A NATION-WIDE INSTITUTION—
DEPARTMENT STORES

64-66 E. 8th St., Holland, Mich.

Unless It Is Serviceable It Isn't Economical:

Back in 1902, when Mr. Penney laid the foundation for this colossal effort to serve the people in a manner that would eminently safeguard their buying of daily needs, the fullest consideration was given not only to the maintaining of prices at the lowest possible figures but to the maintaining of quality at the highest possible degree.

Price alone is not a safe basis upon which to make an investment. A vast expansion of land may be valueless because of the absence of water and the impossibility of irrigation.

When the goods are of reliable quality and will insure satisfactory service and the price is low, then there is value that is deserving.

The purchasing power of this Nation-Wide Institution assures to the patrons of all its Stores a saving power that has no peer in the United States.

That power to save money is yours to enjoy at this Store.

GRAND RIVER FISH ARE ON JAMBEREE

STATE INSPECTOR DUMPS BOOTLEG BOOZE SAVED BY KAMFERBEEK

Grand River fish near Grand Haven probably have a hang-over today. Chances are there will not be much sport for fishermen for a day or two, because the fish are doubtfully lying deep down in cold green darkness thinking up new resolutions. There must have been a real orgy of shame in "finny-land" the last few nights unless fishy bootleggers cornered the best of the unexpected supply.

L. S. Williams, state inspection officer, the official booze destroyer, visited the Ottawa county jail and with Sheriff Kamferbeek checked over the accumulated supply of confiscated booze on hand, he opened the drain pipes in the city sewer to full capacity and let seventy and one-half quarts of conglomeration trickle away to the waters of the Grand.

In the accumulated supply of hard liquors the inspector found all sorts and conditions of booze, ranging from "chemical" scotch and homespun moonshine, to some real old-fashioned "whiskey and raisins," which a younger generation knew on New Year's day of the older time.

ZEELAND ALSO HAS A WALL STREET

Our neighbor also has a Wall Street, not as prominent as the one in New York, however, it is attracting some attention for it is going to be paved.

The paving petition presented to the council by the property owners of Wall was readily granted, and plans and specifications, already completed, the council has decided to proceed forthwith to have this street paved, from Main street southward to Central Ave., the city's share of this improvement being \$42.00.

INDEPENDENTS MEET BENTON HARBOR SATURDAY

AMERICAN LEGION BAND TO HEAD PARADE TO BASEBALL GROUNDS

The Holland Independents will play the long haired boys from Benton Harbor on Saturday afternoon at the Waterworks Park. The locals have been in training for about two weeks and will present the same infield as last year. In the outfield Hick, Hoover will be the only regular. Corsiglia and Murphy of Grand Rapids will fill the other benches.

The Benton Harbor team is playing in Grand Rapids today and Friday and should be in tip top shape. They have a stellar aggregation with two of the best semi pro ball players from this in their lineup.

One familiar face will be missing when play is called Saturday afternoon. This is Bob Woltering who is through as a ball player in Holland. Tony will umpire the first game and the two teams will parade to the grounds following the American Legion band.

Lefty Anderson will pitch for Holland.

SEAT PRICES FOR PAGEANT 50c AND \$1.00

PRICES HAVE BEEN MADE POPULAR AFTER MUCH CONSIDERATION

Two Students of Senior Class Each Post \$500 to Cover A Deficit If One Occurs

The business manager of the pageant of 1926 announces that the general admission for the pageant will be 50c. There will be approximately 2,500 seats at this popular price. The executive committee wishes it announced that the senior class is not running the pageant as a money making scheme. It is desired that every man, woman, and child in this locality shall see the pageant for its historical value. The pageant of 1926 is being sponsored by the senior class of Hope college for the benefit of the citizens of Holland and the surrounding communities.

The class of 1926 has undertaken the obligation of a project which amounts up into the thousands of dollars. Two members of the class have expressed their willingness to give \$500 each of their own money to cover any deficit which might be incurred in giving the pageant. Such spirit has stimulated the efforts of the committee to make the pageant of 1926 truly the greatest production ever staged in Western Michigan.

While it is the wish of the pageant committee to keep the admission fee as low as possible, it is also necessary that the expenses of the pageant be met and that the members of the senior class shall have to donate \$500 of their personal funds to assure meeting the expenses or a deficit.

With this in mind it has been deemed advisable to reserve a section of from 300 to 500 seats with tickets at \$1.00 for a seat will get every penny of their dollar back in the great spectacle which they will witness. At the same time they will be helping to meet the general expense of the pageant, and they will also help make it possible to sell the great mass of seats (2,500) at 50c apiece.

With the Western Electric amplifiers carrying the voices of the speakers clearly for a distance of 1,500 feet, and with the bank sloping upward, every seat will be a choice seat where the audience may hear without the least inconvenience. The 2,500 seats at 50c will be as choice as the 500 seats in the reserved section at \$1. The \$1 tickets are chiefly to give an opportunity to those who so desire, and to those who are able to help the pageant financially.

The ticket sale will begin on Monday morning, May 17. Those who desire tickets in the reserved section can obtain them by sending currency or personal checks, with a self addressed stamped envelope, to the night for which the tickets are desired May 31, June 2 or 5.

DR. PIETERS IS NOMINATED FOR SEMINARY CHAIR

CHOICE OF BOARD OF SUPERINTENDENTS TO BE REFERRED TO GENERAL SYNOD

Dr. Albertus Pieters may leave the faculty of Hope college and join the faculty of the Western Theological seminary. The seminary board yesterday nominated Dr. Pieters to the chair of Bible and Missions, recently created through an endowment of \$50,000 given to the seminary by the Doskers and Hulsaw families of Grand Rapids.

Dr. Pieters' name will now be presented to the general synod of the Reformed church, with which is lodged the power of election. Synod will meet in June when this matter is to be one of the things definitely decided upon.

