Saugatuck Road Comes Up At Merchants' Meet

SOME MERCHANTS POINT OUT THAT SAUGATUCK IS A GOOD CUSTOMER OF HOLLAND

Business Men Do Not Recede From Former Stand, However, With Road Through Fillmore

The last meeting of the Holland Merchants' Association resolved itself into a road meeting and there was a general discussion as to what effect Holland merchants' attitude would have on future Saugatuck business.

The road conference at Hotel Butler at Saugatuck, when Holland city officials and business men met with Saugatuck leaders, was also gone over.

Fred Beeuwkes of the Brouwer Furniture Company, opened the discussion, stating that several Saugatuck people had called on him asking him to discourage the proposed road through Fillmore which would be a through road for heavy traffic touching the extreme east end of Saugatuck. These Saugatuck folks pointed out that Holland was receiving tremendous business from Saugatuck, Douglas and Ganges, and they felt that merchants should not become unduly active in pushing through a road project that was distasteful to Saugatuck people.

Austin Harrington, chairman of the road commission, stated that Saugatuck was in its own light on this road project. He said that when he was at Saugatuck he did not care to discuss it as strongly, since he was the guest of Saugatuck people, but he stated that Saugatuck lost sight of one thing, first, that provision had already been made to straighten out the road by the curbs at Stillema's on US-31 going direct to Saugatuck, eliminating at least six sharp curves and besides that the old angling road will be kept in repair. The new road eliminating the curves will be a second avenue into Saugatuck and the proposed Fillmore road will be right up to the east limits of Saugatuck giving Saugatuck three entrances instead of the lone spiral road.

Mr. Harrington contends that resort travelers go where resorts are and the tourist public avoids as much as possible heavy trucking avenues or through travel. Therefore, if the heavy through travel which leaves nothing in a city would not be congesting the highway through Saugatuck the resorts would be much pleased and it is claimed that Saugatuck lives on resorts.

Mr. Boyd of the Sentinel gave a resume of what was said at the Saugatuck road meeting stating that Representative Fred Wade brought out that Saugatuck was opposed to the re-locating of US-31 for several reasons. First, that Laketown was a poor district financially, was heavily bonded for more than it should be to build the present road and now comes a proposal to re-locate the road even before the bonds were paid, also that Fillmore already had three improved roads. Further, that the re-located road would cost \$650,000 which Mr. Wade claimed was an unnecessary expense.

Mr. Boyd also pointed out the attitude of Mayor Brooks of Holland at this meeting and also the attitude of Dick Bote, president of the Holland Chamber of Commerce, the latter coinciding with Austin Harrington, whose views are already expressed above.

At the merchants meeting, Gerard Cook voiced the sentiment the more roads into Holland the better, that Fillmore township was a fine district to connect up with. He stated that Saugatuck claims that a year's living had to be made during the two months of the resort season and he said Holland's business men are having a hard enough time making a living during 12 months of hard work so Saugatuck surely had no kick coming if two months would be the trick. His remarks brought laughter.

Jacob Lokker stated he should not turn down a good road going through a good farm district, and that Fillmore township was one of the best farm localities in the state. He said that his personal experience was that farm trade but he saw no reason why the city could not have both.

Mr. Charles French of the Sentinel pointed out that when he first came to Holland he heard that roads coming into the city were bad. Upon investigation, he found that there seemed to be a lack of cooperation in the way of road building between citizens and road officials. This has materially improved, however, and he saw no reason for turning down the Fillmore road when it costs us nothing to get it.

Jack Knoll pointed out that the more the roads the merrier, that you can't get enough of them.

Frank Brieve, Milo De Vries and R. A. Mulder of the News all spoke in favor of the proposed new thru-traffic road.

It is evident immediately that the merchants present would not recede from their stands taken more than a year ago, that Holland connect up with as many roads as possible. The merchants could not see where Saugatuck could possibly lose, in fact, the merchants saw where our neighbors could benefit by not jamming up its beautiful summer resort through-fare with heavy lumbering noisy trucks that did not stop but kept traffic.

It was also pointed out that surely Douglas and Ganges would have no kick coming, for they were directly connected with the proposed new highway.

Anyway, the last meeting of the Merchants' Association until next October was an interesting one, with good roads being the principal topic of discussion.

COUNCIL NOTES

All aldermen were present and Alderman Al Kleis opened the meeting with prayer.

A petition was filed asking that 22nd street be paved between State and Michigan avenues. This is the street back of the fifth ward polling place, Prospect Park church and west.

The street committee was authorized to ask for bids on a new two-ton truck.

The council decided that the material used to pave Pine avenue from 8th to 7th street and from 7th street east to River avenue must be reinforced concrete, with sheet asphalt top. The committee also recommended that half of the expense of paving be born by the city because of the extra expense. It is very doubtful whether this could be legally done and would appear rather unfair to other citizens who pay for paved streets in front of their property, and it is doubtful whether the Ways and Means committee to whom the matter was referred will sanction this departure from the old order of things. It is said because of the large sewer built in the street two years ago there will be some extra expense to reinforce the street covering the sewer. That part of the expense, of course, should come out of the city, and no doubt will, since this is a sewer for the entire city.

Alderman Westing reports that \$232.40 has been paid out for welfare, \$132.00 regular aid and \$191.40 temporary aid.

The committee on sewers recommended that a storm sewer be built on Maple avenue between 23rd and 24th streets at a cost of \$2,994.51. This is to take off the surface water which with this neighborhood has been troubled for some time.

The committee on sidewalks recommended that a new walk be built in front of the Holland Furniture Co., nearly 150 feet long and that the city pay one-half of the expense. It is claimed that when the large sewer was built through River avenue two years ago that it caused sagging under the walk, causing it to break in many places.

Supervisor Damstra made inquiry whether an amendment to the charter had been taken care of having to do with the election of supervisors. He contends that the charter should be so amended that a repetition of the mix-up of last spring will not occur again. Of course, such an amendment will have to be voted upon by the people.

Alderman Vandenberg asked whether anything had been done relative to the re-opening of 9th street to the south of Western Foundry. The committee reported progress.

The committee on public buildings was authorized to ask for bids on 200 tons of coal for city hall and greenhouses. Fritz Jonkman is in charge.

The council voted the usual \$200 for Memorial Day expenses and the Mayor and Common Council are to attend the First Reformed Church on Memorial Sunday and are also to attend Decoration Day exercises on Decoration Day.

Since Alderman Brieve, "the cookie king" is going to the Netherlands to call on Queen Wilhelmina, his work must go on and Mayor Brooks appointed the following Aldermen to take care of committee appointments during his absence: Alderman Vandenberg, streets; Alderman McLean, sewers, drains and water courses; Alderman Hyman, welfare. Apparently the mayor forgot the most important position in the list since Mr. Brieve was recently elected mayor pro tem.

Mayor Brooks reported that since there was no work to do for the committee on bridges and culverts he would delegate that committee to look after civic improvements. They will make suggestions and will also be aids to Inspector Bosch, in other words, Mr. Bosch will work with this committee. The personnel of this committee is Aldermen Woltman, Postma and Veltman.

The mayor also stated that the picture of former Mayor Nick Kammeraad was now available and that it would be hung up in the council chamber in the ex-mayor hall of fame. The picture of nearly every mayor since Holland was incorporated as a city can be found in the city hall.

The special committee on boulevard lights recommended that the extension on West 8th street be from River avenue to the Goodrich docks. The first recommendation was Pine avenue, but the very sensible extension to the boat dock was an after consideration, which will mean 27 lights more. The report was unanimously adopted by the council.

The Ordinance committee gave notice that it is now drafting a new law making the collecting of garbage compulsory in districts where there are sanitary sewers. This is a health measure and a system of that sort should have been adopted a long time ago.

City Attorney Charles McBride announced at Wednesday's council meeting that R. B. Champion, superintendent of the board of public works, is at work on a radio ordinance in conjunction with the ordinance committee of the council.

The oaths of office of the following city officers were approved by the council Wednesday evening: Frank Brieve, mayor pro tem; Dr. William Weststrate, city health officer; Charles H. McBride, City Attorney; Henry Goehls, library board; Henry S. Bosch, inspector; Ben Brower, park board; Jacob Zuidema, engineer.

Van Ark Salary Question is Now Made Clear

NEW ASSESSOR ADMITS MISSTATEMENT TO SOME ALDERMEN. NIBBELINK STARTED AT \$700

In a communication signed by Mr. Peter Van Ark, the matter relating to the reduction in his salary which has unduly agitated the minds of many, has been cleared away. Mr. Van Ark admitting that certain statements he had made to aldermen could not help but leave the inference that because of inexperience he was not up in his work.

A statement signed by the common council and Mr. Van Ark should dissipate any feeling that the city fathers were unjust in the matter. The News in an editorial predicted that the aldermen would do the right thing. They are men who are giving their time practically without pay for city welfare and they are working faithfully and well and did not deserve some of the nasty criticism rampant on the street.

