While the health and vigor hold out, put some money away in the Bank

It's not "all right," but "all wrong" to go carelessly along spending all you make. The time will come when you will need the money you are throwing away in extravagance. Money is always a SURE FRIEND. When you make this sure friend, don't cast "him" aside. DON'T do it. BANK your money. We invite YOUR Banking Business.

**HOLLAND CITY STATE BANK**

## Wedding Gifts.

High Grade 100 piece-Dinner Sets, Guaranteed Decoration \$32 and \$35

Semi-Cut Glassware, such as: Sugar and Creamers, Comports, Vases, Bowls, etc. 60 cents up  
China Salad Bowls 60 cents up  
China Cake Plates 60 cents up  
Imported China Sugar and Creamers 75 cents

## AND TO FURNISH THE NEW HOME:

A great variety of Kitchen Utensils: Aluminum Ware, Knives, Forks, Spoons, Enamel Ware, Washtubs, Washboilers etc. etc.

At the Lowest possible Prices

**A. Peters** 5 and 10 Cent Store and Bazaar.

East 8th St., Cor. Central Ave.

**HOOD**  
The "Thrift" Tire

This is the year to save money on tires. Start on HOODS.

Any tire dealer can get them from a nearby distributing point. See Tire Rate Book.

**TIRES**

Hood Rubber Products Co., Inc., Watertown, Mass.

### NEARLY GIVEN AWAY

For two days, Friday and Saturday, special sale of good quality toilet paper, large 5 ounce rolls, 7 for 25c. A. Peters 5 and 10 cent store and bazaar, East 8th St., corner of E. 8th-st. and Central avenue.

Marshall Irving was in Grand Rapids on business Monday.

Born to Mr. and Mrs. Julius Brusse at Holland hospital, a boy, Henry Witwer.

## HOPE CHURCH IS NOW TO MAKE IMPROVEMENTS

WILL PUT IN NEW HEATING AND VENTILATING SYSTEM

Several churches about the city have been making extensive and expensive improvements.

The First Reformed church has recently expended some \$20000 for its new addition; the Third Reformed church has just spent more than \$10000 for its rejuvenation, and now Hope church is following in line with an extensive improvement program.

Several thousand dollars are to be spent for a new vacuum heating and ventilating system something that no public building in the city has up to this time.

Under this system there is a constant change of air, the foul air is taken away immediately, and fresh ozone takes its place.

This new system will necessitate the placing of two new boilers and other apparatus that has to do with ventilation.

The contract for this work is to be let in a few days, and excavation for construction will start immediately.

The church will also be redecorated; improvements will be made in the church parlors and the kitchen too, used in connection with social functions held in the church, will receive some attention when the building program is made out.

It is expected that all this will be completed by early summer.

## CHURCHES HAVE SELECTED TURNS TO GO TO POOR FARM

For the last few years it has been the custom of the different church denominations in the different parts of the county to supply the inmates of the county infirmary with religious exercises and song service during the spring and summer.

The assignments to Holland are as follows—May 4, the 4th Reformed church; June 5, the First Reformed church; June 19, Trinity church; July 3, Fourteenth St. Chr. Ref. church; July 7, M. E. church; July 31st, Maple Ave. Chr. Ref. church; August 14, Hope church; August 28, Ninth St. Chr. Ref. church; September 11, The Third Reformed church.

Delegations from these churches will prepare programs for the different dates assigned to them, and will drive to Eastmanville by auto on these respective dates.

## THE RAINBOW KIMONO PLAYS TO A GOOD HOUSE

The play "The Rainbow Kimono" given by the Senior Camp Fire Girls of the local high school was very well attended.

The play was given in behalf of our city clinic, all proceeds going to that worthy cause.

The program and cast of characters follow below—

"The Rainbow Kimono"  
Scene 1—Time—Present  
Setting—Miss Penelope Wright's Collegiate School for Young Ladies, Clairmont on the Hudson

Act I—Nellie Van Tassel's Study. The meeting of the Rainbow Kimono Society.

Cornet Solo with Violin obligato. Act II—Same scene, one week later. Music by High school orchestra under the direction of Miss Ruth Keppel

Cast of Characters  
Nellie Van Tassel.....Grace Gardel  
Edith Jones.....Margaret Donnelly  
Ruth Ashton.....Louise Whitcomb  
Alice Marion.....Beuna Spears  
Beatrice Courtney.....Ella Harrington  
Olive Mercer.....Florence Walsh  
Winifred Turner.....Adelia Heneveld  
Isabel Intro.....Martha Barkema  
Rose Jackson.....Martha Gabbard

## BASE BALL PARK TO BE USED BY BIG TEAM ONLY

THE FIRST CONTEST WILL BE BETWEEN INDEPENDENTS AND CHICAGO GIANTS

Mayor Stephan To Pitch First Base Ball; To Be Caught By Ben Brower, Park Commissioner

Holland's baseball park has been rejuvenated. Members of the Holland Independents have been working on it night after night for a month past, laying the entire field, and today the soft outfield which was most difficult to play on, is as good as any.

The formal opening of the park will be a week from Saturday, May 28, when the local baseball team will cross bats with the Chicago Giants.

The control of the baseball park has been placed by the common council under the direct supervision of the park board. After due consideration of all the interests involved, the park board has limited the admission to the grounds largely to the Holland Independent baseball team, to the extent that during the present year the grounds cannot be used by anybody or association without first getting the consent of the Park Board.

The Board has placed these restrictions for the reason that for other playground purposes the children of Holland have several spots available for baseball purposes and kindred sports, scattered throughout the city.

There are the 19th street grounds, Hope College grounds, playgrounds at the corner of 11th street and Maple avenue, one large playground in the 6th ward, and also one in the 6th ward, besides the Vander Veen lot, recently purchased by the Board of education on River Avenue between 15th and 16th streets, and several other places where games of sport can be held.

No doubt the board feels that thousands of Holland fans are interested and attend the big games, and the local baseball teams have spent considerable money getting these grounds in shape. It is therefore hardly fair that little scrub teams between games should damage these grounds thus hindering the big teams in their play when the season comes for them to use it.

At the opening game on May 28, the Park Board is to take a hand.

John Kelley will make several announcements, Mayor Stephan will pitch the first ball, while Comm'r Ben Brower will be on the receiving end, and even the venerable G. Van Schelven will be asked to umpire that play.

This game is going to be pulled off with a bang.

The American Legion band will head a parade that forms at the tower clock, and will be followed by the Mayor, Common Council and Park Board with the two teams bringing up the rear.

Holland will know at that time the local team has started off on its summer schedule.

SOME OBJECT TO HAVING SEVENTH STREET PAVED

THE COST WILL BE \$6.84 PER RUNNING FOOT, IT IS ESTIMATED

A petition was handed in to the Common Council signed by a number of property owners on Seventh street asking that the proposed street paving be not undertaken this year because of the high cost of materials.

Alderman Brive asked that the petition be filed for the reason that these same property owners will have a chance to protest at the meeting called for that purpose on the evening of June 15, when they can state their objections before a special meeting of the common council.

The city engineer has prepared an estimate of cost on this Seventh St. paving and found that the total amount would be \$41,397.77 or \$6.84 a running foot. This estimate is based upon a concrete pavement, the material asked for by a majority of the property owners along that street.

COUNCIL TO FORCE SIDEWALK LAYING

PROPERTY OWNERS GAVE EXCUSES FOR DELAYING

Aldermen were rather outspoken about property owners who have neglected to lay walks in front of their vacant property after these walks had been ordered put in for a year or more.

It was pointed out that a year ago cement was hard to get as well as labor but today this condition has all been changed and the city fathers went on record, and wanted it understood that these walks must be laid immediately or the city engineer has been instructed to lay them and to charge the expense for so doing up against the property.

Walks were ordered on West 18th, East 21st, East 14th streets, between College and Columbia and on West 12th street.

Here is something new at least in a wall paper sale. You buy one roll of wall paper at Bert Slagh & Son's at the regular price and the next roll goes with it for a penny more. Surely a cheap way to buy at this time of the year when the thoughts of the housewife runs to paper and paint.

## CONDEMNED PROPERTY BRINGS SOME QUICK SALES

LAST MAN TO BUY HOME TO BE TORN DOWN MAY GET STUCK

A very anxious foreigner awaited the decision of the Common Council last evening when it was made known that a house he had purchased from a Mr. Lotman had been condemned by the city and was to be torn down.

The man had made a bargain with Lotman purchasing it for \$500 and paying \$300.00 down. This is the plaintive story which he gave to the mayor and aldermen last night.

The matter brought considerable discussion when it was found out that this particular house had been condemned two years ago when it was owned by a Mr. Courtney.

Courtney sold the place to another party whose name was not given. Then the house was again condemned and ordered torn down therefore this man quickly disposed of it to a Mr. Lotman.

Lotman dropped the house proposition quickly selling it to the foreigner for \$500. Now the man wishes to fix it up for a home and besides he has \$300 tied up in it and for that reason the aldermen were rather slow in ordering the house destroyed.

Mayor Stephan in going into the matter stated, "Boys that's what you get when you don't finish what you start out to do. That house should have been torn down the first time it was ordered done. If it is a nuisance it should be pulled down, but I hesitate now and advise that you go slow in this matter."

This poor man has his money tied up in this house that he intends making his home. He was in ignorance of any such action being contemplated or he certainly would not have purchased the place and apparently he was not told by the former owners. This body should see that justice is done this man."

Alderman Blue suggested that the city fathers go to the house in a body on Friday evening just before the special council meeting is called which was agreed upon.

Alderman Prins brought down the house when he said in his roll way, "Why condemn this poor man's house? Two years ago they were going to tear down the whole first ward. It was no good, the state fire marshal said. I see they are still standing yet today."

## SEVERAL IMPROVEMENTS CONTEMPLATED IN G. E. KOLLEN PARK

LANDSCAPE GARDENER STATES WILL MAKE ONE OF FINEST PARKS EVER

Many new improvements are being considered for the G. E. Kollen Memorial park, formerly known as the C. L. King property. What these improvements consist of is better told in the report of Chairman of the Ways and Means committee, Mr. Wm. Lawrence, submitted to the Common Council last evening. This report is interesting and speaks for itself and follows below:

Mr. Mayor— Under this head we might report to the Council about the work we are doing in conjunction with the Park Board at the Geo. E. Kollen Memorial Park. So far we have accomplished the work of removing all the ashes and rubbish, amounting to hundreds of loads; and also the removal of hundreds of tons of old wire which made the place so unsightly. Then further we have leveled and filled in some of the more unsightly holes—altogether making the place looking a hundred per cent better than it did six weeks ago.

Tuesday we let the contract for the blasting out of the concrete vats, and after this work has been accomplished we shall be ready for the plans. We are at present negotiating with Mr. Goebel of Grand Rapids, one of the greatest architects and landscape gardeners in the country, to prepare for us plans and specifications for the laying out of the park.

Mr. Goebel has been on the ground twice and claims that in his estimation, considering the topography and its location bordering on the lake, this piece of property is one of the most ideal for park purposes he has ever seen, and that after being fully developed, this park would be one of the city's greatest assets, and one of the beauty spots in the state.

In conclusion we would suggest that in the very near future the common council officially place the park under the jurisdiction of the park board with the hope that the council will give every assistance to the board for the development of the property.

Respectfully submitted, Wm. Lawrence.

## MAYOR APPOINTS A COMMITTEE TO LOOK OVER HOSPITALS

MAYOR APPOINTS A NEW HOSPITAL COMMITTEE FOR COMING YEAR

Alderman Benjamin Wiersma brought up the fact at a meeting of the Common Council last evening that a vacancy occurred in the Hospital committee because of the retirement of one of the aldermen and he therefore made a motion that the entire committee be retired and that a new committee be appointed by the mayor.

This was concurred in by the rest of the council members, therefore Mr. Stephan appointed the following three men—Aldermen Wm. Lawrence, Ben Wiersma, and Peter Prins.

The mayor then brought up the matter of a new hospital for Holland and stated that he had received a copy of an Owosso paper giving detailed description of the new hospital erected there, and from the figures given as to the cost of erecting this hospital, the amount was far below the figures already received by the Holland hospital committee.

The mayor therefore thought it wise that a committee of five be appointed to make a trip to Owosso and look over this new hospital, and at the same time get in touch with the builders, and the city authorities there. The committee could at the same time drop off at Ionia, which is on the way, where a new hospital has also just been completed.

