12 STUDENTS GRADUATE FROM THE SEMINARY

REV. JOHN WESSELINK OF PELLA IOWA WAS PRINCIPAL SPEAKER

The forty-seventh annual commencement of the Western Theological Seminary of the Reformed Church in America took place at the Third Reformed church in Holland Wednesday evening, May 13.

Dr. John E. Kuizenga, president of the institution was in charge of the program, also distributing the diplomas to the members of the graduating class. Rev. John Wesselink, D. D., of Pella, Iowa, was the principal speaker who had as his subject "The Need of Doctrinal Preaching." Twelve graduates were given their professional certificates and these men have all been called and will soon fill the charges accepted by them in different parts of the United States and in the Foreign mission field.

The program as given follows below:

Processional Towners
Hymn—450
Scripture—Prayer
Music—Sec. Prayer Towners
Seminary Quartette
Address—"The Reducers Arm and the Yawstick"—Edward H. Tanis (Of the Graduating Class)

In the list of graduates four will be found as coming from Holland. Below is found the names of the graduating class of 1925, together with the year of their graduation from Hope college and other colleges:

Winfield Burggraaf, A. B., Hope College, 1922, Decatur.
Martin Ralph DeHaan, M. D., University of Illinois, 1914, Holland.
Garrett Edward DeJong, A. B., Hope College, 1922, Orange City, Iowa.
Henry J. Harsevoort, A. B., Hope College, 1922, Holland.
Justin H. Hoffman, A. B., Hope College, 1922, Hamilton.
John Henry Meenga, A. B., Hope College, 1920, Holland.
Bert Henry Pennings, A. B., Hope College, 1922, Orange City, Iowa.
Richard Rozboom, A. B., Central College, 1922, Sioux Center, Iowa.
Abraham Rynbrandt, A. B., Hope College, 1922, Jamestown.
Stanley Dwight Schipper, A. B., Hope College, 1922, Holland.
Edward H. Tanis, A. B., Hope College, 1922, Hamilton.
Paul E. Trompen, A. B., Hope College, 1922, Chicago, Illinois.

The board of superintendents of the Western Theological Seminary have been in session in one of the assembly rooms here Tuesday and Wednesday. Rev. John Wesselink of Pella, Ia., who was present, was re-elected president of the board and Rev. John Van Pelt of Zeeland was named vice president. Rev. G. Tyse of Holland continues as stated clerk, a permanent office.

The first day's session was devoted to routine work and examinations of students. Applications from prospective students entering the seminary next fall were received Wednesday.

APPLY THE NEW NAME TO GAME WARDEN

IN THE FUTURE HE WILL BE KNOWN AS CONSERVATION OFFICER

The title of game warden, which has graced the prefix of the names of those men who have been engaged for the last 30 years in Michigan enforcing game and fish laws is taboo. It is to be replaced with the name "Conservation Officer."

It has been decided that the new name is more apt than the old, due to the varied lines of conservation work followed by the deputies. In addition to game and fish work all deputies now are likewise charged with fire prevention and suppression, land looking and similar duties.

An order is being prepared which will notify all deputy game wardens to send in their badges and commissions to be replaced with others bearing the new title.

GRADUATES OF HOLLAND HIGH NOW INSTRUCTORS AT U. OF M.

The following graduates of Holland high are serving in the capacity of instructors at the University of Michigan: Arthur Van Duren '19, Economics; Robert Winters '20, Forestry; and George Ten Hoor '20, German. Wm. De Jongh '20, is also working on a graduate scholarship basis in classical languages.

WOMEN ESCAPE INJURY IN SAUGATUCK BLAST

Attempting to heat some gasoline for dry cleaning purposes by placing it in a vessel of hot water, Mrs. Grace Wilson and Miss Abbie Robinson of Saugatuck, narrowly escaped serious injury or death Wednesday when the gasoline exploded. The room was quickly in flames and timely arrival of the fire department prevented serious damage.

Mr. and Mrs. Joseph Koolker attended a banquet given by the Michigan Retail Jewelers Ass'n at Grand Rapids, Wednesday night. There were jewelers from nearly every part of the state present.

MAYOR CALLS PUBLIC MEETING FOR MONDAY

DECORATION DAY PLANS WILL BE DISCUSSED AT THE G. A. R. HALL

Mayor Kammeraad has called a public meeting to be held in the G. A. R. rooms in the city hall at 7:30 sharp Monday evening, May 18, for the purpose of formulating plans to properly celebrate Memorial Day on Saturday, May 30th.

Mr. Kammeraad states that citizens should take a deeper interest in the preliminary meetings and help carry the load, not leaving all the arranging to the same few. He therefore in a short message sets forth a few reasons why all should take hold and make successful such a worthy undertaking. Said Mr. Kammeraad:

"There are only a few of the old boys in blue left, and these should be recognized as well as those who have gone before. The preservation of this glorious nation was wrought by them, and the fruits of freedom and liberty and the prosperity that follows can be credited to these brave men. The blessings that we and our children enjoy as a heritage were made possible thru blood on the battlefields of the South where the brave men of the North fought their misguided brothers of the South. Thousands were slain in that terrible civil strife, including many from Holland and Ottawa county. Surely we should not fail to take part in the preparations incident to making successful one of our most solemn and sacred days. I also understand that the Spanish American War Veterans and the World War soldiers through the Willard G. Leenhouts Post are making preparations for Decoration Day. The day is also intended for their fallen brothers not forgetting the noble young man after whom the Holland post has been so fittingly named. We invite these men to the meeting Monday evening when they can also tell of their plans and together an appropriate and a timely program can be worked out."

NICK KAMMERAAD, Mayor.

G. SCHULING GIVES INFORMATION ON OTTAWA'S S. S.

THIS COUNTY HAS 71 SUNDAY SCHOOLS, 1111 TEACHERS AND 12,844 PUPILS

George Schuling of Holland, president of the Ottawa county Sunday School association has issued a report of the work of schools in this county during the past year.

Ottawa has 71 Sunday schools, 1111 teachers and officers, 12,844 pupils, and an average attendance every Sunday of 10,720. There has been an increase of two schools during the year but a decrease of 96 scholars. The average attendance has increased by 50 scholars.

There are 24 cradle rolls in the county, with a membership of 914. There are 12 home departments, with an enrollment of 310 members.

"The past year has not been such a wonderful year," says the report. "There has been a little more intensive work and co-operation throughout the county has been very good. However, much remains to be done. Districts 4 and 5 must be organized; the other districts are either completely organized or at least in part."

The districts that were organized are: 1 Grand Haven, J. W. Lee, superintendent; 2 Coopersville, E. J. Walbring, superintendent; 3 Hudsonville, Rev. D. D. Ellerbroek, superintendent.

The officers of the Ottawa County Sunday School association are: Pres., Geo. Schuling; Vice Pres., J. C. Lehman; Second Vice Pres., E. J. Walbring; Coopersville, Sec. and Treas., Anthony A. Nienhuis, Holland, Elementary Supt., Miss Sarah De Maagd, Coopersville; Secondary Supt., Dick Coopersville, Holland; Adult, J. J. Bolt, Beter Haven, Mrs. A. H. Van Har, Grand Haven; Administrative Supt., R. B. Champion; Missionary, Miss Henrietta Warnshuis, Holland; Music, John Vandersluis, Holland; Daily Vacation Bible school, Mrs. E. Walvoord, superintendent.

FARMERS TO HOLD AT LEAST ONE "MOVIE" MEETING IN HOLLAND

Another series of movie meetings are being arranged for the month of May, by Farm Agent C. P. Milham. The meetings will run from May 16th to the 30th inclusive. The following places are proposed. Reno, Coopersville, Nunica, Grand Haven, Robinson, Allendale, Blendon, Tallmadge, Georgetown, Olive Center, Holland, Vriesland and Forest Grove. The announcements of these meetings will be made later by letter to the Farm Bureau members. The pictures to be shown include "Our Farm Bureau" an organization film showing some benefits of the Farm Bureau. "Unscrambling Eggs," a cooperative marketing film for eggs and a Charles Chaplin comedy "The Vagabond."

Mr. Milham is hoping Farm Bureau members will arrange to see these pictures and to bring farmers to the meetings who are not members of the organization. The date for the Holland meet has not yet been set however it is to be in the city hall.

BELL TELEPHONE WIRES HOLLAND TOWNSHIP

The Bell Telephone Co. has been busy in Holland township on R. R. 11, having stretched two miles of wire, and poles over that distance. Now sixteen new phones on R. R. 11, Holland, will be served, including one for Charles Elander Township Clerk, for which there has been a great demand.

FEW HOLLAND CANDIDATES GET TEACHING CERTIFICATES

COUNTY SCHOOL COMMISSIONERS HAS EXAMINED PAPERS; GIVES FINDINGS

A few days ago more than 60 applicants from Ottawa county, were examined at Grand Haven by County School Commissioners, Gerrit J. Groenewoud, and staff of Holland, and since that time all examination papers have been gone over, and the results are now ready for publication.

It was found that eleven applicants passed the second grade examination and were given certificates to teach. In the list there is one from Holland. Those who passed the third grade examination and have received certificates number fifteen, four coming from Holland.

Those who did not pass were granted credits toward a second grade certificate, and who will be re-examined on part of the subjects, early in August, number thirty. Of this number six come from Holland.

Those who are entitled to second grade certificates are the following: Minnie Vrooland, Hudsonville; Harvey Anderson, Coopersville; Gene Scott, Nunica; Louise Wachter, Spring Lake; Ruth Kamhout, Grand Haven; Mrs. Mattie Anderson, Holland; Josephine Lippenga, Zeeland; Warren Arnold, Jamestown; Lena Van Liere, Marne; John Berghorst, West Olive; Mildred Britton, Conklin.

Venema, Coopersville; Justin Vander Kolk, Zeeland; Leo Eby, Holland.

Those candidates who will be re-examined in certain subjects some time in August are the following:

Marie Klomprens, Holland; Esther Kooyers, Holland; Esther De Weerd, Holland; Mrs. Josephine Beuschel, Conklin; Evelyn Brown, West Olive; Nelson Vander Kolk, Zeeland; Esther Van Westenberg, Jenison; Georgia Bowman, Jenison; Inez Nibbelink, West Olive; Angie Van Coevering, Grand Haven; Grace Smit, Grand Haven; Christine Broek, Holland; Ella Ralya, West Olive; Norris Ferguson, Coopersville; Lucile Drew, Hudsonville; Lenore Nijp, Nunica; Ethelyn Easterly, Nunica; Norine Ooibock, Jamestown; Mrs. Juna Tullson, Grand Haven; Edith McCune, Caledonia; Irene Amink, Zeeland; Nita Van Haften, Holland; Anna Fleming, Marne; Leonard Bestrom, Bally; Henry Trippe, Grand Haven; Metta Kemme, Zeeland; Maggie Johnson, Zeeland; Jeanette Vander Ploeg, Holland; Wesley Swanson, Hudsonville; Emory Scott, Jenison.

SURELY AN OBSTREPEROUS STUDENT

One of Holland High's terrible tempered students, in a fit of anger, broke the back of Caesar, tore the appendix out of Cicero, and yes, pulled the "Tale of Two Cities"—Maroon and Orange.

VANDENBERG BROS. TO OCCUPY ENTIRE FLOOR OF BUILDING

REAL ESTATE OFFICES TO BE MOVED TO WAVERLY BUILDING SOON

The John Arendshorst Co., Real Estate and Insurance will be moved soon to the Waverly building, 31 W. Eighth street, recently purchased by Mr. Arendshorst. The ground floor recently occupied by the B. and M. shoe store is now being converted into convenient offices and by June 1st the Arendshorst force will be moved into the new quarters. New furniture and other conveniences are to be installed. All Holland fair business will be done on the ground floor of this building and this feature is especially convenient saving patrons the trouble of climbing stairs.

The Vandenberg Bros. will occupy the rooms in the Kremer's block, vacated by Mr. Arendshorst, in fact they have rented the entire floor and the Vandenberg Oil Co., the Wolverene Advertising Co., and the Van's Fertilizer Co., all interests of Vandenberg Bros., will have headquarters in that building.

The B. and M. shoe store recently moved into one of the beautiful store rooms in the Warm Friend Tavern.