Another feature connected with the graduation of last evening was the giving of a Bible to each one of the eleven graduates by Mr. and Mrs. C. Dosker, who are also the donors of a part of the \$50,000 that endowed the new chair of Bible and Missions. The Doskers have given Bibles to graduates of the local seminary for the past twenty years.

SPEAKERS GIVE ADVICE TO 11 NEW GRADUATES

GEO. MENNENGA AND REV. J. VAN PEURSEM GIVE ADDRESSES AT SEMINARY COMMENCEMENT

Eleven Men Graduate Wednesday Night; Exercises Held in Hope Church

A well filled auditorium at Hope church greeted the procession of faculty and students of the Western Theological seminary Wednesday night. The occasion was the graduating of the senior class, numbering eleven. Dr. J. E. Kulzenga, President of the seminary, presided. Devotions were conducted by Dr. C. W. Davidson, pastor of Hope church. The Hope college men's glee club entertained with two very appropriate and beautiful selections.

Speaking as the representative of the class, Mr. George Mennenga of German Valley, Illinois, outlined the great task of the "Minister as Educator." The minister, according to Mennenga, is primarily an educator. Man's nature is tremendously rich. He has the powers of cognition, violation, and emotion. The minister's privilege is to draw out all of these and to build out the kingdom of God. The minister, according to the newer and correct conception, deals with every phase of human life. He is needed to guide men's lives past the errors of modernism and into the fulness of the true Christian life. To do this he needs to direct the mind, not to fashion or to public opinion, but to the eternal verities of life. "Culture plus Christ" is needed.

Rev. John Van Peursem, pastor of the first Reformed church of Zealand addressed the audience, speaking as a representative of the board of superintendents. Basing his thought on Paul's words in the third chapter of Philippians, the tenth verse, the speaker said that Paul's experience was both greatly conceived and highly purposed. Paul had living within him the consciousness of the Christ to obtain this, the speaker told of the necessity of times of quiet and reflection when the soul could grow strong in spiritual things.

In giving the professional certificate to the graduates, Dr. Kulzenga exhorted the graduates to keep before them the reality of the vocation, and the authority of the message which they were to deliver.

After the services, many old acquaintances were renewed, and all were happy in the successful completion of another year of seminary work. Many out of town guests were present.

BARSTOWE DID NOT MAKE LOVE TO SELL STOCK

SAYS IN JAIL THAT MISS VAN EYCK IS "VERY NICE GIRL"

Denies Any Love Affair Between Himself and Stenographer Whose Money Was Involved

C. Morgan Barstowe, the Grand Rapids man who is held by the Ottawa county sheriff's department charged with embezzling \$3,400 of the money belonging to Miss Dorothy Van Eyck, 30 year old Holland stenographer, voluntarily made the statement as usual that never at any time existed any love affair between him and Miss Van Eyck. Barstowe said this written statement and signed it, delivering it to the officers to prevent any further claim that he had made love to the girl in order to gain her confidence.

Miss Van Eyck alleges that Barstowe gained her confidence, that she entrusted money to him for investment as he claimed to represent a reputable broking house and that when he failed to put in his appearance as usual that she became suspicious. She consulted officers and signed the warrant for Barstowe's arrest which was made Saturday in a Grand Rapids hotel.

Barstowe says that Miss Van Eyck is a "very nice girl" and that he desires to see her secure the stock which she purchased from him. This stock is said to be in the Fouldes Macaroni company. She also entrusted \$500 for a copper pool, it is alleged, but this is lost. The man says he can account for every cent of the money that he handled while in Cadillac and nothing further has been reported on this. The charges against him at this place have not been reiterated and no investigation has been made beyond securing his denial of any misdealing in the affair.

HOLLAND GIRL CHARGES HER SUITOR WITH SWINDLING HER OUT OF SUM OF \$3,400

Rather a sensational story cropped out in Holland over Sunday when C. Morgan Barstow was arrested in Grand Rapids at the Rowe hotel by the Grand Rapids police and deputy sheriff Ebert Beekman of Holland. The officers had to do considerable waiting Saturday, since Barstow did not appear until after midnight Saturday night. He was immediately arrested, taken to Holland and was confined in the city jail until Monday morning.

Barstow was arrested on complaint of Miss Dorothy Van Eyck, living on R. R. 4, north of Holland. Miss Van Eyck is 26 years old and is a stenographer. It is charged by her that Barstow, aged 30, had swindled her out of \$3,400 at different times. She claims that Barstow represented himself as a bond broker, that he became acquainted with her some months ago, was a fine talker and looked like a clean man who could be trusted.

She met him often after that and he gained her confidence, according to the girl made love to her. Officers state that in the end Miss Van Eyck entrusted him with various amounts of money totaling \$3,400, which he was supposed to invest at a profit for her.

The money represented a fund which she had saved, partly from her salary, and which also included an inheritance she had received sometime before.

Miss Van Eyck stated that Barstow did not put in his appearance as usual. She became suspicious and called upon the city authorities for advice. The city's department had been working on the case for some time and obtained a line on Barstow. It was found that he was a salesman.

Barstow was taken to Zeeland Monday morning and appeared before Justice Clark, by which a warrant was issued. He waived examination and did not deny any of the charges made, although he did not admit that he was guilty. Justice Clark placed him under \$5,000 bonds for his appearance in circuit court at Grand Haven when he will be tried on the charges.

Barstow failed to secure the bonds and was taken to the county jail where he will remain until the trial, unless he secures bonds in the meantime.

Miss Van Eyck comes from a good family and is a popular girl in her neighborhood. She hesitated bringing action because of the publicity that the wiping out of her savings would cause should she take the case into court.

