It's Knowing How

Most men who own fine homes now are proud to recall days when they saved small sums of money toward the "down" payment on their first home.

Learning how to save meant their success in all things.

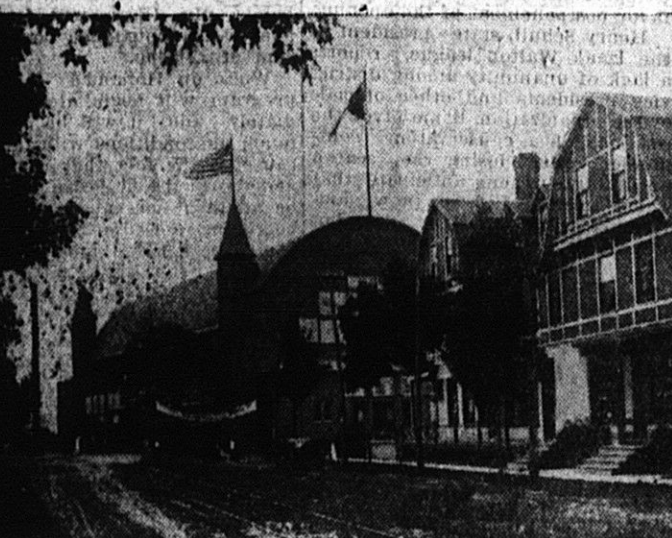

Let us teach you how.

Holland City State Bank

The Bank With The Clock On The Corner
Friendly, Helpful Service—Always

BIG PAVILION Saugatuck

The Brightest Spot on the Great Lakes

Saturday Night, May 29,

GRAND OPENING

FOR SALE—60 acre farm at a bargain, located 4 miles southeast of Holland; will trade for city property in Holland or Zeeland. If interested write or see owner, J. D. Van Alsburg, Bell phone 2679, Rfd. 15.

Leone E. Snyder has accepted a position traveling for a firm in Ohio, and will leave Holland at once for Indiana.

LOCAL POLICE LAND ARMORY BURGLARS

DOOLITTLE MAKES CONFESSION TO CHIEF VAN RY, IMPLICATING SMITH

Patrolman Bontekoe Gets Evidence Through Finger Prints of Burglar

The Holland armory robbery has been solved by the local police department and at the same time the thieves of automobiles have also been rounded up and are found to be two and the same persons.

When Henry Slegers, lost his Chevrolet sedan Monday morning the Holland police soon traced the thieves to Grand Rapids and Chief Carroll and his men had Martin Doolittle behind the bars in short order.

Then it was discovered that the new armory here had been robbed Sunday night and revolvers and 27 blankets were taken.

Chief Van Ry attributed the entering of the armory to the men who stole the car and figured out that the sedan was needed by them to convey the stolen property to a place where these could be disposed of easily which was not in Holland.

When the stolen car was returned Peter Bontekoe who has become a finger print expert, made impressions of the finger prints on the car left there when the thieves had pushed the machine out of the Slegers yard to the street.

Policeman Bontekoe found that after this photograph had been made that the prints corresponded exactly with the prints of Doolittle taken about two years ago when he was arrested for entering the Corner Hardware and other places of business in Holland and a crime for which he went to jail.

In order to be sure Chief Van Ry called in John Bawelka a state expert from Lansing and he examined the prints and found that Mr. Bontekoe was correct.

Mr. Van Ry then telephoned to Chief Carroll of Grand Rapids asking him to surrender Doolittle as he was wanted for stealing an auto and possibly for entering the armory. The G. R. police let the Holland officers have Doolittle and when he arrived in this city Chief Van Ry grilled him for at least an hour and Doolittle then confessed that he took the revolver and the blankets from the Slegers car. He implicated a Mr. Smith, who ever that may be, and states that Smith escaped to Toledo where he lives. Mr. Van Ry has another opinion about this man-Smith, in fact, has a clue that may lead to the arrest of some one not very far from the city and with his arrest no doubt it will not be long before the blankets will also come to light. Doolittle and Smith are also wanted in Grand Rapids for stealing another car after abandoning the Slegers car.

Doolittle was arraigned this morning before Justice Van Scheelven and was bound over to circuit court for trial.

P. M. DOPE SHEET SAYS HOLLAND FIRM SHIPS HEAVY TO DETROIT

The Pere Marquette press sheet says that freight conditions are picking up in the Detroit district and incidentally it says that "The Holland Furnace Co., of Holland, Michigan is a heavy shipper of its products into Detroit just now, in line with the heavy home building operations that are under way."

The Grand Rapids territory shows an outboard 14 per cent, and an inboard eight per cent greater than the corresponding second week of May, 1925, the dope sheet says.

SPANISH WAR VETS TO GET MORE PENSION

BOOST FALLS DUE ON JULY 4TH, HOLLAND VETS WILL ALSO BENEFIT

Increased pensions for the veterans of the Spanish-American war Philippine insurrection and the China relief expedition, provided for by a recent act of congress, will be paid July 4, without the necessity of these veterans making a formal application to the Pension bureau, Secretary of the Interior War announced. This also applies to widows and minor children of these veterans who now draw pensions, and who are incapacitated from manual labor, provided their disability is not due to their own vicious habits. Such veterans must file a claim with the Pension bureau, to receive benefits.

Holland Spanish War soldiers will also benefit when the raise comes on Independence day.

OTTAWA POULTRY MAKES HIGH RECORD IN CONTEST

At the end of the first six months of the Michigan Egg contest, Hillcroft poultry farm of Coopersville, owned by H. J. Vanderlinden had the highest bird score in the contest from Michigan. His bird produced 155 eggs. The next highest bird from Ottawa county produced 153 eggs and is owned by J. Pater & Son of Hudsonville. These two birds bid fair to pass the coveted 300 egg mark during the year. This would indeed be a great honor to this great poultry county.

BANK ROBBER SENTENCED IN LOS ANGELES

AID OF GEO. SHIPLEY IN HOLDING UP BERLIN OTTAWA COUNTY BANK

Harry Brackett Sentenced To 35 to 31 Years in Federal Prison at Leavenworth, Kansas

Harry Brackett, the twenty-four year old bank bandit who is alleged to have been with George Shipley when the Marine Bank was held up on May 23, 1925, has received his sentence in federal court at Los Angeles for his part in the \$90,000 Pacific Coast mail robbery and is now on his way to serve his time.

Brackett was sentenced to from 25 to 31 years in the United States Penitentiary at Leavenworth. It is understood that his wife, Rose Brackett, has been released. Mrs. Brackett was held for the Ottawa county sheriff's department as an accomplice in the Marine job but Sheriff Kammeraad telegraphed Los Angeles police that he did not understand that his wife, Rose Brackett, had been released. Mrs. Brackett was held for the Ottawa county sheriff's department as an accomplice in the Marine job but Sheriff Kammeraad telegraphed Los Angeles police that he did not understand that his wife, Rose Brackett, had been released.

George Shipley, the other Marine bandit, is now serving a life term in the state prison at Jackson. His sentence was passed by Judge Orin S. Gross in Ottawa county circuit court. Mrs. Shipley, who was with her husband at the time, has not been held. As things stand, the Shipley-Brackett combination are both serving long sentences and the other pals of Brackett in the big mail robbery, are all behind the bars.

Brackett gave the officers who arrested him last week a gun battle and was wounded before being captured. The arrests and convictions seem to indicate that "big city" bandits who frequent West Michigan localities, are usually

GRAND HAVEN COUPLE MARRIES IN HOLLAND

Announcement is made of the marriage of Bouwman (Bud) C. Van Toll, son of Mrs. Art Van Toll, to Miss Helen Charlotte Walts of Muskegon. The young people were married on May 17th in Holland, the Rev. Daniel Zwier of that city being the officiating clergyman. Mr. and Mrs. George Ruster of Muskegon accompanied the wedding couple. Mr. and Mrs. Van Toll are making their home in Muskegon. Mr. Van Toll has a position with Swift & Co.—Grand Haven Tribune.

RAT AND WOOD-CHURCH DEMONSTRATIONS ARE COMING

Next week we expect to announce the dates of the rat and wood-church demonstrations, scientific methods of destroying rats and woodchucks with cyanogas.

These pests do lots of damage and the phenomenal methods and simple ways of eradicating them will be shown.

HOLLAND IS CALLED THE CITY OF CHURCHES

HOPE PAGEANT WILL DEPICT WHEN THIS CHURCH FOUNDATION WAS LAID

An article in one of the leading magazines of the country, called Holland the "City of Churches". The history of Holland proves that this has always been the case. In the pagan of 1926 it is given at Hope college, scenes from the early history of Holland will be reviewed which show that on Sunday all the people of Holland go to church.

The scene shows two engineers sent by the government to inspect harbor conditions. They arrive in Holland on Sunday and find the town deserted. On inquiry they learn that every one in Holland is in church on Sunday. Just then they hear in the distance a group of people singing an old Dutch Psalm with harmony in four parts. They are spellbound by the beauty of the quaint but majestic music.

A chorus of 60 trained voices will sing the Dutch Psalm in four part harmony at the pageant.

All the Hollanders of Holland and vicinity will enjoy hearing and seeing this scene in the pageant at Hope college.

COUSIN OF HOLLAND MAN HONORED AT BYRON CENTER

Jeannette DeWeerd will be valedictorian at the Byron Center high school commencement exercises May 27. Roy Buddingh is salutatorian.

A Maatman of Holland will deliver the commencement address. Miss De Weerd is a cousin of A. De Weerd manager of the Holland-Man De Weerd Auto company of this city.

HOLLAND GIRL QUEST AT DINNER AT GRAND HAVEN

Grand Haven Tribune—The Misses Esther Campbell, Helen Bell, Christine Addison, Joan Nesbitt, Hattie Young, Miss Thompson, Jeannette Walters with Miss Mary Visser, Holland instructors were guests at a delightful dinner served in the school dining room last Wednesday evening. Trailing Arbutus was used as the centerpiece, and the repast was prepared and served by a group of high school girls who are studying domestic science.

News Items taken from Files of Holland City News Fifty, Twenty-five and Fifteen Years Ago Today

FIFTY YEARS AGO TODAY

The fourth ward school is to be dorned with a new bell. The bell was ordered by Van Landegend and Mells, hardware dealers, and weighs 450 pounds. Note: this is Washington school that is to be torn down, and the bell is still ringing.

Columbia Fire Engine company No. 3, are having their new uniforms made by the First church sewing society, and hope to be ready to turn out on Decoration day.

Dr. A. Brock has bought a lot fronting on 8th street, opposite Baker and Van Raalte's store, with a view of building a store and it is rumored that he has formed a co-partnership with Dr. E. A. Anala and will engage in the drug business.

Work on P. & A. Steketee's new brick building is progressing steadily, and from appearances we should judge it to be intended for a first class store. We should like to see this monument of honest industry rise to the height of its neighbor, however, this may be done hereafter, when Holland's growth demands it.

TWENTY-FIVE YEARS AGO TODAY

Hon. G. J. Diekmann and city attorney Geo. E. Kollen have formed a co-partnership for the practice of law and will have their offices in the First State Bank building. Mr. Kollen moving from the Van Der Veen building into the offices of his new partner.

Miss Senna Gibben and Henry Van Doren were married by Rev. Van Hoogen of Central Avenue church.

HOPE COLLEGE WANTS COPY OF LOST DOCUMENT

COPY OF GENERAL SYNOD MINUTES ARE MISSING

The library of Hope college has a complete set of the minutes of General Synod which is extremely valuable for the use of professors and students as well as those who are personally interested in the history and activity of the Reformed church in America.

There is, however, one copy missing in this set; namely, the minutes of the year 1910 that the Reformed church of America would like to get.

Anyone having these on file or knowing their whereabouts, should be found should get in touch with Rev. Seth Vander Werf of Holland or send directly to Hope college. A copy would be much appreciated by the college authorities.

SAUGATUCK THROWS OPEN NEW THEATRE

The big pavilion at Saugatuck will open early this year. "The brightest spot on the great lakes" as manager Weed calls it, will open on Saturday night, May 29th, when the grand opening will be held and when the new theatre entirely rebuilt with a seating capacity of 700 will be thrown open to the public. The supervision of the rebuilding was done by Baliban & Katz of Chicago. There are new chairs, new stage, curtains and draperies and a balcony.

HEARING ON NEW HIGHWAY SCHEDULED

NEW PAVEMENT TO HOLLAND STATE PARK WILL BE PUT THROUGH

A hearing of objections to the proposed four mile stretch of concrete pavement between the present highway north of Back Lake at Holland and the new Holland State Park, will be held in the near future near Waukegan. It is expected that bids can be taken on the highway by about August, the usual forms prescribed by law having been completed then. These forms take about three months.

The paving may be completed before the end of the present season if work can be rushed following the bid taking. Paving of four miles will take more than the allotted time. It conditions favor and road commission officials hope to have the job completed this year.

HOLLAND FOLKS GO TO CALIFORNIA

A farewell party was given last Friday evening at the First Reformed church, Spring Lake, in honor of Mr. and Mrs. J. Prins of Holland who leave this week to spend the summer in mission work in California. Mr. Prins has had charge of the midweek services and catechetical classes of the church this winter and had made many friends here. A farewell gift was presented Mr. Prins in appreciation of his services. A varied program of music, readings, and talks was enjoyed, which was followed by refreshments and a social hour.—Grand Haven Tribune.

C. Thomas Co., will add one more grocery to their chain of stores in this city. The latest one will be on Central Avenue in the Bohl Barber shop. Mr. Bohl moving further down the street.

JACK FROST IS KING AFTER QUEEN REIGNS

HEAVY FROST DOES SOME DAMAGE IN THE VICINITY OF HOLLAND

Benton Harbor and St. Joe celebrated blossom day with a most gigantic celebration ever staged in that part of Michigan.

They also crowned a queen on a throne, decked with cherry blossoms. No sooner were the festivities over, when Jack Frost stepped in during the night, and severely nipping the blossoms for which the celebration had been staged.

How much the damage has been, is difficult to state at this time, but no doubt the heavy rain of Tuesday saved the fruit crop to some extent.

At Holland the official thermometer at the water works registered 32 degrees. There was ice on water left out of doors in basins in several places. It was reported that G. J. Deur local fruit man states that some damage was done to early strawberries and some cherries.

The proprietors of Wellers Nursery stated that the frost did no damage among their trees or flowers, but said they were not conducting a fruit orchard, and were unable to judge.

Fred Bertsch on the park road, stated that he had gone thru his orchard, and found his early strawberries nipped badly, however, the younger plants which he had covered with straw were all right. There were also some kinds of cherries were also badly nipped, although all his sweet cherries would hold out 30 per cent of the blossom which means a good crop.

The thermometer registered 34 degrees at the Bertsch farm at 6 o'clock this morning. Although Mr. Bertsch states that further inland towards Grafschap the frost was heavier than near the lake, but no doubt the rain saved the crop from destruction.

The roofs and lawns in Holland were white with frost at 6 o'clock this morning.

SPORTSMEN SPLIT ON WHEN TO OPEN FISHING FOR BASS

Sportsmen of western Michigan are divided in opinions as to the advisability and necessity of closing the bass fishing season until July 1. The law calls for opening the season June 1st, but because of backward spring may delay spawning beyond that date. Director of Conservation John Baird has asked sportsmen whether or not they favor postponement of the opening.

Henry Schull, state president of the Isaak Walton league, reports a lack of unanimity among the vice presidents and other officials of the organization. Some favor the issuance of a conservation commission order closing the season until July. Others anticipate that warm weather between now and June 16 will hasten the spawning and result in the fish being off of the beds before the customary opening day.

It is possible that the lakes of southern Michigan will be opened and those north of Range 20, the accepted divide line in all conservation rulings, be kept closed.

