Army Engineers To Start Second Year of Survey

The U.S. Army Corps of Engineers will continue the second year of a three-year survey of the Great Lakes, Representative Gerald R. Ford, Jr., wrote recently in a letter to Robert R. Horner, owner of the Mooring on North Shore Dr.

Purpose of the \$800,000 survey, Ford said, is to come up with recommendations for construction work that will stabilize the Great Lakes water level so floods will not occur. He added, "It would be unwise to press for any construction work aimed at controlling lake level fluctuations until the Army Engineers have concluded their comprehensive survey."

Ford also wrote in the letter, written in response to one by Horner, that he was working for an appropriation for the next fiscal year that will enable the engineers to finish the survey.

He reminded Horner that he sponsored the resolution in 1952 that authorized the engineers to undertake the survey, and that together with Sen. Homer Ferguson he earmarked \$125,000 in federal funds for the field work. Horner had written to Ford informing him that the seasonal rise on Lake Michigan had begun and that the water level was only four inches below that of last year, with the peak this summer promising to be as high as last summer's. He added that an apathy about the high water problem seemed to exist, despite the agitation last year.

Clean Those Back Yards Before Tulip Festival

"Tidy Up for Tulip Time!" This slogan suggested a few months ago by Dr. Marion de Velder has special significance for a request today from City Inspector Ben Wiersma asking all Holland residents to clean up their back yards, particularly the ash and junk piles near alley lines.

Wiersma said today's request is just the finishing touch to the clean-up campaign carried on a few weeks ago with the street department picking up piles of leaves and yard rakings. On that occasion city trucks went up and down the streets collecting the piles during a two-week period.

Disposing of ashes and junk this time is the householder's own responsibility.

"Just remove all those unsightly accumulations of ashes, rubbish, tin cans, and junk in the back yards, and get it done before Tulip Time," Wiersma said.

State Police Investigate Assault Near Muskegon

GRAND HAVEN (Special)—State police are investigating an alleged assault which occurred on the north outskirts of Muskegon shortly after midnight today.

Mrs. Dorothy Ballard, 39, of Rothbury, a nurse at Muskegon County Infirmary, reports she was driving home when she got a flat tire. She had no jack and a passing motorist offered to drive her to a telephone. But the driver failed to stop the car, turned down a side road and after a sudden stop grabbed Mrs. Ballard by the throat and choked her until she was unconscious. She said when she awoke about two hours later she was in the back seat of the car in Whitehall. The driver stopped for some cigarettes at a gas station and when he returned to the car he threatened her again.

Then he drove her to the home of her sister at route 2, Montague. According to the car license number, the vehicle is registered in Lansing in the name of a Muskegon parolee from Jackson Prison.

Festival Housing Requests Ahead Of Last Year

If housing reservations are an indication (and they certainly are), Holland will be swarming with Tulip Time visitors the week after next.

The housing bureau at Tulip Time headquarters in the Chamber of Commerce building through April placed 2,265 persons in resort hotels, cabins, motels and guest homes in the city. Of this figure, 513 are large groups.

Among the larger groups making mass reservations are the Grundy County Home Bureau of Morris, Ill., New Horizons Club of Chicago, Garden Club of Good Hope, Ohio, the John Jacobs Travel Agency, and the senior class of Honor, Mich.

Requests for reservations have been coming in steadily and are somewhat ahead of last year when a threatened gasoline shortage kept the housing bureau in a constant whirl because of cancellations. Perhaps the greater numbers this year are somewhat due to the 214 cancellations made during tulip week last year because of the gasoline situation.

Meanwhile, some early varieties of tulips are in bloom, pointing to the general belief that the tulips will bloom on schedule for the 1953 festival May 13 through 16. First buds of the magnolia trees in Centennial park which usually bloom just before the tulips now show color.

The housing bureau is operating under a new policy this year. In the past deposit checks were sent to guest homes and the like along with confirmation of reservations, necessitating writing several checks at different times for the same recipient. This year, in an attempt to eliminate unnecessary detail, the bureau will issue a check for total amount due the host the week after the festival. The host must still ask guests for the balance of their room rent upon arrival.

Exchangites Told About Fishing Trip

Monday's program for the Holland Exchange Club was a film on a fishing trip by Holland men on one of the large Canadian lakes some 150 miles southwest of Hudson Bay and 500 miles north of the Canadian border.

Exchangite Russ Boeve, one of the fishermen, arranged the program. Irv Harrington, photographer, showed the film and gave a graphic account of the trip. The film showed an almost unbelievable abundance of trout, wall-eye and northern pike in those wilderness lakes, but all those who might have been tempted to try their luck in those same waters were warned that the government of Canada has closed that territory to all fishing.

A clarinet duet was played by Norman Overway and Glen Williams accompanied by Jeannie Zeidler. All are students of Holland High School who received a first division rating in a recent state music contest. President William Aldrich presided.

Draft Call Set At 15 for June

LANSING — Ottawa county must send 15 men for induction into the armed services in June, according to figures announced today by State Selective Service headquarters.

Michigan will draft 1,611 men in June, the smallest quota in a year. The June call represents a drop of about 1,000 men compared with the state's May induction quota of 2,850 and is the lowest draft call since June, 1952 when 449 men were inducted.

Col. Arthur A. Holmes, state draft chief, said the reduced state quota was result of a cut in the national call from 52,000 in May to 32,000 for June. Wayne county's 16 draft boards will provide 520 men while 88 out-state draft boards will induct 1,091.

District Schools Study Problems With City Leaders

With everybody earnestly seeking solutions to a lot of knotty problems, school boards of rural and suburban districts which send students to Holland High School are prepared to study a long-range educational program which will be of mutual benefit to Holland city and the community-at-large.

Many problems were submitted for study at a periodic meeting of the Holland Board of Education and boards of sending districts Tuesday night in Longfellow school, with Dr. Otto Yntema and Dr. Tom Herley are assisting local leaders in a study on secondary education pointing to what curriculum should be followed when a new high school is built serving not only Holland city but the entire area.

Assisting in giving some answers, notably on school building plans and finance, were William Clapp and Al Wagner of the State Department of Education.

Visiting board members, who totaled nearly 100, appointed Carl Harrington and Fred Boeke as representatives on a steering committee working on plans for a new high school. Meetings with sending districts will continue, and the next one will be held May 26 with Scott Bagby, city planner, as speaker.

Dr. Yntema said it is the aim of all school boards "to provide the best schooling our youngsters can have for what we can provide." He commended Holland for its forward thinking in attempting to solve some of the problems before drawing plans for a building.

Some of the questions which will be considered as the study continues follow: tax limitations, financial aid, correlation of rural and city programs particularly on philosophies of education and discipline, easier adjustment for students entering a large school system, transportation schedules, providing equal opportunities for extra-curricular activities, agricultural courses, annexation of smaller districts to the city system, special education for bright and dull students, what to do if bond issues fail.

Mrs. Kenneth De Pree, secretary of the Holland board, reported on meetings held to date on similar discussions. Jay L. De Koning, president, introduced the speakers and Dr. Lester J. Kuypers gave the invocation.

Christian Nine Tops Fennville

A lack of some timely hitting and wildness on the part of Holland Christian pitchers, gave the Fennville baseball club a 6-5 decision over the Maroons Monday afternoon at Riverview Park. The loss was Christian's third in four starts so far this season.

It was a nip and tuck ball game all the way with the invading Fennville aggregation, coping the winning run in the fifth inning on a wild assortment of Dutch misplays. With the count knotted at 5-5 and one out, the second Fennville batter was safe on a Christian infield error. Then, he came all the way around to score on a succession of wild pitches by Tom Marling, Maroon hurler.

