Holland Takes Over Township Cemetery Lots

SENTIMENT ENTERS LARGELY
INTO COUNCIL'S ACTION;
MANY HOLLAND FOLKS
BURIED THERE

A very important step was taken by the board of parks and cemeteries and approved by the common council unanimously, when they took over the Holland township cemetery property to the south of Pilgrim Home cemetery. In the minds of many there has always been a belief that Pilgrim Home cemetery comprised both cemeteries, but that is far from the truth. The fact is that there was a stock company organized in 1855. The stock was owned by Holland township folks, several of whom have passed away and lay buried there, and others are old and feeble and cannot continue the responsibility. City Attorney Clarence Lokker gave a very minute explanation of the whole affair covering several type written pages.

In substance Holland is to take over this cemetery, maintain it, pay the debts for what there is plenty of cash in the bank, and also take over \$4,000 in good bonds that will go a long way towards sustaining the cemetery.

It is understood there are approximately 400 lots left to be sold at \$5, \$7.50 and \$10 a grave. Mayor Bosch was slow in backing up the proposition, asking for more details so Holland would not be burdened with extra expense. He was told that much pressure was brought to bear on city officials for the reason that the majority buried there are from Holland city and the care given the graves was not as thorough as in Pilgrim Home cemetery.

Mayor Bosch immediately said: "That changes the picture and for reasons of sentiment I am for this transfer."

Alderman Van Zoeren, Alderman Kleis, Alderman Huyser and others spoke on this transfer, asking for full details and at the final vote it was unanimously decided to take over Holland Township cemetery which should have been done years ago.

Holland takes over the assets which with the bonds and lots are considerable and the liabilities are also, taken over which are almost liquidated by the cash on hand. Both cemeteries will be under one head and should be called Pilgrim Home cemetery. Holland's old cemetery which had its beginning around a little log church has been added to from time to time until there is no more room and burial plots have practically all been taken up.

The new acquisition by virtue of the Holland township cemetery will provide graves for some time to come.

Conducted in connection with Pilgrim Home cemetery and under the supervision of the Park board the City of Holland will not assume any burdens, for up to this time both cemeteries have been self-sustaining. The News feels that it is a good move and will undoubtedly delay the turning of the fair grounds into an added cemetery.

HENRY BOLT NEAR WEST OLIVE BURNED TO DEATH

Henry J. Bolt, 67, was burned to death today while burning brush with his brother, Albert Bolt. The two men were working on a farm belonging to Mr. Bolt about three miles north of West Olive on US-31 burning off dead grass and brush piles that had accumulated from the winter. Mr. Bolt complained of being thirsty and sent his brother to a nearby farm, owned by John Verduin to get some water. When Albert returned, he found Henry Bolt lying in the grass with his clothes burning. He attempted to pull him from the flames but was unable to do so and ran back to the Verduin farm for help. When they returned Mr. Bolt was dead, his body badly burned and almost unrecognizable. The Bolts are well known in Holland.

EXPOSITION BUILDING WILL BE A DREAM

Former Mayor E. P. Stephan has at least a dozen carpenters going on the interior of the new exposition building at Fourth and River avenue. A peep into that building shows a riot of Dutch colors and windmills and the booths and centerpieces of this large structure are assuming shape suitable for the decorations and the Holland-made products from our shops and factories to adorn 16,000 feet of floor space.

Holland may not take this show as seriously as it might. The reason is that they do not know what is in Holland.

Well—it is going to be their surprise. Naturally the trimmings are going to have a Dutch complexion with blue predominating and we mean colors, not Mondays.

"KID" WITH TIN CAN KEEPS ON PLAYING

(Zeeland Record)
The small son of Mr. and Mrs. Ed Van Eck, while playing about his home on Lincoln street, Zeeland, Tuesday, thrust his thumb into the opening of an empty tin can from which he was unable to extricate it. This did not greatly disturb the boy who kept on playing with the thumb imprisoned until its cramped position caused the thumb to swell and become painful. When brought to the attention of his parents, he was finally released by a physician who at once performed a tiny surgical operation upon the tin can. The boy is now none the worse for his experience.

The Lions club met in regular session at a noon luncheon in the Warm Friend Tavern Tuesday. President George Damson presided over the business meeting that followed the dinner. Each member of the club gave a short talk at the meeting yesterday.

Council Notes

Ald. Kleis opened the council meeting with prayer.

Commissioner Ketel of the police department presented figures to the common council for a heating plant of \$370.00 together with a stoker of \$347.50, with welfare labor to be used for installation. The Modders Plumbing company seemed to have the most reasonable bid. However, Mr. Ketel did not specify how the labor was to be divided and a few other matters that had to be looked up and he will present the matter again in more detail for the benefit of the city fathers. Mayor Bosch wanted more light on the matter and promised a special meeting of the common council if there was any great hurry. Apparently there will not be since fires have just gone out. The plant is to be installed in the remodeled engine house on West Eighth street.

Upon the recommendation of the public building committee, space will be provided in the city hall for the following: Judge Fred T. Miles, Boy Scouts, county and city welfare relief work, Red Cross, health units, American Legion band, Senior and Junior Women's Relief corps, Spanish-American Veterans and auxiliary, American Legion and auxiliary, and Veterans of Foreign Wars and auxiliary. No others need apply for the house is full. Some of these public and semi-public meetings have brought no end of dirt, cigar and cigarette stubs, janitors say.

Alderman Van Lente brought up a matter, namely that the graded streets which are not graveled, have been causing sand storms in the neighborhood. The dust is so dense that the neighbors cannot keep their clean and those folk should have relief. The matter will be taken care of by the city engineer with chloride, black dirt or some to lay the dust.

Alderman Huyser brought up the Tenth and River avenue vegetable stands and stated that if these were to be there the men conducting them should put in presentable booths placing them far enough away from the street so that congestion would not be caused on the sidewalks. City Attorney Lokker stated that there could be legislation to clear all open spots but the ordinance could not be directed at one particular person. Mayor Bosch stated that this was deplorable, for this was another case where summer tenants take the cream during the good season, while the merchants carry the load the rest of the year.

The special committee on radio interference, headed by Alderman P. Huyser, reported the causes of interference are being investigated by the board of public works. The committee appointed to effect the removal of sewage disposal odors, of which Alderman H. Prins is the chairman, reported that tests will be made by the public works board in new methods, and a report would follow.

Fred S. Bertsch explained the Gardens of Holland to the aldermen and asked the city to donate light and power to include animal and flower displays, vespers, and games on Sunday and an art gallery in charge of Mr. Bertsch, was deferred. It was referred to Alderman A. Van Zoeren, W. Thompson and C. Kalkman, who will report back to the council. Undoubtedly the matter will have to come up before the board of public works, since the exact needs if they are allowed at all, will need a careful study. Mr. Petersen, formerly at the Getz zoo, is also back of this project. The site will be the old Dan Bertsch farm on US-31 east of Central Park. Mr. Fred Bertsch gave the aldermen half hour's talk on animals and his plans and showed artistic drawings of what this recreational garden would look like.

City hall custodians were deputized as officers upon motion of Alderman Drinkwater. Action was also taken in installing horse shoe courts at Longfellow school, which were approved some time ago. The installation of a street light on Twenty-first street between College and Central avenues was referred to committee with power to act.

Aldermen were asked to investigate the balcony of the Kanters building east of the Holland theater, where folks congregate during the parade season. Aldermen felt it unsafe for those on the balcony and those below. Its safety will be investigated and will be reported on. The balcony is at least 60 years old and formerly extended clear across the sidewalk, sustained by pillars. Some thirty years ago the balcony was cut down and is the old Rokhuis Kanters home and one of the show places in the old days.

Bertsch and Petersen will open their animal show, giving one free day to the city, and figure that 30,000 will avail themselves annually of this privilege.

Alderman Bultman asked that a much needed light be placed on Twenty-first street between College and Central. The new alderman will get more light.

Gerrit Kragt was again given the contract as city scavenger. He and his little iron wagon have been doing service for Holland and ably so for a good many years.

The city of Holland signed another contract with the State of Michigan whereby the state is to pay Holland for the upkeep of the trunk lines that pass through, viz.: M-21, M-40, and US-31. Holland is the terminal of two roads, viz.: M-40 and M-21.

PROGRESSIVE HOLLAND

Soon this city will be in the midst of the annual Tulip Festival. The inception of this unusual festa was nothing more than a "spirit of progress." It grew more rapidly in importance and development than the most optimistic had ever dreamed.

From a humble beginning the celebration has grown year by year with longer lanes of tulips, greater varieties, more show places and even more pretentious programs that have been so eminently fitting in the scheme of things.

Tulip Time would fit no other city in the United States so well as it does Holland, Michigan, and by this time the nation knows that, and there have been no imitators because it is a recognized fact that "Tulip Time" elsewhere would be a misnomer.

Holland, through its origin, its traditions, its name, and its centrality, is cut out for just such a festival, and those who have been in charge have kept the festival a celebration of high order. It is a dignified, unhurried celebration.

The carnival spirit has not, up to this time, been evident in the smallest degree—blatant side show tactics do not fit in.

Commercialization has been frowned upon and "Tulip Time in Holland," is meant to imply that we are here to welcome our guests, that the latch string is hanging out and that we are showing our beautiful city at its best when "May Time is Tulip Time in Holland, Michigan."

KLAAS BUURMA, 63 YEARS OLD, DIES SUDDENLY

Klaas Buurma, 220 West Sixteenth street, died suddenly at his home at the age of 63 years. Mr. Buurma had been ailing for a few weeks, and was about to leave the house just as the doctor arrived, when he was stricken and died almost instantly.

Mr. Buurma has always been a public spirited citizen, taking a deep interest in civic welfare. He was born in The Netherlands, coming to Holland 41 years ago. The funeral is to take place on Monday at 2 o'clock from the home and at 2:30 from the Fourth Reformed church where he has been an official for 34 years and a Sunday school teacher for 7 years. Rev. Henry Van Dyke will officiate. Interment will take place in the family plot in Pilgrim Home cemetery. He will lie in state at the home from 3 to 5 Saturday and from 2 to 5 Sunday afternoon.

Mr. Buurma is survived by his wife, a son, Carl A., and a daughter, Mrs. Rhine Vischer, both of Holland; also a brother and one sister in The Netherlands.

Mr. Buurma dealt largely in real estate and in the earlier days was interested in teaming. Nibelink and Notter, local undertakers, have charge of the funeral arrangements.

Judge Orrien S. Cross and Marvin C. Lindeman were elected as members of the board of directors of the Rotary club at the regular meeting Thursday, noon, from a nomination of four including the men above mentioned together with Henry Geerlings and Vance Mape.

Mr. and Mrs. Henry Kleis of Holland visited Sunday with their mother and sister, Mrs. P. Coburn and Nettie Coburn—Zeeland Record.

