

County Treasurer John Den Herder of Grand Haven is in Holland on official business.

## MAN STRUCK BY LIGHTNING SURVIVES

Peter Martinie, living northeast of Zeeland, was struck by lightning and rendered unconscious for some time last Monday evening. Mr. Martinie was visiting John Overweg, a neighbor, at the time of an electric storm, and while in the barn, lightning struck the building. They had just entered the building to escape the rain when the crash came. Martinie entered first and was closely followed by Overweg who carried a lighted lantern. Mr. Overweg was severely shocked and the lantern was extinguished and thrown some distance, but he was not injured. No fire resulted.

Mr. Martinie was carried into the Overweg home where a physician was summoned and aid was given. He was found to have been severely shocked and burned, but it was said he had a good chance for complete recovery. He is still paralyzed from the shock.

## ERMA JEAN VEERSMA DIES AT GRANDMOTHER'S HOME

Erma Jean, 21-months-old daughter of Cornelius Veersma, died today at the home of her grandmother, Mrs. F. Veersma, 135 West Eighteenth street. Besides the father and grandmother, the child is survived by a brother, Frederick, and grandparents, Mr. and Mrs. Charles Stankey of Hamilton. Funeral services will be held today, Friday, at 2 p. m. at the home of Mrs. Veersma, with burial in Holland township cemetery.

## FENNIVILLE-DOUGLAS MISSION CONSIDERED

The Holland classis in the Christian Reformed Church in America has under consideration a movement to open a mission station near Mack Landing, located between Fennville and Douglas. A canvass of families over a wide area has been made by G. Dykman and John Breen of this city and a report of their work will be submitted at a subsequent meeting of the classis. A Sunday school recently was started at Mack's Landing. Dykman and Breen have interviewed about forty-six families and found prospects favorable for religious development.

## TO DEDICATE SCHOOL FOREST

Arbor Day will be observed at Holland High school today, Friday, when a program will be presented at 2 o'clock. The feature of the program is the dedication of the school forest on Lakewood boulevard near Tower park.

A. C. Keppel, who donated the land to the school, will formally present the tract to the board of education. Fred Beeuwkes, director of the board, and Miss Lida Rogers, instructor of biology and botany, will respond.

Dr. A. Leenhouts will speak on the value of Arbor Day. Other parts of the program will include a violin solo by Miss Ruth Keppel, accompanied by Mrs. A. C. Keppel, and solos by Earle Kardux, voice instructor in Grand Rapids, accompanied by Mrs. Hazel Wing Guild. Mr. Kardux will sing "Where're You Walk," by Handel; "Brown Bird Singing," by Rosbach, and "Hills," by La Forge. The public is invited.

## EAST SAUGATUCK

The home of Mr. and Mrs. Tony Dykstra of East Saugatuck was the scene of a pretty wedding Wednesday, April 26, when their daughter, Miss Rhea Dykstra, became the bride of John Oetman, son of Mr. and Mrs. Henry Oetman of East Saugatuck. The ceremony was performed by Rev. H. M. Vanden Berg, pastor of the Christian Reformed church at East Saugatuck, in the presence of friends and relatives. The couple was attended by Miss Margaret Dykstra and Gerrit Boerger. Following the ceremony a wedding supper was served by the Misses Anna and Della Veldhoff. The couple will make their home in East Saugatuck.

## GIRL TO RULE AS MAYOR OF HOLLAND FOR ONE DAY

Pupils in Holland schools have planned to feature May 5, today, Friday, as the major event in the observance of national boys' week. Officers have been elected to rule the city, with Marian Te Roller,

MARION TE ROLLER

mayor of the student council, as the city's first woman chief executive.

Other appointments include: City attorney, George Bosworth, president of the senior class; clerk, Athalie Roest; treasurer, Roger Kammeraad; police chief, Floyd Otteman. A council with four teen members, representing seven wards, and members of city boards will make their patrols and the various departments of municipal work will receive consideration. The council will meet at the close of the day for consideration of reports.

Other members of the official body are Victor Notier as city assessor, Ernest Tirrell as city engineer.

John Breuker, Peter Jonker and John Prins as patrolmen will spend busy hours today in their respective offices, close to the regular officials whose places they will fill for the day.

The three patrolmen were selected from the Christian High school. Other officials either hold the offices they represent in Holland High school or were appointed especially for the occasion.

Activities today, Friday, will be reviewed at 7:30 o'clock with a council meeting in the city hall.

When the "city fathers" convene tomorrow evening 12 chairman of committees will be called upon to report. Chairmen are Calvin Vander Werf, ways and means; Ivan Renetta Shackson, welfare; Ivan Bouwman, sewers; Miss Janet Oudman, lighting; Miss Emily Evans, claims and accounts; Miss Gertrude Meengs, buildings; Victor Kronmeyer, licenses; Miss Margaret Van Kampen, ordinances; Russell Van Tatenhove, streets; Miss Thelma Kooker, music; Miss Lois Geerds, civic improvement, and William Arendshorst, sidewalks.

Other aldermen are Miss Nellie Bonthuis and Miss Irene Overbeek. In appointive offices of the school are Don Slighter, LaVerne Scheerhorn and Vernon Hertz, police board, and Rudy Martinus, Frank Mrok and Miss Augusta Heneveld, public improvement board.

The week's observance will be concluded Saturday with an outdoor program for boys, who will be classified in three age groups. The day will be launched with a parade at 9 o'clock Saturday morning.

## FORMER HOLLAND ENGINEER HEAD OF COUNTY WELFARE

Carl Bowen was appointed head of the County Welfare Committee by the chairman of the board of supervisors, Mr. Heneveld, with the following committee members appointed: Peter Van Ark, Henry Marshall, Albert Hyma and Harm Plaggenmeyer. Mr. Bowen stated as much as he knew about the federal reforestation plan. He said it was his belief that counties like Ottawa were not to be included. It was designed to relieve large cities of the large amount of unemployment. He said state highway work for welfare, funds from the R. F. C. for welfare, and the reforestation plans were all pretty much indefinite at this time. He explained the system for welfare relief from the R. F. C., showing that townships must make their appeal as one unit and all cities over 20,000 as another unit. Localities must assume the responsibility for receiving and accounting for these funds and for such obligations for repayment as the state may require. The welfare board was designated to have charge of making and signing applications and such other details as may be necessary.