HOPE'S CLASS OF 66 COME BACK TO EARTH

ARE HERE TO SEE THE PAGEANT IN WHICH THEY WILL BE REPRESENTED

That the first class graduated from Hope in 1866 came back to earth is putting it a little strong, nevertheless they were vividly represented by Hope college students who fitted themselves out with clothing of the early day cut, and displayed whiskers, beards, and headgear as this class of eight must have worn in 66.

Holland was somewhat surprised early this morning to see these venerable gentlemen walking down eighth street, some with canes, others with sticks, and some with walking sticks, and as near as possible made up themselves as doubles of these men who have long since gone to their reward.

Even Harm Wolman, who is said to have had a wooden leg and the one armed Gerrit Dangremont was there.

The first surprise came in chapel when the old class came in and took conspicuous places on the stage. There a program was given and then the class marched down town, visited the newspaper offices and then took lunch at the "Coffee Kiosk" where some old fashioned college songs of yesterday, were sung with a will. The students managed very nicely when it came to disposing of the sandwiches, but the coffee was another matter and they called for mustache cups which were out of date, and could not be secured.

As usual, Dr. A. C. Van Raalte was the leader, and he was followed in all the deliberations by these students of 66, Ale Burma, William Moerkke, Peter Moerdyck, Harm Wolman, John Te Winkel, William A. Shields, Wm Gilmore, Gerrit Dangremont.

FISH EXPLODE WHEN CAUGHT

To catch certain freak species of ocean fish the anglers must have a line more than a mile long. These fish are found only below the 6,000 foot level and invariably explode when brought to the surface, because of the lessening of pressure.

ASPHALT WINS IN THE BATTLE WITH CONCRETE

CONTRACT FOR SUMMER'S JOB IS AWARDED TO K. B. OLSON BY COUNCIL

His Bid Was \$105,553.50; Asphalt Wins in Spite of Lower Cost of Concrete

Asphalt won in the battle between asphalt and concrete as paving material for Holland's street job for the coming summer. The battle came to a climax Wednesday evening at the regular meeting of the common council and asphalt won, in spite of the fact that the bids on concrete were slightly lower than on lake asphalt. The council by a unanimous vote decided on lake asphalt, believing that the difference in price did not warrant them to change to concrete.

The contract for the entire paving job for the summer was awarded to K. B. Olson, whose bid on lake asphalt with macadam base was \$105,553.50. The next lowest bid was made by the Globe Construction company of Ann Arbor, who offered to do the job for \$112,674.57. There was one other bidder in the race, the Anderson Asphalt Company of Hamilton, Ohio, whose figure was \$116,353.58.

There were also three bidders on concrete, the Charlevoix Abstract & Engineering Co., of Grand Haven, the William H. Friedrich Co., of Coldwater, and Oosting & Heeren.

The real difference in price between asphalt and concrete was in round numbers \$8,500, the concrete reduced this to figures for the average property owner with a fifty foot lot. It would mean that concrete would be about 29 cents lower per front foot than macadam. This in turn meant that a property owner with a lot of 60 feet would pay about \$15 less, or about \$1.50 less per year in special assessment on the ten year basis of paying for paving. The cost in the prices of the two types of paving was considered so slight that the aldermen did not feel justified in departing from the usual type of paving that the city has become accustomed to.

There was a large audience of property owners in the council room and they were given an opportunity to speak. Two or three of them spoke in favor of concrete but this was not material. The successful contractor, who has built a number of other streets in Holland and he is well known locally. In addition to the usual bonds, Mr. Olson will furnish a five-year maintenance bond in the sum of \$40,000.

Work on Holland's new paving program will begin almost immediately and it will be regarded as much as conditions will allow because of the fact that the controversy over the type of paving to be adopted has caused a delay in beginning operations. Had that controversy not arisen the paving work would by this time be in full swing.

FORMER SCHOOL COM- MISSIONER PREACHES GAS SAVING

Colon C. Lillie, at one time Ottawa county school commissioner and who lives in Coopersville, was the city incidentally talking politics but his specialty was the usual invention that he is putting on the market in Ottawa county.

The device is the simplest thing that could possibly be imagined, consisting of a small cross arm of tubing and to each end are attached small cylinders, one containing a small ball and the other is a water container.

The ball in the one cylinder is so adjusted that it covers a hole thru which air is fed to the carburetor. A mixture of gasoline and air passing thru the hole in this new device brings a saving, it is claimed, to the motorist of from 35 per cent to 50 per cent in gasoline cost. The attachment is inexpensive, is easy to adjust and fits all standard makes of cars.

To look at the invention one would be sceptical, but Mr. Lillie shows a list of some of the foremost citizens of Coopersville, all substantial businessmen, who are using the gas saver and they are unanimous in stating that the device is a great saving to them and, what is more, there is no more carbon trouble. Mr. Lillie will remain in Holland to establish agencies in the law.

WASHINGTON SCHOOL P-T CLUB MEETS

A regular meeting of the Washington P-T club was held Tuesday evening. Gene De Gijpper played two selections on the xylophone and proved himself a real artist. Miss Ethel Metz, in her usual gracious manner, favored the club with two readings. Mr. Fell gave a brief outline of the coming convention to be held in Holland.

Mrs. A. Hyma, Mrs. J. Vanpelt, Mrs. J. Olt, Mrs. A. B. Ayres, Mrs. Wm. Wagner and Prof. Zook were chosen as delegates to represent Washington school at the convention.

On June 15th the club will hold a get-together and rally meeting, the program and refreshments to be in charge of the men of the club. This will be the last meeting held in the old building.

ADRIAN KLAASSEN HONORED IN CHICAGO

Skull and Crossbones—Sophomore honorary society of the University of Chicago, chose twenty freshmen to fill its ranks for 1927, at the annual election held recently. Those members of the class of '26 upon whom the honor is conferred are selected as the most representative freshmen on campus, and scholarship to the group is based on scholastic prowess. Among these who have been thus honored is Adrian Klaassen of this city.

JASPER S. HUGHES BURNS TO DEATH IN FIELD NEAR HIS HOME AT JENISON PARK

Rev. Jasper S. Hughes, who has been a resident at the local resorts for at least 35 years, was found dead in the orchard near his home at 6 o'clock Monday evening. Mr. Hughes had arisen early Monday morning with the idea of doing a thorough job of spring cleaning about the home and in his garden, directly south of Jenison park.

Neighbors had seen him busy raking and pitching the refuse and dead grass upon a bonfire. All at once Mr. Hughes had disappeared and neighbors saw that the grass was burning and making considerable headway toward some buildings in the neighborhood.

Mr. Van Regenmortel, who lives nearby, first looked for Mr. Hughes, but not seeing him, thought he had possibly taken a walk down the road as he often did. He put out the grass fire and thought no more of the incident until late in the afternoon. Mr. Van Regenmortel called the attention of Frank Harms to the fact that Mr. Hughes had not been seen since early morning and they proceeded to go to the home. They found it open but a thorough search revealed that Mr. Hughes was not there.

They then went through the field near where the fire had started and some distance from there they came upon the body of Mr. Hughes huddled up near a tree. His face and hands were badly burned and one side of the body was charred. They immediately called Fred Berch, who was an intimate acquaintance of Mr. Hughes, and Mr. Vander Water, owner of Ottawa county, was also called and he in turn called on Dr. Westrate, who made an examination of the body. Dr. Westrate stated that apparently Mr. Hughes had been dead since 9 o'clock in the morning, while the neighbors found the body about 6 o'clock in the evening.

The supposition is that Mr. Hughes, who was 82 years old, had been working quite hard and that he noticed the grass was burning. He endeavored to put it out, but he must have become unduly agitated. It is supposed that in a fainting spell he fell face downward into the burning grass.

In an autopsy that followed, it was found that the lungs of Mr. Hughes were badly seared and that his body, too, was badly charred. Either the burns thru the inhalation of fumes or the burning of the body would have caused death, Dr. Westrate said.

The watch Mr. Hughes carried stopped at exactly 12 minutes after noon, which would indicate that the heat must have been intense or would not have affected the time.

This is the second tragedy in the Hughes family. Some thirteen years ago Mrs. Hughes, wife of the pastor, was burned to death in her home within a short distance of the spot where the husband also met his terrible fate.

Mr. Berch has been looking after the arrangements, immediately getting in touch with relatives by wire and these have already arrived. The immediate relatives are three daughters: Mrs. Pearl Patridge of Osgood, Mrs. Jeannette Kramers of Marquette, Michigan, and Miss Ruby Hughes, wife of Marquette.

The body was taken to the Dykstra funeral home and arrangements for interment are now being made. Mr. Hughes was a unique figure in this community. He did much writing for newspapers. For a time he used the name of "The Country Parson," but of late years he signed plain Jasper S. Hughes. Mr. Hughes has always been strongly against liquor, smoking and war, and many of his articles dealt with these subjects.

John Van Anrooy writes from Grand Haven that the report is mistaken that he has lost out for re-appointment for city assessor of Grand Haven. "Mr. Philip Roshach was reappointed special assessor and supervisor," Mr. Van Anrooy writes. "This makes him a member of the board of supervisors. In Holland you elect four members of the board of supervisors and in Grand Haven they are appointed by the council. I get my appointment in January, as city assessor."

An interurban car on the Grand Rapids, Grand Haven & Muskegon R'y line was put out of commission Monday night by a collision with a light touring car driven by a young man named Albright, according to a report at the sheriff's office.

Albright was badly cut and bruised and the electric car was damaged so it could not proceed under its own power. The crash occurred at the Nunica crossing.

A treat was given to the people of Holland Wednesday evening, 8 P. M., when the Harmony glee club of Hope college rendered a concert in Winans chapel, with the following program:

a. Salutation..... Gaines
b. Bells of Youth..... Speaks
c. Noon..... Harris
d. April, My April..... Mulligan
Glee Club

Duets—
a. Little Holes in Heaven..... Hope
b. Japanese Lullaby..... Thomas
Misses Margaret and Jane Groeters
c. Blessing..... Curran
d. Abide With Me..... arr. by Scott
Glee Club

Reading—The Highwayman.....
Hartel, Heneveld
a. Flower of Dreams..... Clokey
b. My Lady Dagdell..... Thayer
c. Stealing C'er the Golden West..... Alancian Melody
d. The Reason..... Haan
Glee Club

Trumpet Solo—Margaret Hondelink
a. Ave Verum..... Mazart
(arr. von Mojschovics)
b. Enthroned in Light..... Harris
Glee Club

Mrs. W. J. Fenton is the director and Miss Hazel Lokker the accompanist.

A marriage license was issued in West county for Earl De Young, 26, Grand Rapids, and Susanna Self, Jamestown.

OVERSEER MAKING EXTENSIVE PREPARATIONS FOR THE FOURTH

Another great fourth celebration is planned at Oversee, Monday, July 5. Extensive work is on foot. Buildings are being repainted and redecorated. Martin Neinhuis, well known business man and social leader, has been chosen chairman of the afternoon committee. Noted speakers and entertainers will be engaged for the afternoon. The evening program and sports have been given in charge of Harley K. Jerome.

FREIGHT CARS IN A WRECK NEAR HOLLAND

Sixteen freight cars were derailed between Waverly and Holland Sunday night as a result of a broken box bolt. Traffic on the main line to Chicago was interrupted until Monday forenoon when the cars had been cleared away by a wrecking crew and the line was opened for passenger and freight trains.

No one was hurt. The freight cars tipped over and were not badly smashed. A wrecking car was immediately sent to the scene of the accident and the work of clearing the track was carried on all night.

The wreck forced passenger train No. 1 from Chicago to detour at Waverly to Grand Haven and to Grand Rapids over the Grand Trunk tracks.

The freight left Grand Rapids at 6:30 Sunday evening. The derailment occurred at 8:10. The train consisted of 47 cars, the derailed cars being toward the end of the train.

Ten of the derailed cars contained potatoes, cement, beans, salt, chloride, paper and paste. Six were empty.

A clipping from The Wheaton Progressive announces the death of James Congleton, well known in Holland and who for many years lived here with his son, Frank Congleton, a former alderman and connected with the Dush & Lane Piano company before leaving four years ago. The Wheaton Ill. paper prints the following story:

"James Alfred Congleton, for many years a well known and highly respected resident of Wheaton, died suddenly at the Congleton home 207 E. Wesley St., on May 6, 1928.

The funeral service was held on Sunday afternoon at the First Baptist church, Dr. J. W. Welsh and Dr. S. T. Ford officiating and the old comrades of the G. A. R. and the young veterans of the American Legion participated.

A large number of friends and neighbors attended the services and the College Church Male Quartet rendered the musical numbers. The interment took place at the Wheaton cemetery.

"James Alfred Congleton was born in Luzerne county, Pennsylvania, Jan. 22, 1844. When he was a lad of 16 years, he moved with his parents to a farm near Bloomington in this country. Within two years thereafter he volunteered for military service and enlisted for three years in Co. F, 1st Illinois Infantry. After nearly three years active service and the close of the war, Mr. Congleton was mustered out of service on June 7, 1865 and returned to the farm near Bloomington. He soon thereafter learned the carpenter's trade as a congenial vocation, and followed that trade during the greater part of his active life.

"On May 27, 1869, Mr. Congleton married Elma Lucinda Hemenway, and in 1882 moved with his family from Bloomington to Wheaton to give his family the superior educational advantages of this city. In 1899 he moved to Chicago and it was there he was living when his wife passed away on August 28, 1910. Since that time Mr. Congleton had been living with his sisters in Wheaton.

"Mr. Congleton leaves surviving three children: Frank J., residing in Oak Park; Charles E., of Seattle and Cora E. Hicks, living in Chicago. He also leaves a brother, Charles F., of Los Angeles and two sisters, Minnie and Huldah Congleton, of Wheaton.

"Mr. Congleton joined the church in life and was earnest in his devotion to his church, his home life and his comrades of the G. A. R.

"He will be missed by his many friends, neighbors and acquaintances."

One of the unmistakable signs of summer is the announcement that is made about this time each year by the Knights of Pythias regarding the annual May Party at Saugatuck. Arrangements have already been made for the party, and the date is Thursday, May 24th.

Every effort will be made to exceed even the high standard always maintained at these Pythian affairs. Kolkowski's orchestra has been engaged, so the dancers are assured of the best music available in western Michigan.

The big pavilion at Saugatuck will be especially beautiful because of the decorations that have been under way for some time. Evromer will be the evening host, the hall will be very comfortable because of the fine new heating plant that has been installed during the past winter.

As usual, everybody is welcome to this annual May party and it is expected that a record crowd will be there. Tickets are the same price as usual and are available now.

Mrs. Frank Wicks has resigned as secretary of the Saugatuck school board and Mrs. Grace Simpson has been appointed to the position. Herman Simpson is another new member of the board, which aims at constructing a new school building in 1927.

William, 2-months-old son of Mr. and Mrs. George Fuller of Algonquin, smothered Sunday evening while the parents were returning home from Kalamazoo by automobile. Funeral services will be held Tuesday.

RAID IS MADE BY OFFICERS ON MONDAY

The sheriff's department made a raid in Robinson township Monday forenoon and as a result Joe Monk of that township is locked up behind the bars in the county jail. Monk was scheduled to have a hearing before a justice in Grand Haven late this afternoon.

The sheriff's officers who visited the Monk farm in Robinson township found two and a half gallons of moonshine on the place and fifty gallons of mash ready for cooking. They also found a still and coil. Taking the evidence they needed and placing Monk under arrest they went back to Grand Haven, the raid having been staged with complete success according to plans made by the sheriff's department earlier in the day.

Evidence against Monk was secured from a man named Albert Ritz of Coopersville. Ritz was arrested Sunday by Deputy Sheriff Russes of Coopersville for being drunk. When questioned by the sheriff's officers he implicated Monk as the man who had sold him the liquor. A search warrant was immediately secured to make a raid on the place in Robinson township and this raid was a complete success.