Wayne Alofs started on the mound for the Hollanders and pitched scoreless and hitless ball for three innings before blowing up in a big Fennville uprising in the fourth which netted five markers. Marling came in to relieve and finished the game. Smith started on the hill for the winners but he was quickly relieved by Skip Bale in the second inning.

Coach John Ham's outfit opened the scoring in the first inning, making the most of two walks and a hit. They added another run the easy way in the second inning, using two hit batsmen and a series of passed balls to score.

Then with the Dutch leading 2-0, going into the fourth inning, the Fennville batters teed off on Alofs for five runs on four hits and two walks. Sandwiched in between the hits were two costly wild pitches, which advanced the runners at crucial points in the inning. Big blow was a double by Morse.

Trailing by three runs, the Dutchmen came back in their half of the fourth frame to knot the count. Two Fennville errors plus two Christian safeties produced the three markers which tied the score at 3-3.

Then came the weird fifth inning which literally gave the Fennville nine its victory. In the final two innings, the locals advanced a runner to third but, couldn't bring him around. Bob Venema, the club's leading hitter did not play for the Maroons Monday afternoon.

The Hollanders tallied five runs on five hits and committed four errors. Fennville had six runs on seven hits and were guilty of three misplays. Vance Bouman led the Dutch attack with two hits in three tries while Coford, Fennville catcher, hit twice in four trips.

Maroon Netters Defeat Heights

Holland Christian's tennis squad continued on the victory road Tuesday afternoon at Muskegon Heights by whipping the Tigers, 6-1. It was the second time this season that the locals had beaten the Heights netters as the Maroons chalked up their fifth straight victory.

With Dave Schreier, No. 1 singles player, not able to play because of senior play commitments, young Paul Dykema moved into the No. 1 slot and Jim Teerman played No. 2. Ken Volkema, a regular doubles performer made his debut as a singles player and came through in a tough match.

The locals swept all of the singles matches and captured two out of three doubles encounters. In the No. 1 singles match, Dykema had an easy time subduing Ray Johnson, 6-0, 6-1. Jim Teerman handled the No. 2 spot with ease as he overpowered Dick Meister, 6-4, 6-1. Ken Volkema took a rugged three-set point from Leonard Hartman, 2-6, 6-4, 6-0.

In the final singles event, Warren Boer walloped Dick Cunningham, 6-0, 6-1.

In No. 1 doubles, Rich Sharda and Norm Lokker disposed of Dean Sanborn and Bruce Snider, 6-1, 6-4. Lewis Stegink and Phil Damstra, playing No. 2, bowed to Tom Steen and Paul Matthews, 6-3 and 6-4. In the final doubles match, Ron Bulthuis and Warren Nykamp whipped Ralph Vickers and David Lambert, 6-1, 6-1.

Christian faces perhaps its sternest test of the season so far on Friday when they journey to Wyoming Park.

Rink and Busman Hurl Hope Nine To Double Wins

Two outstanding pitching jobs enabled Hope College's baseball team to sweep a doubleheader against Olivet College in MIAA counters Tuesday afternoon at Olivet. The second game was called at the end of the seventh.

In the opener, Hope ace Willie Rink set the home team down with one hit and struck out 14 Olivet batters. Score was 3-1. Olivet tallied its lone run in the sixth inning on a triple by Cargie. A pitch got away from Hope catcher Don York and he threw wild to Rink who was covering home.

Hope tallied in the first inning when Jerry Lubbers was safe on an error, went to second on York's grounder to shortstop. Klomparsen singled to left to score Lubbers. The Dutch tallied again in the second when Don Piersma singled, stole second went to third on an overthrow and scored on a passed ball.

Hope concluded scoring in the ninth when Dick Ortuist tripled and came home on a wild pitch. For Hope it was five hits, three runs and no errors. Olivet had one run, one hit and committed one error. Duvall went the distance for Olivet and struck out 10.

Olivet scored in the first inning on a double an error by Piersma. The losers tallied twice in the second on two singles, a man hit by a pitched ball, and another base hit.

In the third inning the Dutch tallied one more to tie the count. Busman singled and Piersma was safe on a fielder's choice as Busman was cut down at second.

Piersma stole second and came home on an error on Dykema's ground ball.

Hope really sewed up the game in the fifth inning. Klomparsen drew a walk and stole second. Busman went to second on the futile throw home. Ortuist struck out, but the catcher dropped the ball and Ortuist went to first and Busman to third. Ortuist stole second. Both runners scored on Dykema's single to left after Piersma flied out.

Dykema took second on the throw to the plate and scored when the left fielder misjudged and dropped Rink's fly ball. Rink went to second on the play and Lubbers brought him home with a single. 'Disaster Dinner' Served to Red Cross Leaders

A real insight into some of the maze of preparations that must go on behind the scenes of a disaster was given the board of directors of the Ottawa County Red Cross Monday night when the group was served a "disaster dinner" by the Red Cross Canteen Corps.

Members lined up cafeteria style at a long table, picked up a single plate and table service wrapped in a paper napkin, and were served tasty food of the type that might be served in case of a disaster.

In keeping with the broad principles of serving wholesome nourishing food and moderately priced, the corps served scalloped potatoes with bits of ham, a shredded vegetable salad, and hot buttered French bread. "Victims" were checked in at the end of the table where they picked up empty cups.

Pitchers of steaming coffee and salt and pepper were the only things on the long paper covered tables. Later, the "victims" returned to the main serving table for apple pie, baked on large flat sheets. About 35 persons attended, but the system would have been the same had it been 200.

The VFW hall where the dinner was served is one of several local places designated as centers in case of disaster. The Red Cross canteen service is a part of the total Civil Defense program.

announced that cost of the dinner amounted to 60 cents apiece, but the Red Cross leaders came across

with their usual \$1 so that costs of serving another practice dinner also would be met. That operation involving a meal served to guests at Resthaven was of a different type. Food was prepared in another place and carried to Resthaven for serving.

Beth Marcus, executive secretary, taught the first canteen class and later Mrs. Fehring and Maxine Boone, both graduate home economists, taught two other groups. Primary function of the canteen groups is to serve light lunches at blood donor clinics at Red Cross headquarters.

Peter Van Domelen, Jr., chapter president, reported that the county is about \$2,700 short in its 1953 goal

of \$37,000. The north half is about \$650 short and the south half about \$2,050 short.

Van Domelen also led a discussion on possibilities of uniting the Red Cross campaign with the Community Chest board and explained that should Red Cross enter such an arrangement, it would have the same billing as Community Chest and would not be listed as just one of the many agencies included in the Chest and Health and Welfare. No conclusions were reached.

Slippery Highway Blamed for Crash

George D. Schroder, 23, of route 2, Grand Haven, was issued a summons by city police for failure to have his car under control following an accident at 2:40 a.m. Saturday on US-31 about one half mile north of M-21.

The crash occurred when Schroder, a soldier currently on leave from Korea, lost control of the 1940 model car as he was traveling toward Holland. The right rear wheels went off the pavement, causing the car to swing around and slide across the highway sideways striking the guard rails about 15 feet off the pavement on the left side of the highway.

The young veteran left the scene of the crash, but was arrested about a half hour later by Holland officers who identified the car through damage and a chrome tail light rim found at the scene.

Owner of the car was Fred Schmidt, also of route 2, Grand Haven. His son, Edward, was riding with Schroder.

Investigating Deputies Nelson Lucas said the highway was slippery at the time of the crash, and one guard rail was broken off. Damage was estimated at \$50.

Godwin Heights Defeats Holland In Close Contest

GODWIN HEIGHTS — Some sloppy fielding proved costly for Holland High School's baseball team Monday afternoon as the Dutch bowed to Godwin Heights 5-4 in the first scheduled game that the Dutch have been able to play this season.

