Allegan Council Okays \$74,307 Budget for Year

Health Center Fund Left as Is, But Door Left Open for More

ALLEGAN (Special)—Allegan's City Council Monday night agreed to let the 1953-54 budget stand as it was drafted at a special meeting last week, and handle a special plea for funds from the Allegan Health Center "as or if the need arises."

As approved, the budget will total \$74,307, a slight increase over the current budget, resulting from an increase in tax assessments. The \$11 per thousand tax rate will remain the same.

E. W. Delano, chairman of the Health Center's board of directors, told councilmen that the hospital operated at a small loss last year. He said the need for building up a reserve for future expansion and new equipment is greater than ever and urged the city to increase its appropriation so that it would cover the cost of electricity and water.

Delano pointed out that the hospital continues to care for nearly 1,800 people each year, but loss of revenue is resulting from a decrease in the average stay of each patient. He said the average went down to 2 1/2 days last year.

In the 14 years since its establishment, he pointed out, the capacity of the hospital has grown from 28 to 44 beds. Any increase in capacity will require building of an addition and he indicated the board was trying to build up a reserve for this purpose.

Council agreed to let its \$2,500 appropriation stand in the budget, but approved a suggestion that additional funds could be found if necessary.

A bid of \$402 plus the present police car was accepted by the council from the Hult Motor Sales for a new cruiser. The new car will be paid for out of the 1953-54 budget.

Council authorized City Manager P. H. Beauvais to allow city employees and equipment to be used to help put the Littlejohn Lake swimming beach in shape for the summer swimming program. Beauvais said the Community Council has leased the beach. It will be fenced, a new dock and diving tower will be installed and other equipment refurbished.

Beauvais also reported that he was meeting with a swimming pool designer Thursday to obtain background data for future use. The city has considered construction of a municipal pool several times in the past few years and there has been considerable sentiment in favor of such a project.

Council Delays Smoke Abatement Ordinance Action

City Council postponed action on a smoke abatement ordinance pending report of a survey by the Coal Producers Committee for Smoke Abatement which has offered its services with competent engineers without cost to the city. Council also heard a letter from the industrial committee of the Chamber of Commerce, signed by Henry Weyenburg, chairman requesting such a survey before an ordinance is adopted. The ordinance has been introduced at the last meeting.

Considerable routine business was transacted in the regular session which lasted one hour and 34 minutes. Mayor Harry Harrington presided and Councilman John Belmont gave the invocation.

Council authorized an increase in liability insurance coverage, boosting bodily injury limits of general liability insurance on all city operations to \$100,000 to \$1,000,000 at an increase of \$141.85 in the annual premium, said change having been endorsed by the Hospital Board of Public Works.

Approval also was given City Manager H. C. McClintock's recommendation to hire services of the Michigan Municipal League in developing a position, classification and pay plan for general city employees at a cost estimated at \$1,200 to \$1,300.

Council also heard a report on the County Health department through Florence Vande Wege, public health nurse, who reported for Dr. Ralph Ten Have on the department's work in Holland, particularly as regards immunization clinics, TB clinics and the work on contagious.

Approval was given a fire protection agreement with the Pent Electric Co. which occupies the former Rollarena. The agreement is similar to those of other industries outside the city limits.

Council granted a license to Robert L. Shank to operate a popcorn wagon on River Ave. next to Reliable Cycle Shop for the coming six months.

City Clerk Clarence Greengood reported that the Michigan Finance Commission had granted permission for the issuance of \$300,000 in municipal recreation building bonds.

Warren D. Exo, one of 165 Hope College seniors receiving A.B. degrees on June 3, has been awarded a research fellowship in public administration at the University of Michigan, according to announcement by Dr. John W. Hollenbach, dean of Hope College.

The award, a Metropolitan Community Fellowship, is provided by the city of Flint for an applicant who is preparing for some type of government work. While at Hope, Exo majored in history and political science. He has been a member of the Men's Glee Club, Chapel Choir, YMCA, Blue Key and Phi Alpha Theta, honorary fraternities. Deadline Nears For Candidates For School Board

Saturday is the deadline for turning in petitions for candidates for the Board of Education this year. To qualify, candidates must have 50 to 75 signatures of qualified voters in Holland city. Petitions must be turned in to Mrs. De Pree not later than 4 p.m. Saturday.

The school election will be held June 8 this year instead of in July. This change was made when adopted a proposal whereby Holland became a third-class school district. Under this arrangement, the annual election is held the second Monday of June instead of in July.

The new arrangement also provides for a seven-member school board instead of nine members now serving. New board members will serve four-year terms instead of the current three-year terms.

To effect the change, two trustees will be elected this year. Mrs. De Pree, who has served for nine years, and Lester J. Kuyper, who has served three years, have indicated they will be candidates for re-election. Jay L. De Koning, who has served nine years, announced some weeks ago he is retiring. So far, only Mrs. De Pree and Dr. Kuyper have circulated petitions.

Children's Kite Event To Take Place May 23

A kite tournament for boys and girls who aren't more than 12 years old will take place May 23 at 1 p.m. at the 24th St. athletic field, under the sponsorship of the Holland Optimist Club.

The tournament will have five divisions, and entries can be made in all five or in as many as desired. Divisions are messenger race, largest kite, smallest kite, most artistic kite and kite flying.

Rules are that the kite must be made by the individual flying it, must be able to fly, must have cord measuring 300 feet in length. Entry blanks are at all grade schools and the Chamber of Commerce. Trophies with the winners' names on them will constitute the prize. Entries must be in by May 23.

Holland Optimist Club Elects New Officers

At the annual meeting of the Optimist Club Monday noon at the Eten House, Ralph Maass was chosen as the next president. Other officers elected were Andrew Smeenge, vice president; Winton Gibbons, secretary-treasurer; and Gordon Zuverink, sergeant-at-arms. The Rev. James Baar, Gerald Appledorn and Lawrence Schmidt were elected as board members.

Andy Smeenge reported on attendance and membership. Gord Zuverink on Boys' Work, Hi Trizenberg on Optimist Week, John Vander Broek on the gum ball project and Jim Frans on the Optimist Junior Boys' Choir.

It was decided to sponsor a kite flying tournament for boys and girls on Saturday, May 23.

Installation of officers will be held at a later date and officers will assume their duties on July 1.

4 Persons Pulled From Black River

Four Grand Rapids residents were rescued from Black River Wednesday after their rowboat turned over and sank just west of Windmill Park near the North River bridge.

A passing motorist, Fred Overkamp, 42, route 6, and a 53-year-old South Bend woman, fishing under the bridge, heard cries for help and turned the alarm.

In the boat were Henry Wright 33, of 114 Smith Ct., his wife, Neoma, 40; Ethel Lyles, 22, of 319 Goodrich Ave., SW; and Alma Ross, 33, of 143 Grant St. SW, all of Grand Rapids.

After he had changed into some dry clothing, Henry tried to recall what happened.

"My wife and I, my sister-in-law, and another friend went out this morning to do a little fishing, like we did yesterday and Monday. The bullheads were bitin' real good," Henry said.

"Well, we were all in the boat about 50 feet off shore I guess, when my wife said water was coming in over the front. I didn't believe her. It was dry where I was in the back near the outboard motor."

"When Neoma started scrambling around for a bucket to bail with I believed her. But it was kinda late then. The front end went down fast and water started pouring over the sides."

"I gunned the engine to help some. But it didn't work and we all were dumped out. Man, it sure was cold."

"The boat turned over. I grabbed hold of the anchor rope and Neoma. Ethel grabbed onto Neoma and Alma onto Ethel. The girls started screaming for help."

"I was the only one who could swim. It was kinda rough holding up all three of them and myself. One of the girls, I don't remember which, went down a couple times before I could grab her."

By this time, only a few minutes after the four were dumped out, police were on the scene with a rowboat and pulled them from the water.

The four were taken to Holland police station to dry out and were given some dry clothes by the Salvation Army.

Overkamp, who turned in the alarm, said he was driving along the road near Windmill Park when he saw the boat with four people out fishing.

"The water was only an inch or so from the top and I didn't figure they were going too far. As I turned onto River Ave. heading north I took a look back. Sure enough, all four were in the water screaming for help. I drove to a gas station and called police," he said.

About the same time, Mrs. Helen Rowland, vacationing here from South Bend, Ind., was sitting on the river bank near the bridge fishing.

"I had got me three bullheads already when I heard the cries for help. The two women were thrashing around in the water grabbing for something to hold onto. It was too far to go for a phone so I ran up to the road."

"The first car didn't stop but the second one did. I told the driver what happened. He looked. And drove off to call someone," she said.

Back at the police station the three women were ushered into the cell-block to get out of their wet clothing. The large steel door was closed and the steam turned up in the cells. A small sign was hung on the door. "Stay out, women drying."

After Henry had put on some dry clothing he went back to the river with a police officer to locate some fishing buckets, some clothing but could only find one.

Henry said he lost his wallet in the water but seemed glad enough to be okay. With police assistance, the recovered rowboat was loaded onto a hitch on the back of their car.

The four, still slightly damp, headed back toward Grand Rapids and home.

Allegan Red Cross Campaign Exceeds Goal by \$590

ALLEGAN (Special)—Allegan county Red Cross fund campaign workers topped their \$12,500 goal by \$590, according to a campaign summary issued this week by Mrs. Thelma Stratton, executive secretary of the county chapter.

Fourteen of the 24 campaign committees organized in cities and townships exceeded their goals, she reported.

The Heath township effort, with Justin Schievink as chairman, turned in \$699.50, representing 350 per cent of its quota. Fourteen workers took part in the Heath drive.

The drive in Fennville, with Mrs. William Van Hartsvelde as chairman, resulted in the second highest return. Their \$642.25 contribution totaled 184 per cent of the goal.