It is believed by Sheriff Kamferbeek that Monk will not make a fight as there seems to be a loophole for him to crawl through. The officers had prepared their case so carefully that there was no chance for him to hide any evidence. He was taken to the county jail pending his arraignment.

Dr. Richard Pousma, an internist at Butterworth hospital, Grand Rapids, will sail for China in September as a missionary of the Christian Reformed church, and will be supported in his work there by the churches of Grand Haven.

He will be one of five that are expected to be sent by the denomination in North America during August and September. Besides the five new missionaries Rev. J. C. De Korne and family, who are here on a furlough, will return to their work.

Other missionaries who will sail for the Orient at that time are: Rev. A. H. Selles, who will be supported by the Christian churches of Holland; Rev. J. R. Kamps, who will be sent by the church at Drenthe; Miss Lillian Bode, daughter of Rev. H. C. Bode of the church at Wellsburg, Ia.

The churches at Kalamazoo have expressed their willingness to send Nicholas De Vries, president of Calvin seminary, who will graduate in June, but as he is not subject to call until after graduation and his appointment has not yet been authorized by the denomination, it is uncertain whether or not he will be sent.

Alderman Sears R. McLean was slightly injured Monday noon on the corner of 14th street and First avenue when the car he was driving was struck squarely in the middle by a Nash driven by Jake Lichtheart. The impact drove McLean's car on to a fire hydrant. Mr. McLean was thrown out of his car by the impact and he suffered slight injuries to his ankle, wrist, and nose. The two cars were somewhat damaged but not seriously.

The Emersonian society of Hope college held their annual banquet in the parlors of Hope church on Friday night. The room was beautifully and artistically decorated with society colors and the lights were arranged to accord with the theme of the evening, "The Enchanting Night." After an excellent repast, the president, Malcolm F. Dull, toastmaster, introduced the speakers, Lambert Olgers began the illusion of an enchanting night by reciting "Twilight." Albert Stuart and Bertram Van't Hof continued the theme by an instrumental duet to "The Evening Chimes." "Vision" was the subject of Simon Dyckstra's "Love" was the excellent toast given to the ladies by William Buitendorp. Albert L. Schaafsma gave an entertaining toast to "Grandeur" followed by a vocal solo by Albert De Bey to "The Call of the Night." Then John Tyssse toasted to "Dawn" and the illusion of the night vanished from their midst but not from their memories.

A coroner's jury, shifting the deaths of Mrs. Georgia M. Smith and Mrs. W. J. Raber, Friday night brought in an open verdict. It held that Ralph Raber, driver of the car in which the two women were riding, caused an accident by driving his car out of line, thereby colliding with another machine coming from the opposite direction. The accident occurred on M-11 near Grand Haven on May 2. The parties had visited friends in that city on that Sunday.

Rev. John R. Mulder, pastor of Bethany Reformed church of Chicago, who graduated from Hope college, and who has many friends in Holland, will speak late over radio station WLS in Chicago during the week May 24 to 29. He will conduct the morning family worship broadcast each morning except Sunday at 6:30. Central standard time, by Central department Y. M. C. A. in cooperation with the Chicago Church Federation. Many local friends of Mr. Mulder will enjoy tuning in to hear his voice. WLS broadcasts over a 345 meter wave.

Rev. Mr. Mulder has been with his present pastorate two years. He secured his Master's degree in the University of Michigan in 1918 and his theological training in the Western Theological Seminary, graduating in 1921.

His members are now building a beautiful new church costing \$175,000 to be ready Sept. 1. Mulder served for two and a half years as head of the department of Philosophy and Biblical Literature at Central college, Pella, Iowa.

The Bethany Reformed church supports two missionaries on the foreign field.

This Is Week To Clean Up Premises

Clean-up week began in Holland Saturday and it will close on the coming Saturday night. Fire Chief Blom reminds the people that all this week they will be allowed to build fires on their premises without a permit. After this week, however, the fire ordinance will be strictly enforced. The chief advises all to clean up rubbish heaps during the present week.

WOMAN KILLED ON THE ROAD TO ZEELAND

Mrs. Femmeje Soer, living on the Zeeland road near the Holland country club died in Holland hospital at Monday P. M. about 3 o'clock as a result of injuries received shortly before noon in an automobile accident on the Zeeland road. She is said to be about 75 years old.

The woman was walking on the pavement when G. S. Larader of Grandville approached in a car. He said he blew his horn and she stopped, apparently to step out of the way. Then he went on again and before his car could be stopped the machine had struck her. She was rushed to Holland hospital where death occurred Monday afternoon.

Four great services Sunday marked the close of two weeks and a half of special evangelistic services at the Wesleyan Methodist church. Large audiences were present for each of the four services. Several from Grand Rapids and other near-by points came to enjoy the day. Dr. and Mrs. Ward and Mr. and Mrs. Warner, friends of Rev. Mr. Bannard, came from Detroit Saturday night to spend the day in the special meetings here.

Rev. Mr. Bannard is a man of fine spirit and winsome personality and is giving his best for the salvation of men. Special music was rendered at each of the services Sunday, a male quartette singing two selections at the evening service. Rev. and Mrs. Visser were given a purse as a token of the people's appreciation for their work in Holland. Rev. Bannard left on the 1:05 train Monday for his home in California. He will be at home for three or four weeks and then return east for the summer's work in the evangelistic field.

"International mindedness, which takes in the interests of all humanity of every race and nation, distinguishes the student of a Christian college," Dr. E. D. Dimmett, president of Hope college, said last night in an address to the trustees of the Christian College, which he gave at the Hope college program which was held at the Ninth Reformed church at Grand Rapids.

"The differences between a Christian college and a public institution of learning, he said, may be summed up in two words: 'Christianity.' The fruit of the Christian College," which he gave at the Hope college program which was held at the Ninth Reformed church at Grand Rapids.

"The speaker illustrated his contention with examples from student life of sacrifice and effort on the part of Hope students to serve on the foreign mission field.

Dr. Albertus Pieters, college pastor, spoke on "Christian Education."

Christian support for a college, a Christian college president and faculty, and a Christian student body are the essentials of a Christian college, Dr. Pieters said. He rated the last element as most important.

Three Hope students, Theodore Esserbagger spoke on "Why I Came to Hope." Roy Mattresson on "Y. M. C. A. at Hope," and Russell Damstra on "Athletics at Hope." Miss Cornelia Netting sang a group of songs, accompanied by Miss Klerk, who also played a piano solo.

Rev. Gerald M. Van Pernis, pastor of Ninth Reformed church, Grand Rapids, presided.

The Associated Harvard Clubs, an organization which comprises all of the Harvard Alumni associations of the world, have for some years past given to the boys of high schools a prize book in recognition of meritorious scholastic work. These books have become a prize much sought after because of their intrinsic value, and also because they have fostered a keen and friendly competition among the students where the prize has been offered.

The Harvard club of Grand Rapids has for two years been offering this prize to a boy in each of the Grand Rapids high schools. This year Julian Hutton of Grand Haven a member of the Harvard club of Grand Rapids is offering the prize for excellence in English to a boy in Grand Haven High school, whose work is outstanding in this subject.

The book this year is M. A. De Wolfe Howe's "Life and Letters of Barrett Wendell." It is handsomely bound in three-quarter crimson leather, photographed by Lawrence Lowell, President of Harvard University, and a book anyone should be proud to possess.

Refreshments were served at a social hour and a social hour was given by the Harvard club of Grand Rapids.

Mr. and Mrs. John H. Toren, who have been spending the winter at Lakewood, Florida, have returned to their summer cottage at Jenison Park.

ACCOMPLICE OF GEO. SHIPLEY IN MARNE BANK ROBBERY CAPTURED IN CALIFORNIA

Harry Burke, alias Harry Brackett, 25 years old, object of a nationwide search for the 11 months and more since the \$5,500 robbery of the Marne bank at Marne, is in custody at Los Angeles, Cal. Sheriff Fred Kamferbeck of Ottawa county has been informed by telegram.

A woman, who claims to be Burke's wife, Rose Burke, and who is said to have assisted in the escape of the Marne bank bandits, also is being held there.

Burke, alleged pal of George J. Shipley, 36, who is now serving a life sentence in the state prison at Jackson for the Marne holdup, was arrested in connection with a \$30,000 robbery of a national bank on the coast, it is understood.

Present indications are that he will not be returned here if convicted of the California robbery, inasmuch as he will be tried there in the federal courts.

The Los Angeles officers offered to release Burke's woman companion to Sheriff Kamferbeck, but the latter will waive the offer because, he asserts, there is little evidence against her.

The message received Sunday by Sheriff Kamferbeck, and signed by the Los Angeles chief of police, reads:

"Are holding Burke on federal charge. Recovered \$35,000 in bonds. You can have wife now."

Burke is said to be the leader of a gang of four bandits who executed the robbery on the coast six months ago.

The young desperado has been trailed to several widely separated spots on the continent during the past 11 months, but always he seemed to drop out of sight when officers prepared to close their net about him. Immediately following the Marne robbery, he was traced to the western coast and there the trail ended. Later he was variously reported in Chicago, St. Louis,

Richmond, Va., and Dallas, Texas, but police in these places were not able to locate his stopping places until after he had departed.

The Marne bank was robbed during the lunch hour last May 29. William Ter Avest, 21, assistant cashier, was alone when the two bandits, dapperly dressed, swaggered in. Ter Avest later confided he thought them bond salesmen.

After satisfying themselves Ter Avest was alone, the two suddenly produced guns and commanded him to lie on the floor behind the grating. While one of them kept him "covered" the other looted the safe and cash drawers of \$5,000 cash and \$500 Liberty bonds.

Their loot in a sack, the two then sauntered from the bank and stood in a blue touring car which, with the motor running, they had left in front. They disappeared in a cloud of dust.

Officers, several hours later, found the blue machine, which had been stolen from a Grand Rapids man, abandoned in some woods near Marne. Questioning of farmers brought out that the bandits had driven the car into the woods and, as by arrangement, had left the scene in a more expensive and faster car, which their two women accomplices had ready.

This ruse gave the bandits several hours' start. While officers were combing the country in search of the blue machine, they were speeding toward the Indiana-Michigan boundary in the other car.

On Friday May 14, the Modern Women enjoyed a social evening. Music was furnished by Von Inn's orchestra. Singing and dancing were indulged in and were enjoyed by all. Smokes and eats were served by the committee. On Friday evening, May 28th, the old time team boys are going to put on the initiation. All women are requested to be present at 8 o'clock.

Are Advertising Hope Pageant

Saturday morning at 8, three automobile loads of students and a truck containing the Hope college band left over M-11 for Grand Haven, Spring Lake, Coopersville, Muskegon and Grand Rapids where they will advertise the big pageant to be given on the college campus beginning May 31. The boys took with them large bundles of advertising matter that will be distributed and the band will play on the streets of the different cities visited with banners flying.

OTTAWA FARMER HANGS HIMSELF

Christian Peters, aged 53 years, was found hanging in his barn on a farm near Conklin, Ottawa county, shortly after 12 o'clock Friday noon. Coroner Vander Water of Holland was called to make an investigation. Peters had been in ill health a long time and that is given as the reason for the suicide. He is survived by a wife and children. Sheriff Kamferbeck was also informed, but it is a clear case of suicide and a coroner's jury will not be needed.

The Rotarians of this city Thursday noon had two illustrious guests. One was D. J. De Bussche, Staff Correspondent of the "Algemeen Handelsblad of Amsterdam, Holland. He was accompanied by Jacob Steketee of Grand Rapids, Netherlands consul in the United States.

Mr. Diekema, who was toastmaster, wittily stated that he knew he was introducing a Hollander but where he got the name De Bussche was a mystery. He said that as it was anything but Dutch, with the exception of the "De."

Mr. De Bussche told of trade conditions in the Netherlands, his connection with the trade paper and he stated that the old country suffered tremendously because of the recent flood there, and this was especially reflected in the Holland markets and in curtailment of the volume of business done.

He stated that Holland is especially thankful to America and the Red Cross for the \$100,000 in money sent to the Netherlands to help sufferers at a time when it was the most needed. "Such acts of benevolence," said Mr. De Bussche, "will never be forgotten by the people of my country."

A Seattle paper contains an article about Mrs. Edward Moore of Holland, as follows:

The following extract from a letter written by Mrs. Edward Moore, of Holland, Michigan, who is visiting her husband in Seattle, Seattle after her arrival in Seattle will give an idea of the impression Seattle makes on Eastern visitors, who come here in the spring of the year.

Mrs. Moore states that all of the passengers on the train were much surprised to find on their arrival, advanced, as they had left Chicago on the 10th day of April in a blinding snowstorm, and had not seen the ground since the 10th day of Oct. After they crossed the divide and started coming down through the Cascades they were all amazed to find the fruit trees in bloom, and ahead of what they would expect in the East.

The extract from her letter reads as follows: "On reaching the summit of the Cascades we descended into Fairyland. Everywhere the fruit trees were a riot of bloom, the grasses of emerald green, and the flowers of every color, and the breeze laden with the fragrance of all growing things. It seemed that Mother Nature was trying to show what she could do when she really set her mind to it. Of course this seems almost incredible to you living in the part of our land that is locked in the grip of snow and ice. Here even the rain seems different it has a purpose. It descends softly and you glory in it, because it does not come in torrents to devastate and create havoc, and descends gently on the green hills more like a mist and you see the result in the many greens and the vivid coloring of the landscape. I am awfully afraid that my head is turned and that it will be hard for me to be satisfied any place except in 'The Charmed Land.'

Mr. Blondin, sales manager for the DeKker (Enterprise Shoe Store) tells a few things about display advertising and the appearance of the throngs of buyers attending this very different kind of shoe sale we cannot help believing he knows what real display advertising means, not only for the present but also future business. Good sound advertising backed up by real goods at honest prices, is Mr. Blondin's slogan. The average merchant fails to understand a certain percentage of every day wantable merchandise simply because he fails to present it to his customers in the right way. As long as business is good, the average merchant doesn't think he needs advertising, but let business get sluggish and he's the first man to feel the slow tide. Mr. Blondin says there isn't a business man in town but can do the very thing he is doing "pack the store" with buyers, which he is proving, by staging a shoe sale head and shoulders over anything ever seen in Holland before.

The local chapter of the Red Cross Thursday sent 30 bedsheet bags to the U. S. veterans bureau for the hospital at Battle Creek. These bags were made by the ladies aid societies of the churches of Holland under the direction of Mrs. E. J. Blekkink, chairman of production of the Red Cross. Mrs. G. J. Van Duren of the Red Cross today expressed her appreciation of the work of the aid societies and thanked the members for their promptness and efficiency.

Mrs. Durfee entertained the cabinets of the Y. W. C. A. and Hope W. M. at the girls' dormitory at Hope Monday afternoon. Mr. and Mrs. James De Young are on a week's trip to Cleveland, Ohio.

CAUCUS HELD AT HOLLAND HIGH SCHOOL

There was little study at the Holland high school Friday afternoon, for Mayor Paul Netting more than a week ago called a caucus at 2:30 o'clock for the purpose of placing in nomination candidates for mayor, chief of police, treasurer, clerk and aldermen of the different wards. An official staff similar to the offices in the city government is elected annually and constitutes the governing body of the student council.

Nominating speeches were many, and the presiding officer at the caucus, Paul Netting, gave each speaker only a limited period to extol the ability of his respective candidates. These speeches were unusually able and the caucus in the ear-marks of a regularly conducted political convention with the "ruff stuff" cut out.