Miss Bernice Beeuwkes, daughter of Mr. and Mrs. George Beeuwkes, and Julius H. Bontekoe, son of Mr. and Mrs. H. J. Bontekoe, were united in marriage Wednesday afternoon at 5 o'clock at their future home. The ceremony was performed by Rev. L. Greenway of Grand Haven. The couple was attended by Miss Myrtle Beeuwkes, sister of the bride, and John Timmer. The wedding march was played by Mrs. L. Greenway, cousin of the bride. Following the ceremony a wedding dinner was served to the immediate relatives. Mr. and Mrs. Bontekoe will be at home to friends at Orchard Hills, rural route No. 3, Holland.

## SPORT NOTES

Holland's 1933 baseball season will be opened Friday, May 12, with the Hartford Giants of Chicago, a first-class colored team, facing the Holland Boosters in a twilight game at Riverview park. The Chicagoans will be here with a full line-up of diamond stars and comedians to open baseball entertainment for the season.

Manager Brice Rogers of the Hartford Giants is an old-timer and is noted for having crack teams. Rogers used to match his teams with the old Holland Independents. Last year the Giants beat the Boosters in the opener by a single run.

The usual first-day ceremonies will be staged. The game will start at 5:30 o'clock.

Hope college and Holland High school registered victories in spring sport programs last Saturday. The Hope golfers trimmed Olivet college at the Charlotte Country club, 7 to 5, while the high school tennis team made a clean sweep of the matches with Benton Harbor here, 5 to 0.

Ben Timmer, Hope ace, paced the winner golfers with an 83 score, but Novak, Olivet No. 3 man, took medalist honors with an 80. Glen Loveland, Floyd Otteman and Bill Arendshorst won singles matches for the high school.

A seven-team playground ball league has been organized, and play will begin on May 22. All the squads making up the interesting circuit of a year ago will be members this summer. The Washington Square Merchants are the defending champions.

Coach Bud Hinga's Orange team defeated Henry Steffens' Blue squad Wednesday at Riverview park before several hundred spectators, most of them boys who were honored guests. The Oranges triumphed 13 to 6 in the wind-up of the spring training sessions.

Don Te Roller, diminutive varsity star, was the outstanding player of the game. Te Roller punctured the Blue defense for 15 yards and a touchdown early in the game, and he tossed a forward pass to Ed Damson for the other counter. Jim Nettinga crashed over for a score for the Blues late in the game after Louie Japinta and Earl Cook had worked the ball in position.

## HOLLAND WOMAN DIES AT HOME OF DAUGHTER

Mrs. Anna Bredeweg, 74, died Monday afternoon at the home of a daughter, Mrs. John Lampen, 79 West Seventeenth, following an illness of four months. Mrs. Bredeweg was born in The Netherlands and came to this vicinity fifty-three years ago.

Surviving are four sons, Hans, John, Gerrit and Edward, and two daughters, Mrs. John Lampen and Mrs. Benjamin Lampen, and six grandchildren.

Funeral services were held Wednesday afternoon at the home of her daughter. Rev. L. Velkamp, pastor of Central Avenue Christian Reformed church, officiated. Burial took place in Holland township cemetery.

## RI-RI'S MOTHER GIVES TWO MORE LION CUBS TO ZOOL ON GETZ FARM

Dutchess, mother of the widely known lion, Ri-Ri, gave birth to two cub today at the Lakewood farm, her third litter in 14 months, swelling the total number born at the zoo during that time to 12. The mother, who has abandoned her offspring immediately after birth up to this time, apparently is taking more interest in her new arrivals, according to A. M. Peterson, manager of the farm. Although her protective snarl may indicate that she has decided to rear her young in true maternal fashion, Mr. Peterson is taking no chances and has made arrangements with a dog kennel to supply a mother dog should Dutchess balk again. Last year a cat and dog attracted wide attention when they substituted in the absence of the attention of the lioness. The number of cubs at the farm at present is eight.

## CENTRAL PARK

The Missionary society of Central Park church is sponsoring an evening's entertainment at 8 p. m. Dr. S. Vander Werf will give a stereopticon lecture on the work among American Indians in Kentucky. The Central Park male choir will furnish special music. Everybody is welcome.

## ZEELAND

Mr. and Mrs. Henry Geerlings celebrated their fortieth marriage anniversary at their home, 124 South State street, last Thursday evening in the company of their children and grandchildren, Mr. and Mrs. Jacob Geerlings and children, Mr. and Mrs. Lawrence Klammer and children, Mr. and Mrs. Martin Geerlings and children, Alvin Geerlings and Henry A. Geerlings, all of Zeeland, and Mr. and Mrs. John Geerlings and children of Holland.

The Adult Bible class of the Third Christian Reformed church held its annual business and social meeting at the church parlors last Wednesday evening, when the following officers were elected for the ensuing year: James Wagenaar, president; S. Walday, vice president; Mrs. Gradus Schrotenboer, secretary treasurer, and E. Boes, assistant secretary and treasurer.

Mr. George Moeke and Miss Marie Van Wezel were quietly married at South Bend, Indiana, last Thursday where they had gone to escape the notice of friends. Mr. Moeke is the son of Mr. and Mrs. John Moeke of this city, and Mrs. Moeke is the daughter of Mr. and Mrs. L. Van Wezel of Holland. They will make their home in this city.

Mr. and Mrs. Albert Hofman have moved from the residence at Pine and Cherry streets this week into the house belonging to Mrs.

B. Nagel at 50 West Cherry street. Mrs. Nagel has gone to spend some time with relatives in Grand Rapids.

Mrs. Cyrus Mulder and son, Richard of Los Angeles, California, visited here a week with Mr. and Mrs. Bartel Mulder and Mr. and Mrs. Cornelius Mulder at their homes on Washington street.

Born to Mr. and Mrs. Donald Staal, South State street, Wednesday, May 3, a son; to Mr. and Mrs. John H. Schepers, Vriesland, on Wednesday, April 26, a son, Albert Gerald.

Mr. and Mrs. Ed Streuf of Holland and Mr. and Mrs. Harry Viseh of Grand Rapids visited with Mr. and Mrs. D. Viseh last week.

The family of Henry Peuler who has been living on Woodrow street, has moved into the residence of John Kooyers at the rear of 19 East Main street.