The following communication, signed by Mr. Van Ark and Mayor Brooks bears this out:

Much has been said and heard about the action of the Common Council at its meeting held Monday, May 6th, when the annual salary ordinance for the current year was up for discussion and passage, especially involving the salary of the City Assessor. The recommendation of the Ways and Means committee was unanimously adopted in each instance with the single exception of the office of the Assessor. When this item was presented and the request was made by the Chair for remarks, an alderman reported that he had been informed by the new assessor himself that his work had not been completed in a part of the Fourth ward and part of the Sixth ward. The inference left with the alderman was that it might be necessary for the city to step in and help, this condition not necessarily due to inefficiency but to lack of experience.

The discussion following brought out the fact that the present assessor's predecessor began the work in connection with this office at a salary of \$700.00 per annum. The Council then in session as a Committee of the Whole felt that if the assessor himself had admitted that his work was not completed, with the convention of the Board of Review but a few days off, that the salary of the new assessor should be \$1800.00 per year, which, with the extras accompanying the office amounting to substantially \$300.00, would make his compensation \$2100 per year. Action to this effect was taken.

To clarify the entire matter, the new assessor admits that he should not have made the statement to one of the aldermen that he did, and the Council admits that before taking the action it did, it should have referred the matter for further investigation and possibly a hearing.

(Signed) Peter H. Van Ark, Assessor.

For the Council: E. C. Brooks, Mayor.

JAMES DE YOUNG RETIRES AS MANAGER OF HOME FURNACE CO. WILL STILL REMAIN CONNECTED.

James DeYoung has tendered his resignation as manager of the Home Furnace Co. J. W. DeVries was elected manager by the board of directors. Mr. DeYoung has been a very busy man covering a period of years and in order to conserve his health he felt it time to unload at least part of the burden.

Mr. DeVries is a young man who has had considerable experience in the furnace business, being connected with one of the Home branches at Muskegon where he was very successful. When former Alderman Jerry Laeppe resigned about six months ago to go into the leather business east, Mr. DeVries was tendered the place and very successfully filled it.

Mr. James DeYoung very ably directed the industries of the Home Furnace company, taking hold some ten years ago, put the plant on its feet, and made it a prosperous, growing concern.

Mr. DeYoung has been mayor of Holland repeatedly, was a very successful superintendent of the board of public works and during his forty years as a resident of Holland has generally been doing serving faithfully in some civic capacity, mostly on the board of public works where matters came up in which he is well versed.

He and Mrs. DeYoung left Holland for a short period, going to Owosso, where his ability as a public official was soon recognized and he was not only elected a commissioner but mayor of that city and was very prominent in the Public Service company there.

Mr. DeYoung will not sever his connections with the Home Furnace Co. altogether, but will act in an advisory capacity and as secretary and treasurer, at least for a time.

HOLLAND MAN BACK AFTER 6-YEAR TRIP

H. Ward Mills has returned to Holland from a 25,000-mile trip abroad, including the Philippine Islands, China and Japan.

Mills and his daughter, Martha, left Holland about six years ago. At Kobe, Japan, Miss Mills was united in marriage to Alva J. Hill, an attorney.

The second annual concert by the Holland High school band and Boys' Glee club was given last night at the high school auditorium.

The Leisure band, under direction of Ami Miller, at Remville, will play for two occasions soon. Memorial day the band will play at Ganges. The first Sunday in June the band will play for the annual L. O. F. memorial service. The band is composed of 25 pieces and is one of the best in this section.

News Items Taken From the Files of Holland City News Fifty, Twenty-five and Fifteen Years Ago Today

FIFTY YEARS AGO TODAY

The new peach trees set out in this vicinity a few years ago promise large returns. It looks as if this is to be a fruit farmers district in time as well as the other kind. Note

And it sure has been, with the Michigan Fruit Belt right at our door.

Frank Koppel of Keokuk, Iowa, has been visiting his brother Teun is Koppel of Holland.

James Reeves, head-sawyer at Pluggers mill, sawed off the right fore-finger and badly lacerated a second in the large circular log saw in the mill. Drs. Mc Culloch and Van Putten were called.

There was quite a display of agricultural progress in the vicinity of Holland lately when 29 reapers, mowers and other farm implements were purchased and distributed by Warder, Mitchell & Co. of Springfield, Ohio. After the farmers had secured their respective machines, they were given a rich dinner at the City Hotel. A parade with twenty-nine teams of "Holland Silver Tone Cornet Band" was to have gone over main street, but the heavy rain and muddy streets made this impossible. The farmers who bought machines follow: Self Bakers; Jan Van Den Berg, Jan Hulst, Jan De Haan, Jan De Vries, Jan Janssens and Klaas De Wit.

Single Reapers: Jan H. Boone, Jan De Vries, Jan Scholten, Jan Roelofs, K. Lahuis, H. Jan Plaggenmarm, G. Vanden Berg, Roelof Van Dam, Derk Miedema, Albert Kapenga, H. Lubbers, H. B. Lubbers, G. J. Sprink, L. Brouwer and D. Roelofs. New Mowers: G. W. Kooyers, Wm. Van den Berg, Jan Geerts, G. J. Sprink, A. Kapenga, G. Brouwer and Lamert Brouwer. The local agent, Jan D. Bloemend, who ably assisted in the demonstration. Note: Rather interesting to note the similarity of first names in this list of 29. It appears that there are 12 "Jan's" in the list and a few more with a "Jan" as their middle name.

TWENTY-FIVE YEARS AGO TODAY

Holland High will graduate 21 students on June 22. Ten boys and eleven girls, namely: Sears, McLean, Cor. De Koster, Ray Hadden, Peter Oosting, Ed. Metz, Arthur Misner, Hans Olsen, Albert Richterink, A. Van Raalte, Alice Van Ark, Verna Allen, Hattie Arendsen.

TOURIST INFORMATION GIVEN BY HOLLAND CHAMBER OF COMMERCE

The Chamber of Commerce office is a very busy place these days because of answering the many inquiries regarding Holland as a place to resort for the summer. Letters come in daily for information regarding cottages and other resort accommodations. The Chamber of Commerce management wishes to again appeal to all who have cottages or rooms to rent to register same with them; who render this service absolutely free and keep this information to pass it on to those who write the Chamber for same.

The Chamber of Commerce membership is steadily growing. Every day new members are enrolled. The total membership to date is 235. This is a fine indication of the interest in the commercial development of our city.

The descriptive folder, "Holland," and the membership business directory forms are either with the printer or ready to go to press. Requests from various tourist information bureaus are coming to the Chamber of Commerce for illustrated printed matter concerning Holland. This will be supplied as soon as the folders are received from the printers.

OTTAWA COUNTY SPELLING CANDIDATE LOST BUT GOES TO WASHINGTON

Pauline Ruiter, the Ottawa County girl of Ferrysburg, seems to have received a "raw deal" if all reports are true, in the Grand Rapids Spelling Contest when, after several hours of spelling, one of the judges pronounced the word "browne" not defining it nor using it in a sentence. Pauline spelled the word "b-r-o-w-n-e" (plural of brow) which has the same pronunciation as the one pronounced. The judge pronounced an entirely different word to the other contestant when the judges suddenly told Pauline that she had misspelled "browne."

It appears that the Grand Rapids Press who were sponsoring this spelling contest, is going to do the right thing by Pauline and she is going to Washington, D. C. with Mary Bennett of Grand Rapids who won the spelling honors in Western Michigan.

The Ottawa County girl is going to have the sight-seeing trip the same as the girl who was victorious. This surely was the handsome thing to do.

MERCHANTS' SERVICE BUREAU IS GROWING

The Merchants' Service Bureau of Holland, under the able management of Norman Cobb, has shown a healthy growth.

Mr. Cobb, at the last Merchants' meeting, gave a review of what had been accomplished, stating that when he took hold there were 76 members and now there are 191 including the Zeeland membership. He expected that a score or more would be added shortly.

He pointed out that approximately \$15,000 in bad debts had been collected and the expense of running the Bureau amounted to about \$550 a month and that the organization was paying its way and had a surplus in the treasury of \$1,349.13.

ANNA BOOT, GRACE VELTMAN, GERTRUDE BROUWER, XISRA HOOPER, CLARA MC CLELLAN, ROSE SCHWARTZ, BERNICE TAKKEN, MAGGIE ROTTSCHEIDER, BOYD SLENKER. THE VALEDICTORIAN IS XISRA HOOPER. SALUTATORIAN, SEARS MC LEAN.

John F. Van Anrooy has sold his milk route to A. J. Mulder of Graafschap.

Prof. J. Nykerk will sing at the graduating exercises at Saugatuck. Henry De Pree of Zeeland has been awarded the Stanton Literature prize given by the Princeton Theological Seminary.

For the first time in the history of the city, real estate was sold at public auction. The sale was conducted by John H. Raven, part of the property purchased by him on the corner of Pine and Twelfth streets near the Third Reformed Church. The sale was well attended and the property went to Walter C. Walsh, the highest bidder.

One rural route will be established at Hamilton.

C. Van Duren's Meat Market on Thirteenth and Central ave. was damaged by fire Wednesday night, loss \$500. Night watchman, Dornbos, turned in the fire alarm.

FIFTEEN YEARS AGO TODAY

Art Greenwood died at Crisp at the age of 91 years.

