MAKES ITS FIRST APPEARANCE TUESDAY, MAY 25TH

LEGION BAND TO HAVE PERMANENT QUARTERS IN VANDER VEEN BUILDING

Thirty Members Will Appear in the Decoration Day Parade, May 31st

Holland is going to have a real band, and that very soon.

The American Legion has lined up thirty members, mostly from its own ranks, and all of them experienced players. Permanent headquarters have been secured on the third floor of the Vander Veen building over the Woolworth store and with John Van Vyven as their leader, practice nights are often held and the new band is pretty well whipped into line and already have quite a repertoire in the latest band music.

The band will make its appearance on the street for the first time, on Tuesday evening, in order that they may give the Welsh singers a fitting send-off and at the same time drum up a little business for the Legion under whose auspices these noted musicians come.

The problem at present is uniforms.

It has been arranged that all appear on Decoration day in Khaki suits and campaign hats. This will have to answer the purpose until ways and means are devised to get the proper kind of uniforms for Holland's real band.

On Tuesday evening several business men came to practice, and after giving the boys words of encouragement, one of them pulled a box of cigars from under his arm, and a regular honest to goodness smoker was held when the talk resolved into brass horns, tubers, clarinets and piccolos. Anyway, come out next Tuesday night and follow the band to Carnegie Gym to hear the Welsh singers.

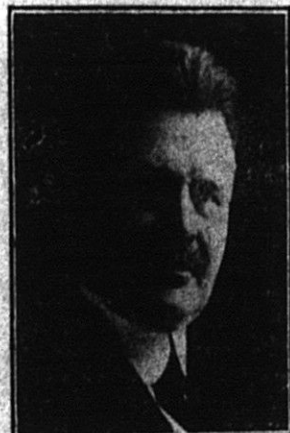

TO WED TEACHER

IN EARLY SUMMER

ENGAGEMENT OF G. J. DIEKEMA AND MISS LEONA M. BELSER IS ANNOUNCED

The engagement of former Cong. Gerrit J. Diekema and Miss Leona M. Belser of Detroit, was announced at a breakfast attended by 30 intimate friends of the bride-to-be at her home in Detroit.

Miss Belser is a graduate of the U. of M., and a member of the Kap-

pa Alpha Theta sorority. For several years she has been at the head of the English department in the Highland Park high school and before that was in charge of English at the Holland High school. The marriage will probably take place some time during the early summer.

NO SECRET SESSIONS

FOR MAYOR STEPHAN

Mayor Stephan showed Wednesday night that he is a believer in "open covenants openly arrived at," in the famous phrase of President Wilson. In his inaugural message he declared strongly against all secret sessions and said that he would during his term of office never be a party to such session, no matter for what purpose it might be held.

Wednesday evening this clause in his message got its first test. The streets and crosswalks committee asked for a ten minute recess to discuss a paving matter. This was granted, and then the aldermen retired to a committee room to iron out certain difficulties. They invited the mayor to meet with them, but he refused. In this case there was nothing very essential at stake and the session was not any gum-shoe affair, but the mayor refused to appear at any session that was not fully in the open in the council chamber.

MARRIED TEACHERS GET

JOBS WHEN MAIDENS QUIT

The board of education of the Zealand public school has arranged the schedule of teachers next year. The program includes a large number of married women. The teachers who are leaving are Miss Kloot, the only teacher in High school to leave, Miss Lachie, Miss Schaap, Vanden Berg, Brummel and Miss Heasley. The following will take their places according to their order. Mrs. H. Salyer, Miss A. Bar-ense, Miss Den Adel, Miss Ethel Race, Miss Marie Van Eenennaam and Miss Lena Visser.

TO PAVE OR NOT

TO PAVE IS THE

QUESTION NOW

PROPERTY OWNERS ALONG WEST ELEVENTH ABOUT BALANCED ON THIS MATTER

Committee Reports Progress and Will Investigate It Some More

To pave or not to pave was the question that was up to the committee on streets and crosswalks Wednesday evening at the meeting of the Common Council. Some time ago a considerable number of property owners along West Eleventh street petitioned that that street be paved. At that time the matter was referred to the committee on streets and crosswalks, and that committee had prepared a report to be read last night.

The public however was not destined to hear that report. At last night's meeting City Clerk Overweg read a counter petition from a large number of property owners along the same street asking that the streets be not paved. The names for and against just about balanced and so the committee decided not to read their report but first to take under advisement the counter petition.

For this purpose a recess was granted and the committee and other aldermen went into private session to discuss the situation. What was decided at that session did not develop but when the council was called to order again, the committee merely reported progress.

That means that the committee will fight it out the next two weeks. A final report will probably be brot in at the next meeting. But the indications already are that there will be the usual hot scrap about the proposition on the part of the property owners whenever a paving matter comes up for consideration.

MAY HAVE TO MOVE HIS BARN BACK

HERE IS A MAN WHO MOVED FIRST AND THEN ASKED PERMISSION

"Petition for moving of a barn" read City Clerk Overweg at the meeting of the common council on Wednesday evening, in the regular course of business, giving the usual information about the name of the petitioner and where he asked to be allowed to move it. But he was not allowed to finish, Ald. Vanderlist interrupted him. "That barn is already moved," announced the alderman, and his statement was confirmed by others.

Now the city ordinance requires that any person in the city wishing to move a building must have a permit. What is more, he must have the consent of the property owners into whose neighborhood the building is moved. And as a result of this the person who did this moving and then asked for a permit to move may have to move his barn back to the place it came from. The council ordered the streets and crosswalks committee to investigate.

"LITTLE WOMEN" STARTS HOPE COLLEGE CALENDAR

CITY TO OPPOSE RAISE IN THE RATE ASKED FOR GAS

COUNCIL TO BE REPRESENTED AT HEARING IN LANSING NEXT WEEK

City Asked By the State Utilities Commission To Make An Appearance

Still one more controversy with the Holland Gas Works seems to be in prospect for the city of Holland. At least Wednesday evening the city attorney announced to the aldermen that the Michigan Utilities Commission had ordered a representative of the council to be present in Lansing next week to show cause why the prayer of the company that the rate of gas be raised in Holland should not be granted.

The city attorney had no definite information beyond the formal statement of the Commission. It is not known what rate the Holland Gas Works asks for, only that they ask for a higher rate than the people of Holland are paying at this time.

The council as a matter of course will oppose the petition. To this end City Attorney McBride will go to Lansing next week to make representations to the Commission why the raise should not be granted. He will be accompanied by James De Young of the Board of Public Works and by either Alderman Damstra of the municipal gas committee or by Mayor Stephan or both. The council authorized these men to make the trip and oppose the petition for a raise in the gas rates.

The Holland Gas Works recently lost its case in the Ingham Circuit court asking that the ruling of the Michigan Utilities Commission setting the price at the present figure be set aside. It is expected by the council that the Utilities Commission will stand by its earlier decision and that they will maintain the present rate.

NAMED PRESIDENT OF LINCOLN P-T CLUB

PROF. EGBERT WINTER HEADS THAT ORGANIZATION FOR COMING YEAR

Prof. Egbert Winter of Hope college was elected president of the Lincoln school P-T club at annual business meeting of that organization Wednesday evening. Other officers elected were: vice-president, Miss Evelyn Keppel; secretary, Mrs. Gerrit Ter Vree; treasurer, Miss Ruth McClellan; chairman of the refreshments committee, Mrs. Frank Harris.

A fine program was given Wednesday evening, including splendid talks by Mrs. G. E. Kollen and Miss Anna Koertge. Reports were made of the state P-T convention by the following delegates: Frank Newhouse, David Damstra, Thos. Olinger, Mrs. P. H. Doan and Miss De Witt. Van Dyke's orchestra furnished the music.

JAY DEN HERDER WINS MAIDEN CASE IN JUSTICE COURT

VERN OSBORN ACQUITT OF A JAMAICA GINGER CHARGE

Quite an interesting case came up in Justice Van Schelven's court yesterday when Vern Osborn appeared on the charge of drunkenness on complaint of Harry Yutts.

The fact that a man is taken under drunk charge these days in itself makes it rather interesting, but it seems that the prosecution brot out the fact that Osborn had been convicted on three former charges of drunkenness, and the charges made in the Yutts complaint were that Osborn raised "Ned" around his home, while being drunk on Jamaica ginger, and that he was a menace to the neighborhood on East 16th street where both Osborn and Yutts reside.