West Siders feel that it is only "fair" that the courts should be constructed, since, according to Pat Halley, no recreation park of any kind is located at that section of the city. Mr. Holley stated that Superintendent of Parks John Van Braught informed him that a place had been set aside at Kollen park for tennis courts.

George Damson also cleaned up on the Norman Thomas banner on River avenue, stating it should not be allowed to remain there since it was unsightly and besides the sign was advertising "Tulip Week" which has nothing in common with the lecture Thomas is to give. It was also stated that the sign had been repeatedly blown down into the street.

Art Drinkwater at one time dean of the aldermen with the city engineer will see to it that cans and rubbish are not thrown on every vacant lot and in the swamp, but in the city dump intended for that purpose. Suitable signs will be posted on vacant property where dumping has been prevalent and arrests are sure to follow.

Art Drinkwater is "sore" about rough sidewalks. He made the entire council laugh when he said "I know one place in Holland where a woman had to keep the baby strapped in the cab to prevent it from bumping out."

At a C. V. Post room one day, Legion Auxiliary, the Citizens' League, the Ladies Aid of the Seventh Day Adventist church and the Igloo Ice Cream company all asked for food concessions during tulip week. The entire matter has been turned over to the Tulip Time committee. There has been much opposition from restaurants and hotels because of this temporary competition during the harvest season. The food men say they pay taxes, licenses, medical examinations and other expenses and otherwise carry the load, and they should be given a show.

Rushin' Machinery to Russia

The News has often stated that Holland does not know what is going on in our local manufacturing plants. This will be evident when you see forty exhibits in the large exposition building on River avenue. But then, this is not a Tulip Time story, but the picture you see here is a large shipment of machinery from the mayor's plant, namely the Western Machine Tool Works.

The picture was taken before these nine large boxes, made of two inch lumber, were loaded on a car, and shipped to New York. They are now on the freighter Kim in mid-ocean, the Kim being the first ship to enter New York harbor since 1917 flying the Russian flag. The mayor has already received his money for his goods.

In an interview with Randall

Bosch, he said: "The Garvin Automatic Tapping Machine is used for threading holes, and is automatic. In our shipment to Russia, there were nine boxes, each containing a Garvin Automatic Tapping Machine. Four of these machines were duplex tappers, and they were all equipped with latest type speed boxes, for direct shifting of speeds. The Garvin Tapper is one of the fastest operating machines of its kind on the market, and there are thousands of these in use throughout the United States, and every foreign country. We have made several previous shipments of these same machines, and also Steptoe Shapers, which we manufacture, to foreign markets. Machines in this instance are to be used in connection with manufacturing magnets."

FIFTY YEARS AGO TODAY

At the Greenback county convention, held at Grand Haven, we notice that no delegates were chosen from Holland. Can it be that there possibly are no "greenbacks" in Holland?

Last Monday J. Eppink of Allegan, sold his house, store and grounds in Graafschap to Messrs. Notter, Lokker and Boven for \$3,500.

Grand Haven is to be lighted with gas, including the streets.

Last Thursday the contractors began laying pipe for our system of water works. The first hydrant was set on East Eighth street a few feet from the railroad track.

Prof. Bailey, in his lecture here, endeavored to demonstrate the fact that the earth travels around the sun. Not a few of our Holland people would not have it that way and insisted that the sun travels around the earth. Note: Maybe some still think so.

We have been requested to notify those who have signed an agreement to help organize a Post of the Grand Army of the Republic in this city to meet in the room of the Eagle Engine Co. No. 1. It is expected that a post will be organized with a fee of \$150 per year. Note: The files do not show that a post, now the A. C. Van Raalte post, was immediately organized. There was Holland Soldiers' Union 50 years ago and Jas. L. Fairbanks was the commanding officer.

TWENTY-FIVE YEARS AGO TODAY

Born to Queen Wilhelmina and Prince Hendrick of the Netherlands, a daughter. Note: This proved to be Princess Juliana, now grown to be a wonderful girl.

MISSIONARIES FROM WEST BORNEO TO SHOW PICTURES

Rev. J. G. Bremen, who with Mrs. Bremen were first pioneer faith missionaries in West Borneo where they began work in 1926, will speak and also exhibit pictures and curios in The Open Bible church, Nineteenth street and Pine avenue Friday evening at 7:30 o'clock. The workers report that in seven years more than 2,000 of the natives have taken a stand for Christ. The Bremens are endeavoring to recruit missionaries in an effort to evangelize 200 Dyak tribes.

COMMITTEES NAMED FOR POLICE BOARD

Committee appointments on the board of police and fire commissioners have been announced by John P. Luideus, chairman of the board, as follows: Personnel, John F. Denenly, chairman, and Edward Brouwer; traffic marking, Police Chief Peter A. Lievens, and Cornelius Huizenga; office equipment and publicity, Brouwer and Luideus; motor vehicles and signs, Henry Ketel; fire equipment and engines, Fire Chief C. Blom, Jr., and Huizenga.

Mr. and Mrs. Harold Dekker entertained several of their friends at a dinner at their home on East Twentieth street. The Dekkers, recently married, were the recipients of a very useful gift.

Holland Bolts Bond Issue At Least 25 to 1

OTTAWA COUNTY VOTES 6,700
NO—323 YES; BIGGEST
DEFEAT EVER

While the State of Michigan went better than 1 to 1 against the proposed \$38,000,000 bond issue for public works, this vicinity went even worse than that. It was the most overwhelming defeat on any election in the state up to this time.

However, in Holland and Ottawa county the vote was almost unanimously against Comstock's bond issue.

The total vote in Holland was 1,831. Excluding the blanks there were 67 votes yes and 1,764 votes no, or approximately a 25 to 1 vote against the bond proposal.

Holland's tabulated statement by wards will be found in the complete compilation of the vote of Ottawa county below.

The total vote against the measure in Ottawa county was 6,070 votes with but 329 in favor of the proposal. In two townships with a considerable vote, there was not a single vote in favor of the bond issue. Especially strong was the disfavor in the rural sections.

Spring Lake township registered 28 votes for the proposal and 220 against it. Holland township, with 30 votes yes and 410 no votes, scored the highest mark in favor of the proposed bond issue.

In Chester township, with 211 yes votes, not one vote favoring the issue could be found, although the election board reported they had searched diligently.

Grand Haven township had three yes votes to 116 against, and Robinson township registered 9 votes for the bond issue to 68 against it.

In Allendale there was one person who voted yes and 140 who protested the issue. Thus all down the line the people of this county showed plainly that the proposed bond issue was one of the most unpopular measures ever put before the voters.

The election was restricted to property owners, wives and husbands, which cut down the vote considerably.

The following table shows the vote in Ottawa county:

TWO OTTAWA MEN GET PRISON TERMS

Two Ottawa county men were sentenced to terms at Jackson prison by Judge Fred T. Miles here Wednesday afternoon when they pleaded guilty to a charge of breaking and entering a creamery at East Saugatuck.

Bert Eding, 46, of Zeeland was given a sentence of 2 to 15 years and Edward Lawrence, 39, of Holland, drew 3 to 15 years. The pair also admitted other burglaries in Ottawa county, according to officers.

RALPH VOS PASSES AWAY AT HOLLAND HOSPITAL

Ralph Vos, father of Mrs. Oscar Johnson, died at Holland hospital Thursday morning at the age of 59 years. He was born in The Netherlands and the funeral is to take place at 1 o'clock Monday from the Oscar Johnson home at 241 Fairbanks avenue and at 1:30 from Trinity Reformed church, Rev. Henry Ter Kuurst officiating.

Mr. Vos is survived by one daughter, Mrs. Oscar Johnson, and three sons, Leonard of Zeeland, Fred and John Vos of Holland, and two grandchildren and by a brother, Gerrit Vos of Hamilton, and four sisters, Mrs. John Sale of Hamilton, Mrs. Henry Pieper, Mrs. Bert Van Dis and Mrs. Albert Lubbers all of East Saugatuck.

MUD STORM

We knew there was a story we forgot last week and that was the mud storm on Monday. After the shower had dried from automobiles it was a network of mud spots everywhere distributed. Every car in Holland out of doors was covered with a thin coating of mud. Some believe it was caused by the dry and storm of the wastes in Ottawa county for these are creeping fast, you will notice, between Holland and Grand Haven. Dust mixing with the mist might bring such precipitation. Your editor remembers when but a youngster that black snow fell, the strangest sight imaginable. It was found later that the volcano Popocatepetl in Mexico had blown its head off and the black ash had scattered over half the globe. In Michigan it mixed with the snow.

Mr. and Mrs. Henry Boss of 315 River avenue are home after a four months' stay in Los Angeles, California. While returning home they stopped over in New Mexico where they visited the Carlsbad caves.

Tripping Thru The Tulips

Vaudie Vandenberg is majoring in wind engineering and specializing in windmills, ably assisted by John Harmsen. Watch 'em put on the bark in Windmill park.

Skipper Hendrick Noble and his band of Sea Scouts will be on watch at the River avenue exhibit. A pup tent has been provided for the dog watch.

The conservation and nature exhibit, sponsored by the biology department of Holland senior high school under direction of Miss Lida Rogers, will be one of the features for Holland's annual festival, which opens May 12. The exhibit in Masonic temple will feature several phases of outdoor life. Booths will be arranged for different types of plant and animal life.

A typical Dutch flower barge and attending fleet will maneuver in the water at Windmill park during Tulip Time. Rear Admiral Henry VanderScheel will be in command.

The River avenue industrial exhibit "Made in Holland" will be at the "Holland Makers" in "Holland Made" costumes, says E. P. Stephan.

A poster contest will be in charge of Mrs. Louis Krum's art class. A birdhouse contest will be staged by the biology classes, which is open to boys in the sixth grades and junior and senior high schools. Liberal cash prizes are offered.

An added attraction will be an exhibit of common Michigan birds by the Michigan department of conservation and motion pictures by Walter Hastings.

Tulips are growing at the rate of 2 inches every 24 hours, says Sage Connolly. That will make them 24 inches when the show opens and 40 inches when the show closes. Those would be some tulips to trip through or shall we say trip over.

U. S. W. V. AUXILIARY TO SELL CARNATIONS

The annual sale of carnations by the United Spanish War Veterans' auxiliary will take place Saturday in the local banks and in the business district. Mrs. George W. Moomey, who for many years has been general chairman for the day's activities, has again been selected to be in charge.

FLYING ROLLERS WILL BE TULIP TIME FEATURE

The sport feature of the 1934 Tulip Time festival will mark the appearance of the long-haired House of David players of the Benton Harbor colony to open the local baseball season with the Holland All-Stars, a team chosen from the ranks of local league clubs.

The game will be played Thursday, May 17, at 5:30 o'clock, and as it will be the opening game of the season at Riverview park Mayor Nicodemus Bosch will throw the first ball. The mayor has promised to begin workouts soon so that he will be able to toss a fast one to whoever will be selected to be on the receiving end.