Harm De Vries, at his home on 14th street, celebrated his eighty-second birthday anniversary Monday. In observance of the day he was host to his children and grandchildren. He has many more happy birthdays.

Mr. De Vries is well known in Holland and has many friends. He came to America in 1881 and lived two years in Saugatuck, then moving to Holland where he has lived for the past years. He has made two trips back to Europe, one in 1911 just before the war, and one in 1921. Mr. De Vries is still in good health and carries his years remarkably well.

The last meeting for the school year of the Lincoln P-T club was held Monday evening. The meeting was well attended and a most instructive as well as interesting program was rendered. The meeting was opened with the usual community singing, after which Mrs. Wierda offered prayer. A piano solo, "The Russian Song," was rendered by Miss Blake. Howard Steffen gave a recitation entitled "The Three." The three sisters played "The Shepherd Boy." Mrs. Steffen and Vander Ven sang "One More Day" and "Going Home." Helen Zander read two selections entitled "Mona and the Twins" and "Poor Old Maid." Miss Cornelia Nettinga sang, "A Brown Bird" and "This May." The speaker of the evening was Mr. W. W. Wichers, who spoke on the subject, "The Biggest Business in Holland." He stressed the fact that education was the greatest factor in individual and community life and that each has a definite and vital part in it. That the program was well received was evidenced by the fact of the repeated encores.

During the business session final arrangements were made for the part which the Lincoln school is to take in the coming P-T convention. Arrangements were also made for the school picnic, to be held the next Saturday of the school year. Dainty refreshments were served.

At the collegiate musical contest between the girls' glee clubs of seven of the Michigan colleges the following is the result: Hillsdale college, first; Detroit college, second; Hope college, third. The others that took part were: Grand Rapids Junior college, Albion college; Kalamazoo Normal college, and Mt. Pleasant Normal school.

Several of those in the audience, such as Mr. Maybee of the Western State Normal, whose girls also compete, declared to Mrs. Fenton that Hope college in his estimation, won first place. Hope college has not failed to win, however, because last year Hillsdale and Detroit colleges ranked very high.

The girls have returned to Holland and will sing two of their prize numbers in Hope church tomorrow evening. Hope college glee club won first in Kalamazoo last year, but thru graduation lost six of its strong members who could not be depended upon this year.

The board of education of Saugatuck has selected its teaching staff for next year as follows: Superintendent, L. H. Waugh; principal, S. N. Sessions; Latin, Miss Anna Busch; domestic arts, Miss Francis Davis; grammar school, Miss Hoksoun; intermediate grades, Miss Hazel Stuck; primary grades, Mrs. H. M. Hill.

C. Hemmerich of Hopkins motored to Holland Monday to visit friends.

GROENEWOUD OF HOLLAND TO SPEAK AT NUSCIA

On Saturday, May 15, county school commissioner Gerrit Groenewoud of Holland will speak at Nuscia on the subject, "How We Can Improve Our Rural Schools." Miss Ruth Morley, home demonstrator of Ottawa county, will arrange for a musical program.

The program in the Nuscia school will be especially for children. There will be also recitations and community singing conducted by T. C. Pryer.

HOLLAND TO ECHO RINGING OF LIBERTY BELL

Holland is expected to take part in the celebration of American Independence Week by the ringing of a bell that shall be an "echo of Liberty Bell," according to a plan that has been outlined to Mayor Kammerlaar by Stuart G. Gibboney, president of the Thomas Jefferson Memorial Foundation. Mr. Gibboney's letter is self-explanatory.

"The celebration of American Independence Week will commence Monday, June 28th. That day will be the 150th anniversary of the day in which Jefferson, as chairman of the committee, presented the completed draft of the Declaration of the Continental Congress. It is planned that at a given time on that day the president of the United States, the governors of every state, and the mayors of all cities will each ring a bell that will be the ringing of the Liberty Bell throughout the entire country as the 'Echo of the Liberty Bell.' The patriot's pledge of faith will then be pronounced by men, women and children everywhere. The program will end on Monday, July 5th, which is sequelentennial Independence day.

"This educational and patriotic plan is being adopted throughout the entire country on the recommendation of the national educational committee, the national Jefferson centennial committee, and the board of governors of the foundation.

"We realize that the entire world will regard with interest the manner in which America will celebrate its 150th birthday and we urge that not a single state or city be found missing."

First prize in the musical memory contest held recently in the fifth and sixth grades of the city schools has been awarded by the judges, Dr. A. C. V. R. Gilmore and Robert Evans, to Angelyn Van Lente, daughter of Mr. and Mrs. Fred Van Lente, 52 West 19th St. Second prize was won by Raoul Nies, of the fifth grade of Longfellow school, daughter of Mr. and Mrs. Ray Nies, 3rd place went to Ruth Lieveense, grade 6-2, Horace Mann school, daughter of Mr. and Mrs. Peter Lieveense, 54 W. 17th street. The prizes, \$5, \$3 and \$1 respectively, were given by the music department of the schools.

Unlike the former contests, the children have this year learned not only to recognize the selections when they hear them played, but they were taught to sing them as well. The papers show evidence of great interest on the part of the children as well as on the part of the teachers. The winning papers showed remarkable memory work, and very interesting individual impressions.

As usual, there were some laughable expressions used by the memory students. One song "Ia hard to play on the violin because it makes the fingers move too fast." "Once a man said this was a genuine piece." Another "It is quite pretty but is quite dreary." One tune "is guaranteed folk music." A boy likes one song because it "is happy and puts pep in you."

The number of errors made in identifying the compositions was surprisingly small, and evidenced the fact that Miss Stein has been doing some really worth while work in familiarizing the children with some of the world's finest music.