The "rain or shine" hike of the Girl Reserves of Zeeland public schools was held last week, Wednesday, and the trail led to Poppens Woods. Although it was a sunny day the girls found it none to warm. When all had reached the destination a place was found beside the stream where all enjoyed a lunch. Elizabeth Hofman and Kathryn Staal, delegates to the recent conference at Sparta, told of their experiences there, and Marie Bloemsa read a few nature poems before the group returned.

Mrs. John Bonstra and Miss Hilda Vanden Bosch gave a show honoring Miss Fanny Johnson at the home of Mrs. Bonstra on Lincoln street last week, Wednesday evening. Those present were the Misses Anna Brower, Etta Pollar, Anna Telgenhof, Pearl Boller, Jean Volkers, Ada Bouwens, Mae Johnson and Mrs. Charles Rozema.

Ottawa county home economics extension groups will hold their annual achievement day program on Tuesday, May 9, from 10:30 to 3:30 o'clock at the gymnasium in the Zeeland High school. Dr. E. L. Austin, professor of education at Michigan State college, will be the principal speaker on the afternoon program. Hudsonville home economics group will put on "Neighbors," a one-act play during the afternoon program. The program as planned by the home economics committee is: 10 to 10:30 o'clock, inspection of exhibits. 10:30 to 12 o'clock, morning program. ## Tulip Time to Surpass Anything Yet Attempted in Holland

MANY MORE FEATURES ARE  
FITTING INTO THE  
OCCASION

Number of Tulips to Bloom Have  
Been Figured From 3,000,000  
to 4,000,000

This extreme warm weather has been ideal for our Tulip Festival. The tulips were a little late the latter part of April since cold weather retarded development, but it is expected that between May 13 and 21 between 3,000,000 and 4,000,000 tulips will be nodding their pretty heads in the wind.

Within a few days all Holland will be a riot of color, not alone in the tulip lanes extending over more than seventy blocks, but in our parks, our private gardens, our public flower exhibitions and our merchants' show windows. Special efforts are to be made in the show window features this year that will indeed be pleasing.

The tulip lanes, nearly 30 miles long, extending beyond the city limits along the trunk lines and gracing nearly every important street within the city limits, will have rows upon rows of beautiful tulips along the curbs. The lanes will be distinctly marked with large arrows with the wording "Tulip Lane" in black. The lanes all lead to one spot, namely the hub of the city, Centennial Park, which is to be a garden spot unsurpassed.

The tulip lanes have been so laid out through the markers that there will be no congested traffic at any point. The motorists following the direction of the arrows will have smooth going and will be able to see all there is to see in an orderly manner without undue congestion.

During Tulip Week there will be plenty of music. It is to be a gala occasion for many bands. Parades are to be featured often.

As usual the street scrubbing will be the opening feature for Holland must be "spick-and-span" when these festivities begin. The parades will be more colorful than ever, plenty of Dutch costumes and in larger numbers than ever before. Gigantic flower shows will be featured in the Holland armory and Woman's Literary Club—high lights, as you all know, during the Tulip Festival. These features are to surpass anything yet attempted.

An added feature and real fitting on this occasion will be the conservation and natural exhibit and bird house building contest in the Masonic Temple during the entire Tulip Festival period. This exhibit was put on twice before but never during Tulip Week. The state of Michigan, through its conservation department, has given Holland many exhibits before and undoubtedly many of these will be here again.

The entire affair is in the hands of Miss Lida Rogers, under the auspices of the Biology department of Holland Senior High School.

The success of "Band Day" at each Tulip Festival has encouraged the Tulip Time Committee to make plans for another band contest and parade. The date is Saturday, May 20, 1933. Eugene F. Heeter, chairman of the band committee, has received many acceptances to the one hundred letters which were sent out.

The contest will be divided into two sections: Section A, composed of high school, Boy Scout and Sea Scout bands; Section B, composed of adult bands (regiment, municipal, veterans, national guards and fraternal organizations). Five prizes totaling \$350 will be awarded in each section.

The contest will start at 1 p. m. at Riverview park. Band masters will meet at the judges' table in the grandstand to draw for position. Each band will have the entire length and width of the football field on which to perform for fifteen minutes.

Three competent judges will base their decisions on the following points: Playing ability, 50 points; marching and general appearance, 20 points; drill or formation, 20 points; drum majoring, 10 points.

The parade on the principal streets of Holland will begin as soon as the contest closes. Awards will be made from the bandstand in Centennial park at 5:30 p. m. Referring to Tulip Lane again, it is well to remember just what course to take in following the red arrows.

Motorists entering Holland from the north and desiring to proceed along the lane immediately will drive south on River avenue to Seventh street, turn west on Seventh to Pine avenue and go south on Pine to Twelfth street for the start of the lane. Motorists entering from the east will drive west on Eighth street to Pine avenue and turn on Pine to Twelfth street to pick up the trail. From Pine avenue and Twelfth street, the route will lie on Twelfth to Washington boulevard, north on Washington to Eighth street and back on the boulevard to Twelfth street, west on Twelfth street to its end and back on this street to Washington boulevard.

The lane from that point will lie south on Washington to Sixteenth street, west on Sixteenth street to the point where Sixteenth and Seventeenth streets connect just west of the city, east on Seventeenth street to River avenue, south on River to Nineteenth street and southeast on State street to Thirty-second street.

To avoid congestion in a return flow of traffic at this point, cars will be directed north on Lincoln avenue from Thirty-second to Thirtieth street, west on Thirtieth to State street and northwest on State street to Twenty-first street. Then from Twenty-first on Central avenue to Twelfth street, east on Twelfth to Columbia avenue, north on Columbia to Tenth street, west on Tenth street to Central avenue where the lane will end.

Signs at this point will direct visitors to the exhibits in the armory, Woman's Literary Club and Masonic temple. Directions also will be posted for those motorists who picked up the lane upon enter-

ing Holland from the west or south, showing streets they are to take to connect with the remainder of the lane they have missed.

Holland's tulip lane will extend over 67 city blocks, including lanes on both sides of 48 short blocks and 19 long blocks in which there are double lanes, on two long blocks of Twelfth street boulevard and on eight short blocks of Washington boulevard, and numerous beds at street corners, in city parks and in private yards. It has been estimated that tulips, if placed in a single line, would extend for 26 miles.