The Holland team will be organized and managed by three men whose names are linked with baseball history of the city, Babe Woldring, Sprague Roller and Ben Bateman. Each has played considerable minor league and semi-pro baseball, and all were members of the Holland Independents team that recently disbanded.

The three managers will name the all-star team and have full supervision over the policies of the club.

The House of David will send a strong team against the local boys in the Tulip Time tussle. Manager Bob Dewhurst has had his team down south and the club is already playing games throughout the state and country.

The bearded squad can look for a royal reception here as last year one of the local teams trimmed the bewhiskered diamond stars in a ball game.

Members of the Young Men's society of Ninth Street Christian Reformed church met Monday evening at the home of Dr. and Mrs. Garret Heyns, 131 East Twenty-first street. Besides the routine business the young men also made plans for an outing to be held on Friday, May 11. A social hour which included a two-course lunch, served by the hostess, was enjoyed by the young men after the business session.

Herman Prins is back in first place in the weekly shooting of the Holland Rifle club by winning the Tuesday evening events. Last week he was beaten at the top of the scores by Don Prins, his son, who ranked third in rifle shooting, won the pistol shoot in rifle scores and Herman Prins 177, Don Prins 168, John Kleis 162, Stanley Loyer 160, John Danielson 159, John Kammeraad 158, Ken Woldring 158, Paul Danielson 157, Arnold Datema 156, James Woldring 155, Bud Prins 152, J. Pistol scores: John Kleis 247, John Kammeraad 225, Stanley Loyer 222, Russell Dyke 206, J. W. Chamberlain 190 and Ted Wyma 185.

Holland Takes Good Care Of Its Little Babes

DR. WILLIAM WESTRAE, REPORTS ON INFANT MORTALITY RATE

Shows Lower Average Than That in the Entire State of Michigan.

At a board of health meeting held Monday, Dr. William Westrae submitted an unusual report and also threw some bouquets to his fellow doctors as well as Holland's efficient hospital staff.

The Holland doctor quotes from statements recently made in a nationally known magazine which sets forth the appalling death rate throughout the United States.

The magazine is purported to say that thousands of maternal deaths are preventable and lack of prenatal care is considered an important factor in this death rate.

New York City, the second largest city of the globe, was cited as an example, where a compilation of figures was given and classifications made representing the slum population, overcrowded areas, and the death rate because of uncleanness and widespread ignorance, and the lack of availing themselves of free medical care, etc., entered in.

The doctor states that this does not hold true generally and Holland is a shining example.

Dr. Westrae's report in Holland surely shows that the mortality of babies or infants is indeed low, and for that reason he has compiled figures covering a decade.

A summary of maternal and infant mortality rates in Holland over a ten-year period, shows that in eight of the ten years Holland's infant mortality rate has been well under the rate for the state as a whole.

The city's mortality rate climbed from 20.9 per thousand births in 1928 to 61.2 in 1933, the health officer reported. The totals showed 3,181 births, 6 maternal deaths and 254 infant deaths over the 10-year period. At Holland hospital from June, 1924, to February, 1934, there were 1,195 births and 74 infant deaths, 28 stillborn, 30 premature and 16 died after birth. Dr. Westrae pointed out that five of the six maternal deaths at the hospital clearly could not have been prevented by the hospital.

"Holland has reason to be proud of a maternal death rate of only 6 out of 10 years," the health officer stated. No apparent reason for the climb in mortality rates from the year 1928 could be assigned by the physician who was commended highly for his report.

Regardless of the high death rate in places which naturally would increase in the bigger cities and centers of population it (Continued on Page Four)

NATIONAL GUARD TO STAGE ANNUAL BALL ON FRIDAY

All is in readiness for the national guard's annual ball which is to take place this evening in the local armory. The hall already is most artistically decorated and this feature will again be one of outstanding merit.

The program opens with a banquet at 6:30 for members of company D and their friends. The ball which will be semi-public, will begin at 9 o'clock. It is expected that all officers of the 126th infantry, troop A 106th cavalry, from South Haven, Guy M. Wilson of Flint, division commander, and Edgar H. Campbell of Grand Rapids, brigade commander, will also be among the guests.

Miss Edith Damson has returned to her home at 187 West Ninth street after spending two years at the Women's hospital in Detroit. Miss Damson specialized in obstetrical nursing while in Detroit.

QUIET WEDDING TAKES PLACE AT DE JONG HOME

The home of Mr. and Mrs. Marius De Jonge, 258 West Twentieth street, was the scene of a quiet wedding Friday evening when Miss Peggy De Jonge, a daughter, was married to Mr. Nick Havinga, son of Mr. and Mrs. Henry Havinga, also of Holland. The ceremony, performed by Rev. D. Veltman, pastor of the Berean church, the double ring ceremony being used. The bride wore a gown of pink silk tulle and carried a bouquet of roses, carnations and snapdragons and was attended by her sister, Miss Dena De Jonge, who wore a swaggy suit of pink crepe. The groom was attended by his brother, Joe Havinga. The guests were served a two-course luncheon after the ceremonies. The newlyweds will make their home at 83 West Nineteenth street.

VIRGINIA PARK COMMUNITY CLUB HOLDS BANQUET

The Virginia Park Community club had its annual banquet at the club hall Monday evening, when more than 150 sat down to feast of the good things to eat which had been prepared by Miss Jennie Brinkman, Mrs. George Heneveld, Mrs. Henry Helms, Mrs. Peter Van Houw, and Mrs. Albert Kuypers. The hall was artistically decorated for the occasion and the guests surely enjoyed themselves. President William Winstrom, the toastmaster of the occasion, was introduced by Albert Brinkman, who presented the various speakers and musical numbers.

Dick Bots of Holland gave a very fine talk on "Why a Community Club?" which brought out many reasons why such a club should exist. A budget, read by Lester Cook, kept the audience in good humor with its many "take offs" at the expense of members of the club.

Other numbers on the program included music by "The Happy Harmonizers," guitar duets by Harold and Laurence Mokma; readings by Roy Heath and short talks by Mrs. John Kuypers, Rev. Van Dyk, George Woldring and George Heneveld, and toasts by Miss Lulu Harrington and Mr. Munson.

All in all, it was a most enjoyable evening and the guests were unanimous in their decision to repeat the program in 1935.

HOLLAND BOY EXCELS IN SPORTS AT KAZOO

Orrin Ensfield of Holland for the second year in succession was a member of a winning relay team in the Penn relays, this year being a member of the Western State mile quartet that won the American Normal college event and took second place in the open college mile relay. At Philadelphia on April 28, Ensfield ran one of the best races of his life, getting under the 50-second mark in his 440-yard leg of the relay.

This is Orrin's third year at Western State Teachers college at Kalamazoo, and his second year on the varsity track team, where he has earned a fine reputation as a half miler and a 440 man. He was a letter winner his first year on the varsity, winning several first places in the half mile as well as running on the relay. He also ran one year on the cross-country team here.

After a successful indoor season and great work at the Penn relays, Coach Townner Smith's team is now ready to face the toughest outdoor season in the history of track at Western. As well as participating in the large intercollegiate meets, duels have been scheduled with North Central, University of Chicago, Detroit university and Marquette university.

GULF WINS MORE "HILL TESTS" THAN 32 GASOLINES COMBINED

A BORROWED FORD tests 12 competing gasolines on Muldrough Hill, near West Point, Ky., to see which gas can pull the car and 3500-lb. load farthest up hill in high gear.

Will your car have more power on any one gasoline? HERE'S YOUR ANSWER...

Gulf tested a total of 33 gasolines on famous American hills—12 hills in localities from Massachusetts to Georgia—and here is what they found...

The power of different gasolines varies widely! And of all 33 gasolines, Gulf is uniformly best. 7 out of 12 times, it propelled a car and load up mountain grades farther than any other gasoline tested!

It won more hill tests than 32 other gasolines combined! Prove it! Drive into a Gulf station, fill up, and test the power of That Good Gulf for yourself!

HOW 33 GASOLINES RANKED (IN ALL TESTS TO DATE)

All gasoline tested, except a few "third grade" brands, sold for approximately the same price as That Good Gulf. Each brand is denoted by a letter.

Holland Takes Good Care Of Its Little Babies

(Continued from Page One)

is indeed gratifying to note that through vigilant medical skill and

able hospitalization and nursing Holland can show such an extraordinary record such as the doctor has compiled after a great deal of time spent in research.

Here are the figures—which figures may be verified by the records of the City of Holland and the department of health at Lansing:

Year	Births	Maternal Deaths	Deaths Under 1 Yr.	Death Rate	Other Causes
1924	349	0	26	6	20
1925	341	1	35	10	17

1928	351	2	22	6	7
1929	352	1	26	7	10
1930	342	1	18	5	12

1933	238	0	26	11	15

HOLLAND HOSPITAL. Total number of births from June, 1924, to February 13, 1934, 1,195.

Total number of infant deaths, 74; (a) stillbirth, 28; (b) premature, 30; (c) babies died after birth, 16.

Total number of maternal deaths, 5.

It will be noticed that 5 of our maternal deaths occurred in the hospital. Two of these were cases from the country surrounding Hol-

land and do not belong to the City of Holland proper. One of these was a pneumonia case and in all fairness, death could be ascribed to that disease rather than to child-birth. Everybody with any intelligence knows that the serious cases are brought to the hospital so as to receive expert care. Naturally, we expect a higher mortality in such type of cases. How absurd to blame our hospital for 5 of our 6 deaths when the nature of the case is such that death ensues in

spite of the best care that a well-equipped hospital can provide. If one takes statistics on their face value, one could argue that it is safer to have babies at home, but who can be so illogical as to leave the most important factor out of his deductions. Of our six maternal deaths, four were due to placental praevia with haemorrhage—one was due to pneumonia and embolism and one to embolism alone. Scrutinize this carefully and compare this with the New York classification. Could any of these deaths have been prevented? Such cases can be saved when our physicians acquire divine attributes.

During the ten-year period under discussion, we have listed 254 deaths of infants under one year of age. Of these, 117 were still-births and the remainder died of the following causes:

Causes of Infant Deaths Under One Year of Age.	Number
1—Premature	38
2—Inanition	14
3—Enteritis	10
4—Convulsions	8
5—Cerebral Haemorrhage	6

TABLE 2

A total of 137 babies died of the above causes during the years 1924 to and inclusive of 1933. The total number of births was 3,181. Bringing this down to mortality rates per 1,000 for the City of Holland, we have the following:

Year	Infant Mortality Rate per 1,000
1924	58.1
1925	53.0
1926	66.7
1927	25.9
1928	20.9
1929	41.2
1930	41.8
1931	52.1
1932	67.7
1933	64.2

Compare these with the statistics for the State of Michigan as a whole and we have something brought to our attention that is rather startling in its significance: Infant Mortality Rate Comparison.