Prosecutor Miles appeared for the people and Jay Den Herder of the law firm of Robinson & DenHerder was attorney for the defendant, and by the way, this was Jay's maiden case before a jury of six men "tried and true."

If his legal success in this, his first case, is any indication of future successes, Jay's career in the legal world is assured, and to think that this young attorney had to face this austere jury.

Here they are: Gisbert Blom, Abraham Peters, Jacob Lokker, Alfred Joldersma, Herman De Fouw and Herman Bos.

The six men after careful deliberation pronounced Osborn as not guilty of drunkenness.

Chairman Brieve of the Committee on Poor reported to the common council Wednesday evening that the sum of \$69 had been expended for temporary aid the past two weeks.

County Correspondence

Hamilton

Mr. and Mrs. John Smith visited friends in Kalamazoo last week. Herman Rutgers and son Gerald visited in the home of Mrs. G. Rutgers a few days.

Mrs. O. Cook is among the sick. Mr. and Mrs. Warren Channells from Kalamazoo visited the former's mother, Mrs. G. Rutgers and family last week.

Rev. Meengs has accepted a call from North Park St. church, Kalamazoo.

Mrs. Herman Rutgers is very ill at this writing.

ZEELAND WOMAN DIES AT AGE OF FIFTY-EIGHT

Miss Minnie Kats died at her home one and one-half miles northeast of Zeeland at the age of fifty-eight years. She had been in ill health for a number of years but her condition became critical about a week ago, when she was attacked by severe pains which necessitated the continual attention of a physician and death came to end her misery Friday. The funeral services were conducted at the home on Tuesday, where Rev. M. Van Vessel of Zeeland and Elder Morris of Georgetown officiated. Miss Kats is survived by three brothers, Johannes Kats, who made his home with his departed sister; Henry Kats of Muskegon, and Jacob Kats of Grand Rapids; and one sister, Mrs. Agnes Faber of Coopersville. Interment was made in the Zeeland cemetery.

Grand Haven Woman Dies While Helping Husband

Grand Haven, May 18—Mrs. Herman Foss, prominent Grand Haven township woman, accompanied her husband to the barn to help him with the milking. She complained of feeling dizzy and swooned. She died within a few minutes without regaining consciousness. She was 57 years old.

FORMER HOLLAND MAN WINS CONTEST

S. L. Buchanan, son of Mr. and Mrs. John Buchanan of this city, has won a national window display contest. Mr. Buchanan is located in Valparaiso, Ind., and the newspaper from that city has the following on the contest:

Saturday the Specht-Finney company received a \$102 check from the Printz-Biederman company of Cleveland, O. The letter enclosing the check said the judges had awarded this money as first prize in the window display contest.

The contest was held at the Printz-Biederman company's store. The award only partially expressed the appreciation of the co-operation of the firm during Printz-Biederman's week, and especially the splendid window displays. Mr. Buchanan's name stands alone in Class A First prize. Competition came from all over the United States.

CHURCH FOLKS ARE LIBERAL IN THEIR GIVING

Twenty-six churches in the Holland classis of the Reformed denomination during the year just closed contributed \$122,019. Of this sum \$41,687 was for denominational and \$78,332 for congregational objects. Third church, Holland, heads the list with \$15,874; First church, Holland, is second with \$12,846 and Second church, Zeeland, is third with \$11,812.

Statistics—Families 2210; communicants, 5,212; baptized non-communicants, 3,652; catechumens, 2,379; Sunday school enrollment 5540; received on confession 177; by certificate, 243; infants baptized 188; adults, 15; deaths, 59.

Seven churches are without pastors. Sixth church Holland, the youngest in the classes now numbers 35 families and reports contributions totaling \$2,330.

THE BEECHWOOD P-T MEETING IN CHARGE OF LADIES

The Beechwood P-T club meeting held Friday evening was in charge of the ladies. The program consisted of: "Star Spangled Banner," by the audience; a playlet (written by Mrs. J. Kardux, sr., for the P-T club) and given by five ladies; vocal duet by Misses Agnes and Wilma Wildgraf; reading, "Fathers in the War," by Mrs. Rooks; vocal solo by Dr. A. C. V. R. Gilmore; play entitled, "Burglar in the House" by several Hope College girls; vocal solo by Misses Kate and Katherine Baas. Mr. Beuwkes of the city board of education was present and gave an interesting talk. Delicious refreshments were served after which all enjoyed a social hour.

HOLLAND GAS WORKS LOSES ITS SUIT

Suit of the Holland Gas Works to restrain the Michigan Public Utilities commission from enforcing its order for the company to sell gas at \$1.45 a thousand has been dismissed by Judge Collins of Corunna, sitting in the Ingham Circuit court, according to a letter received by the commission Monday from Judge Collins. The judge's opinion has not been received. The company alleged that the rate fixed by the commission was confiscatory.

OTTAWA DID NOT QUITE REACH ITS INTERCHURCH QUOTA

Though Ottawa county did not quite reach its quota in the Interchurch Drive, those in charge of the campaign Saturday expressed themselves as well satisfied with the result. The report of the drive was made Saturday.

Ottawa's quota was \$109,000, and the total of \$88,345 was secured. It is believed that belated subscriptions will bring this amount up to \$90,000, which in view of many circumstances is looked upon as a very good record. It is more than twice as much ever subscribed before for this purpose in Ottawa county.

Sixteen out of 34 churches in the county oversubscribed their quota, and nine others just reached their goal, so that 25 out of 34 churches raised as much as they were asked for.

"The drive was not by any means a failure," the committee reported—all in all it may be looked upon as a success in spite of the fact that the full quota was not reached. There are other benefits than money rewards in such a drive. One of them is that it demonstrated the churches can work together for a common end without sacrificing any of their fundamental principles. The drive also laid a foundation for future work of this kind and it was a lesson in intelligent giving. The Interchurch movement has proved itself a success, and if it had not been for lack of time for preparation and organization it would have been still more successful. The greatest weakness was shown in the community drive outside of the churches."

Nationally the drive was also a success. Up to the middle of last week the national headquarters reported \$156,000,000 collected for its quota of \$175,000,000.

In Holland city, as reported previously, the denominational quota was over subscribed. This city's quota was \$35,284, and the total amount collected here was \$36,811, an oversubscription of \$1,527.

ALLEGAN CO. SUNDAY SCHOOL CONVENTION TO BE HELD

Plans and preparations are complete for the thirty-seventh annual Allegan county Sunday School convention to be held in the 1st Baptist church, Allegan, May 27 and 28. The program includes all phases of Sunday School work. The list of speakers promises two intensely interesting and instructive days for Sunday School workers. The following are some of the leading speakers: Hugh Cork, Chicago; Dr. J. E. Kuizenga, Holland; Dr. Henry Beets, Grand Rapids; Rev. C. E. Wood, Grand Rapids; State Worker E. K. Mohr, New Buffalo; Rev. John Dykstra, Grand Rapids; Mrs. G. E. Wright, Otsego; Rev. Theo Lageman, Hopkins; Rev. M. Stegeman, Overisel. Simultaneous conferences for divisional workers will be held, including Children's, Young Peoples, Adults and Officers departments.

Following are County Officers—President Rev. R. D. Meengs, Hamilton; vice presidents, A. E. Weaver, Wayland, and Thomas Gooding, Ganges; secretary, Oscar Harrington Martin; treasurer, Mary Moore, Allegan.

WEDDED TUESDAY NIGHT AT THE BRIDE'S HOME

Miss Marjorie De Koning, daughter of Mrs. Anna De Koning, was married Tuesday evening at the home of her mother, 426 First Ave. to Mr. Martin Kammeraad. The ceremony took place at 7:30 o'clock in the presence of about 80 relatives and friends, among the guests being persons from Holland, Muskegon, Grand Rapids and Flint. The ring service was used and the ceremony was performed by Rev. James Wayer, pastor of the First Reformed church.

The bride wore a beautiful gown of white organdie, trimmed with ruffles, and she wore a bridal veil. She carried a bouquet of pink roses and swansonia.

The couple were attended by Mr. and Mrs. Leonard Kammeraad, brother and sister-in-law of the groom. They have left on a wedding trip to Chicago, and will be at home to their friends on June first at 28 West 17th street.