Big Dean Vander Wal went the distance to the locals and he turned in an outstanding job as he allowed seven hits, walked three and struck out five. However, five misplays by the locals decided the close game.

Holland had four hits, two by Terry Burns and one apiece by Jack Kempker and Dick Plagenhoef. The only extra base hit of the game was by Godwin pitcher Jerry Sweeris, a double.

Coach Ned Stuitts lads started the ball rolling in the first time at bat as they counted two runs on three hits. Kempker and Burns each singled. Bob Van Dyke flied out to right field and Kempker scored after the catch. Plagenhoef singled to score Burns and Lavern Hoeksma grounded out to end the inning.

Godwin came back in the bottom of the same inning with two runs. Cullin walked. Entrician hit a hard one that was muffed in left field and Denton singled to score both runners.

Holland came up with two more runs in the third inning. Sandahl and Kempker drew walks. Burns sacrificed and Van Dyke was hit by a pitched ball. Another walk and an error by Godwin second baseman Entrician put Kempker and Sandahl across.

Godwin tallied twice in the fourth on an error that allowed Michael life, on first, a single by ulla that scored Michael and a hit by Entrician that scored Cullin.

The winning run crossed the plate in the fifth inning. Rumohr walked. He advanced to second on a hit by Nogar and scored when See's grounder down the third base line was mishandled.

Burns' single in the fifth was the only Holland hit after the first inning.

Coach Stuitts was somewhat disappointed but is looking for steady improvement by his club after the weather-delayed starter. He pointed out that Godwin will be in Holland for a game May 25 and there is a possibility of another game with the same team.

He also emphasized that Godwin has a 25-game schedule and already has played and won six games. Last year the Godwin baseball team won 22 out of 23 games.

Local Walther Leaguers Rate High in Festival

Members of the Walther League of Zion Lutheran Church took part in a district talent festival Sunday in the newly-dedicated school building of Trinity Lutheran Church in St. Joseph. All local talent received superior and excellent ratings.

Local piano soloists were Mari Van Dyke and Ruth Wendt; a brass quartet, Augie Overway, Lyle Vander Meulen, Phil Rathke and William Steininger; trombone duet, Bruce Rathke and William Steininger, accompanied by Ruth Wendt. Donna Hoogerhyde submitted an oil painting.

All contestants were invited to participate in the talent festival which will be part of an international Walther League convention in Chicago next July.

Judges for Sunday's contest were prominent music teachers. Vocal and piano numbers were judged by Mrs. William Brown, Mrs. R. Gersonde and Mrs. Alma Wallace. Miss Phyllis Kalke was mistress of ceremonies for that section. Instrumental judges were Mrs. R. Mollhagen, Mrs. D. Blunt and N. R. Rubyn. Elmer Roth, teacher at Trinity Lutheran School, was master of ceremonies for that group.

Supper was served by the Ladies Aid in the new cafeteria. Ratings were awarded at that time and a vesper service followed.

Fifteen local Walther Leaguers were accompanied to the event by the Rev. E. Ruhligh, Mrs. H. Wendt and Mr. and Mrs. John Steininger, counselors.

Children Warned Of Many Dangers In Flying Kites

ALLEGAN (Special) — Flying a kite can be great springtime sport for the youngsters. It can be a forerunner to tragedy, too, reminds Mary E. Bullis, Allegan county home extension agent.

If kites or their strings tangle with power lines, the result may be fatal to the child flying the kite. It is a good idea for both farm and city children to understand this danger. A wet or damp kite string, or the wire "string" sometimes used on kites, is an excellent conductor of electricity, advises Miss Bullis. If the kite hits a power line, the child may be on the receiving end of a fatal charge of electricity. Children should be warned against trying to rescue a kite that gets away and blows into power lines. They should leave it and parents should report it promptly to the power company or rural electric cooperative so a lineman can remove it.

Parents also should caution young folks against trying to remove anything in contact with electric lines, Miss Bullis adds. Never, under any circumstances, should they touch broken lines on the ground or hanging from poles. These spell danger. Many children are killed every year from this one cause. A broken line should be reported immediately to the electric company. If possible, some adult should stand guard over fallen lines until the power can be shut off—in order to warn off anyone who may come near.

Zeeland Plans Clean Up Time

ZEELAND (Special) — Plans are being completed for Zeeland's participation in national "clean up, paint up, fix up time" on May 6, 7, 8 and 9. Under direction of August Kasten representing the retail merchants, and aided by industry, Zeeland Chamber of Commerce and City Council, the event will feature an opening parade, a children's parade and photo contest.

On Tuesday, May 5, at 5 p.m., an inaugural parade will serve as the campaign "kickoff." Assisting Kasten in those plans will be C. W. Bennett, representing manufacturing, who will act as parade marshal.

School Superintendent J. Schipper and Principal J. E. Mulder are arranging for the kiddies parade on Saturday afternoon, May 9, when elementary and junior high children will depict the "clean up" theme in various ways. Prizes will be awarded for the best costumes and decorations. Alderman Ray G. Schaap will represent the city government and Tony Last and Bill Boonstra, retailers, in making plans.

A photo contest will be held in conjunction with the kiddies parade. All amateur photographers are invited to submit pictures taken during the parade. Prizes will be awarded for the winning photos. Funds for the drive have been appropriated by the Chamber of Commerce and City Council.

Council announced that rubbish and junk placed at the curbs in proper containers will be collected by city trucks and will be disposed of free of charge on May 6, 7 and 8. No ashes or garbage will be collected.

Johnston-Wyngarden Marriage Performed

Palms and ferns with large bouquets of white gladioli and snapdragons and seven-branch candelabra formed the setting for the marriage of Miss Marilyn Wyngarden and Philip Johnston Saturday afternoon in Second Reformed Church of Zeeland. The single ring rites were read by the Rev. Harold Englund at 4 p.m.

The bride is the daughter of Mr. and Mrs. John D. Wyngarden of Zeeland and the groom's parents are Mr. and Mrs. Harold M. Johnston of Jackson.

Traditional wedding music was played by Miss Antoinette Van Koevering, organist, who also accompanied Mrs. Paul Van Dort who sang "Ich Liebe Dich," "At Dawning," and "The Lord's Prayer."

Wedding attendants were Miss Barbara Bensinger as maid of honor; Mrs. Charles Roth of Belding, Miss Nancy Darling and Miss Jane Pitcher, of Jackson, and Miss Mary Ellen Sytzama of Elgin, Ill., bridesmaids; Kristi Jo Meppelink and Julie Ann Wyngarden, nieces of the bride, flower girls; Robert Johnston, brother of the groom, best man. Ushers were Don Wyngarden and Jim Wyngarden, brothers of the bride, John Kinch and Sperry Sparks, both of Jackson. The bride was given in marriage by her father.

For her wedding she chose a gown of white imported French lace with an off-the-shoulder sheer yoke and long lace sleeves tapered to points over the hands. A cut-out design of the lace edged the neckline and was fashioned with an accordion pleated ruffle. Tiers of pleated ruffles cascaded down either side of the skirt and extended into the chapel train. Her fingertip veil of imported illusion was held

in place with a quaint bonnet of exquisite Venice lace and illusion. She carried a cascade bouquet of stephanotis and white snapdragons centered with pink sweetheart roses.

The bride's attendants wore gowns of blue taffeta and net. Short sleeved bolero jackets with pointed collars covered their strapless cinched bodices. Double net skirts covered their taffeta slips, caught with two hand-made taffeta flowers. They wore headresses of three narrow bands with nose veils. All carried cascade bouquets of white snapdragons, shattered pink and deep blue carnations.