Gov. Woodbridge N. Ferris declined the invitation to attend the installation of Holland's baby Elks Lodge, claiming a birthday party invitation had been accepted by him prior to the Holland Elks invitation.

Mrs. G. A. Lacey was elected president of Central School Parents Teachers Club. Mrs. G. E. Kollen, Vice-Pres.; Miss Fannie Kooler, Sec.; Mrs. Milo De Vries, Treasurer.

Prof. John E. Kuizenga of Hope College received an invitation from Gov. Ferris to deliver the baccalaureate address to the graduating class of Ferris Institute at Big Rapids.

A marriage license was issued to John A. Overweg, 33, and Fannie Dronkers, 33, both of Holland.

Peter Damstra suffered a broken collar bone as a result of a cavem in the Fifth Ward while in charge of a plumbing job.

A large force of men and a trenching machine are busy laying mains from Holland to Zeeland and our neighbors will soon have a gas supply from the Holland holders.

WHAT IS THE USE OF PRAYER

"Questions Young People Ask" is the subject of a new series of Sunday evening sermons, which the minister of Trinity Church, Rev. C. P. Dame, is preaching. The subject next Sunday will be, "What is the Use of Prayer?" Some think prayer is merely auto-suggestion, others think prayer has no place in a world of law and order. Come and hear these things considered next Sunday evening in Trinity Church.

COUNTY LETS PAVING JOB

The county road commission, at a meeting in Grand Haven has awarded the contract for the cemetery road east of Holland on Sixteenth street to H. C. Nelson Company. The price is \$18,732.21. The second lowest bidder was \$18,019.00, whose price was \$1,713.21. There were seven bids in all. The road, which is three-fourths of a mile in length and twenty feet wide, is to be completed by July 15th.

MANY FROM HOLLAND ATTEND SAUGATUCK ROAD MEET

Among those who attended the road conference at Saugatuck with a banquet at Hotel Butler were Mayor Brooks, Aldermen Steffens, Westing, Kleis, Veltman, Hyman, Postma, Yonkman, Brieve, and Woltman. Also, Dick Bote and Charles Gross, president and secretary of the Chamber of Commerce, City Clerk, Oscar Peterson, E. L. Leeland of Warm Friend Tavern, John Van Tattenhorpe of the French Cloak Store. There was a well provided banquet and they much discussed the subject "The relocation of U. S. 31" opposed by Saugatuck folks. Much of this discussion was again brought out at the Merchants' meeting, reported elsewhere in this issue.

MERCHANTS MAY PUT UP PENNANTS INSTEAD OF AMERICAN FLAGS

On a motion of B. A. Mulder, the chairman of the Merchants' Association directed the executive committee to provide suitable pennants to be used as street decorations in place of curb flags with the wording possibly "Holland, Welcome."

It has been thought for a long time that misuse has been made of the stars and stripes, putting it up for every occasion and often forgetting it on flag and other patriotic days. In order to avoid this misuse of the flag, pennants are to be provided to be used on occasions when decorations of some kind are necessary. The American flag will only be used for patriotic occasions as it should be.

NORTH SIDE FOLKS RETURN FROM EASTERN TRIP

Mr. and Mrs. L. Kardux of Beachwood have just returned from a 2,000 mile auto trip to the Eastern states, visiting New York and other large Eastern cities. They were the guest of Mr. and Mrs. Judson Hunter of Westfield, N. J. and also attended services at the church served by Rev. James Mulder, brother of Arnold Mulder of Holland.

Mr. and Mrs. Kardux stated the trip was a delightful one, and especially the tour through the mountains.

Our Neighbors Struck Fine Water Supply

ZEELAND WAS ON VERGE OF REALLY GOING DRY, PRELIMINARY TESTS PROVE GOOD CHANCE FOR SUPPLY

The Zeeland city water supply for 1929 promises to exceed that of last summer with plenty left over, contrasting with last year, when there was a considerable shortage. Conditions at Zeeland water works have been in rather poor shape, and especially so during last year.

The city council, realizing the need for drastic improvements, last summer set about to secure a better water supply, with the result that the pumps were put into the best possible condition. Since these were producing about one-half their former capacity. When the pumps were first installed, several years ago, the six were rated to produce a combined supply of some 750 gallons per minute. During the summer season of 1928 the volume dropped to about one-fourth this amount and considerably below the demand. For instance, on one hot day in August, 1928, these pumps produced in twenty-four hours of steady work 576,000 gallons and the demand on that day was 597,400 gallons, thus running short to the tune of 21,400 gallons during the day. Only the fact that the reservoir carried a large supply kept the mains from running empty.

At the present time, the six old wells are producing about four hundred gallons per minute, which is considerably below the peak demand.

Due to the alarming condition of the pumps, it was then decided to have repairs made as soon as the demand for water became light enough to warrant putting them under repairs, one at a time, and Peter De Vries, who is probably best qualified in Zeeland for the work, was secured to make these necessary repairs, with the result that all pumps are now operating as efficiently as the old pumps can be made to do. The cause for lack of water supply is now mainly due to the fact that the water sheds are playing out and the water runs short in the wells.

In connection with this, Mr. De Vries was also secured to run small test wells here and there hoping to discover a new source, or location for a new well. His knowledge of ground formation in which water is likely to exist has come to him through years of experience, and lead the tester to seek a new water shed west of the present water sheds. Several tests were made in that vicinity with gratifying results. In testing, Mr. De Vries secured samples of earth from every one-foot level down and properly labeled for reference. The results were then tabulated and the spot where the proper supply might be hidden determined. After this part of the work was completed, the Harmon News Co. of South Bend, Ind., were called in to make a test for themselves on which they might determine the basis for a future contract to build a new well. This test has now already been completed and found satisfactory and a tentative agreement was reached at the Zeeland council meeting when a representative of the company was present, and a guaranteed flow of five hundred gallons per minute is now a part of the company's agreement.

TO CELEBRATE FIFTY-FIFTH WEDDING ANNIVERSARY

Mr. and Mrs. D. Buma will celebrate their 55th wedding anniversary on May 17th at their home, 81 West 10th street. They moved to the good U. S. A. about 23 years ago from Friesland, The Netherlands, making their home in Zeeland for 20 years. The last three years they have been living in Holland.

Of the three children born to them, two died in the Netherlands and the daughter, Miss Winnie, formerly of the Holland Gas Co., is surviving.

300 WILL MEET IN HOLLAND CONVENTION

The district convention of the W. C. T. U. is to be held in Holland October 21-25. At least 300 delegates from abroad will be guests of the local union.

The program has not yet been arranged, but the convention will be held in Hope Church and luncheon and dinner will be served during the convention at the M. E. Church and at the Third Reformed Church.

Provisions will be made by public spirited Holland citizens to lodge and give breakfast to delegates who can not be taken care of at the hotels.

A big public meeting is to be on the program for the week at Hope College new Memorial Chapel. It will be a big week for the local W. C. T. U.

HIGH WATER MARK IN "CHICK" SHIPMENTS AT ZEELAND

The chick shipping period reached its peak here Monday. Three special cars were used to ship 400,000 peepers. The local postoffice employees expect to register May as the heaviest month for shipments. Tuesday's shipments fell a little short of Monday as most of the hatcheries try to fill their orders on the first day of the week. Two cars were expected to be sent out Tuesday. Marinus J. Kole, of Holland, manager of Lakeview Poultry Farm, has been notified that his baby chicks entered in the show at Manhattan, Kan., won the silver sweepstakes cup of the out-state class, taking four out of ten placings in competition with entries from eight other states.

COOPERSVILLE TO SEE WOMANLESS WEDDING

The Rebekah Lodge of Odd Fellows will put on "A Womanless Wedding," at Coopersville, May 20 and 21.

EMERY P. DAVIS, HOLLAND GAS CO. HEAD, COMING BACK TO U. S.

Miss Winnie Buma, formerly of the Holland Gas Co., has received a letter from Emery P. Davis, former head of the company here, stating that Mrs. Davis, his son Roscoe and himself would return from South America late this fall.

Mr. Davis was instrumental in installing a large plant at Rosaria de Santa Fe Argentina, South America. This gas plant is now in operation and doing fine and Mr. Davis' work there is practically completed.

In the letter that arrived in Holland, Mr. Davis writes as follows: "I have not been advised by our main office just when they will let me go, but I expect to be able to clean up everything by the last of July, and if so, I will show up in Holland about the middle of October for a few days rest. I wish to attend the A. G. A. Association at Atlantic City, if possible. Our present intention is to return to the States by the west coast destination, Los Angeles, and I would like to go on up to Portland, Oregon, and pay a little visit to my brother."

The A. G. A. Convention meets in Atlantic City in October.

Mr. Davis has not yet made definite plans and will not until he arrives and rests up a while.

Zeeland Legion To Stage Sham Battle June 1st

OLD VENEKLASSEN BRICK YARD IS TO BE THE BATTLEGROUND

At least once each year the Karsten Post of the American Legion of Zeeland plans some big event for the enjoyment of the public, a show, a fair, or homecoming. This year it is to be a sham battle and will be by far their greatest spectacle ever attempted. Arrangements have been made with the Grand Rapids battalion of the Michigan National Guard to stage the "battle" on the old brickyard property on Saturday, June first.