The nominations made are as follows: for mayor, Gerald Breen, nominated by Stanley Ver Hey; Edward Wendt, nominated by Raymond Steketee; Harold Boone, nominated by Carol Van Lente; chief of police, Elbert De Weerd, nominated by Harold Sierma; John Hyma, nominated by John Hamberg; and Cornelius Koonman, nominated by Russell Smith; treasurer, George Brendel, nominated by Bernard A. Geest; Charles Ver Berg, nominated by Evelyn Steketee; Gordon Van Ark, nominated by Marvin Meengs; Anthony Weller, nominated by Anthony Zylke; Ivan Stringer, nominated by Harold Boone; clerk, Dorothy Haan, nominated by Virginia McBride; Margaret Westover, nominated by Hendrick Nobel.

Nominees for Aldermen

First ward: Ruth Bolhuis, nominated by Henry Steffens; Victor Maxam, nominated by Marvin Meengs; Nelson Bosman, nominated by Hendrick Nobel. Second ward: Vera Mulder, nominated by Gladys Huizenga; John Mulder, nominated by Lois Dressel; Geneva Dugger, nominated by Henry Van Wezel; Allen Munson, nominated by Marvin Meengs; Marie Kees, nominated by Donald De Vinney; Donald Martin, nominated by Earl Slag; Third ward: Roy Mooi, nominated by Wm. Winter; Margaret Boter, nominated by Gladys Huizenga; Jorence Zylman, nominated by Earl Slag; Margaret Beach, nominated by Mabel Essenberg; Fourth ward: Herman De Koning, nominated by Helen Eberhardt; Andries Steketee, nominated by Verna Brower; Adella Beeuwkes, nominated by Myra Teate; Fifth ward: Chester Kramer, nominated by Carl Van Lente; Essie Schouten, nominated by Cassette Vonker; Charles Costing, nominated by John Hamberg; Edwyn Albers, nominated by Myra Teate; Sixth ward: Frank Harbin, nominated by Richard Hoodema; Edward Spencer, nominated by Russell Smith; Wilbur Meengs, nominated by Raymond Steketee; Genevieve Dymhuis, nominated by Alice Thompson; Vander Water, nominated by Arthur Cudemool; Marie Kees, nominated by Stanley Ver Hey.

The Coopersville Observer devotes half a column to describing the concert given by the Ferry Glee club in that town. The Ferry Glee club is conducted by John Vanderluis of Holland, among other things The Observer says: "The Ferry Glee Club, composed of 14 male voices, and which was directed by John Vanderluis of Holland, gave an excellent concert in the Reformed church. The church was crowded to its utmost capacity to hear them and they responded with the enthusiasm which was kindled by the responsive audience, and from the fact that several of the boys were singing in their home town."

"The numbers rendered by the club showed the result of the splendid training which Mr. Vanderluis had given them, for each song was sung with spirit and expression, and what was even more impressive, they had that which many groups do not, the faculty of saying their words exactly together. At the close of the concert many expressed the wish to have them return for another concert at some future date."

Close on the heels of the announcement of the purchase of Lake Harbor by Paul Rader, noted Chicago evangelist, comes a similar announcement of the purchase by C. Niles, Chicago millionaire, of the largest single tract of Lake Michigan frontage between Muskegon and Pentwater.

The property lies just south of the Garrison park development which is adjacent to the Pentwater lake channel and just opposite the city of Pentwater. At Garrison park there are a number of summer homes served by electricity, telephone service and other conveniences. The property just purchased by Mr. Niles lies along the Lake Michigan shore just south of the boundary of the park.

Harry R. Raterink, of Jenison, Michigan, has won a fellowship at Northwestern University, according to an announcement just made by Dean James J. Jones, head of the graduate school. Mr. Raterink received a B. S. degree from Hope college last year and since then has been specializing in chemistry. He has won his fellowship in research chemistry. Each year a list of prospective fellowships and scholarships is made public by the graduate school at Northwestern university and it is recognized that winners of these honors are superior students who are doing research work of special significance.

The roller skating that has been conducted on a roped off street near the piano factory will be discontinued, Mayor Kammeraad and Chief of Police Van Ry announced Saturday. This skating has proved very popular but the season is far advanced now, the base ball season opens today and there is no longer need for a special street for skaters, so the service will be stopped.

ROLLS BIG CATFISH, TEN POUNDS, ASHORE WHEN LINE BREAKS

"Hein!" yelled Ralph Woldring to his brother Frank. "I've got a big one." The boys were casting their lines from the bank of the river and in a few moments Ralph who is barely in his teens, felt a terrific pull.

Frank hurried to his rescue, seized the pole and got a glimpse of the monster's mouth. He told Ralph to discard his alms and stockings, jump into the water and push the fish ashore. Ralph obeyed the injunction, but he became very much frightened when he spotted the monster and quickly returned to the shore.

Then Frank jumped into the water after passing the line to his brother, seized the fish, cut as the line broke and rolled it upon the bank. The specimen proved to be a big catfish weighing more than ten pounds.

The Woldrings ate fish for three meals.

LOCAL MAN STARTS FURNITURE STORE IN MUSKEGON

Jacob E. Dekker, for many years connected with the Van Ark Furniture Co. of this city and later with Vanden Berg Bros., has gone into the furniture business at 1133 South Third street, Muskegon.

The firm goes under the name of the Dekker Furniture Co., with J. E. Dekker as the manager. The new firm held its opening Saturday, May 15, and in large advertisements announces this fact. In the long list of firms that the Dekker Furniture Company buys from they also mention in their publicity that they are selling Holland-made goods from the Holland Furniture company and from the Charles P. Limbert Co. of this city. Besides these, ten other firms from other cities are mentioned.

The firm did not sell goods Saturday but invited Muskegon and vicinity to call for inspection. There was much interest for ladies and men as well as for the children were handed out.

Miss Nellie R. Lemmer, Ottawa county nurse, Friday completed her work in Holland township in immunization against diphtheria. Holland township was the last of ten townships covered in this special campaign, which means that in ten out of 17 townships in Ottawa the pupils in the schools are protected against diphtheria. The immunization is in many cases 95 percent of the total school population, which is as nearly complete as can be hoped for anywhere.

The immunization campaign will be interrupted by the summer vacation but it will be resumed at the start of school in September and will be pushed until all the townships have been covered. It is the biggest single health program that has ever been undertaken in Ottawa county.

In addition to that 11 schools were given health inspection and Miss Lemmer found that in 14 cases physical defects have been corrected. Twenty-six schools have been entered in the Modern Health Crusade and it is hoped to enroll every school in the county soon.

Another thing Miss Lemmer is planning to give every school child in the county a thorough physical examination by a physician, if the county nurse is possible. This will be part of the campaign against tuberculosis in Ottawa, on which the county nurse is now specializing. Very good results have been obtained in sending tuberculous persons to the sanatorium in Muskegon. One man reported a gain of 11 pounds after six weeks.

By the new pension system the families of such patients are being taken care of while the breadwinner is being restored to health and self-support.

Miss Lemmer has some encouraging reports in regard to the work with crippled children taken on by the Rotary club. She assisted in taking 22 crippled children to physicians and hospitals last year and on making an inspection this year she found that 17 of these have been definitely benefited by the treatment.

A special nutrition worker will be brought to Ottawa county and during the summer Miss Lemmer plans to give convalescing and women in home nursing. The county nurse has spent a very busy year and she has many results to show for her work.

The Van Raalte Ave. Reformed church, Rev. E. H. Tanis, pastor, gave a farewell reception Thursday evening in honor of Mr. Dick Mulder, a graduate of the Western Theological Seminary, 1936, and a member of the church. Mr. Mulder has accepted a call to Newton, Ill., and will begin his work there within a few weeks.

After a short program in which Elder G. J. Veldman, Rev. J. Hoff, and others participated, the Rev. Mr. Tanis gave a farewell reception Thursday evening in honor of Mr. Dick Mulder, a graduate of the Western Theological Seminary, 1936, and a member of the church. Mr. Mulder has accepted a call to Newton, Ill., and will begin his work there within a few weeks.

Manufacturers of novelty and decorated living room furniture for several years past, the Langius company of Zeeland finds a very rapidly increasing demand for their products. They had been looking for more ample space for some time past, and when the Michigan Brass Manufacturing company vacated the building at 155 E. Main street, Zeeland, they promptly leased the entire two stories.

OTTAWA FIRM BUILDS CRAFT AS AUTO FERRY

The Johnston Brothers Roller Works in Ferrysburg are building a steel automobile ferry for the Charlevoix county road commission completion of the ship being assured within a very short time. She will be delivered as soon as inspected for being a county craft, she is subject to inspection. U. S. Steamboat Inspector Eckliff has already gone over the craft.

It is understood that the Johnston Brothers were awarded the contract for the ferry because of their well known ability at steel boat building, even though competitors' bids on the job were somewhat lower.

The ferry which is to be of less than 100 tons in order that its operation will not come under the seaman's act, will be driven by two big Diesel engines built by Kahlenberg at Three Rivers, Wis. These engines will be of approximately 125 horsepower each.

Propellers are to be placed at both ends of the craft so that she will be very easily navigated in close quarters. The boat is of shallow draft and will be built with a number of bulkheads. There are to be four automobile tracks aboard.

John Shoemaker of Johnston Brothers planned the side gate device that operates automatically as the aprons of the craft let down. This arrangement was left in his hands and he solved the problem which troubled the designers.

The new ferry will be operated on Pine Lake in Charlevoix county where recent heavy increases in auto traffic have rendered the old wooden ferry almost obsolete and incapable of the work. Pine Lake is one of the large inland lakes of the north, being about 14 miles long.

Supt. H. S. Dennison and Coach Eilers of Zeeland high school were instrumental in obtaining for that city the annual state high school oratorical and declamation contest scheduled for May 21.

Zeeland is credited with the best record in public speaking among the high schools of its class in the state for the past four years. The contestants for Zeeland at the annual contest will be Hattie Poschma and Elizabeth Heyboer.

Nicholas Schregardes, aged 41 years, died Thursday evening at his home at 131 West 19th street of diphtheria. He is survived by his wife and four children: Arle, Nellie, Leonard and Lucille. The funeral was held Saturday afternoon at nine o'clock at the home. Because of the character of the disease the funeral was private. Interment was in Pilgrim Home cemetery.

Cottages near the "loop" at Highland Park, Grand Haven, are protected against the picking and cutting of trilliums on the hillside by parties who come out to spend the day roaming the woods near the park. Trilliums when cut, die off and do not grow further so that the beauty of the plant is practically destroyed by indiscriminate cutting.

About two years ago a number of grocers of Holland organized in what was known as "The Quality Service Stores," the stores with the orange front. Through co-operation these stores collectively have made it possible to get a larger buying power, and consequently a more economical selling power.

After 2 successful years the anniversary of their organization was celebrated with a banquet at Warm Friend Tavern, where landlord Tyner had provided liberally for the inner-man.

Benton Harbor, Kalamazoo, Muskegon, Grand Haven and Holland have all organized under the banner of the "Quality Service Stores." While these organizations are limited only to the respective cities where they are found, the success has been so marked that now the plans are to have a statewide organization perfected.

Mr. T. Wardner, president of the local Quality Stores, was toastmaster of the evening and gave the address of welcome to 65 merchants from Holland, Muskegon, Benton Harbor, Kalamazoo and Grand Haven. The Muskegon speakers were Mr. Johnson, Mr. Peterson, Mr. Boonstra and Mr. Marvin. Kalamazoo also sent a Mr. Johnson, Mr. Hall and Mr. Pense. These men all told of their experiences as merchants who yesterday worked without co-operation but who today, under the Quality Service banner, work hand in hand.

Dick Miles, of the Central Park store and secretary of the Holland association, also spoke, advising co-operation, the elimination of jealousy, and that those belonging to the organization pull together. He said too that the paramount factor in their success was the building up of Holland and the vicinity of Holland and they should stand by Holland 100 per cent first, and this could not help but bring mutual success.

Van Dyke's orchestra furnished an excellent program of music for this occasion.

E. E. Branch, secretary of the New Era association, was elected president of the organization at the 14th biennial meeting of the electric congress at the Hotel Paultine yesterday. Mr. Branch succeeded Gerrit J. Diekema, of Holland.

Fred O. Sheriff, Flint, and Thomas H. Fowlais, Detroit, were elected vice presidents. H. V. Owens, Grand Rapids, was elected general secretary to succeed Mr. Branch, and H. E. Demoray, Grand Rapids, was made general manager. G. L. Taylor, Owosso, was re-elected treasurer and Dr. E. W. Dales, Grand Rapids, was made medical director.

In turning over his office to his successor, Mr. Diekema reported the association to be in the best condition in its history, financially in a new lease of life. The association has enjoyed two years of constructive growth and progress and plans are now being made to extend its field of operations.

Who Gets The Money You Earn?

The Point IS How Much do You Save?

How Much Do You Put In The Bank?

Q That money this young lad puts in the bank each pay day is not only making his balance grow, but it is also building his self-reliance and his character.

Q His Boss is watching him, too, because the boy with the banking habit is always on the job to get some deserved promotion.

What do You Desire Most in a Furnace?

When you know that one make of Furnace is giving a great number of people, including friends of yours, a full measure of satisfaction, it is not likely that you are interested in knowing why one casting is shaped one way and one another.

After all, what you pay for, is convenience and economy in the operation of the furnace, and you want, above all, abundant warmth throughout your home.

It is the result you are paying for, and it is the result that is offered you by the Holland Guarantee Bond.

Holland City News

32 WEST 8TH STREET, Upstairs
Holland, Michigan

Entered as Second-Class Matter
at the Postoffice at Holland, Mich.,
under the act of Congress, March
3, 1879.

Terms \$1.50 per year with a dis-
count of 50c to those paying in
advance. Rates of advertising
made known upon application.

Locals

John Schmid submitted to an
operation for hernia at Holland
hospital Tuesday morning.

Jens Olson, a resident of Gran
Haven since 1880, died Friday
morning at Eastmanville, at the
age of 77. Mrs. Olson died about
eight years ago.

Dr. J. B. Nykerk, dean of the
faculty of Hope college, was in
Lansing representing President E.
D. Dimmet at the M. S. C. an-
niversary celebration when a \$350-
000 chapel was dedicated.

Mrs. E. J. Hanes, who has been
staying at the Burleson sanitarium
in Grand Rapids for three weeks,
has returned to her home in Hol-
land, much improved in health
but still very weak and in need of
rest.

Two speeders were caught on
the Holland highway, namely on
17th street. Cornelius Van Dis
was going 30 miles and Henry Van
Vorst 32 miles when rounded up
by Speedy Cox. Each paid
\$10 fine after pleading guilty be-
fore Justice Den Herder.

The Christian Endeavor society
of Trinity Reformed church, at
Bible. The national headquarters
of the society offered Bibles to
the first 100 societies that would learn
1000 selected verses of Scripture.
Trinity Church society competed
and won a Bible.

On Friday evening the Ma-
sonic committee will have another
one of their popular dances. This
dance will probably be the last of
the series and it is desired that a
large crowd of dancing public
attend and make this dance the
winner one of the year. Masonic
Temple, Friday, May 21.

The tourist camp at Allegan is
in readiness. The fairgrounds have
been cleaned, water is available,
the fireplace is waiting and a man
is at the fairgrounds policing the
property. Franz Lelke, secretary
of the fair, announces. Hundreds of
tourists made use of the camp site
last year. It is said to be one of the
most ideal in this part of the state.
The Pere Marquette is building
another depot. This depot is to
serve both Whitehall and Montaga-
and as the limits of the two
towns are operated only by a small
concrete bridge, the new station is
to be placed near that bridge and
the traveling public from the twin
villages will be accommodated in
that way in the near future.

At Sunday the Sunday school
of Trinity Reformed church had
the largest attendance in the history
of the school. There were 615
present. The pastor asked for an
attendance of 610 and 615 re-
sponded. The average attendance
during April 1926 was 598, the av-
erage attendance of April, 1926 was
568.