Allegan, Otsego and Plainwell city workers also exceeded their goals as did the townships of Hopkins, Saeco, Saugatuck, Ganges, Leighton, Manlius, Monterey, Overisel and Trowbridge.

The county campaign was headed by Rex Ten Eyck, of Otsego, with Ray Nahlikian, Allegan, as co-chairman.

Nahlikian also served as chairman of the Allegan city and township campaign which netted \$701.31 more than its \$2,210 goal.

Of this total, \$554.70 came from the house to house canvass, \$148.87 from the township, \$687 from retail businesses, \$1,278.23 from industrial contributions, \$36 from the court house, \$106.51 from the schools and \$108 from clubs and lodges.

Holland Spel Vermaak To Open Monday Night

The "Holland Spel Vermaak," big Sports Show to be staged at Northshore Community Hall, will open at 6 p.m. Monday. Director Ray Metzger said today. Plans originally called for a 10 a.m. opening, but many exhibitors are coming long distances and Metzger said it would be impossible to have everything in shape that morning.

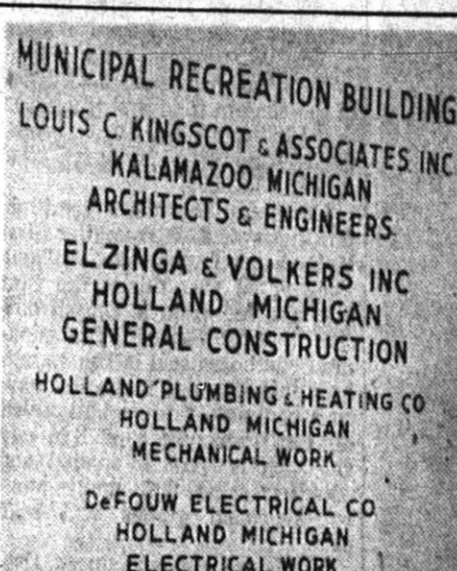

So far, 33 exhibitors have signed up, covering sports cars, house trailers, boats of all kinds, fishing tackle, outdoor motors, leather goods, photographic supplies, books, outdoor furniture, awnings and beach umbrellas, etc.

The show will be classed as a Tulip Time attraction during the four days of the festival. It will close Saturday night.

Attention of the entire city of Zeeland is quietly focused on Huijzinga Memorial Hospital where four-year-old Laura Janssen remains unconscious for the tenth straight day.

The youngster received a severe concussion and skull fracture when struck by an auto last Monday. Laura is the daughter of Mr. and Mrs. Albert J. Janssen of route 1, who have constantly remained confident that she will recover. "I believed all the time, even when we first saw her lying on the pavement, that she would recover," Mrs. Janssen said. She has a twin sister Lorraine.

Old concrete foundations of the Mosher Leather Company that formerly stood on the site of the new Municipal Recreation building between Eighth and Ninth Sts. just east of Maple Ave. are giving excavators a difficult time. The footings, some 32 inches wide and almost four feet in depth, are of concrete mixed with Waverly stone, a particularly hard combination. Attempts to bulldoze them out failed, and Wednesday a crane was broken on them. So today blasting ex-

parts of A. R. De Weerd and Sons were called in and good progress has been made. The sections are now dynamited out in three and four foot sections. Meanwhile, water problems are being encountered in the excavation under the proposed boiler room. The hole is flooded, with at least five feet still to be dug. So engineers are installing a main line around the area with 32 well points down, and pumping will begin shortly.

Clerk of Works Named for New Municipal Center

Building Inspector Joseph Shashagany was appointed clerk of the works for the new municipal recreation building at a meeting of City Council Wednesday night.

Council also voted to retain the building committee consisting of A. W. Hertel, James H. Klompars and Donn Lindeman to continue their work in final plans with architects. It was pointed out that any changes of any consequences would have to be approved by Council.

Council postponed action until next meeting on a request for building a service station on the northeast corner of 17th St. and Ottawa Ave. It was pointed out that certain changes would have to be made on driveways.

A request for closing a 172-foot alley west of Van Raalte Ave. between 13th and 14th Sts. was referred to the planning commission for recommendation.

Council granted permission to the VFW, its auxiliary and the Dad's club, and to the Legion auxiliary to sell poppies from 6 p.m. Friday, May 22, to 6 p.m. Saturday, May 23.

Council granted permission to the AAUW to operate a restaurant in Junior High School during Tulip Time.

A request for a street light on 15th St. between Van Raalte and Harrison Ave. was referred to the city manager with power to act.

A request to rezone the northeast corner of Cleveland Ave. and 17th St. for the purpose of installing a neon sign in connection with the B and G drive-in and for parking purposes was referred to the planning commission for recommendation. The request came from Jacob and Dena Klompars.

Clerk Clarence Greengood presented on behalf of the Hospital Board a contract with the Picker X-ray Co. for \$10,580.20 with a down payment of \$5,000 and balance to be paid upon acceptance of the equipment or July 1, whichever is later. This is for the purchase of a second x-ray machine, the \$5,000 to be made from the current year's hospital appropriation as previously authorized.

Two public hearings are scheduled for June 17, one for vacating the alley between 16th and 17th Sts. running from Columbia Ave. east to the railroad, and the other vacating an alley between 17th and 18th Sts. running from River to Pine Ave. A letter from the planning commission recommended vacating of the first alley, provided easements for serving utilities. On the second case, the commission said vacating the alley would cause hardship and recommended the hearing.

Council passed the necessary resolution to close highways for Tulip Time parades three afternoons next week.

Man Found in Contempt Of Court in Alimony Case

GRAND HAVEN (Special)—Donald M. Paris, 33, Long Beach, Calif., was brought before Judge Raymond L. Smith Wednesday afternoon for non-payment of alimony, found in contempt of court and placed on probation until he complies with the requirements of an Order of the Court.

Under the terms of a divorce decree granted May 13, 1947, to his wife, Elaine Louise, now Elaine Louise Nivison, of Holland, Paris is in arrears \$4,871. A settlement of \$3,500 was agreed upon, \$500 of which is to be paid forthwith and which will be allotted to his former wife, in weekly payments, and the balance, or \$3,000 is to be turned over to the Bureau of Social Aid, which has been contributing to the support of the children.

Paris is ordered to pay \$16 a week for the support of his children, plus \$5 a week on his obligation to the Bureau of Social Aid.

Dignitaries to Join Local Burghers in Scrubbing

Holland burghers who scrub the streets on opening day on Tulip Time next Wednesday will have a lot of distinguished help this year.

The Ottawa county Republican committee has extended invitations to state and national leaders to join in the event, and already it appears that U. S. Senator Homer Ferguson, U. S. Rep. Gerald R. Ford, Postmaster General Arthur Summerfield, Chief Justice John R. Delmonico, Auditor General John Martin, State Treasurer D. Hale Brake, and others are prepared to don Dutch costumes and scrub the streets with the Hollanders.

Gov. G. Mennen Williams, who has come to Holland on opening day ever since he was governor, accepted his official invitation from the Tulip Time committee several weeks ago, and is all set to follow his traditional role.

Carl C. Andreasen, county GOP chairman, said invitations have been sent to all state officials, also to U. S. Vice President Richard Nixon and U. S. Sen. Charles Potter.

Others invited are Clair Taylor, superintendent of public instruction; David Kendall, national committee; Mrs. Rae Hooker, national committeewoman; John Fekken, state central committee chairman, and many others.

"We've received quite a few acceptances and are getting others," Andreasen said. "We don't know just who will be here, but there should be a sizeable delegation. We're planning to provide costumes for the event."

At a meeting of Tulip Time directors this morning, indications were that plans are progressing smoothly, together with assurances the tulips would be in bloom and that there would be plenty of visitors.

Eight floats already have been lined up for parades and several others are expected. Those signed up are two floats from the VFW and Cooties, Chamber of Commerce, Merchants, Moosehart, Washington Square merchants, South Haven blueberry float, and U. S. Marine Corps Reserve of Grand Rapids.

Ticket sales also have opened for festival events, and reservations for Saturday's band and variety acts are moving quite rapidly.

Mrs. Joseph Borman, Mrs. William Nies and Wilhelmina Haberland already have lined up 240 scrubbers for Wednesday's street ceremonies and expect to have more. Additional costumes are needed and those not using costumes are asked to bring the costume, boxed and labeled to the Chamber of Commerce office which will lend the costume to a scrubber.

Convertibles also are needed for Saturday's big parade of bands, and those who can offer such models are asked to call Manager Larry Wade at 6-6668. Robert Mason is assisting in lining up such cars.

John H. Van Dyke reported that certain damaged vans are being replaced at Little Netherlands at a cost of \$200.

Everything was under way for the preview tonight of "Moods in Melody" or "Tour the Town" at 8 p.m. in Holland high school. The program will be given Wednesday and Thursday nights at 8:15 p.m. next week.

Attending this morning's meeting were J. J. Riemersma, Dick Smallegange, John H. Van Dyke, Lavern Rudolph, Jerry Held, Robert Kow, William Vande Water, W. A. Butler, Larry Wade and Raymond Holwerda.

Council Adopts Revised Budget For Holland City

Figures Show Increase Of \$15,000 Over Totals Submitted on April 1

With no objections filed, either written or verbal, City Council Wednesday night approved a revised city budget calling for a net tax levy of \$356,491.39, an increase of \$15,002.84 over the proposed budget which was introduced April 1.

The revised figures call for a tax rate of \$15.20 per \$1,000 of assessed valuation, or approximately 65 cents higher than the original figure.

The new consolidated budget calls for total income of \$2,160,564.23, total expenses of \$2,376,896.54 or net requirement from taxes of \$448,290.31. The latter figure is reduced by estimated cash on hand June 30 of \$91,798.92.