There will be three rifle companies, a machine gun company, trench mortar, one-pound cannons, together with the signal corps, stretching their lines of communication, throwing the smoke screen, and above all, the 12th Infantry band will be in the thick of it. In all, there will be upward of three hundred men taking part.

The men will be camped on the city park grounds in "pup" tents, rather a pretentious tent city, than one hundred and fifty tents perfectly arranged have been erected. There will be a military parade on the downtown Zeeland streets, led by the band. Company I, together with the band will put on a formal Guard Mount, the most impressive formation in the army. After the "battle" the band will give a concert in the Zeeland city park.

The performance will start at about 6:30 p. m.

HUDSONVILLE SCOUTS TO BUILD NEW HEADQUARTERS

Plans have been drawn for a Boy Scout building in Hudsonville. Specifications call for a building 24x32, with an assembly room 22x24. There will be six private apartments. The Hudsonville Lumber Co. will donate the lot on its new division and contribute much of the lumber for the building. Particulars are in the hands of E. E. Hubbard, assistant Scoutmaster.

NAME SPEAKERS FOR ROUND TABLE MAY 18

Alden W. Thompson and Marion J. Sherwood of the department of public instruction, Otter E. Sackley of the Sackley Aircraft corporation, Holland, and Miss Lavina Cappen of the department in economics in the Holland schools are listed among the speakers at the West Michigan Round Table club, which meets here May 18. The program will include a dinner to be served in Hope church. Discussions will follow each talk.

A truck mail route was opened Monday between Holland and Allegan, with intervening stops at Hamilton and Dunningville. The contract for carrying the mail was awarded Albert De Groot of Holland. Mail leaves Holland at 6:30 A. M. and reaches Allegan at 8:30 A. M. A second mail leaves Holland at 5:10 P. M. for Hamilton and return.

NOT THE STANDARD

In these days we pay too much
attention to the dollar sign—we
judge success too much by the dol-
lar standard.

Thomas Jefferson gave most of
his life to public service. As he
grew old he required financial as-
sistance in his affairs.

Dolly Madison, brilliant in the
White House, was dependent on
friends in her last years of life.

Ulysses S. Grant spent his last
years in financial turmoil.

Yet no one passes judgment on
a dollar basis when the public ser-
vices of Thomas Jefferson, James
Madison or General Grant are con-
sidered.

Tennis Team Loses First Encounter To Kalamazoo College

VANDE POEL WINS SINGLES

Klaasen and Vande Poel Win Doubles

Hope's racquet wielders lost to
Kazoo College, at Kazoo, last Wed-
nesday by a count of 5-2. Hope ap-
peared stronger in doubles than in
singles.

The only wins collected by Hope
were through the efforts of Vande
Poel and the doubles team, Klaasen
and Vande Poel. Vande Poel de-
feated Kazoo's No. 1 man Huizenga,
and Klaasen and Vande Poel de-
feated No. 1 doubles team,
Huizenga and Hill. In the other
matches Kruizenga lost to Hill,
Arendshorst fell before Wolf, and
Van Leeuwen dropped his match
to Shuster.

Considering the fact that Klaas-
en and Vande Poel are the only
letter men, Hope showed encourag-
ing signs for coming matches. This
forecast will depend upon the speed
in which the college courts will be
fit for use.

Summary of match:
Smith d. Klaasen, 6-4, 6-2.
Vande Poel d. Huizenga, 6-4, 6-4.
Shuster d. Van Leeuwen, 6-1, 6-2.
Hill d. Kruizenga, 7-5, 2-6, 6-1.
Wolf d. Arendshorst, 6-4, 6-3.
Vande Poel-Klaasen d. Huizenga-
Hill, 2-6, 6-3.
Shuster-Mosier d. Kruizenga-Ar-
endshorst, 5-7, 6-3, 6-3.

There are a great many satisfac-
tory sentences in the world. "To
make a long story short" is one of
the best of them.

A rising young artist was show-
ing a critic through his studio.
"This picture," he said, stopping in
front of one of his early efforts, "is
one I had painted to keep the wolf
from my door."
"Indeed?" replied the critic.
"Then why don't you hang it on the
doorknob, where the wolf can see
it?"

Milham is a Very Busy Farm Agent

REPORTS 10,000 TREES PLANT- ED IN PARK TOWNSHIP AS PART OF WORK

C. P. Milham, county agent, has
made a report of his activities for
April. It has been the busiest
month this busy agent has ever
put in with miles of travel, hun-
dreds of letters and many calls.

He drove 2,000 miles, held 40
meetings and sent out over 1,700
letters and made 46 farm calls. The
following schools were visited in
which boys and girls club work was
explained: Jeffers, Spring Lake,
Clayton, Wright, De Laney, Tall-
madge, Coopersville High School,
Owens, Olive, Waukazoo and Park
and Peach Plains in Grand Haven
Township.

Soils meetings have been held
over the county to explain the use
of lime and proper use of fertiliz-
ers. The value of crops for soil
building was explained and meth-
ods given for successful seeding.
Demonstrations of pruning meth-
ods and bridges and erect grafting
to save girdled trees were held in
several places. Landscape planting
was shown in three places.

In forestry, 10,000 trees were
planted on the new county prop-
erty in Park Township by 64 Hol-
land Boy Scouts under extension
directions. Model dairy trucks were
shown to demonstrate dairy devices,
buildings and ventilation. The third
of a "Grow Better Chickens" meet-
ings was held in Zeeland and advice
was given on handling dynamite in
blasting ditches.

RURAL SCHOOLS CLOSE THIS WEEK

County school examinations are
being held today and Friday for
students completing the eighth
grade in the rural schools who de-
sire to continue their education in
some high school. If they pass the
county examinations they are el-
igible to attend a high school, their
tuition to be paid by the rural school
which they attended. The examina-
tions are conducted by the county
school examiner. All rural schools
close this week for long vacation.
This has been the rule for some
years so the students can help with
the farm work.

ZEELAND GIRL WEDS OVERISEL MAN

A quiet wedding took place at
the home of Mr. and Mrs. Gerrit
Gebben, 9 East Main street, Zeel-
and, when their daughter, Miss
Henrietta, became the bride of Al-
bert Barveld of Holland, at six
o'clock on Monday evening, May
13th.

The ceremony was performed by
Rev. H. E. Oostendorp in the pre-
sence of immediate relatives and
intimate friends. After the service
a bounteous wedding dinner was
served the assembled guests, and
the newly-weds were the recipients
of congratulations as well as some
beautiful gifts.

Mr. Barveld is the son of Mr. and
Mrs. Nick Barveld of Overisel, and
is well and respectfully known in
his home community. Mrs. Barveld
has held a position with the A. La
Huis Co. for several years. The
newly-weds will make their home
in Holland, where Mr. Barveld is
employed.

GRAND RAPIDS PRESS GIVES PRAISE TO JUDGE MILES

Grand Rapids Press.—A speech
on just the right topic, and ad-
dressed to the right audience, was
that of Circuit Judge-elect Fred T.
Miles of Holland on Monday before
the Central and Ferry Junior High
schools of Grand Haven. His sub-
ject was: "The bad things alcohol
will do for you."

Perhaps the most vital argument
why this generation and the com-
ing one should not drink alcohol is
that its sale is forbidden by law
and the violator should not be en-
couraged. That is the patriotic
point of view, and deserves more
adherence than it gets. But behind
the law is a fundamental reason too
often forgotten. Alcohol's sale is
outlawed because alcohol is bad for
the human body.

In the emphasis upon its illegal-
ity a great many young people
have assumed that it is simply a
forbidden fruit. It is still a poison,
no matter how much more we pay
for it than we used to. Judge-elect
Miles is on the right track in call-
ing the attention of high school
students to that fact. Strength,
health, physical vigor, are strong
points with young people.

Hope lost to Olivet last Satur-

HOLLAND ZOO MAY ADD SUSIE TO BIG COLLECTION APES, BABOONS AND MONKEYS

Out of Holland, Mich., comes
assurance that if "Susie" has set
her heart on a middle western home
to the extent of crossing the Atlan-
tic in a Zeppelin she will not be dis-
appointed even if the Chicago zoo
finds its gorilla budget a bit short.
Susie is the gorilla which is to

begin the trans-Atlantic trip to-
morrow in the Graf Zeppelin,
weather permitting.

George F. Getz, millionaire coal
man by vocation and owner of a
large private zoo at Holland by
avocation, announced here yester-
day that he would like to acquire
Susie.

"Dr. Hugo Eckener is a very good
friend of mine," Getz said, "and I'm
sure he would give me a chance to
purchase the animal."

The Chicago zoo to which Susie
is reported consigned is in the mar-
ket for a gorilla but officials fear
that the price for a high-flying ani-
mal like Susie may be high in pro-
portion.

The satisfaction of owners is proof of its reliability...

Through the fine things said about it by its owners...
through their complete satisfaction... their freedom
from annoying disorders... their enthusiastic recom-
mendation to their friends. In this way the world is
coming to know the New Oakland All-American as a re-
markably good and reliable automobile.