Friday afternoon J. R. Davidson,
of Muskegon county, definitely de-
clared to cast his hat in the ring for
state senator in Ottawa and Muskegon
counties. Davidson will oppose
Vincent Martin, the present
senior of Muskegon county, and
possibly Wm. Connolly of Spring
Lake, a former senator from Ot-
tawa county. Davidson has been
prominent in Republican politics in
Muskegon county for years and
has been supervisor from Sulli-
van township.

Miss Angie Poppin, who was
seriously injured in an automobile
accident recently, is now able to
resume her studies at Hope.

A civil service examination for
clerk at the post office at Pennville,
Pa., will be held at Pennville, June 19,
1926. Applications must be in by
June 9. Wm Van Hartvelt is sec-
retary of the Pennville board of
examiners.

M. F. Powers, Saugatuck sales
agent for the Shell Gasoline com-
pany there, Monday underwent an
operation for appendicitis in the
Saugatuck hospital.

The treasury department at
Washington has fixed seven cents a
mile as compensation for the use
of private automobiles for govern-
ment work. This represents a cost
of operation plus compensation.

The floral industry of Michigan
represents an industry investment
of seven and one-half millions
while the gross business done ex-
ceeds that figure. There are 407
florists in the state.

Miner Waterman of Cascade was
arrested for speeding near Nunica
Monday by the sheriff's depart-
ment. He paid \$11.50 fine and was
sent to Justice Bernard Cook, Grand
Haven Tribune.

Funeral services for Seth Tanner,
90, who had lived on the same farm
in Monterey township, Allegan
county, more than 50 years, were
held Tuesday afternoon. He died
Sunday after a brief illness. A son,
J. Roy Tanner, and his daughter,
Miss Mary Tanner, survive.

The May term of circuit court,
in Allegan county, was opened on
Monday by Judge O. S. Cross. Mo-
tions were heard by the court and
cases for trial. The jurors will re-
port for duty next Monday and
eight criminal cases will be tried.

Memorial Sunday will be ob-
served in Allegan on May 23 by
the patriotic order by attending
services at First Methodist church.
The pastor, Rev. H. L. Potter, a
general favorite among patriotic
societies, will give a sermon appro-
priate to the day. On May 30, Mr.
Potter will give an address at Mid-
dleville.

Charles McVea, 50, prosperous
farmer residing near Saugatuck
who had spent his life in that
community, died Monday from
spinal meningitis. A daughter, 4
brothers and five sisters survive.
Mr. McVea's father brought one of
the first steamers into Holland har-
bor named Franklin McVea.

HOLLAND HIGH MUSICIANS WIN THREE FIRSTS IN THE DIST. MUSIC TOURNAMENT

Holland high school musicians
came home from Kalamazoo
Thursday evening with three firsts
in the music contest that was held
in the city, winning over all the
other schools in the district
contest in Class B. The boys glee
club won first, the mixed chorus
won first and the orchestra won
first. It was a clean sweep for Hol-
land high and there is all the
more glory in it because this was
the first time that Holland high
has entered this contest.

Miss Trixie Moore is in charge
of the glee clubs of the high school
and Miss Ruth Keppel in charge
of the orchestra. The victory of
Thursday shows how successful these
two directors of the music in the
high school have been as well as
the fact that there is a great
deal of musical ability in the school.

The schools that entered the
contest were Grand Haven high
school, St. Joseph, Niles, Western
State, Northern high, Spring
Academy, Allegan and Holland.
There were 52 performers from
Holland in the glee club and or-
chestra. They went to Kalamazoo
Thursday morning in a bus, ac-
companied by their directors and
Miss Smith, principal of Junior
high, and Mrs. R. B. Champion.

To be able to make the trip the
orchestra and glee club gave con-
certs and earned money in other
ways. The organizations paid their
own way and they were one of the
few clubs that did that. In most
of the other cities the towns the
schools represented paid the ex-
penses of the singers, with the idea
that the singers were representing
the town and were upholding its
honor.

The fact that Holland won the
contest entitles the glee club and
orchestra to enter the state contest
which is to be held in Lansing a
week from today. There is how-
ever no time between now and next
Friday to earn the money to pay
for the trip. It is estimated that
the cost of the trip will be about
\$150 and the clubs are wondering
where this money is to come from.
It is believed that the people of
Holland will not let the clubs that
have brought three firsts to the city
worry long. Plans are on foot to
raise the money and to make sure
that the victorious Holland high
school musicians who have brought
honor to their school and their city
will not have to pay their own way
to Lansing where they stand a good
chance of bringing more honor to
their school and to Holland.

The success of these high school
organizations is especially gratify-
ing since all the work connected
with the glee clubs and the or-
chestra is done after school hours.
The names of the members of the
girls glee club, and also the boys
glee club are given below:

Girls Glee club—Soprano: Helen
Lisman, Alto: Alverne Avery, Mar-
garet Van Vyven, Loretta Schull-
ing, Genevieve Heneveld, Ruth Bren-
thel, Gladys Heneveld, Gladys
Wihelms, Gladys Dekker, Eula
Champion, Gladys Hulzenaga, 2nd
Soprano: Lois Dressel, Alice Brun-
son, Marion Lardahl, Ruth Dal-
man, Georgia De Weerd, Alto:
Laura Dekker, Evelyn Heffron,
Gertrude Hulzenaga, Alice Boter,
plumet, and Marjorie Selver.

Boys Glee club—1st tenor: Charles
Vander Ven, Ed. Scheerhoren,
Donald Bennett, Paul Nettinga;
2nd tenor: Neal Van Leeuwen,
Frank Van Duren, Nelson Bosman,
Lester Vander Werf, and John
Van Dyke; 1st Bass: John
Hamburg, Marvin Meentemeyer, Peter
Bolt; 2nd Bass: Raymond Steketee,
Hendrik Nobe, Arthur Oudemool;
Pianist: Harvey Waltman.

The soloists of the mixed glee
club, chorus, commended by the
judges, were Paul Nettinga, Marion
Lardahl, Gladys Hulzenaga, Ray-
mond Steketee, Alverne Avery and
Helen Bosman.

Orchestra—1st violin, Roy Mooi,
Lois Keppel, Harriet Schurman,
and Ed Zuber. 2nd violin, Henry
Seekamp, Eunice Hyma, Leslie
Hoofstede, Raymond Steketee and
Lester Serier. Cello Norman Van-
der Hart and John Hamburg.
Xylophone Gene De Gijpper, Clar-
inet Victor Maxam; Alto, Pearl
Palmbos; Cornet, Donald De Goed;
Drums, Lawrence Olinger; Pianist
Marjorie Selby and Loretta Schull-
ing.

The Grand Haven Independent
baseball team, runnerup in the
Muskegon tournament last season,
is organized and ready to take the
field, and the open season of the
this section of the state.

It appears that Holland's team
may meet a Grand Haven aggrega-
tion this year which has not been
possible for years.

That team won 15 games out of
18 during last season and this year
will have practically the same line-
up as last year. Norris, who pitch-
ed all the games last year, will
again be on the mound, assisted by
"Poke" Westerhof, who was with
the Alphas of Muskegon last year.
Robinson will do the back-
stopping.

The balance of the team will line
up as follows: Schroeder, first base;
Lawrence, second base; Dahlym-
ph, third base; E. Westerhof, short;
H. Westerhof, left field;
Burkhardt, center field; Smith,
right field.

If football players at the high
school were up their marks as high
as they were the last five weeks
there will not be much trouble
with ineligibilities next year. Of
the seventy men out, only two were
failing; fifteen were between sev-
enty-five and eighty; twenty-four
between eighty and eighty-five;
twenty are between eighty-five and
ninety-five, and the whole squad is be-
tween eighty and eighty-five. Who
says athletes are not good students?

The girls' Harmony glee club of
Hope college furnished the music
at the Sixth Reformed church serv-
ices Sunday night. Their efforts
were highly appreciated by the
congregation.

Rev. August Karreman of Muskegon
conducted Sunday's services at
the Second Reformed church.
Zeeland. Mr. and Mrs. Karreman
were the guests of Mrs. L. Mulder,
29 East 14th St., Holland, over the
week-end.

Thursday afternoon at the home
of Mrs. Frank Hadden on West 11th
St., a large number of members of
the local B. A. R. were present
for the final meeting of the season.

An unusual feature of the meet-
ing was the reading of the reports
of the delegates to the national
congress of the Daughters of the
American Revolution held in
Washington, D. C. last month. Miss
Katharine Post, the regent, gave a
report and Mrs. Lacoff's report was
read by Mrs. J. M. Martin.

This is the first time in the his-
tory of the local chapter that their
regent has represented the chapter
at the national congress. This great
gathering of patriotic women was
held the week of April 19th to
24th in Washington. It was the
largest and most representative
ever assembled. There were almost
2,000 registered delegates and 5-
6,000 others in attendance. Many
persons of national prominence ad-
dressed the gathering, including
President Coolidge, Vice President
Dawes and many others.

The meetings were interspersed
with teas and luncheons given for
the various delegations, including
one for the one hundred Michigan
delegates. The regent, Mrs. Bloed-
good of Grand Rapids, the presi-
dent given for the delegates by
President and Mrs. Coolidge in the
blue room of the White House was
another enjoyable occasion.

The election of officers for the
National B. A. R. resulted in the
election of Mrs. Alfred H. Brown
of Connecticut as president. Mrs.
Al. She is a former Detroit woman
and is ably fitted by ability and
presence to fill the office.

At the conclusion of the reports
the chapter by a rising vote of
thanks expressed their appreciation
for the very comprehensive and
interesting manner in which the
congress had been brought to them.
Among other business brought be-
fore the meeting was the amend-
ment to the constitution at the
past meeting. This amendment pro-
vides for a 2nd vice regent and a
public officer who shall be in-
cluded on the board. The amend-
ment was adopted. The annual re-
ports of the various officers and
committees were received and
showed a very creditable year's
work.

Mrs. Oggle, the chairman of the
nominating committee, placed the
following names before the chapter
for their consideration: Regent,
Mrs. Katharine Post; Vice Regent,
Mrs. J. M. Martin; Rec. Sec., Mrs.
R. F. Keller; Cor. Sec., Mrs. Martha
Robbins; Treas., Mrs. W. J. Garrod;
Historian, Mrs. W. C. H. Garrod;
Historian, Mrs. Martha Sherwood;
Chaplain, Miss Florence Cotton;
Publicity officer, Mrs. A. B. Ayers;
Directors, Mrs. M. A. Clark, Mrs.
Harold McLean, Treas., with the
addition of Mrs. J. P. Oggle as 2nd
vice regent, were elected.

The meeting closed with the
singing of two verses of "America,"
after which Mrs. Hadden, assisted
by Mrs. Hanchett, served delicious
refreshments.

With preliminary arrangements
all made, the Holland troop of sea
scouts, sponsored by the Holland
Rotary club, is all ready to orga-
nize under the leadership of Skip-
per Andrew (Dixie) Hyma.

Chas. R. Ash and Chas. Voss
have consented to serve as mates
and will assist Mr. Hyma, both of
these men, like Mr. Hyma, are ex-
perienced seamen, and men of in-
fluence in their community. Under
their leadership sea scout work
should be a big force in the build-
ing of citizenship in the city of
Holland, as well as an interesting
program for young men. Mr. Ash
is connected with the Michigan Bell
Telephone Co. and was a chief
petty officer during the World
war. Mr. Voss is with the city board
of public works, and he has been
a first class petty officer. Both
men are interested in the work
before the war in addition to their
services during the war. Chuck
Bontekoe of the Ottawa Beach
Yacht club has offered his services
as instructor and advisor.

The sea scout program is for
young men fifteen years of age and
above. A limited number of pro-
tective leaders will be enrolled
now. They will be put through an
intensive course of training and
then gradually expanded to a full
ship complement.

A meeting of all young men
who are interested will be held
Holland city hall, third floor. Not
all those who make application
can be enrolled at this time, but
they will be placed on the waiting
list, to be enrolled as soon as pos-
sible. Therefore all those interest-
ed should attend this meeting. Any-
one desiring more information may
call at county scout headquarters
in the city hall at any time during
the day. Six applications all above
the age of twenty have already
been received.

Two boats, one with a capacity
of forty persons and the other
twenty, have already been acquir-
ed.

Scout Executive P. J. Gekker
makes the following announcement
to county councilmen and troop
committees:

"Circumstances have necessitated
the postponing of the spring
council meeting in Coopersville
from Friday, May 21st, to Monday
May 24th. Dinner will be served
promptly at 6:45 P. M. If you lack
transportation notify either your
town committee chairman or the
county scout executive's office.
Your attendance is necessary to
give the scout leaders' training
course its final kick."

MEMORIAL DAY
While no definite requests have

been received for scout services on
Memorial day it is assumed that as
usual the scouts will be asked to do
their share. Whether or not this is
the case individual scouts should
be always on the alert for oppor-
tunities to serve the rapidly dimini-
shing ranks of the men who have
served their country so well, and
to honor their comrades who have
answered the last roll call.

Then too, it is well that on this
day scouts give some definite thought
to their responsibilities of helping
carry on the work and spirit that
these old veterans must soon re-
linquish and intrust to the present
and future generations.

Every scout should try to be in
full regulation uniform, epic and
spartan. But, if this is impossible
it should not interfere with his ser-
vice in any way. The most impor-
tant thing is that the uniform should
be worn only when it can be worn
complete. So the rule will be,
either complete uniform or com-
plete regular clothes, but no mix-
tures of the two."

An inspection will probably be
held in each district sometime dur-
ing the day. In that case points
will be awarded as follows with
possibly a few changes:

1. Each scout present, one
point; 2. Each scout in full regular
uniform, 1 point extra; 3. Each
patrol with properly mounted patrol
flag or totem, 2 points; 4. Each
patrol with all members present, 4
points; 5. Each troop with prop-
erly mounted patrol flag, 4 points;
6. Each troop with all commis-
sioned leaders present, 6 points; 7.
Each troop committee present, 6
points; 8. Each troop scoutmaster
with first aid kit larger than indi-
vidual kit, 2 points; 9. Each troop
with 25% or more of its members
present, equipped with guard ropes.
Individual first aid kits, or signal
kits, 4 points.

Grand Haven Boat Ordered
An order has been placed for a
brand new 18-foot boat for the sea-
scout ship, "W. C. H. Garrod," of
Grand Haven. The boat will be
shipped knock-down and will be
assembled by the scouts, thus giv-
ing them practical experience in
boat building.

The scouts in the meantime are
busily engaged in building a boat-
house.

Council Meeting Next Monday
The spring meeting of the coun-
ty council will be held in the Ma-
sonic hall in Coopersville on Mon-
day evening, May 24th, having
been postponed from Friday the
original date set.

Review of the season's activities
and plans for the fall's work will
be the nature of the official busi-
ness. The remainder of the pro-
gram will be devoted to a gradu-
ation ceremony for the scout-leaders'
training classes which have just
completed their course.

Councilmen, Troop Commit-
tees and scout leaders are being in-
vited.

Training Course Notes
The final training sessions of the
Scoutmaster course were held in
Grand Haven last Friday evening
and Holland Monday evening.

These sessions were devoted to
troop administration and routine
work to organize a new troop and
reorganize an old troop, games,
scout requirements, policies and
standards, and the scout uniform.

The leadership and training com-
mittee wishes to thank the school
authorities in the two cities for
their splendid cooperation.

The course has provided all Ot-
tawa county troops with trained
leaders and has furthermore pro-
vided sufficient leadership for the
various districts and sections.

The next step along training lines
will be meetings of all Patrol lead-
ers with their scoutmasters in
Grand Haven on June 4th and Hol-
land June 7th.

