All Are Welcome

Greatest Sunday School Worker  
In America

## A GREAT S. S. WORKER COMING TO HOLLAND

A big man is to visit Holland and  
the public will be privileged to lis-  
ten to him this week Thursday even-  
ing at the Third Reformed church  
the meeting to open at 7:45 o'clock.  
The great man is Dr. W. C. Pearce,  
associate general secretary of the  
World's Sunday School Association of  
New York City.  
No leader is better known in the  
organized Sunday School work than  
Dr. W. C. Pearce of New York City.  
For eighteen years he was a leader in  
the International Sunday School As-  
sociation and was Acting General Sec-  
retary at the time was called to be-  
come Associate General Secretary of  
the World's Sunday School Associa-

tion.  
Mr. Pearce is a platform speaker  
of unusual ability. He has spoken re-  
peatedly at State and Provincial Sun-  
day School conventions in the United  
States and Canada as well as at In-  
ternational and World's conventions,  
Rotary Clubs, Chambers of Com-  
merce and Men's Clubs are constantly  
seeking him as a most practical  
speaker.  
He was the leader of the great or-  
ganized Adult Bible Class movement  
which added three and quarter mil-  
lions to the membership of the Sun-  
day Schools. He toured America for  
the Men and Religion Movement and  
has written or edited numerous tech-  
nical Sunday School books.  
He was the first teacher training  
superintendent of the International  
association under whose supervision  
great advances in the work was made.  
He made possible and developed the  
International Training schools at  
Lake Geneva, Wis., and "Lake Win-

## FORMER HOLLAND MAN LORDS IT OVER A WHOLE TOWN

IS THE MAYOR, COMMON COUN-  
CIL AND THE CHIEF OF  
POLICE

Martin Vander Ble, Gerrit Geerds,  
Peter and Jake Lieveens returned a  
few days ago from their annual fish-  
ing trip, taking home some thirty  
beauties. The largest one caught was  
16 inches, another one of fair size  
was 14 inches. The boys however  
found it too cold to make any sub-  
stantial catches.

The Holland men left Holland in  
time to be at the trout stream at a  
small town by the name of Edreth on  
the Pine river in Lake county, some  
150 miles north of Grand Rapids.

Martin Vander Ble and Peter Dui-  
vea have been keeping a small hunt-  
ing lodge there for some years back  
and "Shorty" Van Dort, a former  
resident and well known in this city  
is living at the lodge at the edge of  
the town of Edreth and what is more  
the local "Shorty" is the mayor and  
common council the chief of police  
and the whole works in the town of  
Edreth. He "lords it over" every-  
thing in common consent. He wins  
out in every election, counts his own  
votes and declares himself the "mon-  
arch of all he surveys." For "Shorty"  
is the entire population of the whole  
town and thereby hanes a tale.

Ten years ago Edreth was a pros-  
perous lumbering town with a hard-  
ware store, a grocery store, a bank,  
a meat market, a hotel, etc. The  
Manitowish and Northern railroad ran  
through the town connecting up Tim-  
ber Lake and Manitowish. Lumbering on  
the Pine river was discontinued  
when the trees were cut and 5 years  
ago the railroad was pulled up and  
naturally the service discontinued.

The hardware store, the general  
store and the lumbering mills were  
closed; some were torn down and  
others were boarded up. The inhabi-  
tants left with the railroad, all but  
"Shorty" Van Dort of Holland who  
for several years has been living in  
the little hunters cot, beside the  
sparkling stream and close to nature,  
and with gun and fishing rod he sup-  
plies the larger with game and fish,  
and hords away the fuel for the win-  
ter from the many wood lots of un-  
sawed timber left by the lumberjacks  
of yesteryear.

About twice each season "Shorty"  
gets visitors from Holland and believe  
us, those are happy days for the lone-  
ly recluse who seldom sees a face  
aside from an occasional hunter or  
fisherman, and when his friends from  
Holland call a regular fish and game  
dinner can always be expected.

"Shorty's" civic duties are not trou-  
bling him much for he writes no may-  
or's messages, doesn't have to attend  
paving meetings, arrests no one, nor  
does he have to make any public  
speeches. He talks to himself to keep  
in practice and there you are.

## DEPREE COMPANY GIVES FIREMEN \$100

CON DE PREE VERY APPRECI-  
ATIVE OF WORK DONE BY  
CHIEF AND MEN

Holland has a fire department and  
chief that are hard to beat. The vol-  
unteer fire ladders have never failed  
in any emergency. Often expressions  
of appreciation have been sent to  
Mr. Blom and the boys and many  
were accompanied with substantial  
checks together with words of praise.

Within the last two years such let-  
ters have come from the residents  
of Jensen Park where thousands of  
dollars in property was saved; from  
the Macatawa Resort company and  
the cottage owners as well. On two  
occasions from Ottawa Beach. The  
North Side has contributed words of  
praise, and recently the Holland  
Rusk Co. did likewise. In every com-  
munication received by the chief and  
his men a substantial contribution to  
the firemen's fund was thoughtfully  
added.

Our fire departments are entitled  
to this encouragement, and it is  
therefore with pleasure that to the  
long list of those who appreciate the  
services of our local fire department,  
we can add the name of the DePree  
Company whose plant was recently  
visited by a disastrous fire, that but  
for the timely and heroic aid of Chief  
Blom and his men might have proven  
more disastrous still. Con DePree in  
a letter to Mr. Blom says the following:

Mr. C. Blom, Jr., Chief,  
Holland Fire Department,  
Holland, Michigan.  
Dear Chief:

I want to express to you on behalf  
of The DePree Company, our sincere  
thanks and appreciation for the won-  
derful work of yourself and your men  
at our recent fire. I saw the whole  
fire myself, so I realize very fully how  
serious a fire you were up against,  
and you certainly handled it in a  
manner worthy of the best fire de-  
partments anywhere, and the fire  
would have been very much more se-  
rious in its results to us if it had not  
been for the wonderful work of your-  
self and men, aided especially by the  
big pumper, and I assure you that  
we sincerely appreciate such work.

I enclose a check for \$100 as a con-  
tribution toward your Firemen's  
Fund.

Sincerely yours,  
CON D PREE,  
CDP:SVL. The De Pree Company,  
Milwaukee, New Hampshire.

Dr. Pearce has recently visited thirty  
mission fields of the Orient and  
many of the Latin American fields in  
the interest of Sunday Schools. But  
few men possess his intimate knowl-  
edge of the mission fields of the  
world.

Mr. Pearce comes to Holland under  
the auspices of the Ottawa County  
Sunday School association, and Geo.  
Schulling of the local postoffice and  
his aides are doing everything to  
make this meeting a success and also  
to properly take care of the illus-  
trious divine during his stay in Hol-  
land.

The subject of Dr. Pearce will be  
"Religious Education and Civiliza-  
tion."

## FIVE CARLOADS OF CONSUMPTIVE COWS LEAVE HOLLAND

EIGHT CARLOADS LEAVE ZEE-  
LAND WEEKLY FOR  
DETROIT

Right at our door there is a whole  
sale slaughtering of cows taking  
place.

Twenty veterinary surgeons togeth-  
er with state officials are visiting ev-  
ery farm yard and are testing cows  
for tuberculosis.

The campaign is on in Allegan  
county as well as in Ottawa county  
and the cattle in the herd found to  
have tuberculosis are driven from the  
flock; are herded to the city, are  
shipped in cars to Detroit or Chicago  
where expert federal cattle men ex-  
amine them again and then they are  
destroyed and their carcasses are dis-  
posed of.

Five carloads of cows are to leave  
Holland to the slaughter pens of De-  
troit on Saturday of this week, and  
eight are to leave Zeeland and also  
eight from Hudsonville. These bo-  
vines will be shipped every Saturday  
until the campaign is over and Ot-  
tawa county herds are clean of con-  
sumption.

It is a terrible blow to the farmers  
also not an entire loss. For every  
cow destroyed the farmer receives 25  
per cent of the carcass value and 50  
per cent of the appraised value of  
the animal with a limit of \$30 on a  
grade cow and \$60 on a pure bred an-  
imal.

In turn the federal government will  
pay one-third of the difference be-  
tween the carcass value and the ap-  
praised value of the animal with a  
limit of \$25 on a grade cow and \$50  
on a pure bred cow.

Mr. Milham contends that under  
these conditions the loss to the far-  
mer will not be so great and he fur-  
ther contends that after tuberculosis  
has been eradicated from the Ot-  
tawa county herds, that the remain-  
ing cows will be worth \$10.00 more on  
each cow for cattle sold from a pure  
herd are more saleable at a better  
price where the purchaser knows the  
herd is clean than if he were to pur-  
chase cattle that were in doubt.

That the testing is compulsory is  
demonstrated as has been chronicled  
before by the arrest of G. Kampas  
at Jamestown who refused to allow a  
test to be made of his cows and he  
was arrested and paid a fine and  
cost at the office of a local justice.

It is well to remember that this  
tuberculin test of cattle is coming up  
tonight at the city hall when films  
will be shown and Mr. Milham to-  
gether with M. A. C. experts will be  
on hand to answer all questions.  
Anyone interested is welcome. The  
meeting begins at 7:30. Poultry will  
also be discussed by Prof. Foreman  
of M. A. C.

## SIMPLY AIN'T SATIS- FIED WITH TELE- PHONE DIRECTORY

ALSO SUGGESTS NEW LINE TO  
RELIEVE BUSY ZEE-LAND LINE

The merchants meeting attended  
by at least 60 merchants was rather  
interesting along many lines. Bell  
Telephone company came in for the  
usual scoring not so much on service  
as on the "rotten" telephone direc-  
tory, the name given to it by many.

"One merchant said that if you want  
a name and number you have to  
check it off first with a lead pencil  
and hold it there for fear of missing  
the number."

Others said they were going to in-  
sist that the old fashioned single  
column directories with large black  
figures be again adopted, while still  
another advised that the merchants  
get out their own directory if the  
phone company refused to do so.  
When the tremendous expense was  
made known they were not so ready  
however and in any event they would  
have to receive the co-operation of  
the Bell Telephone company to get  
the proper information and a revised  
list of names and numbers.

Besides the expense of printing it's  
a month's work for a man to get the  
copy ready.

The fact of the matter is, the  
telephone directory in Holland is the  
same as is gotten out by the com-  
pany for every city in the state  
printed at its own offices in De-  
troit. Subscribers in Holland have  
been rather spoiled as the late Wil-  
liam Orr of the Citizens company be-  
lieved in black names and big figures,  
and the local printers got type for  
just that purpose and for the tele-  
phone company's needs.

With the coming in of the Bell,  
the Holland and Zeeland directories  
were naturally taken away from the  
city and were printed up in standard  
form, used in all the exchanges in  
the state.

Finally Albert Keppel proposed a  
resolution asking that the merchants  
request the Bell Telephone company  
to get out the old fashioned direc-  
tory as formerly used, and as an af-  
ter consideration he also requested  
that the company build another line  
to Zeeland as the present line was  
overtaxed and constantly busy, un-  
less one uses the towline.

His resolution was seconded by  
Jacob Lokker and received the unani-  
mous vote of the merchants pres-  
ent at the meeting.

## HENRY VAN KAMPEN RE- GISTERS LARGE FISH.

MAY GET PRIZE

Henry VanKampen 51 E. 15 st.,  
has registered a 14 pound 3 ounce  
pickrel caught in Silver Lake at  
Saugatuck.

Mr. VanKampen is a member of  
the Holland Game and Fish Protec-  
tive association and expects that his  
catch may bring a prize at the end of  
the year.

Officer Jake Lieveens states that a  
member cannot catch a large fish and  
then join the club and register that  
catch. He must be a member of the  
club at the time when his large catch  
is made in order to be in on the  
prize given at the end of the year.

The Merchants association decided  
to hold their annual picnic this sum-  
mer, the time and place to be made  
known later.

## CITY TO KEEP PAVED STREETS IN GOOD REPAIR

POLICY OF "NO PATCHWORK" IS  
ADOPTED BY THE COMMON  
COUNCIL

While building a mile or two of  
new streets every year, the common  
council is not going to let the streets  
already paved go to pieces. The al-  
dermen Wednesday evening adopted  
a general policy of street repairing  
that is expected to bring about a great  
deal of repair work this season and  
in future seasons.

The policy is not to make the  
street improvements temporary but to  
make them all first class jobs that  
shall put the street in about as good  
shape as it was when first paved.

Ald. Vander Hill brought up the  
question in connection with First Av.  
He pointed out that that street is in  
bad condition, especially from 20th to  
24th street. It is one of the oldest  
paved streets in the city and was  
laid in the days when Holland was  
first beginning its street paving pol-  
icy on residence streets. It has worn  
well but it is now in a bad state of  
repair.

Mr. Vander Hill declared that it  
was poor policy to put a little tar  
and screenings on such a street. Such  
improvements are only temporary, he  
said, and he felt that the streets should  
be resurfaced. Ald. Laepple backed  
him up but made the issue a wider  
one by declaring that this should be  
applied to all streets and that it  
should become the city's general pol-  
icy. "Better pave a few less streets  
and keep in good repair what has  
already been paved," he said, "than  
do a lot of paving and let the streets  
already paved go to ruin."

Mayor Kammeraad reported that  
the committee on streets and cross-  
walks is waiting until the new pav-  
ing machinery has been set up here  
and then it expects to go at the street  
repair work in earnest. The council  
accepted the suggestion to make se-  
rious work of street repair and not to  
make it mere patch work. The paved  
streets in Holland will really remain  
paved streets that can be used with  
comfort if this policy is carried out.

## SPEEDING TAXI DRIVERS NOT TO BE RE-INSTATED

ALDERMEN GIVE NOTICE THAT  
IT WILL GO HARD WITH  
THOSE CONVICTED

Taxi drivers who violate the speed  
laws in Holland and are convicted,  
are going to have hard sledding af-  
ter this. The licenses of such of-  
fenders are automatically revoked by  
the terms of the city ordinance and  
after this men so convicted are going  
to have a mighty hard time getting  
re-instated.

As a general thing the members of  
the common council are strong for  
making the ordinances mean exactly  
what they say. Most of the council  
members believe that the ordinance  
should be strictly obeyed by all and  
that no member of the council should  
be allowed to set an ordinance aside.  
Some council members believe this  
very strongly and those members will  
in the future stand in the way of  
letting a taxi-driver convicted of  
speeding be re-instated.

The question came up Wednesday  
evening in connection with the re-  
instatement of a taxi driver who was  
convicted some weeks ago. Some of  
the aldermen had not understood  
that the question was up to them for  
final decision and so their reinstatement  
was granted practically by accident.  
The police board also having passed  
on it the council members did not  
want to take any action that would  
be in conflict with that department.

But they gave notice that this was  
not to be looked upon as a precedent  
and that the re-instatement of con-  
victed taxi drivers in the future was  
to be strictly in accordance with the  
ordinance. Which, in other words,  
means that they are not to be re-in-  
stated at all but will have to find  
other jobs.

That being the attitude of the al-  
dermen it is safe to say that after  
this the city's taxi drivers will think  
twice before they engage in the dan-  
gerous pastime of speeding which  
may at any time cost them their jobs  
and the traveling public will be pro-  
tected. That is exactly what the  
council is after and it is for the  
public's sake that they are taking this  
stand.

## DR. H. C. IRVIN IS APPOINTED HEALTH OFFICER FOR CITY

YOUNG PHYSICIAN WILL  
FILL VACANCY CAUSED BY  
DEATH OF DR. GODFREY

Dr. Harry C. Irvin was Wednesday  
evening appointed city health officer  
by the common council to take the  
place of the late Dr. E. B. Godfrey  
whose death occurred Tuesday morn-  
ing. The aldermen proceeded to fill  
the vacancy toward the close of the  
meeting by balloting on a new  
health officer. Only one ballot was  
necessary. Dr. Irvin received nine  
votes, Dr. Brouwer two, and one  
blank was cast.