It's no accident... this dependability which is winning so
many friends for Oakland. Rather it is the result of All-
American design and construction... as exemplified by
numerous features new to the moderate-priced motor
car field.

Reliability itself cannot be demonstrated. But the reasons
for it are shown in a special demonstration which we have
arranged. Ask any owner of a New All-American about its
reliability. Then come in... and we will show you why
this car is so dependable.

Prices \$1145 to \$1375, f. o. b. Pontiac, Mich., plus delivery charges.
Spring covers and Lorejoy Hydraulic Shock Absorbers included in list
prices. Bumpers and rear fender guards extra. General Motors Time
Payment Plan available at minimum rate.

Consider the delivered price as well as the list price when comparing
automobile values... Oakland-Pontiac delivered prices include only
reasonable charges for delivery and financing.

A small blaze was discovered on
the roof at the rear of the G. J.
Boone & Co. store last Friday fore-
noon, which was supposed to have
started from a spark that had fallen
into a bit of litter. The fire de-
partment responded quickly to the
alarm, and the fire was put out
quickly with the use of chemicals.
Messrs. Kamperman and De Haan
had already applied water with a
small hose when the department ar-
rived and were well on the way to
extinguishing the blaze. The damage
to the roof was very nominal.

versary on Monday afternoon with
a birthday party for his little play-
mates at his home on Wall street.
Those present were Ada Mae Bos,
Corinne Kieft, Evelyn Wagenveldt,
Lawrence Mesbergen, Dennis Van
Der Heuvel, and John Jay Huyser.
Games were played under the di-
rection of Miss Lena Visser. Re-
freshments were served in the play
room which was fittingly decorated
for the occasion. Little Glenn re-
ceived many tokens of remem-
brance from his friends.

treatment.

Mr. and Mrs. Jacob Van Hoven
were honored at their home on
South Centennial street, Zeeland,
last week Wednesday evening when

their children and their families
carried out a surprise on them on
the anniversary occasion of their
birthdays. They were presented
with a fine gift as a token of love
and esteem, and the evening was
happily spent by all in games and
a fine social time. Those present
were all their children and grand-
children: Mr. and Mrs. Abram Van
Hoven, Mr. and Mrs. James B. Tim-
mer and children, Mr. and Mrs.
Benj. Nyson and son, Mr. and
Mrs. John Bergsma and son, all of
Grand Rapids; Mr. and Mrs. Henry
Van Hoven and children, Mr. and
Mrs. Leonard Van Hoven and chil-
dren, Mr. and Mrs. Gil Van Hoven

eral members, beginning with Mrs.
R. Huxtable on Lindy street, from
where it progressed to the home of
the Misses Gertrude and Jean Vol-
kers on Pine street, Mrs. Gerrit
Goorman on West Central avenue,
and lastly, the home of Miss Lydia
Johnson on South Maple street.
Eight refreshments being enjoyed
at each home visited. At the John-
son home a miscellaneous shower
was in progress for Miss Lydia
Johnson who is soon to be a bride.
She was the recipient of many
beautiful and useful gifts. The eve-
ning was spent in music and a fine
time. Those present were Mrs. Jean
Huxtable, Mrs. Charles Rozema,
Mrs. Gerrit Goorman, the Misses
Jean and Gertrude Volkers, Pearl
and Anna Brower, Anna Telgenhof,
Martha Schermer, Janet Lampen,

seven years old, and also to have
the truck taken to Grand Rapids for
a general overhauling. The chief
was given power to act in this mat-
ter.

Chief Van Ry reported that State
street should be made a through
street because it has been designat-
ed as the entrance of M40 to the
downtown district and that stop
signs should be put up. Chief Van
Ry and Henry Swierenga were ap-
pointed to make an investigation.
The police board will meet Mon-
day afternoon at 4 o'clock.

CENTRAL PARK

The Community Mission League
met Tuesday evening at the Central
Park Reformed church. Mrs. G. H.
Dubink gave a talk on her recent
trip to the mission field in Ann-
ville, Kentucky, and Mrs. B. D.
Hakken, missionary to Arabia,
spoke on her work there. Both talks
were inspiring and interesting.

HOLLAND AND ZEELAND CAN SURELY CROW OVER ITS POULTRY SHOWING

Michigan day-old chicks had something to "crow" about Thursday winning the grand sweepstakes award besides seven out of a possible twelve first ribbons in the second annual day chick show at East Lansing Wednesday under the auspices of the poultry department of Michigan State college.

And what is more gratifying, Holland and Zeeland were on top as far as this state is concerned. Leading poultrymen and hatchery men in seven states entered chicks in the show, stiffening competition in all classes and making the exposition of national importance. Reese V. Hicks of Kansas City, Mo., managing director of the International Baby Chick association, declared it was the largest chick show ever held in the United States or elsewhere. There were 252 entries by 78 exhibitors.

White Leghorns from the Lakeview Poultry farm, Holland, placed second and were awarded the reserve sweepstakes award.

Michigan chicks excelled in all breeds which are extensively produced in this state. Blue ribbons were awarded to Wolverine exhibitors on Brown and Buff Leghorns, Rose Comb Rhode Island Reds, Columbian Rocks, Anconas and Buff Orpingtons. Out-of-town breeders won major awards in the other breeds.

Competition was exceptionally keen in the Barred Rock class. Michigan exhibitors were nosed out of first and second place by Iowa and Ohio chicks. Lakeview Poultry farm of Holland placed third and fifth, Hunderman Bros. of Zeeland were fourth.

Fourth place went to Cook's Poultry farm at Holland, seventh to Dr. L. E. Heasley, Grand Rapids, and eighth to the American Chick farm of Zeeland.

Michigan winners in the other important breeds were: Anconas—First, American Chick farm, Zeeland; second, Townline Poultry farm, Zeeland; third, Michigan hatchery, Holland; fifth, Silverward Poultry farm, Zeeland; sixth, Reliable Poultry farm, Zeeland.

Rose Comb Rhode Island Reds—First, Interlochen Poultry farm, Lawrence; second, Mrs. C. N. Whitaker, Lawrence; third, Aldrois Poultry farm, Battle Creek.

Brown Leghorns—First, Townline Poultry farm, Zeeland; second, Hunderman Bros., Zeeland. The first four places in Single Comb Reds went to out-of-state exhibitors. Hunderman Bros. of Zeeland and Lakeview Poultry farm of Holland placed fifth and sixth respectively. Lakeview farm also placed second in White Rocks, first and second in Buff Orpingtons, and second in White Wyandottes.

Seven of the Hudsonville High school seniors gave an exhibition of their oratorical abilities at Hudsonville Reformed church, contesting for the prize money offered by the Ottawa County Sunday School association. Harold Volink won first prize of \$15 and Gerrit Brandt second prize of \$10. Miss Marie Johnson was third.

Calvin college annual was dedicated to Prof. Ralph Stob of the Greek letter department at formal exercises in chapel Wednesday. Presentation was made by George Stob, junior class president, and acceptance by Prof. Stob.

Albion college trounced Hope college on the Riverview Athletic diamond at Holland Wednesday afternoon 13 to 6. Renkiewicz and Lightbody for the Methodists allowed Hope 12 hits, while Poppink and Van Lente twirled for 16 safeties. Olivet college plays Hope here next Saturday.

Norman E. VanderHart, Aaron J. Ungersma and Frederick Oler, recent graduates of Western Theological seminary, have passed successful examinations at a special session of the Holland classis and now are eligible for the ministry. VanderHart will take the pastorate of the Reformed church at Knox, N. Y., and Ungersma and Oler will take postgraduate work.

Miss Ethelyn Koeppe, a student at Hope college, was taken to the Holland hospital Thursday evening sustaining injuries in an auto accident.

The Ladies' Aid society of the Ninth Street Christian Reformed church will hold a baked goods sale at Vanden Berg and Ter Beek Bros. store Saturday afternoon.

The fire department was called upon to put a small fire out in the Verano barn on West 22nd street about 9:30 yesterday. The fire was only a smudge in some rubbish and there was not much damage. The hydrant was impossible to use because of it being broke and the truck had to back up another block to hook up the water supply.

The calendar for the May term of Allegan circuit court carries an unusually large number of cases. Court will be opened by Judge Orien S. Cross Monday, when those charged with criminal offenses will be arraigned and cases set for trial. Jurors will report May 27. There are 17 charged with criminal infractions and the jury will hear 23 law cases. The jury cases listed total 16 and there are 35 contested chancery cases.

John De Sine, 83, formerly living north of Holland, died Tuesday afternoon at Eastmanville. The body was taken to the Langeland funeral home and interment was made in the New Gronigen cemetery Thursday noon.

A party was held at the home of Steve Fairbanks in Fillmore in honor of Jay Nichols. The guests were: John Fairbanks and family; Mrs. Etta Schuitens and children, and Frank Fairbanks.

Judge Miles Makes Prize Essay Talks

W. C. T. U. Honors Announced in Various School Rooms

Prizes in the essay contest sponsored by the Woman's Christian Temperance Union in the Grand Haven Senior and Junior High Schools were awarded Monday morning by Mrs. Bert Van Den Bosch following an address by Judge-elect Fred T. Miles.