The aldermen took kindly to the suggestion and voted unanimously to have this committee appointed.

Just what time the aldermen would make the trip has not yet been definitely decided but no doubt it will be after Decoration day.

The names of the committee appointed by the mayor are as follows—Aldermen Wm. Lawrence, Peter Prins, Frank Brive, Ben Wiersma and Peter Damstra.

## WEST SIXTEENTH STREET IS TO BE FIXED UP

TOWNSHIP WILL ALSO HELP ON THEIR END

About the most wretched street in the city is Sixteenth street in front of the Shoe factory and beyond to the west. If swearing really produced blue streaks than these might be emanating from nearly every automobile going over this poor stretch of highway.

The aldermen were unanimous in condemning the street and are prepared to take action in order to have it improved. The city engineer has been instructed to get an estimate of cost in order to find out what the improvement will cost the city.

This will be ready by Friday night. It will be first necessary to lay surface drains which will be the most expensive part of the job.

The street car company was also scored for not having their road properly planked between the rails at that point. The city attorney was instructed to serve notice on the company asking them to make their part of the highway passable and if this is not done within the next three weeks the city engineer will be instructed to make these improvements and the expense of doing so will be assessed to the property of the Michigan Railway.

Holland township officials have promised to take care of their end of this much traveled road to Michigan and the reports and no doubt the common council at the next meeting will order the improvement made.

Alderman Vander Hill of the 6th ward says it all when he stated that this is the rottenest piece of road in Ottawa county and does not reflect to Holland's credit.

## COUNTY CLERK SLUITER GETS MARKERS FOR SOLDIERS' GRAVES

RELATIVES MAY HAVE GRAVES OF SOLDIERS MARKED BY GOVERNMENT

The United States government is prepared to mark the graves of the soldier and sailor dead, who made the supreme sacrifice for their country in the world war. The markers are forty inches in height by two and one-half inches thick. The stones are of American white marble and will contain the name of the soldier, information as to his death and the name of his organization.

These stones are furnished by the government and set up at little or no expense to the relatives of deceased soldiers and sailors. The plan is similar to that followed by the government in marking the graves of veterans of the Civil war.

County Clerk Orrie J. Sluiter recently took the matter up with the proper governmental department as to procedure and he now has a supply of blank "markers" in his office which he will be glad to fill out and send in for relatives of the dead soldiers at any time.

## "AUTO MASHER" GETTING BUSY IN HOLLAND

"The Auto Masher" is a new phrase coined by the police to describe a new pest that has become a real pest in Holland the last few weeks. Complaints are coming in daily to the police from girls and their mothers asking for protection against the "auto masher" and the officers have instructions to keep their eyes open for this particular brand of nuisance.

The "auto masher" however takes care that he gets in his work when there is no officer in sight. He annoys girls and women on the back streets, coaxing them to take a ride with him. Several girls and women have been thoroughly frightened by "auto mashers" lately and have appealed to the police.

"Women who are annoyed in this way would help the police by taking the number of the car," said Chief Van Ry, "we could very quickly bring a few of these mashers to justice and they would serve as an example for others. Respectable women who are annoyed in this way are of course usually frightened and are too nervous to take the car's number. But by adopting this course women could do much to help stamp out this nuisance in Holland. Without such aid it is practically impossible to locate the culprits."

The situation is complicated by the fact that there are of course "auto mashees" as well as "auto mashers"—girls who are on the lookout for auto flirtations. But from time to time the "auto mashers" make mistakes and accost other women who are thoroughly frightened by the encounter.

## NORTH SIDE GROC- ERY WAS ENTERED BY BURGLARS

The North Side Grocers, Messrs Van Huis & Elander are wondering whether a thief or an enemy entered their store between Saturday and Sunday night and made it look as if a cyclone had struck it.

The burglars entered the side door by prying open the bar, and began throwing things around generally.

One of the proprietors was informed Sunday by Mr. Van Dyke that the side door of his store was open, and upon investigation, the state of affairs was found as chronicled above.

An inventory shows that little or nothing was stolen and the owners of the store are wondering if they have an enemy that they know nothing about.

An investigation is now being conducted.

## PHEASANT AND HENS MIX THINGS AT SAUGATUCK

"Fine Feather Make Fine Birds," and this is actually so with the Golden pheasant, whose plumage is of the most gorgeous variety and the male at least, spends the most of his time guarding his tail.

Some three years ago the State Game Department, and the game wardens of Ottawa and Allegan counties released a hundred or more pheasants in these parts.

Some were taken to the woods adjacent to Saugatuck. Last week the game warden was called by a farmer in the neighborhood, who stated that a beautiful golden pheasant had taken exception to a large Rhode Island Red rooster who was guarding his flock of Mamma Reds and a battle to the death followed with the pheasant coming out victorious.

The lady chickens were much taken up with the new brand of lord and master who was dolled up so brilliantly, and they followed him blindly, and are reconciled to their second love.

From a choice setting of the Rhode Island Red eggs a brood of chicks has just appeared which bear a very striking resemblance to baby pheasants.

If there were a divorce court in Chickendom this might have the Sullivan case beat off the boards.

## ROBBERS RIFLE TRUNK OF A TRAV- ELING SALESMAN

T. A. Mroz, traveling man for the Alfred Decker Cohn Company of Chicago, was the victim of robbery during the night while his sample trunks were at the Pere Marquette station where they arrived during the night. The robbers took one of the wardrobe trunks from in front of the depot to the bank of the swamp, where they opened it and took out 12 overcoats, 14 suits coats, and three suits of clothes.

Evidently they tried to get away with their plunder by stealing an automobile. It was later found that Sam Miller's car had been shoved out of the garage, but it was abandoned, the robbers probably becoming frightened. The robbery took place between 1:45 and 2 o'clock. Chief of Police Van Ry was called and he was on the job a few minutes after the call came.

The police discovered that the robbers walked to Waverly with their plunder stole a handcar and escaped in that way.

J. J. Althuis formerly of Holland, of Lafayette, Ind., has declined a call to the Reformed church at Vriesland. Mr. Althuis is a graduate from both the College and Seminary here.

## HURRAH! NO MORE UMBRELLAS TO LOSE OR CARRY

The "Rainy Day Umbrella Club" is the name of a new organization that is being launched in the city of Holland and from the way the basic idea of the club has been received by those to whom the project has been presented it promises to be a winner. The appeal of the plan lies in the in-born prejudice of the average person against carrying an umbrella. The members of the club that is being formed will have an opportunity to get an umbrella in almost any part of the city wherever they happen to be whenever it rains and when it stops raining will be able to leave the umbrella in almost any other part of the city, where they happen to be and think no more of umbrellas until the skies are again cloudy.

The plan which was conceived by Marshall L. Irving from a chance remark of a comrade while in France, is being put on trial in Holland and if it continues to be greeted with enthusiasm promises to extend itself into other cities and states in a short while, with the result that members of the club may have satisfactory umbrella service wherever they may happen to be and at a nominal cost. Mr. Irving has associated with himself a "buddy", Norman A. Cobb, who is giving his full time to the managing of the club and who is not only giving it an enthusiastic start in Holland already, but is in touch with men in other cities who are awaiting the word to handle the proposition in their home localities.

In order to assist him in getting the details of the proposition in good working order Mr. Irving has consulted freely with local citizens and particularly with C. E. Drew and T. N. Robinson, who are backing up his efforts and the efforts of Mr. Cobb to get the plan in working order. These men have given a great deal of time to the proposition and are helping furnish the equipment necessary for putting it into effect.

The idea presented by Mr. Irving is very clever. Members of the club will be issued membership cards and umbrella checks. Umbrella stations have already been arranged in the following business houses: S. W. Miller, Depot Restaurant; B. F. Miller, East End Restaurant; Holland Candy Shop, East 8th street; Holland Candy Kitchen, W. Eighth Street; A. Arnold's Candy store, south of Colonial Theater, and more will be established to meet the needs of the club. All that is necessary for members to do to obtain an umbrella is to step into a station with their card and check, leave the check and receive an umbrella. The process is reversed when the umbrella is no longer needed. A check and card in the pocketbook or purse is thus as good as an umbrella for protection from rain without any of the inconvenience and loss that usually attends the carrying of the umbrella itself.

The idea is of course entirely original and new. The greeting that it has thus far received has been very favorable. The management is proceeding on the theory that the plan is entitled to a fair trial and that the only method of determining the value of the service is to try it out.

## NOMINATIONS ARE MADE IN HIGH SCHOOL CAUCUS

The annual caucus of the Holland High school, for the purpose of nominating officers of the Student Government for the coming year, was held Friday afternoon, May 13. The mayor, Herman Vande Water, opened the meeting by reading the rules and regulations governing the caucus and election. The following nominations were made: aldermen, 6th ward—Ruth Marcotte, William Nies, Harriet Heneveld, Alice Kraker.

5th Ward—Mable Du Mes, Ruthford Huizenga, Thelma Haas, Cornelius Houtman, John VandenBrink, Ruth Nibbelink.

4th Ward—Lillian Scott, Clarissa Poppen, Martha Schumacker, Lester Elferdink, Egbert Fell, John Henry Albers.

3rd Ward—Anna Barkema, Donna Landwehr, Cornelia Steketee, Clyde Geerlings, Robt. Fleming, Mary Nykerk, Russel Damstra.

2nd Ward—Kathryn Keppel Vernon Ten Cate, Ray Hill.

1st Ward—Fred Meyer, George Luidema, John Zweering, Ted Vanden Brink.

Treasurer—Harry Aldus, Gerrit de Koning. Clerk—Anna Meenga, Carol Van Hartesveldt.

Mayor—Maurine La Caff, George Damson.

After the nominations were made, registration was held in the different wards. The annual election will be held next Friday afternoon, May 20, and an interesting campaign is expected.

## TO BE INSTALLED PASTOR OF 14TH. ST. CHURCH THURSDAY

Fourteenth street Christian Reformed church will soon have a regular pastor again. Rev. J. M. Vander Kieft of Prairie City, Iowa, arrived in Holland with his family, Tuesday evening, and installation will take place tonight. Mr. Vander Kieft will be installed by the different ministers of the Christian Reformed church of this city, namely Rev. B. H. Elvink, Rev. J. W. Ghyssels, Rev. D. Zwiers, Rev. J. C. Schaap, and Rev. H. Keestra.

Besides the installation services a fitting program will be added. On Friday evening the congregation has planned a reception and social in honor of the new pastor and his wife. These functions will be held in the church parlors and no doubt the dominie and his family will be made to feel at home immediately.

Mr. Vander Kieft graduated from Calvin College and Seminary in '14, after which he attended Princeton for one year. From Princeton he took his first charge at Platte, S. D., where he remained from 1915 to 1918. From 1918 to 1919 he served as camp chaplain at Fort Dodge, Ia., where large bodies of soldiers were trained for duties overseas.

After the war he took a charge at Prairie City, Ia., where he has remained up to this time.

The 14th St. Christian Reformed church has been without a pastor since Rev. Herman Hoeksema left to take charge of the Eastern Ave. church at Grand Rapids, which is nearly two years ago.

The pulpit has been filled from time to time by ministers from the different churches of this denomination and by students from Calvin college.

## CITY OF HOLLAND TO RECEIVE A GERMAN CANNON

Holland was made the subject of a special bill in Congress under date of May 10, a copy of which bill has been received by C. E. Drew. The bill, introduced by Congressman Carl E. Mapes, is known as House Bill No. 6093 and reads as follows: "Be it enacted by the Senate and House of Representatives of the United States in Congress assembled, that the Secretary of War be, and is hereby, authorized and directed to donate to the city of Holland, State of Michigan, one cannon or fieldpiece captured by the American Army forces of the Imperial German Gov-

ernment during the World War." Some weeks ago the Social Progress Club decided that it would be desirable for Holland to have a German cannon and hence the secretary of that organization, Mr. Drew, was instructed to write to Mr. Mapes. The result of that correspondence was the introduction of the bill in congress by Mr. Mapes which will undoubtedly result in a cannon for Holland.