Year	Michigan	Holland
1924	72.2	58.1
1925	75.8	53.0
1926	77.6	66.7
1927	67.7	25.9
1928	69.8	20.9
1929	66.9	41.2
1930	62.8	41.8
1931	57.3	52.1
1932	54.3	67.7
1933	50.8	64.2

It will be noticed that in 1928 we had a mortality rate of 20.9 which has climbed up to 64.2 for 1933. The mortality rate for the State of Michigan for 1933 was 50.8. What has happened in Holland? It is not quite evident, but my first thought would be lessened prenatal care. At this point

it may be interesting to know that statistics gathered by the Metropolitan Life Insurance Co. showed that there has been a marked decrease throughout the United States in the mortality rate of children from the age of one month to twelve months, but that only slight gain has been made in the mortality rate of infants of one month or less of age. To summarize then, Holland has cause to be proud of its maternal death rate only 6 out of 3,181 births over a period of 10 years. The infant mortality rate is very good up to the year 1928, from which point it has been steadily climbing for no apparent reason. This needs careful thought on the part of our board of health and the medical profession. One would also like to call attention to our falling birth rate, which will probably be rectified by better economic conditions. Finally, the Holland hospital gives the best of care to its obstetrical cases and only the most unreasonable of critics would blame it for deaths resulting from the most serious complications of child birth that confront the physicians.

DR. W. WESTRADE, Health Officer.
FORMER HOLLAND BOY SPECIAL RESORT AGENT.

James Den Herder, former assistant in the county treasurer's office several years ago, has been appointed as the special resort agent by the resort committee of the Grand Haven chamber of commerce and took over his duties today for the first time.

Mr. Den Herder, who was a former Holland boy, will have charge of the rental of cottages and will escort resorters to various sections of the community to interest them in this location. He will maintain an information bureau at Highland Park and will endeavor to promote the resort business here in other directions.

Already a number of inquiries have been received at the chamber of commerce for summer accommodations and it is anticipated this resort will enjoy a prosperous season, together with other Michigan resorts due to the state-wide advertising plan.

The tremendous business done in the Florida resorts this year encourages northern resort owners that this section will enjoy better patronage than has been recorded for several years.

FATHERS AND SONS IN HOLLAND BATTERY

Fathers and sons will form the opposing batteries in a baseball game as a feature of a youth day in athletics Wednesday afternoon at Riverside park. Babe Woldring, Holland's ace of the old Independents, and his son, Russel, will do the twirling and Spriggs TeRoller and his son, Don, will be the opposing catchers. The game will bring into action the former Holland Independents against the youngsters under the direction of Coach M. L. Hinga of Hope college.

OLD HOLLAND FAMILY MINUS A HOME

William Stellema, who will be remembered in Holland as a man with a large family of 15 children and who conducted fruit stores in different buildings in Holland for several years and then moved to a farm near Saugatuck on U.S. 31, had the misfortune of having his home destroyed Tuesday. The garage nearby was also burned.

The Saugatuck fire department was on the job quickly and saved the outbuildings and the poultry houses. Some of the furniture was saved.

Mr. and Mrs. Richard Van Eenennaam of Holland visited relatives in Zeeland Sunday.

ZEELAND

Word has been received by Mrs. Timon Vanden Brink of Zeeland, advising her of the death of her brother, John Kloosterman at Hollywood, California. He had been ailing for about six months and had submitted to a surgical operation about three months ago. Since that time he has been confined to his bed most of the time. About twelve years ago he moved to California where he assumed the duties of engineer at the Hotel St. Catherine on Catalina Island, which position he held until he became ill.

Mrs. Arthur Cook, daughter of Gerrit Northuis of Lincoln street, was honored last Friday when her sister, Miss Nella Northuis, entertained with a miscellaneous shower. Mr. and Mrs. Cook reside in East Saugatuck and they had the misfortune last week, Monday, of losing their home and all its contents by fire. Those in attendance were Mrs. Russel Niesmer, Mrs. Elmer Northuis, Mrs. Hollis Northuis and Mrs. Garry Visch, all

of Holland; Mrs. William Northuis and Miss Orentha Northuis of Allegan; Mrs. Henry Northuis and Miss Gladys Northuis of Grand Rapids; Mrs. John Northuis, Mrs. Niel Northuis, Mrs. P. Dornbos, Mrs. Dick Vander Heuvel, Mrs. Dick Visch, Mrs. Milan Huyser, Mrs. Jason Deur, Mrs. Peter Looker, Miss Angeline Northuis, Mrs. John Steenwyk, Mrs. William Scheerhorn and Miss Nella Northuis, all of Zeeland.

Mr. and Mrs. Egbert J. Boes of this city very happily celebrated their silver wedding anniversary the presence of their parents, brothers and sisters, last Monday night. Their twenty-fifth marriage anniversary occurred on Saturday, the 28th of April, but the event, for convenience sake, was celebrated on Monday evening. The group was gathered at the auditorium in the city hall to give ample room for the large number of sixty-eight persons invited and a most enjoyable time was had by all. The evening was spent in a general good time, including a short program of speaking, singing and games. The older members devoted much of the time to rehearsing old times.

Born to Mr. and Mrs. John Leeuw, Franklin road, a son, on Saturday, April 28.

Wednesday evening the children of Mrs. Ensing were all at her home: Mr. and Mrs. Chester Van Nuil of Holland, Mr. and Mrs. H. Van Nuil of Blendon, Mr. and Mrs.

Lester Volkers and Lillian Mae, Miss Frances Van Nuil, Mr. Claude Tenckinck, and Mr. and Mrs. Richard Huyser and Betty Ann, all of Zeeland. The evening was spent in visiting.

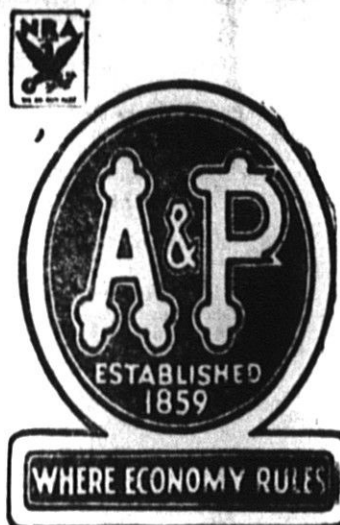

Services at First Reformed church Sunday will be conducted by the pastor, Rev. J. Van Peursen, in the morning and afternoon. In the evening Mr. N. Burggraaff will

have charge of the services.

Rev. J. J. Vandenberg, pastor of the Second Reformed church, will have as his sermon subject in the morning, "Launch Out Into the Deep." Children's talk: "Arithmetic." In the evening Rev. Vandenberg's subject will be "The Last View."

An all-day business and social meeting of groups 1 and 2 of the

Zeeland home economics extension course was held last Friday at the Colburn cottage at Ottawa Beach. A delicious pot-luck supper was served to the twenty women in attendance. Mrs. Thompson, Kent and Ottawa county demonstration agent, was present and spoke on dressing beds and cleaning house. She discussed materials used in making bed spreads, etc.

OTTAWA SCOUTS TO HOLD FIELD DAY AT ZEELAND JUNE 8-9

The annual Grand Court of Honor, field day, and camp of Ottawa county Boy Scouts, will be held June 8 and 9 in Zeeland, a message delivered to Scoutmaster Edward C. Roberts of Troop 23, announced today.

The message was from P. H. Norg, scout executive in Holland, and was delivered by Scout Harold Borchute of Troop 8, Holland, who completed the task as part of his cycling merit badge requirement. He pedaled the distance from Holland to Grand Haven, 22 miles, between 8:10 a. m. and 9:50 a. m.

Maplewood P. T. A. held their last meeting of the season Friday evening with a large number of parents and friends present. The meeting, presided over by the association president, Mr. Russell Bovee, opened with community

and prayer by Rev. C. Stoppels who also gave the address of the evening, his subject being "The Bible in the Public Schools." The program also included selections by Earl Van Dord, James Barkel and Dale Van Dord, who played and sang several popular selections; vocal duet by Miss Ethel Ten Brink and Miss Dora Tucker, and a play entitled "A Day Off at the Old Ladies' Home," being enacted by Mrs. B. Tucker, Mrs. A. Slenk, Mrs. J. Zoerhof, Mrs. A. Brink, Miss Joan Zoerhof and Miss Hazel Tucker.

At a regular meeting of the Woman's Relief Corps Mrs. Minnie Benson and Mrs. Renetta Orr were installed as patriotic instructor and color bearer No. 2, respectively. A program honoring President Grant's birthday, was rendered and refreshments served by Mrs. Clara Benson, Mrs. Minnie Van Buren, Mrs. Benson was in

"DRAMA DAY" AT WOMAN'S CLUB PROVES THAT MRS. MARTHA KOLLEN HELD IN ESTEEM BY THE NEIGHBORS

(Saugatuck Commercial)

Since first perusing the year books of 1933-34, club members have looked forward to the Drama Day, April 20, with play reading by Mrs. Martha D. Kollen of Holland and the club room was filled with eager, happy women, who came to honor this delightful entertainer. Mrs. Flora Allen presided over the program hour in her gracious and pleasing manner, first calling upon Mrs. Ida Gerber Hoy, who, in her sweet mezzo soprano, sang "Voices of the Wood," a Rubenstein melody, and Joyce Kilmer's "Trees," both numbers being greatly enjoyed.

Mrs. D. A. Heath then introduced Mrs. Kollen, though to most of the audience she was no stranger and even as Mrs. Heath stated the club had not recently had the pleasure of having Mrs. Kollen, still the members always thought of her as their friend and when friendly folks get together a good time follows.

Mrs. Kollen responded to her introduction sweetly saying that every one loved praise and that she had always looked upon the Saugatuck Woman's Club as an outstanding factor for good in the community and congratulated the members on their continued progress. She then read the three-act play, "Mrs. Moonlight," by Benn W. Levy. Words fail to express the fitness and charm with which she portrayed each character. Tom Moonlight; old Scotch Minnie, the faithful maid; Sara Moonlight, she who changes, yet doesn't change; Edith, Sarah's younger sister who is in love with Tom (Sarah's husband) so precise and indifferent,

NATURALIZATION ON MONDAY, MAY 7

The naturalization examiner will be in Grand Haven on Monday, May 7, to act on petitions for citizenship and for the final hearing on the several petitioners for their final papers.

County Clerk William Wilds will hold a refresher course for all candidates for naturalization papers at his office in the court house at Grand Haven on Friday evening, May 4, at 7:30.

All interested are invited to attend.

SPEEDIER ACTION ON CANAL SURVEY SEEN

Authorization of a survey for the proposed canal project from Grand Rapids to Holland will be speeded up under the present setup of the federal government for river and harbor improvements, in the opinion of William M. Connelly, manager of the local chamber of commerce.

