Common Council Seethed To The Boiling Point

ALDERMAN KALKMAN PASSES THE LIE TO TWO OF HIS COLLEAGUES

What started out to be a rather quiet and constructive council meeting was turned into a regular bedlam at near to the close. It was Mayor Bosch who put a stop to further argument after Alderman Kalkman passed the lie to Alderman Bultman of the Fifth ward, and to another alderman who crossed the "sidewalk builder" in some of his arguments. Mr. Kalkman used the word lie in a general way several times during the evening, and it is presumed that those whom the shoe fits could put it on. The arguments were the same that Mr. Kalkman had used before and repeatedly printed in the news during last summer's wrangles. Mr. Kalkman states that the City of Holland is in competition with him and the other contractors, and consequently the city takes "the bread out of his mouth."

He cried aloud: "If you're going Socialist why don't you sell groceries, furniture and everything else and let us all go on the welfare. I haven't been on the welfare yet but I have mortgaged my house to keep off."

Mr. Kalkman's desecrations continued for at least ten minutes before he was stopped by the mayor, especially when undiplomatic language, and words not frequently used in a high-class body of men, such as the Holland council is, were used.

The matter began to crop out when a petition to lay walks along Pine avenue between Twentieth and Twenty-first streets came up. This was requested by petition of the property owners. Then Mr. Kalkman got up and wanted to know whether this street was to be laid by the contractors or by the city. He was told that this was a contractor's job. This seemed to appease him temporarily until Alderman Damson began to discuss the sidewalk building program, that was the bone of contention between Mr. Kalkman and the rest of the aldermen last year. Mr. Damson stated that the relief work, through sidewalk building, was ready to go on last Monday, but someone threw a monkey wrench in the machinery. Mayor Bosch then asked the city engineer who had charge of the work, to explain to the council the reasons for the stopping. He stated that word had been received from Lansing to halt on the work of sidewalk repairing, and he had the unpleasant duty of discharging 18 men who were willing and anxious to work. It then came out that Mr. Kalkman had gone to Lansing, personally, which he admitted in open council and had presented his grievances to the work relief board there. Of course, the heads of that department had only one side of the story, the city's case not being presented. Anyway the job is halted until any conference is held explaining to the Lansing authorities just what has been done in the past, and what the program for the future is.

City Attorney Parsons was then called upon by Mayor Bosch to give his thought on the matter. Mr. Parsons gave a fair and impartial statement, saying that the government has planned certain projects that would put men to work. In this instance it happens to be the straightening out of sidewalks and renewing dangerous spots. The city has gone at this thing in a systematic manner and at the same time at a reasonable charge, since a large proportion of those who walk along the sidewalks are not able to afford to pay the big price of new sidewalk laying, or make expensive repairs at this time. Mr. Parsons says this is not a city regulation but a government regulation and many government regulations in other lines of trade have been a hardship on other industries. This one happens to strike a contractor who happens to be an alderman and because of his official capacity it is within his province to constantly bring this up for discussion.

Mr. Parsons continued that the government has many work relief programs—that is evident all over the nation, but these are not intended to harm anyone, but to put men to work. Undoubtedly this work relief program may indirectly hurt other lines of trade, but the whole is supposed to be for the common good. I have been with this council for more than a year and I still must see evidences where any of the members or the mayor of this council, intentionally wishes to hurt anyone. The task is difficult, the work has been ordered not by the council, but by higher authorities. Mr. Kalkman should have no quarrel with his colleagues but rather, with the planning that has been made by others to put the idle to work, which is the only way in which this depression can be lifted.

The fact that the state department can stop this work at any time indicates that the city has no power to go ahead with this project, unless it is authorized through the government to do so. Mr. Kalkman has put a stop to this work now for the second time, the first time last summer during the height of the season and again just as activities of this season was about to begin. Mr. Kalkman seemed to be more vitriolic toward Mr. Bultman who has been doing a real thorough job in fixing up the decrepit sidewalks in the city. This was indicated when Mayor Bosch last fall, publicly thanked him for doing his work so thoroughly. The undertaking of that work in itself is quite a task. But when a man oversees this work without a cent of pay and is manhandled for his effort that surely did not take very well with the alderman from the Fifth. Mr. Kalkman called Mr. Bultman a liar and Mr. Bultman said: "When you asked me for work on some of these projects I did not reject your offer because you are an alderman, but because you went to Lansing to stop our building program which had been assigned

COAST GUARD CUTTER TO BE WELL DOCKED

MR. VANDERSCHIEL TO HAVE KOLLEN'S DOCK ALL TRIMMED FOR BIG OCCASION

The coming of the Escanaba, the beautiful coast guard cutter, with Commander Perkins in charge is going to be more than an incidental event of the Tulip Time festival. It is well known that the minister of The Netherlands is going to be a guest for a few hours on board the 165-foot government craft.

Of course, the ship always has an American flag, but a Dutch flag also had to be created, and a member of the crew proved to be the "Betsy Ross," who made the tricolor flag representing the Dutch nation.

Henry Vander Schiel better known as "Dutch," has taken a deep interest in the nautical part of the tulip celebration. He has been in close touch with Commander Perkins, and has seen to it that the coast guards will make a final sounding at Kollen's dock for depth. Fourteen foot of water is necessary for the Escanaba and it is understood that 13 feet is available and that will be ample, for the ship can easily plow a furrow in the mud and land there. The coast guards in reality will make soundings for sharp stones or snags, but it is doubtful that any of these will be found where so much dredging has gone on in the past.

A telephone will be placed at the docks for the convenience of the crew and also in case of an emergency call on the lakes. The Escanaba will be moored here from Saturday at 2 p. m. May 11, to Sunday, May 19, 9 p. m. The public is invited from 1 to 4 p. m. daily. Mr. Vander Schiel is putting the dock in shape, the planking of the dock is to be creosoted and a substantial railing will be built around the dock as a safety measure. A cinder path will also lead from the main highway to the dock and during the time the minister from The Netherlands is here the entire dock as well as the ship will be decorated.

It has also been arranged to have all factory whistles blowing as a salute to Commander Perkins when he brings in his ship. Blasts will also be given when the coast guard cutter departs. Commander Vander Schiel and his yacht, "Holland," will be at the mouth of the harbor when the Escanaba arrives and will act as a convoy to the incoming cruiser.

For the entertainment of the skipper and crew, a dozen accordion players in Dutch regalia will give a program of music until the ship docks at Kollen park.

The American as well as The Netherlands flag will not only float from the ship, but two more flags are available for the dock. Kollen park will also be furnished with extra light in time for this event.

An interesting sidelight is the fact that the commander and crew have certain dress for certain occasions and Commander Perkins says the very best uniforms will be donned when Jonkheer Dr. H. M. Van Heersma de With visits this city and not alone that, but the salute of nineteen guns will also be given in honor of the minister.

That brought Mayor Bosch on his feet and he put the question directly to Mr. Kalkman: "Can you mention any occasion since you have been in this council when any worthwhile constructive proposal from you was not considered by the council and myself? Mention one," the mayor exclaimed. Kalkman sat down without replying and a Mr. Van Eyck in the audience spoke in Kalkman's behalf, stating that Mr. Kalkman was always fighting for those who are less fortunate and that somebody in the council surely should be the spokesman for these people. He stated that he did not think this body of men would intentionally harm Mr. Kalkman, but his proposals ought to receive due consideration from the mayor and the mayor states that the mayor then spoke up again: "If you are speaking for Mr. Kalkman then I'll put the question again, when did this council not heed any proposal made by Mr. Kalkman when it was constructive and worthwhile? I have upheld him time and again, and have protected him often when he made suggestions that were simply impossible."

The mayor mentioned, for example, Mr. Kalkman's asking for a \$4,000 bandstand in Centennial park for the American Legion last year. Mr. Kalkman presenting maps for a band shell of this kind. The aldermen turned the matter down and the mayor states that there is a letter on file with the city clerk indicating that the Legion band did not request such a bandstand at this time. This again brought anger from Mr. Kalkman and nearly brought the nasty word, only this time it was "untrue." If the editor remembers right the matter for a new bandstand, which we believe is an excellent undertaking, and should be built at some time, was considered by the Legion, and an inopportune time to make this expense, since it was shortly after the bank moratoriums that these proposals came up.

Alderman De Cock then injected, looking at Mr. Kalkman: "I have given you some concrete work on a city house some time ago, and you haven't even started at it." All the aldermen had some say about the matter, but it finally wound up that a committee be appointed composed of Mayor Bosch, City Attorney Parsons, City Engineer Jacob Zuidema, who are to go to Lansing to undo the visit of Mr. Kalkman. The vote on this was unanimous with the exception of Mr. Kalkman and the new alderman from the First ward, Mr. Vandellune. Mr. Vandellune changed his vote, however, when he fully understood the question. That made only one vote against the motion, Alderman Prins and Alderman Steffens being absent.

The Ottawa and Allegan county newspapers, as well as those from Kent and Muskegon counties, deserve the thanks of this community for their liberal donation of space in behalf of our "Tulip Festival" in news stories. They feel it is real copy and a feature which

The great fear expressed by many over damage done to tulips due to the frost three weeks ago was dispelled when Harry Nelis, of Holland, reported that no damage has resulted. It takes more than a little white frost to kill off a hardy tulip. Since that time the buds are peeping out from the center of the clusters of leaves and that means tulips next week, Friday.

The Holland Lions club will be hosts to members from five states during "Tulip Time." Russell Haight, the secretary for the local club, has just given out the statement that invitations are going out to members of three hundred Lions clubs in Michigan and adjoining states. The plan of entertainment contemplates an All-Lions conducted tour Tuesday, May 14th, to the various points of interest, including the Dutch Village, the Escanaba, "Made in Holland" exhibit, tulip lanes, and tulip farms. At the conclusion of the tour a dinner and a dance will be given for the visitors at the Warm Friend Tavern.

All local Lions will be stirred in colorful Dutch costume and klompen. Corporal Ray Sullivan of the Michigan State Police will give a demonstration of pistol target shooting as a part of the evening's entertainment.

Holland does not even commercialize.