Mr. Mapes writes: "I am introducing one of the usual bills to give a German cannon to Holland. But I think you will remember that a general bill to dispose of the German trophies was held up in conference between the two houses in the last term of Congress. The principal difference between the two houses as I understand it was that the Senate bill provided for the distribution of the cannons among the states by the governors of the states and the House Bill by the members of Congress. The same legislation is started over again in this congress, and whether the trophies will be distributed according to the general bill or as per the numerous separate bills that have been introduced no one as yet seems to know. However, I shall be glad to keep Holland on the list and see that she gets one no matter which way the legislation turns."

Some weeks ago the Social Progress Club decided that it would be desirable for Holland to have a German cannon and hence the secretary of that organization, Mr. Drew, was instructed to write to Mr. Mapes. The result of that correspondence was the introduction of the bill in congress by Mr. Mapes which will undoubtedly result in a cannon for Holland.

## FIVE AND TEN MAN IS ADVERTISED BY HIS SON

A. Peters, the Real 5 and 10 man was given some unexpected notoriety in the Grand Rapids Press of Thursday. The item from this paper follows below and is self-explanatory:

PAGE ONE—Leo Peters, 12 years old, of 1207 Sigbee-st., wants the world to know that his father and mother have been married happily for 22 years. They are Mr. and Mrs. Abraham Peters and they observed their wedding anniversary Thursday.

It's all a surprise, of course—this having it in the paper. Leo that it would be a good anniversary present.

"Put it on the first page, too," he ordered, and you can send the bill to me. I have all the details. They were married in Paterson, N. J., and came to Holland in 1900. They moved to Grand Rapids last year. Their ages—what! you don't want their ages? Well, all right, but I got the ages—and everything.

"But don't forget—on the first page and send me the bill."

Born to Mr. and Mrs. George Hoving, a ten and a half pound boy, George Jr.

Mr. and Mrs. A. M. Galentine and family spent Saturday and Sunday with their parents near Greenville.

# POLLYANNA

THE ELECTRIC WASHES WITH THE SWINGING TUB

—The Pollyanna has leaped into leadership because it offers the American housewife a better washing machine at an amazingly low price. Pollyanna is without question the biggest washing machine value on the market to-day.

NOW ONLY

\$135

## DEFEATED HOPE TWICE; TO PLAY NEXT SATURDAY

The Hope Baseball team will meet the Grand Rapids Juniors here Saturday. The team has had several games and altho it has met with some reverses expect to have a good game with the visitors. The game is scheduled for 3:30 at the 6th Street ball grounds. Hope was defeated by Ferris Institute Friday 14-8 and by Pleasant Saturday 11-4. All the players however will be able to take their own positions Saturday, as far as it known and will be able to line up a strong games for the Junior college.

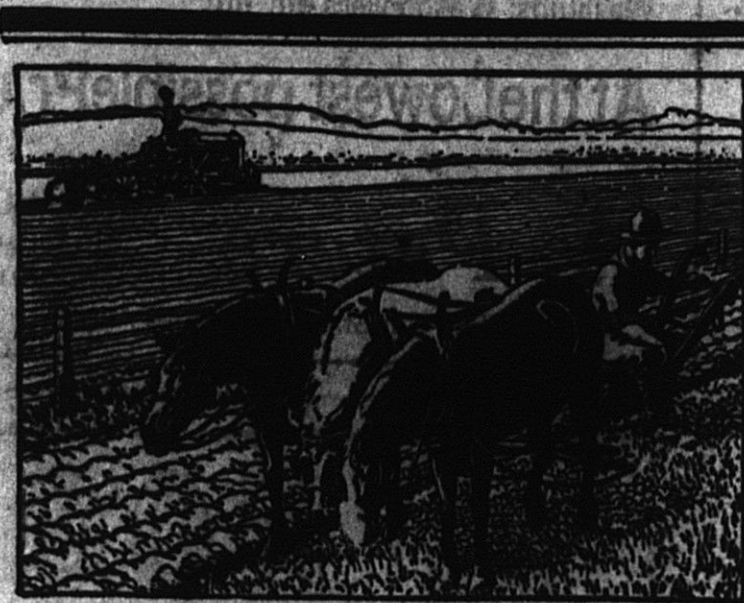

## GIVES ADDRESS ON SMITH-TOWNER BILL

Prof. Hinkamp of Hope College, gave a very fine address at Beechwood P.T. club Friday evening. His subject was "Education" and the discussion of the Smith Towner Education bill, which will be brought before the senate and congress at its next session. The secretary Miss Kuhl has been authorized to send letters to our representatives in these bodies to vote in favor of this bill.

Mr. and Mrs. Evans favored the club with two duets. Miss Martha Barkema sang in her own sweet way. Mrs. B. Van Lente of Pine Creek gave two readings. The accompanists of the evening were Mrs. Evans, Miss Angie Poppen and Mrs. Earl Kardux. Refreshments in the nature of coffee and sandwiches were served during the social hour.

Nunica and Grand Haven Odd Fellows lodges went to Holland Thursday night. The Holland lodge conferred the second degree on a class of candidates from Grand Haven and Holland. A banquet was served with impromptu talks and a general good time. Rev. H. W. Rogers of this city was toastmaster and sang several songs.—G. H. Tribune.

Born to Mr. and Mrs. Julius Brusse at Holland hospital, a boy, Henry Witwer.

## Tired Teams

Throughout the country there are many farmers with tired teams worrying about work that needs doing promptly and at the lowest cost per bushel. But there is also a rapidly growing army of Power farmers everywhere who know for a certainty that the Fordson and the Oliver No. 7 Plow work together not only for a quicker and better plowing job but for one that shows greater accomplishment at a less cost.

## YOUNG HOLLAND BUSINESS MAN TAKES A BRIDE

At high noon Friday in Munster, Ind., Miss Sarah Van Dyke became the bride of Mr. Jacob Fris, well known young local business man. The marriage was a complete surprise to most of the young couple's friends, only a very few being in the secret. The ceremony was performed at the home of Rev. and Mrs. J. K. Van Baalen, brother-in-law and sister of the groom. The double ring ceremony was used, but the couple were unattended. The bride carried a bouquet of bridal roses and was gowned in a beautiful blue tricotine traveling suit.

The bride is the daughter of Mr. and Mrs. Richard Van Dyke of this city. She was a graduate of Holland Business college, and for three years she held the position of stenographer and bookkeeper in the Sentinel office. Miss VanDyke is an extremely popular girl and has a host of friends.

Mr. Fris is one of Holland's best known young business men. He is a graduate of Holland high school and has for some years been conducting the Fris News Depot. After serving his apprenticeship there from boyhood up, he became the owner of the business a few years ago and he has since then very successfully conducted it at the old stand where it has been located for a score of years. A few months ago he also became the owner of the building in which the news depot is housed. Mr. Fris has been a moving spirit in Y. M. C. A. work in Holland and has served as secretary of that organization for a long time. He has shown an interest in all public movements and has taken an active part in the life of the city in many ways.

Mr. and Mrs. Fris left immediately after the ceremony for a wedding trip to Chicago, Niagara Falls, and Detroit. They will be at home to their friends after June first at 56 West Eighteenth street.

## ENGAGEMENT ANNOUNCED OF FORMER HOLLAND COUPLE

Word has been received from Cincinnati, O., regarding the announcement party given by Miss Alice Raap on April 30th for twenty of her friends, at which she announced her engagement to Mr. Matthew Jay Flipse. Miss Raap graduated from Hope College in 1919 and Mr. Flipse in 1917. Since her graduation she has been a teacher in the Cincinnati Public schools. Mr. Flipse is studying medicine in the Medical School of the University of Cincinnati and expects to graduate this month.

## SEVEN CO-EDS TO TRY FOR HONORS

The annual ladies oratorical contest for the Adelaide prize contest to be held at Winants chapel May 20. The winner of this prize will represent Hope in the Michigan State Oratorical contest. Seven orations have been submitted and pertain to a patriotic question. They are as follows:

"Perfect the Cup," "Regions Beyond," "The Challenge to Progress," "The March of the People," "The Lost Chord," "The Set of the Sails," "To Seek America."

The contestants are Magdalene De Young, Nellie Koe, Maxine McBride, Minnie Roozboom, Joan Van der Spek, Claribel Wright, and Winifred Zwemer.

## ANOTHER HOPE MAN WINS SCHOLARSHIP

Announcement has just been made that Rensy Evert Flikkema of Morrison, Ill., a member of the Senior class of Hope College, has been awarded a scholarship in chemistry in the Massachusetts State Agricultural College, at Amherst, Mass. Mr. Flikkema will specialize in agricultural chemistry and expects to win his Master's Degree in that subject, after which he will go to some university to work for his Doctor's Degree in the same subject.

The scholarship is for two years and carries with it a stipend of \$600 a year, including free tuition and laboratory expenses and a furnished room. Mr. Flikkema has been acting as assistant in chemistry at Hope College the past year. He took a four year course in chemistry at the local institution.

The scholarship announced Tuesday is the fifth one awarded this spring by universities and schools in other states to students in the Hope College Chemistry department.

Carol Hansen, son of Mr. and Mrs. Chris Hansen, is confined to his home with illness.

## ANOTHER STILL IS RAIDED IN ZEELAND

At 7 o'clock Friday evening there was considerable excitement and curiosity displayed by citizens on the hotel corner when Sheriff Delbert Fortney drove in with a load of prisoners followed by an automobile filled up with the paraphernalia with which booze is made.

The prisoners were Joe Kornoelje and his wife Anna, who were arrested on the charge of operating a still for the purpose of manufacturing moonshine.

The extra automobile contained several coils, three 15 gallon crocks, three gallons of booze, and a large consignment of mash.

Kornoelje works in a Zeeland factory, while it is said his wife attended to the still during his absence.

Sheriff Fortney and his men have known of this still for some time, but waited for an auspicious occasion to make a raid which took place at 4 o'clock Friday afternoon.

Besides Sheriff Fortney, Deputies Johnson and Moomey of Holland and Vander West of Grand Haven assisted in making the raid.

The prisoners were taken before Justice Brusse where they waived examination and the couple were bound over to circuit court giving bonds in the sum of \$1000 each.

Mr. Fortney has confiscated seven stills now in the past week.

## PROSPERITY IN AUTOMOBILE BUYING NOT DIMINISHED

As has been reported on several occasions within the past couple of weeks, although other lines of business aren't quite up to snuff, automobile trade seems to be another matter.

The Holleman-DeWeerd Auto Co. of Holland, Zeeland and Byron Center report the total number of sales of Ford cars during April as 73, while the used cars sold was 24, of Fordson Tractors 2. The total amount of business done in April was \$57,962.93.

This firm's statement of March shows that the amount of business done in March was a trifle larger, but considering the low price of cars, which would naturally lower the sum total, it is evident that more cars are being sold now than during the prosperous era, immediately after the war.

Although the prices of the cars are lower the amount of business is greater, which naturally proves that the amount of cars sold now is much larger than two years ago.

## HOPE WINS AND LOSES IN DEBATE

Hope College defeated Kalamazoo College here Friday night in a debate on the question of restricting Japanese immigration. Wilks B. Perkins, Jr., Peter J. Danhof, and Arthur W. Stace, managing editor of the Press rendered a decision of 2-1 in favor of the negation. The Hope team was composed of Peter De Vries, Abe Rybrandt and Jack Prius, while the affirmation was supported by Benj. Morley, Capt. Mae Grandall and Wm. Schier. Prof. H. G. Ozanne of the college faculty presided at the meeting which was well attended.

In the dual debate Hope's affirmative faction was defeated at Kalamazoo with a decision of 3-0. Among the judges at Kalamazoo were Mr. Crawford of Three Rivers and Breese head of the Department of Public Speaking at M. A. C. Hope's affirmation team was composed of Harvey De Weerd, Jerry De Vries, and W. De Ruiter, while Coleman Cheney, Harold B. Allan, capt., and Reuben Mehring supported the negation for Kalamazoo college. The question of Japanese immigration has been one of unusual interest in forensic circles. This is the last debate that will be held here on the immigration question.

## MAXINE McBRIDE WINS THE ADELAIDE CONTEST

The annual Adelaide Oratorical contest for ladies was held at Winants chapel Monday evening. Seven contestants were entered for the prize. Besides this prize the winner will also represent Hope in the State Oratorical contest next year.