Surveys can now be made under the PWA, whereas the former method of seeking a survey was to introduce a bill in congress for the war department to make the survey and report back, which usually required three years, it was pointed out. Prospects for carrying out 11 proposed state river and harbor improvements, of which the canal is one, depend largely upon the extent to which the public works program is continued, Mr. Connelly stated on information from Washington.

After being involved in an accident, the car of Peter Braamse of 88 East Twenty-second street, was found by police to have defective brakes and Mr. Braamse was arrested for operating his car under such conditions. He appeared before Justice Elbert Parsons who fined him \$5.

Trade Paper Says Holland Looking Up

Holland Furnace Co., Holland, resumed operations in March after a seasonal shut-down, and now is working at near capacity. It is expected to be at capacity shortly. The Home Furnace Co., Holland, also has resumed operations on a reduced schedule. Two furniture factories are running at normal capacity, while the others are on a 40 to 50 per cent basis. The Holland Shoe Co. and the Mosser Leather Co. are operating at full capacity. Industrial employment throughout the city is about 40 per cent from normal, according to William M. Connelly, manager of the Holland Chamber of Commerce.

PAIR OF CHIPMUNKS KEEP TRACTOR FROM STARTING

How two chipmunks that had appropriated certain parts of the machine to their own uses managed to put a heavy tractor out of commission is related by R. L. Hunt of Berkley, Mich. The incident occurred during the past winter at the Larson Bros. Lumbering camp at Treeny in the upper peninsula where Mr. Hunt was working at the time.

The tractor, one of two kept at the camp, could not be started after it had been allowed to stand idle for a few weeks. Investigation revealed that chipmunks had completely filled the exhaust manifold and two cylinders, that had open valves, with grain, mostly cracked corn, from the stable.

Misses Katy Berghorst, Reka Berghorst and Margaret Schrottenboer of Grand Rapids, and Misses Mary La Mar and Gertrude Schrottenboer of Holland, spent Sunday with their parents at North Blendon.

The annual commencement of Western Theological seminary has been set for Wednesday evening, May 16, in Hope Memorial church. Henry G. Eggink of Sioux Center, Iowa, has been named speaker for the class of 1934, which numbers 18.

Twenty-two members of the Ruth circle of the Trinity Reformed church Ladies' Aid were entertained at a 6 o'clock dinner at the home of Mrs. Jacob Schoop on State street Friday evening. Mrs. Marinus Kole is chairman of the circle.

The North Holland P. T. Association held their annual meeting last Friday evening, featuring a program of vocal and instrumental music and a talk by Mr. Dick Boter concluding with a playlet "A Bit of Gossip," enacted by members of the Virginia Park Women's club. Election of officers resulted with Leonard Baerman being named president, while James Vander Ven, principal of the school, was named secretary and treasurer.

Mrs. Harold J. Karsten, member of the Hope College School of Music faculty, is in Chicago completing work at the American Conservatory of Music on her own compositions which will soon be presented publicly. Mrs. Karsten is a most talented musician and no doubt her compositions will meet

Stanley Medal Given Senior At Convocation

The Michigan Daily, Ann Arbor's college newspaper, prints a fine picture of Miss Sarah E. Lacey and the following article:

Sarah E. Lacey, '34SM, was awarded the Stanley Medal at the Honors convocation Friday. This medal was struck in honor of the long and distinguished service of Dr. Albert A. Stanley as musical director of the School of Music and as professor of music. It may be presented annually to that student who does outstanding work in practical music.

Miss Lacey, the first woman to receive the medal since 1927, is president of Xi chapter of Delta Omicron, national musical sorority, and also a member of Phi Kappa Phi, national scholastic honor society.

In previous years the medal has been awarded as follows: Mary Louise Maxwell, '23; Pauline Kaier, '27; Dalies Frantz, '30; Rexford Keller, '31; Stanley Fletcher, '32; James Pfohl, '33.

Suspend Jail Term for Woman

A three months' suspended sentence was given Mrs. May Secosta who was found guilty of the theft of small evergreen trees from the property of Henry T. Barr, East Saugatuck, and Everett Cartwright, who was also connected with the theft, is to appear in local circuit court next month on a violation of probation charge. Cartwright has been well known in police circles of the county for some time and although no charge has been placed against him on the theft of the evergreen trees, he is to answer a previous charge on a probation violation. His case probably will be taken up by Judge Fred T. Miles May 12, when he is scheduled to appear in circuit court on the previous charge.

MODEL T FORD IS STOLEN AT GRAND HAVEN

Charles Michael of Grand Haven reported theft of his model T Ford. The machine was parked near Moore's barn on the outskirts of the city. Mr. Michael was attending a veteran's meeting.

HAMILTON MAIDEN IS MISS ALLEGAN

Miss Gladys Lubbers of Hamilton, a 19-year-old brunet, Friday night was chosen to represent Allegan county in the blossom festival harbor contest at Benton Harbor. Chosen as runnerup in the field of 26 competitors was Miss Velma Rose of Plainwell. Miss Rosemary Setter of Allegan was third choice and Miss Jean Sewers of Saugatuck was fourth. A comprehensive entertainment program featuring local talent in the Regent theater attended the selection of Miss Allegan. An Allegan float now is under construction.

About 500 eighth graders in the rural schools of Ottawa county will take the achievement test this spring. The teachers will recommend the successful pupils to County Commissioner Gerrit G. Greenwood of Holland for promotion. Final exercises with the award of diplomas will be held June 5 at Coopersville, June 6 at Jamestown, June 7 at Holland and June 8 at Grand Haven. About 115 schools are listed in Ottawa county.

Three-year-old Muriel Morgan from Eaton Rapids, Mich., national home of the Veterans of Foreign Wars, today presented President Roosevelt with the first poppy of the organization's 1934 poppy sale. Muriel is the daughter of an ex-serviceman. She was brought to the White House by James E. Van Zandt, commander-in-chief of the veterans' organization.

Little Arlene Delores De Gues and Glenn W. Ringwold, ages 3 and 10 respectively, were jointly honored with a birthday party at the home of their grandparents, Mr. and Mrs. Herman Kromendyke. The table was beautifully decorated with a large birthday cake containing 13 candles, being

Mother of Circuit Judge Dies at 85 Years

A much beloved woman, Mrs. Fannie Caroline Miles, died Friday afternoon at her home at 16 West 26th street. She is the mother of Mr. Fred T. Miles, circuit judge of Ottawa and Allegan counties. Mrs. Miles was 85 years old, being born on July 24, 1848 in Jackson county, Michigan.

She was wed to Charles Miles, who answered the call of Lincoln during the Civil War. This war veteran died on August 21, 1918. In 1874, a year after their marriage in Jackson, the couple moved to Lake Shore, and until the death of Mr. Miles, when Mrs. Miles moved to Holland, they made their home there.

The funeral was held from the Dykstra chapel, the funeral rites being conducted by Rev. T. G. R. Brownlow, pastor of the First Methodist Episcopal church, where Mrs. Miles had been a devout member for a number of years.

Burial took place in the Miles family plot in Pilgrim Home cemetery.

The pallbearers were the three sons, Judge Miles, Rev. Lester D. Miles, of Delton; Warren Miles, of Zeeland; and John Owen of Holland. Mrs. Clarence Peck of Grand Haven and Warren Miles of Zeeland. There are 20 grandchildren and 14 great-grandchildren.

SLIGHT PLANT AHEAD OF LABOR SCHEDULE

The Charles R. Sligh Furniture Company, which located in Holland last fall, has filled an 18-month labor requirement with the city in five months, it was reported by the chamber of commerce. Production at the factory has been speeded up after a period during which a reduced force was making up samples.

The Baker Furniture Company, a large industrial unit also obtained for Holland several months ago, has 190 men on the payroll, exceeding the 150 average maintained during its early operations here, according to the chamber.

HOLLAND RUM STORE WAS OPENED TUESDAY

A state liquor store was opened here Tuesday under management of John Dykema of this city. The announcement was made by W. E. Ihling, representative of the state liquor control commission in Ottawa county late last week. Mr. Dykema has been local beer inspector the last year and has been employed by the Grand Rapids store to learn methods of distribution. The local store, located at 84 East Eighth street, has been stocked and is today doing business selling hard liquors—not beer.

Rev. Albert Oosterhof, pastor of the Reformed church of East Overisel, is planning to retire from active service in the ministry.

Mr. Oosterhof, graduate of Western Theological seminary, was ordained in his first charge at Greenleaf, Minn., in 1895. His Michigan pastorates include New Era, Fremont and Decatur.

The Chicago, Duluth & Georgian Bay Transit Co. has started to recondition its two steamers, North and South American for the annual cruises between Chicago and Buffalo, to open the second week in June. The South American now is in dry dock at Manitowish, Wis., to be followed by the North American, when its twinship returns. The steamers have been moored at the docks on Black lake for eight months.

A piano recital was given at Hope Memorial chapel Tuesday afternoon by John Pot, student at the Hope College school of music. Mr. Pot gave a most pleasing rendition of the several classic selections which included compositions of Bach, Mendelssohn, Schubert and Brahms. Mr. Pot is a member of the Holland High school orchestra.

Mrs. N. Handerman, with her sister, Mrs. E. Vander Popen, and daughter motored to Holland to attend the funeral of Mrs. J. B. Handerman, who died last week. Mrs. Handerman was a member of the Holland High school orchestra.

Bill Connelly Meets Muskegon Commission

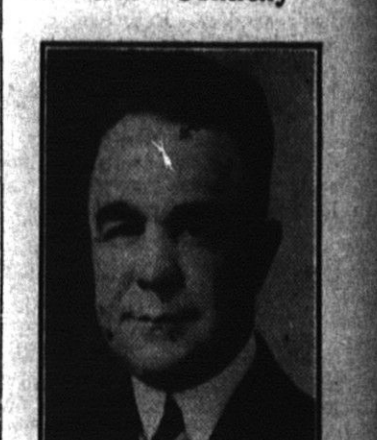

UNDER CONTRACT AT HOLLAND 'TIL JULY 31; DISCUSS CITY MANAGERSHIP

(Muskegon Chronicle)

William M. Connelly, of Holland, after a two-hour visit here last night, left a favorable impression in the minds of the Muskegon city commissioners as to qualification to fill the office of city manager despite his statement he is not a candidate for the position. Mr. Connelly pointed out he was under contract until July 31, 1934, as secretary-manager of the Holland Chamber of Commerce.

Invited here by the city commission after his name had been suggested as a likely candidate, Mr. Connelly discussed his career of public service, which has covered a wide range of experience. However, Mr. Connelly said he did not believe these experiences qualified

"Bill" Connelly

Denoting Surprise, Doubt "Show Me"

him for the office of city manager. Former state senator, Mr. Connelly's name is linked with the pioneering effort to give Michigan a good roads system. Before taking his present position at Holland, Mr. Connelly was executive secretary of the Ottawa County Road commission, resigning from the position more than a year ago when he stated he no longer felt justified in taking his salary because of the curtailment in the county road commission's improvement program.