There was some talk as to whether  
or not the city should go in for a  
full time health officer at this time,  
but the aldermen obviously were not  
ready for this and it did not come to  
a serious discussion. The suggestion  
was made by the board of health last  
Monday but the council members are  
not yet ready to take such a step.

The common council Wednesday  
vacated the six foot alley next to the  
Peoples' State bank and named June  
18 as the date for a public hearing  
on the question when it will be pos-  
sible to bring objections to the pro-  
posed measure.

## CAPT. VAN WEELEDEN GETS RETIRED FROM SERVICE

ANNOUNCEMENT MADE TODAY  
THAT MACATAWA COAST  
GUARD KEEPER GETS  
RELEASE

Announcement was made today of  
the retirement of Capt. Jacob Van  
Weelden, for over 31 years in the  
service of the U. S. Coast Guard. Mr.  
Van Weelden's period of honorable  
and continuous service started over  
31 years ago at the Grand Haven sta-  
tion, where he enlisted as a sur-  
man at the age of 26 years. He is  
57 years of age at the present time.

Captain Van Weelden's retirement  
took effect on May 3 although it was  
not announced at the district super-  
intendent's office in Grand Haven un-  
til Wednesday. He has been in poor  
health for some time. Capt. Van  
Weelden was on the lake before en-  
tering the coast guard service, hav-  
ing been in command of sailing ves-  
sels on the lakes. He was reputed as  
an excellent seaman. The captain was  
born in Grand Haven and entered  
service at the local station. His fu-  
ture home is to be in Holland.

The new keeper at the Macatawa  
station has not yet been named altho  
recommendations have been made  
and action is expected soon. This sta-  
tion has had a splendid reputation  
for efficiency and this had been jeal-  
ously guarded by Capt. Van Weelden  
and his men.

Capt. Van Weelden entered the ser-  
vice on April 1, 1893 at Grand Haven  
as a surfman. He was promoted to  
number one surfman at the station  
on April 1, 1902, and in 1903 was  
promoted to keeper of the Manitowish  
Island station, where he served until  
1907. In 1907, Capt. Van Weelden  
was transferred to Holland station  
as keeper and a member of the crack  
coast guard crew at the coast guard  
exhibit at the Trans-Mississippi Ex-  
position at Omaha, Neb., in 1898 and  
at the Pan-American Exposition in  
Chicago in 1901.

## ALLEGAN PAPER TELLS OF HOLLAND BOYS WHO WERE ARRESTED AT DANCE

Young gentlemen from Holland  
have been attending the dances in  
Dunningsville lately and not always  
behaving like gentlemen. In other  
words they tried to run the dances.  
That being a prerogative of Allegan  
county young men, there was a gath-  
ering of these at the dance last Sat-  
urday evening. Sheriff Hare attended  
with Deputy Robin, disguised as the  
evening, but Cornelius Kraai and Al-  
fred McCarthy of Holland, 21 and 24  
years old, had imbued too freely and  
went to Allegan with the officers. Jus-  
tice Brady, \$10.95, and eight days.  
They will get out Saturday morning  
but they won't attend the dance that  
evening. They're going right home.

## PROMINENT NEAR EAST RELIEF MAN IS VISIT- ING IN HOLLAND

C. C. Thurber is the guests of Peter  
Prins secretary of the Chamber of  
Commerce. For some years back  
Mr. Thurber has been identified with  
Near East Relief work and Peter  
Prins during his stay in Turkey was  
a co-worker with Mr. Thurber.  
Mr. Thurber is one of the best Near  
East workers this country has in  
stricken Europe. He is really the only  
man who created an impression with  
the new Turkish government largely  
because of his fair dealing. He was  
honored on several occasions by the  
Ottoman, and was decorated by the  
Greek government before coming on  
a furlough.

These countries appreciated to the  
fullest extent the great work done by  
Mr. Thurber which would denote that  
these suspicious governments had  
full confidence in the American man.

## CITY OF HOLLAND MAY HAVE TO AP- POINT A 'BEE COP'

How is one to arrest a bee? Or if  
it cannot be arrested how is one to  
impound the little busy bee? Or fail-  
ing in that how is one to keep the  
bees off one's premises? Failing in  
that would it do any good to declare  
bees a nuisance and in that way scare  
them off? Or will the city of Hol-  
land have to appoint a "bee cop"  
whose duty it shall be to keep the  
bees from stinging citizens? Would  
it do any good to set traps for bees  
and in that way enforce any possible  
edict that might be drawn up against  
the bees?

All these questions were presented  
to the minds of the members of the  
common council Wednesday evening  
when a complaint came in against  
bees. Ald. Dykstra reported that  
many complaints had come to him  
that bees were a tremendous nu-  
isance in some sections of the city. Cit-  
izens complained that children were  
being stung that the premises in some  
places were swarming most of the  
time with bees; that they were giving  
a lot of trouble and were a genuine  
pest.

What to do about it? The aldermen  
scratched their heads and they grave-  
ly appealed to the city attorney to see  
if there was an law against bees. But  
they got little comfort there. On the  
contrary the city attorney reported  
that not only was there no law  
against them but all the laws were in  
the bees' favor. The state was trying  
to encourage bees. As is well known,  
bees that bother people in this city  
may belong in a hive several miles  
away, so what can be done about  
them? The aldermen would like to  
know. Some one suggested that a bee  
be forced to show a license before  
being allowed to enter a garden and  
visit its flowers, but no one offered to  
become the bee license clerk for the  
city.

It was too much for the city fath-  
ers. "To bee or not to bee, that is the  
question," they said and let it go at  
that, fearful perhaps that whatever  
they might do they were likely to get  
stung.

LOCAL

Mayor Vosburgh of Allegan, today requested a deputy sheriff be detailed to act as traffic officer in that city to curb the menace of speeders.

May 9th will be guest day at Washington and Froebel schools. The teachers will be hosts and tea is to be served.

The Week-Day Bible school, which was started in Third Reform church two years ago, has closed its most successful year. The school is divided in grades and high school taught by members of the church and Western senior students. The enrollment approximates 250. The school is under the supervision of Rev. James M. Martin, pastor. Sixty-six certificates were awarded the students for excellent work and deportment.

The contest for sheriff of Allegan county is waxing warm, the entries being greater than in any contest in the past 25 years. Those who have announced their candidacy are: A. E. Jos. Mosier, G. W. Hare and E. E. Robin of Allegan; Ben Lugten of Hamilton; Lee L. Martin of Plainwell; Wm. Oliver of Fennville; Seldon Phillips of Pullman. The latter says he can trace his lineage back for more than 100 years and he is a direct descendant of Massasoit, an Indian chief.

During the past two weeks the city manager's office at Grand Haven has been quite busy in issuing building permits. So far the permit list contains 15 prospects with a minimum expenditure of \$13,400 total for all of them. The permits include every kind of work, garage and residence building and repairing.

One of the features of the two weeks list is the presence of six residence building permits. Garage permits usually mean that some party or other has a new motor car so that there are quite an indication of general prosperity. Garage permits always make up the bulk of those issued.

In Holland on the eve of the appointment of a full-time health officer? That question was suggested to the common council Monday evening by the city board of health. The board had passed a resolution recommending the council that they give the matter serious consideration in the not distant future. The board did not suggest immediate action but brought the subject up so that it might be given proper consideration by both the council and the public. Mayor Kammeraad supplemented this suggestion by reporting to the aldermen that the civic health committee of the Woman's Literary club had made a similar suggestion to him. The committee asked the mayor to present the matter to the aldermen and he relayed their recommendation to them, asking them to begin thinking about it with a view of taking action in the not distant future.

The official caps which will hereafter be worn by American Legion men when in official uniform have arrived in Grand Haven, and will be available for distribution to members of Conklin post at the regular meeting Tuesday night. The new cap is an exact duplicate in model of the overseas cap worn by American soldiers who went abroad. Its color is Legion blue however and it is piped with gold. The cap bears the insignia of the Legion in color on one side with the name of state and post number also in gold.

It is the idea of the American Legion to urge members to wear this uniform cap on occasions when the Legion men turn out in parades etc. The old service uniforms are wearing out and must be discarded soon. The blue cap will stand as the official head-piece of the organization as the broad hat, cord and insignia was the official headgear of the Grand Army. Another important matter to come up Tuesday night at Grand Haven is final action on the Legion clubhouse.

To grow blind is a tragedy for any body but perhaps it is never a greater tragedy than when it happens to a painter. The artist works with his eyes, and his whole professional life, his sense of beauty, his keenest enjoyment of life are all dependent on his eyesight.

Such a story is told in "The Light That Failed" by Rudyard Kipling which is to be shown in motion picture at the Colonial Theatre on Wednesday and Thursday, May 14 and 15, for the benefit of the piano fund of the Woman's Literary club.

This book created a sensation many years ago when Kipling wrote it as a young man and it has been one of his favorites ever since by readers the world over in all languages. It has been adapted into motion pictures and the movie is proving just as great a favorite as the book. Percy Marmont and Jacqueline Logan are the co-eds in the drama.

An interesting fact about this book is that Kipling wrote two endings for it, one a happy ending and one the reverse. Which will be used in the picture patrons of the show will be left to find out for themselves.

The baying hounds which have been disturbing the early season residents of Highland Park and other sections of Grand Haven in proximity to the woods are courting sudden death. The hounds are running the rabbits in the woods and making life unbearable both for the bunnies and those humans who are forced to listen to the chase. The situation is said to be particularly trying to early season residents of Highland Park, and there are any number of threats of drastic action. While hardly anyone enjoys the idea of shooting down a dog there are likely to be some perfectly good canines missing when the hunting season opens.

According to the game department officials, the owner who thus loses his pet hound has no redress. This is the breeding season among rabbits and the law protects them from all dogs. Of course the hound dog knows nothing about the fact that he has the law against him, he is none the less subject to it. The law which protects the rabbits gives any person the right to shoot and kill a dog caught running the bunnies. Not only is the dog guilty of violation of the law, but the owner may be proceeded against as well, for permitting the animal to run.

For some time dogs have been running rabbits and other game through the woods along the lake shore hills. It is likely that a number of bunnies have been destroyed by them. Some very good hunting dogs, which are valuable to their owners are running themselves ragged in the woods and facing sudden death besides.

Miss Edythe L. Tyner, assistant principal of the Mendon, Mich., High school, submitted to an operation for appendicitis last Friday at the old St. Joseph hospital at Kalamazoo. Mrs. L. N. Tyner who has been at her bedside, returned home Sunday and reports that all indications point to a speedy recovery.

Herman J. Cook, son of Mrs. Anna Cook of Zeeland, died at his home in Zeeland Monday morning early. Although Mr. Cook had been in poor health for some time, death was rather sudden. He is survived by his wife, one daughter, his mother and several brothers and sisters.

Mass meetings to get the sentiment of the public toward a gasoline tax were suggested by the trustees of the Michigan Good Roads association in session at Lansing. It is the belief of the trustees that interest in the tax could be incited and the general demand for this method of highway maintenance could be demonstrated in this way.

Aside from the fact that it was a very cloudy month the recent month of April was not particularly unusual according to the figures and statistics for the month as prepared by Meteorologist Heyer of the Ottawa county Weather Bureau. The warmest day of the month was 75 degrees on the 24th and the coldest was 20 degrees on the first. The rainfall for the month was 3.08 inches, which is about the average for this month. There were four clear days, 16 partly cloudy and ten cloudy days during the month.

The following were drawn as jurors for the May term of court at Allegan and will report May 20: F. B. Brown of Allegan city; Charles Germaine of Allegan township; Luther Lathaw of Casco; Alonzo Miller of Cheshire; William Clark of Clyde; John C. Arndt of Dorr; Gerhardus Garvelink of Fillmore; George E. Dean of Ganges; Fred Shafer of Gunplain; George Ende of Heath; Charles J. Hart of Hopkins; M. H. Norris of Valley; Philip Marron of Watson; Fred W. Buskirk of Wayland.

Gerrit G. Groenewoud, Ottawa Co. School commissioner, Monday announced the results of the recent teachers examination in this county. For the third grade 34 out of 50 passed the examinations. In this class there were more failures in arithmetic than in anything else. The average standing in arithmetic was only 51. Many of course went far below this figure because those that passed were far above it.

In the second grade only five out of 25 passed. Those that did not pass have three or more credits carried over until the August examination. To John Berghorst of West Olive goes the honor of having the highest standing, his average being 89. Those who passed in the second grade class are: Martha De Windt, Jenison; Walter De Kock, Byron Center; John Schestag, Jenison; Lillian M. Soehmer, Zeeland; Kathryn Huizenga, Zeeland.

Those who passed in the third grade are: Russel H. Vollmer, Louise Wachter, Spring Lake; Della Fyneveever, Harvey L. Anderson, Jennie Westrate, John Dyksterhouse, William Venema, Coopersville; Mrs. Clarence Snay, Jeanette Karsten, Chester Van Koeve, Ing, Hudsonville; Jeanette Vande Ploeg, Wilma Van Doesburg, Raymond Lamb, Harold A. Bosch, Esther Kooyers, Holland; Nelson VandeKolk, Josephine Lippinga, Herman Johnson, Metta Kemme, Zeeland; Clifford H. Shimmel, Norris Ferguson, Marne; Ethelyn V. Easterly, Nunica; Henry A. Tripp, Anna F. Kieft, Charlotte Bethke, Lucille Drew, Irma E. Abel, Ruth Kamhout, Grand Haven; Jean Scott, Jenison; Mabelle Brown, John Berghorst, West Olive; Mildred Squire, Conklin; Edith I. McCune, Casnovia.

The board of trustees of the City Mission fund is making preparations for a canvass of the city of Holland for funds with which to conduct the Mission the coming year. This board took over the financial affairs of the Mission a year ago and each year it makes an appeal to the people of Holland to do their share to make the Mission's work possible. Experience has shown that about \$3,000 is needed to conduct the work efficiently and it is planned to secure at least that sum in the coming drive.

A systematic canvass of the city will be made as in other years and all will be given an opportunity to contribute to the fund. The result of the canvass will be published from time to time as the drive progresses. It is no longer necessary to make a plea for this cause because the work of the City Mission is so familiar to all the people of Holland that no explanations are required.

In accordance with the usual custom of the board of trustees, a statement has been prepared of the receipts and expenditures of the Mission during the past year. This will give the public a clear idea of how the money that they contributed last year has been used and how the contributions that are asked for for the coming year will be used. The statement follows:

Receipts

Rev. and Mrs. Henry V. E. Stegeman, missionaries to Japan, arrived in Holland Saturday afternoon and they are now the guests of relatives here.

Harvey Sullivan, 21, of Holland, jumped a board bill of \$1.35 when he arrived at Allegan to see a couple of friends. He stayed over night at an Allegan hotel and in the morning ordered breakfast, but disappeared before the meal was served. His arrest followed and Justice H. P. Cook imposed fine and costs totaling \$20.45.

At a beautiful wedding Thursday Miss Julia Fabiano, daughter of Mr. and Mrs. Charles Fabiano, 196 River ave., became the bride of Mr. Samuel Caruso, a business man of Fremont. The wedding was held at nine o'clock in the forenoon at the St. Francis church, Father George F. Nye officiating.

The bridesmaid was Mrs. Frank Fabiano of Dowagiac and the best man was Mr. Frank Fabiano of Dowagiac. The wedding march was played by Miss Wilhelmina Zerfas, and high mass was sung by Peter Paulus and Wilhelmina Zerfas. About 200 were present at the wedding. There were many relatives and friends from out of town.

A wedding reception will be held Sunday at the future home of the newly wedded couple at Fremont. Mr. Caruso is in the fruit business in that city.

