## EXHAUSTED NERVES

Are Restored and Revitalized, and the Body Filled with New Life and Vigor, by Using

**DR. A. W. CHASE'S NERVE AND BLOOD PILLS.**

If nervous exhaustion were better understood, the numbers of insane and epileptic persons would be greatly reduced, and there would be less paralysis and nervous prostration.

Business and professional men would not be overcome by brain fog, nervous dyspepsia and headache; teachers and students would not be exhausted by their work, and women would not be pale, weak and nervous, and suffer the miseries caused by derangements of their peculiarly feminine organism.

To get at the cause of these troubles you must nourish and restore the wasted nerve cells. Dr. A. W. Chase's Nerve and Blood Pills are the greatest restoratives known to modern science. They are not purgative, nor have they the weakening effect of a purgative, but restore by building up the system.

Dr. A. W. Chase's Nerve and Blood Pills are prepared from the favorite prescription of Dr. A. W. Chase, the famous author of Dr. Chase's Recipe Book, and have proven the greatest cure of the age for diseases arising from thin, watery blood and exhausted nerves.

A few weeks' regular treatment with this popular remedy will completely restore pale, weak, nervous men, women and children to robust health. By increasing the corpuscles in the blood, and creating new nerve force, they fill the body with new life and vigor, and banish disease from the system. There is no guess work about the results of Dr. Chase's Nerve and Blood Pills. You can rely absolutely on their restorative and curative properties. Fifty cents at all dealers, or by mail on receipt of price, by Dr. A. W. Chase Medicine Co., Buffalo, N. Y. On every box of the genuine will be found portrait and fac-simile signature of Dr. A. W. Chase.

FRIDAY, May 18.

#### Gubernatorial Talk.

Col. A. T. Bliss continues to keep a clear conscience and to steer clear of all factions, and his candidacy for governor is growing brighter and more popular with the masses each day. The Republican hopes and believes the gallant soldier boy will win out.—Harbor Springs Republican.

It is being argued by men who are supporting Messrs. Ferry and Stearns for governor that Col. Bliss cannot be nominated because he has not money enough. They admit he is entitled to the nomination and that he would make a most efficient chief executive, but they seek to measure his strength by the money he is willing to squander to buy delegates. That is just why Col. Bliss is growing in public favor every day. People are becoming tired of having Stearns' and Ferry's hirelings go strutting about the country flashing rolls of money that would do credit to a millionaire. There are men in this county working for Ferry who have not earned a dollar, aside from some political graft they may have had, for months. They are at work "putting up delegations," as they seek to term it, in various townships of this county. They will find the republicans of Allegan county can not be as easily purchased as they imagine.—Allegan Chronicle.

Col. Bliss, of Saginaw, has announced himself as a candidate for the nomination for governor at the next Republican convention. Three years ago he made a strong showing for the nomination, but when it went to Pinckney he loyally supported the ticket and gave valued help during the campaign. He is therefore the logical candidate for the next term. We do not believe there has been anyone yet named for the office who will call out the enthusiastic support of the party more completely than will Col. Bliss.—Hartford Day Spring.

The candidacy of Col. A. T. Bliss for the Republican nomination for

governor is steadily growing. He has warm friends in every locality in the state who recognize his claims to support as a reward for staunch party loyalty so many years, and they will line up on his side when the time for action arrives.—Twining Record.

We note that Colonel Bliss is a candidate for governor. Northern Michigan Republicans will, no doubt, knowing his fitness for the gubernatorial chair, stand by him solidly this time and see to it that the gallant colonel is nominated and elected as he deserves to be.—Harbor Springs Republican.

### Lake and Marine.

A new deck has been added to the steamer City of Chicago, plying to St. Joseph. This will give the vessel an increased carrying capacity. Her present limit is 2,000 excursionists.

It has been suggested to the navy department to construct a most novel vessel for naval reserve purposes on the great lakes. The vessel proposed is a gunboat of not more than 500 tons with a minimum draught for that displacement. It would be mounted with every type of rapid fire and other guns of the navy, so that at the end of a season's cruising the crew would be well versed in gun fire. The treaty of 1817, which prohibits the presence of more than one armed vessel on the lakes, would be overcome by taking out for drill purposes only two or three guns at a time. This would merely entail the transfer of guns from shore to ship.

The ocean going tramp steamship is nomadic. It is the gypsy of the ocean. It goes here and there and everywhere, and may indeed never return to the port from whence it started. Its home is really for documentary purposes only. But unlike the human nomad it has a fixed purpose in life. It was designed to make money and it makes it where it sees it. It may take coal from Newcastle and spices from Egypt. It will discharge a cargo wherever it is bidden and pick one up wherever it can, says the Marine Review. While for convenience it usually flies the Union Jack, it is catholic in its obligations and will work for any nation. Its business is to carry freight and it will cheerfully run errands for any one who has the wherewithal. Every merchant marine must have its tramps. They are essential to the development of trade. Two of them are now being constructed at the yards of the Maryland Steel Co.—Detroit Free Press.

Work on the new life saving station for Cleveland harbor has been commenced and that structure will be pushed to completion. It is expected that the building will be finished by the first of June, and from the progress that is being made it looks as if the hopes were soon to be realized. According to the plans, this is to be the largest and the most complete structure of its kind on the lakes.

Capt. Kynaston, keeper of the Milwaukee lighthouse for thirty-three years, died May 10. He was 82 years old.

### OUR NEIGHBORS.

#### Ottawa County.

The dog warden of Crookery township has assessed one hundred dogs and has killed three up to date. He carries his Winchester along with him while making his rounds and whenever he strikes a farmer who refuses to pay the necessary tax, the dog is killed.

A street fakir raked in a harvest of dollars in Grand Haven Saturday night, selling a cureall which he called rattlefakel oil. The seller was very frank at the close of his harangue and told the crowd that he had humbugged them because the city clerk had compelled him to pay a license. Then the young bloods determined to have some fun with him, and he was chased to the depot and well spattered with eggs. Just as the train came in the crowd surged around the medicine man and several of them made efforts to slug him. Marshal Van der Noot caught John Wilthoff and Nightwatchman Welch grabbed Alex Bruno, just as that young man was going after the fakir. The train pulled out, the fakir was safe and the two Grand Haven young men were taken to jail. They remained with Sheriff Van By over Sunday and Monday morning were brought before Justice Pagelson charged with disturbing the peace. They pleaded guilty and paid fines of \$6 apiece.

Albert Otto, an old time German resident of Grand Haven and Spring Lake, died Saturday at Sault Ste. Marie, at the age of 74. Mr. Otto was a tailor by occupation and conducted tailor shops in Grand Haven and Spring Lake for years. He leaves a large family of children. The remains arrived in Spring Lake Tuesday and the funeral was held at 1:30 o'clock from the Spring Lake M. E. church.

The two story frame saw mill of A. J. Myers in Allendale, at the Bridge street ferry, was partially destroyed by fire Sunday afternoon. The mill and its machinery was valued at \$3,000. The mill was engaged in sawing timber for the Allendale Lumber Co. and will be rebuilt at once. The lumber in the mill yard had a narrow escape from destruction.