JAMESTOWN JERSEY BREEDERS FORMING A BULL ASSOCIATION

At a meeting held at the home of Clyde Hollis, the group of No. 1 of the Jamestown Jersey Bull Association was organized. Officers elected were: President, Clyde Hollis; secretary-treasurer, M. Rynbrandt. The members of the group are Arthur Ooibock, John Veeneboer, Zena Vand Bunte, Clyde Hollis and M. Rynbrandt. This group is planning on purchasing a maintaining a quality sire. This group will also cooperate with two other groups in forming the first modern bull association in Ottawa county.

Allendale township Holstein men are also planning on cooperating with the agricultural agent in forming an association.

J. E. Klekentveld secretary for the Holland Elks, is sending out notices that on Tuesday, May 19, the lodge will give a luncheon and smoker, immediately after the initiation of three new members. This may be the last smoker before fall and all members are requested to be on hand.

TRY TO GET MAIL CARRIERS CONVENTION FOR HOLLAND

MANY RURAL MAIL MEN ATTEND OTTAWA COUNTY MEET

At a recent rural mail carriers' meeting held at Coopersville, many Holland carriers drove down by auto for the purpose of transacting business that relates to this district, and to elect a delegate who is to attend the Michigan convention to be held at Cadillac late in August, where 100 delegates are to meet.

R. O. Brevitz of Conklin is to be a delegate, and it was understood that some of Holland's rural carriers will also attend, endeavoring to get the convention for 1926 to this city. They state since Holland has such wonderful hotel accommodations, and this fact has been made known thru-out the entire state, it will be an easy matter to bring the convention here since it is just about Holland's turn most of the other cities of this state having had the convention before.

A district meet will also be held in Muskegon on June 13, embracing the counties of Muskegon, Ottawa, Kent, Oceana and Newaygo. No doubt most of the carriers will attend this district convention, since it is an easy matter to get to Muskegon by automobile.

The local carriers will also endeavor to have one of these district conventions held in Holland soon.

The delegates attending the county convention were Tony Roebach, John Brinkman, Gerrit Rutgers, Martinus Koe, John Mills, John Walters and Gus DeBoer.

COLORED GIANTS TO PLAY FRIDAY AND SATURDAY

ARE A GREAT TEAM AND WILL BRING BAG OF TRICK AND FUN WITH THEM

(Spriggs)

Tomorrow evening at 5:30 and again at 8 o'clock Saturday afternoon the Independents stacked up against the crack colored team under the name of the Detroit Colored Giants. This club is considered one of the best traveling teams coming thru Michigan this summer comparing favorably with the Illinois Colored Giants that trounced Holland last year. In fact a few of the Illinois Giants players are now with the Detroit Giants. This team started a very early tour of Michigan, and upon reaching Grand Rapids last week they found themselves upon the financial rocks. However in view of this disgusting circumstances they easily defeated one of Grand Rapids semi-pro teams last Sunday at Roma park. Jesse Elster former manager of the Colored Athletics of Grand Rapids came to the rescue of these boys and took over the management. Most of the regular players were retained and strengthening the weaker spots with Elster's players they now have a real ball team. The Independents may have to travel some to put across 2 more victories but playing the same kind of ball as in the evening game it will have to be a pretty good team to slip one over. Vande Bunte the Independents porters, will bring in the twilight game while De Young will work for the 2nd time this year in Saturday's game. Vande Bunte has not had a chance to show his wares this spring but in practice has appeared to be in fine shape.

The next two games should prove to be very entertaining as usually the colored boys mix a lot of comedy with high class baseball. Ross will umpire both games and his appearances always pleases the fans and adds pep to the game.

PARISH WOMEN OF FIVE CITIES ASSEMBLE AT G. H.

HOLLAND PASTOR AND LADY DELEGATES FROM GRACE CHURCH NOW AT COUNTY SEAT

Rev. D. D. Douglas, rector of Grace Episcopal church of Holland, together with Mrs. Douglas, Mrs. John De Voe, Mrs. Rose Kramer and Mrs. Hetherington motored to Grand Haven where they are delegates to a special missionary convention. The members at the meeting are from the Woman's Auxiliary of the parishes of Muskegon, Holland, Saugatuck, Whitehall and Grand Haven. The rector from Muskegon and Holland are present, also Arthedeon Vercoe of Grand Rapids, and Mrs. Peter J. Danhof, the President of the Woman's Auxiliary, with other leaders.

The program is as follows: 11:30 A. M. Holy Communion and short welcome by the rector. 12:15 p. m. Prayers for Missions. 1:15 p. m. Report of Racine Conference. Mrs. P. J. Danhof. 12:45 p. m. Luncheon in the Guild Hall. 2 p. m. The Supply Delegation. Mrs. M. V. Burlingame. 2:30 p. m. The Church Women. Mrs. R. H. Franchot. 3 p. m. Round table Discussion. Father D. D. Douglas of Grace Church, Holland "Woman and the Mission Field." Mrs. Danhof. 3:30 p. m. Inspirational Talk, "Auxiliary Ideals." 4 p. m. Adjournment.

The women of St. John's Parish Grand Haven were present at Holy Communion services as well as were the delegates from faithfully looked after the wants of the visitors and served at the luncheon as well.

Miss Mildred Drescher, formerly a Junior High teacher in this city, is here on her furlough from her mission station in India.

JUDGE CROSS LOSES OUT; RAY- MOND WINS

Friends of Judge Oren S. Cross in Ottawa and Allegan counties are rather disappointed to hear that President Coolidge did not see fit to appoint the local circuit court jurist to the position of United States district judge for western Michigan. Instead, Attorney Fred M. Raymond, a former Ottawa county man and now an attorney in Grand Rapids was appointed. Mr. Raymond was born in Ottawa county at Berlin, now Marne, 49 years ago and received his early education in this county in a district school. He later attended Central high school in Grand Rapids and then taught in the district schools of Ottawa county for three years before entering the university. Immediately upon entering practice there he was associated with the firm of Hatch & Wilson, and from 1906 to 1910 was a partner of Judge Reuben Hatch. From 1910 to 1922 he was a member of the firm composed of Judge Hatch and Atty. James T. McAllister, but in 1922 he entered partnership with Judge Harry D. Jewell. In October, 1923, Atty. Dean Face became connected with the firm, and a month ago William H. Messenger was admitted.

Atty. Raymond was president of the Grand Rapids Bar association two years ago, is a member of York lodge No. 410, F. & A. M.; DeWitt Clinton consistory and Saladin temple, a member of the Past Masters' association and the Kiwanis club, and a trustee in Park Congregational church.

Official notice of the appointment by President Coolidge was received Monday morning through Cong. Carl E. Mapes, who informed Atty. Raymond the president had just signed the commission, which will be received in a day or two. The appointment is for life. United States District Court Clerk Potter will probably administer the oath of office. Atty. Raymond held a conference this morning with United States District Judge C. W. Sessions on a division of the work.

Atty. Raymond's name was offered by Arthur C. Denison, judge of the United States circuit court of appeals.

COLLEGE MEN PLAN MUSIC PROGRAM

One of the most important musical events of the year will take place next week Wednesday evening, May 20th, when the Hope College Men's Glee club will give their first concert in Winants chapel. What seemed last fall an impossibility has at last become a reality. Many of the wisest men of the institution shook their heads and said, "it can't be done." But it has been done, the recent contest at Kalamazoo and the concert given in Grand Rapids testify to that.

The program will consist of numbers by the Glee club, violin solos by Kenneth Mook, formerly of the New York Symphony orchestra, vocal solos by Ruthford Hulsenga and Theodore Luidens and selections by the Metropolitan and Peerless quartets.

The concert will begin promptly at 8 p. m. Every patron is kindly requested to be in his seat before the first number as no one will be seated during the rendering of a selection. Please co-operate with the club in this and in every other way so that the concert may be of the highest order.

FORMER HOLLAND MAN COMING BACK HERE TO LIVE

Al Jolderama, for years a resident of Holland but who a year ago bought the "Golden Rule" clothing store at Grand Haven, has sold his interest in the business there and will move back to this city. Mr. Jolderama will take up insurance of all kinds together with being the representative of the Lincoln National Life. Mr. Jolderama always retained this home here at 70 East 13th street and will move back into it on Friday of this week. Mr. Jolderama for several years was connected with the P. S. Borer Clothing Co. He was at one time assistant in the city clerk's office and has been a live wire in the Holland Merchants' association meetings for several years.

LOCAL MEN TO SPEAK AT GRAND HAVEN

The following topics will be discussed at the meeting of the Western Social Conference at Grand Haven on Monday, May 18, 1925: "The Christian Sabbath in the Light of recent Ecclesiastical Controversy," by Rev. S. Vander Werf; "The Major Profession, or The Leadership of the Ministry," by Dr. Ed. D. Dimment.

REV. HOEKSEMA HEARING IS DELAYED UNTIL FALL

The supreme court will be unable to hear prior to the October term the appeal taken by Rev. Herman Hoeksema, formerly of Holland, deposed pastor of the Eastern Avenue Christian Reformed church, Grand Rapids, and his consistory from the order of Circuit Judge M. L. Dunham ousting them from possession of the church property.

This became apparent Monday when counsel for the minister obtained a third stay of proceedings to permit an opportunity for preparation of the bill of exceptions. The stay granted was for 60 days, making a total of 121 days' delay in enforcement of the court order.

Gordon De Waard of Lincoln school won the first prize in the W. C. T. U. contest in writing a story from memory that the pupils had heard the teacher read to them. Esther Johnson of Horace Mann school won second place. De Waard's prize was \$2.00 and the second prize was \$1.00. The judges, Mrs. A. J. Blekkink, made the decision Monday. The contest was for pupils of the fourth grade and the story they were required to write was "What the Fairy Told the Queen."

"De Hope," Reformed church weekly, announces that its report of East week that Rev. M. J. Hoffman of Pella, Iowa, had accepted the presidency of Rutgers College was in error. Mr. Hoffman, according to "De Hope," has accepted a position as professor in the New Brunswick Theological Seminary.

HOLLAND MAN IS A LOSER IN ROBBERY

The branch store in Zeeland of the Knapp Tire and Vulcanizing Company was broken into early this morning and about \$400 worth of goods stolen. Mr. John Knapp, who conducts a similar store on the corner of River avenue and 11th street, went to the Zeeland branch early this morning as soon as he received word of the robbery and roughly checked up on the goods that had been taken. About 21 tires were stolen and also a number of tubes. The exact value is hard to determine without a more accurate inventory but the loss will exceed \$400, Mr. Knapp thinks.

This is a complete loss to the Holland man as he could not get insurance against theft on the goods. The blow is all the greater because he started the Zeeland branch only about three weeks ago and was still in the experimental period. Although doing a satisfactory business, he feels the loss keenly and it is a hard blow for the new business venture.

How the robbers entered the store seems a mystery. They had to go through the store itself to get to the tire room in the back, of which they had broken the lock. The robbery took place about 3:30 this morning according to employees in a bakery who were up early to start their ovens. They saw a Ford car in the alley near the tire shop and one declares he would be able to identify one of the two men in charge of the car. The Zeeland branch was being conducted by George Hamburg.

Misfortune has come to Mr. Knapp in large quantity the past few months. He has been laid up with rheumatism for a long time the past winter and has spent hundreds of dollars seeking for a cure. The present loss added to his other expenses is a heavy one for him.

200 FURNITURE DELEGATES MEET IN MUSKEGON

Holland furniture firms were represented at Muskegon during the next two days when 200 retail dealers from different parts of the state meet at that place. Milo De Vries and C. Dornbos, of De Vries and Dornbos motored down Wednesday. Fred Beuwkes and Wm. Brouwer represented the James A. Brouwer Co., while J. E. Dekker was on hand representing Vanden Berg Bros. Furniture Co. of this city.

Golf, motor trips and banquets were offered the retail furniture dealers who were expected to attend the Michigan Retail Furniture club convention at the Occidental hotel there Tuesday and Wednesday. The Muskegon Country club will be opened to the furniture men.

Among many notables of the state furniture field who took part in the program are: Joseph S. Lesperance, Saginaw; William H. Wilson, general manager of the Chicago Furniture Mart; Ed. S. Wier, Dowagiac; R. R. Rau, editor of the Furniture Record, Grand Rapids; A. P. Johnson, Grand Rapids; John R. Russell, Detroit; William B. Wrexford, national secretary; "Dinny" Upton, formerly of Grand Rapids, delivered an address at the concluding banquet Wednesday evening. F. C. Morse presided at the final meeting.