Maroon and Orange—Is Holland high school to have an athletic field of its own? This is the question asked by many students and alumni. The Board of Education has purchased some land available for playground purposes on Maple and First avenues between 22nd and 24th streets. Mr. Hartman's gym classes hiked over there and all seemed delighted at the prospect of new playground.

No definite plans have been made regarding this land, but the boys hope that some day Holland high vault exhibition will be given by school may have an up-to-date athletic field.

A. C. Bengt, who for the past several years has been serving the automobile trade with a general line of parts, tires and accessories in Muskegon and Kalamazoo as manager of the Standard Auto Supply company of Muskegon and Boomhauer Auto Supply Co. of Kalamazoo, has opened a replacement parts store at 7 W. Seventh St. in this city.

This venture is something new for Holland but has been a great need in order to supply the demands of the motorist both local and transient. Mr. Bengt will be handling a very complete line of motor, clutch, transmission and differential parts, including a general line of bearings, etc.

DE PREE SPEAKS TO M. CLUB AT GRAND HAVEN

Grand Haven Tribune—The Grand Haven Michigan Alumni club met on Thursday evening at Grand Haven in the Second Reformed church for their annual meeting to elect officers. A splendid dinner was served to the 25 or more alumni who were present out of a 30 total of membership here. The ladies of the Second Reformed church served the meal.

James De Pree of Holland, a former "M" winner on the gridiron and diamond, gave the main speech of the evening which was very much enjoyed. This was followed by two reels of motion pictures of university life as it is today.

Daniel F. Pagelsen, local attorney and Michigan graduate, was elected president of the club; E. H. Babcock, was elected vice president; R. P. Sherwood was elected treasurer and F. C. Bolt, secretary. Eugene Harbeck was elected member of the board.

After a very pleasant program and talk over old times, the club adjourned. The M club has just only been put on an organized footing here in recent years, but is doing extremely well.

This is conservation week at the local high school and the preservation of all wild life is being emphasized in the biology classes. During American forestry week, April 18 to 24, each student in Miss Rogers' biology classes made a conservation poster. These posters covered the various phases of wild life conservation. They are now on display in the high school corridors and are eliciting many favorable comments.

The students of the biology department are also sponsoring the replacing of shrubs and memorial trees on the high school grounds. On Friday morning, Arbor day, the boys of the department will assist in planting maple trees around the new athletic field on Maple avenue and 22nd St.

In the afternoon the department will stage its annual Arbor day program in cooperation with the American Legion. At this time Professor Young of the University of Michigan will give an illustrated talk on Michigan's forestry problems and the boys give club will sing. Another feature of this program will be the presentation of a fine new twenty-eight room Martin house, the gift of the department to the high school. The biology club will also present a pin oak tree to Kollen park. This will be planted with appropriate exercises at the regular meeting of the club on next Monday evening.

The biology students are alive to the needs of conservation and they are doing what they can to get the idea of wild life conservation across to the public. A cordial invitation extended to the people of Holland to attend the program Friday and help in the conservation movement. The program is to be held in the high school auditorium at 1:30 p. m.

The new twenty-eight room Martin house was formally presented by Cornelius Koopman, the president of the biology club. Mr. Riemersma gave a short speech in acceptance of the bird house and praised the club for its work.

In the morning a program was given at the Junior high school and 50 trees were planted on the new school playground.

The main feature of the day's exercises was the planting of 200 trees by the Legion men on the 16th street road beginning at Pilgrimage cemetery. About 40 Legion men did the work and they had a joyful and an enthusiastic time of it. Afterwards they gathered in the armory where they were given a "feed" by the Auxiliary around an artificial campfire. Through their spokesmen, Dr. A. Leebout, the Legion thanked the Auxiliary for the splendid repast, and to the Junior high school for assistance, to the Shady Lawn Florists for furnishing trees at cost, to the people who made donations, and to the city for the use of the flusher.

Tree planting will after this be a settled policy of the Legion and a standing committee will look after the trees during the summer.

"Wood is not going out in this country but larger amounts are being used, which is shown by the fact that the United States manufactures 25,000,000,000 cubic feet of lumber each year. It takes one pile in a forty-foot lot that is one-fourth of a mile square, two and one half miles high." This was a remark made by Prof. L. J. Young of the University of Michigan forestry department in the high school assembly Friday afternoon, May 7th during the program given by the biology club for Arbor day exercises.

He showed pictures of good forests and poor forests, especially Michigan forests. He urged conservation and protection of the forests. He also showed that it was very worth while to replant the forests. He showed that Michigan alone produced nearly one sixth of the wood in the country. We produce 4,000,000,000 board feet every year; that is, enough to fill a train of box cars the usual way with one inch boards fifteen thousand miles long.

The other numbers on the program were: Two selections by the men's quartet, accompanied by Miss Moore; a reading entitled "Arbor Day," by Alida Dykstra.

STATE COPS ON COURTESY DUTY HERE

By establishing several summer posts and enlisting thirty new men, the Michigan State Police are to be on duty here to establish a "courtesy patrol" of 150 uniformed officers on highways of the state.

"Speed cops" on the state force will be conspicuous by their absence. While open violations of the 35-mile speed limit will not be allowed to pass unnoticed, the state patrolmen have been instructed to devote most attention to assisting motorists in trouble, clearing roads following accidents and giving tourists route information.

It is estimated that each member of the patrol force will be able to cover 75 miles of highway, going over the route twice each day. City and county authorities will receive co-operation of state police when traffic is particularly heavy or there are other causes for special policing.

"We have instructed our men to be of all possible assistance to Michigan and out-state motorists," said G. G. Olander, deputy commissioner of public safety, said. It will be their function to help stranded drivers, change tires for motorists, give accurate and comprehensive route information and be of all possible assistance in case of accidents.

These phases of the department's service have been stressed in department instruction sent to all of the men and in sessions of the department school at East Lansing.