### Tulip Festival Notes

There are three outstanding indoor attractions, the floral exhibit at the armory, the Dutch garden exhibit at the Woman's Literary Club and the conservation and wild life exhibit at Masonic Temple.

This year tulip visitors will have plenty of chance to visit Holland's all summer attraction. Lakewood farm is to be open with its beautiful flower gardens and its zoo with many more added attractions. You can be sure there will be plenty of tulips.

Because of the Tulip Festival some folks have planned other features so they can be in Holland during that time. For instance, the Western Michigan Round Table conference with a delegation of 300 have arranged their convention here for May 20 at Holland High School instead of later in order that these delegates may come to this city and witness the Tulip Festival also. President Wynand Wichers of Hope College and Dean Ray C. Pellet of Western State Teachers College have been booked as speakers. The district comprises 13 counties affiliated with the fourth district of the Michigan Education association. Several state institutions also will be represented. John C. Ketcham of Hastings, former congressman, will speak at the noon luncheon in junior high cafeteria.

Miss Lida Rogers of the biology department is in charge of the conservation and nature exhibit which is to be held in the Masonic temple Monday, May 15, to Saturday, May 20, inclusive. Features of the exhibit will be birdhouse and poster contests and scenic photographs by Walter Hastings. A very interesting and instructive program has been planned for the week. The Masonic temple will be open to visitors from 9:30 a. m. to 9 p. m. each of the six days. The high school girls' glee club, under the direction of Miss Trixie Moore, will sing and the Dutch Villagers in charge of Miss Ethel Perry will be featured on Monday, Tuesday, Wednesday and Thursday. Address will be given on Tuesday and Wednesday.

Sunday, May 14, will feature a Dutch psalm service in Hope Memorial chapel and from 21 vesper services with Prof. W. Curtis Snow as organist will be held.

The event will open with the annual street scrubbing scene, showing Holland residents in typical Dutch costumes and clattering wooden shoes. Other features for that day will cover the formal opening of the flower show in Holland Armory, the garden exhibit in the Woman's Literary clubhouse and a conservation and nature exhibit in Masonic temple. Window displays will be judged and a concert by American Legion band will be staged in Centennial park.

The program for Saturday, May 20, will feature a band tournament in Riverview park, with cash awards of \$350. The competing bands will stage a parade on eighth street in the afternoon.

A parade of school children in Dutch costume at 3 o'clock on the afternoon of Thursday, May 18, will form one of the colorful attractions of the day. Thursday's program, in addition to the daily exhibits at the armory, Literary club and temple, will include motion pictures, "Out of Doors in Michigan," to be shown in the temple at 1:30 and 3:00 o'clock by Walter Hastings, staff photographer of the state conservation department. The high school girls' glee club will sing at the temple at 2:30 o'clock. In the evening at 7:30 o'clock the glee club will again appear along with a return of "The Dutch Villagers." Mr. Hastings will show motion pictures at 8 o'clock.

Merchants' day will be observed Friday, May 19. The program offered Thursday in the temple will be repeated. The Holland American Legion band will offer a concert at the corner of Eighth street and Central avenue.

Monday will be Governor's day, and Gov. Comstock has promised he will be on hand to deliver an afternoon address at Riverview park, "if the press of business makes it at all possible." A parade in Dutch dress will feature Monday morning hours, with a governor's ball in the evening.

Musical programs will feature the remaining days of the festival, with a girls' glee club, a Dutch pageant, orchestral and other choral events given a prominent place.

The closing program on Saturday will see competition between 30 or more bands from all parts of the state, and in the afternoon a massed parade. A fleet of airplanes will put on an aerial circus from the aviation field.

George F. Getz has added many attractions to his Lakewood farm and zoo for the thousands of visitors from all over the country who

## Holland Man on County Tax Commission

PROBATE JUDGE NAMES DAVID CLINE AND A. VAN KOEVERING TO OTTAWA BODY

Appointments were made to the Ottawa county tax commission, a new body recently instituted through legislation at Lansing, by Miss Cora Vande Water, judge of probate. They are David M. Cline member-at-large and Mr. Van Koevering, editor of the Zeeland Record. Mr. Cline is appointed as member-at-large and Mr. Van Koevering as the representative from a 12 grade school in the county. The other members are prescribed by law and include John H. Den Herder, county treasurer; Attorney Charles E. Misner, chairman of the finance committee of the board of supervisors, and Gerrit G. Groenewoud, county school commissioner of Holland.

The appointments are made for one year. All the members are paid at the rate of the members of the board of supervisors per diem and expenses. The county clerk, William Wilds, in this case must act as the clerk, but he has no voice in the committee.

The various units are required to file the budgets annually by May 1, the date of the first yearly meeting of the commission. As many meetings as are necessary may be held.

There is no definite date set as yet for the first meeting due to the organization getting under way at this time. The various townships and school budgets must be given time for filing. Many townships have never prepared budgets before, said one of the members, and it may take some time.

The requirements for state purposes must be certified to by the auditor general and filed with this commission stating state requirements. This must be subtracted from the 15 mill tax together with the one-tenth of a mill for cities.

Following this the balance of the tax dollar may be divided according to the requests from the remaining local units, which in the case of Holland is the county and the schools.

To explain this more concretely, if there are 13 mills left after state and city requirements are deducted, the schools may be entitled to nine mills if the county is content with four mills. Or the county may ask for five mills which in that case would cut the schools to eight mills.

## NAMED MEMORIAL DAY SPEAKER FOR HOLLAND

Prof. Egbert Winter, head of the department of education at Hope college since 1919, has been named speaker for the Memorial day exercises in Centennial park May 30. Banks of Civil war veterans in Holland have been reduced to two comrades, Gerrit M. Doeburg, 90, and John B. Douma, 86, only survivor of Company I, 24th Michigan Infantry. Swan Miller of Macatawa and Joe Verplanke, one time sheriff of Ottawa county, have been indirectly affiliated with the local G. A. R. post.

The cause of missions was expounded before two large audiences in Central Avenue Christian Reformed church at Holland Thursday at the annual spring conference of the Woman's Missionary union of the churches in Holland and Zeeland classes and vicinity. Speakers were Dr. Richard Postma, superintendent of Rehoboth Mission hospital in New Mexico; Dr. Henry Beets of Grand Rapids, Wm. William Meyer of the Canadian mission and Miss Myrtle Huizenga, daughter of Dr. L. S. Huizenga, medical missionary in China. The large church was crowded to the doors to listen to the prominent men and women in the Christian Reformed mission field.