Jackson Police No Respector Of Persons

A deep dark secret is just leaking out and is going the rounds. Whether the rumor is strictly true or not cannot be ascertained without making an investigation of the police docket of the city of Jackson but those who claim to know declare that a member of the board of police and fire commissioners of Holland was in Jackson last week and was "pinched" by the minions of the law there just as if he were only an ordinary individual. He was accused of infringement of the Jackson parking ordinance and he was summarily taken into court to answer the charge, according to the rumor. The local police commissioner's name is not mentioned in the stories told about him by some of his best friends but they give a clue to his identity by asserting that his first name is Henry and that he is the owner of a hotel that bears his name.

Henry Kraker, who was accused Monday by his friends of having been arrested in the city of Jackson last week on the charge of violating the parking ordinance of that city, put in a good-natured denial Tuesday. Kraker, who is a police commissioner of Holland, said that it was George Van Landegend who was arrested on the charge indicated. Kraker claims that Van Landegend was nabbed because the Jackson police saw him first as he is a head taller than the rest of the Holland men in the party. Now it is up to Van Landegend to shove the arrest on some one else in the party.

John E. Davis, retired business man, 75, died at his home in Allegan Saturday. He was a member Allegan judge, F. and A. M., for 35 years. Funeral services will be held tomorrow at 4 p. m. at the residence, with Masons in charge.

The Hope baseball team travels in fine style when it plays outside teams. A large bus capable of accommodating 24 people takes the men on these trips and thus the local motor is given a chance to carry a large squad.

A shower was given Thursday evening in honor of Miss Jeanetta Streu. The bride-to-be was the recipient of many beautiful presents. Those present were: Mrs. C. De Witt, Mrs. C. Knoll, Mrs. B. Stegink, Mrs. E. Boeghter, Mrs. W. Sidelmann, Mrs. Hawley, Mrs. A. Streu, Miss Jeannette Streu, Miss Henrietta Boeve, Miss Sadie Windemuller, Miss Alle Seakamp, Miss Johanna Bos, Miss Viola Hertz, Miss Cornelia Streu.

A BIG REAL ESTATE DEAL IS CLOSED

The biggest real estate transaction in lake shore property on record for many years was closed on Monday when six Holland men became the owners of the well known Straight farm on the lake shore lying between the George Getz property and the former Boone & Baker place. It extends from the south limits of the Getz property, some distance south of the Alpena road, to the north limits of the Boone & Baker place. It has a lake Michigan frontage of 3300 feet and extends back to the meandering road that circles through the hills at the east limits of the farm. The property comprises 160 acres.

The purchasers are: Frank Bolhuis, Frank Essenburg, George Schurman, Wm. Vander Ven, Louis Vanden Berg and George D. Albers. They have purchased the property of Mrs. Emma Straight, whose son is living in the old homestead on the place. The papers were signed Monday, and steps will be taken immediately for the platting and improvement of a part of the property for resort lots.

A thousand feet of lake frontage lying immediately south of the Getz boundary line is live like the Getz property and ready for immediate use. This section and the first range of hills to the south of it will be improved immediately and offered for sale the present season. The range of hills along the east of the farm overlooks the property in front of it, making it all desirable for resort lots and giving all a view of Lake Michigan.

The 2300 feet frontage to the south of the level section of the farm is composed of ranges of hills that run almost at right angles to Lake Michigan and which are beautifully wooded. The slopes of these ranges will be put into shape later for building lot purposes and developed into a resort. From several of the hill ranges there is a view of both Black Lake and Lake Michigan and the place is no more than a comfortable walk from the piers at Ottawa Beach. Electric light wires from Ottawa Beach are an early possibility for the new resort and while it is now possible to drive over the roads of the places in high, new highways will be built and new walks will be laid out in the near future. Some of the old logging roads through the hills are still in such good condition that the straight family has been using them to drive over with horse and buggy and they can easily be converted into fine cinder roads for autos.

ALPENA CLUB HOLDS LAST MEET

The Alpena P. T. club of District No. 2, Park township, held their last meeting of the season. It was well attended and the members were entertained by a very long program which consisted of dialogues and readings given by Mr. Lamb of Pine Creek school. His friends also gave several readings. Miss Dougherty, instructor at Junior high, with her pupils gave several very interesting readings. Violin solos were given by Mr. Ressegrew accompanied by Miss Van Sloten; and a young ladies quartet, composed of Miss Nicholas and friends, sang. Mr. Tempest, Sunday school teacher, and his friends gave several readings and quartettes. Mr. Beukema gave a very interesting talk on what the P. T. Club means to the people of today. Readings were given by Miss Adella Beukampas.

Refreshments were served by Mrs. R. Woodall, Mr. and Mrs. Geo. Honing.

Mrs. Winifred H. Durfee, dean of women at Hope college, and the women of the college delightfully entertained at an at home at Voorhees Hall Friday afternoon in celebration of Voorhees Day. About 200 guests were present. Dainty refreshments were served in the dining room by women of the college and a very enjoyable afternoon was spent.

The wholesale department of the Grand Rapids Association of Commerce has raised \$3,400 this year for the Michigan Tourist and Resort association and additional funds will be provided later, it was announced at the spring meeting at Highlands Country club Thursday.

The Look-Out committee of the Intermediate C. E. of the First Reformed church has announced an attendance drive. The girls are teamed against the boys in the effort to make the attendance of their team perfect. The losing team is to treat the victors. The treat will be in the form of an entertainment and social.

OPERETTA TO INTERPRET THE SPIRIT OF SUMMER

Work is rapidly progressing on the operetta, "On Midsummer's Day," to be given in the high school auditorium this Thursday and Friday evening by pupils of the local schools. Following is a synopsis of the acts that are to be presented.

Act 1—A beautiful garden of flowers has for its mistress one who loves them dearly but who neglects to give them water or tender care. The Queen of fairies comes to their rescue by allowing her rain fairies to refresh them, and as a punishment and lesson to their owner, takes them away to Fairyland until their mistress can learn how to care for them.

Act 2—The Brownies and Fairies, the devoted subjects of the Queen, are enjoying a frolic on this Midsummer's Day. They are awaiting the Queen, who on arriving tells the reason for her delay. In order to find the owner of this flower garden, the fairies and brownies, upon the request of the Queen, search the world for gardeners. They finally succeed in finding the owner who by this time is very sad. She promises to be a very considerate mistress so her flowers are returned, all are happy on Midsummer's Day. The public is cordially invited to attend this entertainment.

MEN BRING THEIR BEDS WITH THEM

The spring meeting of the western Michigan Round Table club, composed entirely of men, instructors has been in session at the Holland high school for the last two days. There are more than 90 present from different points from western Michigan, including Grand Rapids, Kalamazoo, Allegan, Muskegon, Grand Haven and Otsego. Friday night a social hour was held at the Junior high school, which included light refreshments. At this session 45 guests were present.

Rather an interesting feature was the fact that 30 of these guests had their blankets with them, and they were accommodated with cots Friday night in one of the spacious Junior high rooms and were called for breakfast furnished in the school cafeteria.

The men's club of the Holland schools and the school officials, together with the school board were hosts to the visiting teachers.

A program in charge of superintendent Fell and principal Riemersma of Holland, and S. S. Nisbet of Fremont, Mich., president of the western Michigan Round Table clubs was arranged Saturday morning, Mr. G. J. Diekema making the principal address.

Besides the members of the different clubs, the state department of public instruction, and also M. A. C. sent several representatives here to be present at the sessions. The program for Saturday morning was as follows:

9:30, "The Psychology of the School Man", B. A. Walpole, M. A. C.; 10:15, "The State High School Athletic Association", A. W. Thompson, State Director; 11:00, "Discussion", led by J. J. Riemersma, Holland; 11:45, "Business Meeting"; 12:00, "Luncheon" followed by an address by G. J. Diekema, Holland.

E. J. YEOMANS HEADS SONS OF THE REVOLUTION

The annual meeting of the Holland chapter of the Sons of the Revolution was held Thursday evening at the home of Mrs. Marmora Robbins and Mrs. Florence Cotton, 25 West 14th street. The paper of the evening was a very interesting account of the beginning of the Revolution, going back further than is ordinarily done. It was given by Attorney Charles H. McBride, his subject being "The First Call to Arms." Mr. McBride described the early inception of open conflict showing that politics and the family affairs of James Otis were mixed up with the beginnings of the war with England. The material of the paper was largely new to many of the members and the address was therefore of unusual interest. Mr. David Edwin Keyes, state regent, and Mrs. Keyes were guests of the club and Mr. Keyes made a few remarks.

Officers for the coming year were elected as follows: regent, Edward J. Yeomans; vice regent, E. C. V. R. Gilmore; secretary, Sydney J. Jencks; treasurer, Chester L. Beach; custodian of colors, Raymond M. Bosworth; historian S. L. Henkle.

NO PLACE FOR CHILDREN WITH TUBERCULOSIS

Four children with active tuberculosis and no place to send them—that is the heart-breaking problem that is confronting the city nurse and city health department. And those four little patients were discovered in a single afternoon's clinic at the W. L. C. hall. They are merely an indication of what could be expected if a really adequate health investigation were made.

The last patient that the local nurse and health department succeeded in placing at the state sanatorium at Howell had to wait from January to April before he could be admitted because of the long waiting list. And the records show that the local health authorities have never succeeded in getting a patient admitted in less than six weeks. Before the four new patients can be admitted it is likely that a year will have passed.

The clinic Thursday afternoon was very successful in numbers. In fact so many came that 15 had to be turned away at the end of the afternoon. But 17 were examined. Sanatorium care was advised by Dr. Vis for four, two were advised to have tonsils removed and to come for re-examination.

One child who had been a regular attendant at the clinics since they started graduated yesterday and Dr. Vis gave her the cheering information that it was not necessary to return. Another child can return to school after a rest of two months.

Patients came not only from the city but also from the country districts as well. All those who apply are given numbers and are examined in the order of their arrival. The 15 who were turned away came too late unfortunately to be able to be taken care of. The clinics are growing in attendance and their value is being recognized by many. The next one will be held in Grand Haven the first Thursday in June, and the next one in Holland will be on the first Thursday in July. Health slides were shown by Miss Bauck of the state tuberculosis association.

WEDDED AT BRIDE'S HOME

A quiet but pretty wedding was held at the home of Mr. and Mrs. I. Vos when their daughter Minnie was was united in marriage to Mr. George Kuiper. The bride was dressed in white canton trimmed with satin and wore a veil of tulle held together with orange blossoms. She held a shower bouquet of orchids roses and swansonia. The bridemaid, Miss Kay Vos, was dressed in blue crepe trimmed with silver lace and held a bouquet of sweet peas.

The happy couple left on a short trip and they will be at home to their many friends at 400 Pine ave.

WILL SHOW WHAT PUPILS ARE DOING

Beginning on June 6 and running on through the following Saturday, the Holland City State Bank will put on a big school exhibit in which will be shown what is being done at the local schools and which will give the people of Holland a glimpse into the daily activities of the pupils. The exhibit will not be confined to the public schools but will include the School for Christian Instruction and the St. Francis school.

The exhibit will include: sewing by pupils from the seventh to the twelfth grades inclusive; manual training—turning and bench work, and mechanical drawing by pupils from the eighth to the twelfth grades inclusive; fine arts from the seventh to the twelfth grades inclusive; penmanship from the first to the eighth grades inclusive. The department of printing, under the direction of Prof. Robert Evans, will put on a large exhibit showing the kind of work that is done in that department.

A similar exhibit was put on very successfully by the same bank three years ago. The one that is planned now will be on a much larger scale than the earlier exhibit and many more pupils will take part in it. The bank is offering a long series of prizes in the shape of passbooks with deposits in them as was done three years ago, three prizes being given in each class of work on exhibition.

Work on putting up the frames in the lobby of the bank on which to show the exhibits will begin some time before the opening of the show so that everything may be in readiness when the public is admitted to the exhibition. The exhibit will remain for a week and a day and all will be given an invitation to see it.

COOPERSVILLE TO VOTE ON BONDING ISSUE FOR SCHOOL FOURTH TIME

For the fourth time in nine months residents of school district No. 4, which includes Coopersville, will vote May 15 on a bonding issue for adding to the district's school facilities. The amount of the proposed issue is \$45,000 and this would be used to build a grade school on the site of the present kindergarten. The present school building would be used exclusively for high school gymnasium, as was proposed previously.