A special outdoor session of the
training course for those unable to
attend the others was held north of
Agaw last Wednesday. Thirteen
men attended.

With all troops supplied with
trained leaders and with the com-
pleting of district and section or-
ganizations, efforts will now be di-
rected toward the establishing of
all troops on solid foundations.

Up to this time most of the work
has been directed toward the
training of leaders and the estab-
lishing an overhead organization.
Now that machinery is about com-
pleted and actual work among the
troops will be launched. The aim
will be "Up and going troops or
not at all."

Camp Program To Be Check Fall
Scouts who are planning to go to
camp this summer will take delight
when the hour of the program be-
ing prepared for them.

Every day will have a different
program full of the very things
boys like to do. There will of
course be hiking, swimming, camp-
craft, woodcraft, Scout games, base
ball, and the many other regular
activities of the scouts. There will
be much more, too numerous to tell
now. A descriptive folder is be-
ing prepared and will be ready in
several weeks.

The camp saving club plan will
be a great aid to scouts earning
their way to camp.

Schedule of Events
Friday 4 to 5 P. M.—Executive at
Grand Haven—office to meet
callers.
Friday 7-15 P. M.—Special
session Scout leaders training
course, Grand Haven high
school.
Monday 6-4:45 P. M.—Spring Coun-
cil meeting at Coopersville.

TROOP NEWS
Troop I hiked out to five mile hill
last Thursday evening. The scouts
traced up the hill and down again.
The winners were Elmer Rein-
ders who was first, second Russell
Swanson, third Lloyd McRaken.
After that they played pump-pump
pullaway and post. Then the scouts
built a large fire and everyone
squatted around it and listened to
a few ghost stories. The scouts will
on an overnight hike just as
soon as it gets a little warmer.

The troop is minus an assistant
scoutmaster because Mr. Wild is
now in charge of the sea scouts and
the fellows sure miss him. Howard
Hont has hown his stth as a sen-
ior patrol leader and has been a
good help to the troop. He will
soon be promoted to Junior assis-
tant scoutmaster.

Troop 4, Coopersville, Michigan
A number of the scout of Troop
4 met at their new headquarters
last Saturday afternoon for a clean-
up session. Down they went on

hands and knees and proceeded to
scrub the floor of the main room.
The windows were washed and
other cleaning up stunts were en-
joyed (?). The troop feels very
proud of its splendid headquarters
and wishes to express its thanks to
troop committee, Dr. Muzzall,
for making this possible.

Grant Treloar, formerly assis-
tant scoutmaster of old Troop No. 1,
has been selected as assistant scout-
master for Troop 4 and will take on
as active part in all scout meet-
ings at which it is possible for him
to be present. The new A. S. M.
has qualified as a first class scout
and will be of great help to the
troop.

Holland high's track team showed
up poorly at Grand Rapids Sat-
urday when they met Grand Ha-
ven and Union at Garfield Park.
Grand Rapids Union scored 83 1/2
Points; Grand Haven trailed with
21 and Holland with 17 1/2.

The Holland and Grand Haven
squads showed to best advantage
in the field events, while the Union
institution had a walkaway in the
majority of dash and distance runs,
taking all three sprints in the mile
and 100-yard. Holland made its
most serious threat in the second
event, the shot-put, when it took
two places.

Judging of all events was han-
dled capably by members of the
South high faculty, with the dis-
cussion of H. W. Lightner, director
of Grand Rapids city playground
activities. Points were awarded on
the basis of five for firsts, three
for seconds, and one for thirds, ex-
cept in the relay in which points
were given only for the winner of
first.

In the base ball tournament of
the grade schools Thursday after-
noon four teams were left tied for
first place: Washington, Lincoln,
Horace Mann, and Van Rualte.
Two teams were eliminated. To
decide the tournament elimination
contests will be held Tuesday and
Thursday afternoon of next week.
Two teams to be chosen by lot will
play on Tuesday and two on Thurs-
day.

In the girls' goal ball tournament
Lincoln school is on top with three
straight wins, and Washington
school is second with two wins and
one tie.

Schouten's base ball team will
try its stuff against the Grand Rap-
ids Junior college club here Friday
afternoon. This game was pushed
a week ahead because of rain and
the Home squad will be ready for
any kind of opposition. Coach Bos-
says he has a sturdy hurler in
cowaski who made a fine showing
at Michigan State college. Either
Kole or Bekken is slated to work
for Holland.

Hope college lost their baseball
game at Lansing Friday 6-0.
The game was scoreless for five
innings.

The Spring Lake golf course will
be the scene of an interesting
tournament sponsored by the Y. M.
C. A. of Grand Rapids, consisting
of men from the various manu-
facturing institutions of the city.
This is the third annual event, and
the fair is in charge of Henry Rogers
of the Grand Rapids Brass com-
pany.

The Independents will go against
the Illinois Colored Giants here
on Saturday afternoon. These col-
ored players are great favorites
here and they are playing fast
ball. Radcliffe, and his "swatch
me" are working fine and the trip
led up Ludington, Sunday. Popen
may work for Holland again Sat-
urday and Albers and Fred De Young
are also possibilities on the mound.

Tony, the local arbiter, handled
the game against the House of
David clan in big league style. Of
course the home team won and the
fans were satisfied but some gaffes
Holland is going to lose and then
some one has to be blamed and
the ump's generally get the razz.
George Ross is the head of the
Central league umpires and will not
be available for service here this
season.

The Holleman De Weerd team
got out of the lead in the city
league when they downed the Hin-
son-Exsex crew, score 7-5. Tuber-
gen and Kimball had a good bat-
tle until the fourth frame when
both teams got to widdling. The
stick rather heavily. Babe Woldring
called the decisions in a fair man-
ner.

The "STRANSKY" Vaporizer and Decarbonizer

IT IS NEW—IT IS DIFFERENT—IT IS PATENTED
WILL SAVE GASOLINE AND REMOVE CARBON

SOMETHING EVERY AUTOMOBILE OWNER HAS BEEN LOOKING FOR

Easily Installed—Quickly Pays for Itself—Lasts a Lifetime

Sold on a "money" back guarantee

Thousands of Automobile Owners have found that

A CARBON REMOVER

Did you ever have a mysterious knock in your motor and could not locate it?

Did you ever wonder: 1. why you use so much cylinder oil; 2. why so much hard cranking; 3. why your motor overheated; 4. why so much spark plug trouble; 5. why your valves needed grinding so often; or 6. why so much transmission trouble?

The cause of all your trouble is Carbon. You can take your car to a garage and have the carbon scraped out and your trouble will be ended for a time. It will probably cost you from \$5 to \$25. Why pay so much for only temporary relief? The Stransky Vaporizer is a decarbonizer as well as a gasoline saver. You can remove carbon from your engine and not lose the use of your car for a minute. No dangerous chemicals or drugs needed simply a little warm water applied occasionally through the valve and you will save many times the price of the Vaporizer in repair bills.

We have many letters from satisfied users of the Vaporizer stating that as a carbon remover alone it is worth many times the purchase price.

AUTOMATIC AND SELF REGULATING

The Stransky Vaporizer requires no adjustment. There are no springs, shutters or diaphragms. No delicate parts to get out of order.

The valves are automatic and self regulating. The amount of air needed to properly vaporize the gasoline is controlled by the speed of the engine.

**MORE SAFETY
IS GIVEN TO
LOCAL BANK**

The big vaults of the First State bank, already well protected, have been made still more safe through the installation of a safety grade "A" vault protective system. This system is so devised that the walls, ceiling and floor of the vaults are literally covered with a material that closes the system against electrical protection.

No burglars can bore or work on or anywhere near the vaults for as soon as they do a large electric gong is sounded that can be heard for blocks. The control box is inside a small cabinet located in the street. It is so arranged that it is possible for a burglar to get near the switch to turn it off first before getting to work on the vault. The control box is constantly electrified as is the entire system covering every inch of the vault.

Each vault is provided with indicators recording the opening and the closing of the doors as well as the time when locked. The vault indicators are so arranged that the banker cannot forget to close his vault doors each night and set a time lock, for if a burglar does not get the electric gong will advise him that the vault doors are still open.

The entire face of the vault is protected electrically and also automatically against attack by burning, drilling or explosion. A part of the door area can be drilled without sounding the alarm as the door cannot be heated by fire. The alarm is sounded by the alarm. No wire can be cut the connected with the alarm, for as soon as the insulation is removed the alarm is sounded.

The bank also has a number of concealed safety closed circuit stations in the floor, in every place where men do their work. In case of holdup anyone of the seven men or women working in the bank can press a foot on a button in the floor and the alarm is immediately sounded. This can be done without the holdup man needing to know that the general men or women in the bank turns in the alarm.

Before this burglar protection system was put in, the vault was unusually safe. In fact, construction was as strong as that of a bank in Michigan. Originally the vault was built of steel and reinforced concrete, and heavy railroad iron laid side by side and covered with concrete completely the floor construction.

Some conception of the strength of the original vault can be had when it is considered that the

They finally had to give up the job and had to devise other means to lead the wires to the outside of the vault, covering them with extra copper tubing thru which the insulated wires are run.

It is safe to say that the vault of the First State bank, almost impervious to all manner of burglary, is about as absolutely immune now that the new alarm system has been installed as an extra safeguard.

Cashier Withers states that the highest grade of protection has been given the highest rating by the insurance underwriters, and that the First State bank now has the highest rating that can possibly be given.

It would be a mistake to say the Holland Maid Company of Holland, Mich., does things by halves. The striking evidence to the contrary is the new Holland Maid delivery truck belonging to the Grand Haven branch. M. Herbert H. Arkema, manager, says those who did, the awe-inspiring sight will never be forgotten. "It was a truck with a 'dual personality'—one half of the radiator cap to end board was painted in delft blue with blue trimming, and the other half with blue trimming. The only thing along the center line that was not finished in 'half and half' coloring was the crank, (the thing that you get out and

Here you have the incident which has caused the color scheme for the new trucks. (For word has come that they are all to be patterned after the Grand Haven model.)

Seems that Mr. Carl E. Gschwind, general manager of the company, was all set on a truck completely finished in delft blue with stripes in ivory. On the other hand, Mr. Herman W. Landwehr, division manager of Michigan and Ohio branches, was just as insistent that the new trucks be ivory with blue striping was the old's pattern.

This friendly controversy could have but one ending since a gentleman affirmed that his cost scheme was the one and only.

compromise had to be made that would be satisfactory to both. As so it was settled in a most friendly way that Mr. Gschwind's side the truck should be painted blue while Mr. Landwehr's side was to appear in ivory.

This is just what was done—I am sure of co-operation which has always existed in the Holland Maid organization once again vindicated—all Holland Maid ivory trucks in future will be blue on the port side and ivory to starboard.

Polks say that Mr. Gschwind always walks down the left-hand side of the street now so he will see the blue side of the truck while to be consistent, Mr. Landwehr doubtless take the right-hand

Both sides of a momentous question have thus been combined in the most harmonious manner and the result is a form of public opinion which, once seen, will always be remembered.

The Auxillary of the Spanish Veterans will hold their regular meeting Friday evening, May 1. All members are urged to be present. Refreshments will be served.

LOCAL

William M. Connelly of Spring Lake, is considering entering the race for the republican nomination for state senator from the Muskegon-Ottawa county district. Muskegon-Ottawa county district. Republican leaders expect him to be a candidate in view of the reports coming from Ottawa political channels.

Mr. Connelly was defeated for renomination two years ago by Vincent A. Martin, of Fruitport. It is said that Connelly's friends are sure he has an excellent chance to win this year the nomination in a 3-cornered race.

Four years ago when Mr. Martin ran against Mr. Connelly, the Fruitport man carried Ottawa county and lost Muskegon to Mr. Connelly. In fact it was the Muskegon county support which nominated Connelly. Two years ago Mr. Connelly carried his own county and lost to Muskegon.

Scenes of 1775 will be re-enacted in the Hope valley pageant of 1926 when Paul Revere will ride a coal black steed to give the signal of the British attack. Directly after the mounted messenger has ridden furiously over the stage, the battles of Lexington and Concord will be reviewed. Minute men will assemble and organize to hold a mock battle with the Red Coats.

These scenes, together with the Patrick Henry oratory, will stir the blood of every patriotic American who sees the pageant of 1926 and will stimulate his pride in the history of the country that he calls his own. The pageant will be given on May 31 or June 2 and 5 on the athletic field on the campus.

Mr. Russell Burton and Miss Janet Snellman were quietly married Friday evening by Rev. James Martin. They are taking a wedding trip to Niagara Falls and will be at home to their many friends after June 1st at 104 E. 20th St. Mr. Burton is employed at the Peoples State bank. Mrs. Burton was formerly with the Holland Furnace Co.

Miss Nelle R. Lemmer, Ottawa county nurse, experienced one of the proudest days of her life when she was called in to witness a ceremony that filled at least one Ottawa county family with great joy. The ceremony was the first trial at walking of a little boy who had not set foot on ground for eighteen months. And the attempt was successful. After having been a complete cripple for a year and a half so that he could not walk a step this little boy walked once more, though of course very haltingly and with the aid of braces. Eighteen months ago this little fellow, who mentally and in every other way is unusually bright and active, was attacked by infantile paralysis. The aftermath of the attack was what is very often is: it left the little boy a cripple. At first it seemed that he would be a hope-

less cripple through life. But the efforts of the Rotary club brought one of the best specialists to Holland and the little fellow was examined along with many others.

The result was that he was taken to Ann Arbor for treatment. He made several trips to the University city, trips that were arranged by the county nurse, on whom falls much of the work of making arrangements for trips to physicians and hospitals. To repair the damage done by infantile paralysis is very slow work but in many cases the damage can be repaired. And in this case it is likely that there will eventually be complete recovery.

It was a moment packed with emotional force this week when the trial attempt was made to see if the little patient could walk. Miss Lemmer was almost as joyful as the parents because here was a concrete illustration of what systematic health work means in the county. The boy walked and his eyes gleamed with the thought that some day he would be able to run and jump like other children.

On May 28th the Rotary club will stage another clinic for crippled children in the W. L. C. rooms in Holland and this one case alone would justify the one that was held last year, the county nurse declares.

The city ordinance which forbids sidewalk displays will be strictly enforced from now on, Chief of Police Pippel of Grand Haven announced Friday. The ordinance in question is not a new one. It has been on the city ordinance books for some time. However, the city council at a recent meeting instructed the chief of police to tighten up on this ordinance and the chief will carry out his orders without partiality.

The ordinance is primarily a sanitary measure, of course but it is also designed to keep the sidewalks and street clear of obstructions at all times. Under its provisions all food stuffs and supplies must be kept indoors and properly protected from flies, dirt or dust. The portion of the city ordinance which the chief has been instructed to enforce is as follows:

Chapter 7, Section 1—"All meat market men or persons or persons engaged in the sale of meat, poultry and fish, etc., all bakers, confectioners and all dealers in baked goods, fruits, candies, vegetables or confectionary, shall not be allowed to expose same outside of their stores or places of business in the street or open window; but shall keep same inside of their stores or places business and shall keep same well protected from flies, dirt and dust."

On May 24 the voters of Park township, fractional school district No. 4, are to vote for a school site comprising five acres. The prime movers in this matter are men who have a little foresight and want the district to own a plot of ground centrally located that will be available for the building of a school before these are all taken up for other purposes. For that reason an election will be held in

Park school, located 1/4 mile south of Jensen. The proposed site is in the vicinity of Virginia Park and while there is no building program involved, no doubt there will be within a few years. The reason why such a large site is being considered is that it may be turned into an agricultural school. An agricultural school must have not less than five acres upon which farming can be done by students.

A rural school with an agricultural department receives from the state the sum of \$1,000 annually, and \$400 for each bus used to bring pupils from a distance. There is some talk of including a high school in the building program, when this is finally gone into a few years hence. The five acres for a site is only being considered at this time as a matter of protection and for future use.