Rev. J. Schortinghuis and family have returned from a motoring trip to Iowa and will again serve his congregation at the North Holland, and now a classical missionary living in Holland. The three couples are: Mr. and Mrs. William Kooyers (Martha Mulder), Mr. and Mrs. George Nienhuis (Hattie Kooyers), both couples of Crisp, and Mr. and Mrs. Manley Looman (Johanna Kooyers), now of Zeeland.

Three wedding anniversaries, solemnized 15 years ago, were simultaneously observed this week by three members of the family of William Kooyers of Crisp and their life partners. The six were married in a triple marriage ceremony by Rev. Gerrit Tyse, then pastor of the Reformed church at North Holland, and now a classical missionary living in Holland. The three couples are: Mr. and Mrs. William Kooyers (Martha Mulder), Mr. and Mrs. George Nienhuis (Hattie Kooyers), both couples of Crisp, and Mr. and Mrs. Manley Looman (Johanna Kooyers), now of Zeeland.

annually make this favorite spot one of their motor objectives in the spring and summer months. The place is open to visitors throughout the year. The hours are 8 a. m. to 4 p. m. The farm of 300 acres, opened in 1910 as an experiment, has developed into one of the most beautiful and attractive places in the country. The zoo, comprising many animals from Ceylon, India, South America and West Africa, now has 11 lion cubs, three only a month old. Six bear cubs are expected from northern Canada. New cages have been built for a large variety of rare birds, including many song birds. Other additions include monkeys, parrots and swans.

The greenhouses and flower beds are beautiful features, while the verdure of the orchards and wide lawns are in striking contrast to the shining yellow sands of the beach, only a stone's throw away. The zoo far outstrips any other in Michigan, with the exception of Detroit.—Grand Rapids Press.

## Athletic Awards Are Presented By Coach Hinga

### FRESH AND VARSITY MEN RECEIVE LETTERS AND BLANKETS

At the all-college banquet, which was held April 19 in the Masonic Temple, athletic awards were made for the past year.

Coach Hinga made the presentations to freshmen and varsity men. Varsity football letter winners were Lorenzo Meengs, James Zwemer, James Wierigink, Carroll Norlin, Harold Seekamp, Donald Te Roller, Theodore Van Zanden, Gordon Korstanje, Robert Freeman, Gerald Bonnette, Vernon Klomparsen, Milton Slaght, Edward Damsen, Louis Japinga, James Nettinga, Chester Slighter and Harold Fairbanks, manager.

Varsity basketball letter awards went to Andrew Dalman, Gerald Bonnette, Theodore Van Zanden, Frank Viascher, James Tyse, Gordon Korstanje, James Nettinga, Donald Te Roller, Stanley Boven, Louis Japinga, Leonard Steffens, Gerald Nykerk and Carroll Norlin, manager.

Freshmen numerals went to Kenneth Gross, Kenneth Tyse, John Good, George Good, Donald Kooman, Robert Hyink, Lester Wolterink, Kenneth Vander Velde, James Weurding, Ivan Roggen, Eugene Prins, John Piet, Arthur McGilvra, Stuart Gross, Leo Mahon, James DeWeerd, William Westveer, Earl Cook, Frederick Norlin, Lester Van Tatenhove, John Buteyn, George Douma, John Henderson, Howard Hartough, Milton

Span, Ben Timmer, Jay Bush and Harvey Scholten, manager.

Track letters were awarded to Albert Holland, Harri Kropscott, Joe Esther and Earl Kropscott; John Henderson, Woodrow Maris, David Lahman and Maurice Snyder.

Blankets for seniors with major participation in athletics were awarded to James Zwemer, Carroll Norlin, Gerrit Wierigink, James Wierigink, Lorenzo Meengs and Harold Fairbanks as football manager.

### CHAPEL CHOIR IS KEPT BUSY WITH MANY PROGRAMS

The Hope College Chapel Choir has been tremendously busy since the return of its membership from their vacation trips. Their singing at Third Reformed Church of Holland on Tuesday, April 11th, was the Chapel Choir's first contribution to the Lenten Week program.

The choir was requested to sing two numbers at the funeral service of Mrs. Christine Gilmore, which was held in Hope Memorial Chapel on Saturday, April 15th. A great number of favorable comments have been heard concerning the choir's interpretation of "Souls of the Righteous" by Tertius Noble, which is considered by many to be the most beautiful anthem ever written.

On Easter Sunday afternoon a vesper recital was given by the Chapel Choir. The service opened with the call of the Clarion Quartette, composed of John Mullenberg, John Paul Klein, Paul Fugazato and Mark Brouwer. The choir finished the call with the ever popular, "Sing We All Now with One Accord," by Praetorius. Other numbers of the choir, "List to the Lark" by Dickinson and "There Stood Three Maries by the Tomb" by Matthews. Miss Jean Herman was the soprano soloist. In the

latter number, the violin obligato was beautifully played by Miss Cornelia Stryker. Miss Herman then sang the lovely "Hosanna" by Granier and Miss Stryker played "Cavatina" by Raff. The piano accompaniment was played by Mr. W. Curtis Snow.

The organ-like quality of the choir in the presentation of "Beautiful Savior" by Christiansen, was particularly delightful. In this number Miss Hazel Paulman was the soloist. An organ and piano duet, played by Mr. W. Curtis Snow at the organ and Mrs. Snow at the piano followed.

Before the last number Mr. Snow issued an invitation to anyone in the audience who was familiar with the "Hallelujah Chorus" from Handel's "Messiah" to come to the platform and sing it with the choir. A great number accepted. Considering the fact that the entire group had never practiced the number together, it was done exceptionally well.

Again the choir was complimented on its performance and was invited to sing at the Bethel Reformed Church in Grand Rapids on the evening of April 20th. There, before a packed auditorium, the group again lived up to expectations and formed a fitting background and atmosphere for an address given by Dr. Wichers.

The Chapel Choir has worked hard for the past two weeks but they are looking forward to more hard work before the school year is over. They have already been asked to sing at commencement exercises for Western Theological Seminary and for Hope College. Somewhere, in the meantime, they expect to give their annual Spring concert.

Virginia Dosker was the guest of Ethel Letsma for the week-end at the dorm.

Among the sick list of loyal Hopeites are Preston Maring and Ralph Danhof. Here's our heartiest wishes for a rapid recovery.

But we're all very happy that Marty was able to sit next to Louie at the banquet. And Marty ate a good meal too!

From the plans the biology boys are sketching it will be determined where the entrance to the forest will be and also where the road will run in the park. It is planned to have the entrance on the west side.

Although the future of an annual for the class of '33 looked rather gloomy during the recent bank moratorium, the editor, Alyce Dykens, and her board have arranged a plan whereby there will be an annual in spite of the financial condition.

The board held its first meeting last Friday night. Several faculty members were present and also the student editor, Alyce Dykens; Harold Nienhuis, business manager, and George Bosworth, president of the senior class.

Before the present economic lull there had been collected sufficient funds for the annual by the sale of magazine subscriptions and the profits of the council plays, about \$160 from the magazine campaign, and a profit of \$100 from the council plays.

Miss Clara Reverts, a faculty adviser for all the recent annuals, has stated that an annual cannot be published for less than \$350. Usually \$100 is brought in from the sale of the annual and would furnish the balance necessary for publication.

All this money is not available at present, but by some other method funds for the annual can be settled.

The annual will, of course, be the smallest that any graduating class has ever published, and the price will be somewhat less than in other years. The quantity sold is expected to be greater, which will probably meet the returns of other years.

On Saturday, April 22, Wilma Buis, Lucille Buter, Grace Keeler and Jean Pellegrom attended the Kent county Girls' Reserve conference held at Sparta. The conference consisted of community singing, discussion groups, lectures, a luncheon at noon, a tea, and a banquet at night.

The discussion groups took up most of the day. The topics discussed in these groups, consisted of "Broadening My Horizon," "Appreciation of Music," "Beautifying My Home." These topics enlightened and broadened the minds of the attendants.

Pay days have again come for the teachers of Holland's high school. Tuesday, April 18, the teachers received the first of the baby bonds issued by the board of education, the first pay they have had since February 1. Once again they can walk down town and shop.

E. D. Hanson of economics fame has fun just selling bonds to different students in his classes. They may prove a good investment. These baby bonds have the city seal and tulips as decorations. The one- and five-dollar notes bear 2 1/2 per cent interest until March 1, 1934. Merchants in general are taking scrip from the teachers.

Thursday night after school saw the crowning of a new high school tennis champion. In five thrilling sets of the best brand of tennis ever witnessed on our local courts, Glen Loveland, a junior, defeated Floyd Otteman, a senior.

Loveland played a steady, careful game and had a slight advantage over Otteman in his service. Although "Flip" was beaten, he showed his characteristic fighting spirit. This match was the climax of the annual high school tennis tournament. Although Coach Breen has not picked his team there is every evidence of a good squad this spring.

Mr. Herman Weyschede, a citizen of Holland and a former employee in the Holland Furnace company and the Szekely Aircraft corporation, has a very deep interest in Holland's educational system.

Knowing that the woodshop classes have been changed from wood working into sheet metal work and pattern making, Mr. Weyschede came to Edward Donk's first-hour class and demon-

strated the method in molding and casting which was practiced at his place of work. He contributed to this department some of his tools for the students to use, and demonstrated the use of each.

The boys of Mr. Donk's classes express their deep appreciation to Mr. Weyschede for his service and interest in the school wood shop.

The new tennis tournament for girls will start soon. All the singles are to be played off by Tuesday, April 25. The singles are as follows:

Geart Houting vs. Vivian Paulus; Gertrude Young vs. Virginia Allen; Florence Vandenberg vs. Mary Good; Beatrice Hop vs. Violet Slaght; Esther Hinkamp vs. Ruth Elinor Trueblood; Cornelia Lievense vs. Josephine Boyce; Lois Spyker vs. Elaine Erickson; Marian Scheerhorn vs. Gertrude Meengs; Lois Tyse vs. Wilma Hoek; Florence Olerit vs. Ruth Mary DuMez; Margaret De Vries vs. Mary Damstra; Augusta Heneveld vs. Joyce Notier.

The doubles will play after the singles. They are as follows:

Jean Spaulding and Margie Knoll will play Vern De Feyter and Adella Vander Heuvel; Jean Wismeier and Lois Jane Kronemeyer will play against Phyllis Tiesenga and Virginia Ellison. The winners of the last set will play Margie Klomparsen and Thelma Kookier.

Each Tulip Festival has encouraged the Tulip Time Committee to make plans for another band contest and parade. The date is Saturday, May 20, 1933. Eugene F. Heeter, chairman of the band committee, has received many acceptances to the

Joyce Notier is the manager for all tennis this year. A tennis team will be organized to consist of seven girls, two doubles and three singles. Results of the tournament may determine who will be on this team. Last year a girls' tennis team was organized but late so that they played only one game, that with Benton Harbor.

Two junior high school track records were shattered on Tuesday, April 11, at the high school gymnasium when athletes from the seventh, eighth and ninth grades competed in four events.

Nelson Van Lente, a member of the 9-2 class, put on a one-man show in the meet. Van Lente won first place in three of the four events and smashed the existing records in the 25-yard and 100-yard dashes. The lad also placed first in standing broad jump.

Van Lente ran the 25-yard dash in 3.1 seconds, and his performance supplanted the mark of 3.2 seconds made by Nienhuis, Irwin and Vos in 1930. Merle Ver Schure's record of 13 seconds in the 100-yard dash was lowered by a single second.

Stanley Brunzell, a seventh grade pupil, won first honors in the running high jump with a height of 4 feet, 7 inches. Leon Moody, director of the meet, expects Brunzell to become one of the best jumpers produced in the junior high school.

Summary of the meet:

25-yard dash—First, Nelson Van Lente; second, Alfred Morris; third, Gerald Daining and Harvey Zoet; time, .031.

100-yard dash—First, Nelson Van Lente; second, Harvey Zoet; third, Henry Beedon and Marvin Looman; time, .12.9.

Standing broad jump—First, Nelson Van Lente; second, Marvey Zoet; third, Alfred Morris; distance, 8 feet, 9 3-4 inches.

Running high jump—First, Stanley Brunzell; second, Henry Beedon; third, Alfred Morris and Martin Bekken; height, 4 feet, 7 inches.

Respectfully submitted, Nicodemus Bosch, Mayor.

Accepted and recommendations adopted.

Ald. Jonkman then presented a resolution in line with the Mayor's recommendation. The resolution provides for the creation of the Office of Welfare Director, also that the Director chosen shall serve from month to month. That the salary provided for this office at the present time be \$65.00 per month; further, that the present system be continued with such changes as may be agreed upon by the Council and further that any changes before becoming operative must be determined by the Council who shall retain supervision over the Welfare work.

Respectfully submitted, Mr. Jonkman's resolution follows:

RESOLUTION To the Honorable, the Mayor and the Common Council of the City of Holland Gentlemen:

WHEREAS, the Common Council is assembled for the purpose of considering a certain resolution concerning the administration of welfare in the city of Holland, and

WHEREAS, the resignation of the former Welfare Director, C. J. Dregman, is on file with the City of Holland, and

WHEREAS, it is one of the chief concerns of the Council members to efficiently and economically administer the welfare work of the city, and

WHEREAS, it is now necessary to create the administrative office of a Welfare Director and to make an appointment to said office, and

WHEREAS, the best interests of the people of the city can be served by a spirit of cooperation.

Therefore, BE IT RESOLVED, that the resignation of Mr. C. J. Dregman, as Welfare Director of the city of Holland, be accepted.

And, BE IT FURTHER RESOLVED, that pursuant to the authority contained in the Charter of the City of Holland the administrative office of Welfare Director be created.

BE IT FURTHER RESOLVED, that the compensation of said office be fixed at the rate of Sixty-five (\$65.00) dollars per month and that a Welfare Director be appointed to serve from month to month in accordance with said salary, provided, that the said compensation of said welfare director may be changed from time to time by order of the Common Council and that said compensation be fixed as conditions may warrant.

BE IT FURTHER RESOLVED, that the general system which has been employed in the administration of welfare work be continued, subject to such specific modifications as may be proposed from time to time by the Welfare Committee and that the Common Council shall make final determination of any such proposed changes, and that

Mr. Dregman. In this connection, it was recommended that the new Director be appointed from month to month. Also that the present system be maintained with such minor adjustments as might be advisable from time to time. It was also recommended that the Council retain complete control of this department at all times so that any changes which might be suggested by the Welfare Committee or Director be first submitted to the Common Council for determination before they are put into effect.

MAYOR'S MESSAGE April 24, 1933.

TO THE HONORABLE, The Common Council of the City of Holland: Gentlemen:

I have filed with the City Clerk in writing my objections to the passage of a recent resolution pertaining to the city welfare work. I feel that the objections are in order, but I did not wish to elaborate in the preparation of those objections. There are a few things, however, which I feel I would like to call to your attention under the heading of general remarks.

As frequently stated by me, there is no department in our present civil government that has challenged my attention and caused me greater concern and sympathetic attention than the welfare work. I have known for some time that a change in the directorship of welfare would become necessary, as I have anticipated the resignation of the present director. However, I had not made definite conclusions as to recommendations.

I desire to direct your attention to the danger of employing a director for a longer period than one month. Personally, I feel that it would be unwise and I would therefore recommend the appointment of a welfare director on the basis of employment from month to month. I would further recommend that the present system which has been very carefully worked out, be retained and not overthrown completely. In this connection I believe that the Common Council should and must, at all times, retain complete and final control over our welfare question, and that the various members of the Council should familiarize themselves with the important details of the welfare administration. It is fortunate that the Council, as a whole, is now facing this problem directly and interesting themselves in this all important city function.

I believe that the welfare committee should keep in constant and close touch with the welfare work and should report any proposed changes to the Common Council for determination. I am of the opinion that many substitutions and adjustments could be made, so that those on the welfare list may exercise their choice in the selection of commodities for their consumption; that those on the poor list should have an opportunity to acquaint the welfare department with their specific needs, such as the substitution of potatoes for spaghetti or butter for lard without additional expense. These are minor substitutions and there may be many others that could be made and should be made. It is not at all improbable that a further saving might be made and still permit these adjustments.

I believe that the welfare director should not exercise arbitrary discretion, but that all the people served should be served with equality and that problems with reference to substitutions and the like and suggestions to be made should come direct to the Council for their consideration and disposition.

This message I give you in the spirit of cooperation and good feeling and to stimulate renewed interest and efficiency in this department.

Respectfully submitted, Nicodemus Bosch, Mayor.

Accepted and recommendations adopted.

Adopted, all voting aye.

The Mayor then declared a recess of 10 minutes so the Council members could discuss the selection of a new Director.

After recess, all members being present, it was moved by Ald. Prins, seconded by Kleis, that Mr. Ben Wiersma be selected as the new Welfare Director on a month-to-month basis. Carried, all voting aye.

By unanimous consent, the Council then took up other matters.

Ald. Jonkman, on behalf of the special committee appointed to investigate the possibility of employing Welfare labor on State work, reported having made such investigation. It was further reported that the State Highway Department had agreed to co-operate in the project proposed at the present time to grade the county line known as 32nd St. from the west City limits to U.S.-31 at Virginia Park. The total cost is estimated at approximately \$10,000.00. Of this amount, it is recommended that \$8,000.00 be used for strictly Welfare labor from R.F.C. funds out of Holland's May and June allotment of such funds. Such amount, under this plan, will then be assumed by the State and will not have to be repaid by the City of Holland. The City and County under this plan must assume the overhead expense together with the cost of trucks and teams. The estimated amount of the City's share on this project is about \$1,500.00. Adopted, all voting aye.

On motion of Ald. Huyser, seconded by Jonkman.

The communication from the Property Owners' League that was presented at the last meeting requesting the Council to ask the Park and Cemetery Board to dismiss Supt. Van Bragt was referred to the said Park and Cemetery Board without recommendation.

Carried.

Chas. Van Zyl on behalf of the

Merchants' Association requested the Council and B.P.W. to co-operate with the Board of Education in accepting and circulating scrip.