The previously defeated proposals called for bonding for \$60,000 and this amount was to be used in remodeling and adding to the present building and providing a gymnasium. This is the fourth time the district has voted on a school project.

STRANGE ACCIDENT TAKES PLACE ON THE G. H. BRIDGE

A near serious accident occurred Thursday night about nine o'clock when a big boom on a piece of machinery aboard a flat car on the south bound Pere Marquette freight, swayed and caught itself in a corner of the Grand Trunk railroad bridge at Ferrysburg. The boom was de-mounted and fell on the bridge, luckily falling in such a way that none of the cars were derailed.

The load was left on a Grand Haven siding to be lined up and put in such shape that no accident of this nature would happen again. The machinery was saved from any great damage, according to railway officials. The freight train was not delayed but continued on its way to Waverly.

Although the new impounding ordinance that was passed by the common council three weeks ago has now become a law of the city, the time limit having expired that is necessary between the passage of the law and its formal entry upon the statute books, it will not be rigidly enforced until the first of June. The board of police and fire commissioners has decided to hold off with enforcement for a week or two to give opportunity to secure the necessary blanks and also to give opportunity to install the stop-and-go signal system. That system, it is expected, will be ready about June first and at that time the whole new automobile traffic regulation will be put into effect.

Jonkoping, Sweden—A match a day for every man, woman and child in the world is now being turned out by the factories owned or controlled by the Swedish Match Corporation, according to a report issued here.

The average output now amounts to 30,000 matches a second or 10,000,000 boxes a year. If placed in a single pile the match boxes made in eight months would reach from the earth to the moon, it is alleged.

Practically all the raw materials used for match making in Sweden have to be imported; the aspen wood comes chiefly from Russia.

A group of friends staged a happy surprise for Mr. and Mrs. Stephen Karsten Wednesday evening on the occasion of their fifteenth wedding anniversary at their home at 219 West 20th street. Dinner was prepared and served by the guests. After dinner various jokes were played on the host and hostess and later they were presented with a beautiful crystal gift. Games were played and a dainty luncheon was served. Those present were: Mr. and Mrs. John Erickson, Mr. and Mrs. J. Marcus, Mr. and Mrs. A. Butler, Mr. and Mrs. J. H. Berkompas, and Mr. and Mrs. A. Dogger.

4 CANDIDATES FOR MAYOR ARE NAMED

Friday afternoon was nominating day at Holland high school. At that time candidates for mayor, city clerk, treasurer, chief of police, and aldermen were named, the same as in our city affairs.

An afternoon was set aside when all students gathered in the big auditorium and different groups of students advanced the candidacy of their particular favorites. Principal Riemersma was in charge of the caucus and shortly after the opening of the session nominating speeches were in order, and it is stated that never in the history of student government, which has been in existence now for 12 years has there been such brilliant speaking.

The Round Table society of western Michigan, a teachers' organization which was in session at the public schools for two days, was given some idea of the workings in student government here in Holland. The fame of the local schools, as governed by the student body, has gone even beyond the borders of Michigan and many of the delegates here expressed the wish to attend this nominating session. The visitors who filled the gallery marveled at the oratory and commented on the smooth way in which the caucus was conducted.

The students nominated four candidates for mayor, and several candidates for the other offices. In two wards, the fourth and sixth, there are a dozen aldermanic candidates for each ward.

Election day takes place on Friday, May 15, when a regular ticket will be printed, a voting booth will be installed, election board and inspectors named, and a regular polling place established and even the indecipherable pencils will be on hand in order that voting may be done legally. In other words, the election will be carried on in exactly the same way as a municipal election.

The nominations made Friday are as follows:

Mayor—William Winter, Paul Nettinga, Maurice Marcus, Jacob Pelon, Clerk—Evelyn Stekotee, Mabel Essenburg, Margaret Van Vyven, Nicholas Prakken, Willard Vande Water, Glen Severance.

Treasurer—Russell Smith, Maurice Marcus, Jacob Pelon, Clyde Coster, Chief of Police—Harold Jappinga, Henry Van Wessel, Glen Severance, Irving Tucker.

Aldermen: 1st ward—Alvin Cook, Jeanette Yonker, Esther Hoekstra, Geneva Vander Brink, Willard Vande Water, Frieda Boone, Marion Westhoek, Sarah Lacey.

Aldermen—2nd ward—Ruth Daiman, Henry Steffens, Lois Dressel, Elizabeth Keeler, Junia Mulder, D. Martin, Ethel Heneveld, Helen Plasman.

Aldermen—3rd ward—Harold Boone, John Winter, Gladys Hulzenga, Harriet Schurman, John Telling, Clyde Coster, Nicholas Prakken, Junia Mulder, Mabel Bauhahn, Dean Martin.

Aldermen—4th ward—Harold Sierama, Vera Brower, Wilhelmina Dekker, Gordon VanArk, Irene Gustafson, Adelia Beekes, H. Jappinga, Madeline Cote, Helen Plasman, Irving Tucker, Esther Brink, Alice Donnelly.

Aldermen—5th ward—Helen Eberhart, Myra Ten Cate, June Van Dyke, Alice Brunson, Hendrick Nobel, Marjorie Du Mez, Esther Brink.

Aldermen—6th ward—Frank Harbin, Gerald Breen, Viola Kleyn, Marvin Meengs, Ed Scheerhorn, Donald De Vinney, Richard Hoodema, John Winter, Marie Schumacher, Glen Severance, LaVern VanderHill.

BICYCLE MAN TO QUIT BUSINESS

George piers, one of the oldest bicycle shop men in the city, who had conducted a bicycle shop for many years at 9 West 16th street, will discontinue that business and he has announced that he will dispose of his entire stock and all fixtures.

He has rented his store to the Atlantic and Pacific Tea Company and that firm will open an A. and P. store there in the near future. This will be the second A. and P. store in Holland, the other one being located on East 5th street.

HEALTH THEME OF PROGRAM

The program of the W. C. T. U. conformed to Health Week Friday, with the city nurse giving a talk on child health. She stressed the importance of fresh air, day and night, and all the sunshine possible, as a health preservative and cure, combining with this abundance of milk, vegetables and fruit with plenty of sleep. She recommended vaccination for preventable diseases and isolation of the sick. Two sets of health pictures were thrown on the canvas adding to the effect of her talk.

Other features were a parliamentary quiz by Mrs. R. N. De Merell, a talk on health by Mrs. Sena Mersen and vocal numbers by Mrs. John Koolker, "The Call of the Maytime," by May H. Boeke, and "Baby's Laugh," by Ward Stephens.

The annual spring examination of the students of the Western Theol. Seminary will be held on May 12 and 13. This examination is conducted before the Board of Superintendents, and winds up the academic work of the year. Commencement exercises will be held on the evening of the thirteenth of May in the Third Reformed church of this city.

Rev. John Wesselink of Pella, Ia., who is the President of the Board of Superintendents and Mr. Edward H. Tania of Hamilton will speak as representative of the class.

Thursday afternoon about five o'clock, an Oakland touring car, northbound, driven by C. E. Conger of Grand Rapids and a Star coupe, south bound, driven by W. H. Nussendorfer of New Era, came together at what is known as the "Willow Bend" on the pavement just south of Petty's bridge near Spring Lake.

Both men were slightly cut by broken glass and the coupe was badly wrecked. The touring car was damaged to its front end and to its frame. No blame was attached for the accident and witnesses to it were not available.

IS APPOINTED CASHIER OF 1ST STATE BANK

The announcement was made today by the directors of the First State bank that Professor Wynand Wichers, head of the department of history at Hope College for many years, has been engaged as cashier of that bank. Mr. Wichers has handed in his resignation to the college to take effect at the end of the present school year and he will assume his duties at the bank in July.

The appointment of Mr. Wichers to this position is not a sudden decision on the part of the directors of the bank. The present cashier, Henry Luidens, who has served the bank in its various offices during the whole of his business life and who has been cashier since the death of the late G. W. Mokma, asked over a year ago to be relieved of the duties of the cashiership because of health, and the officials of the bank have been casting around for a successor. Mr. Wichers has been under consideration for some time and he has now been prevailed upon to accept the position.

Mr. Wichers had under consideration an executive position as assistant to the president at the Western State Normal School at Kalamazoo, which was offered him a short time ago, but he has declined that position to accept the place offered him by the directors of the local bank.

Mr. Wichers comes from a business family and he has been familiar with financial matters and business relations ever since childhood. He has shown himself a sound and an able business man in every way and the directors of the bank feel that he is ideal timber for the position of cashier of the First State bank. He has a very wide acquaintance in Holland and the surrounding territory, which is also an asset to a person filling that position. He has to a remarkable degree the goodwill and the confidence of the public, which are qualities that are highly valued by any bank.

Mr. Wichers was born in Zeeland and received his public school education there. He graduated from Hope College and immediately after graduation took a position on the teaching force, accepting the chair of history later when it became vacant because of the death of Prof. Henry Boers. He did special work at the university of Michigan and the University of Chicago, and spent a year's leave of absence at Ann Arbor as both student and instructor, returning to Hope the next year to resume his work here. While his career so far has been chiefly academic, he has had much business training and has shown marked executive ability.

Mr. Luidens' connection with the First State bank will continue but he him of the strenuous duties from will take a position that will relieve which he has asked release.

MICHIGAN PIKE MAY BE CHANGED AT FERRYSBURG

It was stated at the office of the Ottawa county road commission at Grand Haven Thursday that the Pere Marquette railway company had withdrawn its opposition to the construction of a grade crossing at Ferrysburg on the route of Trunk Line 11 and that as soon as arrangements could be made and funds provided the highways would be re-routed and paved over the new right of way.

When this is done, another long fight for improvement will have come to an end and a much needed improvement will have taken place. The Ottawa county road commission has long striven to eliminate railway crossings wherever possible and to install grade crossings but this has not been accomplished at the point named although several hearings have been held before the public utilities commission and much agitation for the improvement has taken place.

The route proposed would continue Trunk Line 11 through the village of Ferrysburg, straight north until a point about opposite the Natural Ice company's storage house is reached where a long curve would take the highway up an incline and over the Pere Marquette right of way in such fashion that it would meet the present route of M-11 where the old concrete strip ended. This arrangement would eliminate one dangerous railway crossing and four sharp turns in the highway.

Holland motorists who travel often to Muskegon will be pleased to hear of this proposed change as these curves, especially on Sundays, are dangerous.

Need for the new route was again brought to the public mind Tuesday when a near fatal crash between a Pere Marquette passenger train and an automobile took place at this Ferrysburg crossing with the two passengers of the auto miraculously escaping very serious injuries and perhaps death. Other accidents have occurred at this point but the instance of Tuesday was the latest one to attract attention.

Opening of many central Michigan resorts this week-end will mark the beginning of the season in this vicinity. Favorable weather in prospect for the late spring and early summer is expected to bring out tourist trade much earlier than ordinarily.

The state park east of Cadillac will not be opened until May because of repair work necessary on tourist shelter houses.

Houghton lake resort owners declare decision of Judge Guy E. Smith of Roscommon circuit court in dissolving injunctions sought to keep the public from using water surrounded by land owned by a lumber company has guaranteed against loss of tourist patronage.

The lumber company claimed exclusive riparian rights to North Bay and Muddy Bay in Houghton Lake.

There Has Been Windstorm Damage Done in Michigan Every Year Since 1892

This was once a big, beautiful barn, 40x50 feet, tool shed, 24x40, and a buggy shed. Besides this a lot of tools were broken, two horses were killed and the house damaged. This property belonged to J. R. Bettes, three miles northwest of Sparta in Kent county, and was destroyed by a cyclone in May, 1923. This company paid Mr. Bettes \$2,300.00.

From 1906 to 1916, Ten Years,
This Company Paid an average
each year of \$50,691.48.

From 1916 to 1924, Eight years,
This Company Paid an average
each year of \$197,587.79.

This experience shows that as the timber is cut off Michigan is open more and more each year to the visitation of cyclones. Damaging windstorms are almost sure to visit some parts of the state every year, doing thousands of dollars damage.

The only business-like way for every property owner in Michigan to do is to take one of the protecting windstorm insurance policies from this company.

The cost is very small. If you had taken a policy with this company when it was organized, and paid all the assessments during the history of the company, it would have cost you only an average of six cents per hundred per year.

council was necessarily against the increase but because they did not like the way in which it was done.