The student council of Holland High school will sponsor a float in the "Tulip Time" parade. Florence Vandenberg is head of a committee to devise necessary arrangements. Approximately 140 girls are practicing "dancing on the green" to be staged three nights in front of the postoffice during the festival, under direction of Trixie Moore and Cornelia Mulder.

Setting at rest reports he was ill of influenza, former Kaiser Wilhelms participated in the annual pilgrimage to the flowering tulip fields near Haarlem, Netherlands. He was apparently in buoyant spirits as he strolled briefly in the rows of riotous color, stopping occasionally to pick blooms. Princess Hermine accompanied him.

Jonkheer Dr. H. M. van Heersma de With, Netherlands minister, will be greeted with a military reception on Ambassador day of "Tulip Time," May 15, in accordance with plans suggested by Lieut. Comdr. L. W. Perkins of the coast guard cutter Escanaba. A salute of 19 guns will be fired as the minister boards the cutter and the flag of The Netherlands will be displayed while he inspects the ship. President Wynand Wichers of Hope college will preside at the Ambassador's dinner in Warm Friend Tavern.

Parents or guardians having children of morning kindergarten age or younger are urged to phone Mrs. Harold Henshaw, 2677, and register for entry in the Tiny Tot Float Division of the opening day "Tulip Time" parade on May 11th. The mark set is one hundred entries and it is impossible for the chairman to call everyone of the persons having children qualified to participate.

Persons operating tourist homes and lodgings are urged to register at once with the Chamber of Commerce if they wish to have their names on the list which will be handed out to inquiring tourists during "Tulip Time" and during the resort season.

Circus Comes To Town Next Monday Night

DIRECTOR HEETER TO GIVE EXCEPTIONAL BAND CONCERT MONDAY EVENING

Eugene F. Heeter, able conductor of the Holland High school band has set Monday, May 6, as one of the evenings to give one of these pleasing and worthwhile band concerts. This school musical organization is the pride of Holland and the concert is looked forward to with a great deal of interest.

The numbers of the entire band will be interspersed by special numbers of well-known Holland artists and solo numbers by members of the band. One number that will be especially pleasing is describing in music when a "Circus Comes to Town." Pictured in this overture will be the morning of the circus, the train whistling at a distance, denoting the approach of the heavy sections of loaded circus paraphernalia, the confusion of unloading of tents and animals, the work on the show grounds, the parade on the Main street, the starting of the sideshows with all the freaks, a visit to the menagerie, the entrance to the big top, the grand entry followed by the great program of aerial actors, pony shows, rodeos, oriental acts and last the hippodrome races which lead to the grand finale. This number alone is worth the price of admission.

The instrumental number "Tulip Time Loyalty" to be played on the streets of Holland during the festival, will also be played at the concert. It was written by a young member of the band, whose name is Vernon Avery. Other contributions by Christiansen and Fauchel will open the program and if the young players can interpret these correctly, it surely will be an achievement. These compositions will live for all time and perfect rendition surely is an accomplishment.

The program follows: First Norwegian Rhapsody, Christiansen; Symphony in B Flat, Fauchel, finale—allegro Vivace; "Fanny Overture"—Herold, Gary De Haan, piano; Don Kramer, marimba; "Grieg Suite," Edvard Grieg; (1) Patriotic Song; (2) Solberg Song; (3) Sailor's Song; "Allegro from Sixth Symphony," Beethoven, brass sextet; "Aphrodite Carpet," Goldman, John Orlert, cornet; "Meet the Band," Yoder; "Circus Days," Alfred Fred Kremer, Barker; "Tulip Town Loyalty March," Avery, directed by the composer; "A Night in Tripoli," Richards.

The personnel of the band includes: Piccolo and Flutes—James Nies Craig Trueblood. Oboe—Kenneth VanderHavel, Lawrence Zwemer. Bassoon—Bruce Mikula. Solo Clarinets—Paul Scholten, Gordon Berkel, Herbert Chapman, James Hinkamp, Roger Stroop, Vivian Decker. First Clarinets—Harold Ormiston, Margie Plaque, Harold Hewitt, Charles Flambro. Second Clarinets—William Tappan, Howard Beckfort, Ethel Brandt, Willard Van Regenmortel. Third Clarinets—James Moody, Malcolm Baron, Robert Emmick, Raymond Kammerling, John Den Herder. Alto Saxophone—Simon Steketee, Paul Van Den Berg, Randall Kammerling. Tenor Saxophone—Gilbert Tors. Baritone Saxophone—Jack Lokker. Horns—Robert Weener, John Wise, Nick Rowan, Don DeKraer, Edward Klinge, Gordon Groenewoud. Cornets I—John Orlert, Julian Arendshorst, Victor Cherven, Don Lievens. Cornets II—John Lappinga, Francis Collins, George Vanderhill, Fred Kremer. Trumpets I—Bill De Haan, Robert Curtis. Trumpets II—Neal Caauwe, Lester De Ridder, John Boyce. Trombone I—Frank Kammerling, Don Moody. Trombone II—Lester Dogger, Jack Jalving. Trombone III—Gordon Scheerhorn, Lloyd Miles. Baritone—Willard Swenson, Irvin Swenson, John Pelon. Sousaphones—Vernon Avery, Elmer Brandt, Robert Zant, Bill Jacobs, Lewis Stegenga. String Bass—Vernon Avery. Tympani—Don Kramer. Percussion—Leslie Woltman, Clyde Woltman, Roy White, Fred Bocks, Robert Spaulding.

MILO DEVRIES TO MANAGE NEW STORE IN HOLLAND

A new furniture store will be open in this city on May 15 to be called the Home Furniture company, and is to be located on the second and third floors of the Van Ark building over the Kroger food store on West Eighth street. Milo DeVries, who is to be manager, has recently withdrawn from the DeVries-Dornbos store in this city and has been identified with other furniture enterprises in Holland. Some 20 years ago he formed a partnership under the firm name of DeVries & Lokker, which continued for about two years. The firm bought out the stock of John Orlert, furniture man who succeeded A. C. Rinck in the Rinck building. Later he became associated with Cornell Dornbos and the beautiful building now occupied by the DeVries-Dornbos Furniture emporium was then erected.

The band contest, which will be a feature event of Tulip Time on May 18, will feature 25 non-professional bands of Michigan and Indiana.

John Arendshorst, chairman of the ticket selling committee for the band contest at Riverview park, states that tickets were placed on sale today at the Chamber of Commerce desk in the lobby of the Warm Friend Tavern. Mr. Arendshorst states that blocks of box and grandstand seats for reservation for the contest have been set out.

COUNCIL NOTES

Council meeting opened with Alderman Van Zoeren leading in the Lord's Prayer.

Michigan Gas & Electric Co. sent in their report which was approved and filed with the board of public works.

Roy Ashley, merchant on East Eighth street, asked for license to sell ice cream and ice cream products, the matter being left with the licensing committee with power to act.

Mr. Arnold, proprietor of the Covered Wagon on River avenue, made a protest to the council that he could not comply with a double toilet system which had just been demanded in every place where beer is sold. He stated that if this had to be done it would put him out of business. There was considerable discussion on this matter, relative to other places where it would cause a hardship. It was also considered that the Tavern should put in extra toilets but this was so ridiculous since this building is abundantly supplied on every floor, connected with the elevator service and also provision for toilets in "The Beer Kelder" now available. The council then had a private session so they could discuss this matter more thoroughly. After this session a motion was made to require places selling liquor to have rest rooms accessible from the floor on which the liquor was sold unless they be granted special privilege by the council.

Peter Damstra, supervisor and state plumbing inspector, presented a message to the common council stating that all plumbing in the future, as this related to the state of Michigan, was going to be supervised by the state board of health. Mr. Damstra stated that plumbing had much in common with health measures and sanitary conditions in the home and in public buildings. He said that in the future all new plumbing would come under that head throughout the entire state. Mr. Damstra gave an excellent review of all regulations in the past and it seems only wise and safe to have the board of health take a hand for sanitary reasons. Alderman Van Lente moved to leave it to the ordinance committee and to the city attorney.

Mrs. John Telling, chairman of the Tulip Time committee, and Mrs. James McLean were visitors at the meeting, coming with an invitation to have the aldermen help in inspecting the streets during the festival. The invitation was unanimously accepted with the exception of Alderman Drinkwater, who said "I never look like an Englishman in those Dutch tops. I never got over that plug hat and long-tailed coat I wore at Grand Haven last summer." Art came through, however, and is going to join the rest of them.

The Flying Dutchmen of Holland extended an invitation to the mayor and common council to attend the Tulip Time ball game at 8 o'clock Thursday, May 16. Mayor Bosch is to throw the first ball and watch him put it over the plate.

The common council may meet on Tuesday or Thursday during tulip week, since Wednesday is out of the question for the mayor and city fathers who are prominently connected in entertaining the minister from The Netherlands, Jonkheer Dr. H. M. Van Heersma de With, and that's enough for one day.

A three-ton truck was purchased from Vanhuizen Auto Co. for \$2,625. It's a Studebaker.

It was suggested that all stands at Riverview park be thoroughly inspected before the Tulip Time activities begin. This is done as a safety measure. Alderman De Cock, being a contractor, was given that work to do.

Alderman Vogelzang gave an excellent report which was commented on by the mayor and in which he pointed out that there were some very unsanitary conditions in certain parts of the city. He told of a cess pool that was overflowing in a yard; he also told of a business place where dirty water was poured in a hole and then was covered up to make room for the next hole, and several other similar conditions were brought out. You can bet there's going to be a cleaning up of such conditions.

Mr. Vogelzang also inspected the road between First avenue and the Dunn Manufacturing company and he said there were some necessary repairs that had to be made and he told what they were. Mr. Bultman at this juncture stated that when the new truck was available every gravel street would be given attention promptly and there would be few poor streets left in the city.

At least \$8,000 in bonds and interest for special assessment were presented and ordered paid, again denoting the high credit of the city of Holland enjoys.

The city approved that a large area be lighted at night on Kollen park about 150 feet south from Kollen dock. This has also been approved by the Holland board of public works, recommended by the mayor and will be up in time for Tulip Time.

Mr. Vandellune also recommended that the boulevard lights on West Eighth street to the boat dock again be lighted at night. This was unanimously agreed upon by the common council. The mayor commended the alderman of the First ward for his first fine report.

Alderman Al Van Zoeren gave a very lucid report on welfare projects. Al is a good man on that board, painstaking and thorough. Rather an interesting sidelight

First Big Fire In Years Visits City Tuesday

ASSOCIATED TRUCK HEADQUARTERS ON WEST 5TH ST. DESTROYED DURING NIGHT

Fire was discovered in the Associated Truck warehouses on West Eighth street at the foot of Pine avenue at 2 o'clock Tuesday morning and the flames in the wooden structures fanned by a northwest gale from Lake Macatawa, soon brought the buildings in full flame, and all the firemen could do was to keep the fire under control, preventing it from communicating with other buildings, none of them nearby. The buildings were completely destroyed within an hour. The fire was discovered by George Essenburg of 389 Maple avenue, assistant manager of the local office of the Michigan Gas and Electric Co. Mr. Essenburg had been working late at the office where he had some extra duties to perform. Walking home down Ninth street, he smelled smoke and upon reaching Pine avenue he saw the warehouses burning and he hastened to Eagle Engine House No. 1 nearby and informed the driver who sounded the alarm.

In spite of the fact that the fire was kept under control, a small fire was put out in a wood-burning shop of Cornelius Vander Heuvel, some 400 feet away on Pine avenue.

Chief Blom and his men were handicapped in fighting the blaze because of the stiff wind that was blowing and the embers and flames being in their direction made the fighting more difficult. A large tank of oil was also known to be in the building and Mr. Blom looked after the safety of his men until the explosion took place which sent debris high into the air. It is difficult to tell until insurance adjusters have gone over the details just what the fire loss will be. Roughly stated, it is estimated \$15,000.

Among the losses were two of the company's trucks, a private automobile and a consignment of freight figured worth at least \$2,000. The small automobile belonged to William Raak, one of the truck drivers.

Among the freight losses were a piano, a quantity of linoleum, some refrigerators, electric motors and a number of tires.

There was no general alarm given at that time of the night, and for that reason most of the fire fans did not hear of the blaze until the next morning.

The officials of the company believe that the fire started because of some defective wiring in one of the large trucks that had been parked for the night; shortly before 12 o'clock.

The freight headquarters is in an ideal spot, chosen many years ago by the Holland-Grand Rapids interurban, by the late Jack Busby and Charles Floyd, officials of the company. The buildings were built then but since that time additions were made suiting the convenience.

Paul Scholten, former alderman of Holland, stated that surely some plans would be made for some kind of fire-proof structure, but a meeting had to be held to see just what plans would be followed. Undoubtedly whatever building program will be decided upon, will be for that locality.

Meantime the Associated is doing the Associated Truck Lines are doing business in the warehouse on the old Goodrich dock at the foot of Eighth street. Hasty accommodations have been made for several months after the fire all regularity as far as the delivery of goods is concerned, and the office force was also busy in their temporary headquarters.

GENTLEMEN, PLEASE

To Merchants and Professional Men:

The Tulip Time committee has requested that you refrain from parking your cars on the downtown side of West Eighth street and River avenue during Tulip Time. They request this as a measure of hospitality to our visitors that the streets be kept as free as possible of local cars.

May we have your co-operation? Yours, on behalf of the Tulip Time Committee,

WILLIAM M. CONNELLY, Manager.

American Legion to Fight Accidents

The highway safety problem took a long step toward solution lately with the announcement that the American Legion is to carry on an aggressive, organized program in the interest of automobile accident prevention. The program is detailed in a booklet jointly published by the Legion and the National Bureau of Casualty and Surety Underwriters.

Under the suggested plan, the safety program will be handled by the Legion's Americanism Commission. Working under it will be State Traffic Committees, composed of representatives from each district. These committees in each state will maintain contact with the State Superintendent of Public Instruction, the State Motor Vehicle Commission, the State Highway Patrol and the Legislature.

Next there will be district safety committees, composed of a representative from each county in the district. These will hold meetings with county safety committees, to be composed of a representative of each local post in the county. The representative of each local post will work with local police, schools, city councils and engineering departments. All of the committees will cooperate with automobile clubs, insurance companies, newspapers, safety associations and similar organizations.

Workers in the cause of safety believe that the Legion can be of tremendous aid in reducing the innumerable accidents to a toll which reached 95,000 people killed on streets and highways last year. The Legion is to be complimented on accepting this arduous duty and the result will be happier and safer living for the people of the country.

CAMP TO GO TO CAMP GRAYLING JULY 20

Capt. John Bremer, commanding officer of Company D of the 126th infantry, Holland's unit of the national guards, states that the local men will leave for Camp Grayling for the annual encampment on July 20. The company will go via new army motor trucks and the men are eagerly looking forward to the stay at Camp Grayling. Holland's national guards took first place in the state several times while at camp, as the best regulated camp company and no doubt will compare well again this year.

On Monday evening the local company passed its annual federal inspection at the armory where the men went through their drills before the critical eyes of Capt. Newton G. Bush, regular army officer stationed at Grand Rapids.

Capt. Bush stated that Holland has always been noted for the fine class of men in its national guard, and this year was no exception. He especially commented on the almost perfect attendance and on the close-order drill and demonstration of squads in phases of machine gunnery and pistols which comprised a 30-minute program.

Capt. John Bremer was in charge of the drilling.

Other officers attending the inspection were Maj. Lester C. Doerr, Col. William Hayes and Capt. Ben B. Barendse of Grand Rapids, and Maj. Henry A. Geerts of Holland, commander of the first battalion of which Company D is a member.

The local armory and state equipment will be inspected on Tuesday, May 7.

COUNTY FARM AGENT TELLS ABOUT WHEAT CONDITIONS

By L. R. Arnold
County Agricultural Agent

May 25 has been set as the date during which a nation-wide referendum will be held by wheat growers to decide whether to continue a production control program in the future. Notification was recently received by L. R. Arnold, secretary of the Ottawa county association, to prepare for the referendum in the county. Wheat growers who grew wheat during the past period are eligible voters. Two types of ballots will be used, one for contract signers, the other for noncontract signers. The vote will be restricted to one question only: "Do you favor a wheat production control program?"

Mr. Arnold has called a meeting of all committeemen of the Ottawa association to disseminate necessary information and to decide upon polling places. Local community committees will have charge of the voting districts, and will decide upon eligibility of voters and keep a list of all voters. A secret ballot will be cast at the polling places and voters who cannot get to the polling places will be allowed to send their ballots to the secretary. Scudder, Jr., a son, is a graduate of Hope college in 1931, and is a senior at Rush Medical school where he is preparing himself for service in the Indian mission field.

Much opposition to the control program has arisen. During past years propaganda seems to have centered broadcast upon the AAA in general, and refers to all control programs. Much has been said regarding shortage of wheat in particular. It has been intimated that the program will cause city people to be restricted in the use of flour and bread; that heavy importations of wheat are being made. Figures given out by the government do not bear out the above insinuations. The forecast for 1935 wheat production in the United States is between 650,000,000 and 700,000,000 bushels. A carryover of 150 million is predicted for July, 1935. This is a normal carryover. Consumption of wheat in the United States is about 625 million yearly, 500 million of the above for human use and the rest for seed and feed. This forecast was made April 15, and takes into consideration drought and erosion effects.

The May 25 referendum may have an important effect upon the future. If an adverse vote is cast, without doubt it will affect all control programs. At the present time there is a farm program. If it is the first time in history that the farmer has had a program. If the program is a dropped uncontrolled production will take place. The present program was written to adjust as far as possible production to consumption. Through such adjustment it was felt that farm prices would be raised which have come to pass. Much of this is due to reduction caused by the drought. The question the farmer must decide is "Shall we go back to an unregulated production with consequent danger of surpluses?"

Holstein breeders of Ottawa have been invited to attend a meeting at Allendale at 8 p. m. May 7, for the purpose of organizing a local association. Farmers who have one or more registered Holstein cows in the herd are eligible. Ottawa county has many fine Holstein herds. Any county with such herds should boast of a strong association. Efforts will be made at this meeting to interest breeders in forming a strong, active association such as is found in various parts of the state.

OVERISEL NEWS

The Easter cantata, "King Eternal," by Ira B. Wilson, was presented by the local combined chorus in the auditorium of the Dunsmuir Reformed church last Sunday evening. The building was filled with people, but many who were forced by necessity to remain outside in their cars said afterwards that the program had been very distinctly heard and had been relished.

Next Sunday there will be a fourth rendition of this cantata. At that time it will be given in the First Reformed church of Hamilton, of which the Rev. J. A. Roggen is the pastor. The program will begin at 7:45. The Messrs. Harry and Gerrit Lampen are the directors of the chorus, and the accompanists are Mrs. G. J. Vande Riet and Miss Evelyn Folkert.

Those who take part in solos, duets or quartet numbers are Mrs. George Lampen, Mrs. Sander Wolters, the Messrs. Dora and Mary Belman, the Messrs. Ma Lampen, Cynthia Schipper, Laura Veen and Alyce Vande Riet, and the Messrs. Jeroel Kleinhekel, Marines Mulder, John Albers, Gerrit Lampen, Harry Lampen and Garrett Vande Riet. Miss Anna Barveld will give an Easter reading entitled "The Picture of the Crucifixion." The public is cordially invited and urged to come to this last presentation of the "King Eternal" given by the combined chorus of sixty Overisel Reformed and Christian Reformed church choirs.

On Easter Sunday afternoon the Christian Reformed church introduced its new spalter hymnal. This book of praise is a revision of the old psalter. Some of the new features this book contains are: 140 hymns approved by the synod of the Christian Reformed churches; new and better tunes have been installed for many of the psalter numbers; difficult tunes of the old psalter numbers, which were seldom sung, are omitted; many chorals have been added, which are written in English words to tunes taken from the old Dutch psalm books (such as psalms 25, 42, 68, 78, 119, etc.); and new translations have been made of forms for baptism, confession of faith, marriage forms, etc. It will take some time to get used to the change, but we know that after we have once adjusted ourselves to it, our liking for it will grow and the song service will be marked by a much more sincere spirit of devotion.

Mrs. Dangremont is very seriously ill with influenza at the home of her daughter, Mrs. Cotts of Holland. Mr. Dangremont is also sick with the flu, and he is at present at the home of another daughter, Mrs. Henry Hoffman, also of Holland.

HAMILTON

Mrs. George Kaper suffered a broken pelvis bone and her daughter, Mildred, head and leg injuries last Saturday afternoon in an automobile accident in the north end of the city. Mr. Kaper, who was driving, escaped without injuries. The accident occurred when the Kaper car was forced off the road by a truck driven by James Koopman, who turned sharply to the left side of the road to avoid a bad spot on the railroad crossing, forcing the other car onto the rails. A tire gave way and the new sedan swerved from the road to crash into a large tree on the D. L. Brink lawn. Mrs. Kaper was thrown out of the car by the crash and pinned underneath the machine. Dr. M. H. Hamelink was called and she was rushed to the Holland hospital in the Ten Brink ambulance. Mr. and Mrs. Martin Groenewald of Kalamazoo visited their parents, Mr. and Mrs. George Rankens, on Sunday.

Evelyn Schutmaat spent the week-end with friends in Holland. Mr. and Mrs. Bert Vander Poel of Holland were supper guests at the home of Mr. and Mrs. Henry

Van Doornink Sunday. A miscellaneous shower was given last week, Wednesday evening, in honor of Julia Alderink by Mrs. Joe Alderink and Mrs. Gary Alderink. Those present were Mrs. George Poll and Johnnie Poll; Mr. and Mrs. Harm Jipping; Mr. and Mrs. Albert Klokke and children; Mr. and Mrs. Henry Wedeven; Mr. and Mrs. Martin Brink; Mr. and Mrs. Gerrit Kleinhekel and son, Gordon; Mr. and Mrs. J. K. Alderink and daughter, Phyllis; Mr. and Mrs. G. J. Brower; Mr. and Mrs. Joe Alderink; Mr. and Mrs. Garry Alderink and children, Alfred Douma and Richard Brower. Prizes for games were awarded to Martin Brink, Richard Brower, Mrs. Gerrit Kleinhekel, and Mrs. J. K. Alderink. A two-course luncheon was served.

Henry Nienhuis led the Christian Endeavor meeting at the First Reformed church, giving a very instructive talk, showing ways in which the Christian Endeavor society can help in the fellowship and the work of the church.

This has been the banner month in the history of the local Farm Bureau garage. They have sold

and delivered 18 cars in 30 days. It seems that we will have to whisper when we speak of depression from now on. Harvey Hoffman, seminary student, preached at the Second Reformed church last Sunday.

A chorus of about 60 voices, members of the Reformed and Christian churches of Overisel will give an Easter cantata at the First Reformed church next Sunday evening. The service will begin at 7:45 o'clock.

Gertrude Vos spent a few days last week at the home of Mr. and Mrs. Neal Nyhoff of Holland.

Mr. and Mrs. Richard Lamar of Zeeland were guests at the John Beltman home Sunday.

The new bridge is rapidly nearing completion. The floor of the bridge will be finished this week leaving only the railing for the following week. The work was kept up during the winter months and despite delays on account of material the men kept ahead of schedule. It is a beautiful all-cement structure, 150 feet long and 52 feet wide, consisting of 3 spans resting on large cement bases and pillars. It is about 8 feet higher than the old bridge, eliminating almost entirely the deep and dangerous dip.

Mary Lubbers of East Saugatuck, Mrs. Ruby Huyser and son, Warren of Holland, and Dr. Joe Mosier of Allegan were supper guests at the A. Lubbers home Sunday.

Mrs. William Ten Brink was in Lowell last week, Friday.

Josephine Timmerman of Grand Rapids and Martin Timmerman of Grand Haven spent the past week-end with parents, Mr. and Mrs. George Timmerman.

Rev. and Mrs. J. A. Roggen attended the A. C. Hoelands funeral at Grand Rapids last week, Wednesday afternoon.

A base ball meeting was held Monday evening at the Johnson home. William Ten Brink was chosen as manager; Henry Kemper, treasurer; John Brink, Jr., captain; Bernard Voorhorst, director. The first practice was held Tuesday evening. There is plenty material and the young men will have to hustle to obtain a position on the team. Come on men, let us back up the boys and pull for another good season.

The Royal Festival day, sponsored by the North Allegan County Teachers' club, will be at the community grounds on May 10, instead of May 3, as first announced.

Miss Fannie Bultman, Sophia Vander Kamp and Josephine Kaper attended a Kellogg Foundation meeting Thursday afternoon. The ticket team for the recent school play, captained by Justin Tucker, entertained Helen Sales' team Friday evening with a 6:30 o'clock dinner at Warm Friend Tavern in Holland. The boys and girls received small wooden shoes as favors. After the dinner the party went to the Vander Kamp cottage at Sunset Shore where Muriel Vander Kamp and Viola Lohman directed the games. The teachers chaperoned.

A 60-foot steel flag pole has been purchased by the graduating class. It will be set in front of the Hamilton auditorium. The school board has made arrangements for the installation of the pole.

Mr. and Mrs. William Overbeek and family of Holland spent Sunday evening at the home of James Knoll. Herman Smeyers and Henry Ponstein, while coming from Rusk, met with an accident with a car driven by Clarence Borgerding, both cars turning over and landing in the ditch. Herman Smeyers was hurt on the arm but is doing nicely.

Mrs. Gerrit Bartels is on the sick list but is improving nicely.

CLARENCE

Clarence has no medals, no great accomplishments but is just a soldier who, like many others served where he was sent and did what he was told, if it was only driving mules in Texas. Now, returning to civil life and looking for a job, he finds a position in the distracted Wheeler family. He performs many duties about the household from mending the plumbing to tuning the piano and acting as friend and confidant to the various Wheelers. The play is filled with mystery and humor and includes such characters as only Booth Tarkington can offer.

The cast includes Mrs. Martyn, Lucile Riemink; Mr. Wheeler, Jay Folkert; Mrs. Wheeler, Lorraine Folkert; Bobby Wheeler, Wallace Folkert; Cora Wheeler, Lois Von Ins; Clarence, Violet Finney; Mrs. Van Ins, Clarence Raymond; Klier, Della; Myrtle De Witt; Dinwiddie, Nicholas Van Dyken; Hubert Stem, Inevle Harrington.

College High School Dramatic club, Friday, May 3, 1935, 8 p. m. Carnegie Hall.

SIN, REPENTANCE AND FAITH

Luke 15:11-24

Henry Geerlings

There are three beautiful parables in this chapter. They were told by Jesus, who was the Master Story Teller. And there was always a real purpose in His telling a story. Let us tell His hearers what that purpose was. Some times it was so plain that He did not need tell them.

There are three parables in this chapter, we have said—the lost sheep, the lost coin, the lost boy. But in a sense there is only one parable, so far as the purpose goes. It was His plan to mix with all classes of people. He moved with the high and low alike, if they would permit Him. But He was severely criticized for associating with publicans and sinners. How He could love them, the higher classes were not able to understand. And to open their eyes to see how great His love toward all men was. He told them how the shepherd loved the sheep that goes astray, how the woman loves the coin that gets lost, and how the father loves the son who runs away from home and disgraces himself.

It must have been a good home, with many of the comforts and advantages the better homes had. Above all it had in it a wonderful father, whose great fault, if he had one, was that he was too lenient with his younger son. According to custom the estate would be held intact until the father's death. This was not the way the younger son wanted it to be. He wanted to see the world and have a good and glorious time; but it takes money for that. He wanted to be free from the restraints of home. To gain his end he suggested that the estate be divided then and there. He would not have made a suggestion like that if he had had the proper respect for his father. It showed a spirit of rebellion, a desire to have his own way, regardless of the feelings of others. Just why the father yielded to a request like that is more than we can say. He would not have had to do so. Perhaps he thought it was best under the circumstances. The boy was off, to have what he thought would be the time of his life. But spending money lavishly, whether one has much or little, leads to an empty pocket and an increase of sorrow. This happened

to the prodigal. He lived high and it was costly. He had the good time he was looking for, but he paid for it. He had what he thought were friends while his money lasted. They flocked around him like flees around a saucer of molasses. But when his money was gone and the famine struck him he discovered that he had neither friends nor food. Not trained to any special task, he took the only job he could get. He hired out to a citizen of that distant country and fed swine. There was no work and few despicable occupations in that day, especially for a Jew. But it was the only way the prodigal had of keeping body and soul together. His gay companions of his spendthrift days were gone, and the hogs became his companions. While he fed them the food that was fit for only the beasts of the field he became so hungry that he could have eaten the same food and enjoyed it, but no one was willing to give it to him. He then began to realize that he had sunk as low as he could go. At that moment there came to him the memory of home, father, food, servants, and all that he had left behind. He was not putting the blame on anyone else but himself. He had played the fool, and it was all very clear to him now. He began to be sorry and to repent of his misdeeds. He did not know just how his father felt, but he determined to go back home and throw himself at his father's feet and plead for mercy; for he realized that anything was better than what he had.

The return trip was in contrast with his leaving home. Then he was rich; now he was poor. Then he was on an adventure; now he was the victim of his own folly. Then he worshipped his future; now he despised himself and sorrowed. But he was dependent on self and satisfied; now he is despising himself and sorrowing. But he was on his way back. He would build on the hope that his father would be glad to see him, or at least would give him a slave's place and a slave's work on the old homestead. He got back, though much changed, both outwardly and inwardly. The same father who had so lovingly watched his son leave home was waiting eagerly for his return. One thing remained—the evidence of his father's love and forgiveness. But these had grown even stronger if that were possible, and the son was given immediate proof of it in being fully restored to his former place in the home.

LOCAL

Mrs. Henry Groeneveld of R. R. 5 has received word that her brother, William Hasejager, 28, died March 29, at his home in The Netherlands as a result of pneumonia, funeral services having been conducted April 1 in The Netherlands. Mrs. Groeneveld's mother and four brothers and five sisters all live in The Netherlands.

A young lady from this city, Miss Theresa Danhoff, was named student council representative of the sophomore class at Calvin college, Grand Rapids, in the annual all-school elections which took place this week. Willis Heetderks of Zeeland was named council representative by the junior class.

The local order of Royal Neighbors will entertain the delegates to the Oak Leaf district meeting in Holland on Wednesday, May 15. The guest of honor at this occasion will be Mrs. Jessie L. Mitchell of Brighton, vice chairman of the board of supreme managers of Royal Neighbors of America.

Louis Dangremont, aged 61, of Hamilton, died last evening at the home of his sister, Mrs. Henry Hoffman, 475 Central avenue. He leaves a wife; one son, Harley of St. Louis; a daughter, Mrs. Law-

rence Huyser of Kalamazoo, and his parents, Mr. and Mrs. John K. Dangremont, of Overisel. Funeral services were held Thursday at 2 p. m. at the Hoffman home with Rev. A. G. Van Zante of Trinity Reformed church, Kalamazoo, officiating. Burial was in Fairlawn cemetery, Holland.

The broadcasting of Prof. J. Jans Helder over WOOD, Grand Rapids, will be on May 8 at 10 p. m. instead of at 6:45 as published elsewhere in this issue. Other arrangements over that station made this change necessary. At that time Mr. Helder will sing his Tulip Time song, creating added publicity for our celebration.

Mayor and Mrs. Nicodemus Bosch have received a letter stating that their son, Randall, who underwent an operation at Deaconess hospital, Boston, is now well out of danger and is expected home within a week. He was instructed, however, to take a rest for two months before resuming work at the Western Machine Tool Works.

Mr. and Mrs. Roy Woodruff and children, Junior, Betty and Joyce, of La Grange, Ill., visited their parents, Mr. and Mrs. Fred Woodruff, Madison avenue, and Mr. and Mrs. Henry Bos, Central avenue, over the week-end. Mr. Woodruff is employed at the Brookfield zoo, Chicago.

CABALL HATCHERY OF ZEELAND WINS GRAND AND MICHIGAN SWEEPSTAKES

Caball's Superior Hatchery of Zeeland won the grand sweepstakes and Michigan sweepstakes at the annual chick and egg show here Wednesday. More than 5,000 baby chicks were entered, setting a new record for the exposition.

Other sweepstakes winners were: Light breeds, Wolverine hatchery, Zeeland; heavy breeds, Miami hatchery, Sidney, Ohio; hatchery sweepstakes, three or more breeds, Caball; Zeeland-Holland sweepstakes, Wolverine hatchery; great variety, Miami hatchery; record of performance, Grandview hatchery, Zeeland; greatest distance trophy, Indian Springs hatchery, Andover, Mass.; Barred Rocks, Silverward hatchery, Zeeland; largest entry, Townline hatchery, Zeeland; White Rocks, Pincroft hatchery, Owosso; Rhode Island Reds, Indian Spring hatchery; reserve sweepstakes, White Leghorns, Wynyard hatchery, Zeeland; light breeds other than Leghorns, Miami hatchery.

The show had a record attendance Wednesday evening. The Zeeland High school band will present a concert Friday evening. The chicks and eggs will be sold at auction Friday night at the close of the exposition. The auctioneer will be Mr. Thomas of Grand Rapids.

MORE THAN \$400 CLEARED AT CHARITY BALL

The second annual Charity Ball, sponsored by the civic health committee of the Woman's Literary club, is a thing of the past, but will linger long in the minds of the almost 600 guests who attended the affair. Many of them came from Grand Rapids, Grand Haven, Saugatuck and Allegan. That it was a great success is evident from the comments heard on every side. This is true not only of the party itself where everyone present enjoyed themselves, but also from a financial viewpoint. The committee in charge states that more than \$400 was cleared, which is indeed gratifying.

The \$400 raised is for the benefit of the free baby clinic, sponsored by the Literary club for a number of years. The civic health committee of the club, having the clinic in charge, is headed by Mrs. C. J. McLean. That the clinic is much appreciated is evidenced weekly, for the free clinic is a very busy place on Tuesday of each week when mothers who so desire can take their infants and children of pre-school age to the clinic without charge and be aided in guarding the health of their little ones by the service given them through the efforts of the local club.

A feature especially pleasing at the Charity Ball was the awarding of prizes. This event created a great deal of interest prior to and at the ball, there being 69 prizes in all. The prizes were donated by local merchants and manufacturers and the committee in charge of the ball is loud in its praises for the hearty and generous co-operation given them in this matter. The prizes were in charge of Mrs. Willis Diekema, Mrs. E. G. Landwehr, Mrs. J. E. Telling, Mrs. Clarence Lokker and Mrs. C. J. McLean.

Chairmen of the committees in charge of the ball were Mrs. A. W. Wrieden with Mrs. C. J. McLean and Mrs. Clarence Lokker, assisting. Ticket sales were in charge of a committee composed of Mrs. J. J. Good, chairman; Mrs. George Van De Riet, Mrs. Adrian Van Putten, Miss Leona Nyström, Mrs. Sidney Tiesinga, Mrs. C. Bergen, Mrs. R. L. Schlecht, Mrs. J. W. Hobeck, Mrs. Jay Den Herder, Mrs. Charles Kirchen and Mrs. D. S. O'Meara.

Mrs. Peter Van Dommelen, Mrs. C. C. Wood, Mrs. James De Pree and Mrs. C. J. McLean were in charge of music and decorations. Hall and check room were arranged for by Mrs. John Orlert and Mrs. Frank Lievense, with Miss Rena Boven and Mrs. Wood taking care of the punch bowl.

Previous to the affair, nearly a hundred people were entertained at dinner at the Warm Friend Tavern. Music at the ball was furnished by Frank Winegar's Hotel Rowe orchestra. The affair will be repeated next year, which then will be the third annual.

An automobile accident occurred at U.S. 31 and Lakewood boulevard at 8 o'clock Thursday morning when the cars driven by Alfred Vander Veer, 75, of 74 East Fifteenth street, and Raymond Kammeraad of R. R. 4, collided at the intersection.

Mr. Vander Veer suffered a skull fracture in the accident and was immediately taken to Holland hospital. Although quite dazed, Mr. Vander Veer did not lose consciousness and late Thursday afternoon hospital attaches reported he seemingly was getting along well. Kammeraad received minor injuries. Both cars were considerably damaged.

AMERICAN LEGION

Don't forget the next meeting will be on Wednesday, the 8th. Al Van Lente and Sime Meusen are getting the program ready. And are they good? They admit that.

We will also listen to the final arrangements for Tulip Week, including the part we take. It is supposed we will also suffer through Heinie Geerds' explanation of the parade details.

It appears as though we will have to have a special meeting night for Comrade E. E. Morse who recently transferred from Grand Rapids. He is gone nearly all week, but what that man wants another night out for has got us puzzled.

Commander Cook and Comrade Joldersma took in the Fifth district meeting in Grand Rapids last Monday. Heinie has a whole book of notes to talk from in telling us all about it.

It has been some time since we have listened to a report from the band. Of course, this spring cleaning, in the house and out in the yard, may account for some of these reports being neglected. But, business before pleasure, always.

Doc Leenhouts is the only old timer who, after seeing the Lokker, DenHerder and Parsons team, remembers when Lawyers were considered the town's best citizens.

No yellow butterflies in sight yet. Be careful.

And further caution: If you see a man fumbling around your neighbor's back door, don't shoot; maybe his wife is having a bridge party.

USE OF POPPY FUNDS

Nearly 30,000 new names will be on the scroll of America's dead defenders when the nation honors its war dead on Memorial Day this year, according to Mrs. Chester Ver Meulen, president of the W. G. Leenhouts, unit of the American Legion auxiliary. World war veterans have been dying at the average rate of 50 per day during the last year, making nearly 30,000 who have passed on since last Memorial Day.

This high death rate among the veterans gives Poppy Day, Friday and Saturday, May 24 and 25, heightened importance. On this day the auxiliary women collect contributions which form the major source of support for their work.

for needy families of veterans throughout the year. Unless generous public support is given the auxiliary's Poppy Day appeal, the welfare activities of the unit cannot be maintained.

"Almost every veteran who dies now leaves a widow and children, and few leave sufficient means to provide for their families."

"The seventeen years which have passed since the war make it very difficult to prove that the veteran's death resulted from war service, and unless such legal proof can be established, no government aid is available for the family. The Legion and auxiliary must step in with emergency aid until other aid can be secured or the family made self-supporting."

"In addition to the veterans who die, there are more than 100,000 constantly in hospitals. We endeavor to do something for those veterans while they are still within reach of our help, providing them cheer and comfort while they are in the hospitals and aiding them in the long, uphill struggle to regain an economic foothold after they leave the hospitals. Their families, too, often need aid."

"The poppies, which we will offer Friday, Saturday, May 24 and 25, to be worn in honor of the dead, are our principal means of raising funds for this work for the living."

The American Legion auxiliary division held its meeting Tuesday afternoon at the home of Mrs. M. J. Van Kolken on West Twelfth

street. Assistant hostesses were Mrs. Gertrude Meusen and Mrs. Henry Poppen. Mrs. Meusen, Mrs. Myra Weaver and Mrs. Blanche Roseboom were awarded prizes for the ticket contest, and Mrs. Van Kolken was awarded the silk quilt. The next meeting will be held on June 4 at the home of Mrs. John Mills.

WIEGHMINK'S SURPRISED ON 45TH ANNIVERSARY

Mr. and Mrs. Henry Wieghmink were pleasantly surprised Wednesday evening when more than 80 relatives and friends gathered at the home of Mr. and Mrs. Bert Wieghmink of R.R. 6 in honor of their forty-fifth wedding anniversary. The Wieghminks were wed in Graafschap forty-five years ago by the Rev. C. C. John, at that time pastor of the Reformed church of Graafschap. They had planned to visit quietly at the home of their son and the large number assembled there surely proved a complete surprise to them.

After congratulations had been offered, the honored guests were requested to unwrap the many parcels brought in to them and they were indeed pleased with the handsome gifts presented them by the many guests. Mr. and Mrs. Wieghmink are 68 and 66 years old respectively and are both in comparative good health.

The program presented included guitar selections by Maynard Wieghmink; singing of psalm 42 by the group; vocal duet by Mrs. Harold De Loof and Mr. Raymond Nykamp; reading by Mrs. James Kleis; playlet, "Don't Shoot," by Misses Helene, Henrietta and Mr. Hiram Wieghmink; poem written in honor of Mr. and Mrs. Wieghmink by Fred Ruis, and read by Jack Zwemer; psalm 68 and 134 by those present.

In the competitive games played prizes were awarded to Mrs. Marguerite Meeng, Raymond Kleis and Alvin Ruis; consolation prizes going to Jack Zwemer, Rodger Zwemer and Dale Wieghmink. A delicious two-course luncheon

HOLLAND MAN DIES

Edwin J. White, aged 67, resident of Holland since 1900, died in this city Wednesday afternoon, following an illness of a few months. A native of England he had lived for 50 years on the North American continent, first in Canada, then in Chicago and finally at Holland. Until his retirement two years ago he had served for 25 years as manager of the branch

houses of a Chicago packing company.

Surviving are two sons, Joseph and Thomas of Holland, and two stepsons, William Saunders of Holland, and Charles Saunders of Buffalo.

Funeral services will be held at the Nibbelink-Notier funeral chapel at 2 p. m. Saturday, with Rev. J. Wendell Davis of Grace Episcopal church officiating. Burial will be in Pilgrim Home cemetery.

Friends may view the remains at the funeral chapel from 7 to 8 p. m. Friday.

TIE IN RIFLE MEET

The Holland Rifle club and the South Haven Gun club, in a return match at South Haven Monday night, tied at 897 points for the highest score of the best five-man teams. Bud Prins of Holland was high man with 183. In the first match at Holland several weeks ago the Holland marksmen won, 905 to 859.

Word was received that James Van Nul of North Shore Drive, who is confined to University hospital, Ann Arbor, is slowly improving. He underwent a gastric operation recently and he was in a serious condition for some time.

PICK JEAN SEWERS "MISS SAUGATUCK"

At the elimination contest for queen at the blossom festival, held at Saugatuck Saturday evening, judges from Benton Harbor gave first place to Miss Jean Sewers with Miss Jane Brady a close second. Miss Sewers as "Miss Saugatuck," will enter the contest for queen Wednesday.

Saugatuck is planning on sending a float for the blossom parade May 11.

Albert S. Teerman, 121 West 13th street, has filed application for a permit to remodel his garage at the estimated cost of \$55.

Local Judge Miles Gives Jail Sentences

ZEELAND MEN DRAW TERMS IN JACKSON PRISON; INVOLVED IN EGG THEFT

Two sentences were meted out by Judge Fred T. Miles of Holland in circuit court and several arrangements were heard and judgments granted.

Henry Van Haitsma, Zeeland, 45, was sentenced to Jackson prison from 7 1/2 to 22 1/2 years for breaking and entering, second offense. Van Haitsma was sentenced in Kent county in 1932 for defrauding to the amount of \$600. He pleaded guilty to breaking into a warehouse belonging to Leonard Stalkamp at Zeeland and securing eight cases of eggs. With him was George Rookus, 22, who was sentenced to Jackson prison for four to 15 years for violation of his probation.

Albert Vanden Bosch, 32, Zeeland, pleaded guilty to receiving the eggs which he knew to have been stolen. The eggs were disposed of at South Bend and the men were picked up by the sheriff's officers on their return near South Haven.

Simon Rosenberg, 17, Detroit, pleaded guilty to the larceny of a wrist watch from L. Brower, a farmer in Blendon township. Judge Miles, when he asked the young man his age, appeared quite startled, as did the others in the court, when he replied, "Seventeen." Rosenberg is almost completely bald and looks more like a man of 40 or over than a lad hardly over the juvenile age.

Egbert Overweg was given a judgment of \$651 against John Ten Brink; Commonwealth Printing company was given a judgment of \$132.33 and costs of \$26.20 against the Hillview Poultry Farm by Judge Miles.

A judgment of \$2,000 has been ordered by Judge Miles in favor of Mrs. Mary Allen of Nunica against the Gleaners Life Insurance company.

HOLLAND WILL MEET LOW WATER THREAT

The board of public works expects to solve the low water threat with the construction of a new intake and screenhouse for the city light plant to be completed before fall at an estimated cost of \$31,000.

A brick building will be erected for a double screening system, so arranged that in case of lower water levels another structure can be built for one or more low lift pumps. The double system can be used for reserve against water shortage and replaces a unit in service 30 years.

PRETTY HOME WEDDING TAKES PLACE AT NIENHUIS HOME

Beautiful white lilies, bright golden daffodils and ferns, formed an attractive background for the wedding ceremonies which took place at the home of Mr. and Mrs. Frank Kooyers of East Thirty-second street on Tuesday, April 23, when their daughter, Miss Letta Jane became the bride of Ben Nienhuis, son of Mr. and Mrs. Bert Nienhuis of R.R. 5.

Following the singing of "At Dawning" and "I Love You Truly," by Miss Agatha Kooyers, the bride couple took their place beneath a yellow and white arch as the wedding march from Lohengrin was being played by Miss Esther Kooyers. The vows were spoken in the presence of about 120 relatives and friends, the ceremony being performed by Rev. H. D. Ter Keurst, pastor of Trinity Reformed church, assisted by the Rev. G. J. Vande Riet of Overisel.

The bride looked charming in a gown of aqua marine blue sheer crepe. Her bouquet consisted of pink and white roses and sweet peas. The bride was attended by Miss Beatrice Kooyers, a sister, becomingly groomed in shell pink. Henry Nienhuis attended his brother.

Little Miss Charlotte Jerene Siebelink as flower girl, wore a pale orange organdie dress and Roger Paul Nienhuis as ringbearer, wore a suit of black satin, with white trim. Mr. and Mrs. John Siebelink were master and mistress of ceremonies.

A two-course wedding luncheon was served the guests following the ceremony. Mr. and Mrs. Nienhuis are making their home on East Thirty-second street.

FLYING DUTCH BASEBALL TEAM AGAIN IN FIELD

The Flying Dutchmen baseball team of Holland has again organized for the season under Spriggs Te Roller as manager and Bennie Batema as coach. An advisory board composed of Andrew Klomparsen, Harry Gahagen, Watson Spoelstra and Bill Connelly, secretary of the local Chamber of Commerce, will assist.

All of these men are well known and keenly interested in keeping baseball alive. The Dutchmen last year included Larry Hyma, Fred Tubergen and Ed Walters as pitchers, all experienced twirlers, with Roy Ashley, an old timer, behind the bat; Dick Jappings, another veteran, at second; Wes De Witt at first; Joe McCarthy at short and Ed Hulst at third. The outfielders are J. Batema, R. Woldring, M. McCarthy and C. Norlin.

This year many youngsters are trying to win berths. The opening game of the season will be played during Tulip week on May 16 with the House of David. The team will be attired in new uniforms.

HOLLAND SENIOR GIRLS SELECT THEIR COSTUMES

Senior girls in Holland High school have selected cotton afternoon gowns in pastel shades as the type of dresses to be worn for graduation. Hats and gloves are forbidden because of the expense.

The Beauty Specialist

Hail, Tulips! Hail!

By L. VAN HARTSEVELDT

Hail, Tulips! Hail! Brave heralds of springtime. Pushing thy way through the frost-crusted loam. Chill winds of March give voice to thy waking—Lo! the sweet songsters come winging back home.

Hail, Tulips! Hail! Thy progress through April Now stands revealed in soft green row on row. Carpeting the gardens, topping the grasses. Pregnant of joys that the May shall bestow.

Hail, Tulips! Hail! What a riot of color! Fringing the roadside, brightening the green. Splashing with beauty our parks and our gardens.—Heaven comes to earth in thy splendor and sheen.

Tulips, bright tulips, canst linger no longer? Rest thou, and sleep through summer's warm noon. Sun's vital rays shall build strength for thy quickening; Sweet was thy coming. Slumber softly. 'Tis June.

FELL GOES TO BAY CITY

The Michigan congress of Parents and Teachers State convention is to be held at Bay City May 15-17. Mr. E. E. Fell is one of the delegates and is chairman of the committee on Character Education. Well, he undoubtedly knows how for after 26 years in the Holland schools this phase in education has been decidedly felt. Mr. Fell is the only committee man from Ottawa and Allegan counties.

Welfare Gardens Project as Suggested by Mrs. Veneklasen

The State ERA is this year conducting a subsistence garden program. There will be no work projects in connection with the subsistence garden program. This, however, does not forbid interesting other organizations such as Red Cross, Chamber of Commerce, Rotary, Lions, Kiwanis, to promote and assist in maintaining a community garden. The ERA is interested in these gardens to the extent that clients be required to utilize land when available, to raise vegetables for their own consumption, either to be eaten fresh, to can or to store.

The seeds are distributed to relief clients only and are not given away, but charged to the client on his relief granted account.

There are three types of gardens according to the government rulings. The sizes are 30x50-ft. gardens, the 50x100-ft., and the 2/5 of an acre. Seeds will be distributed accordingly.

The assortment of seeds is based on a rotating crop plan. Pamphlets will be issued to each client relative to planting, etc.

Every family receiving rehabilitation aid is expected to have a garden.

No ear-marked state funds will be available for fertilizers or insecticides, all must be furnished by the client or the organization sponsoring the program.

One important factor in the program this year is that no seeds are given to any other families only those on relief. Border line cases do not participate in this program. It is expected that all families make arrangements for their lots or acres themselves, as there are no funds available from the County ERA.

This regulation, it must be understood, is part of a large plan laid out by government and state officials.

EAST SAUGATUCK BOY IS HELPED BY PRESIDENT'S DANCE FUND

Gerrit Schrottenboer of East Saugatuck, son of Mr. and Mrs. Henry G. Schrottenboer, is to receive treatment for paralysis of the arms through aid of the President's Birthday Ball fund. The paralysis is the result of an attack of infantile paralysis which Gerrit suffered last summer. The condition is commencing to affect his spine and treatment was recommended by Dr. Hodgen, bone specialist of Grand Rapids. Work of this nature is going on all over the country and Allegan may well be glad to have a share in such a worthy project.

Allegan committee members are Grover Cook, Carl McGeath, Mrs. Edmund Cook and Douglas Nash.

SELL SEALS TO AID CRIPPLED CHILDREN

A seal campaign for crippled children was launched today by Holland Rotarians as part of the drive for funds made by the Michigan Society for Crippled Children, Inc. The quota for the club was set at \$2,340 seals. A committee has been set up, headed by Rudolph Brink.

OTTAWA'S WELFARE ROLLS ARE REDUCED

Ottawa county's welfare rolls have been reduced by 90 families since last year, the county welfare relief administration announced in a report made public today.

At the end of April, 1934, there were 1,616 families on the welfare rolls as compared with 1,526 now. The total welfare population is approximately 6,400 on the basis of 4.2 persons per family.

It is expected that farming, report activities and other outside seasonal work will further reduce the list.

6-FOOT SEAL SEEN ON MUSKIEGON LAKE

Conservation officers turned seal hunters here today as coast guards reported a seal about six feet long coming into Muskegon lake from Lake Michigan this morning. Dorman Pelky, coast guard lookout, sighted the animal. A dense fog hung over the lake this morning, and one theory is the seal was attracted by the deep voiced fog horn here. Seals were reported last week around the Manitou islands in northern Lake Michigan. Recently one was seen near Saugatuck harbor by seven brothers, carp fishers.

ONLY 21 VETERANS ON CITY UNEMPLOYED LIST

(Allegan News)

There are many World war veterans in Allegan and vicinity, but that fact has dealt fairly kindly with them is shown by the fact that only 21 have registered for work on local PWA projects. Leo Wipert, branch NRS manager, announced today. Mr. Wipert also called the attention of veterans to the fact that in order to obtain employment on a PWA project they must register at his office in the county road building.

Veterans are being given preference in all PWA jobs and are the first ones to obtain jobs, and the entire list of men now employed on the municipal dam veterans. Mr. Wipert reports that veterans will be placed on the lists as soon as they apply and show that they are unemployed, regardless of the length of time of unemployment.

PARISH SELLS CHURCH; WILL ANNOUNCE PLANS

Announcement that the North Point community association has purchased the Catholic church of Allegan, which recently was partially destroyed by fire, was made this week by Rev. J. A. Callahan. Work dismantling the building already has started and it will be moved at once.

Rev. Callahan also announced that plans for the new Catholic church will be announced next week and that construction probably will start in the near future.

FORMER ALDERMAN DRAWN ON JURY

The jury list for Ottawa county circuit court was drawn Monday to act during the May term of court. Those who will serve are:

Albert C. Kachler, Abram Bult-huis, James Despelder, Albert Roth, Herman Van Oypnen of Grand Haven. The remainder of the panel includes: Bert Assink, Olive; Benjamin Lugers, Park; Henry Rankans, Polkton; John Goodin, Port Sheldon; Joe Bekius, Robinson; John Kruijsenga, Spring Lake; John Maile, Tallmadge; James Riplo, Wright; John J. Brower, Zeeland; John Ter Beek, Leonard DeWitt, E. P. Hiler, Hazel Batema, Fritz N. Jonkman and Henry Naberhuis, Holland; Jacob Neeboer, Zeeland City; Edward G. Buhrer, Allendale; Edward Grupin, Blendon; and Bert Doane, Chester.

Circuit court opens the first Monday in May and the jury is usually called a week later.

SAWMILL AT ZEELAND IS MOVED TO NUNICA

The sawmill operated by John Moeke, Zeeland, which caused considerable attention to visitors as they passed on M-21 through the city has been dismantled. The mill will be set up near Nunica. The mill was in operation here for more than four months and thousands of feet of logs were made into suitable lumber.

DOLLAR FEE PUT ON LIQUOR CARRIERS

The state liquor control commission decided to go into the automobile licensing business yesterday. An order was issued providing that after May 1 no motor vehicle may transport liquor purchased by the state without a special license. Plates, to be attached to the vehicles, will be on sale at commission offices at \$1 a set. The order stated the action would give the commission better control of the importation and transportation of liquor.

SEMINARY TO MARK FIFTY YEARS AGO

Western Theological seminary will celebrate its fiftyth anniversary with a public meeting and an alumni dinner at Hope Reformed church May 14.

Rev. John Wesseling, D. D., president of the general synod of the Reformed church in America, will deliver the main address, and Dr. Albertus Pieters of the seminary will trace the history of the school.

The study of theology was first started here in 1866 under E. C. Cristell, D. D. and four electors, at Hope college. This was continued 11 years when it was dropped until 1884. At that date it was taken up by N. M. Steffens, the first occupant of the chair of theology independent of the college. It is this date that will be celebrated.

There are two men of the first class still living, Rev. G. H. Hosper, D. D., and Rev. Simon Hogebom, both living near Rochester, N. Y., and one graduate of the earlier days, Rev. Josias Meulendyke, the oldest living alumnus of Hope college.

GAS STATION BROKEN INTO; \$35 IS STOLEN

The Texaco Oil and Gas station at the corner of Franklin and Water streets was broken into early this morning and \$35 in change was taken from the till. The robbery was discovered this morning when the owners opened the station for business. Officer Ferdinand Kinkema passed the place at 3 a. m. and reported that everything was all right. The glass in the door was smashed and the door unlocked from the inside. No clues were found to assist in the search for the marauders.

Ottawa Youth Will Be In This City 500 Strong

THE 4-H CLUBS OF OTTAWA COUNTY ARE HOLDING ACHIEVEMENT DAY IN HOLLAND ON SATURDAY

Holland is sure beginning to be the center of attraction for a great many things and May is crowded with activities. With the Tulip Festival and the Veterans of Foreign Wars, a large part of the month is taken up with preparation and celebration.

However here is another event that opens activities for May, beginning tonight, Thursday, when the Ottawa county 4-H club Achievement Days begin. Friday and Saturday of this week are the big days. The finishing touches were put to this event, and the official program was drawn up at Coopersville where William Van Alsburg was in charge.

The Holland High school auditorium has been secured for this event and at least 500 young folks from the immediate surroundings and from all over the county will take a part in this Ottawa county 4-H Club Achievement Day.

The high school was looked over by a committee of the county board which was pleased with the facilities the school had to offer. It was also found to be ideal for the display of the work of the young members of the 4-H club. The exhibits were placed on exhibition this Thursday night and will remain on exhibition Friday afternoon. The judges will start to judge the work of the boys and girls sometime during Friday. One boy and one girl from Ottawa county will also be selected for competition in the state health contest to be held during the summer.

Through the courtesy of Henry Carley of the Holland theater a free movie will be given to all members of the club during the convention. Between the hours of 11 and 12 a. m. on Saturday the girl members will be busy with the rehearsal of a style show, and the boys will compete in a wood identification test.

The main program will take place in the afternoon Saturday, starting at 1:15 p. m. p. m. with an address of welcome to club members by William Connelly, secretary of the Chamber of Commerce, Holland. A few numbers will be given by the Merz group of Conklin. This group of singers is well known to club members and is regarded as a necessary part of 4-H club events. The style show will start at 1:45 p. m. Short numbers will be presented during intervals necessary to putting on the style-show. Presentation of certificates and club pins will close the program.

The 4-H winter program has been carried on very successfully this past winter. Members are now busy finishing the necessary articles. Leaders report practically all club members as being 100 per cent finishers. When all records are in the 4-H council which is in charge of club work, hopes to have the best record ever made in the county. Five hundred boys and girls were enrolled last fall, and these members have been working faithfully throughout the winter on the various articles which will be on display May 4.

The complete program follows below:

9:00 a. m.—Health contest for girls.
9:45 a. m.—Free motion pictures at Holland theater (courtesy Holland theater, Mr. Carley).
11:00 a. m.—Wood identification contest. Practice for style show (girls); health contest (boys).
12:00-1:00—Dinner hour.
1:15 p. m.—Program—Address of welcome, Mr. William Connelly, secretary Chamber of Commerce; response, Mr. William Van Alsburg; singing by Merz Choir.

1:45 p. m.—Style Show, directed by Mrs. M. Thompson: (1) Tailored Dresses (specialty act), Tulip Time selection; (2) School and Sport Dresses (specialty act), Tulip Time selection; (3) Party Frocks and Evening Gowns.
2:45 p. m.—Announcements, Miss Sylvia Wixson and Mr. P. G. Lundina assistant state club leaders. Presentation of certificates and awards.

COMMON COUNCIL

Holland, Mich. April 26, 1935. The Common Council met in special session pursuant to call by the Mayor.

Present: Mayor Bosch, Alds. Vande Lune, Drinkwater, Kalkman, De Cook, Van Zoeren, Steffens, Huyser, Bultman, Van Lente, Vogelzang and the Clerk. Mayor stated that the meeting had been called for the purpose of giving consideration to the proposed new coast guard station on the north side of the harbor. The Mayor stated that it was proposed to build this new station on a new site which is now owned by the State of Michigan and used for a state park. Mayor then called upon Mr. Connelly, who was present, to give the Council the information which he had in regard to this matter.

In commenting upon it, Mr. Connelly stated that for some time government officials were interested in a new and modern coast guard station to replace the present one. Mr. Connelly further stated that they had succeeded in receiving promises of an appropriation of \$40,000.00 to carry out this work. However, they were not satisfied with the present location of the station since it is very inaccessible, and the sand dunes on the south are continually encroaching upon their property. For this reason they have selected a proposed site on the north side of the harbor providing the property can be obtained. Mr. Connelly further stated that it would be necessary to secure a transfer of this property from the State of Michigan to the United States government.

Mr. Connelly further stated that this matter has already received the approval of the Rotary Club, the Exchange Club, Chamber of Commerce and the Veterans of Foreign Wars, and a proposed bill through the legislature is now being prepared which would be introduced by Rep. Brower next week.

After a brief discussion and on motion of Ald. Van Zoeren, the Council approved of the action of the other civic bodies and also went

on record as being favorable to the new proposed location.

Carried, all voting Aye. Mayor stated that there was other business to be brought up, and again called upon Mr. Connelly to outline to the Council the wishes of the Tulip Time committee in regard to the street scrubbing ceremonies which is to open up the Tulip Time festivities.

Mr. Connelly stated that this year they proposed to put on this ceremony on a considerably enlarged scale with 250 people participating. It is the wish of the committee that the Mayor and Common Council take part in this ceremony.

On motion of Ald. Van Lente, seconded by Huyser.

Request of the Tulip Time committee granted.

Ald. Van Zoeren reported for the information of the Council that the Welfare committee had met with Mrs. De Kruit and Mrs. Morgan in regard to having them look after the city's interest in medical care to be paid for by the City of Holland. Mr. Van Zoeren reported further that Mrs. De Kruit had volunteered to look after the city's interest in this connection.

Ald. Van Zoeren further brought up the matter in regard to putting a new halyard in the flag pole at Riverview Park. He stated that they had received a proposal from a steeple jack to do this work and also paint the flag pole at a cost of \$15.00.

Ald. Van Lente stated that it was his understanding that Mr. Henry Woudstra would do this work without any expense to the city providing the fire department would participate by loaning one of their tall ladders. Playground commission authorized to go ahead and have this work done in the manner they saw fit.

Ald. Van Zoeren further reported that Mr. Geo. Wolferding had offered to install a swing, a teeter and a slide, and also erect a backstop at the playground on North River avenue between 2nd and 3rd streets, at a cost of \$100.00 providing the city will furnish the necessary material such as wire and piping for the backstop.

Playground commission instructed to go ahead and purchase this equipment and have it installed by Mr. Wolferding.

Mr. Van Zoeren requested further that when installing this equipment they be permitted to set it on the south line of 2nd street, so as not to interfere with the baseball diamond. In other words, it is the desire of the Playground

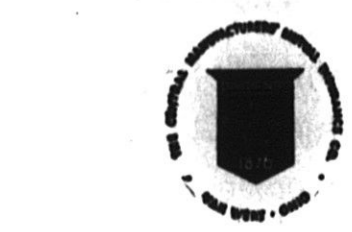

commission to have this installed on what would be the sidewalk line of 2nd street.

Granted. Adjourned. OSCAR PETERSON, City Clerk.

What you ask of a Bank

Depends Upon What You Know About a Bank

A great many people do ask impossible things of a bank—just because they do not thoroughly understand what are the right and the wrong principles of conducting a bank.

There is a reason back of every safe rule in banking. The banker does not act from whim, or favor this person or that; he follows the charts of experience. He tries to steer a safe course, as the captain does with a great liner. Nobody asks the captain to head for an iceberg. Nobody should ask the banker to depart from any of the sound principles which give protection to the bank's depositors.

HOLLAND CITY STATE BANK Holland, Michigan Member Federal Reserve System

The Deposited Funds of a Bank

—are given employment as reserves, investments, loans and cash on hand.

A BANK sets aside a definite percentage of deposits as legal reserves required by law. Then a voluntary "secondary reserve" is set up consisting of short-term, highly liquid investments. A sufficient amount of cash is kept on hand to meet daily requirements. This money is circulated constantly through local business channels.

The bank invests a part of its funds in Government, state and municipal bonds and other sound securities. It loans a portion locally to business men and customers.

It is the daily work of this bank to safeguard depositors' funds, render helpful financial services and find safe, useful employment for the money entrusted to our care.

SUCKERS ONLY FIT

TO EAT IN SPRING

Suckers run in the spring, as any boy who was raised in the country can tell you. And only in the spring are they fit to eat. If you can forget the bones they are not to be sneezed at.

There are many methods of taking suckers by the barrelful, including netting and scooping them from the bottom of some miniature waterfall with a shovel, but if you want to have some real fun, go out to the nearest creek just about the time the ice has gone. If it is a shallow flow with plenty of flat stones on which to stand, climb over them until you spot a sucker weighing 3 or 4 pounds, then drop a 1/8 snelled hook baited with a nice nightcrawler under the nose of the sucker. He will take it all right, and a few minutes later he will be in the bag.

Rabbit River at Hamilton is a great place to net suckers and the river is lined with net nets.

SPEARING FISH IS MOST DESTRUCTIVE OF FISHING METHODS

The spear—one of the most destructive of fishing devices—may legally be resorted to by sportsmen this spring to reduce the number of dogfish, carp and garfish in inland waters. But, reminds the Fisheries Division, Department of Conservation, it must not be used except under supervision of a conservation officer. Conservation officers are authorized and instructed by the department each spring to supervise spearing parties of local sportsmen organized for this purpose, insofar as their regular duties will permit.

As the fish enter the shallower waters at night to spawn, even by day in some instances, they may be taken in large numbers. Each local spear wielder, however, must hold a 1935 resident fishing license or if he be a non-resident, a non-resident license. Carp spawn in April, May and June, dogfish in April and May, and garfish in May and June, depending upon water temperatures.

The state conservation department announces that 36 state parks will be opened officially on Memorial Day. Among these are Holland at Ottawa Beach, Tunnel Park and Grand Haven Oval.

DEMAND FOR LARGER BROWN EGGS IS MET WITH DOUBLE-YOLKERS

Two hundred White Rock hens in the flock on Green Meadow farm, Hudsonville, owned by Charles Kelsey of Grand Rapids, are doing their part to satisfy the consumer demand for larger brown shelled eggs. They are responding with bigger and better eggs—over-size ones that weigh four ounces each, instead of two, and measure 7 1/2 and 9 1/2 inches in circumference.

The double-yolkers are appearing in the nests quite frequently—too frequently to suit William Host, the farmer manager, who would rather see the hens lay two 2-ounce eggs in place of one 4-ounce as his market prefers eggs weighing 24 to 28 ounces to the dozen.

A Zealand hatchery has contracted for the output of the Green Meadow flock, paying the owner 11 cents a dozen premium over the market.

Host reports the poultry flock is the best paying division of Green Meadow farm at present. The hens are being fed all the skim milk they can drink, ranging from 15 to 20 gallons a day, and they are converting the dairy waste-product into cash. Production is in excess of 60 per cent, or more than an egg every other day per hen.

Milk from the farm dairy herd is skimmed and the cream is sold in Grand Rapids. Poultry and swine furnish a profitable market for the skim milk.

"Crack-e-tee Clack"
For Tulip Time

Prof. J. Jan Helder, voice artist of Grand Rapids, who with his sons was in the running with nine other songs at the audition for all Tulip Time songs, will sing his song at 8:45 p. m. Wednesday, May 8, over WOOD, Grand Rapids. Tune in on the evening of May 8. No one can sing Jake Helder's Tulip Time song as Jake can sing it. Mr. Helder is a former Holland boy who moved to Los Angeles, became a voice artist, and then moved to Grand Rapids where he taught pupils from Holland, Grand Rapids and other nearby cities.

He was once the director of the Wagner chorus, an organization with 150 male voices, of which your editor was one. He was supposed to sing tenor. This is some 25 years ago and the chorus lasted some four seasons. Below will be found the words of Mr. Helder's Tulip Time creation:

TULIP TIME IN HOLLAND

Nature's grandest picture on display.
Is Tulip Time in Holland in fair May;
Dutch folk claim that the sunset glow
Caught its flame from the fields below.
Where the tulips bloom in Holland in fair May.

CHORUS
Tulips stand. Tall and grand.
Fairest flower in all this land.
The people throng to behold the sight,
By automobile and airplane flight.
Where the tulips stand so tall and grand.
Oh, you ought to go to the Tulip Show.
When it's Tulip Time in Holland in fair May.

Come and see the Dutchmen promenade.
Dressed in native costume on parade;
All who come from near and far.
See what the Dutchmen really are.
When it's Tulip Time in Holland in fair May.

CHORUS
Clack-e-tee clack. They scrub the track.
Breeches wide and petticoats slack;
De jongens en de meisjes met de klompen aan;
(When lad and lass their wooden shoes don);
That's a sight for you to look upon.
When they clack-e-tee clack as they scrub the track.
Oh you want to go to the Tulip Show.
When it's Tulip Time in Holland in fair May.

hour. Matters of importance as this relates to the encampment were discussed and decided upon, and officers chosen for the regular meeting at the home of Arthur De Fouw, R. 6, Friday night. The meeting opened with a talk by Miss Alice Monroe who spoke on "Stewardship." Opening of mite boxes followed. Suggestions for earning money for the Sunday School were discussed. The study book was read by Miss Martha Bird, adviser. The 50th anniversary of the Queen Esther-Standard Bearers will be observed in Grand Rapids May 17, it was announced. About 20 attended the meeting. Games and refreshments concluded activities.

Allegan county has quite a state park south of Douglas ways, on Lake Michigan but so many folks from churches and schools in the many cities and hamlets in the neighboring county visit it that there is not near enough room to accommodate them all. Sunday crowds are tremendous, with band concerts going on. Much of Allegan's "Big Lake" frontage is occupied by private owners. Allegan people once had the chance to get more land but the project was turned down. Now they want it and can't get it.

Two local Scouts were honored by the national court of honor for heroism in the past year in rescuing four persons from drowning in waters in this vicinity. Eitel Eberhardt, 19, of 10 East 15th street, was awarded a certificate of heroism, the first received in the history of the Ottawa council. Two gold medals had previously been awarded. John Hindert, 17, of R. 4, Holland, received a letter of commendation from the national court of honor, signed by Daniel Carter Beard, its chairman. Hindert is credited with saving the life of his sister from Black Lake last summer. He is a member of Troop 8 of St. Francis De Sales church. Mr. Eberhardt, a member of Ship 18 of the Rotary club, manipulated the rescue of three persons when a sail boat capsized June 25, 1934, in Lake Michigan near Ottawa Beach. At that time one boy of the local high school died but many were saved and Eberhardt was largely responsible that so many were saved. His certificate is signed by Mr. Beard, who in addition to his court of honor position, is national Scout commissioner.