A "house census" is to be held in Holland this week and when it is completed the census takers will know exactly how many houses there are in the city, how many of them are one story, how many two story, how many are single, how many double. They will know which houses contain one family, which two or more. They will know who keeps a hired girl and who keeps roomers. In fact, they will know all about Holland's houses from A to Z.

The "house census" is to be taken by the city planning and zoning commission and this body has engaged the city's boy scouts to make the actual canvass. A school of instruction has been held for the boys and when they start on their job they will know exactly what information they are after.

Each boy will be given a limited section that he can easily cover and it is expected that the census will be completed in two days. To make the work easier for the boys, the citizens of Holland are asked to co-operate with them and to give them the desired information, helping them to get every item correctly. Each boy will carry a card with blanks left for the desired information. These cards will show the number of the block, the number of the house, and will show what type of house it is, whether single, double or duplex. The boys will find out how many persons there are in each family, how many children attend the public or parochial schools, and they will ask for other information of that nature.

The information is needed in the work of the city planning and zoning commission. People are asked to give it freely and frankly. It will cost them nothing and will be used purely in a statistical way.

The boy scouts are donating their services to the commission and it is hoped that the people will make the task as easy for them as possible.

All repainted seats have been placed in Centennial Park, the color again being green.

Mr. and Mrs. G. W. Kooyers and family of Holland visited Tuesday with Mr. and Mrs. F. W. Shelp of this city. Nellie La Dick and Nina Daugherty of Holland, Ruth Cooper, of Hopkins, Clara Parmalee of Grand Rapids, and Mrs. Mary Parmalee of Hilliards were guests at the home of Mr. and Mrs. C. V. Nash over the

According to an advertisement for bids appearing the local papers on Thursday afternoon at 4 o'clock was the time specified for bids to be in for the new Zeeland high school, according to the secretary of the board of education, Wm. D. Van Loo. There are several bids in, covering different sections of the work, however, the opening of bids was postponed for a few days after which they will be made public. A conference is now being held with the architects who have all the bids on file.

Mr. Van Loo stated that the bond issue of \$135,000 was disposed of Thursday, the issue being bought by Grant & Co. at a premium. Mr. Van Loo was very reticent when figures were asked for, but was willing to give the information that the bond deal was very satisfactory.

The fact that the bonds brought a premium speaks well for our prosperous neighboring city.

The first steps were taken Thursday afternoon in the W. L. C. hall for the formation in Ottawa county of a county welfare committee that will act as a local agent to carry on the state health department's work in Ottawa. Mrs. G. J. Diekema was nominated as chairman, Miss Frensch of Coopersville as vice chairman, Mrs. Van Harten of Zeeland as secretary, Mrs. Charles Shupe of Grand Haven as treasurer and Mrs. Harrington of West Olive as the other member of the executive committee. These nominations made at the meeting Thursday afternoon will be sent to the Michigan state commissioner of health, Dr. R. M. Olin, for approval.

Around this executive committee a larger committee will be formed with members on it from all parts of the county. The plan is to have on it at least one member from each township and at least one member from each city, as well as members of certain groups that take a big part in the life of the county. In this way it is hoped to tie together the health interests of all parts of the county and to get all sections into close touch with the health needs of the whole community.

One of the first and most important projects that this county health committee hopes to bring about is the appointment of a county nurse for Ottawa county. Such a county nurse department would naturally be the focal point for health work in Ottawa as it is for such work in other counties.

Holland and Grand Haven both have city nurses and it is hoped to provide the rural sections of the county with the same service that the city people are getting. Ottawa once before had a county health nurse, and if such a system were adopted again this official could devote all her time to the rural sections, the cities being taken care of.

As soon as the necessary steps can be taken a formal organization of the committee will take place and the work of this body will be begun. The waiters at the luncheon were Camp Fire Girls and the luncheon was provided by Mrs. Markham and committee.

When telling the world about the HOLLAND Furnace we pass on the written or spoken words of our customers. As will be supposed we often receive letters in which we are told that it will be a source of pleasure to the customer, if we will repeat in print, the fact that he or she has at last found how delightful it is to live in a REAL cozy home.

One of the most likeable characteristics that home-lovers have, is the genuine wish that every one else should live in cozy homes, too. They realize that they have greater strength and happiness because of their good homes, and it is only natural that they should pity those who are not so well fortified. Surely that must be the reason why they ask us to print their words of praise, rather than just their appreciation of having received a full, round measure of Service.

Whatever it is that prompts our customers to express themselves, makes advertising the HOLLAND Furnace a pleasant task.

As a basis for it all, we must not forget, that

## BURGLARS ENTER FOUR PLACES MONDAY NIGHT

A gang of burglars dropped into the city shortly after midnight Monday and burglarized four places. The first place to be entered was that of Rev. Clarence Dame, 495 Central ave. Here the burglars entered through the Trinity parsonage window taking \$6.00.

At approximately 4 o'clock they entered the home of Dave Damstra, 90 West 17th street, but got nothing. At the home of Peter Levensen, 64 W. 17th street, the burglars had an easy time, for Pete keeps the latch string hanging out constantly, so his friends can walk in at any time. The burglars did likewise, but took nothing away for Pete believes in keeping his money in the bank.

The house occupied by Mr. and Mrs. Roos, 76 West 15th street, who recently moved into the city was also visited. A burglar attempted to raise the window at about three o'clock. In the morning, Mrs. Roos heard the potters, called her husband, and the would-be burglars made their getaway.

Chief Van Ry altho working on the case has no clue. At every house visited the telephone wires were cut, which Mr. Van Ry claims corresponds with work done in Grand Rapids the forepart of the week. The Grand Rapids papers chronicle the burglarizing of five residences, and in every case the telephone wires to the homes burglarized were cut, the same as in Holland.

## OTTAWA COUNTY WILL CELEBRATE BLOSSOM TIME

May 12 to May 18 is being advertised as Blossom week in the Trust belt of western Michigan. As a matter of fact thousands of fruit trees will be in blossom before that, but during the time stated the blossoms on fruit trees will stand out in regal magnificence and varied hues will be seen all over the fruit belt from the state line to the south to the northernmost confines of the lower peninsula. It is about 400 miles through Michigan's fruit belt on the West Michigan pike and thousands of tourists are expected to traverse the region. Fruit farms abound in Berrien, VanBuren, Allegan and Ottawa counties.

## HAGERMAN LEAVES \$5,000 ESTATE TO HIS WIDOW

Among the hearing held in probate court Monday in Kent County was the petition of the widow of Deloy L. Hagerman, 1421 Logan st., S.E., for the probate of the will of her husband, former Pennsylvania railroad agricultural agent. He bequeathed his entire \$5000 estate to his wife Hagerman who formerly farm agent of Ottawa county.

## HOLLAND HARBOR IS TO BE RESURVEYED

Congressman Carl E. Mapes sends this paper a letter together with a copy of the River and Harbor bill reported out of committee a few days ago in the house of representatives, and this authorizes a survey to be made not alone of Holland harbor, but also of Black Lake.

This survey is to be made by the Board of Engineers as recommended by the Holland Harbor board, the Chamber of Commerce and many other citizens who have taken a hand in fostering the better harbor project, not alone a title mouth, but also in the inner bay.

Shipping has been considerably impaired because of low water and it has been known for sometimes by marine men that if the waters of Black lake recede still more that the matter of navigation of the inner bay will be a problem that will need serious consideration and one that even now needs immediate attention.

Congressman Mapes has been working faithfully on this project at Washington and was sometime ago aided by G. J. Diekema and Austin Harrington who made a special trip to the National Capitol in order to bring home to the engineers and the River and Harbor committee the serious condition that existed at this port because of low water and the inadequate depth in the channel and elsewhere in Black lake.

The fact that a resurvey has been ordered would indicate that the first step has been taken for a greater depth in our harbor where this is necessary.

Now that Holland has a double daily boat-line service in the summer as well as an all winter service it is necessary that drastic steps be taken in order to maintain this service.

Grand Haven is much in the same boat as Holland and the River and Harbor bill also provides for a resurvey in the harbor of our sister city. The Grand Haven survey calls for no new construction but includes almost entirely a dredging project thru deepening and widening of the channel and extension of the harbor limits.

The survey includes Grand river as far as Bass river with the request for deepening the channel to Bass river for the benefit of the heavy river traffic incidental to the gravel business which has developed so tremendously within the last few years. The deepening and widening of Grand Haven harbor is also one of the essential points brought out in the request for the survey.

The Grand Haven project adopted in 1866 is still in effect. The minimum depth provided in that project has long been considered inadequate for the tremendous increase of steam-er tonnage now using the port.

## SOCIAL CONFERENCE TO MEET IN GRAND RAPIDS

The Western Social Conference will meet on Monday May 19, at 10:30 o'clock A. M. fast time at the Y. M. C. A. building Grand Rapids. Papers will be read as follows: "Spiritual Condition of American Churches in Michigan," by Rev. C. L. Austin. "Succession Movements," by Rev. G. De Jonge.

A Ford sedan driven by Richard DeHeer, of Grand Haven township, and a Ford truck driven by Tony Newman, of Grand Rapids, came together on M-11 near the Ottawa-Muskegon county line Sunday night about 5:30. It is stated that Mr. De Heer was on the right side of the road when struck, coming from Muskegon, the other car being bound for the Sawdust City. Mr. and Mrs. De Heer were both badly bruised and their car damaged.

## NAMED HEALTH OFFICER WHEN ON DEATH BED

When Mayor Kammeraad at the charter meeting of the common council Monday evening was called upon to break the first aldermanic tie in his career he decided more fortunately than he or anybody else knew. It was due to the mayor's action that Dr. B. B. Godfrey, who has long served the city faithfully as health officer, was re-appointed to that office only a few hours before he died. The vote on Dr. Godfrey stood six and six and Mayor Kammeraad decided the matter in favor of Dr. Godfrey without the slightest hesitation.

There was no opposition to Dr. Godfrey in the council on any score except that it was feared that he would not be able to serve. Had he been in good health he would have been sure of re-appointment. But it was well known that he was failing, although it was not appreciated by the mayor or aldermen that the end was so near. Six of the aldermen believed that in view of conditions it would not be wise to re-appoint Dr. Godfrey for fear that if an epidemic should come the health of the city would be endangered with the health officer incapacitated.

The health board however had sent a communication to the council asking that Dr. Godfrey be re-appointed as a mark of respect and in appreciation of his splendid service in the past, doctor members of the board promising to safeguard the city's health until such time as Dr. Godfrey might conceivably be able to function again.

There was some discussion pro and con. All the aldermen who spoke on the subject were warm in their praise of the past services of the health officer but some of them were honestly of the opinion that it would be unwise to re-appoint him under the circumstances, and six of them voted in accordance with that idea, giving their votes to Dr. Irvin and making it necessary for the mayor to break the tie. Death intervened a few hours later for the health officer and the aldermen will face the duty of naming a successor at their next meeting.

## SHERIFF'S LIVE DECOY LURES WILD MALLARDS WITHIN RANGE OF HIS GUN

Sheriff Theodore Truedell, of Bay City, has a live mallard decoy that lures its wild brethren in range in a new and unheard of fashion.

"The duck's name is Molly," says the sheriff. "She and I understand each other perfectly, so much so, in fact, that I never anchor her with the other decoys, but let her swim where she wishes."

"One day last fall when the ducks were flying, Molly started swimming out on Saginaw Bay. I watched her disappear and was cursing to myself over the prospect of paddling after her when I saw three dots loom on the water at approximately the same place I last saw Molly."

"It was she and two wild mallards. Quacking encouragement when they hesitated, Molly led them right into my decoys."

"You can't beat that," concluded the sheriff.

## HOLLAND'S HEALTH OFFICER DIES TUES- DAY MORNING

After an illness of many weeks, during a large part of which period he had been confined to his bed, Dr. Byron Benjamin Godfrey, Holland's Health officer for many years, died Tuesday morning at about six o'clock at his home, corner Tenth street and College avenue. He had been very low for some weeks and his death was not a surprise to those who were closely familiar with his condition.

Dr. Godfrey was born on March 1st, 1848, at Oswego N. Y. With his parents he moved to Wisconsin at the age of five and it was in that state that he received his early education. At the age of 18 the family came to Lamont, Michigan, and in 1881 Dr. Godfrey became a resident of Hudsonville. Previous to practicing medicine at Hudsonville he served as principal of the Grandville school.

Dr. Godfrey received his medical education at Rush Medical school in Chicago, graduating in 1878. After practicing for some years at Hudsonville the family came to Holland in 1895 where Dr. Godfrey has practiced his profession ever since and has also served as health officer.

In the latter capacity he served Holland for many years, having had various terms of office in various administrations. He gave the work practically all his time and did much to give Holland one of the best health departments for its size in this part of the state.

In all Dr. Godfrey practiced medicine for 46 years and to the very last he was keenly interested in medical advance along all lines. He was always an active member of the Ottawa County Medical society, serving as its chairman. He seldom missed a meeting and did much for the success of that organization.

He was married to Mary C. Beardslee in March, 1870. His wife died last summer and his only son, Dr. Almon T. Godfrey, followed his mother in death a few weeks later in August, 1923. One daughter survives, Mrs. Pearl C. Van Kampen, of Monsey, N. Y.

The funeral will be held Friday afternoon at two o'clock at the home. It will be conducted under the auspices of the Masonic order of which he was an active member for many years. Interment will take place at the Hudsonville cemetery.

## EAGLES ELECT OFFICERS FOR COMING YEAR

The F. O. E. at their regular meeting held Monday night elected the following officers for the ensuing year: Worthy president R. J. Brown; M. V. P., M. Van Doorn; W. Chaplain, C. Buurman; secretary, C. L. Kulte; treasurer, Jas. Ver Hult; I. G. C. Kramer; O. G. A. Spyker; trustees for three years, Wm. Koullman, sr.; Aerle Physician, Dr. P. J. Abbott. Delegate to Grand Aerle convention to be held in Providence R. I. in August past Worthy President Wm. Wilson; delegates to state aerle to be held in Detroit in June C. L. Kulte, James Ver Hult, Wm. Koullman sr.

## FRED KAMFERBEEK, AGAIN IN THE RACE FOR SHERIFF

Fred Kamferbeek of Holland will again be in the race as a candidate for sheriff. The Democrats of Ottawa county have sent petitions broadcast in every nook and corner and are planning on a large petition for the Holland man, who two years ago on the face of the returns was elected over Sheriff Fortney, but because of technical errors in the marking of ballots by lead pencil, was defeated by both the Circuit and Supreme courts.

The Holland man is to try again this fall and no doubt on the primaries will have an overwhelming democratic majority, there being no other candidates in the field.

The republicans however, have half a dozen candidates, among them being Cornell Steketee and Cornell Dornbos of Holland, Hans Dykhuis formerly of Holland, now of Grand Haven. It is also understood that Bert VanDyke of Zeeland is to enter the race, and that Allendale, and didates. Before the primaries Ottawa county may be situated like Allegan where there are a dozen sheriff candidates in the field.

Anyway after the primaries Mr. Kamferbeek will have to run against the winner of this lot of Republican candidates. Just as likely as not it may be a Holland man, since at the primaries Holland casts about as many votes as half the county taken together, and chances are that local pride will induce voters to stand by their Holland candidates.

Just what the Republicans will do in this matter this fall on election day is hard to conjecture at this time. Kamferbeek supporters claim how- ever that the local man, as before, will receive considerable republican support which is necessary, should he be a winner. This being a presidential year it can be expected that the campaign waged is to be an exciting one and just what bearing this will have upon local conditions is difficult to tell at this time.

## PAYS FINE FOR INTERFERING WITH A STATE OFFICER

Gezenius Kamps, a farmer living near Jamestown, was arrested by Deputy Sheriff Vander West on the charge of interfering with the work of a state official. Dr. B. E. Miller, a Michigan state veterinarian, had gone to the Jamestown farm to test and brand some caves that were tuberculous. Kamps interfered with his work and threatened the state physician in the presence of several other farmers.