"Our Obligation" was the subject of the talk which reviewed history to show the struggle to rid the nation of slavery and the saloon. The present obligation, Judge Miles believes, is to circulate knowledge on the dangers of intoxicating beverages and cigars.

He quoted from the American Medical Society declaring that alcohol as a therapeutic agent is no longer recognized. He told of Ford Hospital discontinuing the use of whiskey as a medicine. He said, "It has been proven nothing but a narcotic poison and to get this knowledge to the world is the duty of the next generation."

The speaker was listened to with great attention by the High School as he gave one of the finest talks there during the year.

The following is a list of prizes awarded: Senior High School, Warren Clay, first prize; Annabell De Kraker, second, and Winnifred Fisher, third; Sophomore and Freshman, Elmer Whistler, Henry Bender, and Catherine Brown; eighth grade, Betty Hawkins and Ruth Verhoeck; seventh grade, Theresa Ruster and Frances Morley; Christian School, eighth grade, Albertine VanderLaan and Catherine Volkema, and seventh grade, Catherine Bonema and Nellie Swier.

The judges were Mrs. Ralph Wilson, Mrs. C. R. Shupe, Mrs. C. E. Misner, Mrs. Jennie Voss, president of the W. C. T. U., promoted the contest.

HONOR NEWLYWEDS, AND ANNOUNCE ENGAGEMENT OF DAUGHTER

Mr. and Mrs. A. M. Galentine, River avenue, at a delightful party given at their home, announced the engagement of their only daughter, Miss Marcelle Galentine to Mr. Theodore Wendall of Holland. The event Tuesday evening was in honor of a recent bride, Miss Helen Hamm Fuller. The home was tastefully decorated and the table settings were tall pink tapers with beautiful rose settings. Rose nut cups harmonized with the rest of the decorations and were found at each place card. The center piece was in the form of a mammoth rose from which each guest drew a dainty corsage bouquet of sweet peas in which was tucked the name of the young couple whose engagement was being announced. A fine two-course luncheon was one of the features of the evening, after which a short program of music followed.

It was rather a coincidence that Mrs. Fuller, who was recently wed, and Miss Galentine, a bride-to-be, are associates at the Bush & Lane Piano Co. offices. Both are very popular young ladies.

Holland hospital registered 950 patients the past year. The annual report lists 652 surgical cases, 159 obstetrical cases, 103 accidents and 36 medical cases. The financial report shows a balance of \$142.94 over expenses.

Mrs. E. Heeringa of this city was among the recent guests at the Moody Bible Institute of Chicago. The annual Gibson school picnic will be held Saturday at Goshorn.

YOUNG MOTOR THIEF
CAUGHT IN ST. JOE

Sheriff Stokette was called to St. Joseph Sunday night after he had put officers on the trail of Jacob Kuper, a 14-year-old boy living near Hudsonville. The lad stole a Ford and \$95 from the man with whom he was living while his mother was employed as a housekeeper. The lad was picked up by St. Joseph officers and this morning the sheriff brought him back to the county jail. Investigation will be made before he is turned over to Judge James Danhof of probate court or to the authorities in Chicago, his former home.

Ottawa County
Bank Visited
By Robbers

NOTHING OF VALUE IS TAKEN;
THIEVES GET FEW CENTS
IN ELEVATOR JOB

The Nunies, Ottawa County, State Bank was entered some time Friday night and generally ransacked, although nothing valuable was taken. Entrance was made through a side window which was easily raised and the work, according to the county officers, appeared to be that of novices.

The Elevator Co., owned by Robert E. Brown, was also entered and a few pennies secured, after a general overhauling of every available place money might have been left.

This is the first bank entrance to be made in this county since the organization of the vigilante system here two years ago. A standing reward of \$2,500 is offered by the State Bankers' Association for information leading to the arrest and conviction of any one entering a bank and according to what has been done in other instances there is a chance for the officers or anyone else to receive this reward.

Frank Scholten, a member of the executive committee, was called to Grant, Mich., five months ago to determine the payment of a reward of this amount to a deputy sheriff who arrested three boys who entered the bank there and secured only a few pennies. While there was nothing of value taken from the Nunies bank, the situation is a fair parallel, said Mr. Scholten today.

A committee was appointed following the Grant affair to change the laws of the Michigan Bankers' Association whereby these petty entrances will not be so costly.

This is the third bank in which Group No. 4, of which the Holland banks are members, have been concerned. In the other two instances they paid the rewards.

As there was no attempt to break into the safe in the Grant affair there was some question as to the necessity of the payment of the reward. The attempted robbery at Nunies also showed no signs of safe blowing. The secured content of a few drawers and cabinets with some possible finger prints are the only clues the officers have.

COUNTY HIGHWAY TOUR
IS COMING ON THURSDAY

A postponed meeting of the Ottawa County Road Commission and the good roads committee from the Board of Supervisors will be held today, Thursday, when the two bodies will tour over township roads which the boards have petitioned the county to take over. They lie in Crocker, Polkton, Tallmadge, Holland, Olive, and Fort Sheldon townships.

MAIL CARRIER HELPS WOMAN
FIGHT FIRE

The farm home of Albert Witteveen, located about one-half mile north of Lakewood farm schoolhouse, was saved from destruction by fire Friday afternoon through the timely aid of Gerrit Veurink, rural mail carrier. When Veurink reached the place on his mail route he found a fire in progress that nearly had reached the porch of the home and was beyond her control. Veurink jumped from his automobile, grabbed a shovel and some branches and fought the fire for some time before he succeeded in checking the flames. Mrs. Witteveen aided with buckets of water.

"The Trial of Mary Dugan" Triumphs Again as Talking Film

"The Trial of Mary Dugan," Bayard Veiller's all-talking pictureization of the stage success of the same name, will begin an engagement at the Holland theatre beginning Monday of next week, continuing to and including Friday.

Bayard Veiller, author of the stage play, went to Hollywood under a special agreement with Metro-Goldwyn-Mayer to direct the screen adaptation. Veiller, whose earlier plays include "Within the Law" and "The Thirteenth Chair," recently sailed for England and plans to produce his next piece abroad.

"The Trial of Mary Dugan" ran for more than a year on Broadway and is now being presented by eighteen road companies in this country and Europe. The picture has an all-star cast headed by Norma Shearer, Lewis Stone, who has the part of Edward West, the defense attorney; H. B. Warner, that of the prosecuting attorney; and Raymond Hackett, who played the role of Jimmy Dugan on the stage and has the same part in the picture. Others in the cast include Olive Tell, Lilyan Tashman, DeWitt Jennings, Mary Doran, Wilfrid North, and others.

The new picture is M-G-M's second all-dialogue production, following the sensational success of "Broadway Melody" in that classification. Miss Shearer was personally selected by Mr. Veiller for the title role, despite the fact that she was entirely without stage or "talkie" experience. Her voice is reported to be one of the best yet encountered among screen players, in its recording qualities.

In transferring "Mary Dugan" from stage to screen, Mr. Veiller is said to have adhered to the original dramatic treatment. Courtroom dialogue provides the action and setting and the stage production is shortened slightly to conform with film requirements.

Miss Ruth Nibbelink, teacher at Milan High school, spent the week-end with her parents in this city.

500 BABY CHICKS DIE AT
GRAND HAVEN

It is estimated about 500 baby chicks were smothered at the home of Warren C. Schofield on Waverly Road at Grand Haven, when a brooder caught fire and the fumes put the baby chicks to sleep. The department responded and succeeded in putting out the fire before it had caused much damage. A quantity of straw was burned and the little pink toes of the baby chicks turned up as they fell in the dense smoke.

CHICAGO MUSICIANS
GIVE FINE PROGRAM
IN HOLLAND

Mr. and Mrs. Scott A. Willits of the American Conservatory of Music, Chicago, rendered a violin and piano recital here Monday evening. The recital was sponsored by the Holland Teachers' club, who had as their guests the Musicians' club and the Woman's Literary club.

The program was rendered with much skill and the audience surely appreciated it.

The following numbers were given: "The Mozart Sonata in B-flat," major for violin and piano; "The Symphonie Espagnole," by Laga; "Chansonette," by Bass; "Dragon Flies," by Zolt. Mrs. Willits in true artistic style presented the First Movement of the piano concerto, by Van Weber, "Concert-struck," by Rachmaninoff, and the "Dance of the Goblins," by Bazzini.

HOLLAND WOMAN ADDED TO
HIGH SCHOOL FACULTY AS
ENGLISH INSTRUCTOR

Grand Haven—The teaching staff of the local public schools was completed today when Miss Esther Brink of Holland accepted a position in the High School to teach English. Miss Brink is a graduate of the Holland High School and Hope College. She will be an extra member of the present staff to accommodate the increasing enrollment of the High School.

This makes 19 teachers including the regular and part-time ones to instruct over 500 students. The enrollment last fall was 524 and there is every reason to believe, said Mr. Babcock, that there will be considerable increase next year. The enrollment for classes next year will be taken in about three weeks.