(Grand Haven Tribune)

William Connelly, executive secretary of the Holland Chamber of Commerce, who is a resident of Spring Lake, stated today that he was in no sense a candidate for the position of city manager of Muskegon.

"I have a great many fine friends in Muskegon and have been invited to meet with the commission in regard to a choice of a city manager. As a courtesy to these men I shall meet with them tonight to discuss the matter."

"I am perfectly satisfied with my present connection in Holland and would never have considered the Muskegon position had I not been called by the commission to meet with them."

Mr. Connelly, through his long public service as a senator from this district and as a member of the Ottawa County Road commission, is widely known over the state as he has been one of the pioneer concrete road builders in the state and while in the senate was the father of the \$50,000,000 bond issue to build concrete roads throughout Michigan. His activities at Holland, since he became the head of the Chamber of Commerce there, has attracted statewide attention.

"I am appreciative of the compliment paid to me by the Muskegon board and I shall go with the distinct understanding that I am not seeking to make a change in the very pleasant relationships that I am enjoying as the Chamber of Commerce official in Holland."

Mr. Connelly has continued to live in Spring Lake since his connection with Holland was made several months ago. He resigned from the Ottawa county board because he said that road activities had been so curtailed he did not feel he could longer justify taking the salary paid him.

W. L. EATON NAMED AS PRESIDENT OF HOTEL BOARD

At a meeting of the stockholders of the Warm Friend Tavern, W. L. Eaton was named president of the board of directors. The board of nine directors was also elected with A. W. Wrieden being named vice president and A. W. Tahaney as secretary-treasurer.

CAMP FIRE GIRLS EXHIBIT SUMMER STYLES

An unusual program brought an interested audience to Holland Junior High school Saturday afternoon where a summer style show sponsored by the Holland Camp Fire Girls, was given. Almost four score costumes, each one made by the girls themselves, ranging in ages from 9 to 15, were displayed, the various numbers being announced by Miss Ellen Rhea. After the program tea was served the guests from a table beautifully decorated with daffodils and candles, the yellow and green color scheme being carried throughout with Mrs. Adrian L. Van Putten and Mrs. J. C. Rhea pouring, and the Camp Fire Girls serving. Another feature was the display of scrap books, various collections of butterflies, moths and other insects, children's garments for the needy, etc.

The tea and exhibit was in charge of Miss Mary Jennings. She was assisted by her group, the Okawasin, and by Mrs. Thomas Drake, Mrs. Van Putten, Miss Betty Kraai and Miss Meyer.

Mrs. N. Handerman, with her sister, Mrs. E. Vander Popen, and daughter motored to Holland to attend the funeral of Mrs. J. B. Handerman, who died last week. Mrs. Handerman was a member of the Holland High school orchestra.

"Sherlock Holmes" in Michigan Woods

A trail of evidence is frequently found in the woods behind those who violate game laws. In the case of William Hartwick, Luce county, it began with the tracks of his snowshoes. Officers Beach and Carter followed the tracks. They found two snares, allegedly set for beaver or otter, and a trap. Continuing along the trail they found that it passed a cache of venison and led to Hartwick's shack. Hartwick was placed under arrest for attempting to trap beaver and gave the officers permission to search his shack. On the stove inside they found venison cooking. Arraigned before Justice Fred W. Becks of Newberry he pleaded guilty to charges of possessing venison and attempting to trap beaver and took a 60-day jail term on each count. The officers confiscated 40 pounds of venison and a trap. The venison was given to Luce county poor.

HEINZ CO. WORLD'S FAIR EXHIBIT GOES TO OCEAN PIER

Atlantic City, April 26.—Practically the whole H. J. Heinz Company World's Fair display has been moved to Heinz Ocean Pier, Atlantic City. It was viewed by millions at Chicago and in its seaside setting large crowds will have an opportunity to see it. Included is a series of eight period kitchens, the Acadian, the Puritan, the 1869 and the modern, representing developments in America, and the old English, Dutch, French and Spanish. Extensive research and the securing of this country and foreign lands for equipment preceded their erection. Interiors, as well as exteriors, are shown, each is exact as to detail, and they have been accepted as studies of the periods they represent. The kitchens will be exhibited under the direction of the company's home economics department, with daily lectures and demonstrations.

GOES TO JAIL AFTER CHILD'S BIRTH

Allegan Gazette: William Ehlers and John DeVries, who failed to appear for sentence on the first day of the term, appeared and explained their failure because they were serving sentence in the Kalamazoo jail for stealing three tires. Ehlers is nineteen and DeVries twenty-one years of age. The former is married and is expecting the birth of a child. After a severe reprimand, Judge Miles placed both boys on probation for two years. Their offense was breaking and entering and stealing a transmission. They are required to pay for the transmission in two months, to pay costs of \$10.35 each, and spend fifteen days in jail. They will pay \$2 per month during the period of their probation and avoid drinking, smoking cigarettes, and frequenting pool-rooms. DeVries will start his sentence at once but Ehlers will not take up his free board and room until after the birth of the child.

JUST SITTING AROUND, ... NIGHT AFTER NIGHT

Margaret and John have lots of friends—and are well-liked by all. But they have no telephone to enable friends to reach them easily.

So Margaret and John just sit around, night after night, missing many good times. Yet, for only a few cents a day, they could have the countless advantages of telephone service.

Besides being a social asset, a telephone helps in finding employment... in keeping in touch with one's work... in "running" errands. And it offers priceless protection in emergencies, making it possible to summon doctor, firemen or police, instantly.

Rescue Boat Drifts a Year in the Atlantic

Lifeboat of the American Merchant, used to rescue 22 men from the British freighter Exeter City in January, 1933 as it appeared after drifting for thirteen months. Below is a diagram showing distance the boat covered.

In January, 1933, Captain Gilles Stedman, master of the American Merchant liner American Merchant, made a spectacular mid-Atlantic rescue of 22 men from the sinking British freighter Exeter City. He used a Lundin type lifeboat in the transfer of the shipwrecked sailors to his ship. The boat was damaged by pounding against the side of the American Merchant, however, and it was abandoned after the men had been hauled to safety. That occurred over a year

ago, and until now nothing was heard of the boat. But news of it has come from Norway. Lief Kristiansen and Asar Somby, fishermen of Kjetvik, island of Soro, North Cape, were out in their small boat in February, and they noticed the lifeboat floating two and a half miles from shore. A photograph and inventory of its contents were forwarded by the newspaper Aftenposten of Oslo to the Bureau of Navigation at Washington, which in turn referred it to

Harry M. Durning, Collector of Customs at New York, for identification. Captain Stedman, now master of the American Merchant, arrived in New York recently, and from the data supplied by the Aftenpost, recognized the boat as the one abandoned after the rescue.

The Exeter City rescue occurred in latitude 46.56 N. longitude 38.29 W. on January 20, 1933, and Kjetvik where the derelict was recovered, is in latitude 70.45 N. longitude 22.40 E.—2700 miles away.

METEOR WILL STRIKE ONE PERSON IN 14,000 YEARS

Although the size of some of the meteorites which have fallen to the earth and the force of their descent would doubtless have meant sure death to any individual in their path, comparatively few of these have been known to drop at points where they endangered human life or property. In fact, man's chances of meeting injury or death from this source are very slim, in the opinion of H. H. Nininger, curator of meteorites of the Colorado Museum of Natural History, Denver.

As an illustration of just how little likelihood there is of a man being hit by a falling meteorite, Mr. Nininger points to a calculation he made in Kansas some time ago which was based on the known area and population of that state, and the known cases of meteorite falls. Results of this calculation indicated that such a casualty would occur not more than once in 14,000 years.

HOW TO CATCH BOTTOM FISH

Carp, catfish and other bottom fish can be drawn to any given spot.

Scraps from the table will do it. Meat, bread, bones and garbage generally, deposited in a lake or stream will draw the bottom feeders. You can then fish with success at the "feed bed."

Tell Ways to Manage Land Under Government Contract

Thousands of Michigan farmers who have signed contracts to decrease their wheat or corn acreage must make plans to handle the contracted acreage in ways permissible under these contracts. Five ways of using these acres are permitted: 1, plant to trees for a farm wood lot; 2, allow to lie fallow and mow and leave any natural growth; 3, summer fallow or work to destroy noxious weeds; 4, plant to crops for soil improvement or to prevent soil erosion; and 5, plant to pasture or meadow crops not to be harvested while under contract.

Noxious weeds such as Canada thistles or bindweed can be killed in one year by proper cultural methods. The most effective way is to fall plow the ground, plow it again in the spring, and then harrow it often enough to destroy any green growth as soon as it appears.

Most of the weeds can be killed if the ground is plowed only once and then worked as described for ground plowed twice. Most of the troublesome weeds store food in underground root stocks. The plant will live and renew its growth as long as this surplus food remains. Any growth of the plant draws on this stored food as long as no new green growth is permitted to appear above ground. When leaves appear, they manufacture more food and prolong the life of the plant. Crops most commonly used in Michigan for soil improvement are sweet clover, soy beans, field peas, rye, vetch, buckwheat, alfalfa, or clover. All except rye and buckwheat are legumes and can add to the list.

BIRDS DISTURB THE PEACE

Battle Creek, Mich., April 21.—The ducks and gulls which frequent Goguse Lake, a game sanctuary, are being charged with disturbing the peace by suburban residents of that vicinity. The latter are seeking some way of putting a stop to the noisy conflict that goes on between these birds all day long because as soon as a duck catches a fish one or more of the gulls try to snatch it away.

Holland High School News

Although the football season is several months off several already have the spirit, especially the school officials who have placed orders for new equipment, and Hope college who will start spring practice in the near future.

Gerald Nykerk, basketball star at Holland High school back in '29, was chosen co-captain with Len Steffens of the championship Hope squad for the past year. Nykerk's ability is well known by the fact that he was second high scorer in the M.I.A.A. with 97 points.

Baseball has attracted the attention of many of the school's athletes, Russell Kempker, "Bill" De Groot and Simon Pauwe being some of those most interested.

Miss Ruth Geerlings, graduate of Holland High school in 1928, took charge of Miss Evelyn Steketee's classes for a few days while the history teacher was ill.

Of all the Dutch names in high school the Vans are the leaders. Twenty-eight of them begin with Van: Van Alsborg, Van Anroy, Van Appledorn, Van Ark, Van Braght, Van Bruggen, Van Duren, Van Dyke, Van Eyck, Van Gelclures, Van Heuveler, Van Huis, Van Ingen, Van Kolken, Van Langevelde, Van Leeuwen, Van Lente, Van Liere, Van Arden, Van Oss, Van Otterloo, Van Putten, Van Raalte, Van Ragenmorter, Van Tatenhove, Van Wieren, Van Wyk, Van Wyne.