#### Allegan County.

Ten young ladies and three young men compose the graduating class of the Allegan high school this year. The commencement exercises will be

held in the Baptist church, probably Thursday evening, June 14. The class has asked Rev. Wilfred Lindsay to deliver the baccalaureate sermon, which will be given the Sunday proceeding commencement.

A brief but active electric storm passed over Fennville Saturday morning, traveling in a north easterly direction, and during its passage William Rose a resident of Clyde township, while calling upon his father at his home about four miles east of Fennville was struck by lightning and instantly killed.

At the last meeting of the executive committee of the Allegan County Sunday school association it was decided to hold the annual county convention the 15th and 16th of October, in Allegan. On this occasion the attendance is promised of Dr. Ray of Detroit, assistant secretary of the State Sunday school association of Michigan. To better perfect and maintain township organizations, the county was divided into seven groups of townships, in which groups quarterly meetings will be held. The officers of the county committee are as follows: President, Rev. Griffith, Allegan; vice-president, Rev. W. N. Bridenstine, Hawkhead; secretary, Edward Hutchins, Fennville; treasurer, Grant Goodrich, Allegan. The executive committee is composed of the following members: G. L. Hicks, Allegan; Mrs. W. V. Hoyt, Wayland; L. A. Spencer, Kibbles; Rev. E. W. Miller, Douglas and H. L. Bliss, Plainwell.

### Filmore.

The farmers are preparing the land for their sugar beets with more care and better judgement than last year. Some have already started to sow the seed.

Geo. De Witt is the first to plant his corn this year. He planted Monday. George seems to be in a hurry to help the cut-worms out in their mission.

If that horse of Mulder & Breuker is 20 hands high, I would like to ask the correspondent from Graafschap if he is aware of the fact that it takes 4 in. to make a band and 12 in. to make a foot? And if that horse of 20 hands is 8 inches taller than the one of Bovee, I will give him all the "Oom Pauls" that he can smoke between 6 p. m. and supper time.

Mrs. G. Boeve, Sr., is yet in the land of the living, although she has been very low. Last Tuesday evening all the children were called to her bedside as she was not expected to live until morning. Dr. F. Ledebor from Holland was called to consult with Dr. Beuker of Graafschap, the attending physician. The doctors said there is yet a fighting chance for the old lady.

Mr. Botson, the old gentleman who lost his wife some four weeks ago, has moved from the old homestead to his son Walter.

Mr. and Mrs. J. P. Naber visited Mr. and Mrs. Wm. Mulder last Saturday. Mr. Mulder has been sick and in a despondent condition for a long time. We would like to have William pick up courage and show himself again. We miss him very much.

Last Saturday morning our little village was grieved to hear the sad news from Holland that Henry Briak was killed by lightning in his room. We cannot explain in words what a shock it was to hear that such a good young man was taken out of our midst. His parents have the sympathy of the whole community, as Henry was loved and admired by all who knew him.

### Graafschap.

The peach trees are in blossom, the cherry trees are arrayed in their summer finery, the stately poplars are putting forth their green leaves, thus reminding us that summer is here.

The Plana harvesting machine is fast forging to the front and is the leading farm implement in the market. H. Menken, is the agent in this locality and he reports good sales.

One of the grandest school exhibitions ever witnessed in this section will be given in Filmore school district No. 2 on the evening of May 25. Some of the most talented people from Graafschap and vicinity will take part and an excellent program has been prepared.

The wedding bells will soon be chiming in Graafschap for two of our most popular young people.

The exhibition held in the Lake-town school last week Thursday was a very successful entertainment and was attended by a large audience.

Mr. Tymes is seriously ill. His condition is critical.

H. Bauslaer is on the sick list. He is suffering with stomach trouble.

The three-year old child of Dr. B. Beuker is very ill with lung fever.

Bert Tinholt, agent for the Deering Harvesting machine, is building a new residence on his farm.

Farmers are preparing the land for sugar beets. They are also planting a great many pickles.

The new organist we had last Sunday is a good one.

Rev. A. Keizer delivered Wednesday evening of last week his third lecture over the Transvaal war, for his young people, describing the battle of Elandslaagte.

H. Holkeboer, of Holland, publisher of "De Wachter" was last week Thursday at Rev. Keizer's home, editor of said paper, concerning journalistic business.

Rev. and Mrs. Keizer said good-bye by telephone last week Thursday to Miss M. Cook at Grand Haven, who was for six months the guest of her brother, Mr. John Cook at that place, and who went back to the old country Thursday. Miss Cook was a school mate of Mrs. Keizer at Culeburg, Netherlands.

Mrs. E. Boeve, sr., is very ill, but the doctors in attendance hope for her recovery.

### West Olive.

MAY 16, 1900.

Plenty of rain last week, and then the warm weather is making the oats look better. That cold spell must be put off until next winter.

Frank Bluns tore down the Hinkson house, last week and moved it to Port Sheldon and built it up again.

Frank knows how to take advantage of those heavy rainstorms, while he is at work on his farm down there.

Indications point to a large fruit crop at present, by leaving out Old Jack Frost. The trees around here are just full of blossoms in pink and white. They look like paradise.

The Democrats admit the fact that we are having prosperity; but they give several reasons as the result. The war in the Philippines, and the rush of men to the Alaska gold fields, they claim gives work to the unemployed. The correspondent wants to know if the increasing emigration from foreign countries, cuts any figure? It certainly does, because a majority of them work in our factories and new mills are being built for other men that are out of work, while some plants reduce working hours, and increase the wages, when they were not demanded. Then others strike because they are not served the same way, even if their work is easier. Vote for McKinley and let good times continue.

Olive township is a noted township. The oldest inhabitant was aged 109; the father of 80 children resides here; the parents of two soldiers in the Philippines, a missionary to India lives here and also the mother of the girl for whom Rollinger murdered his wife in order to marry her. Besides this we border on the Robinson marsh, Lake Michigan, we own the Pigeon River and that resort Port Sheldon and lastly this is the banner rye town probably in this state. So hurrah for Olive.

Wm. Smith, of Ventura, made us a good visit Saturday and then made a trip to Grand Haven.

Chas. Garbrecht who has been here on a visit with his parents returned to Grand Rapids Saturday.

The way that Wm. Marble had his house papered and painted inside is a good Roman style.

Miss Jozette Gokey and her mother arrived here Sunday on the excursion to make us a visit. Miss Gokey was formerly our storekeeper. Her mother, who is blind, is Wm. Hinkson's sister. Jas. and R. D. Bacon are her sons. They reside in Grand Rapids.

Mrs. Stuart, a former resident of this place, arrived Sunday on a visit with her parents, Mr. and Mrs. Pat. Sankey, and her brothers and sisters.

Miss Mary Garbrecht came from Grand Rapids on the Sunday excursion to make her parents, Mr. and Mrs. C. Garbrecht a visit.

Mr. and Mrs. H. Verhoeks made A. Boyer, Sr. an their visit Sunday, but they took "young Abe" back to Grand Haven. Now what's next.

Sam Mountford and wife, of Holland, drove down here Sunday, and made G. W. Marble a visit.

Dr. L. N. Tuttle, of Holland, and his daughter made Mr. and Mrs. John Leland a visit Sunday.

Some people want to know the correspondent's name. It is W. J. Babcock the farmer, artist, musician and writer. They say self-praise don't go far, but this is true, and no mistake.

"Doc" Norton drove back here from his business in Lansing. He looks well and we welcome him.

Theo. Schilling bought the 5 acre peach orchard of Mrs. H. M. Gokey, back of her store building for \$75.

If Bryan can't "McKinley a fire because it is so Dewey" he will without doubt have to suffer a severe defeat at the next election. If the people think that silver will be free under Bryan they will be mistaken. Vote for McKinley and subscribe for the News.

"I have the honor to acknowledge the receipt of your resolution of May 8, 1900, as follows: Resolved, That the secretary of the treasury be, and he is hereby authorized and directed to furnish the house, for its information, the monthly duplicates of pages one and two of form two hundred and sixteen of the internal revenue department for the fiscal year ending June 30, 1899, also for the month of December, 1899, as returned by the various manufacturers of oleomargarine throughout the United States for the above periods.

"The original forms in which this information is submitted to this office are not only very large in bulk but voluminous in number, and cannot very well be transmitted; besides, they are a part of the records of the internal revenue bureau, and should not, therefore, leave the custody of the treasury department.

"The data submitted disclose the kinds of material used, the amount of each ingredient and the per cent, that each bears to the total amount of oleomargarine produced in the country, for the periods named, and, it is believed, furnishes all the information intended to be called for in the resolution.

"Very respectfully, G. W. Wilson, Commissioner."

### Pere Marquette Boat Line to Milwaukee.

The new Pere Marquette boat line from Ottawa Beach to Milwaukee began operations last Monday. The first boat in port was the Pere Marquette No. 3. She made the first trip in place of the No. 4, which was undergoing repairs at the time and was not put on the line until Wednesday. The Petoskey arrived Tuesday morning and with the Number 4 will remain in service during the season. Both steamers are ranked with the finest on the lake and are handsomely equipped to take care of the passenger and freight traffic.

Captain Joseph Dorrity is in command of the Petoskey and Capt. Joseph Russell has charge of the No. 4. Both captains are veteran seamen and their records in marine circles are A. 1.

Passenger solicitor Cleveland, representing the Milwaukee end of the line, was in Holland Tuesday and in company with Agent J. C. Holcomb visited many points of interest in this city. He is enthusiastic over the outlook and declares that the boat line has come to stay and it is only a question of time when they will arrange for dock facilities and make direct connections with Holland. Parties desiring to go to Milwaukee under the present arrangement must either go by street car to Macatawa Park or go to Ottawa Beach on a train leaving here at 5:55 p. m.

There is no doubt that the new boat line will benefit the resorts to a marked degree. The night boats running across from Milwaukee will certainly tempt people to run over Saturday night, spend Sunday at the resorts and go back Sunday night, reaching Milwaukee in time for business the next morning. Another way in which the resorts will be helped will be the advertising they will get because of the route passing through Ottawa Beach. A good many people who never heard of Macatawa Park and Ottawa Beach will be compelled to notice them and that is sure to bring people there.

Later in the season, probably about June 15, excursions will be given from Milwaukee to Ottawa Beach and from Ottawa Beach to Milwaukee every Saturday night at one fare for the round trip.

### Campaign News from Hon. G. J. Diekema.

Chairman Gerrit J. Diekema, of the Republican state central committee spent yesterday in the city, says the Detroit Journal. He reviewed the Republican situation and the prospects at the Russell house this morning, and made emphatic statements with regard to his stand as chairman upon many important matters.

"For the first time since the election of Abraham Lincoln as president," he said, "we have a president who has formulated a new and distinct policy, and Republicans all over the state are enthusiastic over the issues raised thereby that are to be followed out in the coming campaign. It is a good sign, this anxiety to fight new issues. I have never seen the Republicans so anxious to get out and fight. I have received communications from all over the state urging me to get at it. The danger to Republicanism in Michigan has always been the half-hearted work. There seems to be nothing in the air this campaign but eagerness to get to work, and it presages success.

"After the meeting of the state central committee May 29 at Grand Rapids the state central committee will open up state headquarters, probably at Detroit. Secretary Alward will come on and enter the campaign work as soon as the present session of congress closes, June 15, and active campaign work will at once be entered into.

"Time and place of the state convention? The general sentiment seems to favor an early convention, anywhere from the last week in June to the middle of July. The sentiment generally seems to favor Grand Rapids as the place of convention. The convention will be such a largely attended one that the feeling seems to be that only Detroit or Grand Rapids should have it. Detroit had the first convention and opinion seems to be that the party should alternate in its conventions between the two cities.

"Yes, I have received a number of congratulatory letters upon my election as state chairman. The unanimity with which all elements of the party have received my election has been highly gratifying. I have received letters from all quarters, and I recognize that only in union can there be real strength, and it will be my special effort to effect harmony wherever possible, and to represent as chairman no individual nor class of individuals in the coming campaign. Every Republican will have an equal

show, no matter what his former affiliations have been.

"Whatever unpleasantness there may have been existent between members of the Republican camp, it seems that on every hand there is endless proof that all of them are going to turn in and join in working for a triumphant election of the Republican ticket, national and state. Where bitter factional fights have been reported to exist in the preliminary campaign I have found no lack of individual proof on all sides of this fact. It but goes to show the temper of Republicans in the present campaign."

### Struck by Lightning.

On Saturday morning a gloom was fast gathering over our citizens as the reports spread of the sudden death of Henry D. Brink, a student of Hope College and a member of the Senior class. During the electrical storm of that morning a bolt struck the residence of Henry J. Luidens, corner of Fourteenth and Central avenue. From outside appearances the roof was struck in three different places. The house, though injured in the sitting-room, parlor, and upstairs, was not seriously damaged. The sulphurous fumes that followed the severe shock caused Mr. Luidens to hasten through the house and finally to open the door of Brink's room, only to find him prostrate before the door—a victim of the death-dealing bolt in the very path of which he was found.

In all haste medical assistance was summoned. Dr. H. Kremers duly responded to the summons, but pronounced death instantaneous.

Many students and friends gathered in silence at the scene of the calamity, while his classmates realized with sorrow both how many plans were upset and what a friend they had lost. This feeling deepened and found expression in deed as well as in word.

The father and relatives dwelling just beyond Hamilton, were duly notified. In company with Dr. Bos, of Filmore, they soon appeared. Amid deep and heartfelt sorrow at the sudden death they made preparations for the last rites.

Mr. Brink was popular in the classrooms, in the societies and among the student and citizens alike. His was a sunny disposition. He was twenty-three years of age, and looking forward to a course in medicine. A father, two brothers, two half-brothers, and two half-sisters remain to mourn his loss.

The funeral was held at one o'clock Monday from the home of his half-sister, Mrs. A. Boerema, of East Eighth street, and from the Third Reformed church at two o'clock. Prof. J. T. Bergen conducted the services at the house. At the church Prof. Bergen led in prayer, after which Dr. Kollen read the 90th Psalm. The class quartette, composed of the Misses Zwemer and Yates and Messrs. Broek and Dinkeloo sang "Soldiers of Jesus, Pass to thy Rest." Dr. Kollen and Rev. Dubbink then addressed the vast audience in the English language. "Nearer my God to Thee" was then sung by the college male quartette, composed of Messrs. Dinkeloo, Dykema, Wayer and Broek. Rev. Keizer, of Graafschap, a former pastor of the deceased, and Rev. H. K. Boer, of Hamilton, spoke in Dutch, after which the class quartette sang a favorite hymn of the departed. After the benediction fully 700 people paid their last respect to the dear departed. At the cemetery the services were conducted by Rev. Hoekstra of Colledoon.

Among the floral tributes were the beautiful tribute from the Faculty of Hope College, a pillow with the words "Our Classmate" from the Senior class, and those sent by the Fraternal society of the college and the C. E. of Hope church, of which societies he ceased was a member. Several individual friends also sent a floral offering as a token of their esteem.

The funeral procession was a long one. At its head marched all the male students of Hope College in double column then followed the lady students and Faculty in carriages while the remains were followed by the immediate relatives and friends. The pall bearers were J. D. Tanis, A. T. Godfrey, Jno. Straks, S. F. Riepma, H. Huenemann, and H. P. Boot, classmates of the departed. The remainder of the class acted as a guard of honor.

The following resolutions were passed by the Senior class:

WHEREAS, The Heavenly Father, in infinite wisdom, has seen fit to remove from our midst our friend and classmate, Henry D. Brink, therefore be it

Resolved, That we hereby express our sorrow at the loss of one who was of a sympathetic nature, lovable, of a sunny disposition, diligent in study, one whom we had learned to love as a friend and brother;

Resolved, That we as a class extend our sympathy to the bereaved and commend them to the loving Father who doeth all things well;

Resolved, That these resolutions be spread upon our minutes, and that a copy of the same be sent to the relatives, and that they be published in the HOLLAND CITY NEWS, De Hope and The Anchor.

## OBITUARY

E. M. ROBERTS.

E. M. Roberts, general architect of the H. J. Heinz Co., of Pittsburg, died Monday forenoon at Hotel Holland at the age of fifty-three years.

He was taken ill about ten days before his death, at Zeeland, where he was superintending the construction of the saltion house at that place. He came to Hotel Holland and was attended by Dr. Mabbs who saw that the patient was suffering from a dangerous illness, apparently appendicitis. All possible was done but he gradually became worse. Last Sunday night an operation was performed by Drs. Mabbs, Yates, and Kremers of this city and Dr. Graves, of Grand Rapids; but it was of no avail, and death came Monday forenoon.

A post mortem held Monday afternoon showed that appendicitis was the original cause of illness and that it was followed by pleurisy and abscess of the liver. Mr. Roberts' wife and one of his daughters were at his bedside when he died, another daughter arrived here on the noon train a short time after he passed away.

Mr. Roberts first came to Holland four years ago to superintend the construction of the Heinz Pickling works. He has been here on many business trips since that time and his genial disposition and straight forward business methods gained him many friends. He is survived by a wife, two daughters and one son. Another son, a young man aged 24, met his death six months ago by accidentally falling into a vat in one of the large packing houses.

The remains were taken to the home of the deceased in Shakesbury, Penn., on the midnight train. Mr. Roberts was a member of the G. A. R. and the veteran soldiers of Holland showed their loyalty to their dead comrade by assembling at the hotel at midnight and marching to train. It was an impressive scene to see the members of the Van Raalte Post G. A. R. silently gather in the moonlight and pay the last sad tribute of respect to their honored dead.

MRS. JEANNETTE KIEKINTVELD.

The death of Mrs. Jeannette Kiekintveld occurred last Sunday morning at her home in this city after an illness of two weeks. Her age was fifty-six years and she was numbered among the most prominent of the old residents of Holland. She was the widow of the late Rev. M. Kiekintveld who died about eleven years ago.

She is survived by five children, who deeply mourn the loss of a kind and loving mother. They are Mrs. W. Z. Bangs, Henry, James, John and Sarelle. The funeral services were held Wednesday afternoon at two o'clock at the First Reformed church on Central Ave. and was attended by a large number of friends.

### Memorial Day.

Arrangements are well under way for a fitting observance of Memorial Day. The preliminary steps were taken at a citizens meeting held last Friday night at the G. A. R. hall. P. H. McBride called the meeting to order. John Kramer was elected chairman and B. Easley, secretary.

The orator of the day will be Congressman William Alden Smith. Mayor Wm. Brusse will be president of the day, L. T. Kanter, the marshal and Prof. J. T. Bergen, Chaplain. The following committees were appointed:

Executive committee—P. H. McBride, C. J. DeRoo, B. Easley, A. B. Bosman, Henry Kiekintveld.

Invitation and reception—D. B. K. Van Raalte, G. J. Diekema, J. G. Van Putten.

Music—A. J. Ward, J. C. Haddock, W. O. Van Eyck.

Finance—L. T. Kanter, J. B. Mulder.

Flowers and decorations—Oscar Wilms, Simon Kleyn and Jerry Laepke.

Grounds and platform—John Zwemer, R. Oostema and John Van Anrooy.

Conveyances—Seth Nibbelink, Fred Boone and L. A. Stratton.

Mrs. M. A. Ryder, proprietress of Hotel Macatawa left Tuesday for the Park to get the hotel in readiness for the coming season. She will be ready to take care of guests next Sunday, but the regular resort trade will not begin to boom until the first part of June. The hotel will be under the same management as last year, Geo. T. Ryder, will be head clerk, Miss Nellie Ryder, book-keeper, Geo. T. Nye, night clerk. Practically the same force of cooks, bell boys, porters waitresses, and general employees that were there last year have been engaged for the season. Judging from the great number of applications for rooms received this will be one of the most prosperous seasons in the history of Macatawa Park. Regarding Macatawa last Sunday's Grand Rapids Democrat says: "The most popular resort in Macatawa Park, with foaming waters of Lake Michigan on the west and the quiet Macatawa Bay on the east. The popularity of this resort does not depend entirely on cool breezes. Its hotel accommodations have always been the best to be found in the state, and now so perfect are the appointments of this mammoth hotel that they are equal in every respect to the metropolitan hostleries of the largest cities. Mrs. M. A. Ryder, the proprietress, has always been a genial hostess, and it is with pleasure we note that she will again have the management this coming summer. The hotel will be formally opened on Wednesday, May 16, after which all guests will find a hearty welcome awaiting them."

### The Board of Education.

W. H. Beach was re-elected president of the board of education at the regular meeting held last Monday evening and G. J. Van Duren was re-elected secretary.

The vote taken upon the adoption of free text books was formally adopted upon motion of trustee Kremers. The report of the inspectors of election was received and P. H. McBride, H. Steketee and I. Marsille took the oath of office as members of the board. The bond of Treasurer Witterlink with G. W. Mokma, G. J. Kollen and G. J. Diekema as sureties was received

and approved. The question of securing additional rooms for the pupils was brought up and referred to the committee on buildings.

The rules of last year were adopted and the president announced the appointment of the following committees:

Teachers—P. H. McBride, Dr. H. Kremers and G. J. Van Duren.

Schools—G. J. Van Duren and P. H. McBride.

Text Books and apparatus—H. Geerlings and J. C. Post.

Ways and Means—Dr. Kremers and J. C. Post.

Claims and accounts—B. Steketee and C. Ver Schure.

Buildings—C. Ver Schure and I. Marsille.

Visiting committees—Group No. 1—P. H. McBride and G. J. Van Duren, September, January and May.

Group No. 2—H. Geerlings and Dr. H. Kremers, October, February and June.

Group No. 3—I. Marsille and B. Steketee, March and November.

Group No. 4—J. C. Post and C. Ver Schure, April and December.

Hope College Commencement Exercises.

This year a new feature will be inaugurated in the closing exercises of Hope College. On Monday evening of Commencement week, a grand concert by the best talent obtainable in Chicago will be given at Winans Chapel.

Only first-class artists will appear. Mr. Seabrook, one of America's greatest pianists, commands a princely price for his share in the program. Mrs. Marie White Longman has been chosen for her deep, rich contralto voice. Mr. William Winter is to be the violinist, while Mr. Newton a pure and charming tenor completes the list.

This is a very expensive concert, and tickets will sell at no less than 50 cents a piece. Look for further announcements in the paper.

## Marriage of Miss Helene Boone and Capt. George W. Pardee.

Miss Helene Boone and Captain George W. Pardee were united in marriage at the residence of Mr. and Mrs. H. Boone, Sr., Wednesday evening at 5 o'clock. The ceremony was performed by Dr. J. W. Beardale and was witnessed by the members of the respective families. The bride was attended by Miss Mollie Pardee, of Chicago, and T. S. McCabe, purser of the Soo City, was best man.

The ceremony was performed in the parlor which was beautifully decorated with palms and roses. Mrs. Philip Soulen, of Orange City, Iowa, sister of the bride, played the wedding march. The bride wore a handsome gown of crepe de chine over pink silk, trimmed with hand made lace and cut steel, and carried bridal roses. Miss Pardee, the bridesmaid, wore a gown of light green silk. After the marriage the wedding party was ushered to the dining hall where an elaborate banquet was served. The favors were carnations.

Among the many handsome and costly presents received was a beautiful couch, the gift of the officers and the members of the crew of the Soo City, who took this means of showing their appreciation of the captain. Capt. and Mrs. Pardee left Wednesday evening for Chicago on the Soo City. They will be at home to their friends after July 1 at 108 West Eleventh street.

Mrs. Pardee is the daughter of Mr. and Mrs. H. Boone, Sr., and is one of Holland's most prominent young ladies. She is very popular in society and musical circles and for some years has been one of the leading members of the choir of Grace Episcopal church. Capt. Pardee is one of the most popular of the younger captains on the Lake and is well known in marine circles. He first came to this city as captain of the City of Holland; but was soon promoted to the captaincy of the Soo City, the position he now holds. He is a man of good judgment and a trained seaman in every sense of the word. His record as a sailor is an enviable one and as captain he has met with unbounded success.

A. Grevenoged celebrated his eightieth birthday last Friday and in honor of the occasion a family reunion was held in the evening at the home of Mr. and Mrs. J. W. Jekel, West Ninth street. Those present were H. Grevenoged and family of Grand Rapids, Mr. and Mrs. James Gatten and family, of Grandville, and Mr. and Mrs. J. Reidsema and family of this city.

A very pretty wedding occurred last Wednesday evening when Miss Lucy Pelgrim and Frank Wareham were united in marriage at the residence of the bride's parents in Vriesland. The ceremony was performed by the Rev. G. De Jonge and was witnessed by a number of relatives and intimate friends. Mr. and Mrs. Wareham are well known in this city and will reside at 151 West Eighth street.

Architect W. K. Johnson was in Allegan Monday.

Mrs. George Ballard has returned to her home in Du Boie, Penn., after an extended visit with friends in this city.

# SPECIAL SPRING SALE.

Goods sold at prices that will make business.  
"Cheap" in it's offensive sense cannot be applied to our stock.  
Our profit comes in ever increasing sales.

## CLOTHING

A man cannot look at you without seeing your Clothing. If it's neat and becoming he notices it. If it's ill fitting you look seedy to him—no matter how pleasant a smile you may wear. It's merit that counts especially in clothing. Suits sold at our store have a pleasing individuality that always appeals to a careful buyer. Our absolute guarantee goes with every garment.

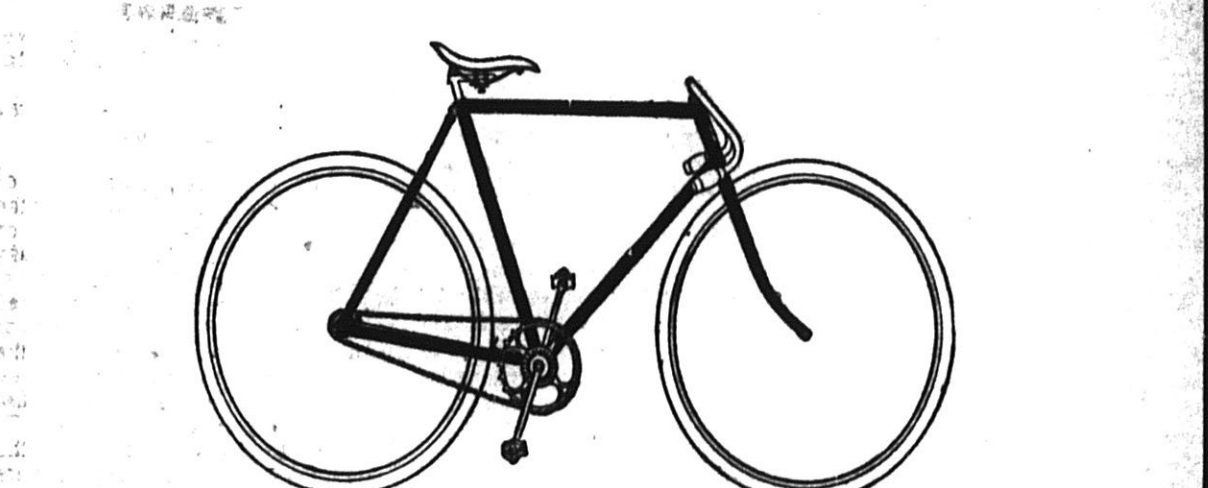

## SHOES

Our prices in this line are disastrous to competition. They're made just as good as shoes can be made and don't cost anymore than shoes that hurt the feet and create deformities. You can't judge shoes by the shine. Some shoes can be bought wholesale at 80c a pair. The shine is all right but the leather and make are not in it.

Our stock contains shoes just light enough for comfort, just heavy enough for bad weather, and just stylish enough for dress. Such shoes make the journey of life easier. Let us fit a pair to you. As to the price, we can fit you in that too.

## BICYCLES

A Bicycle should be so constructed as to require but little expenditure for repairs and be ready at all times for service.

Crescents and Cleavelands are so made. These wheels stand without opposition or criticism. Also a number of other makes fully guaranteed. Come in and spend a quarter of an hour anyhow.

Our prices give satisfaction. We don't have to hustle to get rid of our goods at our prices. Cranky people lose their cranks when they trade with us. Come in and give us a chance to convince you of the truth of our statements. We do not write advertisements just to say things.

## GEN. BULLER AT GLENCOE.

In Report to London He Tells of His Steady Advance Against the Boers.

### VIOLATION OF WHITE FLAG REPORTED.

Dispatch from Portuguese Sources Says Boers Were Defeated at Mafeking—Peace Envoys Deny They Advise Surrender of Boers If Defeated at the Vaal.

London, May 16.—The war office has posted the following dispatch from Gen. Buller, dated Dundee, May 16: "We occupied Glencoe yesterday. The Transvaalers have now evacuated Biggarsburg. The Free Staters on the Drakensburg are much reduced in numbers. The Carolina, Lydenberg and Pretoria commandos trekked north from Hlatkulu on 12th and 14th of May. Eleven guns were entrained at Glencoe. The last train, with ambulance, left there at dawn, May 15. This result has been largely produced by the action of the Fifth division, which, during the last few days, has done a great deal of very hard work—marching, mountain-climbing and road-making. "Trains are now running to Wess's nek station."

**White Flag Violated.** The war office posts the following dispatch from Lord Roberts, under date of Kroonstad, May 15: "Two officers and six men of Prince Alfred's guards while out foraging yesterday, a few miles from Kroonstad, visited a farm flying a white flag, the owner of which surrendered himself, with arms and ammunition. They then approached another farm, also flying a white flag. When within 40 yards of the inclosure they were fired upon by 15 or 16 Boers concealed behind the farm wall. Two of the men were killed, Lieut. F. B. Walton was wounded, and Lieut. W. B. Everton and two non-commissioned officers were taken prisoners.

"The owner of the farm states that the Boers threatened to shoot him when he protested against their making improper use of the white flag."

**Boers Reported Repulsed.** Lorenzo Marques, May 16.—A Portuguese official dispatch says an encounter has occurred at Mafeking and that the Boers have been repulsed with heavy loss.

**Advised to Surrender.** London, May 16.—The most important development in Wednesday's war news is the statement cabled from Cape Town announcing that the Boer delegates had advised the Transvaalers to surrender if defeated at the Vaal. This remarkable announcement is vouched for on good authority and evidently obtains more credence in Cape Town than would a mere rumor.

The occupation of Glencoe was merely a logical sequel of Gen. Buller's advance and the Boers' retreating movement. As usual, the Boers are reported to be flying precipitately, but, also as usual, the accounts add that their transport and guns were removed in safety, which in itself is a contradiction of any statement that the Boers were panic-stricken.

**No Word from Mafeking.** Nothing further has been heard from Mafeking and it is reasonable to suppose that the conditions there are unchanged. The prolongation of the siege only intensifies Great Britain's anxiety to hear of its relief.

About 1,100 more troops have arrived at Beira, Portuguese East Africa. Among them is Lord Dunraven, who accompanied the Dunraven sharpshooters as a supernumerary captain on the battalion staff.

The governor of Beira, Senhor Noyrelles, in the course of a speech at a dinner of the yeomanry, said:

"Friends as we have always been of England, we could never have realized the magnificent unity of the Anglo-Saxon race without such an object lesson. Realizing this, Portugal not only congratulates her ancient ally, but rejoices with it, as the strengthening of a friend is the strengthening of ourselves."

Apparently Lord Roberts is still waiting at Kroonstad, preparatory to making a swift movement on the Vaal river.

**Emphatically Denied.**

New York, May 16.—Messrs. Fischer, Wolmerans and Wessels, constituting the envoys from the South African republic and Orange Free State, who arrived here Tuesday, commissioned by their governments to endeavor to induce the United States to use its influence for the establishment of peace in South Africa, were questioned Wednesday regarding the statement from London that a cablegram from Cape Town asserted that they had advised surrender should their countrymen be defeated on the Vaal river. Severally and collectively the envoys vehemently denied that they had given any such advice, and they declared that they were unalterably opposed to surrender.

### Drank Wood Alcohol.

Johnstown, Pa., May 16.—Three men and one woman are dead at South Fork, near here, and another man will die as a result of drinking wood alcohol. Lawrence Smith, Peter Broeck, Joe Polozinski and the latter's mother are dead, and Joe Smith is in a critical condition and may die at any time. The drinking was done on the green at South Fork Sunday evening, about eight o'clock, and the whole crowd, who were Poles, drank freely of the stuff. All died in convulsions.

### Gold Shipments.

New York, May 16.—Gold for shipment for Europe by Thursday's steamer has been engaged as follows: Barling, Magoun & Co., \$500,000; Heidebrand, Ickelheimer & Co., \$500,000; Lazard Freres, \$800,000; Goldman, Sachs & Co., \$850,000; National city bank, \$500,000.

### Absorbs Steamship Company.

London, May 16.—The Leyland Steamship company has taken over the West India Steamship company. The purchase price was £292,000.

## NOTABLE DEMONSTRATION.

Such Will Be Made the Visit of Boer Peace Delegates to Washington.

### LEAVE NEW YORK FRIDAY FOR CAPITAL.

Saturday They Will Call on the President and Sunday Night a Public Mass Meeting Will Be Held—Are Kept Busy Answering Telegrams of Invitation.

Washington, May 16.—Representative Sulzer, of New York, chairman of the committee to receive the Boer delegates in Washington, Wednesday received a telegram from Messrs. Fischer, Wessels and Wolmerans, stating that they could not leave New York before Friday. Mr. Sulzer then announced the programme as follows:

On Thursday night, a committee consisting of three United States senators, three representatives, and a number of prominent citizens will go to New York to escort the delegates here. They will leave New York Friday morning and will be met at the depot here by a committee of 200 and taken to the Arlington hotel, where quarters have been engaged by the reception committee.

On Friday night an informal reception will be held at the hotel, and on Saturday morning the Boer delegates will call to see the president.

On Sunday night there will be a meeting at the Grand opera house, when the three delegates will speak and there will be addresses also by senators and representatives.

Mr. Sulzer says the stay of the delegates will be made the occasion of a notable demonstration.

### To Stay at New York.

New York, May 15.—Beyond a drive through Central park, and the principal localities of interest in the city, no programme was arranged for the Boer envoys Wednesday. They spent the forenoon in answering telegrams and letters from more than 60 cities in the United States from which invitations had been received.

An effort is being made to arrange a plan so that the envoys can visit a majority of the cities. Probably they will leave for Washington on Friday. C. H. Wessels, one of the envoys, discredited the cable dispatches to the effect that President Steyn, of the Orange Free State, is said to have lashed the Free Staters to make them fight. He said the Free Staters were all working together and in perfect harmony.

### According to Boer Plans.

Mr. Wessels was also asked concerning the English advances and successes reported in recent cables. He said: "Everything is going according to the plan of action prepared some time ago. Every time we fall back it is given out as a British success, but it is all a pre-considered plan and does not hurt us in any way. The final crisis has not yet come. What I consider the crucial test will be at the Vaal river, near Pretoria. I do not think that the stories published about British successes are neutral news, but highly optimistic from a British standpoint."

### London Papers' Comments.

London, May 16.—The afternoon papers pay scant attention to the reception accorded to the Boer delegates in New York. The Pall Mall Gazette dubs them "playthings of American politicians," and the Evening Standard says:

"The proceedings certainly showed unfriendliness to Great Britain, but no deeds will be forthcoming to prove the sympathy of the United States. Had American statesmen previously any hesitation President Kruger's offer to bribe them with a protectorate would have finally settled the matter."

### RECONSIDERS HIS ACTION.

Gunboats Concord and Bennington Not to Be Recalled from Asiatic Squadron.

Washington, May 16.—At the instance of Rear Admiral Remy, in command of the naval forces on the Asiatic station, the navy department has reconsidered its decision to recall to the United States the gunboats Concord and Bennington. Secretary Long says that there is no special significance to be attached to this action and that he presumes that because of their light draft the boats are wanted to guard against the importation of arms into the Philippines and to assist in military operations during the approaching rainy season.

### Dr. Barry Leads.

Chicago, May 16.—Wednesday's session of the Methodist general conference was given over almost entirely to balloting for candidates for bishops. The names of many aspirants were tendered to the election tellers, but the leading men for the position are Dr. Joseph F. Barry, J. W. Hamilton, and J. W. E. Bowen, in the order named. Two ballots have been taken on the election, and Dr. Barry shows a decided majority over his competitors.

### Rains Put Out Fire.

Milwaukee, May 16.—A Journal special from Menominee, Mich., says: Heavy rains Tuesday night and Wednesday put out the fire at Fisher, which had spread to the west side of the track and threatened the destruction of the main portion of the town. The loss is estimated at \$500,000; insurance only \$100,000.

### Actors Meet.

New York, May 16.—The nineteenth annual meeting of the Actors' Fund occurred in the Madison Square theater, and Louis Aldrich was elected president.

### Italian Parliament Prorogued.

Rome, May 16.—The disturbances in the chamber of deputies have resulted in a royal decree proroguing parliament.

## THE PEACE ENVOYS.

South African Republics' Representatives Reach New York and Are Heartily Received.

New York, May 16.—The steamship Maasdam, with the Boer peace envoys on board, arrived here Tuesday. The revenue cutter Hudson, with the reception committee on board, went down the bay to meet and welcome the delegates.

The cutter escorted the Maasdam up the river to the docks in Hoboken. On board the steamer Judge Van Hoesen welcomed the envoys, saying:

"We are a committee of citizens of New York who sympathize with your country in its struggle for liberty and independence, and who wish to make your visit to the city of New York agreeable to you personally and advantageous to the nation of which you are the representatives. In the near future we will extend to you a more formal reception, but on this occasion we simply say 'Welcome.'"

Mr. Fischer responded to Judge Van Hoesen, saying:

"I thank you most heartily for this welcome which you have just extended to us. The warmth of a welcome does not lie in the length of words used, but in deeds. We believe that the American people will also extend to us a hearty welcome. For ours is a cause that is dear to their hearts. We are fighting for our country. As soon as they come to understand our cause they will, I believe, echo the welcome you have just given us."

### NO OPPOSITION.

Lord Roberts Occupies Kroonstad, the Orange Free State Capital, But Finds No Boers.

London, May 14.—The British army has occupied Kroonstad, completing what is believed to be the last important step in the campaign in the Orange Free State. No opposition was offered the imperial forces, the Boers retreating before Lord Roberts arrived. No battle of any magnitude is expected south of the Vaal river, which forms the boundary between the two republics, although President Steyn has issued a proclamation declaring the seat of government of the Free State removed to Lindley, 45 miles east of Kroonstad.

London, May 15.—Gen. Buller is moving along the left flank of the Boer position in Natal to compel evacuation of Biggarsburg positions. Resumption of Roberts' advance is expected in a day or two.

London, May 16.—The British under Gen. Buller occupied Dundee. Almost every house in the town was looted by the Boers. The war office issued an abstract of British casualties since the beginning of the war. This shows a total of 20,035, exclusive of the sick in the field and the invalids, who number 8,901.

### WORK IS SLOW.

Resume of the Business So Far Transacted by the Methodist General Conference.

Chicago, May 14.—The general conference of the Methodist church has been in session two weeks, but very little of the work mapped out has reached the stage of final action. The great reforms being advocated are nearly all in committees. The following was the net result at the close of Saturday morning's session:

Equal representation of laymen confirmed. Nine of the ten articles of the constitution adopted.

A commission created to report four years hence on the consolidation of the church extension, freedmen's aid and southern education and home missionary and general education departments.

The effective bishops to be continued in their present relation.

Chicago, May 16.—The election of bishops of the Methodist church has so far resulted in no choice. One ballot was taken yesterday, but none of the forty-one candidates received the necessary two-thirds vote.

### FAMILY BUTCHERED.

Mother and Four Children Found Dead in Their Home Near Tremont, Ill.—Father Is Missing.

Peoria, Ill., May 16.—Mrs. Thomas Moser, wife of a farmer living three miles north of Tremont, Ill., and her four small children were found dead in their home Tuesday. All had apparently been dead since Sunday. Their throats were cut from ear to ear. Mrs. Moser's body was found in the cellar, covered with old carpet. The children lay in their beds upstairs, apparently having been killed as they slept. Moser has disappeared, but there is no known evidence pointing to his having committed the terrible crime. Nothing has been seen of the family since Sunday, and Tuesday neighbors broke open the doors of the farmhouse. They spread the alarm, but no trace of the murderer has yet been found, although some of the neighbors are convinced that Moser wiped out his family in a fit of insanity.

## The Real Danger

from heart disease is not the possibility of a sudden death, for they are comparatively few; but following in the wake of this dread disease comes a general breaking down of every organ of the body. Circulation is retarded; digestion is deranged; the blood is contaminated; the nerves weakened and the brain clouded. If your heart is affected begin at once to guard against these dangers. Dr. Miles' Heart Cure, has rescued thousands who were given up to die, and it will help you, too, if you try it.

"For several years I was troubled with nervousness, sleepless, palpitation of the heart, short of breath, smothering spells and pain in chest, back, left side and arm. I was so very bad that I remained in my bed the whole of one summer. Was treated by three physicians, but derived no benefit. Finally I saw a paper advertising Dr. Miles' New Heart Cure and Restorative Nerve Tonic. I began their use and was so greatly benefited that I am now doing my own housework and enjoy excellent health." MRS. BERTHA KURTZ, 996 20th St., Milwaukee, Wis.

Holland City News.

MULDER BROS. & WHELAN  
Holland, Mich

Holland Twenty-Eight Years  
Ago.

[From Our Files of 1872.]

WILL IT BE TWENTY EIGHT  
YEARS MORE?

JUNE 6, 1872.—An agent for Wyckoff street pavement is in town looking toward the improvement of our streets, he, in company with Heber Walsh, has been looking after our gravel, with a view of submitting a proposition to property owners for the paving of Eighth street. We hope that the estimates will not look so formidable as to deter parties interested from adopting them, and proceed at once to construct the same.

JUNE 23, 1872.—On Tuesday evening of this week, Rev. E. J. Heeren and wife left our city for India, their chosen field of missionary labor. Mrs. H. is the daughter of Mr. A. Vennema, one of our highly respected citizens. She has been for a few years connected with our Public School as one of its teachers.

ALL THINGS COME TO THOSE WHO  
WAIT.

JUNE 22, 1872.—We see by the Saugatuck Commercial and the Barry County Republican that strong efforts are being made to divert the railroad project intended for this city to Saugatuck. We call the attention of our citizens to this subject again, hoping they will not longer pursue the suicidal policy of remaining inactive, and allow projects which we consider of vital importance to our future growth and prosperity to pass us by unnoticed. We believe that should proper representations be made to the company, they could be induced to make this city their route to Saugatuck, by doing so the company would secure a cheaper and more feasible route connecting here with the many roads we now have in operation and forming with a line of steamers across the Lake to Milwaukee, Racine or Kenosha, making it really the road for which we should spare no pains or expense compatible with our ability, to secure; at the same time Saugatuck would secure no more if the road should not come by way of Holland; citizens, are we to remain idle and lose the golden opportunity, when by a little exertion we can secure it?

Col. Bliss in the Lead.

"In their efforts to bolster up Mr. Stearns' waning gubernatorial boom, says the Allegan Chronicle, his supporters are claiming that the republican state convention held at Detroit last week, was a "Stearns convention." Nothing could be farther from the truth. All the reports published by the state papers, which had representatives at the convention, stated that the friends of Col. Bliss were in the majority and the sentiment was overwhelming in his favor. His headquarters were crowded by delegates from all sections of the state who called to assure Mr. Bliss of their loyal support. The Ferry headquarters were frigid, and, while there was a good crowd about the Stearns headquarters, it was a noticeable fact that his most enthusiastic supporters were the same fellows who have been seen about Pingree's headquarters for the past six years. Bill Judson, of Ann Arbor, was there, of course, as were also a number of other fellows who enjoy Judson's company.

From all portions of the state comes assurances of support for Col. Bliss and he has more delegates pledged to his support today than any other candidate in the race. As evidence of this growing sentiment in favor of Mr. Bliss' candidacy, we offer the following from the Grand Rapids Herald.

"The growing strength of Colonel Bliss as shown at the time of the Detroit convention, is the subject of conversation in political circles. The Bliss men were repeating Saturday as showing how the fight was coming on, that the Pontiac Gazette, which is the recognized official organ of the Oakland county, had declared for the colonel."

The election of the Hon. Gerrit J. Diekema, of Holland, as chairman of the state central committee, was distinctively a victory for the Colonel's friends. While Mr. Diekema may be depended upon to treat all candidates fairly, his sympathies are with Col. Bliss and Ottawa county will support Mr. Bliss loyally. Mr. Diekema's name was first proposed by J. B. Mulder, of the HOLLAND CITY NEWS, who is an enthusiastic supporter of Col. Bliss. And this is not all. A very large majority of the members of the state central committee are either for Col. Bliss or for Mr. Ferry. Among the whole number there are but four or five who favor the nomination of Stearns.

Mr. Stearns represents but one faction of the republican party of Michigan, and unfortunately for him, that faction is not in very good repute just now. The declarations made by his supporters that Mr. Stearns and Governor Pingree are not good friends is the cheapest kind of a campaign roorback. The majority of Mr. Stearns supporters have been shouting Pingreeism for the past six or eight years and they cannot now disguise themselves.

The republicans of Michigan will nominate a man as their candidate for governor who is not in any way affiliated with the so-called federal crowd, or the Pingree push, but one

who stands upon his word as a loyal republican at all times and under all circumstances. It is not necessary to mention his name. The people know the man. Col. Aaron T. Bliss of Saginaw, will lead the republican hosts of Michigan to a glorious and triumphant victory."

Resolutions.

Following are the resolutions passed by the common council last Tuesday evening:

WHEREAS, The avowed object of the war the British government is carrying on against the South African Republic and the Orange Free State is supremacy, as if Great Britain has been predestined to be supreme even in republics, and as such supremacy involves the destruction of independence and self-government in those republics, and,

WHEREAS, When Great Britain, in 1775, gave the American Colonies the same alternative now given the Boers—subjection or the sword, claiming that if the American Colonies were not conquered and made "crown colonies," they would "relapse into barbarism," the God of our fathers raised up a friend among the nations who with blood and treasure assisted in achieving our independence; and,

WHEREAS, The rendering of assistance to others who are struggling for independence anywhere is therefore a debt we owe humanity and which can be paid only by doing as we were done by a century ago, and as we have on several historic occasions partly paid our debt to liberty and freedom by forcing into the code of international law the principles of the Monroe doctrine, by publicly expressing sympathy for the Greeks, Hungarians, and Armenians, by forcing into the affairs of the governments of the world a new and better principle—the motive of benevolence—in the war for Cuban independence; and,

WHEREAS, Our national policy has been to encourage governments by the people as against monarchical rule, and believing that the people of this country have no desire to hear of, republics that have "ceased to exist" through the spirit of military aggression and the despotic acts of greater powers;

Resolved, therefore, that we express our sympathy for the Boers in their heroic endeavors for freedom, and that we earnestly hope that the sentiment of the people of this nation which is overwhelmingly on the side of the Boer cause may impress itself upon the government of the United States and that definite action may be taken by our government to resent the most cowardly, unrighteous attempt to blot out two free republics in Africa by a government which has not a single valid claim or any right in its favor, and besides misrepresents the sentiments of the better portion of her own citizens.

Resolved, further, that the Common Council ex

press an invitation to the envoys of the South African republic and the Orange Free State, now in America, to visit this city, and that the Mayor be instructed to appoint proper committees to receive and entertain said envoys.