The flower girls were attired in pink net over taffeta with lace hand-done flowers trimming the dresses and matching hats. Both girls carried small colonial bouquets of pink and white carnations.

A reception for 300 guests was held in the Tulip Room of the Warm Friend Tavern. Guests were present from Jackson, Alma, Indiana, Elgin, Ill., Chicago, Lansing, Holland and Zeeland.

A wedding trip to the southeastern states was chosen by the couple. The bride wore a navy blue sheer wool suit with white beaded trim with navy and white accessories and a pink rose corsage. After May 3, Mr. and Mrs. Johnston will be at home at 106 South Brown St., Jackson.

The bride is a graduate of Zeeland High School and attended Michigan State College for two years. The groom was graduated from Jackson High School and is now employed in the sales department of the Aeroquip Co. in Jackson.

Officers Report Six Accidents

Six accidents—one injuring five persons and two involving tipsy drivers—kept police in the Holland area busy during the week-end and Monday.

Five persons were injured and a driver, Elmer Alsip, 31, of 454 West 18th St., was arrested for drunk driving, after his car failed to stop at the intersection of the New Richmond Rd., five miles south of Holland on US-31, and collided with a northbound car on US-31, driven by Donald Burel, 19 of Montague, South Haven State Police said. The mishap occurred at 8:15 p.m. Sunday.

Injured were Burel, cuts and bruises; Alsip, cut on right eye and bruises; Lyle Deneau, 19, Montague, broken nose and possible internal injuries; Dale Zatzke, 20, Whitehall, lacerations on the head and chest injuries; Ruth Thompson, 17, New Richmond, bruised left leg and shock. All were taken to Holland Hospital.

The 38 model Alsip car and the '41 model Burel car were judged total losses by police. Burel also was ticketed for driving with improper license plates.

Deneau and Zatzke were passengers in the Burel car and Thompson was riding in the Alsip car.

John H. Horton, 27, of 485 Washington Ave., was arrested by Holland police for drunk driving early Sunday morning, after his car collided with a parked car owned by Clayton L. Riker, 36, of 340 West 13th St.

Horton was heading east on Eighth St. when he hit the Riker car parked on Eighth St. between College and Columbia Ave., police said. Damage to the '42 Horton car was estimated at \$300 and to the '50 model Riker car at \$400 by police.

Robert Van Dyke, 38, of West Olive, a passenger in the Horton car, was treated for cuts and bruises and released. Horton suffered a cut nose.

Horton pleaded guilty to drunk driving before Municipal Court Judge Vander Meulen this morning and was sentenced to five days in jail and ordered to pay \$104.70 or serve an additional 45 days.

William C. Holt, 20, route 4, was ticketed by police for disobeying a stop sign after his car collided with a car driven by Marvin S. Koeman, 27, of 1158 South Shore Dr. at the intersection of 17th St. and Van Raalte Ave. Saturday afternoon.

Holt was heading north on Van Raalte Ave. and Koeman was driving west on 17th St. at the time of the mishap. Damage to Koeman's '48 model car was estimated at \$250 by police. Damage to Holt's '37 model car was not determined.

At 10:57 a.m. Saturday a car driven by June B. Weber, 19, East Saugatuck, collided with a stopped car driven by Lydia H. Johnson, 48, Muskegon, at Ninth St. and River Ave. Both cars were facing south on River Ave. Miss Weber was issued a ticket for failure to keep an assured clear distance ahead.

Damage to the front of the '50 model Weber car was estimated at \$200 and at \$100 to the rear of the '51 model Johnson car, by police. Gordon Scheerhorn, 33, Grandville, was treated for cuts and lacerations about the head, after a car he was driving and one driven by Burton E. Smith, 17, route 4, collided near Lakewood Blvd. and Division Ave. early Saturday night.

According to Ottawa County Deputy Nelson Lucas, Scheerhorn was heading east on Lakewood Blvd. and Smith, west on Lakewood Blvd., when Smith started to pass another vehicle.

Smith saw he could not make it and headed for the shoulder of the road as did Scheerhorn to avoid a head-on collision. The two came together on the shoulder of the road. Damage to the left rear of the '42 model Scheerhorn car was estimated at \$100 and at \$250 to the left front of the '52 model Smith car by police. Smith was ticketed for improper passing.

A GANGSTER FOLLOWS

The people of the Netherlands
have a special interest in the ap-
pointment of Antonin Zapotocky
as prime minister of Czechoslo-
vakia. They charge the new pre-
mier with direct responsibility for
the deaths of several Hollanders
in a Nazi concentration camp. In
1947 the Dutch tried unsuccessfully
to have Zapotocky extradited
and brought to justice. The Hol-
landers believe that he should
have been hanged along with the
other war criminals.

But by that time Zapotocky
had taken steps to hide behind the
Communist government. Russia
had established in Czechoslovakia.
The Dutch charge that during
the war, while Zapotocky was him-
self a prisoner of the Nazis he
wangled for himself the position
of trustee, and to win favor with
his prison guards he caused the
deaths of several Dutch fellow
prisoners—a case of doublecross-
ing his own buddies in distress.

The Dutch have of course not
yet proved their charge, and even
a Communist has the right, in a
legal sense at least, to be presum-
ed to be innocent until he has been
proved guilty. But the fact that
he did not dare to stand trial
seems to suggest that he is the
doublecrossing gangster that the
Hollanders say he is.

All the indications are that
Czechoslovakia, a country that
was once among the freest in Eu-
rope, will now be governed by one
gangster following another gang-
ster. For there is no doubt that
Klement Gottwald, who died re-
cently, was a real gangster. The
people of Czechoslovakia were
well rid of him, but it looks as if
they have merely jumped from the
frying pan into the fire.

Not that they did this volun-
tarily, because they no longer
have any say about their own
government. Zapotocky, like Gott-
wald, was imposed upon them by
the Soviet overlords in the Krem-
lin and there is at present nothing
they can do about it.

The Czech succession to power
is but another illustration of the
fact that there is no difference
between the Communist regime
and that of the Nazis. The two
are merely different names for the
same thing. We helped to destroy
the one; we are still in alliance
with the other, in name at least.
But a gangster is a gangster,
whether he is called a Nazi or a
Communist.

Building the Church at Ephesus
Acts 19:8-10; 20: 17-27
By Henry Geerlings

In today's lesson we are to find
Paul on his third missionary jour-
ney. It may not be amiss to trace
in the large his travels so far. On
his first journey he left Antioch
in Syria, then went down to the
seacoast, thence to Cyprus, and
up into Asia Minor, visiting An-
tioch, Iconium, Lystra and Derbe,
which was the limit of his journey
eastward. Then he retraced his
steps, arriving in Antioch in Syria.

On his second journey he went
down to the seacoast again, but
instead of going by water as on
the first journey, he went by land,
revisiting the churches he had es-
tablished at Derbe, Lystra, Icon-
ium and Antioch. Then he explor-
ed new territory through Phrygia
and Galatia, coming to Troas.
From that point he crossed into
Europe, establishing churches in
Philippi, Thessalonica, Berea, visit-
ing Athens and going on to Corin-
th, where he did a good piece of
work. On his return he revisited
some of these churches, later ar-
riving at Jerusalem.

On his third journey he again
went through Galatia and Phry-
gia, stopping for one of his longest
ministries in Ephesus. It is there
we find him in our lesson today.
We must marvel at the indefatig-
able industry of this man, who
seemed today to think no piece of
work too difficult. It was his love
for Jesus that carried him for-
ward. He seemed to wish to com-
pensate for his brief period of bit-
ter hostility against the disciples
of the Lord.

In Ephesus there were some
Christians. Of course they were
not fully instructed. The point on
which they seemed to be ignorant
was concerned with either the
existence or the outpouring of the
Holy Spirit. It does not mean that
they were ignorant of the very
existence of the Holy Spirit, but
that they were not aware of the
special gift of the Holy Spirit
given to all believers.

The disciples Paul found in
Ephesus when he entered that city
were ready therefore to be more
fully instructed in the way of
salvation, for certainly they could
not claim to be instructed in all
important matters so long as they
were ignorant of the dispensa-
tion of the Spirit. He was always
sure of finding in the synagogue
the people he desired to reach.
And in this synagogue he in all
probability found four types of
people religiously.

First, there were the Jews. The
synagogue was primarily for them.
Second, there were these halfway
Christians. They had heard of
Jesus and had accepted Him as
their Savior, but they had not
been told that the Holy Spirit had
been poured on Day of Pentecost
and they were entitled to His pre-
sence and power. Third, there
were the proselytes. That is, there
were in the audience those who
had turned from heathenism with
its multiplicity of gods and accept-
ed the God of the Jews. Fourth,
there were no doubt those who,
while they had not accepted the
true God, were present to learn
more about this religion which
was proclaimed there Sabbath by
Sabbath.

The bold speaking of the ap-
ostle, together with his method of
reasoning and persuading, was
characteristic of him. He spoke as
a man who was abundantly per-
suaded of the thing he was saying.
Paul could stand the opposition
of those who declined to see things
the way he did, but when they
looked to blaspheming the name
that he held so dear, the name of
Jesus and the salvation He
brought, he was ready to withhold
from them the privilege of the
gospel and go elsewhere, feeling
that there were those who would
at least take a reverent attitude
to the deepest things of life.

More than that he seemed to be
eager to get his disciples away
from the influence that was exert-
ed by these blasphemers, and so
accepted the invitation of Tyan-
nus to hold further meetings in
his schoolroom. From that time
forth there was a more reverent
spirit present, for Paul continued
preaching and teaching there for
the space of two years, with re-
sults that surpassed anything else
he had experienced. People came
from great distances to listen to
him, and many of them accepting
his message went back to their
communities establishing centers
of teaching and preaching. The in-
fluence of these meetings shook
the foundations of pagan religions.

Paul no doubt would have pro-
longed his stay in Ephesus had it
not been that trouble of a serious
nature had developed in the
church at Corinth and he thought
he should go over and settle it. He
had written a letter or two to the
Corinthians expressing regret over
the divisions among them and
warning them that he would speak
plainly when he arrived.

Departing from Ephesus he
went to Corinth and, accomplish-
ing his mission there, he started
for Jerusalem. On his way thither
he stopped off at Miletus, the
seaport city of Ephesus, and sent
a message to the church in that
city, thirty six miles distant, re-
questing the elders of the church
there to come down to visit him
that he might confer with them
relative to matters affecting the
welfare of the congregation he
had left in their charge.

At once we see the intimate and
affectionate nature of the talk, he
had with them. It is not necessary
for us to assume that he was just-
ifying himself against any who
might have been accusing him of
one thing or another; though it is
not probable that all the people
in Ephesus were his friends. Pos-
sibly the nature of his fatherly
words to them was determined by
his wish to have them see what
should be their tender care of the
people whom he left in their
charge.

To the Editor:

I have just finished reading the
April 16 issue of The Holland City
News and as usual I enjoyed it
very much, and I was especially
interested in one article in par-
ticular, that one concerning the
latest honors bestowed upon the
local National Guard Company.
Congratulations and may you
boys become so efficient that you
will be put on active duty—where
you belong. If the NG's are good
enough to get a 267 score out of
300 with the M-1 at 1,200 yards
they should be sent elsewhere
than Holland.

Would someone please check
that distance that is, if it hasn't
been already?

Delegates Tell PEO Of State Convention

Mrs. George A. Pelgrim and
Mrs. Lawrence Wade talked in-
formally before members of BW
chapter, PEO, Monday night about
the annual state convention of
PEO held recently in Detroit.
They were delegates of the local
group. Eighty-two chapters, in-
cluding 2,257 Michigan members,

(Bultman photo)

Wedding vows were exchanged
by Miss Marion Dykstra and Alvin
Jay Deters in a double ring cere-
mony on Friday, April 17, in By-
ron Center Reformed Church. The
Rev. Elton Van Pernis read the
rites before the altar decorated
with candelabra, palms and bas-
kets of white snapdragons and
stock.

The bride is the daughter of Mr.
and Mrs. Gerrit Dykstra of Byron
Center and the groom is the son
of Herman Deters of route 1,
Hamilton.

Miss Adrianna Goudswaard was
organist for the ceremony and ac-
companied Marvin Schans who
sang "God Gave Me You." "Here
We at Thy Altar Stand" and "The
Lord's Prayer."

The bride wore a gown of lace,
satin and net. The fitted bodice
was fashioned of lace over satin
with long lace sleeves tapered over
the wrists. The full satin skirt
was covered with a net overskirt.
She wore a fingertip veil and car-
ried a white Bible with white car-
nations and streamers. Her father
gave her in marriage.

Miss Jean Dykstra, maid of
honor, wore a green net over taffeta
gown with matching taffeta

bolero. She carried pink carna-
tions and wore a matching floral
headpiece. Bridesmaids, Misses
Beatrice Deters and Elaine Christ-
ian, wore similar dresses with
lace jackets in pink and yellow,
respectively. They carried yellow
and green carnations and had
matching headpieces.

Bernard Capel assisted the
groom as best man. Ushers were
Elmer Poortenga and Harvey Dyk-
ema.

For her daughter's wedding,
Mrs. Dykstra chose a navy crepe
dress with navy accessories. She
had a white and pink carnation
corsage.

More than 100 guests attended
the reception at Byron Center
Township Hall. Mr. and Mrs. Hen-
ry Holtgeerts of Holland were
master and mistress of ceremonies
and Misses Marjorie Berkompas
and Doris Francis arranged the
gifts.

Oriental Tea, Style Show Attract Large Crowds

About 250 women attended a
beautifully staged oriental style
show in Durfee Hall Thursday af-
ternoon and evening, sponsored by
the Faculty Dames of Hope Col-
lege as its annual project for the
Hope College Women's League
dormitories on Hope campus.

"Glimpses of the Orient" was
the theme for the program with
settings in India, Japan, Arabia
and China, all posed against an
oriental background of draperies,
ornamental screens and foliage.
Authentic music from each coun-
try and a trace of incense in the
air added to the atmosphere.

Miss Ethelyn Metz served as
narrator for the four sequen-
ces. Mrs. Irwin Lubbers and Mrs.
Garrett Vander Borgh were co-
chairmen for the event and Mrs.
Thaddeus Taft assisted with
staging and decorating. Tea
tables in the Julian room also
followed the oriental theme. Most
of the models were Hope students.

The Chinese scene, representing
one of the oldest and richest of all
civilizations in the world and de-
scribed as a land of artists and
philosophers, was arranged by
Mrs. J. Dyke van Putten. Most
impressive was the costume of the
Empress dowager worn by a
model with strange built-up
Manchu shoes so that she could
look down on the Chinese. The
surcoat and red robe were so

heavy with embroidery that it all
but challenged the fine silk to
stand up under the weight.

Mrs. van Putten was assisted
by Nell Salm, Sally Skeber, Gail
De Wolf, Sue Horbatt and Darlene
De Tunco.

Japan, described as a land of
miniature dedicated to beauty,
was portrayed in a charming tea
drinking scene arranged by the
Donald Brown, assisted by Helen
Howard, June Fiedler, Nancy
Rameker, Gretchen Yonkman,
Mrs. Paul Hinkamp and Mrs.
Dwight Ferris.