Ald. Laepple said that it was not fair for the board of education to do something like this arbitrarily and then place on the council the onus of not coming across similarly in case there should be difference of opinion. His idea was that before taking action of this kind the board of education would be showing greater courtesy by going into the matter and talking it over with a committee of the council

so the council could have the opportunity to argue the desirability of such action.

A motion was made by some one summarily to file the communication of the board but others were unwilling to make the council's action look like retaliation and so the motion was withdrawn. Another motion was then passed to refer the boards communication to the ways and means committee, which body will report to the council later.

Peter Stykstra, living north of Holland, lost several hundred young chickens, presumably due to poison. When Stykstra entered the barnyard shortly after feeding his chickens he noticed one after the other topple over and fall lifeless to the ground. A sample of the feed is being analyzed to ascertain the cause of death. A few days before 14 head of cattle were poisoned near Harlem. These however are recovering.

Della Overweg and Carl Visscher were united in marriage Thursday night at the bride's home on 20th street and First avenue. Nell Visscher served as best man and Lillian Overweg as bridesmaid. The ceremony was performed in the presence of many relatives and friends by Rev. C. P. Dame.

The Zeeland council has selected as city officers: Attorney, J. N. Clark; deputy clerk, C. Rosenraad; auditor, James S. The next shoot will be held Tuesday, May 12th.

Commencement week for the graduating class of Hudsonville high school will begin Sunday, May 24, at Reformed church, where the baccalaureate sermon will be delivered. On May 25 commencement exercises will be held at the same place, a class of 12 seniors there to receive diplomas. The standing of the entire class is exceptionally high and the average will range close to 90. Miss Edith Dykstra with a standing of 96.3 will be the valedictorian and Miss Della Vanderwal, whose standing is 96, will give the salutatory.

Prof. John B. Nykerk, head of the department of English language and literature at Hope college, this year will complete 40 years of continuous service as a member of Hope's faculty.

HOLLAND "GOOSE EGGS" CLOWNS IN FIRST GAME

Holland's base ball park was packed with patrons Saturday who came to witness the first game of the season. If attendance at the opening game is any indication, the success of for the season of 1925 is assured from the go in. There were 748 paid admissions and the receipts from the grandstand which was also filled, made the sum taken in altogether a good starter for the coming season. The youngsters in the grandstand to the east, who are admitted free, were on hand in large numbers as usual and it is estimated that at least 1100 witnessed the first game.

The opening of the base ball season started at 2 o'clock Saturday afternoon when the American Legion band gave a short concert at Centennial Park. A parade was then formed and the Hale Clowns, dressed the part, followed by the Holland Independents together with Mayor Kammeraad and other enthusiastic base ball fans, marched to the ball park via River avenue and Eighth street.

Just before the game was called the band together with the two teams circled the diamond and then Mayor Kammeraad, surrounded by the players, stepped forward and in a short talk told of the opening of the baseball season, wishing the local club success. He then proceeded to announce the finding of the Holland Park Board in selecting a name for the base ball grounds.

A name contest had been conducted for more than a week, the ballots being deposited with the secretary of the Park board. It so happened that two young ladies selected the same name and this fact was announced by Mayor Kammeraad who stated that the name of the baseball park in the future would be Riverview Athletic Field.

Miss Mae Eloise Westveer and Miss Margaret Dronkers the winners were driven on the field in an automobile and each was presented with a basket of flowers together with a season's pass to the base ball grounds. These passes also include the best seats in the grandstand for the entire season. The flowers were donations from the Shady Lawn Florists and the Twelfth Street Floral Shop. The ladies, when they stepped from the automobile to receive the flowers and prizes, were given an ovation by the fans and smilingly they bowed, retiring to their seats to witness the game that was immediately called by Umpire Ross with Mayor Kammeraad pitching the first ball.

The first game of the season was a decided victory for the Holland team the visiting Hale's Clowns of Grand Rapids never getting a look in. The score in the final was 9 to 0 in favor of the locals, not a clown having reached third base in the entire nine innings.

Spriggs brought in the first run with a two-bagger with Gerry Batema scoring. Roy Ashley also had his scoring, he hit with a liner out to deep center, making second on the list. The two Batema's and Doc Wautz did well with the stick each garnering two hits that meant runs for Holland. The box score and summary is as follows:

STATE CHEMISTS CLINIC FOR SWOOP DOWN CRIPPLES TO BE FRIDAY ON HOLLAND

Two state inspectors from the conservation department at Lansing suddenly visited this city, it is stated, at the request of a committee appointed by the Holland Game and Fish Protective association. The inspectors were here a few days ago and were joined by the local committee. Samples of water were taken from the vicinity of several local factories and were shipped to the state laboratories for analysis.

Samples were also taken from the head of the bay to beyond Montella Park and attention was especially devoted to the waters in vicinity of factories known to have dumped their waste matter in Black lake.

The members of the Holland committee state that although no complete report has been received up to this time, they understand that the water adjacent to one manufacturing plant was so filled with certain chemical waste that there was little oxygen left in the water and the state game department informed the committee that fish could not possibly live where air was so rare. One member of the committee stated that he went over these fishing grounds, and he found many small fish, and not a few minnows floating about on their backs, struggling for life, and that a few dead fish also were found.

It is said that a more thorough examination is going to be made later and the state is going to request the heads of certain manufacturing institutions to put in small sewage disposal plants. It is stated they feel since Holland has taken this very necessary step and is going to take care of the city sewage private plants where this is necessary must follow the city's example.

A wholesale industrial cleanup as far as pollution is concerned has been going on around Saginaw and Bay City, the district from which John Beard, head of the conservation department comes. Members of the local fish club point out that if Mr. Beard cleans up in his own district Holland and Black lake will surely not be overlooked and they are positive that radical changes can be looked for late this summer.

The May meeting of the M. E. church home missionary society, held at the home of Mr. and Mrs. W. C. Vandenberg, was devoted largely to glimpses of the Grand Rapids convention which was attended by several. The Holland auxiliary won the district pennant for the largest net gain in membership during the year. In the young people's department, Mrs. Hazel McClellan superintended, the Queen Esther Circle captured two banners, one for the largest amount of money raised and one for the best handmade poster, the work of Miss Evelyn Harris. Many of the members attended the Queen Esther banquet Friday evening at which Miss Hilda Hansen was one of the speakers. On Thursday evening the Home Guards of Holland, under the leadership of Mrs. Mabel Fisher, gave a playlet, "Uncle Sam's Children." The convention was one of inspiration and instruction.

The music for the evening was: vocal solos by Marion Ingham, to her own accompaniment; guitar selections by Glen Severance. A playlet "The Revolt of Ann Hastings," was given by the following Queen Esther girls: Lorraine Olinger, Evelyn Harris, Marie Kulte, Marion Lordahl. Due to the illness of Vivian Nye, Mrs. Hazel McClellan played the lead.

Mrs. Etta Whitman was in charge of devotions and Mrs. Chas. Harris and her group served ice cream and cake. The next meeting will be the annual meeting and picnic at the home of Mrs. James Van Dyke on the north side.

Peter Lieveens, who has severed his connection with the People's Auto Co. on Central Ave., and Paul R. Coster, at one time owner of the Coster Supply Co. of this city, are now associated with the John Miller real estate offices located in the old Bell Telephone rooms in the Brouwer block on River avenue and Ninth st.

The firm will deal exclusively in real estate and will have no side lines. Mr. Lieveens, when interviewed, stated that the firm would handle only one line and that was real estate and they were about to push this line hard.

In a report on the condition of some of the harbors along this shore of Lake Michigan made by the U. S. Navy, Branch Hydrographic Office, the following is given about Saugatuck Harbor:

"Soundings showed controlling depths of 11.4 feet on the north and 13.6 feet on the south half of the entrance bar in Lake Michigan; and 14.3 feet in the channel between the piers; and 13.6 feet in the pier about 500 feet above the inner end of the north revetment."

The steamship Puritan, formerly of Holland and which has been running between Muskegon and Milwaukee while the E. G. Crosby has been taken off that line and sent to Manistee where it will undergo repairs preparatory to regular schedule between Chicago and the Soo. The Puritan will not start, however, until later in the season.

Three times out and. By a process of elimination it seems to have been established at last that it was Frank Dyke and not Henry Kraker or Geo. Van Landegard who was arrested in Jackson last week for violating the parking ordinance there. Kraker's friends accused him; he in turn accused Van Landegard; and Van Landegard said today that since it wasn't he or Kraker it must be Dyke who was in the party. All admit that there was an arrest. Dyke for about three years was a resident of Jackson and his associates on the now historic trip declare that he acted as if he owned the town, so he must have been the one arrested. Well, that's settled at last.

Full preparations have been made for the clinic for crippled children that is to be put on by the Holland Rotary club on Friday of this week. It is now certain that there will be a satisfactory attendance of crippled children for examination, the preliminary work done by the club having insured that. It is also hoped that all the doctors of Holland will make it a point to be present at the clinic during part of the day so that the clinic may be made as valuable as possible to the community. The clinic will be held at the Woman's Literary club hall beginning at nine o'clock in the morning and continuing all day.

Dr. Blodgett of Detroit, a specialist in the diseases of crippled children, will arrive in Holland Thursday afternoon and he will be the guest of the Rotary club members and their wives at a supper to be given Thursday evening at the Warm Friend Tavern. At that time Dr. Blodgett will address the club.

The clinic on Friday will be for examination purposes only, the Rotary club wishes to emphasize again. No one who takes his crippled child to the clinic need fear that any operation will be performed. The child will merely be examined under the supervision of Dr. Blodgett and the parent will be given advice as to what steps to take to correct the child's physical defect in correction is possible. Then the parents can follow the advice or not as they see fit. In a large number of cases corrections are possible and the clinic is for the purpose of giving crippled children in the community the chance they deserve to have.

This will be the first crippled children's clinic ever put on in Holland and it is arousing a great deal of interest.

Dr. William R. Vis of Grand Rapids, speaking before the Parent-Teacher association at Zeeland, declared that the enormous multiplication of diseases today is the penalty paid by civilization for its tendency to overcrowd. Tuberculosis, a disease of modern times which developed through living in tightly inclosed houses, is now being controlled and will shortly be a thing of the past. In the near future, he predicts, all public schools will be of the open air type.

On Friday evening the Holland Christian high school will hold its second interscholastic debate in their gymnasium, this time against Chicago against high. The question will be the same as that debated on Wednesday, Grand Rapids vs. "Resolved, that United States and Canada shall jointly construct a waterway from the Great Lakes to the ocean by way of the St. Lawrence as proposed to congress by the International joint committee in January 1922."

In the debate held the 1st of May the two competing schools tied for honors. The Holland affirmative team won by a 2 to 1 vote at Holland while the Grand Rapids affirmative team won by a 2 to 1 vote in Grand Rapids. The negative team of Holland is to meet Chicago here while the affirmative team will travel to Chicago to meet their negative team on the same evening. Holland's affirmative team consists of Leon Bosch, Wm. Koster and Harold Delbosch, the negative team of Leo Peters, Cornelius Plantinga and Glen Fyneveaver.

The judges for the evening are: Mr. Henry Geerlings, Mr. J. Riemersma and Prof. Paul Hinkamp. Mr. Anthony Rosback, presiding as chairman, will call the debate at 7:45 P. M. The public is cordially invited to attend, no admission being charged.

Miss Irene Haan, Hudsonville school teacher, was seriously injured about 6:30 Tuesday evening when she was struck by an automobile. The driver of the machine, H. B. Dix, 221 Union Avenue SE., removed the injured woman to a physician's office and later took her to the Blodgett hospital, Grand Rapids. She was hurt about the legs and shoulder.

The death of Mrs. W. B. Harrington early Thursday morning reveals the odd fact that not only will Mrs. Harrington be buried on her birthday but the same thing happened to her mother who died in 1914. Mrs. Harrington would have been 70 years old on Saturday, the day when her funeral will take place. Her mother, Mrs. M. R. Merritt, who died on November 20, 1914, in the same house in which Mrs. Harrington died, would have been 73 years old on the day on which Harrington had been seriously ill since January in the old Harrington homestead on south Lincoln avenue, where she had lived all her life, the house having been built by her husband's father, the late George Harrington who came to this community in 1847. She was married on April 10th, forty-eight years ago. She is survived by two children, Mrs. George H. Nichols of Orteg, Fla., and Clifford who lives in the old Harrington home; also by four grandchildren. Austin Harrington of this city is her nephew.