Park township has had considerable school agitation within the last two years. It took a half dozen elections to bring about the building of Montello Park school but this was finally completed and is now in use. For a time Montello Park children had to be taken care of in the Holland public school and this was done as a matter of courtesy to immediate neighbors. Should Montello Park be taken into the city in the near future, the annexation would include the Montello Park school and then other provisions would soon have to be made near Virginia park.

Sam Miller, who a month ago went into the roofing game, decided that was out of his line and that his forte was feeding the people.

Mr. Miller has purchased the "Old Madison" stand on M. 11, at the junction on the lake front, at what is known as the old Harrington landing on Black Lake. Mr. Miller will not only sell groceries but will rent boats and sell minnows at that point. But furthermore, he is going to serve succulent steaks and chicken dinners topped with Schnitzel pie.

Mr. Miller has purchased the property there and there will be some real developments going on shortly.

Wm. O. Van Eyck, former postmaster, loves to go on long walks in the country but it is not always that he gets a free swim throw in as he did on Thursday. Van Eyck was taking a long walk with a companion on the old Nunica road north of Waverly. He stopped to rest on a little bridge and took advantage of the occasion to view the scenery and to admire the cloud formation in the sky.

Suddenly there was a splash and Van Eyck found himself up to his arm-pits in water and mud. How it happened is a mystery but that it did happen is no longer a mystery, according to numerous reports of the affair. As the van goes, Van Eyck had to purchase some new articles of clothing at an east end store before he ventured back into the city.

Radio announcements of the development of Lake Harbor as the

summer headquarters of Paul Rader and his World-Wide Christian Couriers and the part Muskegon is to play as the nearest city began Sunday when Rader broadcast the latest news on the proposition ever WCTU at both its afternoon and evening meetings.

Speaking not only to the thousands of Chicago people who daily crowd his Chicago Gospel Tabernacle but also to the countless thousands of radio listeners, Rader old of the beauties of Lake Harbor, the present improvements on the property, which he valued at \$100,000, and of the co-operation which already is being shown by the people of Muskegon in the enterprise.

He thanked the group of Muskegon representatives of the noon luncheon club and churches who met with his representatives, Clarence H. Waldron, secretary, and Ernest F. Bishop, treasurer, at a luncheon in Muskegon Thursday noon at which time a telegram assuring the fullest co-operation on the part of Muskegon people was sent to Mr. Rader.

Every Sunday from now on, the members of Rader's audiences whether at Chicago or before the loud speaker will be urged to come to Lake Harbor for some part of the summer. Programs are broadcast from Chicago Station WTT not only Sunday afternoons and evenings but also Tuesday, Wednesday, Thursday and Friday evenings between 7:30 and 8:15 o'clock, Eastern Standard time.

Among the most important items of business for the athletic directors of the newly organized M. J. A. A. when they gather at Albion for the annual field days, Friday and Saturday, June 4 and 5, will be the framing of a basketball schedule. Football games were listed last fall. The shifting of the early football training season from Sept. 13 to Sept. 20 will also come in for discussion.

The advisability of adopting the freshman rule, so as to confine intercollegiate participation to the three upper classes will be considered but its final passage is regarded as uncertain.

Representatives of Albion, Alma, Adrian, Hope, Hillsdale, Olivet, Kalamazoo and Calvin of Grand Rapids will be present.

A meeting will be held evening of May 19th at the town hall at Burns to reorganize the North Allegan cow testing association. R. H. Addy, extension specialist in dairying, will be present.

The East Allegan C. T. A. will meet at Martin on the 20th for the same purpose. Meetings will be held at 8:30 fast time. Mr. Addy will also be present at this meeting.

Board of Education

Holland, Mich., May 10, 1926 The Board of Education met in regular session and was called to order by the president.

All members were present. Trustee Wichers opened with prayer.

The minutes of the previous meeting were read and approved. The Secretary presented a communication from Mr. C. Buursma relative to the purchase of his property on East 11th St.

Moved by Trustee Wichers supported by Trustee Mool that it be filed.

Carried. The committee on Teachers recommended the engagement of the following teachers for the ensuing year: Marion D. Carlson, \$1100.00; Dorothy S. Bonds \$1100; Carrie Van Buren, \$1400; Frances Spoelstra, \$1100; Hester A. Busman, \$1200; Janet Albers, \$1400; Gertrude Stanford, \$1700; Louise Krum, \$1550; Ruth Grieve, \$1300; Dorothy Brooks, \$1200.

Moved by Trustee Wichers supported by Trustee Miles that the report be adopted. Carried, all members voting aye.

The committee on schools recommended the following:

1. That Mrs. Vander Meulen be allowed \$100 for extra work during the past year and that \$100 additional be allowed for the ensuing year.

2. That the commencement exercises be held on Friday, June 18 with Dr. Kulzenga to give the address.

3. That the Baccalaureate services be held in Hope church on Sunday afternoon.

4. That 42 dozen folding chairs be furnished for the P-T clubs in the various school buildings.

Moved by Trustee VanderHill supported by Trustee Geerlings that the recommendations be accepted. Carried, all members voting aye.

The committee on claims and accounts reported favorably on the following bills:

Jensu	6.60
Office supplies	25.83
Other Board expenses	35
Sup't's Expenses	28.60
Telephone	32.85

GIBSON REFRIGERATORS

Careful people are selecting the GIBSON.

Firstly because its value is so definitely established --its quality is high--its price is reasonable.

Secondly housewives have recognized the advantages of sanitary refrigeration. By perfect drainage the GIBSON provides clean, dry air. Rounded corner construction makes the GIBSON easy to clean--and to keep clean. Super porcelain is a superior type of lining made only by GIBSON. Thorough insulation means economy of ice and a patented air tight lock definitely seals the doors.

You can have scientific refrigeration in your home with the GIBSON.

Exp. June 5

STATE OF MICHIGAN--The Circuit Court for the County of Ottawa, In Chancery.

Daniel L. Meuwisen, Plaintiff.

vs. Zeeland Building & Supply Company, (a Michigan Corporation) Defendant.

Suit pending in the Circuit Court for the County of Ottawa in the city of Grand Haven in said county on the 4th day of May, 1926.

Present: The Hon. Orin S. Cross, Circuit Judge.

On reading and considering a petition this day filed by Cornelius Schaafsma, receiver of the above named defendant and of its property, praying therein that an order be made referring this cause to the court to take proofs of the claims of creditors, and requiring all creditors of said defendant to prove their claims in accordance with such order. It is ordered as follows:

1. All creditors of the defendant, Zeeland Building and Supply Company shall within two months from this date, file their claim, duly verified with the clerk of this court and a copy thereof with the said Receiver, on blanks furnished by the receiver and all claims not so filed and proved shall not be enforceable against the property of said Zeeland Building & Supply Company; and any creditors refusing or neglecting to file their claims within the time aforesaid shall be barred and foreclosed from participating in any dividend or distribution of assets of said Zeeland Building & Supply Company, unless on special application and upon good cause shown, the court shall otherwise direct. All claimants shall in their proof of claims state what, if any, security they hold for the payment of the same, and if they claim priority in the payment of their claims they shall so state and give reasons for such claims of priority.

2. Proof by affidavit in the form prescribed by the Receiver shall be considered sufficient proof of any such claim unless within one month from the time limited for the filing of claims aforesaid, objections in such claim shall be filed by said receiver or by a creditor or other party in interest, with the clerk of court and copies of such objections served on the claimant, the receiver or other party entitled thereto. The Receiver shall notify all creditors whose claims are objected to, of such objections and shall give notice of the time and place for the hearing thereon, which notice shall be given a reasonable length of time before the hearing, to the creditor, or other party in interest who shall have objected to such claim in writing. The affidavit attached to the claim shall not be treated or considered as evidence in support thereof, if objection to such claim is duly filed and relied upon.

3. The Receiver shall report to this court all said claims so filed, with his recommendation thereon as to the amount, validity and priority thereof, and as to the security held, if any.

4. The Receiver shall cause a notice of the making of this order, or a copy of this order, to be published once a week for four (4) successive weeks beginning within twenty (20) days from the date hereof, in a newspaper of general circulation published in Ottawa County, Michigan. The Receiver shall also, within such twenty (20) days mail a copy of this order, with blanks for the proof of claims in such form as he may deem proper, to all persons, firms or corporations known to him to be or claims to be creditors of said Zeeland Building and Supply Co.

5. Any party to this suit, the Receiver, or any creditor may apply to this court for further direction in the premises.

ORIN S. CROSS, Circuit Judge

Cornelius Schaafsma, Receiver, Zeeland, Michigan.

Lokker & Den Herder, Attorneys for Receiver, Holland, Michigan.

NOTICE

Notice of hearing of objection to proposed improvement under Act 57, Public Act of 1915, as amended, of assessment district road No. 12.

To all persons interested in said proposed improvement, to the township of Park, and to the County of Ottawa:

WHEREAS, A petition has been filed with us as the Board of County Road Commissioners of Ottawa County, Michigan, praying for the improvement of the highway commencing at the West Quarter corner of Section 24 Town 5 North, Range 16 West, running thence along the West line of Sections 24 and 25, 4000 feet to the center line of the Pere Marquette Railway and right-of-way, thence West and Southwesterly along the center line of said railroad right-of-way, thru sections 26, 27, and 33 of Town 5 North, Range 16 West, to a point 800 feet South and 1200 feet West, 3 1/2 miles in length, more or less; and

WHEREAS, We, as such Board of County Road Commissioners of Ottawa County, are of the opinion that the proposed improvement is necessary for the benefit of the public and would be for the convenience and benefit of the public welfare; and

first order of determination, stating that the proposed improvement is necessary as aforesaid and have caused a survey and specifications and estimates of the cost thereof to be made and filed with us as such Board of County Road Commissioners of Ottawa County;

WHEREAS, the specifications made by us are not yet final and will not be made final until after the hearing of objections to the same by all persons interested therein; and

WHEREAS, we have tentatively determined the boundaries of the proposed assessment district for improving said highway in Park Township, Ottawa county, as above described; and

WHEREAS, It is proposed to improve said road or highway by constructing therein a concrete road eighteen feet in width together with proper culverts, bridges, drainage and grading under the provisions of an act, entitled "An act to provide for the construction, improvement, and maintenance of highways, and the levying, spreading and collecting of taxes and of special assessments therefor; to authorize the borrowing of money and the issuance of bonds under certain restrictions, regulations and limitations; to prescribe the powers and duties of certain officers with reference thereto; and to validate certain proceedings heretofore taken," Act 59, Public Act of 1915 as amended.

Therefore, All persons affected thereby and the township of Park, and the County of Ottawa, and all persons owning or interested in any real estate in said proposed assessment district, are hereby notified that we will be present at the Southeast corner of the Northeast one-quarter of Section 26 Town 5 North, Range 16 West, at 2 o'clock P. M. Eastern Standard Time on the 27th day of May, A. D. 1926, for the purpose of finally determining the limits of said assessment district.

The proposed assessment district for such highway is described as follows, to-wit: Said proposed district includes all lands within the following boundaries:

Beginning at the East shore of Lake Michigan on the North line of Section 28 Town 5 North, Range 16 West, running thence East of the North line of Sections 28, 27, and 26, to the North 1/4 corner Section 26, thence North to the center 1/4 corner Section 23, Town 5 North, Range 16 West, thence East along the East and West 1/4 lines of Sections 23 and 24 to the Central 1/4 corner Section 24, thence South along the North and South 1/4 lines of Sections 24 and 25 to the Waters of Black Lake, thence West along the North shore of Lake Michigan, thence North along the shore of Lake Michigan to the place of beginning.

All persons interested are hereby notified that any and all lands within the boundaries of the said assessment district as finally de-

termined at said hearing that are benefited by the said improvement and the said township of Park at Large and the said county of Ottawa at Large, will be liable to an assessment on account of the making of said improvement. Plans and specifications are now on file at our office in the City of Grand Haven, County of Ottawa, Michigan, this 13th day of May A. D. 1926.

H. HARRINGTON, WM. M. CONNELLY, B. KAMPS, Board of County Road Commissioners of the County of Ottawa.

Will make the Skin clear, smooth and white and preserve it from the action of drying winds or cold and bright sunshine. Quickly softens and heals Sunburn, Eczema and all Skin Eruptions. ALCOHOL 15% For gentlemen after shaving it will be found superior to alcoholic toilet waters.

You Can Call JACKSON by Long Distance

for .35 from HOLLAND

After 8:30 p.m. Here are the rates:

DAY—4:30 a.m. to 8:30 p.m.

"Any Person" call .65

"Person-to-Person" .80

EVENING—after 8:30 p.m.

"Any Person" call .35

"Person-to-Person" .80

"Any Person" call means that central needs only to get any person who answers at a given number—while a "Person-to-Person" call means that central will have to locate a particular person at the number given. This takes more time and therefore costs more.

"Any Person" calls save money.

MICHIGAN BELL TELEPHONE CO.

COMING TO HOLLAND The Progressive Doctors' Specialist

Treating Diseases Without Surgical Operation

AT THE BRISTOL HOTEL FRIDAY MAY 28

Office Hours: 10 A. M. to 4 P. M.

ONE DAY ONLY

Returning Every Three Months

FREE CONSULTATION

The Progressive Doctors' Specialist is licensed by the state of Michigan; a graduate of one of the best universities; twenty-five years of practical experience; comes well recommended. Will demonstrate in the principal cities methods of preventing many diseases such as goitre, consumption, etc., and also methods of treating diseases of long standing by means of medicines, diet and hygiene, thus saving many people from a dangerous and expensive surgical operation.

This specialist is an expert in diagnosis and will tell you the exact truth about your condition. Only those who have a good chance to regain their health will be treated, and that every one who takes treatment will bring their friends at the next visit.

Some of the diseases treated: Diseases of the stomach, bowels, liver, blood, blood vessels, skin, kidneys, bladder, heart, lungs, eye, ear, nose, throat, scalp, enlarged veins, leg ulcers, rheumatism, high blood pressure, tumors, enlarged glands, goitre, piles, nerves, weakness or exhaustion of the nervous system giving rise to loss of mental and bodily vigor, melancholia, discouragement and worry, undeveloped children, either mental or physical, and all chronic diseases of men, women and children that have baffled the skill of the family physician.

A diagnosis of any disease of long standing, its nature and cause, will be made free and proper medicine will be furnished at a reasonable cost to those selected as favorable cases for treatment.

Children must be accompanied by their parents and married ladies by their husbands.

Below are the names of a few of his many satisfied patients in Michigan:

Mrs. L. V. Beamish, Route 7,

Owosso, tubercular glands of neck.

Kearney, Chiller, Route 5, Box 179, Ionia, a case of face.

Thos. H. Bowron, Route 4, Bad Ave, stomach and bowel trouble.

Mrs. C. H. Charles, Muir, appendicitis.

Julius Wentworth, Decker, chronic bronchitis.

Address: Medical Laboratory, 334 Boston Block, Minneapolis, Minn.

Locals

County farm agent, C. P. Milham has made arrangements with N. A. Kessler of M. S. C. to come to Ottawa county to show how ditches and stumps are dynamited. A demonstration is to be given at the farms of Wm Taylor, directly west of West Olive on Wednesday, May 26th at 9:30 A. M., when a ditch will be dug by the explosion method. Demonstrations will also be made at Allendale on the farm of John Kuit.

Clyde Peel and Earl Peel each pooled off \$10.00 from their bank roll when they pleaded guilty of speeding with a truck on the streets of Grand Haven. Officers claim that the Peel brothers were seen each other with trucks. Edward Westing also paid \$5.00 for speeding after being arrested by Sheriff Kamferbeek's men.