New revisions include an extra \$33,045 in capital outlay under the recreation building section, and deletes construction this year of a \$25,000 garage for the street department. The new figure also includes a seven-cent-an-hour increase for employees in the police, fire, street, park and cemetery departments and adjustment or readjustments on salaries for other employees. The Board of Public Works has provided similar increases for its employees, and the Hospital Board expects to call a special meeting to consider readjustments on salaries along with ways and means to provide such possible increases.

Council's action Wednesday night was on the operating budget for the city. The budget for the Board of Public Works will be considered later and will be adopted during May.

The revised consolidated budget lists the following:

General city departments — income, \$294,625; expenses, \$652,415.31; net requirement from taxes, \$357,790.31.

Holland City Hospital — income, \$453,006.02; expenses, \$460,006.20; net requirement from taxes, \$7,000.

It was also decided to have Mrs. Ralph De Haan again take the school census this year. Mrs. De Haan has taken the census for several years.

Contracts for two new teachers were approved. Included are Miss Kathryn Kemper and Kenneth Louis, both graduating seniors at Hope college. Miss Kemper will teach in the first grade. She is the daughter of Dr. and Mrs. John R. Kemper of Mexico.

Louis will replace Mrs. Nancy Marema as vocal instructor. He is a graduate of Kalamazoo Western State High School and a well-known organist.

Superintendent of Schools Julius F. Schipper told the board four teachers have decided not to return this fall. They are Douglas Hatfield, Mrs. Marema, Mrs. Kenneth Bauman and Joseph Newell.

Maplewood Group Hears Missionary to Africa

Mrs. Edgar Smith, missionary to Africa, was guest speaker at a monthly meeting of Maplewood Missionary Society Tuesday evening in the Maplewood Church parlors. Richard Staat assisted her in showing slides.

Of particular interest to the audience were pictures of other missionaries who now are working in various mission fields in Africa.

Devotions were led by Mrs. J. Peerbolt. Several piano selections were played by Miss Lillian Wert. Mrs. James Baar closed the meeting with prayer.

During the social hour, refreshments were served. Hostesses were Mrs. J. Housenger, Mrs. G. Slager, Mrs. W. Kruthof and Mrs. L. Mulder.

Clean-Up Week Over

The city-wide pickup of leaves and refuse dumped at city curbs has come to an end and residents hereafter must dispose of their own brush piles, the street department pointed out today. Officials warned against such piles at the curb since the rain invariably causes drains and catch basins to become clogged.

Dutchmen Keep Win Streak Going By Beating Calvin

GRAND RAPIDS—A seven-run outburst in the fifth inning, coupled with three more runs in the sixth inning, enabled Hope College's baseball team to keep its record unblemished here against Calvin College Tuesday afternoon.

Final score was 10-8 in favor of the Dutch. It marks Hope's fifth consecutive win of the season, including three against MIAA foes and is the second time the Dutch have defeated arch-rival Calvin.

Calvin jumped to an early lead with four runs in the last half of the first inning. The knights scored on hits by Penning, Hothouse and Smart, two walks an error and a passed ball, all off Hope starter Willie Rink.

Jerry Elenbaas started off that big fifth inning for Hope with a double. Dick Ortuist walked. Adams slapped a hard one that the first baseman muffed and the bats were loaded. Dykema walked to force in a run. Zeke Piersma was out on a pop fly to short centerfield.

Alden Klomparsen walked. Elenbaas, up for the second time in the inning, singled to score Van Hoven. Ortuist walked and Adams struck out to end the inning. It was seven runs on four hits three walks and an error.

But Calvin came right back in the bottom half of the same inning to score four more runs and take a one-run lead. The Knights scored on two hits, by Start and Kunnen and three walks.

Hope clinched the game on the first of the sixth with three more runs.

York was safe when the centerfielder dropped his fly ball. Van Hoven singled to score York.

For Hope it was three runs on three hits, including a triple.

Rink started for the Dutch and was tagged for four runs and three hits in two innings. He was relieved by Piersma who hurled three innings and allowed three hits and four runs. Piersma cooked his own goose with three walks in that fifth inning.

He was charged following an accident at 11:20 p.m. Saturday on US-16 in Polkton township. Joe Newell of Zeeland High

Accepts Position As Principal; Has Top-Notch Record

One of the most phenomenal high school coaching records in Michigan will come to an end next month when Joe Newell of Zeeland High School resigns to go into school administrative work at Pittsford Rural Agricultural School at Pittsford, 10 miles southeast of Hillsdale.

Newell will be principal and athletic director at Pittsford, but will have "no coaching duties."

Pittsford is a medium sized class C school established under the Kellogg Foundation. The school recently moved into a new nine-room elementary building and the high school is housed in an up-to-date building completed in 1939.

"I consider it an excellent chance to get in on the ground floor of school administrative work," Newell said in announcing his resignation.

Newell was graduated from Kalamazoo College in 1936 and since that time has earned his masters degree in school administration from the University of Michigan.

While at Kalamazoo, he won three letters in football, three in track and his numerals in basketball. In his senior year he was voted a member of the All-MIAA as a tackle.

Upon graduation he stayed at Kalamazoo and coached freshmen teams for one year before moving to Lee High School in 1937. During his four-year stint at Lee, his teams won three grand Valley baseball championships, and one football crown. He also served as athletic director at Lee.

In 1941 he came to Zeeland where his football teams won the Tri-County league championships twice. And three out of four of his basketball teams won championships and of the three track teams he coached, two won league crowns.

He served 11 months in the U.S. Navy during World War II.

In 1945 he moved to Ionia High School where his football teams won 25 games and lost just two. His grid teams won four championships and three of his track teams won titles. He coached one year of baseball at Ionia and won the title. Newell also served as athletic director at Ionia.

In 1949 he returned to Zeeland and has three undefeated football seasons in Tri-County league play. In 1952, his track team won the Ken-New-Wa championship and stands a good chance of winning the title for the second consecutive year in the upcoming conference meet that starts tonight.

His basketball teams placed second in the league three out of four years.

Besides his school activities, Newell has been active in community service projects. He was chairman of the successful Zeeland City Community Chest drive last year that raised \$900 more than the goal, and has been an active member of the Zeeland Lions Club. He served as "tail twister" in the Lions organization and played the lead in the Club's recent play.

He was defeated by just six votes for a seat on Zeeland City Council in the recent spring election.

Newell also has served as recreation director of Camp Geneva and has been chairman of the Zeeland Youth Center Committee for two years.

He served as a member of the state high school athletic commission football committee in 1942, and this spring is on the track committee. These committees are responsible for formulating state athletic policy and rules.

Newell is a member of First Reformed Church and teaches Sunday School. He is married to the former Dorothy Kaat of Grand Rapids and they have four children, Judith, 12, Janice, 11, Beth, 8, and Stephen, 2.

All Officers Re-Elected By Resthaven Patrons

At a meeting Tuesday evening, the Board of Trustees of Resthaven Patrons, Inc., voted to continue its present officers for another year.

The treasurer reported \$1,157.45 in the current fund and \$73,914.11 in the building fund. Gifts received in April for the building fund totaled \$1,314.95.

The board expressed gratitude for a gift of \$400 from the First Methodist Church of Holland. They noted that this is the first gift received from a church outside the "Reformed" denomination. The board said it has always been their hope to make Resthaven a community project in which all Christian people of this city and vicinity are interested and members hope that many more non-Reformed groups will take part.

The board also announced they have been informed of a legacy of \$500 from the estate of Miss Anna Bomers.

Zeeland Blanks Cedar Springs

ZEELAND (Special) — Three hits and a walk, bunched in the fourth inning, were enough to give Zeeland High School's baseball team a winning margin in a Ken-New-Wa league game against Cedar Springs here Monday afternoon.

However, the Chix were given two "gift" runs as insurance in the sixth inning and came out with a 6-0 final score.

For Zeeland it was six runs on three hits, and no errors to no runs, two hits and four misplays to the visiting Red Flannel towners.

Ron Weatherbee, Jason Redder and Bob Berens pooled singles in that fourth inning uprising that started the Zeelanders onto their first league win.

In the sixth inning, Zeeland scored on two walks and a wild pitch by Townes that allowed the two men to scamper across the plate.

Del Komejans was the winning pitcher as he went the distance and doled out only four walks. Townes went the distance for the visitors and walked eight.

It evens Zeeland's league record at one and one and gives the Chix an overall mark of two wins against three setbacks. Zeeland travels to Comstock Park for another league game Thursday.

Dutch Look Loggy As They're Held To Just 3 Safeties

GRAND HAVEN — It was a bleak afternoon for Holland High's baseball team as the Dutch bowed to the Grand Haven High Buccaneers 7-2, in a game here Monday.

Holland lacked the old "hustle" Monday afternoon and just could not seem to get going.

The Dutch scored a run right off the bat in the top half of the first. Jerry Victor singled and stole second. Bill Sandahl rapped a single through the box and advanced Victory home. Terry Burns grounded out and Dick Plagenhoef went out on an infield grounder.

Grand Haven retaliated with two runs in the bottom of the first. Teasley walked. Klukos singled and Yednak struck out. McFee walked to load the bases. Volenlek singled to score Teasley and Klukos. It was two runs or two hits and a walk.

Jack Kempker started on the mound for the Dutch and pitched to four batters. He allowed two hits, two runs and walked two. He was relieved by senior George Pierson, who went the rest of the way and allowed five runs, walked five and struck out four.

Pierson had quite a time of it in the second inning. Seorl walked for Grand Haven and was sacrificed to second by Marol. Hollenback struck out for the second out. With two down and a man on second, Teasley hit one back to Pierson who threw wild to first and Klukos followed with a single through the box to send Seorl and Teasley across the plate. Yednak crashed out a long triple to score Klukos.