Mr. and Mrs. G. A. Lacey of the Lacey Studio, accompanied by their daughter Sarah and little grandson Billy Lacey, spent Mother's Day with Mr. Lacey's mother and sister in Steuben Co., Indiana.

GUN AND HOE BATTLE OVER
WOMAN NOT ENDED; HUSBAND SPURNS MATE

The examination of John Hanshaw of Jamestown, charged on two counts, assault and battery and felonious assault, was dismissed by C. E. Burr of Grand Haven, as Hanshaw pleaded guilty to the first count. There were many angles of the case in which two families were seriously involved, so the prosecutor was content to allow him to settle his difficulties by paying \$50 and costs of \$11.00 or 30 days in jail, the sentence given by Justice Burr.

He is in the county jail now and says he will not allow his wife to return to the children either. But he was a surprised man when the officer told him he would have to support the children anyway.

The story is typical of "Shack Huddle," a poor district near Jenison where family brawls and fights are not infrequent. Before Prosecutor Clarence Lokker was through with the parties he found both the families involved. Rotherick said his wife agreed to part, and she is working in Grand Rapids. So he induced Mrs. Hanshaw, whom he admitted had been friendly with him before, to come and make a home for him, he said.

Hanshaw became jealous and taking a gun decided he would scare his wife, it is said. The fact that it was not loaded substantiated his story. A battle ensued and both men showed evidences of their experience in the "rough and tumble" that followed.

Justice C. E. Burr ordered Mrs. Hanshaw to leave Rotherick's home immediately but now that Hanshaw says he will not take her back the puzzle is not solved.

HOLLAND WILL TRY COUR-
TESY CARDS IN TRAFFIC
CAMPAIGN

In an effort to reduce accidents and traffic violations Chief Van Ry of the Holland police department will inaugurate a courtesy card system for a 30-day period.

Where formerly a sticker was placed on the windshield of a machine, summoning the driver to appear at police headquarters, the violator of traffic rules will be given a courtesy card as a reminder to pay strict attention to the code of rules printed on the card.

Upon the expiration of the 30 days of grace all violators will be summoned to headquarters in person. Willful and wanton violations will not be tolerated.

Miss Gladys Huizinga with her oration "Grooves of Change" won first place in the Woman's Oratorical Contest held Wednesday afternoon. Miss Huizinga, a member of the Junior Class, will represent Hope in the Michigan Oratorical League competition to be held at Calvin College next spring.

Miss Evelyn Albers, a sophomore, was placed second. The title of her oration was, "Down Below." Both of these winners will receive prizes that are annually given on Commencement Evening.

Third place was given to Miss Marian Anderson who spoke on the subject of "Enthusiasm." The other contestants and their topics were: Julia Van Oes, "Half Truths"; Adelia Beeuwkes, "The Undeniable"; Ruth Van Althuis, "The Salt of the Earth"; and Lovetta Schulling, "A Child Shall Lead Them." The judges of the contest were Miss Gibson, Mr. Lubbers and Dr. Robinson.

It has become a tradition to hold this contest on the afternoon of Voorhees Day. The Girls' Glee Club sang two numbers at the opening of the program. The arrangements were in charge of Kenneth Hyink.

Immediately following the program, Mrs. Durfee entertained at a tea for the contestants and the members of the Girls' Glee Club.

JUNIOR HIGH ALSO HOLDS
SCHOOL ELECTION

The annual school caucus was also held at Junior High School and the following candidates were selected for today, Friday. They are: President, James Smeenge, George Bosworth; Vice President, Lois Geerds, George Plakke; Secretary, Ella Thompson, 291, Irene Overbeek, 159; Treasurer, Jacqueline Karreman, Sina Westrate.

Harold Nienhuis led as candidate for chief of police with 135 votes, and Herbert Harrington and Glen Loveland tied for second place.

Grand Haven
Grocer Hangs
Self in Store

Bad Business Is Said to Be Cause
of Despondency Causing Act

The body of Gerrit Ball, veteran grocer of Grand Haven, one of the best known and most highly respected citizens was discovered in the basement of the City Grocery about 7:45 A. M. Monday by his brother, Jurrin Ball, who noticed him hanging from the rafters, apparently lifeless.

Mr. Ball called Sheriff Stokette and Constable Govert Van Zantwijk who decided death had come by his own hand and there was no need for an inquest. The store was closed and as the news spread rapidly a crowd collected, all deeply sympathetic over the tragedy in the early morning in the dusty basement of the business place where the victim had spent the greater part of his life. He evidently wanted to die in the place where he had worked and slaved for 50 years.

Despondency over business affairs is supposed to have been the reason for the act although his brother Jurrin said there was no real excuse for the act.

The body was found hanging by an ordinary clothes line, knotted rather insecurely to the rafter bridging near the door leading into the basement under the grocery. Two packing boxes stood near from which he evidently stepped. His feet were within an inch or two of the floor.

When the officers arrived the body was still limp and there were no signs of a struggle. The neck was lacerated from the new rope, however. The man was fully dressed, even to his coat and glasses.

Henry Kohloff and William Grunet, fellow merchants, probably were the last persons to see him alive as they noticed him going to the store at 6:30 in the morning, although they did not speak to him.

Although despondent during the past few months, he was not usually so Sunday, said the widow. Others who saw him corroborated the statement.

Gerrit Ball was about 65 years old and was born and had been reared in Grand Haven. He attended the schools in that city. He was a member of Co. F in the earlier years of its organization. He was at one time a member of the Elks and Woodmen and the president of a social club. Of late years he had dropped all these affiliations and was entirely absorbed by his business.

When a boy of 14 years he went to work for his brother, Jurrin, who conducted a grocery business in the old Grand Haven lumber days and who today is the oldest active merchant in that city. The dead man worked for him over 40 years and bought out the grocery end of the business about 10 years ago when Jurrin took over the dry-goods end.

They worked side by side for the many years and the shock of finding his brother hanging to a rafter was a severe one to the older brother. There are two others surviving, John and Peter, both of this city, and the widow. There were no children.

Reticent always about his affairs, it was hard for his friends and fellow employees to find out what his plans were. Mrs. Selma Melotte, who has been employed at the store for many years, was on the point of leaving for a trip to South America but stayed on knowing that Mr. Ball greatly depended upon her.

The widow and brothers are prostrated over the sad event.

PLAN ORDINATIONS OF TWO
HOLLAND PASTORS; ONE
THIS THURSDAY NIGHT

Rev. John VanderBeek delivered his farewell sermon to his South Blenden congregation Sunday. His ordination as pastor of Sixth Reformed church in this city has been set for this Thursday evening of May 16. He will deliver his inaugural sermon next Sunday, May 19.

Rev. P. Jonker, Jr., and family are planning to reach Holland from Lynden, Wash., within the next two weeks. Mr. Jonker's ordination as pastor of Sixteenth Street Christian Reformed church will take place on May 26.

DETROIT PASTOR TO HEAD
CONFERENCE

Rev. J. J. Hollebrands, pastor of the First Reformed church, Detroit, was chosen presiding officer of the synodical conference to be held at Holland in October. Rev. Hollebrands was present at the preliminary meeting here yesterday, with delegates from the seven classes in the Synod of Chicago.

Deputy Cramer was called to Waverly Saturday evening to drive some bums from a box car in which they had built a fire which resulted in about \$60 damage.

Tony Ver Liere, 204 West 21st street, has applied for a building permit to do some remodeling to cost \$140.

Mrs. C. H. Cuiner of Big Rapids spent a few days in Holland last week.

Charles Van Lente has returned from a several weeks trip to California.

A RUMMAGE SALE

A rummage sale will be put on Saturday, May 18th, by the American Legion Auxiliary, in the former location of the Knitting Mills, on East 8th street. The use of this store building was given as a donation to their cause, which is to aid in rehabilitating ex-service men. The sale will open at 8:00 a.m. and will include articles of every description, which were collected today and are going through the process of fumigation and assortment.

BIOLOGY CLASSES OBSERVE
ARBOR DAY

Miss Rogers' biology class observed Arbor Day by planting trees in the plot of ground at the south side of the city. The boys who did the work under the supervision of Miss Rogers were Kenneth Harkema, Donald Te Roller, Bud Slagh, Edward Heneveld, Kenneth Karsten, Eugene Brins, We-

ley De Witt, Ward Hamlin, Benjamin Hamm, Ralph Woldring, Alvin Schuiling, Edwin Hoffman, Vaudie Van Den Berg, William Van Den Berg, Howard Tensink and Donald Albers. Twenty-one trees were planted and all of the other trees on the plot were cultivated and trimmed.

Mr. and Mrs. Cecil Huntley motored to Frankfort Sunday.

REFUSED USE OF CAR, ZEELAND GIRL ASSAULTS JUNCLE

Miss Henrietta Victoria was sentenced to serve 30 days in jail by Justice Dethmer Saturday on charges of assault and battery and destroying property. Hulp Van Wingen of Zeeland, uncle of the girl, caused her arrest after she assaulted him and broke his household furniture when refused the use of his car.

Edgar M. Irvin was a Holland business visitor for a few days.

SINKHOLE AT VRIESLAND COVERED WITH WATER

The heavy rains Saturday played havoc with the farms and roads in the vicinity of this city. M21 at the Vriesland sinkhole was completely covered with water over the running boards of the machines. The water washed away a great section of the roadbed at the sinkhole bridge. The county road commission worked late Saturday night filling the hole with sandbags and railroad ties in order to have the trunkline in passable condition Sunday. About 100 cars were stalled within a distance of one mile. The Vriesland road, just east of this city, was covered about a distance of one-eighth of a mile. Farms about the Vriesland sinkhole are covered with two feet of water. The early onion sets and celery planted were ruined or washed away. Farms about New Groningen were covered with water. The entire lower area of the Holland Country club grounds are under water.

HOLLAND EDUCATORS HAVE "LOW DOWN" ON ALL HIGH PUPILS

Grand Rapids Press—A personal card system, recording the activities of every pupil in his three-year course, has been launched in Holland high school under the direction of Principal J. J. Riemersma and Miss H. G. Hoekje, faculty chairman.
Spaces are provided for scholarship, service on student council or committees and boards appointed by the mayor, contests, local, district and state, athletic letters, officer in clubs or societies, membership in musical organizations, squad leaders or supervisors in gymnasium work, major points in assembly programs, student teaching for a time, special honors and medals for courage or recognized service and outstanding citizenship.
The front space has been reserved for a photograph, with information as to the pupil's church, school attended before entering Holland high, advisor through school and other items bearing on the life of the pupil.

TREE PLANTING IS FOLLOWED BY PROGRAM AND A SPREAD

The Willard G. Leenhouts Post, American Legion, have finished their tree planting campaign at the fish ponds east of the city and along Ottawa beach scenic highway. They also planted new trees in places along other highways where some had been planted and had died. The planting was followed by a banquet in the G.A.R. rooms in the city hall, where timely spread had been provided after the men came in from the planting. The repast was in charge of the Legion Auxiliary. Places of honor were also assigned the Campfire girls who under the leadership of Gertrude Smeenge and Helen Johnson did effective work on tree tag day and helped to make it possible for the Legion to carry on the tree planting. One of the outstanding features of the meeting was the presence of the sea scouts, who have enlisted in the work of helping to plant the trees. Under the direction of Skipper Hyma and Ash these boys did valiant work.
Commander Hartman expressed the appreciation of the Legion for the help given them by the Campfire Girls and the Sea Scouts.
Additional donations sent by others after tag day was over were from the following: Diekema, Kollen, Ten Cate, \$1.00; B. P. Donnelly \$2.00; Dr. W. G. Winter, \$1.00; De Pree Hardware \$5.00; Geo. Vande Riet \$5.00; Chester L. Beach \$5.00; J. A. Vander Veen \$5.00; Jas. A. Brower \$15.00; Chas. Kirchen \$5.00; Dr. M. J. Cook \$1.00; Alex Van Zanten \$1.00; Mrs. J. E. Telling \$2.50; S. Henkle \$2.00.

The Holland Country Club has added many new members with the opening of the club, which was late in starting because part of the course was flooded by high water from Black river. Douglas Woodrow is again the golf instructor and Mrs. Serier will be in charge of the club house as usual, and she sure knows how to make things pleasant for the guests with her wonderful cooking. Among the new members can be found: R. G. Peters of Detroit, K. Bacon of Detroit, John Kole of Zeeland, Harry Dunn, Fred Meyers, John Dykema, Thos. White, Louis Lawrence, F. Bowens, J. M. Vander Bunte of Holland and J. Heckman of Grand Rapids.

Mr. and Mrs. Charles McBride have returned to their home on 12th street after spending several weeks at Warm Friend Tavern while their house was being remodeled.

Zeeland Puts On A Safety Campaign

STATE POLICE AND LOCAL POLICE CO-OPERATE IN DRIVE; NO ARRESTS WERE MADE

Two state police officers, Corporal L. Dora and Trooper L. E. Langthorn, were in Zeeland this week in their campaign upon defective automobile lighting.
Zeeland's Chief of Police, Ed. Ryenga, and Officer Boma assisted them in the work, and several machines were stopped for inspection and drivers were allowed to go on their own recognition with the provision that they have the necessary repairing done and report to the Zeeland officers with the repaired difficulty in evidence.
It is the program of the State Safety Department to cover every city and village in the state to eliminate these violations of the state traffic law. After visiting a city, those violating the law by having either the headlights or tail-lights out are to be arrested by the local police officers and will be required to pay the penalty prescribed.
Following the campaign on correct automobile lighting there will be a campaign on proper brakes. Many are today driving cars which makes out of order, endangering themselves and others on the highway. The safety department is now preparing literature and window stickers for this purpose, and Zeeland will soon be in the midst of an active drive of brake testing.
As an example, there was an accident during the week due to ineffective brakes. In order to avoid a collision at a street intersection a lady, driving a car, turned off suddenly. She stepped on the brake but the car did not respond and kept right on going until it met up with a telephone pole, which sent her and her baby through the windshield, badly injuring the mother.
It is very noticeable in Zeeland, the number of cars that are operating with defective lights and defective brakes. The number is certainly surprisingly large, according to the police and therefore a brake and light test will be inaugurated soon.

Holland Man Builds Garage in Zeeland

WILL INCLUDE A SPLENDID SHOWROOM AND SALES PARLORS SIXTY FEET FRONT

Another indication of Zeeland prosperity is evident when it was announced that the J. H. Kole Auto Co., agents of Fords and Fordsons products are letting a contract for a large new building on Church street.
The general contract for building the new garage and showroom for the J. H. Kole Auto Co., owners of the Ford franchise in Zeeland and Byron Center, has been let to Abe Post of Zeeland. The plumbing, heating and electrical work will be done by B. J. W. Berghorst, and the building materials will be furnished by G. Moeke & Sons, also of Zeeland.
Removal of the old building, so long occupied by their predecessors, the Hollemans-De Weerd Auto Co., will begin this week. In the meantime, the Ford sales and display rooms, as well as the service facilities, have been removed to the new building owned by Q. De Vries and situated on North Franklin street at the west end of town.
The new garage will be more than twice as large as the present building. It will be in the shape of an L with a sixty-foot frontage on South Church street, extending to a depth of 110 feet, with a rear width of seventy-two feet and containing in all about 8,000 square feet of floor space. The building will be of concrete and steel construction, fire proof; its front will be veneered with light-colored face brick, and finished inside with a terrazzo floor and glazed tile wainscoting.
An ample showroom for displaying the new Ford models will occupy the front of the building, with a suite of sales offices finished in glazed tile and hardwood.
There will be a much enlarged garage and service department, well lighted and fully equipped with the many special facilities used in giving Ford car owners the service they may need. The stock room for accessories and replacements will also be increased and arranged with an eye for efficient and prompt service.
Since Mr. Johnny Kole's ownership of the Ford dealership, acquired fifteen months ago, he feels confident that Zeeland and vicinity will appreciate this new and better service possibly only with modern and up-to-the-minute facilities.
Mr. Kole, who is promoting the construction of this garage and showroom, came to Zeeland from Holland where he had been previously identified for several years with the Hollemans De Weerd Auto Co., which has been a great success for his new Zeeland undertaking.

DRENTHIE HAS A MILK CAN FIRE BRIGADE

Drenthie believes in fire protection and for that reason farmers in that vicinity have put in a protection against the farmer. A crude but effective fire alarm system has been installed with the aid of public spirited citizens. The rural telephone is utilized and any fire is immediately reported to the church sexton who sets the church bell going, giving the alarm. Drenthie has a community fire pump, and the farmers are ready for when they hear the church bell ring it is the signal to fill a truck load of milk cans with water and rush to the scene of the blaze. With scores of farmers bringing water quite a supply will soon be available and if the blaze is not too far advanced can be brought under control quickly.

EYE THE BAROMETER OF HEALTH CONDITIONS

Optometry—one of the newest and most exact sciences—has evolved a new and more natural method of correcting eye deficiencies by means of eye muscle athletics. It does not now longer depend entirely on artificial or mechanical aids to vision.

This important new scientific development which is termed "Corrective Optometry" is dedicated to the correction of ocular deficiencies through the building of stronger eyes rather than stronger glasses. In this way, Optometry, dedicated to the protection, perfection, and preservation of vision, takes its place by the side of preventative medicine and prophylactic dentistry as a truly modern scientific profession.

Having just returned from a post-graduate course in Chicago wherein an intensive program was given by nationally known leaders in the "Corrective Optometry" movement, I am much interested in this new scientific Optometric technique which has helped many to postpone the day when glasses must be worn; has enabled others to wear less conspicuous lenses, and has also overcome conditions such as crossed eyes which can now be corrected by "Myoculesics"—[eye muscle athletics] in fully 80% of the cases, as well as dim vision, amblyopia, color blindness, etc.

This new phase of the science of Optometry is based on the philosophy that natural correction is better than artificial relief. It dispenses with lenses whenever it may safely do so, but no means can always eliminate them.

This new procedure made possible by these latest scientific developments is also a great aid to correct diagnosis of eye troubles, assuring accuracy of prescription where glasses are found necessary.