Dr. Miller came to Holland and enlisted the aid of the Ottawa officer. A warrant was sworn out before Justice Den Herder and Kamps was taken before him. He paid a fine of \$20 and costs amounting to \$7.65.

## CITY OFFICERS FOR COMING YEAR ARE APPOINTED

The annual charter meeting of the common council was held Monday evening when the various officers for the coming year were appointed and the salary ordinance passed. There was but little difference of opinion on any of the officers and the meeting was brief and harmonious.

C. H. McBride was re-appointed city attorney on the first ballot by a vote of 7 to 5. Mr. Clarence Lokker received five votes.

As president pro tem of the council Ald. Frank Brive was appointed on the first ballot, receiving nine out of twelve votes. One vote was cast for Ald. Dykstra and one for Ald. Wickerling, while one blank vote was cast.

Jacob Zuidema was unanimously re-appointed city engineer. For city health officer a tie developed between Dr. B. B. Godfrey and Dr. Harry C. Irvin, each receiving six votes. Mayor Kammeraad broke the tie by voting for Dr. Godfrey.

Henry S. Bosch was appointed for the combined offices of director of the poor and city inspector, receiving the unanimous endorsement of the aldermen. Arnold Mulder was re-appointed member of the library board, John Kelley of the board of park and cemetery trustees, and Otto P. Kramer of the health board by acclamation.

W. H. Beach and E. P. Stephan were named members of the Holland harbor board, and Benj. Duker was named member of the hospital board.

The salary ordinance for the year was passed after it had been considered in the committee of the whole with Ald. Laepple in the chair. No change was made from the items of last year, the salary of each official remaining the same.

At the close of the meeting City Attorney McBride invited the city officials to the Green Mill Cafe for refreshments.

## DIRECTORY OF OTTAWA COUNTY TO BE ISSUED

By about August first Holland will have a new city directory to take the place of the one that is being used now and that was issued in 1921. Not only it will be a city directory but it will be a complete directory of Ottawa county, including directories of Grand Haven, Zeeland, Coopersville, Spring Lake, and of all the villages and rural routes within the county. This will be the first time in the city's history that so complete a directory of the county is issued.

The work is being done by the O. L. Blodgett Company, publishers, of Lansing, and the firm that has charge of the project has been endorsed by the chambers of commerce and merchants associations of both Holland and Grand Haven. The work of securing the names for the book will be begun almost immediately and it is expected that the finished

directory will be ready for delivery early in August.

The new directory will have everything any city directory has ever had and in addition to that it will have a number of features that have never before appeared in local directories. For one thing, it will have a street number directory giving the numbers in order and the names following. This is a great convenience for those who wish to trace residents by their numbers. It will also of course have the usual alphabetical directory of the citizens, the business places, professional directory and so on.

A handy feature of the book will be a map of Ottawa county that will show all the cities and townships and rural routes and by means of which any resident in the county can be readily located. It will show 42 rural routes and 17 townships.

The directory issued in 1921 has done good service but changes are constantly taking place. For that reason a new volume is very much needed and the additional directory of the rest of the county will also be a great convenience.

Among the special attractions contracted for are the Kryn band of Chicago and the Robinson military elephants. A fireworks display will be given every night under the direction of the Gordon Fireworks Co. Secretary Sequist states that \$3,650 will be spent for free attractions this year. The new grounds acquired last year have been enclosed by 160 rods of wire fencing.

Prospects for a big fruit crop are bright, according to investigations made by Gerrit J. Deur, a leading fruit grower of Holland township. "Cherries, peaches, pears, grapes and small fruits of all kinds will be plentiful, unless an unexpected killing frost should visit the fruit section," said Mr. Deur. "The apple crop, however, will be light," said Mr. Deur, "owing to last year's bumper yield, as it seldom happens that big crops are harvested in two successive seasons." Plums indicate a fair crop.

Walter Keys, alias Burt Russel, of Grand Rapids, was taken into custody by Grand Haven police Thursday night on a charge of burglary preferred by the Furniture City officers. Grand Rapids officers came for him Saturday Thursday and Tuesday two were arrested for parking without lights and one for violating the stop street ordinance.

The Goodrich steamer, Alabama, is at present in Manitowoc undergoing the usual spring fitting out which gets her ready for the heavy summer traffic. The propellers are also changed, the new wheel being better adapted for speed. While the Alabama is laid up, the steamer Indiana is at present on the run.

Because a car jumped the track east of the city the Grand Rapids boat car was twenty minutes late in making connections with the Saturday morning boat for Chicago. When the car arrived at the dock the departing boat could just be seen in the distance. There were five Chicago passengers aboard and the Holland Interurban conductor with apologies for the delay refunded the Chicago passengers their money and took them back to Grand Rapids without charge.

Mr. and Mrs. Jan Boers of Olive Center expect to celebrate their 60th wedding anniversary in the near future. They are 90 and 82 years old and are still hale and hearty. They attend church regularly every Sunday at Crisp.

The program given by the South Olive Choral Society was a success. The church was filled to capacity, and many had to turn back home as they could not gain entrance.

The Central Tigers walloped the Pine Creek Team by the score of 18 to 2. Batteries: Tigers, Wolters, Spoelstra, and DenHerder; Pine Creek, Fogarty and McFall.

Recently four dogs have died by poison in one neighborhood at Grand Haven. Residents there are up in arms over the loss of canines who meant a great deal to their owners. The most recent poisoning took place Tuesday when "Ruff", owned by Mary Cavanaugh, died by poisoning. Owners of the dogs have appealed to the police to investigate.

A large crowd attended the first shoot of the Holland Gun club on 4th street. Henry Koop brought down the most clay pigeons, his record being 23 out of 25 birds. William Woldring and Sam Althuis came second, each bringing down 21. Neal DeWaard came third with 20 birds in very difficult.

The little four-year-old son of Joe Bouwman of Wayland, who was lost in Holland, was found by police officers at the home of Jacob Steketee, living some distance in the country. Bouwman had taken his wife to Holland hospital for an operation, the boy going along. The boy was attempting to find his grandparents' home and when it became dark he began to cry calling attention to his plight, and Chief Van Ry was notified. When his father called up the police the child was restored to him.

Capt. Taylor of Benton Harbor, Nat. Robbins of Grand Haven and Perry K. Heath connected with the Graham & Morton Transportation Co. were in the city on a tour of inspection Tuesday. After a trip to Saugatuck with local manager Johnson where a dinner was given the officers of the line returned to their respective homes. The men are well satisfied with this season's outlook.

Several Holland men attended the Republican state convention at Grand Rapids. The delegates from this city are: G. J. Diekema, Arthur Van Duren, Thomas N. Robinson, J. B. Mulder, John Arendshorst, Frank Brive, Charles McBride, William Lawrence and B. A. Mulder. Those from Holland town are John Y. Hulzen, Park township, Luke Lugers.

Capt. S. F. Murphy, 89, pioneer resident of Allegan, died Tuesday night after a long illness. He served in the Civil war in Co. L, 4th Michigan cavalry, with Gen. B. D. Fritchard and assisted in the capture of Jeff Davis. He is survived by the widow, two daughters, Mrs. Charles Kellogg of Allegan and Mrs. Mary Hutsler of Virginia, and two grandsons.

The DePree Co. is rebuilding its fire swept fumigator plant on River ave. The three-story block will be reduced to two stories and connected with the main plant by a one-story structure about 100 feet long. The third floor of the building was so badly damaged that it was deemed advisable not to rebuild it. The job will be completed within two weeks.

The Holland Teachers' club has issued invitations to the members of the W. C. T. U. to a tea on Friday afternoon from 4 to 6 in the Junior high school. Other guests of the Teachers' club at the tea will be the ladies of Hope college, the officers of the Woman's Literary club, and the wives of the members of the board of education. A short program will be given including readings by Miss Metz and music.

Burt Fant of Grand Haven, brother to Wm. Fant, proprietor of the Holland Monument Works, was in the city announcing his candidacy for Registrar of Deeds, against the present registrar, Mr. Rycenga. Mr. Fant 17 years ago was a Holland barber and but of recent years has been conducting a shop and newstand at Second and Washington streets Grand Haven. Mr. Fant was manager of the last baseball team Grand Haven could boast of.

Fred C. McCrea, secretary of the Grand Haven chamber of commerce, came near missing his engagement at the merchants' association Tuesday night, for as he was nearing Agnew coming this way he met up with a regular cloud burst, but managed to weather the storm. When he reached Holland he found that no rain or wind had visited here; however, the little hurricane and downpour on the pike made the speaker more than a half hour late.

The football lineup for the High school as far as this can be given is as follows: Tom VanZanden, captain, with Overweg, Cook, VanHaate, Van Lente and E. Hill, members of last season's squad, as a nucleus around which to build a team. Coach Hinga has 15 other candidates who are training to make the team.

W. E. Dunn, Harry Dunn, F. W. Dunn and Norman Dunn, Jr., left on Thursday evening to go trout fishing up north.

Mr. and Mrs. Wm. G. Stephan of Holland attended the funeral of Mrs. Fred Westerhoff at Grand Haven Wednesday. Mrs. Westerhoff was the mother of Mrs. Stephan.

Mrs. Cornelius Vanduren of 198 W 13th street underwent an operation for a rupture at the Holland hospital yesterday.

Mr. J. P. O. De Mauriac and Mr. and Mrs. Walter Lane have been called to Chicago on account of the death of Mr. DeMauriac's father.

Rev. Benjamin M. Brown, evangelist of the National Christian association and member of the presbytery of Chicago, has been booked for several meetings in Holland and vicinity. Mr. Brown will speak next Sunday in Prospect Park church at 9:30 A. M. and in Fourth Reformed church at 7:30 P. M. Other dates and places are: Fremont, Christian Reformed church, May 13; Kalamazoo, Second Christian Reformed church, May 18; at 7:30 P. M.; Grand Rapids, Eastern ave. Christian Reformed church, May 25, at 7:30 P. M. Mr. Brown's topic will be "Why a Christian Cannot be a Lodge Man."

The last meeting of the Holland Merchants' association before the summer vacation was an interesting one and Grand Haven men were well represented in the persons of Charles E. McCrea, secretary of the chamber of commerce, Robert E. Doyle, secretary of the Merchants Service Bureau, and Mr. Hoffman, a Grand Haven banker.

The three men discussed credit systems existing between merchants and customers telling how, because of the credit system, professional deadbeats were eliminated from the merchants' books, how customers who had hard luck but were honest were dealt with leniently and how customers who had gotten behind everywhere were placed on a cash paying basis by lumping all the bills of different merchants and putting them in the hands of a trustee and on this lump sum the far-behind customers would pay a certain small amount each week until all the bills were paid, at the same time paying cash for new debts incurred.

Mr. McCrea especially discussed

chamber of commerce work, stating that Grand Haven had 363 members paying \$25 a year, and that in order to complete the program mapped out at least 400 were necessary.

Mr. McCrea says that a chamber of commerce should not dabble in small things but should chiefly look out for the commercial and industrial welfare of the city, and should have plenty of money to foster such projects.

He held that the smaller clubs in the city should take care of the smaller civic needs, leaving chambers of commerce free to handle the big things.

Mr. McCrea stated that the Grand Haven chamber of commerce would have \$12,600 to spend this year and he stated that Holland should have 600 members, according to the size of the town, and if it didn't have that many, it was falling short of the quota that men were in chamber of commerce work feel a city of this size should have.

It is estimated as a rule, Mr. McCrea contends, that there should be enough members in every town paying \$25 a year to make up a quota of \$1 for each inhabitant. That would mean \$14,000 for the city of Holland.

A matter that came up for discussion was buying a site somewhere on Lake Michigan that would be a permanent picnic grounds for the city of Holland. There was a lively discussion on this matter in which Fred Beeuwkes, John Vandersluis, Wm. J. Brouwer, Gerard Cook, Jake Lokker, B. A. Mulder and others took part. It was brought out that Holland has been asleep for twenty years on this matter, and now after outsiders were bright enough to see the advantages of our beautiful lake front and its wonderful bathing beaches and have purchased the very best sites, Holland is waking up to find that there is but poor picking left.

By unanimous vote it was resolved to ask the Holland chamber of commerce to take up this proposition and in so doing the merchants' association will give the chamber wholehearted co-operation, aiding financially and otherwise in making a picnic grounds on Lake Michigan for the city of Holland a possibility.

After the business meeting refreshments were served, the cookies being donated by Cookie King Brive, the ham by Tom White, the coffee by the Boston Restaurant, the buns by Vander Schel's bakery, and the cigars by Bert Vander Poel of the Superior Cigar Co.

A complete surprise was worked in honor of Mr. and Mrs. T. R. Binns on Monday evening. Mr. and Mrs. Binns have lived in Holland for more than fifteen years and have been active members and workers in the Methodist Church and Sunday school during all that time. Both Mr. and Mrs. Binns have been in poor health for some time and they are closing their home here and returning to their old home at Niles, Michigan, where their son Vernon resides.

Some sixty members of the Adult Bible classes worked out a surprise on their co-workers, Mr. and Mrs. Binns, and carried them off their feet with their hearty expression of good will. For quite a while Mrs. Binns was assistant teacher of the Women's Adult Bible Class and Mr. Binns was teacher of the Men's Bible class, and these classes presented their old teachers with some tokens of remembrance and gratitude. Refreshments were served, songs sung, and responses made the evening a very pleasant affair in spite of the fact that everyone felt keenly their disappointment in having to lose their old friends.

Mr. and Mrs. Binns heartily expressed their appreciation and assured their fellow-workers that their latter days would be more pleasant because of their kindly expressions of sincere friends. Mr. Binns has been employed for a number of years at the Holland Furnace company and one of his sons is also engaged in furnace work outside.

The meeting of the Woman's Literary Club Tuesday made a fitting close to a very successful year. There was a representative audience present and with two exceptions each officer or chairman was present to give her report.

The club voted to give \$100.00 to the drive for Miss Churchford's mission. Mrs. Joseph Rhea and Mrs. J. DenHerder were elected delegates to the state convention at Petoskey, with Mrs. James Wayer and Miss Katherine Post as alternates. Reports were given by the secretary, corresponding secretary, and treasurer. The club building is valued at \$20,000 and the debt on it is \$1500.

Among the committee reports, the following were of special interest. The hospital committee, which superintends the purchase and making of the hospital supplies with the co-operation of the church societies, collected 388 quarts of canned fruit and purchased new rugs and lamps for some rooms. The civic health committee sold \$953.00 worth of seals last Christmas, put on a very successful baby show and clinic at the fair last fall, and has charge of the clinic held in the hospital annex each week. The city nurse and several physicians have greatly aided in this work.

The philanthropy committee sent acceptable gifts to each inmate of the county infirmary before Christmas, and in April a gift of \$38.00 to the Michigan Children's Home. The education committee reported that \$2,741 had been loaned to worthy girls of which \$1,601 had been returned. The amount now in the fund is \$1,305.

The girls' work committee had raised \$170.00 for their work and had an average attendance of 18 girls at their athletic meeting each week except once a month when they had an informal supper at the club house. Miss Ethel Dykstra reported that she now had four camp fire groups who use the Literary club house as their headquarters.

Mrs. D. B. K. Van Raalte, accompanied by Mrs. Martha Robbins, beautifully sang, "If I but knew," by Alice Fish, and "Little Brown Brother." Mrs. James Wayer, as chairman of the legislative committee, discussed the situation in congress regarding the world court and immigration and in closing gave a wonderfully stirring plea for the child labor amendment.

The district convention at St. Johns was ably reported by Mrs. George Pelgrim and Mrs. E. Brooks. Mrs. Pelgrim discussed the morning session. The Americanization work done in Grand Rapids among the Italian women increased the night classes from 500 to 1200 attendants. The literature chairman urged that her department be used. The campaign against indecent magazines is something for other clubs to follow. The best speaker of the morning urged that the club women use their influence to help enforce our prohibition laws.