The wedding was the culmination of a board of public works romance. The groom is "trouble man" for that board, and the bride served there for some time as stenographer.

CHAS. FABIANO INSTALLS FINE NEW SODA FOUNTAIN

What is considered to be the finest soda fountain equipment in Holland has just been installed in the ice cream parlor of Charles Fabiano, on River avenue. The fountain is all of marble, the top part, usually of wood, also being marble in this case. New candy cases have also been installed in the store. Mr. Fabiano expects soon to add to this equipment a number of marble topped tables, after which he believes he will have one of the best equipped soda fountains in this city.

Mayor E. P. Stephan wishes to remind the citizens again relative to the meeting to be held Monday evening in the G. A. R. Hall preparatory to Decoration day.

FIGURE EIGHT AT JENISON PARK TO BE TORN DOWN SOON

The death knell of the Figure 8 at Jenison Park was sounded Friday when the Holland Salvage Company purchased that popular amusement device from Charles A. Floyd, formerly of Holland Grand Rapids, now of Detroit. The Holland Salvage company will begin next week to tear the Figure Eight down and they expect to be engaged on the job for about a month.

The Figure Eight will be demolished for its lumber. It contains about 28,000 feet of good pine, and since the days when it was built the price of lumber has gone up enormously. The best of materials were used in its construction, and the crude material when torn down will be worth a considerable figure.

The Figure Eight was no longer a paying proposition. It was built years ago when Jenison Park was in its first flush of success, and for some years it made money. It was extremely popular, and on holidays, when thousands came to Jenison Park to spend a day in relaxation, the Figure Eight was usually running most of the day to its full capacity.

But the patronage has gradually dwindled. This perhaps was natural for an amusement from which the novelty had worn away. The same experience has fallen to the lot of Figure Eights in many another place. It was still one of the attractions at Jenison Park will not be the same to youngsters will mourn its passing. Jenison Park will not be the same to them the coming summer with the big Figure Eight gone.

The pavilion conducted in connection with the Figure Eight on the Jenison Park grounds will do business as usual the coming summer, it was announced.

The passing of the Figure Eight will probably mean a good deal to Jenison Park as an amusement resort. During the past year or two the place has been denuded of several of its features through fire and otherwise.

PLAN CO-OPERATIVE ASS'N AT HAMILTON

A Farm bureau township meeting was held in the Overisel town hall, which was packed to capacity. At this meeting the Allegan county agent was assisted by Mr. Milham, county agent in Ottawa county. The township of Overisel has now the record membership for Allegan county and is the third township in membership in the state having at the present time 202 members. Arrangements are under way for a meeting in the near future at which representatives from Overisel, Fillmore, Manlius and Heath will be present for the purpose of organizing a co-operative association at Hamilton.

BECOMES A CANDIDATE FOR RE-ELECTION

Prosecuting Attorney F. T. Miles today announced himself as a candidate for the republican nomination for prosecuting attorney to succeed himself. Mr. Miles will enter the race for the third time, having served the county for four years in this capacity. In his announcement, Mr. Miles says:

"Every two years the attention of the public is called to persons who desire to represent them in the various positions to be filled for the coming two years.

"I think it serves the best interests of the public if they may be permitted to have a choice of candidates, as no two men generally represent the same ideals.

"Will you therefore kindly announce to your readers that I will be a candidate for re-nomination for prosecuting attorney of this county on the republican primary ballot on August 31st."

FAMOUS WELSH CHORUS COMING

Undoubtedly the finest organization of its kind which has ever come to America is the Mountain Ash (Male) Chorus, booked to sing at Carnegie Gym on the evening of Tuesday, May 25th.

This is the fourth visit of these singers in this country under the leadership of the greatest chorus master living today, Mr. T. Glyndwr Richards. On the last tour through America the Chorus visited practically all of the larger cities, and the appearances met with triumphant success everywhere.

Of the work of the chorus the Syracuse Daily "Standard" had this to say: "It is seldom that an audience at a musical entertainment in Syracuse becomes sufficiently enthusiastic to shout 'Bravo' but this is what some of the people did at the 'Wieting Opera House' last night after the Mountain Ash Male voice party of Wales sang 'The Soldiers' Chorus.' These men are faultlessly trained as individuals, and when it comes to collective work there is a spontaneity, unity and harmony that is nothing short of marvelous."

Mrs. C. J. Horne wife of the athletic instructor at the high school left for her home in Niagara Falls.

NURSE RECRUITING WEEK TO BEGIN ON MAY 24

The biggest recruiting campaign in the history of Michigan nursing is to be put on during the latter half of May and the early part of June. The goal set is one thousand new pupil nurses for the accredited hospital training schools, recruited from the high schools and colleges of the state. According to information received from Lansing Hope college and Holland High school are among the institutions to be canvassed.

The campaign is in charge of the Michigan Hospital association with headquarters in the Oakland Building in Lansing. It is from there that the work will be directed, but every nook and corner of the state will feel the effects of the drive.

Adopting the methods of the war drives, the Michigan Hospital association will make the campaign an intensive one. While it will cover the period between now and the close of the schools in June, the bulk of the recruiting campaign will in reality be crowded into a single week to be known as "recruiting week." This will be the week of May 24 to 31. Enlisting a thousand new pupil nurses in a single week in a single state is a job that transcends anything of the kind ever attempted in Michigan.

But no less than a thousand new pupils nurses are needed for the training schools of the state if Michigan is to keep up its public health standards. There is a nurse famine in Michigan as there is all over the United States. The American Red Cross some time ago estimated that no less than 50,000 additional nurses would be needed in the United States to take care of the public health work that had been mapped out. And Michigan on a smaller scale is similarly situated. The one thousand nurses to be recruited in this drive are not merely desirable; they are absolutely needed to carry on the necessary public and private health work of the state.

TO CELEBRATE THEIR 55TH WEDDING ANNIVERSARY

Mr. and Mrs. Martin Japingsa will celebrate the 55th anniversary of their marriage Tuesday evening. They came to this country in the year of 1873 and have made this city their home since then. They have six children, 23 grandchildren and two great grandchildren. The children are: Mr. and Mrs. Peter Japingsa, of Jenison; Mr. and Mrs. Abe Japingsa of Grand Rapids, Mr. and Mrs. John Japingsa, Mr. and Mrs. Jake Japingsa, Mr. and Mrs. Henry Japingsa, Mr. and Mrs. C. Zeerip of Holland. Mr. Japingsa is 78 years old and Mrs. Japingsa is 79.

THEATER MANAGER TO LIVE IN HOLLAND

J. W. Himebaugh, manager of the Strand Theater, will become a resident of Holland this week. Mr. and Mrs. Himebaugh have occupied their beautiful suburban home "Lakeview" for a number of years. Situated near Central Park, it is one of the beautiful places on the south shore of the lake. Mr. Himebaugh has just closed a deal whereby he becomes the owner of the home of Dr. R. M. Waltz, east 14th St., while Dr. Waltz becomes the owner of "Lakeview."

Mr. and Mrs. Waltz will take possession of "Lakeview" the latter part of the present week, while Mr. and Mrs. Himebaugh will come to live in the Waltz home at the same time.

CITY'S P.T. CLUBS ARE VERY STRONG ON PLUMBERS

That the work connected with the conduct of the Parents-Teachers clubs in Holland is not, in the slang phrase, a "plumber's job", is conceded by all those who have had anything to do with these organizations. But the members of these clubs have apparently a weak spot for plumbers nevertheless, as there are three out of five of these organizations in the city that have master plumbers as presidents.

This fact was discovered in connection with the annual election of officers of clubs that are now being held. In the Lincoln School G. Woldring is president; in the Van Raalte School David Damstra, another plumber; and in the Longfellow School Dick Steketee, still another master plumber.

The plumbers therefore have the best of it, and the other professions hardly have a look-in so far as the presidency of P. T. Clubs goes.

Eastern-av. Christian Reformed congregation, Grand Rapids, of which Rev. H. Hoeksema, formerly of Holland, is pastor, will erect a new parsonage on the property adjoining the church. The new building will be of brick veneer, the same material being used, as in the present church edifice. The building will cost \$15,000. The house now serving as a parsonage at the southeast corner of Bemis-st. and Eastern avenue will be sold.

Mrs. W. Topp celebrated her 29th birthday anniversary Friday evening. She was presented with a beautiful brass jardiner and fern. The Yankee Maids presented her with a large birthday cake. Ter Beek's quartet rendered several beautiful selections.