First place was awarded to Miss Maxine McBride of this city on her oration, "The March of the People," second to Miss Nelle Koe of Fremont on the oration, "To Seek America," and the third place was a tie between Miss Johanna Vander Spek of Lyndhurst, N. J., and Miss Claribel Wright of Holland who stood equal in points and percentage. The former orated on "Perfect the Cup" and the latter on "The Lost Chord." The judges of the contest were Rev. James Weyer, pastor of the First church, Att. Jay Den Herder and Mr. Henry Winter. The Raven Contest for the men will be held soon and, in which Hope's representative for the state contest will be chosen. These orations are of a patriotic nature and the public is invited to attend them.

A case somewhat similar was tried out near Hudsonville recently and the portion of the right-of-way needed was appraised and condemned by the board appointed by the court. Dr. L. N. Tuttle was a Grand Juror. His visitor Monday.

## WANTS MORE TIME TO PRAY IN THE MORNING

Next Monday the city of Zeeland will vote on the question of "fast" or "slow time," and the pre-polling campaign is waxing hot in that city. The Zeeland Record Friday came out in a two columns and a half editorial against "fast" time and urged the voters to declare in favor of Standard time next Monday.

A farmer writing under the pseudonym of "Co-operation and Harmony" contributes another half column on the subject also strongly in favor of a return to Standard time. One of his arguments against "fast" time is that it does not give people time enough to pray in the morning. Says the writer:

"This change of time from standard to the so-called fast time is not only contrary to the rules of our land but is bad for people physically, mentally and morally. Why this rush to get to our work in the morning, with no time for meditation or grateful thanksgiving to our kind Providence for the night's rest and the day's light? This is one of the sins against which we should guard ourselves."

## ROYAL BELL RINGERS TIE UP WITH BIG CHAUTAUQUA

Mr. and Mrs. P. H. Brouwer, whose address is the universe since they never stay long enough in one place to get acquainted, blew into Holland Friday morning and blew out again Friday afternoon, returning to Chicago where the "Royal Bell Ringers" are laid up temporarily for repairs. The trip to Holland and Zeeland was purely a sentimental journey, Mr. and Mrs. Brouwer desiring to look up old acquaintances and shake hands with the people they knew here in former years.

Mr. Brouwer was in Holland the last time three years ago. Since that time the family, consisting of Mr. and Mrs. Brouwer, three sons and one daughter, have been playing on a lyceum circuit in the winter time in the South and on a chautauqua circuit in the West in the summer time. They have just completed a lyceum tour from New Orleans to Chicago, visiting 196 towns in 36 weeks and giving one or more concerts in each place. They are working for the White & Myers Chautauqua System of Kansas City, one of the best known chautauqua circuits in the country and have become widely known as the "Royal Holland Bell Ringers." They have given concerts before most of the governors of the southern states. Earlier in the season they played in New Orleans for seventeen consecutive weeks.

The Brouwer family formerly lived in Zeeland for a number of years and was well known. Mr. Brouwer won more than local fame as a newspaper correspondent, and his original way of looking at happenings of the day were frequently featured in the Detroit and Grand Rapids papers.

The family, after a tour of Europe during which they played before Queen Wilhelmina, started in business on their own hook and gave concerts in most of the states in America. Now they have become affiliated with a chautauqua and are winning fame with their "musical bells."

## WILL LECTURE IN DETROIT LAW SCHOOL

Attorney Wallace Vischer, son of Mr. and Mrs. J. W. Vischer of this city, has joined the faculty of the Detroit School of Law. Mr. Vischer is listed in the new catalog of that institution as a lecturer in "Judgments."

Mr. Vischer is a graduate of Hope College and later he took a course in law. For a number of years he has been practicing law in Detroit, having at one time been connected with the Lucking firm, the concern that handles Henry Ford's law business.

JAMES J. DANHOF, Judge of Probate.

## PROPOSED VACATING OF ALLEY IN SOUTH HEIGHTS

Being a Sub-Div. of Lot 5 A. C. Van Raalte. Whereas, a majority of the owners of the property, who also own a majority of the foot frontage abutting on the alley in South Heights Addition being a Sub-Division of Lot 5 A. C. Van Raalte Add. No. Two, in the City of Holland, have petitioned the Common Council to vacate said alley and abolish said alley; and

Whereas, there is no opening for said alley at its eastern extremity, and there is no necessity for the continuance of said alley; therefore

Resolved, that the Common Council of the City of Holland deem it advisable to vacate, discontinue and abolish the alley being a Sub-Division of Lot 5 A. C. Van Raalte Add. No. Two, in the City of Holland, Michigan, and which extends eastward from Michigan Avenue in said city.

And the Common Council of the City of Holland hereby resolves, Wednesday, the 4th day of June, A. D. 1921, at 7:30 o'clock P. M., in the council room in the city hall in the City of Holland, Michigan as the time and place when the Common Council will meet to hear objections thereto.

By order of the Common Council.  
Richard Overwey, City Clerk.  
Dated May 4, A. D. 1921.

Saturday morning at ten o'clock, all Grand Haven, Ferrysburg and Sprink Lake and Muskegon was agog for the reason that the large new bridge connecting these towns across Grand River at Grand Haven was officially opened. The mayors of the four towns were present as was the Ottawa county road commissioner. The bridge has been under construction for the past two years and cost the state and county between \$75,000 and \$100,000. While Holland is magnanimous enough to rejoice with its sister cities, it cannot help but feel a pang of regret that Holland's small bridge project fell through which fact was also thoroughly enjoyed by many on the North Side.

D. Steketee, Mrs. Jennie Mulder, the Misses Henrietta and Gertrude Steketee and Geo. Steketee motored to Lansing Friday to visit Miss Fannie Steketee who is in training in the Sparrow Hospital there.

Paul Harold, the 5 year old son of Mr. and Mrs. Harry Steffens, fell down a flight of cement stairs Friday and cut his forehead. Dr. Westrate was called and took four stitches. Paul was out again Saturday with his usual smile.

A miscellaneous shower was given Friday night in honor of Miss Reka Tien at the home of Mr. and Mrs. Henry Tien. A two course luncheon was served. Prizes were won by Mrs. Peter Steketee, Rena Boven, Helen Huizenga and Mrs. John Brinkman. Others present were Reka Maas, Cornelia Vanderschraff, Jessie and Minnie Teerman, Bertha, Emma and Helena Vissers, Sena Vandenberg, Henrietta, Allie, Marie and Carrie Tien.

Henry J. Miller, manager of the Michigan State Telephone Co. of Holland, has been transferred to Big Rapids to take the place of C. W. Wiemers, who died Friday. He had charge of the Holland exchange for seven years, and has made an excellent record as a telephone man. Mr. Kruses of Grand Rapids will take the place of Mr. Miller as manager of the Holland Bell Exchange.

Saugatuck always had a large number of vacant stores but today every available building is occupied with some sort of business enterprise and there is a great demand for more stores. The big dance pavilion certainly puts "pep" into Saugatuck.

Gilbert Funke, aged 25 years died Sunday at his home at 287 West 22nd street, after a lingering illness. The funeral was held on Thursday 1 o'clock from the home and at 2 o'clock from the Berean church, Rev. Mr. Van Dyke officiating. Interment took place in the East Saugatuck cemetery.

Miss Johanna Boersma entertained her music scholars at her home on Friday evening. Piano solos, a vocal solo and readings were given; games played and a three course luncheon served. All reported having had a real enjoyable evening.

George Lawrence, son of Lorenzo Lawrence, submitted to a serious operation for appendicitis. The operation was performed by Dr. Berlett of Chicago in the Deaconess Hospital in that city. Mr. Lawrence is rapidly recovering.

Saugatuck is following Holland's example and will begin to pave their streets. A special village election will be held May 23 to vote on a proposition to issue \$10,000 in bonds for paving streets in the residence section.

Circuit court opened at Allegan for the May Term Monday. The calendar contains 78 cases, 12 of which are in the criminal class, 14 are civil cases to be tried by jury, nine to be heard by the court and 14 are contested chancery cases in default.

It is cheaper to come from Chicago to Holland than to go from Holland to Chicago and return. The Pere Marquette last Sunday began selling 15 day excursion tickets from Detroit, Toledo and Chicago to Traverse City, Charlevoix, Petoskey and other resort points at 30 per cent discount from regular round trip rates. From Chicago will be sold 15-day limit tickets to New Buffalo, Benton Harbor, South Haven and Holland at 20 per cent off and to Muskegon and Whitehall at 30 per cent off. The regular summer tour rates will be 10 per cent reduction, tickets good for the season.

The lowest temperature Sunday night registered at the water and light station was 31, one below freezing.

Born to Mr. and Mrs. Leonard Kammeraad, E. 25th street, an eight-pound girl, Charlotte Ruth.

Richard Schaddel and Miss Henrietta Ter Beek were married Thursday afternoon at 17 E. 18th street, the ceremony being performed by the Rev. James Ghysels.

City scavenger Grissen states that all his strawberries were finished up Monday night. He claims that while Sunday night's frost did some damage to his berries, the frost of Monday night cleaned up the entire patch. Others claim that the frost was only very light, and had disappeared long before sunup. Mr. Grissen has a different opinion, however.

Funeral services for Mrs. John Hoban, 81, were held Saturday morning at Marne, Ottawa county, her home for 48 years. Mrs. Hoban was the first passenger on the Grand Trunk from Grand Rapids to Grand Haven. The trip was made on a dummy engine before the road was open to travel. The urgency of her presence at the bedside of a sister who was ill in Grand Haven appealed

The graduating exercises of the New Brunswick Theological Seminary at New Brunswick, N. J., were held Thursday forenoon of this week. Mr. Walter A. Scholten, formerly of Holland, is one of the graduates.

The only factory in Douglas is again active. Weed & Co's fruit package factory started up this week. It is running with a smaller force than usual and wages have been reduced.

The board of superintendents of Western Theological Seminary by a unanimous vote nominated Rev. J. Van Ver Meulen to the chair of Greek and Exegesis. The nomination will be sent to the general synod which convenes next month in Asbury park, N. J., for confirmation. Rev. A. DeYoung, pastor of 5th Reformed church, Grand Rapids, was re-elected president of the board.

Early apples in the White Lake region, largely given to apple raising, give promise of a large yield, orchardists report, but the prospects of a large crop of winter varieties are not very promising. The bloom on the winter apple trees is very light.

Louis Jacobusse and Mary Rietsma were married Thursday night at the parsonage of the 16th street Christian Reformed church, Rev. Mr. Keegstra performed the ceremony. They will make their home at 64 W. 16th street.

One hundred and sixty gallons of pike from state fish hatcheries were planted in the Kalamazoo river at Saugatuck last week.

John Vurburg paid \$8.70 before Justice Van Schelven for speeding 32 miles on Lincoln avenue.

Donal Zwemer left last Friday for Flint to drive back some new Dort cars.

A miscellaneous shower was given in honor of Miss Sena Vos by Miss Anna Bouwman, 300 E. 8th St. A most enjoyable evening was spent and the May bride-to-be was the recipient of many useful gifts. Those present were the Misses Gertrude Vandenberg, Anna Bouwman, Bertha, Sena and Alice Vos, Mary Landman, Sena Alofs Jeanette Van den Berg, Minnie Jipping, Minnie Alofs, Elizabeth Rotman, Marie Kalkman, Minnie Tymes, Mrs. Bert Bouwman and Mr. G. Vandenberg.

Mrs. James J. Van Dyke, living on the North Side died Monday-night at the age of 46 years. She is survived by a husband and son Harold and a daughter Jeannette. The funeral is to be held Thursday afternoon at 3 o'clock from the home, Rev. G. B. Flemming, pastor of the M. E. church officiating. Mrs. Van Dyke was a very active and well known woman, being one of the moving spirits in the Lady Maccabee order and other lodge circles and has a host of friends who mourn their loss.

Wednesday noon the Exchange Club will hold its semi-monthly banquet at the Woman's Literary club. Professor Egbert Winter of Hope College will give an interesting address after the luncheon.

The Holland Poultry Association will give a talk on "Increasing Egg Production by Handling Chicks." This talk will cover the entire development of the chick from the beginning of incubation to maturity. Mr. K. A. Zimmerman will be the speaker for the evening. There will be only a few more talks on chicks. They will then take the subject of "Swat the Rooster. By not swatting the rooster the farmers of U. S. A., are losing yearly \$15,000,000. Let's get together and stop this loss. The meeting will be held in the Fillmore school house, District No. 2 on Friday evening at 7:30 old time.