Two Forest Grove sons gave of their blood to their mother who was taken with hemorrhage from stomach arteries. The young men are Dick and Hilbert. Smalligan. The transfusion took place at Blood-hospital, Grand Rapids. Mrs. J. Smalligan is doing well it is stated.

The Wisconsin Michigan steamer Missouri is now well settled on her trans-lake run between Grand Haven and Milwaukee and presents a fine appearance with her white painted free board.

Saugatuck is to vote on a \$7,000 paving project next Monday carrying with it the laying of Butler and Griffith streets named after two prominent former citizens who have long ago passed away.

The Straight school P-T club of Grand Rapids voted to send a full quota of delegates to the state convention in Holland this month. They were appointed as follows: Mr. and Mrs. Carl Schneider, Mrs. Joseph Vander Laan, Mrs. John Lindeman and Miss Anna Weatherwax, principal of the school.

Schumann-Helk has announced a creation of a foundation of \$750,000 for the disabled American veterans of the World war. She will provide the funds to start the foundation by a benefit concert tour, which will open in Los Angeles May 29, and take her to 15 cities, closing in Boston June 30.

Miss Ruth Mulder, 89 West 15th St., motored to Gary, Indiana where she will be the guest of Mr. and Mrs. Leslie Risto for two weeks. Mr. and Mrs. D. J. Du Saar of Holland motored to Boston Harbor yesterday.

Both the Detroit Free Press and Detroit News picture Walker Everett of Holland as the most bashful man at Michigan notwithstanding the fact that he is a "good looking." The most beautiful girl is Mary Haskell of Ludington while Harry Messer of Grand Rapids considered the most handsome man and Miss Lucy Domborajan, of Ann Arbor, was chosen the most popular in the senior class.

Several streets in Holland will be repaired and a start is being made on Central avenue where bad spots have been dug out and are to be filled and rolled. This general repair work will be done by the city. Some of the streets where fixing is necessary will also be repaved but the contractors who guaranteed the streets over a period of time will be asked to make these repairs without cost to the city or their bondsmen will be compelled to foot the bill.

Benj. Kamferbeek of the Holland City News purchased the home of Mrs. John Van Dort on Graves Place and Mr. and Mrs. Kamferbeek have moved from their old home directly east to the recently purchased one. Mrs. Van Dort moved to the Van Dort homestead on 24th street east of the city.

Mrs. J. C. Kelly of Santos, Brazil, South America is in the city the guest of Mr. and Mrs. D. E. Vander Veen at Elm Lawn, on Macatawa drive. Mrs. Kelly is the niece of Mr. and Mrs. Vander Veen and came to the United States to attend the wedding of Miss Marina Vander Veen on the afternoon of May 26.

Mr. and Mrs. Jacob E. Vander Veen of Grand Rapids who recently returned from a four month visit to Los Angeles, California, are in the city attending a family gathering of the Vander Veen's here. Mr. Vander Veen has been connected with the Kent City State Bank at Grand Rapids for 34 years.

Alderman Jerry Leape is in Battle Creek on business Tuesday in connection with the Home Furnace Co.

Colon C. Lillie is telling in a large announcement printed on page four of this issue, how automobile owners can save from 40 per cent to 50 per cent on their gasoline bill and free the old buss of all carbon trouble. It would be well to investigate the device.

The Sin of Hypocrisy is the subject of Rev. P. D. Dame who will conduct Sunday evening in Trinity Reformed church. This is the sixth sermon of the series entitled "Some Overlooked Sins."

PAVEMENT SOON WILL ENCIRCLE SPRING LAKE

Grand Rapids Press—The John Edelman Co. of Muskegon was awarded the contract for paving one and a quarter miles of highway east of Spring Lake between Spring Lake and Fruitport. This will complete the pavement of this road to the Ottawa-Muskegon line. The successful bid was \$21,750.

Muskegon county is planning on paving its section of the highway through Fruitport and around Spring Lake, so that by the end of this summer it will be possible to drive on pavement all the way around Spring Lake.

MICHIGAN REAL ESTATE CRAZY; THERE ARE 23,000 IN THE BUSINESS

A total of 23,000 persons have been licensed to do business in Michigan as real estate brokers or salesmen by the Michigan Securities Commission, according to J. B. Hazen, director of real estate of the commission. Of this number 9,974 are brokers and 13,026 are salesmen.

COMMITTEE TO LOOK INTO PLAYGROUND

TO ESTABLISH MUNICIPAL PLAY GROUNDS AT GRAND HAVEN

Committees from the Grand Haven board of education and the city council will co-operate in the near future in making a survey of the city for the purpose of looking up a suitable location for a municipal playground. It is hoped that in the near future a city playground can be provided and competent supervision be given to the play of the youngsters as in other cities with playgrounds, ball leagues, athletic exercises and other good and healthful recreation.

The committee has not as yet gone out to look the situation over but this will be done in the near future. Those on the committees are H. V. Bolt, Dr. C. E. Long, A. W. Elliott and Supt. of schools, E. H. Babcock from the board of education and Alderman John Lowe and City Manager Taylor from the city council.

PUBLIC AUCTION

Miss Beatrice Wiegert and May Chase spent Sunday in Muskegon the guests of Miss May Chambers. They were accompanied as far as Grand Haven by Miss Georgia Chase who spent the evening with her mother Mrs. Hattie Boyd.

Miss Lillian Johnson who has been attending school in Chicago returned home Sunday to spend the summer vacation.

Mr. and Mrs. Joel Beebe entertained Sunday Mr. and Mrs. Roy Ferber, sons Clayton, Guyon and daughters Katherine and Lena of Ganges. The bill failed to pass.

As the legislature of 1923 failed to pass the redistricting act it is a question whether the legislature of 1925 had any right to consider the matter of reapportionment.

If, however, no one raises the question the change will be made and the two districts of Ottawa will be merged into one.

The present representatives for Ottawa county are G. W. Kooyers, of Holland for the 1st district; and Fred F. McEachron of Hudsonville for the 2nd district.

G. W. Kooyers is a candidate for the office of Register of Deeds, to succeed Peter J. Ryngaert who has announced that he will not be a candidate.

Fred F. McEachron will be a candidate for representative for the

one district of Ottawa County unless some one has gunslop enough to fight the new order of things.

The salary of a Michigan representative is \$800 per term of four months work at Lansing.

A constitutional amendment however will be submitted and voters in November 1926 asking that this amount be raised to \$1200 for two years service.

NORTH HOLLAND

Miss Nellie R. Lemmen, Ottawa County Nurse will meet the women from Olive Center, Crisp, East Crisp and North Holland on Tuesday afternoon at the Olive Center townhall. The definite time will be made known later. The object of this meeting is to have some lessons in nursing and plans will be made as to future meetings. Women interested are asked to be present at the first meeting.

The eighth graders that took the examination on last Friday are: Florence Boernert, Hanna Bosman, James Brover, Johanna Nienhuis, Anna Overbeek, Lewis Prins, Martha Roels, Mabelle Smith, Genevieve Ter Haar, Gertrude Van Wyke, Hazel Veldheer and Maggie and Wilma Vande Vaege.

The seventh graders that took the examination on last week Thursday are: Davis Bosch, Gertrude Diepenhorst, John Henry Elfers, Raymond Houting, Harriet Kaplinga, Jeanette Kuysers, Marvin Overbeek, Nienhuis, Jean Stegenga, Alice Van Dyke and John Van Harn, Johanna Bosman and Anna Overbeek took the 7th grade geography examination. The examinations were conducted by John H. Nienhuis from Vriesland.

Mr. and Mrs. Louis Jager from Grand Rapids called at the home of their sister and brother-in-law Mr. and Mrs. Ben Ter Haar and Genevieve last Sunday.

Elfie Overbeek and Jean Hop visited our public school on last week.

Many people from here attended the Farm Bureau meeting held at the Olive Center hall on last Saturday evening. After the meeting some of them were entertained at the home of Mrs. Harry Vinkemulder where their wives had a special meeting on the voting of the best one hour dress of which Mrs. Geo. Nienhuis received the most votes. Dainty refreshments were served and a social time enjoyed by all.

Rev. A. Maatman had charge of the evangelistic meeting which was held at the Harlem church, on last Sunday evening, May 16. Special music was given by members of this congregation.

Mr. and Mrs. Jake Van Dyke Jr., and their parents Mr. and Mrs. Ter Beek attended services here on Sunday. Mr. and Mrs. Van Dyke are well known here having been residents of this place and Mr. Van Dyke taught school here some years ago.

Several women from here attended the meeting at Zeeland on May 18 when achievement day was celebrated. Women from all over the county were present. A fine program was carried out and the different exhibits were ready at 10 o'clock. The day proved to be a great success.

The Loyal Workers are planning on rendering their program on next week, providing unforeseen circumstances do not prevent it. A fine program is being prepared and the Crisp band has been engaged to give different selections which will be a treat to all.

BAUER

Miss Marguerite Wilson, daughter of Mr. and Mrs. George Wilson of Bauer has been chosen valedictorian of the senior class of the local high school with a rating of 95.2. Miss Alice Raterink, daughter of Mr. Henry Raterink is salutatorian with 94.5. The class numbers twelve.

HAMILTON

The game with Hamilton was a success on our part, Saugatuck winning 12-10. Hamilton was ahead in the first but our team managed to pick up, gaining one by one. The special features of the game were a home-run by Stillson in the last inning—the first home-run made by Saugatuck has ever made and also a double play in the last inning which enabled us to win 12-10.—Saugatuck Commercial-Record.

EAST CRISP

Mrs. Abraham Looman spent a day or two at the home of her mother, Mrs. Livense.

Mrs. Wiegert, who was very ill with pneumonia, at the present writing is much improved.

Miss Angeline Vinkemulder, who has been in Grand Rapids for the winter months, is back home for the summer.

The P-T club held their last meeting at the school Tuesday night, May 11th. This was the last meeting for this school year.

Mr. and Mrs. Henry Boes and family and Mr. and Mrs. Abraham Looman of Zeeland, Mr. and Mrs. Henry Looman and family of Holland, and Miss Anna Looman of Holland spent Sunday afternoon with their parents, Mr. and Mrs. Gerrit Looman.

EAST HOLLAND

The Parent-Teachers association will hold their last meeting of the year Thursday May 20th at 7:30. A comprehensive program has been arranged by the committee followed by a pie social. The address of the evening will be given by Mr. Gerrit G. Groenewoud of Holland.

Lou Boonstra is completing a substantial farm house which he expects to occupy in a month or so. Mr. and Mrs. Mabel Shearer announce the birth of a son, Etna Allan.

William Thiel has materially improved the appearance of his farm by pruning trees and vines.

Miss Marie Ver Hage has been reengaged to teach the lower grades for next year at East Holland.

Carl Penner has returned to her home in Lansing after a visit with her sisters and her mother, Mrs. Mary Nies.

NEW GRONINGEN

The last Parent-Teachers' meeting was held Friday evening, May 7th at 7:30 p. m. at the chapel. The committee had arranged a program both enjoyable and very much worth while. A male quartet from Byron Center offered some vocal numbers. There was a snappy play or comedy and other literary numbers. The address of the evening was given by Rev. D. R. Drukker of the Third Chr. Ref. church of Zeeland.

The New Groningen 7th graders took their examination in Holland on Thursday, May 13th, while the 8th graders took theirs on the day following, on Friday, May 14th.

Mrs. O. Bedford and children, Virginia and Jane, of Grand Rapids, visited with relatives here and in Zeeland a few days ago.

Fishing and golf are both in season. The golf course was opened last week.

New Groningen received mention in the essays read at the convention of the Michigan Pioneer and Historical society at Holland last Thursday.

Mr. Herman Janssen of Zeeland will teach the grammar grades here next year, succeeding Mr. R. Lamb of Holland.

DRENTHE

The 7th and 8th grade pupils of the District No. 3 school were among those who took their examinations in Holland last week Thursday and Friday.

The school term will end with an entertainment for the scholars and their parents this week Friday, May 21st.

The quarantine on account of scarlet fever, in the homes of Wiegert and Peter Kamfer and Gerrit E. Brouwer has been lifted and luckily the patients have fully recovered from the epidemic.

A new bungalow home is under construction for Mr. and Mrs. Bert Timmer.

Rev. Jno. De Korne, the classical missionary in China, conducted the services here Sunday forenoon, while our pastor, Rev. Beag, Esenburch had charge of the services in Zeeland First Christian Reformed church.

Our pastor's wife's mother, Mrs. Waterwee passed away at her home in Harderwijk Sunday night. Mrs. Gerrit Esenburch was operated on at the Holland hospital the past week.

WE KNOW THIS STOPS

WHITE DIARRHEA

The blight of poultry raising has always been bowel trouble. Chicks were helpless against it. No one able to combat the deadly germ. Now we guarantee this way saves chicks from white diarrhea. Half a century of experience with poultry remedies has produced Pratts' White Diarrhea Tablets. Use them in the chicks' drinking water from the first drink they get. Prevent the spread of white diarrhea germs. Thousands of poultrymen rely on Pratts' Tablets.

pratts' White Diarrhea Tablets

To Our Customers: We stand behind Pratts' White Diarrhea Tablets unconditionally. If we guarantee that they prevent this disease or your money is returned.

Sold and Guaranteed by H. P. ZWEMER & SON Phone 5460F2 275 E. 8th St.

It won't be long, we hope, that the homes, business places and church buildings will be favored with electric lights.

Some of the farmers here have their corn planted.

NOORDELOOS

Next Friday, May 21, will be closing day in our school. A good program will be given by the school children. The program will be given at 1 o'clock (last time). A large crowd is expected. Come early if you want a seat. After the program a picnic will be held on the school grounds. A ball game will be played between the boys and the older boys and men in the district. A good lunch will be served. Everybody is invited.

Miss Josephine Butema, who has been employed in Grand Rapids, will stay at home awhile to take care of her mother, Mrs. Herman Butema who is seriously ill at her home here.

Rev. Topina of Arlene, Mich., has accepted the call extended to him from the Noordeloos Christian Reformed church.

ZEELAND

Mr. Herbert Hoffman motored from Standley, Wisconsin to call on his aged father, Mr. John Hoffman who is still confined to his bed with illness.

Henry Volpink, Borculo's garage man is contemplating taking possession of a part of the Lamer garage of Zeeland and start business there in connection with his Borculo occupation. One of his employees will have charge of the Zeeland branch.

Mrs. Evelyn Irvine returned from the Holland hospital Wednesday. Mrs. Irvine submitted to an operation two weeks ago. She is doing fine.

Mrs. Herbert Hoffman, who has been teaching in Pennsylvania for

the past eight months and while on her way home to Wisconsin stopped at Zeeland to call on her father, John Hoffman, whose condition is not showing any signs of improvement.

Laura, 11-year-old daughter of Mr. and Mrs. Peter Brower of Lincoln street, Zeeland, while roller skating, fell backwards on the curbing, cutting a deep gash in the back of her head, rendering her unconscious for about a day. She is doing well at the time of this writing.

HAVE a Gas Stove and a Gas Plant —All in One!

NOW you can have the stove you've so often wished for—a stove that gives you all the conveniences and comforts of a city gas range. It's the Coleman Cooker—a gas range and gas plant all in one! We have them.

Coleman Cookers

Make their own Gas

The Coleman gives you full cooking heat in 60 seconds! The flame is intensely hot—a clean, blue flame without smoke or soot. Boils 2 quarts of water or bakes light, flaky, golden-brown biscuits in 4 to 6 minutes. Keeps your kitchen clean and cool.

Only 2 cents worth of fuel cooks the average meal on the Coleman. Our customers say they never saw such a wonderful stove—so safe, handy and clean. Fuel is common motor gasoline, under pressure. Coleman Cookers are made in various sizes and models to fit every need and every purse. Step in and see them!