Mrs. Brooks reported the addresses of the afternoon—the first, by Mrs. Wiley, discussed the lack of facilities

## Why Lie Awake For a Cent and a Half?

John Jones, a wage earner spends less than he earns. He knows that if he puts \$5.00 a week into a jar or a stocking he will have \$260.00 at the end of the year barring theft, fire etc. But if he knows as much as that, he knows also that he can add a few dollars to his total of yearly savings without adding any more money to his savings each week.

Anyone knows, or should know, that his money can make money—either by investment or by depositing dollars in a savings bank.

But John Jones or anyone else unversed in the ways of finance, becomes more or less bewildered when he stops to comprehend all the various channels that contribute toward the multiplying of dollars, and when he reads the world's news of flattering returns, giving great promise on paper, but which profits seldom materialize in fact, he is often carried away, and invests in enterprise that later brings regret.

It is better to sleep on 4 per cent with compound interest safely deposited in a FIRST STATE BANK savings account, than to lie awake on a 6 or 8 per cent promised in hazardous outside financial undertakings.

and urged that the women ask for appropriations for additional hospitals. Mrs. Roach spoke on health and hygiene and suggested a woman on the board of health in each city. Mrs. McDaniels discussed the educational situation, explaining the need of funds to decrease illiteracy and the advisability of having a separate department of education in the cabinet to co-ordinate work along educational lines.

The women who listened to this splendid program appreciated how much was being accomplished by our federated clubs and also how much the Holland Woman's Literary club was doing to improve social health and educational conditions in our community. After the program, Mrs. John S. Dykstra and her committee served delicious refreshments in the dining room which was tastefully decorated with yellow flowers.

## DE VRIES & DORNBOS FURNITURE COMPY BUY VISSCHER BLOCK

Some six months ago a story was published telling of a building program to be put on by the DeVries & Dornbos Furniture Co. The Rinck building which they now occupy was to be remodeled throughout, and additional room was to be made by building to the rear. This program was temporarily halted and in the meantime an opportunity presented itself whereby the firm was placed in a position to purchase the beautiful Viischer block, considered one of the most substantial buildings in this city.

The building is 54 feet wide and 100 feet deep and three stories high and when the late Attorney A. Viischer erected the structure he built the foundation and walls of such proportions that several stories could be added safely if future needs demanded. Anyway the building was offered for sale and the firm of DeVries & Dornbos succeeded in closing up a deal which was very satisfactory to all concerned.

Remodeling operations cannot begin at once for the reason that several tenants still hold short time leases, and as soon as these expire within the year, and the store and office buildings are vacated, building operations will begin at once.

The tenants who now occupy the building are the Holland City Gas Co., J. C. Penney Company, K. of P. and Woodman fodge, the American Legion, the Viischer & Brooks Insurance company, Attorneys Lokker & Den Herder, the Y. M. C. A. and Carl Bigge with the Northwestern Life Insurance Co.

It is still too early to fully give contemplated reconstruction plans of the DeVries & Dornbos Furniture Co. Papers transferring the property were signed only Friday, consequently nothing for the future has taken tangible form up to this time.

It is safe to say however that the new furniture emporium will be a beauty. Each floor will be transformed into a large room as the partitions between the two stores, as well as the partitions on the floors above will be broken out.

A beautiful new front with plenty of show window space is also contemplated, but further than that Mr. Dornbos of the local firm could not say.

The local furniture company has made some remarkable strides in its particular line. The firm was first started in 1914 under the firm name of DeVries & Lokker. It was a small beginning on the ground floor of the Steketee building, now occupied by the City Mission. In 1917 Cornelius W. Dornbos, formerly with the Meyer Music House, purchased the interest of William Lokker, and the firm then occupied the building of A. C. Rinck & Co., two stories being utilized for furniture.

Business expansion became so rapid that the 3rd story had to be added and the present move made, was simply for the reason that more room was necessary to judiciously and profitably handle the rapidly increasing volume of business.

In buying the Viischer block the firm had in mind that in the first place they bought a beautiful structure. In the second place that it was larger than the present building and too that it is more centrally located, and what is more the firm did not lose sight of the fact that if even greater expansion was necessary commensurate with the growth of the city, the building was strong enough to take care of any building program that future expansion might demand.

The personnel of the firm of DeVries & Dornbos is Milo DeVries and Cornelius W. Dornbos.

## ALDERMAN SELLS DRUG BUSINESS TO GEORGE E. SMITH

Alderman Charles Dykstra has sold his drug business on the corner of 16th street and Central ave. to Geo. E. Smith who has been serving as a clerk in the East End Drug store on East Eighth street for some time. Mr. Dykstra disposed of his stock, his drugs, and fixtures to Mr. Smith and will remain owner of the building which he has leased to Mr. Smith. Smith is a registered pharmacist and he expects to give the public in that section of the city the same service that has made the Dystra drug store a distinct success. Smith has been in the drug business for ten years.

Mr. Dykstra started in business nineteen years ago. He has not decided what line he will follow for the future having made no plans as yet.

## TOWNSHIP AND CITY TO DO PAVING TOGETHER

A bit of paving, that is of more than ordinary interest to the people of the city at large is the block from Lincoln avenue to Fairbanks on 16th street which will be paved in accordance with the specifications for paving the other streets of Holland this summer. Agitation has been in progress for a long time to have this bit of road paved, partly because it is the approach to the cemetery, but the difficulty has always been that half of the bill will have to be borne by the township and half by the city.

While Mayor Kammeraad was still chairman of the streets and crosswalks committee he and his fellow committee members made arrangements with the township board to have the matter put to a vote in the township. This was done at the April election and the people of the township voted favorably. This vote removed all obstacles and the paving can begin as soon as the necessary hearings have been held.

Dr. and Mrs. W. P. Scott and Mr. and Mrs. Frank Pifer are again occupying their cottage at Jenison Park after spending the winter in Florida. On their return home from Florida by automobile the party engaged in a sight-seeing tour. Although the trip can ordinarily be made in a week or a little over the Holland people took nine weeks for it. They first made a complete tour of the state of Florida visiting all its places of interest and as they came north they made stops at all the places of interest on the way. They were exceptionally fortunate in regard to car trouble and they did not meet with even a puncture during all the weeks of travel until they had re-entered Michigan.

## HOLLAND BOY IS NAMED EDITOR OF COLLEGE JOURNAL

William P. Bitter, of 231 E. 16th St., a student at Carnegie Institute of Technology, in Pittsburgh, Pa., has been elected Editor-in-Chief for next year of the Carnegie Technical Journal, a quarterly publication issued by the students and the alumni of the institution.

The growth of the Carnegie Technical Journal, which is devoted to technical and engineering problems, has been one of the outstanding successes of student achievements at Carnegie Tech during the past few years. It is now regarded as one of the leading publications of its kind in the country, and election to its staff is considered to be an exceptional honor on the campus.

Mr. Bitter is a Junior student in the Department of Chemical Engineering of the College of Engineering.

## JOHN F. VAN ANROOY AGAIN APPOINTED GRAND HAVEN'S ASSESSOR

At the regular meeting of the Grand Haven city council, held in the council room, the council made appointments to the offices in the city government which are held by appointed officials.

In the list is found the name of John F. VanAnrooy, a former resident of Holland.

The new officers appointed to hold office for one year until the first Monday in May, 1928, are: City Manager Paul R. Taylor, City Clerk K. T. Vandenbosch, Deputy Clerk Gertrude Baker, City Assessor John F. VanAnrooy, Special Assessor John F. Verhoeks, City Attorney Louis H. Osterhouse, Member Board of Supervisors John W. Verhoeks and President of Council John Welch.

Mayor C. W. Cotton appointed the following board members, all except Phillip Roebach succeeding themselves: Cemetery board, B. A. Bakker; library board, B. P. Sherwood; park board, Phillip Roebach, and welfare board, Mrs. John Walsma. The entire re-appointment of the city officers and board members is taken as an indication of the general approval of the conduct of the city's business during the coming year.

Speaking on the subject, "Who's Who in Holland," former mayor Nicodemus Bosch gave a provocative paper before the Social Progress club Monday evening when that organization held its last meeting of the year at the home of Mr. and Mrs. William Slater, Graves Place. The paper was provocative because very different from what the members had expected.

Most of those present admitted that they had come to the meeting ready to hear a spicy paper of evaluations of persons in the city, but instead of that Mr. Bosch wisely and diplomatically confined himself to general principles. He declared as his main line of thought that "Who's Who" is more important than "What's What," because back of every great movement, successful business, or any successful enterprise is a personality who has first imagined it and who, often against opposition, has carried it thru.

With this idea in mind he went into the past history of Holland and declared that the "Who's Who" of the earlier years of the city's government had much to do with the success of Holland today. The names of many of the early mayors and aldermen have almost been forgotten but they laid the foundation on which the city officials of today are building.

In the same way he told of the members of the board of public works of the past and present and attributed to them the success of city's public works department.

Using these two as an illustration he drove home his point that personalities are back of movements and he declared that personalities are back of Holland's business institutions and that they are more important than capital or anything else.

At the annual election of officers the following were named: President, Professor Eckert Winter; 1st Vice-President, Thos. N. Robinson; 2nd Vice-President, Principal J. J. Riemersma; secretary and treasurer, Chas. Karr; members of the executive committee, Supt. E. E. Fell and Henry Winter. The nominating committee was composed of E. Winter, T. N. Robinson and J. J. Riemersma.

## HAMILTON

Miss Lena M. Laude organized a class of 25 girls in the Hamilton school who are taking a course in the proper way of taking care of babies. Two lessons are given each week in order that the young ladies may complete their education along this line when school closes.

Mrs. Julia Rigtierink has signed another contract as instructor of Mathematics in one of the Kalamazoo high schools.

John Kolvoord, jr., is proudly "shooting" around in a new sedan.

Rev. Herman Potger of Highland Falls, Wis. occupied the pulpit of the American Reformed church last Sunday. The dominie will soon be installed having accepted the call and his family will be given a hearty welcome.

Rev. James Rutgers of Hamilton, who will graduate from the Chicago Evangelistic Institute in June has accepted a charge in Minnesota and expects to go there sometime in June. He expects to spend a few days at

home before he leaves for that place.

A miscellaneous program is to be given at the Community hall at Hamilton by talented folks from Holland, Michigan who have been giving the same program at Holland. The program is for the benefit of missions and a playlet depicting the trials of missionaries in the foreign fields constitutes part of the entertainment. At Holland the participants were greeted with a crowded house. The male quartet of Holland has also promised to take part. The program is to be given on Friday evening, May 18.

Pupils in the Hamilton school apparently are very intelligent, the 10th grade pupils lacking but one point of being perfect. This is better than perfect for after being perfect there is no incentive to excel in endeavoring to be perfect.

The rapid growth of the automobile industry is very well illustrated by the statement of a dealer in Hamilton to the effect that in 1914 his contract called for the sale of 12 cars but that this year he has a contract for the sale of 162 automobile units, including 144 cars, with trucks and tractors enough to make the total number of units.

Mr. and Mrs. Arbrush of Holland went to Detroit Sunday, with Jacob Eding, to get a new car.

The American Reformed church and the parsonage as well is now being illuminated with a new electric plant. The old gas plant was purchased by Harvey Zeerip who is installing it in his house.

## EAST HOLLAND

A few of the neighbors of John Beukema assisted him with getting his oats sowed last Wednesday. Mr. Beukema has been unable to attend to his farm duties on account of the illness and death of his son.

Mr. and Mrs. James Postma, Leona Stanley and Iris, were present at a farewell party given at the home of Mr. and Mrs. Bert VandePoole at Holland in honor of Mr. Van Dornink, Mrs. Postma's brother, who left the same evening for California.

The community was shocked to hear of the death of Mrs. Harm Molewyk, who was a victim of an auto accident last Thursday evening while returning from the wedding of a relative. The Molewyk's are well known having formerly lived on the farm now occupied by their children, Mr. and Mrs. Joe Baker. Several residents attended the funeral services held at Drenthe Tuesday.

## SOUTH BLENDON

Died on Monday afternoon, April 28th, Mrs. John LaHuis, at her home in South Blendon, at the age of 71 years and three months. Mrs. LaHuis had been an invalid for nine years, during the greater part of which she had been confined to her home. The funeral services were held on May 1, at 12 o'clock at the home and interment was made in the Zeeland cemetery. She is survived by her husband, John LaHuis and four daughters and three sons. The children are Mrs. Lena Rice of Kalamazoo, Mrs. Kate Elzinga of So. Blendon, Mrs. Dena Cheyne of North Blendon, Mrs. Anna Gleason at the paternal home, Casper LaHuis of Grand Rapids and Roy and John LaHuis Jr. of South Blendon.

## NEW GRONINGEN

The school board met on Monday evening at the home of one of its members, Henry Jekel, who has recently suffered an operation and now is recovering nicely.

Work has begun in preparation for paving the highway between New Groningen and Zeeland. This makes a detour necessary.

The family of Johannes Molewyk, who were injured last week in an auto accident east of Zeeland, are recovering slowly from painful bruises and internal injuries as well as the shock resulting from the collision.

Elmer Jekel spent the week-end at the home of his parents here. He is attending business college in Grand Rapids.

## ZEELAND

Born to Mr. and Mrs. John Hop, of Beaverdam, a daughter; to Mr. and Mrs. Henry Van Barowe, Beaverdam, a daughter; to Mr. and Mrs. Jacob Boersens, Zeeland city, a daughter; to Mr. and Mrs. Martin De Jonge, a son to Mr. and Mrs. Gerrit Bosch, Borculo a daughter.

The American Legion Fair proved a great success. James H. Tuuk won the Star automobile; Mrs. E. J. Mac Dermant won the dressing table and Marvin Romeyn the bed. Miss Nettie Coburn won the \$10 in Gold for guessing the nearest correct number of the automobile winning ticket.

The Zeeland Literary club celebrated Edgar Allen on guest day May 1st in the American Legion rooms. Miss A. Huizinga gave a paper on Edgar Allen (the man), and Miss Neerle read some of his essays. His poems which have made him so popular and close to the hearts of all who read them were discussed by Mrs. E. J. Pruim. Miss Schlutt again favored the club with a vocal selection and Miss Dora Van Loo accompanied on the piano.

The party composed of Mr. T. G. Huizinga, Mrs. Kate Veneklasen, Mrs. Minnie Veneklasen and Mr. and Mrs. James C. De Pree, who have spent the winter months in Miami, Fla., have returned to Zeeland only Mrs. Kate Veneklasen stopping over at Memphis, Tenn., where she visited a few days with Mr. and Mrs. Frank Jerome, former residents of Zeeland. Mr. and Mrs. G. F. Huizinga remained in Miami for another week or two.

## NOORDELOOS

Death took the wife of Rev. J. Zeeuw, pastor of the Chr. Ref. church of Noordeeloos, after a few weeks of illness. For several days she had been lingering critically ill at Blodgett hospital, where she finally gave up a brave fight for life. She leaves her husband and one infant child, besides her parents and four sisters. The funeral was held Tuesday afternoon from the home of her parents and from the Dennis Ave. Chr. Re. church of Grand Rapids. Revs. W. Kuipers, W. Stuart H. Keegstra and D. R. Drukker officiated. Burial was made at Grand Rapids.

## A Small Portion of Holland's Water Front

Where can you find more hustling and business than in Holland right now? Buildings going up everywhere. \$500.00 garages, \$10,000.00 Homes, \$300,000.00 Schools, and a half million dollar Warm Friend Tavern. Progress all about us! Yet Fire Chief Blom suggests we are backward. Yes, backward in having inadequate Fire Protection. We are interested in growing fast—we should be just as interested in PROTECTING our growth. There's no sense, nor dollars, in taking chances—being unprepared. Consider Chief Blom's carefully thought out plan for being better prepared for possible fire emergencies. Talk it up with the "Powers That Be." Tell them to see to it, and get action. And though temporarily we have inadequate fire protection, YOU can have adequate Fire Insurance. That's where we come in. # DETROIT ATTORNEY TO SPEAK HERE MEMORIAL DAY

G. Van Schelven today made two announcements for the proper celebration of Memorial Day in Holland this year. The first was that Memorial Day exercises will be held in the First Reformed church this year, and the second was that Attorney Hal H. Smith of Detroit will be the Memorial Day speaker in Holland, this year.