The first step toward the erection of the new high school building at Grand Haven was started Tuesday, when several of the beautiful hard maple trees on the grounds were felled to make ready for the excavation. The cutting of these wonderful maples, which have been growing there more year than any one remembers, is one of the regrettable things about the march of progress. A tree moving outfit, by means of which the trees could be saved and transplanted, would be a valuable asset right now.

Choral Society of Prospect Park Chr. Ref. church will render a concert Wednesday evening, May 18, at 8 o'clock. Program will consist of two parts: 1st, cantata, "The Prodigal" and 2nd part, Miscellaneous program. Chorus is directed under the able leadership of Br. John Vander Ark. Public is cordially invited to attend.

People will continue to ride on side walks with their bikes. Monday Officer Peterson arrested Jacob Wellington, Charles Knoll, Albert De Maat and Tom Smeenge. The young men were arraigned before two justices, namely William Brusse and G. Van Schelven, who fined them \$1 and costs each.

Members of Guy V. Henry camp, United Spanish-American War veterans of Grand Rapids will be the guests of the Holland camp next Thursday evening at a banquet in Holland. The veterans will leave on an interurban car Thursday afternoon at 5. The Holland Vets are making elaborate preparations.

Thirteen girls were entertained by Margaret Van Mourick at the home of Mrs. H. Ramaker. All were dressed as children. Lillian Wilkinson winning the prize for having the most childish costume. Others winning prizes were Ella Lemmen, Wilma Wydraaf, Maragret Kraai, Jean Breen. A two course luncheon was served and all reported a good time.

Erutha Rebekah Lodge will hold a tea in the lodge rooms Thursday afternoon. All friends are invited.

Lester Venhuizen is in Detroit driving through a new Dodge touring car for the Venhuizen Auto Co. This year Copersville high school graduates one of the largest classes in its history, 25 boys and girls finishing the course.

Zeeland Canning Co. will start operations here May 23 and the first product to be canned will be rhubarb. The factory expects to can as much this year as in former years.

Sears Doan and Carlton Randall, two Holland boys, who a year ago left high school and entered the service of Uncle Sam, have received their honorary discharges and will shortly return to Holland. They have been stationed at Camp Lewis, in the state of Washington.

Mrs. Nellie Edie, aged 53 died at the home of her daughter, Mrs. R. W. Rutledge in Grand Rapids. She is survived by her daughter, one brother, Wm. Burns, and niece, Mrs. Geo. Rosema and nephew, Joseph Burns of Holland, also Miss Agnes Burns of Ashland, Wisconsin.

Allegan has gone wet. At a special election this week it was voted to bond for \$12,000 for new wells to provide better fire protection.

Two troops of Boy Scouts have been organized in Allegan under the direction of F. A. Patterson and Herman Tiefenthal.

Miss Laura Lemmen has taken the position of bookkeeper at the Sentinel office in the place of Miss Sarah Van Dyke, who has just changed her name to Mrs. Jacob Fria.

Mrs. Steinhart has returned to her cottage at Ottawa Beach from Chicago having spent the winter with her daughter in Chicago. Mrs. Clara West has been very ill but is improving nicely.

H. Vandenberg has fished \$3 and costs for propelling his bike on the sidewalk. Mr. Van Schelven gave the offender a heavier fine he stated for the reason that Vandenberg in the first place gave the police a wrong name instead of his own.

The corner stone of Allegan's new high school was laid with fitting ceremony Monday. Miss Alice Engle, a senior member of the faculty spread the mortar for the stone. Frank Dyke of Holland has the contract to erect the new high school.

Leonard, 6-year-old son of William Kaslander, living east of the city was operated on for appendicitis at Holland Hospital. Mrs. N. Beyer, graduate nurse from Butterworth hospital who served in this capacity in the Boer war, was also operated on last week. The surgical work in both cases was done by Drs. Brower, Boone and De Vries.

The Western Social conference on Monday adopted resolution favoring the reform movement for Sunday observance. Papers were read by Prof. P. E. Hinkamp of Hope College and Rev. Mannes A. Stegeman of Overisel. The conference has for its membership ministers and laymen of the Reformed church in Western Michigan.

A large number of the employees of the North Side Tannery, who struck a week ago have gone back to work. Other departments were also effected, upper leather men going out Monday morning. One of the managers stated however that the difficulties are being straightened out and many of the men returned on Wednesday morning.

Mr. and Mrs. Martin Japinga Wednesday were celebrating their 56th wedding anniversary at their home 186 E. 10th street. They landed in this city in the year 1873 and have made Holland their home ever since. They have reached the age of 78 and 79 respectively. Five sons and one daughter, 22 grandchildren and two great-grand children will celebrate the happy event of this estimable couple's 56th wedding anniversary.

Rev. J. J. Althuis of Lafayette, has declined to call to Vriesland. Candidate James A. Stegeman of Holland has declined the calls to Falmouth and Moddersville. Mr. Stegeman is a graduate from the Western Theological Seminary, this year.

The May party is to finish one of the most successful years in the history of the local K. of P. lodge. As a fitting end to a most successful year The Knights of Pythias, their ladies and invited guests will make merry at May dance at Saugatuck pavilion on Friday evening, May 20. Those who have attended parties given by the Knights of Pythias know what the Pythians mean by a good time, so the committee declare, none will go away disappointed. There will be high grade pictures for those who like the Movies. An eight piece orchestra, composed of the best musical talent in Western Michigan will simply make you dance though you may not have danced in years. There will also be some special musical features.

Attorney Raymond Visscher is in Chicago on business. D. B. Thompson is in Lansing attending a meeting of the Grand Chapter of Royal Arch Masons.

The regular meeting of the W. C. T. U. was held at the home of Mrs. Carl Shaw. Mrs. C. St. Clair had charge of the devotionals and read the scripture to correspond with the topic. Rev. G. B. Fleming was the speaker of the afternoon on the subject, "Woman, the Guardian of the Nation Through the Home, Social Life and School." He said that during the war the first line of defense was in France, the second, is the child life of the nation, in the home. Children are all the time revealing things of the home in their character and play. He spoke of the decline of Bible reading in schools, of the prevalence of smoking habits

# A Prophecy Fulfilled

18 Months Ago We Published This Advertisement.

## A DOLLAR IS A DOLLAR!

Yes, But There Is A Difference

WE WILL TRY and explain briefly why a dollar saved to-day will not alone bring you four per cent interest annually, but will within a very few years double in value. WHEN THE WAR BEGAN YOUR DOLLAR was the size of that one marked 1914 in our dollar film below. See how the dollar has gradually decreased in size based upon purchasing power. In 1914 it was a normal big-sized dollar; in 1915 it already began to grow smaller; but gradually and finally in 1919 the limit had been reached.

### EVOLUTIONIZING A DOLLAR

### THE TURNING POINT HAS COME

Permit us to call your attention to the fact that history shows that during and at the close of each and every war there has been a decided increase in the cost of living. The greater the war the greater the expense and the higher the cost of living became. Wages, too, went correspondingly higher and more dollars were made.

However, there also comes a time when this wave of high cost recedes. This period we decidedly think and hope is now at hand; the peak load has been reached and a recession, although hardly perceptible, is going on right now. The dollar is now at lowest ebb, as far as purchasing power goes. IT IS NOW THE SMALLEST DOLLAR.

But remember this condition is not going to remain so. Those who save their small dollars to-day and keep them in the bank will have them there when the purchasing power becomes greater. History has repeated itself again and again, demonstrating that it takes from three to five years for times to come back to normal. See what this is going to do for the thrifty saver who puts the small dollars in the bank NOW while these are plentiful and more easy to obtain.

### REJUVENATING A DOLLAR

The picture is plain-not alone will you receive at our bank four per cent interest compounded during the years of 1919 to 1924 but you will have deposited 1920 sized dollars and will together with your interest in 1924 draw out the largest dollar ever coined, based upon purchasing power.

Dollars may be harder to get in 1924 than now but, then all the more reason why you should save them while the saving is good and have them on hand when they are not so plentiful and harder to get.

I f ever an advertisement told the truth, this one did. Our only miscalculation might have been in the time it would take for the dollar to rejuvenate and become its natural size again based on purchasing power.

Instead of a 1921 sized DOLLAR the DOLLAR today is really larger than the one of 1922, and almost as large as the 1923 DOLLAR as pictured in our dollar film at that time.

It must come home very forcefully to the saver and the spender alike just what the 1919 small DOLLAR savings deposits amount to, now that the 1923 sized DOLLAR is a fact.

Besides, all this time, we have been paying 4 per cent interest compounded, on these small size DOLLARS deposited in 1919 by thrifty saver and are paying back to these 1919 depositors, 1923 sized DOLLARS with interest in the same size.

## THE FIRST STATE BANK

Holland, Michigan

and for the old-time home hospital-ity.

Current events were given by Mrs. Bleidink and Mrs. McClellan. Mrs. Kooker gave a few remarks on parliamentary law. Rev. Fleming favored the gathering with two vocal solos entitled "Tis Jesus," and "Whenever I Think of Him."

Tea was served cafeteria style by Mrs. George Elferdink, Mrs. Fleming, Mrs. Wise, and Mrs. Ingham with Mrs. Gross presiding at the tea table.

Not one half of the 10,000 "sparrows" for which Kent county has paid a bounty of two cents a head since January 1 are English sparrows, the bird for which a bounty is intended, says Justice Harry L. Creswell, leading bird student of Kent county.

"The English sparrow bounty law is a bad statute" says Justice Creswell. "Song sparrows, chickadees and other birds are killed by mistake and in nearly all cases the hunter collects the bounty for them."

"There isn't any township treasurer in the county who can tell an English sparrow from a half dozen other varieties of sparrow by the head, and it is the head which is presented in order to get the bounty. In fact it's pretty hard job for an expert to distinguish the different varieties of sparrow by the heads."

"The only bird of the sparrow family which is harmful is the English sparrow and his harmfulness is overdrawn to a large extent. So far as eating crops of fruit is concerned, he is no worse than half a dozen other birds."

"The bounty law is proving a bad thing for the other birds, because when a boy goes out shooting sparrows for a bounty on them he is pretty apt to kill a song sparrow or a

## From Rheumatism

THERE IS A WAY TO HEALTH

Health Talk No. 18

By JOHN DE JONGE, D. C.

Rheumatism is one of the most persistent diseases. Most sufferers from rheumatism are able to find temporary relief, but the man with the "rheumatiz" expects it to give him twinges of pain on every occasion, particularly when it is about to rain.

Rheumatism is caused by the absorption of poisons into the blood. The kind of rheumatism may be any one of several varieties, but the chiropractor has invariably found pressure on spinal nerves that regulate the healthful action of kidneys and bowels. Chiropractic spinal adjusting removes the nerve pressure, and restores the natural nervous vigor to bowels and kidneys. When enough adjustments are taken to build up the spinal cartilages and restore nerve freedom, the relief is very apt to be permanent.

### Rheumatism Sufferer Regains Normal Health

"One doctor charged me \$125 without doing me any good. Another I paid \$35. I went to the West Baden mud baths also and without relief. I was run down in weight to 150 pounds. Then I was advised to try chiropractic. Improvement began at once. My weight now is 178 and I am not having bowel trouble any more."—Howard W. Miller, Chiropractic Research Bureau Statement No. 1246H.

NO CHARGE.—Consultation is without charge or obligation.

## BICYCLE RIDING ON THE SIDEWALKS MUST STOP

The justices of the city are at their wits' ends in order to make the bicycle riders behave. Within the past two weeks there have been 19 arrests made of offenders who propel their bicycles on the sidewalk instead of in the street where they belong.

Tuesday evening at 7 o'clock the child of Mr. and Mrs. Raymond Vischer living on College avenue was seriously injured about the face and body by a young bicyclist by the name of Schuurman. The child was carried in the house and was immediately given medical attention.

Mrs. Vischer stated that boy pupils from the 5th ward school make a practice of coasting on the sidewalk down College avenue hill and any children playing on the walk in the vicinity must scurry for cover or be run over.

The child of Mr. and Mrs. Vischer on this occasion was not so fortunate and the accident was the result. It was stated that the danger was not so much from the older bicycle riders as from the reckless youngsters in that neighborhood.

Chief Van Ry has been receiving several complaints from all parts of the city telling of the free use of the sidewalks by "bike" riders.