The funeral will be held Saturday afternoon at 4 o'clock at the home, Rev. G. Vinner, pastor of the Wesleyan Methodist church, officiating. Interment will take place in the Graafschap cemetery.

Another strange fact about the death of Mrs. Harrington is that her son's wife, Mrs. Clifford Harrington, died exactly two years ago today in the same home.

EGGS IN STORAGE EXCEED YEAR AGO

Cold storage stocks of eggs on hand May 1 were placed by the department of agriculture at Washington at 4,901,000 cases compared with 3,563,000 on the same date last year. The holdings of creamery butter amounted to 3,744,000 pounds compared with 3,913,000 pounds a year ago.

Frozen poultry stocks decreased from 52,068,000 to 32,953,000 pounds while storage holdings of meats were 397,403,000 pounds last year.

Stocks of both barreled and boxed apples were less than last year, 504,000 barrels being in storage compared with 1,044,000 and 1,793,000 boxes compared with 2,901,000 boxes a year ago.

TAVERN SCENE OF NUMEROUS SOCIAL EVENTS

The new Warm Friend Tavern is rapidly becoming the center of social life in Holland. Ideally equipped for all sorts of gatherings from the smallest private party of friends to the largest convention that is likely to come to Holland, the tavern has started right in from the very beginning to attract such gatherings.

The first few days of the tavern's career were given over for the most part to the series of banquets that were staged there in honor of the opening of the hostelry but since then a number of events have taken place there that have convinced those who attended them that the new hotel is an ideal place for all sorts of gatherings and that it is destined to become a sort of community center for social events.

College societies and other gatherings have already been held in the hotel and a number of similar events are scheduled for the immediate future. Next Monday night the Century club will hold its annual banquet there after having in past years sometimes had difficulty in securing a banquet hall because of the fact that private homes are too small and some of the halls that were available were not suitable for one reason or another. The club ended its year's work some weeks ago and under ordinary circumstances the annual banquet would have been held then but it was decided to postpone it this year and wait for the opening of the hotel.

Smaller parties, are also making good use of the hotel for social events, and since the accommodations are elastic, as they would have to be in any first-class hotel such as the Warm Friend Tavern is, all parties are finding it an ideal place for gatherings.

Just now the very newness of the hotel makes it a drawing card for social gatherings large and small but it seems likely that it will continue a popular place for such gatherings because it is well equipped for anything along that line that may be staged in Holland.

CHOOSE NEW NAME FOR RESORT

For some time John Arendshorst, who has just opened up the new resort what was formerly known as the Baker-Boone woods on Lake Michigan, has been casting about for a name for this resort. A contest was recently held when \$10.00 in gold was given to the person sending in the best and most suitable name for this resort property. Clarence De Graaf, 410 Maple Ave., was the lucky man and was paid the ten. Mr. Arendshorst, however, was doubtful whether this name would exactly fill the bill. He has waited for nearly a month now and during that time many have told him that they considered the name ideal. He has therefore definitely decided to call the place "Eagle Crest Park."

The property is now open for inspection and the proprietor states that any cottage built there will be erected to suit the prospective property owners.

Lots are now on sale, Mr. Arendshorst states, and he will have representatives on the ground even late in the evening so that those who have no time during the day can call while there is still daylight.

NOTED HOLLAND BALL PLAYER DIES SUDDENLY

Alderman Arie Vander Hill early Saturday evening received a telegram from Fall City, Nebraska, which read, "Tony died suddenly at 3:15 Saturday afternoon." It was understood later that Tony Vander Hill, a noted baseball player and a brother to the several Vander Hills here, suddenly dropped dead in the room of his boarding house, supposedly of heart failure.

As a ball player Tony Vander Hill made a record. Even as a young chap of fourteen he was considered the best all around man in baseball in Holland. Twenty-five years ago, when Con De Pree managed the first real team that Holland had, Tony Vander Hill was the backstop for the noted Neal Ball, who later made a name for himself in the national leagues. The older citizens will remember that the grounds at that time were located at the corner of River avenue and 16th street, and that it was this team that came within one score of the defeating "All Americans" at Grand Rapids when the country, and Grand Rapids having no real team called upon the Holland neagles to fill the bill which they did with credit, the game going 11 innings with a 2 to 1 score.

From Holland Vander Hill signed up with Kansas City that farmed the local man out to Joplin, Missouri. During his 25 years in the west Vander Hill was a star performer in the "Three I Leagues," "Buck" Weaver, another Holland boy and a catcher of note, was also prominent in that league together with Vander Hill.

Later Vander Hill managed the Joplin, Missouri, team and what was called the Western Association, embracing the Missouri Valley. He made this team a pennant winner on two occasions, and then Fall City, Nebraska, hired him, and that team was made a pennant winner the next year.

Tony Vander Hill retired from active baseball eight years ago, and was traveling for the Hickock Milling Co., of Fall City, selling flour in Iowa and Nebraska.

Mr. Vander Hill was 51 years old, May 5th last, and is survived by two sons, George of Holland and Wilson of Grand Haven. He also leaves an aged mother who has just passed 83 years, and five brothers, Gerrit, Arje, James, Henry, and John; three sisters, Mrs. John Overbeek, Mrs. Herman Vanvassan and Miss Esther Vander Hill who lives with her mother. All of the Vander Hills mentioned, with the exception of one son, still live in this city. Up to this time no arrangements for the funeral have been made.

The funeral of Tony Vander Hill took place at the home of his mother, on West Tenth street. Rev. Zwiers of Maple Ave. church officiating. Friends were able to visit the remains Wednesday.

DIEKEMA HITS AT HIP FLASK IN SCHOOL SPEECH

A law requiring every child to know the constitution of the United States by heart before he is allowed to graduate from school would be a wholesome addition to the educational laws of the country, Gerrit J. Diekema, Holland, former congressman, told Grand Rapids Union high school students, at their assembly Monday morning.

Mr. Diekema, whose subject was "The True American," warned the young people that obedience to law was the basis of true Americanism.

"The boy who goes to dances with a flash on his hip and the girl who goes with him are not true Americans," he said. "They should leave this country for this country's good. If you want this nation to be greater and more free than it is today, you must obey its laws—you must be good."

"Remember this country also must depend on God. No country can remain great, free and good, unless that country is God-fearing."

Chicago, May 13.—Five assistants were assigned Tuesday to the orderly handling of the tons of documents which are streaming in from nearly 1,000 furniture manufacturers in all parts of the country who have been subpoenaed to appear in the federal investigation of an alleged furniture trust. Roger Shale, assistant U. S. attorney-general, who is prosecuting the case, said the documents include office records of the subpoenaed firms and also minutes of various furniture associations' meetings for the last 11 years.

Prof. Paul E. Hinkamp of Hope college has been engaged to deliver the baccalaureate sermon for the graduating class of the Wisconsin Memorial Academy at Cedar Grove, Wis., May 31st. Prof. Hinkamp was instructor in that school from 1907 to 1911 and he acted as principal from 1900 to 1911. Mrs. Hinkamp was also instructor in the academy from 1907 to 1913. Mr. Hinkamp has been invited to attend the dedication of the new \$75,000 building that has just been erected, which dedication will take place on May 29 and also to attend the commencement exercises on June first.

The biggest and the most intense membership drive in the history of the Willard G. Leenhouts Post of the American Legion—that is what the officials of the local post are contemplating and they have already begun work on it.

There is a reason for this. Unless Holland does something special this year in the way of increasing the membership it is going to look as if this city lags far behind other Michigan towns. Holland always had a large membership compared with most Michigan towns and particularly last year the percentage of active members to potential members was way ahead of most towns.

But now the state of Michigan is making a special effort to increase the membership for the state 25 per cent. This will be quite easy in places where the membership has always been low and it will be merely a case of bringing the post up to normal in membership. But in Holland the field was worked so intensely last year that it will be hard to add still another 25 per cent this year. But if it is not done Holland will seem to be lagging behind the other places in the percentage of increase and the local Legion will lose its proud place as one of the best posts for membership in the state.

For that reason the drive this year will be bigger and harder than ever. The Legion officials know that it is going to be a big job but the size of the task is a sort of challenge to them and they are going to try for that 25 per cent increase in spite of everything. They are making an effort now to get every new member possible before Memorial day. The present membership is 150 paid in members while the potential membership is 500, which leaves plenty of material to work on.

All service men are asked to be at the meeting in the city hall Wednesday night to prepare for Memorial day, whether Legion members or not. All are asked to take an active part in the exercises.

Because of other activities in the Holland high school buildings on several evenings this week there will be no boy scout meetings of any of the troops. But there will be an evening hike on Friday night. The scouts will leave their respective scout headquarters at five o'clock and start out on their hike, returning about 9:30 at night.

Next Sunday evening one of the leading quartettes from Grand Haven will sing at the Sixth Reformed church. The quartette is composed of Mrs. Geo. Swart, Mrs. S. J. Swart, Mr. Martin Boone and Mr. Geo. Swart. They will be accompanied by Mrs. H. J. Verhoeke, an organist of rare ability. These people were

among the leading soloists of the municipal chorus conducted by John Vanderlaan. The public is cordially invited to hear these noted singers. All seats are free.

The Hope College Girls' Glee Club elected their new members with the advice and co-operation of Mrs. Fenton. Marion Laeppe was the only Junior girl elected, the Sophomore girls are: Gladys Moeke, Henrietta Beyers, Sandrone Schutt and Helen Van Ess; the Freshman girls are: Mabel Moeke, Hazel Albers, Marjorie Ingham and Joyce Klaasen. The newly elected members will practice with the club this spring but will not appear in public as part of the club until next fall when eleven of the Senior girls will have left.

A new and interesting feature is being planned by Mrs. Fenton in the form of a Junior Glee club. The object is to create greater enthusiasm for music at Hope and at the same time develop experienced singers in the Junior Club as prospective members for the regular Glee Club.

Martin (Bud) De Wolff, principal of Hope high school in India, spoke to the student body at the local college Tuesday morning. De Wolff has been in charge of the Hope high school for the last three years and he is now attending the seminary at Hartford. Each year the students at Hope college put on a drive to obtain money to support the high school in India and Mr. De Wolff spoke in the interest of the high school Tuesday morning. His work was mostly with the younger boys and he had a very interesting message. The high school has been supported by the local student body for a number of years.

Funeral services for George W. Gitchel, who died Friday evening in his home in Jamestown, Mich., will be held at 1 o'clock Wednesday afternoon in the home and at 1:30 in Forest Grove church. Interment will be in Jamestown cemetery. Central standard time will be observed. Mr. Gitchel was born 65 years ago in the same house in which he died and in which he had spent his entire life. He was a son of the second settler in Ottawa county. His marriage to Pauline Hall, who still survives him, was celebrated Sept. 22, 1879.

Eight children also survive: Elvins Gitchel, Jamestown; Mrs. Eugene Koehler, Sherwood; Mrs. Walter Helms, Los Angeles, Cal.; Mrs. Harriet Bennick, Coopersville; Mrs. James Montgomery, Grand Rapids; George Cabell, Vriesland; James Gitchel, Grand Rapids, and Glenn Gitchel, Jamestown. There are also nine grandchildren.

ZEELAND CHILD IS DROWNED IN A CISTERN

A terrible accident occurred at Zeeland sometime Saturday afternoon when little Miss Beryl Bouma, six and one-half years old and daughter of Mr. and Gerrit Bouma living on State street in that city, was found in a cistern near the home.

The daughter had been missing for sometime and the family supposed that she had gone to the express office where her father is employed. She often went to meet him and it was therefore not unusual; the family was not alarmed until Mr. Bouma came home without the little one. A hasty search was made through the neighborhood but the child was not found until someone saw the cover top away from a deep cistern in the yard. A thorough investigation brought to light the body of Miss Bouma, who according to physicians had been dead for some hours. Although the child had been missing early in the afternoon the body was not found until 9 o'clock Saturday night.

WARNS MUSKEGON MERCHANTS ABOUT INTERURBANS

Muskegon merchants were urged to use the interurban lines both for the freight and passenger traffic or else face the entire loss of the service now being rendered by these lines in an address before the Muskegon Rotary club by F. K. George, vice president of the United Light and Railway company.