McFee walked. Volenlek singled to drive in Yednak and McFee.

That ended the scoring for Grand Haven.

Holland tallied its second run in the third inning. Victor drew a base on balls. Sandahl struck out. John Van Raalte, batting for Burns, walked. Bob Van Dyke hit a grounder to short that was bobbled and allowed Victor to score. The only other Holland hit came in the seventh inning when Sandahl singled.

Totals for the game were Holland, two runs, three hits and three errors to seven runs for Grand Haven, seven hits and one error.

Klukos allowed Holland two hits and his reliever, Van Toll, allowed one.

Bowling Tourney Winners Listed; 300 Participated

Booming Single, Nice Bunt Give Winning Margin

Two quick runs pushed across after four and a half scoreless innings turned out to be enough as Holland High school's diamond crew dropped the Big Reds 2-0 Friday afternoon in Riverview Park.

Until their half of the fifth inning Holland had collected only three scattered hits off Muskegon pitcher Bob Dobbenstein. But Holland wasted no time in their big inning as Joe Okrei walked, Jim Boeve and Jerry Victor singled to load the bases.

Jack Kemper popped out to third base before Bill Sandahl dropped a beautiful bunt right down the alley to score Okrei from third base. The bunt caught the Big Reds off guard as Sandahl was safe on first, again loading the bases.

With two out big Bob Van Dyke boomed a solid single between shortstop and second base that allowed Boeve to score from third with ease. Victor coming from second base stumbled momentarily as he passed third slowing him just enough and he was tagged out at the plate.

Neither team threatened until Muskegon's half of the seventh inning. Then the Big Reds put on the pressure. De Vries was out on a nice play at first base before Erickson slipped a single between shortstop and third base.

With only two more outs needed to win the game, pitcher Jerry Victor threw two wild pitches, with Erickson going to third.

Really bearing down, Victor worked a one and two count on Eaton who hit the next pitch right down the first base line to the waiting arms of Dick Plagenhoef. The Dutch first sacker made the out and threw to the plate in time to catch Erickson dashing in from third.

Catch Ned Stuits' squad looked sharp in the field, committing only two minor errors and executing several slick combination plays. On the mound Victor allowed four hits while striking out five and walking three.

Muskegon pitcher Dobbenstein gave up seven hits while striking out six and walking two.

Stuits was pleased with the performance, noting that they "really looked like a team." Particularly pleasing was the hitting of Van Dyke and Victor. Van Dyke batted a single and double in two trips to the plate while Victor had two singles in two trips.

As part of the education program of the American Cancer Society, leaflets pointing out the dangers of cancer and important information on how to protect oneself against the dreaded disease are being mailed to all householders in Ottawa County in connection with the annual cancer drive now in progress. Here a group of

man's Literary Club members help sort the literature for local mailing. From left front around the table are Mrs. Paul Jones, Mrs. Clarence J. J. Jones, Mrs. Donald Jesiek, Mrs. Louis Padnos, Mrs. Robert Linn and Mrs. Lucien Raven. Mrs. J. Donald Jencks is county commander. (Penna-Sas photo)

Money Given to Fight Cancer Is Well Spent

"Those who work for cancer control all year around in Ottawa County know how badly money is needed," said Mrs. J. D. Jencks, American Cancer Society Commander. The Ottawa County Unit is seeking to raise \$8,040.

"Our volunteers have been touched by the plight of the cancer patient," Mrs. Jencks said. "Skilled in making something out of nothing" they have used salvaged materials to make dressings, sickroom supplies and other items for the comfort of cancer patients treated at home. But even these need some money.

"Cellulose filler for dressings must be bought—and we make dressings by the hundreds—sickroom equipment must be purchased when articles are not donated, and many other little items paid for."

"We realize that the major part

of the Society's funds must go for the long range program of education and research so that those who might otherwise become victims can be saved if at all possible," Mrs. Jencks explained. "However, it is a natural human desire to assist a stricken neighbor. That's why our volunteer program is so successful."

"By contributing to the American Cancer Society our workers know that all phases of the fight against cancer are being covered, not only service but education and research as well."

"You too can help prevent cancer. You can help the potential cancer patient. You can help those who have cancer now. And you can help support those who are working to find the answer to cancer through research. It is a wonderful cause, well worth your support."

Snappy New Tulip Time Musical Show All Set

A new Tulip Time feature this year will be a snappy musical show, "Tour the Town," to be presented by the Holland High School A Cappella Choir on Wednesday and Thursday evenings of the Tulip Time festival. The original script was prepared by Willard Fast, vocal music instructor, and George Lumsden, radio instructor at the high school.

The theme of the show is a musical trip through the city of Holland. Such tunes as "Ottawa Beach," "Morning in the Country" and "The Workers" transport the listeners to the beaches, farms, industries and various points of interest in town. The choir will include a Tulip Time fantasy with parades, klompen dancers, tulips and street scrubbing.

Schools and churches also will be represented in original music and lyrics. Every phase of the Hollanders' life is shown as the choral group tours the town. Approximately 15 original songs were written to provide the score for the show.

Mr. Fast directs the choir and Mr. Lumsden directs the staging of the scenes.

Tax Allocation Hearing Slated

ALLEGAN (Special) — Residents of 19 Allegan county townships will pay no local taxes next winter if rulings of the county tax allocation board are upheld following a public hearing next Tuesday, May 12.

The townships, Salem and Valley, asked the board for no share of the 15-mill tax "pie" which the board cuts up every spring for the county, school districts and townships. Seventeen others were refused the usual one mill rate after the board had reviewed their financial statements.

The county's share has been tentatively cut from last year's 7.41 to 7.25 mills. This rate will raise the \$551,000 called for in the county's 1954 budget.

Millage requested from 21 school districts were also cut to give the county what it asked. No districts were cut below the five mill minimum set by state law, however.

Manlius No. 2, fractional, the Fennville consolidated district, saw its request for 12.359 mills cut to 7.75. Monterey District No. 3 also received a sharp cut, from 11.96 to 6.75.

On an average, the townships given any millage at all received 2 of a mill.

Charles Hapeman, of 36 River Ave., came into The Sentinel office Friday with a super-duper dandelion—one with six blooms all on a common stem. He said he found it on West Eighth St. across from the municipal parking lot.

A Tulip Time story and an attractive layout of pictures appeared in the April 22 edition of the Michigan Tradesman.

Paul W. Wooden, former Sentinel city editor now living in Greensburg, Ind., also sent a page from a New York magazine with a color ad on chintz showing how Tulip Time in Holland (U.S.A.) inspired a new bright tulip pattern in chintz. The ads contained colored sketches of klompen dancing, street scrubbing and tulip farms.

Visitors to Holland Hospital who spend any time at all waiting in the lobby will be pleased to know there will be some new magazines around soon.

Director Fred Burd was making a few replacements Friday. The copy of the American Magazine was from August, 1952, and the copy of Time was a pre-convention issue. One magazine—the cover page was missing a long time—was from April, 1952.

New magazines will be provided by the Martha Kollen guild, one of the many groups in the Holland City Hospital Auxiliary. The hospital previously subscribed to a magazine service, but the company suspended the service about a year ago.

The guild even expects to provide some new covers for the magazines.

Those lean Republicans—twenty years of starvation!

As president, Dwight D. Eisenhower will receive about \$39,000 less in take-home pay than his predecessor, Harry S. Truman. Here's the way it figures:

Mr. Truman — annual salary, \$100,000; tax-free expense allowance, \$50,000; tax on salary alone, \$56,000; take-home pay, \$94,000.

Mr. Eisenhower—annual salary, \$100,000; taxable allowance, \$50,000; total, \$150,000; tax on full amount, \$95,000; take-home pay, \$55,000.

President Truman wanted Congress to remove the difference by retaining for Gen. Eisenhower the same tax exemption on a \$50,000 expense allowance. But Congress did nothing about it after a House committee rejected the bill.

Muskegon Man Stands Mute in Assault Case

GRAND HAVEN (Special) — Lawrence Bevins, 33, of Muskegon, stood mute when arraigned in the Muskegon County Circuit Court Monday on a charge of assault with intent to commit rape, and a plea of not guilty was entered. Unable to furnish \$1,000 bond, he was returned to the Muskegon County Jail to await trial, date for which has not been set.

Bevins was picked up early Saturday morning north of Hesperia after he had abandoned his car in a swamp and took refuge in a truck of Joseph Ensign, who operates the Harmony Hill Resort there and who took Bevins into custody and turned him over to the officers.

Bevins allegedly assaulted Mrs. Dorothy Ballard, 39, of Rothbury, a nurse at the Muskegon County Home the early morning of April 30, after her car had a flat tire and Bevins promised to take her somewhere to make a phone call.

Instead, he allegedly drove down a dirt road, grabbed her by the throat and choked her, causing her to become unconscious. She awoke two hours later in the back seat of his car at Whitehall, after which he took her to the home of her daughter.

Miss Yvonne Wed to George Knoll

Mr. and Mrs. George Knoll

Holland Heights Christian Reformed Church was the scene of a wedding last Friday evening.

April 24, when Miss Jane Vannette became the bride of George Knoll. The Rev. William Haverkamp, pastor of Central Avenue Christian Reformed Church, and the Rev. Clarence De Haan, cousin of the groom, performed the double ring ceremony before an altar decorated with greens, white snapdragons, pompons and four seven-branch candelabra.

The bride is the daughter of Mr. and Mrs. Avert Vannette, 199 West 15th St., and the groom's parents are Mr. and Mrs. John G. Knoll, of 117 West 29th St.

Mrs. John Van Maastriest, sister of the bride, was matron of honor and Mrs. Milan Meyers and Mrs. Eldon Postema, her twin sisters, were bridesmaids. The Misses Mary Kramer and Lois Huizenga, lighted the candles.

Clarence Knoll assisted his brother as best man. Groomsman were Arthur Wiersma and Calvin Vannette, brother of the bride. Serving as ushers were James Bareman and Milan Meyers.

Claudia Vannette, niece of the bride, was flower girl and Keith Maatman, nephew of the groom, was ringbearer.

Wedding music was played by Miss Saramae Witt, organist. She also accompanied John Van Maastriest, soloist.

As the bride approached the altar on the arm of her father, the groom sang "Because." She selected a traditional gown of chantilly lace and satin featuring a lace bodice with a scalloped lace portrait neckline, a sheer nylon tulle yoke and long lace sleeves. The full satin skirt bustled out at the back in a peplum framing the lace covered satin train. Her fingertip veil of imported silk illusion was held in place by a scalloped-edged cap of chantilly lace, trimmed with shirred illusion and seed pearls. She carried a white Bible with three white orchids and satin garlands tied with Stephanotis.

She wore a double strand of pearls, a gift of the groom.

The matron of honor wore a strapless gown of white taffeta with a lace jacket featuring long sleeves, and an overskirt of nylon net. Her headdress was made of matching nylon set with satin and

she carried a bouquet of sweetheart roses. The bridesmaids, the flower girl and those who lit the candles wore white strapless gowns of taffeta with nylon net overskirts and lace boleros. Lace peplums were trimmed with seed pearls and rhinestones. The bridesmaids carried bouquets of white carnations and pinocchio roses. Wrist bracelets of pink roses were worn by the candle lighters.

The bride's mother wore a navy crepe dress with matching jacket and navy accessories and the groom's mother chose a navy crepe dress with navy accessories. Both had corsages of red roses and gardenias.

At the reception for about 160 guests Mr. and Mrs. Walter Vannette served as master and mistress of ceremonies. Mr. and Mrs. Lyle Wittmus arranged the gifts and the Misses Sue Haverkamp and Ann Knoll, sister of the groom, served punch. Waitresses were the Misses Barbara Vannette, Shirley Vannette, Delores Weesies, Rosanna Weesies, Phyllis Meyers and Donna Kramer.

The bride, a graduate of Holland Christian High School, is employed at Maihofer, Moore & De Long, Certified Accountants. The groom is a graduate of Holland Christian High School and is employed at Vogelzang's Hardware.

For a wedding trip to Niagara Falls and New York the bride chose a two-piece navy linen dress with navy and white accessories and an orchid corsage.

Pre-nuptial showers were given by Mrs. Calvin Vannette and Mrs. Milan Meyers, Mrs. Lyle Wittmus, Miss Ann Knoll and Mrs. John Van Maastriest.

On Thursday evening a rehearsal lunch was given at the bride's home by the groom's parents. Guests were the bridal party and members of the immediate families.

BIBERY—1933 MODEL

General Mark W. Clark's curi-
ous attempt at a kind of interna-
tional bribery seems to have made
a strong appeal to the imagination
of the world. The general's semi-
fantastic, half-naïve offer of \$100-
000 for any enemy pilot who deliv-
ers the first MIG-15 jet fighter
into American hands has been get-
ting a very liberal press coverage,
and the chances are that it will
receive still more attention.

It is of course an unashamed
attempt at bribery. But there is
no reason why bribery of an en-
emy who is trying to kill our men
should not be considered legiti-
mate. It is certainly more legiti-
mate than the type of bribery
that Russia has been engaged in
for years, paying American traitors
to deliver atom-bomb secrets to
the Kremlin. General Clark of
course intends to use the secrets of
the enemy jet fighter to kill
enemies, if he can, but at least
he is honest about it; he says in
print and over the air just exactly
what we are after; he does not
pretend, as the American traitors
who sold our secrets to Russia did,
and do, that it is for our own
good.

But the prospects of success are
not too bright. At least if Red
China should advertise such an
offer through leaflets and over
the radio to our boys in Korea,
the chances are that we would not
be very much concerned. While
there are traitors in our civilian
population, even traitors who are
not yet in jail, it is hardly likely
that a single one of our airmen at
the front would take the enemy up
on an offer of winning \$100-
000. Flyers of necessity have to
have a high IQ; they are not likely
to be fooled by enemy promises.

But if that is true of our flyers
at the front, isn't it probable that
it is equally true of enemy flyers?
They too of necessity have to have
a high IQ; they too have passed
through a process of intensive
training that has probably made
them sincerely devoted to the
cause they serve. The attempt to
bribe them, while it may conceiv-
ably be successful, does not look
too promising.

But if this attempt at interna-
tional bribery can help us to meet
the threat of the Chinese hordes
in Korea, all best wishes to him
who is trying it. All things are
said to be fair in love and war,
and attacking the enemy with his
own pet weapon would certainly
seem to be legitimate.

A Preacher in Chains

Acts 28:14-31

By Henry Geerlings

A worldly diplomat would prob-
ably credit the apostle Paul with
wisdom, in preparing an easy con-
tact for himself in Rome. When he
wrote his Roman epistle, some time
before his trouble began in Jerusa-
lem, he advised the Roman Chris-
tians to be subject to the higher
powers, telling them that their
rulers stand for the right thing and
are a terror to evil, and even to
minister to them for good.

Faithfulness has the effect of stim-
ulating fairness in others. In the
majority of cases, kindness and
courtesies will be returned even
on the part of those who are not
accustomed to the habit of cour-
tesy. Paul wrote his Roman epistle
under the inspiration of the Holy
Spirit, and spoke more wisely than
he knew on the relation of Chris-
tians to the government.

It had never been the policy of
Jesus to disregard the rights of the
rulers or undertake a revolution in
government. Paul was carrying out
the policy spirit of Christ's ad-
monition when he said to render
unto Caesar the things that are
Caesar's, and unto God the things
that are God's. There is little doubt
that this standard for Christians in
Rome had been brought to the
attention of Roman officials, and
probably Caesar himself.

And we may assume that it had
something to do with the fact that
Paul was allowed to select his do-
mestic, and live and preach and
teach with a single soldier to guard
him in his own hired house. He
would be better protected from lo-
cal Jewish antagonism, conducting
his services thus under the shelter
of a Roman arrest, and this may
be partly the reason why his trial
and he continued in this singular
situation, carrying on his services
for two years.

The trip from Caesarea consumed
four or five months. Paul was
exhausted when he reached Rome.
After refreshing himself in resting
three days, he invited the heads
of the synagogues and other promi-
nent Jews to a conference with
him in his house. If rumors about
him had reached Rome ahead of
him he was anxious to know what
they were. Moreover, he felt he
should make some kind of account-
ing to them for his being a prisoner
in their midst. Such a course
would remove suspicions and give
him the opportunity of adhering to
his custom of presenting Christ
first to those of his own race.

He started out by declaring that
his arrest was not occasioned by
any diminished respect on his part
toward the sacred customs estab-
lished by the revered fathers in
Israel. In fact he did not account
to them for his apprehension at
this point. He contented himself
with saying that in the eyes of
Rome's highest representatives in
Caesarea he was declared to be
innocent.

The reason he was in Rome was
because he had appealed to Caesar
because there was opposition from
the Jews in Jerusalem to his being
granted his freedom. Their vilifica-
tion kept his hands on him. Wron-
gled though he had been he brought
no charge against his brethren
either in Jerusalem or Caesarea,
and he wanted it understood he was
not in Rome to make any charge
against anyone. The real reason he
was in bonds was his acceptance
of Jesus as the Messiah and his
preaching salvation through Him.

No report of the tempest over
the apostle's arrest in the temple
had reached Rome. There surely
was time for it. He had appealed
to Caesar long before he went to
Rome. Did the Jewish leaders feel
he would receive his dues at the
bar of the Emperor? Or were they
glad to get rid of this pestilent
fellow, and decided to drop the
whole matter? For some strange
reason silence was maintained.

But the Jews in Rome had heard
of the Christians and of their fol-
lowing one Jesus whom they claim-
ed to be the Messiah. They had
not heard so much in favor of these
people as they had of the protest
that had been made against their
faith and evangelistic activity. We
are not told they knew anything
about Paul, but they were anxious
to learn from his own lips what
his personal religious views were.
The Jews in Rome were not so
prejudiced as those in Palestine
were. There was not the narrow-
ness there. Rome was the place
where races were fused together
and where the currents of thought
were more varied and generous. It
does not seem then that here Paul
faced a group that was blind with
prejudice. That was something new
for him.

A day had been appointed when
he was to declare his faith. His
audience was present. They were
very patient as he reasoned with
them for a whole day out of Moses
and the prophets, alleging that the
Messiah whom the Lord had prom-
ised had come in the person of
Christ. We may believe that they
fell to disputing among themselves,
creating some lively scenes in
Paul's house. If some accepted
Jesus as the Savior others protest-
ed their disbelief violently. It must
have been some sort of unhappy
disputation like this that led Paul
to denounce the unbelievers in the
sharp words of Isaiah.

The trial of Paul was held two
years after he landed in Rome. He
was not molested during that period.
The government did not interfere
with his receiving visitors and
making converts to his religion.
The Jews themselves apparently
did not molest him. Did they think
that by attacking him they would
advertise him? It is safe to say a
veritable stream of people kept
coming and going, and that to them
all he preached Jesus.

To the Editor:

I regretfully read the public opin-
ion letter pertaining to the Holland
National Guard company in the
April 29 issue of The Sentinel.

Concerning the reference as to
where we belong; we are constant-
ly training and improving our-
selves, all the while subject to 24-
hour call in the event of a local,
state or national emergency, which
is exactly where we belong.

Every good team has reserves.
If every available man was on
active duty, where could we draw
from in an emergency?

The National Guard is the oldest
military organization in the United
States, having first fought in the
American Revolution. In the Civil
War the 126th Infantry Regiment,
of which Holland's Co. D is a mem-
ber, fought under Stonewall Jack-
son in the battles of the first and
second Manassas. During World
War II, Holland's Co. D fought in
Pacific, helping to stem the Japan-
ese tide, during the bleak months
of 1942.

Today we are better trained, bet-
ter equipped, and more ready than
ever before. If Uncle Sam needs
us, he has but to call.

I repeat, we are exactly where
we belong.

Roy D. Strengtholt

565 Lake Dr.

To the Editor:

Having read both public opin-
ions on where the National Guards
belong, I will have to side with
the corporal because as Roy D.
Strengtholt put it: "In case of
local, state or national emergency,
they should be called."

Right now and since June 27,
1950, there has been a national
emergency and not a war as Con-
gress puts it. No draft as I can
see it should be in Korea, only
enlisted men and National Guards.
If your National Guards are so
well trained why do most of them
stay state-side for training so
long?

I believe it would save the tax-
payers a lot of money if the gov-
ernment would put enough
National Guards together and send
them over, in say a period of one
month, instead of just before they
are about to discharge them.

The question arises of where
would we get men in case of an
emergency. Haven't you heard
that men drafted since June 27,
1950 are put in reserves and I be-
lieve most of these men have bet-
ter training with two years active
duty behind them than these fel-
lows who spend a few short hours
a week and two whole weeks in
the summer. There are some of
your National Guards with more
active service than that but not
these fellows under 26.

If I am not mistaken, if a boy
joins the National Guards before
he is 18½ years old he can't be
drafted. If that is true then he
will have to remain in the guards
until he is 26 years old so he
can't be drafted. I am sure that
the Michigan National Guards are
not any better than Pennsylvania,
Minnesota, Oklahoma and Cali-
fornia, who have been on active
duty for sometime, just to mention
a few. Think twice before you join.
Eight years is a long time.

Public Welcomed
To State Park

Add to your sure signs of spring.
Holland State Park Manager
Clare Broad said Tuesday's balmy
weather brought two girls to the
beach in swimming suits and "they
even went in the chilly water."

Broad reports the park is in tip-
top shape for a few minor details
and picnics, etc., are welcome.
Several out-of-towners took advan-
tage of picnic facilities at the park
during the week-end, he said, and
he's expecting a rush next week
during Tulip Time.

Broad has more than 400 picnic
tables, refuse cans, and stoves are
spread out around the area and he
is all ready for the crowds. The
pavilion is open, all except the con-
cessions, he said.

Two trailers are parked on the
oval and Broad expects more next
week.

He explained that the crews are
taking up snow fence from the
beach these days and finishing up
a few other details.

Dutch Cabinet Minister Urges 'Trade, Not Aid'

Holland was host during the weekend to Dr. Jelle Zijlstra, minister of economic affairs for the Netherlands who has definite ideas that "Trade, Not Aid" will help European countries to solve their economic problems better than any other program.

Hope College and President I. J. Lubbers were host to Dr. Zijlstra at a dinner Saturday night in Duff Hall, attended by the faculty and several guests of the city. After the group gathered in the lounge for an informal talk and discussion on Netherlands affairs.

The 34-year-old Dutch cabinet member, who has held several conferences with Commerce Secretary Weeks, Mutual Security Director Stassen and leading American industrialists, firmly believes American tariffs should be relaxed and the entire procedure simplified so that American markets would be open to products from abroad, giving the countries a chance to solve their own problems.

Specifically, Dr. Zijlstra is anxious to promote industry in the Netherlands, and the Netherlands government is promoting a program to attract American industrial expansion there. He said the United States started more industries in the Netherlands last year than in any other European country.

Dr. Zijlstra said the devastating flood in February was not detrimental to Dutch industry. He said three-fourths of the inundated land already has been reclaimed and much of the remainder should be in use by next winter.

The Netherlands industrially is making the most of its ideal location since it is centrally situated in relation to other countries in Europe, offers adequate transportation facilities for all types of industry, plus the fact that the Netherlands traditionally has stable industrial production.

Guests at Saturday's dinner were Mayor Harry Harrington, George Pelgrim, W. A. Butler, Cornelius van der Meulen, William H. Boer, Marvin Lindeman, William C. Wichers, Dr. B. D. Haken, all of Holland, A. B. Van Houweling of Pella, Ia., and John Kunst, Dutch student at Calvin College.

Dr. Zijlstra also visited Calvin College in Grand Rapids as the guest of President William Spoelhof. On Sunday he attended Central Avenue Christian Reformed Church in Holland and had dinner at the Wichers home. Other guests were Mr. and Mrs. John Beukema of Muskegon.

The service is also being extended to include rural students, Kaechele said. Two dental hygienists will be employed this year.

West Olive Will Build New School

West Olive school district residents have decided to build a new school to replace the one destroyed by fire in January.

Almost 50 voters attended a meeting Monday night at the Connell School to decide what should be done about the West Olive school situation. The new school proposal was adopted by a good majority over three other alternate proposals — transporting district children to the city, consolidating with Robert school district or purchasing Connell school and moving it to West Olive.

A three-man committee was named to carry out the new school plans. Frank Garbrecht is chairman. Other committee members are Abel Berkompas and Bruce Berkompas, a member of the school board.

Although details are not yet worked out, the district does plan to build a new one-classroom school to accommodate the 29 children in the district. Construction will be such that other classrooms can easily be added. A new site will be purchased as the old site does not meet state specifications. The township also will have to vote on a bond issue to finance the project.

With approval of voters at the Monday meeting, the three-man committee now will go ahead with plans to locate a new site, obtain architects' plans and work out other necessary details.

Holland Christian Net Squad Beats Defending Champs

Holland Christian's net squad posted its sixth straight victory of the season without defeat Friday afternoon by whipping Wyoming Park, 4-1 on the losers' courts. Wyoming is the defending state champion in class C.

The Hollanders swept the three doubles matches and dropped one of the two singles matches, with only five events scheduled. Christian took the win with surprising ease, winning the four points in straight sets. Wyoming, however, was weakened somewhat since Coach Carl Engels removed a couple of players from the squad in a disciplinary move.

Feature match of the afternoon came in the No. 1 singles engagement between Dave Schreuer of Christian and Denny Telder, two-time state class C singles champion. Although Schreuer went down to defeat in three sets, he played his finest tennis of the season, and gave the Wyoming ace his toughest high school competition in several seasons, according to Engels. Schreuer was superb in winning the first set, 6-4, and almost turned the tide again in the second set, before losing 6-4. In the final set, Telder broke a 3-3 deadlock to go on to win, 6-3. In the No. 2 singles, Holland's Paul Dykema had no trouble as he disposed of veteran Larry Hanline, 6-1, 6-1.

Christian's No. 1 doubles squad, composed of Rich Sharda and Norm Lokker, turned in another fine performance as they blanked Ken Ten Brink and Bill Bradford of the Vikes, 6-0, 6-0. Playing No. 2 doubles, Ken Volkema and Jim Teerman almost equaled the feat as they walloped Bill Karsten and Bob Lemnick, 6-1, 6-0. In the third doubles event, Christian's freshman-sophomore combination of Warren Boer and Warren Nykamp, stopped Jay Groendyke and R. Gort, 6-3, 6-3.

Zeeland Loses League Contest

ZEELAND (Special)—A combination of weak hitting and sloppy play afield in the clutches cost Zeeland High School's baseball team another game Thursday afternoon at Zeeland.

This time the winner was Fremont and score was 5-0. It was a costly defeat because it marked the first Ken-New-Wa league game of the season for the Chix, who now have a season record of one win and three setbacks against all opponents.

Zeeland was able to get just one safe hit off the slants of Fremont pitcher Kolk. For the home team it was no runs, one hit and four errors. The Packers had five runs, six hits and one error.

Winning pitcher was Kolk and the loser was Del Komejan. Fremont scored three runs in the fifth inning after two were out, on two singles and the same number of errors. Again in the seventh, the Packers scored two more when two were out. This time two singles and a walk did the trick.

Howard and Schimteman each had two hits for Fremont while Jason Redder singled for Zeeland's lone hit.

Mrs. Wayer Addresses Hope Women's League

The Holland chapter of the Hope College Women's league held its spring meeting Monday evening at North Holland Church. This chapter comprises the women's organizations of the Reformed Churches of Holland, Zeeland and the surrounding areas.

Mrs. James Wayer gave a message on the founding of Hope College and stressed the fruitage of the years through its 3,905 graduates. She emphasized the importance of the college to the community and to the world.

Reports were given on the activities of the league in the various churches. The social hour was in charge of the women of the North Holland church.

South Haven Falls To Holland High's Net Team Power

South Haven became the sixth victim of Holland High's tennis squad Friday afternoon as the Hollanders smothered the Rams at South Haven, 6-1. In an earlier meeting at Holland, the locals blanked the same aggregation 8-0.

Coach Joe Moran did a little experimenting against the South Haven club by using a lineup which didn't include a senior. Instead he used four players who hadn't played in regular competition this season and left some of the more seasoned boys at home. He also moved Paul Mack up from No. 2 to No. 1 to replace Henry Visscher, the regular No. 1 man, who didn't make the trip. The Holland mentor reported that most of the youngsters performed well in their first taste of regular competition, with all of the newcomers registering victories.

The rain halted two of the matches before they could be completed, but the locals were leading in both affairs to give the Hollanders their six points.

Holland's only defeat came in the No. 1 singles event where Mack bowed to South Haven's Rufus Roberts, 8-6, 6-2. Moran reported that Mack was hot in top form, while Roberts was having a particularly "hot" day. In the No. 2 singles match, Dwayne Teusink came through with a win over Wayne Fritz, 6-2, 6-3. Phil Boersma, who normally plays doubles, took a crack at the No. 3 singles Friday and came through with an easy 6-2, 6-1 decision over Norton Steuben. Dave Bosch, in the No. 4 slot, had no trouble as he blanked Larry Niffenegger, 6-0, 6-0.

The Grissen boys, Delwyn and Duane, played Holland's No. 1 doubles and defeated Art Niffenegger and Dave Griffin, 6-1, 6-3. Bob Saunders and Tom Sanger, playing their first match, came through with a first set victory over Irwin Urban and Bill Burrows, 6-2, but were trailing 4-5 in the second when the rains came.

Also playing in regular competition for the first time this season, Nick Havings and Paul Beukema defeated Tom Lily and Chuck Burrows in the No. 3 event, 6-0 and were leading 4-2 before the match was halted.

Power Out 12 Minutes

GRAND HAVEN (Special)—About two-thirds of the residents of Grand Haven, West Spring Lake and Ferrysburg were without lights for nearly 15 minutes Thursday night when lightning struck an insulator on a steel tower crossing Grand River near the swing bridge, knocking out a 7,200-volt power circuit. The north and east sections of Grand Haven city were blacked out. Light was restored within 12 minutes. There was no other damage.

Rocky Marcelano has his usual good-natured smile for the camera as he poses with 24 veterans from Percy Jones Hospital Tuesday afternoon. The picture was taken at Holland Furnace Co. Pavilion just before the champ stepped into the ring to provide the vets with a first-class display of

prowess. The mascot in the picture seems to be a baseball as well as a boxing fan. Another group of 50 from Percy Jones will watch Rocky spar next Thursday. The Ottawa Red Cross has been bringing the vets to the training camp, and has also been providing them with suppers. (Sentinel photo)

Marciano, Noble Blast Each Other; Weill Wants Usual Rules May 15

From the minute the buzzer sounded at the Holland Furnace Co. Pavilion Thursday afternoon, Rocky Marciano and Bill Noble started slugging toe to toe. Noble often tried to push Rocky away, but the champ was an almost invulnerable object.

The impression most onlookers got, however, was that Rocky would have done well to give ground, since Billy landed often and hard. But right after stepping out of the ring Noble gave testimony that the impression was wrong.

He said, in between heavy breaths, "Boy, Rocky set a fast pace. He didn't give me a chance to loosen up, so my punches were late by seconds. I was too tight. He forced me to throw leather all the way. I was running out of gas. Until today, I could keep him at a distance once in a while. Boy, he's strong. He didn't give me a chance to loosen."

After seeing Marciano's performance against Noble, Chick Wergeles, Sammy Gihiani's manager, had this to say: "For six rounds it will be a close fight May 15, but from the seventh on Walcott will be a tired old man. Rocky's tremendous baring in tactics, his non-stop aggressiveness, will gradually wear Joe down. After the sixth, Rocky will finish him off as soon as he lands one good shot."

Wergeles also had some remarks to make about Gihiani's loss to Davey Wednesday night: "The officiating was lousy. Sammy was about to knock him out a couple times, but the referee always prevented him with stupid warnings about using the thumb. Did you see him stop the fight to permit Davey to get his shoelace tied? Incredible!"

Wergeles continued, "My boy was such a gentleman he didn't want to hit Davey hard in the eyes when they started to close. He knows he's a college boy and has to read a lot of books. Besides, Davey told him to have pity and

not hit him in the eyes. Davey's southpaw style confused Sammy. I want my boy to fight Gihiani next. I'm going to start negotiations soon. The fight will probably take place in Cincinnati. I guess Davey is the champion of Stamford, Conn. now." (Both Gihiani and Chico Vejar, a previous Davey victim, come from Stamford.)

Although Al Weill owns 50 percent of Gihiani, Marciano's former stablemate, he could only talk of Rocky and May 15. He said, "I hope the Illinois Boxing Commission will not be influenced by the Carter-Collins fiasco last Friday night. I want the conventional championship rules to prevail in Chicago May 15—that is, the waiving of the automatic eight-count on knockdowns and the automatic technical knockout after a fighter goes down three times in one round."

Weill continued, "Of course, if Walcott wants to be can stay down for 10 or even longer—I wouldn't object. I also want six-ounce gloves—the same weight we used in the last fight."

Walcott leaves his Pleasantville, N. J., camp this afternoon to fly to Chicago and complete his training at the Midwest Gymnasium. Rocky will leave for Chicago May 13. Roland La Starza of the Bronx, who may be Rocky's next opponent if he beats Walcott, will fly from New York to visit the champ Tuesday.

Billy Noble's father, Bill Sr., came from his home at Grand Island, Neb., to see his son in action yesterday. Bill Sr. was a welterweight fighter in his youth, but he weighs more than his son now. Marciano's father was, as usual, at the entrance to the pavilion taking tickets.

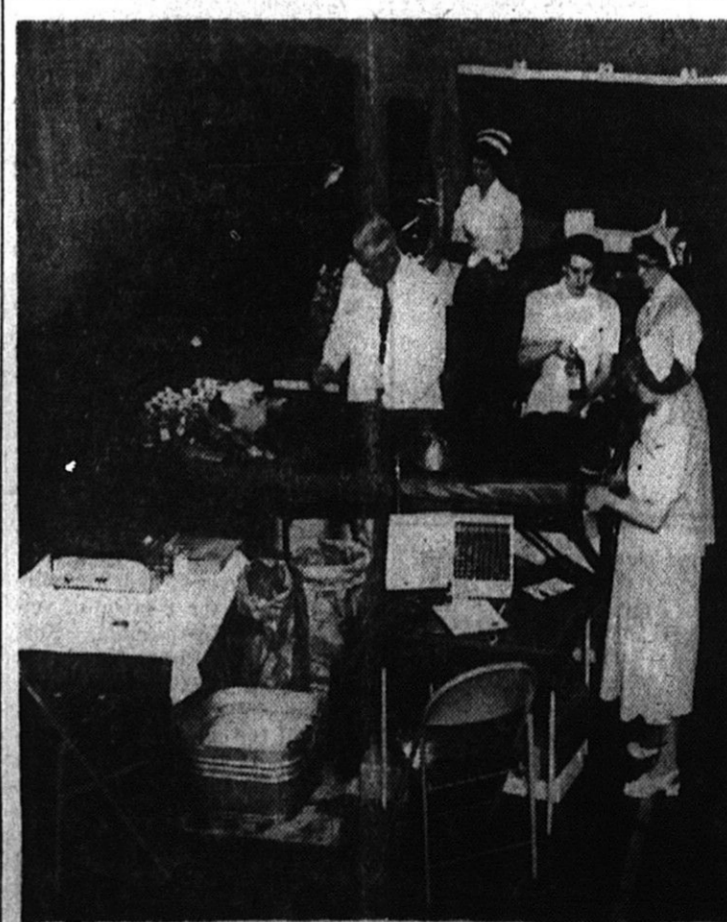

Noble fights the semi-final May 15. His opponent is Walcott's chief sparring partner, veteran Oakland Billy Smith. Noble said, "If I beat Smith, I'm sure to get a ranking among the first 10 heavyweights. It will be my most important victory."

Women Guard Their Husbands Against Cancer

Statistics released by the American Cancer Society here today indicated the necessity for women taking the lead in guarding their husbands against cancer.

Mrs. J. D. Jencks, commander of the Ottawa County unit of the American Cancer Society said the most frequent sites of cancer in men were the ones most neglected.

"Various studies have shown," she said, "that women are more alert about health matters than men. Housewives in a way, are guardians of the family's health and they have to look after Dad along with the children."

"They can do this by urging their husbands to have regular check-ups with the family physician. Doctors report that half the men who come to them for examinations say they are doing so at insistence of their wives."

The annual crusade of the American Cancer Society, now underway, is a combined fund-raising and educational drive and will lend emphasis to the need for regular physical examinations as a safeguard against cancer.

Mrs. Jencks said, "Recent statistics show that four times as many men as women are dying of lung cancer. Twice as many die of cancer of the stomach, the intestines and rectum. Cancer of the larynx takes the lives of nine men to every one woman."

"I think it is up to the women to see that their husbands pay more attention to the early symptoms that could warn them in time for successful treatment. For instance, in cancer of the stomach, only one out of 20 cases are now being cured. But if detected early as many as 12 out of 20 stomach cancers could be cured."

"Wives can influence these figures by insisting that husbands check up on persistent indigestion, a symptom that might mean cancer."

"Then there is cancer of the lung, another big man killer, which has increased three-fold over the past 20 years. This one has to be watched closely, too. When husbands attempt to pass off lightly a symptom such as a persistent cough, it is up to the wife to insist he see a doctor."

Mrs. Jencks concluded, "Wives may have to use their ingenuity to get their husbands to have regular physical examinations. They can take the lead by learning the seven danger signals so clearly pointed out in the leaflet delivered to every home during the past week. They can arrange to have regular check-ups themselves and then persuade their husbands to make it a joint occasion."

Holland Netters Top Grand Haven For Fifth Victory

Holland High rang up another tennis victory at Grand Haven Thursday afternoon by downing the Bucs 6-1, for their fifth win of the season. It was the first meeting of the season between the two clubs.

Coach Joe Moran reported that the Bucs have an improved aggregation over last season and gave a good account of themselves, even though the Dutchmen won the match with comparative ease. Several of Coach Gene Roth's club are newcomers and promise brighter things for Grand Haven tennis fans in the future.

The locals captured three out of four singles matches and swept the doubles events to notch their six points. The only singles the Dutch lost was in the No. 3 match. Moran said he felt that all of his boys turned in good performances against the Bucs.

Henry Vischer continued his domination over opponents in the No. 1 slot as he outwitted Budge Sherwood, 6-4, 6-3. Paul Mack, in the No. 2 post also came through with another win to stop Bob Otley, 6-3, 7-5. Doug Port registered the only Grand Haven win as he stopped Dwayne Teusink, 6-4, 6-3. Dave Bosch came through with Holland's final singles win as he stopped Dave Ziel, 6-1, 7-5.

In the No. 1 doubles, Norm Scheerhorn and Phil Boersma whipped Bob Brinkert and Duane Miles, 6-4, 6-1. Holland's No. 2 doubles team, composed of Duane and Delwyn Grissen had little difficulty in defeating Bill Byl and Jim Vander Molen, 6-3, 6-1.

In the third doubles match, Duane Carlson and Dave Bos beat Jim Ledinsky and Don McBrant, 7-5, 6-1. In an extra, non-counting singles match, Jim Vande Wege of Holland defeated Ted Parker, 6-3, 6-1.

Tom Maring Hurls His Finest Game Of Young Season

Holland Christian's baseball club turned in its finest game of the season Thursday afternoon at Riverview Park as the Maroons edged the Grand Haven Buccaneers, 3-2 in a fast moving encounter. It was Christian's second win against three setbacks so far this year.

Tom Maring, the Maroons' No. 1 pitcher, had one of his good days against the Bucs and kept out of trouble most of the afternoon. He walked just three batters and kept seven hits well scattered. Meanwhile, his teammates rose to the occasion in the tightest spots to pull him out what little difficulty he did run into. The Maroons pulled off two double plays, but committed three errors, two charged to Maring.

Two Buc fingers, Fisher and Van Tol, shared the Grand Haven mound chores. Fisher started, but was relieved in the sixth inning. Grand Haven started scoring in the first inning when a triple by Bob Klukos, and a double by catcher McPhee produced one marker. A Dutch error also figured in the scoring.

Christian came right back in its half of the first, tallying a lone marker without the aid of a hit. A walk, a stolen base and an infield error did the damage for the Bucs.

Coach John Ham's club took a one run lead in the fourth frame on a single by Bob Venema, an infield out and another one base knock by catcher Earl Rotman. Klukos gnotted the count for the visitors in their half of the fifth as he blasted a home run over the centerfielder's head. Actually the Christian centerfielder misjudged the long fly, allowing it to sail over his head to bring in Klukos with the tying marker.

The Hollanders pushed their winning run across in the sixth inning. After loading the bases on two hits and a walk, Pete Steggerda lined out to left. While the left fielder was attempting to double a Christian runner at second, Vance Bouman, who was on third, romped home with the winning run.

Rotman led the Dutch attack with two hits out of the five garnered by the locals. Klukos led the Bucs with a homer, a triple and a single.

Opening Expected For Tulip Time; Tourist Attraction

Collection Includes Antique Pieces Dating Back to 15th Century

The Baker Museum for Furniture Research is being moved to Holland from Grand Rapids and is expected to be ready for guests by Tulip Time, marking a new and important addition to Holland's many tourist attractions.

Originally founded in Grand Rapids in 1911, the museum has received national recognition as one of the outstanding collections of its kind in the country. Based upon material collected by Hollis S. Baker, president of Baker Furniture, Inc., the museum houses hundreds of beautiful pieces of antique furniture, dating from the 15th century through the 19th, supplemented by a collection of unusual drawings, carving and modeling details, plaster casts and rare antique tools used by craftsmen two centuries ago.

The new museum is located on Sixth St. adjacent to the Baker chair plant on Columbia Ave. and Sixth St. Present plans call for the museum to be open to the public from 10 a.m. to 4:30 p.m. daily except Sunday, and during Tulip Time from 9 a.m. to 10 p.m. A moderate admission fee will be charged.

Explaining the move from the Exhibitors building in Grand Rapids, Baker explained: "It seems logical to have our museum located in the city where our craftsmen live and work. Fundamentally, the museum recognizes the age-old background of fine craftsmanship which has been our constant inspiration for better design and quality."

Although there are two fine paneled rooms, one of oak dating from the 17th century and the other a lovely pine paneled room from an English 18th century mansion, there has been no attempt to establish "room arrangements" in the Baker museum. Instead, the displays are arranged in such a manner as to render easy the study and comparison which is necessary to appreciate the individual interest of each unit.

A few pieces of special interest are a delicate satinwood writing table used by a cousin of Elizabeth Barrett Browning; the sedan chair used by a member of the English aristocracy during the middle of the 18th century; an exercising chair in 18th century mahogany on which there is a bellows where the victim (or patient) bounces up and down; a library table of late Regency character, the top of which lifts and raises a contrivance inside so that a tall step ladder emerges to permit reaching books on the top shelves of a library in the great English country houses; an Early American turkey breast corner cabinet in pine which was shown on the Eastern Shore in Maryland, and a carved walnut chest from Southern France together with many other unique French Provincial pieces.

The museum will include a considerably larger collection than was possible in its Grand Rapids location and many items will be displayed publicly for the first time in this country.

One gallery houses a unique display of fine chairs displayed in tiers along the walls of the room. Many of these chairs were personally selected by Baker on his trips to England and the European continent. Most models are original antiques while a few are special copies commissioned abroad when the antiques were unavailable for purchase.

The antique entrance door to the museum is an outstanding feature. It comes from an old house in Chicopee, Mass., built in 1754. It is an interesting example of Early American classic architecture.

Holland Man Collects Oldtime Autos; Has 30

Henry Poll is the foremost collector of antique cars in Holland and probably the county, if not in the state. Poll, co-owner of Holland Transplanter Co., has 30 vintage vehicles in a shed adjoining his home at 353 East Sixth St.

Outside the shed is a 1912 steam traction engine — a monstrous-looking contraption that could easily be mistaken for a 17th century locomotive. Farmers used this pile of iron until the early 1920's for threshing and ploughing. Poll bought it in order to use it as a model for a miniature he is making.

Poll, a tool and dye maker by trade, is an expert mechanic, machinist, engineer, etc. Most of the antique cars he has purchased were junk heaps. Within a short time, however, he meticulously restores them to tip-top running order — they look better than new. Poll buys authentic parts, which also come from junk yards.

Poll's oldest antique is a 1902 Nash Rambler, equipped with a tiller steering. His newest is the most wanted antique car in America, according to the Antique Automobile Club of America. It is a 1933 eight cylinder Packard Sports Phantom, worth \$5,000 new. This canary-yellow convertible, featuring a windshield for the back seat, did not require much restoring.

The most distinguished antique in Poll's collection is a Rolls Royce convertible that was custom built in 1931 for John Barrymore. It cost the actor \$18,500, has 40 coats of black lacquer on a solid aluminum body and features a solid mahogany dash board.

In addition to junk yards, Poll visits old farms to acquire his antiques. His technique is to stop at a gas station and ask the attendant if he knows of any old cars in the vicinity. If he's in luck, the attendant will direct him to a venerable farmer with, say, a 1904 Sears-Roebuck Buggy.

The farmer bought it from a catalog, having been attracted by the \$325 price, the slogan "Lowest in Original Cost — Lowest in Upkeep" and the 10-day trial period. (Since there were no assembly line methods until Ford came on the scene with the Model-T, most cars were rather expensive.)

Poll bought his first antique auto two years ago, a 1924 Stanley Steamer. He has no idea when he will buy his last, since collector's fever is raging within him unabated. And he has infected his wife, Jennie, and son, Clyde, a senior at Holland High.

The entire family goes along on the buying junkies — junkies that have taken them to the far corners of 12 states. Each trip lasts about five days, and if they're successful they come back with two antique cars loaded on a truck and trailer.

A car designed especially for the ladies is one of the stellar attractions in the Poll collection. It is a shiny, spotless 1915 Rauch and Lane electric which is run by batteries, so there is no crank to turn; no rumbles, rattles, or terrifying explosions; no gasoline fumes, oil or grease. The fashionable lady can descend from the electric as neat, trim, and well-pressed as she stepped in. However, she would have to recharge the batteries every 40 miles and couldn't exceed 25 mph.

Poll is a member of the Antique Automobile club of Grand Rapids and of America, and has a well-stocked library of books and magazines dealing with antique cars. He and his family will be off to Wisconsin and Virginia in a couple weeks looking for quarry.

Humbert Will Help Wenzel Manage Flying Dutchmen

Lou Humbert will help Lorin Wenzel guide the destinies of the Holland Flying Dutchmen baseball team this season.

Wenzel, regular manager, will be unable to attend practices and night games for about one week out of every month because of second-shift work on a war contract at a local factory. So he has named Humbert as his assistant and acting manager when Wenzel can't make it.

Humbert is a veteran in the Dutchmen ranks and will pitch when he isn't managing the team. He also may split some of the other men in infield and outfield posts.

The Dutchmen have been working out as weather would permit for the last two weeks and have another drill scheduled this evening beginning at 6 p.m. at River-view Park.

Wenzel invites anyone interested in playing baseball to come on out and try for the team. He emphasized, "All positions are wide open."

The Dutchmen will be bolstered considerably this season by the return of hard-hitting Frank Wol-darczyk and Ron Fortney along with George Czerkies. All are now out of the Army and ready to go.

Another veteran who will be around this summer and available for play will be Elmer Van Wieren, the old "fence-buster" who played with Hope College and the Dutchmen a couple of seasons ago.

On the mound it will be Clare Van Liere and Carl Reimink and any others who try out. Among the collegians who will report when schools close are Roger Eggers of Western Michigan and Preston "Butts" Kool of Calvin college.

Tony Wentzel, Morris Witteveen and Ed Settel will be around along with several others. Manager Wenzel reports that about 18 men have been attending drills and he's looking for more.

Tentative plans call for the Dutchmen to open their season Memorial Day.