Women and children are thoroughly scared and jump to one side when unexpectedly a quietly running "bike" rider comes up from behind them unawares and it takes quick action to get out of the way.

The police are on the lookout for these offenders and while the justices have been rather lenient in the past some of them promise heavier fines in the future and one went as far as to hint imprisonment if the practice does not discontinue.

## TRACK TEAM IS READY FOR RELAY RACE SATURDAY

The Hope College track team will be ready for the relay race with the Grand Rapids Y when the big event in track meets will be held Saturday. Coach Schouten has lined up twelve men for the race and has had a good number to select from this year. The men have been in training for a long time and are putting on the finishing touches this week.

Coach Schouten has made no definite announcement as to the line-up, and nothing can be given definitely until after the race. Ten men will run a number of whom are former runners. The race will begin at the Grand Rapids Y. M. C. A. at 2:00 o'clock and will end at Central Av. and Eighth street. Last year's time was three hours and 5 minutes.

## GOING TO BANQUET IN POWER BOATS

The Emersonian Society of Hope College will hold its second annual banquet at Leland's Tea Room, at Saugatuck, Friday, May 20.

It has been planned to make the trip from Holland by launch, but should the weather prove unfavorable, the party will travel in a special interurban car.

The society enjoys a special distinction, in that it is the only new men's society which has survived the first trying years of existence. Several other attempts were made to organize a men's literary society in late years, which unfortunately turned out to be dismal failures.

Emersonians look forward to a long existence of usefulness to Hope College.

## HOLLAND MAN WAS LOW BIDDER ON GRAND HAVEN SCHOOL

As has already been reported A. H. Morrison of Port Huron was the successful bidder for the new Grand Haven High school, that firm's bid being \$176,000.00.

This bid includes the complete construction of the building ready for occupancy.

Mr. Morrison's bid for the job includes the general construction, the heating, with fans and motors, the ventilation, plumbing electrical and decorating work. This means a completed job at the figures accepted by the Board of Education.

In the lists of bidders from Holland made public, only one name appeared. Contractor Abel Postma put in a bid for \$141,000.00, but this is said to be for construction only.

Byers Bros. of Kalamazoo run the Holland contractor a close second, as their bid was only \$432.00 higher.

It is stated that two electrical firms in Holland also bid for this part of the job, namely, White Bros. Electrical Co. and Winstrom Electric company. While these firms claim to have bid on this work, the board of education at Grand Haven did not make bids public, possibly thinking this unnecessary, since the Port Huron firm successfully bid on everything that enters in, to make the school complete, including heating, plumbing and electrical work.

Grand Haven has apparently made money by re-advertising for bids.

About three years ago the city voted \$150,000.00 for a new school. At that time when the bid was

## MAYOR HAS TWO GAS PETITIONS FROM 55TH AND 6TH WARDS

Up to this time there has been very little activity for gas in 5th and 6th wards notwithstanding the fact that nearly two months have passed since Holland very decidedly and a second time turned down a municipal gas plant bonding proposition. With in the last few days however Mayor Stephan has received two petitions from residents of these wards asking that mains be extended in order that they may be connected up and receive their gas for domestic use the same as citizens living in the other wards.

One petition contains 42 names of prospective gas users, and the other 20 names, and the mayor was told by those who circulated the petitions, that while the citizens of the 5th and 6th wards were not taking the initiative it appeared that they were under the impression that they had to be solicited by either the gas company or the city officials, who would thus ascertain who in the ward desired gas.

The men who circulated the petitions state that all who they had seen were ready to sign up, and they know of many more who are only waiting for petitions to be circulated.

There is no doubt but that the Holland City Gas Co. is ready to co-operate in every way, but when the job is started, as Mayor Stephan expressed it, it ought to be done thoroughly and at once.

The gas company should not be made to put in a dribble here and there, but a general application for gas should be made by virtue of petitions in order that the gas company could purchase all its pipe at once, in car load lots for instance, and could also let or do the entire construction at once. This would naturally mean a great saving all around and at the same time materially help the labor situation in this city.

There is no doubt but that the gas company would sooner put in mains where this is justifiable in one job, rather than do this construction in piecemeal.

It seems therefore that all who wish gas should confer with their neighbors on the same street and through petition ask that their street be piped for that purpose, and no doubt if the proper number of consumers on these streets apply it will not be long before construction will begin.

## WILL THIS BE A DECORATION DAY MINUS FLOWERS?

Meetings preliminary to Decoration Day celebrations have been slimly attended in the past, in fact it was a standing joke that five or six and at the most a dozen gathered at these meetings heretofore to make arrangements and the burdens fell on the shoulders of a few.

Monday night a meeting was called, of over fifty committee members, including several ladies, and all but four put in an appearance and helped in the deliberations that will make Memorial day a success.

The chairmen of the different committees gave their reports and all of these reports indicated that everything was being carried along nicely, that all the committees had made preparations far in advance of other year.

The flower committee however did not give a very rosy report. Harry Doesburg stated that he had never seen a year when flowers would be so scarce as on Decoration Day.

The early flowers such as lilacs and tulips that generally bloom around Memorial Day, have through blooming because of the early spring, and those that otherwise would be in blossom have been touched by the frost.

Park Commissioner Van Bragt had the same story to tell and the committee is at its wits' ends trying to get the proper amount of posies for that day.

The committee may have to resort to cut flowers with a liberal supply of greenery. Cut flowers, however, would be a tremendous expense, and the committee might need more funds in order to handle the situation in that way.

Some six years ago a similar condition existed and the late Park Commissioner Kooyers and a few of the committee drove into the Pine Plains of Allegan and gathered an automobile load of wild flowers which answered the purpose very nicely.

The invitation committee extended invitations to all the municipal bodies, and the members will take part in the exercises and the parade.

Considerable discussion also arose over the advisability of extending invitation to the pupils of the public schools.

Some of the invitation committee stated that for the last few years this was not done for the reason that many of the teachers who lived out of town went to their home cities to celebrate and not a few of the Holland teachers also left for the day and by reason of this many classes

made committee, stated that this condition should be changed for the reason that Americanism is instilled into the youth by virtue of participating in exercises of this kind, and he was positive that many public school pupils are disappointed because they are not taking a leading part in the parade and in the doings of that day.

Mrs. G. J. Diekema supported Mr. Homfield in his contention, stating that the foundation of true Americanism is laid when the youth shows an eagerness to take part in such patriotic demonstrations. It is their first lesson in love of country, and she felt that the burdens on that day might be shifted from the hard-working teacher to young men and women of the city who are not acting as teachers, but who would gladly volunteer to take charge of the several groups of children who would be willing to enter the parade.

The matter was finally left to the invitation committee who will work out a plan with the school authorities.

Mayor E. P. Stephan, presided over the deliberations.

Miss Gertrude Stoketee, daughter of Mr. and Mrs. George Stoketee of 72 W. Eleventh street, graduated Wednesday from the Presbyterian School for Nurses in Chicago, as a registered nurse. Miss Stoketee will be away from home for four weeks. Miss Beatrice Stoketee, a sister, attended the graduation exercises.

## NEW YORK SCRIBE TALKS OF JOHNNIE LAVAN

### JOHNNIE STARTED HIS BASEBALL CAREER IN THIS CITY

Holland has started out more baseball players who went into big company, than possibly any town of its size in the country.

It has to its credit Neal Ball, the only man who ever made a triple play unassisted.

Buck Weaver and "Tony" Vander Kilt, who for years played in the "Three I" league.

Holland also has a player whom only the old timers knew, whose name was Billy Scheltz, who played with Detroit thirty-five years ago when it had a pennant winning team.

But the man spoken of by Dickerson for the Herald is Johnnie Lavan who first got hold of a baseball when he was attending Hope College.

He later played with the Holland team when for one season it was in the State League. Anyway Johnnie Lavan is highly spoken of in "Dick's" column, by a prominent sport writer of New York City.

Here is the item—

Frederick G. Lieb, New York Telegram sporting scribe, comments as follows regarding Dr. Johnnie Lavan, Grand Rapids boy who has been starring in the majors for years, and whose professional career started with the Holland club of the old Michigan State league:

"There used to be a time when Branch Rickey brought the St. Louis Browns to New York that 'Doc' Lavan was his shortstop. Now Branch Rickey brings the St. Louis Cardinals to the Polo Ground and Johnny Lavan is still his shortstop. Johnny sticks to Branch and Branch sticks to Johnny. This brother act was started when Rickey coached the Michigan baseball team and Johnny was his star shortstop. A lot of people in St. Louis don't think much of Johnnie's shortstopping. They have seen him try it in both leagues but for Branch Rickey there is only one shortstop—Johnnie Lavan."

Johnnie and Del Pratt used to work around the keystone sack for St. Louis Browns, but Phil Ball did not like their play. He made a crack to one of the St. Louis writers that Del and Johnnie looked as though they were laying down on the job and playing for exercise. But you couldn't pull that on two college boys. They rushed into court and sued Phil Desabry for \$50,000, the charge being slander and defamation of character.

"We don't recall whether they ever collected any of that \$50,000—rather think they didn't. Anyway they couldn't stay on the Browns' or suing the boss, so Lavan was traded to Washington and Pratt to New York. After the war they fixed up some kind of an interleague swap by which Washington was to get Davy Robertson the Giants Gonzaless and the Cardinals Lavan. The deal went through for everybody but Griffith. They let him hold the bag, though they later filled it with a nice piece of change. Rickey turned the check he got from Giants for Gonzaless over to 'Griff' for Lavan."

"So after sundry adventures, Johnny and Branch formed a new partnership and still are doing business at the same stand only in a different league."

Major league sporting scribes spell the St. Louis shortstop's name Lavan, but it is Lavan. He is the son of Mr. and Mrs. William J. Lavan of 766 Fulton-st., E. The famous player's father conducts a cigar factory in connection with his home.

Moroccan Charm. Moroccan wives have a recipe for winning back affection. The suspicious wife draws a line in honey from forehead to chin and collects the drippings. Then she rubs the tip of her tongue with a fig leaf till it bleeds and soaks seven grains of salt in the blood. This

## TREE IN MEMORY OF SON KILLED IN WAR, IS PLANTED

Mr. and Mrs. Fred Jonker of Gr. Haven honored the memory of their son, Alvin, who lost his life while fighting for his country in France. Tuesday was Alvin's birthday. Had he lived to come back from the war he would have been 28 years of age. His parents observed his birthday by planting a hard maple memorial tree dedicated to his memory. The memorial tree is set in front of the family home on Columbus street. Later a bronze tablet will be placed on the tree bearing the name of the soldier, his company and regiment, the date of his death and other information.

Alvin went to France as a volunteer having enlisted at Grayling, in Company F, 32nd Michigan Inf. of Grand Haven. He remained with the organization when it became Company L, 126th U. S. Inf., and served with the old command in France. He rose through the warrant ranks and at the time of his death he was a sergeant. Alvin saw action in Alsace, in the Ourq to the Vesle drive, around Juvigny, and in all of these engagements, he won the commendation of his officers for his courage under fire. In the terrible Meuse-Aronne offensive Sergeant Jonker gave up his life for his country.

The last meeting of the year of the Lincoln School P-T club was held on Wednesday evening. As has been customary in preceding years, an auction sale was held which created much amusement and netted the club approximately \$55. The teachers of the building donated ice cream and cones, the proceeds of this sale when given to the club.

# TELL US

One of Our Holland Ideal Homes.

Tell us just what you have in mind in the building line and we will be glad to give you full information and ready co-operation with your home building plans.

## The Holland Ideal Home

is built along the most modern lines thru the latest, quickest and most substantial methods, namely, the HOLLAND IDEAL HOME building way.

## It Makes no Difference

Whether it be a pretentious home, or a modest one; a small Cottage or a Bungalow; it does not matter, we have plans for each and all of them.

Our Ready Constructed Homes are erected by our own men who know every detail thoroughly. Saves Half the Time and all the Building Worries.

## BOLHUIS LUMBER & MFG. CO.

## SEEK LODGING FOR THE MANY C. E. DELEGATES

The Holland C. E. Union will hold a campaign during the course of this week to secure lodging places for the delegates that are to convene here June 22-26 for the 32nd State C. E. Convention. The C. E. Union is encouraged by the hearty response of the citizens of Holland in helping to raise the necessary funds for the launching of the campaign and trust that they will have no difficulty in securing lodging places for the delegates. They are trying their best to eliminate all unnecessary expenditures and are confident that they have the support of the Holland people to make this convention a successful one and put Holland on the map as an ideal convention city.

Mr. Laverne C. Spafford, field secretary of the State C. E. Union, was in Holland Sunday and had a short conference with the local executive committee. Mr. Spafford was highly pleased with the progress that the local union has made.

Mr. Vandersluis' chorus expects to have its first rehearsal on Monday, May 23. The chorus includes the best singers in the city, and a leader who knows how to make it work. The local committee is highly hopeful of landing another big speaker for the convention. Dr. S. M. Zwemer will be in Holland at that time and they are doing their best to secure him for one of the addresses. Nothing definite, however.

## TELLS OF INSTALLATION OF FORMER HOLLAND MAN

The Detroit Journal of Wednesday night contained a cut of Rev. H. J. Veldman and under it was the following story:

"Members of the First Reformed church are bidding welcome this week to their new pastor, Rev. Henry J. Veldman, D. D."

"Thursday evening the official installation services will be held in the Mack Avenue Evangelical association building, Mack and Van Dyke ays. Rev. Abraham Klerk, Grand Rapids will preach and preside. He will be assisted by the Rev. William Wolvius of Kalamazoo, Mich., and Rev. Ralph Bloemendaal of Hope Reformed Mission, Detroit."

"Friday evening, at the same place, a public reception will be held for the new pastor and his family."

"Dr. Veldman is a graduate of Hope College and Western Theological Seminary, class of 1895. He has filled prominent pulpits in the Reformed denomination, being pastor for 11 years of the old First Reformed church at Holland, Mich. This church is attended by most of the students and professors of the college and seminary. While pastor of that church, its membership increased from 250 to more than 500 while the Sunday school enrollment reached nearly 800."

"A daughter, Sarah Veldman, is an accomplished musician and teacher and the son, Harold, a graduate of Hope College, will continue his studies in Detroit Medical college."

## PUTS IN THE POLLYANNA

In order to accommodate Electric Washing machine users with a machine that is within the reach of all, the Winstrom Electric Co. has signed up with the Pollyanna company to take on their thoroughly tried machine. The Pollyanna has leaped into leadership because it offers the American housewife a better machine at amazingly low price.

The Pollyanna is without question the greatest washing machine value on the market today with copper tub and swinging wringer. It sells for \$135 which is amazingly low for a machine which has the merits of the Pollyanna.

—Adv.

The Ottawa County Road Commissioners may have to go to the mat to secure the remainder of the right-of-way for the proposed cut-off on the Coopersville-Marne road for a distance between Stiles crossing on the Interurban line to Catholic church crossing near Marne, and the proposed new road will run parallel to the Grand Trunk and Interurban tracks.

The cut-off when completed will eliminate four dangerous railway crossings, both the Interurban and the Grand Trunk tracks. This plan is in keeping with the policy of the road commission in reducing the danger to persons using the roads. The number of accidents and fatalities on the county roads, due to accidents on rail crossings is too great, and all possible crossings will be eliminated. The proposed cut-off on the road between Grand Rapids and Grand Haven, where the traffic is particularly heavy, is four miles long. Three miles of this right-of-way have been purchased by the commission at a reasonable price, it is said. There is still about a mile of the proposed right-of-way in dispute. Owners of the land claim, it is said, that the proposed road is not a necessary public improvement, but that other routes may be used.

The commissioners claim that no other route could be used excepting at a much greater cost to the county and a lengthening instead of shortening of the distance. The fact that four dangerous railway crossings are eliminated is advanced as sufficient necessity for building the road over the proposed route.

The owners of the land in question are W. Gavin, M. Hughes, Mary Loftus and John Manghan. If negotiations with these owners fail entirely, the commissioners state they will petition the probate court for the appointment of an appraisal board and begin proceedings for the condemnation of the land necessary for building the new road. This will necessitate legal action, and may require some months.

## TO MAKE LONG TRIP IN SMALL POWER BOATS

Neal Landman and Charles Bontekoe, two members of the crew of the coast guard at Macatawa, started on Wednesday of this week on a several thousand mile cruise in a small power boat such as is used at coast guard stations. They will spend about six weeks in the little craft and will come all the way by water from Baltimore to Holland.

Captain Jacob Van Weelden Friday received a letter from the men stating that they were on the point of leaving.

The two Holland coast guard members, together with eight members from other coast guard crews in this section, will pilot ten coast guard power boats from a shipyard in Baltimore to Lake Michigan. Each man will have a private vessel to travel in on the long journey, but they will travel in a fleet for mutual aid and protection. They will sail through the barge canal to Lake Erie, thence through Lake Erie to Detroit, thence through Lake Erie to Detroit, thence up Lake Huron and down Lake Michigan to the end of the journey.

One of the power boats will be installed at Macatawa and three others will be delivered to coast guard stations in this coast guard district. The others will be delivered to other coast guard districts.

The new power boat will add a great deal to the efficiency of the Macatawa coast guard station. It will help the crew materially in their work. Mr. Landman and Mr. Bontekoe were sent to South Baltimore some weeks ago to become thoroughly familiar with the operations of power board equipment, and they will be in position to make good use of the new boat.

The new power boats are of considerable size in comparison with the rest of the coast guard equipment, but they are extremely small for so long a water journey. But the men are all seasoned coast guard members and they expect to make the journey safely and without much difficulty.

## JOINS FACULTY OF COLUMBIA UNIVERSITY

Dr. Hessel Yntema, son of Mrs. D. B. Yntema of Holland township, has accepted a position as Lecturer in Roman Law at Columbia University. Dr. Yntema will assume his work at Columbia next Autumn. It is considered a very desirable position and means a big step upward in his profession.

Mr. Yntema, who was a Rhodes scholar after graduating from Hope College, spending three years at Oxford University, spent two years at the University as assistant professor of political science. He received his doctor's degree at Ann Arbor two years ago. During the past year he was given leave of absence to study at Harvard, and at the close of his course there he was given the opportunity to return to Ann Arbor at a considerable advance in salary. The opportunity to become Lecturer in Roman Law at Columbia, however, was too inviting to be rejected. Mr. Yntema this spring received the degree of S. J. D. from Harvard University.

## GRAND HAVEN OFFICERS ARREST ALLEGED COTTAGE ROBBERS

George Gilroy, 25, of Muskegon and Lyle C. Lisenbee, 17, Kewanee, Ill., who were found by the Grand Haven police living in a camp four miles south of the Grand Haven Harbor are held in connection with the robbery of several Highland Park cottages. Complaint was made to the police that the Rowe, Ewing and several other summer homes at the southern end of Highland Park, had been entered. The loot included clothing, talking machine records, a Grafonola motor, a complete talking machine and considerable amount of other equipment and furnishings from cottages.

Willard Stickney, custodian for a number of the Highland Park cottages owners discovered the camp on the beach and Saturday conducted Chief of Police Pippel and Officer Dewitt to the place where the two suspects were taken into custody. A search of the camp is said to have brought about the recovery of some of the missing goods, alleged to have been taken from cottages. The two men declare themselves innocent of connection with the affair, and insist that the goods were in the camp when they came to it. The police declare however, that they have evidence that the camp has been occupied since April 30.

Mr. and Mrs. Nick Hofstee of Jamestown visited in Holland over the week end at the home of Mr. Frank Rhoda.

## ZEELAND VOTES IN FAVOR OF FAST TIME

By a vote of 325 to 232, the people of Zeeland Monday at a special election called by the common council, decided to continue on the "fast time" schedule. The total number of votes cast was 560. There were 325 in favor of continuing the present system, 232 in favor of returning to Standard time, and three blanks.

Zeeland, before women suffrage had a voting population of a little over 600. This was increased somewhat by women voters, but not as much as in some places. As in the case of Holland, there is a considerable prejudice against women voting in Zeeland. But in spite of that a considerable number of women appeared Monday, especially in the afternoon and voted on the daylight question.

The business men of Zeeland were almost a unit in favor of returning to Standard time, but the laboring men were almost a unit in retaining the "fast time." The fact that Holland and Grand Rapids are operating on "fast time" is also believed to have had considerable effect on the result. A considerable number of Zeeland men work in Holland and hence for those there would be a great deal of confusion if the two cities were operating under different time systems.

Mayor M. C. Ver Hage announced Tuesday that the council would of course abide by the result of the election. At a recent council meeting the council stood evenly divided on the subject. But by the decision of the voters the aldermen will continue to conduct the city on "fast time."

## THE DE FREE COMPANY MAY BUILD A WAREHOUSE

Altho it has not yet been definitely decided the De Free company contemplates building a large warehouse two stories and a basement, to be erected between the steam plant and the fumigator building on River avenue.

The company is in great need of added storage space and the building of a new warehouse is imperative.

Plans and estimates of cost have been made and these will be submitted to the board of directors by the management.

The new building if erected will contain 30,000 feet of floor space.

## A SIGHTLESS MAN TRAVELS OVER THE HIGHWAY ALONE

Ned Smith, the well known Grand Haven blind newsman, had business in Grand Rapids a few days ago and he made the trip in the good old-fashioned way without paying railroad fare or asking odds of anybody. In spite of his affliction, the blind colored man started out from Grand Haven Wednesday night at 9:30 on foot. Followed the highway through Spring Lake, Nunica, Coopersville, Berlin, he trudged along on foot much as the old pioneers used to go from place to place.

Smith picked the night for his trip because he figured that traffic would be lighter on the roads at that time, and in his affliction the danger of being run down would not be as great. He was able to make the trip without losing the way because of his wonderful sense of direction, due no doubt to the fact that sight is denied him.

According to the blind man's story he left Grand Haven at 9:30 Wednesday night and traveled steadily all night reaching Grand Rapids at 7:45 Thursday morning. He met a number of cars toward morning, but was able to step off of the road when he heard their warning signal. When he reached Grand Rapids, he was guided into the city by the sound of the street cars, he says.

When his business was finished in Grand Rapids, he started to walk back home, but some kindly automobile driver picked him up and carried him most of the way to Grand Haven.

## Nearly Every Family Can Use at Least One Army Cot.

## HOLLAND TO HAVE OPEN AIR CHURCH THIS SUMMER

Holland will have an open air church during the months of July and August. This was decided upon at the regular quarterly meeting of the Men's Federation of Bible Classes at Hope Church Monday evening. It was decided at that meeting to hold gospel services in Centennial Park every Sunday afternoon. There will be a speaker at those services and gospel music.

Another new departure decided upon was to place church directories in the waiting rooms of stations and other public places inviting the traveling public to attend church services.

The meeting Monday night was presided over by Bert Slag, the president. It opened with community singing led by John Vandersluis. The devotions were conducted by Rev. C. P. Dame of Trinity church. Miss Ruth Keppel, accompanied by Mr. Harris Meyer, gave a violin solo. The address of welcome was delivered by W. J. Olive, president of the Hope Church Bible Class. Rev. P. P. Cheff delivered the address of the evening on the subject, "The Two Greatest Questions That Have Ever Been Asked." These questions, he said, are "Where Art Thou?" which God asks of Adam, and "Where is Thy Brother?" which God asked of Abel. He applied these questions to God's search for the sinner and the converted sinner's search for his brother.

A violin and saxophone duet was given by Mr. Daugherty and Mr. Bolan, accompanied by Gerald Slag, and a vocal solo was given by Dr. A. C. V. R. Gilmore. There were about 250 present from all the Men's Bible Classes in the city. Refreshments were served by the ladies of Hope church.

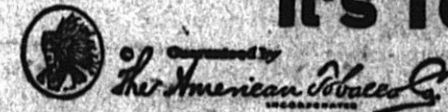

The May birthday of the W. R. C. has been postponed until further notice.

## THIRD REFORMED CHURCH EDIFICE IS NOW COMPLETE

Citizens of Holland and members of the Third Reformed church especially are pointing with pride to their practically new church edifice which at a cost of \$16,500 has been evolved into a beautiful cathedral of worship.

In the interior a great many changes have been made as well as on the exterior of the building. The old gallery with its straight back seats accommodating fifty has been remodeled in such a way that the seating capacity is now 200. The latest style opera chairs have been installed and so arranged that anyone can get a full view of the pulpit and the church platform.

An extra stairway has been built to the west, making two exits from the gallery, one on either side of the church.