Mr. George pointed out that the Grand Rapids, Grand Haven and Muskegon railway was on the verge of bankruptcy as a result of the inroads in their business by privately owned automobiles and bus lines and declared that unless the merchants would sacrifice a little of the convenience of shipping by truck and traveling by bus, the very necessary service rendered by the interurbans would have to be suspended.

"The passenger business has steadily declined since the incidence of concrete roads connecting Grand Rapids and Grand Haven and Muskegon," he said.

The speaker said that this decrease is caused partially by the increase in number of privately owned automobiles, but blamed the "subsidy of the motor bus lines" for the greater part of the loss.

"This," he said, "might be warranted if there were any lack of service on the part of the railroads, but the Michigan Public Utilities commission is on record as saying that the service offered by this railway is sufficient to the necessities and conveniences of the communities served. Motor transport is, therefore, merely an additional service which is not necessary to the welfare of these communities."

OLYMPICS "NOT FOR GLORY OF GOD"

The Olympic games are regarded as "heathenish" by some members of the Dutch parliament. This characterization was made during the debate in the lower chamber Thursday which preceded the defeat of the appropriation bill to provide expenses of the meet at Amsterdam in 1928.

The Calvinist and Catholic deputies joined forces in the onslaught against the bill, while the Liberals and Socialists strongly supported it, emphasizing the benefits they said would accrue to Holland of the thousands of foreign visitors.

The proponents of the measure also asserted that holding the games would enhance the country's reputation as a center of the movement for peace as this would be the first time for the former World War belligerents to meet in peaceful competition. The government was able to afford the subsidy of 1,000,000 florins, they argued, and Holland would incur the "amused contempt of the world" if she withheld the support.

Opponents of the bill held that no Christian government ought to tolerate revival of the games at all, even if the concession were made that the sabbath would not be desecrated. One exclaimed that he would rejoice to see Holland forever struck from the list of nations entering for the Olympics, in which "nothing worthy is done for the glory of God."

Another declared the present day "sports mania" unworthy of nations aspiring to spiritual culture and added that the modern Olympics wholly lacked the idealistic background of the classic Hellenic sports after which they were patterned.

Defeat of the bill, 36 to 18, means the pigeonholing of the subsidy plan at least until October, as the elections are due within a few weeks and the new chamber will not meet until fall. Meanwhile a public subscription will be started to raise the funds needed by the Olympic committee, and the heads of this body are confident they will be able to appear before the Olympic congress in Prague, on May 25, with adequate guarantees of their ability to stage the games.

Mr. and Mrs. B. Steketee, 51 East 8th street, Monday quietly observed the 49th anniversary of their marriage. There was no formal celebration since it is still one year to the milestone that marks the golden wedding anniversary. Mr. and Mrs. Steketee however received the congratulations of their children and friends. Among these was a joint telegram from Rev. and John Steketee of Kingston, New York, and from Rev. and Mrs. L. M. Broom of Accord, N. Y., children of Mr. and Mrs. Steketee offering congratulations and best wishes.

A raid on two farms in Robinson township was staged Thursday by the Ottawa county sheriff's department. Sheriff Fred Kamferbeek and Deputies Den Herder, Rycenga and Salisbury made the raid.

The farm of Andrew Bulas was raided and a quantity of liquor, said to have been one hundred and eighty proof, was taken, according to the officers. Mr. Bulas was bound over to circuit court today when arraigned before Justice Lillie. Eight hundred dollars cash bond was required but had not been furnished up to noon. It was stated that this amount would be put up. No evidence was secured in the second raid.

AUTO CRASH NEAR AGNEW EAR- LY SATURDAY

Another terrific automobile crash occurred twelve miles north of Holland when a Studebaker light six driven toward Grand Haven and a Ford touring car, going south, met head on at Agnew on Trunk Line 11. The crash occurred about two o'clock Saturday morning. Both cars were wrecked almost beyond repair.

Jacob Bouwman of Grand Haven was driving the Studebaker while the driver of the Ford is still unknown. The six cylinder car was brought into a Grand Haven garage through in such shape that repair would mean much work while the Ford was left on the highway, it being a total loss. The occupants of the two cars were badly cut by broken glass and were taken to the Hatton hospital where they were given first aid and allowed to leave.

The Hatton hospital reported that fourteen were brought in for treatment, eleven of these evidently being in the Ford while the Studebaker was driven by Mr. Bouwman and contained Jacob De Witt and Gerrit VandenBrant. It was unknown whether either car was insured.

OPEN MUSEUM TO THE PUBLIC

The Hope college museum will be open to the public on Tuesday, Wednesday and Thursday of this week and the following week from 2 to 5 P. M. Teachers in the schools may bring their classes at other times by appointment. Children must be accompanied by parents or teachers.

The whole museum has been rearranged since last year, with the idea of increasing its teaching value. Several new cases and much new material have been added.

WILL MICHIGAN FARMS BECOME IRON FIELDS?

Iron ore is being found on many farms in western Michigan, according to reports. A recent item relating the discovery of bog iron ore near West Olive caused many farmers to search their fields for the presence of iron.

Heavy pieces of iron like metal has been found on the Raterink farm near Zeeland. There are 80 acres in the farm and the metal is reported to be scattered over 20 acres. Metal resembling iron has been found on other nearby farms.

Jasper Norris of Fremont also reports the presence of an ironlike substance in that section of the state.

"Miss Muskegon" is to be the name of Muskegon's speed boat, recently purchased by Charles Townner and G. Montgomery, sportsmen who have entered the boat as Muskegon's representative in the Mississippi Power Boat association races to be held at White Lake on July 3, 4, and 5. Miss Muskegon is of the White Lake No. 1 class and is capable of making 55 miles an hour, it is said.

No warm weather until June 21st. That, according to several unofficial weather forecasters, is what Holland may anticipate because the caterpillars which made their appearance last week are a deep seal-brown in color with unusually wide black bands about them.

The caterpillar is a knowing insect, say these men, even if he does occasionally wander up a telephone pole in search of foliage, and is decidedly fond of light-colored light-colored colors during cool weather. Ergo, the weather may be judged from his hue and markings.

This prognostication is verified for the next 48 hours, at least, by Weather Forecaster William H. Tracy and Edward A. Brown but they decline to commit themselves more than 48 hours in advance, caterpillars not being reckoned among the scientific aids to a proper interpretation of weather phenomena.

Below will be found the calendar of Hope College activities to take place between now and the time commencement exercises take place and the institution closes for a long vacation:

May 6—Girls' Glee Club program; May 7—Senior-Junior banquet; May 8—Adelaide Oratorical contest; May 8—Voorhees day reception; May 13—Sorosis banquet; May 15—Emersonian banquet; May 20—Men's Glee Club program; May 21—Knickerbocker banquet; May 22—Sibylline banquet; May 23—Aletha banquet; May 27—School of Music recital; May 29—Adison banquet; May 29—Raven Oratorical contest; May 30—Cosmopolitan banquet; June 1—School of Music recital; June 5—Dorian banquet; June 6—Delphi banquet; June 12—Fraternal banquet; June 12—Mellphone play; June 14—Baccalaureate sermon; June 17—Commencement exercises.

The Hope baseball team broke even on their trip last week-end. On Friday Schouten's wrecking crew was in fine form, and the hurlers for Calvin were anything but a puzzle. Hope winning 16 to 7. The local collegians scored five runs in the initial frame and only in one other inning did they fail to tally at least once. VanVessem and DeVries tolled for the Calvinites with Bulckema breezing through the entire route for Hope. Bulckema pitched a splendid game and outside of one inning when his support wobbled, he had things all his own way. Ottipoby, Reimerama, Van Lente and De Pree were heavy with the stick for Hope.

On Saturday Schouten's crew traveled over to East Lansing and took a tasty defeat from the Michigan State College nine.

Albers was not in first class shape due to the long trip and he allowed 15 hits, two of them being four base clouds. Wakefield, Kom's ace, kept the local hitters well in hand dishing out six scattered hits. The final score was 13-1. Hope being guilty of five errors. De Groot smacked a home-run in the 4th frame with no one on the paths. Riemersma and Elenbaas were the only other Hope players who were able to solve Wakefield's delivery. It was no disgrace to be defeated Saturday as the State College has such teams as Minnesota, Notre Dame, Wisconsin and University of Michigan on her schedule.

BID FAREWELL TO TWO WOMEN WHO ARE LEAVING

The Ladies Bible class of the First Reformed church gave a farewell party Friday evening in honor of Mrs. M. R. De Haan who is to leave for Grand Rapids and for Mrs. Gerrit Nevenzel who will go to Overisel to live. Both were members of the class. The women had invited the men's class to meet with them.

The program consisted of the following: singing; devotion by George Schulling; address of welcome by the president of the class; selection by the college boys' quartet; play, "Sewing for the Heavens"; violin solo, Ray Mool, accompanied by Theresa Mool; talk by Dr. M. R. De Haan; presentation of flowers to Mrs. De Haan and Mrs. Nevenzel, Mr. G. Ter Vree; response by Mrs. De Haan and Mrs. Nevenzel; talks by Mrs. James Wayer; remarks by the president of the men's class. Refreshments were served.

NEW OFFICERS CHOSEN FOR THE COUNTRY CLUB

At a meeting of the directors of the Holland country club held Saturday noon the following officers were elected for the ensuing year: President, Willis A. Diekema, vice president, C. Vander Meulen; secretary and treasurer, W. L. Wisniewski.

It was announced that the recent membership poll to fill three vacancies on the board of directors resulted in the re-election of the three retiring members: G. J. Diekema, A. H. Landwehr, and James DePree. Each year the terms of office of three members of the directorate expire and three directors are chosen by ballot of the entire membership to fill their places. The directorate is now composed of the following: One year—Charles Kirchen, D. F. Boonstra, and Raymond Visscher; two year term—W. A. Diekema and E. Landwehr; and C. Vander Meulen; three year term—G. J. Diekema, A. H. Landwehr and James DePree.

Clarence Nicholas, 19, and a two-ton truck which he operated plunged 25 feet down an elevator shaft of the Campbell, Wyant and Cannon Foundry company's plant at Muskegon Thursday.

Nicholas fell clear of the truck, striking in the sand. Unconscious, he was rushed in Clock's ambulance to Mercy hospital, where physicians found the youth's left shoulder and both arms had been fractured in several places. His condition was improved Thursday night and his recovery was expected.

F. E. McFee, manager of the factory, stated the truck had just moved off the elevator, after which he believed Nicholas became confused and reversed the power. The truck smashed its way through the elevator shaft gate and tumbled down the shaft.

Mothers' day was appropriately observed by the Holland Eagles at the Holland Theatre Sunday, a large audience being present. The invocation was pronounced by Prof. P. E. Hinkamp and a song, "Tell Mother I'll Be There" was sung by Theodore Luidens, Rutherford Hulzenga, Geo. Luidens and Fred Jonkman. The opening remarks on the origin of mothers' day were made by W. Wilson, P. W. P. of the Holland Eagles, which number was followed by a song, "Silver Threads Among the Gold," by Theodore Luidens, Anna Barkema, Martha Barkema, and Fred Jonkman. "Sweet and Low" was sung by the male quartet.

The address of the meeting was delivered by Prof. Egbert Winter of Hope college. He paid a glowing tribute to motherhood and pointed out to the audience the debt that all owe to the mothers of men for their sacrifices and care for the sons and daughters of men.

Speaking of a mother's sacrifices for her children he said that the savage beast will fight to the death for its young and that the human mother will do still more and can even send her sons to the battlefield, which is much harder than the mere instinctive fight of the beast for its young. There is no sacrifice too great for a mother, he declared.

He spoke of the mother's care for her children and said that there is no task too great for her to do for her boys and girls. A mother's love, he said, is without limit and there is nothing that can turn it away. Finally he spoke of a mother's ambitions for her children, which include not only the ambition that they shall do well in the world but that they shall be good men and women, persons of character and uprightness as well as persons who shall win worldly goods and a position of influence.

He made a plea to all who had neglected the thoughtfulness due to mother to think of her now and give her the honor due her. A song, "That's What God Made Mothers For," was given by Robert Fairbanks, and Prof. Hinkamp pronounced the benediction. Miss Mabel Nienhuis and Miss Ruth Fairbanks acted as pianists.