Andrew Klomparsen, John Van Tatenhove and Russel Rutgers spoke along similar lines. Mr. De Young, Chairman of the B.P.W., stated that their Board would agree to accept scrip in amounts not to exceed 10% of the customers' bill and turn this over in meeting their payrolls, providing the Council would agree to accept their portion of it in meeting their payrolls. After considerable discussion on the matter, it was moved by Ald. Van Lente, seconded by Prins,

That the matter be referred to the former scrip committee with power to act. The Mayor added the City Clerk to the Scrip Committee.

(Note: Committee met after Council and agreed to the proposition of the B.P.W., viz., that scrip will be accepted in payment of Light and Water bills to the extent of 10% of the bill until further notice).

The committee appointments for 1933 and 1934 as made by Mayor Bosch follow below:

Ways and Means—Albert Van Zoeren, chairman; Frits Jonkman, A. E. Van Lente.

## College Women Will Observe Voorhees Day

### RECEPTION WILL BE HELD AT VOORHEES HALL MON. AFTERNOON

Next Monday, May 8, the dean

and young women of Hope college will observe the annual Voorhees Day. A reception will be held at Voorhees Hall in the afternoon at which Mrs. Durfee and the college women will be hostesses to their mothers, the college professors and their wives, and other guests who have a special interest in the college. May 8 is the birthday of Elizabeth Voorhees who

made the erection of Voorhees Hall possible, and it is in her honor that this date is observed annually.

It is to be noted that the reception is not only for the girls who live at Voorhees Hall, but it is for all of the college girls and their guests. Any girl who has not yet obtained an invitation for her guest, may get one at the office of the Dean of Women.

## Holland High School News

### HIGH SCHOOL BAND PRESENTS CONCERT

Monday, May 1, the high school band presented its annual concert under the direction of E. F. Heeter, in the high school auditorium, with an admission of only ten cents.

Special features by members of the band included a marimba solo by Donald Kramer, entitled "Flight of the Bumble Bee" (Rimsky-Korsakov); "By the Zinder Zee," by the brass quartet. Two specially arranged clarinet selections, "Moonflower" and "Woodland Echoes" were also given.

Numbers by the band were "National Emblem March" by Bagley; "Song of the Marching Men" by Hadley; "Pride of Victory March" by Grabb; "Poet and Peasant Overture" by Von Suppe; "Princess of India Overture" by King; "National Spirit March" by Hummel; "Freedom of the Seas," by Eshberger; "Idealistic Overture," by Brooks; and "U. S. Field Artillery March" by Sousa, closing with "The Star Spangled Banner."

Miss Lida Rogers of the biology

department is in charge of the conservation and nature exhibit which is to be held in the Masonic temple Monday, May 15, to Saturday, May 20, inclusive. Features of the exhibit will be birdhouse and poster contests and scenic photographs by Walter Hastings.

A very interesting and instructive program has been planned for the week. The Masonic temple will be open to visitors from 9:30 a. m. to 9 p. m. each of the six days.

The high school girls' glee club, under the direction of Miss Trixie Moore, will sing and the Dutch Villagers in charge of Miss Ethel Perry will be featured on Monday, Tuesday, Wednesday and Thursday. Address will be given on Tuesday and Wednesday.

Announcement of the members of the class of 1933 who had been elected to the National Honor society was made by Principal J. J. Riemersma in assembly Friday, March 21. The students who have been selected for this honor are Beatrice Boot, George Bosworth, Bernard Donnelly, Alyce Dykens, Emily Evans, Lois Geerds and Maxine Kookier.

Harold Nienhuis, Victor Notier, Floyd Otteman, Janet Outman, Renetta Shackson, Omel Palmer, Richard Schaftner, Charles Steketee, Dorothy Steketee, Marion Te

Roller, Julia Van Dam, Calvin Vander Werf, Angelyn Van Lente, Clarence Veltman, Willard Veltman, Christine Ver Hulst, Syna Weststrate and Bernice Zonnebelt.

The purpose of the society is to raise the standard of scholarship to promote talent for leadership, to stimulate a desire to render service, and to foster the development of character in the pupils of Holland. The society expects to hold a meeting in the near future at which time election of officers will take place. At a later meeting this year's members will be welcomed into the fellowship of the Holland chapter of the society.

The boys of all the biology classes are now planting trees in the 40-acre plot presented for the biology department's work in forestry by Albert Keppel. Thirty boys started planting trees Wednesday, April 19, preparatory to the general planting. Professor Jotter of the University of Michigan directed the work, with Miss Rogers as assistant.

Four acres of the plot are to be planted with trees in 1933. More trees will be planted in the plot by biology classes of Holland high school during the coming years until the plot is full. There will be a road through the plot so that everyone can ride in the forest.

## Starling Bad on the Cherry Crop; Eats Tons

The European starling which can mimic the song of the meadowlark or the blue jay and which can give a fair imitation of a canny in disposing of cherries is the subject of a warning sent to Michigan residents by the zoology department at Michigan State College. The starling is another foreign species brought to this country by well intentioned but uninformed persons who do untold damage while trying to improve on nature. The bird was introduced in New York City in 1890 and now has increased and spread until flocks are common occurrences in Michigan.

The starling is black in the spring, has a short drooping tail, and is about the same size as a male redbirded blackbird. When the bird moults its spring plumage, the new feathers are tipped with white or buff and the bird has a mottled appearance. The starling destroys some noxious insects but may not be an unmitigated nuisance in all places but it has a bad record in the cherry districts. The manager of one canning company in Michigan reports that starlings appeared in flocks of thousands in orchards at Crosswell and destroyed 20 tons of cherries in a few days. No protection is given the starling by Michigan laws. They can be destroyed by any means which does not kill other birds at the same time. This pest will enter buildings in search of food and this trait can be utilized to trap and destroy them. The nests of the species should be destroyed if the identification is certain. Community shoots to thin out flocks congregating in the fall have been successfully staged in some communities.

**Music's Great Influence**  
Music, of all the liberal arts, has the greatest influence over the passions, and is that to which the legislator ought to give the greatest encouragement.—Napoleon.

Perhaps the most remarkable characteristic of the eyes of birds of prey is their power of swiftly altering the focus of their eyes to changing distances. The eagle, for instance, can sight an object on the ground when it is wheeling so far over our heads as to appear like a little more than a speck in the sky. Yet, despite the great speed with which it may dart down upon this object, its eyes are able so to adjust themselves that the bird continues to have a clear view of the object sought and is able to stop at the precise instant to escape collision.