CHURCH WEDDING OCCURS TUESDAY AFTERNOON

A very impressive church wedding took place at 5 o'clock Tuesday afternoon when Miss Jane De Voy daughter of Mr. and Mrs. John De Voy was wed to Mr. Rex J. Webbert also of this city.

The impressive Episcopal ceremony was performed by Bishop Thornton in the presence of relatives and immediate friends. The church was appropriately decorated for the occasion.

The father of the bride gave his daughter away and as they knelt at the altar the eminent divine pronounced them man and wife.

Miss De Voy was dressed in white georgette, beaded with gold trimmings, and wore a veil of white tulle. She carried a large bouquet of American Beauty roses.

Mr. Webbert, the groom, wore the conventional black.

The maid-of-honor, Miss Mollie Butties, was dressed in lavender organdie, and appropriately carried a bouquet of lavender sweet peas. Mr. Thomas De Voy attended the groom.

After the ceremonies an elaborate dinner was served at the home of the bride, 286 River avenue.

The happy couple are on a wedding trip to Battle Creek, and will be at home to their friends after June 1st, at Pine Bay, Holland, Michigan.

THE NEXT CENSUS IN ZEE- LAND AND SURROUNDINGS

Born to Mr. and Mrs. Henry Zeen residing one mile east from Zeeland, a son; to Mr. and Mrs. Gerrit Schreier, a son; to Mr. and Mrs. B. Zuvering, Saturday, a daughter; to Mr. and Mrs. M. Zwagerman, a son; to Mr. and Mrs. L. Vander Molen, a son; to Mr. and Mrs. O. Schippo, a daughter; to Mr. and Mrs. John Daining, a son; to Rev. and Mrs. H. Massen, of Beaverdam, a son.

JUDGE SENDS BOY BACK TO WORK ON HIS FATHER'S FARM

To Judge John Vander Werp of Muskegon goes the prize for ideas on repopulating the farms. Robert Ellison, aged 18, must spend the next 18 months working for his father on his farm in Newaygo county, and 18 months will be under probation. If Ellison leaves his father's farm or refuses to produce the much needed vegetables his probation will be considered violated and the youth sent to jail. Ellison pleaded guilty to burglary.

HEAVY FROST NIPS HARD AT VEGETATION

The warning of the U. S. Weather Bureau to look out for frost last night and the night before was not a false alarm. At the Holland water-works the temperature Thursday night was 31° and Friday night 30°.

Some of the township farmers reported this morning, that they believed their strawberry crops were done for. Some of the earlier varieties were in blossom in spite of the chill weather which has preceded the freeze for several days. In gardens which were sheltered from the cold winds of the last week, green shoots of the early vegetables were beginning to show above ground and many of these were reported to have been nipped in the frost of the last two nights. How badly they were damaged is hard to say.

Many home gardeners took the precaution to cover their plants wherever possible and a number got the garden hose out and sprayed them liberally with water in an attempt to beat the frost.

Frost on May 13-14 is not a record breaker, however as is shown by the weather bureau records. The government thermometer at Grand Haven registered 33° and private thermometers went considerably lower. However, the low temperature is by no means usual. The average minimum temperature recorded for this date was 31 degrees, and there have been other days with the temperature below freezing, even later in the month in former years. There are even records of snow storms later in the month than this.

Killing frosts were reported Friday in the state, from Lansing and Alpena, with heavy frosts at Grand Haven, Detroit and Ludington.

SOCIAL CONFERENCE HELD IN GRAND HAVEN MONDAY

The West Michigan Social conference was in session at the First Reformed church at Grand Haven on Monday. Thirty members of the clergy of the Reformed church were in attendance and luncheon was served at noon by members of the First and Second Reformed churches of that city. An interesting debate was held in the morning on the Inter-church movement with Dr. A. Pieters of Japan in the affirmative and Rev. Heemstra of Holland in the negative. In the afternoon the address was delivered by Dr. S. M. Zwemer of Holland, returned missionary from Egypt.

The funeral of Peter Koning will be held Thursday afternoon at two o'clock from the Nibelink Undertaking parlors.

Miss Laura Crispell was a Grand Rapids visitor Saturday.

CONGRESS OF OTTAWA HOUSEWIVES TO BE HELD WEDNESDAY

Every Ottawa housewife should be interested in the "Housewives" congress to be held at Coopersville on Wednesday May 26. This meeting is somewhat unique in that it is the first of its kind to be held in Ottawa county and all features of it are designed to give the housewife helpful hints and suggestions which will make the trip well worth while. All of Ottawa's mothers and daughters are invited to attend and take advantage of the lectures and household exhibits being provided for their benefit and entertainment as well.

A program of special interest is being arranged. Miss Florence Ward, U. S. Leader of Home Demonstration Work, will be one of the speakers. Miss Ward is a speaker of unusual ability and those who know of her realize that the opportunity of hearing her other than in Lansing is not common. Miss Ward will tell of the development of Home Demonstration work in the United States, North and West.

Edna V. Smith, specialist in home management, will have charge of a lecture and exhibit on labor saving devices. Every woman will be vitally interested in the home-made fireless cookers, canners, and all kinds of labor-saving equipment to be included in her part of the meeting. Miss Smith is also acting state leader of Home Demonstration Work, is thoroughly familiar with this work in Michigan and will have many interesting things to tell along this line.

Miss Helen Arms, clothing specialist at the M. A. C., will introduce the interesting subject of color in dress. She will explain the choosing of becoming colors and will try on samples using different types of women as models.

Music is to be supplied locally. Various exhibits along the lines of home conveniences, sewing, health and foods will be shown.

In connection with this there will be an exhibit of made-over dresses. Even cotton material is high in cost and if in good condition is worth making over. Your suggestion may help some other woman to solve her make-over problem.

To add interest to this part of the meeting and to help in clothing conservation suggestions, the Ottawa county Farm Bureau has offered a \$5 prize to the best made-over dress made by an Ottawa mother or daughter. From another source comes the promise of a second prize—Dicken's book "Secrets of Distinctive Dress." The requirements are that the dress be presented not later than 11 a. m., May 26, and that it be a dress for a woman or girl not less than the twelve years size. These dresses will be judged by Miss Arms and may be taken home after the meeting.

A cafeteria dinner will be served at the church by the Ladies Aid society.

PIONEER RESIDENT PASSES AWAY SUNDAY

One of Holland's pioneers passed away Sunday afternoon at three o'clock when death came to Mrs. Henry Hidding at the age of 74 years. Mrs. Hidding during several weeks of illness had been staying at the home of her daughter Mrs. Girard Cook, 117 East Fourteenth street, and it was there that the end came Sunday afternoon.

Mrs. Hidding was born in the Netherlands, and she came to this country as a girl. Fifty-three years ago she was united in marriage to Henry Hidding, and the couple lived on the same farm on East 24th St. during the whole period of their married life. Mr. Hidding, who is 80 years old, is still living there and is still very active.

The deceased is survived by her husband and two daughters, Mrs. Girard Cook and Mrs. L. Vissers. The only son, Albert Hidding, well known Holland business man, died a few years ago. The funeral of Mrs. Hidding was held on Wednesday afternoon at 2 o'clock from the home of Mr. and Mrs. Girard Cook, 117 East 14th street, Rev. James Ghysels, pastor of the Ninth Street Christian Reformed church officiating.

TO HOLD A DAD AND SONS MEETING

"A Dad and Sons Meeting" will be held at Junior High school, Friday evening, May 21.

Dr. S. M. Zwemer will address the meeting. The boys of the Junior High school will furnish the rest of program. The fathers and gentlemen friends of the Junior High school pupils are cordially invited to be present.

PLANTING FRUIT TREES GALORE NEAR N. RICHMOND

A good deal of small fruit is being set out in the vicinity of New Richmond this spring. Henry Kool is putting out 1,000 black raspberries, George Tibbits 500 and A. Gretzinger 1,000 strawberry plants. Several others are putting a large number of small fruit trees. The new canning factory at Fennville guarantees to take all the fruit at the highest market price.

Fred Klassen of Pon du Lac, Wis., formerly of Holland, is visiting with friends in this city.

Mrs. Frank Dyke and Miss Esther Dyke were in Grand Rapids Saturday.

MORE 8TH STREET REAL ESTATE CHANGES HANDS

William Stellema, fruit and produce man, formerly in the Wilma building on River avenue, now in the Harrington building, on East 8th street, has purchased the Beach block on East 8th street, east of the Nies hardware.

The Bush & Lane Co. are using it as a storehouse for phonographs, but these will be removed and Mr. Stellema will immediately remodel the place at a cost of \$1,500.

It is said that the purchase price of the property is \$7,500.

Mr. Stellema expects to move his produce business into the building in a short time. The enterprising fruit man considers that it is cheaper to buy a building than to move about and pay rent.

This is the man's final move, he being compelled to move four times within the last year and a half, because of property sales, etc.

LEGION BAND TO CANVASS CITY FOR THOUSAND DOLLARS

The American Legion band of Holland will make a drive this week to raise a thousand dollars by popular subscription for that organization in Holland. The drive will be in charge of an executive board composed of three members of the Legion band and three citizens. The band members of the board are John Rozeboom president of the band, John Van Vyven, leader of the band and Herbert Stanway. The citizen members are Bert Slagh, Mayor E. P. Stephan and John Van Tatenhove.

These six men will canvass the city this week in the interest of the band with a subscription. Manufacturers, business men, professional men, and other citizens will be asked to help the band along with some cash, and it is believed that the thousand dollars wanted for this organization can be secured in one week.

The Legion band is to be a city organization as well as a Legion organization. It will be ready to serve as a city band on all public occasions and will give Holland a musical organization of a calibre that it has perhaps never had before.

Moreover, as soon as the weather permits, the Legion band will give weekly concerts in Centennial Park. Plans for this feature are now being made, and the evening is soon to be decided upon. These concerts when held by the old band a few years ago were very popular, and it is believed that many people will again take advantage of them to hear some good band music. The Legion band wants to do something for Holland, and it is asking Holland this week to do a little something for them so that they can do their work free from financial embarrassments.

If a person who neglects to pay his bills only knew how often he is alluded to as a "deadbeat" and how many times he is exchanged in the course of a day's conversation he would certainly make an extra effort to pay what he owes. It must be very unpleasant for a person to be walking along the street and be spotted by the business men as a person who will not pay. This does not allude to persons who, through sickness or misfortune are unable to pay.—Zeeland Record. Van—Why don't you say poor paying subscribers and be done with it. At least we wish to add that to the item.

The Forest Grove school board faced a peculiar situation a few days ago when in order not to forfeit primary school money due that district from the state, they were obliged to hire another teacher to finish teaching during the remaining weeks of this term, as the time of Mrs. D. Smallegan's certificate had expired. Mrs. Van Dyke of Holland was secured to fill the vacancy.

Says the Allegan Gas Co. in the Allegan News—"Owing to the fact that we have only received one car of coal since closing down the gas plant May 6, it is impossible to start making gas, and to supply gas to the consumers. The company begs to advise their consumers that they have done everything within their power to obtain coal.

Wessel Shears, employees of Mr. De Vos.

NEW NURSES ARE WANTED FROM OTTAWA COUNTY

A movement was put on foot on Tuesday evening in Holland to make a drive in Ottawa county during the week of May 24 to 31 for the enrollment of about forty new pupil nurses from this county in the accredited hospital training schools of the state. This campaign in Ottawa is part of a statewide campaign in which it is hoped to secure 1,000 new pupil nurses in Michigan for the training schools.

The nurse famine in Michigan and

throughout the United States is so great that this method has been adopted to try to interest the young women in nursing as a profession. Next week will be "nurse recruiting" week, and at that time all the high schools in Ottawa county, as well as the schools that have grades above the eighth, will be visited by speakers, accompanied by a nurse in uniform, and the message of the need of nurses and the desirability of the profession to ambitious young women will be carried to the young women of the county.

Speakers will also go into the churches of the county to speak to the parents of girls of high school and college age. Frequently opposition to a girl entering the nursing profession develops on the part of the mothers who think that it is a hard life. The speakers will show that 35 per cent of the training schools of the state have adopted the eight hour day, and that in the others work is not excessive; that moreover, the social life of the pupil nurse is well taken care of and that the training for the profession is desirable in many ways. The health of a pupil nurse is better guarded than that of the average high school girl.

Another advantage of entering training in the hospital schools that will be pointed out by the speakers is that the average nurse in training can earn a large part of her way while learning her profession. And after receiving her "R. N." degree she can command a scale of salary that compares well with the salaries paid to women in other professions.

Miss Mabel Uzzell of Lansing has been in the county a few days to organize the work here; but local speakers and workers will take care of the progress of the campaign here. Schools in Holland, Zeeland, Grand Haven, Coopersville, Hudsonville, Jamestown, Marne and other places will be visited and churches in many places in the county will also be visited.

ALLEGAN JURORS EXCUSED; FARMS MUST BE WORKED

Allegan county circuit court opened Tuesday morning with Judge Cross on the bench, with a full calendar. Owing to farm work the jury will not be called this term and all jury cases will go over to the October term of court.

WAR GARDENS COME BACK IN FAMINE SCARE

War gardens are coming back again, not only in Holland, but all over the state. Householders are tilling the soil in their back yards with as much industry as they exhibited during war days, when every person with a plat of ground was asked to help feed the nation, while the nation fed the allies. Now it seems to be the general opinion that America is going to have enough to do to feed itself.

The reports of the failure of the farmers to plant acreage sufficient to raise an adequate food supply, have thrown a scare into the average householder, and if he has any back yard room available, he has begun planting. The seed comes high, but the garden farmer is determined not to get caught without food, at any rate, if he has to raise it himself.

Potatoes are seemingly the most popular crop for home gardens. The spuds grow easily and do not require as much care, aside from hunting bugs, as most other crops. Nearly all went short on potatoes this spring, or paid out a lot more money than usual to supply their spud needs so they are going to raise all they can in home gardens this summer.

Potatoes form a most necessary article of food in nearly every family. It is a real hardship for most people to go without them. The price has been high for several years, and dire predictions are being made as to the future supply, because farmers are not able to get help enough to take care of the crops.

Corn and beans and peas are other favorite crops in the back yard farms. Many gardeners raise enough beans to put away for the winter, and while most of the corn is devoured in the green corn season, it saves the grower the money he would have to pay out for green vegetables. Tomatoes, onions, pumpkins, squash and a lot of other crops are being grown in the home gardens this summer.

In some cities organizations are offering prizes to home gardeners for

the best crops, and civic fairs for the exhibit of home grown stuff are being planned.

YOUTHFUL BANDITS DRAW JACKSON AND MARQUETTE TERMS

Eugene Lyons, 19, formerly of Holland, and John Doney, 18, confessed holdup men, were sentenced Saturday by Superior Court Judge M. L. Dunham at Grand Rapids to a term of from five to 20 years in the state prison at Jackson. The court recommended that they serve eight years.

Harold Gibson and Buy Gifford, pals of the first named pair, who also admitted having participated in several holdups in Grand Rapids and vicinity, were sentenced by Judge W. B. Brown, of circuit court to a term of from seven to 15 years in the state prison at Marquette. Judge Brown made no recommendation.

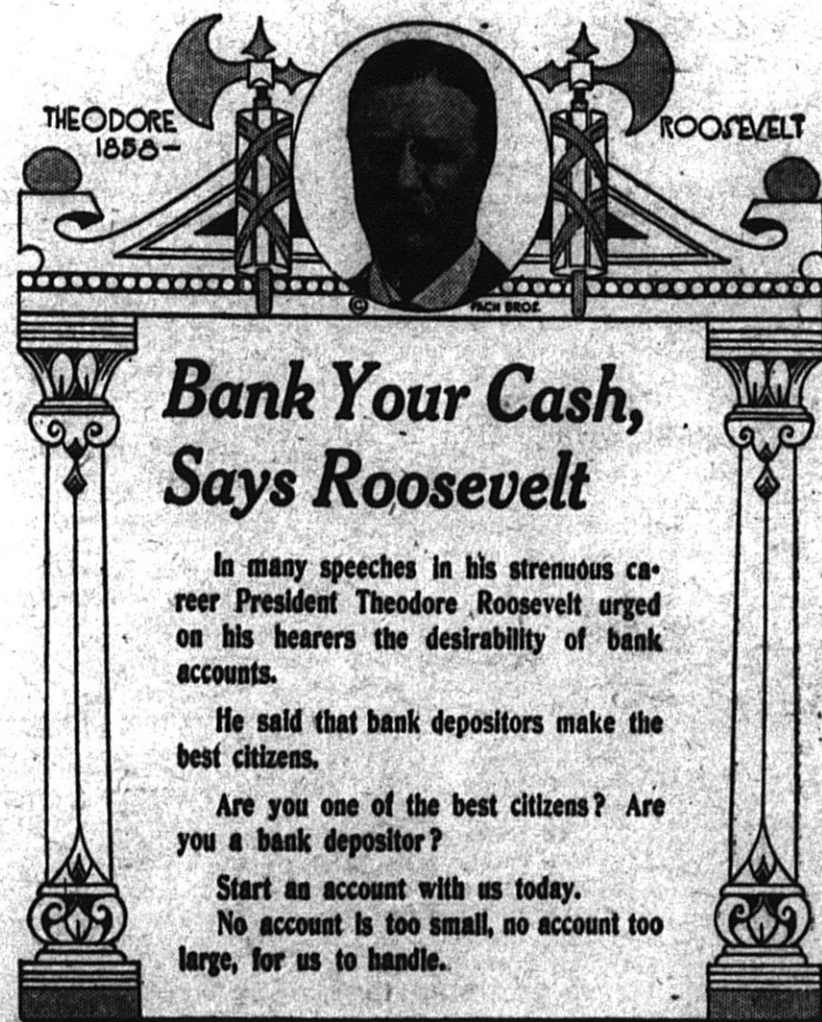

Lyons and Doney's sentences followed closely upon those of Gibson and Gifford. The penalty imposed upon the latter paid had been communicated to Lyons and Doney before they were taken into superior court and when Judge Dunham had passed sentence, they bitterly arraigned court officials, claiming discrimination because the other had received, they believed, a less severe sentence.

Lyons and Doney were lectured by Judge Dunham and they narrowly escaped a more severe penalty by protesting against the sentence.

Lyons who gave his residence as 311 Lafayette avenue, S. E., altho he was born in Holland, said he came to Grand Rapids about two weeks ago from Middleville. He admitted having been arrested in Holland on a charge of larceny over \$25 and said that he had once broken probation and that he had spent a year at Ionia.

Doney said he resided at 337 Bridge street, N. W. He confessed to having served a 13-month sentence because of an offense at Kalamazoo and acknowledged that two times at Joliet, Ill., he had been imprisoned for burly.

HOLLAND MAY GET MUNICIPAL LEAGUE CONVENT'N

While in Detroit Mayor E. P. Stephan left no stones unturned to do something for Holland when the occasion presented itself.

The newly elected mayor only went with the intention to listen and get an earful of information, but he noticed that Kalamazoo delegates were plugging for the convention for next year, and he immediately got busy in order to see what the sentiment would be for Holland. He received so much encouragement that he kept at the job until Kalamazoo delegates began to notice that there were others bidding for the Municipal League convention besides the Celery City, and they immediately corralled the Holland mayor and showed him that the convention had been promised to Kalamazoo the year before. That being the case Mr. Stephan did not feel himself called upon to spoil a promise made in good faith, but immediately had the Kalamazoo delegates pledge themselves to hold the meeting in

Holland in 1922, as it was decided that the next convention would be held in Kalamazoo next year.

Holland has been practically promised the state Municipal League convention, which deals in subjects and difficulties that every city bumps up against from time to time.

Mr. Stephan ran across many gas situations in different cities very similar to our own.

One city had just compromised with a public service gas company, for a \$1.25 gas.

Said Mr. Stephan in an interview, "I can positively say that the fame of our municipal light and water plant has gone broadcast through the state. I was constantly plied with questions, asking what our light rate was, what our plant was worth, what it cost us to build it, to maintain it, and what the valuation of the property was at the present time.

"I told them that our rate here was five cents per k. w. and many of them laughed in my face turning away skeptically. I was not backward in inquiring about the rates in other cities, and was surprised to learn that most of them run around 11 and 12 cents per k. w., and the lowest rate aside from Holland that I found in the State of Michigan was eight cents.

"I told them that the original cost of the Holland plant was \$37,000, that the equipment today cost the city of Holland \$341,000, and that the worth of the plant was far greater at the present time, and that the difference had been made thru the earnings of the plant, and that the only bonded indebtedness that existed was approximately \$50,000 in bonds which would also eventually be paid out of the earnings of the local municipal light or water plant.

"I told them that from 1907 up to the present time this city had not voted one cent of appropriation towards the upbuilding of Holland's plant, but that everything had been paid out of the earnings and that other funds in the city were temporarily augmented by borrowing from the surplus in the light fund.

"There were many there who doubted our accuracy of bookkeeping, and I could not make them believe that with the lowest light and power rate in the state Holland could still do all these things."

At the League convention held in Detroit, there were forty cities represented and at the election of officers, Mayor Stephan was elected on the board of directors, not alone but was called upon twice to preside over two sessions.

He also met Mayor Howell of Adrian, Michigan who has been having a gas question on his hands similar to that of Holland. The citizens of Adrian are heavier gas users than Holland is, and after considerable "sparring" between the gas company and the city officials the compromise was made for a \$1.25 gas.

Mayor Stephan has invited Mayor Howell to come to Holland, and it is expected that he will be here this week when no doubt a special meeting of the gas committee and council will be held, in order to hear what the mayor of Adrian has to say relative to gas as it relates to that city.

Mayor Stephan is very much pleased with the doings at the convention and states that he has gained much profitable information by fraternizing with officials of other cities, whose experiences in many instances dove-tail with our own.

Saturday afternoon Holland High school defeated Kalamazoo Central in an overtime game of 11 innings at Kalamazoo. It was a great day for Coach Horne's men because the stands were filled with High school students from the entire state of Michigan who had taken part in the Interscholastic meet at Western State Normal, during the earlier part of the day. The Holland team played spectacular ball thruout the entire eleven innings, batting and fielding like leaguers.

PROGRAM ARRANGED MONDAY NIGHT FOR DECORATION DAY EXERCISES

SEVERAL COMMITTEES ARE REQUESTED TO ACT AS PROMPTLY
AS THE TIME LEFT IS VERY SHORT

The Exercises Will Again Be Held in the Morning; Memorial Day Services For the Vets To Be Held in Methodist Church Sunday, May 30

Preliminary Decoration Day meetings have always been slimly attended, but Monday evening quite a respectable crowd gathered at the G. A. R. hall to take preliminary steps towards celebrating Memorial Day properly and for the purpose of appointing the necessary committees in whose power it will be to either make the day a success or a failure.

Prompt work on the part of the committees is requested as the time is already short, and a great deal of work is to be done.

The flower committee especially will have its hands full to get the necessary floral tributes for the occasion.

There has not been a year in the memory of anyone here when foliage, letting alone flowers, were so late in putting in an appearance. Jack Frost has held sway till within 15 days of Decoration Day, and only the warm rain of the last two days has given nature an incentive to start things growing.

For many years the Decoration day exercises have been held in the afternoon. In fact this can be said to have occurred since the time that the day was observed in this city.

Last year however a change was requested and the exercises were held in the morning. This new order of things met with such general approval and turned out so satisfactorily that this year too the exercises will again be held in the morning. It is very doubtful if Holland will ever change back to the afternoon exercises.

On Sunday, May 30th Memorial Services will be conducted at the M. E. church, the Rev. G. B. Fleming preaching the sermon to the boys in Blue, Spanish War veterans and the World War soldiers, and the auxiliary bodies connected with the G. A. R. Post and the Willard G. Leenhouts Post. These bodies will gather at G. A. R. hall at 9 o'clock a. m. and will march to the church in time for the exercises to be held there.

The Decoration Day meeting Monday evening was presided over by Mayor E. P. Stephan, with B. A. Mulder acting as secretary.

The program as arranged is practically complete. A few minor changes may be made however. The program follows:

President.....Mayor E. P. Stephan
Chaplain.....Rev. G. B. Fleming

TO BE SUCCEEDED

BY HOLLAND MAN

L. B. Dalman, who has been in charge of the Grand Haven agency of the Home Furnace Co. of Holland since leaving the army service something over a year ago, has taken the agency of the company in Benton Harbor and leaves for there today. Mr. Dalman has worked up a splendid business for his company in Gr. Haven and has made a host of friends in that city. As a result of Mr. Dalman's efforts, many a Grand Haven home is now heated by a Home furnace. Mr. Dalman will be succeeded at Grand Haven by Henry Barkema of Holland, who has been his assistant in that city for some time.

WAS RICH ONE DAY AND POOR THE NEXT

How uncertain are the affairs of life and how evanescent is wealth and joy! On Wednesday J. A. Kocher was a wealthy man possessing in his own right two sacks of potatoes which he carelessly exhibited to sundry persons, thereby tempting the cupidity and rousing the criminal instincts of some burglarious individual, who broke open the back door of the store, and with the skill which comes of practice selected the articles combining greatest value with the least bulk. Thursday morning Mr. Kocher opened the store, took in the awful catastrophe which had befallen him, and called the police. For he was now a poor man and had no more spuds than a rabbit. —Saug-tuck Commercial Record.

KILLED AS AUTO TURNS TURTLE ON ZEELAND ROAD

One man killed and one man quite seriously injured was the toll of an automobile accident Thursday afternoon about three quarters of a mile on this side of Borculo. William Blakeney, a retired business man of Lamont, was instantly killed when his Ford car slid into the ditch and turned turtle, and Dick Mokma, suffered a fracture of his upper left arm. The dead man was taken to the undertaking rooms in Zeeland, and Mr. Mokma was rushed to the home of his daughter, Mrs. Van Leeuwen, College avenue, where the fracture was reduced by Dr. Westrate.

The accident was witnessed by Allen Streur of this city who came on behind the Ford. A large milling truck was on its way from Zeeland to Grand Rapids and had turned out as far as it could go, according to Mr. Streur. The Ford, coming from Lamont and on its way to Holland, tried to pass it. Mr. Streur believes that Mr. Blakeney lost control of his car. It slid along for about 75 feet and then sagged into the ditch and tumbled over. When rescued, Blakeney was under water, but it is believed that he died before he struck the water. He was caught between the broken car and the steering gear.

Mr. Streur and the men on the truck immediately gave assistance, but the driver of the machine was dead when extricated from the car. Mr. Streur thereupon immediately rushed Mr. Mokma to Holland.

While quite seriously injured, it is expected that Mr. Mokma will recover. He is 76 years old and the shock was a severe one for him. He formerly lived in Holland and is a brother of the late G. W. Mokma, for many years cashier of the First State Bank. He had been spending some time with his son who is a minister in Lamont, and was on his way to Holland to spend some time with his daughter here. Mr. Blakeney is survived by his wife and his mother, both of Lamont.

WHISTLE OF LOST CRAFT SOUNDS ON THE PERE MARQUETTE No. 8

The memory of the ill-fated steamer Pere Marquette 3 which sank at Ludington last winter will live in the steamer Pere Marquette 8. The whistle formerly on the 3 was saved and installed on the 8. The boat has begun its season's run between Manistee, Ludington and Milwaukee, after spending the winter at Manistee.

WEST ENDERS TO HAVE HALF HOLIDAY

The West End Merchants will close their places of business every Thursday afternoon, beginning this week and continuing throughout the summer. The Thursday half-holiday was decided upon recently by the stores and meat markets of the West End, including all those places of business located west of River avenue, and this week Thursday will be the first time that the plan will be tried out.

FORMER HOLLAND

CITY MARSHAL DIES

Peter Koning died Sunday night in Grand Rapids at the age of 82 years. Mr. Koning was formerly a resident of this city, at one time serving as city marshal. He is survived by four children: Harry and James of Grand Rapids, Mrs. George L. Denmore of Grandville and Mrs. Charles D. Manbeck of Chicago.

The funeral was held Thursday afternoon from Nibbelink's Undertaking rooms. Burial was in Pilgrim Home cemetery.

HAVE BEEN MARRIED FIFTY-SEVEN YEARS

Mr. and Mrs. J. E. Maxted Thursday celebrated the 57th anniversary of their marriage at their home in this city. On account of the poor health of Mrs. Maxted, the day was spent very quietly. Mrs. W. L. French of Jackson, daughter of the aged couple, came to Holland to help her parents observe the day.

Mr. Maxted is 80 years old and is still very active and in good health. Mrs. Maxted is 77 years old. The couple have been living in Holland for 14 years. They were married 57 years ago in Tewama, Iowa county. They have four children: the Misses Earle and Ev of Holland, Mrs. W. L. French of Jackson, and D. B. Maxted of Jackson; also six grandchildren.

The Odd Fellows will give a dance Friday night, May 21, in their hall for the Odd Fellows and families and for the Rebekahs.

COMMON COUNCIL

Holland, Mich., May 6, 1920. The Common Council met in regular session and was called to order by the Mayor. Present—Mayor Stephan, Ald. Prins, Blue, Brive, Van Den Brink, Kammeraad, Leappe, Lawrence, Brinkman, Dykstra, Damstra, Vander List and Wierman and the Clerk.

PERMISSIONS AND ACCOUNTS

Mrs. Ida Lindsay Dick De Ridder and Peter De Neff petitioned to come under the Compulsory Sewer Ordinance, being Ordinance No. 185, and presented arguments waiving service of notice and everything else necessary to come under said ordinance and have their respective premises connected with the sanitary sewer.

Granted and accepted.
Gerrit A. Wanner petitioned for license to engage in the business of sidewalk construction and submitted bond as required with Dirk Meens and Abel Smeenge, Assurances.

Granted and accepted.
J. F. Eaton petitioned for license to operate a popcorn and peanut stand on the public streets.

Referred to the Committee on Licenses.
Thomas De Vries and others petitioned for the placing of a street light on 21st St. midway between College and Columbia Avenues.

Referred to the Committee on Public Lighting.

The Western Foundry Co. petitioned for permission to cross East 8th St. with a switch track approximately thirty feet west of the Western Foundry plant.

Referred to the Committee on Streets and Crosswalks.

Mr. Tyrl petitioned for permission to place an air pump adjacent to his place of business on the west side of River Ave. between 8th and 10th Sts.

Referred to the Committee on Streets and Crosswalks.

Mr. Fred Scheerhorn applied for appointment to the office of city inspector.

The clerk presented the following from the Willard G. Leenhouts Post of the American Legion.

At a recent meeting of the Willard G. Leenhouts Post No. 6 of the American Legion, certain public spirited citizens of the city suggested to the Post the desirability of forming a band for this community.

The benefits of a band to every community are too well known to require elaborate argument.

These young men, however, stated that it was impossible to maintain a band unless some organization would give it a backing.

Therefore, suggested and requested that our post should endeavor to give it such an extent as it is able. As it is one of the cardinal principles of the American Legion each post is a part, it was unanimously decided to allow such a band to be organized under its name and to do everything that it could to forward this beneficial movement.

At the last regular meeting of the post, the leaders of the band appeared in person and stated that it was necessary to have a certain sum of money for the purpose of purchasing such of the instruments as did not already belong to any members of the band.

It was requested that the post should purchase such instruments as it was able to make the venture a successful one. It will be necessary to have an additional \$500 in the near future.

The post has no funds of its own, except a small amount which it has raised and set aside for the purpose of furnishing a club house.

However, the post consented to pledge its credit to the extent of \$500 in order to assist the band and get it fairly started so that it might appear on Decoration day and Fourth of July, and be able to give weekly concerts in Centennial park.

The post feels that, while it has pledged its credit to this extent, that it should not be asked to pay for what will be for the benefit of the community. It is believed that the whole community could and should appropriate a sum not less than \$1,000 for the maintenance of a musical organization such as this band will be.

As a reason for this, the post respectfully presents this matter to your attention.

Referred to Committee on Ways and Means.

The clerk presented a communication from the League of Michigan Municipalities giving notice of the next meeting of the league to be held at Detroit May 12, 13 and 14, 1920.

On motion of Ald. Wierman the mayor and city clerk were authorized to attend the convention.

De K. Van Raalte and others petitioned for the construction of a concrete pavement on Eleventh St. from River Ave. west to First Ave.

Referred to Committee on Streets and Crosswalks.

W. R. Buss and C. R. Huntley petitioned for the construction of a concrete pavement on Eleventh St. from First Ave. west to the bay.

Referred to the Committee on Streets and Crosswalks.