In under the gallery a large audience room for the men's bible class has been built. By means of large sliding doors this room can be made part of the church auditorium proper thus giving an added seating capacity of 250 making the total seating capacity of the church 800.

The church auditorium proper has been redecorated throughout. The rows of stately pillars are embellished in soft gray and gold, while the ceilings are done in a light cream.

The choir loft has been enlarged, with a seating capacity of 35. A new platform and pulpit have also been built and three beautiful leather chairs, mission style constitute the balance of the furniture on the rostrum.

The church parlors off from the main building have also been remodeled and rejuvenated.

The Ladies Adult Bible class rooms have been enlarged about one third, and now have a seating capacity of 150.

From this class room the writer was ushered into a small room with a circle of small chairs, where little tots of from 3 to 4 years receive their first religious instruction, a sort of Sunday school kindergarten as it were.

This room connects up with another, where children from 4 to 5 are taught. The large chapel that has a capacity of 200 pupils has also been remodeled and redecorated.

In the basement of the church one class room has been added, making five commodious study rooms in this section of the church. A library, a kitchen, and other conveniences for social gatherings have not been overlooked, and surely this religious institution is a real surprise to those who do not know what is confined in this mammoth structure.

The exterior of the church is better known to the rank and file of the citizens who are not members of this congregation.

The transformation here is surely complete. From an antiquated wooden structure it has been created into an edifice of stone. Pressed brick constitutes the outside veneering, with a coping of Bedford stone. This contrast harmonizes beautifully, with the Kellastone, which constitutes the upper structure of the building.

The trimmings of the building throughout harmonize with the stone construction, and the church with its tall, newly painted spire is an inspiring sight.

The entrances to the church are made in the form of red pressed brick vestibules with pillars crowned with white Bedford stone.

An amusing feature in connection with the building of the walks to these vestibules is the fact that five of them are built from the main thoroughfare to the entrance of the church, and a parishioner will find that the taking of any of them will lead him to the same place and it will be hard for him to go astray.

All the same the new Third Reformed church of Holland is a credit to the city and speaks well of the men and women who fostered this great undertaking.

The men who especially had charge of overseeing this work were the building committee with William Vander Ven as the chair. men assisted by Professor Wyman and Wiersma and Jacob Zuidema.

The committee considers that by tonight the church building will be completed, and the ground surrounding it will have been placed in shape so that Sunday the members of the congregation will be aware that nothing has been left undone.

Word was received in Holland Saturday announcing the death at her home in Utica, Mich., of Mrs. Clara Shetterly, mother of Mrs. Arthur Van Duren. Mrs. Shetterly was 85 years old.

A son was born Friday morning to Mr. and Mrs. Cornelius Bouwman, East 25th street.

## 3RD REFORMED PASTOR TO BE INSTALLED ON JUNE 28TH

The Third Reformed church congregation is looking forward with expectation to the coming of the new pastor, the Rev. James M. Martin of Hudson, N. Y., who recently accepted a call to the local church.

The installation of Mr. Martin will take place on Tuesday evening, June 28, and he expects to reach this city on the 22nd of June.

Mr. Martin was born in Orange, N. J., and was educated in the public schools in Brooklyn, N. Y., Newark academy, Rutgers college and New Brunswick seminary. His college activities embraced a prize in literary work in connection with upper classmen, and the Taigum, a member of the varsity debating team and president of the Y. M. C. A. In the seminary he was awarded the B. D. degree for special work in Hebrew.

He is president of the particular synod of New York, member of the board of superintendents of New Brunswick seminary, permanent clerk of general synod of the Reformed church and a trustee of Empire State C. E. union. He was ordained a minister of the gospel in 1902 and he has been very successful in his pastorates. He served the North Paterson Reformed church, the Spring Valley church and the Hudson church. During his six years at Hudson 253 accessions were made to the church.

The new pastor of the Third Reformed church was married to Miss Hattie Belle Matthews 19 years ago and they have five children.

### FROST DID

### SOME DAMAGE TO STRAWBERRIES

Although the weather man predicted rising temperatures Frost has been doing things. Between Saturday and Sunday a light frost was noticeable which did no damage.

But Sunday night there was a heavy white frost and considerable damage was done to blossoming strawberries in the vicinity of Holland, especially in the low lands.

Nick Hoffman states that his berry patch is pretty well nipped. G. J. Deur of Holland township, who makes a specialty of things horticultural, states that strawberries are badly damaged even on the high ground where he lives.

Early potatoes were also badly damaged but the fruit trees in blossom did not suffer perceptibly, these being high up from the ground.

Mr. Deur also stated that cherry, peach and plum crop was practically ruined by the heavy frost, snow and sleet of about five weeks ago, but what little crop might have been expected has been entirely destroyed by Sunday night's frost.

Jacob Weersing Sr., 85 years old, is seriously ill with dropsy at his home in Zeeland.

### Who Could Step Into Your Shoes?

Who even among your most able business acquaintances would you trust to step into your shoes and run your affairs, if your family's comfort depended on his management?

Yet many who devote a lifetime to accumulating an estate risk it all by appointing as executor someone on the score of friendship, not fitness.

When you are gone it is more important than ever that your estate be carefully managed for the benefit of your heirs. That is why men more and more are naming in their wills this trust company as executor, knowing that here are combined the technical knowledge and experience of many men trained in the proper handling of such matters.

The steps to take to safeguard your family's future are pointed out in a booklet gladly sent on request.

## Holland Furnaces Make Warm Friends.

## HOMES TO LIVE IN, — ALWAYS.

The longer we live in homes, the more we become attached to them, and therefore how unwise it would be not to make improvements that are permanent.

How easy it is to make one's home cozier and more attractive all the time. Everyone has friends who do that, and what good folks they are!

When putting in a heating system, one's mind naturally turns to the Holland Furnace—the Heart of the Home. A few of the reasons are:

1. Clean air to breathe.
2. The Strong Guarantee.
3. Fuel Saving Features.
4. The Easy Shaking Grate.
5. The vast Number of Satisfied Users.

**HOLLAND FURNACE CO.**

Largest Installers of Furnaces in the World

Henry Venhuizen and "Casey" Dornbos left for South Bend, Ind., to drive through a new Studebaker Sedan through to be delivered to Mr. Huizer.

Mr. Joan Rooks, 83, of Grand Rapids, who was one of the first settlers in East Holland, died at the home of his son Dr. Rooks of East Holland on Wednesday morning. Friends can review the remains Thursday from 5 to 8 p. m. The funeral will be held Saturday at 2 o'clock at Grand Rapids. The deceased was survived by Dr. Wm. Rooks, Peter and Herman Rooks of East Holland and Gerrit, Prof. A. J. Leonard and Dr. John J. Rooks of Grand Rapids.

Mr. and Mrs. George Nauta left yesterday for Chicago, where they will visit their son Jacob Nauta for the next two months.

Park Superintendent Van Bragt is beginning to do some work on the C. L. King property, recently donated by Mrs. Martha Kollen to the city for Park purposes in memory of her late husband, George E. Kollen. Some heavy stone foundations and other covered up debris must be dynamited out before that part of the park can be worked properly. A man by the name of "Dynamite Charlie" of Grand Rapids is coming here within a few days to blow up these spots. It will take considerable time to put this new park in shape but Mr. Van Bragt states that finally it will be a beauty.

Charles P. Limber Co. was given a permit by the common council to erect a bicycle shed for the employees to be built on Sixth street.

James Himebaugh was given a license to operate the Strand theater. Chris Korose and John Post were granted licenses to conduct pool rooms in this city. The licenses are renewals, both men being in that line of business at the present time.

Business stagnation is reflected in the city poor report. At the council meeting last night Alderman Brieve stated that the city poor cost the city of Holland \$124 during the past two weeks. This is nearly 100% higher than the corresponding period two years and even a year ago. It demonstrates that there is some real need in Holland at present.

The aldermen are working on a proposition to have the Bell Telephone and the Citizens Telephone and Board of Public Works poles removed from River avenue and have all wires put under ground or in the alleys as the case may be. The committee having this in charge reported progress.

The Common Council voted to give the Decoration day financial committee \$250 for Memorial Day purposes. The chairman of that committee in a verbal report stated that there was still \$100 left of the last year's funds. The council thought that with the scarcity of flowers prevailing the committee might have need for the extra hundred.

Today a busy auction sale was held at 149 River avenue, when the busy bees of the late Jacob Elieman were sold.

Ed Michmershuizen it is understood will start a coal and wood yard near the Holland Chemical works. He is endeavoring to get the use of the Board of Public Works side track at that point. The matter was taken up at a meeting of the common council and was referred to the street committee and the Board of Public Works jointly.

All the mail boxes in the city are being repainted green.

The Boone residence located at 100 West 11th street, has been sold to Mrs. James Ossewaarde of Zeeland. Mrs. Ossewaarde is a sister to Mrs. Kohn.

Miss Grace Lanning, was wed last evening to Mr. William Botyle of New York City, at the home of the bride's parents, Mr. and Mrs. John K. Lanning, 84 E. 16th street. The ceremony was performed by Rev. Botyle, of Cleveland, O., a brother of the groom. The marriage took place at 5 o'clock, after which a dainty wedding supper was served. The double ring service was used in the ceremony, and the functions proved very impressive. Little Miss Ruth Vander Ark, acted as flower girl. The couple however were unattended. The bride was beautifully gowned in white, and carried a large bouquet of bridal roses. The groom wore conventional black. The happy couple left today for their future home in New York. More than a hundred and fifty guests were present many coming from abroad to attend the nuptials.

The common council will hold a special meeting Friday night when Ninth street bids will be opened and final action taken on this proposition.

Rev. John Klaaren, graduate of the Western Theological Seminary will be installed this evening at the North Holland church. Rev. J. H. Bruggers, Rev. G. Tyse and Rev. J. Wayer will take charge of the installation services.

#### SCHOOL OF MUSIC TO GIVE SECOND RECITAL

The Hope College School of Music will render the second Spring Recital on Wednesday evening, May 25. A large audience was entertained at the first recital several weeks ago and this one promises an entirely new program that will find favor with the public. The recital is free to the people of Holland and will be given by the students and faculty of the school of music. Selections will be rendered by those most accomplished in the different departments. The school of music has made a splendid progress this year. While it is primarily meant to add to the curriculum of the college courses, it is also open to others. The program will begin at 8 o'clock.

#### CURRENCY IS STOLEN FROM GRAND HAVEN MAIL POUCH

CASH CONSIGNMENT OF \$10,000 TO GRAND HAVEN STATE BANK IS TAKEN

The story of a theft of \$10,000 in cash from the mails, enroute to the Grand Haven postoffice for the Grand Haven State Bank has just come to light, altho the robbery took place weeks ago. The affair has been kept a strict secret during all of this time to permit the inspectors and secret service men to carry on their investigations under cover. Even now the details of the affair are not revealed. Whether the operatives of the postal department have been successful in their hunt is not known.

Post Office Inspector S. A. McSwain of the Grand Rapids office, a veteran in the service, has been working on the robbery, though his visits to Grand Haven have been a secret. What progress has been made is not yet available for publication. Postal officials and those chiefly interested in the affair at this end of the line claim to have but little information.

A consignment of \$10,000 in cash was sent out of the Federal Reserve Bank in Chicago, by registered mail to the Grand Haven State Bank. The cash failed to arrive as expected and the local bank wired Chicago and a duplicate shipment was made. It was then that the robbery was suspected.

There is no information, it is claimed as to where the money was taken out of the mail sack. To all appearances it left the Chicago post office, but never came through to destination. Registered mail sacks are usually handled with special care and pouches are made up and locked in the presence of witnesses.

Somewhere between the Chicago postoffice and the Grand Haven post office, it is believed that the pouch was opened and the currency stolen. There are so many ways in which it might be done, that the trail is a difficult one to follow.

When asked about the matter, B. P. Sherwood, president of the Grand Haven State Bank, stated that he knew very little about the affair except that there had apparently been a robbery. He stated that the bank and the Federal Reserve Bank were fully protected in the matter by their insurance. The Grand Haven bank was not inconvenienced at all by the affair.

A local furniture dealer is selling furniture even as far as the state capitol. Bill Ver Liere of DeVries & Dornbos left Wednesday morning with a truck load of furniture to be taken to a customer in Lansing.