"We are attempting to get motorists to welcome the protection and assistance offered by the state's representatives on the highways rather than to fear arrest for some petty violation of traffic laws. At the same time, the officers are instructed to be on the look-out for reckless drivers who endanger the safety of others."

Summer detachments have been assigned to Ottawa county and Iron Mountain and present forces at Manistee and Cheboygan will be augmented for the summer. Additional patrolmen will be assigned to different sections of the state without permanent quarters.

Each state police post will maintain an information service for the tourists.

Thursday night in the presence of the immediate relatives occurred the marriage of Miss Ada Faasen, daughter of Mr. and Mrs. Herman Faasen, 227 W. 20th St., and John Marcus of Castle Park. The ring ceremony was performed by Rev. D. Zwiers, pastor of the Maple Ave. R. F. church. The Bridal Chorus from Lohengrin was played by Miss Lois Faasen, sister of the bride. The bride was gown in powder blue georgette over silk crepe and carried a bouquet of bride's roses and sweet peas. After the ceremony a wedding supper was served to about 25 guests.

Mr. Marcus is one of Holland's business men; he is proprietor of the 1st Avenue Confectionery store. Mrs. Marcus is one of Holland's popular young ladies. Mr. and Mrs. Marcus will be at home to their many friends after June 1 at 259 W. 19th St.

Thursday evening an enthusiastic debate was held in the Christian high school on the question: "Resolved that the states should Ratify the Child Labor Amendment." The Chicago native team debated against the affirmative team of the Holland Christian high. The debate was a close one but the Chicago team showed superiority in their rebuttal. The Chicago debaters were Mr. Lewis De Boer, Mr. Harry Eldersveld and Mr. Peter De Vries, who were coached by Mr. John De Boer. The Holland debaters were: Mr. John Pott, Mr. Andrew Bakker, and Mr. Cornelius De Boer. Mr. W. Wichers, Mr. Maybee and Mr. Velthuis judged the debate.

Fifteen persons were given a free physical examination at the regular bi-monthly clinic held Thursday at the Women's Literary club hall. The examining physician was Dr. Wm. Bettison of Grand Rapids, who came in the place of the usual examiner, Dr. Wm. Vis, who was prevented by illness from attending.

Of the 15 there were adults. One adult was declared a positive case of tuberculosis. One child was pronounced "suspicious," three had bronchial asthma, one was ordered to have the tonsils removed, and the other persons examined were advised to get plenty of fresh air and sunshine.

Mr. and Mrs. John Kuipers entertained the members of the "Undecided Seven" at their home at Jensen Park Wednesday evening. Mr. Kuipers is the first of the seven to venture the seas of matrimony. Mr. Kuipers is a former athlete of Holland high school.

The society will from now on be known as the "Undecided Six." Those present were: Mr. Earl J. TanLente of Holland Furnace, Mr. Berend P. Hill of the H. J. Hienz Co., Messrs. Van Zanten, Hill, Van Den Water and Masselink of Hope college.

Fire threatened the Grand Trunk wharf and warehouse on the water front at Gr. Haven on Monday morning at about 1 o'clock. The flames gained headway under the dock planking, presumably started by a carelessly thrown cigar or match. The flames were pouring out through the cracks in the dock and were licking the side of the freight shed when the fire department arrived.

Some quick work and the liberal use of a deluge of water, brot the flames under control and a serious fire was averted with less than about \$250. Repairs to the dock will be pushed although they will not be very great. Articles stored in the warehouse were untouched by the flames.

HOLLAND SHIPS NEARLY 75,000 CHICKS MONDAY

The banner chicken shipment from here this season was reached on Monday when nearly 75,000 chicks were shipped via parcel post from the Holland postoffice. One truck load held 17,000 chicks.

The chicks were dispatched from approximately 48 hatcheries, located in Holland and vicinity, to all parts of the country.

LARGEST FAMILY PRESENTED WITH 2 SONG BOOKS

A very impressive service was held at the family night meeting at the Wesleyan Methodist church last night. Agood sized congregation was present to enjoy the service. Mr. and Mrs. Alvin Bauhahn and family of Laketown, who had the largest family present, received two booklets of Rev. Bennard's favorite songs. The evangelist stressed the supreme need of parents and children being definitely converted to God. Riches and all that the world can give will never meet the need of the soul, he said. We are created for this world, but to glorify God, said the evangelist.

Tonight will be the young people's night. All young people are especially urged to be present. Rev. Mr. Bennard has a special message for youth and is anxious that a big number be present to hear it. He will also sing one of his new songs just written, using guitar accompaniment.

There will be no services on Saturday evening, but three services on Sunday. In the morning at 11:30 o'clock, in the afternoon at 2:30 and in the evening at 7:30. By request Rev. Bennard will again sing his own song "The Old Rugged Cross," at the Sunday evening service. Everyone is cordially invited to all the services.

The second annual county wide achievement day for women will be held in high school gymnasium in Zeeland May 18 from 10 a. m. to 4 p. m. It is expected that this will be the largest group of women ever gathered together in the county at one time in the interest of extension work. Members of various groups over the county are planning to go in a body to attend the meetings. Many women who are not actually engaged in the work this year are planning to be present.

A program has been planned which will fill every minute of the day. In the morning the exhibit will be ready at ten. The purpose of this is to give an idea of the scope of work in the year's project. Every local group is to have some part in preparing the exhibit. A short program including reports and discussion of plans for next year will complete the morning. Every rural woman in the county should hear Mrs. Campbell in the afternoon. Her pleasing personality and vast experience with and study of the rural woman and her problems makes her talks interesting and helpful to women. Miss Fannie Buchanan, representative from the educational department of the Victor Talking Machine company, will appear on the program with her music appreciation lecture. During women's week Miss Buchanan appeared daily on the program for women. Her audiences met her with increased interest and enthusiasm each day.

Mrs. Wagar, woman member of the state farm bureau board, is expected to be present and talk for a short time during the day to the women. A woman with state wide reputation that Mrs. Wagar has will no doubt have many things to say of paramount importance to the women present.

The local leaders of the Coopersville center are featuring a demonstration on drafting, cutting and fitting of the one hour dress which will be followed by a fashion show of attractive and practical dresses which are to be selected from the different groups in the county.

Miss Carrie Williams and Miss Edna Smith will submit the outline of the projects for the coming year. The projects of the year will be given to the women an opportunity to think the projects over before deciding on their work for the next year and where desired make suggestions for additional material or substitution in the project. It is the purpose of the specialists at all times to give the project which best fills the need and desires of the communities in which they work.

The committee on arrangements were unable to plan for serving the lunch at noon because of the large number to be present. A plan which has worked out quite successfully in other counties is to be adopted. Each woman is to bring her own box lunch and be served to coffee by the Zeeland women. This will make it possible to care for any number of people successfully in much less time and will do away with the necessity of registering. The same social time can be enjoyed by all during the noon lunch hour.

After more than seven months in Chicago straightening up his business affairs and recovering from a serious illness, Rudolph Huntinhouse, sentenced last fall to serve from six months to a year in Ionia reformatory for an alleged liquor law violation, returned Saturday of his own accord and Monday was taken to Ionia by Sheriff Ben Lutgen of Allegan county.

Huntinhouse, who is about 60 years of age, operated a large pavilion in Saugatuck. He also had a summer home there. When the latter was raided last fall by Allegan county officials they reported finding some 800 gallons of wine in about 30 casks and barrels. The Chicago man also paid a \$200 fine. His friends in Chicago tried to have the prison sentence changed to a heavy fine due to Huntinhouse's age, but Judge Orien S. Cross would not permit the change. After his sentence last fall Huntinhouse had asked to return to Chicago before starting his prison sentence.

COOPERSVILLE DAIRY GAIN IS REFLECTED

The report of the Coopersville Cow Testing association for the past six months, just announced, shows remarkable improvement in the dairy herds in that vicinity. There are 26 herds including 267 cows, which are being tested regularly, and for last month the average production per cow was 749.4 pounds milk and 29.58 pounds butterfat.

Jacob Kishman is the owner of the cow with the highest production for the six-months period, with a total of 10,294 lbs. milks and 349.7 pound butterfat. A purebred Jersey in the herd owned by Fred Mohns is ranked second, with a total of 6,384 pounds milk and 344.9 pounds butterfat.

Despite the beautiful spring weather and the unusual number of home talents chorus entertainments that have been put on, Ninth Street Christian Reformed church was packed to the doors with an audience that came to listen to the rendition of the sacred cantata "Ruth" the Moabitess. The program was in charge of William Brouwer who directed a chorus of fifty mixed voices.

The beautiful story of Ruth and Naomi was pictured in song by the choral society. The principals in the cast of characters were: Naomi (Soprano) Misses Cora Sienk and Mrs. R. Schadelee; Ruth (Alto) Misses Hattie Sienk and Jennie Van Dyk; Boaz (Bass) Messrs. Jas. Musse and Clarence Jalving; First Reapers (Tenor) Messrs. Mrs. Etta Whitman, Miss Clara McClellan and Little Lois Jane Teiler left Friday afternoon by auto for Bear Lake to spend the week end with Mrs. Whitman's mother, who is seriously ill. City clerk Richard Overway was in Grand Rapids on business Monday.

Sheriff Fred Kamferbeek has returned from an official trip to Chicago.

It goes without saying that the pageant is to be put on for three days, beginning Decoration day night, will attract thousands of people to this city and Holland will benefit materially, especially in advertising.

The committee in charge is thankful, however, because of the keen interest taken by the merchants and others in Holland as will be noticed by the following communication:

Editor of The Sentinel:
The executive committee of the Hope College Pageant wishes to express its appreciation thru the press to the Merchants association of Holland for the action it took last week Thursday night in regard to a fourth of July celebration.

The Pageant executive committee is sparing neither expense nor trouble to give to the city of Holland the most beautiful historical production ever witnessed in Western Michigan. The estimated cost has already grown to \$2,500. The

Pageant is asking for nothing but the support and interests of the citizens of the community. It is indeed gratifying to have the merchants co-operating by allowing no "counter celebration" such as a big Fourth of July celebration to eclipse the pageant work.

Yours truly,
Fred Oert,
Director of Pageant
Paul Gebhardt,
Business manager.

The golf team of Holland high has started spring practice at the Holland country club. The first match will be with Benton Harbor, May 22. A return match will be played at the local links on June 12. A golf team consists of four men. The squad is necessarily small as the sport in this line is new. The regular team will soon be picked by Mr. Hinga.

Benton Harbor is trying for the first time also.

Holland high track team ran in fourth place, Saturday afternoon at Kalamazoo. The Central high team of the "Celery city" copped first place in the class A. competi-

tion, while St. Joseph won class B. honors. Ottoboy won first place in the shot put, distance 39 ft. 2 1/2 inches. Meenees ran third in the 129 yard hurdles while Walcott was fourth man in the high jump. Exo in the javelin throw was awarded fourth and the relay team took third. Grand Haven with nine points, took fourth place, Speiss being the best athlete representing the county seat school.

There will be a hearing of the class for naturalization for the last term of circuit court on May 21 at ten o'clock in the court room of the Ottawa county court house before Judge Orie S. Cross. This hearing was postponed from the last term of court because of the inability of a government official to be present.

The county clerk's office is very busy taking care of the various applications and the fate of many a prospective citizen of the United States hangs in balance on the hearing this month.

A surprise farewell party honoring Avis and Kenneth Vander Ven, who are leaving this week with

Those present included Helen Spritsma, Susanna De Weerd, Josephine Timmer, Lois Ketel, Gertrude Hulshof, Helen Edith Smith, Helen and Virginia Vander Ven, Beatrice Wabeke, Junior Bolhuis, Clarence Den Houten, Gordon Grinwis, Arthur Tazelaar, Leo De Feyter, William and Adrian Vander Ven and Francis, Paul and Gordon Wabeke.

Her daughter and her small son returned to Holland with her.

The first year of local leader work in the county is nearing a successful completion. Although the results of the work have not yet been compiled, the indications are that they will be most satisfactory and far-reaching. A statistical report does not begin to show the whole extent of this program because it is to be extension work, it will continue to grow.

Twenty-five clubs in the county are finishing the clothing projects under the local leader plan which is one hundred per cent of the clubs starting. Local leaders have done a most efficient and conscientious piece of work. This number of working groups makes a good number for efficient work.

A series of farm bureau meetings is being held in Ottawa county. In addition to the gatherings already held, the following dates have been announced: May 10th, Holland city hall, 8 P. Miss Ethel Hendrick, as president of the class presided at toastmistress. The following program was given: toast to mothers, Dorothy Strop; vocal solo, Miss Geneva Henevelt; toast to daughters, Mrs. F. J. Monday night the members of the biology club of the high school, under the direction of Miss Lida Rogers, held their regular meeting in Kollen park and planted a pin oak tree. The club wished to celebrate Arbor day appropriately but decided to wait until their regular meeting night. Appropriate exercises of readings and talks were held and the club had a chance to put into practice some of the things learned at their regular meetings.

On Arbor day forenoon the boys of the biology department of the high school planted about fifty silver maple trees on the new athletic field at the corner of 22nd street and Maple avenue. The boys were divided into squads of four, each with a squad leader, and were given detailed instructions by Miss Rogers as to how the trees were to be planted. On the grounds they were assisted by Park Superintendent Van Bragt. Complete rows of trees were planted on three sides of the field and on the fourth side gaps were filled in so that there are now trees on all four sides.

The trees were correctly planted, watered and inspected. The boys have arranged to care for the trees during the summer, watering and spading them systematically.

The Goodrich Transit Co., effective this week, will make an extra trip each week, by leaving Holland at 9:30 A. M. on Saturday mornings for Chicago direct, steamer leaving Chicago again the same evening, arriving in Holland Sunday morning.

The Goodrich Co. has also greatly reduced rates on automobiles when accompanied by one or more passengers. New rates become effective May 17. The old rate on Chevrolet, Dodge, Durrants, Overlands, Cleavelands, Oldsmobiles, Pontiacs, or any car 115 inches and under was \$8; the new rate makes it \$5 on this wheel base. Other cars taking \$9.50 rate will now be \$6.50; and \$10 rate changed to \$7.50, etc. This is a very low rate and very convenient and beneficial to tourists. There is a great advantage in shipping a

car by steamer. The tourist avoids the terrible congestion on highways, especially between Michigan City and Chicago. He saves the wear and tear on the auto and gets a good cool night's rest on the steamer getting up in the morning thoroughly refreshed and ready for most anything.

Effective Monday, May 17, all steamers of Goodrich Transit Co. will leave from and arrive at the municipal pier, southwest end. This will prove very convenient to all the traveling public. Now practically all steamer lines out of Chicago use the municipal pier for terminal.

The board of the federation of women's societies held their annual meeting at the home of Mrs. C. V. R. Gilmore yesterday afternoon to check up the money received for support of lepers in the Christine Van Ruse Gilmore Home at Inhambane, Africa. The collection received on the afternoon of prayer day amounted to \$140.48 and the special leper fund was \$221.33.

After receiving reports of the various committees it was found that the federation had a grand total of \$849.58, which included \$25.00 that was raised among the board members at this meeting.

As a result Dr. C. J. Stauffer will receive a check for \$700 for his special work for which the ladies of Holland feel responsible.

The remainder is to be sent to support work among the lepers in Carville, La., the American Bible Society, the Jews and the Miss Churchford.

Reports from Dr. Musser, the Jungleman, who recently lectured in this city, show that the work of the ladies of Holland is deeply appreciated and that Dr. Stauffer is a man highly esteemed for his thoroughness in every detail of his work. He is known in the missionary world as a man of consecration and is also highly efficient as a medical man.

News has reached Holland of the death in Honolulu on April 27 of Mrs. Jennie V. Doesburg, the last surviving sister of the late G. J. Van Duren. Mrs. Doesburg was born in Holland 71 years ago. After the death of her husband some years ago she went to live with her son, Albert G. Doesburg, in Honolulu. A stroke of paralysis was the cause of her death. Mrs. Doesburg was buried in Honolulu.

Bert Knooihuizen, aged 63, died at his home in North Holland Saturday afternoon. He is a brother of Dr. A. Knooihuizen of Holland. Just two weeks ago Mr. Knooihuizen's wife died as a result of pneumonia. Mr. Knooihuizen was seriously ill at the time but hope was entertained for his recovery. However, the shock of his wife's death was so great that instead of rallying he became steadily worse and death resulted on Saturday afternoon.

The funeral was held on Wednesday afternoon at one o'clock at the home and at two o'clock, Standard time, at the North Holland Reformed church. Rev. Arthur Maatman, pastor of that church officiating.

The skyscraper gained its name torn down. Monday Contractor Postma and his crew began operations bringing the proud building to a gradual make way for another building.

The Skyscraper gained its name many years ago when it was first erected. At that time a student clerk in the J. J. Rutgers store painted a sign for the tiny cement tailor shop of the Rutgers store and he usually called it a skyscraper, because it was so low that you could almost step over it. Mr. Scherhorn has been the occupant of the skyscraper since it was erected. He will now conduct operations in the Rutgers store. The skyscraper will be replaced by an up-to-date store building.