FARM AGENT INITIATES HIS OWN PROGRAM

Many farmers wonder just what a county agricultural agent does, and who gives him orders. This article is written with the idea in view of removing some misunderstanding and misinformation. Many farmers believe that the college and the United States department of agriculture dictate the things an agent should do. This is not true. The agent studies the situation in his count, confers with farm leaders and communities and tells the college and government what he is going to do or at least try to do. Following is a program prepared by agricultural agent Milham and sent to Lansing and Washington:

Soils—Conduct 17 home mixing fertilizer demonstrations preceding fall seeding. This means a demonstration in each township. Test soils for acidity. Induce home mixing of 500 tons fertilizer. Promote use of 300 yards of marl and 200 tons limestone. Educate on the correct use of fertilizer of fruits and crops.

Cereals—Hold 17 meetings demonstration field selection of seed corn. Promote use of more certified seed.

Legumes—Arrange 17 alfalfa growing demonstrations. Induce seed-

POULTRY MEN BEGIN STATE ORGANIZATION

Holland members of the committee appointed by Louis Van Appledorn at a recent meeting of the poultry men of Ottawa county held at the city hall went to Zeeland Thursday night to make a start on a new poultry organization that is to be state wide in scope. Paul Frederickson was one of the committee men from this city and other poultry men from here, also went to Zeeland to make suggestions.

Dr. T. E. Heasley, formerly of Holland and Virginia Park, now of Grand Rapids, was made chairman at the committee meeting. The main matter discussed is to have Michigan as a state certify to all poultry, pronouncing them free from disease. Michigan, although the leading poultry state in the union, does not have laws compelling the examination of poultry flocks, while in other states where poultry raising has only just begun the legislatures have passed laws protecting the infant industry. The result has been that the certified flocks find a more ready market because of the certified stamp of the state than the better birds and better flocks in Michigan, where there are no such laws and the customer must rely upon the word of the poultry raisers only.

Naturally the poultry raisers in other states are making capital out of their certified flocks at the expense of the Michigan hen having no state O. K. The western Michigan poultry men are wide awake now and are working on a plan that will bring about poultry legislation and that will enable them to have their flocks certified to.

While this cannot be done for two years yet, since the legislature has adjourned, some system may be followed whereby the state agricultural agents will be given authority to certify, to examine the poultry and give to poultry raisers a clean bill, if this is deserved. At the meeting at Zeeland Thursday night, they have laid the ground work for a state organization and the plans will be perfected in time, so that at a second big mass meeting to be held at the city hall in Holland on Thursday evening, May 21, the new poultry association may be launched and it is expected will be called the "Michigan State Poultry Improvement Association." The pursuit of any branch of the poultry industry is the only requisite for membership.

The constitution and by-laws of the unborn association, which will include provisions for collection of membership dues, frequency of meetings and other technical matters, were not completely worked out at the Zeeland meeting Thursday night. Chairman Heasley of the committee appointed himself and P. L. Sanford of Grand Rapids and C. J. De Koster of Zeeland, secretary of the committee, as a sub-committee to meet at Hotel Pantlind, Grand Rapids tonight for the purpose of finally drafting a constitution and passing on by-laws.

The program decided upon at the Pantlind meeting, Mr. De Koster said, will be submitted to the committee of seven at a meeting to be held in Zeeland again next Wednesday night. Following its approval by this committee, the program will be passed upon at the coming Holland mass meeting, when in all likelihood the new organization will be completed.

In addition to certification of flocks it is planned for the association to promote co-operative marketing of eggs. The advantages of this plan for both consumer and producer, it is held, will be manifest in that the former will get the best possible grade of eggs and the producer will be assured in most instances of a fair profit.

The annual banquet when the juniors of Hope college entertain the outgoing senior class took place Thursday evening at the Warm Friend Tavern. Dwight Yntema was toastmaster, and those taking part in the speaking and musical program are the following: James VerMeulen, Agnes Buikema, Mildred Ramaker, Anne and Martha Barkema, Gerrit Heemstra, Aileen De Jong and Stanley Albers.

A male quartet, composed of Franklin Hinkamp, Alvin Nevel, Frederick Yonkman and Frederick Steggarda, were liberal in their musical offerings and were repeatedly called back for added numbers.

Landlord Tyson provided an excellent bill of fare in which fruit cocktail, chicken with mushrooms, and ice cream and cake, played an important part. There was no coffee on the bill of fare, this beverage being eliminated from the students' regular diet. One hundred and sixty guests sat down in the beautiful dining room of Holland's new hotel.

Judging from the comments made after the banquet, students of Hope are exceedingly pleased that there is a real banquet hall, with service in connection, that can take care of a large affair of this kind.

The Holland city library made its annual report to the common council Wednesday evening. The following statistics were given: number of volumes in the library 13,563; catalog value of books \$19,539.64; number added during the year 452; books replaced 107; number drawn 46,415; increase over last year 1,821; number of persons drawing books 3,624; largest daily delivery 520; average daily delivery 151.89; evening attendance 9,483; increase over last year 1,718; largest evening attendance 70; average evening attendance 31; monthly magazines 55; weekly magazines 14; newspapers 8; number of daily, weekly and monthly papers 93. The amount of \$472.90 was received in fines, non-resident fees, new pockets and cards, sale of catalogues, damaged books.

John B. Fik, aged 52, died Wednesday evening at eight o'clock at his home at 473 Pine avenue. Mr. Fik was a road and sewer contractor. He was the builder of the Saugatuck road and he also built many of the early sewers and water mains in Holland. He had been a resident of this city for 33 years.

The deceased is survived by his wife and five children: Nicholas of Kalamazoo, Mrs. Dick Derks of Graafschap, Mrs. Bert Streur, Mrs. Andrew Verschure and Harry Fik of Holland. The funeral will be held Saturday afternoon at 1:30 at the home and at two o'clock at the Central Avenue Christian Reformed church, Rev. R. L. Veitkamp officiating.

LOCAL POLICE MAKE A BIG LIQUOR RAID

At ten o'clock Saturday night Officer Bontekoe and special deputy Ed Vander West held up a Ford truck on 24th street and Lincoln Ave. and immediately made a thorough search and found twenty gallons of moonshine whiskey, a half barrel of mash, and two five gallon stills.

The driver was running without a light and when taken out of the cab of the truck the driver was found to be Gerrit Branderhorst of Allegan county, who was attempting to move the outfit through Holland over the less frequented streets to some isolated part of Allegan county.

Branderhorst, when questioned by Chief Van Ry refused to say a word any further than to state that the truck was his as well as the load. He did not implicate others as being in the deal. He was arraigned before Justice Van Schelven and fled bonds for \$1,000 for his appearance for the August term of court. Chief Van Ry says that they have had their eyes on this man for sometime. He states that they knew the man was doing business in Allegan county, but this was outside of the police jurisdiction, and apparently the Allegan officers have been making it too warm for bootleggers and a migration to newer fields was in progress. The local officers caught the man red-handed having been on the lookout constantly for him. The local police are holding the truck pending the outcome of the trial; if the verdict is guilty the truck will be turned over to the state.

An interesting contest has just closed in the fourth, fifth and sixth grades of the city public schools. The W. C. T. U. offered prizes to the pupils who wrote on the subject, "Three Reasons for Leaving Cigarettes Alone," under the direction of Miss Higgins and the principals of the schools. Although only a first prize of \$5 was promised this was extended to further rewards to second and third place, two and one dollars.

First place was awarded to Rudolph Hof of Lincoln school, second place to Katherine Van Looyengood of Longfellow school, third to Miriam Carrier of Horace Mann School. The judges were J. A. Bennett, Mr. E. J. Leddick and Miss Metta Ross.

The fourth grade pupils wrote from memory the story of "What the Fairy Told the Queen," after having had it read to them by their teacher. The prizes will be two and one dollars, the judges, three members of the union, who have not completed the task. The names will be announced a little later.

Plans are crystallizing for the dedications of the new Seventh Reformed church scheduled for the latter part of May. Services were held Sunday in the new building and Rev. P. Van Eerden, the first pastor, occupied the pulpit at both services. Seventh Reformed church now is the only exclusive Dutch speaking congregation in Holland, although it is expected that the auxiliary departments will use both the English and Dutch languages. The congregation now lists 35 families.

Mr. Van Eerden was installed in his new field last week. The service was conducted in the new church by Rev. James Weyer, Rev. M. J. Duven, Rev. G. Tyse and Rev. J. P. DeJong. Mr. Van Eerden plans to occupy the parsonage this week.

The church property represents an investment of approximately \$20,000. The edifice is of frame construction and has a seating capacity of about 300. Statistical reports for the classis of Holland place the new organization at the head of the 26 churches with respect to collections for the year, averaging \$165.12 per family.

The Allegan County Sunday School association held a very successful convention Thursday and Friday in the First Reformed church of Hamilton. All parts of Allegan county were represented, between 200 and 300 delegates being present, as well as hundreds of others from the community. So large was the audience that on Friday evening the church was packed with people and there was a large enough crowd out of doors to fill the other Reformed church of Hamilton. So an overflow meeting was held, the speakers alternating in giving the addresses, each speaker speaking twice in one evening.

Among the speakers were Rev. J. H. Engles, secretary of the state Sunday school council of religious education, and Rev. Mr. Wright, also of the state organization. Addresses were also given by Rev. King Beach and Dr. Henry Beets of Grand Rapids. The delegates were entertained by the two Reformed churches of Hamilton.

Kees Kasander, an employee of Louis Padnos, was quite seriously injured late Saturday afternoon when a load of baled paper slipped off a truck that was being driven to the Pere Marquette freight depot. Kasander and another employee, L. Zwierenga, were on top of the load of bales of paper. When the driver swung the truck around a corner near the freight depot the load was thrown off and the men tumbled among the heavy bales. Zwierenga's back was somewhat injured but his injuries are not believed to be serious. Kasander however suffered a broken leg. He was taken to his home where he was given immediate medical attention.

Dr. A. Leenhouts of Holland addressed the May meeting of the South High P. T. A. in Grand Rapids. He used "The Health of the High School Boy" as his subject, emphasizing four important factors: Food, physical education, hours of sleep and hours of play, urging parents to center their care and interest on the boy of adolescent age.

Superintendent E. E. Feil, superintendent of Holland public schools, spoke on the "Relationship of Parents to the State Teachers' Association" and Frank M. Sparks, of the Grand Rapids Herald, discussed the improvements of the past year at the Coldwater school.

Twenty of the more important of the University of Michigan fellowships and scholarships were filled at a meeting of the faculty committee in charge. The appointments are from the graduate school of the University of Michigan and from the state schools largely. Among the appointees are: Cecil DeBoer, Calvin college, philosophy; Ben Buwema, Calvin college, English; and Kenneth L. Van Lente, Hope College, mathematics.

LEGION PLANS FOR MEMORIAL DAY EXERCISES

Memorial Day—it is nearly here and it's one of the finest and noblest of all holidays in any nation. Yet, how many know its origin and its real meaning?

Welfare officer Dr. Weststrate of the Willard G. Leenhouts Post of the American Legion here today gave just a brief outline of the day's history and its present significance. The Post is planning to co-operate with other organizations for a proper observance of the day.

"Memorial Day," said the Legion leader, "was originally instituted by Gen. John A. Logan, the first national commander of the Grand Army of the Republic. By a general order he set aside May 3, 1868, as a day for decorating the graves of the men who had fought in the armies and navies of the nation in the Civil War."

"The day has been faithfully carried on by the boys of '61 from that day to this. It is a legal holiday in many states of the Union. By many it is considered the most sacred holiday of all. Its observance in a manner to honor and respect the dead is something which the American Legion pledges itself to 'carry on' as the natural heir of the G. A. R."

"The G. A. R. and the Legion are alike in the fundamental rule that every veteran who fought with the colors—regardless of rank or type or the location of his service—is entitled to equal comradeship with every other man who served with the colors. There are no restrictions which would limit the membership or influence. It is thus that President Coolidge in his inaugural address to Congress specifically referred to the Legion as the most representative veteran organization growing out of the Great War. The Legion is the largest veterans' organization in all history."

"We shall be glad to take up the burden where the G. A. R. left off. This day of patriotism must be forever maintained. At our meeting, which takes place Wednesday evening at the city hall, we invite all veterans of the World War to gather with us and plan for the proper and respectful observance of this day."

PROPOSED LATERAL SEWER
Lawndale Court, between Cherry and 26th Streets
City of Holland, Mich.
City Clerk's Office, May 11, 1925.

Notice is hereby given that the Common Council of the City of Holland at a session held Wednesday, May 6, 1925, adopted the following resolutions:
