Supt. Walter W. Scott reported that last week's strike of unskilled laborers and hod carriers resulted in about four days loss of work at the new high school. He said the strike was settled on agreement to pay an extra 10 cents an hour.

The Building and Grounds committee presented progress reports on high school construction. As of Monday, structural steel erection is essentially completed except for some items on the auditorium. Structural wood is completed on all buildings except the library which will be finished this week. Interior partitions are essentially completed in the field house and about 90 per cent complete in the library. Installation of steel roof decks on the two classroom units is almost completed.

Poured concrete floors are 60 per cent completed in unit "E" second story. Bulb-tee installations of tectum roof deck are scheduled for completion this week, weather permitting. Mechanical and electrical services including numerous air ducts are in satisfactory progress on the job site. Art building foundations are continuing and will be completed within two days. In general, progress is according to schedule at the present time, the report indicated.

The board approved a building and grounds committee action on awarding the job of removing a house located at 160 West 10th St. to Peter Rosendaal of 377 East Fifth St., who had offered to pay \$50. The other six bids would have cost the school district \$20 to \$475.

The board also approved the committee's recommendation on a letter of intent to the Kirkhof Electric Co. in the amount of \$21,965 for electrical wiring in the art building at the new high school.

Also approved was a contract with Johnson and Roy of Ann Arbor for site development of the central campus area at the new high school at a cost of \$3,500. This does not include site drainage, lawn sprinklers and outdoor illumination.

The committee also recommended that the salary scale for custodians remain the same as the present year with increments provided to custodians qualifying. This recommendation was approved by the board.

Supt. Scott also announced plans for the annual school election to be held Monday, June 12, from 7 a.m. to 8 p.m. in the library of E. E. Fell Junior High School. Previously the election had been held in the school corridor, but for the April election the school was designated as a regular polling place and the library was used.

There will be two openings on the school board for four-year terms. Last day for registering for the school election will be Friday, May 12, at 8 p.m. with the city clerk. Nominating petitions must be filed with the secretary of the school board or at the Board of Education office, on or before 5 p.m. May 12, that date being 30 days prior to the date of election.

Also to be voted on at the June 12 election will be an Ottawa County proposal to provide a half mill to encourage the education of handicapped children. All qualified voters in the county may vote on this issue.

Board Secretary James Hallan reported a notice from the Ottawa County treasurer that \$19,871 in state aid would be forthcoming. This represents 70 per cent of the total for the current school year. A communication was read from the county school superintendent calling attention to a meeting of the county board Monday, June 5, at which time a county board

member will be elected to a six-year term. Board President Harry Frissel appointed Jack Plewes to represent the Holland board at the meeting.

A report also was read of the AAUW survey on aging in Holland listing 12 recommendations, the last one referring to board consideration of senior citizens in planning new buildings, etc. The report was referred to the schools committee.

The board also adopted a resolution asking for the same millage differential as previously in the case of a small portion of the former Apple Ave. district lying in Allegan county. This resolution will be presented at the Ottawa County Tax Allocations commission.

Bills approved for the month totaled \$137,312.59 of which \$105,000 went for teachers' salaries.

All members were present with the exception of Wendell Miles. Jack Plewes gave the invocation and President Frissel presided. The meeting adjourned at 9 p.m.

Negro Author Predicts Demonstrations May 31

Major demonstrations of Negroes in both the United States and South Africa are set to be staged simultaneously on May 31, a leading Negro journalist and supporter of racial integration told a gathering of Hope College students Wednesday.

Louis E. Lomax, former assistant professor of philosophy at Georgia State University and a writer for Harper's, Life, The Nation, The Chicago American and several other well-known publications, addressed the Hope International Relations Club and others of the student body in Phelps Hall lounge Monday afternoon.

He related his findings on African affairs, gathered on a trip to Africa in the summer of 1960, in which Lomax visited many of the troubled countries on the continent, came in contact with many of the problems and tensions, and talked with top leaders of African nations.

For Lomax, the trip culminated in a book, "The Reluctant African," which was judged the "Best non-fiction of 1960" by the Saturday Review of Literature. Lomax flew from Holland to New York after the lecture, to receive the award today.

The demonstrations planned for May 31 in the United States will be peaceful, Lomax said, aimed at expressing the sympathy of the U. S. Negroes for the colored people in South Africa. They will center in Washington, D. C. and New York, home of the United Nations.

Specific aims are to exert pressure in America for action on the recent U. N. resolution, calling for action on the part of individual nations to secure the abandonment of South Africa's strict policies of "apartheid," or forced segregation.

United States officials will be urged to impose an economic boycott against South Africa, and a demand will be made for the recall of the United States ambassador to South Africa, the lecturer said.

He said attention will be focused on U. S. investments in South Africa, which are depending on the two.

Henry I. Hungerink, 60, of route 3, Zeeland, driver of one of the cars involved in the crash, and Terry Lee Antonides, 21, of Allendale, driver of the second auto, were taken to St. Mary's Hospital in Grand Rapids for treatment of injuries.

DANCERS NEAR END OF DRILLS—Holland High's famed klompen dancers, practicing on 10th St., in the post office block this week, have only two afternoon practice sessions left before dress rehearsal next Monday night. Each afternoon finds several small groups of youngsters watching and imitating the Dutch

dancers, and, like the small girl (left center) standing next to the parking meter, probably dreaming about the day they will don wooden shoes and Dutch costumes and take part in the klompen dance. Nearly 300 Holland High School girls are participating in the klompen dance this year. (Sentinel photo)

Festival Plans Moving Ahead

Everything seems to be in fine shape for Holland's Tulip Time festival next week.

Early tulips are already in bloom and the regular tulips, the mainstay of tulip lane and special plantings, are showing color with the promise of being at peak beauty a week hence. Tulip Time opens next Wednesday with the usual street scrubbing ceremony and parade.

The Tulip Time board and chairmen of various special events shared progress reports at a meeting Tuesday afternoon in Civic Center.

Harold J. Karsten reported everything ready for the band review and Tulip Time Varieties, two of Saturday's biggest events. Fifteen visiting bands will compete in the band review.

Several outstanding events are lined up for the Varieties including the Ray-Vens, a girls' drill team of Pontiac; the Anchored Women's Barbershop Chorus of Muskegon; Eric and Bill Wendlandt, the Two Maestros of Grand Rapids, and their sister, Nancy, a top twirler, and John and Jorie Armstrong, acrobats.

There also will be klompen dancing with 100 dancers in socks on the main floor and a group with wooden shoes on the stage. The Holland High School Band will participate in the finale.

New portable bleachers, which

the city recently purchased, will be placed in Centennial Park for the first two parades. An admission fee will be charged. On Saturday, the bleachers will be placed in Riverview Park for the band review.

The Holland High band will not be in Thursday's parade because of heavy participation in other festival events. The Christian High Band will lead the parade and the elementary band will be at the end of the parade.

Additional rooms in private homes may be needed for Friday and Saturday nights, and persons who can have Tulip Time guests are asked to list their rooms with the housing bureau in Civic Center.

The Sentinel will run a map and festival information next week for the convenience of visitors. Maps and programs also will be available from festival headquarters in Civic Center.

Attending Tuesday's meeting were Manager Dwight D. Ferris, President Nelson Bosman, Mrs. F. W. Stanton, W. A. Butler, Donald Thomas, William H. Vande Water, Henry Maentz, Jacob De Graaf, George Lumsden, Harold Karsten, John McClaskey, Paul Van Valkenburgh, Dr. Bert Bos, Robert Slum, Dr. Robert Cavanaugh, Harvey Buter, Mrs. Kenneth Kleis, Donald Rohick, Chester Walz and Lt. HOLLAND NET STARS—Jack Damson (center) and Rog Plagenhoef (right), both of Holland, here confer with Michigan State tennis coach Stan Drobac (left) prior to an MSU tennis match. Senior Plagenhoef is playing No. 3 singles for the Spartans while sophomore Damson is No. 4 singles. The Holland High graduates are playing together as the No. 2 MSU doubles team and have both posted impressive singles and doubles records.

Damson and Plagenhoef Star on MSU Net Team

EAST LANSING—Michigan State tennis coach Stan Drobac rates his Holland doubles team of senior Rog Plagenhoef and sophomore Jack Damson, as one of the Spartans' better bets in the Big Ten championships this year.

The Big Ten net championships will be played May 19-20 at East Lansing and Friday and today the Holland duo battled some stiff Big Ten competition in a five-school meet in Evanston, Ill.

The two-day meet is the first league competition for the Spartans since they defeated Ohio State, 9-0 on April 15. On Wednesday, Michigan States hosted Western Michigan and recorded a 9-0 win. Damson and Plagenhoef each scored singles victories against Western and topped a doubles victory. In MSU's first 11 matches this season, Damson has posted a fine 10-1 record, the best on the team.

Plagenhoef's 9-2 mark is second only to Damson. In doubles, Plagenhoef and Damson team to form the No. 2 combine. They lost only once in their first 10 matches.

Damson, a 1959 Holland High graduate, is one of Drobac's top newcomers. He started the season at No. 6 singles but now is playing the No. 4 spot.

Plagenhoef, a 1957 Holland High graduate, is the only two-year letter winner on the squad. He plays the No. 3 singles spot.

At Holland High where both boys played under Coach Joe Moran, Damson played on the 1957, 1958 and 1959 regional championship teams while Plagenhoef was on the 1955, 1956 and 1957 regional title teams.

Damson, 19, majors in psychology at Michigan State and Plagenhoef, 21, is a biological science major. Both were honored on the dean's list.

AT LAST SPRING

With spring here many millions of people are taking to the roads and the great out of doors.

Many are working on their yards. Some are either going fishing or are just back from a fishing trip. Many people wonder about fishermen. We mean the kind that number into the millions with their new fishing licenses or one or more each year and salivating forth with the crowds that are, what we call, real died-in-the-wool fishermen.

Many people wonder. But we fishermen sometimes do catch fish. At other times we run into all kinds of problems. This is all part of the fishing. Only fishermen would understand.

Oh yes we like to catch them. There is also the urge to go fishing. There is also the fun we have out in the open. There are a few people known as meat fishermen. But there is also the real fisherman who gets real fun from all the preparation and the many kinds of tackle he collects to try and lure the very smart fish to his lure.

There are also the natives that we hear many people talk about. They are the people who live in the areas where the fish are found. They, in most cases, seem to know where the fish stay and the right kind of tackle needed to catch them.

In this area we have commercial fishermen. There are not many of them left. The sea lamprey has had a lot to do with the killing off of the lake trout and the white fish.

Some people are of the opinion that science has at last found a way through chemicals that will kill the eggs of the lamprey and then with planting we should be again.

Perch fishing in the Great Lakes can also be fun and sometimes the catch is very satisfactory. We mean the size. Fishing, we think, is one of the finest sports. We hope that you do too. Try it sometime, then you will be able to spend some time talking with those who are fishermen.

Students Enter Designs in Show

Landscape drawings for the development of the newly-acquired acreage for Smallenburg Park, will be a featured display at the Holland Garden Club Tulip Time Flower Show to be held May 17-20 at the Woman's Literary Club.

Large color panels showing a creative landscape design for the 12-acre property will be entered for competition by the landscape architecture students of the University of Michigan under Profs. Walter Chambers and William Johnson.

These two professors offered this planning project of their students as an educational entry for the flower show in appreciation of the interest in landscape design generated by the Holland Garden Club.

A silver cup to be called the Elsie Cook award will be given to the winning landscape design for the extension to Smallenburg Park. It was largely through the efforts of Mrs. Cook that the Michigan Garden Clubs have successfully completed a landscape design study course series at the U of M. Two landscape architects from Grand Rapids will judge the drawing plans. They are Frederick See, Superintendent of Park and his assistant, William Pries.

Discipline in the Home
Proverbs 14:14; 19:1; 13:24;
Proverbs 20:11; 22:6; 29:17;
Ephesians 6:1-4
By C. P. Dame

The word "discipline" is not very popular today. It should become much more prominent in American life. There are many unhappy homes in the land and one of the reasons is that in some of these there is no discipline. This lesson is a timely one.

1. There ought to be many more teaching fathers. Voices are heard today telling us that too many fathers are not discharging their duties in the home. The father has received his office from the hand of God which makes him responsible to God. In our lesson a father speaks telling that his father taught him and said to him, "Let thine heart retain my words: keep my commandments and live."

There are a goodly number of modern fathers who were taught by their fathers but who do not teach their children. One of the latest excuses made by parents today is that they have no time but many seem to have time for many trivial pleasures. How do parents teach? At least in two ways—one by precept, the other by example. There are times when a precept has to be followed by punishment. For a long time all manner of punishment was frowned upon but lately there is a return to the biblical attitude that children need to be corrected.

The Bible teaches that our children are born with a sinful nature. We hear much about frustration and insecurity and tensions but little about sin, salvation, conversion and discipline. "He that spareth his rod hateth his son; but he that loveth him chasteneth him betimes." The word hate "means to make some one of secondary importance, and to love one is to make him primary."

The parent who loves his child will discipline him lovingly. There are various ways of administering discipline. What works in one instance may not work in another. Today it is common to take away privileges from children. The example of parents is important. The Bible says, "Train up a child in the way he should go" and some one has added "and go that way yourself." Parents who use liquor are inconsistent when they tell their children not to touch it. Cheating in school is dishonest, so is cheating in making out the income tax reports falsely. Parents who want their children to be workers in the church must themselves be workers. Often the ideals of conscientious parents become the ideals of their children. Parents who desire their children to be generous, kind, consecrated, must show these virtues in their own lives.

II. Teaching in the home yields dividends. "A wise son maketh a glad father; but a foolish son is the heaviness of his mother," so says the Bible. Usually a wise son has enjoyed the teaching of a wise father. The foolish son who has a closed mind often is a neglected son or is the son of an indulgent parent. Some modern parents unfit their sons and daughters for life by making life too easy for them.

Fathers have told me that they did not want their children to struggle as they had to and therefore they gave them much. Sometimes in doing this they stunted the personalities of their children. Have you noted what kind of sons and daughters attain places of authority and influence in life? They are not the coddled children of shortsighted parents.

What about the words, "when he is old, he will not depart from it?" The few that do are noticed, the many who stick to the right way are often overlooked. In some instances parents were inconsistent—piety was not followed by performance. It is not unusual for those who stray to return to the good way. Sometimes parents, especially fathers forget the words, "And ye fathers, provoke not your children to wrath: but bring them up in the nurture and admonition of the Lord" and sometimes the church failed by showing no love or grace or kindness. What great happiness there can be in a home where all love and obey the Lord.

Engineers Okay Pier At Bay Haven

DETROIT — A permit authorizing construction of a pier in Lake Macatawa near Holland was issued Friday by the U. S. Army Corps of Engineers in Detroit to Robert Linn of the Bay Haven Marina.

J. L. Avesian, technical liaison officer for the U. S. Army Corps of Engineers in Detroit, said letters have been sent to nine property owners in the Holland area who objected to the pier. He also said a letter explaining the terms of the approval has been sent to Linn.

The decision to whether a permit will be issued must rest primarily upon the effect of the proposed work on navigation, Avesian said. He reported that the Corps of Engineers can't effect the location of structures except that permits may be denied if it appears that they will be so located as to unreasonably obstruct navigation.

He pointed out that the Detroit district engineers and the chief of engineers gave full consideration to the facts and it was determined that the proposed work would not be an unreasonable obstruction to navigation and a permit authorizing the pier construction was issued.

Avesian said the engineers reported the pier will not exceed the lakeward extension of the existing Bay Haven Marina piers and that all boatwells will be on the south side of the pier and may be used without the use of the water offshore from the Michigan Department of Conservation launch ramp.

Avesian pointed out that both adjacent owners, one being the Conservation Department, made no objection to the proposed pier. He said most of the property owners had opposed the move and pointed to pollution as one of the reasons.

Donald Moon Bound Over In Slaying

ALLEGAN — Donald Jay Moon, 19-year-old farm hand who has admitted the brutal slaying of 15-year-old Geraldine Williams of rural South Haven last Jan. 11, was in his cell in Allegan County jail today awaiting arraignment in Circuit Court on a murder charge May 15.

The sallow-faced semi-literate farm worker waived examination in Municipal Court Saturday noon with a simple comment to Municipal Judge Dwight L. Cheever saying "I'll waive all that stuff."

He is staying in the same cell which Dr. Kenneth L. Small, Detroit dentist, occupied for several weeks in 1954 awaiting trial on the murder of Jules Lack whom Small shot in a summer home on Lake Michigan south of Douglas. Small was acquitted by reason of insanity.

Moon, who had been working on a farm near Bangor, appeared phlegmatic and dull during the brief arraignment. He was clean shaven and was wearing standard coveralls given all jail inmates. He was not represented by counsel.

The warrant was a simple document accusing him of killing Geraldine Williams on or about Jan. 11 in the county of Allegan.

Moon admitted the murder to state police after 48 hours of intensive questioning. Then he calmly told state police he had watched Geraldine for several mornings as she waited for a school bus. He said the girl resisted his attempts to lure her into his car and that he dragged her in bodily after striking her twice with a tire iron.

He then told how he drove the unconscious girl to an abandoned farmhouse in Allegan County, raped her and bludgeoned her to death with a rock.

Moon's confession came some 48 hours after he was arrested for another morals charge involving deviate relations with another youth.

South tallied three times in the third inning but only touched Holland's pitcher Don Klaasen for one hit in the process. Three errors, two walks and a wild pitch accounted for all of the runs.

In the seventh frame, the Sailors pushed two more markers across on two singles and an infield out.

Grand Rapids only managed four hits off Klaasen who went all the way but six Maroon errors kept him in trouble much of the game. Dozema gave up three walks and hit two batters.

Saugatuck School Vote Set June 12

SAUGATUCK — Saugatuck Public School district will hold its annual school election Monday, June 12, to elect three members to the Board of Education, two trustees for four-year terms and one for a one-year term. The latter will fill the unexpired term of former member James H. McCormick.

Present incumbents of the two regular terms are Carl Walter and Edwin J. Nieuwsma. Walter has been a member since 1948 and Dr. Nieuwsma is completing his first term.

Inasmuch as the district recently became a registration district, the procedure for filing petitions is changed somewhat over the previous arrangements. Candidates must obtain signatures of at least 50 registered school electors of the district and present such petitions to Board Secretary Elizabeth S. Martin of Saugatuck before 4 p.m. May 13.

Petitions are available from Mrs. Martin or from Supt. Burton R. Aldrich. Any registered voter may sign petitions, but may not legally sign petitions for more than three different candidates in this year's election.

No special issues will appear on the June 12 ballot. Although any registered school elector may sign petitions for candidates for the Board of Education, only "tax electors" may qualify as members for the school board. A tax elector is a registered voter who owns property assessed for taxes within the Saugatuck school district or whose spouse owns such property jointly.

Residents of the district are reminded that they must be registered with either Saugatuck Township Clerk Charles H. Gilman or Laketown Township Clerk Donald Blaauw.

Students in all the fine arts departments of Holland High School displayed their talents Thursday evening in the first Fine Arts Festival which attracted more than 300 parents and friends to the Holland Civic Center.

Works of the numerous art students of Mrs. Jean Visscher were displayed on the Civic Center stage and in the auditorium. Creative artists were busy in the Civic Center lobby with students of the art department serving as models.

The program presented on the main floor highlighted selections by the A Cappella Choir under the direction of Larrie Clark; a one-act comedy "Sunday Costs Five Pesos" presented by Steve Penna, Mary Ellen Mrok, Judi Thomas, Linda Vinu and Sandee Munson under the direction of Vern Stillwell with Dave Kuite as student director and selections by the High School Band and orchestra under the direction of Arthur C. Hills.

Expressive modern dance forms featured the field of modern dance directed by Mrs. Barbara Ambell and Miss Maxine Mac Innis, physical education instructors. Women Win 19 of the 20 Posts in HHS Election

It was a woman's world in Holland High School Thursday as girls won three of the four major political posts and all 16 aldermanic posts.

For the third time in the history of the school, a girl will serve as mayor. Barbara Kouw, daughter of Mr. and Mrs. Robert J. Kouw, bested her three male opponents, James Dykstra, Louis Schaap and Richard Ryzena.

Miss Kouw will be the first woman mayor in almost 30 years. Back in 1932 Marian Te Roller was elected to the top post. First woman mayor ever to serve the school was Adelia Beeuwkes back in 1927.

New treasurer is Linda Yukin who won over Sue Thompson and the new clerk is Jeanne Frissel, winning over Carol Lound and Nancy Denig.

Thursday's vote climaxed a week of busy campaigning, a week which saw the corridors of the high school turned into colorful canyons of posters and rignal gimmicks.

Aldermen

Man Given 20-24 Months In Check Case

GRAND HAVEN — Marvin C. Henry, Jr., 28, Grand Haven, who pleaded guilty April 12 to issuing a check with no account, was sentenced to serve 20 to 24 months at Southern Michigan Prison in Jackson when he appeared for disposition Monday in Circuit Court. No recommendation was given.

Henry allegedly had cashed 11 no-account checks in Grand Haven totaling \$395. Henry also was charged on another check count. Sentence covered both charges.

Walter Smith, 44, Muskegon, who pleaded guilty April 18 to carrying a concealed weapon, was given 18 months' probation plus \$100 fine and \$100 costs. On an appeal for driving with no operator's license, he was sentenced to serve four days in jail, receiving credit for four days already served after his arrest. He previously had been sentenced to pay \$15 fine, \$4.00 costs and serve 10 days in jail. On the weapons charge, he was arrested by state police Oct. 27, 1960, on US-31 near Taft Rd. in connection with a car accident.

Walter Stille, Jr., 18, route 1, West Olive, who pleaded guilty April 24 to unlawfully driving away an automobile, was put on probation for two years. Conditions are that he pay \$100 costs, observe an 11:30 p.m. curfew and refrain from drinking. The charge dates back to Christmas night. Stille was one of five involved in the offense.

Wallace Martin, Jr., 19, Grand Haven, who pleaded guilty April 25 to nighttime breaking and entering, was put on probation two years. He must spend 30 days in jail, pay \$100 costs and make restitution of articles taken in a tavern break-in. It was emphasized that any speeding ticket or traffic violation would be considered a violation of the probation.

Douglas Aaron Greenman, 17, Vernon Wilson Plants, 18, and Henry Stedman, 17, all of Grand Rapids, pleaded guilty to charges of daytime breaking and entering involving taking tools and equipment from Standard Sand Co., south of Grand Haven. They will return for sentence June 12.

Robert G. Landwer, 32, Muskegon, pleaded not guilty to a larceny by conversion charge and his bond was continued. Date for trial was not set. The case dates back to May 4, 1960, involving \$1,627.92 on a chattel mortgage.

Jerry Lee Woodwyk, 17, Grand Haven, pleaded guilty to a charge of grand larceny involving \$140 from a cash drawer in Presley's Drug Store April 11, and will return for sentence June 12.

Appeal Board Okays Request

The Board of Appeals held three public hearings Monday night, approving one project and denying two others.

Approved was the application of Resthaven Patrons, Inc., for building an addition on the west side of the existing building at 49 East 32nd St. Plans for the addition had varied somewhat from the original plans approved back in 1954.

Hearings on petitions of Roger Busscher to place a house trailer at 474 West 32nd St. and Arthur Ten Harnsel to build an attached breezeway and garage at 70 West 29th St. ended in denials for both petitions. The latter involved a three-foot sideyard.

On a request to reconsider placing a professional building on the northeast corner of 22nd St. and Michigan Ave., the board amended its original order in denying the initial application to include the reason for denial.

Reason listed was the belief that the proposed building did not conform in size and general appearance to the type of dwellings in the neighborhood. The original application had come from Mrs. Slikkers, Jr., and Leon Kleis.

Two hearings were scheduled for May 22. One will be on an application of Harold Vande Bunte for a shopping center behind the service station at the junction of Woodbridge and Paw Paw Dr. The other will be on an application of Carol Meussen to extend and enclose a front porch at 249 West 14th St.

An opinion from the city attorney was read regarding action on variances in appeal cases. Hereafter in granting or denying variances, the reason for the action will be included in the motion based on four conditions as listed in the opinion. These cover such items as ordinance restrictions, conformity and the like.

Marsiljes Returning From South America

Mr. and Mrs. T. H. Marsilje are returning this week from South America where they have been participating in the spring activities of the Midwest Chapter of the American Society of Travel Agents.

The Marsiljes spent most of the time in Peru where they visited the ruins of the Inca and Chimu civilizations. They also inspected industries and home crafts of Peru. Many side trips were taken by narrow gauge railroad and local airlines. The altitude often made oxygen necessary.

Transportation to Lima was by jet aircraft and took little more than 12 hours from Grand Rapids. The return trip is by way of Grace Line freighter through the Panama Canal and takes about 12 days.

Spoelman-Harsevoort Rites Read

Mr. and Mrs. Eugene Spoelman (Pohler photo)

Harlem Reformed Church was the scene of a double ring wedding ceremony on April 28 when Miss Marie Joyce Harsevoort, daughter of Mrs. Edward J. Harsevoort of route 4 and the late Mr. Harsevoort, and Eugene Spoelman, son of Mr. and Mrs. Cornelius J. Spoelman, route 1, Hudsonville, were united in marriage.

The Rev. Arend Roskamp read the rites performed in a setting of white snapdragons, white and yellow chrysanthemums and candles.

Attending the couple were Miss Antoinette Harsevoort, sister of the bride, as maid of honor and Mrs. John Vander Kooi and Miss Adeline Harsevoort, the bride's sisters as bridesmaids; Lea Van Bronkhurst, cousin of the groom, flower girl; Dennis Lee Vander Kooi, nephew of the bride, as ring bearer; William Strong, best man; Gerald Harsevoort, brother of the bride, and Gary Smeyers, cousin of the groom, ushers.

A gown of nylon schiffli was worn by the bride who was given in marriage by her brother, Alvin Harsevoort. The embroidered bodice featured long tapering sleeves, a scalloped collar and front panel. The back was accented with tiers of tulle. A crown lace hat with sequins and pearls released a fingertip veil. She carried a nosegay of yellow and white carnations with yellow roses encircled by lily of the valley and rose buds on the streamers.

Mrs. Harsevoort wore a green dress with a yellow rose corsage for her daughter's wedding and Mrs. Spoelman selected a navy blue dress and had a red rose corsage.

"O Promise Me" and "I Love You Truly" was sung by Mrs. Donald Bloemers. Mrs. Bud Ten Brink was organist.

The bride's attendants wore identical gowns of mint green nylon with schiffli embroidery featuring round necklines and inserted cummerbunds with bows in the back. They wore clip hats with circular veils and carried white lace parasols decorated with yellow and white carnations.

The flower girl, carrying a basket with yellow petals, wore a gown with lace bodice and puff sleeves and a full net skirt over taffeta.

Mrs. Ernest Overkamp and Mrs. William Overkamp, cousins of the bride, were head waitresses at the reception for 100 guests held in the church parlors. Other waitresses were the Misses Donna Heerspink, Eunice Bloemers, Esther Assink, Sheryl Baumann, Yvonne Bakker and Judith Barnes. Mr. and Mrs. Stanley Harsevoort were master and mistress of ceremonies and Mr. and Mrs. Junior Van Rhee served punch. Gift room attendants were Mr. and Mrs. Delvin Wabeke and in charge of the guest book was Miss Gertrude Jean Kookier.

Following a honeymoon to Mammoth Caves, Ky., for which the bride changed to a lavender suit with white accessories, the newlyweds will make their home at 215 Alpine Ave., Zeeland.

The bride, a graduate of Holland High School, is employed as a bookkeeper at Holland Furnace Co. The groom was graduated from Hudsonville High School and is employed at Mead Johnson in Zeeland.

Hope Church Guild Holds Mother-Daughter Banquet

More than 225 Hope Church mothers and daughters were entertained at a banquet in the church parish hall on Monday evening when the Guild for Christian Service met. Mrs. Gerald Rocks, president, welcomed the group and Mrs. William Hillemonds asked the blessing.

Mrs. Guy Duey, program chairman, prepared a play called "Through Our Portrait Album" for presentation during the evening. Mother and daughter narrators for the play were Mrs. Robert Vanderham and Miss Debra Vanderham. They introduced Mrs. William Forberg as "The Gleaner," Miss Debby Klomprens as "The Seller of Purple," Mrs. Clarence Hopkins as "A Godly Mother," Miss Joan TenCate as "A First Lady," Miss Janet Connell as "Angel of Mercy," Miss Barbara Duey as "College President," Mrs. Robert Connell as "A Christian Helpmate," Miss Pamela White as Mope's "Girl Graduate," and Mrs. James Dwyer as "Missionary Doctor." These characters, spotlighted in a gold picture frame, illustrated nine women from Bible times through history who would inspire women with their service to others.

Two singing groups opened and closed the "Album." Miss Sandra De Koning's choir included Marilyn Barber, Virginia Burton, Eileen Cavanaugh, Ann Cochran, Ann Deridder, Merry Hakken, Francis Hayne, Andrea Klomprens, Melissa Klomprens, Gay Mazurek, Barbara Rackes and Pamela Richardson.

Mrs. Roy Klomprens directed the Junior High group including Mary Pat Boersma, Suzy Brooks, Margo Hakken, Julie Haworth, Lynda Howard, Debbie Klomprens, Jeani Thomas, Diane Vanderham, Gail Van Raalte and Leslie Den Herder.

The devotional tribute to Motherhood was prepared by Mrs. Albert Timmer Sr. and her daughters, Mrs. Albert Timmer Jr., and Mrs. William Appledorn.

The meal was prepared by Mrs. Charles Drew's committee from Circle Seven headed by Mrs. L. W. Lamb. Sr. Mrs. Paul Winchester's decorating committee of Carrie Ten, headed by Mrs. Clystra Hunt, set posted shaded maypoles and centerpieces for each table. Miniature maypoles served as place cards for each guest. The two

circles cooperated in serving the dinner.

The Hope Church Guild will have its next meeting on June 21 when the regular business will be resumed.

Webbert Case Is Dismissed

GRAND HAVEN — The jury trial of Rex Webbert, 22, of 248 West 13th St., Holland, on a charge of nighttime breaking and entering, scheduled for Wednesday, has been cancelled.

Prosecutor James W. Bussard said late Monday, "I have gone over the entire case with sheriff's officers including the testimony at the preliminary examination. In view of different stories told by main witnesses and of all circumstances surrounding the case, it appears that the jury would be justified in finding a reasonable doubt as to the defendant's guilt. "Investigating officers themselves have a doubt as to whether the proof they have available would establish guilt. Under these circumstances, it does not appear that justice requires this case to be pursued and a motion is made to dismiss."

Webbert had been charged in connection with a break-in at the Harlem branch office of the Holland Co-op on US-31 at Van Buren St. in Port Sheldon Township Dec. 20. William Pate, 25, Holland, presently serving six months as part of a three-year probation period, had implicated Webbert.

Those invited were Mr. and Mrs. Boone, Miss McClellan and Mr. and Mrs. David Boone, Miss Kathryn Winstrom and Albert Winstrom. Before the party a family dinner was held in the Eden House.

Allegan Fair Directors Plan Racing Card, Improvements

ALLEGAN — Directors of the Allegan County Fair approved a new six-day harness racing schedule, voted to spend a minimum of \$5,000 for repairs and improvements and discussed several other changes for the 109th annual exposition, Sept. 10-16, at their annual spring meeting.

Guests of the board included mayors, village presidents, newspaper and radio editors, school superintendents and band leaders at the dinner meeting last week at Ot-Well-Egan country club.

Virtually all of the communities represented indicated they would again be represented at the 10th annual Mayors and Village Presidents' Day parade and in the county-wide Harvest Queen competition.

Wider community participation in the fair's second annual "talent quest" program was urged by William Rob, Grand Rapids, who will again be in charge of the amateur talent division.

Mike Wilcox, of Allegan, who directed the fair's new hobby division last year, urged the board to consider ways of providing more space for hobby exhibits.

The board voted to open Friday morning's stone-boat team pulling competition to all comers. Previous contests have been limited to Allegan county teams. Wednesday's tractor pulling event, which has been losing appeal, will be cancelled in favor of a pony team pulling event.

The six-day harness racing season will open Monday afternoon

with \$2,000 in purses added for pacing and trotting colts, according to Assistant Speed Secretary John Campbell.

Guests at the annual spring meeting included Jerry and Robert Reed, owners of the Happyland Midway, who described their plans for expanding the midway area to the east, straightening and widening streets in the carnival section and the addition of four new rides for this year's line-up. New rides will include two huge European imports, the Himalaya, from France, and the Rottor, from Germany, as well as a new Flying Coaster and a Carousel.

Improvements being considered this season include additional black-topping of walkways, adding to the aluminum hub rail on the race track, new dormitory facilities for 4-H and FFA youngsters who stay on the grounds during fair week, revamping of the east side parking area with a new traffic entrance to the infield area.

Additional toilet facilities are being considered for the grounds and infield area. Directors also are weighing the possibility of the covered stage, planting of new trees and shrubbery and improved, permanent lighting for the farm implement area, along the fences and fronts of the industrial and agricultural halls.

Vice-President Weldon Rumery said a new insurance appraisal put replacement cost of the fair's present buildings at more than \$334,000, with a depreciated insurance value of \$224,376.

Jim Stephens Is Returned To Michigan

ALLEGAN — James Scott Stephens, 16, of 2026 Ottagan Ave., was returned here Sunday from Kadoka, S.D. for questioning in connection with the deaths of two girls in the Macatawa Hills April 29.

Attorney Gordon Cunningham, who talked with the youth for 1 1/2 hours said, "He told me essentially the same story as we understand he told in South Dakota. He repeated that what took place was accidental."

"The boy was very cooperative and frank and straight forward in his discussion. To me was apparently very shook up inside and nervous."

Stephens saw his mother, Mrs. Kenneth Kerbs, with Cunningham and then spent some time alone with him.

Ready Delivery Of Phone Books

Michigan Bell Telephone Company will begin delivery of its 1961 Holland-Zeeland telephone directory Saturday. Holland manager Carl J. Marcus said today.

"Some 23,400 copies of this annual 'best seller' will be distributed here and in the surrounding area," Marcus said. "This is an increase of 200 over last year."

"In the new directories," Marcus said, "local telephone users will find some numbers which show the new look in telephone listings — called All-Number Calling."

"These listings, as explained on the back covers, have dropped their prefix letters, and such telephones will be known by seven numbers, and not by two letters and five numerals," he added.

When the new directory is delivered, Marcus said the old one will be picked up.

Marcus added that the local directory also contains separate listings for Borculo and Hamilton.
