AN INVITATION

of

Holland Business College

Graduation-time is drawing near. You are planning which school to enter this Fall. We suggest that you first get a thorough Business Training. Every man and woman is in need of it. Learn to be a typewriter, stenographer, Bookkeeper or Accountant.

We prepare you for Commercial and Industrial positions.

Enter a school of the highest standing where faithful attendance to studies is required. We refer you to the industrial, Commercial and Banking Institutions of our city, for any information you may desire about our school.

Outside students will find better opportunities for board and lodging, in beautiful Holland than elsewhere, and the rates are lower.

We invite you to come and see us or to drop us a line. All information about courses of study, terms, rates, etc., will be cheerfully given. **GET ENROLLED NOW!**

Address

Holland Business College

ALBERT HOEKSEMA, PRINC.

Peters Bldg, East 8th., Corner Central Avenue

Peter Notier of Notier, Van Ark & Winter was in Grand Rapids on business Wednesday.

Mr. Harry Orr and Miss Gladys Orr returned Tuesday from Chicago where they visited friends.

Gerald Slagh was in Grand Rapids on business Saturday.

Attorney Arthur Van Duren was in Grand Rapids on business Monday.

John F. Veltman, Hope '15, spent the day visiting Hope College.

TODAY BANNER DAY OF THE LOCAL SEMINARY

BANQUET AT 4:30 O'CLOCK IN VAN RAALTE HALL ON COLLEGE CAMPUS

300 Will Sit Around Festive Board Commemorating the 50th Anniversary

This week closes the fiftieth anniversary of the Western Theological Seminary whose usefulness has long been felt among the Christian religious organizations of this country. Graduates from this institution have come from all over the world to be present at this educational reunion.

Many programs and meetings relating to this gala week at the local seminary have been held, but the banner event will be the banquet with a menu of good things to eat and a speaking fest replete with toasts and intellectual treats.

The program at the banquet which takes place at 4 o'clock this afternoon follows:—

Toasts

Toastmaster.....Rev. J. E. Keisenga of Seminary Faculty
"Bedenk wel, eer gij spreek; dan spreek met ernst en kort.
Dat die u hoort, nie moede en onaandachtig wor d."

—Bilderdijk.

Introduction of Toastmaster.....

.....Dr. J. F. Zwemer Pres. of Faculty

Greetings from the General Synod.....

.....Dr. Wm. J. Leggett

Vice-Pres., Gen. Synod, R. C. A.

"Hope" Completed in the Seminary.....

.....Dr. Ame. Vonnema

Pres. Emeritus, Hope College

"The Long Ago".....Rev. J. Meulendyk

"Struggle and Victory".....

.....Rev. G. DeJonge

Our Seminary and the World's Need.....

.....Rev. H. J. Veldman

Our Seminary and the Homeland.....

.....Rev. Seth Vander Werf

TWO HOPE CLASSES HAVE LOVE FEAST

BANNERS FLOAT SIDE BY SIDE IN THE TREES AT HOPE COLLEGE

The Freshman and Sophomore classes of Hope college have finally "buried the hatchet." Last Tuesday morning both class banners were seen waving from a wire stretched from the chapel to Van Raalte hall. Two classes held a joint meeting Tuesday noon.

These are the classes whose members threw one another into a fish pond at Centennial Park a week ago. At that time one of them who was less fortunate than the other five was fished out unconscious.

The lady co-ed nursed him back to life and since that time the foolish practice of "rushing" further, has been abandoned, and peace reigns on the campus.

DROPS DEAD WHILE AT WORK IN THE CHURCH

MRS. GERRIT JOHN PLASMAN PASSES AWAY SUDDENLY AT OVERISEL

While at work cleaning the church at Overisel, Mrs. Gerrit John Plasmans dropped dead of heart disease, death being instantaneous. Her husband was with her at the time.

Mrs. Plasmans, who was 65 years, was born in the Netherlands, Province of Overisel. She came to this country as one of the early pioneers and has lived in Overisel ever since. The funeral was held on May 10 at Overisel.

The deceased is survived by her husband, one daughter, Mrs. H. De Boer, Overisel, and three sons, John Plasmans, Overisel, Chris of Zeeland, and Edward of Laketown.

HOLLAND HIGH SCHOOL PUPILS ARE HOLDING ELECTION

CANDIDATES FOR ALL CITY OFFICES TO BE VOTED ON

Mayor and Aldermen Will Deliberate As They Do in Our Own Municipalities

Pupils of Holland High school are holding a regular election today. Thousands of campaign cards have been made their appearance. Large posters fill the school rooms and halls and friends are plugging for their different favorites.

Speeches are being made at odd times and between class periods and this afternoon at 5 o'clock the ballots will be counted and the pupils will know is who in next year's student government body.

Below will be found a copy of the ballots being vote on today:

Mayor

\$3,000 PIPE ORGAN FOR MAPLE AVENUE CHR. REF. CHURCH

EXPECT TO HAVE IT INSTALLED WITHIN THREE MONTHS

Maple Avenue church of which the Rev. J. P. Battema is the pastor, will install a \$3,000 pipe organ sometime within the next three months.

The money for the instrument has already been paid in and at a meeting of the male members of the church it was decided to purchase the organ.

A committee was appointed consisting of Herman Van Paasen, Alex Van Zanten, Simon De Weerd, Isaac Kouw, Martin Vander Bie, Albert Ten Hoor and Rev. J. P. Battema.

This congregation has made rapid strides under the guidance of their live wire dominie. Within the last two years the congregation has spent some \$15,000 in doubling its seating capacity, and installing new heating apparatus.

The parsonage is now being repainted and redecorated both in and outside, and by September 1st the strains of the pipe organ will animate from the church edifice.

Mr. and Mrs. Herman Landwehr who have been the guests of Mr. and Mrs. A. H. Landwehr and Miss Selma Landwehr left for Bad Ax, Michigan, their future home.

John Van Taten Hove of the French Clock Store is on a trip to Cleveland and Toledo to purchase goods for the store.

HOLLAND DANCERS TO DANCE IN GRAND RAPIDS SOCIETY

THE MISSES LANDWEHR AND NYSTROM ON PROGRAM AT ST. CECILIA

The fame of two of Holland's estate dancers, has reached Grand Rapids, and two young Holland ladies have been scheduled to appear upon the program that is to be given at St. Cecilia, on Saturday afternoon, May 17.

The young ladies are Miss Donna Landwehr, daughter of Mr. and Mrs. A. H. Landwehr, and Miss Leona Nystrom, daughter of Mr. and Mrs. Oscar Nystrom.

The doings will be in the nature of a "Spring Carnival" given by Miss Chla Travis.

Miss Leona Nystrom
Miss Donna Landwehr

The numbers to be rendered by the Holland girls are two, one a Russian Folk Dance, "Chardas" and a Swedish Polka.

Leona and Donna are pupils of Miss Margaret Watson of Grand Haven, with whom they have studied for four years.

Both Miss Nystrom and Miss Landwehr have been doing estate dancing at the Woman's Liferary club in this city, and were also on the program last week when the State Parents-Teachers club held their convention here. At that time Holland was surprised to learn that it had two such talented performers in their midst.

Apparently Grand Rapids also wishes to see their dancing and have invited them to appear next Saturday.

FOUNDER OF LOCAL FACTORY DIES

H. J. HEINZ PASSES AWAY AT HIS HOME IN PITTSBURG, PENNSYLVANIA

The H. J. Heinz company in Holland today received a telegram from Pittsburg, Pa., announcing the death at his home in that city of the veteran founder of that company, Mr. H. J. Heinz. Death came to him Wednesday afternoon as a result of an attack of pneumonia. He was 77 years old.

Mr. Heinz was very much interested in Holland by reason of the fact that his largest branch office was located here. The Holland Heinz plant is next in importance to the home office in Pittsburg. Mr. Heinz visited the local plant some years ago and he always kept in close touch with it personally.

He was interested in the welfare of Holland as a city and was always ready to help worthy movements along. He was a contributor to Holland hospital and to other local institutions and was seldom appealed to in vain by local committees that had projects of that kind in charge.

LOCALS

Mr. and Mrs. J. W. Himebaugh of the Strand moved to their country home on Lake Shore Drive this morning.

Rev. and Mrs. J. Vander Meulen of Kalamazoo and Mrs. H. Brinkman of Holland were in the city yesterday, visiting Mr. Vander Meulen's mother and sisters.—G. H. Tribune.

There is a wholesale raise in all the market prices on food-stuffs this week.

NEW HIGHWAY IS NEARING COMPLETION

HOLLAND - SAUGATUCK ROAD WORK PROCEEDING IN GOOD SHAPE

May Be Finished In About Six Weeks If Present Progress Continues

In about six weeks Holland will be connected with Saugatuck by an improved road which will be one of the best in this section of the state. From what is considered by many as the poorest link of highway between any two places in Western Michigan, the conversion will be made into one of the finest. There are many who have been over the road between Holland and Saugatuck, via Graafschap the past year or two who would gladly swear under oath, as they have sworn in old-fashioned cusswords while traveling over it, that that road takes the grand prize for rottenness. So poor is it, especially in wet weather, that the careful autoist does not care to travel over it and many local people have ceased visiting Saugatuck on that account.

But the new road is now fast nearing completion. The contractors are building about twenty feet of highway a day and it is estimated that the road will be open for traffic some time in July. But before the whole road is completed it will be impossible to go to Saugatuck by that way. The traveling public is now waiting until the road builders shall have reached the Gibson corner. As soon as that is done the motorists will be able to detour into Gibson over a fairly good road and in that way get back to the main line where it is improved beyond the uncompleted gap.

At present a detour is indicated one mile east from the main road but that road is said to be rather difficult.

When the Holland-Saugatuck road shall have been completed, one of the very worst stretches between this city and Chicago will have been eliminated.

WHEN REAL ESTATE WAS CHEAP IN HOLLAND

HOLLAND'S REAL ESTATE GOES FROM SIXTY DOLLARS TO TEN THOUSAND DOLLARS

Christ Schilleman, the noted auctioneer, formerly of Holland, no of Zeeland, tells an interesting story relating to Holland real estate.

Chris has just passed his 60th milestone in life, and this fact brought out the "following" story.

"I was born in a little log house on the site now occupied by the First State Bank. My father was a stove cutter and cut down many trees around his cabin on the ground upon which the new bank was built.

"In my younger days while a boy less than ten, I went with my father on a flat boat up Black river to Schouten's bridge, now on the Zeeland road, where they had loaded staves that the woodcutters had cut, and took them to Macatawa Park then known as "De Mond," where the men pulled the flat boats through a shallow stream where the harbor now is, and loaded them on sailing vessels anchored off the beach in Lake Michigan.

"My father was assisted at that time by Case Dok, and Peter Van Leeuwen, who years afterward peddled notions from a satchel to the Holland people.

"Other Holland men at that time who were in the stove business, long since dead, were Peter Boot, Tony Van Ry, Bernardus Kieft, Mr. Held.

"While my father was working in the woods here on 8th street, he had built himself a work bench against a tree, and also a convenient rack upon which to place his gun, in order to protect himself from wild cats, bears and wolves.

"The Indians were peaceful, and had a large village where the Heinz Pickle Co. plant now stands.

"My father bought the lot upon which his cabin stood from Dr. Van Raalte in 1847 for \$60.00. This lot on the corner of Central Avenue and Eighth street was a quarter acre in size."

It is quite interesting to note that the First State Bank only a few years ago paid better than \$10,000 to J. W. Bosman for part of the lot upon which Mr. Schilleman's cabin stood and for which he paid a little better than the price of a Liberty Bond.

Woman suffrage wins in Holland. Soon there may be a League of Equal Suffrage Nations.

There may never be any more Pillsner, but New York chemists promise Pills-near-beer.

WEST OLIVE

Harvey Riemersma is recovering nicely from the time of a hay fork in his eye. Miss Gertrude Bazaan is visiting her parents, Mr. and Mrs. Isaac Bazaan. The Victory Liberty Loan salesmen have completed their work in school district No. 7 of Olive, having exceeded their quota and will receive an Honor Flag for their school. Five of the school children each bought a \$50 bond. Also the wealthiest man in our district.

Born to Mr. and Mrs. Bert Riemersma—a boy. Dad says he is worth \$2,000.

PUBLIC SALE NOTICES
Saturday, May 17, at 10 o'clock, at the home of Mrs. De Vries, three or four blocks west of the Tannery on the North Side of Black Lake.
Saturday, May 17, at 10 o'clock at Nibelink's, West Ninth street.

CELEBRATE THEIR SILVER WEDDING

Mr. and Mrs. Edward Veenig Tuesday evening celebrated their silver wedding anniversary at their home on West Ninth street. About seventy relatives and friends were present to help them celebrate the event. The celebration was also in a way a family reunion as it was a welcome back home of two sons who entered the service of Uncle Sam early in the war as volunteers and who recently returned to this country from overseas.

The Veenings came to America from the Netherlands 13 years ago. Mr. Veenig and sons became naturalized as soon as the law would let them, and when the war opened the sons did not wait for the draft to respond to the call.

There were about 70 relatives present at the celebration. Mr. and Mrs. Veenig were presented with many beautiful gifts. Mr. Cornell Woldring made a speech of congratulation and Mr. Veenig responded. A luncheon was served.

MANY CLASSES ARE REPRESENTED HERE

The board of superintendents of the Western Theological seminary closed its annual session Wednesday. The officers are: Rev. Ralph Bloemen, pastor of Grand Rapids, president; Rev. Benj. Hoffman of Zeeland, vice-president; Rev. Thos. J. Welmers of Iowa, temporary clerk; Rev. Peter Moerdyke, stated clerk. Rev. S. C. Nettin was elected permanent professor of historical theology. The examinations of theological students were concluded Wednesday.

The particular synod of Chicago, the western branch of the Reformed denomination, convened in First Reformed church Wednesday. Nearly every one of the 13 classes was represented.

CHURCH WILL WELCOME BOYS BACK HOME

On Friday evening of this week the Third Reformed church will show the young men from that congregation who answered the call of their country that the church was back of them when they went to the front and that the church is still back of them now that they are returning to their homes.

Although all the boys from this congregation are not yet back, a public reception will be held on Friday evening for those who have returned to this country. The Third church had 98 boys in the service and about fifty of these have been mustered out and have returned to their homes.

While the reception Friday evening is a church affair and is for the boys of that particular congregation, the public is cordially invited to the public exercises that are to be given in the church at 8 o'clock. A "Welcome Home" program will be given which will attempt to make the returned soldiers feel that they had the cooperation of the home people all through the war. The following program will be given:

Song Service.
Prayer.
Opening remarks, Rev. M. Flipse.
"The Same Old Flag," Miss H. Stokette and Male Quartet.
Remarks, Mr. Fred Beeuwkes, Rev. E. J. Blekkink.
Solo—"When the Boys Come Back," Miss H. Bloemendaal.
Remarks, Miss H. Hoekje.
"The Angel of No Man's Land," Miss E. Zwemer and Chorus.
Remarks, Preston Manting.
Remarks, Miss Beatie Van Auk.
Song, "Home Again," Miss Amy R. Zwemer and Chorus.
Remarks, John F. Veltman.
Song, "Dear Old Flag," chorus.
Social Hour and refreshments.

Peter Notter of Notter, Van Ark & Winter was in Grand Rapids on business Wednesday.

Mr. Harry Orr and Miss Gladys Orr returned Tuesday from Chicago where they visited friends.

Mr. and Mrs. Frank Dyke motored to Jackson Tuesday and will return Thursday.

Officer Bontekoe was in Grand Rapids on official business Tuesday.

ALLEGAN WILL HAVE AUDITORIUM IF A SITE IS FOUND

Some two years ago a "Lady Bountiful" by the name of Mrs. Griswold died in Allegan and left the city money enough to build a \$50,000 or \$75,000 auditorium. Before her death the lady, who was loved by every Allegan citizen, tried to purchase a site upon which to build the new structure. One in particular suited her fancy but when the price on the location was given the amount appeared altogether too high according to her idea of real estate values.

The lady wanted the ideal spot but wanted it at her price. While negotiations were in progress, Mrs. Griswold died, but she had not forgotten the city she loved and her will gave in death what she intended should have been credited in life.

In the meantime the committee had been casting about for a suitable site at a desirable price, but up to this time nothing in real estate has turned up with the right figure attached.

SAUGATUCK PLANTS TREES FOR SOLDIERS

In line with the recommendation of Gov. Sleeper in his Arbor day proclamation, the village authorities of Saugatuck with appropriate ceremonies on Friday afternoon planted three trees in the southeast part of the public square commemorative of their boys who gave their lives for liberty on the fields of France.

From south to north the trees were named respectively for Charles Freshe, Frank Smith and Earl Bruner. President Phelps made a brief talk and Rev. G. B. Miller made the dedication address. Music for the occasion was supplied by the Boy Scouts band.

HAVE BEEN MARRIED FIFTY-SIX YEARS

Mr. and Mrs. J. D. Maxted, whose home is at 233 West Ninth street, Tuesday quietly celebrated their 56th wedding anniversary with their daughters and grandchildren. The groom of 56 years ago is now nearly 80 years old, while the bride of those days is now 76 but both are still in good health and they thoroughly enjoyed the anniversary festivity.

Mr. and Mrs. Maxted came to Holland thirteen years ago, coming here from Manistee. Their two daughters, Miss Earle Maxted and Miss E. V. Maxted live with them, and their son, Mr. D. B. Maxted of Jackson, spent the week-end here in honor of the anniversary.

WAS ONLY HOLLANDER IN HIS REGIMENT

Marinus Kossen, who died at his home in Zeeland was born at Kloetinge Province of Zeeland, Netherlands, and emigrated in the early '50s to this country and came directly to Zeeland where he has lived until his death.

On February 26, 1904, he enlisted in Co. A, 21st Michigan Infantry Volunteers, belonging to the 14th army corps and joined this regiment on Look Out Mountain, near Chattanooga, Tenn. He was the only Hollander in his regiment. He was wounded once in the arm, and made the "March Through Georgia to the Sea" under General Sherman.

Of the company of 140 men, in which he served less than 20 remain.

MRS. A. E. MCCLELLAN IS HONORED BY SOCIETY

A large and enthusiastic meeting of the Home Missionary society of the M. E. church was held Monday night at the parsonage. Mrs. Bottome had charge of the devotionals and the program was in charge of Mrs. Te Roller. The enigmas were presented by Miss Stalker. Mrs. McClellan told the story of the life of Sakato, a Japanese girl. Miss Georgia Atwood gave a reading on "The Italian Religion in America." Miss Mills sang three vocal solos, and songs were sung by the Misses McClellan and Te Roller.

A special feature of the meeting was the introduction of a traveling basket the contents of which was sold for the benefit of the Lenten offering. Mrs. McClellan was made a perpetual member of the M. E. Home Missionary society. The hostess served ice cream and cake.

BELGIUM THEME OF PROGRAM TUESDAY

Belgium and its part in the World War is to be the central theme at the meeting of the Woman's Literary club Tuesday afternoon. Every paper of the afternoon will treat the story of that little country in one of its phases.

The program will be as follows: vocal solo, Mrs. G. J. Koolker; "A Day in Brussels," Mrs. J. C. Post; "Brand Whitlock," Mrs. O. P. Kramer; piano solos, Donna Landwehr and Leona Nystrom; "King Albert," Mrs. H. C. Willis; "The Invasion of Belgium," Miss Jeannette Mulder.

BOY RUN OVER BY AUTOMOBILE; SKULL CRUSHED

What came near being a fatal accident and which may still terminate fatally happened Friday evening between 8 and 9 o'clock at the corner of Maple Avenue and Fifteenth street, when little eight year old James Essenburg, son of Mrs. Nick Essenburg the widow of the former Holland city treasurer was run over by an automobile owned by Mrs. E. E. Ashley.

The boy with others was playing ball in the street and so far as it was possible to learn the details of the case it seems to have been purely an accident. The boy's skull was badly crushed and for a time it was feared that he would die. He was rushed to Holland Hospital where he is being treated. Three doctors, Dr. Fisher, Dr. Winter and Dr. Boot were called on the case. Saturday morning it was still a question if the boy would recover, but hope is held out for recovery.

The boy was rather terribly bruised as a result of the accident. He suffered most about the head. One of the boy's ears was torn off. But the most dangerous part of the injury was the fracture of the skull.

The boy was given every attention. The occupants of the car did all they could for him. They rushed him to his home and later took him to the hospital. Mrs. Ashley telling the story said she was going very slowly and had honked several times. The boys all got out of the way, but the Essenburg boy unexpectedly jumped into the path of the auto backing into the oncoming machine.

SHOULD NOT USE STREETS AS A PLAYGROUND

An attempt will be made to create a sentiment in Holland for keeping children off the streets as much as possible. While no one wishes to interfere with children's play, the accident that occurred in Holland a few days ago in which one little boy nearly lost his life, has again shown that it is dangerous for youngsters to use the streets as a playgrounds.

The Victory Club took the matter up at its meeting Monday noon and went on record as being heartily in favor of taking whatever action could be taken to bring the matter to the attention of the parents of the city. Supt. E. E. Fell was asked by the club to take the matter up in the schools and to try to impress upon the children and upon the parents that there is real danger in the habit.

It is pointed out that there is no real need for children in this city to use the streets as a ball grounds. There are vacant lots within comparatively easy reach of all.

Every autoist knows that the child playing in the streets is usually quite irresponsible in the matter of danger. The child at play seldom sees danger and many an autoist has come within an inch of driving over a child who dives after a ball without looking if an auto is coming or not. Auto drivers declare that they never can know what a child playing in the street will do and that even the greatest precautions on the part of the drivers are not always a safeguard against danger for the children.

The automobile drivers are as anxious as anybody to avoid hurting children, but they believe that the parents should assume part of the burden and should try to teach their children not to use the streets as a playgrounds. Much could be done in this way to prevent accidents, it is believed.

Joseph H. Rowan of the Holland Busk Co, left for Chicago Monday for a few days' business trip. School Commissioner N. R. Stanton was in Grand Rapids on business last Saturday.

FOR SALE—Barn 40x60 in good condition. Must be sold at once. Cheap! Cheap! Al Dykhuis, 1 mile south and one-fourth mile east of Lincoln avenue.

HIGHWAY NOTICE

Notice is hereby given that the Board of County Commission of Ottawa County will on the 24th day of May, 1919 at ten o'clock, receive bids for the improvement of Central Michigan Pike road, located in sections 16 and 17, Zeeland Township, also known as the Vriesland Hill, for the construction of one mile, more or less, of 16 ft. concrete road, according to State specifications. Contractor must furnish all material and equipment. The rough grading will be done by the county. Work to proceed as soon as grading is completed.

Bids will be received at County Clerk's office.

Certified Check required with bid. The Board reserves the right to reject any or all bids. Dated at Grand Haven, Michigan, this 10th day of May, 1919.

Road Commission.

By order of Ottawa County

BUILDING PURCHASED FOR MISSION HEADQUARTERS

The building formerly owned by the John Wise estate located on East Eighth street has been purchased for \$9,000 by the Reformed Church of America.

The second floor will be used for offices where the secretaries of both Foreign and Domestic Mission will have headquarters. Rev. W. J. Van Kersen who represents the Foreign Mission cause and Rev. S. Vander Werf who has charge of domestic missions will be found there daily and will conduct all the necessary work at these offices. The store below will be continued to be occupied by Henry R. Brink the "bookman."

The building was bought and paid for partly thru local subscriptions and partly thru funds appropriated by the Reformed church. The fact that these offices have been located here makes Holland the Western center of the Reformed activities in the United States.

YOUNG CHAPS TAKEN BEFORE JUDGE DANHOFF

While Peter Vos and family of near Georgetown were away on a visit to relatives Sunday, his home was entered and pillaged by three neighbor boys, who secured a small amount of cash, some raisins and trinkets. He notified the sheriff's force and Monday morning three lads were rounded up by officers. The boys confessed to their part in the affair and will appear in Judge Danhof's juvenile court within a day or two. The oldest of the trio is but 12 years of age.

"PREP" CONTEST WON BY MARINUS ARNOYS

The Hope College Preparatory School oratorical contest was held Monday evening in Winants chapel before a considerable delegation of Prep. students and faculty. The first speaker of the evening, Mr. Marinus Arnoys, speaking on "The Sign of Victory" was the winner of the contest. Second place was awarded to Thomas De Vries with the oration "The Dawn of Tomorrow." Other speakers were: Wells Thomes, on "Practical Pan-Americanism," and Daniel De Graaf on "The New American." Miss Anna Ruth Zwemer gave a reading.

The judges for the evening were Messrs. Rosecoe M. Giles, Peter Cooper, and Bernie Mulder. Frank Hoff acted as chairman.

Mrs. C. Rozendal, West 14th St. has received word of the safe arrival of her son, Joseph, from overseas.

GOITRE GOES

Without Knife or Pain

or any ill effect—without leaving home—without loss of time. You can prove it at our risk. GOITRENE offers by far the surest, safest, most natural and scientific goitre treatment every originated. SPANISH WAR "VETS" TAKE BURDENS FROM G. A. R.'S SHOULDERS

Every year made the work of planning a Decoration Day celebration by some of the old G. A. R. "Vets" more arduous. Mr. G. Van Schelven, who has become a fixture and an institution in planning Decoration day doings, through ill health has declined to serve in an active capacity any longer.

It has been therefore thought advisable to have the next lot of younger "Vets" who served in the Spanish-American war, take up the the burden and begin making plans for these celebrations where the boys in blue left off.

For that reason, John Homfield is hereby sending out a call for a Decoration Day meeting to be held in G. A. R. hall at the City hall, Friday evening at 7:30 o'clock. All those interested, and all patriotic citizens should be, are invited to take part in these preliminary Decoration Day preparations.

The members of the War Board have signified their intention of co-operating with the Spanish War Veterans, and no doubt with the help of all those interested, Holland's Decoration Day will be up to its usual high standard.

Because other things have taken up the time and minds of the people at large, the boys of '61 must not be forgotten. These are the men that saved the nation in its most trying crisis.

The Spanish war soldiers should be given all the encouragement to help make a success of the new duties that have been placed upon their shoulders.

CALVIN COLLEGE MEN TO DO RELIGIOUS WORK IN NUMEROUS STATES

Calvin College Theologians have made arrangements for religious work in many states during the summer vacation.

Quirinus Breen will go to Dutton, Mich.; G. A. Lyzenga to Plover, Wis.; William Goudberg, to Ontario to do mission work there; J. Van Dyke is slated to go to Portland, Mich.; Benjamin Essenberg to Bradley; Johannes Van Beek to Grangeville, Idaho; Chas. Spoelhof, Chateau, Mont.; Frederick Wexman, Sioux City, Ia.; Richard Roseboom, Plainfield; Benjamin Spalink, Wyoming Center and Battle Creek; Harm Vander Woude, Ontario; John Vanden Hoek, Vriesland; Elbert Kooistra, Sioux Center, Ia.; John Rotterdamberg, Chicago; Wm. Jonker, to Orange City, Ia.; Gerhard Holwerda, Sioux Center, Ia.; John Medendorp, Hope, Mich.; Harry A. Dykstra, Whitesboro and Flat Creek, N. Y.; A. B. Voss, Lebanon, Ia.

Mr. and Mrs. M. S. Bazaan left on the early train for Middleville to attend the funeral of Mr. George Maicle.

TWO HUNDRED EMPLOYEES SAT DOWN TO BANQUET

More than 200 employees of the Holland Furnace Co. sat down to a banquet given by the company Tuesday evening at the Woman's Literary Club rooms. The banquet tables were very beautifully decorated with individual bouquets of narcissus and greens with large clusters of Sweet Peas as center decorations. Mr. A. H. Landwehr was chairman of the evening's festivities and called upon a list of speakers who responded cheerfully to several toasts assigned to them.

Rev. Paul P. Chaff, Attorney T. N. Robinson, John Kolla, Alderman Paul Vander List, Dr. A. Leenhouts, and Lambertes Beuwkes were among the several men present who gave talks.

Mr. Beuwkes the last gentleman named, is the oldest employee at the Holland Furnace Co., both in point of service and in age. Mr. Beuwkes has been employed practically since the Furnace Co. was established and is now 71 years of age.

Cooperation was the watch-word at the spread and judging from the spirit of friendliness existing between employers and employees at this institution in the past, this spirit did not have to be created at the banquet, but was only strengthened by virtue of it. The success of the Holland Furnace Co. can largely be attributed to the spirit of cooperation that has always existed in all departments of this gigantic "Warm Friends" organization.

A budget compiled by the employees consisting of take-offs sprung on different employees and was greeted with side splitting laughter. It is said that the sallies were "rich" and easily made the hit of the evening.

The puns were read by Miss Jeanette De Graaf, one of the office force. Five young ladies from the accounting department were on the program for numbers rendered on strung instruments and the feasters were temporarily transferred from the Woman's "Lit." to the Hawaiian Islands by way of the ukulele.

The mandolin ladies are the Misses Anna Witvliet, Gertrude Jonkers, Jeanette De Graaf, Evelyn Scheppers and Mrs. Wm. Eby.

The banquetters then arose and toasted the flag and sang America, departing for their homes after having spent a happy and delightful evening.

SPRAYING TREES IN BLOSSOM A CRIME

Orchardists should remember that spraying while fruit trees are in blossom will kill the bees, and the practice is strictly forbidden by state law. Without the bees there could be no fruit, and the grower who would harm the bees is not only a criminal but must be insane as well. Some growers have apparently been careless in this matter, and as a result the poisoning of bees has been reported.

SAYS CITY MUST GIVE NEW FRANCHISE

The Michigan Investor has the following to say about the sale of the Holland Gas Co.:

"The Holland City Gas Company of Holland was sold at bankruptcy sale on May 6 to Charles W. McGuire, of Chicago, for \$5,000 subject to outstanding bonds of \$303,000 and past due interest of \$22,000. It is now up to the city council give a new franchise which provides for adequate rates, or take a chance that the new public utilities commission will order the rate increases. It would be better if the city took voluntary action."

CAR SLIDES DOWN GIVE FOOT EMBANKMENT

While returning from his mail route Friday, G. J. Hoelderke, a rural carrier lost control of his flivver and ran into a tree near the Grand Haven bridge. The steering gear refused to respond. The car slid sideways down a five-foot embankment into a couple of feet of water. The engine kept on running and with the aid of several other mailmen the car was released. The damage was slight.

SIX HUNDRED DOLLARS RAISED AT MEETING

Tuesday evening a mass meeting of the Hope College students was held in Winants chapel in the interests of Hope High school in Madanapelle, India. Mrs. Samuel Zwemer gave a very interesting discourse. She told of the conditions in China and Egypt especially, and showed the need of education in all foreign missionary fields and especially the need of Christian education, stating that education combined with infidelity is worse than plain ignorance. She closed her speech with an appeal, and declared that Hope College ranked with Yale, Harvard and Princeton in their missionary endeavors and the privilege of doing something for a brother student "over there."

Charles Morrison, a well known speaker of the Layman's Missionary Movement, gave an inspiring address showing the effects of war on missions. Many statesmen of the countries in which foreign mission work is being done have seriously asked the question "Has Christianity failed?" He told that the League of Nations showed those who had sincerely doubted that after all, the hearts of the Christian people were right and that this would be a great aid in the missionary work. He closed his message with the assurance that Hope would not fail.

Bill Van Hazel, had charge of the meeting. In a very few minutes \$615 had been pledged and the success of Hope High school for another year was assured. Irwin J. Luthers, an alumnus of Hope College, now in the Western Theological Seminary, will sail in a short time to assume his new duties as principal of Hope High school.

INTERURBAN LIM- ITED STRIKES LOCAL TRUCK

H. P. Zwemer of this city figured in an auto accident at Grand Rapids. Mr. Zwemer had gone to the Furniture City to bring home a new Republic truck. He loaded this truck with steel beams and posts and started for Holland.

When he had reached the Kalamazoo junction of the Michigan Railway and was crossing the track at the limits, he saw the Grandville local standing at the station nearly ready to start off. Watching this car he failed to notice the 5 o'clock limited going to Holland coming from the opposite direction.

The result was that the limited hit the front end of the truck doing slight damage.

Mr. Zwemer turned about and got the repairs in Grand Rapids and came home with the load. The local car narrowly escaped a serious accident. None of the passengers on the truck were injured.

ANILINE PUTS IN \$5,000.00 ICE PLANT

The scarcity of ice has handicapped the Holland Aniline Co. considerably the past few months. A great deal of the ice is now being secured from the Superior Ice Co. but for the sake of convenience and not to be caught again the way the company was taught the past year, for the reason that Nature failed to produce, an ice plant of their own is now being built. The foundation has already been laid and part of the new machinery required is already on the ground. The plant will have a capacity of turning out at least ten tons of ice a day, made artificially and when the plant is running full capacity from eight to ten tons are required.

In making dyes considerable ice is required to keep down temperature while the colors are being made and this is especially true in the summer time. For that reason Mr. Donnelly, the manager hopes to have the plant ready in time and before hot weather sets in.

TO FIRE SALUTE OVER GRAVE OF DEAD SOLDIER

A firing squad from Co. 83, M. S. T. of Grand Haven, went out to Robinson township Tuesday afternoon to take part in the burial service of W. J. Smith, returned soldier, who died Saturday. The fire squad and buglers were taken to Robinson in automobiles placed at their disposal by Grand Haven owners. Rev. A. H. Vruwink, pastor of the Second Reformed church officiated at the funeral services of the soldier.

THREE DAYS OF CELEBRATION AT SEMINARY

This week is the big week for the Western Theological Seminary. It will be the semi-centennial celebration of that institution and the exercises covering three days instead of the usual one day session when the senior class graduates.

The ceremonies began Tuesday morning at 9:30 with the closing chapel exercises of the year in Semelink Family Hall. At ten o'clock the board of superintendents met and another meeting of the board was scheduled for 7:30.

On Wednesday morning at ten the particular synod of Chicago met in the auditorium of the First Reformed church. At 7:30 o'clock Wednesday evening the inauguration of Prof. E. D. Dimment as president of Hope College took place in Hope church. The following speakers took part: President and Vice-President of the General Synod of the Reformed church; Dr. J. M. Vander Meulen, of Oak Park Presbyterian church, Chicago; Rev. H. J. Veldman of the First Reformed church, President of the Hope College Council; and President Dimment.

The schedule for Thursday began with public services in the college chapel at 8 o'clock. To this the public was cordially invited. At 4:30 in the afternoon the Seminary banquet was held in Van Raalte Hall. A number of good speakers were booked for this function.

This evening at eight o'clock the annual graduating exercises of the Senior class of the Seminary will be held in the Hope College chapel.

It is expected that a considerable number of friends of the Seminary will pay Holland a visit during this week to be present at the celebration of the semi-centennial of the institution.

FOR RENT—Cottage all plastered, good for summer and winter. Evanston Park, fifth cottage East of Pine Lodge. Martin Waalkes, Citiz. phone 4287, 5r.

LOST—Tuesday evening, coming from Maccabee hall to 110 E. 8th St., a pair of gold-bowed glasses. In the case was a calling card with the name "Mr. Butler" on it. Reward if returned to 110 E. 8th St.

Several Houses Sold Through Our Agency During Last 30 Days.

But we have also listed a number of new ones, which we are ready to show prospective buyers ANY DAY OR EVENING.

- \$2600—Two story frame house on West 19th street between Central and River Avenues. House has five rooms below besides bath. Five rooms upstairs, also toilet and water. This house can be occupied by either one or two families. Terms about \$1,000 down; balance time.
- \$4000—A very fine modern and up-to-date house located on 22nd Street near College Avenue upon a fine elevation. House consists of 7 rooms with all modern conveniences including hot water heat; also sleeping porch; all screens, screen doors, some of the floors covered with practically new linoleum, shades, curtain poles, towel racks and laundry stove. Owner is non-resident which is the only reason why this house is for sale. The house was built a few years ago and is considered a good bargain at the price offered.
- \$2400—For a good 7 roomed house on East 22nd St., near College Avenue. House is all complete having all the modern conveniences, excepting gas. Practically new, being built only three years ago. Terms \$400 down; balance monthly payments.
- \$3000—All modern house on West 16th street near First Avenue. House is finished in oak; also screens for porch, windows, and doors.
- \$1100—Seven roomed house on West 20th street near Van Raalte Avenue. House has Electric lights. Terms, \$200 down, balance monthly payments as may be agreed upon.
- \$1700—Good seven roomed house on Central Avenue near 19th street. House has gas, city water and electric lights; also sewer connections. Terms about one-half cash. Balance long time if desired.
- \$3350—Good nine roomed modern house on East 9th street between College and Columbia Avenue. Easy terms if desired.
- \$1800—For a good 8-roomed house on W. 13th street. All in fine shape. House has city water and sewer connections. May consider less for a quick cash sale.
- \$3500—For a 9 roomed house on 13th St. between Central and River Avenue having a lot of 82½x132. House has all modern conveniences excepting furnace. This is a very desirable location. Terms about one-half cash.
- \$2550—Good 7 roomed house on 19th St. near First Avenue. House has all modern conveniences excepting gas. Lot 50x126. Terms about one-half cash; balance time.
- \$2900—Takes a good modern house on Central Avenue near 21st St. House has 7 rooms, everything in fine shape. Terms about \$500 down; balance monthly payments as may be agreed upon.
- \$1500—For a 7 roomed house on College Avenue near 17th street. House has electric lights, city water, gas and sewer connections. Terms about \$500 down, balance monthly payments.
- \$1500—For a good house on West 17th St. Lot 42x126. House has electric lights. Terms \$500 down; balance small monthly payments.
- \$2100—For a good 8 roomed house on East 23rd St. near College Avenue. House has electric lights, city water, good cellar. Large lot of 157 feet frontage on 23rd street. Very desirable property for anyone wanting to live up the hill. Terms \$500 down, balance small monthly payments.
- \$1100—7 roomed house on West 26th St. near Michigan Ave. Terms \$100 down, balance small monthly payments.
- \$2600—Large house on College Avenue near 13th St. House can be occupied by two families. Lot 66x82½.
- \$2350—Good 8 roomed house on West 13th St. near Van Raalte Ave. House has city water, electric lights, gas and sewer connections. Terms can be arranged for part of the purchase price.
- \$2700—Good 8 roomed house on West 16th St. near Central Avenue. House has all modern conveniences, also a garage.
- \$1800—7 roomed semi-bungalow located near the West End carline. This is practically a new house. Will sell on easy terms of \$600 down balance monthly payments.
- \$1500—For a good 9 roomed house on West 10th St. between First Avenue and Van Raalte Avenue. Large lot; house has Electric lights, city water, gas. Terms \$600 down, balance small monthly payments.
- \$1350—8 roomed house on Fairbanks Avenue. Lot 89x120. Terms \$300 down, balance monthly payments.
- \$2200—8 roomed house on West 12th street near Pine Ave. House has all conveniences excepting furnace. Terms \$500 down, balance monthly payments.
- \$2000—House on West 22nd St. near Central Avenue. House has 7 rooms, electric lights and furnace.
- \$2600—Good 8 roomed house on West 16th St. near Pine Avenue. House has all modern conveniences.
- \$2000—Nearly new 8 roomed house on 26th St. near Michigan Avenue. House has electric lights and furnace. Easy terms if desired.
- \$1750—Fine nearly new semi-bungalow on East 5th St. near Fairbanks Avenue. House has basement, city water, electric lights, large hen house, also large lot. Terms \$300 cash, balance monthly payments.
- \$2200—Good 9 roomed house on College Avenue near 14th street. House has all modern conveniences except furnace. Terms only \$300 down. Balance monthly payments.
- \$1450—Good one story 8 roomed house on 7th St. near Central Avenue. House has City water, electric lights, gas, sewer connections; Also barn and large shade trees.
- \$2000—Nearly new 7 roomed house on 21st Street near Central Avenue. House has Electric lights and furnace. terms if desired.

Also some good building lots on 18th, 19th, and 20th streets, near River and Pine Avenues—only two left on 18th street between River and Pine Avenue—the others were sold this week. EASY TERMS on any of the above lots.

Citiz. Phone 1166

To Be Healthful Food Must Be Uniformly Cooked

The good cook slices the potatoes so that all pieces will be of equal size and cook uniformly.

Otherwise some portions of the potato would be cooked to pieces while others would be underdone.

This principle is one of the most important to consider when buying flour.

If the flour is unevenly ground, the granulation will be uneven and consequently will not bake uniformly, which is bound to result in poor success.

Bake-day has no terrors for the cook using

Lily White

"The flour the best cooks use"

because it is so uniformly good that success is assured in advance.

By placing LILY WHITE FLOUR under a powerful magnifying glass you will be greatly impressed by the absolute uniformity of the granulation.

This evenness of granulation insures positively uniform baking qualities which means the best possible results with the least effort.

Besides the uniformity of the flour, please notice in particular the flavor of everything baked from LILY WHITE.

Right there is another pleasant surprise for you.

VALLEY CITY MILLING COMPANY

Grand Rapids, Mich.

LOCALS

Dr. J. W. Beardslee, Jr., of New Brunswick, N. J., is a guest of Dr. B. B. Godfrey. He will attend the exercises at the Seminary this week.

Mr. and Mrs. Klaas Bulthuis and children of Holland were guests of Mr. and Mrs. George Slaght Friday and Saturday. —Allegan News.

Benj. Van Dyk and Miss Joan Van Dyk from Grand Rapids spent the week-end with relatives and friends in Holland.

Mr. and Mrs. George Vrieling of Holland are the parents of a daughter, born last Tuesday morning. Mrs. Vrieling was formerly Miss Addie Markle of this city. —Allegan News.

Prof. A. Knap was a Grand Rapids visitor Friday.

C. De Keyser was in Allegan Friday on business.

Officer David O'Connor was in Grand Rapids on official business Friday.

James Boer, who has spent several days in Chicago visiting relatives and friends, has returned to his home in Holland.

Dr. and Mrs. J. Preston Scott and niece, Miss Marie Stafford, motored to Grand Rapids Friday.

G. Blom is confined to his home with illness.

Lee Cummings was the guest of his friends in Grand Rapids Saturday.

Mrs. W. P. Scott was in Grand Rapids Saturday.

Dr. W. P. Scott and George Heneveld motored to Grand Haven Saturday on business.

Mrs. Lloyd Purchase has received word that her husband has arrived in Boston after more than a year overseas.

Rev. Huememann of Lennox, S. D.

is in the city attending a meeting of the Board of Superintendents of the Western Theological Seminary.

Frank De Vries, Paul Ooster and Herman Helmers attended the meeting of the Shriners in Grand Rapids Friday evening.

Drayman I. VanSchure took a load of household goods to Moline Tuesday. George Heidsma went to Chicago Tuesday on business.

Wm. Pathuis is remodeling his residence at 173 East 5th Street.

Rev. John Wesseling of Pella, Ia., is spending a few days with his parents, Mr. and Mrs. Peter Van Tak.

Mrs. John Van Nul is gone to Marshall, Mich., to visit Mrs. M. H. Davis.

Andrew Hyma, Assistant Postmaster E. J. Westveer and Al Bisterink were Grand Rapids visitors Monday.

Mrs. G. A. Lacey attended the Allegan Co. Association of O. E. S. at Douglas Tuesday and was the guest of Mrs. Rachael McVey.

Donald Zwemer left for Racine, Wis. to bring back a Mitchell Sedan.

TELLS STORY OF LUMBERING IN MICHIGAN

"The woods have not disappeared from Michigan, as so many people seem to think," said Percy Read in an address before the Social Progress club Tuesday evening. "There are still many scores of thousands of acres of timber left and it will take many many years before this is all cut. Vast tracts of the upper peninsula are still covered with heavy timber."

Mr. Read was the speaker of the last meeting of the club held at the home of Prin. and Mrs. C. E. Drew. He told of his personal experiences in lumber cutting on a four thousand acre tract in Gogebie county. And the story was a romantic one, full of the flavor that made the books of Stewart Edward White about Michigan lumbering operations popular with hundreds of thousands of readers.

The speaker went into detail as to how the lumber is converted from the standing tree into the finished product. He himself superintended lumbering operations such as he described and the story was full of those intimate touches that give verisimilitude to any narrative.

Another number on the program was furnished by Dr. C. J. Knock of Hope College who subjected the members to the mental tests that were given by the army during the war to determine the mental class of the recruits.

The club will resume its meetings next October when the new staff of officers will assume control. Supt. E. E. Fell is the retiring president and his place will be taken next autumn by President-elect Wm. E. Vander Hart.

TELLS OF BELGIUM AND ITS HISTORY

Echoes of a trip to Europe some years ago were given Tuesday afternoon by Mrs. J. C. Post when she gave a very interesting address on "A Day in Brussels" before the Woman's Literary club. It was the first number of a Belgium program. She gave a number of reminiscences of a pleasant day spent in the Belgian capital many years before the opening of the World war.

"Brand Whitlock" was the subject of a paper by Mrs. Otto P. Kramer. The famous former mayor of Toledo played a dramatic part in the history of Belgium during the four years of war and this was vividly brought out by Mrs. Kramer.

Two other papers were read: "The Life of King Albert," by Mrs. H. C. Wills, and "The Invasion of Belgium" by Miss Jeannette Mulder. Both of these treated of Belgium in its difficult but heroic period and they rounded out the program. A piano solo was given by Mrs. R. M. Page.

It looks like a late summer, if any.

FOR SALE—Milk cows; small bull for service, \$35; seed oats 90c per bu.; young pullets white Leghorns and Plymouth Rocks. Zeeland phone 223 three rings. Henry A. Van Dyke, Holland E. No. 2. 21209

"DAUGHTERS" HAD SUCCESSFUL YEAR REPORT SHOWS

The annual business meeting of the Elizabeth Schuyler Hamilton Chapter Daughters of the American Revolution was held Friday afternoon at the home of Mrs. John Oggel. The following officers were elected: Regent, Mrs. W. J. Garrod; vice-regent, Mrs. C. M. McLean; recording secretary, Mrs. A. T. Godfrey; corresponding secretary, Mrs. Martha Robinson; historian, Miss Florence Cotton; registrar, Mrs. Congleton; chaplain, Mrs. D. B. Yntema; members of the board, Mrs. O. P. Kramer and Mrs. Frank Hadden.

The officers' reports followed and showed that the chapter had completed a useful and successful year. Their war work included knitted articles to Camp Ouster, packages of gloves for aviators' vests and funds for the rebuilding of Tillotly. Work for the S. A. T. C. at Hope College had just begun when the corps was disbanded. The chapter did not forget home work but sent a fine box to the county infirmary at Christmas time.

Mrs. John Van Putten was able to be a delegate to the National Daughters of the American Revolution conference and sent a splendid report which was read by Miss Kathrine Post. There were over a thousand delegates at the conference and the amount of money which had been spent for war work was surprising. The keynote of the convention was that now that the war was over efforts must be directed to making American citizens of our foreigners.

Mrs. John Telling sang a beautiful solo, accompanied by Mrs. Martha Robinson. After a social hour in which refreshments were served by Mrs. Oggel and Mrs. Walz, the meeting adjourned.

COMES HOME AFTER FIVE YEARS' ABSENCE

First Sergeant Harry Vanden Berg arrived in Holland Sunday from Panama where he has been stationed since his enlistment. Mr. Vanden Berg is home on a sixty days' furlough and will go back to Panama in July. He declared that all the boys in Panama were eager to go to France but were unable to get there because they could not be replaced by men from the States.

This is the first time Mr. Vanden Berg is home in five years. He is stationed at Fort Sherman at the Atlantic mouth of the Panama canal, being a member of the Fifth Submarine Mine Company. Vanden Berg was formerly a Sentinel employee.

HEALTH THEME OF W. O. T. U. MEETING

Mrs. A. H. Koertge was the speaker at the W. O. T. U. meeting Friday afternoon at the home of Mrs. Geo. H. Huizenga. She gave an interesting talk on health and preventable diseases, and also, by request told about the milk fund that is so much needed in some of the families which she visits, where children have to go without this staff of life because the condition of the family purse does not allow buying it. She mentioned two cases of rickets from this lack in the children's diet, where families are large and perhaps a small baby, who needed all of their scanty supply. In cases children of from two years upward get the bone building material which they need. The collection of the afternoon, \$5, was given toward this fund.

The musical program consisted of two solos by Miss Elizabeth Zwemer, who sang Mendelssohn's "O Rest in the Lord," and "Annie Laurie," and a piano duet by Miss Gladys Huizenga and Evelyn Stoketee.

Mrs. Veldman gave her report of the convention at Wayland, she being the only lady from Holland who attended.

The ladies who served tea were the Misses Maud Zwemer, Mrs. Smeenge, Mrs. Beter, and Mrs. Johnson.

The Union is preparing to give a May party, entitled "Picnic in Fairyland" in Holland High school on May 20, this being another of their war reconstruction fund benefits.

NOTED COUNTRY MAN

WILL SPEAK HERE

The regular meeting of the Holland Poultry & Pet Stock Association will be held Monday evening, at the office of the secretary, Cor. 8th St. and River avenue, in the Vander Veen building, second floor, office of Economic Printing Co. Mr. Jaquins from Chicago will give a lecture on poultry on this occasion. Mr. Jaquins is the manager of five states under the auspices of the U. S. Department of Agriculture. There is not often an opportunity to hear an able man like Mr. Jaquins on poultry. Everyone interested in poultry is urged to attend this meeting. Dr. L. E. Hensley, Federal Agent in Animal Husbandry will also attend this meeting and will be one of the speakers.

PLANS FOR TWO NEW HOUSES IN CITY OF ZEELAND

Architects Thomas Benjamin & Son of Grand Rapids are preparing plans for a Dutch Colonial house for D. J. De Ruz of Zeeland. It will be 24x34 feet with four rooms and solarium on the first floor and four bedrooms and bath on the second. Exterior will be wide siding.

They are also drawing plans for an English thatched roof one and one-half story house for A. De Kruij of Zeeland.

LARGE CLASS TO GRADUATE PRESENT WEEK

Western Theological Seminary at its graduation exercises in Third Reformed church Thursday evening, will graduate a class of thirteen, the largest in the history of the institution. Of these seven have accepted calls and will proceed to their charges soon after graduation: Albert Bakken to Bethany, Iowa; Herman Maassen to Beaverdam, Mich.; John Ter Louw to Hamilton, Mich.; C. Doida to Hudsonville, Mich.; A. Mastman to New Era, Mich.; G. Vander Linden to Hudsonville, Mich.; J. B. Forriks to Scotland, S. D. Mr. E. W. Koeppe has been appointed missionary to China and Mr. Henry Van Egmond has not as yet accepted a call.

Four of the graduates will continue their studies at Princeton Seminary for a year of postgraduate work. Mr. Raymond Lubbers will serve a summer charge at Sandstone, Minn. Mr. Frank De Boos will work in Sixth, Holland and Mr. Fred De Jong in McKee, Ky. Mr. John Knite has not as yet taken a charge.

The middle class numbers six and they will serve charges for the summer as follows:

Henry O. Hospers at Fairview, Mich.; Anthony Van Westenberg at Detroit, Mich.; Leonard Braam at Seattle, Wash.; Henry Van Dyke at Harlem Mich.; Walter Hynga has not as yet taken a summer place and Mr. Irwin Lubbers will go to Madanapalle, India, to take up the principalship of Hope High school for the next three years.

The Junior class numbers nine men and all of them have been assigned summer charges: James Stegeman to South Barnard, Mich.; Anna Dunne-wold to Dunningville, Mich.; John Klaaren to Sioux City, Ia.; James Burgraaf to New Holland, Canada; J. B. Van Wierda to Decatur, Mich.; El-dred Kuizenga to Lakeview, S. D.;

A COMPLICATED LIQUOR CASE UNTANGLED

The Holland police and Deputy Sheriff Houtkes have been very busy for the past few days cleaning up an elaborate case of whiskey smuggling. Suspicions have fallen upon Axel Jacob and Nicholas Wittervick, both of Chicago, who are alleged to have smuggled whiskey from Chicago to Holland on the Graham & Morton boat.

What first brought the matter to the attention of the police was the fact that a miner who had been joy-riding Saturday was brought home drunk and the boy's mother who became very much agitated over the matter had told Chief Van Ry about the affair. Mr. Van Ry took the boy in charge and his story implicated Ben Vander Weide, John J. Smith and Clarence Houting.

Those who had been seen riding with the man and whiskey was part of the "joy" ride, with the juvenile going under name of it.

The older boys practically admitted that they had been drinking "boot-leggers" whiskey and stated that they had purchased it from two men who were passengers on the Graham & Morton boat. The dicker had been going on behind some lumber piles near the dock and each man had purchased a quart, it is said.

On a detailed description given by the Holland boys Neet and Wittervick are being held. When a search was made of the boat by Capt. Morgan, Chief Van Ry and Officer Bantekoe, eleven quarts of liquor were discovered, hidden away in an obscure spot on the boat, however none was found in the staterooms of the men involved.

The Holland men were bound over to circuit court after they had waved the examination and the alleged whiskey smugglers are being held in the city jail awaiting identification by the local men, charged with having purchased this liquor from these Chicago men. Officer Bantekoe incidentally secured a clew to the smuggling going on and traced the bootlegging down to its source.

As we go to press Chief Van Ry stated that both Nettervick and Neet have made full confessions of their part in the smuggling.

JURY CONVICTS

WOMAN LIQUOR LAW VIOLATOR

Mrs. Mabel McLean, who operated a rooming house at Muskegon, has been convicted in the circuit court of having violated the state prohibition law. The woman will be sentenced later. Spyros Stambosva, owner of a fruit store, who was also convicted by an order of the court the day previous, was a witness for Mrs. McLean. He bore out her statement that he owned the liquor at the house Mrs. McLean admitted that she had liquor in her possession but that it was there against her wishes.

TURN TO NATURE'S WAY FOR HEALTH.
Can Chiropractic help me? This is the pathetic and heart rending question that fairly voices the despair and sorrow of ill and suffering ones everywhere who have searched in vain for relief. Perhaps you are suffering—or you may know of friends who are ailing—and are trying remedy after remedy with no results.
To many, the record of Chiropractic presents a new hope. The results secured even in stubborn cases of long standing show that while **CHIROPRACTIC ADJUSTMENT** will not do the impossible, it will benefit even after other methods have often proved incapable of reaching the trouble. It is sane, sensible and sufficient as a natural health method. It corrects the cause of disease and is in full accord with the law of man's being.
Thousands are finding full restoration to Health thru Chiropractic Adjustment.
If you are not well and are not prejudiced, look into this wonderful new Health Science.

THIRTY-FIVE YEARS AGO

The Standard Roller Mills are putting in a new bran cleaner and duster and are also adding additional machinery in the elevator and warehouse built last fall. The Standard is one of the largest mills in Western Michigan and the quality of the flour and the large amount sold, attest to the fact that it is the best managed and regulated mill in the state.

Mr. L. Mulder, publisher of "De Groudvet" has moved his office into his brick block on the corner of River and 7th streets. The composing room and editorial sanctum are located in nicely arranged rooms in the second story of the building while the press and engine rooms are in the basement. Mr. Mulder has just purchased a new boiler and engine and now has plenty of power to run his press with perfect safety. De Groudvet will now have as fine quarters as any paper in Western Michigan. "Long may she wave."

THIRTY YEARS AGO

Mr. E. J. Harrington Jr., is about to erect a new residence on Market street.

The most destructive fire that ever visited the region of Hamilton on is now raging around that village, on Monday about 3 o'clock P. M. some fire lighted a fire on the plains near the Kalamazoo river. Thirty-six hours later the southern part of the township was an ocean of flames. There has been a severe drought and the fire burns furiously, being hastened on its mission of destruction by a high wind. Several miles of fences, and thousands of feet of timber were destroyed. The buildings and 1,000 cords of wood at the brick yard of Oosting, Smith & Co., were saved after a terrible battle with the flames. A number of farmhouses caught fire but it was soon extinguished. It is thought that many cattle were burned to death. No fatal accidents are reported although several persons were badly burned.

TWENTY-FIVE YEARS AGO

Tennis Den Uyl and Miss Pennie Lies of North Holland will be joined in wedlock on next Wednesday.

H. Henken & Co. the butter and egg firm on East 8th street are retailing eggs at 12 cent a dozen.

Nearly everyone in Allegan is in favor of an electric road to Holland.

Miss Bertha Ter Beek and William G. Wood were married at the home of the bride's parents last Wednesday evening.

Married at East Saugatuck, Mr. Johannes Kuipers and Miss Kate Voss, both of Laketown.

John Goshorn died this morning at 10 o'clock at the home of his daughter, Mrs. Charles Robinson, of this city, at the age of 76 years.

There were but twelve votes against the proposition to build a new steel bridge across Stearns Bayou in Robinson township at the special election last Monday. The bridge will cost \$5,000.

A fire which threatened the whole Zeeland manufacturing district broke out at the Ver Hage Milling Co. shortly after 1 o'clock Tuesday afternoon and but for the prompt work of the fire department assisted by employees of Zeeland furniture company would have caused considerable damage; as it was the loss is estimated at about \$750.

In the presence of relatives and immediate friends, Clara Prins, daughter of Mr. and Mrs. Klaas Prins, was married to Simon Pool of Holland at the home of her parents last Thursday afternoon at the home of her parents, 2 miles south of the city. The ceremony was performed by Rev. Haan. G. Vander Borgh.

Two government planes from Grand Rapids flew over the city of Holland at about noon Saturday and landed in the circle of the race track at the Holland Fair grounds.

Half the town was out to welcome the aviators and remained curiously inspecting the machines until they again arose at 3:45 in the afternoon.

The planes first flew to Muskegon and Grand Haven and were only going to give Holland a side sweep but the aviators found that they were running low on "gas" and had to come to earth.

The air men did no spectacular flying over Holland, but the artificial birds sailed as smoothly as the real ones and at much greater height.

The planes circled over the city at an altitude of more than 2,000 feet. One of the air men stated that when they landed at the fair ground the planes had been up just exactly one hour and in that time they had flown from Grand Rapids to Muskegon to Grand Haven and then to Holland where they landed for the first time.

NEW CAFE FOR HOTEL HOLLAND IS ASSURED

A beautiful up-to-the-minute Cafe is assured for Holland within a very few weeks, when Mrs. Grace Southwell and Mr. and Mrs. Paul Loring of Marion, Indiana, take hold of the new eating house that is to occupy the location formerly occupied by Hotel Cafe operated by John Hoffman.

The project is being backed by Sam Miller, who for years has been conducting successfully a first class restaurant at the Pere Marquette depot, and also at Benton Harbor, Mich.

Mr. Miller says that the cafe will be up-to-date in every way. The very best restaurant furniture, including Vitrolite tables, said to be the most expensive made, will be installed.

The old kitchen attached to Hotel Holland will be discarded and broken down and the present dining room will be partially taken up and converted into a clean and convenient kitchen.

In the cafe proper, a large steam table will be installed along the lines used at Hotel Pantlind and other up-to-date hostilities and everything will be served quickly and piping hot.

"The coffee," says Sam, "will be the kind I use at the depot and you know what that is."

"I assure you further, that Holland is going to have some eating house. The fact that Mrs. Southwell and children will be in charge guarantees that for conducting a cafe is all they know and is all they have ever done in a business way."

"Their place in Marion, Ind., was a great success before they sold out and Holland can be sure that this one will be conducted along the most approved lines, with cleanliness and service as the watchwords."

MAKING READY TO PUBLISH THE FAIR BOOK

The first tangible steps for advertising the Holland fair of the coming fall will be taken this week when solicitors will go out for advertising for the annual premium book. This book of which an edition of 3,500 will be printed, is soon to go into the hands of the printers. They will be distributed throughout the territory patronized by the Holland Fair. In addition some 5,000 blotters advertising the Fair have been distributed in the schools of the district. The fair this year will be held on Sept. 9-12.

Speaking of supporting the fair, Secretary John Arendshorst said Monday:

"Fairs and Expositions are not given as a rule for the purpose of making money. True, it costs money and time and work to give a successful fair. The grounds and buildings must be provided and kept in order and repair, and there are numerous other expenses besides the premiums. The fair is the index of prosperity, intelligence and wealth of the community. It is a holiday when all can rest from toil, and compare the product of labor and the progress of science, mechanics, art and industry. It is educational as well as pleasurable. If all participate the burden is light. If all exhibit the Fair is a success, and then it is a credit and a pride. Premiums are given to stimulate improvement, industry, intellect. The unselfish, the progressive and the wise are its patrons. The ignorant, the niggardly and the improvident never exhibit and seldom attend. We must depend upon the liberal, intelligent and progressive for the support of Fairs, just as we do to sustain the other benefits of civilization and progress. To these we say be liberal to the Fair and it will be equally liberal to you. Exhibit the product of the farm, your shop, your factory, your stores, in short everything that is fair, good, choice and beautiful and it will then pay you and everyone else to attend. Interest yourself and that will interest your neighbor."

With such a spirit surely the Holland Methodists will all contribute their two coins daily for the next five years to come.

A wise member in the Holland church has thought out a slogan peculiarly fitting that spread far and wide in this state and also in the nation; it says "If Mulliken, we can."

MANY CHANGES IN HOLLAND'S EATING HOUSES

The Government express office has moved from the Holland City State Bank building to the Hotel Holland block in the store building formerly occupied by the soldiers' canteen.

This move was brought about because in the very near future \$50,000 will be spent to remodel the bank and the space occupied by the express company had to be utilized for banking purposes.

John Hoffman, proprietor of the Hotel Cafe, is also moving from the hotel and is now located in the building formerly occupied by the Cummings Pool room on Central avenue.

Mr. Hoffman has leased both the Cummings pool room and the Vander Linde & Visser clothing store and will shortly convert it into a cafeteria that will be conducted along the most approved lines. The interior will be of white enamel, throughout and cleanliness will be the watchword.

The Vander Linde & Visser clothing store will be moved to 50 East 8th St. in the near future. This is the building now occupied by the Casper Belt Barber shop. Mr. Belt has not yet decided where he will locate.

"IF MULLIKEN—WE CAN," SAYS M. E. CHURCH

The Methodist denomination in America has taken upon itself to collect in this country \$120,000,000 among its members, this money to be used in bringing Christianity to the ends of earth.

As in the Liberty Loan drive each church has a "quota" and "over the top" and each church may have its "patriots" and "slackers."

The Holland church has a quota of \$14,000 and it has five years to go over the top in. Should there be no slackers and every member does his or her bit each will be required to pay into the Centenary fund the sum of 24¢ a day.

Should slackers appear, the burdens will then fall heavier proportionately upon the faithful and for that reason a rather strict tab is going to be kept of all members to see that they come across with two-pence daily. One town in Michigan has already gone over. The name of the town is Mulliken, Michigan.

A wise member in the Holland church has thought out a slogan peculiarly fitting that spread far and wide in this state and also in the nation; it says "If Mulliken, we can."

BEECHWOOD SCHOOL TO PUT UP A NICE BRONZE TABLET

At a meeting of the Beechwood school P-T club it was decided to put up a large bronze tablet containing the names of the soldiers from that district who participated in the big world war.

The tablet will be conspicuously placed so that all who pass can read the names distinctly.

A varied program of reading, music and speaking was given at the school house. Reports of delegates who attended the state convention held in this city last week were read and the evening's deliberations wound up with a business meeting.

Gerald Slagh was in Grand Rapids on business Saturday.

Attorney Arthur Van Duren was in Grand Rapids on business Monday.

John F. Veltman, Hope '15, spent the day visiting Hope College.

COMMON COUNCIL (Official)

Holland, Mich., May 7, 1919

The Common Council met in regular session and was called to order by the Mayor.

Present: Mayor Bosch, Ald. Buis, Prins, Brieve, VanderBrink, DeVries, Kammeraad, Brink, Lawrence, Dobben, Dykstra, Wiersma, Vander Lint and the Clerk.

The minutes of the last two meetings were read and approved.

Health Officer Godfrey being present addressed the Council relative to the result of an analysis of our city water by the State Engineer, also relative to conditions existing around the stations from which the water supply is taken, and recommended that the matter be referred to some committee to make proper investigations, and also to take up the matter with the State Engineer.

On motion of Ald. Dykstra, The matter was referred to the Committee on Sewers, Drains and Water Courses, the Board of Public Works and the City Engineer.

PETITIONS AND ACCOUNTS

H. Kroese and A. Romey petitioned to come under the compulsory sewer ordinance, and presented agreement waiving service of notice and everything else necessary to come under said ordinance, and have their premises described as No. 11 W. 17th St. and No. 9 W. 19th St. respectively, connected with the Sanitary Sewer System.

Accepted and granted.

G. J. Buis petitioned for permission to extend an air tube along the sidewalk abutting the property immediately west of the Knickerbocker Theater.

Referred to the committee on Sidewalks with power to act.

H. Prins and others petitioned for the construction of a sidewalk on the North Side of 19th street, between Pine and Maple Avenues.

Referred to the Committee on Sidewalks.

The Star Auto Co. petitioned for permission to place an extra gasoline tank under ground, adjacent to their property No. 25 West 7th street.

Referred to the committee on Streets and Crosswalks and the Chief of the Fire Department.

W. D. Mokma and others petitioned for the construction of a sidewalk on the South Side of 19th St. between First and Van Raalte Avenues.

Referred to the Committee on Sidewalks.

Fred Sherwood and tags petitioned for the construction of a Sanitary sewer in 12th and 14th street east of Lincoln Avenue.

Referred to the Committee on Sewers, Drains and Water Courses.

Jas. L. Hill and others petitioned for the construction of a Sanitary sewer in 11th St. east of Lincoln Avenue.

Referred to the committee on Sewers, Drains and Water Courses.

P. De Jonge and others petitioned for the construction of a sewer in 21st St. between First and Van Raalte Avenues.

Referred to the committee on Sewers, Drains and Water Courses.

H. Van Lente and others petitioned for the placing of a street lamp at the intersection of 20th St. and Michigan Avenue.

Referred to the committee on Public Lighting.

H. P. Kleis and others petitioned for the construction of a sidewalk on the south side of 1st street between Columbia and Lincoln Avenues.

Referred to the Committee on Sidewalks.

H. Vander Heuvel and others petitioned for the construction of a sidewalk on the west side of Maple Avenue between 18th and 19th streets, and the necessary crosswalk to connect with sidewalk north of 18th street.

Referred to the Committee on Sidewalks.

J. H. Dyke and others petitioned for the construction of a sidewalk on the south side of 18th street, between Maple and First Avenues.

Referred to the committee on Sidewalks.

Report of Standing committees

The Committee on Ways and Means reported having received bids for City Printing from the Holland City News and the Economic Printing Co. for job work; and from the Holland City News for Council Proceedings and advertising, and that the bid of the Holland City News was the best bid and most advantageous to the City, and recommended that the contract for the ensuing year for both job work and advertising be awarded to the Holland City News as per their bid dated May 6, 1919.

Adopted.

The Committee on Ways and Means reported having received bids from the local banks for interest on daily balances of city funds, and that the bids were the same as those received last year, being 2 1/4 per cent, and recommended that the same be accepted.

Adopted.

The committee on claims and accounts reported having examined the following claims and recommended payment therefor:

The Flow of Meat

Two-thirds of the live stock in the United States has to be raised in the West.

One-half of the consumers of meat live in the East.

In other words, most of the live stock is one or two thousand miles distant from most of the people who need it in the form of food.

Fifty years ago, when live stock was raised close to every consuming center, the country butcher could handle the job after a fashion.

But the job got too big.

Now millions of animals have to be moved hundreds of miles to millions of people. Somewhere on the way they have to be turned into meat.

The packers solved the problem. They set up plants where the "live haul" and the "meat haul" were in the right balance. They built up distributing systems—refrigerator cars, refrigerating plants, branch houses. They saved time, money and meat everywhere. The stockraiser benefited in better markets and higher prices; the consumer, in better meat and lower prices.

As the country grew, the packers had to grow, or break down. Because of its present size and efficiency, Swift & Company is able to perform its part in this service at a fraction of a cent per pound profit.

\$35,283.86

Allowed and warrants ordered issued. The Board of Public Works submitted its annual report for the fiscal year ending March 17, 1919.

Accepted and filed. The Board of Public Works reported as follows:

As a result of action taken by the Board of Public Works and concurred in heartily by the common council at its session last evening the sum of \$30,000 has been added to the subscription of this city to the Victory Liberty Loan. The Board of Public Works previously subscribed \$20,000 to previous Liberty Loans and with the \$30,000 added last night, that board will have \$50,000 in government bonds. The council unanimously approved the action of the board, with the only conditions that all the bonds should be registered. The board's reason for making the subscription was given in the following communication:

To the Honorable, the Mayor and Common Council of the City of Holland.

Gentlemen:—At a meeting of the Board of Public Works held April 25th, 1919, the Board, by a unanimous vote, decided to purchase \$30,000.00 worth of Victory Bonds. The reason for the above action of the Board was that in 1923 they will have \$57,000.00 worth of bonds on the bonded indebtedness falling due. In view of the fact that the Victory Bonds come due about the same time and that the bonds only pay 2 1/2% on daily balances whereas the Victory Bonds pay 4% interest, the Board would be saving approximately \$675 per year. The reason that the Board has kept such a large surplus on hand was to meet the bonds when they became due and also to meet any emergency that may come up. Therefore, the Board respectfully asks that

you approve of their action.

Respectfully,

Wm. Winstrom,
Clerk of Board.

On motion of Ald. Lawrence, the action of the Board was approved, and it was recommended that the Board should have such bonds registered. The Board of Public Works reported the collection of \$10,670.19, light, water and main sewer fund collections. Accepted and the treasurer charged with the amount. The Treasurer reported the collection of \$992.05 from the Holland Hospital; \$8.61 from Chief Van Ry for Probate Fees and \$5 from the city engineer for the sale of junk. Accepted and the treasurer charged with the amount. Justice Van Schelven reported the collection of \$20.90, Ordinance fines and officers' fees and presented Treasurer's receipt for the amount. And said resolution was carried with the amount. The clerk presented bond of Egbert Beekman as Constable of the second ward, with G. Beekman and J. Klein as sureties. The clerk presented oath of office of J. A. Kelley as member of the Board of Park and Cemetery Trustees, and J. J. Rutgers as member of the Board of Police and Fire Commissioners. Accepted and filed.

Motions and Resolutions. On motion of Ald. Wiersma, the city engineer was instructed to establish grades for sidewalks on all streets for which petitions have been presented for the construction of sidewalks. Carried.

On motion of Ald. Wiersma, Whereas the Common Council did on the second of April, 1919 unanimously pass the following resolution: WHEREAS, Mr. Dick Boter has recently publicly offered to tender his resignation as a member of the Board of Public Works of the City of Holland, if such was desired, and expressed himself as out of sympathy with the Common Council; therefore

RESOLVED, that it be the sense of the Common Council that the best interests of the city and of the Board will be served if Mr. Boter will so resign and that his resignation is hereby requested for best interests of the City and for harmony between the Board and the Common Council.

And said resolution was duly transmitted to Mr. Boter by the Clerk of the Common Council, and

WHEREAS, Mr. Boter has not complied with said request, notwithstanding five weeks have elapsed, and the same reasons which impelled this body to pass said resolution will prevail, and in order to avoid further misunderstanding between the Board and the Common Council, due to the presence of Mr. Boter on said Board; therefore

It is deemed necessary that the Clerk of the Common Council be directed to personally transmit a copy of this resolution to Mr. Dick Boter, and respectfully request him to immediately comply with the same and thereby forestall any further action on the part of the Common Council.

Carried, all voting aye with the exception of Ald. Kammeraad and Vanden Buijk, who were excused from voting. Adjourned.

RICHARD OVERWEG,
City Clerk.

COMMON COUNCIL

(Official)

Holland, Michigan May 5, 1919
The Common Council met pursuant to the provisions of the City Charter to fill the several appointive offices, and was called to order by the Mayor.
Present: Mayor Bosch, Alds. Blue, Prins, Brueve, Vanden Brink, De Vries, Kammeraad Lawrence, Dykstra, Wiersma and Vanden Buijk, and the Clerk.
The reading of the minutes and the regular order of business was suspended.
The Mayor presented the following message: To the Honorable, Common Council of the City of Holland,
Gentlemen:

In spite of the fact that last year the city, like every other concern, labored under abnormal conditions, due to the war, and in spite of the fact that by reason of that the municipal light and power plant incurred a heavy load in adverse conditions, including an abnormal rate of depreciation—in spite of all that, the plant cleared several thousand dollars in net profits.

That being the case, I would recommend to your honorable body that a committee of aldermen be appointed whose duty it shall be to confer with the Board of Public Works to consider the matter of the reduction of the electric light rates charged the consuming public who are the owners of the plant. In my judgment the light rates should be reduced to some extent because of the conditions I have stated.

I would further recommend that this committee, together with the members of the Board of Public Works go into the matter of a re-arrangement of the power rates. I emphasize the fact that I do not necessarily mean a reduction of the power rates, but I believe that the rates should be re-arranged and readjusted.

Respectfully submitted,
NICODEMUS BOSCH, Mayor.

Respectfully submitted,
NICODEMUS BOSCH, Mayor.

On motion of Ald. Lawrence, The message was accepted and ordered placed on file.

On motion of Ald. Lawrence, Resolved, that the matters contained in the Mayor's message be referred to a committee of five to be appointed by the Mayor. The Mayor appointed as such committee: Alds. Prins, Blue, Dykstra, Wiersma and Vanden Buijk.

The City Attorney reported that A. Mich. menhuizen has made complaint to him relative to the exhaust steam from the Fifth St. Station, being forced upon his property, immediately adjoining that of the station, and recommended that the matter be referred to the committee on Public Buildings and Property.

The clerk presented the following communication from the Board of Public Works: "At a meeting of the Board of Public Works of the City of Holland held on the 18th day of April, 1919, the Board of Public Works passed a resolution fixing the salary of the Clerk of the Board at \$1500 a year, to commence on the 15th day of May, 1919, subject to the approval of the Common Council, and provided for by the city charter. This action was taken based on an agreement heretofore made between the former superintendent of the Board, and the present clerk, in July, 1918, and the Board respectfully requests that the Council approve its action."

Respectfully submitted,
BOARD OF PUBLIC WORKS,
By Wm. Winstrom, Clerk.

On motion of Ald. Blue, Resolved, that the communication from the Board of Public Works be and the same is hereby ordered placed on the table. Said resolution passed, all voting aye.

The committee on ways and means reported for introduction an Ordinance entitled, "An Ordinance to Provide for the Payment of Salaries of Certain Officers for the Year A. D. 1919," and recommended that the same do pass.

The Ordinance was read a first and second time by its title, referred to the committee of the Whole and placed on the "General Order of the Day."

General Order of the Day
On motion of Ald. Prins, The Council went into the committee of the Whole, with the Mayor as chairman. After some time spent therein, the chairman of the committee arose and reported that they had under consideration an Ordinance entitled, "An Ordinance to Provide for the Payment of Salaries of Certain Officers for the Year A. D. 1919," asked concurrence therein and recommended its passage.

Ald. Wiersma moved that the report of the committee be adopted with the exception of the salary of the city clerk.

Adopted. Ald. Wiersma moved that the salary of the city clerk be fixed at \$700.

Said motion did not prevail. Ald. Prins moved that the salary of the City Clerk be fixed at \$2,000.

Said motion prevailed. The question then recurring on the adoption of the original report, that the report of the Committee of the Whole be adopted.

Said resolution prevailed and the Ordinance was placed on the Order of "Third Reading of Bills."

Third Reading of Bills
On motion of Ald. Lawrence, Resolved, that said Ordinance do now pass. The Council here proceeded to make the several appointments.

On motion of Ald. Dykstra, The rules were suspended and the following persons were by acclamation declared elected to the offices set opposite their respective names:

City Attorney—Chas. H. McBride.
President pro tem of C. C.—Ald. William Lawrence.

City Engineer—Jacob Zuidema.
Health Officer—Dr. B. B. Godfrey.
City Inspector—John Vanden Berg.

Director of the Poor—John Vanden Berg.
Fountainmaster—Lester Van Wey.
Member of Park Board—Rev. J. P. Battema.

Member of Park Board—John A. Kelley.
Member of Health Board—Dr. T. A. Boot.
Members of Harbor Board—G. J. Dieckema and J. J. Ooppen.

The City Attorney explained the present status of the Gas case, and stated among other things that the Gas plant would be placed on sale Tuesday, May 6, 1919, at 10 o'clock A. M., at the office of Ben M. Corwin, the Referee in Bankruptcy at Grand Rapids and recommended that a committee be appointed to be in attendance to show the good faith of the City of Holland.

Ald. Prins moved that the Mayor appoint such committee.

The Mayor appointed as such committee the entire council, city attorney, city assessor, city clerk, city engineer and B. A. Mulder.

The clerk reported that at a meeting of the Board of Health, held Saturday, May 3, 1919, bids for scavenger work and for the collection of garbage, were received as follows:

D. H. Oosting, for scavenger work \$1.00 when only one barrel, and 75c per barrel for two or more barrels; capacity of barrels not to exceed 33 gallons. Garbage 5c per can, capacity of can not to exceed ten gallons.

Gerrit Grissen, for scavenger work 75c per barrel. Garbage 5c per can; and the Clerk instructed to recommend to the Council that the contract for both scavenger work and for the collection of garbage be awarded to G. Grissen as per his bid dated May 3, 1919, and the provisions made by the Board connection therewith.

On motion of Ald. Lawrence, The contract was awarded to the said G. Grissen as per recommendations of the Board of Health.

Upon recommendation of the Mayor, On motion of Ald. Dykstra, The salary of J. Boerema, janitor of the City Hall was fixed at \$100 per month, beginning May 1st, 1919.

On motion of Ald. Blue, Resolved, that the Council give the Poundmaster a bonus of \$50 for the ensuing year and \$10 for pound rental, and that the same be paid in equal monthly installments.

Carried. Adjourned.

RICHARD OVERWEG,
City Clerk.

GRAND HAVEN STATE BANK IS HIGHEST BIDDER FOR SCHOOL BONDS

INSTITUTION BUYS UP BONDS FOR BUILDING NEW SCHOOL BUILDING

The bonds issued for the building of Grand Haven's new school in the amount of \$150,000 were sold to the Grand Haven State Bank. The bonds which were five per cent denomination were sold to the highest bidder at the special meeting Wednesday morning when the bids were opened. The stimulation in the bond market was noticeable in the bids of the various institutions which submitted proposals for the purchase of the bonds and the number of bidders in the field indicates the demand at this time for the class of bond offered by the Grand Haven Board of Education.

The bonds were sold at par with accrued interest and premium in addition thereto and the bids were as follows: Sidney Spitzer & Co., Toledo, O., \$1086; Keane Higbie & Co., Detroit, \$1636; Peoples Savings Bank of Grand Haven, \$1835; Halsey Stewart & Co., Chicago, \$1710; Paine Webber & Co., Chicago, \$1776; John Nuveen & Co., Chicago, \$2145; E. H. Rollins & Son, Chicago, \$765; First Trust & Savings Bank, Chicago, \$1890; Taylor Ewart & Co., Chicago, \$1237.50; George Ellis, Grand Rapids, \$1044; Prudden & Co., Toledo, \$75; Grand Haven State Bank \$3005.

The erection of the new \$150,000.00 school building will begin as soon as possible. The plans and specifications are now being prepared by the architect along the general plan published at the time of the special election when the proposition was put up to the property holders of the city for decision.

No radical changes are contemplated in the plans for the school, although some alterations may be made in the interior arrangement for the betterment of the building. The plans and specifications will then be submitted to the state school architect for his official approval, which is necessary now before any school can be used for educational purposes in the state.

The new building will be equipped with all modern apparatus for the education of the city's children. It will house the high school complete and there will be departmental equipment in for some of the grade work. It will contain an auditorium and physical training department or gymnasium manual training and domestic science rooms and equipment, which are now required by the state department of education.

The building at Grand Haven will be located on the school lot, facing 7th street, and the heating will be supplied from the plant which now supplies the heat for the present Central school building. The rooms now used for the high school in the Central building will be devoted to the grades, thus relieving the congestion in the present building.

MRS. LEATH RENTS MACATAWA BAY YACHT CLUB

Mrs. F. A. Leath who formerly conducted the Bay View Hotel and Mary Jane Inn at Macatawa has leased from the Michigan B'y Company the Macatawa Bay Yacht Club house.

She will open the place for the season next Sunday and intends to have everything in the best of shape for the coming season.

She has taken a three-year lease and says there will be no memberships, but that all will be welcome as long as they are ladies and gentlemen.

Dancing will be free and parking of automobiles will also be free.

She says she will especially cater to school and college parties and chicken and fish dinners can be prepared at short notice.

WHEN WHITE WINGS WERE STILL SAILED ON LAKES

MEN WHO TROD HER DECKS GO VOYAGING NO MORE BUT GOOD SHIP SAILS ON

Grand Haven Tribune Has Interesting Story From an Old Lake Captain

Here follows a very interesting contribution from a lake captain, who lives in Grand Haven and calls himself "Nauticus."

Among the vessels passing City Islands on April 12th, as reported by the New York "Journal of Commerce" was the schooner Charles E. Wyman, bound from New York to St. Johns, N. F. To most of the Grand Haven residents of the present day this name has little significance, but to those who go back a generation or two, it recalls the days when Grand Haven was an active lumber town and also famous for its smart and stout oak ships.

Charles E. Wyman built and occupied the house which still stands at 308 Franklin street and the family name is conspicuous in the early history of the city. He was head of the firm of Wyman, Buswell & Co., who operated a large lumber mill on the south side of the main river, just west of the approach to the Spring Lake bridge. The schooner which bears his name was one of the last of the sailing vessels built at Grand Haven and was launched at the Duncan Robertson yard, at the foot of Second St. in 1882. While this yard continued to build boats for more than ten years afterwards, sailing vessels were already on the wane and later construction was chiefly limited to steam craft of various types.

As if realizing that the days of the white-winged carriers were numbered and desiring to fittingly crown Grand Haven's glorious achievements in the realm of wooden ships, Duncan Robertson fairly outdid himself in designing and building the three schooners which marked his closing efforts in the line of sailing vessels. One of this famed trio was the Charles E. Wyman and the other two were built for the Cutler & Savidge Lumber Co. of Spring Lake. One was named for the late Hunter Savidge, and no yacht had more beautiful lines or taller or more graceful spars. She was a two-masted vessel and was launched with her spars standing, an innovation that startled the spectators when she keeled far over her beam-end as she took the water. Her companion ship was called the David Macy, and, like the Wyman, was a three-masted vessel of graceful lines and remarkable speed.

As long as the lumber lasted at their home port these vessels traded back and forth to Chicago and often made the run in steamboat time when the winds were favorable. When the stirring song of the saw was no longer heard in the valley of the Grand these fine ships, still in their prime, were forced to seek cargoes at other ports but they always carried local crews and came back to Grand Haven every fall to pass the winter. Eventually like most of the other Grand Haven boats, these splendid ships were transferred to other owners and their home-ports knew them no more.

One Saturday morning in the fall of '84, the writer was indulging in a favorite lark of the school-boys of that age, "riding on a tug". We were on the Duncan Robertson, new that year, and when we approached the harbor mouth our quest for a tow was rewarded by the sight of a sail off to the westward but headed for the piers so we stood out into the lake to meet the stranger. It proved to be the Wyman, running light and bound home to lay-up, so we rounded to and waited for her. I have seen many beautiful and stirring pictures in my time but doubt that any equalled the thrill and splendor of this graceful craft, driving homeward thru the blue fall sea with every inch of her towering white sails spread to the freshening north wind. There was something about the three schooners named that distinguished them above all others and the fame of their speed and beauty spread so far and so wide that no one any longer questioned Grand Haven's supremacy in the building of wooden ships.

In 1914, twenty years after I had seen the graceful Wyman speeding bird-like to her winter's nest, I again saw her in the harbor at Charlevoix, discharging her cargo of coal at the city pumping station. Her glossy white sides had given place to a sombre garb of black paint but otherwise she was as jaunty and trim as of old. Shortly after that like many other schooners, she went down to salt water and became a "coaster," with Bangor, Maine as her port of call. The fact that she is still in commission, despite her 37 years of strenuous service, is but another of the many and elegant tributes to the marked ability and sterling integrity of Grand Haven's early shipwrights.

A PERIOD OF CHANGED CONDITIONS

ARE AT HAND

Holland Is An Ideal Place To Make a Home

A CLOUD WITH A SILVER LINING HAS MADE ITS APPEARANCE

Educational publicity has become quite a feature in modern commercial life in recent years. In this world of hustle and bustle and rough-shod methods, the finer things in life are sometimes lost sight of.

The last few years have been strange years to all of us. One feels as if they have gone thru weeks and months of arduous work, thru heavy grueling, an intense strain and now finds himself fatigued, played out and with a longing for a rest, a changed condition—a new scene.

The war has been hanging over us like a pall as it were. One thing has crowded itself upon another, until we felt at times as if we were being overwhelmed.

The cloud with a silver lining has appeared however. The last Victory Loan successfully launched, tentatively ends the great strife as far as we directly and personally are concerned and the past two years will soon be a memory of a condition that we hope never will return in fact.

It is now time to clean the slate, to forget in a measure the past and think more directly of the immediate future.

Make the trend of your thoughts flow into different channels. Think, if you will, of upbuilding, reconstruction, creation, home, ideal living conditions, etc.

These thoughts so diametrically reverse from the mind pictures of the past two years, make one feel as if he is going on a vacation, is going to see new scenes, is going away from a harsh sordid reality, to more pleasant conditions, better thoughts, quieter surroundings and a more peaceful atmosphere.

With these vastly changed conditions one soon begins to think of one's own welfare and that of his dear ones and it is upon this that we most particularly wish to lay much stress.

We wish to point out from week to week, dwelling at length upon the reason why Holland is an ideal city in which to live, and why this city is of the right size, with the best conditions existing, in which to bring up one's family among the most wholesome environments.

Why Holland is an excellent location in which to get a new start in life and what Holland affords in the way of everything that makes life worth living.

We will also, take you step by step thru the Charles P. Limbert's plant and try to explain, in a measure, the rapid development of this large enterprising wood working institution, the spirit of cooperation existing in all departments and the ideal conditions that surround the working forces which make for the success of one of this city's leading manufacturing institutions.