What do You Desire Most in a Furnace?

When you know that one make of Furnace is giving a great number of people, including friends of yours, a full measure of satisfaction, it is not likely that you are interested in knowing why one casting is shaped one way and one another.

After all, what you pay for, is convenience and economy in the operation of the furnace, and you want, above all, abundant warmth throughout your home.

It is the result you are paying for, and it is the result that is offered you by the Holland Guarantee Bond.

PAUL RADER FIGURES IN RESORT DEAL

Paul Rader, the evangelist whose
brother Luke conducted meetings
at Carnegie hall six weeks ago, will
live close to Holland in the sum-
mer time. It is stated that pur-
chase of Lake Harbor, within a few
miles of Muskegon, a 217-acre tract
of perhaps the best resort property
on the east shore of Lake Michigan,
was negotiated Monday by Paul
Rader who will make the plat his
summer headquarters. The tract,
formerly held by the Western
Michigan Lake Frontage company,
is valued at upwards of \$250,000.

Mr. Rader aims to develop Lake
Harbor into one of the largest
summer colonies in western Mich-
igan, plans providing for the con-
struction of many more cottages,
building of a terminal which will
seat 3,000 to 4,000 people, improve-
ment of a natural amphitheater for
outdoor services and enlargement
of the golf course from nine to 18
holes. Work on the project will be
started next Monday, and the first
summer visitors will arrive about
Memorial day.

Mr. Rader's improvement plans
call for the expenditure of at least
\$50,000 this year.
Lake Harbor is located 2 miles
south of Muskegon on Lake Mich-
igan. It includes a large piece of
frontage on Lake Michigan, front-
age on the channel connecting
Lake Michigan and Lake Mona and
more on Lake Mona. It is the most
beautiful resort spot in this section
of western Michigan, and many
people hold it to be the finest in
the central west.

The Christian Reformed church
considered making the tract a
camp similar to that at Winona
Lake, Ind., a few years ago, and
an effort was made last year to
develop it as a Masonic country
club.

Cutting through the property is
Muskegon boulevard, the city paved
highway. On the east side of
the highway is the piece which in-
cludes the Lake Harbor golf
course, a 16,000 gallon reservoir, 12
cottages, and a 125-room bath-
house. It also includes Hackley
park with about 35 acres of the
finest virgin timber in this part of
the state.

It was on this property that the
Roosevelt training camp for boys
was maintained for several years
during and shortly after war for
boys from Chicago and throughout
the middle west.

At the fathers' and son's lan-
guage in Hope church Wednesday
night Walter Ritter arose and chal-
lenged the side of the table over
which Charlie Drew presided to a
singing contest against the side on
which Ritter sat. Ritter offered to
give his ice cream to Drew in case
Drew's side won.

A real old-time song contest was
the result because Drew's side ac-
cepted the challenge immediately.
The result was that the Drew men
won, and that is the reason Ritter
went without his ice cream at the
banquet.

The Michigan State Poultry Im-
provement association has just
published a directory of state in-
spected and accredited hatcheries
in Michigan. It lists 124 such
hatcheries. Eighty-nine of these
are located in the western half of
Michigan. Ottawa county leads
with 51.

Zeeland in Ottawa county has 28
such hatcheries and is ranked sec-
ond in Ottawa county, ranks sec-
ond with 19, Grand Rapids, Hills-
dale and Hudsonville are other
points standing high in the accred-
ited list.

Four more checks of \$5 each
have been received by the Ameri-
can Legion for its tree planting
fund. They are from E. C. Brooks,

and Henry Ebelink.

will plant trees along the highway
and all Legion men are asked to
be out. After the planting there
will be a supper furnished by the
Auxiliary.

At the second annual meeting of
the Western Michigan Golf associa-
tion, Mr. T. F. Whelan was elected
vice president of the association
and in addition to the duties as
vice president, he will serve on the
executive committee.

This committee will be composed
of the officers, Dr. W. T. Hobbs,
of Battle Creek, president; Mr. T. F.
Whelan of Holland, vice president;
Mr. F. G. Bostock, Grand Rapids,
sec'y and treas; and the following
members: Mr. E. W. Irwin, Grand
Rapids; Mr. Lee Higgins, Grand
Rapids; Mr. Hunter Robbins,
Spring Lake; M. Bertrand Hopper,
Kalamazoo; Mr. James VanKeuren,
Lansing; Mr. F. M. Cleveland,
Ionia; Mr. Chas. Gibson, Muskegon;
Mr. Gilbert Daane, Grand Rapids.
The dates decided on for the 1926
tournament are July 14, 15, 16, 17,
with 35 holes medal play on Tues-
day, July 13th, for the profession-
als in the district. On Wednesday
evening a meeting and dinner for
the groundsmen of the clubs in
the association will be held.

Hope won a heavy hitting con-
test from Ferris Institute Satur-
day afternoon at Waterworks Park
the count being 9-2. The Hens
crew collected 9 hits off from
Poppen, but the local hurler was
never really extended and had nice
support.

The Holland Independents will
play the House of David clan here
Saturday afternoon. The locals
have been practicing for two weeks
and appear in tip top shape. The
band will be out to lead the usual
procession and further details will
be given later. Just who will pitch
this game is still a mystery to the
fans but Spriggs will bring a
worthy here to represent Holland
on the mound.

Herman Bos and Cy Vander
Luyster of the News office motored
to Grand Rapids Saturday af-
ternoon.

Mrs. D. Vanden Bos has left for
Whitehall to attend the mothers
and daughters banquet of the
Campfire Girls and will be the
guest of her daughter Harriet,
who is a teacher there.