Besides the Vans there are sixteen of the Vandens and Vanders, viz.: Vanden Belt, Vanden Berg, Vanden Brink, Vander Bie, Vander Kamp, Vander Hart, Vander Heuvel, Vander Hill, Vander Kolk, Vancor Molen, Vander Schaaf, Vander Schel, Vander Ven, Vander Wege, Vander Beek, Vande Water.

Miss Lucille Lindsley, public speaking instructor, has announced that the annual Mabel Anthony Memorial speech contest will be held again this year in the middle of May. This is a contest in which the entrants choose their own subjects for informal speeches.

Students eligible to compete are those who finished second-semester speech in February, and those who are taking it now. Those who wish to enter must enroll with Miss Lindsley between April 9 and April 12.

A prize of ten dollars is awarded to the winner of first place, and five dollars to the winner of second place.

More than 350 subscriptions were received by the members of the Boomerang board when they canvassed the classes last Thursday and Friday. It is expected that the final number of Boomerangs which are to be sold will be somewhere between 410 and 425.

All of the members of the board are busy, including Cornelia Lievense, editor; Charles D. Bertsch, business manager; Mae Ver Schure and Vivian Essenbagers, typists.

Faculty recommendations for the first semester were tabulated recently by the Personnel Board. For citizenship and service the following pupils were recommended: Mary Ann Van Duren, John Olert, Jean Spaulding, Margie Knoll, Oliver Lampen, Cordelia Knoll, John Luidens, Donald McCoy, Edward Heneveld, Clarence Vander Water, Heath Goodwin, Robert Kraal, Bettie Chapman, Peggy Bergen, Mary Jane Vaupell, Andrew Van Liere, Vera Kirschner, Jean Helmink, Bowina Kuizenga, Louise Schipka, Ruth Beekman, Harriet Mencken, Margaret Knoll, Lois Spyker, Carlton Avery, Edwin Ensfield, Robert Marcus, William Lievense and Roland Overway.

For excellent gymnasium work Mr. Moody recommends Herbert Harrington, Lloyd Wyngarden, Robert Wismeier, Donald McCoy, Edward Heneveld, John Olert, Walter Jacobs, Henry Overbert, David Raffenaud, Louis Thias and Chester Lokker.

In society work Kappa Delta mentions Adelaide Koolker, Joyce

WHO SAYS THERE'S NO DIFFERENCE IN MOTOR OILS?

These people tested Gulf-lube against famous 25c oils—Now read what they say . . .

Mr. Lewis T. McIntosh, Brooklyn, N.Y.—Studebaker owner. Mrs. Lee Ketner, Winston-Salem, N.C.—Chrysler owner. Mr. J. D. Bowden, Atlanta, Ga.—Plymouth owner.

Each of these motorists made two trips to some distant point.

ON the first trip they used one of the well-known 25c oils . . . On the second trip they used Gulf-lube. And Gulf-lube cut their oil consumption from 24% to 51%!

Switch to Gulf-lube—the oil that beat 3 other famous 25c oils in the AAA Indianapolis "high-mileage" test. Pare down oil costs . . . get better lubrication! 25c a quart.

Notier, Ada Van Oss, Cornelia Lievense and Margie Knoll; in Blue Triangle, Barbara Lampen, Virginia Vander Ven, Mary Jane Vaupell and Esther Hinkamp were mentioned, and in Phi Beta, Louise Schipka.

Edwin Ensfield, treasurer; Lewis White, typist; Harold Westrate, circulation manager, and Charles Bertsch and Raymond Boot, advertising solicitors were mentioned for special work on the Holland High Herald staff; Clifton Harper, Mayo Hadden and Joyce Notier for the Quill and Scroll contests.

The following are mentioned for their activities of last semester: Student teachers, Edwin Ensfield and Peter Veltman; commercial work, Gerald Meiste, Ethel Redder, Florence Brower, Pearl Telgenhof and Lillian Klein; Christmas program, Homer Lokker; junior class program, Lois Vrieling and Robert Wismeier; office, Arnold Fox and assembly accompanist, Lois Vrieling.

The seniors proved themselves good salesmen in the recent drive for sale of the senior play tickets. Of the 2,560 people who saw the play, about 1,700 bought their tickets from seniors.

An excellent plan was worked out by Ervin Hanson, class patron, whereby every member of the class was handed a pack of twenty tickets—five for each performance. A serial number had been put on every ticket as a check against lost or stolen tickets.

The tickets and money were ably handled by a staff of sales managers, headed by Charles Bertsch.

The sales managers under Ray Boot were: John Hyma, William Arendshorst, John Golds, Lester Seats and the Misses Jo Boyce, Cornelia Lievense, Joyce Notier and Marianne Van Eyck.

The sales managers under Miss Ethel Redder were: Jack Ridenour, Harold Douma, Lloyd Molengraf, Edwin Ensfield, and the Misses Amy Hilarides, Barbara Lampen, Mae Ver Schure and Edna Van Ark.

Nays: Messrs. Havelink, Hassold, Lowing, Stegenga, Mohr and Nies (7).

Mr. Edward Soule addressed the board and presented a proposition to correct the faulty descriptions on the various tax rolls of the various townships and cities, so that the tax rolls would be in such shape as to eliminate the necessity of having rejected taxes each year.

Mr. Slaughter moved that the matter be laid on the table, which motion prevailed.

Mr. Ryenga moved that the board adjourn to Wednesday, April 11, 1934 at 10:00 a. m., which motion prevailed.

GEORGE E. HENEVELD, Chairman.

WILLIAM WILDS, Clerk.

Second Day's Session

The Board of Supervisors met pursuant to adjournment on Wednesday, April 11, 1934 at 10:00 a. m., and was called to order by the Chairman, Mr. Heneveld.

Present at Roll Call: Messrs. Zylstra, Havelink, Hassold, Hering, Lowing, Hendrych, Hyma, Smallegan, Stegenga, Heneveld, Marshall, Garbrecht, Graham, Bottema, Slaughter, Martin, Heap, Ryenga, Rosbach, Misner, Van Ark, Brusse, Van Tongeren, Nies, Damstra, Roosenraad and De Pree.

Absent: Mr. Mohr.

Miss Deborah Veneklassen addressed the Board regarding the County welfare and requested the Board to transfer the \$50,000.00 of the weight tax money voted by the Board at a previous session to be so transferred to the credit of the County Welfare Fund.

Mr. De Pree moved that the matter be referred to the Committee on Good Roads for investigation and report, which motion prevailed.

Mr. Havelink moved that Mr. Damstra be appointed ex-officio member of the Public Health Committee, which motion prevailed.

Petition from William Kieft, We, the undersigned, property owners of the City of Grand Haven, Michigan, respectfully petition the Board of Supervisors of Ottawa County, that William Kieft be appointed Dog Warden and establish a dog pound in the City of Grand Haven to combat the nuisance of dogs destroying our gardens and property.

Signed: Mrs. M. Woody and 133 others.

Mr. Misner moved that the petition be received and placed on file, which motion prevailed.

Report of the Special Committee on Good Roads, Havelink, Hassold, Hering, Lowing, Hendrych, Hyma, Smallegan, Stegenga, Heneveld, Marshall, Garbrecht, Graham, Bottema, Slaughter, Martin, Heap, Ryenga, Rosbach, Misner, Van Ark, Brusse, Van Tongeren, Nies, Damstra, Roosenraad and De Pree.

The Board of Supervisors of Ottawa County, Michigan, do hereby certify that the following is a true and correct copy of the report of the Special Committee on Good Roads, as presented to the Board of Supervisors on April 11, 1934.

When the work of correcting tax rolls was proposed as a CWA project there was an understanding that it would be approved by the CWA Board.

In the meantime, the township board of Park township requested the committee to begin the work in Park township and that in case the project was not approved by the CWA Board the township would pay for the work.

The following is a brief report of work done correcting erroneous descriptions in Park township:

The cost for labor was \$294.82. All of this was paid by the CWA. Material cost to be paid by the township of Park amounted to \$18.00 for abstract expense. There were 83 descriptions corrected. The total tax on these 83 descriptions is \$5,421.18. Of this total \$3,918.71 is a county obligation and \$1,502.47 a township obligation. The total cost of these 83 descriptions amounted to 6.5% of the amount of rejected tax. Work was stopped when the township program was approved.

We wish to make it clear that the above cost and percentage of cost may vary in other townships or in cities, reasons for which are obvious.

The following recommendations are offered by your committee for your consideration:

1. That all descriptions in each taxable unit be checked, corrections made where necessary and maps made of each section showing all descriptions. This will correct not only the rejected tax but any other errors or omissions that may be in the tax rolls, and the descriptions arranged in the order prescribed by the state.

2. We recommend that the county pay 50% of the above cost and the township or city pay 50%.

3. We recommend that the county advance the money from the general fund to pay for the above work and that the township reimburse the county for their share.

4. The cost for each taxable unit to be kept separate so that each unit will be paying only for work done in that unit.

5. If conditions are found in any township or city where assessor's plans are necessary, such plans shall be authorized by the county officials, and until before they are made. We recommend that the cost of such plans be borne by the units having the same.

6. That this special committee be continued and be authorized and empowered to act to carry out this recommendation.

Respectfully submitted, PETER J. RYENGA, Chairman.

PETER H. VAN ARK, ALBERT HYMA.

Mr. Van Ark moved the adoption of the report.

Report of the Special Committee on Good Roads, Havelink, Hassold, Hering, Lowing, Hendrych, Hyma, Smallegan, Stegenga, Heneveld, Marshall, Garbrecht, Graham, Bottema, Slaughter, Martin, Heap, Ryenga, Rosbach, Misner, Van Ark, Brusse, Van Tongeren, Nies, Damstra, Roosenraad and De Pree.

The Board of Supervisors of Ottawa County, Michigan, do hereby certify that the following is a true and correct copy of the report of the Special Committee on Good Roads, as presented to the Board of Supervisors on April 11, 1934.

When the work of correcting tax rolls was proposed as a CWA project there was an understanding that it would be approved by the CWA Board.

In the meantime, the township board of Park township requested the committee to begin the work in Park township and that in case the project was not approved by the CWA Board the township would pay for the work.

The following is a brief report of work done correcting erroneous descriptions in Park township:

The cost for labor was \$294.82. All of this was paid by the CWA. Material cost to be paid by the township of Park amounted to \$18.00 for abstract expense. There were 83 descriptions corrected. The total tax on these 83 descriptions is \$5,421.18. Of this total \$3,918.71 is a county obligation and \$1,502.47 a township obligation. The total cost of these 83 descriptions amounted to 6.5% of the amount of rejected tax. Work was stopped when the township program was approved.

We wish to make it clear that the above cost and percentage of cost may vary in other townships or in cities, reasons for which are obvious.

