## "STRONGHEART" HAS HAD BIG RUNS IN THE LARGE CITIES

The play "Strongheart" to be given at the high school May 17 and 18, has had a wonderful success in large cities during the past few years, and it is really worth while to see it. Act 1, takes place in the rooms of Frank and Dick, captain and half-back on the Michigan team. Act 2, shows the locker rooms of the team and the famous coach, played by William Nies, gives his men a trimming before they go into the second half. Then you attend the game. Act 3 and 4, take place in the home of Mrs. Nelson, the mother of the football captain. This play, full of predicaments, messages and football situations, race questions, the love and pathos, will carry you laughing and crying to an ideal conclusion.

## MACATAWA RESORT CO. TO PUT IN SEWER SYSTEM SOON

### URGE COTTAGE OWNERS TO MAKE THEIR CONTRIBUTIONS AS QUICKLY AS POSSIBLE

Swan Miller, president of the Macatawa Resort Co. and Walter Brooks, secretary of the Macatawa Cottage Owners association, are circulating letters to the cottage owners on the Lake front, asking them to remit as soon as possible their respective quotas, that will aid to pay towards putting in the new sewer.

The sewer was seriously damaged when the big cement walk and sea wall was broken up by the heavy surf a few years ago.

The sewer was temporarily repaired but the resort company and the cottage owners feel that a new sewer must be laid this spring before the opening of the season.

The job will cost several thousands of dollars, but the park association holds that if Macatawa is to remain a health resort all sanitary precautions should be adhered to.

It will be rather tough on the cottage owner who does not remit and thus is cut off from the main sewer, for under the state law the State Board of Health will not permit occupancy of a cottage unless the owner has lawfully disposed of the sewerage. In short, this means that a cottage not connected will have to remain unoccupied.

## CALVIN QUARTET TO SING HERE TONIGHT

The Varsity quartet from Calvin College, will sing at Woman's Literary Club rooms Thursday, May 11. The Varsity Quartet's program will be of particular interest to all music lovers, since it proves to be a great success wherever rendered. Last Thursday the quartet gave their number in Central high school Auditorium, Grand Rapids, which was crowded. This week they sing here in Holland, while next week they are to render their program in Chicago on two different nights. Those who have heard them before will surely be there again this week to hear them. The following is the program which they will give: (a) Hail Glorious Morn, Howard M. Dow; (b) Nearer My God to Thee, arr. by the quartet. Abide With Me, duet; (a) Love's Old Sweet Song, Foster Stephen; (b) Baby, White Reading, Selected, Mr. V'd Lugt; (a) Largo, Handel, F. Damrosch; (b) Let their be light, from "The Creation," Hayden, Quartet. (a) Teach Me to Pray, Jessie Mae Jewitt; (b) Give a man a horse he can ride, G. O. Hara, solo by Mr. Rutgers; (a) A Little Close Harmony, G. O. Hara; (b) The Wise Old Owl, G. B. Nevin, Quartet. Trio, selected. At thy Throne, Werner.

In addition to these numbers they will also give a few of their famous Holland songs, as well as a reading, and Mr. Rutgers will entertain with his famous scolded homespun ditties.

Randall and Gerald Bosch caught 200 perch within a few hours on the breakwater at the harbor. J. B. Mulder and John Hamelink caught 150.

## MUNICIPAL LEAGUE TO MEET HERE IN JUNE

### PREPARATIONS FOR ENTERTAINMENT OF GUESTS SHOULD BE UNDER WAY

Holland to Entertain Three Hundred Mayors, City Attorneys and City Clerks.

At the last Municipal League convention held at Kalamazoo, Mich., Mayor E. P. Stephan was not alone honored, but carried home with him in his vest pocket the authority to state that Holland was to entertain the next convention in 1922.

The year has nearly rolled 'round and June 14, 15 and 16, Wednesday, Thursday and Friday, will find three hundred mayors city attorneys and city clerks hailing from all over Michigan, the guests of our city.

It is stated that Mayor Couzens of Detroit will be here as well as Mayor Oltman of Grand Rapids.

At the last convention, Mr. Stephan was named vice-president of the league and City Attorney Taggart, of Grand Rapids was elected president.

Arrangements are now being made to furnish hotel accommodations and it is understood that Hotel Ottawa and Hotel Macatawa will open earlier this season in order to meet the demands of this large influx of city officials.

Mr. Stephan states that all business meetings will be held at the city hall and ample provision will be made for the entertainment of the guests between business sessions.

The Merchants Association, the Rotary club and the Exchange club have promised the mayor all the backing needed in order to make things pleasant for these men and possibly not a few women.

The city fathers and the other city officials including the Board of Public Works will be right on deck to give their fellow members of the league the glad hand, and you can bet your last dollar that the municipal leaguers will leave Holland favorably impressed.

The time is only a month away and work should be started immediately to make all necessary arrangements.

One of the reasons why the municipal league chose Holland as its place of meeting was because of the wonderful showing made for so many years by our municipal light and water plant.

Most of them feel it is unbelievable and they are coming here to get first-hand information which no doubt Superintendent Champion can readily give them.

Municipal plants in other cities as a rule have been a failure, but in nine out of ten instances it has been shown that politics soon dominated the situation and efficiency naturally went by the boards.

The municipal league is organized for the purpose of discussing such municipal affairs as are common to most towns in Michigan, the regulation of public service companies, such as street car companies, telephone companies, gas companies and the like, and in many instances the battle of one city is the battle of another, and in many cases the attorneys for the league will bring up their grievances collectively before the State Utilities Commission, or in the courts.

In other words, the municipal league does the battling for such cities whose officials are enterprising enough to be members of the league.

Anyway the boys are coming and we welcome them.

## MANY COMPLAINTS OF BIRD'S NEST ROBBERY COMING IN

### YOUNG LADS SEEM TO TAKE A DELIGHT IN NEFARIOUS WORK

Many complaints have been coming to this paper from many different sources stating that there is a considerable number of birds nests being robbed this season.

There is no doubt some truth in this statement for the reports do not all begin to come from the same sources.

Of course the police cannot patrol every street in the city, nor can our minions of the law inspect every tree to see whether it contains a robber.

It is however the duty of every citizen who may see this nefarious work going on to make complaint and you may be sure that he justifies of the city will do the rest and do it thoroughly.

We also promise that if any offender is caught that his name will be thoroughly published.

We feel that there is nothing quite so mean as the robbing of the homes of our song birds, our harbingers of spring and our summer's greatest delight.

## GRAND HAVEN BRANCH GIFT SHOP TO BE IN HOLLAND CITY

### JAPANA SPECIALTY CO. OF GRAND HAVEN TO OPEN SHOP HERE

The Japana Specialty Co. of Grand Haven closed arrangements for a branch of their Gift Shop to be located on the main street with the Tot and Gift Shop owned by Mrs. Ed Allen at Holland.

This gives Holland for the first time for some years a complete line of gifts to be found in one shop. The Japana Specialty Co. will keep their interest in Holland the year round and give the same service that they are now giving Grand Haven. Already Holland has expressed itself as greatly pleased with the idea and will give their entire support.

This move was made by the Japana Specialty Co. when they saw that Holland was in need of a Gift Shop of her own which would not make it necessary for her citizens to come to Grand Haven. It is expected that this move will prove of very great importance to Holland on account of the great number of resorters who have in the past gone out of town to purchase their gifts as well as the residents who have been compelled to go to Grand Haven or Grand Rapids for their needs.

Mrs. Allen carries a complete line of little children's garments, toys, etc. as well as a line of the Wurzburg fancy goods and is doing a very attractive business.—G. H. Tribune.

Sunday will be Mothers' Day" and this will be observed all over the nation. In Holland, as elsewhere, many persons will wear a flower on Sunday in honor or in memory of mother. As has been the case for several years, the St. Agnes Guild of Grace church will sell flowers on Saturday so as to supply the people for Sunday.

Headquarters will be established in the Hotel Block, in the room formerly occupied by the American Express company. Members of the Guild will sell flowers on the streets. Orders will also be received at headquarters for flowers.

## MICHIGAN R'Y MAKES GOOD ITS PROMISE

### IS SELLING FOUR ROUND TRIPS FOR ONE DOLLAR

The Holland Interurban has made good its promise as to rates between Holland and Macatawa Park long before this was stipulated by Mayor E. P. Stephan.

It is now advertising four round trip tickets for one dollar to Macatawa and return, making it 25c a round trip. On June 15 up to and including September 15 round trip tickets will sell at five tickets for a dollar, or 20c the round trip.

Mayor Stephan, City Attorney Mc Bride and ex-Alderman Ben Wiersema were largely instrumental in bringing this substantial reduction about.

The officials of the company were also very fair in their demands and the settlement of this vexing question was made in a most business-like manner by all concerned, Holland as well as the resorters have benefited materially. The reduction in rates cannot help but stimulate business between the resorts and Holland, which an exorbitant rate would no doubt have retarded to a marked degree.

## TEMPERATURE WAS 87 DEGREES IN THE SHADE YESTERDAY

### MERCURY HAS BEEN CLIMBING STEADILY IN OTTAWA COUNTY

Dame Mercury went on her first spring carousal beginning Tuesday of this week, and Mr. Tullsen of the Ottawa County weather bureau noted that the thermometer on the top of the Masonic temple of Grand Haven Tuesday indicated a high mark of 79 degrees for the day. While this is not a record for this time of year, it is pretty close to summer temperature.

Yesterday the old thermometer at the Water Works at Holland was simply jumping skyward and the register showed that at 3 o'clock the indicator had reached 87 in the shade.

With the recent rains this heat has made great growing weather and is also great for baseball, and for the ice man, so why should we kick?

## TROUBLES HIT FORMER ROAD MAN IN A BUNCH

### GRAND HAVEN OFFICERS GET HIM, AND SO DOES WIFE OF SIX WEEKS

Louis A. Johnson, a former employee of the State Highway Commission in the engineer department, was taken into custody by Chief Pipple and Officer Lawrence DeWitt of Grand Haven. Johnson was taken while aboard a Goodrich boat tied up at the dock. He was held on a charge of "jumping a board bill" at Hotel Gildner.

Monday afternoon in Justice Dickinson's court he settled for the bill to the amount of \$30.80 and charges by the hotel management were dropped. Court costs of \$4.25 were also paid.

With the settlement of the hotel bill Johnson found he was not yet out of the woods for during his stay with the road commission last December it was found that he had married Hilda Swanson of Dennison. After living together for about six weeks it is alleged the two parted with Johnson requesting that his bride forget all about him as he was not the kind of a man she thought him to be. Upon hearing that her husband was held here, Mrs. Johnson came down from Grand Rapids and entered charges of wife desertion and non-support against him.

He appeared before Judge Wachs on the charge and was bound over to the August term of circuit court with bail placed at \$500. He is still in the county jail as he has not yet furnished the required bond.

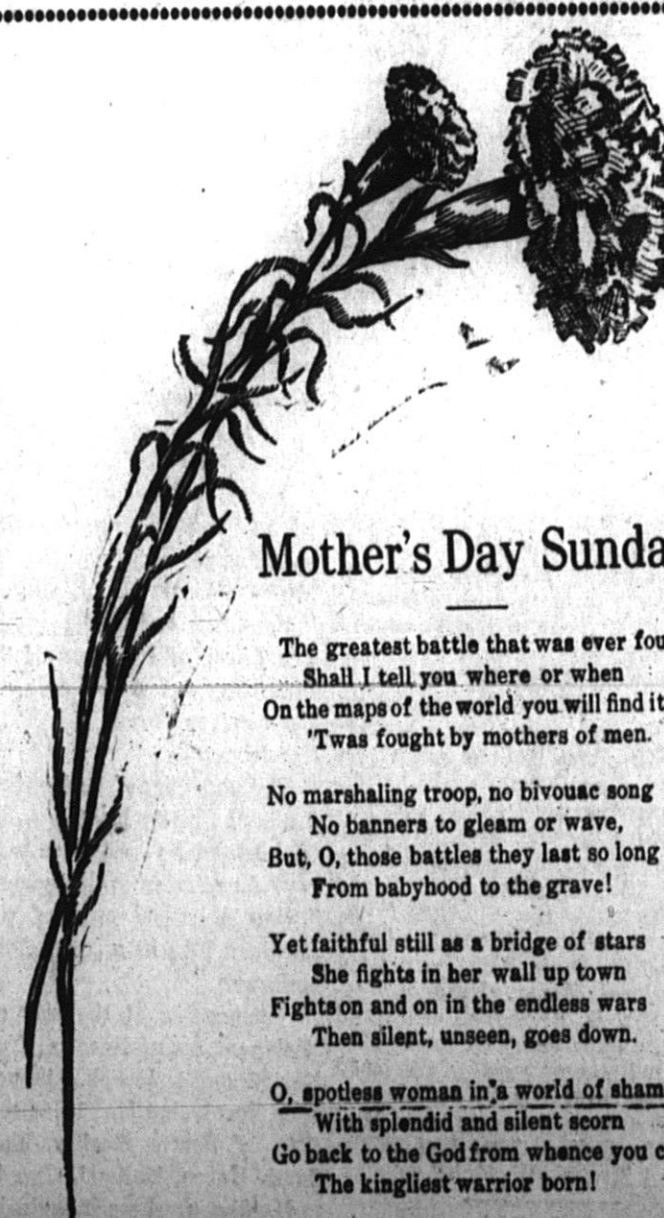

## 8TH GRADE EXAMINATIONS ARE BEING HELD NOW

Eighth grade examinations are being held today and tomorrow throughout Ottawa county. The examinations are under the general direction of County School Commissioner Stanton, with a local examiner at each place.

The examinations are being held in Spring Lake, Holland, Nunica, Coopersville, Conklin, Marne, Allendale, Hudsonville, Jamestown, and Borculo.

The Grand Haven items of twenty years ago has the following relating to a Holland man: Everett Dick of Holland was making successful experiments with wireless telegraphy.

A new beauty shop opened in Holland Wednesday under the name of "Ye Beauty Shoppe." It is being conducted by Gertrude R. Deagon and is located over 5 West 8th St. The new concern will carry everything usually carried by such stores.

## Mother's Day Sunday

The greatest battle that was ever fought  
Shall I tell you where or when  
On the maps of the world you will find it not  
'Twas fought by mothers of men.

No marshaling troop, no bivouac song  
No banners to gleam or wave,  
But, O, those battles they last so long  
From babyhood to the grave!

Yet faithful still as a bridge of stars  
She fights in her wall up town  
Fights on and on in the endless wars  
Then silent, unseen, goes down.

O, spotless woman in a world of shame  
With splendid and silent scorn  
Go back to the God from whence you came,  
The kindest warrior born!

## DECORATION DAY MEETING IS VERY POORLY ATTENDED

Not more than a dozen men found time to attend the public meeting at G. A. R. Hall, called by Mayor Stephan for the purpose of making preparations for Memorial Day.

The Mayor presided over the deliberations and B. A. Mulder was named as secretary.

It was decided that services for Memorial Sunday will be held in Trinity church Sunday morning, May 28, Rev. Clarence P. Dame, the pastor, being in charge of these devotions.

The Spanish War veterans, members of the Willard Leenhouts Post, American Legion, will march from G. A. R. Hall in a body followed by the old veterans and the Women's Relief Corps who will go by automobile.

The meeting Monday night was only a preliminary gathering, at which the different committees to handle the celebration were appointed.

Another meeting will be held at G. A. R. Hall next Monday night in order that the members of the committee may find out what has been done up to that time, and what is still to be accomplished.

At this gathering the line of march, the program of the exercises in Centennial Park, and also the program of the exercises at Pilgrim Home cemetery will have been fully arranged.

The officers named are: President of the day, Mayor E. P. Stephan; Chaplain, Rev. Clarence P. Dame; Orator, Hon. G. J. Diekema; Reader, Miss Maurine Lacaff; Marshal of the day, John Homfield; Bugler, George Moomey.

The different committees as appointed are as follows: Executive—C. H. McBride, Mrs. G. J. Diekema, E. P. Davis, Jacob Lokker, J. J. Riemersma.

Finance—Henry Winter, Otto P. Kramer, Henry Luidens.

Invitation and Program—Dr. A. Leenhouts, Mrs. J. S. Dykstra, B. A. Mulder, G. Van Schelven, M. Vande Water, Raymond Visscher.

Parade—John Homfield, Earnest Brooks, Miss Rose Slooter, Carl Shaw Frank Lieveense, Physical Director Slater.

Decorations—Harry R. Doesburg, Fred T. Miles, John Van Bragt, E. E. Fell, G. W. Kooyers, Henry Van Lente, Fred Beuwkes, Mrs. Henry Winter.

Music—John Van Vyven, Edward Stephan, Miss Evelyn Keppel, Willis A. Diekema, George Moomey, Arend Siersma.

Conveyance—John Boone, Andrew Klomparsens, W. H. Orr, John J. Cappon, Sears McLean, Peter Lieveense.

Voorhees Day, observed each year in honor of Mrs. Elizabeth R. Voorhees, who contributed a liberal amount to Hope College some years ago for the erection of Voorhees hall, was celebrated at that hall Monday. Mrs. Winifred H. Durfee, dean of Women at Hope College, and the women of the college, were hostesses to friends of the institution, about 175 guests having been invited. May 8th is the birthday anniversary of Mrs. Voorhees and that event is annually observed appropriately with an "At Home" at the dormitory. The first of these "At Homes" was held in 1910, and the day has been observed every year since then. Mrs. Voorhees is still living, her home being at Clinton, N. J.

There were a large number of guests Monday afternoon and a very enjoyable social hour was spent by them. Mrs. Bruno Meinecke and Mrs. A. T. Godfrey poured tea, while the college girls served the guests with tea, wafers and cake.

The Hope College orchestra, because of the conflicting activities upon the college campus, met for its last practice Monday night, and new officers were appointed for the ensuing year. Prof. Bruno Meinecke expressed himself pleased with the work done by the musicians, since he took up the work last fall, and is assured of a hearty co-operation next year. The orchestra will lose two valuable members in Miss Susanna Hamelink, pianist and Meinte Schuurmans, clarinetist, but has promises of adding a number of new and able members when the new season opens. The following officers have been elected: president, Wm. Zoerner; sec'y-treasurer, Joan Wassenaar; Librarian, Chester Yntema.

Reports have come to the Ottawa County Agricultural agent's office that there are many gophers this year. Gophers annually take a toll of thousands of bushels of corn in that they destroy seed after it is planted causing poor stands. They may be poisoned using tri-calcium arsenate poison on a few quarts of corn scattering where gophers will find it yet where birds will not find it.

Tri-calcium arsenate is a poison adapted to killing potato beetles, grasshoppers, mice, rats, gophers and for spraying except on stone fruits. The Board of Supervisors secured some of this material for grasshoppers and has some on hand at Grand Haven.

## MR. AND MRS. JOHN P. KOLLA LEAVE FOR FRENCH BIRTHPLACE

After a forty years' absence. Mr. and Mrs. Kolla of this city are going to visit the scenes of their childhood in Loraine. They are to sail from New York City on Wednesday, May 10th on the "S. S. France" and are to be abroad two or three months, traveling in France, Luxemburg, Germany, Italy, Switzerland, England, and the Netherlands.

Mr. Kolla has made arrangements to go through the vast mines and blast furnaces where he worked for six years prior to his coming to America. Mr. Kolla's father and two uncles also worked there, both of the uncles losing their lives in the mines.

Hauyange, Loraine, Mr. Kolla's birthplace and home until he was 20 years old, is the center of the iron and steel industry of France. In fact these interests are the greatest of their kind in all Europe. It is this Sarre Valley that was so much prized by Germany after the war of 1870 and it is an especial delight to Mr. and Mrs. Kolla to go back to Loraine now that their old home is again a part of France.

It will be seen that Mr. Kolla began his career in the iron manufacturing industry, literally "from the ground up." Working, first of all, way below the surface of the earth, in the iron and coal mines, he gained a thorough experience with the elemental commodities upon which the great Holland Furnace business was to be built.

Although Mr. Kolla's life in Loraine, as a young miner and iron worker, was hard, it is not strange that he went directly into the industry about which he knew most when he came to America. His spirit was nearly as forceful then as it is now, for he learned in his mother country that he was not to be held down. He worked for manufacturers of warm air furnaces in Ohio and has climbed steadily.

Persistence, industriousness, concentration and economy have gained for him the goal that they can gain for any man having will power enough to make use of them masterfully.

When he invented the Holland furnace and became superintendent of the Holland Furnace Co., he was fully prepared for the enormous responsibilities that have developed since he and Mr. Landwehr combined forces.

There are few men that have climbed the business ladder as steadily as Mr. Kolla, and therefore, few could enjoy a trip such as he is now starting out to make with his wife.

No doubt Mr. Kolla will meet not a few of the 40,000 co-workers who labored with him in the mines forty years ago.

## LOCAL CONTRACTOR HAS ANOTHER SCHOOL CONTRACT

Contractor Frank Dyke who has acquired a state reputation as a school and college builder has secured another school contract at Grandville.

He has been given the job of erecting a \$60,000.00 school at that place to be completed this fall.

Mr. Dyke has built schools in Allegan, Holland, Jackson, Petoskey and Grand Rapids.

Twenty-three were charged with driving without a taillight, two parking without lights lit, one running by a semaphore when it was turned against him.

Mr. Van Ry has written all these men to appear in his office and up to this time only a few have answered the call and those few have made an assessment of \$2 for the first offense.

Mr. Van Ry states that he expects to have the list completed with a few days.

The May meeting of the Home Missionary society of the Methodist church as held Monday evening at the home of Mrs. H. Te Roller, 184 E. 5th street. Community singing was led by Mrs. Maris. Mrs. E. Markham assisted by Mrs. Whitman, conducted very impressive devotions. A report of the Grand Rapids district convention, recently held at Sparta, was given in detail by Mrs. G. C. Moody, and other ladies attending. Many pleasing features were brought out showing that Holland has a very enthusiastic auxiliary in all its departments, the work of the children being above the average. Two readings were given, one by Mrs. H. Cook entitled "Following the Glean," and "The Epworth Home School," by Mrs. E. B. Rich. This is a mission school at St. Louis, Mo., conducted the National Home Missionary society. Mrs. O. Brightwell conducted especially interesting enigmas. Mrs. G. Atwood was very gladly welcomed back after nearly a year's absence in other states. Hostesses were Mrs. A. E. Mc Clellan, Mrs. Etta Whitman, and Mrs. H. W. Smith.

Attorney G. J. Diekema was in Grand Rapids on business Tuesday.

## "YOUNG AMERICA" WAS OUT IN FORCE SATURDAY

Saturday afternoon was a great day for "Young America" of Holland.

Sometime ago the Rotary Club of this city fostered the pulling off of a field day for the young boys of all the schools in this city, the program to be staged at the Holland Fair grounds.

Physical Director, Mr. Slater of the high school and Scout Master Earnest Brooks, together with the other Scoutmasters of the city, took charge of 700 young lads who gathered in Centennial Park at 2 o'clock Saturday and with colors flying the several hundred young chaps with military step kept time to the bugle and the drum.

The parade was formed in divisions each division being preceded by a standard bearer indicating the school from which they upils came.

At the fairgrounds all sorts of sports were arranged, and nearly every member of the Rotary club was present to aid the committee in pulling off these events.

Four baseball games and several games of soccer ball were in progress at the same time.

The business men came forward liberally with prizes to be given to the winners in the different events.

Baseballs, bats, books, jack-knives, scout outfits, gloves—in fact a long list of prizes were placed on display and believe us the young fellows had their eyes glued on these objects, and the competitive spirit to win in the contests soon was strong.

Rev. Fleming, who is a good judge of crowds stated that here were at least seven hundred present. He said that he was accustomed to counting sheep, so the committee gave him the task of counting the kiddies, and to show that his reverence was not far out of the way the commissary department reported that after the boys had waded through the "chuck", they had disposed of 1500 cookies, 750 buns, 750 "hot dogs" and 700 doughnuts.

The number of boys figured on was far surpassed by the crowd attending and an automobile was hastily sent to the city or 200 more rations. These came in time however, and all were well taken care of.

Mayor Stephan showed his interest by coming into the crowd of boys with a basket of steaming "hot dogs" and distributing them among the hungry kids.

The winners in the contest as given by Mr. Brooks are as follows:

Bike Race—Vander Wege and John Timmer.

Winners of Running Races—C. Unema, L. Meyer, Essenberg, Romeyn.

Three-legged Races—VanderWege, and Kammeraad; Sinke and Hulst.

Egg Race—Hofstein.

Relay Races—High School; Christian School.

100 Yd. Dash—F. Mosier; Keegstra.

## HOLLAND MAY GET TRAVEL FROM TWO PIKES

Austin Harrington, chairman of the Ottawa county road commission is fostering a project that will divert the travel from the Dixie highway to the Pike at St. Joe, and there is no doubt but that with our completed West Michigan Pike and the incomplete Dixie highway, Lake Michigan towns are going to receive a larger portion of the travel that comes from the southern states as well as the travel coming from Chicago and the West.

The Dixie Highway enters the state at Niles and it is the intention thru petition to divert the route going cross country to St. Joe, and also branching off by a sort of a fork taking in Kalamazoo, Plainwell and Grand Rapids.

It is the expectation to circulate petitions to be sent to the Dixie Highway commission.

What is contained in the petition follows below and is self-explanatory. Three petitions are being circulated and can be found in the three banks of the city.

"Honorable M. M. Allison,

President and The Board of Directors of the Dixie Highway Association, Chattanooga, Tenn.

Gentlemen:

The undersigned residents of ..... and vicinity located on the West Michigan Pike respectfully petition your Association to designate the following described part of the West Michigan Pike as a part of the Dixie highway.

Commencing at the city of Niles, Michigan, and following Trunk line No. 58 to St. Joseph, thence north over Trunk line No. 11, through the cities of Benton Harbor, Watervliet, South Haven, Holland, Grand Haven to Muskegon, where it again joins the Dixie Highway.

This makes a loop which passes near the shore of Lake Michigan touching the lake at a number of places and passing through one of the best fruit raising sections of Michigan.

This loop routing we believe would be beneficial to the Dixie Highway and to its tourists and would be a valuable addition to your great road system. Many tourists coming from inland points desire to reach Lake Michigan with its cooling breezes as soon as they enter the state. This route is but 23.5 miles from Niles to the big lake at St. Joseph. This route from Niles to Muskegon logs is 123.5 miles.

The above description is marked on the latest official State Highway map copies of which are in the hands of our vice president, Hon. Phil T. Colgrove and your directors, Hon. Frank Hamilton and Hon. Wm. E. Metzger.

The well known baseball team of the North End of the city has been re-organized for the season. The North Ends have gotten together some fine material from different parts of the city and intend to make a fine showing in amateur base ball this coming season. Ed Bredeweg has been elected captain and manager.

The North Ends would like to book games with some fast teams in and around town. See Edward Bredeweg or write 147 River Avenue.

## "SPONGE BRIGADE" IS CAUSE OF DISCUSSION AMONG HOLLAND FANS

Grand Rapids Herald—"Every member of the Holland baseball team is a resident of Holland and vicinity. The city they represent in a fight for the independent championship is very proud of the representation. Nothing is asked of the city by the players except attendance support which will at least make their efforts appear to be appreciated. Spriggs, Shaw, Smith, Batema and Steggerda were offered league berths this year and turned them down that they might stick with their home town team.

Real sportsmen of the city who give their support to the team by paying admission to every game it plays at home that they can attend, are as ashamed of a small army of spongers as they are proud of the team. When the Grand Rapids and Ionia league teams played hundreds saw the game from the outside without paying admission, remaining seated in auto mobiles stationed just outside of the wire fence which encloses the grounds.

A local photographer is planning on taking photographs of the automobile sponge brigade and posting them in the window of a downtown drug store, that those who help support the team may see who the slackers are."

## JOHN TIBBE FALLS TO HIS DEATH AT MACATAWA PARK

John J. Tibbe, 94 W. 18th street, met with a terrible accident at 3 o'clock Monday afternoon, at Macatawa Park, which resulted in his death at Holland Hospital an hour later.

Mr. Tibbe, who is a contractor, took two of his men to a cottage on Mishawauka avenue, that needed repairing. The railing on a porch high up from the ground had been weakened and needed fixing. The last that the two men saw of Mr. Tibbe was when he was shaking this railing in order to find out where the repairs had to be made.

A few moments later, they were attracted by a gurgling cry, and they rushed below to find Mr. Tibbe lying on the cement sidewalk, where he had fallen head first from the porch above, a distance of at least ten feet. The two men quickly carried Mr. Tibbe to an automobile and then rushed with him to Holland Hospital where it was found that his skull had been badly fractured and the unfortunate man could not possibly live.

Mr. Tibbe never regained consciousness and died an hour after the accident had occurred.

Mr. Tibbe had been a devout member of the First Reformed church for many years and three years ago he was elected deacon by the congregation and last Sunday as was his custom, he took up the collection for the last time.

He has been a Sunday school teacher in this church for several years and was generally active in church work.

The funeral was held on Thursday afternoon at 1:15 from the home and at 2 o'clock from the First Reformed church, Rev. James Weyer officiating. His fellow deacons were the active pall bearers at the funeral.

He is survived by a wife and two children. Mr. Tibbe was 40 years of age.

Principal J. J. Riemersma Friday morning announced the winners in the George E. Kollen public speaking contest and those who won honorable mention. The contest was held on Wednesday and Thursday mornings, and 21 contestants took part. It was not an oratorical contest but one of brief extemporaneous speeches.

Gerrit De Koning won the first prize of \$15 with his address on the subject "Ambition." The second prize of \$10 went to Otto VanDyke who spoke on the theme "Forest Conservation." These two prizes will be awarded to the winners on commencement night.

Honorable mention was received by the following: Jay Wabeke, speaking on the subject, "Did the War Pay?"; John Henry Albers, "The Formation of Habits;" and Quirinus Breen, "Building on a Solid Foundation."

There was a wide variety of subjects in the contest, such themes as "Daylight Saving," "The Value of Good Music," "Americanization," "Day Dreaming," being discussed by the youthful orators.

It was the best contest ever held at the Holland High school, according to those who heard the speeches. There was a great deal of warm rivalry, and the speakers exerted themselves with telling effect to drive home their points. A number of visitors were present both mornings of the contest, and the speeches showed that there is a great deal of real oratory bottled up in the high school students. The regular members of the high school faculty served as the judges.

Mr. John Hager of Patterson, N. J. and a senior at Hope College, has been honored with a Michigan State College Fellowship to the University of Michigan. This fellowship is one of the highest honors that can be given to any student and is a faculty award. Mr. Hager will receive a stipend of \$425, besides tuition, and is entitled to all university privileges, with the entire time at his disposal. He will not be subject to any other requirements than other students, and will be free to pursue his advanced work there. Mr. Hager has been a classical student at Hope, has won distinction at the local institution in literary lines, and expects to specialize in courses of philosophy and psychology, which he began at Hope.

The Holland High school baseball team at Water Works Park Friday, avenged themselves for a defeat handed them last week at Grand Haven, when by a game uphill battle they forced the county seat lads to take a short end of a 9-8 score. Both teams were weak in field 15 errors being made, which slowed the game considerably. Van Toll and Muller were batteries for Grand Haven, and this can only be done by run-while Albers and Japinga were on nging an automobile at a moderate rate of speed.

## THREE BUSINESS PLACES ARE SWINDLED

The local police have been quietly working on a clue that may lead to the apprehension of a man who swindled the Superior Cigar Store, River avenue, Mrs. Gross Millinery, and the Stetekoe Tire shop, both located on East 8th street, out of \$30 respectively.

The swindler and his wife played the same threadbare old game by going in and purchasing goods then offering a check in payment, and taking change.

The checks were made out by J. H. Walch, made payable to Guy Swartz. The transactions were all made after 4 o'clock and the banks were closed.

The checks were made out for \$30 each or \$90 in all on the three stores. At the Superior Cigar company some sporting goods were purchased for the kiddies at home who possibly never existed. At the millinery store the Mrs. Guy Swartz—supposed to be—got a hat and walked off with it, the husband paying with a check.

At the Stetekoe Tire Shop the man purchased a cheap tire, paid with a check of \$30, getting in return the difference in change, but said that he would call for the tire later. He never returned for the tire, nor will he ever come back with the change.

The next morning three sadder but wiser business folks were rather crest-fallen when they were told at a cashier's widow that there were no funds. The amount in change received by the pair was in the neighborhood of \$70.00. The local police have telephoned to the neighboring towns and Chief Carrol of Grand Rapids stated that the pair had been working in that city with poor success.

The last seen of them was on an interurban car going to Grand Rapids.

It is doubtful if there is anyone else now in the service of the city of Holland or who has been in the city's service in the past as alderman who has such a good attendance record as Alderman Frank Brieve, council member for the second ward. Mr. Brieve is now in the middle of his fourth term, which means that he has been in the council just seven years, and in all that time he has missed only one meeting. At that meeting he would not have missed if a storm had not prevented his attendance. He had been to Grand Rapids in the afternoon one winter day, and a snow storm interfered with the interurban schedule, so that the car on which Mr. Brieve was returning to Holland was held up on the way by blocked tracks.

Mr. Brieve is just as faithful in attending committee meetings as he is in being present at council sessions. Of these committee meetings there are sometimes several a week, but he is always to be found on duty.

The boat matters at Saugatuck, appear to be definitely settled, the only question now being as to how soon the dredging work can be done.

J. S. Morton, president of the boat company was at Saugatuck Thursday and concluded the deal for the purchase of the Britain dock, paying, it is understood, \$10,000 for the property. Mr. Morton also brought a draft for \$4500 as his company's contribution toward the harbor improvement. This with \$3500 voted by the township and \$1000 subscribed by the Chicago, Duluth & Georgian Bay Transportation Co., was forwarded to the proper authorities at Washington. The government has set aside \$9000 for the work, making \$18,000 in all to be expended in making a 90 foot channel for the deepest draft lake boats from the village to the mouth of the river.

The village will quitclaim to the stub end of Main street and will pave Main street from Water to Butler the full width of the street. It is also desired to have Water street paved in front of the dock property, and also eventually Mary street to Butler, thus forming a loop which would facilitate access to the docks.

Mr. Morton believes the dredging and other necessary work will be done in time to enable the steamer City of Saugatuck to come up the river and give her godmother the once-over by the Fourth of July.

A new kind of business has been organized in Holland, something that this city has never had before. It is a wholesale paper house and its service will be a great convenience to the local merchants.

The company was formed by J. H. Van Lente and Benj. L. Hamm, both well known local business men who have been in business in Holland for years. It will be known as the Van Lente & Hamm Co., and will be located in the building formerly occupied by the Holland Grain Co., 190 East 11th street. The new firm will handle paper bags, wrapping paper, and sundry articles in that line.

Arie TerHaar, living on Central Avenue was arrested for going 27 miles on his own street. Speed Cop Bontekoe who has been off the force for some time, being disabled because of a serious "spill," he had had some time ago, was reinstated by Chief of Police Van Ry and made his first arrest Thursday.

Ter Haar paid a fine of \$10 and \$3.75 costs before Justice Van Schelven. This is \$5 more than the minimum fine imposed last year, but all the Justices in the city have come to an agreement that the lowest fine to be assessed this summer for speeding will be a "ten spot," with the costs of \$3.75 added thereto.

The judges all feel that speeding must stop for with the addition of new automobiles to the already crowded highways, travel is becoming more dangerous every day and considerably. Van Toll and Muller were batteries for Grand Haven, and this can only be done by run-while Albers and Japinga were on nging an automobile at a moderate rate of speed.

## CATCHES 18 POUND MUSKY WITH ROD AND LINE

Louis Aldus, 261 East 14th street, had the surprise of his life Friday night while fishing for speckled bass in Black River near the fork of the river. His minnow was taken by a huge fish that came near jerking the young man into the water. He managed to bring it to land and then broke its neck with a club.

The fish proved to be a muskylunge and tipped the scales at 18 pounds. It length was three and a half feet. This is said to be the largest musky ever caught in local waters with rod and line. Aldus had a picture taken of the fish and he also had an official of the rod and gun club take official measurements.

## "JUNIOR HIGH NIGHT" PLEASES AUDIENCE

The program given by the Junior High Thursday and Friday nights was first-class in every respect. The children had been well drilled and presented a very charming picture in

every number. The stage lighting and draperies added materially to the delight of each scene. The patriotic note was sounded from the "Living Flag" to the closing play.

It was a thrilling sight when the curtain rose and showed the "crowned heads" of 200 girls and boys representing our country's flag. The alternating stripes of red and the stars on the field of blue received great applause and much pleasurable comment from the audience, especially after the graceful motions representing the waving of the banner.

If it is possible to speak however, of one number as being more popular than another, it would be so to designate the Indian Drill. The big chief in feather and blanket, the skulking braves, war paint, bows and arrows, hatchets, war dance and drum beat were all frightfully realistic.

Edward Wendell's musical reading, "I got the mumps," did not ask for sympathy but won the admiration of the audience for the clever telling of how everybody was good to him now.

The gleeclub, chorus, orchestra accompanists all deserve special

mention. Miss Cogdal has proved that boys and girls can make melody, "clever little actors and actresses." The Colonial costumes and stage setting, the youthful patriotism of James, whistling obligato by Basil Mitchell, the sacrifice of the women, the venturesomeness of Faith, and the dignity of General Washington—all won admiration of the audience.

**Everyday Health and How to Know It**

Health Talk No. 20

By JOHN DE JONGE, D. C.

Everyday health depends on temperate habits but most of all upon an active liver. A multitude of troubles camp on the trail of the man who suffers from an inactive liver. Bowel wastes are poisonous and will quickly break down the health if not completely eliminated daily.

Where the sluggish liver is due to interference with the proper transmission of nerve impulses there is no relief to be obtained except through skillfully administered chiropractic spinal adjustments. It is sometimes the case where the condition is one of long standing that the adjustments will be slow in bringing results, but in most cases results are quickly obtained.

### General Health Much Improved.

"For a number of years I suffered from sluggish liver and indigestion. I tried many things with no appreciable results before I was advised to try chiropractic. I can now say that my general health from day to day is excellent and my physical condition much improved."—Rev. J. H. Barnes, Chiropractic Research Bureau Statement No. 1314H.

Paul Scholten is erecting a new home in Holland to which city they will move when the home is completed.—Zeeland Record.

Within 20 years, an electrical expert at Grand Haven predicted electricity will take the place of the servant girl in the home and the hired man on the farm. Already it is sometimes almost as invisible.

Mr. John Van Zanten who was operated on at Holland Hospital for appendicitis is recovering satisfactorily.

The black scarf worn by sailors in U. S. Navy is in memory of the seamen who died in previous wars. The four stripes woven in the edge of the scarf represent the four great wars in which the American navy has participated.

Hilda Hansen, the daughter of Mr. and Mrs. Chris Hansen of the North Side, who has been spending about eight months in Colorado, has returned home, very much improved in health.

Fred J. Waltz was arrested by Speed Cop Bontekoe for going 20 miles on Central avenue, while Wm. Ames of Grand Rapids was gathered in for going 27 miles on the same avenue.

The Royal Neighbors will give a dance in Woodman Hall on Thursday evening. VanVynen's orchestra will furnish the music. All friends are invited.

Vanden Berg Bros. of Holland who conduct their oil interests on the east end of the city are also conducting a service station in the city of Zeeland, six days of every week. The station is located on State street, near the Pere Marquette railroad, is closed on Sundays.

Henry Luidens sold his home at 178 West 11th street to Attorney Jay Den Herder. Mr. Luidens will move to Virginia Park during the summer, but has made no further plans for his future home. Mr. and Mrs. Den Herder will occupy their new home some time in June.

Drs. Yonker and Boone of Zeeland were hurriedly called to the Zeeland schools where it was found that Miss Margaret Muller had been bitten by two dogs while pupils were at play during recess. The dogs were owned by Simon Bouwens and Wm. Diemer. The common council at Zeeland ordered the dogs killed and their brains forwarded to Ann Arbor for analysis to determine whether they were afflicted with rabies.

A \$425 free fellowship, including tuition, has been received from the U. of M. by Raymond Hoekstra, a senior student at Calvin college. This is the first time a student has ever been awarded a fellowship by the university board of regents.—G. R. Herald.

Dr. Charles F. Brown of Yale University, was a guest of honor on the Hope College Campus Friday and addressed the student body. The theme of Dr. Brown's address was knowledge and its application to present day needs and problems.

The new city inspector, Henry S. Bosch, has finished cleaning up W. 7th street and Pine avenue that has been made a dumping ground by some for old mattresses and other discarded articles, and he announced today that that section must not be used for dumping. It took a man with a team a day and a half to cart all the rubbish away, and if any one is caught dumping trash there he will be prosecuted.

At a meeting of Board of Health May 6th, the health office and city inspector were directed to inspect rigidly all milk men's stations where milk is being bottled for distribution. This is being thoroughly done. On the scale of 100 none has been marked higher than 75, the highest 75—lowest 60. One condemned. Many suggestions were made for improvement.

Because of the closing of several roads near Grand Haven and Spring Lake motorists going to Grand Rapids are rather up against it and must now take the Eastmanville bridge to Allendale, and thence west and north to Grand Haven or vice versa if the Grand Havenites wish to go to Grand Rapids. A new way has been named whereby six miles can be saved. This is by taking a ferry 9 miles from Grand Rapids. The ferry has been christened "The Maryanne" and can handle four large automobiles at one time. The ferry has been established by the Ottawa County Road Commission and makes the route six miles shorter than the Eastmanville route.

Rev. Albert Oltmans, a veteran missionary of the Reformed church in Japan, has reached San Francisco on his 7th furlough. Mrs. Oltmans, Miss C. Janet Oltmans, Rev. Henry DePree and family of China and Dr. Uemura of Japan were included in the party from the Orient. Dr. Oltmans has been in field for 36 years.

Henry Hoffmeyer while scuffling with a friend in a friendly tussle at one of the local factories during the noon hour Monday, fell and had his leg broken in two places. The ambulance conveyed the man to the office of Dr. Winter and Hoffmeyer was given medical attention. Afterwards he was taken to his home.

Rev. J. P. Winter of Fairview, Ill. was called home Friday on account of serious illness of his granddaughter June. Rev. Winter was a delegate to the Particular Synod and had expected to remain for the meeting next week of the board of superintendents of the Theological Seminary of which he is a member.

Jake Lokker, who has been ill for the past several weeks, is again riding about in his automobile.

Saturday morning the automobile driven by L. N. Benedict of Fennville was struck by a Ford, seven miles southwest of that place. The Ford was reported to have been on the wrong side of the road and was without lights. After it struck Benedict's car the driver ran away from the accident. Undersheriff Oliver investigated and found the car registered as belonging to Floyd Russell of Bravo. The Benedict car was not damaged very seriously or Mr. Benedict badly injured.

The American Legion District meet is to be held in Zeeland and Holland in August. The Karsten and Leenhouts Posts of the two cities will join. In the morning of the day to be designated, the business sessions are to be held at Zeeland in Legion Hall. The party will then go to Holland for the Woman's Auxiliary session. After this meeting is adjourned the men and women will go on a picnic to Lake Michigan, the place to be designated later.

The store force of the Van Ark Furniture Co. and their wives surprised Henry Van Ark on his birthday Thursday. A picnic lunch was enjoyed and games were played.

The funeral of Mrs. John Sterken of Zutphen formerly of Holland took place on Friday. Mrs. Sterken was well known in this city and was the sister of Jacob Haan, proprietor of the Rexall Drug store and of John Haan running a similar store in Zeeland. Interment took place in Zutphen cemetery.

J. J. Kobza had an accident with his Bush car last Monday afternoon. While on the way to Holland he met Mrs. F. Harkema accompanied by her husband driving a Ford truck. She lost control of the car and collided with Mr. Kobza's Bush car damaging front and rear fenders and smashing the running board. The wheel was broken on the truck. Axle, radius rods and springs were twisted and many other parts damaged.—Fennville Herald.

Rev. Harry Hoffa, a graduate of Hope College, now filling a charge at Coopersville, has been invited to take the pastorate of the Reformed church at Englewood, Chicago.

Lansing postoffice officials advise: "Apply the Golden Rule when you mail a letter not only during Postal Improvement Week but at all future times." This rule as we are advising our creditors, runs "Do unto others as you would be done by."

The report that a new Standard Oil service station had been built in Zeeland is in error, according to M. Hirdis, proprietor of the only service station in Zeeland. He also states that the service station is not open seven days a week, but is closed on Sundays.

Most of Holland's automobile owners drove to South Haven or Douglas Sunday, enjoying the fragrance of the fruit trees that are now nearly all in blossom.

Melvin Smith, former supervisor of Ottawa county and sec'y of the Farm Bureau, died last week at his home in Tallmadge township. Mr. Smith served as a supervisor of Ottawa county for three years.

Born to Mr. and Mrs. Charles Drew, 198 West 15th street, a 10 lb. daughter. "Cubby" is passing the cigars at the cashier's window.

Mrs. Jacob Elenbass of Zeeland, has returned from Holland hospital this week where she submitted to an operation about three weeks ago.

Mrs. Gertie Wierda sold her property on West Main street to Gerrit LaHuis. Mrs. Wierda and family expect to move to Holland—Zeeland Record.

The road survey led through the buildings and private property, including the Co-op. warehouse, a meat market, a drug store, a grocery and other structures. The buildings were purchased outright by the county commission, along with the land. They were auctioned off and either moved from the line of the survey or torn down. The cost was more than covered by the saving in paving distance.

While the transactions have not been carried on without considerable difficulty, the greater part of the preliminary work for the new road has been completed. Practically all of the land needed has been secured.

The straightening out of the highway is in accordance with the policy of the county road commission to build their roads as nearly as possible in a straight line as the shortest distance between two points. Another policy of the Ottawa County commission, now being adopted by other commissions all over Michigan is the elimination of the dangerous railroad crossings wherever possible.

On the proposed new route thru Hudsonville no less than 8 railroad crossings have been eliminated. No one can estimate how many lives will be saved by this avoidance of one element of danger to motorists.

The W. C. T. U. will meet Friday afternoon at the home of Mrs. N. Hofstee, 158 West 14th street. The subject will be "Parliamentary Usage," and will be in charge of Mrs. R. N. Baker; music by a ladies' quartet; the prize essay in the Beechwood school contest will be read; parliamentary law class at 2:30, Mrs. DeMerrell in charge.

Cornelius Voshel, Grand Haven street commissioner, sustained a broken arm and some bad bruises while riding home from work on his bicycle Tuesday night. Mr. Voshel was riding east on Washington street in the east end business district when an automobile approached. He turned aside into a driveway to escape being run down for he had been riding very near the curb but the auto's followed him into the drive causing the injuries mentioned. The driver of the automobile was a woman whose name was not learned.

Edner E. Slagh, a senior in Holland high school, son of Mr. and Mrs. Bert Slagh, was taken ill with appendicitis Tuesday and an immediate operation was deemed necessary. The operation took place at 10:30 Tuesday evening at the Slagh home, College avenue, and was successful.

### GIVE SHOWER IN HONOR OF BRIDE-TO-BE

"It never rains, but it pours," is a saying that often proves true to life. At least, so thought Miss Alice Vos, on Thursday evening when she arrived at the home of Miss Bertha Vos, East 16th street, and found some sixteen young ladies awaiting her arrival.

Miss Vos, who is soon to become a bride, has had several surprises in the last two weeks. Mrs. Herman Gerritsen and Miss Jennie Kalmink also having entertained in her honor.

The event Thursday evening proved to be a miscellaneous shower, and Miss Vos was the recipient of many beautiful and useful gifts.

The feature of the evening's entertainment was a mock marriage, the Misses Mary Landman and Bertha Vos playing the role of bride and groom respectively while Miss Florence Branderhorst performed the ceremony. The knot however, has already been severed.

A dainty luncheon was served by the hostesses, the Misses Mary Landman and Bertha Vos, and the girls after having enjoyed the evening adjourned to their respective homes.

Those present were the Misses Alice Vos, Florence Branderhorst, Jennie Kalmink, Rena Vos, Mary Landman, Bertha Vos, Josie Donia, Henrietta Van Druver, Helen Vos, Flora Landman, Elizabeth Rotman, Berdine Roelofs, Jennie Kalmink, Marie Kalkman, and Desne Beltman.

### GRAND HAVEN ATTORNEY CANDIDATE FOR COUNTY OFFICE

Grand Haven Tribune—Hugh E. Lillie of this city has formally announced his candidacy for the Republican nomination for Prosecuting Attorney of Ottawa county. Mr. Lillie is almost too well known in Grand Haven and throughout the county to need an introduction. He is the youngest son of the late W. I. Lillie, who for so many years was one of the leading attorneys in Western Michigan, many times elected by his fellow citizens to posts of trust. Mr. Lillie in his youth decided to follow his father's footsteps into the legal profession. Following his graduation from Grand Haven high school, he entered the law department of the University of Michigan.

He received his degree from the university and was admitted to the bar in 1915, at that time being one of the youngest attorneys admitted to practice in the state. He entered a partnership with his father and was associated with him until the death of Mr. Lillie, the elder. He has the confidence of the legal fraternity and the people of the community. He has been legal representative for Grand Haven banks, and has handled most of the legal work for the Ottawa County Road commission for some time.

Ottawa county was given some interesting general notice, aside from its Red Cross work, at the Regional Conference of the American Red Cross at Battle Creek Tuesday. Ottawa's representatives at the conference were Mrs. G. J. Van Duren, acting secretary of the Home Service department for southern Ottawa and Mrs. Eleanor McNett, secretary for northern Ottawa.

Mrs. McNett was on the program to tell what work Ottawa has been doing the past year, and incidentally introductory to her report, she told the delegates about the beauties and wealth of Ottawa county. She described the lakes and resorts of Ottawa, told of the manufacturing institutions that have won fame in many states, and described the prosperity of Ottawa's farming section. Lastly she described the famous dune country of Ottawa, which though lacking in actual monetary wealth, has a wealth in beauty that is hard to be surpassed anywhere.

Mrs. McNett reported that the southern part of Ottawa has sent out \$1500 worth of work the past year. Holland alone sent out 260 layettes in addition to all the knitted goods. The north half of the county contributed about \$900 worth of goods, mostly for Russia and Hungary.

Michigan has been taken out of the Lake Division and put back into the Central Division, and at the conference Tuesday Starr Cadwallader, manager of the Lake Division, gave an address of farewell to Michigan, while Mr. Davidson, of the Central Division, welcomed back the Wolverine state.

There were speakers on the program from Battle Creek, Allegan, Kalamazoo, Hastings, Chicago, Jackson, Grand Haven, and other places. It was strongly pointed out by the speakers that the Red Cross was originally started as a peace movement and therefore it should not be looked upon as a war movement but should be kept going in peace time with the same enthusiasm as during a war.

### HOLLAND BOY NOT RESPONSIBLE FOR TERRIBLE AUTO ACCIDENT

A coroner's jury which has been hearing testimony in the automobile accident at Ionia ave. and Hall-st. at Grand Rapids in which two children were killed and three injured last month. Tuesday exonerated Theodore Peters, 19, of Holland and a Calvin college student, of responsibility.

"From the evidence submitted, we believe, that the accident was unavoidable and find no evidence of criminality on the part of any person or persons," the verdict read. Anna VanEck, 10, and Jean Meyer, 6, were killed when an automobile driven by Peters ran over the curb after a collision with an automobile driven by Ralph Rockwell, 20 Cutler-st., SW.

Mrs. Abraham Peters, of this city, mother of the driver, was among the witnesses Tuesday. She denied her son had been driving fast or was conversing with a younger brother at the time the accident happened.

### BOYS GO IN SWIMMING FOR FIRST TIME THIS SEASON

It is a little early as yet for the opening of the bathing season, but that did not stop a number of boys from trying out the water Tuesday to see how cold it was. A group of them went to the "ole swimmin' hole" at the stone quarry and took the first dip of the season.

They report that the water was a little cool, but they would not admit that it was really cold.

### DIRECTORS OF FIRST STATE BANK PASS RESOLUTIONS

#### RESOLUTIONS RELATING TO THE DEATH OF THE HON. ISAAC MARSLIJE

The following resolutions were passed by the directors of the First State Bank in behalf of the Hon. Isaac Marsilje who for many years was closely identified with this banking institution and was its first cashier, some thirty years ago:—

On March 6th, 1922, Hon. Isaac Marsilje died at the advanced age of 75 years, after a lingering illness. He was one of the organizers of the Bank in 1889, and was its first cashier.

During this long period extending over more than thirty-two years, he served continuously as a director and as the secretary of the board of directors and of its discount committee.

He was a man of exceptional ability and of spotless integrity and always enjoyed the personal goodwill and friendship of the members of the board, as well as the absolute confidence of the patrons of the bank.

He was a born banker and a thorough student of finance. His clear and impartial business judgment, as well as his great experience, wide acquaintance and accurate knowledge of human nature made him a valuable counselor and a safe guide.

While he was interested in many local business enterprises to which he gave much time and energy, the First State Bank was always his first love and to its success he gave a measure of devotion which was as rare as it was beneficial. Language is too poor to express our sense of loss. His life is another example of what a young man, deprived of an education by early untoward circumstances, can accomplish by industry, frugality and persistent endeavor, provided he has the fear of God in his heart and is possessed of native mental capacity.

His home life, his public service and his church relations were all in keeping with his business activities and contributed to give him his well deserved reputation.

To his bereaved family we extend our sincere sympathy, and in the future management of the affairs of the bank, we will long remember his wise counsel and his valuable services.

### FORDSON TRACTOR SALES INCREASE

April Expected to Be Record-Breaking Month

At the Ford Motor Co., Detroit, has been increasing the output of Fordsons daily since the first of the year, retail sales have maintained even a greater advance.

April requirements necessitate the building of four hundred Fordsons a day, and production is being further increased as rapidly as possible. This is the Ford Co's largest output since 1919, and it is expected that production will have broken all previous records before the end of the month.

The increased buying of Fordsons indicates that the farmer's position is better and also is the farmer's endorsement of the Fordson price-cut which created considerable comment throughout the country.

Besides the Fordsons being sold for farm use, many are being sold in the cities as power units for hauling excavating, grading and other kinds of industrial work.

### WE MUST DO SOMETHING FOR OUR BASE BALL TEAM

There is no doubt that Holland has been drive ridden. During the war it has been one drive after another. No one knows this better than the writer, for hundreds of columns of space have been devoted to these many causes, until the word "drive" has become a wearying sound in the ears of the newspaper man, and he hardly knows what next to write on such subjects, without hashing and rehashing again and again.

No doubt all these causes are very meritorious and cannot be left unnoticed. However, there is a cause coming up that is very near and dear to the hearts of hundreds of baseball fans whose summer's delight it is to see the great national game.

Holland has a team that is second to none. Every man jack of them is a Holland product and his knowledge of baseball has been attained right here in our midst.

The Holland Independent team has an enviable record back of it, last season being in on the money offered to the highest scoring team in the state tournament.

This year it has been cleaning up on state league teams, beating Ionia and only by a "fluke" Grand Rapids succeeded in winning by one score.

These exhibitions of baseball skill could not help but attract the attention of other cities in the state whose baseball backers are willing to spend money in order that they may bolster up their respective teams.

They have been hearing all kinds of things about the Holland players, and the enviable winning start of the Independents has put the team in the forefront in baseball circles in Michigan. The result has been that every man on the team has received from one to three offers asking them to come to other cities to play for the season.

A great many of the boys are satisfied having good jobs here, but there are three or four exceptionally fine players, who are not employed, have only a baseball team without a salary list attached, to depend upon.

Now something should be done to keep these players in the city. Some suitable occupation should be furnished them in order that they may be able to get away when the team plays in or out of town.

Surely Holland has pride enough it seems, judging from the heavy attendance of men and women in all walks of life, to see to it that these men get proper compensation, either by giving them a position or a salary that will at least compensate them for their efforts.

Surely baseball players cannot be expected to play at nothing a season, purely for our enjoyment and edification.

It hardly seems possible that in Holland with its fifty odd manufacturing establishments, and as many more business houses a suitable job could not be found in order that these men may be taken care of.

If Holland wishes to keep its team intact giving the brand of baseball that has been par excellence, and if Holland wishes to stay on the map as being the best independent baseball town in the state, of its size, a name it has held for years, and since the time of Neil Ball, Tony VandersHill, the De Pree boys and others, then we advise baseball fans to attend a public meeting that has been called at the city hall for Friday night.

The mayor has kindly allowed the use of the court room for this purpose and at 7:45 after the meeting has been called to order ways and means will be formed by which Holland's ball team may be kept intact.

### NO MORE LOOPING THE LOOP ON 8TH STREET

On Saturday nights travel on 8th street is unusually congested, and Chief of Police Van Ry has decided to discontinue a practice that has been quite prevalent thus far this spring. Pleasure riders have made it a habit to sort of "loop the loop" as it were.

The driver will drive around the semaphore of the River avenue, and 8th street intersection, will continue to College, Columbia Avenue or the depot as the case may be, returning, and will make this circle over and over.

This practice has been quite marked of late and for that reason the Chief had one of the traffic officers keep tab on one of the most persistent "loop the loopers", and found that between the hours of 7 o'clock and 9 o'clock, this driver had circulated around the semaphore no less than ten times. In the future on Saturday nights at least, the traffic officer at that point has been instructed to direct the traffic coming from East 8th street, south on River avenue instead of allowing drivers to turn around the semaphore for the purpose of going up the same street from which they had just arrived.

Chief Van Ry stated that if some drivers must run in circles, they may do so by continuing south on River avenue, East on 9th and back on 8th street.

However the slow short turn completely around the semaphore cannot help but congest traffic and is also dangerous because of the street cars and the automobile traffic going north on River avenue.

A soldier returned from the war, out of work, among strangers, and without a bonus is the anomalous position of "Clarence" the chief character of Booth Tarkington's play that has lured the laughter of the country for the last ten seasons. This four-act comedy is crammed with rippling fun in every line and will be presented at the Carnegie Gym this week Thursday and Friday nights.

by the largest graduating class that Hope has ever put out. The dress rehearsal was held last night. With the coaching of Miss Metz who is shaping a cast of experienced players the class is confident of a big success.

The Senior class has secured the Central avenue orchestra, known as the Colonial, which will be a big feature in the evening's entertainment. "Tut" Baker will lead the cast, assisted by three important roles, played by "Babe" Van Putten, Helen Smith and Peter H. De Vries. The assisting cast is made up of Anna DeCook, Susanna Hamelink, Mamie Scholten, Richard Blocker, Henry Haarsevoort and Matthew Van Oostenburg.

The May meeting of the Woman's Foreign Missionary Society of the Methodist church was held at the home of Mrs. William Winstrom, with a fine attendance. Reports were given by the officers, showing that all departments were at work. Mesdames Baris and Smith sang "Calvary." Mrs. Rench then gave a talk on the "Where of Foreign Missions" giving a sketch of the work on five continents.

At this point in the program came a surprise number. A shrill whistle sounded outside and in came Mr. Postman (or was it a Madam?) with a bag full of mail from the Orient, a letter or parcel for every one present. The mail distributed, the good natured postman (who was none other than Mrs. Carl Shaw) gave a humorous reading in darkey dialect. Then the ladies in turn, read their letters to the others—snappy bits of information about the work in other

lands, poems on Christian living, etc. Mrs. Rench and Mrs. Willis were elected as delegates to the District Conference to be held in Grand Rapids next Monday at which meeting Mrs. Nicholson, the National president, is to speak.

Tea and cake served by the committee, brought to a close a very pleasant afternoon.

During the field day festivities on the fairground last Saturday afternoon some one discovered a killdeer nest on the ground with the mother bird hatching its eggs. In spite of the fact that there were some seven hundred or more children on the grounds, the bird was not interfered with in any way. In fact the boys made it their business to protect the nest. They formed a sort of voluntary guard for it, and kept some thirty feet away from it so as not to agitate the mother bird. The nest was much admired but not disturbed.

This consideration for bird life and all wild life is one of the fruits of the scout movement. The Boy scout is taught to protect wild life, and the experience of Saturday afternoon was a good example of what the influence of the scout movement is.

## ANNUAL BUSINESS

MEETING OF THE Y  
HELD MONDAY NIGHT

At the annual meeting of the Holland Young Men's Christian Association, held in the board room at the city hall Monday evening, the following men were elected to serve as the Board of Directors: for the three year term: Hyo Bos, Dick Botter, Isaac Kouw, and David Damstra; for two years: J. Fris, N. Wassenaar, G. J. Diekema and Wynand Wichers; and for one year: Joe Kooiker, W. C. Vandenberg, Thos. Olinger and S. R. McLean. The newly elected board will choose officers at its first regular meeting who will then also become the officers of the association. Rev. Daniel Zwier is also a member of the board, having been elected by the Ministers' Association as their representative, at their monthly meeting, Monday, May 1.

J. Fris gave the treasurer's report, showing all bills paid and a small balance in the treasury. Secretary Smith gave a report on activities. There have been in the membership this year 70 Busy Men and 35 Seniors in a weekly average attendance in the Gymnasium of 75. There were nine Sunday afternoon meetings for men averaging 141 in attendance. There are 35 High School boys in the Hi-Y membership holding 17 meetings, with an average attendance of 25. The basketball team made a very creditable showing under handicapping circumstances. Don Zwemer spoke briefly of the work of the team. Noon hour volleyball has been started at the shoe factory with fine enthusiasm. Busy Men's Outings will be held every week during the summer season and will begin next Monday evening at Jenison Park.

DR. VAIL APPEALS  
TO NATIONAL GAME AND  
FISH DEPARTMENT

A new chapter in the carp seining controversy has been written. It is contained in the following correspondence, which is self-explanatory: The Sentinel, Holland, Mich.

Dear Sir:— I noticed from a recent issue of the Sentinel that seining for carp and other soft-mouth fish has been discontinued by order of the Deputy Warden of Holland, for the present at least. I was glad to learn of this as the conditions in the summer time are exactly as stated in my correspondence with you.

Since then I received a letter from a kind friend, a prominent merchant of the city of Holland who took exception to my argument and as I desire to be fair, I wrote a letter to the Department of Commerce, Bureau of Fisheries, Washington, D. C., copy of which is enclosed. I have their answer under date April 29th, a verbatim copy of which I am enclosing.

You will note from this that the argument in my letters which you have kindly published is founded on facts and that it is the opinion of the department in Washington that the carp and other soft-mouth fish are indeed scavengers and "undoubtedly aid in preventing vegetable growths from becoming as dense as they would if the carp were not present." The Department also offers the opinion that investigators were unable to find substantiating evidence that the native fish have become less abundant on account of the presence of carp, etc. On the other hand they state that there is evidence indicating that the presence of carp is an advantage in the production of

I am asking you kindly to publish this correspondence as it contains a carnivorous fish. opinion from the highest authority that we have in this country and should be convincing to every fair-minded person who is interested in this subject.

Thanking you, I beg to remain, Yours very sincerely,

Dr. D. T. Vail, M. D.

Dept. of Fish and Game, Washington, D. C.

Dear Sir:—

I write to get from your department information on the following points:

1. What do carp feed upon?
2. Is it true that where the carp habitate game fish disappear or do not thrive?
3. Considering the habits of the soft-mouth fresh water fish (carp, sheephead and suckers), and considering too that a lake such as Black Ottawa county, Michigan, which is five miles long and averaging a mile across, having an outlet in Lake Michigan, the shores of the lake surrounded by many small resorts and some large ones having a summer population of ten thousand.....and considering that permit has been given

by the Game Warden to seine for soft-mouth fish and that during the winter months for the past ten years this has been systematically done, and considering that since that time the water grasses have greatly increased, the scum which is composed largely of pollen, constitutes a foul nuisance around its shores so that the bathing, canoeing and wading are impossible or dangerous, would you give an opinion as to whether the appearance of a large amount of sea grasses and pollen in the shallow waters around the shores of this lake since soft-mouth fish have been taken out, is directly due to the taking out of the soft-mouth fish?

I am enclosing a marked copy of the Holland Sentinel which expresses my opinion on the matter and also the opinion of another man who is well informed and I will ask you kindly to read it over and write me with data bearing on the above questions.

Thanking you, I beg to remain, Yours very sincerely,

D. T. Vail, M. D.

Department of Commerce  
Bureau of Fisheries  
Washington, D. C.

Address all Communications to  
Commissioner of Fisheries,  
Washington, D. C. Apr. 23, 1922

Dr. D. T. Vail,  
Cincinnati, Ohio

Dear Sir:— In reply to your letter of April 22, you are informed that we have read your communication to the business men of Holland, Michigan, published in the Holland Sentinel, under date of April 8, 1922, carefully, and we agree with you that the removal from a body of water of such fish as carp, buffalo and suckers, which feed largely or in part on plants has the effect of permitting plant growth to become more numerous and dense. It has, however, occurred to the Bureau that the large amount of sewage which enters Black Lake, probably in constantly increasing quantities, also serves to stimulate plant production and that it is probably aiding to the foul odors which appear to prevail.

The carp is omnivorous, but its principal food consists of plants. It plows up the soft bottoms of ponds and streams and pulls up tender plants and roots of plants. In this way it undoubtedly aids in preventing vegetation growth from becoming as dense as they would if the carp were not present.

It is a popular belief that, since many of our native fish are supposed to have become less abundant, following the introduction of the carp, while the latter has increased in numbers, the carp in some manner is destroying or preventing the production of other fishes. Investigators have, however, been unable to find much substantiating evidence. There is, on the other hand, some evidence indicating that the presence of carp is an advantage in the production of carnivorous fish, as the young carp provide food for the predatory species. Where the decline of our native species has taken place, the cause therefore must be sought elsewhere.

Very truly yours,  
H. F. MOORE,  
Deputy Commissioner.

DETROIT MAN WANTS  
DR. A. C. VAN RAALTE  
RECOGNIZED

Henry Vander Ploeg formerly of Holland, now of Detroit gives an interesting letter relative to the 75th anniversary celebration of the birth of Holland. It follows below:

Dear Ben:—

Here you are—Two Dollars (\$2) for past, present and future as per your suggestion. It seems good to read things that occur in Holland, but as a fellow is away for a few years new names appear on the active list of merchants, teachers, professionals, etc. However, old Abe, and Nicodemus and Herman do seem to keep to the fore pretty well. And Landwehr and Con and Fred and Long John are still in the limelight.

But boys who were in Knickerbockers and girls who were short dresses (the goodness knows they are short enough as the wearers grow older) are having their say and their day. In Holland it used to be "old men for counsel" but no "young men for war"—so that all counsel and no action caused the town to stand still. Now they are happily blended and Holland is getting on the map as a lively, bustling city.

But why so shy in celebrating the diamond anniversary of the settlement? Surely times were not so bright when the golden anniversary was celebrated, and at that time, too, there were very few who could count their possessions as amounting to more than \$10,000; while now! Judging from investment and sports and show buildings and entertainments—and limousines sold, there must be dozens of them. I'll wager \$5,000 was more difficult to spare in those days than \$30,000 now.

Or perhaps the new generation are something like the old Egyptian Pharaohs—a generation that "knew not Joseph"—and hence are not particularly interested as to the be-

ginnings and the struggles. Grandfather and grandmother have gone to join the heavenly host and no longer tell of the heroic days. Father and mother are too busy to recall them and narrate some of their stories and the children are ignorant in regard to them.

I wish some mighty pen could weave some of the interesting facts of Van Schelven's researches into a captivating story—so strong and virile as to be an inspiration to this generation. The writer should be fully conscious of his task as God-given and there is no question but the story based on the facts of the Western Michigan Settlements of the Dutchmen would grip the nation.

Really if Holland had half a mind to put over a grand celebration and if the older ones would arouse the enthusiasm of the young warriors, the city could easily do so.

However, if such celebration is not on the schedule, I would suggest that at least one special day be proclaimed a holiday and a homecoming day. That some of the strongest orators be invited to address the people in the churches and halls and that solemn religious services be held in all the churches—for, above all, the early settlement of Holland was accomplished from a religious motive rather than with a view towards worldly betterment. Perhaps right here is the parting of the ways between the early settlers and their more materialistic descendants and the sojourners amongst them.

And last—let Van Raalte be honored. Holland colony ought to bow its head in shame for not having done more to honor this illustrious "Father."

But Ben, this is rather a long letter for a remittance of subscription to the News. I had it in my chest, however, and now its off. Don't clutter up your columns with it if you think it would scare Vanderluis' fish or Blom's carp. Some day I'm going to show you my three young Van's—boys to be proud of.

HENRY VANDER PLOEG.

Petitions and Accounts

Gerrit Vander Meulen petitioned to come under the Compulsory Sewer Ordinance and have his premises at Lincoln Avenue and 18th street connected with the sanitary sewer.

The Holland City Gas Company submitted their reports for the months of January and February, 1922.

Filed.

Charles L. Bennett petitioned for permission to install a gasoline pump on the curb adjacent 187 River avenue.

Granted.

J. Van Andel and J. A. Lemmen applied for a permit to construct a brick and concrete building to be used as a garage 36x65 feet at a estimated cost of \$3700 on the property described as the E. 15 feet of Lot 13 with W 22 feet of L. 14, block 32.

Granted subject to Ordinance.

ADD. Dykstra here appeared and took his seat.

The Yonker Plumbing and Heating Co. petitioned the council to close the West 8 feet of Lot 1, Block 31, as present being used as an alley.

On motion of Ald. Kammeraad, Whereas the W. 8 feet of Lot 11 in Block 31 (Original Plat) of the city of Holland have been used for upwards of twenty years, without let or hindrance, by the public for alley purposes, and said described premises have never been dedicated to the public for such use, but are in possession of private owners, and

Whereas, said premises constitute an alley or passageway leading North of Eighth street to a property running East and West in Block 31, and the owners of said described premises have opened an alley in the rear thereof, leading southward from 7th street to the East and West Alley of said block, and

Whereas, all of the owners of the property in said Block who are directly interested in said alley, have consented in writing over their signatures, to the closing of said described premises for alley purposes, and the general public have consented to the closing of said premises for alley purposes, and the council of the city of Holland is of the opinion that it is deemed advisable by the Common Council of the city of Holland to close said described premises for alley purposes, in order that building may be constructed thereon, and the present unsightly opening closed thereby, therefore,

Resolved, that the Common Council of the City of Holland do deem it advisable to vacate said alley and to close the said alley, and the use thereof by the general public for

the purpose of an alley, and the common council of the city of Holland hereby appoints Wednesday the 7th day of June A. D. 1922, at 7 P. M. in the common council room in the city hall in the city of Holland, as the time and place when they will meet to hear objections thereto.

And the common council of the city of Holland hereby appoints Wednesday the 7th day of June A. D. 1922, at 7 P. M. in the common council room in the city hall in the city of Holland, as the time and place when they will meet to hear objections thereto.

John Leon and others informed the council that they understood a petition will be presented to construct a store building on the corner of 17th and Central, that they do not wish to interfere with the start-up of a business at said location, and they do not wish to be granted it if such petition is granted it will be in violation of the following conditions:

That said store building face State St. and that the north line of said building be in line with the north line of the houses now on 17th street between Central and College Avenues, and that if the parties desiring to build said store will not comply with the request that this petition will stand on an objection to the construction of said building.

Referred to the Aldermen of the 8th ward, Joseph Kryston and others petitioned for the construction of a street lamp on 12th street midway between First and VanRaalte Avenues.

Referred to the Committee on Public Lighting.

The clerk presented a petition signed by B. L. Morris and others asking the council to allow two more lots in front of the front end of lots on the north side of 2nd street west of River avenue than the present survey allows.

Referred to the committee on streets and crosswalks.

## HOLLAND PEOPLE HONORED AT METHO- DIST CONVENTION

At the 31st annual meeting of the Woman's Home Missionary societies convention held at Sparta Methodist Episcopal church recently held, the following officers were elected: President Emeritus, Mrs. Ida Markham; president, Mrs. J. B. Ware, of Grand Rapids; first vice president, Mrs. A. H. Sargeant, Grand Rapids; second vice president, Mrs. Roy McCracken; third vice president, Mrs. E. B. Rich, Holland; fourth vice president, Mrs. O. E. Balyeat, Sparta; treasurer, Mrs. Viola Lewis, Holland; corresponding secretary, Mrs. Etta Whitman, Holland; recording secretary, Mrs. F. C. James, Grand Rapids; young peoples' work, Mrs. E. Phil Bradsrum, Sparta; children's work, Mrs. Hattie Bousman, Grand Rapids; children's work assistant, Mrs. Ida Last, Grand Rapids.

An outstanding feature was the banquet and the pageants, "Queen Esther's Choice," by 20 young ladies from Sparta, and "Home Guards in Action" given by 12 boys and girls from the Methodist church in Holland. Music was furnished by a ladies' and mens' quartet of Sparta.

The drive-for funds for the Boy Scouts, the Camp Fire Girls, and for playground purposes is being held this week, opening Monday. Pledge cards may be obtained in any one of the three banks and the amounts pledged may be handed to the cashiers of these banks.

A red card is a pledge for \$2 annually for the three causes, a white card a pledge or five dollars annually and a blue card for ten dollars annually.

Employees of local manufacturing plants may obtain the pledge cards at the offices. The financial committee is composed of J. A. VanderVeen, Frank Whelan and A. H. Landwehr.

While on his way home from services at Third Reformed church on Sunday, Mr. G. Winter was run down by an autoist whose name he did not learn. According to Mr. Winter the autoist was driving on the wrong side of the street near the crowded corner on which the church was located. Mr. Winter escaped with minor injuries, his wrists and hands being somewhat bruised. The driver was going slowly and to this fact Mr. Winter attributes that he escaped serious injury.

It is said arrangements are being made to restore direct telegraph service at Saugatuck. If there is in the civilized world another town of the importance of Saugatuck without telegraph service with the outside world, the fact has escaped our attention. Cary Bird, local agent of the Western Union, has taken up with his company the matter of connecting up the wires. The office probably will be in the store room in the Heath block just west of Bird's drug store. During the summer Miller Robinson will act as operator, and will have his watchmaking business at the same place.—Saugatuck Commercial Record.

Will Blom, city pool champion, defeated Charles Cunningham of Muskegon 150 to 147 in the match game last Friday night at Blom's billiard room. Much enthusiasm was shown over the game and all available space around the table was taken up, there being over 200 spectators.

In the first part of the game Cunningham got a big lead on Blom by getting several good runs, and it looked for awhile as if Blom would be defeated. But Blom's steady playing came to the rescue and he slowly gained on his opponent, until at the hundred mark the players were practically even. From then on there was never more than five points difference in the score. Both players made some exceptionally good shots and time and again pulled out of difficult positions. The next game will be played next Friday evening when Blom plays Bert Colten a return match.

"Strongheart," the powerful football drama, by William C. De Mille, is to be presented at the High school by the 12-1's on Wednesday and Thursday, May 17 and 18. The scenes are laid in Ann Arbor, at the time of the Michigan-Ohio game, and the entire class of 12-1's will appear in the various roles of the play. Strongheart is an educated Indian and half-back on the team. The son of a chief, heroic, firm and true. His story will thrill you and you will love him as do the boys of the team. Doors will not be open until 7:30.

## REFORMED CHURCH SYNOD TO COME HERE NEXT YEAR

At the invitation of Dr. E. D. Dimment, president of Hope college, Particular Synod of Chicago in the Reformed denomination has decided to accept the invitation to come here in 1923.

The delegates who were present this year expressed themselves as greatly astonished over Hope as an institution, in its campus containing such imposing structures.

The student body also came in for a great deal of praise. A plan was suggested for the creation of a fund with which to keep the buildings of the institution in first class condition. Statistical reports showed increases in the number of families and members in the churches connected with the synod.

Resolutions were adopted urging churches to contribute their quotas to the million dollar ministerial pension fund as well as the other planks in the reformed church progress campaign pertaining to home and foreign missions, educational institutions and other lines.

## HOLLAND'S FAST TEAM WINS OVER LEAGUERS BY BRILLIANT PLAYING

The Ionia Central league team in a game at Holland Saturday received a 10 to 8 beating at the hands of the Holland Independents. After Lefty Minnery had held the Holland team scoreless for four innings and hitless for three sessions in a row, Robinson, who came from the Milwaukee league club, was sent to the firing line. He worked three innings during which Holland made ten hits and the same number of runs. Angstrom pitched the ninth inning and held Holland scoreless.

Jim Poppen an Overisel farmer boy who stands six feet and six inches in height, held the leaguers to two runs and six hits in six innings. In the seventh he issued three free passes, hit a batsman and was found for three hits netting six runs.

With two needed to tie and three to win, Pitcher Hoover, who relieved Poppen, passed the first two men to face in the ninth. A sacrifice advanced them. With a hit needed to tie the score fast fielding held the men on bases, while the next two batsmen went out in order. Catcher Spriggs caught two Ionia players who took liberties by taking long leaps off the bases.

The Holland infield played an article of ball that could not have been excelled by a major league team, four fast double plays killing the leaguers' chances to score in that many innings. Second Baseman Shaw and Short Stop Cokie Smith being the heroes. Outfield Bronkhorst, a new player with the Holland team, won the game for the locals with three timely hits, driving in five runs and scoring two himself. Brooks Sweeney were Ionia's timely hitters. The score by innings:

Holland.....000 044 20x—10 12 1  
Ionia.....000 101 060—8 10 8  
Batteries—Minnery, Robinson, Angstrom and Cassell, Williamson; Poppen, Hoover and Spriggs.

## H. J. HEINZ CO. PAPER TELLS OF AC- TIVITIES IN HOLLAND

The H. J. Heinz Co. publishes a monthly in its own plant at Pittsburgh called "The 57 News." It has no ads. and is given to the employees a very creditable manner called all the employees together, numbering over 160, and served them with a lunch, after which they were given a very instructive talk on the various phases of the business and the growing of pickles, illustrated with stereoptical pictures.

"The farmer began to arrive at the close of this part of the program, and were immediately seated and were served with a luncheon. The tables were then moved and an address of welcome was extended to them by Mr. A. E. Atwood. The growers certainly appreciated this talk, especially those who have been associated with him for a number of years.

"This was followed by our illustrated lecture, given by our Mr. J. R. Bechtel. At the finish of the lecture the people were divided into three groups and under the direction of Messrs Risto, Welling and Howlett, they were given a trip through the factory, returning to the Main office for their wraps.

"After many handshakes and free of charge and contains such activities that are of common interest to the thousands of employees. In every town where the company has a branch these papers are sent to the employees and no doubt in such a large establishment as the Heinz Co.

the chronicling of news from the Heinz Co. family at different points brings about communal spirit and in any way a Heinz man or woman has much in common.

Anyway Holland gets its share of publicity in "The 57 News." The first is a social item which follows below:

"Over 700 people from the surrounding territory met at the Holland Branch Factory Friday, Feb. 24th, in response to an invitation to the Annual Pickle Factory Day.

"About 1 o'clock, Mr. J. A. Hoover superintendent, who acted as host in words of appreciation of the courtesy shown by H. J. Heinz Co., they started for home, happy, with a much better understanding of the raising of pickles and a number with their contracts for 1922 in their pockets."

Another item tells of the Garage fire where the timely aid of the employees of the Holland plant saved a dwelling house. Here is what "The 57 News" says:

"The fire department of the Holland plant of H. J. Heinz Co. proved its worth when, on Friday morning, Feb. 10, it rushed to a fire near the plant and by its efforts was instrumental in saving a house which was threatened.

"The fire originated in the garage of Fredericks and Centaur, directly across the street from the Holland plant, and when the Holland Fire department apparatus reached the scene it was found that the H. J. Heinz Co. was already on the job using the company equipment. The combined efforts of the two fire companies were not sufficient to save the garage for the fire gained headway so quickly that it was soon burned to the ground. However the good work done by the Heinz firemen resulted in saving a house nearby which was threatened by the flames and which escaped undamaged. This house was the home of one of the Heinz Co. employees."

"The Holland City News in a clipping that has been received in the Office of the 57 News, comments very favorably on the efforts of the Holland men and indeed they cannot be too highly commended for their excellent work."

## HOPE SCHOOL OF MUSIC TO HAVE SUMMER SESSION

The Hope College School of Music announces a summer session of five weeks from June 26 to July 29 inclusive. Application for lessons in voice, piano or violin should be made as soon as possible at the School of Music in Voorhees Hall.

The closing recitals for the regular college year will be given June 5th and June 14th in the College Chapel. These recitals are free to the public.

## FIFTY YEARS AGO

The Cutler House of Grand Haven and the Magnetic Spring Bath House opposite, are well patronized by strangers seeking health and enjoying the bracing lake breezes so common to our shore. Had we a paved street like yours, we could offer to summer sojourners a very pleasant retreat at Holland. We live in hope of something akin thereto hereafter. Note—Poor editor must have written that on Monday. His dreams have been realized long since. Holland's resorts have sprung up after the above named date and are connected with this city by 15 miles of concrete highway, in fact, veritable boulevards connecting a chain of watering places. The Cutler House spoken of was the finest hotel in the Middle West at that time and it was erected by Dwight Cutler, a wealthy Grand Haven lumber man. It burned 15 years later and a less pretentious Cutler House was built on the ruins. This failed to pay and the hotel went out of business and the building about eight years ago, was converted into a retail business block. The baths spoken of were located back of the present Postoffice building in a long wooden structure.

## FORTY-FIVE YEARS AGO

Greenbacks are steady at 95c in gold.

Rogus Kanters has received a government contract from Col. Mansfield to make a brush fill at Whitehall. Mr. Kanters has received several contracts at different points to do harbor work. Note—Mr. Kanters was the father of John Kanters, the local printer of this city and also of the

late Miss Jennie Kanters for years librarian. He not only received a contract to rebuild Holland Harbor, but also did work at Lincoln Park, Chicago and Galveston, Texas. Mr. Kanters at that time used the methods adopted in the Netherlands in the building of dikes. Large bundles of brush closely woven together were utilized instead of stone in crib work construction. Mr. Kanters became a wealthy man as wealth was figured in those days, because of this method of harbor building.

## FORTY YEARS AGO

Last week work was begun on the new Black river bridge. It is hoped that Holland citizens will get back of this project and open a new avenue for the farmers to trade in Holland from the north. Note—the new bridge is now old and we should be trying to get another as soon as possible.

Ald. Reidsma published in the last De Grondwet a card in which he admits making a mistake in accusing the city clerk of falsifying the council proceedings. That is the honorable way of correcting a mistake—admit it. Note—Both clerk and alderman have long since passed from the political arena and have gone to their reward.

## THIRTY-FIVE YEARS AGO

The work of grading Market street (now Central Ave.) is progressing nicely. The sod on both sides of the wagon road is being plowed up and the knolls are being leveled and soon the gravel will top the grade and Holland will have another graveled street.

Rev. J. Vennema, pastor of the Holland Christian Reformed church at Noorderloos, has been awarded the munificent salary of \$100 a year by the congregation.

## THIRTY YEARS AGO

The following republicans attended the convention as delegates at Grand Haven: 1st ward, W. H. Beach, Harry Doesburg, Simon Kleyn, C. J. De Roo; 2nd ward, J. B. Mulder, Charles Harmon, R. N. De Merrell; 3rd ward—Patrick H. Mc Bride, John J. Cappon, B. D. Keppel, Henry Kiekentveld, G. Van Schelven, Ed Glerum, John C. Post; 4th ward, G. J. Diekema, L. Mulder, William Brusse. The convention also endorsed the candidacy of B. D. Keppel for the office of sheriff. Note—Holland had only four wards thirty years ago.

## TWENTY-FIVE YEARS AGO

Wm. J. Van Kersen and Gerrit Tyse, two Hope college grads, have completed their studies at Princeton University and are candidates for the ministry. Note—Mr. Van Kersen is now living in Holland, the head of the Foreign and Domestic Missions work in the Reformed church. Rev. Tyse is conducting a charge near New Holland.

Burglars effected an entrance in

the home of Dr. G. J. Kollen on the college campus and the only reward was a few pennies taken from Miss Estelle's little saving bank. The thieves also entered the home of Fred Metz and feasted on some choice mince pie and purloined five dollars in money at the parsonage of Rev. J. Van Houte, at that time pastor of the First Ref. Church, the burglars still appeared to be hungry for they carted off a consignment of ham and dried beef.

## TWENTY YEARS AGO

Gerrit W. Elferdink has resigned his position with the Cappon-Bertsch Leather Co. and has taken a position in the drug store of his brother Dan at Grand Rapids.

Wm. Damson and Roy Calkins are now proprietors of the Fruit and Confectionery store on River avenue formerly conducted by Wilmot Bros.

Peter Siersma has bought of John Jonker a house and lot on 16th street near Central avenue. Consideration \$1200.

Henry Zwemer has purchased of Bert Slagh his store on Central Ave. and will move it east of the Beach Milling Co. and will use it for a feed store. Note—This was the beginning of Mr. Zwemer's large coal and wood property now found at the East End.

## FIFTEEN YEARS AGO

Superintendent of our public schools, W. T. Bishop was elected vice president of the State Association of Superintendents at a convention held at Lansing.

An old landmark in Holland will soon be destroyed by the razing of the old building on West Eighth-st., occupied by C. M. Phernambucq's meat market. The wooden structure was built by H. D. Post after the fire in 1871 and has done duty as a drug store, a hardware store and at one time was our city library. The late Dr. O. E. Yates had his offices there. Note—This building was wrecked to make room for the large three story Van Ark Furniture Co.

## TEN YEARS AGO

Holland is to erect a \$100,000.00 high school, a picture of the proposed plans are published in the News.

New public officers to take their seats are Mayor Nicodemus Bosch, Aldermen L. E. Van Drezer, Olaf J. Hansen, Arthur Drinkwater, Frank Dyke Henry Sterenberg.

Holland defeated the good roads project by 1501 votes. It was carried in the rest of county and today appears to be a blessing in disguise.

## FIVE YEARS AGO

Graafschap will erect a large garage 40x90 feet and will be conducted by John Nyland and George Nash.

Miss Florence Kruisenga has resigned her position as assistant city clerk and will go with the Holland Furnace Co. Mr. Overweg has secured the services of Alfred Jolders-