Mrs. William Moordyk arranged
the Arabian scene for the coun-
try which speaks the language of
the date palms. She was assisted
by Jeanne Bonhouse, Alma
Zimmerman, Jeanette Vander
Hoek, Helen Van Loo, Suzanne
Brown and Daryl Dykstra.

The Indian scene with its bare-
foot models, vendors and gypsies
wearing draped saris was arranged
by Francine De Valois, as-
sisted by Pat Moran, Ruth Ver
Meulen, Shirley Hand, Susie Van
Slageren, Vivien Demarest, Ann
Ver Meulen and Fred El-Khoury.

Mrs. Rein Visser and Mrs.
Henry Steffen were co-chairmen
of the refreshment committee.
Students assisting were Gay Don-
ovan, Frances Brown, Betty
Moore, Janice Polhemus, Mary
Lou Medendorp, Carol Estrope,
Julie Herrick, Virginia Hartama
and Jane Jarvis.

VOLLEYS FROM AMBUSH

It won't be long now until Tulip Time. The tulips are coming along nicely, according to Park Supt. Dick Smallegange and if the weather is warm now and then, the tulips should be at their peak two or three weeks hence.

Last Sunday with two or three inches of snow falling, things did not look so good. And the sight of small Washington school musicians practicing marching on a cold Monday brought a tug of sympathy. But then warmer weather came, and everybody was happy.

The widening of Michigan Ave. from 19th St. to beyond the hospital also presented a few problems. Tulip lane had to be dug up. At a given signal, all youngsters from the area appeared with pails, boxes and whatnot to dig out the plants and then replant them at their homes so that all tulips wouldn't be lost.

Detroit is interested in Holland's Tulip Time too. A nationally known bus line has made arrangements for daily trips to this city during the four-day festival. Buses leave at 7:15 a.m. and are scheduled to arrive in Holland at 12:40 p.m. They leave on the return trip at 5:45 and arrive in Detroit at 11:10 p.m. The promotion is particularly aimed at garden lovers.

Mae Naber, secretary-receptionist at the Chamber of Commerce, received a novel piece of mail from the Netherlands last week. Pasted on the outer envelope was a newspaper picture of herself taken last month in Chicago where she participated in a special ceremony in which a Chicago horticulturist was crowned King of the Magnificent Mile, a promotion of North Michigan Ave. merchants. Also in the picture were Don Lindeman of Holland and William West, the king. The girl who wrote the letter said she collected novel handkerchiefs and asked if any were available for Tulip Time.

A sermon by Dr. Marion de Velder of Hope Church entitled "Like a Good Watch" has been selected by the Christian Herald as its "Sermon of the Month" and appeared in the March issue. The sermon was delivered Jan. 6, 1952, while the de Velders were in Albany, N. Y. At the time he was speaking before what was called "Everyman's Bible Class" which met in the downtown Strand Theater. Many men asked for a

It was a great day for former Circuit Judge Fred T. Miles when he celebrated his 78th birthday anniversary earlier this month. Hale and hearty, the judge continues his law work, mostly in his home at 14 East 26th St. On his birthday April 8, many attorneys of the 20th Judicial district (Ottawa and Allegan counties) called at the Miles home. The judge is shown here with his part-time secretary, Biddle Carroll. A picture of his son, Wendell A., who recently was designated district attorney for Western Michigan, is on the desk. (Sentinel photo)

copy and it was reprinted in a small pocket-sized booklet.

A picture of 18-month-old Scott Michael Kartsen, son of Mr. and Mrs. Harold J. Kartsen of Oklaoma City's TV schedule a short time ago. It was a real cute picture, and if the grandfather, Harold, Sr., has been showing it around it's worth looking at.

Ken Allen (the man who started Volleys in the Sentinel) has just introduced a similar column called the Town Crier in the Albert Lea, Minn., Evening Tribune, where he is now managing editor.

Of particular interest was an item telling how Mrs. Allen won \$180 on a television program. The question was "Where are the Pocono mountains?" and Mrs. A. was permitted to consult her family.

Papa was for taking a guess that they were part of the Snoqualmie range in Washington state, but mama shook her head and said firmly, "Those mountains are in Pennsylvania." It was the right answer.

After all the excitement, Mrs. Allen said simply, "I study maps." That's a family joke because Mrs. Allen always keeps the tour book and a map on family trips. Ken says she doesn't see much of the country but she certainly gets to read a lot of maps.

The prize money hasn't arrived yet.

A lot of Holland people were happily surprised to see Adelia Beeuwkes on the University of Michigan television program last Sunday, speaking on nutrition. She's a daughter of Fred Beeuwkes of Holland. She's scheduled to appear again on the same subject for the next three or four weeks.

It's always interesting to take in the tours of Business, Industry and Education Day every year. This year industry was host to clergy and educators of Holland, and it was our privilege to tour Holland Furnace Co.

There was one unscheduled adventure between tours of factory and office. That occurred when William Boer decided to take the visitors on the elevator to the third floor. Perhaps it was because there were 13 persons in the elevator, but the automatic conveyance wouldn't stop at the right spot to release the doors. After a series of ups and downs, Boer finally let his guests out on the lobby level and everybody used the steps to the third floor.

Holland Color Co. Gets Top Rating

Holland Color & Chemical Co. has been awarded a clean bill of health by the Michigan Water Resources Commission regarding pollution in Lake Macatawa.

The local firm was rated class A (control adequate) on the latest Industrial Pollution Status report dated April 1, 1953, and signed by Executive Secretary Milton P. Adams of the Water Resources Commission.

Class A is the top rating on the commission's rating ladder that goes down to class G (no control).

Holland Color is located on the north shore of Lake Macatawa. Adams said in a letter accompanying the report, "It is our desire as well as the expectations of the commission that all management now in the 'A' classification so conduct their operations as to continue to merit that rating. For those still 'on the ladder' it is expected that every effort will be put forth to qualify for the 'A' rating as quickly as possible."

Holland Color President and General Manager C. R. Trueblood said, "It has always been our intention to maintain our plant facilities in the best possible condition, but over the past few years in answer to some of the complaints which have arisen, we have been working with the Water Resources Commission on the matter of industrial pollution of the lake."

Warns of Improper Sales Practices

Holland housewives should report "bait and switch" tactics in the selling of rebuilt appliances, William H. Vande Water, secretary-manager of the Chamber of Commerce, said today after receiving a bulletin on the subject from the National Better Business Bureau.

Vande Water said that typical bait offers are those of some firms engaged in selling rebuilt vacuum cleaners and sewing machines which feature famous brand names, ridiculously low prices and "free machines" to the first 10 to respond.

Customers can detect bait and switch selling methods by looking for three tell-tale signs. The first is "knocking" of the vacuum cleaner or sewing machine by the salesman after the customer responds to the high pressure advertising. After making it clear the rebuilt appliance is a poor bargain the salesman switches the customer's interest to a new one, much higher in price and usually with a much less famous brand name than that of the rebuilt machine.

From the start of the operation the intent of both the advertiser and his salesman has been to sell this new appliance. The bait was used to locate prospects and to get the salesman into the home. The second sure sign for the householder is evasiveness over delivery of the rebuilt appliance should the customer insist on buying it. Failure to obtain delivery is the third earmark of a bait operation.

Saugatuck

Kimball Nelson arrived Saturday afternoon to open his summer home on Allegan St.

The Courtney sisters were among the summer residents of the village who came to spend the week-end at their cottage here.

Some of the trees made as much as 12 inches of growth last year. It is hoped that plantings will be made each year and the project will be a source of future revenue for the village.

Grand Rapids Specialists Forced to Amputate Leg

Doctors at Butterworth hospital in Grand Rapids still have not set a date for the return home of Gerrit Lloyd Ter Beek, 22, of 302 Arthur Ave., Holland. Ter Beek was taken to Butterworth April 12 for specialist treatment of a severely fractured right leg.

He was struck by a car driven by Kenneth Reese, 43, route 3 Hudsonville, as he crossed M-21 near the "Y" station in Zeeland.

Doctors were unable to save the leg and it was amputated four inches below the knee last Tuesday. He is married to the former Eva Frey and employed at the West Shore Construction Co.

Newspapers Set Record Ad Figure

National advertising volume in newspapers established a new all-time high of \$526,000,000 in 1952, Stuart M. Chambers of the "St. Louis Post-Dispatch" disclosed in an address at the American Newspaper Publishers Association convention in New York last week.

Chambers, who is chairman of the board of directors of the Bureau of Advertising of the ANPA, pointed out that the figure does not include the millions of dollars invested by national advertisers in cooperative space, which is paid for in part by distributors or dealers. Total newspaper advertising in 1952, including national, co-op, retail and classified, has been estimated at \$2,309,000,000.

The national figure for 1952, Chambers said, made the seventh consecutive year newspapers reached an all-time high in advertising revenue. The 1952 figure more than doubles the 1929 one, which stood as a record for many years.

Chambers predicted continued good advertising business with the rapid expansion of America's economy. This economy, he said, will be making more and more consumer goods when our defense program tapers off within the next 12 months. With consumer markets demanding more and more attention from advertisers, newspapers occupy an extremely favorable strategic position among advertising media, he affirmed.

Let's Plant Beauty--Grouping Creates Pleasant Three-Dimensional Garden

Why do we want shrubs and flowering trees around our homes and as a background for our gardens? There are many reasons, of course. We want individual specimens for their flowers, their fragrance, their fruit, their foliage, or their shape. But just as important is the total effect we gain from the well placed grouping of them. They give us a three dimensional picture. They add depth and height to a garden which without them would be only a flat surface and much less interesting.

A bed of flowers, whether they be daffodils, tulips, petunias, or chrysanthemums, in the middle of an open field makes a beautiful splash of color, but put even a few of these flowers in clumps in front of low shrubs for contrast and depth and you will have a much more pleasing picture. Put a flowering tree which carries out the same color as the flowers back of your grouping of flowers and shrubs and you achieve a satisfying composition which your eye will go back to again and again. Each element of the picture will be appreciated more because it is enhanced by the others.

Busy as all of us will be during the Tulip Festival, let's take time as we admire the tulip plantings around the city to try to analyze which please us most and why, and whether we can improve the plantings next year. Let's try to imagine how much a greater use of flowering crab apple, peach, and plum trees in the boulevards would add to the floral show which we expect thousands of visitors to come to see. Let's consider in what other places a complete three dimensional picture could be created. Let's study the plantings in our neighbors' yards to find where tulips are used most effectively and how we can get the best display from the bulbs we shall plant in our own yards next fall.

For a permanent addition to the beauty of Tulip Time the easiest and cheapest contribution we home owners can make is through the planting of an ornamental fruit tree which will blossom at that time. The oriental crab apples are recommended because they are the most hardy. For the price of one hundred good tulip bulbs one can buy a four to six foot tree, depending on variety. The tree requires little care and increases in beauty each year. We can plant the tree now and fill in the picture by planting bulbs near it next fall.

This is the month when two things especially must be done in this area. The lawn must be cared for, rolled, fed, and seeded. And woody plants, trees, shrubs, roses, evergreens and vines should be planted. If shrubs in your garden should be moved it can be done safely now.

ly are piqued because you cannot have him. It sounds to me very much as if you were suffering from frustration and annoyance because you cannot have what you want.

If this boy were really interested in you as you seem to think he is, you can be very sure that he would not want to go steady with another girl. He would have broken off with her long ago. Since he has not, doesn't that tell you pretty plainly that you are not Girl Number One in his life? It should, and it would if you would only be open-minded.

It is quite understandable that you cannot be interested in other boys now. You are too preoccupied with your "one and only." But how can you possibly believe that, at the age of 18, you have found the only person in the world with whom you could be happy?

This is a very dangerous thought at your age. It can make you shut your mind to other young men so completely that you will never be able to see any virtues in them. You may win this boy in time, if you are persistent enough, but you

Mute testimony to the force of waves is this picture of a wash-out on a cottage on the Lake Michigan shore about one-half-mile south of the Holland channel. The entire area under the corner is washed-out, extending about half the length of the building in each direction. Owned by the Bauerman family of Lansing, the cottage is sagging so badly windows are cracking and doors won't open. First serious damage occurred during the week of storms last Thanksgiving, and since then repeated efforts to save it have been useless.

Last summer the wooden pier was constructed and the entire area filled in with sand and gravel. Now the problem is what to do with it. The large three-story structure is still valued at thousands of dollars, but unless something is done soon the whole thing will topple into the lake. To move onto a new foundation on higher ground would cost an estimated \$4,000 to \$5,000, but it may be possible to put in new supports and proper waterfronts. In the meantime, the waves continue to pound the beach and the house eags more and more.

Holland Netters Edge Big Reds

Holland High School's tennis squad turned in some fine play Wednesday afternoon at Muskegon to edge the Big Reds of Muskegon High, 4-3 in a close match. The win was Holland's fourth straight against just one setback so far this year.

Coach Joe Moran's Holland club captured two out of four singles matches and two out of three doubles matches to cap the encounter.

Three of the matches went three sets, with two of the close decisions going to the Reds. Moran was well pleased with the performance of his club, and singled out young Henry Visscher for a particularly fine job. Visscher played "smart tennis" to whip the veteran Wayne Kiet, 7-5, 6-2 in the No. 1 singles match, Moran commented.

Paul Mack and Mike Humenick staged a marathon match with Mack finally outlasting the Muskegon boy in the No. 2 spot, 5-7, 8-6, 6-3. Holland's Dwayne Teusink, playing in the No. 3 post bowed to the steady Ron Maycroft, 6-4, 6-4. Mark De Velder, playing the last singles match for the Dutch, lost a close one to Dick Creamer, 2-6, 6-1, 8-6. De Velder had match point and victory within his grasp, but finally lost out.

Phil Boersma and Norm Scheerhorn, playing the No. 1 doubles for the Dutch had little difficulty in downing Carl Carlson and Mike Stewart, 6-2, 6-2. In the No. 2 doubles, Duane and Delyn Grissen bowed to Thurman Brown and Leo Sepuro in three sets, 6-2, 3-6, 6-3. The locals copped the third doubles match with Duane Carlson and Dave Bos whipping Mike Mulready and Dean Bailey, 6-3, 6-3. In an extra match, Dave Bosch defeated John Sheringer, 6-3, 6-1.

Holland plays again today against the Grand Haven outfit on the Bucs' home court.

Christian Senior Play Opens to Big Audience

A comedy story of the production of a high school play was enthusiastically received by the audience which filled the Woman's Literary club Tuesday night for the first performance of the Christian High School senior class play, "Curtain Going Up."

Action in the play takes place on a high school stage and in the auditorium, during rehearsal and after the presentation.

Miss Adele Vermaat plays the role of Miss Irene Burgess who is faced with myriad comic obstacles, among them a grouchy janitor with a sharp tongue, disappearance of the playbooks the first day of rehearsal and a set of comically crossed-up high school romances.

Adding to her troubles are a charming young heroine who becomes stagestruck, her bewildered boyfriend, a campus "actor" with a swollen head, the disgruntled athlete feeling out of place as an actor, a drama critic with advice and a banker's daughter driven to theft and dirty tricks by her father's ambitions. Perhaps most unexpected of all is romance for Miss Burgess herself.

Cast members besides Miss Vermaat are Shirley Bouwman, Joan Bruizeman, Marlene Byker, Jane De Weerd, Carolyn Keuning, Mary Kool, Marianne Peerbolt, Janet Vande Zwaag, Charlene Van Dyke, Julian Bower, Tom Maring, Dave Schreier, Paul Vander Leek, Vince Vanderwerp, Merle Van Dyke and Pete Vermaat. Others are Elaine Michmerhuizen, Lucille Dreyer, Fredrick Steenwyk, Janet Le Febvre, Ed Slenk, Karl Essenburg, Bob Achterhof and Gus Vanden Berg.

Hope Speech Students Competing in Contests

Hope college will take part in two major speech events this evening and Friday. Tonight, for the first time, Hope will participate in the Tournament of Orators sponsored by The Detroit Times. On Friday Hope will host to the Michigan Interscholastic Speech League Interpretation Festival.

Guy Vander Jagt and Miss Penny Ramaker will represent Hope in the Detroit tournament in the senior and junior divisions, respectively. The contest for Michigan area colleges is scheduled at 7:45 p.m. in the Veterans Memorial building. Winners will receive \$50 savings bonds and will be eligible to enter the regional contest next week in Chicago.

For several years, the oratorical contest for college and high school students has been sponsored by the Detroit newspaper. Although Hope is outside the geographical area included in the Detroit contest, the college was invited to take part because of its outstanding record in oratory. Subjects for the event each year are characters in American history. This year it is "John Marshall—Frontiersman, Soldier, Diplomat, Statesman and Jurist." Dr. William Schrier, director of forensics, is accompanying the two Hope contestants.

On Friday, students will gather on Hope's campus from Albion, Calvin, Central Michigan, Michigan State, Detroit Institute of Technology, Western Michigan and Ferris Institute. At least two readers who were chosen in local elimination contests will compete. Guest critic for the festival will be Dr. Charlotte Lee, professor of interpretation at Northwestern University school of speech. The reading programs will be held at 10:30 a.m., 2 p.m. and 7 p.m. in the Little Theatre in Hope science building. In charge of arrangements are Otis Aggart of Albion College and Miss Helen L. Harton director of dramatics at Hope. Hope's participants will be Lee

Fasce, junior from Hastings-on-Hudson, N. Y.; Donna Raymer, sophomore from Belding, and Jack Hascup, senior from Paterson, N. J.

Mrs. Damson Reviews Book at Yadnom Meet

The Yadnom Club met Monday evening at the home of Miss Laura Kroothuizen. Miss Mame Ewald introduced Mrs. Edward Damson who reviewed the book, "Blue Hills and Shoofly Pie," by Anne Hack.

The author is the daughter of a Moravian preacher and the book tells of her experiences in Pennsylvania where she bought a home among the Pennsylvania Dutch. She describes the big red barns and the big, bleak houses and tells of her experiences.

She illustrates that the people have lived in the United States for many years, yet have kept their individuality, and their customs and ideas have changed very little. The men refused to fight but when the war was ended they contributed generously to war relief. They have no rich, no poor, no drunkards and no divorcees.

In church the men sit on one side and the women on the other. Before their communion service they wash each other's feet. Then they eat a rich soup with bread. The women are excellent cooks and one chapter is devoted to the receipt for "Shoofly Pie."

The next Yadnom meeting will be held May 11 at the home of Miss Nellie La Dick.

Lethal Mixture In Rocky's Fists Gets More Potent

Something different was done at the sparring sessions at Holland Furnace Co. Pavilion Wednesday afternoon: Rocky Marciano belted and bullied Billy Noble in rounds one and three and Willie Wilson in rounds two and four instead of giving them the usual two straight rounds of punishment each.

The idea behind this new arrangement is to have the sparring partners as fresh as possible. The idea behind having them fresh is the vision of Jersey Joe Walcott just over the horizon.

Rocky's board of strategy has been making things tougher and tougher for him in order to accustom him for the toughest day of all, May 15. He weighs 187 pounds now but his manager, Al Weill, believes "he'll come into the ring at Chicago at 184, his natural weight."

Weill also believes the dynamite in his charge's fists is stockpiling, so that a great big explosion will come off in Chicago. Meanwhile, verbal fireworks are taking place between Rocky and Jersey Joe. Walcott calls Rocky "the dirtiest fighter I ever met," and Marciano says about Jersey Joe, "He used every trick to beat me the last time and failed."

Many of the onlookers yesterday took pictures of the action in the ring. Many of those who did not have cameras bought autographed pictures of the champ. One girl in the crowd commented as Noble and Wilson came out of their dressing room, "Gee, they look like the poor souls the Romans used to throw to the lions in those arenas."

Either boy, however, would give any lion a hard time. Noble fights the semi-final May 15 and Wilson has 18 straight triumphs. Toxie Hall, Rocky's sparring partner of last week, fights in Detroit tonight.

The bride wore a floor-length gown of Alencon lace over satin in a soft shade of ivory, topped with a fitted satin jacket with Peter Pan collar and self-covered buttons down the front. At the reception in the Y lounge after the rites, Mr. and Mrs. Witbeck acted as master and mistress of ceremonies. Assisting were Miss Greta MacNab and Mrs. Kathryn Slaughter.

Hope Wins Meet; Holland Defeated

Hope College outscored Calvin, eight first places to seven, to win a dual track meet at the 24th St. oval Thursday afternoon by a final 76-55 score.

Again it was Coach Larry Green's team depth that paid off as the Dutch came in for those valuable seconds and thirds. Last week the Dutch defeated Calvin 82 to 65 in a triangular meet in which hapless Alma got 16 points. Carl Van Farow led Hope with firsts in the two hurdle events and a tie for first in the high jump for a total 14 points. Ron Bos won both dash events for 10 points and chalked up a speedy time of 22.7 seconds in the 220-yard dash.

Especially heartening to Coach Green was the first by Polich in the javelin. Last week Hope couldn't qualify a man in this event in that meet at Grand Rapids.

Mrs. Viola Tice Marks 100th Birthday Tuesday

A century of living was round out Tuesday Mrs. Viola Tice, who very quietly observed her 100th birthday anniversary in Holland.

Born in Tuscola County April 28, 1853, Mrs. Tice has lived her life within a day's trip of her birthplace with the exception of seven years when the Tice family lived in Ashland, Wis., where her husband, Loren Tice, was in the lumber business.

Mrs. Tice and a twin sister, Ella, celebrated their 90th birthday together in 1943. The twin sister died in 1944.

In 1936 Mrs. Tice lost her husband and she went to live with a son, Harry, in Hart, Mich. After Harry died in August, 1946, she came to Holland to make her home with her son, Raymond Tice on route 4.

An airplane trip in 1942 took Mrs. Tice to Detroit to see her first great grandchild. There are now four great grandchildren. Mr. and Mrs. William Tice and family called on their grandmother Sunday.

The other grandson, Robert Tice, also of Hart, plans to call on Mrs. Tice today to give her his best wishes. The family is careful not to tire her out and not get her too excited. Her memory and mind is very clear, although her eyesight and hearing are failing. She formerly attended the Hart Methodist Church.

At present the centenarian is being cared for at the home of Miss Johanna Van Dyke, 191 West 19th St.

One of the high spots in Mrs. Tice's memory is a ride she took in an Army jeep. While living in Hart, which had a prisoner of war camp during World War II, Mrs. Tice remarked that she had ridden in everything but a jeep.

Her son made arrangements with a captain to give her a ride. After the ride she told her son, Harry, "Now I have ridden in everything from an oxcart to a jeep."