Thomas W. White and others petitioned as follows:

We, the undersigned property owners and citizens of the city of Holland being personally interested, ask your careful consideration concerning the proposed service station at the corner of Tenth St. and River Ave. We personally object to the presence of this station at that place, and desire to protest against it.

There are many obvious reasons, among them:

1. Such station constitutes generally of an insignificant building; it will spoil the looks of the corner, considering the postoffice across the street and the beautiful park across the street.

2. The street is congested with traffic at this corner at times now, as the car must stop at the postoffice for loading mail and this will be an added congestion.

3. The nature of the business is offensive. Danger will result to some of the other businesses in the immediate vicinity.

4. The business will be conducted seven days in the week, and in the vicinity of several churches; filling cars at time of church service is bound to become an offensive thing to a large number of our citizens.

Accepted and filed.

REPORTS OF STANDING COMMITTEES.

The Committee on Ways and Means to whom was referred the matter of requesting bids from the several local banks on daily balances of the city funds reported having received such bids. That all of the said bids were the same, namely, 2 1/2 per cent on daily balances, and recommended that the same be accepted and that the same course as heretofore pursued regarding the distributions of the city funds be followed.

Adopted.

The Committee on Streets and Crosswalks to whom was referred the petition for the installing and graveyards of 18th St. between Columbia Ave. and the P. M. railway, reported advising against the use of gravel, and recommended that the clerk be instructed to notify the property owners on said street to meet with the Committee on Streets and Crosswalks on Wednesday, May 12, 1920, at 7:30 p. m., to consider and discuss some other kind of pavement.

Adopted.

The Committee on Streets and Crosswalks to whom was referred the petition signed by local citizens to grant the Standard Oil Co. permission to construct a gasoline service station at the northwest corner of 10th St. and River Ave., reported having given the matter due consideration and recommended that a permit for same be refused.

The Committee further reported that it is not their intention to discourage the Standard Oil Co. coming to our city, but that another location for same should be secured.

Adopted.

Marooned

A man marooned on a desert island will not get far without a boat; neither will he be much good to himself or anybody else.

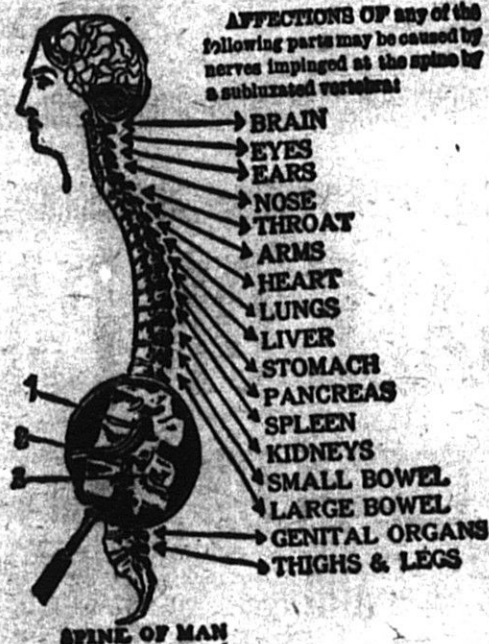

A telephone company without sufficient income to meet expenses is in just about the same condition as a man marooned. Without fair rates telephone material can not be bought and wages can not be paid. Without material and employees the telephone can not operate.

WE MUST HAVE YOUR SUPPORT IF YOU ARE TO HAVE THE TELEPHONE

The telephone can not get along without money to meet all necessary expenses any easier than you can.

Unless you are fair with the telephone the telephone can not give you proper service. So the answer to the operation of the telephone is in your hands. You must decide.

You are just as Old as your Spine

EVEN back as far as Caesar's time this saying was used. In later years men substituted for it—"A man's just as old as he feels." Taking the two, and combining the meaning, we have the true expression, and Chiropractic interpretation—

"A man's just as old as his spine allows him to feel"

The spinal column is the main conduit through which the nerve cables pass from the brain, and from which the tiny feeders are distributed to every portion of the body. If through abnormal curvature, the bones of the spinal column obstruct the free flow of the health-giving currents from the brain to the bodily organs, disease results in the organs so affected.

The Chiropractor adjusts the cause of the trouble, removes the pressure on the nerves without the use of Drugs or Knife. This allows Nature to build up the diseased organs or tissues.

Health is Normal. Disease is Abnormal

If there is any abnormal condition present in your body that is causing you suffering, let Chiropractic bring back normal conditions so you may again enjoy good health.

OFFERED PRESIDENCY OF LOUISVILLE PRESBYTERIAN SEMINARY

Dr. John M. Vander Meulen, of Oak Park, Ill., formerly of Hope College and pastor of Hope church, has been extended a call to become president of the Presbyterian Theological Seminary at Louisville, Ky. This information was conveyed in an announcement made by Dr. Vander Meulen to his congregation last Sunday.

The Theological Seminary at Louisville, Ky., is one of the important seminaries of the Presbyterian denomination. Another former Holland man, Dr. Henry E. Dosker, has for many years been a member of the faculty of that institution, having been called there a number of years ago after he had served with distinction for many years as a member of the faculty of the Western Theological Seminary.

Dr. Vander Meulen did not announce to his congregation at Oak Park whether he would accept the appointment or not, but the decision will probably be announced in the near future.

Dr. Vander Meulen for a number of years past has been identified with the Presbyterian denomination, entering it by way of one of its important churches in Louisville, Ky., where he went after having served one of the largest Reformed churches in New York city. As he had done in the Reformed church, he made a name for himself in the Presbyterian church as a great pulpit orator, and the call to the presidency of the important Louisville Seminary is an indication of the standing the former man has acquired in that denomination. For the past year or two he has been pastor of the Presbyterian church at Oak Park, Ill.

MAY ADOPT THE NEW STREET SPRINKLING SYSTEM

MOTOR DRAWN WAGON MAY REPLACE THE PRESENT SPRINKLERS

The days of the horse-drawn sprinkling wagon seems to be numbered in Holland. The chances are that in the near future the sprinklers will speed along the streets of this city at the rate of fifteen or 20 miles per hour, propelled by gasoline instead of being drawn at the present snail's pace by two patent horses.

The committee on streets and crosswalks was given permission by the common council Wednesday evening to investigate the matter of motor-drawn city sprinklers. The committee will find out the cost and will determine how much cheaper the motor-drawn sprinklers will make the street sprinkling than it is today. For it is said to be considerable cheaper, although the initial cost will mean some expense. If adopted, Holland will have only one street sprinkler, the one motor drawn vehicle doing the work now done by all the horse-drawn sprinkler wagons.

CONVERTED HIS LOT INTO A ROAD

John Efting well known vegetable dealer has discovered a new way of making money—or rather he thought he had. The only difficulty was that the common council refused to see things his way. But the plan he had cooked up beat anything in sight for originality. It was contained in a letter addressed to the common council Wednesday evening and read by City Clerk Overweg to the city solons. Here it is:

City of Holland
Holland Mich.
I, John Efting, have given Klaas Klaveren, residing at 43 E. 27th street, the privilege to use my lot, on which I am residing, as a roadway, both feet and vehicle, to 26th street, for the last eight years.

I therefore demand that I receive pay for the use of my lot for said purpose.

Yours truly,
John Efting.

Attached to the letter was an itemized bill showing how much the city owed, and it was a considerable sum. The council members merely smiled and some one moved that the communication be filed. This was carried and the letter of the enterprising vegetable man will repose in peace in the files of the city of Holland for some future investigator into the city records to get a chuckle out of.

The annual business meeting of Elizabeth Schuyler Hamilton Chapter D. A. R. was held Thursday afternoon at the home of Mrs. Merton Clark on College avenue.

The annual reports of the various officers showed that the organization had experienced a very prosperous year. Plans were made for carrying on considerable work along the line of Americanization during the coming year among which will be the promotion of a supervised playground for foreign children during the summer months. Steps were also taken to raise funds to purchase seeds to send to devastated France. The election of officers for the coming year resulted as follows: Regent, Mrs. C. M. McLean; vice regent, Mrs. J. E. Telling; Rec. Sec., Mrs. A. T. Godfrey; Cor. Sec., Mrs. Martha Robbins; treasurer, Mrs. Martin Clark; registrar, Mrs. F. J. Congleton; historian, Miss Florence Cotton; chaplain, Mrs. Howard Lane. Directors, Mrs. W. J. Garrod, Mrs. Frank Hadden.