The following recommendations are offered by your committee for your consideration:

1. That all descriptions in each taxable unit be checked, corrections made where necessary and maps made of each section showing all descriptions. This will correct not only the rejected tax but any other errors or omissions that may be in the tax rolls, and the descriptions arranged in the order prescribed by the state.

2. We recommend that the county pay 50% of the above cost and the township or city pay 50%.

3. We recommend that the county advance the money from the general fund to pay for the above work and that the township reimburse the county for their share.

4. The cost for each taxable unit to be kept separate so that each unit will be paying only for work done in that unit.

5. If conditions are found in any township or city where assessor's plans are necessary, such plans shall be authorized by the county officials, and until before they are made. We recommend that the cost of such plans be borne by the units having the same.

6. That this special committee be continued and be authorized and empowered to act to carry out this recommendation.

Respectfully submitted, PETER J. RYENGA, Chairman.

PETER H. VAN ARK, ALBERT HYMA.

Mr. Van Ark moved the adoption of the report.

Mr. Hering moved, as a substitute motion, that we lay the report on the table until tomorrow morning, which motion prevailed as shown by the following vote: Yeas, Messrs. HOW TO TELL AGE OF FISH

The way to tell the age of a fish is to examine its scales. The story is revealed by splitting the scales. The record is as clear as the ring growths of a tree, although you will need a microscope to read it.

TOMORROW—

Tomorrow may bring a new day and a new deal for the farmer.

For more than a decade his lot has been hard. His income dropped from 16 billions in 1919 to 11 billions in 1929—and 5½ billions in 1932.

Farm population, which reached its peak of 32 million in 1910 and fell to 30 million in 1930, is now back at the 1910 peak. With two million more people on the farms, with a rise in farm prices, this "Back to the Farm" movement is making tens of thousands of former city dwellers self-supporting.

There is bound to be a decided increase in farm land values.

Noxious Fish

DOGFISH AND GARPIKE ARE
CALLED "LIVING FOSSILS"
BY SCIENTIST

Michigan has two species of fish, dogfish and garpike, which might be spoken of as "living fossils," since their relatives vanished from the face of the earth many years ago, says Dr. Carl Hubbs, director of the Institute for Fisheries Research.

The dogfish, of which Black Lake has plenty, is the only living member of a whole order of fishes, says Dr. Hubbs, and there is no other fish even closely related to it. This fish is peculiar in not having filament gills like other fishes, and in possessing gills that are united into plates with thousands of minute perforations, through which the water is forced. This provides a more effective means of bringing water in contact with the blood stream, so the fish can survive in water having a very low oxygen content by absorbing a greater percentage of the oxygen that is available.

Garfish, of which many are netted here, may also be considered as "living fossils," says Dr. Hubbs. Three or four species of gars alone survive. The gar has the advantage over other fish in that its eggs are poisonous, which doubtless has aided it in its survival. The eggs are so poisonous that one-tenth gram of extract of gar eggs will kill a chicken. Both dogfish and garpike are confined to the fresh waters of the North American continent, and are not found in other parts of the world.

Kalamazoo River
Cleaning Itself

Local sportsmen, who have had occasion during the past summer and this spring to travel along the Kalamazoo river report that game fish, so long nearly extinct in the river because of the dumping of refuse along its entire length, report that the river appears to be cleaning itself, made possible by sportsmen believe, by the depression, which has caused shut-downs in many of the factories and allowed the river to get rid of much of the poison acids and debris that has been placed in it.

Large walleyes, which used to be found in plentiful numbers, are again reported in the river as are bass and pickerel and scores of

them have been brought up in dip nets.

The Kalamazoo in the past was famous as the heaviest fish populated river in southern Michigan and many of the streams emptying into it are reported to be full of bass and perch.

Despite the fact that tons of acids and sewage have been dumped into the Kalamazoo during the past years walleyes have been found in large numbers in the lower part but they are now working up into the upper reaches of the river.

COST OF NATURALIZATION
CUT IN HALF, REPORTS
COUNTY CLERK WILDS

Naturalization costs will be reduced 50 per cent, according to instructions received by William Wilds, county clerk. The rates for the several steps in filing for naturalization papers have been changed as follows: Declaration of intention, or first papers, reduced from \$5 to \$2.50; certificate of arrival, from \$5 to \$2.50; petition, or second and final papers, from \$10 to \$5.

A much larger rate cut is established for the issuance of lost or destroyed papers. The old rate of \$10 has been reduced to \$1.

The above order was received from T. Emmet McKenzie, district director of naturalization of Detroit, following orders from Washington. The new rates went into effect April 19, and all moneys taken in since that time under the old schedules will be refunded.

Board of Education

April 16, 1934
The Board of Education met in regular session and was called to order by the President.

Members all present except Trustee Brooks.
Trustee Beuwkes opened with prayer.

The minutes of the previous meeting were read and approved.

Dr. A. Leenhouts was present and asked for the High School Auditorium for the Norman Thomas meeting on Saturday afternoon, May 12.

Moved by Trustee Geerlings, supported by Trustee Klomprens, that the request be granted. Carried, all members voting aye.

The Committee on Teachers recommended the re-engagement of all the present teachers for the ensuing year at the same salaries as last year, agreeing on the following contract—

It is understood and agreed that if the amount set up in the budget for teachers' salaries, the non-resident tuition, the primary school fund and primary supplement fund and other state aid shall exceed the amount required to pay the guaranteed salaries of all the teachers of the Holland Public Schools, then an amount equal to the excess shall be distributed to all under teacher contracts at or before the close of the school year to increase this contract as follows:

The prorata share distributed to each employee will be computed from the total additional funds available for salaries in the ratio the amount of each individual's cut in compensation bears to the total of all cuts in compensation in the entire payroll; cut being defined as the difference between the schedule salary of 1931-32 and the guaranteed salary provided in this contract. Provided that no distribution shall be made to pay any salary in excess of 80% of those paid under the salary schedule of 1931-32.

If you accept this offer, please sign the acceptance form on the opposite side of this card and return to the Superintendent of Schools on or before May 10, 1934. Failure to file such acceptance on or before aforesaid date will be considered a refusal of the position. School will commence on Tuesday, September 4, 1934.

Moved by Trustee Kollen, supported by Trustee Geerlings, that the recommendation be approved. Carried, all members voting aye.

The Secretary was instructed to see the council with reference to having the city and school taxes kept separate.

Zeeland Woman
Found Lifeless
on Floor

(Zeeland Record)

Mrs. Marinus Meeuwssen, aged fifty-five years, died very suddenly at her home on North State Street, Zeeland, at about five o'clock on Tuesday afternoon, as the result of heart trouble. She had been in ill health for several weeks but was able to be about most of the time and her condition had not been thought very serious. She had been lying down part of the afternoon, but her condition must have become suddenly worse. When her husband stepped out of doors a few minutes, and her son, William entered, coming home from work, the latter found her lying on the floor lifeless where she had fallen, probably in the attempt to summon aid.

Mrs. Meeuwssen nee Anna Cnossen, was born in the Netherlands and came to America in 1907, arriving at the home of her nephew, Martin Cnossen, at Modersville, Mich. In 1908 she was united in marriage to John Scheele of Beavertown who died eight years ago. Three years ago she again entered the married state when she married Mr. Meeuwssen.

She is survived by her husband, Marinus Meeuwssen, and three sons, Marinus, William and Herman Scheele, all of Zeeland; also one sister, Mrs. Thys De Jonge of Beavertown, besides one brother and two sisters now living in the Netherlands.

The funeral services were held on Friday afternoon from North Street Christian Reformed Church, Rev. H. E. Oostendorp, officiating. Interment was made in Beavertown cemetery.

State law forbids the possession of protected wild birds and animals without a permit from the Director of Conservation. Three men recently pleaded guilty in the justice court of Jay H. Payne, Ann Arbor, on charges of possessing live raccoons. Ed Marsh, 27, of New Hudson, who was charged with having two raccoons, paid a fine of \$15 and costs of \$10.65. Wesley Schoolmaster, 35, and John Nightingale, 50, near H. E. Oostendorp, were charged with possessing two raccoons; Schoolmaster one. The five live raccoons were released in suitable cover by Conservation Officers William Corson and Allen Wilkinson.

COLLEGE LIBRARY AIMS TO
MEET STUDENTS' NEEDS

Thousands of Volumes
Have Been Given
By Donors

Hope College is fortunate in possessing one of the finest libraries in the state for a school of its size. Few of us, as we enter its door, use its reference shelves, study at its tables or browse leisurely through the magazines and newspapers, really appreciate what such a library contains.

Much of modern education is centered about the library. It renders a student the service of an easy access to the extension and verification of his knowledge, and trains him in the use of books. That is the aim of our college library and every effort is being directed toward that aim.

Some of the faculty still on the campus remember when the lower floor of Van Vleck Hall was vacated by Dr. Phelps and his family so that the rooms might be used for a library.

This early collection consisted of gifts and of the combined libraries of the literary societies.

In 1894 the library was moved

mately thirty-five thousand volumes.

The present collection is inclusive and diversified. There are numerous volumes in the field of religion and missions, as well as a large collection in history, literature, music, science, mathematics, philosophy and education.

In the stack room are magazine files that go back over a period of fifty years. Besides, the library is a depository for documents of the Reformed Church and records of the college itself. It should be also a depository for the sources of community history, which is closely related to that of the college, and our library is attempting to build up just such a collection.

The growth of the library is due, largely, to the generous donations of people who were interested in the college. Dr. William E. Griffis presented the library with a large part of his library of very old and rare Dutch books. These books are particularly valuable because the history of the school is so closely linked with its Dutch background.

Some of the other outstanding gifts in the past are the William Eliot Griffis collection of books on the Orient, the handsomely bound books contributed by Dr. John Bosman, and the volumes and portfolio

into a building of its own through the generosity of the Hon. F. Ackerman Coles.

A partial list of the new books added to the library since the last list was printed includes twenty-three volumes in history, the gift of Prof. Bruce M. Raymond, head of the History Department; a number of volumes in history and economics from President Wynand Wichers; and many books on the history and folklore of Texas and the Southwest from Mr. Gerrit H. Albers, a Hope alumnus of the class of '01.

These contributors knew the necessity and value of a complete library in a college, and we owe them much. We should do our part by appreciating the library and helping it to fulfill its purpose.

In the first catalog of books about twelve thousand volumes were listed. Between 1902 and 1916 the total grew to twenty-two thousand, and at present is approximately

thirty-five thousand volumes.

Flags were hoisted over 140 fire towers this week, as 140 towermen took their posts to initiate the 1934 vigil against forest fires in Michigan. Over 900 miles of telephone wires have been inspected and are ready to carry the warning messages from towermen to fire stations. Shovels, tractors and pumps are prepared to go into action on a moment's notice. Some 800 keymen are ready to jump into the fight against fire in cases of emergency, while the 14 district headquarters have things all ship shape the moment a call comes. Allegan County now has one of these towers and here the flag also flies.