There is a good deal of interest in the coming to Holland of Mr. Smith. It was decided this year to secure a new man for orator for Holland on Memorial Day, that is, a man who is new to Holland. Mr. Smith has not spoken here before but he is regarded as perhaps the coming man in Michigan politics. He is an avowed candidate for the republican nomination for United States Senator, having designs on the seat now occupied by Senator James Couzens.

Those in charge of securing a speaker for the day interested G. J. Diekema in the matter and it was through his efforts that Mr. Smith was secured for Holland. Smith is a prominent attorney in Detroit and is very well known in the eastern part of the state. During the past few months he has come into the limelight in Michigan in a broader way in connection with the coming contest for U. S. senator. He is said to be a very effective orator.

Memorial Sunday will be celebrated this year on May 25, the Sunday before Memorial Day. The exercises will be held in the First Reformed church in accordance with the usual custom of rotating the meetings among the churches of Holland that are willing to hold such exercises. Rev. James Weyer, the pastor, will deliver the Memorial Sunday address to the veterans.

The other arrangements for Memorial Day have not yet been made. As usual the mayor is expected to call a meeting in the near future for the purpose of making the necessary plans and it is expected that the American Legion, as usual, will be in active charge of the details.

## COMMENCEMENT DAY AT WESTERN THEOLOGICAL SEMINARY MAY 14

Western Theological seminary will close the school year on May 14, when a class of 10 will be awarded diplomas of graduation. The annual commencement will be held in the First Reformed church at Zeeland.

Harry J. Hager will deliver the oration for the class of 1924 and Rev. Gerrit J. Hekhuis of Grandville will speak on behalf of the board of superintendents. The board will meet on May 13 in Semelink family hall for the examination of students.

## HOPE COLLEGE HAS ITS ACTIVITIES BEFORE COM- MENCEMENT SCHEDULED

The spring calendar at Hope college is crowded with activities in all departments. Beginning with Arbor day on May 2, the following events are scheduled: May 8, Voorhees day, featured by the annual ladies' oratorical contest; May 15, Junior-senior banquet; May 23, Dorian banquet; May 24, glee club; May 28, school of music recital; May 29, Raven oratorical contest for men; May 30, Emersonian banquet; June 2, school of music recital; June 4, Cosmopolitan banquet; June 6, Knickerbocker banquet; June 7, Delphi banquet; June 8, school of music recital; June 12, Fraternal banquet; "A" class program; June 13, Sybilline banquet; Melphoe program; June 15, baccalaureate sermon to the class of 1924; June 16, Ullias entertainment; June 17, session of council; alumni day and convocation dinner; June 18, senior commencement.

## "JENNIE" IS A COMMON SCOLD RIGHT NOW

The little wrens have come to Holland for the spring and summer and are fighting the sassy English sparrow for supremacy over the bird-houses.

The happiest, noisiest and most companionable of all of our song birds. That's the common wren. "Jenny Wren" the youngsters and poets call it.

Perhaps second only to the rufous-throated hummingbird, the wren displays more animation, bustle and industry than any of our native birds. Mrs. Wren, during the spring nesting season, is a common scold, and Mr. Wren does her bidding without a protest. He carries the twigs, straws and grasses to the nesting hole or box and finds time between labors to warble his satisfaction with life, notwithstanding Mrs. Wren's disposition.

There is no song bird as easy to lure to your immediate premises to nest as the wren. Once established, and receiving kindly treatment, the family will return year after year.

To really know this songster you must observe it during the height of its nesting period, in early May. It is then the wren personifies faithfulness, beauty, harmony and industry.

## CONDUCTS EMPLOYMENT AGENCY FOR STUDENTS

Jacob Blaauw, rooming at 79 East 14th street, is conducting a free employment bureau for the students of Hope College. Mr. Blaauw today invited the students who are looking around for employment for the school year beginning next September to get in touch with him. His telephone number is 2403. Mr. Blaauw serves as a go-between for people who want part-time student employees and the students who need such employment.

## SOUTH BLENDON PIONEER DIES AT THE AGE OF 71

Mrs. John LaHuis, died at her home in South Blendon, at the age of 71 years and 3 months. Mrs. LaHuis had been an invalid for nine years, during the greater part of which she had been confined to her home. The funeral services were held Thursday at the home and interment was made in Zeeland cemetery. She is survived by her husband, John LaHuis and four daughters and three sons. The children are: Mrs. Lena Rice of Kalamazoo, Mrs. Kate Elzinga of So. Blendon, Mrs. Dena Cheyne of North Blendon, Mrs. Anna Gleason at the paternal home, Casper LaHuis of Grand Rapids and Roy and John LaHuis, Jr., of South Blendon.

Hail and rain on May 5 is rather unusual. This is the mixture of the weather that greeted Holland folks Monday morning, however.

# ARE YOU ANXIOUS TO PURCHASE SOME ANCIENT BOOKS

Here is a chance for some one to get a genuine and really-to-goodness Babylonian tablet. The following letter was received by a citizen of Holland from Edgar J. Banks, of Alpine, New Jersey, offering him Babylonian tablets at from two to ten dollars per. Not being ambitious to collect a Babylonian library he passed the letter on to the Sentinel so that anyone else who may have ambitions along this line may take advantage of the unmatched opportunity. Here is the letter:

"While excavating in Babylonia for the University of Chicago, I obtained for my private collection a number of ancient inscribed Babylonian tablets which illustrate the oldest of writings. I now desire to dispose of them. They are mostly temple records and business documents dating from about 4000 years ago, equal to those treasured in the great European museums, and valuable as illustrations of the earliest books and writings.

"May I send to you by parcel post a few of the tablets for your examination? The prices are from two to ten dollars each, a fraction of what an antiquity dealer would charge. Each tablet is accompanied with a description stating where it was found, its age and contents, and my guarantee that it is genuine.

"Should you doubt the possibility of this offer, I would refer you to my sketch in Who's Who in America, or to the article Blama in the Encyclopedia Britannica."

## TO HOLD SEMINARY COMMENCEMENT IN ZEELAND THIS YEAR

The board of superintendents of the Western Theological Seminary will meet on Tuesday at 10 A. M., May 13th, in Semelink Family Hall. It is the annual meeting of the Board for the examination of students and the consideration of matters pertaining to the present conditions and future welfare of the institution.

On invitation of the consistory, received and accepted a year ago, the commencement exercises of the Seminary will be held this year in the First Reformed Church of Zeeland, May 14th at 7:30 P. M.

The address on behalf of the board of superintendents will be given by the Rev. G. J. Hekhuis of Grandville, Mich.

With the first day of May the time when the Grand Haven and Milwaukee will be connected by a passenger and break bulk freight steamship, seems much closer, the first run of the new steamer, United States of the Peninsula and Northern Navigation company being slated for May 25th.

Captain J. J. Clark of the navigation company is at present in Toronto, Canada, conferring with the Grand Trunk officials. The tariff rates have been filed for the new line and everything is rapidly being gotten in readiness for the initial run of the steamer.

A crew is being engaged for the boat, a purser having been secured recently and a call having been sent out for a first class marine engineer and a licensed wireless operator. The crew of the steamer will number quite a quota of marine men. The United States is well equipped for traffic across the lake and should make an excellent boat to ride on.

The Grand Trunk railway has now changed its time of departure and arrival of their trains to coincide with that of the steamship. The train that formerly left in the forenoon will now leave at 3:30 in the afternoon and the train arrival is at 6 in the evening. This makes connection upon the arrival and departure of the steamboat.—G. H. Tribune.

Grand Haven business and professional women organized on Tuesday evening to form a Business and Professional Women's association which will be affiliated with the state and national federation of business and professional women. Mrs. E. Grant Garmey was made temporary president and Miss Anna Van Horsen temporary secretary. Charter members are: Mrs. Garmey, Miss Van Horsen, Miss Angi Steveling, Miss Ethel Grace, Miss Grace Kilbourne, Mrs. Nellie Brian, Mrs. Emily Bidgood, Miss Smithwick, Miss Ann Herzberg and Miss Norcross.

The state counsellor, Miss Maude Gleason, of the Grand Rapids Business and Professional Women's association, together with Miss Virginia Billings, secretary, and Miss Elizabeth Hayes, of the Grand Rapids association, were at the Tuesday evening meeting.

At the close of the meeting, the state counsellor presented the newly formed local association with a gavel which had been presented the Grand Rapids association at the national convention last year.

The Grand Haven Home Building and Finance association held a big stockholders' meeting Wednesday night in the council room of the city hall to elect officers and directors for the coming year. The meeting was an enthusiastic one as the association has become strong during the four years of its existence and many new homes have been financed through it.

At the present time \$100,000 worth of building is being financed through the association and a number of additional building propositions are in project. The work of the officers has been very strenuous and at the meeting Wednesday night a vote of thanks was extended them for their past efforts.

The three officers that served during the past year were re-elected as well as the fifteen directors. The re-elected officers are: J. Edgar Lee, president; H. F. Harbeck, vice president, and Bruno Peter, secretary and treasurer of the organization. The directors are: C. N. Addison, H. J. Dornbos, B. P. Sherwood, J. E. Lee, J. J. Angus, H. F. Harbeck, William Fant, Barton Elliott, H. A. Smith, James Verhoeks, Baltus Pellegrom, James Orr, John W. Mieras, Bruno Peter and John Reichardt.

A number of base ball games have been scheduled. A head, Manager Spriggs TeRoller has announced the May schedule of games for the Holland Independents as follows: May 3, Kelley Ice Creams of Grand Rapids; May 10, Hope college; May 17, Allegan Independents; May 24, Benton Harbor; May 30 and 31, Postum Cereals of Battle Creek.

# NATURAL BAIT FOR BLUE GILL

Laurence R. Seymour of Detroit, claims to have uncovered a natural lure for bluegills the equal to if not better than the lowly cricket. Mr. Seymour says: "Two years ago I had occasion to seek bait for bluegills. Not being able to find worms about my premises, I went to a nearby stream for small crawfish. Dragging the bottom of the stream with a small net, no crabs were found, but I noticed a few peculiar bugs. I gathered some of these and would have taken more had I known what excellent bait they made. Imagine my surprise when, with a hook baited with these, I caught nine bluegills with 11 bugs. The next week a friend of mine caught 28 bluegills with 32 of these creatures. This insect is known in its mature state as the dragon fly or devil's darning needle. In the embryonic state it is found at the bottom of streams. The immature fly is of a greenish color having a body about three times the size of the head. They were somewhat flat with about 10 legs, the fore legs being much longer than those at the back. They are extremely easy to catch, for they move slowly. Dragging a net over the bottom of any creek will undoubtedly bring many to the surface. They are harmless and easy to place on the hook. As a bluegill lure, I have found nothing their equal."

Next autumn there will be an Allegan brand of celery on the market. Mr. Hiram F. Hillard has leased 16 acres of muck ground of John Tobin, on the Monterey road, and will put the whole tract to celery, the young plants for which are already started in the Conklin greenhouses. The ground selected is a rich spot well suited for this purpose. The Hamilton growers are preparing for an even greater planting than that of last year, when they supplied a product that was scarcely equaled anywhere and was far superior to that of Kalamazoo. They are using fertilizer freely, and that is what provides the quality in celery as well as in any other crop.

# LAD SOBS FOR MOTHER'S CARE IN COUNTY JAIL

A small chap with dirty face, ragged coat and unkempt head sobbed out an almost unintelligible story in the county jail Thursday morning to sympathetic listeners. The boy had been picked up the night before by the sheriff's department out near the Knight's corners, 9 miles from Grand Haven. He hid from the officers under a pile of lumber, but was coaxed out and was taken to the county jail, where he was taken care of over night.

The boy cried for his mother at times but could give no intelligible account of himself. He stated he was 11 years old, in the seventh grade at school and that his name was John Morris. He gave his father's name as Charles Morris and said that they had lived at 1:22 Davis st. in Grand Rapids until last Monday when a truck moved them to Grand Haven. He could not tell where his father was nor where his father was employed. The boy admitted he had been in a reform school at Chicago until last February when his time was up. He said he was sent to the school for not attending the public schools.

Officers have gotten in touch with the Grand Rapids officers and are also making every effort to locate the boy's father.

The 6,300 license plates first issued to the Allegan county treasurer have all been sold and he has received a new allotment of 1,000. For the first lot there was collected \$79,582.35. A few of the purchasers were not residents of the county, but on the other hand many Allegan county men bought their plates in neighboring cities, so that the total sales to the credit of that county will be considerably more. That the sales are large all over the state is shown by the fact that the new plates number from 781,000 up.

Mr. Chris DeJonge gave a very interesting account of his experience in India to the C. E. Society of the 11th Reformed church Sunday.

## Health is Welcome After Asthma's Agony

HEALTH TALK NO. 15 BY JOHN DE JONGE, D. C.

HEALTH is indeed most welcome to any one after having suffered the agonizing struggle for breath which is characteristic of the spasmodic to this trouble. Asthma, some have considered a climatic trouble. Those who change climate in the hope of relief are nearly always disappointed.

A moist lake or sea atmosphere may irritate but does not cause asthma, or the big majority of those who live in such an atmosphere would have asthma. The cause of asthma is practically every case that becomes chronic, is pressure on spinal nerves to the bronchial region of the lungs. There is a peculiar spinal stoop noted in the asthmatic sufferer. By my chiropractic health method this disturbance of spinal nerves is corrected and health naturally follows.

14 Years Experience  
Graduate of the Michigan College of Chiropractic and the Palmer School of Chiropractic

Suffered for 20 Years—Then Relief

"I suffered from asthma for twenty years. I was told the California climate would cure me, but it didn't. Then I was advised to go to the mountains, and it had no effect. I consulted one physician after another and received no benefit. I tried a sanitarium treatment that was highly recommended and it failed. I am satisfied now that none of the things that I tried had a chance to succeed because none of them reached the cause of my particular trouble until I began taking chiropractic spinal adjustments. I had good results in twenty-five adjustments, but continued until I was entirely well. During the past winter I caught a hard cold and expected a return of the trouble, but it did not appear. I am sure now that I have a permanent cure."—Mrs. Mary S. Desjardins, Chir. Res. Bureau, Statement No. 1575B.

**OTTAWA COUNTY  
SWINDLER IS  
FOUND GUILTY**

John R. Cox, former Grand Rapids man, arrested for defrauding western Michigan residents in stock deals, was sentenced by Judge Orion S. Cross in the Ottawa circuit court Friday to serve from six months to five years in Ionia reformatory. He was ordered to pay costs and fine totaling \$189.69, and the court, in addition, secured his promise to repay Coopersville and Zeeland residents \$1,200 taken from them.

Cox, the first man nabbed of several sought following an expose of fake stock deals in this part of the state made by state securities commission investigators, was taken to Ionia to start serving his time Saturday.

Cox and Edward E. Contilli, Grand Rapids man taken into custody recently, were charged with several fraudulent deals.

Both are wanted in Grand Rapids, officers said, on the charge that they appropriated \$210 in Great Lakes corporation stock owned by Stanley Goins there.

The specific charges against Cox, and which he fought in the court there, were embezzlement of money paid him by Albert Bushman, Coopersville meat dealer, who reported losing \$1,200, and two Zeeland residents who each lost \$300.

Cox fought extradition in St. Louis and had been granted his freedom on a writ of habeas corpus when Sheriff Del Fortney carried out a "legal kidnapping" that enabled him to bring Cox into court.

The sheriff, waiting outside the courtroom at St. Louis where Cox made his plea for liberty, was on watch unknown to Cox and when the latter left the building the officer hustled him into a street car, took him across the Mississippi into Illinois and brought him to Grand Haven on a fugitive warrant.

The swindlers worked in relays in Ottawa county. One sold his victim the stock promising 25 per cent dividends; another came alone and said the stock was good, while a third promised to sell it for them at a profit; had a buyer for it in fact and as soon as the transfer was made and the money received swindler number three would return with the money. The result was that both stock and money and also the swindler disappeared forever.

**WILL LEAVE FOR A STAY  
IN CALIFORNIA SOON**

Mr. and Mrs. Geo. F. Brower of North Holland gave a farewell party in honor of Arend G. Brower who plans to leave in a few days for California in company with Ben. Van Doornink. Both plan to stay indefinitely. Brower expects to visit two brothers, James of Redding and Joe of Ripon; and a number of other relatives in different parts of the state.

Those present at the party were: Mrs. A. J. Bosman, Mrs. P. Smith and daughters, Winnie and Margaret, Harry Smith, Mr. and Mrs. Jacob Bosch, Mr. and Mrs. John Van Eyck, Mr. and Mrs. Wm. Elfers and children, Miss Christina Ten Have, Mr. and Mrs. P. Douma, Arend G. Brower, Misses Christina and Jennie Brower, Mr. and Mrs. Geo. F. Brower, Mabel, James, Florence, and Mildred Brower, Mr. and Mrs. Wm. Hop and children, A most enjoyable evening was spent by all present. Dainty refreshments were served by Mrs. Geo. Brower and daughters.

The Woman's Foreign Missionary Society of the M. E. church met in Byrnes' Parlor on Thursday afternoon. Mrs. P. Knutson conducted devotions. Rev. J. C. DeViney reviewed the closing chapter of the study book, "Creative Forces in Japan," concluding a very profitable feature of the meetings for the past six months. Mrs. Hazel McClellan read an interesting letter from Miss Mildred Dierker of India, telling how the school girls of India went without meat before Christmas to save money with which to buy gifts for others. Two solos were beautifully rendered, "Beautiful Japan," by Miss Eula Champion, and "Just for Today," by Leland DeViney. Mesdames Lindsay, Lordahl and Nash served refreshments.

Arbor Day was observed in an impressive manner at Hope College Friday. At the morning exercises Rev. James M. Martin delivered an eloquent address on the subject, "Roots." Miss Paulus sang White's "Spring Has Come." The members of the Senior class appeared in cap and gown and all the students repeated the pledge of loyalty to the constitution written last year by President Dimmitt. Then all sang a spring hymn, the Seniors marched out in their regalia and the Freshmen and Sophomores appeared with their class banners.

At the out-of-doors exercises the flag, which has been in the care of the Seniors, was surrendered to the Juniors, three Juniors who had served in the army or navy receiving it on behalf of their classmates. The presentation speech was made by Lester Brusse, president of the Senior class. The flag was hoisted while the army and navy men stood at attention.

The tree planted by the Senior class was presented to the college by Harvey DeWeerd and was accepted on behalf of the faculty by Prof. Egbert Winter. The whole company thereupon sang "America, the Beautiful," by Katherine Lee Bates.

**SELECT EGGS NOW FOR  
WINTER HOME SUPPLY**

This is the time of the year to select eggs to be preserved for next winter's supply according to E. C. Foreman head of the poultry department at the Michigan Agricultural College.

Water Glass (sodium silicate) is recommended as a preservative, the old and well known method of putting down eggs for the winter being considered the most practical and effective.

Prices naturally reach their lowest mark in the spring when production is greatest, thus affording the most apparent reason for laying away the winter supply at this time.

Another advantage of spring selection which is brought out by Professor Foreman concerns the quality of the eggs. It seems that the so-called grain-produced eggs, those of March, April and early May, keep better than those produced later in the season.

Michigan eggs are improving in quality, it is said. High standards are being set by the commercial egg producer and the individual farm producer of eggs is falling in line. The old days of "bad" eggs, in every dozen are said to be gone.

As a result of his higher standard the consumption of eggs is steadily increasing. With greater confidence in the product, the consuming public is steadily increasing its demand for eggs.

**FRIDAY SENTENCING DAY AT  
GRAND HAVEN**

Besides sentencing Cox, the stock swindler, Judge Cross passed sentence Friday on other offenders found guilty in Ottawa county including Schergardus and Schaakelaar.

It will be remembered that Schergardus was caught playing his trade on 6th street, and when found guilty in the Ottawa county circuit, carried his case up to the Supreme court, where the decision in the Ottawa county circuit court was sustained.

Schaakelaar, it will be remembered bought a car, paid \$250.00 down on it, then sold it to Holland parties for \$275 giving him a fake title that the car was paid for. The former owner reclaimed the car when he found it parked on 8th street, and the man to whom the car was sold swore out a warrant on an embezzlement charge and he was caught in Waukegan, Wisconsin, where he had fled and was taken to Grand Haven for trial.

The following sentences were handed out by Judge Cross Friday: Tony Sinko, Tallmadge township, liquor law violation, six months at Jackson and fine and costs of \$108.85; Steve Bula, Robinson township, liquor law violation, six months at Ionia and fine and costs of \$206.85; Fred Badge, Grand Haven, liquor law violation, six months at Ionia and \$105.55 fine and costs; Robert Remink, Holland, carrying concealed weapons, probation two years and fine and costs of \$29.05; Claude Thornton, Grand Haven, liquor law violation and Burt Taylor, of Grand Haven, same, each six months at Ionia and \$105.55 fine and costs; Michael Schergardus, Holland, county jail 60 days and \$234.00; Albert Schaakelaar, Holland, 60 days in jail and \$59.35; Guy Dove, Spring Lake, 60 days in jail and \$211.15; Clifford Keesch, Grand Haven, arson, Ionia, six months to five years; Frank McDonald, Allendale, criminal assault on a child, six months to two years, Ionia.

**GRAAFSCHAP  
PIONEER PASS-  
ES AWAY**

Abraham VanZanten, aged 69 years, died at his home in Graafschap Friday afternoon at about two o'clock. Mr. VanZanten is the father of Alex. VanZanten of the Peoples' State Bank. He would have been seventy years old this month. Mr. VanZanten was born on a farm near Graafschap and he lived in that community all his life. A year or two ago he retired from the farm and has lived in the village since.

He is survived by six children: Mrs. Wm. Veurink, Mrs. Henry Zonnebelt, Cora, Nick, Benjamin and Alex. The funeral was held on Monday afternoon at 1 o'clock at the home and at 1:30 at the Graafschap Christian Reformed church, standard time. Rev. Mr. Heeres officiated.

**ZEELAND PARTY RETURNS  
FROM FLORIDA THIS WEEK**

The party composed of Mrs. T. G. Huizinga, Mrs. Kate Veneklaasen, Mrs. Minnie Veneklaasen and Mr. and Mrs. James C. De Fries, who have spent the winter months in Miami, Florida, have returned to Zeeland this week, only Mrs. Kate Veneklaasen stopping over at Memphis, Tennessee, where she is visiting a few days with Mr. and Mrs. Frank Jerome, former residents of Zeeland. Mr. and Mrs. George F. Huizinga remained in Miami for another week or two.

**SAY CROWS  
CARRY FOOT AND  
MOUTH DISEASE**

C. E. Sanborn, professor of entomology of the Oklahoma Agricultural and Mechanical College at Stillwater, is given as authority for the statement that every 1,000 crows do a dollar's worth of damage a day during November, December, January and February. Other authorities hold that crows cost as much during the month of March also.

Ravages on Oklahoma's crops, orchards and pecan groves result in damage estimated at \$1,200,000 according to officials of the college of Stillwater.

However, ranchers and sportsmen call attention to other losses suffered by the farmers as the result of crows killing insectivorous birds. Nor as sportsmen aver, is any account taken of the appalling slaughter of young game birds and the destruction of their eggs and nests by crows.

Further, it is pointed out, as most of the crows leave Oklahoma in April for northern and eastern points, the black-coated pests are of little service to farmers in the control of crop-destroying insects, while, on the other hand, crows dangerous reduce the numbers of useful birds that feed largely on bugs, flies, grubs and other parasites.

The fact that crows carry foot and mouth disease is also a matter of grave concern to the cattle raisers of Oklahoma.

**MAN TAKEN AT  
GRAND HAVEN ESCAPED  
FROM G. R. JAIL**

Walter Keyes, 31, three times convicted of larceny, was returned to Grand Rapids by Detective Barney Parkhill from Grand Rapids where he had been arrested on information of Grand Rapids police.

Keyes found his cell door unlocked April 24th and escaped from police headquarters, eluding Patrolman John Mackie, who was that day serving as turnkey. The prisoner was then being held in connection with the robbery of the John Engelhardt grocery in Grand Rapids.

Police allege that Keyes also stole an orderly's clothes from the City hospital in Grand Rapids.

**DEPARTMENT HOLDS A  
GET-TOGETHER MEETING**

The accounting department of the Holland Furnace company held their annual get-together meeting in the gymnasium Wednesday evening. After games and contests in which Rena Zeerip and Ann VanderVen won first prizes. A dainty three course luncheon was served.

Miss Jennie Mulder, who has charge of the department, was presented with a beautiful basket of roses as a token of the esteem in which she is held by her co-workers.

Those present were: The Misses Rena Bowman, Winnie Kamphuis, Dena Bos, Gertrude Bussies, Henrietta Zoerman, Anna Vander Ven, Genevieve DeKoster, Evelyn VandenBeldt, Ruth VanLente, Mary Folkert, Anna Timmer, Jeanette Bussies, Grace Dykstra, Aleta Harmsen, Jane Fairgreaves, Mabel VanVoort, Wilma Nibbelink, Carrie Tien, Mary Kurz, Martha Tors, Rena Zeerip, Mrs. Gertrude Smith and Mrs. Geo. **AUTO STRIKES  
INTERURBAN IN  
REAR END CLASH**

Another one of those peculiar accidents took place at 9 o'clock Saturday morning when the Hugobone owned by John C. Pirie of Chicago collided with the rear end of an east bound Holland Interurban that was making the crossing at the same time as was the Pirie car.

John C. Pirie and daughters Elsie and Violet, who had been at Waukegan, were on their way to Chicago. Miss Elsie Pirie was driving and in some unaccountable way and possibly because of the wet pavement at that time the Pirie car struck the rear end of a Holland Interurban that had nearly crossed at the 17th-st. crossing. This is the second accident of this kind that has taken place at this crossing within a week. It almost seems carelessness for a motorist to be caught at this crossing as for 200 feet or more there is no obstruction and an Interurban can be easily seen coming from either direction.

The Pirie car, when it struck the rear end of the Interurban, was dragged to one side, rolled over. Mr. Pirie was thrown a distance of 15 feet and had his back severely wrenched. The two girls were cut about the face and hands with flying glass from the windshield.

While the engine is not damaged, the fenders, headlights, bumper, hood and front wheels are completely demolished.

Chief Van Ry immediately sent Patrolman Bontekoe to the scene of the accident and he took care of Mr. Pirie and belongings in the car such as suitcases and wearing apparel, while the two daughters were quickly taken to Holland hospital for treatment.

Dr. Tappan, the Interurban company's physician, took charge of the case while the Interurban conductor and motorman also helped to take care of the accident victims.

**TROUBLE BREWING  
ABOUT FORMER  
LOCAL PASTOR**

That trouble is still brewing under the surface in regard to the orthodox of Rev. Herman Hoeksema's former pastor of the 14th street Christian Reformed church, is shown by an article in the current issue of "The Banner," Christian Reformed church paper. Rev. Hoeksema is now pastor of a church in Grand Rapids and together with Rev. Danhof, another Christian Reformed church pastor, some months ago published a book on Christian Reformed doctrine that has stirred up the trouble. The Banner article follows:

"The Standard-Bulletin brought us the startling news Thursday that an organization was being perfected to raise funds and start a propaganda for the defense of Rev. Hoeksema and Danhof, whose fearless testimony for fundamental Reformed truths has aroused a formidable opposition within the Christian Reformed church, and has endangered the ecclesiastical position of the two men named. So it is claimed."

"The most of us will no doubt like to believe that this movement does not meet the approval of Revs. Hoeksema and Danhof. I know that also, warmly and possibly the latter movement after the last Synod to wage propaganda for a former professor at our Seminary. To be consistent the brethren are compelled to take the same stand toward the latest agitation."

"It certainly is an unscriptural and un-Reformed method. When brethren question the soundness of our views, we should not take recourse to propaganda, but should appeal to the established church courts. Classes and Synods. This movement is revolutionary and can result in nothing but evil for the agitators for those for whom the agitation is launched. Let us hope that Revs. Hoeksema and Danhof will have the courage to nip this thing in the bud. Such an attitude will command the respect of the whole church."

"The movement, moreover, is premature. The Synod has not yet taken a position in respect to teachings of the two brethren. The followers of these brethren ought to have enough confidence in the strength of their position and the justice of Synod to abide the synodical meeting."

"The time has passed when we should wait for defects to develop in children to correct them; we have come to a stage when we must try to prevent the development of physical defects." So said Dr. Blanche Haines in charge of the Shepherd-Towner bureau of the state department of health at a meeting Thursday afternoon in the W. L. C. held for the formation of a county welfare committee.

Dr. Haines gave an interesting address before about forty or fifty men and women who had gathered to form the organization. She told the history of the Shepherd-Towner bill and how it is working out in Michigan. The object is to provide for Michigan a child health service that shall conserve the health of mothers and infant children. Dr. Haines gave the appalling statistics of deaths of mothers and babies, most of which deaths could be prevented by intelligent pre-natal education. To furnish such training is the plan of the state department of health under the direction of the bureau of which Dr. Haines has charge.

The county nurse, Dr. Haines declared, should not be merely or principally a school nurse. She should wait until the time when the defects show up in children of school age. She should help the mothers of the county to learn how to prevent the development of physical defects. If that is done the death rate of infants and mothers, in which Michigan is third highest in America, will decline and there will not be the need for school nurse work that there is today. Prevention should begin before the child is born, said the speaker, not when he has grown to the age of five or six and when a great deal of the harm has been done.

Mr. G. J. Diekema, who presided over the meeting, by way of introduction briefly told of Michigan's wealth and the great need the exists for health organization work in this state. She compared the appropriations made in Michigan for health with those made in some other states such as the disadvantage of Michigan and she spoke of the great need of a committee through which the state department of health could function.

Vaudie Vandenberg of the Wolverine Advertising Co. was in Grand Rapids on business Friday.

**S. S. CLASS DISTRI-  
BUTES \$100.00 FOR  
CHURCH CAUSES**

The Daughters of the King Sunday School class of the Ninth Street Chr. Ref. church held the first meeting of the ensuing year Friday evening at the home of Misses Cora and Hattie Slenk. The program consisted of a piano solo by Florence Branderhorst, vocal duet by Cora and Hattie Slenk, and reading of a letter from Tena Holkeboer.

Of the \$105.31 in the class's treasury \$20 was sent to China to Miss Holkeboer who sometime ago purchased a little Chinese lass out of slavery, and who is educating and rearing the little Oriental. The class pays this amount toward her support each year.

Further gifts were \$15 to Chinese Mission; \$10 to Miss Tena Holkeboer, the organizer of the Sunday school class, some years ago; \$10 to Jewish mission; \$10 to the Cutlerville Sanatorium; \$10 for the Nurses' Home in Cutlerville; \$10 for the Helping Hand Mission at Chicago; and \$15 for To-hatchie Mission, Mexico.

**GREEN MOUNTAIN  
BEACH OWNERS  
HOLD MEETING**

Few people realize that a park of beautifully wooded hills and valleys lies immediately south of Castle Park and extends for half a mile along the shore of Lake Michigan. Within this tract which extends inland for half a mile are contained nearly all of the features that charm those who find pleasure in western Michigan scenery or come to the west shore to play. It is one of the few large pieces of lake shore left.

The greater part of a sizable lake lies within the place and this lake is fed by water from the springs at the foot of the hills. It is well supplied with fish. Because the tract is so secluded wildfowl is abundant, especially the woodland birds and water fowl. It is a paradise, too, for the student of wildflowers. The hills are the highest to be found between Saugatuck and Grand Haven, and sheltered between them and the miniature lake lies a wide meadow—a natural golf course.

There is but one building on the place though the park was platted 20 years ago. One would have some difficulty in finding the cottage, even if he were set upon the park. Lack of access has kept the place hidden for almost everyone, and it is a happy surprise for our local wayward explorers when they discover this natural park.

Holland is reminded of the existence of Green Mountain Beach by a meeting of the stockholders on Wednesday at which time directors and officers were chosen. Luke Lugers was elected president; S. A. Miller, vice-president; G. John Koelker, secretary; Fred S. Bertsch, treasurer. The directors elected are: Luke Lugers, S. A. Miller, Dr. J. O. Stryker, G. John Koelker, Fred S. Bertsch, Mrs. John Boone and Dr. R. C. De Vries.

The Red Cross Home Service station here will assist travelers passing through whenever their services are requested. The National association will get into communication with Mrs. VanDuren such service is needed and the local organization will carry out the instructions. The service will consist largely in helping young boys and girls.

**P. A. SELLES  
BUYS LOCAL  
JEWELRY STORE**

Peter A. Selles of Holland and Zeeland has bought the jewelry store of Wykhulzen & Karreman at 14 East 8th street. This is one of the oldest established jewelry businesses in Holland and it was for many years conducted by the veteran jeweler Mr. Wykhulzen. For some years it has been conducted by John Karreman who about four months ago was forced to retire because of ill health. It is also for that reason that the store has been sold.

Mr. Selles is well known in the jewelry business. He has been engaged in it for 26 years. He has for a number of years been conducting a jewelry store in Zeeland. This will be continued but Mr. Selles himself will be in charge of the store in Holland.

**C. OF C. DIRECTORS  
HOLD MEETING  
TO ORGANIZE**

Friday night a meeting of the directors of the chamber of commerce was held to organize for the ensuing year, four members having been re-elected at the recent election, as announced at the chamber of commerce banquet Tuesday.

At the meeting E. P. Stephan, president, positively declined to accept the presidency again, stating that for a little while at least he wanted to unload a great many of these things, and rest for a year or so.

The board then proceeded to name William C. Vandenberg as president of the chamber. Mr. Vandenberg has been a live wire in the chamber of commerce work. He and his aides did wonderful work in the membership drive, and as head of the organization that helped put over Warm Friend Tavern, his efforts had fine results.

Roy B. Champion was named vice-president, and he too did fine work, having assumed all the burdens of secretaryship for at least a year until a paid secretary was selected.

Fred Beeuwkes was elected treasurer of the organization. Mr. Beeuwkes is constantly in touch with civic affairs also being secretary of the Holland Merchants' association and naturally the two civic bodies have much in common.

The directors for the ensuing year are: E. P. Stephan, Wm. C. Vandenberg, Fred Beeuwkes, Roy B. Champion, Austin Harrington, Henry Winter, G. J. Diekema, A. H. Landwehr, and John Arendshorst. Peter Prins is secretary of the Chamber and has offices on the second floor of the city hall.

**PROPOSED VACATING OF PART  
OF LAKE STREET IN THE CITY  
OF HOLLAND.**

Holland, Mich., April 5, 1924. Whereas, the owner of all the property adjoining that part of Lake Street which lies between Third street on the south and Second street on the north in the City of Holland, has petitioned the Common Council to vacate, discontinue and abolish the same for street purposes and for reversion to the owner of the property abutting thereon, and

Whereas, the said part of Lake Street in the city of Holland which is bounded by Third street on the south and Second street on the north is not and has not been opened for use to the general public for upwards of 15 years last past and at present is occupied for switch track purposes, and the owner of all the property abutting on said part of said street is in agreement with the city of Holland for the continued use thereof for said switch track purposes, therefore,

Resolved, that the Common Council of the city of Holland deems it advisable to so discontinue and abolish the said part of Lake street in the city of Holland which is bounded on the south by Third street and on the north by Second street; and the Common Council hereby appoints Wednesday the 21st day of May A. D. 1924, at 7:30 P. M. the time when the said Common Council will meet in the Common Council rooms in the City Hall in the City of Holland to hear objections thereto.

By order of the Common Council. RICHARD OVERWAY, City Clerk.

Mr. George Clements of Holland, agent for the Poole estate will thru Auctioneer Bouwmaster, sell at public auction at the Poole farm on the Park road on Saturday of this week, furniture, rugs, laundry and kitchen utensils, porch furniture, rowboat, shot guns, decoy ducks, etc. The sale starts at 1 o'clock, Holland time.

John Arendshorst has been appointed trustee for the Holland theater, creditors in bankruptcy, by Charles B. Blaire, referee at Grand Rapids. Mr. Arendshorst is making an appraisal and is also listing the creditors. This bankruptcy involves Morton and Jones, the first managers of the theater, and not the present proprietor and manager, Mr. G. Buis of Holland.

O. L. Blodgett of Lansing spoke before the Merchants association on Tuesday night telling about the new directory he intended to put out in Ottawa county. He stated that the directory to subscribers would be \$7.50 and to non-subscribers \$10 if there were any books left. The merchants also asked that all rural routes out of Holland going into Allegan county be compiled, and requested Mr. Blodgett to have those residents on East 8th St. just outside of the city limits and those at Montello Park and also those along Beachwood road be compiled as for Holland, as in reality these districts are directly connected up with Holland and would be included if the city limits were extended.

The pastor of Trinity church, Rev. C. P. Dame will on next Sunday morning, May 11, preach a sermon appropriate for Mother's Day, which falls due on that date. In the evening the pastor will continue his series of three sermons on the subject, "Three Common Sins." The first two sermons of the series, viz., "One of Holland's Common Sins," and "One of America's Common Sins," have already been given and proved very interesting. The last of the series to be preached next Sunday evening will be entitled "One of the World's Common Sins." The public is cordially invited to attend.

Saturday afternoon of this week 20 lots are to be sold at public auction in what is called Highland Flat near the piano factory. The lots are located across from Longfellow school.

On Monday evening May 26, Dr. John Timothy Jones, pastor of the Fourth Presbyterian church of Chicago, one of the largest and most popular churches in that city, will give an address in Trinity Reformed church under the auspices of the Men's Bible class of the church. The address will be especially appropriate for all Christian workers. The meeting will be open to the public. Christian workers are especially invited. An offering will be taken to defray expenses.

The committee on claims and accounts reported claims to the council Wednesday for the past three weeks of \$8,941. The committee on poor reported temporary aid for the same period to the amount of \$18,750.

John Smith, who was elected constable of the first ward in the April election, though so little of the honor that he did not take the trouble to qualify. So the council Wednesday night appointed Wm. Wolrding in his place.

The Upstreamers class of 4th Reformed church met at the home of their teacher, Mrs. Fred Zigmarm, 191 W. 19th St. A short business meeting was held, officers elected, and committees appointed. Gerrit Bonthus gave a violin solo accompanied by Mrs. Zigmarm. Games were played, prizes were won by Sidney Havenga, Neil Kammeraad, and Morris Brower. Refreshments were served.

The degree team of Erutha Rebekah lodge No. 27 went to Grand Haven by auto Wednesday night and conferred the degrees on twelve candidates at the County Association meeting there. Before the work of the evening the ladies from Holland were treated to a banquet in Odd Fellows Hall. About thirty ladies and gentlemen from Holland were in attendance and all reported having an excellent evening.

In a very few weeks several Hope co-eds will be wearing the white "H" sweaters which they will have earned because of their interest in athletics. In order to earn these sweaters the girls must have done a certain amount of hiking, played baseball and tennis, done some skating and swimming, and earned some money during the time which was given them to earn the prized sweaters. It brings out the fact that Hope has many girls who are not content with just attending athletic contests, but who, in addition, desire to know more about athletics, and to maintain a better standard of health for having participated in these various branches of popular college sports.

The members of the American Legion Post of Grand Haven have decided to clean the oval at the lake front in Grand Haven next Saturday. During the winter months sand blew on the concrete highway and in some places the sand is piled to a considerable depth. It is desired to have the oval cleared away by the time the warm weather arrives.

HAMILTON TO HEAR PROGRAM BY HOLLAND PEOPLE

WILL BE GIVEN AT COMMUNITY HALL ON FRIDAY MAY 16

Recently a miscellaneous program was given at the Christian High school under the auspices of the 9th Street Mission Circle when the participants were greeted with a crowded house. The program proved a great success in every way in fact so much so that the young ladies felt the program should be repeated. Arrangements have therefore been made to repeat the program on the evening of Friday, May 16, only this time it will not be given in Holland, but at the Hamilton Community hall which has been secured for the occasion, and there is no doubt but that the Holland folks will be greeted with a crowded house as the Hamiltonians are co-operating in every way to make this a successful occasion.

The program will include a playlet the members in the cast being coached by Miss Nelle Kole of Hope college. The name of the playlet is "Tired of Missions." It shows the trials of the missionary in foreign lands and the arduous efforts put forth to get the proper support from the homeland. Members in the playlet will represent the different countries where missionaries now are and these will be designated wearing the costumes of the respective countries entering in the playlet.

Three little girls daughters of Rev. and Mrs. Boot, will appear in Chinese costumes and sing Chinese songs. These children were born in China and came here with their parents who are now on a furlough.

Another drawing card will be Chris De Jonge, a graduate of Hope college who has been in India for three years and will give a very interesting discourse on this mysterious country.

In the line of music the program will be replete with selections by a male quartet, and other numbers, both vocal and instrumental. There will also be several other interesting and worthwhile numbers, including a reader.

The young ladies will also bring with them the Christian High School orchestra who will render several selections.

Tickets for the program can be secured at the Hamilton bank or at any one of the Hamilton stores.

Remember the program is to be given at the Hamilton Community Hall on Friday, May 16, beginning at 8 o'clock sharp. (Hamilton time.)

THOMAS M. CHALMERS TO SPEAK IN HOLLAND

Thomas M. Chalmers editor of the Jewish Missionary Magazine of New York City who is sent out by the United Presbytery of the Hudson to the General Assembly of that church, to meet at Richmond, Ind., May 28 to June 3, is making a tour of the country and in Michigan will speak at Holland, Muskegon and Grand Rapids. Eight addresses are to be given in the city of Detroit. From here he will travel on to the Pacific coast.

Mr. Chalmers will be in the city on Monday evening, May 12 and will speak in Berean Reformed church at 7:30 o'clock. All who are interested are welcome to attend.

CITY TO ADVANCE MONEY TO TOWNSHIP

The 16th street paving project from Lincoln avenue to Fairbanks avenue was accepted by the common-council Wednesday evening and the improvement was ordered made. This is a project of which the township pays half, but in view of the fact that the township will not have any money available for it until December the council has decided to advance the money.

The aldermen decided that this street ought to be finished and ready for use by fair time when that street is used a great deal. For that reason it will pay the township's share and the township will pay six per cent interest. An agreement to this effect will be drawn up to be signed by the city and the township.

CITY ADVANCES MONEY FOR SEWER CONNECTIONS

HOLLAND WILL PAY FOR PAVING UNTIL TOWNSHIP CAN COLLECT TAXES

This is the ninth year that Holland as a city has been in the habit of advancing money to those who could not otherwise connect their homes with the sanitary sewer. This policy was begun in the first place to encourage citizens to have these connections made. It was health measure at a time when the health of large sections of the city was endangered for want of such connections.

Wednesday evening at the regular council meeting a considerable number of such petitions were approved by the aldermen a larger number than at any previous time. The discussion brought out the fact that money is not advanced to everybody but only to those who cannot finance such improvement in any other way with convenience. The city has a fund of about \$7,000 for this purpose. Those who receive money in this way pay at the rate of six per cent interest.

PRESENTS PAINTING TO CITY OF HOLLAND

Joseph Warner, veteran painter, has produced a picture of a Black Lake scene of the same size as the other Warner paintings that are now hanging in the city hall. This painting was made especially for the city hall and the artist Wednesday evening presented it to the common council. The aldermen accepted it with a vote of thanks and instructed the city clerk to send Mr. Warner a letter of appreciation.

A suitable frame uniform with the frames of the other paintings will be secured for the painting and it will be hung on the wall in the city hall.

GRAND HAVEN MAN RECALLS HAYMARKET RIOT OF YEARS AGO

Ed. Clark, of the Story & Clark Pianos and factory of Grand Haven, says that 38 years ago last Sunday occurred

red the Haymarket riot and massacre in Chicago. Mr. Clark was a boy then and with another young fellow was within a stones throw of the Haymarket square.

The young fellows watched the gathering crowds and could feel the spirit of the gathering. When the first bomb exploded with a deafening roar the two boys ran for home as fast as they could, but Mr. Clark will never forget the incident and the exciting days which followed and resulted in the arrest and execution of the anarchists.

LARGEST FARM AND POULTRY MEETING EVER HELD HERE

Will Be Held in Conjunction With Tuberculosis Cow Test Meeting Tonight

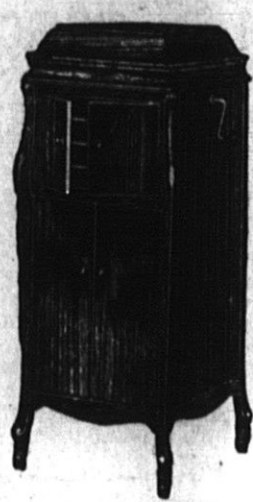

Holland will have many guests this Thursday evening when the Holland Poultry association through secretary Brouwer invited the Poultry associations of Muskegon, Grand Haven, Zeeland and Grand Rapids to meet with them, and the members of these associations have sent back word that as far as possible they would be present.

The meeting is really to be a double header. The Holland Poultry association was to have their regular meeting on that night, and county farm agent, C. P. Milham, felt that as far as Holland is concerned at least, this is an opportune time to hold the meeting of cattle in this vicinity, as an extensive campaign is now in full swing in Ottawa county with several Agriculture college men, and every veterinary surgeon in Ottawa county on the ground to combat this dreaded disease among cattle.

Tuberculosis in cattle is so communicative to poultry and sheep, and the subjects of cattle and poultry have so much in common, that Mr. Milham asks for the co-operating of the Holland Poultry association in so far that on this occasion, the meetings be held jointly in the court room of the city hall, when all those interested, farmers, poultrymen, or city folks are welcome to come and take part in the deliberations. Mr. Milham will have his corps of speakers and experts present to go into that part of the work, while the Holland poultry association has engaged Professor E. C. Foreman, head of Poultry husbandry of M. A. C., who cannot help but interest poultry men and farmers too for that matter, in his subject.

Films on tuberculosis in cattle and other inhabitants of the farm will be shown, and it will be demonstrated how easy it is to transmit tuberculosis to poultry, sheep and even humans via the milk route.

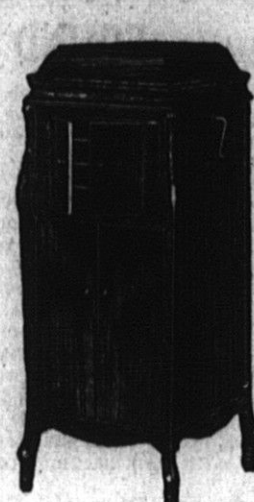

As a method of entertainment interspersing the heavier stuff, secretary Brouwer has made arrangements to have on hand, some reels of comedy and a serial playlet, also to be thrown upon the screen.
